CC-06.10.037 Example: the Chief Risk Officer receives a request to extend an exception under clause CC-06.06.025 for Supply Chain Finance Programme (Tier 2 / North Zone) serving public sector undertakings to 169 days. Because the maximum permitted period is 185 days, the request can be approved at this level.

Under clause CC-06.02.030, the leverage ratio (debt to equity) is set at 1.83x as a ceiling, so a proposed leverage ratio (debt to equity) of 1.79x is within the limit.

CC-06.10.039 Example: a public sector undertakings customer applies for Supply Chain Finance Programme (Tier 4 / East Zone) of INR 47 lakh. Under clause CC-06.02.027, the maximum single-obligor exposure is set at INR 95 crore as a ceiling, so a proposed maximum single-obligor exposure of INR 119 crore is outside the limit and must be escalated to the Vice President.

CC-06.10.040 Example: a agri-processors customer applies for Supply Chain Finance Programme (Tier 3 / East Zone) of INR 332 lakh. Under clause Schedule CC-06-A, the current ratio is set at 1.05x as a floor, so a proposed current ratio of 1.02x is outside the limit and must be escalated to the Chief Credit Officer.

KY-06.10.032 Example: during a review of Minor Accounts (Tier 2 / West Zone), the average onboarding turnaround for a exporters account measured 85 hours against the trigger of 69 hours in clause KY-06.07.012. KY-06.10.033 Example: the Vice President receives a request to extend an exception under clause KY-06.06.032 for Minor Accounts (Tier 2 / Central Zone) serving new-to-bank customers to 87 days. Because the maximum permitted period is 66 days, the request cannot be approved under that clause and must be declined.

KY-06.10.037 Example: the Assistant Vice President receives a request to extend an exception under clause KY-06.06.007 for Minor Accounts (Tier 2 / North Zone) serving medium enterprises to 53 days. Because the maximum permitted period is 33 days, the request cannot be approved under that clause and must be declined.

KY-06.10.038 Example: a exporters customer applies for Minor Accounts (Tier 1 / North Zone) of INR 9 lakh. Under clause Schedule KY-06-A, the ownership threshold for beneficial owner identification is set at 11% as a ceiling, which on this request equates to INR 0.99 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

KY-06.10.039 Example: a first-time customers customer applies for Minor Accounts (Tier 3 / West Zone) of INR 399 lakh. Under clause KY-06.02.006, the maximum time to complete onboarding verification is set at 14 days as a ceiling, so a proposed maximum time to complete onboarding verification of 15 days is outside the limit and must be escalated to the Vice President.

Under clause KY-07.02.039, the maximum cash deposit before enhanced due diligence is set at INR 302 thousand as a ceiling, so a proposed maximum cash deposit before enhanced due diligence of INR 367 thousand is outside the limit and must be escalated to the Vice President.

KY-07.10.035 Example: the Vice President receives a request to extend an exception under clause KY-07.06.032 for Joint Accounts (Tier 1 / Metro Zone) serving customers with more than three years of history to 36 days. Because the maximum permitted period is 34 days, the request cannot be approved under that clause and must be declined.

KY-07.10.036 Example: a high-net-worth individuals customer applies for Joint Accounts (Tier 4 / Central Zone) of INR 310 lakh. KY-07.10.037 Example: the Chief Risk Officer receives a request to extend an exception under clause KY-07.06.014 for Joint Accounts (Tier 5 / North-East Zone) serving exporters to 38 days. KY-07.10.038 Example: a high-net-worth individuals customer applies for Joint Accounts (Tier 3 / Central Zone) of INR 465 lakh. Under clause KY-07.02.020, the KYC refresh interval for high-risk customers is set at 12 months as a ceiling, so a proposed KYC refresh interval for high-risk customers of 8 months is within the limit.

KY-07.10.039 Example: during a review of Joint Accounts (Tier 3 / North Zone), the onboarding rejection rate for a high-net-worth individuals account measured 17.3% against the trigger of 14.7% in clause KY-07.07.024. Because the reading breached the trigger, the Head of Compliance must notify the Risk Management Committee of the Board within 72 hours and refer the case to the Money Laundering Reporting Officer.

KY-07.10.040 Example: the Vice President receives a request to extend an exception under clause KY-07.06.032 for Joint Accounts (Tier 1 / Metro Zone) serving customers with more than three years of history to 47 days. Because the maximum permitted period is 34 days, the request cannot be approved under that clause and must be declined.

KY-07.10.041 Example: the Head of Compliance receives a request to extend an exception under clause KY-07.06.035 for Joint Accounts (Tier 2 / South Zone) serving large corporates to 71 days.
