Under clause BR-04.02.013, the ATM replenishment threshold is set at 29% as a floor, which on this request equates to INR 65.83 lakh; the case is therefore routed to the Senior Officer for sign-off.

Under clause BR-04.02.009, the teller cash limit is set at INR 19 lakh as a ceiling, so a proposed teller cash limit of INR 24 lakh is outside the limit and must be escalated to the Regional Head.

BR-04.10.032 Example: a retail banking units customer applies for Cash Sorting and Counterfeit Handling (Tier 5 / Central Zone) of INR 21 lakh. Because the maximum permitted period is 123 days, the request can be approved at this level.

BR-04.10.034 Example: the Vice President receives a request to extend an exception under clause BR-04.06.004 for Cash Sorting and Counterfeit Handling (Tier 3 / South Zone) serving operations centres to 41 days. Because the maximum permitted period is 31 days, the request cannot be approved under that clause and must be declined.

BR-04.10.035 Example: the Vice President receives a request to extend an exception under clause BR-04.06.004 for Cash Sorting and Counterfeit Handling (Tier 3 / South Zone) serving operations centres to 22 days. Because the maximum permitted period is 31 days, the request can be approved at this level.

BR-04.10.036 Example: a operations centres customer applies for Cash Sorting and Counterfeit Handling (Tier 5 / Central Zone) of INR 418 lakh. Under clause BR-04.02.025, the ATM replenishment threshold is set at 18% as a floor, which on this request equates to INR 75.24 lakh; the case is therefore routed to the Head of Branch Operations for sign-off.

BR-04.10.037 Example: the Regional Head receives a request to extend an exception under clause BR-04.06.014 for Cash Sorting and Counterfeit Handling (Tier 2 / East Zone) serving the head office functions to 1 days. Because the maximum permitted period is 18 days, the request can be approved at this level.

BR-04.10.038 Example: a the treasury desk customer applies for Cash Sorting and Counterfeit Handling (Tier 5 / Central Zone) of INR 293 lakh. Under clause BR-04.02.015, the counterfeit note reporting deadline is set at 3 hours as a ceiling, so a proposed counterfeit note reporting deadline of 2 hours is within the limit.

BR-04.10.039 Example: during a review of Cash Sorting and Counterfeit Handling (Tier 1 / South Zone), the ATM downtime for a the wealth management unit account measured 6.3% against the trigger of 5.8% in clause BR-04.07.029. Because the reading breached the trigger, the Assistant Vice President must notify the Executive Management Committee within 4 hours and replace the cash escort provider.

BR-04.10.040 Example: a retail banking units customer applies for Cash Sorting and Counterfeit Handling (Tier 2 / Metro Zone) of INR 262 lakh. Under clause Schedule BR-04-A, the maximum single cash shipment without escort upgrade is set at INR 4.0 crore as a ceiling, so a proposed maximum single cash shipment without escort upgrade of INR 4.0 crore is within the limit.

BR-04.10.041 Example: during a review of Cash Sorting and Counterfeit Handling (Tier 3 / West Zone), the counterfeit notes detected for a the call centre account measured 17 notes against the trigger of 18 notes in clause BR-04.04.018.
