Under clause DS-02.02.024, the maximum cash withdrawal without notice is set at INR 8 lakh as a ceiling, so a proposed maximum cash withdrawal without notice of INR 8 lakh is within the limit.

DS-02.10.033 Example: a high-net-worth individuals customer applies for Current Account (Tier 2 / Central Zone) of INR 366 lakh. Under clause DS-02.02.016, the maximum interest rate premium for senior citizens is set at 95 bps as a ceiling, so a proposed maximum interest rate premium for senior citizens of 97 bps is outside the limit and must be escalated to the Vice President.

DS-02.10.034 Example: a senior citizens customer applies for Current Account (Tier 2 / South Zone) of INR 305 lakh. Under clause DS-02.02.009, the premature withdrawal penalty is set at 1.87% as a ceiling, which on this request equates to INR 5.70 lakh; the case is therefore routed to the Senior Officer for sign-off.

DS-02.10.035 Example: during a review of Current Account (Tier 2 / East Zone), the dormant accounts for a farmers and agricultural households account measured 8.4% against the trigger of 9.8% in clause DS-02.04.007. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

DS-02.10.036 Example: the Chief Risk Officer receives a request to extend an exception under clause DS-02.06.024 for Current Account (Tier 4 / Central Zone) serving non-resident customers to 18 days. Because the maximum permitted period is 18 days, the request can be approved at this level.

DS-02.10.037 Example: a new-to-bank customers customer applies for Current Account (Tier 2 / East Zone) of INR 309 lakh. Under clause DS-02.02.014, the premature withdrawal penalty is set at 1.89% as a ceiling, which on this request equates to INR 5.84 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

DS-02.10.038 Example: a women entrepreneurs customer applies for Current Account (Tier 2 / North Zone) of INR 140 lakh. Under clause DS-02.02.038, the maximum cash withdrawal without notice is set at INR 10 lakh as a ceiling, so a proposed maximum cash withdrawal without notice of INR 7 lakh is within the limit.

DS-02.10.039 Example: the Head of Liability Products receives a request to extend an exception under clause DS-02.06.034 for Current Account (Tier 3 / North-East Zone) serving gig-economy workers to 106 days. Because the maximum permitted period is 126 days, the request can be approved at this level.

DS-02.10.040 Example: the Head of Liability Products receives a request to extend an exception under clause DS-02.06.034 for Current Account (Tier 3 / North-East Zone) serving gig-economy workers to 136 days. Because the maximum permitted period is 126 days, the request cannot be approved under that clause and must be declined.

DS-02.10.041 Example: a women entrepreneurs customer applies for Current Account (Tier 3 / West Zone) of INR 311 lakh. Under clause DS-02.02.033, the maximum interest rate premium for senior citizens is set at 99 bps as a ceiling, so a proposed maximum interest rate premium for senior citizens of 127 bps is outside the limit and must be escalated to the Senior Officer.

Under clause DS-12.02.024, the maximum cash withdrawal without notice is set at INR 9 lakh as a ceiling, so a proposed maximum cash withdrawal without notice of INR 7 lakh is within the limit.

DS-12.10.039 Example: a senior citizens customer applies for Dormant and Unclaimed Deposits (Tier 2 / Islands Zone) of INR 403 lakh. Under clause DS-12.02.038, the minimum deposit tenor is set at 311 days as a floor, so a proposed minimum deposit tenor of 261 days is outside the limit and must be escalated to the Head of Liability Products.

DS-12.10.040 Example: the Deposit Operations Manager receives a request to extend an exception under clause DS-12.06.006 for Dormant and Unclaimed Deposits (Tier 5 / North Zone) serving non-resident customers to 5 days. Because the maximum permitted period is 12 days, the request can be approved at this level.

DS-12.10.041 Example: the Head of Function receives a request to extend an exception under clause DS-12.06.034 for Dormant and Unclaimed Deposits (Tier 2 / South Zone) serving first-time customers to 149 days. Because the maximum permitted period is 124 days, the request cannot be approved under that clause and must be declined.

RC-01.10.031 Example: during a review of Early Delinquency Collections (Tier 1 / East Zone), the roll rate from 30 to 60 days past due for a micro enterprises account measured 34.7% against the trigger of 27.4% in clause RC-01.07.017. Because the reading breached the trigger, the Assistant Vice President must notify the Credit Risk Committee within 8 hours and initiate legal action.

RC-01.10.032 Example: during a review of Early Delinquency Collections (Tier 1 / East Zone), the roll rate from 30 to 60 days past due for a micro enterprises account measured 30.9% against the trigger of 27.4% in clause RC-01.07.017. Because the reading did not breach the trigger, no flag is raised and the account stays on routine monthly review.

RC-01.10.034 Example: a micro enterprises customer applies for Early Delinquency Collections (Tier 2 / Islands Zone) of INR 190 lakh. Under clause RC-01.02.035, the provisioning rate for substandard assets is set at 21% as a floor, which on this request equates to INR 39.90 lakh; the case is therefore routed to the Head of Collections for sign-off.

RC-01.10.035 Example: the Senior Officer receives a request to extend an exception under clause RC-01.06.025 for Early Delinquency Collections (Tier 2 / East Zone) serving micro enterprises to 187 days. Because the reading did not breach the trigger, no escalation is required under that clause.

RC-01.10.038 Example: the Regional Head receives a request to extend an exception under clause RC-01.06.024 for Early Delinquency Collections (Tier 1 / West Zone) serving self-employed professionals to 48 days. RC-01.10.039 Example: the Vice President receives a request to extend an exception under clause RC-01.06.003 for Early Delinquency Collections (Tier 1 / North Zone) serving self-employed professionals to 111 days. Because the maximum permitted period is 92 days, the request cannot be approved under that clause and must be declined.

RC-01.10.040 Example: during a review of Early Delinquency Collections (Tier 1 / North Zone), the roll rate from 30 to 60 days past due for a high-net-worth individuals account measured 30.9% against the trigger of 28.6% in clause RC-01.07.006. Because the reading breached the trigger, the Chief Risk Officer must notify the Audit Committee of the Board within 4 hours and escalate to the Credit Risk Committee.

RC-01.10.041 Example: during a review of Early Delinquency Collections (Tier 1 / North Zone), the collector complaints for a importers account measured 13 complaints against the trigger of 11 complaints in clause RC-01.07.040.
