HR Leave & Attendance Policy

Policy Version: 4.0

Effective Date: 1 July 2026

Policy Code: HR-LA-2026

1. Annual Leave

Employees receive **22 annual leave days** per leave year.

2. Eligibility

Employees become eligible for the annual leave entitlement after completing the company's required onboarding period.

3. Leave Year

The leave entitlement is calculated for each company leave year. Unused entitlement is handled according to the carry-forward rules on the following page.

4. Carry Forward

Employees may carry forward up to **8 unused annual leave days** into the following leave year.

5. Leave Approval

Requests of 1–2 working days require direct manager approval.

Requests of 3–5 working days require manager approval and HR notification.

Requests exceeding 5 working days require both manager and HR approval.

6. Cancellation

Approved leave should be cancelled through the normal leave-management process before the scheduled leave period begins.

7. Attendance Correction

Missing attendance entries must be corrected within **2 working days** of the attendance date.

8. Attendance Review

Employees are responsible for reviewing their attendance records regularly and reporting incorrect entries through the approved attendance process.

9. Attendance Escalation

Unresolved attendance discrepancies should be escalated to the employee's manager and the HR team.

10. Record Accuracy

Attendance corrections must contain accurate dates and supporting information where required.
