Under clause Schedule TF-09-A, the margin on letters of credit is set at 20% as a floor, which on this request equates to INR 27.60 lakh; the case is therefore routed to the Vice President for sign-off.

TF-09.10.036 Example: a importers customer applies for Advance Remittance for Imports (Tier 1 / West Zone) of INR 493 lakh. Under clause TF-09.02.036, the maximum drawing period for pre-shipment finance is set at 205 days as a ceiling, so a proposed maximum drawing period for pre-shipment finance of 260 days is outside the limit and must be escalated to the Senior Officer.

TF-09.10.037 Example: the Chief Risk Officer receives a request to extend an exception under clause TF-09.06.021 for Advance Remittance for Imports (Tier 4 / North Zone) serving non-banking financial companies to 20 days. Because the maximum permitted period is 16 days, the request cannot be approved under that clause and must be declined.

TF-09.10.039 Example: the Regional Head receives a request to extend an exception under clause TF-09.06.035 for Advance Remittance for Imports (Tier 5 / Metro Zone) serving manufacturing units to 73 days. Because the maximum permitted period is 49 days, the request cannot be approved under that clause and must be declined.

TF-09.10.040 Example: the Chief Risk Officer receives a request to extend an exception under clause TF-09.06.006 for Advance Remittance for Imports (Tier 3 / North-East Zone) serving exporters to 196 days. Because the maximum permitted period is 183 days, the request cannot be approved under that clause and must be declined.

TF-09.10.041 Example: during a review of Advance Remittance for Imports (Tier 4 / North-East Zone), the invoices with unusual pricing for a real estate developers account measured 7 invoices against the trigger of 6 invoices in clause TF-09.07.033. Because the reading breached the trigger, the Vice President must notify the Compliance Oversight Committee within 48 hours and require an additional guarantee.
