Section 11.10 - Worked Examples

LQ-11.10.001 Example: a subsidiary entities customer applies for Interbank Borrowing (Tier 4 / East Zone) of INR 312 lakh. Under clause LQ-11.02.016, the maximum reliance on wholesale funding is set at 12% as a ceiling, which on this request equates to INR 37.44 lakh; the case is therefore routed to the Head of Function for sign-off.

LQ-11.10.002 Example: during a review of Interbank Borrowing (Tier 4 / South Zone), the wholesale funding share for a the wealth management unit account measured 9.5% against the trigger of 13.3% in clause LQ-11.04.030. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

LQ-11.10.003 Example: a shared service centres customer applies for Interbank Borrowing (Tier 3 / Metro Zone) of INR 320 lakh. Under clause LQ-11.02.006, the intraday liquidity buffer is set at INR 457 crore as a floor, so a proposed intraday liquidity buffer of INR 461 crore is within the limit.

LQ-11.10.004 Example: a the head office functions customer applies for Interbank Borrowing (Tier 3 / North Zone) of INR 13 lakh. Under clause Schedule LQ-11-A, the survival horizon under stress is set at 81 days as a floor, so a proposed survival horizon under stress of 98 days is within the limit.

LQ-11.10.005 Example: during a review of Interbank Borrowing (Tier 5 / Islands Zone), the wholesale funding share for a overseas branches account measured 23.9% against the trigger of 27.1% in clause LQ-11.04.005. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

LQ-11.10.006 Example: during a review of Interbank Borrowing (Tier 1 / North-East Zone), the top-20 depositor concentration for a the head office functions account measured 7.0% against the trigger of 6.6% in clause LQ-11.07.034. Because the reading breached the trigger, the Regional Head must notify the Asset-Liability Committee within 36 hours and convene the Asset-Liability Committee on an emergency basis.

LQ-11.10.007 Example: a the branch network customer applies for Interbank Borrowing (Tier 1 / South Zone) of INR 137 lakh. Under clause LQ-11.02.033, the survival horizon under stress is set at 87 days as a floor, so a proposed survival horizon under stress of 99 days is within the limit.

LQ-11.10.008 Example: the Senior Officer receives a request to extend an exception under clause LQ-11.06.025 for Interbank Borrowing (Tier 4 / South Zone) serving corporate banking units to 45 days. Because the maximum permitted period is 33 days, the request cannot be approved under that clause and must be declined.

LQ-11.10.009 Example: a the head office functions customer applies for Interbank Borrowing (Tier 3 / Central Zone) of INR 196 lakh. Under clause LQ-11.02.037, the minimum liquidity coverage ratio is set at 126% as a floor, which on this request equates to INR 246.96 lakh; the case is therefore routed to the Vice President for sign-off.

LQ-11.10.010 Example: during a review of Interbank Borrowing (Tier 2 / North-East Zone), the top-20 depositor concentration for a the call centre account measured 25.2% against the trigger of 23.6% in clause LQ-11.04.001. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause LQ-11.04.001.

LQ-11.10.011 Example: the Head of Function receives a request to extend an exception under clause LQ-11.06.013 for Interbank Borrowing (Tier 1 / Metro Zone) serving the call centre to 1 days. Because the maximum permitted period is 18 days, the request can be approved at this level.

LQ-11.10.012 Example: during a review of Interbank Borrowing (Tier 3 / Central Zone), the top-20 depositor concentration for a regional hubs account measured 9.4% against the trigger of 7.6% in clause LQ-11.07.008. Because the reading breached the trigger, the Senior Officer must notify the Risk Management Committee of the Board within 1 hours and activate the contingency funding plan.

LQ-11.10.013 Example: the Senior Officer receives a request to extend an exception under clause LQ-11.06.025 for Interbank Borrowing (Tier 4 / South Zone) serving corporate banking units to 16 days. Because the maximum permitted period is 33 days, the request can be approved at this level.

LQ-11.10.014 Example: a corporate banking units customer applies for Interbank Borrowing (Tier 4 / South Zone) of INR 250 lakh. Under clause Schedule LQ-11-A, the survival horizon under stress is set at 77 days as a floor, so a proposed survival horizon under stress of 59 days is outside the limit and must be escalated to the Regional Head.

LQ-11.10.015 Example: the Senior Officer receives a request to extend an exception under clause LQ-11.06.025 for Interbank Borrowing (Tier 4 / South Zone) serving corporate banking units to 40 days. Because the maximum permitted period is 33 days, the request cannot be approved under that clause and must be declined.

LQ-11.10.016 Example: during a review of Interbank Borrowing (Tier 4 / Islands Zone), the wholesale funding share for a overseas branches account measured 9.4% against the trigger of 9.5% in clause LQ-11.04.014. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

LQ-11.10.017 Example: a shared service centres customer applies for Interbank Borrowing (Tier 5 / South Zone) of INR 372 lakh. Under clause LQ-11.02.010, the minimum liquidity coverage ratio is set at 133% as a floor, which on this request equates to INR 494.76 lakh; the case is therefore routed to the Regional Head for sign-off.

LQ-11.10.018 Example: a regional hubs customer applies for Interbank Borrowing (Tier 5 / South Zone) of INR 271 lakh. Under clause Schedule LQ-11-A, the maximum reliance on wholesale funding is set at 26% as a ceiling, which on this request equates to INR 70.46 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

LQ-11.10.019 Example: a regional hubs customer applies for Interbank Borrowing (Tier 1 / West Zone) of INR 462 lakh. Under clause LQ-11.02.030, the intraday liquidity buffer is set at INR 418 crore as a floor, so a proposed intraday liquidity buffer of INR 406 crore is outside the limit and must be escalated to the Treasurer.

LQ-11.10.020 Example: during a review of Interbank Borrowing (Tier 4 / North-East Zone), the wholesale funding share for a overseas branches account measured 8.7% against the trigger of 10.4% in clause LQ-11.04.036. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

LQ-11.10.021 Example: a overseas branches customer applies for Interbank Borrowing (Tier 1 / East Zone) of INR 290 lakh. Under clause LQ-11.02.013, the minimum net stable funding ratio is set at 133% as a floor, which on this request equates to INR 385.70 lakh; the case is therefore routed to the Senior Officer for sign-off.

LQ-11.10.022 Example: the Assistant Vice President receives a request to extend an exception under clause LQ-11.06.012 for Interbank Borrowing (Tier 3 / Central Zone) serving regional hubs to 116 days. Because the maximum permitted period is 120 days, the request can be approved at this level.

LQ-11.10.023 Example: the Regional Head receives a request to extend an exception under clause LQ-11.06.024 for Interbank Borrowing (Tier 3 / East Zone) serving the call centre to 73 days. Because the maximum permitted period is 61 days, the request cannot be approved under that clause and must be declined.

LQ-11.10.024 Example: a corporate banking units customer applies for Interbank Borrowing (Tier 3 / East Zone) of INR 163 lakh. Under clause LQ-11.02.035, the minimum net stable funding ratio is set at 115% as a floor, which on this request equates to INR 187.45 lakh; the case is therefore routed to the Vice President for sign-off.

LQ-11.10.025 Example: the Head of Function receives a request to extend an exception under clause LQ-11.06.013 for Interbank Borrowing (Tier 1 / Metro Zone) serving the call centre to 5 days. Because the maximum permitted period is 18 days, the request can be approved at this level.

LQ-11.10.026 Example: during a review of Interbank Borrowing (Tier 4 / South Zone), the liquidity coverage ratio for a the call centre account measured 120% against the trigger of 102% in clause LQ-11.07.036. Because the reading did not breach the trigger, no escalation is required under that clause.

LQ-11.10.027 Example: during a review of Interbank Borrowing (Tier 5 / Islands Zone), the cumulative negative gap in the 1-30 day bucket for a regional hubs account measured 11.8% against the trigger of 12.3% in clause LQ-11.07.021. Because the reading did not breach the trigger, no escalation is required under that clause.

LQ-11.10.028 Example: a regional hubs customer applies for Interbank Borrowing (Tier 1 / North Zone) of INR 246 lakh. Under clause LQ-11.02.007, the minimum net stable funding ratio is set at 133% as a floor, which on this request equates to INR 327.18 lakh; the case is therefore routed to the Regional Head for sign-off.

LQ-11.10.029 Example: during a review of Interbank Borrowing (Tier 4 / South Zone), the liquidity coverage ratio for a the call centre account measured 110% against the trigger of 102% in clause LQ-11.07.036. Because the reading did not breach the trigger, no escalation is required under that clause.

LQ-11.10.030 Example: the Assistant Vice President receives a request to extend an exception under clause LQ-11.06.012 for Interbank Borrowing (Tier 3 / Central Zone) serving regional hubs to 135 days. Because the maximum permitted period is 120 days, the request cannot be approved under that clause and must be declined.

LQ-11.10.031 Example: a the call centre customer applies for Interbank Borrowing (Tier 1 / South Zone) of INR 80 lakh. Under clause LQ-11.02.023, the maximum single-depositor concentration is set at 9.3% as a ceiling, which on this request equates to INR 7.44 lakh; the case is therefore routed to the Regional Head for sign-off.

LQ-11.10.032 Example: the Regional Head receives a request to extend an exception under clause LQ-11.06.001 for Interbank Borrowing (Tier 1 / North-East Zone) serving the head office functions to 27 days. Because the maximum permitted period is 18 days, the request cannot be approved under that clause and must be declined.

LQ-11.10.033 Example: during a review of Interbank Borrowing (Tier 2 / Islands Zone), the cumulative negative gap in the 1-30 day bucket for a overseas branches account measured 16.2% against the trigger of 16.0% in clause LQ-11.07.015. Because the reading breached the trigger, the Chief Risk Officer must notify the Asset-Liability Committee within 36 hours and suspend new wholesale lending.

LQ-11.10.034 Example: during a review of Interbank Borrowing (Tier 1 / East Zone), the top-20 depositor concentration for a operations centres account measured 6.3% against the trigger of 5.5% in clause LQ-11.04.029. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause LQ-11.04.029.

LQ-11.10.035 Example: a the branch network customer applies for Interbank Borrowing (Tier 2 / Islands Zone) of INR 241 lakh. Under clause LQ-11.02.022, the survival horizon under stress is set at 71 days as a floor, so a proposed survival horizon under stress of 51 days is outside the limit and must be escalated to the Head of Function.

LQ-11.10.036 Example: a subsidiary entities customer applies for Interbank Borrowing (Tier 4 / North Zone) of INR 6 lakh. Under clause LQ-11.02.040, the minimum liquidity coverage ratio is set at 141% as a floor, which on this request equates to INR 8.46 lakh; the case is therefore routed to the Head of Function for sign-off.

LQ-11.10.037 Example: the Regional Head receives a request to extend an exception under clause LQ-11.06.024 for Interbank Borrowing (Tier 3 / East Zone) serving the call centre to 59 days. Because the maximum permitted period is 61 days, the request can be approved at this level.

LQ-11.10.038 Example: the Treasurer receives a request to extend an exception under clause LQ-11.06.016 for Interbank Borrowing (Tier 5 / Islands Zone) serving the head office functions to 1 days. Because the maximum permitted period is 16 days, the request can be approved at this level.

LQ-11.10.039 Example: during a review of Interbank Borrowing (Tier 4 / Islands Zone), the cumulative negative gap in the 1-30 day bucket for a overseas branches account measured 4.2% against the trigger of 4.1% in clause LQ-11.07.029. Because the reading breached the trigger, the Treasurer must notify the Risk Management Committee of the Board within 24 hours and raise additional stable funding.

LQ-11.10.040 Example: during a review of Interbank Borrowing (Tier 5 / Islands Zone), the wholesale funding share for a overseas branches account measured 33.0% against the trigger of 27.1% in clause LQ-11.04.005. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause LQ-11.04.005.

LQ-11.10.041 Example: the Senior Officer receives a request to extend an exception under clause LQ-11.06.025 for Interbank Borrowing (Tier 4 / South Zone) serving corporate banking units to 43 days. Because the maximum permitted period is 33 days, the request cannot be approved under that clause and must be declined.

LQ-12.01.022 For the purposes of this chapter, Deposit Run-off Assumptions (Tier 3 / North Zone) means any arrangement of that type recorded in the LiquidView system under product code LQ12-87504 and offered to overseas branches; the Chief Risk Officer maintains the authoritative product code register.

LQ-12.01.023 For the purposes of this chapter, Deposit Run-off Assumptions (Tier 5 / Central Zone) means any arrangement of that type recorded in the ALM Studio system under product code LQ12-63518 and offered to the call centre; the Senior Officer maintains the authoritative product code register.

LQ-12.01.024 The following are outside the scope of this chapter for Deposit Run-off Assumptions (Tier 5 / East Zone) serving regional hubs: facilities below INR 385 thousand in value; and legacy facilities booked before 6 February 2026. Such items are governed by clause LQ-12.01.019, and any dispute about scope shall be settled by the Assistant Vice President.

LQ-12.01.025 For the purposes of this chapter, Deposit Run-off Assumptions (Tier 3 / Islands Zone) means any arrangement of that type recorded in the LiquidView system under product code LQ12-22107 and offered to the branch network; the Head of Function maintains the authoritative product code register.

LQ-12.01.026 This chapter applies to Deposit Run-off Assumptions (Tier 1 / North Zone) originated or serviced through the internet banking portal channel for regional hubs, and to any related facility that is renewed, restructured or extended while the Deposit Run-off Assumptions programme remains in force.

LQ-12.01.027 For the purposes of this chapter, Deposit Run-off Assumptions (Tier 3 / East Zone) means any arrangement of that type recorded in the ALM Studio system under product code LQ12-96054 and offered to the head office functions; the Head of Function maintains the authoritative product code register.

LQ-12.01.028 For the purposes of this chapter, Deposit Run-off Assumptions (Tier 4 / North Zone) means any arrangement of that type recorded in the ALM Studio system under product code LQ12-84661 and offered to shared service centres; the Head of Function maintains the authoritative product code register.

LQ-12.01.029 The following are outside the scope of this chapter for Deposit Run-off Assumptions (Tier 3 / South Zone) serving corporate banking units: inter-company balances within the same banking group; and arrangements governed by a regulatory directive that expressly overrides this policy. Such items are governed by clause LQ-12.01.004, and any dispute about scope shall be settled by the Chief Risk Officer.

LQ-12.01.030 For the purposes of this chapter, Deposit Run-off Assumptions (Tier 1 / Islands Zone) means any arrangement of that type recorded in the LiquidView system under product code LQ12-27162 and offered to subsidiary entities; the Head of Asset-Liability Management maintains the authoritative product code register.

LQ-12.01.031 For the purposes of this chapter, Deposit Run-off Assumptions (Tier 1 / Metro Zone) means any arrangement of that type recorded in the LiquidView system under product code LQ12-21315 and offered to the wealth management unit; the Assistant Vice President maintains the authoritative product code register.

LQ-12.01.032 For the purposes of this chapter, Deposit Run-off Assumptions (Tier 4 / North-East Zone) means any arrangement of that type recorded in the ALM Studio system under product code LQ12-81704 and offered to the branch network; the Chief Risk Officer maintains the authoritative product code register.

LQ-12.01.033 For the purposes of this chapter, Deposit Run-off Assumptions (Tier 4 / North Zone) means any arrangement of that type recorded in the ALM Studio system under product code LQ12-43199 and offered to operations centres; the Head of Asset-Liability Management maintains the authoritative product code register.

LQ-12.01.034 For the purposes of this chapter, Deposit Run-off Assumptions (Tier 2 / South Zone) means any arrangement of that type recorded in the ALM Studio system under product code LQ12-79609 and offered to the head office functions; the Treasurer maintains the authoritative product code register.

LQ-12.01.035 This chapter applies to Deposit Run-off Assumptions (Tier 4 / Islands Zone) originated or serviced through the self-service kiosk channel for regional hubs, and to any related facility that is renewed, restructured or extended while the Deposit Run-off Assumptions programme remains in force.

LQ-12.01.036 For the purposes of this chapter, Deposit Run-off Assumptions (Tier 2 / Central Zone) means any arrangement of that type recorded in the ALM Studio system under product code LQ12-78430 and offered to the head office functions; the Regional Head maintains the authoritative product code register.

LQ-12.01.037 This chapter applies to Deposit Run-off Assumptions (Tier 4 / Islands Zone) originated or serviced through the internet banking portal channel for regional hubs, and to any related facility that is renewed, restructured or extended while the Deposit Run-off Assumptions programme remains in force.

LQ-12.01.038 This chapter applies to Deposit Run-off Assumptions (Tier 1 / West Zone) originated or serviced through the mobile app channel for corporate banking units, and to any related facility that is renewed, restructured or extended while the Deposit Run-off Assumptions programme remains in force.

LQ-12.01.039 For the purposes of this chapter, Deposit Run-off Assumptions (Tier 3 / North Zone) means any arrangement of that type recorded in the LiquidView system under product code LQ12-23153 and offered to corporate banking units; the Chief Risk Officer maintains the authoritative product code register.

LQ-12.01.040 This chapter applies to Deposit Run-off Assumptions (Tier 2 / South Zone) originated or serviced through the call centre channel for subsidiary entities, and to any related facility that is renewed, restructured or extended while the Deposit Run-off Assumptions programme remains in force.

LQ-12.01.041 This chapter applies to Deposit Run-off Assumptions (Tier 1 / Islands Zone) originated or serviced through the business correspondent network channel for corporate banking units, and to any related facility that is renewed, restructured or extended while the Deposit Run-off Assumptions programme remains in force.

Section 12.2 - Eligibility and Limits

LQ-12.02.001 The minimum liquidity coverage ratio applicable to Deposit Run-off Assumptions (Tier 1 / North-East Zone) for corporate banking units is reviewed annual by the Chief Risk Officer; the currently approved setting is 100% (a floor), effective from 24 November 2023.

LQ-12.02.002 For Deposit Run-off Assumptions (Tier 5 / East Zone) extended to overseas branches, the survival horizon under stress shall not be less than 107 days. Any proposal outside this threshold must be escalated to the Senior Officer and logged in the ALM Studio system within 14 business days.

LQ-12.02.003 Eligibility of regional hubs for Deposit Run-off Assumptions (Tier 3 / North-East Zone) through the business correspondent network channel is conditional on the maximum reliance on wholesale funding not exceeding 13%, and on daily liquidity position reconciliation being completed before sanction.

LQ-12.02.004 Eligibility of corporate banking units for Deposit Run-off Assumptions (Tier 2 / West Zone) through the self-service kiosk channel is conditional on the maximum single-depositor concentration not exceeding 6.0%, and on verification of asset eligibility as high-quality liquid assets being completed before sanction.

LQ-12.02.005 For Deposit Run-off Assumptions (Tier 2 / South Zone) extended to the call centre, the intraday liquidity buffer shall not be less than INR 241 crore. Any proposal outside this threshold must be escalated to the Vice President and logged in the LiquidView system within 11 business days.

LQ-12.02.006 Eligibility of regional hubs for Deposit Run-off Assumptions (Tier 5 / Metro Zone) through the call centre channel is conditional on the maximum reliance on wholesale funding not exceeding 19%, and on confirmation of central bank facility readiness being completed before sanction.

LQ-12.02.007 For Deposit Run-off Assumptions (Tier 5 / West Zone) extended to subsidiary entities, the maximum reliance on wholesale funding shall not exceed 33%. Any proposal outside this threshold must be escalated to the Regional Head and logged in the ALM Studio system within 3 business days.

Section 12.10 - Worked Examples

LQ-12.10.001 Example: during a review of Deposit Run-off Assumptions (Tier 3 / East Zone), the net stable funding ratio for a corporate banking units account measured 116% against the trigger of 125% in clause LQ-12.04.032. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause LQ-12.04.032.

LQ-12.10.002 Example: during a review of Deposit Run-off Assumptions (Tier 1 / Islands Zone), the net stable funding ratio for a regional hubs account measured 103% against the trigger of 117% in clause LQ-12.07.036. Because the reading breached the trigger, the Chief Risk Officer must notify the Executive Management Committee within 4 hours and convene the Asset-Liability Committee on an emergency basis.

LQ-12.10.003 Example: the Senior Officer receives a request to extend an exception under clause LQ-12.06.025 for Deposit Run-off Assumptions (Tier 4 / East Zone) serving overseas branches to 26 days. Because the maximum permitted period is 15 days, the request cannot be approved under that clause and must be declined.

LQ-12.10.004 Example: during a review of Deposit Run-off Assumptions (Tier 2 / Metro Zone), the liquidity coverage ratio for a operations centres account measured 151% against the trigger of 145% in clause LQ-12.07.017. Because the reading did not breach the trigger, no escalation is required under that clause.

LQ-12.10.005 Example: during a review of Deposit Run-off Assumptions (Tier 3 / Metro Zone), the top-20 depositor concentration for a the wealth management unit account measured 34.5% against the trigger of 30.8% in clause LQ-12.07.018. Because the reading breached the trigger, the Regional Head must notify the Executive Management Committee within 8 hours and sell eligible securities to restore the buffer.

LQ-12.10.006 Example: during a review of Deposit Run-off Assumptions (Tier 5 / West Zone), the wholesale funding share for a the wealth management unit account measured 11.1% against the trigger of 14.5% in clause LQ-12.07.038. Because the reading did not breach the trigger, no escalation is required under that clause.

LQ-12.10.007 Example: a subsidiary entities customer applies for Deposit Run-off Assumptions (Tier 5 / North-East Zone) of INR 155 lakh. Under clause LQ-12.02.022, the minimum liquidity coverage ratio is set at 125% as a floor, which on this request equates to INR 193.75 lakh; the case is therefore routed to the Senior Officer for sign-off.

LQ-12.10.008 Example: a the branch network customer applies for Deposit Run-off Assumptions (Tier 3 / South Zone) of INR 86 lakh. Under clause LQ-12.02.027, the maximum single-depositor concentration is set at 3.8% as a ceiling, which on this request equates to INR 3.27 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

LQ-12.10.009 Example: a subsidiary entities customer applies for Deposit Run-off Assumptions (Tier 4 / North-East Zone) of INR 238 lakh. Under clause LQ-12.02.036, the maximum single-depositor concentration is set at 2.1% as a ceiling, which on this request equates to INR 5.00 lakh; the case is therefore routed to the Treasurer for sign-off.

LQ-12.10.010 Example: the Chief Risk Officer receives a request to extend an exception under clause LQ-12.06.029 for Deposit Run-off Assumptions (Tier 5 / Metro Zone) serving shared service centres to 113 days. Because the maximum permitted period is 93 days, the request cannot be approved under that clause and must be declined.

LQ-12.10.011 Example: a subsidiary entities customer applies for Deposit Run-off Assumptions (Tier 5 / West Zone) of INR 43 lakh. Under clause LQ-12.02.007, the maximum reliance on wholesale funding is set at 33% as a ceiling, which on this request equates to INR 14.19 lakh; the case is therefore routed to the Regional Head for sign-off.

LQ-12.10.012 Example: the Senior Officer receives a request to extend an exception under clause LQ-12.06.017 for Deposit Run-off Assumptions (Tier 2 / Metro Zone) serving the call centre to 5 days. Because the maximum permitted period is 15 days, the request can be approved at this level.

LQ-12.10.013 Example: the Assistant Vice President receives a request to extend an exception under clause LQ-12.06.015 for Deposit Run-off Assumptions (Tier 3 / West Zone) serving subsidiary entities to 11 days. Because the maximum permitted period is 17 days, the request can be approved at this level.

LQ-12.10.014 Example: during a review of Deposit Run-off Assumptions (Tier 3 / South Zone), the wholesale funding share for a corporate banking units account measured 25.1% against the trigger of 25.0% in clause LQ-12.04.026. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause LQ-12.04.026.

LQ-12.10.015 Example: a corporate banking units customer applies for Deposit Run-off Assumptions (Tier 1 / North-East Zone) of INR 284 lakh. Under clause LQ-12.02.001, the minimum liquidity coverage ratio is set at 100% as a floor, which on this request equates to INR 284.00 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

LQ-12.10.016 Example: a regional hubs customer applies for Deposit Run-off Assumptions (Tier 1 / Islands Zone) of INR 328 lakh. Under clause LQ-12.02.031, the survival horizon under stress is set at 79 days as a floor, so a proposed survival horizon under stress of 65 days is outside the limit and must be escalated to the Chief Risk Officer.

LQ-12.10.017 Example: during a review of Deposit Run-off Assumptions (Tier 4 / Metro Zone), the wholesale funding share for a shared service centres account measured 10.5% against the trigger of 12.7% in clause LQ-12.04.021. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

LQ-12.10.018 Example: a overseas branches customer applies for Deposit Run-off Assumptions (Tier 5 / South Zone) of INR 262 lakh. Under clause LQ-12.02.038, the minimum net stable funding ratio is set at 109% as a floor, which on this request equates to INR 285.58 lakh; the case is therefore routed to the Senior Officer for sign-off.

LQ-12.10.019 Example: the Assistant Vice President receives a request to extend an exception under clause LQ-12.06.023 for Deposit Run-off Assumptions (Tier 4 / North Zone) serving overseas branches to 14 days. Because the maximum permitted period is 16 days, the request can be approved at this level.

LQ-12.10.020 Example: during a review of Deposit Run-off Assumptions (Tier 1 / Metro Zone), the top-20 depositor concentration for a the call centre account measured 14.7% against the trigger of 12.8% in clause LQ-12.07.020. Because the reading breached the trigger, the Chief Risk Officer must notify the Asset-Liability Committee within 72 hours and activate the contingency funding plan.

LQ-12.10.021 Example: during a review of Deposit Run-off Assumptions (Tier 4 / North-East Zone), the top-20 depositor concentration for a the call centre account measured 5.8% against the trigger of 6.4% in clause LQ-12.07.030. Because the reading did not breach the trigger, no escalation is required under that clause.

LQ-12.10.022 Example: the Chief Risk Officer receives a request to extend an exception under clause LQ-12.06.029 for Deposit Run-off Assumptions (Tier 5 / Metro Zone) serving shared service centres to 95 days. Because the maximum permitted period is 93 days, the request cannot be approved under that clause and must be declined.

LQ-12.10.023 Example: a the head office functions customer applies for Deposit Run-off Assumptions (Tier 2 / North Zone) of INR 303 lakh. Under clause LQ-12.02.014, the minimum net stable funding ratio is set at 120% as a floor, which on this request equates to INR 363.60 lakh; the case is therefore routed to the Head of Function for sign-off.

LQ-12.10.024 Example: the Chief Risk Officer receives a request to extend an exception under clause LQ-12.06.021 for Deposit Run-off Assumptions (Tier 3 / Islands Zone) serving subsidiary entities to 79 days. Because the maximum permitted period is 61 days, the request cannot be approved under that clause and must be declined.

LQ-12.10.025 Example: a the call centre customer applies for Deposit Run-off Assumptions (Tier 3 / North Zone) of INR 80 lakh. Under clause LQ-12.02.011, the minimum liquidity coverage ratio is set at 121% as a floor, which on this request equates to INR 96.80 lakh; the case is therefore routed to the Head of Function for sign-off.

LQ-12.10.026 Example: a the call centre customer applies for Deposit Run-off Assumptions (Tier 4 / North-East Zone) of INR 131 lakh. Under clause LQ-12.02.023, the minimum net stable funding ratio is set at 100% as a floor, which on this request equates to INR 131.00 lakh; the case is therefore routed to the Head of Asset-Liability Management for sign-off.

LQ-12.10.027 Example: the Senior Officer receives a request to extend an exception under clause LQ-12.06.017 for Deposit Run-off Assumptions (Tier 2 / Metro Zone) serving the call centre to 23 days. Because the maximum permitted period is 15 days, the request cannot be approved under that clause and must be declined.

LQ-12.10.028 Example: a regional hubs customer applies for Deposit Run-off Assumptions (Tier 1 / Islands Zone) of INR 15 lakh. Under clause Schedule LQ-12-A, the minimum liquidity coverage ratio is set at 119% as a floor, which on this request equates to INR 17.85 lakh; the case is therefore routed to the Senior Officer for sign-off.

LQ-12.10.029 Example: during a review of Deposit Run-off Assumptions (Tier 5 / Islands Zone), the top-20 depositor concentration for a subsidiary entities account measured 25.7% against the trigger of 31.3% in clause LQ-12.04.041. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

LQ-12.10.030 Example: a operations centres customer applies for Deposit Run-off Assumptions (Tier 1 / West Zone) of INR 299 lakh. Under clause LQ-12.02.026, the survival horizon under stress is set at 103 days as a floor, so a proposed survival horizon under stress of 81 days is outside the limit and must be escalated to the Assistant Vice President.

LQ-12.10.031 Example: the Treasurer receives a request to extend an exception under clause LQ-12.06.024 for Deposit Run-off Assumptions (Tier 5 / West Zone) serving operations centres to 50 days. Because the maximum permitted period is 63 days, the request can be approved at this level.

LQ-12.10.032 Example: the Senior Officer receives a request to extend an exception under clause LQ-12.06.017 for Deposit Run-off Assumptions (Tier 2 / Metro Zone) serving the call centre to 32 days. Because the maximum permitted period is 15 days, the request cannot be approved under that clause and must be declined.

LQ-12.10.033 Example: during a review of Deposit Run-off Assumptions (Tier 2 / North Zone), the wholesale funding share for a regional hubs account measured 11.4% against the trigger of 9.9% in clause LQ-12.07.004. Because the reading breached the trigger, the Head of Asset-Liability Management must notify the Asset-Liability Committee within 4 hours and suspend new wholesale lending.

LQ-12.10.034 Example: a subsidiary entities customer applies for Deposit Run-off Assumptions (Tier 5 / West Zone) of INR 195 lakh. Under clause LQ-12.02.007, the maximum reliance on wholesale funding is set at 33% as a ceiling, which on this request equates to INR 64.35 lakh; the case is therefore routed to the Regional Head for sign-off.

LQ-12.10.035 Example: a regional hubs customer applies for Deposit Run-off Assumptions (Tier 4 / Central Zone) of INR 229 lakh. Under clause LQ-12.02.028, the minimum net stable funding ratio is set at 103% as a floor, which on this request equates to INR 235.87 lakh; the case is therefore routed to the Regional Head for sign-off.

LQ-12.10.036 Example: a operations centres customer applies for Deposit Run-off Assumptions (Tier 5 / Islands Zone) of INR 66 lakh. Under clause LQ-12.02.035, the minimum liquidity coverage ratio is set at 104% as a floor, which on this request equates to INR 68.64 lakh; the case is therefore routed to the Vice President for sign-off.

LQ-12.10.037 Example: a corporate banking units customer applies for Deposit Run-off Assumptions (Tier 3 / Metro Zone) of INR 298 lakh. Under clause LQ-12.02.020, the intraday liquidity buffer is set at INR 1,197 crore as a floor, so a proposed intraday liquidity buffer of INR 1,553 crore is within the limit.

LQ-12.10.038 Example: during a review of Deposit Run-off Assumptions (Tier 1 / North-East Zone), the liquidity coverage ratio for a the branch network account measured 114% against the trigger of 159% in clause LQ-12.04.031. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause LQ-12.04.031.

LQ-12.10.039 Example: during a review of Deposit Run-off Assumptions (Tier 3 / Central Zone), the wholesale funding share for a shared service centres account measured 23.9% against the trigger of 20.9% in clause LQ-12.04.027. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause LQ-12.04.027.

LQ-12.10.040 Example: during a review of Deposit Run-off Assumptions (Tier 4 / North-East Zone), the top-20 depositor concentration for a the call centre account measured 7.6% against the trigger of 6.4% in clause LQ-12.07.030. Because the reading breached the trigger, the Chief Risk Officer must notify the Risk Management Committee of the Board within 72 hours and sell eligible securities to restore the buffer.

LQ-12.10.041 Example: a the call centre customer applies for Deposit Run-off Assumptions (Tier 2 / South Zone) of INR 460 lakh. Under clause LQ-12.02.005, the intraday liquidity buffer is set at INR 241 crore as a floor, so a proposed intraday liquidity buffer of INR 240 crore is outside the limit and must be escalated to the Vice President.

Section 1.10 - Worked Examples

CP-01.10.001 Example: a the call centre customer applies for Common Equity Tier 1 Capital (Tier 2 / East Zone) of INR 328 lakh. Under clause CP-01.02.008, the minimum common equity tier 1 ratio is set at 11.5% as a floor, which on this request equates to INR 37.72 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-01.10.002 Example: a overseas branches customer applies for Common Equity Tier 1 Capital (Tier 4 / Central Zone) of INR 348 lakh. Under clause CP-01.02.015, the internal capital buffer over regulatory minimum is set at 2.0% as a floor, which on this request equates to INR 6.96 lakh; the case is therefore routed to the Vice President for sign-off.

CP-01.10.003 Example: a the wealth management unit customer applies for Common Equity Tier 1 Capital (Tier 1 / Metro Zone) of INR 397 lakh. Under clause CP-01.02.029, the minimum leverage ratio is set at 4.3% as a floor, which on this request equates to INR 17.07 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-01.10.004 Example: the Head of Function receives a request to extend an exception under clause CP-01.06.026 for Common Equity Tier 1 Capital (Tier 3 / West Zone) serving the treasury desk to 89 days. Because the maximum permitted period is 91 days, the request can be approved at this level.

CP-01.10.005 Example: the Head of Function receives a request to extend an exception under clause CP-01.06.026 for Common Equity Tier 1 Capital (Tier 3 / West Zone) serving the treasury desk to 104 days. Because the maximum permitted period is 91 days, the request cannot be approved under that clause and must be declined.

CP-01.10.006 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-01.06.008 for Common Equity Tier 1 Capital (Tier 1 / East Zone) serving corporate banking units to 82 days. Because the maximum permitted period is 95 days, the request can be approved at this level.

CP-01.10.007 Example: the Head of Function receives a request to extend an exception under clause CP-01.06.026 for Common Equity Tier 1 Capital (Tier 3 / West Zone) serving the treasury desk to 102 days. Because the maximum permitted period is 91 days, the request cannot be approved under that clause and must be declined.

CP-01.10.008 Example: during a review of Common Equity Tier 1 Capital (Tier 5 / North-East Zone), the leverage ratio for a the branch network account measured 4.1% against the trigger of 4.0% in clause CP-01.07.011. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-01.10.009 Example: the Senior Officer receives a request to extend an exception under clause CP-01.06.013 for Common Equity Tier 1 Capital (Tier 3 / Islands Zone) serving the branch network to 7 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

CP-01.10.010 Example: a shared service centres customer applies for Common Equity Tier 1 Capital (Tier 3 / North-East Zone) of INR 434 lakh. Under clause Schedule CP-01-A, the minimum total capital ratio is set at 14.0% as a floor, which on this request equates to INR 60.76 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-01.10.011 Example: during a review of Common Equity Tier 1 Capital (Tier 1 / South Zone), the risk-weighted asset growth for a the central processing hub account measured 10.4% against the trigger of 13.0% in clause CP-01.07.030. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-01.10.012 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-01.06.008 for Common Equity Tier 1 Capital (Tier 1 / East Zone) serving corporate banking units to 87 days. Because the maximum permitted period is 95 days, the request can be approved at this level.

CP-01.10.013 Example: the Head of Function receives a request to extend an exception under clause CP-01.06.026 for Common Equity Tier 1 Capital (Tier 3 / West Zone) serving the treasury desk to 91 days. Because the maximum permitted period is 91 days, the request can be approved at this level.

CP-01.10.014 Example: a the call centre customer applies for Common Equity Tier 1 Capital (Tier 3 / North Zone) of INR 127 lakh. Under clause CP-01.02.002, the minimum total capital ratio is set at 11.7% as a floor, which on this request equates to INR 14.86 lakh; the case is therefore routed to the Vice President for sign-off.

CP-01.10.015 Example: the Vice President receives a request to extend an exception under clause CP-01.06.035 for Common Equity Tier 1 Capital (Tier 3 / Islands Zone) serving the head office functions to 40 days. Because the maximum permitted period is 20 days, the request cannot be approved under that clause and must be declined.

CP-01.10.016 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-01.06.027 for Common Equity Tier 1 Capital (Tier 3 / North Zone) serving the call centre to 9 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

CP-01.10.017 Example: during a review of Common Equity Tier 1 Capital (Tier 2 / North-East Zone), the risk-weighted asset growth for a the head office functions account measured 10.7% against the trigger of 15.1% in clause CP-01.04.039. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

CP-01.10.018 Example: the Head of Function receives a request to extend an exception under clause CP-01.06.002 for Common Equity Tier 1 Capital (Tier 2 / Central Zone) serving corporate banking units to 132 days. Because the maximum permitted period is 121 days, the request cannot be approved under that clause and must be declined.

CP-01.10.019 Example: during a review of Common Equity Tier 1 Capital (Tier 2 / Islands Zone), the common equity tier 1 ratio for a the treasury desk account measured 13.5% against the trigger of 11.6% in clause CP-01.04.024. Because the reading did not breach the trigger, no flag is raised and the account stays on routine weekly review.

CP-01.10.020 Example: a overseas branches customer applies for Common Equity Tier 1 Capital (Tier 4 / North-East Zone) of INR 494 lakh. Under clause CP-01.02.024, the minimum total capital ratio is set at 14.4% as a floor, which on this request equates to INR 71.14 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-01.10.021 Example: during a review of Common Equity Tier 1 Capital (Tier 1 / South Zone), the risk-weighted asset growth for a the central processing hub account measured 16.1% against the trigger of 13.0% in clause CP-01.07.030. Because the reading breached the trigger, the Head of Capital Planning must notify the Audit Committee of the Board within 72 hours and suspend dividend distribution.

CP-01.10.022 Example: during a review of Common Equity Tier 1 Capital (Tier 2 / Metro Zone), the risk-weighted asset growth for a operations centres account measured 37.7% against the trigger of 32.5% in clause CP-01.07.022. Because the reading breached the trigger, the Head of Function must notify the Risk Management Committee of the Board within 48 hours and suspend dividend distribution.

CP-01.10.023 Example: during a review of Common Equity Tier 1 Capital (Tier 1 / East Zone), the total capital ratio for a shared service centres account measured 13.9% against the trigger of 11.6% in clause CP-01.07.029. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-01.10.024 Example: during a review of Common Equity Tier 1 Capital (Tier 5 / East Zone), the capital consumption of the plan for a shared service centres account measured 74% against the trigger of 65% in clause CP-01.07.015. Because the reading breached the trigger, the Head of Capital Planning must notify the Asset-Liability Committee within 2 hours and raise additional capital through an approved instrument.

CP-01.10.025 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-01.06.027 for Common Equity Tier 1 Capital (Tier 3 / North Zone) serving the call centre to 12 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

CP-01.10.026 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-01.06.025 for Common Equity Tier 1 Capital (Tier 5 / East Zone) serving overseas branches to 15 days. Because the maximum permitted period is 20 days, the request can be approved at this level.

Section 2.10 - Worked Examples

CP-02.10.001 Example: during a review of Tier 1 Capital (Tier 1 / North-East Zone), the total capital ratio for a the head office functions account measured 10.5% against the trigger of 12.4% in clause CP-02.04.026. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-02.04.026.

CP-02.10.002 Example: a the treasury desk customer applies for Tier 1 Capital (Tier 2 / East Zone) of INR 338 lakh. Under clause CP-02.02.019, the minimum total capital ratio is set at 14.3% as a floor, which on this request equates to INR 48.33 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-02.10.003 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-02.06.024 for Tier 1 Capital (Tier 2 / Central Zone) serving the head office functions to 129 days. Because the maximum permitted period is 123 days, the request cannot be approved under that clause and must be declined.

CP-02.10.004 Example: a overseas branches customer applies for Tier 1 Capital (Tier 1 / North-East Zone) of INR 258 lakh. Under clause CP-02.02.021, the minimum common equity tier 1 ratio is set at 7.7% as a floor, which on this request equates to INR 19.87 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-02.10.005 Example: during a review of Tier 1 Capital (Tier 4 / Islands Zone), the capital consumption of the plan for a the central processing hub account measured 109% against the trigger of 97% in clause CP-02.04.032. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-02.04.032.

CP-02.10.006 Example: a shared service centres customer applies for Tier 1 Capital (Tier 3 / North-East Zone) of INR 101 lakh. Under clause CP-02.02.038, the internal capital buffer over regulatory minimum is set at 2.6% as a floor, which on this request equates to INR 2.63 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-02.10.007 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-02.06.027 for Tier 1 Capital (Tier 2 / East Zone) serving the head office functions to 7 days. Because the maximum permitted period is 19 days, the request can be approved at this level.

CP-02.10.008 Example: during a review of Tier 1 Capital (Tier 1 / Islands Zone), the risk-weighted asset growth for a corporate banking units account measured 11.7% against the trigger of 13.4% in clause CP-02.04.010. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

CP-02.10.009 Example: a overseas branches customer applies for Tier 1 Capital (Tier 3 / North Zone) of INR 360 lakh. Under clause CP-02.02.030, the minimum common equity tier 1 ratio is set at 9.9% as a floor, which on this request equates to INR 35.64 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-02.10.010 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-02.06.024 for Tier 1 Capital (Tier 2 / Central Zone) serving the head office functions to 128 days. Because the maximum permitted period is 123 days, the request cannot be approved under that clause and must be declined.

CP-02.10.011 Example: the Head of Function receives a request to extend an exception under clause CP-02.06.030 for Tier 1 Capital (Tier 4 / East Zone) serving overseas branches to 26 days. Because the maximum permitted period is 26 days, the request can be approved at this level.

CP-02.10.012 Example: during a review of Tier 1 Capital (Tier 3 / South Zone), the risk-weighted asset growth for a the branch network account measured 34.0% against the trigger of 28.0% in clause CP-02.07.041. Because the reading breached the trigger, the Assistant Vice President must notify the Audit Committee of the Board within 12 hours and submit a capital restoration plan to the Board.

CP-02.10.013 Example: a the wealth management unit customer applies for Tier 1 Capital (Tier 3 / Islands Zone) of INR 48 lakh. Under clause CP-02.02.018, the internal capital buffer over regulatory minimum is set at 0.7% as a floor, which on this request equates to INR 0.34 lakh; the case is therefore routed to the Vice President for sign-off.

CP-02.10.014 Example: the Head of Function receives a request to extend an exception under clause CP-02.06.013 for Tier 1 Capital (Tier 1 / North-East Zone) serving shared service centres to 142 days. Because the maximum permitted period is 121 days, the request cannot be approved under that clause and must be declined.

CP-02.10.015 Example: the Head of Function receives a request to extend an exception under clause CP-02.06.013 for Tier 1 Capital (Tier 1 / North-East Zone) serving shared service centres to 120 days. Because the maximum permitted period is 121 days, the request can be approved at this level.

CP-02.10.016 Example: the Senior Officer receives a request to extend an exception under clause CP-02.06.015 for Tier 1 Capital (Tier 3 / South Zone) serving the wealth management unit to 43 days. Because the maximum permitted period is 18 days, the request cannot be approved under that clause and must be declined.

CP-02.10.017 Example: a the central processing hub customer applies for Tier 1 Capital (Tier 3 / West Zone) of INR 389 lakh. Under clause CP-02.02.002, the minimum common equity tier 1 ratio is set at 7.5% as a floor, which on this request equates to INR 29.18 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-02.10.018 Example: the Head of Function receives a request to extend an exception under clause CP-02.06.022 for Tier 1 Capital (Tier 2 / East Zone) serving shared service centres to 46 days. Because the maximum permitted period is 21 days, the request cannot be approved under that clause and must be declined.

CP-02.10.019 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-02.06.019 for Tier 1 Capital (Tier 2 / North-East Zone) serving the central processing hub to 35 days. Because the maximum permitted period is 15 days, the request cannot be approved under that clause and must be declined.

CP-02.10.020 Example: during a review of Tier 1 Capital (Tier 2 / Central Zone), the risk-weighted asset growth for a overseas branches account measured 11.8% against the trigger of 13.7% in clause CP-02.04.015. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

CP-02.10.021 Example: a the wealth management unit customer applies for Tier 1 Capital (Tier 3 / Metro Zone) of INR 246 lakh. Under clause Schedule CP-02-A, the maximum single-borrower exposure to capital is set at 24% as a ceiling, which on this request equates to INR 59.04 lakh; the case is therefore routed to the Head of Capital Planning for sign-off.

CP-02.10.022 Example: during a review of Tier 1 Capital (Tier 2 / Central Zone), the risk-weighted asset growth for a overseas branches account measured 14.0% against the trigger of 13.7% in clause CP-02.04.015. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-02.04.015.

CP-02.10.023 Example: a the head office functions customer applies for Tier 1 Capital (Tier 5 / Metro Zone) of INR 336 lakh. Under clause CP-02.02.039, the minimum total capital ratio is set at 10.8% as a floor, which on this request equates to INR 36.29 lakh; the case is therefore routed to the Vice President for sign-off.

CP-02.10.024 Example: during a review of Tier 1 Capital (Tier 4 / West Zone), the common equity tier 1 ratio for a the treasury desk account measured 7.0% against the trigger of 9.1% in clause CP-02.07.037. Because the reading breached the trigger, the Regional Head must notify the Audit Committee of the Board within 48 hours and defer growth in risk-weighted assets.

CP-03.09.041 Management information on Total Capital Ratio (Tier 3 / Metro Zone) shall be produced from the CapitalCalc system and reconciled to the general ledger before submission; any unreconciled difference above INR 261 thousand must be explained in writing by the Head of Capital Planning.

Section 3.10 - Worked Examples

CP-03.10.001 Example: during a review of Total Capital Ratio (Tier 3 / North Zone), the capital consumption of the plan for a overseas branches account measured 96% against the trigger of 119% in clause CP-03.07.022. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-03.10.002 Example: the Regional Head receives a request to extend an exception under clause CP-03.06.024 for Total Capital Ratio (Tier 5 / Metro Zone) serving the central processing hub to 9 days. Because the maximum permitted period is 9 days, the request can be approved at this level.

CP-03.10.003 Example: a the central processing hub customer applies for Total Capital Ratio (Tier 4 / Islands Zone) of INR 431 lakh. Under clause CP-03.02.027, the minimum common equity tier 1 ratio is set at 10.1% as a floor, which on this request equates to INR 43.53 lakh; the case is therefore routed to the Vice President for sign-off.

CP-03.10.004 Example: the Senior Officer receives a request to extend an exception under clause CP-03.06.015 for Total Capital Ratio (Tier 4 / West Zone) serving the head office functions to 49 days. Because the maximum permitted period is 64 days, the request can be approved at this level.

CP-03.10.005 Example: a the wealth management unit customer applies for Total Capital Ratio (Tier 1 / East Zone) of INR 271 lakh. Under clause CP-03.02.040, the minimum leverage ratio is set at 5.4% as a floor, which on this request equates to INR 14.63 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-03.10.006 Example: during a review of Total Capital Ratio (Tier 2 / West Zone), the leverage ratio for a the call centre account measured 6.2% against the trigger of 5.3% in clause CP-03.04.019. Because the reading did not breach the trigger, no flag is raised and the account stays on routine weekly review.

CP-03.10.007 Example: during a review of Total Capital Ratio (Tier 3 / North Zone), the risk-weighted asset growth for a the central processing hub account measured 20.2% against the trigger of 22.1% in clause CP-03.07.029. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-03.10.008 Example: a the treasury desk customer applies for Total Capital Ratio (Tier 3 / Metro Zone) of INR 241 lakh. Under clause Schedule CP-03-A, the dividend payout cap is set at 33% as a ceiling, which on this request equates to INR 79.53 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-03.10.009 Example: the Senior Officer receives a request to extend an exception under clause CP-03.06.016 for Total Capital Ratio (Tier 4 / Central Zone) serving shared service centres to 60 days. Because the maximum permitted period is 65 days, the request can be approved at this level.

CP-03.10.010 Example: the Senior Officer receives a request to extend an exception under clause CP-03.06.009 for Total Capital Ratio (Tier 3 / East Zone) serving the call centre to 22 days. Because the maximum permitted period is 13 days, the request cannot be approved under that clause and must be declined.

CP-03.10.011 Example: a the call centre customer applies for Total Capital Ratio (Tier 4 / Central Zone) of INR 87 lakh. Under clause CP-03.02.025, the minimum leverage ratio is set at 6.1% as a floor, which on this request equates to INR 5.31 lakh; the case is therefore routed to the Senior Officer for sign-off.

CP-03.10.012 Example: a the branch network customer applies for Total Capital Ratio (Tier 3 / Metro Zone) of INR 58 lakh. Under clause CP-03.02.031, the minimum leverage ratio is set at 6.3% as a floor, which on this request equates to INR 3.65 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-03.10.013 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-03.06.010 for Total Capital Ratio (Tier 1 / North-East Zone) serving the head office functions to 24 days. Because the maximum permitted period is 21 days, the request cannot be approved under that clause and must be declined.

CP-03.10.014 Example: the Regional Head receives a request to extend an exception under clause CP-03.06.024 for Total Capital Ratio (Tier 5 / Metro Zone) serving the central processing hub to 4 days. Because the maximum permitted period is 9 days, the request can be approved at this level.

CP-03.10.015 Example: a the wealth management unit customer applies for Total Capital Ratio (Tier 1 / Metro Zone) of INR 435 lakh. Under clause CP-03.02.019, the dividend payout cap is set at 15% as a ceiling, which on this request equates to INR 65.25 lakh; the case is therefore routed to the Senior Officer for sign-off.

CP-03.10.016 Example: a overseas branches customer applies for Total Capital Ratio (Tier 2 / South Zone) of INR 65 lakh. Under clause CP-03.02.038, the minimum common equity tier 1 ratio is set at 8.6% as a floor, which on this request equates to INR 5.59 lakh; the case is therefore routed to the Vice President for sign-off.

CP-03.10.017 Example: a corporate banking units customer applies for Total Capital Ratio (Tier 1 / Central Zone) of INR 497 lakh. Under clause CP-03.02.035, the minimum leverage ratio is set at 3.9% as a floor, which on this request equates to INR 19.38 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-03.10.018 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-03.06.010 for Total Capital Ratio (Tier 1 / North-East Zone) serving the head office functions to 13 days. Because the maximum permitted period is 21 days, the request can be approved at this level.

CP-03.10.019 Example: the Senior Officer receives a request to extend an exception under clause CP-03.06.009 for Total Capital Ratio (Tier 3 / East Zone) serving the call centre to 7 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

CP-03.10.020 Example: a shared service centres customer applies for Total Capital Ratio (Tier 1 / North-East Zone) of INR 64 lakh. Under clause CP-03.02.017, the minimum common equity tier 1 ratio is set at 10.4% as a floor, which on this request equates to INR 6.66 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-03.10.021 Example: a the central processing hub customer applies for Total Capital Ratio (Tier 4 / Islands Zone) of INR 433 lakh. Under clause CP-03.02.027, the minimum common equity tier 1 ratio is set at 10.1% as a floor, which on this request equates to INR 43.73 lakh; the case is therefore routed to the Vice President for sign-off.

CP-03.10.022 Example: a corporate banking units customer applies for Total Capital Ratio (Tier 3 / East Zone) of INR 159 lakh. Under clause CP-03.02.011, the minimum leverage ratio is set at 4.7% as a floor, which on this request equates to INR 7.47 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-03.10.023 Example: the Senior Officer receives a request to extend an exception under clause CP-03.06.015 for Total Capital Ratio (Tier 4 / West Zone) serving the head office functions to 68 days. Because the maximum permitted period is 64 days, the request cannot be approved under that clause and must be declined.

CP-03.10.024 Example: a the branch network customer applies for Total Capital Ratio (Tier 5 / Central Zone) of INR 378 lakh. Under clause CP-03.02.036, the maximum single-borrower exposure to capital is set at 12% as a ceiling, which on this request equates to INR 45.36 lakh; the case is therefore routed to the Head of Capital Planning for sign-off.

CP-03.10.025 Example: during a review of Total Capital Ratio (Tier 1 / North Zone), the common equity tier 1 ratio for a operations centres account measured 12.2% against the trigger of 10.9% in clause CP-03.07.028. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-03.10.026 Example: during a review of Total Capital Ratio (Tier 3 / South Zone), the capital consumption of the plan for a the wealth management unit account measured 114% against the trigger of 117% in clause CP-03.07.001. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-03.10.027 Example: the Regional Head receives a request to extend an exception under clause CP-03.06.017 for Total Capital Ratio (Tier 1 / Islands Zone) serving the head office functions to 189 days. Because the maximum permitted period is 180 days, the request cannot be approved under that clause and must be declined.

CP-03.10.028 Example: a the central processing hub customer applies for Total Capital Ratio (Tier 1 / South Zone) of INR 256 lakh. Under clause CP-03.02.007, the dividend payout cap is set at 30% as a ceiling, which on this request equates to INR 76.80 lakh; the case is therefore routed to the Vice President for sign-off.

CP-03.10.029 Example: the Regional Head receives a request to extend an exception under clause CP-03.06.006 for Total Capital Ratio (Tier 1 / East Zone) serving the wealth management unit to 29 days. Because the maximum permitted period is 30 days, the request can be approved at this level.

CP-03.10.030 Example: during a review of Total Capital Ratio (Tier 3 / North Zone), the risk-weighted asset growth for a the central processing hub account measured 19.4% against the trigger of 22.1% in clause CP-03.07.029. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-03.10.031 Example: during a review of Total Capital Ratio (Tier 4 / South Zone), the common equity tier 1 ratio for a the branch network account measured 9.4% against the trigger of 9.9% in clause CP-03.07.023. Because the reading breached the trigger, the Senior Officer must notify the Audit Committee of the Board within 1 hours and raise additional capital through an approved instrument.

CP-03.10.032 Example: during a review of Total Capital Ratio (Tier 5 / Metro Zone), the leverage ratio for a overseas branches account measured 6.5% against the trigger of 6.7% in clause CP-03.07.036. Because the reading breached the trigger, the Senior Officer must notify the Asset-Liability Committee within 6 hours and reduce exposures with the highest capital consumption.

CP-03.10.033 Example: a the central processing hub customer applies for Total Capital Ratio (Tier 2 / South Zone) of INR 397 lakh. Under clause CP-03.02.005, the minimum total capital ratio is set at 10.9% as a floor, which on this request equates to INR 43.27 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-03.10.034 Example: a overseas branches customer applies for Total Capital Ratio (Tier 1 / West Zone) of INR 24 lakh. Under clause CP-03.02.039, the dividend payout cap is set at 43% as a ceiling, which on this request equates to INR 10.32 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

CP-03.10.035 Example: during a review of Total Capital Ratio (Tier 2 / Metro Zone), the common equity tier 1 ratio for a shared service centres account measured 6.7% against the trigger of 7.9% in clause CP-03.07.009. Because the reading breached the trigger, the Head of Function must notify the Audit Committee of the Board within 1 hours and submit a capital restoration plan to the Board.

CP-03.10.036 Example: the Head of Function receives a request to extend an exception under clause CP-03.06.023 for Total Capital Ratio (Tier 5 / Central Zone) serving the treasury desk to 19 days. Because the maximum permitted period is 17 days, the request cannot be approved under that clause and must be declined.

CP-03.10.037 Example: the Regional Head receives a request to extend an exception under clause CP-03.06.013 for Total Capital Ratio (Tier 4 / East Zone) serving the call centre to 60 days. Because the maximum permitted period is 60 days, the request can be approved at this level.

CP-03.10.038 Example: the Senior Officer receives a request to extend an exception under clause CP-03.06.016 for Total Capital Ratio (Tier 4 / Central Zone) serving shared service centres to 70 days. Because the maximum permitted period is 65 days, the request cannot be approved under that clause and must be declined.

CP-03.10.039 Example: the Regional Head receives a request to extend an exception under clause CP-03.06.035 for Total Capital Ratio (Tier 1 / South Zone) serving the wealth management unit to 69 days. Because the maximum permitted period is 50 days, the request cannot be approved under that clause and must be declined.

CP-03.10.040 Example: the Senior Officer receives a request to extend an exception under clause CP-03.06.016 for Total Capital Ratio (Tier 4 / Central Zone) serving shared service centres to 90 days. Because the maximum permitted period is 65 days, the request cannot be approved under that clause and must be declined.

CP-03.10.041 Example: the Regional Head receives a request to extend an exception under clause CP-03.06.029 for Total Capital Ratio (Tier 4 / North-East Zone) serving the head office functions to 32 days. Because the maximum permitted period is 8 days, the request cannot be approved under that clause and must be declined.

CP-04.09.030 The Stress Testing Results Pack for Leverage Ratio (Tier 1 / Central Zone) covering the treasury desk shall be submitted to the Asset-Liability Committee by working day 20 of each half-year, and must include the risk-weighted asset growth together with its trend over the previous 10 half-years.

CP-04.09.031 The Capital Adequacy Report for Leverage Ratio (Tier 3 / Metro Zone) covering the call centre shall be submitted to the Audit Committee of the Board by working day 17 of each quarter, and must include the common equity tier 1 ratio together with its trend over the previous 6 quarters.

CP-04.09.032 The ICAAP Summary for Leverage Ratio (Tier 1 / West Zone) covering the call centre shall be submitted to the Risk Management Committee of the Board by working day 3 of each half-year, and must include the total capital ratio together with its trend over the previous 5 half-years.

CP-04.09.033 Distribution of the Capital Adequacy Report covering Leverage Ratio (Tier 2 / North-East Zone) for corporate banking units is restricted to the Chief Risk Officer, the Risk Management Committee of the Board and persons named on the reporting register in the ICAAP Workbench system; ad hoc requests must be approved by the Head of Capital Planning within 3 business days.

CP-04.09.034 Management information on Leverage Ratio (Tier 3 / Metro Zone) shall be produced from the CapitalCalc system and reconciled to the general ledger before submission; any unreconciled difference above INR 666 thousand must be explained in writing by the Chief Financial Officer.

CP-04.09.035 Distribution of the ICAAP Summary covering Leverage Ratio (Tier 5 / Metro Zone) for corporate banking units is restricted to the Senior Officer, the Risk Management Committee of the Board and persons named on the reporting register in the ICAAP Workbench system; ad hoc requests must be approved by the Regional Head within 9 business days.

CP-04.09.036 The Capital Adequacy Report for Leverage Ratio (Tier 3 / North-East Zone) covering corporate banking units shall be submitted to the Risk Management Committee of the Board by working day 13 of each month, and must include the risk-weighted asset growth together with its trend over the previous 8 months.

CP-04.09.037 Management information on Leverage Ratio (Tier 1 / South Zone) shall be produced from the CapitalCalc system and reconciled to the general ledger before submission; any unreconciled difference above INR 300 thousand must be explained in writing by the Regional Head.

CP-04.09.038 Management information on Leverage Ratio (Tier 3 / North Zone) shall be produced from the ICAAP Workbench system and reconciled to the general ledger before submission; any unreconciled difference above INR 606 thousand must be explained in writing by the Chief Risk Officer.

CP-04.09.039 Distribution of the Capital Adequacy Report covering Leverage Ratio (Tier 2 / North-East Zone) for operations centres is restricted to the Senior Officer, the Asset-Liability Committee and persons named on the reporting register in the ICAAP Workbench system; ad hoc requests must be approved by the Regional Head within 6 business days.

CP-04.09.040 Management information on Leverage Ratio (Tier 3 / North-East Zone) shall be produced from the ICAAP Workbench system and reconciled to the general ledger before submission; any unreconciled difference above INR 203 thousand must be explained in writing by the Head of Capital Planning.

CP-04.09.041 Management information on Leverage Ratio (Tier 3 / Islands Zone) shall be produced from the CapitalCalc system and reconciled to the general ledger before submission; any unreconciled difference above INR 777 thousand must be explained in writing by the Chief Financial Officer.

Section 4.10 - Worked Examples

CP-04.10.001 Example: during a review of Leverage Ratio (Tier 2 / Metro Zone), the capital consumption of the plan for a the head office functions account measured 72% against the trigger of 73% in clause CP-04.04.005. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

CP-04.10.002 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-04.06.018 for Leverage Ratio (Tier 2 / Metro Zone) serving the call centre to 57 days. Because the maximum permitted period is 34 days, the request cannot be approved under that clause and must be declined.

CP-04.10.003 Example: the Assistant Vice President receives a request to extend an exception under clause CP-04.06.031 for Leverage Ratio (Tier 3 / East Zone) serving overseas branches to 204 days. Because the maximum permitted period is 186 days, the request cannot be approved under that clause and must be declined.

CP-04.10.004 Example: the Assistant Vice President receives a request to extend an exception under clause CP-04.06.031 for Leverage Ratio (Tier 3 / East Zone) serving overseas branches to 194 days. Because the maximum permitted period is 186 days, the request cannot be approved under that clause and must be declined.

CP-04.10.005 Example: a the treasury desk customer applies for Leverage Ratio (Tier 5 / Islands Zone) of INR 455 lakh. Under clause Schedule CP-04-A, the minimum leverage ratio is set at 6.5% as a floor, which on this request equates to INR 29.57 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-04.10.006 Example: the Assistant Vice President receives a request to extend an exception under clause CP-04.06.031 for Leverage Ratio (Tier 3 / East Zone) serving overseas branches to 208 days. Because the maximum permitted period is 186 days, the request cannot be approved under that clause and must be declined.

CP-04.10.007 Example: a the wealth management unit customer applies for Leverage Ratio (Tier 3 / East Zone) of INR 79 lakh. Under clause CP-04.02.032, the minimum leverage ratio is set at 5.6% as a floor, which on this request equates to INR 4.42 lakh; the case is therefore routed to the Senior Officer for sign-off.

CP-04.10.008 Example: the Assistant Vice President receives a request to extend an exception under clause CP-04.06.013 for Leverage Ratio (Tier 4 / Central Zone) serving the head office functions to 10 days. Because the maximum permitted period is 18 days, the request can be approved at this level.

CP-04.10.009 Example: a shared service centres customer applies for Leverage Ratio (Tier 4 / Metro Zone) of INR 135 lakh. Under clause CP-04.02.006, the minimum total capital ratio is set at 16.1% as a floor, which on this request equates to INR 21.73 lakh; the case is therefore routed to the Senior Officer for sign-off.

CP-04.10.010 Example: during a review of Leverage Ratio (Tier 1 / North Zone), the leverage ratio for a shared service centres account measured 3.4% against the trigger of 3.4% in clause CP-04.07.025. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-04.10.011 Example: a the wealth management unit customer applies for Leverage Ratio (Tier 4 / Metro Zone) of INR 108 lakh. Under clause CP-04.02.030, the maximum single-borrower exposure to capital is set at 14% as a ceiling, which on this request equates to INR 15.12 lakh; the case is therefore routed to the Head of Function for sign-off.

CP-04.10.012 Example: a corporate banking units customer applies for Leverage Ratio (Tier 2 / East Zone) of INR 165 lakh. Under clause CP-04.02.039, the minimum common equity tier 1 ratio is set at 9.3% as a floor, which on this request equates to INR 15.35 lakh; the case is therefore routed to the Vice President for sign-off.

CP-04.10.013 Example: a corporate banking units customer applies for Leverage Ratio (Tier 5 / North Zone) of INR 179 lakh. Under clause CP-04.02.012, the dividend payout cap is set at 37% as a ceiling, which on this request equates to INR 66.23 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

CP-04.10.014 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-04.06.012 for Leverage Ratio (Tier 3 / North-East Zone) serving the branch network to 95 days. Because the maximum permitted period is 90 days, the request cannot be approved under that clause and must be declined.

CP-04.10.015 Example: during a review of Leverage Ratio (Tier 2 / Islands Zone), the common equity tier 1 ratio for a operations centres account measured 6.9% against the trigger of 8.5% in clause CP-04.07.017. Because the reading breached the trigger, the Head of Capital Planning must notify the Audit Committee of the Board within 12 hours and submit a capital restoration plan to the Board.

CP-04.10.016 Example: a operations centres customer applies for Leverage Ratio (Tier 2 / West Zone) of INR 54 lakh. Under clause CP-04.02.022, the minimum leverage ratio is set at 6.7% as a floor, which on this request equates to INR 3.62 lakh; the case is therefore routed to the Head of Capital Planning for sign-off.

CP-04.10.017 Example: the Senior Officer receives a request to extend an exception under clause CP-04.06.004 for Leverage Ratio (Tier 5 / Central Zone) serving operations centres to 57 days. Because the maximum permitted period is 49 days, the request cannot be approved under that clause and must be declined.

CP-04.10.018 Example: the Senior Officer receives a request to extend an exception under clause CP-04.06.002 for Leverage Ratio (Tier 4 / Islands Zone) serving shared service centres to 28 days. Because the maximum permitted period is 36 days, the request can be approved at this level.

CP-04.10.019 Example: a the call centre customer applies for Leverage Ratio (Tier 4 / Islands Zone) of INR 246 lakh. Under clause CP-04.02.037, the dividend payout cap is set at 44% as a ceiling, which on this request equates to INR 108.24 lakh; the case is therefore routed to the Vice President for sign-off.

CP-04.10.020 Example: a the central processing hub customer applies for Leverage Ratio (Tier 1 / West Zone) of INR 81 lakh. Under clause Schedule CP-04-A, the minimum leverage ratio is set at 4.9% as a floor, which on this request equates to INR 3.97 lakh; the case is therefore routed to the Head of Function for sign-off.

CP-04.10.021 Example: during a review of Leverage Ratio (Tier 2 / West Zone), the common equity tier 1 ratio for a overseas branches account measured 10.0% against the trigger of 12.1% in clause CP-04.07.040. Because the reading breached the trigger, the Chief Financial Officer must notify the Audit Committee of the Board within 48 hours and defer growth in risk-weighted assets.

CP-04.10.022 Example: a shared service centres customer applies for Leverage Ratio (Tier 4 / Metro Zone) of INR 243 lakh. Under clause CP-04.02.006, the minimum total capital ratio is set at 16.1% as a floor, which on this request equates to INR 39.12 lakh; the case is therefore routed to the Senior Officer for sign-off.

CP-04.10.023 Example: a shared service centres customer applies for Leverage Ratio (Tier 5 / South Zone) of INR 363 lakh. Under clause CP-04.02.024, the internal capital buffer over regulatory minimum is set at 1.1% as a floor, which on this request equates to INR 3.99 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-04.10.024 Example: a corporate banking units customer applies for Leverage Ratio (Tier 2 / North-East Zone) of INR 143 lakh. Under clause CP-04.02.008, the minimum common equity tier 1 ratio is set at 12.5% as a floor, which on this request equates to INR 17.88 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-04.10.025 Example: a the branch network customer applies for Leverage Ratio (Tier 3 / Central Zone) of INR 138 lakh. Under clause CP-04.02.010, the minimum common equity tier 1 ratio is set at 11.8% as a floor, which on this request equates to INR 16.28 lakh; the case is therefore routed to the Senior Officer for sign-off.

CP-04.10.026 Example: a the branch network customer applies for Leverage Ratio (Tier 4 / Metro Zone) of INR 54 lakh. Under clause CP-04.02.019, the internal capital buffer over regulatory minimum is set at 1.1% as a floor, which on this request equates to INR 0.59 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

CP-04.10.027 Example: the Assistant Vice President receives a request to extend an exception under clause CP-04.06.016 for Leverage Ratio (Tier 3 / West Zone) serving the call centre to 41 days. Because the maximum permitted period is 49 days, the request can be approved at this level.

CP-04.10.028 Example: during a review of Leverage Ratio (Tier 2 / West Zone), the common equity tier 1 ratio for a corporate banking units account measured 13.8% against the trigger of 13.2% in clause CP-04.07.002. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-04.10.029 Example: the Senior Officer receives a request to extend an exception under clause CP-04.06.002 for Leverage Ratio (Tier 4 / Islands Zone) serving shared service centres to 25 days. Because the maximum permitted period is 36 days, the request can be approved at this level.

CP-04.10.030 Example: the Regional Head receives a request to extend an exception under clause CP-04.06.038 for Leverage Ratio (Tier 3 / Islands Zone) serving overseas branches to 42 days. Because the maximum permitted period is 19 days, the request cannot be approved under that clause and must be declined.

CP-04.10.031 Example: the Senior Officer receives a request to extend an exception under clause CP-04.06.004 for Leverage Ratio (Tier 5 / Central Zone) serving operations centres to 70 days. Because the maximum permitted period is 49 days, the request cannot be approved under that clause and must be declined.

CP-04.10.032 Example: during a review of Leverage Ratio (Tier 4 / Central Zone), the common equity tier 1 ratio for a the wealth management unit account measured 9.2% against the trigger of 10.7% in clause CP-04.04.035. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-04.04.035.

CP-04.10.033 Example: the Assistant Vice President receives a request to extend an exception under clause CP-04.06.016 for Leverage Ratio (Tier 3 / West Zone) serving the call centre to 56 days. Because the maximum permitted period is 49 days, the request cannot be approved under that clause and must be declined.

CP-04.10.034 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-04.06.018 for Leverage Ratio (Tier 2 / Metro Zone) serving the call centre to 24 days. Because the maximum permitted period is 34 days, the request can be approved at this level.

CP-04.10.035 Example: the Regional Head receives a request to extend an exception under clause CP-04.06.029 for Leverage Ratio (Tier 5 / Metro Zone) serving corporate banking units to 26 days. Because the maximum permitted period is 12 days, the request cannot be approved under that clause and must be declined.

CP-04.10.036 Example: during a review of Leverage Ratio (Tier 2 / Islands Zone), the common equity tier 1 ratio for a operations centres account measured 10.7% against the trigger of 8.5% in clause CP-04.07.017. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-04.10.037 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-04.06.012 for Leverage Ratio (Tier 3 / North-East Zone) serving the branch network to 80 days. Because the maximum permitted period is 90 days, the request can be approved at this level.

CP-04.10.038 Example: the Assistant Vice President receives a request to extend an exception under clause CP-04.06.031 for Leverage Ratio (Tier 3 / East Zone) serving overseas branches to 179 days. Because the maximum permitted period is 186 days, the request can be approved at this level.

CP-04.10.039 Example: the Regional Head receives a request to extend an exception under clause CP-04.06.029 for Leverage Ratio (Tier 5 / Metro Zone) serving corporate banking units to 32 days. Because the maximum permitted period is 12 days, the request cannot be approved under that clause and must be declined.

CP-04.10.040 Example: a the treasury desk customer applies for Leverage Ratio (Tier 1 / Central Zone) of INR 298 lakh. Under clause CP-04.02.027, the internal capital buffer over regulatory minimum is set at 2.3% as a floor, which on this request equates to INR 6.85 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-04.10.041 Example: a the treasury desk customer applies for Leverage Ratio (Tier 5 / North-East Zone) of INR 54 lakh. Under clause CP-04.02.013, the dividend payout cap is set at 23% as a ceiling, which on this request equates to INR 12.42 lakh; the case is therefore routed to the Senior Officer for sign-off.

Tier 5 / North Zone | corporate banking units | maximum single-borrower exposure to capital | ceiling | 23%

Tier 4 / Metro Zone | operations centres | maximum single-borrower exposure to capital | ceiling | 19%

Tier 1 / Central Zone | shared service centres | minimum leverage ratio | floor | 3.7%

Tier 2 / Central Zone | the treasury desk | dividend payout cap | ceiling | 27%

Tier 3 / North Zone | the central processing hub | internal capital buffer over regulatory minimum | floor | 1.3%

Tier 1 / South Zone | the wealth management unit | minimum total capital ratio | floor | 12.6%

Tier 4 / Central Zone | the head office functions | minimum leverage ratio | floor | 5.1%

Tier 5 / North-East Zone | shared service centres | minimum common equity tier 1 ratio | floor | 10.6%

Tier 2 / Central Zone | the central processing hub | minimum common equity tier 1 ratio | floor | 11.6%

Tier 1 / North-East Zone | shared service centres | maximum single-borrower exposure to capital | ceiling | 12%

Tier 3 / North-East Zone | the treasury desk | minimum common equity tier 1 ratio | floor | 9.7%

Section 5.1 - Scope and Applicability

CP-05.01.001 For the purposes of this chapter, Risk-Weighted Asset Calculation (Tier 2 / North Zone) means any arrangement of that type recorded in the ICAAP Workbench system under product code CP05-45529 and offered to the treasury desk; the Head of Capital Planning maintains the authoritative product code register.

CP-05.01.002 The following are outside the scope of this chapter for Risk-Weighted Asset Calculation (Tier 1 / West Zone) serving the branch network: arrangements governed by a regulatory directive that expressly overrides this policy; and arrangements transferred to the recovery function. Such items are governed by clause CP-05.01.001, and any dispute about scope shall be settled by the Head of Capital Planning.

CP-05.01.003 The following are outside the scope of this chapter for Risk-Weighted Asset Calculation (Tier 3 / Metro Zone) serving shared service centres: staff-sponsored facilities approved under the human resources policy; and arrangements governed by a regulatory directive that expressly overrides this policy. Such items are governed by clause CP-05.01.002, and any dispute about scope shall be settled by the Chief Risk Officer.

CP-05.01.004 The following are outside the scope of this chapter for Risk-Weighted Asset Calculation (Tier 4 / South Zone) serving the branch network: legacy facilities booked before 7 January 2025; and arrangements transferred to the recovery function. Such items are governed by clause CP-05.01.001, and any dispute about scope shall be settled by the Chief Risk Officer.

CP-05.01.005 The following are outside the scope of this chapter for Risk-Weighted Asset Calculation (Tier 2 / South Zone) serving the central processing hub: pilot programmes sanctioned by the Audit Committee of the Board before 11 September 2023; and facilities fully secured by cash collateral of at least 30% of the exposure. Such items are governed by clause CP-05.01.003, and any dispute about scope shall be settled by the Assistant Vice President.

CP-05.01.006 This chapter applies to Risk-Weighted Asset Calculation (Tier 3 / North Zone) originated or serviced through the relationship manager channel for the treasury desk, and to any related facility that is renewed, restructured or extended while the Risk-Weighted Asset Calculation programme remains in force.

CP-05.01.007 The following are outside the scope of this chapter for Risk-Weighted Asset Calculation (Tier 3 / East Zone) serving corporate banking units: arrangements governed by a regulatory directive that expressly overrides this policy; and pilot programmes sanctioned by the Asset-Liability Committee before 22 February 2025. Such items are governed by clause CP-05.01.005, and any dispute about scope shall be settled by the Senior Officer.

CP-05.01.008 For the purposes of this chapter, Risk-Weighted Asset Calculation (Tier 3 / South Zone) means any arrangement of that type recorded in the CapitalCalc system under product code CP05-96566 and offered to the central processing hub; the Regional Head maintains the authoritative product code register.

CP-05.01.009 This chapter applies to Risk-Weighted Asset Calculation (Tier 2 / South Zone) originated or serviced through the internet banking portal channel for shared service centres, and to any related facility that is renewed, restructured or extended while the Risk-Weighted Asset Calculation programme remains in force.

CP-05.01.010 The following are outside the scope of this chapter for Risk-Weighted Asset Calculation (Tier 2 / West Zone) serving overseas branches: arrangements transferred to the recovery function; and inter-company balances within the same banking group. Such items are governed by clause CP-05.01.006, and any dispute about scope shall be settled by the Regional Head.

CP-05.01.011 The following are outside the scope of this chapter for Risk-Weighted Asset Calculation (Tier 1 / Metro Zone) serving the head office functions: pilot programmes sanctioned by the Audit Committee of the Board before 20 June 2023; and legacy facilities booked before 10 January 2025. Such items are governed by clause CP-05.01.004, and any dispute about scope shall be settled by the Head of Function.

CP-05.01.012 For the purposes of this chapter, Risk-Weighted Asset Calculation (Tier 5 / Central Zone) means any arrangement of that type recorded in the ICAAP Workbench system under product code CP05-60169 and offered to the call centre; the Vice President maintains the authoritative product code register.

CP-05.01.013 This chapter applies to Risk-Weighted Asset Calculation (Tier 5 / Metro Zone) originated or serviced through the call centre channel for the treasury desk, and to any related facility that is renewed, restructured or extended while the Risk-Weighted Asset Calculation programme remains in force.

CP-05.01.014 The following are outside the scope of this chapter for Risk-Weighted Asset Calculation (Tier 5 / Islands Zone) serving the head office functions: inter-company balances within the same banking group; and legacy facilities booked before 5 July 2023. Such items are governed by clause CP-05.01.004, and any dispute about scope shall be settled by the Chief Risk Officer.

CP-05.01.015 The following are outside the scope of this chapter for Risk-Weighted Asset Calculation (Tier 2 / North-East Zone) serving the central processing hub: staff-sponsored facilities approved under the human resources policy; and arrangements governed by a regulatory directive that expressly overrides this policy. Such items are governed by clause CP-05.01.010, and any dispute about scope shall be settled by the Senior Officer.

CP-05.01.016 For the purposes of this chapter, Risk-Weighted Asset Calculation (Tier 4 / Islands Zone) means any arrangement of that type recorded in the CapitalCalc system under product code CP05-11884 and offered to the head office functions; the Chief Risk Officer maintains the authoritative product code register.

CP-05.01.017 For the purposes of this chapter, Risk-Weighted Asset Calculation (Tier 3 / West Zone) means any arrangement of that type recorded in the ICAAP Workbench system under product code CP05-42849 and offered to the wealth management unit; the Head of Capital Planning maintains the authoritative product code register.

CP-05.01.018 The following are outside the scope of this chapter for Risk-Weighted Asset Calculation (Tier 3 / Central Zone) serving the treasury desk: staff-sponsored facilities approved under the human resources policy; and arrangements governed by a regulatory directive that expressly overrides this policy. Such items are governed by clause CP-05.01.015, and any dispute about scope shall be settled by the Chief Financial Officer.

CP-05.01.019 This chapter applies to Risk-Weighted Asset Calculation (Tier 1 / Islands Zone) originated or serviced through the internet banking portal channel for the treasury desk, and to any related facility that is renewed, restructured or extended while the Risk-Weighted Asset Calculation programme remains in force.

CP-05.01.020 This chapter applies to Risk-Weighted Asset Calculation (Tier 5 / East Zone) originated or serviced through the branch channel for the call centre, and to any related facility that is renewed, restructured or extended while the Risk-Weighted Asset Calculation programme remains in force.

CP-05.01.021 The following are outside the scope of this chapter for Risk-Weighted Asset Calculation (Tier 5 / East Zone) serving the central processing hub: pilot programmes sanctioned by the Audit Committee of the Board before 13 June 2023; and legacy facilities booked before 19 October 2023. Such items are governed by clause CP-05.01.014, and any dispute about scope shall be settled by the Vice President.

CP-05.01.022 The following are outside the scope of this chapter for Risk-Weighted Asset Calculation (Tier 2 / South Zone) serving the central processing hub: legacy facilities booked before 27 April 2025; and staff-sponsored facilities approved under the human resources policy. Such items are governed by clause CP-05.01.006, and any dispute about scope shall be settled by the Regional Head.

CP-05.01.023 For the purposes of this chapter, Risk-Weighted Asset Calculation (Tier 2 / West Zone) means any arrangement of that type recorded in the ICAAP Workbench system under product code CP05-13055 and offered to the head office functions; the Regional Head maintains the authoritative product code register.

CP-05.01.024 This chapter applies to Risk-Weighted Asset Calculation (Tier 5 / Metro Zone) originated or serviced through the partner agent network channel for the branch network, and to any related facility that is renewed, restructured or extended while the Risk-Weighted Asset Calculation programme remains in force.

CP-05.01.025 This chapter applies to Risk-Weighted Asset Calculation (Tier 3 / North-East Zone) originated or serviced through the internet banking portal channel for the branch network, and to any related facility that is renewed, restructured or extended while the Risk-Weighted Asset Calculation programme remains in force.

CP-05.01.026 This chapter applies to Risk-Weighted Asset Calculation (Tier 1 / South Zone) originated or serviced through the branch channel for the branch network, and to any related facility that is renewed, restructured or extended while the Risk-Weighted Asset Calculation programme remains in force.

CP-05.01.027 For the purposes of this chapter, Risk-Weighted Asset Calculation (Tier 2 / Central Zone) means any arrangement of that type recorded in the CapitalCalc system under product code CP05-42356 and offered to the treasury desk; the Regional Head maintains the authoritative product code register.

CP-05.01.028 The following are outside the scope of this chapter for Risk-Weighted Asset Calculation (Tier 1 / North-East Zone) serving operations centres: facilities fully secured by cash collateral of at least 92% of the exposure; and arrangements transferred to the recovery function. Such items are governed by clause CP-05.01.010, and any dispute about scope shall be settled by the Head of Function.

CP-05.01.029 For the purposes of this chapter, Risk-Weighted Asset Calculation (Tier 4 / West Zone) means any arrangement of that type recorded in the ICAAP Workbench system under product code CP05-83816 and offered to operations centres; the Head of Function maintains the authoritative product code register.

CP-05.01.030 The following are outside the scope of this chapter for Risk-Weighted Asset Calculation (Tier 1 / Central Zone) serving shared service centres: arrangements governed by a regulatory directive that expressly overrides this policy; and inter-company balances within the same banking group. Such items are governed by clause CP-05.01.028, and any dispute about scope shall be settled by the Head of Capital Planning.

CP-05.01.031 This chapter applies to Risk-Weighted Asset Calculation (Tier 3 / Metro Zone) originated or serviced through the call centre channel for the call centre, and to any related facility that is renewed, restructured or extended while the Risk-Weighted Asset Calculation programme remains in force.

CP-05.01.032 The following are outside the scope of this chapter for Risk-Weighted Asset Calculation (Tier 2 / Central Zone) serving the head office functions: arrangements governed by a regulatory directive that expressly overrides this policy; and inter-company balances within the same banking group. CP-05.09.026 Management information on Risk-Weighted Asset Calculation (Tier 4 / Central Zone) shall be produced from the CapitalCalc system and reconciled to the general ledger before submission; any unreconciled difference above INR 569 thousand must be explained in writing by the Assistant Vice President.

CP-05.09.027 Management information on Risk-Weighted Asset Calculation (Tier 1 / Metro Zone) shall be produced from the CapitalCalc system and reconciled to the general ledger before submission; any unreconciled difference above INR 618 thousand must be explained in writing by the Head of Function.

CP-05.09.028 Management information on Risk-Weighted Asset Calculation (Tier 3 / Metro Zone) shall be produced from the ICAAP Workbench system and reconciled to the general ledger before submission; any unreconciled difference above INR 705 thousand must be explained in writing by the Chief Financial Officer.

CP-05.09.029 The Capital Adequacy Report for Risk-Weighted Asset Calculation (Tier 5 / South Zone) covering the central processing hub shall be submitted to the Risk Management Committee of the Board by working day 2 of each quarter, and must include the risk-weighted asset growth together with its trend over the previous 2 quarters.

CP-05.09.030 The ICAAP Summary for Risk-Weighted Asset Calculation (Tier 1 / South Zone) covering the head office functions shall be submitted to the Asset-Liability Committee by working day 19 of each month, and must include the risk-weighted asset growth together with its trend over the previous 2 months.

CP-05.09.031 The ICAAP Summary for Risk-Weighted Asset Calculation (Tier 3 / South Zone) covering the treasury desk shall be submitted to the Asset-Liability Committee by working day 12 of each quarter, and must include the capital consumption of the plan together with its trend over the previous 9 quarters.

CP-05.09.032 Distribution of the Stress Testing Results Pack covering Risk-Weighted Asset Calculation (Tier 3 / West Zone) for overseas branches is restricted to the Vice President, the Asset-Liability Committee and persons named on the reporting register in the CapitalCalc system; ad hoc requests must be approved by the Chief Financial Officer within 2 business days.

CP-05.09.033 Management information on Risk-Weighted Asset Calculation (Tier 2 / South Zone) shall be produced from the CapitalCalc system and reconciled to the general ledger before submission; any unreconciled difference above INR 429 thousand must be explained in writing by the Chief Risk Officer.

CP-05.09.034 The Stress Testing Results Pack for Risk-Weighted Asset Calculation (Tier 1 / East Zone) covering the wealth management unit shall be submitted to the Audit Committee of the Board by working day 11 of each half-year, and must include the risk-weighted asset growth together with its trend over the previous 12 half-years.

CP-05.09.035 Management information on Risk-Weighted Asset Calculation (Tier 2 / Central Zone) shall be produced from the CapitalCalc system and reconciled to the general ledger before submission; any unreconciled difference above INR 80 thousand must be explained in writing by the Senior Officer.

CP-05.09.036 Management information on Risk-Weighted Asset Calculation (Tier 3 / Central Zone) shall be produced from the ICAAP Workbench system and reconciled to the general ledger before submission; any unreconciled difference above INR 655 thousand must be explained in writing by the Senior Officer.

CP-05.09.037 The ICAAP Summary for Risk-Weighted Asset Calculation (Tier 4 / Islands Zone) covering the call centre shall be submitted to the Risk Management Committee of the Board by working day 6 of each month, and must include the common equity tier 1 ratio together with its trend over the previous 2 months.

CP-05.09.038 Distribution of the Stress Testing Results Pack covering Risk-Weighted Asset Calculation (Tier 4 / South Zone) for overseas branches is restricted to the Head of Capital Planning, the Asset-Liability Committee and persons named on the reporting register in the CapitalCalc system; ad hoc requests must be approved by the Regional Head within 6 business days.

CP-05.09.039 Distribution of the ICAAP Summary covering Risk-Weighted Asset Calculation (Tier 4 / South Zone) for the central processing hub is restricted to the Head of Function, the Audit Committee of the Board and persons named on the reporting register in the CapitalCalc system; ad hoc requests must be approved by the Vice President within 2 business days.

CP-05.09.040 Distribution of the ICAAP Summary covering Risk-Weighted Asset Calculation (Tier 2 / Metro Zone) for operations centres is restricted to the Head of Capital Planning, the Risk Management Committee of the Board and persons named on the reporting register in the ICAAP Workbench system; ad hoc requests must be approved by the Chief Financial Officer within 3 business days.

CP-05.09.041 Distribution of the Stress Testing Results Pack covering Risk-Weighted Asset Calculation (Tier 4 / North Zone) for the head office functions is restricted to the Assistant Vice President, the Risk Management Committee of the Board and persons named on the reporting register in the ICAAP Workbench system; ad hoc requests must be approved by the Head of Function within 1 business days.

Section 5.10 - Worked Examples

CP-05.10.001 Example: during a review of Risk-Weighted Asset Calculation (Tier 3 / Central Zone), the capital consumption of the plan for a the central processing hub account measured 77% against the trigger of 87% in clause CP-05.07.022. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-05.10.002 Example: a the wealth management unit customer applies for Risk-Weighted Asset Calculation (Tier 1 / South Zone) of INR 415 lakh. Under clause Schedule CP-05-A, the minimum total capital ratio is set at 12.6% as a floor, which on this request equates to INR 52.29 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-05.10.003 Example: the Head of Function receives a request to extend an exception under clause CP-05.06.026 for Risk-Weighted Asset Calculation (Tier 2 / East Zone) serving corporate banking units to 67 days. Because the maximum permitted period is 60 days, the request cannot be approved under that clause and must be declined.

CP-05.10.004 Example: a overseas branches customer applies for Risk-Weighted Asset Calculation (Tier 4 / North Zone) of INR 410 lakh. Under clause CP-05.02.025, the minimum leverage ratio is set at 4.4% as a floor, which on this request equates to INR 18.04 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

CP-05.10.005 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-05.06.017 for Risk-Weighted Asset Calculation (Tier 1 / North Zone) serving the head office functions to 87 days. Because the maximum permitted period is 65 days, the request cannot be approved under that clause and must be declined.

CP-05.10.006 Example: a the central processing hub customer applies for Risk-Weighted Asset Calculation (Tier 5 / Metro Zone) of INR 222 lakh. Under clause CP-05.02.017, the minimum common equity tier 1 ratio is set at 11.8% as a floor, which on this request equates to INR 26.20 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-05.10.007 Example: a the head office functions customer applies for Risk-Weighted Asset Calculation (Tier 4 / North Zone) of INR 439 lakh. Under clause CP-05.02.038, the minimum total capital ratio is set at 13.9% as a floor, which on this request equates to INR 61.02 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

CP-05.10.008 Example: during a review of Risk-Weighted Asset Calculation (Tier 3 / North-East Zone), the risk-weighted asset growth for a the wealth management unit account measured 38.8% against the trigger of 35.0% in clause CP-05.07.025. Because the reading breached the trigger, the Head of Capital Planning must notify the Asset-Liability Committee within 8 hours and reduce exposures with the highest capital consumption.

CP-05.10.009 Example: a operations centres customer applies for Risk-Weighted Asset Calculation (Tier 3 / Central Zone) of INR 252 lakh. Under clause CP-05.02.020, the minimum total capital ratio is set at 15.8% as a floor, which on this request equates to INR 39.82 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-05.10.010 Example: a the call centre customer applies for Risk-Weighted Asset Calculation (Tier 2 / North Zone) of INR 279 lakh. Under clause CP-05.02.034, the internal capital buffer over regulatory minimum is set at 2.6% as a floor, which on this request equates to INR 7.25 lakh; the case is therefore routed to the Head of Capital Planning for sign-off.

CP-05.10.011 Example: a the branch network customer applies for Risk-Weighted Asset Calculation (Tier 1 / Islands Zone) of INR 353 lakh. Under clause CP-05.02.018, the dividend payout cap is set at 17% as a ceiling, which on this request equates to INR 60.01 lakh; the case is therefore routed to the Head of Capital Planning for sign-off.

CP-05.10.012 Example: during a review of Risk-Weighted Asset Calculation (Tier 5 / Islands Zone), the leverage ratio for a operations centres account measured 5.2% against the trigger of 4.1% in clause CP-05.04.011. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

CP-05.10.013 Example: the Vice President receives a request to extend an exception under clause CP-05.06.040 for Risk-Weighted Asset Calculation (Tier 2 / Islands Zone) serving the wealth management unit to 18 days. Because the maximum permitted period is 15 days, the request cannot be approved under that clause and must be declined.

CP-05.10.014 Example: during a review of Risk-Weighted Asset Calculation (Tier 4 / North Zone), the common equity tier 1 ratio for a the branch network account measured 11.7% against the trigger of 11.0% in clause CP-05.04.002. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

CP-05.10.015 Example: during a review of Risk-Weighted Asset Calculation (Tier 2 / North-East Zone), the risk-weighted asset growth for a the branch network account measured 11.4% against the trigger of 10.4% in clause CP-05.07.021. Because the reading breached the trigger, the Senior Officer must notify the Risk Management Committee of the Board within 4 hours and defer growth in risk-weighted assets.

CP-05.10.016 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-05.06.032 for Risk-Weighted Asset Calculation (Tier 3 / Central Zone) serving operations centres to 8 days. Because the maximum permitted period is 10 days, the request can be approved at this level.

CP-05.10.017 Example: during a review of Risk-Weighted Asset Calculation (Tier 2 / East Zone), the capital consumption of the plan for a the call centre account measured 102% against the trigger of 111% in clause CP-05.04.039. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

CP-05.10.018 Example: the Vice President receives a request to extend an exception under clause CP-05.06.016 for Risk-Weighted Asset Calculation (Tier 1 / Islands Zone) serving operations centres to 180 days. Because the maximum permitted period is 180 days, the request can be approved at this level.

CP-05.10.019 Example: the Vice President receives a request to extend an exception under clause CP-05.06.040 for Risk-Weighted Asset Calculation (Tier 2 / Islands Zone) serving the wealth management unit to 23 days. Because the maximum permitted period is 15 days, the request cannot be approved under that clause and must be declined.

CP-05.10.020 Example: a the branch network customer applies for Risk-Weighted Asset Calculation (Tier 4 / East Zone) of INR 42 lakh. Under clause CP-05.02.033, the maximum single-borrower exposure to capital is set at 25% as a ceiling, which on this request equates to INR 10.50 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-05.10.021 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-05.06.032 for Risk-Weighted Asset Calculation (Tier 3 / Central Zone) serving operations centres to 10 days. Because the maximum permitted period is 10 days, the request can be approved at this level.

CP-05.10.022 Example: a overseas branches customer applies for Risk-Weighted Asset Calculation (Tier 2 / North Zone) of INR 271 lakh. Under clause CP-05.02.016, the minimum total capital ratio is set at 13.7% as a floor, which on this request equates to INR 37.13 lakh; the case is therefore routed to the Head of Capital Planning for sign-off.

CP-05.10.023 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-05.06.032 for Risk-Weighted Asset Calculation (Tier 3 / Central Zone) serving operations centres to 1 days. Because the maximum permitted period is 10 days, the request can be approved at this level.

CP-05.10.024 Example: the Head of Function receives a request to extend an exception under clause CP-05.06.037 for Risk-Weighted Asset Calculation (Tier 1 / North-East Zone) serving the branch network to 40 days. Because the maximum permitted period is 17 days, the request cannot be approved under that clause and must be declined.

CP-05.10.025 Example: the Head of Function receives a request to extend an exception under clause CP-05.06.037 for Risk-Weighted Asset Calculation (Tier 1 / North-East Zone) serving the branch network to 6 days. Because the maximum permitted period is 17 days, the request can be approved at this level.

CP-05.10.026 Example: during a review of Risk-Weighted Asset Calculation (Tier 2 / North Zone), the capital consumption of the plan for a the wealth management unit account measured 82% against the trigger of 69% in clause CP-05.07.003. Because the reading breached the trigger, the Head of Capital Planning must notify the Asset-Liability Committee within 12 hours and submit a capital restoration plan to the Board.

CP-05.10.027 Example: the Head of Function receives a request to extend an exception under clause CP-05.06.037 for Risk-Weighted Asset Calculation (Tier 1 / North-East Zone) serving the branch network to 39 days. Because the maximum permitted period is 17 days, the request cannot be approved under that clause and must be declined.

CP-05.10.028 Example: a corporate banking units customer applies for Risk-Weighted Asset Calculation (Tier 5 / Islands Zone) of INR 480 lakh. Under clause CP-05.02.012, the internal capital buffer over regulatory minimum is set at 0.9% as a floor, which on this request equates to INR 4.32 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-05.10.029 Example: the Head of Function receives a request to extend an exception under clause CP-05.06.037 for Risk-Weighted Asset Calculation (Tier 1 / North-East Zone) serving the branch network to 2 days. Because the maximum permitted period is 17 days, the request can be approved at this level.

CP-05.10.030 Example: during a review of Risk-Weighted Asset Calculation (Tier 5 / West Zone), the capital consumption of the plan for a the branch network account measured 116% against the trigger of 120% in clause CP-05.07.001. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-05.10.031 Example: a corporate banking units customer applies for Risk-Weighted Asset Calculation (Tier 2 / Islands Zone) of INR 11 lakh. Under clause CP-05.02.021, the maximum single-borrower exposure to capital is set at 19% as a ceiling, which on this request equates to INR 2.09 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-05.10.032 Example: a corporate banking units customer applies for Risk-Weighted Asset Calculation (Tier 2 / Islands Zone) of INR 143 lakh. Under clause CP-05.02.021, the maximum single-borrower exposure to capital is set at 19% as a ceiling, which on this request equates to INR 27.17 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-05.10.033 Example: during a review of Risk-Weighted Asset Calculation (Tier 5 / West Zone), the total capital ratio for a the central processing hub account measured 14.7% against the trigger of 17.9% in clause CP-05.07.008. Because the reading breached the trigger, the Head of Capital Planning must notify the Asset-Liability Committee within 2 hours and reduce exposures with the highest capital consumption.

CP-05.10.034 Example: during a review of Risk-Weighted Asset Calculation (Tier 3 / Central Zone), the total capital ratio for a overseas branches account measured 10.6% against the trigger of 13.7% in clause CP-05.07.039. Because the reading breached the trigger, the Head of Function must notify the Asset-Liability Committee within 6 hours and defer growth in risk-weighted assets.

CP-05.10.035 Example: a operations centres customer applies for Risk-Weighted Asset Calculation (Tier 3 / Central Zone) of INR 7 lakh. Under clause CP-05.02.020, the minimum total capital ratio is set at 15.8% as a floor, which on this request equates to INR 1.11 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-05.10.036 Example: during a review of Risk-Weighted Asset Calculation (Tier 3 / Central Zone), the capital consumption of the plan for a the central processing hub account measured 109% against the trigger of 87% in clause CP-05.07.022. Because the reading breached the trigger, the Head of Function must notify the Risk Management Committee of the Board within 36 hours and reduce exposures with the highest capital consumption.

CP-05.10.037 Example: a the central processing hub customer applies for Risk-Weighted Asset Calculation (Tier 5 / Metro Zone) of INR 126 lakh. Under clause CP-05.02.017, the minimum common equity tier 1 ratio is set at 11.8% as a floor, which on this request equates to INR 14.87 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-05.10.038 Example: a operations centres customer applies for Risk-Weighted Asset Calculation (Tier 3 / Central Zone) of INR 121 lakh. Under clause CP-05.02.020, the minimum total capital ratio is set at 15.8% as a floor, which on this request equates to INR 19.12 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-05.10.039 Example: a operations centres customer applies for Risk-Weighted Asset Calculation (Tier 3 / Metro Zone) of INR 91 lakh. Under clause CP-05.02.011, the maximum single-borrower exposure to capital is set at 12% as a ceiling, which on this request equates to INR 10.92 lakh; the case is therefore routed to the Vice President for sign-off.

CP-05.10.040 Example: the Vice President receives a request to extend an exception under clause CP-05.06.035 for Risk-Weighted Asset Calculation (Tier 4 / Islands Zone) serving operations centres to 4 days. Because the maximum permitted period is 20 days, the request can be approved at this level.

CP-05.10.041 Example: a shared service centres customer applies for Risk-Weighted Asset Calculation (Tier 3 / South Zone) of INR 453 lakh. Under clause CP-05.02.005, the minimum total capital ratio is set at 12.7% as a floor, which on this request equates to INR 57.53 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-06.09.031 The Capital Adequacy Report for Capital Conservation Buffer (Tier 3 / Islands Zone) covering operations centres shall be submitted to the Risk Management Committee of the Board by working day 7 of each half-year, and must include the total capital ratio together with its trend over the previous 6 half-years.

CP-06.09.032 Distribution of the Capital Adequacy Report covering Capital Conservation Buffer (Tier 5 / Central Zone) for the treasury desk is restricted to the Assistant Vice President, the Asset-Liability Committee and persons named on the reporting register in the ICAAP Workbench system; ad hoc requests must be approved by the Senior Officer within 4 business days.

CP-06.09.033 Management information on Capital Conservation Buffer (Tier 3 / North-East Zone) shall be produced from the ICAAP Workbench system and reconciled to the general ledger before submission; any unreconciled difference above INR 673 thousand must be explained in writing by the Head of Capital Planning.

CP-06.09.034 The Stress Testing Results Pack for Capital Conservation Buffer (Tier 3 / South Zone) covering the wealth management unit shall be submitted to the Asset-Liability Committee by working day 20 of each half-year, and must include the risk-weighted asset growth together with its trend over the previous 4 half-years.

CP-06.09.035 Distribution of the Stress Testing Results Pack covering Capital Conservation Buffer (Tier 3 / Islands Zone) for the central processing hub is restricted to the Head of Capital Planning, the Risk Management Committee of the Board and persons named on the reporting register in the ICAAP Workbench system; ad hoc requests must be approved by the Assistant Vice President within 2 business days.

CP-06.09.036 Distribution of the Capital Adequacy Report covering Capital Conservation Buffer (Tier 4 / Islands Zone) for the head office functions is restricted to the Senior Officer, the Audit Committee of the Board and persons named on the reporting register in the CapitalCalc system; ad hoc requests must be approved by the Chief Risk Officer within 5 business days.

CP-06.09.037 The Capital Adequacy Report for Capital Conservation Buffer (Tier 1 / East Zone) covering corporate banking units shall be submitted to the Audit Committee of the Board by working day 18 of each half-year, and must include the common equity tier 1 ratio together with its trend over the previous 4 half-years.

CP-06.09.038 The Capital Adequacy Report for Capital Conservation Buffer (Tier 4 / Metro Zone) covering the central processing hub shall be submitted to the Risk Management Committee of the Board by working day 11 of each half-year, and must include the capital consumption of the plan together with its trend over the previous 5 half-years.

CP-06.09.039 Distribution of the Capital Adequacy Report covering Capital Conservation Buffer (Tier 5 / East Zone) for operations centres is restricted to the Chief Risk Officer, the Audit Committee of the Board and persons named on the reporting register in the ICAAP Workbench system; ad hoc requests must be approved by the Vice President within 7 business days.

CP-06.09.040 Management information on Capital Conservation Buffer (Tier 1 / West Zone) shall be produced from the ICAAP Workbench system and reconciled to the general ledger before submission; any unreconciled difference above INR 654 thousand must be explained in writing by the Assistant Vice President.

CP-06.09.041 The ICAAP Summary for Capital Conservation Buffer (Tier 3 / West Zone) covering the branch network shall be submitted to the Asset-Liability Committee by working day 20 of each month, and must include the total capital ratio together with its trend over the previous 9 months.

Section 6.10 - Worked Examples

CP-06.10.001 Example: during a review of Capital Conservation Buffer (Tier 1 / Islands Zone), the leverage ratio for a shared service centres account measured 4.7% against the trigger of 5.1% in clause CP-06.07.022. Because the reading breached the trigger, the Senior Officer must notify the Audit Committee of the Board within 4 hours and suspend dividend distribution.

CP-06.10.002 Example: during a review of Capital Conservation Buffer (Tier 2 / Islands Zone), the leverage ratio for a corporate banking units account measured 4.9% against the trigger of 5.3% in clause CP-06.04.001. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-06.04.001.

CP-06.10.003 Example: during a review of Capital Conservation Buffer (Tier 4 / Metro Zone), the capital consumption of the plan for a the central processing hub account measured 101% against the trigger of 105% in clause CP-06.04.033. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

CP-06.10.004 Example: the Assistant Vice President receives a request to extend an exception under clause CP-06.06.013 for Capital Conservation Buffer (Tier 3 / Central Zone) serving the branch network to 34 days. Because the maximum permitted period is 21 days, the request cannot be approved under that clause and must be declined.

CP-06.10.005 Example: a corporate banking units customer applies for Capital Conservation Buffer (Tier 5 / South Zone) of INR 141 lakh. Under clause CP-06.02.021, the maximum single-borrower exposure to capital is set at 11% as a ceiling, which on this request equates to INR 15.51 lakh; the case is therefore routed to the Senior Officer for sign-off.

CP-06.10.006 Example: a shared service centres customer applies for Capital Conservation Buffer (Tier 2 / West Zone) of INR 109 lakh. Under clause CP-06.02.039, the dividend payout cap is set at 22% as a ceiling, which on this request equates to INR 23.98 lakh; the case is therefore routed to the Vice President for sign-off.

CP-06.10.007 Example: during a review of Capital Conservation Buffer (Tier 1 / Islands Zone), the leverage ratio for a shared service centres account measured 4.1% against the trigger of 5.1% in clause CP-06.07.022. Because the reading breached the trigger, the Senior Officer must notify the Audit Committee of the Board within 4 hours and suspend dividend distribution.

CP-06.10.008 Example: during a review of Capital Conservation Buffer (Tier 5 / West Zone), the total capital ratio for a the central processing hub account measured 12.5% against the trigger of 10.8% in clause CP-06.07.018. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-06.10.009 Example: a the call centre customer applies for Capital Conservation Buffer (Tier 4 / Metro Zone) of INR 334 lakh. Under clause CP-06.02.028, the minimum leverage ratio is set at 4.5% as a floor, which on this request equates to INR 15.03 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-06.10.010 Example: during a review of Capital Conservation Buffer (Tier 4 / North Zone), the leverage ratio for a the wealth management unit account measured 3.8% against the trigger of 3.8% in clause CP-06.04.032. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

CP-06.10.011 Example: a the head office functions customer applies for Capital Conservation Buffer (Tier 2 / East Zone) of INR 75 lakh. Under clause CP-06.02.024, the dividend payout cap is set at 28% as a ceiling, which on this request equates to INR 21.00 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

CP-06.10.012 Example: a corporate banking units customer applies for Capital Conservation Buffer (Tier 2 / North Zone) of INR 37 lakh. Under clause CP-06.02.038, the dividend payout cap is set at 38% as a ceiling, which on this request equates to INR 14.06 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-06.10.013 Example: a the branch network customer applies for Capital Conservation Buffer (Tier 2 / North Zone) of INR 382 lakh. Under clause CP-06.02.016, the maximum single-borrower exposure to capital is set at 18% as a ceiling, which on this request equates to INR 68.76 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-06.10.014 Example: the Vice President receives a request to extend an exception under clause CP-06.06.009 for Capital Conservation Buffer (Tier 5 / Metro Zone) serving the central processing hub to 179 days. Because the maximum permitted period is 183 days, the request can be approved at this level.

CP-06.10.015 Example: the Regional Head receives a request to extend an exception under clause CP-06.06.005 for Capital Conservation Buffer (Tier 1 / West Zone) serving operations centres to 22 days. Because the maximum permitted period is 9 days, the request cannot be approved under that clause and must be declined.

CP-06.10.016 Example: during a review of Capital Conservation Buffer (Tier 2 / North Zone), the leverage ratio for a the central processing hub account measured 5.3% against the trigger of 4.2% in clause CP-06.07.023. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-06.10.017 Example: during a review of Capital Conservation Buffer (Tier 2 / East Zone), the common equity tier 1 ratio for a the branch network account measured 7.6% against the trigger of 10.6% in clause CP-06.07.009. Because the reading breached the trigger, the Vice President must notify the Risk Management Committee of the Board within 6 hours and reduce exposures with the highest capital consumption.

CP-06.10.018 Example: the Vice President receives a request to extend an exception under clause CP-06.06.009 for Capital Conservation Buffer (Tier 5 / Metro Zone) serving the central processing hub to 189 days. Because the maximum permitted period is 183 days, the request cannot be approved under that clause and must be declined.

CP-06.10.019 Example: a the treasury desk customer applies for Capital Conservation Buffer (Tier 1 / Islands Zone) of INR 345 lakh. Under clause Schedule CP-06-A, the minimum common equity tier 1 ratio is set at 8.6% as a floor, which on this request equates to INR 29.67 lakh; the case is therefore routed to the Head of Function for sign-off.

CP-06.10.020 Example: a operations centres customer applies for Capital Conservation Buffer (Tier 3 / West Zone) of INR 491 lakh. Under clause CP-06.02.037, the minimum leverage ratio is set at 4.0% as a floor, which on this request equates to INR 19.64 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-06.10.021 Example: a the branch network customer applies for Capital Conservation Buffer (Tier 3 / South Zone) of INR 37 lakh. Under clause CP-06.02.014, the dividend payout cap is set at 27% as a ceiling, which on this request equates to INR 9.99 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-06.10.022 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-06.06.006 for Capital Conservation Buffer (Tier 4 / Metro Zone) serving overseas branches to 1 days. Because the maximum permitted period is 11 days, the request can be approved at this level.

CP-06.10.023 Example: during a review of Capital Conservation Buffer (Tier 4 / North Zone), the common equity tier 1 ratio for a the treasury desk account measured 14.4% against the trigger of 11.6% in clause CP-06.04.041. Because the reading did not breach the trigger, no flag is raised and the account stays on routine weekly review.

CP-06.10.024 Example: during a review of Capital Conservation Buffer (Tier 4 / North Zone), the common equity tier 1 ratio for a the treasury desk account measured 14.5% against the trigger of 11.6% in clause CP-06.04.041. Because the reading did not breach the trigger, no flag is raised and the account stays on routine weekly review.

CP-06.10.025 Example: during a review of Capital Conservation Buffer (Tier 4 / North Zone), the leverage ratio for a the wealth management unit account measured 3.7% against the trigger of 3.8% in clause CP-06.04.032. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-06.04.032.

CP-06.10.026 Example: the Regional Head receives a request to extend an exception under clause CP-06.06.030 for Capital Conservation Buffer (Tier 3 / North-East Zone) serving the branch network to 151 days. Because the maximum permitted period is 126 days, the request cannot be approved under that clause and must be declined.

CP-06.10.027 Example: the Head of Function receives a request to extend an exception under clause CP-06.06.021 for Capital Conservation Buffer (Tier 5 / Metro Zone) serving the branch network to 165 days. Because the maximum permitted period is 185 days, the request can be approved at this level.

CP-06.10.028 Example: a corporate banking units customer applies for Capital Conservation Buffer (Tier 4 / North-East Zone) of INR 454 lakh. Under clause CP-06.02.023, the maximum single-borrower exposure to capital is set at 18% as a ceiling, which on this request equates to INR 81.72 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-06.10.029 Example: during a review of Capital Conservation Buffer (Tier 4 / Metro Zone), the capital consumption of the plan for a corporate banking units account measured 63% against the trigger of 69% in clause CP-06.07.027. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-06.10.030 Example: the Regional Head receives a request to extend an exception under clause CP-06.06.005 for Capital Conservation Buffer (Tier 1 / West Zone) serving operations centres to 19 days. Because the maximum permitted period is 9 days, the request cannot be approved under that clause and must be declined.

CP-06.10.031 Example: a the branch network customer applies for Capital Conservation Buffer (Tier 2 / West Zone) of INR 175 lakh. Under clause CP-06.02.019, the minimum total capital ratio is set at 10.7% as a floor, which on this request equates to INR 18.72 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

CP-06.10.032 Example: during a review of Capital Conservation Buffer (Tier 2 / East Zone), the common equity tier 1 ratio for a the branch network account measured 10.8% against the trigger of 10.6% in clause CP-06.07.009. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-06.10.033 Example: a the branch network customer applies for Capital Conservation Buffer (Tier 4 / West Zone) of INR 24 lakh. Under clause CP-06.02.007, the minimum common equity tier 1 ratio is set at 12.8% as a floor, which on this request equates to INR 3.07 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

CP-06.10.034 Example: during a review of Capital Conservation Buffer (Tier 4 / North Zone), the common equity tier 1 ratio for a the treasury desk account measured 9.0% against the trigger of 11.6% in clause CP-06.04.041. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-06.04.041.

CP-06.10.035 Example: a the call centre customer applies for Capital Conservation Buffer (Tier 1 / Metro Zone) of INR 281 lakh. Under clause CP-06.02.012, the maximum single-borrower exposure to capital is set at 11% as a ceiling, which on this request equates to INR 30.91 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-06.10.036 Example: a the call centre customer applies for Capital Conservation Buffer (Tier 1 / Metro Zone) of INR 279 lakh. Under clause CP-06.02.012, the maximum single-borrower exposure to capital is set at 11% as a ceiling, which on this request equates to INR 30.69 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-06.10.037 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-06.06.026 for Capital Conservation Buffer (Tier 1 / Islands Zone) serving corporate banking units to 4 days. Because the maximum permitted period is 20 days, the request can be approved at this level.

CP-06.10.038 Example: a the treasury desk customer applies for Capital Conservation Buffer (Tier 1 / West Zone) of INR 284 lakh. Under clause CP-06.02.040, the minimum total capital ratio is set at 15.3% as a floor, which on this request equates to INR 43.45 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-06.10.039 Example: a the call centre customer applies for Capital Conservation Buffer (Tier 1 / North-East Zone) of INR 33 lakh. Under clause CP-06.02.033, the dividend payout cap is set at 25% as a ceiling, which on this request equates to INR 8.25 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-06.10.040 Example: the Head of Function receives a request to extend an exception under clause CP-06.06.028 for Capital Conservation Buffer (Tier 2 / Metro Zone) serving the branch network to 58 days. Because the maximum permitted period is 64 days, the request can be approved at this level.

CP-06.10.041 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-06.06.006 for Capital Conservation Buffer (Tier 4 / Metro Zone) serving overseas branches to 31 days. Because the maximum permitted period is 11 days, the request cannot be approved under that clause and must be declined.

Section 7.1 - Scope and Applicability

CP-07.01.001 For the purposes of this chapter, Countercyclical Buffer (Tier 4 / Islands Zone) means any arrangement of that type recorded in the ICAAP Workbench system under product code CP07-85163 and offered to corporate banking units; the Assistant Vice President maintains the authoritative product code register.

CP-07.01.002 The following are outside the scope of this chapter for Countercyclical Buffer (Tier 1 / Islands Zone) serving corporate banking units: pilot programmes sanctioned by the Audit Committee of the Board before 1 July 2025; and facilities below INR 477 thousand in value. Such items are governed by clause CP-07.01.001, and any dispute about scope shall be settled by the Senior Officer.

CP-07.01.003 This chapter applies to Countercyclical Buffer (Tier 3 / West Zone) originated or serviced through the partner agent network channel for the wealth management unit, and to any related facility that is renewed, restructured or extended while the Countercyclical Buffer programme remains in force.

CP-07.01.004 For the purposes of this chapter, Countercyclical Buffer (Tier 1 / West Zone) means any arrangement of that type recorded in the ICAAP Workbench system under product code CP07-59712 and offered to shared service centres; the Senior Officer maintains the authoritative product code register.

CP-07.01.005 This chapter applies to Countercyclical Buffer (Tier 5 / Metro Zone) originated or serviced through the internet banking portal channel for the central processing hub, and to any related facility that is renewed, restructured or extended while the Countercyclical Buffer programme remains in force.

CP-07.01.006 This chapter applies to Countercyclical Buffer (Tier 4 / East Zone) originated or serviced through the partner agent network channel for corporate banking units, and to any related facility that is renewed, restructured or extended while the Countercyclical Buffer programme remains in force.

CP-07.01.007 The following are outside the scope of this chapter for Countercyclical Buffer (Tier 5 / South Zone) serving the central processing hub: legacy facilities booked before 23 November 2024; and arrangements governed by a regulatory directive that expressly overrides this policy. Such items are governed by clause CP-07.01.006, and any dispute about scope shall be settled by the Head of Function.

CP-07.01.008 For the purposes of this chapter, Countercyclical Buffer (Tier 1 / West Zone) means any arrangement of that type recorded in the ICAAP Workbench system under product code CP07-73712 and offered to the head office functions; the Head of Capital Planning maintains the authoritative product code register.

CP-07.01.009 The following are outside the scope of this chapter for Countercyclical Buffer (Tier 3 / North Zone) serving operations centres: facilities below INR 408 thousand in value; and arrangements transferred to the recovery function. Such items are governed by clause CP-07.01.007, and any dispute about scope shall be settled by the Assistant Vice President.

CP-07.01.010 This chapter applies to Countercyclical Buffer (Tier 3 / Central Zone) originated or serviced through the branch channel for overseas branches, and to any related facility that is renewed, restructured or extended while the Countercyclical Buffer programme remains in force.

CP-07.01.011 This chapter applies to Countercyclical Buffer (Tier 4 / Metro Zone) originated or serviced through the internet banking portal channel for the branch network, and to any related facility that is renewed, restructured or extended while the Countercyclical Buffer programme remains in force.

CP-07.01.012 For the purposes of this chapter, Countercyclical Buffer (Tier 5 / West Zone) means any arrangement of that type recorded in the CapitalCalc system under product code CP07-10477 and offered to the central processing hub; the Head of Capital Planning maintains the authoritative product code register.

CP-07.01.013 For the purposes of this chapter, Countercyclical Buffer (Tier 5 / Metro Zone) means any arrangement of that type recorded in the ICAAP Workbench system under product code CP07-59864 and offered to the call centre; the Head of Function maintains the authoritative product code register.

CP-07.01.014 The following are outside the scope of this chapter for Countercyclical Buffer (Tier 4 / Central Zone) serving the call centre: arrangements transferred to the recovery function; and arrangements governed by a regulatory directive that expressly overrides this policy. Such items are governed by clause CP-07.01.009, and any dispute about scope shall be settled by the Vice President.

CP-07.01.015 The following are outside the scope of this chapter for Countercyclical Buffer (Tier 5 / North Zone) serving the head office functions: staff-sponsored facilities approved under the human resources policy; and legacy facilities booked before 2 October 2025. Such items are governed by clause CP-07.01.012, and any dispute about scope shall be settled by the Senior Officer.

CP-07.01.016 For the purposes of this chapter, Countercyclical Buffer (Tier 2 / Metro Zone) means any arrangement of that type recorded in the CapitalCalc system under product code CP07-72509 and offered to the wealth management unit; the Head of Function maintains the authoritative product code register.

CP-07.01.017 For the purposes of this chapter, Countercyclical Buffer (Tier 1 / East Zone) means any arrangement of that type recorded in the ICAAP Workbench system under product code CP07-21379 and offered to corporate banking units; the Head of Capital Planning maintains the authoritative product code register.

CP-07.01.018 For the purposes of this chapter, Countercyclical Buffer (Tier 3 / North Zone) means any arrangement of that type recorded in the CapitalCalc system under product code CP07-39866 and offered to shared service centres; the Assistant Vice President maintains the authoritative product code register.

CP-07.01.019 The following are outside the scope of this chapter for Countercyclical Buffer (Tier 3 / East Zone) serving the call centre: facilities fully secured by cash collateral of at least 24% of the exposure; and pilot programmes sanctioned by the Risk Management Committee of the Board before 4 July 2025. Such items are governed by clause CP-07.01.008, and any dispute about scope shall be settled by the Head of Capital Planning.

CP-07.01.020 The following are outside the scope of this chapter for Countercyclical Buffer (Tier 5 / Islands Zone) serving the central processing hub: legacy facilities booked before 15 August 2026; and arrangements transferred to the recovery function. Such items are governed by clause CP-07.01.010, and any dispute about scope shall be settled by the Chief Financial Officer.

CP-07.01.021 The following are outside the scope of this chapter for Countercyclical Buffer (Tier 4 / North Zone) serving the branch network: legacy facilities booked before 8 June 2025; and pilot programmes sanctioned by the Asset-Liability Committee before 27 September 2024. Such items are governed by clause CP-07.01.003, and any dispute about scope shall be settled by the Chief Financial Officer.

CP-07.01.022 The following are outside the scope of this chapter for Countercyclical Buffer (Tier 1 / North-East Zone) serving overseas branches: legacy facilities booked before 1 March 2026; and arrangements transferred to the recovery function. Such items are governed by clause CP-07.01.014, and any dispute about scope shall be settled by the Assistant Vice President.

CP-07.01.023 This chapter applies to Countercyclical Buffer (Tier 4 / Islands Zone) originated or serviced through the self-service kiosk channel for the wealth management unit, and to any related facility that is renewed, restructured or extended while the Countercyclical Buffer programme remains in force.

CP-07.01.024 For the purposes of this chapter, Countercyclical Buffer (Tier 2 / North Zone) means any arrangement of that type recorded in the ICAAP Workbench system under product code CP07-30234 and offered to the branch network; the Chief Risk Officer maintains the authoritative product code register.

CP-07.01.025 This chapter applies to Countercyclical Buffer (Tier 4 / South Zone) originated or serviced through the self-service kiosk channel for shared service centres, and to any related facility that is renewed, restructured or extended while the Countercyclical Buffer programme remains in force.

CP-07.01.026 The following are outside the scope of this chapter for Countercyclical Buffer (Tier 4 / North-East Zone) serving the branch network: arrangements transferred to the recovery function; and pilot programmes sanctioned by the Asset-Liability Committee before 1 May 2024. Such items are governed by clause CP-07.01.008, and any dispute about scope shall be settled by the Chief Financial Officer.

CP-07.01.027 This chapter applies to Countercyclical Buffer (Tier 3 / East Zone) originated or serviced through the mobile app channel for the head office functions, and to any related facility that is renewed, restructured or extended while the Countercyclical Buffer programme remains in force.

CP-07.01.028 The following are outside the scope of this chapter for Countercyclical Buffer (Tier 3 / North Zone) serving shared service centres: facilities fully secured by cash collateral of at least 86% of the exposure; and facilities below INR 49 thousand in value. Such items are governed by clause CP-07.01.022, and any dispute about scope shall be settled by the Head of Function.

CP-07.01.029 For the purposes of this chapter, Countercyclical Buffer (Tier 5 / South Zone) means any arrangement of that type recorded in the CapitalCalc system under product code CP07-21724 and offered to corporate banking units; the Head of Function maintains the authoritative product code register.

CP-07.01.030 For the purposes of this chapter, Countercyclical Buffer (Tier 5 / West Zone) means any arrangement of that type recorded in the CapitalCalc system under product code CP07-32271 and offered to the central processing hub; the Chief Financial Officer maintains the authoritative product code register.

CP-07.01.031 The following are outside the scope of this chapter for Countercyclical Buffer (Tier 3 / Central Zone) serving the treasury desk: arrangements transferred to the recovery function; and legacy facilities booked before 16 October 2025. Such items are governed by clause CP-07.01.013, and any dispute about scope shall be settled by the Senior Officer.

CP-07.09.029 Distribution of the Stress Testing Results Pack covering Countercyclical Buffer (Tier 5 / Islands Zone) for operations centres is restricted to the Assistant Vice President, the Asset-Liability Committee and persons named on the reporting register in the ICAAP Workbench system; ad hoc requests must be approved by the Chief Financial Officer within 4 business days.

CP-07.09.030 Management information on Countercyclical Buffer (Tier 4 / North-East Zone) shall be produced from the CapitalCalc system and reconciled to the general ledger before submission; any unreconciled difference above INR 221 thousand must be explained in writing by the Vice President.

CP-07.09.031 Distribution of the Stress Testing Results Pack covering Countercyclical Buffer (Tier 1 / North-East Zone) for the central processing hub is restricted to the Regional Head, the Audit Committee of the Board and persons named on the reporting register in the ICAAP Workbench system; ad hoc requests must be approved by the Head of Capital Planning within 1 business days.

CP-07.09.032 Management information on Countercyclical Buffer (Tier 5 / West Zone) shall be produced from the ICAAP Workbench system and reconciled to the general ledger before submission; any unreconciled difference above INR 236 thousand must be explained in writing by the Chief Risk Officer.

CP-07.09.033 Management information on Countercyclical Buffer (Tier 4 / Metro Zone) shall be produced from the CapitalCalc system and reconciled to the general ledger before submission; any unreconciled difference above INR 333 thousand must be explained in writing by the Regional Head.

CP-07.09.034 The Stress Testing Results Pack for Countercyclical Buffer (Tier 3 / Islands Zone) covering operations centres shall be submitted to the Audit Committee of the Board by working day 9 of each half-year, and must include the common equity tier 1 ratio together with its trend over the previous 5 half-years.

CP-07.09.035 The Capital Adequacy Report for Countercyclical Buffer (Tier 3 / West Zone) covering the branch network shall be submitted to the Asset-Liability Committee by working day 4 of each month, and must include the total capital ratio together with its trend over the previous 2 months.

CP-07.09.036 Distribution of the Stress Testing Results Pack covering Countercyclical Buffer (Tier 4 / West Zone) for the head office functions is restricted to the Senior Officer, the Asset-Liability Committee and persons named on the reporting register in the CapitalCalc system; ad hoc requests must be approved by the Regional Head within 8 business days.

CP-07.09.037 Management information on Countercyclical Buffer (Tier 3 / Metro Zone) shall be produced from the CapitalCalc system and reconciled to the general ledger before submission; any unreconciled difference above INR 729 thousand must be explained in writing by the Assistant Vice President.

CP-07.09.038 Management information on Countercyclical Buffer (Tier 3 / West Zone) shall be produced from the ICAAP Workbench system and reconciled to the general ledger before submission; any unreconciled difference above INR 692 thousand must be explained in writing by the Head of Function.

CP-07.09.039 Management information on Countercyclical Buffer (Tier 4 / North-East Zone) shall be produced from the CapitalCalc system and reconciled to the general ledger before submission; any unreconciled difference above INR 207 thousand must be explained in writing by the Assistant Vice President.

CP-07.09.040 The Stress Testing Results Pack for Countercyclical Buffer (Tier 4 / North-East Zone) covering the branch network shall be submitted to the Audit Committee of the Board by working day 13 of each month, and must include the risk-weighted asset growth together with its trend over the previous 4 months.

CP-07.09.041 The Stress Testing Results Pack for Countercyclical Buffer (Tier 5 / West Zone) covering the branch network shall be submitted to the Asset-Liability Committee by working day 12 of each half-year, and must include the risk-weighted asset growth together with its trend over the previous 7 half-years.

Section 7.10 - Worked Examples

CP-07.10.001 Example: during a review of Countercyclical Buffer (Tier 1 / North Zone), the total capital ratio for a the wealth management unit account measured 12.9% against the trigger of 11.8% in clause CP-07.04.034. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

CP-07.10.002 Example: a shared service centres customer applies for Countercyclical Buffer (Tier 1 / North-East Zone) of INR 197 lakh. Under clause CP-07.02.009, the minimum common equity tier 1 ratio is set at 10.5% as a floor, which on this request equates to INR 20.68 lakh; the case is therefore routed to the Head of Capital Planning for sign-off.

CP-07.10.003 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-07.06.041 for Countercyclical Buffer (Tier 5 / West Zone) serving corporate banking units to 13 days. Because the maximum permitted period is 32 days, the request can be approved at this level.

CP-07.10.004 Example: during a review of Countercyclical Buffer (Tier 1 / North Zone), the total capital ratio for a the wealth management unit account measured 8.4% against the trigger of 11.8% in clause CP-07.04.034. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-07.04.034.

CP-07.10.005 Example: a the head office functions customer applies for Countercyclical Buffer (Tier 4 / Islands Zone) of INR 456 lakh. Under clause CP-07.02.028, the minimum total capital ratio is set at 16.7% as a floor, which on this request equates to INR 76.15 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-07.10.006 Example: during a review of Countercyclical Buffer (Tier 4 / Metro Zone), the capital consumption of the plan for a the treasury desk account measured 125% against the trigger of 100% in clause CP-07.04.039. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-07.04.039.

CP-07.10.007 Example: the Senior Officer receives a request to extend an exception under clause CP-07.06.013 for Countercyclical Buffer (Tier 3 / North-East Zone) serving the treasury desk to 119 days. Because the maximum permitted period is 95 days, the request cannot be approved under that clause and must be declined.

CP-07.10.008 Example: a operations centres customer applies for Countercyclical Buffer (Tier 3 / South Zone) of INR 281 lakh. Under clause Schedule CP-07-A, the minimum common equity tier 1 ratio is set at 12.8% as a floor, which on this request equates to INR 35.97 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

CP-07.10.009 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-07.06.003 for Countercyclical Buffer (Tier 2 / East Zone) serving the head office functions to 18 days. Because the maximum permitted period is 12 days, the request cannot be approved under that clause and must be declined.

CP-07.10.010 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-07.06.004 for Countercyclical Buffer (Tier 1 / South Zone) serving the wealth management unit to 68 days. Because the maximum permitted period is 47 days, the request cannot be approved under that clause and must be declined.

CP-07.10.011 Example: during a review of Countercyclical Buffer (Tier 1 / North Zone), the total capital ratio for a corporate banking units account measured 16.6% against the trigger of 16.3% in clause CP-07.07.010. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-07.10.012 Example: a shared service centres customer applies for Countercyclical Buffer (Tier 4 / North Zone) of INR 474 lakh. Under clause CP-07.02.006, the minimum leverage ratio is set at 4.5% as a floor, which on this request equates to INR 21.33 lakh; the case is therefore routed to the Head of Capital Planning for sign-off.

CP-07.10.013 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-07.06.041 for Countercyclical Buffer (Tier 5 / West Zone) serving corporate banking units to 35 days. Because the maximum permitted period is 32 days, the request cannot be approved under that clause and must be declined.

CP-07.10.014 Example: the Assistant Vice President receives a request to extend an exception under clause CP-07.06.040 for Countercyclical Buffer (Tier 5 / North Zone) serving the central processing hub to 38 days. Because the maximum permitted period is 14 days, the request cannot be approved under that clause and must be declined.

CP-07.10.015 Example: a shared service centres customer applies for Countercyclical Buffer (Tier 4 / South Zone) of INR 60 lakh. Under clause CP-07.02.019, the maximum single-borrower exposure to capital is set at 13% as a ceiling, which on this request equates to INR 7.80 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-07.10.016 Example: the Regional Head receives a request to extend an exception under clause CP-07.06.014 for Countercyclical Buffer (Tier 5 / East Zone) serving overseas branches to 84 days. Because the maximum permitted period is 94 days, the request can be approved at this level.

CP-07.10.017 Example: a operations centres customer applies for Countercyclical Buffer (Tier 1 / East Zone) of INR 200 lakh. Under clause CP-07.02.036, the minimum leverage ratio is set at 3.3% as a floor, which on this request equates to INR 6.60 lakh; the case is therefore routed to the Head of Function for sign-off.

CP-07.10.018 Example: during a review of Countercyclical Buffer (Tier 2 / South Zone), the leverage ratio for a corporate banking units account measured 3.4% against the trigger of 3.7% in clause CP-07.07.031. Because the reading breached the trigger, the Chief Financial Officer must notify the Audit Committee of the Board within 1 hours and reduce exposures with the highest capital consumption.

CP-07.10.019 Example: a operations centres customer applies for Countercyclical Buffer (Tier 3 / Central Zone) of INR 363 lakh. Under clause CP-07.02.018, the minimum leverage ratio is set at 6.7% as a floor, which on this request equates to INR 24.32 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-07.10.020 Example: during a review of Countercyclical Buffer (Tier 3 / North-East Zone), the common equity tier 1 ratio for a the treasury desk account measured 13.9% against the trigger of 10.7% in clause CP-07.07.033. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-07.10.021 Example: the Regional Head receives a request to extend an exception under clause CP-07.06.033 for Countercyclical Buffer (Tier 5 / North-East Zone) serving the call centre to 122 days. Because the maximum permitted period is 123 days, the request can be approved at this level.

CP-07.10.022 Example: the Regional Head receives a request to extend an exception under clause CP-07.06.031 for Countercyclical Buffer (Tier 3 / Islands Zone) serving the wealth management unit to 77 days. Because the maximum permitted period is 62 days, the request cannot be approved under that clause and must be declined.

CP-07.10.023 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-07.06.041 for Countercyclical Buffer (Tier 5 / West Zone) serving corporate banking units to 57 days. Because the maximum permitted period is 32 days, the request cannot be approved under that clause and must be declined.

CP-07.10.024 Example: the Assistant Vice President receives a request to extend an exception under clause CP-07.06.037 for Countercyclical Buffer (Tier 3 / Central Zone) serving the wealth management unit to 8 days. Because the maximum permitted period is 17 days, the request can be approved at this level.

CP-07.10.025 Example: the Regional Head receives a request to extend an exception under clause CP-07.06.008 for Countercyclical Buffer (Tier 4 / Metro Zone) serving the wealth management unit to 67 days. Because the maximum permitted period is 49 days, the request cannot be approved under that clause and must be declined.

CP-07.10.026 Example: during a review of Countercyclical Buffer (Tier 3 / North-East Zone), the risk-weighted asset growth for a the branch network account measured 11.5% against the trigger of 16.0% in clause CP-07.04.007. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

CP-07.10.027 Example: during a review of Countercyclical Buffer (Tier 4 / North Zone), the total capital ratio for a operations centres account measured 13.2% against the trigger of 17.4% in clause CP-07.04.032. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-07.04.032.

CP-07.10.028 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-07.06.004 for Countercyclical Buffer (Tier 1 / South Zone) serving the wealth management unit to 55 days. Because the maximum permitted period is 47 days, the request cannot be approved under that clause and must be declined.

CP-07.10.029 Example: a the call centre customer applies for Countercyclical Buffer (Tier 1 / South Zone) of INR 223 lakh. Under clause CP-07.02.035, the internal capital buffer over regulatory minimum is set at 1.4% as a floor, which on this request equates to INR 3.12 lakh; the case is therefore routed to the Vice President for sign-off.

CP-07.10.030 Example: the Assistant Vice President receives a request to extend an exception under clause CP-07.06.040 for Countercyclical Buffer (Tier 5 / North Zone) serving the central processing hub to 39 days. Because the maximum permitted period is 14 days, the request cannot be approved under that clause and must be declined.

CP-07.10.031 Example: the Regional Head receives a request to extend an exception under clause CP-07.06.008 for Countercyclical Buffer (Tier 4 / Metro Zone) serving the wealth management unit to 32 days. Because the maximum permitted period is 49 days, the request can be approved at this level.

CP-07.10.032 Example: a operations centres customer applies for Countercyclical Buffer (Tier 5 / North Zone) of INR 488 lakh. Under clause CP-07.02.026, the dividend payout cap is set at 34% as a ceiling, which on this request equates to INR 165.92 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-07.10.033 Example: during a review of Countercyclical Buffer (Tier 1 / Islands Zone), the risk-weighted asset growth for a the call centre account measured 25.2% against the trigger of 29.6% in clause CP-07.07.021. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-07.10.034 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-07.06.003 for Countercyclical Buffer (Tier 2 / East Zone) serving the head office functions to 36 days. Because the maximum permitted period is 12 days, the request cannot be approved under that clause and must be declined.

CP-07.10.035 Example: the Vice President receives a request to extend an exception under clause CP-07.06.020 for Countercyclical Buffer (Tier 3 / North Zone) serving the central processing hub to 96 days. Because the maximum permitted period is 92 days, the request cannot be approved under that clause and must be declined.

CP-07.10.036 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-07.06.003 for Countercyclical Buffer (Tier 2 / East Zone) serving the head office functions to 1 days. Because the maximum permitted period is 12 days, the request can be approved at this level.

CP-07.10.037 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-07.06.041 for Countercyclical Buffer (Tier 5 / West Zone) serving corporate banking units to 40 days. Because the maximum permitted period is 32 days, the request cannot be approved under that clause and must be declined.

CP-07.10.038 Example: during a review of Countercyclical Buffer (Tier 5 / Metro Zone), the risk-weighted asset growth for a shared service centres account measured 16.4% against the trigger of 16.3% in clause CP-07.07.006. Because the reading breached the trigger, the Regional Head must notify the Audit Committee of the Board within 4 hours and defer growth in risk-weighted assets.

CP-07.10.039 Example: during a review of Countercyclical Buffer (Tier 2 / West Zone), the common equity tier 1 ratio for a overseas branches account measured 11.6% against the trigger of 11.3% in clause CP-07.04.013. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

CP-07.10.040 Example: during a review of Countercyclical Buffer (Tier 5 / Metro Zone), the risk-weighted asset growth for a shared service centres account measured 18.0% against the trigger of 16.3% in clause CP-07.07.006. Because the reading breached the trigger, the Regional Head must notify the Audit Committee of the Board within 4 hours and defer growth in risk-weighted assets.

CP-07.10.041 Example: a the call centre customer applies for Countercyclical Buffer (Tier 2 / South Zone) of INR 435 lakh. Under clause CP-07.02.010, the minimum leverage ratio is set at 5.2% as a floor, which on this request equates to INR 22.62 lakh; the case is therefore routed to the Senior Officer for sign-off.

Section 8.1 - Scope and Applicability

CP-08.01.001 This chapter applies to Internal Capital Adequacy Assessment (Tier 1 / North Zone) originated or serviced through the partner agent network channel for the wealth management unit, and to any related facility that is renewed, restructured or extended while the Internal Capital Adequacy Assessment programme remains in force.

CP-08.01.002 The following are outside the scope of this chapter for Internal Capital Adequacy Assessment (Tier 4 / Islands Zone) serving the branch network: facilities below INR 53 thousand in value; and facilities fully secured by cash collateral of at least 63% of the exposure. Such items are governed by clause CP-08.01.001, and any dispute about scope shall be settled by the Regional Head.

CP-08.01.003 The following are outside the scope of this chapter for Internal Capital Adequacy Assessment (Tier 4 / Metro Zone) serving the treasury desk: pilot programmes sanctioned by the Audit Committee of the Board before 25 July 2026; and legacy facilities booked before 17 November 2024. Such items are governed by clause CP-08.01.001, and any dispute about scope shall be settled by the Chief Risk Officer.

CP-08.01.004 This chapter applies to Internal Capital Adequacy Assessment (Tier 3 / Central Zone) originated or serviced through the branch channel for the head office functions, and to any related facility that is renewed, restructured or extended while the Internal Capital Adequacy Assessment programme remains in force.

CP-08.01.005 For the purposes of this chapter, Internal Capital Adequacy Assessment (Tier 3 / West Zone) means any arrangement of that type recorded in the CapitalCalc system under product code CP08-79557 and offered to the branch network; the Head of Function maintains the authoritative product code register.

CP-08.01.006 The following are outside the scope of this chapter for Internal Capital Adequacy Assessment (Tier 5 / North-East Zone) serving overseas branches: arrangements transferred to the recovery function; and inter-company balances within the same banking group. Such items are governed by clause CP-08.01.003, and any dispute about scope shall be settled by the Senior Officer.

CP-08.01.007 For the purposes of this chapter, Internal Capital Adequacy Assessment (Tier 2 / Metro Zone) means any arrangement of that type recorded in the ICAAP Workbench system under product code CP08-59822 and offered to the central processing hub; the Senior Officer maintains the authoritative product code register.

CP-08.01.008 For the purposes of this chapter, Internal Capital Adequacy Assessment (Tier 4 / Central Zone) means any arrangement of that type recorded in the ICAAP Workbench system under product code CP08-36615 and offered to the head office functions; the Vice President maintains the authoritative product code register.

CP-08.01.009 For the purposes of this chapter, Internal Capital Adequacy Assessment (Tier 1 / North Zone) means any arrangement of that type recorded in the ICAAP Workbench system under product code CP08-80580 and offered to the wealth management unit; the Assistant Vice President maintains the authoritative product code register.

CP-08.01.010 The following are outside the scope of this chapter for Internal Capital Adequacy Assessment (Tier 4 / Islands Zone) serving corporate banking units: arrangements transferred to the recovery function; and facilities fully secured by cash collateral of at least 47% of the exposure. Such items are governed by clause CP-08.01.002, and any dispute about scope shall be settled by the Senior Officer.

CP-08.01.011 The following are outside the scope of this chapter for Internal Capital Adequacy Assessment (Tier 3 / North Zone) serving the central processing hub: arrangements transferred to the recovery function; and facilities fully secured by cash collateral of at least 70% of the exposure. Such items are governed by clause CP-08.01.001, and any dispute about scope shall be settled by the Head of Capital Planning.

CP-08.01.012 The following are outside the scope of this chapter for Internal Capital Adequacy Assessment (Tier 3 / Metro Zone) serving the central processing hub: pilot programmes sanctioned by the Risk Management Committee of the Board before 24 July 2023; and facilities below INR 256 thousand in value. Such items are governed by clause CP-08.01.007, and any dispute about scope shall be settled by the Head of Function.

CP-08.01.013 The following are outside the scope of this chapter for Internal Capital Adequacy Assessment (Tier 4 / North Zone) serving the head office functions: legacy facilities booked before 10 July 2023; and arrangements governed by a regulatory directive that expressly overrides this policy. Such items are governed by clause CP-08.01.003, and any dispute about scope shall be settled by the Assistant Vice President.

CP-08.01.014 For the purposes of this chapter, Internal Capital Adequacy Assessment (Tier 3 / Central Zone) means any arrangement of that type recorded in the CapitalCalc system under product code CP08-18544 and offered to the call centre; the Chief Risk Officer maintains the authoritative product code register.

CP-08.01.015 The following are outside the scope of this chapter for Internal Capital Adequacy Assessment (Tier 2 / East Zone) serving corporate banking units: staff-sponsored facilities approved under the human resources policy; and facilities fully secured by cash collateral of at least 39% of the exposure. Such items are governed by clause CP-08.01.014, and any dispute about scope shall be settled by the Head of Function.

CP-08.01.016 The following are outside the scope of this chapter for Internal Capital Adequacy Assessment (Tier 4 / South Zone) serving the central processing hub: legacy facilities booked before 31 December 2024; and facilities fully secured by cash collateral of at least 29% of the exposure. Such items are governed by clause CP-08.01.012, and any dispute about scope shall be settled by the Vice President.

CP-08.01.017 This chapter applies to Internal Capital Adequacy Assessment (Tier 1 / West Zone) originated or serviced through the internet banking portal channel for the call centre, and to any related facility that is renewed, restructured or extended while the Internal Capital Adequacy Assessment programme remains in force.

CP-08.01.018 For the purposes of this chapter, Internal Capital Adequacy Assessment (Tier 3 / Islands Zone) means any arrangement of that type recorded in the CapitalCalc system under product code CP08-47533 and offered to the wealth management unit; the Head of Function maintains the authoritative product code register.

CP-08.01.019 The following are outside the scope of this chapter for Internal Capital Adequacy Assessment (Tier 4 / Central Zone) serving the branch network: staff-sponsored facilities approved under the human resources policy; and arrangements governed by a regulatory directive that expressly overrides this policy. Such items are governed by clause CP-08.01.013, and any dispute about scope shall be settled by the Chief Risk Officer.

CP-08.01.020 This chapter applies to Internal Capital Adequacy Assessment (Tier 1 / North-East Zone) originated or serviced through the call centre channel for shared service centres, and to any related facility that is renewed, restructured or extended while the Internal Capital Adequacy Assessment programme remains in force.

CP-08.01.021 For the purposes of this chapter, Internal Capital Adequacy Assessment (Tier 4 / Islands Zone) means any arrangement of that type recorded in the ICAAP Workbench system under product code CP08-31314 and offered to shared service centres; the Head of Function maintains the authoritative product code register.

CP-08.01.022 The following are outside the scope of this chapter for Internal Capital Adequacy Assessment (Tier 3 / Central Zone) serving the call centre: legacy facilities booked before 15 February 2023; and arrangements governed by a regulatory directive that expressly overrides this policy. Such items are governed by clause CP-08.01.002, and any dispute about scope shall be settled by the Regional Head.

CP-08.01.023 This chapter applies to Internal Capital Adequacy Assessment (Tier 5 / Metro Zone) originated or serviced through the call centre channel for the branch network, and to any related facility that is renewed, restructured or extended while the Internal Capital Adequacy Assessment programme remains in force.

CP-08.01.024 This chapter applies to Internal Capital Adequacy Assessment (Tier 3 / South Zone) originated or serviced through the call centre channel for the treasury desk, and to any related facility that is renewed, restructured or extended while the Internal Capital Adequacy Assessment programme remains in force.

CP-08.01.025 This chapter applies to Internal Capital Adequacy Assessment (Tier 2 / South Zone) originated or serviced through the internet banking portal channel for the treasury desk, and to any related facility that is renewed, restructured or extended while the Internal Capital Adequacy Assessment programme remains in force.

CP-08.01.026 For the purposes of this chapter, Internal Capital Adequacy Assessment (Tier 2 / North Zone) means any arrangement of that type recorded in the ICAAP Workbench system under product code CP08-48741 and offered to the central processing hub; the Chief Risk Officer maintains the authoritative product code register.

CP-08.01.027 This chapter applies to Internal Capital Adequacy Assessment (Tier 5 / Metro Zone) originated or serviced through the relationship manager channel for the central processing hub, and to any related facility that is renewed, restructured or extended while the Internal Capital Adequacy Assessment programme remains in force.

CP-08.01.028 For the purposes of this chapter, Internal Capital Adequacy Assessment (Tier 3 / Islands Zone) means any arrangement of that type recorded in the CapitalCalc system under product code CP08-96797 and offered to the wealth management unit; the Head of Capital Planning maintains the authoritative product code register.

CP-08.01.029 For the purposes of this chapter, Internal Capital Adequacy Assessment (Tier 1 / West Zone) means any arrangement of that type recorded in the ICAAP Workbench system under product code CP08-66426 and offered to the branch network; the Regional Head maintains the authoritative product code register.

CP-08.01.030 For the purposes of this chapter, Internal Capital Adequacy Assessment (Tier 1 / West Zone) means any arrangement of that type recorded in the CapitalCalc system under product code CP08-22435 and offered to shared service centres; the Regional Head maintains the authoritative product code register.

Section 8.10 - Worked Examples

CP-08.10.001 Example: a the call centre customer applies for Internal Capital Adequacy Assessment (Tier 2 / Metro Zone) of INR 399 lakh. Under clause CP-08.02.036, the minimum common equity tier 1 ratio is set at 12.9% as a floor, which on this request equates to INR 51.47 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-08.10.002 Example: the Head of Function receives a request to extend an exception under clause CP-08.06.037 for Internal Capital Adequacy Assessment (Tier 2 / West Zone) serving the head office functions to 4 days. Because the maximum permitted period is 18 days, the request can be approved at this level.

CP-08.10.003 Example: a the central processing hub customer applies for Internal Capital Adequacy Assessment (Tier 1 / West Zone) of INR 294 lakh. Under clause CP-08.02.016, the internal capital buffer over regulatory minimum is set at 0.6% as a floor, which on this request equates to INR 1.76 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-08.10.004 Example: the Head of Function receives a request to extend an exception under clause CP-08.06.023 for Internal Capital Adequacy Assessment (Tier 4 / East Zone) serving the central processing hub to 25 days. Because the maximum permitted period is 31 days, the request can be approved at this level.

CP-08.10.005 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-08.06.022 for Internal Capital Adequacy Assessment (Tier 1 / South Zone) serving shared service centres to 42 days. Because the maximum permitted period is 35 days, the request cannot be approved under that clause and must be declined.

CP-08.10.006 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-08.06.021 for Internal Capital Adequacy Assessment (Tier 5 / Islands Zone) serving corporate banking units to 1 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

CP-08.10.007 Example: during a review of Internal Capital Adequacy Assessment (Tier 2 / Central Zone), the common equity tier 1 ratio for a operations centres account measured 11.2% against the trigger of 10.2% in clause CP-08.07.026. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-08.10.008 Example: the Senior Officer receives a request to extend an exception under clause CP-08.06.038 for Internal Capital Adequacy Assessment (Tier 5 / North Zone) serving operations centres to 6 days. Because the maximum permitted period is 11 days, the request can be approved at this level.

CP-08.10.009 Example: during a review of Internal Capital Adequacy Assessment (Tier 2 / North-East Zone), the risk-weighted asset growth for a the call centre account measured 9.6% against the trigger of 9.6% in clause CP-08.04.008. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

CP-08.10.010 Example: a the call centre customer applies for Internal Capital Adequacy Assessment (Tier 3 / Central Zone) of INR 342 lakh. Under clause Schedule CP-08-A, the dividend payout cap is set at 43% as a ceiling, which on this request equates to INR 147.06 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-08.10.011 Example: the Senior Officer receives a request to extend an exception under clause CP-08.06.026 for Internal Capital Adequacy Assessment (Tier 3 / Metro Zone) serving the wealth management unit to 50 days. Because the maximum permitted period is 49 days, the request cannot be approved under that clause and must be declined.

CP-08.10.012 Example: the Vice President receives a request to extend an exception under clause CP-08.06.011 for Internal Capital Adequacy Assessment (Tier 4 / Islands Zone) serving operations centres to 1 days. Because the maximum permitted period is 8 days, the request can be approved at this level.

CP-08.10.013 Example: a shared service centres customer applies for Internal Capital Adequacy Assessment (Tier 3 / Central Zone) of INR 301 lakh. Under clause CP-08.02.031, the minimum common equity tier 1 ratio is set at 10.4% as a floor, which on this request equates to INR 31.30 lakh; the case is therefore routed to the Senior Officer for sign-off.

CP-08.10.014 Example: during a review of Internal Capital Adequacy Assessment (Tier 2 / Central Zone), the common equity tier 1 ratio for a operations centres account measured 8.8% against the trigger of 10.2% in clause CP-08.07.026. Because the reading breached the trigger, the Vice President must notify the Audit Committee of the Board within 12 hours and submit a capital restoration plan to the Board.

CP-08.10.015 Example: a the branch network customer applies for Internal Capital Adequacy Assessment (Tier 1 / North Zone) of INR 478 lakh. Under clause CP-08.02.026, the minimum total capital ratio is set at 16.2% as a floor, which on this request equates to INR 77.44 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-08.10.016 Example: during a review of Internal Capital Adequacy Assessment (Tier 5 / West Zone), the capital consumption of the plan for a shared service centres account measured 73% against the trigger of 83% in clause CP-08.07.028. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-08.10.017 Example: during a review of Internal Capital Adequacy Assessment (Tier 2 / East Zone), the capital consumption of the plan for a the treasury desk account measured 54% against the trigger of 64% in clause CP-08.07.020. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-08.10.018 Example: the Regional Head receives a request to extend an exception under clause CP-08.06.035 for Internal Capital Adequacy Assessment (Tier 5 / East Zone) serving corporate banking units to 129 days. Because the maximum permitted period is 122 days, the request cannot be approved under that clause and must be declined.

CP-08.10.019 Example: during a review of Internal Capital Adequacy Assessment (Tier 1 / North-East Zone), the capital consumption of the plan for a operations centres account measured 76% against the trigger of 107% in clause CP-08.04.024. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

CP-08.10.020 Example: a shared service centres customer applies for Internal Capital Adequacy Assessment (Tier 5 / North Zone) of INR 61 lakh. Under clause Schedule CP-08-A, the minimum common equity tier 1 ratio is set at 10.9% as a floor, which on this request equates to INR 6.65 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-08.10.021 Example: during a review of Internal Capital Adequacy Assessment (Tier 2 / Central Zone), the total capital ratio for a the branch network account measured 16.6% against the trigger of 17.6% in clause CP-08.07.005. Because the reading breached the trigger, the Vice President must notify the Audit Committee of the Board within 2 hours and submit a capital restoration plan to the Board.

CP-08.10.022 Example: a the branch network customer applies for Internal Capital Adequacy Assessment (Tier 4 / Central Zone) of INR 294 lakh. Under clause CP-08.02.006, the dividend payout cap is set at 12% as a ceiling, which on this request equates to INR 35.28 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

CP-08.10.023 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-08.06.021 for Internal Capital Adequacy Assessment (Tier 5 / Islands Zone) serving corporate banking units to 4 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

CP-08.10.024 Example: a the central processing hub customer applies for Internal Capital Adequacy Assessment (Tier 4 / West Zone) of INR 12 lakh. Under clause CP-08.02.018, the minimum common equity tier 1 ratio is set at 7.6% as a floor, which on this request equates to INR 0.91 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

CP-08.10.025 Example: during a review of Internal Capital Adequacy Assessment (Tier 4 / Central Zone), the total capital ratio for a corporate banking units account measured 21.6% against the trigger of 16.8% in clause CP-08.04.021. Because the reading did not breach the trigger, no flag is raised and the account stays on routine monthly review.

CP-08.10.026 Example: during a review of Internal Capital Adequacy Assessment (Tier 2 / North Zone), the common equity tier 1 ratio for a the call centre account measured 9.4% against the trigger of 11.1% in clause CP-08.07.040. Because the reading breached the trigger, the Head of Capital Planning must notify the Audit Committee of the Board within 72 hours and suspend dividend distribution.

CP-08.10.027 Example: a the call centre customer applies for Internal Capital Adequacy Assessment (Tier 5 / West Zone) of INR 228 lakh. Under clause CP-08.02.022, the maximum single-borrower exposure to capital is set at 12% as a ceiling, which on this request equates to INR 27.36 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-08.10.028 Example: a the central processing hub customer applies for Internal Capital Adequacy Assessment (Tier 2 / West Zone) of INR 351 lakh. Under clause CP-08.02.007, the maximum single-borrower exposure to capital is set at 16% as a ceiling, which on this request equates to INR 56.16 lakh; the case is therefore routed to the Head of Capital Planning for sign-off.

CP-08.10.029 Example: during a review of Internal Capital Adequacy Assessment (Tier 5 / Islands Zone), the total capital ratio for a overseas branches account measured 13.5% against the trigger of 14.1% in clause CP-08.07.017. Because the reading breached the trigger, the Chief Financial Officer must notify the Audit Committee of the Board within 2 hours and suspend dividend distribution.

CP-08.10.030 Example: a the treasury desk customer applies for Internal Capital Adequacy Assessment (Tier 4 / Islands Zone) of INR 465 lakh. Under clause CP-08.02.019, the minimum common equity tier 1 ratio is set at 12.6% as a floor, which on this request equates to INR 58.59 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

CP-08.10.031 Example: during a review of Internal Capital Adequacy Assessment (Tier 2 / Central Zone), the total capital ratio for a the branch network account measured 17.9% against the trigger of 17.6% in clause CP-08.07.005. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-08.10.032 Example: the Regional Head receives a request to extend an exception under clause CP-08.06.017 for Internal Capital Adequacy Assessment (Tier 3 / Central Zone) serving shared service centres to 3 days. Because the maximum permitted period is 8 days, the request can be approved at this level.

CP-08.10.033 Example: during a review of Internal Capital Adequacy Assessment (Tier 2 / Central Zone), the common equity tier 1 ratio for a operations centres account measured 10.8% against the trigger of 10.2% in clause CP-08.07.026. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-08.10.034 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-08.06.021 for Internal Capital Adequacy Assessment (Tier 5 / Islands Zone) serving corporate banking units to 14 days. Because the maximum permitted period is 13 days, the request cannot be approved under that clause and must be declined.

CP-08.10.035 Example: during a review of Internal Capital Adequacy Assessment (Tier 5 / Central Zone), the total capital ratio for a the central processing hub account measured 17.5% against the trigger of 14.7% in clause CP-08.07.014. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-08.10.036 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-08.06.022 for Internal Capital Adequacy Assessment (Tier 1 / South Zone) serving shared service centres to 47 days. Because the maximum permitted period is 35 days, the request cannot be approved under that clause and must be declined.

CP-08.10.037 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-08.06.001 for Internal Capital Adequacy Assessment (Tier 5 / Islands Zone) serving the call centre to 1 days. Section 9.10 - Worked Examples

CP-09.10.001 Example: during a review of Capital Planning (Tier 4 / Islands Zone), the risk-weighted asset growth for a the head office functions account measured 22.6% against the trigger of 24.1% in clause CP-09.07.023. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-09.10.002 Example: the Assistant Vice President receives a request to extend an exception under clause CP-09.06.019 for Capital Planning (Tier 1 / Metro Zone) serving the branch network to 172 days. Because the maximum permitted period is 182 days, the request can be approved at this level.

CP-09.10.003 Example: during a review of Capital Planning (Tier 2 / Metro Zone), the risk-weighted asset growth for a corporate banking units account measured 33.5% against the trigger of 27.3% in clause CP-09.07.031. Because the reading breached the trigger, the Head of Capital Planning must notify the Asset-Liability Committee within 6 hours and raise additional capital through an approved instrument.

CP-09.10.004 Example: the Regional Head receives a request to extend an exception under clause CP-09.06.041 for Capital Planning (Tier 1 / North-East Zone) serving the treasury desk to 11 days. Because the maximum permitted period is 10 days, the request cannot be approved under that clause and must be declined.

CP-09.10.005 Example: during a review of Capital Planning (Tier 4 / East Zone), the risk-weighted asset growth for a operations centres account measured 10.7% against the trigger of 13.7% in clause CP-09.04.007. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

CP-09.10.006 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-09.06.004 for Capital Planning (Tier 4 / South Zone) serving overseas branches to 107 days. Because the maximum permitted period is 122 days, the request can be approved at this level.

CP-09.10.007 Example: a the central processing hub customer applies for Capital Planning (Tier 1 / South Zone) of INR 95 lakh. Under clause CP-09.02.025, the maximum single-borrower exposure to capital is set at 19% as a ceiling, which on this request equates to INR 18.05 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-09.10.008 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-09.06.024 for Capital Planning (Tier 2 / South Zone) serving the wealth management unit to 21 days. Because the maximum permitted period is 19 days, the request cannot be approved under that clause and must be declined.

CP-09.10.009 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-09.06.038 for Capital Planning (Tier 2 / South Zone) serving the branch network to 136 days. Because the maximum permitted period is 125 days, the request cannot be approved under that clause and must be declined.

CP-09.10.010 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-09.06.003 for Capital Planning (Tier 4 / North Zone) serving the head office functions to 101 days. Because the maximum permitted period is 91 days, the request cannot be approved under that clause and must be declined.

CP-09.10.011 Example: the Assistant Vice President receives a request to extend an exception under clause CP-09.06.019 for Capital Planning (Tier 1 / Metro Zone) serving the branch network to 180 days. Because the maximum permitted period is 182 days, the request can be approved at this level.

CP-09.10.012 Example: the Senior Officer receives a request to extend an exception under clause CP-09.06.036 for Capital Planning (Tier 5 / Central Zone) serving the head office functions to 21 days. Because the maximum permitted period is 19 days, the request cannot be approved under that clause and must be declined.

CP-09.10.013 Example: the Head of Function receives a request to extend an exception under clause CP-09.06.013 for Capital Planning (Tier 5 / East Zone) serving shared service centres to 42 days. Because the maximum permitted period is 30 days, the request cannot be approved under that clause and must be declined.

CP-09.10.014 Example: during a review of Capital Planning (Tier 1 / Metro Zone), the capital consumption of the plan for a the head office functions account measured 86% against the trigger of 97% in clause CP-09.04.010. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

CP-09.10.015 Example: a the treasury desk customer applies for Capital Planning (Tier 1 / East Zone) of INR 365 lakh. Under clause CP-09.02.039, the internal capital buffer over regulatory minimum is set at 1.8% as a floor, which on this request equates to INR 6.57 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

CP-09.10.016 Example: a the head office functions customer applies for Capital Planning (Tier 1 / North-East Zone) of INR 224 lakh. Under clause Schedule CP-09-A, the minimum common equity tier 1 ratio is set at 8.1% as a floor, which on this request equates to INR 18.14 lakh; the case is therefore routed to the Head of Capital Planning for sign-off.

CP-09.10.017 Example: during a review of Capital Planning (Tier 4 / Islands Zone), the capital consumption of the plan for a overseas branches account measured 92% against the trigger of 110% in clause CP-09.07.039. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-09.10.018 Example: during a review of Capital Planning (Tier 4 / Islands Zone), the common equity tier 1 ratio for a overseas branches account measured 17.1% against the trigger of 13.9% in clause CP-09.07.008. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-09.10.019 Example: during a review of Capital Planning (Tier 5 / Metro Zone), the capital consumption of the plan for a the central processing hub account measured 83% against the trigger of 80% in clause CP-09.07.024. Because the reading breached the trigger, the Assistant Vice President must notify the Asset-Liability Committee within 12 hours and defer growth in risk-weighted assets.

CP-09.10.020 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-09.06.003 for Capital Planning (Tier 4 / North Zone) serving the head office functions to 89 days. Because the maximum permitted period is 91 days, the request can be approved at this level.

CP-09.10.021 Example: a the branch network customer applies for Capital Planning (Tier 4 / Metro Zone) of INR 446 lakh. Under clause CP-09.02.032, the minimum leverage ratio is set at 4.3% as a floor, which on this request equates to INR 19.18 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-09.10.022 Example: the Regional Head receives a request to extend an exception under clause CP-09.06.041 for Capital Planning (Tier 1 / North-East Zone) serving the treasury desk to 5 days. Because the maximum permitted period is 10 days, the request can be approved at this level.

CP-09.10.023 Example: the Vice President receives a request to extend an exception under clause CP-09.06.020 for Capital Planning (Tier 4 / Islands Zone) serving the treasury desk to 4 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

CP-09.10.024 Example: a overseas branches customer applies for Capital Planning (Tier 2 / Islands Zone) of INR 389 lakh. Under clause CP-09.02.038, the minimum leverage ratio is set at 4.8% as a floor, which on this request equates to INR 18.67 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

CP-09.10.025 Example: during a review of Capital Planning (Tier 1 / Metro Zone), the capital consumption of the plan for a the head office functions account measured 122% against the trigger of 97% in clause CP-09.04.010. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-09.04.010.

CP-09.10.026 Example: during a review of Capital Planning (Tier 4 / Islands Zone), the capital consumption of the plan for a overseas branches account measured 124% against the trigger of 110% in clause CP-09.07.039. Because the reading breached the trigger, the Vice President must notify the Audit Committee of the Board within 8 hours and suspend dividend distribution.

CP-09.10.027 Example: during a review of Capital Planning (Tier 2 / Metro Zone), the total capital ratio for a operations centres account measured 12.9% against the trigger of 11.2% in clause CP-09.04.019. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

CP-09.10.028 Example: the Regional Head receives a request to extend an exception under clause CP-09.06.025 for Capital Planning (Tier 4 / North Zone) serving the treasury desk to 3 days. Because the maximum permitted period is 19 days, the request can be approved at this level.

CP-09.10.029 Example: a corporate banking units customer applies for Capital Planning (Tier 3 / South Zone) of INR 34 lakh. Under clause CP-09.02.014, the maximum single-borrower exposure to capital is set at 22% as a ceiling, which on this request equates to INR 7.48 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-09.10.030 Example: the Assistant Vice President receives a request to extend an exception under clause CP-09.06.019 for Capital Planning (Tier 1 / Metro Zone) serving the branch network to 196 days. Because the maximum permitted period is 182 days, the request cannot be approved under that clause and must be declined.

CP-09.10.031 Example: a shared service centres customer applies for Capital Planning (Tier 5 / East Zone) of INR 362 lakh. Under clause CP-09.02.030, the dividend payout cap is set at 24% as a ceiling, which on this request equates to INR 86.88 lakh; the case is therefore routed to the Head of Capital Planning for sign-off.

CP-09.10.032 Example: during a review of Capital Planning (Tier 5 / Metro Zone), the capital consumption of the plan for a the central processing hub account measured 104% against the trigger of 80% in clause CP-09.07.024. Because the reading breached the trigger, the Assistant Vice President must notify the Asset-Liability Committee within 12 hours and defer growth in risk-weighted assets.

CP-09.10.033 Example: a operations centres customer applies for Capital Planning (Tier 4 / West Zone) of INR 482 lakh. Under clause CP-09.02.021, the maximum single-borrower exposure to capital is set at 16% as a ceiling, which on this request equates to INR 77.12 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-09.10.034 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-09.06.003 for Capital Planning (Tier 4 / North Zone) serving the head office functions to 108 days. Because the maximum permitted period is 91 days, the request cannot be approved under that clause and must be declined.

CP-09.10.035 Example: a the wealth management unit customer applies for Capital Planning (Tier 5 / Islands Zone) of INR 87 lakh. Under clause CP-09.02.037, the internal capital buffer over regulatory minimum is set at 3.0% as a floor, which on this request equates to INR 2.61 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-09.10.036 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-09.06.038 for Capital Planning (Tier 2 / South Zone) serving the branch network to 138 days. Because the maximum permitted period is 125 days, the request cannot be approved under that clause and must be declined.

CP-09.10.037 Example: during a review of Capital Planning (Tier 5 / Metro Zone), the capital consumption of the plan for a the central processing hub account measured 95% against the trigger of 80% in clause CP-09.07.024. Because the reading breached the trigger, the Assistant Vice President must notify the Asset-Liability Committee within 12 hours and defer growth in risk-weighted assets.

CP-09.10.038 Example: during a review of Capital Planning (Tier 2 / Central Zone), the total capital ratio for a the branch network account measured 21.7% against the trigger of 17.9% in clause CP-09.04.035. Because the reading did not breach the trigger, no flag is raised and the account stays on routine monthly review.

CP-09.10.039 Example: a overseas branches customer applies for Capital Planning (Tier 5 / North-East Zone) of INR 222 lakh. Under clause CP-09.02.015, the minimum leverage ratio is set at 3.6% as a floor, which on this request equates to INR 7.99 lakh; the case is therefore routed to the Head of Capital Planning for sign-off.

CP-09.10.040 Example: during a review of Capital Planning (Tier 2 / Metro Zone), the total capital ratio for a operations centres account measured 12.0% against the trigger of 11.2% in clause CP-09.04.019. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

CP-09.10.041 Example: a the branch network customer applies for Capital Planning (Tier 2 / Central Zone) of INR 290 lakh. Under clause CP-09.02.028, the maximum single-borrower exposure to capital is set at 14% as a ceiling, which on this request equates to INR 40.60 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-10.09.032 Distribution of the Stress Testing Results Pack covering Stress Testing of Capital (Tier 3 / Islands Zone) for the head office functions is restricted to the Vice President, the Asset-Liability Committee and persons named on the reporting register in the ICAAP Workbench system; ad hoc requests must be approved by the Senior Officer within 10 business days.

CP-10.09.033 Distribution of the Stress Testing Results Pack covering Stress Testing of Capital (Tier 4 / Central Zone) for corporate banking units is restricted to the Regional Head, the Audit Committee of the Board and persons named on the reporting register in the CapitalCalc system; ad hoc requests must be approved by the Assistant Vice President within 5 business days.

CP-10.09.034 The Capital Adequacy Report for Stress Testing of Capital (Tier 4 / Central Zone) covering shared service centres shall be submitted to the Risk Management Committee of the Board by working day 20 of each month, and must include the capital consumption of the plan together with its trend over the previous 4 months.

CP-10.09.035 The Stress Testing Results Pack for Stress Testing of Capital (Tier 5 / North-East Zone) covering corporate banking units shall be submitted to the Audit Committee of the Board by working day 3 of each quarter, and must include the risk-weighted asset growth together with its trend over the previous 6 quarters.

CP-10.09.036 Management information on Stress Testing of Capital (Tier 3 / North Zone) shall be produced from the CapitalCalc system and reconciled to the general ledger before submission; any unreconciled difference above INR 103 thousand must be explained in writing by the Chief Financial Officer.

CP-10.09.037 Management information on Stress Testing of Capital (Tier 4 / Metro Zone) shall be produced from the CapitalCalc system and reconciled to the general ledger before submission; any unreconciled difference above INR 331 thousand must be explained in writing by the Head of Function.

CP-10.09.038 Distribution of the Capital Adequacy Report covering Stress Testing of Capital (Tier 4 / East Zone) for corporate banking units is restricted to the Head of Capital Planning, the Asset-Liability Committee and persons named on the reporting register in the ICAAP Workbench system; ad hoc requests must be approved by the Head of Function within 7 business days.

CP-10.09.039 The Capital Adequacy Report for Stress Testing of Capital (Tier 2 / North Zone) covering shared service centres shall be submitted to the Asset-Liability Committee by working day 4 of each half-year, and must include the risk-weighted asset growth together with its trend over the previous 3 half-years.

CP-10.09.040 Distribution of the Stress Testing Results Pack covering Stress Testing of Capital (Tier 5 / North Zone) for overseas branches is restricted to the Senior Officer, the Asset-Liability Committee and persons named on the reporting register in the ICAAP Workbench system; ad hoc requests must be approved by the Head of Function within 5 business days.

CP-10.09.041 The ICAAP Summary for Stress Testing of Capital (Tier 3 / Metro Zone) covering operations centres shall be submitted to the Asset-Liability Committee by working day 14 of each quarter, and must include the total capital ratio together with its trend over the previous 2 quarters.

Section 10.10 - Worked Examples

CP-10.10.001 Example: during a review of Stress Testing of Capital (Tier 2 / South Zone), the leverage ratio for a operations centres account measured 4.4% against the trigger of 4.7% in clause CP-10.07.020. Because the reading breached the trigger, the Vice President must notify the Risk Management Committee of the Board within 6 hours and reduce exposures with the highest capital consumption.

CP-10.10.002 Example: during a review of Stress Testing of Capital (Tier 1 / Islands Zone), the capital consumption of the plan for a the head office functions account measured 72% against the trigger of 61% in clause CP-10.04.020. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-10.04.020.

CP-10.10.003 Example: during a review of Stress Testing of Capital (Tier 5 / North Zone), the leverage ratio for a the call centre account measured 3.7% against the trigger of 3.9% in clause CP-10.07.017. Because the reading breached the trigger, the Chief Risk Officer must notify the Asset-Liability Committee within 2 hours and defer growth in risk-weighted assets.

CP-10.10.004 Example: the Head of Function receives a request to extend an exception under clause CP-10.06.029 for Stress Testing of Capital (Tier 1 / South Zone) serving the head office functions to 108 days. Because the maximum permitted period is 126 days, the request can be approved at this level.

CP-10.10.005 Example: a operations centres customer applies for Stress Testing of Capital (Tier 5 / South Zone) of INR 274 lakh. Under clause CP-10.02.021, the minimum common equity tier 1 ratio is set at 8.2% as a floor, which on this request equates to INR 22.47 lakh; the case is therefore routed to the Head of Function for sign-off.

CP-10.10.006 Example: during a review of Stress Testing of Capital (Tier 2 / South Zone), the leverage ratio for a operations centres account measured 3.8% against the trigger of 4.7% in clause CP-10.07.020. Because the reading breached the trigger, the Vice President must notify the Risk Management Committee of the Board within 6 hours and reduce exposures with the highest capital consumption.

CP-10.10.007 Example: during a review of Stress Testing of Capital (Tier 2 / West Zone), the capital consumption of the plan for a shared service centres account measured 90% against the trigger of 71% in clause CP-10.04.031. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-10.04.031.

CP-10.10.008 Example: during a review of Stress Testing of Capital (Tier 3 / South Zone), the common equity tier 1 ratio for a the head office functions account measured 8.8% against the trigger of 9.4% in clause CP-10.04.018. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-10.04.018.

CP-10.10.009 Example: during a review of Stress Testing of Capital (Tier 2 / East Zone), the total capital ratio for a corporate banking units account measured 17.3% against the trigger of 18.0% in clause CP-10.07.022. Because the reading breached the trigger, the Vice President must notify the Risk Management Committee of the Board within 24 hours and defer growth in risk-weighted assets.

CP-10.10.010 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-10.06.006 for Stress Testing of Capital (Tier 1 / West Zone) serving the call centre to 30 days. Because the maximum permitted period is 11 days, the request cannot be approved under that clause and must be declined.

CP-10.10.011 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-10.06.004 for Stress Testing of Capital (Tier 2 / South Zone) serving shared service centres to 35 days. Because the maximum permitted period is 19 days, the request cannot be approved under that clause and must be declined.

CP-10.10.012 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-10.06.009 for Stress Testing of Capital (Tier 1 / North-East Zone) serving the wealth management unit to 61 days. Because the maximum permitted period is 46 days, the request cannot be approved under that clause and must be declined.

CP-10.10.013 Example: the Regional Head receives a request to extend an exception under clause CP-10.06.010 for Stress Testing of Capital (Tier 3 / South Zone) serving the call centre to 13 days. Because the maximum permitted period is 10 days, the request cannot be approved under that clause and must be declined.

CP-10.10.014 Example: the Vice President receives a request to extend an exception under clause CP-10.06.020 for Stress Testing of Capital (Tier 4 / North Zone) serving corporate banking units to 2 days. Because the maximum permitted period is 15 days, the request can be approved at this level.

CP-10.10.015 Example: a corporate banking units customer applies for Stress Testing of Capital (Tier 4 / Metro Zone) of INR 388 lakh. Under clause CP-10.02.031, the internal capital buffer over regulatory minimum is set at 2.6% as a floor, which on this request equates to INR 10.09 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

CP-10.10.016 Example: the Regional Head receives a request to extend an exception under clause CP-10.06.010 for Stress Testing of Capital (Tier 3 / South Zone) serving the call centre to 14 days. Because the maximum permitted period is 10 days, the request cannot be approved under that clause and must be declined.

CP-10.10.017 Example: during a review of Stress Testing of Capital (Tier 5 / North-East Zone), the leverage ratio for a the treasury desk account measured 6.0% against the trigger of 6.3% in clause CP-10.04.004. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-10.04.004.

CP-10.10.018 Example: during a review of Stress Testing of Capital (Tier 2 / West Zone), the capital consumption of the plan for a shared service centres account measured 53% against the trigger of 71% in clause CP-10.04.031. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

CP-10.10.019 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-10.06.009 for Stress Testing of Capital (Tier 1 / North-East Zone) serving the wealth management unit to 57 days. Because the maximum permitted period is 46 days, the request cannot be approved under that clause and must be declined.

CP-10.10.020 Example: during a review of Stress Testing of Capital (Tier 5 / West Zone), the leverage ratio for a overseas branches account measured 4.1% against the trigger of 5.3% in clause CP-10.07.023. Because the reading breached the trigger, the Assistant Vice President must notify the Asset-Liability Committee within 6 hours and defer growth in risk-weighted assets.

CP-10.10.021 Example: during a review of Stress Testing of Capital (Tier 2 / Metro Zone), the total capital ratio for a shared service centres account measured 12.1% against the trigger of 14.6% in clause CP-10.07.024. Because the reading breached the trigger, the Chief Risk Officer must notify the Audit Committee of the Board within 12 hours and suspend dividend distribution.

CP-10.10.022 Example: a the branch network customer applies for Stress Testing of Capital (Tier 4 / Central Zone) of INR 57 lakh. Under clause CP-10.02.027, the minimum total capital ratio is set at 17.8% as a floor, which on this request equates to INR 10.15 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

CP-10.10.023 Example: a corporate banking units customer applies for Stress Testing of Capital (Tier 3 / Central Zone) of INR 143 lakh. Under clause CP-10.02.029, the minimum leverage ratio is set at 3.4% as a floor, which on this request equates to INR 4.86 lakh; the case is therefore routed to the Senior Officer for sign-off.

CP-10.10.024 Example: a corporate banking units customer applies for Stress Testing of Capital (Tier 1 / Islands Zone) of INR 137 lakh. Under clause Schedule CP-10-A, the minimum leverage ratio is set at 4.0% as a floor, which on this request equates to INR 5.48 lakh; the case is therefore routed to the Vice President for sign-off.

CP-10.10.025 Example: a overseas branches customer applies for Stress Testing of Capital (Tier 3 / Central Zone) of INR 117 lakh. Under clause CP-10.02.022, the maximum single-borrower exposure to capital is set at 23% as a ceiling, which on this request equates to INR 26.91 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

CP-10.10.026 Example: during a review of Stress Testing of Capital (Tier 1 / North Zone), the capital consumption of the plan for a the call centre account measured 116% against the trigger of 114% in clause CP-10.04.011. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-10.04.011.

CP-10.10.027 Example: during a review of Stress Testing of Capital (Tier 2 / Metro Zone), the total capital ratio for a shared service centres account measured 15.1% against the trigger of 14.6% in clause CP-10.07.024. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-10.10.028 Example: a the call centre customer applies for Stress Testing of Capital (Tier 5 / South Zone) of INR 26 lakh. Under clause CP-10.02.036, the minimum common equity tier 1 ratio is set at 7.7% as a floor, which on this request equates to INR 2.00 lakh; the case is therefore routed to the Head of Capital Planning for sign-off.

CP-10.10.029 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-10.06.008 for Stress Testing of Capital (Tier 2 / Central Zone) serving the branch network to 23 days. Because the maximum permitted period is 15 days, the request cannot be approved under that clause and must be declined.

CP-10.10.030 Example: a shared service centres customer applies for Stress Testing of Capital (Tier 3 / North Zone) of INR 407 lakh. Under clause CP-10.02.017, the dividend payout cap is set at 20% as a ceiling, which on this request equates to INR 81.40 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-10.10.031 Example: a the call centre customer applies for Stress Testing of Capital (Tier 3 / Metro Zone) of INR 312 lakh. Under clause CP-10.02.003, the dividend payout cap is set at 41% as a ceiling, which on this request equates to INR 127.92 lakh; the case is therefore routed to the Head of Capital Planning for sign-off.

CP-10.10.032 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-10.06.037 for Stress Testing of Capital (Tier 1 / North Zone) serving the branch network to 16 days. Because the maximum permitted period is 25 days, the request can be approved at this level.

CP-10.10.033 Example: during a review of Stress Testing of Capital (Tier 5 / North-East Zone), the leverage ratio for a the treasury desk account measured 6.1% against the trigger of 6.3% in clause CP-10.04.004. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-10.04.004.

CP-10.10.034 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-10.06.004 for Stress Testing of Capital (Tier 2 / South Zone) serving shared service centres to 17 days. Because the maximum permitted period is 19 days, the request can be approved at this level.

CP-10.10.035 Example: during a review of Stress Testing of Capital (Tier 4 / Metro Zone), the capital consumption of the plan for a corporate banking units account measured 146% against the trigger of 112% in clause CP-10.07.026. Because the reading breached the trigger, the Head of Function must notify the Audit Committee of the Board within 48 hours and reduce exposures with the highest capital consumption.

CP-10.10.036 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-10.06.006 for Stress Testing of Capital (Tier 1 / West Zone) serving the call centre to 2 days. Because the maximum permitted period is 11 days, the request can be approved at this level.

CP-10.10.037 Example: during a review of Stress Testing of Capital (Tier 3 / North-East Zone), the common equity tier 1 ratio for a corporate banking units account measured 10.8% against the trigger of 9.6% in clause CP-10.04.028. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

CP-10.10.038 Example: during a review of Stress Testing of Capital (Tier 2 / South Zone), the total capital ratio for a the call centre account measured 7.8% against the trigger of 10.7% in clause CP-10.07.002. Because the reading breached the trigger, the Assistant Vice President must notify the Risk Management Committee of the Board within 4 hours and submit a capital restoration plan to the Board.

CP-10.10.039 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-10.06.006 for Stress Testing of Capital (Tier 1 / West Zone) serving the call centre to 15 days. Because the maximum permitted period is 11 days, the request cannot be approved under that clause and must be declined.

CP-10.10.040 Example: the Head of Function receives a request to extend an exception under clause CP-10.06.029 for Stress Testing of Capital (Tier 1 / South Zone) serving the head office functions to 109 days. Because the maximum permitted period is 126 days, the request can be approved at this level.

CP-10.10.041 Example: during a review of Stress Testing of Capital (Tier 5 / North Zone), the risk-weighted asset growth for a the branch network account measured 29.6% against the trigger of 33.2% in clause CP-10.04.007. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

CP-11.09.040 Distribution of the Stress Testing Results Pack covering Dividend Distribution (Tier 3 / Central Zone) for operations centres is restricted to the Chief Risk Officer, the Audit Committee of the Board and persons named on the reporting register in the CapitalCalc system; ad hoc requests must be approved by the Assistant Vice President within 2 business days.

CP-11.09.041 Management information on Dividend Distribution (Tier 2 / West Zone) shall be produced from the ICAAP Workbench system and reconciled to the general ledger before submission; any unreconciled difference above INR 487 thousand must be explained in writing by the Assistant Vice President.

Section 11.10 - Worked Examples

CP-11.10.001 Example: a the branch network customer applies for Dividend Distribution (Tier 4 / Islands Zone) of INR 47 lakh. Under clause Schedule CP-11-A, the maximum single-borrower exposure to capital is set at 16% as a ceiling, which on this request equates to INR 7.52 lakh; the case is therefore routed to the Senior Officer for sign-off.

CP-11.10.002 Example: the Head of Function receives a request to extend an exception under clause CP-11.06.013 for Dividend Distribution (Tier 4 / West Zone) serving the branch network to 6 days. Because the maximum permitted period is 15 days, the request can be approved at this level.

CP-11.10.003 Example: during a review of Dividend Distribution (Tier 5 / West Zone), the total capital ratio for a the head office functions account measured 15.8% against the trigger of 13.7% in clause CP-11.04.024. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

CP-11.10.004 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-11.06.023 for Dividend Distribution (Tier 1 / North-East Zone) serving the wealth management unit to 107 days. Because the maximum permitted period is 123 days, the request can be approved at this level.

CP-11.10.005 Example: a shared service centres customer applies for Dividend Distribution (Tier 4 / Metro Zone) of INR 494 lakh. Under clause CP-11.02.008, the minimum total capital ratio is set at 12.0% as a floor, which on this request equates to INR 59.28 lakh; the case is therefore routed to the Head of Function for sign-off.

CP-11.10.006 Example: during a review of Dividend Distribution (Tier 4 / Metro Zone), the leverage ratio for a shared service centres account measured 4.9% against the trigger of 5.6% in clause CP-11.07.016. Because the reading breached the trigger, the Senior Officer must notify the Risk Management Committee of the Board within 1 hours and suspend dividend distribution.

CP-11.10.007 Example: a the central processing hub customer applies for Dividend Distribution (Tier 3 / West Zone) of INR 375 lakh. Under clause CP-11.02.037, the minimum leverage ratio is set at 3.8% as a floor, which on this request equates to INR 14.25 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-11.10.008 Example: a the central processing hub customer applies for Dividend Distribution (Tier 3 / East Zone) of INR 133 lakh. Under clause CP-11.02.013, the minimum common equity tier 1 ratio is set at 8.2% as a floor, which on this request equates to INR 10.91 lakh; the case is therefore routed to the Senior Officer for sign-off.

CP-11.10.009 Example: a the treasury desk customer applies for Dividend Distribution (Tier 5 / East Zone) of INR 168 lakh. Under clause CP-11.02.005, the minimum leverage ratio is set at 3.3% as a floor, which on this request equates to INR 5.54 lakh; the case is therefore routed to the Senior Officer for sign-off.

CP-11.10.010 Example: a operations centres customer applies for Dividend Distribution (Tier 1 / East Zone) of INR 209 lakh. Under clause CP-11.02.028, the minimum common equity tier 1 ratio is set at 9.6% as a floor, which on this request equates to INR 20.06 lakh; the case is therefore routed to the Vice President for sign-off.

CP-11.10.011 Example: a overseas branches customer applies for Dividend Distribution (Tier 1 / North Zone) of INR 329 lakh. Under clause CP-11.02.029, the minimum common equity tier 1 ratio is set at 7.3% as a floor, which on this request equates to INR 24.02 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

CP-11.10.012 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-11.06.035 for Dividend Distribution (Tier 1 / Islands Zone) serving the wealth management unit to 39 days. Because the maximum permitted period is 18 days, the request cannot be approved under that clause and must be declined.

CP-11.10.013 Example: a the wealth management unit customer applies for Dividend Distribution (Tier 1 / Islands Zone) of INR 253 lakh. Under clause CP-11.02.009, the minimum total capital ratio is set at 11.9% as a floor, which on this request equates to INR 30.11 lakh; the case is therefore routed to the Head of Function for sign-off.

CP-11.10.014 Example: during a review of Dividend Distribution (Tier 3 / West Zone), the risk-weighted asset growth for a operations centres account measured 12.0% against the trigger of 11.3% in clause CP-11.07.017. Because the reading breached the trigger, the Regional Head must notify the Asset-Liability Committee within 36 hours and defer growth in risk-weighted assets.

CP-11.10.015 Example: during a review of Dividend Distribution (Tier 5 / Metro Zone), the risk-weighted asset growth for a overseas branches account measured 21.8% against the trigger of 18.2% in clause CP-11.04.009. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-11.04.009.

CP-11.10.016 Example: a the central processing hub customer applies for Dividend Distribution (Tier 3 / East Zone) of INR 463 lakh. Under clause CP-11.02.013, the minimum common equity tier 1 ratio is set at 8.2% as a floor, which on this request equates to INR 37.97 lakh; the case is therefore routed to the Senior Officer for sign-off.

CP-11.10.017 Example: during a review of Dividend Distribution (Tier 3 / West Zone), the risk-weighted asset growth for a operations centres account measured 9.6% against the trigger of 11.3% in clause CP-11.07.017. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-11.10.018 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-11.06.002 for Dividend Distribution (Tier 1 / Metro Zone) serving the branch network to 39 days. Because the maximum permitted period is 48 days, the request can be approved at this level.

CP-11.10.019 Example: a the branch network customer applies for Dividend Distribution (Tier 4 / Islands Zone) of INR 348 lakh. Under clause CP-11.02.038, the internal capital buffer over regulatory minimum is set at 2.3% as a floor, which on this request equates to INR 8.00 lakh; the case is therefore routed to the Vice President for sign-off.

CP-11.10.020 Example: a the head office functions customer applies for Dividend Distribution (Tier 1 / East Zone) of INR 270 lakh. Under clause CP-11.02.034, the minimum common equity tier 1 ratio is set at 8.6% as a floor, which on this request equates to INR 23.22 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-11.10.021 Example: a the head office functions customer applies for Dividend Distribution (Tier 1 / East Zone) of INR 384 lakh. Under clause CP-11.02.034, the minimum common equity tier 1 ratio is set at 8.6% as a floor, which on this request equates to INR 33.02 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-11.10.022 Example: a the branch network customer applies for Dividend Distribution (Tier 2 / East Zone) of INR 422 lakh. Under clause CP-11.02.031, the minimum leverage ratio is set at 5.2% as a floor, which on this request equates to INR 21.94 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-11.10.023 Example: during a review of Dividend Distribution (Tier 5 / North Zone), the leverage ratio for a the head office functions account measured 7.3% against the trigger of 6.4% in clause CP-11.04.016. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

CP-11.10.024 Example: the Senior Officer receives a request to extend an exception under clause CP-11.06.026 for Dividend Distribution (Tier 4 / East Zone) serving the treasury desk to 96 days. Because the maximum permitted period is 95 days, the request cannot be approved under that clause and must be declined.

CP-11.10.025 Example: during a review of Dividend Distribution (Tier 3 / Central Zone), the total capital ratio for a corporate banking units account measured 10.0% against the trigger of 12.8% in clause CP-11.07.007. Because the reading breached the trigger, the Head of Function must notify the Risk Management Committee of the Board within 6 hours and raise additional capital through an approved instrument.

CP-11.10.026 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-11.06.017 for Dividend Distribution (Tier 4 / Central Zone) serving the wealth management unit to 51 days. Because the maximum permitted period is 46 days, the request cannot be approved under that clause and must be declined.

CP-11.10.027 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-11.06.034 for Dividend Distribution (Tier 3 / Metro Zone) serving the head office functions to 146 days. Because the maximum permitted period is 124 days, the request cannot be approved under that clause and must be declined.

CP-11.10.028 Example: a the wealth management unit customer applies for Dividend Distribution (Tier 5 / Metro Zone) of INR 56 lakh. Under clause CP-11.02.004, the minimum total capital ratio is set at 17.1% as a floor, which on this request equates to INR 9.58 lakh; the case is therefore routed to the Vice President for sign-off.

CP-11.10.029 Example: the Senior Officer receives a request to extend an exception under clause CP-11.06.026 for Dividend Distribution (Tier 4 / East Zone) serving the treasury desk to 110 days. Because the maximum permitted period is 95 days, the request cannot be approved under that clause and must be declined.

CP-11.10.030 Example: the Senior Officer receives a request to extend an exception under clause CP-11.06.040 for Dividend Distribution (Tier 5 / Islands Zone) serving the wealth management unit to 33 days. Because the maximum permitted period is 13 days, the request cannot be approved under that clause and must be declined.

CP-11.10.031 Example: during a review of Dividend Distribution (Tier 5 / North Zone), the leverage ratio for a the head office functions account measured 5.9% against the trigger of 6.4% in clause CP-11.04.016. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-11.04.016.

CP-11.10.032 Example: a overseas branches customer applies for Dividend Distribution (Tier 3 / North Zone) of INR 290 lakh. Under clause CP-11.02.027, the minimum common equity tier 1 ratio is set at 12.8% as a floor, which on this request equates to INR 37.12 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-11.10.033 Example: during a review of Dividend Distribution (Tier 5 / West Zone), the total capital ratio for a operations centres account measured 12.8% against the trigger of 11.8% in clause CP-11.07.027. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-11.10.034 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-11.06.002 for Dividend Distribution (Tier 1 / Metro Zone) serving the branch network to 54 days. Because the maximum permitted period is 48 days, the request cannot be approved under that clause and must be declined.

CP-11.10.035 Example: during a review of Dividend Distribution (Tier 5 / North Zone), the capital consumption of the plan for a corporate banking units account measured 74% against the trigger of 68% in clause CP-11.04.025. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-11.04.025.

CP-11.10.036 Example: the Chief Risk Officer receives a request to extend an exception under clause CP-11.06.017 for Dividend Distribution (Tier 4 / Central Zone) serving the wealth management unit to 39 days. Because the maximum permitted period is 46 days, the request can be approved at this level.

CP-11.10.037 Example: during a review of Dividend Distribution (Tier 5 / North Zone), the capital consumption of the plan for a corporate banking units account measured 57% against the trigger of 68% in clause CP-11.04.025. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

CP-11.10.038 Example: a the call centre customer applies for Dividend Distribution (Tier 1 / North-East Zone) of INR 303 lakh. Under clause CP-11.02.002, the minimum common equity tier 1 ratio is set at 11.1% as a floor, which on this request equates to INR 33.63 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-11.10.039 Example: the Senior Officer receives a request to extend an exception under clause CP-11.06.026 for Dividend Distribution (Tier 4 / East Zone) serving the treasury desk to 113 days. Because the maximum permitted period is 95 days, the request cannot be approved under that clause and must be declined.

CP-11.10.040 Example: during a review of Dividend Distribution (Tier 5 / West Zone), the total capital ratio for a the head office functions account measured 14.6% against the trigger of 13.7% in clause CP-11.04.024. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

CP-11.10.041 Example: a the head office functions customer applies for Dividend Distribution (Tier 2 / Central Zone) of INR 475 lakh. Under clause CP-11.02.006, the minimum common equity tier 1 ratio is set at 12.3% as a floor, which on this request equates to INR 58.42 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

Under clause CP-12.02.003, the minimum leverage ratio is set at 3.9% as a floor, which on this request equates to INR 3.71 lakh; the case is therefore routed to the Vice President for sign-off.

CP-12.10.003 Example: the Senior Officer receives a request to extend an exception under clause CP-12.06.007 for Large Exposure Limits (Tier 4 / Central Zone) serving shared service centres to 49 days. Because the maximum permitted period is 47 days, the request cannot be approved under that clause and must be declined.

CP-12.10.004 Example: the Vice President receives a request to extend an exception under clause CP-12.06.003 for Large Exposure Limits (Tier 1 / East Zone) serving operations centres to 19 days. Because the maximum permitted period is 27 days, the request can be approved at this level.

CP-12.10.005 Example: during a review of Large Exposure Limits (Tier 3 / Metro Zone), the common equity tier 1 ratio for a the wealth management unit account measured 8.7% against the trigger of 11.2% in clause CP-12.04.023. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-12.04.023.

CP-12.10.006 Example: during a review of Large Exposure Limits (Tier 3 / South Zone), the capital consumption of the plan for a overseas branches account measured 83% against the trigger of 115% in clause CP-12.04.004. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

CP-12.10.007 Example: a shared service centres customer applies for Large Exposure Limits (Tier 4 / Islands Zone) of INR 268 lakh. Under clause CP-12.02.030, the minimum leverage ratio is set at 6.1% as a floor, which on this request equates to INR 16.35 lakh; the case is therefore routed to the Vice President for sign-off.

CP-12.10.008 Example: the Senior Officer receives a request to extend an exception under clause CP-12.06.033 for Large Exposure Limits (Tier 1 / North-East Zone) serving the central processing hub to 69 days. Because the maximum permitted period is 60 days, the request cannot be approved under that clause and must be declined.

CP-12.10.009 Example: during a review of Large Exposure Limits (Tier 5 / Islands Zone), the common equity tier 1 ratio for a overseas branches account measured 9.9% against the trigger of 9.6% in clause CP-12.07.027. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-12.10.010 Example: during a review of Large Exposure Limits (Tier 3 / South Zone), the capital consumption of the plan for a overseas branches account measured 99% against the trigger of 115% in clause CP-12.04.004. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

CP-12.10.011 Example: a the call centre customer applies for Large Exposure Limits (Tier 3 / North Zone) of INR 134 lakh. Under clause Schedule CP-12-A, the dividend payout cap is set at 12% as a ceiling, which on this request equates to INR 16.08 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-12.10.012 Example: a corporate banking units customer applies for Large Exposure Limits (Tier 2 / West Zone) of INR 445 lakh. Under clause CP-12.02.039, the minimum leverage ratio is set at 3.4% as a floor, which on this request equates to INR 15.13 lakh; the case is therefore routed to the Regional Head for sign-off.

CP-12.10.013 Example: a the central processing hub customer applies for Large Exposure Limits (Tier 2 / North-East Zone) of INR 339 lakh. Under clause CP-12.02.025, the minimum leverage ratio is set at 5.2% as a floor, which on this request equates to INR 17.63 lakh; the case is therefore routed to the Vice President for sign-off.

CP-12.10.014 Example: during a review of Large Exposure Limits (Tier 5 / East Zone), the common equity tier 1 ratio for a shared service centres account measured 8.5% against the trigger of 8.5% in clause CP-12.04.011. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

CP-12.10.015 Example: the Assistant Vice President receives a request to extend an exception under clause CP-12.06.021 for Large Exposure Limits (Tier 5 / West Zone) serving the central processing hub to 107 days. Because the maximum permitted period is 91 days, the request cannot be approved under that clause and must be declined.

CP-12.10.016 Example: a shared service centres customer applies for Large Exposure Limits (Tier 4 / Islands Zone) of INR 219 lakh. Under clause CP-12.02.030, the minimum leverage ratio is set at 6.1% as a floor, which on this request equates to INR 13.36 lakh; the case is therefore routed to the Vice President for sign-off.

CP-12.10.017 Example: the Head of Capital Planning receives a request to extend an exception under clause CP-12.06.005 for Large Exposure Limits (Tier 5 / North-East Zone) serving corporate banking units to 27 days. Because the maximum permitted period is 26 days, the request cannot be approved under that clause and must be declined.

CP-12.10.018 Example: during a review of Large Exposure Limits (Tier 4 / West Zone), the risk-weighted asset growth for a corporate banking units account measured 20.1% against the trigger of 24.4% in clause CP-12.07.016. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-12.10.019 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-12.06.030 for Large Exposure Limits (Tier 4 / South Zone) serving the call centre to 34 days. Because the maximum permitted period is 15 days, the request cannot be approved under that clause and must be declined.

CP-12.10.020 Example: a operations centres customer applies for Large Exposure Limits (Tier 5 / Islands Zone) of INR 329 lakh. Under clause CP-12.02.026, the maximum single-borrower exposure to capital is set at 17% as a ceiling, which on this request equates to INR 55.93 lakh; the case is therefore routed to the Vice President for sign-off.

CP-12.10.021 Example: the Vice President receives a request to extend an exception under clause CP-12.06.003 for Large Exposure Limits (Tier 1 / East Zone) serving operations centres to 15 days. Because the maximum permitted period is 27 days, the request can be approved at this level.

CP-12.10.022 Example: a the branch network customer applies for Large Exposure Limits (Tier 5 / West Zone) of INR 495 lakh. Under clause CP-12.02.036, the minimum total capital ratio is set at 10.6% as a floor, which on this request equates to INR 52.47 lakh; the case is therefore routed to the Head of Capital Planning for sign-off.

CP-12.10.023 Example: a the head office functions customer applies for Large Exposure Limits (Tier 2 / Central Zone) of INR 140 lakh. Under clause CP-12.02.003, the minimum leverage ratio is set at 3.9% as a floor, which on this request equates to INR 5.46 lakh; the case is therefore routed to the Vice President for sign-off.

CP-12.10.024 Example: during a review of Large Exposure Limits (Tier 5 / South Zone), the total capital ratio for a the central processing hub account measured 13.5% against the trigger of 16.9% in clause CP-12.07.041. Because the reading breached the trigger, the Assistant Vice President must notify the Risk Management Committee of the Board within 12 hours and submit a capital restoration plan to the Board.

CP-12.10.025 Example: the Senior Officer receives a request to extend an exception under clause CP-12.06.007 for Large Exposure Limits (Tier 4 / Central Zone) serving shared service centres to 42 days. Because the maximum permitted period is 47 days, the request can be approved at this level.

CP-12.10.026 Example: a shared service centres customer applies for Large Exposure Limits (Tier 4 / Islands Zone) of INR 168 lakh. Under clause CP-12.02.030, the minimum leverage ratio is set at 6.1% as a floor, which on this request equates to INR 10.25 lakh; the case is therefore routed to the Vice President for sign-off.

CP-12.10.027 Example: during a review of Large Exposure Limits (Tier 1 / West Zone), the leverage ratio for a the head office functions account measured 5.1% against the trigger of 6.4% in clause CP-12.07.023. Because the reading breached the trigger, the Assistant Vice President must notify the Asset-Liability Committee within 6 hours and raise additional capital through an approved instrument.

CP-12.10.028 Example: during a review of Large Exposure Limits (Tier 1 / North-East Zone), the leverage ratio for a the central processing hub account measured 5.6% against the trigger of 4.9% in clause CP-12.04.035. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

CP-12.10.029 Example: during a review of Large Exposure Limits (Tier 2 / North-East Zone), the risk-weighted asset growth for a operations centres account measured 7.0% against the trigger of 8.3% in clause CP-12.04.040. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

CP-12.10.030 Example: a the call centre customer applies for Large Exposure Limits (Tier 5 / East Zone) of INR 104 lakh. Under clause CP-12.02.021, the dividend payout cap is set at 15% as a ceiling, which on this request equates to INR 15.60 lakh; the case is therefore routed to the Chief Financial Officer for sign-off.

CP-12.10.031 Example: during a review of Large Exposure Limits (Tier 5 / North Zone), the risk-weighted asset growth for a the wealth management unit account measured 13.8% against the trigger of 17.7% in clause CP-12.04.027. Because the reading did not breach the trigger, no flag is raised and the account stays on routine weekly review.

CP-12.10.032 Example: the Vice President receives a request to extend an exception under clause CP-12.06.003 for Large Exposure Limits (Tier 1 / East Zone) serving operations centres to 28 days. Because the maximum permitted period is 27 days, the request cannot be approved under that clause and must be declined.

CP-12.10.033 Example: during a review of Large Exposure Limits (Tier 2 / North Zone), the leverage ratio for a the head office functions account measured 7.3% against the trigger of 6.4% in clause CP-12.04.012. Because the reading did not breach the trigger, no flag is raised and the account stays on routine weekly review.

CP-12.10.034 Example: during a review of Large Exposure Limits (Tier 2 / Central Zone), the leverage ratio for a the head office functions account measured 4.1% against the trigger of 3.6% in clause CP-12.04.030. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

CP-12.10.035 Example: during a review of Large Exposure Limits (Tier 2 / Central Zone), the leverage ratio for a the head office functions account measured 3.1% against the trigger of 3.6% in clause CP-12.04.030. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause CP-12.04.030.

CP-12.10.036 Example: during a review of Large Exposure Limits (Tier 2 / North Zone), the leverage ratio for a the head office functions account measured 7.7% against the trigger of 6.4% in clause CP-12.04.012. Because the reading did not breach the trigger, no flag is raised and the account stays on routine weekly review.

CP-12.10.037 Example: during a review of Large Exposure Limits (Tier 2 / Central Zone), the leverage ratio for a corporate banking units account measured 5.1% against the trigger of 4.0% in clause CP-12.07.011. Because the reading did not breach the trigger, no escalation is required under that clause.

CP-12.10.038 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-12.06.030 for Large Exposure Limits (Tier 4 / South Zone) serving the call centre to 5 days. Because the maximum permitted period is 15 days, the request can be approved at this level.

CP-12.10.039 Example: a the wealth management unit customer applies for Large Exposure Limits (Tier 1 / Central Zone) of INR 182 lakh. Under clause CP-12.02.031, the maximum single-borrower exposure to capital is set at 22% as a ceiling, which on this request equates to INR 40.04 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-12.10.040 Example: a overseas branches customer applies for Large Exposure Limits (Tier 1 / North Zone) of INR 134 lakh. Under clause CP-12.02.041, the minimum common equity tier 1 ratio is set at 13.0% as a floor, which on this request equates to INR 17.42 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

CP-12.10.041 Example: the Chief Financial Officer receives a request to extend an exception under clause CP-12.06.022 for Large Exposure Limits (Tier 3 / South Zone) serving the wealth management unit to 115 days. Because the maximum permitted period is 123 days, the request can be approved at this level.

Section 1.10 - Worked Examples

IS-01.10.001 Example: the Regional Head receives a request to extend an exception under clause IS-01.06.031 for Access Management (Tier 4 / East Zone) serving the head office functions to 30 days. Because the maximum permitted period is 48 days, the request can be approved at this level.

IS-01.10.002 Example: the Head of Security Operations receives a request to extend an exception under clause IS-01.06.004 for Access Management (Tier 5 / North-East Zone) serving the call centre to 90 days. Because the maximum permitted period is 92 days, the request can be approved at this level.

IS-01.10.003 Example: during a review of Access Management (Tier 5 / North Zone), the mean time to detect incidents for a the call centre account measured 24 hours against the trigger of 19 hours in clause IS-01.07.019. Because the reading breached the trigger, the Chief Risk Officer must notify the Operational Risk Committee within 36 hours and revoke the relevant privileged access.

IS-01.10.004 Example: the Vice President receives a request to extend an exception under clause IS-01.06.026 for Access Management (Tier 5 / East Zone) serving the head office functions to 84 days. Because the maximum permitted period is 61 days, the request cannot be approved under that clause and must be declined.

IS-01.10.005 Example: during a review of Access Management (Tier 4 / Islands Zone), the phishing simulation click rate for a the branch network account measured 10.4% against the trigger of 13.3% in clause IS-01.07.032. Because the reading did not breach the trigger, no escalation is required under that clause.

IS-01.10.006 Example: a retail banking units customer applies for Access Management (Tier 4 / Central Zone) of INR 157 lakh. Under clause IS-01.02.012, the log retention period is set at 22 months as a floor, so a proposed log retention period of 16 months is outside the limit and must be escalated to the Vice President.

IS-01.10.007 Example: the Chief Information Security Officer receives a request to extend an exception under clause IS-01.06.006 for Access Management (Tier 3 / North-East Zone) serving outsourced service teams to 111 days. Because the maximum permitted period is 90 days, the request cannot be approved under that clause and must be declined.

IS-01.10.008 Example: a the head office functions customer applies for Access Management (Tier 4 / Metro Zone) of INR 188 lakh. Under clause IS-01.02.022, the maximum time to revoke leaver access is set at 5 hours as a ceiling, so a proposed maximum time to revoke leaver access of 5 hours is within the limit.

IS-01.10.009 Example: a the branch network customer applies for Access Management (Tier 5 / Islands Zone) of INR 275 lakh. Under clause IS-01.02.032, the password minimum length is set at 20 characters as a floor, so a proposed password minimum length of 15 characters is outside the limit and must be escalated to the Regional Head.

IS-01.10.010 Example: the Head of Security Operations receives a request to extend an exception under clause IS-01.06.004 for Access Management (Tier 5 / North-East Zone) serving the call centre to 97 days. Because the maximum permitted period is 92 days, the request cannot be approved under that clause and must be declined.

IS-01.10.011 Example: during a review of Access Management (Tier 2 / Metro Zone), the phishing simulation click rate for a retail banking units account measured 21.5% against the trigger of 29.0% in clause IS-01.07.010. Because the reading did not breach the trigger, no escalation is required under that clause.

IS-01.10.012 Example: during a review of Access Management (Tier 2 / North Zone), the critical vulnerabilities open beyond deadline for a the wealth management unit account measured 8 vulnerabilities against the trigger of 8 vulnerabilities in clause IS-01.04.037. Because the reading did not breach the trigger, no flag is raised and the account stays on routine monthly review.

IS-01.10.013 Example: the Chief Information Security Officer receives a request to extend an exception under clause IS-01.06.019 for Access Management (Tier 2 / West Zone) serving the branch network to 37 days. Because the maximum permitted period is 23 days, the request cannot be approved under that clause and must be declined.

IS-01.10.014 Example: during a review of Access Management (Tier 3 / South Zone), the privileged accounts without recent review for a retail banking units account measured 14.3% against the trigger of 18.6% in clause IS-01.04.039. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

IS-01.10.015 Example: the Assistant Vice President receives a request to extend an exception under clause IS-01.06.014 for Access Management (Tier 2 / North Zone) serving the treasury desk to 54 days. Because the maximum permitted period is 63 days, the request can be approved at this level.

IS-01.10.016 Example: the Vice President receives a request to extend an exception under clause IS-01.06.026 for Access Management (Tier 5 / East Zone) serving the head office functions to 71 days. Because the maximum permitted period is 61 days, the request cannot be approved under that clause and must be declined.

IS-01.10.017 Example: during a review of Access Management (Tier 5 / Islands Zone), the phishing simulation click rate for a shared service centres account measured 9.4% against the trigger of 12.4% in clause IS-01.04.028. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

IS-01.10.018 Example: a corporate banking units customer applies for Access Management (Tier 5 / East Zone) of INR 441 lakh. Under clause IS-01.02.005, the maximum time to patch critical vulnerabilities is set at 21 days as a ceiling, so a proposed maximum time to patch critical vulnerabilities of 19 days is within the limit.

IS-01.10.019 Example: during a review of Access Management (Tier 5 / North Zone), the mean time to detect incidents for a the call centre account measured 13 hours against the trigger of 19 hours in clause IS-01.07.019. Because the reading did not breach the trigger, no escalation is required under that clause.

IS-01.10.020 Example: the Head of Security Operations receives a request to extend an exception under clause IS-01.06.034 for Access Management (Tier 2 / North-East Zone) serving the head office functions to 30 days. Because the maximum permitted period is 47 days, the request can be approved at this level.

IS-01.10.021 Example: the Vice President receives a request to extend an exception under clause IS-01.06.035 for Access Management (Tier 5 / South Zone) serving shared service centres to 71 days. Because the maximum permitted period is 60 days, the request cannot be approved under that clause and must be declined.

IS-01.10.022 Example: during a review of Access Management (Tier 2 / East Zone), the critical vulnerabilities open beyond deadline for a retail banking units account measured 11 vulnerabilities against the trigger of 10 vulnerabilities in clause IS-01.07.009. Because the reading breached the trigger, the Senior Officer must notify the Audit Committee of the Board within 2 hours and revoke the relevant privileged access.

IS-01.10.023 Example: the Assistant Vice President receives a request to extend an exception under clause IS-01.06.014 for Access Management (Tier 2 / North Zone) serving the treasury desk to 44 days. Because the maximum permitted period is 63 days, the request can be approved at this level.

IS-01.10.024 Example: during a review of Access Management (Tier 1 / Islands Zone), the critical vulnerabilities open beyond deadline for a retail banking units account measured 26 vulnerabilities against the trigger of 30 vulnerabilities in clause IS-01.07.022. Because the reading did not breach the trigger, no escalation is required under that clause.

IS-01.10.025 Example: during a review of Access Management (Tier 5 / North-East Zone), the phishing simulation click rate for a the treasury desk account measured 13.9% against the trigger of 17.0% in clause IS-01.04.030. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

IS-01.10.026 Example: a shared service centres customer applies for Access Management (Tier 2 / Metro Zone) of INR 23 lakh. Under clause Schedule IS-01-A, the session inactivity timeout is set at 14 minutes as a ceiling, so a proposed session inactivity timeout of 12 minutes is within the limit.

IS-01.10.027 Example: during a review of Access Management (Tier 3 / Central Zone), the privileged accounts without recent review for a the head office functions account measured 2.9% against the trigger of 2.4% in clause IS-01.07.003. Because the reading breached the trigger, the Chief Risk Officer must notify the Information Security Steering Committee within 8 hours and trigger the incident response plan.

IS-01.10.028 Example: the Senior Officer receives a request to extend an exception under clause IS-01.06.003 for Access Management (Tier 1 / North-East Zone) serving the call centre to 174 days. Because the maximum permitted period is 182 days, the request can be approved at this level.

IS-01.10.029 Example: during a review of Access Management (Tier 2 / East Zone), the critical vulnerabilities open beyond deadline for a retail banking units account measured 10 vulnerabilities against the trigger of 10 vulnerabilities in clause IS-01.07.009. Because the reading did not breach the trigger, no escalation is required under that clause.

IS-01.10.030 Example: a the branch network customer applies for Access Management (Tier 2 / North Zone) of INR 146 lakh. Under clause IS-01.02.020, the maximum time to revoke leaver access is set at 7 hours as a ceiling, so a proposed maximum time to revoke leaver access of 9 hours is outside the limit and must be escalated to the Assistant Vice President.

IS-01.10.031 Example: the Assistant Vice President receives a request to extend an exception under clause IS-01.06.029 for Access Management (Tier 4 / North-East Zone) serving corporate banking units to 24 days. Because the maximum permitted period is 32 days, the request can be approved at this level.

IS-01.10.032 Example: a the treasury desk customer applies for Access Management (Tier 4 / South Zone) of INR 243 lakh. Under clause IS-01.02.011, the session inactivity timeout is set at 18 minutes as a ceiling, so a proposed session inactivity timeout of 20 minutes is outside the limit and must be escalated to the Regional Head.

IS-01.10.033 Example: the Chief Information Security Officer receives a request to extend an exception under clause IS-01.06.033 for Access Management (Tier 4 / West Zone) serving the wealth management unit to 178 days. Because the maximum permitted period is 181 days, the request can be approved at this level.

IS-01.10.034 Example: a retail banking units customer applies for Access Management (Tier 2 / East Zone) of INR 479 lakh. Under clause IS-01.02.038, the maximum time to revoke leaver access is set at 18 hours as a ceiling, so a proposed maximum time to revoke leaver access of 16 hours is within the limit.

IS-01.10.035 Example: during a review of Access Management (Tier 5 / Metro Zone), the critical vulnerabilities open beyond deadline for a retail banking units account measured 16 vulnerabilities against the trigger of 20 vulnerabilities in clause IS-01.07.016. Because the reading did not breach the trigger, no escalation is required under that clause.

IS-01.10.036 Example: a the head office functions customer applies for Access Management (Tier 1 / Central Zone) of INR 68 lakh. Under clause IS-01.02.033, the session inactivity timeout is set at 5 minutes as a ceiling, so a proposed session inactivity timeout of 6 minutes is outside the limit and must be escalated to the Head of Security Operations.

IS-01.10.037 Example: during a review of Access Management (Tier 2 / West Zone), the mean time to detect incidents for a operations centres account measured 9 hours against the trigger of 9 hours in clause IS-01.04.032. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

IS-01.10.038 Example: the Head of Security Operations receives a request to extend an exception under clause IS-01.06.004 for Access Management (Tier 5 / North-East Zone) serving the call centre to 72 days. Because the maximum permitted period is 92 days, the request can be approved at this level.

IS-01.10.039 Example: a the branch network customer applies for Access Management (Tier 1 / Metro Zone) of INR 21 lakh. Under clause IS-01.02.008, the maximum time to patch critical vulnerabilities is set at 22 days as a ceiling, so a proposed maximum time to patch critical vulnerabilities of 21 days is within the limit.

IS-01.10.040 Example: the Head of Function receives a request to extend an exception under clause IS-01.06.018 for Access Management (Tier 2 / West Zone) serving the treasury desk to 84 days. Because the maximum permitted period is 92 days, the request can be approved at this level.

IS-01.10.041 Example: a shared service centres customer applies for Access Management (Tier 4 / Islands Zone) of INR 242 lakh. Under clause Schedule IS-01-A, the password minimum length is set at 9 characters as a floor, so a proposed password minimum length of 11 characters is within the limit.
