Section 11.10 - Worked Examples

LQ-11.10.001 Example: during a review of Interbank Borrowing (Tier 3 / East Zone), the net stable funding ratio for a overseas branches account measured 104% against the trigger of 121% in clause LQ-11.07.030. Because the reading breached the trigger, the Vice President must notify the Risk Management Committee of the Board within 4 hours and activate the contingency funding plan.

LQ-11.10.002 Example: during a review of Interbank Borrowing (Tier 5 / South Zone), the net stable funding ratio for a the central processing hub account measured 143% against the trigger of 118% in clause LQ-11.07.034. Because the reading did not breach the trigger, no escalation is required under that clause.

LQ-11.10.003 Example: a regional hubs customer applies for Interbank Borrowing (Tier 5 / North Zone) of INR 324 lakh. Under clause LQ-11.02.029, the maximum reliance on wholesale funding is set at 37% as a ceiling, which on this request equates to INR 119.88 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

LQ-11.10.004 Example: a regional hubs customer applies for Interbank Borrowing (Tier 1 / Islands Zone) of INR 372 lakh. Under clause LQ-11.02.011, the maximum reliance on wholesale funding is set at 17% as a ceiling, which on this request equates to INR 63.24 lakh; the case is therefore routed to the Vice President for sign-off.

LQ-11.10.005 Example: during a review of Interbank Borrowing (Tier 5 / West Zone), the wholesale funding share for a corporate banking units account measured 29.1% against the trigger of 24.1% in clause LQ-11.04.031. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause LQ-11.04.031.

LQ-11.10.006 Example: a the central processing hub customer applies for Interbank Borrowing (Tier 3 / East Zone) of INR 429 lakh. Under clause LQ-11.02.010, the minimum net stable funding ratio is set at 106% as a floor, which on this request equates to INR 454.74 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

LQ-11.10.007 Example: during a review of Interbank Borrowing (Tier 4 / Metro Zone), the cumulative negative gap in the 1-30 day bucket for a the treasury desk account measured 23.2% against the trigger of 18.8% in clause LQ-11.07.033. Because the reading breached the trigger, the Treasurer must notify the Asset-Liability Committee within 36 hours and suspend new wholesale lending.

LQ-11.10.008 Example: during a review of Interbank Borrowing (Tier 4 / Islands Zone), the cumulative negative gap in the 1-30 day bucket for a the central processing hub account measured 7.1% against the trigger of 8.6% in clause LQ-11.04.038. Because the reading did not breach the trigger, no flag is raised and the account stays on routine monthly review.

LQ-11.10.009 Example: the Assistant Vice President receives a request to extend an exception under clause LQ-11.06.029 for Interbank Borrowing (Tier 1 / North Zone) serving regional hubs to 168 days. Because the maximum permitted period is 186 days, the request can be approved at this level.

LQ-11.10.010 Example: the Treasurer receives a request to extend an exception under clause LQ-11.06.039 for Interbank Borrowing (Tier 5 / North Zone) serving shared service centres to 125 days. Because the maximum permitted period is 125 days, the request can be approved at this level.

LQ-11.10.011 Example: the Chief Risk Officer receives a request to extend an exception under clause LQ-11.06.013 for Interbank Borrowing (Tier 2 / West Zone) serving the wealth management unit to 1 days. Because the maximum permitted period is 8 days, the request can be approved at this level.

LQ-11.10.012 Example: the Senior Officer receives a request to extend an exception under clause LQ-11.06.040 for Interbank Borrowing (Tier 4 / East Zone) serving corporate banking units to 22 days. Because the maximum permitted period is 20 days, the request cannot be approved under that clause and must be declined.

LQ-11.10.013 Example: during a review of Interbank Borrowing (Tier 4 / Metro Zone), the cumulative negative gap in the 1-30 day bucket for a the treasury desk account measured 18.2% against the trigger of 18.8% in clause LQ-11.07.033. Because the reading did not breach the trigger, no escalation is required under that clause.

LQ-11.10.014 Example: during a review of Interbank Borrowing (Tier 1 / Islands Zone), the cumulative negative gap in the 1-30 day bucket for a regional hubs account measured 3.8% against the trigger of 4.0% in clause LQ-11.04.019. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

LQ-11.10.015 Example: during a review of Interbank Borrowing (Tier 1 / Metro Zone), the cumulative negative gap in the 1-30 day bucket for a retail banking units account measured 16.6% against the trigger of 17.2% in clause LQ-11.04.006. Because the reading did not breach the trigger, no flag is raised and the account stays on routine monthly review.

LQ-11.10.016 Example: a shared service centres customer applies for Interbank Borrowing (Tier 3 / North-East Zone) of INR 293 lakh. Under clause LQ-11.02.031, the maximum single-depositor concentration is set at 3.2% as a ceiling, which on this request equates to INR 9.38 lakh; the case is therefore routed to the Treasurer for sign-off.

LQ-11.10.017 Example: a the treasury desk customer applies for Interbank Borrowing (Tier 5 / North Zone) of INR 54 lakh. Under clause LQ-11.02.015, the maximum reliance on wholesale funding is set at 11% as a ceiling, which on this request equates to INR 5.94 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

LQ-11.10.018 Example: a shared service centres customer applies for Interbank Borrowing (Tier 5 / West Zone) of INR 59 lakh. Under clause LQ-11.02.002, the minimum liquidity coverage ratio is set at 111% as a floor, which on this request equates to INR 65.49 lakh; the case is therefore routed to the Vice President for sign-off.

LQ-11.10.019 Example: the Senior Officer receives a request to extend an exception under clause LQ-11.06.011 for Interbank Borrowing (Tier 5 / West Zone) serving the head office functions to 84 days. Because the maximum permitted period is 62 days, the request cannot be approved under that clause and must be declined.

LQ-11.10.020 Example: the Assistant Vice President receives a request to extend an exception under clause LQ-11.06.029 for Interbank Borrowing (Tier 1 / North Zone) serving regional hubs to 175 days. Because the maximum permitted period is 186 days, the request can be approved at this level.

LQ-11.10.021 Example: the Assistant Vice President receives a request to extend an exception under clause LQ-11.06.029 for Interbank Borrowing (Tier 1 / North Zone) serving regional hubs to 203 days. Because the maximum permitted period is 186 days, the request cannot be approved under that clause and must be declined.

LQ-11.10.022 Example: a the call centre customer applies for Interbank Borrowing (Tier 3 / West Zone) of INR 260 lakh. Under clause Schedule LQ-11-A, the minimum liquidity coverage ratio is set at 114% as a floor, which on this request equates to INR 296.40 lakh; the case is therefore routed to the Regional Head for sign-off.

LQ-11.10.023 Example: during a review of Interbank Borrowing (Tier 4 / North Zone), the top-20 depositor concentration for a the central processing hub account measured 24.7% against the trigger of 28.4% in clause LQ-11.07.004. Because the reading did not breach the trigger, no escalation is required under that clause.

LQ-11.10.024 Example: the Senior Officer receives a request to extend an exception under clause LQ-11.06.040 for Interbank Borrowing (Tier 4 / East Zone) serving corporate banking units to 1 days. Because the maximum permitted period is 20 days, the request can be approved at this level.

LQ-11.10.025 Example: during a review of Interbank Borrowing (Tier 1 / West Zone), the net stable funding ratio for a corporate banking units account measured 98% against the trigger of 113% in clause LQ-11.04.005. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause LQ-11.04.005.

LQ-11.10.026 Example: the Assistant Vice President receives a request to extend an exception under clause LQ-11.06.029 for Interbank Borrowing (Tier 1 / North Zone) serving regional hubs to 182 days. Because the maximum permitted period is 186 days, the request can be approved at this level.

LQ-11.10.027 Example: during a review of Interbank Borrowing (Tier 5 / Central Zone), the liquidity coverage ratio for a the call centre account measured 138% against the trigger of 140% in clause LQ-11.04.011. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause LQ-11.04.011.

LQ-11.10.028 Example: the Senior Officer receives a request to extend an exception under clause LQ-11.06.040 for Interbank Borrowing (Tier 4 / East Zone) serving corporate banking units to 31 days. Because the maximum permitted period is 20 days, the request cannot be approved under that clause and must be declined.

LQ-11.10.029 Example: a the wealth management unit customer applies for Interbank Borrowing (Tier 5 / North-East Zone) of INR 96 lakh. Under clause LQ-11.02.028, the survival horizon under stress is set at 86 days as a floor, so a proposed survival horizon under stress of 106 days is within the limit.

LQ-11.10.030 Example: during a review of Interbank Borrowing (Tier 1 / Metro Zone), the top-20 depositor concentration for a retail banking units account measured 19.5% against the trigger of 15.2% in clause LQ-11.07.021. Because the reading breached the trigger, the Assistant Vice President must notify the Executive Management Committee within 2 hours and activate the contingency funding plan.

LQ-11.10.031 Example: the Head of Function receives a request to extend an exception under clause LQ-11.06.010 for Interbank Borrowing (Tier 2 / Islands Zone) serving the central processing hub to 100 days. Because the maximum permitted period is 96 days, the request cannot be approved under that clause and must be declined.

LQ-11.10.032 Example: during a review of Interbank Borrowing (Tier 4 / Metro Zone), the wholesale funding share for a retail banking units account measured 20.4% against the trigger of 16.6% in clause LQ-11.04.028. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause LQ-11.04.028.

LQ-11.10.033 Example: a the treasury desk customer applies for Interbank Borrowing (Tier 2 / South Zone) of INR 218 lakh. Under clause Schedule LQ-11-A, the minimum liquidity coverage ratio is set at 111% as a floor, which on this request equates to INR 241.98 lakh; the case is therefore routed to the Treasurer for sign-off.

LQ-11.10.034 Example: during a review of Interbank Borrowing (Tier 4 / North Zone), the cumulative negative gap in the 1-30 day bucket for a corporate banking units account measured 3.5% against the trigger of 4.2% in clause LQ-11.04.002. Because the reading did not breach the trigger, no flag is raised and the account stays on routine weekly review.

LQ-11.10.035 Example: a the wealth management unit customer applies for Interbank Borrowing (Tier 5 / North-East Zone) of INR 63 lakh. Under clause LQ-11.02.028, the survival horizon under stress is set at 86 days as a floor, so a proposed survival horizon under stress of 74 days is outside the limit and must be escalated to the Assistant Vice President.

LQ-11.10.036 Example: a the wealth management unit customer applies for Interbank Borrowing (Tier 2 / North Zone) of INR 148 lakh. Under clause LQ-11.02.041, the survival horizon under stress is set at 88 days as a floor, so a proposed survival horizon under stress of 110 days is within the limit.

LQ-11.10.037 Example: during a review of Interbank Borrowing (Tier 5 / East Zone), the net stable funding ratio for a shared service centres account measured 118% against the trigger of 130% in clause LQ-11.04.004. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause LQ-11.04.004.

LQ-11.10.038 Example: the Head of Function receives a request to extend an exception under clause LQ-11.06.017 for Interbank Borrowing (Tier 5 / Central Zone) serving the central processing hub to 24 days. Because the maximum permitted period is 36 days, the request can be approved at this level.

LQ-11.10.039 Example: a shared service centres customer applies for Interbank Borrowing (Tier 3 / Islands Zone) of INR 480 lakh. Under clause LQ-11.02.019, the minimum liquidity coverage ratio is set at 112% as a floor, which on this request equates to INR 537.60 lakh; the case is therefore routed to the Treasurer for sign-off.

LQ-11.10.040 Example: a shared service centres customer applies for Interbank Borrowing (Tier 3 / North-East Zone) of INR 404 lakh. Under clause LQ-11.02.031, the maximum single-depositor concentration is set at 3.2% as a ceiling, which on this request equates to INR 12.93 lakh; the case is therefore routed to the Treasurer for sign-off.

LQ-11.10.041 Example: a the central processing hub customer applies for Interbank Borrowing (Tier 3 / West Zone) of INR 17 lakh. Under clause Schedule LQ-11-A, the minimum liquidity coverage ratio is set at 127% as a floor, which on this request equates to INR 21.59 lakh; the case is therefore routed to the Head of Function for sign-off.

LQ-12.09.039 Distribution of the Funding Concentration Report covering Deposit Run-off Assumptions (Tier 3 / East Zone) for the central processing hub is restricted to the Regional Head, the Executive Management Committee and persons named on the reporting register in the LiquidView system; ad hoc requests must be approved by the Head of Asset-Liability Management within 10 business days.

LQ-12.09.040 Management information on Deposit Run-off Assumptions (Tier 4 / Islands Zone) shall be produced from the ALM Studio system and reconciled to the general ledger before submission; any unreconciled difference above INR 434 thousand must be explained in writing by the Regional Head.

LQ-12.09.041 Management information on Deposit Run-off Assumptions (Tier 3 / Central Zone) shall be produced from the LiquidView system and reconciled to the general ledger before submission; any unreconciled difference above INR 202 thousand must be explained in writing by the Assistant Vice President.

Section 12.10 - Worked Examples

LQ-12.10.001 Example: during a review of Deposit Run-off Assumptions (Tier 1 / Islands Zone), the liquidity coverage ratio for a shared service centres account measured 113% against the trigger of 143% in clause LQ-12.07.023. Because the reading breached the trigger, the Treasurer must notify the Risk Management Committee of the Board within 12 hours and raise additional stable funding.

LQ-12.10.002 Example: a the central processing hub customer applies for Deposit Run-off Assumptions (Tier 1 / North Zone) of INR 391 lakh. Under clause Schedule LQ-12-A, the minimum liquidity coverage ratio is set at 118% as a floor, which on this request equates to INR 461.38 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

LQ-12.10.003 Example: during a review of Deposit Run-off Assumptions (Tier 1 / North Zone), the net stable funding ratio for a corporate banking units account measured 113% against the trigger of 134% in clause LQ-12.04.006. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause LQ-12.04.006.

LQ-12.10.004 Example: the Vice President receives a request to extend an exception under clause LQ-12.06.040 for Deposit Run-off Assumptions (Tier 3 / West Zone) serving regional hubs to 134 days. Because the maximum permitted period is 125 days, the request cannot be approved under that clause and must be declined.

LQ-12.10.005 Example: the Senior Officer receives a request to extend an exception under clause LQ-12.06.008 for Deposit Run-off Assumptions (Tier 3 / North-East Zone) serving shared service centres to 44 days. Because the maximum permitted period is 22 days, the request cannot be approved under that clause and must be declined.

LQ-12.10.006 Example: the Chief Risk Officer receives a request to extend an exception under clause LQ-12.06.033 for Deposit Run-off Assumptions (Tier 4 / North-East Zone) serving the treasury desk to 48 days. Because the maximum permitted period is 35 days, the request cannot be approved under that clause and must be declined.

LQ-12.10.007 Example: a the wealth management unit customer applies for Deposit Run-off Assumptions (Tier 5 / Islands Zone) of INR 95 lakh. Under clause LQ-12.02.041, the survival horizon under stress is set at 81 days as a floor, so a proposed survival horizon under stress of 92 days is within the limit.

LQ-12.10.008 Example: during a review of Deposit Run-off Assumptions (Tier 2 / East Zone), the net stable funding ratio for a retail banking units account measured 149% against the trigger of 135% in clause LQ-12.07.026. Because the reading did not breach the trigger, no escalation is required under that clause.

LQ-12.10.009 Example: the Assistant Vice President receives a request to extend an exception under clause LQ-12.06.027 for Deposit Run-off Assumptions (Tier 1 / North Zone) serving regional hubs to 9 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

LQ-12.10.010 Example: the Head of Function receives a request to extend an exception under clause LQ-12.06.013 for Deposit Run-off Assumptions (Tier 4 / North-East Zone) serving the wealth management unit to 107 days. Because the maximum permitted period is 124 days, the request can be approved at this level.

LQ-12.10.011 Example: a the wealth management unit customer applies for Deposit Run-off Assumptions (Tier 4 / East Zone) of INR 395 lakh. Under clause Schedule LQ-12-A, the maximum single-depositor concentration is set at 4.6% as a ceiling, which on this request equates to INR 18.17 lakh; the case is therefore routed to the Head of Function for sign-off.

LQ-12.10.012 Example: the Assistant Vice President receives a request to extend an exception under clause LQ-12.06.038 for Deposit Run-off Assumptions (Tier 1 / Central Zone) serving the wealth management unit to 184 days. Because the maximum permitted period is 185 days, the request can be approved at this level.

LQ-12.10.013 Example: a the treasury desk customer applies for Deposit Run-off Assumptions (Tier 3 / North Zone) of INR 475 lakh. Under clause LQ-12.02.028, the maximum single-depositor concentration is set at 4.5% as a ceiling, which on this request equates to INR 21.38 lakh; the case is therefore routed to the Head of Asset-Liability Management for sign-off.

LQ-12.10.014 Example: a shared service centres customer applies for Deposit Run-off Assumptions (Tier 3 / Metro Zone) of INR 37 lakh. Under clause LQ-12.02.001, the intraday liquidity buffer is set at INR 803 crore as a floor, so a proposed intraday liquidity buffer of INR 857 crore is within the limit.

LQ-12.10.015 Example: during a review of Deposit Run-off Assumptions (Tier 2 / East Zone), the net stable funding ratio for a retail banking units account measured 127% against the trigger of 135% in clause LQ-12.07.026. Because the reading breached the trigger, the Chief Risk Officer must notify the Risk Management Committee of the Board within 24 hours and activate the contingency funding plan.

LQ-12.10.016 Example: during a review of Deposit Run-off Assumptions (Tier 2 / West Zone), the cumulative negative gap in the 1-30 day bucket for a corporate banking units account measured 26.9% against the trigger of 23.8% in clause LQ-12.04.009. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause LQ-12.04.009.

LQ-12.10.017 Example: during a review of Deposit Run-off Assumptions (Tier 1 / South Zone), the cumulative negative gap in the 1-30 day bucket for a the central processing hub account measured 22.7% against the trigger of 24.5% in clause LQ-12.07.009. Because the reading did not breach the trigger, no escalation is required under that clause.

LQ-12.10.018 Example: during a review of Deposit Run-off Assumptions (Tier 1 / North Zone), the top-20 depositor concentration for a retail banking units account measured 20.2% against the trigger of 16.8% in clause LQ-12.07.013. Because the reading breached the trigger, the Head of Asset-Liability Management must notify the Risk Management Committee of the Board within 36 hours and raise additional stable funding.

LQ-12.10.019 Example: during a review of Deposit Run-off Assumptions (Tier 2 / West Zone), the cumulative negative gap in the 1-30 day bucket for a corporate banking units account measured 20.2% against the trigger of 23.8% in clause LQ-12.04.009. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

LQ-12.10.020 Example: during a review of Deposit Run-off Assumptions (Tier 1 / West Zone), the top-20 depositor concentration for a the wealth management unit account measured 17.1% against the trigger of 19.2% in clause LQ-12.07.031. Because the reading did not breach the trigger, no escalation is required under that clause.

LQ-12.10.021 Example: a the wealth management unit customer applies for Deposit Run-off Assumptions (Tier 2 / Central Zone) of INR 180 lakh. Under clause LQ-12.02.003, the intraday liquidity buffer is set at INR 166 crore as a floor, so a proposed intraday liquidity buffer of INR 185 crore is within the limit.

LQ-12.10.022 Example: during a review of Deposit Run-off Assumptions (Tier 5 / East Zone), the net stable funding ratio for a retail banking units account measured 91% against the trigger of 116% in clause LQ-12.04.023. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause LQ-12.04.023.

LQ-12.10.023 Example: during a review of Deposit Run-off Assumptions (Tier 1 / North Zone), the top-20 depositor concentration for a retail banking units account measured 13.3% against the trigger of 16.8% in clause LQ-12.07.013. Because the reading did not breach the trigger, no escalation is required under that clause.

LQ-12.10.024 Example: the Vice President receives a request to extend an exception under clause LQ-12.06.039 for Deposit Run-off Assumptions (Tier 2 / East Zone) serving regional hubs to 28 days. Because the maximum permitted period is 35 days, the request can be approved at this level.

LQ-12.10.025 Example: during a review of Deposit Run-off Assumptions (Tier 3 / East Zone), the wholesale funding share for a the treasury desk account measured 47.5% against the trigger of 40.8% in clause LQ-12.04.013. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause LQ-12.04.013.

LQ-12.10.026 Example: during a review of Deposit Run-off Assumptions (Tier 3 / Metro Zone), the wholesale funding share for a overseas branches account measured 25.0% against the trigger of 35.2% in clause LQ-12.04.010. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

LQ-12.10.027 Example: the Regional Head receives a request to extend an exception under clause LQ-12.06.028 for Deposit Run-off Assumptions (Tier 3 / North Zone) serving shared service centres to 114 days. Because the maximum permitted period is 124 days, the request can be approved at this level.

LQ-12.10.028 Example: a the treasury desk customer applies for Deposit Run-off Assumptions (Tier 1 / North Zone) of INR 215 lakh. Under clause LQ-12.02.009, the minimum net stable funding ratio is set at 112% as a floor, which on this request equates to INR 240.80 lakh; the case is therefore routed to the Vice President for sign-off.

LQ-12.10.029 Example: during a review of Deposit Run-off Assumptions (Tier 1 / North Zone), the liquidity coverage ratio for a the head office functions account measured 110% against the trigger of 115% in clause LQ-12.04.012. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause LQ-12.04.012.

LQ-12.10.030 Example: during a review of Deposit Run-off Assumptions (Tier 2 / West Zone), the cumulative negative gap in the 1-30 day bucket for a corporate banking units account measured 21.9% against the trigger of 23.8% in clause LQ-12.04.009. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

LQ-12.10.031 Example: a shared service centres customer applies for Deposit Run-off Assumptions (Tier 5 / East Zone) of INR 408 lakh. Under clause LQ-12.02.021, the minimum liquidity coverage ratio is set at 124% as a floor, which on this request equates to INR 505.92 lakh; the case is therefore routed to the Head of Function for sign-off.

LQ-12.10.032 Example: a the wealth management unit customer applies for Deposit Run-off Assumptions (Tier 2 / South Zone) of INR 66 lakh. Under clause LQ-12.02.039, the survival horizon under stress is set at 92 days as a floor, so a proposed survival horizon under stress of 70 days is outside the limit and must be escalated to the Head of Function.

LQ-12.10.033 Example: the Head of Function receives a request to extend an exception under clause LQ-12.06.013 for Deposit Run-off Assumptions (Tier 4 / North-East Zone) serving the wealth management unit to 145 days. Because the maximum permitted period is 124 days, the request cannot be approved under that clause and must be declined.

LQ-12.10.034 Example: a the wealth management unit customer applies for Deposit Run-off Assumptions (Tier 2 / West Zone) of INR 150 lakh. Under clause LQ-12.02.023, the intraday liquidity buffer is set at INR 251 crore as a floor, so a proposed intraday liquidity buffer of INR 249 crore is outside the limit and must be escalated to the Senior Officer.

LQ-12.10.035 Example: the Head of Function receives a request to extend an exception under clause LQ-12.06.013 for Deposit Run-off Assumptions (Tier 4 / North-East Zone) serving the wealth management unit to 111 days. Because the maximum permitted period is 124 days, the request can be approved at this level.

LQ-12.10.036 Example: the Head of Asset-Liability Management receives a request to extend an exception under clause LQ-12.06.029 for Deposit Run-off Assumptions (Tier 5 / South Zone) serving the central processing hub to 63 days. Because the maximum permitted period is 61 days, the request cannot be approved under that clause and must be declined.

LQ-12.10.037 Example: the Regional Head receives a request to extend an exception under clause LQ-12.06.018 for Deposit Run-off Assumptions (Tier 5 / South Zone) serving the call centre to 39 days. Because the maximum permitted period is 51 days, the request can be approved at this level.

LQ-12.10.038 Example: during a review of Deposit Run-off Assumptions (Tier 3 / Metro Zone), the wholesale funding share for a overseas branches account measured 39.7% against the trigger of 35.2% in clause LQ-12.04.010. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause LQ-12.04.010.

LQ-12.10.039 Example: the Assistant Vice President receives a request to extend an exception under clause LQ-12.06.012 for Deposit Run-off Assumptions (Tier 3 / West Zone) serving the treasury desk to 201 days. Because the maximum permitted period is 181 days, the request cannot be approved under that clause and must be declined.

LQ-12.10.040 Example: a the treasury desk customer applies for Deposit Run-off Assumptions (Tier 3 / North-East Zone) of INR 208 lakh. Under clause LQ-12.02.024, the maximum reliance on wholesale funding is set at 31% as a ceiling, which on this request equates to INR 64.48 lakh; the case is therefore routed to the Regional Head for sign-off.

LQ-12.10.041 Example: during a review of Deposit Run-off Assumptions (Tier 5 / Central Zone), the top-20 depositor concentration for a the call centre account measured 15.7% against the trigger of 20.5% in clause LQ-12.04.041. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

Part 10: Capital Adequacy and ICAAP

Policy code CP | Meridian Commercial Bank | 12 chapters, 10 sections each

General Provisions

CP-00.01.001 This Part sets out the binding policy standards of Meridian Commercial Bank for capital adequacy and icaap. It applies to all employees, contractors and agents of the bank and its subsidiaries who perform activities within this Part.

CP-00.01.002 The policy owner for this Part is the Chief Financial Officer, supported by the Head of Capital Planning. The approving body is the Asset-Liability Committee, and the most recent approval was recorded on 7 May 2026.

Under clause CP-01.02.041, the internal capital buffer over regulatory minimum is set at 3.2% as a floor, which on this request equates to INR 1.44 lakh; the case is therefore routed to the Senior Officer for sign-off.

CP-01.10.023 Example: a subsidiary entities customer applies for Common Equity Tier 1 Capital (Tier 1 / Metro Zone) of INR 23 lakh. Under clause CP-01.02.013, the minimum common equity tier 1 ratio is set at 11.8% as a floor, which on this request equates to INR 2.71 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-01.10.024 Example: during a review of Common Equity Tier 1 Capital (Tier 5 / Islands Zone), the capital consumption of the plan for a operations centres account measured 119% against the trigger of 114% in clause CP-01.04.022. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-01.04.022.

CP-01.10.025 Example: the Head of Function receives a request to extend an exception under clause CP-01.06.030 for Common Equity Tier 1 Capital (Tier 4 / North Zone) serving subsidiary entities to 13 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

CP-01.10.026 Example: the Vice President receives a request to extend an exception under clause CP-01.06.015 for Common Equity Tier 1 Capital (Tier 5 / North-East Zone) serving the branch network to 124 days. Because the maximum permitted period is 125 days, the request can be approved at this level.

CP-01.10.027 Example: during a review of Common Equity Tier 1 Capital (Tier 4 / East Zone), the common equity tier 1 ratio for a the wealth management unit account measured 13.2% against the trigger of 12.4% in clause CP-01.07.009. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-01.10.028 Example: a the branch network customer applies for Common Equity Tier 1 Capital (Tier 5 / Central Zone) of INR 220 lakh. Under clause CP-01.02.017, the minimum total capital ratio is set at 17.9% as a floor, which on this request equates to INR 39.38 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-01.10.029 Example: the Vice President receives a request to extend an exception under clause CP-01.06.008 for Common Equity Tier 1 Capital (Tier 3 / West Zone) serving the branch network to 45 days. Because the maximum permitted period is 48 days, the request can be approved at this level.

CP-01.10.030 Example: during a review of Common Equity Tier 1 Capital (Tier 3 / South Zone), the capital consumption of the plan for a operations centres account measured 67% against the trigger of 65% in clause CP-01.07.028. Because the reading breached the trigger, the Assistant Vice President must notify the Audit Committee of the Board within 48 hours and defer growth in risk-weighted assets.

CP-01.10.031 Example: a the wealth management unit customer applies for Common Equity Tier 1 Capital (Tier 5 / Islands Zone) of INR 294 lakh. Under clause Schedule CP-01-A, the minimum common equity tier 1 ratio is set at 8.4% as a floor, which on this request equates to INR 24.70 lakh; the case is therefore routed to the Head of Capital Planning for sign-off.

CP-01.10.032 Example: during a review of Common Equity Tier 1 Capital (Tier 1 / Islands Zone), the total capital ratio for a outsourced service teams account measured 12.4% against the trigger of 15.0% in clause CP-01.04.004. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-01.04.004.

CP-01.10.033 Example: during a review of Common Equity Tier 1 Capital (Tier 1 / South Zone), the leverage ratio for a corporate banking units account measured 4.3% against the trigger of 3.8% in clause CP-01.07.015. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-01.10.034 Example: during a review of Common Equity Tier 1 Capital (Tier 1 / North Zone), the risk-weighted asset growth for a the head office functions account measured 10.5% against the trigger of 11.2% in clause CP-01.07.022. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-01.10.035 Example: during a review of Common Equity Tier 1 Capital (Tier 2 / West Zone), the risk-weighted asset growth for a outsourced service teams account measured 8.7% against the trigger of 10.0% in clause CP-01.07.038. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-01.10.036 Example: during a review of Common Equity Tier 1 Capital (Tier 4 / North-East Zone), the capital consumption of the plan for a the treasury desk account measured 49% against the trigger of 66% in clause CP-01.04.037. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

CP-01.10.037 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-01.06.036 for Common Equity Tier 1 Capital (Tier 3 / Central Zone) serving the branch network to 62 days. Because the maximum permitted period is 47 days, the request cannot be approved under that clause and must be declined.

CP-01.10.038 Example: during a review of Common Equity Tier 1 Capital (Tier 4 / Metro Zone), the leverage ratio for a operations centres account measured 5.4% against the trigger of 6.7% in clause CP-01.04.007. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-01.04.007.

CP-01.10.039 Example: during a review of Common Equity Tier 1 Capital (Tier 2 / East Zone), the common equity tier 1 ratio for a subsidiary entities account measured 13.2% against the trigger of 11.3% in clause CP-01.07.024. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-01.10.040 Example: during a review of Common Equity Tier 1 Capital (Tier 3 / North-East Zone), the capital consumption of the plan for a the wealth management unit account measured 93% against the trigger of 77% in clause CP-01.04.018. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-01.04.018.

CP-01.10.041 Example: a the head office functions customer applies for Common Equity Tier 1 Capital (Tier 4 / South Zone) of INR 454 lakh. Under clause CP-01.02.034, the minimum leverage ratio is set at 4.2% as a floor, which on this request equates to INR 19.07 lakh; the case is therefore routed to the Senior Officer for sign-off.

CP-02.10.022 Example: the Vice President receives a request to extend an exception under clause CP-02.06.014 for Tier 1 Capital (Tier 5 / East Zone) serving the branch network to 45 days. Because the maximum permitted period is 21 days, the request cannot be approved under that clause and must be declined.

CP-02.10.023 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-02.06.034 for Tier 1 Capital (Tier 2 / Islands Zone) serving subsidiary entities to 29 days. Because the maximum permitted period is 12 days, the request cannot be approved under that clause and must be declined.

CP-02.10.024 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-02.06.021 for Tier 1 Capital (Tier 3 / East Zone) serving the branch network to 17 days. Because the maximum permitted period is 26 days, the request can be approved at this level.

CP-02.10.025 Example: a the head office functions customer applies for Tier 1 Capital (Tier 3 / East Zone) of INR 331 lakh. Under clause CP-02.02.030, the minimum common equity tier 1 ratio is set at 7.0% as a floor, which on this request equates to INR 23.17 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-02.10.026 Example: a subsidiary entities customer applies for Tier 1 Capital (Tier 3 / South Zone) of INR 326 lakh. Under clause CP-02.02.032, the dividend payout cap is set at 18% as a ceiling, which on this request equates to INR 58.68 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-02.10.027 Example: during a review of Tier 1 Capital (Tier 5 / South Zone), the risk-weighted asset growth for a the head office functions account measured 6.2% against the trigger of 6.0% in clause CP-02.07.039. Because the reading breached the trigger, the Chief Risk Officer must notify the Audit Committee of the Board within 72 hours and raise additional capital through an approved instrument.

CP-02.10.028 Example: the Regional Head receives a request to extend an exception under clause CP-02.06.029 for Tier 1 Capital (Tier 2 / South Zone) serving the branch network to 109 days. Because the maximum permitted period is 122 days, the request can be approved at this level.

CP-02.10.029 Example: the Assistant Vice President receives a request to extend an exception under clause CP-02.06.039 for Tier 1 Capital (Tier 3 / North-East Zone) serving the central processing hub to 30 days. Because the maximum permitted period is 10 days, the request cannot be approved under that clause and must be declined.

CP-02.10.030 Example: a the treasury desk customer applies for Tier 1 Capital (Tier 1 / North-East Zone) of INR 284 lakh. Under clause CP-02.02.003, the internal capital buffer over regulatory minimum is set at 2.5% as a floor, which on this request equates to INR 7.10 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-02.10.031 Example: a outsourced service teams customer applies for Tier 1 Capital (Tier 3 / North Zone) of INR 469 lakh. Under clause CP-02.02.022, the dividend payout cap is set at 35% as a ceiling, which on this request equates to INR 164.15 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-02.10.032 Example: during a review of Tier 1 Capital (Tier 4 / South Zone), the leverage ratio for a the branch network account measured 3.1% against the trigger of 3.4% in clause CP-02.04.009. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-02.04.009.

CP-02.10.033 Example: during a review of Tier 1 Capital (Tier 4 / Islands Zone), the leverage ratio for a the branch network account measured 4.3% against the trigger of 5.3% in clause CP-02.04.041. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-02.04.041.

CP-02.10.034 Example: during a review of Tier 1 Capital (Tier 4 / Islands Zone), the leverage ratio for a the branch network account measured 6.5% against the trigger of 5.3% in clause CP-02.04.041. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

CP-02.10.035 Example: a corporate banking units customer applies for Tier 1 Capital (Tier 3 / North Zone) of INR 413 lakh. Under clause CP-02.02.026, the minimum common equity tier 1 ratio is set at 9.8% as a floor, which on this request equates to INR 40.47 lakh; the case is therefore routed to the Vice President for sign-off.

CP-02.10.036 Example: the Vice President receives a request to extend an exception under clause CP-02.06.014 for Tier 1 Capital (Tier 5 / East Zone) serving the branch network to 22 days. Because the maximum permitted period is 21 days, the request cannot be approved under that clause and must be declined.

CP-02.10.037 Example: a the branch network customer applies for Tier 1 Capital (Tier 5 / East Zone) of INR 265 lakh. Under clause CP-02.02.038, the minimum total capital ratio is set at 16.2% as a floor, which on this request equates to INR 42.93 lakh; the case is therefore routed to the Senior Officer for sign-off.

CP-02.10.038 Example: a corporate banking units customer applies for Tier 1 Capital (Tier 4 / South Zone) of INR 177 lakh. Under clause CP-02.02.021, the maximum single-borrower exposure to capital is set at 23% as a ceiling, which on this request equates to INR 40.71 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-02.10.039 Example: during a review of Tier 1 Capital (Tier 3 / Central Zone), the risk-weighted asset growth for a the head office functions account measured 34.4% against the trigger of 27.3% in clause CP-02.07.020. Because the reading breached the trigger, the Assistant Vice President must notify the Audit Committee of the Board within 4 hours and defer growth in risk-weighted assets.

CP-02.10.040 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-02.06.021 for Tier 1 Capital (Tier 3 / East Zone) serving the branch network to 40 days. Because the maximum permitted period is 26 days, the request cannot be approved under that clause and must be declined.

CP-02.10.041 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-02.06.021 for Tier 1 Capital (Tier 3 / East Zone) serving the branch network to 23 days. Because the maximum permitted period is 26 days, the request can be approved at this level.

CP-03.10.034 Example: the Senior Officer receives a request to extend an exception under clause CP-03.06.025 for Total Capital Ratio (Tier 2 / Islands Zone) serving the treasury desk to 36 days. Because the maximum permitted period is 26 days, the request cannot be approved under that clause and must be declined.

CP-03.10.035 Example: during a review of Total Capital Ratio (Tier 2 / East Zone), the common equity tier 1 ratio for a the wealth management unit account measured 6.6% against the trigger of 8.4% in clause CP-03.07.015. Because the reading breached the trigger, the Chief Risk Officer must notify the Risk Management Committee of the Board within 48 hours and defer growth in risk-weighted assets.

CP-03.10.036 Example: a outsourced service teams customer applies for Total Capital Ratio (Tier 5 / Metro Zone) of INR 228 lakh. Under clause CP-03.02.013, the minimum common equity tier 1 ratio is set at 9.2% as a floor, which on this request equates to INR 20.98 lakh; the case is therefore routed to the Senior Officer for sign-off.

CP-03.10.037 Example: a the branch network customer applies for Total Capital Ratio (Tier 5 / West Zone) of INR 363 lakh. Under clause CP-03.02.038, the internal capital buffer over regulatory minimum is set at 1.7% as a floor, which on this request equates to INR 6.17 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-03.10.038 Example: during a review of Total Capital Ratio (Tier 2 / Islands Zone), the total capital ratio for a the head office functions account measured 12.3% against the trigger of 11.3% in clause CP-03.07.008. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-03.10.039 Example: during a review of Total Capital Ratio (Tier 2 / East Zone), the common equity tier 1 ratio for a the wealth management unit account measured 10.8% against the trigger of 8.4% in clause CP-03.07.015. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-03.10.040 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-03.06.014 for Total Capital Ratio (Tier 5 / Islands Zone) serving outsourced service teams to 67 days. Because the maximum permitted period is 46 days, the request cannot be approved under that clause and must be declined.

CP-03.10.041 Example: during a review of Total Capital Ratio (Tier 2 / Central Zone), the leverage ratio for a the head office functions account measured 3.3% against the trigger of 3.1% in clause CP-03.07.012. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-05.10.038 Example: a corporate banking units customer applies for Risk-Weighted Asset Calculation (Tier 5 / South Zone) of INR 430 lakh. Under clause Schedule CP-05-A, the minimum common equity tier 1 ratio is set at 12.1% as a floor, which on this request equates to INR 52.03 lakh; the case is therefore routed to the Head of Capital Planning for sign-off.

CP-05.10.039 Example: during a review of Risk-Weighted Asset Calculation (Tier 4 / Central Zone), the capital consumption of the plan for a the wealth management unit account measured 122% against the trigger of 96% in clause CP-05.07.005. Because the reading breached the trigger, the Senior Officer must notify the Risk Management Committee of the Board within 48 hours and suspend dividend distribution.

CP-05.10.040 Example: a outsourced service teams customer applies for Risk-Weighted Asset Calculation (Tier 5 / Metro Zone) of INR 393 lakh. Under clause CP-05.02.009, the internal capital buffer over regulatory minimum is set at 1.2% as a floor, which on this request equates to INR 4.72 lakh; the case is therefore routed to the Vice President for sign-off.

CP-05.10.041 Example: during a review of Risk-Weighted Asset Calculation (Tier 5 / North Zone), the common equity tier 1 ratio for a corporate banking units account measured 12.2% against the trigger of 12.1% in clause CP-05.07.006. Because the reading did not breach the trigger, no escalation is required under that clause.

Under clause CP-06.02.015, the maximum single-borrower exposure to capital is set at 18% as a ceiling, which on this request equates to INR 29.70 lakh; the case is therefore routed to the Head of Capital Planning for sign-off.

CP-06.10.006 Example: the Regional Head receives a request to extend an exception under clause CP-06.06.027 for Capital Conservation Buffer (Tier 1 / Islands Zone) serving the wealth management unit to 1 days. Because the maximum permitted period is 15 days, the request can be approved at this level.

CP-06.10.007 Example: the Assistant Vice President receives a request to extend an exception under clause CP-06.06.040 for Capital Conservation Buffer (Tier 1 / East Zone) serving the central processing hub to 40 days. Because the maximum permitted period is 17 days, the request cannot be approved under that clause and must be declined.

CP-06.10.008 Example: a the central processing hub customer applies for Capital Conservation Buffer (Tier 3 / South Zone) of INR 315 lakh. Under clause CP-06.02.012, the minimum total capital ratio is set at 11.5% as a floor, which on this request equates to INR 36.23 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-06.10.009 Example: the Assistant Vice President receives a request to extend an exception under clause CP-06.06.001 for Capital Conservation Buffer (Tier 3 / North Zone) serving the central processing hub to 85 days. Because the maximum permitted period is 94 days, the request can be approved at this level.

CP-06.10.010 Example: a the branch network customer applies for Capital Conservation Buffer (Tier 3 / North-East Zone) of INR 359 lakh. Under clause CP-06.02.002, the maximum single-borrower exposure to capital is set at 13% as a ceiling, which on this request equates to INR 46.67 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-06.10.011 Example: a operations centres customer applies for Capital Conservation Buffer (Tier 4 / South Zone) of INR 192 lakh. Under clause CP-06.02.019, the internal capital buffer over regulatory minimum is set at 1.6% as a floor, which on this request equates to INR 3.07 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-06.10.012 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-06.06.018 for Capital Conservation Buffer (Tier 5 / Central Zone) serving outsourced service teams to 22 days. Because the maximum permitted period is 36 days, the request can be approved at this level.

CP-06.10.013 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-06.06.035 for Capital Conservation Buffer (Tier 4 / North-East Zone) serving subsidiary entities to 43 days. Because the maximum permitted period is 26 days, the request cannot be approved under that clause and must be declined.

CP-06.10.014 Example: a the treasury desk customer applies for Capital Conservation Buffer (Tier 3 / South Zone) of INR 300 lakh. Under clause CP-06.02.003, the minimum total capital ratio is set at 13.6% as a floor, which on this request equates to INR 40.80 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-06.10.015 Example: during a review of Capital Conservation Buffer (Tier 2 / North Zone), the risk-weighted asset growth for a retail banking units account measured 5.5% against the trigger of 5.1% in clause CP-06.04.003. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-06.04.003.

CP-06.10.016 Example: a operations centres customer applies for Capital Conservation Buffer (Tier 2 / Islands Zone) of INR 89 lakh. Under clause CP-06.02.028, the maximum single-borrower exposure to capital is set at 23% as a ceiling, which on this request equates to INR 20.47 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-06.10.017 Example: a the wealth management unit customer applies for Capital Conservation Buffer (Tier 2 / Islands Zone) of INR 334 lakh. Under clause CP-06.02.010, the internal capital buffer over regulatory minimum is set at 3.9% as a floor, which on this request equates to INR 13.03 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-06.10.018 Example: a the treasury desk customer applies for Capital Conservation Buffer (Tier 3 / South Zone) of INR 159 lakh. Under clause CP-06.02.003, the minimum total capital ratio is set at 13.6% as a floor, which on this request equates to INR 21.62 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-06.10.019 Example: during a review of Capital Conservation Buffer (Tier 3 / Metro Zone), the risk-weighted asset growth for a retail banking units account measured 8.7% against the trigger of 12.2% in clause CP-06.07.036. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-06.10.020 Example: the Regional Head receives a request to extend an exception under clause CP-06.06.027 for Capital Conservation Buffer (Tier 1 / Islands Zone) serving the wealth management unit to 18 days. Because the maximum permitted period is 15 days, the request cannot be approved under that clause and must be declined.

CP-06.10.021 Example: during a review of Capital Conservation Buffer (Tier 2 / South Zone), the common equity tier 1 ratio for a outsourced service teams account measured 6.9% against the trigger of 7.5% in clause CP-06.04.028. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-06.04.028.

CP-06.10.022 Example: during a review of Capital Conservation Buffer (Tier 1 / Metro Zone), the common equity tier 1 ratio for a outsourced service teams account measured 13.8% against the trigger of 12.8% in clause CP-06.04.031. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

CP-06.10.023 Example: the Vice President receives a request to extend an exception under clause CP-06.06.007 for Capital Conservation Buffer (Tier 1 / North Zone) serving subsidiary entities to 45 days. Because the maximum permitted period is 31 days, the request cannot be approved under that clause and must be declined.

CP-06.10.024 Example: the Assistant Vice President receives a request to extend an exception under clause CP-06.06.001 for Capital Conservation Buffer (Tier 3 / North Zone) serving the central processing hub to 114 days. Section 7.10 - Worked Examples

CP-07.10.001 Example: during a review of Countercyclical Buffer (Tier 1 / Central Zone), the common equity tier 1 ratio for a corporate banking units account measured 9.0% against the trigger of 9.8% in clause CP-07.04.024. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-07.04.024.

CP-07.10.002 Example: a outsourced service teams customer applies for Countercyclical Buffer (Tier 5 / Metro Zone) of INR 29 lakh. Under clause CP-07.02.029, the maximum single-borrower exposure to capital is set at 11% as a ceiling, which on this request equates to INR 3.19 lakh; the case is therefore routed to the Senior Officer for sign-off.

CP-07.10.003 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-07.06.033 for Countercyclical Buffer (Tier 4 / Central Zone) serving operations centres to 28 days. Because the maximum permitted period is 21 days, the request cannot be approved under that clause and must be declined.

CP-07.10.004 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-07.06.017 for Countercyclical Buffer (Tier 2 / East Zone) serving the wealth management unit to 71 days. Because the maximum permitted period is 90 days, the request can be approved at this level.

CP-07.10.005 Example: the Head of Function receives a request to extend an exception under clause CP-07.06.029 for Countercyclical Buffer (Tier 4 / North-East Zone) serving subsidiary entities to 29 days. Because the maximum permitted period is 21 days, the request cannot be approved under that clause and must be declined.

CP-07.10.006 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-07.06.031 for Countercyclical Buffer (Tier 4 / Islands Zone) serving operations centres to 84 days. Because the maximum permitted period is 63 days, the request cannot be approved under that clause and must be declined.

CP-07.10.007 Example: a the treasury desk customer applies for Countercyclical Buffer (Tier 2 / East Zone) of INR 97 lakh. Under clause CP-07.02.024, the minimum common equity tier 1 ratio is set at 8.9% as a floor, which on this request equates to INR 8.63 lakh; the case is therefore routed to the Head of Capital Planning for sign-off.

CP-07.10.008 Example: during a review of Countercyclical Buffer (Tier 2 / South Zone), the leverage ratio for a the head office functions account measured 3.3% against the trigger of 3.1% in clause CP-07.04.027. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

CP-07.10.009 Example: during a review of Countercyclical Buffer (Tier 5 / Metro Zone), the risk-weighted asset growth for a retail banking units account measured 26.5% against the trigger of 33.9% in clause CP-07.07.025. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-07.10.010 Example: a the central processing hub customer applies for Countercyclical Buffer (Tier 1 / North Zone) of INR 375 lakh. Under clause CP-07.02.037, the minimum leverage ratio is set at 6.8% as a floor, which on this request equates to INR 25.50 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-07.10.011 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-07.06.033 for Countercyclical Buffer (Tier 4 / Central Zone) serving operations centres to 2 days. Because the maximum permitted period is 21 days, the request can be approved at this level.

CP-07.10.012 Example: a retail banking units customer applies for Countercyclical Buffer (Tier 3 / Metro Zone) of INR 368 lakh. Under clause CP-07.02.021, the minimum total capital ratio is set at 11.9% as a floor, which on this request equates to INR 43.79 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-07.10.013 Example: during a review of Countercyclical Buffer (Tier 5 / West Zone), the common equity tier 1 ratio for a the wealth management unit account measured 9.2% against the trigger of 11.6% in clause CP-07.04.041. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-07.04.041.

CP-07.10.014 Example: during a review of Countercyclical Buffer (Tier 5 / North Zone), the risk-weighted asset growth for a the wealth management unit account measured 5.6% against the trigger of 4.9% in clause CP-07.04.028. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-07.04.028.

CP-07.10.015 Example: a the head office functions customer applies for Countercyclical Buffer (Tier 4 / South Zone) of INR 96 lakh. Under clause Schedule CP-07-A, the minimum common equity tier 1 ratio is set at 9.0% as a floor, which on this request equates to INR 8.64 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

CP-07.10.016 Example: the Vice President receives a request to extend an exception under clause CP-07.06.028 for Countercyclical Buffer (Tier 2 / Islands Zone) serving the treasury desk to 10 days. Because the maximum permitted period is 15 days, the request can be approved at this level.

CP-07.10.017 Example: a the wealth management unit customer applies for Countercyclical Buffer (Tier 5 / Central Zone) of INR 151 lakh. Under clause CP-07.02.008, the minimum common equity tier 1 ratio is set at 11.4% as a floor, which on this request equates to INR 17.21 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-07.10.018 Example: the Head of Function receives a request to extend an exception under clause CP-07.06.013 for Countercyclical Buffer (Tier 5 / South Zone) serving the treasury desk to 143 days. Because the maximum permitted period is 122 days, the request cannot be approved under that clause and must be declined.

CP-07.10.019 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-07.06.033 for Countercyclical Buffer (Tier 4 / Central Zone) serving operations centres to 13 days. Because the maximum permitted period is 21 days, the request can be approved at this level.

CP-07.10.020 Example: during a review of Countercyclical Buffer (Tier 1 / North Zone), the common equity tier 1 ratio for a operations centres account measured 12.3% against the trigger of 13.0% in clause CP-07.04.008. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-07.04.008.

CP-07.10.021 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-07.06.033 for Countercyclical Buffer (Tier 4 / Central Zone) serving operations centres to 9 days. Because the maximum permitted period is 21 days, the request can be approved at this level.

CP-07.10.022 Example: a the central processing hub customer applies for Countercyclical Buffer (Tier 4 / North Zone) of INR 324 lakh. Under clause CP-07.02.035, the internal capital buffer over regulatory minimum is set at 3.2% as a floor, which on this request equates to INR 10.37 lakh; the case is therefore routed to the Vice President for sign-off.

CP-07.10.023 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-07.06.006 for Countercyclical Buffer (Tier 1 / Islands Zone) serving the branch network to 136 days. Because the maximum permitted period is 123 days, the request cannot be approved under that clause and must be declined.

CP-07.10.024 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-07.06.031 for Countercyclical Buffer (Tier 4 / Islands Zone) serving operations centres to 54 days. Because the maximum permitted period is 63 days, the request can be approved at this level.

CP-07.10.025 Example: a the head office functions customer applies for Countercyclical Buffer (Tier 2 / North Zone) of INR 205 lakh. Under clause CP-07.02.032, the minimum total capital ratio is set at 17.2% as a floor, which on this request equates to INR 35.26 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-07.10.026 Example: a the wealth management unit customer applies for Countercyclical Buffer (Tier 3 / Central Zone) of INR 332 lakh. Under clause CP-07.02.016, the dividend payout cap is set at 34% as a ceiling, which on this request equates to INR 112.88 lakh; the case is therefore routed to the Senior Officer for sign-off.

CP-07.10.027 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-07.06.031 for Countercyclical Buffer (Tier 4 / Islands Zone) serving operations centres to 62 days. Because the maximum permitted period is 63 days, the request can be approved at this level.

CP-07.10.028 Example: a the central processing hub customer applies for Countercyclical Buffer (Tier 2 / West Zone) of INR 147 lakh. Under clause CP-07.02.009, the dividend payout cap is set at 13% as a ceiling, which on this request equates to INR 19.11 lakh; the case is therefore routed to the Head of Capital Planning for sign-off.

CP-07.10.029 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-07.06.033 for Countercyclical Buffer (Tier 4 / Central Zone) serving operations centres to 32 days. Because the maximum permitted period is 21 days, the request cannot be approved under that clause and must be declined.

CP-07.10.030 Example: the Head of Function receives a request to extend an exception under clause CP-07.06.029 for Countercyclical Buffer (Tier 4 / North-East Zone) serving subsidiary entities to 33 days. Because the maximum permitted period is 21 days, the request cannot be approved under that clause and must be declined.

CP-07.10.031 Example: during a review of Countercyclical Buffer (Tier 1 / Central Zone), the common equity tier 1 ratio for a retail banking units account measured 8.0% against the trigger of 7.3% in clause CP-07.07.026. Because the maximum permitted period is 63 days, the request cannot be approved under that clause and must be declined.

CP-07.10.040 Example: the Head of Function receives a request to extend an exception under clause CP-07.06.013 for Countercyclical Buffer (Tier 5 / South Zone) serving the treasury desk to 140 days. Because the maximum permitted period is 122 days, the request cannot be approved under that clause and must be declined.

CP-07.10.041 Example: during a review of Countercyclical Buffer (Tier 5 / West Zone), the common equity tier 1 ratio for a the wealth management unit account measured 12.4% against the trigger of 11.6% in clause CP-07.04.041. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

CP-08.10.032 Example: the Assistant Vice President receives a request to extend an exception under clause CP-08.06.037 for Internal Capital Adequacy Assessment (Tier 4 / North-East Zone) serving the head office functions to 160 days. Because the maximum permitted period is 180 days, the request can be approved at this level.

CP-08.10.033 Example: the Assistant Vice President receives a request to extend an exception under clause CP-08.06.037 for Internal Capital Adequacy Assessment (Tier 4 / North-East Zone) serving the head office functions to 164 days. Because the maximum permitted period is 180 days, the request can be approved at this level.

CP-08.10.034 Example: during a review of Internal Capital Adequacy Assessment (Tier 3 / North-East Zone), the capital consumption of the plan for a the branch network account measured 138% against the trigger of 118% in clause CP-08.04.012. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-08.04.012.

CP-08.10.035 Example: the Senior Officer receives a request to extend an exception under clause CP-08.06.024 for Internal Capital Adequacy Assessment (Tier 5 / North Zone) serving subsidiary entities to 26 days. Because the maximum permitted period is 27 days, the request can be approved at this level.

CP-08.10.036 Example: the Senior Officer receives a request to extend an exception under clause CP-08.06.024 for Internal Capital Adequacy Assessment (Tier 5 / North Zone) serving subsidiary entities to 22 days. Because the maximum permitted period is 27 days, the request can be approved at this level.

CP-08.10.037 Example: a corporate banking units customer applies for Internal Capital Adequacy Assessment (Tier 1 / West Zone) of INR 217 lakh. Under clause CP-08.02.040, the minimum leverage ratio is set at 3.5% as a floor, which on this request equates to INR 7.59 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-08.10.038 Example: during a review of Internal Capital Adequacy Assessment (Tier 3 / East Zone), the total capital ratio for a the treasury desk account measured 20.1% against the trigger of 15.9% in clause CP-08.07.004. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-08.10.039 Example: during a review of Internal Capital Adequacy Assessment (Tier 1 / East Zone), the common equity tier 1 ratio for a the treasury desk account measured 11.9% against the trigger of 11.7% in clause CP-08.07.022. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-08.10.040 Example: during a review of Internal Capital Adequacy Assessment (Tier 3 / East Zone), the total capital ratio for a the treasury desk account measured 14.6% against the trigger of 15.9% in clause CP-08.07.004. Because the reading breached the trigger, the Assistant Vice President must notify the Audit Committee of the Board within 2 hours and submit a capital restoration plan to the Board.

CP-08.10.041 Example: during a review of Internal Capital Adequacy Assessment (Tier 2 / Islands Zone), the common equity tier 1 ratio for a the central processing hub account measured 10.9% against the trigger of 8.8% in clause CP-08.07.033. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-09.10.039 Example: during a review of Capital Planning (Tier 5 / Central Zone), the leverage ratio for a the head office functions account measured 5.4% against the trigger of 5.2% in clause CP-09.07.006. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-09.10.040 Example: a the central processing hub customer applies for Capital Planning (Tier 2 / North Zone) of INR 18 lakh. Under clause CP-09.02.005, the minimum common equity tier 1 ratio is set at 7.3% as a floor, which on this request equates to INR 1.31 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-09.10.041 Example: the Assistant Vice President receives a request to extend an exception under clause CP-09.06.004 for Capital Planning (Tier 1 / North-East Zone) serving corporate banking units to 82 days. Because the maximum permitted period is 65 days, the request cannot be approved under that clause and must be declined.

CP-10.10.038 Example: a outsourced service teams customer applies for Stress Testing of Capital (Tier 1 / Islands Zone) of INR 340 lakh. Under clause CP-10.02.035, the minimum total capital ratio is set at 16.9% as a floor, which on this request equates to INR 57.46 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

CP-10.10.039 Example: during a review of Stress Testing of Capital (Tier 2 / Metro Zone), the leverage ratio for a outsourced service teams account measured 5.4% against the trigger of 7.0% in clause CP-10.07.041. Because the reading breached the trigger, the Regional Head must notify the Audit Committee of the Board within 4 hours and suspend dividend distribution.

CP-10.10.040 Example: during a review of Stress Testing of Capital (Tier 4 / West Zone), the common equity tier 1 ratio for a outsourced service teams account measured 6.2% against the trigger of 7.3% in clause CP-10.04.013. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-10.04.013.

CP-10.10.041 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-10.06.021 for Stress Testing of Capital (Tier 3 / North Zone) serving outsourced service teams to 199 days. Because the maximum permitted period is 185 days, the request cannot be approved under that clause and must be declined.

Section 11.10 - Worked Examples

CP-11.10.001 Example: the Vice President receives a request to extend an exception under clause CP-11.06.025 for Dividend Distribution (Tier 3 / East Zone) serving the treasury desk to 27 days. Because the maximum permitted period is 36 days, the request can be approved at this level.

CP-11.10.002 Example: the Vice President receives a request to extend an exception under clause CP-11.06.020 for Dividend Distribution (Tier 4 / West Zone) serving operations centres to 47 days. Because the maximum permitted period is 45 days, the request cannot be approved under that clause and must be declined.

CP-11.10.003 Example: a outsourced service teams customer applies for Dividend Distribution (Tier 1 / Metro Zone) of INR 429 lakh. Under clause CP-11.02.002, the dividend payout cap is set at 33% as a ceiling, which on this request equates to INR 141.57 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

CP-11.10.004 Example: during a review of Dividend Distribution (Tier 1 / East Zone), the leverage ratio for a the central processing hub account measured 5.0% against the trigger of 5.0% in clause CP-11.07.022. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-11.10.005 Example: the Vice President receives a request to extend an exception under clause CP-11.06.025 for Dividend Distribution (Tier 3 / East Zone) serving the treasury desk to 18 days. Because the maximum permitted period is 36 days, the request can be approved at this level.

CP-11.10.006 Example: during a review of Dividend Distribution (Tier 5 / Metro Zone), the common equity tier 1 ratio for a the head office functions account measured 9.7% against the trigger of 9.9% in clause CP-11.07.023. Because the reading breached the trigger, the Senior Officer must notify the Asset-Liability Committee within 12 hours and submit a capital restoration plan to the Board.

CP-11.10.007 Example: the Vice President receives a request to extend an exception under clause CP-11.06.022 for Dividend Distribution (Tier 3 / West Zone) serving the treasury desk to 41 days. Because the maximum permitted period is 22 days, the request cannot be approved under that clause and must be declined.

CP-11.10.008 Example: a the head office functions customer applies for Dividend Distribution (Tier 3 / West Zone) of INR 222 lakh. Under clause CP-11.02.010, the internal capital buffer over regulatory minimum is set at 3.1% as a floor, which on this request equates to INR 6.88 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

CP-11.10.009 Example: during a review of Dividend Distribution (Tier 5 / Metro Zone), the common equity tier 1 ratio for a the head office functions account measured 9.6% against the trigger of 9.9% in clause CP-11.07.023. Because the reading breached the trigger, the Senior Officer must notify the Asset-Liability Committee within 12 hours and submit a capital restoration plan to the Board.

CP-11.10.010 Example: a corporate banking units customer applies for Dividend Distribution (Tier 1 / North-East Zone) of INR 113 lakh. Under clause CP-11.02.011, the minimum leverage ratio is set at 4.1% as a floor, which on this request equates to INR 4.63 lakh; the case is therefore routed to the Vice President for sign-off.

CP-11.10.011 Example: during a review of Dividend Distribution (Tier 3 / North Zone), the total capital ratio for a the wealth management unit account measured 10.3% against the trigger of 14.5% in clause CP-11.04.031. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-11.04.031.

CP-11.10.012 Example: during a review of Dividend Distribution (Tier 2 / North Zone), the risk-weighted asset growth for a subsidiary entities account measured 25.5% against the trigger of 24.2% in clause CP-11.07.003. Because the reading breached the trigger, the Vice President must notify the Asset-Liability Committee within 72 hours and defer growth in risk-weighted assets.

CP-11.10.013 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-11.06.013 for Dividend Distribution (Tier 4 / Metro Zone) serving retail banking units to 79 days. Because the maximum permitted period is 63 days, the request cannot be approved under that clause and must be declined.

CP-11.10.014 Example: during a review of Dividend Distribution (Tier 2 / East Zone), the leverage ratio for a retail banking units account measured 4.8% against the trigger of 5.2% in clause CP-11.07.004. Because the reading breached the trigger, the Chief Financial Officer must notify the Risk Management Committee of the Board within 72 hours and suspend dividend distribution.

CP-11.10.015 Example: during a review of Dividend Distribution (Tier 4 / Metro Zone), the leverage ratio for a the head office functions account measured 3.1% against the trigger of 4.1% in clause CP-11.04.036. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-11.04.036.

CP-11.10.016 Example: during a review of Dividend Distribution (Tier 3 / South Zone), the capital consumption of the plan for a subsidiary entities account measured 99% against the trigger of 79% in clause CP-11.07.015. Because the reading breached the trigger, the Vice President must notify the Risk Management Committee of the Board within 24 hours and submit a capital restoration plan to the Board.

CP-11.10.017 Example: a subsidiary entities customer applies for Dividend Distribution (Tier 5 / Islands Zone) of INR 126 lakh. Under clause CP-11.02.041, the internal capital buffer over regulatory minimum is set at 3.6% as a floor, which on this request equates to INR 4.54 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-11.10.018 Example: during a review of Dividend Distribution (Tier 4 / North-East Zone), the total capital ratio for a subsidiary entities account measured 19.6% against the trigger of 16.8% in clause CP-11.04.038. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

CP-11.10.019 Example: during a review of Dividend Distribution (Tier 3 / West Zone), the leverage ratio for a the branch network account measured 3.2% against the trigger of 3.5% in clause CP-11.04.014. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-11.04.014.

CP-11.10.020 Example: during a review of Dividend Distribution (Tier 3 / North-East Zone), the leverage ratio for a retail banking units account measured 6.4% against the trigger of 4.9% in clause CP-11.07.014. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-11.10.021 Example: a outsourced service teams customer applies for Dividend Distribution (Tier 2 / North Zone) of INR 206 lakh. Under clause CP-11.02.022, the internal capital buffer over regulatory minimum is set at 2.5% as a floor, which on this request equates to INR 5.15 lakh; the case is therefore routed to the Senior Officer for sign-off.

CP-11.10.022 Example: during a review of Dividend Distribution (Tier 5 / Islands Zone), the capital consumption of the plan for a retail banking units account measured 87% against the trigger of 87% in clause CP-11.07.031. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-11.10.023 Example: a retail banking units customer applies for Dividend Distribution (Tier 2 / East Zone) of INR 282 lakh. Under clause Schedule CP-11-A, the minimum common equity tier 1 ratio is set at 11.4% as a floor, which on this request equates to INR 32.15 lakh; the case is therefore routed to the Head of Capital Planning for sign-off.

CP-11.10.024 Example: a the central processing hub customer applies for Dividend Distribution (Tier 3 / South Zone) of INR 405 lakh. Under clause CP-11.02.027, the minimum common equity tier 1 ratio is set at 12.0% as a floor, which on this request equates to INR 48.60 lakh; the case is therefore routed to the Senior Officer for sign-off.

CP-11.10.025 Example: during a review of Dividend Distribution (Tier 5 / Islands Zone), the capital consumption of the plan for a retail banking units account measured 88% against the trigger of 87% in clause CP-11.07.031. Because the reading breached the trigger, the Chief Financial Officer must notify the Audit Committee of the Board within 48 hours and reduce exposures with the highest capital consumption.

CP-11.10.026 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-11.06.023 for Dividend Distribution (Tier 1 / East Zone) serving the central processing hub to 14 days. Because the maximum permitted period is 26 days, the request can be approved at this level.

CP-11.10.027 Example: a the branch network customer applies for Dividend Distribution (Tier 2 / North Zone) of INR 272 lakh. Under clause CP-11.02.004, the internal capital buffer over regulatory minimum is set at 1.1% as a floor, which on this request equates to INR 2.99 lakh; the case is therefore routed to the Vice President for sign-off.

CP-11.10.028 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-11.06.008 for Dividend Distribution (Tier 4 / North Zone) serving retail banking units to 25 days. Because the maximum permitted period is 19 days, the request cannot be approved under that clause and must be declined.

CP-11.10.029 Example: during a review of Dividend Distribution (Tier 1 / Islands Zone), the leverage ratio for a the head office functions account measured 4.1% against the trigger of 4.5% in clause CP-11.04.030. Section 12.10 - Worked Examples

CP-12.10.001 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-12.06.041 for Large Exposure Limits (Tier 3 / Metro Zone) serving the wealth management unit to 24 days. Because the maximum permitted period is 27 days, the request can be approved at this level.

CP-12.10.002 Example: the Regional Head receives a request to extend an exception under clause CP-12.06.030 for Large Exposure Limits (Tier 4 / South Zone) serving the head office functions to 10 days. Because the maximum permitted period is 27 days, the request can be approved at this level.

CP-12.10.003 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-12.06.031 for Large Exposure Limits (Tier 2 / Central Zone) serving corporate banking units to 83 days. Because the maximum permitted period is 66 days, the request cannot be approved under that clause and must be declined.

CP-12.10.004 Example: a retail banking units customer applies for Large Exposure Limits (Tier 2 / Islands Zone) of INR 458 lakh. Under clause CP-12.02.032, the maximum single-borrower exposure to capital is set at 18% as a ceiling, which on this request equates to INR 82.44 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

CP-12.10.005 Example: during a review of Large Exposure Limits (Tier 3 / South Zone), the risk-weighted asset growth for a the branch network account measured 30.9% against the trigger of 33.2% in clause CP-12.04.030. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

CP-12.10.006 Example: during a review of Large Exposure Limits (Tier 1 / Metro Zone), the risk-weighted asset growth for a the central processing hub account measured 32.0% against the trigger of 28.8% in clause CP-12.04.017. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-12.04.017.

CP-12.10.007 Example: during a review of Large Exposure Limits (Tier 5 / North Zone), the leverage ratio for a corporate banking units account measured 4.5% against the trigger of 4.9% in clause CP-12.07.011. Because the reading breached the trigger, the Head of Function must notify the Asset-Liability Committee within 2 hours and raise additional capital through an approved instrument.

CP-12.10.008 Example: the Vice President receives a request to extend an exception under clause CP-12.06.037 for Large Exposure Limits (Tier 1 / Metro Zone) serving operations centres to 70 days. Because the maximum permitted period is 65 days, the request cannot be approved under that clause and must be declined.

CP-12.10.009 Example: the Head of Function receives a request to extend an exception under clause CP-12.06.015 for Large Exposure Limits (Tier 1 / North Zone) serving subsidiary entities to 39 days. Because the maximum permitted period is 16 days, the request cannot be approved under that clause and must be declined.

CP-12.10.010 Example: the Regional Head receives a request to extend an exception under clause CP-12.06.027 for Large Exposure Limits (Tier 1 / Central Zone) serving the central processing hub to 27 days. Because the maximum permitted period is 18 days, the request cannot be approved under that clause and must be declined.

CP-12.10.011 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-12.06.039 for Large Exposure Limits (Tier 1 / South Zone) serving the branch network to 106 days. Because the maximum permitted period is 122 days, the request can be approved at this level.

CP-12.10.012 Example: the Regional Head receives a request to extend an exception under clause CP-12.06.033 for Large Exposure Limits (Tier 2 / Metro Zone) serving the central processing hub to 11 days. Because the maximum permitted period is 18 days, the request can be approved at this level.

CP-12.10.013 Example: the Vice President receives a request to extend an exception under clause CP-12.06.037 for Large Exposure Limits (Tier 1 / Metro Zone) serving operations centres to 76 days. Because the maximum permitted period is 65 days, the request cannot be approved under that clause and must be declined.

CP-12.10.014 Example: the Regional Head receives a request to extend an exception under clause CP-12.06.021 for Large Exposure Limits (Tier 4 / West Zone) serving corporate banking units to 110 days. Because the maximum permitted period is 94 days, the request cannot be approved under that clause and must be declined.

CP-12.10.015 Example: during a review of Large Exposure Limits (Tier 1 / North Zone), the total capital ratio for a subsidiary entities account measured 11.9% against the trigger of 17.0% in clause CP-12.07.032. Because the reading breached the trigger, the Senior Officer must notify the Risk Management Committee of the Board within 1 hours and raise additional capital through an approved instrument.

CP-12.10.016 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-12.06.031 for Large Exposure Limits (Tier 2 / Central Zone) serving corporate banking units to 85 days. Because the maximum permitted period is 66 days, the request cannot be approved under that clause and must be declined.

CP-12.10.017 Example: during a review of Large Exposure Limits (Tier 4 / North Zone), the common equity tier 1 ratio for a subsidiary entities account measured 6.3% against the trigger of 7.4% in clause CP-12.04.002. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-12.04.002.

CP-12.10.018 Example: a subsidiary entities customer applies for Large Exposure Limits (Tier 3 / Central Zone) of INR 176 lakh. Under clause Schedule CP-12-A, the minimum leverage ratio is set at 4.0% as a floor, which on this request equates to INR 7.04 lakh; the case is therefore routed to the Vice President for sign-off.

CP-12.10.019 Example: during a review of Large Exposure Limits (Tier 1 / Metro Zone), the risk-weighted asset growth for a the central processing hub account measured 24.6% against the trigger of 28.8% in clause CP-12.04.017. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

CP-12.10.020 Example: the Head of Function receives a request to extend an exception under clause CP-12.06.015 for Large Exposure Limits (Tier 1 / North Zone) serving subsidiary entities to 11 days. Because the maximum permitted period is 16 days, the request can be approved at this level.

CP-12.10.021 Example: during a review of Large Exposure Limits (Tier 3 / West Zone), the capital consumption of the plan for a operations centres account measured 72% against the trigger of 82% in clause CP-12.07.025. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-12.10.022 Example: a outsourced service teams customer applies for Large Exposure Limits (Tier 4 / East Zone) of INR 445 lakh. Under clause CP-12.02.034, the internal capital buffer over regulatory minimum is set at 1.6% as a floor, which on this request equates to INR 7.12 lakh; the case is therefore routed to the Senior Officer for sign-off.

CP-12.10.023 Example: the Vice President receives a request to extend an exception under clause CP-12.06.037 for Large Exposure Limits (Tier 1 / Metro Zone) serving operations centres to 67 days. Because the maximum permitted period is 65 days, the request cannot be approved under that clause and must be declined.

CP-12.10.024 Example: a the branch network customer applies for Large Exposure Limits (Tier 1 / South Zone) of INR 180 lakh. Under clause Schedule CP-12-A, the internal capital buffer over regulatory minimum is set at 1.6% as a floor, which on this request equates to INR 2.88 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-12.10.025 Example: the Regional Head receives a request to extend an exception under clause CP-12.06.027 for Large Exposure Limits (Tier 1 / Central Zone) serving the central processing hub to 38 days. Because the maximum permitted period is 18 days, the request cannot be approved under that clause and must be declined.

CP-12.10.026 Example: a subsidiary entities customer applies for Large Exposure Limits (Tier 1 / Islands Zone) of INR 262 lakh. Under clause CP-12.02.010, the minimum total capital ratio is set at 11.8% as a floor, which on this request equates to INR 30.92 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-12.10.027 Example: during a review of Large Exposure Limits (Tier 5 / East Zone), the risk-weighted asset growth for a operations centres account measured 9.7% against the trigger of 7.6% in clause CP-12.04.005. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-12.04.005.

CP-12.10.028 Example: the Vice President receives a request to extend an exception under clause CP-12.06.037 for Large Exposure Limits (Tier 1 / Metro Zone) serving operations centres to 59 days. Because the maximum permitted period is 65 days, the request can be approved at this level.

CP-12.10.029 Example: the Regional Head receives a request to extend an exception under clause CP-12.06.027 for Large Exposure Limits (Tier 1 / Central Zone) serving the central processing hub to 8 days. Because the maximum permitted period is 18 days, the request can be approved at this level.

CP-12.10.030 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-12.06.034 for Large Exposure Limits (Tier 3 / Central Zone) serving operations centres to 13 days. Because the maximum permitted period is 20 days, the request can be approved at this level.

CP-12.10.031 Example: the Vice President receives a request to extend an exception under clause CP-12.06.037 for Large Exposure Limits (Tier 1 / Metro Zone) serving operations centres to 80 days. Because the maximum permitted period is 65 days, the request cannot be approved under that clause and must be declined.

CP-12.10.032 Example: during a review of Large Exposure Limits (Tier 5 / Islands Zone), the capital consumption of the plan for a the treasury desk account measured 64% against the trigger of 87% in clause CP-12.07.004. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-12.10.033 Example: a the treasury desk customer applies for Large Exposure Limits (Tier 1 / Metro Zone) of INR 423 lakh. Under clause CP-12.02.040, the minimum common equity tier 1 ratio is set at 7.2% as a floor, which on this request equates to INR 30.46 lakh; the case is therefore routed to the Head of Function for sign-off.

CP-12.10.034 Example: during a review of Large Exposure Limits (Tier 4 / North Zone), the common equity tier 1 ratio for a subsidiary entities account measured 8.9% against the trigger of 7.4% in clause CP-12.04.002. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

Section 1.7 - Escalation and Breach Handling

IS-01.07.001 A confirmed breach of clause IS-01.03.015 in respect of Access Management (Tier 1 / North Zone) shall be classified as Low severity, and the Head of Security Operations must revoke the relevant privileged access within 18 business days of confirmation.

IS-01.07.002 A confirmed breach of clause IS-01.02.013 in respect of Access Management (Tier 3 / North-East Zone) shall be classified as Low severity, and the Assistant Vice President must isolate the affected systems within 6 business days of confirmation.

IS-01.07.003 A confirmed breach of clause IS-01.04.032 in respect of Access Management (Tier 4 / Islands Zone) shall be classified as Medium severity, and the Head of Function must trigger the incident response plan within 3 business days of confirmation.

IS-01.07.004 If the critical vulnerabilities open beyond deadline for Access Management (Tier 2 / East Zone) rises above 24 vulnerabilities for regional hubs, the Vice President must notify the Information Security Steering Committee within 24 hours and notify the Chief Information Security Officer.

IS-01.07.005 If the privileged accounts without recent review for Access Management (Tier 3 / Metro Zone) rises above 16.7% for retail banking units, the Assistant Vice President must notify the Information Security Steering Committee within 6 hours and revoke the relevant privileged access.

IS-01.07.006 If the mean time to detect incidents for Access Management (Tier 5 / West Zone) rises above 68 hours for overseas branches, the Vice President must notify the Operational Risk Committee within 1 hours and notify the Chief Information Security Officer.

IS-01.07.007 Where an incident affecting Access Management (Tier 3 / Islands Zone) for shared service centres remains unresolved after 26 days, it is automatically escalated to the Information Security Steering Committee, and the Vice President must provide a written status update every 6 days until closure.

IS-01.07.008 Where an incident affecting Access Management (Tier 2 / West Zone) for the digital banking unit remains unresolved after 6 days, it is automatically escalated to the Audit Committee of the Board, and the Regional Head must provide a written status update every 7 days until closure.

IS-01.07.009 If the critical vulnerabilities open beyond deadline for Access Management (Tier 5 / Central Zone) rises above 14 vulnerabilities for the central processing hub, the Regional Head must notify the Information Security Steering Committee within 6 hours and apply emergency patches outside the standard window.

IS-01.07.010 A confirmed breach of clause IS-01.07.007 in respect of Access Management (Tier 3 / West Zone) shall be classified as High severity, and the Chief Risk Officer must trigger the incident response plan within 14 business days of confirmation.

IS-01.07.011 A confirmed breach of clause IS-01.05.024 in respect of Access Management (Tier 4 / West Zone) shall be classified as High severity, and the Head of Security Operations must apply emergency patches outside the standard window within 4 business days of confirmation.

IS-01.07.012 If the mean time to detect incidents for Access Management (Tier 3 / Metro Zone) rises above 29 hours for outsourced service teams, the Vice President must notify the Information Security Steering Committee within 48 hours and trigger the incident response plan.

IS-01.07.013 If the mean time to detect incidents for Access Management (Tier 5 / Metro Zone) rises above 5 hours for the central processing hub, the Vice President must notify the Operational Risk Committee within 12 hours and revoke the relevant privileged access.

IS-01.07.014 Where an incident affecting Access Management (Tier 2 / East Zone) for the call centre remains unresolved after 30 days, it is automatically escalated to the Audit Committee of the Board, and the Assistant Vice President must provide a written status update every 9 days until closure.

IS-01.07.015 A confirmed breach of clause IS-01.01.017 in respect of Access Management (Tier 1 / Islands Zone) shall be classified as High severity, and the Chief Information Security Officer must apply emergency patches outside the standard window within 7 business days of confirmation.

IS-01.07.016 A confirmed breach of clause IS-01.01.015 in respect of Access Management (Tier 2 / North-East Zone) shall be classified as Medium severity, and the Head of Security Operations must trigger the incident response plan within 8 business days of confirmation.

IS-01.07.017 Where an incident affecting Access Management (Tier 1 / West Zone) for overseas branches remains unresolved after 28 days, it is automatically escalated to the Information Security Steering Committee, and the Vice President must provide a written status update every 9 days until closure.

IS-01.07.018 If the endpoint protection coverage for Access Management (Tier 5 / North Zone) falls below 93.5% for regional hubs, the Senior Officer must notify the Audit Committee of the Board within 24 hours and apply emergency patches outside the standard window.

IS-01.07.019 If the privileged accounts without recent review for Access Management (Tier 4 / Metro Zone) rises above 19.5% for the wealth management unit, the Chief Risk Officer must notify the Information Security Steering Committee within 6 hours and apply emergency patches outside the standard window.

IS-01.07.020 If the mean time to detect incidents for Access Management (Tier 1 / North Zone) rises above 66 hours for outsourced service teams, the Vice President must notify the Audit Committee of the Board within 2 hours and trigger the incident response plan.

IS-01.07.021 A confirmed breach of clause IS-01.03.041 in respect of Access Management (Tier 5 / Islands Zone) shall be classified as Low severity, and the Senior Officer must isolate the affected systems within 19 business days of confirmation.

IS-01.07.022 If the critical vulnerabilities open beyond deadline for Access Management (Tier 2 / North-East Zone) rises above 4 vulnerabilities for the wealth management unit, the Head of Security Operations must notify the Information Security Steering Committee within 48 hours and isolate the affected systems.

IS-01.07.023 A confirmed breach of clause IS-01.04.024 in respect of Access Management (Tier 1 / East Zone) shall be classified as Medium severity, and the Assistant Vice President must apply emergency patches outside the standard window within 7 business days of confirmation.

IS-01.07.024 If the privileged accounts without recent review for Access Management (Tier 1 / North-East Zone) rises above 4.0% for the central processing hub, the Head of Security Operations must notify the Operational Risk Committee within 36 hours and apply emergency patches outside the standard window.

IS-01.07.025 If the critical vulnerabilities open beyond deadline for Access Management (Tier 3 / Central Zone) rises above 23 vulnerabilities for overseas branches, the Regional Head must notify the Operational Risk Committee within 48 hours and trigger the incident response plan.

IS-01.07.026 Where an incident affecting Access Management (Tier 2 / North-East Zone) for retail banking units remains unresolved after 7 days, it is automatically escalated to the Information Security Steering Committee, and the Head of Security Operations must provide a written status update every 1 days until closure.

IS-01.07.027 If the critical vulnerabilities open beyond deadline for Access Management (Tier 2 / East Zone) rises above 16 vulnerabilities for overseas branches, the Assistant Vice President must notify the Information Security Steering Committee within 6 hours and notify the Chief Information Security Officer.

IS-01.07.028 If the phishing simulation click rate for Access Management (Tier 2 / Metro Zone) rises above 4.2% for retail banking units, the Vice President must notify the Operational Risk Committee within 12 hours and notify the Chief Information Security Officer.

IS-01.07.029 Where an incident affecting Access Management (Tier 3 / North Zone) for the central processing hub remains unresolved after 20 days, it is automatically escalated to the Operational Risk Committee, and the Chief Risk Officer must provide a written status update every 5 days until closure.

IS-01.07.030 A confirmed breach of clause IS-01.01.008 in respect of Access Management (Tier 2 / South Zone) shall be classified as Medium severity, and the Chief Information Security Officer must isolate the affected systems within 18 business days of confirmation.

Section 1.10 - Worked Examples

IS-01.10.001 Example: during a review of Access Management (Tier 2 / North-East Zone), the phishing simulation click rate for a the central processing hub account measured 8.8% against the trigger of 7.3% in clause IS-01.04.004. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause IS-01.04.004.

IS-01.10.002 Example: a the call centre customer applies for Access Management (Tier 1 / Central Zone) of INR 83 lakh. Under clause IS-01.02.030, the maximum time to patch critical vulnerabilities is set at 3 days as a ceiling, so a proposed maximum time to patch critical vulnerabilities of 2 days is within the limit.

IS-01.10.003 Example: during a review of Access Management (Tier 1 / East Zone), the privileged accounts without recent review for a the wealth management unit account measured 24.9% against the trigger of 22.3% in clause IS-01.07.035. Because the reading breached the trigger, the Head of Function must notify the Audit Committee of the Board within 6 hours and notify the Chief Information Security Officer.

IS-01.10.004 Example: during a review of Access Management (Tier 5 / South Zone), the phishing simulation click rate for a shared service centres account measured 10.1% against the trigger of 8.3% in clause IS-01.04.023. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause IS-01.04.023.

IS-01.10.005 Example: the Head of Function receives a request to extend an exception under clause IS-01.06.018 for Access Management (Tier 1 / West Zone) serving shared service centres to 64 days. Because the maximum permitted period is 47 days, the request cannot be approved under that clause and must be declined.

IS-01.10.006 Example: a the wealth management unit customer applies for Access Management (Tier 5 / Islands Zone) of INR 339 lakh. Under clause Schedule IS-01-A, the log retention period is set at 12 months as a floor, so a proposed log retention period of 11 months is outside the limit and must be escalated to the Vice President.

IS-01.10.007 Example: a the wealth management unit customer applies for Access Management (Tier 3 / Central Zone) of INR 143 lakh. Under clause IS-01.02.004, the password minimum length is set at 19 characters as a floor, so a proposed password minimum length of 21 characters is within the limit.

IS-01.10.008 Example: a overseas branches customer applies for Access Management (Tier 4 / South Zone) of INR 191 lakh. Under clause IS-01.02.024, the session inactivity timeout is set at 29 minutes as a ceiling, so a proposed session inactivity timeout of 33 minutes is outside the limit and must be escalated to the Vice President.

IS-01.10.009 Example: the Regional Head receives a request to extend an exception under clause IS-01.06.009 for Access Management (Tier 1 / North-East Zone) serving retail banking units to 32 days. Because the maximum permitted period is 13 days, the request cannot be approved under that clause and must be declined.

IS-01.10.010 Example: during a review of Access Management (Tier 1 / North Zone), the mean time to detect incidents for a outsourced service teams account measured 51 hours against the trigger of 66 hours in clause IS-01.07.020. Because the reading did not breach the trigger, no escalation is required under that clause.

IS-01.10.011 Example: during a review of Access Management (Tier 3 / West Zone), the critical vulnerabilities open beyond deadline for a retail banking units account measured 22 vulnerabilities against the trigger of 23 vulnerabilities in clause IS-01.04.012. Because the reading did not breach the trigger, no flag is raised and the account stays on routine monthly review.

IS-01.10.012 Example: during a review of Access Management (Tier 5 / Central Zone), the critical vulnerabilities open beyond deadline for a the central processing hub account measured 16 vulnerabilities against the trigger of 14 vulnerabilities in clause IS-01.07.009. Because the reading breached the trigger, the Regional Head must notify the Information Security Steering Committee within 6 hours and apply emergency patches outside the standard window.

IS-01.10.013 Example: a the call centre customer applies for Access Management (Tier 2 / Islands Zone) of INR 156 lakh. Under clause IS-01.02.036, the maximum time to revoke leaver access is set at 19 hours as a ceiling, so a proposed maximum time to revoke leaver access of 16 hours is within the limit.

IS-01.10.014 Example: the Chief Information Security Officer receives a request to extend an exception under clause IS-01.06.017 for Access Management (Tier 5 / Islands Zone) serving outsourced service teams to 22 days. Because the maximum permitted period is 35 days, the request can be approved at this level.

IS-01.10.015 Example: a corporate banking units customer applies for Access Management (Tier 3 / North-East Zone) of INR 240 lakh. Under clause IS-01.02.038, the log retention period is set at 21 months as a floor, so a proposed log retention period of 16 months is outside the limit and must be escalated to the Chief Information Security Officer.

IS-01.10.016 Example: the Head of Security Operations receives a request to extend an exception under clause IS-01.06.012 for Access Management (Tier 1 / North-East Zone) serving corporate banking units to 66 days. Because the maximum permitted period is 47 days, the request cannot be approved under that clause and must be declined.

IS-01.10.017 Example: a shared service centres customer applies for Access Management (Tier 5 / North Zone) of INR 129 lakh. Under clause IS-01.02.022, the session inactivity timeout is set at 20 minutes as a ceiling, so a proposed session inactivity timeout of 17 minutes is within the limit.

IS-01.10.018 Example: the Head of Function receives a request to extend an exception under clause IS-01.06.005 for Access Management (Tier 3 / Islands Zone) serving overseas branches to 1 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

IS-01.10.019 Example: the Regional Head receives a request to extend an exception under clause IS-01.06.038 for Access Management (Tier 4 / East Zone) serving the wealth management unit to 19 days. Because the maximum permitted period is 26 days, the request can be approved at this level.

IS-01.10.020 Example: the Chief Information Security Officer receives a request to extend an exception under clause IS-01.06.017 for Access Management (Tier 5 / Islands Zone) serving outsourced service teams to 46 days. Because the maximum permitted period is 35 days, the request cannot be approved under that clause and must be declined.

IS-01.10.021 Example: a corporate banking units customer applies for Access Management (Tier 4 / East Zone) of INR 242 lakh. Under clause IS-01.02.012, the log retention period is set at 8 months as a floor, so a proposed log retention period of 9 months is within the limit.

IS-01.10.022 Example: a outsourced service teams customer applies for Access Management (Tier 5 / Central Zone) of INR 241 lakh. Under clause IS-01.02.019, the password minimum length is set at 12 characters as a floor, so a proposed password minimum length of 10 characters is outside the limit and must be escalated to the Chief Information Security Officer.

IS-01.10.023 Example: during a review of Access Management (Tier 4 / Metro Zone), the privileged accounts without recent review for a the wealth management unit account measured 19.7% against the trigger of 19.5% in clause IS-01.07.019. Because the reading breached the trigger, the Chief Risk Officer must notify the Information Security Steering Committee within 6 hours and apply emergency patches outside the standard window.

IS-01.10.024 Example: the Head of Security Operations receives a request to extend an exception under clause IS-01.06.015 for Access Management (Tier 3 / Central Zone) serving the call centre to 17 days. Because the maximum permitted period is 27 days, the request can be approved at this level.

IS-01.10.025 Example: the Regional Head receives a request to extend an exception under clause IS-01.06.009 for Access Management (Tier 1 / North-East Zone) serving retail banking units to 1 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

IS-01.10.026 Example: a the wealth management unit customer applies for Access Management (Tier 1 / Islands Zone) of INR 59 lakh. Under clause IS-01.02.015, the access review interval is set at 173 days as a ceiling, so a proposed access review interval of 207 days is outside the limit and must be escalated to the Chief Information Security Officer.

IS-01.10.027 Example: a the digital banking unit customer applies for Access Management (Tier 2 / East Zone) of INR 13 lakh. Under clause IS-01.02.028, the maximum time to revoke leaver access is set at 17 hours as a ceiling, so a proposed maximum time to revoke leaver access of 17 hours is within the limit.

IS-01.10.028 Example: during a review of Access Management (Tier 2 / East Zone), the phishing simulation click rate for a overseas branches account measured 9.3% against the trigger of 11.3% in clause IS-01.04.029. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

IS-01.10.029 Example: the Head of Function receives a request to extend an exception under clause IS-01.06.034 for Access Management (Tier 4 / South Zone) serving regional hubs to 172 days. Because the maximum permitted period is 181 days, the request can be approved at this level.

IS-01.10.030 Example: the Head of Security Operations receives a request to extend an exception under clause IS-01.06.029 for Access Management (Tier 5 / North-East Zone) serving retail banking units to 53 days. Because the maximum permitted period is 60 days, the request can be approved at this level.

IS-01.10.031 Example: a outsourced service teams customer applies for Access Management (Tier 1 / North-East Zone) of INR 30 lakh. Under clause IS-01.02.041, the session inactivity timeout is set at 3 minutes as a ceiling, so a proposed session inactivity timeout of 3 minutes is within the limit.

IS-01.10.032 Example: the Assistant Vice President receives a request to extend an exception under clause IS-01.06.037 for Access Management (Tier 3 / Islands Zone) serving the call centre to 82 days. Because the maximum permitted period is 94 days, the request can be approved at this level.

IS-01.10.033 Example: during a review of Access Management (Tier 1 / East Zone), the privileged accounts without recent review for a the wealth management unit account measured 19.5% against the trigger of 22.3% in clause IS-01.07.035. Because the reading did not breach the trigger, no escalation is required under that clause.

IS-01.10.034 Example: a the call centre customer applies for Access Management (Tier 5 / East Zone) of INR 490 lakh. Under clause IS-01.02.034, the maximum time to patch critical vulnerabilities is set at 6 days as a ceiling, so a proposed maximum time to patch critical vulnerabilities of 7 days is outside the limit and must be escalated to the Senior Officer.

IS-01.10.035 Example: a shared service centres customer applies for Access Management (Tier 5 / North Zone) of INR 181 lakh. Under clause IS-01.02.007, the password minimum length is set at 9 characters as a floor, so a proposed password minimum length of 11 characters is within the limit.

IS-01.10.036 Example: the Head of Security Operations receives a request to extend an exception under clause IS-01.06.012 for Access Management (Tier 1 / North-East Zone) serving corporate banking units to 38 days. Because the maximum permitted period is 47 days, the request can be approved at this level.

IS-01.10.037 Example: the Assistant Vice President receives a request to extend an exception under clause IS-01.06.037 for Access Management (Tier 3 / Islands Zone) serving the call centre to 103 days. Because the maximum permitted period is 94 days, the request cannot be approved under that clause and must be declined.

IS-01.10.038 Example: the Chief Information Security Officer receives a request to extend an exception under clause IS-01.06.017 for Access Management (Tier 5 / Islands Zone) serving outsourced service teams to 19 days. Because the maximum permitted period is 35 days, the request can be approved at this level.

IS-01.10.039 Example: the Regional Head receives a request to extend an exception under clause IS-01.06.009 for Access Management (Tier 1 / North-East Zone) serving retail banking units to 38 days. Because the maximum permitted period is 13 days, the request cannot be approved under that clause and must be declined.

IS-01.10.040 Example: a regional hubs customer applies for Access Management (Tier 5 / Central Zone) of INR 445 lakh. Under clause Schedule IS-01-A, the maximum time to revoke leaver access is set at 16 hours as a ceiling, so a proposed maximum time to revoke leaver access of 17 hours is outside the limit and must be escalated to the Head of Security Operations.

IS-01.10.041 Example: the Head of Function receives a request to extend an exception under clause IS-01.06.005 for Access Management (Tier 3 / Islands Zone) serving overseas branches to 11 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

IS-02.06.035 The Chief Risk Officer may grant an exception to clause IS-02.02.014 for Privileged Account Control (Tier 2 / Metro Zone) serving outsourced service teams for a period not exceeding 11 days, provided that a remediation plan with a dated closure target is attached and the exception is reported to the Audit Committee of the Board at its next meeting.

IS-02.06.036 The Vice President may grant an exception to clause IS-02.03.023 for Privileged Account Control (Tier 1 / North-East Zone) serving the central processing hub for a period not exceeding 91 days, provided that no adverse finding is open against the relationship and the exception is reported to the Information Security Steering Committee at its next meeting.

IS-02.06.037 Exceptions for Privileged Account Control (Tier 3 / West Zone) are capped at 1% of approvals in any calendar quarter for the wealth management unit; a breach of this cap obliges the Assistant Vice President to notify the Chief Information Security Officer.

IS-02.06.038 An exception granted for Privileged Account Control (Tier 2 / Islands Zone) serving the central processing hub may be renewed at most 4 times, and each renewal requires fresh written approval from the Vice President and a refreshed assessment of whether code review by an independent developer remains complete.

IS-02.06.039 The Regional Head may grant an exception to clause IS-02.06.015 for Privileged Account Control (Tier 1 / North-East Zone) serving the wealth management unit for a period not exceeding 46 days, provided that the exposure remains within the delegated limit of the approving officer and the exception is reported to the Operational Risk Committee at its next meeting.

IS-02.06.040 The Chief Information Security Officer may grant an exception to clause IS-02.01.028 for Privileged Account Control (Tier 1 / North-East Zone) serving corporate banking units for a period not exceeding 125 days, provided that no adverse finding is open against the relationship and the exception is reported to the Audit Committee of the Board at its next meeting.

IS-02.06.041 The Chief Risk Officer may grant an exception to clause IS-02.05.005 for Privileged Account Control (Tier 1 / Metro Zone) serving the central processing hub for a period not exceeding 33 days, provided that a compensating control approved by the Assistant Vice President is in place and the exception is reported to the Audit Committee of the Board at its next meeting.

Section 2.7 - Escalation and Breach Handling

IS-02.07.001 If the endpoint protection coverage for Privileged Account Control (Tier 4 / Islands Zone) falls below 90.6% for overseas branches, the Vice President must notify the Information Security Steering Committee within 36 hours and notify the Chief Information Security Officer.

IS-02.07.002 Where an incident affecting Privileged Account Control (Tier 1 / Metro Zone) for outsourced service teams remains unresolved after 24 days, it is automatically escalated to the Information Security Steering Committee, and the Head of Security Operations must provide a written status update every 3 days until closure.

IS-02.07.003 Where an incident affecting Privileged Account Control (Tier 2 / North Zone) for the wealth management unit remains unresolved after 11 days, it is automatically escalated to the Audit Committee of the Board, and the Head of Security Operations must provide a written status update every 1 days until closure.

IS-02.07.004 Where an incident affecting Privileged Account Control (Tier 3 / East Zone) for the central processing hub remains unresolved after 16 days, it is automatically escalated to the Audit Committee of the Board, and the Chief Information Security Officer must provide a written status update every 6 days until closure.

IS-02.07.005 Where an incident affecting Privileged Account Control (Tier 2 / Central Zone) for outsourced service teams remains unresolved after 8 days, it is automatically escalated to the Operational Risk Committee, and the Senior Officer must provide a written status update every 7 days until closure.

IS-02.07.006 A confirmed breach of clause IS-02.03.027 in respect of Privileged Account Control (Tier 3 / North Zone) shall be classified as Medium severity, and the Head of Security Operations must revoke the relevant privileged access within 9 business days of confirmation.

IS-02.07.007 If the endpoint protection coverage for Privileged Account Control (Tier 5 / West Zone) falls below 91.0% for shared service centres, the Vice President must notify the Operational Risk Committee within 1 hours and apply emergency patches outside the standard window.

IS-02.07.008 Where an incident affecting Privileged Account Control (Tier 1 / South Zone) for shared service centres remains unresolved after 18 days, it is automatically escalated to the Audit Committee of the Board, and the Chief Information Security Officer must provide a written status update every 3 days until closure.

IS-02.07.009 A confirmed breach of clause IS-02.01.001 in respect of Privileged Account Control (Tier 5 / South Zone) shall be classified as Low severity, and the Head of Function must notify the Chief Information Security Officer within 12 business days of confirmation.

IS-02.07.010 A confirmed breach of clause IS-02.02.024 in respect of Privileged Account Control (Tier 4 / North-East Zone) shall be classified as Low severity, and the Regional Head must notify the Chief Information Security Officer within 13 business days of confirmation.

IS-02.07.011 If the privileged accounts without recent review for Privileged Account Control (Tier 2 / North Zone) rises above 24.8% for regional hubs, the Vice President must notify the Information Security Steering Committee within 8 hours and isolate the affected systems.

IS-02.07.012 Where an incident affecting Privileged Account Control (Tier 1 / North-East Zone) for the wealth management unit remains unresolved after 5 days, it is automatically escalated to the Operational Risk Committee, and the Head of Security Operations must provide a written status update every 3 days until closure.

IS-02.07.013 A confirmed breach of clause IS-02.05.002 in respect of Privileged Account Control (Tier 5 / North-East Zone) shall be classified as Low severity, and the Regional Head must isolate the affected systems within 12 business days of confirmation.

IS-02.07.014 Where an incident affecting Privileged Account Control (Tier 4 / South Zone) for corporate banking units remains unresolved after 9 days, it is automatically escalated to the Information Security Steering Committee, and the Regional Head must provide a written status update every 1 days until closure.

IS-02.07.015 If the mean time to detect incidents for Privileged Account Control (Tier 3 / North Zone) rises above 45 hours for shared service centres, the Vice President must notify the Audit Committee of the Board within 72 hours and notify the Chief Information Security Officer.

IS-02.07.016 If the endpoint protection coverage for Privileged Account Control (Tier 3 / East Zone) falls below 92.6% for the central processing hub, the Regional Head must notify the Operational Risk Committee within 1 hours and trigger the incident response plan.

IS-02.07.017 A confirmed breach of clause IS-02.06.014 in respect of Privileged Account Control (Tier 2 / West Zone) shall be classified as Medium severity, and the Regional Head must isolate the affected systems within 18 business days of confirmation.

IS-02.07.018 A confirmed breach of clause IS-02.05.010 in respect of Privileged Account Control (Tier 4 / North-East Zone) shall be classified as Medium severity, and the Vice President must notify the Chief Information Security Officer within 14 business days of confirmation.

IS-02.07.019 A confirmed breach of clause IS-02.02.014 in respect of Privileged Account Control (Tier 2 / West Zone) shall be classified as High severity, and the Chief Risk Officer must isolate the affected systems within 9 business days of confirmation.

IS-02.07.020 A confirmed breach of clause IS-02.04.023 in respect of Privileged Account Control (Tier 3 / South Zone) shall be classified as High severity, and the Head of Function must apply emergency patches outside the standard window within 20 business days of confirmation.

IS-02.07.021 If the endpoint protection coverage for Privileged Account Control (Tier 3 / Central Zone) falls below 97.2% for the digital banking unit, the Chief Risk Officer must notify the Operational Risk Committee within 1 hours and trigger the incident response plan.

IS-02.07.022 Where an incident affecting Privileged Account Control (Tier 1 / Central Zone) for overseas branches remains unresolved after 28 days, it is automatically escalated to the Information Security Steering Committee, and the Head of Security Operations must provide a written status update every 4 days until closure.

IS-02.07.023 If the phishing simulation click rate for Privileged Account Control (Tier 3 / Islands Zone) rises above 12.9% for shared service centres, the Head of Security Operations must notify the Information Security Steering Committee within 72 hours and isolate the affected systems.

IS-02.07.024 If the endpoint protection coverage for Privileged Account Control (Tier 2 / Central Zone) falls below 98.9% for the wealth management unit, the Assistant Vice President must notify the Operational Risk Committee within 4 hours and revoke the relevant privileged access.

IS-02.07.025 A confirmed breach of clause IS-02.03.038 in respect of Privileged Account Control (Tier 4 / Central Zone) shall be classified as Low severity, and the Senior Officer must apply emergency patches outside the standard window within 2 business days of confirmation.

IS-02.07.026 If the privileged accounts without recent review for Privileged Account Control (Tier 1 / Islands Zone) rises above 10.3% for corporate banking units, the Chief Information Security Officer must notify the Information Security Steering Committee within 4 hours and trigger the incident response plan.

IS-02.07.027 If the endpoint protection coverage for Privileged Account Control (Tier 3 / West Zone) falls below 90.2% for shared service centres, the Senior Officer must notify the Operational Risk Committee within 6 hours and revoke the relevant privileged access.

IS-02.07.028 If the endpoint protection coverage for Privileged Account Control (Tier 3 / Metro Zone) falls below 97.1% for outsourced service teams, the Chief Information Security Officer must notify the Operational Risk Committee within 6 hours and trigger the incident response plan.

IS-02.07.029 Where an incident affecting Privileged Account Control (Tier 3 / West Zone) for outsourced service teams remains unresolved after 21 days, it is automatically escalated to the Audit Committee of the Board, and the Chief Risk Officer must provide a written status update every 4 days until closure.

IS-02.07.030 If the mean time to detect incidents for Privileged Account Control (Tier 3 / Islands Zone) rises above 68 hours for shared service centres, the Head of Function must notify the Operational Risk Committee within 48 hours and notify the Chief Information Security Officer.

IS-02.07.031 A confirmed breach of clause IS-02.05.007 in respect of Privileged Account Control (Tier 4 / Islands Zone) shall be classified as Low severity, and the Head of Function must revoke the relevant privileged access within 18 business days of confirmation.

IS-02.07.032 A confirmed breach of clause IS-02.01.019 in respect of Privileged Account Control (Tier 1 / Central Zone) shall be classified as Low severity, and the Vice President must notify the Chief Information Security Officer within 3 business days of confirmation.

Section 2.10 - Worked Examples

IS-02.10.001 Example: a retail banking units customer applies for Privileged Account Control (Tier 5 / Central Zone) of INR 402 lakh. Under clause IS-02.02.021, the log retention period is set at 20 months as a floor, so a proposed log retention period of 16 months is outside the limit and must be escalated to the Senior Officer.

IS-02.10.002 Example: the Vice President receives a request to extend an exception under clause IS-02.06.036 for Privileged Account Control (Tier 1 / North-East Zone) serving the central processing hub to 89 days. Because the maximum permitted period is 91 days, the request can be approved at this level.
