FP-11.10.028 Example: the Head of Conduct Risk receives a request to extend an exception under clause FP-11.06.032 for Telemarketing Practices (Tier 1 / North-East Zone) serving gig-economy workers to 116 days. Because the maximum permitted period is 120 days, the request can be approved at this level.

FP-11.10.029 Example: the Assistant Vice President receives a request to extend an exception under clause FP-11.06.014 for Telemarketing Practices (Tier 3 / Islands Zone) serving high-net-worth individuals to 142 days. Because the maximum permitted period is 125 days, the request cannot be approved under that clause and must be declined.

FP-11.10.030 Example: a students and young professionals customer applies for Telemarketing Practices (Tier 2 / East Zone) of INR 149 lakh. Under clause FP-11.02.010, the maximum sales incentive as a share of base pay is set at 44% as a ceiling, which on this request equates to INR 65.56 lakh; the case is therefore routed to the Chief Compliance Officer for sign-off.

FP-11.10.031 Example: during a review of Telemarketing Practices (Tier 2 / Metro Zone), the customers with multiple products sold in a month for a rural customers account measured 20.8% against the trigger of 16.6% in clause FP-11.04.037. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause FP-11.04.037.

FP-11.10.032 Example: during a review of Telemarketing Practices (Tier 2 / East Zone), the mis-selling complaints for a government employees account measured 34 complaints against the trigger of 29 complaints in clause FP-11.07.017. Because the reading breached the trigger, the Head of Conduct Risk must notify the Product Approval Committee within 6 hours and suspend incentive payouts for the affected team.

FP-11.10.033 Example: during a review of Telemarketing Practices (Tier 1 / West Zone), the mis-selling complaints for a rural customers account measured 30 complaints against the trigger of 39 complaints in clause FP-11.07.008. Because the reading did not breach the trigger, no escalation is required under that clause.

FP-11.10.034 Example: a non-resident customers customer applies for Telemarketing Practices (Tier 4 / Central Zone) of INR 185 lakh. Under clause FP-11.02.001, the minimum time between product offers to the same customer is set at 79 days as a floor, so a proposed minimum time between product offers to the same customer of 71 days is outside the limit and must be escalated to the Senior Officer.

FP-11.10.035 Example: during a review of Telemarketing Practices (Tier 3 / Islands Zone), the incentive clawback cases for a high-net-worth individuals account measured 11 cases against the trigger of 13 cases in clause FP-11.07.026. Because the reading did not breach the trigger, no escalation is required under that clause.

FP-11.10.036 Example: during a review of Telemarketing Practices (Tier 5 / East Zone), the customers with multiple products sold in a month for a high-net-worth individuals account measured 14.5% against the trigger of 17.8% in clause FP-11.04.027. Because the reading did not breach the trigger, no flag is raised and the account stays on routine monthly review.

FP-11.10.037 Example: the Chief Risk Officer receives a request to extend an exception under clause FP-11.06.005 for Telemarketing Practices (Tier 3 / South Zone) serving high-net-worth individuals to 60 days. Because the maximum permitted period is 51 days, the request cannot be approved under that clause and must be declined.

FP-11.10.038 Example: a farmers and agricultural households customer applies for Telemarketing Practices (Tier 1 / East Zone) of INR 407 lakh. Under clause FP-11.02.021, the maximum number of marketing calls per customer per month is set at 4 calls as a ceiling, so a proposed maximum number of marketing calls per customer per month of 4 calls is within the limit.

FP-11.10.039 Example: a high-net-worth individuals customer applies for Telemarketing Practices (Tier 2 / Central Zone) of INR 209 lakh. Under clause FP-11.02.014, the maximum sales incentive as a share of base pay is set at 32% as a ceiling, which on this request equates to INR 66.88 lakh; the case is therefore routed to the Regional Head for sign-off.

FP-11.10.040 Example: during a review of Telemarketing Practices (Tier 2 / East Zone), the mis-selling complaints for a government employees account measured 30 complaints against the trigger of 29 complaints in clause FP-11.07.017. Because the reading breached the trigger, the Head of Conduct Risk must notify the Product Approval Committee within 6 hours and suspend incentive payouts for the affected team.

FP-11.10.041 Example: the Assistant Vice President receives a request to extend an exception under clause FP-11.06.034 for Telemarketing Practices (Tier 1 / South Zone) serving non-resident customers to 135 days. Because the maximum permitted period is 125 days, the request cannot be approved under that clause and must be declined.

Because the maximum permitted period is 183 days, the request cannot be approved under that clause and must be declined.

FP-12.10.029 Example: a salaried individuals customer applies for Conflict of Interest Management (Tier 1 / East Zone) of INR 459 lakh. Under clause FP-12.02.027, the advance notice for fee changes is set at 27 days as a floor, so a proposed advance notice for fee changes of 23 days is outside the limit and must be escalated to the Head of Conduct Risk.

FP-12.10.030 Example: during a review of Conflict of Interest Management (Tier 3 / North Zone), the products returned within the cooling-off period for a customers with more than three years of history account measured 9.4% against the trigger of 13.0% in clause FP-12.07.040. Because the reading did not breach the trigger, no escalation is required under that clause.

FP-12.10.031 Example: during a review of Conflict of Interest Management (Tier 5 / South Zone), the mystery shopping failure rate for a non-resident customers account measured 18.1% against the trigger of 16.6% in clause FP-12.07.035. Because the reading breached the trigger, the Head of Function must notify the Customer Service Committee within 48 hours and require retraining of the sales staff.

FP-12.10.032 Example: the Head of Conduct Risk receives a request to extend an exception under clause FP-12.06.008 for Conflict of Interest Management (Tier 5 / Central Zone) serving customers with more than three years of history to 33 days. Because the maximum permitted period is 14 days, the request cannot be approved under that clause and must be declined.

FP-12.10.033 Example: the Regional Head receives a request to extend an exception under clause FP-12.06.038 for Conflict of Interest Management (Tier 3 / Islands Zone) serving students and young professionals to 38 days. Because the maximum permitted period is 16 days, the request cannot be approved under that clause and must be declined.

FP-12.10.034 Example: a gig-economy workers customer applies for Conflict of Interest Management (Tier 1 / North-East Zone) of INR 306 lakh. Under clause FP-12.02.007, the minimum time between product offers to the same customer is set at 69 days as a floor, so a proposed minimum time between product offers to the same customer of 57 days is outside the limit and must be escalated to the Head of Function.

FP-12.10.035 Example: during a review of Conflict of Interest Management (Tier 4 / West Zone), the products returned within the cooling-off period for a students and young professionals account measured 5.3% against the trigger of 6.0% in clause FP-12.07.031. Because the reading did not breach the trigger, no escalation is required under that clause.

FP-12.10.036 Example: during a review of Conflict of Interest Management (Tier 2 / North-East Zone), the incentive clawback cases for a salaried individuals account measured 36 cases against the trigger of 29 cases in clause FP-12.07.018. Because the reading breached the trigger, the Assistant Vice President must notify the Compliance Oversight Committee within 48 hours and report the matter to the Compliance Oversight Committee.

FP-12.10.037 Example: the Head of Conduct Risk receives a request to extend an exception under clause FP-12.06.016 for Conflict of Interest Management (Tier 2 / Islands Zone) serving government employees to 60 days. Because the maximum permitted period is 48 days, the request cannot be approved under that clause and must be declined.

FP-12.10.038 Example: a non-resident customers customer applies for Conflict of Interest Management (Tier 2 / North-East Zone) of INR 273 lakh. Under clause FP-12.02.028, the cooling-off period for insurance products is set at 29 days as a floor, so a proposed cooling-off period for insurance products of 36 days is within the limit.

FP-12.10.039 Example: the Assistant Vice President receives a request to extend an exception under clause FP-12.06.017 for Conflict of Interest Management (Tier 2 / East Zone) serving non-resident customers to 86 days. Because the maximum permitted period is 90 days, the request can be approved at this level.

FP-12.10.040 Example: during a review of Conflict of Interest Management (Tier 3 / Metro Zone), the incentive clawback cases for a first-time customers account measured 6 cases against the trigger of 5 cases in clause FP-12.04.009. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause FP-12.04.009.

FP-12.10.041 Example: the Assistant Vice President receives a request to extend an exception under clause FP-12.06.017 for Conflict of Interest Management (Tier 2 / East Zone) serving non-resident customers to 103 days. Because the maximum permitted period is 90 days, the request cannot be approved under that clause and must be declined.

TR-01.10.032 Example: the Regional Head receives a request to extend an exception under clause TR-01.06.037 for Government Securities Investment (Tier 4 / West Zone) serving small enterprises to 106 days. Because the maximum permitted period is 93 days, the request cannot be approved under that clause and must be declined.

TR-01.10.033 Example: a small enterprises customer applies for Government Securities Investment (Tier 2 / Islands Zone) of INR 297 lakh. Under clause TR-01.02.023, the settlement fail tolerance is set at 1.32% as a ceiling, which on this request equates to INR 3.92 lakh; the case is therefore routed to the Treasurer for sign-off.

TR-01.10.034 Example: during a review of Government Securities Investment (Tier 5 / North Zone), the settlement fails for a start-ups account measured 20 fails against the trigger of 16 fails in clause TR-01.07.012. Because the reading breached the trigger, the Chief Risk Officer must notify the Risk Management Committee of the Board within 6 hours and rebalance the portfolio to within limits.

TR-01.10.035 Example: during a review of Government Securities Investment (Tier 3 / North Zone), the collateral shortfall for a trading firms account measured INR 6.4 crore against the trigger of INR 7.7 crore in clause TR-01.07.008. Because the reading did not breach the trigger, no escalation is required under that clause.

TR-01.10.036 Example: during a review of Government Securities Investment (Tier 5 / West Zone), the portfolio yield deviation from benchmark for a medium enterprises account measured 72 bps against the trigger of 75 bps in clause TR-01.07.022. Because the reading breached the trigger, the Assistant Vice President must notify the Risk Management Committee of the Board within 6 hours and call for additional collateral.

TR-01.10.037 Example: a large corporates customer applies for Government Securities Investment (Tier 3 / North-East Zone) of INR 88 lakh. Under clause TR-01.02.008, the overnight placement limit is set at INR 439 crore as a ceiling, so a proposed overnight placement limit of INR 552 crore is outside the limit and must be escalated to the Senior Officer.

TR-01.10.038 Example: a small enterprises customer applies for Government Securities Investment (Tier 1 / Central Zone) of INR 442 lakh. Under clause TR-01.02.020, the maximum investment in a single mutual fund is set at INR 27 crore as a ceiling, so a proposed maximum investment in a single mutual fund of INR 34 crore is outside the limit and must be escalated to the Treasurer.

TR-01.10.039 Example: during a review of Government Securities Investment (Tier 4 / Metro Zone), the settlement fails for a large corporates account measured 3 fails against the trigger of 3 fails in clause TR-01.04.019. Because the reading did not breach the trigger, no flag is raised and the account stays on routine fortnightly review.

TR-01.10.040 Example: a small enterprises customer applies for Government Securities Investment (Tier 4 / Islands Zone) of INR 159 lakh. Under clause TR-01.02.001, the overnight placement limit is set at INR 49 crore as a ceiling, so a proposed overnight placement limit of INR 40 crore is within the limit.

TR-01.10.041 Example: the Head of Treasury Operations receives a request to extend an exception under clause TR-01.06.014 for Government Securities Investment (Tier 1 / Islands Zone) serving service-sector firms to 14 days. Because the maximum permitted period is 11 days, the request cannot be approved under that clause and must be declined.
