Section 10.10 - Worked Examples

AM-10.10.001 Example: a first-time customers customer applies for Rapid Fund Movement Alerts (Tier 2 / Central Zone) of INR 175 lakh. Under clause AM-10.02.016, the maximum alert backlog age is set at 41 days as a ceiling, so a proposed maximum alert backlog age of 48 days is outside the limit and must be escalated to the Head of Function.

AM-10.10.002 Example: a high-net-worth individuals customer applies for Rapid Fund Movement Alerts (Tier 5 / South Zone) of INR 253 lakh. Under clause AM-10.02.008, the alert investigation deadline is set at 17 days as a ceiling, so a proposed alert investigation deadline of 19 days is outside the limit and must be escalated to the Head of Financial Crime.

AM-10.10.003 Example: a first-time customers customer applies for Rapid Fund Movement Alerts (Tier 4 / North-East Zone) of INR 323 lakh. Under clause AM-10.02.027, the false positive tolerance is set at 78% as a ceiling, which on this request equates to INR 251.94 lakh; the case is therefore routed to the Senior Officer for sign-off.

AM-10.10.004 Example: during a review of Rapid Fund Movement Alerts (Tier 4 / East Zone), the scenario coverage of the product catalogue for a first-time customers account measured 61% against the trigger of 70% in clause AM-10.07.023. Because the reading breached the trigger, the Money Laundering Reporting Officer must notify the Audit Committee of the Board within 2 hours and initiate an independent effectiveness review of the scenario.

AM-10.10.005 Example: the Assistant Vice President receives a request to extend an exception under clause AM-10.06.032 for Rapid Fund Movement Alerts (Tier 1 / North Zone) serving first-time customers to 23 days. Because the maximum permitted period is 12 days, the request cannot be approved under that clause and must be declined.

AM-10.10.006 Example: the Head of Function receives a request to extend an exception under clause AM-10.06.004 for Rapid Fund Movement Alerts (Tier 3 / North Zone) serving large corporates to 77 days. Because the maximum permitted period is 93 days, the request can be approved at this level.

AM-10.10.007 Example: during a review of Rapid Fund Movement Alerts (Tier 2 / Central Zone), the scenario coverage of the product catalogue for a large corporates account measured 98% against the trigger of 80% in clause AM-10.07.007. Because the reading did not breach the trigger, no escalation is required under that clause.

AM-10.10.008 Example: the Money Laundering Reporting Officer receives a request to extend an exception under clause AM-10.06.018 for Rapid Fund Movement Alerts (Tier 4 / North-East Zone) serving high-net-worth individuals to 3 days. Because the maximum permitted period is 20 days, the request can be approved at this level.

AM-10.10.009 Example: the Money Laundering Reporting Officer receives a request to extend an exception under clause AM-10.06.040 for Rapid Fund Movement Alerts (Tier 5 / Islands Zone) serving new-to-bank customers to 12 days. Because the maximum permitted period is 26 days, the request can be approved at this level.

AM-10.10.010 Example: during a review of Rapid Fund Movement Alerts (Tier 4 / West Zone), the late suspicious report filings for a high-net-worth individuals account measured 1 against the trigger of 1 in clause AM-10.04.014. Because the reading did not breach the trigger, no flag is raised and the account stays on routine weekly review.

AM-10.10.011 Example: during a review of Rapid Fund Movement Alerts (Tier 4 / East Zone), the scenario coverage of the product catalogue for a first-time customers account measured 86% against the trigger of 70% in clause AM-10.07.023. Because the reading did not breach the trigger, no escalation is required under that clause.

AM-10.10.012 Example: during a review of Rapid Fund Movement Alerts (Tier 2 / Islands Zone), the average days to close an alert for a senior citizens account measured 16 days against the trigger of 13 days in clause AM-10.04.037. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause AM-10.04.037.

AM-10.10.013 Example: a new-to-bank customers customer applies for Rapid Fund Movement Alerts (Tier 5 / East Zone) of INR 483 lakh. Under clause AM-10.02.036, the suspicious transaction report filing deadline is set at 6 days as a ceiling, so a proposed suspicious transaction report filing deadline of 5 days is within the limit.

AM-10.10.014 Example: a customers with more than three years of history customer applies for Rapid Fund Movement Alerts (Tier 3 / Central Zone) of INR 321 lakh. Under clause AM-10.02.041, the suspicious transaction report filing deadline is set at 4 days as a ceiling, so a proposed suspicious transaction report filing deadline of 4 days is within the limit.

AM-10.10.015 Example: during a review of Rapid Fund Movement Alerts (Tier 5 / North Zone), the scenario coverage of the product catalogue for a customers with more than three years of history account measured 83% against the trigger of 81% in clause AM-10.04.032. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

AM-10.10.016 Example: a high-net-worth individuals customer applies for Rapid Fund Movement Alerts (Tier 1 / South Zone) of INR 432 lakh. Under clause AM-10.02.021, the maximum alert backlog age is set at 26 days as a ceiling, so a proposed maximum alert backlog age of 21 days is within the limit.

AM-10.10.017 Example: a first-time customers customer applies for Rapid Fund Movement Alerts (Tier 2 / North-East Zone) of INR 285 lakh. Under clause AM-10.02.004, the false positive tolerance is set at 67% as a ceiling, which on this request equates to INR 190.95 lakh; the case is therefore routed to the Head of Financial Crime for sign-off.

AM-10.10.018 Example: a women entrepreneurs customer applies for Rapid Fund Movement Alerts (Tier 2 / East Zone) of INR 343 lakh. Under clause Schedule AM-10-A, the alert investigation deadline is set at 14 days as a ceiling, so a proposed alert investigation deadline of 10 days is within the limit.

AM-10.10.019 Example: the Assistant Vice President receives a request to extend an exception under clause AM-10.06.038 for Rapid Fund Movement Alerts (Tier 4 / Metro Zone) serving first-time customers to 50 days. Because the maximum permitted period is 36 days, the request cannot be approved under that clause and must be declined.

AM-10.10.020 Example: during a review of Rapid Fund Movement Alerts (Tier 5 / Islands Zone), the average days to close an alert for a new-to-bank customers account measured 23 days against the trigger of 27 days in clause AM-10.07.032. Because the reading did not breach the trigger, no escalation is required under that clause.

AM-10.10.021 Example: during a review of Rapid Fund Movement Alerts (Tier 3 / Islands Zone), the alert-to-case conversion rate for a large corporates account measured 12.1% against the trigger of 10.4% in clause AM-10.07.024. Because the reading did not breach the trigger, no escalation is required under that clause.

AM-10.10.022 Example: during a review of Rapid Fund Movement Alerts (Tier 4 / West Zone), the scenario coverage of the product catalogue for a start-ups account measured 110% against the trigger of 88% in clause AM-10.07.037. Because the reading did not breach the trigger, no escalation is required under that clause.

AM-10.10.023 Example: a first-time customers customer applies for Rapid Fund Movement Alerts (Tier 2 / North Zone) of INR 334 lakh. Under clause AM-10.02.002, the maximum alert backlog age is set at 16 days as a ceiling, so a proposed maximum alert backlog age of 18 days is outside the limit and must be escalated to the Senior Officer.

AM-10.10.024 Example: a exporters customer applies for Rapid Fund Movement Alerts (Tier 1 / Islands Zone) of INR 258 lakh. Under clause AM-10.02.025, the false positive tolerance is set at 67% as a ceiling, which on this request equates to INR 172.86 lakh; the case is therefore routed to the Head of Function for sign-off.

AM-10.10.025 Example: a new-to-bank customers customer applies for Rapid Fund Movement Alerts (Tier 4 / Central Zone) of INR 229 lakh. Under clause AM-10.02.011, the scenario threshold for aggregate daily cash deposits is set at INR 20 lakh as a ceiling, so a proposed scenario threshold for aggregate daily cash deposits of INR 15 lakh is within the limit.

AM-10.10.026 Example: a large corporates customer applies for Rapid Fund Movement Alerts (Tier 4 / Islands Zone) of INR 214 lakh. Under clause AM-10.02.037, the lookback period for pattern analysis is set at 23 months as a floor, so a proposed lookback period for pattern analysis of 20 months is outside the limit and must be escalated to the Senior Officer.

AM-10.10.027 Example: a senior citizens customer applies for Rapid Fund Movement Alerts (Tier 2 / North Zone) of INR 249 lakh. Under clause AM-10.02.035, the cash transaction reporting threshold is set at INR 18 lakh as a ceiling, so a proposed cash transaction reporting threshold of INR 19 lakh is outside the limit and must be escalated to the Head of Function.

AM-10.10.028 Example: during a review of Rapid Fund Movement Alerts (Tier 2 / Central Zone), the scenario coverage of the product catalogue for a large corporates account measured 66% against the trigger of 80% in clause AM-10.07.007. Because the reading breached the trigger, the Senior Officer must notify the Compliance Oversight Committee within 8 hours and reallocate analysts to clear the backlog.

AM-10.10.029 Example: the Chief Risk Officer receives a request to extend an exception under clause AM-10.06.006 for Rapid Fund Movement Alerts (Tier 5 / East Zone) serving senior citizens to 1 days. Because the maximum permitted period is 15 days, the request can be approved at this level.

AM-10.10.030 Example: a large corporates customer applies for Rapid Fund Movement Alerts (Tier 2 / East Zone) of INR 478 lakh. Under clause AM-10.02.031, the cash transaction reporting threshold is set at INR 8 lakh as a ceiling, so a proposed cash transaction reporting threshold of INR 9 lakh is outside the limit and must be escalated to the Assistant Vice President.

AM-10.10.031 Example: the Money Laundering Reporting Officer receives a request to extend an exception under clause AM-10.06.040 for Rapid Fund Movement Alerts (Tier 5 / Islands Zone) serving new-to-bank customers to 49 days. Because the maximum permitted period is 26 days, the request cannot be approved under that clause and must be declined.

AM-10.10.032 Example: a women entrepreneurs customer applies for Rapid Fund Movement Alerts (Tier 5 / Metro Zone) of INR 472 lakh. Under clause AM-10.02.015, the lookback period for pattern analysis is set at 20 months as a floor, so a proposed lookback period for pattern analysis of 21 months is within the limit.

AM-10.10.033 Example: a micro enterprises customer applies for Rapid Fund Movement Alerts (Tier 1 / North Zone) of INR 135 lakh. Under clause AM-10.02.028, the suspicious transaction report filing deadline is set at 6 days as a ceiling, so a proposed suspicious transaction report filing deadline of 5 days is within the limit.

AM-10.10.034 Example: during a review of Rapid Fund Movement Alerts (Tier 2 / Central Zone), the alert backlog older than the deadline for a high-net-worth individuals account measured 15.0% against the trigger of 12.6% in clause AM-10.04.024. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause AM-10.04.024.

AM-10.10.035 Example: during a review of Rapid Fund Movement Alerts (Tier 3 / North Zone), the average days to close an alert for a micro enterprises account measured 11 days against the trigger of 9 days in clause AM-10.07.001. Because the reading breached the trigger, the Vice President must notify the Audit Committee of the Board within 24 hours and initiate an independent effectiveness review of the scenario.

AM-10.10.036 Example: during a review of Rapid Fund Movement Alerts (Tier 1 / South Zone), the scenario coverage of the product catalogue for a start-ups account measured 100% against the trigger of 96% in clause AM-10.07.017. Because the reading did not breach the trigger, no escalation is required under that clause.

AM-10.10.037 Example: a exporters customer applies for Rapid Fund Movement Alerts (Tier 5 / West Zone) of INR 182 lakh. Under clause AM-10.02.022, the cash transaction reporting threshold is set at INR 19 lakh as a ceiling, so a proposed cash transaction reporting threshold of INR 25 lakh is outside the limit and must be escalated to the Head of Financial Crime.

AM-10.10.038 Example: the Head of Financial Crime receives a request to extend an exception under clause AM-10.06.034 for Rapid Fund Movement Alerts (Tier 5 / West Zone) serving new-to-bank customers to 59 days. Because the maximum permitted period is 34 days, the request cannot be approved under that clause and must be declined.

AM-10.10.039 Example: a women entrepreneurs customer applies for Rapid Fund Movement Alerts (Tier 1 / South Zone) of INR 112 lakh. Under clause AM-10.02.003, the lookback period for pattern analysis is set at 19 months as a floor, so a proposed lookback period for pattern analysis of 24 months is within the limit.

AM-10.10.040 Example: the Head of Function receives a request to extend an exception under clause AM-10.06.004 for Rapid Fund Movement Alerts (Tier 3 / North Zone) serving large corporates to 89 days. Because the maximum permitted period is 93 days, the request can be approved at this level.

AM-10.10.041 Example: a new-to-bank customers customer applies for Rapid Fund Movement Alerts (Tier 3 / Metro Zone) of INR 101 lakh. Under clause Schedule AM-10-A, the cash transaction reporting threshold is set at INR 17 lakh as a ceiling, so a proposed cash transaction reporting threshold of INR 13 lakh is within the limit.

Section 11.10 - Worked Examples

AM-11.10.001 Example: during a review of Prepaid Instrument Monitoring (Tier 3 / Central Zone), the late suspicious report filings for a first-time customers account measured 2 against the trigger of 2 in clause AM-11.07.032. Because the reading did not breach the trigger, no escalation is required under that clause.

AM-11.10.002 Example: the Assistant Vice President receives a request to extend an exception under clause AM-11.06.014 for Prepaid Instrument Monitoring (Tier 1 / South Zone) serving first-time customers to 62 days. Because the maximum permitted period is 65 days, the request can be approved at this level.

AM-11.10.003 Example: the Chief Risk Officer receives a request to extend an exception under clause AM-11.06.032 for Prepaid Instrument Monitoring (Tier 1 / Islands Zone) serving customers with more than three years of history to 185 days. Because the maximum permitted period is 181 days, the request cannot be approved under that clause and must be declined.

AM-11.10.004 Example: a women entrepreneurs customer applies for Prepaid Instrument Monitoring (Tier 4 / West Zone) of INR 83 lakh. Under clause AM-11.02.013, the false positive tolerance is set at 72% as a ceiling, which on this request equates to INR 59.76 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

AM-11.10.005 Example: a large corporates customer applies for Prepaid Instrument Monitoring (Tier 3 / Islands Zone) of INR 117 lakh. Under clause Schedule AM-11-A, the scenario threshold for aggregate daily cash deposits is set at INR 23 lakh as a ceiling, so a proposed scenario threshold for aggregate daily cash deposits of INR 17 lakh is within the limit.

AM-11.10.006 Example: during a review of Prepaid Instrument Monitoring (Tier 5 / Central Zone), the scenario coverage of the product catalogue for a exporters account measured 96% against the trigger of 75% in clause AM-11.04.024. Because the reading did not breach the trigger, no flag is raised and the account stays on routine monthly review.

AM-11.10.007 Example: during a review of Prepaid Instrument Monitoring (Tier 2 / North Zone), the alert backlog older than the deadline for a women entrepreneurs account measured 29.6% against the trigger of 26.5% in clause AM-11.07.013. Because the reading breached the trigger, the Chief Risk Officer must notify the Risk Management Committee of the Board within 8 hours and reallocate analysts to clear the backlog.

AM-11.10.008 Example: the Senior Officer receives a request to extend an exception under clause AM-11.06.037 for Prepaid Instrument Monitoring (Tier 5 / Metro Zone) serving start-ups to 142 days. Because the maximum permitted period is 123 days, the request cannot be approved under that clause and must be declined.

AM-11.10.009 Example: the Chief Risk Officer receives a request to extend an exception under clause AM-11.06.032 for Prepaid Instrument Monitoring (Tier 1 / Islands Zone) serving customers with more than three years of history to 173 days. Because the maximum permitted period is 181 days, the request can be approved at this level.

AM-11.10.010 Example: during a review of Prepaid Instrument Monitoring (Tier 4 / Metro Zone), the average days to close an alert for a micro enterprises account measured 4 days against the trigger of 4 days in clause AM-11.07.015. Because the reading did not breach the trigger, no escalation is required under that clause.

AM-11.10.011 Example: the Senior Officer receives a request to extend an exception under clause AM-11.06.037 for Prepaid Instrument Monitoring (Tier 5 / Metro Zone) serving start-ups to 125 days. Because the maximum permitted period is 123 days, the request cannot be approved under that clause and must be declined.

AM-11.10.012 Example: during a review of Prepaid Instrument Monitoring (Tier 5 / West Zone), the scenario coverage of the product catalogue for a new-to-bank customers account measured 80% against the trigger of 76% in clause AM-11.07.037. Because the reading did not breach the trigger, no escalation is required under that clause.

AM-11.10.013 Example: a customers with more than three years of history customer applies for Prepaid Instrument Monitoring (Tier 3 / West Zone) of INR 477 lakh. Under clause AM-11.02.008, the false positive tolerance is set at 78% as a ceiling, which on this request equates to INR 372.06 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

AM-11.10.014 Example: the Chief Risk Officer receives a request to extend an exception under clause AM-11.06.021 for Prepaid Instrument Monitoring (Tier 2 / North Zone) serving customers with more than three years of history to 6 days. Because the maximum permitted period is 23 days, the request can be approved at this level.

AM-11.10.015 Example: a large corporates customer applies for Prepaid Instrument Monitoring (Tier 2 / Islands Zone) of INR 345 lakh. Under clause AM-11.02.022, the alert investigation deadline is set at 23 days as a ceiling, so a proposed alert investigation deadline of 21 days is within the limit.

AM-11.10.016 Example: a start-ups customer applies for Prepaid Instrument Monitoring (Tier 5 / Islands Zone) of INR 189 lakh. Under clause AM-11.02.003, the cash transaction reporting threshold is set at INR 7 lakh as a ceiling, so a proposed cash transaction reporting threshold of INR 7 lakh is within the limit.

AM-11.10.017 Example: a large corporates customer applies for Prepaid Instrument Monitoring (Tier 5 / Metro Zone) of INR 412 lakh. Under clause AM-11.02.025, the lookback period for pattern analysis is set at 22 months as a floor, so a proposed lookback period for pattern analysis of 23 months is within the limit.

AM-11.10.018 Example: a large corporates customer applies for Prepaid Instrument Monitoring (Tier 5 / Metro Zone) of INR 266 lakh. Under clause AM-11.02.025, the lookback period for pattern analysis is set at 22 months as a floor, so a proposed lookback period for pattern analysis of 19 months is outside the limit and must be escalated to the Head of Financial Crime.

AM-11.10.019 Example: the Regional Head receives a request to extend an exception under clause AM-11.06.028 for Prepaid Instrument Monitoring (Tier 3 / North-East Zone) serving exporters to 49 days. Because the maximum permitted period is 26 days, the request cannot be approved under that clause and must be declined.

AM-11.10.020 Example: during a review of Prepaid Instrument Monitoring (Tier 2 / South Zone), the alert-to-case conversion rate for a customers with more than three years of history account measured 12.7% against the trigger of 10.3% in clause AM-11.04.001. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

AM-11.10.021 Example: the Regional Head receives a request to extend an exception under clause AM-11.06.028 for Prepaid Instrument Monitoring (Tier 3 / North-East Zone) serving exporters to 48 days. Because the maximum permitted period is 26 days, the request cannot be approved under that clause and must be declined.

AM-11.10.022 Example: the Regional Head receives a request to extend an exception under clause AM-11.06.029 for Prepaid Instrument Monitoring (Tier 3 / Metro Zone) serving first-time customers to 9 days. Because the maximum permitted period is 27 days, the request can be approved at this level.

AM-11.10.023 Example: during a review of Prepaid Instrument Monitoring (Tier 4 / East Zone), the alert backlog older than the deadline for a new-to-bank customers account measured 21.8% against the trigger of 17.7% in clause AM-11.07.014. Because the reading breached the trigger, the Vice President must notify the Audit Committee of the Board within 24 hours and reallocate analysts to clear the backlog.

AM-11.10.024 Example: the Money Laundering Reporting Officer receives a request to extend an exception under clause AM-11.06.015 for Prepaid Instrument Monitoring (Tier 4 / West Zone) serving new-to-bank customers to 29 days. Because the maximum permitted period is 12 days, the request cannot be approved under that clause and must be declined.

AM-11.10.025 Example: during a review of Prepaid Instrument Monitoring (Tier 4 / Metro Zone), the average days to close an alert for a micro enterprises account measured 3 days against the trigger of 4 days in clause AM-11.07.015. Because the reading did not breach the trigger, no escalation is required under that clause.

AM-11.10.026 Example: during a review of Prepaid Instrument Monitoring (Tier 4 / East Zone), the alert backlog older than the deadline for a new-to-bank customers account measured 19.2% against the trigger of 17.7% in clause AM-11.07.014. Because the reading breached the trigger, the Vice President must notify the Audit Committee of the Board within 24 hours and reallocate analysts to clear the backlog.

AM-11.10.027 Example: a start-ups customer applies for Prepaid Instrument Monitoring (Tier 3 / West Zone) of INR 442 lakh. Under clause AM-11.02.004, the scenario threshold for aggregate daily cash deposits is set at INR 14 lakh as a ceiling, so a proposed scenario threshold for aggregate daily cash deposits of INR 17 lakh is outside the limit and must be escalated to the Assistant Vice President.

AM-11.10.028 Example: a customers with more than three years of history customer applies for Prepaid Instrument Monitoring (Tier 3 / Metro Zone) of INR 482 lakh. Under clause AM-11.02.005, the cash transaction reporting threshold is set at INR 18 lakh as a ceiling, so a proposed cash transaction reporting threshold of INR 20 lakh is outside the limit and must be escalated to the Money Laundering Reporting Officer.

AM-11.10.029 Example: a senior citizens customer applies for Prepaid Instrument Monitoring (Tier 4 / Islands Zone) of INR 65 lakh. Under clause AM-11.02.036, the maximum alert backlog age is set at 9 days as a ceiling, so a proposed maximum alert backlog age of 6 days is within the limit.

AM-11.10.030 Example: during a review of Prepaid Instrument Monitoring (Tier 1 / Central Zone), the late suspicious report filings for a large corporates account measured 3 against the trigger of 3 in clause AM-11.04.003. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

AM-11.10.031 Example: during a review of Prepaid Instrument Monitoring (Tier 4 / Central Zone), the scenario coverage of the product catalogue for a exporters account measured 89% against the trigger of 96% in clause AM-11.07.034. Because the reading breached the trigger, the Chief Risk Officer must notify the Audit Committee of the Board within 36 hours and recalibrate the monitoring scenario.

AM-11.10.032 Example: a first-time customers customer applies for Prepaid Instrument Monitoring (Tier 1 / East Zone) of INR 34 lakh. Under clause AM-11.02.017, the maximum alert backlog age is set at 22 days as a ceiling, so a proposed maximum alert backlog age of 27 days is outside the limit and must be escalated to the Head of Function.

AM-11.10.033 Example: during a review of Prepaid Instrument Monitoring (Tier 5 / Islands Zone), the average days to close an alert for a new-to-bank customers account measured 11 days against the trigger of 10 days in clause AM-11.04.005. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause AM-11.04.005.

AM-11.10.034 Example: during a review of Prepaid Instrument Monitoring (Tier 2 / Islands Zone), the alert-to-case conversion rate for a start-ups account measured 3.3% against the trigger of 3.9% in clause AM-11.07.004. Because the reading breached the trigger, the Assistant Vice President must notify the Audit Committee of the Board within 36 hours and notify the Board-level risk committee.

AM-11.10.035 Example: a exporters customer applies for Prepaid Instrument Monitoring (Tier 5 / Central Zone) of INR 230 lakh. Under clause AM-11.02.041, the alert investigation deadline is set at 26 days as a ceiling, so a proposed alert investigation deadline of 27 days is outside the limit and must be escalated to the Vice President.

AM-11.10.036 Example: the Assistant Vice President receives a request to extend an exception under clause AM-11.06.014 for Prepaid Instrument Monitoring (Tier 1 / South Zone) serving first-time customers to 61 days. Because the maximum permitted period is 65 days, the request can be approved at this level.

AM-11.10.037 Example: a large corporates customer applies for Prepaid Instrument Monitoring (Tier 5 / Metro Zone) of INR 36 lakh. Under clause AM-11.02.001, the scenario threshold for aggregate daily cash deposits is set at INR 16 lakh as a ceiling, so a proposed scenario threshold for aggregate daily cash deposits of INR 17 lakh is outside the limit and must be escalated to the Senior Officer.

AM-11.10.038 Example: the Money Laundering Reporting Officer receives a request to extend an exception under clause AM-11.06.039 for Prepaid Instrument Monitoring (Tier 5 / South Zone) serving new-to-bank customers to 10 days. Because the maximum permitted period is 23 days, the request can be approved at this level.

AM-11.10.039 Example: during a review of Prepaid Instrument Monitoring (Tier 4 / East Zone), the alert backlog older than the deadline for a first-time customers account measured 11.9% against the trigger of 16.8% in clause AM-11.07.001. Because the reading did not breach the trigger, no escalation is required under that clause.

AM-11.10.040 Example: the Regional Head receives a request to extend an exception under clause AM-11.06.028 for Prepaid Instrument Monitoring (Tier 3 / North-East Zone) serving exporters to 40 days. Because the maximum permitted period is 26 days, the request cannot be approved under that clause and must be declined.

AM-11.10.041 Example: the Money Laundering Reporting Officer receives a request to extend an exception under clause AM-11.06.015 for Prepaid Instrument Monitoring (Tier 4 / West Zone) serving new-to-bank customers to 4 days. Because the maximum permitted period is 12 days, the request can be approved at this level.

Section 12.10 - Worked Examples

AM-12.10.001 Example: a customers with more than three years of history customer applies for Politically Exposed Person Transactions (Tier 5 / East Zone) of INR 232 lakh. Under clause Schedule AM-12-A, the cash transaction reporting threshold is set at INR 10 lakh as a ceiling, so a proposed cash transaction reporting threshold of INR 12 lakh is outside the limit and must be escalated to the Vice President.

AM-12.10.002 Example: during a review of Politically Exposed Person Transactions (Tier 5 / North Zone), the average days to close an alert for a customers with more than three years of history account measured 30 days against the trigger of 29 days in clause AM-12.07.037. Because the reading breached the trigger, the Head of Financial Crime must notify the Risk Management Committee of the Board within 24 hours and reallocate analysts to clear the backlog.

AM-12.10.003 Example: a first-time customers customer applies for Politically Exposed Person Transactions (Tier 5 / Islands Zone) of INR 17 lakh. Under clause AM-12.02.001, the scenario threshold for aggregate daily cash deposits is set at INR 14 lakh as a ceiling, so a proposed scenario threshold for aggregate daily cash deposits of INR 13 lakh is within the limit.

AM-12.10.004 Example: during a review of Politically Exposed Person Transactions (Tier 2 / Islands Zone), the average days to close an alert for a new-to-bank customers account measured 7 days against the trigger of 9 days in clause AM-12.07.019. Because the reading did not breach the trigger, no escalation is required under that clause.

AM-12.10.005 Example: during a review of Politically Exposed Person Transactions (Tier 5 / North Zone), the average days to close an alert for a customers with more than three years of history account measured 25 days against the trigger of 29 days in clause AM-12.07.037. Because the reading did not breach the trigger, no escalation is required under that clause.

AM-12.10.006 Example: the Senior Officer receives a request to extend an exception under clause AM-12.06.005 for Politically Exposed Person Transactions (Tier 1 / South Zone) serving new-to-bank customers to 71 days. Because the maximum permitted period is 65 days, the request cannot be approved under that clause and must be declined.

AM-12.10.007 Example: the Senior Officer receives a request to extend an exception under clause AM-12.06.019 for Politically Exposed Person Transactions (Tier 3 / West Zone) serving exporters to 8 days. Because the maximum permitted period is 14 days, the request can be approved at this level.

AM-12.10.008 Example: the Assistant Vice President receives a request to extend an exception under clause AM-12.06.008 for Politically Exposed Person Transactions (Tier 3 / Metro Zone) serving senior citizens to 1 days. Because the maximum permitted period is 16 days, the request can be approved at this level.

AM-12.10.009 Example: the Money Laundering Reporting Officer receives a request to extend an exception under clause AM-12.06.039 for Politically Exposed Person Transactions (Tier 5 / Central Zone) serving micro enterprises to 26 days. Because the maximum permitted period is 31 days, the request can be approved at this level.

AM-12.10.010 Example: during a review of Politically Exposed Person Transactions (Tier 4 / Islands Zone), the alert backlog older than the deadline for a micro enterprises account measured 20.6% against the trigger of 16.2% in clause AM-12.07.018. Because the reading breached the trigger, the Chief Risk Officer must notify the Risk Management Committee of the Board within 24 hours and initiate an independent effectiveness review of the scenario.

AM-12.10.011 Example: the Regional Head receives a request to extend an exception under clause AM-12.06.013 for Politically Exposed Person Transactions (Tier 2 / Central Zone) serving first-time customers to 205 days. Because the maximum permitted period is 184 days, the request cannot be approved under that clause and must be declined.

AM-12.10.012 Example: during a review of Politically Exposed Person Transactions (Tier 5 / Central Zone), the scenario coverage of the product catalogue for a micro enterprises account measured 57% against the trigger of 70% in clause AM-12.07.034. Because the reading breached the trigger, the Senior Officer must notify the Compliance Oversight Committee within 48 hours and recalibrate the monitoring scenario.

AM-12.10.013 Example: the Senior Officer receives a request to extend an exception under clause AM-12.06.020 for Politically Exposed Person Transactions (Tier 5 / Central Zone) serving senior citizens to 108 days. Because the maximum permitted period is 90 days, the request cannot be approved under that clause and must be declined.

AM-12.10.014 Example: the Money Laundering Reporting Officer receives a request to extend an exception under clause AM-12.06.039 for Politically Exposed Person Transactions (Tier 5 / Central Zone) serving micro enterprises to 53 days. Because the maximum permitted period is 31 days, the request cannot be approved under that clause and must be declined.

AM-12.10.015 Example: during a review of Politically Exposed Person Transactions (Tier 4 / Central Zone), the alert-to-case conversion rate for a women entrepreneurs account measured 10.1% against the trigger of 9.5% in clause AM-12.04.013. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

AM-12.10.016 Example: the Chief Risk Officer receives a request to extend an exception under clause AM-12.06.027 for Politically Exposed Person Transactions (Tier 4 / Islands Zone) serving women entrepreneurs to 74 days. Because the maximum permitted period is 49 days, the request cannot be approved under that clause and must be declined.

AM-12.10.017 Example: during a review of Politically Exposed Person Transactions (Tier 2 / Islands Zone), the average days to close an alert for a new-to-bank customers account measured 8 days against the trigger of 9 days in clause AM-12.07.019. Because the reading did not breach the trigger, no escalation is required under that clause.

AM-12.10.018 Example: the Assistant Vice President receives a request to extend an exception under clause AM-12.06.031 for Politically Exposed Person Transactions (Tier 3 / East Zone) serving micro enterprises to 140 days. Because the maximum permitted period is 122 days, the request cannot be approved under that clause and must be declined.

AM-12.10.019 Example: the Assistant Vice President receives a request to extend an exception under clause AM-12.06.031 for Politically Exposed Person Transactions (Tier 3 / East Zone) serving micro enterprises to 117 days. Because the maximum permitted period is 122 days, the request can be approved at this level.

AM-12.10.020 Example: the Money Laundering Reporting Officer receives a request to extend an exception under clause AM-12.06.039 for Politically Exposed Person Transactions (Tier 5 / Central Zone) serving micro enterprises to 52 days. Because the maximum permitted period is 31 days, the request cannot be approved under that clause and must be declined.

AM-12.10.021 Example: during a review of Politically Exposed Person Transactions (Tier 3 / West Zone), the average days to close an alert for a high-net-worth individuals account measured 14 days against the trigger of 20 days in clause AM-12.04.012. Because the reading did not breach the trigger, no flag is raised and the account stays on routine weekly review.

AM-12.10.022 Example: during a review of Politically Exposed Person Transactions (Tier 2 / East Zone), the scenario coverage of the product catalogue for a high-net-worth individuals account measured 97% against the trigger of 93% in clause AM-12.07.036. Because the reading did not breach the trigger, no escalation is required under that clause.

AM-12.10.023 Example: the Money Laundering Reporting Officer receives a request to extend an exception under clause AM-12.06.039 for Politically Exposed Person Transactions (Tier 5 / Central Zone) serving micro enterprises to 29 days. Because the maximum permitted period is 31 days, the request can be approved at this level.

AM-12.10.024 Example: a micro enterprises customer applies for Politically Exposed Person Transactions (Tier 5 / North-East Zone) of INR 82 lakh. Under clause AM-12.02.008, the alert investigation deadline is set at 5 days as a ceiling, so a proposed alert investigation deadline of 4 days is within the limit.

AM-12.10.025 Example: during a review of Politically Exposed Person Transactions (Tier 4 / West Zone), the alert-to-case conversion rate for a senior citizens account measured 2.8% against the trigger of 3.6% in clause AM-12.04.020. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause AM-12.04.020.

AM-12.10.026 Example: during a review of Politically Exposed Person Transactions (Tier 4 / West Zone), the alert-to-case conversion rate for a first-time customers account measured 8.3% against the trigger of 10.8% in clause AM-12.04.031. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause AM-12.04.031.

AM-12.10.027 Example: a senior citizens customer applies for Politically Exposed Person Transactions (Tier 3 / Central Zone) of INR 344 lakh. Under clause AM-12.02.029, the maximum alert backlog age is set at 26 days as a ceiling, so a proposed maximum alert backlog age of 26 days is within the limit.

AM-12.10.028 Example: during a review of Politically Exposed Person Transactions (Tier 4 / Islands Zone), the alert backlog older than the deadline for a micro enterprises account measured 17.3% against the trigger of 16.2% in clause AM-12.07.018. Because the reading breached the trigger, the Chief Risk Officer must notify the Risk Management Committee of the Board within 24 hours and initiate an independent effectiveness review of the scenario.

AM-12.10.029 Example: the Senior Officer receives a request to extend an exception under clause AM-12.06.019 for Politically Exposed Person Transactions (Tier 3 / West Zone) serving exporters to 14 days. Because the maximum permitted period is 14 days, the request can be approved at this level.

AM-12.10.030 Example: the Chief Risk Officer receives a request to extend an exception under clause AM-12.06.027 for Politically Exposed Person Transactions (Tier 4 / Islands Zone) serving women entrepreneurs to 31 days. Because the maximum permitted period is 49 days, the request can be approved at this level.

AM-12.10.031 Example: a new-to-bank customers customer applies for Politically Exposed Person Transactions (Tier 1 / North-East Zone) of INR 142 lakh. Under clause AM-12.02.026, the cash transaction reporting threshold is set at INR 11 lakh as a ceiling, so a proposed cash transaction reporting threshold of INR 13 lakh is outside the limit and must be escalated to the Money Laundering Reporting Officer.

AM-12.10.032 Example: a senior citizens customer applies for Politically Exposed Person Transactions (Tier 3 / North Zone) of INR 261 lakh. Under clause AM-12.02.012, the maximum alert backlog age is set at 21 days as a ceiling, so a proposed maximum alert backlog age of 24 days is outside the limit and must be escalated to the Vice President.

AM-12.10.033 Example: a senior citizens customer applies for Politically Exposed Person Transactions (Tier 3 / North Zone) of INR 183 lakh. Under clause AM-12.02.012, the maximum alert backlog age is set at 21 days as a ceiling, so a proposed maximum alert backlog age of 20 days is within the limit.

AM-12.10.034 Example: during a review of Politically Exposed Person Transactions (Tier 5 / North Zone), the scenario coverage of the product catalogue for a start-ups account measured 98% against the trigger of 98% in clause AM-12.04.002. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

AM-12.10.035 Example: the Money Laundering Reporting Officer receives a request to extend an exception under clause AM-12.06.039 for Politically Exposed Person Transactions (Tier 5 / Central Zone) serving micro enterprises to 54 days. Because the maximum permitted period is 31 days, the request cannot be approved under that clause and must be declined.

AM-12.10.036 Example: the Regional Head receives a request to extend an exception under clause AM-12.06.013 for Politically Exposed Person Transactions (Tier 2 / Central Zone) serving first-time customers to 191 days. Because the maximum permitted period is 184 days, the request cannot be approved under that clause and must be declined.

AM-12.10.037 Example: during a review of Politically Exposed Person Transactions (Tier 5 / North Zone), the average days to close an alert for a customers with more than three years of history account measured 26 days against the trigger of 29 days in clause AM-12.07.037. Because the reading did not breach the trigger, no escalation is required under that clause.

AM-12.10.038 Example: a first-time customers customer applies for Politically Exposed Person Transactions (Tier 5 / Islands Zone) of INR 229 lakh. Under clause AM-12.02.001, the scenario threshold for aggregate daily cash deposits is set at INR 14 lakh as a ceiling, so a proposed scenario threshold for aggregate daily cash deposits of INR 10 lakh is within the limit.

AM-12.10.039 Example: a customers with more than three years of history customer applies for Politically Exposed Person Transactions (Tier 4 / East Zone) of INR 131 lakh. Under clause AM-12.02.010, the scenario threshold for aggregate daily cash deposits is set at INR 11 lakh as a ceiling, so a proposed scenario threshold for aggregate daily cash deposits of INR 13 lakh is outside the limit and must be escalated to the Money Laundering Reporting Officer.

AM-12.10.040 Example: during a review of Politically Exposed Person Transactions (Tier 5 / West Zone), the alert-to-case conversion rate for a start-ups account measured 4.8% against the trigger of 5.7% in clause AM-12.07.033. Because the reading breached the trigger, the Head of Financial Crime must notify the Audit Committee of the Board within 24 hours and place the relationship under enhanced monitoring.

AM-12.10.041 Example: during a review of Politically Exposed Person Transactions (Tier 4 / West Zone), the alert-to-case conversion rate for a senior citizens account measured 4.5% against the trigger of 3.6% in clause AM-12.04.020. Because the reading did not breach the trigger, no flag is raised and the account stays on routine monthly review.

Section 1.10 - Worked Examples

SN-01.10.001 Example: the Regional Head receives a request to extend an exception under clause SN-01.06.013 for Customer Name Screening (Tier 4 / Islands Zone) serving importers to 16 days. Because the maximum permitted period is 14 days, the request cannot be approved under that clause and must be declined.

SN-01.10.002 Example: the Head of Function receives a request to extend an exception under clause SN-01.06.033 for Customer Name Screening (Tier 1 / Metro Zone) serving large corporates to 99 days. Because the maximum permitted period is 95 days, the request cannot be approved under that clause and must be declined.

SN-01.10.003 Example: the Regional Head receives a request to extend an exception under clause SN-01.06.013 for Customer Name Screening (Tier 4 / Islands Zone) serving importers to 1 days. Because the maximum permitted period is 14 days, the request can be approved at this level.

SN-01.10.004 Example: during a review of Customer Name Screening (Tier 1 / North Zone), the list update delay for a start-ups account measured 5 hours against the trigger of 6 hours in clause SN-01.04.033. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

SN-01.10.005 Example: during a review of Customer Name Screening (Tier 4 / North Zone), the missed-screening exceptions for a self-employed professionals account measured 0 against the trigger of 0 in clause SN-01.07.032. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-01.10.006 Example: the Head of Financial Crime receives a request to extend an exception under clause SN-01.06.032 for Customer Name Screening (Tier 5 / North Zone) serving exporters to 48 days. Because the maximum permitted period is 45 days, the request cannot be approved under that clause and must be declined.

SN-01.10.007 Example: a start-ups customer applies for Customer Name Screening (Tier 3 / South Zone) of INR 177 lakh. Under clause SN-01.02.030, the list update implementation deadline is set at 3 hours as a ceiling, so a proposed list update implementation deadline of 4 hours is outside the limit and must be escalated to the Sanctions Officer.

SN-01.10.008 Example: during a review of Customer Name Screening (Tier 4 / South Zone), the alert disposition time for a exporters account measured 5 hours against the trigger of 5 hours in clause SN-01.04.028. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

SN-01.10.009 Example: a salaried individuals customer applies for Customer Name Screening (Tier 2 / Islands Zone) of INR 407 lakh. Under clause SN-01.02.038, the fuzzy match threshold is set at 94% as a floor, which on this request equates to INR 382.58 lakh; the case is therefore routed to the Head of Function for sign-off.

SN-01.10.010 Example: during a review of Customer Name Screening (Tier 3 / Islands Zone), the overdue alerts for a small enterprises account measured 16.3% against the trigger of 12.8% in clause SN-01.04.029. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-01.04.029.

SN-01.10.011 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-01.06.007 for Customer Name Screening (Tier 1 / Islands Zone) serving large corporates to 21 days. Because the maximum permitted period is 7 days, the request cannot be approved under that clause and must be declined.

SN-01.10.012 Example: during a review of Customer Name Screening (Tier 3 / North Zone), the missed-screening exceptions for a self-employed professionals account measured 5 against the trigger of 4 in clause SN-01.07.026. Because the reading breached the trigger, the Regional Head must notify the Risk Management Committee of the Board within 6 hours and place the affected payments on hold.

SN-01.10.013 Example: a start-ups customer applies for Customer Name Screening (Tier 5 / North Zone) of INR 292 lakh. Under clause SN-01.02.003, the rescreening interval for high-risk customers is set at 1 days as a ceiling, so a proposed rescreening interval for high-risk customers of 1 days is within the limit.

SN-01.10.014 Example: a exporters customer applies for Customer Name Screening (Tier 4 / North Zone) of INR 69 lakh. Under clause SN-01.02.036, the rescreening interval for high-risk customers is set at 5 days as a ceiling, so a proposed rescreening interval for high-risk customers of 5 days is within the limit.

SN-01.10.015 Example: during a review of Customer Name Screening (Tier 3 / West Zone), the overdue alerts for a self-employed professionals account measured 19.8% against the trigger of 19.2% in clause SN-01.04.023. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-01.04.023.

SN-01.10.016 Example: the Sanctions Officer receives a request to extend an exception under clause SN-01.06.022 for Customer Name Screening (Tier 1 / Islands Zone) serving exporters to 110 days. Because the maximum permitted period is 122 days, the request can be approved at this level.

SN-01.10.017 Example: during a review of Customer Name Screening (Tier 2 / North Zone), the list update delay for a self-employed professionals account measured 34 hours against the trigger of 30 hours in clause SN-01.07.004. Because the reading breached the trigger, the Chief Risk Officer must notify the Executive Management Committee within 24 hours and place the affected payments on hold.

SN-01.10.018 Example: during a review of Customer Name Screening (Tier 4 / South Zone), the alert disposition time for a exporters account measured 6 hours against the trigger of 5 hours in clause SN-01.04.028. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-01.04.028.

SN-01.10.019 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-01.06.023 for Customer Name Screening (Tier 3 / East Zone) serving high-net-worth individuals to 4 days. Because the maximum permitted period is 12 days, the request can be approved at this level.

SN-01.10.020 Example: the Vice President receives a request to extend an exception under clause SN-01.06.019 for Customer Name Screening (Tier 5 / North-East Zone) serving salaried individuals to 112 days. Because the maximum permitted period is 125 days, the request can be approved at this level.

SN-01.10.021 Example: during a review of Customer Name Screening (Tier 1 / South Zone), the list update delay for a high-net-worth individuals account measured 11 hours against the trigger of 11 hours in clause SN-01.04.003. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

SN-01.10.022 Example: during a review of Customer Name Screening (Tier 3 / North Zone), the list update delay for a salaried individuals account measured 19 hours against the trigger of 22 hours in clause SN-01.07.002. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-01.10.023 Example: during a review of Customer Name Screening (Tier 1 / South Zone), the list update delay for a women entrepreneurs account measured 19 hours against the trigger of 16 hours in clause SN-01.07.006. Because the reading breached the trigger, the Regional Head must notify the Executive Management Committee within 12 hours and initiate an emergency list reload.

SN-01.10.024 Example: during a review of Customer Name Screening (Tier 3 / North-East Zone), the missed-screening exceptions for a self-employed professionals account measured 8 against the trigger of 8 in clause SN-01.04.025. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

SN-01.10.025 Example: during a review of Customer Name Screening (Tier 3 / North Zone), the missed-screening exceptions for a self-employed professionals account measured 4 against the trigger of 4 in clause SN-01.07.026. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-01.10.026 Example: a exporters customer applies for Customer Name Screening (Tier 1 / South Zone) of INR 424 lakh. Under clause SN-01.02.020, the rescreening interval for high-risk customers is set at 20 days as a ceiling, so a proposed rescreening interval for high-risk customers of 26 days is outside the limit and must be escalated to the Assistant Vice President.

SN-01.10.027 Example: the Head of Function receives a request to extend an exception under clause SN-01.06.033 for Customer Name Screening (Tier 1 / Metro Zone) serving large corporates to 80 days. Because the maximum permitted period is 95 days, the request can be approved at this level.

SN-01.10.028 Example: the Head of Financial Crime receives a request to extend an exception under clause SN-01.06.032 for Customer Name Screening (Tier 5 / North Zone) serving exporters to 35 days. Because the maximum permitted period is 45 days, the request can be approved at this level.

SN-01.10.029 Example: a start-ups customer applies for Customer Name Screening (Tier 3 / South Zone) of INR 59 lakh. Under clause SN-01.02.027, the maximum number of unresolved alerts per analyst is set at 68 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 62 alerts is within the limit.

SN-01.10.030 Example: the Regional Head receives a request to extend an exception under clause SN-01.06.021 for Customer Name Screening (Tier 3 / West Zone) serving self-employed professionals to 7 days. Because the maximum permitted period is 20 days, the request can be approved at this level.

SN-01.10.031 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-01.06.023 for Customer Name Screening (Tier 3 / East Zone) serving high-net-worth individuals to 9 days. Because the maximum permitted period is 12 days, the request can be approved at this level.

SN-01.10.032 Example: during a review of Customer Name Screening (Tier 4 / South Zone), the list update delay for a importers account measured 7 hours against the trigger of 7 hours in clause SN-01.04.004. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

SN-01.10.033 Example: during a review of Customer Name Screening (Tier 3 / Islands Zone), the overdue alerts for a small enterprises account measured 13.7% against the trigger of 12.8% in clause SN-01.04.029. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-01.04.029.

SN-01.10.034 Example: a small enterprises customer applies for Customer Name Screening (Tier 4 / Islands Zone) of INR 393 lakh. Under clause SN-01.02.010, the maximum time to disposition a screening alert is set at 67 hours as a ceiling, so a proposed maximum time to disposition a screening alert of 87 hours is outside the limit and must be escalated to the Head of Financial Crime.

SN-01.10.035 Example: a high-net-worth individuals customer applies for Customer Name Screening (Tier 5 / East Zone) of INR 285 lakh. Under clause SN-01.02.024, the maximum number of unresolved alerts per analyst is set at 111 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 129 alerts is outside the limit and must be escalated to the Head of Function.

SN-01.10.036 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-01.06.023 for Customer Name Screening (Tier 3 / East Zone) serving high-net-worth individuals to 14 days. Because the maximum permitted period is 12 days, the request cannot be approved under that clause and must be declined.

SN-01.10.037 Example: during a review of Customer Name Screening (Tier 3 / West Zone), the overdue alerts for a self-employed professionals account measured 19.3% against the trigger of 19.2% in clause SN-01.04.023. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-01.04.023.

SN-01.10.038 Example: during a review of Customer Name Screening (Tier 2 / South Zone), the list update delay for a new-to-bank customers account measured 20 hours against the trigger of 21 hours in clause SN-01.07.013. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-01.10.039 Example: during a review of Customer Name Screening (Tier 2 / North Zone), the list update delay for a self-employed professionals account measured 25 hours against the trigger of 30 hours in clause SN-01.07.004. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-01.10.040 Example: during a review of Customer Name Screening (Tier 1 / South Zone), the list update delay for a high-net-worth individuals account measured 8 hours against the trigger of 11 hours in clause SN-01.04.003. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

SN-01.10.041 Example: during a review of Customer Name Screening (Tier 5 / Metro Zone), the list update delay for a large corporates account measured 9 hours against the trigger of 12 hours in clause SN-01.07.037. Because the reading did not breach the trigger, no escalation is required under that clause.

Section 2.10 - Worked Examples

SN-02.10.001 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-02.06.024 for Payment Message Screening (Tier 4 / Islands Zone) serving exporters to 137 days. Because the maximum permitted period is 126 days, the request cannot be approved under that clause and must be declined.

SN-02.10.002 Example: the Head of Financial Crime receives a request to extend an exception under clause SN-02.06.020 for Payment Message Screening (Tier 3 / Central Zone) serving new-to-bank customers to 58 days. Because the maximum permitted period is 33 days, the request cannot be approved under that clause and must be declined.

SN-02.10.003 Example: a start-ups customer applies for Payment Message Screening (Tier 1 / West Zone) of INR 363 lakh. Under clause Schedule SN-02-A, the maximum number of unresolved alerts per analyst is set at 30 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 28 alerts is within the limit.

SN-02.10.004 Example: a exporters customer applies for Payment Message Screening (Tier 5 / Metro Zone) of INR 167 lakh. Under clause SN-02.02.002, the maximum time to disposition a screening alert is set at 38 hours as a ceiling, so a proposed maximum time to disposition a screening alert of 49 hours is outside the limit and must be escalated to the Vice President.

SN-02.10.005 Example: during a review of Payment Message Screening (Tier 3 / South Zone), the overdue alerts for a women entrepreneurs account measured 18.2% against the trigger of 21.4% in clause SN-02.07.034. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-02.10.006 Example: a start-ups customer applies for Payment Message Screening (Tier 3 / South Zone) of INR 387 lakh. Under clause SN-02.02.038, the hold period for payments pending review is set at 21 hours as a ceiling, so a proposed hold period for payments pending review of 22 hours is outside the limit and must be escalated to the Regional Head.

SN-02.10.007 Example: the Sanctions Officer receives a request to extend an exception under clause SN-02.06.013 for Payment Message Screening (Tier 4 / North-East Zone) serving start-ups to 22 days. Because the maximum permitted period is 12 days, the request cannot be approved under that clause and must be declined.

SN-02.10.008 Example: during a review of Payment Message Screening (Tier 4 / East Zone), the missed-screening exceptions for a start-ups account measured 7 against the trigger of 10 in clause SN-02.04.027. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

SN-02.10.009 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-02.06.024 for Payment Message Screening (Tier 4 / Islands Zone) serving exporters to 146 days. Because the maximum permitted period is 126 days, the request cannot be approved under that clause and must be declined.

SN-02.10.010 Example: a importers customer applies for Payment Message Screening (Tier 2 / North Zone) of INR 387 lakh. Under clause SN-02.02.037, the rescreening interval for high-risk customers is set at 16 days as a ceiling, so a proposed rescreening interval for high-risk customers of 12 days is within the limit.

SN-02.10.011 Example: during a review of Payment Message Screening (Tier 2 / South Zone), the alert disposition time for a importers account measured 73 hours against the trigger of 58 hours in clause SN-02.07.032. Because the reading breached the trigger, the Chief Risk Officer must notify the Executive Management Committee within 4 hours and initiate an emergency list reload.

SN-02.10.012 Example: the Assistant Vice President receives a request to extend an exception under clause SN-02.06.038 for Payment Message Screening (Tier 3 / Central Zone) serving women entrepreneurs to 49 days. Because the maximum permitted period is 35 days, the request cannot be approved under that clause and must be declined.

SN-02.10.013 Example: a exporters customer applies for Payment Message Screening (Tier 2 / Central Zone) of INR 438 lakh. Under clause SN-02.02.030, the list update implementation deadline is set at 2 hours as a ceiling, so a proposed list update implementation deadline of 2 hours is within the limit.

SN-02.10.014 Example: during a review of Payment Message Screening (Tier 1 / Metro Zone), the false positive rate for a new-to-bank customers account measured 85% against the trigger of 68% in clause SN-02.07.031. Because the reading breached the trigger, the Vice President must notify the Executive Management Committee within 48 hours and escalate to the Sanctions Officer immediately.

SN-02.10.015 Example: a start-ups customer applies for Payment Message Screening (Tier 3 / East Zone) of INR 17 lakh. Under clause SN-02.02.004, the maximum time to disposition a screening alert is set at 3 hours as a ceiling, so a proposed maximum time to disposition a screening alert of 2 hours is within the limit.

SN-02.10.016 Example: the Head of Financial Crime receives a request to extend an exception under clause SN-02.06.017 for Payment Message Screening (Tier 3 / North Zone) serving salaried individuals to 16 days. Because the maximum permitted period is 36 days, the request can be approved at this level.

SN-02.10.017 Example: during a review of Payment Message Screening (Tier 5 / East Zone), the alert disposition time for a women entrepreneurs account measured 22 hours against the trigger of 18 hours in clause SN-02.04.006. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-02.04.006.

SN-02.10.018 Example: the Head of Function receives a request to extend an exception under clause SN-02.06.035 for Payment Message Screening (Tier 4 / East Zone) serving women entrepreneurs to 25 days. Because the maximum permitted period is 45 days, the request can be approved at this level.

SN-02.10.019 Example: the Head of Function receives a request to extend an exception under clause SN-02.06.035 for Payment Message Screening (Tier 4 / East Zone) serving women entrepreneurs to 56 days. Because the maximum permitted period is 45 days, the request cannot be approved under that clause and must be declined.

SN-02.10.020 Example: a salaried individuals customer applies for Payment Message Screening (Tier 5 / North Zone) of INR 442 lakh. Under clause SN-02.02.025, the rescreening interval for high-risk customers is set at 19 days as a ceiling, so a proposed rescreening interval for high-risk customers of 17 days is within the limit.

SN-02.10.021 Example: a large corporates customer applies for Payment Message Screening (Tier 4 / North Zone) of INR 189 lakh. Under clause SN-02.02.031, the list update implementation deadline is set at 5 hours as a ceiling, so a proposed list update implementation deadline of 6 hours is outside the limit and must be escalated to the Head of Financial Crime.

SN-02.10.022 Example: during a review of Payment Message Screening (Tier 3 / Islands Zone), the list update delay for a self-employed professionals account measured 8 hours against the trigger of 9 hours in clause SN-02.07.001. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-02.10.023 Example: the Senior Officer receives a request to extend an exception under clause SN-02.06.041 for Payment Message Screening (Tier 4 / North-East Zone) serving new-to-bank customers to 165 days. Because the maximum permitted period is 183 days, the request can be approved at this level.

SN-02.10.024 Example: during a review of Payment Message Screening (Tier 3 / Metro Zone), the overdue alerts for a high-net-worth individuals account measured 8.8% against the trigger of 9.8% in clause SN-02.04.008. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

SN-02.10.025 Example: a new-to-bank customers customer applies for Payment Message Screening (Tier 4 / West Zone) of INR 327 lakh. Under clause SN-02.02.023, the fuzzy match threshold is set at 81% as a floor, which on this request equates to INR 264.87 lakh; the case is therefore routed to the Head of Financial Crime for sign-off.

SN-02.10.026 Example: a large corporates customer applies for Payment Message Screening (Tier 1 / Central Zone) of INR 197 lakh. Under clause SN-02.02.029, the maximum number of unresolved alerts per analyst is set at 189 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 141 alerts is within the limit.

SN-02.10.027 Example: during a review of Payment Message Screening (Tier 3 / Metro Zone), the overdue alerts for a high-net-worth individuals account measured 8.0% against the trigger of 9.8% in clause SN-02.04.008. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

SN-02.10.028 Example: the Assistant Vice President receives a request to extend an exception under clause SN-02.06.022 for Payment Message Screening (Tier 4 / Islands Zone) serving new-to-bank customers to 31 days. Because the maximum permitted period is 33 days, the request can be approved at this level.

SN-02.10.029 Example: the Assistant Vice President receives a request to extend an exception under clause SN-02.06.022 for Payment Message Screening (Tier 4 / Islands Zone) serving new-to-bank customers to 58 days. Because the maximum permitted period is 33 days, the request cannot be approved under that clause and must be declined.

SN-02.10.030 Example: the Sanctions Officer receives a request to extend an exception under clause SN-02.06.013 for Payment Message Screening (Tier 4 / North-East Zone) serving start-ups to 3 days. Because the maximum permitted period is 12 days, the request can be approved at this level.

SN-02.10.031 Example: a exporters customer applies for Payment Message Screening (Tier 5 / Metro Zone) of INR 143 lakh. Under clause SN-02.02.002, the maximum time to disposition a screening alert is set at 38 hours as a ceiling, so a proposed maximum time to disposition a screening alert of 40 hours is outside the limit and must be escalated to the Vice President.

SN-02.10.032 Example: a small enterprises customer applies for Payment Message Screening (Tier 2 / South Zone) of INR 224 lakh. Under clause SN-02.02.001, the rescreening interval for high-risk customers is set at 16 days as a ceiling, so a proposed rescreening interval for high-risk customers of 18 days is outside the limit and must be escalated to the Head of Financial Crime.

SN-02.10.033 Example: during a review of Payment Message Screening (Tier 3 / Central Zone), the false positive rate for a women entrepreneurs account measured 72% against the trigger of 92% in clause SN-02.04.017. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

SN-02.10.034 Example: a importers customer applies for Payment Message Screening (Tier 5 / West Zone) of INR 497 lakh. Under clause SN-02.02.032, the fuzzy match threshold is set at 75% as a floor, which on this request equates to INR 372.75 lakh; the case is therefore routed to the Regional Head for sign-off.

SN-02.10.035 Example: a small enterprises customer applies for Payment Message Screening (Tier 5 / North-East Zone) of INR 95 lakh. Under clause SN-02.02.003, the maximum time to disposition a screening alert is set at 33 hours as a ceiling, so a proposed maximum time to disposition a screening alert of 42 hours is outside the limit and must be escalated to the Head of Function.

SN-02.10.036 Example: during a review of Payment Message Screening (Tier 5 / Islands Zone), the alert disposition time for a large corporates account measured 12 hours against the trigger of 16 hours in clause SN-02.04.012. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

SN-02.10.037 Example: a importers customer applies for Payment Message Screening (Tier 5 / North Zone) of INR 116 lakh. Under clause SN-02.02.036, the maximum time to disposition a screening alert is set at 49 hours as a ceiling, so a proposed maximum time to disposition a screening alert of 59 hours is outside the limit and must be escalated to the Chief Risk Officer.

SN-02.10.038 Example: a importers customer applies for Payment Message Screening (Tier 1 / North-East Zone) of INR 47 lakh. Under clause SN-02.02.034, the list update implementation deadline is set at 6 hours as a ceiling, so a proposed list update implementation deadline of 4 hours is within the limit.

SN-02.10.039 Example: during a review of Payment Message Screening (Tier 3 / North Zone), the missed-screening exceptions for a high-net-worth individuals account measured 3 against the trigger of 4 in clause SN-02.04.007. Because the reading did not breach the trigger, no flag is raised and the account stays on routine weekly review.

SN-02.10.040 Example: during a review of Payment Message Screening (Tier 4 / Metro Zone), the overdue alerts for a exporters account measured 12.2% against the trigger of 15.9% in clause SN-02.04.025. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

SN-02.10.041 Example: during a review of Payment Message Screening (Tier 4 / West Zone), the missed-screening exceptions for a women entrepreneurs account measured 4 against the trigger of 4 in clause SN-02.04.003. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

SN-03.09.037 Management information on Trade Document Screening (Tier 1 / North Zone) shall be produced from the ListSync system and reconciled to the general ledger before submission; any unreconciled difference above INR 82 thousand must be explained in writing by the Sanctions Officer.

SN-03.09.038 Management information on Trade Document Screening (Tier 3 / North-East Zone) shall be produced from the SanctionShield system and reconciled to the general ledger before submission; any unreconciled difference above INR 813 thousand must be explained in writing by the Assistant Vice President.

SN-03.09.039 Management information on Trade Document Screening (Tier 1 / Islands Zone) shall be produced from the SanctionShield system and reconciled to the general ledger before submission; any unreconciled difference above INR 106 thousand must be explained in writing by the Sanctions Officer.

SN-03.09.040 Management information on Trade Document Screening (Tier 5 / Metro Zone) shall be produced from the ListSync system and reconciled to the general ledger before submission; any unreconciled difference above INR 591 thousand must be explained in writing by the Assistant Vice President.

SN-03.09.041 The Screening Effectiveness Review for Trade Document Screening (Tier 1 / South Zone) covering importers shall be submitted to the Executive Management Committee by working day 12 of each quarter, and must include the list update delay together with its trend over the previous 3 quarters.

Section 3.10 - Worked Examples

SN-03.10.001 Example: a salaried individuals customer applies for Trade Document Screening (Tier 1 / Metro Zone) of INR 121 lakh. Under clause SN-03.02.031, the list update implementation deadline is set at 23 hours as a ceiling, so a proposed list update implementation deadline of 25 hours is outside the limit and must be escalated to the Sanctions Officer.

SN-03.10.002 Example: during a review of Trade Document Screening (Tier 5 / West Zone), the false positive rate for a exporters account measured 108% against the trigger of 86% in clause SN-03.04.002. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-03.04.002.

SN-03.10.003 Example: a exporters customer applies for Trade Document Screening (Tier 1 / North-East Zone) of INR 196 lakh. Under clause SN-03.02.008, the fuzzy match threshold is set at 91% as a floor, which on this request equates to INR 178.36 lakh; the case is therefore routed to the Head of Function for sign-off.

SN-03.10.004 Example: a new-to-bank customers customer applies for Trade Document Screening (Tier 5 / Metro Zone) of INR 206 lakh. Under clause SN-03.02.022, the maximum time to disposition a screening alert is set at 41 hours as a ceiling, so a proposed maximum time to disposition a screening alert of 34 hours is within the limit.

SN-03.10.005 Example: during a review of Trade Document Screening (Tier 1 / Metro Zone), the alert disposition time for a large corporates account measured 41 hours against the trigger of 45 hours in clause SN-03.04.029. Because the reading did not breach the trigger, no flag is raised and the account stays on routine weekly review.

SN-03.10.006 Example: during a review of Trade Document Screening (Tier 2 / East Zone), the missed-screening exceptions for a women entrepreneurs account measured 2 against the trigger of 2 in clause SN-03.07.029. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-03.10.007 Example: a start-ups customer applies for Trade Document Screening (Tier 3 / Central Zone) of INR 87 lakh. Under clause SN-03.02.021, the rescreening interval for high-risk customers is set at 28 days as a ceiling, so a proposed rescreening interval for high-risk customers of 29 days is outside the limit and must be escalated to the Regional Head.

SN-03.10.008 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-03.06.032 for Trade Document Screening (Tier 5 / Metro Zone) serving high-net-worth individuals to 85 days. Because the maximum permitted period is 64 days, the request cannot be approved under that clause and must be declined.

SN-03.10.009 Example: a self-employed professionals customer applies for Trade Document Screening (Tier 5 / Central Zone) of INR 424 lakh. Under clause SN-03.02.006, the hold period for payments pending review is set at 44 hours as a ceiling, so a proposed hold period for payments pending review of 39 hours is within the limit.

SN-03.10.010 Example: a large corporates customer applies for Trade Document Screening (Tier 2 / Central Zone) of INR 81 lakh. Under clause SN-03.02.030, the hold period for payments pending review is set at 24 hours as a ceiling, so a proposed hold period for payments pending review of 19 hours is within the limit.

SN-03.10.011 Example: during a review of Trade Document Screening (Tier 5 / West Zone), the false positive rate for a start-ups account measured 67% against the trigger of 83% in clause SN-03.04.039. Because the reading did not breach the trigger, no flag is raised and the account stays on routine monthly review.

SN-03.10.012 Example: a women entrepreneurs customer applies for Trade Document Screening (Tier 5 / West Zone) of INR 57 lakh. Under clause SN-03.02.019, the hold period for payments pending review is set at 4 hours as a ceiling, so a proposed hold period for payments pending review of 5 hours is outside the limit and must be escalated to the Senior Officer.

SN-03.10.013 Example: the Assistant Vice President receives a request to extend an exception under clause SN-03.06.006 for Trade Document Screening (Tier 3 / Islands Zone) serving high-net-worth individuals to 207 days. Because the maximum permitted period is 186 days, the request cannot be approved under that clause and must be declined.

SN-03.10.014 Example: a start-ups customer applies for Trade Document Screening (Tier 5 / Metro Zone) of INR 167 lakh. Under clause SN-03.02.005, the rescreening interval for high-risk customers is set at 20 days as a ceiling, so a proposed rescreening interval for high-risk customers of 18 days is within the limit.

SN-03.10.015 Example: a importers customer applies for Trade Document Screening (Tier 3 / North-East Zone) of INR 457 lakh. Under clause SN-03.02.017, the fuzzy match threshold is set at 74% as a floor, which on this request equates to INR 338.18 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

SN-03.10.016 Example: a salaried individuals customer applies for Trade Document Screening (Tier 5 / South Zone) of INR 81 lakh. Under clause SN-03.02.028, the maximum number of unresolved alerts per analyst is set at 45 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 35 alerts is within the limit.

SN-03.10.017 Example: the Regional Head receives a request to extend an exception under clause SN-03.06.040 for Trade Document Screening (Tier 3 / West Zone) serving small enterprises to 46 days. Because the maximum permitted period is 64 days, the request can be approved at this level.

SN-03.10.018 Example: a small enterprises customer applies for Trade Document Screening (Tier 4 / East Zone) of INR 197 lakh. Under clause Schedule SN-03-A, the rescreening interval for high-risk customers is set at 8 days as a ceiling, so a proposed rescreening interval for high-risk customers of 10 days is outside the limit and must be escalated to the Assistant Vice President.

SN-03.10.019 Example: the Regional Head receives a request to extend an exception under clause SN-03.06.025 for Trade Document Screening (Tier 1 / West Zone) serving self-employed professionals to 57 days. Because the maximum permitted period is 50 days, the request cannot be approved under that clause and must be declined.

SN-03.10.020 Example: a large corporates customer applies for Trade Document Screening (Tier 2 / Metro Zone) of INR 448 lakh. Under clause SN-03.02.041, the maximum number of unresolved alerts per analyst is set at 144 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 113 alerts is within the limit.

SN-03.10.021 Example: during a review of Trade Document Screening (Tier 3 / Metro Zone), the false positive rate for a small enterprises account measured 94% against the trigger of 88% in clause SN-03.04.024. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-03.04.024.

SN-03.10.022 Example: the Senior Officer receives a request to extend an exception under clause SN-03.06.012 for Trade Document Screening (Tier 2 / West Zone) serving start-ups to 33 days. Because the maximum permitted period is 8 days, the request cannot be approved under that clause and must be declined.

SN-03.10.023 Example: a large corporates customer applies for Trade Document Screening (Tier 5 / Islands Zone) of INR 354 lakh. Under clause SN-03.02.016, the rescreening interval for high-risk customers is set at 7 days as a ceiling, so a proposed rescreening interval for high-risk customers of 8 days is outside the limit and must be escalated to the Sanctions Officer.

SN-03.10.024 Example: the Assistant Vice President receives a request to extend an exception under clause SN-03.06.006 for Trade Document Screening (Tier 3 / Islands Zone) serving high-net-worth individuals to 166 days. Because the maximum permitted period is 186 days, the request can be approved at this level.

SN-03.10.025 Example: the Sanctions Officer receives a request to extend an exception under clause SN-03.06.026 for Trade Document Screening (Tier 1 / Central Zone) serving self-employed professionals to 50 days. Because the maximum permitted period is 46 days, the request cannot be approved under that clause and must be declined.

SN-03.10.026 Example: a new-to-bank customers customer applies for Trade Document Screening (Tier 1 / Central Zone) of INR 19 lakh. Under clause Schedule SN-03-A, the maximum time to disposition a screening alert is set at 49 hours as a ceiling, so a proposed maximum time to disposition a screening alert of 45 hours is within the limit.

SN-03.10.027 Example: a importers customer applies for Trade Document Screening (Tier 1 / East Zone) of INR 410 lakh. Under clause SN-03.02.036, the hold period for payments pending review is set at 27 hours as a ceiling, so a proposed hold period for payments pending review of 21 hours is within the limit.

SN-03.10.028 Example: during a review of Trade Document Screening (Tier 5 / Central Zone), the list update delay for a importers account measured 20 hours against the trigger of 21 hours in clause SN-03.04.018. Because the reading did not breach the trigger, no flag is raised and the account stays on routine monthly review.

SN-03.10.029 Example: during a review of Trade Document Screening (Tier 2 / Islands Zone), the overdue alerts for a small enterprises account measured 17.2% against the trigger of 15.0% in clause SN-03.07.026. Because the reading breached the trigger, the Senior Officer must notify the Executive Management Committee within 48 hours and initiate an emergency list reload.

SN-03.10.030 Example: a start-ups customer applies for Trade Document Screening (Tier 4 / East Zone) of INR 327 lakh. Under clause SN-03.02.034, the hold period for payments pending review is set at 36 hours as a ceiling, so a proposed hold period for payments pending review of 45 hours is outside the limit and must be escalated to the Head of Function.

SN-03.10.031 Example: a high-net-worth individuals customer applies for Trade Document Screening (Tier 2 / South Zone) of INR 22 lakh. Under clause SN-03.02.003, the rescreening interval for high-risk customers is set at 23 days as a ceiling, so a proposed rescreening interval for high-risk customers of 18 days is within the limit.

SN-03.10.032 Example: the Sanctions Officer receives a request to extend an exception under clause SN-03.06.026 for Trade Document Screening (Tier 1 / Central Zone) serving self-employed professionals to 45 days. Because the maximum permitted period is 46 days, the request can be approved at this level.

SN-03.10.033 Example: the Regional Head receives a request to extend an exception under clause SN-03.06.041 for Trade Document Screening (Tier 3 / West Zone) serving new-to-bank customers to 1 days. Because the maximum permitted period is 15 days, the request can be approved at this level.

SN-03.10.034 Example: during a review of Trade Document Screening (Tier 5 / West Zone), the false positive rate for a exporters account measured 69% against the trigger of 86% in clause SN-03.04.002. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

SN-03.10.035 Example: a importers customer applies for Trade Document Screening (Tier 3 / North-East Zone) of INR 93 lakh. Under clause SN-03.02.017, the fuzzy match threshold is set at 74% as a floor, which on this request equates to INR 68.82 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

SN-03.10.036 Example: during a review of Trade Document Screening (Tier 2 / Metro Zone), the list update delay for a large corporates account measured 26 hours against the trigger of 23 hours in clause SN-03.04.006. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-03.04.006.

SN-03.10.037 Example: during a review of Trade Document Screening (Tier 3 / Islands Zone), the false positive rate for a large corporates account measured 57% against the trigger of 62% in clause SN-03.04.031. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

SN-03.10.038 Example: during a review of Trade Document Screening (Tier 1 / North-East Zone), the missed-screening exceptions for a self-employed professionals account measured 6 against the trigger of 8 in clause SN-03.04.005. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

SN-03.10.039 Example: a exporters customer applies for Trade Document Screening (Tier 5 / Islands Zone) of INR 315 lakh. Under clause SN-03.02.023, the list update implementation deadline is set at 3 hours as a ceiling, so a proposed list update implementation deadline of 4 hours is outside the limit and must be escalated to the Chief Risk Officer.

SN-03.10.040 Example: a salaried individuals customer applies for Trade Document Screening (Tier 1 / Metro Zone) of INR 465 lakh. Under clause SN-03.02.031, the list update implementation deadline is set at 23 hours as a ceiling, so a proposed list update implementation deadline of 29 hours is outside the limit and must be escalated to the Sanctions Officer.

SN-03.10.041 Example: the Assistant Vice President receives a request to extend an exception under clause SN-03.06.023 for Trade Document Screening (Tier 4 / Islands Zone) serving salaried individuals to 1 days. Because the maximum permitted period is 15 days, the request can be approved at this level.

Under clause SN-04.02.030, the maximum number of unresolved alerts per analyst is set at 195 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 150 alerts is within the limit.

SN-04.10.002 Example: a small enterprises customer applies for Vessel and Cargo Screening (Tier 2 / South Zone) of INR 142 lakh. Under clause Schedule SN-04-A, the hold period for payments pending review is set at 37 hours as a ceiling, so a proposed hold period for payments pending review of 27 hours is within the limit.

SN-04.10.003 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-04.06.019 for Vessel and Cargo Screening (Tier 2 / North-East Zone) serving small enterprises to 66 days. Because the maximum permitted period is 49 days, the request cannot be approved under that clause and must be declined.

SN-04.10.004 Example: a women entrepreneurs customer applies for Vessel and Cargo Screening (Tier 1 / North-East Zone) of INR 435 lakh. Under clause SN-04.02.011, the maximum time to disposition a screening alert is set at 20 hours as a ceiling, so a proposed maximum time to disposition a screening alert of 23 hours is outside the limit and must be escalated to the Regional Head.

SN-04.10.005 Example: during a review of Vessel and Cargo Screening (Tier 2 / Central Zone), the overdue alerts for a start-ups account measured 21.7% against the trigger of 22.2% in clause SN-04.04.018. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

SN-04.10.006 Example: the Senior Officer receives a request to extend an exception under clause SN-04.06.038 for Vessel and Cargo Screening (Tier 2 / South Zone) serving exporters to 47 days. Because the maximum permitted period is 63 days, the request can be approved at this level.

SN-04.10.007 Example: the Senior Officer receives a request to extend an exception under clause SN-04.06.016 for Vessel and Cargo Screening (Tier 4 / South Zone) serving high-net-worth individuals to 3 days. Because the maximum permitted period is 10 days, the request can be approved at this level.

SN-04.10.008 Example: a exporters customer applies for Vessel and Cargo Screening (Tier 2 / Metro Zone) of INR 34 lakh. Under clause SN-04.02.035, the fuzzy match threshold is set at 73% as a floor, which on this request equates to INR 24.82 lakh; the case is therefore routed to the Sanctions Officer for sign-off.

SN-04.10.009 Example: a importers customer applies for Vessel and Cargo Screening (Tier 1 / North-East Zone) of INR 33 lakh. Under clause SN-04.02.017, the hold period for payments pending review is set at 19 hours as a ceiling, so a proposed hold period for payments pending review of 23 hours is outside the limit and must be escalated to the Head of Function.

SN-04.10.010 Example: during a review of Vessel and Cargo Screening (Tier 4 / Central Zone), the alert disposition time for a salaried individuals account measured 55 hours against the trigger of 57 hours in clause SN-04.04.022. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

SN-04.10.011 Example: the Senior Officer receives a request to extend an exception under clause SN-04.06.030 for Vessel and Cargo Screening (Tier 5 / South Zone) serving small enterprises to 35 days. Because the maximum permitted period is 46 days, the request can be approved at this level.

SN-04.10.012 Example: a importers customer applies for Vessel and Cargo Screening (Tier 1 / South Zone) of INR 283 lakh. Under clause SN-04.02.020, the hold period for payments pending review is set at 38 hours as a ceiling, so a proposed hold period for payments pending review of 45 hours is outside the limit and must be escalated to the Head of Function.

SN-04.10.013 Example: during a review of Vessel and Cargo Screening (Tier 4 / Central Zone), the alert disposition time for a salaried individuals account measured 42 hours against the trigger of 57 hours in clause SN-04.04.022. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

SN-04.10.014 Example: the Senior Officer receives a request to extend an exception under clause SN-04.06.016 for Vessel and Cargo Screening (Tier 4 / South Zone) serving high-net-worth individuals to 15 days. Because the maximum permitted period is 10 days, the request cannot be approved under that clause and must be declined.

SN-04.10.015 Example: during a review of Vessel and Cargo Screening (Tier 1 / West Zone), the missed-screening exceptions for a women entrepreneurs account measured 5 against the trigger of 5 in clause SN-04.07.026. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-04.10.016 Example: a large corporates customer applies for Vessel and Cargo Screening (Tier 3 / Islands Zone) of INR 37 lakh. Under clause Schedule SN-04-A, the fuzzy match threshold is set at 83% as a floor, which on this request equates to INR 30.71 lakh; the case is therefore routed to the Head of Financial Crime for sign-off.

SN-04.10.017 Example: the Sanctions Officer receives a request to extend an exception under clause SN-04.06.001 for Vessel and Cargo Screening (Tier 2 / South Zone) serving women entrepreneurs to 146 days. Because the maximum permitted period is 122 days, the request cannot be approved under that clause and must be declined.

SN-04.10.018 Example: a exporters customer applies for Vessel and Cargo Screening (Tier 2 / Metro Zone) of INR 258 lakh. Under clause SN-04.02.035, the fuzzy match threshold is set at 73% as a floor, which on this request equates to INR 188.34 lakh; the case is therefore routed to the Sanctions Officer for sign-off.

SN-04.10.019 Example: the Senior Officer receives a request to extend an exception under clause SN-04.06.038 for Vessel and Cargo Screening (Tier 2 / South Zone) serving exporters to 81 days. Because the maximum permitted period is 63 days, the request cannot be approved under that clause and must be declined.

SN-04.10.020 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-04.06.004 for Vessel and Cargo Screening (Tier 4 / East Zone) serving salaried individuals to 44 days. Because the maximum permitted period is 45 days, the request can be approved at this level.

SN-04.10.021 Example: a self-employed professionals customer applies for Vessel and Cargo Screening (Tier 4 / Islands Zone) of INR 366 lakh. Under clause Schedule SN-04-A, the fuzzy match threshold is set at 91% as a floor, which on this request equates to INR 333.06 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

SN-04.10.022 Example: the Head of Financial Crime receives a request to extend an exception under clause SN-04.06.041 for Vessel and Cargo Screening (Tier 5 / North Zone) serving exporters to 166 days. Because the maximum permitted period is 182 days, the request can be approved at this level.

SN-04.10.023 Example: the Assistant Vice President receives a request to extend an exception under clause SN-04.06.027 for Vessel and Cargo Screening (Tier 3 / East Zone) serving importers to 4 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

SN-04.10.024 Example: a exporters customer applies for Vessel and Cargo Screening (Tier 5 / Metro Zone) of INR 117 lakh. Under clause SN-04.02.006, the rescreening interval for high-risk customers is set at 2 days as a ceiling, so a proposed rescreening interval for high-risk customers of 2 days is within the limit.

SN-04.10.025 Example: during a review of Vessel and Cargo Screening (Tier 1 / East Zone), the false positive rate for a self-employed professionals account measured 54% against the trigger of 74% in clause SN-04.04.038. Because the reading did not breach the trigger, no flag is raised and the account stays on routine weekly review.

SN-04.10.026 Example: during a review of Vessel and Cargo Screening (Tier 5 / South Zone), the false positive rate for a start-ups account measured 75% against the trigger of 61% in clause SN-04.07.020. Because the reading breached the trigger, the Senior Officer must notify the Executive Management Committee within 48 hours and initiate an emergency list reload.

SN-04.10.027 Example: during a review of Vessel and Cargo Screening (Tier 2 / East Zone), the false positive rate for a start-ups account measured 87% against the trigger of 72% in clause SN-04.04.025. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-04.04.025.

SN-04.10.028 Example: the Senior Officer receives a request to extend an exception under clause SN-04.06.016 for Vessel and Cargo Screening (Tier 4 / South Zone) serving high-net-worth individuals to 1 days. Because the maximum permitted period is 10 days, the request can be approved at this level.

SN-04.10.029 Example: a importers customer applies for Vessel and Cargo Screening (Tier 2 / South Zone) of INR 187 lakh. Under clause SN-04.02.028, the fuzzy match threshold is set at 78% as a floor, which on this request equates to INR 145.86 lakh; the case is therefore routed to the Head of Function for sign-off.

SN-04.10.030 Example: during a review of Vessel and Cargo Screening (Tier 1 / Islands Zone), the false positive rate for a high-net-worth individuals account measured 56% against the trigger of 69% in clause SN-04.07.014. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-04.10.031 Example: during a review of Vessel and Cargo Screening (Tier 2 / North-East Zone), the alert disposition time for a self-employed professionals account measured 39 hours against the trigger of 34 hours in clause SN-04.04.005. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-04.04.005.

SN-04.10.032 Example: the Sanctions Officer receives a request to extend an exception under clause SN-04.06.001 for Vessel and Cargo Screening (Tier 2 / South Zone) serving women entrepreneurs to 121 days. Because the maximum permitted period is 122 days, the request can be approved at this level.

SN-04.10.033 Example: a high-net-worth individuals customer applies for Vessel and Cargo Screening (Tier 1 / North Zone) of INR 157 lakh. Under clause SN-04.02.023, the fuzzy match threshold is set at 94% as a floor, which on this request equates to INR 147.58 lakh; the case is therefore routed to the Sanctions Officer for sign-off.

SN-04.10.034 Example: during a review of Vessel and Cargo Screening (Tier 5 / Metro Zone), the alert disposition time for a high-net-worth individuals account measured 49 hours against the trigger of 58 hours in clause SN-04.07.003. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-04.10.035 Example: a women entrepreneurs customer applies for Vessel and Cargo Screening (Tier 1 / North-East Zone) of INR 329 lakh. Under clause SN-04.02.011, the maximum time to disposition a screening alert is set at 20 hours as a ceiling, so a proposed maximum time to disposition a screening alert of 20 hours is within the limit.

SN-04.10.036 Example: a small enterprises customer applies for Vessel and Cargo Screening (Tier 2 / South Zone) of INR 163 lakh. Under clause Schedule SN-04-A, the hold period for payments pending review is set at 37 hours as a ceiling, so a proposed hold period for payments pending review of 28 hours is within the limit.

SN-04.10.037 Example: the Sanctions Officer receives a request to extend an exception under clause SN-04.06.001 for Vessel and Cargo Screening (Tier 2 / South Zone) serving women entrepreneurs to 125 days. Because the maximum permitted period is 122 days, the request cannot be approved under that clause and must be declined.

SN-04.10.038 Example: during a review of Vessel and Cargo Screening (Tier 1 / East Zone), the false positive rate for a self-employed professionals account measured 63% against the trigger of 74% in clause SN-04.04.038. Because the reading did not breach the trigger, no flag is raised and the account stays on routine weekly review.

SN-04.10.039 Example: the Assistant Vice President receives a request to extend an exception under clause SN-04.06.027 for Vessel and Cargo Screening (Tier 3 / East Zone) serving importers to 8 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

SN-04.10.040 Example: during a review of Vessel and Cargo Screening (Tier 1 / West Zone), the missed-screening exceptions for a women entrepreneurs account measured 4 against the trigger of 5 in clause SN-04.07.026. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-04.10.041 Example: the Senior Officer receives a request to extend an exception under clause SN-04.06.038 for Vessel and Cargo Screening (Tier 2 / South Zone) serving exporters to 75 days. Because the maximum permitted period is 63 days, the request cannot be approved under that clause and must be declined.

Such items are governed by clause SN-05.01.030, and any dispute about scope shall be settled by the Head of Financial Crime.

Section 5.2 - Eligibility and Limits

SN-05.02.001 The fuzzy match threshold applicable to Beneficial Owner Screening (Tier 1 / Islands Zone) for self-employed professionals is reviewed half-yearly by the Head of Function; the currently approved setting is 89% (a floor), effective from 23 May 2025.

SN-05.02.002 For Beneficial Owner Screening (Tier 1 / East Zone) extended to women entrepreneurs, the maximum number of unresolved alerts per analyst shall not exceed 63 alerts. Any proposal outside this threshold must be escalated to the Sanctions Officer and logged in the SanctionShield system within 8 business days.

SN-05.02.003 For Beneficial Owner Screening (Tier 5 / Metro Zone) extended to new-to-bank customers, the fuzzy match threshold shall not be less than 89%. Any proposal outside this threshold must be escalated to the Senior Officer and logged in the SanctionShield system within 14 business days.

SN-05.02.004 For Beneficial Owner Screening (Tier 4 / South Zone) extended to high-net-worth individuals, the hold period for payments pending review shall not exceed 5 hours. Any proposal outside this threshold must be escalated to the Assistant Vice President and logged in the SanctionShield system within 14 business days.

SN-05.02.005 The fuzzy match threshold applicable to Beneficial Owner Screening (Tier 2 / North Zone) for small enterprises is reviewed weekly by the Head of Function; the currently approved setting is 90% (a floor), effective from 17 March 2023.

SN-05.02.006 For Beneficial Owner Screening (Tier 1 / South Zone) extended to high-net-worth individuals, the list update implementation deadline shall not exceed 9 hours. Any proposal outside this threshold must be escalated to the Assistant Vice President and logged in the ListSync system within 10 business days.

SN-05.02.007 The rescreening interval for high-risk customers applicable to Beneficial Owner Screening (Tier 3 / Metro Zone) for exporters is reviewed half-yearly by the Assistant Vice President; the currently approved setting is 10 days (a ceiling), effective from 6 June 2026.

SN-05.02.008 The rescreening interval for high-risk customers applicable to Beneficial Owner Screening (Tier 2 / South Zone) for high-net-worth individuals is reviewed half-yearly by the Assistant Vice President; the currently approved setting is 24 days (a ceiling), effective from 27 January 2024.

SN-05.02.009 Eligibility of salaried individuals for Beneficial Owner Screening (Tier 4 / Central Zone) through the relationship manager channel is conditional on the fuzzy match threshold being no less than 72%, and on independent testing of matching algorithm performance being completed before sanction.

Section 5.10 - Worked Examples

SN-05.10.001 Example: a start-ups customer applies for Beneficial Owner Screening (Tier 3 / Islands Zone) of INR 351 lakh. Under clause SN-05.02.021, the list update implementation deadline is set at 7 hours as a ceiling, so a proposed list update implementation deadline of 7 hours is within the limit.

SN-05.10.002 Example: a high-net-worth individuals customer applies for Beneficial Owner Screening (Tier 3 / Islands Zone) of INR 130 lakh. Under clause Schedule SN-05-A, the rescreening interval for high-risk customers is set at 12 days as a ceiling, so a proposed rescreening interval for high-risk customers of 10 days is within the limit.

SN-05.10.003 Example: during a review of Beneficial Owner Screening (Tier 4 / Islands Zone), the overdue alerts for a high-net-worth individuals account measured 12.8% against the trigger of 14.4% in clause SN-05.04.018. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

SN-05.10.004 Example: a importers customer applies for Beneficial Owner Screening (Tier 3 / West Zone) of INR 83 lakh. Under clause SN-05.02.010, the list update implementation deadline is set at 7 hours as a ceiling, so a proposed list update implementation deadline of 7 hours is within the limit.

SN-05.10.005 Example: the Head of Function receives a request to extend an exception under clause SN-05.06.023 for Beneficial Owner Screening (Tier 5 / Islands Zone) serving start-ups to 69 days. Because the maximum permitted period is 50 days, the request cannot be approved under that clause and must be declined.

SN-05.10.006 Example: a small enterprises customer applies for Beneficial Owner Screening (Tier 4 / East Zone) of INR 158 lakh. Under clause SN-05.02.017, the maximum time to disposition a screening alert is set at 52 hours as a ceiling, so a proposed maximum time to disposition a screening alert of 62 hours is outside the limit and must be escalated to the Sanctions Officer.

SN-05.10.007 Example: during a review of Beneficial Owner Screening (Tier 2 / West Zone), the missed-screening exceptions for a large corporates account measured 8 against the trigger of 7 in clause SN-05.07.013. Because the reading breached the trigger, the Head of Function must notify the Compliance Oversight Committee within 36 hours and place the affected payments on hold.

SN-05.10.008 Example: during a review of Beneficial Owner Screening (Tier 5 / South Zone), the overdue alerts for a exporters account measured 1.5% against the trigger of 1.7% in clause SN-05.04.006. Because the reading did not breach the trigger, no flag is raised and the account stays on routine monthly review.

SN-05.10.009 Example: a women entrepreneurs customer applies for Beneficial Owner Screening (Tier 2 / North-East Zone) of INR 236 lakh. Under clause SN-05.02.038, the maximum time to disposition a screening alert is set at 55 hours as a ceiling, so a proposed maximum time to disposition a screening alert of 58 hours is outside the limit and must be escalated to the Regional Head.

SN-05.10.010 Example: the Head of Function receives a request to extend an exception under clause SN-05.06.023 for Beneficial Owner Screening (Tier 5 / Islands Zone) serving start-ups to 70 days. Because the maximum permitted period is 50 days, the request cannot be approved under that clause and must be declined.

SN-05.10.011 Example: a large corporates customer applies for Beneficial Owner Screening (Tier 5 / Islands Zone) of INR 436 lakh. Under clause SN-05.02.015, the maximum time to disposition a screening alert is set at 49 hours as a ceiling, so a proposed maximum time to disposition a screening alert of 53 hours is outside the limit and must be escalated to the Assistant Vice President.

SN-05.10.012 Example: a high-net-worth individuals customer applies for Beneficial Owner Screening (Tier 2 / South Zone) of INR 235 lakh. Under clause SN-05.02.008, the rescreening interval for high-risk customers is set at 24 days as a ceiling, so a proposed rescreening interval for high-risk customers of 24 days is within the limit.

SN-05.10.013 Example: the Sanctions Officer receives a request to extend an exception under clause SN-05.06.022 for Beneficial Owner Screening (Tier 2 / Metro Zone) serving exporters to 39 days. Because the maximum permitted period is 27 days, the request cannot be approved under that clause and must be declined.

SN-05.10.014 Example: a high-net-worth individuals customer applies for Beneficial Owner Screening (Tier 1 / South Zone) of INR 208 lakh. Under clause SN-05.02.006, the list update implementation deadline is set at 9 hours as a ceiling, so a proposed list update implementation deadline of 11 hours is outside the limit and must be escalated to the Assistant Vice President.

SN-05.10.015 Example: during a review of Beneficial Owner Screening (Tier 4 / Central Zone), the list update delay for a exporters account measured 35 hours against the trigger of 28 hours in clause SN-05.07.012. Because the reading breached the trigger, the Assistant Vice President must notify the Compliance Oversight Committee within 8 hours and escalate to the Sanctions Officer immediately.

SN-05.10.016 Example: a high-net-worth individuals customer applies for Beneficial Owner Screening (Tier 4 / South Zone) of INR 276 lakh. Under clause SN-05.02.004, the hold period for payments pending review is set at 5 hours as a ceiling, so a proposed hold period for payments pending review of 6 hours is outside the limit and must be escalated to the Assistant Vice President.

SN-05.10.017 Example: during a review of Beneficial Owner Screening (Tier 2 / North-East Zone), the overdue alerts for a salaried individuals account measured 14.5% against the trigger of 11.9% in clause SN-05.07.016. Because the reading breached the trigger, the Vice President must notify the Executive Management Committee within 12 hours and suspend the relationship pending review.

SN-05.10.018 Example: the Head of Function receives a request to extend an exception under clause SN-05.06.023 for Beneficial Owner Screening (Tier 5 / Islands Zone) serving start-ups to 75 days. Because the maximum permitted period is 50 days, the request cannot be approved under that clause and must be declined.

SN-05.10.019 Example: the Vice President receives a request to extend an exception under clause SN-05.06.003 for Beneficial Owner Screening (Tier 3 / West Zone) serving large corporates to 53 days. Because the maximum permitted period is 30 days, the request cannot be approved under that clause and must be declined.

SN-05.10.020 Example: a high-net-worth individuals customer applies for Beneficial Owner Screening (Tier 5 / North-East Zone) of INR 493 lakh. Under clause SN-05.02.027, the maximum number of unresolved alerts per analyst is set at 88 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 75 alerts is within the limit.

SN-05.10.021 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-05.06.027 for Beneficial Owner Screening (Tier 1 / Metro Zone) serving small enterprises to 34 days. Because the maximum permitted period is 25 days, the request cannot be approved under that clause and must be declined.

SN-05.10.022 Example: a self-employed professionals customer applies for Beneficial Owner Screening (Tier 1 / Islands Zone) of INR 283 lakh. Under clause SN-05.02.001, the fuzzy match threshold is set at 89% as a floor, which on this request equates to INR 251.87 lakh; the case is therefore routed to the Head of Function for sign-off.

SN-05.10.023 Example: the Senior Officer receives a request to extend an exception under clause SN-05.06.030 for Beneficial Owner Screening (Tier 3 / North Zone) serving exporters to 1 days. Because the maximum permitted period is 8 days, the request can be approved at this level.

SN-05.10.024 Example: during a review of Beneficial Owner Screening (Tier 2 / North-East Zone), the overdue alerts for a salaried individuals account measured 12.2% against the trigger of 11.9% in clause SN-05.07.016. Because the reading breached the trigger, the Vice President must notify the Executive Management Committee within 12 hours and suspend the relationship pending review.

SN-05.10.025 Example: a start-ups customer applies for Beneficial Owner Screening (Tier 4 / North Zone) of INR 81 lakh. Under clause SN-05.02.012, the hold period for payments pending review is set at 26 hours as a ceiling, so a proposed hold period for payments pending review of 23 hours is within the limit.

SN-05.10.026 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-05.06.027 for Beneficial Owner Screening (Tier 1 / Metro Zone) serving small enterprises to 11 days. Because the maximum permitted period is 25 days, the request can be approved at this level.

SN-05.10.027 Example: a start-ups customer applies for Beneficial Owner Screening (Tier 3 / Metro Zone) of INR 112 lakh. Under clause SN-05.02.016, the rescreening interval for high-risk customers is set at 8 days as a ceiling, so a proposed rescreening interval for high-risk customers of 8 days is within the limit.

SN-05.10.028 Example: the Regional Head receives a request to extend an exception under clause SN-05.06.002 for Beneficial Owner Screening (Tier 2 / South Zone) serving large corporates to 1 days. Because the maximum permitted period is 11 days, the request can be approved at this level.

SN-05.10.029 Example: during a review of Beneficial Owner Screening (Tier 4 / North Zone), the alert disposition time for a start-ups account measured 37 hours against the trigger of 33 hours in clause SN-05.07.041. Because the reading breached the trigger, the Vice President must notify the Executive Management Committee within 72 hours and place the affected payments on hold.

SN-05.10.030 Example: a self-employed professionals customer applies for Beneficial Owner Screening (Tier 1 / West Zone) of INR 385 lakh. Under clause SN-05.02.022, the maximum number of unresolved alerts per analyst is set at 103 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 125 alerts is outside the limit and must be escalated to the Assistant Vice President.

SN-05.10.031 Example: a self-employed professionals customer applies for Beneficial Owner Screening (Tier 5 / Metro Zone) of INR 62 lakh. Under clause SN-05.02.024, the list update implementation deadline is set at 5 hours as a ceiling, so a proposed list update implementation deadline of 6 hours is outside the limit and must be escalated to the Sanctions Officer.

SN-05.10.032 Example: during a review of Beneficial Owner Screening (Tier 4 / West Zone), the false positive rate for a start-ups account measured 81% against the trigger of 64% in clause SN-05.04.034. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-05.04.034.

SN-05.10.033 Example: during a review of Beneficial Owner Screening (Tier 4 / West Zone), the false positive rate for a start-ups account measured 53% against the trigger of 64% in clause SN-05.04.034. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

SN-05.10.034 Example: a importers customer applies for Beneficial Owner Screening (Tier 4 / West Zone) of INR 494 lakh. Under clause SN-05.02.028, the rescreening interval for high-risk customers is set at 22 days as a ceiling, so a proposed rescreening interval for high-risk customers of 17 days is within the limit.

SN-05.10.035 Example: during a review of Beneficial Owner Screening (Tier 3 / Islands Zone), the alert disposition time for a high-net-worth individuals account measured 42 hours against the trigger of 39 hours in clause SN-05.04.037. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-05.04.037.

SN-05.10.036 Example: a importers customer applies for Beneficial Owner Screening (Tier 5 / Islands Zone) of INR 482 lakh. Under clause SN-05.02.037, the maximum number of unresolved alerts per analyst is set at 95 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 84 alerts is within the limit.

SN-05.10.037 Example: a high-net-worth individuals customer applies for Beneficial Owner Screening (Tier 4 / South Zone) of INR 42 lakh. Under clause SN-05.02.004, the hold period for payments pending review is set at 5 hours as a ceiling, so a proposed hold period for payments pending review of 6 hours is outside the limit and must be escalated to the Assistant Vice President.

SN-05.10.038 Example: a women entrepreneurs customer applies for Beneficial Owner Screening (Tier 5 / Islands Zone) of INR 181 lakh. Under clause SN-05.02.013, the maximum number of unresolved alerts per analyst is set at 171 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 175 alerts is outside the limit and must be escalated to the Sanctions Officer.

SN-05.10.039 Example: the Regional Head receives a request to extend an exception under clause SN-05.06.002 for Beneficial Owner Screening (Tier 2 / South Zone) serving large corporates to 20 days. Because the maximum permitted period is 11 days, the request cannot be approved under that clause and must be declined.

SN-05.10.040 Example: the Head of Function receives a request to extend an exception under clause SN-05.06.023 for Beneficial Owner Screening (Tier 5 / Islands Zone) serving start-ups to 42 days. Because the maximum permitted period is 50 days, the request can be approved at this level.

SN-05.10.041 Example: a new-to-bank customers customer applies for Beneficial Owner Screening (Tier 5 / Metro Zone) of INR 78 lakh. Under clause SN-05.02.003, the fuzzy match threshold is set at 89% as a floor, which on this request equates to INR 69.42 lakh; the case is therefore routed to the Senior Officer for sign-off.

Section 6.10 - Worked Examples

SN-06.10.001 Example: a small enterprises customer applies for Vendor Screening (Tier 4 / Islands Zone) of INR 408 lakh. Under clause SN-06.02.014, the maximum number of unresolved alerts per analyst is set at 145 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 150 alerts is outside the limit and must be escalated to the Regional Head.

SN-06.10.002 Example: a start-ups customer applies for Vendor Screening (Tier 1 / Central Zone) of INR 58 lakh. Under clause SN-06.02.010, the list update implementation deadline is set at 19 hours as a ceiling, so a proposed list update implementation deadline of 14 hours is within the limit.

SN-06.10.003 Example: the Assistant Vice President receives a request to extend an exception under clause SN-06.06.023 for Vendor Screening (Tier 3 / West Zone) serving small enterprises to 7 days. Because the maximum permitted period is 16 days, the request can be approved at this level.

SN-06.10.004 Example: the Assistant Vice President receives a request to extend an exception under clause SN-06.06.041 for Vendor Screening (Tier 5 / South Zone) serving importers to 30 days. Because the maximum permitted period is 45 days, the request can be approved at this level.

SN-06.10.005 Example: a exporters customer applies for Vendor Screening (Tier 1 / Central Zone) of INR 58 lakh. Under clause SN-06.02.012, the list update implementation deadline is set at 11 hours as a ceiling, so a proposed list update implementation deadline of 14 hours is outside the limit and must be escalated to the Head of Function.

SN-06.10.006 Example: the Assistant Vice President receives a request to extend an exception under clause SN-06.06.025 for Vendor Screening (Tier 5 / West Zone) serving exporters to 99 days. Because the maximum permitted period is 91 days, the request cannot be approved under that clause and must be declined.

SN-06.10.007 Example: a new-to-bank customers customer applies for Vendor Screening (Tier 3 / North-East Zone) of INR 435 lakh. Under clause SN-06.02.027, the maximum number of unresolved alerts per analyst is set at 77 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 92 alerts is outside the limit and must be escalated to the Head of Financial Crime.

SN-06.10.008 Example: a salaried individuals customer applies for Vendor Screening (Tier 2 / Metro Zone) of INR 19 lakh. Under clause SN-06.02.035, the list update implementation deadline is set at 7 hours as a ceiling, so a proposed list update implementation deadline of 8 hours is outside the limit and must be escalated to the Assistant Vice President.

SN-06.10.009 Example: during a review of Vendor Screening (Tier 2 / Islands Zone), the alert disposition time for a new-to-bank customers account measured 15 hours against the trigger of 15 hours in clause SN-06.04.008. Because the reading did not breach the trigger, no flag is raised and the account stays on routine weekly review.

SN-06.10.010 Example: a high-net-worth individuals customer applies for Vendor Screening (Tier 1 / Metro Zone) of INR 423 lakh. Under clause SN-06.02.009, the fuzzy match threshold is set at 82% as a floor, which on this request equates to INR 346.86 lakh; the case is therefore routed to the Sanctions Officer for sign-off.

SN-06.10.011 Example: during a review of Vendor Screening (Tier 2 / North-East Zone), the overdue alerts for a salaried individuals account measured 17.6% against the trigger of 15.6% in clause SN-06.07.004. Because the reading breached the trigger, the Assistant Vice President must notify the Compliance Oversight Committee within 1 hours and file an internal incident report.

SN-06.10.012 Example: the Head of Financial Crime receives a request to extend an exception under clause SN-06.06.018 for Vendor Screening (Tier 5 / North-East Zone) serving self-employed professionals to 33 days. Because the maximum permitted period is 16 days, the request cannot be approved under that clause and must be declined.

SN-06.10.013 Example: a self-employed professionals customer applies for Vendor Screening (Tier 1 / Central Zone) of INR 91 lakh. Under clause SN-06.02.032, the hold period for payments pending review is set at 4 hours as a ceiling, so a proposed hold period for payments pending review of 4 hours is within the limit.

SN-06.10.014 Example: the Vice President receives a request to extend an exception under clause SN-06.06.017 for Vendor Screening (Tier 1 / South Zone) serving exporters to 114 days. Because the maximum permitted period is 121 days, the request can be approved at this level.

SN-06.10.015 Example: a self-employed professionals customer applies for Vendor Screening (Tier 3 / South Zone) of INR 251 lakh. Under clause Schedule SN-06-A, the list update implementation deadline is set at 3 hours as a ceiling, so a proposed list update implementation deadline of 3 hours is within the limit.

SN-06.10.016 Example: the Sanctions Officer receives a request to extend an exception under clause SN-06.06.031 for Vendor Screening (Tier 2 / West Zone) serving high-net-worth individuals to 185 days. Because the maximum permitted period is 183 days, the request cannot be approved under that clause and must be declined.

SN-06.10.017 Example: a women entrepreneurs customer applies for Vendor Screening (Tier 4 / South Zone) of INR 176 lakh. Under clause SN-06.02.006, the fuzzy match threshold is set at 74% as a floor, which on this request equates to INR 130.24 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

SN-06.10.018 Example: during a review of Vendor Screening (Tier 5 / East Zone), the list update delay for a small enterprises account measured 19 hours against the trigger of 21 hours in clause SN-06.04.029. Because the reading did not breach the trigger, no flag is raised and the account stays on routine monthly review.

SN-06.10.019 Example: a self-employed professionals customer applies for Vendor Screening (Tier 3 / South Zone) of INR 257 lakh. Under clause Schedule SN-06-A, the list update implementation deadline is set at 3 hours as a ceiling, so a proposed list update implementation deadline of 3 hours is within the limit.

SN-06.10.020 Example: the Assistant Vice President receives a request to extend an exception under clause SN-06.06.025 for Vendor Screening (Tier 5 / West Zone) serving exporters to 107 days. Because the maximum permitted period is 91 days, the request cannot be approved under that clause and must be declined.

SN-06.10.021 Example: a women entrepreneurs customer applies for Vendor Screening (Tier 5 / North Zone) of INR 23 lakh. Under clause SN-06.02.016, the fuzzy match threshold is set at 88% as a floor, which on this request equates to INR 20.24 lakh; the case is therefore routed to the Senior Officer for sign-off.

SN-06.10.022 Example: during a review of Vendor Screening (Tier 3 / West Zone), the false positive rate for a importers account measured 57% against the trigger of 67% in clause SN-06.07.024. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-06.10.023 Example: a large corporates customer applies for Vendor Screening (Tier 3 / East Zone) of INR 101 lakh. Under clause SN-06.02.003, the fuzzy match threshold is set at 87% as a floor, which on this request equates to INR 87.87 lakh; the case is therefore routed to the Senior Officer for sign-off.

SN-06.10.024 Example: the Sanctions Officer receives a request to extend an exception under clause SN-06.06.035 for Vendor Screening (Tier 4 / East Zone) serving large corporates to 31 days. Because the maximum permitted period is 51 days, the request can be approved at this level.

SN-06.10.025 Example: during a review of Vendor Screening (Tier 5 / North-East Zone), the false positive rate for a large corporates account measured 69% against the trigger of 80% in clause SN-06.07.019. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-06.10.026 Example: during a review of Vendor Screening (Tier 3 / Metro Zone), the list update delay for a salaried individuals account measured 13 hours against the trigger of 15 hours in clause SN-06.07.033. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-06.10.027 Example: the Assistant Vice President receives a request to extend an exception under clause SN-06.06.041 for Vendor Screening (Tier 5 / South Zone) serving importers to 38 days. Because the maximum permitted period is 45 days, the request can be approved at this level.

SN-06.10.028 Example: the Head of Financial Crime receives a request to extend an exception under clause SN-06.06.008 for Vendor Screening (Tier 5 / Islands Zone) serving large corporates to 57 days. Because the maximum permitted period is 49 days, the request cannot be approved under that clause and must be declined.

SN-06.10.029 Example: the Sanctions Officer receives a request to extend an exception under clause SN-06.06.035 for Vendor Screening (Tier 4 / East Zone) serving large corporates to 65 days. Because the maximum permitted period is 51 days, the request cannot be approved under that clause and must be declined.

SN-06.10.030 Example: a small enterprises customer applies for Vendor Screening (Tier 2 / North-East Zone) of INR 496 lakh. Under clause SN-06.02.029, the fuzzy match threshold is set at 80% as a floor, which on this request equates to INR 396.80 lakh; the case is therefore routed to the Sanctions Officer for sign-off.

SN-06.10.031 Example: the Sanctions Officer receives a request to extend an exception under clause SN-06.06.035 for Vendor Screening (Tier 4 / East Zone) serving large corporates to 72 days. Because the maximum permitted period is 51 days, the request cannot be approved under that clause and must be declined.

SN-06.10.032 Example: a self-employed professionals customer applies for Vendor Screening (Tier 3 / South Zone) of INR 236 lakh. Under clause Schedule SN-06-A, the list update implementation deadline is set at 3 hours as a ceiling, so a proposed list update implementation deadline of 3 hours is within the limit.

SN-06.10.033 Example: during a review of Vendor Screening (Tier 5 / South Zone), the alert disposition time for a new-to-bank customers account measured 14 hours against the trigger of 12 hours in clause SN-06.07.021. Because the reading breached the trigger, the Chief Risk Officer must notify the Compliance Oversight Committee within 4 hours and escalate to the Sanctions Officer immediately.

SN-06.10.034 Example: a small enterprises customer applies for Vendor Screening (Tier 2 / North-East Zone) of INR 387 lakh. Under clause SN-06.02.029, the fuzzy match threshold is set at 80% as a floor, which on this request equates to INR 309.60 lakh; the case is therefore routed to the Sanctions Officer for sign-off.

SN-06.10.035 Example: the Sanctions Officer receives a request to extend an exception under clause SN-06.06.031 for Vendor Screening (Tier 2 / West Zone) serving high-net-worth individuals to 163 days. Because the maximum permitted period is 183 days, the request can be approved at this level.

SN-06.10.036 Example: during a review of Vendor Screening (Tier 5 / North-East Zone), the false positive rate for a large corporates account measured 62% against the trigger of 80% in clause SN-06.07.019. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-06.10.037 Example: the Head of Function receives a request to extend an exception under clause SN-06.06.027 for Vendor Screening (Tier 5 / North Zone) serving exporters to 184 days. Because the maximum permitted period is 182 days, the request cannot be approved under that clause and must be declined.

SN-06.10.038 Example: a importers customer applies for Vendor Screening (Tier 4 / South Zone) of INR 169 lakh. Under clause SN-06.02.007, the fuzzy match threshold is set at 71% as a floor, which on this request equates to INR 119.99 lakh; the case is therefore routed to the Senior Officer for sign-off.

SN-06.10.039 Example: the Sanctions Officer receives a request to extend an exception under clause SN-06.06.031 for Vendor Screening (Tier 2 / West Zone) serving high-net-worth individuals to 191 days. Because the maximum permitted period is 183 days, the request cannot be approved under that clause and must be declined.

SN-06.10.040 Example: the Assistant Vice President receives a request to extend an exception under clause SN-06.06.025 for Vendor Screening (Tier 5 / West Zone) serving exporters to 112 days. Because the maximum permitted period is 91 days, the request cannot be approved under that clause and must be declined.

SN-06.10.041 Example: the Assistant Vice President receives a request to extend an exception under clause SN-06.06.023 for Vendor Screening (Tier 3 / West Zone) serving small enterprises to 9 days. Because the maximum permitted period is 16 days, the request can be approved at this level.

Section 7.10 - Worked Examples

SN-07.10.001 Example: a self-employed professionals customer applies for Employee Screening (Tier 2 / North Zone) of INR 230 lakh. Under clause SN-07.02.036, the rescreening interval for high-risk customers is set at 4 days as a ceiling, so a proposed rescreening interval for high-risk customers of 5 days is outside the limit and must be escalated to the Senior Officer.

SN-07.10.002 Example: the Vice President receives a request to extend an exception under clause SN-07.06.025 for Employee Screening (Tier 5 / East Zone) serving importers to 32 days. Because the maximum permitted period is 26 days, the request cannot be approved under that clause and must be declined.

SN-07.10.003 Example: during a review of Employee Screening (Tier 2 / South Zone), the false positive rate for a large corporates account measured 69% against the trigger of 76% in clause SN-07.07.006. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-07.10.004 Example: the Head of Financial Crime receives a request to extend an exception under clause SN-07.06.034 for Employee Screening (Tier 5 / North Zone) serving large corporates to 25 days. Because the maximum permitted period is 24 days, the request cannot be approved under that clause and must be declined.

SN-07.10.005 Example: during a review of Employee Screening (Tier 3 / Metro Zone), the false positive rate for a exporters account measured 78% against the trigger of 72% in clause SN-07.07.011. Because the reading breached the trigger, the Assistant Vice President must notify the Compliance Oversight Committee within 36 hours and initiate an emergency list reload.

SN-07.10.006 Example: the Assistant Vice President receives a request to extend an exception under clause SN-07.06.020 for Employee Screening (Tier 3 / Metro Zone) serving self-employed professionals to 36 days. Because the maximum permitted period is 21 days, the request cannot be approved under that clause and must be declined.

SN-07.10.007 Example: the Head of Function receives a request to extend an exception under clause SN-07.06.015 for Employee Screening (Tier 3 / East Zone) serving women entrepreneurs to 104 days. Because the maximum permitted period is 91 days, the request cannot be approved under that clause and must be declined.

SN-07.10.008 Example: a large corporates customer applies for Employee Screening (Tier 5 / Central Zone) of INR 256 lakh. Under clause SN-07.02.014, the rescreening interval for high-risk customers is set at 3 days as a ceiling, so a proposed rescreening interval for high-risk customers of 3 days is within the limit.

SN-07.10.009 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-07.06.041 for Employee Screening (Tier 2 / Islands Zone) serving self-employed professionals to 20 days. Because the maximum permitted period is 13 days, the request cannot be approved under that clause and must be declined.

SN-07.10.010 Example: during a review of Employee Screening (Tier 4 / Metro Zone), the missed-screening exceptions for a women entrepreneurs account measured 9 against the trigger of 10 in clause SN-07.04.029. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

SN-07.10.011 Example: the Head of Financial Crime receives a request to extend an exception under clause SN-07.06.028 for Employee Screening (Tier 5 / Metro Zone) serving high-net-worth individuals to 32 days. Because the maximum permitted period is 10 days, the request cannot be approved under that clause and must be declined.

SN-07.10.012 Example: during a review of Employee Screening (Tier 3 / Metro Zone), the list update delay for a start-ups account measured 8 hours against the trigger of 9 hours in clause SN-07.07.034. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-07.10.013 Example: a large corporates customer applies for Employee Screening (Tier 3 / Central Zone) of INR 487 lakh. Under clause SN-07.02.033, the list update implementation deadline is set at 7 hours as a ceiling, so a proposed list update implementation deadline of 7 hours is within the limit.

SN-07.10.014 Example: the Assistant Vice President receives a request to extend an exception under clause SN-07.06.017 for Employee Screening (Tier 1 / Metro Zone) serving start-ups to 36 days. Because the maximum permitted period is 46 days, the request can be approved at this level.

SN-07.10.015 Example: the Head of Function receives a request to extend an exception under clause SN-07.06.015 for Employee Screening (Tier 3 / East Zone) serving women entrepreneurs to 97 days. Because the maximum permitted period is 91 days, the request cannot be approved under that clause and must be declined.

SN-07.10.016 Example: the Head of Function receives a request to extend an exception under clause SN-07.06.015 for Employee Screening (Tier 3 / East Zone) serving women entrepreneurs to 114 days. Because the maximum permitted period is 91 days, the request cannot be approved under that clause and must be declined.

SN-07.10.017 Example: during a review of Employee Screening (Tier 3 / Central Zone), the false positive rate for a self-employed professionals account measured 90% against the trigger of 72% in clause SN-07.07.036. Because the reading breached the trigger, the Regional Head must notify the Executive Management Committee within 8 hours and place the affected payments on hold.

SN-07.10.018 Example: during a review of Employee Screening (Tier 2 / South Zone), the false positive rate for a large corporates account measured 63% against the trigger of 76% in clause SN-07.07.006. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-07.10.019 Example: during a review of Employee Screening (Tier 4 / South Zone), the overdue alerts for a importers account measured 13.6% against the trigger of 13.4% in clause SN-07.07.010. Because the reading breached the trigger, the Vice President must notify the Risk Management Committee of the Board within 36 hours and file an internal incident report.

SN-07.10.020 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-07.06.003 for Employee Screening (Tier 5 / North Zone) serving small enterprises to 67 days. Because the maximum permitted period is 61 days, the request cannot be approved under that clause and must be declined.

SN-07.10.021 Example: a self-employed professionals customer applies for Employee Screening (Tier 3 / North Zone) of INR 321 lakh. Under clause SN-07.02.039, the maximum number of unresolved alerts per analyst is set at 133 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 123 alerts is within the limit.

SN-07.10.022 Example: during a review of Employee Screening (Tier 3 / Metro Zone), the list update delay for a start-ups account measured 11 hours against the trigger of 9 hours in clause SN-07.07.034. Because the reading breached the trigger, the Sanctions Officer must notify the Compliance Oversight Committee within 2 hours and suspend the relationship pending review.

SN-07.10.023 Example: the Regional Head receives a request to extend an exception under clause SN-07.06.037 for Employee Screening (Tier 2 / Islands Zone) serving small enterprises to 180 days. Because the maximum permitted period is 180 days, the request can be approved at this level.

SN-07.10.024 Example: during a review of Employee Screening (Tier 2 / South Zone), the false positive rate for a large corporates account measured 81% against the trigger of 76% in clause SN-07.07.006. Because the reading breached the trigger, the Chief Risk Officer must notify the Risk Management Committee of the Board within 72 hours and escalate to the Sanctions Officer immediately.

SN-07.10.025 Example: during a review of Employee Screening (Tier 5 / North Zone), the overdue alerts for a importers account measured 16.0% against the trigger of 20.2% in clause SN-07.04.002. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

SN-07.10.026 Example: a importers customer applies for Employee Screening (Tier 4 / Islands Zone) of INR 333 lakh. Under clause SN-07.02.032, the rescreening interval for high-risk customers is set at 22 days as a ceiling, so a proposed rescreening interval for high-risk customers of 19 days is within the limit.

SN-07.10.027 Example: during a review of Employee Screening (Tier 1 / Islands Zone), the overdue alerts for a large corporates account measured 2.6% against the trigger of 3.6% in clause SN-07.07.002. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-07.10.028 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-07.06.003 for Employee Screening (Tier 5 / North Zone) serving small enterprises to 47 days. Because the maximum permitted period is 61 days, the request can be approved at this level.

SN-07.10.029 Example: a women entrepreneurs customer applies for Employee Screening (Tier 2 / North Zone) of INR 297 lakh. Under clause SN-07.02.013, the fuzzy match threshold is set at 90% as a floor, which on this request equates to INR 267.30 lakh; the case is therefore routed to the Head of Financial Crime for sign-off.

SN-07.10.030 Example: during a review of Employee Screening (Tier 4 / Islands Zone), the list update delay for a salaried individuals account measured 26 hours against the trigger of 23 hours in clause SN-07.04.017. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-07.04.017.

SN-07.10.031 Example: the Head of Financial Crime receives a request to extend an exception under clause SN-07.06.028 for Employee Screening (Tier 5 / Metro Zone) serving high-net-worth individuals to 3 days. Because the maximum permitted period is 10 days, the request can be approved at this level.

SN-07.10.032 Example: the Assistant Vice President receives a request to extend an exception under clause SN-07.06.017 for Employee Screening (Tier 1 / Metro Zone) serving start-ups to 50 days. Because the maximum permitted period is 46 days, the request cannot be approved under that clause and must be declined.

SN-07.10.033 Example: during a review of Employee Screening (Tier 3 / South Zone), the overdue alerts for a small enterprises account measured 15.2% against the trigger of 14.9% in clause SN-07.04.040. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-07.04.040.

SN-07.10.034 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-07.06.003 for Employee Screening (Tier 5 / North Zone) serving small enterprises to 65 days. Because the maximum permitted period is 61 days, the request cannot be approved under that clause and must be declined.

SN-07.10.035 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-07.06.003 for Employee Screening (Tier 5 / North Zone) serving small enterprises to 48 days. Because the maximum permitted period is 61 days, the request can be approved at this level.

SN-07.10.036 Example: a self-employed professionals customer applies for Employee Screening (Tier 2 / South Zone) of INR 228 lakh. Under clause SN-07.02.020, the hold period for payments pending review is set at 41 hours as a ceiling, so a proposed hold period for payments pending review of 50 hours is outside the limit and must be escalated to the Senior Officer.

SN-07.10.037 Example: a new-to-bank customers customer applies for Employee Screening (Tier 2 / North-East Zone) of INR 265 lakh. Under clause SN-07.02.016, the hold period for payments pending review is set at 36 hours as a ceiling, so a proposed hold period for payments pending review of 36 hours is within the limit.

SN-07.10.038 Example: during a review of Employee Screening (Tier 5 / Central Zone), the false positive rate for a large corporates account measured 107% against the trigger of 92% in clause SN-07.07.023. Because the reading breached the trigger, the Assistant Vice President must notify the Risk Management Committee of the Board within 36 hours and file an internal incident report.

SN-07.10.039 Example: a women entrepreneurs customer applies for Employee Screening (Tier 2 / South Zone) of INR 76 lakh. Under clause SN-07.02.001, the hold period for payments pending review is set at 8 hours as a ceiling, so a proposed hold period for payments pending review of 7 hours is within the limit.

SN-07.10.040 Example: the Regional Head receives a request to extend an exception under clause SN-07.06.037 for Employee Screening (Tier 2 / Islands Zone) serving small enterprises to 188 days. Because the maximum permitted period is 180 days, the request cannot be approved under that clause and must be declined.

SN-07.10.041 Example: during a review of Employee Screening (Tier 2 / Islands Zone), the false positive rate for a women entrepreneurs account measured 78% against the trigger of 63% in clause SN-07.07.041. Section 8.10 - Worked Examples

SN-08.10.001 Example: during a review of Correspondent Bank Screening (Tier 1 / Metro Zone), the overdue alerts for a exporters account measured 6.2% against the trigger of 7.7% in clause SN-08.04.006. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

SN-08.10.002 Example: the Head of Function receives a request to extend an exception under clause SN-08.06.033 for Correspondent Bank Screening (Tier 2 / Metro Zone) serving exporters to 64 days. Because the maximum permitted period is 60 days, the request cannot be approved under that clause and must be declined.

SN-08.10.003 Example: during a review of Correspondent Bank Screening (Tier 4 / West Zone), the missed-screening exceptions for a women entrepreneurs account measured 9 against the trigger of 7 in clause SN-08.04.013. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-08.04.013.

SN-08.10.004 Example: the Assistant Vice President receives a request to extend an exception under clause SN-08.06.026 for Correspondent Bank Screening (Tier 4 / South Zone) serving self-employed professionals to 1 days. Because the maximum permitted period is 12 days, the request can be approved at this level.

SN-08.10.005 Example: a women entrepreneurs customer applies for Correspondent Bank Screening (Tier 2 / North Zone) of INR 459 lakh. Under clause SN-08.02.005, the rescreening interval for high-risk customers is set at 28 days as a ceiling, so a proposed rescreening interval for high-risk customers of 34 days is outside the limit and must be escalated to the Senior Officer.

SN-08.10.006 Example: during a review of Correspondent Bank Screening (Tier 2 / East Zone), the alert disposition time for a women entrepreneurs account measured 30 hours against the trigger of 28 hours in clause SN-08.07.022. Because the reading breached the trigger, the Vice President must notify the Compliance Oversight Committee within 48 hours and initiate an emergency list reload.

SN-08.10.007 Example: a women entrepreneurs customer applies for Correspondent Bank Screening (Tier 2 / Metro Zone) of INR 241 lakh. Under clause SN-08.02.027, the rescreening interval for high-risk customers is set at 15 days as a ceiling, so a proposed rescreening interval for high-risk customers of 19 days is outside the limit and must be escalated to the Senior Officer.

SN-08.10.008 Example: a large corporates customer applies for Correspondent Bank Screening (Tier 1 / North-East Zone) of INR 62 lakh. Under clause SN-08.02.030, the list update implementation deadline is set at 20 hours as a ceiling, so a proposed list update implementation deadline of 23 hours is outside the limit and must be escalated to the Assistant Vice President.

SN-08.10.009 Example: during a review of Correspondent Bank Screening (Tier 4 / West Zone), the list update delay for a women entrepreneurs account measured 14 hours against the trigger of 12 hours in clause SN-08.04.008. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-08.04.008.

SN-08.10.010 Example: the Regional Head receives a request to extend an exception under clause SN-08.06.022 for Correspondent Bank Screening (Tier 5 / Metro Zone) serving new-to-bank customers to 58 days. Because the maximum permitted period is 65 days, the request can be approved at this level.

SN-08.10.011 Example: a self-employed professionals customer applies for Correspondent Bank Screening (Tier 4 / Metro Zone) of INR 153 lakh. Under clause SN-08.02.013, the rescreening interval for high-risk customers is set at 27 days as a ceiling, so a proposed rescreening interval for high-risk customers of 29 days is outside the limit and must be escalated to the Regional Head.

SN-08.10.012 Example: a women entrepreneurs customer applies for Correspondent Bank Screening (Tier 1 / South Zone) of INR 343 lakh. Under clause SN-08.02.009, the list update implementation deadline is set at 19 hours as a ceiling, so a proposed list update implementation deadline of 19 hours is within the limit.

SN-08.10.013 Example: during a review of Correspondent Bank Screening (Tier 1 / Central Zone), the list update delay for a high-net-worth individuals account measured 11 hours against the trigger of 14 hours in clause SN-08.04.015. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

SN-08.10.014 Example: a new-to-bank customers customer applies for Correspondent Bank Screening (Tier 2 / North Zone) of INR 91 lakh. Under clause SN-08.02.019, the list update implementation deadline is set at 9 hours as a ceiling, so a proposed list update implementation deadline of 10 hours is outside the limit and must be escalated to the Sanctions Officer.

SN-08.10.015 Example: a start-ups customer applies for Correspondent Bank Screening (Tier 5 / South Zone) of INR 413 lakh. Under clause SN-08.02.012, the maximum number of unresolved alerts per analyst is set at 135 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 175 alerts is outside the limit and must be escalated to the Head of Function.

SN-08.10.016 Example: a high-net-worth individuals customer applies for Correspondent Bank Screening (Tier 2 / Central Zone) of INR 117 lakh. Under clause Schedule SN-08-A, the maximum time to disposition a screening alert is set at 58 hours as a ceiling, so a proposed maximum time to disposition a screening alert of 43 hours is within the limit.

SN-08.10.017 Example: a women entrepreneurs customer applies for Correspondent Bank Screening (Tier 3 / North Zone) of INR 48 lakh. Under clause Schedule SN-08-A, the maximum number of unresolved alerts per analyst is set at 121 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 141 alerts is outside the limit and must be escalated to the Vice President.

SN-08.10.018 Example: a importers customer applies for Correspondent Bank Screening (Tier 2 / North Zone) of INR 471 lakh. Under clause SN-08.02.031, the rescreening interval for high-risk customers is set at 8 days as a ceiling, so a proposed rescreening interval for high-risk customers of 9 days is outside the limit and must be escalated to the Head of Function.

SN-08.10.019 Example: a start-ups customer applies for Correspondent Bank Screening (Tier 4 / Central Zone) of INR 307 lakh. Under clause SN-08.02.036, the list update implementation deadline is set at 3 hours as a ceiling, so a proposed list update implementation deadline of 2 hours is within the limit.

SN-08.10.020 Example: the Vice President receives a request to extend an exception under clause SN-08.06.014 for Correspondent Bank Screening (Tier 3 / West Zone) serving women entrepreneurs to 187 days. Because the maximum permitted period is 180 days, the request cannot be approved under that clause and must be declined.

SN-08.10.021 Example: the Sanctions Officer receives a request to extend an exception under clause SN-08.06.029 for Correspondent Bank Screening (Tier 5 / Central Zone) serving women entrepreneurs to 128 days. Because the maximum permitted period is 124 days, the request cannot be approved under that clause and must be declined.

SN-08.10.022 Example: a importers customer applies for Correspondent Bank Screening (Tier 5 / Islands Zone) of INR 143 lakh. Under clause SN-08.02.032, the list update implementation deadline is set at 7 hours as a ceiling, so a proposed list update implementation deadline of 5 hours is within the limit.

SN-08.10.023 Example: a salaried individuals customer applies for Correspondent Bank Screening (Tier 5 / Islands Zone) of INR 107 lakh. Under clause SN-08.02.039, the maximum time to disposition a screening alert is set at 29 hours as a ceiling, so a proposed maximum time to disposition a screening alert of 31 hours is outside the limit and must be escalated to the Head of Financial Crime.

SN-08.10.024 Example: during a review of Correspondent Bank Screening (Tier 2 / East Zone), the alert disposition time for a women entrepreneurs account measured 27 hours against the trigger of 28 hours in clause SN-08.07.022. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-08.10.025 Example: during a review of Correspondent Bank Screening (Tier 3 / Metro Zone), the missed-screening exceptions for a women entrepreneurs account measured 2 against the trigger of 2 in clause SN-08.04.026. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

SN-08.10.026 Example: a new-to-bank customers customer applies for Correspondent Bank Screening (Tier 2 / Metro Zone) of INR 416 lakh. Under clause SN-08.02.011, the maximum number of unresolved alerts per analyst is set at 45 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 35 alerts is within the limit.

SN-08.10.027 Example: the Vice President receives a request to extend an exception under clause SN-08.06.009 for Correspondent Bank Screening (Tier 2 / Metro Zone) serving importers to 2 days. Because the maximum permitted period is 20 days, the request can be approved at this level.

SN-08.10.028 Example: during a review of Correspondent Bank Screening (Tier 4 / North Zone), the missed-screening exceptions for a new-to-bank customers account measured 9 against the trigger of 10 in clause SN-08.07.037. Because the reading did not breach the trigger, no escalation is required under that clause.

Section 9.10 - Worked Examples

SN-09.10.001 Example: a women entrepreneurs customer applies for Real-Time Transaction Screening (Tier 3 / Islands Zone) of INR 243 lakh. Under clause Schedule SN-09-A, the hold period for payments pending review is set at 8 hours as a ceiling, so a proposed hold period for payments pending review of 10 hours is outside the limit and must be escalated to the Senior Officer.

SN-09.10.002 Example: a importers customer applies for Real-Time Transaction Screening (Tier 4 / Metro Zone) of INR 337 lakh. Under clause SN-09.02.035, the fuzzy match threshold is set at 78% as a floor, which on this request equates to INR 262.86 lakh; the case is therefore routed to the Sanctions Officer for sign-off.

SN-09.10.003 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-09.06.026 for Real-Time Transaction Screening (Tier 3 / East Zone) serving salaried individuals to 169 days. Because the maximum permitted period is 186 days, the request can be approved at this level.

SN-09.10.004 Example: a start-ups customer applies for Real-Time Transaction Screening (Tier 3 / Metro Zone) of INR 19 lakh. Under clause SN-09.02.033, the maximum number of unresolved alerts per analyst is set at 56 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 61 alerts is outside the limit and must be escalated to the Head of Function.

SN-09.10.005 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-09.06.026 for Real-Time Transaction Screening (Tier 3 / East Zone) serving salaried individuals to 180 days. Because the maximum permitted period is 186 days, the request can be approved at this level.

SN-09.10.006 Example: the Vice President receives a request to extend an exception under clause SN-09.06.040 for Real-Time Transaction Screening (Tier 4 / Central Zone) serving large corporates to 21 days. Because the maximum permitted period is 27 days, the request can be approved at this level.

SN-09.10.007 Example: a high-net-worth individuals customer applies for Real-Time Transaction Screening (Tier 5 / North Zone) of INR 320 lakh. Under clause SN-09.02.024, the maximum number of unresolved alerts per analyst is set at 99 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 75 alerts is within the limit.

SN-09.10.008 Example: during a review of Real-Time Transaction Screening (Tier 4 / Central Zone), the false positive rate for a high-net-worth individuals account measured 107% against the trigger of 98% in clause SN-09.04.038. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-09.04.038.

SN-09.10.009 Example: the Regional Head receives a request to extend an exception under clause SN-09.06.035 for Real-Time Transaction Screening (Tier 1 / Metro Zone) serving importers to 42 days. Because the maximum permitted period is 46 days, the request can be approved at this level.

SN-09.10.010 Example: the Assistant Vice President receives a request to extend an exception under clause SN-09.06.016 for Real-Time Transaction Screening (Tier 2 / East Zone) serving self-employed professionals to 70 days. Because the maximum permitted period is 62 days, the request cannot be approved under that clause and must be declined.

SN-09.10.011 Example: the Assistant Vice President receives a request to extend an exception under clause SN-09.06.016 for Real-Time Transaction Screening (Tier 2 / East Zone) serving self-employed professionals to 63 days. Because the maximum permitted period is 62 days, the request cannot be approved under that clause and must be declined.

SN-09.10.012 Example: during a review of Real-Time Transaction Screening (Tier 2 / West Zone), the missed-screening exceptions for a large corporates account measured 3 against the trigger of 2 in clause SN-09.04.001. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-09.04.001.

SN-09.10.013 Example: the Vice President receives a request to extend an exception under clause SN-09.06.011 for Real-Time Transaction Screening (Tier 2 / North Zone) serving small enterprises to 25 days. Because the maximum permitted period is 23 days, the request cannot be approved under that clause and must be declined.

SN-09.10.014 Example: a importers customer applies for Real-Time Transaction Screening (Tier 5 / Central Zone) of INR 392 lakh. Under clause SN-09.02.009, the maximum number of unresolved alerts per analyst is set at 96 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 89 alerts is within the limit.

SN-09.10.015 Example: a salaried individuals customer applies for Real-Time Transaction Screening (Tier 5 / North Zone) of INR 341 lakh. Under clause SN-09.02.021, the maximum number of unresolved alerts per analyst is set at 172 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 121 alerts is within the limit.

SN-09.10.016 Example: during a review of Real-Time Transaction Screening (Tier 1 / West Zone), the alert disposition time for a exporters account measured 20 hours against the trigger of 18 hours in clause SN-09.04.020. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-09.04.020.

SN-09.10.017 Example: a women entrepreneurs customer applies for Real-Time Transaction Screening (Tier 2 / Central Zone) of INR 269 lakh. Under clause SN-09.02.004, the rescreening interval for high-risk customers is set at 27 days as a ceiling, so a proposed rescreening interval for high-risk customers of 25 days is within the limit.

SN-09.10.018 Example: a exporters customer applies for Real-Time Transaction Screening (Tier 5 / North Zone) of INR 216 lakh. Under clause SN-09.02.040, the hold period for payments pending review is set at 38 hours as a ceiling, so a proposed hold period for payments pending review of 42 hours is outside the limit and must be escalated to the Head of Function.

SN-09.10.019 Example: during a review of Real-Time Transaction Screening (Tier 5 / West Zone), the list update delay for a high-net-worth individuals account measured 4 hours against the trigger of 5 hours in clause SN-09.04.026. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

SN-09.10.020 Example: during a review of Real-Time Transaction Screening (Tier 3 / North Zone), the false positive rate for a salaried individuals account measured 96% against the trigger of 93% in clause SN-09.04.017. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-09.04.017.

SN-09.10.021 Example: a exporters customer applies for Real-Time Transaction Screening (Tier 4 / South Zone) of INR 242 lakh. Under clause SN-09.02.006, the maximum time to disposition a screening alert is set at 64 hours as a ceiling, so a proposed maximum time to disposition a screening alert of 55 hours is within the limit.

SN-09.10.022 Example: a small enterprises customer applies for Real-Time Transaction Screening (Tier 1 / West Zone) of INR 250 lakh. Under clause SN-09.02.027, the maximum number of unresolved alerts per analyst is set at 64 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 76 alerts is outside the limit and must be escalated to the Head of Financial Crime.

SN-09.10.023 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-09.06.026 for Real-Time Transaction Screening (Tier 3 / East Zone) serving salaried individuals to 181 days. Because the maximum permitted period is 186 days, the request can be approved at this level.

SN-09.10.024 Example: during a review of Real-Time Transaction Screening (Tier 2 / Islands Zone), the false positive rate for a large corporates account measured 72% against the trigger of 81% in clause SN-09.07.019. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-09.10.025 Example: the Regional Head receives a request to extend an exception under clause SN-09.06.035 for Real-Time Transaction Screening (Tier 1 / Metro Zone) serving importers to 40 days. Because the maximum permitted period is 46 days, the request can be approved at this level.

SN-09.10.026 Example: a exporters customer applies for Real-Time Transaction Screening (Tier 4 / South Zone) of INR 89 lakh. Under clause SN-09.02.029, the hold period for payments pending review is set at 16 hours as a ceiling, so a proposed hold period for payments pending review of 12 hours is within the limit.

SN-09.10.027 Example: a exporters customer applies for Real-Time Transaction Screening (Tier 4 / South Zone) of INR 417 lakh. Under clause SN-09.02.006, the maximum time to disposition a screening alert is set at 64 hours as a ceiling, so a proposed maximum time to disposition a screening alert of 66 hours is outside the limit and must be escalated to the Head of Function.

SN-09.10.028 Example: a large corporates customer applies for Real-Time Transaction Screening (Tier 1 / East Zone) of INR 149 lakh. Under clause SN-09.02.020, the list update implementation deadline is set at 8 hours as a ceiling, so a proposed list update implementation deadline of 7 hours is within the limit.

SN-09.10.029 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-09.06.026 for Real-Time Transaction Screening (Tier 3 / East Zone) serving salaried individuals to 172 days. Because the maximum permitted period is 186 days, the request can be approved at this level.

SN-09.10.030 Example: the Assistant Vice President receives a request to extend an exception under clause SN-09.06.007 for Real-Time Transaction Screening (Tier 4 / Metro Zone) serving small enterprises to 19 days. Because the maximum permitted period is 24 days, the request can be approved at this level.

SN-09.10.031 Example: the Vice President receives a request to extend an exception under clause SN-09.06.004 for Real-Time Transaction Screening (Tier 4 / Metro Zone) serving start-ups to 194 days. Because the maximum permitted period is 182 days, the request cannot be approved under that clause and must be declined.

SN-09.10.032 Example: a small enterprises customer applies for Real-Time Transaction Screening (Tier 1 / West Zone) of INR 345 lakh. Under clause SN-09.02.015, the hold period for payments pending review is set at 28 hours as a ceiling, so a proposed hold period for payments pending review of 32 hours is outside the limit and must be escalated to the Chief Risk Officer.

SN-09.10.033 Example: during a review of Real-Time Transaction Screening (Tier 3 / South Zone), the list update delay for a exporters account measured 21 hours against the trigger of 19 hours in clause SN-09.07.023. Because the reading breached the trigger, the Vice President must notify the Compliance Oversight Committee within 1 hours and initiate an emergency list reload.

SN-09.10.034 Example: the Senior Officer receives a request to extend an exception under clause SN-09.06.037 for Real-Time Transaction Screening (Tier 2 / Central Zone) serving exporters to 210 days. Because the maximum permitted period is 186 days, the request cannot be approved under that clause and must be declined.

SN-09.10.035 Example: the Vice President receives a request to extend an exception under clause SN-09.06.011 for Real-Time Transaction Screening (Tier 2 / North Zone) serving small enterprises to 14 days. Because the maximum permitted period is 23 days, the request can be approved at this level.

SN-09.10.036 Example: during a review of Real-Time Transaction Screening (Tier 3 / Islands Zone), the list update delay for a women entrepreneurs account measured 7 hours against the trigger of 6 hours in clause SN-09.07.002. Because the reading breached the trigger, the Sanctions Officer must notify the Risk Management Committee of the Board within 12 hours and file an internal incident report.

SN-09.10.037 Example: a new-to-bank customers customer applies for Real-Time Transaction Screening (Tier 3 / Islands Zone) of INR 65 lakh. Under clause SN-09.02.012, the rescreening interval for high-risk customers is set at 20 days as a ceiling, so a proposed rescreening interval for high-risk customers of 24 days is outside the limit and must be escalated to the Chief Risk Officer.

SN-09.10.038 Example: during a review of Real-Time Transaction Screening (Tier 5 / South Zone), the list update delay for a new-to-bank customers account measured 19 hours against the trigger of 22 hours in clause SN-09.07.017. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-09.10.039 Example: a importers customer applies for Real-Time Transaction Screening (Tier 1 / East Zone) of INR 356 lakh. Under clause SN-09.02.026, the maximum time to disposition a screening alert is set at 51 hours as a ceiling, so a proposed maximum time to disposition a screening alert of 52 hours is outside the limit and must be escalated to the Assistant Vice President.

SN-09.10.040 Example: a start-ups customer applies for Real-Time Transaction Screening (Tier 1 / East Zone) of INR 127 lakh. Under clause SN-09.02.016, the hold period for payments pending review is set at 35 hours as a ceiling, so a proposed hold period for payments pending review of 38 hours is outside the limit and must be escalated to the Sanctions Officer.

SN-09.10.041 Example: during a review of Real-Time Transaction Screening (Tier 3 / South Zone), the list update delay for a exporters account measured 17 hours against the trigger of 19 hours in clause SN-09.07.023. Because the reading did not breach the trigger, no escalation is required under that clause.

Section 10.1 - Scope and Applicability

SN-10.01.001 The following are outside the scope of this chapter for Batch Portfolio Rescreening (Tier 4 / West Zone) serving large corporates: arrangements transferred to the recovery function; and facilities fully secured by cash collateral of at least 52% of the exposure. Such items are governed by clause SN-00.01.001, and any dispute about scope shall be settled by the Chief Risk Officer.

SN-10.01.002 For the purposes of this chapter, Batch Portfolio Rescreening (Tier 4 / North Zone) means any arrangement of that type recorded in the SanctionShield system under product code SN10-56346 and offered to women entrepreneurs; the Vice President maintains the authoritative product code register.

SN-10.01.003 This chapter applies to Batch Portfolio Rescreening (Tier 1 / Islands Zone) originated or serviced through the partner agent network channel for salaried individuals, and to any related facility that is renewed, restructured or extended while the Batch Portfolio Rescreening programme remains in force.

SN-10.01.004 The following are outside the scope of this chapter for Batch Portfolio Rescreening (Tier 1 / Central Zone) serving self-employed professionals: legacy facilities booked before 27 November 2025; and inter-company balances within the same banking group. Section 10.10 - Worked Examples

SN-10.10.001 Example: the Vice President receives a request to extend an exception under clause SN-10.06.024 for Batch Portfolio Rescreening (Tier 4 / Central Zone) serving salaried individuals to 106 days. Because the maximum permitted period is 94 days, the request cannot be approved under that clause and must be declined.

SN-10.10.002 Example: the Sanctions Officer receives a request to extend an exception under clause SN-10.06.008 for Batch Portfolio Rescreening (Tier 1 / East Zone) serving women entrepreneurs to 89 days. Because the maximum permitted period is 94 days, the request can be approved at this level.

SN-10.10.003 Example: a exporters customer applies for Batch Portfolio Rescreening (Tier 5 / West Zone) of INR 350 lakh. Under clause SN-10.02.001, the rescreening interval for high-risk customers is set at 8 days as a ceiling, so a proposed rescreening interval for high-risk customers of 10 days is outside the limit and must be escalated to the Assistant Vice President.

SN-10.10.004 Example: a exporters customer applies for Batch Portfolio Rescreening (Tier 1 / East Zone) of INR 269 lakh. Under clause SN-10.02.009, the list update implementation deadline is set at 15 hours as a ceiling, so a proposed list update implementation deadline of 15 hours is within the limit.

SN-10.10.005 Example: during a review of Batch Portfolio Rescreening (Tier 4 / North-East Zone), the missed-screening exceptions for a women entrepreneurs account measured 8 against the trigger of 9 in clause SN-10.07.031. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-10.10.006 Example: the Vice President receives a request to extend an exception under clause SN-10.06.007 for Batch Portfolio Rescreening (Tier 5 / Islands Zone) serving self-employed professionals to 149 days. Because the maximum permitted period is 126 days, the request cannot be approved under that clause and must be declined.

SN-10.10.007 Example: a small enterprises customer applies for Batch Portfolio Rescreening (Tier 1 / East Zone) of INR 164 lakh. Under clause Schedule SN-10-A, the maximum number of unresolved alerts per analyst is set at 175 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 165 alerts is within the limit.

SN-10.10.008 Example: the Vice President receives a request to extend an exception under clause SN-10.06.024 for Batch Portfolio Rescreening (Tier 4 / Central Zone) serving salaried individuals to 114 days. Because the maximum permitted period is 94 days, the request cannot be approved under that clause and must be declined.

SN-10.10.009 Example: the Sanctions Officer receives a request to extend an exception under clause SN-10.06.008 for Batch Portfolio Rescreening (Tier 1 / East Zone) serving women entrepreneurs to 96 days. Because the maximum permitted period is 94 days, the request cannot be approved under that clause and must be declined.

SN-10.10.010 Example: the Vice President receives a request to extend an exception under clause SN-10.06.024 for Batch Portfolio Rescreening (Tier 4 / Central Zone) serving salaried individuals to 93 days. Because the maximum permitted period is 94 days, the request can be approved at this level.

SN-10.10.011 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-10.06.030 for Batch Portfolio Rescreening (Tier 1 / East Zone) serving importers to 37 days. Because the maximum permitted period is 48 days, the request can be approved at this level.

SN-10.10.012 Example: during a review of Batch Portfolio Rescreening (Tier 1 / North Zone), the false positive rate for a salaried individuals account measured 115% against the trigger of 94% in clause SN-10.04.023. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-10.04.023.

SN-10.10.013 Example: a exporters customer applies for Batch Portfolio Rescreening (Tier 2 / North Zone) of INR 281 lakh. Under clause SN-10.02.010, the fuzzy match threshold is set at 74% as a floor, which on this request equates to INR 207.94 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

SN-10.10.014 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-10.06.017 for Batch Portfolio Rescreening (Tier 1 / East Zone) serving small enterprises to 31 days. Because the maximum permitted period is 20 days, the request cannot be approved under that clause and must be declined.

SN-10.10.015 Example: the Senior Officer receives a request to extend an exception under clause SN-10.06.040 for Batch Portfolio Rescreening (Tier 4 / North Zone) serving high-net-worth individuals to 38 days. Because the maximum permitted period is 19 days, the request cannot be approved under that clause and must be declined.

SN-10.10.016 Example: during a review of Batch Portfolio Rescreening (Tier 1 / Central Zone), the false positive rate for a start-ups account measured 61% against the trigger of 86% in clause SN-10.07.032. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-10.10.017 Example: the Head of Function receives a request to extend an exception under clause SN-10.06.027 for Batch Portfolio Rescreening (Tier 1 / West Zone) serving start-ups to 6 days. Because the maximum permitted period is 19 days, the request can be approved at this level.

SN-10.10.018 Example: the Vice President receives a request to extend an exception under clause SN-10.06.024 for Batch Portfolio Rescreening (Tier 4 / Central Zone) serving salaried individuals to 105 days. Because the maximum permitted period is 94 days, the request cannot be approved under that clause and must be declined.

SN-10.10.019 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-10.06.017 for Batch Portfolio Rescreening (Tier 1 / East Zone) serving small enterprises to 13 days. Because the maximum permitted period is 20 days, the request can be approved at this level.

SN-10.10.020 Example: during a review of Batch Portfolio Rescreening (Tier 3 / North Zone), the list update delay for a start-ups account measured 6 hours against the trigger of 9 hours in clause SN-10.07.039. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-10.10.021 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-10.06.017 for Batch Portfolio Rescreening (Tier 1 / East Zone) serving small enterprises to 10 days. Because the maximum permitted period is 20 days, the request can be approved at this level.

SN-10.10.022 Example: a women entrepreneurs customer applies for Batch Portfolio Rescreening (Tier 3 / South Zone) of INR 257 lakh. Under clause SN-10.02.014, the fuzzy match threshold is set at 84% as a floor, which on this request equates to INR 215.88 lakh; the case is therefore routed to the Head of Financial Crime for sign-off.

SN-10.10.023 Example: the Head of Function receives a request to extend an exception under clause SN-10.06.027 for Batch Portfolio Rescreening (Tier 1 / West Zone) serving start-ups to 7 days. Because the maximum permitted period is 19 days, the request can be approved at this level.

SN-10.10.024 Example: during a review of Batch Portfolio Rescreening (Tier 2 / North Zone), the missed-screening exceptions for a high-net-worth individuals account measured 0 against the trigger of 0 in clause SN-10.07.014. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-10.10.025 Example: during a review of Batch Portfolio Rescreening (Tier 3 / North Zone), the list update delay for a high-net-worth individuals account measured 27 hours against the trigger of 24 hours in clause SN-10.04.030. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-10.04.030.

SN-10.10.026 Example: the Sanctions Officer receives a request to extend an exception under clause SN-10.06.008 for Batch Portfolio Rescreening (Tier 1 / East Zone) serving women entrepreneurs to 74 days. Because the maximum permitted period is 94 days, the request can be approved at this level.

SN-10.10.027 Example: during a review of Batch Portfolio Rescreening (Tier 4 / North-East Zone), the missed-screening exceptions for a women entrepreneurs account measured 9 against the trigger of 9 in clause SN-10.07.031. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-10.10.028 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-10.06.017 for Batch Portfolio Rescreening (Tier 1 / East Zone) serving small enterprises to 41 days. Because the maximum permitted period is 20 days, the request cannot be approved under that clause and must be declined.

SN-10.10.029 Example: during a review of Batch Portfolio Rescreening (Tier 3 / North Zone), the list update delay for a high-net-worth individuals account measured 29 hours against the trigger of 24 hours in clause SN-10.04.030. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-10.04.030.

SN-10.10.030 Example: the Head of Function receives a request to extend an exception under clause SN-10.06.027 for Batch Portfolio Rescreening (Tier 1 / West Zone) serving start-ups to 27 days. Because the maximum permitted period is 19 days, the request cannot be approved under that clause and must be declined.

SN-10.10.031 Example: during a review of Batch Portfolio Rescreening (Tier 4 / Central Zone), the list update delay for a self-employed professionals account measured 21 hours against the trigger of 17 hours in clause SN-10.07.029. Because the reading breached the trigger, the Regional Head must notify the Compliance Oversight Committee within 2 hours and place the affected payments on hold.

SN-10.10.032 Example: during a review of Batch Portfolio Rescreening (Tier 5 / Metro Zone), the missed-screening exceptions for a large corporates account measured 8 against the trigger of 8 in clause SN-10.04.009. Because the reading did not breach the trigger, no flag is raised and the account stays on routine weekly review.

SN-10.10.033 Example: the Vice President receives a request to extend an exception under clause SN-10.06.024 for Batch Portfolio Rescreening (Tier 4 / Central Zone) serving salaried individuals to 101 days. Because the maximum permitted period is 94 days, the request cannot be approved under that clause and must be declined.

SN-10.10.034 Example: during a review of Batch Portfolio Rescreening (Tier 5 / Metro Zone), the missed-screening exceptions for a large corporates account measured 9 against the trigger of 8 in clause SN-10.04.009. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-10.04.009.

SN-10.10.035 Example: a salaried individuals customer applies for Batch Portfolio Rescreening (Tier 3 / North-East Zone) of INR 320 lakh. Under clause SN-10.02.005, the fuzzy match threshold is set at 84% as a floor, which on this request equates to INR 268.80 lakh; the case is therefore routed to the Vice President for sign-off.

SN-10.10.036 Example: a importers customer applies for Batch Portfolio Rescreening (Tier 5 / Metro Zone) of INR 346 lakh. Under clause SN-10.02.002, the hold period for payments pending review is set at 12 hours as a ceiling, so a proposed hold period for payments pending review of 12 hours is within the limit.

SN-10.10.037 Example: a exporters customer applies for Batch Portfolio Rescreening (Tier 4 / West Zone) of INR 47 lakh. Under clause SN-10.02.041, the maximum number of unresolved alerts per analyst is set at 186 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 132 alerts is within the limit.

SN-10.10.038 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-10.06.030 for Batch Portfolio Rescreening (Tier 1 / East Zone) serving importers to 57 days. Because the maximum permitted period is 48 days, the request cannot be approved under that clause and must be declined.

SN-10.10.039 Example: during a review of Batch Portfolio Rescreening (Tier 3 / North Zone), the list update delay for a high-net-worth individuals account measured 25 hours against the trigger of 24 hours in clause SN-10.04.030. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-10.04.030.

SN-10.10.040 Example: a start-ups customer applies for Batch Portfolio Rescreening (Tier 4 / West Zone) of INR 138 lakh. Under clause SN-10.02.022, the hold period for payments pending review is set at 39 hours as a ceiling, so a proposed hold period for payments pending review of 46 hours is outside the limit and must be escalated to the Regional Head.

SN-10.10.041 Example: a salaried individuals customer applies for Batch Portfolio Rescreening (Tier 5 / Islands Zone) of INR 44 lakh. Under clause SN-10.02.020, the maximum time to disposition a screening alert is set at 5 hours as a ceiling, so a proposed maximum time to disposition a screening alert of 6 hours is outside the limit and must be escalated to the Senior Officer.

Section 11.10 - Worked Examples

SN-11.10.001 Example: a exporters customer applies for Alias and Transliteration Matching (Tier 4 / Islands Zone) of INR 224 lakh. Under clause SN-11.02.018, the list update implementation deadline is set at 23 hours as a ceiling, so a proposed list update implementation deadline of 29 hours is outside the limit and must be escalated to the Assistant Vice President.

SN-11.10.002 Example: the Assistant Vice President receives a request to extend an exception under clause SN-11.06.012 for Alias and Transliteration Matching (Tier 5 / North Zone) serving large corporates to 96 days. Because the maximum permitted period is 91 days, the request cannot be approved under that clause and must be declined.

SN-11.10.003 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-11.06.010 for Alias and Transliteration Matching (Tier 4 / North-East Zone) serving exporters to 52 days. Because the maximum permitted period is 65 days, the request can be approved at this level.

SN-11.10.004 Example: during a review of Alias and Transliteration Matching (Tier 1 / Islands Zone), the overdue alerts for a large corporates account measured 7.5% against the trigger of 6.1% in clause SN-11.07.013. Because the reading breached the trigger, the Vice President must notify the Risk Management Committee of the Board within 24 hours and file an internal incident report.

SN-11.10.005 Example: the Regional Head receives a request to extend an exception under clause SN-11.06.034 for Alias and Transliteration Matching (Tier 5 / North Zone) serving high-net-worth individuals to 9 days. Because the maximum permitted period is 17 days, the request can be approved at this level.

SN-11.10.006 Example: the Head of Function receives a request to extend an exception under clause SN-11.06.008 for Alias and Transliteration Matching (Tier 4 / Metro Zone) serving importers to 1 days. Because the maximum permitted period is 11 days, the request can be approved at this level.

SN-11.10.007 Example: the Head of Financial Crime receives a request to extend an exception under clause SN-11.06.006 for Alias and Transliteration Matching (Tier 3 / West Zone) serving new-to-bank customers to 1 days. Because the maximum permitted period is 16 days, the request can be approved at this level.

SN-11.10.008 Example: the Head of Function receives a request to extend an exception under clause SN-11.06.008 for Alias and Transliteration Matching (Tier 4 / Metro Zone) serving importers to 30 days. Because the maximum permitted period is 11 days, the request cannot be approved under that clause and must be declined.

SN-11.10.009 Example: a importers customer applies for Alias and Transliteration Matching (Tier 5 / East Zone) of INR 359 lakh. Under clause SN-11.02.016, the fuzzy match threshold is set at 82% as a floor, which on this request equates to INR 294.38 lakh; the case is therefore routed to the Sanctions Officer for sign-off.

SN-11.10.010 Example: during a review of Alias and Transliteration Matching (Tier 4 / East Zone), the list update delay for a large corporates account measured 10 hours against the trigger of 8 hours in clause SN-11.07.024. Because the reading breached the trigger, the Vice President must notify the Compliance Oversight Committee within 48 hours and place the affected payments on hold.

SN-11.10.011 Example: the Regional Head receives a request to extend an exception under clause SN-11.06.034 for Alias and Transliteration Matching (Tier 5 / North Zone) serving high-net-worth individuals to 32 days. Because the maximum permitted period is 17 days, the request cannot be approved under that clause and must be declined.

SN-11.10.012 Example: during a review of Alias and Transliteration Matching (Tier 4 / Central Zone), the false positive rate for a women entrepreneurs account measured 60% against the trigger of 74% in clause SN-11.07.014. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-11.10.013 Example: during a review of Alias and Transliteration Matching (Tier 1 / Metro Zone), the overdue alerts for a high-net-worth individuals account measured 25.3% against the trigger of 24.5% in clause SN-11.04.010. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-11.04.010.

SN-11.10.014 Example: the Head of Financial Crime receives a request to extend an exception under clause SN-11.06.006 for Alias and Transliteration Matching (Tier 3 / West Zone) serving new-to-bank customers to 28 days. Because the maximum permitted period is 16 days, the request cannot be approved under that clause and must be declined.

SN-11.10.015 Example: the Senior Officer receives a request to extend an exception under clause SN-11.06.001 for Alias and Transliteration Matching (Tier 5 / Islands Zone) serving importers to 110 days. Because the maximum permitted period is 92 days, the request cannot be approved under that clause and must be declined.

SN-11.10.016 Example: a salaried individuals customer applies for Alias and Transliteration Matching (Tier 1 / North-East Zone) of INR 422 lakh. Under clause SN-11.02.020, the list update implementation deadline is set at 22 hours as a ceiling, so a proposed list update implementation deadline of 21 hours is within the limit.

SN-11.10.017 Example: a importers customer applies for Alias and Transliteration Matching (Tier 1 / Islands Zone) of INR 371 lakh. Under clause SN-11.02.025, the fuzzy match threshold is set at 82% as a floor, which on this request equates to INR 304.22 lakh; the case is therefore routed to the Vice President for sign-off.

SN-11.10.018 Example: the Regional Head receives a request to extend an exception under clause SN-11.06.034 for Alias and Transliteration Matching (Tier 5 / North Zone) serving high-net-worth individuals to 13 days. Because the maximum permitted period is 17 days, the request can be approved at this level.

SN-11.10.019 Example: the Regional Head receives a request to extend an exception under clause SN-11.06.034 for Alias and Transliteration Matching (Tier 5 / North Zone) serving high-net-worth individuals to 33 days. Because the maximum permitted period is 17 days, the request cannot be approved under that clause and must be declined.

SN-11.10.020 Example: during a review of Alias and Transliteration Matching (Tier 2 / South Zone), the missed-screening exceptions for a new-to-bank customers account measured 2 against the trigger of 2 in clause SN-11.04.022. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

SN-11.10.021 Example: the Senior Officer receives a request to extend an exception under clause SN-11.06.032 for Alias and Transliteration Matching (Tier 3 / South Zone) serving small enterprises to 1 days. Because the maximum permitted period is 9 days, the request can be approved at this level.

SN-11.10.022 Example: the Vice President receives a request to extend an exception under clause SN-11.06.017 for Alias and Transliteration Matching (Tier 2 / Islands Zone) serving start-ups to 15 days. Because the maximum permitted period is 14 days, the request cannot be approved under that clause and must be declined.

SN-11.10.023 Example: the Assistant Vice President receives a request to extend an exception under clause SN-11.06.012 for Alias and Transliteration Matching (Tier 5 / North Zone) serving large corporates to 80 days. Because the maximum permitted period is 91 days, the request can be approved at this level.

SN-11.10.024 Example: a small enterprises customer applies for Alias and Transliteration Matching (Tier 5 / East Zone) of INR 296 lakh. Under clause SN-11.02.038, the maximum time to disposition a screening alert is set at 11 hours as a ceiling, so a proposed maximum time to disposition a screening alert of 9 hours is within the limit.

SN-11.10.025 Example: during a review of Alias and Transliteration Matching (Tier 3 / North Zone), the overdue alerts for a high-net-worth individuals account measured 23.7% against the trigger of 24.0% in clause SN-11.07.031. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-11.10.026 Example: a large corporates customer applies for Alias and Transliteration Matching (Tier 1 / Central Zone) of INR 469 lakh. Under clause SN-11.02.041, the fuzzy match threshold is set at 83% as a floor, which on this request equates to INR 389.27 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

SN-11.10.027 Example: the Regional Head receives a request to extend an exception under clause SN-11.06.034 for Alias and Transliteration Matching (Tier 5 / North Zone) serving high-net-worth individuals to 25 days. Because the maximum permitted period is 17 days, the request cannot be approved under that clause and must be declined.

SN-11.10.028 Example: the Senior Officer receives a request to extend an exception under clause SN-11.06.001 for Alias and Transliteration Matching (Tier 5 / Islands Zone) serving importers to 90 days. Because the maximum permitted period is 92 days, the request can be approved at this level.

SN-11.10.029 Example: during a review of Alias and Transliteration Matching (Tier 1 / Central Zone), the list update delay for a small enterprises account measured 7 hours against the trigger of 8 hours in clause SN-11.04.031. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

SN-11.10.030 Example: a new-to-bank customers customer applies for Alias and Transliteration Matching (Tier 3 / North Zone) of INR 169 lakh. Under clause Schedule SN-11-A, the hold period for payments pending review is set at 22 hours as a ceiling, so a proposed hold period for payments pending review of 21 hours is within the limit.

SN-11.10.031 Example: during a review of Alias and Transliteration Matching (Tier 1 / South Zone), the alert disposition time for a self-employed professionals account measured 41 hours against the trigger of 44 hours in clause SN-11.04.002. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

SN-11.10.032 Example: during a review of Alias and Transliteration Matching (Tier 5 / North Zone), the false positive rate for a large corporates account measured 76% against the trigger of 80% in clause SN-11.07.041. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-11.10.033 Example: a small enterprises customer applies for Alias and Transliteration Matching (Tier 2 / North-East Zone) of INR 310 lakh. Under clause Schedule SN-11-A, the maximum number of unresolved alerts per analyst is set at 130 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 130 alerts is within the limit.

SN-11.10.034 Example: during a review of Alias and Transliteration Matching (Tier 1 / Islands Zone), the overdue alerts for a large corporates account measured 6.0% against the trigger of 6.1% in clause SN-11.07.013. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-11.10.035 Example: during a review of Alias and Transliteration Matching (Tier 5 / Metro Zone), the list update delay for a women entrepreneurs account measured 30 hours against the trigger of 33 hours in clause SN-11.04.024. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

SN-11.10.036 Example: a women entrepreneurs customer applies for Alias and Transliteration Matching (Tier 1 / South Zone) of INR 12 lakh. Under clause SN-11.02.031, the fuzzy match threshold is set at 92% as a floor, which on this request equates to INR 11.04 lakh; the case is therefore routed to the Head of Function for sign-off.

SN-11.10.037 Example: during a review of Alias and Transliteration Matching (Tier 4 / Islands Zone), the false positive rate for a exporters account measured 55% against the trigger of 60% in clause SN-11.07.027. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-11.10.038 Example: the Sanctions Officer receives a request to extend an exception under clause SN-11.06.024 for Alias and Transliteration Matching (Tier 2 / East Zone) serving exporters to 1 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

SN-11.10.039 Example: a importers customer applies for Alias and Transliteration Matching (Tier 5 / East Zone) of INR 412 lakh. Under clause SN-11.02.016, the fuzzy match threshold is set at 82% as a floor, which on this request equates to INR 337.84 lakh; the case is therefore routed to the Sanctions Officer for sign-off.

SN-11.10.040 Example: during a review of Alias and Transliteration Matching (Tier 2 / South Zone), the alert disposition time for a women entrepreneurs account measured 34 hours against the trigger of 37 hours in clause SN-11.07.005. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-11.10.041 Example: the Sanctions Officer receives a request to extend an exception under clause SN-11.06.024 for Alias and Transliteration Matching (Tier 2 / East Zone) serving exporters to 10 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

Section 12.10 - Worked Examples

SN-12.10.001 Example: during a review of List Update Management (Tier 4 / South Zone), the overdue alerts for a high-net-worth individuals account measured 16.4% against the trigger of 23.3% in clause SN-12.04.034. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

SN-12.10.002 Example: during a review of List Update Management (Tier 5 / East Zone), the alert disposition time for a exporters account measured 53 hours against the trigger of 71 hours in clause SN-12.04.019. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

SN-12.10.003 Example: a start-ups customer applies for List Update Management (Tier 5 / West Zone) of INR 42 lakh. Under clause SN-12.02.021, the hold period for payments pending review is set at 10 hours as a ceiling, so a proposed hold period for payments pending review of 11 hours is outside the limit and must be escalated to the Regional Head.

SN-12.10.004 Example: during a review of List Update Management (Tier 3 / East Zone), the false positive rate for a small enterprises account measured 120% against the trigger of 95% in clause SN-12.04.029. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-12.04.029.

SN-12.10.005 Example: during a review of List Update Management (Tier 3 / East Zone), the false positive rate for a small enterprises account measured 123% against the trigger of 95% in clause SN-12.04.029. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-12.04.029.

SN-12.10.006 Example: a salaried individuals customer applies for List Update Management (Tier 4 / East Zone) of INR 464 lakh. Under clause SN-12.02.010, the maximum number of unresolved alerts per analyst is set at 88 alerts as a ceiling, so a proposed maximum number of unresolved alerts per analyst of 75 alerts is within the limit.

SN-12.10.007 Example: during a review of List Update Management (Tier 2 / Islands Zone), the missed-screening exceptions for a importers account measured 5 against the trigger of 4 in clause SN-12.07.004. Because the reading breached the trigger, the Assistant Vice President must notify the Executive Management Committee within 6 hours and suspend the relationship pending review.

SN-12.10.008 Example: a start-ups customer applies for List Update Management (Tier 3 / Metro Zone) of INR 148 lakh. Under clause SN-12.02.013, the hold period for payments pending review is set at 39 hours as a ceiling, so a proposed hold period for payments pending review of 30 hours is within the limit.

SN-12.10.009 Example: during a review of List Update Management (Tier 5 / North Zone), the alert disposition time for a new-to-bank customers account measured 11 hours against the trigger of 12 hours in clause SN-12.07.020. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-12.10.010 Example: a salaried individuals customer applies for List Update Management (Tier 5 / Metro Zone) of INR 426 lakh. Under clause Schedule SN-12-A, the rescreening interval for high-risk customers is set at 21 days as a ceiling, so a proposed rescreening interval for high-risk customers of 17 days is within the limit.

SN-12.10.011 Example: a salaried individuals customer applies for List Update Management (Tier 3 / Islands Zone) of INR 96 lakh. Under clause SN-12.02.004, the hold period for payments pending review is set at 32 hours as a ceiling, so a proposed hold period for payments pending review of 40 hours is outside the limit and must be escalated to the Senior Officer.

SN-12.10.012 Example: during a review of List Update Management (Tier 5 / North Zone), the missed-screening exceptions for a self-employed professionals account measured 3 against the trigger of 2 in clause SN-12.04.004. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-12.04.004.

SN-12.10.013 Example: the Assistant Vice President receives a request to extend an exception under clause SN-12.06.022 for List Update Management (Tier 2 / Islands Zone) serving small enterprises to 107 days. Because the maximum permitted period is 90 days, the request cannot be approved under that clause and must be declined.

SN-12.10.014 Example: the Chief Risk Officer receives a request to extend an exception under clause SN-12.06.027 for List Update Management (Tier 4 / West Zone) serving salaried individuals to 19 days. Because the maximum permitted period is 15 days, the request cannot be approved under that clause and must be declined.

SN-12.10.015 Example: the Regional Head receives a request to extend an exception under clause SN-12.06.030 for List Update Management (Tier 2 / North-East Zone) serving new-to-bank customers to 76 days. Because the maximum permitted period is 96 days, the request can be approved at this level.

SN-12.10.016 Example: a self-employed professionals customer applies for List Update Management (Tier 1 / West Zone) of INR 139 lakh. Under clause SN-12.02.040, the maximum time to disposition a screening alert is set at 49 hours as a ceiling, so a proposed maximum time to disposition a screening alert of 38 hours is within the limit.

SN-12.10.017 Example: during a review of List Update Management (Tier 4 / Islands Zone), the overdue alerts for a self-employed professionals account measured 11.3% against the trigger of 9.7% in clause SN-12.07.011. Because the reading breached the trigger, the Head of Financial Crime must notify the Risk Management Committee of the Board within 6 hours and suspend the relationship pending review.

SN-12.10.018 Example: during a review of List Update Management (Tier 5 / East Zone), the alert disposition time for a small enterprises account measured 40 hours against the trigger of 34 hours in clause SN-12.04.016. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-12.04.016.

SN-12.10.019 Example: a high-net-worth individuals customer applies for List Update Management (Tier 3 / North Zone) of INR 58 lakh. Under clause SN-12.02.029, the rescreening interval for high-risk customers is set at 20 days as a ceiling, so a proposed rescreening interval for high-risk customers of 19 days is within the limit.

SN-12.10.020 Example: the Senior Officer receives a request to extend an exception under clause SN-12.06.032 for List Update Management (Tier 3 / South Zone) serving women entrepreneurs to 6 days. Because the maximum permitted period is 14 days, the request can be approved at this level.

SN-12.10.021 Example: during a review of List Update Management (Tier 5 / South Zone), the false positive rate for a start-ups account measured 66% against the trigger of 81% in clause SN-12.04.030. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

SN-12.10.022 Example: the Head of Function receives a request to extend an exception under clause SN-12.06.010 for List Update Management (Tier 1 / Central Zone) serving small enterprises to 167 days. Because the maximum permitted period is 185 days, the request can be approved at this level.

SN-12.10.023 Example: the Sanctions Officer receives a request to extend an exception under clause SN-12.06.029 for List Update Management (Tier 1 / West Zone) serving self-employed professionals to 104 days. Because the maximum permitted period is 120 days, the request can be approved at this level.

SN-12.10.024 Example: the Sanctions Officer receives a request to extend an exception under clause SN-12.06.029 for List Update Management (Tier 1 / West Zone) serving self-employed professionals to 138 days. Because the maximum permitted period is 120 days, the request cannot be approved under that clause and must be declined.

SN-12.10.025 Example: the Head of Function receives a request to extend an exception under clause SN-12.06.020 for List Update Management (Tier 1 / Islands Zone) serving start-ups to 10 days. Because the maximum permitted period is 20 days, the request can be approved at this level.

SN-12.10.026 Example: a large corporates customer applies for List Update Management (Tier 5 / South Zone) of INR 97 lakh. Under clause SN-12.02.037, the hold period for payments pending review is set at 31 hours as a ceiling, so a proposed hold period for payments pending review of 22 hours is within the limit.

SN-12.10.027 Example: the Assistant Vice President receives a request to extend an exception under clause SN-12.06.022 for List Update Management (Tier 2 / Islands Zone) serving small enterprises to 108 days. Because the maximum permitted period is 90 days, the request cannot be approved under that clause and must be declined.

SN-12.10.028 Example: during a review of List Update Management (Tier 4 / North Zone), the false positive rate for a exporters account measured 102% against the trigger of 93% in clause SN-12.04.040. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-12.04.040.

SN-12.10.029 Example: during a review of List Update Management (Tier 5 / North Zone), the alert disposition time for a new-to-bank customers account measured 14 hours against the trigger of 12 hours in clause SN-12.07.020. Because the reading breached the trigger, the Regional Head must notify the Executive Management Committee within 24 hours and place the affected payments on hold.

SN-12.10.030 Example: during a review of List Update Management (Tier 4 / Central Zone), the list update delay for a high-net-worth individuals account measured 17 hours against the trigger of 14 hours in clause SN-12.07.025. Because the reading breached the trigger, the Assistant Vice President must notify the Executive Management Committee within 8 hours and suspend the relationship pending review.

SN-12.10.031 Example: the Vice President receives a request to extend an exception under clause SN-12.06.039 for List Update Management (Tier 3 / East Zone) serving high-net-worth individuals to 60 days. Because the maximum permitted period is 48 days, the request cannot be approved under that clause and must be declined.

SN-12.10.032 Example: a high-net-worth individuals customer applies for List Update Management (Tier 5 / West Zone) of INR 49 lakh. Under clause SN-12.02.016, the maximum time to disposition a screening alert is set at 44 hours as a ceiling, so a proposed maximum time to disposition a screening alert of 46 hours is outside the limit and must be escalated to the Sanctions Officer.

SN-12.10.033 Example: the Head of Function receives a request to extend an exception under clause SN-12.06.010 for List Update Management (Tier 1 / Central Zone) serving small enterprises to 193 days. Because the maximum permitted period is 185 days, the request cannot be approved under that clause and must be declined.

SN-12.10.034 Example: the Regional Head receives a request to extend an exception under clause SN-12.06.015 for List Update Management (Tier 2 / Central Zone) serving importers to 36 days. Because the maximum permitted period is 27 days, the request cannot be approved under that clause and must be declined.

SN-12.10.035 Example: during a review of List Update Management (Tier 4 / South Zone), the overdue alerts for a high-net-worth individuals account measured 25.8% against the trigger of 23.3% in clause SN-12.04.034. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-12.04.034.

SN-12.10.036 Example: the Vice President receives a request to extend an exception under clause SN-12.06.024 for List Update Management (Tier 1 / North-East Zone) serving large corporates to 57 days. Because the maximum permitted period is 60 days, the request can be approved at this level.

SN-12.10.037 Example: during a review of List Update Management (Tier 4 / Metro Zone), the alert disposition time for a new-to-bank customers account measured 64 hours against the trigger of 68 hours in clause SN-12.07.031. Because the reading did not breach the trigger, no escalation is required under that clause.

SN-12.10.038 Example: a women entrepreneurs customer applies for List Update Management (Tier 2 / Central Zone) of INR 384 lakh. Under clause SN-12.02.033, the fuzzy match threshold is set at 89% as a floor, which on this request equates to INR 341.76 lakh; the case is therefore routed to the Head of Financial Crime for sign-off.

SN-12.10.039 Example: a exporters customer applies for List Update Management (Tier 1 / South Zone) of INR 130 lakh. Under clause SN-12.02.015, the maximum time to disposition a screening alert is set at 69 hours as a ceiling, so a proposed maximum time to disposition a screening alert of 66 hours is within the limit.

SN-12.10.040 Example: a exporters customer applies for List Update Management (Tier 2 / North-East Zone) of INR 386 lakh. Under clause Schedule SN-12-A, the list update implementation deadline is set at 14 hours as a ceiling, so a proposed list update implementation deadline of 18 hours is outside the limit and must be escalated to the Head of Financial Crime.

SN-12.10.041 Example: during a review of List Update Management (Tier 4 / North-East Zone), the missed-screening exceptions for a exporters account measured 9 against the trigger of 7 in clause SN-12.04.027. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause SN-12.04.027.
