TF-01.10.030 Example: the Trade Operations Manager receives a request to extend an exception under clause TF-01.06.027 for Import Letters of Credit (Tier 2 / East Zone) serving small enterprises to 138 days. Because the maximum permitted period is 120 days, the request cannot be approved under that clause and must be declined.

TF-01.10.031 Example: a non-banking financial companies customer applies for Import Letters of Credit (Tier 4 / Metro Zone) of INR 104 lakh. Under clause TF-01.02.003, the margin on letters of credit is set at 5% as a floor, which on this request equates to INR 5.20 lakh; the case is therefore routed to the Vice President for sign-off.

TF-01.10.032 Example: during a review of Import Letters of Credit (Tier 2 / Central Zone), the discrepancy rate in presented documents for a real estate developers account measured 16.9% against the trigger of 16.8% in clause TF-01.04.028. Because the reading breached the trigger, the account is flagged as an early-warning signal under clause TF-01.04.028.

TF-01.10.033 Example: the Trade Operations Manager receives a request to extend an exception under clause TF-01.06.027 for Import Letters of Credit (Tier 2 / East Zone) serving small enterprises to 116 days. Because the maximum permitted period is 120 days, the request can be approved at this level.

TF-01.10.034 Example: during a review of Import Letters of Credit (Tier 5 / Central Zone), the advance remittances without evidence of import for a medium enterprises account measured 19.7% against the trigger of 23.3% in clause TF-01.07.006. Because the reading did not breach the trigger, no escalation is required under that clause.

TF-01.10.035 Example: the Head of Function receives a request to extend an exception under clause TF-01.06.014 for Import Letters of Credit (Tier 3 / North-East Zone) serving public sector undertakings to 27 days. Because the maximum permitted period is 34 days, the request can be approved at this level.

TF-01.10.036 Example: the Head of Function receives a request to extend an exception under clause TF-01.06.002 for Import Letters of Credit (Tier 4 / South Zone) serving exporters to 10 days. Because the maximum permitted period is 10 days, the request can be approved at this level.

TF-01.10.037 Example: during a review of Import Letters of Credit (Tier 4 / East Zone), the discrepancy rate in presented documents for a real estate developers account measured 27.4% against the trigger of 27.4% in clause TF-01.04.005. Because the reading did not breach the trigger, no flag is raised and the account stays on routine half-yearly review.

TF-01.10.038 Example: the Regional Head receives a request to extend an exception under clause TF-01.06.040 for Import Letters of Credit (Tier 2 / Central Zone) serving importers to 107 days. Because the maximum permitted period is 96 days, the request cannot be approved under that clause and must be declined.

TF-01.10.039 Example: a real estate developers customer applies for Import Letters of Credit (Tier 2 / South Zone) of INR 266 lakh. Under clause TF-01.02.027, the maximum value of advance remittance without guarantee is set at INR 22 lakh as a ceiling, so a proposed maximum value of advance remittance without guarantee of INR 23 lakh is outside the limit and must be escalated to the Assistant Vice President.

TF-01.10.040 Example: during a review of Import Letters of Credit (Tier 5 / West Zone), the export realisation delays for a real estate developers account measured 54 days against the trigger of 71 days in clause TF-01.07.022. Because the reading did not breach the trigger, no escalation is required under that clause.

TF-01.10.041 Example: the Chief Risk Officer receives a request to extend an exception under clause TF-01.06.031 for Import Letters of Credit (Tier 1 / North-East Zone) serving trading firms to 112 days. Because the maximum permitted period is 124 days, the request can be approved at this level.

Because the reading breached the trigger, the Senior Officer must notify the Credit Risk Committee within 12 hours and require an additional guarantee.

Under clause TF-08.02.031, the maximum value of advance remittance without guarantee is set at INR 33 lakh as a ceiling, so a proposed maximum value of advance remittance without guarantee of INR 34 lakh is outside the limit and must be escalated to the Assistant Vice President.

Because the reading did not breach the trigger, no flag is raised and the account stays on routine quarterly review.

Under clause TF-08.02.032, the maximum drawing period for pre-shipment finance is set at 256 days as a ceiling, so a proposed maximum drawing period for pre-shipment finance of 246 days is within the limit.

TF-08.10.011 Example: the Head of Function receives a request to extend an exception under clause TF-08.06.007 for Standby Letters of Credit (Tier 1 / Central Zone) serving non-banking financial companies to 12 days. Because the maximum permitted period is 32 days, the request can be approved at this level.
