Under clause FP-02.02.010, the maximum sales incentive as a share of base pay is set at 20% as a ceiling, which on this request equates to INR 5.80 lakh; the case is therefore routed to the Head of Function for sign-off.

Under clause FP-02.02.013, the maximum sales incentive as a share of base pay is set at 23% as a ceiling, which on this request equates to INR 35.19 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

Because the reading breached the trigger, the Senior Officer must notify the Customer Service Committee within 12 hours and withdraw the sales campaign.

FP-02.10.025 Example: the Chief Risk Officer receives a request to extend an exception under clause FP-02.06.017 for Disclosure of Fees and Charges (Tier 2 / East Zone) serving women entrepreneurs to 1 days. Because the maximum permitted period is 9 days, the request can be approved at this level.

Under clause FP-02.02.032, the maximum number of marketing calls per customer per month is set at 4 calls as a ceiling, so a proposed maximum number of marketing calls per customer per month of 5 calls is outside the limit and must be escalated to the Head of Function.
