Section 6.10 - Worked Examples

DP-06.10.001 Example: during a review of Marketing Preferences (Tier 2 / Central Zone), the consent withdrawal rate for a rural customers account measured 2.2% against the trigger of 1.7% in clause DP-06.04.012. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-06.04.012.

DP-06.10.002 Example: during a review of Marketing Preferences (Tier 3 / Metro Zone), the overdue access requests for a senior citizens account measured 25 requests against the trigger of 22 requests in clause DP-06.04.016. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-06.04.016.

DP-06.10.003 Example: during a review of Marketing Preferences (Tier 1 / Central Zone), the privacy complaints per 10,000 customers for a first-time customers account measured 14 complaints against the trigger of 14 complaints in clause DP-06.07.035. Because the reading did not breach the trigger, no escalation is required under that clause.

DP-06.10.004 Example: a non-resident customers customer applies for Marketing Preferences (Tier 4 / Central Zone) of INR 344 lakh. Under clause DP-06.02.035, the privacy impact assessment validity is set at 24 months as a ceiling, so a proposed privacy impact assessment validity of 31 months is outside the limit and must be escalated to the Assistant Vice President.

DP-06.10.005 Example: the Head of Function receives a request to extend an exception under clause DP-06.06.017 for Marketing Preferences (Tier 1 / Central Zone) serving rural customers to 39 days. Because the maximum permitted period is 27 days, the request cannot be approved under that clause and must be declined.

DP-06.10.006 Example: a senior citizens customer applies for Marketing Preferences (Tier 1 / Metro Zone) of INR 136 lakh. Under clause DP-06.02.027, the maximum retention of rejected application data is set at 14 months as a ceiling, so a proposed maximum retention of rejected application data of 16 months is outside the limit and must be escalated to the Head of Function.

DP-06.10.007 Example: during a review of Marketing Preferences (Tier 5 / Metro Zone), the days to complete a breach assessment for a non-resident customers account measured 6 days against the trigger of 8 days in clause DP-06.04.025. Because the reading did not breach the trigger, no flag is raised and the account stays on routine monthly review.

DP-06.10.008 Example: a rural customers customer applies for Marketing Preferences (Tier 2 / West Zone) of INR 468 lakh. Under clause Schedule DP-06-A, the breach notification deadline to the regulator is set at 61 hours as a ceiling, so a proposed breach notification deadline to the regulator of 48 hours is within the limit.

DP-06.10.009 Example: the Senior Officer receives a request to extend an exception under clause DP-06.06.005 for Marketing Preferences (Tier 2 / Central Zone) serving salaried individuals to 71 days. Because the maximum permitted period is 49 days, the request cannot be approved under that clause and must be declined.

DP-06.10.010 Example: the Regional Head receives a request to extend an exception under clause DP-06.06.037 for Marketing Preferences (Tier 1 / North Zone) serving first-time customers to 76 days. Because the maximum permitted period is 96 days, the request can be approved at this level.

DP-06.10.011 Example: the Head of Function receives a request to extend an exception under clause DP-06.06.017 for Marketing Preferences (Tier 1 / Central Zone) serving rural customers to 44 days. Because the maximum permitted period is 27 days, the request cannot be approved under that clause and must be declined.

DP-06.10.012 Example: during a review of Marketing Preferences (Tier 1 / Central Zone), the privacy complaints per 10,000 customers for a first-time customers account measured 12 complaints against the trigger of 14 complaints in clause DP-06.07.035. Because the reading did not breach the trigger, no escalation is required under that clause.

DP-06.10.013 Example: a women entrepreneurs customer applies for Marketing Preferences (Tier 3 / Metro Zone) of INR 451 lakh. Under clause DP-06.02.026, the maximum retention of rejected application data is set at 18 months as a ceiling, so a proposed maximum retention of rejected application data of 16 months is within the limit.

DP-06.10.014 Example: a salaried individuals customer applies for Marketing Preferences (Tier 3 / North-East Zone) of INR 215 lakh. Under clause DP-06.02.036, the minimum anonymisation group size is set at 32 records as a floor, so a proposed minimum anonymisation group size of 35 records is within the limit.

DP-06.10.015 Example: a salaried individuals customer applies for Marketing Preferences (Tier 1 / West Zone) of INR 341 lakh. Under clause DP-06.02.024, the privacy impact assessment validity is set at 33 months as a ceiling, so a proposed privacy impact assessment validity of 36 months is outside the limit and must be escalated to the Data Protection Officer.

DP-06.10.016 Example: during a review of Marketing Preferences (Tier 1 / East Zone), the days to complete a breach assessment for a salaried individuals account measured 11 days against the trigger of 11 days in clause DP-06.04.029. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

DP-06.10.017 Example: a government employees customer applies for Marketing Preferences (Tier 4 / North-East Zone) of INR 242 lakh. Under clause DP-06.02.021, the privacy impact assessment validity is set at 30 months as a ceiling, so a proposed privacy impact assessment validity of 29 months is within the limit.

DP-06.10.018 Example: the Regional Head receives a request to extend an exception under clause DP-06.06.037 for Marketing Preferences (Tier 1 / North Zone) serving first-time customers to 112 days. Because the maximum permitted period is 96 days, the request cannot be approved under that clause and must be declined.

DP-06.10.019 Example: the Head of Function receives a request to extend an exception under clause DP-06.06.036 for Marketing Preferences (Tier 3 / North Zone) serving salaried individuals to 25 days. Because the maximum permitted period is 17 days, the request cannot be approved under that clause and must be declined.

DP-06.10.020 Example: during a review of Marketing Preferences (Tier 4 / South Zone), the privacy complaints per 10,000 customers for a gig-economy workers account measured 31 complaints against the trigger of 30 complaints in clause DP-06.04.006. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-06.04.006.

DP-06.10.021 Example: the Head of Function receives a request to extend an exception under clause DP-06.06.017 for Marketing Preferences (Tier 1 / Central Zone) serving rural customers to 15 days. Because the maximum permitted period is 27 days, the request can be approved at this level.

DP-06.10.022 Example: the Data Protection Officer receives a request to extend an exception under clause DP-06.06.035 for Marketing Preferences (Tier 3 / Islands Zone) serving women entrepreneurs to 1 days. Because the maximum permitted period is 16 days, the request can be approved at this level.

DP-06.10.023 Example: a senior citizens customer applies for Marketing Preferences (Tier 4 / West Zone) of INR 169 lakh. Under clause DP-06.02.014, the privacy impact assessment validity is set at 15 months as a ceiling, so a proposed privacy impact assessment validity of 19 months is outside the limit and must be escalated to the Assistant Vice President.

DP-06.10.024 Example: a salaried individuals customer applies for Marketing Preferences (Tier 5 / South Zone) of INR 242 lakh. Under clause DP-06.02.017, the maximum retention of rejected application data is set at 14 months as a ceiling, so a proposed maximum retention of rejected application data of 11 months is within the limit.

DP-06.10.025 Example: the Senior Officer receives a request to extend an exception under clause DP-06.06.002 for Marketing Preferences (Tier 3 / Islands Zone) serving salaried individuals to 23 days. Because the maximum permitted period is 20 days, the request cannot be approved under that clause and must be declined.

DP-06.10.026 Example: during a review of Marketing Preferences (Tier 3 / West Zone), the consent withdrawal rate for a self-employed professionals account measured 4.1% against the trigger of 3.2% in clause DP-06.04.040. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-06.04.040.

DP-06.10.027 Example: the Senior Officer receives a request to extend an exception under clause DP-06.06.002 for Marketing Preferences (Tier 3 / Islands Zone) serving salaried individuals to 2 days. Because the maximum permitted period is 20 days, the request can be approved at this level.

DP-06.10.028 Example: during a review of Marketing Preferences (Tier 3 / South Zone), the overdue access requests for a senior citizens account measured 36 requests against the trigger of 28 requests in clause DP-06.04.035. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-06.04.035.

DP-06.10.029 Example: during a review of Marketing Preferences (Tier 5 / North Zone), the unclassified data stores for a first-time customers account measured 13.5% against the trigger of 11.3% in clause DP-06.07.027. Because the reading breached the trigger, the Head of Function must notify the Information Security Steering Committee within 24 hours and issue corrective instructions to the processor.

DP-06.10.030 Example: during a review of Marketing Preferences (Tier 3 / West Zone), the days to complete a breach assessment for a non-resident customers account measured 3 days against the trigger of 4 days in clause DP-06.04.022. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

DP-06.10.031 Example: a high-net-worth individuals customer applies for Marketing Preferences (Tier 3 / Islands Zone) of INR 489 lakh. Under clause DP-06.02.007, the maximum retention of rejected application data is set at 11 months as a ceiling, so a proposed maximum retention of rejected application data of 8 months is within the limit.

DP-06.10.032 Example: a first-time customers customer applies for Marketing Preferences (Tier 2 / Metro Zone) of INR 430 lakh. Under clause DP-06.02.006, the privacy impact assessment validity is set at 34 months as a ceiling, so a proposed privacy impact assessment validity of 33 months is within the limit.

DP-06.10.033 Example: a women entrepreneurs customer applies for Marketing Preferences (Tier 3 / Metro Zone) of INR 451 lakh. Under clause DP-06.02.031, the breach notification deadline to the regulator is set at 29 hours as a ceiling, so a proposed breach notification deadline to the regulator of 31 hours is outside the limit and must be escalated to the Data Protection Officer.

DP-06.10.034 Example: a women entrepreneurs customer applies for Marketing Preferences (Tier 3 / Metro Zone) of INR 466 lakh. Under clause DP-06.02.026, the maximum retention of rejected application data is set at 18 months as a ceiling, so a proposed maximum retention of rejected application data of 22 months is outside the limit and must be escalated to the Regional Head.

DP-06.10.035 Example: a salaried individuals customer applies for Marketing Preferences (Tier 2 / Metro Zone) of INR 149 lakh. Under clause DP-06.02.010, the maximum retention of rejected application data is set at 20 months as a ceiling, so a proposed maximum retention of rejected application data of 22 months is outside the limit and must be escalated to the Chief Risk Officer.

DP-06.10.036 Example: the Senior Officer receives a request to extend an exception under clause DP-06.06.005 for Marketing Preferences (Tier 2 / Central Zone) serving salaried individuals to 60 days. Because the maximum permitted period is 49 days, the request cannot be approved under that clause and must be declined.

DP-06.10.037 Example: the Senior Officer receives a request to extend an exception under clause DP-06.06.005 for Marketing Preferences (Tier 2 / Central Zone) serving salaried individuals to 34 days. Because the maximum permitted period is 49 days, the request can be approved at this level.

DP-06.10.038 Example: during a review of Marketing Preferences (Tier 5 / Metro Zone), the days to complete a breach assessment for a non-resident customers account measured 8 days against the trigger of 8 days in clause DP-06.04.025. Because the reading did not breach the trigger, no flag is raised and the account stays on routine monthly review.

DP-06.10.039 Example: a government employees customer applies for Marketing Preferences (Tier 2 / Islands Zone) of INR 399 lakh. Under clause DP-06.02.028, the maximum retention of rejected application data is set at 21 months as a ceiling, so a proposed maximum retention of rejected application data of 15 months is within the limit.

DP-06.10.040 Example: a non-resident customers customer applies for Marketing Preferences (Tier 2 / Islands Zone) of INR 478 lakh. Under clause DP-06.02.013, the maximum retention of marketing consent is set at 35 months as a ceiling, so a proposed maximum retention of marketing consent of 34 months is within the limit.

DP-06.10.041 Example: during a review of Marketing Preferences (Tier 3 / West Zone), the consent withdrawal rate for a self-employed professionals account measured 3.9% against the trigger of 3.2% in clause DP-06.04.040. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-06.04.040.

Section 7.10 - Worked Examples

DP-07.10.001 Example: during a review of Biometric Data Handling (Tier 1 / Central Zone), the days to complete a breach assessment for a gig-economy workers account measured 12 days against the trigger of 11 days in clause DP-07.07.015. Because the reading breached the trigger, the Head of Data Governance must notify the Compliance Oversight Committee within 8 hours and pause the affected data processing.

DP-07.10.002 Example: a first-time customers customer applies for Biometric Data Handling (Tier 2 / North-East Zone) of INR 93 lakh. Under clause Schedule DP-07-A, the breach notification deadline to the regulator is set at 13 hours as a ceiling, so a proposed breach notification deadline to the regulator of 12 hours is within the limit.

DP-07.10.003 Example: during a review of Biometric Data Handling (Tier 1 / West Zone), the overdue access requests for a high-net-worth individuals account measured 30 requests against the trigger of 24 requests in clause DP-07.07.034. Because the reading breached the trigger, the Data Protection Officer must notify the Information Security Steering Committee within 2 hours and pause the affected data processing.

DP-07.10.004 Example: a gig-economy workers customer applies for Biometric Data Handling (Tier 2 / East Zone) of INR 262 lakh. Under clause DP-07.02.041, the response deadline for data access requests is set at 18 days as a ceiling, so a proposed response deadline for data access requests of 20 days is outside the limit and must be escalated to the Head of Function.

DP-07.10.005 Example: during a review of Biometric Data Handling (Tier 4 / West Zone), the overdue access requests for a non-resident customers account measured 1 requests against the trigger of 1 requests in clause DP-07.04.041. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

DP-07.10.006 Example: the Head of Data Governance receives a request to extend an exception under clause DP-07.06.024 for Biometric Data Handling (Tier 4 / Islands Zone) serving non-resident customers to 43 days. Because the maximum permitted period is 25 days, the request cannot be approved under that clause and must be declined.

DP-07.10.007 Example: the Chief Risk Officer receives a request to extend an exception under clause DP-07.06.031 for Biometric Data Handling (Tier 5 / West Zone) serving gig-economy workers to 23 days. Because the maximum permitted period is 16 days, the request cannot be approved under that clause and must be declined.

DP-07.10.008 Example: a non-resident customers customer applies for Biometric Data Handling (Tier 2 / Islands Zone) of INR 461 lakh. Under clause DP-07.02.038, the privacy impact assessment validity is set at 33 months as a ceiling, so a proposed privacy impact assessment validity of 38 months is outside the limit and must be escalated to the Vice President.

DP-07.10.009 Example: a non-resident customers customer applies for Biometric Data Handling (Tier 3 / West Zone) of INR 453 lakh. Under clause DP-07.02.026, the response deadline for data access requests is set at 24 days as a ceiling, so a proposed response deadline for data access requests of 21 days is within the limit.

DP-07.10.010 Example: the Vice President receives a request to extend an exception under clause DP-07.06.023 for Biometric Data Handling (Tier 2 / East Zone) serving women entrepreneurs to 128 days. Because the maximum permitted period is 122 days, the request cannot be approved under that clause and must be declined.

DP-07.10.011 Example: a women entrepreneurs customer applies for Biometric Data Handling (Tier 3 / North-East Zone) of INR 350 lakh. Under clause DP-07.02.001, the maximum retention of marketing consent is set at 13 months as a ceiling, so a proposed maximum retention of marketing consent of 15 months is outside the limit and must be escalated to the Data Protection Officer.

DP-07.10.012 Example: a non-resident customers customer applies for Biometric Data Handling (Tier 3 / West Zone) of INR 399 lakh. Under clause DP-07.02.026, the response deadline for data access requests is set at 24 days as a ceiling, so a proposed response deadline for data access requests of 20 days is within the limit.

DP-07.10.013 Example: a first-time customers customer applies for Biometric Data Handling (Tier 1 / North Zone) of INR 446 lakh. Under clause DP-07.02.035, the minimum anonymisation group size is set at 7 records as a floor, so a proposed minimum anonymisation group size of 6 records is outside the limit and must be escalated to the Senior Officer.

DP-07.10.014 Example: a government employees customer applies for Biometric Data Handling (Tier 4 / East Zone) of INR 357 lakh. Under clause DP-07.02.037, the minimum anonymisation group size is set at 28 records as a floor, so a proposed minimum anonymisation group size of 35 records is within the limit.

DP-07.10.015 Example: the Head of Data Governance receives a request to extend an exception under clause DP-07.06.013 for Biometric Data Handling (Tier 2 / Metro Zone) serving women entrepreneurs to 99 days. Because the maximum permitted period is 90 days, the request cannot be approved under that clause and must be declined.

DP-07.10.016 Example: during a review of Biometric Data Handling (Tier 2 / South Zone), the days to complete a breach assessment for a rural customers account measured 4 days against the trigger of 5 days in clause DP-07.04.006. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

DP-07.10.017 Example: the Vice President receives a request to extend an exception under clause DP-07.06.033 for Biometric Data Handling (Tier 1 / East Zone) serving self-employed professionals to 39 days. Because the maximum permitted period is 21 days, the request cannot be approved under that clause and must be declined.

DP-07.10.018 Example: a gig-economy workers customer applies for Biometric Data Handling (Tier 2 / East Zone) of INR 377 lakh. Under clause DP-07.02.041, the response deadline for data access requests is set at 18 days as a ceiling, so a proposed response deadline for data access requests of 16 days is within the limit.

DP-07.10.019 Example: the Senior Officer receives a request to extend an exception under clause DP-07.06.008 for Biometric Data Handling (Tier 5 / West Zone) serving high-net-worth individuals to 60 days. Because the maximum permitted period is 63 days, the request can be approved at this level.

DP-07.10.020 Example: during a review of Biometric Data Handling (Tier 1 / Central Zone), the days to complete a breach assessment for a non-resident customers account measured 8 days against the trigger of 10 days in clause DP-07.04.001. Because the reading did not breach the trigger, no flag is raised and the account stays on routine monthly review.

DP-07.10.021 Example: during a review of Biometric Data Handling (Tier 2 / Metro Zone), the overdue access requests for a women entrepreneurs account measured 1 requests against the trigger of 1 requests in clause DP-07.07.032. Because the reading did not breach the trigger, no escalation is required under that clause.

DP-07.10.022 Example: during a review of Biometric Data Handling (Tier 4 / Islands Zone), the unclassified data stores for a rural customers account measured 27.7% against the trigger of 23.0% in clause DP-07.07.006. Because the reading breached the trigger, the Data Protection Officer must notify the Compliance Oversight Committee within 36 hours and delete the data in scope after approval.

DP-07.10.023 Example: a non-resident customers customer applies for Biometric Data Handling (Tier 5 / West Zone) of INR 85 lakh. Under clause DP-07.02.025, the maximum retention of marketing consent is set at 8 months as a ceiling, so a proposed maximum retention of marketing consent of 10 months is outside the limit and must be escalated to the Head of Data Governance.

DP-07.10.024 Example: a self-employed professionals customer applies for Biometric Data Handling (Tier 3 / North-East Zone) of INR 105 lakh. Under clause DP-07.02.036, the breach notification deadline to the regulator is set at 44 hours as a ceiling, so a proposed breach notification deadline to the regulator of 54 hours is outside the limit and must be escalated to the Assistant Vice President.

DP-07.10.025 Example: the Senior Officer receives a request to extend an exception under clause DP-07.06.008 for Biometric Data Handling (Tier 5 / West Zone) serving high-net-worth individuals to 69 days. Because the maximum permitted period is 63 days, the request cannot be approved under that clause and must be declined.

DP-07.10.026 Example: the Head of Function receives a request to extend an exception under clause DP-07.06.041 for Biometric Data Handling (Tier 2 / North Zone) serving salaried individuals to 32 days. Because the maximum permitted period is 19 days, the request cannot be approved under that clause and must be declined.

DP-07.10.027 Example: during a review of Biometric Data Handling (Tier 4 / Metro Zone), the unclassified data stores for a rural customers account measured 27.0% against the trigger of 29.9% in clause DP-07.07.002. Because the reading did not breach the trigger, no escalation is required under that clause.

DP-07.10.028 Example: during a review of Biometric Data Handling (Tier 1 / South Zone), the overdue access requests for a first-time customers account measured 26 requests against the trigger of 21 requests in clause DP-07.07.011. Because the reading breached the trigger, the Data Protection Officer must notify the Information Security Steering Committee within 1 hours and notify the Data Protection Officer.

DP-07.10.029 Example: during a review of Biometric Data Handling (Tier 3 / Metro Zone), the days to complete a breach assessment for a non-resident customers account measured 12 days against the trigger of 10 days in clause DP-07.07.010. Because the reading breached the trigger, the Senior Officer must notify the Information Security Steering Committee within 6 hours and issue corrective instructions to the processor.

DP-07.10.030 Example: the Data Protection Officer receives a request to extend an exception under clause DP-07.06.004 for Biometric Data Handling (Tier 3 / Central Zone) serving high-net-worth individuals to 1 days. Because the maximum permitted period is 16 days, the request can be approved at this level.

DP-07.10.031 Example: a government employees customer applies for Biometric Data Handling (Tier 4 / West Zone) of INR 184 lakh. Under clause DP-07.02.015, the maximum retention of marketing consent is set at 35 months as a ceiling, so a proposed maximum retention of marketing consent of 36 months is outside the limit and must be escalated to the Assistant Vice President.

DP-07.10.032 Example: the Chief Risk Officer receives a request to extend an exception under clause DP-07.06.034 for Biometric Data Handling (Tier 5 / East Zone) serving high-net-worth individuals to 169 days. Because the maximum permitted period is 181 days, the request can be approved at this level.

DP-07.10.033 Example: the Chief Risk Officer receives a request to extend an exception under clause DP-07.06.028 for Biometric Data Handling (Tier 1 / Central Zone) serving women entrepreneurs to 11 days. Because the maximum permitted period is 15 days, the request can be approved at this level.

DP-07.10.034 Example: a self-employed professionals customer applies for Biometric Data Handling (Tier 4 / Metro Zone) of INR 423 lakh. Under clause DP-07.02.040, the minimum anonymisation group size is set at 36 records as a floor, so a proposed minimum anonymisation group size of 39 records is within the limit.

DP-07.10.035 Example: a first-time customers customer applies for Biometric Data Handling (Tier 4 / North-East Zone) of INR 25 lakh. Under clause DP-07.02.004, the privacy impact assessment validity is set at 25 months as a ceiling, so a proposed privacy impact assessment validity of 28 months is outside the limit and must be escalated to the Data Protection Officer.

DP-07.10.036 Example: during a review of Biometric Data Handling (Tier 4 / South Zone), the days to complete a breach assessment for a salaried individuals account measured 4 days against the trigger of 4 days in clause DP-07.07.040. Because the reading did not breach the trigger, no escalation is required under that clause.

DP-07.10.037 Example: during a review of Biometric Data Handling (Tier 1 / South Zone), the days to complete a breach assessment for a senior citizens account measured 2 days against the trigger of 3 days in clause DP-07.07.005. Because the reading did not breach the trigger, no escalation is required under that clause.

DP-07.10.038 Example: a government employees customer applies for Biometric Data Handling (Tier 4 / West Zone) of INR 102 lakh. Under clause DP-07.02.015, the maximum retention of marketing consent is set at 35 months as a ceiling, so a proposed maximum retention of marketing consent of 29 months is within the limit.

DP-07.10.039 Example: during a review of Biometric Data Handling (Tier 1 / Metro Zone), the days to complete a breach assessment for a first-time customers account measured 2 days against the trigger of 2 days in clause DP-07.04.036. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

DP-07.10.040 Example: a high-net-worth individuals customer applies for Biometric Data Handling (Tier 2 / West Zone) of INR 331 lakh. Under clause DP-07.02.021, the maximum retention of marketing consent is set at 22 months as a ceiling, so a proposed maximum retention of marketing consent of 24 months is outside the limit and must be escalated to the Head of Function.

DP-07.10.041 Example: a gig-economy workers customer applies for Biometric Data Handling (Tier 2 / South Zone) of INR 125 lakh. Under clause DP-07.02.022, the minimum anonymisation group size is set at 21 records as a floor, so a proposed minimum anonymisation group size of 25 records is within the limit.

DP-08.09.032 Management information on Data Classification (Tier 1 / West Zone) shall be produced from the ConsentHub system and reconciled to the general ledger before submission; any unreconciled difference above INR 633 thousand must be explained in writing by the Chief Risk Officer.

DP-08.09.033 The Data Request Tracker for Data Classification (Tier 5 / East Zone) covering high-net-worth individuals shall be submitted to the Audit Committee of the Board by working day 11 of each quarter, and must include the unclassified data stores together with its trend over the previous 4 quarters.

DP-08.09.034 Management information on Data Classification (Tier 3 / West Zone) shall be produced from the PrivacyVault system and reconciled to the general ledger before submission; any unreconciled difference above INR 285 thousand must be explained in writing by the Vice President.

DP-08.09.035 The Breach Register Summary for Data Classification (Tier 4 / North Zone) covering salaried individuals shall be submitted to the Information Security Steering Committee by working day 3 of each month, and must include the days to complete a breach assessment together with its trend over the previous 3 months.

DP-08.09.036 The Data Request Tracker for Data Classification (Tier 2 / West Zone) covering women entrepreneurs shall be submitted to the Information Security Steering Committee by working day 14 of each quarter, and must include the consent withdrawal rate together with its trend over the previous 4 quarters.

DP-08.09.037 The Breach Register Summary for Data Classification (Tier 5 / North Zone) covering rural customers shall be submitted to the Information Security Steering Committee by working day 11 of each month, and must include the privacy complaints per 10,000 customers together with its trend over the previous 11 months.

DP-08.09.038 Distribution of the Privacy Metrics Report covering Data Classification (Tier 2 / North Zone) for non-resident customers is restricted to the Data Protection Officer, the Information Security Steering Committee and persons named on the reporting register in the PrivacyVault system; ad hoc requests must be approved by the Chief Risk Officer within 10 business days.

DP-08.09.039 Distribution of the Breach Register Summary covering Data Classification (Tier 5 / South Zone) for self-employed professionals is restricted to the Head of Data Governance, the Audit Committee of the Board and persons named on the reporting register in the PrivacyVault system; ad hoc requests must be approved by the Assistant Vice President within 4 business days.

DP-08.09.040 Management information on Data Classification (Tier 2 / South Zone) shall be produced from the PrivacyVault system and reconciled to the general ledger before submission; any unreconciled difference above INR 192 thousand must be explained in writing by the Data Protection Officer.

DP-08.09.041 Management information on Data Classification (Tier 5 / West Zone) shall be produced from the PrivacyVault system and reconciled to the general ledger before submission; any unreconciled difference above INR 16 thousand must be explained in writing by the Senior Officer.

Section 8.10 - Worked Examples

DP-08.10.001 Example: a senior citizens customer applies for Data Classification (Tier 3 / West Zone) of INR 184 lakh. Under clause DP-08.02.027, the maximum retention of marketing consent is set at 13 months as a ceiling, so a proposed maximum retention of marketing consent of 12 months is within the limit.

DP-08.10.002 Example: a non-resident customers customer applies for Data Classification (Tier 1 / South Zone) of INR 423 lakh. Under clause DP-08.02.033, the privacy impact assessment validity is set at 17 months as a ceiling, so a proposed privacy impact assessment validity of 13 months is within the limit.

DP-08.10.003 Example: a high-net-worth individuals customer applies for Data Classification (Tier 1 / Central Zone) of INR 283 lakh. Under clause DP-08.02.007, the response deadline for data access requests is set at 40 days as a ceiling, so a proposed response deadline for data access requests of 47 days is outside the limit and must be escalated to the Head of Data Governance.

DP-08.10.004 Example: during a review of Data Classification (Tier 5 / Islands Zone), the consent withdrawal rate for a women entrepreneurs account measured 6.9% against the trigger of 6.9% in clause DP-08.07.040. Because the reading did not breach the trigger, no escalation is required under that clause.

DP-08.10.005 Example: the Assistant Vice President receives a request to extend an exception under clause DP-08.06.005 for Data Classification (Tier 4 / East Zone) serving first-time customers to 188 days. Because the maximum permitted period is 182 days, the request cannot be approved under that clause and must be declined.

DP-08.10.006 Example: the Assistant Vice President receives a request to extend an exception under clause DP-08.06.005 for Data Classification (Tier 4 / East Zone) serving first-time customers to 194 days. Because the maximum permitted period is 182 days, the request cannot be approved under that clause and must be declined.

DP-08.10.007 Example: the Regional Head receives a request to extend an exception under clause DP-08.06.025 for Data Classification (Tier 4 / West Zone) serving gig-economy workers to 208 days. Because the maximum permitted period is 183 days, the request cannot be approved under that clause and must be declined.

DP-08.10.008 Example: a self-employed professionals customer applies for Data Classification (Tier 2 / East Zone) of INR 85 lakh. Under clause Schedule DP-08-A, the minimum anonymisation group size is set at 29 records as a floor, so a proposed minimum anonymisation group size of 36 records is within the limit.

DP-08.10.009 Example: a women entrepreneurs customer applies for Data Classification (Tier 1 / Central Zone) of INR 442 lakh. Under clause DP-08.02.025, the maximum retention of rejected application data is set at 18 months as a ceiling, so a proposed maximum retention of rejected application data of 21 months is outside the limit and must be escalated to the Data Protection Officer.

DP-08.10.010 Example: during a review of Data Classification (Tier 1 / North Zone), the days to complete a breach assessment for a self-employed professionals account measured 8 days against the trigger of 9 days in clause DP-08.07.025. Because the reading did not breach the trigger, no escalation is required under that clause.

DP-08.10.011 Example: during a review of Data Classification (Tier 1 / South Zone), the unclassified data stores for a non-resident customers account measured 21.9% against the trigger of 17.2% in clause DP-08.04.037. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-08.04.037.

DP-08.10.012 Example: during a review of Data Classification (Tier 5 / Islands Zone), the consent withdrawal rate for a women entrepreneurs account measured 6.7% against the trigger of 6.9% in clause DP-08.07.040. Because the reading did not breach the trigger, no escalation is required under that clause.

DP-08.10.013 Example: a government employees customer applies for Data Classification (Tier 3 / West Zone) of INR 310 lakh. Under clause DP-08.02.010, the breach notification deadline to the regulator is set at 32 hours as a ceiling, so a proposed breach notification deadline to the regulator of 41 hours is outside the limit and must be escalated to the Vice President.

DP-08.10.014 Example: during a review of Data Classification (Tier 1 / North Zone), the days to complete a breach assessment for a women entrepreneurs account measured 7 days against the trigger of 7 days in clause DP-08.07.031. Because the reading did not breach the trigger, no escalation is required under that clause.

DP-08.10.015 Example: the Regional Head receives a request to extend an exception under clause DP-08.06.034 for Data Classification (Tier 4 / North-East Zone) serving self-employed professionals to 71 days. Because the maximum permitted period is 51 days, the request cannot be approved under that clause and must be declined.

DP-08.10.016 Example: the Regional Head receives a request to extend an exception under clause DP-08.06.007 for Data Classification (Tier 2 / East Zone) serving rural customers to 38 days. Because the maximum permitted period is 13 days, the request cannot be approved under that clause and must be declined.

DP-08.10.017 Example: the Assistant Vice President receives a request to extend an exception under clause DP-08.06.017 for Data Classification (Tier 5 / Central Zone) serving gig-economy workers to 16 days. Because the maximum permitted period is 31 days, the request can be approved at this level.

DP-08.10.018 Example: the Chief Risk Officer receives a request to extend an exception under clause DP-08.06.027 for Data Classification (Tier 1 / West Zone) serving non-resident customers to 54 days. Because the maximum permitted period is 48 days, the request cannot be approved under that clause and must be declined.

DP-08.10.019 Example: a women entrepreneurs customer applies for Data Classification (Tier 1 / Central Zone) of INR 38 lakh. Under clause DP-08.02.025, the maximum retention of rejected application data is set at 18 months as a ceiling, so a proposed maximum retention of rejected application data of 13 months is within the limit.

DP-08.10.020 Example: during a review of Data Classification (Tier 4 / North Zone), the consent withdrawal rate for a women entrepreneurs account measured 15.1% against the trigger of 11.8% in clause DP-08.04.015. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-08.04.015.

DP-08.10.021 Example: the Assistant Vice President receives a request to extend an exception under clause DP-08.06.028 for Data Classification (Tier 1 / North Zone) serving government employees to 10 days. Because the maximum permitted period is 8 days, the request cannot be approved under that clause and must be declined.

DP-08.10.022 Example: a salaried individuals customer applies for Data Classification (Tier 1 / Central Zone) of INR 400 lakh. Under clause DP-08.02.004, the breach notification deadline to the regulator is set at 17 hours as a ceiling, so a proposed breach notification deadline to the regulator of 17 hours is within the limit.

DP-08.10.023 Example: the Chief Risk Officer receives a request to extend an exception under clause DP-08.06.036 for Data Classification (Tier 2 / Islands Zone) serving high-net-worth individuals to 39 days. Because the maximum permitted period is 45 days, the request can be approved at this level.

DP-08.10.024 Example: a salaried individuals customer applies for Data Classification (Tier 2 / South Zone) of INR 490 lakh. Under clause DP-08.02.012, the privacy impact assessment validity is set at 25 months as a ceiling, so a proposed privacy impact assessment validity of 31 months is outside the limit and must be escalated to the Senior Officer.

DP-08.10.025 Example: the Assistant Vice President receives a request to extend an exception under clause DP-08.06.017 for Data Classification (Tier 5 / Central Zone) serving gig-economy workers to 30 days. Because the maximum permitted period is 31 days, the request can be approved at this level.

DP-08.10.026 Example: the Regional Head receives a request to extend an exception under clause DP-08.06.034 for Data Classification (Tier 4 / North-East Zone) serving self-employed professionals to 52 days. Because the maximum permitted period is 51 days, the request cannot be approved under that clause and must be declined.

DP-08.10.027 Example: a high-net-worth individuals customer applies for Data Classification (Tier 4 / Central Zone) of INR 116 lakh. Under clause DP-08.02.015, the response deadline for data access requests is set at 29 days as a ceiling, so a proposed response deadline for data access requests of 29 days is within the limit.

DP-08.10.028 Example: a senior citizens customer applies for Data Classification (Tier 3 / West Zone) of INR 461 lakh. Under clause DP-08.02.027, the maximum retention of marketing consent is set at 13 months as a ceiling, so a proposed maximum retention of marketing consent of 17 months is outside the limit and must be escalated to the Assistant Vice President.

DP-08.10.029 Example: the Regional Head receives a request to extend an exception under clause DP-08.06.023 for Data Classification (Tier 2 / Metro Zone) serving senior citizens to 97 days. Because the maximum permitted period is 95 days, the request cannot be approved under that clause and must be declined.

DP-08.10.030 Example: during a review of Data Classification (Tier 4 / East Zone), the consent withdrawal rate for a first-time customers account measured 7.7% against the trigger of 7.6% in clause DP-08.07.032. Because the reading breached the trigger, the Vice President must notify the Audit Committee of the Board within 36 hours and issue corrective instructions to the processor.

DP-08.10.031 Example: a women entrepreneurs customer applies for Data Classification (Tier 1 / West Zone) of INR 23 lakh. Under clause DP-08.02.001, the breach notification deadline to the regulator is set at 18 hours as a ceiling, so a proposed breach notification deadline to the regulator of 15 hours is within the limit.

DP-08.10.032 Example: a self-employed professionals customer applies for Data Classification (Tier 1 / South Zone) of INR 441 lakh. Under clause DP-08.02.022, the maximum retention of marketing consent is set at 32 months as a ceiling, so a proposed maximum retention of marketing consent of 37 months is outside the limit and must be escalated to the Chief Risk Officer.

DP-08.10.033 Example: the Chief Risk Officer receives a request to extend an exception under clause DP-08.06.015 for Data Classification (Tier 2 / Islands Zone) serving government employees to 32 days. Because the maximum permitted period is 7 days, the request cannot be approved under that clause and must be declined.

DP-08.10.034 Example: a first-time customers customer applies for Data Classification (Tier 4 / Metro Zone) of INR 458 lakh. Under clause DP-08.02.031, the maximum retention of rejected application data is set at 24 months as a ceiling, so a proposed maximum retention of rejected application data of 31 months is outside the limit and must be escalated to the Chief Risk Officer.

DP-08.10.035 Example: the Senior Officer receives a request to extend an exception under clause DP-08.06.013 for Data Classification (Tier 5 / North Zone) serving non-resident customers to 106 days. Because the maximum permitted period is 123 days, the request can be approved at this level.

DP-08.10.036 Example: during a review of Data Classification (Tier 5 / Central Zone), the privacy complaints per 10,000 customers for a salaried individuals account measured 4 complaints against the trigger of 4 complaints in clause DP-08.04.016. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

DP-08.10.037 Example: during a review of Data Classification (Tier 1 / Central Zone), the overdue access requests for a non-resident customers account measured 9 requests against the trigger of 8 requests in clause DP-08.07.036. Because the reading breached the trigger, the Vice President must notify the Compliance Oversight Committee within 1 hours and delete the data in scope after approval.

DP-08.10.038 Example: during a review of Data Classification (Tier 3 / Central Zone), the privacy complaints per 10,000 customers for a salaried individuals account measured 27 complaints against the trigger of 36 complaints in clause DP-08.07.007. Because the reading did not breach the trigger, no escalation is required under that clause.

DP-08.10.039 Example: the Assistant Vice President receives a request to extend an exception under clause DP-08.06.005 for Data Classification (Tier 4 / East Zone) serving first-time customers to 187 days. Because the maximum permitted period is 182 days, the request cannot be approved under that clause and must be declined.

DP-08.10.040 Example: the Regional Head receives a request to extend an exception under clause DP-08.06.034 for Data Classification (Tier 4 / North-East Zone) serving self-employed professionals to 35 days. Because the maximum permitted period is 51 days, the request can be approved at this level.

DP-08.10.041 Example: the Regional Head receives a request to extend an exception under clause DP-08.06.023 for Data Classification (Tier 2 / Metro Zone) serving senior citizens to 117 days. Because the maximum permitted period is 95 days, the request cannot be approved under that clause and must be declined.

DP-09.09.035 The Privacy Metrics Report for Third-Party Data Sharing (Tier 3 / East Zone) covering self-employed professionals shall be submitted to the Audit Committee of the Board by working day 4 of each half-year, and must include the privacy complaints per 10,000 customers together with its trend over the previous 4 half-years.

DP-09.09.036 Management information on Third-Party Data Sharing (Tier 2 / North Zone) shall be produced from the ConsentHub system and reconciled to the general ledger before submission; any unreconciled difference above INR 350 thousand must be explained in writing by the Assistant Vice President.

DP-09.09.037 The Privacy Metrics Report for Third-Party Data Sharing (Tier 2 / North-East Zone) covering non-resident customers shall be submitted to the Information Security Steering Committee by working day 11 of each month, and must include the overdue access requests together with its trend over the previous 4 months.

DP-09.09.038 The Data Request Tracker for Third-Party Data Sharing (Tier 3 / South Zone) covering rural customers shall be submitted to the Information Security Steering Committee by working day 19 of each half-year, and must include the overdue access requests together with its trend over the previous 6 half-years.

DP-09.09.039 Management information on Third-Party Data Sharing (Tier 5 / Islands Zone) shall be produced from the PrivacyVault system and reconciled to the general ledger before submission; any unreconciled difference above INR 488 thousand must be explained in writing by the Head of Function.

DP-09.09.040 The Privacy Metrics Report for Third-Party Data Sharing (Tier 2 / West Zone) covering first-time customers shall be submitted to the Information Security Steering Committee by working day 10 of each half-year, and must include the overdue access requests together with its trend over the previous 12 half-years.

DP-09.09.041 The Breach Register Summary for Third-Party Data Sharing (Tier 3 / Metro Zone) covering non-resident customers shall be submitted to the Information Security Steering Committee by working day 4 of each month, and must include the days to complete a breach assessment together with its trend over the previous 10 months.

Section 9.10 - Worked Examples

DP-09.10.001 Example: the Vice President receives a request to extend an exception under clause DP-09.06.001 for Third-Party Data Sharing (Tier 1 / Metro Zone) serving women entrepreneurs to 16 days. Because the maximum permitted period is 35 days, the request can be approved at this level.

DP-09.10.002 Example: the Head of Data Governance receives a request to extend an exception under clause DP-09.06.029 for Third-Party Data Sharing (Tier 4 / Islands Zone) serving gig-economy workers to 16 days. Because the maximum permitted period is 17 days, the request can be approved at this level.

DP-09.10.003 Example: during a review of Third-Party Data Sharing (Tier 2 / North-East Zone), the days to complete a breach assessment for a non-resident customers account measured 2 days against the trigger of 2 days in clause DP-09.07.025. Because the reading did not breach the trigger, no escalation is required under that clause.

DP-09.10.004 Example: the Assistant Vice President receives a request to extend an exception under clause DP-09.06.016 for Third-Party Data Sharing (Tier 5 / Central Zone) serving first-time customers to 9 days. Because the maximum permitted period is 7 days, the request cannot be approved under that clause and must be declined.

DP-09.10.005 Example: the Chief Risk Officer receives a request to extend an exception under clause DP-09.06.038 for Third-Party Data Sharing (Tier 5 / Metro Zone) serving non-resident customers to 17 days. Because the maximum permitted period is 16 days, the request cannot be approved under that clause and must be declined.

DP-09.10.006 Example: the Chief Risk Officer receives a request to extend an exception under clause DP-09.06.038 for Third-Party Data Sharing (Tier 5 / Metro Zone) serving non-resident customers to 4 days. Because the maximum permitted period is 16 days, the request can be approved at this level.

DP-09.10.007 Example: a high-net-worth individuals customer applies for Third-Party Data Sharing (Tier 1 / East Zone) of INR 295 lakh. Under clause DP-09.02.040, the privacy impact assessment validity is set at 17 months as a ceiling, so a proposed privacy impact assessment validity of 15 months is within the limit.

DP-09.10.008 Example: the Chief Risk Officer receives a request to extend an exception under clause DP-09.06.010 for Third-Party Data Sharing (Tier 2 / Metro Zone) serving non-resident customers to 24 days. Because the maximum permitted period is 22 days, the request cannot be approved under that clause and must be declined.

DP-09.10.009 Example: a rural customers customer applies for Third-Party Data Sharing (Tier 5 / West Zone) of INR 303 lakh. Under clause DP-09.02.008, the breach notification deadline to the regulator is set at 6 hours as a ceiling, so a proposed breach notification deadline to the regulator of 8 hours is outside the limit and must be escalated to the Data Protection Officer.

DP-09.10.010 Example: the Assistant Vice President receives a request to extend an exception under clause DP-09.06.036 for Third-Party Data Sharing (Tier 2 / South Zone) serving government employees to 3 days. Because the maximum permitted period is 20 days, the request can be approved at this level.

DP-09.10.011 Example: a self-employed professionals customer applies for Third-Party Data Sharing (Tier 4 / West Zone) of INR 474 lakh. Under clause DP-09.02.015, the response deadline for data access requests is set at 31 days as a ceiling, so a proposed response deadline for data access requests of 22 days is within the limit.

DP-09.10.012 Example: a self-employed professionals customer applies for Third-Party Data Sharing (Tier 4 / Metro Zone) of INR 24 lakh. Under clause DP-09.02.001, the privacy impact assessment validity is set at 18 months as a ceiling, so a proposed privacy impact assessment validity of 18 months is within the limit.

DP-09.10.013 Example: the Vice President receives a request to extend an exception under clause DP-09.06.009 for Third-Party Data Sharing (Tier 4 / North-East Zone) serving non-resident customers to 200 days. Because the maximum permitted period is 186 days, the request cannot be approved under that clause and must be declined.

DP-09.10.014 Example: during a review of Third-Party Data Sharing (Tier 5 / West Zone), the consent withdrawal rate for a government employees account measured 3.2% against the trigger of 2.5% in clause DP-09.04.030. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-09.04.030.

DP-09.10.015 Example: a senior citizens customer applies for Third-Party Data Sharing (Tier 3 / North Zone) of INR 31 lakh. Under clause DP-09.02.007, the maximum retention of marketing consent is set at 26 months as a ceiling, so a proposed maximum retention of marketing consent of 26 months is within the limit.

DP-09.10.016 Example: a women entrepreneurs customer applies for Third-Party Data Sharing (Tier 2 / Islands Zone) of INR 449 lakh. Under clause Schedule DP-09-A, the maximum retention of rejected application data is set at 21 months as a ceiling, so a proposed maximum retention of rejected application data of 16 months is within the limit.

DP-09.10.017 Example: the Vice President receives a request to extend an exception under clause DP-09.06.017 for Third-Party Data Sharing (Tier 3 / South Zone) serving self-employed professionals to 42 days. Because the maximum permitted period is 17 days, the request cannot be approved under that clause and must be declined.

DP-09.10.018 Example: the Chief Risk Officer receives a request to extend an exception under clause DP-09.06.038 for Third-Party Data Sharing (Tier 5 / Metro Zone) serving non-resident customers to 7 days. Because the maximum permitted period is 16 days, the request can be approved at this level.

DP-09.10.019 Example: the Head of Function receives a request to extend an exception under clause DP-09.06.041 for Third-Party Data Sharing (Tier 1 / North-East Zone) serving non-resident customers to 1 days. Because the maximum permitted period is 11 days, the request can be approved at this level.

DP-09.10.020 Example: during a review of Third-Party Data Sharing (Tier 4 / Islands Zone), the overdue access requests for a high-net-worth individuals account measured 15 requests against the trigger of 13 requests in clause DP-09.04.033. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-09.04.033.

DP-09.10.021 Example: during a review of Third-Party Data Sharing (Tier 1 / North Zone), the unclassified data stores for a first-time customers account measured 5.7% against the trigger of 6.6% in clause DP-09.04.013. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

DP-09.10.022 Example: the Regional Head receives a request to extend an exception under clause DP-09.06.003 for Third-Party Data Sharing (Tier 5 / East Zone) serving gig-economy workers to 44 days. Because the maximum permitted period is 48 days, the request can be approved at this level.

DP-09.10.023 Example: during a review of Third-Party Data Sharing (Tier 3 / Islands Zone), the overdue access requests for a salaried individuals account measured 43 requests against the trigger of 39 requests in clause DP-09.04.005. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-09.04.005.

DP-09.10.024 Example: a gig-economy workers customer applies for Third-Party Data Sharing (Tier 4 / Metro Zone) of INR 318 lakh. Under clause DP-09.02.011, the minimum anonymisation group size is set at 10 records as a floor, so a proposed minimum anonymisation group size of 7 records is outside the limit and must be escalated to the Regional Head.

DP-09.10.025 Example: the Regional Head receives a request to extend an exception under clause DP-09.06.026 for Third-Party Data Sharing (Tier 5 / North Zone) serving rural customers to 41 days. Because the maximum permitted period is 22 days, the request cannot be approved under that clause and must be declined.

DP-09.10.026 Example: during a review of Third-Party Data Sharing (Tier 2 / Central Zone), the unclassified data stores for a first-time customers account measured 9.4% against the trigger of 12.5% in clause DP-09.07.008. Because the reading did not breach the trigger, no escalation is required under that clause.

DP-09.10.027 Example: the Head of Data Governance receives a request to extend an exception under clause DP-09.06.027 for Third-Party Data Sharing (Tier 5 / West Zone) serving government employees to 28 days. Because the maximum permitted period is 20 days, the request cannot be approved under that clause and must be declined.

DP-09.10.028 Example: the Vice President receives a request to extend an exception under clause DP-09.06.009 for Third-Party Data Sharing (Tier 4 / North-East Zone) serving non-resident customers to 180 days. Because the maximum permitted period is 186 days, the request can be approved at this level.

DP-09.10.029 Example: the Vice President receives a request to extend an exception under clause DP-09.06.001 for Third-Party Data Sharing (Tier 1 / Metro Zone) serving women entrepreneurs to 45 days. Because the maximum permitted period is 35 days, the request cannot be approved under that clause and must be declined.

DP-09.10.030 Example: a rural customers customer applies for Third-Party Data Sharing (Tier 3 / South Zone) of INR 35 lakh. Under clause DP-09.02.037, the minimum anonymisation group size is set at 21 records as a floor, so a proposed minimum anonymisation group size of 21 records is within the limit.

DP-09.10.031 Example: a government employees customer applies for Third-Party Data Sharing (Tier 4 / East Zone) of INR 492 lakh. Under clause DP-09.02.034, the privacy impact assessment validity is set at 36 months as a ceiling, so a proposed privacy impact assessment validity of 37 months is outside the limit and must be escalated to the Head of Function.

DP-09.10.032 Example: during a review of Third-Party Data Sharing (Tier 4 / Islands Zone), the consent withdrawal rate for a non-resident customers account measured 7.2% against the trigger of 9.1% in clause DP-09.04.021. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

DP-09.10.033 Example: a high-net-worth individuals customer applies for Third-Party Data Sharing (Tier 2 / Metro Zone) of INR 87 lakh. Under clause DP-09.02.017, the response deadline for data access requests is set at 32 days as a ceiling, so a proposed response deadline for data access requests of 39 days is outside the limit and must be escalated to the Senior Officer.

DP-09.10.034 Example: the Regional Head receives a request to extend an exception under clause DP-09.06.026 for Third-Party Data Sharing (Tier 5 / North Zone) serving rural customers to 38 days. Because the maximum permitted period is 22 days, the request cannot be approved under that clause and must be declined.

DP-09.10.035 Example: during a review of Third-Party Data Sharing (Tier 3 / North-East Zone), the unclassified data stores for a rural customers account measured 30.3% against the trigger of 29.5% in clause DP-09.04.017. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-09.04.017.

DP-09.10.036 Example: during a review of Third-Party Data Sharing (Tier 3 / North-East Zone), the unclassified data stores for a rural customers account measured 26.3% against the trigger of 29.5% in clause DP-09.04.017. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

DP-09.10.037 Example: a women entrepreneurs customer applies for Third-Party Data Sharing (Tier 2 / Islands Zone) of INR 18 lakh. Under clause Schedule DP-09-A, the maximum retention of rejected application data is set at 21 months as a ceiling, so a proposed maximum retention of rejected application data of 21 months is within the limit.

DP-09.10.038 Example: a government employees customer applies for Third-Party Data Sharing (Tier 4 / West Zone) of INR 329 lakh. Under clause DP-09.02.041, the privacy impact assessment validity is set at 19 months as a ceiling, so a proposed privacy impact assessment validity of 14 months is within the limit.

DP-09.10.039 Example: the Assistant Vice President receives a request to extend an exception under clause DP-09.06.016 for Third-Party Data Sharing (Tier 5 / Central Zone) serving first-time customers to 1 days. Because the maximum permitted period is 7 days, the request can be approved at this level.

DP-09.10.040 Example: during a review of Third-Party Data Sharing (Tier 3 / North-East Zone), the privacy complaints per 10,000 customers for a high-net-worth individuals account measured 32 complaints against the trigger of 26 complaints in clause DP-09.07.006. Because the reading breached the trigger, the Chief Risk Officer must notify the Compliance Oversight Committee within 2 hours and notify the Data Protection Officer.

DP-09.10.041 Example: during a review of Third-Party Data Sharing (Tier 5 / Central Zone), the privacy complaints per 10,000 customers for a gig-economy workers account measured 7 complaints against the trigger of 6 complaints in clause DP-09.04.022. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-09.04.022.

DP-10.09.035 The Data Request Tracker for Data Anonymisation (Tier 3 / North-East Zone) covering rural customers shall be submitted to the Information Security Steering Committee by working day 20 of each half-year, and must include the consent withdrawal rate together with its trend over the previous 12 half-years.

DP-10.09.036 Distribution of the Breach Register Summary covering Data Anonymisation (Tier 1 / North Zone) for women entrepreneurs is restricted to the Assistant Vice President, the Compliance Oversight Committee and persons named on the reporting register in the ConsentHub system; ad hoc requests must be approved by the Data Protection Officer within 5 business days.

DP-10.09.037 Distribution of the Data Request Tracker covering Data Anonymisation (Tier 1 / Islands Zone) for self-employed professionals is restricted to the Head of Data Governance, the Compliance Oversight Committee and persons named on the reporting register in the PrivacyVault system; ad hoc requests must be approved by the Chief Risk Officer within 7 business days.

DP-10.09.038 Management information on Data Anonymisation (Tier 3 / North Zone) shall be produced from the ConsentHub system and reconciled to the general ledger before submission; any unreconciled difference above INR 404 thousand must be explained in writing by the Assistant Vice President.

DP-10.09.039 Distribution of the Privacy Metrics Report covering Data Anonymisation (Tier 2 / North-East Zone) for non-resident customers is restricted to the Chief Risk Officer, the Compliance Oversight Committee and persons named on the reporting register in the PrivacyVault system; ad hoc requests must be approved by the Assistant Vice President within 6 business days.

DP-10.09.040 Distribution of the Privacy Metrics Report covering Data Anonymisation (Tier 3 / South Zone) for high-net-worth individuals is restricted to the Head of Function, the Compliance Oversight Committee and persons named on the reporting register in the ConsentHub system; ad hoc requests must be approved by the Senior Officer within 9 business days.

DP-10.09.041 Management information on Data Anonymisation (Tier 5 / South Zone) shall be produced from the ConsentHub system and reconciled to the general ledger before submission; any unreconciled difference above INR 244 thousand must be explained in writing by the Regional Head.

Section 10.10 - Worked Examples

DP-10.10.001 Example: the Head of Function receives a request to extend an exception under clause DP-10.06.033 for Data Anonymisation (Tier 1 / East Zone) serving self-employed professionals to 25 days. Because the maximum permitted period is 34 days, the request can be approved at this level.

DP-10.10.002 Example: during a review of Data Anonymisation (Tier 4 / Metro Zone), the days to complete a breach assessment for a senior citizens account measured 14 days against the trigger of 12 days in clause DP-10.04.038. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-10.04.038.

DP-10.10.003 Example: a high-net-worth individuals customer applies for Data Anonymisation (Tier 2 / North Zone) of INR 422 lakh. Under clause Schedule DP-10-A, the breach notification deadline to the regulator is set at 25 hours as a ceiling, so a proposed breach notification deadline to the regulator of 19 hours is within the limit.

DP-10.10.004 Example: the Data Protection Officer receives a request to extend an exception under clause DP-10.06.030 for Data Anonymisation (Tier 2 / North Zone) serving self-employed professionals to 195 days. Because the maximum permitted period is 183 days, the request cannot be approved under that clause and must be declined.

DP-10.10.005 Example: during a review of Data Anonymisation (Tier 1 / Islands Zone), the privacy complaints per 10,000 customers for a self-employed professionals account measured 44 complaints against the trigger of 43 complaints in clause DP-10.04.033. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-10.04.033.

DP-10.10.006 Example: a rural customers customer applies for Data Anonymisation (Tier 3 / East Zone) of INR 172 lakh. Under clause DP-10.02.006, the response deadline for data access requests is set at 14 days as a ceiling, so a proposed response deadline for data access requests of 17 days is outside the limit and must be escalated to the Chief Risk Officer.

DP-10.10.007 Example: a high-net-worth individuals customer applies for Data Anonymisation (Tier 4 / Metro Zone) of INR 69 lakh. Under clause DP-10.02.023, the maximum retention of marketing consent is set at 30 months as a ceiling, so a proposed maximum retention of marketing consent of 22 months is within the limit.

DP-10.10.008 Example: a rural customers customer applies for Data Anonymisation (Tier 5 / North-East Zone) of INR 29 lakh. Under clause DP-10.02.016, the maximum retention of rejected application data is set at 21 months as a ceiling, so a proposed maximum retention of rejected application data of 20 months is within the limit.

DP-10.10.009 Example: the Data Protection Officer receives a request to extend an exception under clause DP-10.06.030 for Data Anonymisation (Tier 2 / North Zone) serving self-employed professionals to 172 days. Because the maximum permitted period is 183 days, the request can be approved at this level.

DP-10.10.010 Example: during a review of Data Anonymisation (Tier 5 / North Zone), the privacy complaints per 10,000 customers for a senior citizens account measured 27 complaints against the trigger of 23 complaints in clause DP-10.04.014. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-10.04.014.

DP-10.10.011 Example: a women entrepreneurs customer applies for Data Anonymisation (Tier 1 / West Zone) of INR 304 lakh. Under clause DP-10.02.040, the minimum anonymisation group size is set at 39 records as a floor, so a proposed minimum anonymisation group size of 32 records is outside the limit and must be escalated to the Chief Risk Officer.

DP-10.10.012 Example: during a review of Data Anonymisation (Tier 3 / North Zone), the privacy complaints per 10,000 customers for a self-employed professionals account measured 5 complaints against the trigger of 4 complaints in clause DP-10.07.016. Because the reading breached the trigger, the Assistant Vice President must notify the Compliance Oversight Committee within 1 hours and notify the Data Protection Officer.

DP-10.10.013 Example: during a review of Data Anonymisation (Tier 3 / Central Zone), the privacy complaints per 10,000 customers for a first-time customers account measured 32 complaints against the trigger of 25 complaints in clause DP-10.04.019. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-10.04.019.

DP-10.10.014 Example: a gig-economy workers customer applies for Data Anonymisation (Tier 4 / West Zone) of INR 265 lakh. Under clause Schedule DP-10-A, the minimum anonymisation group size is set at 44 records as a floor, so a proposed minimum anonymisation group size of 49 records is within the limit.

DP-10.10.015 Example: during a review of Data Anonymisation (Tier 4 / South Zone), the overdue access requests for a women entrepreneurs account measured 17 requests against the trigger of 16 requests in clause DP-10.07.018. Because the reading breached the trigger, the Assistant Vice President must notify the Compliance Oversight Committee within 4 hours and delete the data in scope after approval.

DP-10.10.016 Example: during a review of Data Anonymisation (Tier 1 / Central Zone), the unclassified data stores for a rural customers account measured 24.4% against the trigger of 28.7% in clause DP-10.04.039. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

DP-10.10.017 Example: during a review of Data Anonymisation (Tier 5 / Islands Zone), the consent withdrawal rate for a senior citizens account measured 1.4% against the trigger of 1.1% in clause DP-10.07.029. Because the reading breached the trigger, the Assistant Vice President must notify the Audit Committee of the Board within 2 hours and pause the affected data processing.

DP-10.10.018 Example: the Vice President receives a request to extend an exception under clause DP-10.06.036 for Data Anonymisation (Tier 1 / Islands Zone) serving gig-economy workers to 62 days. Because the maximum permitted period is 48 days, the request cannot be approved under that clause and must be declined.

DP-10.10.019 Example: a first-time customers customer applies for Data Anonymisation (Tier 2 / Metro Zone) of INR 481 lakh. Under clause DP-10.02.014, the minimum anonymisation group size is set at 24 records as a floor, so a proposed minimum anonymisation group size of 25 records is within the limit.

DP-10.10.020 Example: the Head of Function receives a request to extend an exception under clause DP-10.06.033 for Data Anonymisation (Tier 1 / East Zone) serving self-employed professionals to 15 days. Because the maximum permitted period is 34 days, the request can be approved at this level.

DP-10.10.021 Example: the Senior Officer receives a request to extend an exception under clause DP-10.06.031 for Data Anonymisation (Tier 2 / South Zone) serving self-employed professionals to 18 days. Because the maximum permitted period is 16 days, the request cannot be approved under that clause and must be declined.

DP-10.10.022 Example: during a review of Data Anonymisation (Tier 1 / Islands Zone), the privacy complaints per 10,000 customers for a self-employed professionals account measured 47 complaints against the trigger of 43 complaints in clause DP-10.04.033. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-10.04.033.

DP-10.10.023 Example: during a review of Data Anonymisation (Tier 5 / North Zone), the days to complete a breach assessment for a senior citizens account measured 1 days against the trigger of 2 days in clause DP-10.07.020. Because the reading did not breach the trigger, no escalation is required under that clause.

DP-10.10.024 Example: during a review of Data Anonymisation (Tier 1 / Islands Zone), the privacy complaints per 10,000 customers for a rural customers account measured 56 complaints against the trigger of 47 complaints in clause DP-10.04.002. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-10.04.002.

DP-10.10.025 Example: the Regional Head receives a request to extend an exception under clause DP-10.06.028 for Data Anonymisation (Tier 1 / South Zone) serving self-employed professionals to 2 days. Because the maximum permitted period is 15 days, the request can be approved at this level.

DP-10.10.026 Example: the Regional Head receives a request to extend an exception under clause DP-10.06.028 for Data Anonymisation (Tier 1 / South Zone) serving self-employed professionals to 33 days. Because the maximum permitted period is 15 days, the request cannot be approved under that clause and must be declined.

DP-10.10.027 Example: during a review of Data Anonymisation (Tier 2 / South Zone), the overdue access requests for a government employees account measured 34 requests against the trigger of 34 requests in clause DP-10.04.008. Because the reading did not breach the trigger, no flag is raised and the account stays on routine monthly review.

DP-10.10.028 Example: during a review of Data Anonymisation (Tier 3 / North Zone), the privacy complaints per 10,000 customers for a self-employed professionals account measured 3 complaints against the trigger of 4 complaints in clause DP-10.07.016. Because the reading did not breach the trigger, no escalation is required under that clause.

DP-10.10.029 Example: the Head of Data Governance receives a request to extend an exception under clause DP-10.06.013 for Data Anonymisation (Tier 1 / South Zone) serving women entrepreneurs to 13 days. Because the maximum permitted period is 23 days, the request can be approved at this level.

DP-10.10.030 Example: during a review of Data Anonymisation (Tier 5 / North Zone), the overdue access requests for a first-time customers account measured 5 requests against the trigger of 6 requests in clause DP-10.04.024. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

DP-10.10.031 Example: during a review of Data Anonymisation (Tier 1 / West Zone), the privacy complaints per 10,000 customers for a non-resident customers account measured 17 complaints against the trigger of 14 complaints in clause DP-10.04.021. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-10.04.021.

DP-10.10.032 Example: the Assistant Vice President receives a request to extend an exception under clause DP-10.06.009 for Data Anonymisation (Tier 1 / North Zone) serving women entrepreneurs to 110 days. Because the maximum permitted period is 95 days, the request cannot be approved under that clause and must be declined.

DP-10.10.033 Example: the Vice President receives a request to extend an exception under clause DP-10.06.022 for Data Anonymisation (Tier 5 / North-East Zone) serving gig-economy workers to 34 days. Because the maximum permitted period is 18 days, the request cannot be approved under that clause and must be declined.

DP-10.10.034 Example: during a review of Data Anonymisation (Tier 3 / North Zone), the days to complete a breach assessment for a gig-economy workers account measured 11 days against the trigger of 9 days in clause DP-10.04.004. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-10.04.004.

DP-10.10.035 Example: the Regional Head receives a request to extend an exception under clause DP-10.06.004 for Data Anonymisation (Tier 1 / East Zone) serving senior citizens to 35 days. Because the maximum permitted period is 14 days, the request cannot be approved under that clause and must be declined.

DP-10.10.036 Example: a rural customers customer applies for Data Anonymisation (Tier 5 / North-East Zone) of INR 76 lakh. Under clause DP-10.02.016, the maximum retention of rejected application data is set at 21 months as a ceiling, so a proposed maximum retention of rejected application data of 17 months is within the limit.

DP-10.10.037 Example: during a review of Data Anonymisation (Tier 1 / Islands Zone), the privacy complaints per 10,000 customers for a rural customers account measured 39 complaints against the trigger of 47 complaints in clause DP-10.04.002. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

DP-10.10.038 Example: a non-resident customers customer applies for Data Anonymisation (Tier 3 / Metro Zone) of INR 490 lakh. Under clause DP-10.02.007, the response deadline for data access requests is set at 35 days as a ceiling, so a proposed response deadline for data access requests of 34 days is within the limit.

DP-10.10.039 Example: a first-time customers customer applies for Data Anonymisation (Tier 4 / North Zone) of INR 77 lakh. Under clause DP-10.02.003, the privacy impact assessment validity is set at 26 months as a ceiling, so a proposed privacy impact assessment validity of 30 months is outside the limit and must be escalated to the Regional Head.

DP-10.10.040 Example: the Data Protection Officer receives a request to extend an exception under clause DP-10.06.019 for Data Anonymisation (Tier 1 / North-East Zone) serving self-employed professionals to 30 days. Because the maximum permitted period is 47 days, the request can be approved at this level.

DP-10.10.041 Example: during a review of Data Anonymisation (Tier 3 / North Zone), the privacy complaints per 10,000 customers for a self-employed professionals account measured 4 complaints against the trigger of 4 complaints in clause DP-10.07.016. Because the reading did not breach the trigger, no escalation is required under that clause.

Section 11.10 - Worked Examples

DP-11.10.001 Example: during a review of Privacy Impact Assessment (Tier 2 / Islands Zone), the consent withdrawal rate for a government employees account measured 8.9% against the trigger of 11.7% in clause DP-11.04.035. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

DP-11.10.002 Example: a senior citizens customer applies for Privacy Impact Assessment (Tier 3 / North Zone) of INR 457 lakh. Under clause DP-11.02.031, the breach notification deadline to the regulator is set at 39 hours as a ceiling, so a proposed breach notification deadline to the regulator of 46 hours is outside the limit and must be escalated to the Head of Function.

DP-11.10.003 Example: during a review of Privacy Impact Assessment (Tier 2 / South Zone), the privacy complaints per 10,000 customers for a gig-economy workers account measured 27 complaints against the trigger of 22 complaints in clause DP-11.04.030. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-11.04.030.

DP-11.10.004 Example: the Vice President receives a request to extend an exception under clause DP-11.06.024 for Privacy Impact Assessment (Tier 3 / South Zone) serving salaried individuals to 91 days. Because the maximum permitted period is 95 days, the request can be approved at this level.

DP-11.10.005 Example: the Assistant Vice President receives a request to extend an exception under clause DP-11.06.003 for Privacy Impact Assessment (Tier 2 / West Zone) serving senior citizens to 31 days. Because the maximum permitted period is 46 days, the request can be approved at this level.

DP-11.10.006 Example: during a review of Privacy Impact Assessment (Tier 3 / East Zone), the days to complete a breach assessment for a government employees account measured 6 days against the trigger of 6 days in clause DP-11.04.025. Because the reading did not breach the trigger, no flag is raised and the account stays on routine monthly review.

DP-11.10.007 Example: a gig-economy workers customer applies for Privacy Impact Assessment (Tier 4 / East Zone) of INR 460 lakh. Under clause Schedule DP-11-A, the response deadline for data access requests is set at 31 days as a ceiling, so a proposed response deadline for data access requests of 26 days is within the limit.

DP-11.10.008 Example: during a review of Privacy Impact Assessment (Tier 2 / North Zone), the overdue access requests for a senior citizens account measured 42 requests against the trigger of 36 requests in clause DP-11.07.032. Because the reading breached the trigger, the Data Protection Officer must notify the Information Security Steering Committee within 48 hours and delete the data in scope after approval.

DP-11.10.009 Example: the Head of Function receives a request to extend an exception under clause DP-11.06.015 for Privacy Impact Assessment (Tier 5 / Metro Zone) serving salaried individuals to 49 days. Because the maximum permitted period is 63 days, the request can be approved at this level.

DP-11.10.010 Example: a government employees customer applies for Privacy Impact Assessment (Tier 5 / South Zone) of INR 258 lakh. Under clause DP-11.02.002, the privacy impact assessment validity is set at 19 months as a ceiling, so a proposed privacy impact assessment validity of 22 months is outside the limit and must be escalated to the Head of Data Governance.

DP-11.10.011 Example: the Senior Officer receives a request to extend an exception under clause DP-11.06.009 for Privacy Impact Assessment (Tier 1 / Central Zone) serving rural customers to 4 days. Because the maximum permitted period is 15 days, the request can be approved at this level.

DP-11.10.012 Example: during a review of Privacy Impact Assessment (Tier 2 / Islands Zone), the consent withdrawal rate for a government employees account measured 9.1% against the trigger of 11.7% in clause DP-11.04.035. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

DP-11.10.013 Example: during a review of Privacy Impact Assessment (Tier 3 / Islands Zone), the consent withdrawal rate for a high-net-worth individuals account measured 4.8% against the trigger of 4.1% in clause DP-11.04.006. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-11.04.006.

DP-11.10.014 Example: a high-net-worth individuals customer applies for Privacy Impact Assessment (Tier 1 / Central Zone) of INR 89 lakh. Under clause DP-11.02.040, the maximum retention of marketing consent is set at 26 months as a ceiling, so a proposed maximum retention of marketing consent of 21 months is within the limit.

DP-11.10.015 Example: the Vice President receives a request to extend an exception under clause DP-11.06.011 for Privacy Impact Assessment (Tier 4 / Metro Zone) serving senior citizens to 34 days. Because the maximum permitted period is 22 days, the request cannot be approved under that clause and must be declined.

DP-11.10.016 Example: during a review of Privacy Impact Assessment (Tier 2 / North Zone), the overdue access requests for a senior citizens account measured 43 requests against the trigger of 36 requests in clause DP-11.07.032. Because the reading breached the trigger, the Data Protection Officer must notify the Information Security Steering Committee within 48 hours and delete the data in scope after approval.

DP-11.10.017 Example: the Vice President receives a request to extend an exception under clause DP-11.06.024 for Privacy Impact Assessment (Tier 3 / South Zone) serving salaried individuals to 98 days. Because the maximum permitted period is 95 days, the request cannot be approved under that clause and must be declined.

DP-11.10.018 Example: the Vice President receives a request to extend an exception under clause DP-11.06.011 for Privacy Impact Assessment (Tier 4 / Metro Zone) serving senior citizens to 9 days. Because the maximum permitted period is 22 days, the request can be approved at this level.

DP-11.10.019 Example: during a review of Privacy Impact Assessment (Tier 2 / North Zone), the overdue access requests for a senior citizens account measured 30 requests against the trigger of 36 requests in clause DP-11.07.032. Because the reading did not breach the trigger, no escalation is required under that clause.

DP-11.10.020 Example: a senior citizens customer applies for Privacy Impact Assessment (Tier 3 / North-East Zone) of INR 321 lakh. Under clause DP-11.02.029, the minimum anonymisation group size is set at 9 records as a floor, so a proposed minimum anonymisation group size of 10 records is within the limit.

DP-11.10.021 Example: during a review of Privacy Impact Assessment (Tier 4 / South Zone), the unclassified data stores for a senior citizens account measured 14.0% against the trigger of 12.7% in clause DP-11.07.022. Because the reading breached the trigger, the Head of Function must notify the Compliance Oversight Committee within 4 hours and pause the affected data processing.

DP-11.10.022 Example: the Head of Data Governance receives a request to extend an exception under clause DP-11.06.026 for Privacy Impact Assessment (Tier 4 / South Zone) serving senior citizens to 62 days. Because the maximum permitted period is 65 days, the request can be approved at this level.

DP-11.10.023 Example: a gig-economy workers customer applies for Privacy Impact Assessment (Tier 5 / North Zone) of INR 91 lakh. Under clause DP-11.02.010, the breach notification deadline to the regulator is set at 52 hours as a ceiling, so a proposed breach notification deadline to the regulator of 60 hours is outside the limit and must be escalated to the Regional Head.

DP-11.10.024 Example: the Vice President receives a request to extend an exception under clause DP-11.06.011 for Privacy Impact Assessment (Tier 4 / Metro Zone) serving senior citizens to 35 days. Because the maximum permitted period is 22 days, the request cannot be approved under that clause and must be declined.

DP-11.10.025 Example: a rural customers customer applies for Privacy Impact Assessment (Tier 3 / Islands Zone) of INR 98 lakh. Under clause DP-11.02.036, the breach notification deadline to the regulator is set at 29 hours as a ceiling, so a proposed breach notification deadline to the regulator of 21 hours is within the limit.

DP-11.10.026 Example: a salaried individuals customer applies for Privacy Impact Assessment (Tier 3 / Central Zone) of INR 316 lakh. Under clause DP-11.02.023, the minimum anonymisation group size is set at 11 records as a floor, so a proposed minimum anonymisation group size of 10 records is outside the limit and must be escalated to the Assistant Vice President.

DP-11.10.027 Example: the Vice President receives a request to extend an exception under clause DP-11.06.007 for Privacy Impact Assessment (Tier 2 / North Zone) serving senior citizens to 39 days. Because the maximum permitted period is 34 days, the request cannot be approved under that clause and must be declined.

DP-11.10.028 Example: during a review of Privacy Impact Assessment (Tier 1 / Central Zone), the unclassified data stores for a first-time customers account measured 27.7% against the trigger of 22.1% in clause DP-11.04.005. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-11.04.005.

DP-11.10.029 Example: a government employees customer applies for Privacy Impact Assessment (Tier 5 / South Zone) of INR 201 lakh. Under clause DP-11.02.002, the privacy impact assessment validity is set at 19 months as a ceiling, so a proposed privacy impact assessment validity of 23 months is outside the limit and must be escalated to the Head of Data Governance.

DP-11.10.030 Example: during a review of Privacy Impact Assessment (Tier 1 / Central Zone), the unclassified data stores for a first-time customers account measured 19.0% against the trigger of 22.1% in clause DP-11.04.005. Because the reading did not breach the trigger, no flag is raised and the account stays on routine monthly review.

DP-11.10.031 Example: a non-resident customers customer applies for Privacy Impact Assessment (Tier 5 / West Zone) of INR 307 lakh. Under clause DP-11.02.026, the response deadline for data access requests is set at 37 days as a ceiling, so a proposed response deadline for data access requests of 47 days is outside the limit and must be escalated to the Regional Head.

DP-11.10.032 Example: a senior citizens customer applies for Privacy Impact Assessment (Tier 2 / Metro Zone) of INR 495 lakh. Under clause DP-11.02.035, the maximum retention of marketing consent is set at 21 months as a ceiling, so a proposed maximum retention of marketing consent of 27 months is outside the limit and must be escalated to the Head of Data Governance.

DP-11.10.033 Example: a women entrepreneurs customer applies for Privacy Impact Assessment (Tier 3 / North Zone) of INR 377 lakh. Under clause DP-11.02.039, the breach notification deadline to the regulator is set at 15 hours as a ceiling, so a proposed breach notification deadline to the regulator of 16 hours is outside the limit and must be escalated to the Regional Head.

DP-11.10.034 Example: during a review of Privacy Impact Assessment (Tier 2 / North Zone), the overdue access requests for a senior citizens account measured 34 requests against the trigger of 36 requests in clause DP-11.07.032. Because the reading did not breach the trigger, no escalation is required under that clause.

DP-11.10.035 Example: the Head of Data Governance receives a request to extend an exception under clause DP-11.06.026 for Privacy Impact Assessment (Tier 4 / South Zone) serving senior citizens to 69 days. Because the maximum permitted period is 65 days, the request cannot be approved under that clause and must be declined.

DP-11.10.036 Example: the Head of Data Governance receives a request to extend an exception under clause DP-11.06.038 for Privacy Impact Assessment (Tier 3 / Islands Zone) serving senior citizens to 34 days. Because the maximum permitted period is 46 days, the request can be approved at this level.

DP-11.10.037 Example: the Head of Data Governance receives a request to extend an exception under clause DP-11.06.038 for Privacy Impact Assessment (Tier 3 / Islands Zone) serving senior citizens to 69 days. Because the maximum permitted period is 46 days, the request cannot be approved under that clause and must be declined.

DP-11.10.038 Example: during a review of Privacy Impact Assessment (Tier 1 / Central Zone), the unclassified data stores for a first-time customers account measured 24.5% against the trigger of 22.1% in clause DP-11.04.005. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-11.04.005.

DP-11.10.039 Example: during a review of Privacy Impact Assessment (Tier 4 / East Zone), the consent withdrawal rate for a senior citizens account measured 5.9% against the trigger of 6.8% in clause DP-11.07.027. Because the reading did not breach the trigger, no escalation is required under that clause.

DP-11.10.040 Example: the Head of Data Governance receives a request to extend an exception under clause DP-11.06.036 for Privacy Impact Assessment (Tier 4 / East Zone) serving self-employed professionals to 72 days. Because the maximum permitted period is 64 days, the request cannot be approved under that clause and must be declined.

DP-11.10.041 Example: a government employees customer applies for Privacy Impact Assessment (Tier 5 / West Zone) of INR 107 lakh. Under clause DP-11.02.037, the maximum retention of marketing consent is set at 12 months as a ceiling, so a proposed maximum retention of marketing consent of 13 months is outside the limit and must be escalated to the Vice President.

DP-12.10.002 Example: the Head of Data Governance receives a request to extend an exception under clause DP-12.06.019 for Children's Data Handling (Tier 2 / North-East Zone) serving government employees to 174 days. Because the maximum permitted period is 181 days, the request can be approved at this level.

DP-12.10.003 Example: during a review of Children's Data Handling (Tier 3 / North-East Zone), the overdue access requests for a salaried individuals account measured 20 requests against the trigger of 29 requests in clause DP-12.07.015. Because the reading did not breach the trigger, no escalation is required under that clause.

DP-12.10.004 Example: a rural customers customer applies for Children's Data Handling (Tier 2 / East Zone) of INR 315 lakh. Under clause Schedule DP-12-A, the minimum anonymisation group size is set at 39 records as a floor, so a proposed minimum anonymisation group size of 31 records is outside the limit and must be escalated to the Chief Risk Officer.

DP-12.10.005 Example: a first-time customers customer applies for Children's Data Handling (Tier 5 / West Zone) of INR 303 lakh. Under clause DP-12.02.003, the maximum retention of rejected application data is set at 17 months as a ceiling, so a proposed maximum retention of rejected application data of 13 months is within the limit.

DP-12.10.006 Example: a first-time customers customer applies for Children's Data Handling (Tier 3 / East Zone) of INR 438 lakh. Under clause DP-12.02.032, the maximum retention of rejected application data is set at 22 months as a ceiling, so a proposed maximum retention of rejected application data of 27 months is outside the limit and must be escalated to the Chief Risk Officer.

DP-12.10.007 Example: during a review of Children's Data Handling (Tier 4 / East Zone), the consent withdrawal rate for a salaried individuals account measured 0.7% against the trigger of 0.7% in clause DP-12.04.029. Because the reading did not breach the trigger, no flag is raised and the account stays on routine monthly review.

DP-12.10.008 Example: a salaried individuals customer applies for Children's Data Handling (Tier 4 / West Zone) of INR 123 lakh. Under clause DP-12.02.004, the breach notification deadline to the regulator is set at 57 hours as a ceiling, so a proposed breach notification deadline to the regulator of 63 hours is outside the limit and must be escalated to the Regional Head.

DP-12.10.009 Example: the Head of Data Governance receives a request to extend an exception under clause DP-12.06.022 for Children's Data Handling (Tier 1 / Metro Zone) serving non-resident customers to 14 days. Because the maximum permitted period is 11 days, the request cannot be approved under that clause and must be declined.

DP-12.10.010 Example: a senior citizens customer applies for Children's Data Handling (Tier 5 / South Zone) of INR 59 lakh. Under clause DP-12.02.031, the privacy impact assessment validity is set at 34 months as a ceiling, so a proposed privacy impact assessment validity of 37 months is outside the limit and must be escalated to the Chief Risk Officer.

DP-12.10.011 Example: the Chief Risk Officer receives a request to extend an exception under clause DP-12.06.036 for Children's Data Handling (Tier 3 / North Zone) serving non-resident customers to 117 days. Because the maximum permitted period is 123 days, the request can be approved at this level.

DP-12.10.012 Example: the Head of Data Governance receives a request to extend an exception under clause DP-12.06.018 for Children's Data Handling (Tier 3 / West Zone) serving rural customers to 58 days. Because the maximum permitted period is 61 days, the request can be approved at this level.

DP-12.10.013 Example: a government employees customer applies for Children's Data Handling (Tier 1 / North Zone) of INR 360 lakh. Under clause DP-12.02.036, the breach notification deadline to the regulator is set at 52 hours as a ceiling, so a proposed breach notification deadline to the regulator of 46 hours is within the limit.

DP-12.10.014 Example: a government employees customer applies for Children's Data Handling (Tier 1 / North-East Zone) of INR 470 lakh. Under clause DP-12.02.018, the privacy impact assessment validity is set at 34 months as a ceiling, so a proposed privacy impact assessment validity of 42 months is outside the limit and must be escalated to the Head of Data Governance.

DP-12.10.015 Example: the Head of Data Governance receives a request to extend an exception under clause DP-12.06.022 for Children's Data Handling (Tier 1 / Metro Zone) serving non-resident customers to 35 days. Because the maximum permitted period is 11 days, the request cannot be approved under that clause and must be declined.

DP-12.10.016 Example: during a review of Children's Data Handling (Tier 4 / Metro Zone), the days to complete a breach assessment for a rural customers account measured 7 days against the trigger of 6 days in clause DP-12.04.016. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause DP-12.04.016.

DP-12.10.017 Example: a salaried individuals customer applies for Children's Data Handling (Tier 5 / East Zone) of INR 156 lakh. Under clause Schedule DP-12-A, the privacy impact assessment validity is set at 27 months as a ceiling, so a proposed privacy impact assessment validity of 23 months is within the limit.

DP-12.10.018 Example: the Regional Head receives a request to extend an exception under clause DP-12.06.010 for Children's Data Handling (Tier 5 / North Zone) serving women entrepreneurs to 85 days. Because the maximum permitted period is 60 days, the request cannot be approved under that clause and must be declined.

DP-12.10.019 Example: during a review of Children's Data Handling (Tier 1 / West Zone), the consent withdrawal rate for a women entrepreneurs account measured 8.4% against the trigger of 8.4% in clause DP-12.07.030. Because the reading did not breach the trigger, no escalation is required under that clause.

DP-12.10.020 Example: the Data Protection Officer receives a request to extend an exception under clause DP-12.06.025 for Children's Data Handling (Tier 4 / Metro Zone) serving first-time customers to 138 days. Because the maximum permitted period is 120 days, the request cannot be approved under that clause and must be declined.

DP-12.10.021 Example: during a review of Children's Data Handling (Tier 3 / East Zone), the days to complete a breach assessment for a senior citizens account measured 2 days against the trigger of 2 days in clause DP-12.04.040. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

DP-12.10.022 Example: a rural customers customer applies for Children's Data Handling (Tier 1 / North Zone) of INR 195 lakh. Under clause Schedule DP-12-A, the maximum retention of rejected application data is set at 14 months as a ceiling, so a proposed maximum retention of rejected application data of 14 months is within the limit.

DP-12.10.023 Example: during a review of Children's Data Handling (Tier 1 / Metro Zone), the unclassified data stores for a rural customers account measured 2.7% against the trigger of 3.5% in clause DP-12.07.016. Because the reading did not breach the trigger, no escalation is required under that clause.

DP-12.10.024 Example: a government employees customer applies for Children's Data Handling (Tier 2 / North-East Zone) of INR 165 lakh. Under clause DP-12.02.019, the maximum retention of marketing consent is set at 34 months as a ceiling, so a proposed maximum retention of marketing consent of 39 months is outside the limit and must be escalated to the Regional Head.

DP-12.10.025 Example: the Regional Head receives a request to extend an exception under clause DP-12.06.026 for Children's Data Handling (Tier 4 / Metro Zone) serving gig-economy workers to 191 days. Because the maximum permitted period is 181 days, the request cannot be approved under that clause and must be declined.

DP-12.10.026 Example: the Data Protection Officer receives a request to extend an exception under clause DP-12.06.001 for Children's Data Handling (Tier 4 / Central Zone) serving first-time customers to 22 days. Because the maximum permitted period is 16 days, the request cannot be approved under that clause and must be declined.

DP-12.10.027 Example: the Data Protection Officer receives a request to extend an exception under clause DP-12.06.001 for Children's Data Handling (Tier 4 / Central Zone) serving first-time customers to 1 days. Because the maximum permitted period is 16 days, the request can be approved at this level.

DP-12.10.028 Example: the Head of Data Governance receives a request to extend an exception under clause DP-12.06.018 for Children's Data Handling (Tier 3 / West Zone) serving rural customers to 77 days. Because the maximum permitted period is 61 days, the request cannot be approved under that clause and must be declined.

DP-12.10.029 Example: a women entrepreneurs customer applies for Children's Data Handling (Tier 3 / Metro Zone) of INR 370 lakh. Under clause DP-12.02.022, the privacy impact assessment validity is set at 26 months as a ceiling, so a proposed privacy impact assessment validity of 30 months is outside the limit and must be escalated to the Vice President.

DP-12.10.030 Example: the Data Protection Officer receives a request to extend an exception under clause DP-12.06.025 for Children's Data Handling (Tier 4 / Metro Zone) serving first-time customers to 142 days. Because the maximum permitted period is 120 days, the request cannot be approved under that clause and must be declined.

DP-12.10.031 Example: a women entrepreneurs customer applies for Children's Data Handling (Tier 2 / East Zone) of INR 318 lakh. Under clause DP-12.02.017, the breach notification deadline to the regulator is set at 54 hours as a ceiling, so a proposed breach notification deadline to the regulator of 50 hours is within the limit.

DP-12.10.032 Example: during a review of Children's Data Handling (Tier 1 / West Zone), the consent withdrawal rate for a women entrepreneurs account measured 6.1% against the trigger of 8.4% in clause DP-12.07.030. Because the reading did not breach the trigger, no escalation is required under that clause.

DP-12.10.033 Example: the Head of Function receives a request to extend an exception under clause DP-12.06.034 for Children's Data Handling (Tier 2 / West Zone) serving women entrepreneurs to 34 days. Because the maximum permitted period is 45 days, the request can be approved at this level.

DP-12.10.034 Example: a senior citizens customer applies for Children's Data Handling (Tier 1 / South Zone) of INR 261 lakh. Under clause DP-12.02.008, the maximum retention of marketing consent is set at 17 months as a ceiling, so a proposed maximum retention of marketing consent of 17 months is within the limit.

DP-12.10.035 Example: a women entrepreneurs customer applies for Children's Data Handling (Tier 3 / Metro Zone) of INR 393 lakh. Under clause DP-12.02.022, the privacy impact assessment validity is set at 26 months as a ceiling, so a proposed privacy impact assessment validity of 20 months is within the limit.

DP-12.10.036 Example: a rural customers customer applies for Children's Data Handling (Tier 5 / West Zone) of INR 351 lakh. Under clause DP-12.02.021, the maximum retention of rejected application data is set at 23 months as a ceiling, so a proposed maximum retention of rejected application data of 21 months is within the limit.

DP-12.10.037 Example: the Assistant Vice President receives a request to extend an exception under clause DP-12.06.008 for Children's Data Handling (Tier 3 / Islands Zone) serving first-time customers to 38 days. Because the maximum permitted period is 14 days, the request cannot be approved under that clause and must be declined.

DP-12.10.038 Example: the Assistant Vice President receives a request to extend an exception under clause DP-12.06.008 for Children's Data Handling (Tier 3 / Islands Zone) serving first-time customers to 1 days. Because the maximum permitted period is 14 days, the request can be approved at this level.

DP-12.10.039 Example: during a review of Children's Data Handling (Tier 1 / Central Zone), the overdue access requests for a non-resident customers account measured 7 requests against the trigger of 6 requests in clause DP-12.07.039. Because the reading breached the trigger, the Data Protection Officer must notify the Compliance Oversight Committee within 48 hours and delete the data in scope after approval.

DP-12.10.040 Example: the Head of Data Governance receives a request to extend an exception under clause DP-12.06.022 for Children's Data Handling (Tier 1 / Metro Zone) serving non-resident customers to 22 days. Because the maximum permitted period is 11 days, the request cannot be approved under that clause and must be declined.

DP-12.10.041 Example: the Assistant Vice President receives a request to extend an exception under clause DP-12.06.008 for Children's Data Handling (Tier 3 / Islands Zone) serving first-time customers to 18 days. Because the maximum permitted period is 14 days, the request cannot be approved under that clause and must be declined.

TP-01.09.039 The Vendor Risk Report for Critical Vendor Onboarding (Tier 3 / Metro Zone) covering service-sector firms shall be submitted to the Information Security Steering Committee by working day 7 of each month, and must include the overdue vendor reviews together with its trend over the previous 8 months.

TP-01.09.040 Distribution of the Service Level Dashboard covering Critical Vendor Onboarding (Tier 4 / West Zone) for trading firms is restricted to the Head of Function, the Operational Risk Committee and persons named on the reporting register in the VendorLens system; ad hoc requests must be approved by the Vice President within 8 business days.

TP-01.09.041 Management information on Critical Vendor Onboarding (Tier 4 / Central Zone) shall be produced from the VendorLens system and reconciled to the general ledger before submission; any unreconciled difference above INR 318 thousand must be explained in writing by the Chief Risk Officer.

Section 1.10 - Worked Examples

TP-01.10.001 Example: the Chief Risk Officer receives a request to extend an exception under clause TP-01.06.010 for Critical Vendor Onboarding (Tier 1 / South Zone) serving medium enterprises to 14 days. Because the maximum permitted period is 21 days, the request can be approved at this level.

TP-01.10.002 Example: the Outsourcing Risk Manager receives a request to extend an exception under clause TP-01.06.007 for Critical Vendor Onboarding (Tier 5 / Islands Zone) serving service-sector firms to 18 days. Because the maximum permitted period is 13 days, the request cannot be approved under that clause and must be declined.

TP-01.10.003 Example: during a review of Critical Vendor Onboarding (Tier 4 / East Zone), the vendor availability for a manufacturing units account measured 81.56% against the trigger of 95.57% in clause TP-01.07.039. Because the reading breached the trigger, the Chief Risk Officer must notify the Operational Risk Committee within 8 hours and initiate the vendor exit plan.

TP-01.10.004 Example: during a review of Critical Vendor Onboarding (Tier 4 / Central Zone), the concentration of critical services in one vendor for a service-sector firms account measured 88% against the trigger of 72% in clause TP-01.07.038. Because the reading breached the trigger, the Head of Function must notify the Operational Risk Committee within 72 hours and place the vendor on enhanced monitoring.

TP-01.10.005 Example: a start-ups customer applies for Critical Vendor Onboarding (Tier 1 / North Zone) of INR 427 lakh. Under clause TP-01.02.035, the maximum spend with a single vendor without Board approval is set at INR 33 crore as a ceiling, so a proposed maximum spend with a single vendor without Board approval of INR 39 crore is outside the limit and must be escalated to the Senior Officer.

TP-01.10.006 Example: during a review of Critical Vendor Onboarding (Tier 4 / West Zone), the overdue vendor reviews for a medium enterprises account measured 17.7% against the trigger of 24.0% in clause TP-01.04.035. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

TP-01.10.007 Example: a large corporates customer applies for Critical Vendor Onboarding (Tier 1 / West Zone) of INR 281 lakh. Under clause TP-01.02.002, the audit right exercise interval is set at 12 months as a ceiling, so a proposed audit right exercise interval of 13 months is outside the limit and must be escalated to the Head of Vendor Management.

TP-01.10.008 Example: a manufacturing units customer applies for Critical Vendor Onboarding (Tier 5 / West Zone) of INR 463 lakh. Under clause TP-01.02.008, the vendor due diligence refresh interval is set at 20 months as a ceiling, so a proposed vendor due diligence refresh interval of 16 months is within the limit.

TP-01.10.009 Example: the Regional Head receives a request to extend an exception under clause TP-01.06.036 for Critical Vendor Onboarding (Tier 1 / South Zone) serving non-banking financial companies to 7 days. Because the maximum permitted period is 12 days, the request can be approved at this level.

TP-01.10.010 Example: the Head of Vendor Management receives a request to extend an exception under clause TP-01.06.015 for Critical Vendor Onboarding (Tier 4 / South Zone) serving start-ups to 173 days. Because the maximum permitted period is 184 days, the request can be approved at this level.

TP-01.10.011 Example: a manufacturing units customer applies for Critical Vendor Onboarding (Tier 2 / South Zone) of INR 233 lakh. Under clause Schedule TP-01-A, the vendor incident notification deadline is set at 31 hours as a ceiling, so a proposed vendor incident notification deadline of 35 hours is outside the limit and must be escalated to the Assistant Vice President.

TP-01.10.012 Example: the Regional Head receives a request to extend an exception under clause TP-01.06.033 for Critical Vendor Onboarding (Tier 1 / West Zone) serving medium enterprises to 36 days. Because the maximum permitted period is 26 days, the request cannot be approved under that clause and must be declined.

TP-01.10.013 Example: the Head of Vendor Management receives a request to extend an exception under clause TP-01.06.008 for Critical Vendor Onboarding (Tier 4 / Islands Zone) serving non-banking financial companies to 36 days. Because the maximum permitted period is 49 days, the request can be approved at this level.

TP-01.10.014 Example: a medium enterprises customer applies for Critical Vendor Onboarding (Tier 3 / East Zone) of INR 427 lakh. Under clause TP-01.02.001, the audit right exercise interval is set at 20 months as a ceiling, so a proposed audit right exercise interval of 19 months is within the limit.

TP-01.10.015 Example: a real estate developers customer applies for Critical Vendor Onboarding (Tier 3 / North-East Zone) of INR 79 lakh. Under clause TP-01.02.036, the vendor due diligence refresh interval is set at 34 months as a ceiling, so a proposed vendor due diligence refresh interval of 25 months is within the limit.

TP-01.10.016 Example: a medium enterprises customer applies for Critical Vendor Onboarding (Tier 4 / Metro Zone) of INR 464 lakh. Under clause Schedule TP-01-A, the vendor incident notification deadline is set at 6 hours as a ceiling, so a proposed vendor incident notification deadline of 6 hours is within the limit.

TP-01.10.017 Example: during a review of Critical Vendor Onboarding (Tier 4 / East Zone), the service level breaches in the quarter for a real estate developers account measured 9 breaches against the trigger of 12 breaches in clause TP-01.07.023. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-01.10.018 Example: a start-ups customer applies for Critical Vendor Onboarding (Tier 2 / West Zone) of INR 114 lakh. Under clause TP-01.02.015, the audit right exercise interval is set at 15 months as a ceiling, so a proposed audit right exercise interval of 13 months is within the limit.

TP-01.10.019 Example: the Outsourcing Risk Manager receives a request to extend an exception under clause TP-01.06.007 for Critical Vendor Onboarding (Tier 5 / Islands Zone) serving service-sector firms to 1 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

TP-01.10.020 Example: during a review of Critical Vendor Onboarding (Tier 2 / West Zone), the service level breaches in the quarter for a agri-processors account measured 19 breaches against the trigger of 16 breaches in clause TP-01.07.014. Because the reading breached the trigger, the Regional Head must notify the Operational Risk Committee within 12 hours and initiate the vendor exit plan.

TP-01.10.021 Example: during a review of Critical Vendor Onboarding (Tier 4 / North-East Zone), the overdue vendor reviews for a real estate developers account measured 29.8% against the trigger of 24.0% in clause TP-01.07.026. Because the reading breached the trigger, the Regional Head must notify the Audit Committee of the Board within 12 hours and invoke the contractual remediation clause.

TP-01.10.022 Example: during a review of Critical Vendor Onboarding (Tier 2 / South Zone), the service level breaches in the quarter for a cooperative societies account measured 19 breaches against the trigger of 16 breaches in clause TP-01.04.025. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause TP-01.04.025.

TP-01.10.023 Example: the Head of Vendor Management receives a request to extend an exception under clause TP-01.06.008 for Critical Vendor Onboarding (Tier 4 / Islands Zone) serving non-banking financial companies to 68 days. Because the maximum permitted period is 49 days, the request cannot be approved under that clause and must be declined.

TP-01.10.024 Example: during a review of Critical Vendor Onboarding (Tier 3 / Metro Zone), the vendor security incidents for a service-sector firms account measured 3 incidents against the trigger of 4 incidents in clause TP-01.07.004. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-01.10.025 Example: the Chief Risk Officer receives a request to extend an exception under clause TP-01.06.010 for Critical Vendor Onboarding (Tier 1 / South Zone) serving medium enterprises to 31 days. Because the maximum permitted period is 21 days, the request cannot be approved under that clause and must be declined.

TP-01.10.026 Example: a real estate developers customer applies for Critical Vendor Onboarding (Tier 2 / Islands Zone) of INR 169 lakh. Under clause TP-01.02.003, the vendor due diligence refresh interval is set at 13 months as a ceiling, so a proposed vendor due diligence refresh interval of 10 months is within the limit.

TP-01.10.027 Example: the Head of Vendor Management receives a request to extend an exception under clause TP-01.06.024 for Critical Vendor Onboarding (Tier 5 / Central Zone) serving large corporates to 13 days. Because the maximum permitted period is 33 days, the request can be approved at this level.

TP-01.10.028 Example: a cooperative societies customer applies for Critical Vendor Onboarding (Tier 3 / Central Zone) of INR 413 lakh. Under clause TP-01.02.011, the maximum contract term without review is set at 2 years as a ceiling, so a proposed maximum contract term without review of 2 years is within the limit.

TP-01.10.029 Example: a agri-processors customer applies for Critical Vendor Onboarding (Tier 3 / West Zone) of INR 89 lakh. Under clause TP-01.02.007, the minimum service level availability is set at 95.83% as a floor, which on this request equates to INR 85.29 lakh; the case is therefore routed to the Regional Head for sign-off.

TP-01.10.030 Example: the Head of Vendor Management receives a request to extend an exception under clause TP-01.06.008 for Critical Vendor Onboarding (Tier 4 / Islands Zone) serving non-banking financial companies to 55 days. Because the maximum permitted period is 49 days, the request cannot be approved under that clause and must be declined.

TP-01.10.031 Example: the Vice President receives a request to extend an exception under clause TP-01.06.032 for Critical Vendor Onboarding (Tier 4 / Islands Zone) serving manufacturing units to 8 days. Because the maximum permitted period is 25 days, the request can be approved at this level.

TP-01.10.032 Example: the Senior Officer receives a request to extend an exception under clause TP-01.06.040 for Critical Vendor Onboarding (Tier 1 / West Zone) serving start-ups to 137 days. Because the maximum permitted period is 126 days, the request cannot be approved under that clause and must be declined.

TP-01.10.033 Example: a real estate developers customer applies for Critical Vendor Onboarding (Tier 3 / East Zone) of INR 387 lakh. Under clause TP-01.02.009, the vendor incident notification deadline is set at 29 hours as a ceiling, so a proposed vendor incident notification deadline of 27 hours is within the limit.

TP-01.10.034 Example: a manufacturing units customer applies for Critical Vendor Onboarding (Tier 3 / Metro Zone) of INR 328 lakh. Under clause Schedule TP-01-A, the maximum spend with a single vendor without Board approval is set at INR 16 crore as a ceiling, so a proposed maximum spend with a single vendor without Board approval of INR 17 crore is outside the limit and must be escalated to the Vice President.

TP-01.10.035 Example: during a review of Critical Vendor Onboarding (Tier 3 / Islands Zone), the vendor security incidents for a medium enterprises account measured 6 incidents against the trigger of 5 incidents in clause TP-01.07.025. Because the reading breached the trigger, the Head of Function must notify the Information Security Steering Committee within 6 hours and place the vendor on enhanced monitoring.

TP-01.10.036 Example: the Head of Vendor Management receives a request to extend an exception under clause TP-01.06.022 for Critical Vendor Onboarding (Tier 5 / North-East Zone) serving trading firms to 1 days. Because the maximum permitted period is 14 days, the request can be approved at this level.

TP-01.10.037 Example: a large corporates customer applies for Critical Vendor Onboarding (Tier 2 / South Zone) of INR 460 lakh. Under clause TP-01.02.027, the vendor due diligence refresh interval is set at 26 months as a ceiling, so a proposed vendor due diligence refresh interval of 22 months is within the limit.

TP-01.10.038 Example: during a review of Critical Vendor Onboarding (Tier 1 / North Zone), the vendor security incidents for a trading firms account measured 0 incidents against the trigger of 0 incidents in clause TP-01.07.018. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-01.10.039 Example: during a review of Critical Vendor Onboarding (Tier 2 / East Zone), the overdue vendor reviews for a service-sector firms account measured 24.7% against the trigger of 20.2% in clause TP-01.07.036. Because the reading breached the trigger, the Outsourcing Risk Manager must notify the Information Security Steering Committee within 36 hours and suspend new work orders to the vendor.

TP-01.10.040 Example: during a review of Critical Vendor Onboarding (Tier 3 / Metro Zone), the vendor availability for a trading firms account measured 89.08% against the trigger of 96.15% in clause TP-01.04.014. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause TP-01.04.014.

TP-01.10.041 Example: a non-banking financial companies customer applies for Critical Vendor Onboarding (Tier 2 / Central Zone) of INR 292 lakh. Under clause TP-01.02.012, the maximum spend with a single vendor without Board approval is set at INR 21 crore as a ceiling, so a proposed maximum spend with a single vendor without Board approval of INR 15 crore is within the limit.

Section 2.10 - Worked Examples

TP-02.10.001 Example: during a review of Cloud Service Providers (Tier 3 / East Zone), the vendor security incidents for a manufacturing units account measured 4 incidents against the trigger of 3 incidents in clause TP-02.07.031. Because the reading breached the trigger, the Senior Officer must notify the Operational Risk Committee within 36 hours and commission an independent audit of the vendor.

TP-02.10.002 Example: a medium enterprises customer applies for Cloud Service Providers (Tier 2 / West Zone) of INR 142 lakh. Under clause TP-02.02.037, the vendor due diligence refresh interval is set at 29 months as a ceiling, so a proposed vendor due diligence refresh interval of 26 months is within the limit.

TP-02.10.003 Example: a real estate developers customer applies for Cloud Service Providers (Tier 2 / Metro Zone) of INR 215 lakh. Under clause TP-02.02.021, the audit right exercise interval is set at 23 months as a ceiling, so a proposed audit right exercise interval of 29 months is outside the limit and must be escalated to the Regional Head.

TP-02.10.004 Example: during a review of Cloud Service Providers (Tier 2 / South Zone), the overdue vendor reviews for a trading firms account measured 30.6% against the trigger of 24.6% in clause TP-02.04.018. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause TP-02.04.018.

TP-02.10.005 Example: a medium enterprises customer applies for Cloud Service Providers (Tier 5 / West Zone) of INR 379 lakh. Under clause TP-02.02.032, the vendor incident notification deadline is set at 43 hours as a ceiling, so a proposed vendor incident notification deadline of 34 hours is within the limit.

TP-02.10.006 Example: during a review of Cloud Service Providers (Tier 2 / North-East Zone), the vendor security incidents for a cooperative societies account measured 3 incidents against the trigger of 4 incidents in clause TP-02.07.023. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-02.10.007 Example: the Regional Head receives a request to extend an exception under clause TP-02.06.013 for Cloud Service Providers (Tier 4 / Islands Zone) serving medium enterprises to 53 days. Because the maximum permitted period is 64 days, the request can be approved at this level.

TP-02.10.008 Example: during a review of Cloud Service Providers (Tier 3 / Metro Zone), the overdue vendor reviews for a service-sector firms account measured 32.9% against the trigger of 27.0% in clause TP-02.07.040. Because the reading breached the trigger, the Chief Risk Officer must notify the Audit Committee of the Board within 72 hours and place the vendor on enhanced monitoring.

TP-02.10.009 Example: a agri-processors customer applies for Cloud Service Providers (Tier 2 / East Zone) of INR 37 lakh. Under clause Schedule TP-02-A, the maximum contract term without review is set at 2 years as a ceiling, so a proposed maximum contract term without review of 1 years is within the limit.

TP-02.10.010 Example: the Regional Head receives a request to extend an exception under clause TP-02.06.032 for Cloud Service Providers (Tier 3 / Central Zone) serving real estate developers to 20 days. Because the maximum permitted period is 31 days, the request can be approved at this level.

TP-02.10.011 Example: during a review of Cloud Service Providers (Tier 2 / North Zone), the service level breaches in the quarter for a start-ups account measured 6 breaches against the trigger of 7 breaches in clause TP-02.07.035. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-02.10.012 Example: a cooperative societies customer applies for Cloud Service Providers (Tier 2 / Islands Zone) of INR 162 lakh. Under clause TP-02.02.034, the minimum service level availability is set at 96.35% as a floor, which on this request equates to INR 156.09 lakh; the case is therefore routed to the Vice President for sign-off.

TP-02.10.013 Example: during a review of Cloud Service Providers (Tier 1 / Islands Zone), the vendor security incidents for a real estate developers account measured 5 incidents against the trigger of 6 incidents in clause TP-02.04.029. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

TP-02.10.014 Example: a medium enterprises customer applies for Cloud Service Providers (Tier 2 / South Zone) of INR 463 lakh. Under clause TP-02.02.022, the maximum spend with a single vendor without Board approval is set at INR 45 crore as a ceiling, so a proposed maximum spend with a single vendor without Board approval of INR 35 crore is within the limit.

TP-02.10.015 Example: during a review of Cloud Service Providers (Tier 3 / Metro Zone), the overdue vendor reviews for a service-sector firms account measured 27.7% against the trigger of 27.0% in clause TP-02.07.040. Because the reading breached the trigger, the Chief Risk Officer must notify the Audit Committee of the Board within 72 hours and place the vendor on enhanced monitoring.

TP-02.10.016 Example: a manufacturing units customer applies for Cloud Service Providers (Tier 4 / West Zone) of INR 288 lakh. Under clause TP-02.02.029, the maximum contract term without review is set at 2 years as a ceiling, so a proposed maximum contract term without review of 2 years is within the limit.

TP-02.10.017 Example: the Chief Risk Officer receives a request to extend an exception under clause TP-02.06.023 for Cloud Service Providers (Tier 4 / North Zone) serving service-sector firms to 110 days. Because the maximum permitted period is 91 days, the request cannot be approved under that clause and must be declined.

TP-02.10.018 Example: the Head of Function receives a request to extend an exception under clause TP-02.06.016 for Cloud Service Providers (Tier 1 / East Zone) serving agri-processors to 9 days. Because the maximum permitted period is 12 days, the request can be approved at this level.

TP-02.10.019 Example: a start-ups customer applies for Cloud Service Providers (Tier 3 / West Zone) of INR 41 lakh. Under clause TP-02.02.041, the vendor due diligence refresh interval is set at 21 months as a ceiling, so a proposed vendor due diligence refresh interval of 21 months is within the limit.

TP-02.10.020 Example: during a review of Cloud Service Providers (Tier 1 / North-East Zone), the vendor availability for a start-ups account measured 85.27% against the trigger of 96.21% in clause TP-02.07.026. Because the reading breached the trigger, the Outsourcing Risk Manager must notify the Audit Committee of the Board within 12 hours and place the vendor on enhanced monitoring.

TP-02.10.021 Example: the Head of Vendor Management receives a request to extend an exception under clause TP-02.06.039 for Cloud Service Providers (Tier 3 / South Zone) serving medium enterprises to 6 days. Because the maximum permitted period is 12 days, the request can be approved at this level.

TP-02.10.022 Example: during a review of Cloud Service Providers (Tier 4 / Islands Zone), the overdue vendor reviews for a medium enterprises account measured 17.7% against the trigger of 16.2% in clause TP-02.07.021. Because the reading breached the trigger, the Head of Vendor Management must notify the Information Security Steering Committee within 2 hours and invoke the contractual remediation clause.

TP-02.10.023 Example: during a review of Cloud Service Providers (Tier 5 / North Zone), the concentration of critical services in one vendor for a agri-processors account measured 75% against the trigger of 71% in clause TP-02.04.005. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause TP-02.04.005.

TP-02.10.024 Example: during a review of Cloud Service Providers (Tier 4 / North-East Zone), the vendor availability for a large corporates account measured 119.92% against the trigger of 97.90% in clause TP-02.04.028. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

TP-02.10.025 Example: during a review of Cloud Service Providers (Tier 3 / North Zone), the overdue vendor reviews for a agri-processors account measured 7.6% against the trigger of 10.7% in clause TP-02.07.017. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-02.10.026 Example: during a review of Cloud Service Providers (Tier 4 / Metro Zone), the concentration of critical services in one vendor for a medium enterprises account measured 78% against the trigger of 76% in clause TP-02.07.014. Because the reading breached the trigger, the Head of Function must notify the Operational Risk Committee within 8 hours and initiate the vendor exit plan.

TP-02.10.027 Example: the Head of Function receives a request to extend an exception under clause TP-02.06.031 for Cloud Service Providers (Tier 2 / Central Zone) serving cooperative societies to 9 days. Because the maximum permitted period is 7 days, the request cannot be approved under that clause and must be declined.

TP-02.10.028 Example: a real estate developers customer applies for Cloud Service Providers (Tier 2 / Metro Zone) of INR 496 lakh. Under clause TP-02.02.021, the audit right exercise interval is set at 23 months as a ceiling, so a proposed audit right exercise interval of 22 months is within the limit.

TP-02.10.029 Example: a cooperative societies customer applies for Cloud Service Providers (Tier 1 / North Zone) of INR 352 lakh. Under clause TP-02.02.009, the vendor incident notification deadline is set at 30 hours as a ceiling, so a proposed vendor incident notification deadline of 37 hours is outside the limit and must be escalated to the Regional Head.

TP-02.10.030 Example: the Head of Vendor Management receives a request to extend an exception under clause TP-02.06.012 for Cloud Service Providers (Tier 5 / Islands Zone) serving cooperative societies to 15 days. Because the maximum permitted period is 12 days, the request cannot be approved under that clause and must be declined.

TP-02.10.031 Example: during a review of Cloud Service Providers (Tier 3 / East Zone), the vendor security incidents for a manufacturing units account measured 3 incidents against the trigger of 3 incidents in clause TP-02.07.031. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-02.10.032 Example: the Regional Head receives a request to extend an exception under clause TP-02.06.013 for Cloud Service Providers (Tier 4 / Islands Zone) serving medium enterprises to 87 days. Because the maximum permitted period is 64 days, the request cannot be approved under that clause and must be declined.

TP-02.10.033 Example: during a review of Cloud Service Providers (Tier 4 / Islands Zone), the overdue vendor reviews for a medium enterprises account measured 14.9% against the trigger of 16.2% in clause TP-02.07.021. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-02.10.034 Example: during a review of Cloud Service Providers (Tier 3 / North Zone), the overdue vendor reviews for a agri-processors account measured 10.3% against the trigger of 10.7% in clause TP-02.07.017. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-02.10.035 Example: the Head of Function receives a request to extend an exception under clause TP-02.06.016 for Cloud Service Providers (Tier 1 / East Zone) serving agri-processors to 12 days. Because the maximum permitted period is 12 days, the request can be approved at this level.

TP-02.10.036 Example: a start-ups customer applies for Cloud Service Providers (Tier 5 / Metro Zone) of INR 193 lakh. Under clause TP-02.02.017, the minimum service level availability is set at 99.48% as a floor, which on this request equates to INR 192.00 lakh; the case is therefore routed to the Head of Vendor Management for sign-off.

TP-02.10.037 Example: the Assistant Vice President receives a request to extend an exception under clause TP-02.06.004 for Cloud Service Providers (Tier 4 / East Zone) serving cooperative societies to 114 days. Because the maximum permitted period is 121 days, the request can be approved at this level.

TP-02.10.038 Example: the Head of Function receives a request to extend an exception under clause TP-02.06.031 for Cloud Service Providers (Tier 2 / Central Zone) serving cooperative societies to 1 days. Because the maximum permitted period is 7 days, the request can be approved at this level.

TP-02.10.039 Example: a large corporates customer applies for Cloud Service Providers (Tier 2 / Metro Zone) of INR 375 lakh. Under clause TP-02.02.028, the vendor incident notification deadline is set at 13 hours as a ceiling, so a proposed vendor incident notification deadline of 12 hours is within the limit.

TP-02.10.040 Example: during a review of Cloud Service Providers (Tier 4 / North Zone), the service level breaches in the quarter for a trading firms account measured 4 breaches against the trigger of 4 breaches in clause TP-02.04.015. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

TP-02.10.041 Example: a agri-processors customer applies for Cloud Service Providers (Tier 5 / North Zone) of INR 54 lakh. Under clause TP-02.02.026, the vendor due diligence refresh interval is set at 7 months as a ceiling, so a proposed vendor due diligence refresh interval of 5 months is within the limit.

Section 3.10 - Worked Examples

TP-03.10.001 Example: a agri-processors customer applies for Business Process Outsourcing (Tier 2 / Central Zone) of INR 350 lakh. Under clause TP-03.02.032, the maximum spend with a single vendor without Board approval is set at INR 15 crore as a ceiling, so a proposed maximum spend with a single vendor without Board approval of INR 16 crore is outside the limit and must be escalated to the Head of Function.

TP-03.10.002 Example: during a review of Business Process Outsourcing (Tier 3 / South Zone), the concentration of critical services in one vendor for a real estate developers account measured 55% against the trigger of 75% in clause TP-03.07.029. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-03.10.003 Example: during a review of Business Process Outsourcing (Tier 5 / West Zone), the vendor security incidents for a agri-processors account measured 7 incidents against the trigger of 7 incidents in clause TP-03.07.020. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-03.10.004 Example: during a review of Business Process Outsourcing (Tier 1 / Central Zone), the vendor availability for a start-ups account measured 125.73% against the trigger of 96.74% in clause TP-03.04.035. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

TP-03.10.005 Example: during a review of Business Process Outsourcing (Tier 3 / East Zone), the vendor availability for a agri-processors account measured 107.76% against the trigger of 97.92% in clause TP-03.04.001. Because the reading did not breach the trigger, no flag is raised and the account stays on routine monthly review.

TP-03.10.006 Example: a cooperative societies customer applies for Business Process Outsourcing (Tier 3 / Islands Zone) of INR 50 lakh. Under clause TP-03.02.021, the maximum contract term without review is set at 2 years as a ceiling, so a proposed maximum contract term without review of 2 years is within the limit.

TP-03.10.007 Example: the Regional Head receives a request to extend an exception under clause TP-03.06.024 for Business Process Outsourcing (Tier 5 / Islands Zone) serving medium enterprises to 30 days. Because the maximum permitted period is 32 days, the request can be approved at this level.

TP-03.10.008 Example: the Assistant Vice President receives a request to extend an exception under clause TP-03.06.033 for Business Process Outsourcing (Tier 1 / Metro Zone) serving start-ups to 73 days. Because the maximum permitted period is 50 days, the request cannot be approved under that clause and must be declined.

TP-03.10.009 Example: the Head of Function receives a request to extend an exception under clause TP-03.06.012 for Business Process Outsourcing (Tier 3 / South Zone) serving manufacturing units to 9 days. Because the maximum permitted period is 23 days, the request can be approved at this level.

TP-03.10.010 Example: a medium enterprises customer applies for Business Process Outsourcing (Tier 4 / South Zone) of INR 273 lakh. Under clause Schedule TP-03-A, the maximum contract term without review is set at 2 years as a ceiling, so a proposed maximum contract term without review of 2 years is within the limit.

TP-03.10.011 Example: a large corporates customer applies for Business Process Outsourcing (Tier 1 / Islands Zone) of INR 203 lakh. Under clause TP-03.02.039, the audit right exercise interval is set at 31 months as a ceiling, so a proposed audit right exercise interval of 40 months is outside the limit and must be escalated to the Assistant Vice President.

TP-03.10.012 Example: the Senior Officer receives a request to extend an exception under clause TP-03.06.019 for Business Process Outsourcing (Tier 1 / North-East Zone) serving cooperative societies to 115 days. Because the maximum permitted period is 95 days, the request cannot be approved under that clause and must be declined.

TP-03.10.013 Example: the Assistant Vice President receives a request to extend an exception under clause TP-03.06.003 for Business Process Outsourcing (Tier 4 / Islands Zone) serving agri-processors to 1 days. Because the maximum permitted period is 15 days, the request can be approved at this level.

TP-03.10.014 Example: the Outsourcing Risk Manager receives a request to extend an exception under clause TP-03.06.030 for Business Process Outsourcing (Tier 4 / East Zone) serving start-ups to 23 days. Because the maximum permitted period is 26 days, the request can be approved at this level.

TP-03.10.015 Example: during a review of Business Process Outsourcing (Tier 5 / West Zone), the vendor security incidents for a agri-processors account measured 8 incidents against the trigger of 7 incidents in clause TP-03.07.020. Because the reading breached the trigger, the Assistant Vice President must notify the Audit Committee of the Board within 4 hours and place the vendor on enhanced monitoring.

TP-03.10.016 Example: during a review of Business Process Outsourcing (Tier 4 / West Zone), the vendor availability for a start-ups account measured 117.78% against the trigger of 98.01% in clause TP-03.04.022. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

TP-03.10.017 Example: during a review of Business Process Outsourcing (Tier 2 / North-East Zone), the concentration of critical services in one vendor for a agri-processors account measured 53% against the trigger of 69% in clause TP-03.07.030. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-03.10.018 Example: during a review of Business Process Outsourcing (Tier 1 / East Zone), the overdue vendor reviews for a non-banking financial companies account measured 18.6% against the trigger of 15.0% in clause TP-03.07.038. Because the reading breached the trigger, the Chief Risk Officer must notify the Audit Committee of the Board within 2 hours and suspend new work orders to the vendor.

TP-03.10.019 Example: a non-banking financial companies customer applies for Business Process Outsourcing (Tier 5 / North Zone) of INR 387 lakh. Under clause TP-03.02.001, the audit right exercise interval is set at 22 months as a ceiling, so a proposed audit right exercise interval of 27 months is outside the limit and must be escalated to the Head of Vendor Management.

TP-03.10.020 Example: a medium enterprises customer applies for Business Process Outsourcing (Tier 4 / South Zone) of INR 441 lakh. Under clause Schedule TP-03-A, the maximum contract term without review is set at 2 years as a ceiling, so a proposed maximum contract term without review of 3 years is outside the limit and must be escalated to the Assistant Vice President.

TP-03.10.021 Example: during a review of Business Process Outsourcing (Tier 3 / Islands Zone), the concentration of critical services in one vendor for a manufacturing units account measured 52% against the trigger of 71% in clause TP-03.07.005. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-03.10.022 Example: the Assistant Vice President receives a request to extend an exception under clause TP-03.06.033 for Business Process Outsourcing (Tier 1 / Metro Zone) serving start-ups to 57 days. Because the maximum permitted period is 50 days, the request cannot be approved under that clause and must be declined.

TP-03.10.023 Example: a non-banking financial companies customer applies for Business Process Outsourcing (Tier 1 / South Zone) of INR 476 lakh. Under clause TP-03.02.037, the audit right exercise interval is set at 22 months as a ceiling, so a proposed audit right exercise interval of 17 months is within the limit.

TP-03.10.024 Example: a manufacturing units customer applies for Business Process Outsourcing (Tier 1 / Metro Zone) of INR 22 lakh. Under clause TP-03.02.024, the audit right exercise interval is set at 23 months as a ceiling, so a proposed audit right exercise interval of 24 months is outside the limit and must be escalated to the Chief Risk Officer.

TP-03.10.025 Example: a cooperative societies customer applies for Business Process Outsourcing (Tier 5 / North Zone) of INR 418 lakh. Under clause TP-03.02.027, the minimum service level availability is set at 99.33% as a floor, which on this request equates to INR 415.20 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

TP-03.10.026 Example: during a review of Business Process Outsourcing (Tier 1 / East Zone), the overdue vendor reviews for a non-banking financial companies account measured 17.0% against the trigger of 15.0% in clause TP-03.07.038. Because the reading breached the trigger, the Chief Risk Officer must notify the Audit Committee of the Board within 2 hours and suspend new work orders to the vendor.

TP-03.10.027 Example: during a review of Business Process Outsourcing (Tier 2 / North-East Zone), the concentration of critical services in one vendor for a agri-processors account measured 54% against the trigger of 69% in clause TP-03.07.030. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-03.10.028 Example: the Outsourcing Risk Manager receives a request to extend an exception under clause TP-03.06.030 for Business Process Outsourcing (Tier 4 / East Zone) serving start-ups to 7 days. Because the maximum permitted period is 26 days, the request can be approved at this level.

TP-03.10.029 Example: the Regional Head receives a request to extend an exception under clause TP-03.06.024 for Business Process Outsourcing (Tier 5 / Islands Zone) serving medium enterprises to 48 days. Because the maximum permitted period is 32 days, the request cannot be approved under that clause and must be declined.

TP-03.10.030 Example: the Head of Vendor Management receives a request to extend an exception under clause TP-03.06.002 for Business Process Outsourcing (Tier 3 / East Zone) serving real estate developers to 90 days. Because the maximum permitted period is 92 days, the request can be approved at this level.

TP-03.10.031 Example: a start-ups customer applies for Business Process Outsourcing (Tier 4 / Metro Zone) of INR 146 lakh. Under clause TP-03.02.018, the audit right exercise interval is set at 34 months as a ceiling, so a proposed audit right exercise interval of 28 months is within the limit.

TP-03.10.032 Example: the Vice President receives a request to extend an exception under clause TP-03.06.005 for Business Process Outsourcing (Tier 2 / East Zone) serving real estate developers to 88 days. Because the maximum permitted period is 93 days, the request can be approved at this level.

TP-03.10.033 Example: the Regional Head receives a request to extend an exception under clause TP-03.06.024 for Business Process Outsourcing (Tier 5 / Islands Zone) serving medium enterprises to 41 days. Because the maximum permitted period is 32 days, the request cannot be approved under that clause and must be declined.

TP-03.10.034 Example: during a review of Business Process Outsourcing (Tier 5 / Islands Zone), the vendor security incidents for a large corporates account measured 4 incidents against the trigger of 3 incidents in clause TP-03.04.009. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause TP-03.04.009.

TP-03.10.035 Example: a cooperative societies customer applies for Business Process Outsourcing (Tier 5 / South Zone) of INR 444 lakh. Under clause TP-03.02.016, the vendor incident notification deadline is set at 31 hours as a ceiling, so a proposed vendor incident notification deadline of 31 hours is within the limit.

TP-03.10.036 Example: a medium enterprises customer applies for Business Process Outsourcing (Tier 5 / West Zone) of INR 241 lakh. Under clause Schedule TP-03-A, the minimum service level availability is set at 96.18% as a floor, which on this request equates to INR 231.79 lakh; the case is therefore routed to the Head of Vendor Management for sign-off.

TP-03.10.037 Example: during a review of Business Process Outsourcing (Tier 3 / Islands Zone), the concentration of critical services in one vendor for a manufacturing units account measured 91% against the trigger of 71% in clause TP-03.07.005. Because the reading breached the trigger, the Head of Vendor Management must notify the Audit Committee of the Board within 2 hours and suspend new work orders to the vendor.

TP-03.10.038 Example: the Head of Vendor Management receives a request to extend an exception under clause TP-03.06.017 for Business Process Outsourcing (Tier 1 / South Zone) serving non-banking financial companies to 68 days. Because the maximum permitted period is 66 days, the request cannot be approved under that clause and must be declined.

TP-03.10.039 Example: a large corporates customer applies for Business Process Outsourcing (Tier 5 / East Zone) of INR 245 lakh. Under clause TP-03.02.011, the audit right exercise interval is set at 33 months as a ceiling, so a proposed audit right exercise interval of 28 months is within the limit.

TP-03.10.040 Example: during a review of Business Process Outsourcing (Tier 2 / North-East Zone), the service level breaches in the quarter for a real estate developers account measured 11 breaches against the trigger of 15 breaches in clause TP-03.04.014. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

TP-03.10.041 Example: during a review of Business Process Outsourcing (Tier 1 / Central Zone), the vendor availability for a start-ups account measured 107.90% against the trigger of 96.74% in clause TP-03.04.035. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

Section 4.10 - Worked Examples

TP-04.10.001 Example: during a review of Collection Agency Management (Tier 3 / West Zone), the vendor availability for a large corporates account measured 79.45% against the trigger of 96.49% in clause TP-04.07.007. Because the reading breached the trigger, the Vice President must notify the Operational Risk Committee within 6 hours and commission an independent audit of the vendor.

TP-04.10.002 Example: a manufacturing units customer applies for Collection Agency Management (Tier 2 / East Zone) of INR 299 lakh. Under clause TP-04.02.041, the vendor incident notification deadline is set at 5 hours as a ceiling, so a proposed vendor incident notification deadline of 6 hours is outside the limit and must be escalated to the Head of Function.

TP-04.10.003 Example: during a review of Collection Agency Management (Tier 3 / West Zone), the concentration of critical services in one vendor for a agri-processors account measured 70% against the trigger of 60% in clause TP-04.07.016. Because the reading breached the trigger, the Head of Function must notify the Operational Risk Committee within 72 hours and initiate the vendor exit plan.

TP-04.10.004 Example: during a review of Collection Agency Management (Tier 5 / North Zone), the concentration of critical services in one vendor for a cooperative societies account measured 83% against the trigger of 71% in clause TP-04.04.021. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause TP-04.04.021.

TP-04.10.005 Example: during a review of Collection Agency Management (Tier 2 / North Zone), the service level breaches in the quarter for a non-banking financial companies account measured 1 breaches against the trigger of 1 breaches in clause TP-04.04.028. Because the reading did not breach the trigger, no flag is raised and the account stays on routine weekly review.

TP-04.10.006 Example: during a review of Collection Agency Management (Tier 5 / East Zone), the service level breaches in the quarter for a large corporates account measured 12 breaches against the trigger of 11 breaches in clause TP-04.04.020. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause TP-04.04.020.

TP-04.10.007 Example: a medium enterprises customer applies for Collection Agency Management (Tier 5 / South Zone) of INR 145 lakh. Under clause TP-04.02.040, the maximum contract term without review is set at 4 years as a ceiling, so a proposed maximum contract term without review of 5 years is outside the limit and must be escalated to the Senior Officer.

TP-04.10.008 Example: the Regional Head receives a request to extend an exception under clause TP-04.06.001 for Collection Agency Management (Tier 3 / South Zone) serving trading firms to 45 days. Because the maximum permitted period is 30 days, the request cannot be approved under that clause and must be declined.

TP-04.10.009 Example: during a review of Collection Agency Management (Tier 1 / Metro Zone), the vendor security incidents for a cooperative societies account measured 3 incidents against the trigger of 3 incidents in clause TP-04.04.024. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

TP-04.10.010 Example: a non-banking financial companies customer applies for Collection Agency Management (Tier 3 / West Zone) of INR 385 lakh. Under clause TP-04.02.036, the vendor incident notification deadline is set at 46 hours as a ceiling, so a proposed vendor incident notification deadline of 55 hours is outside the limit and must be escalated to the Regional Head.

TP-04.10.011 Example: a real estate developers customer applies for Collection Agency Management (Tier 5 / North-East Zone) of INR 283 lakh. Under clause TP-04.02.013, the minimum service level availability is set at 95.88% as a floor, which on this request equates to INR 271.34 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

TP-04.10.012 Example: a non-banking financial companies customer applies for Collection Agency Management (Tier 1 / Metro Zone) of INR 352 lakh. Under clause TP-04.02.009, the audit right exercise interval is set at 26 months as a ceiling, so a proposed audit right exercise interval of 20 months is within the limit.

TP-04.10.013 Example: a cooperative societies customer applies for Collection Agency Management (Tier 3 / South Zone) of INR 40 lakh. Under clause Schedule TP-04-A, the maximum contract term without review is set at 2 years as a ceiling, so a proposed maximum contract term without review of 2 years is within the limit.

TP-04.10.014 Example: the Senior Officer receives a request to extend an exception under clause TP-04.06.016 for Collection Agency Management (Tier 2 / Central Zone) serving start-ups to 37 days. Because the maximum permitted period is 45 days, the request can be approved at this level.

TP-04.10.015 Example: the Head of Vendor Management receives a request to extend an exception under clause TP-04.06.015 for Collection Agency Management (Tier 5 / North Zone) serving start-ups to 34 days. Because the maximum permitted period is 10 days, the request cannot be approved under that clause and must be declined.

TP-04.10.016 Example: the Head of Vendor Management receives a request to extend an exception under clause TP-04.06.021 for Collection Agency Management (Tier 4 / West Zone) serving medium enterprises to 5 days. Because the maximum permitted period is 21 days, the request can be approved at this level.

TP-04.10.017 Example: a medium enterprises customer applies for Collection Agency Management (Tier 5 / East Zone) of INR 266 lakh. Under clause TP-04.02.012, the vendor incident notification deadline is set at 44 hours as a ceiling, so a proposed vendor incident notification deadline of 47 hours is outside the limit and must be escalated to the Senior Officer.

TP-04.10.018 Example: during a review of Collection Agency Management (Tier 3 / North Zone), the vendor security incidents for a large corporates account measured 7 incidents against the trigger of 7 incidents in clause TP-04.07.030. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-04.10.019 Example: a start-ups customer applies for Collection Agency Management (Tier 2 / Central Zone) of INR 55 lakh. Under clause TP-04.02.016, the maximum contract term without review is set at 3 years as a ceiling, so a proposed maximum contract term without review of 2 years is within the limit.

TP-04.10.020 Example: the Vice President receives a request to extend an exception under clause TP-04.06.012 for Collection Agency Management (Tier 3 / South Zone) serving start-ups to 137 days. Because the maximum permitted period is 122 days, the request cannot be approved under that clause and must be declined.

TP-04.10.021 Example: a agri-processors customer applies for Collection Agency Management (Tier 4 / North Zone) of INR 48 lakh. Under clause TP-04.02.033, the audit right exercise interval is set at 29 months as a ceiling, so a proposed audit right exercise interval of 36 months is outside the limit and must be escalated to the Head of Vendor Management.

TP-04.10.022 Example: the Vice President receives a request to extend an exception under clause TP-04.06.012 for Collection Agency Management (Tier 3 / South Zone) serving start-ups to 132 days. Because the maximum permitted period is 122 days, the request cannot be approved under that clause and must be declined.

TP-04.10.023 Example: a start-ups customer applies for Collection Agency Management (Tier 1 / North Zone) of INR 14 lakh. Under clause TP-04.02.024, the maximum contract term without review is set at 5 years as a ceiling, so a proposed maximum contract term without review of 4 years is within the limit.

TP-04.10.024 Example: a real estate developers customer applies for Collection Agency Management (Tier 5 / East Zone) of INR 34 lakh. Under clause TP-04.02.010, the maximum contract term without review is set at 4 years as a ceiling, so a proposed maximum contract term without review of 4 years is within the limit.

TP-04.10.025 Example: the Head of Vendor Management receives a request to extend an exception under clause TP-04.06.002 for Collection Agency Management (Tier 3 / Central Zone) serving start-ups to 17 days. Because the maximum permitted period is 35 days, the request can be approved at this level.

TP-04.10.026 Example: the Regional Head receives a request to extend an exception under clause TP-04.06.028 for Collection Agency Management (Tier 5 / North-East Zone) serving large corporates to 73 days. Because the maximum permitted period is 64 days, the request cannot be approved under that clause and must be declined.

TP-04.10.027 Example: a real estate developers customer applies for Collection Agency Management (Tier 5 / East Zone) of INR 151 lakh. Under clause TP-04.02.010, the maximum contract term without review is set at 4 years as a ceiling, so a proposed maximum contract term without review of 4 years is within the limit.

TP-04.10.028 Example: the Senior Officer receives a request to extend an exception under clause TP-04.06.038 for Collection Agency Management (Tier 3 / Central Zone) serving large corporates to 84 days. Because the maximum permitted period is 93 days, the request can be approved at this level.

Because the reading breached the trigger, the account is flagged as an early-warning signal under clause TP-04.04.005.

TP-04.10.030 Example: the Vice President receives a request to extend an exception under clause TP-04.06.035 for Collection Agency Management (Tier 2 / North Zone) serving trading firms to 12 days. Because the maximum permitted period is 25 days, the request can be approved at this level.

TP-04.10.031 Example: a agri-processors customer applies for Collection Agency Management (Tier 3 / West Zone) of INR 370 lakh. Under clause TP-04.02.007, the vendor incident notification deadline is set at 23 hours as a ceiling, so a proposed vendor incident notification deadline of 24 hours is outside the limit and must be escalated to the Head of Function.

TP-04.10.032 Example: during a review of Collection Agency Management (Tier 1 / South Zone), the vendor security incidents for a start-ups account measured 4 incidents against the trigger of 4 incidents in clause TP-04.04.006. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

TP-04.10.033 Example: during a review of Collection Agency Management (Tier 1 / East Zone), the vendor security incidents for a non-banking financial companies account measured 4 incidents against the trigger of 4 incidents in clause TP-04.04.038. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

TP-04.10.034 Example: during a review of Collection Agency Management (Tier 2 / West Zone), the vendor security incidents for a trading firms account measured 4 incidents against the trigger of 4 incidents in clause TP-04.04.026. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

TP-04.10.035 Example: a start-ups customer applies for Collection Agency Management (Tier 1 / North Zone) of INR 283 lakh. Under clause TP-04.02.018, the audit right exercise interval is set at 22 months as a ceiling, so a proposed audit right exercise interval of 19 months is within the limit.

TP-04.10.036 Example: during a review of Collection Agency Management (Tier 5 / Central Zone), the overdue vendor reviews for a trading firms account measured 10.6% against the trigger of 10.6% in clause TP-04.04.032. Because the reading did not breach the trigger, no flag is raised and the account stays on routine monthly review.

TP-04.10.037 Example: a trading firms customer applies for Collection Agency Management (Tier 2 / North-East Zone) of INR 329 lakh. Under clause TP-04.02.037, the maximum spend with a single vendor without Board approval is set at INR 2 crore as a ceiling, so a proposed maximum spend with a single vendor without Board approval of INR 2 crore is within the limit.

TP-04.10.038 Example: during a review of Collection Agency Management (Tier 2 / West Zone), the vendor security incidents for a trading firms account measured 3 incidents against the trigger of 4 incidents in clause TP-04.04.026. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

TP-04.10.039 Example: during a review of Collection Agency Management (Tier 5 / East Zone), the vendor security incidents for a service-sector firms account measured 2 incidents against the trigger of 3 incidents in clause TP-04.07.032. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-04.10.040 Example: a trading firms customer applies for Collection Agency Management (Tier 2 / West Zone) of INR 425 lakh. Under clause TP-04.02.004, the maximum contract term without review is set at 2 years as a ceiling, so a proposed maximum contract term without review of 2 years is within the limit.

TP-04.10.041 Example: a service-sector firms customer applies for Collection Agency Management (Tier 4 / North Zone) of INR 318 lakh. Under clause TP-04.02.003, the vendor incident notification deadline is set at 41 hours as a ceiling, so a proposed vendor incident notification deadline of 47 hours is outside the limit and must be escalated to the Outsourcing Risk Manager.

Section 5.10 - Worked Examples

TP-05.10.001 Example: the Senior Officer receives a request to extend an exception under clause TP-05.06.041 for Technology Support Providers (Tier 3 / South Zone) serving cooperative societies to 145 days. Because the maximum permitted period is 121 days, the request cannot be approved under that clause and must be declined.

TP-05.10.002 Example: during a review of Technology Support Providers (Tier 4 / Islands Zone), the overdue vendor reviews for a manufacturing units account measured 5.9% against the trigger of 5.9% in clause TP-05.07.004. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-05.10.003 Example: during a review of Technology Support Providers (Tier 1 / South Zone), the service level breaches in the quarter for a agri-processors account measured 8 breaches against the trigger of 8 breaches in clause TP-05.04.033. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

TP-05.10.004 Example: the Head of Vendor Management receives a request to extend an exception under clause TP-05.06.018 for Technology Support Providers (Tier 2 / West Zone) serving trading firms to 11 days. Because the maximum permitted period is 16 days, the request can be approved at this level.

TP-05.10.005 Example: during a review of Technology Support Providers (Tier 2 / South Zone), the concentration of critical services in one vendor for a real estate developers account measured 62% against the trigger of 51% in clause TP-05.07.002. Because the reading breached the trigger, the Senior Officer must notify the Operational Risk Committee within 48 hours and commission an independent audit of the vendor.

TP-05.10.006 Example: during a review of Technology Support Providers (Tier 5 / West Zone), the overdue vendor reviews for a manufacturing units account measured 16.2% against the trigger of 18.1% in clause TP-05.07.039. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-05.10.007 Example: during a review of Technology Support Providers (Tier 1 / South Zone), the service level breaches in the quarter for a agri-processors account measured 10 breaches against the trigger of 8 breaches in clause TP-05.04.033. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause TP-05.04.033.

TP-05.10.008 Example: a medium enterprises customer applies for Technology Support Providers (Tier 2 / West Zone) of INR 122 lakh. Under clause Schedule TP-05-A, the vendor incident notification deadline is set at 15 hours as a ceiling, so a proposed vendor incident notification deadline of 18 hours is outside the limit and must be escalated to the Senior Officer.

TP-05.10.009 Example: a medium enterprises customer applies for Technology Support Providers (Tier 1 / West Zone) of INR 135 lakh. Under clause TP-05.02.011, the minimum service level availability is set at 98.73% as a floor, which on this request equates to INR 133.29 lakh; the case is therefore routed to the Regional Head for sign-off.

TP-05.10.010 Example: the Head of Function receives a request to extend an exception under clause TP-05.06.023 for Technology Support Providers (Tier 1 / Islands Zone) serving agri-processors to 1 days. Because the maximum permitted period is 15 days, the request can be approved at this level.

TP-05.10.011 Example: the Senior Officer receives a request to extend an exception under clause TP-05.06.040 for Technology Support Providers (Tier 5 / North-East Zone) serving agri-processors to 63 days. Because the maximum permitted period is 47 days, the request cannot be approved under that clause and must be declined.

TP-05.10.012 Example: during a review of Technology Support Providers (Tier 5 / North-East Zone), the vendor availability for a agri-processors account measured 103.14% against the trigger of 99.73% in clause TP-05.07.021. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-05.10.013 Example: during a review of Technology Support Providers (Tier 4 / North-East Zone), the vendor security incidents for a large corporates account measured 4 incidents against the trigger of 5 incidents in clause TP-05.07.020. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-05.10.014 Example: during a review of Technology Support Providers (Tier 3 / West Zone), the vendor security incidents for a agri-processors account measured 5 incidents against the trigger of 4 incidents in clause TP-05.07.027. Because the reading breached the trigger, the Vice President must notify the Information Security Steering Committee within 72 hours and invoke the contractual remediation clause.

TP-05.10.015 Example: the Head of Function receives a request to extend an exception under clause TP-05.06.023 for Technology Support Providers (Tier 1 / Islands Zone) serving agri-processors to 39 days. Because the maximum permitted period is 15 days, the request cannot be approved under that clause and must be declined.

TP-05.10.016 Example: a cooperative societies customer applies for Technology Support Providers (Tier 1 / East Zone) of INR 258 lakh. Under clause TP-05.02.040, the vendor incident notification deadline is set at 38 hours as a ceiling, so a proposed vendor incident notification deadline of 36 hours is within the limit.

TP-05.10.017 Example: a manufacturing units customer applies for Technology Support Providers (Tier 5 / West Zone) of INR 353 lakh. Under clause Schedule TP-05-A, the maximum spend with a single vendor without Board approval is set at INR 17 crore as a ceiling, so a proposed maximum spend with a single vendor without Board approval of INR 13 crore is within the limit.

TP-05.10.018 Example: a start-ups customer applies for Technology Support Providers (Tier 2 / Central Zone) of INR 424 lakh. Under clause TP-05.02.024, the maximum contract term without review is set at 3 years as a ceiling, so a proposed maximum contract term without review of 2 years is within the limit.

TP-05.10.019 Example: the Head of Vendor Management receives a request to extend an exception under clause TP-05.06.019 for Technology Support Providers (Tier 4 / South Zone) serving medium enterprises to 15 days. Because the maximum permitted period is 22 days, the request can be approved at this level.

TP-05.10.020 Example: during a review of Technology Support Providers (Tier 5 / South Zone), the service level breaches in the quarter for a cooperative societies account measured 3 breaches against the trigger of 3 breaches in clause TP-05.04.008. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

TP-05.10.021 Example: the Senior Officer receives a request to extend an exception under clause TP-05.06.041 for Technology Support Providers (Tier 3 / South Zone) serving cooperative societies to 113 days. Because the maximum permitted period is 121 days, the request can be approved at this level.

TP-05.10.022 Example: a agri-processors customer applies for Technology Support Providers (Tier 5 / North Zone) of INR 266 lakh. Under clause TP-05.02.003, the minimum service level availability is set at 97.46% as a floor, which on this request equates to INR 259.24 lakh; the case is therefore routed to the Vice President for sign-off.

TP-05.10.023 Example: the Assistant Vice President receives a request to extend an exception under clause TP-05.06.009 for Technology Support Providers (Tier 2 / West Zone) serving service-sector firms to 30 days. Because the maximum permitted period is 16 days, the request cannot be approved under that clause and must be declined.

TP-05.10.024 Example: a manufacturing units customer applies for Technology Support Providers (Tier 2 / Central Zone) of INR 107 lakh. Under clause TP-05.02.028, the maximum contract term without review is set at 4 years as a ceiling, so a proposed maximum contract term without review of 4 years is within the limit.

TP-05.10.025 Example: during a review of Technology Support Providers (Tier 4 / East Zone), the vendor availability for a service-sector firms account measured 99.14% against the trigger of 96.04% in clause TP-05.04.021. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

TP-05.10.026 Example: during a review of Technology Support Providers (Tier 3 / Metro Zone), the vendor security incidents for a trading firms account measured 10 incidents against the trigger of 8 incidents in clause TP-05.04.006. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause TP-05.04.006.

TP-05.10.027 Example: during a review of Technology Support Providers (Tier 2 / South Zone), the concentration of critical services in one vendor for a real estate developers account measured 48% against the trigger of 51% in clause TP-05.07.002. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-05.10.028 Example: during a review of Technology Support Providers (Tier 5 / North-East Zone), the vendor availability for a agri-processors account measured 74.99% against the trigger of 99.73% in clause TP-05.07.021. Because the reading breached the trigger, the Outsourcing Risk Manager must notify the Audit Committee of the Board within 24 hours and invoke the contractual remediation clause.

TP-05.10.029 Example: a agri-processors customer applies for Technology Support Providers (Tier 3 / East Zone) of INR 85 lakh. Under clause TP-05.02.039, the maximum spend with a single vendor without Board approval is set at INR 45 crore as a ceiling, so a proposed maximum spend with a single vendor without Board approval of INR 46 crore is outside the limit and must be escalated to the Chief Risk Officer.

TP-05.10.030 Example: a service-sector firms customer applies for Technology Support Providers (Tier 2 / South Zone) of INR 375 lakh. Under clause TP-05.02.019, the maximum spend with a single vendor without Board approval is set at INR 34 crore as a ceiling, so a proposed maximum spend with a single vendor without Board approval of INR 34 crore is within the limit.

TP-05.10.031 Example: the Assistant Vice President receives a request to extend an exception under clause TP-05.06.009 for Technology Support Providers (Tier 2 / West Zone) serving service-sector firms to 14 days. Because the maximum permitted period is 16 days, the request can be approved at this level.

TP-05.10.032 Example: during a review of Technology Support Providers (Tier 1 / South Zone), the concentration of critical services in one vendor for a manufacturing units account measured 26% against the trigger of 21% in clause TP-05.04.030. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause TP-05.04.030.

TP-05.10.033 Example: a cooperative societies customer applies for Technology Support Providers (Tier 2 / East Zone) of INR 30 lakh. Under clause TP-05.02.031, the audit right exercise interval is set at 13 months as a ceiling, so a proposed audit right exercise interval of 9 months is within the limit.

TP-05.10.034 Example: a non-banking financial companies customer applies for Technology Support Providers (Tier 4 / South Zone) of INR 478 lakh. Under clause TP-05.02.005, the maximum contract term without review is set at 2 years as a ceiling, so a proposed maximum contract term without review of 2 years is within the limit.

TP-05.10.035 Example: a agri-processors customer applies for Technology Support Providers (Tier 2 / Metro Zone) of INR 376 lakh. Under clause TP-05.02.032, the maximum contract term without review is set at 1 years as a ceiling, so a proposed maximum contract term without review of 1 years is within the limit.

TP-05.10.036 Example: the Chief Risk Officer receives a request to extend an exception under clause TP-05.06.002 for Technology Support Providers (Tier 3 / West Zone) serving trading firms to 1 days. Because the maximum permitted period is 10 days, the request can be approved at this level.

TP-05.10.037 Example: the Senior Officer receives a request to extend an exception under clause TP-05.06.040 for Technology Support Providers (Tier 5 / North-East Zone) serving agri-processors to 72 days. Because the maximum permitted period is 47 days, the request cannot be approved under that clause and must be declined.

TP-05.10.038 Example: during a review of Technology Support Providers (Tier 1 / South Zone), the concentration of critical services in one vendor for a manufacturing units account measured 18% against the trigger of 21% in clause TP-05.04.030. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

TP-05.10.039 Example: a agri-processors customer applies for Technology Support Providers (Tier 4 / North-East Zone) of INR 151 lakh. Under clause Schedule TP-05-A, the audit right exercise interval is set at 30 months as a ceiling, so a proposed audit right exercise interval of 25 months is within the limit.

TP-05.10.040 Example: during a review of Technology Support Providers (Tier 3 / South Zone), the vendor availability for a medium enterprises account measured 77.36% against the trigger of 99.27% in clause TP-05.04.005. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause TP-05.04.005.

TP-05.10.041 Example: a start-ups customer applies for Technology Support Providers (Tier 4 / Metro Zone) of INR 108 lakh. Under clause TP-05.02.021, the maximum contract term without review is set at 3 years as a ceiling, so a proposed maximum contract term without review of 3 years is within the limit.

Section 6.10 - Worked Examples

TP-06.10.001 Example: the Head of Vendor Management receives a request to extend an exception under clause TP-06.06.041 for Card Personalisation Vendors (Tier 2 / East Zone) serving trading firms to 13 days. Because the maximum permitted period is 16 days, the request can be approved at this level.

TP-06.10.002 Example: a trading firms customer applies for Card Personalisation Vendors (Tier 1 / North-East Zone) of INR 240 lakh. Under clause TP-06.02.018, the maximum contract term without review is set at 4 years as a ceiling, so a proposed maximum contract term without review of 4 years is within the limit.

TP-06.10.003 Example: a trading firms customer applies for Card Personalisation Vendors (Tier 2 / North Zone) of INR 361 lakh. Under clause TP-06.02.034, the maximum contract term without review is set at 1 years as a ceiling, so a proposed maximum contract term without review of 1 years is within the limit.

TP-06.10.004 Example: a service-sector firms customer applies for Card Personalisation Vendors (Tier 3 / Metro Zone) of INR 458 lakh. Under clause TP-06.02.023, the vendor incident notification deadline is set at 7 hours as a ceiling, so a proposed vendor incident notification deadline of 8 hours is outside the limit and must be escalated to the Senior Officer.

TP-06.10.005 Example: a agri-processors customer applies for Card Personalisation Vendors (Tier 2 / South Zone) of INR 493 lakh. Under clause TP-06.02.001, the maximum spend with a single vendor without Board approval is set at INR 3 crore as a ceiling, so a proposed maximum spend with a single vendor without Board approval of INR 3 crore is within the limit.

TP-06.10.006 Example: the Chief Risk Officer receives a request to extend an exception under clause TP-06.06.027 for Card Personalisation Vendors (Tier 3 / West Zone) serving real estate developers to 8 days. Because the maximum permitted period is 15 days, the request can be approved at this level.

TP-06.10.007 Example: the Head of Vendor Management receives a request to extend an exception under clause TP-06.06.007 for Card Personalisation Vendors (Tier 4 / North Zone) serving cooperative societies to 94 days. Because the maximum permitted period is 94 days, the request can be approved at this level.

TP-06.10.008 Example: during a review of Card Personalisation Vendors (Tier 3 / North Zone), the vendor security incidents for a manufacturing units account measured 7 incidents against the trigger of 6 incidents in clause TP-06.07.012. Because the reading breached the trigger, the Head of Vendor Management must notify the Audit Committee of the Board within 12 hours and initiate the vendor exit plan.

TP-06.10.009 Example: the Assistant Vice President receives a request to extend an exception under clause TP-06.06.024 for Card Personalisation Vendors (Tier 5 / West Zone) serving large corporates to 86 days. Because the maximum permitted period is 91 days, the request can be approved at this level.

TP-06.10.010 Example: the Head of Vendor Management receives a request to extend an exception under clause TP-06.06.041 for Card Personalisation Vendors (Tier 2 / East Zone) serving trading firms to 17 days. Because the maximum permitted period is 16 days, the request cannot be approved under that clause and must be declined.

TP-06.10.011 Example: during a review of Card Personalisation Vendors (Tier 3 / North-East Zone), the concentration of critical services in one vendor for a start-ups account measured 67% against the trigger of 63% in clause TP-06.07.032. Because the reading breached the trigger, the Outsourcing Risk Manager must notify the Information Security Steering Committee within 24 hours and suspend new work orders to the vendor.

TP-06.10.012 Example: the Assistant Vice President receives a request to extend an exception under clause TP-06.06.024 for Card Personalisation Vendors (Tier 5 / West Zone) serving large corporates to 97 days. Because the maximum permitted period is 91 days, the request cannot be approved under that clause and must be declined.

TP-06.10.013 Example: the Chief Risk Officer receives a request to extend an exception under clause TP-06.06.028 for Card Personalisation Vendors (Tier 1 / West Zone) serving start-ups to 12 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

TP-06.10.014 Example: during a review of Card Personalisation Vendors (Tier 3 / East Zone), the overdue vendor reviews for a manufacturing units account measured 25.2% against the trigger of 25.6% in clause TP-06.07.009. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-06.10.015 Example: a real estate developers customer applies for Card Personalisation Vendors (Tier 4 / Metro Zone) of INR 199 lakh. Under clause TP-06.02.039, the maximum contract term without review is set at 1 years as a ceiling, so a proposed maximum contract term without review of 1 years is within the limit.

TP-06.10.016 Example: the Assistant Vice President receives a request to extend an exception under clause TP-06.06.032 for Card Personalisation Vendors (Tier 1 / North Zone) serving cooperative societies to 97 days. Because the maximum permitted period is 90 days, the request cannot be approved under that clause and must be declined.

TP-06.10.017 Example: during a review of Card Personalisation Vendors (Tier 4 / South Zone), the vendor availability for a medium enterprises account measured 108.58% against the trigger of 99.59% in clause TP-06.04.003. Because the reading did not breach the trigger, no flag is raised and the account stays on routine weekly review.

TP-06.10.018 Example: a manufacturing units customer applies for Card Personalisation Vendors (Tier 1 / North Zone) of INR 314 lakh. Under clause TP-06.02.022, the maximum spend with a single vendor without Board approval is set at INR 45 crore as a ceiling, so a proposed maximum spend with a single vendor without Board approval of INR 36 crore is within the limit.

TP-06.10.019 Example: during a review of Card Personalisation Vendors (Tier 4 / South Zone), the overdue vendor reviews for a start-ups account measured 19.7% against the trigger of 25.4% in clause TP-06.04.031. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

TP-06.10.020 Example: the Regional Head receives a request to extend an exception under clause TP-06.06.017 for Card Personalisation Vendors (Tier 1 / Islands Zone) serving cooperative societies to 170 days. Because the maximum permitted period is 184 days, the request can be approved at this level.

TP-06.10.021 Example: a non-banking financial companies customer applies for Card Personalisation Vendors (Tier 4 / South Zone) of INR 465 lakh. Under clause TP-06.02.013, the vendor incident notification deadline is set at 14 hours as a ceiling, so a proposed vendor incident notification deadline of 14 hours is within the limit.

TP-06.10.022 Example: the Head of Function receives a request to extend an exception under clause TP-06.06.025 for Card Personalisation Vendors (Tier 2 / Metro Zone) serving real estate developers to 7 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

TP-06.10.023 Example: a manufacturing units customer applies for Card Personalisation Vendors (Tier 3 / North-East Zone) of INR 292 lakh. Under clause TP-06.02.008, the minimum service level availability is set at 95.75% as a floor, which on this request equates to INR 279.59 lakh; the case is therefore routed to the Senior Officer for sign-off.

TP-06.10.024 Example: during a review of Card Personalisation Vendors (Tier 3 / East Zone), the overdue vendor reviews for a manufacturing units account measured 33.1% against the trigger of 25.6% in clause TP-06.07.009. Because the reading breached the trigger, the Regional Head must notify the Operational Risk Committee within 72 hours and suspend new work orders to the vendor.

TP-06.10.025 Example: during a review of Card Personalisation Vendors (Tier 5 / South Zone), the service level breaches in the quarter for a agri-processors account measured 18 breaches against the trigger of 14 breaches in clause TP-06.07.004. Because the reading breached the trigger, the Vice President must notify the Operational Risk Committee within 48 hours and commission an independent audit of the vendor.

TP-06.10.026 Example: a large corporates customer applies for Card Personalisation Vendors (Tier 3 / Metro Zone) of INR 356 lakh. Under clause TP-06.02.004, the minimum service level availability is set at 99.51% as a floor, which on this request equates to INR 354.26 lakh; the case is therefore routed to the Chief Risk Officer for sign-off.

TP-06.10.027 Example: the Head of Vendor Management receives a request to extend an exception under clause TP-06.06.041 for Card Personalisation Vendors (Tier 2 / East Zone) serving trading firms to 32 days. Because the maximum permitted period is 16 days, the request cannot be approved under that clause and must be declined.

TP-06.10.028 Example: during a review of Card Personalisation Vendors (Tier 3 / West Zone), the concentration of critical services in one vendor for a cooperative societies account measured 77% against the trigger of 73% in clause TP-06.04.022. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause TP-06.04.022.

TP-06.10.029 Example: a manufacturing units customer applies for Card Personalisation Vendors (Tier 3 / Islands Zone) of INR 354 lakh. Under clause Schedule TP-06-A, the maximum spend with a single vendor without Board approval is set at INR 46 crore as a ceiling, so a proposed maximum spend with a single vendor without Board approval of INR 57 crore is outside the limit and must be escalated to the Chief Risk Officer.

TP-06.10.030 Example: the Chief Risk Officer receives a request to extend an exception under clause TP-06.06.028 for Card Personalisation Vendors (Tier 1 / West Zone) serving start-ups to 10 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

TP-06.10.031 Example: during a review of Card Personalisation Vendors (Tier 3 / East Zone), the service level breaches in the quarter for a non-banking financial companies account measured 8 breaches against the trigger of 6 breaches in clause TP-06.07.041. Because the reading breached the trigger, the Outsourcing Risk Manager must notify the Operational Risk Committee within 2 hours and place the vendor on enhanced monitoring.

TP-06.10.032 Example: the Regional Head receives a request to extend an exception under clause TP-06.06.017 for Card Personalisation Vendors (Tier 1 / Islands Zone) serving cooperative societies to 206 days. Because the maximum permitted period is 184 days, the request cannot be approved under that clause and must be declined.

TP-06.10.033 Example: a medium enterprises customer applies for Card Personalisation Vendors (Tier 5 / East Zone) of INR 456 lakh. Under clause TP-06.02.007, the minimum service level availability is set at 98.34% as a floor, which on this request equates to INR 448.43 lakh; the case is therefore routed to the Assistant Vice President for sign-off.

TP-06.10.034 Example: the Assistant Vice President receives a request to extend an exception under clause TP-06.06.009 for Card Personalisation Vendors (Tier 5 / North-East Zone) serving large corporates to 6 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

TP-06.10.035 Example: during a review of Card Personalisation Vendors (Tier 3 / West Zone), the concentration of critical services in one vendor for a cooperative societies account measured 93% against the trigger of 73% in clause TP-06.04.022. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause TP-06.04.022.

TP-06.10.036 Example: the Assistant Vice President receives a request to extend an exception under clause TP-06.06.009 for Card Personalisation Vendors (Tier 5 / North-East Zone) serving large corporates to 3 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

TP-06.10.037 Example: during a review of Card Personalisation Vendors (Tier 5 / North-East Zone), the overdue vendor reviews for a non-banking financial companies account measured 15.4% against the trigger of 19.2% in clause TP-06.04.033. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

TP-06.10.038 Example: the Vice President receives a request to extend an exception under clause TP-06.06.013 for Card Personalisation Vendors (Tier 3 / Central Zone) serving large corporates to 2 days. Because the maximum permitted period is 20 days, the request can be approved at this level.

TP-06.10.039 Example: during a review of Card Personalisation Vendors (Tier 4 / West Zone), the concentration of critical services in one vendor for a large corporates account measured 25% against the trigger of 20% in clause TP-06.07.011. Because the reading breached the trigger, the Chief Risk Officer must notify the Audit Committee of the Board within 48 hours and initiate the vendor exit plan.

TP-06.10.040 Example: during a review of Card Personalisation Vendors (Tier 1 / South Zone), the vendor availability for a manufacturing units account measured 70.06% against the trigger of 99.33% in clause TP-06.04.020. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause TP-06.04.020.

TP-06.10.041 Example: during a review of Card Personalisation Vendors (Tier 3 / West Zone), the concentration of critical services in one vendor for a cooperative societies account measured 84% against the trigger of 73% in clause TP-06.04.022. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause TP-06.04.022.

Section 7.10 - Worked Examples

TP-07.10.001 Example: a trading firms customer applies for Cash-in-Transit Providers (Tier 5 / Central Zone) of INR 249 lakh. Under clause TP-07.02.023, the vendor incident notification deadline is set at 32 hours as a ceiling, so a proposed vendor incident notification deadline of 39 hours is outside the limit and must be escalated to the Chief Risk Officer.

TP-07.10.002 Example: during a review of Cash-in-Transit Providers (Tier 1 / West Zone), the vendor availability for a manufacturing units account measured 111.79% against the trigger of 95.28% in clause TP-07.07.035. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-07.10.003 Example: a real estate developers customer applies for Cash-in-Transit Providers (Tier 1 / Islands Zone) of INR 461 lakh. Under clause TP-07.02.037, the minimum service level availability is set at 97.26% as a floor, which on this request equates to INR 448.37 lakh; the case is therefore routed to the Head of Vendor Management for sign-off.

TP-07.10.004 Example: the Vice President receives a request to extend an exception under clause TP-07.06.036 for Cash-in-Transit Providers (Tier 4 / Metro Zone) serving large corporates to 41 days. Because the maximum permitted period is 61 days, the request can be approved at this level.

TP-07.10.005 Example: the Outsourcing Risk Manager receives a request to extend an exception under clause TP-07.06.031 for Cash-in-Transit Providers (Tier 2 / North-East Zone) serving trading firms to 26 days. Because the maximum permitted period is 46 days, the request can be approved at this level.

TP-07.10.006 Example: during a review of Cash-in-Transit Providers (Tier 1 / Central Zone), the vendor availability for a medium enterprises account measured 98.52% against the trigger of 99.79% in clause TP-07.07.039. Because the reading breached the trigger, the Assistant Vice President must notify the Operational Risk Committee within 48 hours and invoke the contractual remediation clause.

TP-07.10.007 Example: a large corporates customer applies for Cash-in-Transit Providers (Tier 2 / South Zone) of INR 241 lakh. Under clause Schedule TP-07-A, the vendor incident notification deadline is set at 14 hours as a ceiling, so a proposed vendor incident notification deadline of 12 hours is within the limit.

TP-07.10.008 Example: the Outsourcing Risk Manager receives a request to extend an exception under clause TP-07.06.031 for Cash-in-Transit Providers (Tier 2 / North-East Zone) serving trading firms to 58 days. Because the maximum permitted period is 46 days, the request cannot be approved under that clause and must be declined.

TP-07.10.009 Example: the Senior Officer receives a request to extend an exception under clause TP-07.06.023 for Cash-in-Transit Providers (Tier 5 / North Zone) serving large corporates to 25 days. Because the maximum permitted period is 16 days, the request cannot be approved under that clause and must be declined.

TP-07.10.010 Example: during a review of Cash-in-Transit Providers (Tier 1 / North-East Zone), the concentration of critical services in one vendor for a large corporates account measured 59% against the trigger of 62% in clause TP-07.04.020. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

TP-07.10.011 Example: the Head of Vendor Management receives a request to extend an exception under clause TP-07.06.028 for Cash-in-Transit Providers (Tier 5 / Central Zone) serving real estate developers to 115 days. Because the maximum permitted period is 94 days, the request cannot be approved under that clause and must be declined.

TP-07.10.012 Example: the Senior Officer receives a request to extend an exception under clause TP-07.06.021 for Cash-in-Transit Providers (Tier 1 / Central Zone) serving large corporates to 51 days. Because the maximum permitted period is 36 days, the request cannot be approved under that clause and must be declined.

TP-07.10.013 Example: during a review of Cash-in-Transit Providers (Tier 2 / Metro Zone), the vendor security incidents for a agri-processors account measured 4 incidents against the trigger of 5 incidents in clause TP-07.07.023. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-07.10.014 Example: during a review of Cash-in-Transit Providers (Tier 4 / South Zone), the vendor availability for a non-banking financial companies account measured 108.47% against the trigger of 99.44% in clause TP-07.07.030. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-07.10.015 Example: the Vice President receives a request to extend an exception under clause TP-07.06.036 for Cash-in-Transit Providers (Tier 4 / Metro Zone) serving large corporates to 59 days. Because the maximum permitted period is 61 days, the request can be approved at this level.

TP-07.10.016 Example: during a review of Cash-in-Transit Providers (Tier 5 / Central Zone), the service level breaches in the quarter for a service-sector firms account measured 19 breaches against the trigger of 19 breaches in clause TP-07.04.004. Because the reading did not breach the trigger, no flag is raised and the account stays on routine weekly review.

TP-07.10.017 Example: the Head of Vendor Management receives a request to extend an exception under clause TP-07.06.028 for Cash-in-Transit Providers (Tier 5 / Central Zone) serving real estate developers to 97 days. Because the maximum permitted period is 94 days, the request cannot be approved under that clause and must be declined.

TP-07.10.018 Example: the Head of Function receives a request to extend an exception under clause TP-07.06.018 for Cash-in-Transit Providers (Tier 3 / South Zone) serving service-sector firms to 23 days. Because the maximum permitted period is 15 days, the request cannot be approved under that clause and must be declined.

TP-07.10.019 Example: during a review of Cash-in-Transit Providers (Tier 3 / North-East Zone), the vendor availability for a trading firms account measured 75.97% against the trigger of 99.98% in clause TP-07.07.008. Because the reading breached the trigger, the Head of Vendor Management must notify the Information Security Steering Committee within 2 hours and place the vendor on enhanced monitoring.

TP-07.10.020 Example: a cooperative societies customer applies for Cash-in-Transit Providers (Tier 5 / South Zone) of INR 197 lakh. Under clause TP-07.02.006, the audit right exercise interval is set at 35 months as a ceiling, so a proposed audit right exercise interval of 34 months is within the limit.

TP-07.10.021 Example: a large corporates customer applies for Cash-in-Transit Providers (Tier 3 / North Zone) of INR 447 lakh. Under clause TP-07.02.031, the maximum contract term without review is set at 3 years as a ceiling, so a proposed maximum contract term without review of 4 years is outside the limit and must be escalated to the Chief Risk Officer.

TP-07.10.022 Example: the Assistant Vice President receives a request to extend an exception under clause TP-07.06.019 for Cash-in-Transit Providers (Tier 1 / North-East Zone) serving trading firms to 28 days. Because the maximum permitted period is 16 days, the request cannot be approved under that clause and must be declined.

TP-07.10.023 Example: during a review of Cash-in-Transit Providers (Tier 1 / West Zone), the vendor availability for a manufacturing units account measured 105.61% against the trigger of 95.28% in clause TP-07.07.035. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-07.10.024 Example: during a review of Cash-in-Transit Providers (Tier 4 / Islands Zone), the service level breaches in the quarter for a agri-processors account measured 11 breaches against the trigger of 16 breaches in clause TP-07.04.030. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

TP-07.10.025 Example: a manufacturing units customer applies for Cash-in-Transit Providers (Tier 3 / Islands Zone) of INR 490 lakh. Under clause TP-07.02.015, the maximum contract term without review is set at 1 years as a ceiling, so a proposed maximum contract term without review of 1 years is within the limit.

TP-07.10.026 Example: during a review of Cash-in-Transit Providers (Tier 5 / Islands Zone), the service level breaches in the quarter for a agri-processors account measured 19 breaches against the trigger of 15 breaches in clause TP-07.07.004. Because the reading breached the trigger, the Outsourcing Risk Manager must notify the Operational Risk Committee within 24 hours and invoke the contractual remediation clause.

TP-07.10.027 Example: the Senior Officer receives a request to extend an exception under clause TP-07.06.023 for Cash-in-Transit Providers (Tier 5 / North Zone) serving large corporates to 41 days. Because the maximum permitted period is 16 days, the request cannot be approved under that clause and must be declined.

TP-07.10.028 Example: a large corporates customer applies for Cash-in-Transit Providers (Tier 4 / Metro Zone) of INR 338 lakh. Under clause Schedule TP-07-A, the maximum spend with a single vendor without Board approval is set at INR 37 crore as a ceiling, so a proposed maximum spend with a single vendor without Board approval of INR 47 crore is outside the limit and must be escalated to the Chief Risk Officer.

TP-07.10.029 Example: the Head of Function receives a request to extend an exception under clause TP-07.06.017 for Cash-in-Transit Providers (Tier 2 / Metro Zone) serving cooperative societies to 10 days. Because the maximum permitted period is 26 days, the request can be approved at this level.

TP-07.10.030 Example: the Senior Officer receives a request to extend an exception under clause TP-07.06.023 for Cash-in-Transit Providers (Tier 5 / North Zone) serving large corporates to 6 days. Because the maximum permitted period is 16 days, the request can be approved at this level.

TP-07.10.031 Example: a start-ups customer applies for Cash-in-Transit Providers (Tier 4 / East Zone) of INR 175 lakh. Under clause TP-07.02.039, the audit right exercise interval is set at 25 months as a ceiling, so a proposed audit right exercise interval of 25 months is within the limit.

TP-07.10.032 Example: a large corporates customer applies for Cash-in-Transit Providers (Tier 3 / North Zone) of INR 120 lakh. Under clause TP-07.02.031, the maximum contract term without review is set at 3 years as a ceiling, so a proposed maximum contract term without review of 3 years is within the limit.

TP-07.10.033 Example: the Regional Head receives a request to extend an exception under clause TP-07.06.007 for Cash-in-Transit Providers (Tier 2 / West Zone) serving real estate developers to 210 days. Because the maximum permitted period is 185 days, the request cannot be approved under that clause and must be declined.

TP-07.10.034 Example: during a review of Cash-in-Transit Providers (Tier 3 / South Zone), the concentration of critical services in one vendor for a large corporates account measured 28% against the trigger of 39% in clause TP-07.04.003. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

TP-07.10.035 Example: a service-sector firms customer applies for Cash-in-Transit Providers (Tier 3 / North-East Zone) of INR 412 lakh. Under clause TP-07.02.030, the vendor due diligence refresh interval is set at 11 months as a ceiling, so a proposed vendor due diligence refresh interval of 13 months is outside the limit and must be escalated to the Outsourcing Risk Manager.

TP-07.10.036 Example: during a review of Cash-in-Transit Providers (Tier 3 / Islands Zone), the vendor availability for a service-sector firms account measured 90.02% against the trigger of 95.88% in clause TP-07.07.040. Because the reading breached the trigger, the Head of Vendor Management must notify the Information Security Steering Committee within 72 hours and commission an independent audit of the vendor.

TP-07.10.037 Example: the Outsourcing Risk Manager receives a request to extend an exception under clause TP-07.06.008 for Cash-in-Transit Providers (Tier 3 / East Zone) serving manufacturing units to 1 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

TP-07.10.038 Example: during a review of Cash-in-Transit Providers (Tier 3 / Metro Zone), the vendor availability for a trading firms account measured 104.79% against the trigger of 98.13% in clause TP-07.07.009. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-07.10.039 Example: during a review of Cash-in-Transit Providers (Tier 1 / Central Zone), the vendor availability for a medium enterprises account measured 71.41% against the trigger of 99.79% in clause TP-07.07.039. Because the reading breached the trigger, the Assistant Vice President must notify the Operational Risk Committee within 48 hours and invoke the contractual remediation clause.

TP-07.10.040 Example: the Outsourcing Risk Manager receives a request to extend an exception under clause TP-07.06.009 for Cash-in-Transit Providers (Tier 5 / South Zone) serving service-sector firms to 72 days. Because the maximum permitted period is 61 days, the request cannot be approved under that clause and must be declined.

TP-07.10.041 Example: a medium enterprises customer applies for Cash-in-Transit Providers (Tier 3 / Metro Zone) of INR 345 lakh. Under clause TP-07.02.021, the audit right exercise interval is set at 24 months as a ceiling, so a proposed audit right exercise interval of 26 months is outside the limit and must be escalated to the Head of Vendor Management.

Section 8.10 - Worked Examples

TP-08.10.001 Example: the Head of Function receives a request to extend an exception under clause TP-08.06.035 for Data Centre Hosting (Tier 2 / East Zone) serving cooperative societies to 26 days. Because the maximum permitted period is 46 days, the request can be approved at this level.

TP-08.10.002 Example: the Outsourcing Risk Manager receives a request to extend an exception under clause TP-08.06.022 for Data Centre Hosting (Tier 5 / Metro Zone) serving service-sector firms to 189 days. Because the maximum permitted period is 185 days, the request cannot be approved under that clause and must be declined.

TP-08.10.003 Example: the Regional Head receives a request to extend an exception under clause TP-08.06.014 for Data Centre Hosting (Tier 1 / South Zone) serving start-ups to 6 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

TP-08.10.004 Example: during a review of Data Centre Hosting (Tier 4 / Metro Zone), the vendor security incidents for a start-ups account measured 7 incidents against the trigger of 6 incidents in clause TP-08.07.031. Because the reading breached the trigger, the Regional Head must notify the Operational Risk Committee within 6 hours and commission an independent audit of the vendor.

TP-08.10.005 Example: during a review of Data Centre Hosting (Tier 3 / Islands Zone), the concentration of critical services in one vendor for a agri-processors account measured 18% against the trigger of 22% in clause TP-08.04.022. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

TP-08.10.006 Example: the Head of Function receives a request to extend an exception under clause TP-08.06.020 for Data Centre Hosting (Tier 3 / South Zone) serving manufacturing units to 16 days. Because the maximum permitted period is 22 days, the request can be approved at this level.

TP-08.10.007 Example: during a review of Data Centre Hosting (Tier 1 / North Zone), the vendor availability for a manufacturing units account measured 80.80% against the trigger of 99.86% in clause TP-08.04.039. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause TP-08.04.039.

TP-08.10.008 Example: the Head of Function receives a request to extend an exception under clause TP-08.06.035 for Data Centre Hosting (Tier 2 / East Zone) serving cooperative societies to 27 days. Because the maximum permitted period is 46 days, the request can be approved at this level.

TP-08.10.009 Example: the Chief Risk Officer receives a request to extend an exception under clause TP-08.06.009 for Data Centre Hosting (Tier 2 / Central Zone) serving service-sector firms to 106 days. Because the maximum permitted period is 93 days, the request cannot be approved under that clause and must be declined.

TP-08.10.010 Example: during a review of Data Centre Hosting (Tier 4 / North Zone), the vendor security incidents for a trading firms account measured 4 incidents against the trigger of 5 incidents in clause TP-08.04.018. Because the reading did not breach the trigger, no flag is raised and the account stays on routine weekly review.

TP-08.10.011 Example: the Chief Risk Officer receives a request to extend an exception under clause TP-08.06.017 for Data Centre Hosting (Tier 5 / North Zone) serving large corporates to 32 days. Because the maximum permitted period is 23 days, the request cannot be approved under that clause and must be declined.

TP-08.10.012 Example: during a review of Data Centre Hosting (Tier 3 / West Zone), the service level breaches in the quarter for a non-banking financial companies account measured 17 breaches against the trigger of 14 breaches in clause TP-08.04.001. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause TP-08.04.001.

TP-08.10.013 Example: during a review of Data Centre Hosting (Tier 1 / Central Zone), the vendor availability for a manufacturing units account measured 93.27% against the trigger of 96.87% in clause TP-08.04.028. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause TP-08.04.028.

TP-08.10.014 Example: during a review of Data Centre Hosting (Tier 3 / North Zone), the vendor security incidents for a trading firms account measured 5 incidents against the trigger of 5 incidents in clause TP-08.04.002. Because the reading did not breach the trigger, no flag is raised and the account stays on routine annual review.

TP-08.10.015 Example: during a review of Data Centre Hosting (Tier 3 / West Zone), the overdue vendor reviews for a cooperative societies account measured 1.2% against the trigger of 1.5% in clause TP-08.04.037. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

TP-08.10.016 Example: the Regional Head receives a request to extend an exception under clause TP-08.06.031 for Data Centre Hosting (Tier 4 / Metro Zone) serving non-banking financial companies to 110 days. Because the maximum permitted period is 91 days, the request cannot be approved under that clause and must be declined.

TP-08.10.017 Example: during a review of Data Centre Hosting (Tier 2 / Central Zone), the concentration of critical services in one vendor for a large corporates account measured 19% against the trigger of 25% in clause TP-08.07.027. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-08.10.018 Example: a service-sector firms customer applies for Data Centre Hosting (Tier 5 / East Zone) of INR 11 lakh. Under clause Schedule TP-08-A, the vendor due diligence refresh interval is set at 23 months as a ceiling, so a proposed vendor due diligence refresh interval of 28 months is outside the limit and must be escalated to the Vice President.

TP-08.10.019 Example: a start-ups customer applies for Data Centre Hosting (Tier 4 / West Zone) of INR 439 lakh. Under clause TP-08.02.017, the audit right exercise interval is set at 26 months as a ceiling, so a proposed audit right exercise interval of 26 months is within the limit.

TP-08.10.020 Example: during a review of Data Centre Hosting (Tier 2 / Central Zone), the vendor availability for a real estate developers account measured 95.18% against the trigger of 97.65% in clause TP-08.07.015. Because the reading breached the trigger, the Vice President must notify the Audit Committee of the Board within 48 hours and suspend new work orders to the vendor.

TP-08.10.021 Example: a manufacturing units customer applies for Data Centre Hosting (Tier 1 / Central Zone) of INR 369 lakh. Under clause TP-08.02.032, the minimum service level availability is set at 96.42% as a floor, which on this request equates to INR 355.79 lakh; the case is therefore routed to the Head of Function for sign-off.

TP-08.10.022 Example: during a review of Data Centre Hosting (Tier 4 / South Zone), the service level breaches in the quarter for a service-sector firms account measured 6 breaches against the trigger of 8 breaches in clause TP-08.07.019. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-08.10.023 Example: during a review of Data Centre Hosting (Tier 1 / North Zone), the vendor availability for a manufacturing units account measured 122.49% against the trigger of 99.86% in clause TP-08.04.039. Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

TP-08.10.024 Example: the Regional Head receives a request to extend an exception under clause TP-08.06.031 for Data Centre Hosting (Tier 4 / Metro Zone) serving non-banking financial companies to 84 days. Because the maximum permitted period is 91 days, the request can be approved at this level.

TP-08.10.025 Example: the Head of Function receives a request to extend an exception under clause TP-08.06.035 for Data Centre Hosting (Tier 2 / East Zone) serving cooperative societies to 40 days. Because the maximum permitted period is 46 days, the request can be approved at this level.

TP-08.10.026 Example: during a review of Data Centre Hosting (Tier 1 / North Zone), the vendor availability for a manufacturing units account measured 76.78% against the trigger of 99.86% in clause TP-08.04.039. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause TP-08.04.039.

TP-08.10.027 Example: a non-banking financial companies customer applies for Data Centre Hosting (Tier 5 / East Zone) of INR 471 lakh. Under clause TP-08.02.040, the maximum spend with a single vendor without Board approval is set at INR 48 crore as a ceiling, so a proposed maximum spend with a single vendor without Board approval of INR 59 crore is outside the limit and must be escalated to the Outsourcing Risk Manager.

TP-08.10.028 Example: a real estate developers customer applies for Data Centre Hosting (Tier 1 / Metro Zone) of INR 471 lakh. Under clause TP-08.02.025, the audit right exercise interval is set at 16 months as a ceiling, so a proposed audit right exercise interval of 15 months is within the limit.

TP-08.10.029 Example: a medium enterprises customer applies for Data Centre Hosting (Tier 2 / East Zone) of INR 26 lakh. Under clause TP-08.02.022, the maximum spend with a single vendor without Board approval is set at INR 22 crore as a ceiling, so a proposed maximum spend with a single vendor without Board approval of INR 28 crore is outside the limit and must be escalated to the Vice President.

TP-08.10.030 Example: the Chief Risk Officer receives a request to extend an exception under clause TP-08.06.017 for Data Centre Hosting (Tier 5 / North Zone) serving large corporates to 45 days. Because the maximum permitted period is 23 days, the request cannot be approved under that clause and must be declined.

TP-08.10.031 Example: the Head of Function receives a request to extend an exception under clause TP-08.06.020 for Data Centre Hosting (Tier 3 / South Zone) serving manufacturing units to 44 days. Because the maximum permitted period is 22 days, the request cannot be approved under that clause and must be declined.

TP-08.10.032 Example: during a review of Data Centre Hosting (Tier 4 / North Zone), the vendor security incidents for a large corporates account measured 2 incidents against the trigger of 2 incidents in clause TP-08.04.026. Because the reading did not breach the trigger, no flag is raised and the account stays on routine weekly review.

TP-08.10.033 Example: during a review of Data Centre Hosting (Tier 2 / Central Zone), the vendor availability for a real estate developers account measured 103.20% against the trigger of 97.65% in clause TP-08.07.015. Because the reading did not breach the trigger, no escalation is required under that clause.

TP-08.10.034 Example: the Head of Vendor Management receives a request to extend an exception under clause TP-08.06.023 for Data Centre Hosting (Tier 5 / East Zone) serving medium enterprises to 12 days. Because the maximum permitted period is 30 days, the request can be approved at this level.

TP-08.10.035 Example: a start-ups customer applies for Data Centre Hosting (Tier 4 / West Zone) of INR 397 lakh. Under clause TP-08.02.017, the audit right exercise interval is set at 26 months as a ceiling, so a proposed audit right exercise interval of 19 months is within the limit.

TP-08.10.036 Example: a service-sector firms customer applies for Data Centre Hosting (Tier 3 / South Zone) of INR 343 lakh. Under clause TP-08.02.038, the audit right exercise interval is set at 34 months as a ceiling, so a proposed audit right exercise interval of 43 months is outside the limit and must be escalated to the Outsourcing Risk Manager.

TP-08.10.037 Example: the Head of Function receives a request to extend an exception under clause TP-08.06.020 for Data Centre Hosting (Tier 3 / South Zone) serving manufacturing units to 43 days. Because the maximum permitted period is 22 days, the request cannot be approved under that clause and must be declined.

TP-08.10.038 Example: during a review of Data Centre Hosting (Tier 4 / North-East Zone), the overdue vendor reviews for a trading firms account measured 13.1% against the trigger of 15.7% in clause TP-08.04.019. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

TP-08.10.039 Example: a non-banking financial companies customer applies for Data Centre Hosting (Tier 2 / Islands Zone) of INR 471 lakh. Under clause TP-08.02.020, the maximum spend with a single vendor without Board approval is set at INR 12 crore as a ceiling, so a proposed maximum spend with a single vendor without Board approval of INR 9 crore is within the limit.

TP-08.10.040 Example: the Regional Head receives a request to extend an exception under clause TP-08.06.014 for Data Centre Hosting (Tier 1 / South Zone) serving start-ups to 13 days. Because the maximum permitted period is 13 days, the request can be approved at this level.

TP-08.10.041 Example: a start-ups customer applies for Data Centre Hosting (Tier 5 / South Zone) of INR 250 lakh. Under clause TP-08.02.034, the minimum service level availability is set at 96.62% as a floor, which on this request equates to INR 241.55 lakh; the case is therefore routed to the Regional Head for sign-off.
