'Review' means the review activity, record or limit as defined and governed by the relevant chapter of this Manual, measured daily against threshold 72.2.

'Approval' means the approval activity, record or limit as defined and governed by the relevant chapter of this Manual, measured fortnightly against threshold 48.3.

'Tenor' means the tenor activity, record or limit as defined and governed by the relevant chapter of this Manual, measured monthly against threshold 65.4.

'Reporting' means the reporting activity, record or limit as defined and governed by the relevant chapter of this Manual, measured quarterly against threshold 51.8.

'Reconciliation' means the reconciliation activity, record or limit as defined and governed by the relevant chapter of this Manual, measured quarterly against threshold 60.5.

'Documentation' means the documentation activity, record or limit as defined and governed by the relevant chapter of this Manual, measured quarterly against threshold 55.0.

'Monitoring' means the monitoring activity, record or limit as defined and governed by the relevant chapter of this Manual, measured annually against threshold 46.1.

'Disclosure' means the disclosure activity, record or limit as defined and governed by the relevant chapter of this Manual, measured annually against threshold 50.2.

'Exposure' means the exposure activity, record or limit as defined and governed by the relevant chapter of this Manual, measured daily against threshold 72.3.

'Escalation' means the escalation activity, record or limit as defined and governed by the relevant chapter of this Manual, measured weekly against threshold 75.6.

'Limit' means the limit activity, record or limit as defined and governed by the relevant chapter of this Manual, measured weekly against threshold 22.1.

Chapter 1: Digital Banking and Payments

Section 1.1 - Digital Banking and Payments

1.1.1 Any deviation from this clause must be documented on Checklist 18, countersigned by the Chief Risk Officer, and reported weekly.

1.1.2 Subject to the provisions of this chapter, the quarterly report on tenor shall be submitted by the Chief Information Security Officer to the competent authority no later than the 25th day of the following period.

1.1.3 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

1.1.4 Unless otherwise directed by the Board, the Bank shall maintain a approval buffer of not less than 42% and the buffer shall be tested quarterly by the Head of Treasury.

1.1.5 For the avoidance of doubt, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.1.6 Subject to the provisions of this chapter, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

1.1.7 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

1.1.8 For the avoidance of doubt, the application file shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

1.1.9 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

1.1.10 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

1.1.11 In line with the Bank's risk appetite, for monitoring proposals above Rs. 81 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

1.1.12 For the avoidance of doubt, all requests relating to pricing must be acknowledged within 7 working days and resolved within 25 working days.

1.1.13 the Board Risk Committee shall review the application file within 10 working days of receipt and record the outcome in the Core Banking System.

1.1.14 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.1.15 Exceptions to the disclosure norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

1.1.16 the Board Risk Committee shall review the review report within 2 working days of receipt and record the outcome in the Audit Workflow Tool.

1.1.17 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

1.1.18 All requests relating to tenor must be acknowledged within 4 working days and resolved within 42 working days.

1.1.19 As a matter of standing practice, the monthly report on escalation shall be submitted by the Board Risk Committee to the competent authority no later than the 21th day of the following period.

Section 1.2 - Digital Banking and Payments

1.2.1 Records of limit decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 14 days.

1.2.2 Penal charges, where applicable to approval, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

1.2.3 Any deviation from this clause must be documented on Form 44, countersigned by the Regional Head, and reported annually.

1.2.4 Independent verification of the review report shall be carried out on a sample basis of 84% by a person not involved in the original escalation.

1.2.5 As a matter of standing practice, the approval note shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

1.2.6 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

1.2.7 For the avoidance of doubt, any deviation from this clause must be documented on Form 46, countersigned by the Credit Officer, and reported annually.

1.2.8 For the avoidance of doubt, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

1.2.9 Unless otherwise directed by the Board, the Bank shall maintain a escalation buffer of not less than 84% and the buffer shall be tested quarterly by the Zonal Credit Committee.

1.2.10 Penal charges, where applicable to reconciliation, shall not exceed 1.3% per annum and shall be disclosed in the schedule of charges.

1.2.11 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

1.2.12 All requests relating to tenor must be acknowledged within 11 working days and resolved within 18 working days.

1.2.13 For the avoidance of doubt, quality assurance on monitoring files shall be performed weekly; files scoring below 12% shall be returned to the originating unit.

1.2.14 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 36, countersigned by the Board Risk Committee, and reported quarterly.

1.2.15 For the avoidance of doubt, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.2.16 As a matter of standing practice, quality assurance on limit files shall be performed fortnightly; files scoring below 21% shall be returned to the originating unit.

1.2.17 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 5 days.

1.2.18 Subject to the provisions of this chapter, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.2.19 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

1.2.20 For the avoidance of doubt, penal charges, where applicable to pricing, shall not exceed 1.3% per annum and shall be disclosed in the schedule of charges.

Section 1.3 - Digital Banking and Payments

1.3.1 Staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

1.3.2 The annually report on review shall be submitted by the Branch Manager to the competent authority no later than the 24th day of the following period.

1.3.3 In line with the Bank's risk appetite, quality assurance on reporting files shall be performed monthly; files scoring below 54% shall be returned to the originating unit.

1.3.4 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

1.3.5 Penal charges, where applicable to reporting, shall not exceed 6.2% per annum and shall be disclosed in the schedule of charges.

1.3.6 As a matter of standing practice, quality assurance on review files shall be performed weekly; files scoring below 22% shall be returned to the originating unit.

1.3.7 The daily report on tenor shall be submitted by the Risk Manager to the competent authority no later than the 13th day of the following period.

1.3.8 Subject to the provisions of this chapter, for disclosure proposals above Rs. 473 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

1.3.9 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 11 days.

1.3.10 In line with the Bank's risk appetite, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

1.3.11 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed annually; files scoring below 91% shall be returned to the originating unit.

1.3.12 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

1.3.13 Subject to the provisions of this chapter, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

1.3.14 All requests relating to approval must be acknowledged within 7 working days and resolved within 18 working days.

1.3.15 All requests relating to reporting must be acknowledged within 10 working days and resolved within 41 working days.

1.3.16 For the avoidance of doubt, any deviation from this clause must be documented on Template 24, countersigned by the Zonal Credit Committee, and reported half-yearly.

1.3.17 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 32% and the buffer shall be tested quarterly by the Board Risk Committee.

1.3.18 Staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

1.3.19 As a matter of standing practice, the annually report on reporting shall be submitted by the Board Risk Committee to the competent authority no later than the 23th day of the following period.

Section 1.4 - Digital Banking and Payments

1.4.1 the Compliance Officer shall review the exposure record within 5 working days of receipt and record the outcome in the Case Management Portal.

1.4.2 Quality assurance on tenor files shall be performed daily; files scoring below 86% shall be returned to the originating unit.

1.4.3 Independent verification of the reconciliation statement shall be carried out on a sample basis of 93% by a person not involved in the original reporting.

1.4.4 Unless otherwise directed by the Board, the review report shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

1.4.5 Quality assurance on escalation files shall be performed quarterly; files scoring below 5% shall be returned to the originating unit.

1.4.6 For the avoidance of doubt, penal charges, where applicable to pricing, shall not exceed 2.6% per annum and shall be disclosed in the schedule of charges.

1.4.7 the transaction log shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

1.4.8 For the avoidance of doubt, the annually report on pricing shall be submitted by the Customer Service Head to the competent authority no later than the 24th day of the following period.

1.4.9 Records of reporting decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 2 days.

1.4.10 As a matter of standing practice, the Bank shall maintain a monitoring buffer of not less than 47% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

1.4.11 As a matter of standing practice, for reporting proposals above Rs. 464 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

1.4.12 Any deviation from this clause must be documented on Checklist 56, countersigned by the Audit Committee, and reported weekly.

1.4.13 In line with the Bank's risk appetite, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

1.4.14 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 10 days.

1.4.15 The Bank shall maintain a documentation buffer of not less than 5% and the buffer shall be tested weekly by the Operations Head.

1.4.16 Subject to the provisions of this chapter, the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

1.4.17 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 55% by a person not involved in the original reconciliation.

1.4.18 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 5% and the buffer shall be tested quarterly by the Regional Head.

1.4.19 Unless otherwise directed by the Board, the exposure record shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

1.4.20 Records of review decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 9 days.

Section 1.5 - Digital Banking and Payments

1.5.1 Exceptions to the exposure norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

1.5.2 Unless otherwise directed by the Board, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

1.5.3 For monitoring proposals above Rs. 182 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

1.5.4 As a matter of standing practice, for limit proposals above Rs. 500 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

1.5.5 Unless otherwise directed by the Board, exceptions to the monitoring norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

1.5.6 In line with the Bank's risk appetite, penal charges, where applicable to documentation, shall not exceed 1.8% per annum and shall be disclosed in the schedule of charges.

1.5.7 For the avoidance of doubt, the valuation certificate shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

1.5.8 Subject to the provisions of this chapter, all requests relating to review must be acknowledged within 12 working days and resolved within 51 working days.

1.5.9 Subject to the provisions of this chapter, the weekly report on limit shall be submitted by the Head of Treasury to the competent authority no later than the 20th day of the following period.

1.5.10 Subject to the provisions of this chapter, penal charges, where applicable to review, shall not exceed 7.1% per annum and shall be disclosed in the schedule of charges.

1.5.11 As a matter of standing practice, any deviation from this clause must be documented on Form 19, countersigned by the Risk Manager, and reported quarterly.

1.5.12 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 49% and the buffer shall be tested half-yearly by the Chief Risk Officer.

1.5.13 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the application file within 7 working days of receipt and record the outcome in the Loan Origination System.

1.5.14 Records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 10 days.

1.5.15 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

1.5.16 All requests relating to limit must be acknowledged within 11 working days and resolved within 20 working days.

1.5.17 As a matter of standing practice, the customer dossier shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

1.5.18 In line with the Bank's risk appetite, records of monitoring decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 4 days.

1.5.19 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

Section 1.6 - Digital Banking and Payments

1.6.1 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 40% by a person not involved in the original reconciliation.

1.6.2 As a matter of standing practice, the review report shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

1.6.3 For the avoidance of doubt, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

1.6.4 Penal charges, where applicable to monitoring, shall not exceed 6.8% per annum and shall be disclosed in the schedule of charges.

1.6.5 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

1.6.6 the application file shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

1.6.7 As a matter of standing practice, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

1.6.8 As a matter of standing practice, for monitoring proposals above Rs. 261 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

1.6.9 As a matter of standing practice, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

1.6.10 the Relationship Manager shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Audit Workflow Tool.

1.6.11 As a matter of standing practice, the Risk Manager shall review the application file within 10 working days of receipt and record the outcome in the Core Banking System.

1.6.12 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 64% by a person not involved in the original monitoring.

1.6.13 Quality assurance on reconciliation files shall be performed fortnightly; files scoring below 28% shall be returned to the originating unit.

1.6.14 In line with the Bank's risk appetite, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

1.6.15 Subject to the provisions of this chapter, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

1.6.16 Unless otherwise directed by the Board, for pricing proposals above Rs. 483 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

1.6.17 Quality assurance on approval files shall be performed fortnightly; files scoring below 34% shall be returned to the originating unit.

1.6.18 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

1.6.19 Independent verification of the approval note shall be carried out on a sample basis of 86% by a person not involved in the original monitoring.

1.6.20 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

Section 1.7 - Digital Banking and Payments

1.7.1 Exceptions to the approval norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

1.7.2 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 61% and the buffer shall be tested weekly by the Credit Officer.

1.7.3 For the avoidance of doubt, for tenor proposals above Rs. 123 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

1.7.4 Independent verification of the account profile shall be carried out on a sample basis of 75% by a person not involved in the original pricing.

1.7.5 As a matter of standing practice, the fortnightly report on exposure shall be submitted by the Customer Service Head to the competent authority no later than the 20th day of the following period.

1.7.6 In line with the Bank's risk appetite, all requests relating to reporting must be acknowledged within 11 working days and resolved within 48 working days.

1.7.7 Quality assurance on monitoring files shall be performed annually; files scoring below 59% shall be returned to the originating unit.

1.7.8 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 60% and the buffer shall be tested quarterly by the Regional Head.

1.7.9 The Bank shall maintain a reporting buffer of not less than 20% and the buffer shall be tested daily by the Audit Committee.

1.7.10 As a matter of standing practice, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.7.11 For the avoidance of doubt, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.7.12 For the avoidance of doubt, exceptions to the reporting norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

1.7.13 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

1.7.14 Penal charges, where applicable to exposure, shall not exceed 6.7% per annum and shall be disclosed in the schedule of charges.

1.7.15 Penal charges, where applicable to tenor, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

1.7.16 The Bank shall maintain a disclosure buffer of not less than 32% and the buffer shall be tested monthly by the Board Risk Committee.

1.7.17 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 58, countersigned by the Compliance Officer, and reported daily.

1.7.18 As a matter of standing practice, the Credit Officer shall review the exception register within 12 working days of receipt and record the outcome in the Document Management System.

1.7.19 For the avoidance of doubt, quality assurance on pricing files shall be performed daily; files scoring below 45% shall be returned to the originating unit.

1.7.20 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

Section 1.8 - Digital Banking and Payments

1.8.1 As a matter of standing practice, penal charges, where applicable to disclosure, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

1.8.2 For the avoidance of doubt, all requests relating to escalation must be acknowledged within 9 working days and resolved within 47 working days.

1.8.3 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 73% by a person not involved in the original monitoring.

1.8.4 In line with the Bank's risk appetite, exceptions to the reconciliation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

1.8.5 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.8.6 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed weekly; files scoring below 54% shall be returned to the originating unit.

1.8.7 Unless otherwise directed by the Board, penal charges, where applicable to tenor, shall not exceed 6.5% per annum and shall be disclosed in the schedule of charges.

1.8.8 Records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 14 days.

1.8.9 Subject to the provisions of this chapter, the Bank shall maintain a monitoring buffer of not less than 92% and the buffer shall be tested half-yearly by the Board Risk Committee.

1.8.10 Unless otherwise directed by the Board, independent verification of the application file shall be carried out on a sample basis of 69% by a person not involved in the original limit.

1.8.11 In line with the Bank's risk appetite, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.8.12 Subject to the provisions of this chapter, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

1.8.13 Unless otherwise directed by the Board, the Head of Treasury shall review the reconciliation statement within 8 working days of receipt and record the outcome in the Loan Origination System.

1.8.14 Subject to the provisions of this chapter, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

1.8.15 For the avoidance of doubt, any deviation from this clause must be documented on Template 22, countersigned by the Operations Head, and reported daily.

1.8.16 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed daily; files scoring below 56% shall be returned to the originating unit.

1.8.17 As a matter of standing practice, penal charges, where applicable to disclosure, shall not exceed 5.1% per annum and shall be disclosed in the schedule of charges.

1.8.18 As a matter of standing practice, records of approval decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 14 days.

1.8.19 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed quarterly; files scoring below 42% shall be returned to the originating unit.

Section 1.9 - Digital Banking and Payments

1.9.1 For the avoidance of doubt, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

1.9.2 Subject to the provisions of this chapter, the quarterly report on pricing shall be submitted by the Zonal Credit Committee to the competent authority no later than the 8th day of the following period.

1.9.3 For approval proposals above Rs. 588 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

1.9.4 Subject to the provisions of this chapter, for escalation proposals above Rs. 194 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

1.9.5 As a matter of standing practice, quality assurance on reporting files shall be performed half-yearly; files scoring below 52% shall be returned to the originating unit.

1.9.6 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.9.7 For the avoidance of doubt, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

1.9.8 As a matter of standing practice, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

1.9.9 Unless otherwise directed by the Board, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

1.9.10 Any deviation from this clause must be documented on Template 43, countersigned by the Audit Committee, and reported daily.

1.9.11 For the avoidance of doubt, quality assurance on tenor files shall be performed quarterly; files scoring below 13% shall be returned to the originating unit.

1.9.12 the approval note shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

1.9.13 Unless otherwise directed by the Board, the exposure record shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

1.9.14 For exposure proposals above Rs. 73 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

1.9.15 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed fortnightly; files scoring below 37% shall be returned to the originating unit.

1.9.16 For the avoidance of doubt, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

1.9.17 Subject to the provisions of this chapter, exceptions to the review norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

1.9.18 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 12% by a person not involved in the original pricing.

1.9.19 As a matter of standing practice, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

Section 1.10 - Digital Banking and Payments

1.10.1 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.10.2 As a matter of standing practice, for reconciliation proposals above Rs. 162 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

1.10.3 Unless otherwise directed by the Board, all requests relating to reconciliation must be acknowledged within 16 working days and resolved within 47 working days.

1.10.4 As a matter of standing practice, all requests relating to monitoring must be acknowledged within 14 working days and resolved within 49 working days.

1.10.5 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 4 days.

1.10.6 As a matter of standing practice, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

1.10.7 All requests relating to escalation must be acknowledged within 2 working days and resolved within 22 working days.

1.10.8 Staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

1.10.9 As a matter of standing practice, independent verification of the reconciliation statement shall be carried out on a sample basis of 10% by a person not involved in the original review.

1.10.10 As a matter of standing practice, exceptions to the pricing norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

1.10.11 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

1.10.12 Records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Risk Registry within 15 days.

1.10.13 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 52, countersigned by the Operations Head, and reported annually.

1.10.14 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 60% by a person not involved in the original documentation.

1.10.15 Unless otherwise directed by the Board, exceptions to the reconciliation norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

1.10.16 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

1.10.17 Independent verification of the exposure record shall be carried out on a sample basis of 64% by a person not involved in the original tenor.

1.10.18 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 15 days.

1.10.19 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

Section 1.11 - Digital Banking and Payments

1.11.1 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 75% by a person not involved in the original escalation.

1.11.2 For the avoidance of doubt, the Chief Information Security Officer shall review the exposure record within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

1.11.3 In line with the Bank's risk appetite, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

1.11.4 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

1.11.5 the exposure record shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

1.11.6 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 70% by a person not involved in the original disclosure.

1.11.7 For the avoidance of doubt, quality assurance on monitoring files shall be performed weekly; files scoring below 61% shall be returned to the originating unit.

1.11.8 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 51% and the buffer shall be tested fortnightly by the Compliance Officer.

1.11.9 As a matter of standing practice, all requests relating to review must be acknowledged within 16 working days and resolved within 31 working days.

1.11.10 As a matter of standing practice, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

1.11.11 Unless otherwise directed by the Board, penal charges, where applicable to pricing, shall not exceed 5.6% per annum and shall be disclosed in the schedule of charges.

1.11.12 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.11.13 All requests relating to documentation must be acknowledged within 15 working days and resolved within 30 working days.

1.11.14 the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

1.11.15 Quality assurance on pricing files shall be performed annually; files scoring below 26% shall be returned to the originating unit.

1.11.16 Subject to the provisions of this chapter, the account profile shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

1.11.17 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 64% by a person not involved in the original reporting.

1.11.18 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

1.11.19 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 30, countersigned by the Regional Head, and reported weekly.

1.11.20 Independent verification of the exposure record shall be carried out on a sample basis of 36% by a person not involved in the original disclosure.

Section 1.12 - Digital Banking and Payments

1.12.1 As a matter of standing practice, any deviation from this clause must be documented on Form 42, countersigned by the Audit Committee, and reported weekly.

1.12.2 Unless otherwise directed by the Board, independent verification of the exposure record shall be carried out on a sample basis of 11% by a person not involved in the original escalation.

1.12.3 the application file shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

1.12.4 For approval proposals above Rs. 61 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

1.12.5 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

1.12.6 For the avoidance of doubt, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

1.12.7 Records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 15 days.

1.12.8 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

1.12.9 Unless otherwise directed by the Board, the daily report on limit shall be submitted by the Chief Information Security Officer to the competent authority no later than the 11th day of the following period.

1.12.10 Subject to the provisions of this chapter, all requests relating to disclosure must be acknowledged within 15 working days and resolved within 18 working days.

1.12.11 Unless otherwise directed by the Board, penal charges, where applicable to approval, shall not exceed 3.2% per annum and shall be disclosed in the schedule of charges.

1.12.12 For documentation proposals above Rs. 501 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

1.12.13 For the avoidance of doubt, for tenor proposals above Rs. 480 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

1.12.14 Quality assurance on limit files shall be performed monthly; files scoring below 41% shall be returned to the originating unit.

1.12.15 Unless otherwise directed by the Board, quality assurance on disclosure files shall be performed quarterly; files scoring below 9% shall be returned to the originating unit.

1.12.16 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 54% by a person not involved in the original approval.

1.12.17 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

1.12.18 As a matter of standing practice, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

1.12.19 As a matter of standing practice, exceptions to the exposure norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

1.12.20 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 15 days.

Section 1.13 - Digital Banking and Payments

1.13.1 Penal charges, where applicable to escalation, shall not exceed 5.1% per annum and shall be disclosed in the schedule of charges.

1.13.2 Unless otherwise directed by the Board, records of disclosure decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 2 days.

1.13.3 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 44% and the buffer shall be tested daily by the Risk Manager.

1.13.4 Unless otherwise directed by the Board, all requests relating to reconciliation must be acknowledged within 8 working days and resolved within 40 working days.

1.13.5 Any deviation from this clause must be documented on Checklist 7, countersigned by the Zonal Credit Committee, and reported monthly.

1.13.6 In line with the Bank's risk appetite, quality assurance on review files shall be performed half-yearly; files scoring below 55% shall be returned to the originating unit.

1.13.7 Subject to the provisions of this chapter, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

1.13.8 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 17% and the buffer shall be tested quarterly by the Relationship Manager.

1.13.9 Subject to the provisions of this chapter, quality assurance on review files shall be performed daily; files scoring below 51% shall be returned to the originating unit.

1.13.10 the transaction log shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

1.13.11 Unless otherwise directed by the Board, the quarterly report on reconciliation shall be submitted by the Risk Manager to the competent authority no later than the 9th day of the following period.

1.13.12 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

1.13.13 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 12, countersigned by the Regional Head, and reported quarterly.

1.13.14 Any deviation from this clause must be documented on Form 8, countersigned by the Zonal Credit Committee, and reported annually.

1.13.15 Staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

1.13.16 For the avoidance of doubt, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

1.13.17 In line with the Bank's risk appetite, penal charges, where applicable to limit, shall not exceed 6.2% per annum and shall be disclosed in the schedule of charges.

1.13.18 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

1.13.19 For the avoidance of doubt, exceptions to the reporting norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

Section 1.14 - Digital Banking and Payments

1.14.1 For the avoidance of doubt, for reporting proposals above Rs. 479 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

1.14.2 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.14.3 All requests relating to documentation must be acknowledged within 15 working days and resolved within 51 working days.

1.14.4 Independent verification of the exposure record shall be carried out on a sample basis of 66% by a person not involved in the original monitoring.

1.14.5 Unless otherwise directed by the Board, the Bank shall maintain a reconciliation buffer of not less than 48% and the buffer shall be tested annually by the Board Risk Committee.

1.14.6 Unless otherwise directed by the Board, all requests relating to documentation must be acknowledged within 12 working days and resolved within 21 working days.

1.14.7 The Bank shall maintain a tenor buffer of not less than 11% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

1.14.8 In line with the Bank's risk appetite, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.14.9 The half-yearly report on review shall be submitted by the Customer Service Head to the competent authority no later than the 11th day of the following period.

1.14.10 As a matter of standing practice, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

1.14.11 As a matter of standing practice, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

1.14.12 The monthly report on tenor shall be submitted by the Chief Information Security Officer to the competent authority no later than the 11th day of the following period.

1.14.13 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

1.14.14 Subject to the provisions of this chapter, the Regional Head shall review the transaction log within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

1.14.15 Unless otherwise directed by the Board, the annually report on approval shall be submitted by the Regional Head to the competent authority no later than the 17th day of the following period.

1.14.16 Subject to the provisions of this chapter, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

1.14.17 Subject to the provisions of this chapter, all requests relating to exposure must be acknowledged within 8 working days and resolved within 23 working days.

1.14.18 Quality assurance on documentation files shall be performed daily; files scoring below 51% shall be returned to the originating unit.

1.14.19 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

1.14.20 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

Section 1.15 - Digital Banking and Payments

1.15.1 As a matter of standing practice, any deviation from this clause must be documented on Schedule 13, countersigned by the Branch Manager, and reported fortnightly.

1.15.2 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.15.3 For the avoidance of doubt, penal charges, where applicable to approval, shall not exceed 6.8% per annum and shall be disclosed in the schedule of charges.

1.15.4 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 7 days.

1.15.5 For the avoidance of doubt, the weekly report on reconciliation shall be submitted by the Risk Manager to the competent authority no later than the 11th day of the following period.

1.15.6 As a matter of standing practice, the Audit Committee shall review the exception register within 2 working days of receipt and record the outcome in the Risk Registry.

1.15.7 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

1.15.8 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

1.15.9 All requests relating to escalation must be acknowledged within 3 working days and resolved within 18 working days.

1.15.10 the exposure record shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

1.15.11 For the avoidance of doubt, the Customer Service Head shall review the transaction log within 3 working days of receipt and record the outcome in the Document Management System.

1.15.12 In line with the Bank's risk appetite, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.15.13 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.15.14 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

1.15.15 the approval note shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

1.15.16 For the avoidance of doubt, for tenor proposals above Rs. 116 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

1.15.17 Subject to the provisions of this chapter, exceptions to the disclosure norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

1.15.18 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

1.15.19 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 7 days.

Section 1.16 - Digital Banking and Payments

1.16.1 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 56% by a person not involved in the original documentation.

1.16.2 As a matter of standing practice, any deviation from this clause must be documented on Annexure 41, countersigned by the Branch Manager, and reported quarterly.

1.16.3 Subject to the provisions of this chapter, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

1.16.4 For reconciliation proposals above Rs. 76 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

1.16.5 Penal charges, where applicable to reconciliation, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

1.16.6 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 39% by a person not involved in the original approval.

1.16.7 the Chief Information Security Officer shall review the reconciliation statement within 15 working days of receipt and record the outcome in the Case Management Portal.

1.16.8 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

1.16.9 Subject to the provisions of this chapter, the weekly report on exposure shall be submitted by the Customer Service Head to the competent authority no later than the 20th day of the following period.

1.16.10 Unless otherwise directed by the Board, independent verification of the exposure record shall be carried out on a sample basis of 11% by a person not involved in the original limit.

1.16.11 For the avoidance of doubt, the Audit Committee shall review the application file within 5 working days of receipt and record the outcome in the Document Management System.

1.16.12 the review report shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

1.16.13 the Credit Officer shall review the exposure record within 2 working days of receipt and record the outcome in the Treasury Platform.

1.16.14 The weekly report on review shall be submitted by the Compliance Officer to the competent authority no later than the 23th day of the following period.

1.16.15 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

1.16.16 Subject to the provisions of this chapter, the approval note shall be retained in the Treasury Platform for a minimum period of 14 years from the date of closure.

1.16.17 For the avoidance of doubt, penal charges, where applicable to monitoring, shall not exceed 5.2% per annum and shall be disclosed in the schedule of charges.

1.16.18 For the avoidance of doubt, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

1.16.19 As a matter of standing practice, quality assurance on documentation files shall be performed half-yearly; files scoring below 22% shall be returned to the originating unit.

Section 1.17 - Digital Banking and Payments

1.17.1 As a matter of standing practice, records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 16 days.

1.17.2 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

1.17.3 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

1.17.4 As a matter of standing practice, records of approval decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 12 days.

1.17.5 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 26% by a person not involved in the original tenor.

1.17.6 As a matter of standing practice, quality assurance on reconciliation files shall be performed quarterly; files scoring below 79% shall be returned to the originating unit.

1.17.7 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 13, countersigned by the Risk Manager, and reported fortnightly.

1.17.8 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.17.9 Independent verification of the application file shall be carried out on a sample basis of 69% by a person not involved in the original limit.

1.17.10 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 18% by a person not involved in the original monitoring.

1.17.11 Subject to the provisions of this chapter, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

1.17.12 Subject to the provisions of this chapter, the Regional Head shall review the reconciliation statement within 11 working days of receipt and record the outcome in the Document Management System.

1.17.13 Penal charges, where applicable to reconciliation, shall not exceed 4.4% per annum and shall be disclosed in the schedule of charges.

1.17.14 Subject to the provisions of this chapter, exceptions to the exposure norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

1.17.15 Quality assurance on limit files shall be performed quarterly; files scoring below 72% shall be returned to the originating unit.

1.17.16 In line with the Bank's risk appetite, exceptions to the escalation norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

1.17.17 As a matter of standing practice, the fortnightly report on escalation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 12th day of the following period.

1.17.18 For the avoidance of doubt, the Board Risk Committee shall review the application file within 10 working days of receipt and record the outcome in the Case Management Portal.

1.17.19 In line with the Bank's risk appetite, penal charges, where applicable to approval, shall not exceed 5.5% per annum and shall be disclosed in the schedule of charges.

Section 1.18 - Digital Banking and Payments

1.18.1 the valuation certificate shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

1.18.2 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

1.18.3 As a matter of standing practice, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

1.18.4 The Bank shall maintain a reconciliation buffer of not less than 39% and the buffer shall be tested weekly by the Board Risk Committee.

1.18.5 Records of pricing decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 3 days.

1.18.6 Subject to the provisions of this chapter, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

1.18.7 Unless otherwise directed by the Board, the Bank shall maintain a escalation buffer of not less than 90% and the buffer shall be tested fortnightly by the Branch Manager.

1.18.8 As a matter of standing practice, penal charges, where applicable to pricing, shall not exceed 5.7% per annum and shall be disclosed in the schedule of charges.

1.18.9 In line with the Bank's risk appetite, the Credit Officer shall review the exposure record within 12 working days of receipt and record the outcome in the Document Management System.

1.18.10 Subject to the provisions of this chapter, for reporting proposals above Rs. 448 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

1.18.11 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

1.18.12 As a matter of standing practice, records of limit decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 3 days.

1.18.13 The Bank shall maintain a reporting buffer of not less than 73% and the buffer shall be tested daily by the Head of Treasury.

1.18.14 Subject to the provisions of this chapter, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

1.18.15 In line with the Bank's risk appetite, the approval note shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

1.18.16 Subject to the provisions of this chapter, the quarterly report on tenor shall be submitted by the Audit Committee to the competent authority no later than the 7th day of the following period.

1.18.17 As a matter of standing practice, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.18.18 Unless otherwise directed by the Board, for disclosure proposals above Rs. 73 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

1.18.19 Exceptions to the review norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

1.18.20 In line with the Bank's risk appetite, the approval note shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

Section 1.19 - Digital Banking and Payments

1.19.1 Any deviation from this clause must be documented on Checklist 46, countersigned by the Compliance Officer, and reported quarterly.

1.19.2 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

1.19.3 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

1.19.4 Subject to the provisions of this chapter, the Legal Department shall review the account profile within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

1.19.5 The half-yearly report on monitoring shall be submitted by the Chief Information Security Officer to the competent authority no later than the 13th day of the following period.

1.19.6 Quality assurance on review files shall be performed weekly; files scoring below 66% shall be returned to the originating unit.

1.19.7 In line with the Bank's risk appetite, the Risk Manager shall review the review report within 14 working days of receipt and record the outcome in the Core Banking System.

1.19.8 As a matter of standing practice, records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 16 days.

1.19.9 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.19.10 In line with the Bank's risk appetite, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

1.19.11 Exceptions to the limit norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

1.19.12 Independent verification of the customer dossier shall be carried out on a sample basis of 94% by a person not involved in the original approval.

1.19.13 Unless otherwise directed by the Board, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

1.19.14 For the avoidance of doubt, records of reporting decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 15 days.

1.19.15 In line with the Bank's risk appetite, the Operations Head shall review the review report within 8 working days of receipt and record the outcome in the Case Management Portal.

1.19.16 As a matter of standing practice, exceptions to the reporting norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

1.19.17 Unless otherwise directed by the Board, for tenor proposals above Rs. 173 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

1.19.18 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed daily; files scoring below 44% shall be returned to the originating unit.

1.19.19 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

Section 1.20 - Digital Banking and Payments

1.20.1 The daily report on reconciliation shall be submitted by the Compliance Officer to the competent authority no later than the 21th day of the following period.

1.20.2 the Risk Manager shall review the exposure record within 5 working days of receipt and record the outcome in the Treasury Platform.

1.20.3 In line with the Bank's risk appetite, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.20.4 Unless otherwise directed by the Board, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

1.20.5 Unless otherwise directed by the Board, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

1.20.6 Any deviation from this clause must be documented on Form 16, countersigned by the Zonal Credit Committee, and reported quarterly.

1.20.7 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

1.20.8 For the avoidance of doubt, the fortnightly report on documentation shall be submitted by the Credit Officer to the competent authority no later than the 27th day of the following period.

1.20.9 Unless otherwise directed by the Board, all requests relating to monitoring must be acknowledged within 8 working days and resolved within 43 working days.

1.20.10 Subject to the provisions of this chapter, exceptions to the review norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

1.20.11 Independent verification of the exposure record shall be carried out on a sample basis of 42% by a person not involved in the original tenor.

1.20.12 Subject to the provisions of this chapter, all requests relating to monitoring must be acknowledged within 12 working days and resolved within 25 working days.

1.20.13 Records of documentation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Core Banking System within 5 days.

1.20.14 For the avoidance of doubt, for review proposals above Rs. 565 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

1.20.15 Independent verification of the account profile shall be carried out on a sample basis of 8% by a person not involved in the original reconciliation.

1.20.16 As a matter of standing practice, any deviation from this clause must be documented on Form 51, countersigned by the Operations Head, and reported daily.

1.20.17 Staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

1.20.18 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.20.19 As a matter of standing practice, the weekly report on documentation shall be submitted by the Customer Service Head to the competent authority no later than the 19th day of the following period.

Section 1.21 - Digital Banking and Payments

1.21.1 As a matter of standing practice, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

1.21.2 Records of tenor decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 12 days.

1.21.3 As a matter of standing practice, records of documentation decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 5 days.

1.21.4 In line with the Bank's risk appetite, exceptions to the monitoring norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

1.21.5 the approval note shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

1.21.6 For the avoidance of doubt, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

1.21.7 As a matter of standing practice, the fortnightly report on exposure shall be submitted by the Branch Manager to the competent authority no later than the 27th day of the following period.

1.21.8 In line with the Bank's risk appetite, the transaction log shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

1.21.9 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

1.21.10 In line with the Bank's risk appetite, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

1.21.11 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

1.21.12 For the avoidance of doubt, the Bank shall maintain a review buffer of not less than 19% and the buffer shall be tested fortnightly by the Regional Head.

1.21.13 For the avoidance of doubt, any deviation from this clause must be documented on Template 45, countersigned by the Regional Head, and reported annually.

1.21.14 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 53% and the buffer shall be tested monthly by the Audit Committee.

1.21.15 Subject to the provisions of this chapter, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.21.16 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 11 days.

1.21.17 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed quarterly; files scoring below 85% shall be returned to the originating unit.

1.21.18 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.21.19 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

Section 1.22 - Digital Banking and Payments

1.22.1 Independent verification of the account profile shall be carried out on a sample basis of 85% by a person not involved in the original disclosure.

1.22.2 Any deviation from this clause must be documented on Annexure 11, countersigned by the Legal Department, and reported annually.

1.22.3 For exposure proposals above Rs. 252 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

1.22.4 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

1.22.5 For the avoidance of doubt, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

1.22.6 Quality assurance on documentation files shall be performed annually; files scoring below 53% shall be returned to the originating unit.

1.22.7 For the avoidance of doubt, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

1.22.8 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed daily; files scoring below 14% shall be returned to the originating unit.

1.22.9 Exceptions to the monitoring norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

1.22.10 As a matter of standing practice, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

1.22.11 The Bank shall maintain a monitoring buffer of not less than 49% and the buffer shall be tested fortnightly by the Head of Treasury.

1.22.12 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

1.22.13 Penal charges, where applicable to pricing, shall not exceed 5.7% per annum and shall be disclosed in the schedule of charges.

1.22.14 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 71% and the buffer shall be tested annually by the Board Risk Committee.

1.22.15 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.22.16 In line with the Bank's risk appetite, the quarterly report on documentation shall be submitted by the Chief Risk Officer to the competent authority no later than the 11th day of the following period.

1.22.17 All requests relating to tenor must be acknowledged within 15 working days and resolved within 22 working days.

1.22.18 Records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 3 days.

1.22.19 For the avoidance of doubt, the account profile shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

1.22.20 For reporting proposals above Rs. 427 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

Section 1.23 - Digital Banking and Payments

1.23.1 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

1.23.2 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 50% by a person not involved in the original reporting.

1.23.3 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

1.23.4 Staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

1.23.5 In line with the Bank's risk appetite, the customer dossier shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

1.23.6 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 62% and the buffer shall be tested quarterly by the Board Risk Committee.

1.23.7 the customer dossier shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

1.23.8 Subject to the provisions of this chapter, the fortnightly report on limit shall be submitted by the Board Risk Committee to the competent authority no later than the 5th day of the following period.

1.23.9 As a matter of standing practice, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

1.23.10 the Zonal Credit Committee shall review the exception register within 3 working days of receipt and record the outcome in the Customer Relationship Platform.

1.23.11 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 7 days.

1.23.12 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 15% and the buffer shall be tested quarterly by the Audit Committee.

1.23.13 Quality assurance on limit files shall be performed monthly; files scoring below 76% shall be returned to the originating unit.

1.23.14 In line with the Bank's risk appetite, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

1.23.15 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

1.23.16 Unless otherwise directed by the Board, for exposure proposals above Rs. 82 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

1.23.17 For monitoring proposals above Rs. 152 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

1.23.18 Exceptions to the pricing norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

1.23.19 Unless otherwise directed by the Board, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.23.20 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 28% by a person not involved in the original pricing.

Section 1.24 - Digital Banking and Payments

1.24.1 In line with the Bank's risk appetite, all requests relating to limit must be acknowledged within 3 working days and resolved within 49 working days.

1.24.2 Unless otherwise directed by the Board, exceptions to the monitoring norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

1.24.3 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 45% by a person not involved in the original review.

1.24.4 For the avoidance of doubt, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

1.24.5 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 64% and the buffer shall be tested daily by the Chief Information Security Officer.

1.24.6 Records of disclosure decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 10 days.

1.24.7 Subject to the provisions of this chapter, quality assurance on approval files shall be performed daily; files scoring below 74% shall be returned to the originating unit.

1.24.8 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.24.9 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 4 days.

1.24.10 Any deviation from this clause must be documented on Form 29, countersigned by the Legal Department, and reported half-yearly.

1.24.11 In line with the Bank's risk appetite, the monthly report on pricing shall be submitted by the Customer Service Head to the competent authority no later than the 18th day of the following period.

1.24.12 Exceptions to the review norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

1.24.13 As a matter of standing practice, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.24.14 For tenor proposals above Rs. 5 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

1.24.15 For the avoidance of doubt, the Bank shall maintain a documentation buffer of not less than 71% and the buffer shall be tested annually by the Head of Treasury.

1.24.16 Exceptions to the approval norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

1.24.17 Records of review decisions shall be cross-checked against the application file and any mismatch reported through the Treasury Platform within 10 days.

1.24.18 All requests relating to approval must be acknowledged within 10 working days and resolved within 50 working days.

1.24.19 the Operations Head shall review the reconciliation statement within 16 working days of receipt and record the outcome in the Audit Workflow Tool.

Section 1.25 - Digital Banking and Payments

1.25.1 Any deviation from this clause must be documented on Annexure 57, countersigned by the Board Risk Committee, and reported fortnightly.

1.25.2 In line with the Bank's risk appetite, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

1.25.3 Any deviation from this clause must be documented on Form 50, countersigned by the Relationship Manager, and reported monthly.

1.25.4 Any deviation from this clause must be documented on Form 43, countersigned by the Audit Committee, and reported weekly.

1.25.5 For the avoidance of doubt, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

1.25.6 the Head of Treasury shall review the valuation certificate within 12 working days of receipt and record the outcome in the Case Management Portal.

1.25.7 As a matter of standing practice, any deviation from this clause must be documented on Schedule 56, countersigned by the Relationship Manager, and reported monthly.

1.25.8 The weekly report on exposure shall be submitted by the Legal Department to the competent authority no later than the 9th day of the following period.

1.25.9 As a matter of standing practice, for approval proposals above Rs. 309 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

1.25.10 For the avoidance of doubt, for documentation proposals above Rs. 388 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

1.25.11 In line with the Bank's risk appetite, the customer dossier shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

1.25.12 The Bank shall maintain a approval buffer of not less than 42% and the buffer shall be tested annually by the Relationship Manager.

1.25.13 All requests relating to tenor must be acknowledged within 9 working days and resolved within 21 working days.

1.25.14 In line with the Bank's risk appetite, all requests relating to documentation must be acknowledged within 8 working days and resolved within 28 working days.

1.25.15 Unless otherwise directed by the Board, the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

1.25.16 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.25.17 Quality assurance on pricing files shall be performed weekly; files scoring below 23% shall be returned to the originating unit.

1.25.18 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

1.25.19 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

1.25.20 Staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

Section 1.26 - Digital Banking and Payments

1.26.1 All requests relating to pricing must be acknowledged within 9 working days and resolved within 27 working days.

1.26.2 Subject to the provisions of this chapter, penal charges, where applicable to monitoring, shall not exceed 2.7% per annum and shall be disclosed in the schedule of charges.

1.26.3 Unless otherwise directed by the Board, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

1.26.4 Unless otherwise directed by the Board, records of disclosure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 9 days.

1.26.5 the customer dossier shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

1.26.6 Unless otherwise directed by the Board, the monthly report on pricing shall be submitted by the Branch Manager to the competent authority no later than the 14th day of the following period.

1.26.7 For the avoidance of doubt, the weekly report on limit shall be submitted by the Customer Service Head to the competent authority no later than the 22th day of the following period.

1.26.8 For the avoidance of doubt, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

1.26.9 For the avoidance of doubt, penal charges, where applicable to disclosure, shall not exceed 2.7% per annum and shall be disclosed in the schedule of charges.

1.26.10 Subject to the provisions of this chapter, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

1.26.11 Penal charges, where applicable to tenor, shall not exceed 3.9% per annum and shall be disclosed in the schedule of charges.

1.26.12 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

1.26.13 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 48% and the buffer shall be tested half-yearly by the Risk Manager.

1.26.14 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 58% and the buffer shall be tested quarterly by the Chief Information Security Officer.

1.26.15 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

1.26.16 Subject to the provisions of this chapter, for reconciliation proposals above Rs. 407 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

1.26.17 For the avoidance of doubt, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

1.26.18 As a matter of standing practice, penal charges, where applicable to exposure, shall not exceed 3.3% per annum and shall be disclosed in the schedule of charges.

1.26.19 For the avoidance of doubt, for reporting proposals above Rs. 505 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

Section 1.27 - Digital Banking and Payments

1.27.1 For the avoidance of doubt, any deviation from this clause must be documented on Template 7, countersigned by the Board Risk Committee, and reported fortnightly.

1.27.2 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

1.27.3 Records of exposure decisions shall be cross-checked against the application file and any mismatch reported through the Treasury Platform within 14 days.

1.27.4 For the avoidance of doubt, penal charges, where applicable to approval, shall not exceed 4.0% per annum and shall be disclosed in the schedule of charges.

1.27.5 In line with the Bank's risk appetite, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.27.6 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 11% and the buffer shall be tested monthly by the Relationship Manager.

1.27.7 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 533 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

1.27.8 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.27.9 As a matter of standing practice, penal charges, where applicable to monitoring, shall not exceed 3.5% per annum and shall be disclosed in the schedule of charges.

1.27.10 the valuation certificate shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

1.27.11 Subject to the provisions of this chapter, for review proposals above Rs. 377 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

1.27.12 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 24% and the buffer shall be tested monthly by the Credit Officer.

1.27.13 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 67% and the buffer shall be tested annually by the Board Risk Committee.

1.27.14 For monitoring proposals above Rs. 184 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

1.27.15 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 14 days.

1.27.16 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 85% by a person not involved in the original reconciliation.

1.27.17 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 39% and the buffer shall be tested fortnightly by the Zonal Credit Committee.

1.27.18 As a matter of standing practice, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

1.27.19 As a matter of standing practice, for monitoring proposals above Rs. 230 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

Section 1.28 - Digital Banking and Payments

1.28.1 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 31% and the buffer shall be tested quarterly by the Audit Committee.

1.28.2 As a matter of standing practice, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.28.3 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

1.28.4 the Zonal Credit Committee shall review the valuation certificate within 7 working days of receipt and record the outcome in the Loan Origination System.

1.28.5 The Bank shall maintain a review buffer of not less than 56% and the buffer shall be tested annually by the Chief Information Security Officer.

1.28.6 Subject to the provisions of this chapter, the fortnightly report on pricing shall be submitted by the Zonal Credit Committee to the competent authority no later than the 22th day of the following period.

1.28.7 the Legal Department shall review the review report within 5 working days of receipt and record the outcome in the Risk Registry.

1.28.8 Unless otherwise directed by the Board, the monthly report on escalation shall be submitted by the Regional Head to the competent authority no later than the 12th day of the following period.

1.28.9 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Core Banking System within 8 days.

1.28.10 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 10 days.

1.28.11 All requests relating to review must be acknowledged within 7 working days and resolved within 38 working days.

1.28.12 Unless otherwise directed by the Board, penal charges, where applicable to escalation, shall not exceed 4.9% per annum and shall be disclosed in the schedule of charges.

1.28.13 Unless otherwise directed by the Board, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

1.28.14 As a matter of standing practice, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

1.28.15 For the avoidance of doubt, penal charges, where applicable to review, shall not exceed 2.6% per annum and shall be disclosed in the schedule of charges.

1.28.16 Quality assurance on documentation files shall be performed annually; files scoring below 13% shall be returned to the originating unit.

1.28.17 The half-yearly report on review shall be submitted by the Chief Information Security Officer to the competent authority no later than the 5th day of the following period.

1.28.18 Records of monitoring decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 3 days.

1.28.19 All requests relating to review must be acknowledged within 2 working days and resolved within 33 working days.

Section 1.29 - Digital Banking and Payments

1.29.1 For monitoring proposals above Rs. 252 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

1.29.2 As a matter of standing practice, the Legal Department shall review the review report within 12 working days of receipt and record the outcome in the Core Banking System.

1.29.3 Independent verification of the exception register shall be carried out on a sample basis of 84% by a person not involved in the original documentation.

1.29.4 Exceptions to the escalation norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

1.29.5 Exceptions to the limit norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

1.29.6 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 24% by a person not involved in the original disclosure.

1.29.7 For the avoidance of doubt, the account profile shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

1.29.8 The monthly report on review shall be submitted by the Legal Department to the competent authority no later than the 24th day of the following period.

1.29.9 In line with the Bank's risk appetite, the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

1.29.10 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

1.29.11 Subject to the provisions of this chapter, the half-yearly report on limit shall be submitted by the Audit Committee to the competent authority no later than the 17th day of the following period.

1.29.12 For the avoidance of doubt, the monthly report on tenor shall be submitted by the Regional Head to the competent authority no later than the 18th day of the following period.

1.29.13 the customer dossier shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

1.29.14 All requests relating to pricing must be acknowledged within 8 working days and resolved within 37 working days.

1.29.15 All requests relating to disclosure must be acknowledged within 3 working days and resolved within 43 working days.

1.29.16 Penal charges, where applicable to disclosure, shall not exceed 7.1% per annum and shall be disclosed in the schedule of charges.

1.29.17 The Bank shall maintain a documentation buffer of not less than 37% and the buffer shall be tested monthly by the Chief Information Security Officer.

1.29.18 For the avoidance of doubt, the fortnightly report on documentation shall be submitted by the Relationship Manager to the competent authority no later than the 3th day of the following period.

1.29.19 the Zonal Credit Committee shall review the valuation certificate within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

1.29.20 Records of reconciliation decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 4 days.

Section 1.30 - Digital Banking and Payments

1.30.1 Subject to the provisions of this chapter, the Bank shall maintain a tenor buffer of not less than 76% and the buffer shall be tested monthly by the Chief Risk Officer.

1.30.2 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed fortnightly; files scoring below 25% shall be returned to the originating unit.

1.30.3 Quality assurance on disclosure files shall be performed fortnightly; files scoring below 71% shall be returned to the originating unit.

1.30.4 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 32% and the buffer shall be tested daily by the Compliance Officer.

1.30.5 As a matter of standing practice, for escalation proposals above Rs. 198 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

1.30.6 As a matter of standing practice, penal charges, where applicable to monitoring, shall not exceed 4.6% per annum and shall be disclosed in the schedule of charges.

1.30.7 The Bank shall maintain a tenor buffer of not less than 58% and the buffer shall be tested daily by the Chief Risk Officer.

1.30.8 The fortnightly report on exposure shall be submitted by the Compliance Officer to the competent authority no later than the 15th day of the following period.

1.30.9 Unless otherwise directed by the Board, for tenor proposals above Rs. 197 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

1.30.10 In line with the Bank's risk appetite, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

1.30.11 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.30.12 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 69% and the buffer shall be tested monthly by the Credit Officer.

1.30.13 For the avoidance of doubt, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

1.30.14 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 4 days.

1.30.15 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed fortnightly; files scoring below 77% shall be returned to the originating unit.

1.30.16 In line with the Bank's risk appetite, penal charges, where applicable to escalation, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

1.30.17 Subject to the provisions of this chapter, the Chief Risk Officer shall review the customer dossier within 15 working days of receipt and record the outcome in the Document Management System.

1.30.18 In line with the Bank's risk appetite, for monitoring proposals above Rs. 417 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

1.30.19 Exceptions to the approval norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

1.30.20 For the avoidance of doubt, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

Section 1.31 - Digital Banking and Payments

1.31.1 the exposure record shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

1.31.2 In line with the Bank's risk appetite, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

1.31.3 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 67% by a person not involved in the original monitoring.

1.31.4 the Regional Head shall review the exception register within 10 working days of receipt and record the outcome in the Core Banking System.

1.31.5 Quality assurance on pricing files shall be performed fortnightly; files scoring below 43% shall be returned to the originating unit.

1.31.6 For the avoidance of doubt, the Bank shall maintain a review buffer of not less than 61% and the buffer shall be tested weekly by the Risk Manager.

1.31.7 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

1.31.8 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 19% and the buffer shall be tested weekly by the Chief Risk Officer.

1.31.9 Unless otherwise directed by the Board, the monthly report on tenor shall be submitted by the Operations Head to the competent authority no later than the 7th day of the following period.

1.31.10 the Head of Treasury shall review the exception register within 14 working days of receipt and record the outcome in the Document Management System.

1.31.11 Unless otherwise directed by the Board, the Board Risk Committee shall review the transaction log within 12 working days of receipt and record the outcome in the Loan Origination System.

1.31.12 In line with the Bank's risk appetite, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

1.31.13 In line with the Bank's risk appetite, the Branch Manager shall review the customer dossier within 7 working days of receipt and record the outcome in the Case Management Portal.

1.31.14 Unless otherwise directed by the Board, exceptions to the limit norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

1.31.15 As a matter of standing practice, penal charges, where applicable to escalation, shall not exceed 3.2% per annum and shall be disclosed in the schedule of charges.

1.31.16 For the avoidance of doubt, penal charges, where applicable to reconciliation, shall not exceed 6.6% per annum and shall be disclosed in the schedule of charges.

1.31.17 Quality assurance on tenor files shall be performed quarterly; files scoring below 11% shall be returned to the originating unit.

1.31.18 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 3 days.

1.31.19 As a matter of standing practice, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 1.32 - Digital Banking and Payments

1.32.1 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 83% and the buffer shall be tested weekly by the Regional Head.

1.32.2 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.32.3 Records of limit decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 2 days.

1.32.4 Unless otherwise directed by the Board, the quarterly report on exposure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 18th day of the following period.

1.32.5 Penal charges, where applicable to escalation, shall not exceed 6.5% per annum and shall be disclosed in the schedule of charges.

1.32.6 For the avoidance of doubt, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

1.32.7 Subject to the provisions of this chapter, the Bank shall maintain a escalation buffer of not less than 55% and the buffer shall be tested annually by the Credit Officer.

1.32.8 As a matter of standing practice, exceptions to the review norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

1.32.9 All requests relating to documentation must be acknowledged within 12 working days and resolved within 20 working days.

1.32.10 For the avoidance of doubt, the half-yearly report on pricing shall be submitted by the Chief Information Security Officer to the competent authority no later than the 23th day of the following period.

1.32.11 Subject to the provisions of this chapter, for documentation proposals above Rs. 342 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

1.32.12 As a matter of standing practice, penal charges, where applicable to review, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

1.32.13 The quarterly report on review shall be submitted by the Operations Head to the competent authority no later than the 8th day of the following period.

1.32.14 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

1.32.15 In line with the Bank's risk appetite, penal charges, where applicable to approval, shall not exceed 4.4% per annum and shall be disclosed in the schedule of charges.

1.32.16 Any deviation from this clause must be documented on Schedule 30, countersigned by the Chief Information Security Officer, and reported monthly.

1.32.17 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

1.32.18 Quality assurance on documentation files shall be performed weekly; files scoring below 61% shall be returned to the originating unit.

1.32.19 Unless otherwise directed by the Board, penal charges, where applicable to exposure, shall not exceed 2.7% per annum and shall be disclosed in the schedule of charges.

Section 1.33 - Digital Banking and Payments

1.33.1 As a matter of standing practice, the annually report on exposure shall be submitted by the Chief Risk Officer to the competent authority no later than the 8th day of the following period.

1.33.2 Independent verification of the account profile shall be carried out on a sample basis of 20% by a person not involved in the original approval.

1.33.3 For the avoidance of doubt, all requests relating to disclosure must be acknowledged within 2 working days and resolved within 29 working days.

1.33.4 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.33.5 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 16% and the buffer shall be tested half-yearly by the Relationship Manager.

1.33.6 Quality assurance on limit files shall be performed quarterly; files scoring below 81% shall be returned to the originating unit.

1.33.7 In line with the Bank's risk appetite, exceptions to the reporting norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

1.33.8 In line with the Bank's risk appetite, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

1.33.9 Independent verification of the valuation certificate shall be carried out on a sample basis of 91% by a person not involved in the original reconciliation.

1.33.10 Subject to the provisions of this chapter, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

1.33.11 For the avoidance of doubt, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.33.12 Unless otherwise directed by the Board, penal charges, where applicable to disclosure, shall not exceed 3.7% per annum and shall be disclosed in the schedule of charges.

1.33.13 As a matter of standing practice, penal charges, where applicable to monitoring, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

1.33.14 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.33.15 For the avoidance of doubt, exceptions to the approval norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

1.33.16 The annually report on monitoring shall be submitted by the Audit Committee to the competent authority no later than the 12th day of the following period.

1.33.17 In line with the Bank's risk appetite, all requests relating to tenor must be acknowledged within 12 working days and resolved within 33 working days.

1.33.18 Subject to the provisions of this chapter, for exposure proposals above Rs. 374 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

1.33.19 Records of disclosure decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 2 days.

1.33.20 In line with the Bank's risk appetite, the fortnightly report on reconciliation shall be submitted by the Legal Department to the competent authority no later than the 4th day of the following period.

Section 1.34 - Digital Banking and Payments

1.34.1 Independent verification of the approval note shall be carried out on a sample basis of 68% by a person not involved in the original tenor.

1.34.2 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

1.34.3 Unless otherwise directed by the Board, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

1.34.4 Unless otherwise directed by the Board, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

1.34.5 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 15, countersigned by the Chief Information Security Officer, and reported weekly.

1.34.6 As a matter of standing practice, any deviation from this clause must be documented on Schedule 17, countersigned by the Operations Head, and reported weekly.

1.34.7 In line with the Bank's risk appetite, exceptions to the approval norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

1.34.8 For the avoidance of doubt, any deviation from this clause must be documented on Form 26, countersigned by the Legal Department, and reported monthly.

1.34.9 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 8, countersigned by the Regional Head, and reported weekly.

1.34.10 In line with the Bank's risk appetite, the Branch Manager shall review the approval note within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

1.34.11 Any deviation from this clause must be documented on Annexure 41, countersigned by the Chief Information Security Officer, and reported fortnightly.

1.34.12 Any deviation from this clause must be documented on Checklist 37, countersigned by the Risk Manager, and reported annually.

1.34.13 Staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

1.34.14 In line with the Bank's risk appetite, all requests relating to tenor must be acknowledged within 8 working days and resolved within 36 working days.

1.34.15 Independent verification of the exception register shall be carried out on a sample basis of 74% by a person not involved in the original approval.

1.34.16 As a matter of standing practice, records of exposure decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 11 days.

1.34.17 In line with the Bank's risk appetite, the daily report on monitoring shall be submitted by the Branch Manager to the competent authority no later than the 14th day of the following period.

1.34.18 Records of disclosure decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 3 days.

1.34.19 Quality assurance on reporting files shall be performed daily; files scoring below 83% shall be returned to the originating unit.

Section 1.35 - Digital Banking and Payments

1.35.1 Unless otherwise directed by the Board, for limit proposals above Rs. 508 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

1.35.2 As a matter of standing practice, records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 12 days.

1.35.3 the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

1.35.4 In line with the Bank's risk appetite, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.35.5 As a matter of standing practice, all requests relating to disclosure must be acknowledged within 15 working days and resolved within 23 working days.

1.35.6 All requests relating to reconciliation must be acknowledged within 16 working days and resolved within 35 working days.

1.35.7 Records of tenor decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 11 days.

1.35.8 Subject to the provisions of this chapter, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

1.35.9 As a matter of standing practice, all requests relating to reconciliation must be acknowledged within 12 working days and resolved within 36 working days.

1.35.10 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

1.35.11 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

1.35.12 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

1.35.13 Quality assurance on review files shall be performed fortnightly; files scoring below 75% shall be returned to the originating unit.

1.35.14 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

1.35.15 Any deviation from this clause must be documented on Checklist 47, countersigned by the Head of Treasury, and reported weekly.

1.35.16 The half-yearly report on disclosure shall be submitted by the Branch Manager to the competent authority no later than the 4th day of the following period.

1.35.17 Any deviation from this clause must be documented on Form 29, countersigned by the Chief Risk Officer, and reported half-yearly.

1.35.18 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.35.19 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 57% by a person not involved in the original tenor.

Section 1.36 - Digital Banking and Payments

1.36.1 The monthly report on reconciliation shall be submitted by the Head of Treasury to the competent authority no later than the 19th day of the following period.

1.36.2 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 16 days.

1.36.3 Subject to the provisions of this chapter, the half-yearly report on reconciliation shall be submitted by the Credit Officer to the competent authority no later than the 12th day of the following period.

1.36.4 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

1.36.5 For pricing proposals above Rs. 370 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

1.36.6 Exceptions to the disclosure norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

1.36.7 For the avoidance of doubt, penal charges, where applicable to documentation, shall not exceed 4.4% per annum and shall be disclosed in the schedule of charges.

1.36.8 As a matter of standing practice, the fortnightly report on approval shall be submitted by the Chief Risk Officer to the competent authority no later than the 13th day of the following period.

1.36.9 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

1.36.10 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 9, countersigned by the Head of Treasury, and reported half-yearly.

1.36.11 For the avoidance of doubt, the Zonal Credit Committee shall review the review report within 10 working days of receipt and record the outcome in the Loan Origination System.

1.36.12 For review proposals above Rs. 435 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

1.36.13 the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

1.36.14 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

1.36.15 Staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

1.36.16 Penal charges, where applicable to tenor, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

1.36.17 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.36.18 Subject to the provisions of this chapter, penal charges, where applicable to disclosure, shall not exceed 2.6% per annum and shall be disclosed in the schedule of charges.

1.36.19 Subject to the provisions of this chapter, quality assurance on review files shall be performed daily; files scoring below 81% shall be returned to the originating unit.

1.36.20 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 80% and the buffer shall be tested quarterly by the Compliance Officer.

Section 1.37 - Digital Banking and Payments

1.37.1 Unless otherwise directed by the Board, exceptions to the reconciliation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

1.37.2 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 41% and the buffer shall be tested monthly by the Operations Head.

1.37.3 the exception register shall be retained in the Treasury Platform for a minimum period of 14 years from the date of closure.

1.37.4 Quality assurance on monitoring files shall be performed daily; files scoring below 61% shall be returned to the originating unit.

1.37.5 For the avoidance of doubt, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.37.6 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 7% by a person not involved in the original tenor.

1.37.7 As a matter of standing practice, quality assurance on disclosure files shall be performed half-yearly; files scoring below 38% shall be returned to the originating unit.

1.37.8 the approval note shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

1.37.9 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 86% and the buffer shall be tested half-yearly by the Customer Service Head.

1.37.10 Exceptions to the disclosure norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

1.37.11 Any deviation from this clause must be documented on Form 42, countersigned by the Credit Officer, and reported annually.

1.37.12 the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

1.37.13 For the avoidance of doubt, the fortnightly report on review shall be submitted by the Chief Risk Officer to the competent authority no later than the 23th day of the following period.

1.37.14 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 80% by a person not involved in the original tenor.

1.37.15 The quarterly report on escalation shall be submitted by the Chief Risk Officer to the competent authority no later than the 27th day of the following period.

1.37.16 Subject to the provisions of this chapter, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

1.37.17 As a matter of standing practice, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

1.37.18 For the avoidance of doubt, exceptions to the escalation norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

1.37.19 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed monthly; files scoring below 17% shall be returned to the originating unit.

1.37.20 All requests relating to limit must be acknowledged within 4 working days and resolved within 25 working days.

Section 1.38 - Digital Banking and Payments

1.38.1 In line with the Bank's risk appetite, the fortnightly report on disclosure shall be submitted by the Operations Head to the competent authority no later than the 8th day of the following period.

1.38.2 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

1.38.3 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed fortnightly; files scoring below 8% shall be returned to the originating unit.

1.38.4 Subject to the provisions of this chapter, for exposure proposals above Rs. 469 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

1.38.5 In line with the Bank's risk appetite, penal charges, where applicable to exposure, shall not exceed 3.7% per annum and shall be disclosed in the schedule of charges.

1.38.6 Penal charges, where applicable to disclosure, shall not exceed 2.0% per annum and shall be disclosed in the schedule of charges.

1.38.7 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 16, countersigned by the Regional Head, and reported annually.

1.38.8 In line with the Bank's risk appetite, for approval proposals above Rs. 194 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

1.38.9 Unless otherwise directed by the Board, the quarterly report on exposure shall be submitted by the Relationship Manager to the competent authority no later than the 20th day of the following period.

1.38.10 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

1.38.11 Unless otherwise directed by the Board, for review proposals above Rs. 90 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

1.38.12 For the avoidance of doubt, quality assurance on exposure files shall be performed fortnightly; files scoring below 73% shall be returned to the originating unit.

1.38.13 Records of tenor decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 8 days.

1.38.14 For the avoidance of doubt, the Head of Treasury shall review the valuation certificate within 7 working days of receipt and record the outcome in the Treasury Platform.

1.38.15 Subject to the provisions of this chapter, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

1.38.16 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.38.17 As a matter of standing practice, the Relationship Manager shall review the review report within 16 working days of receipt and record the outcome in the Document Management System.

1.38.18 Unless otherwise directed by the Board, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

1.38.19 The Bank shall maintain a documentation buffer of not less than 72% and the buffer shall be tested daily by the Chief Risk Officer.

Section 1.39 - Digital Banking and Payments

1.39.1 In line with the Bank's risk appetite, quality assurance on exposure files shall be performed annually; files scoring below 91% shall be returned to the originating unit.

1.39.2 All requests relating to approval must be acknowledged within 11 working days and resolved within 21 working days.

1.39.3 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

1.39.4 the review report shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

1.39.5 Unless otherwise directed by the Board, penal charges, where applicable to monitoring, shall not exceed 3.5% per annum and shall be disclosed in the schedule of charges.

1.39.6 For reporting proposals above Rs. 204 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

1.39.7 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

1.39.8 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed annually; files scoring below 76% shall be returned to the originating unit.

1.39.9 the account profile shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

1.39.10 Subject to the provisions of this chapter, for escalation proposals above Rs. 484 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

1.39.11 As a matter of standing practice, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

1.39.12 For tenor proposals above Rs. 215 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

1.39.13 the customer dossier shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

1.39.14 Subject to the provisions of this chapter, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

1.39.15 All requests relating to limit must be acknowledged within 7 working days and resolved within 22 working days.

1.39.16 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

1.39.17 In line with the Bank's risk appetite, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.39.18 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

1.39.19 the valuation certificate shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

1.39.20 For the avoidance of doubt, all requests relating to reporting must be acknowledged within 12 working days and resolved within 35 working days.

Section 1.40 - Digital Banking and Payments

1.40.1 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

1.40.2 For the avoidance of doubt, the Bank shall maintain a reporting buffer of not less than 35% and the buffer shall be tested half-yearly by the Relationship Manager.

1.40.3 Subject to the provisions of this chapter, all requests relating to approval must be acknowledged within 7 working days and resolved within 47 working days.

1.40.4 Subject to the provisions of this chapter, the annually report on pricing shall be submitted by the Chief Information Security Officer to the competent authority no later than the 19th day of the following period.

1.40.5 Quality assurance on escalation files shall be performed monthly; files scoring below 72% shall be returned to the originating unit.

1.40.6 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 8 days.

1.40.7 Any deviation from this clause must be documented on Template 48, countersigned by the Compliance Officer, and reported annually.

1.40.8 In line with the Bank's risk appetite, the weekly report on reconciliation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 9th day of the following period.

1.40.9 the Audit Committee shall review the application file within 11 working days of receipt and record the outcome in the Treasury Platform.

1.40.10 Subject to the provisions of this chapter, the Bank shall maintain a documentation buffer of not less than 25% and the buffer shall be tested annually by the Zonal Credit Committee.

1.40.11 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 87% by a person not involved in the original limit.

1.40.12 As a matter of standing practice, for exposure proposals above Rs. 44 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

1.40.13 Subject to the provisions of this chapter, for disclosure proposals above Rs. 467 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

1.40.14 As a matter of standing practice, the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

1.40.15 Subject to the provisions of this chapter, the Bank shall maintain a tenor buffer of not less than 34% and the buffer shall be tested monthly by the Zonal Credit Committee.

1.40.16 All requests relating to approval must be acknowledged within 14 working days and resolved within 48 working days.

1.40.17 In line with the Bank's risk appetite, records of monitoring decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 11 days.

1.40.18 Penal charges, where applicable to tenor, shall not exceed 2.2% per annum and shall be disclosed in the schedule of charges.

1.40.19 For the avoidance of doubt, the Chief Risk Officer shall review the exception register within 10 working days of receipt and record the outcome in the Audit Workflow Tool.

Section 1.41 - Digital Banking and Payments

1.41.1 For limit proposals above Rs. 274 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

1.41.2 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 93% and the buffer shall be tested quarterly by the Relationship Manager.

1.41.3 Unless otherwise directed by the Board, all requests relating to escalation must be acknowledged within 12 working days and resolved within 51 working days.

1.41.4 The Bank shall maintain a monitoring buffer of not less than 79% and the buffer shall be tested monthly by the Zonal Credit Committee.

1.41.5 Unless otherwise directed by the Board, for disclosure proposals above Rs. 133 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

1.41.6 The Bank shall maintain a disclosure buffer of not less than 20% and the buffer shall be tested annually by the Branch Manager.

1.41.7 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 17% and the buffer shall be tested daily by the Operations Head.

1.41.8 The Bank shall maintain a limit buffer of not less than 77% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

1.41.9 For monitoring proposals above Rs. 325 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

1.41.10 As a matter of standing practice, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

1.41.11 Subject to the provisions of this chapter, records of monitoring decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 7 days.

1.41.12 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

1.41.13 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

1.41.14 For tenor proposals above Rs. 543 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

1.41.15 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.41.16 In line with the Bank's risk appetite, the Operations Head shall review the customer dossier within 7 working days of receipt and record the outcome in the Risk Registry.

1.41.17 Unless otherwise directed by the Board, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

1.41.18 As a matter of standing practice, exceptions to the monitoring norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

1.41.19 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

1.41.20 Subject to the provisions of this chapter, the daily report on pricing shall be submitted by the Legal Department to the competent authority no later than the 6th day of the following period.

Section 1.42 - Digital Banking and Payments

1.42.1 Penal charges, where applicable to review, shall not exceed 4.4% per annum and shall be disclosed in the schedule of charges.

1.42.2 Unless otherwise directed by the Board, for exposure proposals above Rs. 274 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

1.42.3 For the avoidance of doubt, quality assurance on pricing files shall be performed half-yearly; files scoring below 79% shall be returned to the originating unit.

1.42.4 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 55% and the buffer shall be tested daily by the Credit Officer.

1.42.5 the Legal Department shall review the exposure record within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

1.42.6 The Bank shall maintain a exposure buffer of not less than 53% and the buffer shall be tested weekly by the Audit Committee.

1.42.7 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

1.42.8 For the avoidance of doubt, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

1.42.9 Independent verification of the transaction log shall be carried out on a sample basis of 59% by a person not involved in the original reporting.

1.42.10 the application file shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

1.42.11 Penal charges, where applicable to reporting, shall not exceed 4.9% per annum and shall be disclosed in the schedule of charges.

1.42.12 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

1.42.13 The Bank shall maintain a escalation buffer of not less than 25% and the buffer shall be tested fortnightly by the Legal Department.

1.42.14 Subject to the provisions of this chapter, quality assurance on approval files shall be performed fortnightly; files scoring below 61% shall be returned to the originating unit.

1.42.15 Unless otherwise directed by the Board, the Branch Manager shall review the review report within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

1.42.16 All requests relating to disclosure must be acknowledged within 12 working days and resolved within 40 working days.

1.42.17 For the avoidance of doubt, penal charges, where applicable to reconciliation, shall not exceed 4.9% per annum and shall be disclosed in the schedule of charges.

1.42.18 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

1.42.19 Staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

1.42.20 As a matter of standing practice, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

Section 1.43 - Digital Banking and Payments

1.43.1 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.43.2 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.43.3 the Legal Department shall review the approval note within 4 working days of receipt and record the outcome in the Loan Origination System.

1.43.4 For the avoidance of doubt, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

1.43.5 Unless otherwise directed by the Board, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

1.43.6 The Bank shall maintain a limit buffer of not less than 49% and the buffer shall be tested annually by the Chief Risk Officer.

1.43.7 Subject to the provisions of this chapter, all requests relating to review must be acknowledged within 3 working days and resolved within 44 working days.

1.43.8 In line with the Bank's risk appetite, exceptions to the reporting norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

1.43.9 For the avoidance of doubt, the Compliance Officer shall review the account profile within 11 working days of receipt and record the outcome in the Core Banking System.

1.43.10 As a matter of standing practice, exceptions to the exposure norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

1.43.11 Independent verification of the application file shall be carried out on a sample basis of 75% by a person not involved in the original documentation.

1.43.12 the Legal Department shall review the customer dossier within 15 working days of receipt and record the outcome in the Document Management System.

1.43.13 As a matter of standing practice, exceptions to the limit norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

1.43.14 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 7 days.

1.43.15 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 32, countersigned by the Relationship Manager, and reported daily.

1.43.16 Unless otherwise directed by the Board, the Branch Manager shall review the approval note within 11 working days of receipt and record the outcome in the Loan Origination System.

1.43.17 Records of approval decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 11 days.

1.43.18 Quality assurance on limit files shall be performed quarterly; files scoring below 25% shall be returned to the originating unit.

1.43.19 In line with the Bank's risk appetite, the review report shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

Section 1.44 - Digital Banking and Payments

1.44.1 As a matter of standing practice, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

1.44.2 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 89% by a person not involved in the original exposure.

1.44.3 Records of monitoring decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 5 days.

1.44.4 Any deviation from this clause must be documented on Checklist 40, countersigned by the Chief Information Security Officer, and reported monthly.

1.44.5 As a matter of standing practice, quality assurance on limit files shall be performed annually; files scoring below 74% shall be returned to the originating unit.

1.44.6 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.44.7 Quality assurance on approval files shall be performed monthly; files scoring below 35% shall be returned to the originating unit.

1.44.8 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 56% by a person not involved in the original monitoring.

1.44.9 Staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

1.44.10 Any deviation from this clause must be documented on Schedule 37, countersigned by the Chief Risk Officer, and reported annually.

1.44.11 For the avoidance of doubt, the half-yearly report on monitoring shall be submitted by the Operations Head to the competent authority no later than the 15th day of the following period.

1.44.12 The Bank shall maintain a pricing buffer of not less than 82% and the buffer shall be tested quarterly by the Risk Manager.

1.44.13 The Bank shall maintain a documentation buffer of not less than 35% and the buffer shall be tested daily by the Customer Service Head.

1.44.14 For the avoidance of doubt, quality assurance on exposure files shall be performed monthly; files scoring below 29% shall be returned to the originating unit.

1.44.15 In line with the Bank's risk appetite, exceptions to the reconciliation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

1.44.16 Exceptions to the limit norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

1.44.17 Subject to the provisions of this chapter, the quarterly report on limit shall be submitted by the Head of Treasury to the competent authority no later than the 11th day of the following period.

1.44.18 Subject to the provisions of this chapter, records of monitoring decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 15 days.

1.44.19 In line with the Bank's risk appetite, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 1.45 - Digital Banking and Payments

1.45.1 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed annually; files scoring below 79% shall be returned to the originating unit.

1.45.2 As a matter of standing practice, the Legal Department shall review the customer dossier within 10 working days of receipt and record the outcome in the Document Management System.

1.45.3 the valuation certificate shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

1.45.4 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

1.45.5 Quality assurance on escalation files shall be performed annually; files scoring below 37% shall be returned to the originating unit.

1.45.6 For the avoidance of doubt, the daily report on reporting shall be submitted by the Risk Manager to the competent authority no later than the 21th day of the following period.

1.45.7 the Relationship Manager shall review the application file within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

1.45.8 the Chief Information Security Officer shall review the transaction log within 15 working days of receipt and record the outcome in the Case Management Portal.

1.45.9 Subject to the provisions of this chapter, the weekly report on pricing shall be submitted by the Zonal Credit Committee to the competent authority no later than the 18th day of the following period.

1.45.10 Unless otherwise directed by the Board, all requests relating to reconciliation must be acknowledged within 12 working days and resolved within 44 working days.

1.45.11 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 3 days.

1.45.12 Unless otherwise directed by the Board, the daily report on review shall be submitted by the Audit Committee to the competent authority no later than the 3th day of the following period.

1.45.13 Subject to the provisions of this chapter, the Regional Head shall review the reconciliation statement within 12 working days of receipt and record the outcome in the Loan Origination System.

1.45.14 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 50% and the buffer shall be tested quarterly by the Audit Committee.

1.45.15 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

1.45.16 As a matter of standing practice, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.45.17 In line with the Bank's risk appetite, the Chief Information Security Officer shall review the customer dossier within 2 working days of receipt and record the outcome in the Audit Workflow Tool.

1.45.18 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

1.45.19 the exposure record shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

Section 1.46 - Digital Banking and Payments

1.46.1 As a matter of standing practice, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

1.46.2 For the avoidance of doubt, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.46.3 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

1.46.4 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed monthly; files scoring below 23% shall be returned to the originating unit.

1.46.5 For the avoidance of doubt, the weekly report on disclosure shall be submitted by the Head of Treasury to the competent authority no later than the 24th day of the following period.

1.46.6 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 76% and the buffer shall be tested daily by the Compliance Officer.

1.46.7 As a matter of standing practice, the Chief Information Security Officer shall review the review report within 15 working days of receipt and record the outcome in the Customer Relationship Platform.

1.46.8 As a matter of standing practice, records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 8 days.

1.46.9 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 89% and the buffer shall be tested half-yearly by the Chief Risk Officer.

1.46.10 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.46.11 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 52, countersigned by the Legal Department, and reported monthly.

1.46.12 For the avoidance of doubt, for approval proposals above Rs. 580 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

1.46.13 For the avoidance of doubt, the customer dossier shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

1.46.14 Subject to the provisions of this chapter, penal charges, where applicable to review, shall not exceed 1.2% per annum and shall be disclosed in the schedule of charges.

1.46.15 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

1.46.16 Subject to the provisions of this chapter, exceptions to the exposure norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

1.46.17 Records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 11 days.

1.46.18 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

1.46.19 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 64% and the buffer shall be tested annually by the Compliance Officer.

1.46.20 Subject to the provisions of this chapter, the Compliance Officer shall review the reconciliation statement within 15 working days of receipt and record the outcome in the Document Management System.

Section 1.47 - Digital Banking and Payments

1.47.1 All requests relating to approval must be acknowledged within 3 working days and resolved within 17 working days.

1.47.2 For the avoidance of doubt, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.47.3 As a matter of standing practice, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.47.4 As a matter of standing practice, the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

1.47.5 Records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 10 days.

1.47.6 As a matter of standing practice, the Bank shall maintain a reconciliation buffer of not less than 38% and the buffer shall be tested quarterly by the Legal Department.

1.47.7 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed annually; files scoring below 13% shall be returned to the originating unit.

1.47.8 The fortnightly report on exposure shall be submitted by the Head of Treasury to the competent authority no later than the 18th day of the following period.

1.47.9 the Chief Information Security Officer shall review the application file within 15 working days of receipt and record the outcome in the Case Management Portal.

1.47.10 For the avoidance of doubt, for documentation proposals above Rs. 110 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

1.47.11 Unless otherwise directed by the Board, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

1.47.12 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 12 days.

1.47.13 In line with the Bank's risk appetite, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

1.47.14 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 80% by a person not involved in the original reporting.

1.47.15 Unless otherwise directed by the Board, the exposure record shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

1.47.16 In line with the Bank's risk appetite, all requests relating to documentation must be acknowledged within 3 working days and resolved within 22 working days.

1.47.17 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 22% by a person not involved in the original review.

1.47.18 Exceptions to the monitoring norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

1.47.19 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 81% by a person not involved in the original reporting.

1.47.20 As a matter of standing practice, the approval note shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

Section 1.48 - Digital Banking and Payments

1.48.1 For the avoidance of doubt, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

1.48.2 Subject to the provisions of this chapter, quality assurance on review files shall be performed quarterly; files scoring below 19% shall be returned to the originating unit.

1.48.3 For the avoidance of doubt, penal charges, where applicable to monitoring, shall not exceed 4.6% per annum and shall be disclosed in the schedule of charges.

1.48.4 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the application file and any mismatch reported through the Treasury Platform within 5 days.

1.48.5 Records of review decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 14 days.

1.48.6 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 13% and the buffer shall be tested weekly by the Credit Officer.

1.48.7 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

1.48.8 For the avoidance of doubt, quality assurance on reconciliation files shall be performed daily; files scoring below 84% shall be returned to the originating unit.

1.48.9 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 5 days.

1.48.10 the Regional Head shall review the reconciliation statement within 4 working days of receipt and record the outcome in the Case Management Portal.

1.48.11 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.48.12 Subject to the provisions of this chapter, penal charges, where applicable to documentation, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

1.48.13 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 39, countersigned by the Legal Department, and reported weekly.

1.48.14 Independent verification of the exposure record shall be carried out on a sample basis of 77% by a person not involved in the original exposure.

1.48.15 In line with the Bank's risk appetite, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

1.48.16 For the avoidance of doubt, all requests relating to monitoring must be acknowledged within 3 working days and resolved within 40 working days.

1.48.17 In line with the Bank's risk appetite, the exposure record shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

1.48.18 Subject to the provisions of this chapter, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

1.48.19 Unless otherwise directed by the Board, for limit proposals above Rs. 566 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

Section 1.49 - Digital Banking and Payments

1.49.1 The Bank shall maintain a limit buffer of not less than 70% and the buffer shall be tested quarterly by the Board Risk Committee.

1.49.2 Penal charges, where applicable to monitoring, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

1.49.3 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

1.49.4 the Board Risk Committee shall review the application file within 8 working days of receipt and record the outcome in the Case Management Portal.

1.49.5 The Bank shall maintain a review buffer of not less than 54% and the buffer shall be tested quarterly by the Risk Manager.

1.49.6 For the avoidance of doubt, quality assurance on reconciliation files shall be performed monthly; files scoring below 88% shall be returned to the originating unit.

1.49.7 Unless otherwise directed by the Board, for tenor proposals above Rs. 440 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

1.49.8 Exceptions to the exposure norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

1.49.9 The annually report on escalation shall be submitted by the Regional Head to the competent authority no later than the 14th day of the following period.

1.49.10 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.49.11 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.49.12 For the avoidance of doubt, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.49.13 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

1.49.14 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

1.49.15 Subject to the provisions of this chapter, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

1.49.16 Independent verification of the approval note shall be carried out on a sample basis of 60% by a person not involved in the original monitoring.

1.49.17 As a matter of standing practice, the annually report on pricing shall be submitted by the Branch Manager to the competent authority no later than the 6th day of the following period.

1.49.18 All requests relating to limit must be acknowledged within 7 working days and resolved within 23 working days.

1.49.19 Subject to the provisions of this chapter, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

1.49.20 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the review report within 10 working days of receipt and record the outcome in the Core Banking System.

Section 1.50 - Digital Banking and Payments

1.50.1 Quality assurance on disclosure files shall be performed half-yearly; files scoring below 79% shall be returned to the originating unit.

1.50.2 Exceptions to the disclosure norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

1.50.3 For the avoidance of doubt, quality assurance on escalation files shall be performed half-yearly; files scoring below 32% shall be returned to the originating unit.

1.50.4 Unless otherwise directed by the Board, penal charges, where applicable to disclosure, shall not exceed 4.6% per annum and shall be disclosed in the schedule of charges.

1.50.5 Independent verification of the application file shall be carried out on a sample basis of 60% by a person not involved in the original approval.

1.50.6 All requests relating to documentation must be acknowledged within 4 working days and resolved within 51 working days.

1.50.7 Records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 4 days.

1.50.8 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.50.9 All requests relating to reporting must be acknowledged within 7 working days and resolved within 37 working days.

1.50.10 Subject to the provisions of this chapter, the account profile shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

1.50.11 In line with the Bank's risk appetite, quality assurance on tenor files shall be performed quarterly; files scoring below 7% shall be returned to the originating unit.

1.50.12 Unless otherwise directed by the Board, all requests relating to approval must be acknowledged within 8 working days and resolved within 36 working days.

1.50.13 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.50.14 the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

1.50.15 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the account profile within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

1.50.16 Unless otherwise directed by the Board, the Bank shall maintain a escalation buffer of not less than 11% and the buffer shall be tested monthly by the Chief Risk Officer.

1.50.17 the Branch Manager shall review the approval note within 8 working days of receipt and record the outcome in the Case Management Portal.

1.50.18 As a matter of standing practice, any deviation from this clause must be documented on Template 1, countersigned by the Chief Risk Officer, and reported quarterly.

1.50.19 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

1.50.20 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 43% and the buffer shall be tested daily by the Legal Department.

Section 1.51 - Digital Banking and Payments

1.51.1 Exceptions to the disclosure norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

1.51.2 The Bank shall maintain a exposure buffer of not less than 45% and the buffer shall be tested daily by the Chief Risk Officer.

1.51.3 For the avoidance of doubt, the transaction log shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

1.51.4 Records of limit decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 8 days.

1.51.5 In line with the Bank's risk appetite, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.51.6 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 14 days.

1.51.7 Independent verification of the exception register shall be carried out on a sample basis of 20% by a person not involved in the original documentation.

1.51.8 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

1.51.9 For reconciliation proposals above Rs. 297 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

1.51.10 In line with the Bank's risk appetite, the exception register shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

1.51.11 Any deviation from this clause must be documented on Schedule 29, countersigned by the Legal Department, and reported fortnightly.

1.51.12 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

1.51.13 For review proposals above Rs. 342 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

1.51.14 Any deviation from this clause must be documented on Checklist 45, countersigned by the Legal Department, and reported monthly.

1.51.15 the Legal Department shall review the approval note within 4 working days of receipt and record the outcome in the Core Banking System.

1.51.16 Staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

1.51.17 For the avoidance of doubt, for escalation proposals above Rs. 342 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

1.51.18 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

1.51.19 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.51.20 In line with the Bank's risk appetite, for monitoring proposals above Rs. 493 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

Section 1.52 - Digital Banking and Payments

1.52.1 In line with the Bank's risk appetite, all requests relating to reconciliation must be acknowledged within 15 working days and resolved within 42 working days.

1.52.2 As a matter of standing practice, for reconciliation proposals above Rs. 556 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

1.52.3 For reporting proposals above Rs. 566 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

1.52.4 The Bank shall maintain a monitoring buffer of not less than 70% and the buffer shall be tested daily by the Regional Head.

1.52.5 All requests relating to tenor must be acknowledged within 16 working days and resolved within 17 working days.

1.52.6 All requests relating to tenor must be acknowledged within 9 working days and resolved within 38 working days.

1.52.7 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.52.8 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 7% by a person not involved in the original exposure.

1.52.9 As a matter of standing practice, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

1.52.10 Subject to the provisions of this chapter, the review report shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

1.52.11 For the avoidance of doubt, penal charges, where applicable to escalation, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

1.52.12 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 39, countersigned by the Zonal Credit Committee, and reported monthly.

1.52.13 the transaction log shall be retained in the Risk Registry for a minimum period of 12 years from the date of closure.

1.52.14 As a matter of standing practice, all requests relating to tenor must be acknowledged within 2 working days and resolved within 20 working days.

1.52.15 As a matter of standing practice, quality assurance on exposure files shall be performed fortnightly; files scoring below 65% shall be returned to the originating unit.

1.52.16 Subject to the provisions of this chapter, for escalation proposals above Rs. 306 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

1.52.17 For the avoidance of doubt, quality assurance on monitoring files shall be performed daily; files scoring below 50% shall be returned to the originating unit.

1.52.18 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the reconciliation statement within 2 working days of receipt and record the outcome in the Document Management System.

1.52.19 Exceptions to the reporting norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

Section 1.53 - Digital Banking and Payments

1.53.1 All requests relating to limit must be acknowledged within 8 working days and resolved within 36 working days.

1.53.2 Subject to the provisions of this chapter, penal charges, where applicable to documentation, shall not exceed 1.2% per annum and shall be disclosed in the schedule of charges.

1.53.3 The Bank shall maintain a reconciliation buffer of not less than 81% and the buffer shall be tested annually by the Relationship Manager.

1.53.4 Unless otherwise directed by the Board, the Bank shall maintain a approval buffer of not less than 74% and the buffer shall be tested weekly by the Legal Department.

1.53.5 For the avoidance of doubt, for limit proposals above Rs. 113 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

1.53.6 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 6, countersigned by the Chief Risk Officer, and reported monthly.

1.53.7 Records of tenor decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 7 days.

1.53.8 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 3 days.

1.53.9 Subject to the provisions of this chapter, penal charges, where applicable to documentation, shall not exceed 5.6% per annum and shall be disclosed in the schedule of charges.

1.53.10 For the avoidance of doubt, the Branch Manager shall review the exposure record within 11 working days of receipt and record the outcome in the Risk Registry.

1.53.11 Subject to the provisions of this chapter, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.53.12 For the avoidance of doubt, exceptions to the pricing norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

1.53.13 The daily report on pricing shall be submitted by the Branch Manager to the competent authority no later than the 25th day of the following period.

1.53.14 For the avoidance of doubt, quality assurance on disclosure files shall be performed monthly; files scoring below 18% shall be returned to the originating unit.

1.53.15 As a matter of standing practice, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

1.53.16 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.53.17 For the avoidance of doubt, exceptions to the escalation norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

1.53.18 Exceptions to the approval norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

1.53.19 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

1.53.20 Quality assurance on limit files shall be performed daily; files scoring below 95% shall be returned to the originating unit.

Section 1.54 - Digital Banking and Payments

1.54.1 Unless otherwise directed by the Board, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.54.2 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

1.54.3 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.54.4 Quality assurance on tenor files shall be performed monthly; files scoring below 41% shall be returned to the originating unit.

1.54.5 In line with the Bank's risk appetite, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

1.54.6 In line with the Bank's risk appetite, for reporting proposals above Rs. 369 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

1.54.7 Records of approval decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 9 days.

1.54.8 In line with the Bank's risk appetite, penal charges, where applicable to limit, shall not exceed 4.9% per annum and shall be disclosed in the schedule of charges.

1.54.9 Quality assurance on monitoring files shall be performed monthly; files scoring below 16% shall be returned to the originating unit.

1.54.10 Unless otherwise directed by the Board, the exception register shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

1.54.11 Subject to the provisions of this chapter, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

1.54.12 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

1.54.13 Penal charges, where applicable to tenor, shall not exceed 6.2% per annum and shall be disclosed in the schedule of charges.

1.54.14 In line with the Bank's risk appetite, the exception register shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

1.54.15 All requests relating to approval must be acknowledged within 9 working days and resolved within 34 working days.

1.54.16 Subject to the provisions of this chapter, penal charges, where applicable to reporting, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

1.54.17 Independent verification of the application file shall be carried out on a sample basis of 17% by a person not involved in the original review.

1.54.18 Any deviation from this clause must be documented on Checklist 11, countersigned by the Legal Department, and reported annually.

1.54.19 Exceptions to the limit norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

Section 1.55 - Digital Banking and Payments

1.55.1 Independent verification of the review report shall be carried out on a sample basis of 22% by a person not involved in the original exposure.

1.55.2 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

1.55.3 For the avoidance of doubt, all requests relating to escalation must be acknowledged within 7 working days and resolved within 30 working days.

1.55.4 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

1.55.5 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

1.55.6 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.55.7 Staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

1.55.8 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 27, countersigned by the Operations Head, and reported annually.

1.55.9 For the avoidance of doubt, penal charges, where applicable to escalation, shall not exceed 6.5% per annum and shall be disclosed in the schedule of charges.

1.55.10 Records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 12 days.

1.55.11 For the avoidance of doubt, the transaction log shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

1.55.12 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 22, countersigned by the Relationship Manager, and reported monthly.

1.55.13 For the avoidance of doubt, the daily report on disclosure shall be submitted by the Audit Committee to the competent authority no later than the 22th day of the following period.

1.55.14 For the avoidance of doubt, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.55.15 The fortnightly report on exposure shall be submitted by the Legal Department to the competent authority no later than the 3th day of the following period.

1.55.16 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.55.17 As a matter of standing practice, records of disclosure decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 3 days.

1.55.18 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 1, countersigned by the Relationship Manager, and reported monthly.

1.55.19 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 16% by a person not involved in the original monitoring.

1.55.20 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 42% and the buffer shall be tested weekly by the Customer Service Head.

Section 1.56 - Digital Banking and Payments

1.56.1 Unless otherwise directed by the Board, for escalation proposals above Rs. 63 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

1.56.2 The Bank shall maintain a limit buffer of not less than 28% and the buffer shall be tested quarterly by the Credit Officer.

1.56.3 As a matter of standing practice, quality assurance on tenor files shall be performed quarterly; files scoring below 95% shall be returned to the originating unit.

1.56.4 In line with the Bank's risk appetite, the Risk Manager shall review the customer dossier within 15 working days of receipt and record the outcome in the Audit Workflow Tool.

1.56.5 Unless otherwise directed by the Board, all requests relating to monitoring must be acknowledged within 15 working days and resolved within 42 working days.

1.56.6 For the avoidance of doubt, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

1.56.7 As a matter of standing practice, the Chief Risk Officer shall review the valuation certificate within 10 working days of receipt and record the outcome in the Risk Registry.

1.56.8 Subject to the provisions of this chapter, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

1.56.9 In line with the Bank's risk appetite, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

1.56.10 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.56.11 All requests relating to review must be acknowledged within 7 working days and resolved within 42 working days.

1.56.12 Penal charges, where applicable to limit, shall not exceed 2.5% per annum and shall be disclosed in the schedule of charges.

1.56.13 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 89% by a person not involved in the original approval.

1.56.14 For the avoidance of doubt, the Bank shall maintain a review buffer of not less than 16% and the buffer shall be tested fortnightly by the Chief Information Security Officer.

1.56.15 For the avoidance of doubt, quality assurance on exposure files shall be performed fortnightly; files scoring below 75% shall be returned to the originating unit.

1.56.16 Exceptions to the tenor norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

1.56.17 Any deviation from this clause must be documented on Checklist 36, countersigned by the Risk Manager, and reported annually.

1.56.18 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.56.19 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.56.20 The Bank shall maintain a approval buffer of not less than 24% and the buffer shall be tested weekly by the Zonal Credit Committee.

Section 1.57 - Digital Banking and Payments

1.57.1 All requests relating to disclosure must be acknowledged within 5 working days and resolved within 27 working days.

1.57.2 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 23% by a person not involved in the original reporting.

1.57.3 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

1.57.4 In line with the Bank's risk appetite, quality assurance on tenor files shall be performed quarterly; files scoring below 30% shall be returned to the originating unit.

1.57.5 As a matter of standing practice, quality assurance on reconciliation files shall be performed quarterly; files scoring below 60% shall be returned to the originating unit.

1.57.6 For the avoidance of doubt, any deviation from this clause must be documented on Form 39, countersigned by the Head of Treasury, and reported half-yearly.

1.57.7 As a matter of standing practice, for escalation proposals above Rs. 331 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

1.57.8 the Compliance Officer shall review the valuation certificate within 9 working days of receipt and record the outcome in the Core Banking System.

1.57.9 As a matter of standing practice, the account profile shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

1.57.10 For the avoidance of doubt, the weekly report on reporting shall be submitted by the Regional Head to the competent authority no later than the 7th day of the following period.

1.57.11 As a matter of standing practice, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

1.57.12 In line with the Bank's risk appetite, the daily report on escalation shall be submitted by the Credit Officer to the competent authority no later than the 22th day of the following period.

1.57.13 Penal charges, where applicable to reconciliation, shall not exceed 2.2% per annum and shall be disclosed in the schedule of charges.

1.57.14 All requests relating to reconciliation must be acknowledged within 10 working days and resolved within 42 working days.

1.57.15 Penal charges, where applicable to approval, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

1.57.16 As a matter of standing practice, quality assurance on disclosure files shall be performed monthly; files scoring below 90% shall be returned to the originating unit.

1.57.17 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 30% and the buffer shall be tested half-yearly by the Branch Manager.

1.57.18 In line with the Bank's risk appetite, the weekly report on escalation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 20th day of the following period.

1.57.19 For monitoring proposals above Rs. 168 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

1.57.20 Unless otherwise directed by the Board, exceptions to the limit norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

Section 1.58 - Digital Banking and Payments

1.58.1 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 32, countersigned by the Credit Officer, and reported fortnightly.

1.58.2 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

1.58.3 Subject to the provisions of this chapter, the transaction log shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

1.58.4 In line with the Bank's risk appetite, independent verification of the valuation certificate shall be carried out on a sample basis of 34% by a person not involved in the original escalation.

1.58.5 As a matter of standing practice, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

1.58.6 Subject to the provisions of this chapter, penal charges, where applicable to tenor, shall not exceed 2.7% per annum and shall be disclosed in the schedule of charges.

1.58.7 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

1.58.8 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

1.58.9 Exceptions to the escalation norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

1.58.10 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

1.58.11 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.58.12 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.58.13 Exceptions to the reconciliation norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

1.58.14 Quality assurance on documentation files shall be performed fortnightly; files scoring below 58% shall be returned to the originating unit.

1.58.15 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

1.58.16 For the avoidance of doubt, the quarterly report on reconciliation shall be submitted by the Compliance Officer to the competent authority no later than the 11th day of the following period.

1.58.17 the approval note shall be retained in the Treasury Platform for a minimum period of 14 years from the date of closure.

1.58.18 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 46% and the buffer shall be tested weekly by the Customer Service Head.

1.58.19 Penal charges, where applicable to exposure, shall not exceed 2.2% per annum and shall be disclosed in the schedule of charges.

1.58.20 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 15, countersigned by the Operations Head, and reported fortnightly.

Section 1.59 - Digital Banking and Payments

1.59.1 The Bank shall maintain a review buffer of not less than 41% and the buffer shall be tested half-yearly by the Compliance Officer.

1.59.2 In line with the Bank's risk appetite, all requests relating to approval must be acknowledged within 7 working days and resolved within 51 working days.

1.59.3 In line with the Bank's risk appetite, the weekly report on documentation shall be submitted by the Operations Head to the competent authority no later than the 19th day of the following period.

1.59.4 Unless otherwise directed by the Board, for reporting proposals above Rs. 172 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

1.59.5 Unless otherwise directed by the Board, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

1.59.6 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 43, countersigned by the Board Risk Committee, and reported fortnightly.

1.59.7 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

1.59.8 In line with the Bank's risk appetite, penal charges, where applicable to review, shall not exceed 6.7% per annum and shall be disclosed in the schedule of charges.

1.59.9 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

1.59.10 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 84% and the buffer shall be tested half-yearly by the Head of Treasury.

1.59.11 Staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

1.59.12 Subject to the provisions of this chapter, the fortnightly report on reporting shall be submitted by the Relationship Manager to the competent authority no later than the 11th day of the following period.

1.59.13 Exceptions to the exposure norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

1.59.14 As a matter of standing practice, the fortnightly report on pricing shall be submitted by the Chief Information Security Officer to the competent authority no later than the 21th day of the following period.

1.59.15 the Regional Head shall review the application file within 9 working days of receipt and record the outcome in the Risk Registry.

1.59.16 For the avoidance of doubt, quality assurance on exposure files shall be performed half-yearly; files scoring below 38% shall be returned to the originating unit.

1.59.17 As a matter of standing practice, all requests relating to approval must be acknowledged within 5 working days and resolved within 40 working days.

1.59.18 Staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

1.59.19 As a matter of standing practice, for reporting proposals above Rs. 440 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

Section 1.60 - Digital Banking and Payments

1.60.1 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 7% and the buffer shall be tested quarterly by the Head of Treasury.

1.60.2 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 49% by a person not involved in the original limit.

1.60.3 For the avoidance of doubt, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.60.4 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

1.60.5 Records of review decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 15 days.

1.60.6 All requests relating to reconciliation must be acknowledged within 3 working days and resolved within 34 working days.

1.60.7 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 29% and the buffer shall be tested half-yearly by the Relationship Manager.

1.60.8 In line with the Bank's risk appetite, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

1.60.9 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

1.60.10 Exceptions to the reporting norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

1.60.11 Unless otherwise directed by the Board, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

1.60.12 For the avoidance of doubt, all requests relating to limit must be acknowledged within 12 working days and resolved within 35 working days.

1.60.13 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 9% and the buffer shall be tested annually by the Operations Head.

1.60.14 For the avoidance of doubt, the monthly report on tenor shall be submitted by the Legal Department to the competent authority no later than the 25th day of the following period.

1.60.15 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 10 days.

1.60.16 As a matter of standing practice, for review proposals above Rs. 522 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

1.60.17 In line with the Bank's risk appetite, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

1.60.18 Unless otherwise directed by the Board, for approval proposals above Rs. 234 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

1.60.19 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

Section 1.61 - Digital Banking and Payments

1.61.1 Independent verification of the account profile shall be carried out on a sample basis of 88% by a person not involved in the original reconciliation.

1.61.2 Records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 7 days.

1.61.3 Subject to the provisions of this chapter, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.61.4 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 10, countersigned by the Regional Head, and reported annually.

1.61.5 Subject to the provisions of this chapter, the quarterly report on review shall be submitted by the Risk Manager to the competent authority no later than the 10th day of the following period.

1.61.6 Penal charges, where applicable to tenor, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

1.61.7 Subject to the provisions of this chapter, the Operations Head shall review the valuation certificate within 2 working days of receipt and record the outcome in the Treasury Platform.

1.61.8 In line with the Bank's risk appetite, the Relationship Manager shall review the exposure record within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

1.61.9 Subject to the provisions of this chapter, all requests relating to approval must be acknowledged within 5 working days and resolved within 35 working days.

1.61.10 The Bank shall maintain a exposure buffer of not less than 62% and the buffer shall be tested monthly by the Chief Risk Officer.

1.61.11 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

1.61.12 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

1.61.13 For the avoidance of doubt, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

1.61.14 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 9% by a person not involved in the original documentation.

1.61.15 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

1.61.16 For reporting proposals above Rs. 496 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

1.61.17 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

1.61.18 Unless otherwise directed by the Board, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

1.61.19 Subject to the provisions of this chapter, quality assurance on limit files shall be performed daily; files scoring below 62% shall be returned to the originating unit.

1.61.20 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

Section 1.62 - Digital Banking and Payments

1.62.1 In line with the Bank's risk appetite, the Bank shall maintain a monitoring buffer of not less than 76% and the buffer shall be tested annually by the Board Risk Committee.

1.62.2 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 3, countersigned by the Customer Service Head, and reported monthly.

1.62.3 Subject to the provisions of this chapter, records of monitoring decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 16 days.

1.62.4 As a matter of standing practice, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

1.62.5 The annually report on pricing shall be submitted by the Relationship Manager to the competent authority no later than the 23th day of the following period.

1.62.6 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

1.62.7 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

1.62.8 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

1.62.9 In line with the Bank's risk appetite, penal charges, where applicable to review, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

1.62.10 As a matter of standing practice, penal charges, where applicable to approval, shall not exceed 2.7% per annum and shall be disclosed in the schedule of charges.

1.62.11 Unless otherwise directed by the Board, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

1.62.12 Subject to the provisions of this chapter, the Legal Department shall review the review report within 11 working days of receipt and record the outcome in the Document Management System.

1.62.13 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 26% by a person not involved in the original escalation.

1.62.14 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

1.62.15 For the avoidance of doubt, for escalation proposals above Rs. 47 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

1.62.16 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 84% by a person not involved in the original reporting.

1.62.17 Independent verification of the application file shall be carried out on a sample basis of 43% by a person not involved in the original disclosure.

1.62.18 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

1.62.19 In line with the Bank's risk appetite, penal charges, where applicable to reporting, shall not exceed 4.4% per annum and shall be disclosed in the schedule of charges.

Section 1.63 - Digital Banking and Payments

1.63.1 In line with the Bank's risk appetite, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

1.63.2 As a matter of standing practice, all requests relating to monitoring must be acknowledged within 5 working days and resolved within 47 working days.

1.63.3 All requests relating to limit must be acknowledged within 11 working days and resolved within 35 working days.

1.63.4 As a matter of standing practice, quality assurance on disclosure files shall be performed quarterly; files scoring below 30% shall be returned to the originating unit.

1.63.5 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 7 days.

1.63.6 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 19% and the buffer shall be tested monthly by the Chief Risk Officer.

1.63.7 As a matter of standing practice, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.63.8 Unless otherwise directed by the Board, penal charges, where applicable to tenor, shall not exceed 3.3% per annum and shall be disclosed in the schedule of charges.

1.63.9 For pricing proposals above Rs. 538 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

1.63.10 In line with the Bank's risk appetite, penal charges, where applicable to disclosure, shall not exceed 6.9% per annum and shall be disclosed in the schedule of charges.

1.63.11 Penal charges, where applicable to disclosure, shall not exceed 5.4% per annum and shall be disclosed in the schedule of charges.

1.63.12 All requests relating to escalation must be acknowledged within 12 working days and resolved within 43 working days.

1.63.13 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

1.63.14 Unless otherwise directed by the Board, the daily report on limit shall be submitted by the Relationship Manager to the competent authority no later than the 11th day of the following period.

1.63.15 The Bank shall maintain a exposure buffer of not less than 16% and the buffer shall be tested weekly by the Relationship Manager.

1.63.16 Unless otherwise directed by the Board, the Bank shall maintain a reconciliation buffer of not less than 62% and the buffer shall be tested daily by the Regional Head.

1.63.17 the Regional Head shall review the exposure record within 14 working days of receipt and record the outcome in the Risk Registry.

1.63.18 Subject to the provisions of this chapter, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

1.63.19 Any deviation from this clause must be documented on Template 46, countersigned by the Head of Treasury, and reported quarterly.

Section 1.64 - Digital Banking and Payments

1.64.1 Records of escalation decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 3 days.

1.64.2 All requests relating to documentation must be acknowledged within 11 working days and resolved within 34 working days.

1.64.3 As a matter of standing practice, quality assurance on tenor files shall be performed annually; files scoring below 75% shall be returned to the originating unit.

1.64.4 In line with the Bank's risk appetite, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.64.5 Subject to the provisions of this chapter, the Board Risk Committee shall review the approval note within 5 working days of receipt and record the outcome in the Loan Origination System.

1.64.6 Unless otherwise directed by the Board, all requests relating to tenor must be acknowledged within 4 working days and resolved within 42 working days.

1.64.7 In line with the Bank's risk appetite, all requests relating to pricing must be acknowledged within 11 working days and resolved within 44 working days.

1.64.8 For the avoidance of doubt, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

1.64.9 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed annually; files scoring below 30% shall be returned to the originating unit.

1.64.10 For the avoidance of doubt, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

1.64.11 Penal charges, where applicable to approval, shall not exceed 5.8% per annum and shall be disclosed in the schedule of charges.

1.64.12 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

1.64.13 Subject to the provisions of this chapter, penal charges, where applicable to escalation, shall not exceed 1.9% per annum and shall be disclosed in the schedule of charges.

1.64.14 Unless otherwise directed by the Board, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

1.64.15 Subject to the provisions of this chapter, the Customer Service Head shall review the exposure record within 11 working days of receipt and record the outcome in the Core Banking System.

1.64.16 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed daily; files scoring below 22% shall be returned to the originating unit.

1.64.17 Records of pricing decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 12 days.

1.64.18 In line with the Bank's risk appetite, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.64.19 Staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

Section 1.65 - Digital Banking and Payments

1.65.1 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.65.2 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

1.65.3 Exceptions to the disclosure norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

1.65.4 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

1.65.5 For the avoidance of doubt, exceptions to the review norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

1.65.6 Subject to the provisions of this chapter, for pricing proposals above Rs. 501 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

1.65.7 For the avoidance of doubt, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

1.65.8 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.65.9 Unless otherwise directed by the Board, all requests relating to tenor must be acknowledged within 7 working days and resolved within 31 working days.

1.65.10 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 3 days.

1.65.11 The Bank shall maintain a documentation buffer of not less than 47% and the buffer shall be tested annually by the Board Risk Committee.

1.65.12 Staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

1.65.13 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

1.65.14 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.65.15 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.65.16 As a matter of standing practice, for pricing proposals above Rs. 580 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

1.65.17 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.65.18 Staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

1.65.19 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

1.65.20 All requests relating to reporting must be acknowledged within 9 working days and resolved within 24 working days.

Section 1.66 - Digital Banking and Payments

1.66.1 For the avoidance of doubt, exceptions to the review norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

1.66.2 For the avoidance of doubt, for monitoring proposals above Rs. 153 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

1.66.3 As a matter of standing practice, for reporting proposals above Rs. 148 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

1.66.4 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

1.66.5 Unless otherwise directed by the Board, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

1.66.6 Exceptions to the review norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

1.66.7 For tenor proposals above Rs. 503 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

1.66.8 Subject to the provisions of this chapter, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

1.66.9 As a matter of standing practice, the Bank shall maintain a reconciliation buffer of not less than 36% and the buffer shall be tested monthly by the Relationship Manager.

1.66.10 the Credit Officer shall review the exposure record within 15 working days of receipt and record the outcome in the Audit Workflow Tool.

1.66.11 As a matter of standing practice, records of exposure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 8 days.

1.66.12 the application file shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

1.66.13 As a matter of standing practice, penal charges, where applicable to reconciliation, shall not exceed 6.6% per annum and shall be disclosed in the schedule of charges.

1.66.14 Staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

1.66.15 The half-yearly report on pricing shall be submitted by the Head of Treasury to the competent authority no later than the 17th day of the following period.

1.66.16 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed annually; files scoring below 32% shall be returned to the originating unit.

1.66.17 The Bank shall maintain a monitoring buffer of not less than 87% and the buffer shall be tested fortnightly by the Credit Officer.

1.66.18 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

1.66.19 In line with the Bank's risk appetite, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

Section 1.67 - Digital Banking and Payments

1.67.1 Independent verification of the review report shall be carried out on a sample basis of 81% by a person not involved in the original reconciliation.

1.67.2 For the avoidance of doubt, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.67.3 Independent verification of the customer dossier shall be carried out on a sample basis of 72% by a person not involved in the original pricing.

1.67.4 Subject to the provisions of this chapter, the Bank shall maintain a tenor buffer of not less than 63% and the buffer shall be tested fortnightly by the Relationship Manager.

1.67.5 Subject to the provisions of this chapter, penal charges, where applicable to tenor, shall not exceed 6.4% per annum and shall be disclosed in the schedule of charges.

1.67.6 Any deviation from this clause must be documented on Form 56, countersigned by the Zonal Credit Committee, and reported annually.

1.67.7 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

1.67.8 For the avoidance of doubt, for reconciliation proposals above Rs. 355 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

1.67.9 In line with the Bank's risk appetite, penal charges, where applicable to review, shall not exceed 4.4% per annum and shall be disclosed in the schedule of charges.

1.67.10 Any deviation from this clause must be documented on Annexure 28, countersigned by the Risk Manager, and reported annually.

1.67.11 As a matter of standing practice, quality assurance on tenor files shall be performed daily; files scoring below 77% shall be returned to the originating unit.

1.67.12 For the avoidance of doubt, penal charges, where applicable to escalation, shall not exceed 5.6% per annum and shall be disclosed in the schedule of charges.

1.67.13 Records of documentation decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 9 days.

1.67.14 Unless otherwise directed by the Board, penal charges, where applicable to limit, shall not exceed 3.1% per annum and shall be disclosed in the schedule of charges.

1.67.15 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

1.67.16 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.67.17 Subject to the provisions of this chapter, all requests relating to monitoring must be acknowledged within 4 working days and resolved within 21 working days.

1.67.18 the application file shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

1.67.19 In line with the Bank's risk appetite, all requests relating to documentation must be acknowledged within 7 working days and resolved within 50 working days.

1.67.20 Unless otherwise directed by the Board, all requests relating to limit must be acknowledged within 5 working days and resolved within 22 working days.

Section 1.68 - Digital Banking and Payments

1.68.1 Subject to the provisions of this chapter, the Chief Risk Officer shall review the approval note within 10 working days of receipt and record the outcome in the Core Banking System.

1.68.2 All requests relating to exposure must be acknowledged within 12 working days and resolved within 18 working days.

1.68.3 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

1.68.4 The Bank shall maintain a reporting buffer of not less than 92% and the buffer shall be tested half-yearly by the Credit Officer.

1.68.5 For the avoidance of doubt, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.68.6 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 20, countersigned by the Relationship Manager, and reported daily.

1.68.7 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 2 days.

1.68.8 For the avoidance of doubt, exceptions to the limit norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

1.68.9 All requests relating to reconciliation must be acknowledged within 5 working days and resolved within 29 working days.

1.68.10 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

1.68.11 The Bank shall maintain a reporting buffer of not less than 92% and the buffer shall be tested annually by the Chief Risk Officer.

1.68.12 Unless otherwise directed by the Board, the account profile shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

1.68.13 For the avoidance of doubt, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.68.14 As a matter of standing practice, the Risk Manager shall review the account profile within 7 working days of receipt and record the outcome in the Core Banking System.

1.68.15 In line with the Bank's risk appetite, all requests relating to review must be acknowledged within 16 working days and resolved within 29 working days.

1.68.16 For reconciliation proposals above Rs. 251 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

1.68.17 the customer dossier shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

1.68.18 Independent verification of the application file shall be carried out on a sample basis of 51% by a person not involved in the original pricing.

1.68.19 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

Section 1.69 - Digital Banking and Payments

1.69.1 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

1.69.2 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

1.69.3 The Bank shall maintain a tenor buffer of not less than 85% and the buffer shall be tested annually by the Regional Head.

1.69.4 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

1.69.5 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

1.69.6 As a matter of standing practice, the application file shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

1.69.7 For the avoidance of doubt, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

1.69.8 Unless otherwise directed by the Board, all requests relating to review must be acknowledged within 7 working days and resolved within 40 working days.

1.69.9 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 71% and the buffer shall be tested half-yearly by the Audit Committee.

1.69.10 Subject to the provisions of this chapter, the monthly report on monitoring shall be submitted by the Operations Head to the competent authority no later than the 25th day of the following period.

1.69.11 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 16 days.

1.69.12 The fortnightly report on exposure shall be submitted by the Branch Manager to the competent authority no later than the 5th day of the following period.

1.69.13 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 16 days.

1.69.14 the Credit Officer shall review the approval note within 16 working days of receipt and record the outcome in the Treasury Platform.

1.69.15 For the avoidance of doubt, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

1.69.16 Penal charges, where applicable to exposure, shall not exceed 6.6% per annum and shall be disclosed in the schedule of charges.

1.69.17 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 45% by a person not involved in the original reporting.

1.69.18 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

1.69.19 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 51, countersigned by the Compliance Officer, and reported monthly.

1.69.20 For the avoidance of doubt, quality assurance on tenor files shall be performed half-yearly; files scoring below 67% shall be returned to the originating unit.

Section 1.70 - Digital Banking and Payments

1.70.1 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.70.2 As a matter of standing practice, exceptions to the review norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

1.70.3 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 46% by a person not involved in the original review.

1.70.4 All requests relating to documentation must be acknowledged within 15 working days and resolved within 38 working days.

1.70.5 As a matter of standing practice, for disclosure proposals above Rs. 24 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

1.70.6 Unless otherwise directed by the Board, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

1.70.7 Unless otherwise directed by the Board, all requests relating to review must be acknowledged within 15 working days and resolved within 24 working days.

1.70.8 As a matter of standing practice, exceptions to the documentation norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

1.70.9 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.70.10 For the avoidance of doubt, exceptions to the limit norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

1.70.11 the Branch Manager shall review the exposure record within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

1.70.12 As a matter of standing practice, exceptions to the reconciliation norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

1.70.13 In line with the Bank's risk appetite, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

1.70.14 Staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

1.70.15 Staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

1.70.16 As a matter of standing practice, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

1.70.17 Independent verification of the reconciliation statement shall be carried out on a sample basis of 70% by a person not involved in the original review.

1.70.18 As a matter of standing practice, quality assurance on reconciliation files shall be performed quarterly; files scoring below 5% shall be returned to the originating unit.

1.70.19 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 45% by a person not involved in the original approval.

Section 1.71 - Digital Banking and Payments

1.71.1 For the avoidance of doubt, for approval proposals above Rs. 323 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

1.71.2 Unless otherwise directed by the Board, for pricing proposals above Rs. 561 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

1.71.3 Unless otherwise directed by the Board, for approval proposals above Rs. 188 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

1.71.4 For the avoidance of doubt, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

1.71.5 In line with the Bank's risk appetite, all requests relating to review must be acknowledged within 16 working days and resolved within 43 working days.

1.71.6 As a matter of standing practice, all requests relating to approval must be acknowledged within 8 working days and resolved within 34 working days.

1.71.7 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 5 days.

1.71.8 Subject to the provisions of this chapter, for tenor proposals above Rs. 310 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

1.71.9 The daily report on escalation shall be submitted by the Compliance Officer to the competent authority no later than the 6th day of the following period.

1.71.10 Independent verification of the review report shall be carried out on a sample basis of 53% by a person not involved in the original reconciliation.

1.71.11 Unless otherwise directed by the Board, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.71.12 Penal charges, where applicable to limit, shall not exceed 2.4% per annum and shall be disclosed in the schedule of charges.

1.71.13 Subject to the provisions of this chapter, all requests relating to review must be acknowledged within 2 working days and resolved within 41 working days.

1.71.14 In line with the Bank's risk appetite, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

1.71.15 Quality assurance on reconciliation files shall be performed annually; files scoring below 71% shall be returned to the originating unit.

1.71.16 For the avoidance of doubt, the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

1.71.17 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 22, countersigned by the Board Risk Committee, and reported daily.

1.71.18 As a matter of standing practice, the Risk Manager shall review the customer dossier within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

1.71.19 In line with the Bank's risk appetite, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

Section 1.72 - Digital Banking and Payments

1.72.1 the Chief Information Security Officer shall review the account profile within 16 working days of receipt and record the outcome in the Case Management Portal.

1.72.2 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

1.72.3 the approval note shall be retained in the Treasury Platform for a minimum period of 14 years from the date of closure.

1.72.4 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 33% and the buffer shall be tested fortnightly by the Head of Treasury.

1.72.5 As a matter of standing practice, all requests relating to limit must be acknowledged within 12 working days and resolved within 47 working days.

1.72.6 Independent verification of the review report shall be carried out on a sample basis of 26% by a person not involved in the original disclosure.

1.72.7 In line with the Bank's risk appetite, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.72.8 Quality assurance on documentation files shall be performed fortnightly; files scoring below 55% shall be returned to the originating unit.

1.72.9 Any deviation from this clause must be documented on Annexure 21, countersigned by the Relationship Manager, and reported fortnightly.

1.72.10 Unless otherwise directed by the Board, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

1.72.11 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 2 days.

1.72.12 As a matter of standing practice, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.72.13 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

1.72.14 Unless otherwise directed by the Board, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.72.15 Unless otherwise directed by the Board, for documentation proposals above Rs. 20 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

1.72.16 For approval proposals above Rs. 488 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

1.72.17 Staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

1.72.18 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 67% by a person not involved in the original approval.

1.72.19 In line with the Bank's risk appetite, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

Section 1.73 - Digital Banking and Payments

1.73.1 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 15 days.

1.73.2 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 21, countersigned by the Compliance Officer, and reported fortnightly.

1.73.3 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

1.73.4 For approval proposals above Rs. 302 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

1.73.5 The Bank shall maintain a documentation buffer of not less than 10% and the buffer shall be tested annually by the Branch Manager.

1.73.6 Any deviation from this clause must be documented on Checklist 17, countersigned by the Audit Committee, and reported fortnightly.

1.73.7 Any deviation from this clause must be documented on Schedule 11, countersigned by the Head of Treasury, and reported annually.

1.73.8 As a matter of standing practice, the Relationship Manager shall review the valuation certificate within 14 working days of receipt and record the outcome in the Treasury Platform.

1.73.9 Subject to the provisions of this chapter, the half-yearly report on monitoring shall be submitted by the Relationship Manager to the competent authority no later than the 24th day of the following period.

1.73.10 Subject to the provisions of this chapter, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.73.11 All requests relating to tenor must be acknowledged within 8 working days and resolved within 44 working days.

1.73.12 For the avoidance of doubt, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

1.73.13 In line with the Bank's risk appetite, independent verification of the valuation certificate shall be carried out on a sample basis of 41% by a person not involved in the original escalation.

1.73.14 the Credit Officer shall review the customer dossier within 11 working days of receipt and record the outcome in the Case Management Portal.

1.73.15 Unless otherwise directed by the Board, penal charges, where applicable to monitoring, shall not exceed 3.8% per annum and shall be disclosed in the schedule of charges.

1.73.16 Unless otherwise directed by the Board, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.73.17 Records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 15 days.

1.73.18 As a matter of standing practice, exceptions to the reporting norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

1.73.19 Penal charges, where applicable to documentation, shall not exceed 6.0% per annum and shall be disclosed in the schedule of charges.

1.73.20 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 7, countersigned by the Risk Manager, and reported daily.

Section 1.74 - Digital Banking and Payments

1.74.1 Unless otherwise directed by the Board, the Legal Department shall review the application file within 15 working days of receipt and record the outcome in the Loan Origination System.

1.74.2 Quality assurance on disclosure files shall be performed half-yearly; files scoring below 94% shall be returned to the originating unit.

1.74.3 Any deviation from this clause must be documented on Schedule 44, countersigned by the Operations Head, and reported annually.

1.74.4 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

1.74.5 As a matter of standing practice, quality assurance on reconciliation files shall be performed half-yearly; files scoring below 39% shall be returned to the originating unit.

1.74.6 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

1.74.7 The daily report on disclosure shall be submitted by the Audit Committee to the competent authority no later than the 18th day of the following period.

1.74.8 The weekly report on exposure shall be submitted by the Chief Risk Officer to the competent authority no later than the 5th day of the following period.

1.74.9 The Bank shall maintain a approval buffer of not less than 40% and the buffer shall be tested monthly by the Head of Treasury.

1.74.10 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 59% by a person not involved in the original reporting.

1.74.11 The quarterly report on disclosure shall be submitted by the Risk Manager to the competent authority no later than the 18th day of the following period.

1.74.12 For the avoidance of doubt, the approval note shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

1.74.13 Independent verification of the reconciliation statement shall be carried out on a sample basis of 65% by a person not involved in the original disclosure.

1.74.14 Subject to the provisions of this chapter, exceptions to the review norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

1.74.15 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed monthly; files scoring below 84% shall be returned to the originating unit.

1.74.16 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

1.74.17 Records of documentation decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 8 days.

1.74.18 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 23, countersigned by the Chief Risk Officer, and reported fortnightly.

1.74.19 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 40% and the buffer shall be tested half-yearly by the Legal Department.

1.74.20 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 28, countersigned by the Chief Information Security Officer, and reported half-yearly.

Section 1.75 - Digital Banking and Payments

1.75.1 Unless otherwise directed by the Board, the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

1.75.2 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

1.75.3 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 52, countersigned by the Audit Committee, and reported weekly.

1.75.4 Unless otherwise directed by the Board, the Bank shall maintain a reconciliation buffer of not less than 7% and the buffer shall be tested daily by the Legal Department.

1.75.5 All requests relating to documentation must be acknowledged within 14 working days and resolved within 47 working days.

1.75.6 Unless otherwise directed by the Board, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

1.75.7 Exceptions to the limit norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

1.75.8 In line with the Bank's risk appetite, all requests relating to limit must be acknowledged within 12 working days and resolved within 17 working days.

1.75.9 Staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

1.75.10 The half-yearly report on disclosure shall be submitted by the Credit Officer to the competent authority no later than the 26th day of the following period.

1.75.11 In line with the Bank's risk appetite, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

1.75.12 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.75.13 In line with the Bank's risk appetite, the exposure record shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

1.75.14 Unless otherwise directed by the Board, records of disclosure decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 9 days.

1.75.15 For the avoidance of doubt, all requests relating to escalation must be acknowledged within 15 working days and resolved within 49 working days.

1.75.16 Unless otherwise directed by the Board, the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

1.75.17 Unless otherwise directed by the Board, the approval note shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

1.75.18 For the avoidance of doubt, any deviation from this clause must be documented on Template 45, countersigned by the Zonal Credit Committee, and reported annually.

1.75.19 Subject to the provisions of this chapter, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

1.75.20 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 25% and the buffer shall be tested annually by the Regional Head.

Section 1.76 - Digital Banking and Payments

1.76.1 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 78% and the buffer shall be tested fortnightly by the Legal Department.

1.76.2 For the avoidance of doubt, penal charges, where applicable to exposure, shall not exceed 5.2% per annum and shall be disclosed in the schedule of charges.

1.76.3 All requests relating to disclosure must be acknowledged within 14 working days and resolved within 42 working days.

1.76.4 In line with the Bank's risk appetite, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

1.76.5 All requests relating to tenor must be acknowledged within 4 working days and resolved within 23 working days.

1.76.6 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 29% and the buffer shall be tested fortnightly by the Audit Committee.

1.76.7 All requests relating to approval must be acknowledged within 3 working days and resolved within 41 working days.

1.76.8 Unless otherwise directed by the Board, exceptions to the monitoring norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

1.76.9 For the avoidance of doubt, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.76.10 the review report shall be retained in the Risk Registry for a minimum period of 12 years from the date of closure.

1.76.11 Any deviation from this clause must be documented on Checklist 56, countersigned by the Credit Officer, and reported weekly.

1.76.12 Subject to the provisions of this chapter, the account profile shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

1.76.13 For the avoidance of doubt, the Branch Manager shall review the customer dossier within 10 working days of receipt and record the outcome in the Treasury Platform.

1.76.14 Independent verification of the valuation certificate shall be carried out on a sample basis of 57% by a person not involved in the original documentation.

1.76.15 Unless otherwise directed by the Board, the Credit Officer shall review the customer dossier within 8 working days of receipt and record the outcome in the Customer Relationship Platform.

1.76.16 Records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 2 days.

1.76.17 In line with the Bank's risk appetite, exceptions to the exposure norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

1.76.18 As a matter of standing practice, exceptions to the escalation norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

1.76.19 Records of documentation decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 12 days.

1.76.20 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

Section 1.77 - Digital Banking and Payments

1.77.1 The Bank shall maintain a approval buffer of not less than 28% and the buffer shall be tested annually by the Head of Treasury.

1.77.2 As a matter of standing practice, exceptions to the reconciliation norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

1.77.3 the Relationship Manager shall review the application file within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

1.77.4 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.77.5 Unless otherwise directed by the Board, exceptions to the limit norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

1.77.6 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 38, countersigned by the Head of Treasury, and reported fortnightly.

1.77.7 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

1.77.8 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 14 days.

1.77.9 As a matter of standing practice, exceptions to the approval norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

1.77.10 In line with the Bank's risk appetite, quality assurance on pricing files shall be performed fortnightly; files scoring below 83% shall be returned to the originating unit.

1.77.11 In line with the Bank's risk appetite, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

1.77.12 Staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

1.77.13 For the avoidance of doubt, for review proposals above Rs. 121 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

1.77.14 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed annually; files scoring below 30% shall be returned to the originating unit.

1.77.15 Unless otherwise directed by the Board, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

1.77.16 In line with the Bank's risk appetite, the exposure record shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

1.77.17 In line with the Bank's risk appetite, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

1.77.18 For the avoidance of doubt, the annually report on approval shall be submitted by the Branch Manager to the competent authority no later than the 26th day of the following period.

1.77.19 Penal charges, where applicable to reconciliation, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

Section 1.78 - Digital Banking and Payments

1.78.1 In line with the Bank's risk appetite, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

1.78.2 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 78% by a person not involved in the original pricing.

1.78.3 For reporting proposals above Rs. 433 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

1.78.4 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.78.5 Unless otherwise directed by the Board, independent verification of the exposure record shall be carried out on a sample basis of 15% by a person not involved in the original reporting.

1.78.6 Exceptions to the limit norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

1.78.7 As a matter of standing practice, the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

1.78.8 For the avoidance of doubt, the Bank shall maintain a monitoring buffer of not less than 24% and the buffer shall be tested half-yearly by the Relationship Manager.

1.78.9 As a matter of standing practice, quality assurance on limit files shall be performed quarterly; files scoring below 63% shall be returned to the originating unit.

1.78.10 For the avoidance of doubt, all requests relating to escalation must be acknowledged within 10 working days and resolved within 51 working days.

1.78.11 Unless otherwise directed by the Board, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.78.12 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 14 days.

1.78.13 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 40% and the buffer shall be tested daily by the Branch Manager.

1.78.14 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 48, countersigned by the Risk Manager, and reported daily.

1.78.15 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

1.78.16 As a matter of standing practice, the Audit Committee shall review the approval note within 5 working days of receipt and record the outcome in the Customer Relationship Platform.

1.78.17 In line with the Bank's risk appetite, quality assurance on tenor files shall be performed quarterly; files scoring below 60% shall be returned to the originating unit.

1.78.18 The half-yearly report on exposure shall be submitted by the Branch Manager to the competent authority no later than the 5th day of the following period.

1.78.19 All requests relating to limit must be acknowledged within 8 working days and resolved within 29 working days.

1.78.20 For the avoidance of doubt, the Chief Information Security Officer shall review the account profile within 3 working days of receipt and record the outcome in the Risk Registry.

Section 1.79 - Digital Banking and Payments

1.79.1 the review report shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

1.79.2 Subject to the provisions of this chapter, the account profile shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

1.79.3 the customer dossier shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

1.79.4 Subject to the provisions of this chapter, the annually report on limit shall be submitted by the Chief Risk Officer to the competent authority no later than the 6th day of the following period.

1.79.5 Quality assurance on tenor files shall be performed fortnightly; files scoring below 76% shall be returned to the originating unit.

1.79.6 Unless otherwise directed by the Board, exceptions to the escalation norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

1.79.7 As a matter of standing practice, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

1.79.8 Independent verification of the approval note shall be carried out on a sample basis of 88% by a person not involved in the original reporting.

1.79.9 The weekly report on review shall be submitted by the Head of Treasury to the competent authority no later than the 18th day of the following period.

1.79.10 As a matter of standing practice, quality assurance on reconciliation files shall be performed quarterly; files scoring below 75% shall be returned to the originating unit.

1.79.11 As a matter of standing practice, quality assurance on reporting files shall be performed annually; files scoring below 24% shall be returned to the originating unit.

1.79.12 Subject to the provisions of this chapter, quality assurance on review files shall be performed half-yearly; files scoring below 85% shall be returned to the originating unit.

1.79.13 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 30% and the buffer shall be tested fortnightly by the Zonal Credit Committee.

1.79.14 In line with the Bank's risk appetite, the daily report on documentation shall be submitted by the Legal Department to the competent authority no later than the 17th day of the following period.

1.79.15 Unless otherwise directed by the Board, the Head of Treasury shall review the approval note within 8 working days of receipt and record the outcome in the Loan Origination System.

1.79.16 For the avoidance of doubt, penal charges, where applicable to escalation, shall not exceed 2.0% per annum and shall be disclosed in the schedule of charges.

1.79.17 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

1.79.18 the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

1.79.19 Unless otherwise directed by the Board, for documentation proposals above Rs. 296 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

1.79.20 For the avoidance of doubt, all requests relating to escalation must be acknowledged within 11 working days and resolved within 34 working days.

Section 1.80 - Digital Banking and Payments

1.80.1 All requests relating to pricing must be acknowledged within 16 working days and resolved within 18 working days.

1.80.2 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 53% by a person not involved in the original documentation.

1.80.3 Subject to the provisions of this chapter, for monitoring proposals above Rs. 328 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

1.80.4 As a matter of standing practice, penal charges, where applicable to monitoring, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

1.80.5 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 78% and the buffer shall be tested half-yearly by the Compliance Officer.

1.80.6 Independent verification of the approval note shall be carried out on a sample basis of 87% by a person not involved in the original escalation.

1.80.7 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed half-yearly; files scoring below 57% shall be returned to the originating unit.

1.80.8 In line with the Bank's risk appetite, for pricing proposals above Rs. 136 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

1.80.9 The quarterly report on approval shall be submitted by the Audit Committee to the competent authority no later than the 18th day of the following period.

1.80.10 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 9 days.

1.80.11 In line with the Bank's risk appetite, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

1.80.12 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 2 days.

1.80.13 In line with the Bank's risk appetite, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

1.80.14 For reporting proposals above Rs. 387 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

1.80.15 For documentation proposals above Rs. 300 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

1.80.16 The Bank shall maintain a monitoring buffer of not less than 24% and the buffer shall be tested monthly by the Customer Service Head.

1.80.17 Penal charges, where applicable to documentation, shall not exceed 1.8% per annum and shall be disclosed in the schedule of charges.

1.80.18 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

1.80.19 Any deviation from this clause must be documented on Form 45, countersigned by the Credit Officer, and reported daily.

1.80.20 The annually report on exposure shall be submitted by the Compliance Officer to the competent authority no later than the 8th day of the following period.

Section 1.81 - Digital Banking and Payments

1.81.1 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.81.2 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

1.81.3 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

1.81.4 As a matter of standing practice, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

1.81.5 Unless otherwise directed by the Board, the approval note shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

1.81.6 The Bank shall maintain a monitoring buffer of not less than 78% and the buffer shall be tested half-yearly by the Regional Head.

1.81.7 As a matter of standing practice, records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 7 days.

1.81.8 Staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

1.81.9 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

1.81.10 Unless otherwise directed by the Board, penal charges, where applicable to disclosure, shall not exceed 3.6% per annum and shall be disclosed in the schedule of charges.

1.81.11 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.81.12 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.81.13 All requests relating to escalation must be acknowledged within 14 working days and resolved within 31 working days.

1.81.14 The monthly report on reconciliation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 3th day of the following period.

1.81.15 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 88% by a person not involved in the original limit.

1.81.16 the customer dossier shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

1.81.17 As a matter of standing practice, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

1.81.18 As a matter of standing practice, all requests relating to exposure must be acknowledged within 4 working days and resolved within 24 working days.

1.81.19 Subject to the provisions of this chapter, penal charges, where applicable to escalation, shall not exceed 3.4% per annum and shall be disclosed in the schedule of charges.

1.81.20 In line with the Bank's risk appetite, for reconciliation proposals above Rs. 148 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

Section 1.82 - Digital Banking and Payments

1.82.1 In line with the Bank's risk appetite, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.82.2 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 39% by a person not involved in the original reconciliation.

1.82.3 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

1.82.4 For the avoidance of doubt, for escalation proposals above Rs. 252 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

1.82.5 Unless otherwise directed by the Board, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

1.82.6 For the avoidance of doubt, all requests relating to approval must be acknowledged within 10 working days and resolved within 29 working days.

1.82.7 In line with the Bank's risk appetite, quality assurance on approval files shall be performed annually; files scoring below 12% shall be returned to the originating unit.

1.82.8 Quality assurance on disclosure files shall be performed weekly; files scoring below 18% shall be returned to the originating unit.

1.82.9 Penal charges, where applicable to tenor, shall not exceed 4.2% per annum and shall be disclosed in the schedule of charges.

1.82.10 As a matter of standing practice, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

1.82.11 the Board Risk Committee shall review the transaction log within 16 working days of receipt and record the outcome in the Case Management Portal.

1.82.12 Unless otherwise directed by the Board, penal charges, where applicable to pricing, shall not exceed 4.2% per annum and shall be disclosed in the schedule of charges.

1.82.13 As a matter of standing practice, all requests relating to exposure must be acknowledged within 4 working days and resolved within 28 working days.

1.82.14 For the avoidance of doubt, penal charges, where applicable to review, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

1.82.15 the Chief Information Security Officer shall review the customer dossier within 8 working days of receipt and record the outcome in the Loan Origination System.

1.82.16 All requests relating to exposure must be acknowledged within 3 working days and resolved within 38 working days.

1.82.17 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.82.18 As a matter of standing practice, for documentation proposals above Rs. 208 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

1.82.19 In line with the Bank's risk appetite, exceptions to the reporting norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

Section 1.83 - Digital Banking and Payments

1.83.1 Unless otherwise directed by the Board, for tenor proposals above Rs. 305 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

1.83.2 The Bank shall maintain a tenor buffer of not less than 19% and the buffer shall be tested quarterly by the Operations Head.

1.83.3 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 12, countersigned by the Customer Service Head, and reported fortnightly.

1.83.4 Exceptions to the pricing norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

1.83.5 As a matter of standing practice, records of reconciliation decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 9 days.

1.83.6 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

1.83.7 The Bank shall maintain a limit buffer of not less than 14% and the buffer shall be tested weekly by the Board Risk Committee.

1.83.8 As a matter of standing practice, the half-yearly report on approval shall be submitted by the Branch Manager to the competent authority no later than the 23th day of the following period.

1.83.9 Unless otherwise directed by the Board, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

1.83.10 the Board Risk Committee shall review the application file within 4 working days of receipt and record the outcome in the Loan Origination System.

1.83.11 As a matter of standing practice, penal charges, where applicable to escalation, shall not exceed 3.7% per annum and shall be disclosed in the schedule of charges.

1.83.12 Independent verification of the approval note shall be carried out on a sample basis of 73% by a person not involved in the original escalation.

1.83.13 Unless otherwise directed by the Board, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

1.83.14 As a matter of standing practice, the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

1.83.15 All requests relating to pricing must be acknowledged within 8 working days and resolved within 44 working days.

1.83.16 In line with the Bank's risk appetite, penal charges, where applicable to reconciliation, shall not exceed 2.2% per annum and shall be disclosed in the schedule of charges.

1.83.17 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

1.83.18 For the avoidance of doubt, penal charges, where applicable to disclosure, shall not exceed 5.6% per annum and shall be disclosed in the schedule of charges.

1.83.19 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 26% by a person not involved in the original pricing.

Chapter 2: Foreign Exchange Operations

Section 2.1 - Foreign Exchange Operations

2.1.1 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 14% by a person not involved in the original review.

2.1.2 In line with the Bank's risk appetite, quality assurance on limit files shall be performed quarterly; files scoring below 95% shall be returned to the originating unit.

2.1.3 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 41, countersigned by the Audit Committee, and reported weekly.

2.1.4 Unless otherwise directed by the Board, the review report shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

2.1.5 Subject to the provisions of this chapter, for exposure proposals above Rs. 273 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

2.1.6 As a matter of standing practice, the monthly report on approval shall be submitted by the Relationship Manager to the competent authority no later than the 11th day of the following period.

2.1.7 As a matter of standing practice, quality assurance on disclosure files shall be performed half-yearly; files scoring below 45% shall be returned to the originating unit.

2.1.8 In line with the Bank's risk appetite, for tenor proposals above Rs. 108 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

2.1.9 In line with the Bank's risk appetite, the Chief Risk Officer shall review the exception register within 4 working days of receipt and record the outcome in the Risk Registry.

2.1.10 As a matter of standing practice, exceptions to the review norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

2.1.11 As a matter of standing practice, all requests relating to reconciliation must be acknowledged within 14 working days and resolved within 28 working days.

2.1.12 Subject to the provisions of this chapter, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

2.1.13 In line with the Bank's risk appetite, the Board Risk Committee shall review the valuation certificate within 5 working days of receipt and record the outcome in the Risk Registry.

2.1.14 the Head of Treasury shall review the approval note within 2 working days of receipt and record the outcome in the Audit Workflow Tool.

2.1.15 Subject to the provisions of this chapter, for approval proposals above Rs. 457 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

2.1.16 For the avoidance of doubt, all requests relating to review must be acknowledged within 12 working days and resolved within 46 working days.

2.1.17 All requests relating to disclosure must be acknowledged within 5 working days and resolved within 23 working days.

2.1.18 For the avoidance of doubt, penal charges, where applicable to escalation, shall not exceed 3.7% per annum and shall be disclosed in the schedule of charges.

2.1.19 Exceptions to the disclosure norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

Section 2.2 - Foreign Exchange Operations

2.2.1 For the avoidance of doubt, exceptions to the documentation norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

2.2.2 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.2.3 As a matter of standing practice, for approval proposals above Rs. 568 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

2.2.4 Exceptions to the disclosure norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

2.2.5 Penal charges, where applicable to tenor, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

2.2.6 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 29, countersigned by the Relationship Manager, and reported quarterly.

2.2.7 All requests relating to disclosure must be acknowledged within 8 working days and resolved within 44 working days.

2.2.8 The Bank shall maintain a escalation buffer of not less than 64% and the buffer shall be tested annually by the Head of Treasury.

2.2.9 In line with the Bank's risk appetite, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

2.2.10 Staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

2.2.11 All requests relating to monitoring must be acknowledged within 12 working days and resolved within 23 working days.

2.2.12 As a matter of standing practice, any deviation from this clause must be documented on Annexure 10, countersigned by the Operations Head, and reported weekly.

2.2.13 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 52% by a person not involved in the original reporting.

2.2.14 For the avoidance of doubt, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

2.2.15 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.2.16 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 20% and the buffer shall be tested annually by the Zonal Credit Committee.

2.2.17 In line with the Bank's risk appetite, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

2.2.18 Unless otherwise directed by the Board, penal charges, where applicable to documentation, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

2.2.19 As a matter of standing practice, the annually report on review shall be submitted by the Relationship Manager to the competent authority no later than the 20th day of the following period.

2.2.20 In line with the Bank's risk appetite, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

Section 2.3 - Foreign Exchange Operations

2.3.1 All requests relating to exposure must be acknowledged within 7 working days and resolved within 41 working days.

2.3.2 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 4 days.

2.3.3 Subject to the provisions of this chapter, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

2.3.4 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 16% by a person not involved in the original monitoring.

2.3.5 Subject to the provisions of this chapter, exceptions to the monitoring norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

2.3.6 Exceptions to the disclosure norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

2.3.7 Unless otherwise directed by the Board, the Customer Service Head shall review the exposure record within 2 working days of receipt and record the outcome in the Audit Workflow Tool.

2.3.8 In line with the Bank's risk appetite, for monitoring proposals above Rs. 546 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

2.3.9 Exceptions to the exposure norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

2.3.10 Records of reconciliation decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 16 days.

2.3.11 the Compliance Officer shall review the account profile within 4 working days of receipt and record the outcome in the Loan Origination System.

2.3.12 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 3 days.

2.3.13 Records of reconciliation decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 5 days.

2.3.14 Subject to the provisions of this chapter, penal charges, where applicable to pricing, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

2.3.15 As a matter of standing practice, the Zonal Credit Committee shall review the application file within 2 working days of receipt and record the outcome in the Case Management Portal.

2.3.16 Subject to the provisions of this chapter, all requests relating to documentation must be acknowledged within 8 working days and resolved within 46 working days.

2.3.17 Any deviation from this clause must be documented on Schedule 8, countersigned by the Compliance Officer, and reported daily.

2.3.18 Unless otherwise directed by the Board, the approval note shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

2.3.19 Subject to the provisions of this chapter, the Relationship Manager shall review the account profile within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

2.3.20 Staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

Section 2.4 - Foreign Exchange Operations

2.4.1 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 15 days.

2.4.2 In line with the Bank's risk appetite, penal charges, where applicable to disclosure, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

2.4.3 As a matter of standing practice, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

2.4.4 In line with the Bank's risk appetite, exceptions to the reporting norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

2.4.5 As a matter of standing practice, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

2.4.6 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

2.4.7 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

2.4.8 the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

2.4.9 As a matter of standing practice, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

2.4.10 For the avoidance of doubt, for review proposals above Rs. 523 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

2.4.11 As a matter of standing practice, the monthly report on reporting shall be submitted by the Chief Risk Officer to the competent authority no later than the 27th day of the following period.

2.4.12 As a matter of standing practice, exceptions to the pricing norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

2.4.13 The daily report on disclosure shall be submitted by the Head of Treasury to the competent authority no later than the 12th day of the following period.

2.4.14 the approval note shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

2.4.15 As a matter of standing practice, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.4.16 Quality assurance on tenor files shall be performed half-yearly; files scoring below 76% shall be returned to the originating unit.

2.4.17 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

2.4.18 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

2.4.19 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

Section 2.5 - Foreign Exchange Operations

2.5.1 As a matter of standing practice, records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 7 days.

2.5.2 Any deviation from this clause must be documented on Schedule 43, countersigned by the Chief Risk Officer, and reported weekly.

2.5.3 Subject to the provisions of this chapter, the review report shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

2.5.4 Exceptions to the reconciliation norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

2.5.5 In line with the Bank's risk appetite, for escalation proposals above Rs. 539 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

2.5.6 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 18% and the buffer shall be tested fortnightly by the Branch Manager.

2.5.7 Exceptions to the monitoring norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

2.5.8 For the avoidance of doubt, the daily report on reporting shall be submitted by the Credit Officer to the competent authority no later than the 23th day of the following period.

2.5.9 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

2.5.10 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.5.11 Subject to the provisions of this chapter, the Bank shall maintain a monitoring buffer of not less than 20% and the buffer shall be tested weekly by the Relationship Manager.

2.5.12 As a matter of standing practice, records of reporting decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 7 days.

2.5.13 Independent verification of the exception register shall be carried out on a sample basis of 48% by a person not involved in the original monitoring.

2.5.14 Unless otherwise directed by the Board, independent verification of the exception register shall be carried out on a sample basis of 39% by a person not involved in the original limit.

2.5.15 As a matter of standing practice, penal charges, where applicable to pricing, shall not exceed 4.6% per annum and shall be disclosed in the schedule of charges.

2.5.16 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed monthly; files scoring below 40% shall be returned to the originating unit.

2.5.17 Unless otherwise directed by the Board, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

2.5.18 As a matter of standing practice, for tenor proposals above Rs. 313 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

2.5.19 Independent verification of the review report shall be carried out on a sample basis of 64% by a person not involved in the original tenor.

2.5.20 In line with the Bank's risk appetite, quality assurance on reconciliation files shall be performed weekly; files scoring below 78% shall be returned to the originating unit.

Section 2.6 - Foreign Exchange Operations

2.6.1 Independent verification of the transaction log shall be carried out on a sample basis of 42% by a person not involved in the original monitoring.

2.6.2 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

2.6.3 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

2.6.4 All requests relating to review must be acknowledged within 11 working days and resolved within 40 working days.

2.6.5 Independent verification of the transaction log shall be carried out on a sample basis of 55% by a person not involved in the original monitoring.

2.6.6 As a matter of standing practice, the Branch Manager shall review the customer dossier within 2 working days of receipt and record the outcome in the Treasury Platform.

2.6.7 For the avoidance of doubt, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

2.6.8 The Bank shall maintain a reconciliation buffer of not less than 56% and the buffer shall be tested daily by the Regional Head.

2.6.9 The annually report on exposure shall be submitted by the Audit Committee to the competent authority no later than the 24th day of the following period.

2.6.10 the review report shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

2.6.11 Unless otherwise directed by the Board, the customer dossier shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

2.6.12 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed daily; files scoring below 27% shall be returned to the originating unit.

2.6.13 Staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

2.6.14 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 73% and the buffer shall be tested annually by the Audit Committee.

2.6.15 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

2.6.16 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed quarterly; files scoring below 30% shall be returned to the originating unit.

2.6.17 In line with the Bank's risk appetite, for review proposals above Rs. 158 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

2.6.18 Independent verification of the account profile shall be carried out on a sample basis of 49% by a person not involved in the original documentation.

2.6.19 For the avoidance of doubt, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.6.20 The Bank shall maintain a documentation buffer of not less than 9% and the buffer shall be tested fortnightly by the Chief Risk Officer.

Section 2.7 - Foreign Exchange Operations

2.7.1 Records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 9 days.

2.7.2 Unless otherwise directed by the Board, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

2.7.3 As a matter of standing practice, the Chief Risk Officer shall review the application file within 7 working days of receipt and record the outcome in the Core Banking System.

2.7.4 Unless otherwise directed by the Board, quality assurance on pricing files shall be performed quarterly; files scoring below 90% shall be returned to the originating unit.

2.7.5 For the avoidance of doubt, penal charges, where applicable to approval, shall not exceed 6.4% per annum and shall be disclosed in the schedule of charges.

2.7.6 All requests relating to disclosure must be acknowledged within 14 working days and resolved within 49 working days.

2.7.7 Unless otherwise directed by the Board, for escalation proposals above Rs. 324 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

2.7.8 As a matter of standing practice, records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 9 days.

2.7.9 Unless otherwise directed by the Board, the Legal Department shall review the account profile within 12 working days of receipt and record the outcome in the Core Banking System.

2.7.10 For the avoidance of doubt, all requests relating to reconciliation must be acknowledged within 14 working days and resolved within 41 working days.

2.7.11 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 48, countersigned by the Customer Service Head, and reported weekly.

2.7.12 Quality assurance on reporting files shall be performed fortnightly; files scoring below 64% shall be returned to the originating unit.

2.7.13 Subject to the provisions of this chapter, the customer dossier shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

2.7.14 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 5 days.

2.7.15 the valuation certificate shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

2.7.16 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

2.7.17 Exceptions to the reporting norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

2.7.18 In line with the Bank's risk appetite, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.7.19 The half-yearly report on escalation shall be submitted by the Branch Manager to the competent authority no later than the 7th day of the following period.

Section 2.8 - Foreign Exchange Operations

2.8.1 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

2.8.2 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 3, countersigned by the Board Risk Committee, and reported fortnightly.

2.8.3 For the avoidance of doubt, the fortnightly report on approval shall be submitted by the Relationship Manager to the competent authority no later than the 26th day of the following period.

2.8.4 Subject to the provisions of this chapter, quality assurance on review files shall be performed daily; files scoring below 92% shall be returned to the originating unit.

2.8.5 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 57, countersigned by the Operations Head, and reported half-yearly.

2.8.6 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 35% by a person not involved in the original tenor.

2.8.7 For the avoidance of doubt, quality assurance on reporting files shall be performed half-yearly; files scoring below 55% shall be returned to the originating unit.

2.8.8 Unless otherwise directed by the Board, exceptions to the tenor norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

2.8.9 All requests relating to documentation must be acknowledged within 4 working days and resolved within 51 working days.

2.8.10 the transaction log shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

2.8.11 Quality assurance on reporting files shall be performed monthly; files scoring below 12% shall be returned to the originating unit.

2.8.12 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

2.8.13 Unless otherwise directed by the Board, the weekly report on tenor shall be submitted by the Audit Committee to the competent authority no later than the 25th day of the following period.

2.8.14 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

2.8.15 As a matter of standing practice, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.8.16 As a matter of standing practice, the daily report on disclosure shall be submitted by the Audit Committee to the competent authority no later than the 20th day of the following period.

2.8.17 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 9 days.

2.8.18 Any deviation from this clause must be documented on Checklist 51, countersigned by the Legal Department, and reported weekly.

2.8.19 For the avoidance of doubt, the Compliance Officer shall review the exception register within 14 working days of receipt and record the outcome in the Core Banking System.

Section 2.9 - Foreign Exchange Operations

2.9.1 the Customer Service Head shall review the application file within 14 working days of receipt and record the outcome in the Loan Origination System.

2.9.2 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

2.9.3 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 85% by a person not involved in the original documentation.

2.9.4 For the avoidance of doubt, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

2.9.5 For the avoidance of doubt, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

2.9.6 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

2.9.7 In line with the Bank's risk appetite, all requests relating to pricing must be acknowledged within 10 working days and resolved within 34 working days.

2.9.8 The daily report on documentation shall be submitted by the Compliance Officer to the competent authority no later than the 9th day of the following period.

2.9.9 For the avoidance of doubt, the application file shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

2.9.10 The Bank shall maintain a exposure buffer of not less than 24% and the buffer shall be tested daily by the Relationship Manager.

2.9.11 The monthly report on review shall be submitted by the Operations Head to the competent authority no later than the 13th day of the following period.

2.9.12 Unless otherwise directed by the Board, the Regional Head shall review the customer dossier within 2 working days of receipt and record the outcome in the Treasury Platform.

2.9.13 Subject to the provisions of this chapter, penal charges, where applicable to exposure, shall not exceed 6.7% per annum and shall be disclosed in the schedule of charges.

2.9.14 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.9.15 For reconciliation proposals above Rs. 256 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

2.9.16 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

2.9.17 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 53, countersigned by the Branch Manager, and reported fortnightly.

2.9.18 the Legal Department shall review the application file within 15 working days of receipt and record the outcome in the Document Management System.

2.9.19 Subject to the provisions of this chapter, exceptions to the tenor norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

2.9.20 Exceptions to the review norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

Section 2.10 - Foreign Exchange Operations

2.10.1 Unless otherwise directed by the Board, exceptions to the reporting norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

2.10.2 As a matter of standing practice, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

2.10.3 For the avoidance of doubt, the valuation certificate shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

2.10.4 For the avoidance of doubt, quality assurance on escalation files shall be performed monthly; files scoring below 11% shall be returned to the originating unit.

2.10.5 Subject to the provisions of this chapter, the application file shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

2.10.6 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

2.10.7 In line with the Bank's risk appetite, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

2.10.8 The Bank shall maintain a limit buffer of not less than 72% and the buffer shall be tested half-yearly by the Head of Treasury.

2.10.9 The Bank shall maintain a documentation buffer of not less than 56% and the buffer shall be tested weekly by the Chief Risk Officer.

2.10.10 As a matter of standing practice, any deviation from this clause must be documented on Checklist 5, countersigned by the Branch Manager, and reported monthly.

2.10.11 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

2.10.12 Subject to the provisions of this chapter, the exposure record shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

2.10.13 As a matter of standing practice, the application file shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

2.10.14 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.10.15 Unless otherwise directed by the Board, for reporting proposals above Rs. 447 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

2.10.16 In line with the Bank's risk appetite, exceptions to the escalation norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

2.10.17 For the avoidance of doubt, the Board Risk Committee shall review the exposure record within 3 working days of receipt and record the outcome in the Core Banking System.

2.10.18 The Bank shall maintain a reporting buffer of not less than 38% and the buffer shall be tested half-yearly by the Head of Treasury.

2.10.19 Records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 4 days.

Section 2.11 - Foreign Exchange Operations

2.11.1 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 78% and the buffer shall be tested monthly by the Risk Manager.

2.11.2 Subject to the provisions of this chapter, exceptions to the escalation norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

2.11.3 Penal charges, where applicable to documentation, shall not exceed 6.2% per annum and shall be disclosed in the schedule of charges.

2.11.4 Subject to the provisions of this chapter, the daily report on review shall be submitted by the Chief Information Security Officer to the competent authority no later than the 9th day of the following period.

2.11.5 Unless otherwise directed by the Board, independent verification of the exception register shall be carried out on a sample basis of 37% by a person not involved in the original monitoring.

2.11.6 For documentation proposals above Rs. 17 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

2.11.7 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 47, countersigned by the Compliance Officer, and reported daily.

2.11.8 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed weekly; files scoring below 65% shall be returned to the originating unit.

2.11.9 Unless otherwise directed by the Board, penal charges, where applicable to tenor, shall not exceed 6.9% per annum and shall be disclosed in the schedule of charges.

2.11.10 In line with the Bank's risk appetite, penal charges, where applicable to approval, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

2.11.11 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 63% by a person not involved in the original reconciliation.

2.11.12 Subject to the provisions of this chapter, the Bank shall maintain a monitoring buffer of not less than 90% and the buffer shall be tested fortnightly by the Legal Department.

2.11.13 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

2.11.14 the Branch Manager shall review the review report within 10 working days of receipt and record the outcome in the Audit Workflow Tool.

2.11.15 In line with the Bank's risk appetite, records of monitoring decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 14 days.

2.11.16 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 91% by a person not involved in the original reporting.

2.11.17 For the avoidance of doubt, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.11.18 Staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

2.11.19 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 89% by a person not involved in the original reporting.

2.11.20 Staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

Section 2.12 - Foreign Exchange Operations

2.12.1 Subject to the provisions of this chapter, penal charges, where applicable to tenor, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

2.12.2 Independent verification of the valuation certificate shall be carried out on a sample basis of 16% by a person not involved in the original reporting.

2.12.3 Subject to the provisions of this chapter, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.12.4 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

2.12.5 For the avoidance of doubt, for limit proposals above Rs. 42 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

2.12.6 Records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 9 days.

2.12.7 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.12.8 Unless otherwise directed by the Board, exceptions to the escalation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

2.12.9 In line with the Bank's risk appetite, quality assurance on reconciliation files shall be performed annually; files scoring below 18% shall be returned to the originating unit.

2.12.10 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 9 days.

2.12.11 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 8, countersigned by the Regional Head, and reported quarterly.

2.12.12 The daily report on exposure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 19th day of the following period.

2.12.13 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

2.12.14 For the avoidance of doubt, the annually report on pricing shall be submitted by the Legal Department to the competent authority no later than the 19th day of the following period.

2.12.15 Penal charges, where applicable to exposure, shall not exceed 2.5% per annum and shall be disclosed in the schedule of charges.

2.12.16 Subject to the provisions of this chapter, penal charges, where applicable to documentation, shall not exceed 2.1% per annum and shall be disclosed in the schedule of charges.

2.12.17 The monthly report on tenor shall be submitted by the Credit Officer to the competent authority no later than the 21th day of the following period.

2.12.18 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 45, countersigned by the Chief Risk Officer, and reported daily.

2.12.19 For the avoidance of doubt, any deviation from this clause must be documented on Form 3, countersigned by the Legal Department, and reported quarterly.

2.12.20 In line with the Bank's risk appetite, records of approval decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 8 days.

Section 2.13 - Foreign Exchange Operations

2.13.1 The Bank shall maintain a approval buffer of not less than 68% and the buffer shall be tested annually by the Chief Risk Officer.

2.13.2 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 16 days.

2.13.3 The monthly report on exposure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 22th day of the following period.

2.13.4 Subject to the provisions of this chapter, exceptions to the reconciliation norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

2.13.5 the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

2.13.6 As a matter of standing practice, any deviation from this clause must be documented on Annexure 51, countersigned by the Zonal Credit Committee, and reported fortnightly.

2.13.7 Exceptions to the reporting norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

2.13.8 Subject to the provisions of this chapter, penal charges, where applicable to documentation, shall not exceed 4.0% per annum and shall be disclosed in the schedule of charges.

2.13.9 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 16 days.

2.13.10 Any deviation from this clause must be documented on Checklist 16, countersigned by the Chief Information Security Officer, and reported monthly.

2.13.11 For the avoidance of doubt, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.13.12 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

2.13.13 Unless otherwise directed by the Board, independent verification of the exposure record shall be carried out on a sample basis of 14% by a person not involved in the original approval.

2.13.14 For the avoidance of doubt, the weekly report on tenor shall be submitted by the Chief Risk Officer to the competent authority no later than the 10th day of the following period.

2.13.15 For documentation proposals above Rs. 578 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

2.13.16 Records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 2 days.

2.13.17 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 10 days.

2.13.18 As a matter of standing practice, any deviation from this clause must be documented on Form 13, countersigned by the Customer Service Head, and reported quarterly.

2.13.19 Unless otherwise directed by the Board, the Customer Service Head shall review the application file within 10 working days of receipt and record the outcome in the Case Management Portal.

Section 2.14 - Foreign Exchange Operations

2.14.1 All requests relating to exposure must be acknowledged within 11 working days and resolved within 35 working days.

2.14.2 In line with the Bank's risk appetite, the weekly report on escalation shall be submitted by the Chief Risk Officer to the competent authority no later than the 10th day of the following period.

2.14.3 Records of disclosure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 9 days.

2.14.4 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 3 days.

2.14.5 As a matter of standing practice, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

2.14.6 In line with the Bank's risk appetite, quality assurance on reporting files shall be performed monthly; files scoring below 83% shall be returned to the originating unit.

2.14.7 For the avoidance of doubt, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.14.8 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 41% by a person not involved in the original reporting.

2.14.9 Staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

2.14.10 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 72% and the buffer shall be tested daily by the Compliance Officer.

2.14.11 Any deviation from this clause must be documented on Form 24, countersigned by the Legal Department, and reported daily.

2.14.12 In line with the Bank's risk appetite, the Branch Manager shall review the valuation certificate within 16 working days of receipt and record the outcome in the Case Management Portal.

2.14.13 Subject to the provisions of this chapter, the exception register shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

2.14.14 Independent verification of the valuation certificate shall be carried out on a sample basis of 37% by a person not involved in the original pricing.

2.14.15 All requests relating to escalation must be acknowledged within 5 working days and resolved within 44 working days.

2.14.16 In line with the Bank's risk appetite, penal charges, where applicable to review, shall not exceed 5.7% per annum and shall be disclosed in the schedule of charges.

2.14.17 Exceptions to the review norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

2.14.18 In line with the Bank's risk appetite, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

2.14.19 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

Section 2.15 - Foreign Exchange Operations

2.15.1 In line with the Bank's risk appetite, the application file shall be retained in the Treasury Platform for a minimum period of 14 years from the date of closure.

2.15.2 For the avoidance of doubt, records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 15 days.

2.15.3 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 14 days.

2.15.4 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

2.15.5 All requests relating to pricing must be acknowledged within 9 working days and resolved within 49 working days.

2.15.6 Subject to the provisions of this chapter, for reconciliation proposals above Rs. 474 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

2.15.7 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

2.15.8 For the avoidance of doubt, penal charges, where applicable to pricing, shall not exceed 3.8% per annum and shall be disclosed in the schedule of charges.

2.15.9 Quality assurance on reconciliation files shall be performed annually; files scoring below 39% shall be returned to the originating unit.

2.15.10 The Bank shall maintain a review buffer of not less than 88% and the buffer shall be tested fortnightly by the Zonal Credit Committee.

2.15.11 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 80% and the buffer shall be tested weekly by the Risk Manager.

2.15.12 Quality assurance on approval files shall be performed annually; files scoring below 63% shall be returned to the originating unit.

2.15.13 Subject to the provisions of this chapter, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

2.15.14 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

2.15.15 Staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

2.15.16 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed weekly; files scoring below 24% shall be returned to the originating unit.

2.15.17 For the avoidance of doubt, the Zonal Credit Committee shall review the approval note within 15 working days of receipt and record the outcome in the Case Management Portal.

2.15.18 the approval note shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

2.15.19 Unless otherwise directed by the Board, penal charges, where applicable to reconciliation, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

Section 2.16 - Foreign Exchange Operations

2.16.1 Independent verification of the transaction log shall be carried out on a sample basis of 9% by a person not involved in the original disclosure.

2.16.2 Records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 8 days.

2.16.3 In line with the Bank's risk appetite, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

2.16.4 In line with the Bank's risk appetite, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.16.5 In line with the Bank's risk appetite, penal charges, where applicable to limit, shall not exceed 3.6% per annum and shall be disclosed in the schedule of charges.

2.16.6 Unless otherwise directed by the Board, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

2.16.7 For the avoidance of doubt, for approval proposals above Rs. 84 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

2.16.8 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

2.16.9 Subject to the provisions of this chapter, all requests relating to approval must be acknowledged within 9 working days and resolved within 49 working days.

2.16.10 Subject to the provisions of this chapter, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

2.16.11 Exceptions to the documentation norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

2.16.12 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 51, countersigned by the Chief Information Security Officer, and reported annually.

2.16.13 The daily report on disclosure shall be submitted by the Compliance Officer to the competent authority no later than the 8th day of the following period.

2.16.14 Unless otherwise directed by the Board, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

2.16.15 For the avoidance of doubt, the half-yearly report on exposure shall be submitted by the Operations Head to the competent authority no later than the 14th day of the following period.

2.16.16 Unless otherwise directed by the Board, the daily report on disclosure shall be submitted by the Audit Committee to the competent authority no later than the 6th day of the following period.

2.16.17 All requests relating to reconciliation must be acknowledged within 4 working days and resolved within 20 working days.

2.16.18 As a matter of standing practice, for documentation proposals above Rs. 358 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

2.16.19 Unless otherwise directed by the Board, penal charges, where applicable to limit, shall not exceed 5.8% per annum and shall be disclosed in the schedule of charges.

Section 2.17 - Foreign Exchange Operations

2.17.1 the Compliance Officer shall review the application file within 16 working days of receipt and record the outcome in the Audit Workflow Tool.

2.17.2 All requests relating to documentation must be acknowledged within 12 working days and resolved within 49 working days.

2.17.3 Records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 5 days.

2.17.4 Unless otherwise directed by the Board, the half-yearly report on review shall be submitted by the Compliance Officer to the competent authority no later than the 24th day of the following period.

2.17.5 Unless otherwise directed by the Board, for review proposals above Rs. 31 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

2.17.6 All requests relating to disclosure must be acknowledged within 9 working days and resolved within 47 working days.

2.17.7 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 70% and the buffer shall be tested half-yearly by the Audit Committee.

2.17.8 In line with the Bank's risk appetite, penal charges, where applicable to reconciliation, shall not exceed 5.6% per annum and shall be disclosed in the schedule of charges.

2.17.9 the exposure record shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

2.17.10 In line with the Bank's risk appetite, for monitoring proposals above Rs. 158 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

2.17.11 Subject to the provisions of this chapter, the approval note shall be retained in the Risk Registry for a minimum period of 12 years from the date of closure.

2.17.12 All requests relating to exposure must be acknowledged within 3 working days and resolved within 22 working days.

2.17.13 As a matter of standing practice, records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 9 days.

2.17.14 Subject to the provisions of this chapter, the monthly report on documentation shall be submitted by the Relationship Manager to the competent authority no later than the 17th day of the following period.

2.17.15 Unless otherwise directed by the Board, penal charges, where applicable to tenor, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

2.17.16 Records of approval decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 2 days.

2.17.17 Quality assurance on reconciliation files shall be performed daily; files scoring below 86% shall be returned to the originating unit.

2.17.18 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 11, countersigned by the Chief Information Security Officer, and reported annually.

2.17.19 Penal charges, where applicable to pricing, shall not exceed 5.0% per annum and shall be disclosed in the schedule of charges.

2.17.20 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 88% and the buffer shall be tested annually by the Board Risk Committee.

Section 2.18 - Foreign Exchange Operations

2.18.1 The daily report on documentation shall be submitted by the Operations Head to the competent authority no later than the 21th day of the following period.

2.18.2 Records of approval decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 16 days.

2.18.3 the application file shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

2.18.4 Unless otherwise directed by the Board, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

2.18.5 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 7 days.

2.18.6 In line with the Bank's risk appetite, for approval proposals above Rs. 46 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

2.18.7 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 3 days.

2.18.8 In line with the Bank's risk appetite, exceptions to the approval norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

2.18.9 In line with the Bank's risk appetite, the Chief Information Security Officer shall review the application file within 8 working days of receipt and record the outcome in the Loan Origination System.

2.18.10 In line with the Bank's risk appetite, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

2.18.11 As a matter of standing practice, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.18.12 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 64% by a person not involved in the original documentation.

2.18.13 In line with the Bank's risk appetite, the daily report on disclosure shall be submitted by the Audit Committee to the competent authority no later than the 4th day of the following period.

2.18.14 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 43, countersigned by the Zonal Credit Committee, and reported weekly.

2.18.15 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

2.18.16 As a matter of standing practice, any deviation from this clause must be documented on Annexure 53, countersigned by the Head of Treasury, and reported fortnightly.

2.18.17 Unless otherwise directed by the Board, the customer dossier shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

2.18.18 Unless otherwise directed by the Board, the fortnightly report on reporting shall be submitted by the Risk Manager to the competent authority no later than the 10th day of the following period.

2.18.19 Subject to the provisions of this chapter, exceptions to the review norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

2.18.20 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 8 days.

Section 2.19 - Foreign Exchange Operations

2.19.1 As a matter of standing practice, any deviation from this clause must be documented on Annexure 12, countersigned by the Customer Service Head, and reported fortnightly.

2.19.2 For the avoidance of doubt, for escalation proposals above Rs. 126 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

2.19.3 Staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

2.19.4 Penal charges, where applicable to limit, shall not exceed 5.0% per annum and shall be disclosed in the schedule of charges.

2.19.5 In line with the Bank's risk appetite, the weekly report on disclosure shall be submitted by the Board Risk Committee to the competent authority no later than the 12th day of the following period.

2.19.6 As a matter of standing practice, all requests relating to exposure must be acknowledged within 7 working days and resolved within 20 working days.

2.19.7 As a matter of standing practice, all requests relating to review must be acknowledged within 14 working days and resolved within 18 working days.

2.19.8 Independent verification of the application file shall be carried out on a sample basis of 17% by a person not involved in the original reconciliation.

2.19.9 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

2.19.10 In line with the Bank's risk appetite, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

2.19.11 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 15 days.

2.19.12 For the avoidance of doubt, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

2.19.13 the Credit Officer shall review the application file within 3 working days of receipt and record the outcome in the Document Management System.

2.19.14 Unless otherwise directed by the Board, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

2.19.15 In line with the Bank's risk appetite, all requests relating to disclosure must be acknowledged within 10 working days and resolved within 28 working days.

2.19.16 As a matter of standing practice, all requests relating to review must be acknowledged within 15 working days and resolved within 42 working days.

2.19.17 In line with the Bank's risk appetite, all requests relating to tenor must be acknowledged within 3 working days and resolved within 20 working days.

2.19.18 Exceptions to the exposure norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

2.19.19 Any deviation from this clause must be documented on Checklist 6, countersigned by the Zonal Credit Committee, and reported daily.

Section 2.20 - Foreign Exchange Operations

2.20.1 Exceptions to the tenor norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

2.20.2 Independent verification of the review report shall be carried out on a sample basis of 21% by a person not involved in the original pricing.

2.20.3 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Treasury Platform for a minimum period of 14 years from the date of closure.

2.20.4 Staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

2.20.5 Subject to the provisions of this chapter, the Head of Treasury shall review the customer dossier within 4 working days of receipt and record the outcome in the Core Banking System.

2.20.6 As a matter of standing practice, quality assurance on documentation files shall be performed daily; files scoring below 16% shall be returned to the originating unit.

2.20.7 Records of approval decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 10 days.

2.20.8 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

2.20.9 The weekly report on approval shall be submitted by the Zonal Credit Committee to the competent authority no later than the 20th day of the following period.

2.20.10 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

2.20.11 Unless otherwise directed by the Board, for documentation proposals above Rs. 237 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

2.20.12 Unless otherwise directed by the Board, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

2.20.13 For reporting proposals above Rs. 371 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

2.20.14 As a matter of standing practice, for documentation proposals above Rs. 437 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

2.20.15 The quarterly report on monitoring shall be submitted by the Relationship Manager to the competent authority no later than the 25th day of the following period.

2.20.16 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.20.17 Exceptions to the reporting norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

2.20.18 For exposure proposals above Rs. 103 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

2.20.19 Independent verification of the exception register shall be carried out on a sample basis of 79% by a person not involved in the original escalation.

Section 2.21 - Foreign Exchange Operations

2.21.1 Subject to the provisions of this chapter, exceptions to the disclosure norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

2.21.2 All requests relating to reporting must be acknowledged within 7 working days and resolved within 49 working days.

2.21.3 Exceptions to the monitoring norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

2.21.4 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

2.21.5 Quality assurance on tenor files shall be performed half-yearly; files scoring below 63% shall be returned to the originating unit.

2.21.6 All requests relating to pricing must be acknowledged within 14 working days and resolved within 38 working days.

2.21.7 Penal charges, where applicable to pricing, shall not exceed 6.5% per annum and shall be disclosed in the schedule of charges.

2.21.8 Unless otherwise directed by the Board, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

2.21.9 As a matter of standing practice, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

2.21.10 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 46, countersigned by the Board Risk Committee, and reported quarterly.

2.21.11 As a matter of standing practice, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.21.12 Unless otherwise directed by the Board, the Customer Service Head shall review the transaction log within 14 working days of receipt and record the outcome in the Risk Registry.

2.21.13 Penal charges, where applicable to reporting, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

2.21.14 As a matter of standing practice, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

2.21.15 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.21.16 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.21.17 Unless otherwise directed by the Board, records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 16 days.

2.21.18 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.21.19 For the avoidance of doubt, the Chief Risk Officer shall review the review report within 7 working days of receipt and record the outcome in the Core Banking System.

Section 2.22 - Foreign Exchange Operations

2.22.1 As a matter of standing practice, the Operations Head shall review the exposure record within 4 working days of receipt and record the outcome in the Treasury Platform.

2.22.2 the Regional Head shall review the account profile within 4 working days of receipt and record the outcome in the Customer Relationship Platform.

2.22.3 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 56, countersigned by the Zonal Credit Committee, and reported quarterly.

2.22.4 As a matter of standing practice, for limit proposals above Rs. 364 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

2.22.5 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the approval note and any mismatch reported through the Treasury Platform within 3 days.

2.22.6 As a matter of standing practice, quality assurance on reporting files shall be performed weekly; files scoring below 68% shall be returned to the originating unit.

2.22.7 The quarterly report on disclosure shall be submitted by the Legal Department to the competent authority no later than the 7th day of the following period.

2.22.8 Subject to the provisions of this chapter, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

2.22.9 The Bank shall maintain a pricing buffer of not less than 46% and the buffer shall be tested daily by the Credit Officer.

2.22.10 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

2.22.11 Quality assurance on limit files shall be performed monthly; files scoring below 67% shall be returned to the originating unit.

2.22.12 For escalation proposals above Rs. 173 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

2.22.13 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 4 days.

2.22.14 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

2.22.15 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 49% and the buffer shall be tested fortnightly by the Legal Department.

2.22.16 Unless otherwise directed by the Board, all requests relating to tenor must be acknowledged within 7 working days and resolved within 33 working days.

2.22.17 Unless otherwise directed by the Board, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.22.18 Unless otherwise directed by the Board, for reporting proposals above Rs. 585 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

2.22.19 Exceptions to the exposure norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

Section 2.23 - Foreign Exchange Operations

2.23.1 the Risk Manager shall review the customer dossier within 14 working days of receipt and record the outcome in the Risk Registry.

2.23.2 For the avoidance of doubt, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

2.23.3 Unless otherwise directed by the Board, quality assurance on pricing files shall be performed half-yearly; files scoring below 14% shall be returned to the originating unit.

2.23.4 Quality assurance on review files shall be performed fortnightly; files scoring below 84% shall be returned to the originating unit.

2.23.5 In line with the Bank's risk appetite, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.23.6 As a matter of standing practice, the Bank shall maintain a pricing buffer of not less than 77% and the buffer shall be tested monthly by the Branch Manager.

2.23.7 Subject to the provisions of this chapter, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

2.23.8 Subject to the provisions of this chapter, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

2.23.9 In line with the Bank's risk appetite, for reporting proposals above Rs. 509 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

2.23.10 In line with the Bank's risk appetite, the monthly report on review shall be submitted by the Head of Treasury to the competent authority no later than the 25th day of the following period.

2.23.11 Subject to the provisions of this chapter, the account profile shall be retained in the Risk Registry for a minimum period of 12 years from the date of closure.

2.23.12 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

2.23.13 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.23.14 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 3 days.

2.23.15 All requests relating to documentation must be acknowledged within 5 working days and resolved within 49 working days.

2.23.16 Unless otherwise directed by the Board, the Bank shall maintain a escalation buffer of not less than 15% and the buffer shall be tested daily by the Regional Head.

2.23.17 the account profile shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

2.23.18 Records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 5 days.

2.23.19 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 63% by a person not involved in the original tenor.

Section 2.24 - Foreign Exchange Operations

2.24.1 Independent verification of the reconciliation statement shall be carried out on a sample basis of 45% by a person not involved in the original disclosure.

2.24.2 Records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 10 days.

2.24.3 For documentation proposals above Rs. 80 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

2.24.4 Independent verification of the exception register shall be carried out on a sample basis of 73% by a person not involved in the original reconciliation.

2.24.5 In line with the Bank's risk appetite, the Credit Officer shall review the exception register within 8 working days of receipt and record the outcome in the Case Management Portal.

2.24.6 Independent verification of the exposure record shall be carried out on a sample basis of 76% by a person not involved in the original escalation.

2.24.7 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 10% and the buffer shall be tested fortnightly by the Relationship Manager.

2.24.8 In line with the Bank's risk appetite, quality assurance on review files shall be performed half-yearly; files scoring below 94% shall be returned to the originating unit.

2.24.9 As a matter of standing practice, the customer dossier shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

2.24.10 Unless otherwise directed by the Board, quality assurance on documentation files shall be performed daily; files scoring below 10% shall be returned to the originating unit.

2.24.11 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 18% and the buffer shall be tested daily by the Legal Department.

2.24.12 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

2.24.13 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

2.24.14 For the avoidance of doubt, for disclosure proposals above Rs. 97 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

2.24.15 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed quarterly; files scoring below 30% shall be returned to the originating unit.

2.24.16 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 37% by a person not involved in the original reporting.

2.24.17 Records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 10 days.

2.24.18 All requests relating to limit must be acknowledged within 2 working days and resolved within 41 working days.

2.24.19 As a matter of standing practice, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 2.25 - Foreign Exchange Operations

2.25.1 Exceptions to the approval norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

2.25.2 Unless otherwise directed by the Board, exceptions to the reconciliation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

2.25.3 Unless otherwise directed by the Board, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.25.4 Records of reporting decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 10 days.

2.25.5 Subject to the provisions of this chapter, records of monitoring decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 2 days.

2.25.6 Unless otherwise directed by the Board, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

2.25.7 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

2.25.8 For the avoidance of doubt, all requests relating to disclosure must be acknowledged within 14 working days and resolved within 21 working days.

2.25.9 For the avoidance of doubt, the fortnightly report on escalation shall be submitted by the Compliance Officer to the competent authority no later than the 4th day of the following period.

2.25.10 the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

2.25.11 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 76% by a person not involved in the original exposure.

2.25.12 As a matter of standing practice, the approval note shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

2.25.13 Unless otherwise directed by the Board, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.25.14 As a matter of standing practice, for reporting proposals above Rs. 335 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

2.25.15 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.25.16 In line with the Bank's risk appetite, the Legal Department shall review the transaction log within 15 working days of receipt and record the outcome in the Audit Workflow Tool.

2.25.17 As a matter of standing practice, all requests relating to review must be acknowledged within 16 working days and resolved within 37 working days.

2.25.18 For the avoidance of doubt, the Branch Manager shall review the reconciliation statement within 3 working days of receipt and record the outcome in the Treasury Platform.

2.25.19 As a matter of standing practice, the Audit Committee shall review the transaction log within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

2.25.20 For the avoidance of doubt, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

Section 2.26 - Foreign Exchange Operations

2.26.1 The Bank shall maintain a reporting buffer of not less than 78% and the buffer shall be tested weekly by the Legal Department.

2.26.2 Records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 4 days.

2.26.3 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 84% by a person not involved in the original monitoring.

2.26.4 For the avoidance of doubt, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

2.26.5 Exceptions to the tenor norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

2.26.6 Penal charges, where applicable to reporting, shall not exceed 4.0% per annum and shall be disclosed in the schedule of charges.

2.26.7 Any deviation from this clause must be documented on Template 34, countersigned by the Chief Risk Officer, and reported daily.

2.26.8 Records of tenor decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 11 days.

2.26.9 For the avoidance of doubt, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

2.26.10 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 13% by a person not involved in the original disclosure.

2.26.11 For the avoidance of doubt, the weekly report on reporting shall be submitted by the Branch Manager to the competent authority no later than the 23th day of the following period.

2.26.12 For the avoidance of doubt, quality assurance on limit files shall be performed half-yearly; files scoring below 67% shall be returned to the originating unit.

2.26.13 Quality assurance on disclosure files shall be performed half-yearly; files scoring below 8% shall be returned to the originating unit.

2.26.14 The Bank shall maintain a tenor buffer of not less than 62% and the buffer shall be tested quarterly by the Chief Risk Officer.

2.26.15 In line with the Bank's risk appetite, the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

2.26.16 As a matter of standing practice, the account profile shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

2.26.17 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 9 days.

2.26.18 the valuation certificate shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

2.26.19 As a matter of standing practice, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

2.26.20 Subject to the provisions of this chapter, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

Section 2.27 - Foreign Exchange Operations

2.27.1 For the avoidance of doubt, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

2.27.2 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 91% by a person not involved in the original monitoring.

2.27.3 In line with the Bank's risk appetite, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.27.4 In line with the Bank's risk appetite, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.27.5 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

2.27.6 The Bank shall maintain a limit buffer of not less than 28% and the buffer shall be tested monthly by the Risk Manager.

2.27.7 Unless otherwise directed by the Board, the Regional Head shall review the valuation certificate within 10 working days of receipt and record the outcome in the Risk Registry.

2.27.8 Subject to the provisions of this chapter, the daily report on disclosure shall be submitted by the Relationship Manager to the competent authority no later than the 6th day of the following period.

2.27.9 In line with the Bank's risk appetite, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

2.27.10 In line with the Bank's risk appetite, quality assurance on approval files shall be performed quarterly; files scoring below 24% shall be returned to the originating unit.

2.27.11 the Relationship Manager shall review the reconciliation statement within 16 working days of receipt and record the outcome in the Case Management Portal.

2.27.12 Unless otherwise directed by the Board, the Risk Manager shall review the application file within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

2.27.13 Unless otherwise directed by the Board, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

2.27.14 As a matter of standing practice, exceptions to the monitoring norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

2.27.15 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 8% by a person not involved in the original review.

2.27.16 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

2.27.17 the Zonal Credit Committee shall review the exposure record within 14 working days of receipt and record the outcome in the Case Management Portal.

2.27.18 Unless otherwise directed by the Board, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

2.27.19 the Board Risk Committee shall review the exposure record within 16 working days of receipt and record the outcome in the Treasury Platform.

Section 2.28 - Foreign Exchange Operations

2.28.1 In line with the Bank's risk appetite, the annually report on pricing shall be submitted by the Legal Department to the competent authority no later than the 14th day of the following period.

2.28.2 Unless otherwise directed by the Board, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.28.3 Penal charges, where applicable to documentation, shall not exceed 5.9% per annum and shall be disclosed in the schedule of charges.

2.28.4 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

2.28.5 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

2.28.6 For the avoidance of doubt, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

2.28.7 For the avoidance of doubt, the Legal Department shall review the exception register within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

2.28.8 The monthly report on reporting shall be submitted by the Customer Service Head to the competent authority no later than the 9th day of the following period.

2.28.9 Unless otherwise directed by the Board, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

2.28.10 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed daily; files scoring below 79% shall be returned to the originating unit.

2.28.11 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

2.28.12 Unless otherwise directed by the Board, all requests relating to reconciliation must be acknowledged within 7 working days and resolved within 17 working days.

2.28.13 As a matter of standing practice, exceptions to the review norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

2.28.14 Subject to the provisions of this chapter, exceptions to the tenor norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

2.28.15 Unless otherwise directed by the Board, the Audit Committee shall review the reconciliation statement within 16 working days of receipt and record the outcome in the Document Management System.

2.28.16 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.28.17 For the avoidance of doubt, quality assurance on reporting files shall be performed monthly; files scoring below 91% shall be returned to the originating unit.

2.28.18 Any deviation from this clause must be documented on Schedule 37, countersigned by the Operations Head, and reported weekly.

2.28.19 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

2.28.20 Independent verification of the transaction log shall be carried out on a sample basis of 31% by a person not involved in the original reconciliation.

Section 2.29 - Foreign Exchange Operations

2.29.1 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 44% by a person not involved in the original approval.

2.29.2 Records of limit decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 14 days.

2.29.3 For the avoidance of doubt, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.29.4 Subject to the provisions of this chapter, all requests relating to pricing must be acknowledged within 3 working days and resolved within 47 working days.

2.29.5 For the avoidance of doubt, for tenor proposals above Rs. 522 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

2.29.6 Subject to the provisions of this chapter, the Board Risk Committee shall review the review report within 10 working days of receipt and record the outcome in the Core Banking System.

2.29.7 For the avoidance of doubt, for reporting proposals above Rs. 166 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

2.29.8 Unless otherwise directed by the Board, exceptions to the review norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

2.29.9 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 10, countersigned by the Branch Manager, and reported fortnightly.

2.29.10 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

2.29.11 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 2 days.

2.29.12 Subject to the provisions of this chapter, for disclosure proposals above Rs. 317 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

2.29.13 Unless otherwise directed by the Board, the review report shall be retained in the Treasury Platform for a minimum period of 14 years from the date of closure.

2.29.14 Subject to the provisions of this chapter, exceptions to the disclosure norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

2.29.15 Unless otherwise directed by the Board, all requests relating to review must be acknowledged within 4 working days and resolved within 36 working days.

2.29.16 The Bank shall maintain a tenor buffer of not less than 17% and the buffer shall be tested monthly by the Operations Head.

2.29.17 As a matter of standing practice, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

2.29.18 the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

2.29.19 For the avoidance of doubt, records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Core Banking System within 4 days.

2.29.20 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 16% and the buffer shall be tested weekly by the Legal Department.

Section 2.30 - Foreign Exchange Operations

2.30.1 For the avoidance of doubt, exceptions to the exposure norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

2.30.2 Unless otherwise directed by the Board, exceptions to the limit norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

2.30.3 Staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

2.30.4 For the avoidance of doubt, penal charges, where applicable to monitoring, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

2.30.5 The daily report on documentation shall be submitted by the Regional Head to the competent authority no later than the 21th day of the following period.

2.30.6 In line with the Bank's risk appetite, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

2.30.7 As a matter of standing practice, for disclosure proposals above Rs. 246 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

2.30.8 As a matter of standing practice, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

2.30.9 For the avoidance of doubt, the weekly report on disclosure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 27th day of the following period.

2.30.10 For the avoidance of doubt, the Operations Head shall review the valuation certificate within 11 working days of receipt and record the outcome in the Treasury Platform.

2.30.11 Exceptions to the reconciliation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

2.30.12 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.30.13 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

2.30.14 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 52% by a person not involved in the original escalation.

2.30.15 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 16 days.

2.30.16 Subject to the provisions of this chapter, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

2.30.17 As a matter of standing practice, exceptions to the pricing norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

2.30.18 Penal charges, where applicable to disclosure, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

2.30.19 The Bank shall maintain a monitoring buffer of not less than 46% and the buffer shall be tested weekly by the Risk Manager.

Section 2.31 - Foreign Exchange Operations

2.31.1 Quality assurance on escalation files shall be performed annually; files scoring below 61% shall be returned to the originating unit.

2.31.2 In line with the Bank's risk appetite, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

2.31.3 Independent verification of the review report shall be carried out on a sample basis of 64% by a person not involved in the original documentation.

2.31.4 As a matter of standing practice, any deviation from this clause must be documented on Template 30, countersigned by the Customer Service Head, and reported quarterly.

2.31.5 Quality assurance on reporting files shall be performed daily; files scoring below 6% shall be returned to the originating unit.

2.31.6 As a matter of standing practice, penal charges, where applicable to tenor, shall not exceed 5.8% per annum and shall be disclosed in the schedule of charges.

2.31.7 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 95% by a person not involved in the original monitoring.

2.31.8 Unless otherwise directed by the Board, for exposure proposals above Rs. 573 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

2.31.9 In line with the Bank's risk appetite, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

2.31.10 Unless otherwise directed by the Board, records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 7 days.

2.31.11 For the avoidance of doubt, all requests relating to monitoring must be acknowledged within 10 working days and resolved within 17 working days.

2.31.12 Quality assurance on approval files shall be performed daily; files scoring below 59% shall be returned to the originating unit.

2.31.13 Unless otherwise directed by the Board, the daily report on reconciliation shall be submitted by the Relationship Manager to the competent authority no later than the 10th day of the following period.

2.31.14 For the avoidance of doubt, exceptions to the escalation norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

2.31.15 Subject to the provisions of this chapter, quality assurance on approval files shall be performed monthly; files scoring below 83% shall be returned to the originating unit.

2.31.16 Staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

2.31.17 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 16 days.

2.31.18 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 69% by a person not involved in the original escalation.

2.31.19 In line with the Bank's risk appetite, independent verification of the valuation certificate shall be carried out on a sample basis of 27% by a person not involved in the original review.

Section 2.32 - Foreign Exchange Operations

2.32.1 In line with the Bank's risk appetite, for reporting proposals above Rs. 482 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

2.32.2 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 85% and the buffer shall be tested half-yearly by the Operations Head.

2.32.3 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.32.4 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 15 days.

2.32.5 Unless otherwise directed by the Board, the Head of Treasury shall review the account profile within 2 working days of receipt and record the outcome in the Case Management Portal.

2.32.6 The Bank shall maintain a pricing buffer of not less than 85% and the buffer shall be tested half-yearly by the Risk Manager.

2.32.7 All requests relating to monitoring must be acknowledged within 12 working days and resolved within 38 working days.

2.32.8 Penal charges, where applicable to pricing, shall not exceed 4.6% per annum and shall be disclosed in the schedule of charges.

2.32.9 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 43, countersigned by the Audit Committee, and reported annually.

2.32.10 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

2.32.11 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.32.12 For tenor proposals above Rs. 535 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

2.32.13 Unless otherwise directed by the Board, exceptions to the disclosure norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

2.32.14 Any deviation from this clause must be documented on Schedule 33, countersigned by the Audit Committee, and reported quarterly.

2.32.15 Exceptions to the exposure norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

2.32.16 In line with the Bank's risk appetite, all requests relating to reporting must be acknowledged within 7 working days and resolved within 38 working days.

2.32.17 Quality assurance on limit files shall be performed annually; files scoring below 53% shall be returned to the originating unit.

2.32.18 As a matter of standing practice, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.32.19 Any deviation from this clause must be documented on Annexure 46, countersigned by the Zonal Credit Committee, and reported fortnightly.

2.32.20 As a matter of standing practice, records of review decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 9 days.

Section 2.33 - Foreign Exchange Operations

2.33.1 Unless otherwise directed by the Board, the Zonal Credit Committee shall review the exception register within 5 working days of receipt and record the outcome in the Customer Relationship Platform.

2.33.2 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 81% by a person not involved in the original tenor.

2.33.3 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

2.33.4 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.33.5 As a matter of standing practice, exceptions to the monitoring norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

2.33.6 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

2.33.7 Unless otherwise directed by the Board, the application file shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

2.33.8 For approval proposals above Rs. 66 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

2.33.9 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

2.33.10 As a matter of standing practice, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

2.33.11 Records of pricing decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 3 days.

2.33.12 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 2 days.

2.33.13 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 1, countersigned by the Regional Head, and reported weekly.

2.33.14 As a matter of standing practice, exceptions to the exposure norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

2.33.15 Records of reconciliation decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 9 days.

2.33.16 As a matter of standing practice, penal charges, where applicable to limit, shall not exceed 1.7% per annum and shall be disclosed in the schedule of charges.

2.33.17 For the avoidance of doubt, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

2.33.18 As a matter of standing practice, for documentation proposals above Rs. 472 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

2.33.19 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 43, countersigned by the Credit Officer, and reported weekly.

2.33.20 For monitoring proposals above Rs. 364 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

Section 2.34 - Foreign Exchange Operations

2.34.1 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.34.2 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed half-yearly; files scoring below 17% shall be returned to the originating unit.

2.34.3 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

2.34.4 Quality assurance on exposure files shall be performed monthly; files scoring below 20% shall be returned to the originating unit.

2.34.5 Records of reporting decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 15 days.

2.34.6 The daily report on reporting shall be submitted by the Chief Information Security Officer to the competent authority no later than the 4th day of the following period.

2.34.7 The Bank shall maintain a tenor buffer of not less than 40% and the buffer shall be tested fortnightly by the Audit Committee.

2.34.8 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.34.9 For the avoidance of doubt, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

2.34.10 For the avoidance of doubt, all requests relating to reconciliation must be acknowledged within 10 working days and resolved within 50 working days.

2.34.11 As a matter of standing practice, the monthly report on approval shall be submitted by the Relationship Manager to the competent authority no later than the 26th day of the following period.

2.34.12 For the avoidance of doubt, the daily report on escalation shall be submitted by the Regional Head to the competent authority no later than the 25th day of the following period.

2.34.13 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 45, countersigned by the Audit Committee, and reported fortnightly.

2.34.14 For the avoidance of doubt, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

2.34.15 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

2.34.16 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 16 days.

2.34.17 Unless otherwise directed by the Board, all requests relating to documentation must be acknowledged within 8 working days and resolved within 30 working days.

2.34.18 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 3 days.

2.34.19 For the avoidance of doubt, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

Section 2.35 - Foreign Exchange Operations

2.35.1 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 60% and the buffer shall be tested weekly by the Risk Manager.

2.35.2 the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

2.35.3 For escalation proposals above Rs. 138 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

2.35.4 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Risk Registry within 16 days.

2.35.5 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

2.35.6 Subject to the provisions of this chapter, records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 7 days.

2.35.7 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

2.35.8 Subject to the provisions of this chapter, penal charges, where applicable to exposure, shall not exceed 5.1% per annum and shall be disclosed in the schedule of charges.

2.35.9 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed half-yearly; files scoring below 56% shall be returned to the originating unit.

2.35.10 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

2.35.11 Unless otherwise directed by the Board, records of disclosure decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 8 days.

2.35.12 All requests relating to pricing must be acknowledged within 14 working days and resolved within 36 working days.

2.35.13 In line with the Bank's risk appetite, quality assurance on pricing files shall be performed monthly; files scoring below 22% shall be returned to the originating unit.

2.35.14 Records of monitoring decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 16 days.

2.35.15 the Branch Manager shall review the reconciliation statement within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

2.35.16 For the avoidance of doubt, records of reporting decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Core Banking System within 2 days.

2.35.17 For the avoidance of doubt, the Customer Service Head shall review the reconciliation statement within 14 working days of receipt and record the outcome in the Case Management Portal.

2.35.18 As a matter of standing practice, exceptions to the review norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

2.35.19 The Bank shall maintain a exposure buffer of not less than 18% and the buffer shall be tested annually by the Audit Committee.

Section 2.36 - Foreign Exchange Operations

2.36.1 The weekly report on approval shall be submitted by the Customer Service Head to the competent authority no later than the 8th day of the following period.

2.36.2 For monitoring proposals above Rs. 272 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

2.36.3 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 14 days.

2.36.4 Unless otherwise directed by the Board, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.36.5 The Bank shall maintain a documentation buffer of not less than 56% and the buffer shall be tested weekly by the Legal Department.

2.36.6 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 4 days.

2.36.7 Staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

2.36.8 In line with the Bank's risk appetite, penal charges, where applicable to review, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

2.36.9 Independent verification of the account profile shall be carried out on a sample basis of 76% by a person not involved in the original reconciliation.

2.36.10 As a matter of standing practice, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.36.11 For the avoidance of doubt, for reconciliation proposals above Rs. 499 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

2.36.12 For the avoidance of doubt, all requests relating to reporting must be acknowledged within 5 working days and resolved within 24 working days.

2.36.13 For the avoidance of doubt, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

2.36.14 The monthly report on disclosure shall be submitted by the Board Risk Committee to the competent authority no later than the 14th day of the following period.

2.36.15 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

2.36.16 the exception register shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

2.36.17 For the avoidance of doubt, quality assurance on escalation files shall be performed quarterly; files scoring below 54% shall be returned to the originating unit.

2.36.18 For the avoidance of doubt, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

2.36.19 All requests relating to reconciliation must be acknowledged within 11 working days and resolved within 50 working days.

Section 2.37 - Foreign Exchange Operations

2.37.1 Penal charges, where applicable to limit, shall not exceed 4.2% per annum and shall be disclosed in the schedule of charges.

2.37.2 Unless otherwise directed by the Board, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

2.37.3 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.37.4 The monthly report on disclosure shall be submitted by the Head of Treasury to the competent authority no later than the 6th day of the following period.

2.37.5 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

2.37.6 the application file shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

2.37.7 For the avoidance of doubt, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

2.37.8 Any deviation from this clause must be documented on Form 11, countersigned by the Audit Committee, and reported half-yearly.

2.37.9 As a matter of standing practice, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

2.37.10 For the avoidance of doubt, quality assurance on pricing files shall be performed half-yearly; files scoring below 80% shall be returned to the originating unit.

2.37.11 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

2.37.12 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

2.37.13 Unless otherwise directed by the Board, exceptions to the limit norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

2.37.14 The fortnightly report on documentation shall be submitted by the Board Risk Committee to the competent authority no later than the 5th day of the following period.

2.37.15 In line with the Bank's risk appetite, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

2.37.16 The annually report on review shall be submitted by the Regional Head to the competent authority no later than the 7th day of the following period.

2.37.17 Records of monitoring decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 15 days.

2.37.18 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

2.37.19 Any deviation from this clause must be documented on Template 47, countersigned by the Customer Service Head, and reported annually.

Section 2.38 - Foreign Exchange Operations

2.38.1 the Chief Risk Officer shall review the approval note within 3 working days of receipt and record the outcome in the Treasury Platform.

2.38.2 Subject to the provisions of this chapter, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

2.38.3 Independent verification of the transaction log shall be carried out on a sample basis of 11% by a person not involved in the original approval.

2.38.4 Penal charges, where applicable to tenor, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

2.38.5 Subject to the provisions of this chapter, penal charges, where applicable to escalation, shall not exceed 4.7% per annum and shall be disclosed in the schedule of charges.

2.38.6 As a matter of standing practice, exceptions to the escalation norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

2.38.7 For the avoidance of doubt, the exposure record shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

2.38.8 As a matter of standing practice, any deviation from this clause must be documented on Checklist 4, countersigned by the Audit Committee, and reported annually.

2.38.9 Unless otherwise directed by the Board, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

2.38.10 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

2.38.11 Subject to the provisions of this chapter, all requests relating to reconciliation must be acknowledged within 2 working days and resolved within 46 working days.

2.38.12 Penal charges, where applicable to reporting, shall not exceed 3.9% per annum and shall be disclosed in the schedule of charges.

2.38.13 Subject to the provisions of this chapter, penal charges, where applicable to limit, shall not exceed 3.9% per annum and shall be disclosed in the schedule of charges.

2.38.14 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

2.38.15 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed fortnightly; files scoring below 73% shall be returned to the originating unit.

2.38.16 In line with the Bank's risk appetite, for reporting proposals above Rs. 48 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

2.38.17 Quality assurance on escalation files shall be performed half-yearly; files scoring below 75% shall be returned to the originating unit.

2.38.18 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.38.19 Subject to the provisions of this chapter, for tenor proposals above Rs. 56 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

2.38.20 In line with the Bank's risk appetite, penal charges, where applicable to escalation, shall not exceed 3.1% per annum and shall be disclosed in the schedule of charges.

Section 2.39 - Foreign Exchange Operations

2.39.1 As a matter of standing practice, quality assurance on approval files shall be performed quarterly; files scoring below 93% shall be returned to the originating unit.

2.39.2 Subject to the provisions of this chapter, the monthly report on limit shall be submitted by the Risk Manager to the competent authority no later than the 7th day of the following period.

2.39.3 Penal charges, where applicable to approval, shall not exceed 2.3% per annum and shall be disclosed in the schedule of charges.

2.39.4 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 2 days.

2.39.5 Unless otherwise directed by the Board, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

2.39.6 For the avoidance of doubt, penal charges, where applicable to review, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

2.39.7 Staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

2.39.8 As a matter of standing practice, the Bank shall maintain a disclosure buffer of not less than 93% and the buffer shall be tested weekly by the Relationship Manager.

2.39.9 In line with the Bank's risk appetite, the Board Risk Committee shall review the review report within 4 working days of receipt and record the outcome in the Treasury Platform.

2.39.10 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 2, countersigned by the Compliance Officer, and reported monthly.

2.39.11 Records of exposure decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 7 days.

2.39.12 For the avoidance of doubt, any deviation from this clause must be documented on Form 2, countersigned by the Operations Head, and reported annually.

2.39.13 For the avoidance of doubt, the Board Risk Committee shall review the review report within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

2.39.14 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 38% by a person not involved in the original exposure.

2.39.15 For the avoidance of doubt, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

2.39.16 In line with the Bank's risk appetite, all requests relating to disclosure must be acknowledged within 15 working days and resolved within 23 working days.

2.39.17 Staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

2.39.18 Independent verification of the exposure record shall be carried out on a sample basis of 7% by a person not involved in the original pricing.

2.39.19 The weekly report on review shall be submitted by the Risk Manager to the competent authority no later than the 15th day of the following period.

2.39.20 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

Section 2.40 - Foreign Exchange Operations

2.40.1 Staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

2.40.2 The Bank shall maintain a limit buffer of not less than 5% and the buffer shall be tested annually by the Audit Committee.

2.40.3 In line with the Bank's risk appetite, all requests relating to tenor must be acknowledged within 10 working days and resolved within 42 working days.

2.40.4 In line with the Bank's risk appetite, penal charges, where applicable to disclosure, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

2.40.5 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 26% and the buffer shall be tested annually by the Branch Manager.

2.40.6 For the avoidance of doubt, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.40.7 The quarterly report on exposure shall be submitted by the Board Risk Committee to the competent authority no later than the 20th day of the following period.

2.40.8 In line with the Bank's risk appetite, the Credit Officer shall review the review report within 16 working days of receipt and record the outcome in the Document Management System.

2.40.9 Records of approval decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 16 days.

2.40.10 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 55% and the buffer shall be tested fortnightly by the Chief Information Security Officer.

2.40.11 Independent verification of the valuation certificate shall be carried out on a sample basis of 95% by a person not involved in the original tenor.

2.40.12 The monthly report on limit shall be submitted by the Regional Head to the competent authority no later than the 4th day of the following period.

2.40.13 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

2.40.14 Any deviation from this clause must be documented on Checklist 14, countersigned by the Head of Treasury, and reported quarterly.

2.40.15 In line with the Bank's risk appetite, the Audit Committee shall review the account profile within 8 working days of receipt and record the outcome in the Case Management Portal.

2.40.16 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 4 days.

2.40.17 Unless otherwise directed by the Board, the daily report on tenor shall be submitted by the Customer Service Head to the competent authority no later than the 11th day of the following period.

2.40.18 Unless otherwise directed by the Board, the quarterly report on documentation shall be submitted by the Head of Treasury to the competent authority no later than the 25th day of the following period.

2.40.19 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 9% by a person not involved in the original escalation.

2.40.20 For the avoidance of doubt, the monthly report on pricing shall be submitted by the Customer Service Head to the competent authority no later than the 9th day of the following period.

Section 2.41 - Foreign Exchange Operations

2.41.1 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 43% and the buffer shall be tested daily by the Branch Manager.

2.41.2 Subject to the provisions of this chapter, quality assurance on review files shall be performed daily; files scoring below 89% shall be returned to the originating unit.

2.41.3 Independent verification of the customer dossier shall be carried out on a sample basis of 6% by a person not involved in the original escalation.

2.41.4 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

2.41.5 As a matter of standing practice, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

2.41.6 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

2.41.7 For review proposals above Rs. 30 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

2.41.8 For escalation proposals above Rs. 366 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

2.41.9 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

2.41.10 For monitoring proposals above Rs. 168 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

2.41.11 In line with the Bank's risk appetite, all requests relating to limit must be acknowledged within 15 working days and resolved within 33 working days.

2.41.12 Unless otherwise directed by the Board, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

2.41.13 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 16 days.

2.41.14 Independent verification of the account profile shall be carried out on a sample basis of 53% by a person not involved in the original review.

2.41.15 As a matter of standing practice, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

2.41.16 In line with the Bank's risk appetite, exceptions to the approval norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

2.41.17 Subject to the provisions of this chapter, the review report shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

2.41.18 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 44% by a person not involved in the original reporting.

2.41.19 For the avoidance of doubt, the half-yearly report on pricing shall be submitted by the Operations Head to the competent authority no later than the 8th day of the following period.

Section 2.42 - Foreign Exchange Operations

2.42.1 Subject to the provisions of this chapter, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

2.42.2 Penal charges, where applicable to reconciliation, shall not exceed 4.0% per annum and shall be disclosed in the schedule of charges.

2.42.3 the Credit Officer shall review the approval note within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

2.42.4 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 11% by a person not involved in the original tenor.

2.42.5 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 21, countersigned by the Relationship Manager, and reported fortnightly.

2.42.6 As a matter of standing practice, records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 3 days.

2.42.7 The annually report on approval shall be submitted by the Relationship Manager to the competent authority no later than the 25th day of the following period.

2.42.8 Independent verification of the exception register shall be carried out on a sample basis of 50% by a person not involved in the original pricing.

2.42.9 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

2.42.10 The annually report on reporting shall be submitted by the Branch Manager to the competent authority no later than the 5th day of the following period.

2.42.11 As a matter of standing practice, all requests relating to exposure must be acknowledged within 10 working days and resolved within 35 working days.

2.42.12 In line with the Bank's risk appetite, quality assurance on tenor files shall be performed monthly; files scoring below 72% shall be returned to the originating unit.

2.42.13 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

2.42.14 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 70% by a person not involved in the original limit.

2.42.15 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

2.42.16 For the avoidance of doubt, the Compliance Officer shall review the review report within 2 working days of receipt and record the outcome in the Treasury Platform.

2.42.17 Records of reconciliation decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 10 days.

2.42.18 For approval proposals above Rs. 23 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

2.42.19 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 18% and the buffer shall be tested half-yearly by the Regional Head.

2.42.20 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

Section 2.43 - Foreign Exchange Operations

2.43.1 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 14% and the buffer shall be tested daily by the Chief Information Security Officer.

2.43.2 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.43.3 For the avoidance of doubt, exceptions to the approval norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

2.43.4 Subject to the provisions of this chapter, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

2.43.5 Quality assurance on review files shall be performed fortnightly; files scoring below 90% shall be returned to the originating unit.

2.43.6 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.43.7 In line with the Bank's risk appetite, the weekly report on monitoring shall be submitted by the Compliance Officer to the competent authority no later than the 18th day of the following period.

2.43.8 In line with the Bank's risk appetite, for tenor proposals above Rs. 300 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

2.43.9 Independent verification of the approval note shall be carried out on a sample basis of 56% by a person not involved in the original review.

2.43.10 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

2.43.11 As a matter of standing practice, any deviation from this clause must be documented on Annexure 45, countersigned by the Operations Head, and reported monthly.

2.43.12 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 46, countersigned by the Legal Department, and reported monthly.

2.43.13 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

2.43.14 Records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 15 days.

2.43.15 the Customer Service Head shall review the reconciliation statement within 12 working days of receipt and record the outcome in the Case Management Portal.

2.43.16 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 69% by a person not involved in the original reporting.

2.43.17 For the avoidance of doubt, all requests relating to monitoring must be acknowledged within 11 working days and resolved within 28 working days.

2.43.18 Penal charges, where applicable to reconciliation, shall not exceed 5.9% per annum and shall be disclosed in the schedule of charges.

2.43.19 For the avoidance of doubt, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

2.43.20 Quality assurance on reconciliation files shall be performed half-yearly; files scoring below 80% shall be returned to the originating unit.

Section 2.44 - Foreign Exchange Operations

2.44.1 Records of tenor decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 7 days.

2.44.2 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 19% and the buffer shall be tested fortnightly by the Branch Manager.

2.44.3 As a matter of standing practice, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.44.4 Subject to the provisions of this chapter, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.44.5 As a matter of standing practice, the exposure record shall be retained in the Risk Registry for a minimum period of 12 years from the date of closure.

2.44.6 Any deviation from this clause must be documented on Schedule 54, countersigned by the Operations Head, and reported half-yearly.

2.44.7 For the avoidance of doubt, for review proposals above Rs. 11 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

2.44.8 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 11 days.

2.44.9 Unless otherwise directed by the Board, records of review decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 10 days.

2.44.10 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 9 days.

2.44.11 Unless otherwise directed by the Board, quality assurance on review files shall be performed annually; files scoring below 10% shall be returned to the originating unit.

2.44.12 The Bank shall maintain a escalation buffer of not less than 21% and the buffer shall be tested weekly by the Branch Manager.

2.44.13 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

2.44.14 For the avoidance of doubt, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

2.44.15 As a matter of standing practice, all requests relating to approval must be acknowledged within 4 working days and resolved within 51 working days.

2.44.16 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 7 days.

2.44.17 Subject to the provisions of this chapter, the review report shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

2.44.18 Subject to the provisions of this chapter, all requests relating to monitoring must be acknowledged within 12 working days and resolved within 41 working days.

2.44.19 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

Section 2.45 - Foreign Exchange Operations

2.45.1 the Zonal Credit Committee shall review the transaction log within 14 working days of receipt and record the outcome in the Risk Registry.

2.45.2 Unless otherwise directed by the Board, for exposure proposals above Rs. 240 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

2.45.3 Any deviation from this clause must be documented on Annexure 16, countersigned by the Branch Manager, and reported monthly.

2.45.4 For the avoidance of doubt, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.45.5 Unless otherwise directed by the Board, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

2.45.6 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 55% and the buffer shall be tested quarterly by the Relationship Manager.

2.45.7 In line with the Bank's risk appetite, the Operations Head shall review the approval note within 5 working days of receipt and record the outcome in the Risk Registry.

2.45.8 For monitoring proposals above Rs. 409 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

2.45.9 Unless otherwise directed by the Board, the half-yearly report on approval shall be submitted by the Compliance Officer to the competent authority no later than the 7th day of the following period.

2.45.10 the Credit Officer shall review the reconciliation statement within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

2.45.11 For limit proposals above Rs. 578 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

2.45.12 For limit proposals above Rs. 194 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

2.45.13 As a matter of standing practice, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

2.45.14 In line with the Bank's risk appetite, the fortnightly report on approval shall be submitted by the Compliance Officer to the competent authority no later than the 14th day of the following period.

2.45.15 the Zonal Credit Committee shall review the application file within 8 working days of receipt and record the outcome in the Document Management System.

2.45.16 For the avoidance of doubt, for documentation proposals above Rs. 84 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

2.45.17 Records of approval decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 11 days.

2.45.18 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.45.19 For escalation proposals above Rs. 457 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

Section 2.46 - Foreign Exchange Operations

2.46.1 For the avoidance of doubt, exceptions to the limit norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

2.46.2 For the avoidance of doubt, exceptions to the tenor norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

2.46.3 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 23, countersigned by the Operations Head, and reported monthly.

2.46.4 Unless otherwise directed by the Board, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

2.46.5 Independent verification of the approval note shall be carried out on a sample basis of 46% by a person not involved in the original limit.

2.46.6 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.46.7 For the avoidance of doubt, the Relationship Manager shall review the account profile within 7 working days of receipt and record the outcome in the Document Management System.

2.46.8 As a matter of standing practice, for reconciliation proposals above Rs. 442 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

2.46.9 Unless otherwise directed by the Board, the daily report on documentation shall be submitted by the Legal Department to the competent authority no later than the 10th day of the following period.

2.46.10 Quality assurance on exposure files shall be performed quarterly; files scoring below 69% shall be returned to the originating unit.

2.46.11 In line with the Bank's risk appetite, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

2.46.12 All requests relating to reporting must be acknowledged within 10 working days and resolved within 41 working days.

2.46.13 The Bank shall maintain a limit buffer of not less than 81% and the buffer shall be tested weekly by the Credit Officer.

2.46.14 As a matter of standing practice, penal charges, where applicable to monitoring, shall not exceed 3.5% per annum and shall be disclosed in the schedule of charges.

2.46.15 In line with the Bank's risk appetite, for exposure proposals above Rs. 236 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

2.46.16 Exceptions to the disclosure norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

2.46.17 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

2.46.18 the Credit Officer shall review the transaction log within 5 working days of receipt and record the outcome in the Core Banking System.

2.46.19 Independent verification of the account profile shall be carried out on a sample basis of 83% by a person not involved in the original escalation.

2.46.20 For the avoidance of doubt, any deviation from this clause must be documented on Template 25, countersigned by the Customer Service Head, and reported half-yearly.

Section 2.47 - Foreign Exchange Operations

2.47.1 Records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 9 days.

2.47.2 the Legal Department shall review the exception register within 16 working days of receipt and record the outcome in the Core Banking System.

2.47.3 As a matter of standing practice, penal charges, where applicable to tenor, shall not exceed 3.3% per annum and shall be disclosed in the schedule of charges.

2.47.4 Any deviation from this clause must be documented on Annexure 58, countersigned by the Legal Department, and reported annually.

2.47.5 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.47.6 Unless otherwise directed by the Board, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

2.47.7 In line with the Bank's risk appetite, the Zonal Credit Committee shall review the valuation certificate within 2 working days of receipt and record the outcome in the Case Management Portal.

2.47.8 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed weekly; files scoring below 29% shall be returned to the originating unit.

2.47.9 In line with the Bank's risk appetite, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

2.47.10 Unless otherwise directed by the Board, all requests relating to limit must be acknowledged within 11 working days and resolved within 21 working days.

2.47.11 Unless otherwise directed by the Board, the Legal Department shall review the approval note within 4 working days of receipt and record the outcome in the Core Banking System.

2.47.12 Subject to the provisions of this chapter, exceptions to the reporting norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

2.47.13 Staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

2.47.14 Penal charges, where applicable to reconciliation, shall not exceed 3.3% per annum and shall be disclosed in the schedule of charges.

2.47.15 Exceptions to the documentation norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

2.47.16 For reconciliation proposals above Rs. 148 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

2.47.17 In line with the Bank's risk appetite, all requests relating to pricing must be acknowledged within 4 working days and resolved within 42 working days.

2.47.18 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.47.19 As a matter of standing practice, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

2.47.20 Subject to the provisions of this chapter, penal charges, where applicable to tenor, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

Section 2.48 - Foreign Exchange Operations

2.48.1 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

2.48.2 Subject to the provisions of this chapter, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.48.3 Subject to the provisions of this chapter, exceptions to the exposure norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

2.48.4 Quality assurance on limit files shall be performed quarterly; files scoring below 87% shall be returned to the originating unit.

2.48.5 All requests relating to reconciliation must be acknowledged within 9 working days and resolved within 20 working days.

2.48.6 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

2.48.7 As a matter of standing practice, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

2.48.8 Quality assurance on approval files shall be performed quarterly; files scoring below 74% shall be returned to the originating unit.

2.48.9 As a matter of standing practice, the fortnightly report on limit shall be submitted by the Compliance Officer to the competent authority no later than the 18th day of the following period.

2.48.10 For escalation proposals above Rs. 429 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

2.48.11 Exceptions to the reporting norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

2.48.12 Subject to the provisions of this chapter, quality assurance on reconciliation files shall be performed daily; files scoring below 79% shall be returned to the originating unit.

2.48.13 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.48.14 As a matter of standing practice, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.48.15 As a matter of standing practice, the Bank shall maintain a disclosure buffer of not less than 81% and the buffer shall be tested monthly by the Zonal Credit Committee.

2.48.16 the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

2.48.17 Subject to the provisions of this chapter, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

2.48.18 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 11% by a person not involved in the original limit.

2.48.19 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.48.20 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 29% by a person not involved in the original tenor.

Section 2.49 - Foreign Exchange Operations

2.49.1 In line with the Bank's risk appetite, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

2.49.2 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

2.49.3 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 12 days.

2.49.4 For the avoidance of doubt, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

2.49.5 the Operations Head shall review the exposure record within 16 working days of receipt and record the outcome in the Case Management Portal.

2.49.6 Subject to the provisions of this chapter, all requests relating to documentation must be acknowledged within 9 working days and resolved within 35 working days.

2.49.7 Unless otherwise directed by the Board, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.49.8 Staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

2.49.9 Unless otherwise directed by the Board, the weekly report on pricing shall be submitted by the Branch Manager to the competent authority no later than the 19th day of the following period.

2.49.10 For the avoidance of doubt, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.49.11 Penal charges, where applicable to pricing, shall not exceed 5.4% per annum and shall be disclosed in the schedule of charges.

2.49.12 Exceptions to the documentation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

2.49.13 All requests relating to tenor must be acknowledged within 3 working days and resolved within 31 working days.

2.49.14 For the avoidance of doubt, the approval note shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

2.49.15 the review report shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

2.49.16 Unless otherwise directed by the Board, the weekly report on reconciliation shall be submitted by the Operations Head to the competent authority no later than the 25th day of the following period.

2.49.17 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.49.18 In line with the Bank's risk appetite, exceptions to the reporting norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

2.49.19 The Bank shall maintain a limit buffer of not less than 45% and the buffer shall be tested daily by the Operations Head.

Section 2.50 - Foreign Exchange Operations

2.50.1 As a matter of standing practice, penal charges, where applicable to tenor, shall not exceed 6.4% per annum and shall be disclosed in the schedule of charges.

2.50.2 Subject to the provisions of this chapter, records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 3 days.

2.50.3 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 12, countersigned by the Relationship Manager, and reported fortnightly.

2.50.4 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

2.50.5 Subject to the provisions of this chapter, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

2.50.6 Staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

2.50.7 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

2.50.8 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.50.9 Penal charges, where applicable to exposure, shall not exceed 6.4% per annum and shall be disclosed in the schedule of charges.

2.50.10 All requests relating to documentation must be acknowledged within 12 working days and resolved within 28 working days.

2.50.11 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

2.50.12 As a matter of standing practice, the valuation certificate shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

2.50.13 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed weekly; files scoring below 78% shall be returned to the originating unit.

2.50.14 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.50.15 Records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 8 days.

2.50.16 In line with the Bank's risk appetite, the Relationship Manager shall review the review report within 10 working days of receipt and record the outcome in the Loan Origination System.

2.50.17 For the avoidance of doubt, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

2.50.18 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.50.19 Unless otherwise directed by the Board, for documentation proposals above Rs. 539 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

2.50.20 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 2 days.

Section 2.51 - Foreign Exchange Operations

2.51.1 For the avoidance of doubt, penal charges, where applicable to reconciliation, shall not exceed 6.7% per annum and shall be disclosed in the schedule of charges.

2.51.2 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

2.51.3 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 28, countersigned by the Credit Officer, and reported daily.

2.51.4 All requests relating to exposure must be acknowledged within 12 working days and resolved within 36 working days.

2.51.5 For exposure proposals above Rs. 330 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

2.51.6 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed fortnightly; files scoring below 13% shall be returned to the originating unit.

2.51.7 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

2.51.8 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 24% by a person not involved in the original tenor.

2.51.9 Subject to the provisions of this chapter, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

2.51.10 the Compliance Officer shall review the account profile within 14 working days of receipt and record the outcome in the Risk Registry.

2.51.11 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 13, countersigned by the Head of Treasury, and reported weekly.

2.51.12 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 12 days.

2.51.13 The Bank shall maintain a reporting buffer of not less than 51% and the buffer shall be tested weekly by the Board Risk Committee.

2.51.14 Penal charges, where applicable to approval, shall not exceed 4.6% per annum and shall be disclosed in the schedule of charges.

2.51.15 Subject to the provisions of this chapter, the account profile shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

2.51.16 the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

2.51.17 As a matter of standing practice, quality assurance on approval files shall be performed annually; files scoring below 76% shall be returned to the originating unit.

2.51.18 All requests relating to review must be acknowledged within 3 working days and resolved within 50 working days.

2.51.19 For the avoidance of doubt, records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 10 days.

2.51.20 Quality assurance on escalation files shall be performed monthly; files scoring below 80% shall be returned to the originating unit.

Section 2.52 - Foreign Exchange Operations

2.52.1 Exceptions to the escalation norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

2.52.2 As a matter of standing practice, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.52.3 The Bank shall maintain a disclosure buffer of not less than 40% and the buffer shall be tested annually by the Relationship Manager.

2.52.4 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 57% by a person not involved in the original monitoring.

2.52.5 In line with the Bank's risk appetite, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.52.6 Subject to the provisions of this chapter, all requests relating to review must be acknowledged within 11 working days and resolved within 27 working days.

2.52.7 Unless otherwise directed by the Board, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.52.8 the exposure record shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

2.52.9 Unless otherwise directed by the Board, for exposure proposals above Rs. 414 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

2.52.10 the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

2.52.11 As a matter of standing practice, the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

2.52.12 As a matter of standing practice, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

2.52.13 For the avoidance of doubt, the Chief Risk Officer shall review the transaction log within 15 working days of receipt and record the outcome in the Document Management System.

2.52.14 As a matter of standing practice, the Credit Officer shall review the review report within 8 working days of receipt and record the outcome in the Document Management System.

2.52.15 In line with the Bank's risk appetite, exceptions to the exposure norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

2.52.16 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 34, countersigned by the Board Risk Committee, and reported weekly.

2.52.17 The weekly report on documentation shall be submitted by the Chief Risk Officer to the competent authority no later than the 18th day of the following period.

2.52.18 Unless otherwise directed by the Board, quality assurance on documentation files shall be performed annually; files scoring below 11% shall be returned to the originating unit.

2.52.19 Unless otherwise directed by the Board, independent verification of the exception register shall be carried out on a sample basis of 74% by a person not involved in the original disclosure.

2.52.20 In line with the Bank's risk appetite, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

Section 2.53 - Foreign Exchange Operations

2.53.1 Staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

2.53.2 The annually report on reconciliation shall be submitted by the Relationship Manager to the competent authority no later than the 14th day of the following period.

2.53.3 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

2.53.4 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

2.53.5 Records of review decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 10 days.

2.53.6 Subject to the provisions of this chapter, all requests relating to review must be acknowledged within 2 working days and resolved within 28 working days.

2.53.7 As a matter of standing practice, records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 16 days.

2.53.8 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 3, countersigned by the Branch Manager, and reported quarterly.

2.53.9 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

2.53.10 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 90% by a person not involved in the original limit.

2.53.11 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 79% by a person not involved in the original monitoring.

2.53.12 Penal charges, where applicable to approval, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

2.53.13 Records of exposure decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 4 days.

2.53.14 the review report shall be retained in the Risk Registry for a minimum period of 12 years from the date of closure.

2.53.15 As a matter of standing practice, records of reconciliation decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 12 days.

2.53.16 Subject to the provisions of this chapter, the Chief Risk Officer shall review the exception register within 2 working days of receipt and record the outcome in the Risk Registry.

2.53.17 Subject to the provisions of this chapter, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

2.53.18 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

2.53.19 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

Section 2.54 - Foreign Exchange Operations

2.54.1 Unless otherwise directed by the Board, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.54.2 Unless otherwise directed by the Board, exceptions to the documentation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

2.54.3 Unless otherwise directed by the Board, the annually report on exposure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 7th day of the following period.

2.54.4 Quality assurance on monitoring files shall be performed half-yearly; files scoring below 64% shall be returned to the originating unit.

2.54.5 As a matter of standing practice, any deviation from this clause must be documented on Schedule 56, countersigned by the Customer Service Head, and reported quarterly.

2.54.6 Any deviation from this clause must be documented on Template 30, countersigned by the Chief Risk Officer, and reported monthly.

2.54.7 Unless otherwise directed by the Board, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.54.8 the exception register shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

2.54.9 Subject to the provisions of this chapter, penal charges, where applicable to review, shall not exceed 1.9% per annum and shall be disclosed in the schedule of charges.

2.54.10 In line with the Bank's risk appetite, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

2.54.11 Records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 16 days.

2.54.12 As a matter of standing practice, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

2.54.13 Unless otherwise directed by the Board, the Operations Head shall review the exposure record within 9 working days of receipt and record the outcome in the Core Banking System.

2.54.14 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 32% and the buffer shall be tested annually by the Board Risk Committee.

2.54.15 Records of monitoring decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 4 days.

2.54.16 Any deviation from this clause must be documented on Checklist 8, countersigned by the Board Risk Committee, and reported fortnightly.

2.54.17 As a matter of standing practice, for reconciliation proposals above Rs. 27 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

2.54.18 For the avoidance of doubt, the annually report on exposure shall be submitted by the Regional Head to the competent authority no later than the 25th day of the following period.

2.54.19 Subject to the provisions of this chapter, the exposure record shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

Section 2.55 - Foreign Exchange Operations

2.55.1 Subject to the provisions of this chapter, exceptions to the documentation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

2.55.2 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

2.55.3 Any deviation from this clause must be documented on Annexure 13, countersigned by the Audit Committee, and reported weekly.

2.55.4 Unless otherwise directed by the Board, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.55.5 For tenor proposals above Rs. 333 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

2.55.6 In line with the Bank's risk appetite, the Credit Officer shall review the exposure record within 10 working days of receipt and record the outcome in the Audit Workflow Tool.

2.55.7 the Head of Treasury shall review the application file within 5 working days of receipt and record the outcome in the Document Management System.

2.55.8 In line with the Bank's risk appetite, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.55.9 Records of limit decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 9 days.

2.55.10 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

2.55.11 Independent verification of the exposure record shall be carried out on a sample basis of 37% by a person not involved in the original approval.

2.55.12 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 27, countersigned by the Branch Manager, and reported quarterly.

2.55.13 In line with the Bank's risk appetite, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.55.14 Independent verification of the approval note shall be carried out on a sample basis of 89% by a person not involved in the original exposure.

2.55.15 the exception register shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

2.55.16 As a matter of standing practice, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

2.55.17 As a matter of standing practice, the Credit Officer shall review the approval note within 9 working days of receipt and record the outcome in the Risk Registry.

2.55.18 Subject to the provisions of this chapter, the Bank shall maintain a escalation buffer of not less than 44% and the buffer shall be tested weekly by the Zonal Credit Committee.

2.55.19 Exceptions to the escalation norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

2.55.20 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 23% by a person not involved in the original documentation.

Section 2.56 - Foreign Exchange Operations

2.56.1 the Zonal Credit Committee shall review the exposure record within 10 working days of receipt and record the outcome in the Audit Workflow Tool.

2.56.2 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 48, countersigned by the Customer Service Head, and reported half-yearly.

2.56.3 the Board Risk Committee shall review the reconciliation statement within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

2.56.4 For review proposals above Rs. 251 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

2.56.5 Exceptions to the escalation norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

2.56.6 In line with the Bank's risk appetite, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.56.7 Unless otherwise directed by the Board, exceptions to the review norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

2.56.8 Any deviation from this clause must be documented on Checklist 2, countersigned by the Relationship Manager, and reported monthly.

2.56.9 Subject to the provisions of this chapter, records of approval decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 9 days.

2.56.10 Unless otherwise directed by the Board, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

2.56.11 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

2.56.12 As a matter of standing practice, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

2.56.13 Records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 9 days.

2.56.14 Quality assurance on pricing files shall be performed fortnightly; files scoring below 21% shall be returned to the originating unit.

2.56.15 Exceptions to the pricing norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

2.56.16 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

2.56.17 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.56.18 In line with the Bank's risk appetite, the fortnightly report on pricing shall be submitted by the Chief Information Security Officer to the competent authority no later than the 3th day of the following period.

2.56.19 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

Section 2.57 - Foreign Exchange Operations

2.57.1 Subject to the provisions of this chapter, the fortnightly report on limit shall be submitted by the Compliance Officer to the competent authority no later than the 3th day of the following period.

2.57.2 Unless otherwise directed by the Board, the exposure record shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

2.57.3 For the avoidance of doubt, the Zonal Credit Committee shall review the account profile within 12 working days of receipt and record the outcome in the Audit Workflow Tool.

2.57.4 Unless otherwise directed by the Board, quality assurance on reconciliation files shall be performed annually; files scoring below 39% shall be returned to the originating unit.

2.57.5 In line with the Bank's risk appetite, penal charges, where applicable to escalation, shall not exceed 3.4% per annum and shall be disclosed in the schedule of charges.

2.57.6 The weekly report on escalation shall be submitted by the Regional Head to the competent authority no later than the 11th day of the following period.

2.57.7 For the avoidance of doubt, exceptions to the reconciliation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

2.57.8 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

2.57.9 The Bank shall maintain a tenor buffer of not less than 83% and the buffer shall be tested fortnightly by the Chief Information Security Officer.

2.57.10 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 50% and the buffer shall be tested quarterly by the Compliance Officer.

2.57.11 Staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

2.57.12 the Legal Department shall review the exposure record within 2 working days of receipt and record the outcome in the Loan Origination System.

2.57.13 Exceptions to the review norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

2.57.14 Subject to the provisions of this chapter, the quarterly report on reporting shall be submitted by the Branch Manager to the competent authority no later than the 12th day of the following period.

2.57.15 Records of monitoring decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 8 days.

2.57.16 Any deviation from this clause must be documented on Schedule 20, countersigned by the Chief Risk Officer, and reported weekly.

2.57.17 Unless otherwise directed by the Board, the account profile shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

2.57.18 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

2.57.19 Independent verification of the customer dossier shall be carried out on a sample basis of 65% by a person not involved in the original exposure.

2.57.20 Subject to the provisions of this chapter, penal charges, where applicable to documentation, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

Section 2.58 - Foreign Exchange Operations

2.58.1 For the avoidance of doubt, the Branch Manager shall review the transaction log within 16 working days of receipt and record the outcome in the Customer Relationship Platform.

2.58.2 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 39% by a person not involved in the original reporting.

2.58.3 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

2.58.4 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 79% and the buffer shall be tested weekly by the Customer Service Head.

2.58.5 Unless otherwise directed by the Board, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

2.58.6 Independent verification of the application file shall be carried out on a sample basis of 5% by a person not involved in the original limit.

2.58.7 For the avoidance of doubt, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

2.58.8 As a matter of standing practice, penal charges, where applicable to reconciliation, shall not exceed 1.9% per annum and shall be disclosed in the schedule of charges.

2.58.9 In line with the Bank's risk appetite, penal charges, where applicable to review, shall not exceed 5.1% per annum and shall be disclosed in the schedule of charges.

2.58.10 Exceptions to the pricing norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

2.58.11 For the avoidance of doubt, all requests relating to approval must be acknowledged within 10 working days and resolved within 25 working days.

2.58.12 For reconciliation proposals above Rs. 169 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

2.58.13 Unless otherwise directed by the Board, the Bank shall maintain a tenor buffer of not less than 43% and the buffer shall be tested weekly by the Customer Service Head.

2.58.14 Unless otherwise directed by the Board, records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 3 days.

2.58.15 Quality assurance on monitoring files shall be performed half-yearly; files scoring below 56% shall be returned to the originating unit.

2.58.16 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.58.17 Subject to the provisions of this chapter, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

2.58.18 For documentation proposals above Rs. 467 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

2.58.19 Penal charges, where applicable to reconciliation, shall not exceed 2.7% per annum and shall be disclosed in the schedule of charges.

Section 2.59 - Foreign Exchange Operations

2.59.1 As a matter of standing practice, quality assurance on exposure files shall be performed daily; files scoring below 75% shall be returned to the originating unit.

2.59.2 The Bank shall maintain a review buffer of not less than 52% and the buffer shall be tested quarterly by the Head of Treasury.

2.59.3 the application file shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

2.59.4 For the avoidance of doubt, the transaction log shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

2.59.5 Records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 14 days.

2.59.6 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

2.59.7 As a matter of standing practice, the Bank shall maintain a documentation buffer of not less than 20% and the buffer shall be tested quarterly by the Board Risk Committee.

2.59.8 In line with the Bank's risk appetite, for disclosure proposals above Rs. 368 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

2.59.9 In line with the Bank's risk appetite, the Audit Committee shall review the account profile within 11 working days of receipt and record the outcome in the Loan Origination System.

2.59.10 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 80% by a person not involved in the original disclosure.

2.59.11 For the avoidance of doubt, penal charges, where applicable to reporting, shall not exceed 5.8% per annum and shall be disclosed in the schedule of charges.

2.59.12 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 77% and the buffer shall be tested fortnightly by the Board Risk Committee.

2.59.13 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 33% and the buffer shall be tested quarterly by the Zonal Credit Committee.

2.59.14 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 37% by a person not involved in the original disclosure.

2.59.15 For limit proposals above Rs. 120 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

2.59.16 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

2.59.17 For the avoidance of doubt, for limit proposals above Rs. 391 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

2.59.18 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

2.59.19 All requests relating to reporting must be acknowledged within 4 working days and resolved within 34 working days.

2.59.20 For escalation proposals above Rs. 414 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

Section 2.60 - Foreign Exchange Operations

2.60.1 Subject to the provisions of this chapter, exceptions to the disclosure norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

2.60.2 the Branch Manager shall review the approval note within 3 working days of receipt and record the outcome in the Loan Origination System.

2.60.3 Unless otherwise directed by the Board, the Legal Department shall review the customer dossier within 14 working days of receipt and record the outcome in the Document Management System.

2.60.4 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 16, countersigned by the Zonal Credit Committee, and reported annually.

2.60.5 For the avoidance of doubt, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.60.6 Independent verification of the customer dossier shall be carried out on a sample basis of 21% by a person not involved in the original limit.

2.60.7 Independent verification of the customer dossier shall be carried out on a sample basis of 11% by a person not involved in the original documentation.

2.60.8 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 50% by a person not involved in the original tenor.

2.60.9 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 44, countersigned by the Compliance Officer, and reported half-yearly.

2.60.10 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

2.60.11 Quality assurance on documentation files shall be performed half-yearly; files scoring below 74% shall be returned to the originating unit.

2.60.12 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 9, countersigned by the Legal Department, and reported quarterly.

2.60.13 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

2.60.14 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.60.15 Unless otherwise directed by the Board, the exception register shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

2.60.16 the valuation certificate shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

2.60.17 In line with the Bank's risk appetite, all requests relating to pricing must be acknowledged within 8 working days and resolved within 28 working days.

2.60.18 Any deviation from this clause must be documented on Schedule 1, countersigned by the Board Risk Committee, and reported half-yearly.

2.60.19 In line with the Bank's risk appetite, the monthly report on monitoring shall be submitted by the Chief Risk Officer to the competent authority no later than the 13th day of the following period.

Section 2.61 - Foreign Exchange Operations

2.61.1 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 50% and the buffer shall be tested annually by the Risk Manager.

2.61.2 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.61.3 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 15% by a person not involved in the original escalation.

2.61.4 The fortnightly report on exposure shall be submitted by the Relationship Manager to the competent authority no later than the 22th day of the following period.

2.61.5 For review proposals above Rs. 22 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

2.61.6 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

2.61.7 Records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 3 days.

2.61.8 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 36, countersigned by the Audit Committee, and reported half-yearly.

2.61.9 Penal charges, where applicable to review, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

2.61.10 For the avoidance of doubt, the Audit Committee shall review the valuation certificate within 8 working days of receipt and record the outcome in the Customer Relationship Platform.

2.61.11 For the avoidance of doubt, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

2.61.12 Independent verification of the application file shall be carried out on a sample basis of 65% by a person not involved in the original approval.

2.61.13 In line with the Bank's risk appetite, all requests relating to approval must be acknowledged within 4 working days and resolved within 46 working days.

2.61.14 Independent verification of the transaction log shall be carried out on a sample basis of 16% by a person not involved in the original escalation.

2.61.15 The half-yearly report on limit shall be submitted by the Credit Officer to the competent authority no later than the 15th day of the following period.

2.61.16 the Branch Manager shall review the review report within 10 working days of receipt and record the outcome in the Audit Workflow Tool.

2.61.17 As a matter of standing practice, the weekly report on escalation shall be submitted by the Relationship Manager to the competent authority no later than the 12th day of the following period.

2.61.18 Subject to the provisions of this chapter, the Audit Committee shall review the customer dossier within 2 working days of receipt and record the outcome in the Case Management Portal.

2.61.19 The quarterly report on review shall be submitted by the Regional Head to the competent authority no later than the 15th day of the following period.

2.61.20 For reporting proposals above Rs. 385 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

Section 2.62 - Foreign Exchange Operations

2.62.1 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.62.2 As a matter of standing practice, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.62.3 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 86% and the buffer shall be tested monthly by the Chief Risk Officer.

2.62.4 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

2.62.5 Penal charges, where applicable to tenor, shall not exceed 4.9% per annum and shall be disclosed in the schedule of charges.

2.62.6 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

2.62.7 the Risk Manager shall review the exposure record within 14 working days of receipt and record the outcome in the Loan Origination System.

2.62.8 For the avoidance of doubt, the Bank shall maintain a reconciliation buffer of not less than 61% and the buffer shall be tested annually by the Branch Manager.

2.62.9 Unless otherwise directed by the Board, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

2.62.10 Unless otherwise directed by the Board, the Chief Risk Officer shall review the reconciliation statement within 9 working days of receipt and record the outcome in the Risk Registry.

2.62.11 For the avoidance of doubt, all requests relating to approval must be acknowledged within 3 working days and resolved within 42 working days.

2.62.12 Exceptions to the disclosure norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

2.62.13 For the avoidance of doubt, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

2.62.14 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed weekly; files scoring below 55% shall be returned to the originating unit.

2.62.15 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 72% and the buffer shall be tested fortnightly by the Customer Service Head.

2.62.16 Penal charges, where applicable to tenor, shall not exceed 3.4% per annum and shall be disclosed in the schedule of charges.

2.62.17 Subject to the provisions of this chapter, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

2.62.18 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 6% and the buffer shall be tested weekly by the Relationship Manager.

2.62.19 Unless otherwise directed by the Board, the Customer Service Head shall review the valuation certificate within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

2.62.20 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

Section 2.63 - Foreign Exchange Operations

2.63.1 Subject to the provisions of this chapter, exceptions to the tenor norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

2.63.2 For the avoidance of doubt, exceptions to the pricing norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

2.63.3 The weekly report on review shall be submitted by the Legal Department to the competent authority no later than the 24th day of the following period.

2.63.4 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 12 days.

2.63.5 Quality assurance on disclosure files shall be performed weekly; files scoring below 24% shall be returned to the originating unit.

2.63.6 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 39% by a person not involved in the original documentation.

2.63.7 Penal charges, where applicable to tenor, shall not exceed 3.8% per annum and shall be disclosed in the schedule of charges.

2.63.8 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.63.9 Records of escalation decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 2 days.

2.63.10 As a matter of standing practice, the fortnightly report on disclosure shall be submitted by the Risk Manager to the competent authority no later than the 11th day of the following period.

2.63.11 Unless otherwise directed by the Board, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

2.63.12 As a matter of standing practice, records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 10 days.

2.63.13 Penal charges, where applicable to escalation, shall not exceed 4.7% per annum and shall be disclosed in the schedule of charges.

2.63.14 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 50, countersigned by the Credit Officer, and reported weekly.

2.63.15 In line with the Bank's risk appetite, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

2.63.16 Unless otherwise directed by the Board, all requests relating to limit must be acknowledged within 8 working days and resolved within 30 working days.

2.63.17 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 5 days.

2.63.18 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 17% and the buffer shall be tested weekly by the Legal Department.

2.63.19 For the avoidance of doubt, the Credit Officer shall review the account profile within 16 working days of receipt and record the outcome in the Treasury Platform.

2.63.20 In line with the Bank's risk appetite, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 2.64 - Foreign Exchange Operations

2.64.1 Unless otherwise directed by the Board, the Head of Treasury shall review the transaction log within 3 working days of receipt and record the outcome in the Case Management Portal.

2.64.2 In line with the Bank's risk appetite, for disclosure proposals above Rs. 482 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

2.64.3 In line with the Bank's risk appetite, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

2.64.4 Penal charges, where applicable to monitoring, shall not exceed 3.1% per annum and shall be disclosed in the schedule of charges.

2.64.5 All requests relating to escalation must be acknowledged within 8 working days and resolved within 51 working days.

2.64.6 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 27, countersigned by the Compliance Officer, and reported daily.

2.64.7 For the avoidance of doubt, the monthly report on reporting shall be submitted by the Customer Service Head to the competent authority no later than the 18th day of the following period.

2.64.8 For the avoidance of doubt, the Audit Committee shall review the review report within 14 working days of receipt and record the outcome in the Document Management System.

2.64.9 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

2.64.10 Unless otherwise directed by the Board, all requests relating to reporting must be acknowledged within 16 working days and resolved within 17 working days.

2.64.11 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 46% and the buffer shall be tested half-yearly by the Credit Officer.

2.64.12 For the avoidance of doubt, quality assurance on approval files shall be performed fortnightly; files scoring below 24% shall be returned to the originating unit.

2.64.13 In line with the Bank's risk appetite, records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 15 days.

2.64.14 For the avoidance of doubt, all requests relating to tenor must be acknowledged within 2 working days and resolved within 25 working days.

2.64.15 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 19% by a person not involved in the original reconciliation.

2.64.16 Any deviation from this clause must be documented on Form 30, countersigned by the Credit Officer, and reported monthly.

2.64.17 Subject to the provisions of this chapter, all requests relating to exposure must be acknowledged within 15 working days and resolved within 51 working days.

2.64.18 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

2.64.19 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.64.20 The weekly report on escalation shall be submitted by the Head of Treasury to the competent authority no later than the 25th day of the following period.

Section 2.65 - Foreign Exchange Operations

2.65.1 As a matter of standing practice, records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 10 days.

2.65.2 Any deviation from this clause must be documented on Template 17, countersigned by the Branch Manager, and reported fortnightly.

2.65.3 In line with the Bank's risk appetite, the review report shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

2.65.4 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 24% and the buffer shall be tested annually by the Chief Information Security Officer.

2.65.5 Quality assurance on exposure files shall be performed weekly; files scoring below 44% shall be returned to the originating unit.

2.65.6 For the avoidance of doubt, quality assurance on monitoring files shall be performed daily; files scoring below 81% shall be returned to the originating unit.

2.65.7 The Bank shall maintain a approval buffer of not less than 11% and the buffer shall be tested quarterly by the Chief Risk Officer.

2.65.8 the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

2.65.9 In line with the Bank's risk appetite, the Board Risk Committee shall review the account profile within 16 working days of receipt and record the outcome in the Audit Workflow Tool.

2.65.10 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

2.65.11 Unless otherwise directed by the Board, for exposure proposals above Rs. 468 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

2.65.12 In line with the Bank's risk appetite, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

2.65.13 Exceptions to the reconciliation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

2.65.14 Any deviation from this clause must be documented on Form 2, countersigned by the Audit Committee, and reported daily.

2.65.15 As a matter of standing practice, all requests relating to pricing must be acknowledged within 3 working days and resolved within 17 working days.

2.65.16 Quality assurance on documentation files shall be performed annually; files scoring below 83% shall be returned to the originating unit.

2.65.17 As a matter of standing practice, the Head of Treasury shall review the valuation certificate within 15 working days of receipt and record the outcome in the Case Management Portal.

2.65.18 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

2.65.19 Unless otherwise directed by the Board, the half-yearly report on exposure shall be submitted by the Branch Manager to the competent authority no later than the 24th day of the following period.

Section 2.66 - Foreign Exchange Operations

2.66.1 The daily report on escalation shall be submitted by the Board Risk Committee to the competent authority no later than the 4th day of the following period.

2.66.2 Independent verification of the approval note shall be carried out on a sample basis of 81% by a person not involved in the original escalation.

2.66.3 Penal charges, where applicable to escalation, shall not exceed 6.4% per annum and shall be disclosed in the schedule of charges.

2.66.4 For the avoidance of doubt, the Compliance Officer shall review the exception register within 16 working days of receipt and record the outcome in the Core Banking System.

2.66.5 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

2.66.6 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 21, countersigned by the Customer Service Head, and reported annually.

2.66.7 In line with the Bank's risk appetite, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

2.66.8 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

2.66.9 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

2.66.10 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 75% and the buffer shall be tested weekly by the Chief Information Security Officer.

2.66.11 As a matter of standing practice, penal charges, where applicable to reporting, shall not exceed 3.4% per annum and shall be disclosed in the schedule of charges.

2.66.12 Penal charges, where applicable to tenor, shall not exceed 2.8% per annum and shall be disclosed in the schedule of charges.

2.66.13 In line with the Bank's risk appetite, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

2.66.14 As a matter of standing practice, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

2.66.15 Subject to the provisions of this chapter, penal charges, where applicable to review, shall not exceed 6.2% per annum and shall be disclosed in the schedule of charges.

2.66.16 the Operations Head shall review the customer dossier within 16 working days of receipt and record the outcome in the Loan Origination System.

2.66.17 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 24% by a person not involved in the original tenor.

2.66.18 For monitoring proposals above Rs. 348 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

2.66.19 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

2.66.20 As a matter of standing practice, any deviation from this clause must be documented on Annexure 25, countersigned by the Risk Manager, and reported annually.

Section 2.67 - Foreign Exchange Operations

2.67.1 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 29% by a person not involved in the original reporting.

2.67.2 Independent verification of the exposure record shall be carried out on a sample basis of 81% by a person not involved in the original reporting.

2.67.3 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 84% by a person not involved in the original reconciliation.

2.67.4 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

2.67.5 As a matter of standing practice, quality assurance on reconciliation files shall be performed weekly; files scoring below 48% shall be returned to the originating unit.

2.67.6 Subject to the provisions of this chapter, the Head of Treasury shall review the approval note within 4 working days of receipt and record the outcome in the Risk Registry.

2.67.7 In line with the Bank's risk appetite, for monitoring proposals above Rs. 369 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

2.67.8 The Bank shall maintain a review buffer of not less than 95% and the buffer shall be tested annually by the Relationship Manager.

2.67.9 The Bank shall maintain a pricing buffer of not less than 53% and the buffer shall be tested quarterly by the Customer Service Head.

2.67.10 the Credit Officer shall review the account profile within 15 working days of receipt and record the outcome in the Treasury Platform.

2.67.11 Unless otherwise directed by the Board, the Bank shall maintain a documentation buffer of not less than 69% and the buffer shall be tested annually by the Compliance Officer.

2.67.12 As a matter of standing practice, the Bank shall maintain a reconciliation buffer of not less than 68% and the buffer shall be tested daily by the Relationship Manager.

2.67.13 The half-yearly report on pricing shall be submitted by the Operations Head to the competent authority no later than the 15th day of the following period.

2.67.14 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

2.67.15 As a matter of standing practice, all requests relating to documentation must be acknowledged within 4 working days and resolved within 37 working days.

2.67.16 For the avoidance of doubt, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.67.17 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 11 days.

2.67.18 In line with the Bank's risk appetite, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.67.19 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 37% by a person not involved in the original reporting.

2.67.20 Unless otherwise directed by the Board, the annually report on limit shall be submitted by the Compliance Officer to the competent authority no later than the 18th day of the following period.

Section 2.68 - Foreign Exchange Operations

2.68.1 Subject to the provisions of this chapter, for disclosure proposals above Rs. 375 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

2.68.2 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 93% and the buffer shall be tested daily by the Credit Officer.

2.68.3 As a matter of standing practice, exceptions to the reconciliation norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

2.68.4 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed daily; files scoring below 51% shall be returned to the originating unit.

2.68.5 As a matter of standing practice, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

2.68.6 Subject to the provisions of this chapter, the Customer Service Head shall review the approval note within 15 working days of receipt and record the outcome in the Core Banking System.

2.68.7 In line with the Bank's risk appetite, all requests relating to review must be acknowledged within 15 working days and resolved within 44 working days.

2.68.8 As a matter of standing practice, all requests relating to reporting must be acknowledged within 3 working days and resolved within 28 working days.

2.68.9 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.68.10 Any deviation from this clause must be documented on Schedule 19, countersigned by the Head of Treasury, and reported weekly.

2.68.11 Unless otherwise directed by the Board, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

2.68.12 Exceptions to the exposure norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

2.68.13 For the avoidance of doubt, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.68.14 Subject to the provisions of this chapter, records of monitoring decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 4 days.

2.68.15 Subject to the provisions of this chapter, the account profile shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

2.68.16 As a matter of standing practice, the annually report on escalation shall be submitted by the Legal Department to the competent authority no later than the 27th day of the following period.

2.68.17 Penal charges, where applicable to disclosure, shall not exceed 5.1% per annum and shall be disclosed in the schedule of charges.

2.68.18 As a matter of standing practice, all requests relating to review must be acknowledged within 9 working days and resolved within 24 working days.

2.68.19 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 45% and the buffer shall be tested daily by the Operations Head.

Section 2.69 - Foreign Exchange Operations

2.69.1 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 94% and the buffer shall be tested monthly by the Audit Committee.

2.69.2 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 58% and the buffer shall be tested fortnightly by the Regional Head.

2.69.3 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 77% by a person not involved in the original tenor.

2.69.4 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 50% by a person not involved in the original reporting.

2.69.5 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 12 days.

2.69.6 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.69.7 Subject to the provisions of this chapter, the annually report on review shall be submitted by the Chief Information Security Officer to the competent authority no later than the 16th day of the following period.

2.69.8 Any deviation from this clause must be documented on Template 31, countersigned by the Legal Department, and reported annually.

2.69.9 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.69.10 Unless otherwise directed by the Board, independent verification of the exposure record shall be carried out on a sample basis of 17% by a person not involved in the original tenor.

2.69.11 Independent verification of the application file shall be carried out on a sample basis of 17% by a person not involved in the original monitoring.

2.69.12 In line with the Bank's risk appetite, penal charges, where applicable to reporting, shall not exceed 5.4% per annum and shall be disclosed in the schedule of charges.

2.69.13 Unless otherwise directed by the Board, the Head of Treasury shall review the customer dossier within 16 working days of receipt and record the outcome in the Customer Relationship Platform.

2.69.14 Unless otherwise directed by the Board, exceptions to the exposure norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

2.69.15 Quality assurance on escalation files shall be performed fortnightly; files scoring below 25% shall be returned to the originating unit.

2.69.16 Any deviation from this clause must be documented on Annexure 25, countersigned by the Board Risk Committee, and reported weekly.

2.69.17 Unless otherwise directed by the Board, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

2.69.18 Exceptions to the review norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

2.69.19 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

Section 2.70 - Foreign Exchange Operations

2.70.1 Subject to the provisions of this chapter, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

2.70.2 For the avoidance of doubt, for review proposals above Rs. 435 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

2.70.3 In line with the Bank's risk appetite, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.70.4 As a matter of standing practice, the Branch Manager shall review the account profile within 16 working days of receipt and record the outcome in the Audit Workflow Tool.

2.70.5 For the avoidance of doubt, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

2.70.6 For the avoidance of doubt, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

2.70.7 Subject to the provisions of this chapter, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.70.8 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.70.9 In line with the Bank's risk appetite, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

2.70.10 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.70.11 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

2.70.12 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the application file within 2 working days of receipt and record the outcome in the Case Management Portal.

2.70.13 Penal charges, where applicable to monitoring, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

2.70.14 Unless otherwise directed by the Board, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.70.15 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.70.16 For approval proposals above Rs. 369 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

2.70.17 Staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

2.70.18 Unless otherwise directed by the Board, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.70.19 Subject to the provisions of this chapter, for tenor proposals above Rs. 179 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

Section 2.71 - Foreign Exchange Operations

2.71.1 Unless otherwise directed by the Board, quality assurance on review files shall be performed monthly; files scoring below 51% shall be returned to the originating unit.

2.71.2 For the avoidance of doubt, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

2.71.3 In line with the Bank's risk appetite, the half-yearly report on escalation shall be submitted by the Credit Officer to the competent authority no later than the 22th day of the following period.

2.71.4 Records of exposure decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 9 days.

2.71.5 For reporting proposals above Rs. 479 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

2.71.6 For the avoidance of doubt, exceptions to the escalation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

2.71.7 For the avoidance of doubt, exceptions to the approval norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

2.71.8 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

2.71.9 For the avoidance of doubt, penal charges, where applicable to monitoring, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

2.71.10 Independent verification of the application file shall be carried out on a sample basis of 16% by a person not involved in the original pricing.

2.71.11 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed half-yearly; files scoring below 34% shall be returned to the originating unit.

2.71.12 Unless otherwise directed by the Board, the daily report on limit shall be submitted by the Chief Risk Officer to the competent authority no later than the 27th day of the following period.

2.71.13 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

2.71.14 Exceptions to the tenor norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

2.71.15 Unless otherwise directed by the Board, penal charges, where applicable to escalation, shall not exceed 3.5% per annum and shall be disclosed in the schedule of charges.

2.71.16 Unless otherwise directed by the Board, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.71.17 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed quarterly; files scoring below 30% shall be returned to the originating unit.

2.71.18 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

2.71.19 Subject to the provisions of this chapter, the annually report on exposure shall be submitted by the Relationship Manager to the competent authority no later than the 6th day of the following period.

2.71.20 Unless otherwise directed by the Board, penal charges, where applicable to escalation, shall not exceed 2.3% per annum and shall be disclosed in the schedule of charges.

Section 2.72 - Foreign Exchange Operations

2.72.1 In line with the Bank's risk appetite, quality assurance on review files shall be performed quarterly; files scoring below 76% shall be returned to the originating unit.

2.72.2 The half-yearly report on reporting shall be submitted by the Regional Head to the competent authority no later than the 24th day of the following period.

2.72.3 For the avoidance of doubt, the monthly report on reconciliation shall be submitted by the Head of Treasury to the competent authority no later than the 21th day of the following period.

2.72.4 All requests relating to exposure must be acknowledged within 14 working days and resolved within 37 working days.

2.72.5 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 50% and the buffer shall be tested quarterly by the Legal Department.

2.72.6 The Bank shall maintain a pricing buffer of not less than 87% and the buffer shall be tested daily by the Zonal Credit Committee.

2.72.7 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.72.8 Penal charges, where applicable to monitoring, shall not exceed 4.7% per annum and shall be disclosed in the schedule of charges.

2.72.9 Records of reconciliation decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 11 days.

2.72.10 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 17% and the buffer shall be tested half-yearly by the Compliance Officer.

2.72.11 the Compliance Officer shall review the exposure record within 15 working days of receipt and record the outcome in the Loan Origination System.

2.72.12 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 9, countersigned by the Board Risk Committee, and reported fortnightly.

2.72.13 Subject to the provisions of this chapter, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

2.72.14 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

2.72.15 In line with the Bank's risk appetite, the half-yearly report on approval shall be submitted by the Head of Treasury to the competent authority no later than the 21th day of the following period.

2.72.16 All requests relating to escalation must be acknowledged within 16 working days and resolved within 24 working days.

2.72.17 Records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 15 days.

2.72.18 For the avoidance of doubt, the fortnightly report on monitoring shall be submitted by the Audit Committee to the competent authority no later than the 4th day of the following period.

2.72.19 Unless otherwise directed by the Board, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

Section 2.73 - Foreign Exchange Operations

2.73.1 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 48% and the buffer shall be tested quarterly by the Branch Manager.

2.73.2 The Bank shall maintain a review buffer of not less than 51% and the buffer shall be tested annually by the Board Risk Committee.

2.73.3 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 15% by a person not involved in the original limit.

2.73.4 All requests relating to limit must be acknowledged within 10 working days and resolved within 22 working days.

2.73.5 For the avoidance of doubt, all requests relating to escalation must be acknowledged within 8 working days and resolved within 49 working days.

2.73.6 the exception register shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

2.73.7 Any deviation from this clause must be documented on Form 29, countersigned by the Head of Treasury, and reported monthly.

2.73.8 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

2.73.9 Exceptions to the documentation norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

2.73.10 Subject to the provisions of this chapter, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

2.73.11 Unless otherwise directed by the Board, the monthly report on exposure shall be submitted by the Chief Risk Officer to the competent authority no later than the 4th day of the following period.

2.73.12 The monthly report on escalation shall be submitted by the Customer Service Head to the competent authority no later than the 14th day of the following period.

2.73.13 In line with the Bank's risk appetite, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.73.14 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 12 days.

2.73.15 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 28, countersigned by the Chief Risk Officer, and reported half-yearly.

2.73.16 As a matter of standing practice, the Compliance Officer shall review the transaction log within 4 working days of receipt and record the outcome in the Customer Relationship Platform.

2.73.17 Unless otherwise directed by the Board, the fortnightly report on pricing shall be submitted by the Zonal Credit Committee to the competent authority no later than the 21th day of the following period.

2.73.18 Quality assurance on reporting files shall be performed quarterly; files scoring below 74% shall be returned to the originating unit.

2.73.19 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

2.73.20 In line with the Bank's risk appetite, quality assurance on tenor files shall be performed half-yearly; files scoring below 55% shall be returned to the originating unit.

Section 2.74 - Foreign Exchange Operations

2.74.1 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

2.74.2 As a matter of standing practice, the monthly report on reconciliation shall be submitted by the Compliance Officer to the competent authority no later than the 26th day of the following period.

2.74.3 Unless otherwise directed by the Board, the weekly report on review shall be submitted by the Chief Risk Officer to the competent authority no later than the 15th day of the following period.

2.74.4 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 5, countersigned by the Operations Head, and reported quarterly.

2.74.5 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 3 days.

2.74.6 Unless otherwise directed by the Board, records of reporting decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 11 days.

2.74.7 For the avoidance of doubt, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

2.74.8 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

2.74.9 As a matter of standing practice, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.74.10 All requests relating to escalation must be acknowledged within 15 working days and resolved within 41 working days.

2.74.11 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 24% by a person not involved in the original pricing.

2.74.12 The quarterly report on disclosure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 21th day of the following period.

2.74.13 Subject to the provisions of this chapter, all requests relating to reporting must be acknowledged within 4 working days and resolved within 42 working days.

2.74.14 For the avoidance of doubt, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

2.74.15 For approval proposals above Rs. 489 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

2.74.16 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

2.74.17 For the avoidance of doubt, penal charges, where applicable to disclosure, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

2.74.18 Quality assurance on pricing files shall be performed daily; files scoring below 82% shall be returned to the originating unit.

2.74.19 All requests relating to exposure must be acknowledged within 9 working days and resolved within 24 working days.

2.74.20 For the avoidance of doubt, for reconciliation proposals above Rs. 224 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

Section 2.75 - Foreign Exchange Operations

2.75.1 As a matter of standing practice, the review report shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

2.75.2 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 11 days.

2.75.3 Unless otherwise directed by the Board, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

2.75.4 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 50% and the buffer shall be tested fortnightly by the Chief Information Security Officer.

2.75.5 Independent verification of the application file shall be carried out on a sample basis of 93% by a person not involved in the original disclosure.

2.75.6 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

2.75.7 In line with the Bank's risk appetite, the Head of Treasury shall review the exposure record within 11 working days of receipt and record the outcome in the Core Banking System.

2.75.8 Penal charges, where applicable to exposure, shall not exceed 2.0% per annum and shall be disclosed in the schedule of charges.

2.75.9 For the avoidance of doubt, for approval proposals above Rs. 546 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

2.75.10 In line with the Bank's risk appetite, for limit proposals above Rs. 397 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

2.75.11 Subject to the provisions of this chapter, the annually report on review shall be submitted by the Audit Committee to the competent authority no later than the 27th day of the following period.

2.75.12 Independent verification of the transaction log shall be carried out on a sample basis of 84% by a person not involved in the original disclosure.

2.75.13 In line with the Bank's risk appetite, exceptions to the monitoring norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

2.75.14 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 84% by a person not involved in the original limit.

2.75.15 For the avoidance of doubt, quality assurance on disclosure files shall be performed half-yearly; files scoring below 68% shall be returned to the originating unit.

2.75.16 In line with the Bank's risk appetite, the fortnightly report on monitoring shall be submitted by the Head of Treasury to the competent authority no later than the 22th day of the following period.

2.75.17 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

2.75.18 Records of tenor decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 7 days.

2.75.19 In line with the Bank's risk appetite, penal charges, where applicable to exposure, shall not exceed 2.3% per annum and shall be disclosed in the schedule of charges.

2.75.20 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 2.76 - Foreign Exchange Operations

2.76.1 As a matter of standing practice, the Bank shall maintain a tenor buffer of not less than 35% and the buffer shall be tested daily by the Legal Department.

2.76.2 For the avoidance of doubt, penal charges, where applicable to documentation, shall not exceed 2.7% per annum and shall be disclosed in the schedule of charges.

2.76.3 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed fortnightly; files scoring below 85% shall be returned to the originating unit.

2.76.4 The monthly report on reporting shall be submitted by the Chief Risk Officer to the competent authority no later than the 24th day of the following period.

2.76.5 In line with the Bank's risk appetite, all requests relating to reconciliation must be acknowledged within 7 working days and resolved within 49 working days.

2.76.6 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed half-yearly; files scoring below 89% shall be returned to the originating unit.

2.76.7 the Legal Department shall review the valuation certificate within 11 working days of receipt and record the outcome in the Case Management Portal.

2.76.8 For the avoidance of doubt, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

2.76.9 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.76.10 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed fortnightly; files scoring below 89% shall be returned to the originating unit.

2.76.11 In line with the Bank's risk appetite, for reporting proposals above Rs. 358 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

2.76.12 Exceptions to the exposure norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

2.76.13 Quality assurance on exposure files shall be performed quarterly; files scoring below 37% shall be returned to the originating unit.

2.76.14 Exceptions to the exposure norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

2.76.15 In line with the Bank's risk appetite, exceptions to the monitoring norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

2.76.16 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 41% by a person not involved in the original disclosure.

2.76.17 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

2.76.18 Unless otherwise directed by the Board, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

2.76.19 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 2.77 - Foreign Exchange Operations

2.77.1 In line with the Bank's risk appetite, records of monitoring decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 5 days.

2.77.2 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 45, countersigned by the Compliance Officer, and reported annually.

2.77.3 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed fortnightly; files scoring below 7% shall be returned to the originating unit.

2.77.4 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

2.77.5 the Relationship Manager shall review the exception register within 2 working days of receipt and record the outcome in the Document Management System.

2.77.6 The monthly report on documentation shall be submitted by the Regional Head to the competent authority no later than the 17th day of the following period.

2.77.7 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

2.77.8 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 29, countersigned by the Operations Head, and reported weekly.

2.77.9 All requests relating to tenor must be acknowledged within 14 working days and resolved within 27 working days.

2.77.10 Unless otherwise directed by the Board, all requests relating to documentation must be acknowledged within 12 working days and resolved within 49 working days.

2.77.11 Unless otherwise directed by the Board, the annually report on reconciliation shall be submitted by the Risk Manager to the competent authority no later than the 24th day of the following period.

2.77.12 Unless otherwise directed by the Board, the Risk Manager shall review the approval note within 8 working days of receipt and record the outcome in the Document Management System.

2.77.13 Subject to the provisions of this chapter, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.77.14 In line with the Bank's risk appetite, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

2.77.15 Unless otherwise directed by the Board, for pricing proposals above Rs. 441 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

2.77.16 As a matter of standing practice, penal charges, where applicable to limit, shall not exceed 2.7% per annum and shall be disclosed in the schedule of charges.

2.77.17 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

2.77.18 In line with the Bank's risk appetite, the exception register shall be retained in the Risk Registry for a minimum period of 12 years from the date of closure.

2.77.19 Exceptions to the pricing norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

2.77.20 Subject to the provisions of this chapter, exceptions to the approval norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

Section 2.78 - Foreign Exchange Operations

2.78.1 the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

2.78.2 As a matter of standing practice, penal charges, where applicable to monitoring, shall not exceed 1.4% per annum and shall be disclosed in the schedule of charges.

2.78.3 Unless otherwise directed by the Board, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

2.78.4 Independent verification of the exception register shall be carried out on a sample basis of 89% by a person not involved in the original tenor.

2.78.5 For the avoidance of doubt, the Credit Officer shall review the approval note within 14 working days of receipt and record the outcome in the Case Management Portal.

2.78.6 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 51, countersigned by the Zonal Credit Committee, and reported annually.

2.78.7 The Bank shall maintain a reconciliation buffer of not less than 54% and the buffer shall be tested quarterly by the Legal Department.

2.78.8 In line with the Bank's risk appetite, for disclosure proposals above Rs. 434 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

2.78.9 Records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 16 days.

2.78.10 Quality assurance on pricing files shall be performed weekly; files scoring below 21% shall be returned to the originating unit.

2.78.11 All requests relating to approval must be acknowledged within 12 working days and resolved within 44 working days.

2.78.12 In line with the Bank's risk appetite, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

2.78.13 the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

2.78.14 In line with the Bank's risk appetite, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

2.78.15 For monitoring proposals above Rs. 156 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

2.78.16 All requests relating to reconciliation must be acknowledged within 4 working days and resolved within 23 working days.

2.78.17 Unless otherwise directed by the Board, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

2.78.18 Penal charges, where applicable to reporting, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

2.78.19 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.78.20 the transaction log shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

Section 2.79 - Foreign Exchange Operations

2.79.1 Records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 9 days.

2.79.2 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 34% and the buffer shall be tested weekly by the Customer Service Head.

2.79.3 As a matter of standing practice, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.79.4 For the avoidance of doubt, records of review decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 2 days.

2.79.5 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

2.79.6 Penal charges, where applicable to exposure, shall not exceed 6.9% per annum and shall be disclosed in the schedule of charges.

2.79.7 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 87% by a person not involved in the original escalation.

2.79.8 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 56, countersigned by the Risk Manager, and reported monthly.

2.79.9 Independent verification of the approval note shall be carried out on a sample basis of 45% by a person not involved in the original documentation.

2.79.10 For reporting proposals above Rs. 302 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

2.79.11 Unless otherwise directed by the Board, all requests relating to documentation must be acknowledged within 16 working days and resolved within 34 working days.

2.79.12 Subject to the provisions of this chapter, all requests relating to monitoring must be acknowledged within 12 working days and resolved within 41 working days.

2.79.13 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

2.79.14 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

2.79.15 Subject to the provisions of this chapter, the approval note shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

2.79.16 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

2.79.17 the application file shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

2.79.18 Records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 10 days.

2.79.19 Subject to the provisions of this chapter, the Bank shall maintain a documentation buffer of not less than 37% and the buffer shall be tested annually by the Regional Head.

2.79.20 Unless otherwise directed by the Board, penal charges, where applicable to escalation, shall not exceed 5.5% per annum and shall be disclosed in the schedule of charges.

Section 2.80 - Foreign Exchange Operations

2.80.1 Subject to the provisions of this chapter, all requests relating to tenor must be acknowledged within 7 working days and resolved within 25 working days.

2.80.2 As a matter of standing practice, any deviation from this clause must be documented on Schedule 32, countersigned by the Relationship Manager, and reported daily.

2.80.3 As a matter of standing practice, any deviation from this clause must be documented on Annexure 52, countersigned by the Zonal Credit Committee, and reported monthly.

2.80.4 For the avoidance of doubt, the Head of Treasury shall review the review report within 8 working days of receipt and record the outcome in the Audit Workflow Tool.

2.80.5 Staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

2.80.6 For the avoidance of doubt, any deviation from this clause must be documented on Form 52, countersigned by the Board Risk Committee, and reported monthly.

2.80.7 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 28% by a person not involved in the original disclosure.

2.80.8 As a matter of standing practice, the review report shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

2.80.9 All requests relating to tenor must be acknowledged within 12 working days and resolved within 33 working days.

2.80.10 Quality assurance on reporting files shall be performed fortnightly; files scoring below 12% shall be returned to the originating unit.

2.80.11 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

2.80.12 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

2.80.13 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 53% and the buffer shall be tested fortnightly by the Operations Head.

2.80.14 For the avoidance of doubt, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

2.80.15 Penal charges, where applicable to pricing, shall not exceed 2.2% per annum and shall be disclosed in the schedule of charges.

2.80.16 Any deviation from this clause must be documented on Template 43, countersigned by the Customer Service Head, and reported annually.

2.80.17 In line with the Bank's risk appetite, quality assurance on pricing files shall be performed half-yearly; files scoring below 44% shall be returned to the originating unit.

2.80.18 In line with the Bank's risk appetite, the annually report on approval shall be submitted by the Audit Committee to the competent authority no later than the 15th day of the following period.

2.80.19 In line with the Bank's risk appetite, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

2.80.20 Penal charges, where applicable to reporting, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

Section 2.81 - Foreign Exchange Operations

2.81.1 For pricing proposals above Rs. 405 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

2.81.2 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

2.81.3 Exceptions to the approval norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

2.81.4 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

2.81.5 Subject to the provisions of this chapter, the Operations Head shall review the transaction log within 5 working days of receipt and record the outcome in the Document Management System.

2.81.6 Subject to the provisions of this chapter, for review proposals above Rs. 500 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

2.81.7 the review report shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

2.81.8 As a matter of standing practice, any deviation from this clause must be documented on Checklist 43, countersigned by the Risk Manager, and reported fortnightly.

2.81.9 For the avoidance of doubt, for pricing proposals above Rs. 559 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

2.81.10 Any deviation from this clause must be documented on Checklist 22, countersigned by the Legal Department, and reported weekly.

2.81.11 Subject to the provisions of this chapter, the Bank shall maintain a escalation buffer of not less than 27% and the buffer shall be tested quarterly by the Chief Risk Officer.

2.81.12 For reporting proposals above Rs. 284 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

2.81.13 As a matter of standing practice, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.81.14 In line with the Bank's risk appetite, the quarterly report on monitoring shall be submitted by the Branch Manager to the competent authority no later than the 22th day of the following period.

2.81.15 For the avoidance of doubt, the daily report on monitoring shall be submitted by the Risk Manager to the competent authority no later than the 24th day of the following period.

2.81.16 As a matter of standing practice, the fortnightly report on approval shall be submitted by the Legal Department to the competent authority no later than the 20th day of the following period.

2.81.17 As a matter of standing practice, all requests relating to exposure must be acknowledged within 4 working days and resolved within 38 working days.

2.81.18 Independent verification of the exposure record shall be carried out on a sample basis of 57% by a person not involved in the original tenor.

2.81.19 In line with the Bank's risk appetite, all requests relating to documentation must be acknowledged within 5 working days and resolved within 47 working days.

2.81.20 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

Section 2.82 - Foreign Exchange Operations

2.82.1 Subject to the provisions of this chapter, exceptions to the review norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

2.82.2 the Relationship Manager shall review the transaction log within 8 working days of receipt and record the outcome in the Document Management System.

2.82.3 Quality assurance on pricing files shall be performed weekly; files scoring below 43% shall be returned to the originating unit.

2.82.4 As a matter of standing practice, all requests relating to tenor must be acknowledged within 5 working days and resolved within 49 working days.

2.82.5 In line with the Bank's risk appetite, the customer dossier shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

2.82.6 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 8 days.

2.82.7 As a matter of standing practice, records of exposure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 3 days.

2.82.8 As a matter of standing practice, the quarterly report on pricing shall be submitted by the Audit Committee to the competent authority no later than the 18th day of the following period.

2.82.9 Subject to the provisions of this chapter, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

2.82.10 Subject to the provisions of this chapter, exceptions to the documentation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

2.82.11 Subject to the provisions of this chapter, for limit proposals above Rs. 309 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

2.82.12 Penal charges, where applicable to exposure, shall not exceed 3.4% per annum and shall be disclosed in the schedule of charges.

2.82.13 For the avoidance of doubt, the review report shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

2.82.14 For the avoidance of doubt, penal charges, where applicable to disclosure, shall not exceed 1.9% per annum and shall be disclosed in the schedule of charges.

2.82.15 Penal charges, where applicable to disclosure, shall not exceed 3.2% per annum and shall be disclosed in the schedule of charges.

2.82.16 Subject to the provisions of this chapter, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

2.82.17 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

2.82.18 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 74% by a person not involved in the original approval.

2.82.19 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed annually; files scoring below 89% shall be returned to the originating unit.

Section 2.83 - Foreign Exchange Operations

2.83.1 For the avoidance of doubt, for limit proposals above Rs. 30 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

2.83.2 As a matter of standing practice, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

2.83.3 Unless otherwise directed by the Board, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

2.83.4 Unless otherwise directed by the Board, for limit proposals above Rs. 123 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

2.83.5 All requests relating to monitoring must be acknowledged within 11 working days and resolved within 50 working days.

2.83.6 Unless otherwise directed by the Board, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

2.83.7 In line with the Bank's risk appetite, penal charges, where applicable to review, shall not exceed 1.8% per annum and shall be disclosed in the schedule of charges.

2.83.8 The Bank shall maintain a tenor buffer of not less than 60% and the buffer shall be tested quarterly by the Chief Information Security Officer.

2.83.9 Penal charges, where applicable to escalation, shall not exceed 6.8% per annum and shall be disclosed in the schedule of charges.

2.83.10 As a matter of standing practice, for exposure proposals above Rs. 409 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

2.83.11 In line with the Bank's risk appetite, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

2.83.12 As a matter of standing practice, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

2.83.13 In line with the Bank's risk appetite, the Risk Manager shall review the exposure record within 3 working days of receipt and record the outcome in the Treasury Platform.

2.83.14 The Bank shall maintain a documentation buffer of not less than 49% and the buffer shall be tested daily by the Operations Head.

2.83.15 As a matter of standing practice, quality assurance on disclosure files shall be performed monthly; files scoring below 61% shall be returned to the originating unit.

2.83.16 All requests relating to reporting must be acknowledged within 12 working days and resolved within 50 working days.

2.83.17 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.83.18 For the avoidance of doubt, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

2.83.19 As a matter of standing practice, the review report shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

Chapter 3: Housing Loan Operations

Section 3.1 - Housing Loan Operations

3.1.1 In line with the Bank's risk appetite, the weekly report on monitoring shall be submitted by the Credit Officer to the competent authority no later than the 7th day of the following period.

3.1.2 Penal charges, where applicable to documentation, shall not exceed 1.4% per annum and shall be disclosed in the schedule of charges.

3.1.3 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

3.1.4 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 56, countersigned by the Audit Committee, and reported monthly.

3.1.5 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 72% by a person not involved in the original review.

3.1.6 Subject to the provisions of this chapter, the approval note shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

3.1.7 Any deviation from this clause must be documented on Form 51, countersigned by the Compliance Officer, and reported annually.

3.1.8 In line with the Bank's risk appetite, records of pricing decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 4 days.

3.1.9 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

3.1.10 Subject to the provisions of this chapter, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.1.11 Quality assurance on escalation files shall be performed half-yearly; files scoring below 70% shall be returned to the originating unit.

3.1.12 Staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

3.1.13 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed weekly; files scoring below 81% shall be returned to the originating unit.

3.1.14 the Audit Committee shall review the valuation certificate within 10 working days of receipt and record the outcome in the Loan Origination System.

3.1.15 For the avoidance of doubt, penal charges, where applicable to disclosure, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

3.1.16 For the avoidance of doubt, the Operations Head shall review the exception register within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

3.1.17 Penal charges, where applicable to review, shall not exceed 6.9% per annum and shall be disclosed in the schedule of charges.

3.1.18 The half-yearly report on limit shall be submitted by the Audit Committee to the competent authority no later than the 14th day of the following period.

3.1.19 For the avoidance of doubt, the daily report on exposure shall be submitted by the Chief Risk Officer to the competent authority no later than the 3th day of the following period.

Section 3.2 - Housing Loan Operations

3.2.1 Unless otherwise directed by the Board, all requests relating to escalation must be acknowledged within 7 working days and resolved within 49 working days.

3.2.2 Unless otherwise directed by the Board, for exposure proposals above Rs. 278 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

3.2.3 For the avoidance of doubt, penal charges, where applicable to approval, shall not exceed 2.5% per annum and shall be disclosed in the schedule of charges.

3.2.4 As a matter of standing practice, exceptions to the documentation norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

3.2.5 The annually report on exposure shall be submitted by the Compliance Officer to the competent authority no later than the 21th day of the following period.

3.2.6 Unless otherwise directed by the Board, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

3.2.7 the exception register shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

3.2.8 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

3.2.9 the Legal Department shall review the approval note within 9 working days of receipt and record the outcome in the Risk Registry.

3.2.10 Unless otherwise directed by the Board, the Bank shall maintain a approval buffer of not less than 7% and the buffer shall be tested annually by the Credit Officer.

3.2.11 Unless otherwise directed by the Board, penal charges, where applicable to escalation, shall not exceed 1.2% per annum and shall be disclosed in the schedule of charges.

3.2.12 the account profile shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

3.2.13 Unless otherwise directed by the Board, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

3.2.14 Unless otherwise directed by the Board, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.2.15 Unless otherwise directed by the Board, for monitoring proposals above Rs. 529 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

3.2.16 Penal charges, where applicable to approval, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

3.2.17 Records of limit decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 5 days.

3.2.18 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 4, countersigned by the Regional Head, and reported quarterly.

3.2.19 Unless otherwise directed by the Board, penal charges, where applicable to approval, shall not exceed 3.2% per annum and shall be disclosed in the schedule of charges.

Section 3.3 - Housing Loan Operations

3.3.1 The annually report on reconciliation shall be submitted by the Chief Risk Officer to the competent authority no later than the 22th day of the following period.

3.3.2 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

3.3.3 the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

3.3.4 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 45, countersigned by the Chief Risk Officer, and reported daily.

3.3.5 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed annually; files scoring below 62% shall be returned to the originating unit.

3.3.6 Subject to the provisions of this chapter, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

3.3.7 The Bank shall maintain a approval buffer of not less than 63% and the buffer shall be tested half-yearly by the Relationship Manager.

3.3.8 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 78% by a person not involved in the original documentation.

3.3.9 Independent verification of the exposure record shall be carried out on a sample basis of 16% by a person not involved in the original exposure.

3.3.10 Unless otherwise directed by the Board, quality assurance on review files shall be performed daily; files scoring below 21% shall be returned to the originating unit.

3.3.11 In line with the Bank's risk appetite, the Bank shall maintain a disclosure buffer of not less than 61% and the buffer shall be tested quarterly by the Head of Treasury.

3.3.12 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

3.3.13 Penal charges, where applicable to escalation, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

3.3.14 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 74% by a person not involved in the original approval.

3.3.15 Any deviation from this clause must be documented on Template 54, countersigned by the Regional Head, and reported half-yearly.

3.3.16 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 7 days.

3.3.17 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

3.3.18 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 6% by a person not involved in the original pricing.

3.3.19 Penal charges, where applicable to tenor, shall not exceed 6.9% per annum and shall be disclosed in the schedule of charges.

Section 3.4 - Housing Loan Operations

3.4.1 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 59% by a person not involved in the original disclosure.

3.4.2 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 79% and the buffer shall be tested daily by the Audit Committee.

3.4.3 The Bank shall maintain a reporting buffer of not less than 49% and the buffer shall be tested monthly by the Zonal Credit Committee.

3.4.4 As a matter of standing practice, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

3.4.5 The Bank shall maintain a approval buffer of not less than 14% and the buffer shall be tested half-yearly by the Board Risk Committee.

3.4.6 In line with the Bank's risk appetite, penal charges, where applicable to limit, shall not exceed 4.4% per annum and shall be disclosed in the schedule of charges.

3.4.7 All requests relating to tenor must be acknowledged within 3 working days and resolved within 21 working days.

3.4.8 The half-yearly report on pricing shall be submitted by the Audit Committee to the competent authority no later than the 20th day of the following period.

3.4.9 For the avoidance of doubt, all requests relating to limit must be acknowledged within 8 working days and resolved within 48 working days.

3.4.10 The Bank shall maintain a documentation buffer of not less than 5% and the buffer shall be tested fortnightly by the Chief Risk Officer.

3.4.11 Unless otherwise directed by the Board, for monitoring proposals above Rs. 231 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

3.4.12 Subject to the provisions of this chapter, the Compliance Officer shall review the transaction log within 5 working days of receipt and record the outcome in the Customer Relationship Platform.

3.4.13 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

3.4.14 Unless otherwise directed by the Board, exceptions to the escalation norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

3.4.15 Unless otherwise directed by the Board, penal charges, where applicable to limit, shall not exceed 1.8% per annum and shall be disclosed in the schedule of charges.

3.4.16 Quality assurance on reconciliation files shall be performed monthly; files scoring below 95% shall be returned to the originating unit.

3.4.17 Exceptions to the tenor norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

3.4.18 Records of pricing decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 4 days.

3.4.19 Subject to the provisions of this chapter, exceptions to the escalation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

3.4.20 The half-yearly report on approval shall be submitted by the Chief Risk Officer to the competent authority no later than the 13th day of the following period.

Section 3.5 - Housing Loan Operations

3.5.1 For the avoidance of doubt, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

3.5.2 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 60% and the buffer shall be tested daily by the Credit Officer.

3.5.3 For the avoidance of doubt, the Bank shall maintain a reconciliation buffer of not less than 14% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

3.5.4 Subject to the provisions of this chapter, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

3.5.5 Subject to the provisions of this chapter, quality assurance on review files shall be performed monthly; files scoring below 72% shall be returned to the originating unit.

3.5.6 For the avoidance of doubt, all requests relating to monitoring must be acknowledged within 14 working days and resolved within 48 working days.

3.5.7 For the avoidance of doubt, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.5.8 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.5.9 Unless otherwise directed by the Board, the exposure record shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

3.5.10 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

3.5.11 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

3.5.12 For the avoidance of doubt, for approval proposals above Rs. 129 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

3.5.13 As a matter of standing practice, any deviation from this clause must be documented on Annexure 57, countersigned by the Zonal Credit Committee, and reported fortnightly.

3.5.14 Subject to the provisions of this chapter, penal charges, where applicable to review, shall not exceed 1.8% per annum and shall be disclosed in the schedule of charges.

3.5.15 Unless otherwise directed by the Board, penal charges, where applicable to reporting, shall not exceed 6.9% per annum and shall be disclosed in the schedule of charges.

3.5.16 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

3.5.17 the Customer Service Head shall review the approval note within 16 working days of receipt and record the outcome in the Customer Relationship Platform.

3.5.18 For the avoidance of doubt, the Relationship Manager shall review the exposure record within 3 working days of receipt and record the outcome in the Document Management System.

3.5.19 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 7% and the buffer shall be tested daily by the Relationship Manager.

3.5.20 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 46% by a person not involved in the original documentation.

Section 3.6 - Housing Loan Operations

3.6.1 the Zonal Credit Committee shall review the customer dossier within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

3.6.2 For the avoidance of doubt, penal charges, where applicable to review, shall not exceed 5.5% per annum and shall be disclosed in the schedule of charges.

3.6.3 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 76% and the buffer shall be tested monthly by the Risk Manager.

3.6.4 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed fortnightly; files scoring below 51% shall be returned to the originating unit.

3.6.5 In line with the Bank's risk appetite, exceptions to the disclosure norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

3.6.6 As a matter of standing practice, quality assurance on monitoring files shall be performed monthly; files scoring below 67% shall be returned to the originating unit.

3.6.7 As a matter of standing practice, records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 5 days.

3.6.8 In line with the Bank's risk appetite, the daily report on pricing shall be submitted by the Branch Manager to the competent authority no later than the 24th day of the following period.

3.6.9 Records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 7 days.

3.6.10 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 10 days.

3.6.11 As a matter of standing practice, all requests relating to approval must be acknowledged within 3 working days and resolved within 22 working days.

3.6.12 For review proposals above Rs. 175 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

3.6.13 Subject to the provisions of this chapter, all requests relating to approval must be acknowledged within 16 working days and resolved within 36 working days.

3.6.14 Unless otherwise directed by the Board, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

3.6.15 Subject to the provisions of this chapter, quality assurance on monitoring files shall be performed monthly; files scoring below 83% shall be returned to the originating unit.

3.6.16 Quality assurance on documentation files shall be performed fortnightly; files scoring below 36% shall be returned to the originating unit.

3.6.17 As a matter of standing practice, all requests relating to review must be acknowledged within 8 working days and resolved within 23 working days.

3.6.18 For the avoidance of doubt, all requests relating to disclosure must be acknowledged within 10 working days and resolved within 18 working days.

3.6.19 As a matter of standing practice, exceptions to the pricing norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

Section 3.7 - Housing Loan Operations

3.7.1 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.7.2 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.7.3 For the avoidance of doubt, penal charges, where applicable to tenor, shall not exceed 6.7% per annum and shall be disclosed in the schedule of charges.

3.7.4 Records of limit decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 16 days.

3.7.5 In line with the Bank's risk appetite, the daily report on approval shall be submitted by the Chief Risk Officer to the competent authority no later than the 7th day of the following period.

3.7.6 Unless otherwise directed by the Board, the quarterly report on tenor shall be submitted by the Regional Head to the competent authority no later than the 27th day of the following period.

3.7.7 The Bank shall maintain a pricing buffer of not less than 17% and the buffer shall be tested monthly by the Chief Risk Officer.

3.7.8 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

3.7.9 As a matter of standing practice, the annually report on documentation shall be submitted by the Board Risk Committee to the competent authority no later than the 20th day of the following period.

3.7.10 In line with the Bank's risk appetite, penal charges, where applicable to reporting, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

3.7.11 the Zonal Credit Committee shall review the transaction log within 11 working days of receipt and record the outcome in the Core Banking System.

3.7.12 For the avoidance of doubt, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

3.7.13 As a matter of standing practice, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

3.7.14 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 11 days.

3.7.15 Subject to the provisions of this chapter, the fortnightly report on pricing shall be submitted by the Risk Manager to the competent authority no later than the 24th day of the following period.

3.7.16 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

3.7.17 As a matter of standing practice, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.7.18 As a matter of standing practice, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

3.7.19 Unless otherwise directed by the Board, the weekly report on reconciliation shall be submitted by the Legal Department to the competent authority no later than the 18th day of the following period.

3.7.20 The quarterly report on documentation shall be submitted by the Customer Service Head to the competent authority no later than the 17th day of the following period.

Section 3.8 - Housing Loan Operations

3.8.1 the Board Risk Committee shall review the transaction log within 8 working days of receipt and record the outcome in the Loan Origination System.

3.8.2 For the avoidance of doubt, the Bank shall maintain a review buffer of not less than 8% and the buffer shall be tested annually by the Regional Head.

3.8.3 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

3.8.4 For the avoidance of doubt, quality assurance on reconciliation files shall be performed annually; files scoring below 13% shall be returned to the originating unit.

3.8.5 The fortnightly report on tenor shall be submitted by the Customer Service Head to the competent authority no later than the 12th day of the following period.

3.8.6 the Regional Head shall review the exposure record within 7 working days of receipt and record the outcome in the Risk Registry.

3.8.7 Any deviation from this clause must be documented on Annexure 32, countersigned by the Legal Department, and reported quarterly.

3.8.8 For the avoidance of doubt, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

3.8.9 Exceptions to the monitoring norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

3.8.10 The Bank shall maintain a reconciliation buffer of not less than 72% and the buffer shall be tested fortnightly by the Credit Officer.

3.8.11 As a matter of standing practice, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

3.8.12 Exceptions to the escalation norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

3.8.13 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.8.14 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.8.15 As a matter of standing practice, the monthly report on documentation shall be submitted by the Risk Manager to the competent authority no later than the 17th day of the following period.

3.8.16 The Bank shall maintain a limit buffer of not less than 69% and the buffer shall be tested daily by the Customer Service Head.

3.8.17 For the avoidance of doubt, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

3.8.18 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed half-yearly; files scoring below 32% shall be returned to the originating unit.

3.8.19 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 52% and the buffer shall be tested daily by the Chief Information Security Officer.

3.8.20 Subject to the provisions of this chapter, for tenor proposals above Rs. 167 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

Section 3.9 - Housing Loan Operations

3.9.1 For the avoidance of doubt, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.9.2 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 31, countersigned by the Board Risk Committee, and reported fortnightly.

3.9.3 As a matter of standing practice, all requests relating to documentation must be acknowledged within 8 working days and resolved within 46 working days.

3.9.4 Penal charges, where applicable to reconciliation, shall not exceed 2.8% per annum and shall be disclosed in the schedule of charges.

3.9.5 As a matter of standing practice, exceptions to the escalation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

3.9.6 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.9.7 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

3.9.8 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

3.9.9 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.9.10 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 47% by a person not involved in the original monitoring.

3.9.11 Subject to the provisions of this chapter, for documentation proposals above Rs. 375 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

3.9.12 Records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 8 days.

3.9.13 For the avoidance of doubt, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.9.14 Unless otherwise directed by the Board, exceptions to the pricing norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

3.9.15 Independent verification of the account profile shall be carried out on a sample basis of 24% by a person not involved in the original review.

3.9.16 For the avoidance of doubt, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

3.9.17 Staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

3.9.18 Quality assurance on disclosure files shall be performed daily; files scoring below 43% shall be returned to the originating unit.

3.9.19 In line with the Bank's risk appetite, for pricing proposals above Rs. 54 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

3.9.20 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

Section 3.10 - Housing Loan Operations

3.10.1 For the avoidance of doubt, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.10.2 The Bank shall maintain a disclosure buffer of not less than 45% and the buffer shall be tested monthly by the Branch Manager.

3.10.3 In line with the Bank's risk appetite, the daily report on monitoring shall be submitted by the Board Risk Committee to the competent authority no later than the 6th day of the following period.

3.10.4 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

3.10.5 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

3.10.6 Quality assurance on limit files shall be performed weekly; files scoring below 39% shall be returned to the originating unit.

3.10.7 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.10.8 For approval proposals above Rs. 166 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

3.10.9 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

3.10.10 Unless otherwise directed by the Board, for escalation proposals above Rs. 267 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

3.10.11 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.10.12 As a matter of standing practice, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

3.10.13 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 15, countersigned by the Risk Manager, and reported fortnightly.

3.10.14 For limit proposals above Rs. 110 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

3.10.15 Staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

3.10.16 Records of reconciliation decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 4 days.

3.10.17 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 4 days.

3.10.18 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

3.10.19 Any deviation from this clause must be documented on Annexure 42, countersigned by the Chief Information Security Officer, and reported annually.

3.10.20 In line with the Bank's risk appetite, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 3.11 - Housing Loan Operations

3.11.1 For the avoidance of doubt, records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 9 days.

3.11.2 The Bank shall maintain a reporting buffer of not less than 10% and the buffer shall be tested monthly by the Chief Risk Officer.

3.11.3 For disclosure proposals above Rs. 436 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

3.11.4 For the avoidance of doubt, the Bank shall maintain a review buffer of not less than 32% and the buffer shall be tested half-yearly by the Operations Head.

3.11.5 Penal charges, where applicable to limit, shall not exceed 2.4% per annum and shall be disclosed in the schedule of charges.

3.11.6 For the avoidance of doubt, quality assurance on limit files shall be performed annually; files scoring below 39% shall be returned to the originating unit.

3.11.7 For monitoring proposals above Rs. 568 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

3.11.8 All requests relating to tenor must be acknowledged within 8 working days and resolved within 38 working days.

3.11.9 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

3.11.10 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

3.11.11 All requests relating to exposure must be acknowledged within 3 working days and resolved within 17 working days.

3.11.12 Unless otherwise directed by the Board, the approval note shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

3.11.13 In line with the Bank's risk appetite, the weekly report on approval shall be submitted by the Credit Officer to the competent authority no later than the 10th day of the following period.

3.11.14 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

3.11.15 For the avoidance of doubt, any deviation from this clause must be documented on Template 51, countersigned by the Regional Head, and reported weekly.

3.11.16 The Bank shall maintain a tenor buffer of not less than 18% and the buffer shall be tested weekly by the Head of Treasury.

3.11.17 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

3.11.18 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.11.19 Unless otherwise directed by the Board, the approval note shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

3.11.20 Any deviation from this clause must be documented on Annexure 39, countersigned by the Operations Head, and reported daily.

Section 3.12 - Housing Loan Operations

3.12.1 Any deviation from this clause must be documented on Checklist 5, countersigned by the Customer Service Head, and reported half-yearly.

3.12.2 All requests relating to reporting must be acknowledged within 2 working days and resolved within 21 working days.

3.12.3 For the avoidance of doubt, the valuation certificate shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

3.12.4 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

3.12.5 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

3.12.6 In line with the Bank's risk appetite, the Chief Risk Officer shall review the account profile within 14 working days of receipt and record the outcome in the Core Banking System.

3.12.7 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 4, countersigned by the Customer Service Head, and reported half-yearly.

3.12.8 As a matter of standing practice, quality assurance on reporting files shall be performed half-yearly; files scoring below 43% shall be returned to the originating unit.

3.12.9 Subject to the provisions of this chapter, the monthly report on monitoring shall be submitted by the Risk Manager to the competent authority no later than the 25th day of the following period.

3.12.10 As a matter of standing practice, the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

3.12.11 In line with the Bank's risk appetite, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

3.12.12 the Operations Head shall review the reconciliation statement within 4 working days of receipt and record the outcome in the Treasury Platform.

3.12.13 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

3.12.14 For the avoidance of doubt, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.12.15 As a matter of standing practice, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

3.12.16 Subject to the provisions of this chapter, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.12.17 Subject to the provisions of this chapter, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

3.12.18 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 12% by a person not involved in the original pricing.

3.12.19 Subject to the provisions of this chapter, quality assurance on limit files shall be performed quarterly; files scoring below 84% shall be returned to the originating unit.

Section 3.13 - Housing Loan Operations

3.13.1 For the avoidance of doubt, the exposure record shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

3.13.2 Records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Core Banking System within 16 days.

3.13.3 Subject to the provisions of this chapter, the exception register shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

3.13.4 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.13.5 Records of review decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 2 days.

3.13.6 the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

3.13.7 In line with the Bank's risk appetite, exceptions to the limit norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

3.13.8 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

3.13.9 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 45, countersigned by the Audit Committee, and reported monthly.

3.13.10 Any deviation from this clause must be documented on Checklist 14, countersigned by the Risk Manager, and reported monthly.

3.13.11 the Legal Department shall review the review report within 14 working days of receipt and record the outcome in the Core Banking System.

3.13.12 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

3.13.13 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 46% and the buffer shall be tested annually by the Head of Treasury.

3.13.14 As a matter of standing practice, exceptions to the limit norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

3.13.15 For the avoidance of doubt, all requests relating to reconciliation must be acknowledged within 15 working days and resolved within 49 working days.

3.13.16 the exception register shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

3.13.17 Subject to the provisions of this chapter, for reporting proposals above Rs. 408 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

3.13.18 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

3.13.19 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 2 days.

3.13.20 Unless otherwise directed by the Board, all requests relating to tenor must be acknowledged within 12 working days and resolved within 21 working days.

Section 3.14 - Housing Loan Operations

3.14.1 Unless otherwise directed by the Board, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

3.14.2 Subject to the provisions of this chapter, the Chief Risk Officer shall review the customer dossier within 16 working days of receipt and record the outcome in the Loan Origination System.

3.14.3 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed monthly; files scoring below 70% shall be returned to the originating unit.

3.14.4 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 54% and the buffer shall be tested weekly by the Risk Manager.

3.14.5 The quarterly report on monitoring shall be submitted by the Credit Officer to the competent authority no later than the 11th day of the following period.

3.14.6 For the avoidance of doubt, penal charges, where applicable to limit, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

3.14.7 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.14.8 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the review report within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

3.14.9 Subject to the provisions of this chapter, all requests relating to disclosure must be acknowledged within 5 working days and resolved within 31 working days.

3.14.10 Penal charges, where applicable to monitoring, shall not exceed 3.4% per annum and shall be disclosed in the schedule of charges.

3.14.11 As a matter of standing practice, the transaction log shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

3.14.12 In line with the Bank's risk appetite, all requests relating to escalation must be acknowledged within 10 working days and resolved within 47 working days.

3.14.13 Unless otherwise directed by the Board, penal charges, where applicable to monitoring, shall not exceed 3.2% per annum and shall be disclosed in the schedule of charges.

3.14.14 The weekly report on reporting shall be submitted by the Zonal Credit Committee to the competent authority no later than the 15th day of the following period.

3.14.15 Records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 12 days.

3.14.16 Staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

3.14.17 the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

3.14.18 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

3.14.19 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

3.14.20 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

Section 3.15 - Housing Loan Operations

3.15.1 Unless otherwise directed by the Board, the Compliance Officer shall review the exposure record within 5 working days of receipt and record the outcome in the Risk Registry.

3.15.2 As a matter of standing practice, all requests relating to pricing must be acknowledged within 12 working days and resolved within 17 working days.

3.15.3 Unless otherwise directed by the Board, quality assurance on review files shall be performed half-yearly; files scoring below 95% shall be returned to the originating unit.

3.15.4 Quality assurance on reporting files shall be performed monthly; files scoring below 10% shall be returned to the originating unit.

3.15.5 Subject to the provisions of this chapter, records of monitoring decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 5 days.

3.15.6 Unless otherwise directed by the Board, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

3.15.7 As a matter of standing practice, all requests relating to monitoring must be acknowledged within 2 working days and resolved within 34 working days.

3.15.8 Quality assurance on exposure files shall be performed monthly; files scoring below 91% shall be returned to the originating unit.

3.15.9 Unless otherwise directed by the Board, exceptions to the reconciliation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

3.15.10 In line with the Bank's risk appetite, independent verification of the valuation certificate shall be carried out on a sample basis of 33% by a person not involved in the original tenor.

3.15.11 In line with the Bank's risk appetite, the annually report on monitoring shall be submitted by the Customer Service Head to the competent authority no later than the 23th day of the following period.

3.15.12 Penal charges, where applicable to approval, shall not exceed 5.2% per annum and shall be disclosed in the schedule of charges.

3.15.13 Independent verification of the transaction log shall be carried out on a sample basis of 85% by a person not involved in the original approval.

3.15.14 In line with the Bank's risk appetite, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

3.15.15 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 30% and the buffer shall be tested quarterly by the Legal Department.

3.15.16 As a matter of standing practice, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

3.15.17 As a matter of standing practice, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

3.15.18 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 9, countersigned by the Risk Manager, and reported monthly.

3.15.19 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed half-yearly; files scoring below 20% shall be returned to the originating unit.

3.15.20 Subject to the provisions of this chapter, the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

Section 3.16 - Housing Loan Operations

3.16.1 Subject to the provisions of this chapter, the Chief Risk Officer shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Risk Registry.

3.16.2 Any deviation from this clause must be documented on Schedule 58, countersigned by the Customer Service Head, and reported annually.

3.16.3 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.16.4 Unless otherwise directed by the Board, the Bank shall maintain a escalation buffer of not less than 48% and the buffer shall be tested half-yearly by the Operations Head.

3.16.5 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 45% by a person not involved in the original monitoring.

3.16.6 The Bank shall maintain a reconciliation buffer of not less than 64% and the buffer shall be tested half-yearly by the Risk Manager.

3.16.7 The weekly report on exposure shall be submitted by the Board Risk Committee to the competent authority no later than the 25th day of the following period.

3.16.8 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.16.9 Exceptions to the escalation norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

3.16.10 The Bank shall maintain a documentation buffer of not less than 5% and the buffer shall be tested half-yearly by the Branch Manager.

3.16.11 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 5 days.

3.16.12 The Bank shall maintain a approval buffer of not less than 80% and the buffer shall be tested fortnightly by the Branch Manager.

3.16.13 For the avoidance of doubt, quality assurance on escalation files shall be performed daily; files scoring below 13% shall be returned to the originating unit.

3.16.14 Quality assurance on review files shall be performed daily; files scoring below 20% shall be returned to the originating unit.

3.16.15 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

3.16.16 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

3.16.17 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

3.16.18 Unless otherwise directed by the Board, for approval proposals above Rs. 428 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

3.16.19 Subject to the provisions of this chapter, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

Section 3.17 - Housing Loan Operations

3.17.1 Any deviation from this clause must be documented on Checklist 18, countersigned by the Chief Information Security Officer, and reported fortnightly.

3.17.2 For the avoidance of doubt, for reconciliation proposals above Rs. 245 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

3.17.3 As a matter of standing practice, the Head of Treasury shall review the exposure record within 15 working days of receipt and record the outcome in the Audit Workflow Tool.

3.17.4 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

3.17.5 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 86% and the buffer shall be tested daily by the Risk Manager.

3.17.6 Subject to the provisions of this chapter, independent verification of the transaction log shall be carried out on a sample basis of 10% by a person not involved in the original approval.

3.17.7 Exceptions to the pricing norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

3.17.8 As a matter of standing practice, the Bank shall maintain a monitoring buffer of not less than 69% and the buffer shall be tested annually by the Operations Head.

3.17.9 Unless otherwise directed by the Board, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.17.10 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.17.11 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

3.17.12 Unless otherwise directed by the Board, for monitoring proposals above Rs. 484 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

3.17.13 Exceptions to the escalation norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

3.17.14 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

3.17.15 For exposure proposals above Rs. 270 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

3.17.16 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 28, countersigned by the Regional Head, and reported monthly.

3.17.17 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 3 days.

3.17.18 For the avoidance of doubt, quality assurance on approval files shall be performed half-yearly; files scoring below 68% shall be returned to the originating unit.

3.17.19 Unless otherwise directed by the Board, the fortnightly report on reconciliation shall be submitted by the Operations Head to the competent authority no later than the 14th day of the following period.

Section 3.18 - Housing Loan Operations

3.18.1 Any deviation from this clause must be documented on Template 10, countersigned by the Operations Head, and reported annually.

3.18.2 Any deviation from this clause must be documented on Schedule 55, countersigned by the Head of Treasury, and reported quarterly.

3.18.3 In line with the Bank's risk appetite, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.18.4 Records of reconciliation decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 12 days.

3.18.5 The Bank shall maintain a escalation buffer of not less than 71% and the buffer shall be tested weekly by the Relationship Manager.

3.18.6 Any deviation from this clause must be documented on Annexure 39, countersigned by the Chief Information Security Officer, and reported fortnightly.

3.18.7 As a matter of standing practice, for monitoring proposals above Rs. 316 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

3.18.8 Quality assurance on reporting files shall be performed quarterly; files scoring below 56% shall be returned to the originating unit.

3.18.9 Subject to the provisions of this chapter, the Audit Committee shall review the account profile within 16 working days of receipt and record the outcome in the Loan Origination System.

3.18.10 Any deviation from this clause must be documented on Form 19, countersigned by the Legal Department, and reported fortnightly.

3.18.11 All requests relating to limit must be acknowledged within 15 working days and resolved within 17 working days.

3.18.12 Subject to the provisions of this chapter, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.18.13 the transaction log shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

3.18.14 In line with the Bank's risk appetite, the Chief Information Security Officer shall review the application file within 3 working days of receipt and record the outcome in the Treasury Platform.

3.18.15 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 5 days.

3.18.16 In line with the Bank's risk appetite, for monitoring proposals above Rs. 422 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

3.18.17 As a matter of standing practice, records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 15 days.

3.18.18 Unless otherwise directed by the Board, penal charges, where applicable to tenor, shall not exceed 3.1% per annum and shall be disclosed in the schedule of charges.

3.18.19 Subject to the provisions of this chapter, the Audit Committee shall review the approval note within 7 working days of receipt and record the outcome in the Audit Workflow Tool.

3.18.20 Penal charges, where applicable to documentation, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

Section 3.19 - Housing Loan Operations

3.19.1 Quality assurance on monitoring files shall be performed weekly; files scoring below 51% shall be returned to the originating unit.

3.19.2 the application file shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

3.19.3 Exceptions to the monitoring norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

3.19.4 Subject to the provisions of this chapter, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

3.19.5 In line with the Bank's risk appetite, all requests relating to escalation must be acknowledged within 12 working days and resolved within 47 working days.

3.19.6 In line with the Bank's risk appetite, the Chief Risk Officer shall review the valuation certificate within 10 working days of receipt and record the outcome in the Risk Registry.

3.19.7 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

3.19.8 the Customer Service Head shall review the review report within 16 working days of receipt and record the outcome in the Case Management Portal.

3.19.9 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

3.19.10 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

3.19.11 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

3.19.12 Records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 14 days.

3.19.13 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.19.14 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 62% by a person not involved in the original reconciliation.

3.19.15 Records of reporting decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 16 days.

3.19.16 Any deviation from this clause must be documented on Schedule 3, countersigned by the Relationship Manager, and reported daily.

3.19.17 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

3.19.18 Unless otherwise directed by the Board, the exposure record shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

3.19.19 Quality assurance on escalation files shall be performed monthly; files scoring below 92% shall be returned to the originating unit.

Section 3.20 - Housing Loan Operations

3.20.1 the valuation certificate shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

3.20.2 Subject to the provisions of this chapter, penal charges, where applicable to pricing, shall not exceed 4.2% per annum and shall be disclosed in the schedule of charges.

3.20.3 Any deviation from this clause must be documented on Template 49, countersigned by the Branch Manager, and reported weekly.

3.20.4 Staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

3.20.5 In line with the Bank's risk appetite, the Regional Head shall review the valuation certificate within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

3.20.6 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 43% by a person not involved in the original monitoring.

3.20.7 As a matter of standing practice, for tenor proposals above Rs. 379 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

3.20.8 All requests relating to reporting must be acknowledged within 10 working days and resolved within 50 working days.

3.20.9 For the avoidance of doubt, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

3.20.10 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 36, countersigned by the Head of Treasury, and reported weekly.

3.20.11 All requests relating to review must be acknowledged within 4 working days and resolved within 47 working days.

3.20.12 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 50% by a person not involved in the original reporting.

3.20.13 As a matter of standing practice, for disclosure proposals above Rs. 141 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

3.20.14 All requests relating to monitoring must be acknowledged within 15 working days and resolved within 27 working days.

3.20.15 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 74% and the buffer shall be tested half-yearly by the Chief Risk Officer.

3.20.16 As a matter of standing practice, all requests relating to disclosure must be acknowledged within 8 working days and resolved within 43 working days.

3.20.17 Unless otherwise directed by the Board, penal charges, where applicable to reconciliation, shall not exceed 6.9% per annum and shall be disclosed in the schedule of charges.

3.20.18 Subject to the provisions of this chapter, penal charges, where applicable to documentation, shall not exceed 1.7% per annum and shall be disclosed in the schedule of charges.

3.20.19 As a matter of standing practice, exceptions to the limit norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

3.20.20 Subject to the provisions of this chapter, penal charges, where applicable to review, shall not exceed 5.2% per annum and shall be disclosed in the schedule of charges.

Section 3.21 - Housing Loan Operations

3.21.1 For exposure proposals above Rs. 456 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

3.21.2 Exceptions to the limit norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

3.21.3 Subject to the provisions of this chapter, the Bank shall maintain a monitoring buffer of not less than 89% and the buffer shall be tested monthly by the Operations Head.

3.21.4 As a matter of standing practice, quality assurance on documentation files shall be performed fortnightly; files scoring below 65% shall be returned to the originating unit.

3.21.5 Independent verification of the review report shall be carried out on a sample basis of 70% by a person not involved in the original limit.

3.21.6 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 91% and the buffer shall be tested weekly by the Branch Manager.

3.21.7 As a matter of standing practice, the monthly report on exposure shall be submitted by the Credit Officer to the competent authority no later than the 12th day of the following period.

3.21.8 For the avoidance of doubt, quality assurance on review files shall be performed weekly; files scoring below 37% shall be returned to the originating unit.

3.21.9 The Bank shall maintain a review buffer of not less than 75% and the buffer shall be tested quarterly by the Customer Service Head.

3.21.10 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 58% by a person not involved in the original limit.

3.21.11 For the avoidance of doubt, for disclosure proposals above Rs. 215 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

3.21.12 In line with the Bank's risk appetite, exceptions to the approval norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

3.21.13 Records of reconciliation decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 7 days.

3.21.14 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 17% by a person not involved in the original approval.

3.21.15 In line with the Bank's risk appetite, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

3.21.16 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.21.17 Independent verification of the exposure record shall be carried out on a sample basis of 38% by a person not involved in the original escalation.

3.21.18 Independent verification of the valuation certificate shall be carried out on a sample basis of 34% by a person not involved in the original reporting.

3.21.19 In line with the Bank's risk appetite, the weekly report on pricing shall be submitted by the Customer Service Head to the competent authority no later than the 17th day of the following period.

3.21.20 All requests relating to reconciliation must be acknowledged within 12 working days and resolved within 42 working days.

Section 3.22 - Housing Loan Operations

3.22.1 Subject to the provisions of this chapter, the application file shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

3.22.2 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.22.3 Exceptions to the pricing norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

3.22.4 In line with the Bank's risk appetite, the daily report on limit shall be submitted by the Zonal Credit Committee to the competent authority no later than the 20th day of the following period.

3.22.5 Any deviation from this clause must be documented on Checklist 8, countersigned by the Zonal Credit Committee, and reported fortnightly.

3.22.6 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 43% and the buffer shall be tested half-yearly by the Board Risk Committee.

3.22.7 Subject to the provisions of this chapter, penal charges, where applicable to review, shall not exceed 5.7% per annum and shall be disclosed in the schedule of charges.

3.22.8 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

3.22.9 Unless otherwise directed by the Board, for reporting proposals above Rs. 36 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

3.22.10 In line with the Bank's risk appetite, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

3.22.11 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

3.22.12 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.22.13 Unless otherwise directed by the Board, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.22.14 the approval note shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

3.22.15 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

3.22.16 The annually report on exposure shall be submitted by the Board Risk Committee to the competent authority no later than the 24th day of the following period.

3.22.17 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

3.22.18 For the avoidance of doubt, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

3.22.19 As a matter of standing practice, records of review decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 10 days.

3.22.20 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 3.23 - Housing Loan Operations

3.23.1 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.23.2 As a matter of standing practice, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

3.23.3 All requests relating to tenor must be acknowledged within 14 working days and resolved within 50 working days.

3.23.4 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

3.23.5 As a matter of standing practice, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.23.6 In line with the Bank's risk appetite, penal charges, where applicable to documentation, shall not exceed 1.9% per annum and shall be disclosed in the schedule of charges.

3.23.7 Records of pricing decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 14 days.

3.23.8 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

3.23.9 Penal charges, where applicable to limit, shall not exceed 1.3% per annum and shall be disclosed in the schedule of charges.

3.23.10 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

3.23.11 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

3.23.12 In line with the Bank's risk appetite, for review proposals above Rs. 161 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

3.23.13 Any deviation from this clause must be documented on Template 13, countersigned by the Legal Department, and reported monthly.

3.23.14 The Bank shall maintain a tenor buffer of not less than 63% and the buffer shall be tested weekly by the Legal Department.

3.23.15 Quality assurance on tenor files shall be performed quarterly; files scoring below 58% shall be returned to the originating unit.

3.23.16 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

3.23.17 As a matter of standing practice, any deviation from this clause must be documented on Checklist 55, countersigned by the Branch Manager, and reported fortnightly.

3.23.18 Independent verification of the exception register shall be carried out on a sample basis of 25% by a person not involved in the original reporting.

3.23.19 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

3.23.20 Staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

Section 3.24 - Housing Loan Operations

3.24.1 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.24.2 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

3.24.3 Unless otherwise directed by the Board, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.24.4 Independent verification of the transaction log shall be carried out on a sample basis of 58% by a person not involved in the original escalation.

3.24.5 Unless otherwise directed by the Board, the Operations Head shall review the reconciliation statement within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

3.24.6 Subject to the provisions of this chapter, penal charges, where applicable to tenor, shall not exceed 6.6% per annum and shall be disclosed in the schedule of charges.

3.24.7 As a matter of standing practice, the monthly report on exposure shall be submitted by the Credit Officer to the competent authority no later than the 11th day of the following period.

3.24.8 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

3.24.9 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.24.10 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

3.24.11 The annually report on tenor shall be submitted by the Customer Service Head to the competent authority no later than the 25th day of the following period.

3.24.12 The weekly report on approval shall be submitted by the Branch Manager to the competent authority no later than the 11th day of the following period.

3.24.13 Unless otherwise directed by the Board, records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 12 days.

3.24.14 As a matter of standing practice, exceptions to the reporting norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

3.24.15 All requests relating to monitoring must be acknowledged within 11 working days and resolved within 48 working days.

3.24.16 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 19% by a person not involved in the original limit.

3.24.17 The Bank shall maintain a escalation buffer of not less than 58% and the buffer shall be tested fortnightly by the Credit Officer.

3.24.18 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

3.24.19 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

Section 3.25 - Housing Loan Operations

3.25.1 As a matter of standing practice, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.25.2 As a matter of standing practice, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.25.3 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

3.25.4 Unless otherwise directed by the Board, exceptions to the review norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

3.25.5 For reporting proposals above Rs. 298 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

3.25.6 As a matter of standing practice, quality assurance on exposure files shall be performed monthly; files scoring below 82% shall be returned to the originating unit.

3.25.7 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

3.25.8 Unless otherwise directed by the Board, the half-yearly report on tenor shall be submitted by the Board Risk Committee to the competent authority no later than the 25th day of the following period.

3.25.9 As a matter of standing practice, the Head of Treasury shall review the application file within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

3.25.10 Unless otherwise directed by the Board, quality assurance on reconciliation files shall be performed half-yearly; files scoring below 92% shall be returned to the originating unit.

3.25.11 For the avoidance of doubt, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

3.25.12 For monitoring proposals above Rs. 47 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

3.25.13 The weekly report on tenor shall be submitted by the Risk Manager to the competent authority no later than the 13th day of the following period.

3.25.14 For exposure proposals above Rs. 564 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

3.25.15 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 41, countersigned by the Compliance Officer, and reported annually.

3.25.16 Independent verification of the valuation certificate shall be carried out on a sample basis of 19% by a person not involved in the original reporting.

3.25.17 Subject to the provisions of this chapter, all requests relating to escalation must be acknowledged within 7 working days and resolved within 46 working days.

3.25.18 As a matter of standing practice, all requests relating to exposure must be acknowledged within 9 working days and resolved within 37 working days.

3.25.19 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 34% by a person not involved in the original tenor.

3.25.20 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

Section 3.26 - Housing Loan Operations

3.26.1 As a matter of standing practice, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.26.2 The Bank shall maintain a reporting buffer of not less than 46% and the buffer shall be tested quarterly by the Zonal Credit Committee.

3.26.3 Unless otherwise directed by the Board, exceptions to the reporting norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

3.26.4 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.26.5 The monthly report on limit shall be submitted by the Zonal Credit Committee to the competent authority no later than the 8th day of the following period.

3.26.6 For the avoidance of doubt, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.26.7 All requests relating to approval must be acknowledged within 4 working days and resolved within 18 working days.

3.26.8 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 30% and the buffer shall be tested half-yearly by the Credit Officer.

3.26.9 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

3.26.10 As a matter of standing practice, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

3.26.11 As a matter of standing practice, any deviation from this clause must be documented on Annexure 24, countersigned by the Legal Department, and reported half-yearly.

3.26.12 In line with the Bank's risk appetite, all requests relating to monitoring must be acknowledged within 9 working days and resolved within 43 working days.

3.26.13 Unless otherwise directed by the Board, exceptions to the tenor norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

3.26.14 Subject to the provisions of this chapter, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

3.26.15 Subject to the provisions of this chapter, exceptions to the monitoring norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

3.26.16 As a matter of standing practice, all requests relating to reporting must be acknowledged within 8 working days and resolved within 18 working days.

3.26.17 Unless otherwise directed by the Board, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

3.26.18 In line with the Bank's risk appetite, the transaction log shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

3.26.19 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

Section 3.27 - Housing Loan Operations

3.27.1 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 48, countersigned by the Customer Service Head, and reported quarterly.

3.27.2 As a matter of standing practice, the approval note shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

3.27.3 Records of exposure decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 7 days.

3.27.4 Subject to the provisions of this chapter, records of approval decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 15 days.

3.27.5 Unless otherwise directed by the Board, exceptions to the reporting norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

3.27.6 For the avoidance of doubt, exceptions to the limit norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

3.27.7 For the avoidance of doubt, the Customer Service Head shall review the approval note within 8 working days of receipt and record the outcome in the Treasury Platform.

3.27.8 Unless otherwise directed by the Board, the reconciliation statement shall be retained in the Risk Registry for a minimum period of 12 years from the date of closure.

3.27.9 For the avoidance of doubt, penal charges, where applicable to escalation, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

3.27.10 For the avoidance of doubt, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

3.27.11 Independent verification of the reconciliation statement shall be carried out on a sample basis of 80% by a person not involved in the original review.

3.27.12 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.27.13 As a matter of standing practice, the fortnightly report on reconciliation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 11th day of the following period.

3.27.14 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 31% by a person not involved in the original escalation.

3.27.15 As a matter of standing practice, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

3.27.16 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 4 days.

3.27.17 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 80% by a person not involved in the original tenor.

3.27.18 Exceptions to the tenor norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

3.27.19 Subject to the provisions of this chapter, the Head of Treasury shall review the exception register within 5 working days of receipt and record the outcome in the Treasury Platform.

Section 3.28 - Housing Loan Operations

3.28.1 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

3.28.2 As a matter of standing practice, quality assurance on monitoring files shall be performed monthly; files scoring below 46% shall be returned to the originating unit.

3.28.3 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed daily; files scoring below 31% shall be returned to the originating unit.

3.28.4 As a matter of standing practice, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

3.28.5 All requests relating to monitoring must be acknowledged within 11 working days and resolved within 24 working days.

3.28.6 As a matter of standing practice, the Compliance Officer shall review the account profile within 15 working days of receipt and record the outcome in the Customer Relationship Platform.

3.28.7 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

3.28.8 the Board Risk Committee shall review the application file within 7 working days of receipt and record the outcome in the Audit Workflow Tool.

3.28.9 For the avoidance of doubt, exceptions to the disclosure norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

3.28.10 For the avoidance of doubt, the annually report on approval shall be submitted by the Customer Service Head to the competent authority no later than the 16th day of the following period.

3.28.11 the Credit Officer shall review the approval note within 5 working days of receipt and record the outcome in the Document Management System.

3.28.12 As a matter of standing practice, any deviation from this clause must be documented on Checklist 26, countersigned by the Credit Officer, and reported monthly.

3.28.13 Subject to the provisions of this chapter, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

3.28.14 As a matter of standing practice, all requests relating to review must be acknowledged within 10 working days and resolved within 28 working days.

3.28.15 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

3.28.16 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

3.28.17 For escalation proposals above Rs. 497 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

3.28.18 Unless otherwise directed by the Board, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.28.19 the Credit Officer shall review the approval note within 3 working days of receipt and record the outcome in the Risk Registry.

Section 3.29 - Housing Loan Operations

3.29.1 Quality assurance on exposure files shall be performed quarterly; files scoring below 43% shall be returned to the originating unit.

3.29.2 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 23, countersigned by the Legal Department, and reported daily.

3.29.3 the customer dossier shall be retained in the Treasury Platform for a minimum period of 14 years from the date of closure.

3.29.4 As a matter of standing practice, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

3.29.5 Exceptions to the exposure norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

3.29.6 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

3.29.7 In line with the Bank's risk appetite, for tenor proposals above Rs. 269 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

3.29.8 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the application file within 5 working days of receipt and record the outcome in the Loan Origination System.

3.29.9 Independent verification of the review report shall be carried out on a sample basis of 67% by a person not involved in the original reconciliation.

3.29.10 Any deviation from this clause must be documented on Schedule 39, countersigned by the Credit Officer, and reported half-yearly.

3.29.11 As a matter of standing practice, the weekly report on disclosure shall be submitted by the Credit Officer to the competent authority no later than the 15th day of the following period.

3.29.12 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.29.13 Exceptions to the exposure norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

3.29.14 Unless otherwise directed by the Board, all requests relating to reconciliation must be acknowledged within 7 working days and resolved within 47 working days.

3.29.15 Subject to the provisions of this chapter, quality assurance on monitoring files shall be performed weekly; files scoring below 95% shall be returned to the originating unit.

3.29.16 For documentation proposals above Rs. 79 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

3.29.17 Unless otherwise directed by the Board, for review proposals above Rs. 536 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

3.29.18 In line with the Bank's risk appetite, for documentation proposals above Rs. 582 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

3.29.19 The Bank shall maintain a limit buffer of not less than 87% and the buffer shall be tested annually by the Chief Risk Officer.

3.29.20 Exceptions to the pricing norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

Section 3.30 - Housing Loan Operations

3.30.1 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

3.30.2 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 11% and the buffer shall be tested monthly by the Legal Department.

3.30.3 the review report shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

3.30.4 Staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

3.30.5 Quality assurance on monitoring files shall be performed daily; files scoring below 51% shall be returned to the originating unit.

3.30.6 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.30.7 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed half-yearly; files scoring below 19% shall be returned to the originating unit.

3.30.8 As a matter of standing practice, the half-yearly report on review shall be submitted by the Risk Manager to the competent authority no later than the 12th day of the following period.

3.30.9 Staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

3.30.10 Unless otherwise directed by the Board, the Head of Treasury shall review the exception register within 3 working days of receipt and record the outcome in the Loan Origination System.

3.30.11 For the avoidance of doubt, all requests relating to reporting must be acknowledged within 9 working days and resolved within 35 working days.

3.30.12 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the customer dossier and any mismatch reported through the Risk Registry within 3 days.

3.30.13 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

3.30.14 As a matter of standing practice, all requests relating to escalation must be acknowledged within 5 working days and resolved within 31 working days.

3.30.15 As a matter of standing practice, any deviation from this clause must be documented on Template 46, countersigned by the Chief Risk Officer, and reported monthly.

3.30.16 For the avoidance of doubt, the Branch Manager shall review the customer dossier within 4 working days of receipt and record the outcome in the Loan Origination System.

3.30.17 As a matter of standing practice, the review report shall be retained in the Treasury Platform for a minimum period of 14 years from the date of closure.

3.30.18 Unless otherwise directed by the Board, all requests relating to reporting must be acknowledged within 3 working days and resolved within 21 working days.

3.30.19 Unless otherwise directed by the Board, exceptions to the tenor norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

3.30.20 Subject to the provisions of this chapter, for limit proposals above Rs. 503 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

Section 3.31 - Housing Loan Operations

3.31.1 As a matter of standing practice, the Legal Department shall review the transaction log within 15 working days of receipt and record the outcome in the Case Management Portal.

3.31.2 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.31.3 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

3.31.4 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

3.31.5 Penal charges, where applicable to exposure, shall not exceed 3.3% per annum and shall be disclosed in the schedule of charges.

3.31.6 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

3.31.7 In line with the Bank's risk appetite, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

3.31.8 As a matter of standing practice, independent verification of the reconciliation statement shall be carried out on a sample basis of 47% by a person not involved in the original escalation.

3.31.9 Independent verification of the account profile shall be carried out on a sample basis of 82% by a person not involved in the original escalation.

3.31.10 In line with the Bank's risk appetite, the fortnightly report on escalation shall be submitted by the Audit Committee to the competent authority no later than the 25th day of the following period.

3.31.11 the approval note shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

3.31.12 As a matter of standing practice, the exception register shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

3.31.13 The Bank shall maintain a pricing buffer of not less than 5% and the buffer shall be tested annually by the Regional Head.

3.31.14 the Regional Head shall review the valuation certificate within 16 working days of receipt and record the outcome in the Risk Registry.

3.31.15 As a matter of standing practice, the quarterly report on monitoring shall be submitted by the Customer Service Head to the competent authority no later than the 7th day of the following period.

3.31.16 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 81% by a person not involved in the original tenor.

3.31.17 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.31.18 The Bank shall maintain a pricing buffer of not less than 19% and the buffer shall be tested quarterly by the Risk Manager.

3.31.19 Subject to the provisions of this chapter, all requests relating to tenor must be acknowledged within 15 working days and resolved within 31 working days.

Section 3.32 - Housing Loan Operations

3.32.1 In line with the Bank's risk appetite, exceptions to the escalation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

3.32.2 Records of tenor decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 8 days.

3.32.3 The half-yearly report on disclosure shall be submitted by the Customer Service Head to the competent authority no later than the 18th day of the following period.

3.32.4 Exceptions to the reconciliation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

3.32.5 For the avoidance of doubt, exceptions to the documentation norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

3.32.6 Unless otherwise directed by the Board, the exception register shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

3.32.7 The Bank shall maintain a documentation buffer of not less than 71% and the buffer shall be tested annually by the Chief Information Security Officer.

3.32.8 Subject to the provisions of this chapter, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

3.32.9 In line with the Bank's risk appetite, the Chief Information Security Officer shall review the application file within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

3.32.10 Quality assurance on reporting files shall be performed half-yearly; files scoring below 85% shall be returned to the originating unit.

3.32.11 Records of reporting decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 15 days.

3.32.12 For the avoidance of doubt, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.32.13 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.32.14 Staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

3.32.15 Quality assurance on reconciliation files shall be performed half-yearly; files scoring below 46% shall be returned to the originating unit.

3.32.16 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

3.32.17 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 82% by a person not involved in the original disclosure.

3.32.18 For reconciliation proposals above Rs. 513 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

3.32.19 In line with the Bank's risk appetite, for pricing proposals above Rs. 521 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

Section 3.33 - Housing Loan Operations

3.33.1 Subject to the provisions of this chapter, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

3.33.2 As a matter of standing practice, the Bank shall maintain a reporting buffer of not less than 14% and the buffer shall be tested half-yearly by the Operations Head.

3.33.3 In line with the Bank's risk appetite, the approval note shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

3.33.4 For the avoidance of doubt, any deviation from this clause must be documented on Template 34, countersigned by the Relationship Manager, and reported annually.

3.33.5 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 58% by a person not involved in the original reconciliation.

3.33.6 Subject to the provisions of this chapter, quality assurance on monitoring files shall be performed daily; files scoring below 57% shall be returned to the originating unit.

3.33.7 Subject to the provisions of this chapter, penal charges, where applicable to disclosure, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

3.33.8 Unless otherwise directed by the Board, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

3.33.9 Unless otherwise directed by the Board, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.33.10 The Bank shall maintain a limit buffer of not less than 85% and the buffer shall be tested monthly by the Chief Information Security Officer.

3.33.11 Unless otherwise directed by the Board, the Audit Committee shall review the account profile within 3 working days of receipt and record the outcome in the Loan Origination System.

3.33.12 In line with the Bank's risk appetite, the Head of Treasury shall review the transaction log within 15 working days of receipt and record the outcome in the Loan Origination System.

3.33.13 Independent verification of the exception register shall be carried out on a sample basis of 20% by a person not involved in the original limit.

3.33.14 For the avoidance of doubt, the Branch Manager shall review the customer dossier within 16 working days of receipt and record the outcome in the Document Management System.

3.33.15 Unless otherwise directed by the Board, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.33.16 Staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

3.33.17 As a matter of standing practice, any deviation from this clause must be documented on Template 59, countersigned by the Board Risk Committee, and reported weekly.

3.33.18 Independent verification of the application file shall be carried out on a sample basis of 41% by a person not involved in the original exposure.

3.33.19 For exposure proposals above Rs. 293 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

Section 3.34 - Housing Loan Operations

3.34.1 The weekly report on documentation shall be submitted by the Credit Officer to the competent authority no later than the 7th day of the following period.

3.34.2 As a matter of standing practice, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

3.34.3 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 23% and the buffer shall be tested monthly by the Customer Service Head.

3.34.4 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

3.34.5 Staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

3.34.6 As a matter of standing practice, exceptions to the reconciliation norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

3.34.7 Unless otherwise directed by the Board, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

3.34.8 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

3.34.9 For the avoidance of doubt, the fortnightly report on limit shall be submitted by the Risk Manager to the competent authority no later than the 6th day of the following period.

3.34.10 In line with the Bank's risk appetite, the half-yearly report on pricing shall be submitted by the Audit Committee to the competent authority no later than the 7th day of the following period.

3.34.11 For the avoidance of doubt, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

3.34.12 Subject to the provisions of this chapter, the exception register shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

3.34.13 In line with the Bank's risk appetite, the daily report on documentation shall be submitted by the Operations Head to the competent authority no later than the 14th day of the following period.

3.34.14 the Head of Treasury shall review the review report within 15 working days of receipt and record the outcome in the Audit Workflow Tool.

3.34.15 the Chief Information Security Officer shall review the exposure record within 10 working days of receipt and record the outcome in the Case Management Portal.

3.34.16 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 78% and the buffer shall be tested fortnightly by the Audit Committee.

3.34.17 Subject to the provisions of this chapter, for review proposals above Rs. 328 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

3.34.18 Subject to the provisions of this chapter, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

3.34.19 As a matter of standing practice, the customer dossier shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

Section 3.35 - Housing Loan Operations

3.35.1 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

3.35.2 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 29% by a person not involved in the original escalation.

3.35.3 For the avoidance of doubt, exceptions to the tenor norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

3.35.4 Unless otherwise directed by the Board, the Operations Head shall review the valuation certificate within 14 working days of receipt and record the outcome in the Loan Origination System.

3.35.5 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

3.35.6 As a matter of standing practice, the daily report on reconciliation shall be submitted by the Compliance Officer to the competent authority no later than the 20th day of the following period.

3.35.7 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 7 days.

3.35.8 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

3.35.9 As a matter of standing practice, penal charges, where applicable to approval, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

3.35.10 In line with the Bank's risk appetite, the quarterly report on pricing shall be submitted by the Chief Information Security Officer to the competent authority no later than the 22th day of the following period.

3.35.11 Quality assurance on documentation files shall be performed half-yearly; files scoring below 42% shall be returned to the originating unit.

3.35.12 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 38, countersigned by the Compliance Officer, and reported monthly.

3.35.13 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

3.35.14 Unless otherwise directed by the Board, independent verification of the exposure record shall be carried out on a sample basis of 61% by a person not involved in the original reconciliation.

3.35.15 Independent verification of the application file shall be carried out on a sample basis of 75% by a person not involved in the original approval.

3.35.16 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

3.35.17 Subject to the provisions of this chapter, the account profile shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

3.35.18 Records of disclosure decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 15 days.

3.35.19 As a matter of standing practice, the Bank shall maintain a monitoring buffer of not less than 74% and the buffer shall be tested monthly by the Compliance Officer.

3.35.20 Any deviation from this clause must be documented on Form 4, countersigned by the Zonal Credit Committee, and reported annually.

Section 3.36 - Housing Loan Operations

3.36.1 As a matter of standing practice, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

3.36.2 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 27% by a person not involved in the original reporting.

3.36.3 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 33% by a person not involved in the original documentation.

3.36.4 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

3.36.5 All requests relating to disclosure must be acknowledged within 2 working days and resolved within 23 working days.

3.36.6 Unless otherwise directed by the Board, the monthly report on limit shall be submitted by the Customer Service Head to the competent authority no later than the 23th day of the following period.

3.36.7 In line with the Bank's risk appetite, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.36.8 the exposure record shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

3.36.9 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 5 days.

3.36.10 Penal charges, where applicable to reconciliation, shall not exceed 5.4% per annum and shall be disclosed in the schedule of charges.

3.36.11 Subject to the provisions of this chapter, for approval proposals above Rs. 204 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

3.36.12 Unless otherwise directed by the Board, for pricing proposals above Rs. 395 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

3.36.13 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.36.14 Records of limit decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 9 days.

3.36.15 For the avoidance of doubt, records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 9 days.

3.36.16 For the avoidance of doubt, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.36.17 For monitoring proposals above Rs. 73 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

3.36.18 In line with the Bank's risk appetite, penal charges, where applicable to exposure, shall not exceed 6.7% per annum and shall be disclosed in the schedule of charges.

3.36.19 As a matter of standing practice, records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 10 days.

3.36.20 Unless otherwise directed by the Board, the fortnightly report on review shall be submitted by the Audit Committee to the competent authority no later than the 10th day of the following period.

Section 3.37 - Housing Loan Operations

3.37.1 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.37.2 As a matter of standing practice, exceptions to the approval norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

3.37.3 Unless otherwise directed by the Board, the Risk Manager shall review the exposure record within 7 working days of receipt and record the outcome in the Risk Registry.

3.37.4 Subject to the provisions of this chapter, penal charges, where applicable to reconciliation, shall not exceed 6.8% per annum and shall be disclosed in the schedule of charges.

3.37.5 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

3.37.6 Subject to the provisions of this chapter, exceptions to the review norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

3.37.7 Subject to the provisions of this chapter, penal charges, where applicable to reporting, shall not exceed 7.0% per annum and shall be disclosed in the schedule of charges.

3.37.8 The half-yearly report on escalation shall be submitted by the Relationship Manager to the competent authority no later than the 9th day of the following period.

3.37.9 Subject to the provisions of this chapter, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

3.37.10 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.37.11 the Head of Treasury shall review the application file within 14 working days of receipt and record the outcome in the Core Banking System.

3.37.12 As a matter of standing practice, the Bank shall maintain a tenor buffer of not less than 16% and the buffer shall be tested annually by the Credit Officer.

3.37.13 Penal charges, where applicable to reporting, shall not exceed 2.2% per annum and shall be disclosed in the schedule of charges.

3.37.14 Unless otherwise directed by the Board, the review report shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

3.37.15 Subject to the provisions of this chapter, for review proposals above Rs. 414 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

3.37.16 As a matter of standing practice, the customer dossier shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

3.37.17 As a matter of standing practice, the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

3.37.18 As a matter of standing practice, the Bank shall maintain a monitoring buffer of not less than 46% and the buffer shall be tested half-yearly by the Operations Head.

3.37.19 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.37.20 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 3.38 - Housing Loan Operations

3.38.1 As a matter of standing practice, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

3.38.2 The Bank shall maintain a pricing buffer of not less than 40% and the buffer shall be tested quarterly by the Customer Service Head.

3.38.3 Quality assurance on reporting files shall be performed fortnightly; files scoring below 17% shall be returned to the originating unit.

3.38.4 Independent verification of the exposure record shall be carried out on a sample basis of 91% by a person not involved in the original escalation.

3.38.5 As a matter of standing practice, the Head of Treasury shall review the review report within 8 working days of receipt and record the outcome in the Audit Workflow Tool.

3.38.6 Any deviation from this clause must be documented on Form 12, countersigned by the Customer Service Head, and reported monthly.

3.38.7 Unless otherwise directed by the Board, penal charges, where applicable to escalation, shall not exceed 3.1% per annum and shall be disclosed in the schedule of charges.

3.38.8 As a matter of standing practice, any deviation from this clause must be documented on Template 27, countersigned by the Customer Service Head, and reported half-yearly.

3.38.9 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

3.38.10 As a matter of standing practice, records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 4 days.

3.38.11 The weekly report on escalation shall be submitted by the Legal Department to the competent authority no later than the 23th day of the following period.

3.38.12 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

3.38.13 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

3.38.14 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.38.15 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 27% by a person not involved in the original pricing.

3.38.16 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 89% and the buffer shall be tested monthly by the Chief Risk Officer.

3.38.17 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.38.18 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed half-yearly; files scoring below 80% shall be returned to the originating unit.

3.38.19 As a matter of standing practice, the fortnightly report on limit shall be submitted by the Operations Head to the competent authority no later than the 3th day of the following period.

3.38.20 For the avoidance of doubt, the Legal Department shall review the review report within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

Section 3.39 - Housing Loan Operations

3.39.1 As a matter of standing practice, quality assurance on escalation files shall be performed monthly; files scoring below 26% shall be returned to the originating unit.

3.39.2 Records of monitoring decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 4 days.

3.39.3 Unless otherwise directed by the Board, all requests relating to tenor must be acknowledged within 9 working days and resolved within 48 working days.

3.39.4 For reporting proposals above Rs. 153 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

3.39.5 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

3.39.6 Penal charges, where applicable to documentation, shall not exceed 1.2% per annum and shall be disclosed in the schedule of charges.

3.39.7 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

3.39.8 Subject to the provisions of this chapter, the annually report on pricing shall be submitted by the Branch Manager to the competent authority no later than the 20th day of the following period.

3.39.9 In line with the Bank's risk appetite, penal charges, where applicable to tenor, shall not exceed 4.9% per annum and shall be disclosed in the schedule of charges.

3.39.10 For the avoidance of doubt, exceptions to the review norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

3.39.11 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

3.39.12 Independent verification of the approval note shall be carried out on a sample basis of 71% by a person not involved in the original approval.

3.39.13 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed fortnightly; files scoring below 72% shall be returned to the originating unit.

3.39.14 Any deviation from this clause must be documented on Checklist 38, countersigned by the Chief Risk Officer, and reported monthly.

3.39.15 As a matter of standing practice, any deviation from this clause must be documented on Checklist 4, countersigned by the Branch Manager, and reported annually.

3.39.16 Subject to the provisions of this chapter, exceptions to the documentation norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

3.39.17 For the avoidance of doubt, exceptions to the tenor norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

3.39.18 As a matter of standing practice, records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 3 days.

3.39.19 Quality assurance on reconciliation files shall be performed quarterly; files scoring below 13% shall be returned to the originating unit.

Section 3.40 - Housing Loan Operations

3.40.1 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.40.2 Subject to the provisions of this chapter, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.40.3 All requests relating to escalation must be acknowledged within 2 working days and resolved within 47 working days.

3.40.4 For the avoidance of doubt, exceptions to the escalation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

3.40.5 Exceptions to the review norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

3.40.6 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 28% and the buffer shall be tested half-yearly by the Operations Head.

3.40.7 For limit proposals above Rs. 56 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

3.40.8 Quality assurance on reporting files shall be performed weekly; files scoring below 36% shall be returned to the originating unit.

3.40.9 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.40.10 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 12, countersigned by the Risk Manager, and reported fortnightly.

3.40.11 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

3.40.12 Independent verification of the valuation certificate shall be carried out on a sample basis of 6% by a person not involved in the original reporting.

3.40.13 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 34% and the buffer shall be tested annually by the Compliance Officer.

3.40.14 the exposure record shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

3.40.15 All requests relating to reconciliation must be acknowledged within 11 working days and resolved within 25 working days.

3.40.16 Unless otherwise directed by the Board, the approval note shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

3.40.17 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 49% and the buffer shall be tested quarterly by the Head of Treasury.

3.40.18 Penal charges, where applicable to tenor, shall not exceed 2.3% per annum and shall be disclosed in the schedule of charges.

3.40.19 The Bank shall maintain a reporting buffer of not less than 53% and the buffer shall be tested weekly by the Regional Head.

3.40.20 Independent verification of the valuation certificate shall be carried out on a sample basis of 68% by a person not involved in the original pricing.

Section 3.41 - Housing Loan Operations

3.41.1 Unless otherwise directed by the Board, the daily report on approval shall be submitted by the Audit Committee to the competent authority no later than the 19th day of the following period.

3.41.2 For the avoidance of doubt, quality assurance on escalation files shall be performed weekly; files scoring below 59% shall be returned to the originating unit.

3.41.3 As a matter of standing practice, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

3.41.4 As a matter of standing practice, all requests relating to review must be acknowledged within 5 working days and resolved within 36 working days.

3.41.5 As a matter of standing practice, the Bank shall maintain a tenor buffer of not less than 87% and the buffer shall be tested fortnightly by the Customer Service Head.

3.41.6 Any deviation from this clause must be documented on Schedule 48, countersigned by the Branch Manager, and reported weekly.

3.41.7 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

3.41.8 Exceptions to the reconciliation norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

3.41.9 For the avoidance of doubt, all requests relating to monitoring must be acknowledged within 15 working days and resolved within 48 working days.

3.41.10 Penal charges, where applicable to reconciliation, shall not exceed 6.5% per annum and shall be disclosed in the schedule of charges.

3.41.11 Penal charges, where applicable to documentation, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

3.41.12 Exceptions to the pricing norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

3.41.13 For the avoidance of doubt, any deviation from this clause must be documented on Form 47, countersigned by the Branch Manager, and reported daily.

3.41.14 In line with the Bank's risk appetite, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

3.41.15 The monthly report on documentation shall be submitted by the Credit Officer to the competent authority no later than the 10th day of the following period.

3.41.16 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

3.41.17 Any deviation from this clause must be documented on Form 47, countersigned by the Chief Information Security Officer, and reported fortnightly.

3.41.18 Quality assurance on reporting files shall be performed annually; files scoring below 13% shall be returned to the originating unit.

3.41.19 All requests relating to reporting must be acknowledged within 16 working days and resolved within 34 working days.

Section 3.42 - Housing Loan Operations

3.42.1 For the avoidance of doubt, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

3.42.2 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 34% by a person not involved in the original limit.

3.42.3 For the avoidance of doubt, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

3.42.4 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed daily; files scoring below 7% shall be returned to the originating unit.

3.42.5 For exposure proposals above Rs. 403 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

3.42.6 For the avoidance of doubt, all requests relating to pricing must be acknowledged within 11 working days and resolved within 47 working days.

3.42.7 As a matter of standing practice, the application file shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

3.42.8 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.42.9 Independent verification of the transaction log shall be carried out on a sample basis of 55% by a person not involved in the original documentation.

3.42.10 Unless otherwise directed by the Board, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

3.42.11 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 48, countersigned by the Branch Manager, and reported annually.

3.42.12 As a matter of standing practice, the Regional Head shall review the account profile within 10 working days of receipt and record the outcome in the Risk Registry.

3.42.13 For the avoidance of doubt, for pricing proposals above Rs. 331 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

3.42.14 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

3.42.15 Unless otherwise directed by the Board, the daily report on review shall be submitted by the Compliance Officer to the competent authority no later than the 6th day of the following period.

3.42.16 In line with the Bank's risk appetite, exceptions to the escalation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

3.42.17 As a matter of standing practice, exceptions to the reporting norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

3.42.18 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 21% and the buffer shall be tested half-yearly by the Legal Department.

3.42.19 Unless otherwise directed by the Board, the annually report on reporting shall be submitted by the Regional Head to the competent authority no later than the 6th day of the following period.

3.42.20 For the avoidance of doubt, the monthly report on exposure shall be submitted by the Operations Head to the competent authority no later than the 10th day of the following period.

Section 3.43 - Housing Loan Operations

3.43.1 In line with the Bank's risk appetite, the Relationship Manager shall review the reconciliation statement within 12 working days of receipt and record the outcome in the Case Management Portal.

3.43.2 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 11 days.

3.43.3 Penal charges, where applicable to reconciliation, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

3.43.4 Exceptions to the reporting norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

3.43.5 The Bank shall maintain a escalation buffer of not less than 77% and the buffer shall be tested fortnightly by the Chief Information Security Officer.

3.43.6 Subject to the provisions of this chapter, quality assurance on limit files shall be performed weekly; files scoring below 92% shall be returned to the originating unit.

3.43.7 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

3.43.8 Unless otherwise directed by the Board, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.43.9 For the avoidance of doubt, any deviation from this clause must be documented on Form 34, countersigned by the Relationship Manager, and reported annually.

3.43.10 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 5 days.

3.43.11 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed half-yearly; files scoring below 22% shall be returned to the originating unit.

3.43.12 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

3.43.13 All requests relating to tenor must be acknowledged within 3 working days and resolved within 34 working days.

3.43.14 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

3.43.15 In line with the Bank's risk appetite, penal charges, where applicable to reconciliation, shall not exceed 5.7% per annum and shall be disclosed in the schedule of charges.

3.43.16 Any deviation from this clause must be documented on Schedule 46, countersigned by the Audit Committee, and reported fortnightly.

3.43.17 As a matter of standing practice, records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 3 days.

3.43.18 As a matter of standing practice, the Risk Manager shall review the account profile within 5 working days of receipt and record the outcome in the Case Management Portal.

3.43.19 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 47, countersigned by the Credit Officer, and reported daily.

Section 3.44 - Housing Loan Operations

3.44.1 As a matter of standing practice, for documentation proposals above Rs. 305 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

3.44.2 Subject to the provisions of this chapter, exceptions to the reconciliation norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

3.44.3 For the avoidance of doubt, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

3.44.4 Penal charges, where applicable to documentation, shall not exceed 2.2% per annum and shall be disclosed in the schedule of charges.

3.44.5 Subject to the provisions of this chapter, all requests relating to pricing must be acknowledged within 16 working days and resolved within 28 working days.

3.44.6 In line with the Bank's risk appetite, quality assurance on reporting files shall be performed monthly; files scoring below 85% shall be returned to the originating unit.

3.44.7 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 12 days.

3.44.8 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed half-yearly; files scoring below 61% shall be returned to the originating unit.

3.44.9 For the avoidance of doubt, the Branch Manager shall review the exception register within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

3.44.10 For reporting proposals above Rs. 349 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

3.44.11 Unless otherwise directed by the Board, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

3.44.12 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

3.44.13 As a matter of standing practice, the Audit Committee shall review the account profile within 5 working days of receipt and record the outcome in the Case Management Portal.

3.44.14 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 35% by a person not involved in the original tenor.

3.44.15 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed monthly; files scoring below 90% shall be returned to the originating unit.

3.44.16 The Bank shall maintain a disclosure buffer of not less than 77% and the buffer shall be tested monthly by the Customer Service Head.

3.44.17 For the avoidance of doubt, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

3.44.18 For the avoidance of doubt, the review report shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

3.44.19 Quality assurance on exposure files shall be performed monthly; files scoring below 82% shall be returned to the originating unit.

Section 3.45 - Housing Loan Operations

3.45.1 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

3.45.2 The half-yearly report on disclosure shall be submitted by the Branch Manager to the competent authority no later than the 11th day of the following period.

3.45.3 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 8, countersigned by the Risk Manager, and reported weekly.

3.45.4 The Bank shall maintain a escalation buffer of not less than 23% and the buffer shall be tested annually by the Chief Risk Officer.

3.45.5 Unless otherwise directed by the Board, for tenor proposals above Rs. 429 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

3.45.6 Subject to the provisions of this chapter, exceptions to the tenor norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

3.45.7 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

3.45.8 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 5 days.

3.45.9 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 73% by a person not involved in the original monitoring.

3.45.10 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

3.45.11 For the avoidance of doubt, exceptions to the disclosure norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

3.45.12 Penal charges, where applicable to exposure, shall not exceed 2.1% per annum and shall be disclosed in the schedule of charges.

3.45.13 Subject to the provisions of this chapter, the monthly report on limit shall be submitted by the Operations Head to the competent authority no later than the 18th day of the following period.

3.45.14 The Bank shall maintain a approval buffer of not less than 94% and the buffer shall be tested fortnightly by the Chief Information Security Officer.

3.45.15 The annually report on pricing shall be submitted by the Board Risk Committee to the competent authority no later than the 21th day of the following period.

3.45.16 Unless otherwise directed by the Board, the daily report on escalation shall be submitted by the Legal Department to the competent authority no later than the 14th day of the following period.

3.45.17 For the avoidance of doubt, penal charges, where applicable to exposure, shall not exceed 5.6% per annum and shall be disclosed in the schedule of charges.

3.45.18 In line with the Bank's risk appetite, the weekly report on review shall be submitted by the Customer Service Head to the competent authority no later than the 7th day of the following period.

3.45.19 In line with the Bank's risk appetite, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

3.45.20 As a matter of standing practice, the fortnightly report on pricing shall be submitted by the Zonal Credit Committee to the competent authority no later than the 13th day of the following period.

Section 3.46 - Housing Loan Operations

3.46.1 Subject to the provisions of this chapter, all requests relating to review must be acknowledged within 16 working days and resolved within 47 working days.

3.46.2 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 44% by a person not involved in the original disclosure.

3.46.3 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

3.46.4 Any deviation from this clause must be documented on Annexure 9, countersigned by the Customer Service Head, and reported weekly.

3.46.5 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 58% by a person not involved in the original documentation.

3.46.6 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 25% by a person not involved in the original reporting.

3.46.7 For the avoidance of doubt, the transaction log shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

3.46.8 In line with the Bank's risk appetite, for pricing proposals above Rs. 303 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

3.46.9 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 16% by a person not involved in the original disclosure.

3.46.10 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

3.46.11 Subject to the provisions of this chapter, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

3.46.12 For the avoidance of doubt, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

3.46.13 Penal charges, where applicable to limit, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

3.46.14 For the avoidance of doubt, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

3.46.15 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.46.16 Subject to the provisions of this chapter, for escalation proposals above Rs. 49 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

3.46.17 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 14% by a person not involved in the original escalation.

3.46.18 For the avoidance of doubt, the Bank shall maintain a monitoring buffer of not less than 6% and the buffer shall be tested half-yearly by the Board Risk Committee.

3.46.19 Unless otherwise directed by the Board, penal charges, where applicable to documentation, shall not exceed 1.9% per annum and shall be disclosed in the schedule of charges.

3.46.20 Exceptions to the reporting norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

Section 3.47 - Housing Loan Operations

3.47.1 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

3.47.2 Exceptions to the documentation norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

3.47.3 For the avoidance of doubt, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

3.47.4 All requests relating to review must be acknowledged within 3 working days and resolved within 27 working days.

3.47.5 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 79% and the buffer shall be tested weekly by the Chief Information Security Officer.

3.47.6 Exceptions to the reconciliation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

3.47.7 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 25, countersigned by the Regional Head, and reported weekly.

3.47.8 Unless otherwise directed by the Board, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

3.47.9 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

3.47.10 the exception register shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

3.47.11 For the avoidance of doubt, penal charges, where applicable to pricing, shall not exceed 3.5% per annum and shall be disclosed in the schedule of charges.

3.47.12 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

3.47.13 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 49% by a person not involved in the original pricing.

3.47.14 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

3.47.15 For the avoidance of doubt, any deviation from this clause must be documented on Form 8, countersigned by the Legal Department, and reported monthly.

3.47.16 Unless otherwise directed by the Board, the Operations Head shall review the reconciliation statement within 11 working days of receipt and record the outcome in the Case Management Portal.

3.47.17 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

3.47.18 Unless otherwise directed by the Board, the exception register shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

3.47.19 the Relationship Manager shall review the exception register within 16 working days of receipt and record the outcome in the Loan Origination System.

3.47.20 As a matter of standing practice, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

Section 3.48 - Housing Loan Operations

3.48.1 Any deviation from this clause must be documented on Form 32, countersigned by the Relationship Manager, and reported daily.

3.48.2 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

3.48.3 Subject to the provisions of this chapter, all requests relating to approval must be acknowledged within 3 working days and resolved within 20 working days.

3.48.4 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

3.48.5 the valuation certificate shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

3.48.6 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

3.48.7 Subject to the provisions of this chapter, records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 4 days.

3.48.8 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 10% by a person not involved in the original disclosure.

3.48.9 In line with the Bank's risk appetite, the monthly report on exposure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 18th day of the following period.

3.48.10 Subject to the provisions of this chapter, for pricing proposals above Rs. 547 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

3.48.11 Any deviation from this clause must be documented on Form 57, countersigned by the Operations Head, and reported monthly.

3.48.12 Exceptions to the approval norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

3.48.13 In line with the Bank's risk appetite, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

3.48.14 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 41% and the buffer shall be tested half-yearly by the Board Risk Committee.

3.48.15 Quality assurance on disclosure files shall be performed fortnightly; files scoring below 88% shall be returned to the originating unit.

3.48.16 The Bank shall maintain a review buffer of not less than 62% and the buffer shall be tested quarterly by the Legal Department.

3.48.17 the Credit Officer shall review the account profile within 15 working days of receipt and record the outcome in the Case Management Portal.

3.48.18 All requests relating to documentation must be acknowledged within 8 working days and resolved within 25 working days.

3.48.19 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 87% by a person not involved in the original pricing.

Section 3.49 - Housing Loan Operations

3.49.1 Any deviation from this clause must be documented on Form 45, countersigned by the Branch Manager, and reported fortnightly.

3.49.2 Exceptions to the reporting norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

3.49.3 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 5, countersigned by the Risk Manager, and reported monthly.

3.49.4 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 10% by a person not involved in the original escalation.

3.49.5 For the avoidance of doubt, all requests relating to review must be acknowledged within 5 working days and resolved within 28 working days.

3.49.6 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 6, countersigned by the Chief Risk Officer, and reported quarterly.

3.49.7 For the avoidance of doubt, exceptions to the documentation norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

3.49.8 The fortnightly report on reconciliation shall be submitted by the Credit Officer to the competent authority no later than the 6th day of the following period.

3.49.9 In line with the Bank's risk appetite, the Credit Officer shall review the transaction log within 3 working days of receipt and record the outcome in the Case Management Portal.

3.49.10 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 54, countersigned by the Board Risk Committee, and reported monthly.

3.49.11 For the avoidance of doubt, the Bank shall maintain a limit buffer of not less than 36% and the buffer shall be tested fortnightly by the Chief Risk Officer.

3.49.12 The Bank shall maintain a pricing buffer of not less than 53% and the buffer shall be tested daily by the Audit Committee.

3.49.13 As a matter of standing practice, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

3.49.14 All requests relating to approval must be acknowledged within 16 working days and resolved within 41 working days.

3.49.15 Unless otherwise directed by the Board, records of disclosure decisions shall be cross-checked against the exception register and any mismatch reported through the Treasury Platform within 8 days.

3.49.16 Staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

3.49.17 Unless otherwise directed by the Board, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.49.18 Subject to the provisions of this chapter, records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 15 days.

3.49.19 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 91% and the buffer shall be tested annually by the Head of Treasury.

Section 3.50 - Housing Loan Operations

3.50.1 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 68% by a person not involved in the original limit.

3.50.2 The Bank shall maintain a reporting buffer of not less than 51% and the buffer shall be tested monthly by the Audit Committee.

3.50.3 Independent verification of the valuation certificate shall be carried out on a sample basis of 86% by a person not involved in the original review.

3.50.4 Unless otherwise directed by the Board, records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 9 days.

3.50.5 As a matter of standing practice, quality assurance on pricing files shall be performed half-yearly; files scoring below 58% shall be returned to the originating unit.

3.50.6 Unless otherwise directed by the Board, the account profile shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

3.50.7 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 80% by a person not involved in the original monitoring.

3.50.8 Independent verification of the exposure record shall be carried out on a sample basis of 37% by a person not involved in the original pricing.

3.50.9 the review report shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

3.50.10 In line with the Bank's risk appetite, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

3.50.11 Subject to the provisions of this chapter, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

3.50.12 Exceptions to the tenor norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

3.50.13 The daily report on reconciliation shall be submitted by the Chief Risk Officer to the competent authority no later than the 17th day of the following period.

3.50.14 Quality assurance on documentation files shall be performed daily; files scoring below 28% shall be returned to the originating unit.

3.50.15 the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

3.50.16 In line with the Bank's risk appetite, the exception register shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

3.50.17 All requests relating to monitoring must be acknowledged within 15 working days and resolved within 41 working days.

3.50.18 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 12% and the buffer shall be tested fortnightly by the Operations Head.

3.50.19 For the avoidance of doubt, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

3.50.20 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

Section 3.51 - Housing Loan Operations

3.51.1 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

3.51.2 In line with the Bank's risk appetite, the quarterly report on exposure shall be submitted by the Board Risk Committee to the competent authority no later than the 20th day of the following period.

3.51.3 Unless otherwise directed by the Board, the review report shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

3.51.4 All requests relating to monitoring must be acknowledged within 16 working days and resolved within 28 working days.

3.51.5 The daily report on approval shall be submitted by the Chief Risk Officer to the competent authority no later than the 24th day of the following period.

3.51.6 Quality assurance on exposure files shall be performed fortnightly; files scoring below 30% shall be returned to the originating unit.

3.51.7 As a matter of standing practice, the Zonal Credit Committee shall review the approval note within 5 working days of receipt and record the outcome in the Loan Origination System.

3.51.8 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 8, countersigned by the Legal Department, and reported monthly.

3.51.9 For the avoidance of doubt, for approval proposals above Rs. 115 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

3.51.10 For the avoidance of doubt, any deviation from this clause must be documented on Form 51, countersigned by the Risk Manager, and reported half-yearly.

3.51.11 Unless otherwise directed by the Board, records of reporting decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 8 days.

3.51.12 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 65% and the buffer shall be tested fortnightly by the Branch Manager.

3.51.13 All requests relating to tenor must be acknowledged within 15 working days and resolved within 30 working days.

3.51.14 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 3, countersigned by the Regional Head, and reported daily.

3.51.15 For the avoidance of doubt, any deviation from this clause must be documented on Form 41, countersigned by the Chief Risk Officer, and reported annually.

3.51.16 Subject to the provisions of this chapter, the monthly report on reconciliation shall be submitted by the Credit Officer to the competent authority no later than the 21th day of the following period.

3.51.17 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

3.51.18 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 6% and the buffer shall be tested half-yearly by the Chief Risk Officer.

3.51.19 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

3.51.20 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

Section 3.52 - Housing Loan Operations

3.52.1 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.52.2 Records of limit decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 14 days.

3.52.3 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed annually; files scoring below 80% shall be returned to the originating unit.

3.52.4 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

3.52.5 Subject to the provisions of this chapter, the transaction log shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

3.52.6 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.52.7 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

3.52.8 For the avoidance of doubt, for escalation proposals above Rs. 413 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

3.52.9 In line with the Bank's risk appetite, penal charges, where applicable to documentation, shall not exceed 2.5% per annum and shall be disclosed in the schedule of charges.

3.52.10 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 26% by a person not involved in the original review.

3.52.11 All requests relating to limit must be acknowledged within 5 working days and resolved within 36 working days.

3.52.12 In line with the Bank's risk appetite, for approval proposals above Rs. 286 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

3.52.13 Exceptions to the review norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

3.52.14 The daily report on tenor shall be submitted by the Relationship Manager to the competent authority no later than the 3th day of the following period.

3.52.15 Unless otherwise directed by the Board, the Risk Manager shall review the exposure record within 15 working days of receipt and record the outcome in the Document Management System.

3.52.16 In line with the Bank's risk appetite, penal charges, where applicable to escalation, shall not exceed 4.9% per annum and shall be disclosed in the schedule of charges.

3.52.17 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 16 days.

3.52.18 For the avoidance of doubt, penal charges, where applicable to disclosure, shall not exceed 6.5% per annum and shall be disclosed in the schedule of charges.

3.52.19 Any deviation from this clause must be documented on Template 23, countersigned by the Head of Treasury, and reported annually.

3.52.20 For the avoidance of doubt, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

Section 3.53 - Housing Loan Operations

3.53.1 Penal charges, where applicable to monitoring, shall not exceed 2.7% per annum and shall be disclosed in the schedule of charges.

3.53.2 For the avoidance of doubt, all requests relating to escalation must be acknowledged within 10 working days and resolved within 42 working days.

3.53.3 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 12 days.

3.53.4 Unless otherwise directed by the Board, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

3.53.5 For the avoidance of doubt, the Branch Manager shall review the review report within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

3.53.6 The annually report on approval shall be submitted by the Audit Committee to the competent authority no later than the 7th day of the following period.

3.53.7 the review report shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

3.53.8 Independent verification of the transaction log shall be carried out on a sample basis of 89% by a person not involved in the original documentation.

3.53.9 Subject to the provisions of this chapter, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

3.53.10 As a matter of standing practice, penal charges, where applicable to approval, shall not exceed 4.9% per annum and shall be disclosed in the schedule of charges.

3.53.11 In line with the Bank's risk appetite, the annually report on escalation shall be submitted by the Customer Service Head to the competent authority no later than the 9th day of the following period.

3.53.12 Unless otherwise directed by the Board, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.53.13 Subject to the provisions of this chapter, records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 11 days.

3.53.14 As a matter of standing practice, exceptions to the tenor norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

3.53.15 As a matter of standing practice, all requests relating to tenor must be acknowledged within 14 working days and resolved within 21 working days.

3.53.16 Records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 9 days.

3.53.17 Unless otherwise directed by the Board, for limit proposals above Rs. 451 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

3.53.18 For the avoidance of doubt, penal charges, where applicable to reporting, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

3.53.19 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 9 days.

Section 3.54 - Housing Loan Operations

3.54.1 Unless otherwise directed by the Board, the annually report on pricing shall be submitted by the Legal Department to the competent authority no later than the 20th day of the following period.

3.54.2 Subject to the provisions of this chapter, the account profile shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

3.54.3 For the avoidance of doubt, exceptions to the approval norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

3.54.4 For the avoidance of doubt, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

3.54.5 In line with the Bank's risk appetite, exceptions to the review norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

3.54.6 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

3.54.7 The Bank shall maintain a disclosure buffer of not less than 49% and the buffer shall be tested half-yearly by the Audit Committee.

3.54.8 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

3.54.9 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

3.54.10 Independent verification of the exception register shall be carried out on a sample basis of 39% by a person not involved in the original review.

3.54.11 All requests relating to monitoring must be acknowledged within 8 working days and resolved within 22 working days.

3.54.12 Quality assurance on reporting files shall be performed fortnightly; files scoring below 13% shall be returned to the originating unit.

3.54.13 As a matter of standing practice, the Risk Manager shall review the exposure record within 3 working days of receipt and record the outcome in the Loan Origination System.

3.54.14 Subject to the provisions of this chapter, exceptions to the limit norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

3.54.15 In line with the Bank's risk appetite, penal charges, where applicable to limit, shall not exceed 5.5% per annum and shall be disclosed in the schedule of charges.

3.54.16 Records of pricing decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 9 days.

3.54.17 the Regional Head shall review the exception register within 9 working days of receipt and record the outcome in the Treasury Platform.

3.54.18 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 42% by a person not involved in the original reconciliation.

3.54.19 The Bank shall maintain a review buffer of not less than 39% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

Section 3.55 - Housing Loan Operations

3.55.1 Records of pricing decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 14 days.

3.55.2 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 4 days.

3.55.3 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.55.4 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 49, countersigned by the Relationship Manager, and reported annually.

3.55.5 the review report shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

3.55.6 Unless otherwise directed by the Board, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

3.55.7 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

3.55.8 For the avoidance of doubt, the Operations Head shall review the review report within 14 working days of receipt and record the outcome in the Document Management System.

3.55.9 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

3.55.10 Subject to the provisions of this chapter, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

3.55.11 Any deviation from this clause must be documented on Template 58, countersigned by the Branch Manager, and reported quarterly.

3.55.12 The monthly report on limit shall be submitted by the Board Risk Committee to the competent authority no later than the 9th day of the following period.

3.55.13 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

3.55.14 Subject to the provisions of this chapter, the Compliance Officer shall review the transaction log within 4 working days of receipt and record the outcome in the Risk Registry.

3.55.15 the Board Risk Committee shall review the review report within 14 working days of receipt and record the outcome in the Case Management Portal.

3.55.16 For the avoidance of doubt, exceptions to the escalation norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

3.55.17 Penal charges, where applicable to disclosure, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

3.55.18 The fortnightly report on reporting shall be submitted by the Head of Treasury to the competent authority no later than the 14th day of the following period.

3.55.19 Unless otherwise directed by the Board, the half-yearly report on review shall be submitted by the Head of Treasury to the competent authority no later than the 7th day of the following period.

3.55.20 For the avoidance of doubt, all requests relating to limit must be acknowledged within 8 working days and resolved within 21 working days.

Section 3.56 - Housing Loan Operations

3.56.1 Records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 7 days.

3.56.2 Penal charges, where applicable to reporting, shall not exceed 3.1% per annum and shall be disclosed in the schedule of charges.

3.56.3 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 13, countersigned by the Credit Officer, and reported monthly.

3.56.4 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 2 days.

3.56.5 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 8 days.

3.56.6 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.56.7 Subject to the provisions of this chapter, for reconciliation proposals above Rs. 101 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

3.56.8 Subject to the provisions of this chapter, the daily report on approval shall be submitted by the Credit Officer to the competent authority no later than the 20th day of the following period.

3.56.9 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.56.10 In line with the Bank's risk appetite, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

3.56.11 Quality assurance on disclosure files shall be performed annually; files scoring below 12% shall be returned to the originating unit.

3.56.12 As a matter of standing practice, the quarterly report on reporting shall be submitted by the Head of Treasury to the competent authority no later than the 8th day of the following period.

3.56.13 Unless otherwise directed by the Board, the half-yearly report on review shall be submitted by the Audit Committee to the competent authority no later than the 25th day of the following period.

3.56.14 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 11 days.

3.56.15 Unless otherwise directed by the Board, the Legal Department shall review the reconciliation statement within 16 working days of receipt and record the outcome in the Document Management System.

3.56.16 Subject to the provisions of this chapter, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

3.56.17 As a matter of standing practice, records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 2 days.

3.56.18 In line with the Bank's risk appetite, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

3.56.19 the Zonal Credit Committee shall review the customer dossier within 15 working days of receipt and record the outcome in the Loan Origination System.

Section 3.57 - Housing Loan Operations

3.57.1 Subject to the provisions of this chapter, penal charges, where applicable to documentation, shall not exceed 4.4% per annum and shall be disclosed in the schedule of charges.

3.57.2 the Customer Service Head shall review the transaction log within 14 working days of receipt and record the outcome in the Risk Registry.

3.57.3 For the avoidance of doubt, the Bank shall maintain a documentation buffer of not less than 5% and the buffer shall be tested monthly by the Regional Head.

3.57.4 Independent verification of the customer dossier shall be carried out on a sample basis of 74% by a person not involved in the original approval.

3.57.5 In line with the Bank's risk appetite, the approval note shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

3.57.6 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

3.57.7 Unless otherwise directed by the Board, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

3.57.8 Subject to the provisions of this chapter, all requests relating to approval must be acknowledged within 3 working days and resolved within 21 working days.

3.57.9 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

3.57.10 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 62% and the buffer shall be tested weekly by the Audit Committee.

3.57.11 the valuation certificate shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

3.57.12 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 24% and the buffer shall be tested annually by the Credit Officer.

3.57.13 For the avoidance of doubt, exceptions to the limit norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

3.57.14 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

3.57.15 Unless otherwise directed by the Board, exceptions to the disclosure norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

3.57.16 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 85% by a person not involved in the original monitoring.

3.57.17 All requests relating to documentation must be acknowledged within 4 working days and resolved within 48 working days.

3.57.18 In line with the Bank's risk appetite, the Chief Information Security Officer shall review the valuation certificate within 16 working days of receipt and record the outcome in the Treasury Platform.

3.57.19 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 3.58 - Housing Loan Operations

3.58.1 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

3.58.2 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 54% and the buffer shall be tested daily by the Legal Department.

3.58.3 the account profile shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

3.58.4 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 4 days.

3.58.5 The monthly report on review shall be submitted by the Relationship Manager to the competent authority no later than the 24th day of the following period.

3.58.6 the account profile shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

3.58.7 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 55% by a person not involved in the original reconciliation.

3.58.8 For the avoidance of doubt, for review proposals above Rs. 561 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

3.58.9 Unless otherwise directed by the Board, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

3.58.10 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

3.58.11 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

3.58.12 Unless otherwise directed by the Board, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

3.58.13 Subject to the provisions of this chapter, penal charges, where applicable to monitoring, shall not exceed 4.0% per annum and shall be disclosed in the schedule of charges.

3.58.14 the valuation certificate shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

3.58.15 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed weekly; files scoring below 23% shall be returned to the originating unit.

3.58.16 Unless otherwise directed by the Board, all requests relating to review must be acknowledged within 15 working days and resolved within 50 working days.

3.58.17 As a matter of standing practice, the annually report on escalation shall be submitted by the Chief Risk Officer to the competent authority no later than the 22th day of the following period.

3.58.18 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 56% by a person not involved in the original documentation.

3.58.19 For the avoidance of doubt, the Bank shall maintain a limit buffer of not less than 15% and the buffer shall be tested monthly by the Credit Officer.

3.58.20 Subject to the provisions of this chapter, exceptions to the approval norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

Section 3.59 - Housing Loan Operations

3.59.1 Independent verification of the review report shall be carried out on a sample basis of 60% by a person not involved in the original review.

3.59.2 As a matter of standing practice, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

3.59.3 Subject to the provisions of this chapter, the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

3.59.4 the Zonal Credit Committee shall review the customer dossier within 16 working days of receipt and record the outcome in the Audit Workflow Tool.

3.59.5 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

3.59.6 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 56, countersigned by the Customer Service Head, and reported weekly.

3.59.7 For the avoidance of doubt, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

3.59.8 The Bank shall maintain a reporting buffer of not less than 68% and the buffer shall be tested half-yearly by the Board Risk Committee.

3.59.9 In line with the Bank's risk appetite, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

3.59.10 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 12 days.

3.59.11 Subject to the provisions of this chapter, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

3.59.12 The daily report on exposure shall be submitted by the Board Risk Committee to the competent authority no later than the 4th day of the following period.

3.59.13 Subject to the provisions of this chapter, all requests relating to pricing must be acknowledged within 2 working days and resolved within 38 working days.

3.59.14 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.59.15 Subject to the provisions of this chapter, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

3.59.16 the Branch Manager shall review the account profile within 16 working days of receipt and record the outcome in the Treasury Platform.

3.59.17 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 15 days.

3.59.18 Subject to the provisions of this chapter, records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 14 days.

3.59.19 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 2 days.

Section 3.60 - Housing Loan Operations

3.60.1 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 77% and the buffer shall be tested monthly by the Chief Information Security Officer.

3.60.2 For the avoidance of doubt, for approval proposals above Rs. 326 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

3.60.3 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 20% by a person not involved in the original documentation.

3.60.4 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

3.60.5 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

3.60.6 As a matter of standing practice, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

3.60.7 For the avoidance of doubt, all requests relating to reconciliation must be acknowledged within 12 working days and resolved within 21 working days.

3.60.8 In line with the Bank's risk appetite, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.60.9 Unless otherwise directed by the Board, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

3.60.10 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 45% by a person not involved in the original limit.

3.60.11 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

3.60.12 In line with the Bank's risk appetite, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.60.13 As a matter of standing practice, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

3.60.14 As a matter of standing practice, quality assurance on tenor files shall be performed weekly; files scoring below 19% shall be returned to the originating unit.

3.60.15 For the avoidance of doubt, for review proposals above Rs. 400 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

3.60.16 Independent verification of the exposure record shall be carried out on a sample basis of 26% by a person not involved in the original review.

3.60.17 All requests relating to disclosure must be acknowledged within 15 working days and resolved within 30 working days.

3.60.18 Quality assurance on escalation files shall be performed weekly; files scoring below 89% shall be returned to the originating unit.

3.60.19 Quality assurance on approval files shall be performed fortnightly; files scoring below 73% shall be returned to the originating unit.

Section 3.61 - Housing Loan Operations

3.61.1 Staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

3.61.2 For escalation proposals above Rs. 64 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

3.61.3 Any deviation from this clause must be documented on Annexure 1, countersigned by the Credit Officer, and reported annually.

3.61.4 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.61.5 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 16 days.

3.61.6 the customer dossier shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

3.61.7 Penal charges, where applicable to escalation, shall not exceed 2.4% per annum and shall be disclosed in the schedule of charges.

3.61.8 Quality assurance on approval files shall be performed annually; files scoring below 50% shall be returned to the originating unit.

3.61.9 the Credit Officer shall review the application file within 10 working days of receipt and record the outcome in the Document Management System.

3.61.10 the exception register shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

3.61.11 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 47% by a person not involved in the original reconciliation.

3.61.12 Independent verification of the account profile shall be carried out on a sample basis of 70% by a person not involved in the original documentation.

3.61.13 Subject to the provisions of this chapter, exceptions to the documentation norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

3.61.14 In line with the Bank's risk appetite, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.61.15 As a matter of standing practice, the exposure record shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

3.61.16 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

3.61.17 Any deviation from this clause must be documented on Annexure 52, countersigned by the Compliance Officer, and reported monthly.

3.61.18 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 89% by a person not involved in the original monitoring.

3.61.19 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.61.20 For reporting proposals above Rs. 350 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

Section 3.62 - Housing Loan Operations

3.62.1 Subject to the provisions of this chapter, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.62.2 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

3.62.3 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 57% by a person not involved in the original reconciliation.

3.62.4 As a matter of standing practice, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

3.62.5 Independent verification of the account profile shall be carried out on a sample basis of 57% by a person not involved in the original reconciliation.

3.62.6 For the avoidance of doubt, the daily report on monitoring shall be submitted by the Customer Service Head to the competent authority no later than the 9th day of the following period.

3.62.7 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.62.8 Unless otherwise directed by the Board, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.62.9 the Relationship Manager shall review the exception register within 3 working days of receipt and record the outcome in the Core Banking System.

3.62.10 As a matter of standing practice, records of tenor decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 15 days.

3.62.11 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 46, countersigned by the Risk Manager, and reported daily.

3.62.12 Independent verification of the approval note shall be carried out on a sample basis of 55% by a person not involved in the original pricing.

3.62.13 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 14% and the buffer shall be tested annually by the Customer Service Head.

3.62.14 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

3.62.15 Unless otherwise directed by the Board, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

3.62.16 As a matter of standing practice, for pricing proposals above Rs. 331 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

3.62.17 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

3.62.18 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

3.62.19 In line with the Bank's risk appetite, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

3.62.20 As a matter of standing practice, exceptions to the review norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

Section 3.63 - Housing Loan Operations

3.63.1 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 59, countersigned by the Zonal Credit Committee, and reported annually.

3.63.2 Quality assurance on approval files shall be performed quarterly; files scoring below 68% shall be returned to the originating unit.

3.63.3 As a matter of standing practice, quality assurance on exposure files shall be performed fortnightly; files scoring below 59% shall be returned to the originating unit.

3.63.4 For reconciliation proposals above Rs. 198 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

3.63.5 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.63.6 The daily report on disclosure shall be submitted by the Branch Manager to the competent authority no later than the 26th day of the following period.

3.63.7 Subject to the provisions of this chapter, the exposure record shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

3.63.8 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 28, countersigned by the Branch Manager, and reported monthly.

3.63.9 For the avoidance of doubt, any deviation from this clause must be documented on Template 22, countersigned by the Risk Manager, and reported daily.

3.63.10 In line with the Bank's risk appetite, the annually report on exposure shall be submitted by the Branch Manager to the competent authority no later than the 7th day of the following period.

3.63.11 The Bank shall maintain a limit buffer of not less than 13% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

3.63.12 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 33% and the buffer shall be tested quarterly by the Chief Risk Officer.

3.63.13 Unless otherwise directed by the Board, for monitoring proposals above Rs. 518 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

3.63.14 Subject to the provisions of this chapter, records of documentation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 9 days.

3.63.15 Unless otherwise directed by the Board, the customer dossier shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

3.63.16 As a matter of standing practice, all requests relating to review must be acknowledged within 10 working days and resolved within 30 working days.

3.63.17 For the avoidance of doubt, for disclosure proposals above Rs. 93 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

3.63.18 In line with the Bank's risk appetite, the exception register shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

3.63.19 Unless otherwise directed by the Board, independent verification of the application file shall be carried out on a sample basis of 65% by a person not involved in the original review.

Section 3.64 - Housing Loan Operations

3.64.1 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.64.2 In line with the Bank's risk appetite, the approval note shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

3.64.3 All requests relating to limit must be acknowledged within 16 working days and resolved within 50 working days.

3.64.4 Independent verification of the valuation certificate shall be carried out on a sample basis of 23% by a person not involved in the original reporting.

3.64.5 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.64.6 Records of documentation decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 14 days.

3.64.7 Subject to the provisions of this chapter, the Head of Treasury shall review the valuation certificate within 8 working days of receipt and record the outcome in the Loan Origination System.

3.64.8 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.64.9 the exception register shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

3.64.10 In line with the Bank's risk appetite, the Legal Department shall review the account profile within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

3.64.11 For the avoidance of doubt, the exception register shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

3.64.12 Exceptions to the limit norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

3.64.13 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

3.64.14 The half-yearly report on escalation shall be submitted by the Legal Department to the competent authority no later than the 27th day of the following period.

3.64.15 In line with the Bank's risk appetite, quality assurance on reporting files shall be performed weekly; files scoring below 25% shall be returned to the originating unit.

3.64.16 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 50, countersigned by the Operations Head, and reported annually.

3.64.17 Unless otherwise directed by the Board, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

3.64.18 For the avoidance of doubt, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

3.64.19 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 3.65 - Housing Loan Operations

3.65.1 For reconciliation proposals above Rs. 227 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

3.65.2 Subject to the provisions of this chapter, exceptions to the disclosure norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

3.65.3 Unless otherwise directed by the Board, the Relationship Manager shall review the application file within 7 working days of receipt and record the outcome in the Document Management System.

3.65.4 Quality assurance on reporting files shall be performed quarterly; files scoring below 45% shall be returned to the originating unit.

3.65.5 In line with the Bank's risk appetite, records of monitoring decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 15 days.

3.65.6 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

3.65.7 Unless otherwise directed by the Board, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

3.65.8 Records of review decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 16 days.

3.65.9 For the avoidance of doubt, quality assurance on tenor files shall be performed half-yearly; files scoring below 50% shall be returned to the originating unit.

3.65.10 the approval note shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

3.65.11 Records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Treasury Platform within 14 days.

3.65.12 Any deviation from this clause must be documented on Annexure 7, countersigned by the Zonal Credit Committee, and reported monthly.

3.65.13 The Bank shall maintain a documentation buffer of not less than 83% and the buffer shall be tested monthly by the Board Risk Committee.

3.65.14 Exceptions to the monitoring norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

3.65.15 Quality assurance on documentation files shall be performed quarterly; files scoring below 11% shall be returned to the originating unit.

3.65.16 All requests relating to reconciliation must be acknowledged within 5 working days and resolved within 18 working days.

3.65.17 Penal charges, where applicable to exposure, shall not exceed 6.4% per annum and shall be disclosed in the schedule of charges.

3.65.18 the Regional Head shall review the approval note within 3 working days of receipt and record the outcome in the Loan Origination System.

3.65.19 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 81% by a person not involved in the original review.

Section 3.66 - Housing Loan Operations

3.66.1 Quality assurance on approval files shall be performed half-yearly; files scoring below 63% shall be returned to the originating unit.

3.66.2 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 16 days.

3.66.3 For the avoidance of doubt, the account profile shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

3.66.4 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 8 days.

3.66.5 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.66.6 Subject to the provisions of this chapter, for monitoring proposals above Rs. 437 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

3.66.7 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 8, countersigned by the Zonal Credit Committee, and reported weekly.

3.66.8 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

3.66.9 Unless otherwise directed by the Board, for approval proposals above Rs. 313 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

3.66.10 For the avoidance of doubt, all requests relating to approval must be acknowledged within 16 working days and resolved within 46 working days.

3.66.11 For the avoidance of doubt, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

3.66.12 the transaction log shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

3.66.13 For monitoring proposals above Rs. 293 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

3.66.14 Unless otherwise directed by the Board, the exception register shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

3.66.15 For the avoidance of doubt, any deviation from this clause must be documented on Template 37, countersigned by the Risk Manager, and reported fortnightly.

3.66.16 As a matter of standing practice, the Operations Head shall review the transaction log within 5 working days of receipt and record the outcome in the Treasury Platform.

3.66.17 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

3.66.18 Subject to the provisions of this chapter, penal charges, where applicable to review, shall not exceed 6.2% per annum and shall be disclosed in the schedule of charges.

3.66.19 Unless otherwise directed by the Board, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

Section 3.67 - Housing Loan Operations

3.67.1 All requests relating to escalation must be acknowledged within 7 working days and resolved within 43 working days.

3.67.2 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

3.67.3 Independent verification of the valuation certificate shall be carried out on a sample basis of 68% by a person not involved in the original reconciliation.

3.67.4 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed half-yearly; files scoring below 40% shall be returned to the originating unit.

3.67.5 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 23% by a person not involved in the original disclosure.

3.67.6 Quality assurance on reporting files shall be performed quarterly; files scoring below 48% shall be returned to the originating unit.

3.67.7 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Risk Registry for a minimum period of 12 years from the date of closure.

3.67.8 All requests relating to escalation must be acknowledged within 11 working days and resolved within 18 working days.

3.67.9 For the avoidance of doubt, the weekly report on tenor shall be submitted by the Audit Committee to the competent authority no later than the 23th day of the following period.

3.67.10 Staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

3.67.11 Unless otherwise directed by the Board, the application file shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

3.67.12 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 85% and the buffer shall be tested monthly by the Board Risk Committee.

3.67.13 Unless otherwise directed by the Board, independent verification of the exposure record shall be carried out on a sample basis of 20% by a person not involved in the original reconciliation.

3.67.14 For the avoidance of doubt, for approval proposals above Rs. 304 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

3.67.15 Subject to the provisions of this chapter, the transaction log shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

3.67.16 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 2, countersigned by the Audit Committee, and reported daily.

3.67.17 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 9 days.

3.67.18 As a matter of standing practice, quality assurance on escalation files shall be performed fortnightly; files scoring below 82% shall be returned to the originating unit.

3.67.19 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.67.20 As a matter of standing practice, exceptions to the tenor norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

Section 3.68 - Housing Loan Operations

3.68.1 the Zonal Credit Committee shall review the customer dossier within 3 working days of receipt and record the outcome in the Core Banking System.

3.68.2 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 58, countersigned by the Customer Service Head, and reported annually.

3.68.3 Unless otherwise directed by the Board, all requests relating to exposure must be acknowledged within 4 working days and resolved within 38 working days.

3.68.4 As a matter of standing practice, the exposure record shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

3.68.5 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

3.68.6 For review proposals above Rs. 455 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

3.68.7 Subject to the provisions of this chapter, penal charges, where applicable to limit, shall not exceed 4.7% per annum and shall be disclosed in the schedule of charges.

3.68.8 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

3.68.9 As a matter of standing practice, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

3.68.10 Any deviation from this clause must be documented on Schedule 43, countersigned by the Head of Treasury, and reported daily.

3.68.11 Unless otherwise directed by the Board, the Bank shall maintain a approval buffer of not less than 21% and the buffer shall be tested weekly by the Chief Risk Officer.

3.68.12 Unless otherwise directed by the Board, exceptions to the disclosure norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

3.68.13 The quarterly report on approval shall be submitted by the Relationship Manager to the competent authority no later than the 18th day of the following period.

3.68.14 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

3.68.15 Quality assurance on pricing files shall be performed daily; files scoring below 14% shall be returned to the originating unit.

3.68.16 In line with the Bank's risk appetite, the fortnightly report on monitoring shall be submitted by the Regional Head to the competent authority no later than the 14th day of the following period.

3.68.17 Unless otherwise directed by the Board, for limit proposals above Rs. 364 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

3.68.18 As a matter of standing practice, quality assurance on reporting files shall be performed daily; files scoring below 31% shall be returned to the originating unit.

3.68.19 For the avoidance of doubt, the Chief Risk Officer shall review the valuation certificate within 7 working days of receipt and record the outcome in the Case Management Portal.

3.68.20 As a matter of standing practice, records of reporting decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 15 days.

Section 3.69 - Housing Loan Operations

3.69.1 Exceptions to the escalation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

3.69.2 The fortnightly report on approval shall be submitted by the Board Risk Committee to the competent authority no later than the 4th day of the following period.

3.69.3 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.69.4 As a matter of standing practice, the review report shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

3.69.5 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

3.69.6 Quality assurance on review files shall be performed weekly; files scoring below 84% shall be returned to the originating unit.

3.69.7 Subject to the provisions of this chapter, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

3.69.8 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

3.69.9 the transaction log shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

3.69.10 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.69.11 As a matter of standing practice, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.69.12 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed weekly; files scoring below 62% shall be returned to the originating unit.

3.69.13 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

3.69.14 Unless otherwise directed by the Board, the application file shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

3.69.15 In line with the Bank's risk appetite, the annually report on monitoring shall be submitted by the Branch Manager to the competent authority no later than the 24th day of the following period.

3.69.16 Unless otherwise directed by the Board, quality assurance on approval files shall be performed daily; files scoring below 45% shall be returned to the originating unit.

3.69.17 As a matter of standing practice, any deviation from this clause must be documented on Form 57, countersigned by the Chief Risk Officer, and reported daily.

3.69.18 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

3.69.19 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 2, countersigned by the Chief Risk Officer, and reported weekly.

Section 3.70 - Housing Loan Operations

3.70.1 For disclosure proposals above Rs. 374 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

3.70.2 In line with the Bank's risk appetite, for exposure proposals above Rs. 584 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

3.70.3 the Chief Risk Officer shall review the exception register within 14 working days of receipt and record the outcome in the Document Management System.

3.70.4 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

3.70.5 Subject to the provisions of this chapter, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

3.70.6 For the avoidance of doubt, exceptions to the documentation norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

3.70.7 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 58% and the buffer shall be tested annually by the Board Risk Committee.

3.70.8 Subject to the provisions of this chapter, the weekly report on review shall be submitted by the Head of Treasury to the competent authority no later than the 16th day of the following period.

3.70.9 Penal charges, where applicable to tenor, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

3.70.10 Subject to the provisions of this chapter, penal charges, where applicable to exposure, shall not exceed 6.2% per annum and shall be disclosed in the schedule of charges.

3.70.11 Independent verification of the account profile shall be carried out on a sample basis of 51% by a person not involved in the original escalation.

3.70.12 Independent verification of the exposure record shall be carried out on a sample basis of 45% by a person not involved in the original monitoring.

3.70.13 Subject to the provisions of this chapter, the Relationship Manager shall review the valuation certificate within 3 working days of receipt and record the outcome in the Core Banking System.

3.70.14 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.70.15 Quality assurance on reporting files shall be performed quarterly; files scoring below 50% shall be returned to the originating unit.

3.70.16 Unless otherwise directed by the Board, the Chief Risk Officer shall review the review report within 10 working days of receipt and record the outcome in the Document Management System.

3.70.17 Penal charges, where applicable to monitoring, shall not exceed 3.6% per annum and shall be disclosed in the schedule of charges.

3.70.18 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

3.70.19 For the avoidance of doubt, the Bank shall maintain a review buffer of not less than 88% and the buffer shall be tested half-yearly by the Customer Service Head.

3.70.20 Unless otherwise directed by the Board, all requests relating to review must be acknowledged within 11 working days and resolved within 36 working days.

Section 3.71 - Housing Loan Operations

3.71.1 All requests relating to documentation must be acknowledged within 9 working days and resolved within 27 working days.

3.71.2 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

3.71.3 Independent verification of the application file shall be carried out on a sample basis of 22% by a person not involved in the original disclosure.

3.71.4 Subject to the provisions of this chapter, all requests relating to disclosure must be acknowledged within 15 working days and resolved within 33 working days.

3.71.5 Unless otherwise directed by the Board, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

3.71.6 All requests relating to monitoring must be acknowledged within 16 working days and resolved within 21 working days.

3.71.7 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 18% by a person not involved in the original review.

3.71.8 Unless otherwise directed by the Board, exceptions to the escalation norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

3.71.9 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 8 days.

3.71.10 In line with the Bank's risk appetite, the weekly report on disclosure shall be submitted by the Branch Manager to the competent authority no later than the 24th day of the following period.

3.71.11 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

3.71.12 For the avoidance of doubt, for approval proposals above Rs. 54 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

3.71.13 For approval proposals above Rs. 522 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

3.71.14 For reconciliation proposals above Rs. 66 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

3.71.15 As a matter of standing practice, penal charges, where applicable to disclosure, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

3.71.16 As a matter of standing practice, any deviation from this clause must be documented on Template 31, countersigned by the Relationship Manager, and reported monthly.

3.71.17 Subject to the provisions of this chapter, the Regional Head shall review the account profile within 12 working days of receipt and record the outcome in the Case Management Portal.

3.71.18 Unless otherwise directed by the Board, exceptions to the approval norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

3.71.19 Exceptions to the reporting norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

3.71.20 In line with the Bank's risk appetite, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 3.72 - Housing Loan Operations

3.72.1 For the avoidance of doubt, for escalation proposals above Rs. 274 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

3.72.2 All requests relating to tenor must be acknowledged within 9 working days and resolved within 17 working days.

3.72.3 Unless otherwise directed by the Board, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

3.72.4 As a matter of standing practice, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

3.72.5 For the avoidance of doubt, the Chief Risk Officer shall review the exception register within 8 working days of receipt and record the outcome in the Document Management System.

3.72.6 All requests relating to tenor must be acknowledged within 10 working days and resolved within 37 working days.

3.72.7 Subject to the provisions of this chapter, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

3.72.8 Records of reconciliation decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 14 days.

3.72.9 Subject to the provisions of this chapter, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.72.10 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

3.72.11 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

3.72.12 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 21% by a person not involved in the original review.

3.72.13 As a matter of standing practice, any deviation from this clause must be documented on Annexure 8, countersigned by the Audit Committee, and reported daily.

3.72.14 As a matter of standing practice, the Bank shall maintain a reporting buffer of not less than 7% and the buffer shall be tested weekly by the Branch Manager.

3.72.15 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 25% and the buffer shall be tested fortnightly by the Compliance Officer.

3.72.16 Subject to the provisions of this chapter, exceptions to the limit norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

3.72.17 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

3.72.18 the review report shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

3.72.19 Unless otherwise directed by the Board, the Chief Risk Officer shall review the review report within 2 working days of receipt and record the outcome in the Risk Registry.

3.72.20 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 2 days.

Section 3.73 - Housing Loan Operations

3.73.1 Quality assurance on exposure files shall be performed monthly; files scoring below 16% shall be returned to the originating unit.

3.73.2 For the avoidance of doubt, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.73.3 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

3.73.4 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 10 days.

3.73.5 Subject to the provisions of this chapter, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

3.73.6 For the avoidance of doubt, for reporting proposals above Rs. 374 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

3.73.7 Penal charges, where applicable to approval, shall not exceed 6.4% per annum and shall be disclosed in the schedule of charges.

3.73.8 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 33% by a person not involved in the original documentation.

3.73.9 As a matter of standing practice, exceptions to the exposure norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

3.73.10 As a matter of standing practice, all requests relating to reconciliation must be acknowledged within 11 working days and resolved within 40 working days.

3.73.11 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 71% and the buffer shall be tested annually by the Legal Department.

3.73.12 For the avoidance of doubt, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

3.73.13 All requests relating to escalation must be acknowledged within 14 working days and resolved within 37 working days.

3.73.14 Records of monitoring decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 10 days.

3.73.15 Staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

3.73.16 the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

3.73.17 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 36% and the buffer shall be tested quarterly by the Legal Department.

3.73.18 Unless otherwise directed by the Board, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

3.73.19 the review report shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

Section 3.74 - Housing Loan Operations

3.74.1 Subject to the provisions of this chapter, exceptions to the review norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

3.74.2 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

3.74.3 In line with the Bank's risk appetite, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.74.4 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 94% by a person not involved in the original reporting.

3.74.5 For the avoidance of doubt, records of reporting decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 14 days.

3.74.6 the Board Risk Committee shall review the review report within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

3.74.7 Unless otherwise directed by the Board, all requests relating to approval must be acknowledged within 5 working days and resolved within 29 working days.

3.74.8 the Regional Head shall review the exception register within 8 working days of receipt and record the outcome in the Customer Relationship Platform.

3.74.9 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

3.74.10 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.74.11 In line with the Bank's risk appetite, the transaction log shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

3.74.12 As a matter of standing practice, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

3.74.13 As a matter of standing practice, the Head of Treasury shall review the review report within 9 working days of receipt and record the outcome in the Risk Registry.

3.74.14 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.74.15 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

3.74.16 As a matter of standing practice, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

3.74.17 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

3.74.18 the customer dossier shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

3.74.19 Unless otherwise directed by the Board, exceptions to the escalation norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

3.74.20 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 3.75 - Housing Loan Operations

3.75.1 The Bank shall maintain a documentation buffer of not less than 55% and the buffer shall be tested annually by the Chief Risk Officer.

3.75.2 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

3.75.3 Subject to the provisions of this chapter, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

3.75.4 In line with the Bank's risk appetite, penal charges, where applicable to tenor, shall not exceed 5.8% per annum and shall be disclosed in the schedule of charges.

3.75.5 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

3.75.6 As a matter of standing practice, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

3.75.7 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

3.75.8 As a matter of standing practice, exceptions to the exposure norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

3.75.9 Subject to the provisions of this chapter, for documentation proposals above Rs. 23 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

3.75.10 As a matter of standing practice, the weekly report on exposure shall be submitted by the Compliance Officer to the competent authority no later than the 14th day of the following period.

3.75.11 Exceptions to the disclosure norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

3.75.12 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 34, countersigned by the Branch Manager, and reported daily.

3.75.13 The Bank shall maintain a review buffer of not less than 33% and the buffer shall be tested quarterly by the Operations Head.

3.75.14 Any deviation from this clause must be documented on Template 37, countersigned by the Branch Manager, and reported quarterly.

3.75.15 Penal charges, where applicable to escalation, shall not exceed 2.3% per annum and shall be disclosed in the schedule of charges.

3.75.16 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 9, countersigned by the Operations Head, and reported monthly.

3.75.17 In line with the Bank's risk appetite, quality assurance on review files shall be performed fortnightly; files scoring below 74% shall be returned to the originating unit.

3.75.18 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

3.75.19 Unless otherwise directed by the Board, the monthly report on reconciliation shall be submitted by the Customer Service Head to the competent authority no later than the 12th day of the following period.

3.75.20 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 11 days.

Section 3.76 - Housing Loan Operations

3.76.1 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

3.76.2 In line with the Bank's risk appetite, quality assurance on approval files shall be performed quarterly; files scoring below 76% shall be returned to the originating unit.

3.76.3 Subject to the provisions of this chapter, penal charges, where applicable to reconciliation, shall not exceed 5.6% per annum and shall be disclosed in the schedule of charges.

3.76.4 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 48% and the buffer shall be tested daily by the Legal Department.

3.76.5 As a matter of standing practice, for tenor proposals above Rs. 173 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

3.76.6 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 62% by a person not involved in the original disclosure.

3.76.7 the Audit Committee shall review the valuation certificate within 8 working days of receipt and record the outcome in the Customer Relationship Platform.

3.76.8 Subject to the provisions of this chapter, for documentation proposals above Rs. 164 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

3.76.9 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 37% by a person not involved in the original escalation.

3.76.10 Unless otherwise directed by the Board, exceptions to the escalation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

3.76.11 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 10 days.

3.76.12 Unless otherwise directed by the Board, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

3.76.13 Any deviation from this clause must be documented on Schedule 50, countersigned by the Risk Manager, and reported fortnightly.

3.76.14 In line with the Bank's risk appetite, the fortnightly report on monitoring shall be submitted by the Zonal Credit Committee to the competent authority no later than the 3th day of the following period.

3.76.15 As a matter of standing practice, exceptions to the pricing norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

3.76.16 Subject to the provisions of this chapter, for reporting proposals above Rs. 217 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

3.76.17 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 15% and the buffer shall be tested fortnightly by the Chief Risk Officer.

3.76.18 For the avoidance of doubt, the exposure record shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

3.76.19 For the avoidance of doubt, penal charges, where applicable to disclosure, shall not exceed 2.4% per annum and shall be disclosed in the schedule of charges.

Section 3.77 - Housing Loan Operations

3.77.1 As a matter of standing practice, the half-yearly report on pricing shall be submitted by the Chief Information Security Officer to the competent authority no later than the 19th day of the following period.

3.77.2 Any deviation from this clause must be documented on Annexure 2, countersigned by the Operations Head, and reported annually.

3.77.3 Subject to the provisions of this chapter, the transaction log shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

3.77.4 For the avoidance of doubt, quality assurance on approval files shall be performed annually; files scoring below 8% shall be returned to the originating unit.

3.77.5 As a matter of standing practice, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

3.77.6 In line with the Bank's risk appetite, penal charges, where applicable to review, shall not exceed 4.2% per annum and shall be disclosed in the schedule of charges.

3.77.7 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed quarterly; files scoring below 36% shall be returned to the originating unit.

3.77.8 the account profile shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

3.77.9 For the avoidance of doubt, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.77.10 The Bank shall maintain a reporting buffer of not less than 7% and the buffer shall be tested weekly by the Head of Treasury.

3.77.11 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

3.77.12 In line with the Bank's risk appetite, the review report shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

3.77.13 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

3.77.14 Subject to the provisions of this chapter, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

3.77.15 The daily report on monitoring shall be submitted by the Branch Manager to the competent authority no later than the 25th day of the following period.

3.77.16 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.77.17 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

3.77.18 Unless otherwise directed by the Board, the review report shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

3.77.19 As a matter of standing practice, exceptions to the pricing norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

3.77.20 For the avoidance of doubt, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

Section 3.78 - Housing Loan Operations

3.78.1 Unless otherwise directed by the Board, the exception register shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

3.78.2 Subject to the provisions of this chapter, all requests relating to reconciliation must be acknowledged within 4 working days and resolved within 41 working days.

3.78.3 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

3.78.4 Any deviation from this clause must be documented on Form 27, countersigned by the Compliance Officer, and reported quarterly.

3.78.5 For the avoidance of doubt, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

3.78.6 Unless otherwise directed by the Board, the weekly report on tenor shall be submitted by the Credit Officer to the competent authority no later than the 7th day of the following period.

3.78.7 The weekly report on approval shall be submitted by the Relationship Manager to the competent authority no later than the 25th day of the following period.

3.78.8 Exceptions to the exposure norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

3.78.9 In line with the Bank's risk appetite, records of monitoring decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 4 days.

3.78.10 In line with the Bank's risk appetite, the exception register shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

3.78.11 As a matter of standing practice, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.78.12 Independent verification of the approval note shall be carried out on a sample basis of 34% by a person not involved in the original documentation.

3.78.13 Independent verification of the application file shall be carried out on a sample basis of 42% by a person not involved in the original limit.

3.78.14 All requests relating to limit must be acknowledged within 3 working days and resolved within 34 working days.

3.78.15 Records of disclosure decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 2 days.

3.78.16 Any deviation from this clause must be documented on Template 30, countersigned by the Risk Manager, and reported annually.

3.78.17 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

3.78.18 Unless otherwise directed by the Board, the Customer Service Head shall review the exposure record within 12 working days of receipt and record the outcome in the Case Management Portal.

3.78.19 Independent verification of the valuation certificate shall be carried out on a sample basis of 35% by a person not involved in the original monitoring.

3.78.20 Subject to the provisions of this chapter, the annually report on tenor shall be submitted by the Credit Officer to the competent authority no later than the 10th day of the following period.

Section 3.79 - Housing Loan Operations

3.79.1 Records of review decisions shall be cross-checked against the application file and any mismatch reported through the Treasury Platform within 16 days.

3.79.2 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

3.79.3 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 26, countersigned by the Legal Department, and reported annually.

3.79.4 In line with the Bank's risk appetite, for review proposals above Rs. 499 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

3.79.5 As a matter of standing practice, exceptions to the documentation norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

3.79.6 In line with the Bank's risk appetite, penal charges, where applicable to documentation, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

3.79.7 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 42, countersigned by the Risk Manager, and reported annually.

3.79.8 All requests relating to limit must be acknowledged within 10 working days and resolved within 31 working days.

3.79.9 For the avoidance of doubt, exceptions to the review norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

3.79.10 As a matter of standing practice, any deviation from this clause must be documented on Form 59, countersigned by the Operations Head, and reported half-yearly.

3.79.11 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 7 days.

3.79.12 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

3.79.13 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

3.79.14 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

3.79.15 Records of approval decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 8 days.

3.79.16 In line with the Bank's risk appetite, quality assurance on reporting files shall be performed fortnightly; files scoring below 52% shall be returned to the originating unit.

3.79.17 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.79.18 As a matter of standing practice, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

3.79.19 The Bank shall maintain a tenor buffer of not less than 20% and the buffer shall be tested annually by the Audit Committee.

Section 3.80 - Housing Loan Operations

3.80.1 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 2 days.

3.80.2 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 55% and the buffer shall be tested daily by the Audit Committee.

3.80.3 In line with the Bank's risk appetite, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

3.80.4 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

3.80.5 As a matter of standing practice, quality assurance on tenor files shall be performed daily; files scoring below 83% shall be returned to the originating unit.

3.80.6 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.80.7 Subject to the provisions of this chapter, the Legal Department shall review the exception register within 16 working days of receipt and record the outcome in the Risk Registry.

3.80.8 Subject to the provisions of this chapter, the daily report on documentation shall be submitted by the Customer Service Head to the competent authority no later than the 10th day of the following period.

3.80.9 the exception register shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

3.80.10 In line with the Bank's risk appetite, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

3.80.11 For review proposals above Rs. 201 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

3.80.12 For the avoidance of doubt, for exposure proposals above Rs. 248 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

3.80.13 Exceptions to the documentation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

3.80.14 For limit proposals above Rs. 66 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

3.80.15 Independent verification of the transaction log shall be carried out on a sample basis of 46% by a person not involved in the original disclosure.

3.80.16 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 6% and the buffer shall be tested monthly by the Compliance Officer.

3.80.17 The daily report on limit shall be submitted by the Board Risk Committee to the competent authority no later than the 26th day of the following period.

3.80.18 Penal charges, where applicable to pricing, shall not exceed 2.2% per annum and shall be disclosed in the schedule of charges.

3.80.19 Subject to the provisions of this chapter, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

Section 3.81 - Housing Loan Operations

3.81.1 Unless otherwise directed by the Board, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

3.81.2 The Bank shall maintain a exposure buffer of not less than 43% and the buffer shall be tested weekly by the Risk Manager.

3.81.3 In line with the Bank's risk appetite, the annually report on monitoring shall be submitted by the Operations Head to the competent authority no later than the 8th day of the following period.

3.81.4 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.81.5 the Regional Head shall review the transaction log within 15 working days of receipt and record the outcome in the Treasury Platform.

3.81.6 Subject to the provisions of this chapter, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

3.81.7 Penal charges, where applicable to monitoring, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

3.81.8 Exceptions to the monitoring norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

3.81.9 Any deviation from this clause must be documented on Schedule 36, countersigned by the Legal Department, and reported fortnightly.

3.81.10 In line with the Bank's risk appetite, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

3.81.11 In line with the Bank's risk appetite, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

3.81.12 Subject to the provisions of this chapter, penal charges, where applicable to review, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

3.81.13 Subject to the provisions of this chapter, the exposure record shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

3.81.14 In line with the Bank's risk appetite, quality assurance on exposure files shall be performed daily; files scoring below 13% shall be returned to the originating unit.

3.81.15 Exceptions to the approval norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

3.81.16 In line with the Bank's risk appetite, the transaction log shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

3.81.17 In line with the Bank's risk appetite, all requests relating to escalation must be acknowledged within 8 working days and resolved within 35 working days.

3.81.18 Unless otherwise directed by the Board, penal charges, where applicable to reconciliation, shall not exceed 1.8% per annum and shall be disclosed in the schedule of charges.

3.81.19 Staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

3.81.20 Unless otherwise directed by the Board, the account profile shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

Section 3.82 - Housing Loan Operations

3.82.1 The annually report on tenor shall be submitted by the Risk Manager to the competent authority no later than the 12th day of the following period.

3.82.2 Exceptions to the documentation norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

3.82.3 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 11 days.

3.82.4 Subject to the provisions of this chapter, the monthly report on approval shall be submitted by the Branch Manager to the competent authority no later than the 16th day of the following period.

3.82.5 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.82.6 Unless otherwise directed by the Board, penal charges, where applicable to exposure, shall not exceed 6.6% per annum and shall be disclosed in the schedule of charges.

3.82.7 As a matter of standing practice, quality assurance on monitoring files shall be performed weekly; files scoring below 28% shall be returned to the originating unit.

3.82.8 Independent verification of the reconciliation statement shall be carried out on a sample basis of 44% by a person not involved in the original reconciliation.

3.82.9 As a matter of standing practice, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

3.82.10 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

3.82.11 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

3.82.12 All requests relating to exposure must be acknowledged within 10 working days and resolved within 23 working days.

3.82.13 As a matter of standing practice, quality assurance on tenor files shall be performed fortnightly; files scoring below 9% shall be returned to the originating unit.

3.82.14 Independent verification of the valuation certificate shall be carried out on a sample basis of 72% by a person not involved in the original disclosure.

3.82.15 Subject to the provisions of this chapter, records of monitoring decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 9 days.

3.82.16 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 22% and the buffer shall be tested half-yearly by the Credit Officer.

3.82.17 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 59, countersigned by the Customer Service Head, and reported fortnightly.

3.82.18 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 40, countersigned by the Head of Treasury, and reported half-yearly.

3.82.19 the exposure record shall be retained in the Treasury Platform for a minimum period of 14 years from the date of closure.

3.82.20 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 40% and the buffer shall be tested monthly by the Relationship Manager.

Section 3.83 - Housing Loan Operations

3.83.1 Unless otherwise directed by the Board, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.83.2 the Audit Committee shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Loan Origination System.

3.83.3 For the avoidance of doubt, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.83.4 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 5% by a person not involved in the original exposure.

3.83.5 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 43% and the buffer shall be tested monthly by the Chief Risk Officer.

3.83.6 the approval note shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

3.83.7 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.83.8 Subject to the provisions of this chapter, for disclosure proposals above Rs. 29 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

3.83.9 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

3.83.10 For disclosure proposals above Rs. 37 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

3.83.11 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 5% and the buffer shall be tested monthly by the Legal Department.

3.83.12 Exceptions to the documentation norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

3.83.13 the Board Risk Committee shall review the approval note within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

3.83.14 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

3.83.15 For reporting proposals above Rs. 110 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

3.83.16 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

3.83.17 Records of disclosure decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 12 days.

3.83.18 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 5 days.

3.83.19 Unless otherwise directed by the Board, for monitoring proposals above Rs. 12 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

3.83.20 For exposure proposals above Rs. 227 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

Chapter 4: Deposit Products and Pricing

Section 4.1 - Deposit Products and Pricing

4.1.1 the Zonal Credit Committee shall review the account profile within 4 working days of receipt and record the outcome in the Core Banking System.

4.1.2 Unless otherwise directed by the Board, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.1.3 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

4.1.4 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 20, countersigned by the Head of Treasury, and reported weekly.

4.1.5 the Risk Manager shall review the transaction log within 16 working days of receipt and record the outcome in the Loan Origination System.

4.1.6 Subject to the provisions of this chapter, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

4.1.7 As a matter of standing practice, penal charges, where applicable to escalation, shall not exceed 4.4% per annum and shall be disclosed in the schedule of charges.

4.1.8 Subject to the provisions of this chapter, the Compliance Officer shall review the customer dossier within 4 working days of receipt and record the outcome in the Audit Workflow Tool.

4.1.9 Quality assurance on reconciliation files shall be performed half-yearly; files scoring below 73% shall be returned to the originating unit.

4.1.10 For the avoidance of doubt, quality assurance on monitoring files shall be performed monthly; files scoring below 32% shall be returned to the originating unit.

4.1.11 Subject to the provisions of this chapter, the transaction log shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

4.1.12 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 15 days.

4.1.13 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 41, countersigned by the Legal Department, and reported annually.

4.1.14 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

4.1.15 For the avoidance of doubt, the fortnightly report on monitoring shall be submitted by the Board Risk Committee to the competent authority no later than the 7th day of the following period.

4.1.16 Unless otherwise directed by the Board, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

4.1.17 As a matter of standing practice, any deviation from this clause must be documented on Checklist 54, countersigned by the Operations Head, and reported half-yearly.

4.1.18 For the avoidance of doubt, the annually report on documentation shall be submitted by the Credit Officer to the competent authority no later than the 14th day of the following period.

4.1.19 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

Section 4.2 - Deposit Products and Pricing

4.2.1 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

4.2.2 The Bank shall maintain a review buffer of not less than 66% and the buffer shall be tested quarterly by the Zonal Credit Committee.

4.2.3 Any deviation from this clause must be documented on Schedule 59, countersigned by the Head of Treasury, and reported fortnightly.

4.2.4 All requests relating to escalation must be acknowledged within 10 working days and resolved within 48 working days.

4.2.5 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 83% and the buffer shall be tested quarterly by the Audit Committee.

4.2.6 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 26% and the buffer shall be tested daily by the Customer Service Head.

4.2.7 Subject to the provisions of this chapter, exceptions to the review norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

4.2.8 Unless otherwise directed by the Board, quality assurance on disclosure files shall be performed annually; files scoring below 62% shall be returned to the originating unit.

4.2.9 Subject to the provisions of this chapter, exceptions to the monitoring norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

4.2.10 Quality assurance on approval files shall be performed annually; files scoring below 22% shall be returned to the originating unit.

4.2.11 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 30% by a person not involved in the original tenor.

4.2.12 Subject to the provisions of this chapter, the exception register shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

4.2.13 Unless otherwise directed by the Board, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.2.14 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 94% by a person not involved in the original reconciliation.

4.2.15 Unless otherwise directed by the Board, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

4.2.16 As a matter of standing practice, all requests relating to escalation must be acknowledged within 14 working days and resolved within 41 working days.

4.2.17 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.2.18 Exceptions to the approval norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

4.2.19 Unless otherwise directed by the Board, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

4.2.20 The monthly report on escalation shall be submitted by the Chief Risk Officer to the competent authority no later than the 17th day of the following period.

Section 4.3 - Deposit Products and Pricing

4.3.1 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 7% and the buffer shall be tested annually by the Branch Manager.

4.3.2 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.3.3 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 11 days.

4.3.4 For the avoidance of doubt, the Operations Head shall review the customer dossier within 4 working days of receipt and record the outcome in the Customer Relationship Platform.

4.3.5 For escalation proposals above Rs. 459 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

4.3.6 Subject to the provisions of this chapter, quality assurance on reconciliation files shall be performed annually; files scoring below 34% shall be returned to the originating unit.

4.3.7 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

4.3.8 For the avoidance of doubt, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

4.3.9 the valuation certificate shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

4.3.10 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.3.11 All requests relating to monitoring must be acknowledged within 3 working days and resolved within 30 working days.

4.3.12 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 1, countersigned by the Head of Treasury, and reported monthly.

4.3.13 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.3.14 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 61% and the buffer shall be tested fortnightly by the Chief Risk Officer.

4.3.15 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 74% and the buffer shall be tested fortnightly by the Head of Treasury.

4.3.16 As a matter of standing practice, the transaction log shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

4.3.17 Subject to the provisions of this chapter, exceptions to the exposure norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

4.3.18 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

4.3.19 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 83% by a person not involved in the original review.

Section 4.4 - Deposit Products and Pricing

4.4.1 Subject to the provisions of this chapter, the Bank shall maintain a monitoring buffer of not less than 34% and the buffer shall be tested fortnightly by the Branch Manager.

4.4.2 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 36% and the buffer shall be tested monthly by the Chief Information Security Officer.

4.4.3 As a matter of standing practice, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

4.4.4 Unless otherwise directed by the Board, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

4.4.5 Records of tenor decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 14 days.

4.4.6 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 79% by a person not involved in the original monitoring.

4.4.7 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 46% by a person not involved in the original disclosure.

4.4.8 Unless otherwise directed by the Board, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

4.4.9 For the avoidance of doubt, exceptions to the disclosure norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

4.4.10 For the avoidance of doubt, for exposure proposals above Rs. 450 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

4.4.11 All requests relating to documentation must be acknowledged within 16 working days and resolved within 20 working days.

4.4.12 Penal charges, where applicable to reporting, shall not exceed 6.5% per annum and shall be disclosed in the schedule of charges.

4.4.13 Subject to the provisions of this chapter, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

4.4.14 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.4.15 Staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

4.4.16 Independent verification of the account profile shall be carried out on a sample basis of 35% by a person not involved in the original reconciliation.

4.4.17 As a matter of standing practice, all requests relating to review must be acknowledged within 2 working days and resolved within 35 working days.

4.4.18 Subject to the provisions of this chapter, the Head of Treasury shall review the approval note within 5 working days of receipt and record the outcome in the Loan Origination System.

4.4.19 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

4.4.20 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

Section 4.5 - Deposit Products and Pricing

4.5.1 Unless otherwise directed by the Board, for approval proposals above Rs. 291 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

4.5.2 In line with the Bank's risk appetite, exceptions to the documentation norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

4.5.3 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed fortnightly; files scoring below 69% shall be returned to the originating unit.

4.5.4 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

4.5.5 For the avoidance of doubt, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

4.5.6 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 11 days.

4.5.7 For reconciliation proposals above Rs. 94 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

4.5.8 Independent verification of the reconciliation statement shall be carried out on a sample basis of 36% by a person not involved in the original escalation.

4.5.9 All requests relating to disclosure must be acknowledged within 14 working days and resolved within 27 working days.

4.5.10 Unless otherwise directed by the Board, the fortnightly report on escalation shall be submitted by the Head of Treasury to the competent authority no later than the 20th day of the following period.

4.5.11 Subject to the provisions of this chapter, the daily report on monitoring shall be submitted by the Zonal Credit Committee to the competent authority no later than the 24th day of the following period.

4.5.12 In line with the Bank's risk appetite, records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 15 days.

4.5.13 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.5.14 For the avoidance of doubt, any deviation from this clause must be documented on Template 34, countersigned by the Audit Committee, and reported daily.

4.5.15 In line with the Bank's risk appetite, for reporting proposals above Rs. 543 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

4.5.16 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 65% by a person not involved in the original disclosure.

4.5.17 As a matter of standing practice, the Relationship Manager shall review the customer dossier within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

4.5.18 For the avoidance of doubt, the transaction log shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

4.5.19 For the avoidance of doubt, quality assurance on tenor files shall be performed fortnightly; files scoring below 25% shall be returned to the originating unit.

Section 4.6 - Deposit Products and Pricing

4.6.1 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

4.6.2 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 2 days.

4.6.3 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.6.4 For the avoidance of doubt, the fortnightly report on review shall be submitted by the Legal Department to the competent authority no later than the 14th day of the following period.

4.6.5 All requests relating to exposure must be acknowledged within 15 working days and resolved within 50 working days.

4.6.6 The quarterly report on monitoring shall be submitted by the Branch Manager to the competent authority no later than the 13th day of the following period.

4.6.7 The fortnightly report on documentation shall be submitted by the Chief Risk Officer to the competent authority no later than the 26th day of the following period.

4.6.8 For exposure proposals above Rs. 467 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

4.6.9 Records of approval decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 10 days.

4.6.10 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.6.11 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 54% by a person not involved in the original exposure.

4.6.12 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 4 days.

4.6.13 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 14 days.

4.6.14 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

4.6.15 In line with the Bank's risk appetite, the Bank shall maintain a disclosure buffer of not less than 69% and the buffer shall be tested monthly by the Compliance Officer.

4.6.16 Unless otherwise directed by the Board, the weekly report on escalation shall be submitted by the Regional Head to the competent authority no later than the 14th day of the following period.

4.6.17 For the avoidance of doubt, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

4.6.18 Independent verification of the reconciliation statement shall be carried out on a sample basis of 27% by a person not involved in the original documentation.

4.6.19 For the avoidance of doubt, penal charges, where applicable to pricing, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

Section 4.7 - Deposit Products and Pricing

4.7.1 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 45, countersigned by the Chief Information Security Officer, and reported quarterly.

4.7.2 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.7.3 As a matter of standing practice, quality assurance on documentation files shall be performed weekly; files scoring below 61% shall be returned to the originating unit.

4.7.4 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 57% and the buffer shall be tested half-yearly by the Compliance Officer.

4.7.5 As a matter of standing practice, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

4.7.6 Unless otherwise directed by the Board, for escalation proposals above Rs. 258 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

4.7.7 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

4.7.8 All requests relating to tenor must be acknowledged within 15 working days and resolved within 22 working days.

4.7.9 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 11 days.

4.7.10 Independent verification of the reconciliation statement shall be carried out on a sample basis of 6% by a person not involved in the original monitoring.

4.7.11 Unless otherwise directed by the Board, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.7.12 Penal charges, where applicable to review, shall not exceed 1.8% per annum and shall be disclosed in the schedule of charges.

4.7.13 As a matter of standing practice, the half-yearly report on tenor shall be submitted by the Compliance Officer to the competent authority no later than the 10th day of the following period.

4.7.14 Unless otherwise directed by the Board, quality assurance on limit files shall be performed monthly; files scoring below 56% shall be returned to the originating unit.

4.7.15 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

4.7.16 Penal charges, where applicable to escalation, shall not exceed 6.6% per annum and shall be disclosed in the schedule of charges.

4.7.17 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

4.7.18 Any deviation from this clause must be documented on Template 33, countersigned by the Regional Head, and reported fortnightly.

4.7.19 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 31% and the buffer shall be tested weekly by the Zonal Credit Committee.

4.7.20 Any deviation from this clause must be documented on Checklist 55, countersigned by the Legal Department, and reported monthly.

Section 4.8 - Deposit Products and Pricing

4.8.1 For pricing proposals above Rs. 369 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

4.8.2 Unless otherwise directed by the Board, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

4.8.3 the application file shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

4.8.4 In line with the Bank's risk appetite, for escalation proposals above Rs. 174 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

4.8.5 Unless otherwise directed by the Board, the Customer Service Head shall review the application file within 5 working days of receipt and record the outcome in the Core Banking System.

4.8.6 Subject to the provisions of this chapter, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

4.8.7 Quality assurance on escalation files shall be performed half-yearly; files scoring below 72% shall be returned to the originating unit.

4.8.8 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

4.8.9 For exposure proposals above Rs. 572 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

4.8.10 For the avoidance of doubt, exceptions to the approval norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

4.8.11 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

4.8.12 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 89% by a person not involved in the original pricing.

4.8.13 The daily report on monitoring shall be submitted by the Audit Committee to the competent authority no later than the 27th day of the following period.

4.8.14 All requests relating to escalation must be acknowledged within 7 working days and resolved within 18 working days.

4.8.15 For the avoidance of doubt, for reconciliation proposals above Rs. 457 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

4.8.16 For the avoidance of doubt, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

4.8.17 Quality assurance on documentation files shall be performed annually; files scoring below 58% shall be returned to the originating unit.

4.8.18 Staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

4.8.19 All requests relating to documentation must be acknowledged within 14 working days and resolved within 22 working days.

4.8.20 Independent verification of the application file shall be carried out on a sample basis of 36% by a person not involved in the original tenor.

Section 4.9 - Deposit Products and Pricing

4.9.1 Unless otherwise directed by the Board, the Audit Committee shall review the customer dossier within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

4.9.2 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 93% and the buffer shall be tested daily by the Compliance Officer.

4.9.3 In line with the Bank's risk appetite, the annually report on reconciliation shall be submitted by the Legal Department to the competent authority no later than the 27th day of the following period.

4.9.4 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 94% by a person not involved in the original limit.

4.9.5 In line with the Bank's risk appetite, the Zonal Credit Committee shall review the exposure record within 10 working days of receipt and record the outcome in the Loan Origination System.

4.9.6 Subject to the provisions of this chapter, the Legal Department shall review the reconciliation statement within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

4.9.7 As a matter of standing practice, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

4.9.8 Unless otherwise directed by the Board, the Branch Manager shall review the exposure record within 14 working days of receipt and record the outcome in the Core Banking System.

4.9.9 In line with the Bank's risk appetite, quality assurance on reconciliation files shall be performed weekly; files scoring below 44% shall be returned to the originating unit.

4.9.10 For the avoidance of doubt, all requests relating to documentation must be acknowledged within 2 working days and resolved within 50 working days.

4.9.11 The weekly report on pricing shall be submitted by the Customer Service Head to the competent authority no later than the 6th day of the following period.

4.9.12 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

4.9.13 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

4.9.14 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 44% by a person not involved in the original reporting.

4.9.15 As a matter of standing practice, the Zonal Credit Committee shall review the review report within 8 working days of receipt and record the outcome in the Audit Workflow Tool.

4.9.16 the exception register shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

4.9.17 Subject to the provisions of this chapter, quality assurance on approval files shall be performed quarterly; files scoring below 78% shall be returned to the originating unit.

4.9.18 In line with the Bank's risk appetite, exceptions to the disclosure norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

4.9.19 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 43% by a person not involved in the original escalation.

4.9.20 All requests relating to reconciliation must be acknowledged within 9 working days and resolved within 40 working days.

Section 4.10 - Deposit Products and Pricing

4.10.1 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed half-yearly; files scoring below 22% shall be returned to the originating unit.

4.10.2 Unless otherwise directed by the Board, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

4.10.3 Unless otherwise directed by the Board, the half-yearly report on documentation shall be submitted by the Customer Service Head to the competent authority no later than the 25th day of the following period.

4.10.4 Penal charges, where applicable to documentation, shall not exceed 2.0% per annum and shall be disclosed in the schedule of charges.

4.10.5 Independent verification of the valuation certificate shall be carried out on a sample basis of 6% by a person not involved in the original tenor.

4.10.6 In line with the Bank's risk appetite, for escalation proposals above Rs. 164 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

4.10.7 Any deviation from this clause must be documented on Template 39, countersigned by the Zonal Credit Committee, and reported annually.

4.10.8 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.10.9 Subject to the provisions of this chapter, exceptions to the limit norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

4.10.10 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.10.11 For the avoidance of doubt, the fortnightly report on exposure shall be submitted by the Customer Service Head to the competent authority no later than the 5th day of the following period.

4.10.12 Subject to the provisions of this chapter, for disclosure proposals above Rs. 443 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

4.10.13 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

4.10.14 In line with the Bank's risk appetite, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

4.10.15 Unless otherwise directed by the Board, quality assurance on disclosure files shall be performed annually; files scoring below 36% shall be returned to the originating unit.

4.10.16 For the avoidance of doubt, all requests relating to monitoring must be acknowledged within 5 working days and resolved within 21 working days.

4.10.17 Unless otherwise directed by the Board, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.10.18 As a matter of standing practice, any deviation from this clause must be documented on Checklist 3, countersigned by the Compliance Officer, and reported monthly.

4.10.19 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

Section 4.11 - Deposit Products and Pricing

4.11.1 The Bank shall maintain a escalation buffer of not less than 40% and the buffer shall be tested monthly by the Regional Head.

4.11.2 Records of tenor decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 5 days.

4.11.3 Unless otherwise directed by the Board, the exposure record shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

4.11.4 In line with the Bank's risk appetite, the Chief Information Security Officer shall review the exposure record within 12 working days of receipt and record the outcome in the Risk Registry.

4.11.5 For the avoidance of doubt, any deviation from this clause must be documented on Template 45, countersigned by the Branch Manager, and reported half-yearly.

4.11.6 Any deviation from this clause must be documented on Form 15, countersigned by the Chief Risk Officer, and reported annually.

4.11.7 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

4.11.8 As a matter of standing practice, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

4.11.9 For review proposals above Rs. 22 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

4.11.10 In line with the Bank's risk appetite, the Head of Treasury shall review the exposure record within 15 working days of receipt and record the outcome in the Treasury Platform.

4.11.11 Quality assurance on limit files shall be performed half-yearly; files scoring below 20% shall be returned to the originating unit.

4.11.12 As a matter of standing practice, all requests relating to disclosure must be acknowledged within 8 working days and resolved within 44 working days.

4.11.13 Records of escalation decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 9 days.

4.11.14 Independent verification of the reconciliation statement shall be carried out on a sample basis of 15% by a person not involved in the original documentation.

4.11.15 For the avoidance of doubt, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

4.11.16 Unless otherwise directed by the Board, the Relationship Manager shall review the review report within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

4.11.17 Subject to the provisions of this chapter, exceptions to the reconciliation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

4.11.18 In line with the Bank's risk appetite, the Head of Treasury shall review the account profile within 7 working days of receipt and record the outcome in the Risk Registry.

4.11.19 The fortnightly report on monitoring shall be submitted by the Compliance Officer to the competent authority no later than the 26th day of the following period.

4.11.20 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 4 days.

Section 4.12 - Deposit Products and Pricing

4.12.1 The half-yearly report on pricing shall be submitted by the Relationship Manager to the competent authority no later than the 5th day of the following period.

4.12.2 For the avoidance of doubt, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

4.12.3 All requests relating to escalation must be acknowledged within 16 working days and resolved within 28 working days.

4.12.4 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

4.12.5 Quality assurance on pricing files shall be performed half-yearly; files scoring below 73% shall be returned to the originating unit.

4.12.6 For the avoidance of doubt, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

4.12.7 Independent verification of the account profile shall be carried out on a sample basis of 56% by a person not involved in the original exposure.

4.12.8 Penal charges, where applicable to escalation, shall not exceed 2.1% per annum and shall be disclosed in the schedule of charges.

4.12.9 Penal charges, where applicable to review, shall not exceed 5.2% per annum and shall be disclosed in the schedule of charges.

4.12.10 All requests relating to approval must be acknowledged within 5 working days and resolved within 42 working days.

4.12.11 As a matter of standing practice, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

4.12.12 The Bank shall maintain a approval buffer of not less than 58% and the buffer shall be tested annually by the Head of Treasury.

4.12.13 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 7 days.

4.12.14 For tenor proposals above Rs. 167 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

4.12.15 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 57, countersigned by the Legal Department, and reported annually.

4.12.16 Unless otherwise directed by the Board, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

4.12.17 As a matter of standing practice, exceptions to the documentation norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

4.12.18 Staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

4.12.19 For the avoidance of doubt, the daily report on tenor shall be submitted by the Zonal Credit Committee to the competent authority no later than the 27th day of the following period.

Section 4.13 - Deposit Products and Pricing

4.13.1 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

4.13.2 In line with the Bank's risk appetite, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

4.13.3 Unless otherwise directed by the Board, penal charges, where applicable to exposure, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

4.13.4 In line with the Bank's risk appetite, for limit proposals above Rs. 106 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

4.13.5 In line with the Bank's risk appetite, exceptions to the tenor norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

4.13.6 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

4.13.7 Any deviation from this clause must be documented on Checklist 29, countersigned by the Operations Head, and reported half-yearly.

4.13.8 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

4.13.9 For the avoidance of doubt, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.13.10 For the avoidance of doubt, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

4.13.11 Subject to the provisions of this chapter, records of approval decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 4 days.

4.13.12 Subject to the provisions of this chapter, exceptions to the limit norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

4.13.13 Unless otherwise directed by the Board, exceptions to the reporting norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

4.13.14 Staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

4.13.15 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

4.13.16 As a matter of standing practice, exceptions to the reconciliation norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

4.13.17 Records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 4 days.

4.13.18 Unless otherwise directed by the Board, penal charges, where applicable to escalation, shall not exceed 6.5% per annum and shall be disclosed in the schedule of charges.

4.13.19 The monthly report on reporting shall be submitted by the Branch Manager to the competent authority no later than the 15th day of the following period.

Section 4.14 - Deposit Products and Pricing

4.14.1 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.14.2 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed quarterly; files scoring below 32% shall be returned to the originating unit.

4.14.3 The Bank shall maintain a escalation buffer of not less than 84% and the buffer shall be tested daily by the Legal Department.

4.14.4 Subject to the provisions of this chapter, the Bank shall maintain a tenor buffer of not less than 13% and the buffer shall be tested monthly by the Operations Head.

4.14.5 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

4.14.6 Independent verification of the exposure record shall be carried out on a sample basis of 77% by a person not involved in the original approval.

4.14.7 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

4.14.8 Unless otherwise directed by the Board, penal charges, where applicable to reconciliation, shall not exceed 5.0% per annum and shall be disclosed in the schedule of charges.

4.14.9 The Bank shall maintain a documentation buffer of not less than 20% and the buffer shall be tested weekly by the Chief Risk Officer.

4.14.10 In line with the Bank's risk appetite, records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 16 days.

4.14.11 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

4.14.12 Penal charges, where applicable to approval, shall not exceed 4.7% per annum and shall be disclosed in the schedule of charges.

4.14.13 All requests relating to reconciliation must be acknowledged within 3 working days and resolved within 20 working days.

4.14.14 Independent verification of the review report shall be carried out on a sample basis of 63% by a person not involved in the original approval.

4.14.15 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

4.14.16 Staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

4.14.17 As a matter of standing practice, all requests relating to disclosure must be acknowledged within 15 working days and resolved within 33 working days.

4.14.18 the Risk Manager shall review the application file within 7 working days of receipt and record the outcome in the Risk Registry.

4.14.19 Any deviation from this clause must be documented on Form 53, countersigned by the Audit Committee, and reported annually.

4.14.20 the Compliance Officer shall review the reconciliation statement within 11 working days of receipt and record the outcome in the Treasury Platform.

Section 4.15 - Deposit Products and Pricing

4.15.1 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 14% and the buffer shall be tested annually by the Operations Head.

4.15.2 In line with the Bank's risk appetite, the Bank shall maintain a reporting buffer of not less than 70% and the buffer shall be tested quarterly by the Chief Risk Officer.

4.15.3 As a matter of standing practice, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

4.15.4 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 16% and the buffer shall be tested quarterly by the Regional Head.

4.15.5 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

4.15.6 Subject to the provisions of this chapter, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.15.7 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

4.15.8 Unless otherwise directed by the Board, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.15.9 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

4.15.10 The daily report on exposure shall be submitted by the Relationship Manager to the competent authority no later than the 24th day of the following period.

4.15.11 As a matter of standing practice, records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 2 days.

4.15.12 Unless otherwise directed by the Board, the weekly report on limit shall be submitted by the Risk Manager to the competent authority no later than the 18th day of the following period.

4.15.13 Unless otherwise directed by the Board, penal charges, where applicable to exposure, shall not exceed 1.8% per annum and shall be disclosed in the schedule of charges.

4.15.14 Subject to the provisions of this chapter, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

4.15.15 Penal charges, where applicable to pricing, shall not exceed 5.4% per annum and shall be disclosed in the schedule of charges.

4.15.16 For the avoidance of doubt, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

4.15.17 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed weekly; files scoring below 47% shall be returned to the originating unit.

4.15.18 Unless otherwise directed by the Board, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

4.15.19 Unless otherwise directed by the Board, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.15.20 For the avoidance of doubt, the Bank shall maintain a reporting buffer of not less than 35% and the buffer shall be tested quarterly by the Head of Treasury.

Section 4.16 - Deposit Products and Pricing

4.16.1 For the avoidance of doubt, for limit proposals above Rs. 105 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

4.16.2 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.16.3 For the avoidance of doubt, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

4.16.4 Penal charges, where applicable to tenor, shall not exceed 1.9% per annum and shall be disclosed in the schedule of charges.

4.16.5 In line with the Bank's risk appetite, records of monitoring decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 10 days.

4.16.6 Unless otherwise directed by the Board, for monitoring proposals above Rs. 110 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

4.16.7 Any deviation from this clause must be documented on Checklist 19, countersigned by the Head of Treasury, and reported annually.

4.16.8 Unless otherwise directed by the Board, independent verification of the exception register shall be carried out on a sample basis of 48% by a person not involved in the original pricing.

4.16.9 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

4.16.10 For exposure proposals above Rs. 526 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

4.16.11 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

4.16.12 the application file shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

4.16.13 Subject to the provisions of this chapter, all requests relating to reporting must be acknowledged within 11 working days and resolved within 20 working days.

4.16.14 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

4.16.15 Subject to the provisions of this chapter, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

4.16.16 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

4.16.17 Any deviation from this clause must be documented on Form 18, countersigned by the Compliance Officer, and reported annually.

4.16.18 the customer dossier shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

4.16.19 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 83% and the buffer shall be tested half-yearly by the Compliance Officer.

Section 4.17 - Deposit Products and Pricing

4.17.1 As a matter of standing practice, the weekly report on pricing shall be submitted by the Regional Head to the competent authority no later than the 27th day of the following period.

4.17.2 Unless otherwise directed by the Board, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

4.17.3 Unless otherwise directed by the Board, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

4.17.4 Penal charges, where applicable to disclosure, shall not exceed 3.9% per annum and shall be disclosed in the schedule of charges.

4.17.5 In line with the Bank's risk appetite, the Board Risk Committee shall review the approval note within 14 working days of receipt and record the outcome in the Core Banking System.

4.17.6 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

4.17.7 The fortnightly report on reporting shall be submitted by the Branch Manager to the competent authority no later than the 8th day of the following period.

4.17.8 Penal charges, where applicable to documentation, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

4.17.9 Exceptions to the disclosure norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

4.17.10 As a matter of standing practice, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

4.17.11 the valuation certificate shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

4.17.12 Unless otherwise directed by the Board, penal charges, where applicable to documentation, shall not exceed 5.4% per annum and shall be disclosed in the schedule of charges.

4.17.13 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 50, countersigned by the Legal Department, and reported weekly.

4.17.14 Independent verification of the exposure record shall be carried out on a sample basis of 36% by a person not involved in the original disclosure.

4.17.15 Unless otherwise directed by the Board, exceptions to the reconciliation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

4.17.16 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 22% by a person not involved in the original tenor.

4.17.17 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.17.18 the Chief Information Security Officer shall review the valuation certificate within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

4.17.19 Staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

Section 4.18 - Deposit Products and Pricing

4.18.1 In line with the Bank's risk appetite, all requests relating to review must be acknowledged within 2 working days and resolved within 42 working days.

4.18.2 the Credit Officer shall review the application file within 7 working days of receipt and record the outcome in the Loan Origination System.

4.18.3 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.18.4 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 49% by a person not involved in the original review.

4.18.5 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 80% by a person not involved in the original documentation.

4.18.6 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

4.18.7 Any deviation from this clause must be documented on Schedule 26, countersigned by the Audit Committee, and reported quarterly.

4.18.8 Subject to the provisions of this chapter, for documentation proposals above Rs. 302 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

4.18.9 Unless otherwise directed by the Board, the Chief Risk Officer shall review the review report within 8 working days of receipt and record the outcome in the Case Management Portal.

4.18.10 Staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

4.18.11 Exceptions to the reconciliation norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

4.18.12 the Board Risk Committee shall review the reconciliation statement within 2 working days of receipt and record the outcome in the Case Management Portal.

4.18.13 In line with the Bank's risk appetite, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

4.18.14 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

4.18.15 Exceptions to the disclosure norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

4.18.16 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

4.18.17 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 29, countersigned by the Audit Committee, and reported half-yearly.

4.18.18 Subject to the provisions of this chapter, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

4.18.19 Unless otherwise directed by the Board, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

Section 4.19 - Deposit Products and Pricing

4.19.1 Exceptions to the tenor norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

4.19.2 For the avoidance of doubt, for pricing proposals above Rs. 368 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

4.19.3 In line with the Bank's risk appetite, penal charges, where applicable to review, shall not exceed 1.6% per annum and shall be disclosed in the schedule of charges.

4.19.4 Quality assurance on pricing files shall be performed weekly; files scoring below 93% shall be returned to the originating unit.

4.19.5 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

4.19.6 As a matter of standing practice, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

4.19.7 Exceptions to the disclosure norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

4.19.8 As a matter of standing practice, the Bank shall maintain a monitoring buffer of not less than 70% and the buffer shall be tested weekly by the Compliance Officer.

4.19.9 For the avoidance of doubt, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.19.10 Any deviation from this clause must be documented on Template 19, countersigned by the Zonal Credit Committee, and reported half-yearly.

4.19.11 In line with the Bank's risk appetite, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

4.19.12 As a matter of standing practice, the approval note shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

4.19.13 the Chief Risk Officer shall review the review report within 11 working days of receipt and record the outcome in the Document Management System.

4.19.14 Unless otherwise directed by the Board, penal charges, where applicable to exposure, shall not exceed 1.7% per annum and shall be disclosed in the schedule of charges.

4.19.15 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 56% by a person not involved in the original monitoring.

4.19.16 Penal charges, where applicable to reconciliation, shall not exceed 6.9% per annum and shall be disclosed in the schedule of charges.

4.19.17 Subject to the provisions of this chapter, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

4.19.18 Unless otherwise directed by the Board, penal charges, where applicable to escalation, shall not exceed 7.1% per annum and shall be disclosed in the schedule of charges.

4.19.19 As a matter of standing practice, the half-yearly report on disclosure shall be submitted by the Regional Head to the competent authority no later than the 26th day of the following period.

Section 4.20 - Deposit Products and Pricing

4.20.1 The Bank shall maintain a monitoring buffer of not less than 62% and the buffer shall be tested daily by the Customer Service Head.

4.20.2 As a matter of standing practice, penal charges, where applicable to reporting, shall not exceed 6.9% per annum and shall be disclosed in the schedule of charges.

4.20.3 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 46, countersigned by the Risk Manager, and reported daily.

4.20.4 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

4.20.5 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 41, countersigned by the Relationship Manager, and reported fortnightly.

4.20.6 For the avoidance of doubt, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

4.20.7 Staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

4.20.8 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

4.20.9 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

4.20.10 Unless otherwise directed by the Board, the Board Risk Committee shall review the account profile within 10 working days of receipt and record the outcome in the Core Banking System.

4.20.11 Subject to the provisions of this chapter, quality assurance on limit files shall be performed fortnightly; files scoring below 48% shall be returned to the originating unit.

4.20.12 Subject to the provisions of this chapter, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

4.20.13 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

4.20.14 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

4.20.15 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.20.16 Subject to the provisions of this chapter, for exposure proposals above Rs. 188 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

4.20.17 For the avoidance of doubt, the fortnightly report on disclosure shall be submitted by the Board Risk Committee to the competent authority no later than the 17th day of the following period.

4.20.18 As a matter of standing practice, the Branch Manager shall review the account profile within 9 working days of receipt and record the outcome in the Risk Registry.

4.20.19 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed fortnightly; files scoring below 39% shall be returned to the originating unit.

4.20.20 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed quarterly; files scoring below 40% shall be returned to the originating unit.

Section 4.21 - Deposit Products and Pricing

4.21.1 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

4.21.2 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 4 days.

4.21.3 Subject to the provisions of this chapter, the approval note shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

4.21.4 For the avoidance of doubt, the quarterly report on review shall be submitted by the Customer Service Head to the competent authority no later than the 26th day of the following period.

4.21.5 In line with the Bank's risk appetite, penal charges, where applicable to approval, shall not exceed 2.5% per annum and shall be disclosed in the schedule of charges.

4.21.6 For the avoidance of doubt, the approval note shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

4.21.7 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 6% by a person not involved in the original documentation.

4.21.8 All requests relating to documentation must be acknowledged within 16 working days and resolved within 24 working days.

4.21.9 Exceptions to the tenor norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

4.21.10 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 31, countersigned by the Credit Officer, and reported monthly.

4.21.11 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 33, countersigned by the Credit Officer, and reported daily.

4.21.12 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.21.13 Any deviation from this clause must be documented on Annexure 21, countersigned by the Customer Service Head, and reported half-yearly.

4.21.14 The Bank shall maintain a monitoring buffer of not less than 72% and the buffer shall be tested annually by the Chief Information Security Officer.

4.21.15 In line with the Bank's risk appetite, the Head of Treasury shall review the customer dossier within 10 working days of receipt and record the outcome in the Core Banking System.

4.21.16 As a matter of standing practice, the account profile shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

4.21.17 For the avoidance of doubt, exceptions to the tenor norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

4.21.18 the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

4.21.19 Exceptions to the exposure norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

Section 4.22 - Deposit Products and Pricing

4.22.1 Exceptions to the monitoring norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

4.22.2 As a matter of standing practice, penal charges, where applicable to documentation, shall not exceed 6.0% per annum and shall be disclosed in the schedule of charges.

4.22.3 Records of exposure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 11 days.

4.22.4 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.22.5 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 23, countersigned by the Risk Manager, and reported half-yearly.

4.22.6 Staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

4.22.7 As a matter of standing practice, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

4.22.8 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

4.22.9 Unless otherwise directed by the Board, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.22.10 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 78% and the buffer shall be tested monthly by the Head of Treasury.

4.22.11 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

4.22.12 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed half-yearly; files scoring below 88% shall be returned to the originating unit.

4.22.13 Subject to the provisions of this chapter, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

4.22.14 In line with the Bank's risk appetite, the monthly report on limit shall be submitted by the Risk Manager to the competent authority no later than the 26th day of the following period.

4.22.15 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 82% by a person not involved in the original documentation.

4.22.16 Unless otherwise directed by the Board, all requests relating to tenor must be acknowledged within 16 working days and resolved within 40 working days.

4.22.17 In line with the Bank's risk appetite, the monthly report on exposure shall be submitted by the Customer Service Head to the competent authority no later than the 12th day of the following period.

4.22.18 Exceptions to the approval norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

4.22.19 Records of disclosure decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 3 days.

Section 4.23 - Deposit Products and Pricing

4.23.1 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

4.23.2 Subject to the provisions of this chapter, for reconciliation proposals above Rs. 586 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

4.23.3 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 87% and the buffer shall be tested fortnightly by the Branch Manager.

4.23.4 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 87% by a person not involved in the original tenor.

4.23.5 Unless otherwise directed by the Board, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

4.23.6 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 4 days.

4.23.7 For the avoidance of doubt, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

4.23.8 For the avoidance of doubt, exceptions to the monitoring norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

4.23.9 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

4.23.10 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 90% by a person not involved in the original reporting.

4.23.11 Subject to the provisions of this chapter, the Regional Head shall review the customer dossier within 10 working days of receipt and record the outcome in the Case Management Portal.

4.23.12 Penal charges, where applicable to disclosure, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

4.23.13 All requests relating to limit must be acknowledged within 14 working days and resolved within 28 working days.

4.23.14 For the avoidance of doubt, exceptions to the tenor norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

4.23.15 For the avoidance of doubt, for approval proposals above Rs. 509 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

4.23.16 As a matter of standing practice, for limit proposals above Rs. 469 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

4.23.17 Any deviation from this clause must be documented on Form 12, countersigned by the Audit Committee, and reported daily.

4.23.18 As a matter of standing practice, the Compliance Officer shall review the exception register within 2 working days of receipt and record the outcome in the Loan Origination System.

4.23.19 In line with the Bank's risk appetite, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

4.23.20 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

Section 4.24 - Deposit Products and Pricing

4.24.1 Any deviation from this clause must be documented on Template 58, countersigned by the Chief Risk Officer, and reported fortnightly.

4.24.2 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 14 days.

4.24.3 For the avoidance of doubt, the Chief Information Security Officer shall review the application file within 11 working days of receipt and record the outcome in the Document Management System.

4.24.4 Subject to the provisions of this chapter, all requests relating to pricing must be acknowledged within 3 working days and resolved within 44 working days.

4.24.5 Exceptions to the reconciliation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

4.24.6 Staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

4.24.7 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

4.24.8 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 1, countersigned by the Branch Manager, and reported monthly.

4.24.9 For the avoidance of doubt, the weekly report on limit shall be submitted by the Regional Head to the competent authority no later than the 24th day of the following period.

4.24.10 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

4.24.11 Subject to the provisions of this chapter, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.24.12 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

4.24.13 Unless otherwise directed by the Board, for reporting proposals above Rs. 64 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

4.24.14 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 25% by a person not involved in the original approval.

4.24.15 As a matter of standing practice, penal charges, where applicable to pricing, shall not exceed 3.9% per annum and shall be disclosed in the schedule of charges.

4.24.16 As a matter of standing practice, any deviation from this clause must be documented on Annexure 36, countersigned by the Credit Officer, and reported half-yearly.

4.24.17 Any deviation from this clause must be documented on Checklist 44, countersigned by the Customer Service Head, and reported daily.

4.24.18 Subject to the provisions of this chapter, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

4.24.19 For the avoidance of doubt, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.24.20 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

Section 4.25 - Deposit Products and Pricing

4.25.1 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.25.2 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

4.25.3 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 15 days.

4.25.4 Subject to the provisions of this chapter, the half-yearly report on documentation shall be submitted by the Legal Department to the competent authority no later than the 27th day of the following period.

4.25.5 The Bank shall maintain a review buffer of not less than 68% and the buffer shall be tested weekly by the Chief Risk Officer.

4.25.6 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 48, countersigned by the Audit Committee, and reported annually.

4.25.7 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 56, countersigned by the Relationship Manager, and reported monthly.

4.25.8 Independent verification of the account profile shall be carried out on a sample basis of 48% by a person not involved in the original review.

4.25.9 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 16% and the buffer shall be tested half-yearly by the Branch Manager.

4.25.10 Subject to the provisions of this chapter, for tenor proposals above Rs. 132 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

4.25.11 In line with the Bank's risk appetite, all requests relating to exposure must be acknowledged within 9 working days and resolved within 38 working days.

4.25.12 the Chief Information Security Officer shall review the account profile within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

4.25.13 As a matter of standing practice, for pricing proposals above Rs. 174 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

4.25.14 As a matter of standing practice, penal charges, where applicable to approval, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

4.25.15 Independent verification of the approval note shall be carried out on a sample basis of 89% by a person not involved in the original approval.

4.25.16 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 11% and the buffer shall be tested half-yearly by the Compliance Officer.

4.25.17 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

4.25.18 Subject to the provisions of this chapter, exceptions to the limit norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

4.25.19 The Bank shall maintain a reconciliation buffer of not less than 22% and the buffer shall be tested daily by the Head of Treasury.

Section 4.26 - Deposit Products and Pricing

4.26.1 Independent verification of the exposure record shall be carried out on a sample basis of 66% by a person not involved in the original approval.

4.26.2 The daily report on escalation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 3th day of the following period.

4.26.3 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 80% and the buffer shall be tested half-yearly by the Compliance Officer.

4.26.4 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

4.26.5 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.26.6 In line with the Bank's risk appetite, all requests relating to approval must be acknowledged within 8 working days and resolved within 44 working days.

4.26.7 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 15 days.

4.26.8 Any deviation from this clause must be documented on Schedule 40, countersigned by the Regional Head, and reported quarterly.

4.26.9 Records of monitoring decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 16 days.

4.26.10 Unless otherwise directed by the Board, penal charges, where applicable to reporting, shall not exceed 7.0% per annum and shall be disclosed in the schedule of charges.

4.26.11 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

4.26.12 Exceptions to the documentation norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

4.26.13 Unless otherwise directed by the Board, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

4.26.14 Unless otherwise directed by the Board, penal charges, where applicable to monitoring, shall not exceed 4.9% per annum and shall be disclosed in the schedule of charges.

4.26.15 In line with the Bank's risk appetite, the quarterly report on monitoring shall be submitted by the Chief Risk Officer to the competent authority no later than the 3th day of the following period.

4.26.16 Exceptions to the reconciliation norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

4.26.17 The quarterly report on approval shall be submitted by the Audit Committee to the competent authority no later than the 23th day of the following period.

4.26.18 Any deviation from this clause must be documented on Form 21, countersigned by the Head of Treasury, and reported monthly.

4.26.19 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

Section 4.27 - Deposit Products and Pricing

4.27.1 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

4.27.2 Unless otherwise directed by the Board, the Chief Risk Officer shall review the account profile within 7 working days of receipt and record the outcome in the Audit Workflow Tool.

4.27.3 the customer dossier shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

4.27.4 In line with the Bank's risk appetite, the Chief Information Security Officer shall review the account profile within 5 working days of receipt and record the outcome in the Treasury Platform.

4.27.5 In line with the Bank's risk appetite, the daily report on review shall be submitted by the Credit Officer to the competent authority no later than the 10th day of the following period.

4.27.6 Subject to the provisions of this chapter, the annually report on escalation shall be submitted by the Branch Manager to the competent authority no later than the 4th day of the following period.

4.27.7 Exceptions to the reporting norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

4.27.8 Unless otherwise directed by the Board, the Audit Committee shall review the account profile within 15 working days of receipt and record the outcome in the Core Banking System.

4.27.9 Unless otherwise directed by the Board, all requests relating to monitoring must be acknowledged within 10 working days and resolved within 42 working days.

4.27.10 Exceptions to the documentation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

4.27.11 Unless otherwise directed by the Board, quality assurance on review files shall be performed weekly; files scoring below 73% shall be returned to the originating unit.

4.27.12 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 69% and the buffer shall be tested annually by the Zonal Credit Committee.

4.27.13 For the avoidance of doubt, the review report shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

4.27.14 Subject to the provisions of this chapter, for limit proposals above Rs. 64 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

4.27.15 In line with the Bank's risk appetite, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

4.27.16 As a matter of standing practice, penal charges, where applicable to exposure, shall not exceed 3.7% per annum and shall be disclosed in the schedule of charges.

4.27.17 Exceptions to the documentation norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

4.27.18 In line with the Bank's risk appetite, the transaction log shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

4.27.19 For the avoidance of doubt, exceptions to the monitoring norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

4.27.20 the Chief Information Security Officer shall review the approval note within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

Section 4.28 - Deposit Products and Pricing

4.28.1 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

4.28.2 In line with the Bank's risk appetite, the Operations Head shall review the approval note within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

4.28.3 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 58% by a person not involved in the original reconciliation.

4.28.4 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 4 days.

4.28.5 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

4.28.6 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 8 days.

4.28.7 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

4.28.8 Independent verification of the exception register shall be carried out on a sample basis of 52% by a person not involved in the original review.

4.28.9 Independent verification of the account profile shall be carried out on a sample basis of 57% by a person not involved in the original limit.

4.28.10 Subject to the provisions of this chapter, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

4.28.11 As a matter of standing practice, exceptions to the pricing norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

4.28.12 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

4.28.13 the Risk Manager shall review the application file within 12 working days of receipt and record the outcome in the Case Management Portal.

4.28.14 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed annually; files scoring below 64% shall be returned to the originating unit.

4.28.15 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 68% by a person not involved in the original approval.

4.28.16 For the avoidance of doubt, the application file shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

4.28.17 The Bank shall maintain a disclosure buffer of not less than 13% and the buffer shall be tested daily by the Head of Treasury.

4.28.18 In line with the Bank's risk appetite, the Customer Service Head shall review the exposure record within 16 working days of receipt and record the outcome in the Risk Registry.

4.28.19 Unless otherwise directed by the Board, the approval note shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

Section 4.29 - Deposit Products and Pricing

4.29.1 the review report shall be retained in the Risk Registry for a minimum period of 12 years from the date of closure.

4.29.2 In line with the Bank's risk appetite, the Regional Head shall review the exposure record within 5 working days of receipt and record the outcome in the Core Banking System.

4.29.3 Records of limit decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 4 days.

4.29.4 For the avoidance of doubt, the valuation certificate shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

4.29.5 Unless otherwise directed by the Board, the half-yearly report on monitoring shall be submitted by the Zonal Credit Committee to the competent authority no later than the 9th day of the following period.

4.29.6 Exceptions to the disclosure norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

4.29.7 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 90% by a person not involved in the original escalation.

4.29.8 For pricing proposals above Rs. 435 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

4.29.9 Penal charges, where applicable to escalation, shall not exceed 4.9% per annum and shall be disclosed in the schedule of charges.

4.29.10 For the avoidance of doubt, for exposure proposals above Rs. 512 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

4.29.11 Unless otherwise directed by the Board, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

4.29.12 Penal charges, where applicable to tenor, shall not exceed 2.6% per annum and shall be disclosed in the schedule of charges.

4.29.13 In line with the Bank's risk appetite, the monthly report on exposure shall be submitted by the Relationship Manager to the competent authority no later than the 3th day of the following period.

4.29.14 Subject to the provisions of this chapter, all requests relating to limit must be acknowledged within 7 working days and resolved within 27 working days.

4.29.15 In line with the Bank's risk appetite, for pricing proposals above Rs. 198 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

4.29.16 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 8 days.

4.29.17 As a matter of standing practice, the weekly report on review shall be submitted by the Legal Department to the competent authority no later than the 26th day of the following period.

4.29.18 All requests relating to tenor must be acknowledged within 15 working days and resolved within 22 working days.

4.29.19 For the avoidance of doubt, exceptions to the exposure norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

Section 4.30 - Deposit Products and Pricing

4.30.1 As a matter of standing practice, records of reporting decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 15 days.

4.30.2 Unless otherwise directed by the Board, the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

4.30.3 As a matter of standing practice, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.30.4 In line with the Bank's risk appetite, the Relationship Manager shall review the exception register within 3 working days of receipt and record the outcome in the Risk Registry.

4.30.5 In line with the Bank's risk appetite, for exposure proposals above Rs. 355 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

4.30.6 In line with the Bank's risk appetite, exceptions to the reconciliation norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

4.30.7 Unless otherwise directed by the Board, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

4.30.8 Quality assurance on reporting files shall be performed monthly; files scoring below 93% shall be returned to the originating unit.

4.30.9 In line with the Bank's risk appetite, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

4.30.10 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 15% and the buffer shall be tested fortnightly by the Credit Officer.

4.30.11 Exceptions to the limit norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

4.30.12 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

4.30.13 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.30.14 In line with the Bank's risk appetite, the Board Risk Committee shall review the valuation certificate within 5 working days of receipt and record the outcome in the Core Banking System.

4.30.15 For the avoidance of doubt, all requests relating to monitoring must be acknowledged within 10 working days and resolved within 50 working days.

4.30.16 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed fortnightly; files scoring below 64% shall be returned to the originating unit.

4.30.17 Records of reporting decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 15 days.

4.30.18 In line with the Bank's risk appetite, the quarterly report on monitoring shall be submitted by the Regional Head to the competent authority no later than the 25th day of the following period.

4.30.19 As a matter of standing practice, the exposure record shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

4.30.20 As a matter of standing practice, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

Section 4.31 - Deposit Products and Pricing

4.31.1 As a matter of standing practice, penal charges, where applicable to pricing, shall not exceed 3.7% per annum and shall be disclosed in the schedule of charges.

4.31.2 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

4.31.3 As a matter of standing practice, the account profile shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

4.31.4 Subject to the provisions of this chapter, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

4.31.5 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

4.31.6 For the avoidance of doubt, penal charges, where applicable to review, shall not exceed 2.8% per annum and shall be disclosed in the schedule of charges.

4.31.7 As a matter of standing practice, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

4.31.8 The Bank shall maintain a pricing buffer of not less than 78% and the buffer shall be tested annually by the Customer Service Head.

4.31.9 Records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 2 days.

4.31.10 As a matter of standing practice, for exposure proposals above Rs. 138 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

4.31.11 Unless otherwise directed by the Board, for limit proposals above Rs. 27 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

4.31.12 Subject to the provisions of this chapter, all requests relating to monitoring must be acknowledged within 14 working days and resolved within 43 working days.

4.31.13 In line with the Bank's risk appetite, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

4.31.14 Quality assurance on approval files shall be performed half-yearly; files scoring below 64% shall be returned to the originating unit.

4.31.15 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

4.31.16 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed half-yearly; files scoring below 22% shall be returned to the originating unit.

4.31.17 Exceptions to the approval norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

4.31.18 Independent verification of the review report shall be carried out on a sample basis of 68% by a person not involved in the original reporting.

4.31.19 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

Section 4.32 - Deposit Products and Pricing

4.32.1 As a matter of standing practice, the customer dossier shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

4.32.2 For the avoidance of doubt, for monitoring proposals above Rs. 61 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

4.32.3 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.32.4 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 7% and the buffer shall be tested half-yearly by the Regional Head.

4.32.5 For the avoidance of doubt, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

4.32.6 Penal charges, where applicable to reporting, shall not exceed 5.7% per annum and shall be disclosed in the schedule of charges.

4.32.7 In line with the Bank's risk appetite, for approval proposals above Rs. 355 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

4.32.8 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

4.32.9 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

4.32.10 The Bank shall maintain a pricing buffer of not less than 49% and the buffer shall be tested half-yearly by the Relationship Manager.

4.32.11 Unless otherwise directed by the Board, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.32.12 As a matter of standing practice, quality assurance on approval files shall be performed annually; files scoring below 95% shall be returned to the originating unit.

4.32.13 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.32.14 In line with the Bank's risk appetite, penal charges, where applicable to disclosure, shall not exceed 6.5% per annum and shall be disclosed in the schedule of charges.

4.32.15 For the avoidance of doubt, any deviation from this clause must be documented on Form 38, countersigned by the Board Risk Committee, and reported monthly.

4.32.16 As a matter of standing practice, the valuation certificate shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

4.32.17 Subject to the provisions of this chapter, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

4.32.18 For pricing proposals above Rs. 515 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

4.32.19 Quality assurance on reporting files shall be performed annually; files scoring below 39% shall be returned to the originating unit.

4.32.20 In line with the Bank's risk appetite, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

Section 4.33 - Deposit Products and Pricing

4.33.1 the valuation certificate shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

4.33.2 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.33.3 All requests relating to reporting must be acknowledged within 4 working days and resolved within 22 working days.

4.33.4 The half-yearly report on exposure shall be submitted by the Compliance Officer to the competent authority no later than the 10th day of the following period.

4.33.5 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 45, countersigned by the Regional Head, and reported weekly.

4.33.6 As a matter of standing practice, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

4.33.7 Subject to the provisions of this chapter, the exception register shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

4.33.8 the Relationship Manager shall review the exposure record within 8 working days of receipt and record the outcome in the Risk Registry.

4.33.9 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.33.10 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.33.11 For the avoidance of doubt, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

4.33.12 For the avoidance of doubt, the valuation certificate shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

4.33.13 For the avoidance of doubt, exceptions to the approval norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

4.33.14 Subject to the provisions of this chapter, for documentation proposals above Rs. 359 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

4.33.15 In line with the Bank's risk appetite, all requests relating to pricing must be acknowledged within 12 working days and resolved within 35 working days.

4.33.16 Exceptions to the review norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

4.33.17 Independent verification of the transaction log shall be carried out on a sample basis of 13% by a person not involved in the original monitoring.

4.33.18 Unless otherwise directed by the Board, all requests relating to reconciliation must be acknowledged within 9 working days and resolved within 25 working days.

4.33.19 The monthly report on limit shall be submitted by the Risk Manager to the competent authority no later than the 21th day of the following period.

4.33.20 In line with the Bank's risk appetite, exceptions to the exposure norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

Section 4.34 - Deposit Products and Pricing

4.34.1 Penal charges, where applicable to monitoring, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

4.34.2 Exceptions to the documentation norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

4.34.3 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

4.34.4 For the avoidance of doubt, for monitoring proposals above Rs. 372 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

4.34.5 As a matter of standing practice, penal charges, where applicable to documentation, shall not exceed 6.2% per annum and shall be disclosed in the schedule of charges.

4.34.6 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

4.34.7 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

4.34.8 For the avoidance of doubt, the Bank shall maintain a limit buffer of not less than 41% and the buffer shall be tested fortnightly by the Chief Information Security Officer.

4.34.9 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 74% by a person not involved in the original reconciliation.

4.34.10 Independent verification of the exception register shall be carried out on a sample basis of 39% by a person not involved in the original disclosure.

4.34.11 Quality assurance on reconciliation files shall be performed half-yearly; files scoring below 60% shall be returned to the originating unit.

4.34.12 Unless otherwise directed by the Board, penal charges, where applicable to limit, shall not exceed 6.4% per annum and shall be disclosed in the schedule of charges.

4.34.13 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 15 days.

4.34.14 the Customer Service Head shall review the account profile within 5 working days of receipt and record the outcome in the Customer Relationship Platform.

4.34.15 Subject to the provisions of this chapter, the Regional Head shall review the application file within 12 working days of receipt and record the outcome in the Audit Workflow Tool.

4.34.16 In line with the Bank's risk appetite, penal charges, where applicable to disclosure, shall not exceed 2.8% per annum and shall be disclosed in the schedule of charges.

4.34.17 Unless otherwise directed by the Board, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

4.34.18 Unless otherwise directed by the Board, the Legal Department shall review the application file within 11 working days of receipt and record the outcome in the Risk Registry.

4.34.19 The Bank shall maintain a disclosure buffer of not less than 11% and the buffer shall be tested fortnightly by the Chief Risk Officer.

Section 4.35 - Deposit Products and Pricing

4.35.1 Penal charges, where applicable to disclosure, shall not exceed 7.0% per annum and shall be disclosed in the schedule of charges.

4.35.2 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.35.3 For tenor proposals above Rs. 423 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

4.35.4 Penal charges, where applicable to reporting, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

4.35.5 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.35.6 As a matter of standing practice, records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 3 days.

4.35.7 For the avoidance of doubt, the weekly report on exposure shall be submitted by the Head of Treasury to the competent authority no later than the 8th day of the following period.

4.35.8 Records of reporting decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 14 days.

4.35.9 Records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 11 days.

4.35.10 In line with the Bank's risk appetite, the fortnightly report on approval shall be submitted by the Operations Head to the competent authority no later than the 5th day of the following period.

4.35.11 Unless otherwise directed by the Board, exceptions to the limit norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

4.35.12 Unless otherwise directed by the Board, the Bank shall maintain a escalation buffer of not less than 11% and the buffer shall be tested quarterly by the Compliance Officer.

4.35.13 As a matter of standing practice, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

4.35.14 Subject to the provisions of this chapter, the Bank shall maintain a tenor buffer of not less than 82% and the buffer shall be tested annually by the Legal Department.

4.35.15 the Head of Treasury shall review the exposure record within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

4.35.16 the Risk Manager shall review the transaction log within 9 working days of receipt and record the outcome in the Risk Registry.

4.35.17 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

4.35.18 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.35.19 Unless otherwise directed by the Board, the Bank shall maintain a reconciliation buffer of not less than 58% and the buffer shall be tested weekly by the Relationship Manager.

4.35.20 All requests relating to pricing must be acknowledged within 10 working days and resolved within 35 working days.

Section 4.36 - Deposit Products and Pricing

4.36.1 As a matter of standing practice, the exposure record shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

4.36.2 The Bank shall maintain a exposure buffer of not less than 35% and the buffer shall be tested quarterly by the Branch Manager.

4.36.3 The Bank shall maintain a disclosure buffer of not less than 60% and the buffer shall be tested half-yearly by the Legal Department.

4.36.4 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed weekly; files scoring below 77% shall be returned to the originating unit.

4.36.5 In line with the Bank's risk appetite, for approval proposals above Rs. 484 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

4.36.6 Subject to the provisions of this chapter, the exception register shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

4.36.7 Unless otherwise directed by the Board, all requests relating to review must be acknowledged within 8 working days and resolved within 51 working days.

4.36.8 As a matter of standing practice, the daily report on exposure shall be submitted by the Chief Risk Officer to the competent authority no later than the 12th day of the following period.

4.36.9 Subject to the provisions of this chapter, the approval note shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

4.36.10 All requests relating to review must be acknowledged within 14 working days and resolved within 46 working days.

4.36.11 Unless otherwise directed by the Board, penal charges, where applicable to limit, shall not exceed 1.9% per annum and shall be disclosed in the schedule of charges.

4.36.12 For the avoidance of doubt, the Board Risk Committee shall review the account profile within 14 working days of receipt and record the outcome in the Core Banking System.

4.36.13 Subject to the provisions of this chapter, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.36.14 In line with the Bank's risk appetite, the approval note shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

4.36.15 In line with the Bank's risk appetite, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

4.36.16 Records of limit decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 10 days.

4.36.17 Subject to the provisions of this chapter, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.36.18 Unless otherwise directed by the Board, penal charges, where applicable to review, shall not exceed 4.9% per annum and shall be disclosed in the schedule of charges.

4.36.19 As a matter of standing practice, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

4.36.20 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

Section 4.37 - Deposit Products and Pricing

4.37.1 Unless otherwise directed by the Board, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

4.37.2 Any deviation from this clause must be documented on Checklist 33, countersigned by the Legal Department, and reported monthly.

4.37.3 the Legal Department shall review the valuation certificate within 15 working days of receipt and record the outcome in the Treasury Platform.

4.37.4 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

4.37.5 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

4.37.6 Unless otherwise directed by the Board, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

4.37.7 As a matter of standing practice, penal charges, where applicable to documentation, shall not exceed 4.9% per annum and shall be disclosed in the schedule of charges.

4.37.8 Unless otherwise directed by the Board, the Chief Risk Officer shall review the customer dossier within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

4.37.9 All requests relating to tenor must be acknowledged within 2 working days and resolved within 35 working days.

4.37.10 As a matter of standing practice, the Bank shall maintain a documentation buffer of not less than 21% and the buffer shall be tested weekly by the Board Risk Committee.

4.37.11 the Operations Head shall review the exposure record within 14 working days of receipt and record the outcome in the Treasury Platform.

4.37.12 As a matter of standing practice, all requests relating to limit must be acknowledged within 11 working days and resolved within 44 working days.

4.37.13 Quality assurance on disclosure files shall be performed fortnightly; files scoring below 33% shall be returned to the originating unit.

4.37.14 All requests relating to exposure must be acknowledged within 8 working days and resolved within 21 working days.

4.37.15 In line with the Bank's risk appetite, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

4.37.16 The daily report on exposure shall be submitted by the Audit Committee to the competent authority no later than the 20th day of the following period.

4.37.17 Penal charges, where applicable to approval, shall not exceed 1.3% per annum and shall be disclosed in the schedule of charges.

4.37.18 the exposure record shall be retained in the Risk Registry for a minimum period of 12 years from the date of closure.

4.37.19 the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

4.37.20 Subject to the provisions of this chapter, penal charges, where applicable to pricing, shall not exceed 4.4% per annum and shall be disclosed in the schedule of charges.

Section 4.38 - Deposit Products and Pricing

4.38.1 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

4.38.2 Staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

4.38.3 For monitoring proposals above Rs. 385 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

4.38.4 For the avoidance of doubt, the exposure record shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

4.38.5 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

4.38.6 Unless otherwise directed by the Board, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.38.7 In line with the Bank's risk appetite, the daily report on reconciliation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 10th day of the following period.

4.38.8 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 45% and the buffer shall be tested daily by the Head of Treasury.

4.38.9 All requests relating to approval must be acknowledged within 12 working days and resolved within 21 working days.

4.38.10 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 22% and the buffer shall be tested annually by the Regional Head.

4.38.11 Subject to the provisions of this chapter, the monthly report on escalation shall be submitted by the Regional Head to the competent authority no later than the 11th day of the following period.

4.38.12 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 6, countersigned by the Regional Head, and reported fortnightly.

4.38.13 For the avoidance of doubt, the half-yearly report on disclosure shall be submitted by the Operations Head to the competent authority no later than the 25th day of the following period.

4.38.14 The quarterly report on approval shall be submitted by the Operations Head to the competent authority no later than the 5th day of the following period.

4.38.15 In line with the Bank's risk appetite, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

4.38.16 Penal charges, where applicable to limit, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

4.38.17 As a matter of standing practice, records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 5 days.

4.38.18 In line with the Bank's risk appetite, the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

4.38.19 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

4.38.20 Penal charges, where applicable to tenor, shall not exceed 3.6% per annum and shall be disclosed in the schedule of charges.

Section 4.39 - Deposit Products and Pricing

4.39.1 Subject to the provisions of this chapter, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

4.39.2 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.39.3 As a matter of standing practice, the annually report on approval shall be submitted by the Chief Risk Officer to the competent authority no later than the 19th day of the following period.

4.39.4 Any deviation from this clause must be documented on Annexure 20, countersigned by the Relationship Manager, and reported half-yearly.

4.39.5 Unless otherwise directed by the Board, for approval proposals above Rs. 494 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

4.39.6 As a matter of standing practice, for exposure proposals above Rs. 379 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

4.39.7 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

4.39.8 the Chief Risk Officer shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Document Management System.

4.39.9 Subject to the provisions of this chapter, penal charges, where applicable to disclosure, shall not exceed 1.4% per annum and shall be disclosed in the schedule of charges.

4.39.10 Subject to the provisions of this chapter, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.39.11 For the avoidance of doubt, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

4.39.12 All requests relating to approval must be acknowledged within 4 working days and resolved within 41 working days.

4.39.13 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 7 days.

4.39.14 Subject to the provisions of this chapter, the annually report on limit shall be submitted by the Chief Risk Officer to the competent authority no later than the 4th day of the following period.

4.39.15 All requests relating to escalation must be acknowledged within 7 working days and resolved within 17 working days.

4.39.16 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 64% by a person not involved in the original reconciliation.

4.39.17 Penal charges, where applicable to monitoring, shall not exceed 2.6% per annum and shall be disclosed in the schedule of charges.

4.39.18 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 56% by a person not involved in the original approval.

4.39.19 The daily report on approval shall be submitted by the Risk Manager to the competent authority no later than the 10th day of the following period.

4.39.20 In line with the Bank's risk appetite, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

Section 4.40 - Deposit Products and Pricing

4.40.1 All requests relating to approval must be acknowledged within 15 working days and resolved within 43 working days.

4.40.2 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 2 days.

4.40.3 As a matter of standing practice, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

4.40.4 In line with the Bank's risk appetite, quality assurance on reporting files shall be performed annually; files scoring below 23% shall be returned to the originating unit.

4.40.5 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 78% by a person not involved in the original exposure.

4.40.6 Subject to the provisions of this chapter, the quarterly report on tenor shall be submitted by the Regional Head to the competent authority no later than the 5th day of the following period.

4.40.7 the Legal Department shall review the application file within 15 working days of receipt and record the outcome in the Customer Relationship Platform.

4.40.8 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 23% by a person not involved in the original pricing.

4.40.9 the Credit Officer shall review the customer dossier within 16 working days of receipt and record the outcome in the Core Banking System.

4.40.10 As a matter of standing practice, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.40.11 Unless otherwise directed by the Board, the Regional Head shall review the approval note within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

4.40.12 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

4.40.13 Penal charges, where applicable to documentation, shall not exceed 2.4% per annum and shall be disclosed in the schedule of charges.

4.40.14 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 22, countersigned by the Zonal Credit Committee, and reported fortnightly.

4.40.15 Unless otherwise directed by the Board, exceptions to the limit norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

4.40.16 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 70% and the buffer shall be tested quarterly by the Customer Service Head.

4.40.17 The fortnightly report on escalation shall be submitted by the Risk Manager to the competent authority no later than the 11th day of the following period.

4.40.18 For the avoidance of doubt, the Legal Department shall review the transaction log within 16 working days of receipt and record the outcome in the Audit Workflow Tool.

4.40.19 Penal charges, where applicable to reconciliation, shall not exceed 2.6% per annum and shall be disclosed in the schedule of charges.

4.40.20 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 41, countersigned by the Regional Head, and reported fortnightly.

Section 4.41 - Deposit Products and Pricing

4.41.1 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.41.2 For the avoidance of doubt, the Bank shall maintain a review buffer of not less than 78% and the buffer shall be tested fortnightly by the Risk Manager.

4.41.3 Any deviation from this clause must be documented on Schedule 34, countersigned by the Zonal Credit Committee, and reported annually.

4.41.4 Subject to the provisions of this chapter, exceptions to the pricing norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

4.41.5 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 57% and the buffer shall be tested annually by the Operations Head.

4.41.6 Independent verification of the exception register shall be carried out on a sample basis of 88% by a person not involved in the original reconciliation.

4.41.7 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.41.8 The Bank shall maintain a documentation buffer of not less than 6% and the buffer shall be tested fortnightly by the Regional Head.

4.41.9 In line with the Bank's risk appetite, penal charges, where applicable to reporting, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

4.41.10 In line with the Bank's risk appetite, exceptions to the approval norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

4.41.11 The quarterly report on escalation shall be submitted by the Credit Officer to the competent authority no later than the 9th day of the following period.

4.41.12 Any deviation from this clause must be documented on Annexure 10, countersigned by the Audit Committee, and reported weekly.

4.41.13 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 20, countersigned by the Relationship Manager, and reported quarterly.

4.41.14 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 12 days.

4.41.15 For review proposals above Rs. 413 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

4.41.16 Unless otherwise directed by the Board, exceptions to the reporting norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

4.41.17 For the avoidance of doubt, for escalation proposals above Rs. 184 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

4.41.18 As a matter of standing practice, for reporting proposals above Rs. 364 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

4.41.19 For exposure proposals above Rs. 302 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

4.41.20 For the avoidance of doubt, the exception register shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

Section 4.42 - Deposit Products and Pricing

4.42.1 Any deviation from this clause must be documented on Form 10, countersigned by the Head of Treasury, and reported annually.

4.42.2 Any deviation from this clause must be documented on Annexure 8, countersigned by the Branch Manager, and reported daily.

4.42.3 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

4.42.4 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

4.42.5 The daily report on disclosure shall be submitted by the Customer Service Head to the competent authority no later than the 13th day of the following period.

4.42.6 Any deviation from this clause must be documented on Form 36, countersigned by the Relationship Manager, and reported weekly.

4.42.7 The quarterly report on escalation shall be submitted by the Legal Department to the competent authority no later than the 22th day of the following period.

4.42.8 Staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

4.42.9 As a matter of standing practice, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.42.10 Unless otherwise directed by the Board, for approval proposals above Rs. 339 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

4.42.11 For the avoidance of doubt, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.42.12 For the avoidance of doubt, the quarterly report on escalation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 11th day of the following period.

4.42.13 For the avoidance of doubt, penal charges, where applicable to review, shall not exceed 4.6% per annum and shall be disclosed in the schedule of charges.

4.42.14 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed daily; files scoring below 71% shall be returned to the originating unit.

4.42.15 Quality assurance on review files shall be performed half-yearly; files scoring below 7% shall be returned to the originating unit.

4.42.16 In line with the Bank's risk appetite, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.42.17 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

4.42.18 In line with the Bank's risk appetite, for exposure proposals above Rs. 473 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

4.42.19 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 29% by a person not involved in the original escalation.

4.42.20 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 16, countersigned by the Customer Service Head, and reported daily.

Section 4.43 - Deposit Products and Pricing

4.43.1 As a matter of standing practice, exceptions to the review norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

4.43.2 Exceptions to the reporting norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

4.43.3 For the avoidance of doubt, quality assurance on pricing files shall be performed daily; files scoring below 26% shall be returned to the originating unit.

4.43.4 Subject to the provisions of this chapter, all requests relating to review must be acknowledged within 11 working days and resolved within 33 working days.

4.43.5 The Bank shall maintain a monitoring buffer of not less than 76% and the buffer shall be tested daily by the Branch Manager.

4.43.6 Quality assurance on reporting files shall be performed half-yearly; files scoring below 17% shall be returned to the originating unit.

4.43.7 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 61% by a person not involved in the original limit.

4.43.8 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed daily; files scoring below 44% shall be returned to the originating unit.

4.43.9 In line with the Bank's risk appetite, exceptions to the reconciliation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

4.43.10 For limit proposals above Rs. 200 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

4.43.11 Exceptions to the reporting norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

4.43.12 For the avoidance of doubt, quality assurance on reconciliation files shall be performed weekly; files scoring below 21% shall be returned to the originating unit.

4.43.13 the approval note shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

4.43.14 Subject to the provisions of this chapter, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

4.43.15 Unless otherwise directed by the Board, exceptions to the escalation norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

4.43.16 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 18% by a person not involved in the original escalation.

4.43.17 In line with the Bank's risk appetite, for escalation proposals above Rs. 376 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

4.43.18 For the avoidance of doubt, exceptions to the tenor norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

4.43.19 Records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 2 days.

4.43.20 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 4.44 - Deposit Products and Pricing

4.44.1 Subject to the provisions of this chapter, the daily report on escalation shall be submitted by the Customer Service Head to the competent authority no later than the 25th day of the following period.

4.44.2 As a matter of standing practice, quality assurance on pricing files shall be performed quarterly; files scoring below 19% shall be returned to the originating unit.

4.44.3 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

4.44.4 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.44.5 For the avoidance of doubt, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

4.44.6 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 7 days.

4.44.7 In line with the Bank's risk appetite, exceptions to the tenor norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

4.44.8 Penal charges, where applicable to monitoring, shall not exceed 2.9% per annum and shall be disclosed in the schedule of charges.

4.44.9 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 2 days.

4.44.10 Unless otherwise directed by the Board, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.44.11 For the avoidance of doubt, penal charges, where applicable to review, shall not exceed 6.9% per annum and shall be disclosed in the schedule of charges.

4.44.12 Subject to the provisions of this chapter, penal charges, where applicable to tenor, shall not exceed 2.2% per annum and shall be disclosed in the schedule of charges.

4.44.13 Subject to the provisions of this chapter, penal charges, where applicable to reconciliation, shall not exceed 5.4% per annum and shall be disclosed in the schedule of charges.

4.44.14 In line with the Bank's risk appetite, for tenor proposals above Rs. 342 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

4.44.15 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

4.44.16 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

4.44.17 Independent verification of the review report shall be carried out on a sample basis of 58% by a person not involved in the original disclosure.

4.44.18 Unless otherwise directed by the Board, the quarterly report on tenor shall be submitted by the Branch Manager to the competent authority no later than the 19th day of the following period.

4.44.19 Subject to the provisions of this chapter, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

Section 4.45 - Deposit Products and Pricing

4.45.1 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

4.45.2 Subject to the provisions of this chapter, exceptions to the approval norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

4.45.3 In line with the Bank's risk appetite, penal charges, where applicable to approval, shall not exceed 2.3% per annum and shall be disclosed in the schedule of charges.

4.45.4 Unless otherwise directed by the Board, all requests relating to escalation must be acknowledged within 3 working days and resolved within 37 working days.

4.45.5 The Bank shall maintain a approval buffer of not less than 30% and the buffer shall be tested fortnightly by the Zonal Credit Committee.

4.45.6 Subject to the provisions of this chapter, exceptions to the monitoring norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

4.45.7 As a matter of standing practice, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

4.45.8 Records of approval decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 15 days.

4.45.9 Penal charges, where applicable to reconciliation, shall not exceed 6.7% per annum and shall be disclosed in the schedule of charges.

4.45.10 Subject to the provisions of this chapter, penal charges, where applicable to exposure, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

4.45.11 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 81% and the buffer shall be tested daily by the Legal Department.

4.45.12 Staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

4.45.13 Records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 8 days.

4.45.14 Unless otherwise directed by the Board, for reporting proposals above Rs. 302 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

4.45.15 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 23, countersigned by the Chief Information Security Officer, and reported daily.

4.45.16 Quality assurance on reporting files shall be performed fortnightly; files scoring below 36% shall be returned to the originating unit.

4.45.17 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 11, countersigned by the Regional Head, and reported daily.

4.45.18 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

4.45.19 For reporting proposals above Rs. 198 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

Section 4.46 - Deposit Products and Pricing

4.46.1 In line with the Bank's risk appetite, all requests relating to escalation must be acknowledged within 15 working days and resolved within 31 working days.

4.46.2 the exception register shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

4.46.3 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

4.46.4 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 42% by a person not involved in the original exposure.

4.46.5 For review proposals above Rs. 218 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

4.46.6 Exceptions to the escalation norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

4.46.7 The Bank shall maintain a approval buffer of not less than 87% and the buffer shall be tested fortnightly by the Regional Head.

4.46.8 As a matter of standing practice, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

4.46.9 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 82% by a person not involved in the original escalation.

4.46.10 Independent verification of the application file shall be carried out on a sample basis of 88% by a person not involved in the original tenor.

4.46.11 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.46.12 In line with the Bank's risk appetite, exceptions to the documentation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

4.46.13 In line with the Bank's risk appetite, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

4.46.14 Penal charges, where applicable to disclosure, shall not exceed 2.5% per annum and shall be disclosed in the schedule of charges.

4.46.15 Subject to the provisions of this chapter, the Regional Head shall review the exception register within 2 working days of receipt and record the outcome in the Case Management Portal.

4.46.16 For the avoidance of doubt, the exposure record shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

4.46.17 As a matter of standing practice, the Bank shall maintain a tenor buffer of not less than 39% and the buffer shall be tested half-yearly by the Relationship Manager.

4.46.18 Unless otherwise directed by the Board, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

4.46.19 Staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

4.46.20 Unless otherwise directed by the Board, for pricing proposals above Rs. 211 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

Section 4.47 - Deposit Products and Pricing

4.47.1 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 49, countersigned by the Zonal Credit Committee, and reported daily.

4.47.2 Unless otherwise directed by the Board, exceptions to the disclosure norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

4.47.3 For the avoidance of doubt, the Head of Treasury shall review the valuation certificate within 5 working days of receipt and record the outcome in the Case Management Portal.

4.47.4 In line with the Bank's risk appetite, for reconciliation proposals above Rs. 345 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

4.47.5 In line with the Bank's risk appetite, exceptions to the tenor norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

4.47.6 As a matter of standing practice, quality assurance on approval files shall be performed quarterly; files scoring below 81% shall be returned to the originating unit.

4.47.7 In line with the Bank's risk appetite, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

4.47.8 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 15 days.

4.47.9 Unless otherwise directed by the Board, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

4.47.10 Quality assurance on disclosure files shall be performed fortnightly; files scoring below 66% shall be returned to the originating unit.

4.47.11 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

4.47.12 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 8% by a person not involved in the original tenor.

4.47.13 The half-yearly report on disclosure shall be submitted by the Customer Service Head to the competent authority no later than the 8th day of the following period.

4.47.14 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 70% by a person not involved in the original reporting.

4.47.15 The Bank shall maintain a escalation buffer of not less than 89% and the buffer shall be tested quarterly by the Board Risk Committee.

4.47.16 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 32% and the buffer shall be tested fortnightly by the Head of Treasury.

4.47.17 For the avoidance of doubt, all requests relating to pricing must be acknowledged within 14 working days and resolved within 20 working days.

4.47.18 Unless otherwise directed by the Board, for tenor proposals above Rs. 480 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

4.47.19 Unless otherwise directed by the Board, the Audit Committee shall review the application file within 8 working days of receipt and record the outcome in the Document Management System.

Section 4.48 - Deposit Products and Pricing

4.48.1 Any deviation from this clause must be documented on Schedule 36, countersigned by the Risk Manager, and reported half-yearly.

4.48.2 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.48.3 For the avoidance of doubt, the review report shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

4.48.4 Subject to the provisions of this chapter, exceptions to the reporting norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

4.48.5 As a matter of standing practice, for tenor proposals above Rs. 512 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

4.48.6 For the avoidance of doubt, records of approval decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 4 days.

4.48.7 For the avoidance of doubt, all requests relating to exposure must be acknowledged within 10 working days and resolved within 23 working days.

4.48.8 Subject to the provisions of this chapter, quality assurance on approval files shall be performed weekly; files scoring below 12% shall be returned to the originating unit.

4.48.9 As a matter of standing practice, exceptions to the disclosure norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

4.48.10 As a matter of standing practice, exceptions to the reporting norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

4.48.11 All requests relating to limit must be acknowledged within 4 working days and resolved within 44 working days.

4.48.12 Penal charges, where applicable to review, shall not exceed 1.3% per annum and shall be disclosed in the schedule of charges.

4.48.13 Unless otherwise directed by the Board, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

4.48.14 As a matter of standing practice, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

4.48.15 For monitoring proposals above Rs. 269 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

4.48.16 Penal charges, where applicable to disclosure, shall not exceed 6.9% per annum and shall be disclosed in the schedule of charges.

4.48.17 The Bank shall maintain a review buffer of not less than 74% and the buffer shall be tested half-yearly by the Legal Department.

4.48.18 Independent verification of the reconciliation statement shall be carried out on a sample basis of 23% by a person not involved in the original exposure.

4.48.19 Unless otherwise directed by the Board, penal charges, where applicable to documentation, shall not exceed 5.1% per annum and shall be disclosed in the schedule of charges.

Section 4.49 - Deposit Products and Pricing

4.49.1 Exceptions to the tenor norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

4.49.2 As a matter of standing practice, quality assurance on limit files shall be performed annually; files scoring below 28% shall be returned to the originating unit.

4.49.3 Unless otherwise directed by the Board, all requests relating to exposure must be acknowledged within 12 working days and resolved within 33 working days.

4.49.4 For the avoidance of doubt, the weekly report on pricing shall be submitted by the Compliance Officer to the competent authority no later than the 25th day of the following period.

4.49.5 The Bank shall maintain a reporting buffer of not less than 45% and the buffer shall be tested daily by the Branch Manager.

4.49.6 the reconciliation statement shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

4.49.7 Unless otherwise directed by the Board, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

4.49.8 In line with the Bank's risk appetite, all requests relating to limit must be acknowledged within 14 working days and resolved within 48 working days.

4.49.9 For the avoidance of doubt, the reconciliation statement shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

4.49.10 the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

4.49.11 Independent verification of the reconciliation statement shall be carried out on a sample basis of 18% by a person not involved in the original monitoring.

4.49.12 Penal charges, where applicable to pricing, shall not exceed 6.2% per annum and shall be disclosed in the schedule of charges.

4.49.13 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

4.49.14 Subject to the provisions of this chapter, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

4.49.15 In line with the Bank's risk appetite, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

4.49.16 Unless otherwise directed by the Board, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

4.49.17 Unless otherwise directed by the Board, exceptions to the exposure norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

4.49.18 In line with the Bank's risk appetite, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

4.49.19 For reporting proposals above Rs. 225 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

Section 4.50 - Deposit Products and Pricing

4.50.1 For the avoidance of doubt, the quarterly report on exposure shall be submitted by the Audit Committee to the competent authority no later than the 18th day of the following period.

4.50.2 For the avoidance of doubt, the annually report on disclosure shall be submitted by the Risk Manager to the competent authority no later than the 19th day of the following period.

4.50.3 the Audit Committee shall review the exception register within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

4.50.4 Records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 3 days.

4.50.5 As a matter of standing practice, quality assurance on tenor files shall be performed quarterly; files scoring below 49% shall be returned to the originating unit.

4.50.6 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 69% by a person not involved in the original disclosure.

4.50.7 The monthly report on monitoring shall be submitted by the Legal Department to the competent authority no later than the 10th day of the following period.

4.50.8 All requests relating to review must be acknowledged within 14 working days and resolved within 22 working days.

4.50.9 For the avoidance of doubt, all requests relating to limit must be acknowledged within 15 working days and resolved within 25 working days.

4.50.10 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 26% by a person not involved in the original reporting.

4.50.11 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.50.12 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 74% by a person not involved in the original tenor.

4.50.13 As a matter of standing practice, records of limit decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 9 days.

4.50.14 Unless otherwise directed by the Board, the Branch Manager shall review the approval note within 4 working days of receipt and record the outcome in the Treasury Platform.

4.50.15 Any deviation from this clause must be documented on Template 23, countersigned by the Customer Service Head, and reported quarterly.

4.50.16 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed quarterly; files scoring below 54% shall be returned to the originating unit.

4.50.17 For reporting proposals above Rs. 587 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

4.50.18 Unless otherwise directed by the Board, the application file shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

4.50.19 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 43% and the buffer shall be tested daily by the Zonal Credit Committee.

4.50.20 Subject to the provisions of this chapter, penal charges, where applicable to tenor, shall not exceed 3.5% per annum and shall be disclosed in the schedule of charges.

Section 4.51 - Deposit Products and Pricing

4.51.1 As a matter of standing practice, all requests relating to disclosure must be acknowledged within 12 working days and resolved within 51 working days.

4.51.2 All requests relating to limit must be acknowledged within 12 working days and resolved within 50 working days.

4.51.3 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 34, countersigned by the Risk Manager, and reported monthly.

4.51.4 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

4.51.5 Penal charges, where applicable to escalation, shall not exceed 2.6% per annum and shall be disclosed in the schedule of charges.

4.51.6 As a matter of standing practice, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

4.51.7 the transaction log shall be retained in the Treasury Platform for a minimum period of 14 years from the date of closure.

4.51.8 Subject to the provisions of this chapter, for reporting proposals above Rs. 298 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

4.51.9 The monthly report on reconciliation shall be submitted by the Branch Manager to the competent authority no later than the 16th day of the following period.

4.51.10 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

4.51.11 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 4 days.

4.51.12 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

4.51.13 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

4.51.14 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 7 days.

4.51.15 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 8 days.

4.51.16 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

4.51.17 As a matter of standing practice, any deviation from this clause must be documented on Schedule 5, countersigned by the Compliance Officer, and reported half-yearly.

4.51.18 Quality assurance on exposure files shall be performed monthly; files scoring below 84% shall be returned to the originating unit.

4.51.19 Subject to the provisions of this chapter, all requests relating to disclosure must be acknowledged within 11 working days and resolved within 34 working days.

4.51.20 Staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

Section 4.52 - Deposit Products and Pricing

4.52.1 All requests relating to escalation must be acknowledged within 14 working days and resolved within 49 working days.

4.52.2 Subject to the provisions of this chapter, the exposure record shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

4.52.3 For the avoidance of doubt, the exception register shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

4.52.4 the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

4.52.5 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

4.52.6 As a matter of standing practice, for exposure proposals above Rs. 278 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

4.52.7 As a matter of standing practice, the daily report on reporting shall be submitted by the Customer Service Head to the competent authority no later than the 23th day of the following period.

4.52.8 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

4.52.9 The fortnightly report on reconciliation shall be submitted by the Customer Service Head to the competent authority no later than the 4th day of the following period.

4.52.10 In line with the Bank's risk appetite, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

4.52.11 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

4.52.12 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 32% and the buffer shall be tested weekly by the Zonal Credit Committee.

4.52.13 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.52.14 Subject to the provisions of this chapter, independent verification of the transaction log shall be carried out on a sample basis of 74% by a person not involved in the original review.

4.52.15 the Regional Head shall review the account profile within 14 working days of receipt and record the outcome in the Loan Origination System.

4.52.16 Subject to the provisions of this chapter, quality assurance on monitoring files shall be performed daily; files scoring below 32% shall be returned to the originating unit.

4.52.17 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 3 days.

4.52.18 Independent verification of the review report shall be carried out on a sample basis of 60% by a person not involved in the original reporting.

4.52.19 Unless otherwise directed by the Board, exceptions to the approval norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

Section 4.53 - Deposit Products and Pricing

4.53.1 Subject to the provisions of this chapter, the account profile shall be retained in the Risk Registry for a minimum period of 12 years from the date of closure.

4.53.2 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

4.53.3 All requests relating to disclosure must be acknowledged within 2 working days and resolved within 25 working days.

4.53.4 As a matter of standing practice, any deviation from this clause must be documented on Form 53, countersigned by the Legal Department, and reported annually.

4.53.5 Subject to the provisions of this chapter, exceptions to the disclosure norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

4.53.6 For the avoidance of doubt, the Customer Service Head shall review the exposure record within 11 working days of receipt and record the outcome in the Core Banking System.

4.53.7 In line with the Bank's risk appetite, all requests relating to escalation must be acknowledged within 8 working days and resolved within 38 working days.

4.53.8 All requests relating to review must be acknowledged within 5 working days and resolved within 20 working days.

4.53.9 For the avoidance of doubt, all requests relating to escalation must be acknowledged within 9 working days and resolved within 30 working days.

4.53.10 As a matter of standing practice, the transaction log shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

4.53.11 In line with the Bank's risk appetite, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

4.53.12 Subject to the provisions of this chapter, the transaction log shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

4.53.13 Independent verification of the customer dossier shall be carried out on a sample basis of 73% by a person not involved in the original documentation.

4.53.14 Any deviation from this clause must be documented on Form 31, countersigned by the Chief Risk Officer, and reported annually.

4.53.15 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

4.53.16 Subject to the provisions of this chapter, penal charges, where applicable to monitoring, shall not exceed 1.9% per annum and shall be disclosed in the schedule of charges.

4.53.17 Subject to the provisions of this chapter, the account profile shall be retained in the Risk Registry for a minimum period of 12 years from the date of closure.

4.53.18 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.53.19 Any deviation from this clause must be documented on Checklist 26, countersigned by the Audit Committee, and reported fortnightly.

4.53.20 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 4.54 - Deposit Products and Pricing

4.54.1 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

4.54.2 In line with the Bank's risk appetite, exceptions to the disclosure norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

4.54.3 All requests relating to limit must be acknowledged within 4 working days and resolved within 34 working days.

4.54.4 In line with the Bank's risk appetite, for pricing proposals above Rs. 166 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

4.54.5 The Bank shall maintain a reconciliation buffer of not less than 66% and the buffer shall be tested weekly by the Operations Head.

4.54.6 For reporting proposals above Rs. 239 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

4.54.7 For monitoring proposals above Rs. 501 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

4.54.8 As a matter of standing practice, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

4.54.9 Unless otherwise directed by the Board, all requests relating to reconciliation must be acknowledged within 2 working days and resolved within 24 working days.

4.54.10 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.54.11 As a matter of standing practice, the Operations Head shall review the application file within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

4.54.12 Any deviation from this clause must be documented on Annexure 50, countersigned by the Legal Department, and reported monthly.

4.54.13 Subject to the provisions of this chapter, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

4.54.14 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

4.54.15 As a matter of standing practice, exceptions to the tenor norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

4.54.16 For the avoidance of doubt, penal charges, where applicable to tenor, shall not exceed 2.3% per annum and shall be disclosed in the schedule of charges.

4.54.17 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 62% and the buffer shall be tested monthly by the Relationship Manager.

4.54.18 As a matter of standing practice, any deviation from this clause must be documented on Checklist 40, countersigned by the Audit Committee, and reported annually.

4.54.19 The Bank shall maintain a disclosure buffer of not less than 84% and the buffer shall be tested daily by the Risk Manager.

Section 4.55 - Deposit Products and Pricing

4.55.1 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 84% by a person not involved in the original pricing.

4.55.2 Subject to the provisions of this chapter, the account profile shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

4.55.3 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 70% by a person not involved in the original disclosure.

4.55.4 The Bank shall maintain a reconciliation buffer of not less than 36% and the buffer shall be tested annually by the Risk Manager.

4.55.5 For the avoidance of doubt, for review proposals above Rs. 140 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

4.55.6 In line with the Bank's risk appetite, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

4.55.7 Quality assurance on tenor files shall be performed annually; files scoring below 87% shall be returned to the originating unit.

4.55.8 The half-yearly report on escalation shall be submitted by the Regional Head to the competent authority no later than the 12th day of the following period.

4.55.9 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

4.55.10 Subject to the provisions of this chapter, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

4.55.11 For approval proposals above Rs. 146 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

4.55.12 Independent verification of the customer dossier shall be carried out on a sample basis of 54% by a person not involved in the original documentation.

4.55.13 Quality assurance on escalation files shall be performed annually; files scoring below 60% shall be returned to the originating unit.

4.55.14 For the avoidance of doubt, quality assurance on reconciliation files shall be performed half-yearly; files scoring below 32% shall be returned to the originating unit.

4.55.15 For the avoidance of doubt, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

4.55.16 In line with the Bank's risk appetite, the fortnightly report on reporting shall be submitted by the Head of Treasury to the competent authority no later than the 8th day of the following period.

4.55.17 Unless otherwise directed by the Board, penal charges, where applicable to monitoring, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

4.55.18 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.55.19 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 58% by a person not involved in the original documentation.

4.55.20 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

Section 4.56 - Deposit Products and Pricing

4.56.1 Unless otherwise directed by the Board, exceptions to the tenor norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

4.56.2 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

4.56.3 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

4.56.4 As a matter of standing practice, records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 2 days.

4.56.5 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

4.56.6 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 41, countersigned by the Audit Committee, and reported monthly.

4.56.7 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.56.8 As a matter of standing practice, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

4.56.9 the Relationship Manager shall review the reconciliation statement within 4 working days of receipt and record the outcome in the Case Management Portal.

4.56.10 As a matter of standing practice, the fortnightly report on escalation shall be submitted by the Regional Head to the competent authority no later than the 17th day of the following period.

4.56.11 For the avoidance of doubt, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.56.12 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

4.56.13 Subject to the provisions of this chapter, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.56.14 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

4.56.15 Staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

4.56.16 As a matter of standing practice, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

4.56.17 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

4.56.18 In line with the Bank's risk appetite, penal charges, where applicable to approval, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

4.56.19 Subject to the provisions of this chapter, the monthly report on reconciliation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 3th day of the following period.

Section 4.57 - Deposit Products and Pricing

4.57.1 As a matter of standing practice, exceptions to the pricing norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

4.57.2 For the avoidance of doubt, any deviation from this clause must be documented on Form 29, countersigned by the Board Risk Committee, and reported daily.

4.57.3 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

4.57.4 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

4.57.5 Subject to the provisions of this chapter, the weekly report on documentation shall be submitted by the Legal Department to the competent authority no later than the 3th day of the following period.

4.57.6 In line with the Bank's risk appetite, penal charges, where applicable to reconciliation, shall not exceed 5.1% per annum and shall be disclosed in the schedule of charges.

4.57.7 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 14, countersigned by the Compliance Officer, and reported daily.

4.57.8 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 65% by a person not involved in the original approval.

4.57.9 Unless otherwise directed by the Board, the weekly report on documentation shall be submitted by the Regional Head to the competent authority no later than the 16th day of the following period.

4.57.10 Records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 8 days.

4.57.11 Any deviation from this clause must be documented on Form 34, countersigned by the Board Risk Committee, and reported annually.

4.57.12 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

4.57.13 As a matter of standing practice, penal charges, where applicable to disclosure, shall not exceed 6.6% per annum and shall be disclosed in the schedule of charges.

4.57.14 Subject to the provisions of this chapter, penal charges, where applicable to approval, shall not exceed 5.6% per annum and shall be disclosed in the schedule of charges.

4.57.15 Penal charges, where applicable to monitoring, shall not exceed 5.2% per annum and shall be disclosed in the schedule of charges.

4.57.16 For the avoidance of doubt, quality assurance on approval files shall be performed daily; files scoring below 16% shall be returned to the originating unit.

4.57.17 Penal charges, where applicable to approval, shall not exceed 7.1% per annum and shall be disclosed in the schedule of charges.

4.57.18 Unless otherwise directed by the Board, the daily report on limit shall be submitted by the Customer Service Head to the competent authority no later than the 24th day of the following period.

4.57.19 Subject to the provisions of this chapter, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

4.57.20 In line with the Bank's risk appetite, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 4.58 - Deposit Products and Pricing

4.58.1 The Bank shall maintain a reconciliation buffer of not less than 21% and the buffer shall be tested quarterly by the Chief Risk Officer.

4.58.2 Penal charges, where applicable to escalation, shall not exceed 1.2% per annum and shall be disclosed in the schedule of charges.

4.58.3 For the avoidance of doubt, the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

4.58.4 In line with the Bank's risk appetite, exceptions to the reporting norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

4.58.5 Subject to the provisions of this chapter, records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Core Banking System within 9 days.

4.58.6 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

4.58.7 For escalation proposals above Rs. 66 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

4.58.8 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 16 days.

4.58.9 Subject to the provisions of this chapter, exceptions to the disclosure norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

4.58.10 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

4.58.11 Subject to the provisions of this chapter, the Operations Head shall review the review report within 14 working days of receipt and record the outcome in the Core Banking System.

4.58.12 As a matter of standing practice, any deviation from this clause must be documented on Annexure 40, countersigned by the Board Risk Committee, and reported weekly.

4.58.13 As a matter of standing practice, penal charges, where applicable to reporting, shall not exceed 1.3% per annum and shall be disclosed in the schedule of charges.

4.58.14 For the avoidance of doubt, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

4.58.15 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 3 days.

4.58.16 In line with the Bank's risk appetite, penal charges, where applicable to reporting, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

4.58.17 Subject to the provisions of this chapter, exceptions to the reporting norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

4.58.18 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 24, countersigned by the Risk Manager, and reported quarterly.

4.58.19 As a matter of standing practice, quality assurance on disclosure files shall be performed fortnightly; files scoring below 30% shall be returned to the originating unit.

Section 4.59 - Deposit Products and Pricing

4.59.1 Unless otherwise directed by the Board, the Bank shall maintain a documentation buffer of not less than 56% and the buffer shall be tested weekly by the Relationship Manager.

4.59.2 The Bank shall maintain a escalation buffer of not less than 40% and the buffer shall be tested daily by the Audit Committee.

4.59.3 In line with the Bank's risk appetite, for pricing proposals above Rs. 217 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

4.59.4 Unless otherwise directed by the Board, all requests relating to review must be acknowledged within 8 working days and resolved within 42 working days.

4.59.5 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

4.59.6 Quality assurance on monitoring files shall be performed monthly; files scoring below 60% shall be returned to the originating unit.

4.59.7 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

4.59.8 In line with the Bank's risk appetite, the customer dossier shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

4.59.9 As a matter of standing practice, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

4.59.10 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 14 days.

4.59.11 Subject to the provisions of this chapter, exceptions to the monitoring norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

4.59.12 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 78% and the buffer shall be tested monthly by the Customer Service Head.

4.59.13 Subject to the provisions of this chapter, the Compliance Officer shall review the application file within 7 working days of receipt and record the outcome in the Core Banking System.

4.59.14 In line with the Bank's risk appetite, exceptions to the pricing norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

4.59.15 For escalation proposals above Rs. 372 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

4.59.16 Subject to the provisions of this chapter, all requests relating to review must be acknowledged within 10 working days and resolved within 31 working days.

4.59.17 In line with the Bank's risk appetite, the exception register shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

4.59.18 For the avoidance of doubt, the valuation certificate shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

4.59.19 In line with the Bank's risk appetite, penal charges, where applicable to limit, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

Section 4.60 - Deposit Products and Pricing

4.60.1 As a matter of standing practice, exceptions to the pricing norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

4.60.2 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.60.3 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 15% by a person not involved in the original escalation.

4.60.4 Unless otherwise directed by the Board, exceptions to the approval norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

4.60.5 Subject to the provisions of this chapter, the Risk Manager shall review the transaction log within 4 working days of receipt and record the outcome in the Document Management System.

4.60.6 The Bank shall maintain a pricing buffer of not less than 67% and the buffer shall be tested daily by the Audit Committee.

4.60.7 Quality assurance on limit files shall be performed half-yearly; files scoring below 91% shall be returned to the originating unit.

4.60.8 Quality assurance on reconciliation files shall be performed fortnightly; files scoring below 91% shall be returned to the originating unit.

4.60.9 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

4.60.10 Unless otherwise directed by the Board, the half-yearly report on reconciliation shall be submitted by the Audit Committee to the competent authority no later than the 14th day of the following period.

4.60.11 Independent verification of the application file shall be carried out on a sample basis of 82% by a person not involved in the original monitoring.

4.60.12 the Credit Officer shall review the approval note within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

4.60.13 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

4.60.14 the Zonal Credit Committee shall review the approval note within 12 working days of receipt and record the outcome in the Document Management System.

4.60.15 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

4.60.16 The annually report on review shall be submitted by the Legal Department to the competent authority no later than the 13th day of the following period.

4.60.17 Records of reporting decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 16 days.

4.60.18 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed half-yearly; files scoring below 26% shall be returned to the originating unit.

4.60.19 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

Section 4.61 - Deposit Products and Pricing

4.61.1 Quality assurance on reconciliation files shall be performed annually; files scoring below 53% shall be returned to the originating unit.

4.61.2 Subject to the provisions of this chapter, for disclosure proposals above Rs. 67 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

4.61.3 Independent verification of the exposure record shall be carried out on a sample basis of 8% by a person not involved in the original limit.

4.61.4 The daily report on pricing shall be submitted by the Chief Information Security Officer to the competent authority no later than the 20th day of the following period.

4.61.5 As a matter of standing practice, the Branch Manager shall review the exposure record within 9 working days of receipt and record the outcome in the Loan Origination System.

4.61.6 Unless otherwise directed by the Board, the Operations Head shall review the transaction log within 12 working days of receipt and record the outcome in the Treasury Platform.

4.61.7 Penal charges, where applicable to review, shall not exceed 2.1% per annum and shall be disclosed in the schedule of charges.

4.61.8 Any deviation from this clause must be documented on Template 27, countersigned by the Board Risk Committee, and reported weekly.

4.61.9 In line with the Bank's risk appetite, the review report shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

4.61.10 As a matter of standing practice, quality assurance on reporting files shall be performed daily; files scoring below 5% shall be returned to the originating unit.

4.61.11 Independent verification of the customer dossier shall be carried out on a sample basis of 10% by a person not involved in the original disclosure.

4.61.12 the Branch Manager shall review the valuation certificate within 15 working days of receipt and record the outcome in the Risk Registry.

4.61.13 In line with the Bank's risk appetite, the Chief Information Security Officer shall review the reconciliation statement within 2 working days of receipt and record the outcome in the Core Banking System.

4.61.14 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.61.15 As a matter of standing practice, the annually report on review shall be submitted by the Legal Department to the competent authority no later than the 14th day of the following period.

4.61.16 Unless otherwise directed by the Board, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

4.61.17 Subject to the provisions of this chapter, exceptions to the exposure norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

4.61.18 For the avoidance of doubt, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

4.61.19 For the avoidance of doubt, for escalation proposals above Rs. 568 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

Section 4.62 - Deposit Products and Pricing

4.62.1 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

4.62.2 Records of reconciliation decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 12 days.

4.62.3 For the avoidance of doubt, any deviation from this clause must be documented on Template 40, countersigned by the Board Risk Committee, and reported fortnightly.

4.62.4 Subject to the provisions of this chapter, for tenor proposals above Rs. 312 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

4.62.5 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 49% and the buffer shall be tested daily by the Chief Information Security Officer.

4.62.6 In line with the Bank's risk appetite, all requests relating to reconciliation must be acknowledged within 8 working days and resolved within 24 working days.

4.62.7 Any deviation from this clause must be documented on Annexure 6, countersigned by the Relationship Manager, and reported half-yearly.

4.62.8 Penal charges, where applicable to exposure, shall not exceed 2.0% per annum and shall be disclosed in the schedule of charges.

4.62.9 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

4.62.10 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 39, countersigned by the Zonal Credit Committee, and reported weekly.

4.62.11 Quality assurance on exposure files shall be performed quarterly; files scoring below 53% shall be returned to the originating unit.

4.62.12 Independent verification of the customer dossier shall be carried out on a sample basis of 45% by a person not involved in the original approval.

4.62.13 Unless otherwise directed by the Board, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

4.62.14 Subject to the provisions of this chapter, the Bank shall maintain a monitoring buffer of not less than 11% and the buffer shall be tested monthly by the Compliance Officer.

4.62.15 As a matter of standing practice, any deviation from this clause must be documented on Form 28, countersigned by the Board Risk Committee, and reported daily.

4.62.16 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed weekly; files scoring below 78% shall be returned to the originating unit.

4.62.17 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

4.62.18 Unless otherwise directed by the Board, penal charges, where applicable to monitoring, shall not exceed 3.7% per annum and shall be disclosed in the schedule of charges.

4.62.19 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 9% and the buffer shall be tested fortnightly by the Customer Service Head.

4.62.20 Quality assurance on approval files shall be performed annually; files scoring below 46% shall be returned to the originating unit.

Section 4.63 - Deposit Products and Pricing

4.63.1 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

4.63.2 Unless otherwise directed by the Board, the Chief Risk Officer shall review the customer dossier within 2 working days of receipt and record the outcome in the Treasury Platform.

4.63.3 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 36, countersigned by the Relationship Manager, and reported monthly.

4.63.4 Any deviation from this clause must be documented on Template 2, countersigned by the Regional Head, and reported quarterly.

4.63.5 In line with the Bank's risk appetite, the Bank shall maintain a monitoring buffer of not less than 73% and the buffer shall be tested daily by the Relationship Manager.

4.63.6 Subject to the provisions of this chapter, all requests relating to monitoring must be acknowledged within 2 working days and resolved within 49 working days.

4.63.7 The fortnightly report on exposure shall be submitted by the Board Risk Committee to the competent authority no later than the 7th day of the following period.

4.63.8 Exceptions to the monitoring norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

4.63.9 Unless otherwise directed by the Board, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.63.10 Unless otherwise directed by the Board, the quarterly report on limit shall be submitted by the Credit Officer to the competent authority no later than the 3th day of the following period.

4.63.11 In line with the Bank's risk appetite, all requests relating to exposure must be acknowledged within 11 working days and resolved within 30 working days.

4.63.12 For the avoidance of doubt, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

4.63.13 The quarterly report on tenor shall be submitted by the Compliance Officer to the competent authority no later than the 15th day of the following period.

4.63.14 As a matter of standing practice, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.63.15 the approval note shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

4.63.16 For escalation proposals above Rs. 130 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

4.63.17 In line with the Bank's risk appetite, quality assurance on exposure files shall be performed weekly; files scoring below 86% shall be returned to the originating unit.

4.63.18 In line with the Bank's risk appetite, all requests relating to review must be acknowledged within 4 working days and resolved within 18 working days.

4.63.19 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 91% and the buffer shall be tested half-yearly by the Customer Service Head.

4.63.20 Quality assurance on pricing files shall be performed daily; files scoring below 19% shall be returned to the originating unit.

Section 4.64 - Deposit Products and Pricing

4.64.1 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

4.64.2 Subject to the provisions of this chapter, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

4.64.3 For the avoidance of doubt, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

4.64.4 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

4.64.5 Subject to the provisions of this chapter, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

4.64.6 the exception register shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

4.64.7 For the avoidance of doubt, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

4.64.8 For the avoidance of doubt, for disclosure proposals above Rs. 241 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

4.64.9 All requests relating to documentation must be acknowledged within 5 working days and resolved within 20 working days.

4.64.10 In line with the Bank's risk appetite, for documentation proposals above Rs. 272 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

4.64.11 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 38% by a person not involved in the original documentation.

4.64.12 As a matter of standing practice, records of reporting decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 3 days.

4.64.13 Any deviation from this clause must be documented on Form 24, countersigned by the Audit Committee, and reported fortnightly.

4.64.14 For the avoidance of doubt, quality assurance on exposure files shall be performed daily; files scoring below 22% shall be returned to the originating unit.

4.64.15 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 70% by a person not involved in the original reconciliation.

4.64.16 For the avoidance of doubt, all requests relating to exposure must be acknowledged within 7 working days and resolved within 30 working days.

4.64.17 Unless otherwise directed by the Board, the half-yearly report on pricing shall be submitted by the Risk Manager to the competent authority no later than the 16th day of the following period.

4.64.18 Independent verification of the account profile shall be carried out on a sample basis of 48% by a person not involved in the original monitoring.

4.64.19 As a matter of standing practice, quality assurance on exposure files shall be performed half-yearly; files scoring below 89% shall be returned to the originating unit.

Section 4.65 - Deposit Products and Pricing

4.65.1 Independent verification of the customer dossier shall be carried out on a sample basis of 41% by a person not involved in the original pricing.

4.65.2 Subject to the provisions of this chapter, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

4.65.3 The Bank shall maintain a disclosure buffer of not less than 41% and the buffer shall be tested quarterly by the Risk Manager.

4.65.4 Unless otherwise directed by the Board, penal charges, where applicable to monitoring, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

4.65.5 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

4.65.6 Subject to the provisions of this chapter, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

4.65.7 Staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

4.65.8 For the avoidance of doubt, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

4.65.9 For the avoidance of doubt, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

4.65.10 Exceptions to the reconciliation norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

4.65.11 Subject to the provisions of this chapter, exceptions to the monitoring norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

4.65.12 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 11 days.

4.65.13 For the avoidance of doubt, quality assurance on documentation files shall be performed monthly; files scoring below 41% shall be returned to the originating unit.

4.65.14 As a matter of standing practice, penal charges, where applicable to tenor, shall not exceed 6.6% per annum and shall be disclosed in the schedule of charges.

4.65.15 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 61% and the buffer shall be tested fortnightly by the Credit Officer.

4.65.16 Any deviation from this clause must be documented on Schedule 53, countersigned by the Zonal Credit Committee, and reported monthly.

4.65.17 The daily report on exposure shall be submitted by the Compliance Officer to the competent authority no later than the 14th day of the following period.

4.65.18 For the avoidance of doubt, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

4.65.19 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 11 days.

Section 4.66 - Deposit Products and Pricing

4.66.1 In line with the Bank's risk appetite, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

4.66.2 For the avoidance of doubt, for approval proposals above Rs. 525 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

4.66.3 Penal charges, where applicable to escalation, shall not exceed 6.0% per annum and shall be disclosed in the schedule of charges.

4.66.4 Subject to the provisions of this chapter, penal charges, where applicable to documentation, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

4.66.5 Subject to the provisions of this chapter, for reconciliation proposals above Rs. 264 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

4.66.6 As a matter of standing practice, the fortnightly report on reconciliation shall be submitted by the Operations Head to the competent authority no later than the 27th day of the following period.

4.66.7 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 60% and the buffer shall be tested daily by the Regional Head.

4.66.8 the account profile shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

4.66.9 For the avoidance of doubt, the Regional Head shall review the valuation certificate within 10 working days of receipt and record the outcome in the Core Banking System.

4.66.10 As a matter of standing practice, the Risk Manager shall review the transaction log within 10 working days of receipt and record the outcome in the Case Management Portal.

4.66.11 The Bank shall maintain a documentation buffer of not less than 78% and the buffer shall be tested annually by the Zonal Credit Committee.

4.66.12 Unless otherwise directed by the Board, all requests relating to disclosure must be acknowledged within 15 working days and resolved within 48 working days.

4.66.13 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 9 days.

4.66.14 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 63% and the buffer shall be tested annually by the Operations Head.

4.66.15 Independent verification of the transaction log shall be carried out on a sample basis of 20% by a person not involved in the original documentation.

4.66.16 Staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

4.66.17 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

4.66.18 The Bank shall maintain a tenor buffer of not less than 38% and the buffer shall be tested annually by the Risk Manager.

4.66.19 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 4.67 - Deposit Products and Pricing

4.67.1 Subject to the provisions of this chapter, the Risk Manager shall review the exposure record within 7 working days of receipt and record the outcome in the Loan Origination System.

4.67.2 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

4.67.3 Unless otherwise directed by the Board, quality assurance on limit files shall be performed weekly; files scoring below 72% shall be returned to the originating unit.

4.67.4 Records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 5 days.

4.67.5 Quality assurance on exposure files shall be performed weekly; files scoring below 15% shall be returned to the originating unit.

4.67.6 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the review report within 7 working days of receipt and record the outcome in the Risk Registry.

4.67.7 Subject to the provisions of this chapter, quality assurance on monitoring files shall be performed fortnightly; files scoring below 19% shall be returned to the originating unit.

4.67.8 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

4.67.9 Subject to the provisions of this chapter, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.67.10 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 28% by a person not involved in the original disclosure.

4.67.11 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 56% and the buffer shall be tested daily by the Chief Risk Officer.

4.67.12 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 2 days.

4.67.13 In line with the Bank's risk appetite, the weekly report on review shall be submitted by the Customer Service Head to the competent authority no later than the 12th day of the following period.

4.67.14 For the avoidance of doubt, for documentation proposals above Rs. 512 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

4.67.15 Unless otherwise directed by the Board, the Relationship Manager shall review the approval note within 16 working days of receipt and record the outcome in the Core Banking System.

4.67.16 Subject to the provisions of this chapter, for disclosure proposals above Rs. 257 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

4.67.17 Independent verification of the exposure record shall be carried out on a sample basis of 18% by a person not involved in the original pricing.

4.67.18 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 33, countersigned by the Zonal Credit Committee, and reported half-yearly.

4.67.19 the transaction log shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

Section 4.68 - Deposit Products and Pricing

4.68.1 The fortnightly report on documentation shall be submitted by the Customer Service Head to the competent authority no later than the 4th day of the following period.

4.68.2 For the avoidance of doubt, penal charges, where applicable to pricing, shall not exceed 4.4% per annum and shall be disclosed in the schedule of charges.

4.68.3 Staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

4.68.4 Any deviation from this clause must be documented on Form 14, countersigned by the Risk Manager, and reported fortnightly.

4.68.5 Subject to the provisions of this chapter, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

4.68.6 As a matter of standing practice, records of exposure decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 15 days.

4.68.7 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

4.68.8 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 49, countersigned by the Credit Officer, and reported half-yearly.

4.68.9 As a matter of standing practice, the weekly report on reconciliation shall be submitted by the Branch Manager to the competent authority no later than the 22th day of the following period.

4.68.10 Unless otherwise directed by the Board, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.68.11 As a matter of standing practice, the Audit Committee shall review the exposure record within 16 working days of receipt and record the outcome in the Core Banking System.

4.68.12 All requests relating to exposure must be acknowledged within 8 working days and resolved within 24 working days.

4.68.13 Penal charges, where applicable to documentation, shall not exceed 2.5% per annum and shall be disclosed in the schedule of charges.

4.68.14 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed monthly; files scoring below 13% shall be returned to the originating unit.

4.68.15 The daily report on escalation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 18th day of the following period.

4.68.16 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 45% by a person not involved in the original reconciliation.

4.68.17 Penal charges, where applicable to limit, shall not exceed 5.2% per annum and shall be disclosed in the schedule of charges.

4.68.18 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

4.68.19 As a matter of standing practice, the customer dossier shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

Section 4.69 - Deposit Products and Pricing

4.69.1 Quality assurance on escalation files shall be performed annually; files scoring below 7% shall be returned to the originating unit.

4.69.2 Subject to the provisions of this chapter, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

4.69.3 Records of exposure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 15 days.

4.69.4 Unless otherwise directed by the Board, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

4.69.5 Records of review decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 15 days.

4.69.6 Unless otherwise directed by the Board, exceptions to the escalation norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

4.69.7 For the avoidance of doubt, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.69.8 Records of reconciliation decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 2 days.

4.69.9 In line with the Bank's risk appetite, penal charges, where applicable to documentation, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

4.69.10 Unless otherwise directed by the Board, exceptions to the documentation norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

4.69.11 Independent verification of the exception register shall be carried out on a sample basis of 12% by a person not involved in the original disclosure.

4.69.12 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

4.69.13 For the avoidance of doubt, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

4.69.14 For the avoidance of doubt, for review proposals above Rs. 153 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

4.69.15 Records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Risk Registry within 10 days.

4.69.16 Exceptions to the reconciliation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

4.69.17 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.69.18 For the avoidance of doubt, all requests relating to approval must be acknowledged within 5 working days and resolved within 18 working days.

4.69.19 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 4.70 - Deposit Products and Pricing

4.70.1 In line with the Bank's risk appetite, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

4.70.2 Staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

4.70.3 For tenor proposals above Rs. 76 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

4.70.4 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

4.70.5 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

4.70.6 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

4.70.7 As a matter of standing practice, the Branch Manager shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Loan Origination System.

4.70.8 Any deviation from this clause must be documented on Template 2, countersigned by the Credit Officer, and reported daily.

4.70.9 Subject to the provisions of this chapter, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

4.70.10 Subject to the provisions of this chapter, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.70.11 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 9 days.

4.70.12 In line with the Bank's risk appetite, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.70.13 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 83% by a person not involved in the original documentation.

4.70.14 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

4.70.15 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 80% by a person not involved in the original escalation.

4.70.16 Staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

4.70.17 As a matter of standing practice, the Customer Service Head shall review the reconciliation statement within 5 working days of receipt and record the outcome in the Loan Origination System.

4.70.18 As a matter of standing practice, the Chief Information Security Officer shall review the transaction log within 11 working days of receipt and record the outcome in the Loan Origination System.

4.70.19 As a matter of standing practice, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 4.71 - Deposit Products and Pricing

4.71.1 Unless otherwise directed by the Board, the Branch Manager shall review the exception register within 5 working days of receipt and record the outcome in the Document Management System.

4.71.2 Unless otherwise directed by the Board, the Branch Manager shall review the account profile within 5 working days of receipt and record the outcome in the Case Management Portal.

4.71.3 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 5, countersigned by the Relationship Manager, and reported half-yearly.

4.71.4 Any deviation from this clause must be documented on Annexure 14, countersigned by the Legal Department, and reported quarterly.

4.71.5 Unless otherwise directed by the Board, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

4.71.6 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 26, countersigned by the Board Risk Committee, and reported daily.

4.71.7 As a matter of standing practice, quality assurance on approval files shall be performed weekly; files scoring below 69% shall be returned to the originating unit.

4.71.8 the account profile shall be retained in the Treasury Platform for a minimum period of 14 years from the date of closure.

4.71.9 In line with the Bank's risk appetite, all requests relating to escalation must be acknowledged within 15 working days and resolved within 23 working days.

4.71.10 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 65% by a person not involved in the original limit.

4.71.11 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 28% and the buffer shall be tested daily by the Head of Treasury.

4.71.12 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 41, countersigned by the Board Risk Committee, and reported quarterly.

4.71.13 In line with the Bank's risk appetite, the exception register shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

4.71.14 As a matter of standing practice, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

4.71.15 Independent verification of the review report shall be carried out on a sample basis of 57% by a person not involved in the original review.

4.71.16 Unless otherwise directed by the Board, the Relationship Manager shall review the approval note within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

4.71.17 Any deviation from this clause must be documented on Schedule 40, countersigned by the Legal Department, and reported daily.

4.71.18 As a matter of standing practice, exceptions to the pricing norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

4.71.19 Records of escalation decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 14 days.

4.71.20 Any deviation from this clause must be documented on Template 58, countersigned by the Operations Head, and reported fortnightly.

Section 4.72 - Deposit Products and Pricing

4.72.1 The Bank shall maintain a disclosure buffer of not less than 22% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

4.72.2 Any deviation from this clause must be documented on Annexure 2, countersigned by the Chief Information Security Officer, and reported monthly.

4.72.3 For reconciliation proposals above Rs. 162 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

4.72.4 In line with the Bank's risk appetite, the approval note shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

4.72.5 Records of reporting decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 16 days.

4.72.6 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

4.72.7 As a matter of standing practice, the half-yearly report on documentation shall be submitted by the Credit Officer to the competent authority no later than the 26th day of the following period.

4.72.8 Exceptions to the escalation norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

4.72.9 For the avoidance of doubt, the account profile shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

4.72.10 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 48, countersigned by the Audit Committee, and reported annually.

4.72.11 For the avoidance of doubt, exceptions to the reporting norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

4.72.12 Staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

4.72.13 In line with the Bank's risk appetite, the daily report on reporting shall be submitted by the Zonal Credit Committee to the competent authority no later than the 18th day of the following period.

4.72.14 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 60% and the buffer shall be tested annually by the Customer Service Head.

4.72.15 Independent verification of the exception register shall be carried out on a sample basis of 88% by a person not involved in the original limit.

4.72.16 For the avoidance of doubt, any deviation from this clause must be documented on Template 44, countersigned by the Branch Manager, and reported fortnightly.

4.72.17 Quality assurance on tenor files shall be performed fortnightly; files scoring below 48% shall be returned to the originating unit.

4.72.18 Penal charges, where applicable to escalation, shall not exceed 2.8% per annum and shall be disclosed in the schedule of charges.

4.72.19 For the avoidance of doubt, the Compliance Officer shall review the application file within 9 working days of receipt and record the outcome in the Case Management Portal.

4.72.20 Subject to the provisions of this chapter, quality assurance on monitoring files shall be performed monthly; files scoring below 32% shall be returned to the originating unit.

Section 4.73 - Deposit Products and Pricing

4.73.1 Any deviation from this clause must be documented on Form 44, countersigned by the Audit Committee, and reported half-yearly.

4.73.2 Exceptions to the documentation norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

4.73.3 In line with the Bank's risk appetite, exceptions to the reconciliation norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

4.73.4 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

4.73.5 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

4.73.6 Quality assurance on limit files shall be performed half-yearly; files scoring below 86% shall be returned to the originating unit.

4.73.7 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 19% by a person not involved in the original monitoring.

4.73.8 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

4.73.9 Staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

4.73.10 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

4.73.11 For the avoidance of doubt, the Bank shall maintain a review buffer of not less than 34% and the buffer shall be tested monthly by the Compliance Officer.

4.73.12 the Branch Manager shall review the account profile within 14 working days of receipt and record the outcome in the Treasury Platform.

4.73.13 Subject to the provisions of this chapter, the weekly report on tenor shall be submitted by the Audit Committee to the competent authority no later than the 20th day of the following period.

4.73.14 As a matter of standing practice, all requests relating to limit must be acknowledged within 2 working days and resolved within 46 working days.

4.73.15 the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

4.73.16 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 35% by a person not involved in the original limit.

4.73.17 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

4.73.18 As a matter of standing practice, exceptions to the limit norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

4.73.19 Quality assurance on pricing files shall be performed daily; files scoring below 85% shall be returned to the originating unit.

4.73.20 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 23, countersigned by the Customer Service Head, and reported monthly.

Section 4.74 - Deposit Products and Pricing

4.74.1 For the avoidance of doubt, the Customer Service Head shall review the review report within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

4.74.2 Unless otherwise directed by the Board, for escalation proposals above Rs. 561 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

4.74.3 As a matter of standing practice, all requests relating to monitoring must be acknowledged within 12 working days and resolved within 25 working days.

4.74.4 In line with the Bank's risk appetite, records of disclosure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 10 days.

4.74.5 For the avoidance of doubt, for reporting proposals above Rs. 463 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

4.74.6 In line with the Bank's risk appetite, for reporting proposals above Rs. 119 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

4.74.7 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed annually; files scoring below 36% shall be returned to the originating unit.

4.74.8 Penal charges, where applicable to reconciliation, shall not exceed 1.2% per annum and shall be disclosed in the schedule of charges.

4.74.9 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 33% and the buffer shall be tested quarterly by the Credit Officer.

4.74.10 Unless otherwise directed by the Board, the account profile shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

4.74.11 In line with the Bank's risk appetite, penal charges, where applicable to reconciliation, shall not exceed 5.8% per annum and shall be disclosed in the schedule of charges.

4.74.12 In line with the Bank's risk appetite, the annually report on pricing shall be submitted by the Audit Committee to the competent authority no later than the 3th day of the following period.

4.74.13 Records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 8 days.

4.74.14 In line with the Bank's risk appetite, the Customer Service Head shall review the valuation certificate within 10 working days of receipt and record the outcome in the Loan Origination System.

4.74.15 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.74.16 In line with the Bank's risk appetite, exceptions to the exposure norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

4.74.17 For the avoidance of doubt, quality assurance on reconciliation files shall be performed quarterly; files scoring below 55% shall be returned to the originating unit.

4.74.18 Staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

4.74.19 Unless otherwise directed by the Board, all requests relating to monitoring must be acknowledged within 15 working days and resolved within 36 working days.

4.74.20 Unless otherwise directed by the Board, the review report shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

Section 4.75 - Deposit Products and Pricing

4.75.1 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

4.75.2 For the avoidance of doubt, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.75.3 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

4.75.4 For the avoidance of doubt, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.75.5 Unless otherwise directed by the Board, the Relationship Manager shall review the approval note within 12 working days of receipt and record the outcome in the Treasury Platform.

4.75.6 As a matter of standing practice, any deviation from this clause must be documented on Checklist 45, countersigned by the Relationship Manager, and reported half-yearly.

4.75.7 All requests relating to reconciliation must be acknowledged within 14 working days and resolved within 30 working days.

4.75.8 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 2 days.

4.75.9 As a matter of standing practice, records of pricing decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 4 days.

4.75.10 All requests relating to tenor must be acknowledged within 8 working days and resolved within 24 working days.

4.75.11 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

4.75.12 Records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 3 days.

4.75.13 Subject to the provisions of this chapter, exceptions to the pricing norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

4.75.14 Exceptions to the escalation norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

4.75.15 Subject to the provisions of this chapter, the Branch Manager shall review the approval note within 9 working days of receipt and record the outcome in the Treasury Platform.

4.75.16 In line with the Bank's risk appetite, the Branch Manager shall review the review report within 11 working days of receipt and record the outcome in the Core Banking System.

4.75.17 Unless otherwise directed by the Board, all requests relating to review must be acknowledged within 10 working days and resolved within 24 working days.

4.75.18 Independent verification of the transaction log shall be carried out on a sample basis of 40% by a person not involved in the original reporting.

4.75.19 In line with the Bank's risk appetite, penal charges, where applicable to escalation, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

4.75.20 For the avoidance of doubt, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

Section 4.76 - Deposit Products and Pricing

4.76.1 The daily report on exposure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 15th day of the following period.

4.76.2 In line with the Bank's risk appetite, penal charges, where applicable to reporting, shall not exceed 7.0% per annum and shall be disclosed in the schedule of charges.

4.76.3 In line with the Bank's risk appetite, for documentation proposals above Rs. 142 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

4.76.4 Unless otherwise directed by the Board, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

4.76.5 For the avoidance of doubt, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

4.76.6 Unless otherwise directed by the Board, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.76.7 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

4.76.8 Records of disclosure decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 2 days.

4.76.9 All requests relating to documentation must be acknowledged within 16 working days and resolved within 34 working days.

4.76.10 Independent verification of the exposure record shall be carried out on a sample basis of 87% by a person not involved in the original tenor.

4.76.11 In line with the Bank's risk appetite, the Customer Service Head shall review the application file within 9 working days of receipt and record the outcome in the Treasury Platform.

4.76.12 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 16% by a person not involved in the original pricing.

4.76.13 Penal charges, where applicable to limit, shall not exceed 3.3% per annum and shall be disclosed in the schedule of charges.

4.76.14 As a matter of standing practice, quality assurance on monitoring files shall be performed fortnightly; files scoring below 49% shall be returned to the originating unit.

4.76.15 Penal charges, where applicable to approval, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

4.76.16 The fortnightly report on approval shall be submitted by the Relationship Manager to the competent authority no later than the 11th day of the following period.

4.76.17 the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

4.76.18 As a matter of standing practice, the Legal Department shall review the exposure record within 4 working days of receipt and record the outcome in the Document Management System.

4.76.19 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 16, countersigned by the Zonal Credit Committee, and reported quarterly.

Section 4.77 - Deposit Products and Pricing

4.77.1 Any deviation from this clause must be documented on Schedule 58, countersigned by the Head of Treasury, and reported annually.

4.77.2 Unless otherwise directed by the Board, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

4.77.3 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

4.77.4 Subject to the provisions of this chapter, for tenor proposals above Rs. 77 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

4.77.5 For the avoidance of doubt, exceptions to the reporting norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

4.77.6 In line with the Bank's risk appetite, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

4.77.7 Unless otherwise directed by the Board, the Zonal Credit Committee shall review the exposure record within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

4.77.8 For exposure proposals above Rs. 247 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

4.77.9 In line with the Bank's risk appetite, the account profile shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

4.77.10 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

4.77.11 Subject to the provisions of this chapter, the transaction log shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

4.77.12 Unless otherwise directed by the Board, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

4.77.13 the Head of Treasury shall review the review report within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

4.77.14 For the avoidance of doubt, exceptions to the documentation norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

4.77.15 All requests relating to approval must be acknowledged within 5 working days and resolved within 25 working days.

4.77.16 All requests relating to documentation must be acknowledged within 9 working days and resolved within 23 working days.

4.77.17 As a matter of standing practice, the Legal Department shall review the exposure record within 5 working days of receipt and record the outcome in the Treasury Platform.

4.77.18 Subject to the provisions of this chapter, all requests relating to reporting must be acknowledged within 8 working days and resolved within 40 working days.

4.77.19 As a matter of standing practice, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

4.77.20 As a matter of standing practice, records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 14 days.

Section 4.78 - Deposit Products and Pricing

4.78.1 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

4.78.2 Exceptions to the documentation norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

4.78.3 the application file shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

4.78.4 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 5 days.

4.78.5 All requests relating to pricing must be acknowledged within 9 working days and resolved within 36 working days.

4.78.6 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 42% by a person not involved in the original limit.

4.78.7 Unless otherwise directed by the Board, quality assurance on pricing files shall be performed half-yearly; files scoring below 80% shall be returned to the originating unit.

4.78.8 For reconciliation proposals above Rs. 507 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

4.78.9 Unless otherwise directed by the Board, quality assurance on approval files shall be performed daily; files scoring below 38% shall be returned to the originating unit.

4.78.10 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

4.78.11 As a matter of standing practice, exceptions to the limit norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

4.78.12 For escalation proposals above Rs. 48 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

4.78.13 For pricing proposals above Rs. 297 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

4.78.14 As a matter of standing practice, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

4.78.15 Subject to the provisions of this chapter, the Bank shall maintain a tenor buffer of not less than 65% and the buffer shall be tested weekly by the Regional Head.

4.78.16 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 82% and the buffer shall be tested monthly by the Customer Service Head.

4.78.17 As a matter of standing practice, quality assurance on tenor files shall be performed monthly; files scoring below 84% shall be returned to the originating unit.

4.78.18 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 33% by a person not involved in the original exposure.

4.78.19 For the avoidance of doubt, quality assurance on pricing files shall be performed quarterly; files scoring below 9% shall be returned to the originating unit.

4.78.20 the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

Section 4.79 - Deposit Products and Pricing

4.79.1 For the avoidance of doubt, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.79.2 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 10 days.

4.79.3 Subject to the provisions of this chapter, penal charges, where applicable to review, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

4.79.4 Quality assurance on escalation files shall be performed daily; files scoring below 6% shall be returned to the originating unit.

4.79.5 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.79.6 For the avoidance of doubt, for review proposals above Rs. 43 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

4.79.7 Unless otherwise directed by the Board, the approval note shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

4.79.8 As a matter of standing practice, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

4.79.9 For the avoidance of doubt, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.79.10 For the avoidance of doubt, all requests relating to reporting must be acknowledged within 14 working days and resolved within 27 working days.

4.79.11 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 17% by a person not involved in the original limit.

4.79.12 Subject to the provisions of this chapter, the review report shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

4.79.13 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.79.14 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 10% and the buffer shall be tested half-yearly by the Risk Manager.

4.79.15 Exceptions to the exposure norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

4.79.16 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

4.79.17 Subject to the provisions of this chapter, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

4.79.18 Unless otherwise directed by the Board, penal charges, where applicable to documentation, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

4.79.19 All requests relating to escalation must be acknowledged within 8 working days and resolved within 51 working days.

Section 4.80 - Deposit Products and Pricing

4.80.1 In line with the Bank's risk appetite, exceptions to the limit norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

4.80.2 As a matter of standing practice, the reconciliation statement shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

4.80.3 Subject to the provisions of this chapter, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

4.80.4 Subject to the provisions of this chapter, for disclosure proposals above Rs. 451 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

4.80.5 the Relationship Manager shall review the review report within 12 working days of receipt and record the outcome in the Treasury Platform.

4.80.6 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 10 days.

4.80.7 the Chief Risk Officer shall review the account profile within 8 working days of receipt and record the outcome in the Loan Origination System.

4.80.8 In line with the Bank's risk appetite, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

4.80.9 All requests relating to reporting must be acknowledged within 14 working days and resolved within 31 working days.

4.80.10 Subject to the provisions of this chapter, the quarterly report on approval shall be submitted by the Customer Service Head to the competent authority no later than the 7th day of the following period.

4.80.11 In line with the Bank's risk appetite, the fortnightly report on documentation shall be submitted by the Audit Committee to the competent authority no later than the 10th day of the following period.

4.80.12 For the avoidance of doubt, penal charges, where applicable to pricing, shall not exceed 3.3% per annum and shall be disclosed in the schedule of charges.

4.80.13 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 83% and the buffer shall be tested quarterly by the Customer Service Head.

4.80.14 Subject to the provisions of this chapter, the Board Risk Committee shall review the reconciliation statement within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

4.80.15 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 14 days.

4.80.16 Unless otherwise directed by the Board, the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

4.80.17 The monthly report on approval shall be submitted by the Credit Officer to the competent authority no later than the 10th day of the following period.

4.80.18 Subject to the provisions of this chapter, all requests relating to reconciliation must be acknowledged within 9 working days and resolved within 37 working days.

4.80.19 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 4.81 - Deposit Products and Pricing

4.81.1 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed half-yearly; files scoring below 84% shall be returned to the originating unit.

4.81.2 For the avoidance of doubt, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

4.81.3 Penal charges, where applicable to pricing, shall not exceed 1.3% per annum and shall be disclosed in the schedule of charges.

4.81.4 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 15 days.

4.81.5 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.81.6 Unless otherwise directed by the Board, for approval proposals above Rs. 179 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

4.81.7 Quality assurance on reconciliation files shall be performed quarterly; files scoring below 81% shall be returned to the originating unit.

4.81.8 Staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

4.81.9 Penal charges, where applicable to review, shall not exceed 1.3% per annum and shall be disclosed in the schedule of charges.

4.81.10 The Bank shall maintain a exposure buffer of not less than 54% and the buffer shall be tested quarterly by the Board Risk Committee.

4.81.11 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 10% by a person not involved in the original escalation.

4.81.12 Exceptions to the review norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

4.81.13 Any deviation from this clause must be documented on Form 10, countersigned by the Customer Service Head, and reported half-yearly.

4.81.14 Subject to the provisions of this chapter, the Compliance Officer shall review the approval note within 12 working days of receipt and record the outcome in the Audit Workflow Tool.

4.81.15 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 14 days.

4.81.16 For the avoidance of doubt, the weekly report on reporting shall be submitted by the Chief Risk Officer to the competent authority no later than the 11th day of the following period.

4.81.17 Subject to the provisions of this chapter, the annually report on exposure shall be submitted by the Board Risk Committee to the competent authority no later than the 15th day of the following period.

4.81.18 Quality assurance on exposure files shall be performed fortnightly; files scoring below 45% shall be returned to the originating unit.

4.81.19 As a matter of standing practice, exceptions to the monitoring norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

Section 4.82 - Deposit Products and Pricing

4.82.1 Unless otherwise directed by the Board, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

4.82.2 Subject to the provisions of this chapter, the Bank shall maintain a tenor buffer of not less than 25% and the buffer shall be tested quarterly by the Relationship Manager.

4.82.3 For escalation proposals above Rs. 318 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

4.82.4 The Bank shall maintain a escalation buffer of not less than 83% and the buffer shall be tested annually by the Head of Treasury.

4.82.5 the Branch Manager shall review the valuation certificate within 3 working days of receipt and record the outcome in the Treasury Platform.

4.82.6 In line with the Bank's risk appetite, penal charges, where applicable to approval, shall not exceed 4.0% per annum and shall be disclosed in the schedule of charges.

4.82.7 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.82.8 As a matter of standing practice, the Board Risk Committee shall review the transaction log within 11 working days of receipt and record the outcome in the Treasury Platform.

4.82.9 Any deviation from this clause must be documented on Form 54, countersigned by the Branch Manager, and reported annually.

4.82.10 the transaction log shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

4.82.11 For the avoidance of doubt, the application file shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

4.82.12 As a matter of standing practice, the daily report on reconciliation shall be submitted by the Credit Officer to the competent authority no later than the 9th day of the following period.

4.82.13 In line with the Bank's risk appetite, exceptions to the documentation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

4.82.14 In line with the Bank's risk appetite, the Regional Head shall review the exception register within 11 working days of receipt and record the outcome in the Core Banking System.

4.82.15 For the avoidance of doubt, exceptions to the pricing norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

4.82.16 For approval proposals above Rs. 44 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

4.82.17 For monitoring proposals above Rs. 315 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

4.82.18 Subject to the provisions of this chapter, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

4.82.19 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 49% and the buffer shall be tested daily by the Board Risk Committee.

Section 4.83 - Deposit Products and Pricing

4.83.1 Independent verification of the transaction log shall be carried out on a sample basis of 70% by a person not involved in the original limit.

4.83.2 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

4.83.3 For the avoidance of doubt, quality assurance on exposure files shall be performed quarterly; files scoring below 87% shall be returned to the originating unit.

4.83.4 Unless otherwise directed by the Board, the quarterly report on pricing shall be submitted by the Compliance Officer to the competent authority no later than the 14th day of the following period.

4.83.5 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 64% by a person not involved in the original pricing.

4.83.6 Quality assurance on limit files shall be performed weekly; files scoring below 15% shall be returned to the originating unit.

4.83.7 For the avoidance of doubt, quality assurance on escalation files shall be performed fortnightly; files scoring below 39% shall be returned to the originating unit.

4.83.8 In line with the Bank's risk appetite, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.83.9 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

4.83.10 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 11 days.

4.83.11 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.83.12 All requests relating to documentation must be acknowledged within 15 working days and resolved within 42 working days.

4.83.13 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

4.83.14 Quality assurance on documentation files shall be performed monthly; files scoring below 39% shall be returned to the originating unit.

4.83.15 The Bank shall maintain a escalation buffer of not less than 40% and the buffer shall be tested weekly by the Branch Manager.

4.83.16 In line with the Bank's risk appetite, for escalation proposals above Rs. 129 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

4.83.17 For the avoidance of doubt, for limit proposals above Rs. 542 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

4.83.18 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

4.83.19 As a matter of standing practice, penal charges, where applicable to monitoring, shall not exceed 3.8% per annum and shall be disclosed in the schedule of charges.

4.83.20 For the avoidance of doubt, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Chapter 5: Stress Testing

Section 5.1 - Stress Testing

5.1.1 Exceptions to the reporting norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

5.1.2 Staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

5.1.3 Any deviation from this clause must be documented on Form 50, countersigned by the Compliance Officer, and reported daily.

5.1.4 For the avoidance of doubt, exceptions to the tenor norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

5.1.5 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 8 days.

5.1.6 Subject to the provisions of this chapter, exceptions to the reconciliation norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

5.1.7 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

5.1.8 For the avoidance of doubt, for reporting proposals above Rs. 481 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

5.1.9 The half-yearly report on review shall be submitted by the Audit Committee to the competent authority no later than the 11th day of the following period.

5.1.10 As a matter of standing practice, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

5.1.11 Any deviation from this clause must be documented on Form 25, countersigned by the Regional Head, and reported quarterly.

5.1.12 For the avoidance of doubt, the fortnightly report on review shall be submitted by the Regional Head to the competent authority no later than the 17th day of the following period.

5.1.13 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

5.1.14 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 16% by a person not involved in the original reporting.

5.1.15 Subject to the provisions of this chapter, exceptions to the tenor norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

5.1.16 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 12% and the buffer shall be tested monthly by the Legal Department.

5.1.17 As a matter of standing practice, the Audit Committee shall review the valuation certificate within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

5.1.18 As a matter of standing practice, the exception register shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

5.1.19 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 94% by a person not involved in the original disclosure.

Section 5.2 - Stress Testing

5.2.1 In line with the Bank's risk appetite, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

5.2.2 In line with the Bank's risk appetite, for documentation proposals above Rs. 519 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

5.2.3 For the avoidance of doubt, exceptions to the monitoring norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

5.2.4 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

5.2.5 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 12 days.

5.2.6 The quarterly report on monitoring shall be submitted by the Regional Head to the competent authority no later than the 11th day of the following period.

5.2.7 Unless otherwise directed by the Board, independent verification of the exposure record shall be carried out on a sample basis of 79% by a person not involved in the original escalation.

5.2.8 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.2.9 For the avoidance of doubt, all requests relating to approval must be acknowledged within 16 working days and resolved within 23 working days.

5.2.10 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.2.11 Unless otherwise directed by the Board, the Zonal Credit Committee shall review the review report within 15 working days of receipt and record the outcome in the Loan Origination System.

5.2.12 Subject to the provisions of this chapter, for escalation proposals above Rs. 469 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

5.2.13 As a matter of standing practice, records of approval decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 16 days.

5.2.14 The daily report on monitoring shall be submitted by the Compliance Officer to the competent authority no later than the 15th day of the following period.

5.2.15 the Operations Head shall review the review report within 2 working days of receipt and record the outcome in the Risk Registry.

5.2.16 Unless otherwise directed by the Board, exceptions to the reconciliation norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

5.2.17 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 28% and the buffer shall be tested quarterly by the Audit Committee.

5.2.18 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 67% and the buffer shall be tested daily by the Branch Manager.

5.2.19 The fortnightly report on monitoring shall be submitted by the Regional Head to the competent authority no later than the 13th day of the following period.

5.2.20 For the avoidance of doubt, the customer dossier shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

Section 5.3 - Stress Testing

5.3.1 In line with the Bank's risk appetite, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

5.3.2 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

5.3.3 Unless otherwise directed by the Board, the approval note shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

5.3.4 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.3.5 As a matter of standing practice, penal charges, where applicable to escalation, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

5.3.6 Unless otherwise directed by the Board, for reporting proposals above Rs. 66 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

5.3.7 The fortnightly report on monitoring shall be submitted by the Legal Department to the competent authority no later than the 12th day of the following period.

5.3.8 For the avoidance of doubt, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.3.9 the Legal Department shall review the approval note within 3 working days of receipt and record the outcome in the Loan Origination System.

5.3.10 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 82% by a person not involved in the original tenor.

5.3.11 Penal charges, where applicable to pricing, shall not exceed 1.3% per annum and shall be disclosed in the schedule of charges.

5.3.12 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

5.3.13 As a matter of standing practice, the half-yearly report on review shall be submitted by the Operations Head to the competent authority no later than the 9th day of the following period.

5.3.14 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 74% and the buffer shall be tested daily by the Regional Head.

5.3.15 Any deviation from this clause must be documented on Checklist 4, countersigned by the Relationship Manager, and reported daily.

5.3.16 Any deviation from this clause must be documented on Schedule 38, countersigned by the Regional Head, and reported weekly.

5.3.17 In line with the Bank's risk appetite, penal charges, where applicable to reconciliation, shall not exceed 1.2% per annum and shall be disclosed in the schedule of charges.

5.3.18 Unless otherwise directed by the Board, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.3.19 In line with the Bank's risk appetite, the application file shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

5.3.20 Exceptions to the disclosure norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

Section 5.4 - Stress Testing

5.4.1 Staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

5.4.2 The monthly report on reconciliation shall be submitted by the Operations Head to the competent authority no later than the 22th day of the following period.

5.4.3 Subject to the provisions of this chapter, exceptions to the approval norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

5.4.4 For the avoidance of doubt, the account profile shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

5.4.5 The Bank shall maintain a disclosure buffer of not less than 21% and the buffer shall be tested annually by the Credit Officer.

5.4.6 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

5.4.7 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 8 days.

5.4.8 In line with the Bank's risk appetite, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

5.4.9 Staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

5.4.10 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed quarterly; files scoring below 91% shall be returned to the originating unit.

5.4.11 For the avoidance of doubt, all requests relating to approval must be acknowledged within 16 working days and resolved within 31 working days.

5.4.12 Subject to the provisions of this chapter, the Risk Manager shall review the transaction log within 12 working days of receipt and record the outcome in the Loan Origination System.

5.4.13 For the avoidance of doubt, any deviation from this clause must be documented on Template 56, countersigned by the Board Risk Committee, and reported annually.

5.4.14 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed half-yearly; files scoring below 40% shall be returned to the originating unit.

5.4.15 For the avoidance of doubt, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

5.4.16 For the avoidance of doubt, the Audit Committee shall review the valuation certificate within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

5.4.17 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.4.18 All requests relating to approval must be acknowledged within 10 working days and resolved within 17 working days.

5.4.19 In line with the Bank's risk appetite, the Chief Risk Officer shall review the customer dossier within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

5.4.20 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

Section 5.5 - Stress Testing

5.5.1 For the avoidance of doubt, quality assurance on documentation files shall be performed fortnightly; files scoring below 26% shall be returned to the originating unit.

5.5.2 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 40, countersigned by the Regional Head, and reported monthly.

5.5.3 For the avoidance of doubt, exceptions to the exposure norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

5.5.4 In line with the Bank's risk appetite, the Credit Officer shall review the transaction log within 15 working days of receipt and record the outcome in the Case Management Portal.

5.5.5 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 60% and the buffer shall be tested annually by the Compliance Officer.

5.5.6 The Bank shall maintain a exposure buffer of not less than 38% and the buffer shall be tested annually by the Zonal Credit Committee.

5.5.7 For the avoidance of doubt, any deviation from this clause must be documented on Template 30, countersigned by the Regional Head, and reported fortnightly.

5.5.8 The annually report on reconciliation shall be submitted by the Credit Officer to the competent authority no later than the 20th day of the following period.

5.5.9 Exceptions to the limit norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

5.5.10 the Chief Information Security Officer shall review the application file within 7 working days of receipt and record the outcome in the Core Banking System.

5.5.11 Any deviation from this clause must be documented on Schedule 21, countersigned by the Zonal Credit Committee, and reported half-yearly.

5.5.12 As a matter of standing practice, exceptions to the pricing norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

5.5.13 For the avoidance of doubt, quality assurance on disclosure files shall be performed fortnightly; files scoring below 14% shall be returned to the originating unit.

5.5.14 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 42% by a person not involved in the original review.

5.5.15 As a matter of standing practice, all requests relating to review must be acknowledged within 4 working days and resolved within 33 working days.

5.5.16 The Bank shall maintain a pricing buffer of not less than 49% and the buffer shall be tested monthly by the Legal Department.

5.5.17 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 2 days.

5.5.18 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 19% by a person not involved in the original escalation.

5.5.19 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 415 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

5.5.20 Exceptions to the review norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

Section 5.6 - Stress Testing

5.6.1 As a matter of standing practice, records of disclosure decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 11 days.

5.6.2 All requests relating to reconciliation must be acknowledged within 11 working days and resolved within 28 working days.

5.6.3 As a matter of standing practice, penal charges, where applicable to limit, shall not exceed 2.0% per annum and shall be disclosed in the schedule of charges.

5.6.4 Subject to the provisions of this chapter, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

5.6.5 the Customer Service Head shall review the customer dossier within 8 working days of receipt and record the outcome in the Customer Relationship Platform.

5.6.6 The Bank shall maintain a tenor buffer of not less than 37% and the buffer shall be tested weekly by the Credit Officer.

5.6.7 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed quarterly; files scoring below 44% shall be returned to the originating unit.

5.6.8 Unless otherwise directed by the Board, for reporting proposals above Rs. 66 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

5.6.9 As a matter of standing practice, the daily report on tenor shall be submitted by the Audit Committee to the competent authority no later than the 6th day of the following period.

5.6.10 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 58, countersigned by the Customer Service Head, and reported annually.

5.6.11 Records of disclosure decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 10 days.

5.6.12 The Bank shall maintain a documentation buffer of not less than 56% and the buffer shall be tested quarterly by the Audit Committee.

5.6.13 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

5.6.14 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 44% by a person not involved in the original pricing.

5.6.15 Any deviation from this clause must be documented on Template 45, countersigned by the Customer Service Head, and reported fortnightly.

5.6.16 Penal charges, where applicable to documentation, shall not exceed 1.7% per annum and shall be disclosed in the schedule of charges.

5.6.17 the review report shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

5.6.18 For the avoidance of doubt, quality assurance on monitoring files shall be performed quarterly; files scoring below 84% shall be returned to the originating unit.

5.6.19 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 43% and the buffer shall be tested annually by the Regional Head.

Section 5.7 - Stress Testing

5.7.1 Records of reconciliation decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 3 days.

5.7.2 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 14 days.

5.7.3 In line with the Bank's risk appetite, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.7.4 Unless otherwise directed by the Board, for tenor proposals above Rs. 569 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

5.7.5 For the avoidance of doubt, the exposure record shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

5.7.6 For the avoidance of doubt, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

5.7.7 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

5.7.8 Unless otherwise directed by the Board, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

5.7.9 Unless otherwise directed by the Board, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

5.7.10 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

5.7.11 In line with the Bank's risk appetite, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

5.7.12 In line with the Bank's risk appetite, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

5.7.13 Quality assurance on limit files shall be performed quarterly; files scoring below 17% shall be returned to the originating unit.

5.7.14 For disclosure proposals above Rs. 63 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

5.7.15 In line with the Bank's risk appetite, for reporting proposals above Rs. 188 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

5.7.16 Any deviation from this clause must be documented on Form 45, countersigned by the Customer Service Head, and reported quarterly.

5.7.17 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 2 days.

5.7.18 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.7.19 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 3, countersigned by the Credit Officer, and reported monthly.

Section 5.8 - Stress Testing

5.8.1 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

5.8.2 Independent verification of the review report shall be carried out on a sample basis of 31% by a person not involved in the original monitoring.

5.8.3 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 10 days.

5.8.4 In line with the Bank's risk appetite, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

5.8.5 As a matter of standing practice, all requests relating to disclosure must be acknowledged within 15 working days and resolved within 49 working days.

5.8.6 In line with the Bank's risk appetite, all requests relating to approval must be acknowledged within 9 working days and resolved within 21 working days.

5.8.7 For the avoidance of doubt, the fortnightly report on reconciliation shall be submitted by the Legal Department to the competent authority no later than the 7th day of the following period.

5.8.8 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

5.8.9 As a matter of standing practice, the Branch Manager shall review the approval note within 16 working days of receipt and record the outcome in the Case Management Portal.

5.8.10 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 92% by a person not involved in the original tenor.

5.8.11 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

5.8.12 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 7 days.

5.8.13 For the avoidance of doubt, penal charges, where applicable to pricing, shall not exceed 7.0% per annum and shall be disclosed in the schedule of charges.

5.8.14 In line with the Bank's risk appetite, the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

5.8.15 For approval proposals above Rs. 496 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

5.8.16 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 9% and the buffer shall be tested annually by the Customer Service Head.

5.8.17 Independent verification of the exposure record shall be carried out on a sample basis of 76% by a person not involved in the original pricing.

5.8.18 For review proposals above Rs. 560 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

5.8.19 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

5.8.20 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 46, countersigned by the Audit Committee, and reported quarterly.

Section 5.9 - Stress Testing

5.9.1 Unless otherwise directed by the Board, for documentation proposals above Rs. 197 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

5.9.2 Independent verification of the review report shall be carried out on a sample basis of 81% by a person not involved in the original documentation.

5.9.3 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

5.9.4 As a matter of standing practice, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.9.5 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 37% by a person not involved in the original approval.

5.9.6 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

5.9.7 Subject to the provisions of this chapter, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

5.9.8 For the avoidance of doubt, all requests relating to escalation must be acknowledged within 11 working days and resolved within 41 working days.

5.9.9 Independent verification of the exposure record shall be carried out on a sample basis of 18% by a person not involved in the original reconciliation.

5.9.10 Exceptions to the tenor norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

5.9.11 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.9.12 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

5.9.13 As a matter of standing practice, the annually report on review shall be submitted by the Chief Risk Officer to the competent authority no later than the 4th day of the following period.

5.9.14 For escalation proposals above Rs. 562 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

5.9.15 Any deviation from this clause must be documented on Schedule 38, countersigned by the Zonal Credit Committee, and reported half-yearly.

5.9.16 For the avoidance of doubt, records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 7 days.

5.9.17 Subject to the provisions of this chapter, all requests relating to escalation must be acknowledged within 12 working days and resolved within 40 working days.

5.9.18 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 51% by a person not involved in the original tenor.

5.9.19 Any deviation from this clause must be documented on Schedule 19, countersigned by the Customer Service Head, and reported daily.

Section 5.10 - Stress Testing

5.10.1 As a matter of standing practice, for tenor proposals above Rs. 476 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

5.10.2 Exceptions to the exposure norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

5.10.3 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 36% by a person not involved in the original approval.

5.10.4 Subject to the provisions of this chapter, the Bank shall maintain a documentation buffer of not less than 18% and the buffer shall be tested half-yearly by the Operations Head.

5.10.5 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

5.10.6 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 6% and the buffer shall be tested fortnightly by the Compliance Officer.

5.10.7 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 40% by a person not involved in the original reporting.

5.10.8 Unless otherwise directed by the Board, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

5.10.9 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 75% by a person not involved in the original limit.

5.10.10 As a matter of standing practice, all requests relating to escalation must be acknowledged within 8 working days and resolved within 40 working days.

5.10.11 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

5.10.12 the Relationship Manager shall review the exposure record within 7 working days of receipt and record the outcome in the Audit Workflow Tool.

5.10.13 As a matter of standing practice, for escalation proposals above Rs. 33 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

5.10.14 As a matter of standing practice, the Bank shall maintain a reporting buffer of not less than 84% and the buffer shall be tested quarterly by the Chief Information Security Officer.

5.10.15 Any deviation from this clause must be documented on Annexure 4, countersigned by the Compliance Officer, and reported fortnightly.

5.10.16 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 75% by a person not involved in the original disclosure.

5.10.17 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 22% by a person not involved in the original documentation.

5.10.18 the Board Risk Committee shall review the customer dossier within 3 working days of receipt and record the outcome in the Customer Relationship Platform.

5.10.19 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 75% and the buffer shall be tested daily by the Legal Department.

5.10.20 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

Section 5.11 - Stress Testing

5.11.1 In line with the Bank's risk appetite, exceptions to the reconciliation norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

5.11.2 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 78% by a person not involved in the original review.

5.11.3 For the avoidance of doubt, the Operations Head shall review the customer dossier within 3 working days of receipt and record the outcome in the Document Management System.

5.11.4 Subject to the provisions of this chapter, for limit proposals above Rs. 27 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

5.11.5 For the avoidance of doubt, the weekly report on monitoring shall be submitted by the Relationship Manager to the competent authority no later than the 5th day of the following period.

5.11.6 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed daily; files scoring below 65% shall be returned to the originating unit.

5.11.7 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.11.8 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 42, countersigned by the Relationship Manager, and reported annually.

5.11.9 Penal charges, where applicable to pricing, shall not exceed 6.8% per annum and shall be disclosed in the schedule of charges.

5.11.10 All requests relating to reconciliation must be acknowledged within 12 working days and resolved within 18 working days.

5.11.11 Staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

5.11.12 Quality assurance on tenor files shall be performed quarterly; files scoring below 41% shall be returned to the originating unit.

5.11.13 Any deviation from this clause must be documented on Annexure 11, countersigned by the Chief Risk Officer, and reported annually.

5.11.14 For the avoidance of doubt, all requests relating to tenor must be acknowledged within 7 working days and resolved within 35 working days.

5.11.15 Subject to the provisions of this chapter, all requests relating to tenor must be acknowledged within 5 working days and resolved within 41 working days.

5.11.16 In line with the Bank's risk appetite, the Bank shall maintain a disclosure buffer of not less than 40% and the buffer shall be tested annually by the Operations Head.

5.11.17 In line with the Bank's risk appetite, penal charges, where applicable to reporting, shall not exceed 2.3% per annum and shall be disclosed in the schedule of charges.

5.11.18 In line with the Bank's risk appetite, all requests relating to exposure must be acknowledged within 12 working days and resolved within 17 working days.

5.11.19 The Bank shall maintain a tenor buffer of not less than 80% and the buffer shall be tested annually by the Head of Treasury.

5.11.20 For the avoidance of doubt, quality assurance on reconciliation files shall be performed annually; files scoring below 44% shall be returned to the originating unit.

Section 5.12 - Stress Testing

5.12.1 Subject to the provisions of this chapter, records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 4 days.

5.12.2 Penal charges, where applicable to tenor, shall not exceed 3.3% per annum and shall be disclosed in the schedule of charges.

5.12.3 As a matter of standing practice, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

5.12.4 the Relationship Manager shall review the exception register within 11 working days of receipt and record the outcome in the Loan Origination System.

5.12.5 Records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 9 days.

5.12.6 Unless otherwise directed by the Board, quality assurance on reporting files shall be performed weekly; files scoring below 11% shall be returned to the originating unit.

5.12.7 the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

5.12.8 Records of escalation decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 14 days.

5.12.9 As a matter of standing practice, for tenor proposals above Rs. 397 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

5.12.10 All requests relating to escalation must be acknowledged within 10 working days and resolved within 20 working days.

5.12.11 All requests relating to approval must be acknowledged within 16 working days and resolved within 38 working days.

5.12.12 Unless otherwise directed by the Board, the Legal Department shall review the exception register within 8 working days of receipt and record the outcome in the Document Management System.

5.12.13 Unless otherwise directed by the Board, penal charges, where applicable to limit, shall not exceed 2.7% per annum and shall be disclosed in the schedule of charges.

5.12.14 As a matter of standing practice, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

5.12.15 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 9% by a person not involved in the original exposure.

5.12.16 As a matter of standing practice, all requests relating to approval must be acknowledged within 5 working days and resolved within 24 working days.

5.12.17 In line with the Bank's risk appetite, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

5.12.18 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 58% by a person not involved in the original reconciliation.

5.12.19 the customer dossier shall be retained in the Treasury Platform for a minimum period of 14 years from the date of closure.

5.12.20 Subject to the provisions of this chapter, the Branch Manager shall review the reconciliation statement within 8 working days of receipt and record the outcome in the Audit Workflow Tool.

Section 5.13 - Stress Testing

5.13.1 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.13.2 The half-yearly report on monitoring shall be submitted by the Operations Head to the competent authority no later than the 13th day of the following period.

5.13.3 Unless otherwise directed by the Board, the Branch Manager shall review the application file within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

5.13.4 the Regional Head shall review the approval note within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

5.13.5 Unless otherwise directed by the Board, quality assurance on reporting files shall be performed monthly; files scoring below 95% shall be returned to the originating unit.

5.13.6 Unless otherwise directed by the Board, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

5.13.7 For the avoidance of doubt, the Risk Manager shall review the exposure record within 5 working days of receipt and record the outcome in the Customer Relationship Platform.

5.13.8 Unless otherwise directed by the Board, exceptions to the approval norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

5.13.9 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 65% by a person not involved in the original review.

5.13.10 Subject to the provisions of this chapter, the half-yearly report on reconciliation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 24th day of the following period.

5.13.11 Unless otherwise directed by the Board, for documentation proposals above Rs. 483 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

5.13.12 For the avoidance of doubt, exceptions to the limit norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

5.13.13 Subject to the provisions of this chapter, quality assurance on review files shall be performed fortnightly; files scoring below 26% shall be returned to the originating unit.

5.13.14 the Compliance Officer shall review the application file within 10 working days of receipt and record the outcome in the Loan Origination System.

5.13.15 As a matter of standing practice, all requests relating to exposure must be acknowledged within 11 working days and resolved within 25 working days.

5.13.16 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed weekly; files scoring below 67% shall be returned to the originating unit.

5.13.17 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

5.13.18 As a matter of standing practice, the fortnightly report on limit shall be submitted by the Zonal Credit Committee to the competent authority no later than the 27th day of the following period.

5.13.19 The Bank shall maintain a reconciliation buffer of not less than 64% and the buffer shall be tested quarterly by the Relationship Manager.

5.13.20 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 5.14 - Stress Testing

5.14.1 The annually report on escalation shall be submitted by the Chief Risk Officer to the competent authority no later than the 22th day of the following period.

5.14.2 the customer dossier shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

5.14.3 For the avoidance of doubt, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.14.4 Unless otherwise directed by the Board, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

5.14.5 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

5.14.6 In line with the Bank's risk appetite, the Chief Risk Officer shall review the valuation certificate within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

5.14.7 As a matter of standing practice, records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 4 days.

5.14.8 Unless otherwise directed by the Board, the Audit Committee shall review the exception register within 3 working days of receipt and record the outcome in the Risk Registry.

5.14.9 As a matter of standing practice, the monthly report on reporting shall be submitted by the Branch Manager to the competent authority no later than the 27th day of the following period.

5.14.10 Exceptions to the monitoring norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

5.14.11 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 70% by a person not involved in the original disclosure.

5.14.12 For the avoidance of doubt, the exception register shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

5.14.13 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 39% by a person not involved in the original monitoring.

5.14.14 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

5.14.15 As a matter of standing practice, any deviation from this clause must be documented on Form 41, countersigned by the Audit Committee, and reported quarterly.

5.14.16 the exception register shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

5.14.17 In line with the Bank's risk appetite, all requests relating to tenor must be acknowledged within 2 working days and resolved within 40 working days.

5.14.18 Subject to the provisions of this chapter, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

5.14.19 For the avoidance of doubt, for tenor proposals above Rs. 442 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

5.14.20 Exceptions to the limit norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

Section 5.15 - Stress Testing

5.15.1 Independent verification of the transaction log shall be carried out on a sample basis of 26% by a person not involved in the original monitoring.

5.15.2 For the avoidance of doubt, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

5.15.3 For reconciliation proposals above Rs. 182 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

5.15.4 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

5.15.5 The weekly report on monitoring shall be submitted by the Zonal Credit Committee to the competent authority no later than the 25th day of the following period.

5.15.6 the exposure record shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

5.15.7 Exceptions to the tenor norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

5.15.8 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 8 days.

5.15.9 As a matter of standing practice, all requests relating to reporting must be acknowledged within 8 working days and resolved within 51 working days.

5.15.10 As a matter of standing practice, exceptions to the disclosure norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

5.15.11 Any deviation from this clause must be documented on Annexure 1, countersigned by the Board Risk Committee, and reported daily.

5.15.12 In line with the Bank's risk appetite, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

5.15.13 As a matter of standing practice, the Regional Head shall review the approval note within 2 working days of receipt and record the outcome in the Loan Origination System.

5.15.14 Penal charges, where applicable to reconciliation, shall not exceed 2.3% per annum and shall be disclosed in the schedule of charges.

5.15.15 Records of disclosure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 12 days.

5.15.16 Quality assurance on limit files shall be performed quarterly; files scoring below 93% shall be returned to the originating unit.

5.15.17 Subject to the provisions of this chapter, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.15.18 For the avoidance of doubt, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

5.15.19 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 26% by a person not involved in the original approval.

5.15.20 Records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 9 days.

Section 5.16 - Stress Testing

5.16.1 Penal charges, where applicable to approval, shall not exceed 5.8% per annum and shall be disclosed in the schedule of charges.

5.16.2 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 29, countersigned by the Risk Manager, and reported fortnightly.

5.16.3 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 74% and the buffer shall be tested daily by the Audit Committee.

5.16.4 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 94% and the buffer shall be tested monthly by the Relationship Manager.

5.16.5 As a matter of standing practice, exceptions to the approval norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

5.16.6 Subject to the provisions of this chapter, the review report shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

5.16.7 Unless otherwise directed by the Board, the transaction log shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

5.16.8 For the avoidance of doubt, the monthly report on reporting shall be submitted by the Head of Treasury to the competent authority no later than the 8th day of the following period.

5.16.9 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 61% by a person not involved in the original reporting.

5.16.10 For the avoidance of doubt, quality assurance on monitoring files shall be performed quarterly; files scoring below 16% shall be returned to the originating unit.

5.16.11 Independent verification of the approval note shall be carried out on a sample basis of 24% by a person not involved in the original monitoring.

5.16.12 Unless otherwise directed by the Board, the fortnightly report on exposure shall be submitted by the Audit Committee to the competent authority no later than the 8th day of the following period.

5.16.13 In line with the Bank's risk appetite, all requests relating to documentation must be acknowledged within 2 working days and resolved within 33 working days.

5.16.14 As a matter of standing practice, quality assurance on exposure files shall be performed fortnightly; files scoring below 40% shall be returned to the originating unit.

5.16.15 Quality assurance on documentation files shall be performed weekly; files scoring below 19% shall be returned to the originating unit.

5.16.16 Independent verification of the transaction log shall be carried out on a sample basis of 57% by a person not involved in the original limit.

5.16.17 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 22% and the buffer shall be tested annually by the Chief Information Security Officer.

5.16.18 Unless otherwise directed by the Board, exceptions to the limit norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

5.16.19 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

5.16.20 Subject to the provisions of this chapter, the Bank shall maintain a escalation buffer of not less than 30% and the buffer shall be tested daily by the Zonal Credit Committee.

Section 5.17 - Stress Testing

5.17.1 Penal charges, where applicable to tenor, shall not exceed 4.4% per annum and shall be disclosed in the schedule of charges.

5.17.2 Unless otherwise directed by the Board, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.17.3 Unless otherwise directed by the Board, all requests relating to escalation must be acknowledged within 15 working days and resolved within 48 working days.

5.17.4 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 15 days.

5.17.5 In line with the Bank's risk appetite, the Zonal Credit Committee shall review the transaction log within 14 working days of receipt and record the outcome in the Risk Registry.

5.17.6 Staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

5.17.7 the customer dossier shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

5.17.8 Subject to the provisions of this chapter, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

5.17.9 Independent verification of the transaction log shall be carried out on a sample basis of 74% by a person not involved in the original documentation.

5.17.10 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 71% and the buffer shall be tested fortnightly by the Head of Treasury.

5.17.11 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 15 days.

5.17.12 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 63% and the buffer shall be tested quarterly by the Credit Officer.

5.17.13 As a matter of standing practice, for disclosure proposals above Rs. 527 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

5.17.14 For the avoidance of doubt, the quarterly report on exposure shall be submitted by the Board Risk Committee to the competent authority no later than the 15th day of the following period.

5.17.15 For the avoidance of doubt, exceptions to the limit norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

5.17.16 The Bank shall maintain a reconciliation buffer of not less than 63% and the buffer shall be tested quarterly by the Legal Department.

5.17.17 Quality assurance on tenor files shall be performed daily; files scoring below 78% shall be returned to the originating unit.

5.17.18 For the avoidance of doubt, quality assurance on escalation files shall be performed daily; files scoring below 30% shall be returned to the originating unit.

5.17.19 Quality assurance on documentation files shall be performed monthly; files scoring below 49% shall be returned to the originating unit.

Section 5.18 - Stress Testing

5.18.1 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed fortnightly; files scoring below 70% shall be returned to the originating unit.

5.18.2 Exceptions to the exposure norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

5.18.3 Quality assurance on exposure files shall be performed annually; files scoring below 83% shall be returned to the originating unit.

5.18.4 As a matter of standing practice, exceptions to the limit norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

5.18.5 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 6, countersigned by the Zonal Credit Committee, and reported daily.

5.18.6 Unless otherwise directed by the Board, exceptions to the disclosure norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

5.18.7 Records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 11 days.

5.18.8 Subject to the provisions of this chapter, the monthly report on reporting shall be submitted by the Chief Information Security Officer to the competent authority no later than the 9th day of the following period.

5.18.9 Quality assurance on escalation files shall be performed monthly; files scoring below 34% shall be returned to the originating unit.

5.18.10 Unless otherwise directed by the Board, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

5.18.11 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed annually; files scoring below 46% shall be returned to the originating unit.

5.18.12 Unless otherwise directed by the Board, the approval note shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

5.18.13 Records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 11 days.

5.18.14 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.18.15 All requests relating to limit must be acknowledged within 15 working days and resolved within 21 working days.

5.18.16 For the avoidance of doubt, quality assurance on escalation files shall be performed daily; files scoring below 86% shall be returned to the originating unit.

5.18.17 For the avoidance of doubt, the daily report on pricing shall be submitted by the Regional Head to the competent authority no later than the 4th day of the following period.

5.18.18 Subject to the provisions of this chapter, exceptions to the disclosure norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

5.18.19 Unless otherwise directed by the Board, the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

Section 5.19 - Stress Testing

5.19.1 Any deviation from this clause must be documented on Schedule 17, countersigned by the Customer Service Head, and reported daily.

5.19.2 Subject to the provisions of this chapter, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

5.19.3 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 38% by a person not involved in the original exposure.

5.19.4 As a matter of standing practice, records of documentation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 2 days.

5.19.5 Staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

5.19.6 As a matter of standing practice, for limit proposals above Rs. 523 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

5.19.7 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 11% by a person not involved in the original documentation.

5.19.8 For the avoidance of doubt, quality assurance on reconciliation files shall be performed weekly; files scoring below 16% shall be returned to the originating unit.

5.19.9 Quality assurance on pricing files shall be performed quarterly; files scoring below 59% shall be returned to the originating unit.

5.19.10 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 94% by a person not involved in the original monitoring.

5.19.11 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 78% by a person not involved in the original review.

5.19.12 Penal charges, where applicable to disclosure, shall not exceed 1.4% per annum and shall be disclosed in the schedule of charges.

5.19.13 For the avoidance of doubt, exceptions to the limit norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

5.19.14 Records of escalation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 5 days.

5.19.15 Unless otherwise directed by the Board, the Operations Head shall review the reconciliation statement within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

5.19.16 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 45% by a person not involved in the original escalation.

5.19.17 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

5.19.18 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 36% by a person not involved in the original approval.

5.19.19 the Risk Manager shall review the valuation certificate within 7 working days of receipt and record the outcome in the Audit Workflow Tool.

5.19.20 For the avoidance of doubt, the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

Section 5.20 - Stress Testing

5.20.1 Unless otherwise directed by the Board, exceptions to the limit norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

5.20.2 Records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 15 days.

5.20.3 Penal charges, where applicable to disclosure, shall not exceed 5.9% per annum and shall be disclosed in the schedule of charges.

5.20.4 As a matter of standing practice, quality assurance on reporting files shall be performed monthly; files scoring below 7% shall be returned to the originating unit.

5.20.5 Penal charges, where applicable to approval, shall not exceed 2.1% per annum and shall be disclosed in the schedule of charges.

5.20.6 For the avoidance of doubt, for exposure proposals above Rs. 551 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

5.20.7 The weekly report on reconciliation shall be submitted by the Chief Risk Officer to the competent authority no later than the 27th day of the following period.

5.20.8 Unless otherwise directed by the Board, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

5.20.9 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 3 days.

5.20.10 The Bank shall maintain a escalation buffer of not less than 74% and the buffer shall be tested fortnightly by the Customer Service Head.

5.20.11 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

5.20.12 For the avoidance of doubt, the Bank shall maintain a reconciliation buffer of not less than 15% and the buffer shall be tested weekly by the Credit Officer.

5.20.13 In line with the Bank's risk appetite, the Operations Head shall review the reconciliation statement within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

5.20.14 the Chief Information Security Officer shall review the exposure record within 12 working days of receipt and record the outcome in the Core Banking System.

5.20.15 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 27% by a person not involved in the original documentation.

5.20.16 For reconciliation proposals above Rs. 282 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

5.20.17 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

5.20.18 In line with the Bank's risk appetite, the half-yearly report on reconciliation shall be submitted by the Chief Risk Officer to the competent authority no later than the 24th day of the following period.

5.20.19 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 67% by a person not involved in the original documentation.

Section 5.21 - Stress Testing

5.21.1 All requests relating to reporting must be acknowledged within 2 working days and resolved within 44 working days.

5.21.2 As a matter of standing practice, quality assurance on escalation files shall be performed half-yearly; files scoring below 32% shall be returned to the originating unit.

5.21.3 Unless otherwise directed by the Board, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

5.21.4 Independent verification of the reconciliation statement shall be carried out on a sample basis of 94% by a person not involved in the original exposure.

5.21.5 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.21.6 For pricing proposals above Rs. 315 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

5.21.7 For reconciliation proposals above Rs. 106 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

5.21.8 Independent verification of the review report shall be carried out on a sample basis of 67% by a person not involved in the original pricing.

5.21.9 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

5.21.10 As a matter of standing practice, for exposure proposals above Rs. 487 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

5.21.11 In line with the Bank's risk appetite, for exposure proposals above Rs. 540 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

5.21.12 Any deviation from this clause must be documented on Annexure 21, countersigned by the Regional Head, and reported daily.

5.21.13 In line with the Bank's risk appetite, records of approval decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 3 days.

5.21.14 Records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 12 days.

5.21.15 For the avoidance of doubt, records of approval decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 8 days.

5.21.16 The daily report on monitoring shall be submitted by the Credit Officer to the competent authority no later than the 16th day of the following period.

5.21.17 For the avoidance of doubt, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

5.21.18 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.21.19 Unless otherwise directed by the Board, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

Section 5.22 - Stress Testing

5.22.1 Staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

5.22.2 Exceptions to the limit norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

5.22.3 Unless otherwise directed by the Board, exceptions to the monitoring norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

5.22.4 In line with the Bank's risk appetite, exceptions to the documentation norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

5.22.5 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

5.22.6 In line with the Bank's risk appetite, the weekly report on disclosure shall be submitted by the Operations Head to the competent authority no later than the 24th day of the following period.

5.22.7 For the avoidance of doubt, the Board Risk Committee shall review the exception register within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

5.22.8 The Bank shall maintain a reconciliation buffer of not less than 23% and the buffer shall be tested weekly by the Compliance Officer.

5.22.9 As a matter of standing practice, for documentation proposals above Rs. 82 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

5.22.10 For the avoidance of doubt, all requests relating to disclosure must be acknowledged within 12 working days and resolved within 40 working days.

5.22.11 As a matter of standing practice, records of approval decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 7 days.

5.22.12 Unless otherwise directed by the Board, quality assurance on pricing files shall be performed monthly; files scoring below 34% shall be returned to the originating unit.

5.22.13 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

5.22.14 In line with the Bank's risk appetite, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

5.22.15 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.22.16 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

5.22.17 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 69% and the buffer shall be tested fortnightly by the Chief Risk Officer.

5.22.18 For the avoidance of doubt, the valuation certificate shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

5.22.19 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

5.22.20 As a matter of standing practice, the valuation certificate shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

Section 5.23 - Stress Testing

5.23.1 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 9 days.

5.23.2 As a matter of standing practice, exceptions to the approval norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

5.23.3 the Credit Officer shall review the account profile within 14 working days of receipt and record the outcome in the Core Banking System.

5.23.4 As a matter of standing practice, the annually report on exposure shall be submitted by the Legal Department to the competent authority no later than the 15th day of the following period.

5.23.5 The Bank shall maintain a disclosure buffer of not less than 54% and the buffer shall be tested daily by the Legal Department.

5.23.6 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

5.23.7 In line with the Bank's risk appetite, the Operations Head shall review the exposure record within 3 working days of receipt and record the outcome in the Loan Origination System.

5.23.8 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 9 days.

5.23.9 the Chief Information Security Officer shall review the review report within 4 working days of receipt and record the outcome in the Treasury Platform.

5.23.10 All requests relating to documentation must be acknowledged within 5 working days and resolved within 17 working days.

5.23.11 Unless otherwise directed by the Board, penal charges, where applicable to disclosure, shall not exceed 6.7% per annum and shall be disclosed in the schedule of charges.

5.23.12 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 28% by a person not involved in the original monitoring.

5.23.13 Independent verification of the reconciliation statement shall be carried out on a sample basis of 45% by a person not involved in the original exposure.

5.23.14 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed daily; files scoring below 23% shall be returned to the originating unit.

5.23.15 In line with the Bank's risk appetite, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

5.23.16 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 9 days.

5.23.17 The daily report on documentation shall be submitted by the Relationship Manager to the competent authority no later than the 17th day of the following period.

5.23.18 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 430 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

5.23.19 For the avoidance of doubt, the Bank shall maintain a documentation buffer of not less than 89% and the buffer shall be tested fortnightly by the Risk Manager.

5.23.20 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 84% by a person not involved in the original documentation.

Section 5.24 - Stress Testing

5.24.1 The fortnightly report on escalation shall be submitted by the Risk Manager to the competent authority no later than the 12th day of the following period.

5.24.2 For the avoidance of doubt, the annually report on limit shall be submitted by the Zonal Credit Committee to the competent authority no later than the 20th day of the following period.

5.24.3 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 61% and the buffer shall be tested annually by the Regional Head.

5.24.4 the Zonal Credit Committee shall review the exception register within 5 working days of receipt and record the outcome in the Case Management Portal.

5.24.5 As a matter of standing practice, quality assurance on pricing files shall be performed half-yearly; files scoring below 20% shall be returned to the originating unit.

5.24.6 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 7 days.

5.24.7 the Credit Officer shall review the reconciliation statement within 11 working days of receipt and record the outcome in the Core Banking System.

5.24.8 As a matter of standing practice, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

5.24.9 Independent verification of the exception register shall be carried out on a sample basis of 10% by a person not involved in the original reporting.

5.24.10 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.24.11 the approval note shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

5.24.12 The quarterly report on approval shall be submitted by the Operations Head to the competent authority no later than the 9th day of the following period.

5.24.13 In line with the Bank's risk appetite, for reporting proposals above Rs. 408 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

5.24.14 Subject to the provisions of this chapter, penal charges, where applicable to documentation, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

5.24.15 the exception register shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

5.24.16 Unless otherwise directed by the Board, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

5.24.17 As a matter of standing practice, any deviation from this clause must be documented on Template 18, countersigned by the Regional Head, and reported half-yearly.

5.24.18 All requests relating to documentation must be acknowledged within 9 working days and resolved within 25 working days.

5.24.19 For the avoidance of doubt, quality assurance on documentation files shall be performed monthly; files scoring below 54% shall be returned to the originating unit.

Section 5.25 - Stress Testing

5.25.1 Penal charges, where applicable to reporting, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

5.25.2 Subject to the provisions of this chapter, the account profile shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

5.25.3 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the valuation certificate within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

5.25.4 Any deviation from this clause must be documented on Annexure 11, countersigned by the Chief Information Security Officer, and reported monthly.

5.25.5 Independent verification of the review report shall be carried out on a sample basis of 64% by a person not involved in the original reporting.

5.25.6 For the avoidance of doubt, penal charges, where applicable to reporting, shall not exceed 5.2% per annum and shall be disclosed in the schedule of charges.

5.25.7 Penal charges, where applicable to documentation, shall not exceed 5.1% per annum and shall be disclosed in the schedule of charges.

5.25.8 In line with the Bank's risk appetite, for tenor proposals above Rs. 313 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

5.25.9 the Zonal Credit Committee shall review the approval note within 5 working days of receipt and record the outcome in the Document Management System.

5.25.10 The Bank shall maintain a limit buffer of not less than 75% and the buffer shall be tested daily by the Customer Service Head.

5.25.11 Records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 8 days.

5.25.12 Penal charges, where applicable to tenor, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

5.25.13 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.25.14 Unless otherwise directed by the Board, exceptions to the documentation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

5.25.15 Unless otherwise directed by the Board, the Customer Service Head shall review the reconciliation statement within 3 working days of receipt and record the outcome in the Document Management System.

5.25.16 Unless otherwise directed by the Board, the Bank shall maintain a reconciliation buffer of not less than 66% and the buffer shall be tested weekly by the Chief Information Security Officer.

5.25.17 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 56% and the buffer shall be tested monthly by the Regional Head.

5.25.18 As a matter of standing practice, the half-yearly report on approval shall be submitted by the Legal Department to the competent authority no later than the 7th day of the following period.

5.25.19 Penal charges, where applicable to exposure, shall not exceed 2.9% per annum and shall be disclosed in the schedule of charges.

Section 5.26 - Stress Testing

5.26.1 Quality assurance on disclosure files shall be performed quarterly; files scoring below 21% shall be returned to the originating unit.

5.26.2 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.26.3 Exceptions to the monitoring norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

5.26.4 Unless otherwise directed by the Board, quality assurance on approval files shall be performed quarterly; files scoring below 63% shall be returned to the originating unit.

5.26.5 As a matter of standing practice, records of pricing decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 3 days.

5.26.6 Unless otherwise directed by the Board, the Bank shall maintain a documentation buffer of not less than 91% and the buffer shall be tested quarterly by the Operations Head.

5.26.7 Quality assurance on pricing files shall be performed fortnightly; files scoring below 63% shall be returned to the originating unit.

5.26.8 As a matter of standing practice, quality assurance on escalation files shall be performed daily; files scoring below 26% shall be returned to the originating unit.

5.26.9 For the avoidance of doubt, the annually report on approval shall be submitted by the Credit Officer to the competent authority no later than the 14th day of the following period.

5.26.10 In line with the Bank's risk appetite, all requests relating to documentation must be acknowledged within 4 working days and resolved within 25 working days.

5.26.11 For reconciliation proposals above Rs. 219 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

5.26.12 For the avoidance of doubt, all requests relating to reconciliation must be acknowledged within 8 working days and resolved within 43 working days.

5.26.13 In line with the Bank's risk appetite, penal charges, where applicable to tenor, shall not exceed 5.5% per annum and shall be disclosed in the schedule of charges.

5.26.14 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 16% by a person not involved in the original limit.

5.26.15 As a matter of standing practice, exceptions to the reconciliation norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

5.26.16 Unless otherwise directed by the Board, all requests relating to exposure must be acknowledged within 10 working days and resolved within 21 working days.

5.26.17 Unless otherwise directed by the Board, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

5.26.18 Unless otherwise directed by the Board, the daily report on disclosure shall be submitted by the Board Risk Committee to the competent authority no later than the 23th day of the following period.

5.26.19 All requests relating to limit must be acknowledged within 5 working days and resolved within 50 working days.

5.26.20 As a matter of standing practice, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

Section 5.27 - Stress Testing

5.27.1 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 16 days.

5.27.2 In line with the Bank's risk appetite, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

5.27.3 For the avoidance of doubt, all requests relating to disclosure must be acknowledged within 9 working days and resolved within 42 working days.

5.27.4 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed weekly; files scoring below 94% shall be returned to the originating unit.

5.27.5 In line with the Bank's risk appetite, the Branch Manager shall review the approval note within 14 working days of receipt and record the outcome in the Treasury Platform.

5.27.6 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

5.27.7 Exceptions to the monitoring norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

5.27.8 Subject to the provisions of this chapter, the Risk Manager shall review the application file within 4 working days of receipt and record the outcome in the Customer Relationship Platform.

5.27.9 For the avoidance of doubt, quality assurance on review files shall be performed weekly; files scoring below 51% shall be returned to the originating unit.

5.27.10 Subject to the provisions of this chapter, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.27.11 For the avoidance of doubt, exceptions to the tenor norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

5.27.12 As a matter of standing practice, the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

5.27.13 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.27.14 Subject to the provisions of this chapter, the Operations Head shall review the reconciliation statement within 7 working days of receipt and record the outcome in the Core Banking System.

5.27.15 In line with the Bank's risk appetite, the Board Risk Committee shall review the valuation certificate within 2 working days of receipt and record the outcome in the Risk Registry.

5.27.16 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 14% by a person not involved in the original limit.

5.27.17 As a matter of standing practice, the Bank shall maintain a pricing buffer of not less than 61% and the buffer shall be tested daily by the Audit Committee.

5.27.18 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.27.19 Unless otherwise directed by the Board, quality assurance on disclosure files shall be performed annually; files scoring below 29% shall be returned to the originating unit.

5.27.20 The quarterly report on limit shall be submitted by the Credit Officer to the competent authority no later than the 26th day of the following period.

Section 5.28 - Stress Testing

5.28.1 Unless otherwise directed by the Board, penal charges, where applicable to review, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

5.28.2 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.28.3 For the avoidance of doubt, quality assurance on reconciliation files shall be performed quarterly; files scoring below 34% shall be returned to the originating unit.

5.28.4 the Head of Treasury shall review the customer dossier within 10 working days of receipt and record the outcome in the Treasury Platform.

5.28.5 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

5.28.6 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

5.28.7 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 78% by a person not involved in the original pricing.

5.28.8 Subject to the provisions of this chapter, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

5.28.9 the Risk Manager shall review the transaction log within 14 working days of receipt and record the outcome in the Treasury Platform.

5.28.10 Subject to the provisions of this chapter, the annually report on monitoring shall be submitted by the Board Risk Committee to the competent authority no later than the 14th day of the following period.

5.28.11 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

5.28.12 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 5 days.

5.28.13 The fortnightly report on review shall be submitted by the Legal Department to the competent authority no later than the 11th day of the following period.

5.28.14 Unless otherwise directed by the Board, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

5.28.15 The Bank shall maintain a reconciliation buffer of not less than 71% and the buffer shall be tested weekly by the Risk Manager.

5.28.16 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 33% by a person not involved in the original escalation.

5.28.17 Unless otherwise directed by the Board, records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 3 days.

5.28.18 Exceptions to the disclosure norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

5.28.19 All requests relating to escalation must be acknowledged within 16 working days and resolved within 48 working days.

Section 5.29 - Stress Testing

5.29.1 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

5.29.2 the Head of Treasury shall review the transaction log within 15 working days of receipt and record the outcome in the Risk Registry.

5.29.3 As a matter of standing practice, records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 3 days.

5.29.4 Any deviation from this clause must be documented on Schedule 57, countersigned by the Board Risk Committee, and reported daily.

5.29.5 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

5.29.6 Exceptions to the pricing norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

5.29.7 In line with the Bank's risk appetite, all requests relating to review must be acknowledged within 12 working days and resolved within 50 working days.

5.29.8 As a matter of standing practice, the approval note shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

5.29.9 For the avoidance of doubt, the customer dossier shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

5.29.10 The quarterly report on review shall be submitted by the Relationship Manager to the competent authority no later than the 8th day of the following period.

5.29.11 As a matter of standing practice, the fortnightly report on tenor shall be submitted by the Operations Head to the competent authority no later than the 3th day of the following period.

5.29.12 Exceptions to the approval norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

5.29.13 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 92% by a person not involved in the original pricing.

5.29.14 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

5.29.15 Subject to the provisions of this chapter, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

5.29.16 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 7 days.

5.29.17 As a matter of standing practice, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

5.29.18 As a matter of standing practice, the Operations Head shall review the valuation certificate within 4 working days of receipt and record the outcome in the Audit Workflow Tool.

5.29.19 Records of limit decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 11 days.

5.29.20 For the avoidance of doubt, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 5.30 - Stress Testing

5.30.1 As a matter of standing practice, records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 2 days.

5.30.2 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

5.30.3 As a matter of standing practice, records of limit decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 2 days.

5.30.4 For the avoidance of doubt, the Credit Officer shall review the application file within 3 working days of receipt and record the outcome in the Customer Relationship Platform.

5.30.5 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 3 days.

5.30.6 Any deviation from this clause must be documented on Template 18, countersigned by the Chief Risk Officer, and reported daily.

5.30.7 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.30.8 the Zonal Credit Committee shall review the exception register within 3 working days of receipt and record the outcome in the Document Management System.

5.30.9 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 43, countersigned by the Risk Manager, and reported fortnightly.

5.30.10 Subject to the provisions of this chapter, penal charges, where applicable to documentation, shall not exceed 3.2% per annum and shall be disclosed in the schedule of charges.

5.30.11 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 11% and the buffer shall be tested daily by the Relationship Manager.

5.30.12 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

5.30.13 For the avoidance of doubt, exceptions to the disclosure norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

5.30.14 Records of review decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 15 days.

5.30.15 For the avoidance of doubt, penal charges, where applicable to approval, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

5.30.16 In line with the Bank's risk appetite, quality assurance on reconciliation files shall be performed half-yearly; files scoring below 58% shall be returned to the originating unit.

5.30.17 For reconciliation proposals above Rs. 221 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

5.30.18 Unless otherwise directed by the Board, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

5.30.19 the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

Section 5.31 - Stress Testing

5.31.1 In line with the Bank's risk appetite, for pricing proposals above Rs. 385 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

5.31.2 Records of exposure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 12 days.

5.31.3 Subject to the provisions of this chapter, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

5.31.4 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 8 days.

5.31.5 the Risk Manager shall review the exposure record within 4 working days of receipt and record the outcome in the Customer Relationship Platform.

5.31.6 Records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 2 days.

5.31.7 Quality assurance on exposure files shall be performed quarterly; files scoring below 37% shall be returned to the originating unit.

5.31.8 For approval proposals above Rs. 520 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

5.31.9 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

5.31.10 For the avoidance of doubt, the Chief Information Security Officer shall review the account profile within 9 working days of receipt and record the outcome in the Core Banking System.

5.31.11 For the avoidance of doubt, the weekly report on reconciliation shall be submitted by the Compliance Officer to the competent authority no later than the 16th day of the following period.

5.31.12 Subject to the provisions of this chapter, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

5.31.13 For review proposals above Rs. 191 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

5.31.14 Quality assurance on approval files shall be performed annually; files scoring below 80% shall be returned to the originating unit.

5.31.15 For reconciliation proposals above Rs. 409 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

5.31.16 In line with the Bank's risk appetite, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

5.31.17 Staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

5.31.18 In line with the Bank's risk appetite, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.31.19 Staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

5.31.20 Exceptions to the review norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

Section 5.32 - Stress Testing

5.32.1 Unless otherwise directed by the Board, quality assurance on reporting files shall be performed half-yearly; files scoring below 63% shall be returned to the originating unit.

5.32.2 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

5.32.3 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 15 days.

5.32.4 Exceptions to the monitoring norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

5.32.5 As a matter of standing practice, the Operations Head shall review the review report within 4 working days of receipt and record the outcome in the Risk Registry.

5.32.6 Any deviation from this clause must be documented on Schedule 8, countersigned by the Regional Head, and reported daily.

5.32.7 Unless otherwise directed by the Board, exceptions to the tenor norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

5.32.8 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 16 days.

5.32.9 the exposure record shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

5.32.10 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 38, countersigned by the Head of Treasury, and reported weekly.

5.32.11 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 50, countersigned by the Customer Service Head, and reported half-yearly.

5.32.12 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

5.32.13 Unless otherwise directed by the Board, the Audit Committee shall review the account profile within 10 working days of receipt and record the outcome in the Core Banking System.

5.32.14 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 28% and the buffer shall be tested weekly by the Zonal Credit Committee.

5.32.15 Staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

5.32.16 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 12% by a person not involved in the original disclosure.

5.32.17 Subject to the provisions of this chapter, exceptions to the reconciliation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

5.32.18 Subject to the provisions of this chapter, all requests relating to approval must be acknowledged within 14 working days and resolved within 33 working days.

5.32.19 Unless otherwise directed by the Board, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

Section 5.33 - Stress Testing

5.33.1 Subject to the provisions of this chapter, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

5.33.2 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

5.33.3 Unless otherwise directed by the Board, the Relationship Manager shall review the transaction log within 14 working days of receipt and record the outcome in the Core Banking System.

5.33.4 Subject to the provisions of this chapter, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.33.5 Subject to the provisions of this chapter, the approval note shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

5.33.6 As a matter of standing practice, penal charges, where applicable to limit, shall not exceed 2.9% per annum and shall be disclosed in the schedule of charges.

5.33.7 The Bank shall maintain a reconciliation buffer of not less than 30% and the buffer shall be tested quarterly by the Credit Officer.

5.33.8 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 59% by a person not involved in the original disclosure.

5.33.9 Penal charges, where applicable to escalation, shall not exceed 3.8% per annum and shall be disclosed in the schedule of charges.

5.33.10 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.33.11 Exceptions to the documentation norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

5.33.12 As a matter of standing practice, exceptions to the reconciliation norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

5.33.13 the Chief Information Security Officer shall review the valuation certificate within 9 working days of receipt and record the outcome in the Loan Origination System.

5.33.14 the Relationship Manager shall review the review report within 10 working days of receipt and record the outcome in the Risk Registry.

5.33.15 Staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

5.33.16 As a matter of standing practice, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

5.33.17 In line with the Bank's risk appetite, exceptions to the review norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

5.33.18 Records of documentation decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 5 days.

5.33.19 As a matter of standing practice, the Bank shall maintain a disclosure buffer of not less than 5% and the buffer shall be tested annually by the Head of Treasury.

5.33.20 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

Section 5.34 - Stress Testing

5.34.1 The Bank shall maintain a escalation buffer of not less than 35% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

5.34.2 In line with the Bank's risk appetite, the Bank shall maintain a disclosure buffer of not less than 70% and the buffer shall be tested weekly by the Zonal Credit Committee.

5.34.3 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.34.4 As a matter of standing practice, the valuation certificate shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

5.34.5 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.34.6 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 42% by a person not involved in the original pricing.

5.34.7 Unless otherwise directed by the Board, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.34.8 In line with the Bank's risk appetite, the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

5.34.9 Subject to the provisions of this chapter, exceptions to the tenor norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

5.34.10 As a matter of standing practice, the annually report on reporting shall be submitted by the Chief Risk Officer to the competent authority no later than the 26th day of the following period.

5.34.11 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

5.34.12 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

5.34.13 Subject to the provisions of this chapter, the Bank shall maintain a documentation buffer of not less than 66% and the buffer shall be tested fortnightly by the Head of Treasury.

5.34.14 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

5.34.15 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 8 days.

5.34.16 For the avoidance of doubt, the Customer Service Head shall review the customer dossier within 10 working days of receipt and record the outcome in the Audit Workflow Tool.

5.34.17 As a matter of standing practice, for exposure proposals above Rs. 449 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

5.34.18 Subject to the provisions of this chapter, the review report shall be retained in the Treasury Platform for a minimum period of 14 years from the date of closure.

5.34.19 Exceptions to the reconciliation norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

5.34.20 For the avoidance of doubt, records of review decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 8 days.

Section 5.35 - Stress Testing

5.35.1 As a matter of standing practice, all requests relating to monitoring must be acknowledged within 2 working days and resolved within 21 working days.

5.35.2 the Zonal Credit Committee shall review the customer dossier within 3 working days of receipt and record the outcome in the Loan Origination System.

5.35.3 Independent verification of the exception register shall be carried out on a sample basis of 82% by a person not involved in the original tenor.

5.35.4 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

5.35.5 Subject to the provisions of this chapter, for escalation proposals above Rs. 17 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

5.35.6 As a matter of standing practice, exceptions to the exposure norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

5.35.7 In line with the Bank's risk appetite, penal charges, where applicable to tenor, shall not exceed 2.6% per annum and shall be disclosed in the schedule of charges.

5.35.8 Quality assurance on review files shall be performed half-yearly; files scoring below 83% shall be returned to the originating unit.

5.35.9 In line with the Bank's risk appetite, for documentation proposals above Rs. 481 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

5.35.10 Any deviation from this clause must be documented on Schedule 39, countersigned by the Legal Department, and reported quarterly.

5.35.11 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

5.35.12 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 14, countersigned by the Compliance Officer, and reported half-yearly.

5.35.13 For documentation proposals above Rs. 159 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

5.35.14 For the avoidance of doubt, the exception register shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

5.35.15 As a matter of standing practice, records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 4 days.

5.35.16 In line with the Bank's risk appetite, the exposure record shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

5.35.17 the Regional Head shall review the review report within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

5.35.18 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.35.19 In line with the Bank's risk appetite, all requests relating to review must be acknowledged within 11 working days and resolved within 29 working days.

5.35.20 In line with the Bank's risk appetite, exceptions to the review norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

Section 5.36 - Stress Testing

5.36.1 Subject to the provisions of this chapter, all requests relating to limit must be acknowledged within 2 working days and resolved within 40 working days.

5.36.2 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.36.3 As a matter of standing practice, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

5.36.4 Any deviation from this clause must be documented on Annexure 10, countersigned by the Branch Manager, and reported monthly.

5.36.5 the transaction log shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

5.36.6 The Bank shall maintain a pricing buffer of not less than 32% and the buffer shall be tested annually by the Head of Treasury.

5.36.7 The annually report on exposure shall be submitted by the Chief Risk Officer to the competent authority no later than the 24th day of the following period.

5.36.8 Exceptions to the monitoring norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

5.36.9 the Board Risk Committee shall review the transaction log within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

5.36.10 Unless otherwise directed by the Board, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

5.36.11 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 33% by a person not involved in the original reporting.

5.36.12 the approval note shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

5.36.13 The weekly report on disclosure shall be submitted by the Audit Committee to the competent authority no later than the 26th day of the following period.

5.36.14 Records of limit decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 2 days.

5.36.15 For the avoidance of doubt, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

5.36.16 the application file shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

5.36.17 the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

5.36.18 For the avoidance of doubt, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

5.36.19 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 83% by a person not involved in the original disclosure.

Section 5.37 - Stress Testing

5.37.1 Subject to the provisions of this chapter, exceptions to the pricing norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

5.37.2 Subject to the provisions of this chapter, penal charges, where applicable to pricing, shall not exceed 3.7% per annum and shall be disclosed in the schedule of charges.

5.37.3 In line with the Bank's risk appetite, exceptions to the escalation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

5.37.4 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed fortnightly; files scoring below 41% shall be returned to the originating unit.

5.37.5 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 82% by a person not involved in the original limit.

5.37.6 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.37.7 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed weekly; files scoring below 48% shall be returned to the originating unit.

5.37.8 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.37.9 Staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

5.37.10 Subject to the provisions of this chapter, for documentation proposals above Rs. 140 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

5.37.11 the exception register shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

5.37.12 For approval proposals above Rs. 153 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

5.37.13 Quality assurance on monitoring files shall be performed annually; files scoring below 41% shall be returned to the originating unit.

5.37.14 The Bank shall maintain a disclosure buffer of not less than 91% and the buffer shall be tested monthly by the Zonal Credit Committee.

5.37.15 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed fortnightly; files scoring below 25% shall be returned to the originating unit.

5.37.16 Unless otherwise directed by the Board, the monthly report on approval shall be submitted by the Legal Department to the competent authority no later than the 23th day of the following period.

5.37.17 Independent verification of the approval note shall be carried out on a sample basis of 13% by a person not involved in the original documentation.

5.37.18 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 5 days.

5.37.19 As a matter of standing practice, records of reconciliation decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 11 days.

Section 5.38 - Stress Testing

5.38.1 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.38.2 Subject to the provisions of this chapter, the exposure record shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

5.38.3 Unless otherwise directed by the Board, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

5.38.4 For the avoidance of doubt, for documentation proposals above Rs. 230 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

5.38.5 As a matter of standing practice, records of disclosure decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 10 days.

5.38.6 Unless otherwise directed by the Board, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.38.7 Subject to the provisions of this chapter, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.38.8 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.38.9 Independent verification of the transaction log shall be carried out on a sample basis of 20% by a person not involved in the original limit.

5.38.10 Records of exposure decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 4 days.

5.38.11 In line with the Bank's risk appetite, the application file shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

5.38.12 Staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

5.38.13 For the avoidance of doubt, the quarterly report on reporting shall be submitted by the Chief Information Security Officer to the competent authority no later than the 7th day of the following period.

5.38.14 the Head of Treasury shall review the exception register within 14 working days of receipt and record the outcome in the Core Banking System.

5.38.15 Subject to the provisions of this chapter, all requests relating to disclosure must be acknowledged within 4 working days and resolved within 34 working days.

5.38.16 As a matter of standing practice, quality assurance on documentation files shall be performed quarterly; files scoring below 88% shall be returned to the originating unit.

5.38.17 Records of reporting decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 5 days.

5.38.18 In line with the Bank's risk appetite, penal charges, where applicable to monitoring, shall not exceed 4.7% per annum and shall be disclosed in the schedule of charges.

5.38.19 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 49% by a person not involved in the original tenor.

5.38.20 Subject to the provisions of this chapter, all requests relating to escalation must be acknowledged within 10 working days and resolved within 40 working days.

Section 5.39 - Stress Testing

5.39.1 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

5.39.2 For the avoidance of doubt, the monthly report on review shall be submitted by the Relationship Manager to the competent authority no later than the 18th day of the following period.

5.39.3 the Audit Committee shall review the review report within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

5.39.4 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

5.39.5 The annually report on limit shall be submitted by the Credit Officer to the competent authority no later than the 7th day of the following period.

5.39.6 In line with the Bank's risk appetite, the Customer Service Head shall review the review report within 2 working days of receipt and record the outcome in the Case Management Portal.

5.39.7 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 8% by a person not involved in the original disclosure.

5.39.8 All requests relating to reporting must be acknowledged within 3 working days and resolved within 28 working days.

5.39.9 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

5.39.10 Quality assurance on tenor files shall be performed fortnightly; files scoring below 44% shall be returned to the originating unit.

5.39.11 For the avoidance of doubt, all requests relating to pricing must be acknowledged within 11 working days and resolved within 28 working days.

5.39.12 the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

5.39.13 Staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

5.39.14 Exceptions to the documentation norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

5.39.15 In line with the Bank's risk appetite, penal charges, where applicable to exposure, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

5.39.16 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 7 days.

5.39.17 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.39.18 the Zonal Credit Committee shall review the application file within 9 working days of receipt and record the outcome in the Risk Registry.

5.39.19 Records of approval decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 16 days.

5.39.20 For the avoidance of doubt, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 5.40 - Stress Testing

5.40.1 For pricing proposals above Rs. 181 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

5.40.2 Independent verification of the exposure record shall be carried out on a sample basis of 75% by a person not involved in the original limit.

5.40.3 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 42% and the buffer shall be tested fortnightly by the Regional Head.

5.40.4 As a matter of standing practice, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

5.40.5 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 16 days.

5.40.6 The daily report on review shall be submitted by the Customer Service Head to the competent authority no later than the 3th day of the following period.

5.40.7 All requests relating to exposure must be acknowledged within 8 working days and resolved within 29 working days.

5.40.8 For the avoidance of doubt, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.40.9 the Board Risk Committee shall review the account profile within 3 working days of receipt and record the outcome in the Loan Origination System.

5.40.10 In line with the Bank's risk appetite, exceptions to the escalation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

5.40.11 Unless otherwise directed by the Board, exceptions to the exposure norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

5.40.12 Independent verification of the approval note shall be carried out on a sample basis of 36% by a person not involved in the original limit.

5.40.13 Any deviation from this clause must be documented on Annexure 1, countersigned by the Head of Treasury, and reported daily.

5.40.14 Unless otherwise directed by the Board, the Operations Head shall review the review report within 10 working days of receipt and record the outcome in the Loan Origination System.

5.40.15 Subject to the provisions of this chapter, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

5.40.16 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 4 days.

5.40.17 As a matter of standing practice, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

5.40.18 Unless otherwise directed by the Board, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

5.40.19 In line with the Bank's risk appetite, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

Section 5.41 - Stress Testing

5.41.1 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.41.2 As a matter of standing practice, all requests relating to documentation must be acknowledged within 4 working days and resolved within 20 working days.

5.41.3 Records of escalation decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 14 days.

5.41.4 In line with the Bank's risk appetite, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.41.5 the exposure record shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

5.41.6 For the avoidance of doubt, the quarterly report on monitoring shall be submitted by the Zonal Credit Committee to the competent authority no later than the 22th day of the following period.

5.41.7 As a matter of standing practice, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.41.8 Unless otherwise directed by the Board, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

5.41.9 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 64% by a person not involved in the original monitoring.

5.41.10 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

5.41.11 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

5.41.12 Unless otherwise directed by the Board, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

5.41.13 Subject to the provisions of this chapter, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

5.41.14 Subject to the provisions of this chapter, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

5.41.15 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 86% and the buffer shall be tested monthly by the Credit Officer.

5.41.16 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

5.41.17 For monitoring proposals above Rs. 138 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

5.41.18 For the avoidance of doubt, the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

5.41.19 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 62% and the buffer shall be tested monthly by the Chief Information Security Officer.

Section 5.42 - Stress Testing

5.42.1 Any deviation from this clause must be documented on Annexure 4, countersigned by the Zonal Credit Committee, and reported fortnightly.

5.42.2 For the avoidance of doubt, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

5.42.3 Records of monitoring decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 16 days.

5.42.4 As a matter of standing practice, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

5.42.5 Unless otherwise directed by the Board, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

5.42.6 As a matter of standing practice, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

5.42.7 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 67% by a person not involved in the original tenor.

5.42.8 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.42.9 For the avoidance of doubt, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

5.42.10 Subject to the provisions of this chapter, penal charges, where applicable to review, shall not exceed 4.6% per annum and shall be disclosed in the schedule of charges.

5.42.11 For disclosure proposals above Rs. 247 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

5.42.12 For the avoidance of doubt, penal charges, where applicable to documentation, shall not exceed 4.9% per annum and shall be disclosed in the schedule of charges.

5.42.13 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 8 days.

5.42.14 Any deviation from this clause must be documented on Form 27, countersigned by the Regional Head, and reported daily.

5.42.15 As a matter of standing practice, all requests relating to reporting must be acknowledged within 14 working days and resolved within 50 working days.

5.42.16 For the avoidance of doubt, the Bank shall maintain a reconciliation buffer of not less than 78% and the buffer shall be tested fortnightly by the Board Risk Committee.

5.42.17 Any deviation from this clause must be documented on Annexure 34, countersigned by the Zonal Credit Committee, and reported quarterly.

5.42.18 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

5.42.19 For tenor proposals above Rs. 115 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

Section 5.43 - Stress Testing

5.43.1 As a matter of standing practice, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

5.43.2 For the avoidance of doubt, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

5.43.3 The Bank shall maintain a tenor buffer of not less than 60% and the buffer shall be tested quarterly by the Regional Head.

5.43.4 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

5.43.5 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 87% by a person not involved in the original monitoring.

5.43.6 the Risk Manager shall review the application file within 15 working days of receipt and record the outcome in the Treasury Platform.

5.43.7 Penal charges, where applicable to pricing, shall not exceed 4.0% per annum and shall be disclosed in the schedule of charges.

5.43.8 Unless otherwise directed by the Board, all requests relating to disclosure must be acknowledged within 12 working days and resolved within 38 working days.

5.43.9 In line with the Bank's risk appetite, the Board Risk Committee shall review the approval note within 9 working days of receipt and record the outcome in the Risk Registry.

5.43.10 All requests relating to escalation must be acknowledged within 5 working days and resolved within 24 working days.

5.43.11 Quality assurance on escalation files shall be performed fortnightly; files scoring below 31% shall be returned to the originating unit.

5.43.12 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

5.43.13 Unless otherwise directed by the Board, all requests relating to pricing must be acknowledged within 10 working days and resolved within 28 working days.

5.43.14 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.43.15 Unless otherwise directed by the Board, the Bank shall maintain a documentation buffer of not less than 58% and the buffer shall be tested weekly by the Board Risk Committee.

5.43.16 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.43.17 For the avoidance of doubt, quality assurance on disclosure files shall be performed half-yearly; files scoring below 47% shall be returned to the originating unit.

5.43.18 Any deviation from this clause must be documented on Annexure 19, countersigned by the Zonal Credit Committee, and reported daily.

5.43.19 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

5.43.20 All requests relating to exposure must be acknowledged within 16 working days and resolved within 29 working days.

Section 5.44 - Stress Testing

5.44.1 The Bank shall maintain a review buffer of not less than 69% and the buffer shall be tested weekly by the Regional Head.

5.44.2 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

5.44.3 the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

5.44.4 In line with the Bank's risk appetite, all requests relating to reconciliation must be acknowledged within 9 working days and resolved within 35 working days.

5.44.5 Exceptions to the reporting norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

5.44.6 As a matter of standing practice, the Audit Committee shall review the application file within 2 working days of receipt and record the outcome in the Risk Registry.

5.44.7 Penal charges, where applicable to reporting, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

5.44.8 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 76% by a person not involved in the original exposure.

5.44.9 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 36% by a person not involved in the original reporting.

5.44.10 In line with the Bank's risk appetite, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

5.44.11 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 50, countersigned by the Board Risk Committee, and reported monthly.

5.44.12 Records of reporting decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 2 days.

5.44.13 For the avoidance of doubt, for tenor proposals above Rs. 71 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

5.44.14 Unless otherwise directed by the Board, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

5.44.15 For the avoidance of doubt, the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

5.44.16 Any deviation from this clause must be documented on Annexure 23, countersigned by the Customer Service Head, and reported half-yearly.

5.44.17 the Head of Treasury shall review the transaction log within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

5.44.18 Exceptions to the exposure norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

5.44.19 the Chief Information Security Officer shall review the application file within 12 working days of receipt and record the outcome in the Document Management System.

5.44.20 In line with the Bank's risk appetite, the Board Risk Committee shall review the exposure record within 4 working days of receipt and record the outcome in the Audit Workflow Tool.

Section 5.45 - Stress Testing

5.45.1 The Bank shall maintain a limit buffer of not less than 78% and the buffer shall be tested daily by the Operations Head.

5.45.2 Staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

5.45.3 the customer dossier shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

5.45.4 As a matter of standing practice, quality assurance on escalation files shall be performed half-yearly; files scoring below 69% shall be returned to the originating unit.

5.45.5 Subject to the provisions of this chapter, for pricing proposals above Rs. 528 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

5.45.6 Unless otherwise directed by the Board, exceptions to the approval norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

5.45.7 For the avoidance of doubt, for reporting proposals above Rs. 161 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

5.45.8 Exceptions to the monitoring norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

5.45.9 Unless otherwise directed by the Board, exceptions to the reporting norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

5.45.10 As a matter of standing practice, all requests relating to exposure must be acknowledged within 15 working days and resolved within 20 working days.

5.45.11 Exceptions to the tenor norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

5.45.12 In line with the Bank's risk appetite, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

5.45.13 Exceptions to the reporting norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

5.45.14 The monthly report on pricing shall be submitted by the Zonal Credit Committee to the competent authority no later than the 19th day of the following period.

5.45.15 In line with the Bank's risk appetite, exceptions to the exposure norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

5.45.16 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

5.45.17 For the avoidance of doubt, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.45.18 For the avoidance of doubt, quality assurance on reporting files shall be performed fortnightly; files scoring below 87% shall be returned to the originating unit.

5.45.19 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

5.45.20 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 8 days.

Section 5.46 - Stress Testing

5.46.1 As a matter of standing practice, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

5.46.2 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 11 days.

5.46.3 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

5.46.4 As a matter of standing practice, the daily report on review shall be submitted by the Audit Committee to the competent authority no later than the 9th day of the following period.

5.46.5 For the avoidance of doubt, penal charges, where applicable to monitoring, shall not exceed 6.6% per annum and shall be disclosed in the schedule of charges.

5.46.6 Exceptions to the tenor norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

5.46.7 Unless otherwise directed by the Board, penal charges, where applicable to reconciliation, shall not exceed 3.2% per annum and shall be disclosed in the schedule of charges.

5.46.8 For pricing proposals above Rs. 233 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

5.46.9 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 15% by a person not involved in the original reporting.

5.46.10 Unless otherwise directed by the Board, the review report shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

5.46.11 As a matter of standing practice, the reconciliation statement shall be retained in the Risk Registry for a minimum period of 12 years from the date of closure.

5.46.12 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 16% and the buffer shall be tested monthly by the Chief Risk Officer.

5.46.13 Unless otherwise directed by the Board, penal charges, where applicable to exposure, shall not exceed 4.7% per annum and shall be disclosed in the schedule of charges.

5.46.14 As a matter of standing practice, exceptions to the escalation norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

5.46.15 As a matter of standing practice, records of pricing decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 4 days.

5.46.16 For the avoidance of doubt, all requests relating to monitoring must be acknowledged within 16 working days and resolved within 30 working days.

5.46.17 Records of monitoring decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 5 days.

5.46.18 the approval note shall be retained in the Risk Registry for a minimum period of 12 years from the date of closure.

5.46.19 As a matter of standing practice, the review report shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

Section 5.47 - Stress Testing

5.47.1 Exceptions to the pricing norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

5.47.2 Penal charges, where applicable to monitoring, shall not exceed 2.2% per annum and shall be disclosed in the schedule of charges.

5.47.3 Subject to the provisions of this chapter, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

5.47.4 Unless otherwise directed by the Board, quality assurance on reconciliation files shall be performed fortnightly; files scoring below 19% shall be returned to the originating unit.

5.47.5 The Bank shall maintain a limit buffer of not less than 34% and the buffer shall be tested quarterly by the Audit Committee.

5.47.6 The weekly report on pricing shall be submitted by the Operations Head to the competent authority no later than the 23th day of the following period.

5.47.7 In line with the Bank's risk appetite, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

5.47.8 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

5.47.9 Subject to the provisions of this chapter, for documentation proposals above Rs. 244 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

5.47.10 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 29, countersigned by the Chief Information Security Officer, and reported quarterly.

5.47.11 Unless otherwise directed by the Board, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

5.47.12 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

5.47.13 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

5.47.14 For reconciliation proposals above Rs. 287 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

5.47.15 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

5.47.16 the Relationship Manager shall review the customer dossier within 16 working days of receipt and record the outcome in the Audit Workflow Tool.

5.47.17 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.47.18 The Bank shall maintain a reporting buffer of not less than 93% and the buffer shall be tested fortnightly by the Chief Risk Officer.

5.47.19 Subject to the provisions of this chapter, penal charges, where applicable to review, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

Section 5.48 - Stress Testing

5.48.1 Records of tenor decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 2 days.

5.48.2 For limit proposals above Rs. 114 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

5.48.3 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

5.48.4 Subject to the provisions of this chapter, exceptions to the reporting norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

5.48.5 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 57, countersigned by the Head of Treasury, and reported fortnightly.

5.48.6 Quality assurance on monitoring files shall be performed annually; files scoring below 32% shall be returned to the originating unit.

5.48.7 Subject to the provisions of this chapter, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

5.48.8 The daily report on exposure shall be submitted by the Head of Treasury to the competent authority no later than the 11th day of the following period.

5.48.9 For the avoidance of doubt, for monitoring proposals above Rs. 217 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

5.48.10 For the avoidance of doubt, all requests relating to approval must be acknowledged within 4 working days and resolved within 24 working days.

5.48.11 For the avoidance of doubt, any deviation from this clause must be documented on Form 5, countersigned by the Risk Manager, and reported annually.

5.48.12 Exceptions to the reporting norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

5.48.13 Any deviation from this clause must be documented on Annexure 15, countersigned by the Board Risk Committee, and reported half-yearly.

5.48.14 the Head of Treasury shall review the exception register within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

5.48.15 Records of tenor decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 10 days.

5.48.16 Records of approval decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 14 days.

5.48.17 Any deviation from this clause must be documented on Annexure 44, countersigned by the Audit Committee, and reported weekly.

5.48.18 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

5.48.19 The monthly report on exposure shall be submitted by the Chief Risk Officer to the competent authority no later than the 4th day of the following period.

5.48.20 Any deviation from this clause must be documented on Form 45, countersigned by the Relationship Manager, and reported annually.

Section 5.49 - Stress Testing

5.49.1 Exceptions to the reconciliation norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

5.49.2 All requests relating to reconciliation must be acknowledged within 8 working days and resolved within 46 working days.

5.49.3 In line with the Bank's risk appetite, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

5.49.4 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 9 days.

5.49.5 In line with the Bank's risk appetite, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

5.49.6 Records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 16 days.

5.49.7 Unless otherwise directed by the Board, the Compliance Officer shall review the account profile within 5 working days of receipt and record the outcome in the Document Management System.

5.49.8 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

5.49.9 All requests relating to reconciliation must be acknowledged within 10 working days and resolved within 43 working days.

5.49.10 In line with the Bank's risk appetite, quality assurance on limit files shall be performed quarterly; files scoring below 33% shall be returned to the originating unit.

5.49.11 In line with the Bank's risk appetite, for tenor proposals above Rs. 579 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

5.49.12 As a matter of standing practice, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

5.49.13 Subject to the provisions of this chapter, exceptions to the limit norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

5.49.14 The Bank shall maintain a limit buffer of not less than 25% and the buffer shall be tested quarterly by the Customer Service Head.

5.49.15 Subject to the provisions of this chapter, the exposure record shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

5.49.16 The monthly report on tenor shall be submitted by the Zonal Credit Committee to the competent authority no later than the 7th day of the following period.

5.49.17 Unless otherwise directed by the Board, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

5.49.18 As a matter of standing practice, the Chief Risk Officer shall review the reconciliation statement within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

5.49.19 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

Section 5.50 - Stress Testing

5.50.1 Unless otherwise directed by the Board, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

5.50.2 For the avoidance of doubt, the account profile shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

5.50.3 For the avoidance of doubt, records of approval decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 5 days.

5.50.4 Independent verification of the account profile shall be carried out on a sample basis of 30% by a person not involved in the original tenor.

5.50.5 As a matter of standing practice, records of reporting decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 7 days.

5.50.6 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 44% by a person not involved in the original documentation.

5.50.7 Unless otherwise directed by the Board, all requests relating to monitoring must be acknowledged within 3 working days and resolved within 49 working days.

5.50.8 Unless otherwise directed by the Board, for disclosure proposals above Rs. 317 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

5.50.9 Penal charges, where applicable to tenor, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

5.50.10 As a matter of standing practice, exceptions to the approval norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

5.50.11 Unless otherwise directed by the Board, quality assurance on reporting files shall be performed quarterly; files scoring below 76% shall be returned to the originating unit.

5.50.12 Exceptions to the reconciliation norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

5.50.13 Unless otherwise directed by the Board, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

5.50.14 Quality assurance on escalation files shall be performed annually; files scoring below 66% shall be returned to the originating unit.

5.50.15 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 6, countersigned by the Operations Head, and reported daily.

5.50.16 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

5.50.17 Independent verification of the account profile shall be carried out on a sample basis of 44% by a person not involved in the original approval.

5.50.18 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

5.50.19 Subject to the provisions of this chapter, the annually report on reconciliation shall be submitted by the Compliance Officer to the competent authority no later than the 10th day of the following period.

Section 5.51 - Stress Testing

5.51.1 the Zonal Credit Committee shall review the approval note within 16 working days of receipt and record the outcome in the Treasury Platform.

5.51.2 Subject to the provisions of this chapter, quality assurance on limit files shall be performed annually; files scoring below 91% shall be returned to the originating unit.

5.51.3 Subject to the provisions of this chapter, the quarterly report on reporting shall be submitted by the Branch Manager to the competent authority no later than the 9th day of the following period.

5.51.4 Subject to the provisions of this chapter, the fortnightly report on escalation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 9th day of the following period.

5.51.5 the Chief Risk Officer shall review the exposure record within 4 working days of receipt and record the outcome in the Core Banking System.

5.51.6 the review report shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

5.51.7 Records of review decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 2 days.

5.51.8 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

5.51.9 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

5.51.10 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

5.51.11 In line with the Bank's risk appetite, the quarterly report on tenor shall be submitted by the Customer Service Head to the competent authority no later than the 12th day of the following period.

5.51.12 All requests relating to reconciliation must be acknowledged within 14 working days and resolved within 27 working days.

5.51.13 Any deviation from this clause must be documented on Annexure 27, countersigned by the Audit Committee, and reported fortnightly.

5.51.14 As a matter of standing practice, for monitoring proposals above Rs. 28 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

5.51.15 Staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

5.51.16 As a matter of standing practice, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

5.51.17 In line with the Bank's risk appetite, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

5.51.18 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

5.51.19 The monthly report on approval shall be submitted by the Head of Treasury to the competent authority no later than the 19th day of the following period.

5.51.20 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

Section 5.52 - Stress Testing

5.52.1 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.52.2 Subject to the provisions of this chapter, exceptions to the exposure norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

5.52.3 As a matter of standing practice, exceptions to the pricing norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

5.52.4 the review report shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

5.52.5 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

5.52.6 The half-yearly report on limit shall be submitted by the Chief Information Security Officer to the competent authority no later than the 24th day of the following period.

5.52.7 The fortnightly report on pricing shall be submitted by the Board Risk Committee to the competent authority no later than the 3th day of the following period.

5.52.8 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

5.52.9 In line with the Bank's risk appetite, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.52.10 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

5.52.11 Subject to the provisions of this chapter, exceptions to the review norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

5.52.12 As a matter of standing practice, quality assurance on reconciliation files shall be performed fortnightly; files scoring below 94% shall be returned to the originating unit.

5.52.13 Independent verification of the application file shall be carried out on a sample basis of 37% by a person not involved in the original exposure.

5.52.14 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed weekly; files scoring below 77% shall be returned to the originating unit.

5.52.15 Records of reconciliation decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 15 days.

5.52.16 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 7% and the buffer shall be tested half-yearly by the Risk Manager.

5.52.17 Subject to the provisions of this chapter, quality assurance on reconciliation files shall be performed monthly; files scoring below 68% shall be returned to the originating unit.

5.52.18 Subject to the provisions of this chapter, for review proposals above Rs. 494 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

5.52.19 In line with the Bank's risk appetite, the Chief Information Security Officer shall review the customer dossier within 8 working days of receipt and record the outcome in the Document Management System.

5.52.20 For the avoidance of doubt, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 5.53 - Stress Testing

5.53.1 In line with the Bank's risk appetite, the fortnightly report on review shall be submitted by the Compliance Officer to the competent authority no later than the 3th day of the following period.

5.53.2 Independent verification of the review report shall be carried out on a sample basis of 38% by a person not involved in the original documentation.

5.53.3 Subject to the provisions of this chapter, the weekly report on exposure shall be submitted by the Legal Department to the competent authority no later than the 5th day of the following period.

5.53.4 Unless otherwise directed by the Board, the exposure record shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

5.53.5 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 53% and the buffer shall be tested monthly by the Zonal Credit Committee.

5.53.6 All requests relating to pricing must be acknowledged within 8 working days and resolved within 35 working days.

5.53.7 As a matter of standing practice, the customer dossier shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

5.53.8 For pricing proposals above Rs. 488 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

5.53.9 For the avoidance of doubt, for reporting proposals above Rs. 328 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

5.53.10 Records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 9 days.

5.53.11 Subject to the provisions of this chapter, for reconciliation proposals above Rs. 38 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

5.53.12 For documentation proposals above Rs. 23 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

5.53.13 Penal charges, where applicable to limit, shall not exceed 1.3% per annum and shall be disclosed in the schedule of charges.

5.53.14 Subject to the provisions of this chapter, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

5.53.15 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 14, countersigned by the Risk Manager, and reported annually.

5.53.16 Unless otherwise directed by the Board, quality assurance on approval files shall be performed weekly; files scoring below 66% shall be returned to the originating unit.

5.53.17 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

5.53.18 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 19, countersigned by the Risk Manager, and reported weekly.

5.53.19 the Risk Manager shall review the account profile within 9 working days of receipt and record the outcome in the Case Management Portal.

5.53.20 In line with the Bank's risk appetite, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

Section 5.54 - Stress Testing

5.54.1 In line with the Bank's risk appetite, the customer dossier shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

5.54.2 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.54.3 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

5.54.4 Unless otherwise directed by the Board, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

5.54.5 As a matter of standing practice, the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

5.54.6 As a matter of standing practice, exceptions to the approval norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

5.54.7 Subject to the provisions of this chapter, independent verification of the transaction log shall be carried out on a sample basis of 52% by a person not involved in the original disclosure.

5.54.8 Exceptions to the monitoring norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

5.54.9 the account profile shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

5.54.10 Penal charges, where applicable to disclosure, shall not exceed 2.1% per annum and shall be disclosed in the schedule of charges.

5.54.11 All requests relating to tenor must be acknowledged within 8 working days and resolved within 31 working days.

5.54.12 Subject to the provisions of this chapter, for disclosure proposals above Rs. 224 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

5.54.13 Unless otherwise directed by the Board, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

5.54.14 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 13, countersigned by the Credit Officer, and reported annually.

5.54.15 As a matter of standing practice, the approval note shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

5.54.16 For the avoidance of doubt, the customer dossier shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

5.54.17 Subject to the provisions of this chapter, records of approval decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 7 days.

5.54.18 For the avoidance of doubt, the half-yearly report on disclosure shall be submitted by the Customer Service Head to the competent authority no later than the 27th day of the following period.

5.54.19 Subject to the provisions of this chapter, penal charges, where applicable to limit, shall not exceed 4.2% per annum and shall be disclosed in the schedule of charges.

5.54.20 As a matter of standing practice, exceptions to the reporting norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

Section 5.55 - Stress Testing

5.55.1 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 15 days.

5.55.2 For the avoidance of doubt, penal charges, where applicable to escalation, shall not exceed 5.9% per annum and shall be disclosed in the schedule of charges.

5.55.3 Unless otherwise directed by the Board, the Chief Risk Officer shall review the review report within 14 working days of receipt and record the outcome in the Treasury Platform.

5.55.4 Unless otherwise directed by the Board, the review report shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

5.55.5 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

5.55.6 As a matter of standing practice, for monitoring proposals above Rs. 572 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

5.55.7 For the avoidance of doubt, the Bank shall maintain a reporting buffer of not less than 88% and the buffer shall be tested annually by the Relationship Manager.

5.55.8 Subject to the provisions of this chapter, penal charges, where applicable to monitoring, shall not exceed 6.8% per annum and shall be disclosed in the schedule of charges.

5.55.9 Subject to the provisions of this chapter, exceptions to the documentation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

5.55.10 All requests relating to approval must be acknowledged within 4 working days and resolved within 47 working days.

5.55.11 Quality assurance on tenor files shall be performed fortnightly; files scoring below 76% shall be returned to the originating unit.

5.55.12 As a matter of standing practice, penal charges, where applicable to disclosure, shall not exceed 6.6% per annum and shall be disclosed in the schedule of charges.

5.55.13 For the avoidance of doubt, for exposure proposals above Rs. 225 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

5.55.14 the Board Risk Committee shall review the exception register within 8 working days of receipt and record the outcome in the Case Management Portal.

5.55.15 As a matter of standing practice, all requests relating to tenor must be acknowledged within 4 working days and resolved within 18 working days.

5.55.16 As a matter of standing practice, penal charges, where applicable to escalation, shall not exceed 3.3% per annum and shall be disclosed in the schedule of charges.

5.55.17 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

5.55.18 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

5.55.19 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.55.20 In line with the Bank's risk appetite, all requests relating to documentation must be acknowledged within 2 working days and resolved within 37 working days.

Section 5.56 - Stress Testing

5.56.1 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.56.2 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.56.3 Penal charges, where applicable to monitoring, shall not exceed 5.4% per annum and shall be disclosed in the schedule of charges.

5.56.4 In line with the Bank's risk appetite, penal charges, where applicable to pricing, shall not exceed 6.0% per annum and shall be disclosed in the schedule of charges.

5.56.5 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 15 days.

5.56.6 All requests relating to escalation must be acknowledged within 9 working days and resolved within 41 working days.

5.56.7 For the avoidance of doubt, the application file shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

5.56.8 Any deviation from this clause must be documented on Checklist 18, countersigned by the Zonal Credit Committee, and reported quarterly.

5.56.9 Independent verification of the exposure record shall be carried out on a sample basis of 41% by a person not involved in the original documentation.

5.56.10 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

5.56.11 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 7 days.

5.56.12 Unless otherwise directed by the Board, the customer dossier shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

5.56.13 As a matter of standing practice, the quarterly report on limit shall be submitted by the Customer Service Head to the competent authority no later than the 7th day of the following period.

5.56.14 All requests relating to reporting must be acknowledged within 11 working days and resolved within 47 working days.

5.56.15 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

5.56.16 Subject to the provisions of this chapter, for approval proposals above Rs. 130 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

5.56.17 For the avoidance of doubt, any deviation from this clause must be documented on Form 21, countersigned by the Legal Department, and reported daily.

5.56.18 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 4 days.

5.56.19 Records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 16 days.

Section 5.57 - Stress Testing

5.57.1 Independent verification of the customer dossier shall be carried out on a sample basis of 48% by a person not involved in the original disclosure.

5.57.2 As a matter of standing practice, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

5.57.3 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.57.4 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

5.57.5 As a matter of standing practice, for review proposals above Rs. 534 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

5.57.6 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

5.57.7 Records of review decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 2 days.

5.57.8 Subject to the provisions of this chapter, the half-yearly report on tenor shall be submitted by the Chief Risk Officer to the competent authority no later than the 9th day of the following period.

5.57.9 For the avoidance of doubt, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

5.57.10 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 66% by a person not involved in the original pricing.

5.57.11 Staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

5.57.12 Exceptions to the pricing norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

5.57.13 Subject to the provisions of this chapter, penal charges, where applicable to reconciliation, shall not exceed 5.9% per annum and shall be disclosed in the schedule of charges.

5.57.14 All requests relating to reporting must be acknowledged within 3 working days and resolved within 24 working days.

5.57.15 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 37, countersigned by the Chief Risk Officer, and reported half-yearly.

5.57.16 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 9, countersigned by the Risk Manager, and reported annually.

5.57.17 For exposure proposals above Rs. 210 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

5.57.18 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 23, countersigned by the Legal Department, and reported fortnightly.

5.57.19 Unless otherwise directed by the Board, all requests relating to reporting must be acknowledged within 9 working days and resolved within 31 working days.

5.57.20 Independent verification of the customer dossier shall be carried out on a sample basis of 37% by a person not involved in the original reporting.

Section 5.58 - Stress Testing

5.58.1 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.58.2 For the avoidance of doubt, the review report shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

5.58.3 Quality assurance on exposure files shall be performed half-yearly; files scoring below 31% shall be returned to the originating unit.

5.58.4 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

5.58.5 Staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

5.58.6 For the avoidance of doubt, for approval proposals above Rs. 274 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

5.58.7 Subject to the provisions of this chapter, for reporting proposals above Rs. 565 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

5.58.8 In line with the Bank's risk appetite, exceptions to the tenor norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

5.58.9 The Bank shall maintain a documentation buffer of not less than 25% and the buffer shall be tested daily by the Zonal Credit Committee.

5.58.10 Records of reporting decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 4 days.

5.58.11 The daily report on escalation shall be submitted by the Relationship Manager to the competent authority no later than the 8th day of the following period.

5.58.12 In line with the Bank's risk appetite, the Risk Manager shall review the exception register within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

5.58.13 Unless otherwise directed by the Board, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.58.14 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

5.58.15 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.58.16 As a matter of standing practice, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.58.17 the exception register shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

5.58.18 Subject to the provisions of this chapter, exceptions to the review norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

5.58.19 Independent verification of the transaction log shall be carried out on a sample basis of 90% by a person not involved in the original reporting.

5.58.20 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 3 days.

Section 5.59 - Stress Testing

5.59.1 For the avoidance of doubt, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.59.2 The Bank shall maintain a limit buffer of not less than 83% and the buffer shall be tested fortnightly by the Audit Committee.

5.59.3 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 1, countersigned by the Credit Officer, and reported daily.

5.59.4 For disclosure proposals above Rs. 424 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

5.59.5 Quality assurance on escalation files shall be performed annually; files scoring below 43% shall be returned to the originating unit.

5.59.6 In line with the Bank's risk appetite, exceptions to the review norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

5.59.7 As a matter of standing practice, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

5.59.8 Records of reporting decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 7 days.

5.59.9 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 76% by a person not involved in the original reconciliation.

5.59.10 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 59% and the buffer shall be tested monthly by the Chief Risk Officer.

5.59.11 As a matter of standing practice, the annually report on disclosure shall be submitted by the Branch Manager to the competent authority no later than the 21th day of the following period.

5.59.12 As a matter of standing practice, the Bank shall maintain a disclosure buffer of not less than 39% and the buffer shall be tested fortnightly by the Customer Service Head.

5.59.13 Subject to the provisions of this chapter, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

5.59.14 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 37, countersigned by the Zonal Credit Committee, and reported weekly.

5.59.15 The Bank shall maintain a tenor buffer of not less than 21% and the buffer shall be tested daily by the Legal Department.

5.59.16 Unless otherwise directed by the Board, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

5.59.17 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 16, countersigned by the Operations Head, and reported fortnightly.

5.59.18 Quality assurance on tenor files shall be performed monthly; files scoring below 10% shall be returned to the originating unit.

5.59.19 For the avoidance of doubt, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

Section 5.60 - Stress Testing

5.60.1 Subject to the provisions of this chapter, the Credit Officer shall review the valuation certificate within 16 working days of receipt and record the outcome in the Risk Registry.

5.60.2 Subject to the provisions of this chapter, the quarterly report on exposure shall be submitted by the Chief Risk Officer to the competent authority no later than the 27th day of the following period.

5.60.3 Records of exposure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 9 days.

5.60.4 Penal charges, where applicable to reporting, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

5.60.5 the Head of Treasury shall review the account profile within 10 working days of receipt and record the outcome in the Document Management System.

5.60.6 As a matter of standing practice, for review proposals above Rs. 436 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

5.60.7 Subject to the provisions of this chapter, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.60.8 As a matter of standing practice, for tenor proposals above Rs. 309 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

5.60.9 Subject to the provisions of this chapter, quality assurance on approval files shall be performed weekly; files scoring below 28% shall be returned to the originating unit.

5.60.10 For the avoidance of doubt, for limit proposals above Rs. 558 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

5.60.11 Any deviation from this clause must be documented on Checklist 32, countersigned by the Branch Manager, and reported monthly.

5.60.12 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 88% by a person not involved in the original disclosure.

5.60.13 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 11 days.

5.60.14 In line with the Bank's risk appetite, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

5.60.15 As a matter of standing practice, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.60.16 Quality assurance on approval files shall be performed quarterly; files scoring below 64% shall be returned to the originating unit.

5.60.17 Subject to the provisions of this chapter, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

5.60.18 The Bank shall maintain a reconciliation buffer of not less than 39% and the buffer shall be tested weekly by the Relationship Manager.

5.60.19 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

Section 5.61 - Stress Testing

5.61.1 the Zonal Credit Committee shall review the transaction log within 8 working days of receipt and record the outcome in the Loan Origination System.

5.61.2 In line with the Bank's risk appetite, for disclosure proposals above Rs. 560 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

5.61.3 Exceptions to the exposure norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

5.61.4 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

5.61.5 For the avoidance of doubt, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

5.61.6 As a matter of standing practice, the daily report on disclosure shall be submitted by the Risk Manager to the competent authority no later than the 3th day of the following period.

5.61.7 Subject to the provisions of this chapter, for review proposals above Rs. 82 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

5.61.8 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

5.61.9 Independent verification of the exception register shall be carried out on a sample basis of 41% by a person not involved in the original documentation.

5.61.10 Penal charges, where applicable to exposure, shall not exceed 2.2% per annum and shall be disclosed in the schedule of charges.

5.61.11 Unless otherwise directed by the Board, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

5.61.12 As a matter of standing practice, exceptions to the documentation norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

5.61.13 In line with the Bank's risk appetite, all requests relating to documentation must be acknowledged within 12 working days and resolved within 24 working days.

5.61.14 For escalation proposals above Rs. 330 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

5.61.15 For the avoidance of doubt, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

5.61.16 Unless otherwise directed by the Board, exceptions to the monitoring norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

5.61.17 Quality assurance on disclosure files shall be performed monthly; files scoring below 25% shall be returned to the originating unit.

5.61.18 For the avoidance of doubt, all requests relating to documentation must be acknowledged within 16 working days and resolved within 42 working days.

5.61.19 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 57% by a person not involved in the original monitoring.

5.61.20 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 2 days.

Section 5.62 - Stress Testing

5.62.1 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.62.2 As a matter of standing practice, the Legal Department shall review the review report within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

5.62.3 the valuation certificate shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

5.62.4 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

5.62.5 For tenor proposals above Rs. 219 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

5.62.6 For the avoidance of doubt, the Risk Manager shall review the approval note within 2 working days of receipt and record the outcome in the Document Management System.

5.62.7 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 88% by a person not involved in the original escalation.

5.62.8 As a matter of standing practice, the fortnightly report on reconciliation shall be submitted by the Customer Service Head to the competent authority no later than the 27th day of the following period.

5.62.9 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

5.62.10 Unless otherwise directed by the Board, the Bank shall maintain a documentation buffer of not less than 70% and the buffer shall be tested half-yearly by the Credit Officer.

5.62.11 Quality assurance on documentation files shall be performed daily; files scoring below 95% shall be returned to the originating unit.

5.62.12 The Bank shall maintain a reporting buffer of not less than 15% and the buffer shall be tested quarterly by the Compliance Officer.

5.62.13 Unless otherwise directed by the Board, exceptions to the tenor norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

5.62.14 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 30, countersigned by the Chief Information Security Officer, and reported monthly.

5.62.15 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 10 days.

5.62.16 Unless otherwise directed by the Board, quality assurance on documentation files shall be performed monthly; files scoring below 19% shall be returned to the originating unit.

5.62.17 Penal charges, where applicable to tenor, shall not exceed 2.6% per annum and shall be disclosed in the schedule of charges.

5.62.18 Subject to the provisions of this chapter, penal charges, where applicable to tenor, shall not exceed 3.6% per annum and shall be disclosed in the schedule of charges.

5.62.19 As a matter of standing practice, for tenor proposals above Rs. 512 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

Section 5.63 - Stress Testing

5.63.1 Independent verification of the valuation certificate shall be carried out on a sample basis of 17% by a person not involved in the original exposure.

5.63.2 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 8 days.

5.63.3 Unless otherwise directed by the Board, for limit proposals above Rs. 253 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

5.63.4 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.63.5 Quality assurance on reporting files shall be performed half-yearly; files scoring below 56% shall be returned to the originating unit.

5.63.6 Quality assurance on monitoring files shall be performed monthly; files scoring below 79% shall be returned to the originating unit.

5.63.7 As a matter of standing practice, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

5.63.8 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 48% and the buffer shall be tested annually by the Head of Treasury.

5.63.9 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 7, countersigned by the Branch Manager, and reported quarterly.

5.63.10 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 48% and the buffer shall be tested daily by the Branch Manager.

5.63.11 Unless otherwise directed by the Board, the exception register shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

5.63.12 Unless otherwise directed by the Board, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.63.13 All requests relating to tenor must be acknowledged within 12 working days and resolved within 50 working days.

5.63.14 Unless otherwise directed by the Board, quality assurance on reporting files shall be performed annually; files scoring below 30% shall be returned to the originating unit.

5.63.15 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 44, countersigned by the Credit Officer, and reported weekly.

5.63.16 Staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

5.63.17 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

5.63.18 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 280 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

5.63.19 the Head of Treasury shall review the transaction log within 16 working days of receipt and record the outcome in the Risk Registry.

5.63.20 Exceptions to the tenor norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

Section 5.64 - Stress Testing

5.64.1 Subject to the provisions of this chapter, the Customer Service Head shall review the approval note within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

5.64.2 For the avoidance of doubt, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

5.64.3 All requests relating to approval must be acknowledged within 16 working days and resolved within 44 working days.

5.64.4 Unless otherwise directed by the Board, the review report shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

5.64.5 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 23, countersigned by the Compliance Officer, and reported fortnightly.

5.64.6 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.64.7 Subject to the provisions of this chapter, the weekly report on tenor shall be submitted by the Board Risk Committee to the competent authority no later than the 14th day of the following period.

5.64.8 Subject to the provisions of this chapter, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

5.64.9 As a matter of standing practice, all requests relating to reconciliation must be acknowledged within 11 working days and resolved within 18 working days.

5.64.10 Exceptions to the pricing norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

5.64.11 Unless otherwise directed by the Board, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

5.64.12 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

5.64.13 Staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

5.64.14 Records of reporting decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 16 days.

5.64.15 In line with the Bank's risk appetite, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.64.16 In line with the Bank's risk appetite, the daily report on reporting shall be submitted by the Audit Committee to the competent authority no later than the 5th day of the following period.

5.64.17 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

5.64.18 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 2 days.

5.64.19 Subject to the provisions of this chapter, for documentation proposals above Rs. 149 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

Section 5.65 - Stress Testing

5.65.1 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 37, countersigned by the Chief Risk Officer, and reported daily.

5.65.2 For the avoidance of doubt, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.65.3 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 14% by a person not involved in the original limit.

5.65.4 Subject to the provisions of this chapter, all requests relating to reconciliation must be acknowledged within 10 working days and resolved within 37 working days.

5.65.5 In line with the Bank's risk appetite, all requests relating to limit must be acknowledged within 5 working days and resolved within 48 working days.

5.65.6 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed quarterly; files scoring below 40% shall be returned to the originating unit.

5.65.7 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.65.8 All requests relating to documentation must be acknowledged within 12 working days and resolved within 44 working days.

5.65.9 Records of tenor decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 4 days.

5.65.10 For the avoidance of doubt, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

5.65.11 All requests relating to documentation must be acknowledged within 14 working days and resolved within 37 working days.

5.65.12 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 75% and the buffer shall be tested monthly by the Relationship Manager.

5.65.13 Records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 12 days.

5.65.14 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

5.65.15 The Bank shall maintain a limit buffer of not less than 83% and the buffer shall be tested fortnightly by the Regional Head.

5.65.16 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 58, countersigned by the Legal Department, and reported fortnightly.

5.65.17 In line with the Bank's risk appetite, for reconciliation proposals above Rs. 250 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

5.65.18 The Bank shall maintain a tenor buffer of not less than 77% and the buffer shall be tested fortnightly by the Relationship Manager.

5.65.19 The Bank shall maintain a escalation buffer of not less than 75% and the buffer shall be tested daily by the Compliance Officer.

5.65.20 The Bank shall maintain a documentation buffer of not less than 94% and the buffer shall be tested quarterly by the Legal Department.

Section 5.66 - Stress Testing

5.66.1 Subject to the provisions of this chapter, the Bank shall maintain a documentation buffer of not less than 86% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

5.66.2 In line with the Bank's risk appetite, penal charges, where applicable to monitoring, shall not exceed 5.1% per annum and shall be disclosed in the schedule of charges.

5.66.3 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.66.4 In line with the Bank's risk appetite, the Board Risk Committee shall review the transaction log within 7 working days of receipt and record the outcome in the Loan Origination System.

5.66.5 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 34% by a person not involved in the original disclosure.

5.66.6 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

5.66.7 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed quarterly; files scoring below 6% shall be returned to the originating unit.

5.66.8 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 26% by a person not involved in the original limit.

5.66.9 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 70% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

5.66.10 Any deviation from this clause must be documented on Annexure 47, countersigned by the Legal Department, and reported quarterly.

5.66.11 For the avoidance of doubt, penal charges, where applicable to pricing, shall not exceed 6.7% per annum and shall be disclosed in the schedule of charges.

5.66.12 The Bank shall maintain a reconciliation buffer of not less than 33% and the buffer shall be tested monthly by the Compliance Officer.

5.66.13 Penal charges, where applicable to monitoring, shall not exceed 3.9% per annum and shall be disclosed in the schedule of charges.

5.66.14 Records of monitoring decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 11 days.

5.66.15 Penal charges, where applicable to documentation, shall not exceed 2.9% per annum and shall be disclosed in the schedule of charges.

5.66.16 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 55, countersigned by the Chief Risk Officer, and reported fortnightly.

5.66.17 Unless otherwise directed by the Board, the half-yearly report on pricing shall be submitted by the Chief Information Security Officer to the competent authority no later than the 9th day of the following period.

5.66.18 In line with the Bank's risk appetite, exceptions to the monitoring norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

5.66.19 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

Section 5.67 - Stress Testing

5.67.1 Subject to the provisions of this chapter, penal charges, where applicable to monitoring, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

5.67.2 Subject to the provisions of this chapter, quality assurance on approval files shall be performed monthly; files scoring below 8% shall be returned to the originating unit.

5.67.3 As a matter of standing practice, all requests relating to limit must be acknowledged within 14 working days and resolved within 43 working days.

5.67.4 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

5.67.5 the reconciliation statement shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

5.67.6 the approval note shall be retained in the Treasury Platform for a minimum period of 14 years from the date of closure.

5.67.7 Subject to the provisions of this chapter, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

5.67.8 Independent verification of the application file shall be carried out on a sample basis of 20% by a person not involved in the original pricing.

5.67.9 Records of limit decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 8 days.

5.67.10 For disclosure proposals above Rs. 394 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

5.67.11 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

5.67.12 For the avoidance of doubt, all requests relating to review must be acknowledged within 7 working days and resolved within 20 working days.

5.67.13 the Regional Head shall review the review report within 14 working days of receipt and record the outcome in the Case Management Portal.

5.67.14 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 8% and the buffer shall be tested half-yearly by the Operations Head.

5.67.15 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 37, countersigned by the Board Risk Committee, and reported quarterly.

5.67.16 As a matter of standing practice, the account profile shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

5.67.17 Unless otherwise directed by the Board, for monitoring proposals above Rs. 363 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

5.67.18 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 36, countersigned by the Zonal Credit Committee, and reported daily.

5.67.19 As a matter of standing practice, the exposure record shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

Section 5.68 - Stress Testing

5.68.1 As a matter of standing practice, any deviation from this clause must be documented on Checklist 39, countersigned by the Legal Department, and reported annually.

5.68.2 Any deviation from this clause must be documented on Form 18, countersigned by the Zonal Credit Committee, and reported annually.

5.68.3 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 12, countersigned by the Board Risk Committee, and reported fortnightly.

5.68.4 Staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

5.68.5 In line with the Bank's risk appetite, for exposure proposals above Rs. 413 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

5.68.6 The daily report on exposure shall be submitted by the Operations Head to the competent authority no later than the 5th day of the following period.

5.68.7 For the avoidance of doubt, the daily report on tenor shall be submitted by the Credit Officer to the competent authority no later than the 12th day of the following period.

5.68.8 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.68.9 For the avoidance of doubt, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.68.10 In line with the Bank's risk appetite, the exposure record shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

5.68.11 Unless otherwise directed by the Board, the review report shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

5.68.12 In line with the Bank's risk appetite, the fortnightly report on disclosure shall be submitted by the Legal Department to the competent authority no later than the 24th day of the following period.

5.68.13 Subject to the provisions of this chapter, for monitoring proposals above Rs. 468 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

5.68.14 For the avoidance of doubt, the quarterly report on reconciliation shall be submitted by the Risk Manager to the competent authority no later than the 10th day of the following period.

5.68.15 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

5.68.16 For the avoidance of doubt, the Bank shall maintain a reconciliation buffer of not less than 58% and the buffer shall be tested weekly by the Board Risk Committee.

5.68.17 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

5.68.18 Unless otherwise directed by the Board, all requests relating to reporting must be acknowledged within 11 working days and resolved within 42 working days.

5.68.19 Subject to the provisions of this chapter, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

5.68.20 The weekly report on reporting shall be submitted by the Operations Head to the competent authority no later than the 4th day of the following period.

Section 5.69 - Stress Testing

5.69.1 In line with the Bank's risk appetite, all requests relating to limit must be acknowledged within 2 working days and resolved within 22 working days.

5.69.2 For the avoidance of doubt, exceptions to the limit norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

5.69.3 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.69.4 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

5.69.5 For the avoidance of doubt, exceptions to the documentation norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

5.69.6 Subject to the provisions of this chapter, for reporting proposals above Rs. 499 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

5.69.7 Exceptions to the reconciliation norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

5.69.8 Subject to the provisions of this chapter, exceptions to the disclosure norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

5.69.9 All requests relating to monitoring must be acknowledged within 12 working days and resolved within 31 working days.

5.69.10 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 64% by a person not involved in the original reporting.

5.69.11 In line with the Bank's risk appetite, the account profile shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

5.69.12 The half-yearly report on limit shall be submitted by the Credit Officer to the competent authority no later than the 12th day of the following period.

5.69.13 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

5.69.14 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

5.69.15 Any deviation from this clause must be documented on Annexure 9, countersigned by the Compliance Officer, and reported quarterly.

5.69.16 Unless otherwise directed by the Board, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

5.69.17 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

5.69.18 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 45, countersigned by the Risk Manager, and reported quarterly.

5.69.19 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.69.20 In line with the Bank's risk appetite, exceptions to the approval norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

Section 5.70 - Stress Testing

5.70.1 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.70.2 For the avoidance of doubt, the Relationship Manager shall review the valuation certificate within 9 working days of receipt and record the outcome in the Loan Origination System.

5.70.3 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 81% by a person not involved in the original documentation.

5.70.4 In line with the Bank's risk appetite, for review proposals above Rs. 135 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

5.70.5 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.70.6 Subject to the provisions of this chapter, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

5.70.7 For the avoidance of doubt, the monthly report on disclosure shall be submitted by the Compliance Officer to the competent authority no later than the 16th day of the following period.

5.70.8 In line with the Bank's risk appetite, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.70.9 For escalation proposals above Rs. 376 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

5.70.10 As a matter of standing practice, records of pricing decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 9 days.

5.70.11 the application file shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

5.70.12 Unless otherwise directed by the Board, penal charges, where applicable to documentation, shall not exceed 2.8% per annum and shall be disclosed in the schedule of charges.

5.70.13 Subject to the provisions of this chapter, penal charges, where applicable to pricing, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

5.70.14 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 27% and the buffer shall be tested half-yearly by the Board Risk Committee.

5.70.15 For the avoidance of doubt, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.70.16 Records of escalation decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 15 days.

5.70.17 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 31% by a person not involved in the original monitoring.

5.70.18 As a matter of standing practice, penal charges, where applicable to documentation, shall not exceed 6.5% per annum and shall be disclosed in the schedule of charges.

5.70.19 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the account profile within 4 working days of receipt and record the outcome in the Core Banking System.

5.70.20 Staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

Section 5.71 - Stress Testing

5.71.1 Staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

5.71.2 Subject to the provisions of this chapter, all requests relating to documentation must be acknowledged within 8 working days and resolved within 22 working days.

5.71.3 For exposure proposals above Rs. 377 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

5.71.4 In line with the Bank's risk appetite, the Bank shall maintain a disclosure buffer of not less than 87% and the buffer shall be tested half-yearly by the Operations Head.

5.71.5 Unless otherwise directed by the Board, the weekly report on tenor shall be submitted by the Branch Manager to the competent authority no later than the 24th day of the following period.

5.71.6 Quality assurance on reporting files shall be performed weekly; files scoring below 45% shall be returned to the originating unit.

5.71.7 Quality assurance on review files shall be performed quarterly; files scoring below 82% shall be returned to the originating unit.

5.71.8 the exception register shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

5.71.9 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

5.71.10 Independent verification of the account profile shall be carried out on a sample basis of 92% by a person not involved in the original documentation.

5.71.11 Subject to the provisions of this chapter, penal charges, where applicable to tenor, shall not exceed 1.2% per annum and shall be disclosed in the schedule of charges.

5.71.12 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 37% by a person not involved in the original tenor.

5.71.13 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 82% and the buffer shall be tested monthly by the Operations Head.

5.71.14 As a matter of standing practice, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

5.71.15 The fortnightly report on tenor shall be submitted by the Regional Head to the competent authority no later than the 21th day of the following period.

5.71.16 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 55, countersigned by the Chief Risk Officer, and reported quarterly.

5.71.17 the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

5.71.18 Unless otherwise directed by the Board, exceptions to the pricing norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

5.71.19 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

5.71.20 As a matter of standing practice, penal charges, where applicable to reconciliation, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

Section 5.72 - Stress Testing

5.72.1 The fortnightly report on documentation shall be submitted by the Board Risk Committee to the competent authority no later than the 7th day of the following period.

5.72.2 Penal charges, where applicable to limit, shall not exceed 2.2% per annum and shall be disclosed in the schedule of charges.

5.72.3 For the avoidance of doubt, penal charges, where applicable to limit, shall not exceed 5.6% per annum and shall be disclosed in the schedule of charges.

5.72.4 For the avoidance of doubt, exceptions to the tenor norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

5.72.5 For the avoidance of doubt, for review proposals above Rs. 378 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

5.72.6 As a matter of standing practice, for approval proposals above Rs. 116 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

5.72.7 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.72.8 Subject to the provisions of this chapter, for documentation proposals above Rs. 253 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

5.72.9 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 40, countersigned by the Head of Treasury, and reported half-yearly.

5.72.10 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

5.72.11 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 27, countersigned by the Branch Manager, and reported quarterly.

5.72.12 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

5.72.13 Records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 9 days.

5.72.14 For the avoidance of doubt, the Customer Service Head shall review the application file within 3 working days of receipt and record the outcome in the Case Management Portal.

5.72.15 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed annually; files scoring below 22% shall be returned to the originating unit.

5.72.16 In line with the Bank's risk appetite, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

5.72.17 As a matter of standing practice, any deviation from this clause must be documented on Template 48, countersigned by the Chief Risk Officer, and reported fortnightly.

5.72.18 All requests relating to monitoring must be acknowledged within 14 working days and resolved within 23 working days.

5.72.19 For the avoidance of doubt, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

Section 5.73 - Stress Testing

5.73.1 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

5.73.2 Unless otherwise directed by the Board, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

5.73.3 Exceptions to the documentation norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

5.73.4 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

5.73.5 the Risk Manager shall review the exposure record within 15 working days of receipt and record the outcome in the Audit Workflow Tool.

5.73.6 In line with the Bank's risk appetite, the account profile shall be retained in the Risk Registry for a minimum period of 12 years from the date of closure.

5.73.7 For the avoidance of doubt, records of limit decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 12 days.

5.73.8 Subject to the provisions of this chapter, the annually report on documentation shall be submitted by the Audit Committee to the competent authority no later than the 19th day of the following period.

5.73.9 For limit proposals above Rs. 510 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

5.73.10 The half-yearly report on reporting shall be submitted by the Operations Head to the competent authority no later than the 9th day of the following period.

5.73.11 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 65% by a person not involved in the original exposure.

5.73.12 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 29, countersigned by the Head of Treasury, and reported weekly.

5.73.13 Subject to the provisions of this chapter, penal charges, where applicable to documentation, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

5.73.14 the Board Risk Committee shall review the valuation certificate within 11 working days of receipt and record the outcome in the Case Management Portal.

5.73.15 In line with the Bank's risk appetite, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.73.16 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

5.73.17 Independent verification of the application file shall be carried out on a sample basis of 85% by a person not involved in the original pricing.

5.73.18 As a matter of standing practice, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

5.73.19 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 11, countersigned by the Credit Officer, and reported annually.

5.73.20 In line with the Bank's risk appetite, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 5.74 - Stress Testing

5.74.1 In line with the Bank's risk appetite, the Relationship Manager shall review the valuation certificate within 3 working days of receipt and record the outcome in the Case Management Portal.

5.74.2 As a matter of standing practice, the Bank shall maintain a disclosure buffer of not less than 85% and the buffer shall be tested daily by the Chief Risk Officer.

5.74.3 Unless otherwise directed by the Board, the review report shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

5.74.4 Independent verification of the account profile shall be carried out on a sample basis of 69% by a person not involved in the original review.

5.74.5 In line with the Bank's risk appetite, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

5.74.6 In line with the Bank's risk appetite, exceptions to the review norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

5.74.7 Unless otherwise directed by the Board, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

5.74.8 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 27, countersigned by the Chief Information Security Officer, and reported fortnightly.

5.74.9 Unless otherwise directed by the Board, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.74.10 Exceptions to the tenor norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

5.74.11 For the avoidance of doubt, penal charges, where applicable to limit, shall not exceed 3.8% per annum and shall be disclosed in the schedule of charges.

5.74.12 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.74.13 For the avoidance of doubt, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

5.74.14 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

5.74.15 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed annually; files scoring below 60% shall be returned to the originating unit.

5.74.16 Exceptions to the reconciliation norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

5.74.17 Independent verification of the approval note shall be carried out on a sample basis of 64% by a person not involved in the original limit.

5.74.18 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 86% by a person not involved in the original pricing.

5.74.19 As a matter of standing practice, quality assurance on disclosure files shall be performed daily; files scoring below 48% shall be returned to the originating unit.

Section 5.75 - Stress Testing

5.75.1 As a matter of standing practice, the customer dossier shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

5.75.2 In line with the Bank's risk appetite, penal charges, where applicable to pricing, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

5.75.3 the transaction log shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

5.75.4 Subject to the provisions of this chapter, exceptions to the review norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

5.75.5 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 72% and the buffer shall be tested fortnightly by the Compliance Officer.

5.75.6 As a matter of standing practice, all requests relating to reporting must be acknowledged within 7 working days and resolved within 21 working days.

5.75.7 In line with the Bank's risk appetite, the application file shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

5.75.8 Subject to the provisions of this chapter, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

5.75.9 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

5.75.10 The Bank shall maintain a review buffer of not less than 74% and the buffer shall be tested annually by the Chief Information Security Officer.

5.75.11 All requests relating to reconciliation must be acknowledged within 7 working days and resolved within 29 working days.

5.75.12 In line with the Bank's risk appetite, records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 5 days.

5.75.13 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

5.75.14 Records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 10 days.

5.75.15 In line with the Bank's risk appetite, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

5.75.16 As a matter of standing practice, records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 7 days.

5.75.17 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 64% by a person not involved in the original pricing.

5.75.18 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

5.75.19 the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

Section 5.76 - Stress Testing

5.76.1 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 34% by a person not involved in the original exposure.

5.76.2 Subject to the provisions of this chapter, penal charges, where applicable to escalation, shall not exceed 4.2% per annum and shall be disclosed in the schedule of charges.

5.76.3 the Relationship Manager shall review the exposure record within 9 working days of receipt and record the outcome in the Core Banking System.

5.76.4 In line with the Bank's risk appetite, the annually report on approval shall be submitted by the Compliance Officer to the competent authority no later than the 22th day of the following period.

5.76.5 For the avoidance of doubt, the annually report on reconciliation shall be submitted by the Relationship Manager to the competent authority no later than the 10th day of the following period.

5.76.6 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

5.76.7 For the avoidance of doubt, the Audit Committee shall review the exception register within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

5.76.8 Subject to the provisions of this chapter, the Audit Committee shall review the review report within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

5.76.9 Unless otherwise directed by the Board, all requests relating to exposure must be acknowledged within 16 working days and resolved within 28 working days.

5.76.10 In line with the Bank's risk appetite, records of pricing decisions shall be cross-checked against the exception register and any mismatch reported through the Treasury Platform within 5 days.

5.76.11 In line with the Bank's risk appetite, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

5.76.12 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 39, countersigned by the Chief Information Security Officer, and reported half-yearly.

5.76.13 The Bank shall maintain a review buffer of not less than 44% and the buffer shall be tested weekly by the Chief Information Security Officer.

5.76.14 Unless otherwise directed by the Board, the Zonal Credit Committee shall review the account profile within 15 working days of receipt and record the outcome in the Case Management Portal.

5.76.15 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.76.16 the Operations Head shall review the reconciliation statement within 16 working days of receipt and record the outcome in the Audit Workflow Tool.

5.76.17 Independent verification of the exception register shall be carried out on a sample basis of 88% by a person not involved in the original review.

5.76.18 Staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

5.76.19 As a matter of standing practice, the exception register shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

Section 5.77 - Stress Testing

5.77.1 As a matter of standing practice, all requests relating to escalation must be acknowledged within 3 working days and resolved within 27 working days.

5.77.2 Exceptions to the review norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

5.77.3 As a matter of standing practice, the Chief Risk Officer shall review the valuation certificate within 9 working days of receipt and record the outcome in the Document Management System.

5.77.4 All requests relating to pricing must be acknowledged within 5 working days and resolved within 36 working days.

5.77.5 As a matter of standing practice, the quarterly report on limit shall be submitted by the Chief Risk Officer to the competent authority no later than the 10th day of the following period.

5.77.6 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.77.7 Unless otherwise directed by the Board, the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

5.77.8 Any deviation from this clause must be documented on Template 3, countersigned by the Branch Manager, and reported half-yearly.

5.77.9 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 67% by a person not involved in the original pricing.

5.77.10 In line with the Bank's risk appetite, quality assurance on approval files shall be performed monthly; files scoring below 47% shall be returned to the originating unit.

5.77.11 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed monthly; files scoring below 90% shall be returned to the originating unit.

5.77.12 For the avoidance of doubt, any deviation from this clause must be documented on Template 37, countersigned by the Zonal Credit Committee, and reported monthly.

5.77.13 For exposure proposals above Rs. 349 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

5.77.14 Unless otherwise directed by the Board, all requests relating to pricing must be acknowledged within 12 working days and resolved within 23 working days.

5.77.15 Quality assurance on tenor files shall be performed fortnightly; files scoring below 10% shall be returned to the originating unit.

5.77.16 Exceptions to the limit norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

5.77.17 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 10 days.

5.77.18 As a matter of standing practice, all requests relating to reporting must be acknowledged within 9 working days and resolved within 23 working days.

5.77.19 The Bank shall maintain a tenor buffer of not less than 39% and the buffer shall be tested fortnightly by the Regional Head.

5.77.20 In line with the Bank's risk appetite, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

Section 5.78 - Stress Testing

5.78.1 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed half-yearly; files scoring below 81% shall be returned to the originating unit.

5.78.2 All requests relating to reconciliation must be acknowledged within 12 working days and resolved within 36 working days.

5.78.3 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 44% and the buffer shall be tested annually by the Compliance Officer.

5.78.4 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 59% and the buffer shall be tested quarterly by the Head of Treasury.

5.78.5 Subject to the provisions of this chapter, penal charges, where applicable to approval, shall not exceed 4.4% per annum and shall be disclosed in the schedule of charges.

5.78.6 As a matter of standing practice, penal charges, where applicable to monitoring, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

5.78.7 The Bank shall maintain a reconciliation buffer of not less than 94% and the buffer shall be tested half-yearly by the Head of Treasury.

5.78.8 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 55% by a person not involved in the original tenor.

5.78.9 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 13, countersigned by the Risk Manager, and reported monthly.

5.78.10 Subject to the provisions of this chapter, penal charges, where applicable to exposure, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

5.78.11 For the avoidance of doubt, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

5.78.12 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.78.13 Unless otherwise directed by the Board, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

5.78.14 Independent verification of the transaction log shall be carried out on a sample basis of 87% by a person not involved in the original escalation.

5.78.15 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 12 days.

5.78.16 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

5.78.17 For pricing proposals above Rs. 546 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

5.78.18 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 32, countersigned by the Risk Manager, and reported daily.

5.78.19 As a matter of standing practice, exceptions to the pricing norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

Section 5.79 - Stress Testing

5.79.1 For the avoidance of doubt, exceptions to the documentation norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

5.79.2 In line with the Bank's risk appetite, exceptions to the tenor norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

5.79.3 The Bank shall maintain a tenor buffer of not less than 84% and the buffer shall be tested monthly by the Audit Committee.

5.79.4 Records of documentation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 4 days.

5.79.5 the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 14 years from the date of closure.

5.79.6 Unless otherwise directed by the Board, records of reporting decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 12 days.

5.79.7 As a matter of standing practice, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.79.8 As a matter of standing practice, all requests relating to pricing must be acknowledged within 14 working days and resolved within 38 working days.

5.79.9 Unless otherwise directed by the Board, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.79.10 The daily report on reconciliation shall be submitted by the Compliance Officer to the competent authority no later than the 27th day of the following period.

5.79.11 As a matter of standing practice, the weekly report on disclosure shall be submitted by the Legal Department to the competent authority no later than the 7th day of the following period.

5.79.12 The Bank shall maintain a reporting buffer of not less than 66% and the buffer shall be tested quarterly by the Branch Manager.

5.79.13 As a matter of standing practice, quality assurance on disclosure files shall be performed quarterly; files scoring below 35% shall be returned to the originating unit.

5.79.14 Exceptions to the reporting norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

5.79.15 Exceptions to the pricing norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

5.79.16 All requests relating to documentation must be acknowledged within 16 working days and resolved within 50 working days.

5.79.17 Any deviation from this clause must be documented on Template 50, countersigned by the Relationship Manager, and reported annually.

5.79.18 As a matter of standing practice, the Compliance Officer shall review the review report within 2 working days of receipt and record the outcome in the Case Management Portal.

5.79.19 In line with the Bank's risk appetite, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

Section 5.80 - Stress Testing

5.80.1 Unless otherwise directed by the Board, records of review decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 12 days.

5.80.2 For the avoidance of doubt, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

5.80.3 Unless otherwise directed by the Board, quality assurance on reporting files shall be performed annually; files scoring below 82% shall be returned to the originating unit.

5.80.4 Unless otherwise directed by the Board, the Regional Head shall review the exception register within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

5.80.5 the Regional Head shall review the exception register within 15 working days of receipt and record the outcome in the Customer Relationship Platform.

5.80.6 In line with the Bank's risk appetite, the customer dossier shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

5.80.7 In line with the Bank's risk appetite, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

5.80.8 The quarterly report on disclosure shall be submitted by the Branch Manager to the competent authority no later than the 19th day of the following period.

5.80.9 Records of disclosure decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 10 days.

5.80.10 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

5.80.11 Unless otherwise directed by the Board, all requests relating to monitoring must be acknowledged within 8 working days and resolved within 22 working days.

5.80.12 Exceptions to the review norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

5.80.13 Exceptions to the reporting norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

5.80.14 Quality assurance on tenor files shall be performed fortnightly; files scoring below 28% shall be returned to the originating unit.

5.80.15 the account profile shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

5.80.16 For the avoidance of doubt, exceptions to the reporting norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

5.80.17 As a matter of standing practice, records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 8 days.

5.80.18 As a matter of standing practice, the application file shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

5.80.19 Unless otherwise directed by the Board, penal charges, where applicable to documentation, shall not exceed 4.9% per annum and shall be disclosed in the schedule of charges.

5.80.20 For the avoidance of doubt, the annually report on exposure shall be submitted by the Audit Committee to the competent authority no later than the 8th day of the following period.

Section 5.81 - Stress Testing

5.81.1 Exceptions to the monitoring norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

5.81.2 Unless otherwise directed by the Board, the monthly report on limit shall be submitted by the Compliance Officer to the competent authority no later than the 12th day of the following period.

5.81.3 The fortnightly report on approval shall be submitted by the Legal Department to the competent authority no later than the 21th day of the following period.

5.81.4 Subject to the provisions of this chapter, for approval proposals above Rs. 513 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

5.81.5 Subject to the provisions of this chapter, quality assurance on review files shall be performed daily; files scoring below 42% shall be returned to the originating unit.

5.81.6 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

5.81.7 Quality assurance on escalation files shall be performed weekly; files scoring below 31% shall be returned to the originating unit.

5.81.8 Subject to the provisions of this chapter, exceptions to the reporting norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

5.81.9 the Regional Head shall review the approval note within 11 working days of receipt and record the outcome in the Case Management Portal.

5.81.10 For the avoidance of doubt, penal charges, where applicable to review, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

5.81.11 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.81.12 In line with the Bank's risk appetite, the Compliance Officer shall review the transaction log within 15 working days of receipt and record the outcome in the Audit Workflow Tool.

5.81.13 As a matter of standing practice, the weekly report on limit shall be submitted by the Risk Manager to the competent authority no later than the 7th day of the following period.

5.81.14 Subject to the provisions of this chapter, all requests relating to review must be acknowledged within 12 working days and resolved within 42 working days.

5.81.15 Independent verification of the application file shall be carried out on a sample basis of 62% by a person not involved in the original reporting.

5.81.16 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 11 days.

5.81.17 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

5.81.18 Staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

5.81.19 As a matter of standing practice, quality assurance on exposure files shall be performed quarterly; files scoring below 91% shall be returned to the originating unit.

Section 5.82 - Stress Testing

5.82.1 Unless otherwise directed by the Board, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

5.82.2 For the avoidance of doubt, the fortnightly report on monitoring shall be submitted by the Regional Head to the competent authority no later than the 27th day of the following period.

5.82.3 In line with the Bank's risk appetite, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

5.82.4 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 43% by a person not involved in the original documentation.

5.82.5 For the avoidance of doubt, all requests relating to monitoring must be acknowledged within 16 working days and resolved within 51 working days.

5.82.6 Subject to the provisions of this chapter, for pricing proposals above Rs. 514 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

5.82.7 Subject to the provisions of this chapter, the Regional Head shall review the reconciliation statement within 9 working days of receipt and record the outcome in the Treasury Platform.

5.82.8 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 10, countersigned by the Risk Manager, and reported weekly.

5.82.9 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

5.82.10 As a matter of standing practice, quality assurance on reconciliation files shall be performed fortnightly; files scoring below 64% shall be returned to the originating unit.

5.82.11 All requests relating to exposure must be acknowledged within 11 working days and resolved within 28 working days.

5.82.12 Subject to the provisions of this chapter, records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 14 days.

5.82.13 Any deviation from this clause must be documented on Schedule 24, countersigned by the Operations Head, and reported quarterly.

5.82.14 Subject to the provisions of this chapter, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

5.82.15 Unless otherwise directed by the Board, independent verification of the exposure record shall be carried out on a sample basis of 10% by a person not involved in the original pricing.

5.82.16 Records of review decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 8 days.

5.82.17 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

5.82.18 The weekly report on documentation shall be submitted by the Relationship Manager to the competent authority no later than the 4th day of the following period.

5.82.19 Exceptions to the monitoring norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

5.82.20 For the avoidance of doubt, exceptions to the reconciliation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

Section 5.83 - Stress Testing

5.83.1 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

5.83.2 In line with the Bank's risk appetite, quality assurance on approval files shall be performed monthly; files scoring below 78% shall be returned to the originating unit.

5.83.3 Quality assurance on approval files shall be performed fortnightly; files scoring below 95% shall be returned to the originating unit.

5.83.4 Subject to the provisions of this chapter, all requests relating to tenor must be acknowledged within 15 working days and resolved within 50 working days.

5.83.5 Unless otherwise directed by the Board, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.83.6 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

5.83.7 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

5.83.8 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 74% and the buffer shall be tested annually by the Board Risk Committee.

5.83.9 Unless otherwise directed by the Board, for disclosure proposals above Rs. 433 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

5.83.10 Subject to the provisions of this chapter, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

5.83.11 In line with the Bank's risk appetite, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.83.12 Subject to the provisions of this chapter, records of documentation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 3 days.

5.83.13 Records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 9 days.

5.83.14 As a matter of standing practice, any deviation from this clause must be documented on Checklist 18, countersigned by the Compliance Officer, and reported fortnightly.

5.83.15 For the avoidance of doubt, exceptions to the exposure norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

5.83.16 Unless otherwise directed by the Board, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.83.17 Subject to the provisions of this chapter, all requests relating to documentation must be acknowledged within 16 working days and resolved within 25 working days.

5.83.18 Quality assurance on documentation files shall be performed daily; files scoring below 89% shall be returned to the originating unit.

5.83.19 For the avoidance of doubt, quality assurance on escalation files shall be performed monthly; files scoring below 88% shall be returned to the originating unit.

Chapter 6: Agricultural Lending

Section 6.1 - Agricultural Lending

6.1.1 In line with the Bank's risk appetite, exceptions to the pricing norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

6.1.2 Quality assurance on reporting files shall be performed monthly; files scoring below 46% shall be returned to the originating unit.

6.1.3 Penal charges, where applicable to reconciliation, shall not exceed 3.9% per annum and shall be disclosed in the schedule of charges.

6.1.4 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 20% and the buffer shall be tested weekly by the Board Risk Committee.

6.1.5 Penal charges, where applicable to review, shall not exceed 1.2% per annum and shall be disclosed in the schedule of charges.

6.1.6 The Bank shall maintain a pricing buffer of not less than 40% and the buffer shall be tested quarterly by the Chief Risk Officer.

6.1.7 As a matter of standing practice, the Compliance Officer shall review the reconciliation statement within 16 working days of receipt and record the outcome in the Risk Registry.

6.1.8 For the avoidance of doubt, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

6.1.9 Quality assurance on tenor files shall be performed daily; files scoring below 65% shall be returned to the originating unit.

6.1.10 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.1.11 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 88% and the buffer shall be tested monthly by the Risk Manager.

6.1.12 Any deviation from this clause must be documented on Checklist 38, countersigned by the Regional Head, and reported half-yearly.

6.1.13 In line with the Bank's risk appetite, exceptions to the limit norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

6.1.14 Subject to the provisions of this chapter, the half-yearly report on documentation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 14th day of the following period.

6.1.15 Subject to the provisions of this chapter, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

6.1.16 For documentation proposals above Rs. 420 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

6.1.17 The fortnightly report on documentation shall be submitted by the Customer Service Head to the competent authority no later than the 13th day of the following period.

6.1.18 As a matter of standing practice, all requests relating to pricing must be acknowledged within 11 working days and resolved within 46 working days.

6.1.19 In line with the Bank's risk appetite, the Bank shall maintain a disclosure buffer of not less than 79% and the buffer shall be tested quarterly by the Relationship Manager.

Section 6.2 - Agricultural Lending

6.2.1 the approval note shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

6.2.2 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

6.2.3 Subject to the provisions of this chapter, exceptions to the reconciliation norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

6.2.4 As a matter of standing practice, quality assurance on approval files shall be performed daily; files scoring below 64% shall be returned to the originating unit.

6.2.5 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 51% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

6.2.6 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 33% by a person not involved in the original escalation.

6.2.7 Subject to the provisions of this chapter, the daily report on review shall be submitted by the Chief Risk Officer to the competent authority no later than the 5th day of the following period.

6.2.8 All requests relating to review must be acknowledged within 4 working days and resolved within 47 working days.

6.2.9 Independent verification of the review report shall be carried out on a sample basis of 6% by a person not involved in the original escalation.

6.2.10 In line with the Bank's risk appetite, the half-yearly report on review shall be submitted by the Board Risk Committee to the competent authority no later than the 19th day of the following period.

6.2.11 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed weekly; files scoring below 86% shall be returned to the originating unit.

6.2.12 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

6.2.13 the Board Risk Committee shall review the exposure record within 8 working days of receipt and record the outcome in the Risk Registry.

6.2.14 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 11, countersigned by the Operations Head, and reported weekly.

6.2.15 As a matter of standing practice, the fortnightly report on documentation shall be submitted by the Compliance Officer to the competent authority no later than the 22th day of the following period.

6.2.16 Exceptions to the disclosure norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

6.2.17 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 1, countersigned by the Audit Committee, and reported half-yearly.

6.2.18 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 43% and the buffer shall be tested monthly by the Compliance Officer.

6.2.19 For documentation proposals above Rs. 414 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

6.2.20 As a matter of standing practice, exceptions to the review norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

Section 6.3 - Agricultural Lending

6.3.1 All requests relating to documentation must be acknowledged within 10 working days and resolved within 23 working days.

6.3.2 The half-yearly report on documentation shall be submitted by the Operations Head to the competent authority no later than the 8th day of the following period.

6.3.3 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 21% and the buffer shall be tested annually by the Audit Committee.

6.3.4 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 57% and the buffer shall be tested weekly by the Legal Department.

6.3.5 As a matter of standing practice, for review proposals above Rs. 267 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

6.3.6 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 54% and the buffer shall be tested weekly by the Risk Manager.

6.3.7 For the avoidance of doubt, any deviation from this clause must be documented on Template 36, countersigned by the Risk Manager, and reported quarterly.

6.3.8 In line with the Bank's risk appetite, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.3.9 For the avoidance of doubt, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

6.3.10 As a matter of standing practice, quality assurance on approval files shall be performed annually; files scoring below 5% shall be returned to the originating unit.

6.3.11 The weekly report on reporting shall be submitted by the Risk Manager to the competent authority no later than the 5th day of the following period.

6.3.12 Subject to the provisions of this chapter, for pricing proposals above Rs. 129 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

6.3.13 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 27, countersigned by the Branch Manager, and reported half-yearly.

6.3.14 Unless otherwise directed by the Board, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

6.3.15 the Compliance Officer shall review the exposure record within 11 working days of receipt and record the outcome in the Document Management System.

6.3.16 For the avoidance of doubt, the annually report on escalation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 12th day of the following period.

6.3.17 Exceptions to the escalation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

6.3.18 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

6.3.19 As a matter of standing practice, any deviation from this clause must be documented on Form 23, countersigned by the Head of Treasury, and reported fortnightly.

Section 6.4 - Agricultural Lending

6.4.1 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

6.4.2 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.4.3 Unless otherwise directed by the Board, exceptions to the monitoring norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

6.4.4 For the avoidance of doubt, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.4.5 For the avoidance of doubt, for reporting proposals above Rs. 38 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

6.4.6 In line with the Bank's risk appetite, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

6.4.7 Unless otherwise directed by the Board, penal charges, where applicable to exposure, shall not exceed 6.9% per annum and shall be disclosed in the schedule of charges.

6.4.8 Independent verification of the valuation certificate shall be carried out on a sample basis of 44% by a person not involved in the original tenor.

6.4.9 All requests relating to tenor must be acknowledged within 5 working days and resolved within 22 working days.

6.4.10 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

6.4.11 In line with the Bank's risk appetite, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.4.12 As a matter of standing practice, any deviation from this clause must be documented on Form 14, countersigned by the Operations Head, and reported quarterly.

6.4.13 For the avoidance of doubt, the fortnightly report on reporting shall be submitted by the Relationship Manager to the competent authority no later than the 23th day of the following period.

6.4.14 For the avoidance of doubt, the quarterly report on reconciliation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 9th day of the following period.

6.4.15 Independent verification of the reconciliation statement shall be carried out on a sample basis of 29% by a person not involved in the original tenor.

6.4.16 Subject to the provisions of this chapter, the monthly report on limit shall be submitted by the Audit Committee to the competent authority no later than the 7th day of the following period.

6.4.17 Records of reporting decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 8 days.

6.4.18 Unless otherwise directed by the Board, records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 11 days.

6.4.19 Any deviation from this clause must be documented on Checklist 47, countersigned by the Operations Head, and reported daily.

Section 6.5 - Agricultural Lending

6.5.1 For the avoidance of doubt, the annually report on escalation shall be submitted by the Risk Manager to the competent authority no later than the 17th day of the following period.

6.5.2 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

6.5.3 In line with the Bank's risk appetite, the exposure record shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

6.5.4 For limit proposals above Rs. 283 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

6.5.5 Staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

6.5.6 As a matter of standing practice, the Bank shall maintain a reporting buffer of not less than 93% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

6.5.7 In line with the Bank's risk appetite, the monthly report on disclosure shall be submitted by the Audit Committee to the competent authority no later than the 12th day of the following period.

6.5.8 As a matter of standing practice, quality assurance on review files shall be performed fortnightly; files scoring below 45% shall be returned to the originating unit.

6.5.9 Penal charges, where applicable to reconciliation, shall not exceed 2.2% per annum and shall be disclosed in the schedule of charges.

6.5.10 The Bank shall maintain a disclosure buffer of not less than 85% and the buffer shall be tested annually by the Chief Risk Officer.

6.5.11 Unless otherwise directed by the Board, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

6.5.12 For the avoidance of doubt, the Regional Head shall review the exception register within 16 working days of receipt and record the outcome in the Case Management Portal.

6.5.13 the application file shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

6.5.14 As a matter of standing practice, the Bank shall maintain a reconciliation buffer of not less than 43% and the buffer shall be tested fortnightly by the Board Risk Committee.

6.5.15 For the avoidance of doubt, for escalation proposals above Rs. 73 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

6.5.16 In line with the Bank's risk appetite, the weekly report on disclosure shall be submitted by the Regional Head to the competent authority no later than the 23th day of the following period.

6.5.17 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

6.5.18 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 2 days.

6.5.19 As a matter of standing practice, the fortnightly report on exposure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 14th day of the following period.

6.5.20 All requests relating to exposure must be acknowledged within 3 working days and resolved within 22 working days.

Section 6.6 - Agricultural Lending

6.6.1 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 34% by a person not involved in the original approval.

6.6.2 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

6.6.3 The Bank shall maintain a reporting buffer of not less than 14% and the buffer shall be tested quarterly by the Operations Head.

6.6.4 For the avoidance of doubt, penal charges, where applicable to exposure, shall not exceed 2.7% per annum and shall be disclosed in the schedule of charges.

6.6.5 As a matter of standing practice, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

6.6.6 Subject to the provisions of this chapter, exceptions to the monitoring norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

6.6.7 the Branch Manager shall review the exception register within 14 working days of receipt and record the outcome in the Case Management Portal.

6.6.8 As a matter of standing practice, the Bank shall maintain a tenor buffer of not less than 66% and the buffer shall be tested weekly by the Chief Risk Officer.

6.6.9 For the avoidance of doubt, penal charges, where applicable to documentation, shall not exceed 3.8% per annum and shall be disclosed in the schedule of charges.

6.6.10 For the avoidance of doubt, for tenor proposals above Rs. 212 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

6.6.11 Unless otherwise directed by the Board, the annually report on escalation shall be submitted by the Risk Manager to the competent authority no later than the 5th day of the following period.

6.6.12 In line with the Bank's risk appetite, penal charges, where applicable to review, shall not exceed 3.8% per annum and shall be disclosed in the schedule of charges.

6.6.13 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 87% by a person not involved in the original review.

6.6.14 Exceptions to the reporting norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

6.6.15 Any deviation from this clause must be documented on Checklist 23, countersigned by the Risk Manager, and reported weekly.

6.6.16 Unless otherwise directed by the Board, the Risk Manager shall review the transaction log within 5 working days of receipt and record the outcome in the Document Management System.

6.6.17 For the avoidance of doubt, exceptions to the documentation norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

6.6.18 All requests relating to disclosure must be acknowledged within 14 working days and resolved within 46 working days.

6.6.19 The Bank shall maintain a limit buffer of not less than 85% and the buffer shall be tested monthly by the Regional Head.

6.6.20 Exceptions to the exposure norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

Section 6.7 - Agricultural Lending

6.7.1 In line with the Bank's risk appetite, records of disclosure decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 15 days.

6.7.2 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 16 days.

6.7.3 Exceptions to the tenor norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

6.7.4 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

6.7.5 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 29% by a person not involved in the original pricing.

6.7.6 Penal charges, where applicable to monitoring, shall not exceed 6.8% per annum and shall be disclosed in the schedule of charges.

6.7.7 Subject to the provisions of this chapter, the weekly report on escalation shall be submitted by the Customer Service Head to the competent authority no later than the 3th day of the following period.

6.7.8 For the avoidance of doubt, the Audit Committee shall review the account profile within 9 working days of receipt and record the outcome in the Risk Registry.

6.7.9 The fortnightly report on approval shall be submitted by the Credit Officer to the competent authority no later than the 18th day of the following period.

6.7.10 Subject to the provisions of this chapter, records of monitoring decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 3 days.

6.7.11 the Legal Department shall review the approval note within 8 working days of receipt and record the outcome in the Case Management Portal.

6.7.12 Staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

6.7.13 In line with the Bank's risk appetite, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.7.14 Subject to the provisions of this chapter, penal charges, where applicable to exposure, shall not exceed 2.8% per annum and shall be disclosed in the schedule of charges.

6.7.15 All requests relating to review must be acknowledged within 3 working days and resolved within 51 working days.

6.7.16 Unless otherwise directed by the Board, the fortnightly report on review shall be submitted by the Chief Risk Officer to the competent authority no later than the 3th day of the following period.

6.7.17 The monthly report on pricing shall be submitted by the Credit Officer to the competent authority no later than the 11th day of the following period.

6.7.18 Quality assurance on reporting files shall be performed fortnightly; files scoring below 20% shall be returned to the originating unit.

6.7.19 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

Section 6.8 - Agricultural Lending

6.8.1 the Relationship Manager shall review the transaction log within 14 working days of receipt and record the outcome in the Risk Registry.

6.8.2 In line with the Bank's risk appetite, penal charges, where applicable to review, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

6.8.3 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

6.8.4 For the avoidance of doubt, quality assurance on reconciliation files shall be performed fortnightly; files scoring below 65% shall be returned to the originating unit.

6.8.5 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.8.6 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.8.7 For the avoidance of doubt, quality assurance on disclosure files shall be performed weekly; files scoring below 51% shall be returned to the originating unit.

6.8.8 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

6.8.9 Subject to the provisions of this chapter, for pricing proposals above Rs. 323 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

6.8.10 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.8.11 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

6.8.12 As a matter of standing practice, any deviation from this clause must be documented on Schedule 26, countersigned by the Audit Committee, and reported half-yearly.

6.8.13 Unless otherwise directed by the Board, quality assurance on limit files shall be performed monthly; files scoring below 43% shall be returned to the originating unit.

6.8.14 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.8.15 Unless otherwise directed by the Board, all requests relating to reconciliation must be acknowledged within 15 working days and resolved within 46 working days.

6.8.16 As a matter of standing practice, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

6.8.17 Independent verification of the valuation certificate shall be carried out on a sample basis of 28% by a person not involved in the original pricing.

6.8.18 For the avoidance of doubt, quality assurance on pricing files shall be performed quarterly; files scoring below 21% shall be returned to the originating unit.

6.8.19 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 77% by a person not involved in the original documentation.

6.8.20 As a matter of standing practice, for monitoring proposals above Rs. 514 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

Section 6.9 - Agricultural Lending

6.9.1 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed weekly; files scoring below 36% shall be returned to the originating unit.

6.9.2 For the avoidance of doubt, the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

6.9.3 Any deviation from this clause must be documented on Annexure 16, countersigned by the Credit Officer, and reported monthly.

6.9.4 The Bank shall maintain a reconciliation buffer of not less than 38% and the buffer shall be tested monthly by the Chief Risk Officer.

6.9.5 In line with the Bank's risk appetite, penal charges, where applicable to limit, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

6.9.6 In line with the Bank's risk appetite, all requests relating to reconciliation must be acknowledged within 12 working days and resolved within 48 working days.

6.9.7 Records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 16 days.

6.9.8 For documentation proposals above Rs. 424 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

6.9.9 Unless otherwise directed by the Board, all requests relating to limit must be acknowledged within 12 working days and resolved within 35 working days.

6.9.10 Subject to the provisions of this chapter, all requests relating to reporting must be acknowledged within 4 working days and resolved within 31 working days.

6.9.11 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

6.9.12 For the avoidance of doubt, the exception register shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

6.9.13 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

6.9.14 the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

6.9.15 Staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

6.9.16 For the avoidance of doubt, the Audit Committee shall review the reconciliation statement within 5 working days of receipt and record the outcome in the Document Management System.

6.9.17 the Regional Head shall review the reconciliation statement within 5 working days of receipt and record the outcome in the Treasury Platform.

6.9.18 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

6.9.19 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

6.9.20 Penal charges, where applicable to disclosure, shall not exceed 5.9% per annum and shall be disclosed in the schedule of charges.

Section 6.10 - Agricultural Lending

6.10.1 In line with the Bank's risk appetite, all requests relating to disclosure must be acknowledged within 5 working days and resolved within 27 working days.

6.10.2 Subject to the provisions of this chapter, the Operations Head shall review the customer dossier within 7 working days of receipt and record the outcome in the Document Management System.

6.10.3 Quality assurance on reporting files shall be performed half-yearly; files scoring below 40% shall be returned to the originating unit.

6.10.4 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.10.5 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 12% and the buffer shall be tested daily by the Head of Treasury.

6.10.6 Subject to the provisions of this chapter, the Branch Manager shall review the exposure record within 15 working days of receipt and record the outcome in the Loan Origination System.

6.10.7 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 53, countersigned by the Compliance Officer, and reported monthly.

6.10.8 Independent verification of the approval note shall be carried out on a sample basis of 69% by a person not involved in the original pricing.

6.10.9 Unless otherwise directed by the Board, all requests relating to reporting must be acknowledged within 4 working days and resolved within 27 working days.

6.10.10 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 62% by a person not involved in the original reconciliation.

6.10.11 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

6.10.12 In line with the Bank's risk appetite, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

6.10.13 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 20, countersigned by the Compliance Officer, and reported weekly.

6.10.14 Unless otherwise directed by the Board, penal charges, where applicable to escalation, shall not exceed 4.4% per annum and shall be disclosed in the schedule of charges.

6.10.15 the application file shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

6.10.16 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

6.10.17 In line with the Bank's risk appetite, the half-yearly report on reconciliation shall be submitted by the Branch Manager to the competent authority no later than the 27th day of the following period.

6.10.18 All requests relating to pricing must be acknowledged within 16 working days and resolved within 46 working days.

6.10.19 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

6.10.20 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 79% and the buffer shall be tested weekly by the Relationship Manager.

Section 6.11 - Agricultural Lending

6.11.1 Staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

6.11.2 As a matter of standing practice, the Operations Head shall review the valuation certificate within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

6.11.3 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

6.11.4 Any deviation from this clause must be documented on Annexure 23, countersigned by the Board Risk Committee, and reported daily.

6.11.5 Penal charges, where applicable to approval, shall not exceed 2.6% per annum and shall be disclosed in the schedule of charges.

6.11.6 the Chief Information Security Officer shall review the application file within 3 working days of receipt and record the outcome in the Core Banking System.

6.11.7 The fortnightly report on tenor shall be submitted by the Legal Department to the competent authority no later than the 18th day of the following period.

6.11.8 In line with the Bank's risk appetite, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

6.11.9 Records of documentation decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 14 days.

6.11.10 Quality assurance on reconciliation files shall be performed half-yearly; files scoring below 15% shall be returned to the originating unit.

6.11.11 The daily report on pricing shall be submitted by the Operations Head to the competent authority no later than the 19th day of the following period.

6.11.12 Independent verification of the exception register shall be carried out on a sample basis of 22% by a person not involved in the original exposure.

6.11.13 Penal charges, where applicable to exposure, shall not exceed 4.2% per annum and shall be disclosed in the schedule of charges.

6.11.14 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.11.15 As a matter of standing practice, the exposure record shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

6.11.16 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 25% and the buffer shall be tested daily by the Relationship Manager.

6.11.17 Independent verification of the exposure record shall be carried out on a sample basis of 28% by a person not involved in the original review.

6.11.18 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.11.19 As a matter of standing practice, the Branch Manager shall review the account profile within 10 working days of receipt and record the outcome in the Risk Registry.

6.11.20 The daily report on review shall be submitted by the Legal Department to the competent authority no later than the 21th day of the following period.

Section 6.12 - Agricultural Lending

6.12.1 As a matter of standing practice, for limit proposals above Rs. 470 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

6.12.2 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 47, countersigned by the Credit Officer, and reported annually.

6.12.3 Any deviation from this clause must be documented on Schedule 5, countersigned by the Audit Committee, and reported daily.

6.12.4 The Bank shall maintain a tenor buffer of not less than 80% and the buffer shall be tested monthly by the Customer Service Head.

6.12.5 Subject to the provisions of this chapter, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

6.12.6 For the avoidance of doubt, records of reporting decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 10 days.

6.12.7 In line with the Bank's risk appetite, the approval note shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

6.12.8 As a matter of standing practice, quality assurance on review files shall be performed annually; files scoring below 90% shall be returned to the originating unit.

6.12.9 In line with the Bank's risk appetite, the weekly report on documentation shall be submitted by the Audit Committee to the competent authority no later than the 10th day of the following period.

6.12.10 Independent verification of the valuation certificate shall be carried out on a sample basis of 6% by a person not involved in the original monitoring.

6.12.11 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 48% by a person not involved in the original monitoring.

6.12.12 the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

6.12.13 For the avoidance of doubt, the Branch Manager shall review the valuation certificate within 12 working days of receipt and record the outcome in the Core Banking System.

6.12.14 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.12.15 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 44, countersigned by the Compliance Officer, and reported half-yearly.

6.12.16 The half-yearly report on approval shall be submitted by the Customer Service Head to the competent authority no later than the 22th day of the following period.

6.12.17 All requests relating to monitoring must be acknowledged within 10 working days and resolved within 34 working days.

6.12.18 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 10 days.

6.12.19 The fortnightly report on disclosure shall be submitted by the Audit Committee to the competent authority no later than the 15th day of the following period.

6.12.20 As a matter of standing practice, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 6.13 - Agricultural Lending

6.13.1 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

6.13.2 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 11 days.

6.13.3 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 19% by a person not involved in the original reporting.

6.13.4 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 85% by a person not involved in the original reconciliation.

6.13.5 In line with the Bank's risk appetite, exceptions to the monitoring norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

6.13.6 Records of approval decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 16 days.

6.13.7 Penal charges, where applicable to escalation, shall not exceed 3.7% per annum and shall be disclosed in the schedule of charges.

6.13.8 Subject to the provisions of this chapter, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

6.13.9 Unless otherwise directed by the Board, the Legal Department shall review the valuation certificate within 7 working days of receipt and record the outcome in the Treasury Platform.

6.13.10 Quality assurance on documentation files shall be performed fortnightly; files scoring below 80% shall be returned to the originating unit.

6.13.11 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 25% and the buffer shall be tested fortnightly by the Audit Committee.

6.13.12 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 47% by a person not involved in the original tenor.

6.13.13 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

6.13.14 In line with the Bank's risk appetite, the monthly report on review shall be submitted by the Operations Head to the competent authority no later than the 23th day of the following period.

6.13.15 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed weekly; files scoring below 52% shall be returned to the originating unit.

6.13.16 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

6.13.17 Subject to the provisions of this chapter, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

6.13.18 For the avoidance of doubt, exceptions to the tenor norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

6.13.19 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

6.13.20 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

Section 6.14 - Agricultural Lending

6.14.1 Penal charges, where applicable to tenor, shall not exceed 6.7% per annum and shall be disclosed in the schedule of charges.

6.14.2 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

6.14.3 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.14.4 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 31, countersigned by the Audit Committee, and reported daily.

6.14.5 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed monthly; files scoring below 32% shall be returned to the originating unit.

6.14.6 For the avoidance of doubt, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

6.14.7 Subject to the provisions of this chapter, penal charges, where applicable to escalation, shall not exceed 2.9% per annum and shall be disclosed in the schedule of charges.

6.14.8 the Branch Manager shall review the exposure record within 5 working days of receipt and record the outcome in the Customer Relationship Platform.

6.14.9 As a matter of standing practice, records of review decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 10 days.

6.14.10 For the avoidance of doubt, the Head of Treasury shall review the valuation certificate within 12 working days of receipt and record the outcome in the Core Banking System.

6.14.11 All requests relating to pricing must be acknowledged within 15 working days and resolved within 36 working days.

6.14.12 All requests relating to approval must be acknowledged within 2 working days and resolved within 24 working days.

6.14.13 For the avoidance of doubt, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

6.14.14 Subject to the provisions of this chapter, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

6.14.15 Any deviation from this clause must be documented on Template 47, countersigned by the Operations Head, and reported half-yearly.

6.14.16 As a matter of standing practice, records of limit decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 8 days.

6.14.17 The Bank shall maintain a approval buffer of not less than 82% and the buffer shall be tested weekly by the Regional Head.

6.14.18 Subject to the provisions of this chapter, exceptions to the pricing norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

6.14.19 For the avoidance of doubt, penal charges, where applicable to exposure, shall not exceed 6.9% per annum and shall be disclosed in the schedule of charges.

Section 6.15 - Agricultural Lending

6.15.1 The annually report on reconciliation shall be submitted by the Board Risk Committee to the competent authority no later than the 11th day of the following period.

6.15.2 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

6.15.3 Subject to the provisions of this chapter, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

6.15.4 The weekly report on exposure shall be submitted by the Chief Risk Officer to the competent authority no later than the 24th day of the following period.

6.15.5 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 80% by a person not involved in the original exposure.

6.15.6 The Bank shall maintain a limit buffer of not less than 62% and the buffer shall be tested fortnightly by the Credit Officer.

6.15.7 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 3 days.

6.15.8 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

6.15.9 In line with the Bank's risk appetite, the fortnightly report on tenor shall be submitted by the Zonal Credit Committee to the competent authority no later than the 19th day of the following period.

6.15.10 As a matter of standing practice, the Legal Department shall review the review report within 4 working days of receipt and record the outcome in the Audit Workflow Tool.

6.15.11 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 17, countersigned by the Zonal Credit Committee, and reported fortnightly.

6.15.12 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

6.15.13 Subject to the provisions of this chapter, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

6.15.14 As a matter of standing practice, the quarterly report on reconciliation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 23th day of the following period.

6.15.15 In line with the Bank's risk appetite, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

6.15.16 Independent verification of the customer dossier shall be carried out on a sample basis of 28% by a person not involved in the original limit.

6.15.17 Penal charges, where applicable to pricing, shall not exceed 3.9% per annum and shall be disclosed in the schedule of charges.

6.15.18 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

6.15.19 As a matter of standing practice, any deviation from this clause must be documented on Template 41, countersigned by the Regional Head, and reported annually.

Section 6.16 - Agricultural Lending

6.16.1 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

6.16.2 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

6.16.3 For reporting proposals above Rs. 587 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

6.16.4 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

6.16.5 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

6.16.6 Subject to the provisions of this chapter, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

6.16.7 Unless otherwise directed by the Board, for tenor proposals above Rs. 481 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

6.16.8 In line with the Bank's risk appetite, penal charges, where applicable to documentation, shall not exceed 5.2% per annum and shall be disclosed in the schedule of charges.

6.16.9 Subject to the provisions of this chapter, the daily report on exposure shall be submitted by the Branch Manager to the competent authority no later than the 17th day of the following period.

6.16.10 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

6.16.11 As a matter of standing practice, the approval note shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

6.16.12 Unless otherwise directed by the Board, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

6.16.13 In line with the Bank's risk appetite, the review report shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

6.16.14 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 36% by a person not involved in the original documentation.

6.16.15 Unless otherwise directed by the Board, for reporting proposals above Rs. 100 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

6.16.16 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 62% by a person not involved in the original documentation.

6.16.17 Subject to the provisions of this chapter, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.16.18 As a matter of standing practice, the Bank shall maintain a disclosure buffer of not less than 40% and the buffer shall be tested annually by the Compliance Officer.

6.16.19 For the avoidance of doubt, all requests relating to limit must be acknowledged within 5 working days and resolved within 49 working days.

6.16.20 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

Section 6.17 - Agricultural Lending

6.17.1 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 20% by a person not involved in the original review.

6.17.2 For the avoidance of doubt, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

6.17.3 For reconciliation proposals above Rs. 515 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

6.17.4 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

6.17.5 As a matter of standing practice, all requests relating to exposure must be acknowledged within 4 working days and resolved within 31 working days.

6.17.6 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.17.7 For the avoidance of doubt, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

6.17.8 Unless otherwise directed by the Board, the annually report on pricing shall be submitted by the Customer Service Head to the competent authority no later than the 11th day of the following period.

6.17.9 the Branch Manager shall review the transaction log within 3 working days of receipt and record the outcome in the Document Management System.

6.17.10 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

6.17.11 As a matter of standing practice, any deviation from this clause must be documented on Form 58, countersigned by the Chief Information Security Officer, and reported fortnightly.

6.17.12 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

6.17.13 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 5% by a person not involved in the original tenor.

6.17.14 Subject to the provisions of this chapter, quality assurance on approval files shall be performed monthly; files scoring below 77% shall be returned to the originating unit.

6.17.15 For the avoidance of doubt, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

6.17.16 The Bank shall maintain a approval buffer of not less than 75% and the buffer shall be tested weekly by the Customer Service Head.

6.17.17 All requests relating to documentation must be acknowledged within 8 working days and resolved within 49 working days.

6.17.18 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.17.19 Records of reporting decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 10 days.

6.17.20 Quality assurance on review files shall be performed weekly; files scoring below 86% shall be returned to the originating unit.

Section 6.18 - Agricultural Lending

6.18.1 As a matter of standing practice, for tenor proposals above Rs. 139 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

6.18.2 As a matter of standing practice, penal charges, where applicable to review, shall not exceed 3.3% per annum and shall be disclosed in the schedule of charges.

6.18.3 For the avoidance of doubt, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

6.18.4 For the avoidance of doubt, the Bank shall maintain a limit buffer of not less than 48% and the buffer shall be tested monthly by the Branch Manager.

6.18.5 Exceptions to the limit norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

6.18.6 The Bank shall maintain a approval buffer of not less than 21% and the buffer shall be tested half-yearly by the Credit Officer.

6.18.7 The Bank shall maintain a exposure buffer of not less than 38% and the buffer shall be tested annually by the Zonal Credit Committee.

6.18.8 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.18.9 Independent verification of the exposure record shall be carried out on a sample basis of 95% by a person not involved in the original tenor.

6.18.10 As a matter of standing practice, the daily report on review shall be submitted by the Chief Information Security Officer to the competent authority no later than the 20th day of the following period.

6.18.11 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 10% and the buffer shall be tested weekly by the Customer Service Head.

6.18.12 Unless otherwise directed by the Board, quality assurance on reporting files shall be performed quarterly; files scoring below 37% shall be returned to the originating unit.

6.18.13 For the avoidance of doubt, the weekly report on reconciliation shall be submitted by the Head of Treasury to the competent authority no later than the 13th day of the following period.

6.18.14 Subject to the provisions of this chapter, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.18.15 As a matter of standing practice, the review report shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

6.18.16 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

6.18.17 For exposure proposals above Rs. 370 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

6.18.18 Unless otherwise directed by the Board, for reporting proposals above Rs. 553 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

6.18.19 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 10% by a person not involved in the original approval.

Section 6.19 - Agricultural Lending

6.19.1 In line with the Bank's risk appetite, the monthly report on reporting shall be submitted by the Chief Risk Officer to the competent authority no later than the 4th day of the following period.

6.19.2 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

6.19.3 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed half-yearly; files scoring below 36% shall be returned to the originating unit.

6.19.4 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.19.5 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

6.19.6 Subject to the provisions of this chapter, the Audit Committee shall review the exposure record within 15 working days of receipt and record the outcome in the Treasury Platform.

6.19.7 As a matter of standing practice, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

6.19.8 Unless otherwise directed by the Board, penal charges, where applicable to documentation, shall not exceed 1.3% per annum and shall be disclosed in the schedule of charges.

6.19.9 Subject to the provisions of this chapter, exceptions to the escalation norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

6.19.10 Quality assurance on limit files shall be performed annually; files scoring below 90% shall be returned to the originating unit.

6.19.11 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 12% and the buffer shall be tested half-yearly by the Legal Department.

6.19.12 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 85% and the buffer shall be tested annually by the Board Risk Committee.

6.19.13 In line with the Bank's risk appetite, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

6.19.14 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

6.19.15 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 65% and the buffer shall be tested half-yearly by the Regional Head.

6.19.16 Subject to the provisions of this chapter, the account profile shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

6.19.17 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 92% and the buffer shall be tested half-yearly by the Relationship Manager.

6.19.18 In line with the Bank's risk appetite, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

6.19.19 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 13, countersigned by the Relationship Manager, and reported weekly.

6.19.20 Quality assurance on reporting files shall be performed monthly; files scoring below 9% shall be returned to the originating unit.

Section 6.20 - Agricultural Lending

6.20.1 Quality assurance on tenor files shall be performed daily; files scoring below 29% shall be returned to the originating unit.

6.20.2 In line with the Bank's risk appetite, the quarterly report on escalation shall be submitted by the Head of Treasury to the competent authority no later than the 3th day of the following period.

6.20.3 As a matter of standing practice, records of reporting decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 9 days.

6.20.4 Penal charges, where applicable to review, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

6.20.5 the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

6.20.6 Unless otherwise directed by the Board, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.20.7 All requests relating to pricing must be acknowledged within 14 working days and resolved within 51 working days.

6.20.8 The Bank shall maintain a review buffer of not less than 7% and the buffer shall be tested daily by the Compliance Officer.

6.20.9 All requests relating to reporting must be acknowledged within 10 working days and resolved within 43 working days.

6.20.10 For the avoidance of doubt, for reporting proposals above Rs. 396 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

6.20.11 In line with the Bank's risk appetite, penal charges, where applicable to exposure, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

6.20.12 Staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

6.20.13 In line with the Bank's risk appetite, penal charges, where applicable to disclosure, shall not exceed 2.8% per annum and shall be disclosed in the schedule of charges.

6.20.14 In line with the Bank's risk appetite, exceptions to the tenor norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

6.20.15 In line with the Bank's risk appetite, exceptions to the tenor norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

6.20.16 For the avoidance of doubt, penal charges, where applicable to documentation, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

6.20.17 the Regional Head shall review the customer dossier within 11 working days of receipt and record the outcome in the Loan Origination System.

6.20.18 the Operations Head shall review the exception register within 9 working days of receipt and record the outcome in the Treasury Platform.

6.20.19 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 77% and the buffer shall be tested quarterly by the Regional Head.

6.20.20 Subject to the provisions of this chapter, for approval proposals above Rs. 404 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

Section 6.21 - Agricultural Lending

6.21.1 For the avoidance of doubt, quality assurance on tenor files shall be performed monthly; files scoring below 59% shall be returned to the originating unit.

6.21.2 The Bank shall maintain a monitoring buffer of not less than 54% and the buffer shall be tested half-yearly by the Relationship Manager.

6.21.3 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

6.21.4 Subject to the provisions of this chapter, penal charges, where applicable to disclosure, shall not exceed 6.2% per annum and shall be disclosed in the schedule of charges.

6.21.5 As a matter of standing practice, the application file shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

6.21.6 Unless otherwise directed by the Board, all requests relating to disclosure must be acknowledged within 2 working days and resolved within 27 working days.

6.21.7 Exceptions to the disclosure norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

6.21.8 Quality assurance on monitoring files shall be performed weekly; files scoring below 81% shall be returned to the originating unit.

6.21.9 In line with the Bank's risk appetite, the Operations Head shall review the reconciliation statement within 14 working days of receipt and record the outcome in the Risk Registry.

6.21.10 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

6.21.11 Quality assurance on pricing files shall be performed weekly; files scoring below 92% shall be returned to the originating unit.

6.21.12 For the avoidance of doubt, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

6.21.13 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

6.21.14 Unless otherwise directed by the Board, the Risk Manager shall review the exposure record within 15 working days of receipt and record the outcome in the Loan Origination System.

6.21.15 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

6.21.16 Subject to the provisions of this chapter, all requests relating to pricing must be acknowledged within 11 working days and resolved within 23 working days.

6.21.17 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

6.21.18 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.21.19 As a matter of standing practice, the half-yearly report on reconciliation shall be submitted by the Regional Head to the competent authority no later than the 27th day of the following period.

6.21.20 Any deviation from this clause must be documented on Schedule 17, countersigned by the Legal Department, and reported monthly.

Section 6.22 - Agricultural Lending

6.22.1 Unless otherwise directed by the Board, the monthly report on documentation shall be submitted by the Risk Manager to the competent authority no later than the 17th day of the following period.

6.22.2 Any deviation from this clause must be documented on Checklist 10, countersigned by the Regional Head, and reported annually.

6.22.3 For the avoidance of doubt, exceptions to the pricing norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

6.22.4 For the avoidance of doubt, for documentation proposals above Rs. 587 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

6.22.5 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

6.22.6 All requests relating to limit must be acknowledged within 9 working days and resolved within 27 working days.

6.22.7 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

6.22.8 Quality assurance on reconciliation files shall be performed quarterly; files scoring below 29% shall be returned to the originating unit.

6.22.9 Subject to the provisions of this chapter, for escalation proposals above Rs. 453 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

6.22.10 In line with the Bank's risk appetite, penal charges, where applicable to pricing, shall not exceed 2.9% per annum and shall be disclosed in the schedule of charges.

6.22.11 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 44, countersigned by the Audit Committee, and reported weekly.

6.22.12 Subject to the provisions of this chapter, the monthly report on disclosure shall be submitted by the Chief Risk Officer to the competent authority no later than the 9th day of the following period.

6.22.13 In line with the Bank's risk appetite, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.22.14 For the avoidance of doubt, for pricing proposals above Rs. 571 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

6.22.15 For the avoidance of doubt, exceptions to the escalation norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

6.22.16 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

6.22.17 Unless otherwise directed by the Board, the quarterly report on reconciliation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 9th day of the following period.

6.22.18 Unless otherwise directed by the Board, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

6.22.19 Subject to the provisions of this chapter, the Relationship Manager shall review the valuation certificate within 14 working days of receipt and record the outcome in the Document Management System.

Section 6.23 - Agricultural Lending

6.23.1 The monthly report on disclosure shall be submitted by the Chief Risk Officer to the competent authority no later than the 23th day of the following period.

6.23.2 As a matter of standing practice, the account profile shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

6.23.3 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

6.23.4 Staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

6.23.5 In line with the Bank's risk appetite, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.23.6 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 19% by a person not involved in the original limit.

6.23.7 Any deviation from this clause must be documented on Template 37, countersigned by the Compliance Officer, and reported daily.

6.23.8 Unless otherwise directed by the Board, penal charges, where applicable to limit, shall not exceed 4.4% per annum and shall be disclosed in the schedule of charges.

6.23.9 The daily report on approval shall be submitted by the Audit Committee to the competent authority no later than the 6th day of the following period.

6.23.10 For the avoidance of doubt, quality assurance on reporting files shall be performed daily; files scoring below 17% shall be returned to the originating unit.

6.23.11 For the avoidance of doubt, quality assurance on approval files shall be performed weekly; files scoring below 37% shall be returned to the originating unit.

6.23.12 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 69% and the buffer shall be tested annually by the Compliance Officer.

6.23.13 In line with the Bank's risk appetite, the daily report on reconciliation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 5th day of the following period.

6.23.14 For the avoidance of doubt, the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

6.23.15 As a matter of standing practice, for pricing proposals above Rs. 53 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

6.23.16 As a matter of standing practice, the Audit Committee shall review the account profile within 8 working days of receipt and record the outcome in the Document Management System.

6.23.17 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.23.18 Penal charges, where applicable to tenor, shall not exceed 2.2% per annum and shall be disclosed in the schedule of charges.

6.23.19 Unless otherwise directed by the Board, the Legal Department shall review the account profile within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

6.23.20 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

Section 6.24 - Agricultural Lending

6.24.1 As a matter of standing practice, exceptions to the pricing norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

6.24.2 For the avoidance of doubt, the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

6.24.3 Unless otherwise directed by the Board, records of review decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 11 days.

6.24.4 For the avoidance of doubt, exceptions to the reporting norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

6.24.5 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.24.6 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

6.24.7 As a matter of standing practice, the review report shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

6.24.8 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

6.24.9 For the avoidance of doubt, exceptions to the pricing norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

6.24.10 Unless otherwise directed by the Board, for escalation proposals above Rs. 245 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

6.24.11 For the avoidance of doubt, all requests relating to documentation must be acknowledged within 11 working days and resolved within 27 working days.

6.24.12 Quality assurance on review files shall be performed half-yearly; files scoring below 24% shall be returned to the originating unit.

6.24.13 Exceptions to the limit norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

6.24.14 Subject to the provisions of this chapter, the half-yearly report on review shall be submitted by the Chief Risk Officer to the competent authority no later than the 4th day of the following period.

6.24.15 the Compliance Officer shall review the account profile within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

6.24.16 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

6.24.17 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

6.24.18 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed annually; files scoring below 14% shall be returned to the originating unit.

6.24.19 Subject to the provisions of this chapter, exceptions to the pricing norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

6.24.20 As a matter of standing practice, the Operations Head shall review the account profile within 15 working days of receipt and record the outcome in the Case Management Portal.

Section 6.25 - Agricultural Lending

6.25.1 As a matter of standing practice, quality assurance on approval files shall be performed fortnightly; files scoring below 30% shall be returned to the originating unit.

6.25.2 Unless otherwise directed by the Board, penal charges, where applicable to limit, shall not exceed 4.4% per annum and shall be disclosed in the schedule of charges.

6.25.3 Unless otherwise directed by the Board, independent verification of the exposure record shall be carried out on a sample basis of 27% by a person not involved in the original escalation.

6.25.4 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.25.5 the Audit Committee shall review the application file within 8 working days of receipt and record the outcome in the Audit Workflow Tool.

6.25.6 Subject to the provisions of this chapter, exceptions to the tenor norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

6.25.7 For tenor proposals above Rs. 335 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

6.25.8 As a matter of standing practice, all requests relating to approval must be acknowledged within 8 working days and resolved within 30 working days.

6.25.9 In line with the Bank's risk appetite, quality assurance on review files shall be performed quarterly; files scoring below 34% shall be returned to the originating unit.

6.25.10 Unless otherwise directed by the Board, quality assurance on pricing files shall be performed annually; files scoring below 50% shall be returned to the originating unit.

6.25.11 For the avoidance of doubt, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.25.12 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 71% by a person not involved in the original disclosure.

6.25.13 For the avoidance of doubt, exceptions to the pricing norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

6.25.14 As a matter of standing practice, quality assurance on reconciliation files shall be performed quarterly; files scoring below 66% shall be returned to the originating unit.

6.25.15 As a matter of standing practice, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

6.25.16 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

6.25.17 For the avoidance of doubt, quality assurance on monitoring files shall be performed monthly; files scoring below 83% shall be returned to the originating unit.

6.25.18 Subject to the provisions of this chapter, penal charges, where applicable to monitoring, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

6.25.19 Exceptions to the pricing norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

6.25.20 The Bank shall maintain a escalation buffer of not less than 94% and the buffer shall be tested fortnightly by the Credit Officer.

Section 6.26 - Agricultural Lending

6.26.1 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 9% by a person not involved in the original reconciliation.

6.26.2 As a matter of standing practice, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

6.26.3 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

6.26.4 For disclosure proposals above Rs. 234 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

6.26.5 Penal charges, where applicable to pricing, shall not exceed 2.8% per annum and shall be disclosed in the schedule of charges.

6.26.6 In line with the Bank's risk appetite, the Bank shall maintain a monitoring buffer of not less than 37% and the buffer shall be tested weekly by the Chief Information Security Officer.

6.26.7 For the avoidance of doubt, quality assurance on monitoring files shall be performed weekly; files scoring below 52% shall be returned to the originating unit.

6.26.8 Records of documentation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 2 days.

6.26.9 Penal charges, where applicable to reconciliation, shall not exceed 3.2% per annum and shall be disclosed in the schedule of charges.

6.26.10 Exceptions to the reconciliation norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

6.26.11 Subject to the provisions of this chapter, all requests relating to tenor must be acknowledged within 8 working days and resolved within 18 working days.

6.26.12 The Bank shall maintain a reconciliation buffer of not less than 22% and the buffer shall be tested quarterly by the Risk Manager.

6.26.13 Unless otherwise directed by the Board, quality assurance on approval files shall be performed annually; files scoring below 79% shall be returned to the originating unit.

6.26.14 For the avoidance of doubt, the customer dossier shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

6.26.15 As a matter of standing practice, the Bank shall maintain a tenor buffer of not less than 33% and the buffer shall be tested fortnightly by the Customer Service Head.

6.26.16 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

6.26.17 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

6.26.18 The Bank shall maintain a review buffer of not less than 51% and the buffer shall be tested quarterly by the Head of Treasury.

6.26.19 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

Section 6.27 - Agricultural Lending

6.27.1 Unless otherwise directed by the Board, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.27.2 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 21% by a person not involved in the original limit.

6.27.3 Unless otherwise directed by the Board, the quarterly report on disclosure shall be submitted by the Board Risk Committee to the competent authority no later than the 19th day of the following period.

6.27.4 Independent verification of the transaction log shall be carried out on a sample basis of 83% by a person not involved in the original reporting.

6.27.5 In line with the Bank's risk appetite, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

6.27.6 the application file shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

6.27.7 In line with the Bank's risk appetite, the fortnightly report on escalation shall be submitted by the Audit Committee to the competent authority no later than the 27th day of the following period.

6.27.8 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

6.27.9 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.27.10 Unless otherwise directed by the Board, quality assurance on approval files shall be performed half-yearly; files scoring below 66% shall be returned to the originating unit.

6.27.11 As a matter of standing practice, exceptions to the limit norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

6.27.12 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 82% by a person not involved in the original reconciliation.

6.27.13 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 41% and the buffer shall be tested weekly by the Legal Department.

6.27.14 Quality assurance on monitoring files shall be performed daily; files scoring below 27% shall be returned to the originating unit.

6.27.15 Penal charges, where applicable to exposure, shall not exceed 1.7% per annum and shall be disclosed in the schedule of charges.

6.27.16 In line with the Bank's risk appetite, quality assurance on reconciliation files shall be performed daily; files scoring below 65% shall be returned to the originating unit.

6.27.17 For the avoidance of doubt, penal charges, where applicable to tenor, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

6.27.18 As a matter of standing practice, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

6.27.19 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

Section 6.28 - Agricultural Lending

6.28.1 Unless otherwise directed by the Board, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.28.2 All requests relating to pricing must be acknowledged within 11 working days and resolved within 50 working days.

6.28.3 Quality assurance on approval files shall be performed weekly; files scoring below 45% shall be returned to the originating unit.

6.28.4 Unless otherwise directed by the Board, penal charges, where applicable to pricing, shall not exceed 6.8% per annum and shall be disclosed in the schedule of charges.

6.28.5 As a matter of standing practice, exceptions to the monitoring norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

6.28.6 For the avoidance of doubt, the account profile shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

6.28.7 Subject to the provisions of this chapter, all requests relating to reconciliation must be acknowledged within 14 working days and resolved within 33 working days.

6.28.8 The Bank shall maintain a review buffer of not less than 53% and the buffer shall be tested monthly by the Branch Manager.

6.28.9 For the avoidance of doubt, exceptions to the escalation norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

6.28.10 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 61% by a person not involved in the original approval.

6.28.11 As a matter of standing practice, exceptions to the disclosure norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

6.28.12 As a matter of standing practice, for reconciliation proposals above Rs. 486 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

6.28.13 In line with the Bank's risk appetite, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

6.28.14 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

6.28.15 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 17, countersigned by the Compliance Officer, and reported annually.

6.28.16 The Bank shall maintain a documentation buffer of not less than 30% and the buffer shall be tested monthly by the Risk Manager.

6.28.17 The daily report on reconciliation shall be submitted by the Branch Manager to the competent authority no later than the 26th day of the following period.

6.28.18 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 95% by a person not involved in the original disclosure.

6.28.19 For the avoidance of doubt, exceptions to the review norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

6.28.20 As a matter of standing practice, all requests relating to exposure must be acknowledged within 3 working days and resolved within 29 working days.

Section 6.29 - Agricultural Lending

6.29.1 Subject to the provisions of this chapter, all requests relating to reconciliation must be acknowledged within 3 working days and resolved within 22 working days.

6.29.2 In line with the Bank's risk appetite, for reporting proposals above Rs. 354 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

6.29.3 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.29.4 Penal charges, where applicable to tenor, shall not exceed 6.4% per annum and shall be disclosed in the schedule of charges.

6.29.5 As a matter of standing practice, the Branch Manager shall review the transaction log within 10 working days of receipt and record the outcome in the Core Banking System.

6.29.6 Staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

6.29.7 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

6.29.8 The Bank shall maintain a pricing buffer of not less than 22% and the buffer shall be tested quarterly by the Zonal Credit Committee.

6.29.9 In line with the Bank's risk appetite, all requests relating to reporting must be acknowledged within 12 working days and resolved within 46 working days.

6.29.10 Records of pricing decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 2 days.

6.29.11 As a matter of standing practice, the reconciliation statement shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

6.29.12 The Bank shall maintain a pricing buffer of not less than 49% and the buffer shall be tested daily by the Relationship Manager.

6.29.13 For documentation proposals above Rs. 107 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

6.29.14 Independent verification of the application file shall be carried out on a sample basis of 9% by a person not involved in the original reporting.

6.29.15 As a matter of standing practice, penal charges, where applicable to reporting, shall not exceed 1.3% per annum and shall be disclosed in the schedule of charges.

6.29.16 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 17% and the buffer shall be tested daily by the Legal Department.

6.29.17 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 13% by a person not involved in the original reporting.

6.29.18 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed quarterly; files scoring below 93% shall be returned to the originating unit.

6.29.19 Subject to the provisions of this chapter, the quarterly report on approval shall be submitted by the Legal Department to the competent authority no later than the 17th day of the following period.

6.29.20 In line with the Bank's risk appetite, the weekly report on tenor shall be submitted by the Regional Head to the competent authority no later than the 6th day of the following period.

Section 6.30 - Agricultural Lending

6.30.1 Records of documentation decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 15 days.

6.30.2 For tenor proposals above Rs. 22 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

6.30.3 Penal charges, where applicable to exposure, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

6.30.4 In line with the Bank's risk appetite, the Bank shall maintain a monitoring buffer of not less than 52% and the buffer shall be tested half-yearly by the Compliance Officer.

6.30.5 In line with the Bank's risk appetite, quality assurance on tenor files shall be performed annually; files scoring below 13% shall be returned to the originating unit.

6.30.6 In line with the Bank's risk appetite, the weekly report on monitoring shall be submitted by the Compliance Officer to the competent authority no later than the 6th day of the following period.

6.30.7 Unless otherwise directed by the Board, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

6.30.8 As a matter of standing practice, all requests relating to pricing must be acknowledged within 8 working days and resolved within 31 working days.

6.30.9 In line with the Bank's risk appetite, the monthly report on documentation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 6th day of the following period.

6.30.10 As a matter of standing practice, the fortnightly report on approval shall be submitted by the Compliance Officer to the competent authority no later than the 20th day of the following period.

6.30.11 In line with the Bank's risk appetite, all requests relating to disclosure must be acknowledged within 9 working days and resolved within 50 working days.

6.30.12 Records of disclosure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 16 days.

6.30.13 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

6.30.14 For the avoidance of doubt, all requests relating to review must be acknowledged within 4 working days and resolved within 50 working days.

6.30.15 For the avoidance of doubt, penal charges, where applicable to tenor, shall not exceed 3.2% per annum and shall be disclosed in the schedule of charges.

6.30.16 Unless otherwise directed by the Board, the daily report on approval shall be submitted by the Credit Officer to the competent authority no later than the 25th day of the following period.

6.30.17 Subject to the provisions of this chapter, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

6.30.18 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

6.30.19 In line with the Bank's risk appetite, all requests relating to reconciliation must be acknowledged within 12 working days and resolved within 25 working days.

Section 6.31 - Agricultural Lending

6.31.1 Unless otherwise directed by the Board, records of reporting decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 12 days.

6.31.2 Unless otherwise directed by the Board, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.31.3 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 12 days.

6.31.4 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

6.31.5 Subject to the provisions of this chapter, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.31.6 Subject to the provisions of this chapter, all requests relating to review must be acknowledged within 4 working days and resolved within 41 working days.

6.31.7 Exceptions to the reporting norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

6.31.8 Subject to the provisions of this chapter, all requests relating to pricing must be acknowledged within 5 working days and resolved within 18 working days.

6.31.9 Any deviation from this clause must be documented on Annexure 23, countersigned by the Chief Information Security Officer, and reported weekly.

6.31.10 As a matter of standing practice, the fortnightly report on exposure shall be submitted by the Regional Head to the competent authority no later than the 21th day of the following period.

6.31.11 In line with the Bank's risk appetite, penal charges, where applicable to pricing, shall not exceed 5.4% per annum and shall be disclosed in the schedule of charges.

6.31.12 Unless otherwise directed by the Board, penal charges, where applicable to reporting, shall not exceed 2.8% per annum and shall be disclosed in the schedule of charges.

6.31.13 For the avoidance of doubt, quality assurance on disclosure files shall be performed annually; files scoring below 11% shall be returned to the originating unit.

6.31.14 For the avoidance of doubt, the quarterly report on monitoring shall be submitted by the Operations Head to the competent authority no later than the 8th day of the following period.

6.31.15 In line with the Bank's risk appetite, quality assurance on limit files shall be performed daily; files scoring below 54% shall be returned to the originating unit.

6.31.16 All requests relating to tenor must be acknowledged within 10 working days and resolved within 29 working days.

6.31.17 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 40, countersigned by the Legal Department, and reported fortnightly.

6.31.18 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 84% by a person not involved in the original limit.

6.31.19 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 6.32 - Agricultural Lending

6.32.1 For the avoidance of doubt, the weekly report on tenor shall be submitted by the Chief Risk Officer to the competent authority no later than the 26th day of the following period.

6.32.2 the Compliance Officer shall review the reconciliation statement within 2 working days of receipt and record the outcome in the Case Management Portal.

6.32.3 the Regional Head shall review the review report within 4 working days of receipt and record the outcome in the Risk Registry.

6.32.4 Penal charges, where applicable to escalation, shall not exceed 4.4% per annum and shall be disclosed in the schedule of charges.

6.32.5 The monthly report on limit shall be submitted by the Operations Head to the competent authority no later than the 15th day of the following period.

6.32.6 Records of tenor decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 14 days.

6.32.7 For approval proposals above Rs. 473 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

6.32.8 Subject to the provisions of this chapter, penal charges, where applicable to review, shall not exceed 4.0% per annum and shall be disclosed in the schedule of charges.

6.32.9 The Bank shall maintain a tenor buffer of not less than 75% and the buffer shall be tested half-yearly by the Board Risk Committee.

6.32.10 In line with the Bank's risk appetite, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

6.32.11 For the avoidance of doubt, the review report shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

6.32.12 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 16 days.

6.32.13 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 9 days.

6.32.14 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed daily; files scoring below 23% shall be returned to the originating unit.

6.32.15 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

6.32.16 the transaction log shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

6.32.17 the review report shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

6.32.18 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 85% by a person not involved in the original disclosure.

6.32.19 As a matter of standing practice, records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 14 days.

6.32.20 Subject to the provisions of this chapter, for disclosure proposals above Rs. 109 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

Section 6.33 - Agricultural Lending

6.33.1 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 54% and the buffer shall be tested fortnightly by the Credit Officer.

6.33.2 Unless otherwise directed by the Board, penal charges, where applicable to exposure, shall not exceed 6.2% per annum and shall be disclosed in the schedule of charges.

6.33.3 Penal charges, where applicable to tenor, shall not exceed 1.8% per annum and shall be disclosed in the schedule of charges.

6.33.4 In line with the Bank's risk appetite, for monitoring proposals above Rs. 509 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

6.33.5 Unless otherwise directed by the Board, records of reporting decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 5 days.

6.33.6 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

6.33.7 the exception register shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

6.33.8 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 47% by a person not involved in the original review.

6.33.9 Independent verification of the exposure record shall be carried out on a sample basis of 84% by a person not involved in the original tenor.

6.33.10 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 37% by a person not involved in the original documentation.

6.33.11 Unless otherwise directed by the Board, penal charges, where applicable to approval, shall not exceed 6.0% per annum and shall be disclosed in the schedule of charges.

6.33.12 Unless otherwise directed by the Board, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

6.33.13 Subject to the provisions of this chapter, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

6.33.14 For the avoidance of doubt, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

6.33.15 For approval proposals above Rs. 186 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

6.33.16 Quality assurance on monitoring files shall be performed weekly; files scoring below 26% shall be returned to the originating unit.

6.33.17 Exceptions to the escalation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

6.33.18 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 75% by a person not involved in the original reporting.

6.33.19 Independent verification of the reconciliation statement shall be carried out on a sample basis of 45% by a person not involved in the original reconciliation.

Section 6.34 - Agricultural Lending

6.34.1 Records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 2 days.

6.34.2 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 14 days.

6.34.3 For approval proposals above Rs. 565 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

6.34.4 In line with the Bank's risk appetite, all requests relating to pricing must be acknowledged within 14 working days and resolved within 36 working days.

6.34.5 Subject to the provisions of this chapter, the monthly report on pricing shall be submitted by the Head of Treasury to the competent authority no later than the 9th day of the following period.

6.34.6 Subject to the provisions of this chapter, the Legal Department shall review the exception register within 11 working days of receipt and record the outcome in the Loan Origination System.

6.34.7 For the avoidance of doubt, for approval proposals above Rs. 239 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

6.34.8 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 28% by a person not involved in the original reporting.

6.34.9 Quality assurance on escalation files shall be performed annually; files scoring below 83% shall be returned to the originating unit.

6.34.10 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

6.34.11 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.34.12 Unless otherwise directed by the Board, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

6.34.13 Staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

6.34.14 All requests relating to disclosure must be acknowledged within 7 working days and resolved within 23 working days.

6.34.15 the Audit Committee shall review the review report within 2 working days of receipt and record the outcome in the Document Management System.

6.34.16 As a matter of standing practice, all requests relating to disclosure must be acknowledged within 15 working days and resolved within 27 working days.

6.34.17 Quality assurance on tenor files shall be performed half-yearly; files scoring below 43% shall be returned to the originating unit.

6.34.18 Subject to the provisions of this chapter, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

6.34.19 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

Section 6.35 - Agricultural Lending

6.35.1 For documentation proposals above Rs. 238 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

6.35.2 Penal charges, where applicable to review, shall not exceed 3.6% per annum and shall be disclosed in the schedule of charges.

6.35.3 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed quarterly; files scoring below 54% shall be returned to the originating unit.

6.35.4 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

6.35.5 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.35.6 The monthly report on disclosure shall be submitted by the Customer Service Head to the competent authority no later than the 8th day of the following period.

6.35.7 In line with the Bank's risk appetite, the Board Risk Committee shall review the exception register within 2 working days of receipt and record the outcome in the Loan Origination System.

6.35.8 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 45, countersigned by the Legal Department, and reported weekly.

6.35.9 As a matter of standing practice, exceptions to the documentation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

6.35.10 As a matter of standing practice, quality assurance on reconciliation files shall be performed fortnightly; files scoring below 7% shall be returned to the originating unit.

6.35.11 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 83% and the buffer shall be tested monthly by the Relationship Manager.

6.35.12 Unless otherwise directed by the Board, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.35.13 Quality assurance on escalation files shall be performed half-yearly; files scoring below 8% shall be returned to the originating unit.

6.35.14 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 67% by a person not involved in the original exposure.

6.35.15 As a matter of standing practice, records of review decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 2 days.

6.35.16 Unless otherwise directed by the Board, records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 12 days.

6.35.17 Subject to the provisions of this chapter, quality assurance on reconciliation files shall be performed daily; files scoring below 57% shall be returned to the originating unit.

6.35.18 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

6.35.19 As a matter of standing practice, the Chief Information Security Officer shall review the approval note within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

6.35.20 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 71% by a person not involved in the original documentation.

Section 6.36 - Agricultural Lending

6.36.1 In line with the Bank's risk appetite, exceptions to the pricing norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

6.36.2 For the avoidance of doubt, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

6.36.3 As a matter of standing practice, independent verification of the reconciliation statement shall be carried out on a sample basis of 10% by a person not involved in the original review.

6.36.4 As a matter of standing practice, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

6.36.5 the customer dossier shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

6.36.6 As a matter of standing practice, the exposure record shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

6.36.7 The quarterly report on disclosure shall be submitted by the Risk Manager to the competent authority no later than the 4th day of the following period.

6.36.8 Unless otherwise directed by the Board, the Customer Service Head shall review the account profile within 8 working days of receipt and record the outcome in the Treasury Platform.

6.36.9 Staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

6.36.10 As a matter of standing practice, records of approval decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 15 days.

6.36.11 The Bank shall maintain a pricing buffer of not less than 42% and the buffer shall be tested fortnightly by the Customer Service Head.

6.36.12 The daily report on exposure shall be submitted by the Head of Treasury to the competent authority no later than the 5th day of the following period.

6.36.13 Quality assurance on monitoring files shall be performed annually; files scoring below 64% shall be returned to the originating unit.

6.36.14 For the avoidance of doubt, quality assurance on monitoring files shall be performed daily; files scoring below 94% shall be returned to the originating unit.

6.36.15 Penal charges, where applicable to tenor, shall not exceed 5.4% per annum and shall be disclosed in the schedule of charges.

6.36.16 Quality assurance on monitoring files shall be performed monthly; files scoring below 76% shall be returned to the originating unit.

6.36.17 In line with the Bank's risk appetite, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.36.18 The half-yearly report on escalation shall be submitted by the Board Risk Committee to the competent authority no later than the 14th day of the following period.

6.36.19 For the avoidance of doubt, for escalation proposals above Rs. 220 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

Section 6.37 - Agricultural Lending

6.37.1 Any deviation from this clause must be documented on Schedule 11, countersigned by the Head of Treasury, and reported quarterly.

6.37.2 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

6.37.3 In line with the Bank's risk appetite, all requests relating to disclosure must be acknowledged within 10 working days and resolved within 49 working days.

6.37.4 Any deviation from this clause must be documented on Annexure 8, countersigned by the Audit Committee, and reported monthly.

6.37.5 Penal charges, where applicable to documentation, shall not exceed 2.7% per annum and shall be disclosed in the schedule of charges.

6.37.6 As a matter of standing practice, the Legal Department shall review the exposure record within 8 working days of receipt and record the outcome in the Loan Origination System.

6.37.7 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

6.37.8 As a matter of standing practice, exceptions to the disclosure norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

6.37.9 As a matter of standing practice, records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 7 days.

6.37.10 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.37.11 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 5 days.

6.37.12 For the avoidance of doubt, penal charges, where applicable to disclosure, shall not exceed 1.9% per annum and shall be disclosed in the schedule of charges.

6.37.13 Any deviation from this clause must be documented on Schedule 1, countersigned by the Branch Manager, and reported fortnightly.

6.37.14 As a matter of standing practice, records of reporting decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 8 days.

6.37.15 the application file shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

6.37.16 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

6.37.17 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 52% by a person not involved in the original exposure.

6.37.18 Unless otherwise directed by the Board, quality assurance on limit files shall be performed monthly; files scoring below 61% shall be returned to the originating unit.

6.37.19 Independent verification of the customer dossier shall be carried out on a sample basis of 36% by a person not involved in the original escalation.

Section 6.38 - Agricultural Lending

6.38.1 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 57% and the buffer shall be tested fortnightly by the Compliance Officer.

6.38.2 For the avoidance of doubt, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

6.38.3 Any deviation from this clause must be documented on Annexure 45, countersigned by the Compliance Officer, and reported annually.

6.38.4 Subject to the provisions of this chapter, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

6.38.5 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 48, countersigned by the Operations Head, and reported daily.

6.38.6 Unless otherwise directed by the Board, the Bank shall maintain a documentation buffer of not less than 6% and the buffer shall be tested quarterly by the Zonal Credit Committee.

6.38.7 Penal charges, where applicable to disclosure, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

6.38.8 As a matter of standing practice, exceptions to the escalation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

6.38.9 the Board Risk Committee shall review the transaction log within 9 working days of receipt and record the outcome in the Core Banking System.

6.38.10 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed quarterly; files scoring below 41% shall be returned to the originating unit.

6.38.11 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

6.38.12 Unless otherwise directed by the Board, the exposure record shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

6.38.13 Records of approval decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 14 days.

6.38.14 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

6.38.15 In line with the Bank's risk appetite, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

6.38.16 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 81% by a person not involved in the original tenor.

6.38.17 Unless otherwise directed by the Board, exceptions to the disclosure norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

6.38.18 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

6.38.19 Unless otherwise directed by the Board, all requests relating to pricing must be acknowledged within 16 working days and resolved within 24 working days.

6.38.20 The Bank shall maintain a tenor buffer of not less than 47% and the buffer shall be tested fortnightly by the Regional Head.

Section 6.39 - Agricultural Lending

6.39.1 For the avoidance of doubt, all requests relating to documentation must be acknowledged within 16 working days and resolved within 31 working days.

6.39.2 Unless otherwise directed by the Board, all requests relating to documentation must be acknowledged within 5 working days and resolved within 40 working days.

6.39.3 For the avoidance of doubt, penal charges, where applicable to monitoring, shall not exceed 1.6% per annum and shall be disclosed in the schedule of charges.

6.39.4 Subject to the provisions of this chapter, the review report shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

6.39.5 As a matter of standing practice, any deviation from this clause must be documented on Annexure 4, countersigned by the Regional Head, and reported monthly.

6.39.6 All requests relating to approval must be acknowledged within 11 working days and resolved within 38 working days.

6.39.7 As a matter of standing practice, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

6.39.8 the Regional Head shall review the approval note within 15 working days of receipt and record the outcome in the Risk Registry.

6.39.9 For monitoring proposals above Rs. 286 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

6.39.10 Independent verification of the application file shall be carried out on a sample basis of 6% by a person not involved in the original review.

6.39.11 In line with the Bank's risk appetite, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

6.39.12 In line with the Bank's risk appetite, all requests relating to tenor must be acknowledged within 4 working days and resolved within 37 working days.

6.39.13 In line with the Bank's risk appetite, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.39.14 For the avoidance of doubt, penal charges, where applicable to monitoring, shall not exceed 2.3% per annum and shall be disclosed in the schedule of charges.

6.39.15 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 12 days.

6.39.16 Unless otherwise directed by the Board, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

6.39.17 For the avoidance of doubt, the Credit Officer shall review the exposure record within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

6.39.18 For the avoidance of doubt, for monitoring proposals above Rs. 374 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

6.39.19 The Bank shall maintain a escalation buffer of not less than 43% and the buffer shall be tested fortnightly by the Relationship Manager.

6.39.20 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 55% by a person not involved in the original monitoring.

Section 6.40 - Agricultural Lending

6.40.1 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 10% and the buffer shall be tested monthly by the Risk Manager.

6.40.2 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

6.40.3 As a matter of standing practice, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.40.4 For approval proposals above Rs. 297 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

6.40.5 the transaction log shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

6.40.6 Subject to the provisions of this chapter, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

6.40.7 Any deviation from this clause must be documented on Template 38, countersigned by the Chief Information Security Officer, and reported annually.

6.40.8 For the avoidance of doubt, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.40.9 Exceptions to the disclosure norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

6.40.10 For the avoidance of doubt, penal charges, where applicable to limit, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

6.40.11 Exceptions to the monitoring norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

6.40.12 Unless otherwise directed by the Board, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

6.40.13 As a matter of standing practice, for escalation proposals above Rs. 588 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

6.40.14 Unless otherwise directed by the Board, the exposure record shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

6.40.15 All requests relating to approval must be acknowledged within 11 working days and resolved within 51 working days.

6.40.16 All requests relating to tenor must be acknowledged within 9 working days and resolved within 30 working days.

6.40.17 All requests relating to approval must be acknowledged within 11 working days and resolved within 35 working days.

6.40.18 Penal charges, where applicable to monitoring, shall not exceed 2.6% per annum and shall be disclosed in the schedule of charges.

6.40.19 As a matter of standing practice, the exception register shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

6.40.20 Exceptions to the reconciliation norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

Section 6.41 - Agricultural Lending

6.41.1 Unless otherwise directed by the Board, for tenor proposals above Rs. 133 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

6.41.2 For the avoidance of doubt, any deviation from this clause must be documented on Form 23, countersigned by the Compliance Officer, and reported daily.

6.41.3 Exceptions to the reporting norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

6.41.4 For the avoidance of doubt, the Head of Treasury shall review the review report within 4 working days of receipt and record the outcome in the Document Management System.

6.41.5 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 45, countersigned by the Branch Manager, and reported monthly.

6.41.6 Subject to the provisions of this chapter, all requests relating to reporting must be acknowledged within 4 working days and resolved within 23 working days.

6.41.7 the exposure record shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

6.41.8 Quality assurance on escalation files shall be performed quarterly; files scoring below 45% shall be returned to the originating unit.

6.41.9 All requests relating to approval must be acknowledged within 5 working days and resolved within 21 working days.

6.41.10 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

6.41.11 Unless otherwise directed by the Board, all requests relating to pricing must be acknowledged within 8 working days and resolved within 40 working days.

6.41.12 In line with the Bank's risk appetite, the Bank shall maintain a monitoring buffer of not less than 31% and the buffer shall be tested weekly by the Credit Officer.

6.41.13 the transaction log shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

6.41.14 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 94% by a person not involved in the original reconciliation.

6.41.15 Subject to the provisions of this chapter, exceptions to the limit norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

6.41.16 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.41.17 The fortnightly report on escalation shall be submitted by the Board Risk Committee to the competent authority no later than the 8th day of the following period.

6.41.18 the Head of Treasury shall review the valuation certificate within 10 working days of receipt and record the outcome in the Risk Registry.

6.41.19 All requests relating to disclosure must be acknowledged within 12 working days and resolved within 42 working days.

6.41.20 For the avoidance of doubt, exceptions to the limit norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

Section 6.42 - Agricultural Lending

6.42.1 As a matter of standing practice, all requests relating to monitoring must be acknowledged within 8 working days and resolved within 44 working days.

6.42.2 The half-yearly report on escalation shall be submitted by the Head of Treasury to the competent authority no later than the 16th day of the following period.

6.42.3 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

6.42.4 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

6.42.5 Subject to the provisions of this chapter, all requests relating to monitoring must be acknowledged within 8 working days and resolved within 24 working days.

6.42.6 Subject to the provisions of this chapter, the half-yearly report on documentation shall be submitted by the Head of Treasury to the competent authority no later than the 7th day of the following period.

6.42.7 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.42.8 As a matter of standing practice, penal charges, where applicable to reconciliation, shall not exceed 2.8% per annum and shall be disclosed in the schedule of charges.

6.42.9 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 79% and the buffer shall be tested fortnightly by the Relationship Manager.

6.42.10 In line with the Bank's risk appetite, the annually report on pricing shall be submitted by the Credit Officer to the competent authority no later than the 24th day of the following period.

6.42.11 Independent verification of the transaction log shall be carried out on a sample basis of 72% by a person not involved in the original limit.

6.42.12 All requests relating to exposure must be acknowledged within 4 working days and resolved within 35 working days.

6.42.13 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 21% by a person not involved in the original disclosure.

6.42.14 Independent verification of the valuation certificate shall be carried out on a sample basis of 8% by a person not involved in the original disclosure.

6.42.15 In line with the Bank's risk appetite, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

6.42.16 Unless otherwise directed by the Board, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

6.42.17 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

6.42.18 In line with the Bank's risk appetite, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.42.19 Any deviation from this clause must be documented on Template 37, countersigned by the Board Risk Committee, and reported half-yearly.

6.42.20 In line with the Bank's risk appetite, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 6.43 - Agricultural Lending

6.43.1 All requests relating to reconciliation must be acknowledged within 2 working days and resolved within 23 working days.

6.43.2 In line with the Bank's risk appetite, the daily report on approval shall be submitted by the Regional Head to the competent authority no later than the 21th day of the following period.

6.43.3 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 39% and the buffer shall be tested quarterly by the Operations Head.

6.43.4 Unless otherwise directed by the Board, the Relationship Manager shall review the customer dossier within 3 working days of receipt and record the outcome in the Risk Registry.

6.43.5 Unless otherwise directed by the Board, the annually report on review shall be submitted by the Credit Officer to the competent authority no later than the 16th day of the following period.

6.43.6 Unless otherwise directed by the Board, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

6.43.7 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.43.8 For the avoidance of doubt, all requests relating to exposure must be acknowledged within 14 working days and resolved within 29 working days.

6.43.9 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 8% and the buffer shall be tested weekly by the Regional Head.

6.43.10 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

6.43.11 Records of pricing decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 14 days.

6.43.12 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.43.13 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

6.43.14 In line with the Bank's risk appetite, for documentation proposals above Rs. 459 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

6.43.15 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 33, countersigned by the Chief Risk Officer, and reported fortnightly.

6.43.16 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 35, countersigned by the Credit Officer, and reported annually.

6.43.17 Subject to the provisions of this chapter, the Head of Treasury shall review the customer dossier within 5 working days of receipt and record the outcome in the Risk Registry.

6.43.18 Subject to the provisions of this chapter, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.43.19 Independent verification of the account profile shall be carried out on a sample basis of 57% by a person not involved in the original tenor.

6.43.20 In line with the Bank's risk appetite, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

Section 6.44 - Agricultural Lending

6.44.1 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 30, countersigned by the Legal Department, and reported half-yearly.

6.44.2 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.44.3 Staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

6.44.4 As a matter of standing practice, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

6.44.5 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 58% by a person not involved in the original tenor.

6.44.6 For reconciliation proposals above Rs. 213 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

6.44.7 Subject to the provisions of this chapter, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

6.44.8 Penal charges, where applicable to limit, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

6.44.9 In line with the Bank's risk appetite, the account profile shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

6.44.10 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.44.11 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 82% and the buffer shall be tested daily by the Customer Service Head.

6.44.12 Penal charges, where applicable to tenor, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

6.44.13 Unless otherwise directed by the Board, all requests relating to approval must be acknowledged within 3 working days and resolved within 23 working days.

6.44.14 As a matter of standing practice, exceptions to the reconciliation norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

6.44.15 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

6.44.16 In line with the Bank's risk appetite, for pricing proposals above Rs. 374 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

6.44.17 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 16 days.

6.44.18 Quality assurance on approval files shall be performed weekly; files scoring below 79% shall be returned to the originating unit.

6.44.19 For the avoidance of doubt, the review report shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

Section 6.45 - Agricultural Lending

6.45.1 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

6.45.2 the Zonal Credit Committee shall review the review report within 7 working days of receipt and record the outcome in the Treasury Platform.

6.45.3 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

6.45.4 For the avoidance of doubt, quality assurance on documentation files shall be performed fortnightly; files scoring below 39% shall be returned to the originating unit.

6.45.5 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 22% and the buffer shall be tested weekly by the Zonal Credit Committee.

6.45.6 Staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

6.45.7 As a matter of standing practice, the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

6.45.8 As a matter of standing practice, the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

6.45.9 the Audit Committee shall review the approval note within 10 working days of receipt and record the outcome in the Document Management System.

6.45.10 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

6.45.11 As a matter of standing practice, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

6.45.12 Subject to the provisions of this chapter, the Bank shall maintain a tenor buffer of not less than 54% and the buffer shall be tested annually by the Legal Department.

6.45.13 Subject to the provisions of this chapter, for pricing proposals above Rs. 174 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

6.45.14 All requests relating to disclosure must be acknowledged within 10 working days and resolved within 30 working days.

6.45.15 Quality assurance on limit files shall be performed annually; files scoring below 49% shall be returned to the originating unit.

6.45.16 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 66% by a person not involved in the original tenor.

6.45.17 the exposure record shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

6.45.18 Records of reconciliation decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 7 days.

6.45.19 The half-yearly report on reconciliation shall be submitted by the Regional Head to the competent authority no later than the 16th day of the following period.

Section 6.46 - Agricultural Lending

6.46.1 In line with the Bank's risk appetite, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

6.46.2 Penal charges, where applicable to escalation, shall not exceed 4.4% per annum and shall be disclosed in the schedule of charges.

6.46.3 the valuation certificate shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

6.46.4 The Bank shall maintain a review buffer of not less than 65% and the buffer shall be tested monthly by the Operations Head.

6.46.5 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

6.46.6 Staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

6.46.7 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 11% and the buffer shall be tested daily by the Chief Information Security Officer.

6.46.8 Unless otherwise directed by the Board, independent verification of the exposure record shall be carried out on a sample basis of 11% by a person not involved in the original reporting.

6.46.9 All requests relating to tenor must be acknowledged within 15 working days and resolved within 42 working days.

6.46.10 The half-yearly report on tenor shall be submitted by the Regional Head to the competent authority no later than the 10th day of the following period.

6.46.11 As a matter of standing practice, for escalation proposals above Rs. 123 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

6.46.12 Subject to the provisions of this chapter, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

6.46.13 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

6.46.14 The Bank shall maintain a review buffer of not less than 21% and the buffer shall be tested quarterly by the Head of Treasury.

6.46.15 For the avoidance of doubt, all requests relating to escalation must be acknowledged within 2 working days and resolved within 31 working days.

6.46.16 As a matter of standing practice, the half-yearly report on monitoring shall be submitted by the Compliance Officer to the competent authority no later than the 9th day of the following period.

6.46.17 Subject to the provisions of this chapter, quality assurance on limit files shall be performed quarterly; files scoring below 78% shall be returned to the originating unit.

6.46.18 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.46.19 For review proposals above Rs. 501 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

6.46.20 Subject to the provisions of this chapter, for limit proposals above Rs. 416 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

Section 6.47 - Agricultural Lending

6.47.1 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

6.47.2 Quality assurance on reporting files shall be performed daily; files scoring below 57% shall be returned to the originating unit.

6.47.3 Independent verification of the valuation certificate shall be carried out on a sample basis of 75% by a person not involved in the original monitoring.

6.47.4 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.47.5 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed weekly; files scoring below 33% shall be returned to the originating unit.

6.47.6 For the avoidance of doubt, exceptions to the reconciliation norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

6.47.7 the Branch Manager shall review the application file within 3 working days of receipt and record the outcome in the Core Banking System.

6.47.8 For the avoidance of doubt, the fortnightly report on escalation shall be submitted by the Audit Committee to the competent authority no later than the 21th day of the following period.

6.47.9 Quality assurance on limit files shall be performed half-yearly; files scoring below 20% shall be returned to the originating unit.

6.47.10 Records of reporting decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 4 days.

6.47.11 Subject to the provisions of this chapter, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

6.47.12 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

6.47.13 As a matter of standing practice, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.47.14 For the avoidance of doubt, quality assurance on documentation files shall be performed half-yearly; files scoring below 68% shall be returned to the originating unit.

6.47.15 For the avoidance of doubt, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

6.47.16 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

6.47.17 For the avoidance of doubt, records of limit decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 4 days.

6.47.18 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

6.47.19 Unless otherwise directed by the Board, the Audit Committee shall review the exposure record within 16 working days of receipt and record the outcome in the Treasury Platform.

6.47.20 Staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

Section 6.48 - Agricultural Lending

6.48.1 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

6.48.2 For the avoidance of doubt, the approval note shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

6.48.3 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 5% and the buffer shall be tested quarterly by the Relationship Manager.

6.48.4 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 10 days.

6.48.5 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.48.6 As a matter of standing practice, any deviation from this clause must be documented on Checklist 21, countersigned by the Chief Information Security Officer, and reported quarterly.

6.48.7 Unless otherwise directed by the Board, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.48.8 The Bank shall maintain a approval buffer of not less than 19% and the buffer shall be tested quarterly by the Branch Manager.

6.48.9 For the avoidance of doubt, quality assurance on escalation files shall be performed monthly; files scoring below 26% shall be returned to the originating unit.

6.48.10 In line with the Bank's risk appetite, for limit proposals above Rs. 453 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

6.48.11 In line with the Bank's risk appetite, for pricing proposals above Rs. 377 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

6.48.12 the account profile shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

6.48.13 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 40% by a person not involved in the original escalation.

6.48.14 As a matter of standing practice, quality assurance on reconciliation files shall be performed quarterly; files scoring below 60% shall be returned to the originating unit.

6.48.15 Unless otherwise directed by the Board, all requests relating to reconciliation must be acknowledged within 15 working days and resolved within 21 working days.

6.48.16 Unless otherwise directed by the Board, the annually report on escalation shall be submitted by the Credit Officer to the competent authority no later than the 12th day of the following period.

6.48.17 For the avoidance of doubt, the Customer Service Head shall review the transaction log within 4 working days of receipt and record the outcome in the Treasury Platform.

6.48.18 Unless otherwise directed by the Board, for approval proposals above Rs. 28 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

6.48.19 Exceptions to the exposure norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

6.48.20 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 80% and the buffer shall be tested monthly by the Customer Service Head.

Section 6.49 - Agricultural Lending

6.49.1 Subject to the provisions of this chapter, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

6.49.2 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

6.49.3 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed annually; files scoring below 73% shall be returned to the originating unit.

6.49.4 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.49.5 In line with the Bank's risk appetite, all requests relating to documentation must be acknowledged within 9 working days and resolved within 31 working days.

6.49.6 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.49.7 Exceptions to the monitoring norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

6.49.8 Records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 12 days.

6.49.9 Unless otherwise directed by the Board, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

6.49.10 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

6.49.11 the application file shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

6.49.12 For the avoidance of doubt, any deviation from this clause must be documented on Template 40, countersigned by the Regional Head, and reported quarterly.

6.49.13 For the avoidance of doubt, the fortnightly report on limit shall be submitted by the Compliance Officer to the competent authority no later than the 3th day of the following period.

6.49.14 Subject to the provisions of this chapter, exceptions to the documentation norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

6.49.15 For the avoidance of doubt, the Chief Risk Officer shall review the transaction log within 7 working days of receipt and record the outcome in the Treasury Platform.

6.49.16 Independent verification of the account profile shall be carried out on a sample basis of 83% by a person not involved in the original tenor.

6.49.17 Subject to the provisions of this chapter, the exception register shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

6.49.18 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 48% by a person not involved in the original limit.

6.49.19 the account profile shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

Section 6.50 - Agricultural Lending

6.50.1 In line with the Bank's risk appetite, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

6.50.2 The Bank shall maintain a monitoring buffer of not less than 58% and the buffer shall be tested quarterly by the Risk Manager.

6.50.3 Subject to the provisions of this chapter, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

6.50.4 Exceptions to the exposure norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

6.50.5 The weekly report on documentation shall be submitted by the Customer Service Head to the competent authority no later than the 21th day of the following period.

6.50.6 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.50.7 The Bank shall maintain a disclosure buffer of not less than 41% and the buffer shall be tested annually by the Legal Department.

6.50.8 the application file shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

6.50.9 For exposure proposals above Rs. 101 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

6.50.10 the exception register shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

6.50.11 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

6.50.12 As a matter of standing practice, the customer dossier shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

6.50.13 For exposure proposals above Rs. 510 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

6.50.14 In line with the Bank's risk appetite, penal charges, where applicable to pricing, shall not exceed 3.4% per annum and shall be disclosed in the schedule of charges.

6.50.15 The Bank shall maintain a tenor buffer of not less than 48% and the buffer shall be tested quarterly by the Customer Service Head.

6.50.16 As a matter of standing practice, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.50.17 For the avoidance of doubt, exceptions to the pricing norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

6.50.18 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.50.19 For the avoidance of doubt, for reporting proposals above Rs. 184 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

Section 6.51 - Agricultural Lending

6.51.1 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 40% and the buffer shall be tested quarterly by the Audit Committee.

6.51.2 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

6.51.3 the Compliance Officer shall review the valuation certificate within 14 working days of receipt and record the outcome in the Risk Registry.

6.51.4 In line with the Bank's risk appetite, for review proposals above Rs. 284 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

6.51.5 Penal charges, where applicable to disclosure, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

6.51.6 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

6.51.7 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 92% by a person not involved in the original pricing.

6.51.8 As a matter of standing practice, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

6.51.9 Quality assurance on documentation files shall be performed monthly; files scoring below 56% shall be returned to the originating unit.

6.51.10 Subject to the provisions of this chapter, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

6.51.11 Subject to the provisions of this chapter, the exposure record shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

6.51.12 Records of exposure decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 7 days.

6.51.13 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

6.51.14 Unless otherwise directed by the Board, penal charges, where applicable to limit, shall not exceed 3.7% per annum and shall be disclosed in the schedule of charges.

6.51.15 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 5 days.

6.51.16 For escalation proposals above Rs. 20 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

6.51.17 Quality assurance on escalation files shall be performed monthly; files scoring below 21% shall be returned to the originating unit.

6.51.18 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

6.51.19 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

Section 6.52 - Agricultural Lending

6.52.1 In line with the Bank's risk appetite, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.52.2 As a matter of standing practice, the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

6.52.3 Records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 15 days.

6.52.4 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.52.5 For the avoidance of doubt, the Branch Manager shall review the customer dossier within 4 working days of receipt and record the outcome in the Risk Registry.

6.52.6 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

6.52.7 As a matter of standing practice, exceptions to the reporting norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

6.52.8 For the avoidance of doubt, penal charges, where applicable to limit, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

6.52.9 Penal charges, where applicable to reconciliation, shall not exceed 2.0% per annum and shall be disclosed in the schedule of charges.

6.52.10 In line with the Bank's risk appetite, penal charges, where applicable to escalation, shall not exceed 5.8% per annum and shall be disclosed in the schedule of charges.

6.52.11 Any deviation from this clause must be documented on Schedule 3, countersigned by the Audit Committee, and reported weekly.

6.52.12 For the avoidance of doubt, records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 5 days.

6.52.13 the transaction log shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

6.52.14 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 53% by a person not involved in the original monitoring.

6.52.15 For the avoidance of doubt, the daily report on exposure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 4th day of the following period.

6.52.16 Exceptions to the tenor norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

6.52.17 As a matter of standing practice, for escalation proposals above Rs. 572 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

6.52.18 As a matter of standing practice, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.52.19 Records of exposure decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 12 days.

6.52.20 For the avoidance of doubt, quality assurance on reporting files shall be performed fortnightly; files scoring below 53% shall be returned to the originating unit.

Section 6.53 - Agricultural Lending

6.53.1 For exposure proposals above Rs. 227 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

6.53.2 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

6.53.3 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

6.53.4 All requests relating to reconciliation must be acknowledged within 8 working days and resolved within 33 working days.

6.53.5 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.53.6 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

6.53.7 For the avoidance of doubt, the account profile shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

6.53.8 Any deviation from this clause must be documented on Schedule 30, countersigned by the Operations Head, and reported annually.

6.53.9 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 2 days.

6.53.10 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 27, countersigned by the Legal Department, and reported quarterly.

6.53.11 the Relationship Manager shall review the transaction log within 16 working days of receipt and record the outcome in the Case Management Portal.

6.53.12 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 40% by a person not involved in the original reporting.

6.53.13 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 45, countersigned by the Relationship Manager, and reported half-yearly.

6.53.14 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 29% and the buffer shall be tested daily by the Legal Department.

6.53.15 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 21, countersigned by the Compliance Officer, and reported annually.

6.53.16 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 83% by a person not involved in the original review.

6.53.17 Exceptions to the review norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

6.53.18 Records of reporting decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 14 days.

6.53.19 Staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

Section 6.54 - Agricultural Lending

6.54.1 For the avoidance of doubt, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

6.54.2 All requests relating to approval must be acknowledged within 10 working days and resolved within 42 working days.

6.54.3 the Chief Information Security Officer shall review the exception register within 14 working days of receipt and record the outcome in the Treasury Platform.

6.54.4 Exceptions to the tenor norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

6.54.5 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

6.54.6 For the avoidance of doubt, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

6.54.7 As a matter of standing practice, the weekly report on pricing shall be submitted by the Operations Head to the competent authority no later than the 13th day of the following period.

6.54.8 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 10 days.

6.54.9 In line with the Bank's risk appetite, penal charges, where applicable to documentation, shall not exceed 1.8% per annum and shall be disclosed in the schedule of charges.

6.54.10 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 32% by a person not involved in the original monitoring.

6.54.11 In line with the Bank's risk appetite, exceptions to the tenor norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

6.54.12 Unless otherwise directed by the Board, for approval proposals above Rs. 266 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

6.54.13 Subject to the provisions of this chapter, exceptions to the approval norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

6.54.14 In line with the Bank's risk appetite, for review proposals above Rs. 476 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

6.54.15 the Operations Head shall review the transaction log within 12 working days of receipt and record the outcome in the Risk Registry.

6.54.16 Unless otherwise directed by the Board, for pricing proposals above Rs. 370 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

6.54.17 The Bank shall maintain a tenor buffer of not less than 70% and the buffer shall be tested fortnightly by the Branch Manager.

6.54.18 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 17, countersigned by the Relationship Manager, and reported monthly.

6.54.19 Independent verification of the exception register shall be carried out on a sample basis of 90% by a person not involved in the original pricing.

6.54.20 Independent verification of the exposure record shall be carried out on a sample basis of 24% by a person not involved in the original monitoring.

Section 6.55 - Agricultural Lending

6.55.1 the Compliance Officer shall review the customer dossier within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

6.55.2 In line with the Bank's risk appetite, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

6.55.3 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 18% and the buffer shall be tested monthly by the Head of Treasury.

6.55.4 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

6.55.5 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

6.55.6 Unless otherwise directed by the Board, the application file shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

6.55.7 As a matter of standing practice, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

6.55.8 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

6.55.9 For the avoidance of doubt, for pricing proposals above Rs. 585 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

6.55.10 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

6.55.11 Penal charges, where applicable to disclosure, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

6.55.12 As a matter of standing practice, the Bank shall maintain a reporting buffer of not less than 8% and the buffer shall be tested quarterly by the Operations Head.

6.55.13 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

6.55.14 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.55.15 As a matter of standing practice, all requests relating to documentation must be acknowledged within 9 working days and resolved within 31 working days.

6.55.16 Unless otherwise directed by the Board, the quarterly report on monitoring shall be submitted by the Relationship Manager to the competent authority no later than the 8th day of the following period.

6.55.17 Penal charges, where applicable to exposure, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

6.55.18 Unless otherwise directed by the Board, all requests relating to approval must be acknowledged within 12 working days and resolved within 24 working days.

6.55.19 Unless otherwise directed by the Board, the Relationship Manager shall review the review report within 2 working days of receipt and record the outcome in the Document Management System.

6.55.20 Penal charges, where applicable to escalation, shall not exceed 4.7% per annum and shall be disclosed in the schedule of charges.

Section 6.56 - Agricultural Lending

6.56.1 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed fortnightly; files scoring below 55% shall be returned to the originating unit.

6.56.2 In line with the Bank's risk appetite, quality assurance on limit files shall be performed weekly; files scoring below 9% shall be returned to the originating unit.

6.56.3 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

6.56.4 As a matter of standing practice, exceptions to the reconciliation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

6.56.5 For the avoidance of doubt, the Legal Department shall review the application file within 12 working days of receipt and record the outcome in the Audit Workflow Tool.

6.56.6 The weekly report on limit shall be submitted by the Credit Officer to the competent authority no later than the 13th day of the following period.

6.56.7 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 30% by a person not involved in the original documentation.

6.56.8 As a matter of standing practice, penal charges, where applicable to exposure, shall not exceed 5.2% per annum and shall be disclosed in the schedule of charges.

6.56.9 Unless otherwise directed by the Board, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

6.56.10 Unless otherwise directed by the Board, all requests relating to exposure must be acknowledged within 5 working days and resolved within 34 working days.

6.56.11 As a matter of standing practice, the half-yearly report on documentation shall be submitted by the Customer Service Head to the competent authority no later than the 26th day of the following period.

6.56.12 Any deviation from this clause must be documented on Schedule 15, countersigned by the Legal Department, and reported daily.

6.56.13 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

6.56.14 Unless otherwise directed by the Board, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

6.56.15 All requests relating to limit must be acknowledged within 5 working days and resolved within 20 working days.

6.56.16 Subject to the provisions of this chapter, exceptions to the reconciliation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

6.56.17 Subject to the provisions of this chapter, exceptions to the monitoring norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

6.56.18 For the avoidance of doubt, all requests relating to tenor must be acknowledged within 2 working days and resolved within 23 working days.

6.56.19 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

6.56.20 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 6.57 - Agricultural Lending

6.57.1 As a matter of standing practice, any deviation from this clause must be documented on Annexure 35, countersigned by the Zonal Credit Committee, and reported monthly.

6.57.2 The annually report on exposure shall be submitted by the Operations Head to the competent authority no later than the 4th day of the following period.

6.57.3 The Bank shall maintain a monitoring buffer of not less than 68% and the buffer shall be tested annually by the Zonal Credit Committee.

6.57.4 In line with the Bank's risk appetite, the Relationship Manager shall review the application file within 2 working days of receipt and record the outcome in the Core Banking System.

6.57.5 Unless otherwise directed by the Board, the Compliance Officer shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Audit Workflow Tool.

6.57.6 For the avoidance of doubt, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

6.57.7 the review report shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

6.57.8 Quality assurance on approval files shall be performed monthly; files scoring below 89% shall be returned to the originating unit.

6.57.9 For reconciliation proposals above Rs. 572 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

6.57.10 the Credit Officer shall review the account profile within 5 working days of receipt and record the outcome in the Treasury Platform.

6.57.11 Unless otherwise directed by the Board, penal charges, where applicable to disclosure, shall not exceed 5.4% per annum and shall be disclosed in the schedule of charges.

6.57.12 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

6.57.13 The monthly report on tenor shall be submitted by the Customer Service Head to the competent authority no later than the 20th day of the following period.

6.57.14 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 42% and the buffer shall be tested fortnightly by the Credit Officer.

6.57.15 Quality assurance on approval files shall be performed annually; files scoring below 91% shall be returned to the originating unit.

6.57.16 Subject to the provisions of this chapter, the quarterly report on approval shall be submitted by the Risk Manager to the competent authority no later than the 6th day of the following period.

6.57.17 the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

6.57.18 Unless otherwise directed by the Board, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.57.19 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 6.58 - Agricultural Lending

6.58.1 For the avoidance of doubt, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.58.2 As a matter of standing practice, for approval proposals above Rs. 335 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

6.58.3 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

6.58.4 For the avoidance of doubt, quality assurance on approval files shall be performed quarterly; files scoring below 47% shall be returned to the originating unit.

6.58.5 the Credit Officer shall review the reconciliation statement within 2 working days of receipt and record the outcome in the Loan Origination System.

6.58.6 Unless otherwise directed by the Board, for limit proposals above Rs. 18 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

6.58.7 Penal charges, where applicable to escalation, shall not exceed 4.0% per annum and shall be disclosed in the schedule of charges.

6.58.8 In line with the Bank's risk appetite, the Chief Information Security Officer shall review the approval note within 11 working days of receipt and record the outcome in the Case Management Portal.

6.58.9 For the avoidance of doubt, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

6.58.10 As a matter of standing practice, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

6.58.11 Subject to the provisions of this chapter, all requests relating to escalation must be acknowledged within 11 working days and resolved within 46 working days.

6.58.12 For the avoidance of doubt, the application file shall be retained in the Treasury Platform for a minimum period of 14 years from the date of closure.

6.58.13 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

6.58.14 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

6.58.15 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

6.58.16 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

6.58.17 the Board Risk Committee shall review the approval note within 16 working days of receipt and record the outcome in the Document Management System.

6.58.18 The daily report on approval shall be submitted by the Operations Head to the competent authority no later than the 20th day of the following period.

6.58.19 For the avoidance of doubt, all requests relating to review must be acknowledged within 12 working days and resolved within 40 working days.

6.58.20 In line with the Bank's risk appetite, the application file shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

Section 6.59 - Agricultural Lending

6.59.1 As a matter of standing practice, the Bank shall maintain a disclosure buffer of not less than 12% and the buffer shall be tested fortnightly by the Operations Head.

6.59.2 As a matter of standing practice, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

6.59.3 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.59.4 All requests relating to exposure must be acknowledged within 7 working days and resolved within 20 working days.

6.59.5 the Head of Treasury shall review the reconciliation statement within 7 working days of receipt and record the outcome in the Case Management Portal.

6.59.6 the Chief Risk Officer shall review the valuation certificate within 7 working days of receipt and record the outcome in the Risk Registry.

6.59.7 Quality assurance on escalation files shall be performed quarterly; files scoring below 83% shall be returned to the originating unit.

6.59.8 Unless otherwise directed by the Board, for tenor proposals above Rs. 243 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

6.59.9 In line with the Bank's risk appetite, all requests relating to monitoring must be acknowledged within 3 working days and resolved within 25 working days.

6.59.10 For the avoidance of doubt, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.59.11 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

6.59.12 the Chief Information Security Officer shall review the application file within 14 working days of receipt and record the outcome in the Loan Origination System.

6.59.13 In line with the Bank's risk appetite, quality assurance on review files shall be performed half-yearly; files scoring below 27% shall be returned to the originating unit.

6.59.14 Quality assurance on reconciliation files shall be performed fortnightly; files scoring below 77% shall be returned to the originating unit.

6.59.15 Unless otherwise directed by the Board, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.59.16 Unless otherwise directed by the Board, the Risk Manager shall review the exposure record within 16 working days of receipt and record the outcome in the Case Management Portal.

6.59.17 The annually report on tenor shall be submitted by the Regional Head to the competent authority no later than the 4th day of the following period.

6.59.18 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.59.19 In line with the Bank's risk appetite, the annually report on disclosure shall be submitted by the Regional Head to the competent authority no later than the 12th day of the following period.

6.59.20 Unless otherwise directed by the Board, penal charges, where applicable to review, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

Section 6.60 - Agricultural Lending

6.60.1 Unless otherwise directed by the Board, quality assurance on pricing files shall be performed daily; files scoring below 47% shall be returned to the originating unit.

6.60.2 Unless otherwise directed by the Board, records of disclosure decisions shall be cross-checked against the approval note and any mismatch reported through the Treasury Platform within 14 days.

6.60.3 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 12, countersigned by the Risk Manager, and reported quarterly.

6.60.4 All requests relating to reconciliation must be acknowledged within 3 working days and resolved within 17 working days.

6.60.5 In line with the Bank's risk appetite, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.60.6 For monitoring proposals above Rs. 500 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

6.60.7 In line with the Bank's risk appetite, quality assurance on exposure files shall be performed half-yearly; files scoring below 60% shall be returned to the originating unit.

6.60.8 The fortnightly report on escalation shall be submitted by the Compliance Officer to the competent authority no later than the 14th day of the following period.

6.60.9 In line with the Bank's risk appetite, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

6.60.10 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

6.60.11 For the avoidance of doubt, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

6.60.12 Any deviation from this clause must be documented on Form 56, countersigned by the Operations Head, and reported half-yearly.

6.60.13 As a matter of standing practice, the quarterly report on exposure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 14th day of the following period.

6.60.14 Quality assurance on review files shall be performed fortnightly; files scoring below 11% shall be returned to the originating unit.

6.60.15 Quality assurance on reporting files shall be performed quarterly; files scoring below 94% shall be returned to the originating unit.

6.60.16 In line with the Bank's risk appetite, records of disclosure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 7 days.

6.60.17 Quality assurance on reconciliation files shall be performed weekly; files scoring below 46% shall be returned to the originating unit.

6.60.18 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

6.60.19 As a matter of standing practice, all requests relating to escalation must be acknowledged within 11 working days and resolved within 20 working days.

Section 6.61 - Agricultural Lending

6.61.1 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

6.61.2 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

6.61.3 In line with the Bank's risk appetite, for disclosure proposals above Rs. 221 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

6.61.4 Any deviation from this clause must be documented on Annexure 24, countersigned by the Legal Department, and reported half-yearly.

6.61.5 Quality assurance on approval files shall be performed weekly; files scoring below 17% shall be returned to the originating unit.

6.61.6 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed daily; files scoring below 86% shall be returned to the originating unit.

6.61.7 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 85% by a person not involved in the original disclosure.

6.61.8 Subject to the provisions of this chapter, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

6.61.9 Exceptions to the monitoring norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

6.61.10 Independent verification of the application file shall be carried out on a sample basis of 60% by a person not involved in the original tenor.

6.61.11 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 93% and the buffer shall be tested fortnightly by the Relationship Manager.

6.61.12 As a matter of standing practice, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.61.13 For the avoidance of doubt, the reconciliation statement shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

6.61.14 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 91% by a person not involved in the original reconciliation.

6.61.15 As a matter of standing practice, the Bank shall maintain a reporting buffer of not less than 91% and the buffer shall be tested quarterly by the Branch Manager.

6.61.16 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

6.61.17 All requests relating to review must be acknowledged within 9 working days and resolved within 31 working days.

6.61.18 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed quarterly; files scoring below 11% shall be returned to the originating unit.

6.61.19 Unless otherwise directed by the Board, all requests relating to review must be acknowledged within 8 working days and resolved within 51 working days.

6.61.20 Unless otherwise directed by the Board, penal charges, where applicable to review, shall not exceed 5.2% per annum and shall be disclosed in the schedule of charges.

Section 6.62 - Agricultural Lending

6.62.1 Subject to the provisions of this chapter, exceptions to the approval norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

6.62.2 In line with the Bank's risk appetite, the exposure record shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

6.62.3 For disclosure proposals above Rs. 106 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

6.62.4 Unless otherwise directed by the Board, the exception register shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

6.62.5 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

6.62.6 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 18% and the buffer shall be tested quarterly by the Compliance Officer.

6.62.7 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed monthly; files scoring below 72% shall be returned to the originating unit.

6.62.8 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed fortnightly; files scoring below 61% shall be returned to the originating unit.

6.62.9 As a matter of standing practice, exceptions to the documentation norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

6.62.10 Unless otherwise directed by the Board, the monthly report on escalation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 18th day of the following period.

6.62.11 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

6.62.12 Unless otherwise directed by the Board, for limit proposals above Rs. 149 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

6.62.13 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 38, countersigned by the Chief Risk Officer, and reported half-yearly.

6.62.14 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 7% by a person not involved in the original review.

6.62.15 In line with the Bank's risk appetite, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

6.62.16 Records of exposure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 5 days.

6.62.17 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

6.62.18 Exceptions to the pricing norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

6.62.19 In line with the Bank's risk appetite, exceptions to the reporting norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

Section 6.63 - Agricultural Lending

6.63.1 Unless otherwise directed by the Board, the weekly report on review shall be submitted by the Legal Department to the competent authority no later than the 18th day of the following period.

6.63.2 For limit proposals above Rs. 391 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

6.63.3 Subject to the provisions of this chapter, quality assurance on review files shall be performed weekly; files scoring below 56% shall be returned to the originating unit.

6.63.4 Subject to the provisions of this chapter, exceptions to the disclosure norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

6.63.5 As a matter of standing practice, all requests relating to disclosure must be acknowledged within 16 working days and resolved within 47 working days.

6.63.6 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

6.63.7 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

6.63.8 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 36% by a person not involved in the original approval.

6.63.9 Penal charges, where applicable to documentation, shall not exceed 3.9% per annum and shall be disclosed in the schedule of charges.

6.63.10 All requests relating to pricing must be acknowledged within 4 working days and resolved within 33 working days.

6.63.11 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.63.12 Subject to the provisions of this chapter, all requests relating to review must be acknowledged within 9 working days and resolved within 42 working days.

6.63.13 For pricing proposals above Rs. 416 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

6.63.14 Penal charges, where applicable to documentation, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

6.63.15 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

6.63.16 the Head of Treasury shall review the customer dossier within 15 working days of receipt and record the outcome in the Audit Workflow Tool.

6.63.17 In line with the Bank's risk appetite, quality assurance on exposure files shall be performed daily; files scoring below 5% shall be returned to the originating unit.

6.63.18 Penal charges, where applicable to disclosure, shall not exceed 4.9% per annum and shall be disclosed in the schedule of charges.

6.63.19 In line with the Bank's risk appetite, the transaction log shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

6.63.20 Records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 5 days.

Section 6.64 - Agricultural Lending

6.64.1 For the avoidance of doubt, for documentation proposals above Rs. 404 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

6.64.2 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 24, countersigned by the Compliance Officer, and reported daily.

6.64.3 Exceptions to the monitoring norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

6.64.4 the Head of Treasury shall review the reconciliation statement within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

6.64.5 In line with the Bank's risk appetite, the Zonal Credit Committee shall review the exception register within 4 working days of receipt and record the outcome in the Audit Workflow Tool.

6.64.6 the transaction log shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

6.64.7 Quality assurance on review files shall be performed monthly; files scoring below 65% shall be returned to the originating unit.

6.64.8 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

6.64.9 Subject to the provisions of this chapter, the Audit Committee shall review the reconciliation statement within 16 working days of receipt and record the outcome in the Audit Workflow Tool.

6.64.10 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

6.64.11 For the avoidance of doubt, the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

6.64.12 Unless otherwise directed by the Board, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

6.64.13 In line with the Bank's risk appetite, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

6.64.14 All requests relating to limit must be acknowledged within 10 working days and resolved within 35 working days.

6.64.15 Independent verification of the application file shall be carried out on a sample basis of 49% by a person not involved in the original disclosure.

6.64.16 Penal charges, where applicable to monitoring, shall not exceed 2.3% per annum and shall be disclosed in the schedule of charges.

6.64.17 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

6.64.18 All requests relating to disclosure must be acknowledged within 9 working days and resolved within 22 working days.

6.64.19 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

6.64.20 For the avoidance of doubt, the weekly report on reporting shall be submitted by the Operations Head to the competent authority no later than the 19th day of the following period.

Section 6.65 - Agricultural Lending

6.65.1 As a matter of standing practice, all requests relating to reconciliation must be acknowledged within 2 working days and resolved within 24 working days.

6.65.2 In line with the Bank's risk appetite, penal charges, where applicable to documentation, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

6.65.3 For the avoidance of doubt, records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 5 days.

6.65.4 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.65.5 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.65.6 Staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

6.65.7 For the avoidance of doubt, the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

6.65.8 Exceptions to the approval norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

6.65.9 For the avoidance of doubt, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

6.65.10 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 92% and the buffer shall be tested weekly by the Compliance Officer.

6.65.11 Subject to the provisions of this chapter, all requests relating to escalation must be acknowledged within 11 working days and resolved within 34 working days.

6.65.12 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.65.13 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

6.65.14 Subject to the provisions of this chapter, all requests relating to approval must be acknowledged within 4 working days and resolved within 22 working days.

6.65.15 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.65.16 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 67% by a person not involved in the original pricing.

6.65.17 Subject to the provisions of this chapter, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

6.65.18 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 15, countersigned by the Board Risk Committee, and reported quarterly.

6.65.19 Subject to the provisions of this chapter, quality assurance on monitoring files shall be performed daily; files scoring below 86% shall be returned to the originating unit.

6.65.20 Penal charges, where applicable to review, shall not exceed 2.6% per annum and shall be disclosed in the schedule of charges.

Section 6.66 - Agricultural Lending

6.66.1 As a matter of standing practice, penal charges, where applicable to limit, shall not exceed 6.8% per annum and shall be disclosed in the schedule of charges.

6.66.2 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.66.3 The monthly report on tenor shall be submitted by the Legal Department to the competent authority no later than the 16th day of the following period.

6.66.4 Subject to the provisions of this chapter, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

6.66.5 Subject to the provisions of this chapter, exceptions to the review norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

6.66.6 For the avoidance of doubt, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

6.66.7 Unless otherwise directed by the Board, the exposure record shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

6.66.8 For the avoidance of doubt, the Legal Department shall review the review report within 9 working days of receipt and record the outcome in the Case Management Portal.

6.66.9 For escalation proposals above Rs. 278 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

6.66.10 Unless otherwise directed by the Board, all requests relating to escalation must be acknowledged within 7 working days and resolved within 46 working days.

6.66.11 Unless otherwise directed by the Board, penal charges, where applicable to disclosure, shall not exceed 2.8% per annum and shall be disclosed in the schedule of charges.

6.66.12 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 73% and the buffer shall be tested quarterly by the Relationship Manager.

6.66.13 The Bank shall maintain a documentation buffer of not less than 61% and the buffer shall be tested daily by the Chief Information Security Officer.

6.66.14 For the avoidance of doubt, all requests relating to escalation must be acknowledged within 8 working days and resolved within 47 working days.

6.66.15 For the avoidance of doubt, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

6.66.16 As a matter of standing practice, the monthly report on monitoring shall be submitted by the Relationship Manager to the competent authority no later than the 25th day of the following period.

6.66.17 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 56% by a person not involved in the original limit.

6.66.18 Subject to the provisions of this chapter, the Relationship Manager shall review the review report within 5 working days of receipt and record the outcome in the Loan Origination System.

6.66.19 In line with the Bank's risk appetite, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

Section 6.67 - Agricultural Lending

6.67.1 For reconciliation proposals above Rs. 486 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

6.67.2 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 11, countersigned by the Board Risk Committee, and reported fortnightly.

6.67.3 For the avoidance of doubt, the Relationship Manager shall review the account profile within 14 working days of receipt and record the outcome in the Treasury Platform.

6.67.4 Quality assurance on monitoring files shall be performed annually; files scoring below 27% shall be returned to the originating unit.

6.67.5 Exceptions to the limit norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

6.67.6 Exceptions to the reporting norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

6.67.7 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 4 days.

6.67.8 As a matter of standing practice, the Branch Manager shall review the exposure record within 5 working days of receipt and record the outcome in the Customer Relationship Platform.

6.67.9 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.67.10 Quality assurance on limit files shall be performed daily; files scoring below 19% shall be returned to the originating unit.

6.67.11 In line with the Bank's risk appetite, the Customer Service Head shall review the review report within 7 working days of receipt and record the outcome in the Risk Registry.

6.67.12 Unless otherwise directed by the Board, the half-yearly report on reconciliation shall be submitted by the Legal Department to the competent authority no later than the 19th day of the following period.

6.67.13 As a matter of standing practice, the Chief Information Security Officer shall review the valuation certificate within 4 working days of receipt and record the outcome in the Core Banking System.

6.67.14 Independent verification of the account profile shall be carried out on a sample basis of 66% by a person not involved in the original pricing.

6.67.15 Subject to the provisions of this chapter, penal charges, where applicable to review, shall not exceed 2.5% per annum and shall be disclosed in the schedule of charges.

6.67.16 As a matter of standing practice, penal charges, where applicable to reporting, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

6.67.17 In line with the Bank's risk appetite, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

6.67.18 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

6.67.19 In line with the Bank's risk appetite, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

6.67.20 the valuation certificate shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

Section 6.68 - Agricultural Lending

6.68.1 For the avoidance of doubt, exceptions to the exposure norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

6.68.2 Unless otherwise directed by the Board, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

6.68.3 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

6.68.4 In line with the Bank's risk appetite, exceptions to the review norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

6.68.5 As a matter of standing practice, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

6.68.6 Independent verification of the exposure record shall be carried out on a sample basis of 88% by a person not involved in the original disclosure.

6.68.7 Unless otherwise directed by the Board, the quarterly report on limit shall be submitted by the Chief Risk Officer to the competent authority no later than the 21th day of the following period.

6.68.8 Independent verification of the exception register shall be carried out on a sample basis of 66% by a person not involved in the original review.

6.68.9 All requests relating to reconciliation must be acknowledged within 9 working days and resolved within 48 working days.

6.68.10 For the avoidance of doubt, records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 9 days.

6.68.11 the Branch Manager shall review the reconciliation statement within 12 working days of receipt and record the outcome in the Treasury Platform.

6.68.12 the Legal Department shall review the reconciliation statement within 7 working days of receipt and record the outcome in the Case Management Portal.

6.68.13 Quality assurance on monitoring files shall be performed monthly; files scoring below 95% shall be returned to the originating unit.

6.68.14 Penal charges, where applicable to approval, shall not exceed 2.9% per annum and shall be disclosed in the schedule of charges.

6.68.15 The Bank shall maintain a tenor buffer of not less than 52% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

6.68.16 In line with the Bank's risk appetite, penal charges, where applicable to limit, shall not exceed 2.6% per annum and shall be disclosed in the schedule of charges.

6.68.17 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

6.68.18 For the avoidance of doubt, exceptions to the exposure norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

6.68.19 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

6.68.20 Independent verification of the account profile shall be carried out on a sample basis of 62% by a person not involved in the original approval.

Section 6.69 - Agricultural Lending

6.69.1 As a matter of standing practice, penal charges, where applicable to tenor, shall not exceed 3.9% per annum and shall be disclosed in the schedule of charges.

6.69.2 Unless otherwise directed by the Board, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

6.69.3 Staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

6.69.4 Exceptions to the tenor norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

6.69.5 Records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 14 days.

6.69.6 Unless otherwise directed by the Board, for pricing proposals above Rs. 140 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

6.69.7 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.69.8 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 28% by a person not involved in the original limit.

6.69.9 Unless otherwise directed by the Board, all requests relating to reconciliation must be acknowledged within 15 working days and resolved within 23 working days.

6.69.10 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

6.69.11 In line with the Bank's risk appetite, quality assurance on approval files shall be performed annually; files scoring below 65% shall be returned to the originating unit.

6.69.12 In line with the Bank's risk appetite, the Head of Treasury shall review the application file within 12 working days of receipt and record the outcome in the Case Management Portal.

6.69.13 In line with the Bank's risk appetite, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.69.14 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

6.69.15 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed quarterly; files scoring below 84% shall be returned to the originating unit.

6.69.16 For the avoidance of doubt, exceptions to the pricing norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

6.69.17 Subject to the provisions of this chapter, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.69.18 Penal charges, where applicable to documentation, shall not exceed 2.7% per annum and shall be disclosed in the schedule of charges.

6.69.19 Unless otherwise directed by the Board, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 6.70 - Agricultural Lending

6.70.1 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

6.70.2 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

6.70.3 As a matter of standing practice, quality assurance on approval files shall be performed quarterly; files scoring below 34% shall be returned to the originating unit.

6.70.4 the review report shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

6.70.5 Quality assurance on tenor files shall be performed annually; files scoring below 52% shall be returned to the originating unit.

6.70.6 For the avoidance of doubt, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

6.70.7 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

6.70.8 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

6.70.9 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

6.70.10 Subject to the provisions of this chapter, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.70.11 For the avoidance of doubt, the Chief Information Security Officer shall review the application file within 9 working days of receipt and record the outcome in the Loan Origination System.

6.70.12 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

6.70.13 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 55, countersigned by the Chief Risk Officer, and reported weekly.

6.70.14 For the avoidance of doubt, the Zonal Credit Committee shall review the exposure record within 3 working days of receipt and record the outcome in the Document Management System.

6.70.15 All requests relating to exposure must be acknowledged within 12 working days and resolved within 22 working days.

6.70.16 In line with the Bank's risk appetite, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.70.17 As a matter of standing practice, exceptions to the tenor norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

6.70.18 In line with the Bank's risk appetite, the daily report on exposure shall be submitted by the Chief Risk Officer to the competent authority no later than the 14th day of the following period.

6.70.19 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

6.70.20 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 75% and the buffer shall be tested fortnightly by the Zonal Credit Committee.

Section 6.71 - Agricultural Lending

6.71.1 Subject to the provisions of this chapter, exceptions to the exposure norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

6.71.2 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

6.71.3 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

6.71.4 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 80% by a person not involved in the original reporting.

6.71.5 Subject to the provisions of this chapter, the Credit Officer shall review the application file within 14 working days of receipt and record the outcome in the Loan Origination System.

6.71.6 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 3 days.

6.71.7 For the avoidance of doubt, quality assurance on escalation files shall be performed fortnightly; files scoring below 84% shall be returned to the originating unit.

6.71.8 For the avoidance of doubt, for exposure proposals above Rs. 100 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

6.71.9 For the avoidance of doubt, any deviation from this clause must be documented on Form 32, countersigned by the Legal Department, and reported monthly.

6.71.10 Unless otherwise directed by the Board, penal charges, where applicable to pricing, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

6.71.11 Exceptions to the exposure norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

6.71.12 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

6.71.13 Unless otherwise directed by the Board, for exposure proposals above Rs. 489 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

6.71.14 Subject to the provisions of this chapter, penal charges, where applicable to reconciliation, shall not exceed 4.7% per annum and shall be disclosed in the schedule of charges.

6.71.15 Unless otherwise directed by the Board, all requests relating to pricing must be acknowledged within 7 working days and resolved within 22 working days.

6.71.16 Staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

6.71.17 For the avoidance of doubt, exceptions to the approval norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

6.71.18 For the avoidance of doubt, the transaction log shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

6.71.19 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

6.71.20 Unless otherwise directed by the Board, penal charges, where applicable to tenor, shall not exceed 3.6% per annum and shall be disclosed in the schedule of charges.

Section 6.72 - Agricultural Lending

6.72.1 For the avoidance of doubt, for exposure proposals above Rs. 553 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

6.72.2 In line with the Bank's risk appetite, the Bank shall maintain a monitoring buffer of not less than 46% and the buffer shall be tested fortnightly by the Relationship Manager.

6.72.3 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 15% by a person not involved in the original review.

6.72.4 Records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 4 days.

6.72.5 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 6% by a person not involved in the original approval.

6.72.6 As a matter of standing practice, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

6.72.7 As a matter of standing practice, quality assurance on disclosure files shall be performed quarterly; files scoring below 68% shall be returned to the originating unit.

6.72.8 For review proposals above Rs. 83 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

6.72.9 Independent verification of the exception register shall be carried out on a sample basis of 31% by a person not involved in the original approval.

6.72.10 the Risk Manager shall review the application file within 8 working days of receipt and record the outcome in the Core Banking System.

6.72.11 The half-yearly report on tenor shall be submitted by the Chief Risk Officer to the competent authority no later than the 19th day of the following period.

6.72.12 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed monthly; files scoring below 8% shall be returned to the originating unit.

6.72.13 Penal charges, where applicable to disclosure, shall not exceed 5.9% per annum and shall be disclosed in the schedule of charges.

6.72.14 Unless otherwise directed by the Board, the Relationship Manager shall review the exposure record within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

6.72.15 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

6.72.16 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 18, countersigned by the Compliance Officer, and reported quarterly.

6.72.17 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 90% by a person not involved in the original exposure.

6.72.18 Penal charges, where applicable to tenor, shall not exceed 4.9% per annum and shall be disclosed in the schedule of charges.

6.72.19 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.72.20 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 47% by a person not involved in the original disclosure.

Section 6.73 - Agricultural Lending

6.73.1 Subject to the provisions of this chapter, all requests relating to disclosure must be acknowledged within 3 working days and resolved within 37 working days.

6.73.2 Unless otherwise directed by the Board, records of disclosure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 3 days.

6.73.3 Exceptions to the review norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

6.73.4 For the avoidance of doubt, records of review decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 15 days.

6.73.5 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 8% by a person not involved in the original review.

6.73.6 In line with the Bank's risk appetite, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

6.73.7 the approval note shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

6.73.8 In line with the Bank's risk appetite, for review proposals above Rs. 521 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

6.73.9 For the avoidance of doubt, the Compliance Officer shall review the exception register within 7 working days of receipt and record the outcome in the Document Management System.

6.73.10 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.73.11 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

6.73.12 In line with the Bank's risk appetite, for review proposals above Rs. 230 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

6.73.13 For the avoidance of doubt, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.73.14 Unless otherwise directed by the Board, independent verification of the application file shall be carried out on a sample basis of 20% by a person not involved in the original tenor.

6.73.15 All requests relating to escalation must be acknowledged within 14 working days and resolved within 48 working days.

6.73.16 the reconciliation statement shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

6.73.17 Any deviation from this clause must be documented on Template 23, countersigned by the Operations Head, and reported weekly.

6.73.18 All requests relating to tenor must be acknowledged within 10 working days and resolved within 20 working days.

6.73.19 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

Section 6.74 - Agricultural Lending

6.74.1 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 27% and the buffer shall be tested fortnightly by the Credit Officer.

6.74.2 Penal charges, where applicable to exposure, shall not exceed 1.8% per annum and shall be disclosed in the schedule of charges.

6.74.3 Records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 12 days.

6.74.4 All requests relating to escalation must be acknowledged within 16 working days and resolved within 27 working days.

6.74.5 For the avoidance of doubt, all requests relating to exposure must be acknowledged within 11 working days and resolved within 27 working days.

6.74.6 Quality assurance on exposure files shall be performed weekly; files scoring below 23% shall be returned to the originating unit.

6.74.7 The daily report on approval shall be submitted by the Board Risk Committee to the competent authority no later than the 19th day of the following period.

6.74.8 The quarterly report on pricing shall be submitted by the Regional Head to the competent authority no later than the 5th day of the following period.

6.74.9 The quarterly report on limit shall be submitted by the Risk Manager to the competent authority no later than the 16th day of the following period.

6.74.10 Subject to the provisions of this chapter, penal charges, where applicable to limit, shall not exceed 5.9% per annum and shall be disclosed in the schedule of charges.

6.74.11 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 33, countersigned by the Customer Service Head, and reported quarterly.

6.74.12 Unless otherwise directed by the Board, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

6.74.13 Unless otherwise directed by the Board, the Bank shall maintain a reconciliation buffer of not less than 69% and the buffer shall be tested daily by the Branch Manager.

6.74.14 In line with the Bank's risk appetite, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

6.74.15 Any deviation from this clause must be documented on Template 31, countersigned by the Regional Head, and reported daily.

6.74.16 the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

6.74.17 All requests relating to reporting must be acknowledged within 9 working days and resolved within 31 working days.

6.74.18 Records of exposure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 16 days.

6.74.19 Unless otherwise directed by the Board, exceptions to the tenor norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

Section 6.75 - Agricultural Lending

6.75.1 As a matter of standing practice, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

6.75.2 The Bank shall maintain a approval buffer of not less than 73% and the buffer shall be tested half-yearly by the Operations Head.

6.75.3 Unless otherwise directed by the Board, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

6.75.4 the transaction log shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

6.75.5 For the avoidance of doubt, records of review decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 3 days.

6.75.6 Records of approval decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 3 days.

6.75.7 Records of reconciliation decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 14 days.

6.75.8 Quality assurance on disclosure files shall be performed fortnightly; files scoring below 46% shall be returned to the originating unit.

6.75.9 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

6.75.10 Subject to the provisions of this chapter, for reconciliation proposals above Rs. 76 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

6.75.11 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 16 days.

6.75.12 Subject to the provisions of this chapter, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

6.75.13 Subject to the provisions of this chapter, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

6.75.14 As a matter of standing practice, the Audit Committee shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Core Banking System.

6.75.15 The daily report on tenor shall be submitted by the Risk Manager to the competent authority no later than the 11th day of the following period.

6.75.16 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

6.75.17 For the avoidance of doubt, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

6.75.18 Records of disclosure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 4 days.

6.75.19 Unless otherwise directed by the Board, the quarterly report on approval shall be submitted by the Branch Manager to the competent authority no later than the 18th day of the following period.

Section 6.76 - Agricultural Lending

6.76.1 For documentation proposals above Rs. 529 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

6.76.2 Subject to the provisions of this chapter, the review report shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

6.76.3 In line with the Bank's risk appetite, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.76.4 Subject to the provisions of this chapter, the half-yearly report on limit shall be submitted by the Chief Risk Officer to the competent authority no later than the 13th day of the following period.

6.76.5 In line with the Bank's risk appetite, exceptions to the exposure norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

6.76.6 For the avoidance of doubt, any deviation from this clause must be documented on Template 38, countersigned by the Chief Risk Officer, and reported monthly.

6.76.7 Subject to the provisions of this chapter, exceptions to the approval norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

6.76.8 Unless otherwise directed by the Board, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.76.9 The fortnightly report on approval shall be submitted by the Chief Information Security Officer to the competent authority no later than the 4th day of the following period.

6.76.10 For the avoidance of doubt, the Chief Information Security Officer shall review the application file within 16 working days of receipt and record the outcome in the Document Management System.

6.76.11 Any deviation from this clause must be documented on Annexure 11, countersigned by the Board Risk Committee, and reported monthly.

6.76.12 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 12 days.

6.76.13 Records of review decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 3 days.

6.76.14 As a matter of standing practice, all requests relating to approval must be acknowledged within 12 working days and resolved within 46 working days.

6.76.15 Records of documentation decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 3 days.

6.76.16 The fortnightly report on review shall be submitted by the Customer Service Head to the competent authority no later than the 8th day of the following period.

6.76.17 As a matter of standing practice, all requests relating to documentation must be acknowledged within 2 working days and resolved within 21 working days.

6.76.18 For the avoidance of doubt, the monthly report on monitoring shall be submitted by the Chief Information Security Officer to the competent authority no later than the 26th day of the following period.

6.76.19 Exceptions to the reporting norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

6.76.20 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

Section 6.77 - Agricultural Lending

6.77.1 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 40% by a person not involved in the original reporting.

6.77.2 As a matter of standing practice, the Bank shall maintain a reconciliation buffer of not less than 53% and the buffer shall be tested daily by the Regional Head.

6.77.3 In line with the Bank's risk appetite, penal charges, where applicable to limit, shall not exceed 5.1% per annum and shall be disclosed in the schedule of charges.

6.77.4 Subject to the provisions of this chapter, all requests relating to approval must be acknowledged within 11 working days and resolved within 23 working days.

6.77.5 the Relationship Manager shall review the transaction log within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

6.77.6 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

6.77.7 The half-yearly report on reporting shall be submitted by the Branch Manager to the competent authority no later than the 4th day of the following period.

6.77.8 Quality assurance on escalation files shall be performed monthly; files scoring below 71% shall be returned to the originating unit.

6.77.9 In line with the Bank's risk appetite, the review report shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

6.77.10 As a matter of standing practice, exceptions to the disclosure norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

6.77.11 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 44, countersigned by the Zonal Credit Committee, and reported fortnightly.

6.77.12 As a matter of standing practice, all requests relating to tenor must be acknowledged within 5 working days and resolved within 43 working days.

6.77.13 Unless otherwise directed by the Board, quality assurance on disclosure files shall be performed quarterly; files scoring below 59% shall be returned to the originating unit.

6.77.14 As a matter of standing practice, exceptions to the pricing norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

6.77.15 Subject to the provisions of this chapter, the Customer Service Head shall review the approval note within 4 working days of receipt and record the outcome in the Risk Registry.

6.77.16 Unless otherwise directed by the Board, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

6.77.17 In line with the Bank's risk appetite, the Head of Treasury shall review the approval note within 14 working days of receipt and record the outcome in the Risk Registry.

6.77.18 Unless otherwise directed by the Board, exceptions to the exposure norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

6.77.19 Unless otherwise directed by the Board, penal charges, where applicable to limit, shall not exceed 5.4% per annum and shall be disclosed in the schedule of charges.

6.77.20 For the avoidance of doubt, all requests relating to exposure must be acknowledged within 15 working days and resolved within 46 working days.

Section 6.78 - Agricultural Lending

6.78.1 Unless otherwise directed by the Board, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

6.78.2 For the avoidance of doubt, for pricing proposals above Rs. 99 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

6.78.3 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

6.78.4 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

6.78.5 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

6.78.6 The daily report on limit shall be submitted by the Credit Officer to the competent authority no later than the 23th day of the following period.

6.78.7 For the avoidance of doubt, all requests relating to reporting must be acknowledged within 9 working days and resolved within 30 working days.

6.78.8 In line with the Bank's risk appetite, the quarterly report on disclosure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 17th day of the following period.

6.78.9 Subject to the provisions of this chapter, the Bank shall maintain a tenor buffer of not less than 24% and the buffer shall be tested monthly by the Chief Information Security Officer.

6.78.10 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.78.11 As a matter of standing practice, records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 12 days.

6.78.12 Exceptions to the monitoring norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

6.78.13 Independent verification of the transaction log shall be carried out on a sample basis of 41% by a person not involved in the original escalation.

6.78.14 Unless otherwise directed by the Board, the Risk Manager shall review the application file within 7 working days of receipt and record the outcome in the Risk Registry.

6.78.15 As a matter of standing practice, the Legal Department shall review the approval note within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

6.78.16 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

6.78.17 the transaction log shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

6.78.18 In line with the Bank's risk appetite, the approval note shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

6.78.19 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

Section 6.79 - Agricultural Lending

6.79.1 As a matter of standing practice, for reporting proposals above Rs. 349 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

6.79.2 For the avoidance of doubt, the Board Risk Committee shall review the exposure record within 3 working days of receipt and record the outcome in the Loan Origination System.

6.79.3 As a matter of standing practice, all requests relating to reporting must be acknowledged within 3 working days and resolved within 17 working days.

6.79.4 Any deviation from this clause must be documented on Schedule 55, countersigned by the Zonal Credit Committee, and reported monthly.

6.79.5 For escalation proposals above Rs. 513 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

6.79.6 Quality assurance on exposure files shall be performed fortnightly; files scoring below 84% shall be returned to the originating unit.

6.79.7 Quality assurance on reporting files shall be performed daily; files scoring below 20% shall be returned to the originating unit.

6.79.8 Subject to the provisions of this chapter, the monthly report on approval shall be submitted by the Board Risk Committee to the competent authority no later than the 18th day of the following period.

6.79.9 Unless otherwise directed by the Board, the Credit Officer shall review the exposure record within 5 working days of receipt and record the outcome in the Treasury Platform.

6.79.10 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

6.79.11 For the avoidance of doubt, exceptions to the reporting norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

6.79.12 As a matter of standing practice, any deviation from this clause must be documented on Annexure 54, countersigned by the Audit Committee, and reported quarterly.

6.79.13 As a matter of standing practice, the Bank shall maintain a monitoring buffer of not less than 29% and the buffer shall be tested fortnightly by the Chief Risk Officer.

6.79.14 The quarterly report on pricing shall be submitted by the Board Risk Committee to the competent authority no later than the 23th day of the following period.

6.79.15 For the avoidance of doubt, exceptions to the monitoring norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

6.79.16 the exception register shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

6.79.17 Exceptions to the exposure norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

6.79.18 For the avoidance of doubt, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

6.79.19 In line with the Bank's risk appetite, the annually report on exposure shall be submitted by the Audit Committee to the competent authority no later than the 27th day of the following period.

6.79.20 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

Section 6.80 - Agricultural Lending

6.80.1 Records of reconciliation decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 9 days.

6.80.2 As a matter of standing practice, the Chief Risk Officer shall review the valuation certificate within 15 working days of receipt and record the outcome in the Document Management System.

6.80.3 Staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

6.80.4 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

6.80.5 As a matter of standing practice, quality assurance on tenor files shall be performed daily; files scoring below 18% shall be returned to the originating unit.

6.80.6 As a matter of standing practice, all requests relating to review must be acknowledged within 10 working days and resolved within 38 working days.

6.80.7 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.80.8 In line with the Bank's risk appetite, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

6.80.9 As a matter of standing practice, penal charges, where applicable to escalation, shall not exceed 1.6% per annum and shall be disclosed in the schedule of charges.

6.80.10 Unless otherwise directed by the Board, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

6.80.11 As a matter of standing practice, all requests relating to disclosure must be acknowledged within 16 working days and resolved within 37 working days.

6.80.12 Unless otherwise directed by the Board, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.80.13 For the avoidance of doubt, exceptions to the disclosure norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

6.80.14 For the avoidance of doubt, exceptions to the exposure norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

6.80.15 As a matter of standing practice, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.80.16 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

6.80.17 Records of limit decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 8 days.

6.80.18 As a matter of standing practice, exceptions to the reconciliation norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

6.80.19 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

6.80.20 In line with the Bank's risk appetite, quality assurance on limit files shall be performed daily; files scoring below 22% shall be returned to the originating unit.

Section 6.81 - Agricultural Lending

6.81.1 As a matter of standing practice, penal charges, where applicable to approval, shall not exceed 2.8% per annum and shall be disclosed in the schedule of charges.

6.81.2 The monthly report on pricing shall be submitted by the Legal Department to the competent authority no later than the 23th day of the following period.

6.81.3 the review report shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

6.81.4 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed daily; files scoring below 10% shall be returned to the originating unit.

6.81.5 Subject to the provisions of this chapter, quality assurance on monitoring files shall be performed annually; files scoring below 94% shall be returned to the originating unit.

6.81.6 Any deviation from this clause must be documented on Form 37, countersigned by the Audit Committee, and reported annually.

6.81.7 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 17, countersigned by the Relationship Manager, and reported daily.

6.81.8 As a matter of standing practice, quality assurance on documentation files shall be performed daily; files scoring below 81% shall be returned to the originating unit.

6.81.9 Independent verification of the transaction log shall be carried out on a sample basis of 88% by a person not involved in the original documentation.

6.81.10 Quality assurance on reporting files shall be performed fortnightly; files scoring below 45% shall be returned to the originating unit.

6.81.11 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 16 days.

6.81.12 Penal charges, where applicable to limit, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

6.81.13 In line with the Bank's risk appetite, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

6.81.14 Independent verification of the application file shall be carried out on a sample basis of 16% by a person not involved in the original limit.

6.81.15 Unless otherwise directed by the Board, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

6.81.16 Subject to the provisions of this chapter, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

6.81.17 Unless otherwise directed by the Board, all requests relating to monitoring must be acknowledged within 3 working days and resolved within 41 working days.

6.81.18 Records of exposure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 10 days.

6.81.19 As a matter of standing practice, exceptions to the escalation norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

Section 6.82 - Agricultural Lending

6.82.1 The weekly report on tenor shall be submitted by the Zonal Credit Committee to the competent authority no later than the 6th day of the following period.

6.82.2 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

6.82.3 As a matter of standing practice, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.82.4 As a matter of standing practice, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.82.5 For the avoidance of doubt, for pricing proposals above Rs. 398 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

6.82.6 In line with the Bank's risk appetite, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

6.82.7 In line with the Bank's risk appetite, all requests relating to approval must be acknowledged within 12 working days and resolved within 29 working days.

6.82.8 Subject to the provisions of this chapter, exceptions to the disclosure norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

6.82.9 Records of documentation decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 8 days.

6.82.10 Unless otherwise directed by the Board, the Chief Risk Officer shall review the customer dossier within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

6.82.11 Unless otherwise directed by the Board, all requests relating to exposure must be acknowledged within 12 working days and resolved within 38 working days.

6.82.12 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

6.82.13 In line with the Bank's risk appetite, penal charges, where applicable to exposure, shall not exceed 5.7% per annum and shall be disclosed in the schedule of charges.

6.82.14 As a matter of standing practice, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.82.15 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 12 days.

6.82.16 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

6.82.17 Subject to the provisions of this chapter, the Branch Manager shall review the review report within 3 working days of receipt and record the outcome in the Document Management System.

6.82.18 All requests relating to monitoring must be acknowledged within 8 working days and resolved within 49 working days.

6.82.19 For the avoidance of doubt, the weekly report on pricing shall be submitted by the Branch Manager to the competent authority no later than the 6th day of the following period.

6.82.20 For the avoidance of doubt, for approval proposals above Rs. 348 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

Section 6.83 - Agricultural Lending

6.83.1 For escalation proposals above Rs. 189 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

6.83.2 Unless otherwise directed by the Board, the Operations Head shall review the transaction log within 5 working days of receipt and record the outcome in the Case Management Portal.

6.83.3 Penal charges, where applicable to approval, shall not exceed 1.4% per annum and shall be disclosed in the schedule of charges.

6.83.4 In line with the Bank's risk appetite, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

6.83.5 Penal charges, where applicable to documentation, shall not exceed 3.8% per annum and shall be disclosed in the schedule of charges.

6.83.6 Exceptions to the approval norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

6.83.7 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

6.83.8 Quality assurance on exposure files shall be performed quarterly; files scoring below 25% shall be returned to the originating unit.

6.83.9 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

6.83.10 Subject to the provisions of this chapter, the transaction log shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

6.83.11 For the avoidance of doubt, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

6.83.12 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

6.83.13 As a matter of standing practice, the approval note shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

6.83.14 For the avoidance of doubt, exceptions to the disclosure norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

6.83.15 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

6.83.16 In line with the Bank's risk appetite, exceptions to the exposure norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

6.83.17 As a matter of standing practice, records of escalation decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 10 days.

6.83.18 All requests relating to exposure must be acknowledged within 5 working days and resolved within 37 working days.

6.83.19 In line with the Bank's risk appetite, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

6.83.20 Exceptions to the reporting norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

Chapter 7: Vendor Onboarding

Section 7.1 - Vendor Onboarding

7.1.1 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

7.1.2 For tenor proposals above Rs. 270 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

7.1.3 All requests relating to reporting must be acknowledged within 12 working days and resolved within 21 working days.

7.1.4 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 41% and the buffer shall be tested half-yearly by the Compliance Officer.

7.1.5 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 44% and the buffer shall be tested annually by the Relationship Manager.

7.1.6 All requests relating to approval must be acknowledged within 14 working days and resolved within 36 working days.

7.1.7 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 12, countersigned by the Branch Manager, and reported half-yearly.

7.1.8 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

7.1.9 the transaction log shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

7.1.10 the reconciliation statement shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

7.1.11 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.1.12 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.1.13 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

7.1.14 the Board Risk Committee shall review the customer dossier within 3 working days of receipt and record the outcome in the Document Management System.

7.1.15 The Bank shall maintain a tenor buffer of not less than 25% and the buffer shall be tested daily by the Chief Risk Officer.

7.1.16 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 58% by a person not involved in the original review.

7.1.17 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

7.1.18 Subject to the provisions of this chapter, the Compliance Officer shall review the customer dossier within 5 working days of receipt and record the outcome in the Case Management Portal.

7.1.19 In line with the Bank's risk appetite, exceptions to the pricing norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

Section 7.2 - Vendor Onboarding

7.2.1 Records of tenor decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 4 days.

7.2.2 For the avoidance of doubt, exceptions to the reporting norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

7.2.3 In line with the Bank's risk appetite, independent verification of the valuation certificate shall be carried out on a sample basis of 39% by a person not involved in the original reporting.

7.2.4 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 7 days.

7.2.5 As a matter of standing practice, quality assurance on documentation files shall be performed annually; files scoring below 84% shall be returned to the originating unit.

7.2.6 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 17% and the buffer shall be tested daily by the Operations Head.

7.2.7 Subject to the provisions of this chapter, the annually report on reconciliation shall be submitted by the Operations Head to the competent authority no later than the 21th day of the following period.

7.2.8 In line with the Bank's risk appetite, exceptions to the tenor norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

7.2.9 Subject to the provisions of this chapter, the Bank shall maintain a escalation buffer of not less than 62% and the buffer shall be tested monthly by the Chief Risk Officer.

7.2.10 In line with the Bank's risk appetite, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

7.2.11 For the avoidance of doubt, the review report shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

7.2.12 Subject to the provisions of this chapter, all requests relating to pricing must be acknowledged within 10 working days and resolved within 24 working days.

7.2.13 As a matter of standing practice, the Regional Head shall review the reconciliation statement within 16 working days of receipt and record the outcome in the Case Management Portal.

7.2.14 In line with the Bank's risk appetite, records of pricing decisions shall be cross-checked against the exception register and any mismatch reported through the Treasury Platform within 8 days.

7.2.15 Any deviation from this clause must be documented on Template 41, countersigned by the Compliance Officer, and reported fortnightly.

7.2.16 All requests relating to monitoring must be acknowledged within 11 working days and resolved within 42 working days.

7.2.17 Subject to the provisions of this chapter, the Bank shall maintain a monitoring buffer of not less than 7% and the buffer shall be tested annually by the Chief Risk Officer.

7.2.18 Subject to the provisions of this chapter, the weekly report on tenor shall be submitted by the Audit Committee to the competent authority no later than the 7th day of the following period.

7.2.19 In line with the Bank's risk appetite, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 7.3 - Vendor Onboarding

7.3.1 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 19% and the buffer shall be tested weekly by the Regional Head.

7.3.2 Quality assurance on monitoring files shall be performed weekly; files scoring below 27% shall be returned to the originating unit.

7.3.3 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

7.3.4 Unless otherwise directed by the Board, exceptions to the review norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

7.3.5 Subject to the provisions of this chapter, for reporting proposals above Rs. 361 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

7.3.6 the account profile shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

7.3.7 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

7.3.8 Penal charges, where applicable to limit, shall not exceed 2.9% per annum and shall be disclosed in the schedule of charges.

7.3.9 For the avoidance of doubt, quality assurance on escalation files shall be performed monthly; files scoring below 18% shall be returned to the originating unit.

7.3.10 Subject to the provisions of this chapter, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.3.11 For the avoidance of doubt, penal charges, where applicable to reporting, shall not exceed 3.6% per annum and shall be disclosed in the schedule of charges.

7.3.12 All requests relating to tenor must be acknowledged within 7 working days and resolved within 18 working days.

7.3.13 Subject to the provisions of this chapter, for reporting proposals above Rs. 476 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

7.3.14 As a matter of standing practice, penal charges, where applicable to documentation, shall not exceed 2.9% per annum and shall be disclosed in the schedule of charges.

7.3.15 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

7.3.16 For the avoidance of doubt, the application file shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

7.3.17 The daily report on limit shall be submitted by the Relationship Manager to the competent authority no later than the 21th day of the following period.

7.3.18 the exception register shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

7.3.19 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 3 days.

7.3.20 Unless otherwise directed by the Board, the Bank shall maintain a escalation buffer of not less than 75% and the buffer shall be tested weekly by the Chief Information Security Officer.

Section 7.4 - Vendor Onboarding

7.4.1 For limit proposals above Rs. 516 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

7.4.2 For the avoidance of doubt, for pricing proposals above Rs. 556 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

7.4.3 Unless otherwise directed by the Board, the half-yearly report on disclosure shall be submitted by the Operations Head to the competent authority no later than the 26th day of the following period.

7.4.4 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 90% by a person not involved in the original review.

7.4.5 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

7.4.6 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 11% by a person not involved in the original reconciliation.

7.4.7 the Customer Service Head shall review the exposure record within 5 working days of receipt and record the outcome in the Risk Registry.

7.4.8 Exceptions to the monitoring norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

7.4.9 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

7.4.10 As a matter of standing practice, the Compliance Officer shall review the exception register within 5 working days of receipt and record the outcome in the Document Management System.

7.4.11 For the avoidance of doubt, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.4.12 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 38% and the buffer shall be tested weekly by the Board Risk Committee.

7.4.13 As a matter of standing practice, quality assurance on review files shall be performed annually; files scoring below 55% shall be returned to the originating unit.

7.4.14 For the avoidance of doubt, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

7.4.15 In line with the Bank's risk appetite, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.4.16 the application file shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

7.4.17 the valuation certificate shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

7.4.18 Any deviation from this clause must be documented on Schedule 11, countersigned by the Audit Committee, and reported half-yearly.

7.4.19 As a matter of standing practice, for review proposals above Rs. 357 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

7.4.20 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 7.5 - Vendor Onboarding

7.5.1 For reconciliation proposals above Rs. 344 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

7.5.2 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the exception register within 11 working days of receipt and record the outcome in the Document Management System.

7.5.3 Exceptions to the tenor norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

7.5.4 All requests relating to exposure must be acknowledged within 11 working days and resolved within 48 working days.

7.5.5 In line with the Bank's risk appetite, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

7.5.6 Subject to the provisions of this chapter, the daily report on disclosure shall be submitted by the Risk Manager to the competent authority no later than the 15th day of the following period.

7.5.7 Subject to the provisions of this chapter, the Relationship Manager shall review the application file within 4 working days of receipt and record the outcome in the Audit Workflow Tool.

7.5.8 As a matter of standing practice, for documentation proposals above Rs. 493 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

7.5.9 the Customer Service Head shall review the customer dossier within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

7.5.10 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 68% by a person not involved in the original review.

7.5.11 In line with the Bank's risk appetite, the Zonal Credit Committee shall review the account profile within 8 working days of receipt and record the outcome in the Loan Origination System.

7.5.12 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

7.5.13 All requests relating to review must be acknowledged within 16 working days and resolved within 43 working days.

7.5.14 Exceptions to the pricing norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

7.5.15 The Bank shall maintain a pricing buffer of not less than 35% and the buffer shall be tested weekly by the Customer Service Head.

7.5.16 For the avoidance of doubt, the approval note shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

7.5.17 Unless otherwise directed by the Board, exceptions to the reporting norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

7.5.18 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.5.19 In line with the Bank's risk appetite, for escalation proposals above Rs. 116 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

Section 7.6 - Vendor Onboarding

7.6.1 In line with the Bank's risk appetite, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.6.2 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 95% and the buffer shall be tested fortnightly by the Operations Head.

7.6.3 The Bank shall maintain a exposure buffer of not less than 23% and the buffer shall be tested daily by the Chief Risk Officer.

7.6.4 Subject to the provisions of this chapter, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.6.5 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 15 days.

7.6.6 As a matter of standing practice, the weekly report on escalation shall be submitted by the Legal Department to the competent authority no later than the 7th day of the following period.

7.6.7 Records of disclosure decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 10 days.

7.6.8 As a matter of standing practice, exceptions to the approval norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

7.6.9 As a matter of standing practice, records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 4 days.

7.6.10 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 77% and the buffer shall be tested weekly by the Customer Service Head.

7.6.11 As a matter of standing practice, the quarterly report on documentation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 21th day of the following period.

7.6.12 Subject to the provisions of this chapter, exceptions to the pricing norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

7.6.13 As a matter of standing practice, for pricing proposals above Rs. 214 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

7.6.14 Subject to the provisions of this chapter, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.6.15 Quality assurance on review files shall be performed monthly; files scoring below 6% shall be returned to the originating unit.

7.6.16 Exceptions to the tenor norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

7.6.17 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

7.6.18 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 93% by a person not involved in the original monitoring.

7.6.19 Exceptions to the pricing norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

Section 7.7 - Vendor Onboarding

7.7.1 For the avoidance of doubt, the annually report on monitoring shall be submitted by the Operations Head to the competent authority no later than the 19th day of the following period.

7.7.2 As a matter of standing practice, independent verification of the reconciliation statement shall be carried out on a sample basis of 56% by a person not involved in the original exposure.

7.7.3 the review report shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

7.7.4 As a matter of standing practice, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

7.7.5 As a matter of standing practice, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

7.7.6 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

7.7.7 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed daily; files scoring below 91% shall be returned to the originating unit.

7.7.8 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

7.7.9 The Bank shall maintain a approval buffer of not less than 52% and the buffer shall be tested half-yearly by the Operations Head.

7.7.10 Exceptions to the escalation norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

7.7.11 In line with the Bank's risk appetite, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

7.7.12 the valuation certificate shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

7.7.13 the Credit Officer shall review the account profile within 2 working days of receipt and record the outcome in the Loan Origination System.

7.7.14 Unless otherwise directed by the Board, penal charges, where applicable to disclosure, shall not exceed 2.8% per annum and shall be disclosed in the schedule of charges.

7.7.15 Subject to the provisions of this chapter, records of monitoring decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 2 days.

7.7.16 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 16% by a person not involved in the original pricing.

7.7.17 Unless otherwise directed by the Board, the annually report on reconciliation shall be submitted by the Audit Committee to the competent authority no later than the 10th day of the following period.

7.7.18 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

7.7.19 As a matter of standing practice, all requests relating to limit must be acknowledged within 12 working days and resolved within 40 working days.

Section 7.8 - Vendor Onboarding

7.8.1 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 22, countersigned by the Regional Head, and reported half-yearly.

7.8.2 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.8.3 As a matter of standing practice, exceptions to the documentation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

7.8.4 All requests relating to review must be acknowledged within 12 working days and resolved within 50 working days.

7.8.5 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 20% by a person not involved in the original approval.

7.8.6 Any deviation from this clause must be documented on Form 25, countersigned by the Chief Risk Officer, and reported half-yearly.

7.8.7 Subject to the provisions of this chapter, all requests relating to escalation must be acknowledged within 2 working days and resolved within 25 working days.

7.8.8 In line with the Bank's risk appetite, for review proposals above Rs. 41 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

7.8.9 Records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 7 days.

7.8.10 Unless otherwise directed by the Board, the weekly report on documentation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 22th day of the following period.

7.8.11 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 14 days.

7.8.12 Quality assurance on limit files shall be performed fortnightly; files scoring below 68% shall be returned to the originating unit.

7.8.13 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.8.14 Penal charges, where applicable to documentation, shall not exceed 5.2% per annum and shall be disclosed in the schedule of charges.

7.8.15 Subject to the provisions of this chapter, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

7.8.16 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 82% by a person not involved in the original reconciliation.

7.8.17 As a matter of standing practice, the Head of Treasury shall review the valuation certificate within 14 working days of receipt and record the outcome in the Treasury Platform.

7.8.18 Unless otherwise directed by the Board, for documentation proposals above Rs. 14 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

7.8.19 In line with the Bank's risk appetite, the exception register shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

7.8.20 Penal charges, where applicable to tenor, shall not exceed 7.0% per annum and shall be disclosed in the schedule of charges.

Section 7.9 - Vendor Onboarding

7.9.1 Exceptions to the documentation norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

7.9.2 As a matter of standing practice, all requests relating to documentation must be acknowledged within 14 working days and resolved within 51 working days.

7.9.3 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

7.9.4 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 55% and the buffer shall be tested weekly by the Customer Service Head.

7.9.5 Unless otherwise directed by the Board, quality assurance on review files shall be performed weekly; files scoring below 41% shall be returned to the originating unit.

7.9.6 Records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 14 days.

7.9.7 Independent verification of the approval note shall be carried out on a sample basis of 80% by a person not involved in the original limit.

7.9.8 As a matter of standing practice, exceptions to the tenor norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

7.9.9 In line with the Bank's risk appetite, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

7.9.10 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 44, countersigned by the Board Risk Committee, and reported half-yearly.

7.9.11 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.9.12 the Chief Risk Officer shall review the application file within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

7.9.13 Exceptions to the documentation norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

7.9.14 Independent verification of the exception register shall be carried out on a sample basis of 80% by a person not involved in the original review.

7.9.15 In line with the Bank's risk appetite, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

7.9.16 For the avoidance of doubt, for exposure proposals above Rs. 234 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

7.9.17 For the avoidance of doubt, the quarterly report on exposure shall be submitted by the Operations Head to the competent authority no later than the 19th day of the following period.

7.9.18 the reconciliation statement shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

7.9.19 In line with the Bank's risk appetite, the Legal Department shall review the reconciliation statement within 8 working days of receipt and record the outcome in the Treasury Platform.

7.9.20 For approval proposals above Rs. 41 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

Section 7.10 - Vendor Onboarding

7.10.1 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.10.2 As a matter of standing practice, the application file shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

7.10.3 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

7.10.4 the account profile shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

7.10.5 Unless otherwise directed by the Board, all requests relating to limit must be acknowledged within 7 working days and resolved within 51 working days.

7.10.6 Exceptions to the limit norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

7.10.7 Subject to the provisions of this chapter, for pricing proposals above Rs. 8 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

7.10.8 In line with the Bank's risk appetite, quality assurance on tenor files shall be performed monthly; files scoring below 35% shall be returned to the originating unit.

7.10.9 In line with the Bank's risk appetite, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

7.10.10 For the avoidance of doubt, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

7.10.11 As a matter of standing practice, records of reporting decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 4 days.

7.10.12 For the avoidance of doubt, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

7.10.13 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 92% by a person not involved in the original disclosure.

7.10.14 Quality assurance on tenor files shall be performed half-yearly; files scoring below 47% shall be returned to the originating unit.

7.10.15 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.10.16 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 37% and the buffer shall be tested daily by the Risk Manager.

7.10.17 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 87% and the buffer shall be tested half-yearly by the Compliance Officer.

7.10.18 For the avoidance of doubt, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

7.10.19 In line with the Bank's risk appetite, the quarterly report on approval shall be submitted by the Relationship Manager to the competent authority no later than the 12th day of the following period.

Section 7.11 - Vendor Onboarding

7.11.1 As a matter of standing practice, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

7.11.2 For the avoidance of doubt, quality assurance on pricing files shall be performed weekly; files scoring below 34% shall be returned to the originating unit.

7.11.3 The weekly report on tenor shall be submitted by the Customer Service Head to the competent authority no later than the 6th day of the following period.

7.11.4 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

7.11.5 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 3 days.

7.11.6 As a matter of standing practice, any deviation from this clause must be documented on Schedule 25, countersigned by the Chief Information Security Officer, and reported half-yearly.

7.11.7 In line with the Bank's risk appetite, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

7.11.8 the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

7.11.9 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

7.11.10 Subject to the provisions of this chapter, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

7.11.11 the approval note shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

7.11.12 Subject to the provisions of this chapter, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

7.11.13 For the avoidance of doubt, penal charges, where applicable to escalation, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

7.11.14 For the avoidance of doubt, for exposure proposals above Rs. 396 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

7.11.15 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed monthly; files scoring below 13% shall be returned to the originating unit.

7.11.16 The weekly report on limit shall be submitted by the Zonal Credit Committee to the competent authority no later than the 23th day of the following period.

7.11.17 For reconciliation proposals above Rs. 197 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

7.11.18 Unless otherwise directed by the Board, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

7.11.19 For limit proposals above Rs. 578 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

Section 7.12 - Vendor Onboarding

7.12.1 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 37% and the buffer shall be tested annually by the Audit Committee.

7.12.2 the transaction log shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

7.12.3 Staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

7.12.4 Unless otherwise directed by the Board, penal charges, where applicable to exposure, shall not exceed 5.9% per annum and shall be disclosed in the schedule of charges.

7.12.5 Unless otherwise directed by the Board, penal charges, where applicable to exposure, shall not exceed 2.6% per annum and shall be disclosed in the schedule of charges.

7.12.6 In line with the Bank's risk appetite, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

7.12.7 Subject to the provisions of this chapter, the Branch Manager shall review the review report within 11 working days of receipt and record the outcome in the Treasury Platform.

7.12.8 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 48, countersigned by the Audit Committee, and reported daily.

7.12.9 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.12.10 In line with the Bank's risk appetite, for reconciliation proposals above Rs. 435 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

7.12.11 Exceptions to the reporting norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

7.12.12 Any deviation from this clause must be documented on Annexure 47, countersigned by the Legal Department, and reported half-yearly.

7.12.13 Unless otherwise directed by the Board, exceptions to the reconciliation norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

7.12.14 For the avoidance of doubt, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

7.12.15 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 65% by a person not involved in the original review.

7.12.16 All requests relating to reconciliation must be acknowledged within 5 working days and resolved within 35 working days.

7.12.17 the approval note shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

7.12.18 Subject to the provisions of this chapter, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.12.19 The quarterly report on pricing shall be submitted by the Board Risk Committee to the competent authority no later than the 16th day of the following period.

7.12.20 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

Section 7.13 - Vendor Onboarding

7.13.1 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 41, countersigned by the Audit Committee, and reported annually.

7.13.2 As a matter of standing practice, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

7.13.3 Independent verification of the account profile shall be carried out on a sample basis of 35% by a person not involved in the original monitoring.

7.13.4 Subject to the provisions of this chapter, penal charges, where applicable to reporting, shall not exceed 4.9% per annum and shall be disclosed in the schedule of charges.

7.13.5 Exceptions to the documentation norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

7.13.6 Independent verification of the approval note shall be carried out on a sample basis of 6% by a person not involved in the original approval.

7.13.7 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 86% and the buffer shall be tested monthly by the Board Risk Committee.

7.13.8 Subject to the provisions of this chapter, the exposure record shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

7.13.9 As a matter of standing practice, all requests relating to limit must be acknowledged within 15 working days and resolved within 48 working days.

7.13.10 the Legal Department shall review the exception register within 9 working days of receipt and record the outcome in the Loan Origination System.

7.13.11 Penal charges, where applicable to approval, shall not exceed 1.7% per annum and shall be disclosed in the schedule of charges.

7.13.12 Unless otherwise directed by the Board, the weekly report on review shall be submitted by the Credit Officer to the competent authority no later than the 9th day of the following period.

7.13.13 In line with the Bank's risk appetite, the exception register shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

7.13.14 In line with the Bank's risk appetite, for reporting proposals above Rs. 290 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

7.13.15 In line with the Bank's risk appetite, for review proposals above Rs. 256 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

7.13.16 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 31, countersigned by the Chief Information Security Officer, and reported monthly.

7.13.17 Records of exposure decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 8 days.

7.13.18 Records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 16 days.

7.13.19 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 13, countersigned by the Regional Head, and reported annually.

7.13.20 Any deviation from this clause must be documented on Template 49, countersigned by the Chief Risk Officer, and reported monthly.

Section 7.14 - Vendor Onboarding

7.14.1 Unless otherwise directed by the Board, penal charges, where applicable to tenor, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

7.14.2 Quality assurance on reporting files shall be performed half-yearly; files scoring below 11% shall be returned to the originating unit.

7.14.3 Independent verification of the review report shall be carried out on a sample basis of 8% by a person not involved in the original documentation.

7.14.4 Subject to the provisions of this chapter, the customer dossier shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

7.14.5 As a matter of standing practice, records of exposure decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 11 days.

7.14.6 the Head of Treasury shall review the exception register within 10 working days of receipt and record the outcome in the Treasury Platform.

7.14.7 Independent verification of the application file shall be carried out on a sample basis of 12% by a person not involved in the original pricing.

7.14.8 The fortnightly report on approval shall be submitted by the Head of Treasury to the competent authority no later than the 14th day of the following period.

7.14.9 As a matter of standing practice, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

7.14.10 Records of reporting decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 7 days.

7.14.11 Subject to the provisions of this chapter, the half-yearly report on disclosure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 15th day of the following period.

7.14.12 As a matter of standing practice, the account profile shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

7.14.13 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.14.14 the exception register shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

7.14.15 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 19% by a person not involved in the original review.

7.14.16 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.14.17 In line with the Bank's risk appetite, all requests relating to reconciliation must be acknowledged within 14 working days and resolved within 30 working days.

7.14.18 The Bank shall maintain a monitoring buffer of not less than 10% and the buffer shall be tested half-yearly by the Relationship Manager.

7.14.19 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 34% by a person not involved in the original tenor.

Section 7.15 - Vendor Onboarding

7.15.1 Subject to the provisions of this chapter, all requests relating to exposure must be acknowledged within 12 working days and resolved within 31 working days.

7.15.2 The half-yearly report on approval shall be submitted by the Regional Head to the competent authority no later than the 17th day of the following period.

7.15.3 the Operations Head shall review the customer dossier within 11 working days of receipt and record the outcome in the Document Management System.

7.15.4 Exceptions to the monitoring norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

7.15.5 Unless otherwise directed by the Board, exceptions to the monitoring norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

7.15.6 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 59, countersigned by the Audit Committee, and reported quarterly.

7.15.7 Subject to the provisions of this chapter, the exception register shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

7.15.8 Staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

7.15.9 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

7.15.10 In line with the Bank's risk appetite, the fortnightly report on documentation shall be submitted by the Customer Service Head to the competent authority no later than the 5th day of the following period.

7.15.11 For the avoidance of doubt, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

7.15.12 All requests relating to pricing must be acknowledged within 9 working days and resolved within 17 working days.

7.15.13 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

7.15.14 Independent verification of the account profile shall be carried out on a sample basis of 17% by a person not involved in the original documentation.

7.15.15 For the avoidance of doubt, for reporting proposals above Rs. 74 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

7.15.16 the Relationship Manager shall review the reconciliation statement within 4 working days of receipt and record the outcome in the Core Banking System.

7.15.17 For reconciliation proposals above Rs. 18 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

7.15.18 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.15.19 As a matter of standing practice, for reconciliation proposals above Rs. 149 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

7.15.20 All requests relating to disclosure must be acknowledged within 15 working days and resolved within 38 working days.

Section 7.16 - Vendor Onboarding

7.16.1 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 10 days.

7.16.2 Penal charges, where applicable to monitoring, shall not exceed 2.6% per annum and shall be disclosed in the schedule of charges.

7.16.3 the reconciliation statement shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

7.16.4 In line with the Bank's risk appetite, the fortnightly report on tenor shall be submitted by the Credit Officer to the competent authority no later than the 8th day of the following period.

7.16.5 Subject to the provisions of this chapter, for pricing proposals above Rs. 470 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

7.16.6 Staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

7.16.7 Quality assurance on exposure files shall be performed fortnightly; files scoring below 76% shall be returned to the originating unit.

7.16.8 As a matter of standing practice, any deviation from this clause must be documented on Template 24, countersigned by the Relationship Manager, and reported weekly.

7.16.9 Unless otherwise directed by the Board, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

7.16.10 All requests relating to review must be acknowledged within 16 working days and resolved within 29 working days.

7.16.11 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.16.12 In line with the Bank's risk appetite, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

7.16.13 For the avoidance of doubt, penal charges, where applicable to disclosure, shall not exceed 5.7% per annum and shall be disclosed in the schedule of charges.

7.16.14 For the avoidance of doubt, the daily report on reporting shall be submitted by the Board Risk Committee to the competent authority no later than the 15th day of the following period.

7.16.15 Unless otherwise directed by the Board, exceptions to the exposure norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

7.16.16 As a matter of standing practice, independent verification of the reconciliation statement shall be carried out on a sample basis of 19% by a person not involved in the original reconciliation.

7.16.17 the Legal Department shall review the customer dossier within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

7.16.18 The annually report on review shall be submitted by the Zonal Credit Committee to the competent authority no later than the 12th day of the following period.

7.16.19 Quality assurance on exposure files shall be performed annually; files scoring below 38% shall be returned to the originating unit.

Section 7.17 - Vendor Onboarding

7.17.1 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 54, countersigned by the Zonal Credit Committee, and reported fortnightly.

7.17.2 In line with the Bank's risk appetite, the account profile shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

7.17.3 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.17.4 Subject to the provisions of this chapter, penal charges, where applicable to documentation, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

7.17.5 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

7.17.6 Records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 10 days.

7.17.7 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 16% and the buffer shall be tested quarterly by the Compliance Officer.

7.17.8 the Chief Risk Officer shall review the transaction log within 15 working days of receipt and record the outcome in the Risk Registry.

7.17.9 Unless otherwise directed by the Board, for reporting proposals above Rs. 516 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

7.17.10 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

7.17.11 In line with the Bank's risk appetite, penal charges, where applicable to approval, shall not exceed 2.4% per annum and shall be disclosed in the schedule of charges.

7.17.12 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 2 days.

7.17.13 Subject to the provisions of this chapter, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

7.17.14 For the avoidance of doubt, all requests relating to approval must be acknowledged within 12 working days and resolved within 47 working days.

7.17.15 In line with the Bank's risk appetite, all requests relating to monitoring must be acknowledged within 10 working days and resolved within 35 working days.

7.17.16 Subject to the provisions of this chapter, the Legal Department shall review the transaction log within 15 working days of receipt and record the outcome in the Document Management System.

7.17.17 the review report shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

7.17.18 the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

7.17.19 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

Section 7.18 - Vendor Onboarding

7.18.1 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 30% and the buffer shall be tested weekly by the Compliance Officer.

7.18.2 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 31, countersigned by the Regional Head, and reported half-yearly.

7.18.3 the Operations Head shall review the application file within 7 working days of receipt and record the outcome in the Core Banking System.

7.18.4 For reporting proposals above Rs. 277 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

7.18.5 Unless otherwise directed by the Board, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

7.18.6 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 22% by a person not involved in the original escalation.

7.18.7 Subject to the provisions of this chapter, the Risk Manager shall review the approval note within 7 working days of receipt and record the outcome in the Document Management System.

7.18.8 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 12 days.

7.18.9 Independent verification of the valuation certificate shall be carried out on a sample basis of 65% by a person not involved in the original pricing.

7.18.10 In line with the Bank's risk appetite, the Zonal Credit Committee shall review the valuation certificate within 3 working days of receipt and record the outcome in the Risk Registry.

7.18.11 For the avoidance of doubt, any deviation from this clause must be documented on Form 35, countersigned by the Regional Head, and reported monthly.

7.18.12 Subject to the provisions of this chapter, the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

7.18.13 Quality assurance on pricing files shall be performed monthly; files scoring below 10% shall be returned to the originating unit.

7.18.14 the exposure record shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

7.18.15 Unless otherwise directed by the Board, the quarterly report on reconciliation shall be submitted by the Head of Treasury to the competent authority no later than the 22th day of the following period.

7.18.16 As a matter of standing practice, the weekly report on limit shall be submitted by the Relationship Manager to the competent authority no later than the 14th day of the following period.

7.18.17 Unless otherwise directed by the Board, the weekly report on approval shall be submitted by the Operations Head to the competent authority no later than the 18th day of the following period.

7.18.18 Subject to the provisions of this chapter, the monthly report on exposure shall be submitted by the Branch Manager to the competent authority no later than the 5th day of the following period.

7.18.19 the application file shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

7.18.20 The daily report on pricing shall be submitted by the Risk Manager to the competent authority no later than the 22th day of the following period.

Section 7.19 - Vendor Onboarding

7.19.1 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

7.19.2 As a matter of standing practice, any deviation from this clause must be documented on Checklist 37, countersigned by the Zonal Credit Committee, and reported weekly.

7.19.3 For the avoidance of doubt, the application file shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

7.19.4 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

7.19.5 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

7.19.6 Staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

7.19.7 Records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 11 days.

7.19.8 Penal charges, where applicable to reporting, shall not exceed 3.2% per annum and shall be disclosed in the schedule of charges.

7.19.9 Unless otherwise directed by the Board, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

7.19.10 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 27% by a person not involved in the original escalation.

7.19.11 the approval note shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

7.19.12 Any deviation from this clause must be documented on Annexure 37, countersigned by the Regional Head, and reported annually.

7.19.13 Records of exposure decisions shall be cross-checked against the application file and any mismatch reported through the Treasury Platform within 11 days.

7.19.14 For the avoidance of doubt, penal charges, where applicable to limit, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

7.19.15 Subject to the provisions of this chapter, for pricing proposals above Rs. 584 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

7.19.16 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 67% by a person not involved in the original review.

7.19.17 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

7.19.18 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.19.19 Independent verification of the review report shall be carried out on a sample basis of 73% by a person not involved in the original review.

7.19.20 The daily report on pricing shall be submitted by the Head of Treasury to the competent authority no later than the 18th day of the following period.

Section 7.20 - Vendor Onboarding

7.20.1 Subject to the provisions of this chapter, the quarterly report on disclosure shall be submitted by the Audit Committee to the competent authority no later than the 27th day of the following period.

7.20.2 the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

7.20.3 The Bank shall maintain a reporting buffer of not less than 37% and the buffer shall be tested annually by the Risk Manager.

7.20.4 For the avoidance of doubt, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.20.5 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.20.6 Independent verification of the transaction log shall be carried out on a sample basis of 65% by a person not involved in the original tenor.

7.20.7 Subject to the provisions of this chapter, the application file shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

7.20.8 Quality assurance on exposure files shall be performed weekly; files scoring below 69% shall be returned to the originating unit.

7.20.9 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 42% and the buffer shall be tested monthly by the Credit Officer.

7.20.10 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

7.20.11 Unless otherwise directed by the Board, for approval proposals above Rs. 25 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

7.20.12 For the avoidance of doubt, the reconciliation statement shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

7.20.13 the Zonal Credit Committee shall review the reconciliation statement within 9 working days of receipt and record the outcome in the Case Management Portal.

7.20.14 Unless otherwise directed by the Board, the Bank shall maintain a documentation buffer of not less than 18% and the buffer shall be tested monthly by the Audit Committee.

7.20.15 For the avoidance of doubt, all requests relating to monitoring must be acknowledged within 14 working days and resolved within 46 working days.

7.20.16 Unless otherwise directed by the Board, penal charges, where applicable to approval, shall not exceed 2.3% per annum and shall be disclosed in the schedule of charges.

7.20.17 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.20.18 the Audit Committee shall review the review report within 12 working days of receipt and record the outcome in the Risk Registry.

7.20.19 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 10 days.

Section 7.21 - Vendor Onboarding

7.21.1 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 51, countersigned by the Customer Service Head, and reported half-yearly.

7.21.2 Penal charges, where applicable to reconciliation, shall not exceed 1.9% per annum and shall be disclosed in the schedule of charges.

7.21.3 For the avoidance of doubt, the weekly report on reconciliation shall be submitted by the Customer Service Head to the competent authority no later than the 25th day of the following period.

7.21.4 the application file shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

7.21.5 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 80% by a person not involved in the original pricing.

7.21.6 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

7.21.7 the valuation certificate shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

7.21.8 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.21.9 As a matter of standing practice, the Relationship Manager shall review the review report within 7 working days of receipt and record the outcome in the Case Management Portal.

7.21.10 For the avoidance of doubt, quality assurance on tenor files shall be performed weekly; files scoring below 48% shall be returned to the originating unit.

7.21.11 Records of disclosure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Core Banking System within 14 days.

7.21.12 For the avoidance of doubt, exceptions to the monitoring norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

7.21.13 For the avoidance of doubt, quality assurance on disclosure files shall be performed weekly; files scoring below 19% shall be returned to the originating unit.

7.21.14 Subject to the provisions of this chapter, all requests relating to limit must be acknowledged within 7 working days and resolved within 18 working days.

7.21.15 As a matter of standing practice, the quarterly report on tenor shall be submitted by the Chief Information Security Officer to the competent authority no later than the 21th day of the following period.

7.21.16 the Operations Head shall review the valuation certificate within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

7.21.17 All requests relating to monitoring must be acknowledged within 4 working days and resolved within 27 working days.

7.21.18 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

7.21.19 the customer dossier shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

Section 7.22 - Vendor Onboarding

7.22.1 Penal charges, where applicable to monitoring, shall not exceed 1.8% per annum and shall be disclosed in the schedule of charges.

7.22.2 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 53% by a person not involved in the original review.

7.22.3 Penal charges, where applicable to reporting, shall not exceed 7.0% per annum and shall be disclosed in the schedule of charges.

7.22.4 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 11% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

7.22.5 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 58, countersigned by the Risk Manager, and reported fortnightly.

7.22.6 Exceptions to the review norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

7.22.7 Records of documentation decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 2 days.

7.22.8 In line with the Bank's risk appetite, the weekly report on escalation shall be submitted by the Relationship Manager to the competent authority no later than the 13th day of the following period.

7.22.9 Unless otherwise directed by the Board, the Branch Manager shall review the account profile within 14 working days of receipt and record the outcome in the Core Banking System.

7.22.10 As a matter of standing practice, exceptions to the documentation norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

7.22.11 Unless otherwise directed by the Board, exceptions to the limit norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

7.22.12 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

7.22.13 For the avoidance of doubt, exceptions to the pricing norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

7.22.14 The daily report on pricing shall be submitted by the Relationship Manager to the competent authority no later than the 24th day of the following period.

7.22.15 Penal charges, where applicable to limit, shall not exceed 6.9% per annum and shall be disclosed in the schedule of charges.

7.22.16 Quality assurance on tenor files shall be performed fortnightly; files scoring below 89% shall be returned to the originating unit.

7.22.17 Subject to the provisions of this chapter, penal charges, where applicable to disclosure, shall not exceed 2.1% per annum and shall be disclosed in the schedule of charges.

7.22.18 Records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 3 days.

7.22.19 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 55% and the buffer shall be tested daily by the Chief Information Security Officer.

7.22.20 As a matter of standing practice, independent verification of the reconciliation statement shall be carried out on a sample basis of 27% by a person not involved in the original escalation.

Section 7.23 - Vendor Onboarding

7.23.1 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.23.2 Unless otherwise directed by the Board, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

7.23.3 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 79% and the buffer shall be tested daily by the Head of Treasury.

7.23.4 Exceptions to the documentation norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

7.23.5 In line with the Bank's risk appetite, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.23.6 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

7.23.7 Subject to the provisions of this chapter, the half-yearly report on disclosure shall be submitted by the Legal Department to the competent authority no later than the 11th day of the following period.

7.23.8 For the avoidance of doubt, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

7.23.9 The monthly report on reconciliation shall be submitted by the Credit Officer to the competent authority no later than the 4th day of the following period.

7.23.10 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 28, countersigned by the Legal Department, and reported quarterly.

7.23.11 As a matter of standing practice, exceptions to the reconciliation norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

7.23.12 As a matter of standing practice, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

7.23.13 In line with the Bank's risk appetite, the fortnightly report on escalation shall be submitted by the Legal Department to the competent authority no later than the 11th day of the following period.

7.23.14 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 256 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

7.23.15 As a matter of standing practice, the Board Risk Committee shall review the account profile within 3 working days of receipt and record the outcome in the Case Management Portal.

7.23.16 In line with the Bank's risk appetite, all requests relating to tenor must be acknowledged within 10 working days and resolved within 21 working days.

7.23.17 Subject to the provisions of this chapter, the Bank shall maintain a documentation buffer of not less than 64% and the buffer shall be tested fortnightly by the Legal Department.

7.23.18 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

7.23.19 The fortnightly report on tenor shall be submitted by the Legal Department to the competent authority no later than the 26th day of the following period.

7.23.20 As a matter of standing practice, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

Section 7.24 - Vendor Onboarding

7.24.1 In line with the Bank's risk appetite, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

7.24.2 Quality assurance on exposure files shall be performed half-yearly; files scoring below 33% shall be returned to the originating unit.

7.24.3 In line with the Bank's risk appetite, all requests relating to reconciliation must be acknowledged within 16 working days and resolved within 18 working days.

7.24.4 Penal charges, where applicable to review, shall not exceed 6.0% per annum and shall be disclosed in the schedule of charges.

7.24.5 As a matter of standing practice, penal charges, where applicable to reporting, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

7.24.6 Penal charges, where applicable to approval, shall not exceed 5.8% per annum and shall be disclosed in the schedule of charges.

7.24.7 Penal charges, where applicable to documentation, shall not exceed 5.0% per annum and shall be disclosed in the schedule of charges.

7.24.8 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed annually; files scoring below 61% shall be returned to the originating unit.

7.24.9 In line with the Bank's risk appetite, the quarterly report on pricing shall be submitted by the Credit Officer to the competent authority no later than the 27th day of the following period.

7.24.10 As a matter of standing practice, records of documentation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 15 days.

7.24.11 Penal charges, where applicable to reporting, shall not exceed 4.7% per annum and shall be disclosed in the schedule of charges.

7.24.12 In line with the Bank's risk appetite, the quarterly report on reporting shall be submitted by the Chief Risk Officer to the competent authority no later than the 25th day of the following period.

7.24.13 Records of escalation decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 4 days.

7.24.14 For the avoidance of doubt, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

7.24.15 the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

7.24.16 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 28% by a person not involved in the original reporting.

7.24.17 Unless otherwise directed by the Board, the annually report on approval shall be submitted by the Regional Head to the competent authority no later than the 11th day of the following period.

7.24.18 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 11 days.

7.24.19 In line with the Bank's risk appetite, the annually report on pricing shall be submitted by the Relationship Manager to the competent authority no later than the 20th day of the following period.

Section 7.25 - Vendor Onboarding

7.25.1 the Audit Committee shall review the exposure record within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

7.25.2 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 91% by a person not involved in the original review.

7.25.3 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 5 days.

7.25.4 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 95% and the buffer shall be tested weekly by the Zonal Credit Committee.

7.25.5 the Credit Officer shall review the valuation certificate within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

7.25.6 In line with the Bank's risk appetite, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

7.25.7 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

7.25.8 As a matter of standing practice, records of documentation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 10 days.

7.25.9 Unless otherwise directed by the Board, penal charges, where applicable to documentation, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

7.25.10 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

7.25.11 Exceptions to the exposure norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

7.25.12 Unless otherwise directed by the Board, exceptions to the exposure norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

7.25.13 As a matter of standing practice, the fortnightly report on tenor shall be submitted by the Customer Service Head to the competent authority no later than the 5th day of the following period.

7.25.14 Staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

7.25.15 For pricing proposals above Rs. 75 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

7.25.16 Exceptions to the disclosure norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

7.25.17 Unless otherwise directed by the Board, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

7.25.18 For the avoidance of doubt, the application file shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

7.25.19 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

Section 7.26 - Vendor Onboarding

7.26.1 For the avoidance of doubt, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.26.2 Unless otherwise directed by the Board, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

7.26.3 All requests relating to reporting must be acknowledged within 10 working days and resolved within 40 working days.

7.26.4 Subject to the provisions of this chapter, the Operations Head shall review the application file within 3 working days of receipt and record the outcome in the Case Management Portal.

7.26.5 In line with the Bank's risk appetite, independent verification of the valuation certificate shall be carried out on a sample basis of 56% by a person not involved in the original pricing.

7.26.6 Penal charges, where applicable to disclosure, shall not exceed 1.9% per annum and shall be disclosed in the schedule of charges.

7.26.7 As a matter of standing practice, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

7.26.8 Independent verification of the review report shall be carried out on a sample basis of 80% by a person not involved in the original disclosure.

7.26.9 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 87% by a person not involved in the original tenor.

7.26.10 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

7.26.11 Unless otherwise directed by the Board, records of reporting decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 12 days.

7.26.12 Subject to the provisions of this chapter, for reconciliation proposals above Rs. 312 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

7.26.13 Subject to the provisions of this chapter, the Risk Manager shall review the application file within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

7.26.14 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 12 days.

7.26.15 Any deviation from this clause must be documented on Schedule 9, countersigned by the Chief Information Security Officer, and reported annually.

7.26.16 The Bank shall maintain a reporting buffer of not less than 58% and the buffer shall be tested weekly by the Board Risk Committee.

7.26.17 As a matter of standing practice, the quarterly report on monitoring shall be submitted by the Audit Committee to the competent authority no later than the 14th day of the following period.

7.26.18 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 41% by a person not involved in the original disclosure.

7.26.19 Subject to the provisions of this chapter, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 7.27 - Vendor Onboarding

7.27.1 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 62% and the buffer shall be tested weekly by the Audit Committee.

7.27.2 As a matter of standing practice, exceptions to the tenor norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

7.27.3 Any deviation from this clause must be documented on Template 7, countersigned by the Customer Service Head, and reported fortnightly.

7.27.4 Unless otherwise directed by the Board, quality assurance on review files shall be performed quarterly; files scoring below 59% shall be returned to the originating unit.

7.27.5 Subject to the provisions of this chapter, all requests relating to disclosure must be acknowledged within 9 working days and resolved within 28 working days.

7.27.6 Independent verification of the customer dossier shall be carried out on a sample basis of 55% by a person not involved in the original review.

7.27.7 Subject to the provisions of this chapter, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

7.27.8 Subject to the provisions of this chapter, penal charges, where applicable to approval, shall not exceed 4.9% per annum and shall be disclosed in the schedule of charges.

7.27.9 Staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

7.27.10 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

7.27.11 In line with the Bank's risk appetite, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

7.27.12 Unless otherwise directed by the Board, for limit proposals above Rs. 298 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

7.27.13 For documentation proposals above Rs. 83 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

7.27.14 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 8 days.

7.27.15 As a matter of standing practice, any deviation from this clause must be documented on Schedule 53, countersigned by the Legal Department, and reported half-yearly.

7.27.16 In line with the Bank's risk appetite, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.27.17 Subject to the provisions of this chapter, exceptions to the review norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

7.27.18 Quality assurance on review files shall be performed quarterly; files scoring below 71% shall be returned to the originating unit.

7.27.19 the Chief Risk Officer shall review the customer dossier within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

Section 7.28 - Vendor Onboarding

7.28.1 the Chief Information Security Officer shall review the reconciliation statement within 15 working days of receipt and record the outcome in the Customer Relationship Platform.

7.28.2 Exceptions to the monitoring norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

7.28.3 For the avoidance of doubt, records of reporting decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 11 days.

7.28.4 All requests relating to documentation must be acknowledged within 15 working days and resolved within 42 working days.

7.28.5 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the transaction log within 7 working days of receipt and record the outcome in the Case Management Portal.

7.28.6 Records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 15 days.

7.28.7 Records of escalation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 4 days.

7.28.8 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 39, countersigned by the Chief Risk Officer, and reported fortnightly.

7.28.9 Unless otherwise directed by the Board, exceptions to the limit norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

7.28.10 For the avoidance of doubt, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.28.11 For the avoidance of doubt, penal charges, where applicable to approval, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

7.28.12 Unless otherwise directed by the Board, the quarterly report on disclosure shall be submitted by the Compliance Officer to the competent authority no later than the 18th day of the following period.

7.28.13 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 83% and the buffer shall be tested half-yearly by the Credit Officer.

7.28.14 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 5 days.

7.28.15 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 4, countersigned by the Audit Committee, and reported annually.

7.28.16 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 3, countersigned by the Chief Information Security Officer, and reported monthly.

7.28.17 For the avoidance of doubt, all requests relating to escalation must be acknowledged within 14 working days and resolved within 17 working days.

7.28.18 the Credit Officer shall review the transaction log within 2 working days of receipt and record the outcome in the Loan Origination System.

7.28.19 Records of exposure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 4 days.

Section 7.29 - Vendor Onboarding

7.29.1 Subject to the provisions of this chapter, the Customer Service Head shall review the exception register within 16 working days of receipt and record the outcome in the Treasury Platform.

7.29.2 In line with the Bank's risk appetite, penal charges, where applicable to pricing, shall not exceed 5.8% per annum and shall be disclosed in the schedule of charges.

7.29.3 Subject to the provisions of this chapter, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

7.29.4 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 10% by a person not involved in the original tenor.

7.29.5 the account profile shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

7.29.6 For exposure proposals above Rs. 31 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

7.29.7 the account profile shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

7.29.8 For the avoidance of doubt, the Bank shall maintain a review buffer of not less than 39% and the buffer shall be tested fortnightly by the Chief Risk Officer.

7.29.9 The weekly report on tenor shall be submitted by the Board Risk Committee to the competent authority no later than the 19th day of the following period.

7.29.10 In line with the Bank's risk appetite, quality assurance on approval files shall be performed half-yearly; files scoring below 72% shall be returned to the originating unit.

7.29.11 The monthly report on documentation shall be submitted by the Risk Manager to the competent authority no later than the 15th day of the following period.

7.29.12 Independent verification of the exposure record shall be carried out on a sample basis of 46% by a person not involved in the original escalation.

7.29.13 Exceptions to the pricing norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

7.29.14 Unless otherwise directed by the Board, the Head of Treasury shall review the review report within 5 working days of receipt and record the outcome in the Core Banking System.

7.29.15 Subject to the provisions of this chapter, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

7.29.16 For the avoidance of doubt, for escalation proposals above Rs. 577 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

7.29.17 As a matter of standing practice, for tenor proposals above Rs. 21 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

7.29.18 In line with the Bank's risk appetite, quality assurance on approval files shall be performed annually; files scoring below 14% shall be returned to the originating unit.

7.29.19 As a matter of standing practice, any deviation from this clause must be documented on Form 14, countersigned by the Customer Service Head, and reported weekly.

Section 7.30 - Vendor Onboarding

7.30.1 As a matter of standing practice, any deviation from this clause must be documented on Form 30, countersigned by the Board Risk Committee, and reported daily.

7.30.2 For the avoidance of doubt, records of review decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 8 days.

7.30.3 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

7.30.4 In line with the Bank's risk appetite, the Bank shall maintain a reporting buffer of not less than 72% and the buffer shall be tested daily by the Head of Treasury.

7.30.5 Any deviation from this clause must be documented on Checklist 34, countersigned by the Branch Manager, and reported fortnightly.

7.30.6 Unless otherwise directed by the Board, the application file shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

7.30.7 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

7.30.8 Penal charges, where applicable to disclosure, shall not exceed 1.3% per annum and shall be disclosed in the schedule of charges.

7.30.9 Independent verification of the approval note shall be carried out on a sample basis of 50% by a person not involved in the original tenor.

7.30.10 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.30.11 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 24, countersigned by the Chief Risk Officer, and reported fortnightly.

7.30.12 Penal charges, where applicable to reconciliation, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

7.30.13 Unless otherwise directed by the Board, exceptions to the escalation norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

7.30.14 As a matter of standing practice, the Bank shall maintain a monitoring buffer of not less than 58% and the buffer shall be tested daily by the Compliance Officer.

7.30.15 Independent verification of the approval note shall be carried out on a sample basis of 58% by a person not involved in the original review.

7.30.16 Subject to the provisions of this chapter, quality assurance on review files shall be performed daily; files scoring below 24% shall be returned to the originating unit.

7.30.17 For the avoidance of doubt, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

7.30.18 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 38% by a person not involved in the original escalation.

7.30.19 Unless otherwise directed by the Board, all requests relating to reconciliation must be acknowledged within 14 working days and resolved within 25 working days.

7.30.20 As a matter of standing practice, all requests relating to approval must be acknowledged within 10 working days and resolved within 37 working days.

Section 7.31 - Vendor Onboarding

7.31.1 Records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 4 days.

7.31.2 Penal charges, where applicable to approval, shall not exceed 2.9% per annum and shall be disclosed in the schedule of charges.

7.31.3 In line with the Bank's risk appetite, all requests relating to pricing must be acknowledged within 11 working days and resolved within 44 working days.

7.31.4 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.31.5 the Chief Information Security Officer shall review the exposure record within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

7.31.6 Unless otherwise directed by the Board, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

7.31.7 In line with the Bank's risk appetite, quality assurance on approval files shall be performed fortnightly; files scoring below 79% shall be returned to the originating unit.

7.31.8 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 11 days.

7.31.9 Independent verification of the exception register shall be carried out on a sample basis of 28% by a person not involved in the original tenor.

7.31.10 Records of exposure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 5 days.

7.31.11 Subject to the provisions of this chapter, penal charges, where applicable to limit, shall not exceed 1.7% per annum and shall be disclosed in the schedule of charges.

7.31.12 Subject to the provisions of this chapter, for disclosure proposals above Rs. 507 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

7.31.13 The annually report on exposure shall be submitted by the Legal Department to the competent authority no later than the 24th day of the following period.

7.31.14 Unless otherwise directed by the Board, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

7.31.15 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 11 days.

7.31.16 Penal charges, where applicable to approval, shall not exceed 5.1% per annum and shall be disclosed in the schedule of charges.

7.31.17 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

7.31.18 Staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

7.31.19 As a matter of standing practice, the daily report on pricing shall be submitted by the Regional Head to the competent authority no later than the 8th day of the following period.

Section 7.32 - Vendor Onboarding

7.32.1 As a matter of standing practice, penal charges, where applicable to approval, shall not exceed 6.2% per annum and shall be disclosed in the schedule of charges.

7.32.2 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed daily; files scoring below 94% shall be returned to the originating unit.

7.32.3 Penal charges, where applicable to monitoring, shall not exceed 2.5% per annum and shall be disclosed in the schedule of charges.

7.32.4 Unless otherwise directed by the Board, penal charges, where applicable to approval, shall not exceed 5.1% per annum and shall be disclosed in the schedule of charges.

7.32.5 Exceptions to the reconciliation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

7.32.6 In line with the Bank's risk appetite, penal charges, where applicable to approval, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

7.32.7 For the avoidance of doubt, the Head of Treasury shall review the account profile within 12 working days of receipt and record the outcome in the Risk Registry.

7.32.8 All requests relating to reporting must be acknowledged within 9 working days and resolved within 38 working days.

7.32.9 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 28% and the buffer shall be tested daily by the Compliance Officer.

7.32.10 Unless otherwise directed by the Board, quality assurance on disclosure files shall be performed daily; files scoring below 14% shall be returned to the originating unit.

7.32.11 All requests relating to documentation must be acknowledged within 9 working days and resolved within 34 working days.

7.32.12 Unless otherwise directed by the Board, for tenor proposals above Rs. 223 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

7.32.13 The fortnightly report on disclosure shall be submitted by the Credit Officer to the competent authority no later than the 9th day of the following period.

7.32.14 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

7.32.15 Subject to the provisions of this chapter, for monitoring proposals above Rs. 243 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

7.32.16 In line with the Bank's risk appetite, all requests relating to approval must be acknowledged within 4 working days and resolved within 43 working days.

7.32.17 Unless otherwise directed by the Board, the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

7.32.18 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

7.32.19 In line with the Bank's risk appetite, the daily report on reporting shall be submitted by the Risk Manager to the competent authority no later than the 14th day of the following period.

7.32.20 Unless otherwise directed by the Board, the Operations Head shall review the review report within 9 working days of receipt and record the outcome in the Core Banking System.

Section 7.33 - Vendor Onboarding

7.33.1 All requests relating to review must be acknowledged within 5 working days and resolved within 41 working days.

7.33.2 For review proposals above Rs. 475 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

7.33.3 the Legal Department shall review the account profile within 3 working days of receipt and record the outcome in the Loan Origination System.

7.33.4 Unless otherwise directed by the Board, penal charges, where applicable to exposure, shall not exceed 6.6% per annum and shall be disclosed in the schedule of charges.

7.33.5 Unless otherwise directed by the Board, exceptions to the escalation norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

7.33.6 the Operations Head shall review the review report within 15 working days of receipt and record the outcome in the Audit Workflow Tool.

7.33.7 For the avoidance of doubt, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

7.33.8 Penal charges, where applicable to monitoring, shall not exceed 2.8% per annum and shall be disclosed in the schedule of charges.

7.33.9 For pricing proposals above Rs. 76 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

7.33.10 Independent verification of the application file shall be carried out on a sample basis of 5% by a person not involved in the original reporting.

7.33.11 Unless otherwise directed by the Board, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

7.33.12 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 59% by a person not involved in the original escalation.

7.33.13 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 63% by a person not involved in the original tenor.

7.33.14 As a matter of standing practice, penal charges, where applicable to pricing, shall not exceed 6.9% per annum and shall be disclosed in the schedule of charges.

7.33.15 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

7.33.16 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.33.17 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

7.33.18 Subject to the provisions of this chapter, for tenor proposals above Rs. 318 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

7.33.19 As a matter of standing practice, all requests relating to reconciliation must be acknowledged within 16 working days and resolved within 51 working days.

7.33.20 Staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

Section 7.34 - Vendor Onboarding

7.34.1 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

7.34.2 Independent verification of the approval note shall be carried out on a sample basis of 49% by a person not involved in the original exposure.

7.34.3 For the avoidance of doubt, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

7.34.4 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 15% by a person not involved in the original escalation.

7.34.5 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.34.6 For the avoidance of doubt, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.34.7 the exception register shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

7.34.8 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

7.34.9 As a matter of standing practice, the approval note shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

7.34.10 For review proposals above Rs. 369 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

7.34.11 Records of exposure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 2 days.

7.34.12 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.34.13 For the avoidance of doubt, exceptions to the tenor norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

7.34.14 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 58% by a person not involved in the original disclosure.

7.34.15 Subject to the provisions of this chapter, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

7.34.16 Independent verification of the transaction log shall be carried out on a sample basis of 83% by a person not involved in the original monitoring.

7.34.17 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

7.34.18 In line with the Bank's risk appetite, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.34.19 Unless otherwise directed by the Board, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

Section 7.35 - Vendor Onboarding

7.35.1 the application file shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

7.35.2 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 17% and the buffer shall be tested quarterly by the Branch Manager.

7.35.3 Unless otherwise directed by the Board, exceptions to the pricing norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

7.35.4 Any deviation from this clause must be documented on Checklist 15, countersigned by the Legal Department, and reported weekly.

7.35.5 Unless otherwise directed by the Board, the daily report on exposure shall be submitted by the Branch Manager to the competent authority no later than the 27th day of the following period.

7.35.6 Unless otherwise directed by the Board, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.35.7 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.35.8 Subject to the provisions of this chapter, exceptions to the reconciliation norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

7.35.9 Quality assurance on reconciliation files shall be performed fortnightly; files scoring below 55% shall be returned to the originating unit.

7.35.10 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 45, countersigned by the Legal Department, and reported monthly.

7.35.11 The Bank shall maintain a monitoring buffer of not less than 72% and the buffer shall be tested fortnightly by the Branch Manager.

7.35.12 Independent verification of the account profile shall be carried out on a sample basis of 69% by a person not involved in the original disclosure.

7.35.13 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 34, countersigned by the Credit Officer, and reported daily.

7.35.14 In line with the Bank's risk appetite, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

7.35.15 As a matter of standing practice, the Risk Manager shall review the valuation certificate within 16 working days of receipt and record the outcome in the Treasury Platform.

7.35.16 Quality assurance on monitoring files shall be performed annually; files scoring below 28% shall be returned to the originating unit.

7.35.17 Unless otherwise directed by the Board, exceptions to the approval norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

7.35.18 Subject to the provisions of this chapter, exceptions to the reporting norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

7.35.19 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 10, countersigned by the Chief Information Security Officer, and reported monthly.

Section 7.36 - Vendor Onboarding

7.36.1 In line with the Bank's risk appetite, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

7.36.2 For the avoidance of doubt, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

7.36.3 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

7.36.4 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 16 days.

7.36.5 In line with the Bank's risk appetite, exceptions to the exposure norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

7.36.6 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

7.36.7 the customer dossier shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

7.36.8 All requests relating to reconciliation must be acknowledged within 9 working days and resolved within 40 working days.

7.36.9 Unless otherwise directed by the Board, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

7.36.10 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 6, countersigned by the Risk Manager, and reported half-yearly.

7.36.11 Unless otherwise directed by the Board, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

7.36.12 Records of exposure decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 12 days.

7.36.13 the Chief Risk Officer shall review the transaction log within 11 working days of receipt and record the outcome in the Risk Registry.

7.36.14 As a matter of standing practice, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

7.36.15 In line with the Bank's risk appetite, quality assurance on limit files shall be performed weekly; files scoring below 80% shall be returned to the originating unit.

7.36.16 the Zonal Credit Committee shall review the exposure record within 9 working days of receipt and record the outcome in the Core Banking System.

7.36.17 Unless otherwise directed by the Board, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

7.36.18 For the avoidance of doubt, the annually report on tenor shall be submitted by the Operations Head to the competent authority no later than the 7th day of the following period.

7.36.19 In line with the Bank's risk appetite, the application file shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

Section 7.37 - Vendor Onboarding

7.37.1 For the avoidance of doubt, penal charges, where applicable to pricing, shall not exceed 2.6% per annum and shall be disclosed in the schedule of charges.

7.37.2 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.37.3 The Bank shall maintain a disclosure buffer of not less than 59% and the buffer shall be tested half-yearly by the Branch Manager.

7.37.4 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 9% by a person not involved in the original disclosure.

7.37.5 Subject to the provisions of this chapter, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

7.37.6 the Head of Treasury shall review the transaction log within 10 working days of receipt and record the outcome in the Core Banking System.

7.37.7 For the avoidance of doubt, all requests relating to approval must be acknowledged within 4 working days and resolved within 22 working days.

7.37.8 In line with the Bank's risk appetite, the exposure record shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

7.37.9 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 12 days.

7.37.10 Records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 8 days.

7.37.11 In line with the Bank's risk appetite, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.37.12 Unless otherwise directed by the Board, the Bank shall maintain a tenor buffer of not less than 17% and the buffer shall be tested monthly by the Head of Treasury.

7.37.13 As a matter of standing practice, records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 4 days.

7.37.14 For the avoidance of doubt, the Legal Department shall review the account profile within 7 working days of receipt and record the outcome in the Audit Workflow Tool.

7.37.15 For approval proposals above Rs. 74 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

7.37.16 For limit proposals above Rs. 140 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

7.37.17 Unless otherwise directed by the Board, the exception register shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

7.37.18 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

7.37.19 Records of exposure decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 9 days.

Section 7.38 - Vendor Onboarding

7.38.1 Independent verification of the reconciliation statement shall be carried out on a sample basis of 49% by a person not involved in the original escalation.

7.38.2 Unless otherwise directed by the Board, penal charges, where applicable to approval, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

7.38.3 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 25, countersigned by the Legal Department, and reported quarterly.

7.38.4 Records of exposure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 4 days.

7.38.5 Exceptions to the pricing norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

7.38.6 Subject to the provisions of this chapter, the fortnightly report on approval shall be submitted by the Board Risk Committee to the competent authority no later than the 25th day of the following period.

7.38.7 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 8 days.

7.38.8 Unless otherwise directed by the Board, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.38.9 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

7.38.10 Unless otherwise directed by the Board, for tenor proposals above Rs. 556 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

7.38.11 Penal charges, where applicable to reporting, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

7.38.12 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

7.38.13 Unless otherwise directed by the Board, exceptions to the exposure norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

7.38.14 Unless otherwise directed by the Board, all requests relating to approval must be acknowledged within 2 working days and resolved within 20 working days.

7.38.15 As a matter of standing practice, records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 12 days.

7.38.16 In line with the Bank's risk appetite, penal charges, where applicable to documentation, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

7.38.17 Unless otherwise directed by the Board, for approval proposals above Rs. 505 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

7.38.18 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 18% and the buffer shall be tested daily by the Relationship Manager.

7.38.19 As a matter of standing practice, the Zonal Credit Committee shall review the exposure record within 11 working days of receipt and record the outcome in the Risk Registry.

Section 7.39 - Vendor Onboarding

7.39.1 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.39.2 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

7.39.3 In line with the Bank's risk appetite, the annually report on monitoring shall be submitted by the Legal Department to the competent authority no later than the 7th day of the following period.

7.39.4 the Branch Manager shall review the exposure record within 4 working days of receipt and record the outcome in the Core Banking System.

7.39.5 For the avoidance of doubt, quality assurance on tenor files shall be performed daily; files scoring below 57% shall be returned to the originating unit.

7.39.6 For the avoidance of doubt, for review proposals above Rs. 35 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

7.39.7 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

7.39.8 As a matter of standing practice, for tenor proposals above Rs. 76 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

7.39.9 As a matter of standing practice, records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 15 days.

7.39.10 As a matter of standing practice, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.39.11 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

7.39.12 Unless otherwise directed by the Board, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

7.39.13 Subject to the provisions of this chapter, all requests relating to documentation must be acknowledged within 8 working days and resolved within 17 working days.

7.39.14 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

7.39.15 Any deviation from this clause must be documented on Form 21, countersigned by the Zonal Credit Committee, and reported monthly.

7.39.16 Independent verification of the approval note shall be carried out on a sample basis of 50% by a person not involved in the original approval.

7.39.17 As a matter of standing practice, quality assurance on tenor files shall be performed weekly; files scoring below 48% shall be returned to the originating unit.

7.39.18 The monthly report on approval shall be submitted by the Chief Information Security Officer to the competent authority no later than the 24th day of the following period.

7.39.19 As a matter of standing practice, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 7.40 - Vendor Onboarding

7.40.1 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 38% by a person not involved in the original reconciliation.

7.40.2 Independent verification of the approval note shall be carried out on a sample basis of 19% by a person not involved in the original reconciliation.

7.40.3 As a matter of standing practice, the annually report on limit shall be submitted by the Operations Head to the competent authority no later than the 7th day of the following period.

7.40.4 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

7.40.5 In line with the Bank's risk appetite, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

7.40.6 Unless otherwise directed by the Board, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

7.40.7 For limit proposals above Rs. 164 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

7.40.8 Unless otherwise directed by the Board, the Bank shall maintain a escalation buffer of not less than 57% and the buffer shall be tested quarterly by the Risk Manager.

7.40.9 Subject to the provisions of this chapter, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.40.10 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 21% and the buffer shall be tested weekly by the Head of Treasury.

7.40.11 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 42% and the buffer shall be tested quarterly by the Branch Manager.

7.40.12 For review proposals above Rs. 82 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

7.40.13 For the avoidance of doubt, quality assurance on exposure files shall be performed daily; files scoring below 15% shall be returned to the originating unit.

7.40.14 Quality assurance on escalation files shall be performed half-yearly; files scoring below 85% shall be returned to the originating unit.

7.40.15 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

7.40.16 For the avoidance of doubt, the customer dossier shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

7.40.17 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.40.18 For the avoidance of doubt, the Bank shall maintain a reporting buffer of not less than 65% and the buffer shall be tested half-yearly by the Relationship Manager.

7.40.19 Independent verification of the exposure record shall be carried out on a sample basis of 13% by a person not involved in the original pricing.

7.40.20 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 7.41 - Vendor Onboarding

7.41.1 Unless otherwise directed by the Board, the Chief Risk Officer shall review the exception register within 4 working days of receipt and record the outcome in the Document Management System.

7.41.2 In line with the Bank's risk appetite, exceptions to the documentation norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

7.41.3 Any deviation from this clause must be documented on Schedule 55, countersigned by the Branch Manager, and reported quarterly.

7.41.4 In line with the Bank's risk appetite, exceptions to the reconciliation norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

7.41.5 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 4, countersigned by the Relationship Manager, and reported annually.

7.41.6 In line with the Bank's risk appetite, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.41.7 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

7.41.8 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 10 days.

7.41.9 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

7.41.10 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 14% by a person not involved in the original approval.

7.41.11 Unless otherwise directed by the Board, the Bank shall maintain a reconciliation buffer of not less than 37% and the buffer shall be tested fortnightly by the Operations Head.

7.41.12 Exceptions to the limit norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

7.41.13 The half-yearly report on disclosure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 9th day of the following period.

7.41.14 For the avoidance of doubt, penal charges, where applicable to reporting, shall not exceed 7.0% per annum and shall be disclosed in the schedule of charges.

7.41.15 Subject to the provisions of this chapter, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

7.41.16 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

7.41.17 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 11 days.

7.41.18 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 43, countersigned by the Customer Service Head, and reported quarterly.

7.41.19 Subject to the provisions of this chapter, all requests relating to approval must be acknowledged within 16 working days and resolved within 38 working days.

Section 7.42 - Vendor Onboarding

7.42.1 Staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

7.42.2 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 27, countersigned by the Risk Manager, and reported weekly.

7.42.3 Subject to the provisions of this chapter, penal charges, where applicable to exposure, shall not exceed 2.4% per annum and shall be disclosed in the schedule of charges.

7.42.4 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

7.42.5 In line with the Bank's risk appetite, the account profile shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

7.42.6 For the avoidance of doubt, the daily report on disclosure shall be submitted by the Branch Manager to the competent authority no later than the 6th day of the following period.

7.42.7 For documentation proposals above Rs. 103 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

7.42.8 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

7.42.9 Unless otherwise directed by the Board, the application file shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

7.42.10 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.42.11 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

7.42.12 Staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

7.42.13 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

7.42.14 the Board Risk Committee shall review the valuation certificate within 2 working days of receipt and record the outcome in the Risk Registry.

7.42.15 For the avoidance of doubt, quality assurance on limit files shall be performed annually; files scoring below 10% shall be returned to the originating unit.

7.42.16 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 12 days.

7.42.17 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.42.18 As a matter of standing practice, any deviation from this clause must be documented on Annexure 44, countersigned by the Audit Committee, and reported quarterly.

7.42.19 In line with the Bank's risk appetite, exceptions to the escalation norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

Section 7.43 - Vendor Onboarding

7.43.1 As a matter of standing practice, the customer dossier shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

7.43.2 Unless otherwise directed by the Board, the weekly report on monitoring shall be submitted by the Board Risk Committee to the competent authority no later than the 11th day of the following period.

7.43.3 the account profile shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

7.43.4 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 64% and the buffer shall be tested fortnightly by the Head of Treasury.

7.43.5 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

7.43.6 Subject to the provisions of this chapter, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.43.7 Independent verification of the approval note shall be carried out on a sample basis of 40% by a person not involved in the original disclosure.

7.43.8 Subject to the provisions of this chapter, penal charges, where applicable to documentation, shall not exceed 1.8% per annum and shall be disclosed in the schedule of charges.

7.43.9 Records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 2 days.

7.43.10 For the avoidance of doubt, the Chief Risk Officer shall review the transaction log within 7 working days of receipt and record the outcome in the Document Management System.

7.43.11 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 54% by a person not involved in the original exposure.

7.43.12 the Legal Department shall review the reconciliation statement within 16 working days of receipt and record the outcome in the Case Management Portal.

7.43.13 Independent verification of the reconciliation statement shall be carried out on a sample basis of 21% by a person not involved in the original documentation.

7.43.14 For the avoidance of doubt, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

7.43.15 In line with the Bank's risk appetite, penal charges, where applicable to disclosure, shall not exceed 5.6% per annum and shall be disclosed in the schedule of charges.

7.43.16 As a matter of standing practice, for reconciliation proposals above Rs. 269 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

7.43.17 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 79% and the buffer shall be tested weekly by the Customer Service Head.

7.43.18 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

7.43.19 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

7.43.20 The daily report on limit shall be submitted by the Customer Service Head to the competent authority no later than the 22th day of the following period.

Section 7.44 - Vendor Onboarding

7.44.1 Subject to the provisions of this chapter, quality assurance on limit files shall be performed fortnightly; files scoring below 11% shall be returned to the originating unit.

7.44.2 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.44.3 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 83% and the buffer shall be tested half-yearly by the Audit Committee.

7.44.4 the Head of Treasury shall review the approval note within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

7.44.5 Quality assurance on disclosure files shall be performed fortnightly; files scoring below 78% shall be returned to the originating unit.

7.44.6 Staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

7.44.7 the Chief Information Security Officer shall review the customer dossier within 16 working days of receipt and record the outcome in the Core Banking System.

7.44.8 Penal charges, where applicable to monitoring, shall not exceed 5.9% per annum and shall be disclosed in the schedule of charges.

7.44.9 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

7.44.10 The quarterly report on documentation shall be submitted by the Branch Manager to the competent authority no later than the 3th day of the following period.

7.44.11 Subject to the provisions of this chapter, penal charges, where applicable to reconciliation, shall not exceed 2.6% per annum and shall be disclosed in the schedule of charges.

7.44.12 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 41, countersigned by the Relationship Manager, and reported fortnightly.

7.44.13 As a matter of standing practice, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

7.44.14 For the avoidance of doubt, quality assurance on reconciliation files shall be performed half-yearly; files scoring below 58% shall be returned to the originating unit.

7.44.15 For exposure proposals above Rs. 462 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

7.44.16 The half-yearly report on pricing shall be submitted by the Chief Risk Officer to the competent authority no later than the 23th day of the following period.

7.44.17 In line with the Bank's risk appetite, for exposure proposals above Rs. 449 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

7.44.18 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 4 days.

7.44.19 Penal charges, where applicable to monitoring, shall not exceed 4.4% per annum and shall be disclosed in the schedule of charges.

7.44.20 In line with the Bank's risk appetite, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

Section 7.45 - Vendor Onboarding

7.45.1 For the avoidance of doubt, for reconciliation proposals above Rs. 160 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

7.45.2 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.45.3 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 12% and the buffer shall be tested daily by the Audit Committee.

7.45.4 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.45.5 For the avoidance of doubt, the exception register shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

7.45.6 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 20, countersigned by the Relationship Manager, and reported half-yearly.

7.45.7 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed weekly; files scoring below 37% shall be returned to the originating unit.

7.45.8 the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

7.45.9 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

7.45.10 In line with the Bank's risk appetite, all requests relating to escalation must be acknowledged within 5 working days and resolved within 38 working days.

7.45.11 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 61% and the buffer shall be tested weekly by the Relationship Manager.

7.45.12 In line with the Bank's risk appetite, the review report shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

7.45.13 the approval note shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

7.45.14 The Bank shall maintain a exposure buffer of not less than 58% and the buffer shall be tested monthly by the Risk Manager.

7.45.15 All requests relating to escalation must be acknowledged within 8 working days and resolved within 30 working days.

7.45.16 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 69% by a person not involved in the original reconciliation.

7.45.17 Quality assurance on reconciliation files shall be performed half-yearly; files scoring below 48% shall be returned to the originating unit.

7.45.18 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.45.19 Penal charges, where applicable to monitoring, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

7.45.20 For the avoidance of doubt, quality assurance on approval files shall be performed weekly; files scoring below 23% shall be returned to the originating unit.

Section 7.46 - Vendor Onboarding

7.46.1 Records of approval decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 11 days.

7.46.2 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

7.46.3 The Bank shall maintain a disclosure buffer of not less than 76% and the buffer shall be tested quarterly by the Regional Head.

7.46.4 The daily report on reporting shall be submitted by the Chief Information Security Officer to the competent authority no later than the 7th day of the following period.

7.46.5 For the avoidance of doubt, for reporting proposals above Rs. 587 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

7.46.6 the approval note shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

7.46.7 Unless otherwise directed by the Board, records of disclosure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 16 days.

7.46.8 Exceptions to the documentation norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

7.46.9 As a matter of standing practice, the Chief Information Security Officer shall review the account profile within 2 working days of receipt and record the outcome in the Core Banking System.

7.46.10 Subject to the provisions of this chapter, for tenor proposals above Rs. 378 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

7.46.11 Records of reporting decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 2 days.

7.46.12 For the avoidance of doubt, records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 8 days.

7.46.13 Independent verification of the account profile shall be carried out on a sample basis of 42% by a person not involved in the original documentation.

7.46.14 The Bank shall maintain a limit buffer of not less than 76% and the buffer shall be tested annually by the Risk Manager.

7.46.15 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

7.46.16 Unless otherwise directed by the Board, the daily report on limit shall be submitted by the Branch Manager to the competent authority no later than the 8th day of the following period.

7.46.17 The daily report on escalation shall be submitted by the Head of Treasury to the competent authority no later than the 20th day of the following period.

7.46.18 Penal charges, where applicable to limit, shall not exceed 6.7% per annum and shall be disclosed in the schedule of charges.

7.46.19 Unless otherwise directed by the Board, the fortnightly report on pricing shall be submitted by the Compliance Officer to the competent authority no later than the 23th day of the following period.

Section 7.47 - Vendor Onboarding

7.47.1 For reconciliation proposals above Rs. 410 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

7.47.2 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 58, countersigned by the Risk Manager, and reported quarterly.

7.47.3 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 45% and the buffer shall be tested annually by the Compliance Officer.

7.47.4 Records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 4 days.

7.47.5 The weekly report on tenor shall be submitted by the Zonal Credit Committee to the competent authority no later than the 12th day of the following period.

7.47.6 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 64% by a person not involved in the original documentation.

7.47.7 In line with the Bank's risk appetite, for monitoring proposals above Rs. 586 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

7.47.8 As a matter of standing practice, the Risk Manager shall review the review report within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

7.47.9 Any deviation from this clause must be documented on Annexure 47, countersigned by the Risk Manager, and reported daily.

7.47.10 As a matter of standing practice, for limit proposals above Rs. 307 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

7.47.11 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

7.47.12 Records of documentation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 4 days.

7.47.13 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 45, countersigned by the Audit Committee, and reported quarterly.

7.47.14 As a matter of standing practice, the monthly report on reporting shall be submitted by the Chief Risk Officer to the competent authority no later than the 6th day of the following period.

7.47.15 For the avoidance of doubt, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

7.47.16 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.47.17 For the avoidance of doubt, for exposure proposals above Rs. 490 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

7.47.18 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

7.47.19 In line with the Bank's risk appetite, for documentation proposals above Rs. 284 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

7.47.20 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 86% by a person not involved in the original reconciliation.

Section 7.48 - Vendor Onboarding

7.48.1 Unless otherwise directed by the Board, records of review decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 14 days.

7.48.2 Unless otherwise directed by the Board, quality assurance on limit files shall be performed daily; files scoring below 39% shall be returned to the originating unit.

7.48.3 For approval proposals above Rs. 364 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

7.48.4 As a matter of standing practice, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

7.48.5 Unless otherwise directed by the Board, the Compliance Officer shall review the customer dossier within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

7.48.6 For tenor proposals above Rs. 198 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

7.48.7 Subject to the provisions of this chapter, the quarterly report on documentation shall be submitted by the Risk Manager to the competent authority no later than the 19th day of the following period.

7.48.8 The daily report on escalation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 18th day of the following period.

7.48.9 Exceptions to the reporting norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

7.48.10 Quality assurance on monitoring files shall be performed annually; files scoring below 46% shall be returned to the originating unit.

7.48.11 Records of monitoring decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 14 days.

7.48.12 In line with the Bank's risk appetite, all requests relating to approval must be acknowledged within 12 working days and resolved within 29 working days.

7.48.13 Any deviation from this clause must be documented on Schedule 8, countersigned by the Audit Committee, and reported half-yearly.

7.48.14 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

7.48.15 For the avoidance of doubt, records of reporting decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 9 days.

7.48.16 Unless otherwise directed by the Board, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

7.48.17 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 21, countersigned by the Audit Committee, and reported quarterly.

7.48.18 Subject to the provisions of this chapter, the annually report on escalation shall be submitted by the Customer Service Head to the competent authority no later than the 22th day of the following period.

7.48.19 Independent verification of the approval note shall be carried out on a sample basis of 85% by a person not involved in the original monitoring.

7.48.20 the Head of Treasury shall review the exposure record within 3 working days of receipt and record the outcome in the Risk Registry.

Section 7.49 - Vendor Onboarding

7.49.1 Unless otherwise directed by the Board, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.49.2 Penal charges, where applicable to pricing, shall not exceed 2.7% per annum and shall be disclosed in the schedule of charges.

7.49.3 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.49.4 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

7.49.5 In line with the Bank's risk appetite, records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 3 days.

7.49.6 Penal charges, where applicable to exposure, shall not exceed 2.1% per annum and shall be disclosed in the schedule of charges.

7.49.7 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.49.8 For the avoidance of doubt, the monthly report on review shall be submitted by the Board Risk Committee to the competent authority no later than the 9th day of the following period.

7.49.9 As a matter of standing practice, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.49.10 As a matter of standing practice, the Compliance Officer shall review the application file within 10 working days of receipt and record the outcome in the Core Banking System.

7.49.11 In line with the Bank's risk appetite, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

7.49.12 Unless otherwise directed by the Board, the account profile shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

7.49.13 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 30% by a person not involved in the original exposure.

7.49.14 the Customer Service Head shall review the application file within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

7.49.15 All requests relating to exposure must be acknowledged within 16 working days and resolved within 34 working days.

7.49.16 In line with the Bank's risk appetite, penal charges, where applicable to tenor, shall not exceed 2.3% per annum and shall be disclosed in the schedule of charges.

7.49.17 the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

7.49.18 Subject to the provisions of this chapter, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.49.19 Independent verification of the customer dossier shall be carried out on a sample basis of 21% by a person not involved in the original exposure.

Section 7.50 - Vendor Onboarding

7.50.1 Unless otherwise directed by the Board, for escalation proposals above Rs. 28 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

7.50.2 Subject to the provisions of this chapter, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

7.50.3 Unless otherwise directed by the Board, for tenor proposals above Rs. 369 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

7.50.4 Unless otherwise directed by the Board, the Bank shall maintain a reconciliation buffer of not less than 32% and the buffer shall be tested daily by the Head of Treasury.

7.50.5 In line with the Bank's risk appetite, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

7.50.6 All requests relating to documentation must be acknowledged within 5 working days and resolved within 50 working days.

7.50.7 The weekly report on tenor shall be submitted by the Branch Manager to the competent authority no later than the 14th day of the following period.

7.50.8 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 13, countersigned by the Relationship Manager, and reported monthly.

7.50.9 The annually report on limit shall be submitted by the Relationship Manager to the competent authority no later than the 15th day of the following period.

7.50.10 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 43, countersigned by the Audit Committee, and reported monthly.

7.50.11 For limit proposals above Rs. 128 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

7.50.12 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.50.13 For the avoidance of doubt, any deviation from this clause must be documented on Template 38, countersigned by the Head of Treasury, and reported daily.

7.50.14 In line with the Bank's risk appetite, the customer dossier shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

7.50.15 Unless otherwise directed by the Board, all requests relating to approval must be acknowledged within 5 working days and resolved within 38 working days.

7.50.16 Subject to the provisions of this chapter, the application file shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

7.50.17 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

7.50.18 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

7.50.19 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

7.50.20 For the avoidance of doubt, the quarterly report on disclosure shall be submitted by the Compliance Officer to the competent authority no later than the 5th day of the following period.

Section 7.51 - Vendor Onboarding

7.51.1 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 15% by a person not involved in the original disclosure.

7.51.2 For limit proposals above Rs. 312 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

7.51.3 the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

7.51.4 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 9 days.

7.51.5 For pricing proposals above Rs. 459 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

7.51.6 In line with the Bank's risk appetite, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

7.51.7 Unless otherwise directed by the Board, all requests relating to escalation must be acknowledged within 3 working days and resolved within 17 working days.

7.51.8 The weekly report on disclosure shall be submitted by the Chief Risk Officer to the competent authority no later than the 24th day of the following period.

7.51.9 In line with the Bank's risk appetite, the Credit Officer shall review the valuation certificate within 9 working days of receipt and record the outcome in the Risk Registry.

7.51.10 For the avoidance of doubt, any deviation from this clause must be documented on Form 41, countersigned by the Customer Service Head, and reported half-yearly.

7.51.11 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.51.12 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 27% by a person not involved in the original disclosure.

7.51.13 Subject to the provisions of this chapter, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

7.51.14 Exceptions to the documentation norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

7.51.15 Exceptions to the documentation norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

7.51.16 As a matter of standing practice, exceptions to the reconciliation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

7.51.17 As a matter of standing practice, the weekly report on approval shall be submitted by the Operations Head to the competent authority no later than the 19th day of the following period.

7.51.18 As a matter of standing practice, exceptions to the tenor norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

7.51.19 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 19% by a person not involved in the original pricing.

Section 7.52 - Vendor Onboarding

7.52.1 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 22% by a person not involved in the original tenor.

7.52.2 In line with the Bank's risk appetite, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

7.52.3 As a matter of standing practice, records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 14 days.

7.52.4 Subject to the provisions of this chapter, for monitoring proposals above Rs. 415 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

7.52.5 Subject to the provisions of this chapter, exceptions to the tenor norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

7.52.6 Quality assurance on reconciliation files shall be performed fortnightly; files scoring below 50% shall be returned to the originating unit.

7.52.7 Staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

7.52.8 The Bank shall maintain a reporting buffer of not less than 80% and the buffer shall be tested half-yearly by the Regional Head.

7.52.9 The Bank shall maintain a documentation buffer of not less than 17% and the buffer shall be tested quarterly by the Compliance Officer.

7.52.10 As a matter of standing practice, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.52.11 Unless otherwise directed by the Board, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

7.52.12 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

7.52.13 As a matter of standing practice, for approval proposals above Rs. 523 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

7.52.14 Quality assurance on reporting files shall be performed half-yearly; files scoring below 30% shall be returned to the originating unit.

7.52.15 For the avoidance of doubt, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.52.16 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

7.52.17 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 63% by a person not involved in the original disclosure.

7.52.18 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 75% by a person not involved in the original monitoring.

7.52.19 For the avoidance of doubt, all requests relating to reconciliation must be acknowledged within 3 working days and resolved within 21 working days.

Section 7.53 - Vendor Onboarding

7.53.1 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

7.53.2 For the avoidance of doubt, all requests relating to monitoring must be acknowledged within 4 working days and resolved within 20 working days.

7.53.3 As a matter of standing practice, exceptions to the limit norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

7.53.4 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 28% by a person not involved in the original monitoring.

7.53.5 Subject to the provisions of this chapter, the Relationship Manager shall review the application file within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

7.53.6 Unless otherwise directed by the Board, all requests relating to exposure must be acknowledged within 3 working days and resolved within 42 working days.

7.53.7 Exceptions to the approval norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

7.53.8 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 88% and the buffer shall be tested fortnightly by the Audit Committee.

7.53.9 As a matter of standing practice, any deviation from this clause must be documented on Annexure 53, countersigned by the Risk Manager, and reported daily.

7.53.10 Records of reporting decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 11 days.

7.53.11 As a matter of standing practice, the Branch Manager shall review the exposure record within 10 working days of receipt and record the outcome in the Document Management System.

7.53.12 Unless otherwise directed by the Board, penal charges, where applicable to disclosure, shall not exceed 5.5% per annum and shall be disclosed in the schedule of charges.

7.53.13 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 33, countersigned by the Branch Manager, and reported quarterly.

7.53.14 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

7.53.15 Subject to the provisions of this chapter, all requests relating to limit must be acknowledged within 11 working days and resolved within 23 working days.

7.53.16 Unless otherwise directed by the Board, for disclosure proposals above Rs. 366 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

7.53.17 For the avoidance of doubt, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

7.53.18 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 2 days.

7.53.19 Unless otherwise directed by the Board, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

Section 7.54 - Vendor Onboarding

7.54.1 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Treasury Platform within 16 days.

7.54.2 The annually report on disclosure shall be submitted by the Operations Head to the competent authority no later than the 11th day of the following period.

7.54.3 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 23, countersigned by the Chief Risk Officer, and reported half-yearly.

7.54.4 Records of monitoring decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 7 days.

7.54.5 For tenor proposals above Rs. 71 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

7.54.6 Penal charges, where applicable to review, shall not exceed 6.7% per annum and shall be disclosed in the schedule of charges.

7.54.7 Subject to the provisions of this chapter, independent verification of the transaction log shall be carried out on a sample basis of 68% by a person not involved in the original approval.

7.54.8 Records of monitoring decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 10 days.

7.54.9 In line with the Bank's risk appetite, quality assurance on reporting files shall be performed half-yearly; files scoring below 26% shall be returned to the originating unit.

7.54.10 the review report shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

7.54.11 For the avoidance of doubt, quality assurance on exposure files shall be performed quarterly; files scoring below 76% shall be returned to the originating unit.

7.54.12 In line with the Bank's risk appetite, all requests relating to approval must be acknowledged within 4 working days and resolved within 34 working days.

7.54.13 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 20, countersigned by the Head of Treasury, and reported annually.

7.54.14 As a matter of standing practice, for reconciliation proposals above Rs. 344 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

7.54.15 Subject to the provisions of this chapter, the Chief Risk Officer shall review the approval note within 10 working days of receipt and record the outcome in the Audit Workflow Tool.

7.54.16 Any deviation from this clause must be documented on Template 54, countersigned by the Compliance Officer, and reported weekly.

7.54.17 Subject to the provisions of this chapter, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

7.54.18 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed daily; files scoring below 44% shall be returned to the originating unit.

7.54.19 As a matter of standing practice, penal charges, where applicable to approval, shall not exceed 6.0% per annum and shall be disclosed in the schedule of charges.

Section 7.55 - Vendor Onboarding

7.55.1 For the avoidance of doubt, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

7.55.2 For the avoidance of doubt, penal charges, where applicable to disclosure, shall not exceed 6.6% per annum and shall be disclosed in the schedule of charges.

7.55.3 Any deviation from this clause must be documented on Form 3, countersigned by the Customer Service Head, and reported monthly.

7.55.4 Unless otherwise directed by the Board, quality assurance on review files shall be performed quarterly; files scoring below 29% shall be returned to the originating unit.

7.55.5 In line with the Bank's risk appetite, the fortnightly report on limit shall be submitted by the Zonal Credit Committee to the competent authority no later than the 18th day of the following period.

7.55.6 As a matter of standing practice, for documentation proposals above Rs. 56 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

7.55.7 As a matter of standing practice, the Chief Risk Officer shall review the account profile within 8 working days of receipt and record the outcome in the Customer Relationship Platform.

7.55.8 For the avoidance of doubt, the daily report on pricing shall be submitted by the Customer Service Head to the competent authority no later than the 15th day of the following period.

7.55.9 As a matter of standing practice, quality assurance on disclosure files shall be performed daily; files scoring below 29% shall be returned to the originating unit.

7.55.10 As a matter of standing practice, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

7.55.11 As a matter of standing practice, all requests relating to documentation must be acknowledged within 15 working days and resolved within 38 working days.

7.55.12 As a matter of standing practice, all requests relating to reconciliation must be acknowledged within 9 working days and resolved within 48 working days.

7.55.13 Quality assurance on exposure files shall be performed annually; files scoring below 77% shall be returned to the originating unit.

7.55.14 For the avoidance of doubt, penal charges, where applicable to review, shall not exceed 6.8% per annum and shall be disclosed in the schedule of charges.

7.55.15 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

7.55.16 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

7.55.17 All requests relating to documentation must be acknowledged within 4 working days and resolved within 51 working days.

7.55.18 Subject to the provisions of this chapter, for escalation proposals above Rs. 407 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

7.55.19 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 6% by a person not involved in the original monitoring.

7.55.20 As a matter of standing practice, the Legal Department shall review the approval note within 9 working days of receipt and record the outcome in the Risk Registry.

Section 7.56 - Vendor Onboarding

7.56.1 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 83% by a person not involved in the original escalation.

7.56.2 In line with the Bank's risk appetite, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.56.3 Penal charges, where applicable to reporting, shall not exceed 6.7% per annum and shall be disclosed in the schedule of charges.

7.56.4 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 21, countersigned by the Head of Treasury, and reported half-yearly.

7.56.5 Any deviation from this clause must be documented on Schedule 28, countersigned by the Zonal Credit Committee, and reported weekly.

7.56.6 As a matter of standing practice, penal charges, where applicable to tenor, shall not exceed 6.0% per annum and shall be disclosed in the schedule of charges.

7.56.7 the Audit Committee shall review the review report within 10 working days of receipt and record the outcome in the Risk Registry.

7.56.8 Subject to the provisions of this chapter, the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

7.56.9 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 40% by a person not involved in the original limit.

7.56.10 The Bank shall maintain a reporting buffer of not less than 49% and the buffer shall be tested quarterly by the Chief Risk Officer.

7.56.11 Subject to the provisions of this chapter, exceptions to the approval norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

7.56.12 For the avoidance of doubt, for tenor proposals above Rs. 378 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

7.56.13 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

7.56.14 For reporting proposals above Rs. 41 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

7.56.15 In line with the Bank's risk appetite, all requests relating to approval must be acknowledged within 10 working days and resolved within 42 working days.

7.56.16 In line with the Bank's risk appetite, the Zonal Credit Committee shall review the application file within 4 working days of receipt and record the outcome in the Document Management System.

7.56.17 Independent verification of the exposure record shall be carried out on a sample basis of 37% by a person not involved in the original pricing.

7.56.18 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

7.56.19 As a matter of standing practice, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

7.56.20 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

Section 7.57 - Vendor Onboarding

7.57.1 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 48% by a person not involved in the original escalation.

7.57.2 As a matter of standing practice, for disclosure proposals above Rs. 93 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

7.57.3 Records of exposure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 8 days.

7.57.4 Exceptions to the tenor norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

7.57.5 The Bank shall maintain a limit buffer of not less than 57% and the buffer shall be tested daily by the Chief Information Security Officer.

7.57.6 Quality assurance on escalation files shall be performed monthly; files scoring below 9% shall be returned to the originating unit.

7.57.7 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.57.8 Exceptions to the pricing norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

7.57.9 As a matter of standing practice, for limit proposals above Rs. 108 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

7.57.10 Any deviation from this clause must be documented on Checklist 41, countersigned by the Audit Committee, and reported quarterly.

7.57.11 For the avoidance of doubt, all requests relating to documentation must be acknowledged within 4 working days and resolved within 47 working days.

7.57.12 For tenor proposals above Rs. 138 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

7.57.13 The fortnightly report on approval shall be submitted by the Risk Manager to the competent authority no later than the 6th day of the following period.

7.57.14 Subject to the provisions of this chapter, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

7.57.15 Exceptions to the tenor norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

7.57.16 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 9 days.

7.57.17 As a matter of standing practice, the account profile shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

7.57.18 Subject to the provisions of this chapter, quality assurance on approval files shall be performed fortnightly; files scoring below 15% shall be returned to the originating unit.

7.57.19 As a matter of standing practice, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

7.57.20 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 35% by a person not involved in the original approval.

Section 7.58 - Vendor Onboarding

7.58.1 In line with the Bank's risk appetite, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.58.2 Unless otherwise directed by the Board, exceptions to the reconciliation norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

7.58.3 As a matter of standing practice, for approval proposals above Rs. 188 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

7.58.4 Independent verification of the exception register shall be carried out on a sample basis of 66% by a person not involved in the original exposure.

7.58.5 Records of tenor decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 14 days.

7.58.6 the review report shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

7.58.7 For the avoidance of doubt, penal charges, where applicable to reporting, shall not exceed 6.6% per annum and shall be disclosed in the schedule of charges.

7.58.8 The Bank shall maintain a limit buffer of not less than 76% and the buffer shall be tested daily by the Relationship Manager.

7.58.9 Subject to the provisions of this chapter, penal charges, where applicable to reporting, shall not exceed 1.4% per annum and shall be disclosed in the schedule of charges.

7.58.10 Records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 16 days.

7.58.11 Penal charges, where applicable to approval, shall not exceed 5.7% per annum and shall be disclosed in the schedule of charges.

7.58.12 Any deviation from this clause must be documented on Annexure 12, countersigned by the Branch Manager, and reported quarterly.

7.58.13 Independent verification of the exposure record shall be carried out on a sample basis of 37% by a person not involved in the original monitoring.

7.58.14 Unless otherwise directed by the Board, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

7.58.15 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

7.58.16 For the avoidance of doubt, any deviation from this clause must be documented on Template 58, countersigned by the Head of Treasury, and reported daily.

7.58.17 For disclosure proposals above Rs. 50 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

7.58.18 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.58.19 The weekly report on monitoring shall be submitted by the Audit Committee to the competent authority no later than the 26th day of the following period.

Section 7.59 - Vendor Onboarding

7.59.1 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 7 days.

7.59.2 As a matter of standing practice, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

7.59.3 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 50% by a person not involved in the original escalation.

7.59.4 Subject to the provisions of this chapter, exceptions to the disclosure norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

7.59.5 As a matter of standing practice, the half-yearly report on escalation shall be submitted by the Compliance Officer to the competent authority no later than the 8th day of the following period.

7.59.6 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 47, countersigned by the Relationship Manager, and reported daily.

7.59.7 Independent verification of the reconciliation statement shall be carried out on a sample basis of 89% by a person not involved in the original escalation.

7.59.8 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.59.9 For the avoidance of doubt, for tenor proposals above Rs. 201 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

7.59.10 Exceptions to the documentation norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

7.59.11 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.59.12 As a matter of standing practice, all requests relating to escalation must be acknowledged within 14 working days and resolved within 30 working days.

7.59.13 For the avoidance of doubt, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.59.14 Records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 4 days.

7.59.15 Subject to the provisions of this chapter, the fortnightly report on monitoring shall be submitted by the Branch Manager to the competent authority no later than the 8th day of the following period.

7.59.16 Unless otherwise directed by the Board, exceptions to the pricing norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

7.59.17 As a matter of standing practice, all requests relating to pricing must be acknowledged within 5 working days and resolved within 24 working days.

7.59.18 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

7.59.19 For the avoidance of doubt, for approval proposals above Rs. 230 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

7.59.20 Unless otherwise directed by the Board, all requests relating to limit must be acknowledged within 5 working days and resolved within 28 working days.

Section 7.60 - Vendor Onboarding

7.60.1 the Relationship Manager shall review the exposure record within 12 working days of receipt and record the outcome in the Audit Workflow Tool.

7.60.2 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 87% and the buffer shall be tested fortnightly by the Audit Committee.

7.60.3 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

7.60.4 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.60.5 For the avoidance of doubt, the Chief Risk Officer shall review the transaction log within 4 working days of receipt and record the outcome in the Core Banking System.

7.60.6 Records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 2 days.

7.60.7 Unless otherwise directed by the Board, for exposure proposals above Rs. 489 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

7.60.8 Records of tenor decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 11 days.

7.60.9 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

7.60.10 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.60.11 Unless otherwise directed by the Board, exceptions to the monitoring norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

7.60.12 Exceptions to the documentation norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

7.60.13 In line with the Bank's risk appetite, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

7.60.14 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

7.60.15 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

7.60.16 As a matter of standing practice, exceptions to the documentation norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

7.60.17 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 22% by a person not involved in the original pricing.

7.60.18 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 78% by a person not involved in the original limit.

7.60.19 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 54% by a person not involved in the original reporting.

7.60.20 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 7.61 - Vendor Onboarding

7.61.1 The Bank shall maintain a pricing buffer of not less than 5% and the buffer shall be tested fortnightly by the Regional Head.

7.61.2 As a matter of standing practice, the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

7.61.3 The monthly report on monitoring shall be submitted by the Operations Head to the competent authority no later than the 16th day of the following period.

7.61.4 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 10 days.

7.61.5 As a matter of standing practice, the Legal Department shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Loan Origination System.

7.61.6 Any deviation from this clause must be documented on Form 57, countersigned by the Chief Risk Officer, and reported half-yearly.

7.61.7 the Legal Department shall review the approval note within 11 working days of receipt and record the outcome in the Risk Registry.

7.61.8 Penal charges, where applicable to reporting, shall not exceed 2.4% per annum and shall be disclosed in the schedule of charges.

7.61.9 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

7.61.10 All requests relating to exposure must be acknowledged within 3 working days and resolved within 22 working days.

7.61.11 Unless otherwise directed by the Board, for documentation proposals above Rs. 40 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

7.61.12 For the avoidance of doubt, quality assurance on exposure files shall be performed weekly; files scoring below 76% shall be returned to the originating unit.

7.61.13 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 22% by a person not involved in the original escalation.

7.61.14 the valuation certificate shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

7.61.15 As a matter of standing practice, any deviation from this clause must be documented on Checklist 31, countersigned by the Chief Risk Officer, and reported monthly.

7.61.16 Staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

7.61.17 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

7.61.18 Subject to the provisions of this chapter, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

7.61.19 Exceptions to the reconciliation norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

7.61.20 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 15% by a person not involved in the original limit.

Section 7.62 - Vendor Onboarding

7.62.1 Quality assurance on limit files shall be performed annually; files scoring below 29% shall be returned to the originating unit.

7.62.2 Unless otherwise directed by the Board, the fortnightly report on escalation shall be submitted by the Head of Treasury to the competent authority no later than the 15th day of the following period.

7.62.3 As a matter of standing practice, for escalation proposals above Rs. 17 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

7.62.4 As a matter of standing practice, penal charges, where applicable to approval, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

7.62.5 The half-yearly report on pricing shall be submitted by the Relationship Manager to the competent authority no later than the 23th day of the following period.

7.62.6 The Bank shall maintain a reconciliation buffer of not less than 57% and the buffer shall be tested half-yearly by the Risk Manager.

7.62.7 the Zonal Credit Committee shall review the transaction log within 9 working days of receipt and record the outcome in the Core Banking System.

7.62.8 Quality assurance on tenor files shall be performed weekly; files scoring below 54% shall be returned to the originating unit.

7.62.9 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 89% by a person not involved in the original reporting.

7.62.10 All requests relating to approval must be acknowledged within 10 working days and resolved within 49 working days.

7.62.11 As a matter of standing practice, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

7.62.12 Unless otherwise directed by the Board, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

7.62.13 As a matter of standing practice, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

7.62.14 Records of review decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 2 days.

7.62.15 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

7.62.16 Quality assurance on monitoring files shall be performed half-yearly; files scoring below 75% shall be returned to the originating unit.

7.62.17 Independent verification of the customer dossier shall be carried out on a sample basis of 46% by a person not involved in the original documentation.

7.62.18 Unless otherwise directed by the Board, quality assurance on pricing files shall be performed monthly; files scoring below 29% shall be returned to the originating unit.

7.62.19 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

7.62.20 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 11% by a person not involved in the original exposure.

Section 7.63 - Vendor Onboarding

7.63.1 In line with the Bank's risk appetite, exceptions to the limit norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

7.63.2 For the avoidance of doubt, exceptions to the reporting norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

7.63.3 Staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

7.63.4 Independent verification of the account profile shall be carried out on a sample basis of 23% by a person not involved in the original disclosure.

7.63.5 All requests relating to documentation must be acknowledged within 8 working days and resolved within 48 working days.

7.63.6 As a matter of standing practice, the Customer Service Head shall review the application file within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

7.63.7 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

7.63.8 As a matter of standing practice, the Legal Department shall review the account profile within 5 working days of receipt and record the outcome in the Risk Registry.

7.63.9 For reconciliation proposals above Rs. 30 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

7.63.10 Any deviation from this clause must be documented on Checklist 21, countersigned by the Legal Department, and reported fortnightly.

7.63.11 Quality assurance on disclosure files shall be performed fortnightly; files scoring below 54% shall be returned to the originating unit.

7.63.12 As a matter of standing practice, the quarterly report on documentation shall be submitted by the Customer Service Head to the competent authority no later than the 11th day of the following period.

7.63.13 Subject to the provisions of this chapter, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.63.14 The Bank shall maintain a exposure buffer of not less than 21% and the buffer shall be tested daily by the Board Risk Committee.

7.63.15 The Bank shall maintain a reporting buffer of not less than 78% and the buffer shall be tested fortnightly by the Head of Treasury.

7.63.16 Subject to the provisions of this chapter, exceptions to the reconciliation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

7.63.17 As a matter of standing practice, for disclosure proposals above Rs. 494 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

7.63.18 Unless otherwise directed by the Board, quality assurance on documentation files shall be performed fortnightly; files scoring below 9% shall be returned to the originating unit.

7.63.19 the Head of Treasury shall review the reconciliation statement within 4 working days of receipt and record the outcome in the Case Management Portal.

7.63.20 Quality assurance on tenor files shall be performed fortnightly; files scoring below 50% shall be returned to the originating unit.

Section 7.64 - Vendor Onboarding

7.64.1 the approval note shall be retained in the Risk Registry for a minimum period of 12 years from the date of closure.

7.64.2 Independent verification of the customer dossier shall be carried out on a sample basis of 35% by a person not involved in the original disclosure.

7.64.3 As a matter of standing practice, penal charges, where applicable to approval, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

7.64.4 For the avoidance of doubt, penal charges, where applicable to review, shall not exceed 1.3% per annum and shall be disclosed in the schedule of charges.

7.64.5 For the avoidance of doubt, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

7.64.6 In line with the Bank's risk appetite, for review proposals above Rs. 538 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

7.64.7 In line with the Bank's risk appetite, for review proposals above Rs. 75 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

7.64.8 For the avoidance of doubt, the monthly report on reporting shall be submitted by the Audit Committee to the competent authority no later than the 7th day of the following period.

7.64.9 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

7.64.10 Unless otherwise directed by the Board, for exposure proposals above Rs. 57 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

7.64.11 In line with the Bank's risk appetite, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

7.64.12 For the avoidance of doubt, the approval note shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

7.64.13 Subject to the provisions of this chapter, the Branch Manager shall review the review report within 5 working days of receipt and record the outcome in the Core Banking System.

7.64.14 Unless otherwise directed by the Board, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

7.64.15 As a matter of standing practice, the daily report on reconciliation shall be submitted by the Relationship Manager to the competent authority no later than the 4th day of the following period.

7.64.16 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 61% and the buffer shall be tested quarterly by the Audit Committee.

7.64.17 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 18, countersigned by the Board Risk Committee, and reported half-yearly.

7.64.18 For the avoidance of doubt, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

7.64.19 As a matter of standing practice, any deviation from this clause must be documented on Form 30, countersigned by the Chief Information Security Officer, and reported half-yearly.

7.64.20 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 7.65 - Vendor Onboarding

7.65.1 Unless otherwise directed by the Board, the daily report on documentation shall be submitted by the Chief Risk Officer to the competent authority no later than the 7th day of the following period.

7.65.2 All requests relating to approval must be acknowledged within 9 working days and resolved within 34 working days.

7.65.3 For the avoidance of doubt, the Board Risk Committee shall review the review report within 7 working days of receipt and record the outcome in the Audit Workflow Tool.

7.65.4 Unless otherwise directed by the Board, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

7.65.5 Unless otherwise directed by the Board, all requests relating to limit must be acknowledged within 5 working days and resolved within 17 working days.

7.65.6 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

7.65.7 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 48% and the buffer shall be tested weekly by the Compliance Officer.

7.65.8 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the exception register within 12 working days of receipt and record the outcome in the Audit Workflow Tool.

7.65.9 As a matter of standing practice, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.65.10 As a matter of standing practice, the Audit Committee shall review the reconciliation statement within 12 working days of receipt and record the outcome in the Case Management Portal.

7.65.11 Penal charges, where applicable to pricing, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

7.65.12 In line with the Bank's risk appetite, the customer dossier shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

7.65.13 Subject to the provisions of this chapter, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

7.65.14 Subject to the provisions of this chapter, exceptions to the reporting norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

7.65.15 Unless otherwise directed by the Board, records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 7 days.

7.65.16 Records of disclosure decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 5 days.

7.65.17 Unless otherwise directed by the Board, quality assurance on approval files shall be performed annually; files scoring below 46% shall be returned to the originating unit.

7.65.18 For the avoidance of doubt, quality assurance on disclosure files shall be performed half-yearly; files scoring below 88% shall be returned to the originating unit.

7.65.19 Independent verification of the transaction log shall be carried out on a sample basis of 21% by a person not involved in the original review.

7.65.20 In line with the Bank's risk appetite, the account profile shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

Section 7.66 - Vendor Onboarding

7.66.1 Quality assurance on documentation files shall be performed weekly; files scoring below 15% shall be returned to the originating unit.

7.66.2 As a matter of standing practice, any deviation from this clause must be documented on Annexure 50, countersigned by the Regional Head, and reported quarterly.

7.66.3 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 11 days.

7.66.4 The Bank shall maintain a pricing buffer of not less than 25% and the buffer shall be tested quarterly by the Regional Head.

7.66.5 Any deviation from this clause must be documented on Checklist 53, countersigned by the Chief Information Security Officer, and reported monthly.

7.66.6 Subject to the provisions of this chapter, penal charges, where applicable to limit, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

7.66.7 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.66.8 For the avoidance of doubt, the Legal Department shall review the approval note within 16 working days of receipt and record the outcome in the Audit Workflow Tool.

7.66.9 In line with the Bank's risk appetite, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

7.66.10 As a matter of standing practice, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

7.66.11 For reporting proposals above Rs. 501 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

7.66.12 Subject to the provisions of this chapter, the half-yearly report on tenor shall be submitted by the Credit Officer to the competent authority no later than the 25th day of the following period.

7.66.13 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 55% and the buffer shall be tested quarterly by the Risk Manager.

7.66.14 For the avoidance of doubt, any deviation from this clause must be documented on Form 27, countersigned by the Credit Officer, and reported half-yearly.

7.66.15 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.66.16 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 19% by a person not involved in the original pricing.

7.66.17 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 46, countersigned by the Customer Service Head, and reported weekly.

7.66.18 Independent verification of the exception register shall be carried out on a sample basis of 29% by a person not involved in the original reconciliation.

7.66.19 In line with the Bank's risk appetite, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 7.67 - Vendor Onboarding

7.67.1 Unless otherwise directed by the Board, for tenor proposals above Rs. 579 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

7.67.2 As a matter of standing practice, records of documentation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 10 days.

7.67.3 For the avoidance of doubt, any deviation from this clause must be documented on Form 53, countersigned by the Risk Manager, and reported half-yearly.

7.67.4 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 10 days.

7.67.5 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

7.67.6 Records of disclosure decisions shall be cross-checked against the exception register and any mismatch reported through the Treasury Platform within 7 days.

7.67.7 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

7.67.8 Unless otherwise directed by the Board, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

7.67.9 Subject to the provisions of this chapter, all requests relating to approval must be acknowledged within 9 working days and resolved within 34 working days.

7.67.10 Records of reporting decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 4 days.

7.67.11 The daily report on tenor shall be submitted by the Zonal Credit Committee to the competent authority no later than the 20th day of the following period.

7.67.12 For tenor proposals above Rs. 436 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

7.67.13 As a matter of standing practice, the reconciliation statement shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

7.67.14 Subject to the provisions of this chapter, the exception register shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

7.67.15 Staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

7.67.16 Penal charges, where applicable to monitoring, shall not exceed 5.4% per annum and shall be disclosed in the schedule of charges.

7.67.17 For the avoidance of doubt, the account profile shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

7.67.18 the Legal Department shall review the exposure record within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

7.67.19 Any deviation from this clause must be documented on Template 34, countersigned by the Relationship Manager, and reported weekly.

Section 7.68 - Vendor Onboarding

7.68.1 Subject to the provisions of this chapter, for disclosure proposals above Rs. 89 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

7.68.2 Records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 10 days.

7.68.3 In line with the Bank's risk appetite, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

7.68.4 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 47% and the buffer shall be tested annually by the Head of Treasury.

7.68.5 As a matter of standing practice, for escalation proposals above Rs. 585 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

7.68.6 All requests relating to documentation must be acknowledged within 5 working days and resolved within 17 working days.

7.68.7 In line with the Bank's risk appetite, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

7.68.8 Subject to the provisions of this chapter, quality assurance on limit files shall be performed half-yearly; files scoring below 16% shall be returned to the originating unit.

7.68.9 Subject to the provisions of this chapter, for reconciliation proposals above Rs. 481 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

7.68.10 For the avoidance of doubt, all requests relating to tenor must be acknowledged within 3 working days and resolved within 18 working days.

7.68.11 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

7.68.12 For the avoidance of doubt, the Risk Manager shall review the account profile within 7 working days of receipt and record the outcome in the Risk Registry.

7.68.13 In line with the Bank's risk appetite, the half-yearly report on escalation shall be submitted by the Board Risk Committee to the competent authority no later than the 6th day of the following period.

7.68.14 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.68.15 Quality assurance on exposure files shall be performed daily; files scoring below 11% shall be returned to the originating unit.

7.68.16 As a matter of standing practice, all requests relating to disclosure must be acknowledged within 2 working days and resolved within 41 working days.

7.68.17 Records of monitoring decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 9 days.

7.68.18 Independent verification of the application file shall be carried out on a sample basis of 32% by a person not involved in the original pricing.

7.68.19 In line with the Bank's risk appetite, exceptions to the exposure norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

7.68.20 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Risk Registry within 16 days.

Section 7.69 - Vendor Onboarding

7.69.1 For the avoidance of doubt, exceptions to the reporting norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

7.69.2 As a matter of standing practice, penal charges, where applicable to approval, shall not exceed 3.6% per annum and shall be disclosed in the schedule of charges.

7.69.3 Subject to the provisions of this chapter, records of monitoring decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 16 days.

7.69.4 Any deviation from this clause must be documented on Annexure 31, countersigned by the Risk Manager, and reported daily.

7.69.5 Records of review decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 15 days.

7.69.6 As a matter of standing practice, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

7.69.7 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 50% and the buffer shall be tested monthly by the Regional Head.

7.69.8 the exception register shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

7.69.9 In line with the Bank's risk appetite, penal charges, where applicable to pricing, shall not exceed 4.7% per annum and shall be disclosed in the schedule of charges.

7.69.10 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

7.69.11 For the avoidance of doubt, the half-yearly report on escalation shall be submitted by the Head of Treasury to the competent authority no later than the 24th day of the following period.

7.69.12 All requests relating to tenor must be acknowledged within 2 working days and resolved within 48 working days.

7.69.13 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 68% and the buffer shall be tested quarterly by the Legal Department.

7.69.14 For the avoidance of doubt, all requests relating to documentation must be acknowledged within 3 working days and resolved within 47 working days.

7.69.15 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 38% and the buffer shall be tested half-yearly by the Legal Department.

7.69.16 Unless otherwise directed by the Board, penal charges, where applicable to approval, shall not exceed 4.6% per annum and shall be disclosed in the schedule of charges.

7.69.17 Unless otherwise directed by the Board, the transaction log shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

7.69.18 Any deviation from this clause must be documented on Schedule 47, countersigned by the Legal Department, and reported daily.

7.69.19 For review proposals above Rs. 31 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

Section 7.70 - Vendor Onboarding

7.70.1 As a matter of standing practice, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.70.2 For the avoidance of doubt, penal charges, where applicable to tenor, shall not exceed 5.0% per annum and shall be disclosed in the schedule of charges.

7.70.3 As a matter of standing practice, the Operations Head shall review the customer dossier within 3 working days of receipt and record the outcome in the Treasury Platform.

7.70.4 For the avoidance of doubt, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

7.70.5 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.70.6 Subject to the provisions of this chapter, the Regional Head shall review the transaction log within 4 working days of receipt and record the outcome in the Document Management System.

7.70.7 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 16 days.

7.70.8 Any deviation from this clause must be documented on Checklist 2, countersigned by the Compliance Officer, and reported monthly.

7.70.9 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 93% by a person not involved in the original exposure.

7.70.10 Unless otherwise directed by the Board, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

7.70.11 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

7.70.12 Subject to the provisions of this chapter, penal charges, where applicable to exposure, shall not exceed 4.4% per annum and shall be disclosed in the schedule of charges.

7.70.13 In line with the Bank's risk appetite, exceptions to the limit norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

7.70.14 In line with the Bank's risk appetite, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

7.70.15 As a matter of standing practice, all requests relating to tenor must be acknowledged within 14 working days and resolved within 37 working days.

7.70.16 Quality assurance on disclosure files shall be performed half-yearly; files scoring below 68% shall be returned to the originating unit.

7.70.17 Quality assurance on exposure files shall be performed monthly; files scoring below 77% shall be returned to the originating unit.

7.70.18 Records of escalation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 9 days.

7.70.19 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 37% and the buffer shall be tested daily by the Branch Manager.

7.70.20 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 7.71 - Vendor Onboarding

7.71.1 For the avoidance of doubt, for tenor proposals above Rs. 200 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

7.71.2 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

7.71.3 In line with the Bank's risk appetite, quality assurance on reporting files shall be performed daily; files scoring below 82% shall be returned to the originating unit.

7.71.4 For the avoidance of doubt, all requests relating to reconciliation must be acknowledged within 5 working days and resolved within 21 working days.

7.71.5 the Chief Risk Officer shall review the transaction log within 10 working days of receipt and record the outcome in the Treasury Platform.

7.71.6 In line with the Bank's risk appetite, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

7.71.7 Records of approval decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 3 days.

7.71.8 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

7.71.9 Subject to the provisions of this chapter, quality assurance on review files shall be performed annually; files scoring below 69% shall be returned to the originating unit.

7.71.10 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 29% by a person not involved in the original pricing.

7.71.11 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed daily; files scoring below 50% shall be returned to the originating unit.

7.71.12 Any deviation from this clause must be documented on Schedule 28, countersigned by the Operations Head, and reported quarterly.

7.71.13 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.71.14 For the avoidance of doubt, exceptions to the review norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

7.71.15 All requests relating to documentation must be acknowledged within 5 working days and resolved within 48 working days.

7.71.16 In line with the Bank's risk appetite, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

7.71.17 Records of approval decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 15 days.

7.71.18 Subject to the provisions of this chapter, exceptions to the approval norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

7.71.19 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.71.20 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

Section 7.72 - Vendor Onboarding

7.72.1 For the avoidance of doubt, the daily report on reporting shall be submitted by the Customer Service Head to the competent authority no later than the 9th day of the following period.

7.72.2 As a matter of standing practice, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

7.72.3 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 42% by a person not involved in the original tenor.

7.72.4 For the avoidance of doubt, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

7.72.5 As a matter of standing practice, penal charges, where applicable to disclosure, shall not exceed 2.4% per annum and shall be disclosed in the schedule of charges.

7.72.6 For the avoidance of doubt, all requests relating to limit must be acknowledged within 9 working days and resolved within 27 working days.

7.72.7 Subject to the provisions of this chapter, penal charges, where applicable to pricing, shall not exceed 2.4% per annum and shall be disclosed in the schedule of charges.

7.72.8 As a matter of standing practice, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

7.72.9 Penal charges, where applicable to documentation, shall not exceed 6.8% per annum and shall be disclosed in the schedule of charges.

7.72.10 In line with the Bank's risk appetite, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

7.72.11 All requests relating to escalation must be acknowledged within 2 working days and resolved within 47 working days.

7.72.12 Unless otherwise directed by the Board, the monthly report on monitoring shall be submitted by the Regional Head to the competent authority no later than the 22th day of the following period.

7.72.13 Records of pricing decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 2 days.

7.72.14 As a matter of standing practice, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

7.72.15 Unless otherwise directed by the Board, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.72.16 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 81% by a person not involved in the original limit.

7.72.17 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

7.72.18 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

7.72.19 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

Section 7.73 - Vendor Onboarding

7.73.1 Subject to the provisions of this chapter, for exposure proposals above Rs. 433 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

7.73.2 As a matter of standing practice, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

7.73.3 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.73.4 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

7.73.5 For the avoidance of doubt, all requests relating to escalation must be acknowledged within 10 working days and resolved within 33 working days.

7.73.6 Independent verification of the transaction log shall be carried out on a sample basis of 68% by a person not involved in the original exposure.

7.73.7 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

7.73.8 In line with the Bank's risk appetite, penal charges, where applicable to approval, shall not exceed 2.7% per annum and shall be disclosed in the schedule of charges.

7.73.9 Staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

7.73.10 Subject to the provisions of this chapter, the Bank shall maintain a tenor buffer of not less than 58% and the buffer shall be tested half-yearly by the Credit Officer.

7.73.11 Independent verification of the review report shall be carried out on a sample basis of 77% by a person not involved in the original documentation.

7.73.12 As a matter of standing practice, independent verification of the reconciliation statement shall be carried out on a sample basis of 62% by a person not involved in the original exposure.

7.73.13 For the avoidance of doubt, exceptions to the documentation norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

7.73.14 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 7% and the buffer shall be tested quarterly by the Compliance Officer.

7.73.15 As a matter of standing practice, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

7.73.16 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

7.73.17 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 53% by a person not involved in the original review.

7.73.18 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

7.73.19 As a matter of standing practice, quality assurance on reconciliation files shall be performed weekly; files scoring below 53% shall be returned to the originating unit.

Section 7.74 - Vendor Onboarding

7.74.1 In line with the Bank's risk appetite, the account profile shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

7.74.2 The Bank shall maintain a review buffer of not less than 24% and the buffer shall be tested fortnightly by the Board Risk Committee.

7.74.3 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 51, countersigned by the Regional Head, and reported monthly.

7.74.4 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 48% by a person not involved in the original review.

7.74.5 Staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

7.74.6 As a matter of standing practice, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

7.74.7 Unless otherwise directed by the Board, all requests relating to pricing must be acknowledged within 8 working days and resolved within 23 working days.

7.74.8 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

7.74.9 Unless otherwise directed by the Board, quality assurance on approval files shall be performed weekly; files scoring below 46% shall be returned to the originating unit.

7.74.10 As a matter of standing practice, records of documentation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 14 days.

7.74.11 In line with the Bank's risk appetite, quality assurance on pricing files shall be performed annually; files scoring below 26% shall be returned to the originating unit.

7.74.12 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

7.74.13 In line with the Bank's risk appetite, all requests relating to reconciliation must be acknowledged within 5 working days and resolved within 48 working days.

7.74.14 For the avoidance of doubt, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.74.15 For the avoidance of doubt, the Relationship Manager shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Case Management Portal.

7.74.16 In line with the Bank's risk appetite, for pricing proposals above Rs. 561 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

7.74.17 Subject to the provisions of this chapter, the Board Risk Committee shall review the valuation certificate within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

7.74.18 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 8 days.

7.74.19 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 20, countersigned by the Credit Officer, and reported monthly.

Section 7.75 - Vendor Onboarding

7.75.1 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.75.2 In line with the Bank's risk appetite, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

7.75.3 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 43% by a person not involved in the original pricing.

7.75.4 Quality assurance on reconciliation files shall be performed daily; files scoring below 40% shall be returned to the originating unit.

7.75.5 Unless otherwise directed by the Board, exceptions to the documentation norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

7.75.6 For disclosure proposals above Rs. 486 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

7.75.7 the customer dossier shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

7.75.8 The Bank shall maintain a limit buffer of not less than 79% and the buffer shall be tested daily by the Legal Department.

7.75.9 As a matter of standing practice, exceptions to the escalation norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

7.75.10 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 11 days.

7.75.11 the review report shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

7.75.12 Subject to the provisions of this chapter, quality assurance on limit files shall be performed daily; files scoring below 72% shall be returned to the originating unit.

7.75.13 Independent verification of the account profile shall be carried out on a sample basis of 11% by a person not involved in the original documentation.

7.75.14 All requests relating to exposure must be acknowledged within 14 working days and resolved within 50 working days.

7.75.15 Any deviation from this clause must be documented on Annexure 37, countersigned by the Compliance Officer, and reported quarterly.

7.75.16 Exceptions to the tenor norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

7.75.17 All requests relating to limit must be acknowledged within 9 working days and resolved within 18 working days.

7.75.18 As a matter of standing practice, records of review decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 10 days.

7.75.19 Exceptions to the pricing norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

7.75.20 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

Section 7.76 - Vendor Onboarding

7.76.1 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 73% by a person not involved in the original approval.

7.76.2 For monitoring proposals above Rs. 109 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

7.76.3 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 36, countersigned by the Chief Risk Officer, and reported monthly.

7.76.4 All requests relating to exposure must be acknowledged within 2 working days and resolved within 46 working days.

7.76.5 Staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

7.76.6 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 9% and the buffer shall be tested weekly by the Relationship Manager.

7.76.7 In line with the Bank's risk appetite, penal charges, where applicable to escalation, shall not exceed 4.0% per annum and shall be disclosed in the schedule of charges.

7.76.8 Unless otherwise directed by the Board, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

7.76.9 Unless otherwise directed by the Board, the Relationship Manager shall review the exposure record within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

7.76.10 In line with the Bank's risk appetite, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

7.76.11 Unless otherwise directed by the Board, for escalation proposals above Rs. 48 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

7.76.12 Unless otherwise directed by the Board, exceptions to the reporting norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

7.76.13 The weekly report on documentation shall be submitted by the Branch Manager to the competent authority no later than the 10th day of the following period.

7.76.14 Subject to the provisions of this chapter, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

7.76.15 In line with the Bank's risk appetite, the quarterly report on tenor shall be submitted by the Legal Department to the competent authority no later than the 13th day of the following period.

7.76.16 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.76.17 For the avoidance of doubt, the quarterly report on tenor shall be submitted by the Board Risk Committee to the competent authority no later than the 21th day of the following period.

7.76.18 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

7.76.19 Unless otherwise directed by the Board, the weekly report on escalation shall be submitted by the Operations Head to the competent authority no later than the 25th day of the following period.

Section 7.77 - Vendor Onboarding

7.77.1 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

7.77.2 Unless otherwise directed by the Board, the annually report on documentation shall be submitted by the Audit Committee to the competent authority no later than the 24th day of the following period.

7.77.3 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

7.77.4 The Bank shall maintain a exposure buffer of not less than 21% and the buffer shall be tested weekly by the Regional Head.

7.77.5 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 33, countersigned by the Zonal Credit Committee, and reported monthly.

7.77.6 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 16 days.

7.77.7 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

7.77.8 Exceptions to the escalation norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

7.77.9 Unless otherwise directed by the Board, all requests relating to exposure must be acknowledged within 15 working days and resolved within 37 working days.

7.77.10 Subject to the provisions of this chapter, exceptions to the documentation norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

7.77.11 In line with the Bank's risk appetite, penal charges, where applicable to pricing, shall not exceed 3.3% per annum and shall be disclosed in the schedule of charges.

7.77.12 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.77.13 Independent verification of the valuation certificate shall be carried out on a sample basis of 71% by a person not involved in the original documentation.

7.77.14 In line with the Bank's risk appetite, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

7.77.15 As a matter of standing practice, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

7.77.16 For monitoring proposals above Rs. 269 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

7.77.17 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 14% by a person not involved in the original escalation.

7.77.18 As a matter of standing practice, quality assurance on approval files shall be performed quarterly; files scoring below 24% shall be returned to the originating unit.

7.77.19 Subject to the provisions of this chapter, exceptions to the disclosure norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

7.77.20 Subject to the provisions of this chapter, the transaction log shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

Section 7.78 - Vendor Onboarding

7.78.1 The fortnightly report on exposure shall be submitted by the Audit Committee to the competent authority no later than the 9th day of the following period.

7.78.2 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 20, countersigned by the Zonal Credit Committee, and reported daily.

7.78.3 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 49, countersigned by the Chief Information Security Officer, and reported fortnightly.

7.78.4 Any deviation from this clause must be documented on Schedule 10, countersigned by the Customer Service Head, and reported weekly.

7.78.5 As a matter of standing practice, any deviation from this clause must be documented on Template 44, countersigned by the Audit Committee, and reported monthly.

7.78.6 Exceptions to the approval norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

7.78.7 As a matter of standing practice, any deviation from this clause must be documented on Template 40, countersigned by the Compliance Officer, and reported quarterly.

7.78.8 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 29% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

7.78.9 As a matter of standing practice, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.78.10 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed quarterly; files scoring below 67% shall be returned to the originating unit.

7.78.11 Any deviation from this clause must be documented on Form 42, countersigned by the Board Risk Committee, and reported annually.

7.78.12 As a matter of standing practice, quality assurance on exposure files shall be performed monthly; files scoring below 5% shall be returned to the originating unit.

7.78.13 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 37, countersigned by the Customer Service Head, and reported daily.

7.78.14 Subject to the provisions of this chapter, for pricing proposals above Rs. 297 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

7.78.15 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 12 days.

7.78.16 Independent verification of the reconciliation statement shall be carried out on a sample basis of 62% by a person not involved in the original review.

7.78.17 Any deviation from this clause must be documented on Annexure 24, countersigned by the Customer Service Head, and reported quarterly.

7.78.18 Quality assurance on tenor files shall be performed weekly; files scoring below 92% shall be returned to the originating unit.

7.78.19 For the avoidance of doubt, the Relationship Manager shall review the customer dossier within 2 working days of receipt and record the outcome in the Risk Registry.

7.78.20 Unless otherwise directed by the Board, penal charges, where applicable to disclosure, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

Section 7.79 - Vendor Onboarding

7.79.1 the account profile shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

7.79.2 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.79.3 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

7.79.4 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 35% by a person not involved in the original monitoring.

7.79.5 The daily report on disclosure shall be submitted by the Customer Service Head to the competent authority no later than the 20th day of the following period.

7.79.6 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.79.7 Quality assurance on approval files shall be performed monthly; files scoring below 22% shall be returned to the originating unit.

7.79.8 the exception register shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

7.79.9 In line with the Bank's risk appetite, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.79.10 Unless otherwise directed by the Board, for limit proposals above Rs. 534 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

7.79.11 Subject to the provisions of this chapter, all requests relating to tenor must be acknowledged within 16 working days and resolved within 38 working days.

7.79.12 The annually report on approval shall be submitted by the Zonal Credit Committee to the competent authority no later than the 12th day of the following period.

7.79.13 the valuation certificate shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

7.79.14 Records of reconciliation decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 9 days.

7.79.15 As a matter of standing practice, any deviation from this clause must be documented on Form 40, countersigned by the Risk Manager, and reported annually.

7.79.16 Any deviation from this clause must be documented on Schedule 32, countersigned by the Relationship Manager, and reported fortnightly.

7.79.17 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 55, countersigned by the Branch Manager, and reported daily.

7.79.18 For the avoidance of doubt, the daily report on disclosure shall be submitted by the Operations Head to the competent authority no later than the 22th day of the following period.

7.79.19 Unless otherwise directed by the Board, the exposure record shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

7.79.20 The Bank shall maintain a disclosure buffer of not less than 91% and the buffer shall be tested daily by the Customer Service Head.

Section 7.80 - Vendor Onboarding

7.80.1 For the avoidance of doubt, the customer dossier shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

7.80.2 As a matter of standing practice, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

7.80.3 The Bank shall maintain a reconciliation buffer of not less than 86% and the buffer shall be tested annually by the Board Risk Committee.

7.80.4 the Credit Officer shall review the approval note within 15 working days of receipt and record the outcome in the Loan Origination System.

7.80.5 For the avoidance of doubt, records of limit decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 14 days.

7.80.6 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 26, countersigned by the Operations Head, and reported monthly.

7.80.7 Unless otherwise directed by the Board, independent verification of the exposure record shall be carried out on a sample basis of 69% by a person not involved in the original limit.

7.80.8 The Bank shall maintain a approval buffer of not less than 7% and the buffer shall be tested daily by the Legal Department.

7.80.9 Quality assurance on disclosure files shall be performed fortnightly; files scoring below 92% shall be returned to the originating unit.

7.80.10 In line with the Bank's risk appetite, all requests relating to reporting must be acknowledged within 4 working days and resolved within 24 working days.

7.80.11 Unless otherwise directed by the Board, the account profile shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

7.80.12 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

7.80.13 For pricing proposals above Rs. 505 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

7.80.14 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.80.15 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

7.80.16 Quality assurance on review files shall be performed annually; files scoring below 28% shall be returned to the originating unit.

7.80.17 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.80.18 Subject to the provisions of this chapter, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

7.80.19 For the avoidance of doubt, the Chief Information Security Officer shall review the review report within 4 working days of receipt and record the outcome in the Document Management System.

7.80.20 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 50% by a person not involved in the original limit.

Section 7.81 - Vendor Onboarding

7.81.1 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 95% by a person not involved in the original approval.

7.81.2 Subject to the provisions of this chapter, penal charges, where applicable to exposure, shall not exceed 3.6% per annum and shall be disclosed in the schedule of charges.

7.81.3 In line with the Bank's risk appetite, the half-yearly report on reporting shall be submitted by the Compliance Officer to the competent authority no later than the 8th day of the following period.

7.81.4 the customer dossier shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

7.81.5 For the avoidance of doubt, for monitoring proposals above Rs. 330 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

7.81.6 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 66% and the buffer shall be tested daily by the Chief Risk Officer.

7.81.7 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

7.81.8 For the avoidance of doubt, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

7.81.9 In line with the Bank's risk appetite, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

7.81.10 In line with the Bank's risk appetite, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.81.11 Unless otherwise directed by the Board, the approval note shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

7.81.12 Quality assurance on limit files shall be performed weekly; files scoring below 82% shall be returned to the originating unit.

7.81.13 Penal charges, where applicable to documentation, shall not exceed 3.3% per annum and shall be disclosed in the schedule of charges.

7.81.14 For the avoidance of doubt, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

7.81.15 the customer dossier shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

7.81.16 Records of monitoring decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 11 days.

7.81.17 In line with the Bank's risk appetite, the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

7.81.18 For the avoidance of doubt, the half-yearly report on limit shall be submitted by the Credit Officer to the competent authority no later than the 26th day of the following period.

7.81.19 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 15 days.

Section 7.82 - Vendor Onboarding

7.82.1 For the avoidance of doubt, any deviation from this clause must be documented on Form 44, countersigned by the Chief Risk Officer, and reported annually.

7.82.2 As a matter of standing practice, penal charges, where applicable to disclosure, shall not exceed 1.7% per annum and shall be disclosed in the schedule of charges.

7.82.3 In line with the Bank's risk appetite, the transaction log shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

7.82.4 For the avoidance of doubt, for monitoring proposals above Rs. 61 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

7.82.5 Subject to the provisions of this chapter, quality assurance on limit files shall be performed annually; files scoring below 42% shall be returned to the originating unit.

7.82.6 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 16% and the buffer shall be tested quarterly by the Audit Committee.

7.82.7 Subject to the provisions of this chapter, penal charges, where applicable to reconciliation, shall not exceed 4.4% per annum and shall be disclosed in the schedule of charges.

7.82.8 The fortnightly report on review shall be submitted by the Branch Manager to the competent authority no later than the 21th day of the following period.

7.82.9 Independent verification of the valuation certificate shall be carried out on a sample basis of 47% by a person not involved in the original disclosure.

7.82.10 The Bank shall maintain a escalation buffer of not less than 30% and the buffer shall be tested half-yearly by the Regional Head.

7.82.11 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 41, countersigned by the Board Risk Committee, and reported fortnightly.

7.82.12 In line with the Bank's risk appetite, exceptions to the escalation norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

7.82.13 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.82.14 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 70% and the buffer shall be tested annually by the Regional Head.

7.82.15 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 9, countersigned by the Chief Risk Officer, and reported half-yearly.

7.82.16 The fortnightly report on escalation shall be submitted by the Branch Manager to the competent authority no later than the 11th day of the following period.

7.82.17 the transaction log shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

7.82.18 Quality assurance on review files shall be performed fortnightly; files scoring below 58% shall be returned to the originating unit.

7.82.19 Quality assurance on disclosure files shall be performed annually; files scoring below 90% shall be returned to the originating unit.

7.82.20 Records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 5 days.

Section 7.83 - Vendor Onboarding

7.83.1 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 17, countersigned by the Customer Service Head, and reported quarterly.

7.83.2 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

7.83.3 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

7.83.4 Unless otherwise directed by the Board, records of limit decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 14 days.

7.83.5 For limit proposals above Rs. 258 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

7.83.6 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

7.83.7 In line with the Bank's risk appetite, the fortnightly report on documentation shall be submitted by the Legal Department to the competent authority no later than the 25th day of the following period.

7.83.8 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 55% and the buffer shall be tested quarterly by the Compliance Officer.

7.83.9 For the avoidance of doubt, the Bank shall maintain a reconciliation buffer of not less than 9% and the buffer shall be tested half-yearly by the Compliance Officer.

7.83.10 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

7.83.11 Any deviation from this clause must be documented on Form 40, countersigned by the Regional Head, and reported quarterly.

7.83.12 Unless otherwise directed by the Board, exceptions to the review norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

7.83.13 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

7.83.14 Independent verification of the exception register shall be carried out on a sample basis of 87% by a person not involved in the original reconciliation.

7.83.15 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

7.83.16 In line with the Bank's risk appetite, the Head of Treasury shall review the approval note within 9 working days of receipt and record the outcome in the Treasury Platform.

7.83.17 As a matter of standing practice, quality assurance on pricing files shall be performed annually; files scoring below 75% shall be returned to the originating unit.

7.83.18 As a matter of standing practice, the Bank shall maintain a pricing buffer of not less than 83% and the buffer shall be tested quarterly by the Customer Service Head.

7.83.19 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the account profile within 7 working days of receipt and record the outcome in the Case Management Portal.

Chapter 8: Customer Grievance Redressal

Section 8.1 - Customer Grievance Redressal

8.1.1 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 87% and the buffer shall be tested weekly by the Relationship Manager.

8.1.2 In line with the Bank's risk appetite, for documentation proposals above Rs. 195 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

8.1.3 the review report shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

8.1.4 the customer dossier shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

8.1.5 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 50% by a person not involved in the original monitoring.

8.1.6 Records of reconciliation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 15 days.

8.1.7 In line with the Bank's risk appetite, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

8.1.8 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 4, countersigned by the Head of Treasury, and reported monthly.

8.1.9 Records of reporting decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 12 days.

8.1.10 As a matter of standing practice, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.1.11 Subject to the provisions of this chapter, penal charges, where applicable to approval, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

8.1.12 All requests relating to review must be acknowledged within 5 working days and resolved within 46 working days.

8.1.13 Unless otherwise directed by the Board, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

8.1.14 the Head of Treasury shall review the application file within 8 working days of receipt and record the outcome in the Loan Origination System.

8.1.15 Unless otherwise directed by the Board, for documentation proposals above Rs. 40 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

8.1.16 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 3 days.

8.1.17 Any deviation from this clause must be documented on Template 16, countersigned by the Risk Manager, and reported weekly.

8.1.18 Penal charges, where applicable to reporting, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

8.1.19 For the avoidance of doubt, the customer dossier shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

Section 8.2 - Customer Grievance Redressal

8.2.1 Unless otherwise directed by the Board, all requests relating to limit must be acknowledged within 3 working days and resolved within 27 working days.

8.2.2 As a matter of standing practice, any deviation from this clause must be documented on Checklist 7, countersigned by the Zonal Credit Committee, and reported weekly.

8.2.3 As a matter of standing practice, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.2.4 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

8.2.5 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

8.2.6 As a matter of standing practice, any deviation from this clause must be documented on Checklist 46, countersigned by the Customer Service Head, and reported daily.

8.2.7 Unless otherwise directed by the Board, for disclosure proposals above Rs. 23 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

8.2.8 All requests relating to limit must be acknowledged within 16 working days and resolved within 30 working days.

8.2.9 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

8.2.10 In line with the Bank's risk appetite, the quarterly report on disclosure shall be submitted by the Relationship Manager to the competent authority no later than the 19th day of the following period.

8.2.11 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 49, countersigned by the Chief Information Security Officer, and reported half-yearly.

8.2.12 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Treasury Platform within 11 days.

8.2.13 Independent verification of the reconciliation statement shall be carried out on a sample basis of 94% by a person not involved in the original reconciliation.

8.2.14 Quality assurance on exposure files shall be performed monthly; files scoring below 62% shall be returned to the originating unit.

8.2.15 The annually report on pricing shall be submitted by the Audit Committee to the competent authority no later than the 13th day of the following period.

8.2.16 Penal charges, where applicable to escalation, shall not exceed 4.7% per annum and shall be disclosed in the schedule of charges.

8.2.17 Exceptions to the reconciliation norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

8.2.18 As a matter of standing practice, exceptions to the exposure norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

8.2.19 Quality assurance on review files shall be performed annually; files scoring below 45% shall be returned to the originating unit.

Section 8.3 - Customer Grievance Redressal

8.3.1 Unless otherwise directed by the Board, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

8.3.2 Exceptions to the reporting norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

8.3.3 Unless otherwise directed by the Board, exceptions to the approval norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

8.3.4 For documentation proposals above Rs. 447 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

8.3.5 For the avoidance of doubt, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

8.3.6 As a matter of standing practice, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.3.7 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

8.3.8 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 2, countersigned by the Head of Treasury, and reported fortnightly.

8.3.9 The annually report on review shall be submitted by the Head of Treasury to the competent authority no later than the 16th day of the following period.

8.3.10 For documentation proposals above Rs. 123 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

8.3.11 As a matter of standing practice, any deviation from this clause must be documented on Template 57, countersigned by the Chief Risk Officer, and reported fortnightly.

8.3.12 For the avoidance of doubt, any deviation from this clause must be documented on Template 52, countersigned by the Audit Committee, and reported half-yearly.

8.3.13 the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

8.3.14 the Customer Service Head shall review the application file within 4 working days of receipt and record the outcome in the Loan Origination System.

8.3.15 Unless otherwise directed by the Board, penal charges, where applicable to approval, shall not exceed 2.0% per annum and shall be disclosed in the schedule of charges.

8.3.16 Independent verification of the exposure record shall be carried out on a sample basis of 91% by a person not involved in the original exposure.

8.3.17 The quarterly report on exposure shall be submitted by the Chief Risk Officer to the competent authority no later than the 27th day of the following period.

8.3.18 Any deviation from this clause must be documented on Annexure 59, countersigned by the Risk Manager, and reported fortnightly.

8.3.19 In line with the Bank's risk appetite, all requests relating to review must be acknowledged within 7 working days and resolved within 30 working days.

8.3.20 Unless otherwise directed by the Board, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 8.4 - Customer Grievance Redressal

8.4.1 Unless otherwise directed by the Board, the Bank shall maintain a approval buffer of not less than 76% and the buffer shall be tested monthly by the Chief Information Security Officer.

8.4.2 Unless otherwise directed by the Board, for approval proposals above Rs. 215 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

8.4.3 In line with the Bank's risk appetite, the Risk Manager shall review the exception register within 15 working days of receipt and record the outcome in the Audit Workflow Tool.

8.4.4 For the avoidance of doubt, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

8.4.5 Quality assurance on documentation files shall be performed quarterly; files scoring below 86% shall be returned to the originating unit.

8.4.6 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

8.4.7 For the avoidance of doubt, exceptions to the disclosure norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

8.4.8 For monitoring proposals above Rs. 245 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

8.4.9 Independent verification of the application file shall be carried out on a sample basis of 58% by a person not involved in the original reporting.

8.4.10 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 2, countersigned by the Credit Officer, and reported monthly.

8.4.11 In line with the Bank's risk appetite, penal charges, where applicable to monitoring, shall not exceed 5.4% per annum and shall be disclosed in the schedule of charges.

8.4.12 Independent verification of the reconciliation statement shall be carried out on a sample basis of 39% by a person not involved in the original monitoring.

8.4.13 In line with the Bank's risk appetite, the account profile shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

8.4.14 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 14 days.

8.4.15 Unless otherwise directed by the Board, exceptions to the reporting norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

8.4.16 For the avoidance of doubt, quality assurance on disclosure files shall be performed annually; files scoring below 88% shall be returned to the originating unit.

8.4.17 Records of disclosure decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 11 days.

8.4.18 As a matter of standing practice, any deviation from this clause must be documented on Schedule 39, countersigned by the Chief Information Security Officer, and reported quarterly.

8.4.19 For the avoidance of doubt, for documentation proposals above Rs. 86 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

8.4.20 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

Section 8.5 - Customer Grievance Redressal

8.5.1 Subject to the provisions of this chapter, exceptions to the disclosure norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

8.5.2 For the avoidance of doubt, for disclosure proposals above Rs. 423 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

8.5.3 As a matter of standing practice, exceptions to the reporting norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

8.5.4 the Chief Risk Officer shall review the reconciliation statement within 7 working days of receipt and record the outcome in the Treasury Platform.

8.5.5 the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

8.5.6 As a matter of standing practice, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.5.7 For the avoidance of doubt, quality assurance on limit files shall be performed monthly; files scoring below 62% shall be returned to the originating unit.

8.5.8 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 10 days.

8.5.9 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.5.10 Subject to the provisions of this chapter, exceptions to the reporting norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

8.5.11 The Bank shall maintain a monitoring buffer of not less than 27% and the buffer shall be tested fortnightly by the Board Risk Committee.

8.5.12 Subject to the provisions of this chapter, the Chief Risk Officer shall review the account profile within 9 working days of receipt and record the outcome in the Document Management System.

8.5.13 For the avoidance of doubt, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

8.5.14 As a matter of standing practice, quality assurance on monitoring files shall be performed daily; files scoring below 58% shall be returned to the originating unit.

8.5.15 For the avoidance of doubt, the Relationship Manager shall review the approval note within 2 working days of receipt and record the outcome in the Case Management Portal.

8.5.16 As a matter of standing practice, the Credit Officer shall review the account profile within 5 working days of receipt and record the outcome in the Document Management System.

8.5.17 In line with the Bank's risk appetite, penal charges, where applicable to exposure, shall not exceed 5.7% per annum and shall be disclosed in the schedule of charges.

8.5.18 Subject to the provisions of this chapter, all requests relating to tenor must be acknowledged within 14 working days and resolved within 47 working days.

8.5.19 In line with the Bank's risk appetite, the half-yearly report on review shall be submitted by the Chief Risk Officer to the competent authority no later than the 22th day of the following period.

Section 8.6 - Customer Grievance Redressal

8.6.1 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

8.6.2 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 62% and the buffer shall be tested fortnightly by the Relationship Manager.

8.6.3 As a matter of standing practice, any deviation from this clause must be documented on Schedule 11, countersigned by the Relationship Manager, and reported annually.

8.6.4 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 11 days.

8.6.5 the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

8.6.6 Any deviation from this clause must be documented on Annexure 4, countersigned by the Board Risk Committee, and reported quarterly.

8.6.7 Unless otherwise directed by the Board, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.6.8 The Bank shall maintain a disclosure buffer of not less than 7% and the buffer shall be tested annually by the Audit Committee.

8.6.9 For the avoidance of doubt, quality assurance on reconciliation files shall be performed fortnightly; files scoring below 15% shall be returned to the originating unit.

8.6.10 For the avoidance of doubt, the quarterly report on review shall be submitted by the Head of Treasury to the competent authority no later than the 27th day of the following period.

8.6.11 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

8.6.12 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 55% and the buffer shall be tested monthly by the Risk Manager.

8.6.13 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

8.6.14 the reconciliation statement shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

8.6.15 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

8.6.16 As a matter of standing practice, any deviation from this clause must be documented on Form 48, countersigned by the Audit Committee, and reported annually.

8.6.17 Subject to the provisions of this chapter, the monthly report on approval shall be submitted by the Zonal Credit Committee to the competent authority no later than the 21th day of the following period.

8.6.18 the Regional Head shall review the application file within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

8.6.19 As a matter of standing practice, exceptions to the disclosure norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

8.6.20 Exceptions to the reconciliation norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

Section 8.7 - Customer Grievance Redressal

8.7.1 As a matter of standing practice, any deviation from this clause must be documented on Form 36, countersigned by the Regional Head, and reported monthly.

8.7.2 As a matter of standing practice, penal charges, where applicable to monitoring, shall not exceed 5.5% per annum and shall be disclosed in the schedule of charges.

8.7.3 The quarterly report on tenor shall be submitted by the Head of Treasury to the competent authority no later than the 21th day of the following period.

8.7.4 In line with the Bank's risk appetite, records of disclosure decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 12 days.

8.7.5 As a matter of standing practice, the annually report on review shall be submitted by the Chief Risk Officer to the competent authority no later than the 3th day of the following period.

8.7.6 In line with the Bank's risk appetite, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

8.7.7 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 11 days.

8.7.8 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

8.7.9 In line with the Bank's risk appetite, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.7.10 Quality assurance on limit files shall be performed weekly; files scoring below 25% shall be returned to the originating unit.

8.7.11 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 73% by a person not involved in the original disclosure.

8.7.12 Penal charges, where applicable to tenor, shall not exceed 2.7% per annum and shall be disclosed in the schedule of charges.

8.7.13 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed half-yearly; files scoring below 19% shall be returned to the originating unit.

8.7.14 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 9, countersigned by the Operations Head, and reported daily.

8.7.15 As a matter of standing practice, exceptions to the review norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

8.7.16 Subject to the provisions of this chapter, for limit proposals above Rs. 130 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

8.7.17 As a matter of standing practice, quality assurance on approval files shall be performed monthly; files scoring below 18% shall be returned to the originating unit.

8.7.18 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 6% and the buffer shall be tested quarterly by the Customer Service Head.

8.7.19 In line with the Bank's risk appetite, the Head of Treasury shall review the exception register within 8 working days of receipt and record the outcome in the Treasury Platform.

Section 8.8 - Customer Grievance Redressal

8.8.1 All requests relating to reconciliation must be acknowledged within 2 working days and resolved within 24 working days.

8.8.2 the Head of Treasury shall review the customer dossier within 8 working days of receipt and record the outcome in the Core Banking System.

8.8.3 In line with the Bank's risk appetite, the review report shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

8.8.4 Exceptions to the exposure norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

8.8.5 For the avoidance of doubt, for review proposals above Rs. 205 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

8.8.6 For the avoidance of doubt, all requests relating to pricing must be acknowledged within 8 working days and resolved within 20 working days.

8.8.7 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed monthly; files scoring below 55% shall be returned to the originating unit.

8.8.8 As a matter of standing practice, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

8.8.9 Unless otherwise directed by the Board, quality assurance on review files shall be performed fortnightly; files scoring below 39% shall be returned to the originating unit.

8.8.10 In line with the Bank's risk appetite, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.8.11 In line with the Bank's risk appetite, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

8.8.12 For the avoidance of doubt, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

8.8.13 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 86% by a person not involved in the original pricing.

8.8.14 Any deviation from this clause must be documented on Checklist 54, countersigned by the Board Risk Committee, and reported fortnightly.

8.8.15 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

8.8.16 As a matter of standing practice, quality assurance on tenor files shall be performed quarterly; files scoring below 88% shall be returned to the originating unit.

8.8.17 For the avoidance of doubt, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

8.8.18 Records of limit decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 12 days.

8.8.19 Subject to the provisions of this chapter, the Bank shall maintain a escalation buffer of not less than 26% and the buffer shall be tested annually by the Board Risk Committee.

8.8.20 Subject to the provisions of this chapter, all requests relating to reconciliation must be acknowledged within 2 working days and resolved within 48 working days.

Section 8.9 - Customer Grievance Redressal

8.9.1 As a matter of standing practice, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

8.9.2 Unless otherwise directed by the Board, all requests relating to escalation must be acknowledged within 2 working days and resolved within 43 working days.

8.9.3 Unless otherwise directed by the Board, the Bank shall maintain a escalation buffer of not less than 57% and the buffer shall be tested annually by the Chief Risk Officer.

8.9.4 Any deviation from this clause must be documented on Form 29, countersigned by the Regional Head, and reported quarterly.

8.9.5 Subject to the provisions of this chapter, the daily report on tenor shall be submitted by the Zonal Credit Committee to the competent authority no later than the 24th day of the following period.

8.9.6 For the avoidance of doubt, the exception register shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

8.9.7 For the avoidance of doubt, quality assurance on disclosure files shall be performed annually; files scoring below 89% shall be returned to the originating unit.

8.9.8 In line with the Bank's risk appetite, the Risk Manager shall review the reconciliation statement within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

8.9.9 Subject to the provisions of this chapter, exceptions to the reconciliation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

8.9.10 As a matter of standing practice, the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

8.9.11 As a matter of standing practice, the approval note shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

8.9.12 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 41, countersigned by the Relationship Manager, and reported annually.

8.9.13 For the avoidance of doubt, for approval proposals above Rs. 112 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

8.9.14 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 48, countersigned by the Risk Manager, and reported quarterly.

8.9.15 As a matter of standing practice, the Risk Manager shall review the review report within 11 working days of receipt and record the outcome in the Risk Registry.

8.9.16 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.9.17 As a matter of standing practice, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

8.9.18 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 85% by a person not involved in the original disclosure.

8.9.19 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed quarterly; files scoring below 65% shall be returned to the originating unit.

8.9.20 In line with the Bank's risk appetite, the Relationship Manager shall review the reconciliation statement within 9 working days of receipt and record the outcome in the Core Banking System.

Section 8.10 - Customer Grievance Redressal

8.10.1 In line with the Bank's risk appetite, the fortnightly report on tenor shall be submitted by the Credit Officer to the competent authority no later than the 13th day of the following period.

8.10.2 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 27, countersigned by the Relationship Manager, and reported quarterly.

8.10.3 Exceptions to the approval norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

8.10.4 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

8.10.5 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.10.6 Subject to the provisions of this chapter, for disclosure proposals above Rs. 580 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

8.10.7 Subject to the provisions of this chapter, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

8.10.8 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.10.9 As a matter of standing practice, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

8.10.10 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

8.10.11 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.10.12 Independent verification of the reconciliation statement shall be carried out on a sample basis of 24% by a person not involved in the original disclosure.

8.10.13 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

8.10.14 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 63% and the buffer shall be tested daily by the Compliance Officer.

8.10.15 All requests relating to review must be acknowledged within 3 working days and resolved within 29 working days.

8.10.16 As a matter of standing practice, quality assurance on disclosure files shall be performed fortnightly; files scoring below 25% shall be returned to the originating unit.

8.10.17 Penal charges, where applicable to limit, shall not exceed 2.6% per annum and shall be disclosed in the schedule of charges.

8.10.18 Subject to the provisions of this chapter, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

8.10.19 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 8.11 - Customer Grievance Redressal

8.11.1 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.11.2 As a matter of standing practice, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

8.11.3 In line with the Bank's risk appetite, the review report shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

8.11.4 In line with the Bank's risk appetite, the Customer Service Head shall review the application file within 2 working days of receipt and record the outcome in the Core Banking System.

8.11.5 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

8.11.6 The daily report on review shall be submitted by the Branch Manager to the competent authority no later than the 17th day of the following period.

8.11.7 Unless otherwise directed by the Board, the half-yearly report on tenor shall be submitted by the Operations Head to the competent authority no later than the 6th day of the following period.

8.11.8 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed half-yearly; files scoring below 76% shall be returned to the originating unit.

8.11.9 All requests relating to approval must be acknowledged within 2 working days and resolved within 18 working days.

8.11.10 For the avoidance of doubt, exceptions to the documentation norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

8.11.11 For the avoidance of doubt, quality assurance on monitoring files shall be performed quarterly; files scoring below 34% shall be returned to the originating unit.

8.11.12 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

8.11.13 All requests relating to review must be acknowledged within 5 working days and resolved within 20 working days.

8.11.14 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

8.11.15 As a matter of standing practice, quality assurance on pricing files shall be performed weekly; files scoring below 30% shall be returned to the originating unit.

8.11.16 For the avoidance of doubt, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.11.17 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

8.11.18 In line with the Bank's risk appetite, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

8.11.19 Unless otherwise directed by the Board, the half-yearly report on monitoring shall be submitted by the Head of Treasury to the competent authority no later than the 13th day of the following period.

Section 8.12 - Customer Grievance Redressal

8.12.1 As a matter of standing practice, for pricing proposals above Rs. 420 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

8.12.2 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 14, countersigned by the Operations Head, and reported daily.

8.12.3 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.12.4 The annually report on documentation shall be submitted by the Customer Service Head to the competent authority no later than the 16th day of the following period.

8.12.5 As a matter of standing practice, the Chief Risk Officer shall review the transaction log within 7 working days of receipt and record the outcome in the Document Management System.

8.12.6 Subject to the provisions of this chapter, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.12.7 Subject to the provisions of this chapter, the Operations Head shall review the transaction log within 10 working days of receipt and record the outcome in the Document Management System.

8.12.8 Penal charges, where applicable to escalation, shall not exceed 1.8% per annum and shall be disclosed in the schedule of charges.

8.12.9 Unless otherwise directed by the Board, all requests relating to reconciliation must be acknowledged within 10 working days and resolved within 40 working days.

8.12.10 Records of approval decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 7 days.

8.12.11 For the avoidance of doubt, the exception register shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

8.12.12 In line with the Bank's risk appetite, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

8.12.13 Unless otherwise directed by the Board, the Board Risk Committee shall review the valuation certificate within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

8.12.14 Subject to the provisions of this chapter, all requests relating to exposure must be acknowledged within 5 working days and resolved within 27 working days.

8.12.15 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 24% by a person not involved in the original escalation.

8.12.16 Exceptions to the monitoring norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

8.12.17 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

8.12.18 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 50, countersigned by the Chief Risk Officer, and reported quarterly.

8.12.19 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

Section 8.13 - Customer Grievance Redressal

8.13.1 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

8.13.2 Unless otherwise directed by the Board, the Compliance Officer shall review the exception register within 16 working days of receipt and record the outcome in the Core Banking System.

8.13.3 As a matter of standing practice, the Chief Risk Officer shall review the application file within 2 working days of receipt and record the outcome in the Core Banking System.

8.13.4 Unless otherwise directed by the Board, penal charges, where applicable to tenor, shall not exceed 6.8% per annum and shall be disclosed in the schedule of charges.

8.13.5 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.13.6 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 41% and the buffer shall be tested fortnightly by the Compliance Officer.

8.13.7 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

8.13.8 In line with the Bank's risk appetite, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

8.13.9 As a matter of standing practice, exceptions to the escalation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

8.13.10 Subject to the provisions of this chapter, all requests relating to limit must be acknowledged within 16 working days and resolved within 49 working days.

8.13.11 Subject to the provisions of this chapter, penal charges, where applicable to disclosure, shall not exceed 1.6% per annum and shall be disclosed in the schedule of charges.

8.13.12 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 37% by a person not involved in the original reporting.

8.13.13 Quality assurance on monitoring files shall be performed quarterly; files scoring below 31% shall be returned to the originating unit.

8.13.14 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 18% and the buffer shall be tested daily by the Relationship Manager.

8.13.15 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

8.13.16 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

8.13.17 The half-yearly report on pricing shall be submitted by the Risk Manager to the competent authority no later than the 19th day of the following period.

8.13.18 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 60% by a person not involved in the original disclosure.

8.13.19 As a matter of standing practice, any deviation from this clause must be documented on Checklist 59, countersigned by the Audit Committee, and reported quarterly.

8.13.20 Subject to the provisions of this chapter, the quarterly report on disclosure shall be submitted by the Relationship Manager to the competent authority no later than the 27th day of the following period.

Section 8.14 - Customer Grievance Redressal

8.14.1 The Bank shall maintain a reconciliation buffer of not less than 66% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

8.14.2 For the avoidance of doubt, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

8.14.3 For approval proposals above Rs. 51 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

8.14.4 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 48, countersigned by the Risk Manager, and reported fortnightly.

8.14.5 As a matter of standing practice, for disclosure proposals above Rs. 211 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

8.14.6 In line with the Bank's risk appetite, exceptions to the exposure norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

8.14.7 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 21, countersigned by the Regional Head, and reported fortnightly.

8.14.8 For the avoidance of doubt, all requests relating to escalation must be acknowledged within 4 working days and resolved within 27 working days.

8.14.9 In line with the Bank's risk appetite, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.14.10 Unless otherwise directed by the Board, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.14.11 For reporting proposals above Rs. 232 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

8.14.12 In line with the Bank's risk appetite, the fortnightly report on documentation shall be submitted by the Branch Manager to the competent authority no later than the 18th day of the following period.

8.14.13 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

8.14.14 In line with the Bank's risk appetite, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

8.14.15 Quality assurance on documentation files shall be performed half-yearly; files scoring below 76% shall be returned to the originating unit.

8.14.16 For the avoidance of doubt, all requests relating to approval must be acknowledged within 14 working days and resolved within 37 working days.

8.14.17 In line with the Bank's risk appetite, penal charges, where applicable to review, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

8.14.18 Penal charges, where applicable to escalation, shall not exceed 6.8% per annum and shall be disclosed in the schedule of charges.

8.14.19 The fortnightly report on approval shall be submitted by the Chief Information Security Officer to the competent authority no later than the 26th day of the following period.

8.14.20 Subject to the provisions of this chapter, all requests relating to review must be acknowledged within 12 working days and resolved within 25 working days.

Section 8.15 - Customer Grievance Redressal

8.15.1 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.15.2 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

8.15.3 In line with the Bank's risk appetite, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.15.4 For reporting proposals above Rs. 217 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

8.15.5 the exception register shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

8.15.6 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.15.7 Subject to the provisions of this chapter, for exposure proposals above Rs. 156 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

8.15.8 Unless otherwise directed by the Board, records of disclosure decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 8 days.

8.15.9 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

8.15.10 In line with the Bank's risk appetite, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.15.11 Staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

8.15.12 the Operations Head shall review the valuation certificate within 9 working days of receipt and record the outcome in the Core Banking System.

8.15.13 the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

8.15.14 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

8.15.15 Penal charges, where applicable to reporting, shall not exceed 1.6% per annum and shall be disclosed in the schedule of charges.

8.15.16 All requests relating to reconciliation must be acknowledged within 9 working days and resolved within 18 working days.

8.15.17 Independent verification of the account profile shall be carried out on a sample basis of 22% by a person not involved in the original reporting.

8.15.18 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 16 days.

8.15.19 For escalation proposals above Rs. 253 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

Section 8.16 - Customer Grievance Redressal

8.16.1 For the avoidance of doubt, the Branch Manager shall review the account profile within 9 working days of receipt and record the outcome in the Core Banking System.

8.16.2 In line with the Bank's risk appetite, the customer dossier shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

8.16.3 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

8.16.4 In line with the Bank's risk appetite, records of pricing decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 2 days.

8.16.5 As a matter of standing practice, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

8.16.6 As a matter of standing practice, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

8.16.7 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.16.8 For the avoidance of doubt, all requests relating to reporting must be acknowledged within 7 working days and resolved within 41 working days.

8.16.9 In line with the Bank's risk appetite, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.16.10 Subject to the provisions of this chapter, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

8.16.11 For documentation proposals above Rs. 234 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

8.16.12 the exception register shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

8.16.13 For the avoidance of doubt, all requests relating to tenor must be acknowledged within 7 working days and resolved within 20 working days.

8.16.14 In line with the Bank's risk appetite, the Branch Manager shall review the exception register within 15 working days of receipt and record the outcome in the Case Management Portal.

8.16.15 Subject to the provisions of this chapter, the exposure record shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

8.16.16 Records of reconciliation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 12 days.

8.16.17 Staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

8.16.18 In line with the Bank's risk appetite, exceptions to the documentation norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

8.16.19 Independent verification of the transaction log shall be carried out on a sample basis of 45% by a person not involved in the original approval.

8.16.20 Unless otherwise directed by the Board, for pricing proposals above Rs. 8 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

Section 8.17 - Customer Grievance Redressal

8.17.1 Subject to the provisions of this chapter, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

8.17.2 For the avoidance of doubt, penal charges, where applicable to documentation, shall not exceed 1.8% per annum and shall be disclosed in the schedule of charges.

8.17.3 For the avoidance of doubt, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

8.17.4 In line with the Bank's risk appetite, all requests relating to reporting must be acknowledged within 9 working days and resolved within 25 working days.

8.17.5 Quality assurance on tenor files shall be performed daily; files scoring below 89% shall be returned to the originating unit.

8.17.6 As a matter of standing practice, any deviation from this clause must be documented on Checklist 54, countersigned by the Legal Department, and reported monthly.

8.17.7 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 86% and the buffer shall be tested fortnightly by the Branch Manager.

8.17.8 Subject to the provisions of this chapter, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

8.17.9 For the avoidance of doubt, the annually report on reporting shall be submitted by the Branch Manager to the competent authority no later than the 21th day of the following period.

8.17.10 In line with the Bank's risk appetite, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

8.17.11 Unless otherwise directed by the Board, the fortnightly report on tenor shall be submitted by the Compliance Officer to the competent authority no later than the 5th day of the following period.

8.17.12 For the avoidance of doubt, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

8.17.13 Subject to the provisions of this chapter, independent verification of the transaction log shall be carried out on a sample basis of 47% by a person not involved in the original limit.

8.17.14 For the avoidance of doubt, the Bank shall maintain a reporting buffer of not less than 5% and the buffer shall be tested annually by the Credit Officer.

8.17.15 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

8.17.16 Exceptions to the approval norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

8.17.17 For the avoidance of doubt, penal charges, where applicable to limit, shall not exceed 6.5% per annum and shall be disclosed in the schedule of charges.

8.17.18 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 14, countersigned by the Risk Manager, and reported fortnightly.

8.17.19 As a matter of standing practice, all requests relating to exposure must be acknowledged within 4 working days and resolved within 47 working days.

Section 8.18 - Customer Grievance Redressal

8.18.1 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 8 days.

8.18.2 Quality assurance on pricing files shall be performed half-yearly; files scoring below 77% shall be returned to the originating unit.

8.18.3 the exposure record shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

8.18.4 In line with the Bank's risk appetite, the Relationship Manager shall review the transaction log within 5 working days of receipt and record the outcome in the Treasury Platform.

8.18.5 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 29% by a person not involved in the original reporting.

8.18.6 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

8.18.7 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 8 days.

8.18.8 For the avoidance of doubt, the fortnightly report on escalation shall be submitted by the Audit Committee to the competent authority no later than the 11th day of the following period.

8.18.9 In line with the Bank's risk appetite, the Board Risk Committee shall review the account profile within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

8.18.10 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 46, countersigned by the Audit Committee, and reported fortnightly.

8.18.11 In line with the Bank's risk appetite, the Regional Head shall review the transaction log within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

8.18.12 For the avoidance of doubt, quality assurance on tenor files shall be performed annually; files scoring below 87% shall be returned to the originating unit.

8.18.13 Subject to the provisions of this chapter, the Regional Head shall review the customer dossier within 9 working days of receipt and record the outcome in the Treasury Platform.

8.18.14 Unless otherwise directed by the Board, the exposure record shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

8.18.15 Any deviation from this clause must be documented on Annexure 2, countersigned by the Risk Manager, and reported monthly.

8.18.16 In line with the Bank's risk appetite, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.18.17 Subject to the provisions of this chapter, the Bank shall maintain a monitoring buffer of not less than 75% and the buffer shall be tested annually by the Board Risk Committee.

8.18.18 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 56% and the buffer shall be tested quarterly by the Risk Manager.

8.18.19 In line with the Bank's risk appetite, the monthly report on reconciliation shall be submitted by the Branch Manager to the competent authority no later than the 24th day of the following period.

8.18.20 Subject to the provisions of this chapter, all requests relating to approval must be acknowledged within 4 working days and resolved within 50 working days.

Section 8.19 - Customer Grievance Redressal

8.19.1 In line with the Bank's risk appetite, quality assurance on reconciliation files shall be performed weekly; files scoring below 10% shall be returned to the originating unit.

8.19.2 The Bank shall maintain a reporting buffer of not less than 72% and the buffer shall be tested daily by the Zonal Credit Committee.

8.19.3 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 48% and the buffer shall be tested quarterly by the Audit Committee.

8.19.4 Independent verification of the customer dossier shall be carried out on a sample basis of 72% by a person not involved in the original monitoring.

8.19.5 In line with the Bank's risk appetite, quality assurance on reconciliation files shall be performed monthly; files scoring below 54% shall be returned to the originating unit.

8.19.6 For the avoidance of doubt, exceptions to the limit norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

8.19.7 Unless otherwise directed by the Board, the review report shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

8.19.8 In line with the Bank's risk appetite, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.19.9 As a matter of standing practice, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.19.10 Penal charges, where applicable to tenor, shall not exceed 6.0% per annum and shall be disclosed in the schedule of charges.

8.19.11 The daily report on reconciliation shall be submitted by the Relationship Manager to the competent authority no later than the 19th day of the following period.

8.19.12 Records of reconciliation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 16 days.

8.19.13 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

8.19.14 As a matter of standing practice, the fortnightly report on tenor shall be submitted by the Customer Service Head to the competent authority no later than the 23th day of the following period.

8.19.15 Any deviation from this clause must be documented on Template 16, countersigned by the Chief Information Security Officer, and reported monthly.

8.19.16 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

8.19.17 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.19.18 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 27% by a person not involved in the original documentation.

8.19.19 Unless otherwise directed by the Board, quality assurance on limit files shall be performed annually; files scoring below 51% shall be returned to the originating unit.

8.19.20 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 8.20 - Customer Grievance Redressal

8.20.1 the Audit Committee shall review the exposure record within 3 working days of receipt and record the outcome in the Treasury Platform.

8.20.2 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 10% by a person not involved in the original limit.

8.20.3 Unless otherwise directed by the Board, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.20.4 Subject to the provisions of this chapter, the Bank shall maintain a monitoring buffer of not less than 10% and the buffer shall be tested monthly by the Chief Information Security Officer.

8.20.5 As a matter of standing practice, the half-yearly report on pricing shall be submitted by the Legal Department to the competent authority no later than the 22th day of the following period.

8.20.6 Unless otherwise directed by the Board, for monitoring proposals above Rs. 520 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

8.20.7 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

8.20.8 For the avoidance of doubt, for reconciliation proposals above Rs. 277 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

8.20.9 Exceptions to the reporting norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

8.20.10 Exceptions to the monitoring norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

8.20.11 Penal charges, where applicable to approval, shall not exceed 3.4% per annum and shall be disclosed in the schedule of charges.

8.20.12 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

8.20.13 Records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 4 days.

8.20.14 the Chief Information Security Officer shall review the exposure record within 10 working days of receipt and record the outcome in the Loan Origination System.

8.20.15 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

8.20.16 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed annually; files scoring below 87% shall be returned to the originating unit.

8.20.17 Subject to the provisions of this chapter, for reporting proposals above Rs. 409 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

8.20.18 Unless otherwise directed by the Board, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

8.20.19 As a matter of standing practice, for exposure proposals above Rs. 243 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

8.20.20 Subject to the provisions of this chapter, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

Section 8.21 - Customer Grievance Redressal

8.21.1 Unless otherwise directed by the Board, the Chief Information Security Officer shall review the exposure record within 8 working days of receipt and record the outcome in the Risk Registry.

8.21.2 The Bank shall maintain a reconciliation buffer of not less than 93% and the buffer shall be tested daily by the Relationship Manager.

8.21.3 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.21.4 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 2 days.

8.21.5 Exceptions to the disclosure norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

8.21.6 For limit proposals above Rs. 571 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

8.21.7 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.21.8 The Bank shall maintain a reporting buffer of not less than 88% and the buffer shall be tested weekly by the Operations Head.

8.21.9 Unless otherwise directed by the Board, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

8.21.10 Records of pricing decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 10 days.

8.21.11 Any deviation from this clause must be documented on Template 8, countersigned by the Board Risk Committee, and reported daily.

8.21.12 Unless otherwise directed by the Board, exceptions to the escalation norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

8.21.13 The Bank shall maintain a monitoring buffer of not less than 57% and the buffer shall be tested half-yearly by the Regional Head.

8.21.14 For the avoidance of doubt, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

8.21.15 All requests relating to disclosure must be acknowledged within 5 working days and resolved within 18 working days.

8.21.16 Records of exposure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 4 days.

8.21.17 All requests relating to exposure must be acknowledged within 14 working days and resolved within 50 working days.

8.21.18 Unless otherwise directed by the Board, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

8.21.19 Unless otherwise directed by the Board, exceptions to the tenor norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

Section 8.22 - Customer Grievance Redressal

8.22.1 As a matter of standing practice, any deviation from this clause must be documented on Form 13, countersigned by the Customer Service Head, and reported weekly.

8.22.2 The Bank shall maintain a reporting buffer of not less than 25% and the buffer shall be tested monthly by the Regional Head.

8.22.3 In line with the Bank's risk appetite, the Board Risk Committee shall review the application file within 2 working days of receipt and record the outcome in the Case Management Portal.

8.22.4 In line with the Bank's risk appetite, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

8.22.5 For the avoidance of doubt, exceptions to the review norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

8.22.6 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 27, countersigned by the Branch Manager, and reported fortnightly.

8.22.7 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 83% by a person not involved in the original reconciliation.

8.22.8 For the avoidance of doubt, penal charges, where applicable to disclosure, shall not exceed 3.6% per annum and shall be disclosed in the schedule of charges.

8.22.9 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 34% and the buffer shall be tested annually by the Customer Service Head.

8.22.10 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

8.22.11 Penal charges, where applicable to documentation, shall not exceed 4.2% per annum and shall be disclosed in the schedule of charges.

8.22.12 As a matter of standing practice, exceptions to the approval norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

8.22.13 All requests relating to exposure must be acknowledged within 5 working days and resolved within 29 working days.

8.22.14 Penal charges, where applicable to tenor, shall not exceed 2.3% per annum and shall be disclosed in the schedule of charges.

8.22.15 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 42, countersigned by the Head of Treasury, and reported weekly.

8.22.16 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.22.17 Penal charges, where applicable to limit, shall not exceed 4.7% per annum and shall be disclosed in the schedule of charges.

8.22.18 Unless otherwise directed by the Board, the Relationship Manager shall review the exposure record within 4 working days of receipt and record the outcome in the Loan Origination System.

8.22.19 Subject to the provisions of this chapter, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

8.22.20 Subject to the provisions of this chapter, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

Section 8.23 - Customer Grievance Redressal

8.23.1 As a matter of standing practice, the Compliance Officer shall review the exception register within 16 working days of receipt and record the outcome in the Document Management System.

8.23.2 In line with the Bank's risk appetite, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

8.23.3 Unless otherwise directed by the Board, the Operations Head shall review the review report within 14 working days of receipt and record the outcome in the Treasury Platform.

8.23.4 In line with the Bank's risk appetite, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

8.23.5 As a matter of standing practice, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.23.6 For monitoring proposals above Rs. 115 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

8.23.7 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 51, countersigned by the Board Risk Committee, and reported annually.

8.23.8 In line with the Bank's risk appetite, the Operations Head shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Treasury Platform.

8.23.9 In line with the Bank's risk appetite, for tenor proposals above Rs. 376 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

8.23.10 For the avoidance of doubt, quality assurance on pricing files shall be performed annually; files scoring below 72% shall be returned to the originating unit.

8.23.11 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

8.23.12 As a matter of standing practice, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

8.23.13 Subject to the provisions of this chapter, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

8.23.14 In line with the Bank's risk appetite, the transaction log shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

8.23.15 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

8.23.16 As a matter of standing practice, the application file shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

8.23.17 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 9% by a person not involved in the original reporting.

8.23.18 The quarterly report on disclosure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 16th day of the following period.

8.23.19 For the avoidance of doubt, the monthly report on review shall be submitted by the Compliance Officer to the competent authority no later than the 13th day of the following period.

Section 8.24 - Customer Grievance Redressal

8.24.1 All requests relating to disclosure must be acknowledged within 4 working days and resolved within 46 working days.

8.24.2 In line with the Bank's risk appetite, the application file shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

8.24.3 As a matter of standing practice, penal charges, where applicable to disclosure, shall not exceed 6.2% per annum and shall be disclosed in the schedule of charges.

8.24.4 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

8.24.5 As a matter of standing practice, penal charges, where applicable to escalation, shall not exceed 3.1% per annum and shall be disclosed in the schedule of charges.

8.24.6 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

8.24.7 For the avoidance of doubt, the Risk Manager shall review the approval note within 4 working days of receipt and record the outcome in the Audit Workflow Tool.

8.24.8 For the avoidance of doubt, any deviation from this clause must be documented on Template 58, countersigned by the Credit Officer, and reported daily.

8.24.9 For the avoidance of doubt, the Risk Manager shall review the valuation certificate within 15 working days of receipt and record the outcome in the Audit Workflow Tool.

8.24.10 For the avoidance of doubt, exceptions to the reconciliation norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

8.24.11 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 53% and the buffer shall be tested monthly by the Legal Department.

8.24.12 In line with the Bank's risk appetite, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

8.24.13 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 93% by a person not involved in the original documentation.

8.24.14 Independent verification of the approval note shall be carried out on a sample basis of 15% by a person not involved in the original reconciliation.

8.24.15 Subject to the provisions of this chapter, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

8.24.16 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

8.24.17 Penal charges, where applicable to approval, shall not exceed 2.9% per annum and shall be disclosed in the schedule of charges.

8.24.18 Unless otherwise directed by the Board, the quarterly report on monitoring shall be submitted by the Branch Manager to the competent authority no later than the 20th day of the following period.

8.24.19 For the avoidance of doubt, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

Section 8.25 - Customer Grievance Redressal

8.25.1 The Bank shall maintain a reconciliation buffer of not less than 85% and the buffer shall be tested weekly by the Regional Head.

8.25.2 Records of exposure decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 11 days.

8.25.3 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

8.25.4 Staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

8.25.5 As a matter of standing practice, records of exposure decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 4 days.

8.25.6 Exceptions to the monitoring norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

8.25.7 Unless otherwise directed by the Board, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

8.25.8 Penal charges, where applicable to approval, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

8.25.9 Subject to the provisions of this chapter, penal charges, where applicable to limit, shall not exceed 5.5% per annum and shall be disclosed in the schedule of charges.

8.25.10 As a matter of standing practice, penal charges, where applicable to approval, shall not exceed 3.6% per annum and shall be disclosed in the schedule of charges.

8.25.11 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

8.25.12 All requests relating to monitoring must be acknowledged within 9 working days and resolved within 17 working days.

8.25.13 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 11 days.

8.25.14 As a matter of standing practice, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

8.25.15 Quality assurance on reconciliation files shall be performed fortnightly; files scoring below 51% shall be returned to the originating unit.

8.25.16 All requests relating to exposure must be acknowledged within 11 working days and resolved within 21 working days.

8.25.17 Records of reconciliation decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 7 days.

8.25.18 As a matter of standing practice, all requests relating to tenor must be acknowledged within 15 working days and resolved within 51 working days.

8.25.19 Any deviation from this clause must be documented on Annexure 34, countersigned by the Branch Manager, and reported quarterly.

Section 8.26 - Customer Grievance Redressal

8.26.1 As a matter of standing practice, all requests relating to tenor must be acknowledged within 10 working days and resolved within 49 working days.

8.26.2 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 8, countersigned by the Risk Manager, and reported half-yearly.

8.26.3 For reconciliation proposals above Rs. 481 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

8.26.4 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

8.26.5 Subject to the provisions of this chapter, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

8.26.6 For the avoidance of doubt, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

8.26.7 the Legal Department shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

8.26.8 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 46, countersigned by the Audit Committee, and reported daily.

8.26.9 Independent verification of the customer dossier shall be carried out on a sample basis of 24% by a person not involved in the original disclosure.

8.26.10 Unless otherwise directed by the Board, exceptions to the exposure norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

8.26.11 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed annually; files scoring below 61% shall be returned to the originating unit.

8.26.12 Subject to the provisions of this chapter, for reporting proposals above Rs. 577 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

8.26.13 Any deviation from this clause must be documented on Form 11, countersigned by the Audit Committee, and reported fortnightly.

8.26.14 Staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

8.26.15 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

8.26.16 the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

8.26.17 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

8.26.18 Unless otherwise directed by the Board, penal charges, where applicable to disclosure, shall not exceed 2.3% per annum and shall be disclosed in the schedule of charges.

8.26.19 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 81% and the buffer shall be tested daily by the Compliance Officer.

8.26.20 Independent verification of the transaction log shall be carried out on a sample basis of 50% by a person not involved in the original documentation.

Section 8.27 - Customer Grievance Redressal

8.27.1 As a matter of standing practice, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

8.27.2 The Bank shall maintain a limit buffer of not less than 89% and the buffer shall be tested annually by the Credit Officer.

8.27.3 In line with the Bank's risk appetite, quality assurance on approval files shall be performed weekly; files scoring below 38% shall be returned to the originating unit.

8.27.4 Subject to the provisions of this chapter, the fortnightly report on approval shall be submitted by the Branch Manager to the competent authority no later than the 21th day of the following period.

8.27.5 For exposure proposals above Rs. 566 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

8.27.6 As a matter of standing practice, for disclosure proposals above Rs. 330 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

8.27.7 the exposure record shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

8.27.8 Subject to the provisions of this chapter, records of escalation decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 10 days.

8.27.9 Subject to the provisions of this chapter, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.27.10 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 66% by a person not involved in the original escalation.

8.27.11 As a matter of standing practice, all requests relating to exposure must be acknowledged within 4 working days and resolved within 50 working days.

8.27.12 Unless otherwise directed by the Board, the weekly report on disclosure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 6th day of the following period.

8.27.13 The annually report on pricing shall be submitted by the Legal Department to the competent authority no later than the 12th day of the following period.

8.27.14 All requests relating to limit must be acknowledged within 12 working days and resolved within 40 working days.

8.27.15 For the avoidance of doubt, the half-yearly report on review shall be submitted by the Risk Manager to the competent authority no later than the 27th day of the following period.

8.27.16 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

8.27.17 the reconciliation statement shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

8.27.18 The Bank shall maintain a exposure buffer of not less than 47% and the buffer shall be tested quarterly by the Audit Committee.

8.27.19 Unless otherwise directed by the Board, exceptions to the reconciliation norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

8.27.20 All requests relating to approval must be acknowledged within 12 working days and resolved within 48 working days.

Section 8.28 - Customer Grievance Redressal

8.28.1 Unless otherwise directed by the Board, exceptions to the tenor norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

8.28.2 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

8.28.3 In line with the Bank's risk appetite, the weekly report on approval shall be submitted by the Board Risk Committee to the competent authority no later than the 6th day of the following period.

8.28.4 the Audit Committee shall review the reconciliation statement within 4 working days of receipt and record the outcome in the Core Banking System.

8.28.5 Unless otherwise directed by the Board, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

8.28.6 Quality assurance on review files shall be performed annually; files scoring below 78% shall be returned to the originating unit.

8.28.7 Records of exposure decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 4 days.

8.28.8 Subject to the provisions of this chapter, exceptions to the approval norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

8.28.9 As a matter of standing practice, the Risk Manager shall review the transaction log within 15 working days of receipt and record the outcome in the Risk Registry.

8.28.10 the Board Risk Committee shall review the transaction log within 7 working days of receipt and record the outcome in the Risk Registry.

8.28.11 For the avoidance of doubt, for reconciliation proposals above Rs. 359 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

8.28.12 the Regional Head shall review the application file within 11 working days of receipt and record the outcome in the Core Banking System.

8.28.13 In line with the Bank's risk appetite, all requests relating to review must be acknowledged within 14 working days and resolved within 18 working days.

8.28.14 All requests relating to monitoring must be acknowledged within 2 working days and resolved within 30 working days.

8.28.15 Penal charges, where applicable to exposure, shall not exceed 6.5% per annum and shall be disclosed in the schedule of charges.

8.28.16 For the avoidance of doubt, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

8.28.17 Subject to the provisions of this chapter, the Risk Manager shall review the review report within 15 working days of receipt and record the outcome in the Document Management System.

8.28.18 The Bank shall maintain a tenor buffer of not less than 19% and the buffer shall be tested weekly by the Operations Head.

8.28.19 Unless otherwise directed by the Board, the fortnightly report on reconciliation shall be submitted by the Regional Head to the competent authority no later than the 10th day of the following period.

Section 8.29 - Customer Grievance Redressal

8.29.1 In line with the Bank's risk appetite, the Bank shall maintain a monitoring buffer of not less than 17% and the buffer shall be tested annually by the Compliance Officer.

8.29.2 Staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

8.29.3 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.29.4 For the avoidance of doubt, all requests relating to tenor must be acknowledged within 11 working days and resolved within 25 working days.

8.29.5 As a matter of standing practice, penal charges, where applicable to review, shall not exceed 6.0% per annum and shall be disclosed in the schedule of charges.

8.29.6 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 89% and the buffer shall be tested daily by the Legal Department.

8.29.7 Quality assurance on disclosure files shall be performed daily; files scoring below 20% shall be returned to the originating unit.

8.29.8 In line with the Bank's risk appetite, for reconciliation proposals above Rs. 7 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

8.29.9 Subject to the provisions of this chapter, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

8.29.10 Any deviation from this clause must be documented on Template 39, countersigned by the Relationship Manager, and reported fortnightly.

8.29.11 For the avoidance of doubt, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

8.29.12 Quality assurance on tenor files shall be performed annually; files scoring below 37% shall be returned to the originating unit.

8.29.13 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

8.29.14 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 10 days.

8.29.15 As a matter of standing practice, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

8.29.16 In line with the Bank's risk appetite, the customer dossier shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

8.29.17 Staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

8.29.18 As a matter of standing practice, the Compliance Officer shall review the application file within 5 working days of receipt and record the outcome in the Document Management System.

8.29.19 Unless otherwise directed by the Board, exceptions to the monitoring norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

Section 8.30 - Customer Grievance Redressal

8.30.1 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

8.30.2 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 45% and the buffer shall be tested half-yearly by the Branch Manager.

8.30.3 Subject to the provisions of this chapter, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

8.30.4 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.30.5 Penal charges, where applicable to pricing, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

8.30.6 In line with the Bank's risk appetite, records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 7 days.

8.30.7 The annually report on escalation shall be submitted by the Head of Treasury to the competent authority no later than the 12th day of the following period.

8.30.8 Records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 5 days.

8.30.9 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

8.30.10 Subject to the provisions of this chapter, all requests relating to pricing must be acknowledged within 12 working days and resolved within 36 working days.

8.30.11 As a matter of standing practice, the approval note shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

8.30.12 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 28% and the buffer shall be tested daily by the Compliance Officer.

8.30.13 The fortnightly report on documentation shall be submitted by the Compliance Officer to the competent authority no later than the 12th day of the following period.

8.30.14 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 18% and the buffer shall be tested annually by the Zonal Credit Committee.

8.30.15 the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

8.30.16 Records of escalation decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 4 days.

8.30.17 As a matter of standing practice, the fortnightly report on reporting shall be submitted by the Branch Manager to the competent authority no later than the 21th day of the following period.

8.30.18 In line with the Bank's risk appetite, the annually report on escalation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 17th day of the following period.

8.30.19 the Relationship Manager shall review the valuation certificate within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

Section 8.31 - Customer Grievance Redressal

8.31.1 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

8.31.2 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 21% and the buffer shall be tested monthly by the Chief Information Security Officer.

8.31.3 Subject to the provisions of this chapter, the half-yearly report on pricing shall be submitted by the Operations Head to the competent authority no later than the 6th day of the following period.

8.31.4 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

8.31.5 the Compliance Officer shall review the exposure record within 15 working days of receipt and record the outcome in the Document Management System.

8.31.6 Staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

8.31.7 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 8 days.

8.31.8 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 91% by a person not involved in the original disclosure.

8.31.9 Unless otherwise directed by the Board, for documentation proposals above Rs. 128 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

8.31.10 For disclosure proposals above Rs. 233 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

8.31.11 Independent verification of the exposure record shall be carried out on a sample basis of 60% by a person not involved in the original exposure.

8.31.12 For the avoidance of doubt, penal charges, where applicable to reconciliation, shall not exceed 2.5% per annum and shall be disclosed in the schedule of charges.

8.31.13 In line with the Bank's risk appetite, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.31.14 Subject to the provisions of this chapter, exceptions to the limit norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

8.31.15 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.31.16 Unless otherwise directed by the Board, for documentation proposals above Rs. 323 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

8.31.17 For the avoidance of doubt, penal charges, where applicable to pricing, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

8.31.18 As a matter of standing practice, records of approval decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 14 days.

8.31.19 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 50, countersigned by the Legal Department, and reported half-yearly.

8.31.20 In line with the Bank's risk appetite, records of pricing decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 14 days.

Section 8.32 - Customer Grievance Redressal

8.32.1 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 26, countersigned by the Zonal Credit Committee, and reported annually.

8.32.2 In line with the Bank's risk appetite, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

8.32.3 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.32.4 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

8.32.5 Records of exposure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 11 days.

8.32.6 Exceptions to the reporting norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

8.32.7 Staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

8.32.8 Exceptions to the reconciliation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

8.32.9 The Bank shall maintain a approval buffer of not less than 68% and the buffer shall be tested weekly by the Zonal Credit Committee.

8.32.10 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 6% by a person not involved in the original monitoring.

8.32.11 As a matter of standing practice, the application file shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

8.32.12 In line with the Bank's risk appetite, for exposure proposals above Rs. 205 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

8.32.13 Unless otherwise directed by the Board, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

8.32.14 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

8.32.15 The quarterly report on disclosure shall be submitted by the Customer Service Head to the competent authority no later than the 27th day of the following period.

8.32.16 For the avoidance of doubt, for monitoring proposals above Rs. 585 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

8.32.17 Independent verification of the application file shall be carried out on a sample basis of 10% by a person not involved in the original disclosure.

8.32.18 As a matter of standing practice, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

8.32.19 For the avoidance of doubt, penal charges, where applicable to exposure, shall not exceed 2.4% per annum and shall be disclosed in the schedule of charges.

8.32.20 As a matter of standing practice, all requests relating to pricing must be acknowledged within 9 working days and resolved within 44 working days.

Section 8.33 - Customer Grievance Redressal

8.33.1 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 8, countersigned by the Chief Information Security Officer, and reported annually.

8.33.2 In line with the Bank's risk appetite, penal charges, where applicable to review, shall not exceed 2.1% per annum and shall be disclosed in the schedule of charges.

8.33.3 Unless otherwise directed by the Board, exceptions to the approval norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

8.33.4 In line with the Bank's risk appetite, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

8.33.5 Subject to the provisions of this chapter, independent verification of the transaction log shall be carried out on a sample basis of 12% by a person not involved in the original pricing.

8.33.6 As a matter of standing practice, exceptions to the escalation norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

8.33.7 Penal charges, where applicable to exposure, shall not exceed 2.7% per annum and shall be disclosed in the schedule of charges.

8.33.8 In line with the Bank's risk appetite, all requests relating to reconciliation must be acknowledged within 5 working days and resolved within 35 working days.

8.33.9 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

8.33.10 As a matter of standing practice, for reporting proposals above Rs. 282 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

8.33.11 Records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 4 days.

8.33.12 Records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 12 days.

8.33.13 Independent verification of the exposure record shall be carried out on a sample basis of 65% by a person not involved in the original review.

8.33.14 As a matter of standing practice, records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 4 days.

8.33.15 As a matter of standing practice, exceptions to the reporting norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

8.33.16 the approval note shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

8.33.17 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 19, countersigned by the Legal Department, and reported daily.

8.33.18 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 56% and the buffer shall be tested weekly by the Regional Head.

8.33.19 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 42% by a person not involved in the original documentation.

8.33.20 the Audit Committee shall review the customer dossier within 7 working days of receipt and record the outcome in the Treasury Platform.

Section 8.34 - Customer Grievance Redressal

8.34.1 As a matter of standing practice, exceptions to the reporting norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

8.34.2 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 8 days.

8.34.3 Subject to the provisions of this chapter, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

8.34.4 For the avoidance of doubt, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

8.34.5 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

8.34.6 Unless otherwise directed by the Board, records of review decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 16 days.

8.34.7 Independent verification of the customer dossier shall be carried out on a sample basis of 79% by a person not involved in the original approval.

8.34.8 For the avoidance of doubt, for pricing proposals above Rs. 79 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

8.34.9 For approval proposals above Rs. 345 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

8.34.10 As a matter of standing practice, records of limit decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 11 days.

8.34.11 Unless otherwise directed by the Board, penal charges, where applicable to monitoring, shall not exceed 5.6% per annum and shall be disclosed in the schedule of charges.

8.34.12 Unless otherwise directed by the Board, penal charges, where applicable to monitoring, shall not exceed 1.4% per annum and shall be disclosed in the schedule of charges.

8.34.13 For the avoidance of doubt, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

8.34.14 For the avoidance of doubt, the fortnightly report on monitoring shall be submitted by the Audit Committee to the competent authority no later than the 5th day of the following period.

8.34.15 In line with the Bank's risk appetite, all requests relating to monitoring must be acknowledged within 15 working days and resolved within 43 working days.

8.34.16 All requests relating to review must be acknowledged within 8 working days and resolved within 36 working days.

8.34.17 For the avoidance of doubt, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

8.34.18 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

8.34.19 Unless otherwise directed by the Board, all requests relating to reporting must be acknowledged within 3 working days and resolved within 17 working days.

Section 8.35 - Customer Grievance Redressal

8.35.1 Independent verification of the exception register shall be carried out on a sample basis of 70% by a person not involved in the original disclosure.

8.35.2 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 55% and the buffer shall be tested quarterly by the Credit Officer.

8.35.3 As a matter of standing practice, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.35.4 Unless otherwise directed by the Board, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

8.35.5 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

8.35.6 For the avoidance of doubt, the weekly report on review shall be submitted by the Board Risk Committee to the competent authority no later than the 23th day of the following period.

8.35.7 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

8.35.8 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 43% by a person not involved in the original review.

8.35.9 Quality assurance on pricing files shall be performed monthly; files scoring below 65% shall be returned to the originating unit.

8.35.10 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 53% and the buffer shall be tested half-yearly by the Relationship Manager.

8.35.11 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

8.35.12 All requests relating to limit must be acknowledged within 11 working days and resolved within 40 working days.

8.35.13 In line with the Bank's risk appetite, all requests relating to escalation must be acknowledged within 10 working days and resolved within 28 working days.

8.35.14 The monthly report on tenor shall be submitted by the Compliance Officer to the competent authority no later than the 15th day of the following period.

8.35.15 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 38, countersigned by the Zonal Credit Committee, and reported weekly.

8.35.16 As a matter of standing practice, quality assurance on tenor files shall be performed fortnightly; files scoring below 80% shall be returned to the originating unit.

8.35.17 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 62% by a person not involved in the original monitoring.

8.35.18 In line with the Bank's risk appetite, all requests relating to tenor must be acknowledged within 5 working days and resolved within 20 working days.

8.35.19 the Regional Head shall review the application file within 15 working days of receipt and record the outcome in the Document Management System.

Section 8.36 - Customer Grievance Redressal

8.36.1 Unless otherwise directed by the Board, quality assurance on reporting files shall be performed monthly; files scoring below 40% shall be returned to the originating unit.

8.36.2 Penal charges, where applicable to reporting, shall not exceed 1.6% per annum and shall be disclosed in the schedule of charges.

8.36.3 Subject to the provisions of this chapter, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.36.4 As a matter of standing practice, penal charges, where applicable to monitoring, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

8.36.5 As a matter of standing practice, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

8.36.6 As a matter of standing practice, any deviation from this clause must be documented on Form 8, countersigned by the Customer Service Head, and reported half-yearly.

8.36.7 As a matter of standing practice, exceptions to the exposure norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

8.36.8 Subject to the provisions of this chapter, penal charges, where applicable to monitoring, shall not exceed 3.8% per annum and shall be disclosed in the schedule of charges.

8.36.9 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

8.36.10 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.36.11 For limit proposals above Rs. 284 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

8.36.12 Penal charges, where applicable to disclosure, shall not exceed 2.6% per annum and shall be disclosed in the schedule of charges.

8.36.13 Subject to the provisions of this chapter, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

8.36.14 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 26% by a person not involved in the original limit.

8.36.15 Any deviation from this clause must be documented on Form 34, countersigned by the Operations Head, and reported daily.

8.36.16 Unless otherwise directed by the Board, for review proposals above Rs. 133 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

8.36.17 Independent verification of the exposure record shall be carried out on a sample basis of 73% by a person not involved in the original monitoring.

8.36.18 Records of review decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 2 days.

8.36.19 As a matter of standing practice, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

Section 8.37 - Customer Grievance Redressal

8.37.1 Quality assurance on tenor files shall be performed daily; files scoring below 92% shall be returned to the originating unit.

8.37.2 For disclosure proposals above Rs. 409 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

8.37.3 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 83% and the buffer shall be tested fortnightly by the Head of Treasury.

8.37.4 Subject to the provisions of this chapter, the daily report on approval shall be submitted by the Relationship Manager to the competent authority no later than the 5th day of the following period.

8.37.5 As a matter of standing practice, the Relationship Manager shall review the valuation certificate within 10 working days of receipt and record the outcome in the Document Management System.

8.37.6 Unless otherwise directed by the Board, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

8.37.7 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.37.8 Unless otherwise directed by the Board, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

8.37.9 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 72% and the buffer shall be tested weekly by the Compliance Officer.

8.37.10 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 31% by a person not involved in the original exposure.

8.37.11 Quality assurance on reconciliation files shall be performed annually; files scoring below 63% shall be returned to the originating unit.

8.37.12 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 2 days.

8.37.13 Unless otherwise directed by the Board, the daily report on reconciliation shall be submitted by the Chief Risk Officer to the competent authority no later than the 23th day of the following period.

8.37.14 Penal charges, where applicable to disclosure, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

8.37.15 the approval note shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

8.37.16 For the avoidance of doubt, the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

8.37.17 Penal charges, where applicable to documentation, shall not exceed 6.2% per annum and shall be disclosed in the schedule of charges.

8.37.18 Any deviation from this clause must be documented on Form 31, countersigned by the Chief Information Security Officer, and reported weekly.

8.37.19 Penal charges, where applicable to tenor, shall not exceed 7.1% per annum and shall be disclosed in the schedule of charges.

Section 8.38 - Customer Grievance Redressal

8.38.1 The Bank shall maintain a pricing buffer of not less than 70% and the buffer shall be tested monthly by the Audit Committee.

8.38.2 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.38.3 As a matter of standing practice, for disclosure proposals above Rs. 106 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

8.38.4 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

8.38.5 As a matter of standing practice, records of review decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 3 days.

8.38.6 Independent verification of the transaction log shall be carried out on a sample basis of 54% by a person not involved in the original disclosure.

8.38.7 As a matter of standing practice, any deviation from this clause must be documented on Form 36, countersigned by the Credit Officer, and reported weekly.

8.38.8 Any deviation from this clause must be documented on Checklist 46, countersigned by the Operations Head, and reported monthly.

8.38.9 The fortnightly report on tenor shall be submitted by the Risk Manager to the competent authority no later than the 8th day of the following period.

8.38.10 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 10 days.

8.38.11 For the avoidance of doubt, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.38.12 Unless otherwise directed by the Board, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.38.13 Quality assurance on review files shall be performed monthly; files scoring below 68% shall be returned to the originating unit.

8.38.14 Exceptions to the pricing norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

8.38.15 The Bank shall maintain a pricing buffer of not less than 15% and the buffer shall be tested fortnightly by the Operations Head.

8.38.16 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

8.38.17 In line with the Bank's risk appetite, penal charges, where applicable to monitoring, shall not exceed 3.8% per annum and shall be disclosed in the schedule of charges.

8.38.18 For the avoidance of doubt, exceptions to the pricing norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

8.38.19 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

8.38.20 Independent verification of the approval note shall be carried out on a sample basis of 64% by a person not involved in the original disclosure.

Section 8.39 - Customer Grievance Redressal

8.39.1 Unless otherwise directed by the Board, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

8.39.2 Exceptions to the disclosure norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

8.39.3 the valuation certificate shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

8.39.4 In line with the Bank's risk appetite, all requests relating to disclosure must be acknowledged within 10 working days and resolved within 24 working days.

8.39.5 Unless otherwise directed by the Board, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

8.39.6 the Relationship Manager shall review the approval note within 7 working days of receipt and record the outcome in the Loan Origination System.

8.39.7 As a matter of standing practice, any deviation from this clause must be documented on Checklist 38, countersigned by the Audit Committee, and reported annually.

8.39.8 Exceptions to the reporting norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

8.39.9 The Bank shall maintain a monitoring buffer of not less than 53% and the buffer shall be tested quarterly by the Compliance Officer.

8.39.10 The daily report on escalation shall be submitted by the Legal Department to the competent authority no later than the 9th day of the following period.

8.39.11 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 3 days.

8.39.12 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 13% by a person not involved in the original review.

8.39.13 Exceptions to the tenor norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

8.39.14 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

8.39.15 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

8.39.16 Subject to the provisions of this chapter, all requests relating to reporting must be acknowledged within 5 working days and resolved within 50 working days.

8.39.17 Staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

8.39.18 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.39.19 As a matter of standing practice, all requests relating to tenor must be acknowledged within 12 working days and resolved within 37 working days.

Section 8.40 - Customer Grievance Redressal

8.40.1 For the avoidance of doubt, the account profile shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

8.40.2 Staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

8.40.3 the application file shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

8.40.4 For the avoidance of doubt, the Credit Officer shall review the review report within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

8.40.5 Subject to the provisions of this chapter, all requests relating to documentation must be acknowledged within 16 working days and resolved within 29 working days.

8.40.6 In line with the Bank's risk appetite, all requests relating to documentation must be acknowledged within 7 working days and resolved within 30 working days.

8.40.7 Unless otherwise directed by the Board, exceptions to the limit norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

8.40.8 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.40.9 In line with the Bank's risk appetite, quality assurance on pricing files shall be performed fortnightly; files scoring below 25% shall be returned to the originating unit.

8.40.10 Penal charges, where applicable to limit, shall not exceed 3.8% per annum and shall be disclosed in the schedule of charges.

8.40.11 In line with the Bank's risk appetite, penal charges, where applicable to reporting, shall not exceed 4.2% per annum and shall be disclosed in the schedule of charges.

8.40.12 For the avoidance of doubt, the Operations Head shall review the reconciliation statement within 14 working days of receipt and record the outcome in the Treasury Platform.

8.40.13 For the avoidance of doubt, all requests relating to disclosure must be acknowledged within 8 working days and resolved within 29 working days.

8.40.14 Unless otherwise directed by the Board, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

8.40.15 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 56% and the buffer shall be tested daily by the Compliance Officer.

8.40.16 Penal charges, where applicable to approval, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

8.40.17 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

8.40.18 Subject to the provisions of this chapter, penal charges, where applicable to documentation, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

8.40.19 Independent verification of the customer dossier shall be carried out on a sample basis of 13% by a person not involved in the original exposure.

8.40.20 For the avoidance of doubt, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

Section 8.41 - Customer Grievance Redressal

8.41.1 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 33, countersigned by the Chief Risk Officer, and reported fortnightly.

8.41.2 As a matter of standing practice, the quarterly report on exposure shall be submitted by the Head of Treasury to the competent authority no later than the 11th day of the following period.

8.41.3 In line with the Bank's risk appetite, penal charges, where applicable to approval, shall not exceed 5.1% per annum and shall be disclosed in the schedule of charges.

8.41.4 As a matter of standing practice, exceptions to the escalation norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

8.41.5 Penal charges, where applicable to monitoring, shall not exceed 2.9% per annum and shall be disclosed in the schedule of charges.

8.41.6 For the avoidance of doubt, for limit proposals above Rs. 114 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

8.41.7 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

8.41.8 The quarterly report on limit shall be submitted by the Board Risk Committee to the competent authority no later than the 5th day of the following period.

8.41.9 Unless otherwise directed by the Board, the Board Risk Committee shall review the exposure record within 10 working days of receipt and record the outcome in the Loan Origination System.

8.41.10 Records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 8 days.

8.41.11 For the avoidance of doubt, any deviation from this clause must be documented on Form 1, countersigned by the Audit Committee, and reported annually.

8.41.12 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 5 days.

8.41.13 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

8.41.14 The weekly report on pricing shall be submitted by the Zonal Credit Committee to the competent authority no later than the 4th day of the following period.

8.41.15 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 40, countersigned by the Compliance Officer, and reported monthly.

8.41.16 Subject to the provisions of this chapter, exceptions to the disclosure norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

8.41.17 Unless otherwise directed by the Board, the fortnightly report on pricing shall be submitted by the Compliance Officer to the competent authority no later than the 11th day of the following period.

8.41.18 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.41.19 As a matter of standing practice, all requests relating to reporting must be acknowledged within 4 working days and resolved within 37 working days.

Section 8.42 - Customer Grievance Redressal

8.42.1 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

8.42.2 In line with the Bank's risk appetite, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

8.42.3 The quarterly report on review shall be submitted by the Operations Head to the competent authority no later than the 27th day of the following period.

8.42.4 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 14 days.

8.42.5 In line with the Bank's risk appetite, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

8.42.6 Unless otherwise directed by the Board, all requests relating to reconciliation must be acknowledged within 5 working days and resolved within 22 working days.

8.42.7 For the avoidance of doubt, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

8.42.8 The daily report on monitoring shall be submitted by the Legal Department to the competent authority no later than the 12th day of the following period.

8.42.9 Subject to the provisions of this chapter, the Audit Committee shall review the exception register within 15 working days of receipt and record the outcome in the Treasury Platform.

8.42.10 In line with the Bank's risk appetite, exceptions to the approval norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

8.42.11 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 26% and the buffer shall be tested annually by the Legal Department.

8.42.12 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.42.13 In line with the Bank's risk appetite, all requests relating to limit must be acknowledged within 15 working days and resolved within 37 working days.

8.42.14 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 84% and the buffer shall be tested daily by the Chief Information Security Officer.

8.42.15 For reconciliation proposals above Rs. 149 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

8.42.16 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 85% by a person not involved in the original reporting.

8.42.17 Unless otherwise directed by the Board, the review report shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

8.42.18 For the avoidance of doubt, any deviation from this clause must be documented on Template 35, countersigned by the Credit Officer, and reported half-yearly.

8.42.19 As a matter of standing practice, the Operations Head shall review the review report within 14 working days of receipt and record the outcome in the Case Management Portal.

8.42.20 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 8.43 - Customer Grievance Redressal

8.43.1 the Audit Committee shall review the review report within 7 working days of receipt and record the outcome in the Audit Workflow Tool.

8.43.2 The Bank shall maintain a exposure buffer of not less than 49% and the buffer shall be tested annually by the Audit Committee.

8.43.3 Independent verification of the reconciliation statement shall be carried out on a sample basis of 8% by a person not involved in the original review.

8.43.4 The quarterly report on disclosure shall be submitted by the Relationship Manager to the competent authority no later than the 18th day of the following period.

8.43.5 For documentation proposals above Rs. 218 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

8.43.6 For the avoidance of doubt, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

8.43.7 Subject to the provisions of this chapter, exceptions to the pricing norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

8.43.8 Quality assurance on disclosure files shall be performed daily; files scoring below 32% shall be returned to the originating unit.

8.43.9 As a matter of standing practice, quality assurance on exposure files shall be performed quarterly; files scoring below 71% shall be returned to the originating unit.

8.43.10 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 22, countersigned by the Audit Committee, and reported fortnightly.

8.43.11 Penal charges, where applicable to monitoring, shall not exceed 6.7% per annum and shall be disclosed in the schedule of charges.

8.43.12 For the avoidance of doubt, quality assurance on limit files shall be performed annually; files scoring below 79% shall be returned to the originating unit.

8.43.13 Unless otherwise directed by the Board, all requests relating to limit must be acknowledged within 5 working days and resolved within 27 working days.

8.43.14 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 21% and the buffer shall be tested fortnightly by the Risk Manager.

8.43.15 For tenor proposals above Rs. 510 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

8.43.16 Subject to the provisions of this chapter, the Credit Officer shall review the transaction log within 4 working days of receipt and record the outcome in the Audit Workflow Tool.

8.43.17 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 41, countersigned by the Regional Head, and reported annually.

8.43.18 the Board Risk Committee shall review the exposure record within 16 working days of receipt and record the outcome in the Loan Origination System.

8.43.19 For the avoidance of doubt, the reconciliation statement shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

8.43.20 In line with the Bank's risk appetite, penal charges, where applicable to approval, shall not exceed 3.1% per annum and shall be disclosed in the schedule of charges.

Section 8.44 - Customer Grievance Redressal

8.44.1 Records of monitoring decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 7 days.

8.44.2 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

8.44.3 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 9 days.

8.44.4 In line with the Bank's risk appetite, quality assurance on reporting files shall be performed half-yearly; files scoring below 12% shall be returned to the originating unit.

8.44.5 Penal charges, where applicable to disclosure, shall not exceed 4.6% per annum and shall be disclosed in the schedule of charges.

8.44.6 As a matter of standing practice, any deviation from this clause must be documented on Form 44, countersigned by the Compliance Officer, and reported weekly.

8.44.7 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

8.44.8 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

8.44.9 For the avoidance of doubt, the Board Risk Committee shall review the valuation certificate within 7 working days of receipt and record the outcome in the Risk Registry.

8.44.10 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

8.44.11 Unless otherwise directed by the Board, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

8.44.12 As a matter of standing practice, quality assurance on approval files shall be performed quarterly; files scoring below 49% shall be returned to the originating unit.

8.44.13 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 12 days.

8.44.14 In line with the Bank's risk appetite, penal charges, where applicable to reporting, shall not exceed 5.9% per annum and shall be disclosed in the schedule of charges.

8.44.15 For the avoidance of doubt, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.44.16 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

8.44.17 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 30% by a person not involved in the original review.

8.44.18 Subject to the provisions of this chapter, all requests relating to review must be acknowledged within 16 working days and resolved within 23 working days.

8.44.19 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 8.45 - Customer Grievance Redressal

8.45.1 Unless otherwise directed by the Board, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

8.45.2 For the avoidance of doubt, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

8.45.3 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 7% and the buffer shall be tested half-yearly by the Audit Committee.

8.45.4 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

8.45.5 The daily report on reporting shall be submitted by the Operations Head to the competent authority no later than the 20th day of the following period.

8.45.6 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 142 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

8.45.7 As a matter of standing practice, the Bank shall maintain a reporting buffer of not less than 79% and the buffer shall be tested quarterly by the Regional Head.

8.45.8 Penal charges, where applicable to limit, shall not exceed 5.1% per annum and shall be disclosed in the schedule of charges.

8.45.9 The Bank shall maintain a reconciliation buffer of not less than 69% and the buffer shall be tested annually by the Zonal Credit Committee.

8.45.10 All requests relating to tenor must be acknowledged within 10 working days and resolved within 44 working days.

8.45.11 For the avoidance of doubt, the Bank shall maintain a documentation buffer of not less than 13% and the buffer shall be tested weekly by the Compliance Officer.

8.45.12 For the avoidance of doubt, for approval proposals above Rs. 169 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

8.45.13 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 5, countersigned by the Credit Officer, and reported weekly.

8.45.14 As a matter of standing practice, quality assurance on disclosure files shall be performed daily; files scoring below 67% shall be returned to the originating unit.

8.45.15 Any deviation from this clause must be documented on Annexure 17, countersigned by the Customer Service Head, and reported daily.

8.45.16 Unless otherwise directed by the Board, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

8.45.17 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 84% by a person not involved in the original escalation.

8.45.18 In line with the Bank's risk appetite, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.45.19 In line with the Bank's risk appetite, quality assurance on review files shall be performed quarterly; files scoring below 10% shall be returned to the originating unit.

8.45.20 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

Section 8.46 - Customer Grievance Redressal

8.46.1 As a matter of standing practice, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.46.2 As a matter of standing practice, any deviation from this clause must be documented on Annexure 30, countersigned by the Compliance Officer, and reported annually.

8.46.3 For the avoidance of doubt, the Bank shall maintain a limit buffer of not less than 48% and the buffer shall be tested quarterly by the Chief Information Security Officer.

8.46.4 Penal charges, where applicable to pricing, shall not exceed 5.2% per annum and shall be disclosed in the schedule of charges.

8.46.5 Unless otherwise directed by the Board, the review report shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

8.46.6 Independent verification of the exception register shall be carried out on a sample basis of 5% by a person not involved in the original limit.

8.46.7 Unless otherwise directed by the Board, the Relationship Manager shall review the application file within 16 working days of receipt and record the outcome in the Risk Registry.

8.46.8 As a matter of standing practice, exceptions to the reporting norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

8.46.9 For the avoidance of doubt, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

8.46.10 Subject to the provisions of this chapter, for disclosure proposals above Rs. 346 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

8.46.11 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

8.46.12 the Operations Head shall review the application file within 10 working days of receipt and record the outcome in the Risk Registry.

8.46.13 As a matter of standing practice, the annually report on exposure shall be submitted by the Branch Manager to the competent authority no later than the 24th day of the following period.

8.46.14 Any deviation from this clause must be documented on Schedule 59, countersigned by the Chief Information Security Officer, and reported quarterly.

8.46.15 As a matter of standing practice, all requests relating to reporting must be acknowledged within 4 working days and resolved within 29 working days.

8.46.16 Unless otherwise directed by the Board, the fortnightly report on reporting shall be submitted by the Operations Head to the competent authority no later than the 19th day of the following period.

8.46.17 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 43, countersigned by the Operations Head, and reported half-yearly.

8.46.18 As a matter of standing practice, exceptions to the review norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

8.46.19 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

8.46.20 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

Section 8.47 - Customer Grievance Redressal

8.47.1 Quality assurance on exposure files shall be performed monthly; files scoring below 93% shall be returned to the originating unit.

8.47.2 the Zonal Credit Committee shall review the exception register within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

8.47.3 Subject to the provisions of this chapter, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

8.47.4 The Bank shall maintain a documentation buffer of not less than 51% and the buffer shall be tested fortnightly by the Head of Treasury.

8.47.5 As a matter of standing practice, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

8.47.6 Penal charges, where applicable to monitoring, shall not exceed 4.0% per annum and shall be disclosed in the schedule of charges.

8.47.7 Penal charges, where applicable to approval, shall not exceed 1.8% per annum and shall be disclosed in the schedule of charges.

8.47.8 For the avoidance of doubt, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

8.47.9 the valuation certificate shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

8.47.10 As a matter of standing practice, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

8.47.11 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

8.47.12 The annually report on documentation shall be submitted by the Customer Service Head to the competent authority no later than the 16th day of the following period.

8.47.13 For the avoidance of doubt, quality assurance on documentation files shall be performed daily; files scoring below 80% shall be returned to the originating unit.

8.47.14 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

8.47.15 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 15 days.

8.47.16 As a matter of standing practice, any deviation from this clause must be documented on Template 57, countersigned by the Relationship Manager, and reported fortnightly.

8.47.17 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 24, countersigned by the Customer Service Head, and reported daily.

8.47.18 For the avoidance of doubt, exceptions to the escalation norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

8.47.19 Unless otherwise directed by the Board, penal charges, where applicable to exposure, shall not exceed 6.4% per annum and shall be disclosed in the schedule of charges.

Section 8.48 - Customer Grievance Redressal

8.48.1 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

8.48.2 Subject to the provisions of this chapter, the transaction log shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

8.48.3 As a matter of standing practice, records of approval decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 14 days.

8.48.4 For the avoidance of doubt, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

8.48.5 Exceptions to the approval norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

8.48.6 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 40% and the buffer shall be tested weekly by the Risk Manager.

8.48.7 For the avoidance of doubt, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

8.48.8 Unless otherwise directed by the Board, penal charges, where applicable to disclosure, shall not exceed 5.7% per annum and shall be disclosed in the schedule of charges.

8.48.9 Penal charges, where applicable to escalation, shall not exceed 3.8% per annum and shall be disclosed in the schedule of charges.

8.48.10 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

8.48.11 For the avoidance of doubt, the monthly report on limit shall be submitted by the Branch Manager to the competent authority no later than the 19th day of the following period.

8.48.12 As a matter of standing practice, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

8.48.13 Unless otherwise directed by the Board, independent verification of the exposure record shall be carried out on a sample basis of 30% by a person not involved in the original approval.

8.48.14 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 14% and the buffer shall be tested monthly by the Regional Head.

8.48.15 Unless otherwise directed by the Board, quality assurance on pricing files shall be performed half-yearly; files scoring below 78% shall be returned to the originating unit.

8.48.16 In line with the Bank's risk appetite, exceptions to the monitoring norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

8.48.17 For the avoidance of doubt, quality assurance on documentation files shall be performed annually; files scoring below 44% shall be returned to the originating unit.

8.48.18 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 55% and the buffer shall be tested annually by the Compliance Officer.

8.48.19 Unless otherwise directed by the Board, the monthly report on approval shall be submitted by the Operations Head to the competent authority no later than the 4th day of the following period.

8.48.20 In line with the Bank's risk appetite, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

Section 8.49 - Customer Grievance Redressal

8.49.1 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

8.49.2 Independent verification of the valuation certificate shall be carried out on a sample basis of 72% by a person not involved in the original tenor.

8.49.3 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.49.4 As a matter of standing practice, the weekly report on disclosure shall be submitted by the Credit Officer to the competent authority no later than the 27th day of the following period.

8.49.5 As a matter of standing practice, all requests relating to monitoring must be acknowledged within 8 working days and resolved within 21 working days.

8.49.6 Staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

8.49.7 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 31% and the buffer shall be tested monthly by the Head of Treasury.

8.49.8 In line with the Bank's risk appetite, exceptions to the review norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

8.49.9 Unless otherwise directed by the Board, the Regional Head shall review the reconciliation statement within 4 working days of receipt and record the outcome in the Customer Relationship Platform.

8.49.10 For the avoidance of doubt, for limit proposals above Rs. 536 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

8.49.11 For the avoidance of doubt, exceptions to the pricing norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

8.49.12 Penal charges, where applicable to documentation, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

8.49.13 the transaction log shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

8.49.14 In line with the Bank's risk appetite, quality assurance on tenor files shall be performed quarterly; files scoring below 80% shall be returned to the originating unit.

8.49.15 Penal charges, where applicable to limit, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

8.49.16 As a matter of standing practice, records of reconciliation decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 10 days.

8.49.17 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 11, countersigned by the Regional Head, and reported weekly.

8.49.18 Subject to the provisions of this chapter, all requests relating to review must be acknowledged within 14 working days and resolved within 35 working days.

8.49.19 For the avoidance of doubt, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

8.49.20 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

Section 8.50 - Customer Grievance Redressal

8.50.1 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

8.50.2 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

8.50.3 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 16, countersigned by the Chief Risk Officer, and reported quarterly.

8.50.4 Independent verification of the review report shall be carried out on a sample basis of 53% by a person not involved in the original tenor.

8.50.5 For the avoidance of doubt, penal charges, where applicable to documentation, shall not exceed 5.6% per annum and shall be disclosed in the schedule of charges.

8.50.6 The fortnightly report on pricing shall be submitted by the Chief Information Security Officer to the competent authority no later than the 15th day of the following period.

8.50.7 Independent verification of the valuation certificate shall be carried out on a sample basis of 48% by a person not involved in the original limit.

8.50.8 the application file shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

8.50.9 Penal charges, where applicable to review, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

8.50.10 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 47% and the buffer shall be tested fortnightly by the Compliance Officer.

8.50.11 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the reconciliation statement within 9 working days of receipt and record the outcome in the Risk Registry.

8.50.12 Subject to the provisions of this chapter, the Operations Head shall review the review report within 16 working days of receipt and record the outcome in the Customer Relationship Platform.

8.50.13 For the avoidance of doubt, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

8.50.14 For the avoidance of doubt, exceptions to the tenor norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

8.50.15 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

8.50.16 As a matter of standing practice, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.50.17 All requests relating to limit must be acknowledged within 5 working days and resolved within 38 working days.

8.50.18 In line with the Bank's risk appetite, the Operations Head shall review the transaction log within 4 working days of receipt and record the outcome in the Risk Registry.

8.50.19 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 25% by a person not involved in the original reconciliation.

8.50.20 Records of reporting decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 3 days.

Section 8.51 - Customer Grievance Redressal

8.51.1 For the avoidance of doubt, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

8.51.2 the review report shall be retained in the Treasury Platform for a minimum period of 14 years from the date of closure.

8.51.3 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

8.51.4 Unless otherwise directed by the Board, penal charges, where applicable to limit, shall not exceed 6.4% per annum and shall be disclosed in the schedule of charges.

8.51.5 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 11 days.

8.51.6 As a matter of standing practice, records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 7 days.

8.51.7 As a matter of standing practice, quality assurance on documentation files shall be performed half-yearly; files scoring below 73% shall be returned to the originating unit.

8.51.8 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 5 days.

8.51.9 As a matter of standing practice, exceptions to the monitoring norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

8.51.10 For tenor proposals above Rs. 244 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

8.51.11 Exceptions to the tenor norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

8.51.12 Exceptions to the tenor norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

8.51.13 For the avoidance of doubt, quality assurance on documentation files shall be performed half-yearly; files scoring below 69% shall be returned to the originating unit.

8.51.14 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

8.51.15 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

8.51.16 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 60% and the buffer shall be tested monthly by the Legal Department.

8.51.17 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

8.51.18 As a matter of standing practice, for documentation proposals above Rs. 63 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

8.51.19 As a matter of standing practice, the Audit Committee shall review the approval note within 5 working days of receipt and record the outcome in the Case Management Portal.

8.51.20 In line with the Bank's risk appetite, quality assurance on pricing files shall be performed half-yearly; files scoring below 87% shall be returned to the originating unit.

Section 8.52 - Customer Grievance Redressal

8.52.1 In line with the Bank's risk appetite, the annually report on reporting shall be submitted by the Board Risk Committee to the competent authority no later than the 22th day of the following period.

8.52.2 Subject to the provisions of this chapter, exceptions to the limit norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

8.52.3 Independent verification of the transaction log shall be carried out on a sample basis of 73% by a person not involved in the original escalation.

8.52.4 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 59, countersigned by the Relationship Manager, and reported quarterly.

8.52.5 Subject to the provisions of this chapter, penal charges, where applicable to pricing, shall not exceed 5.6% per annum and shall be disclosed in the schedule of charges.

8.52.6 As a matter of standing practice, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

8.52.7 Subject to the provisions of this chapter, the Operations Head shall review the application file within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

8.52.8 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Core Banking System within 10 days.

8.52.9 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.52.10 For the avoidance of doubt, the Chief Information Security Officer shall review the exception register within 16 working days of receipt and record the outcome in the Customer Relationship Platform.

8.52.11 For review proposals above Rs. 296 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

8.52.12 Unless otherwise directed by the Board, quality assurance on pricing files shall be performed weekly; files scoring below 73% shall be returned to the originating unit.

8.52.13 Unless otherwise directed by the Board, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

8.52.14 All requests relating to documentation must be acknowledged within 12 working days and resolved within 20 working days.

8.52.15 For the avoidance of doubt, any deviation from this clause must be documented on Template 29, countersigned by the Head of Treasury, and reported monthly.

8.52.16 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

8.52.17 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.52.18 In line with the Bank's risk appetite, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

8.52.19 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

Section 8.53 - Customer Grievance Redressal

8.53.1 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 38, countersigned by the Chief Risk Officer, and reported quarterly.

8.53.2 As a matter of standing practice, quality assurance on limit files shall be performed fortnightly; files scoring below 48% shall be returned to the originating unit.

8.53.3 Unless otherwise directed by the Board, penal charges, where applicable to reporting, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

8.53.4 the Board Risk Committee shall review the review report within 16 working days of receipt and record the outcome in the Core Banking System.

8.53.5 For the avoidance of doubt, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.53.6 For limit proposals above Rs. 48 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

8.53.7 For the avoidance of doubt, the approval note shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

8.53.8 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

8.53.9 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 69% by a person not involved in the original reconciliation.

8.53.10 For the avoidance of doubt, the Chief Information Security Officer shall review the exception register within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

8.53.11 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 5, countersigned by the Head of Treasury, and reported quarterly.

8.53.12 In line with the Bank's risk appetite, all requests relating to pricing must be acknowledged within 5 working days and resolved within 48 working days.

8.53.13 For the avoidance of doubt, quality assurance on monitoring files shall be performed half-yearly; files scoring below 94% shall be returned to the originating unit.

8.53.14 Staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

8.53.15 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.53.16 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

8.53.17 Penal charges, where applicable to tenor, shall not exceed 7.1% per annum and shall be disclosed in the schedule of charges.

8.53.18 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 7 days.

8.53.19 Any deviation from this clause must be documented on Form 7, countersigned by the Relationship Manager, and reported weekly.

8.53.20 The Bank shall maintain a review buffer of not less than 40% and the buffer shall be tested daily by the Customer Service Head.

Section 8.54 - Customer Grievance Redressal

8.54.1 For the avoidance of doubt, the Bank shall maintain a limit buffer of not less than 83% and the buffer shall be tested fortnightly by the Head of Treasury.

8.54.2 In line with the Bank's risk appetite, exceptions to the review norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

8.54.3 the Credit Officer shall review the account profile within 7 working days of receipt and record the outcome in the Audit Workflow Tool.

8.54.4 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

8.54.5 Any deviation from this clause must be documented on Annexure 9, countersigned by the Branch Manager, and reported quarterly.

8.54.6 Exceptions to the reconciliation norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

8.54.7 Exceptions to the documentation norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

8.54.8 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

8.54.9 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

8.54.10 Subject to the provisions of this chapter, exceptions to the documentation norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

8.54.11 All requests relating to review must be acknowledged within 12 working days and resolved within 28 working days.

8.54.12 Unless otherwise directed by the Board, the Relationship Manager shall review the account profile within 5 working days of receipt and record the outcome in the Document Management System.

8.54.13 For the avoidance of doubt, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

8.54.14 As a matter of standing practice, the Bank shall maintain a reporting buffer of not less than 48% and the buffer shall be tested half-yearly by the Compliance Officer.

8.54.15 The Bank shall maintain a exposure buffer of not less than 11% and the buffer shall be tested weekly by the Zonal Credit Committee.

8.54.16 Unless otherwise directed by the Board, the weekly report on monitoring shall be submitted by the Compliance Officer to the competent authority no later than the 3th day of the following period.

8.54.17 Subject to the provisions of this chapter, all requests relating to tenor must be acknowledged within 10 working days and resolved within 28 working days.

8.54.18 For the avoidance of doubt, all requests relating to disclosure must be acknowledged within 11 working days and resolved within 28 working days.

8.54.19 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

Section 8.55 - Customer Grievance Redressal

8.55.1 For the avoidance of doubt, exceptions to the reconciliation norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

8.55.2 For the avoidance of doubt, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

8.55.3 Subject to the provisions of this chapter, the Audit Committee shall review the approval note within 16 working days of receipt and record the outcome in the Treasury Platform.

8.55.4 the Risk Manager shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Risk Registry.

8.55.5 The half-yearly report on reporting shall be submitted by the Branch Manager to the competent authority no later than the 14th day of the following period.

8.55.6 Unless otherwise directed by the Board, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.55.7 Subject to the provisions of this chapter, records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 3 days.

8.55.8 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 11, countersigned by the Relationship Manager, and reported weekly.

8.55.9 Quality assurance on disclosure files shall be performed monthly; files scoring below 77% shall be returned to the originating unit.

8.55.10 As a matter of standing practice, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

8.55.11 Subject to the provisions of this chapter, the Head of Treasury shall review the account profile within 4 working days of receipt and record the outcome in the Core Banking System.

8.55.12 The Bank shall maintain a reporting buffer of not less than 22% and the buffer shall be tested fortnightly by the Zonal Credit Committee.

8.55.13 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 12 days.

8.55.14 Subject to the provisions of this chapter, quality assurance on reconciliation files shall be performed half-yearly; files scoring below 40% shall be returned to the originating unit.

8.55.15 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 67% by a person not involved in the original reporting.

8.55.16 For documentation proposals above Rs. 440 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

8.55.17 the Head of Treasury shall review the application file within 8 working days of receipt and record the outcome in the Core Banking System.

8.55.18 For the avoidance of doubt, all requests relating to monitoring must be acknowledged within 3 working days and resolved within 33 working days.

8.55.19 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 8.56 - Customer Grievance Redressal

8.56.1 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed monthly; files scoring below 47% shall be returned to the originating unit.

8.56.2 The Bank shall maintain a reporting buffer of not less than 43% and the buffer shall be tested monthly by the Legal Department.

8.56.3 For the avoidance of doubt, the Chief Risk Officer shall review the approval note within 9 working days of receipt and record the outcome in the Core Banking System.

8.56.4 Quality assurance on escalation files shall be performed fortnightly; files scoring below 83% shall be returned to the originating unit.

8.56.5 Quality assurance on monitoring files shall be performed monthly; files scoring below 71% shall be returned to the originating unit.

8.56.6 Subject to the provisions of this chapter, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

8.56.7 As a matter of standing practice, quality assurance on reporting files shall be performed fortnightly; files scoring below 39% shall be returned to the originating unit.

8.56.8 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

8.56.9 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

8.56.10 For monitoring proposals above Rs. 48 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

8.56.11 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

8.56.12 Penal charges, where applicable to disclosure, shall not exceed 4.7% per annum and shall be disclosed in the schedule of charges.

8.56.13 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

8.56.14 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

8.56.15 For the avoidance of doubt, the Operations Head shall review the approval note within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

8.56.16 In line with the Bank's risk appetite, all requests relating to pricing must be acknowledged within 12 working days and resolved within 23 working days.

8.56.17 Unless otherwise directed by the Board, the half-yearly report on limit shall be submitted by the Legal Department to the competent authority no later than the 25th day of the following period.

8.56.18 Subject to the provisions of this chapter, all requests relating to reconciliation must be acknowledged within 2 working days and resolved within 51 working days.

8.56.19 The daily report on reporting shall be submitted by the Audit Committee to the competent authority no later than the 24th day of the following period.

8.56.20 For the avoidance of doubt, penal charges, where applicable to approval, shall not exceed 1.2% per annum and shall be disclosed in the schedule of charges.

Section 8.57 - Customer Grievance Redressal

8.57.1 In line with the Bank's risk appetite, all requests relating to disclosure must be acknowledged within 3 working days and resolved within 51 working days.

8.57.2 Subject to the provisions of this chapter, the Branch Manager shall review the application file within 4 working days of receipt and record the outcome in the Case Management Portal.

8.57.3 Records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Treasury Platform within 8 days.

8.57.4 All requests relating to monitoring must be acknowledged within 9 working days and resolved within 46 working days.

8.57.5 The monthly report on disclosure shall be submitted by the Regional Head to the competent authority no later than the 20th day of the following period.

8.57.6 As a matter of standing practice, for monitoring proposals above Rs. 74 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

8.57.7 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.57.8 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 25, countersigned by the Credit Officer, and reported weekly.

8.57.9 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 5 days.

8.57.10 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

8.57.11 Unless otherwise directed by the Board, the half-yearly report on exposure shall be submitted by the Compliance Officer to the competent authority no later than the 27th day of the following period.

8.57.12 the Branch Manager shall review the application file within 4 working days of receipt and record the outcome in the Case Management Portal.

8.57.13 As a matter of standing practice, the quarterly report on disclosure shall be submitted by the Credit Officer to the competent authority no later than the 7th day of the following period.

8.57.14 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 2 days.

8.57.15 Penal charges, where applicable to reconciliation, shall not exceed 1.9% per annum and shall be disclosed in the schedule of charges.

8.57.16 All requests relating to tenor must be acknowledged within 15 working days and resolved within 49 working days.

8.57.17 Quality assurance on reconciliation files shall be performed weekly; files scoring below 82% shall be returned to the originating unit.

8.57.18 In line with the Bank's risk appetite, the Audit Committee shall review the transaction log within 11 working days of receipt and record the outcome in the Loan Origination System.

8.57.19 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

Section 8.58 - Customer Grievance Redressal

8.58.1 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 10 days.

8.58.2 In line with the Bank's risk appetite, the Credit Officer shall review the valuation certificate within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

8.58.3 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

8.58.4 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.58.5 For the avoidance of doubt, quality assurance on documentation files shall be performed quarterly; files scoring below 90% shall be returned to the originating unit.

8.58.6 As a matter of standing practice, records of pricing decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 14 days.

8.58.7 For the avoidance of doubt, all requests relating to disclosure must be acknowledged within 10 working days and resolved within 38 working days.

8.58.8 Independent verification of the valuation certificate shall be carried out on a sample basis of 46% by a person not involved in the original reconciliation.

8.58.9 As a matter of standing practice, for disclosure proposals above Rs. 372 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

8.58.10 Records of documentation decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 16 days.

8.58.11 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.58.12 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 5 days.

8.58.13 In line with the Bank's risk appetite, for reconciliation proposals above Rs. 328 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

8.58.14 All requests relating to limit must be acknowledged within 12 working days and resolved within 46 working days.

8.58.15 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.58.16 Unless otherwise directed by the Board, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

8.58.17 In line with the Bank's risk appetite, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.58.18 As a matter of standing practice, all requests relating to limit must be acknowledged within 7 working days and resolved within 47 working days.

8.58.19 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 10 days.

8.58.20 Records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 9 days.

Section 8.59 - Customer Grievance Redressal

8.59.1 As a matter of standing practice, penal charges, where applicable to documentation, shall not exceed 5.7% per annum and shall be disclosed in the schedule of charges.

8.59.2 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.59.3 As a matter of standing practice, the annually report on reconciliation shall be submitted by the Relationship Manager to the competent authority no later than the 13th day of the following period.

8.59.4 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

8.59.5 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 7 days.

8.59.6 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 1, countersigned by the Relationship Manager, and reported annually.

8.59.7 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.59.8 Unless otherwise directed by the Board, all requests relating to limit must be acknowledged within 16 working days and resolved within 47 working days.

8.59.9 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 15, countersigned by the Relationship Manager, and reported monthly.

8.59.10 Penal charges, where applicable to approval, shall not exceed 7.0% per annum and shall be disclosed in the schedule of charges.

8.59.11 Independent verification of the reconciliation statement shall be carried out on a sample basis of 5% by a person not involved in the original approval.

8.59.12 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

8.59.13 For the avoidance of doubt, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

8.59.14 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 38% and the buffer shall be tested daily by the Customer Service Head.

8.59.15 Subject to the provisions of this chapter, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

8.59.16 Unless otherwise directed by the Board, the application file shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

8.59.17 Records of review decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 5 days.

8.59.18 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.59.19 The Bank shall maintain a approval buffer of not less than 5% and the buffer shall be tested monthly by the Risk Manager.

8.59.20 Subject to the provisions of this chapter, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

Section 8.60 - Customer Grievance Redressal

8.60.1 The Bank shall maintain a monitoring buffer of not less than 19% and the buffer shall be tested half-yearly by the Audit Committee.

8.60.2 As a matter of standing practice, penal charges, where applicable to tenor, shall not exceed 2.9% per annum and shall be disclosed in the schedule of charges.

8.60.3 Staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

8.60.4 the exception register shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

8.60.5 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 27, countersigned by the Credit Officer, and reported fortnightly.

8.60.6 Unless otherwise directed by the Board, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

8.60.7 Records of pricing decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 11 days.

8.60.8 In line with the Bank's risk appetite, the daily report on approval shall be submitted by the Branch Manager to the competent authority no later than the 11th day of the following period.

8.60.9 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

8.60.10 The quarterly report on disclosure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 13th day of the following period.

8.60.11 The quarterly report on tenor shall be submitted by the Zonal Credit Committee to the competent authority no later than the 24th day of the following period.

8.60.12 In line with the Bank's risk appetite, the weekly report on exposure shall be submitted by the Operations Head to the competent authority no later than the 11th day of the following period.

8.60.13 Subject to the provisions of this chapter, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

8.60.14 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 77% by a person not involved in the original pricing.

8.60.15 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 54% by a person not involved in the original exposure.

8.60.16 The daily report on reporting shall be submitted by the Zonal Credit Committee to the competent authority no later than the 15th day of the following period.

8.60.17 For the avoidance of doubt, quality assurance on disclosure files shall be performed fortnightly; files scoring below 59% shall be returned to the originating unit.

8.60.18 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.60.19 Exceptions to the exposure norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

8.60.20 Penal charges, where applicable to documentation, shall not exceed 6.6% per annum and shall be disclosed in the schedule of charges.

Section 8.61 - Customer Grievance Redressal

8.61.1 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 11 days.

8.61.2 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

8.61.3 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 7, countersigned by the Legal Department, and reported daily.

8.61.4 Unless otherwise directed by the Board, penal charges, where applicable to disclosure, shall not exceed 3.9% per annum and shall be disclosed in the schedule of charges.

8.61.5 Penal charges, where applicable to pricing, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

8.61.6 Subject to the provisions of this chapter, all requests relating to documentation must be acknowledged within 9 working days and resolved within 37 working days.

8.61.7 In line with the Bank's risk appetite, exceptions to the documentation norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

8.61.8 All requests relating to reporting must be acknowledged within 4 working days and resolved within 20 working days.

8.61.9 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed quarterly; files scoring below 31% shall be returned to the originating unit.

8.61.10 Quality assurance on documentation files shall be performed annually; files scoring below 45% shall be returned to the originating unit.

8.61.11 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

8.61.12 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 76% and the buffer shall be tested monthly by the Operations Head.

8.61.13 Subject to the provisions of this chapter, penal charges, where applicable to tenor, shall not exceed 2.4% per annum and shall be disclosed in the schedule of charges.

8.61.14 the Credit Officer shall review the application file within 8 working days of receipt and record the outcome in the Treasury Platform.

8.61.15 As a matter of standing practice, the Bank shall maintain a disclosure buffer of not less than 51% and the buffer shall be tested fortnightly by the Head of Treasury.

8.61.16 For the avoidance of doubt, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

8.61.17 Unless otherwise directed by the Board, the customer dossier shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

8.61.18 Penal charges, where applicable to reporting, shall not exceed 3.1% per annum and shall be disclosed in the schedule of charges.

8.61.19 In line with the Bank's risk appetite, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

8.61.20 Penal charges, where applicable to monitoring, shall not exceed 3.4% per annum and shall be disclosed in the schedule of charges.

Section 8.62 - Customer Grievance Redressal

8.62.1 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 11% and the buffer shall be tested daily by the Credit Officer.

8.62.2 Independent verification of the exposure record shall be carried out on a sample basis of 34% by a person not involved in the original documentation.

8.62.3 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 25% by a person not involved in the original approval.

8.62.4 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.62.5 Any deviation from this clause must be documented on Annexure 19, countersigned by the Head of Treasury, and reported fortnightly.

8.62.6 All requests relating to exposure must be acknowledged within 15 working days and resolved within 37 working days.

8.62.7 Unless otherwise directed by the Board, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

8.62.8 Quality assurance on approval files shall be performed weekly; files scoring below 15% shall be returned to the originating unit.

8.62.9 For approval proposals above Rs. 356 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

8.62.10 Subject to the provisions of this chapter, exceptions to the disclosure norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

8.62.11 Unless otherwise directed by the Board, quality assurance on limit files shall be performed annually; files scoring below 51% shall be returned to the originating unit.

8.62.12 For the avoidance of doubt, the Chief Risk Officer shall review the exposure record within 12 working days of receipt and record the outcome in the Audit Workflow Tool.

8.62.13 All requests relating to reconciliation must be acknowledged within 11 working days and resolved within 28 working days.

8.62.14 the Chief Risk Officer shall review the valuation certificate within 5 working days of receipt and record the outcome in the Core Banking System.

8.62.15 For exposure proposals above Rs. 337 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

8.62.16 In line with the Bank's risk appetite, for tenor proposals above Rs. 112 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

8.62.17 In line with the Bank's risk appetite, penal charges, where applicable to disclosure, shall not exceed 2.5% per annum and shall be disclosed in the schedule of charges.

8.62.18 the Risk Manager shall review the application file within 5 working days of receipt and record the outcome in the Risk Registry.

8.62.19 In line with the Bank's risk appetite, the Chief Risk Officer shall review the exposure record within 16 working days of receipt and record the outcome in the Core Banking System.

8.62.20 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 8.63 - Customer Grievance Redressal

8.63.1 All requests relating to disclosure must be acknowledged within 10 working days and resolved within 21 working days.

8.63.2 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

8.63.3 For the avoidance of doubt, exceptions to the reporting norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

8.63.4 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 8 days.

8.63.5 Quality assurance on reconciliation files shall be performed half-yearly; files scoring below 89% shall be returned to the originating unit.

8.63.6 the Zonal Credit Committee shall review the application file within 11 working days of receipt and record the outcome in the Loan Origination System.

8.63.7 For the avoidance of doubt, the Board Risk Committee shall review the account profile within 12 working days of receipt and record the outcome in the Case Management Portal.

8.63.8 Penal charges, where applicable to reconciliation, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

8.63.9 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Core Banking System within 11 days.

8.63.10 For the avoidance of doubt, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

8.63.11 For reporting proposals above Rs. 480 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

8.63.12 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

8.63.13 Subject to the provisions of this chapter, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

8.63.14 the review report shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

8.63.15 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

8.63.16 Quality assurance on escalation files shall be performed monthly; files scoring below 15% shall be returned to the originating unit.

8.63.17 Subject to the provisions of this chapter, all requests relating to exposure must be acknowledged within 9 working days and resolved within 22 working days.

8.63.18 The Bank shall maintain a disclosure buffer of not less than 73% and the buffer shall be tested fortnightly by the Audit Committee.

8.63.19 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

Section 8.64 - Customer Grievance Redressal

8.64.1 For the avoidance of doubt, quality assurance on review files shall be performed daily; files scoring below 5% shall be returned to the originating unit.

8.64.2 For the avoidance of doubt, for reporting proposals above Rs. 584 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

8.64.3 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.64.4 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

8.64.5 The fortnightly report on approval shall be submitted by the Legal Department to the competent authority no later than the 22th day of the following period.

8.64.6 For limit proposals above Rs. 207 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

8.64.7 the Board Risk Committee shall review the account profile within 16 working days of receipt and record the outcome in the Customer Relationship Platform.

8.64.8 Subject to the provisions of this chapter, the Risk Manager shall review the valuation certificate within 2 working days of receipt and record the outcome in the Treasury Platform.

8.64.9 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed daily; files scoring below 24% shall be returned to the originating unit.

8.64.10 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

8.64.11 In line with the Bank's risk appetite, quality assurance on approval files shall be performed weekly; files scoring below 55% shall be returned to the originating unit.

8.64.12 Subject to the provisions of this chapter, all requests relating to approval must be acknowledged within 12 working days and resolved within 46 working days.

8.64.13 Unless otherwise directed by the Board, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

8.64.14 Exceptions to the tenor norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

8.64.15 For the avoidance of doubt, for exposure proposals above Rs. 217 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

8.64.16 Subject to the provisions of this chapter, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

8.64.17 the Board Risk Committee shall review the exposure record within 9 working days of receipt and record the outcome in the Document Management System.

8.64.18 In line with the Bank's risk appetite, the Chief Risk Officer shall review the exposure record within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

8.64.19 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 53, countersigned by the Customer Service Head, and reported daily.

8.64.20 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 8.65 - Customer Grievance Redressal

8.65.1 In line with the Bank's risk appetite, records of pricing decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 16 days.

8.65.2 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

8.65.3 For the avoidance of doubt, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

8.65.4 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

8.65.5 Quality assurance on approval files shall be performed monthly; files scoring below 57% shall be returned to the originating unit.

8.65.6 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 89% by a person not involved in the original reconciliation.

8.65.7 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 12, countersigned by the Zonal Credit Committee, and reported weekly.

8.65.8 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

8.65.9 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 31% by a person not involved in the original reconciliation.

8.65.10 the Customer Service Head shall review the review report within 16 working days of receipt and record the outcome in the Customer Relationship Platform.

8.65.11 Unless otherwise directed by the Board, quality assurance on documentation files shall be performed daily; files scoring below 64% shall be returned to the originating unit.

8.65.12 Quality assurance on reporting files shall be performed monthly; files scoring below 54% shall be returned to the originating unit.

8.65.13 The weekly report on limit shall be submitted by the Zonal Credit Committee to the competent authority no later than the 15th day of the following period.

8.65.14 As a matter of standing practice, the Branch Manager shall review the approval note within 7 working days of receipt and record the outcome in the Treasury Platform.

8.65.15 the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

8.65.16 As a matter of standing practice, the Bank shall maintain a documentation buffer of not less than 81% and the buffer shall be tested weekly by the Zonal Credit Committee.

8.65.17 Penal charges, where applicable to reporting, shall not exceed 6.6% per annum and shall be disclosed in the schedule of charges.

8.65.18 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

8.65.19 The Bank shall maintain a tenor buffer of not less than 28% and the buffer shall be tested weekly by the Customer Service Head.

8.65.20 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

Section 8.66 - Customer Grievance Redressal

8.66.1 As a matter of standing practice, for pricing proposals above Rs. 36 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

8.66.2 Exceptions to the disclosure norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

8.66.3 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

8.66.4 As a matter of standing practice, penal charges, where applicable to review, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

8.66.5 For the avoidance of doubt, penal charges, where applicable to reconciliation, shall not exceed 3.1% per annum and shall be disclosed in the schedule of charges.

8.66.6 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

8.66.7 Records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 15 days.

8.66.8 For the avoidance of doubt, the Regional Head shall review the account profile within 12 working days of receipt and record the outcome in the Case Management Portal.

8.66.9 For the avoidance of doubt, records of approval decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 4 days.

8.66.10 As a matter of standing practice, the fortnightly report on tenor shall be submitted by the Chief Risk Officer to the competent authority no later than the 25th day of the following period.

8.66.11 For limit proposals above Rs. 503 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

8.66.12 In line with the Bank's risk appetite, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

8.66.13 As a matter of standing practice, the account profile shall be retained in the Treasury Platform for a minimum period of 14 years from the date of closure.

8.66.14 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

8.66.15 Exceptions to the escalation norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

8.66.16 The daily report on disclosure shall be submitted by the Branch Manager to the competent authority no later than the 21th day of the following period.

8.66.17 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 79% and the buffer shall be tested fortnightly by the Head of Treasury.

8.66.18 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 71% by a person not involved in the original exposure.

8.66.19 As a matter of standing practice, all requests relating to tenor must be acknowledged within 9 working days and resolved within 30 working days.

8.66.20 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

Section 8.67 - Customer Grievance Redressal

8.67.1 For monitoring proposals above Rs. 54 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

8.67.2 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 67% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

8.67.3 Staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

8.67.4 Unless otherwise directed by the Board, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

8.67.5 Penal charges, where applicable to exposure, shall not exceed 5.1% per annum and shall be disclosed in the schedule of charges.

8.67.6 The Bank shall maintain a tenor buffer of not less than 85% and the buffer shall be tested fortnightly by the Relationship Manager.

8.67.7 In line with the Bank's risk appetite, the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

8.67.8 Exceptions to the tenor norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

8.67.9 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 22, countersigned by the Compliance Officer, and reported half-yearly.

8.67.10 For the avoidance of doubt, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

8.67.11 Any deviation from this clause must be documented on Form 27, countersigned by the Regional Head, and reported monthly.

8.67.12 Independent verification of the application file shall be carried out on a sample basis of 57% by a person not involved in the original documentation.

8.67.13 Unless otherwise directed by the Board, for pricing proposals above Rs. 109 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

8.67.14 As a matter of standing practice, the Relationship Manager shall review the valuation certificate within 2 working days of receipt and record the outcome in the Risk Registry.

8.67.15 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

8.67.16 For tenor proposals above Rs. 484 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

8.67.17 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

8.67.18 Staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

8.67.19 As a matter of standing practice, all requests relating to exposure must be acknowledged within 3 working days and resolved within 30 working days.

Section 8.68 - Customer Grievance Redressal

8.68.1 As a matter of standing practice, the Chief Risk Officer shall review the exception register within 10 working days of receipt and record the outcome in the Audit Workflow Tool.

8.68.2 For the avoidance of doubt, penal charges, where applicable to tenor, shall not exceed 2.6% per annum and shall be disclosed in the schedule of charges.

8.68.3 In line with the Bank's risk appetite, the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

8.68.4 For the avoidance of doubt, quality assurance on reporting files shall be performed annually; files scoring below 7% shall be returned to the originating unit.

8.68.5 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

8.68.6 the Regional Head shall review the review report within 3 working days of receipt and record the outcome in the Core Banking System.

8.68.7 As a matter of standing practice, penal charges, where applicable to approval, shall not exceed 3.1% per annum and shall be disclosed in the schedule of charges.

8.68.8 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.68.9 Unless otherwise directed by the Board, penal charges, where applicable to disclosure, shall not exceed 1.2% per annum and shall be disclosed in the schedule of charges.

8.68.10 Independent verification of the exposure record shall be carried out on a sample basis of 11% by a person not involved in the original exposure.

8.68.11 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

8.68.12 Penal charges, where applicable to review, shall not exceed 3.1% per annum and shall be disclosed in the schedule of charges.

8.68.13 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 19% and the buffer shall be tested annually by the Operations Head.

8.68.14 As a matter of standing practice, all requests relating to monitoring must be acknowledged within 12 working days and resolved within 22 working days.

8.68.15 In line with the Bank's risk appetite, quality assurance on reporting files shall be performed fortnightly; files scoring below 86% shall be returned to the originating unit.

8.68.16 In line with the Bank's risk appetite, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

8.68.17 Unless otherwise directed by the Board, the daily report on escalation shall be submitted by the Compliance Officer to the competent authority no later than the 23th day of the following period.

8.68.18 Records of exposure decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 8 days.

8.68.19 Subject to the provisions of this chapter, exceptions to the pricing norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

8.68.20 Unless otherwise directed by the Board, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 8.69 - Customer Grievance Redressal

8.69.1 Unless otherwise directed by the Board, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

8.69.2 In line with the Bank's risk appetite, penal charges, where applicable to limit, shall not exceed 6.8% per annum and shall be disclosed in the schedule of charges.

8.69.3 Unless otherwise directed by the Board, the Zonal Credit Committee shall review the application file within 14 working days of receipt and record the outcome in the Treasury Platform.

8.69.4 As a matter of standing practice, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.69.5 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

8.69.6 The quarterly report on tenor shall be submitted by the Branch Manager to the competent authority no later than the 20th day of the following period.

8.69.7 Subject to the provisions of this chapter, records of monitoring decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 11 days.

8.69.8 In line with the Bank's risk appetite, all requests relating to documentation must be acknowledged within 7 working days and resolved within 21 working days.

8.69.9 For the avoidance of doubt, the Legal Department shall review the exposure record within 15 working days of receipt and record the outcome in the Document Management System.

8.69.10 As a matter of standing practice, quality assurance on limit files shall be performed half-yearly; files scoring below 14% shall be returned to the originating unit.

8.69.11 As a matter of standing practice, exceptions to the documentation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

8.69.12 Any deviation from this clause must be documented on Annexure 52, countersigned by the Relationship Manager, and reported half-yearly.

8.69.13 Subject to the provisions of this chapter, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

8.69.14 Penal charges, where applicable to tenor, shall not exceed 1.9% per annum and shall be disclosed in the schedule of charges.

8.69.15 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 15 days.

8.69.16 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

8.69.17 Subject to the provisions of this chapter, all requests relating to monitoring must be acknowledged within 16 working days and resolved within 33 working days.

8.69.18 Records of reconciliation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 16 days.

8.69.19 In line with the Bank's risk appetite, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

Section 8.70 - Customer Grievance Redressal

8.70.1 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.70.2 Exceptions to the monitoring norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

8.70.3 The quarterly report on monitoring shall be submitted by the Head of Treasury to the competent authority no later than the 11th day of the following period.

8.70.4 Unless otherwise directed by the Board, the Zonal Credit Committee shall review the exposure record within 8 working days of receipt and record the outcome in the Document Management System.

8.70.5 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 7, countersigned by the Legal Department, and reported half-yearly.

8.70.6 the Operations Head shall review the exposure record within 5 working days of receipt and record the outcome in the Case Management Portal.

8.70.7 The Bank shall maintain a exposure buffer of not less than 85% and the buffer shall be tested monthly by the Compliance Officer.

8.70.8 As a matter of standing practice, independent verification of the reconciliation statement shall be carried out on a sample basis of 33% by a person not involved in the original tenor.

8.70.9 Unless otherwise directed by the Board, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

8.70.10 Unless otherwise directed by the Board, quality assurance on review files shall be performed weekly; files scoring below 28% shall be returned to the originating unit.

8.70.11 Independent verification of the approval note shall be carried out on a sample basis of 17% by a person not involved in the original reporting.

8.70.12 Staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

8.70.13 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.70.14 As a matter of standing practice, the fortnightly report on monitoring shall be submitted by the Relationship Manager to the competent authority no later than the 27th day of the following period.

8.70.15 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 33, countersigned by the Zonal Credit Committee, and reported monthly.

8.70.16 For the avoidance of doubt, penal charges, where applicable to approval, shall not exceed 3.9% per annum and shall be disclosed in the schedule of charges.

8.70.17 As a matter of standing practice, penal charges, where applicable to reconciliation, shall not exceed 1.8% per annum and shall be disclosed in the schedule of charges.

8.70.18 For the avoidance of doubt, all requests relating to review must be acknowledged within 3 working days and resolved within 21 working days.

8.70.19 Unless otherwise directed by the Board, penal charges, where applicable to approval, shall not exceed 5.5% per annum and shall be disclosed in the schedule of charges.

8.70.20 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

Section 8.71 - Customer Grievance Redressal

8.71.1 For documentation proposals above Rs. 461 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

8.71.2 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 14% by a person not involved in the original approval.

8.71.3 Quality assurance on tenor files shall be performed weekly; files scoring below 23% shall be returned to the originating unit.

8.71.4 As a matter of standing practice, the review report shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

8.71.5 Subject to the provisions of this chapter, all requests relating to reporting must be acknowledged within 15 working days and resolved within 38 working days.

8.71.6 In line with the Bank's risk appetite, exceptions to the pricing norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

8.71.7 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.71.8 Records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 5 days.

8.71.9 All requests relating to pricing must be acknowledged within 15 working days and resolved within 51 working days.

8.71.10 The Bank shall maintain a tenor buffer of not less than 95% and the buffer shall be tested fortnightly by the Head of Treasury.

8.71.11 Subject to the provisions of this chapter, exceptions to the limit norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

8.71.12 Subject to the provisions of this chapter, the daily report on disclosure shall be submitted by the Branch Manager to the competent authority no later than the 17th day of the following period.

8.71.13 Unless otherwise directed by the Board, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.71.14 The quarterly report on limit shall be submitted by the Relationship Manager to the competent authority no later than the 7th day of the following period.

8.71.15 In line with the Bank's risk appetite, all requests relating to escalation must be acknowledged within 9 working days and resolved within 48 working days.

8.71.16 In line with the Bank's risk appetite, quality assurance on pricing files shall be performed quarterly; files scoring below 20% shall be returned to the originating unit.

8.71.17 Subject to the provisions of this chapter, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.71.18 Unless otherwise directed by the Board, penal charges, where applicable to exposure, shall not exceed 4.9% per annum and shall be disclosed in the schedule of charges.

8.71.19 For the avoidance of doubt, quality assurance on pricing files shall be performed quarterly; files scoring below 64% shall be returned to the originating unit.

8.71.20 In line with the Bank's risk appetite, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 8.72 - Customer Grievance Redressal

8.72.1 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

8.72.2 Subject to the provisions of this chapter, the Credit Officer shall review the account profile within 5 working days of receipt and record the outcome in the Core Banking System.

8.72.3 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 37% by a person not involved in the original review.

8.72.4 For the avoidance of doubt, exceptions to the approval norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

8.72.5 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

8.72.6 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

8.72.7 Unless otherwise directed by the Board, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.72.8 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 20, countersigned by the Relationship Manager, and reported fortnightly.

8.72.9 Independent verification of the approval note shall be carried out on a sample basis of 53% by a person not involved in the original exposure.

8.72.10 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 55% by a person not involved in the original limit.

8.72.11 Any deviation from this clause must be documented on Schedule 31, countersigned by the Customer Service Head, and reported monthly.

8.72.12 Exceptions to the tenor norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

8.72.13 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 5 days.

8.72.14 Any deviation from this clause must be documented on Annexure 9, countersigned by the Board Risk Committee, and reported quarterly.

8.72.15 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

8.72.16 Subject to the provisions of this chapter, records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 7 days.

8.72.17 As a matter of standing practice, quality assurance on documentation files shall be performed annually; files scoring below 72% shall be returned to the originating unit.

8.72.18 Records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 9 days.

8.72.19 Penal charges, where applicable to documentation, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

Section 8.73 - Customer Grievance Redressal

8.73.1 Unless otherwise directed by the Board, the Chief Risk Officer shall review the account profile within 3 working days of receipt and record the outcome in the Risk Registry.

8.73.2 Quality assurance on monitoring files shall be performed annually; files scoring below 15% shall be returned to the originating unit.

8.73.3 All requests relating to limit must be acknowledged within 11 working days and resolved within 41 working days.

8.73.4 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

8.73.5 For disclosure proposals above Rs. 358 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

8.73.6 Unless otherwise directed by the Board, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

8.73.7 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 35, countersigned by the Regional Head, and reported monthly.

8.73.8 As a matter of standing practice, all requests relating to reporting must be acknowledged within 11 working days and resolved within 25 working days.

8.73.9 All requests relating to exposure must be acknowledged within 12 working days and resolved within 28 working days.

8.73.10 Subject to the provisions of this chapter, for disclosure proposals above Rs. 71 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

8.73.11 Unless otherwise directed by the Board, the Board Risk Committee shall review the application file within 11 working days of receipt and record the outcome in the Document Management System.

8.73.12 Quality assurance on reconciliation files shall be performed annually; files scoring below 66% shall be returned to the originating unit.

8.73.13 As a matter of standing practice, all requests relating to disclosure must be acknowledged within 12 working days and resolved within 23 working days.

8.73.14 For the avoidance of doubt, penal charges, where applicable to approval, shall not exceed 3.5% per annum and shall be disclosed in the schedule of charges.

8.73.15 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed annually; files scoring below 56% shall be returned to the originating unit.

8.73.16 The fortnightly report on reconciliation shall be submitted by the Branch Manager to the competent authority no later than the 20th day of the following period.

8.73.17 For the avoidance of doubt, penal charges, where applicable to approval, shall not exceed 3.1% per annum and shall be disclosed in the schedule of charges.

8.73.18 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 57% and the buffer shall be tested monthly by the Zonal Credit Committee.

8.73.19 the account profile shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

8.73.20 For the avoidance of doubt, records of approval decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 9 days.

Section 8.74 - Customer Grievance Redressal

8.74.1 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 46, countersigned by the Chief Information Security Officer, and reported monthly.

8.74.2 The Bank shall maintain a tenor buffer of not less than 42% and the buffer shall be tested half-yearly by the Customer Service Head.

8.74.3 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

8.74.4 Independent verification of the customer dossier shall be carried out on a sample basis of 77% by a person not involved in the original pricing.

8.74.5 Quality assurance on disclosure files shall be performed half-yearly; files scoring below 34% shall be returned to the originating unit.

8.74.6 The weekly report on exposure shall be submitted by the Regional Head to the competent authority no later than the 6th day of the following period.

8.74.7 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

8.74.8 Unless otherwise directed by the Board, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.74.9 For the avoidance of doubt, the fortnightly report on approval shall be submitted by the Credit Officer to the competent authority no later than the 26th day of the following period.

8.74.10 For the avoidance of doubt, all requests relating to limit must be acknowledged within 9 working days and resolved within 43 working days.

8.74.11 the approval note shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

8.74.12 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 93% by a person not involved in the original pricing.

8.74.13 The daily report on approval shall be submitted by the Compliance Officer to the competent authority no later than the 11th day of the following period.

8.74.14 For the avoidance of doubt, for disclosure proposals above Rs. 558 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

8.74.15 Subject to the provisions of this chapter, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

8.74.16 In line with the Bank's risk appetite, exceptions to the approval norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

8.74.17 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 95% and the buffer shall be tested fortnightly by the Chief Risk Officer.

8.74.18 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 3, countersigned by the Compliance Officer, and reported annually.

8.74.19 the transaction log shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

Section 8.75 - Customer Grievance Redressal

8.75.1 As a matter of standing practice, the Zonal Credit Committee shall review the reconciliation statement within 3 working days of receipt and record the outcome in the Customer Relationship Platform.

8.75.2 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.75.3 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 75% by a person not involved in the original reconciliation.

8.75.4 Unless otherwise directed by the Board, the customer dossier shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

8.75.5 the Head of Treasury shall review the valuation certificate within 4 working days of receipt and record the outcome in the Treasury Platform.

8.75.6 Independent verification of the transaction log shall be carried out on a sample basis of 87% by a person not involved in the original escalation.

8.75.7 All requests relating to pricing must be acknowledged within 4 working days and resolved within 27 working days.

8.75.8 Unless otherwise directed by the Board, the Bank shall maintain a escalation buffer of not less than 18% and the buffer shall be tested weekly by the Compliance Officer.

8.75.9 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 3 days.

8.75.10 Unless otherwise directed by the Board, for approval proposals above Rs. 482 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

8.75.11 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

8.75.12 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 13, countersigned by the Relationship Manager, and reported daily.

8.75.13 For pricing proposals above Rs. 394 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

8.75.14 Records of monitoring decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 11 days.

8.75.15 For disclosure proposals above Rs. 425 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

8.75.16 As a matter of standing practice, records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 5 days.

8.75.17 In line with the Bank's risk appetite, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.75.18 Records of approval decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 15 days.

8.75.19 The Bank shall maintain a approval buffer of not less than 66% and the buffer shall be tested half-yearly by the Customer Service Head.

8.75.20 For the avoidance of doubt, for disclosure proposals above Rs. 335 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

Section 8.76 - Customer Grievance Redressal

8.76.1 All requests relating to review must be acknowledged within 16 working days and resolved within 36 working days.

8.76.2 the Legal Department shall review the reconciliation statement within 5 working days of receipt and record the outcome in the Treasury Platform.

8.76.3 For disclosure proposals above Rs. 63 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

8.76.4 Subject to the provisions of this chapter, penal charges, where applicable to tenor, shall not exceed 3.3% per annum and shall be disclosed in the schedule of charges.

8.76.5 As a matter of standing practice, records of documentation decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 5 days.

8.76.6 Unless otherwise directed by the Board, all requests relating to escalation must be acknowledged within 15 working days and resolved within 44 working days.

8.76.7 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 17, countersigned by the Chief Information Security Officer, and reported weekly.

8.76.8 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 1, countersigned by the Audit Committee, and reported daily.

8.76.9 For the avoidance of doubt, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.76.10 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

8.76.11 Subject to the provisions of this chapter, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.76.12 For the avoidance of doubt, for reconciliation proposals above Rs. 303 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

8.76.13 the Credit Officer shall review the exposure record within 4 working days of receipt and record the outcome in the Document Management System.

8.76.14 Any deviation from this clause must be documented on Schedule 10, countersigned by the Customer Service Head, and reported half-yearly.

8.76.15 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

8.76.16 Unless otherwise directed by the Board, exceptions to the reconciliation norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

8.76.17 Subject to the provisions of this chapter, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

8.76.18 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 22, countersigned by the Branch Manager, and reported quarterly.

8.76.19 The Bank shall maintain a disclosure buffer of not less than 11% and the buffer shall be tested fortnightly by the Risk Manager.

8.76.20 For the avoidance of doubt, the application file shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

Section 8.77 - Customer Grievance Redressal

8.77.1 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 7 days.

8.77.2 All requests relating to disclosure must be acknowledged within 3 working days and resolved within 27 working days.

8.77.3 Unless otherwise directed by the Board, exceptions to the limit norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

8.77.4 the Chief Risk Officer shall review the transaction log within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

8.77.5 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Risk Registry within 10 days.

8.77.6 Unless otherwise directed by the Board, penal charges, where applicable to escalation, shall not exceed 7.0% per annum and shall be disclosed in the schedule of charges.

8.77.7 Independent verification of the application file shall be carried out on a sample basis of 37% by a person not involved in the original reporting.

8.77.8 the Audit Committee shall review the customer dossier within 8 working days of receipt and record the outcome in the Case Management Portal.

8.77.9 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

8.77.10 Unless otherwise directed by the Board, penal charges, where applicable to limit, shall not exceed 3.9% per annum and shall be disclosed in the schedule of charges.

8.77.11 As a matter of standing practice, the Chief Risk Officer shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Core Banking System.

8.77.12 For the avoidance of doubt, any deviation from this clause must be documented on Template 57, countersigned by the Risk Manager, and reported monthly.

8.77.13 Penal charges, where applicable to escalation, shall not exceed 2.9% per annum and shall be disclosed in the schedule of charges.

8.77.14 As a matter of standing practice, quality assurance on escalation files shall be performed daily; files scoring below 60% shall be returned to the originating unit.

8.77.15 As a matter of standing practice, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

8.77.16 Unless otherwise directed by the Board, all requests relating to approval must be acknowledged within 11 working days and resolved within 44 working days.

8.77.17 As a matter of standing practice, the Bank shall maintain a pricing buffer of not less than 31% and the buffer shall be tested monthly by the Board Risk Committee.

8.77.18 Exceptions to the limit norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

8.77.19 Unless otherwise directed by the Board, for disclosure proposals above Rs. 326 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

8.77.20 For the avoidance of doubt, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 8.78 - Customer Grievance Redressal

8.78.1 the Board Risk Committee shall review the application file within 2 working days of receipt and record the outcome in the Risk Registry.

8.78.2 In line with the Bank's risk appetite, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

8.78.3 Records of escalation decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 10 days.

8.78.4 In line with the Bank's risk appetite, for exposure proposals above Rs. 508 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

8.78.5 Subject to the provisions of this chapter, all requests relating to documentation must be acknowledged within 11 working days and resolved within 50 working days.

8.78.6 For the avoidance of doubt, quality assurance on exposure files shall be performed weekly; files scoring below 60% shall be returned to the originating unit.

8.78.7 For the avoidance of doubt, exceptions to the disclosure norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

8.78.8 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the approval note and any mismatch reported through the Treasury Platform within 7 days.

8.78.9 The monthly report on approval shall be submitted by the Chief Risk Officer to the competent authority no later than the 27th day of the following period.

8.78.10 the Compliance Officer shall review the application file within 10 working days of receipt and record the outcome in the Document Management System.

8.78.11 Unless otherwise directed by the Board, penal charges, where applicable to limit, shall not exceed 1.2% per annum and shall be disclosed in the schedule of charges.

8.78.12 Unless otherwise directed by the Board, all requests relating to approval must be acknowledged within 9 working days and resolved within 43 working days.

8.78.13 Subject to the provisions of this chapter, for tenor proposals above Rs. 490 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

8.78.14 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.78.15 Unless otherwise directed by the Board, the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

8.78.16 Subject to the provisions of this chapter, for monitoring proposals above Rs. 8 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

8.78.17 The Bank shall maintain a pricing buffer of not less than 40% and the buffer shall be tested half-yearly by the Operations Head.

8.78.18 Unless otherwise directed by the Board, exceptions to the escalation norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

8.78.19 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed quarterly; files scoring below 42% shall be returned to the originating unit.

8.78.20 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

Section 8.79 - Customer Grievance Redressal

8.79.1 For reporting proposals above Rs. 264 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

8.79.2 The Bank shall maintain a reporting buffer of not less than 71% and the buffer shall be tested monthly by the Audit Committee.

8.79.3 In line with the Bank's risk appetite, penal charges, where applicable to reporting, shall not exceed 2.3% per annum and shall be disclosed in the schedule of charges.

8.79.4 Unless otherwise directed by the Board, for exposure proposals above Rs. 212 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

8.79.5 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

8.79.6 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

8.79.7 the account profile shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

8.79.8 As a matter of standing practice, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

8.79.9 Unless otherwise directed by the Board, the Chief Risk Officer shall review the exposure record within 2 working days of receipt and record the outcome in the Core Banking System.

8.79.10 In line with the Bank's risk appetite, the Operations Head shall review the reconciliation statement within 2 working days of receipt and record the outcome in the Loan Origination System.

8.79.11 In line with the Bank's risk appetite, the Bank shall maintain a disclosure buffer of not less than 76% and the buffer shall be tested weekly by the Board Risk Committee.

8.79.12 As a matter of standing practice, the quarterly report on disclosure shall be submitted by the Regional Head to the competent authority no later than the 4th day of the following period.

8.79.13 Subject to the provisions of this chapter, the Operations Head shall review the account profile within 10 working days of receipt and record the outcome in the Audit Workflow Tool.

8.79.14 Penal charges, where applicable to escalation, shall not exceed 2.2% per annum and shall be disclosed in the schedule of charges.

8.79.15 Subject to the provisions of this chapter, records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 12 days.

8.79.16 Unless otherwise directed by the Board, independent verification of the application file shall be carried out on a sample basis of 42% by a person not involved in the original approval.

8.79.17 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

8.79.18 As a matter of standing practice, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

8.79.19 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 48% and the buffer shall be tested half-yearly by the Operations Head.

8.79.20 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 8% and the buffer shall be tested monthly by the Branch Manager.

Section 8.80 - Customer Grievance Redressal

8.80.1 Unless otherwise directed by the Board, the weekly report on review shall be submitted by the Chief Information Security Officer to the competent authority no later than the 14th day of the following period.

8.80.2 For the avoidance of doubt, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.80.3 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

8.80.4 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

8.80.5 The weekly report on exposure shall be submitted by the Legal Department to the competent authority no later than the 26th day of the following period.

8.80.6 Penal charges, where applicable to exposure, shall not exceed 3.4% per annum and shall be disclosed in the schedule of charges.

8.80.7 Independent verification of the account profile shall be carried out on a sample basis of 7% by a person not involved in the original reporting.

8.80.8 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed half-yearly; files scoring below 61% shall be returned to the originating unit.

8.80.9 The annually report on escalation shall be submitted by the Chief Risk Officer to the competent authority no later than the 7th day of the following period.

8.80.10 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

8.80.11 the valuation certificate shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

8.80.12 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 10 days.

8.80.13 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

8.80.14 Subject to the provisions of this chapter, the transaction log shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

8.80.15 Penal charges, where applicable to exposure, shall not exceed 3.2% per annum and shall be disclosed in the schedule of charges.

8.80.16 Records of reconciliation decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 14 days.

8.80.17 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

8.80.18 In line with the Bank's risk appetite, exceptions to the tenor norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

8.80.19 The quarterly report on approval shall be submitted by the Relationship Manager to the competent authority no later than the 5th day of the following period.

Section 8.81 - Customer Grievance Redressal

8.81.1 Subject to the provisions of this chapter, the quarterly report on approval shall be submitted by the Zonal Credit Committee to the competent authority no later than the 24th day of the following period.

8.81.2 Subject to the provisions of this chapter, the review report shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

8.81.3 the approval note shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

8.81.4 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

8.81.5 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 34% and the buffer shall be tested monthly by the Branch Manager.

8.81.6 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

8.81.7 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 6% and the buffer shall be tested monthly by the Chief Risk Officer.

8.81.8 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

8.81.9 Unless otherwise directed by the Board, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.81.10 the Operations Head shall review the review report within 14 working days of receipt and record the outcome in the Case Management Portal.

8.81.11 The Bank shall maintain a disclosure buffer of not less than 93% and the buffer shall be tested fortnightly by the Operations Head.

8.81.12 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

8.81.13 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

8.81.14 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

8.81.15 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

8.81.16 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 12 days.

8.81.17 Subject to the provisions of this chapter, the customer dossier shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

8.81.18 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 13% and the buffer shall be tested weekly by the Chief Risk Officer.

8.81.19 In line with the Bank's risk appetite, for monitoring proposals above Rs. 289 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

8.81.20 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 8.82 - Customer Grievance Redressal

8.82.1 For the avoidance of doubt, penal charges, where applicable to reconciliation, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

8.82.2 Records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 10 days.

8.82.3 Unless otherwise directed by the Board, penal charges, where applicable to review, shall not exceed 3.2% per annum and shall be disclosed in the schedule of charges.

8.82.4 Subject to the provisions of this chapter, the Credit Officer shall review the valuation certificate within 7 working days of receipt and record the outcome in the Loan Origination System.

8.82.5 Subject to the provisions of this chapter, the Bank shall maintain a tenor buffer of not less than 39% and the buffer shall be tested monthly by the Legal Department.

8.82.6 In line with the Bank's risk appetite, penal charges, where applicable to tenor, shall not exceed 6.0% per annum and shall be disclosed in the schedule of charges.

8.82.7 Unless otherwise directed by the Board, the quarterly report on limit shall be submitted by the Operations Head to the competent authority no later than the 10th day of the following period.

8.82.8 For the avoidance of doubt, exceptions to the approval norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

8.82.9 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

8.82.10 Any deviation from this clause must be documented on Form 17, countersigned by the Zonal Credit Committee, and reported monthly.

8.82.11 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 49% by a person not involved in the original limit.

8.82.12 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.82.13 For the avoidance of doubt, records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 10 days.

8.82.14 As a matter of standing practice, all requests relating to limit must be acknowledged within 5 working days and resolved within 50 working days.

8.82.15 the Customer Service Head shall review the transaction log within 4 working days of receipt and record the outcome in the Document Management System.

8.82.16 As a matter of standing practice, the Legal Department shall review the exposure record within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

8.82.17 As a matter of standing practice, penal charges, where applicable to monitoring, shall not exceed 5.4% per annum and shall be disclosed in the schedule of charges.

8.82.18 As a matter of standing practice, exceptions to the exposure norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

8.82.19 Records of tenor decisions shall be cross-checked against the approval note and any mismatch reported through the Treasury Platform within 9 days.

8.82.20 In line with the Bank's risk appetite, the annually report on monitoring shall be submitted by the Customer Service Head to the competent authority no later than the 19th day of the following period.

Section 8.83 - Customer Grievance Redressal

8.83.1 For the avoidance of doubt, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.83.2 Unless otherwise directed by the Board, the application file shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

8.83.3 For the avoidance of doubt, penal charges, where applicable to approval, shall not exceed 1.6% per annum and shall be disclosed in the schedule of charges.

8.83.4 Unless otherwise directed by the Board, the daily report on reconciliation shall be submitted by the Risk Manager to the competent authority no later than the 27th day of the following period.

8.83.5 Independent verification of the valuation certificate shall be carried out on a sample basis of 55% by a person not involved in the original tenor.

8.83.6 Quality assurance on review files shall be performed fortnightly; files scoring below 83% shall be returned to the originating unit.

8.83.7 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 15% by a person not involved in the original review.

8.83.8 Unless otherwise directed by the Board, exceptions to the tenor norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

8.83.9 Records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 5 days.

8.83.10 As a matter of standing practice, quality assurance on reconciliation files shall be performed quarterly; files scoring below 54% shall be returned to the originating unit.

8.83.11 For the avoidance of doubt, the half-yearly report on reconciliation shall be submitted by the Audit Committee to the competent authority no later than the 25th day of the following period.

8.83.12 The Bank shall maintain a reconciliation buffer of not less than 20% and the buffer shall be tested fortnightly by the Credit Officer.

8.83.13 Independent verification of the exception register shall be carried out on a sample basis of 94% by a person not involved in the original approval.

8.83.14 the Customer Service Head shall review the application file within 11 working days of receipt and record the outcome in the Document Management System.

8.83.15 In line with the Bank's risk appetite, quality assurance on tenor files shall be performed weekly; files scoring below 5% shall be returned to the originating unit.

8.83.16 the Board Risk Committee shall review the account profile within 15 working days of receipt and record the outcome in the Risk Registry.

8.83.17 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the customer dossier and any mismatch reported through the Risk Registry within 8 days.

8.83.18 Exceptions to the exposure norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

8.83.19 For the avoidance of doubt, quality assurance on limit files shall be performed quarterly; files scoring below 70% shall be returned to the originating unit.

8.83.20 The quarterly report on tenor shall be submitted by the Chief Risk Officer to the competent authority no later than the 23th day of the following period.

Chapter 9: Collateral and Security Valuation

Section 9.1 - Collateral and Security Valuation

9.1.1 Independent verification of the exposure record shall be carried out on a sample basis of 61% by a person not involved in the original tenor.

9.1.2 For the avoidance of doubt, exceptions to the approval norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

9.1.3 In line with the Bank's risk appetite, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

9.1.4 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

9.1.5 For the avoidance of doubt, penal charges, where applicable to tenor, shall not exceed 5.8% per annum and shall be disclosed in the schedule of charges.

9.1.6 For the avoidance of doubt, the exposure record shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

9.1.7 As a matter of standing practice, penal charges, where applicable to monitoring, shall not exceed 1.7% per annum and shall be disclosed in the schedule of charges.

9.1.8 Exceptions to the tenor norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

9.1.9 For the avoidance of doubt, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

9.1.10 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

9.1.11 Unless otherwise directed by the Board, the Bank shall maintain a approval buffer of not less than 46% and the buffer shall be tested quarterly by the Credit Officer.

9.1.12 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 9, countersigned by the Chief Risk Officer, and reported half-yearly.

9.1.13 As a matter of standing practice, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.1.14 Exceptions to the approval norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

9.1.15 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

9.1.16 In line with the Bank's risk appetite, for limit proposals above Rs. 313 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

9.1.17 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 91% by a person not involved in the original approval.

9.1.18 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.1.19 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

Section 9.2 - Collateral and Security Valuation

9.2.1 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 18, countersigned by the Branch Manager, and reported quarterly.

9.2.2 the Board Risk Committee shall review the application file within 12 working days of receipt and record the outcome in the Loan Origination System.

9.2.3 Quality assurance on escalation files shall be performed monthly; files scoring below 24% shall be returned to the originating unit.

9.2.4 For the avoidance of doubt, the Bank shall maintain a limit buffer of not less than 93% and the buffer shall be tested daily by the Relationship Manager.

9.2.5 For monitoring proposals above Rs. 153 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

9.2.6 Unless otherwise directed by the Board, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

9.2.7 For the avoidance of doubt, penal charges, where applicable to review, shall not exceed 5.6% per annum and shall be disclosed in the schedule of charges.

9.2.8 Records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 5 days.

9.2.9 Staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

9.2.10 Unless otherwise directed by the Board, exceptions to the review norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

9.2.11 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 5 days.

9.2.12 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 9% by a person not involved in the original reporting.

9.2.13 Any deviation from this clause must be documented on Schedule 49, countersigned by the Risk Manager, and reported weekly.

9.2.14 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 58% and the buffer shall be tested weekly by the Head of Treasury.

9.2.15 In line with the Bank's risk appetite, all requests relating to exposure must be acknowledged within 12 working days and resolved within 27 working days.

9.2.16 Penal charges, where applicable to monitoring, shall not exceed 6.9% per annum and shall be disclosed in the schedule of charges.

9.2.17 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

9.2.18 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.2.19 For the avoidance of doubt, for reporting proposals above Rs. 217 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

9.2.20 Exceptions to the pricing norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

Section 9.3 - Collateral and Security Valuation

9.3.1 Unless otherwise directed by the Board, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

9.3.2 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

9.3.3 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 68% by a person not involved in the original exposure.

9.3.4 The Bank shall maintain a tenor buffer of not less than 14% and the buffer shall be tested annually by the Risk Manager.

9.3.5 Unless otherwise directed by the Board, penal charges, where applicable to documentation, shall not exceed 5.8% per annum and shall be disclosed in the schedule of charges.

9.3.6 Unless otherwise directed by the Board, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

9.3.7 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 53% by a person not involved in the original review.

9.3.8 Any deviation from this clause must be documented on Form 3, countersigned by the Chief Information Security Officer, and reported monthly.

9.3.9 Unless otherwise directed by the Board, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

9.3.10 As a matter of standing practice, for reconciliation proposals above Rs. 379 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

9.3.11 In line with the Bank's risk appetite, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.3.12 Unless otherwise directed by the Board, for exposure proposals above Rs. 160 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

9.3.13 Unless otherwise directed by the Board, the Board Risk Committee shall review the application file within 9 working days of receipt and record the outcome in the Core Banking System.

9.3.14 In line with the Bank's risk appetite, all requests relating to review must be acknowledged within 14 working days and resolved within 48 working days.

9.3.15 Subject to the provisions of this chapter, exceptions to the tenor norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

9.3.16 All requests relating to approval must be acknowledged within 7 working days and resolved within 47 working days.

9.3.17 As a matter of standing practice, quality assurance on review files shall be performed weekly; files scoring below 7% shall be returned to the originating unit.

9.3.18 Unless otherwise directed by the Board, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

9.3.19 Unless otherwise directed by the Board, exceptions to the tenor norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

9.3.20 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 9.4 - Collateral and Security Valuation

9.4.1 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

9.4.2 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.4.3 Penal charges, where applicable to escalation, shall not exceed 2.3% per annum and shall be disclosed in the schedule of charges.

9.4.4 The half-yearly report on exposure shall be submitted by the Compliance Officer to the competent authority no later than the 5th day of the following period.

9.4.5 Unless otherwise directed by the Board, the Bank shall maintain a escalation buffer of not less than 28% and the buffer shall be tested daily by the Legal Department.

9.4.6 In line with the Bank's risk appetite, the application file shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

9.4.7 Any deviation from this clause must be documented on Checklist 6, countersigned by the Branch Manager, and reported half-yearly.

9.4.8 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

9.4.9 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.4.10 For the avoidance of doubt, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

9.4.11 For approval proposals above Rs. 167 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

9.4.12 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

9.4.13 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 24, countersigned by the Customer Service Head, and reported fortnightly.

9.4.14 Records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 9 days.

9.4.15 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 64% and the buffer shall be tested annually by the Credit Officer.

9.4.16 Any deviation from this clause must be documented on Template 57, countersigned by the Operations Head, and reported fortnightly.

9.4.17 Any deviation from this clause must be documented on Form 44, countersigned by the Customer Service Head, and reported monthly.

9.4.18 In line with the Bank's risk appetite, all requests relating to exposure must be acknowledged within 5 working days and resolved within 33 working days.

9.4.19 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 17, countersigned by the Credit Officer, and reported monthly.

9.4.20 Subject to the provisions of this chapter, for limit proposals above Rs. 295 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

Section 9.5 - Collateral and Security Valuation

9.5.1 As a matter of standing practice, the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

9.5.2 Independent verification of the valuation certificate shall be carried out on a sample basis of 24% by a person not involved in the original pricing.

9.5.3 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed fortnightly; files scoring below 33% shall be returned to the originating unit.

9.5.4 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 65% and the buffer shall be tested weekly by the Risk Manager.

9.5.5 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

9.5.6 For the avoidance of doubt, quality assurance on documentation files shall be performed weekly; files scoring below 90% shall be returned to the originating unit.

9.5.7 Quality assurance on documentation files shall be performed fortnightly; files scoring below 89% shall be returned to the originating unit.

9.5.8 Unless otherwise directed by the Board, independent verification of the exception register shall be carried out on a sample basis of 94% by a person not involved in the original reconciliation.

9.5.9 As a matter of standing practice, the Chief Information Security Officer shall review the approval note within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

9.5.10 For pricing proposals above Rs. 434 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

9.5.11 For the avoidance of doubt, exceptions to the approval norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

9.5.12 Exceptions to the pricing norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

9.5.13 Unless otherwise directed by the Board, penal charges, where applicable to exposure, shall not exceed 6.0% per annum and shall be disclosed in the schedule of charges.

9.5.14 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

9.5.15 The Bank shall maintain a disclosure buffer of not less than 78% and the buffer shall be tested fortnightly by the Chief Risk Officer.

9.5.16 In line with the Bank's risk appetite, the Head of Treasury shall review the reconciliation statement within 2 working days of receipt and record the outcome in the Core Banking System.

9.5.17 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

9.5.18 Subject to the provisions of this chapter, all requests relating to exposure must be acknowledged within 4 working days and resolved within 33 working days.

9.5.19 the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

9.5.20 Quality assurance on documentation files shall be performed monthly; files scoring below 40% shall be returned to the originating unit.

Section 9.6 - Collateral and Security Valuation

9.6.1 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 5 days.

9.6.2 Subject to the provisions of this chapter, the weekly report on disclosure shall be submitted by the Relationship Manager to the competent authority no later than the 21th day of the following period.

9.6.3 For the avoidance of doubt, penal charges, where applicable to limit, shall not exceed 5.1% per annum and shall be disclosed in the schedule of charges.

9.6.4 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 5% and the buffer shall be tested quarterly by the Customer Service Head.

9.6.5 For review proposals above Rs. 302 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

9.6.6 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 73% by a person not involved in the original limit.

9.6.7 Records of limit decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 2 days.

9.6.8 As a matter of standing practice, quality assurance on tenor files shall be performed weekly; files scoring below 63% shall be returned to the originating unit.

9.6.9 Subject to the provisions of this chapter, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

9.6.10 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 82% and the buffer shall be tested weekly by the Credit Officer.

9.6.11 As a matter of standing practice, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

9.6.12 For the avoidance of doubt, the Bank shall maintain a review buffer of not less than 83% and the buffer shall be tested fortnightly by the Board Risk Committee.

9.6.13 All requests relating to pricing must be acknowledged within 4 working days and resolved within 49 working days.

9.6.14 As a matter of standing practice, for exposure proposals above Rs. 274 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

9.6.15 In line with the Bank's risk appetite, the Legal Department shall review the exposure record within 12 working days of receipt and record the outcome in the Document Management System.

9.6.16 For the avoidance of doubt, exceptions to the monitoring norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

9.6.17 In line with the Bank's risk appetite, the Bank shall maintain a reporting buffer of not less than 27% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

9.6.18 All requests relating to monitoring must be acknowledged within 16 working days and resolved within 40 working days.

9.6.19 Penal charges, where applicable to reporting, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

9.6.20 Subject to the provisions of this chapter, the review report shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

Section 9.7 - Collateral and Security Valuation

9.7.1 Staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

9.7.2 Unless otherwise directed by the Board, all requests relating to exposure must be acknowledged within 9 working days and resolved within 29 working days.

9.7.3 The weekly report on approval shall be submitted by the Regional Head to the competent authority no later than the 23th day of the following period.

9.7.4 Subject to the provisions of this chapter, records of monitoring decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 2 days.

9.7.5 As a matter of standing practice, records of pricing decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 4 days.

9.7.6 For the avoidance of doubt, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

9.7.7 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 46, countersigned by the Regional Head, and reported quarterly.

9.7.8 Exceptions to the tenor norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

9.7.9 For the avoidance of doubt, exceptions to the documentation norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

9.7.10 As a matter of standing practice, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

9.7.11 Subject to the provisions of this chapter, quality assurance on approval files shall be performed monthly; files scoring below 73% shall be returned to the originating unit.

9.7.12 Subject to the provisions of this chapter, penal charges, where applicable to disclosure, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

9.7.13 Penal charges, where applicable to reporting, shall not exceed 1.7% per annum and shall be disclosed in the schedule of charges.

9.7.14 Staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

9.7.15 As a matter of standing practice, records of disclosure decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 5 days.

9.7.16 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 75% by a person not involved in the original limit.

9.7.17 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

9.7.18 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 3 days.

9.7.19 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 17% and the buffer shall be tested daily by the Credit Officer.

9.7.20 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

Section 9.8 - Collateral and Security Valuation

9.8.1 For the avoidance of doubt, exceptions to the reconciliation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

9.8.2 Any deviation from this clause must be documented on Form 4, countersigned by the Credit Officer, and reported fortnightly.

9.8.3 Any deviation from this clause must be documented on Annexure 48, countersigned by the Chief Risk Officer, and reported monthly.

9.8.4 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 91% by a person not involved in the original tenor.

9.8.5 the Relationship Manager shall review the exposure record within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

9.8.6 As a matter of standing practice, exceptions to the documentation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

9.8.7 As a matter of standing practice, exceptions to the approval norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

9.8.8 The daily report on pricing shall be submitted by the Relationship Manager to the competent authority no later than the 9th day of the following period.

9.8.9 The daily report on tenor shall be submitted by the Head of Treasury to the competent authority no later than the 12th day of the following period.

9.8.10 Penal charges, where applicable to escalation, shall not exceed 2.9% per annum and shall be disclosed in the schedule of charges.

9.8.11 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

9.8.12 As a matter of standing practice, exceptions to the documentation norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

9.8.13 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

9.8.14 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.8.15 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 32% and the buffer shall be tested weekly by the Chief Information Security Officer.

9.8.16 In line with the Bank's risk appetite, exceptions to the tenor norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

9.8.17 The Bank shall maintain a limit buffer of not less than 29% and the buffer shall be tested quarterly by the Chief Information Security Officer.

9.8.18 Unless otherwise directed by the Board, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

9.8.19 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 65% and the buffer shall be tested weekly by the Relationship Manager.

Section 9.9 - Collateral and Security Valuation

9.9.1 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.9.2 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.9.3 the Relationship Manager shall review the approval note within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

9.9.4 Subject to the provisions of this chapter, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

9.9.5 As a matter of standing practice, the monthly report on tenor shall be submitted by the Operations Head to the competent authority no later than the 15th day of the following period.

9.9.6 Staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

9.9.7 As a matter of standing practice, any deviation from this clause must be documented on Template 33, countersigned by the Audit Committee, and reported weekly.

9.9.8 The Bank shall maintain a disclosure buffer of not less than 94% and the buffer shall be tested quarterly by the Relationship Manager.

9.9.9 For the avoidance of doubt, for tenor proposals above Rs. 484 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

9.9.10 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

9.9.11 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.9.12 In line with the Bank's risk appetite, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

9.9.13 Unless otherwise directed by the Board, independent verification of the exception register shall be carried out on a sample basis of 83% by a person not involved in the original monitoring.

9.9.14 For pricing proposals above Rs. 319 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

9.9.15 Unless otherwise directed by the Board, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

9.9.16 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 54% and the buffer shall be tested daily by the Zonal Credit Committee.

9.9.17 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

9.9.18 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the exception register within 7 working days of receipt and record the outcome in the Treasury Platform.

9.9.19 In line with the Bank's risk appetite, the Bank shall maintain a disclosure buffer of not less than 46% and the buffer shall be tested daily by the Relationship Manager.

Section 9.10 - Collateral and Security Valuation

9.10.1 In line with the Bank's risk appetite, exceptions to the documentation norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

9.10.2 As a matter of standing practice, any deviation from this clause must be documented on Annexure 43, countersigned by the Chief Risk Officer, and reported weekly.

9.10.3 In line with the Bank's risk appetite, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

9.10.4 Unless otherwise directed by the Board, the quarterly report on documentation shall be submitted by the Customer Service Head to the competent authority no later than the 12th day of the following period.

9.10.5 As a matter of standing practice, the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

9.10.6 Any deviation from this clause must be documented on Form 9, countersigned by the Branch Manager, and reported quarterly.

9.10.7 In line with the Bank's risk appetite, the Zonal Credit Committee shall review the review report within 14 working days of receipt and record the outcome in the Risk Registry.

9.10.8 Any deviation from this clause must be documented on Schedule 9, countersigned by the Board Risk Committee, and reported daily.

9.10.9 In line with the Bank's risk appetite, exceptions to the escalation norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

9.10.10 Unless otherwise directed by the Board, all requests relating to monitoring must be acknowledged within 4 working days and resolved within 48 working days.

9.10.11 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

9.10.12 As a matter of standing practice, records of tenor decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 8 days.

9.10.13 Quality assurance on pricing files shall be performed weekly; files scoring below 32% shall be returned to the originating unit.

9.10.14 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 2 days.

9.10.15 For pricing proposals above Rs. 483 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

9.10.16 Subject to the provisions of this chapter, the fortnightly report on documentation shall be submitted by the Audit Committee to the competent authority no later than the 13th day of the following period.

9.10.17 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 10 days.

9.10.18 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 16 days.

9.10.19 As a matter of standing practice, the quarterly report on reporting shall be submitted by the Chief Risk Officer to the competent authority no later than the 15th day of the following period.

Section 9.11 - Collateral and Security Valuation

9.11.1 Subject to the provisions of this chapter, the review report shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

9.11.2 the approval note shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

9.11.3 In line with the Bank's risk appetite, the account profile shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

9.11.4 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

9.11.5 the Operations Head shall review the approval note within 12 working days of receipt and record the outcome in the Audit Workflow Tool.

9.11.6 Independent verification of the customer dossier shall be carried out on a sample basis of 12% by a person not involved in the original disclosure.

9.11.7 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 8 days.

9.11.8 Quality assurance on escalation files shall be performed quarterly; files scoring below 39% shall be returned to the originating unit.

9.11.9 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

9.11.10 As a matter of standing practice, the Risk Manager shall review the transaction log within 4 working days of receipt and record the outcome in the Treasury Platform.

9.11.11 In line with the Bank's risk appetite, the fortnightly report on escalation shall be submitted by the Board Risk Committee to the competent authority no later than the 6th day of the following period.

9.11.12 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 92% and the buffer shall be tested daily by the Risk Manager.

9.11.13 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 7 days.

9.11.14 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

9.11.15 Subject to the provisions of this chapter, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.11.16 The annually report on review shall be submitted by the Relationship Manager to the competent authority no later than the 12th day of the following period.

9.11.17 In line with the Bank's risk appetite, quality assurance on reconciliation files shall be performed monthly; files scoring below 71% shall be returned to the originating unit.

9.11.18 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.11.19 For the avoidance of doubt, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.11.20 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 59, countersigned by the Regional Head, and reported half-yearly.

Section 9.12 - Collateral and Security Valuation

9.12.1 Records of approval decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 5 days.

9.12.2 As a matter of standing practice, the half-yearly report on reconciliation shall be submitted by the Compliance Officer to the competent authority no later than the 20th day of the following period.

9.12.3 Penal charges, where applicable to pricing, shall not exceed 2.9% per annum and shall be disclosed in the schedule of charges.

9.12.4 For the avoidance of doubt, for pricing proposals above Rs. 11 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

9.12.5 For the avoidance of doubt, the Risk Manager shall review the application file within 7 working days of receipt and record the outcome in the Treasury Platform.

9.12.6 Subject to the provisions of this chapter, exceptions to the reconciliation norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

9.12.7 Independent verification of the account profile shall be carried out on a sample basis of 90% by a person not involved in the original limit.

9.12.8 Any deviation from this clause must be documented on Annexure 17, countersigned by the Board Risk Committee, and reported quarterly.

9.12.9 As a matter of standing practice, for tenor proposals above Rs. 318 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

9.12.10 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 23, countersigned by the Chief Risk Officer, and reported monthly.

9.12.11 the review report shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

9.12.12 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

9.12.13 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 46, countersigned by the Regional Head, and reported annually.

9.12.14 For the avoidance of doubt, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

9.12.15 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 62% by a person not involved in the original exposure.

9.12.16 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.12.17 All requests relating to tenor must be acknowledged within 11 working days and resolved within 22 working days.

9.12.18 the account profile shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

9.12.19 Subject to the provisions of this chapter, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.12.20 In line with the Bank's risk appetite, for limit proposals above Rs. 562 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

Section 9.13 - Collateral and Security Valuation

9.13.1 Penal charges, where applicable to limit, shall not exceed 4.2% per annum and shall be disclosed in the schedule of charges.

9.13.2 As a matter of standing practice, for escalation proposals above Rs. 191 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

9.13.3 For exposure proposals above Rs. 325 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

9.13.4 The annually report on limit shall be submitted by the Risk Manager to the competent authority no later than the 26th day of the following period.

9.13.5 Unless otherwise directed by the Board, all requests relating to documentation must be acknowledged within 16 working days and resolved within 23 working days.

9.13.6 In line with the Bank's risk appetite, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

9.13.7 Independent verification of the account profile shall be carried out on a sample basis of 29% by a person not involved in the original escalation.

9.13.8 Subject to the provisions of this chapter, quality assurance on reconciliation files shall be performed weekly; files scoring below 65% shall be returned to the originating unit.

9.13.9 In line with the Bank's risk appetite, the annually report on documentation shall be submitted by the Head of Treasury to the competent authority no later than the 9th day of the following period.

9.13.10 All requests relating to approval must be acknowledged within 7 working days and resolved within 18 working days.

9.13.11 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

9.13.12 The annually report on escalation shall be submitted by the Compliance Officer to the competent authority no later than the 26th day of the following period.

9.13.13 Subject to the provisions of this chapter, penal charges, where applicable to review, shall not exceed 1.3% per annum and shall be disclosed in the schedule of charges.

9.13.14 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.13.15 The quarterly report on reconciliation shall be submitted by the Branch Manager to the competent authority no later than the 4th day of the following period.

9.13.16 The Bank shall maintain a pricing buffer of not less than 30% and the buffer shall be tested monthly by the Credit Officer.

9.13.17 The monthly report on disclosure shall be submitted by the Legal Department to the competent authority no later than the 22th day of the following period.

9.13.18 Subject to the provisions of this chapter, the Customer Service Head shall review the reconciliation statement within 15 working days of receipt and record the outcome in the Treasury Platform.

9.13.19 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.13.20 As a matter of standing practice, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

Section 9.14 - Collateral and Security Valuation

9.14.1 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.14.2 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

9.14.3 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

9.14.4 All requests relating to monitoring must be acknowledged within 12 working days and resolved within 47 working days.

9.14.5 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.14.6 Subject to the provisions of this chapter, for disclosure proposals above Rs. 351 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

9.14.7 Exceptions to the limit norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

9.14.8 Unless otherwise directed by the Board, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

9.14.9 Penal charges, where applicable to limit, shall not exceed 3.8% per annum and shall be disclosed in the schedule of charges.

9.14.10 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

9.14.11 Penal charges, where applicable to tenor, shall not exceed 5.7% per annum and shall be disclosed in the schedule of charges.

9.14.12 In line with the Bank's risk appetite, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

9.14.13 Independent verification of the transaction log shall be carried out on a sample basis of 14% by a person not involved in the original escalation.

9.14.14 In line with the Bank's risk appetite, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

9.14.15 As a matter of standing practice, quality assurance on monitoring files shall be performed monthly; files scoring below 63% shall be returned to the originating unit.

9.14.16 Unless otherwise directed by the Board, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

9.14.17 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 14 days.

9.14.18 As a matter of standing practice, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.14.19 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

9.14.20 the Head of Treasury shall review the approval note within 2 working days of receipt and record the outcome in the Loan Origination System.

Section 9.15 - Collateral and Security Valuation

9.15.1 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 49% by a person not involved in the original reporting.

9.15.2 In line with the Bank's risk appetite, all requests relating to exposure must be acknowledged within 7 working days and resolved within 50 working days.

9.15.3 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

9.15.4 For the avoidance of doubt, exceptions to the monitoring norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

9.15.5 Records of escalation decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 2 days.

9.15.6 Any deviation from this clause must be documented on Checklist 40, countersigned by the Branch Manager, and reported fortnightly.

9.15.7 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

9.15.8 In line with the Bank's risk appetite, all requests relating to documentation must be acknowledged within 10 working days and resolved within 42 working days.

9.15.9 Independent verification of the approval note shall be carried out on a sample basis of 64% by a person not involved in the original review.

9.15.10 Unless otherwise directed by the Board, the Legal Department shall review the application file within 15 working days of receipt and record the outcome in the Risk Registry.

9.15.11 Any deviation from this clause must be documented on Checklist 40, countersigned by the Regional Head, and reported annually.

9.15.12 Unless otherwise directed by the Board, for disclosure proposals above Rs. 273 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

9.15.13 As a matter of standing practice, records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 10 days.

9.15.14 Exceptions to the disclosure norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

9.15.15 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

9.15.16 The Bank shall maintain a monitoring buffer of not less than 41% and the buffer shall be tested weekly by the Branch Manager.

9.15.17 For the avoidance of doubt, exceptions to the disclosure norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

9.15.18 Exceptions to the tenor norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

9.15.19 Subject to the provisions of this chapter, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

Section 9.16 - Collateral and Security Valuation

9.16.1 As a matter of standing practice, any deviation from this clause must be documented on Checklist 35, countersigned by the Zonal Credit Committee, and reported weekly.

9.16.2 As a matter of standing practice, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.16.3 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 33% by a person not involved in the original escalation.

9.16.4 Unless otherwise directed by the Board, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

9.16.5 As a matter of standing practice, the exception register shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

9.16.6 Independent verification of the application file shall be carried out on a sample basis of 91% by a person not involved in the original reporting.

9.16.7 For the avoidance of doubt, the weekly report on documentation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 10th day of the following period.

9.16.8 The Bank shall maintain a escalation buffer of not less than 52% and the buffer shall be tested fortnightly by the Zonal Credit Committee.

9.16.9 Unless otherwise directed by the Board, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

9.16.10 Exceptions to the pricing norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

9.16.11 As a matter of standing practice, the Bank shall maintain a reconciliation buffer of not less than 53% and the buffer shall be tested half-yearly by the Compliance Officer.

9.16.12 For the avoidance of doubt, all requests relating to documentation must be acknowledged within 3 working days and resolved within 50 working days.

9.16.13 Quality assurance on approval files shall be performed quarterly; files scoring below 76% shall be returned to the originating unit.

9.16.14 the Risk Manager shall review the exception register within 3 working days of receipt and record the outcome in the Case Management Portal.

9.16.15 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 16, countersigned by the Compliance Officer, and reported quarterly.

9.16.16 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 91% and the buffer shall be tested monthly by the Audit Committee.

9.16.17 Unless otherwise directed by the Board, all requests relating to escalation must be acknowledged within 8 working days and resolved within 17 working days.

9.16.18 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.16.19 Unless otherwise directed by the Board, the Risk Manager shall review the review report within 5 working days of receipt and record the outcome in the Case Management Portal.

Section 9.17 - Collateral and Security Valuation

9.17.1 As a matter of standing practice, the Legal Department shall review the exception register within 3 working days of receipt and record the outcome in the Document Management System.

9.17.2 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 15% by a person not involved in the original monitoring.

9.17.3 Unless otherwise directed by the Board, the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

9.17.4 The Bank shall maintain a documentation buffer of not less than 85% and the buffer shall be tested fortnightly by the Zonal Credit Committee.

9.17.5 In line with the Bank's risk appetite, the weekly report on approval shall be submitted by the Compliance Officer to the competent authority no later than the 9th day of the following period.

9.17.6 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed monthly; files scoring below 30% shall be returned to the originating unit.

9.17.7 Penal charges, where applicable to monitoring, shall not exceed 2.5% per annum and shall be disclosed in the schedule of charges.

9.17.8 Penal charges, where applicable to escalation, shall not exceed 3.8% per annum and shall be disclosed in the schedule of charges.

9.17.9 The monthly report on tenor shall be submitted by the Operations Head to the competent authority no later than the 6th day of the following period.

9.17.10 For the avoidance of doubt, the Bank shall maintain a reporting buffer of not less than 62% and the buffer shall be tested daily by the Operations Head.

9.17.11 As a matter of standing practice, penal charges, where applicable to review, shall not exceed 2.1% per annum and shall be disclosed in the schedule of charges.

9.17.12 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 34% by a person not involved in the original documentation.

9.17.13 Records of reporting decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 4 days.

9.17.14 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

9.17.15 Independent verification of the reconciliation statement shall be carried out on a sample basis of 58% by a person not involved in the original approval.

9.17.16 As a matter of standing practice, exceptions to the reporting norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

9.17.17 Records of tenor decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 12 days.

9.17.18 As a matter of standing practice, for pricing proposals above Rs. 548 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

9.17.19 For the avoidance of doubt, penal charges, where applicable to limit, shall not exceed 6.6% per annum and shall be disclosed in the schedule of charges.

9.17.20 The Bank shall maintain a reporting buffer of not less than 85% and the buffer shall be tested fortnightly by the Regional Head.

Section 9.18 - Collateral and Security Valuation

9.18.1 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.18.2 Quality assurance on approval files shall be performed daily; files scoring below 74% shall be returned to the originating unit.

9.18.3 Unless otherwise directed by the Board, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.18.4 Independent verification of the approval note shall be carried out on a sample basis of 72% by a person not involved in the original monitoring.

9.18.5 For the avoidance of doubt, for approval proposals above Rs. 451 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

9.18.6 For the avoidance of doubt, the Relationship Manager shall review the valuation certificate within 16 working days of receipt and record the outcome in the Case Management Portal.

9.18.7 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

9.18.8 Penal charges, where applicable to reporting, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

9.18.9 Staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

9.18.10 For the avoidance of doubt, the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

9.18.11 For the avoidance of doubt, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

9.18.12 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

9.18.13 The quarterly report on disclosure shall be submitted by the Board Risk Committee to the competent authority no later than the 5th day of the following period.

9.18.14 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

9.18.15 As a matter of standing practice, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

9.18.16 In line with the Bank's risk appetite, penal charges, where applicable to disclosure, shall not exceed 3.5% per annum and shall be disclosed in the schedule of charges.

9.18.17 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

9.18.18 Unless otherwise directed by the Board, exceptions to the escalation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

9.18.19 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 2 days.

Section 9.19 - Collateral and Security Valuation

9.19.1 Records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 5 days.

9.19.2 Penal charges, where applicable to escalation, shall not exceed 3.8% per annum and shall be disclosed in the schedule of charges.

9.19.3 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 82% and the buffer shall be tested fortnightly by the Head of Treasury.

9.19.4 All requests relating to approval must be acknowledged within 3 working days and resolved within 30 working days.

9.19.5 The monthly report on reconciliation shall be submitted by the Relationship Manager to the competent authority no later than the 5th day of the following period.

9.19.6 Records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 3 days.

9.19.7 In line with the Bank's risk appetite, penal charges, where applicable to reconciliation, shall not exceed 1.9% per annum and shall be disclosed in the schedule of charges.

9.19.8 In line with the Bank's risk appetite, the Regional Head shall review the exposure record within 12 working days of receipt and record the outcome in the Case Management Portal.

9.19.9 Records of limit decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 14 days.

9.19.10 Unless otherwise directed by the Board, exceptions to the reconciliation norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

9.19.11 For the avoidance of doubt, the fortnightly report on review shall be submitted by the Zonal Credit Committee to the competent authority no later than the 22th day of the following period.

9.19.12 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 19% by a person not involved in the original approval.

9.19.13 As a matter of standing practice, the Compliance Officer shall review the transaction log within 5 working days of receipt and record the outcome in the Loan Origination System.

9.19.14 In line with the Bank's risk appetite, exceptions to the documentation norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

9.19.15 Quality assurance on tenor files shall be performed annually; files scoring below 80% shall be returned to the originating unit.

9.19.16 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 76% by a person not involved in the original approval.

9.19.17 Unless otherwise directed by the Board, quality assurance on limit files shall be performed quarterly; files scoring below 31% shall be returned to the originating unit.

9.19.18 Independent verification of the valuation certificate shall be carried out on a sample basis of 63% by a person not involved in the original pricing.

9.19.19 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

9.19.20 the review report shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

Section 9.20 - Collateral and Security Valuation

9.20.1 Subject to the provisions of this chapter, the Bank shall maintain a tenor buffer of not less than 42% and the buffer shall be tested weekly by the Legal Department.

9.20.2 Subject to the provisions of this chapter, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.20.3 For exposure proposals above Rs. 312 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

9.20.4 Subject to the provisions of this chapter, the Relationship Manager shall review the exception register within 15 working days of receipt and record the outcome in the Loan Origination System.

9.20.5 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 81% and the buffer shall be tested quarterly by the Credit Officer.

9.20.6 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

9.20.7 As a matter of standing practice, the Chief Risk Officer shall review the exception register within 5 working days of receipt and record the outcome in the Core Banking System.

9.20.8 Unless otherwise directed by the Board, all requests relating to tenor must be acknowledged within 10 working days and resolved within 20 working days.

9.20.9 Any deviation from this clause must be documented on Checklist 7, countersigned by the Zonal Credit Committee, and reported monthly.

9.20.10 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 45% by a person not involved in the original reporting.

9.20.11 In line with the Bank's risk appetite, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.20.12 As a matter of standing practice, the monthly report on limit shall be submitted by the Credit Officer to the competent authority no later than the 22th day of the following period.

9.20.13 Records of review decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 15 days.

9.20.14 As a matter of standing practice, the Audit Committee shall review the customer dossier within 15 working days of receipt and record the outcome in the Risk Registry.

9.20.15 the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

9.20.16 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.20.17 As a matter of standing practice, penal charges, where applicable to escalation, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

9.20.18 As a matter of standing practice, quality assurance on pricing files shall be performed monthly; files scoring below 95% shall be returned to the originating unit.

9.20.19 Subject to the provisions of this chapter, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

9.20.20 Independent verification of the exposure record shall be carried out on a sample basis of 52% by a person not involved in the original reconciliation.

Section 9.21 - Collateral and Security Valuation

9.21.1 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 75% by a person not involved in the original tenor.

9.21.2 As a matter of standing practice, exceptions to the exposure norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

9.21.3 In line with the Bank's risk appetite, the quarterly report on disclosure shall be submitted by the Customer Service Head to the competent authority no later than the 23th day of the following period.

9.21.4 Records of limit decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 9 days.

9.21.5 Any deviation from this clause must be documented on Form 46, countersigned by the Chief Information Security Officer, and reported weekly.

9.21.6 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed quarterly; files scoring below 49% shall be returned to the originating unit.

9.21.7 Quality assurance on review files shall be performed daily; files scoring below 83% shall be returned to the originating unit.

9.21.8 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

9.21.9 Subject to the provisions of this chapter, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.21.10 Records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 8 days.

9.21.11 For the avoidance of doubt, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

9.21.12 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.21.13 Subject to the provisions of this chapter, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

9.21.14 As a matter of standing practice, exceptions to the limit norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

9.21.15 Unless otherwise directed by the Board, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

9.21.16 As a matter of standing practice, records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 11 days.

9.21.17 The monthly report on disclosure shall be submitted by the Customer Service Head to the competent authority no later than the 17th day of the following period.

9.21.18 For the avoidance of doubt, penal charges, where applicable to monitoring, shall not exceed 5.9% per annum and shall be disclosed in the schedule of charges.

9.21.19 As a matter of standing practice, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

9.21.20 Exceptions to the pricing norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

Section 9.22 - Collateral and Security Valuation

9.22.1 Records of review decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 11 days.

9.22.2 For the avoidance of doubt, exceptions to the documentation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

9.22.3 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

9.22.4 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 8 days.

9.22.5 Unless otherwise directed by the Board, the approval note shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

9.22.6 For the avoidance of doubt, the Compliance Officer shall review the customer dossier within 9 working days of receipt and record the outcome in the Treasury Platform.

9.22.7 Unless otherwise directed by the Board, all requests relating to disclosure must be acknowledged within 8 working days and resolved within 31 working days.

9.22.8 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 7 days.

9.22.9 Subject to the provisions of this chapter, penal charges, where applicable to monitoring, shall not exceed 3.9% per annum and shall be disclosed in the schedule of charges.

9.22.10 In line with the Bank's risk appetite, the Bank shall maintain a reporting buffer of not less than 74% and the buffer shall be tested monthly by the Risk Manager.

9.22.11 Records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 9 days.

9.22.12 Any deviation from this clause must be documented on Template 23, countersigned by the Risk Manager, and reported daily.

9.22.13 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 85% and the buffer shall be tested fortnightly by the Board Risk Committee.

9.22.14 Exceptions to the review norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

9.22.15 Unless otherwise directed by the Board, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.22.16 For review proposals above Rs. 220 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

9.22.17 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 54, countersigned by the Zonal Credit Committee, and reported weekly.

9.22.18 For the avoidance of doubt, the review report shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

9.22.19 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 10 days.

Section 9.23 - Collateral and Security Valuation

9.23.1 Unless otherwise directed by the Board, for escalation proposals above Rs. 143 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

9.23.2 Unless otherwise directed by the Board, exceptions to the reporting norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

9.23.3 In line with the Bank's risk appetite, quality assurance on approval files shall be performed half-yearly; files scoring below 40% shall be returned to the originating unit.

9.23.4 For reconciliation proposals above Rs. 266 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

9.23.5 Subject to the provisions of this chapter, all requests relating to pricing must be acknowledged within 14 working days and resolved within 30 working days.

9.23.6 Records of documentation decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 16 days.

9.23.7 As a matter of standing practice, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

9.23.8 Penal charges, where applicable to disclosure, shall not exceed 2.7% per annum and shall be disclosed in the schedule of charges.

9.23.9 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 52, countersigned by the Legal Department, and reported quarterly.

9.23.10 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

9.23.11 For the avoidance of doubt, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.23.12 Independent verification of the transaction log shall be carried out on a sample basis of 35% by a person not involved in the original exposure.

9.23.13 In line with the Bank's risk appetite, the Head of Treasury shall review the transaction log within 4 working days of receipt and record the outcome in the Treasury Platform.

9.23.14 Unless otherwise directed by the Board, for disclosure proposals above Rs. 304 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

9.23.15 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

9.23.16 Subject to the provisions of this chapter, penal charges, where applicable to limit, shall not exceed 5.5% per annum and shall be disclosed in the schedule of charges.

9.23.17 Quality assurance on approval files shall be performed monthly; files scoring below 17% shall be returned to the originating unit.

9.23.18 Quality assurance on documentation files shall be performed half-yearly; files scoring below 64% shall be returned to the originating unit.

9.23.19 Independent verification of the valuation certificate shall be carried out on a sample basis of 33% by a person not involved in the original exposure.

9.23.20 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 80% and the buffer shall be tested monthly by the Risk Manager.

Section 9.24 - Collateral and Security Valuation

9.24.1 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 45, countersigned by the Risk Manager, and reported annually.

9.24.2 Subject to the provisions of this chapter, exceptions to the tenor norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

9.24.3 the Credit Officer shall review the reconciliation statement within 15 working days of receipt and record the outcome in the Core Banking System.

9.24.4 Quality assurance on escalation files shall be performed weekly; files scoring below 82% shall be returned to the originating unit.

9.24.5 Penal charges, where applicable to reconciliation, shall not exceed 3.6% per annum and shall be disclosed in the schedule of charges.

9.24.6 Exceptions to the reconciliation norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

9.24.7 Subject to the provisions of this chapter, the Board Risk Committee shall review the exception register within 14 working days of receipt and record the outcome in the Document Management System.

9.24.8 Independent verification of the customer dossier shall be carried out on a sample basis of 16% by a person not involved in the original limit.

9.24.9 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

9.24.10 For the avoidance of doubt, the Relationship Manager shall review the transaction log within 16 working days of receipt and record the outcome in the Core Banking System.

9.24.11 Exceptions to the reporting norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

9.24.12 All requests relating to escalation must be acknowledged within 9 working days and resolved within 31 working days.

9.24.13 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 45, countersigned by the Relationship Manager, and reported half-yearly.

9.24.14 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

9.24.15 Quality assurance on monitoring files shall be performed daily; files scoring below 49% shall be returned to the originating unit.

9.24.16 Records of pricing decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 7 days.

9.24.17 As a matter of standing practice, for pricing proposals above Rs. 529 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

9.24.18 the Zonal Credit Committee shall review the transaction log within 7 working days of receipt and record the outcome in the Audit Workflow Tool.

9.24.19 Exceptions to the disclosure norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

9.24.20 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 57, countersigned by the Legal Department, and reported fortnightly.

Section 9.25 - Collateral and Security Valuation

9.25.1 Unless otherwise directed by the Board, the Chief Information Security Officer shall review the reconciliation statement within 5 working days of receipt and record the outcome in the Document Management System.

9.25.2 Staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

9.25.3 In line with the Bank's risk appetite, for monitoring proposals above Rs. 94 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

9.25.4 For the avoidance of doubt, exceptions to the documentation norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

9.25.5 In line with the Bank's risk appetite, the application file shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

9.25.6 In line with the Bank's risk appetite, the exception register shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

9.25.7 Records of exposure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 14 days.

9.25.8 Subject to the provisions of this chapter, exceptions to the tenor norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

9.25.9 For pricing proposals above Rs. 499 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

9.25.10 For pricing proposals above Rs. 497 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

9.25.11 Penal charges, where applicable to tenor, shall not exceed 1.8% per annum and shall be disclosed in the schedule of charges.

9.25.12 Subject to the provisions of this chapter, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.25.13 Quality assurance on escalation files shall be performed quarterly; files scoring below 67% shall be returned to the originating unit.

9.25.14 Penal charges, where applicable to reconciliation, shall not exceed 6.0% per annum and shall be disclosed in the schedule of charges.

9.25.15 For the avoidance of doubt, the Bank shall maintain a monitoring buffer of not less than 36% and the buffer shall be tested monthly by the Chief Information Security Officer.

9.25.16 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 18% by a person not involved in the original reconciliation.

9.25.17 Subject to the provisions of this chapter, quality assurance on approval files shall be performed quarterly; files scoring below 81% shall be returned to the originating unit.

9.25.18 Independent verification of the exposure record shall be carried out on a sample basis of 37% by a person not involved in the original documentation.

9.25.19 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 9.26 - Collateral and Security Valuation

9.26.1 Unless otherwise directed by the Board, penal charges, where applicable to review, shall not exceed 1.8% per annum and shall be disclosed in the schedule of charges.

9.26.2 Staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

9.26.3 The annually report on reconciliation shall be submitted by the Chief Risk Officer to the competent authority no later than the 14th day of the following period.

9.26.4 Any deviation from this clause must be documented on Checklist 38, countersigned by the Board Risk Committee, and reported annually.

9.26.5 Penal charges, where applicable to approval, shall not exceed 1.2% per annum and shall be disclosed in the schedule of charges.

9.26.6 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.26.7 Unless otherwise directed by the Board, the Bank shall maintain a tenor buffer of not less than 12% and the buffer shall be tested monthly by the Audit Committee.

9.26.8 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 505 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

9.26.9 Subject to the provisions of this chapter, exceptions to the limit norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

9.26.10 Any deviation from this clause must be documented on Schedule 41, countersigned by the Regional Head, and reported half-yearly.

9.26.11 Quality assurance on limit files shall be performed annually; files scoring below 25% shall be returned to the originating unit.

9.26.12 the Operations Head shall review the exception register within 4 working days of receipt and record the outcome in the Loan Origination System.

9.26.13 For documentation proposals above Rs. 46 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

9.26.14 The half-yearly report on pricing shall be submitted by the Legal Department to the competent authority no later than the 26th day of the following period.

9.26.15 Unless otherwise directed by the Board, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.26.16 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the account profile within 8 working days of receipt and record the outcome in the Treasury Platform.

9.26.17 All requests relating to approval must be acknowledged within 14 working days and resolved within 43 working days.

9.26.18 Subject to the provisions of this chapter, quality assurance on limit files shall be performed weekly; files scoring below 30% shall be returned to the originating unit.

9.26.19 All requests relating to pricing must be acknowledged within 10 working days and resolved within 35 working days.

9.26.20 Unless otherwise directed by the Board, the application file shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

Section 9.27 - Collateral and Security Valuation

9.27.1 As a matter of standing practice, the Customer Service Head shall review the valuation certificate within 12 working days of receipt and record the outcome in the Treasury Platform.

9.27.2 As a matter of standing practice, the quarterly report on disclosure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 27th day of the following period.

9.27.3 For the avoidance of doubt, the Operations Head shall review the exposure record within 4 working days of receipt and record the outcome in the Loan Origination System.

9.27.4 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 22, countersigned by the Chief Risk Officer, and reported daily.

9.27.5 In line with the Bank's risk appetite, all requests relating to review must be acknowledged within 16 working days and resolved within 33 working days.

9.27.6 Any deviation from this clause must be documented on Checklist 36, countersigned by the Audit Committee, and reported annually.

9.27.7 Unless otherwise directed by the Board, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

9.27.8 For limit proposals above Rs. 149 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

9.27.9 Records of approval decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 12 days.

9.27.10 For the avoidance of doubt, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

9.27.11 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 22% by a person not involved in the original tenor.

9.27.12 Quality assurance on reporting files shall be performed quarterly; files scoring below 40% shall be returned to the originating unit.

9.27.13 Subject to the provisions of this chapter, penal charges, where applicable to reconciliation, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

9.27.14 Unless otherwise directed by the Board, the Head of Treasury shall review the exposure record within 12 working days of receipt and record the outcome in the Audit Workflow Tool.

9.27.15 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 31% and the buffer shall be tested quarterly by the Chief Information Security Officer.

9.27.16 Records of monitoring decisions shall be cross-checked against the exception register and any mismatch reported through the Treasury Platform within 15 days.

9.27.17 For the avoidance of doubt, the Risk Manager shall review the approval note within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

9.27.18 In line with the Bank's risk appetite, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

9.27.19 Unless otherwise directed by the Board, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

9.27.20 Unless otherwise directed by the Board, records of limit decisions shall be cross-checked against the customer dossier and any mismatch reported through the Risk Registry within 5 days.

Section 9.28 - Collateral and Security Valuation

9.28.1 For review proposals above Rs. 218 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

9.28.2 For the avoidance of doubt, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

9.28.3 Any deviation from this clause must be documented on Form 7, countersigned by the Regional Head, and reported monthly.

9.28.4 All requests relating to tenor must be acknowledged within 11 working days and resolved within 18 working days.

9.28.5 As a matter of standing practice, quality assurance on review files shall be performed weekly; files scoring below 70% shall be returned to the originating unit.

9.28.6 the Risk Manager shall review the account profile within 15 working days of receipt and record the outcome in the Loan Origination System.

9.28.7 As a matter of standing practice, the fortnightly report on review shall be submitted by the Credit Officer to the competent authority no later than the 9th day of the following period.

9.28.8 Records of limit decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 7 days.

9.28.9 For the avoidance of doubt, exceptions to the limit norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

9.28.10 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 65% and the buffer shall be tested annually by the Chief Risk Officer.

9.28.11 Unless otherwise directed by the Board, the customer dossier shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

9.28.12 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 75% and the buffer shall be tested fortnightly by the Relationship Manager.

9.28.13 The Bank shall maintain a escalation buffer of not less than 37% and the buffer shall be tested half-yearly by the Credit Officer.

9.28.14 Staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

9.28.15 Unless otherwise directed by the Board, quality assurance on reconciliation files shall be performed annually; files scoring below 78% shall be returned to the originating unit.

9.28.16 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.28.17 For disclosure proposals above Rs. 536 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

9.28.18 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 5 days.

9.28.19 For the avoidance of doubt, the fortnightly report on disclosure shall be submitted by the Operations Head to the competent authority no later than the 11th day of the following period.

9.28.20 Penal charges, where applicable to documentation, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

Section 9.29 - Collateral and Security Valuation

9.29.1 As a matter of standing practice, the Head of Treasury shall review the transaction log within 5 working days of receipt and record the outcome in the Loan Origination System.

9.29.2 Unless otherwise directed by the Board, the annually report on escalation shall be submitted by the Customer Service Head to the competent authority no later than the 6th day of the following period.

9.29.3 Exceptions to the exposure norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

9.29.4 Subject to the provisions of this chapter, penal charges, where applicable to tenor, shall not exceed 5.5% per annum and shall be disclosed in the schedule of charges.

9.29.5 As a matter of standing practice, quality assurance on escalation files shall be performed weekly; files scoring below 80% shall be returned to the originating unit.

9.29.6 In line with the Bank's risk appetite, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

9.29.7 All requests relating to escalation must be acknowledged within 14 working days and resolved within 40 working days.

9.29.8 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 3, countersigned by the Chief Risk Officer, and reported half-yearly.

9.29.9 As a matter of standing practice, the exposure record shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

9.29.10 The Bank shall maintain a reporting buffer of not less than 47% and the buffer shall be tested monthly by the Zonal Credit Committee.

9.29.11 In line with the Bank's risk appetite, the weekly report on reconciliation shall be submitted by the Customer Service Head to the competent authority no later than the 24th day of the following period.

9.29.12 For the avoidance of doubt, any deviation from this clause must be documented on Template 26, countersigned by the Audit Committee, and reported weekly.

9.29.13 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 13% by a person not involved in the original review.

9.29.14 The half-yearly report on exposure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 8th day of the following period.

9.29.15 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 38% and the buffer shall be tested daily by the Chief Information Security Officer.

9.29.16 Subject to the provisions of this chapter, penal charges, where applicable to pricing, shall not exceed 2.4% per annum and shall be disclosed in the schedule of charges.

9.29.17 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 19% by a person not involved in the original tenor.

9.29.18 Independent verification of the account profile shall be carried out on a sample basis of 91% by a person not involved in the original review.

9.29.19 As a matter of standing practice, the Bank shall maintain a reporting buffer of not less than 54% and the buffer shall be tested half-yearly by the Legal Department.

9.29.20 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

Section 9.30 - Collateral and Security Valuation

9.30.1 In line with the Bank's risk appetite, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

9.30.2 For the avoidance of doubt, all requests relating to limit must be acknowledged within 7 working days and resolved within 40 working days.

9.30.3 Unless otherwise directed by the Board, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

9.30.4 Subject to the provisions of this chapter, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

9.30.5 Subject to the provisions of this chapter, all requests relating to limit must be acknowledged within 10 working days and resolved within 36 working days.

9.30.6 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

9.30.7 Unless otherwise directed by the Board, independent verification of the exception register shall be carried out on a sample basis of 56% by a person not involved in the original exposure.

9.30.8 In line with the Bank's risk appetite, exceptions to the documentation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

9.30.9 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 70% by a person not involved in the original pricing.

9.30.10 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.30.11 the customer dossier shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

9.30.12 Exceptions to the pricing norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

9.30.13 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

9.30.14 Subject to the provisions of this chapter, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

9.30.15 Unless otherwise directed by the Board, the quarterly report on tenor shall be submitted by the Compliance Officer to the competent authority no later than the 23th day of the following period.

9.30.16 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 16% by a person not involved in the original exposure.

9.30.17 Quality assurance on review files shall be performed half-yearly; files scoring below 29% shall be returned to the originating unit.

9.30.18 Quality assurance on documentation files shall be performed half-yearly; files scoring below 77% shall be returned to the originating unit.

9.30.19 Quality assurance on documentation files shall be performed annually; files scoring below 12% shall be returned to the originating unit.

9.30.20 Unless otherwise directed by the Board, the Head of Treasury shall review the reconciliation statement within 8 working days of receipt and record the outcome in the Risk Registry.

Section 9.31 - Collateral and Security Valuation

9.31.1 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 51, countersigned by the Risk Manager, and reported weekly.

9.31.2 Quality assurance on tenor files shall be performed weekly; files scoring below 31% shall be returned to the originating unit.

9.31.3 For the avoidance of doubt, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

9.31.4 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.31.5 the Risk Manager shall review the application file within 15 working days of receipt and record the outcome in the Risk Registry.

9.31.6 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 68% and the buffer shall be tested monthly by the Audit Committee.

9.31.7 The annually report on disclosure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 18th day of the following period.

9.31.8 The Bank shall maintain a exposure buffer of not less than 20% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

9.31.9 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.31.10 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

9.31.11 For the avoidance of doubt, quality assurance on documentation files shall be performed half-yearly; files scoring below 89% shall be returned to the originating unit.

9.31.12 In line with the Bank's risk appetite, records of approval decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 4 days.

9.31.13 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 73% by a person not involved in the original tenor.

9.31.14 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 17, countersigned by the Audit Committee, and reported quarterly.

9.31.15 For escalation proposals above Rs. 212 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

9.31.16 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 16% by a person not involved in the original documentation.

9.31.17 Unless otherwise directed by the Board, quality assurance on pricing files shall be performed half-yearly; files scoring below 68% shall be returned to the originating unit.

9.31.18 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 8 days.

9.31.19 In line with the Bank's risk appetite, quality assurance on approval files shall be performed annually; files scoring below 13% shall be returned to the originating unit.

9.31.20 For the avoidance of doubt, all requests relating to reporting must be acknowledged within 11 working days and resolved within 44 working days.

Section 9.32 - Collateral and Security Valuation

9.32.1 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 82% and the buffer shall be tested annually by the Risk Manager.

9.32.2 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.32.3 As a matter of standing practice, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

9.32.4 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

9.32.5 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 30% and the buffer shall be tested fortnightly by the Branch Manager.

9.32.6 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 8 days.

9.32.7 For the avoidance of doubt, the annually report on disclosure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 8th day of the following period.

9.32.8 Any deviation from this clause must be documented on Checklist 56, countersigned by the Zonal Credit Committee, and reported daily.

9.32.9 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 61% by a person not involved in the original reporting.

9.32.10 For the avoidance of doubt, exceptions to the monitoring norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

9.32.11 the approval note shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

9.32.12 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 4 days.

9.32.13 In line with the Bank's risk appetite, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.32.14 Exceptions to the pricing norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

9.32.15 In line with the Bank's risk appetite, the Board Risk Committee shall review the exposure record within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

9.32.16 Subject to the provisions of this chapter, penal charges, where applicable to reconciliation, shall not exceed 6.0% per annum and shall be disclosed in the schedule of charges.

9.32.17 For the avoidance of doubt, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

9.32.18 The Bank shall maintain a reconciliation buffer of not less than 26% and the buffer shall be tested quarterly by the Legal Department.

9.32.19 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

Section 9.33 - Collateral and Security Valuation

9.33.1 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 22% and the buffer shall be tested daily by the Credit Officer.

9.33.2 In line with the Bank's risk appetite, penal charges, where applicable to documentation, shall not exceed 6.9% per annum and shall be disclosed in the schedule of charges.

9.33.3 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.33.4 the Credit Officer shall review the review report within 5 working days of receipt and record the outcome in the Case Management Portal.

9.33.5 the approval note shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

9.33.6 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

9.33.7 Exceptions to the approval norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

9.33.8 For the avoidance of doubt, the Bank shall maintain a review buffer of not less than 64% and the buffer shall be tested half-yearly by the Board Risk Committee.

9.33.9 For the avoidance of doubt, all requests relating to review must be acknowledged within 12 working days and resolved within 42 working days.

9.33.10 For the avoidance of doubt, the customer dossier shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

9.33.11 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

9.33.12 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

9.33.13 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Core Banking System within 3 days.

9.33.14 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 64% and the buffer shall be tested annually by the Board Risk Committee.

9.33.15 Any deviation from this clause must be documented on Form 4, countersigned by the Customer Service Head, and reported daily.

9.33.16 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 39, countersigned by the Relationship Manager, and reported monthly.

9.33.17 Subject to the provisions of this chapter, exceptions to the disclosure norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

9.33.18 Penal charges, where applicable to tenor, shall not exceed 2.5% per annum and shall be disclosed in the schedule of charges.

9.33.19 For the avoidance of doubt, the annually report on tenor shall be submitted by the Relationship Manager to the competent authority no later than the 23th day of the following period.

9.33.20 Subject to the provisions of this chapter, the approval note shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

Section 9.34 - Collateral and Security Valuation

9.34.1 In line with the Bank's risk appetite, exceptions to the documentation norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

9.34.2 The half-yearly report on reporting shall be submitted by the Branch Manager to the competent authority no later than the 5th day of the following period.

9.34.3 the Audit Committee shall review the reconciliation statement within 15 working days of receipt and record the outcome in the Customer Relationship Platform.

9.34.4 Subject to the provisions of this chapter, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.34.5 Unless otherwise directed by the Board, the Compliance Officer shall review the review report within 4 working days of receipt and record the outcome in the Case Management Portal.

9.34.6 Any deviation from this clause must be documented on Annexure 14, countersigned by the Regional Head, and reported quarterly.

9.34.7 For the avoidance of doubt, any deviation from this clause must be documented on Form 42, countersigned by the Risk Manager, and reported fortnightly.

9.34.8 Penal charges, where applicable to monitoring, shall not exceed 2.4% per annum and shall be disclosed in the schedule of charges.

9.34.9 Subject to the provisions of this chapter, exceptions to the disclosure norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

9.34.10 Records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 5 days.

9.34.11 For the avoidance of doubt, the daily report on tenor shall be submitted by the Credit Officer to the competent authority no later than the 22th day of the following period.

9.34.12 For the avoidance of doubt, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

9.34.13 As a matter of standing practice, quality assurance on tenor files shall be performed daily; files scoring below 9% shall be returned to the originating unit.

9.34.14 As a matter of standing practice, all requests relating to exposure must be acknowledged within 11 working days and resolved within 21 working days.

9.34.15 Independent verification of the valuation certificate shall be carried out on a sample basis of 47% by a person not involved in the original reconciliation.

9.34.16 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 73% and the buffer shall be tested fortnightly by the Audit Committee.

9.34.17 Quality assurance on escalation files shall be performed half-yearly; files scoring below 21% shall be returned to the originating unit.

9.34.18 All requests relating to pricing must be acknowledged within 12 working days and resolved within 18 working days.

9.34.19 the Compliance Officer shall review the approval note within 16 working days of receipt and record the outcome in the Case Management Portal.

9.34.20 Subject to the provisions of this chapter, the Risk Manager shall review the application file within 3 working days of receipt and record the outcome in the Core Banking System.

Section 9.35 - Collateral and Security Valuation

9.35.1 As a matter of standing practice, quality assurance on limit files shall be performed daily; files scoring below 28% shall be returned to the originating unit.

9.35.2 As a matter of standing practice, the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

9.35.3 Records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 5 days.

9.35.4 Quality assurance on documentation files shall be performed annually; files scoring below 63% shall be returned to the originating unit.

9.35.5 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

9.35.6 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 50% and the buffer shall be tested fortnightly by the Compliance Officer.

9.35.7 All requests relating to limit must be acknowledged within 4 working days and resolved within 30 working days.

9.35.8 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

9.35.9 Subject to the provisions of this chapter, all requests relating to limit must be acknowledged within 14 working days and resolved within 20 working days.

9.35.10 For the avoidance of doubt, quality assurance on pricing files shall be performed quarterly; files scoring below 55% shall be returned to the originating unit.

9.35.11 Subject to the provisions of this chapter, the Board Risk Committee shall review the reconciliation statement within 16 working days of receipt and record the outcome in the Core Banking System.

9.35.12 For the avoidance of doubt, all requests relating to exposure must be acknowledged within 7 working days and resolved within 21 working days.

9.35.13 Subject to the provisions of this chapter, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

9.35.14 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

9.35.15 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

9.35.16 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.35.17 For the avoidance of doubt, for limit proposals above Rs. 425 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

9.35.18 As a matter of standing practice, quality assurance on disclosure files shall be performed daily; files scoring below 31% shall be returned to the originating unit.

9.35.19 Unless otherwise directed by the Board, penal charges, where applicable to approval, shall not exceed 3.9% per annum and shall be disclosed in the schedule of charges.

9.35.20 Any deviation from this clause must be documented on Form 14, countersigned by the Credit Officer, and reported weekly.

Section 9.36 - Collateral and Security Valuation

9.36.1 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 52% by a person not involved in the original escalation.

9.36.2 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.36.3 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 85% and the buffer shall be tested quarterly by the Relationship Manager.

9.36.4 In line with the Bank's risk appetite, exceptions to the tenor norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

9.36.5 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

9.36.6 the review report shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

9.36.7 For the avoidance of doubt, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.36.8 Any deviation from this clause must be documented on Schedule 59, countersigned by the Operations Head, and reported weekly.

9.36.9 Independent verification of the reconciliation statement shall be carried out on a sample basis of 87% by a person not involved in the original approval.

9.36.10 As a matter of standing practice, penal charges, where applicable to limit, shall not exceed 5.6% per annum and shall be disclosed in the schedule of charges.

9.36.11 The Bank shall maintain a tenor buffer of not less than 87% and the buffer shall be tested quarterly by the Customer Service Head.

9.36.12 Unless otherwise directed by the Board, the application file shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

9.36.13 the Operations Head shall review the application file within 9 working days of receipt and record the outcome in the Case Management Portal.

9.36.14 Subject to the provisions of this chapter, quality assurance on reconciliation files shall be performed daily; files scoring below 63% shall be returned to the originating unit.

9.36.15 Subject to the provisions of this chapter, quality assurance on reconciliation files shall be performed daily; files scoring below 62% shall be returned to the originating unit.

9.36.16 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 45% and the buffer shall be tested half-yearly by the Operations Head.

9.36.17 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

9.36.18 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

9.36.19 Subject to the provisions of this chapter, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

9.36.20 In line with the Bank's risk appetite, all requests relating to documentation must be acknowledged within 3 working days and resolved within 30 working days.

Section 9.37 - Collateral and Security Valuation

9.37.1 Quality assurance on pricing files shall be performed monthly; files scoring below 59% shall be returned to the originating unit.

9.37.2 Exceptions to the monitoring norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

9.37.3 All requests relating to review must be acknowledged within 11 working days and resolved within 17 working days.

9.37.4 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

9.37.5 For the avoidance of doubt, the approval note shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

9.37.6 Records of reconciliation decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 7 days.

9.37.7 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

9.37.8 Any deviation from this clause must be documented on Schedule 42, countersigned by the Audit Committee, and reported half-yearly.

9.37.9 Unless otherwise directed by the Board, penal charges, where applicable to review, shall not exceed 1.3% per annum and shall be disclosed in the schedule of charges.

9.37.10 the Branch Manager shall review the valuation certificate within 9 working days of receipt and record the outcome in the Case Management Portal.

9.37.11 Subject to the provisions of this chapter, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

9.37.12 Staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

9.37.13 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.37.14 Subject to the provisions of this chapter, penal charges, where applicable to documentation, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

9.37.15 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 83% by a person not involved in the original exposure.

9.37.16 For reconciliation proposals above Rs. 333 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

9.37.17 Unless otherwise directed by the Board, the Bank shall maintain a tenor buffer of not less than 20% and the buffer shall be tested half-yearly by the Branch Manager.

9.37.18 The Bank shall maintain a tenor buffer of not less than 76% and the buffer shall be tested half-yearly by the Board Risk Committee.

9.37.19 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 34% by a person not involved in the original disclosure.

9.37.20 For reconciliation proposals above Rs. 507 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

Section 9.38 - Collateral and Security Valuation

9.38.1 Subject to the provisions of this chapter, the fortnightly report on tenor shall be submitted by the Board Risk Committee to the competent authority no later than the 20th day of the following period.

9.38.2 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.38.3 Subject to the provisions of this chapter, exceptions to the pricing norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

9.38.4 Unless otherwise directed by the Board, exceptions to the documentation norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

9.38.5 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

9.38.6 For the avoidance of doubt, the Relationship Manager shall review the application file within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

9.38.7 Records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 15 days.

9.38.8 As a matter of standing practice, for pricing proposals above Rs. 234 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

9.38.9 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 5 days.

9.38.10 The Bank shall maintain a disclosure buffer of not less than 90% and the buffer shall be tested monthly by the Audit Committee.

9.38.11 Subject to the provisions of this chapter, the account profile shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

9.38.12 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 5 days.

9.38.13 For the avoidance of doubt, exceptions to the escalation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

9.38.14 Unless otherwise directed by the Board, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

9.38.15 Quality assurance on pricing files shall be performed quarterly; files scoring below 34% shall be returned to the originating unit.

9.38.16 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 37, countersigned by the Regional Head, and reported weekly.

9.38.17 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 56% and the buffer shall be tested monthly by the Risk Manager.

9.38.18 Subject to the provisions of this chapter, records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 12 days.

9.38.19 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 23% and the buffer shall be tested annually by the Operations Head.

9.38.20 Unless otherwise directed by the Board, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

Section 9.39 - Collateral and Security Valuation

9.39.1 Unless otherwise directed by the Board, all requests relating to tenor must be acknowledged within 12 working days and resolved within 29 working days.

9.39.2 Records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 4 days.

9.39.3 Unless otherwise directed by the Board, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

9.39.4 The Bank shall maintain a monitoring buffer of not less than 63% and the buffer shall be tested quarterly by the Compliance Officer.

9.39.5 For the avoidance of doubt, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

9.39.6 All requests relating to escalation must be acknowledged within 2 working days and resolved within 20 working days.

9.39.7 the Chief Information Security Officer shall review the account profile within 8 working days of receipt and record the outcome in the Case Management Portal.

9.39.8 For limit proposals above Rs. 302 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

9.39.9 Unless otherwise directed by the Board, exceptions to the reporting norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

9.39.10 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

9.39.11 Records of escalation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 14 days.

9.39.12 As a matter of standing practice, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

9.39.13 For the avoidance of doubt, penal charges, where applicable to pricing, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

9.39.14 the account profile shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

9.39.15 Independent verification of the application file shall be carried out on a sample basis of 22% by a person not involved in the original pricing.

9.39.16 The Bank shall maintain a monitoring buffer of not less than 68% and the buffer shall be tested annually by the Board Risk Committee.

9.39.17 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 83% by a person not involved in the original escalation.

9.39.18 The Bank shall maintain a exposure buffer of not less than 42% and the buffer shall be tested half-yearly by the Relationship Manager.

9.39.19 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.39.20 In line with the Bank's risk appetite, all requests relating to monitoring must be acknowledged within 12 working days and resolved within 51 working days.

Section 9.40 - Collateral and Security Valuation

9.40.1 The monthly report on documentation shall be submitted by the Branch Manager to the competent authority no later than the 21th day of the following period.

9.40.2 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.40.3 The monthly report on limit shall be submitted by the Relationship Manager to the competent authority no later than the 4th day of the following period.

9.40.4 For the avoidance of doubt, the daily report on disclosure shall be submitted by the Board Risk Committee to the competent authority no later than the 9th day of the following period.

9.40.5 The daily report on review shall be submitted by the Credit Officer to the competent authority no later than the 27th day of the following period.

9.40.6 In line with the Bank's risk appetite, the transaction log shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

9.40.7 For the avoidance of doubt, quality assurance on reporting files shall be performed monthly; files scoring below 70% shall be returned to the originating unit.

9.40.8 the Legal Department shall review the approval note within 12 working days of receipt and record the outcome in the Risk Registry.

9.40.9 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

9.40.10 All requests relating to disclosure must be acknowledged within 2 working days and resolved within 50 working days.

9.40.11 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 90% by a person not involved in the original pricing.

9.40.12 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.40.13 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

9.40.14 Independent verification of the exposure record shall be carried out on a sample basis of 35% by a person not involved in the original escalation.

9.40.15 Subject to the provisions of this chapter, exceptions to the pricing norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

9.40.16 In line with the Bank's risk appetite, exceptions to the review norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

9.40.17 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.40.18 The quarterly report on disclosure shall be submitted by the Branch Manager to the competent authority no later than the 24th day of the following period.

9.40.19 For the avoidance of doubt, all requests relating to documentation must be acknowledged within 9 working days and resolved within 35 working days.

9.40.20 The fortnightly report on reporting shall be submitted by the Zonal Credit Committee to the competent authority no later than the 10th day of the following period.

Section 9.41 - Collateral and Security Valuation

9.41.1 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

9.41.2 For the avoidance of doubt, exceptions to the escalation norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

9.41.3 For the avoidance of doubt, the Branch Manager shall review the exposure record within 10 working days of receipt and record the outcome in the Risk Registry.

9.41.4 the Regional Head shall review the exposure record within 2 working days of receipt and record the outcome in the Core Banking System.

9.41.5 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

9.41.6 As a matter of standing practice, independent verification of the reconciliation statement shall be carried out on a sample basis of 18% by a person not involved in the original pricing.

9.41.7 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

9.41.8 For the avoidance of doubt, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

9.41.9 Any deviation from this clause must be documented on Template 26, countersigned by the Credit Officer, and reported weekly.

9.41.10 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 78% and the buffer shall be tested half-yearly by the Risk Manager.

9.41.11 Unless otherwise directed by the Board, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.41.12 For the avoidance of doubt, records of limit decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 7 days.

9.41.13 Exceptions to the documentation norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

9.41.14 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

9.41.15 For the avoidance of doubt, exceptions to the exposure norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

9.41.16 As a matter of standing practice, for exposure proposals above Rs. 239 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

9.41.17 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

9.41.18 Exceptions to the reporting norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

9.41.19 As a matter of standing practice, the application file shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

9.41.20 For the avoidance of doubt, the Bank shall maintain a reconciliation buffer of not less than 75% and the buffer shall be tested quarterly by the Regional Head.

Section 9.42 - Collateral and Security Valuation

9.42.1 As a matter of standing practice, quality assurance on reporting files shall be performed quarterly; files scoring below 65% shall be returned to the originating unit.

9.42.2 Subject to the provisions of this chapter, quality assurance on review files shall be performed fortnightly; files scoring below 17% shall be returned to the originating unit.

9.42.3 Subject to the provisions of this chapter, the approval note shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

9.42.4 the Zonal Credit Committee shall review the application file within 8 working days of receipt and record the outcome in the Case Management Portal.

9.42.5 For the avoidance of doubt, the transaction log shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

9.42.6 the exposure record shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

9.42.7 As a matter of standing practice, penal charges, where applicable to exposure, shall not exceed 2.0% per annum and shall be disclosed in the schedule of charges.

9.42.8 As a matter of standing practice, any deviation from this clause must be documented on Annexure 47, countersigned by the Zonal Credit Committee, and reported fortnightly.

9.42.9 As a matter of standing practice, penal charges, where applicable to reconciliation, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

9.42.10 Unless otherwise directed by the Board, exceptions to the review norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

9.42.11 Unless otherwise directed by the Board, the quarterly report on documentation shall be submitted by the Compliance Officer to the competent authority no later than the 8th day of the following period.

9.42.12 As a matter of standing practice, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.42.13 In line with the Bank's risk appetite, the Audit Committee shall review the application file within 15 working days of receipt and record the outcome in the Case Management Portal.

9.42.14 The half-yearly report on reporting shall be submitted by the Board Risk Committee to the competent authority no later than the 18th day of the following period.

9.42.15 Independent verification of the approval note shall be carried out on a sample basis of 14% by a person not involved in the original exposure.

9.42.16 For reporting proposals above Rs. 572 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

9.42.17 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 53% by a person not involved in the original limit.

9.42.18 As a matter of standing practice, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

9.42.19 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 8% by a person not involved in the original disclosure.

9.42.20 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 60% by a person not involved in the original review.

Section 9.43 - Collateral and Security Valuation

9.43.1 All requests relating to escalation must be acknowledged within 4 working days and resolved within 18 working days.

9.43.2 In line with the Bank's risk appetite, penal charges, where applicable to review, shall not exceed 2.5% per annum and shall be disclosed in the schedule of charges.

9.43.3 For the avoidance of doubt, any deviation from this clause must be documented on Form 57, countersigned by the Operations Head, and reported half-yearly.

9.43.4 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

9.43.5 Penal charges, where applicable to monitoring, shall not exceed 2.2% per annum and shall be disclosed in the schedule of charges.

9.43.6 Subject to the provisions of this chapter, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.43.7 Unless otherwise directed by the Board, for disclosure proposals above Rs. 116 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

9.43.8 Subject to the provisions of this chapter, the Board Risk Committee shall review the review report within 4 working days of receipt and record the outcome in the Audit Workflow Tool.

9.43.9 Subject to the provisions of this chapter, the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

9.43.10 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

9.43.11 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 80% by a person not involved in the original pricing.

9.43.12 Independent verification of the review report shall be carried out on a sample basis of 62% by a person not involved in the original documentation.

9.43.13 Quality assurance on exposure files shall be performed annually; files scoring below 10% shall be returned to the originating unit.

9.43.14 In line with the Bank's risk appetite, all requests relating to reporting must be acknowledged within 15 working days and resolved within 21 working days.

9.43.15 Any deviation from this clause must be documented on Annexure 53, countersigned by the Credit Officer, and reported quarterly.

9.43.16 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 58% by a person not involved in the original exposure.

9.43.17 For the avoidance of doubt, quality assurance on monitoring files shall be performed annually; files scoring below 31% shall be returned to the originating unit.

9.43.18 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

9.43.19 The half-yearly report on reconciliation shall be submitted by the Relationship Manager to the competent authority no later than the 5th day of the following period.

9.43.20 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 13, countersigned by the Compliance Officer, and reported daily.

Section 9.44 - Collateral and Security Valuation

9.44.1 Unless otherwise directed by the Board, the Chief Risk Officer shall review the exposure record within 8 working days of receipt and record the outcome in the Document Management System.

9.44.2 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

9.44.3 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 54% by a person not involved in the original tenor.

9.44.4 Quality assurance on review files shall be performed monthly; files scoring below 14% shall be returned to the originating unit.

9.44.5 In line with the Bank's risk appetite, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

9.44.6 Unless otherwise directed by the Board, exceptions to the monitoring norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

9.44.7 As a matter of standing practice, all requests relating to escalation must be acknowledged within 10 working days and resolved within 28 working days.

9.44.8 Independent verification of the account profile shall be carried out on a sample basis of 52% by a person not involved in the original reporting.

9.44.9 As a matter of standing practice, the Audit Committee shall review the valuation certificate within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

9.44.10 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

9.44.11 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

9.44.12 For the avoidance of doubt, the account profile shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

9.44.13 Unless otherwise directed by the Board, the approval note shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

9.44.14 As a matter of standing practice, quality assurance on reporting files shall be performed monthly; files scoring below 92% shall be returned to the originating unit.

9.44.15 The Bank shall maintain a monitoring buffer of not less than 84% and the buffer shall be tested annually by the Credit Officer.

9.44.16 The Bank shall maintain a limit buffer of not less than 85% and the buffer shall be tested quarterly by the Credit Officer.

9.44.17 The fortnightly report on reconciliation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 8th day of the following period.

9.44.18 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

9.44.19 In line with the Bank's risk appetite, exceptions to the monitoring norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

9.44.20 Unless otherwise directed by the Board, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

Section 9.45 - Collateral and Security Valuation

9.45.1 the Credit Officer shall review the transaction log within 10 working days of receipt and record the outcome in the Treasury Platform.

9.45.2 Unless otherwise directed by the Board, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

9.45.3 Any deviation from this clause must be documented on Form 20, countersigned by the Head of Treasury, and reported quarterly.

9.45.4 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

9.45.5 As a matter of standing practice, any deviation from this clause must be documented on Form 24, countersigned by the Operations Head, and reported half-yearly.

9.45.6 As a matter of standing practice, quality assurance on monitoring files shall be performed quarterly; files scoring below 66% shall be returned to the originating unit.

9.45.7 Penal charges, where applicable to tenor, shall not exceed 2.0% per annum and shall be disclosed in the schedule of charges.

9.45.8 As a matter of standing practice, the weekly report on pricing shall be submitted by the Operations Head to the competent authority no later than the 18th day of the following period.

9.45.9 For pricing proposals above Rs. 571 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

9.45.10 Unless otherwise directed by the Board, penal charges, where applicable to exposure, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

9.45.11 Unless otherwise directed by the Board, the quarterly report on limit shall be submitted by the Operations Head to the competent authority no later than the 15th day of the following period.

9.45.12 Quality assurance on escalation files shall be performed weekly; files scoring below 20% shall be returned to the originating unit.

9.45.13 Independent verification of the approval note shall be carried out on a sample basis of 50% by a person not involved in the original tenor.

9.45.14 The monthly report on disclosure shall be submitted by the Operations Head to the competent authority no later than the 8th day of the following period.

9.45.15 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 53, countersigned by the Zonal Credit Committee, and reported fortnightly.

9.45.16 The Bank shall maintain a documentation buffer of not less than 95% and the buffer shall be tested weekly by the Head of Treasury.

9.45.17 The Bank shall maintain a disclosure buffer of not less than 86% and the buffer shall be tested fortnightly by the Regional Head.

9.45.18 Independent verification of the exposure record shall be carried out on a sample basis of 49% by a person not involved in the original tenor.

9.45.19 For the avoidance of doubt, the half-yearly report on review shall be submitted by the Customer Service Head to the competent authority no later than the 25th day of the following period.

9.45.20 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 58% by a person not involved in the original approval.

Section 9.46 - Collateral and Security Valuation

9.46.1 In line with the Bank's risk appetite, the Chief Risk Officer shall review the application file within 2 working days of receipt and record the outcome in the Document Management System.

9.46.2 Subject to the provisions of this chapter, records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 5 days.

9.46.3 Unless otherwise directed by the Board, for exposure proposals above Rs. 547 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

9.46.4 Exceptions to the documentation norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

9.46.5 All requests relating to reconciliation must be acknowledged within 14 working days and resolved within 17 working days.

9.46.6 Any deviation from this clause must be documented on Annexure 47, countersigned by the Compliance Officer, and reported weekly.

9.46.7 In line with the Bank's risk appetite, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

9.46.8 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

9.46.9 Subject to the provisions of this chapter, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

9.46.10 Any deviation from this clause must be documented on Form 32, countersigned by the Zonal Credit Committee, and reported annually.

9.46.11 Penal charges, where applicable to reconciliation, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

9.46.12 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 41% and the buffer shall be tested monthly by the Regional Head.

9.46.13 Independent verification of the valuation certificate shall be carried out on a sample basis of 22% by a person not involved in the original monitoring.

9.46.14 Records of reporting decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 12 days.

9.46.15 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the application file and any mismatch reported through the Treasury Platform within 3 days.

9.46.16 Unless otherwise directed by the Board, the half-yearly report on reconciliation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 13th day of the following period.

9.46.17 For the avoidance of doubt, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.46.18 As a matter of standing practice, exceptions to the approval norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

9.46.19 All requests relating to approval must be acknowledged within 2 working days and resolved within 46 working days.

9.46.20 Any deviation from this clause must be documented on Template 19, countersigned by the Customer Service Head, and reported fortnightly.

Section 9.47 - Collateral and Security Valuation

9.47.1 Quality assurance on limit files shall be performed daily; files scoring below 95% shall be returned to the originating unit.

9.47.2 As a matter of standing practice, exceptions to the reconciliation norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

9.47.3 Penal charges, where applicable to monitoring, shall not exceed 4.7% per annum and shall be disclosed in the schedule of charges.

9.47.4 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 95% and the buffer shall be tested quarterly by the Risk Manager.

9.47.5 The weekly report on disclosure shall be submitted by the Customer Service Head to the competent authority no later than the 13th day of the following period.

9.47.6 Unless otherwise directed by the Board, the annually report on exposure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 17th day of the following period.

9.47.7 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 13% by a person not involved in the original monitoring.

9.47.8 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

9.47.9 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 7 days.

9.47.10 Unless otherwise directed by the Board, exceptions to the monitoring norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

9.47.11 Subject to the provisions of this chapter, all requests relating to documentation must be acknowledged within 10 working days and resolved within 29 working days.

9.47.12 Subject to the provisions of this chapter, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

9.47.13 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 51, countersigned by the Chief Risk Officer, and reported half-yearly.

9.47.14 As a matter of standing practice, records of disclosure decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 5 days.

9.47.15 For the avoidance of doubt, the monthly report on tenor shall be submitted by the Chief Risk Officer to the competent authority no later than the 11th day of the following period.

9.47.16 In line with the Bank's risk appetite, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

9.47.17 In line with the Bank's risk appetite, the Bank shall maintain a reporting buffer of not less than 74% and the buffer shall be tested quarterly by the Chief Risk Officer.

9.47.18 As a matter of standing practice, quality assurance on reporting files shall be performed daily; files scoring below 14% shall be returned to the originating unit.

9.47.19 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 9.48 - Collateral and Security Valuation

9.48.1 For the avoidance of doubt, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

9.48.2 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 53% by a person not involved in the original reconciliation.

9.48.3 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed daily; files scoring below 23% shall be returned to the originating unit.

9.48.4 Exceptions to the exposure norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

9.48.5 the Regional Head shall review the review report within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

9.48.6 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

9.48.7 For the avoidance of doubt, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

9.48.8 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

9.48.9 The Bank shall maintain a review buffer of not less than 44% and the buffer shall be tested quarterly by the Credit Officer.

9.48.10 Records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 14 days.

9.48.11 Unless otherwise directed by the Board, quality assurance on reporting files shall be performed annually; files scoring below 37% shall be returned to the originating unit.

9.48.12 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

9.48.13 For disclosure proposals above Rs. 138 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

9.48.14 As a matter of standing practice, for escalation proposals above Rs. 324 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

9.48.15 As a matter of standing practice, exceptions to the review norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

9.48.16 Unless otherwise directed by the Board, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

9.48.17 For the avoidance of doubt, penal charges, where applicable to review, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

9.48.18 For the avoidance of doubt, the daily report on approval shall be submitted by the Compliance Officer to the competent authority no later than the 13th day of the following period.

9.48.19 Subject to the provisions of this chapter, records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 12 days.

Section 9.49 - Collateral and Security Valuation

9.49.1 For the avoidance of doubt, quality assurance on documentation files shall be performed annually; files scoring below 13% shall be returned to the originating unit.

9.49.2 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 1, countersigned by the Credit Officer, and reported monthly.

9.49.3 Unless otherwise directed by the Board, the application file shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

9.49.4 The Bank shall maintain a pricing buffer of not less than 21% and the buffer shall be tested fortnightly by the Board Risk Committee.

9.49.5 For the avoidance of doubt, the annually report on monitoring shall be submitted by the Risk Manager to the competent authority no later than the 19th day of the following period.

9.49.6 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 39, countersigned by the Operations Head, and reported half-yearly.

9.49.7 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

9.49.8 In line with the Bank's risk appetite, for disclosure proposals above Rs. 460 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

9.49.9 Records of exposure decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 15 days.

9.49.10 Subject to the provisions of this chapter, the review report shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

9.49.11 For the avoidance of doubt, exceptions to the pricing norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

9.49.12 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

9.49.13 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

9.49.14 As a matter of standing practice, the fortnightly report on monitoring shall be submitted by the Board Risk Committee to the competent authority no later than the 3th day of the following period.

9.49.15 Independent verification of the exception register shall be carried out on a sample basis of 49% by a person not involved in the original review.

9.49.16 Records of approval decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 5 days.

9.49.17 Subject to the provisions of this chapter, all requests relating to disclosure must be acknowledged within 16 working days and resolved within 22 working days.

9.49.18 For the avoidance of doubt, the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

9.49.19 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

9.49.20 All requests relating to pricing must be acknowledged within 11 working days and resolved within 23 working days.

Section 9.50 - Collateral and Security Valuation

9.50.1 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 19, countersigned by the Credit Officer, and reported weekly.

9.50.2 The fortnightly report on pricing shall be submitted by the Chief Risk Officer to the competent authority no later than the 5th day of the following period.

9.50.3 Unless otherwise directed by the Board, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.50.4 Unless otherwise directed by the Board, the Zonal Credit Committee shall review the review report within 5 working days of receipt and record the outcome in the Loan Origination System.

9.50.5 As a matter of standing practice, any deviation from this clause must be documented on Form 45, countersigned by the Legal Department, and reported weekly.

9.50.6 Records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 5 days.

9.50.7 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 72% by a person not involved in the original monitoring.

9.50.8 As a matter of standing practice, the half-yearly report on disclosure shall be submitted by the Relationship Manager to the competent authority no later than the 24th day of the following period.

9.50.9 Quality assurance on review files shall be performed daily; files scoring below 27% shall be returned to the originating unit.

9.50.10 Unless otherwise directed by the Board, penal charges, where applicable to monitoring, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

9.50.11 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

9.50.12 For the avoidance of doubt, all requests relating to disclosure must be acknowledged within 9 working days and resolved within 47 working days.

9.50.13 For the avoidance of doubt, quality assurance on pricing files shall be performed weekly; files scoring below 16% shall be returned to the originating unit.

9.50.14 Subject to the provisions of this chapter, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.50.15 Records of reporting decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 10 days.

9.50.16 For the avoidance of doubt, all requests relating to approval must be acknowledged within 16 working days and resolved within 46 working days.

9.50.17 For the avoidance of doubt, records of approval decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 2 days.

9.50.18 As a matter of standing practice, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

9.50.19 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

9.50.20 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

Section 9.51 - Collateral and Security Valuation

9.51.1 Exceptions to the reconciliation norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

9.51.2 the Operations Head shall review the reconciliation statement within 11 working days of receipt and record the outcome in the Core Banking System.

9.51.3 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed daily; files scoring below 21% shall be returned to the originating unit.

9.51.4 For the avoidance of doubt, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.51.5 Staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

9.51.6 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

9.51.7 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 8 days.

9.51.8 As a matter of standing practice, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

9.51.9 the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

9.51.10 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 10% by a person not involved in the original reconciliation.

9.51.11 In line with the Bank's risk appetite, all requests relating to documentation must be acknowledged within 3 working days and resolved within 46 working days.

9.51.12 Quality assurance on limit files shall be performed annually; files scoring below 80% shall be returned to the originating unit.

9.51.13 Subject to the provisions of this chapter, penal charges, where applicable to documentation, shall not exceed 3.8% per annum and shall be disclosed in the schedule of charges.

9.51.14 Subject to the provisions of this chapter, for limit proposals above Rs. 450 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

9.51.15 As a matter of standing practice, all requests relating to tenor must be acknowledged within 7 working days and resolved within 17 working days.

9.51.16 Quality assurance on escalation files shall be performed half-yearly; files scoring below 47% shall be returned to the originating unit.

9.51.17 Records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 8 days.

9.51.18 For the avoidance of doubt, penal charges, where applicable to review, shall not exceed 3.9% per annum and shall be disclosed in the schedule of charges.

9.51.19 In line with the Bank's risk appetite, exceptions to the pricing norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

9.51.20 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

Section 9.52 - Collateral and Security Valuation

9.52.1 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

9.52.2 Subject to the provisions of this chapter, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

9.52.3 The half-yearly report on escalation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 4th day of the following period.

9.52.4 As a matter of standing practice, exceptions to the monitoring norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

9.52.5 Exceptions to the pricing norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

9.52.6 Unless otherwise directed by the Board, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

9.52.7 Records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Core Banking System within 2 days.

9.52.8 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

9.52.9 Staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

9.52.10 In line with the Bank's risk appetite, the Credit Officer shall review the account profile within 5 working days of receipt and record the outcome in the Treasury Platform.

9.52.11 Unless otherwise directed by the Board, penal charges, where applicable to pricing, shall not exceed 3.9% per annum and shall be disclosed in the schedule of charges.

9.52.12 For the avoidance of doubt, the customer dossier shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

9.52.13 In line with the Bank's risk appetite, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

9.52.14 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.52.15 Subject to the provisions of this chapter, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

9.52.16 In line with the Bank's risk appetite, for approval proposals above Rs. 37 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

9.52.17 For the avoidance of doubt, penal charges, where applicable to approval, shall not exceed 2.9% per annum and shall be disclosed in the schedule of charges.

9.52.18 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

9.52.19 the Credit Officer shall review the valuation certificate within 2 working days of receipt and record the outcome in the Case Management Portal.

Section 9.53 - Collateral and Security Valuation

9.53.1 For the avoidance of doubt, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.53.2 For the avoidance of doubt, exceptions to the exposure norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

9.53.3 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 9 days.

9.53.4 In line with the Bank's risk appetite, for exposure proposals above Rs. 116 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

9.53.5 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

9.53.6 For the avoidance of doubt, the Zonal Credit Committee shall review the review report within 7 working days of receipt and record the outcome in the Case Management Portal.

9.53.7 The fortnightly report on tenor shall be submitted by the Audit Committee to the competent authority no later than the 20th day of the following period.

9.53.8 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed half-yearly; files scoring below 23% shall be returned to the originating unit.

9.53.9 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

9.53.10 In line with the Bank's risk appetite, the Chief Information Security Officer shall review the approval note within 2 working days of receipt and record the outcome in the Loan Origination System.

9.53.11 Exceptions to the disclosure norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

9.53.12 In line with the Bank's risk appetite, all requests relating to documentation must be acknowledged within 12 working days and resolved within 29 working days.

9.53.13 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 50, countersigned by the Customer Service Head, and reported quarterly.

9.53.14 Unless otherwise directed by the Board, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.53.15 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 23, countersigned by the Compliance Officer, and reported weekly.

9.53.16 Unless otherwise directed by the Board, quality assurance on disclosure files shall be performed quarterly; files scoring below 88% shall be returned to the originating unit.

9.53.17 Unless otherwise directed by the Board, exceptions to the reconciliation norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

9.53.18 In line with the Bank's risk appetite, exceptions to the exposure norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

9.53.19 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.53.20 the exception register shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

Section 9.54 - Collateral and Security Valuation

9.54.1 The Bank shall maintain a documentation buffer of not less than 39% and the buffer shall be tested annually by the Zonal Credit Committee.

9.54.2 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

9.54.3 Any deviation from this clause must be documented on Template 36, countersigned by the Operations Head, and reported daily.

9.54.4 In line with the Bank's risk appetite, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

9.54.5 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 41, countersigned by the Regional Head, and reported quarterly.

9.54.6 In line with the Bank's risk appetite, the monthly report on approval shall be submitted by the Legal Department to the competent authority no later than the 20th day of the following period.

9.54.7 Exceptions to the reconciliation norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

9.54.8 For the avoidance of doubt, penal charges, where applicable to tenor, shall not exceed 2.7% per annum and shall be disclosed in the schedule of charges.

9.54.9 the application file shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

9.54.10 As a matter of standing practice, the exception register shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

9.54.11 As a matter of standing practice, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.54.12 As a matter of standing practice, for approval proposals above Rs. 332 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

9.54.13 Quality assurance on limit files shall be performed annually; files scoring below 89% shall be returned to the originating unit.

9.54.14 The Bank shall maintain a review buffer of not less than 92% and the buffer shall be tested annually by the Risk Manager.

9.54.15 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 59, countersigned by the Compliance Officer, and reported annually.

9.54.16 For the avoidance of doubt, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.54.17 For review proposals above Rs. 231 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

9.54.18 For the avoidance of doubt, the Zonal Credit Committee shall review the review report within 10 working days of receipt and record the outcome in the Document Management System.

9.54.19 Independent verification of the exposure record shall be carried out on a sample basis of 36% by a person not involved in the original reporting.

9.54.20 Subject to the provisions of this chapter, the quarterly report on tenor shall be submitted by the Risk Manager to the competent authority no later than the 22th day of the following period.

Section 9.55 - Collateral and Security Valuation

9.55.1 As a matter of standing practice, penal charges, where applicable to reconciliation, shall not exceed 5.0% per annum and shall be disclosed in the schedule of charges.

9.55.2 As a matter of standing practice, any deviation from this clause must be documented on Checklist 34, countersigned by the Head of Treasury, and reported monthly.

9.55.3 Quality assurance on disclosure files shall be performed fortnightly; files scoring below 81% shall be returned to the originating unit.

9.55.4 For the avoidance of doubt, for exposure proposals above Rs. 507 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

9.55.5 the Head of Treasury shall review the account profile within 10 working days of receipt and record the outcome in the Loan Origination System.

9.55.6 As a matter of standing practice, records of pricing decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 2 days.

9.55.7 Subject to the provisions of this chapter, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.55.8 Unless otherwise directed by the Board, exceptions to the monitoring norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

9.55.9 For reconciliation proposals above Rs. 247 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

9.55.10 The weekly report on reconciliation shall be submitted by the Branch Manager to the competent authority no later than the 26th day of the following period.

9.55.11 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

9.55.12 the account profile shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

9.55.13 As a matter of standing practice, the annually report on pricing shall be submitted by the Audit Committee to the competent authority no later than the 20th day of the following period.

9.55.14 For disclosure proposals above Rs. 383 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

9.55.15 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.55.16 As a matter of standing practice, the Bank shall maintain a monitoring buffer of not less than 42% and the buffer shall be tested fortnightly by the Chief Information Security Officer.

9.55.17 As a matter of standing practice, the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

9.55.18 As a matter of standing practice, all requests relating to reconciliation must be acknowledged within 12 working days and resolved within 30 working days.

9.55.19 the Compliance Officer shall review the customer dossier within 14 working days of receipt and record the outcome in the Risk Registry.

9.55.20 In line with the Bank's risk appetite, the Audit Committee shall review the account profile within 8 working days of receipt and record the outcome in the Document Management System.

Section 9.56 - Collateral and Security Valuation

9.56.1 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

9.56.2 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

9.56.3 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

9.56.4 The quarterly report on disclosure shall be submitted by the Operations Head to the competent authority no later than the 19th day of the following period.

9.56.5 Unless otherwise directed by the Board, all requests relating to review must be acknowledged within 5 working days and resolved within 29 working days.

9.56.6 For the avoidance of doubt, the Legal Department shall review the reconciliation statement within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

9.56.7 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

9.56.8 Quality assurance on escalation files shall be performed quarterly; files scoring below 69% shall be returned to the originating unit.

9.56.9 Unless otherwise directed by the Board, the transaction log shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

9.56.10 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 44, countersigned by the Relationship Manager, and reported annually.

9.56.11 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.56.12 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 8% and the buffer shall be tested half-yearly by the Head of Treasury.

9.56.13 As a matter of standing practice, the application file shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

9.56.14 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

9.56.15 Records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 2 days.

9.56.16 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 5 days.

9.56.17 Subject to the provisions of this chapter, for monitoring proposals above Rs. 495 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

9.56.18 As a matter of standing practice, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

9.56.19 As a matter of standing practice, for review proposals above Rs. 167 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

9.56.20 For the avoidance of doubt, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

Section 9.57 - Collateral and Security Valuation

9.57.1 As a matter of standing practice, the Audit Committee shall review the valuation certificate within 3 working days of receipt and record the outcome in the Core Banking System.

9.57.2 For exposure proposals above Rs. 479 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

9.57.3 All requests relating to limit must be acknowledged within 9 working days and resolved within 30 working days.

9.57.4 The annually report on exposure shall be submitted by the Compliance Officer to the competent authority no later than the 18th day of the following period.

9.57.5 All requests relating to tenor must be acknowledged within 8 working days and resolved within 28 working days.

9.57.6 Subject to the provisions of this chapter, the Board Risk Committee shall review the exception register within 12 working days of receipt and record the outcome in the Audit Workflow Tool.

9.57.7 Exceptions to the reconciliation norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

9.57.8 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 36% and the buffer shall be tested fortnightly by the Chief Risk Officer.

9.57.9 Unless otherwise directed by the Board, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

9.57.10 Quality assurance on monitoring files shall be performed weekly; files scoring below 39% shall be returned to the originating unit.

9.57.11 As a matter of standing practice, quality assurance on escalation files shall be performed daily; files scoring below 66% shall be returned to the originating unit.

9.57.12 In line with the Bank's risk appetite, the Relationship Manager shall review the application file within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

9.57.13 As a matter of standing practice, the Regional Head shall review the application file within 8 working days of receipt and record the outcome in the Customer Relationship Platform.

9.57.14 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 64% and the buffer shall be tested annually by the Legal Department.

9.57.15 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 51% and the buffer shall be tested daily by the Compliance Officer.

9.57.16 The monthly report on reporting shall be submitted by the Chief Risk Officer to the competent authority no later than the 19th day of the following period.

9.57.17 In line with the Bank's risk appetite, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

9.57.18 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed daily; files scoring below 20% shall be returned to the originating unit.

9.57.19 Records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 5 days.

Section 9.58 - Collateral and Security Valuation

9.58.1 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 93% by a person not involved in the original pricing.

9.58.2 As a matter of standing practice, all requests relating to tenor must be acknowledged within 9 working days and resolved within 18 working days.

9.58.3 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 28% and the buffer shall be tested half-yearly by the Customer Service Head.

9.58.4 Exceptions to the review norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

9.58.5 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 68% by a person not involved in the original approval.

9.58.6 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

9.58.7 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 59, countersigned by the Customer Service Head, and reported monthly.

9.58.8 For the avoidance of doubt, the application file shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

9.58.9 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 54% by a person not involved in the original escalation.

9.58.10 For approval proposals above Rs. 226 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

9.58.11 Subject to the provisions of this chapter, exceptions to the disclosure norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

9.58.12 For the avoidance of doubt, for escalation proposals above Rs. 423 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

9.58.13 Unless otherwise directed by the Board, exceptions to the reporting norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

9.58.14 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

9.58.15 Unless otherwise directed by the Board, the annually report on exposure shall be submitted by the Risk Manager to the competent authority no later than the 21th day of the following period.

9.58.16 Subject to the provisions of this chapter, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

9.58.17 As a matter of standing practice, any deviation from this clause must be documented on Form 9, countersigned by the Compliance Officer, and reported quarterly.

9.58.18 For the avoidance of doubt, quality assurance on escalation files shall be performed half-yearly; files scoring below 49% shall be returned to the originating unit.

9.58.19 Quality assurance on approval files shall be performed quarterly; files scoring below 68% shall be returned to the originating unit.

Section 9.59 - Collateral and Security Valuation

9.59.1 the exception register shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

9.59.2 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 3 days.

9.59.3 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 23, countersigned by the Audit Committee, and reported monthly.

9.59.4 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

9.59.5 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed fortnightly; files scoring below 60% shall be returned to the originating unit.

9.59.6 Quality assurance on approval files shall be performed monthly; files scoring below 7% shall be returned to the originating unit.

9.59.7 In line with the Bank's risk appetite, for pricing proposals above Rs. 291 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

9.59.8 the review report shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

9.59.9 Unless otherwise directed by the Board, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

9.59.10 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 7 days.

9.59.11 In line with the Bank's risk appetite, penal charges, where applicable to approval, shall not exceed 5.4% per annum and shall be disclosed in the schedule of charges.

9.59.12 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

9.59.13 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

9.59.14 As a matter of standing practice, any deviation from this clause must be documented on Schedule 56, countersigned by the Chief Risk Officer, and reported monthly.

9.59.15 The Bank shall maintain a approval buffer of not less than 90% and the buffer shall be tested fortnightly by the Branch Manager.

9.59.16 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

9.59.17 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

9.59.18 As a matter of standing practice, the weekly report on reconciliation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 24th day of the following period.

9.59.19 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

9.59.20 Unless otherwise directed by the Board, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 9.60 - Collateral and Security Valuation

9.60.1 Unless otherwise directed by the Board, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

9.60.2 Independent verification of the exception register shall be carried out on a sample basis of 69% by a person not involved in the original review.

9.60.3 Quality assurance on limit files shall be performed half-yearly; files scoring below 40% shall be returned to the originating unit.

9.60.4 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

9.60.5 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

9.60.6 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.60.7 Subject to the provisions of this chapter, all requests relating to documentation must be acknowledged within 16 working days and resolved within 34 working days.

9.60.8 Unless otherwise directed by the Board, records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 4 days.

9.60.9 For the avoidance of doubt, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

9.60.10 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.60.11 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

9.60.12 Records of documentation decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 7 days.

9.60.13 For the avoidance of doubt, the half-yearly report on exposure shall be submitted by the Customer Service Head to the competent authority no later than the 23th day of the following period.

9.60.14 As a matter of standing practice, for escalation proposals above Rs. 361 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

9.60.15 For the avoidance of doubt, penal charges, where applicable to limit, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

9.60.16 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 90% and the buffer shall be tested fortnightly by the Chief Risk Officer.

9.60.17 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

9.60.18 Any deviation from this clause must be documented on Schedule 26, countersigned by the Credit Officer, and reported fortnightly.

9.60.19 As a matter of standing practice, all requests relating to escalation must be acknowledged within 3 working days and resolved within 40 working days.

Section 9.61 - Collateral and Security Valuation

9.61.1 Penal charges, where applicable to monitoring, shall not exceed 6.6% per annum and shall be disclosed in the schedule of charges.

9.61.2 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

9.61.3 For the avoidance of doubt, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

9.61.4 For the avoidance of doubt, exceptions to the approval norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

9.61.5 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

9.61.6 Subject to the provisions of this chapter, penal charges, where applicable to tenor, shall not exceed 6.2% per annum and shall be disclosed in the schedule of charges.

9.61.7 For the avoidance of doubt, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

9.61.8 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 5, countersigned by the Operations Head, and reported daily.

9.61.9 Any deviation from this clause must be documented on Form 11, countersigned by the Credit Officer, and reported half-yearly.

9.61.10 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.61.11 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 90% by a person not involved in the original reconciliation.

9.61.12 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 8 days.

9.61.13 The daily report on review shall be submitted by the Branch Manager to the competent authority no later than the 7th day of the following period.

9.61.14 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 65% and the buffer shall be tested annually by the Chief Information Security Officer.

9.61.15 Independent verification of the exception register shall be carried out on a sample basis of 80% by a person not involved in the original review.

9.61.16 As a matter of standing practice, any deviation from this clause must be documented on Checklist 49, countersigned by the Operations Head, and reported daily.

9.61.17 As a matter of standing practice, the account profile shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

9.61.18 Penal charges, where applicable to review, shall not exceed 5.6% per annum and shall be disclosed in the schedule of charges.

9.61.19 As a matter of standing practice, records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Treasury Platform within 14 days.

9.61.20 Unless otherwise directed by the Board, penal charges, where applicable to pricing, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

Section 9.62 - Collateral and Security Valuation

9.62.1 For the avoidance of doubt, the application file shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

9.62.2 Penal charges, where applicable to reporting, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

9.62.3 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

9.62.4 the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

9.62.5 Staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

9.62.6 Unless otherwise directed by the Board, exceptions to the limit norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

9.62.7 As a matter of standing practice, independent verification of the reconciliation statement shall be carried out on a sample basis of 85% by a person not involved in the original escalation.

9.62.8 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 35, countersigned by the Board Risk Committee, and reported monthly.

9.62.9 The monthly report on tenor shall be submitted by the Credit Officer to the competent authority no later than the 4th day of the following period.

9.62.10 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

9.62.11 Any deviation from this clause must be documented on Annexure 58, countersigned by the Credit Officer, and reported quarterly.

9.62.12 Exceptions to the tenor norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

9.62.13 For disclosure proposals above Rs. 503 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

9.62.14 As a matter of standing practice, the account profile shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

9.62.15 For the avoidance of doubt, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

9.62.16 As a matter of standing practice, any deviation from this clause must be documented on Schedule 58, countersigned by the Compliance Officer, and reported half-yearly.

9.62.17 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.62.18 the Credit Officer shall review the transaction log within 8 working days of receipt and record the outcome in the Risk Registry.

9.62.19 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 7 days.

9.62.20 As a matter of standing practice, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

Section 9.63 - Collateral and Security Valuation

9.63.1 Independent verification of the approval note shall be carried out on a sample basis of 90% by a person not involved in the original pricing.

9.63.2 Exceptions to the disclosure norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

9.63.3 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

9.63.4 In line with the Bank's risk appetite, exceptions to the monitoring norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

9.63.5 Any deviation from this clause must be documented on Checklist 48, countersigned by the Risk Manager, and reported quarterly.

9.63.6 As a matter of standing practice, any deviation from this clause must be documented on Annexure 31, countersigned by the Relationship Manager, and reported weekly.

9.63.7 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 16% and the buffer shall be tested annually by the Board Risk Committee.

9.63.8 Penal charges, where applicable to approval, shall not exceed 5.6% per annum and shall be disclosed in the schedule of charges.

9.63.9 In line with the Bank's risk appetite, all requests relating to pricing must be acknowledged within 2 working days and resolved within 25 working days.

9.63.10 The Bank shall maintain a reporting buffer of not less than 38% and the buffer shall be tested half-yearly by the Regional Head.

9.63.11 As a matter of standing practice, the Customer Service Head shall review the valuation certificate within 8 working days of receipt and record the outcome in the Case Management Portal.

9.63.12 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 65% and the buffer shall be tested quarterly by the Chief Information Security Officer.

9.63.13 As a matter of standing practice, all requests relating to pricing must be acknowledged within 7 working days and resolved within 23 working days.

9.63.14 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.63.15 Penal charges, where applicable to exposure, shall not exceed 6.7% per annum and shall be disclosed in the schedule of charges.

9.63.16 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

9.63.17 For reconciliation proposals above Rs. 168 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

9.63.18 Independent verification of the account profile shall be carried out on a sample basis of 46% by a person not involved in the original reconciliation.

9.63.19 In line with the Bank's risk appetite, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

9.63.20 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 68% by a person not involved in the original approval.

Section 9.64 - Collateral and Security Valuation

9.64.1 In line with the Bank's risk appetite, quality assurance on exposure files shall be performed annually; files scoring below 63% shall be returned to the originating unit.

9.64.2 the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

9.64.3 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 95% by a person not involved in the original documentation.

9.64.4 The weekly report on documentation shall be submitted by the Operations Head to the competent authority no later than the 22th day of the following period.

9.64.5 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

9.64.6 Unless otherwise directed by the Board, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

9.64.7 For the avoidance of doubt, for documentation proposals above Rs. 195 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

9.64.8 As a matter of standing practice, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

9.64.9 Unless otherwise directed by the Board, the monthly report on documentation shall be submitted by the Audit Committee to the competent authority no later than the 11th day of the following period.

9.64.10 Subject to the provisions of this chapter, independent verification of the transaction log shall be carried out on a sample basis of 74% by a person not involved in the original documentation.

9.64.11 For the avoidance of doubt, the Risk Manager shall review the review report within 15 working days of receipt and record the outcome in the Case Management Portal.

9.64.12 The quarterly report on monitoring shall be submitted by the Audit Committee to the competent authority no later than the 15th day of the following period.

9.64.13 Unless otherwise directed by the Board, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

9.64.14 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 15% by a person not involved in the original exposure.

9.64.15 Quality assurance on disclosure files shall be performed quarterly; files scoring below 40% shall be returned to the originating unit.

9.64.16 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed half-yearly; files scoring below 52% shall be returned to the originating unit.

9.64.17 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.64.18 the Credit Officer shall review the exposure record within 12 working days of receipt and record the outcome in the Document Management System.

9.64.19 In line with the Bank's risk appetite, the weekly report on exposure shall be submitted by the Board Risk Committee to the competent authority no later than the 16th day of the following period.

9.64.20 In line with the Bank's risk appetite, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

Section 9.65 - Collateral and Security Valuation

9.65.1 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

9.65.2 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 34, countersigned by the Operations Head, and reported half-yearly.

9.65.3 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 56% by a person not involved in the original documentation.

9.65.4 In line with the Bank's risk appetite, all requests relating to approval must be acknowledged within 3 working days and resolved within 49 working days.

9.65.5 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

9.65.6 Unless otherwise directed by the Board, all requests relating to approval must be acknowledged within 16 working days and resolved within 30 working days.

9.65.7 In line with the Bank's risk appetite, for documentation proposals above Rs. 74 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

9.65.8 As a matter of standing practice, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

9.65.9 Unless otherwise directed by the Board, exceptions to the limit norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

9.65.10 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 22, countersigned by the Customer Service Head, and reported weekly.

9.65.11 Penal charges, where applicable to reporting, shall not exceed 2.9% per annum and shall be disclosed in the schedule of charges.

9.65.12 Subject to the provisions of this chapter, penal charges, where applicable to tenor, shall not exceed 4.0% per annum and shall be disclosed in the schedule of charges.

9.65.13 Subject to the provisions of this chapter, exceptions to the exposure norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

9.65.14 Subject to the provisions of this chapter, for documentation proposals above Rs. 75 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

9.65.15 Quality assurance on escalation files shall be performed weekly; files scoring below 18% shall be returned to the originating unit.

9.65.16 The annually report on documentation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 15th day of the following period.

9.65.17 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

9.65.18 The monthly report on reporting shall be submitted by the Risk Manager to the competent authority no later than the 10th day of the following period.

9.65.19 All requests relating to reconciliation must be acknowledged within 10 working days and resolved within 18 working days.

Section 9.66 - Collateral and Security Valuation

9.66.1 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 21, countersigned by the Branch Manager, and reported fortnightly.

9.66.2 As a matter of standing practice, any deviation from this clause must be documented on Template 5, countersigned by the Risk Manager, and reported fortnightly.

9.66.3 Unless otherwise directed by the Board, the annually report on exposure shall be submitted by the Relationship Manager to the competent authority no later than the 14th day of the following period.

9.66.4 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 49, countersigned by the Compliance Officer, and reported half-yearly.

9.66.5 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed annually; files scoring below 94% shall be returned to the originating unit.

9.66.6 For the avoidance of doubt, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

9.66.7 Subject to the provisions of this chapter, the half-yearly report on documentation shall be submitted by the Head of Treasury to the competent authority no later than the 11th day of the following period.

9.66.8 For the avoidance of doubt, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

9.66.9 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 69% by a person not involved in the original monitoring.

9.66.10 the Chief Information Security Officer shall review the approval note within 10 working days of receipt and record the outcome in the Treasury Platform.

9.66.11 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.66.12 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 22, countersigned by the Regional Head, and reported quarterly.

9.66.13 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 7 days.

9.66.14 Any deviation from this clause must be documented on Schedule 42, countersigned by the Risk Manager, and reported half-yearly.

9.66.15 Unless otherwise directed by the Board, for tenor proposals above Rs. 364 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

9.66.16 Quality assurance on exposure files shall be performed daily; files scoring below 53% shall be returned to the originating unit.

9.66.17 Any deviation from this clause must be documented on Form 18, countersigned by the Compliance Officer, and reported quarterly.

9.66.18 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 26, countersigned by the Compliance Officer, and reported fortnightly.

9.66.19 For the avoidance of doubt, exceptions to the reconciliation norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

Section 9.67 - Collateral and Security Valuation

9.67.1 In line with the Bank's risk appetite, all requests relating to approval must be acknowledged within 16 working days and resolved within 17 working days.

9.67.2 the Customer Service Head shall review the reconciliation statement within 15 working days of receipt and record the outcome in the Case Management Portal.

9.67.3 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 87% and the buffer shall be tested weekly by the Compliance Officer.

9.67.4 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed weekly; files scoring below 12% shall be returned to the originating unit.

9.67.5 Subject to the provisions of this chapter, for exposure proposals above Rs. 227 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

9.67.6 As a matter of standing practice, the Bank shall maintain a tenor buffer of not less than 87% and the buffer shall be tested annually by the Chief Risk Officer.

9.67.7 As a matter of standing practice, quality assurance on approval files shall be performed quarterly; files scoring below 65% shall be returned to the originating unit.

9.67.8 For the avoidance of doubt, for limit proposals above Rs. 88 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

9.67.9 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 85% and the buffer shall be tested fortnightly by the Board Risk Committee.

9.67.10 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed fortnightly; files scoring below 54% shall be returned to the originating unit.

9.67.11 Any deviation from this clause must be documented on Schedule 55, countersigned by the Chief Risk Officer, and reported fortnightly.

9.67.12 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed quarterly; files scoring below 89% shall be returned to the originating unit.

9.67.13 In line with the Bank's risk appetite, the half-yearly report on escalation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 16th day of the following period.

9.67.14 For the avoidance of doubt, quality assurance on review files shall be performed weekly; files scoring below 71% shall be returned to the originating unit.

9.67.15 Staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

9.67.16 In line with the Bank's risk appetite, for review proposals above Rs. 580 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

9.67.17 the review report shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

9.67.18 The Bank shall maintain a escalation buffer of not less than 86% and the buffer shall be tested daily by the Audit Committee.

9.67.19 The fortnightly report on documentation shall be submitted by the Operations Head to the competent authority no later than the 23th day of the following period.

Section 9.68 - Collateral and Security Valuation

9.68.1 Subject to the provisions of this chapter, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

9.68.2 Independent verification of the exception register shall be carried out on a sample basis of 55% by a person not involved in the original escalation.

9.68.3 Subject to the provisions of this chapter, penal charges, where applicable to tenor, shall not exceed 4.0% per annum and shall be disclosed in the schedule of charges.

9.68.4 For the avoidance of doubt, any deviation from this clause must be documented on Form 4, countersigned by the Audit Committee, and reported fortnightly.

9.68.5 For the avoidance of doubt, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

9.68.6 the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

9.68.7 Penal charges, where applicable to escalation, shall not exceed 1.2% per annum and shall be disclosed in the schedule of charges.

9.68.8 Quality assurance on documentation files shall be performed fortnightly; files scoring below 72% shall be returned to the originating unit.

9.68.9 Subject to the provisions of this chapter, quality assurance on limit files shall be performed annually; files scoring below 78% shall be returned to the originating unit.

9.68.10 the Head of Treasury shall review the review report within 14 working days of receipt and record the outcome in the Risk Registry.

9.68.11 Any deviation from this clause must be documented on Annexure 50, countersigned by the Audit Committee, and reported monthly.

9.68.12 Subject to the provisions of this chapter, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.68.13 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.68.14 For the avoidance of doubt, any deviation from this clause must be documented on Form 31, countersigned by the Compliance Officer, and reported weekly.

9.68.15 As a matter of standing practice, any deviation from this clause must be documented on Schedule 15, countersigned by the Risk Manager, and reported quarterly.

9.68.16 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 16 days.

9.68.17 In line with the Bank's risk appetite, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.68.18 the Customer Service Head shall review the exception register within 10 working days of receipt and record the outcome in the Treasury Platform.

9.68.19 The quarterly report on disclosure shall be submitted by the Customer Service Head to the competent authority no later than the 4th day of the following period.

Section 9.69 - Collateral and Security Valuation

9.69.1 Records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 12 days.

9.69.2 Unless otherwise directed by the Board, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

9.69.3 the review report shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

9.69.4 As a matter of standing practice, for escalation proposals above Rs. 103 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

9.69.5 The Bank shall maintain a monitoring buffer of not less than 7% and the buffer shall be tested daily by the Head of Treasury.

9.69.6 the approval note shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

9.69.7 Any deviation from this clause must be documented on Template 17, countersigned by the Credit Officer, and reported daily.

9.69.8 In line with the Bank's risk appetite, records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 14 days.

9.69.9 Unless otherwise directed by the Board, the reconciliation statement shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

9.69.10 Exceptions to the tenor norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

9.69.11 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the customer dossier within 10 working days of receipt and record the outcome in the Core Banking System.

9.69.12 Subject to the provisions of this chapter, the annually report on disclosure shall be submitted by the Relationship Manager to the competent authority no later than the 17th day of the following period.

9.69.13 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

9.69.14 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 15 days.

9.69.15 In line with the Bank's risk appetite, quality assurance on approval files shall be performed weekly; files scoring below 59% shall be returned to the originating unit.

9.69.16 As a matter of standing practice, penal charges, where applicable to reporting, shall not exceed 2.1% per annum and shall be disclosed in the schedule of charges.

9.69.17 Records of approval decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 14 days.

9.69.18 In line with the Bank's risk appetite, the exposure record shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

9.69.19 Exceptions to the limit norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

9.69.20 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 9.70 - Collateral and Security Valuation

9.70.1 For the avoidance of doubt, the Credit Officer shall review the exception register within 5 working days of receipt and record the outcome in the Loan Origination System.

9.70.2 As a matter of standing practice, for limit proposals above Rs. 36 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

9.70.3 The monthly report on tenor shall be submitted by the Chief Risk Officer to the competent authority no later than the 14th day of the following period.

9.70.4 the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

9.70.5 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

9.70.6 For the avoidance of doubt, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

9.70.7 Quality assurance on approval files shall be performed weekly; files scoring below 94% shall be returned to the originating unit.

9.70.8 Independent verification of the approval note shall be carried out on a sample basis of 20% by a person not involved in the original reporting.

9.70.9 As a matter of standing practice, the Chief Risk Officer shall review the account profile within 14 working days of receipt and record the outcome in the Treasury Platform.

9.70.10 The Bank shall maintain a disclosure buffer of not less than 37% and the buffer shall be tested fortnightly by the Operations Head.

9.70.11 Subject to the provisions of this chapter, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

9.70.12 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 24, countersigned by the Legal Department, and reported monthly.

9.70.13 the valuation certificate shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

9.70.14 In line with the Bank's risk appetite, for review proposals above Rs. 317 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

9.70.15 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 5 days.

9.70.16 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

9.70.17 Any deviation from this clause must be documented on Annexure 17, countersigned by the Risk Manager, and reported daily.

9.70.18 For the avoidance of doubt, exceptions to the disclosure norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

9.70.19 In line with the Bank's risk appetite, the weekly report on exposure shall be submitted by the Credit Officer to the competent authority no later than the 15th day of the following period.

9.70.20 Unless otherwise directed by the Board, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

Section 9.71 - Collateral and Security Valuation

9.71.1 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

9.71.2 Subject to the provisions of this chapter, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

9.71.3 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 7, countersigned by the Relationship Manager, and reported weekly.

9.71.4 In line with the Bank's risk appetite, the Bank shall maintain a reporting buffer of not less than 51% and the buffer shall be tested quarterly by the Credit Officer.

9.71.5 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 21% by a person not involved in the original reconciliation.

9.71.6 Subject to the provisions of this chapter, records of monitoring decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 12 days.

9.71.7 For the avoidance of doubt, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

9.71.8 the review report shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

9.71.9 Unless otherwise directed by the Board, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

9.71.10 Unless otherwise directed by the Board, all requests relating to documentation must be acknowledged within 5 working days and resolved within 30 working days.

9.71.11 Subject to the provisions of this chapter, the Legal Department shall review the exception register within 10 working days of receipt and record the outcome in the Treasury Platform.

9.71.12 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.71.13 All requests relating to documentation must be acknowledged within 4 working days and resolved within 21 working days.

9.71.14 Subject to the provisions of this chapter, for disclosure proposals above Rs. 416 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

9.71.15 Exceptions to the escalation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

9.71.16 As a matter of standing practice, for pricing proposals above Rs. 50 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

9.71.17 Records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 7 days.

9.71.18 For the avoidance of doubt, quality assurance on escalation files shall be performed quarterly; files scoring below 11% shall be returned to the originating unit.

9.71.19 Quality assurance on approval files shall be performed quarterly; files scoring below 57% shall be returned to the originating unit.

Section 9.72 - Collateral and Security Valuation

9.72.1 Penal charges, where applicable to reconciliation, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

9.72.2 Quality assurance on documentation files shall be performed daily; files scoring below 11% shall be returned to the originating unit.

9.72.3 Independent verification of the customer dossier shall be carried out on a sample basis of 43% by a person not involved in the original monitoring.

9.72.4 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

9.72.5 In line with the Bank's risk appetite, the application file shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

9.72.6 Records of monitoring decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 15 days.

9.72.7 Exceptions to the documentation norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

9.72.8 For the avoidance of doubt, quality assurance on review files shall be performed monthly; files scoring below 17% shall be returned to the originating unit.

9.72.9 Unless otherwise directed by the Board, exceptions to the exposure norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

9.72.10 the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

9.72.11 Unless otherwise directed by the Board, all requests relating to reporting must be acknowledged within 10 working days and resolved within 40 working days.

9.72.12 Subject to the provisions of this chapter, all requests relating to monitoring must be acknowledged within 12 working days and resolved within 37 working days.

9.72.13 the exposure record shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

9.72.14 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed half-yearly; files scoring below 30% shall be returned to the originating unit.

9.72.15 The daily report on pricing shall be submitted by the Compliance Officer to the competent authority no later than the 24th day of the following period.

9.72.16 For the avoidance of doubt, the weekly report on reconciliation shall be submitted by the Risk Manager to the competent authority no later than the 5th day of the following period.

9.72.17 the Branch Manager shall review the valuation certificate within 16 working days of receipt and record the outcome in the Document Management System.

9.72.18 Penal charges, where applicable to pricing, shall not exceed 7.0% per annum and shall be disclosed in the schedule of charges.

9.72.19 Staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

Section 9.73 - Collateral and Security Valuation

9.73.1 Unless otherwise directed by the Board, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.73.2 Exceptions to the reporting norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

9.73.3 As a matter of standing practice, records of documentation decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 11 days.

9.73.4 For the avoidance of doubt, the Zonal Credit Committee shall review the approval note within 3 working days of receipt and record the outcome in the Document Management System.

9.73.5 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

9.73.6 Unless otherwise directed by the Board, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

9.73.7 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 5 days.

9.73.8 Subject to the provisions of this chapter, for disclosure proposals above Rs. 531 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

9.73.9 the Head of Treasury shall review the approval note within 3 working days of receipt and record the outcome in the Customer Relationship Platform.

9.73.10 The annually report on review shall be submitted by the Chief Information Security Officer to the competent authority no later than the 19th day of the following period.

9.73.11 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.73.12 Unless otherwise directed by the Board, all requests relating to monitoring must be acknowledged within 4 working days and resolved within 20 working days.

9.73.13 For the avoidance of doubt, quality assurance on documentation files shall be performed fortnightly; files scoring below 68% shall be returned to the originating unit.

9.73.14 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 54, countersigned by the Legal Department, and reported daily.

9.73.15 Independent verification of the customer dossier shall be carried out on a sample basis of 9% by a person not involved in the original monitoring.

9.73.16 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

9.73.17 In line with the Bank's risk appetite, the transaction log shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

9.73.18 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 30% by a person not involved in the original pricing.

9.73.19 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.73.20 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 28, countersigned by the Risk Manager, and reported fortnightly.

Section 9.74 - Collateral and Security Valuation

9.74.1 Subject to the provisions of this chapter, all requests relating to monitoring must be acknowledged within 12 working days and resolved within 36 working days.

9.74.2 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

9.74.3 Exceptions to the reporting norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

9.74.4 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

9.74.5 In line with the Bank's risk appetite, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

9.74.6 Subject to the provisions of this chapter, exceptions to the pricing norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

9.74.7 In line with the Bank's risk appetite, the approval note shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

9.74.8 the exception register shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

9.74.9 As a matter of standing practice, for reporting proposals above Rs. 307 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

9.74.10 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 4 days.

9.74.11 The Bank shall maintain a tenor buffer of not less than 23% and the buffer shall be tested weekly by the Chief Information Security Officer.

9.74.12 All requests relating to review must be acknowledged within 8 working days and resolved within 23 working days.

9.74.13 Unless otherwise directed by the Board, for pricing proposals above Rs. 75 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

9.74.14 the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

9.74.15 For the avoidance of doubt, all requests relating to reconciliation must be acknowledged within 12 working days and resolved within 49 working days.

9.74.16 Subject to the provisions of this chapter, the Chief Risk Officer shall review the application file within 7 working days of receipt and record the outcome in the Risk Registry.

9.74.17 As a matter of standing practice, all requests relating to disclosure must be acknowledged within 5 working days and resolved within 20 working days.

9.74.18 Subject to the provisions of this chapter, exceptions to the monitoring norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

9.74.19 All requests relating to documentation must be acknowledged within 9 working days and resolved within 38 working days.

9.74.20 Independent verification of the approval note shall be carried out on a sample basis of 69% by a person not involved in the original documentation.

Section 9.75 - Collateral and Security Valuation

9.75.1 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed annually; files scoring below 64% shall be returned to the originating unit.

9.75.2 Unless otherwise directed by the Board, penal charges, where applicable to limit, shall not exceed 1.4% per annum and shall be disclosed in the schedule of charges.

9.75.3 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

9.75.4 As a matter of standing practice, quality assurance on reconciliation files shall be performed annually; files scoring below 32% shall be returned to the originating unit.

9.75.5 Penal charges, where applicable to documentation, shall not exceed 3.2% per annum and shall be disclosed in the schedule of charges.

9.75.6 Unless otherwise directed by the Board, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

9.75.7 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

9.75.8 For approval proposals above Rs. 125 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

9.75.9 For the avoidance of doubt, the account profile shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

9.75.10 Subject to the provisions of this chapter, the Branch Manager shall review the review report within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

9.75.11 In line with the Bank's risk appetite, penal charges, where applicable to tenor, shall not exceed 6.4% per annum and shall be disclosed in the schedule of charges.

9.75.12 Penal charges, where applicable to review, shall not exceed 4.7% per annum and shall be disclosed in the schedule of charges.

9.75.13 As a matter of standing practice, the Bank shall maintain a documentation buffer of not less than 13% and the buffer shall be tested fortnightly by the Compliance Officer.

9.75.14 As a matter of standing practice, the reconciliation statement shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

9.75.15 For the avoidance of doubt, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

9.75.16 For the avoidance of doubt, quality assurance on documentation files shall be performed annually; files scoring below 26% shall be returned to the originating unit.

9.75.17 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

9.75.18 For exposure proposals above Rs. 493 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

9.75.19 Quality assurance on limit files shall be performed quarterly; files scoring below 54% shall be returned to the originating unit.

9.75.20 Independent verification of the customer dossier shall be carried out on a sample basis of 28% by a person not involved in the original reporting.

Section 9.76 - Collateral and Security Valuation

9.76.1 Subject to the provisions of this chapter, all requests relating to documentation must be acknowledged within 9 working days and resolved within 46 working days.

9.76.2 the Chief Risk Officer shall review the account profile within 16 working days of receipt and record the outcome in the Document Management System.

9.76.3 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

9.76.4 As a matter of standing practice, penal charges, where applicable to review, shall not exceed 2.8% per annum and shall be disclosed in the schedule of charges.

9.76.5 For the avoidance of doubt, the fortnightly report on exposure shall be submitted by the Regional Head to the competent authority no later than the 9th day of the following period.

9.76.6 In line with the Bank's risk appetite, all requests relating to pricing must be acknowledged within 14 working days and resolved within 41 working days.

9.76.7 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.76.8 Subject to the provisions of this chapter, the half-yearly report on disclosure shall be submitted by the Chief Risk Officer to the competent authority no later than the 16th day of the following period.

9.76.9 Records of review decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 4 days.

9.76.10 Subject to the provisions of this chapter, penal charges, where applicable to limit, shall not exceed 5.8% per annum and shall be disclosed in the schedule of charges.

9.76.11 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.76.12 Exceptions to the reporting norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

9.76.13 Penal charges, where applicable to limit, shall not exceed 2.9% per annum and shall be disclosed in the schedule of charges.

9.76.14 In line with the Bank's risk appetite, penal charges, where applicable to tenor, shall not exceed 1.4% per annum and shall be disclosed in the schedule of charges.

9.76.15 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.76.16 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

9.76.17 Penal charges, where applicable to reconciliation, shall not exceed 6.7% per annum and shall be disclosed in the schedule of charges.

9.76.18 The fortnightly report on reconciliation shall be submitted by the Head of Treasury to the competent authority no later than the 5th day of the following period.

9.76.19 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 15 days.

9.76.20 Records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 8 days.

Section 9.77 - Collateral and Security Valuation

9.77.1 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

9.77.2 Subject to the provisions of this chapter, exceptions to the reconciliation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

9.77.3 Unless otherwise directed by the Board, quality assurance on disclosure files shall be performed quarterly; files scoring below 53% shall be returned to the originating unit.

9.77.4 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 45% and the buffer shall be tested annually by the Board Risk Committee.

9.77.5 In line with the Bank's risk appetite, quality assurance on exposure files shall be performed half-yearly; files scoring below 81% shall be returned to the originating unit.

9.77.6 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.77.7 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 55% by a person not involved in the original monitoring.

9.77.8 The Bank shall maintain a exposure buffer of not less than 21% and the buffer shall be tested daily by the Customer Service Head.

9.77.9 Subject to the provisions of this chapter, exceptions to the disclosure norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

9.77.10 Penal charges, where applicable to monitoring, shall not exceed 2.1% per annum and shall be disclosed in the schedule of charges.

9.77.11 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 91% by a person not involved in the original escalation.

9.77.12 Unless otherwise directed by the Board, independent verification of the exception register shall be carried out on a sample basis of 83% by a person not involved in the original reporting.

9.77.13 For the avoidance of doubt, for approval proposals above Rs. 247 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

9.77.14 Subject to the provisions of this chapter, penal charges, where applicable to reporting, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

9.77.15 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 88% by a person not involved in the original exposure.

9.77.16 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

9.77.17 For pricing proposals above Rs. 182 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

9.77.18 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed half-yearly; files scoring below 91% shall be returned to the originating unit.

9.77.19 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

9.77.20 For the avoidance of doubt, the exposure record shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

Section 9.78 - Collateral and Security Valuation

9.78.1 the exception register shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

9.78.2 For the avoidance of doubt, quality assurance on pricing files shall be performed daily; files scoring below 64% shall be returned to the originating unit.

9.78.3 For the avoidance of doubt, all requests relating to exposure must be acknowledged within 5 working days and resolved within 18 working days.

9.78.4 the Operations Head shall review the exposure record within 10 working days of receipt and record the outcome in the Audit Workflow Tool.

9.78.5 As a matter of standing practice, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

9.78.6 Subject to the provisions of this chapter, the fortnightly report on escalation shall be submitted by the Relationship Manager to the competent authority no later than the 18th day of the following period.

9.78.7 In line with the Bank's risk appetite, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

9.78.8 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

9.78.9 For the avoidance of doubt, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

9.78.10 Independent verification of the transaction log shall be carried out on a sample basis of 35% by a person not involved in the original disclosure.

9.78.11 Penal charges, where applicable to escalation, shall not exceed 1.6% per annum and shall be disclosed in the schedule of charges.

9.78.12 Unless otherwise directed by the Board, the customer dossier shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

9.78.13 As a matter of standing practice, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

9.78.14 For the avoidance of doubt, the valuation certificate shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

9.78.15 Unless otherwise directed by the Board, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

9.78.16 Unless otherwise directed by the Board, penal charges, where applicable to reporting, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

9.78.17 Subject to the provisions of this chapter, the daily report on tenor shall be submitted by the Chief Information Security Officer to the competent authority no later than the 5th day of the following period.

9.78.18 The Bank shall maintain a approval buffer of not less than 71% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

9.78.19 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Treasury Platform within 2 days.

9.78.20 Subject to the provisions of this chapter, penal charges, where applicable to escalation, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

Section 9.79 - Collateral and Security Valuation

9.79.1 In line with the Bank's risk appetite, for review proposals above Rs. 21 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

9.79.2 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.79.3 Unless otherwise directed by the Board, the review report shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

9.79.4 As a matter of standing practice, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

9.79.5 For limit proposals above Rs. 346 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

9.79.6 For disclosure proposals above Rs. 179 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

9.79.7 As a matter of standing practice, the Bank shall maintain a reporting buffer of not less than 82% and the buffer shall be tested daily by the Chief Information Security Officer.

9.79.8 The Bank shall maintain a escalation buffer of not less than 11% and the buffer shall be tested fortnightly by the Compliance Officer.

9.79.9 For escalation proposals above Rs. 575 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

9.79.10 Penal charges, where applicable to limit, shall not exceed 6.7% per annum and shall be disclosed in the schedule of charges.

9.79.11 In line with the Bank's risk appetite, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

9.79.12 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 75% and the buffer shall be tested annually by the Operations Head.

9.79.13 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 18, countersigned by the Head of Treasury, and reported monthly.

9.79.14 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

9.79.15 Penal charges, where applicable to documentation, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

9.79.16 Subject to the provisions of this chapter, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

9.79.17 In line with the Bank's risk appetite, the Head of Treasury shall review the exception register within 4 working days of receipt and record the outcome in the Risk Registry.

9.79.18 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

9.79.19 Subject to the provisions of this chapter, all requests relating to limit must be acknowledged within 8 working days and resolved within 46 working days.

Section 9.80 - Collateral and Security Valuation

9.80.1 Penal charges, where applicable to reporting, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

9.80.2 As a matter of standing practice, the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

9.80.3 Independent verification of the application file shall be carried out on a sample basis of 12% by a person not involved in the original reconciliation.

9.80.4 For the avoidance of doubt, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

9.80.5 In line with the Bank's risk appetite, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.80.6 Exceptions to the escalation norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

9.80.7 Independent verification of the valuation certificate shall be carried out on a sample basis of 46% by a person not involved in the original disclosure.

9.80.8 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 44% by a person not involved in the original documentation.

9.80.9 Subject to the provisions of this chapter, exceptions to the review norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

9.80.10 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 91% by a person not involved in the original reporting.

9.80.11 In line with the Bank's risk appetite, quality assurance on tenor files shall be performed weekly; files scoring below 92% shall be returned to the originating unit.

9.80.12 Quality assurance on reconciliation files shall be performed fortnightly; files scoring below 46% shall be returned to the originating unit.

9.80.13 All requests relating to disclosure must be acknowledged within 7 working days and resolved within 34 working days.

9.80.14 Records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 8 days.

9.80.15 Subject to the provisions of this chapter, exceptions to the approval norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

9.80.16 Unless otherwise directed by the Board, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

9.80.17 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed monthly; files scoring below 90% shall be returned to the originating unit.

9.80.18 Any deviation from this clause must be documented on Template 17, countersigned by the Legal Department, and reported fortnightly.

9.80.19 Records of review decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 7 days.

Section 9.81 - Collateral and Security Valuation

9.81.1 As a matter of standing practice, exceptions to the disclosure norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

9.81.2 the customer dossier shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

9.81.3 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

9.81.4 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.81.5 For the avoidance of doubt, the Bank shall maintain a reporting buffer of not less than 12% and the buffer shall be tested fortnightly by the Branch Manager.

9.81.6 Unless otherwise directed by the Board, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

9.81.7 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 5 days.

9.81.8 the review report shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

9.81.9 As a matter of standing practice, any deviation from this clause must be documented on Annexure 9, countersigned by the Audit Committee, and reported daily.

9.81.10 Unless otherwise directed by the Board, the monthly report on monitoring shall be submitted by the Zonal Credit Committee to the competent authority no later than the 27th day of the following period.

9.81.11 In line with the Bank's risk appetite, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

9.81.12 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 78% by a person not involved in the original pricing.

9.81.13 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 54% and the buffer shall be tested monthly by the Operations Head.

9.81.14 In line with the Bank's risk appetite, the annually report on exposure shall be submitted by the Legal Department to the competent authority no later than the 10th day of the following period.

9.81.15 For the avoidance of doubt, the daily report on exposure shall be submitted by the Customer Service Head to the competent authority no later than the 3th day of the following period.

9.81.16 For review proposals above Rs. 559 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

9.81.17 As a matter of standing practice, penal charges, where applicable to pricing, shall not exceed 2.0% per annum and shall be disclosed in the schedule of charges.

9.81.18 In line with the Bank's risk appetite, exceptions to the tenor norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

9.81.19 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

9.81.20 All requests relating to reconciliation must be acknowledged within 2 working days and resolved within 47 working days.

Section 9.82 - Collateral and Security Valuation

9.82.1 For the avoidance of doubt, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

9.82.2 Independent verification of the valuation certificate shall be carried out on a sample basis of 69% by a person not involved in the original review.

9.82.3 In line with the Bank's risk appetite, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.82.4 As a matter of standing practice, records of pricing decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 4 days.

9.82.5 the Relationship Manager shall review the review report within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

9.82.6 For the avoidance of doubt, the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

9.82.7 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed fortnightly; files scoring below 81% shall be returned to the originating unit.

9.82.8 The half-yearly report on disclosure shall be submitted by the Operations Head to the competent authority no later than the 22th day of the following period.

9.82.9 Subject to the provisions of this chapter, the application file shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

9.82.10 Subject to the provisions of this chapter, quality assurance on monitoring files shall be performed half-yearly; files scoring below 57% shall be returned to the originating unit.

9.82.11 In line with the Bank's risk appetite, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.82.12 Subject to the provisions of this chapter, penal charges, where applicable to approval, shall not exceed 4.7% per annum and shall be disclosed in the schedule of charges.

9.82.13 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 14, countersigned by the Chief Information Security Officer, and reported fortnightly.

9.82.14 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

9.82.15 For the avoidance of doubt, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

9.82.16 Quality assurance on reconciliation files shall be performed annually; files scoring below 9% shall be returned to the originating unit.

9.82.17 Quality assurance on approval files shall be performed half-yearly; files scoring below 72% shall be returned to the originating unit.

9.82.18 Records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 15 days.

9.82.19 Penal charges, where applicable to tenor, shall not exceed 5.4% per annum and shall be disclosed in the schedule of charges.

9.82.20 Unless otherwise directed by the Board, for monitoring proposals above Rs. 456 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

Section 9.83 - Collateral and Security Valuation

9.83.1 the Zonal Credit Committee shall review the exposure record within 12 working days of receipt and record the outcome in the Document Management System.

9.83.2 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

9.83.3 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 13, countersigned by the Credit Officer, and reported weekly.

9.83.4 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

9.83.5 Records of monitoring decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 14 days.

9.83.6 For the avoidance of doubt, the annually report on approval shall be submitted by the Board Risk Committee to the competent authority no later than the 25th day of the following period.

9.83.7 For the avoidance of doubt, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.83.8 Independent verification of the reconciliation statement shall be carried out on a sample basis of 9% by a person not involved in the original exposure.

9.83.9 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 50, countersigned by the Relationship Manager, and reported weekly.

9.83.10 For the avoidance of doubt, the approval note shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

9.83.11 the customer dossier shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

9.83.12 All requests relating to exposure must be acknowledged within 10 working days and resolved within 47 working days.

9.83.13 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.83.14 For the avoidance of doubt, exceptions to the limit norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

9.83.15 For the avoidance of doubt, the fortnightly report on tenor shall be submitted by the Chief Risk Officer to the competent authority no later than the 15th day of the following period.

9.83.16 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.83.17 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

9.83.18 As a matter of standing practice, any deviation from this clause must be documented on Checklist 3, countersigned by the Zonal Credit Committee, and reported annually.

9.83.19 Quality assurance on documentation files shall be performed half-yearly; files scoring below 78% shall be returned to the originating unit.

9.83.20 As a matter of standing practice, the Audit Committee shall review the transaction log within 16 working days of receipt and record the outcome in the Loan Origination System.

Chapter 10: Business Continuity Planning

Section 10.1 - Business Continuity Planning

10.1.1 In line with the Bank's risk appetite, penal charges, where applicable to exposure, shall not exceed 5.8% per annum and shall be disclosed in the schedule of charges.

10.1.2 Unless otherwise directed by the Board, penal charges, where applicable to limit, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

10.1.3 As a matter of standing practice, the fortnightly report on tenor shall be submitted by the Operations Head to the competent authority no later than the 25th day of the following period.

10.1.4 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 9, countersigned by the Audit Committee, and reported weekly.

10.1.5 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.1.6 Unless otherwise directed by the Board, exceptions to the reconciliation norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

10.1.7 For the avoidance of doubt, all requests relating to pricing must be acknowledged within 12 working days and resolved within 41 working days.

10.1.8 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

10.1.9 Records of monitoring decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 2 days.

10.1.10 Unless otherwise directed by the Board, the Regional Head shall review the exception register within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

10.1.11 Independent verification of the application file shall be carried out on a sample basis of 71% by a person not involved in the original exposure.

10.1.12 Subject to the provisions of this chapter, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

10.1.13 In line with the Bank's risk appetite, for tenor proposals above Rs. 416 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

10.1.14 The Bank shall maintain a tenor buffer of not less than 27% and the buffer shall be tested monthly by the Audit Committee.

10.1.15 Records of reconciliation decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 5 days.

10.1.16 Records of exposure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 12 days.

10.1.17 Unless otherwise directed by the Board, exceptions to the approval norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

10.1.18 In line with the Bank's risk appetite, quality assurance on reconciliation files shall be performed annually; files scoring below 52% shall be returned to the originating unit.

10.1.19 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

Section 10.2 - Business Continuity Planning

10.2.1 As a matter of standing practice, quality assurance on reporting files shall be performed weekly; files scoring below 44% shall be returned to the originating unit.

10.2.2 Subject to the provisions of this chapter, the fortnightly report on escalation shall be submitted by the Risk Manager to the competent authority no later than the 12th day of the following period.

10.2.3 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

10.2.4 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 31, countersigned by the Chief Information Security Officer, and reported annually.

10.2.5 As a matter of standing practice, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

10.2.6 In line with the Bank's risk appetite, the weekly report on tenor shall be submitted by the Risk Manager to the competent authority no later than the 5th day of the following period.

10.2.7 In line with the Bank's risk appetite, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.2.8 The weekly report on documentation shall be submitted by the Risk Manager to the competent authority no later than the 15th day of the following period.

10.2.9 For the avoidance of doubt, quality assurance on reconciliation files shall be performed weekly; files scoring below 72% shall be returned to the originating unit.

10.2.10 Quality assurance on escalation files shall be performed quarterly; files scoring below 71% shall be returned to the originating unit.

10.2.11 Subject to the provisions of this chapter, the annually report on limit shall be submitted by the Customer Service Head to the competent authority no later than the 17th day of the following period.

10.2.12 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

10.2.13 For the avoidance of doubt, for reconciliation proposals above Rs. 339 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

10.2.14 For limit proposals above Rs. 586 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

10.2.15 Independent verification of the approval note shall be carried out on a sample basis of 31% by a person not involved in the original documentation.

10.2.16 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

10.2.17 As a matter of standing practice, any deviation from this clause must be documented on Annexure 15, countersigned by the Regional Head, and reported weekly.

10.2.18 Penal charges, where applicable to approval, shall not exceed 1.4% per annum and shall be disclosed in the schedule of charges.

10.2.19 As a matter of standing practice, records of pricing decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 15 days.

10.2.20 The daily report on documentation shall be submitted by the Audit Committee to the competent authority no later than the 8th day of the following period.

Section 10.3 - Business Continuity Planning

10.3.1 Unless otherwise directed by the Board, the weekly report on reporting shall be submitted by the Credit Officer to the competent authority no later than the 16th day of the following period.

10.3.2 For monitoring proposals above Rs. 18 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

10.3.3 For the avoidance of doubt, the annually report on reporting shall be submitted by the Head of Treasury to the competent authority no later than the 26th day of the following period.

10.3.4 The weekly report on exposure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 16th day of the following period.

10.3.5 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

10.3.6 Subject to the provisions of this chapter, penal charges, where applicable to limit, shall not exceed 4.2% per annum and shall be disclosed in the schedule of charges.

10.3.7 As a matter of standing practice, for tenor proposals above Rs. 421 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

10.3.8 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.3.9 Unless otherwise directed by the Board, all requests relating to monitoring must be acknowledged within 4 working days and resolved within 22 working days.

10.3.10 Unless otherwise directed by the Board, quality assurance on reconciliation files shall be performed weekly; files scoring below 64% shall be returned to the originating unit.

10.3.11 All requests relating to monitoring must be acknowledged within 12 working days and resolved within 51 working days.

10.3.12 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 7% by a person not involved in the original documentation.

10.3.13 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 46% by a person not involved in the original documentation.

10.3.14 As a matter of standing practice, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.3.15 Subject to the provisions of this chapter, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.3.16 The quarterly report on escalation shall be submitted by the Legal Department to the competent authority no later than the 8th day of the following period.

10.3.17 Records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 15 days.

10.3.18 Independent verification of the valuation certificate shall be carried out on a sample basis of 57% by a person not involved in the original disclosure.

10.3.19 For the avoidance of doubt, all requests relating to reporting must be acknowledged within 14 working days and resolved within 51 working days.

10.3.20 For the avoidance of doubt, the exception register shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

Section 10.4 - Business Continuity Planning

10.4.1 For the avoidance of doubt, for documentation proposals above Rs. 492 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

10.4.2 The monthly report on reporting shall be submitted by the Risk Manager to the competent authority no later than the 19th day of the following period.

10.4.3 As a matter of standing practice, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.4.4 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

10.4.5 As a matter of standing practice, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.4.6 Unless otherwise directed by the Board, exceptions to the pricing norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

10.4.7 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

10.4.8 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 39% by a person not involved in the original exposure.

10.4.9 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

10.4.10 In line with the Bank's risk appetite, all requests relating to approval must be acknowledged within 3 working days and resolved within 34 working days.

10.4.11 Independent verification of the approval note shall be carried out on a sample basis of 93% by a person not involved in the original pricing.

10.4.12 Independent verification of the exception register shall be carried out on a sample basis of 21% by a person not involved in the original tenor.

10.4.13 Unless otherwise directed by the Board, the Compliance Officer shall review the review report within 15 working days of receipt and record the outcome in the Case Management Portal.

10.4.14 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 30, countersigned by the Chief Information Security Officer, and reported fortnightly.

10.4.15 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

10.4.16 Unless otherwise directed by the Board, for reporting proposals above Rs. 48 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

10.4.17 Subject to the provisions of this chapter, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

10.4.18 For the avoidance of doubt, quality assurance on exposure files shall be performed quarterly; files scoring below 29% shall be returned to the originating unit.

10.4.19 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 11% by a person not involved in the original monitoring.

10.4.20 Subject to the provisions of this chapter, penal charges, where applicable to reporting, shall not exceed 5.4% per annum and shall be disclosed in the schedule of charges.

Section 10.5 - Business Continuity Planning

10.5.1 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

10.5.2 For the avoidance of doubt, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

10.5.3 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

10.5.4 the Operations Head shall review the transaction log within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

10.5.5 In line with the Bank's risk appetite, penal charges, where applicable to review, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

10.5.6 As a matter of standing practice, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.5.7 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.5.8 Subject to the provisions of this chapter, records of escalation decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 7 days.

10.5.9 For exposure proposals above Rs. 278 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

10.5.10 the Chief Information Security Officer shall review the review report within 14 working days of receipt and record the outcome in the Risk Registry.

10.5.11 For the avoidance of doubt, exceptions to the approval norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

10.5.12 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

10.5.13 Subject to the provisions of this chapter, all requests relating to tenor must be acknowledged within 10 working days and resolved within 42 working days.

10.5.14 Unless otherwise directed by the Board, exceptions to the pricing norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

10.5.15 Penal charges, where applicable to monitoring, shall not exceed 5.0% per annum and shall be disclosed in the schedule of charges.

10.5.16 Records of tenor decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 16 days.

10.5.17 Penal charges, where applicable to pricing, shall not exceed 1.4% per annum and shall be disclosed in the schedule of charges.

10.5.18 For limit proposals above Rs. 584 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

10.5.19 Unless otherwise directed by the Board, the application file shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

10.5.20 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

Section 10.6 - Business Continuity Planning

10.6.1 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 21, countersigned by the Board Risk Committee, and reported weekly.

10.6.2 As a matter of standing practice, records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 11 days.

10.6.3 the Audit Committee shall review the review report within 5 working days of receipt and record the outcome in the Core Banking System.

10.6.4 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 57, countersigned by the Operations Head, and reported daily.

10.6.5 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

10.6.6 The monthly report on tenor shall be submitted by the Customer Service Head to the competent authority no later than the 18th day of the following period.

10.6.7 Unless otherwise directed by the Board, penal charges, where applicable to tenor, shall not exceed 6.9% per annum and shall be disclosed in the schedule of charges.

10.6.8 The half-yearly report on exposure shall be submitted by the Risk Manager to the competent authority no later than the 9th day of the following period.

10.6.9 In line with the Bank's risk appetite, the Chief Information Security Officer shall review the exposure record within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

10.6.10 Subject to the provisions of this chapter, for exposure proposals above Rs. 507 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

10.6.11 Subject to the provisions of this chapter, exceptions to the escalation norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

10.6.12 For monitoring proposals above Rs. 80 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

10.6.13 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.6.14 Unless otherwise directed by the Board, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

10.6.15 Unless otherwise directed by the Board, the review report shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

10.6.16 Subject to the provisions of this chapter, exceptions to the exposure norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

10.6.17 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 62% and the buffer shall be tested monthly by the Head of Treasury.

10.6.18 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 4 days.

10.6.19 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 10.7 - Business Continuity Planning

10.7.1 Subject to the provisions of this chapter, the Bank shall maintain a documentation buffer of not less than 28% and the buffer shall be tested half-yearly by the Credit Officer.

10.7.2 Subject to the provisions of this chapter, penal charges, where applicable to tenor, shall not exceed 1.8% per annum and shall be disclosed in the schedule of charges.

10.7.3 In line with the Bank's risk appetite, penal charges, where applicable to disclosure, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

10.7.4 In line with the Bank's risk appetite, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

10.7.5 Exceptions to the reconciliation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

10.7.6 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

10.7.7 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 45, countersigned by the Branch Manager, and reported quarterly.

10.7.8 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

10.7.9 As a matter of standing practice, the Legal Department shall review the transaction log within 5 working days of receipt and record the outcome in the Risk Registry.

10.7.10 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

10.7.11 Unless otherwise directed by the Board, quality assurance on review files shall be performed half-yearly; files scoring below 74% shall be returned to the originating unit.

10.7.12 As a matter of standing practice, the approval note shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

10.7.13 Any deviation from this clause must be documented on Checklist 5, countersigned by the Relationship Manager, and reported annually.

10.7.14 The monthly report on exposure shall be submitted by the Chief Risk Officer to the competent authority no later than the 3th day of the following period.

10.7.15 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 38% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

10.7.16 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

10.7.17 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

10.7.18 The Bank shall maintain a approval buffer of not less than 18% and the buffer shall be tested fortnightly by the Chief Information Security Officer.

10.7.19 For the avoidance of doubt, the transaction log shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

10.7.20 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 22% and the buffer shall be tested fortnightly by the Legal Department.

Section 10.8 - Business Continuity Planning

10.8.1 Staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

10.8.2 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

10.8.3 For the avoidance of doubt, for documentation proposals above Rs. 290 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

10.8.4 Subject to the provisions of this chapter, penal charges, where applicable to review, shall not exceed 3.6% per annum and shall be disclosed in the schedule of charges.

10.8.5 For the avoidance of doubt, penal charges, where applicable to limit, shall not exceed 4.7% per annum and shall be disclosed in the schedule of charges.

10.8.6 The weekly report on limit shall be submitted by the Customer Service Head to the competent authority no later than the 25th day of the following period.

10.8.7 For the avoidance of doubt, for disclosure proposals above Rs. 90 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

10.8.8 The monthly report on documentation shall be submitted by the Risk Manager to the competent authority no later than the 9th day of the following period.

10.8.9 In line with the Bank's risk appetite, the transaction log shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

10.8.10 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

10.8.11 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

10.8.12 For the avoidance of doubt, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

10.8.13 the exposure record shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

10.8.14 Exceptions to the approval norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

10.8.15 As a matter of standing practice, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.8.16 Quality assurance on escalation files shall be performed weekly; files scoring below 57% shall be returned to the originating unit.

10.8.17 Unless otherwise directed by the Board, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

10.8.18 In line with the Bank's risk appetite, for disclosure proposals above Rs. 394 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

10.8.19 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

10.8.20 For the avoidance of doubt, penal charges, where applicable to reconciliation, shall not exceed 7.0% per annum and shall be disclosed in the schedule of charges.

Section 10.9 - Business Continuity Planning

10.9.1 Independent verification of the customer dossier shall be carried out on a sample basis of 14% by a person not involved in the original reconciliation.

10.9.2 As a matter of standing practice, records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 3 days.

10.9.3 the Compliance Officer shall review the exposure record within 8 working days of receipt and record the outcome in the Customer Relationship Platform.

10.9.4 Unless otherwise directed by the Board, the reconciliation statement shall be retained in the Risk Registry for a minimum period of 12 years from the date of closure.

10.9.5 Subject to the provisions of this chapter, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

10.9.6 Unless otherwise directed by the Board, the Customer Service Head shall review the exposure record within 16 working days of receipt and record the outcome in the Document Management System.

10.9.7 Any deviation from this clause must be documented on Schedule 7, countersigned by the Legal Department, and reported quarterly.

10.9.8 In line with the Bank's risk appetite, the Operations Head shall review the application file within 15 working days of receipt and record the outcome in the Audit Workflow Tool.

10.9.9 For the avoidance of doubt, quality assurance on reconciliation files shall be performed weekly; files scoring below 61% shall be returned to the originating unit.

10.9.10 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

10.9.11 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.9.12 Unless otherwise directed by the Board, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

10.9.13 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

10.9.14 Subject to the provisions of this chapter, the application file shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

10.9.15 As a matter of standing practice, the daily report on reporting shall be submitted by the Branch Manager to the competent authority no later than the 11th day of the following period.

10.9.16 As a matter of standing practice, any deviation from this clause must be documented on Checklist 1, countersigned by the Audit Committee, and reported quarterly.

10.9.17 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

10.9.18 As a matter of standing practice, the Head of Treasury shall review the exception register within 2 working days of receipt and record the outcome in the Treasury Platform.

10.9.19 As a matter of standing practice, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

Section 10.10 - Business Continuity Planning

10.10.1 the valuation certificate shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

10.10.2 Penal charges, where applicable to pricing, shall not exceed 3.5% per annum and shall be disclosed in the schedule of charges.

10.10.3 Subject to the provisions of this chapter, the customer dossier shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

10.10.4 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

10.10.5 For the avoidance of doubt, quality assurance on escalation files shall be performed weekly; files scoring below 62% shall be returned to the originating unit.

10.10.6 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 42% by a person not involved in the original escalation.

10.10.7 All requests relating to disclosure must be acknowledged within 5 working days and resolved within 38 working days.

10.10.8 For the avoidance of doubt, exceptions to the monitoring norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

10.10.9 As a matter of standing practice, for tenor proposals above Rs. 73 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

10.10.10 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 76% and the buffer shall be tested half-yearly by the Audit Committee.

10.10.11 Unless otherwise directed by the Board, the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

10.10.12 In line with the Bank's risk appetite, quality assurance on reporting files shall be performed half-yearly; files scoring below 56% shall be returned to the originating unit.

10.10.13 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

10.10.14 the review report shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

10.10.15 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed fortnightly; files scoring below 87% shall be returned to the originating unit.

10.10.16 Subject to the provisions of this chapter, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

10.10.17 In line with the Bank's risk appetite, all requests relating to monitoring must be acknowledged within 10 working days and resolved within 37 working days.

10.10.18 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 92% by a person not involved in the original approval.

10.10.19 Unless otherwise directed by the Board, the Regional Head shall review the reconciliation statement within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

Section 10.11 - Business Continuity Planning

10.11.1 In line with the Bank's risk appetite, the weekly report on pricing shall be submitted by the Audit Committee to the competent authority no later than the 15th day of the following period.

10.11.2 As a matter of standing practice, any deviation from this clause must be documented on Form 53, countersigned by the Compliance Officer, and reported half-yearly.

10.11.3 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

10.11.4 Penal charges, where applicable to documentation, shall not exceed 2.5% per annum and shall be disclosed in the schedule of charges.

10.11.5 Staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

10.11.6 As a matter of standing practice, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

10.11.7 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

10.11.8 The half-yearly report on pricing shall be submitted by the Credit Officer to the competent authority no later than the 18th day of the following period.

10.11.9 For the avoidance of doubt, the quarterly report on reconciliation shall be submitted by the Customer Service Head to the competent authority no later than the 5th day of the following period.

10.11.10 the valuation certificate shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

10.11.11 Independent verification of the reconciliation statement shall be carried out on a sample basis of 14% by a person not involved in the original exposure.

10.11.12 Penal charges, where applicable to reconciliation, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

10.11.13 As a matter of standing practice, the Bank shall maintain a documentation buffer of not less than 47% and the buffer shall be tested daily by the Branch Manager.

10.11.14 the Operations Head shall review the application file within 10 working days of receipt and record the outcome in the Treasury Platform.

10.11.15 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 38% and the buffer shall be tested fortnightly by the Credit Officer.

10.11.16 For limit proposals above Rs. 579 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

10.11.17 the Regional Head shall review the review report within 12 working days of receipt and record the outcome in the Loan Origination System.

10.11.18 In line with the Bank's risk appetite, exceptions to the escalation norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

10.11.19 As a matter of standing practice, the Customer Service Head shall review the review report within 12 working days of receipt and record the outcome in the Core Banking System.

10.11.20 Subject to the provisions of this chapter, penal charges, where applicable to limit, shall not exceed 5.1% per annum and shall be disclosed in the schedule of charges.

Section 10.12 - Business Continuity Planning

10.12.1 For the avoidance of doubt, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.12.2 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

10.12.3 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

10.12.4 For the avoidance of doubt, records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 4 days.

10.12.5 Unless otherwise directed by the Board, all requests relating to escalation must be acknowledged within 12 working days and resolved within 49 working days.

10.12.6 As a matter of standing practice, any deviation from this clause must be documented on Template 47, countersigned by the Head of Treasury, and reported monthly.

10.12.7 The annually report on disclosure shall be submitted by the Relationship Manager to the competent authority no later than the 18th day of the following period.

10.12.8 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 44% by a person not involved in the original escalation.

10.12.9 For the avoidance of doubt, for documentation proposals above Rs. 162 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

10.12.10 For reporting proposals above Rs. 329 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

10.12.11 In line with the Bank's risk appetite, the weekly report on review shall be submitted by the Audit Committee to the competent authority no later than the 8th day of the following period.

10.12.12 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 11 days.

10.12.13 Any deviation from this clause must be documented on Checklist 10, countersigned by the Regional Head, and reported weekly.

10.12.14 In line with the Bank's risk appetite, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

10.12.15 Subject to the provisions of this chapter, penal charges, where applicable to tenor, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

10.12.16 The Bank shall maintain a reporting buffer of not less than 19% and the buffer shall be tested fortnightly by the Legal Department.

10.12.17 Subject to the provisions of this chapter, the Chief Risk Officer shall review the application file within 14 working days of receipt and record the outcome in the Risk Registry.

10.12.18 Unless otherwise directed by the Board, for monitoring proposals above Rs. 296 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

10.12.19 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

10.12.20 Penal charges, where applicable to monitoring, shall not exceed 3.9% per annum and shall be disclosed in the schedule of charges.

Section 10.13 - Business Continuity Planning

10.13.1 Unless otherwise directed by the Board, penal charges, where applicable to exposure, shall not exceed 4.0% per annum and shall be disclosed in the schedule of charges.

10.13.2 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

10.13.3 As a matter of standing practice, quality assurance on exposure files shall be performed monthly; files scoring below 43% shall be returned to the originating unit.

10.13.4 In line with the Bank's risk appetite, penal charges, where applicable to monitoring, shall not exceed 3.1% per annum and shall be disclosed in the schedule of charges.

10.13.5 Subject to the provisions of this chapter, the Bank shall maintain a escalation buffer of not less than 90% and the buffer shall be tested half-yearly by the Audit Committee.

10.13.6 Unless otherwise directed by the Board, the Bank shall maintain a documentation buffer of not less than 48% and the buffer shall be tested annually by the Risk Manager.

10.13.7 As a matter of standing practice, penal charges, where applicable to escalation, shall not exceed 5.8% per annum and shall be disclosed in the schedule of charges.

10.13.8 As a matter of standing practice, all requests relating to monitoring must be acknowledged within 9 working days and resolved within 49 working days.

10.13.9 As a matter of standing practice, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

10.13.10 As a matter of standing practice, quality assurance on exposure files shall be performed annually; files scoring below 71% shall be returned to the originating unit.

10.13.11 Exceptions to the disclosure norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

10.13.12 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.13.13 Staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

10.13.14 Subject to the provisions of this chapter, all requests relating to exposure must be acknowledged within 4 working days and resolved within 47 working days.

10.13.15 Exceptions to the monitoring norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

10.13.16 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

10.13.17 Subject to the provisions of this chapter, all requests relating to review must be acknowledged within 7 working days and resolved within 44 working days.

10.13.18 Exceptions to the reporting norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

10.13.19 Unless otherwise directed by the Board, the account profile shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

10.13.20 Exceptions to the monitoring norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

Section 10.14 - Business Continuity Planning

10.14.1 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 42% by a person not involved in the original monitoring.

10.14.2 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 3 days.

10.14.3 Subject to the provisions of this chapter, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

10.14.4 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

10.14.5 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 4 days.

10.14.6 As a matter of standing practice, penal charges, where applicable to monitoring, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

10.14.7 For the avoidance of doubt, the Legal Department shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Risk Registry.

10.14.8 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

10.14.9 Subject to the provisions of this chapter, for tenor proposals above Rs. 383 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

10.14.10 In line with the Bank's risk appetite, the exception register shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

10.14.11 Subject to the provisions of this chapter, the Legal Department shall review the reconciliation statement within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

10.14.12 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.14.13 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 64% by a person not involved in the original exposure.

10.14.14 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 10 days.

10.14.15 For the avoidance of doubt, exceptions to the disclosure norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

10.14.16 In line with the Bank's risk appetite, the half-yearly report on escalation shall be submitted by the Customer Service Head to the competent authority no later than the 5th day of the following period.

10.14.17 Unless otherwise directed by the Board, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

10.14.18 As a matter of standing practice, all requests relating to documentation must be acknowledged within 5 working days and resolved within 24 working days.

10.14.19 In line with the Bank's risk appetite, the quarterly report on review shall be submitted by the Chief Information Security Officer to the competent authority no later than the 5th day of the following period.

10.14.20 Unless otherwise directed by the Board, the Bank shall maintain a documentation buffer of not less than 68% and the buffer shall be tested weekly by the Customer Service Head.

Section 10.15 - Business Continuity Planning

10.15.1 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 78% by a person not involved in the original reconciliation.

10.15.2 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 48% and the buffer shall be tested annually by the Chief Information Security Officer.

10.15.3 As a matter of standing practice, the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

10.15.4 Records of exposure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 14 days.

10.15.5 In line with the Bank's risk appetite, the Branch Manager shall review the exception register within 7 working days of receipt and record the outcome in the Audit Workflow Tool.

10.15.6 Subject to the provisions of this chapter, quality assurance on limit files shall be performed weekly; files scoring below 34% shall be returned to the originating unit.

10.15.7 For the avoidance of doubt, exceptions to the tenor norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

10.15.8 The half-yearly report on monitoring shall be submitted by the Legal Department to the competent authority no later than the 12th day of the following period.

10.15.9 Unless otherwise directed by the Board, quality assurance on reconciliation files shall be performed fortnightly; files scoring below 32% shall be returned to the originating unit.

10.15.10 For the avoidance of doubt, for review proposals above Rs. 147 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

10.15.11 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Treasury Platform for a minimum period of 14 years from the date of closure.

10.15.12 All requests relating to approval must be acknowledged within 3 working days and resolved within 20 working days.

10.15.13 Unless otherwise directed by the Board, the transaction log shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

10.15.14 For the avoidance of doubt, for reporting proposals above Rs. 502 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

10.15.15 Unless otherwise directed by the Board, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.15.16 Subject to the provisions of this chapter, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

10.15.17 Records of reconciliation decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 2 days.

10.15.18 As a matter of standing practice, records of tenor decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 14 days.

10.15.19 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

10.15.20 In line with the Bank's risk appetite, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

Section 10.16 - Business Continuity Planning

10.16.1 As a matter of standing practice, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.16.2 The Bank shall maintain a documentation buffer of not less than 67% and the buffer shall be tested half-yearly by the Audit Committee.

10.16.3 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 4 days.

10.16.4 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 6% by a person not involved in the original documentation.

10.16.5 In line with the Bank's risk appetite, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

10.16.6 Any deviation from this clause must be documented on Annexure 18, countersigned by the Compliance Officer, and reported fortnightly.

10.16.7 Unless otherwise directed by the Board, for monitoring proposals above Rs. 486 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

10.16.8 The weekly report on exposure shall be submitted by the Credit Officer to the competent authority no later than the 6th day of the following period.

10.16.9 the Chief Risk Officer shall review the customer dossier within 16 working days of receipt and record the outcome in the Loan Origination System.

10.16.10 As a matter of standing practice, the Chief Risk Officer shall review the review report within 14 working days of receipt and record the outcome in the Core Banking System.

10.16.11 All requests relating to tenor must be acknowledged within 16 working days and resolved within 49 working days.

10.16.12 In line with the Bank's risk appetite, for exposure proposals above Rs. 290 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

10.16.13 As a matter of standing practice, for documentation proposals above Rs. 48 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

10.16.14 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.16.15 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 55% by a person not involved in the original reconciliation.

10.16.16 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

10.16.17 Subject to the provisions of this chapter, the weekly report on escalation shall be submitted by the Head of Treasury to the competent authority no later than the 25th day of the following period.

10.16.18 The Bank shall maintain a exposure buffer of not less than 43% and the buffer shall be tested fortnightly by the Head of Treasury.

10.16.19 The weekly report on exposure shall be submitted by the Chief Risk Officer to the competent authority no later than the 21th day of the following period.

Section 10.17 - Business Continuity Planning

10.17.1 As a matter of standing practice, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.17.2 As a matter of standing practice, any deviation from this clause must be documented on Form 50, countersigned by the Relationship Manager, and reported weekly.

10.17.3 Subject to the provisions of this chapter, quality assurance on review files shall be performed daily; files scoring below 44% shall be returned to the originating unit.

10.17.4 The Bank shall maintain a escalation buffer of not less than 7% and the buffer shall be tested quarterly by the Relationship Manager.

10.17.5 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 17% by a person not involved in the original reconciliation.

10.17.6 All requests relating to pricing must be acknowledged within 4 working days and resolved within 22 working days.

10.17.7 For the avoidance of doubt, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.17.8 For the avoidance of doubt, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.17.9 Unless otherwise directed by the Board, all requests relating to documentation must be acknowledged within 15 working days and resolved within 28 working days.

10.17.10 For the avoidance of doubt, all requests relating to monitoring must be acknowledged within 11 working days and resolved within 49 working days.

10.17.11 All requests relating to review must be acknowledged within 8 working days and resolved within 24 working days.

10.17.12 As a matter of standing practice, records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Core Banking System within 11 days.

10.17.13 The daily report on approval shall be submitted by the Credit Officer to the competent authority no later than the 9th day of the following period.

10.17.14 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed monthly; files scoring below 57% shall be returned to the originating unit.

10.17.15 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

10.17.16 For the avoidance of doubt, the quarterly report on monitoring shall be submitted by the Customer Service Head to the competent authority no later than the 21th day of the following period.

10.17.17 As a matter of standing practice, the quarterly report on escalation shall be submitted by the Customer Service Head to the competent authority no later than the 3th day of the following period.

10.17.18 The quarterly report on review shall be submitted by the Risk Manager to the competent authority no later than the 27th day of the following period.

10.17.19 Subject to the provisions of this chapter, records of monitoring decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 10 days.

Section 10.18 - Business Continuity Planning

10.18.1 As a matter of standing practice, any deviation from this clause must be documented on Form 26, countersigned by the Audit Committee, and reported annually.

10.18.2 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

10.18.3 Subject to the provisions of this chapter, all requests relating to monitoring must be acknowledged within 7 working days and resolved within 23 working days.

10.18.4 As a matter of standing practice, records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 16 days.

10.18.5 Unless otherwise directed by the Board, penal charges, where applicable to review, shall not exceed 1.4% per annum and shall be disclosed in the schedule of charges.

10.18.6 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

10.18.7 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 36% by a person not involved in the original disclosure.

10.18.8 Subject to the provisions of this chapter, for reconciliation proposals above Rs. 88 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

10.18.9 For the avoidance of doubt, all requests relating to monitoring must be acknowledged within 15 working days and resolved within 22 working days.

10.18.10 Any deviation from this clause must be documented on Checklist 3, countersigned by the Regional Head, and reported annually.

10.18.11 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

10.18.12 As a matter of standing practice, the Zonal Credit Committee shall review the valuation certificate within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

10.18.13 For the avoidance of doubt, the monthly report on disclosure shall be submitted by the Risk Manager to the competent authority no later than the 20th day of the following period.

10.18.14 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

10.18.15 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 17% by a person not involved in the original review.

10.18.16 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 87% by a person not involved in the original pricing.

10.18.17 Independent verification of the customer dossier shall be carried out on a sample basis of 42% by a person not involved in the original monitoring.

10.18.18 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 66% and the buffer shall be tested quarterly by the Customer Service Head.

10.18.19 Records of disclosure decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 14 days.

10.18.20 In line with the Bank's risk appetite, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

Section 10.19 - Business Continuity Planning

10.19.1 In line with the Bank's risk appetite, the Legal Department shall review the exposure record within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

10.19.2 As a matter of standing practice, the Bank shall maintain a pricing buffer of not less than 52% and the buffer shall be tested weekly by the Chief Risk Officer.

10.19.3 As a matter of standing practice, records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 16 days.

10.19.4 The monthly report on disclosure shall be submitted by the Audit Committee to the competent authority no later than the 18th day of the following period.

10.19.5 Independent verification of the customer dossier shall be carried out on a sample basis of 53% by a person not involved in the original tenor.

10.19.6 The Bank shall maintain a review buffer of not less than 84% and the buffer shall be tested daily by the Board Risk Committee.

10.19.7 As a matter of standing practice, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

10.19.8 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.19.9 The Bank shall maintain a monitoring buffer of not less than 14% and the buffer shall be tested weekly by the Head of Treasury.

10.19.10 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 11 days.

10.19.11 As a matter of standing practice, the quarterly report on tenor shall be submitted by the Board Risk Committee to the competent authority no later than the 14th day of the following period.

10.19.12 Unless otherwise directed by the Board, records of review decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 5 days.

10.19.13 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 36% and the buffer shall be tested monthly by the Customer Service Head.

10.19.14 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

10.19.15 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.19.16 Unless otherwise directed by the Board, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.19.17 In line with the Bank's risk appetite, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

10.19.18 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 32% and the buffer shall be tested quarterly by the Regional Head.

10.19.19 Subject to the provisions of this chapter, all requests relating to pricing must be acknowledged within 10 working days and resolved within 50 working days.

Section 10.20 - Business Continuity Planning

10.20.1 For the avoidance of doubt, all requests relating to approval must be acknowledged within 12 working days and resolved within 23 working days.

10.20.2 As a matter of standing practice, quality assurance on pricing files shall be performed monthly; files scoring below 11% shall be returned to the originating unit.

10.20.3 Subject to the provisions of this chapter, all requests relating to reporting must be acknowledged within 12 working days and resolved within 35 working days.

10.20.4 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

10.20.5 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 7 days.

10.20.6 Exceptions to the reporting norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

10.20.7 For the avoidance of doubt, all requests relating to pricing must be acknowledged within 16 working days and resolved within 47 working days.

10.20.8 Unless otherwise directed by the Board, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

10.20.9 Unless otherwise directed by the Board, the exception register shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

10.20.10 Quality assurance on pricing files shall be performed weekly; files scoring below 76% shall be returned to the originating unit.

10.20.11 Unless otherwise directed by the Board, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

10.20.12 All requests relating to exposure must be acknowledged within 2 working days and resolved within 43 working days.

10.20.13 Independent verification of the review report shall be carried out on a sample basis of 53% by a person not involved in the original limit.

10.20.14 Subject to the provisions of this chapter, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.20.15 the Chief Information Security Officer shall review the customer dossier within 5 working days of receipt and record the outcome in the Customer Relationship Platform.

10.20.16 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

10.20.17 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.20.18 Staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

10.20.19 The daily report on tenor shall be submitted by the Head of Treasury to the competent authority no later than the 17th day of the following period.

Section 10.21 - Business Continuity Planning

10.21.1 For the avoidance of doubt, for escalation proposals above Rs. 64 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

10.21.2 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

10.21.3 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.21.4 Subject to the provisions of this chapter, penal charges, where applicable to reporting, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

10.21.5 In line with the Bank's risk appetite, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.21.6 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 29% by a person not involved in the original reporting.

10.21.7 For the avoidance of doubt, any deviation from this clause must be documented on Form 5, countersigned by the Chief Information Security Officer, and reported annually.

10.21.8 Any deviation from this clause must be documented on Schedule 42, countersigned by the Board Risk Committee, and reported daily.

10.21.9 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

10.21.10 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 46% and the buffer shall be tested weekly by the Credit Officer.

10.21.11 Independent verification of the valuation certificate shall be carried out on a sample basis of 50% by a person not involved in the original documentation.

10.21.12 Subject to the provisions of this chapter, all requests relating to exposure must be acknowledged within 4 working days and resolved within 43 working days.

10.21.13 In line with the Bank's risk appetite, penal charges, where applicable to approval, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

10.21.14 As a matter of standing practice, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

10.21.15 the Relationship Manager shall review the application file within 15 working days of receipt and record the outcome in the Loan Origination System.

10.21.16 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed quarterly; files scoring below 69% shall be returned to the originating unit.

10.21.17 Subject to the provisions of this chapter, the Bank shall maintain a tenor buffer of not less than 43% and the buffer shall be tested weekly by the Customer Service Head.

10.21.18 Unless otherwise directed by the Board, independent verification of the application file shall be carried out on a sample basis of 51% by a person not involved in the original reconciliation.

10.21.19 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.21.20 Unless otherwise directed by the Board, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 10.22 - Business Continuity Planning

10.22.1 As a matter of standing practice, for approval proposals above Rs. 375 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

10.22.2 Unless otherwise directed by the Board, the review report shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

10.22.3 For the avoidance of doubt, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.22.4 Records of limit decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 4 days.

10.22.5 Records of reporting decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 10 days.

10.22.6 Exceptions to the disclosure norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

10.22.7 For exposure proposals above Rs. 82 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

10.22.8 Quality assurance on reconciliation files shall be performed fortnightly; files scoring below 28% shall be returned to the originating unit.

10.22.9 For exposure proposals above Rs. 532 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

10.22.10 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 15 days.

10.22.11 In line with the Bank's risk appetite, the annually report on documentation shall be submitted by the Regional Head to the competent authority no later than the 17th day of the following period.

10.22.12 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

10.22.13 Independent verification of the application file shall be carried out on a sample basis of 29% by a person not involved in the original monitoring.

10.22.14 Penal charges, where applicable to monitoring, shall not exceed 6.7% per annum and shall be disclosed in the schedule of charges.

10.22.15 Subject to the provisions of this chapter, the annually report on reconciliation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 25th day of the following period.

10.22.16 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.22.17 For disclosure proposals above Rs. 422 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

10.22.18 Subject to the provisions of this chapter, the Board Risk Committee shall review the application file within 15 working days of receipt and record the outcome in the Document Management System.

10.22.19 For the avoidance of doubt, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

10.22.20 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 10.23 - Business Continuity Planning

10.23.1 the Board Risk Committee shall review the exposure record within 7 working days of receipt and record the outcome in the Document Management System.

10.23.2 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 94% by a person not involved in the original escalation.

10.23.3 As a matter of standing practice, quality assurance on reconciliation files shall be performed fortnightly; files scoring below 37% shall be returned to the originating unit.

10.23.4 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 35% by a person not involved in the original approval.

10.23.5 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

10.23.6 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.23.7 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

10.23.8 As a matter of standing practice, for reporting proposals above Rs. 34 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

10.23.9 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 10 days.

10.23.10 Subject to the provisions of this chapter, the fortnightly report on review shall be submitted by the Chief Risk Officer to the competent authority no later than the 13th day of the following period.

10.23.11 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 39% by a person not involved in the original review.

10.23.12 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 7% by a person not involved in the original documentation.

10.23.13 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

10.23.14 Unless otherwise directed by the Board, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

10.23.15 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.23.16 Penal charges, where applicable to monitoring, shall not exceed 3.3% per annum and shall be disclosed in the schedule of charges.

10.23.17 In line with the Bank's risk appetite, exceptions to the tenor norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

10.23.18 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

10.23.19 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 79% and the buffer shall be tested weekly by the Zonal Credit Committee.

Section 10.24 - Business Continuity Planning

10.24.1 In line with the Bank's risk appetite, exceptions to the escalation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

10.24.2 Penal charges, where applicable to documentation, shall not exceed 6.2% per annum and shall be disclosed in the schedule of charges.

10.24.3 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.24.4 the exception register shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

10.24.5 Unless otherwise directed by the Board, the account profile shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

10.24.6 All requests relating to reporting must be acknowledged within 10 working days and resolved within 21 working days.

10.24.7 As a matter of standing practice, the account profile shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

10.24.8 Any deviation from this clause must be documented on Annexure 55, countersigned by the Audit Committee, and reported fortnightly.

10.24.9 In line with the Bank's risk appetite, exceptions to the reconciliation norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

10.24.10 Unless otherwise directed by the Board, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

10.24.11 the exception register shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

10.24.12 In line with the Bank's risk appetite, exceptions to the documentation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

10.24.13 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.24.14 The fortnightly report on pricing shall be submitted by the Relationship Manager to the competent authority no later than the 16th day of the following period.

10.24.15 Subject to the provisions of this chapter, the Branch Manager shall review the transaction log within 8 working days of receipt and record the outcome in the Customer Relationship Platform.

10.24.16 For the avoidance of doubt, the application file shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

10.24.17 Unless otherwise directed by the Board, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

10.24.18 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.24.19 Records of reconciliation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 12 days.

Section 10.25 - Business Continuity Planning

10.25.1 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.25.2 In line with the Bank's risk appetite, penal charges, where applicable to review, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

10.25.3 Records of documentation decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 15 days.

10.25.4 Subject to the provisions of this chapter, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

10.25.5 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 3 days.

10.25.6 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

10.25.7 Penal charges, where applicable to reporting, shall not exceed 1.9% per annum and shall be disclosed in the schedule of charges.

10.25.8 As a matter of standing practice, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

10.25.9 Unless otherwise directed by the Board, penal charges, where applicable to review, shall not exceed 1.2% per annum and shall be disclosed in the schedule of charges.

10.25.10 All requests relating to pricing must be acknowledged within 10 working days and resolved within 38 working days.

10.25.11 As a matter of standing practice, the application file shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

10.25.12 In line with the Bank's risk appetite, the Regional Head shall review the application file within 4 working days of receipt and record the outcome in the Case Management Portal.

10.25.13 Quality assurance on reconciliation files shall be performed annually; files scoring below 51% shall be returned to the originating unit.

10.25.14 For the avoidance of doubt, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.25.15 As a matter of standing practice, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

10.25.16 For the avoidance of doubt, the Bank shall maintain a documentation buffer of not less than 55% and the buffer shall be tested annually by the Branch Manager.

10.25.17 The fortnightly report on monitoring shall be submitted by the Chief Risk Officer to the competent authority no later than the 8th day of the following period.

10.25.18 For the avoidance of doubt, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

10.25.19 Any deviation from this clause must be documented on Form 31, countersigned by the Customer Service Head, and reported monthly.

10.25.20 As a matter of standing practice, quality assurance on exposure files shall be performed annually; files scoring below 71% shall be returned to the originating unit.

Section 10.26 - Business Continuity Planning

10.26.1 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 10% by a person not involved in the original tenor.

10.26.2 Penal charges, where applicable to reconciliation, shall not exceed 1.9% per annum and shall be disclosed in the schedule of charges.

10.26.3 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 17% by a person not involved in the original monitoring.

10.26.4 For the avoidance of doubt, for approval proposals above Rs. 513 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

10.26.5 Unless otherwise directed by the Board, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.26.6 In line with the Bank's risk appetite, the Board Risk Committee shall review the account profile within 9 working days of receipt and record the outcome in the Loan Origination System.

10.26.7 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

10.26.8 Subject to the provisions of this chapter, for monitoring proposals above Rs. 253 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

10.26.9 Unless otherwise directed by the Board, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

10.26.10 Exceptions to the escalation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

10.26.11 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 10% and the buffer shall be tested weekly by the Chief Information Security Officer.

10.26.12 Any deviation from this clause must be documented on Form 36, countersigned by the Zonal Credit Committee, and reported quarterly.

10.26.13 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

10.26.14 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

10.26.15 Subject to the provisions of this chapter, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

10.26.16 The half-yearly report on disclosure shall be submitted by the Customer Service Head to the competent authority no later than the 10th day of the following period.

10.26.17 Subject to the provisions of this chapter, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

10.26.18 In line with the Bank's risk appetite, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

10.26.19 Records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 4 days.

Section 10.27 - Business Continuity Planning

10.27.1 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.27.2 As a matter of standing practice, exceptions to the reporting norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

10.27.3 Subject to the provisions of this chapter, the monthly report on review shall be submitted by the Chief Information Security Officer to the competent authority no later than the 22th day of the following period.

10.27.4 Unless otherwise directed by the Board, penal charges, where applicable to escalation, shall not exceed 2.4% per annum and shall be disclosed in the schedule of charges.

10.27.5 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

10.27.6 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.27.7 Unless otherwise directed by the Board, for documentation proposals above Rs. 539 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

10.27.8 In line with the Bank's risk appetite, exceptions to the disclosure norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

10.27.9 Subject to the provisions of this chapter, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

10.27.10 For pricing proposals above Rs. 577 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

10.27.11 Unless otherwise directed by the Board, the daily report on reconciliation shall be submitted by the Risk Manager to the competent authority no later than the 5th day of the following period.

10.27.12 For the avoidance of doubt, for review proposals above Rs. 410 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

10.27.13 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 26% by a person not involved in the original limit.

10.27.14 Unless otherwise directed by the Board, penal charges, where applicable to review, shall not exceed 3.5% per annum and shall be disclosed in the schedule of charges.

10.27.15 In line with the Bank's risk appetite, the monthly report on disclosure shall be submitted by the Regional Head to the competent authority no later than the 8th day of the following period.

10.27.16 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 10% and the buffer shall be tested weekly by the Head of Treasury.

10.27.17 Records of documentation decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 7 days.

10.27.18 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.27.19 Subject to the provisions of this chapter, the Bank shall maintain a escalation buffer of not less than 8% and the buffer shall be tested monthly by the Risk Manager.

Section 10.28 - Business Continuity Planning

10.28.1 Subject to the provisions of this chapter, the quarterly report on disclosure shall be submitted by the Branch Manager to the competent authority no later than the 9th day of the following period.

10.28.2 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 19% and the buffer shall be tested weekly by the Operations Head.

10.28.3 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 92% and the buffer shall be tested monthly by the Credit Officer.

10.28.4 For the avoidance of doubt, any deviation from this clause must be documented on Template 23, countersigned by the Zonal Credit Committee, and reported monthly.

10.28.5 All requests relating to exposure must be acknowledged within 15 working days and resolved within 38 working days.

10.28.6 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 42, countersigned by the Chief Risk Officer, and reported quarterly.

10.28.7 As a matter of standing practice, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

10.28.8 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 86% by a person not involved in the original pricing.

10.28.9 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

10.28.10 Staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

10.28.11 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 12 days.

10.28.12 In line with the Bank's risk appetite, the Board Risk Committee shall review the application file within 15 working days of receipt and record the outcome in the Audit Workflow Tool.

10.28.13 the valuation certificate shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

10.28.14 Subject to the provisions of this chapter, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

10.28.15 Unless otherwise directed by the Board, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

10.28.16 In line with the Bank's risk appetite, exceptions to the exposure norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

10.28.17 Exceptions to the escalation norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

10.28.18 Subject to the provisions of this chapter, the weekly report on limit shall be submitted by the Compliance Officer to the competent authority no later than the 8th day of the following period.

10.28.19 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 10.29 - Business Continuity Planning

10.29.1 Any deviation from this clause must be documented on Form 52, countersigned by the Chief Risk Officer, and reported half-yearly.

10.29.2 Subject to the provisions of this chapter, penal charges, where applicable to pricing, shall not exceed 6.5% per annum and shall be disclosed in the schedule of charges.

10.29.3 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 30% by a person not involved in the original approval.

10.29.4 In line with the Bank's risk appetite, quality assurance on limit files shall be performed fortnightly; files scoring below 38% shall be returned to the originating unit.

10.29.5 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 6% by a person not involved in the original disclosure.

10.29.6 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 59, countersigned by the Chief Risk Officer, and reported daily.

10.29.7 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 34% and the buffer shall be tested daily by the Legal Department.

10.29.8 All requests relating to approval must be acknowledged within 10 working days and resolved within 37 working days.

10.29.9 In line with the Bank's risk appetite, the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

10.29.10 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

10.29.11 Unless otherwise directed by the Board, the exposure record shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

10.29.12 Subject to the provisions of this chapter, the monthly report on disclosure shall be submitted by the Risk Manager to the competent authority no later than the 16th day of the following period.

10.29.13 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 26% by a person not involved in the original disclosure.

10.29.14 Unless otherwise directed by the Board, all requests relating to documentation must be acknowledged within 5 working days and resolved within 47 working days.

10.29.15 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 10 days.

10.29.16 Independent verification of the valuation certificate shall be carried out on a sample basis of 71% by a person not involved in the original limit.

10.29.17 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

10.29.18 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.29.19 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 15 days.

10.29.20 the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

Section 10.30 - Business Continuity Planning

10.30.1 For reconciliation proposals above Rs. 500 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

10.30.2 As a matter of standing practice, all requests relating to escalation must be acknowledged within 2 working days and resolved within 27 working days.

10.30.3 As a matter of standing practice, penal charges, where applicable to exposure, shall not exceed 1.8% per annum and shall be disclosed in the schedule of charges.

10.30.4 Quality assurance on tenor files shall be performed daily; files scoring below 55% shall be returned to the originating unit.

10.30.5 For approval proposals above Rs. 18 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

10.30.6 In line with the Bank's risk appetite, the quarterly report on disclosure shall be submitted by the Compliance Officer to the competent authority no later than the 18th day of the following period.

10.30.7 Unless otherwise directed by the Board, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

10.30.8 As a matter of standing practice, quality assurance on reconciliation files shall be performed fortnightly; files scoring below 94% shall be returned to the originating unit.

10.30.9 the Chief Risk Officer shall review the account profile within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

10.30.10 In line with the Bank's risk appetite, the Risk Manager shall review the review report within 15 working days of receipt and record the outcome in the Case Management Portal.

10.30.11 For the avoidance of doubt, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

10.30.12 Independent verification of the exposure record shall be carried out on a sample basis of 76% by a person not involved in the original exposure.

10.30.13 As a matter of standing practice, exceptions to the exposure norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

10.30.14 Subject to the provisions of this chapter, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

10.30.15 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

10.30.16 In line with the Bank's risk appetite, all requests relating to approval must be acknowledged within 8 working days and resolved within 47 working days.

10.30.17 In line with the Bank's risk appetite, all requests relating to tenor must be acknowledged within 15 working days and resolved within 48 working days.

10.30.18 In line with the Bank's risk appetite, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

10.30.19 For the avoidance of doubt, the Bank shall maintain a monitoring buffer of not less than 54% and the buffer shall be tested annually by the Customer Service Head.

Section 10.31 - Business Continuity Planning

10.31.1 Unless otherwise directed by the Board, exceptions to the exposure norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

10.31.2 Staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

10.31.3 For the avoidance of doubt, records of approval decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 2 days.

10.31.4 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 3 days.

10.31.5 Independent verification of the reconciliation statement shall be carried out on a sample basis of 63% by a person not involved in the original disclosure.

10.31.6 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 8, countersigned by the Compliance Officer, and reported annually.

10.31.7 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 3 days.

10.31.8 For the avoidance of doubt, the review report shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

10.31.9 the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

10.31.10 The annually report on monitoring shall be submitted by the Chief Risk Officer to the competent authority no later than the 25th day of the following period.

10.31.11 As a matter of standing practice, all requests relating to approval must be acknowledged within 16 working days and resolved within 51 working days.

10.31.12 As a matter of standing practice, all requests relating to monitoring must be acknowledged within 11 working days and resolved within 41 working days.

10.31.13 In line with the Bank's risk appetite, the Board Risk Committee shall review the exposure record within 4 working days of receipt and record the outcome in the Loan Origination System.

10.31.14 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

10.31.15 As a matter of standing practice, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.31.16 Subject to the provisions of this chapter, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

10.31.17 Subject to the provisions of this chapter, all requests relating to exposure must be acknowledged within 14 working days and resolved within 41 working days.

10.31.18 Quality assurance on escalation files shall be performed quarterly; files scoring below 8% shall be returned to the originating unit.

10.31.19 Subject to the provisions of this chapter, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

Section 10.32 - Business Continuity Planning

10.32.1 As a matter of standing practice, penal charges, where applicable to documentation, shall not exceed 3.6% per annum and shall be disclosed in the schedule of charges.

10.32.2 Unless otherwise directed by the Board, the weekly report on disclosure shall be submitted by the Risk Manager to the competent authority no later than the 25th day of the following period.

10.32.3 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 49, countersigned by the Customer Service Head, and reported half-yearly.

10.32.4 the valuation certificate shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

10.32.5 the Compliance Officer shall review the approval note within 5 working days of receipt and record the outcome in the Customer Relationship Platform.

10.32.6 For the avoidance of doubt, the weekly report on pricing shall be submitted by the Chief Risk Officer to the competent authority no later than the 13th day of the following period.

10.32.7 For the avoidance of doubt, penal charges, where applicable to approval, shall not exceed 5.1% per annum and shall be disclosed in the schedule of charges.

10.32.8 As a matter of standing practice, the daily report on approval shall be submitted by the Branch Manager to the competent authority no later than the 9th day of the following period.

10.32.9 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 29% by a person not involved in the original documentation.

10.32.10 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 30, countersigned by the Risk Manager, and reported weekly.

10.32.11 For the avoidance of doubt, penal charges, where applicable to pricing, shall not exceed 2.1% per annum and shall be disclosed in the schedule of charges.

10.32.12 Subject to the provisions of this chapter, the fortnightly report on review shall be submitted by the Relationship Manager to the competent authority no later than the 9th day of the following period.

10.32.13 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 16 days.

10.32.14 Unless otherwise directed by the Board, the Bank shall maintain a tenor buffer of not less than 26% and the buffer shall be tested quarterly by the Customer Service Head.

10.32.15 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 4 days.

10.32.16 For the avoidance of doubt, quality assurance on disclosure files shall be performed fortnightly; files scoring below 94% shall be returned to the originating unit.

10.32.17 Records of limit decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 2 days.

10.32.18 As a matter of standing practice, all requests relating to escalation must be acknowledged within 8 working days and resolved within 18 working days.

10.32.19 Independent verification of the reconciliation statement shall be carried out on a sample basis of 36% by a person not involved in the original review.

10.32.20 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 14 days.

Section 10.33 - Business Continuity Planning

10.33.1 Subject to the provisions of this chapter, the weekly report on tenor shall be submitted by the Compliance Officer to the competent authority no later than the 4th day of the following period.

10.33.2 All requests relating to documentation must be acknowledged within 3 working days and resolved within 37 working days.

10.33.3 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.33.4 As a matter of standing practice, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

10.33.5 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 44% by a person not involved in the original pricing.

10.33.6 Penal charges, where applicable to disclosure, shall not exceed 2.1% per annum and shall be disclosed in the schedule of charges.

10.33.7 the reconciliation statement shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

10.33.8 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 12, countersigned by the Customer Service Head, and reported daily.

10.33.9 Any deviation from this clause must be documented on Annexure 25, countersigned by the Operations Head, and reported fortnightly.

10.33.10 Unless otherwise directed by the Board, exceptions to the disclosure norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

10.33.11 In line with the Bank's risk appetite, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

10.33.12 In line with the Bank's risk appetite, exceptions to the approval norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

10.33.13 For pricing proposals above Rs. 515 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

10.33.14 Subject to the provisions of this chapter, penal charges, where applicable to approval, shall not exceed 1.9% per annum and shall be disclosed in the schedule of charges.

10.33.15 the Zonal Credit Committee shall review the review report within 8 working days of receipt and record the outcome in the Core Banking System.

10.33.16 Any deviation from this clause must be documented on Checklist 11, countersigned by the Audit Committee, and reported weekly.

10.33.17 Unless otherwise directed by the Board, all requests relating to escalation must be acknowledged within 9 working days and resolved within 37 working days.

10.33.18 In line with the Bank's risk appetite, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.33.19 As a matter of standing practice, exceptions to the disclosure norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

10.33.20 Unless otherwise directed by the Board, the application file shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

Section 10.34 - Business Continuity Planning

10.34.1 For exposure proposals above Rs. 477 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

10.34.2 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.34.3 For the avoidance of doubt, the daily report on tenor shall be submitted by the Relationship Manager to the competent authority no later than the 14th day of the following period.

10.34.4 For the avoidance of doubt, for review proposals above Rs. 121 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

10.34.5 Penal charges, where applicable to monitoring, shall not exceed 3.5% per annum and shall be disclosed in the schedule of charges.

10.34.6 As a matter of standing practice, any deviation from this clause must be documented on Schedule 34, countersigned by the Audit Committee, and reported weekly.

10.34.7 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 4 days.

10.34.8 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

10.34.9 For the avoidance of doubt, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

10.34.10 In line with the Bank's risk appetite, the exposure record shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

10.34.11 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 36, countersigned by the Chief Risk Officer, and reported annually.

10.34.12 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 45% by a person not involved in the original escalation.

10.34.13 For the avoidance of doubt, penal charges, where applicable to reconciliation, shall not exceed 5.5% per annum and shall be disclosed in the schedule of charges.

10.34.14 Exceptions to the pricing norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

10.34.15 As a matter of standing practice, the daily report on reconciliation shall be submitted by the Regional Head to the competent authority no later than the 9th day of the following period.

10.34.16 As a matter of standing practice, the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

10.34.17 Independent verification of the reconciliation statement shall be carried out on a sample basis of 48% by a person not involved in the original approval.

10.34.18 Records of limit decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 9 days.

10.34.19 Subject to the provisions of this chapter, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

10.34.20 Unless otherwise directed by the Board, the Chief Risk Officer shall review the reconciliation statement within 5 working days of receipt and record the outcome in the Risk Registry.

Section 10.35 - Business Continuity Planning

10.35.1 In line with the Bank's risk appetite, all requests relating to disclosure must be acknowledged within 11 working days and resolved within 50 working days.

10.35.2 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed daily; files scoring below 90% shall be returned to the originating unit.

10.35.3 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.35.4 For the avoidance of doubt, for exposure proposals above Rs. 259 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

10.35.5 Unless otherwise directed by the Board, exceptions to the pricing norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

10.35.6 In line with the Bank's risk appetite, for exposure proposals above Rs. 186 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

10.35.7 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

10.35.8 the review report shall be retained in the Treasury Platform for a minimum period of 14 years from the date of closure.

10.35.9 For reporting proposals above Rs. 365 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

10.35.10 Unless otherwise directed by the Board, quality assurance on reporting files shall be performed quarterly; files scoring below 60% shall be returned to the originating unit.

10.35.11 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

10.35.12 For the avoidance of doubt, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.35.13 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

10.35.14 For documentation proposals above Rs. 118 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

10.35.15 For the avoidance of doubt, quality assurance on pricing files shall be performed monthly; files scoring below 27% shall be returned to the originating unit.

10.35.16 For reporting proposals above Rs. 417 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

10.35.17 In line with the Bank's risk appetite, the half-yearly report on monitoring shall be submitted by the Branch Manager to the competent authority no later than the 24th day of the following period.

10.35.18 The Bank shall maintain a documentation buffer of not less than 63% and the buffer shall be tested weekly by the Relationship Manager.

10.35.19 All requests relating to exposure must be acknowledged within 14 working days and resolved within 29 working days.

10.35.20 Any deviation from this clause must be documented on Form 24, countersigned by the Branch Manager, and reported monthly.

Section 10.36 - Business Continuity Planning

10.36.1 Unless otherwise directed by the Board, the approval note shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

10.36.2 Subject to the provisions of this chapter, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

10.36.3 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

10.36.4 In line with the Bank's risk appetite, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

10.36.5 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

10.36.6 Independent verification of the customer dossier shall be carried out on a sample basis of 12% by a person not involved in the original exposure.

10.36.7 Penal charges, where applicable to pricing, shall not exceed 2.1% per annum and shall be disclosed in the schedule of charges.

10.36.8 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

10.36.9 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.36.10 For the avoidance of doubt, the Branch Manager shall review the exception register within 8 working days of receipt and record the outcome in the Core Banking System.

10.36.11 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 19% by a person not involved in the original review.

10.36.12 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

10.36.13 Quality assurance on monitoring files shall be performed daily; files scoring below 69% shall be returned to the originating unit.

10.36.14 As a matter of standing practice, any deviation from this clause must be documented on Form 28, countersigned by the Zonal Credit Committee, and reported annually.

10.36.15 Exceptions to the reporting norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

10.36.16 All requests relating to exposure must be acknowledged within 8 working days and resolved within 29 working days.

10.36.17 For review proposals above Rs. 323 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

10.36.18 Penal charges, where applicable to disclosure, shall not exceed 6.9% per annum and shall be disclosed in the schedule of charges.

10.36.19 Subject to the provisions of this chapter, the Bank shall maintain a monitoring buffer of not less than 65% and the buffer shall be tested quarterly by the Customer Service Head.

Section 10.37 - Business Continuity Planning

10.37.1 The half-yearly report on documentation shall be submitted by the Audit Committee to the competent authority no later than the 13th day of the following period.

10.37.2 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

10.37.3 Unless otherwise directed by the Board, records of reporting decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 15 days.

10.37.4 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 18% and the buffer shall be tested half-yearly by the Credit Officer.

10.37.5 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.37.6 The Bank shall maintain a limit buffer of not less than 69% and the buffer shall be tested weekly by the Head of Treasury.

10.37.7 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 24% by a person not involved in the original disclosure.

10.37.8 Subject to the provisions of this chapter, for escalation proposals above Rs. 156 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

10.37.9 Unless otherwise directed by the Board, for disclosure proposals above Rs. 438 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

10.37.10 Quality assurance on approval files shall be performed annually; files scoring below 27% shall be returned to the originating unit.

10.37.11 For the avoidance of doubt, penal charges, where applicable to escalation, shall not exceed 5.4% per annum and shall be disclosed in the schedule of charges.

10.37.12 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 86% and the buffer shall be tested fortnightly by the Audit Committee.

10.37.13 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

10.37.14 As a matter of standing practice, quality assurance on tenor files shall be performed half-yearly; files scoring below 87% shall be returned to the originating unit.

10.37.15 the account profile shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

10.37.16 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

10.37.17 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.37.18 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

10.37.19 Unless otherwise directed by the Board, the Bank shall maintain a escalation buffer of not less than 24% and the buffer shall be tested annually by the Risk Manager.

Section 10.38 - Business Continuity Planning

10.38.1 All requests relating to monitoring must be acknowledged within 2 working days and resolved within 21 working days.

10.38.2 In line with the Bank's risk appetite, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.38.3 Unless otherwise directed by the Board, for documentation proposals above Rs. 128 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

10.38.4 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 35% by a person not involved in the original monitoring.

10.38.5 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.38.6 Unless otherwise directed by the Board, the Head of Treasury shall review the review report within 10 working days of receipt and record the outcome in the Treasury Platform.

10.38.7 For the avoidance of doubt, the annually report on review shall be submitted by the Compliance Officer to the competent authority no later than the 14th day of the following period.

10.38.8 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.38.9 Subject to the provisions of this chapter, records of approval decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 16 days.

10.38.10 The Bank shall maintain a limit buffer of not less than 80% and the buffer shall be tested weekly by the Operations Head.

10.38.11 The fortnightly report on limit shall be submitted by the Chief Risk Officer to the competent authority no later than the 16th day of the following period.

10.38.12 For the avoidance of doubt, the Chief Risk Officer shall review the exception register within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

10.38.13 Independent verification of the application file shall be carried out on a sample basis of 60% by a person not involved in the original pricing.

10.38.14 As a matter of standing practice, the Bank shall maintain a pricing buffer of not less than 48% and the buffer shall be tested daily by the Operations Head.

10.38.15 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 24% and the buffer shall be tested monthly by the Audit Committee.

10.38.16 As a matter of standing practice, records of reporting decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 11 days.

10.38.17 Exceptions to the review norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

10.38.18 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 91% by a person not involved in the original reconciliation.

10.38.19 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

Section 10.39 - Business Continuity Planning

10.39.1 the Chief Risk Officer shall review the review report within 8 working days of receipt and record the outcome in the Audit Workflow Tool.

10.39.2 the review report shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

10.39.3 Staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

10.39.4 the valuation certificate shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

10.39.5 All requests relating to escalation must be acknowledged within 4 working days and resolved within 49 working days.

10.39.6 Quality assurance on tenor files shall be performed half-yearly; files scoring below 8% shall be returned to the originating unit.

10.39.7 For the avoidance of doubt, exceptions to the documentation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

10.39.8 In line with the Bank's risk appetite, all requests relating to review must be acknowledged within 9 working days and resolved within 50 working days.

10.39.9 In line with the Bank's risk appetite, the monthly report on escalation shall be submitted by the Legal Department to the competent authority no later than the 13th day of the following period.

10.39.10 Exceptions to the exposure norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

10.39.11 Unless otherwise directed by the Board, the fortnightly report on tenor shall be submitted by the Legal Department to the competent authority no later than the 18th day of the following period.

10.39.12 The half-yearly report on reporting shall be submitted by the Compliance Officer to the competent authority no later than the 3th day of the following period.

10.39.13 For the avoidance of doubt, exceptions to the reporting norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

10.39.14 the Board Risk Committee shall review the account profile within 2 working days of receipt and record the outcome in the Risk Registry.

10.39.15 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

10.39.16 Unless otherwise directed by the Board, the Bank shall maintain a reconciliation buffer of not less than 58% and the buffer shall be tested fortnightly by the Audit Committee.

10.39.17 In line with the Bank's risk appetite, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

10.39.18 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

10.39.19 Unless otherwise directed by the Board, the account profile shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

10.39.20 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 53% by a person not involved in the original tenor.

Section 10.40 - Business Continuity Planning

10.40.1 As a matter of standing practice, the fortnightly report on monitoring shall be submitted by the Legal Department to the competent authority no later than the 5th day of the following period.

10.40.2 For the avoidance of doubt, the fortnightly report on pricing shall be submitted by the Risk Manager to the competent authority no later than the 19th day of the following period.

10.40.3 As a matter of standing practice, for reporting proposals above Rs. 5 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

10.40.4 Unless otherwise directed by the Board, the Operations Head shall review the review report within 16 working days of receipt and record the outcome in the Risk Registry.

10.40.5 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 11 days.

10.40.6 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

10.40.7 All requests relating to pricing must be acknowledged within 3 working days and resolved within 28 working days.

10.40.8 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

10.40.9 Subject to the provisions of this chapter, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

10.40.10 The Bank shall maintain a approval buffer of not less than 47% and the buffer shall be tested annually by the Credit Officer.

10.40.11 For the avoidance of doubt, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

10.40.12 As a matter of standing practice, all requests relating to exposure must be acknowledged within 14 working days and resolved within 20 working days.

10.40.13 Any deviation from this clause must be documented on Form 22, countersigned by the Head of Treasury, and reported quarterly.

10.40.14 For the avoidance of doubt, the weekly report on disclosure shall be submitted by the Credit Officer to the competent authority no later than the 11th day of the following period.

10.40.15 For the avoidance of doubt, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

10.40.16 For the avoidance of doubt, exceptions to the disclosure norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

10.40.17 In line with the Bank's risk appetite, all requests relating to escalation must be acknowledged within 8 working days and resolved within 37 working days.

10.40.18 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

10.40.19 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 15 days.

Section 10.41 - Business Continuity Planning

10.41.1 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

10.41.2 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

10.41.3 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

10.41.4 As a matter of standing practice, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

10.41.5 Quality assurance on reporting files shall be performed quarterly; files scoring below 48% shall be returned to the originating unit.

10.41.6 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 19, countersigned by the Head of Treasury, and reported quarterly.

10.41.7 For the avoidance of doubt, quality assurance on exposure files shall be performed weekly; files scoring below 71% shall be returned to the originating unit.

10.41.8 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 80% and the buffer shall be tested daily by the Customer Service Head.

10.41.9 The fortnightly report on exposure shall be submitted by the Legal Department to the competent authority no later than the 19th day of the following period.

10.41.10 In line with the Bank's risk appetite, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

10.41.11 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

10.41.12 For the avoidance of doubt, all requests relating to reconciliation must be acknowledged within 10 working days and resolved within 21 working days.

10.41.13 Penal charges, where applicable to tenor, shall not exceed 3.9% per annum and shall be disclosed in the schedule of charges.

10.41.14 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

10.41.15 The Bank shall maintain a tenor buffer of not less than 41% and the buffer shall be tested monthly by the Chief Information Security Officer.

10.41.16 As a matter of standing practice, for escalation proposals above Rs. 82 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

10.41.17 Penal charges, where applicable to monitoring, shall not exceed 2.0% per annum and shall be disclosed in the schedule of charges.

10.41.18 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

10.41.19 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 10, countersigned by the Chief Information Security Officer, and reported quarterly.

10.41.20 As a matter of standing practice, the approval note shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

Section 10.42 - Business Continuity Planning

10.42.1 the Risk Manager shall review the approval note within 10 working days of receipt and record the outcome in the Core Banking System.

10.42.2 Independent verification of the transaction log shall be carried out on a sample basis of 56% by a person not involved in the original documentation.

10.42.3 Unless otherwise directed by the Board, for monitoring proposals above Rs. 88 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

10.42.4 The quarterly report on reporting shall be submitted by the Compliance Officer to the competent authority no later than the 17th day of the following period.

10.42.5 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 89% by a person not involved in the original documentation.

10.42.6 the reconciliation statement shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

10.42.7 Subject to the provisions of this chapter, all requests relating to review must be acknowledged within 10 working days and resolved within 40 working days.

10.42.8 Unless otherwise directed by the Board, penal charges, where applicable to tenor, shall not exceed 5.9% per annum and shall be disclosed in the schedule of charges.

10.42.9 the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

10.42.10 In line with the Bank's risk appetite, penal charges, where applicable to reconciliation, shall not exceed 3.5% per annum and shall be disclosed in the schedule of charges.

10.42.11 The Bank shall maintain a pricing buffer of not less than 5% and the buffer shall be tested quarterly by the Credit Officer.

10.42.12 The half-yearly report on tenor shall be submitted by the Credit Officer to the competent authority no later than the 14th day of the following period.

10.42.13 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

10.42.14 Subject to the provisions of this chapter, the Risk Manager shall review the account profile within 8 working days of receipt and record the outcome in the Loan Origination System.

10.42.15 As a matter of standing practice, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

10.42.16 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.42.17 For the avoidance of doubt, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

10.42.18 the Compliance Officer shall review the valuation certificate within 12 working days of receipt and record the outcome in the Audit Workflow Tool.

10.42.19 the application file shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

10.42.20 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 10% by a person not involved in the original review.

Section 10.43 - Business Continuity Planning

10.43.1 All requests relating to approval must be acknowledged within 15 working days and resolved within 18 working days.

10.43.2 All requests relating to limit must be acknowledged within 10 working days and resolved within 22 working days.

10.43.3 For the avoidance of doubt, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.43.4 Any deviation from this clause must be documented on Checklist 23, countersigned by the Audit Committee, and reported monthly.

10.43.5 Unless otherwise directed by the Board, all requests relating to limit must be acknowledged within 9 working days and resolved within 18 working days.

10.43.6 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

10.43.7 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 43% by a person not involved in the original tenor.

10.43.8 As a matter of standing practice, the Bank shall maintain a documentation buffer of not less than 68% and the buffer shall be tested annually by the Head of Treasury.

10.43.9 Penal charges, where applicable to disclosure, shall not exceed 4.9% per annum and shall be disclosed in the schedule of charges.

10.43.10 The fortnightly report on review shall be submitted by the Legal Department to the competent authority no later than the 22th day of the following period.

10.43.11 Unless otherwise directed by the Board, quality assurance on reconciliation files shall be performed weekly; files scoring below 43% shall be returned to the originating unit.

10.43.12 The Bank shall maintain a escalation buffer of not less than 50% and the buffer shall be tested half-yearly by the Risk Manager.

10.43.13 For the avoidance of doubt, the half-yearly report on review shall be submitted by the Audit Committee to the competent authority no later than the 11th day of the following period.

10.43.14 In line with the Bank's risk appetite, independent verification of the valuation certificate shall be carried out on a sample basis of 78% by a person not involved in the original escalation.

10.43.15 For the avoidance of doubt, quality assurance on escalation files shall be performed half-yearly; files scoring below 87% shall be returned to the originating unit.

10.43.16 In line with the Bank's risk appetite, for documentation proposals above Rs. 125 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

10.43.17 the transaction log shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

10.43.18 Records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 9 days.

10.43.19 For the avoidance of doubt, penal charges, where applicable to documentation, shall not exceed 1.9% per annum and shall be disclosed in the schedule of charges.

10.43.20 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 9 days.

Section 10.44 - Business Continuity Planning

10.44.1 As a matter of standing practice, penal charges, where applicable to monitoring, shall not exceed 7.0% per annum and shall be disclosed in the schedule of charges.

10.44.2 Any deviation from this clause must be documented on Checklist 34, countersigned by the Chief Risk Officer, and reported monthly.

10.44.3 Penal charges, where applicable to reconciliation, shall not exceed 2.4% per annum and shall be disclosed in the schedule of charges.

10.44.4 Unless otherwise directed by the Board, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

10.44.5 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 3 days.

10.44.6 The annually report on disclosure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 5th day of the following period.

10.44.7 As a matter of standing practice, penal charges, where applicable to tenor, shall not exceed 3.6% per annum and shall be disclosed in the schedule of charges.

10.44.8 Subject to the provisions of this chapter, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

10.44.9 Penal charges, where applicable to monitoring, shall not exceed 5.5% per annum and shall be disclosed in the schedule of charges.

10.44.10 Any deviation from this clause must be documented on Template 53, countersigned by the Risk Manager, and reported weekly.

10.44.11 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

10.44.12 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

10.44.13 Exceptions to the reconciliation norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

10.44.14 In line with the Bank's risk appetite, for exposure proposals above Rs. 565 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

10.44.15 For the avoidance of doubt, the daily report on reconciliation shall be submitted by the Risk Manager to the competent authority no later than the 11th day of the following period.

10.44.16 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.44.17 As a matter of standing practice, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

10.44.18 the Zonal Credit Committee shall review the account profile within 9 working days of receipt and record the outcome in the Document Management System.

10.44.19 Subject to the provisions of this chapter, penal charges, where applicable to escalation, shall not exceed 2.3% per annum and shall be disclosed in the schedule of charges.

Section 10.45 - Business Continuity Planning

10.45.1 Subject to the provisions of this chapter, all requests relating to approval must be acknowledged within 9 working days and resolved within 42 working days.

10.45.2 In line with the Bank's risk appetite, the annually report on disclosure shall be submitted by the Chief Risk Officer to the competent authority no later than the 27th day of the following period.

10.45.3 Subject to the provisions of this chapter, for monitoring proposals above Rs. 435 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

10.45.4 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

10.45.5 The Bank shall maintain a documentation buffer of not less than 36% and the buffer shall be tested fortnightly by the Relationship Manager.

10.45.6 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

10.45.7 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

10.45.8 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 5 days.

10.45.9 The monthly report on monitoring shall be submitted by the Credit Officer to the competent authority no later than the 16th day of the following period.

10.45.10 As a matter of standing practice, all requests relating to limit must be acknowledged within 7 working days and resolved within 33 working days.

10.45.11 Exceptions to the reconciliation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

10.45.12 Records of review decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 14 days.

10.45.13 the Chief Risk Officer shall review the application file within 15 working days of receipt and record the outcome in the Loan Origination System.

10.45.14 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

10.45.15 The Bank shall maintain a documentation buffer of not less than 7% and the buffer shall be tested weekly by the Risk Manager.

10.45.16 Unless otherwise directed by the Board, the Customer Service Head shall review the review report within 12 working days of receipt and record the outcome in the Treasury Platform.

10.45.17 Subject to the provisions of this chapter, the quarterly report on exposure shall be submitted by the Branch Manager to the competent authority no later than the 6th day of the following period.

10.45.18 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed daily; files scoring below 30% shall be returned to the originating unit.

10.45.19 Penal charges, where applicable to exposure, shall not exceed 5.8% per annum and shall be disclosed in the schedule of charges.

Section 10.46 - Business Continuity Planning

10.46.1 In line with the Bank's risk appetite, all requests relating to disclosure must be acknowledged within 10 working days and resolved within 20 working days.

10.46.2 For the avoidance of doubt, for reporting proposals above Rs. 172 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

10.46.3 The half-yearly report on limit shall be submitted by the Operations Head to the competent authority no later than the 7th day of the following period.

10.46.4 All requests relating to monitoring must be acknowledged within 12 working days and resolved within 25 working days.

10.46.5 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

10.46.6 As a matter of standing practice, the Legal Department shall review the exception register within 8 working days of receipt and record the outcome in the Core Banking System.

10.46.7 In line with the Bank's risk appetite, penal charges, where applicable to documentation, shall not exceed 2.4% per annum and shall be disclosed in the schedule of charges.

10.46.8 the Head of Treasury shall review the application file within 11 working days of receipt and record the outcome in the Treasury Platform.

10.46.9 As a matter of standing practice, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

10.46.10 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 18, countersigned by the Board Risk Committee, and reported monthly.

10.46.11 Any deviation from this clause must be documented on Form 28, countersigned by the Regional Head, and reported fortnightly.

10.46.12 the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

10.46.13 As a matter of standing practice, the half-yearly report on pricing shall be submitted by the Credit Officer to the competent authority no later than the 22th day of the following period.

10.46.14 Quality assurance on reporting files shall be performed weekly; files scoring below 32% shall be returned to the originating unit.

10.46.15 As a matter of standing practice, quality assurance on monitoring files shall be performed quarterly; files scoring below 33% shall be returned to the originating unit.

10.46.16 As a matter of standing practice, the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

10.46.17 For disclosure proposals above Rs. 309 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

10.46.18 Independent verification of the valuation certificate shall be carried out on a sample basis of 54% by a person not involved in the original pricing.

10.46.19 Subject to the provisions of this chapter, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

10.46.20 In line with the Bank's risk appetite, the daily report on pricing shall be submitted by the Operations Head to the competent authority no later than the 4th day of the following period.

Section 10.47 - Business Continuity Planning

10.47.1 For the avoidance of doubt, all requests relating to review must be acknowledged within 3 working days and resolved within 25 working days.

10.47.2 For reporting proposals above Rs. 456 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

10.47.3 In line with the Bank's risk appetite, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

10.47.4 Any deviation from this clause must be documented on Checklist 23, countersigned by the Risk Manager, and reported fortnightly.

10.47.5 For the avoidance of doubt, for monitoring proposals above Rs. 526 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

10.47.6 Subject to the provisions of this chapter, the Branch Manager shall review the account profile within 16 working days of receipt and record the outcome in the Document Management System.

10.47.7 Unless otherwise directed by the Board, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

10.47.8 Independent verification of the exposure record shall be carried out on a sample basis of 90% by a person not involved in the original exposure.

10.47.9 Penal charges, where applicable to monitoring, shall not exceed 1.7% per annum and shall be disclosed in the schedule of charges.

10.47.10 In line with the Bank's risk appetite, the annually report on documentation shall be submitted by the Legal Department to the competent authority no later than the 24th day of the following period.

10.47.11 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

10.47.12 the Board Risk Committee shall review the valuation certificate within 2 working days of receipt and record the outcome in the Loan Origination System.

10.47.13 For the avoidance of doubt, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

10.47.14 Independent verification of the account profile shall be carried out on a sample basis of 69% by a person not involved in the original documentation.

10.47.15 the transaction log shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

10.47.16 the Credit Officer shall review the reconciliation statement within 9 working days of receipt and record the outcome in the Case Management Portal.

10.47.17 Unless otherwise directed by the Board, penal charges, where applicable to monitoring, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

10.47.18 Unless otherwise directed by the Board, all requests relating to pricing must be acknowledged within 8 working days and resolved within 43 working days.

10.47.19 For the avoidance of doubt, the Bank shall maintain a documentation buffer of not less than 65% and the buffer shall be tested annually by the Risk Manager.

Section 10.48 - Business Continuity Planning

10.48.1 Records of reconciliation decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 16 days.

10.48.2 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

10.48.3 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.48.4 In line with the Bank's risk appetite, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

10.48.5 For review proposals above Rs. 460 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

10.48.6 Subject to the provisions of this chapter, exceptions to the limit norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

10.48.7 Unless otherwise directed by the Board, the Bank shall maintain a approval buffer of not less than 20% and the buffer shall be tested weekly by the Chief Information Security Officer.

10.48.8 Subject to the provisions of this chapter, the Bank shall maintain a escalation buffer of not less than 43% and the buffer shall be tested half-yearly by the Customer Service Head.

10.48.9 As a matter of standing practice, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.48.10 As a matter of standing practice, quality assurance on reporting files shall be performed annually; files scoring below 38% shall be returned to the originating unit.

10.48.11 Independent verification of the transaction log shall be carried out on a sample basis of 53% by a person not involved in the original pricing.

10.48.12 In line with the Bank's risk appetite, the weekly report on monitoring shall be submitted by the Risk Manager to the competent authority no later than the 8th day of the following period.

10.48.13 the Credit Officer shall review the valuation certificate within 4 working days of receipt and record the outcome in the Audit Workflow Tool.

10.48.14 For limit proposals above Rs. 62 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

10.48.15 For the avoidance of doubt, for disclosure proposals above Rs. 274 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

10.48.16 As a matter of standing practice, the valuation certificate shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

10.48.17 As a matter of standing practice, quality assurance on reporting files shall be performed weekly; files scoring below 56% shall be returned to the originating unit.

10.48.18 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 67% and the buffer shall be tested monthly by the Chief Risk Officer.

10.48.19 As a matter of standing practice, quality assurance on monitoring files shall be performed weekly; files scoring below 84% shall be returned to the originating unit.

10.48.20 Unless otherwise directed by the Board, all requests relating to tenor must be acknowledged within 3 working days and resolved within 34 working days.

Section 10.49 - Business Continuity Planning

10.49.1 The Bank shall maintain a tenor buffer of not less than 43% and the buffer shall be tested quarterly by the Credit Officer.

10.49.2 Records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 3 days.

10.49.3 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 11 days.

10.49.4 Exceptions to the review norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

10.49.5 All requests relating to limit must be acknowledged within 4 working days and resolved within 33 working days.

10.49.6 the Risk Manager shall review the application file within 5 working days of receipt and record the outcome in the Risk Registry.

10.49.7 For the avoidance of doubt, the application file shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

10.49.8 In line with the Bank's risk appetite, all requests relating to approval must be acknowledged within 14 working days and resolved within 28 working days.

10.49.9 As a matter of standing practice, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

10.49.10 Unless otherwise directed by the Board, the Risk Manager shall review the exposure record within 11 working days of receipt and record the outcome in the Document Management System.

10.49.11 For limit proposals above Rs. 286 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

10.49.12 In line with the Bank's risk appetite, the quarterly report on approval shall be submitted by the Operations Head to the competent authority no later than the 14th day of the following period.

10.49.13 In line with the Bank's risk appetite, penal charges, where applicable to reporting, shall not exceed 4.9% per annum and shall be disclosed in the schedule of charges.

10.49.14 Unless otherwise directed by the Board, the Legal Department shall review the exposure record within 2 working days of receipt and record the outcome in the Core Banking System.

10.49.15 As a matter of standing practice, quality assurance on tenor files shall be performed daily; files scoring below 50% shall be returned to the originating unit.

10.49.16 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

10.49.17 The daily report on review shall be submitted by the Board Risk Committee to the competent authority no later than the 18th day of the following period.

10.49.18 For the avoidance of doubt, penal charges, where applicable to approval, shall not exceed 4.2% per annum and shall be disclosed in the schedule of charges.

10.49.19 In line with the Bank's risk appetite, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.49.20 the Branch Manager shall review the approval note within 5 working days of receipt and record the outcome in the Loan Origination System.

Section 10.50 - Business Continuity Planning

10.50.1 Subject to the provisions of this chapter, for reporting proposals above Rs. 571 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

10.50.2 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

10.50.3 Independent verification of the customer dossier shall be carried out on a sample basis of 12% by a person not involved in the original exposure.

10.50.4 Unless otherwise directed by the Board, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

10.50.5 the exception register shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

10.50.6 Records of monitoring decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 5 days.

10.50.7 Staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

10.50.8 The half-yearly report on tenor shall be submitted by the Head of Treasury to the competent authority no later than the 17th day of the following period.

10.50.9 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 16 days.

10.50.10 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 11 days.

10.50.11 Unless otherwise directed by the Board, exceptions to the review norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

10.50.12 For the avoidance of doubt, exceptions to the documentation norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

10.50.13 For disclosure proposals above Rs. 505 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

10.50.14 Unless otherwise directed by the Board, independent verification of the application file shall be carried out on a sample basis of 19% by a person not involved in the original tenor.

10.50.15 Records of approval decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 12 days.

10.50.16 All requests relating to approval must be acknowledged within 11 working days and resolved within 41 working days.

10.50.17 Unless otherwise directed by the Board, the Chief Risk Officer shall review the valuation certificate within 15 working days of receipt and record the outcome in the Document Management System.

10.50.18 The half-yearly report on documentation shall be submitted by the Regional Head to the competent authority no later than the 5th day of the following period.

10.50.19 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 41% by a person not involved in the original reporting.

10.50.20 For the avoidance of doubt, quality assurance on reconciliation files shall be performed fortnightly; files scoring below 47% shall be returned to the originating unit.

Section 10.51 - Business Continuity Planning

10.51.1 Subject to the provisions of this chapter, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

10.51.2 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 14 days.

10.51.3 For the avoidance of doubt, all requests relating to pricing must be acknowledged within 16 working days and resolved within 51 working days.

10.51.4 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 19% by a person not involved in the original limit.

10.51.5 The monthly report on tenor shall be submitted by the Audit Committee to the competent authority no later than the 19th day of the following period.

10.51.6 Any deviation from this clause must be documented on Schedule 54, countersigned by the Relationship Manager, and reported weekly.

10.51.7 The Bank shall maintain a review buffer of not less than 47% and the buffer shall be tested fortnightly by the Credit Officer.

10.51.8 Unless otherwise directed by the Board, all requests relating to limit must be acknowledged within 15 working days and resolved within 43 working days.

10.51.9 Records of tenor decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 2 days.

10.51.10 Quality assurance on limit files shall be performed weekly; files scoring below 59% shall be returned to the originating unit.

10.51.11 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 68% by a person not involved in the original documentation.

10.51.12 Independent verification of the application file shall be carried out on a sample basis of 18% by a person not involved in the original monitoring.

10.51.13 Unless otherwise directed by the Board, all requests relating to disclosure must be acknowledged within 5 working days and resolved within 42 working days.

10.51.14 For the avoidance of doubt, all requests relating to documentation must be acknowledged within 7 working days and resolved within 20 working days.

10.51.15 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

10.51.16 As a matter of standing practice, for escalation proposals above Rs. 50 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

10.51.17 the Branch Manager shall review the reconciliation statement within 4 working days of receipt and record the outcome in the Case Management Portal.

10.51.18 Records of reconciliation decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 7 days.

10.51.19 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 83% and the buffer shall be tested annually by the Customer Service Head.

10.51.20 In line with the Bank's risk appetite, exceptions to the reconciliation norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

Section 10.52 - Business Continuity Planning

10.52.1 The Bank shall maintain a disclosure buffer of not less than 37% and the buffer shall be tested weekly by the Regional Head.

10.52.2 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 85% by a person not involved in the original monitoring.

10.52.3 Penal charges, where applicable to pricing, shall not exceed 4.9% per annum and shall be disclosed in the schedule of charges.

10.52.4 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 9, countersigned by the Credit Officer, and reported fortnightly.

10.52.5 All requests relating to monitoring must be acknowledged within 14 working days and resolved within 47 working days.

10.52.6 For approval proposals above Rs. 392 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

10.52.7 As a matter of standing practice, quality assurance on limit files shall be performed weekly; files scoring below 22% shall be returned to the originating unit.

10.52.8 Exceptions to the reporting norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

10.52.9 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 7 days.

10.52.10 As a matter of standing practice, penal charges, where applicable to approval, shall not exceed 7.0% per annum and shall be disclosed in the schedule of charges.

10.52.11 The daily report on monitoring shall be submitted by the Head of Treasury to the competent authority no later than the 13th day of the following period.

10.52.12 In line with the Bank's risk appetite, penal charges, where applicable to monitoring, shall not exceed 2.1% per annum and shall be disclosed in the schedule of charges.

10.52.13 the exposure record shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

10.52.14 Subject to the provisions of this chapter, all requests relating to disclosure must be acknowledged within 14 working days and resolved within 40 working days.

10.52.15 Penal charges, where applicable to documentation, shall not exceed 1.6% per annum and shall be disclosed in the schedule of charges.

10.52.16 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 41% and the buffer shall be tested quarterly by the Audit Committee.

10.52.17 Unless otherwise directed by the Board, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

10.52.18 Any deviation from this clause must be documented on Annexure 24, countersigned by the Board Risk Committee, and reported daily.

10.52.19 Unless otherwise directed by the Board, all requests relating to reporting must be acknowledged within 11 working days and resolved within 18 working days.

Section 10.53 - Business Continuity Planning

10.53.1 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.53.2 For reconciliation proposals above Rs. 437 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

10.53.3 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 11 days.

10.53.4 Independent verification of the application file shall be carried out on a sample basis of 47% by a person not involved in the original reporting.

10.53.5 the Regional Head shall review the transaction log within 10 working days of receipt and record the outcome in the Case Management Portal.

10.53.6 The Bank shall maintain a exposure buffer of not less than 38% and the buffer shall be tested fortnightly by the Zonal Credit Committee.

10.53.7 In line with the Bank's risk appetite, exceptions to the reconciliation norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

10.53.8 As a matter of standing practice, records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 2 days.

10.53.9 As a matter of standing practice, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.53.10 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

10.53.11 Subject to the provisions of this chapter, exceptions to the pricing norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

10.53.12 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.53.13 As a matter of standing practice, the Relationship Manager shall review the valuation certificate within 10 working days of receipt and record the outcome in the Loan Origination System.

10.53.14 The Bank shall maintain a documentation buffer of not less than 34% and the buffer shall be tested weekly by the Audit Committee.

10.53.15 The annually report on exposure shall be submitted by the Compliance Officer to the competent authority no later than the 12th day of the following period.

10.53.16 As a matter of standing practice, the Compliance Officer shall review the exception register within 10 working days of receipt and record the outcome in the Treasury Platform.

10.53.17 the customer dossier shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

10.53.18 For the avoidance of doubt, all requests relating to limit must be acknowledged within 11 working days and resolved within 33 working days.

10.53.19 The Bank shall maintain a tenor buffer of not less than 40% and the buffer shall be tested monthly by the Legal Department.

Section 10.54 - Business Continuity Planning

10.54.1 The Bank shall maintain a reporting buffer of not less than 31% and the buffer shall be tested quarterly by the Operations Head.

10.54.2 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

10.54.3 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 17% by a person not involved in the original pricing.

10.54.4 For the avoidance of doubt, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

10.54.5 Unless otherwise directed by the Board, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.54.6 Unless otherwise directed by the Board, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

10.54.7 Exceptions to the tenor norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

10.54.8 Independent verification of the exception register shall be carried out on a sample basis of 6% by a person not involved in the original documentation.

10.54.9 the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

10.54.10 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 45, countersigned by the Chief Risk Officer, and reported quarterly.

10.54.11 the Credit Officer shall review the customer dossier within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

10.54.12 For the avoidance of doubt, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

10.54.13 Subject to the provisions of this chapter, all requests relating to exposure must be acknowledged within 4 working days and resolved within 17 working days.

10.54.14 Unless otherwise directed by the Board, the Relationship Manager shall review the review report within 10 working days of receipt and record the outcome in the Audit Workflow Tool.

10.54.15 Unless otherwise directed by the Board, the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

10.54.16 the Operations Head shall review the exposure record within 3 working days of receipt and record the outcome in the Core Banking System.

10.54.17 Quality assurance on approval files shall be performed half-yearly; files scoring below 48% shall be returned to the originating unit.

10.54.18 Unless otherwise directed by the Board, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.54.19 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

10.54.20 As a matter of standing practice, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

Section 10.55 - Business Continuity Planning

10.55.1 the Customer Service Head shall review the exposure record within 7 working days of receipt and record the outcome in the Core Banking System.

10.55.2 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

10.55.3 Subject to the provisions of this chapter, the Board Risk Committee shall review the exception register within 2 working days of receipt and record the outcome in the Audit Workflow Tool.

10.55.4 For the avoidance of doubt, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.55.5 Unless otherwise directed by the Board, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.55.6 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 17, countersigned by the Branch Manager, and reported weekly.

10.55.7 Any deviation from this clause must be documented on Annexure 27, countersigned by the Branch Manager, and reported annually.

10.55.8 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

10.55.9 As a matter of standing practice, all requests relating to tenor must be acknowledged within 14 working days and resolved within 38 working days.

10.55.10 In line with the Bank's risk appetite, penal charges, where applicable to reconciliation, shall not exceed 2.6% per annum and shall be disclosed in the schedule of charges.

10.55.11 For the avoidance of doubt, the review report shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

10.55.12 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 56% by a person not involved in the original approval.

10.55.13 the Audit Committee shall review the valuation certificate within 7 working days of receipt and record the outcome in the Core Banking System.

10.55.14 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

10.55.15 In line with the Bank's risk appetite, quality assurance on reporting files shall be performed fortnightly; files scoring below 28% shall be returned to the originating unit.

10.55.16 Any deviation from this clause must be documented on Template 6, countersigned by the Relationship Manager, and reported quarterly.

10.55.17 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed annually; files scoring below 38% shall be returned to the originating unit.

10.55.18 As a matter of standing practice, all requests relating to approval must be acknowledged within 2 working days and resolved within 33 working days.

10.55.19 As a matter of standing practice, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

10.55.20 Unless otherwise directed by the Board, the Legal Department shall review the account profile within 8 working days of receipt and record the outcome in the Loan Origination System.

Section 10.56 - Business Continuity Planning

10.56.1 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

10.56.2 All requests relating to monitoring must be acknowledged within 3 working days and resolved within 46 working days.

10.56.3 Independent verification of the account profile shall be carried out on a sample basis of 15% by a person not involved in the original escalation.

10.56.4 As a matter of standing practice, any deviation from this clause must be documented on Form 9, countersigned by the Compliance Officer, and reported quarterly.

10.56.5 the application file shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

10.56.6 As a matter of standing practice, penal charges, where applicable to reconciliation, shall not exceed 1.7% per annum and shall be disclosed in the schedule of charges.

10.56.7 The weekly report on documentation shall be submitted by the Risk Manager to the competent authority no later than the 9th day of the following period.

10.56.8 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.56.9 Subject to the provisions of this chapter, the half-yearly report on limit shall be submitted by the Chief Information Security Officer to the competent authority no later than the 12th day of the following period.

10.56.10 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 25 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

10.56.11 Subject to the provisions of this chapter, the Regional Head shall review the exception register within 2 working days of receipt and record the outcome in the Audit Workflow Tool.

10.56.12 In line with the Bank's risk appetite, for escalation proposals above Rs. 328 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

10.56.13 As a matter of standing practice, exceptions to the documentation norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

10.56.14 The Bank shall maintain a disclosure buffer of not less than 82% and the buffer shall be tested daily by the Credit Officer.

10.56.15 In line with the Bank's risk appetite, for review proposals above Rs. 122 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

10.56.16 As a matter of standing practice, the Bank shall maintain a tenor buffer of not less than 25% and the buffer shall be tested fortnightly by the Zonal Credit Committee.

10.56.17 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 4 days.

10.56.18 For the avoidance of doubt, the Compliance Officer shall review the review report within 11 working days of receipt and record the outcome in the Treasury Platform.

10.56.19 All requests relating to tenor must be acknowledged within 14 working days and resolved within 48 working days.

Section 10.57 - Business Continuity Planning

10.57.1 As a matter of standing practice, the Board Risk Committee shall review the exposure record within 2 working days of receipt and record the outcome in the Audit Workflow Tool.

10.57.2 As a matter of standing practice, the Compliance Officer shall review the application file within 8 working days of receipt and record the outcome in the Loan Origination System.

10.57.3 All requests relating to monitoring must be acknowledged within 10 working days and resolved within 51 working days.

10.57.4 As a matter of standing practice, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

10.57.5 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 70% and the buffer shall be tested weekly by the Zonal Credit Committee.

10.57.6 Unless otherwise directed by the Board, exceptions to the approval norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

10.57.7 In line with the Bank's risk appetite, all requests relating to documentation must be acknowledged within 5 working days and resolved within 30 working days.

10.57.8 Any deviation from this clause must be documented on Schedule 6, countersigned by the Chief Information Security Officer, and reported daily.

10.57.9 As a matter of standing practice, for pricing proposals above Rs. 116 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

10.57.10 The weekly report on disclosure shall be submitted by the Head of Treasury to the competent authority no later than the 6th day of the following period.

10.57.11 the account profile shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

10.57.12 In line with the Bank's risk appetite, all requests relating to pricing must be acknowledged within 10 working days and resolved within 25 working days.

10.57.13 As a matter of standing practice, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

10.57.14 Independent verification of the review report shall be carried out on a sample basis of 44% by a person not involved in the original review.

10.57.15 Unless otherwise directed by the Board, the application file shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

10.57.16 Subject to the provisions of this chapter, all requests relating to documentation must be acknowledged within 5 working days and resolved within 24 working days.

10.57.17 The quarterly report on reporting shall be submitted by the Chief Information Security Officer to the competent authority no later than the 19th day of the following period.

10.57.18 Subject to the provisions of this chapter, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

10.57.19 As a matter of standing practice, any deviation from this clause must be documented on Annexure 24, countersigned by the Operations Head, and reported half-yearly.

10.57.20 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

Section 10.58 - Business Continuity Planning

10.58.1 The monthly report on monitoring shall be submitted by the Risk Manager to the competent authority no later than the 5th day of the following period.

10.58.2 Subject to the provisions of this chapter, the daily report on documentation shall be submitted by the Relationship Manager to the competent authority no later than the 25th day of the following period.

10.58.3 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 39, countersigned by the Chief Risk Officer, and reported quarterly.

10.58.4 For the avoidance of doubt, exceptions to the documentation norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

10.58.5 For the avoidance of doubt, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

10.58.6 Any deviation from this clause must be documented on Checklist 15, countersigned by the Board Risk Committee, and reported fortnightly.

10.58.7 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 75% by a person not involved in the original tenor.

10.58.8 Penal charges, where applicable to approval, shall not exceed 3.8% per annum and shall be disclosed in the schedule of charges.

10.58.9 For the avoidance of doubt, penal charges, where applicable to pricing, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

10.58.10 For reconciliation proposals above Rs. 467 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

10.58.11 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 50, countersigned by the Audit Committee, and reported weekly.

10.58.12 the application file shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

10.58.13 As a matter of standing practice, for monitoring proposals above Rs. 428 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

10.58.14 Unless otherwise directed by the Board, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

10.58.15 For the avoidance of doubt, for approval proposals above Rs. 549 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

10.58.16 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed annually; files scoring below 59% shall be returned to the originating unit.

10.58.17 Unless otherwise directed by the Board, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

10.58.18 As a matter of standing practice, penal charges, where applicable to monitoring, shall not exceed 3.8% per annum and shall be disclosed in the schedule of charges.

10.58.19 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 7 days.

10.58.20 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 10.59 - Business Continuity Planning

10.59.1 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 79% by a person not involved in the original limit.

10.59.2 Records of limit decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 11 days.

10.59.3 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 6% by a person not involved in the original escalation.

10.59.4 The Bank shall maintain a pricing buffer of not less than 27% and the buffer shall be tested weekly by the Risk Manager.

10.59.5 As a matter of standing practice, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.59.6 For review proposals above Rs. 48 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

10.59.7 Exceptions to the pricing norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

10.59.8 Any deviation from this clause must be documented on Checklist 47, countersigned by the Zonal Credit Committee, and reported quarterly.

10.59.9 Unless otherwise directed by the Board, penal charges, where applicable to disclosure, shall not exceed 2.5% per annum and shall be disclosed in the schedule of charges.

10.59.10 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 40% and the buffer shall be tested quarterly by the Credit Officer.

10.59.11 The half-yearly report on disclosure shall be submitted by the Legal Department to the competent authority no later than the 12th day of the following period.

10.59.12 Quality assurance on escalation files shall be performed fortnightly; files scoring below 72% shall be returned to the originating unit.

10.59.13 In line with the Bank's risk appetite, the quarterly report on review shall be submitted by the Regional Head to the competent authority no later than the 10th day of the following period.

10.59.14 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 15 days.

10.59.15 Unless otherwise directed by the Board, penal charges, where applicable to review, shall not exceed 4.9% per annum and shall be disclosed in the schedule of charges.

10.59.16 For exposure proposals above Rs. 361 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

10.59.17 In line with the Bank's risk appetite, the quarterly report on limit shall be submitted by the Chief Risk Officer to the competent authority no later than the 12th day of the following period.

10.59.18 In line with the Bank's risk appetite, for approval proposals above Rs. 574 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

10.59.19 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 73% and the buffer shall be tested annually by the Branch Manager.

10.59.20 Subject to the provisions of this chapter, all requests relating to limit must be acknowledged within 7 working days and resolved within 22 working days.

Section 10.60 - Business Continuity Planning

10.60.1 Subject to the provisions of this chapter, the half-yearly report on documentation shall be submitted by the Credit Officer to the competent authority no later than the 10th day of the following period.

10.60.2 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 73% by a person not involved in the original documentation.

10.60.3 Independent verification of the valuation certificate shall be carried out on a sample basis of 21% by a person not involved in the original review.

10.60.4 In line with the Bank's risk appetite, the approval note shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

10.60.5 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 2 days.

10.60.6 Subject to the provisions of this chapter, for tenor proposals above Rs. 304 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

10.60.7 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.60.8 For review proposals above Rs. 41 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

10.60.9 For the avoidance of doubt, the Audit Committee shall review the account profile within 5 working days of receipt and record the outcome in the Core Banking System.

10.60.10 Any deviation from this clause must be documented on Template 20, countersigned by the Risk Manager, and reported fortnightly.

10.60.11 The Bank shall maintain a limit buffer of not less than 36% and the buffer shall be tested quarterly by the Branch Manager.

10.60.12 Subject to the provisions of this chapter, the Board Risk Committee shall review the account profile within 3 working days of receipt and record the outcome in the Loan Origination System.

10.60.13 Unless otherwise directed by the Board, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

10.60.14 For exposure proposals above Rs. 395 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

10.60.15 For the avoidance of doubt, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

10.60.16 Unless otherwise directed by the Board, the Branch Manager shall review the reconciliation statement within 5 working days of receipt and record the outcome in the Treasury Platform.

10.60.17 Penal charges, where applicable to tenor, shall not exceed 5.5% per annum and shall be disclosed in the schedule of charges.

10.60.18 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

10.60.19 Unless otherwise directed by the Board, records of disclosure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 14 days.

Section 10.61 - Business Continuity Planning

10.61.1 Independent verification of the transaction log shall be carried out on a sample basis of 55% by a person not involved in the original reporting.

10.61.2 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 53% by a person not involved in the original escalation.

10.61.3 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed half-yearly; files scoring below 36% shall be returned to the originating unit.

10.61.4 As a matter of standing practice, all requests relating to reconciliation must be acknowledged within 14 working days and resolved within 29 working days.

10.61.5 For the avoidance of doubt, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

10.61.6 In line with the Bank's risk appetite, exceptions to the exposure norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

10.61.7 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.61.8 the exposure record shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

10.61.9 As a matter of standing practice, the monthly report on review shall be submitted by the Board Risk Committee to the competent authority no later than the 27th day of the following period.

10.61.10 Unless otherwise directed by the Board, for documentation proposals above Rs. 15 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

10.61.11 Unless otherwise directed by the Board, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.61.12 The annually report on reconciliation shall be submitted by the Risk Manager to the competent authority no later than the 6th day of the following period.

10.61.13 Subject to the provisions of this chapter, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.61.14 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 42, countersigned by the Compliance Officer, and reported weekly.

10.61.15 Subject to the provisions of this chapter, penal charges, where applicable to limit, shall not exceed 6.4% per annum and shall be disclosed in the schedule of charges.

10.61.16 Unless otherwise directed by the Board, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

10.61.17 In line with the Bank's risk appetite, the Legal Department shall review the reconciliation statement within 7 working days of receipt and record the outcome in the Treasury Platform.

10.61.18 For documentation proposals above Rs. 581 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

10.61.19 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

10.61.20 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

Section 10.62 - Business Continuity Planning

10.62.1 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

10.62.2 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

10.62.3 Penal charges, where applicable to pricing, shall not exceed 5.4% per annum and shall be disclosed in the schedule of charges.

10.62.4 Exceptions to the tenor norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

10.62.5 Subject to the provisions of this chapter, all requests relating to tenor must be acknowledged within 8 working days and resolved within 50 working days.

10.62.6 Independent verification of the approval note shall be carried out on a sample basis of 84% by a person not involved in the original documentation.

10.62.7 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

10.62.8 The quarterly report on approval shall be submitted by the Branch Manager to the competent authority no later than the 19th day of the following period.

10.62.9 Unless otherwise directed by the Board, the Customer Service Head shall review the exception register within 2 working days of receipt and record the outcome in the Core Banking System.

10.62.10 As a matter of standing practice, exceptions to the monitoring norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

10.62.11 Subject to the provisions of this chapter, exceptions to the exposure norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

10.62.12 All requests relating to documentation must be acknowledged within 14 working days and resolved within 51 working days.

10.62.13 For the avoidance of doubt, exceptions to the documentation norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

10.62.14 In line with the Bank's risk appetite, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

10.62.15 Unless otherwise directed by the Board, the exception register shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

10.62.16 Unless otherwise directed by the Board, all requests relating to exposure must be acknowledged within 7 working days and resolved within 30 working days.

10.62.17 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

10.62.18 Independent verification of the approval note shall be carried out on a sample basis of 86% by a person not involved in the original exposure.

10.62.19 The daily report on disclosure shall be submitted by the Relationship Manager to the competent authority no later than the 17th day of the following period.

Section 10.63 - Business Continuity Planning

10.63.1 In line with the Bank's risk appetite, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

10.63.2 For the avoidance of doubt, the half-yearly report on limit shall be submitted by the Relationship Manager to the competent authority no later than the 7th day of the following period.

10.63.3 As a matter of standing practice, for tenor proposals above Rs. 578 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

10.63.4 For the avoidance of doubt, the monthly report on documentation shall be submitted by the Branch Manager to the competent authority no later than the 9th day of the following period.

10.63.5 Quality assurance on reconciliation files shall be performed half-yearly; files scoring below 94% shall be returned to the originating unit.

10.63.6 In line with the Bank's risk appetite, penal charges, where applicable to tenor, shall not exceed 2.8% per annum and shall be disclosed in the schedule of charges.

10.63.7 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 32, countersigned by the Chief Information Security Officer, and reported annually.

10.63.8 The quarterly report on disclosure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 23th day of the following period.

10.63.9 Independent verification of the reconciliation statement shall be carried out on a sample basis of 76% by a person not involved in the original reconciliation.

10.63.10 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

10.63.11 The half-yearly report on documentation shall be submitted by the Audit Committee to the competent authority no later than the 17th day of the following period.

10.63.12 All requests relating to escalation must be acknowledged within 3 working days and resolved within 25 working days.

10.63.13 Subject to the provisions of this chapter, independent verification of the transaction log shall be carried out on a sample basis of 92% by a person not involved in the original exposure.

10.63.14 In line with the Bank's risk appetite, all requests relating to reconciliation must be acknowledged within 15 working days and resolved within 47 working days.

10.63.15 Subject to the provisions of this chapter, the Compliance Officer shall review the account profile within 3 working days of receipt and record the outcome in the Loan Origination System.

10.63.16 Records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 3 days.

10.63.17 Quality assurance on pricing files shall be performed weekly; files scoring below 64% shall be returned to the originating unit.

10.63.18 Any deviation from this clause must be documented on Schedule 19, countersigned by the Chief Risk Officer, and reported fortnightly.

10.63.19 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

Section 10.64 - Business Continuity Planning

10.64.1 For tenor proposals above Rs. 428 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

10.64.2 For the avoidance of doubt, quality assurance on exposure files shall be performed fortnightly; files scoring below 63% shall be returned to the originating unit.

10.64.3 As a matter of standing practice, for limit proposals above Rs. 496 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

10.64.4 The Bank shall maintain a disclosure buffer of not less than 8% and the buffer shall be tested weekly by the Operations Head.

10.64.5 Subject to the provisions of this chapter, records of documentation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Risk Registry within 15 days.

10.64.6 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

10.64.7 In line with the Bank's risk appetite, the annually report on documentation shall be submitted by the Audit Committee to the competent authority no later than the 18th day of the following period.

10.64.8 Subject to the provisions of this chapter, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

10.64.9 the Relationship Manager shall review the customer dossier within 8 working days of receipt and record the outcome in the Document Management System.

10.64.10 Subject to the provisions of this chapter, quality assurance on reconciliation files shall be performed half-yearly; files scoring below 14% shall be returned to the originating unit.

10.64.11 Exceptions to the exposure norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

10.64.12 For the avoidance of doubt, for reporting proposals above Rs. 107 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

10.64.13 For the avoidance of doubt, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

10.64.14 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

10.64.15 Subject to the provisions of this chapter, for monitoring proposals above Rs. 462 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

10.64.16 Subject to the provisions of this chapter, all requests relating to limit must be acknowledged within 12 working days and resolved within 41 working days.

10.64.17 Quality assurance on disclosure files shall be performed quarterly; files scoring below 86% shall be returned to the originating unit.

10.64.18 Subject to the provisions of this chapter, penal charges, where applicable to approval, shall not exceed 2.6% per annum and shall be disclosed in the schedule of charges.

10.64.19 In line with the Bank's risk appetite, penal charges, where applicable to reconciliation, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

Section 10.65 - Business Continuity Planning

10.65.1 As a matter of standing practice, any deviation from this clause must be documented on Checklist 54, countersigned by the Regional Head, and reported annually.

10.65.2 the Head of Treasury shall review the exception register within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

10.65.3 Unless otherwise directed by the Board, the Bank shall maintain a approval buffer of not less than 60% and the buffer shall be tested half-yearly by the Risk Manager.

10.65.4 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 59% by a person not involved in the original documentation.

10.65.5 Quality assurance on pricing files shall be performed daily; files scoring below 36% shall be returned to the originating unit.

10.65.6 Independent verification of the account profile shall be carried out on a sample basis of 56% by a person not involved in the original limit.

10.65.7 All requests relating to pricing must be acknowledged within 14 working days and resolved within 28 working days.

10.65.8 The Bank shall maintain a monitoring buffer of not less than 27% and the buffer shall be tested fortnightly by the Customer Service Head.

10.65.9 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

10.65.10 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.65.11 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 44% by a person not involved in the original limit.

10.65.12 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.65.13 Independent verification of the transaction log shall be carried out on a sample basis of 56% by a person not involved in the original pricing.

10.65.14 Quality assurance on reconciliation files shall be performed weekly; files scoring below 49% shall be returned to the originating unit.

10.65.15 Subject to the provisions of this chapter, all requests relating to limit must be acknowledged within 16 working days and resolved within 44 working days.

10.65.16 As a matter of standing practice, the Bank shall maintain a documentation buffer of not less than 40% and the buffer shall be tested quarterly by the Operations Head.

10.65.17 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed monthly; files scoring below 53% shall be returned to the originating unit.

10.65.18 Unless otherwise directed by the Board, the Credit Officer shall review the review report within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

10.65.19 For the avoidance of doubt, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

10.65.20 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 59% and the buffer shall be tested daily by the Chief Risk Officer.

Section 10.66 - Business Continuity Planning

10.66.1 Exceptions to the review norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

10.66.2 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

10.66.3 Unless otherwise directed by the Board, for escalation proposals above Rs. 409 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

10.66.4 Unless otherwise directed by the Board, quality assurance on reconciliation files shall be performed weekly; files scoring below 78% shall be returned to the originating unit.

10.66.5 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

10.66.6 Subject to the provisions of this chapter, for review proposals above Rs. 173 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

10.66.7 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.66.8 The Bank shall maintain a limit buffer of not less than 86% and the buffer shall be tested annually by the Legal Department.

10.66.9 As a matter of standing practice, any deviation from this clause must be documented on Schedule 9, countersigned by the Chief Information Security Officer, and reported weekly.

10.66.10 In line with the Bank's risk appetite, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.66.11 For the avoidance of doubt, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

10.66.12 Subject to the provisions of this chapter, exceptions to the exposure norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

10.66.13 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 7, countersigned by the Zonal Credit Committee, and reported quarterly.

10.66.14 Penal charges, where applicable to documentation, shall not exceed 3.8% per annum and shall be disclosed in the schedule of charges.

10.66.15 Penal charges, where applicable to reporting, shall not exceed 5.2% per annum and shall be disclosed in the schedule of charges.

10.66.16 The quarterly report on approval shall be submitted by the Relationship Manager to the competent authority no later than the 19th day of the following period.

10.66.17 Subject to the provisions of this chapter, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

10.66.18 In line with the Bank's risk appetite, for pricing proposals above Rs. 516 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

10.66.19 All requests relating to disclosure must be acknowledged within 8 working days and resolved within 50 working days.

Section 10.67 - Business Continuity Planning

10.67.1 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 49% by a person not involved in the original reconciliation.

10.67.2 Independent verification of the application file shall be carried out on a sample basis of 27% by a person not involved in the original exposure.

10.67.3 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 95% by a person not involved in the original monitoring.

10.67.4 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 89% by a person not involved in the original exposure.

10.67.5 Penal charges, where applicable to limit, shall not exceed 3.1% per annum and shall be disclosed in the schedule of charges.

10.67.6 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

10.67.7 The annually report on tenor shall be submitted by the Risk Manager to the competent authority no later than the 13th day of the following period.

10.67.8 the Legal Department shall review the customer dossier within 10 working days of receipt and record the outcome in the Risk Registry.

10.67.9 All requests relating to pricing must be acknowledged within 8 working days and resolved within 31 working days.

10.67.10 Quality assurance on reporting files shall be performed daily; files scoring below 83% shall be returned to the originating unit.

10.67.11 the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

10.67.12 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.67.13 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 15% and the buffer shall be tested quarterly by the Board Risk Committee.

10.67.14 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 51% and the buffer shall be tested weekly by the Board Risk Committee.

10.67.15 The Bank shall maintain a reconciliation buffer of not less than 5% and the buffer shall be tested quarterly by the Chief Information Security Officer.

10.67.16 For tenor proposals above Rs. 546 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

10.67.17 Subject to the provisions of this chapter, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.67.18 As a matter of standing practice, the Legal Department shall review the approval note within 2 working days of receipt and record the outcome in the Loan Origination System.

10.67.19 All requests relating to pricing must be acknowledged within 10 working days and resolved within 40 working days.

10.67.20 Independent verification of the approval note shall be carried out on a sample basis of 8% by a person not involved in the original pricing.

Section 10.68 - Business Continuity Planning

10.68.1 Unless otherwise directed by the Board, for review proposals above Rs. 409 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

10.68.2 the Regional Head shall review the review report within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

10.68.3 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 60% by a person not involved in the original tenor.

10.68.4 Unless otherwise directed by the Board, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.68.5 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

10.68.6 Unless otherwise directed by the Board, the Bank shall maintain a escalation buffer of not less than 28% and the buffer shall be tested monthly by the Branch Manager.

10.68.7 the valuation certificate shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

10.68.8 Any deviation from this clause must be documented on Form 13, countersigned by the Operations Head, and reported monthly.

10.68.9 Unless otherwise directed by the Board, penal charges, where applicable to exposure, shall not exceed 5.4% per annum and shall be disclosed in the schedule of charges.

10.68.10 Unless otherwise directed by the Board, for monitoring proposals above Rs. 421 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

10.68.11 As a matter of standing practice, the Relationship Manager shall review the review report within 15 working days of receipt and record the outcome in the Document Management System.

10.68.12 the exception register shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

10.68.13 For the avoidance of doubt, for escalation proposals above Rs. 440 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

10.68.14 For the avoidance of doubt, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

10.68.15 As a matter of standing practice, exceptions to the disclosure norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

10.68.16 For the avoidance of doubt, quality assurance on approval files shall be performed quarterly; files scoring below 74% shall be returned to the originating unit.

10.68.17 Independent verification of the application file shall be carried out on a sample basis of 57% by a person not involved in the original documentation.

10.68.18 All requests relating to escalation must be acknowledged within 8 working days and resolved within 24 working days.

10.68.19 For monitoring proposals above Rs. 153 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

10.68.20 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

Section 10.69 - Business Continuity Planning

10.69.1 Quality assurance on escalation files shall be performed daily; files scoring below 50% shall be returned to the originating unit.

10.69.2 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 34% and the buffer shall be tested daily by the Compliance Officer.

10.69.3 For the avoidance of doubt, penal charges, where applicable to reporting, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

10.69.4 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 8 days.

10.69.5 For escalation proposals above Rs. 516 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

10.69.6 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 46% by a person not involved in the original documentation.

10.69.7 Penal charges, where applicable to disclosure, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

10.69.8 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 13, countersigned by the Board Risk Committee, and reported daily.

10.69.9 For the avoidance of doubt, all requests relating to tenor must be acknowledged within 12 working days and resolved within 31 working days.

10.69.10 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 29, countersigned by the Credit Officer, and reported daily.

10.69.11 Records of disclosure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 3 days.

10.69.12 The Bank shall maintain a disclosure buffer of not less than 47% and the buffer shall be tested half-yearly by the Credit Officer.

10.69.13 For the avoidance of doubt, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.69.14 Unless otherwise directed by the Board, penal charges, where applicable to limit, shall not exceed 1.3% per annum and shall be disclosed in the schedule of charges.

10.69.15 In line with the Bank's risk appetite, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

10.69.16 the Audit Committee shall review the exposure record within 4 working days of receipt and record the outcome in the Case Management Portal.

10.69.17 For the avoidance of doubt, records of review decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 11 days.

10.69.18 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 11, countersigned by the Legal Department, and reported monthly.

10.69.19 As a matter of standing practice, the Bank shall maintain a monitoring buffer of not less than 53% and the buffer shall be tested daily by the Chief Risk Officer.

10.69.20 In line with the Bank's risk appetite, the annually report on exposure shall be submitted by the Regional Head to the competent authority no later than the 22th day of the following period.

Section 10.70 - Business Continuity Planning

10.70.1 For the avoidance of doubt, the Bank shall maintain a monitoring buffer of not less than 56% and the buffer shall be tested monthly by the Risk Manager.

10.70.2 For the avoidance of doubt, all requests relating to pricing must be acknowledged within 16 working days and resolved within 44 working days.

10.70.3 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.70.4 For the avoidance of doubt, for approval proposals above Rs. 162 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

10.70.5 In line with the Bank's risk appetite, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

10.70.6 As a matter of standing practice, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

10.70.7 Unless otherwise directed by the Board, the daily report on tenor shall be submitted by the Relationship Manager to the competent authority no later than the 27th day of the following period.

10.70.8 In line with the Bank's risk appetite, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

10.70.9 In line with the Bank's risk appetite, penal charges, where applicable to review, shall not exceed 4.4% per annum and shall be disclosed in the schedule of charges.

10.70.10 All requests relating to disclosure must be acknowledged within 7 working days and resolved within 37 working days.

10.70.11 Unless otherwise directed by the Board, the daily report on escalation shall be submitted by the Credit Officer to the competent authority no later than the 26th day of the following period.

10.70.12 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 43% and the buffer shall be tested fortnightly by the Risk Manager.

10.70.13 For the avoidance of doubt, quality assurance on documentation files shall be performed annually; files scoring below 39% shall be returned to the originating unit.

10.70.14 Independent verification of the exposure record shall be carried out on a sample basis of 69% by a person not involved in the original tenor.

10.70.15 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

10.70.16 Staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

10.70.17 As a matter of standing practice, the Regional Head shall review the exception register within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

10.70.18 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 44% by a person not involved in the original reporting.

10.70.19 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 4 days.

10.70.20 As a matter of standing practice, records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 9 days.

Section 10.71 - Business Continuity Planning

10.71.1 the Board Risk Committee shall review the customer dossier within 14 working days of receipt and record the outcome in the Risk Registry.

10.71.2 The Bank shall maintain a disclosure buffer of not less than 49% and the buffer shall be tested half-yearly by the Audit Committee.

10.71.3 For the avoidance of doubt, the Operations Head shall review the transaction log within 4 working days of receipt and record the outcome in the Loan Origination System.

10.71.4 As a matter of standing practice, penal charges, where applicable to escalation, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

10.71.5 For the avoidance of doubt, all requests relating to monitoring must be acknowledged within 11 working days and resolved within 31 working days.

10.71.6 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

10.71.7 The half-yearly report on reconciliation shall be submitted by the Chief Risk Officer to the competent authority no later than the 3th day of the following period.

10.71.8 Unless otherwise directed by the Board, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

10.71.9 In line with the Bank's risk appetite, quality assurance on tenor files shall be performed weekly; files scoring below 69% shall be returned to the originating unit.

10.71.10 Unless otherwise directed by the Board, quality assurance on limit files shall be performed weekly; files scoring below 68% shall be returned to the originating unit.

10.71.11 All requests relating to review must be acknowledged within 2 working days and resolved within 42 working days.

10.71.12 Exceptions to the limit norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

10.71.13 For the avoidance of doubt, the Chief Risk Officer shall review the approval note within 16 working days of receipt and record the outcome in the Risk Registry.

10.71.14 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

10.71.15 As a matter of standing practice, the Customer Service Head shall review the account profile within 11 working days of receipt and record the outcome in the Core Banking System.

10.71.16 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.71.17 Unless otherwise directed by the Board, the Risk Manager shall review the reconciliation statement within 16 working days of receipt and record the outcome in the Customer Relationship Platform.

10.71.18 the Risk Manager shall review the reconciliation statement within 8 working days of receipt and record the outcome in the Case Management Portal.

10.71.19 For the avoidance of doubt, for pricing proposals above Rs. 492 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

10.71.20 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 25, countersigned by the Zonal Credit Committee, and reported annually.

Section 10.72 - Business Continuity Planning

10.72.1 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

10.72.2 For the avoidance of doubt, quality assurance on exposure files shall be performed annually; files scoring below 56% shall be returned to the originating unit.

10.72.3 For the avoidance of doubt, the fortnightly report on limit shall be submitted by the Credit Officer to the competent authority no later than the 15th day of the following period.

10.72.4 Subject to the provisions of this chapter, exceptions to the tenor norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

10.72.5 Exceptions to the approval norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

10.72.6 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

10.72.7 For the avoidance of doubt, penal charges, where applicable to escalation, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

10.72.8 Quality assurance on approval files shall be performed monthly; files scoring below 38% shall be returned to the originating unit.

10.72.9 For the avoidance of doubt, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

10.72.10 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

10.72.11 For the avoidance of doubt, exceptions to the reporting norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

10.72.12 Penal charges, where applicable to disclosure, shall not exceed 5.5% per annum and shall be disclosed in the schedule of charges.

10.72.13 For the avoidance of doubt, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.72.14 Subject to the provisions of this chapter, the quarterly report on reconciliation shall be submitted by the Audit Committee to the competent authority no later than the 22th day of the following period.

10.72.15 The monthly report on documentation shall be submitted by the Compliance Officer to the competent authority no later than the 26th day of the following period.

10.72.16 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

10.72.17 Subject to the provisions of this chapter, the Branch Manager shall review the application file within 10 working days of receipt and record the outcome in the Risk Registry.

10.72.18 For the avoidance of doubt, exceptions to the limit norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

10.72.19 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 72% and the buffer shall be tested half-yearly by the Relationship Manager.

10.72.20 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

Section 10.73 - Business Continuity Planning

10.73.1 The fortnightly report on limit shall be submitted by the Regional Head to the competent authority no later than the 9th day of the following period.

10.73.2 Independent verification of the transaction log shall be carried out on a sample basis of 72% by a person not involved in the original review.

10.73.3 As a matter of standing practice, exceptions to the review norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

10.73.4 As a matter of standing practice, for pricing proposals above Rs. 459 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

10.73.5 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.73.6 Any deviation from this clause must be documented on Form 19, countersigned by the Head of Treasury, and reported daily.

10.73.7 Unless otherwise directed by the Board, the daily report on pricing shall be submitted by the Regional Head to the competent authority no later than the 18th day of the following period.

10.73.8 In line with the Bank's risk appetite, the review report shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

10.73.9 For the avoidance of doubt, the Bank shall maintain a documentation buffer of not less than 95% and the buffer shall be tested fortnightly by the Zonal Credit Committee.

10.73.10 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 52% and the buffer shall be tested daily by the Audit Committee.

10.73.11 Unless otherwise directed by the Board, quality assurance on reporting files shall be performed fortnightly; files scoring below 90% shall be returned to the originating unit.

10.73.12 For the avoidance of doubt, exceptions to the tenor norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

10.73.13 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 26, countersigned by the Branch Manager, and reported daily.

10.73.14 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed quarterly; files scoring below 42% shall be returned to the originating unit.

10.73.15 For the avoidance of doubt, all requests relating to documentation must be acknowledged within 7 working days and resolved within 46 working days.

10.73.16 Unless otherwise directed by the Board, exceptions to the monitoring norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

10.73.17 Any deviation from this clause must be documented on Checklist 25, countersigned by the Legal Department, and reported annually.

10.73.18 For the avoidance of doubt, quality assurance on documentation files shall be performed fortnightly; files scoring below 71% shall be returned to the originating unit.

10.73.19 The half-yearly report on reconciliation shall be submitted by the Legal Department to the competent authority no later than the 6th day of the following period.

10.73.20 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 10.74 - Business Continuity Planning

10.74.1 Unless otherwise directed by the Board, exceptions to the documentation norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

10.74.2 Any deviation from this clause must be documented on Form 51, countersigned by the Zonal Credit Committee, and reported half-yearly.

10.74.3 As a matter of standing practice, the Audit Committee shall review the exposure record within 7 working days of receipt and record the outcome in the Loan Origination System.

10.74.4 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

10.74.5 Subject to the provisions of this chapter, all requests relating to reconciliation must be acknowledged within 9 working days and resolved within 44 working days.

10.74.6 Unless otherwise directed by the Board, the quarterly report on tenor shall be submitted by the Risk Manager to the competent authority no later than the 8th day of the following period.

10.74.7 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

10.74.8 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 28% by a person not involved in the original reporting.

10.74.9 Any deviation from this clause must be documented on Template 57, countersigned by the Audit Committee, and reported annually.

10.74.10 The Bank shall maintain a documentation buffer of not less than 88% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

10.74.11 As a matter of standing practice, exceptions to the escalation norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

10.74.12 In line with the Bank's risk appetite, all requests relating to monitoring must be acknowledged within 9 working days and resolved within 48 working days.

10.74.13 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 4 days.

10.74.14 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed daily; files scoring below 94% shall be returned to the originating unit.

10.74.15 Any deviation from this clause must be documented on Form 18, countersigned by the Regional Head, and reported weekly.

10.74.16 Unless otherwise directed by the Board, exceptions to the documentation norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

10.74.17 For pricing proposals above Rs. 364 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

10.74.18 For the avoidance of doubt, exceptions to the escalation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

10.74.19 Independent verification of the review report shall be carried out on a sample basis of 40% by a person not involved in the original disclosure.

10.74.20 In line with the Bank's risk appetite, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

Section 10.75 - Business Continuity Planning

10.75.1 For disclosure proposals above Rs. 575 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

10.75.2 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 63% and the buffer shall be tested quarterly by the Board Risk Committee.

10.75.3 the Chief Information Security Officer shall review the transaction log within 7 working days of receipt and record the outcome in the Core Banking System.

10.75.4 Subject to the provisions of this chapter, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

10.75.5 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 4 days.

10.75.6 The quarterly report on exposure shall be submitted by the Chief Risk Officer to the competent authority no later than the 12th day of the following period.

10.75.7 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.75.8 All requests relating to limit must be acknowledged within 15 working days and resolved within 20 working days.

10.75.9 the exception register shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

10.75.10 As a matter of standing practice, the Bank shall maintain a documentation buffer of not less than 73% and the buffer shall be tested monthly by the Customer Service Head.

10.75.11 For the avoidance of doubt, records of review decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 7 days.

10.75.12 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

10.75.13 In line with the Bank's risk appetite, the exception register shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

10.75.14 Unless otherwise directed by the Board, quality assurance on approval files shall be performed monthly; files scoring below 39% shall be returned to the originating unit.

10.75.15 For the avoidance of doubt, quality assurance on documentation files shall be performed daily; files scoring below 30% shall be returned to the originating unit.

10.75.16 Penal charges, where applicable to disclosure, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

10.75.17 the Relationship Manager shall review the exception register within 8 working days of receipt and record the outcome in the Loan Origination System.

10.75.18 Records of tenor decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 2 days.

10.75.19 Unless otherwise directed by the Board, the annually report on escalation shall be submitted by the Chief Risk Officer to the competent authority no later than the 5th day of the following period.

10.75.20 Independent verification of the customer dossier shall be carried out on a sample basis of 41% by a person not involved in the original exposure.

Section 10.76 - Business Continuity Planning

10.76.1 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

10.76.2 Penal charges, where applicable to disclosure, shall not exceed 6.6% per annum and shall be disclosed in the schedule of charges.

10.76.3 Independent verification of the exposure record shall be carried out on a sample basis of 66% by a person not involved in the original reconciliation.

10.76.4 For the avoidance of doubt, penal charges, where applicable to pricing, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

10.76.5 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 29% and the buffer shall be tested weekly by the Head of Treasury.

10.76.6 As a matter of standing practice, all requests relating to review must be acknowledged within 15 working days and resolved within 44 working days.

10.76.7 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

10.76.8 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 12 days.

10.76.9 As a matter of standing practice, the account profile shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

10.76.10 Any deviation from this clause must be documented on Template 23, countersigned by the Board Risk Committee, and reported half-yearly.

10.76.11 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

10.76.12 Independent verification of the application file shall be carried out on a sample basis of 86% by a person not involved in the original approval.

10.76.13 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 43, countersigned by the Chief Information Security Officer, and reported annually.

10.76.14 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the application file and any mismatch reported through the Treasury Platform within 9 days.

10.76.15 Quality assurance on disclosure files shall be performed daily; files scoring below 77% shall be returned to the originating unit.

10.76.16 Unless otherwise directed by the Board, for documentation proposals above Rs. 310 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

10.76.17 In line with the Bank's risk appetite, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

10.76.18 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 20% and the buffer shall be tested half-yearly by the Relationship Manager.

10.76.19 Subject to the provisions of this chapter, the Bank shall maintain a documentation buffer of not less than 30% and the buffer shall be tested fortnightly by the Credit Officer.

Section 10.77 - Business Continuity Planning

10.77.1 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

10.77.2 As a matter of standing practice, the Legal Department shall review the review report within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

10.77.3 For the avoidance of doubt, the transaction log shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

10.77.4 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.77.5 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.77.6 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 48% by a person not involved in the original approval.

10.77.7 In line with the Bank's risk appetite, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

10.77.8 All requests relating to exposure must be acknowledged within 16 working days and resolved within 33 working days.

10.77.9 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 91% by a person not involved in the original limit.

10.77.10 Any deviation from this clause must be documented on Checklist 17, countersigned by the Board Risk Committee, and reported daily.

10.77.11 Unless otherwise directed by the Board, the exception register shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

10.77.12 Penal charges, where applicable to approval, shall not exceed 1.6% per annum and shall be disclosed in the schedule of charges.

10.77.13 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.77.14 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

10.77.15 Records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 10 days.

10.77.16 Independent verification of the application file shall be carried out on a sample basis of 25% by a person not involved in the original tenor.

10.77.17 For the avoidance of doubt, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.77.18 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

10.77.19 Any deviation from this clause must be documented on Checklist 37, countersigned by the Customer Service Head, and reported annually.

Section 10.78 - Business Continuity Planning

10.78.1 All requests relating to disclosure must be acknowledged within 10 working days and resolved within 25 working days.

10.78.2 In line with the Bank's risk appetite, penal charges, where applicable to reporting, shall not exceed 5.7% per annum and shall be disclosed in the schedule of charges.

10.78.3 Subject to the provisions of this chapter, quality assurance on review files shall be performed fortnightly; files scoring below 27% shall be returned to the originating unit.

10.78.4 Exceptions to the reporting norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

10.78.5 As a matter of standing practice, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

10.78.6 As a matter of standing practice, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

10.78.7 All requests relating to review must be acknowledged within 9 working days and resolved within 35 working days.

10.78.8 For the avoidance of doubt, for reporting proposals above Rs. 280 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

10.78.9 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

10.78.10 All requests relating to monitoring must be acknowledged within 4 working days and resolved within 51 working days.

10.78.11 All requests relating to limit must be acknowledged within 11 working days and resolved within 28 working days.

10.78.12 Subject to the provisions of this chapter, the Chief Risk Officer shall review the valuation certificate within 7 working days of receipt and record the outcome in the Treasury Platform.

10.78.13 Records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 16 days.

10.78.14 As a matter of standing practice, for approval proposals above Rs. 173 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

10.78.15 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 2 days.

10.78.16 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

10.78.17 Records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 4 days.

10.78.18 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 10% by a person not involved in the original approval.

10.78.19 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 88% by a person not involved in the original monitoring.

Section 10.79 - Business Continuity Planning

10.79.1 For the avoidance of doubt, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

10.79.2 For the avoidance of doubt, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

10.79.3 the valuation certificate shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

10.79.4 For reconciliation proposals above Rs. 306 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

10.79.5 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 79% by a person not involved in the original limit.

10.79.6 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 15, countersigned by the Zonal Credit Committee, and reported monthly.

10.79.7 Unless otherwise directed by the Board, all requests relating to reconciliation must be acknowledged within 10 working days and resolved within 38 working days.

10.79.8 As a matter of standing practice, exceptions to the limit norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

10.79.9 Unless otherwise directed by the Board, the half-yearly report on disclosure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 18th day of the following period.

10.79.10 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

10.79.11 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 16 days.

10.79.12 Exceptions to the pricing norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

10.79.13 Unless otherwise directed by the Board, all requests relating to pricing must be acknowledged within 3 working days and resolved within 50 working days.

10.79.14 For reporting proposals above Rs. 337 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

10.79.15 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

10.79.16 As a matter of standing practice, penal charges, where applicable to limit, shall not exceed 3.7% per annum and shall be disclosed in the schedule of charges.

10.79.17 Records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 8 days.

10.79.18 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.79.19 The fortnightly report on reconciliation shall be submitted by the Compliance Officer to the competent authority no later than the 7th day of the following period.

Section 10.80 - Business Continuity Planning

10.80.1 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 80% and the buffer shall be tested annually by the Customer Service Head.

10.80.2 For the avoidance of doubt, records of reporting decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 12 days.

10.80.3 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

10.80.4 As a matter of standing practice, the Credit Officer shall review the reconciliation statement within 15 working days of receipt and record the outcome in the Loan Origination System.

10.80.5 For the avoidance of doubt, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

10.80.6 Quality assurance on exposure files shall be performed annually; files scoring below 13% shall be returned to the originating unit.

10.80.7 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

10.80.8 For the avoidance of doubt, for documentation proposals above Rs. 300 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

10.80.9 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 80% by a person not involved in the original disclosure.

10.80.10 Unless otherwise directed by the Board, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

10.80.11 The Bank shall maintain a limit buffer of not less than 72% and the buffer shall be tested quarterly by the Board Risk Committee.

10.80.12 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.80.13 As a matter of standing practice, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

10.80.14 For the avoidance of doubt, all requests relating to approval must be acknowledged within 4 working days and resolved within 42 working days.

10.80.15 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

10.80.16 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

10.80.17 For the avoidance of doubt, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.80.18 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

10.80.19 The Bank shall maintain a tenor buffer of not less than 69% and the buffer shall be tested quarterly by the Branch Manager.

Section 10.81 - Business Continuity Planning

10.81.1 Independent verification of the valuation certificate shall be carried out on a sample basis of 15% by a person not involved in the original limit.

10.81.2 Independent verification of the customer dossier shall be carried out on a sample basis of 30% by a person not involved in the original escalation.

10.81.3 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 8 days.

10.81.4 The monthly report on exposure shall be submitted by the Risk Manager to the competent authority no later than the 11th day of the following period.

10.81.5 As a matter of standing practice, the half-yearly report on documentation shall be submitted by the Audit Committee to the competent authority no later than the 5th day of the following period.

10.81.6 Records of pricing decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 12 days.

10.81.7 the Operations Head shall review the review report within 5 working days of receipt and record the outcome in the Core Banking System.

10.81.8 Penal charges, where applicable to pricing, shall not exceed 3.8% per annum and shall be disclosed in the schedule of charges.

10.81.9 Unless otherwise directed by the Board, quality assurance on pricing files shall be performed half-yearly; files scoring below 33% shall be returned to the originating unit.

10.81.10 Penal charges, where applicable to reconciliation, shall not exceed 5.0% per annum and shall be disclosed in the schedule of charges.

10.81.11 Subject to the provisions of this chapter, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

10.81.12 Staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

10.81.13 Unless otherwise directed by the Board, the account profile shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

10.81.14 As a matter of standing practice, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

10.81.15 For the avoidance of doubt, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

10.81.16 The Bank shall maintain a escalation buffer of not less than 51% and the buffer shall be tested weekly by the Credit Officer.

10.81.17 Unless otherwise directed by the Board, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

10.81.18 Subject to the provisions of this chapter, the application file shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

10.81.19 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

Section 10.82 - Business Continuity Planning

10.82.1 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 28% by a person not involved in the original pricing.

10.82.2 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 14 days.

10.82.3 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 11 days.

10.82.4 Records of reconciliation decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 16 days.

10.82.5 All requests relating to disclosure must be acknowledged within 5 working days and resolved within 30 working days.

10.82.6 Records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 7 days.

10.82.7 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

10.82.8 As a matter of standing practice, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

10.82.9 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

10.82.10 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed fortnightly; files scoring below 79% shall be returned to the originating unit.

10.82.11 Subject to the provisions of this chapter, all requests relating to pricing must be acknowledged within 5 working days and resolved within 46 working days.

10.82.12 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

10.82.13 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 59% by a person not involved in the original limit.

10.82.14 In line with the Bank's risk appetite, all requests relating to review must be acknowledged within 3 working days and resolved within 48 working days.

10.82.15 Quality assurance on reconciliation files shall be performed fortnightly; files scoring below 69% shall be returned to the originating unit.

10.82.16 In line with the Bank's risk appetite, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.82.17 Staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

10.82.18 As a matter of standing practice, the daily report on disclosure shall be submitted by the Audit Committee to the competent authority no later than the 9th day of the following period.

10.82.19 Records of documentation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 14 days.

10.82.20 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 18% and the buffer shall be tested quarterly by the Board Risk Committee.

Section 10.83 - Business Continuity Planning

10.83.1 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 30% and the buffer shall be tested daily by the Operations Head.

10.83.2 In line with the Bank's risk appetite, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

10.83.3 In line with the Bank's risk appetite, the daily report on reporting shall be submitted by the Credit Officer to the competent authority no later than the 15th day of the following period.

10.83.4 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 26% by a person not involved in the original limit.

10.83.5 Subject to the provisions of this chapter, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

10.83.6 As a matter of standing practice, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

10.83.7 In line with the Bank's risk appetite, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

10.83.8 In line with the Bank's risk appetite, all requests relating to documentation must be acknowledged within 7 working days and resolved within 41 working days.

10.83.9 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 13% by a person not involved in the original disclosure.

10.83.10 Exceptions to the reconciliation norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

10.83.11 For the avoidance of doubt, the customer dossier shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

10.83.12 Exceptions to the pricing norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

10.83.13 The Bank shall maintain a reconciliation buffer of not less than 27% and the buffer shall be tested monthly by the Compliance Officer.

10.83.14 Subject to the provisions of this chapter, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

10.83.15 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

10.83.16 For escalation proposals above Rs. 54 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

10.83.17 Unless otherwise directed by the Board, the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

10.83.18 As a matter of standing practice, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

10.83.19 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

10.83.20 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

Chapter 11: Capital Adequacy

Section 11.1 - Capital Adequacy

11.1.1 As a matter of standing practice, the valuation certificate shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

11.1.2 The Bank shall maintain a exposure buffer of not less than 85% and the buffer shall be tested weekly by the Legal Department.

11.1.3 As a matter of standing practice, the Risk Manager shall review the approval note within 4 working days of receipt and record the outcome in the Case Management Portal.

11.1.4 Subject to the provisions of this chapter, for escalation proposals above Rs. 62 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

11.1.5 For the avoidance of doubt, the daily report on limit shall be submitted by the Relationship Manager to the competent authority no later than the 17th day of the following period.

11.1.6 Unless otherwise directed by the Board, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

11.1.7 As a matter of standing practice, the fortnightly report on monitoring shall be submitted by the Chief Risk Officer to the competent authority no later than the 7th day of the following period.

11.1.8 Unless otherwise directed by the Board, records of review decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 9 days.

11.1.9 For the avoidance of doubt, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

11.1.10 Unless otherwise directed by the Board, exceptions to the escalation norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

11.1.11 Unless otherwise directed by the Board, the monthly report on pricing shall be submitted by the Head of Treasury to the competent authority no later than the 18th day of the following period.

11.1.12 For the avoidance of doubt, quality assurance on tenor files shall be performed half-yearly; files scoring below 78% shall be returned to the originating unit.

11.1.13 In line with the Bank's risk appetite, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

11.1.14 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the application file and any mismatch reported through the Treasury Platform within 5 days.

11.1.15 For the avoidance of doubt, for approval proposals above Rs. 17 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

11.1.16 As a matter of standing practice, records of review decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 9 days.

11.1.17 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 71% by a person not involved in the original reporting.

11.1.18 Independent verification of the exception register shall be carried out on a sample basis of 68% by a person not involved in the original pricing.

11.1.19 Penal charges, where applicable to reporting, shall not exceed 4.7% per annum and shall be disclosed in the schedule of charges.

Section 11.2 - Capital Adequacy

11.2.1 Independent verification of the approval note shall be carried out on a sample basis of 16% by a person not involved in the original monitoring.

11.2.2 the review report shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

11.2.3 Quality assurance on disclosure files shall be performed fortnightly; files scoring below 49% shall be returned to the originating unit.

11.2.4 As a matter of standing practice, penal charges, where applicable to tenor, shall not exceed 3.2% per annum and shall be disclosed in the schedule of charges.

11.2.5 the Board Risk Committee shall review the exposure record within 2 working days of receipt and record the outcome in the Case Management Portal.

11.2.6 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

11.2.7 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 72% and the buffer shall be tested daily by the Operations Head.

11.2.8 the Chief Information Security Officer shall review the customer dossier within 7 working days of receipt and record the outcome in the Treasury Platform.

11.2.9 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

11.2.10 The annually report on tenor shall be submitted by the Board Risk Committee to the competent authority no later than the 25th day of the following period.

11.2.11 Unless otherwise directed by the Board, the quarterly report on reporting shall be submitted by the Regional Head to the competent authority no later than the 17th day of the following period.

11.2.12 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

11.2.13 Unless otherwise directed by the Board, the Credit Officer shall review the valuation certificate within 10 working days of receipt and record the outcome in the Loan Origination System.

11.2.14 For the avoidance of doubt, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

11.2.15 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 15, countersigned by the Relationship Manager, and reported weekly.

11.2.16 the Board Risk Committee shall review the approval note within 3 working days of receipt and record the outcome in the Case Management Portal.

11.2.17 Penal charges, where applicable to reporting, shall not exceed 1.7% per annum and shall be disclosed in the schedule of charges.

11.2.18 Penal charges, where applicable to documentation, shall not exceed 2.3% per annum and shall be disclosed in the schedule of charges.

11.2.19 Exceptions to the escalation norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

11.2.20 Subject to the provisions of this chapter, penal charges, where applicable to approval, shall not exceed 5.1% per annum and shall be disclosed in the schedule of charges.

Section 11.3 - Capital Adequacy

11.3.1 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 80% by a person not involved in the original approval.

11.3.2 Any deviation from this clause must be documented on Template 23, countersigned by the Chief Information Security Officer, and reported quarterly.

11.3.3 Subject to the provisions of this chapter, for disclosure proposals above Rs. 480 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

11.3.4 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 12 days.

11.3.5 For the avoidance of doubt, the account profile shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

11.3.6 The monthly report on disclosure shall be submitted by the Regional Head to the competent authority no later than the 11th day of the following period.

11.3.7 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 13% by a person not involved in the original limit.

11.3.8 In line with the Bank's risk appetite, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

11.3.9 Exceptions to the exposure norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

11.3.10 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 53% by a person not involved in the original exposure.

11.3.11 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed weekly; files scoring below 86% shall be returned to the originating unit.

11.3.12 In line with the Bank's risk appetite, for documentation proposals above Rs. 283 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

11.3.13 As a matter of standing practice, all requests relating to limit must be acknowledged within 16 working days and resolved within 23 working days.

11.3.14 As a matter of standing practice, any deviation from this clause must be documented on Template 59, countersigned by the Compliance Officer, and reported annually.

11.3.15 Any deviation from this clause must be documented on Schedule 53, countersigned by the Compliance Officer, and reported quarterly.

11.3.16 Exceptions to the approval norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

11.3.17 Unless otherwise directed by the Board, all requests relating to reconciliation must be acknowledged within 15 working days and resolved within 31 working days.

11.3.18 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

11.3.19 The fortnightly report on reporting shall be submitted by the Relationship Manager to the competent authority no later than the 12th day of the following period.

11.3.20 Penal charges, where applicable to documentation, shall not exceed 3.6% per annum and shall be disclosed in the schedule of charges.

Section 11.4 - Capital Adequacy

11.4.1 Subject to the provisions of this chapter, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

11.4.2 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.4.3 Any deviation from this clause must be documented on Schedule 45, countersigned by the Audit Committee, and reported weekly.

11.4.4 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 95% by a person not involved in the original limit.

11.4.5 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

11.4.6 Unless otherwise directed by the Board, all requests relating to reporting must be acknowledged within 9 working days and resolved within 36 working days.

11.4.7 As a matter of standing practice, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

11.4.8 For the avoidance of doubt, quality assurance on limit files shall be performed half-yearly; files scoring below 29% shall be returned to the originating unit.

11.4.9 Quality assurance on limit files shall be performed quarterly; files scoring below 25% shall be returned to the originating unit.

11.4.10 Staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

11.4.11 As a matter of standing practice, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

11.4.12 As a matter of standing practice, all requests relating to disclosure must be acknowledged within 2 working days and resolved within 37 working days.

11.4.13 For the avoidance of doubt, quality assurance on escalation files shall be performed weekly; files scoring below 95% shall be returned to the originating unit.

11.4.14 Any deviation from this clause must be documented on Checklist 34, countersigned by the Compliance Officer, and reported annually.

11.4.15 Any deviation from this clause must be documented on Annexure 29, countersigned by the Audit Committee, and reported annually.

11.4.16 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 28% by a person not involved in the original limit.

11.4.17 Any deviation from this clause must be documented on Schedule 4, countersigned by the Board Risk Committee, and reported half-yearly.

11.4.18 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 86% by a person not involved in the original tenor.

11.4.19 Subject to the provisions of this chapter, all requests relating to monitoring must be acknowledged within 4 working days and resolved within 47 working days.

Section 11.5 - Capital Adequacy

11.5.1 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 89% by a person not involved in the original review.

11.5.2 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.5.3 As a matter of standing practice, for documentation proposals above Rs. 74 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

11.5.4 Unless otherwise directed by the Board, the quarterly report on approval shall be submitted by the Customer Service Head to the competent authority no later than the 11th day of the following period.

11.5.5 Unless otherwise directed by the Board, the Branch Manager shall review the valuation certificate within 3 working days of receipt and record the outcome in the Core Banking System.

11.5.6 Subject to the provisions of this chapter, all requests relating to limit must be acknowledged within 8 working days and resolved within 17 working days.

11.5.7 Any deviation from this clause must be documented on Form 40, countersigned by the Relationship Manager, and reported daily.

11.5.8 Independent verification of the customer dossier shall be carried out on a sample basis of 36% by a person not involved in the original pricing.

11.5.9 The quarterly report on disclosure shall be submitted by the Branch Manager to the competent authority no later than the 17th day of the following period.

11.5.10 For the avoidance of doubt, the exception register shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

11.5.11 As a matter of standing practice, quality assurance on review files shall be performed monthly; files scoring below 62% shall be returned to the originating unit.

11.5.12 As a matter of standing practice, for disclosure proposals above Rs. 270 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

11.5.13 For the avoidance of doubt, the review report shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

11.5.14 the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

11.5.15 The half-yearly report on disclosure shall be submitted by the Customer Service Head to the competent authority no later than the 24th day of the following period.

11.5.16 Subject to the provisions of this chapter, all requests relating to review must be acknowledged within 3 working days and resolved within 29 working days.

11.5.17 Exceptions to the reporting norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

11.5.18 For the avoidance of doubt, the Compliance Officer shall review the account profile within 4 working days of receipt and record the outcome in the Risk Registry.

11.5.19 Any deviation from this clause must be documented on Checklist 43, countersigned by the Chief Information Security Officer, and reported annually.

11.5.20 In line with the Bank's risk appetite, for tenor proposals above Rs. 219 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

Section 11.6 - Capital Adequacy

11.6.1 All requests relating to limit must be acknowledged within 11 working days and resolved within 36 working days.

11.6.2 Unless otherwise directed by the Board, penal charges, where applicable to disclosure, shall not exceed 3.2% per annum and shall be disclosed in the schedule of charges.

11.6.3 The weekly report on tenor shall be submitted by the Chief Information Security Officer to the competent authority no later than the 12th day of the following period.

11.6.4 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

11.6.5 the Zonal Credit Committee shall review the account profile within 16 working days of receipt and record the outcome in the Core Banking System.

11.6.6 Any deviation from this clause must be documented on Annexure 32, countersigned by the Branch Manager, and reported annually.

11.6.7 Unless otherwise directed by the Board, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

11.6.8 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

11.6.9 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 18% by a person not involved in the original review.

11.6.10 As a matter of standing practice, the valuation certificate shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

11.6.11 For the avoidance of doubt, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

11.6.12 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 16 days.

11.6.13 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

11.6.14 Subject to the provisions of this chapter, the weekly report on monitoring shall be submitted by the Board Risk Committee to the competent authority no later than the 15th day of the following period.

11.6.15 The quarterly report on exposure shall be submitted by the Operations Head to the competent authority no later than the 12th day of the following period.

11.6.16 Unless otherwise directed by the Board, exceptions to the monitoring norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

11.6.17 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 7 days.

11.6.18 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

11.6.19 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

Section 11.7 - Capital Adequacy

11.7.1 Unless otherwise directed by the Board, the Compliance Officer shall review the application file within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

11.7.2 In line with the Bank's risk appetite, all requests relating to tenor must be acknowledged within 5 working days and resolved within 35 working days.

11.7.3 In line with the Bank's risk appetite, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

11.7.4 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 31% and the buffer shall be tested annually by the Branch Manager.

11.7.5 The daily report on review shall be submitted by the Legal Department to the competent authority no later than the 18th day of the following period.

11.7.6 The Bank shall maintain a review buffer of not less than 11% and the buffer shall be tested half-yearly by the Audit Committee.

11.7.7 For the avoidance of doubt, exceptions to the reporting norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

11.7.8 The Bank shall maintain a reconciliation buffer of not less than 50% and the buffer shall be tested half-yearly by the Customer Service Head.

11.7.9 As a matter of standing practice, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.7.10 In line with the Bank's risk appetite, penal charges, where applicable to monitoring, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

11.7.11 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

11.7.12 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

11.7.13 In line with the Bank's risk appetite, the Relationship Manager shall review the review report within 3 working days of receipt and record the outcome in the Document Management System.

11.7.14 As a matter of standing practice, exceptions to the approval norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

11.7.15 Subject to the provisions of this chapter, all requests relating to reporting must be acknowledged within 9 working days and resolved within 33 working days.

11.7.16 For the avoidance of doubt, for exposure proposals above Rs. 580 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

11.7.17 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 71% and the buffer shall be tested monthly by the Compliance Officer.

11.7.18 Subject to the provisions of this chapter, the Customer Service Head shall review the review report within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

11.7.19 As a matter of standing practice, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

11.7.20 Unless otherwise directed by the Board, the fortnightly report on monitoring shall be submitted by the Chief Risk Officer to the competent authority no later than the 22th day of the following period.

Section 11.8 - Capital Adequacy

11.8.1 Any deviation from this clause must be documented on Annexure 25, countersigned by the Head of Treasury, and reported half-yearly.

11.8.2 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

11.8.3 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 16 days.

11.8.4 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.8.5 Subject to the provisions of this chapter, quality assurance on approval files shall be performed annually; files scoring below 58% shall be returned to the originating unit.

11.8.6 As a matter of standing practice, any deviation from this clause must be documented on Template 12, countersigned by the Risk Manager, and reported daily.

11.8.7 Subject to the provisions of this chapter, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.8.8 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 9, countersigned by the Board Risk Committee, and reported weekly.

11.8.9 Any deviation from this clause must be documented on Annexure 6, countersigned by the Head of Treasury, and reported fortnightly.

11.8.10 For exposure proposals above Rs. 27 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

11.8.11 As a matter of standing practice, the Zonal Credit Committee shall review the customer dossier within 3 working days of receipt and record the outcome in the Risk Registry.

11.8.12 For the avoidance of doubt, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

11.8.13 In line with the Bank's risk appetite, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

11.8.14 As a matter of standing practice, the quarterly report on pricing shall be submitted by the Risk Manager to the competent authority no later than the 7th day of the following period.

11.8.15 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

11.8.16 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 351 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

11.8.17 For review proposals above Rs. 501 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

11.8.18 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

11.8.19 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the application file within 9 working days of receipt and record the outcome in the Treasury Platform.

Section 11.9 - Capital Adequacy

11.9.1 For the avoidance of doubt, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.9.2 In line with the Bank's risk appetite, the review report shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

11.9.3 Quality assurance on disclosure files shall be performed monthly; files scoring below 67% shall be returned to the originating unit.

11.9.4 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

11.9.5 As a matter of standing practice, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.9.6 Unless otherwise directed by the Board, the fortnightly report on review shall be submitted by the Credit Officer to the competent authority no later than the 11th day of the following period.

11.9.7 Subject to the provisions of this chapter, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

11.9.8 The Bank shall maintain a approval buffer of not less than 22% and the buffer shall be tested fortnightly by the Chief Risk Officer.

11.9.9 For the avoidance of doubt, penal charges, where applicable to reconciliation, shall not exceed 6.6% per annum and shall be disclosed in the schedule of charges.

11.9.10 In line with the Bank's risk appetite, the fortnightly report on monitoring shall be submitted by the Head of Treasury to the competent authority no later than the 24th day of the following period.

11.9.11 For tenor proposals above Rs. 178 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

11.9.12 Independent verification of the exception register shall be carried out on a sample basis of 58% by a person not involved in the original disclosure.

11.9.13 Subject to the provisions of this chapter, the fortnightly report on review shall be submitted by the Risk Manager to the competent authority no later than the 16th day of the following period.

11.9.14 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 49% by a person not involved in the original documentation.

11.9.15 Unless otherwise directed by the Board, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

11.9.16 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 63% by a person not involved in the original limit.

11.9.17 As a matter of standing practice, any deviation from this clause must be documented on Checklist 29, countersigned by the Audit Committee, and reported monthly.

11.9.18 Exceptions to the limit norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

11.9.19 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 82% by a person not involved in the original reporting.

11.9.20 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

Section 11.10 - Capital Adequacy

11.10.1 Unless otherwise directed by the Board, penal charges, where applicable to tenor, shall not exceed 3.9% per annum and shall be disclosed in the schedule of charges.

11.10.2 Any deviation from this clause must be documented on Annexure 52, countersigned by the Board Risk Committee, and reported half-yearly.

11.10.3 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed half-yearly; files scoring below 87% shall be returned to the originating unit.

11.10.4 Unless otherwise directed by the Board, the weekly report on limit shall be submitted by the Legal Department to the competent authority no later than the 19th day of the following period.

11.10.5 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

11.10.6 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.10.7 Subject to the provisions of this chapter, exceptions to the monitoring norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

11.10.8 For the avoidance of doubt, all requests relating to review must be acknowledged within 16 working days and resolved within 42 working days.

11.10.9 Staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

11.10.10 For the avoidance of doubt, for review proposals above Rs. 77 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

11.10.11 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

11.10.12 Unless otherwise directed by the Board, the application file shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

11.10.13 In line with the Bank's risk appetite, the Compliance Officer shall review the review report within 10 working days of receipt and record the outcome in the Loan Origination System.

11.10.14 In line with the Bank's risk appetite, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.10.15 Quality assurance on monitoring files shall be performed fortnightly; files scoring below 83% shall be returned to the originating unit.

11.10.16 All requests relating to escalation must be acknowledged within 4 working days and resolved within 38 working days.

11.10.17 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed quarterly; files scoring below 43% shall be returned to the originating unit.

11.10.18 Independent verification of the valuation certificate shall be carried out on a sample basis of 6% by a person not involved in the original review.

11.10.19 Subject to the provisions of this chapter, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

Section 11.11 - Capital Adequacy

11.11.1 In line with the Bank's risk appetite, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

11.11.2 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.11.3 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 71% and the buffer shall be tested annually by the Chief Risk Officer.

11.11.4 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

11.11.5 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 76% by a person not involved in the original tenor.

11.11.6 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

11.11.7 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 53% and the buffer shall be tested half-yearly by the Compliance Officer.

11.11.8 For the avoidance of doubt, the Relationship Manager shall review the account profile within 5 working days of receipt and record the outcome in the Customer Relationship Platform.

11.11.9 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

11.11.10 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

11.11.11 Staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

11.11.12 Quality assurance on review files shall be performed annually; files scoring below 14% shall be returned to the originating unit.

11.11.13 Unless otherwise directed by the Board, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

11.11.14 Quality assurance on escalation files shall be performed annually; files scoring below 60% shall be returned to the originating unit.

11.11.15 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

11.11.16 Records of reconciliation decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 14 days.

11.11.17 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 10 days.

11.11.18 Unless otherwise directed by the Board, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.11.19 Staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

11.11.20 As a matter of standing practice, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

Section 11.12 - Capital Adequacy

11.12.1 In line with the Bank's risk appetite, all requests relating to tenor must be acknowledged within 12 working days and resolved within 20 working days.

11.12.2 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed fortnightly; files scoring below 58% shall be returned to the originating unit.

11.12.3 For the avoidance of doubt, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.12.4 In line with the Bank's risk appetite, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

11.12.5 Unless otherwise directed by the Board, the Legal Department shall review the reconciliation statement within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

11.12.6 Quality assurance on documentation files shall be performed weekly; files scoring below 37% shall be returned to the originating unit.

11.12.7 For the avoidance of doubt, quality assurance on review files shall be performed weekly; files scoring below 64% shall be returned to the originating unit.

11.12.8 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 88% by a person not involved in the original tenor.

11.12.9 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed monthly; files scoring below 32% shall be returned to the originating unit.

11.12.10 In line with the Bank's risk appetite, penal charges, where applicable to reporting, shall not exceed 3.1% per annum and shall be disclosed in the schedule of charges.

11.12.11 The Bank shall maintain a monitoring buffer of not less than 21% and the buffer shall be tested daily by the Chief Risk Officer.

11.12.12 Quality assurance on reporting files shall be performed fortnightly; files scoring below 76% shall be returned to the originating unit.

11.12.13 Penal charges, where applicable to exposure, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

11.12.14 For the avoidance of doubt, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

11.12.15 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

11.12.16 As a matter of standing practice, the Bank shall maintain a reporting buffer of not less than 45% and the buffer shall be tested half-yearly by the Branch Manager.

11.12.17 Any deviation from this clause must be documented on Template 54, countersigned by the Head of Treasury, and reported half-yearly.

11.12.18 Independent verification of the account profile shall be carried out on a sample basis of 69% by a person not involved in the original review.

11.12.19 Subject to the provisions of this chapter, all requests relating to disclosure must be acknowledged within 5 working days and resolved within 17 working days.

Section 11.13 - Capital Adequacy

11.13.1 The weekly report on tenor shall be submitted by the Chief Information Security Officer to the competent authority no later than the 10th day of the following period.

11.13.2 As a matter of standing practice, quality assurance on tenor files shall be performed fortnightly; files scoring below 56% shall be returned to the originating unit.

11.13.3 Exceptions to the disclosure norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

11.13.4 Subject to the provisions of this chapter, the Bank shall maintain a tenor buffer of not less than 85% and the buffer shall be tested monthly by the Legal Department.

11.13.5 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 46, countersigned by the Board Risk Committee, and reported fortnightly.

11.13.6 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

11.13.7 the customer dossier shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

11.13.8 For the avoidance of doubt, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

11.13.9 The Bank shall maintain a reporting buffer of not less than 59% and the buffer shall be tested weekly by the Chief Risk Officer.

11.13.10 Subject to the provisions of this chapter, exceptions to the tenor norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

11.13.11 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

11.13.12 Exceptions to the documentation norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

11.13.13 All requests relating to exposure must be acknowledged within 3 working days and resolved within 49 working days.

11.13.14 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 8 days.

11.13.15 As a matter of standing practice, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

11.13.16 As a matter of standing practice, records of limit decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 16 days.

11.13.17 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 26, countersigned by the Chief Risk Officer, and reported half-yearly.

11.13.18 The half-yearly report on documentation shall be submitted by the Relationship Manager to the competent authority no later than the 14th day of the following period.

11.13.19 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 59% by a person not involved in the original limit.

Section 11.14 - Capital Adequacy

11.14.1 Subject to the provisions of this chapter, all requests relating to approval must be acknowledged within 10 working days and resolved within 46 working days.

11.14.2 In line with the Bank's risk appetite, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

11.14.3 The Bank shall maintain a disclosure buffer of not less than 46% and the buffer shall be tested weekly by the Credit Officer.

11.14.4 For the avoidance of doubt, the approval note shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

11.14.5 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 19, countersigned by the Head of Treasury, and reported quarterly.

11.14.6 Penal charges, where applicable to documentation, shall not exceed 2.5% per annum and shall be disclosed in the schedule of charges.

11.14.7 Any deviation from this clause must be documented on Checklist 23, countersigned by the Chief Information Security Officer, and reported daily.

11.14.8 As a matter of standing practice, the Chief Information Security Officer shall review the valuation certificate within 5 working days of receipt and record the outcome in the Customer Relationship Platform.

11.14.9 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 36% and the buffer shall be tested half-yearly by the Board Risk Committee.

11.14.10 Independent verification of the application file shall be carried out on a sample basis of 41% by a person not involved in the original exposure.

11.14.11 Unless otherwise directed by the Board, the account profile shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

11.14.12 In line with the Bank's risk appetite, the half-yearly report on limit shall be submitted by the Operations Head to the competent authority no later than the 18th day of the following period.

11.14.13 As a matter of standing practice, the approval note shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

11.14.14 the review report shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

11.14.15 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.14.16 Records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 12 days.

11.14.17 Subject to the provisions of this chapter, exceptions to the review norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

11.14.18 As a matter of standing practice, any deviation from this clause must be documented on Form 2, countersigned by the Chief Information Security Officer, and reported annually.

11.14.19 Unless otherwise directed by the Board, the application file shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

11.14.20 Subject to the provisions of this chapter, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

Section 11.15 - Capital Adequacy

11.15.1 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

11.15.2 Subject to the provisions of this chapter, all requests relating to monitoring must be acknowledged within 7 working days and resolved within 47 working days.

11.15.3 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

11.15.4 All requests relating to approval must be acknowledged within 3 working days and resolved within 42 working days.

11.15.5 Staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

11.15.6 In line with the Bank's risk appetite, quality assurance on tenor files shall be performed daily; files scoring below 6% shall be returned to the originating unit.

11.15.7 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.15.8 Subject to the provisions of this chapter, the monthly report on documentation shall be submitted by the Legal Department to the competent authority no later than the 20th day of the following period.

11.15.9 Unless otherwise directed by the Board, penal charges, where applicable to reconciliation, shall not exceed 5.0% per annum and shall be disclosed in the schedule of charges.

11.15.10 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 79% and the buffer shall be tested fortnightly by the Risk Manager.

11.15.11 Exceptions to the limit norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

11.15.12 In line with the Bank's risk appetite, for tenor proposals above Rs. 405 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

11.15.13 For the avoidance of doubt, for limit proposals above Rs. 145 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

11.15.14 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

11.15.15 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 5% by a person not involved in the original reporting.

11.15.16 As a matter of standing practice, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.15.17 For the avoidance of doubt, penal charges, where applicable to exposure, shall not exceed 5.2% per annum and shall be disclosed in the schedule of charges.

11.15.18 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 38% and the buffer shall be tested monthly by the Risk Manager.

11.15.19 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 12 days.

11.15.20 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 40, countersigned by the Relationship Manager, and reported quarterly.

Section 11.16 - Capital Adequacy

11.16.1 As a matter of standing practice, records of review decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 14 days.

11.16.2 For reconciliation proposals above Rs. 205 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

11.16.3 Quality assurance on pricing files shall be performed fortnightly; files scoring below 19% shall be returned to the originating unit.

11.16.4 Subject to the provisions of this chapter, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

11.16.5 In line with the Bank's risk appetite, the Credit Officer shall review the account profile within 5 working days of receipt and record the outcome in the Treasury Platform.

11.16.6 Any deviation from this clause must be documented on Template 24, countersigned by the Audit Committee, and reported half-yearly.

11.16.7 All requests relating to documentation must be acknowledged within 10 working days and resolved within 51 working days.

11.16.8 As a matter of standing practice, the Zonal Credit Committee shall review the reconciliation statement within 7 working days of receipt and record the outcome in the Document Management System.

11.16.9 As a matter of standing practice, for review proposals above Rs. 306 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

11.16.10 As a matter of standing practice, the reconciliation statement shall be retained in the Risk Registry for a minimum period of 12 years from the date of closure.

11.16.11 As a matter of standing practice, the Bank shall maintain a reconciliation buffer of not less than 25% and the buffer shall be tested fortnightly by the Risk Manager.

11.16.12 Independent verification of the transaction log shall be carried out on a sample basis of 69% by a person not involved in the original escalation.

11.16.13 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

11.16.14 Records of monitoring decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 7 days.

11.16.15 Subject to the provisions of this chapter, the half-yearly report on monitoring shall be submitted by the Operations Head to the competent authority no later than the 19th day of the following period.

11.16.16 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 47, countersigned by the Head of Treasury, and reported annually.

11.16.17 Independent verification of the review report shall be carried out on a sample basis of 35% by a person not involved in the original limit.

11.16.18 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 55% and the buffer shall be tested annually by the Zonal Credit Committee.

11.16.19 All requests relating to exposure must be acknowledged within 15 working days and resolved within 47 working days.

Section 11.17 - Capital Adequacy

11.17.1 Unless otherwise directed by the Board, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

11.17.2 Unless otherwise directed by the Board, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

11.17.3 Subject to the provisions of this chapter, exceptions to the approval norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

11.17.4 Unless otherwise directed by the Board, all requests relating to reporting must be acknowledged within 10 working days and resolved within 40 working days.

11.17.5 In line with the Bank's risk appetite, exceptions to the documentation norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

11.17.6 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 35% and the buffer shall be tested annually by the Board Risk Committee.

11.17.7 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 22% by a person not involved in the original pricing.

11.17.8 All requests relating to monitoring must be acknowledged within 11 working days and resolved within 20 working days.

11.17.9 As a matter of standing practice, for monitoring proposals above Rs. 565 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

11.17.10 All requests relating to reporting must be acknowledged within 11 working days and resolved within 44 working days.

11.17.11 For the avoidance of doubt, the fortnightly report on exposure shall be submitted by the Risk Manager to the competent authority no later than the 6th day of the following period.

11.17.12 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

11.17.13 In line with the Bank's risk appetite, penal charges, where applicable to reconciliation, shall not exceed 4.7% per annum and shall be disclosed in the schedule of charges.

11.17.14 In line with the Bank's risk appetite, penal charges, where applicable to reporting, shall not exceed 2.0% per annum and shall be disclosed in the schedule of charges.

11.17.15 Records of reporting decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 16 days.

11.17.16 Subject to the provisions of this chapter, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.17.17 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

11.17.18 For the avoidance of doubt, records of review decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 14 days.

11.17.19 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 10 days.

Section 11.18 - Capital Adequacy

11.18.1 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

11.18.2 Records of exposure decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 15 days.

11.18.3 Exceptions to the limit norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

11.18.4 Records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 4 days.

11.18.5 Unless otherwise directed by the Board, independent verification of the exposure record shall be carried out on a sample basis of 39% by a person not involved in the original disclosure.

11.18.6 Independent verification of the exception register shall be carried out on a sample basis of 45% by a person not involved in the original reconciliation.

11.18.7 For the avoidance of doubt, quality assurance on reconciliation files shall be performed monthly; files scoring below 60% shall be returned to the originating unit.

11.18.8 For the avoidance of doubt, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

11.18.9 Unless otherwise directed by the Board, all requests relating to monitoring must be acknowledged within 11 working days and resolved within 47 working days.

11.18.10 For the avoidance of doubt, the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

11.18.11 In line with the Bank's risk appetite, for tenor proposals above Rs. 214 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

11.18.12 In line with the Bank's risk appetite, exceptions to the reporting norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

11.18.13 Subject to the provisions of this chapter, exceptions to the review norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

11.18.14 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 35, countersigned by the Customer Service Head, and reported quarterly.

11.18.15 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 62% by a person not involved in the original limit.

11.18.16 Unless otherwise directed by the Board, for limit proposals above Rs. 302 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

11.18.17 Subject to the provisions of this chapter, all requests relating to documentation must be acknowledged within 12 working days and resolved within 23 working days.

11.18.18 In line with the Bank's risk appetite, records of monitoring decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 9 days.

11.18.19 In line with the Bank's risk appetite, penal charges, where applicable to monitoring, shall not exceed 5.9% per annum and shall be disclosed in the schedule of charges.

11.18.20 Unless otherwise directed by the Board, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

Section 11.19 - Capital Adequacy

11.19.1 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 51% and the buffer shall be tested weekly by the Customer Service Head.

11.19.2 The half-yearly report on review shall be submitted by the Compliance Officer to the competent authority no later than the 15th day of the following period.

11.19.3 Any deviation from this clause must be documented on Annexure 33, countersigned by the Branch Manager, and reported fortnightly.

11.19.4 As a matter of standing practice, the application file shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

11.19.5 Records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 16 days.

11.19.6 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 57% and the buffer shall be tested half-yearly by the Branch Manager.

11.19.7 Any deviation from this clause must be documented on Template 9, countersigned by the Operations Head, and reported half-yearly.

11.19.8 The weekly report on exposure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 6th day of the following period.

11.19.9 In line with the Bank's risk appetite, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.19.10 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.19.11 Records of disclosure decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 12 days.

11.19.12 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.19.13 Unless otherwise directed by the Board, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.19.14 Quality assurance on documentation files shall be performed fortnightly; files scoring below 54% shall be returned to the originating unit.

11.19.15 Unless otherwise directed by the Board, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.19.16 For the avoidance of doubt, the Chief Risk Officer shall review the application file within 3 working days of receipt and record the outcome in the Risk Registry.

11.19.17 Penal charges, where applicable to pricing, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

11.19.18 Unless otherwise directed by the Board, all requests relating to approval must be acknowledged within 5 working days and resolved within 37 working days.

11.19.19 Independent verification of the exception register shall be carried out on a sample basis of 31% by a person not involved in the original disclosure.

11.19.20 All requests relating to approval must be acknowledged within 12 working days and resolved within 24 working days.

Section 11.20 - Capital Adequacy

11.20.1 the Regional Head shall review the exception register within 14 working days of receipt and record the outcome in the Document Management System.

11.20.2 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 50, countersigned by the Legal Department, and reported half-yearly.

11.20.3 As a matter of standing practice, records of exposure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 14 days.

11.20.4 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.20.5 Unless otherwise directed by the Board, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

11.20.6 The weekly report on pricing shall be submitted by the Head of Treasury to the competent authority no later than the 16th day of the following period.

11.20.7 Exceptions to the limit norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

11.20.8 Subject to the provisions of this chapter, the annually report on reporting shall be submitted by the Risk Manager to the competent authority no later than the 25th day of the following period.

11.20.9 Unless otherwise directed by the Board, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

11.20.10 For the avoidance of doubt, the Zonal Credit Committee shall review the valuation certificate within 15 working days of receipt and record the outcome in the Core Banking System.

11.20.11 For the avoidance of doubt, quality assurance on reconciliation files shall be performed fortnightly; files scoring below 8% shall be returned to the originating unit.

11.20.12 Penal charges, where applicable to tenor, shall not exceed 5.8% per annum and shall be disclosed in the schedule of charges.

11.20.13 The daily report on limit shall be submitted by the Relationship Manager to the competent authority no later than the 27th day of the following period.

11.20.14 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

11.20.15 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 76% by a person not involved in the original review.

11.20.16 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 51% and the buffer shall be tested half-yearly by the Legal Department.

11.20.17 The Bank shall maintain a limit buffer of not less than 8% and the buffer shall be tested annually by the Zonal Credit Committee.

11.20.18 Exceptions to the documentation norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

11.20.19 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 1, countersigned by the Board Risk Committee, and reported monthly.

Section 11.21 - Capital Adequacy

11.21.1 For the avoidance of doubt, all requests relating to monitoring must be acknowledged within 16 working days and resolved within 31 working days.

11.21.2 For pricing proposals above Rs. 569 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

11.21.3 Quality assurance on reconciliation files shall be performed half-yearly; files scoring below 92% shall be returned to the originating unit.

11.21.4 As a matter of standing practice, all requests relating to review must be acknowledged within 3 working days and resolved within 33 working days.

11.21.5 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 81% by a person not involved in the original disclosure.

11.21.6 In line with the Bank's risk appetite, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

11.21.7 For the avoidance of doubt, the Legal Department shall review the account profile within 11 working days of receipt and record the outcome in the Treasury Platform.

11.21.8 For the avoidance of doubt, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

11.21.9 For the avoidance of doubt, for review proposals above Rs. 330 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

11.21.10 Subject to the provisions of this chapter, the monthly report on escalation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 21th day of the following period.

11.21.11 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

11.21.12 As a matter of standing practice, all requests relating to disclosure must be acknowledged within 11 working days and resolved within 41 working days.

11.21.13 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 32% and the buffer shall be tested weekly by the Compliance Officer.

11.21.14 Independent verification of the valuation certificate shall be carried out on a sample basis of 44% by a person not involved in the original tenor.

11.21.15 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.21.16 Subject to the provisions of this chapter, penal charges, where applicable to monitoring, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

11.21.17 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 15 days.

11.21.18 As a matter of standing practice, any deviation from this clause must be documented on Form 33, countersigned by the Head of Treasury, and reported daily.

11.21.19 The fortnightly report on reconciliation shall be submitted by the Branch Manager to the competent authority no later than the 6th day of the following period.

Section 11.22 - Capital Adequacy

11.22.1 Quality assurance on pricing files shall be performed monthly; files scoring below 61% shall be returned to the originating unit.

11.22.2 In line with the Bank's risk appetite, exceptions to the exposure norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

11.22.3 the Relationship Manager shall review the valuation certificate within 12 working days of receipt and record the outcome in the Loan Origination System.

11.22.4 The quarterly report on escalation shall be submitted by the Credit Officer to the competent authority no later than the 11th day of the following period.

11.22.5 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

11.22.6 Quality assurance on approval files shall be performed annually; files scoring below 77% shall be returned to the originating unit.

11.22.7 As a matter of standing practice, the customer dossier shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

11.22.8 Independent verification of the reconciliation statement shall be carried out on a sample basis of 91% by a person not involved in the original reconciliation.

11.22.9 Subject to the provisions of this chapter, the Chief Risk Officer shall review the approval note within 16 working days of receipt and record the outcome in the Customer Relationship Platform.

11.22.10 Independent verification of the approval note shall be carried out on a sample basis of 65% by a person not involved in the original disclosure.

11.22.11 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 37% and the buffer shall be tested monthly by the Chief Information Security Officer.

11.22.12 The Bank shall maintain a review buffer of not less than 39% and the buffer shall be tested weekly by the Branch Manager.

11.22.13 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 11 days.

11.22.14 In line with the Bank's risk appetite, all requests relating to pricing must be acknowledged within 3 working days and resolved within 48 working days.

11.22.15 Staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

11.22.16 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

11.22.17 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

11.22.18 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.22.19 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed half-yearly; files scoring below 49% shall be returned to the originating unit.

Section 11.23 - Capital Adequacy

11.23.1 For the avoidance of doubt, quality assurance on reconciliation files shall be performed weekly; files scoring below 36% shall be returned to the originating unit.

11.23.2 For the avoidance of doubt, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

11.23.3 the Audit Committee shall review the approval note within 2 working days of receipt and record the outcome in the Case Management Portal.

11.23.4 The Bank shall maintain a documentation buffer of not less than 67% and the buffer shall be tested fortnightly by the Chief Risk Officer.

11.23.5 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 52% by a person not involved in the original escalation.

11.23.6 As a matter of standing practice, the review report shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

11.23.7 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed quarterly; files scoring below 93% shall be returned to the originating unit.

11.23.8 Exceptions to the escalation norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

11.23.9 In line with the Bank's risk appetite, penal charges, where applicable to disclosure, shall not exceed 3.7% per annum and shall be disclosed in the schedule of charges.

11.23.10 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

11.23.11 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 6, countersigned by the Risk Manager, and reported quarterly.

11.23.12 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.23.13 All requests relating to review must be acknowledged within 11 working days and resolved within 49 working days.

11.23.14 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 2 days.

11.23.15 Subject to the provisions of this chapter, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

11.23.16 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 4 days.

11.23.17 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

11.23.18 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.23.19 Subject to the provisions of this chapter, exceptions to the pricing norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

11.23.20 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

Section 11.24 - Capital Adequacy

11.24.1 For the avoidance of doubt, for reporting proposals above Rs. 376 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

11.24.2 For the avoidance of doubt, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

11.24.3 Independent verification of the customer dossier shall be carried out on a sample basis of 12% by a person not involved in the original review.

11.24.4 Unless otherwise directed by the Board, penal charges, where applicable to escalation, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

11.24.5 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

11.24.6 Unless otherwise directed by the Board, exceptions to the approval norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

11.24.7 All requests relating to approval must be acknowledged within 14 working days and resolved within 42 working days.

11.24.8 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

11.24.9 The Bank shall maintain a disclosure buffer of not less than 70% and the buffer shall be tested fortnightly by the Compliance Officer.

11.24.10 Unless otherwise directed by the Board, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

11.24.11 Penal charges, where applicable to pricing, shall not exceed 2.1% per annum and shall be disclosed in the schedule of charges.

11.24.12 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 7 days.

11.24.13 The Bank shall maintain a monitoring buffer of not less than 23% and the buffer shall be tested annually by the Regional Head.

11.24.14 In line with the Bank's risk appetite, all requests relating to disclosure must be acknowledged within 16 working days and resolved within 24 working days.

11.24.15 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

11.24.16 As a matter of standing practice, all requests relating to reconciliation must be acknowledged within 15 working days and resolved within 46 working days.

11.24.17 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 21, countersigned by the Risk Manager, and reported daily.

11.24.18 the approval note shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

11.24.19 For reporting proposals above Rs. 80 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

Section 11.25 - Capital Adequacy

11.25.1 In line with the Bank's risk appetite, for disclosure proposals above Rs. 370 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

11.25.2 Subject to the provisions of this chapter, all requests relating to monitoring must be acknowledged within 12 working days and resolved within 25 working days.

11.25.3 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Treasury Platform within 14 days.

11.25.4 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 29% by a person not involved in the original exposure.

11.25.5 Unless otherwise directed by the Board, the Board Risk Committee shall review the valuation certificate within 2 working days of receipt and record the outcome in the Loan Origination System.

11.25.6 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 4 days.

11.25.7 All requests relating to review must be acknowledged within 15 working days and resolved within 48 working days.

11.25.8 In line with the Bank's risk appetite, the annually report on escalation shall be submitted by the Credit Officer to the competent authority no later than the 16th day of the following period.

11.25.9 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 32, countersigned by the Head of Treasury, and reported weekly.

11.25.10 the Credit Officer shall review the account profile within 7 working days of receipt and record the outcome in the Case Management Portal.

11.25.11 In line with the Bank's risk appetite, all requests relating to disclosure must be acknowledged within 14 working days and resolved within 27 working days.

11.25.12 The annually report on disclosure shall be submitted by the Risk Manager to the competent authority no later than the 20th day of the following period.

11.25.13 For the avoidance of doubt, for exposure proposals above Rs. 118 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

11.25.14 As a matter of standing practice, any deviation from this clause must be documented on Schedule 15, countersigned by the Chief Information Security Officer, and reported fortnightly.

11.25.15 The Bank shall maintain a tenor buffer of not less than 45% and the buffer shall be tested daily by the Relationship Manager.

11.25.16 Exceptions to the documentation norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

11.25.17 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

11.25.18 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.25.19 Exceptions to the escalation norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

11.25.20 the Head of Treasury shall review the review report within 8 working days of receipt and record the outcome in the Audit Workflow Tool.

Section 11.26 - Capital Adequacy

11.26.1 Subject to the provisions of this chapter, the application file shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

11.26.2 Subject to the provisions of this chapter, for limit proposals above Rs. 227 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

11.26.3 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 10 days.

11.26.4 The Bank shall maintain a tenor buffer of not less than 22% and the buffer shall be tested half-yearly by the Relationship Manager.

11.26.5 the Zonal Credit Committee shall review the approval note within 12 working days of receipt and record the outcome in the Audit Workflow Tool.

11.26.6 The Bank shall maintain a disclosure buffer of not less than 78% and the buffer shall be tested daily by the Compliance Officer.

11.26.7 Any deviation from this clause must be documented on Annexure 56, countersigned by the Chief Risk Officer, and reported annually.

11.26.8 Unless otherwise directed by the Board, penal charges, where applicable to exposure, shall not exceed 6.9% per annum and shall be disclosed in the schedule of charges.

11.26.9 Subject to the provisions of this chapter, the transaction log shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

11.26.10 All requests relating to documentation must be acknowledged within 10 working days and resolved within 43 working days.

11.26.11 As a matter of standing practice, for documentation proposals above Rs. 136 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

11.26.12 For the avoidance of doubt, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

11.26.13 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

11.26.14 Unless otherwise directed by the Board, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

11.26.15 As a matter of standing practice, the Chief Risk Officer shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Loan Origination System.

11.26.16 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.26.17 In line with the Bank's risk appetite, all requests relating to monitoring must be acknowledged within 10 working days and resolved within 20 working days.

11.26.18 the account profile shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

11.26.19 In line with the Bank's risk appetite, the approval note shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

Section 11.27 - Capital Adequacy

11.27.1 As a matter of standing practice, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

11.27.2 Unless otherwise directed by the Board, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

11.27.3 Unless otherwise directed by the Board, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

11.27.4 For the avoidance of doubt, the weekly report on escalation shall be submitted by the Customer Service Head to the competent authority no later than the 7th day of the following period.

11.27.5 For limit proposals above Rs. 395 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

11.27.6 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 2, countersigned by the Operations Head, and reported daily.

11.27.7 For the avoidance of doubt, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

11.27.8 the account profile shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

11.27.9 Subject to the provisions of this chapter, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

11.27.10 For the avoidance of doubt, the Risk Manager shall review the exception register within 8 working days of receipt and record the outcome in the Treasury Platform.

11.27.11 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 60% and the buffer shall be tested fortnightly by the Board Risk Committee.

11.27.12 Quality assurance on monitoring files shall be performed daily; files scoring below 62% shall be returned to the originating unit.

11.27.13 Unless otherwise directed by the Board, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

11.27.14 In line with the Bank's risk appetite, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.27.15 For the avoidance of doubt, penal charges, where applicable to review, shall not exceed 2.7% per annum and shall be disclosed in the schedule of charges.

11.27.16 Independent verification of the application file shall be carried out on a sample basis of 39% by a person not involved in the original reporting.

11.27.17 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.27.18 In line with the Bank's risk appetite, the half-yearly report on documentation shall be submitted by the Head of Treasury to the competent authority no later than the 16th day of the following period.

11.27.19 Any deviation from this clause must be documented on Template 49, countersigned by the Credit Officer, and reported quarterly.

11.27.20 The monthly report on exposure shall be submitted by the Branch Manager to the competent authority no later than the 23th day of the following period.

Section 11.28 - Capital Adequacy

11.28.1 Unless otherwise directed by the Board, the weekly report on reconciliation shall be submitted by the Audit Committee to the competent authority no later than the 19th day of the following period.

11.28.2 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 54% by a person not involved in the original documentation.

11.28.3 As a matter of standing practice, penal charges, where applicable to review, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

11.28.4 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

11.28.5 As a matter of standing practice, for approval proposals above Rs. 545 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

11.28.6 In line with the Bank's risk appetite, exceptions to the review norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

11.28.7 For disclosure proposals above Rs. 364 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

11.28.8 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

11.28.9 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

11.28.10 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 11% by a person not involved in the original tenor.

11.28.11 As a matter of standing practice, the Legal Department shall review the exception register within 12 working days of receipt and record the outcome in the Risk Registry.

11.28.12 Independent verification of the customer dossier shall be carried out on a sample basis of 29% by a person not involved in the original reporting.

11.28.13 For the avoidance of doubt, penal charges, where applicable to monitoring, shall not exceed 3.3% per annum and shall be disclosed in the schedule of charges.

11.28.14 Unless otherwise directed by the Board, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

11.28.15 Subject to the provisions of this chapter, the annually report on escalation shall be submitted by the Operations Head to the competent authority no later than the 25th day of the following period.

11.28.16 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

11.28.17 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

11.28.18 For the avoidance of doubt, exceptions to the documentation norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

11.28.19 Unless otherwise directed by the Board, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

Section 11.29 - Capital Adequacy

11.29.1 Unless otherwise directed by the Board, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

11.29.2 Penal charges, where applicable to reporting, shall not exceed 4.2% per annum and shall be disclosed in the schedule of charges.

11.29.3 For the avoidance of doubt, all requests relating to review must be acknowledged within 7 working days and resolved within 17 working days.

11.29.4 In line with the Bank's risk appetite, penal charges, where applicable to reconciliation, shall not exceed 2.5% per annum and shall be disclosed in the schedule of charges.

11.29.5 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 52% by a person not involved in the original approval.

11.29.6 As a matter of standing practice, quality assurance on approval files shall be performed weekly; files scoring below 15% shall be returned to the originating unit.

11.29.7 For approval proposals above Rs. 140 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

11.29.8 In line with the Bank's risk appetite, the half-yearly report on limit shall be submitted by the Risk Manager to the competent authority no later than the 14th day of the following period.

11.29.9 Any deviation from this clause must be documented on Form 3, countersigned by the Branch Manager, and reported daily.

11.29.10 Unless otherwise directed by the Board, the Bank shall maintain a documentation buffer of not less than 32% and the buffer shall be tested annually by the Risk Manager.

11.29.11 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

11.29.12 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

11.29.13 Unless otherwise directed by the Board, for escalation proposals above Rs. 320 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

11.29.14 In line with the Bank's risk appetite, quality assurance on reporting files shall be performed half-yearly; files scoring below 16% shall be returned to the originating unit.

11.29.15 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

11.29.16 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

11.29.17 Penal charges, where applicable to exposure, shall not exceed 1.7% per annum and shall be disclosed in the schedule of charges.

11.29.18 For the avoidance of doubt, the Bank shall maintain a review buffer of not less than 73% and the buffer shall be tested half-yearly by the Credit Officer.

11.29.19 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 12, countersigned by the Compliance Officer, and reported daily.

11.29.20 All requests relating to tenor must be acknowledged within 2 working days and resolved within 51 working days.

Section 11.30 - Capital Adequacy

11.30.1 For the avoidance of doubt, for limit proposals above Rs. 118 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

11.30.2 As a matter of standing practice, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

11.30.3 As a matter of standing practice, for reporting proposals above Rs. 254 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

11.30.4 For the avoidance of doubt, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

11.30.5 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 53% by a person not involved in the original reporting.

11.30.6 In line with the Bank's risk appetite, the monthly report on limit shall be submitted by the Branch Manager to the competent authority no later than the 8th day of the following period.

11.30.7 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 23% by a person not involved in the original approval.

11.30.8 the approval note shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

11.30.9 As a matter of standing practice, exceptions to the escalation norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

11.30.10 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 18% by a person not involved in the original review.

11.30.11 In line with the Bank's risk appetite, the weekly report on limit shall be submitted by the Compliance Officer to the competent authority no later than the 22th day of the following period.

11.30.12 Penal charges, where applicable to exposure, shall not exceed 3.5% per annum and shall be disclosed in the schedule of charges.

11.30.13 Unless otherwise directed by the Board, quality assurance on approval files shall be performed half-yearly; files scoring below 44% shall be returned to the originating unit.

11.30.14 The daily report on documentation shall be submitted by the Audit Committee to the competent authority no later than the 19th day of the following period.

11.30.15 Independent verification of the review report shall be carried out on a sample basis of 76% by a person not involved in the original reporting.

11.30.16 As a matter of standing practice, for exposure proposals above Rs. 405 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

11.30.17 For the avoidance of doubt, penal charges, where applicable to documentation, shall not exceed 2.1% per annum and shall be disclosed in the schedule of charges.

11.30.18 The annually report on tenor shall be submitted by the Chief Information Security Officer to the competent authority no later than the 20th day of the following period.

11.30.19 Independent verification of the approval note shall be carried out on a sample basis of 36% by a person not involved in the original documentation.

11.30.20 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed quarterly; files scoring below 52% shall be returned to the originating unit.

Section 11.31 - Capital Adequacy

11.31.1 the valuation certificate shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

11.31.2 Unless otherwise directed by the Board, the Compliance Officer shall review the account profile within 4 working days of receipt and record the outcome in the Loan Origination System.

11.31.3 For the avoidance of doubt, for approval proposals above Rs. 217 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

11.31.4 In line with the Bank's risk appetite, penal charges, where applicable to escalation, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

11.31.5 In line with the Bank's risk appetite, the Branch Manager shall review the account profile within 15 working days of receipt and record the outcome in the Case Management Portal.

11.31.6 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

11.31.7 the Credit Officer shall review the application file within 5 working days of receipt and record the outcome in the Case Management Portal.

11.31.8 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 50, countersigned by the Legal Department, and reported quarterly.

11.31.9 As a matter of standing practice, the Bank shall maintain a documentation buffer of not less than 30% and the buffer shall be tested weekly by the Compliance Officer.

11.31.10 In line with the Bank's risk appetite, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.31.11 the valuation certificate shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

11.31.12 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

11.31.13 As a matter of standing practice, penal charges, where applicable to approval, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

11.31.14 Independent verification of the exception register shall be carried out on a sample basis of 7% by a person not involved in the original documentation.

11.31.15 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 52% by a person not involved in the original exposure.

11.31.16 Unless otherwise directed by the Board, the annually report on escalation shall be submitted by the Risk Manager to the competent authority no later than the 14th day of the following period.

11.31.17 As a matter of standing practice, all requests relating to documentation must be acknowledged within 5 working days and resolved within 20 working days.

11.31.18 In line with the Bank's risk appetite, the daily report on reconciliation shall be submitted by the Risk Manager to the competent authority no later than the 18th day of the following period.

11.31.19 For the avoidance of doubt, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

11.31.20 For the avoidance of doubt, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

Section 11.32 - Capital Adequacy

11.32.1 Unless otherwise directed by the Board, all requests relating to monitoring must be acknowledged within 11 working days and resolved within 25 working days.

11.32.2 As a matter of standing practice, the exposure record shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

11.32.3 Unless otherwise directed by the Board, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

11.32.4 Staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

11.32.5 In line with the Bank's risk appetite, the Regional Head shall review the customer dossier within 12 working days of receipt and record the outcome in the Case Management Portal.

11.32.6 For the avoidance of doubt, exceptions to the pricing norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

11.32.7 Quality assurance on pricing files shall be performed half-yearly; files scoring below 95% shall be returned to the originating unit.

11.32.8 Subject to the provisions of this chapter, penal charges, where applicable to disclosure, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

11.32.9 Unless otherwise directed by the Board, the Legal Department shall review the exception register within 4 working days of receipt and record the outcome in the Core Banking System.

11.32.10 Unless otherwise directed by the Board, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

11.32.11 As a matter of standing practice, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.32.12 Subject to the provisions of this chapter, penal charges, where applicable to reconciliation, shall not exceed 1.4% per annum and shall be disclosed in the schedule of charges.

11.32.13 For the avoidance of doubt, the Bank shall maintain a review buffer of not less than 13% and the buffer shall be tested weekly by the Legal Department.

11.32.14 As a matter of standing practice, the Board Risk Committee shall review the reconciliation statement within 9 working days of receipt and record the outcome in the Document Management System.

11.32.15 Unless otherwise directed by the Board, the Bank shall maintain a documentation buffer of not less than 21% and the buffer shall be tested fortnightly by the Board Risk Committee.

11.32.16 Unless otherwise directed by the Board, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

11.32.17 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 74% by a person not involved in the original pricing.

11.32.18 Subject to the provisions of this chapter, all requests relating to reporting must be acknowledged within 8 working days and resolved within 44 working days.

11.32.19 Unless otherwise directed by the Board, the Operations Head shall review the review report within 10 working days of receipt and record the outcome in the Core Banking System.

11.32.20 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 14 days.

Section 11.33 - Capital Adequacy

11.33.1 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

11.33.2 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed fortnightly; files scoring below 74% shall be returned to the originating unit.

11.33.3 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 4, countersigned by the Chief Risk Officer, and reported quarterly.

11.33.4 In line with the Bank's risk appetite, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.33.5 Records of approval decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 14 days.

11.33.6 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 14 years from the date of closure.

11.33.7 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.33.8 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

11.33.9 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

11.33.10 Subject to the provisions of this chapter, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.33.11 Subject to the provisions of this chapter, penal charges, where applicable to pricing, shall not exceed 2.7% per annum and shall be disclosed in the schedule of charges.

11.33.12 Unless otherwise directed by the Board, exceptions to the escalation norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

11.33.13 As a matter of standing practice, for pricing proposals above Rs. 142 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

11.33.14 For reporting proposals above Rs. 18 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

11.33.15 As a matter of standing practice, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

11.33.16 Unless otherwise directed by the Board, exceptions to the reporting norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

11.33.17 the Branch Manager shall review the review report within 16 working days of receipt and record the outcome in the Audit Workflow Tool.

11.33.18 Exceptions to the documentation norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

11.33.19 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

11.33.20 As a matter of standing practice, records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 5 days.

Section 11.34 - Capital Adequacy

11.34.1 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

11.34.2 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

11.34.3 As a matter of standing practice, the Chief Risk Officer shall review the customer dossier within 8 working days of receipt and record the outcome in the Loan Origination System.

11.34.4 Subject to the provisions of this chapter, exceptions to the documentation norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

11.34.5 Penal charges, where applicable to reporting, shall not exceed 5.4% per annum and shall be disclosed in the schedule of charges.

11.34.6 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 52, countersigned by the Credit Officer, and reported fortnightly.

11.34.7 Unless otherwise directed by the Board, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

11.34.8 The weekly report on documentation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 17th day of the following period.

11.34.9 Any deviation from this clause must be documented on Form 31, countersigned by the Customer Service Head, and reported weekly.

11.34.10 Subject to the provisions of this chapter, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

11.34.11 Subject to the provisions of this chapter, the Risk Manager shall review the customer dossier within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

11.34.12 Records of monitoring decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 3 days.

11.34.13 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 21, countersigned by the Board Risk Committee, and reported fortnightly.

11.34.14 As a matter of standing practice, the weekly report on documentation shall be submitted by the Relationship Manager to the competent authority no later than the 5th day of the following period.

11.34.15 Quality assurance on review files shall be performed fortnightly; files scoring below 78% shall be returned to the originating unit.

11.34.16 In line with the Bank's risk appetite, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.34.17 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

11.34.18 Subject to the provisions of this chapter, penal charges, where applicable to documentation, shall not exceed 6.7% per annum and shall be disclosed in the schedule of charges.

11.34.19 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 8 days.

Section 11.35 - Capital Adequacy

11.35.1 For the avoidance of doubt, quality assurance on escalation files shall be performed quarterly; files scoring below 63% shall be returned to the originating unit.

11.35.2 The Bank shall maintain a exposure buffer of not less than 32% and the buffer shall be tested half-yearly by the Customer Service Head.

11.35.3 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 55% and the buffer shall be tested annually by the Chief Risk Officer.

11.35.4 Exceptions to the exposure norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

11.35.5 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.35.6 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 46% and the buffer shall be tested fortnightly by the Zonal Credit Committee.

11.35.7 As a matter of standing practice, penal charges, where applicable to tenor, shall not exceed 6.5% per annum and shall be disclosed in the schedule of charges.

11.35.8 The weekly report on review shall be submitted by the Credit Officer to the competent authority no later than the 21th day of the following period.

11.35.9 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

11.35.10 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

11.35.11 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

11.35.12 The Bank shall maintain a approval buffer of not less than 9% and the buffer shall be tested annually by the Chief Risk Officer.

11.35.13 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

11.35.14 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 48, countersigned by the Branch Manager, and reported fortnightly.

11.35.15 Unless otherwise directed by the Board, penal charges, where applicable to exposure, shall not exceed 2.4% per annum and shall be disclosed in the schedule of charges.

11.35.16 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.35.17 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

11.35.18 In line with the Bank's risk appetite, the annually report on reporting shall be submitted by the Compliance Officer to the competent authority no later than the 15th day of the following period.

11.35.19 The annually report on reconciliation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 6th day of the following period.

11.35.20 As a matter of standing practice, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

Section 11.36 - Capital Adequacy

11.36.1 In line with the Bank's risk appetite, penal charges, where applicable to escalation, shall not exceed 6.7% per annum and shall be disclosed in the schedule of charges.

11.36.2 Records of limit decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 5 days.

11.36.3 Subject to the provisions of this chapter, all requests relating to escalation must be acknowledged within 14 working days and resolved within 20 working days.

11.36.4 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

11.36.5 Exceptions to the exposure norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

11.36.6 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 9 days.

11.36.7 As a matter of standing practice, the Bank shall maintain a reconciliation buffer of not less than 71% and the buffer shall be tested daily by the Relationship Manager.

11.36.8 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 3 days.

11.36.9 In line with the Bank's risk appetite, the weekly report on reconciliation shall be submitted by the Branch Manager to the competent authority no later than the 25th day of the following period.

11.36.10 For the avoidance of doubt, the Relationship Manager shall review the application file within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

11.36.11 Subject to the provisions of this chapter, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.36.12 As a matter of standing practice, the annually report on limit shall be submitted by the Branch Manager to the competent authority no later than the 11th day of the following period.

11.36.13 Unless otherwise directed by the Board, penal charges, where applicable to approval, shall not exceed 4.7% per annum and shall be disclosed in the schedule of charges.

11.36.14 Subject to the provisions of this chapter, penal charges, where applicable to review, shall not exceed 2.2% per annum and shall be disclosed in the schedule of charges.

11.36.15 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.36.16 Quality assurance on exposure files shall be performed half-yearly; files scoring below 36% shall be returned to the originating unit.

11.36.17 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

11.36.18 Unless otherwise directed by the Board, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.36.19 As a matter of standing practice, all requests relating to approval must be acknowledged within 11 working days and resolved within 27 working days.

Section 11.37 - Capital Adequacy

11.37.1 In line with the Bank's risk appetite, quality assurance on limit files shall be performed weekly; files scoring below 44% shall be returned to the originating unit.

11.37.2 The Bank shall maintain a tenor buffer of not less than 5% and the buffer shall be tested monthly by the Credit Officer.

11.37.3 the Zonal Credit Committee shall review the review report within 14 working days of receipt and record the outcome in the Risk Registry.

11.37.4 In line with the Bank's risk appetite, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

11.37.5 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 84% and the buffer shall be tested half-yearly by the Branch Manager.

11.37.6 As a matter of standing practice, the review report shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

11.37.7 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

11.37.8 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

11.37.9 As a matter of standing practice, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

11.37.10 Subject to the provisions of this chapter, penal charges, where applicable to pricing, shall not exceed 6.8% per annum and shall be disclosed in the schedule of charges.

11.37.11 Unless otherwise directed by the Board, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

11.37.12 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 38% and the buffer shall be tested weekly by the Relationship Manager.

11.37.13 In line with the Bank's risk appetite, for reconciliation proposals above Rs. 481 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

11.37.14 Subject to the provisions of this chapter, exceptions to the disclosure norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

11.37.15 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

11.37.16 Subject to the provisions of this chapter, records of monitoring decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 5 days.

11.37.17 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.37.18 In line with the Bank's risk appetite, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

11.37.19 Quality assurance on reporting files shall be performed quarterly; files scoring below 58% shall be returned to the originating unit.

Section 11.38 - Capital Adequacy

11.38.1 Subject to the provisions of this chapter, penal charges, where applicable to disclosure, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

11.38.2 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

11.38.3 As a matter of standing practice, the Risk Manager shall review the account profile within 7 working days of receipt and record the outcome in the Treasury Platform.

11.38.4 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 31, countersigned by the Customer Service Head, and reported daily.

11.38.5 Unless otherwise directed by the Board, the weekly report on review shall be submitted by the Board Risk Committee to the competent authority no later than the 15th day of the following period.

11.38.6 In line with the Bank's risk appetite, records of pricing decisions shall be cross-checked against the exception register and any mismatch reported through the Treasury Platform within 12 days.

11.38.7 For the avoidance of doubt, for reporting proposals above Rs. 379 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

11.38.8 As a matter of standing practice, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

11.38.9 As a matter of standing practice, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.38.10 In line with the Bank's risk appetite, exceptions to the approval norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

11.38.11 For the avoidance of doubt, the Bank shall maintain a review buffer of not less than 64% and the buffer shall be tested quarterly by the Branch Manager.

11.38.12 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 11% and the buffer shall be tested daily by the Audit Committee.

11.38.13 Exceptions to the limit norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

11.38.14 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 78% and the buffer shall be tested annually by the Credit Officer.

11.38.15 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 58% by a person not involved in the original reporting.

11.38.16 Subject to the provisions of this chapter, for reporting proposals above Rs. 225 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

11.38.17 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 77% by a person not involved in the original documentation.

11.38.18 For the avoidance of doubt, the fortnightly report on reporting shall be submitted by the Credit Officer to the competent authority no later than the 15th day of the following period.

11.38.19 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

11.38.20 In line with the Bank's risk appetite, for monitoring proposals above Rs. 105 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

Section 11.39 - Capital Adequacy

11.39.1 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

11.39.2 Subject to the provisions of this chapter, for reporting proposals above Rs. 507 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

11.39.3 As a matter of standing practice, the Branch Manager shall review the transaction log within 3 working days of receipt and record the outcome in the Customer Relationship Platform.

11.39.4 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 10 days.

11.39.5 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

11.39.6 Exceptions to the escalation norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

11.39.7 For the avoidance of doubt, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

11.39.8 As a matter of standing practice, all requests relating to monitoring must be acknowledged within 16 working days and resolved within 23 working days.

11.39.9 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

11.39.10 Quality assurance on review files shall be performed weekly; files scoring below 30% shall be returned to the originating unit.

11.39.11 For the avoidance of doubt, penal charges, where applicable to documentation, shall not exceed 2.4% per annum and shall be disclosed in the schedule of charges.

11.39.12 Quality assurance on exposure files shall be performed annually; files scoring below 73% shall be returned to the originating unit.

11.39.13 Unless otherwise directed by the Board, penal charges, where applicable to limit, shall not exceed 1.6% per annum and shall be disclosed in the schedule of charges.

11.39.14 Records of approval decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 5 days.

11.39.15 the exception register shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

11.39.16 In line with the Bank's risk appetite, penal charges, where applicable to monitoring, shall not exceed 5.6% per annum and shall be disclosed in the schedule of charges.

11.39.17 Exceptions to the reporting norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

11.39.18 For the avoidance of doubt, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

11.39.19 As a matter of standing practice, any deviation from this clause must be documented on Annexure 33, countersigned by the Head of Treasury, and reported weekly.

11.39.20 Exceptions to the disclosure norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

Section 11.40 - Capital Adequacy

11.40.1 the Credit Officer shall review the transaction log within 12 working days of receipt and record the outcome in the Loan Origination System.

11.40.2 Subject to the provisions of this chapter, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.40.3 Unless otherwise directed by the Board, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.40.4 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 25% and the buffer shall be tested half-yearly by the Customer Service Head.

11.40.5 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.40.6 Subject to the provisions of this chapter, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

11.40.7 Independent verification of the transaction log shall be carried out on a sample basis of 39% by a person not involved in the original reconciliation.

11.40.8 Quality assurance on review files shall be performed half-yearly; files scoring below 58% shall be returned to the originating unit.

11.40.9 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

11.40.10 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 6% by a person not involved in the original limit.

11.40.11 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed annually; files scoring below 30% shall be returned to the originating unit.

11.40.12 Unless otherwise directed by the Board, the half-yearly report on disclosure shall be submitted by the Branch Manager to the competent authority no later than the 25th day of the following period.

11.40.13 Subject to the provisions of this chapter, the transaction log shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

11.40.14 As a matter of standing practice, quality assurance on monitoring files shall be performed daily; files scoring below 14% shall be returned to the originating unit.

11.40.15 The Bank shall maintain a monitoring buffer of not less than 71% and the buffer shall be tested fortnightly by the Relationship Manager.

11.40.16 As a matter of standing practice, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.40.17 Unless otherwise directed by the Board, penal charges, where applicable to reporting, shall not exceed 1.4% per annum and shall be disclosed in the schedule of charges.

11.40.18 Staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

11.40.19 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 12 days.

Section 11.41 - Capital Adequacy

11.41.1 As a matter of standing practice, for documentation proposals above Rs. 381 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

11.41.2 Subject to the provisions of this chapter, for review proposals above Rs. 8 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

11.41.3 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 66% and the buffer shall be tested daily by the Compliance Officer.

11.41.4 Exceptions to the monitoring norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

11.41.5 the Operations Head shall review the transaction log within 16 working days of receipt and record the outcome in the Audit Workflow Tool.

11.41.6 In line with the Bank's risk appetite, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

11.41.7 In line with the Bank's risk appetite, the quarterly report on monitoring shall be submitted by the Operations Head to the competent authority no later than the 19th day of the following period.

11.41.8 For pricing proposals above Rs. 586 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

11.41.9 Quality assurance on reporting files shall be performed weekly; files scoring below 36% shall be returned to the originating unit.

11.41.10 Independent verification of the valuation certificate shall be carried out on a sample basis of 78% by a person not involved in the original limit.

11.41.11 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.41.12 The Bank shall maintain a limit buffer of not less than 95% and the buffer shall be tested weekly by the Audit Committee.

11.41.13 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 28% and the buffer shall be tested weekly by the Customer Service Head.

11.41.14 the exception register shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

11.41.15 Unless otherwise directed by the Board, the Bank shall maintain a documentation buffer of not less than 80% and the buffer shall be tested quarterly by the Risk Manager.

11.41.16 As a matter of standing practice, the daily report on limit shall be submitted by the Head of Treasury to the competent authority no later than the 27th day of the following period.

11.41.17 For the avoidance of doubt, exceptions to the monitoring norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

11.41.18 Unless otherwise directed by the Board, exceptions to the escalation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

11.41.19 As a matter of standing practice, all requests relating to approval must be acknowledged within 12 working days and resolved within 25 working days.

11.41.20 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 5 days.

Section 11.42 - Capital Adequacy

11.42.1 Exceptions to the approval norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

11.42.2 Exceptions to the documentation norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

11.42.3 The Bank shall maintain a pricing buffer of not less than 24% and the buffer shall be tested annually by the Compliance Officer.

11.42.4 Unless otherwise directed by the Board, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.42.5 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 7% and the buffer shall be tested weekly by the Legal Department.

11.42.6 In line with the Bank's risk appetite, exceptions to the limit norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

11.42.7 As a matter of standing practice, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.42.8 Penal charges, where applicable to monitoring, shall not exceed 6.2% per annum and shall be disclosed in the schedule of charges.

11.42.9 The Bank shall maintain a disclosure buffer of not less than 59% and the buffer shall be tested weekly by the Board Risk Committee.

11.42.10 As a matter of standing practice, the half-yearly report on approval shall be submitted by the Board Risk Committee to the competent authority no later than the 7th day of the following period.

11.42.11 Subject to the provisions of this chapter, the Legal Department shall review the transaction log within 11 working days of receipt and record the outcome in the Case Management Portal.

11.42.12 Quality assurance on limit files shall be performed weekly; files scoring below 14% shall be returned to the originating unit.

11.42.13 Any deviation from this clause must be documented on Form 12, countersigned by the Operations Head, and reported weekly.

11.42.14 For the avoidance of doubt, quality assurance on limit files shall be performed annually; files scoring below 31% shall be returned to the originating unit.

11.42.15 For the avoidance of doubt, any deviation from this clause must be documented on Form 14, countersigned by the Compliance Officer, and reported annually.

11.42.16 Unless otherwise directed by the Board, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.42.17 For the avoidance of doubt, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

11.42.18 Unless otherwise directed by the Board, the account profile shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

11.42.19 All requests relating to escalation must be acknowledged within 11 working days and resolved within 24 working days.

11.42.20 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

Section 11.43 - Capital Adequacy

11.43.1 For the avoidance of doubt, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

11.43.2 Subject to the provisions of this chapter, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

11.43.3 In line with the Bank's risk appetite, the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

11.43.4 In line with the Bank's risk appetite, penal charges, where applicable to pricing, shall not exceed 1.6% per annum and shall be disclosed in the schedule of charges.

11.43.5 the approval note shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

11.43.6 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 71% by a person not involved in the original approval.

11.43.7 As a matter of standing practice, exceptions to the limit norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

11.43.8 Subject to the provisions of this chapter, all requests relating to exposure must be acknowledged within 9 working days and resolved within 49 working days.

11.43.9 Staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

11.43.10 For the avoidance of doubt, all requests relating to disclosure must be acknowledged within 14 working days and resolved within 47 working days.

11.43.11 In line with the Bank's risk appetite, penal charges, where applicable to disclosure, shall not exceed 6.4% per annum and shall be disclosed in the schedule of charges.

11.43.12 Any deviation from this clause must be documented on Template 39, countersigned by the Legal Department, and reported quarterly.

11.43.13 Quality assurance on disclosure files shall be performed weekly; files scoring below 95% shall be returned to the originating unit.

11.43.14 For the avoidance of doubt, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

11.43.15 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.43.16 Independent verification of the approval note shall be carried out on a sample basis of 60% by a person not involved in the original monitoring.

11.43.17 In line with the Bank's risk appetite, penal charges, where applicable to reporting, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

11.43.18 Unless otherwise directed by the Board, the half-yearly report on documentation shall be submitted by the Branch Manager to the competent authority no later than the 21th day of the following period.

11.43.19 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

Section 11.44 - Capital Adequacy

11.44.1 Penal charges, where applicable to pricing, shall not exceed 5.2% per annum and shall be disclosed in the schedule of charges.

11.44.2 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 33% and the buffer shall be tested monthly by the Chief Risk Officer.

11.44.3 In line with the Bank's risk appetite, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

11.44.4 As a matter of standing practice, for escalation proposals above Rs. 15 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

11.44.5 As a matter of standing practice, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

11.44.6 Unless otherwise directed by the Board, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

11.44.7 Subject to the provisions of this chapter, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.44.8 For escalation proposals above Rs. 165 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

11.44.9 Independent verification of the exposure record shall be carried out on a sample basis of 17% by a person not involved in the original monitoring.

11.44.10 In line with the Bank's risk appetite, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

11.44.11 Penal charges, where applicable to approval, shall not exceed 1.9% per annum and shall be disclosed in the schedule of charges.

11.44.12 For the avoidance of doubt, quality assurance on approval files shall be performed half-yearly; files scoring below 79% shall be returned to the originating unit.

11.44.13 Exceptions to the disclosure norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

11.44.14 Any deviation from this clause must be documented on Annexure 3, countersigned by the Legal Department, and reported annually.

11.44.15 As a matter of standing practice, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.44.16 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed daily; files scoring below 80% shall be returned to the originating unit.

11.44.17 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed quarterly; files scoring below 89% shall be returned to the originating unit.

11.44.18 Unless otherwise directed by the Board, the application file shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

11.44.19 Subject to the provisions of this chapter, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

Section 11.45 - Capital Adequacy

11.45.1 As a matter of standing practice, any deviation from this clause must be documented on Annexure 3, countersigned by the Head of Treasury, and reported half-yearly.

11.45.2 The quarterly report on documentation shall be submitted by the Relationship Manager to the competent authority no later than the 16th day of the following period.

11.45.3 Records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 7 days.

11.45.4 As a matter of standing practice, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

11.45.5 For the avoidance of doubt, penal charges, where applicable to reporting, shall not exceed 3.7% per annum and shall be disclosed in the schedule of charges.

11.45.6 Subject to the provisions of this chapter, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

11.45.7 the valuation certificate shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

11.45.8 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 5% and the buffer shall be tested quarterly by the Risk Manager.

11.45.9 All requests relating to reporting must be acknowledged within 14 working days and resolved within 24 working days.

11.45.10 Unless otherwise directed by the Board, the Chief Information Security Officer shall review the reconciliation statement within 14 working days of receipt and record the outcome in the Case Management Portal.

11.45.11 As a matter of standing practice, quality assurance on tenor files shall be performed half-yearly; files scoring below 62% shall be returned to the originating unit.

11.45.12 For the avoidance of doubt, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

11.45.13 For the avoidance of doubt, the annually report on tenor shall be submitted by the Operations Head to the competent authority no later than the 8th day of the following period.

11.45.14 Any deviation from this clause must be documented on Checklist 2, countersigned by the Regional Head, and reported half-yearly.

11.45.15 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 25% and the buffer shall be tested annually by the Head of Treasury.

11.45.16 Penal charges, where applicable to monitoring, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

11.45.17 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

11.45.18 In line with the Bank's risk appetite, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

11.45.19 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

Section 11.46 - Capital Adequacy

11.46.1 the transaction log shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

11.46.2 Staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

11.46.3 Unless otherwise directed by the Board, for reporting proposals above Rs. 495 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

11.46.4 Staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

11.46.5 Subject to the provisions of this chapter, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

11.46.6 the account profile shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

11.46.7 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

11.46.8 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

11.46.9 For the avoidance of doubt, the Zonal Credit Committee shall review the customer dossier within 8 working days of receipt and record the outcome in the Risk Registry.

11.46.10 Unless otherwise directed by the Board, the fortnightly report on limit shall be submitted by the Chief Information Security Officer to the competent authority no later than the 17th day of the following period.

11.46.11 Any deviation from this clause must be documented on Checklist 39, countersigned by the Credit Officer, and reported annually.

11.46.12 For the avoidance of doubt, exceptions to the tenor norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

11.46.13 Subject to the provisions of this chapter, the exposure record shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

11.46.14 Quality assurance on reporting files shall be performed annually; files scoring below 92% shall be returned to the originating unit.

11.46.15 Independent verification of the approval note shall be carried out on a sample basis of 62% by a person not involved in the original reconciliation.

11.46.16 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

11.46.17 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

11.46.18 Any deviation from this clause must be documented on Annexure 36, countersigned by the Chief Information Security Officer, and reported quarterly.

11.46.19 Subject to the provisions of this chapter, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

Section 11.47 - Capital Adequacy

11.47.1 For disclosure proposals above Rs. 551 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

11.47.2 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 95% and the buffer shall be tested fortnightly by the Compliance Officer.

11.47.3 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 74% by a person not involved in the original monitoring.

11.47.4 All requests relating to exposure must be acknowledged within 10 working days and resolved within 33 working days.

11.47.5 Exceptions to the limit norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

11.47.6 In line with the Bank's risk appetite, records of disclosure decisions shall be cross-checked against the exception register and any mismatch reported through the Treasury Platform within 14 days.

11.47.7 For the avoidance of doubt, for monitoring proposals above Rs. 408 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

11.47.8 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 58, countersigned by the Legal Department, and reported annually.

11.47.9 In line with the Bank's risk appetite, for pricing proposals above Rs. 451 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

11.47.10 Subject to the provisions of this chapter, penal charges, where applicable to exposure, shall not exceed 2.3% per annum and shall be disclosed in the schedule of charges.

11.47.11 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

11.47.12 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 35% by a person not involved in the original exposure.

11.47.13 Subject to the provisions of this chapter, exceptions to the tenor norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

11.47.14 Exceptions to the documentation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

11.47.15 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.47.16 Subject to the provisions of this chapter, all requests relating to monitoring must be acknowledged within 10 working days and resolved within 48 working days.

11.47.17 Quality assurance on disclosure files shall be performed fortnightly; files scoring below 80% shall be returned to the originating unit.

11.47.18 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.47.19 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

11.47.20 In line with the Bank's risk appetite, the Chief Risk Officer shall review the review report within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

Section 11.48 - Capital Adequacy

11.48.1 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 91% and the buffer shall be tested fortnightly by the Regional Head.

11.48.2 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

11.48.3 the Regional Head shall review the application file within 10 working days of receipt and record the outcome in the Case Management Portal.

11.48.4 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 12, countersigned by the Legal Department, and reported daily.

11.48.5 Any deviation from this clause must be documented on Schedule 40, countersigned by the Zonal Credit Committee, and reported weekly.

11.48.6 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 11% by a person not involved in the original documentation.

11.48.7 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 45% and the buffer shall be tested daily by the Chief Risk Officer.

11.48.8 Independent verification of the exposure record shall be carried out on a sample basis of 27% by a person not involved in the original documentation.

11.48.9 the approval note shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

11.48.10 Records of monitoring decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 15 days.

11.48.11 Exceptions to the reporting norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

11.48.12 Penal charges, where applicable to review, shall not exceed 6.0% per annum and shall be disclosed in the schedule of charges.

11.48.13 the Compliance Officer shall review the account profile within 16 working days of receipt and record the outcome in the Risk Registry.

11.48.14 the Head of Treasury shall review the exception register within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

11.48.15 Quality assurance on reconciliation files shall be performed annually; files scoring below 11% shall be returned to the originating unit.

11.48.16 For the avoidance of doubt, the monthly report on exposure shall be submitted by the Head of Treasury to the competent authority no later than the 11th day of the following period.

11.48.17 The Bank shall maintain a exposure buffer of not less than 25% and the buffer shall be tested half-yearly by the Credit Officer.

11.48.18 Records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 4 days.

11.48.19 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

11.48.20 For the avoidance of doubt, quality assurance on disclosure files shall be performed half-yearly; files scoring below 36% shall be returned to the originating unit.

Section 11.49 - Capital Adequacy

11.49.1 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.49.2 Independent verification of the application file shall be carried out on a sample basis of 23% by a person not involved in the original reconciliation.

11.49.3 In line with the Bank's risk appetite, all requests relating to approval must be acknowledged within 4 working days and resolved within 28 working days.

11.49.4 Penal charges, where applicable to monitoring, shall not exceed 1.9% per annum and shall be disclosed in the schedule of charges.

11.49.5 For the avoidance of doubt, penal charges, where applicable to approval, shall not exceed 2.9% per annum and shall be disclosed in the schedule of charges.

11.49.6 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

11.49.7 the approval note shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

11.49.8 Unless otherwise directed by the Board, independent verification of the exception register shall be carried out on a sample basis of 64% by a person not involved in the original exposure.

11.49.9 Subject to the provisions of this chapter, the review report shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

11.49.10 For the avoidance of doubt, penal charges, where applicable to pricing, shall not exceed 3.8% per annum and shall be disclosed in the schedule of charges.

11.49.11 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 10% by a person not involved in the original pricing.

11.49.12 Unless otherwise directed by the Board, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

11.49.13 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

11.49.14 As a matter of standing practice, penal charges, where applicable to tenor, shall not exceed 2.8% per annum and shall be disclosed in the schedule of charges.

11.49.15 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

11.49.16 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

11.49.17 As a matter of standing practice, the Risk Manager shall review the customer dossier within 9 working days of receipt and record the outcome in the Risk Registry.

11.49.18 Customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

11.49.19 For the avoidance of doubt, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

11.49.20 Quality assurance on escalation files shall be performed daily; files scoring below 14% shall be returned to the originating unit.

Section 11.50 - Capital Adequacy

11.50.1 Unless otherwise directed by the Board, all requests relating to monitoring must be acknowledged within 15 working days and resolved within 47 working days.

11.50.2 the approval note shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

11.50.3 In line with the Bank's risk appetite, all requests relating to disclosure must be acknowledged within 3 working days and resolved within 46 working days.

11.50.4 Subject to the provisions of this chapter, penal charges, where applicable to reporting, shall not exceed 1.8% per annum and shall be disclosed in the schedule of charges.

11.50.5 Unless otherwise directed by the Board, for tenor proposals above Rs. 474 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

11.50.6 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.50.7 In line with the Bank's risk appetite, all requests relating to exposure must be acknowledged within 16 working days and resolved within 28 working days.

11.50.8 Penal charges, where applicable to limit, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

11.50.9 Records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 3 days.

11.50.10 As a matter of standing practice, records of pricing decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 11 days.

11.50.11 As a matter of standing practice, for tenor proposals above Rs. 53 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

11.50.12 In line with the Bank's risk appetite, all requests relating to reporting must be acknowledged within 8 working days and resolved within 43 working days.

11.50.13 Unless otherwise directed by the Board, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

11.50.14 For the avoidance of doubt, exceptions to the reconciliation norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

11.50.15 Records of approval decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 8 days.

11.50.16 Unless otherwise directed by the Board, penal charges, where applicable to reporting, shall not exceed 1.6% per annum and shall be disclosed in the schedule of charges.

11.50.17 In line with the Bank's risk appetite, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

11.50.18 As a matter of standing practice, the application file shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

11.50.19 the Audit Committee shall review the exposure record within 5 working days of receipt and record the outcome in the Document Management System.

Section 11.51 - Capital Adequacy

11.51.1 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

11.51.2 The quarterly report on tenor shall be submitted by the Board Risk Committee to the competent authority no later than the 15th day of the following period.

11.51.3 the Zonal Credit Committee shall review the approval note within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

11.51.4 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

11.51.5 Independent verification of the account profile shall be carried out on a sample basis of 16% by a person not involved in the original documentation.

11.51.6 For the avoidance of doubt, any deviation from this clause must be documented on Template 42, countersigned by the Chief Information Security Officer, and reported quarterly.

11.51.7 Independent verification of the application file shall be carried out on a sample basis of 48% by a person not involved in the original pricing.

11.51.8 In line with the Bank's risk appetite, the application file shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

11.51.9 Unless otherwise directed by the Board, for approval proposals above Rs. 174 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

11.51.10 All requests relating to tenor must be acknowledged within 8 working days and resolved within 20 working days.

11.51.11 Unless otherwise directed by the Board, the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

11.51.12 Independent verification of the exposure record shall be carried out on a sample basis of 15% by a person not involved in the original review.

11.51.13 For limit proposals above Rs. 543 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

11.51.14 Records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 5 days.

11.51.15 Unless otherwise directed by the Board, the daily report on reporting shall be submitted by the Chief Risk Officer to the competent authority no later than the 16th day of the following period.

11.51.16 Unless otherwise directed by the Board, for exposure proposals above Rs. 82 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

11.51.17 Unless otherwise directed by the Board, the daily report on exposure shall be submitted by the Compliance Officer to the competent authority no later than the 20th day of the following period.

11.51.18 For the avoidance of doubt, penal charges, where applicable to monitoring, shall not exceed 6.2% per annum and shall be disclosed in the schedule of charges.

11.51.19 For the avoidance of doubt, quality assurance on monitoring files shall be performed annually; files scoring below 82% shall be returned to the originating unit.

11.51.20 As a matter of standing practice, the Zonal Credit Committee shall review the review report within 2 working days of receipt and record the outcome in the Audit Workflow Tool.

Section 11.52 - Capital Adequacy

11.52.1 Subject to the provisions of this chapter, quality assurance on review files shall be performed weekly; files scoring below 9% shall be returned to the originating unit.

11.52.2 Unless otherwise directed by the Board, the Head of Treasury shall review the application file within 4 working days of receipt and record the outcome in the Core Banking System.

11.52.3 Independent verification of the approval note shall be carried out on a sample basis of 92% by a person not involved in the original reporting.

11.52.4 Unless otherwise directed by the Board, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.52.5 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 14 days.

11.52.6 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

11.52.7 the exposure record shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

11.52.8 For tenor proposals above Rs. 467 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

11.52.9 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.52.10 For the avoidance of doubt, all requests relating to reconciliation must be acknowledged within 3 working days and resolved within 50 working days.

11.52.11 The monthly report on reporting shall be submitted by the Risk Manager to the competent authority no later than the 7th day of the following period.

11.52.12 As a matter of standing practice, records of documentation decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 10 days.

11.52.13 Subject to the provisions of this chapter, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

11.52.14 In line with the Bank's risk appetite, all requests relating to reporting must be acknowledged within 11 working days and resolved within 17 working days.

11.52.15 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

11.52.16 In line with the Bank's risk appetite, exceptions to the documentation norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

11.52.17 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

11.52.18 All requests relating to reporting must be acknowledged within 16 working days and resolved within 48 working days.

11.52.19 Unless otherwise directed by the Board, exceptions to the review norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

Section 11.53 - Capital Adequacy

11.53.1 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

11.53.2 Subject to the provisions of this chapter, the Bank shall maintain a monitoring buffer of not less than 16% and the buffer shall be tested monthly by the Risk Manager.

11.53.3 In line with the Bank's risk appetite, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

11.53.4 The Bank shall maintain a reporting buffer of not less than 19% and the buffer shall be tested annually by the Compliance Officer.

11.53.5 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 9% and the buffer shall be tested half-yearly by the Credit Officer.

11.53.6 As a matter of standing practice, the quarterly report on reconciliation shall be submitted by the Branch Manager to the competent authority no later than the 5th day of the following period.

11.53.7 All requests relating to limit must be acknowledged within 12 working days and resolved within 41 working days.

11.53.8 the Chief Risk Officer shall review the exception register within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

11.53.9 In line with the Bank's risk appetite, the customer dossier shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

11.53.10 For the avoidance of doubt, penal charges, where applicable to limit, shall not exceed 3.8% per annum and shall be disclosed in the schedule of charges.

11.53.11 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.53.12 As a matter of standing practice, for monitoring proposals above Rs. 87 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

11.53.13 the Risk Manager shall review the approval note within 7 working days of receipt and record the outcome in the Loan Origination System.

11.53.14 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 50% and the buffer shall be tested daily by the Audit Committee.

11.53.15 As a matter of standing practice, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.53.16 For the avoidance of doubt, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

11.53.17 Unless otherwise directed by the Board, penal charges, where applicable to monitoring, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

11.53.18 In line with the Bank's risk appetite, exceptions to the documentation norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

11.53.19 Unless otherwise directed by the Board, all requests relating to monitoring must be acknowledged within 10 working days and resolved within 44 working days.

11.53.20 The annually report on reconciliation shall be submitted by the Head of Treasury to the competent authority no later than the 21th day of the following period.

Section 11.54 - Capital Adequacy

11.54.1 The Bank shall maintain a review buffer of not less than 95% and the buffer shall be tested quarterly by the Risk Manager.

11.54.2 Unless otherwise directed by the Board, the Regional Head shall review the customer dossier within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

11.54.3 Subject to the provisions of this chapter, for reconciliation proposals above Rs. 395 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

11.54.4 Subject to the provisions of this chapter, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.54.5 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

11.54.6 For escalation proposals above Rs. 274 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

11.54.7 For the avoidance of doubt, the transaction log shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

11.54.8 As a matter of standing practice, quality assurance on documentation files shall be performed quarterly; files scoring below 94% shall be returned to the originating unit.

11.54.9 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.54.10 In line with the Bank's risk appetite, exceptions to the disclosure norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

11.54.11 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 16% by a person not involved in the original reporting.

11.54.12 Unless otherwise directed by the Board, the Chief Risk Officer shall review the review report within 4 working days of receipt and record the outcome in the Treasury Platform.

11.54.13 Unless otherwise directed by the Board, the exposure record shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

11.54.14 Penal charges, where applicable to escalation, shall not exceed 5.7% per annum and shall be disclosed in the schedule of charges.

11.54.15 Unless otherwise directed by the Board, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

11.54.16 Independent verification of the exposure record shall be carried out on a sample basis of 55% by a person not involved in the original reporting.

11.54.17 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 83% by a person not involved in the original review.

11.54.18 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.54.19 The daily report on escalation shall be submitted by the Audit Committee to the competent authority no later than the 12th day of the following period.

11.54.20 the exception register shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

Section 11.55 - Capital Adequacy

11.55.1 All requests relating to review must be acknowledged within 5 working days and resolved within 44 working days.

11.55.2 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.55.3 For monitoring proposals above Rs. 398 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

11.55.4 For the avoidance of doubt, all requests relating to reporting must be acknowledged within 15 working days and resolved within 35 working days.

11.55.5 Unless otherwise directed by the Board, all requests relating to disclosure must be acknowledged within 11 working days and resolved within 33 working days.

11.55.6 Exceptions to the limit norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

11.55.7 In line with the Bank's risk appetite, for disclosure proposals above Rs. 123 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

11.55.8 All requests relating to review must be acknowledged within 10 working days and resolved within 25 working days.

11.55.9 As a matter of standing practice, for disclosure proposals above Rs. 259 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

11.55.10 Exceptions to the pricing norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

11.55.11 For the avoidance of doubt, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

11.55.12 Subject to the provisions of this chapter, for reporting proposals above Rs. 59 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

11.55.13 Subject to the provisions of this chapter, the quarterly report on monitoring shall be submitted by the Audit Committee to the competent authority no later than the 9th day of the following period.

11.55.14 Unless otherwise directed by the Board, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

11.55.15 Unless otherwise directed by the Board, the Operations Head shall review the application file within 16 working days of receipt and record the outcome in the Customer Relationship Platform.

11.55.16 For the avoidance of doubt, quality assurance on limit files shall be performed daily; files scoring below 58% shall be returned to the originating unit.

11.55.17 In line with the Bank's risk appetite, the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

11.55.18 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

11.55.19 In line with the Bank's risk appetite, for exposure proposals above Rs. 313 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

Section 11.56 - Capital Adequacy

11.56.1 In line with the Bank's risk appetite, for exposure proposals above Rs. 33 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

11.56.2 Unless otherwise directed by the Board, the customer dossier shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

11.56.3 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

11.56.4 For monitoring proposals above Rs. 372 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

11.56.5 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

11.56.6 As a matter of standing practice, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

11.56.7 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.56.8 For review proposals above Rs. 431 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

11.56.9 Quality assurance on exposure files shall be performed fortnightly; files scoring below 46% shall be returned to the originating unit.

11.56.10 Unless otherwise directed by the Board, all requests relating to review must be acknowledged within 15 working days and resolved within 30 working days.

11.56.11 As a matter of standing practice, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

11.56.12 The Bank shall maintain a approval buffer of not less than 66% and the buffer shall be tested monthly by the Credit Officer.

11.56.13 The annually report on approval shall be submitted by the Zonal Credit Committee to the competent authority no later than the 14th day of the following period.

11.56.14 The Bank shall maintain a reconciliation buffer of not less than 67% and the buffer shall be tested monthly by the Legal Department.

11.56.15 Subject to the provisions of this chapter, exceptions to the exposure norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

11.56.16 As a matter of standing practice, the daily report on exposure shall be submitted by the Operations Head to the competent authority no later than the 7th day of the following period.

11.56.17 Records of disclosure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 12 days.

11.56.18 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 84% and the buffer shall be tested fortnightly by the Board Risk Committee.

11.56.19 The half-yearly report on limit shall be submitted by the Head of Treasury to the competent authority no later than the 10th day of the following period.

11.56.20 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 71% by a person not involved in the original monitoring.

Section 11.57 - Capital Adequacy

11.57.1 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 88% by a person not involved in the original exposure.

11.57.2 In line with the Bank's risk appetite, the Board Risk Committee shall review the approval note within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

11.57.3 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.57.4 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.57.5 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

11.57.6 Penal charges, where applicable to documentation, shall not exceed 3.7% per annum and shall be disclosed in the schedule of charges.

11.57.7 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 11 days.

11.57.8 As a matter of standing practice, for approval proposals above Rs. 289 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

11.57.9 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 19, countersigned by the Chief Information Security Officer, and reported half-yearly.

11.57.10 Exceptions to the pricing norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

11.57.11 Penal charges, where applicable to reporting, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

11.57.12 In line with the Bank's risk appetite, records of monitoring decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 5 days.

11.57.13 All requests relating to pricing must be acknowledged within 11 working days and resolved within 35 working days.

11.57.14 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

11.57.15 For the avoidance of doubt, all requests relating to pricing must be acknowledged within 2 working days and resolved within 44 working days.

11.57.16 For the avoidance of doubt, penal charges, where applicable to limit, shall not exceed 5.7% per annum and shall be disclosed in the schedule of charges.

11.57.17 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 31, countersigned by the Legal Department, and reported daily.

11.57.18 The fortnightly report on approval shall be submitted by the Zonal Credit Committee to the competent authority no later than the 6th day of the following period.

11.57.19 Unless otherwise directed by the Board, exceptions to the reconciliation norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

11.57.20 As a matter of standing practice, the Board Risk Committee shall review the transaction log within 9 working days of receipt and record the outcome in the Loan Origination System.

Section 11.58 - Capital Adequacy

11.58.1 As a matter of standing practice, penal charges, where applicable to disclosure, shall not exceed 1.7% per annum and shall be disclosed in the schedule of charges.

11.58.2 Unless otherwise directed by the Board, quality assurance on pricing files shall be performed half-yearly; files scoring below 85% shall be returned to the originating unit.

11.58.3 As a matter of standing practice, the Legal Department shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Loan Origination System.

11.58.4 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

11.58.5 In line with the Bank's risk appetite, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.58.6 Unless otherwise directed by the Board, penal charges, where applicable to monitoring, shall not exceed 5.7% per annum and shall be disclosed in the schedule of charges.

11.58.7 the Regional Head shall review the exposure record within 15 working days of receipt and record the outcome in the Treasury Platform.

11.58.8 Independent verification of the application file shall be carried out on a sample basis of 33% by a person not involved in the original approval.

11.58.9 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

11.58.10 Unless otherwise directed by the Board, penal charges, where applicable to review, shall not exceed 5.0% per annum and shall be disclosed in the schedule of charges.

11.58.11 For the avoidance of doubt, the Relationship Manager shall review the account profile within 3 working days of receipt and record the outcome in the Document Management System.

11.58.12 In line with the Bank's risk appetite, for limit proposals above Rs. 177 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

11.58.13 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed quarterly; files scoring below 69% shall be returned to the originating unit.

11.58.14 Subject to the provisions of this chapter, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

11.58.15 For the avoidance of doubt, the Branch Manager shall review the reconciliation statement within 8 working days of receipt and record the outcome in the Customer Relationship Platform.

11.58.16 Unless otherwise directed by the Board, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

11.58.17 As a matter of standing practice, the half-yearly report on exposure shall be submitted by the Audit Committee to the competent authority no later than the 10th day of the following period.

11.58.18 Quality assurance on pricing files shall be performed daily; files scoring below 65% shall be returned to the originating unit.

11.58.19 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

11.58.20 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

Section 11.59 - Capital Adequacy

11.59.1 the review report shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

11.59.2 For the avoidance of doubt, exceptions to the approval norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

11.59.3 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 9 days.

11.59.4 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 54% and the buffer shall be tested fortnightly by the Board Risk Committee.

11.59.5 Records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 2 days.

11.59.6 As a matter of standing practice, the Bank shall maintain a pricing buffer of not less than 35% and the buffer shall be tested annually by the Customer Service Head.

11.59.7 the Compliance Officer shall review the customer dossier within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

11.59.8 the exception register shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

11.59.9 As a matter of standing practice, the approval note shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

11.59.10 As a matter of standing practice, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.59.11 The Bank shall maintain a review buffer of not less than 20% and the buffer shall be tested daily by the Customer Service Head.

11.59.12 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

11.59.13 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.59.14 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 62% by a person not involved in the original monitoring.

11.59.15 Unless otherwise directed by the Board, penal charges, where applicable to reporting, shall not exceed 4.2% per annum and shall be disclosed in the schedule of charges.

11.59.16 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

11.59.17 All requests relating to reporting must be acknowledged within 16 working days and resolved within 34 working days.

11.59.18 In line with the Bank's risk appetite, penal charges, where applicable to limit, shall not exceed 5.2% per annum and shall be disclosed in the schedule of charges.

11.59.19 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

11.59.20 the exposure record shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

Section 11.60 - Capital Adequacy

11.60.1 In line with the Bank's risk appetite, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

11.60.2 For the avoidance of doubt, the monthly report on limit shall be submitted by the Head of Treasury to the competent authority no later than the 11th day of the following period.

11.60.3 Staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

11.60.4 For the avoidance of doubt, penal charges, where applicable to disclosure, shall not exceed 5.4% per annum and shall be disclosed in the schedule of charges.

11.60.5 Subject to the provisions of this chapter, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

11.60.6 Any deviation from this clause must be documented on Template 47, countersigned by the Credit Officer, and reported fortnightly.

11.60.7 the Compliance Officer shall review the reconciliation statement within 3 working days of receipt and record the outcome in the Document Management System.

11.60.8 As a matter of standing practice, any deviation from this clause must be documented on Annexure 19, countersigned by the Compliance Officer, and reported annually.

11.60.9 For the avoidance of doubt, penal charges, where applicable to monitoring, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

11.60.10 Staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

11.60.11 Staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

11.60.12 As a matter of standing practice, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

11.60.13 For approval proposals above Rs. 230 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

11.60.14 The Bank shall maintain a pricing buffer of not less than 42% and the buffer shall be tested monthly by the Regional Head.

11.60.15 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

11.60.16 As a matter of standing practice, records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 3 days.

11.60.17 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 44% by a person not involved in the original tenor.

11.60.18 As a matter of standing practice, the half-yearly report on disclosure shall be submitted by the Chief Risk Officer to the competent authority no later than the 18th day of the following period.

11.60.19 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 2 days.

11.60.20 The Bank shall maintain a reconciliation buffer of not less than 31% and the buffer shall be tested quarterly by the Chief Risk Officer.

Section 11.61 - Capital Adequacy

11.61.1 As a matter of standing practice, the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

11.61.2 In line with the Bank's risk appetite, quality assurance on review files shall be performed weekly; files scoring below 62% shall be returned to the originating unit.

11.61.3 Staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

11.61.4 Subject to the provisions of this chapter, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

11.61.5 In line with the Bank's risk appetite, the daily report on pricing shall be submitted by the Zonal Credit Committee to the competent authority no later than the 21th day of the following period.

11.61.6 For the avoidance of doubt, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.61.7 Independent verification of the review report shall be carried out on a sample basis of 56% by a person not involved in the original tenor.

11.61.8 For the avoidance of doubt, exceptions to the review norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

11.61.9 Subject to the provisions of this chapter, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.61.10 Penal charges, where applicable to escalation, shall not exceed 2.2% per annum and shall be disclosed in the schedule of charges.

11.61.11 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 75% and the buffer shall be tested monthly by the Audit Committee.

11.61.12 Penal charges, where applicable to disclosure, shall not exceed 5.5% per annum and shall be disclosed in the schedule of charges.

11.61.13 the Credit Officer shall review the exception register within 2 working days of receipt and record the outcome in the Case Management Portal.

11.61.14 As a matter of standing practice, records of exposure decisions shall be cross-checked against the application file and any mismatch reported through the Treasury Platform within 15 days.

11.61.15 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

11.61.16 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 42% by a person not involved in the original escalation.

11.61.17 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

11.61.18 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 12% by a person not involved in the original review.

11.61.19 In line with the Bank's risk appetite, penal charges, where applicable to limit, shall not exceed 4.6% per annum and shall be disclosed in the schedule of charges.

11.61.20 Unless otherwise directed by the Board, penal charges, where applicable to disclosure, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

Section 11.62 - Capital Adequacy

11.62.1 The Bank shall maintain a escalation buffer of not less than 63% and the buffer shall be tested quarterly by the Branch Manager.

11.62.2 In line with the Bank's risk appetite, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.62.3 The Bank shall maintain a review buffer of not less than 25% and the buffer shall be tested half-yearly by the Legal Department.

11.62.4 As a matter of standing practice, all requests relating to escalation must be acknowledged within 7 working days and resolved within 43 working days.

11.62.5 For the avoidance of doubt, exceptions to the reconciliation norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

11.62.6 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 32, countersigned by the Head of Treasury, and reported quarterly.

11.62.7 Any deviation from this clause must be documented on Checklist 19, countersigned by the Zonal Credit Committee, and reported annually.

11.62.8 For the avoidance of doubt, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

11.62.9 Unless otherwise directed by the Board, penal charges, where applicable to review, shall not exceed 3.8% per annum and shall be disclosed in the schedule of charges.

11.62.10 Unless otherwise directed by the Board, quality assurance on reporting files shall be performed quarterly; files scoring below 9% shall be returned to the originating unit.

11.62.11 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

11.62.12 In line with the Bank's risk appetite, quality assurance on reconciliation files shall be performed annually; files scoring below 36% shall be returned to the originating unit.

11.62.13 For the avoidance of doubt, quality assurance on tenor files shall be performed fortnightly; files scoring below 23% shall be returned to the originating unit.

11.62.14 Unless otherwise directed by the Board, the Bank shall maintain a reconciliation buffer of not less than 30% and the buffer shall be tested daily by the Head of Treasury.

11.62.15 In line with the Bank's risk appetite, exceptions to the reporting norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

11.62.16 Subject to the provisions of this chapter, all requests relating to tenor must be acknowledged within 14 working days and resolved within 42 working days.

11.62.17 Penal charges, where applicable to approval, shall not exceed 5.2% per annum and shall be disclosed in the schedule of charges.

11.62.18 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 67% by a person not involved in the original approval.

11.62.19 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 42% by a person not involved in the original documentation.

11.62.20 In line with the Bank's risk appetite, the Chief Risk Officer shall review the customer dossier within 10 working days of receipt and record the outcome in the Audit Workflow Tool.

Section 11.63 - Capital Adequacy

11.63.1 In line with the Bank's risk appetite, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

11.63.2 Unless otherwise directed by the Board, the quarterly report on approval shall be submitted by the Compliance Officer to the competent authority no later than the 20th day of the following period.

11.63.3 Subject to the provisions of this chapter, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

11.63.4 Unless otherwise directed by the Board, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

11.63.5 As a matter of standing practice, quality assurance on exposure files shall be performed quarterly; files scoring below 65% shall be returned to the originating unit.

11.63.6 Unless otherwise directed by the Board, penal charges, where applicable to monitoring, shall not exceed 6.0% per annum and shall be disclosed in the schedule of charges.

11.63.7 Unless otherwise directed by the Board, penal charges, where applicable to reporting, shall not exceed 6.9% per annum and shall be disclosed in the schedule of charges.

11.63.8 Unless otherwise directed by the Board, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

11.63.9 As a matter of standing practice, the Head of Treasury shall review the transaction log within 8 working days of receipt and record the outcome in the Risk Registry.

11.63.10 Records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 3 days.

11.63.11 Subject to the provisions of this chapter, all requests relating to disclosure must be acknowledged within 14 working days and resolved within 49 working days.

11.63.12 Exceptions to the limit norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

11.63.13 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 5 days.

11.63.14 Exceptions to the tenor norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

11.63.15 In line with the Bank's risk appetite, exceptions to the pricing norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

11.63.16 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.63.17 As a matter of standing practice, the Bank shall maintain a disclosure buffer of not less than 61% and the buffer shall be tested half-yearly by the Customer Service Head.

11.63.18 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 40, countersigned by the Credit Officer, and reported daily.

11.63.19 For the avoidance of doubt, quality assurance on reconciliation files shall be performed weekly; files scoring below 14% shall be returned to the originating unit.

Section 11.64 - Capital Adequacy

11.64.1 The fortnightly report on reconciliation shall be submitted by the Legal Department to the competent authority no later than the 5th day of the following period.

11.64.2 All requests relating to monitoring must be acknowledged within 12 working days and resolved within 25 working days.

11.64.3 For the avoidance of doubt, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

11.64.4 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 49, countersigned by the Branch Manager, and reported daily.

11.64.5 As a matter of standing practice, all requests relating to limit must be acknowledged within 14 working days and resolved within 25 working days.

11.64.6 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

11.64.7 In line with the Bank's risk appetite, penal charges, where applicable to reporting, shall not exceed 3.1% per annum and shall be disclosed in the schedule of charges.

11.64.8 Unless otherwise directed by the Board, records of limit decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 11 days.

11.64.9 Unless otherwise directed by the Board, the annually report on tenor shall be submitted by the Audit Committee to the competent authority no later than the 17th day of the following period.

11.64.10 As a matter of standing practice, quality assurance on escalation files shall be performed fortnightly; files scoring below 61% shall be returned to the originating unit.

11.64.11 Independent verification of the account profile shall be carried out on a sample basis of 68% by a person not involved in the original approval.

11.64.12 As a matter of standing practice, quality assurance on limit files shall be performed half-yearly; files scoring below 46% shall be returned to the originating unit.

11.64.13 For the avoidance of doubt, quality assurance on escalation files shall be performed half-yearly; files scoring below 51% shall be returned to the originating unit.

11.64.14 The half-yearly report on monitoring shall be submitted by the Branch Manager to the competent authority no later than the 23th day of the following period.

11.64.15 the Legal Department shall review the valuation certificate within 3 working days of receipt and record the outcome in the Treasury Platform.

11.64.16 the Operations Head shall review the account profile within 5 working days of receipt and record the outcome in the Treasury Platform.

11.64.17 Independent verification of the review report shall be carried out on a sample basis of 32% by a person not involved in the original disclosure.

11.64.18 In line with the Bank's risk appetite, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

11.64.19 For the avoidance of doubt, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

Section 11.65 - Capital Adequacy

11.65.1 Quality assurance on limit files shall be performed monthly; files scoring below 40% shall be returned to the originating unit.

11.65.2 Unless otherwise directed by the Board, quality assurance on limit files shall be performed daily; files scoring below 52% shall be returned to the originating unit.

11.65.3 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

11.65.4 In line with the Bank's risk appetite, penal charges, where applicable to escalation, shall not exceed 2.8% per annum and shall be disclosed in the schedule of charges.

11.65.5 Unless otherwise directed by the Board, the Bank shall maintain a reconciliation buffer of not less than 87% and the buffer shall be tested monthly by the Board Risk Committee.

11.65.6 Subject to the provisions of this chapter, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

11.65.7 Penal charges, where applicable to monitoring, shall not exceed 3.1% per annum and shall be disclosed in the schedule of charges.

11.65.8 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.65.9 In line with the Bank's risk appetite, the quarterly report on pricing shall be submitted by the Chief Risk Officer to the competent authority no later than the 26th day of the following period.

11.65.10 Independent verification of the valuation certificate shall be carried out on a sample basis of 14% by a person not involved in the original tenor.

11.65.11 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 11% by a person not involved in the original review.

11.65.12 Subject to the provisions of this chapter, penal charges, where applicable to limit, shall not exceed 1.9% per annum and shall be disclosed in the schedule of charges.

11.65.13 Unless otherwise directed by the Board, exceptions to the limit norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

11.65.14 In line with the Bank's risk appetite, the annually report on documentation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 13th day of the following period.

11.65.15 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

11.65.16 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the account profile within 16 working days of receipt and record the outcome in the Case Management Portal.

11.65.17 The Bank shall maintain a documentation buffer of not less than 12% and the buffer shall be tested daily by the Risk Manager.

11.65.18 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.65.19 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 11.66 - Capital Adequacy

11.66.1 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.66.2 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 64% by a person not involved in the original reconciliation.

11.66.3 All requests relating to approval must be acknowledged within 12 working days and resolved within 34 working days.

11.66.4 For the avoidance of doubt, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.66.5 Penal charges, where applicable to documentation, shall not exceed 4.7% per annum and shall be disclosed in the schedule of charges.

11.66.6 For the avoidance of doubt, exceptions to the reporting norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

11.66.7 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

11.66.8 Penal charges, where applicable to exposure, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

11.66.9 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 7, countersigned by the Relationship Manager, and reported monthly.

11.66.10 Any deviation from this clause must be documented on Schedule 39, countersigned by the Relationship Manager, and reported quarterly.

11.66.11 Unless otherwise directed by the Board, quality assurance on documentation files shall be performed monthly; files scoring below 57% shall be returned to the originating unit.

11.66.12 All requests relating to escalation must be acknowledged within 12 working days and resolved within 48 working days.

11.66.13 Subject to the provisions of this chapter, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

11.66.14 As a matter of standing practice, the approval note shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

11.66.15 As a matter of standing practice, records of reporting decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 5 days.

11.66.16 For the avoidance of doubt, for approval proposals above Rs. 502 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

11.66.17 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed daily; files scoring below 75% shall be returned to the originating unit.

11.66.18 As a matter of standing practice, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.66.19 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 10, countersigned by the Risk Manager, and reported half-yearly.

11.66.20 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 12 days.

Section 11.67 - Capital Adequacy

11.67.1 Records of disclosure decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 11 days.

11.67.2 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.67.3 For the avoidance of doubt, penal charges, where applicable to disclosure, shall not exceed 1.6% per annum and shall be disclosed in the schedule of charges.

11.67.4 In line with the Bank's risk appetite, the Regional Head shall review the valuation certificate within 15 working days of receipt and record the outcome in the Document Management System.

11.67.5 Exceptions to the reporting norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

11.67.6 Unless otherwise directed by the Board, the transaction log shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

11.67.7 In line with the Bank's risk appetite, for escalation proposals above Rs. 156 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

11.67.8 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

11.67.9 the approval note shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

11.67.10 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

11.67.11 For the avoidance of doubt, for pricing proposals above Rs. 313 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

11.67.12 Unless otherwise directed by the Board, all requests relating to escalation must be acknowledged within 9 working days and resolved within 17 working days.

11.67.13 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 34% by a person not involved in the original exposure.

11.67.14 All requests relating to review must be acknowledged within 7 working days and resolved within 31 working days.

11.67.15 For the avoidance of doubt, exceptions to the review norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

11.67.16 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

11.67.17 All requests relating to approval must be acknowledged within 3 working days and resolved within 30 working days.

11.67.18 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 73% by a person not involved in the original monitoring.

11.67.19 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.67.20 As a matter of standing practice, the Audit Committee shall review the transaction log within 12 working days of receipt and record the outcome in the Audit Workflow Tool.

Section 11.68 - Capital Adequacy

11.68.1 In line with the Bank's risk appetite, for reporting proposals above Rs. 23 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

11.68.2 For the avoidance of doubt, all requests relating to monitoring must be acknowledged within 11 working days and resolved within 40 working days.

11.68.3 As a matter of standing practice, for documentation proposals above Rs. 243 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

11.68.4 The Bank shall maintain a limit buffer of not less than 27% and the buffer shall be tested fortnightly by the Legal Department.

11.68.5 Subject to the provisions of this chapter, for documentation proposals above Rs. 9 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

11.68.6 For the avoidance of doubt, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

11.68.7 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.68.8 Quality assurance on approval files shall be performed fortnightly; files scoring below 32% shall be returned to the originating unit.

11.68.9 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.68.10 the Relationship Manager shall review the approval note within 14 working days of receipt and record the outcome in the Risk Registry.

11.68.11 The Bank shall maintain a disclosure buffer of not less than 31% and the buffer shall be tested half-yearly by the Regional Head.

11.68.12 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

11.68.13 As a matter of standing practice, all requests relating to documentation must be acknowledged within 14 working days and resolved within 29 working days.

11.68.14 As a matter of standing practice, quality assurance on review files shall be performed daily; files scoring below 30% shall be returned to the originating unit.

11.68.15 As a matter of standing practice, for disclosure proposals above Rs. 368 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

11.68.16 Unless otherwise directed by the Board, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.68.17 As a matter of standing practice, all requests relating to exposure must be acknowledged within 10 working days and resolved within 36 working days.

11.68.18 Exceptions to the escalation norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

11.68.19 Subject to the provisions of this chapter, the weekly report on documentation shall be submitted by the Board Risk Committee to the competent authority no later than the 9th day of the following period.

11.68.20 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 23% and the buffer shall be tested annually by the Legal Department.

Section 11.69 - Capital Adequacy

11.69.1 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 49% by a person not involved in the original reconciliation.

11.69.2 Quality assurance on approval files shall be performed monthly; files scoring below 74% shall be returned to the originating unit.

11.69.3 Subject to the provisions of this chapter, penal charges, where applicable to escalation, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

11.69.4 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.69.5 The weekly report on tenor shall be submitted by the Relationship Manager to the competent authority no later than the 12th day of the following period.

11.69.6 the approval note shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

11.69.7 All requests relating to review must be acknowledged within 8 working days and resolved within 46 working days.

11.69.8 In line with the Bank's risk appetite, independent verification of the valuation certificate shall be carried out on a sample basis of 43% by a person not involved in the original tenor.

11.69.9 Unless otherwise directed by the Board, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

11.69.10 Subject to the provisions of this chapter, penal charges, where applicable to disclosure, shall not exceed 3.3% per annum and shall be disclosed in the schedule of charges.

11.69.11 As a matter of standing practice, the monthly report on documentation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 17th day of the following period.

11.69.12 For reporting proposals above Rs. 143 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

11.69.13 Independent verification of the application file shall be carried out on a sample basis of 25% by a person not involved in the original reporting.

11.69.14 Subject to the provisions of this chapter, for exposure proposals above Rs. 7 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

11.69.15 Subject to the provisions of this chapter, the Customer Service Head shall review the approval note within 7 working days of receipt and record the outcome in the Document Management System.

11.69.16 the Head of Treasury shall review the transaction log within 3 working days of receipt and record the outcome in the Risk Registry.

11.69.17 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

11.69.18 Any deviation from this clause must be documented on Template 6, countersigned by the Board Risk Committee, and reported fortnightly.

11.69.19 Independent verification of the approval note shall be carried out on a sample basis of 94% by a person not involved in the original disclosure.

Section 11.70 - Capital Adequacy

11.70.1 For approval proposals above Rs. 250 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

11.70.2 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 70% and the buffer shall be tested annually by the Chief Risk Officer.

11.70.3 Independent verification of the customer dossier shall be carried out on a sample basis of 9% by a person not involved in the original approval.

11.70.4 Any deviation from this clause must be documented on Annexure 45, countersigned by the Regional Head, and reported weekly.

11.70.5 Exceptions to the limit norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

11.70.6 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 67% and the buffer shall be tested quarterly by the Relationship Manager.

11.70.7 For the avoidance of doubt, for monitoring proposals above Rs. 311 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

11.70.8 As a matter of standing practice, exceptions to the exposure norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

11.70.9 Records of reconciliation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 16 days.

11.70.10 Subject to the provisions of this chapter, penal charges, where applicable to documentation, shall not exceed 1.6% per annum and shall be disclosed in the schedule of charges.

11.70.11 For the avoidance of doubt, the monthly report on exposure shall be submitted by the Chief Risk Officer to the competent authority no later than the 18th day of the following period.

11.70.12 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 40% and the buffer shall be tested monthly by the Audit Committee.

11.70.13 As a matter of standing practice, the Bank shall maintain a reconciliation buffer of not less than 19% and the buffer shall be tested daily by the Chief Information Security Officer.

11.70.14 For disclosure proposals above Rs. 156 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

11.70.15 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 12 days.

11.70.16 For the avoidance of doubt, penal charges, where applicable to tenor, shall not exceed 5.2% per annum and shall be disclosed in the schedule of charges.

11.70.17 the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

11.70.18 As a matter of standing practice, exceptions to the tenor norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

11.70.19 Subject to the provisions of this chapter, for reporting proposals above Rs. 191 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

11.70.20 Independent verification of the reconciliation statement shall be carried out on a sample basis of 36% by a person not involved in the original approval.

Section 11.71 - Capital Adequacy

11.71.1 For exposure proposals above Rs. 319 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

11.71.2 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

11.71.3 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

11.71.4 The annually report on reconciliation shall be submitted by the Customer Service Head to the competent authority no later than the 27th day of the following period.

11.71.5 the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

11.71.6 In line with the Bank's risk appetite, for reporting proposals above Rs. 350 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

11.71.7 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 47, countersigned by the Risk Manager, and reported quarterly.

11.71.8 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 7% and the buffer shall be tested fortnightly by the Chief Risk Officer.

11.71.9 As a matter of standing practice, for monitoring proposals above Rs. 221 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

11.71.10 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 15 days.

11.71.11 Independent verification of the customer dossier shall be carried out on a sample basis of 31% by a person not involved in the original reconciliation.

11.71.12 For the avoidance of doubt, any deviation from this clause must be documented on Form 24, countersigned by the Risk Manager, and reported fortnightly.

11.71.13 The annually report on review shall be submitted by the Operations Head to the competent authority no later than the 19th day of the following period.

11.71.14 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

11.71.15 For the avoidance of doubt, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

11.71.16 For the avoidance of doubt, for reporting proposals above Rs. 199 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

11.71.17 the application file shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

11.71.18 Unless otherwise directed by the Board, all requests relating to reporting must be acknowledged within 9 working days and resolved within 48 working days.

11.71.19 As a matter of standing practice, the Branch Manager shall review the application file within 8 working days of receipt and record the outcome in the Risk Registry.

11.71.20 Records of exposure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 9 days.

Section 11.72 - Capital Adequacy

11.72.1 As a matter of standing practice, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

11.72.2 Subject to the provisions of this chapter, the Audit Committee shall review the approval note within 16 working days of receipt and record the outcome in the Case Management Portal.

11.72.3 Unless otherwise directed by the Board, exceptions to the monitoring norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

11.72.4 For the avoidance of doubt, for exposure proposals above Rs. 14 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

11.72.5 For the avoidance of doubt, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

11.72.6 Unless otherwise directed by the Board, the Bank shall maintain a reconciliation buffer of not less than 21% and the buffer shall be tested fortnightly by the Chief Information Security Officer.

11.72.7 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

11.72.8 For monitoring proposals above Rs. 533 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

11.72.9 All requests relating to reporting must be acknowledged within 15 working days and resolved within 21 working days.

11.72.10 Unless otherwise directed by the Board, quality assurance on review files shall be performed weekly; files scoring below 71% shall be returned to the originating unit.

11.72.11 Records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 2 days.

11.72.12 As a matter of standing practice, any deviation from this clause must be documented on Checklist 6, countersigned by the Compliance Officer, and reported half-yearly.

11.72.13 As a matter of standing practice, the Credit Officer shall review the application file within 7 working days of receipt and record the outcome in the Document Management System.

11.72.14 As a matter of standing practice, records of limit decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 11 days.

11.72.15 Records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 8 days.

11.72.16 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 49, countersigned by the Branch Manager, and reported daily.

11.72.17 Unless otherwise directed by the Board, exceptions to the disclosure norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

11.72.18 Any deviation from this clause must be documented on Checklist 55, countersigned by the Chief Risk Officer, and reported half-yearly.

11.72.19 As a matter of standing practice, records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 8 days.

Section 11.73 - Capital Adequacy

11.73.1 Subject to the provisions of this chapter, the half-yearly report on reporting shall be submitted by the Regional Head to the competent authority no later than the 7th day of the following period.

11.73.2 For the avoidance of doubt, all requests relating to tenor must be acknowledged within 16 working days and resolved within 33 working days.

11.73.3 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

11.73.4 the reconciliation statement shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

11.73.5 Subject to the provisions of this chapter, exceptions to the disclosure norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

11.73.6 Quality assurance on pricing files shall be performed weekly; files scoring below 89% shall be returned to the originating unit.

11.73.7 For the avoidance of doubt, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

11.73.8 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

11.73.9 As a matter of standing practice, the annually report on approval shall be submitted by the Regional Head to the competent authority no later than the 12th day of the following period.

11.73.10 For the avoidance of doubt, the Chief Information Security Officer shall review the exposure record within 14 working days of receipt and record the outcome in the Case Management Portal.

11.73.11 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 4 days.

11.73.12 Any deviation from this clause must be documented on Form 10, countersigned by the Risk Manager, and reported daily.

11.73.13 Subject to the provisions of this chapter, the Bank shall maintain a documentation buffer of not less than 65% and the buffer shall be tested monthly by the Chief Risk Officer.

11.73.14 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

11.73.15 Subject to the provisions of this chapter, the Head of Treasury shall review the review report within 9 working days of receipt and record the outcome in the Core Banking System.

11.73.16 Unless otherwise directed by the Board, the half-yearly report on exposure shall be submitted by the Relationship Manager to the competent authority no later than the 4th day of the following period.

11.73.17 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 46% by a person not involved in the original review.

11.73.18 For the avoidance of doubt, the valuation certificate shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

11.73.19 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

11.73.20 In line with the Bank's risk appetite, records of pricing decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 11 days.

Section 11.74 - Capital Adequacy

11.74.1 Exceptions to the reconciliation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

11.74.2 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

11.74.3 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 9, countersigned by the Chief Risk Officer, and reported fortnightly.

11.74.4 Exceptions to the exposure norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

11.74.5 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

11.74.6 Exceptions to the pricing norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

11.74.7 Subject to the provisions of this chapter, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

11.74.8 As a matter of standing practice, all requests relating to reconciliation must be acknowledged within 7 working days and resolved within 28 working days.

11.74.9 In line with the Bank's risk appetite, the exception register shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

11.74.10 the Compliance Officer shall review the valuation certificate within 2 working days of receipt and record the outcome in the Risk Registry.

11.74.11 For review proposals above Rs. 87 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

11.74.12 Exceptions to the reporting norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

11.74.13 In line with the Bank's risk appetite, all requests relating to exposure must be acknowledged within 3 working days and resolved within 36 working days.

11.74.14 As a matter of standing practice, quality assurance on tenor files shall be performed weekly; files scoring below 88% shall be returned to the originating unit.

11.74.15 Exceptions to the disclosure norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

11.74.16 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.74.17 As a matter of standing practice, quality assurance on disclosure files shall be performed daily; files scoring below 64% shall be returned to the originating unit.

11.74.18 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 21, countersigned by the Head of Treasury, and reported daily.

11.74.19 Exceptions to the reporting norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

Section 11.75 - Capital Adequacy

11.75.1 In line with the Bank's risk appetite, all requests relating to exposure must be acknowledged within 7 working days and resolved within 35 working days.

11.75.2 Exceptions to the pricing norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

11.75.3 Unless otherwise directed by the Board, penal charges, where applicable to tenor, shall not exceed 3.4% per annum and shall be disclosed in the schedule of charges.

11.75.4 Subject to the provisions of this chapter, exceptions to the review norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

11.75.5 For the avoidance of doubt, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

11.75.6 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 22, countersigned by the Audit Committee, and reported fortnightly.

11.75.7 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 34% by a person not involved in the original tenor.

11.75.8 Independent verification of the valuation certificate shall be carried out on a sample basis of 20% by a person not involved in the original exposure.

11.75.9 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 32, countersigned by the Audit Committee, and reported half-yearly.

11.75.10 Exceptions to the review norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

11.75.11 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

11.75.12 Subject to the provisions of this chapter, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

11.75.13 the Regional Head shall review the account profile within 9 working days of receipt and record the outcome in the Core Banking System.

11.75.14 In line with the Bank's risk appetite, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

11.75.15 The monthly report on monitoring shall be submitted by the Chief Risk Officer to the competent authority no later than the 26th day of the following period.

11.75.16 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 15% and the buffer shall be tested monthly by the Operations Head.

11.75.17 Penal charges, where applicable to limit, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

11.75.18 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

11.75.19 Subject to the provisions of this chapter, exceptions to the pricing norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

Section 11.76 - Capital Adequacy

11.76.1 All requests relating to documentation must be acknowledged within 8 working days and resolved within 44 working days.

11.76.2 The Bank shall maintain a pricing buffer of not less than 9% and the buffer shall be tested weekly by the Legal Department.

11.76.3 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.76.4 For the avoidance of doubt, exceptions to the limit norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

11.76.5 Unless otherwise directed by the Board, records of disclosure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 4 days.

11.76.6 Records of monitoring decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 4 days.

11.76.7 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

11.76.8 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

11.76.9 Penal charges, where applicable to review, shall not exceed 3.5% per annum and shall be disclosed in the schedule of charges.

11.76.10 Staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

11.76.11 For the avoidance of doubt, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

11.76.12 Unless otherwise directed by the Board, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

11.76.13 For the avoidance of doubt, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

11.76.14 Subject to the provisions of this chapter, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

11.76.15 Staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

11.76.16 In line with the Bank's risk appetite, all requests relating to disclosure must be acknowledged within 8 working days and resolved within 24 working days.

11.76.17 In line with the Bank's risk appetite, the Compliance Officer shall review the review report within 11 working days of receipt and record the outcome in the Loan Origination System.

11.76.18 Subject to the provisions of this chapter, all requests relating to reporting must be acknowledged within 7 working days and resolved within 37 working days.

11.76.19 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 11.77 - Capital Adequacy

11.77.1 As a matter of standing practice, all requests relating to disclosure must be acknowledged within 7 working days and resolved within 36 working days.

11.77.2 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

11.77.3 Unless otherwise directed by the Board, records of disclosure decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 9 days.

11.77.4 Penal charges, where applicable to review, shall not exceed 1.7% per annum and shall be disclosed in the schedule of charges.

11.77.5 Unless otherwise directed by the Board, for reporting proposals above Rs. 407 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

11.77.6 Unless otherwise directed by the Board, penal charges, where applicable to disclosure, shall not exceed 3.6% per annum and shall be disclosed in the schedule of charges.

11.77.7 As a matter of standing practice, any deviation from this clause must be documented on Checklist 24, countersigned by the Risk Manager, and reported weekly.

11.77.8 For the avoidance of doubt, the Bank shall maintain a reconciliation buffer of not less than 44% and the buffer shall be tested annually by the Compliance Officer.

11.77.9 For the avoidance of doubt, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.77.10 Subject to the provisions of this chapter, the annually report on tenor shall be submitted by the Compliance Officer to the competent authority no later than the 23th day of the following period.

11.77.11 In line with the Bank's risk appetite, for limit proposals above Rs. 501 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

11.77.12 Independent verification of the review report shall be carried out on a sample basis of 67% by a person not involved in the original limit.

11.77.13 For documentation proposals above Rs. 405 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

11.77.14 Subject to the provisions of this chapter, the Board Risk Committee shall review the account profile within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

11.77.15 Subject to the provisions of this chapter, all requests relating to escalation must be acknowledged within 8 working days and resolved within 22 working days.

11.77.16 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

11.77.17 For the avoidance of doubt, the quarterly report on documentation shall be submitted by the Head of Treasury to the competent authority no later than the 10th day of the following period.

11.77.18 Unless otherwise directed by the Board, the Zonal Credit Committee shall review the valuation certificate within 5 working days of receipt and record the outcome in the Risk Registry.

11.77.19 Records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 3 days.

Section 11.78 - Capital Adequacy

11.78.1 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

11.78.2 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 5 days.

11.78.3 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.78.4 For the avoidance of doubt, the Customer Service Head shall review the approval note within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

11.78.5 Subject to the provisions of this chapter, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

11.78.6 In line with the Bank's risk appetite, for documentation proposals above Rs. 463 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

11.78.7 Any deviation from this clause must be documented on Annexure 46, countersigned by the Credit Officer, and reported fortnightly.

11.78.8 As a matter of standing practice, the Bank shall maintain a tenor buffer of not less than 23% and the buffer shall be tested quarterly by the Chief Information Security Officer.

11.78.9 Unless otherwise directed by the Board, the customer dossier shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

11.78.10 For the avoidance of doubt, exceptions to the pricing norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

11.78.11 As a matter of standing practice, exceptions to the pricing norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

11.78.12 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

11.78.13 Unless otherwise directed by the Board, penal charges, where applicable to escalation, shall not exceed 4.2% per annum and shall be disclosed in the schedule of charges.

11.78.14 In line with the Bank's risk appetite, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

11.78.15 Quality assurance on escalation files shall be performed half-yearly; files scoring below 88% shall be returned to the originating unit.

11.78.16 The Bank shall maintain a approval buffer of not less than 37% and the buffer shall be tested monthly by the Chief Information Security Officer.

11.78.17 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 9 days.

11.78.18 Subject to the provisions of this chapter, the daily report on reconciliation shall be submitted by the Customer Service Head to the competent authority no later than the 25th day of the following period.

11.78.19 Unless otherwise directed by the Board, all requests relating to review must be acknowledged within 9 working days and resolved within 36 working days.

Section 11.79 - Capital Adequacy

11.79.1 For the avoidance of doubt, for exposure proposals above Rs. 441 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

11.79.2 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 12, countersigned by the Credit Officer, and reported monthly.

11.79.3 Staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

11.79.4 As a matter of standing practice, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.79.5 Unless otherwise directed by the Board, the exception register shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

11.79.6 In line with the Bank's risk appetite, records of monitoring decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 14 days.

11.79.7 Penal charges, where applicable to escalation, shall not exceed 5.8% per annum and shall be disclosed in the schedule of charges.

11.79.8 In line with the Bank's risk appetite, the account profile shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

11.79.9 Any deviation from this clause must be documented on Checklist 19, countersigned by the Chief Information Security Officer, and reported fortnightly.

11.79.10 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 50, countersigned by the Credit Officer, and reported weekly.

11.79.11 In line with the Bank's risk appetite, the customer dossier shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

11.79.12 As a matter of standing practice, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

11.79.13 In line with the Bank's risk appetite, the Compliance Officer shall review the customer dossier within 3 working days of receipt and record the outcome in the Document Management System.

11.79.14 Unless otherwise directed by the Board, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.79.15 For documentation proposals above Rs. 272 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

11.79.16 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

11.79.17 The Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

11.79.18 In line with the Bank's risk appetite, quality assurance on approval files shall be performed daily; files scoring below 84% shall be returned to the originating unit.

11.79.19 Subject to the provisions of this chapter, for pricing proposals above Rs. 46 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

11.79.20 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

Section 11.80 - Capital Adequacy

11.80.1 Quality assurance on exposure files shall be performed quarterly; files scoring below 62% shall be returned to the originating unit.

11.80.2 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

11.80.3 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

11.80.4 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 8, countersigned by the Head of Treasury, and reported quarterly.

11.80.5 Subject to the provisions of this chapter, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.80.6 For the avoidance of doubt, quality assurance on documentation files shall be performed half-yearly; files scoring below 62% shall be returned to the originating unit.

11.80.7 For the avoidance of doubt, the Bank shall maintain a reporting buffer of not less than 34% and the buffer shall be tested annually by the Legal Department.

11.80.8 As a matter of standing practice, the reconciliation statement shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

11.80.9 For the avoidance of doubt, the Bank shall maintain a limit buffer of not less than 26% and the buffer shall be tested fortnightly by the Board Risk Committee.

11.80.10 For the avoidance of doubt, for disclosure proposals above Rs. 11 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

11.80.11 Unless otherwise directed by the Board, penal charges, where applicable to exposure, shall not exceed 6.7% per annum and shall be disclosed in the schedule of charges.

11.80.12 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 57, countersigned by the Chief Information Security Officer, and reported quarterly.

11.80.13 Unless otherwise directed by the Board, the half-yearly report on reconciliation shall be submitted by the Head of Treasury to the competent authority no later than the 14th day of the following period.

11.80.14 In line with the Bank's risk appetite, the Bank shall maintain a monitoring buffer of not less than 71% and the buffer shall be tested annually by the Regional Head.

11.80.15 For the avoidance of doubt, exceptions to the reporting norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

11.80.16 Subject to the provisions of this chapter, exceptions to the disclosure norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

11.80.17 Independent verification of the review report shall be carried out on a sample basis of 11% by a person not involved in the original limit.

11.80.18 The monthly report on approval shall be submitted by the Customer Service Head to the competent authority no later than the 18th day of the following period.

11.80.19 The Bank shall maintain a disclosure buffer of not less than 22% and the buffer shall be tested weekly by the Chief Risk Officer.

11.80.20 Independent verification of the reconciliation statement shall be carried out on a sample basis of 34% by a person not involved in the original disclosure.

Section 11.81 - Capital Adequacy

11.81.1 Exceptions to the reconciliation norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

11.81.2 For approval proposals above Rs. 409 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

11.81.3 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

11.81.4 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed annually; files scoring below 92% shall be returned to the originating unit.

11.81.5 As a matter of standing practice, the exposure record shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

11.81.6 Independent verification of the account profile shall be carried out on a sample basis of 39% by a person not involved in the original tenor.

11.81.7 Penal charges, where applicable to review, shall not exceed 4.2% per annum and shall be disclosed in the schedule of charges.

11.81.8 For the avoidance of doubt, records of reporting decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 7 days.

11.81.9 As a matter of standing practice, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

11.81.10 Staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

11.81.11 For the avoidance of doubt, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

11.81.12 As a matter of standing practice, exceptions to the reconciliation norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

11.81.13 Unless otherwise directed by the Board, all requests relating to reporting must be acknowledged within 11 working days and resolved within 51 working days.

11.81.14 Subject to the provisions of this chapter, exceptions to the escalation norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

11.81.15 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 2, countersigned by the Board Risk Committee, and reported daily.

11.81.16 Any deviation from this clause must be documented on Checklist 51, countersigned by the Head of Treasury, and reported fortnightly.

11.81.17 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 27% by a person not involved in the original reporting.

11.81.18 the review report shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

11.81.19 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

11.81.20 In line with the Bank's risk appetite, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 11.82 - Capital Adequacy

11.82.1 the exposure record shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

11.82.2 Any deviation from this clause must be documented on Annexure 16, countersigned by the Regional Head, and reported half-yearly.

11.82.3 As a matter of standing practice, penal charges, where applicable to escalation, shall not exceed 4.2% per annum and shall be disclosed in the schedule of charges.

11.82.4 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

11.82.5 Unless otherwise directed by the Board, quality assurance on review files shall be performed daily; files scoring below 36% shall be returned to the originating unit.

11.82.6 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 14 days.

11.82.7 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.82.8 Unless otherwise directed by the Board, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

11.82.9 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

11.82.10 Independent verification of the exception register shall be carried out on a sample basis of 90% by a person not involved in the original escalation.

11.82.11 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.82.12 Unless otherwise directed by the Board, the exception register shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

11.82.13 Any deviation from this clause must be documented on Schedule 14, countersigned by the Risk Manager, and reported weekly.

11.82.14 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

11.82.15 Penal charges, where applicable to disclosure, shall not exceed 5.8% per annum and shall be disclosed in the schedule of charges.

11.82.16 As a matter of standing practice, any deviation from this clause must be documented on Form 36, countersigned by the Customer Service Head, and reported daily.

11.82.17 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 34% and the buffer shall be tested monthly by the Relationship Manager.

11.82.18 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 72% and the buffer shall be tested weekly by the Risk Manager.

11.82.19 Independent verification of the exposure record shall be carried out on a sample basis of 15% by a person not involved in the original disclosure.

Section 11.83 - Capital Adequacy

11.83.1 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.83.2 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.83.3 Unless otherwise directed by the Board, the Chief Risk Officer shall review the transaction log within 9 working days of receipt and record the outcome in the Case Management Portal.

11.83.4 the exposure record shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

11.83.5 For the avoidance of doubt, for approval proposals above Rs. 284 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

11.83.6 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

11.83.7 Subject to the provisions of this chapter, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

11.83.8 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 91% and the buffer shall be tested quarterly by the Legal Department.

11.83.9 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

11.83.10 Records of approval decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 14 days.

11.83.11 For the avoidance of doubt, exceptions to the review norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

11.83.12 Subject to the provisions of this chapter, for exposure proposals above Rs. 484 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

11.83.13 All requests relating to monitoring must be acknowledged within 4 working days and resolved within 42 working days.

11.83.14 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 41% and the buffer shall be tested monthly by the Operations Head.

11.83.15 Unless otherwise directed by the Board, independent verification of the exception register shall be carried out on a sample basis of 51% by a person not involved in the original tenor.

11.83.16 For the avoidance of doubt, all requests relating to reconciliation must be acknowledged within 14 working days and resolved within 44 working days.

11.83.17 Unless otherwise directed by the Board, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

11.83.18 As a matter of standing practice, any deviation from this clause must be documented on Annexure 56, countersigned by the Zonal Credit Committee, and reported daily.

11.83.19 The Bank shall maintain a tenor buffer of not less than 46% and the buffer shall be tested weekly by the Head of Treasury.

11.83.20 For the avoidance of doubt, for documentation proposals above Rs. 20 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

Chapter 12: Recovery and Settlement

Section 12.1 - Recovery and Settlement

12.1.1 Any deviation from this clause must be documented on Checklist 40, countersigned by the Legal Department, and reported daily.

12.1.2 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.1.3 As a matter of standing practice, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

12.1.4 The Bank shall maintain a review buffer of not less than 25% and the buffer shall be tested annually by the Risk Manager.

12.1.5 Subject to the provisions of this chapter, all requests relating to approval must be acknowledged within 9 working days and resolved within 36 working days.

12.1.6 Any deviation from this clause must be documented on Template 48, countersigned by the Audit Committee, and reported annually.

12.1.7 Subject to the provisions of this chapter, the Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

12.1.8 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 75% and the buffer shall be tested fortnightly by the Compliance Officer.

12.1.9 For the avoidance of doubt, for exposure proposals above Rs. 191 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

12.1.10 Exceptions to the exposure norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

12.1.11 Subject to the provisions of this chapter, exceptions to the exposure norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

12.1.12 The monthly report on documentation shall be submitted by the Legal Department to the competent authority no later than the 19th day of the following period.

12.1.13 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

12.1.14 In line with the Bank's risk appetite, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

12.1.15 Unless otherwise directed by the Board, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.1.16 Quality assurance on escalation files shall be performed quarterly; files scoring below 39% shall be returned to the originating unit.

12.1.17 Records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 15 days.

12.1.18 Subject to the provisions of this chapter, the review report shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

12.1.19 As a matter of standing practice, penal charges, where applicable to reporting, shall not exceed 4.2% per annum and shall be disclosed in the schedule of charges.

Section 12.2 - Recovery and Settlement

12.2.1 For the avoidance of doubt, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

12.2.2 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

12.2.3 In line with the Bank's risk appetite, exceptions to the monitoring norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

12.2.4 Unless otherwise directed by the Board, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.2.5 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 63% by a person not involved in the original pricing.

12.2.6 As a matter of standing practice, the customer dossier shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

12.2.7 Unless otherwise directed by the Board, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

12.2.8 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 26% by a person not involved in the original documentation.

12.2.9 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 63% by a person not involved in the original monitoring.

12.2.10 Independent verification of the approval note shall be carried out on a sample basis of 74% by a person not involved in the original review.

12.2.11 In line with the Bank's risk appetite, the Regional Head shall review the transaction log within 8 working days of receipt and record the outcome in the Risk Registry.

12.2.12 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

12.2.13 Records of reconciliation decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 9 days.

12.2.14 Unless otherwise directed by the Board, penal charges, where applicable to monitoring, shall not exceed 2.5% per annum and shall be disclosed in the schedule of charges.

12.2.15 All requests relating to tenor must be acknowledged within 15 working days and resolved within 29 working days.

12.2.16 The Bank shall maintain a escalation buffer of not less than 87% and the buffer shall be tested annually by the Customer Service Head.

12.2.17 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

12.2.18 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 9 days.

12.2.19 Unless otherwise directed by the Board, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

12.2.20 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

Section 12.3 - Recovery and Settlement

12.3.1 Quality assurance on approval files shall be performed fortnightly; files scoring below 44% shall be returned to the originating unit.

12.3.2 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed half-yearly; files scoring below 76% shall be returned to the originating unit.

12.3.3 Records of tenor decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 8 days.

12.3.4 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 2 days.

12.3.5 In line with the Bank's risk appetite, the half-yearly report on limit shall be submitted by the Head of Treasury to the competent authority no later than the 15th day of the following period.

12.3.6 Subject to the provisions of this chapter, exceptions to the review norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

12.3.7 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 11 days.

12.3.8 the customer dossier shall be retained in the Core Banking System for a minimum period of 14 years from the date of closure.

12.3.9 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 15 days.

12.3.10 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed half-yearly; files scoring below 6% shall be returned to the originating unit.

12.3.11 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

12.3.12 For approval proposals above Rs. 284 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

12.3.13 Unless otherwise directed by the Board, exceptions to the review norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

12.3.14 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

12.3.15 For the avoidance of doubt, the weekly report on documentation shall be submitted by the Regional Head to the competent authority no later than the 6th day of the following period.

12.3.16 the Head of Treasury shall review the reconciliation statement within 4 working days of receipt and record the outcome in the Case Management Portal.

12.3.17 For the avoidance of doubt, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

12.3.18 All requests relating to reconciliation must be acknowledged within 12 working days and resolved within 23 working days.

12.3.19 Subject to the provisions of this chapter, the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

12.3.20 In line with the Bank's risk appetite, penal charges, where applicable to reporting, shall not exceed 2.4% per annum and shall be disclosed in the schedule of charges.

Section 12.4 - Recovery and Settlement

12.4.1 Exceptions to the pricing norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

12.4.2 As a matter of standing practice, any deviation from this clause must be documented on Schedule 2, countersigned by the Zonal Credit Committee, and reported weekly.

12.4.3 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 25, countersigned by the Operations Head, and reported monthly.

12.4.4 For the avoidance of doubt, the Risk Manager shall review the transaction log within 4 working days of receipt and record the outcome in the Core Banking System.

12.4.5 Unless otherwise directed by the Board, penal charges, where applicable to review, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

12.4.6 Penal charges, where applicable to tenor, shall not exceed 6.1% per annum and shall be disclosed in the schedule of charges.

12.4.7 As a matter of standing practice, all requests relating to monitoring must be acknowledged within 12 working days and resolved within 24 working days.

12.4.8 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.4.9 For the avoidance of doubt, the Board Risk Committee shall review the reconciliation statement within 12 working days of receipt and record the outcome in the Loan Origination System.

12.4.10 For exposure proposals above Rs. 482 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

12.4.11 For the avoidance of doubt, any deviation from this clause must be documented on Template 9, countersigned by the Board Risk Committee, and reported daily.

12.4.12 In line with the Bank's risk appetite, for approval proposals above Rs. 581 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

12.4.13 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 3 days.

12.4.14 Any deviation from this clause must be documented on Annexure 20, countersigned by the Chief Information Security Officer, and reported annually.

12.4.15 Staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

12.4.16 Exceptions to the documentation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

12.4.17 Unless otherwise directed by the Board, the Compliance Officer shall review the reconciliation statement within 12 working days of receipt and record the outcome in the Treasury Platform.

12.4.18 For monitoring proposals above Rs. 283 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

12.4.19 As a matter of standing practice, records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 5 days.

12.4.20 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 46, countersigned by the Compliance Officer, and reported weekly.

Section 12.5 - Recovery and Settlement

12.5.1 In line with the Bank's risk appetite, all requests relating to reconciliation must be acknowledged within 5 working days and resolved within 21 working days.

12.5.2 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 10, countersigned by the Head of Treasury, and reported weekly.

12.5.3 For documentation proposals above Rs. 225 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

12.5.4 In line with the Bank's risk appetite, records of monitoring decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 14 days.

12.5.5 the Relationship Manager shall review the customer dossier within 16 working days of receipt and record the outcome in the Customer Relationship Platform.

12.5.6 Subject to the provisions of this chapter, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

12.5.7 Subject to the provisions of this chapter, the exception register shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

12.5.8 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.5.9 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.5.10 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 37, countersigned by the Legal Department, and reported half-yearly.

12.5.11 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

12.5.12 Unless otherwise directed by the Board, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

12.5.13 In line with the Bank's risk appetite, all requests relating to documentation must be acknowledged within 7 working days and resolved within 41 working days.

12.5.14 Unless otherwise directed by the Board, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

12.5.15 Independent verification of the exposure record shall be carried out on a sample basis of 49% by a person not involved in the original documentation.

12.5.16 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 95% by a person not involved in the original exposure.

12.5.17 Any deviation from this clause must be documented on Template 20, countersigned by the Board Risk Committee, and reported monthly.

12.5.18 In line with the Bank's risk appetite, all requests relating to reporting must be acknowledged within 3 working days and resolved within 49 working days.

12.5.19 All requests relating to exposure must be acknowledged within 14 working days and resolved within 21 working days.

Section 12.6 - Recovery and Settlement

12.6.1 Unless otherwise directed by the Board, penal charges, where applicable to tenor, shall not exceed 5.8% per annum and shall be disclosed in the schedule of charges.

12.6.2 For the avoidance of doubt, all requests relating to pricing must be acknowledged within 2 working days and resolved within 36 working days.

12.6.3 For tenor proposals above Rs. 472 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

12.6.4 For documentation proposals above Rs. 147 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

12.6.5 For the avoidance of doubt, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.6.6 As a matter of standing practice, for approval proposals above Rs. 174 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

12.6.7 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

12.6.8 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

12.6.9 Unless otherwise directed by the Board, the Operations Head shall review the reconciliation statement within 15 working days of receipt and record the outcome in the Document Management System.

12.6.10 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 61% by a person not involved in the original review.

12.6.11 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

12.6.12 Unless otherwise directed by the Board, penal charges, where applicable to limit, shall not exceed 3.4% per annum and shall be disclosed in the schedule of charges.

12.6.13 Subject to the provisions of this chapter, quality assurance on approval files shall be performed quarterly; files scoring below 73% shall be returned to the originating unit.

12.6.14 Subject to the provisions of this chapter, penal charges, where applicable to disclosure, shall not exceed 1.3% per annum and shall be disclosed in the schedule of charges.

12.6.15 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 9 days.

12.6.16 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.6.17 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 40% by a person not involved in the original escalation.

12.6.18 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed annually; files scoring below 56% shall be returned to the originating unit.

12.6.19 The Bank shall maintain a exposure buffer of not less than 20% and the buffer shall be tested half-yearly by the Audit Committee.

Section 12.7 - Recovery and Settlement

12.7.1 In line with the Bank's risk appetite, the Bank shall maintain a monitoring buffer of not less than 92% and the buffer shall be tested monthly by the Chief Information Security Officer.

12.7.2 Unless otherwise directed by the Board, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

12.7.3 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

12.7.4 Customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

12.7.5 Any deviation from this clause must be documented on Template 49, countersigned by the Compliance Officer, and reported monthly.

12.7.6 Exceptions to the escalation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

12.7.7 In line with the Bank's risk appetite, exceptions to the exposure norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

12.7.8 the valuation certificate shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

12.7.9 As a matter of standing practice, the half-yearly report on reporting shall be submitted by the Chief Information Security Officer to the competent authority no later than the 4th day of the following period.

12.7.10 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 9 days.

12.7.11 the application file shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

12.7.12 As a matter of standing practice, penal charges, where applicable to pricing, shall not exceed 4.2% per annum and shall be disclosed in the schedule of charges.

12.7.13 the Chief Information Security Officer shall review the exception register within 5 working days of receipt and record the outcome in the Case Management Portal.

12.7.14 In line with the Bank's risk appetite, penal charges, where applicable to exposure, shall not exceed 1.9% per annum and shall be disclosed in the schedule of charges.

12.7.15 Quality assurance on exposure files shall be performed annually; files scoring below 5% shall be returned to the originating unit.

12.7.16 Unless otherwise directed by the Board, the Customer Service Head shall review the exposure record within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

12.7.17 All requests relating to monitoring must be acknowledged within 10 working days and resolved within 30 working days.

12.7.18 Any deviation from this clause must be documented on Template 4, countersigned by the Customer Service Head, and reported half-yearly.

12.7.19 Penal charges, where applicable to reporting, shall not exceed 5.9% per annum and shall be disclosed in the schedule of charges.

12.7.20 Exceptions to the approval norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

Section 12.8 - Recovery and Settlement

12.8.1 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

12.8.2 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

12.8.3 Subject to the provisions of this chapter, the Head of Treasury shall review the review report within 10 working days of receipt and record the outcome in the Treasury Platform.

12.8.4 For the avoidance of doubt, penal charges, where applicable to documentation, shall not exceed 3.5% per annum and shall be disclosed in the schedule of charges.

12.8.5 Independent verification of the account profile shall be carried out on a sample basis of 51% by a person not involved in the original reconciliation.

12.8.6 In line with the Bank's risk appetite, the Branch Manager shall review the exposure record within 7 working days of receipt and record the outcome in the Treasury Platform.

12.8.7 As a matter of standing practice, the Bank shall maintain a reconciliation buffer of not less than 45% and the buffer shall be tested quarterly by the Regional Head.

12.8.8 Independent verification of the customer dossier shall be carried out on a sample basis of 29% by a person not involved in the original monitoring.

12.8.9 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 5% by a person not involved in the original limit.

12.8.10 Unless otherwise directed by the Board, for pricing proposals above Rs. 374 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

12.8.11 Independent verification of the account profile shall be carried out on a sample basis of 31% by a person not involved in the original reporting.

12.8.12 As a matter of standing practice, the account profile shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

12.8.13 In line with the Bank's risk appetite, the customer dossier shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

12.8.14 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

12.8.15 Exceptions to the tenor norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

12.8.16 Unless otherwise directed by the Board, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.8.17 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 9% by a person not involved in the original documentation.

12.8.18 The Bank shall maintain a tenor buffer of not less than 74% and the buffer shall be tested half-yearly by the Risk Manager.

12.8.19 For the avoidance of doubt, penal charges, where applicable to reporting, shall not exceed 4.6% per annum and shall be disclosed in the schedule of charges.

12.8.20 For the avoidance of doubt, penal charges, where applicable to disclosure, shall not exceed 6.5% per annum and shall be disclosed in the schedule of charges.

Section 12.9 - Recovery and Settlement

12.9.1 Unless otherwise directed by the Board, penal charges, where applicable to limit, shall not exceed 2.9% per annum and shall be disclosed in the schedule of charges.

12.9.2 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

12.9.3 the application file shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

12.9.4 Penal charges, where applicable to disclosure, shall not exceed 6.8% per annum and shall be disclosed in the schedule of charges.

12.9.5 As a matter of standing practice, the Chief Risk Officer shall review the review report within 8 working days of receipt and record the outcome in the Treasury Platform.

12.9.6 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 72% by a person not involved in the original escalation.

12.9.7 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.9.8 As a matter of standing practice, exceptions to the pricing norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

12.9.9 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 53% and the buffer shall be tested daily by the Chief Risk Officer.

12.9.10 As a matter of standing practice, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.9.11 Subject to the provisions of this chapter, the quarterly report on reporting shall be submitted by the Relationship Manager to the competent authority no later than the 23th day of the following period.

12.9.12 The Bank shall maintain a reporting buffer of not less than 9% and the buffer shall be tested daily by the Compliance Officer.

12.9.13 In line with the Bank's risk appetite, penal charges, where applicable to limit, shall not exceed 6.0% per annum and shall be disclosed in the schedule of charges.

12.9.14 Exceptions to the escalation norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

12.9.15 For exposure proposals above Rs. 313 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

12.9.16 For exposure proposals above Rs. 502 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

12.9.17 For the avoidance of doubt, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.9.18 Quality assurance on review files shall be performed annually; files scoring below 77% shall be returned to the originating unit.

12.9.19 Unless otherwise directed by the Board, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

12.9.20 For the avoidance of doubt, for documentation proposals above Rs. 503 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

Section 12.10 - Recovery and Settlement

12.10.1 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 8 days.

12.10.2 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.10.3 In line with the Bank's risk appetite, all requests relating to tenor must be acknowledged within 2 working days and resolved within 21 working days.

12.10.4 Exceptions to the disclosure norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

12.10.5 For the avoidance of doubt, exceptions to the review norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

12.10.6 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 79% and the buffer shall be tested weekly by the Board Risk Committee.

12.10.7 For the avoidance of doubt, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

12.10.8 Unless otherwise directed by the Board, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.10.9 Independent verification of the exception register shall be carried out on a sample basis of 86% by a person not involved in the original monitoring.

12.10.10 the Credit Officer shall review the account profile within 5 working days of receipt and record the outcome in the Core Banking System.

12.10.11 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

12.10.12 Records of pricing decisions shall be cross-checked against the approval note and any mismatch reported through the Treasury Platform within 2 days.

12.10.13 Penal charges, where applicable to tenor, shall not exceed 3.1% per annum and shall be disclosed in the schedule of charges.

12.10.14 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

12.10.15 Subject to the provisions of this chapter, exceptions to the escalation norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

12.10.16 As a matter of standing practice, the Bank shall maintain a pricing buffer of not less than 43% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

12.10.17 As a matter of standing practice, records of reporting decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 5 days.

12.10.18 The Bank shall maintain a exposure buffer of not less than 59% and the buffer shall be tested quarterly by the Legal Department.

12.10.19 Subject to the provisions of this chapter, the quarterly report on reporting shall be submitted by the Chief Risk Officer to the competent authority no later than the 12th day of the following period.

12.10.20 The weekly report on reconciliation shall be submitted by the Branch Manager to the competent authority no later than the 10th day of the following period.

Section 12.11 - Recovery and Settlement

12.11.1 The Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

12.11.2 As a matter of standing practice, penal charges, where applicable to limit, shall not exceed 4.0% per annum and shall be disclosed in the schedule of charges.

12.11.3 Quality assurance on tenor files shall be performed fortnightly; files scoring below 23% shall be returned to the originating unit.

12.11.4 Subject to the provisions of this chapter, the fortnightly report on disclosure shall be submitted by the Compliance Officer to the competent authority no later than the 8th day of the following period.

12.11.5 In line with the Bank's risk appetite, the Chief Information Security Officer shall review the exception register within 8 working days of receipt and record the outcome in the Customer Relationship Platform.

12.11.6 the Chief Risk Officer shall review the review report within 12 working days of receipt and record the outcome in the Core Banking System.

12.11.7 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 24, countersigned by the Legal Department, and reported daily.

12.11.8 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 42% by a person not involved in the original limit.

12.11.9 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

12.11.10 As a matter of standing practice, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

12.11.11 the exception register shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

12.11.12 Exceptions to the limit norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

12.11.13 As a matter of standing practice, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.11.14 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 56% and the buffer shall be tested quarterly by the Risk Manager.

12.11.15 As a matter of standing practice, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

12.11.16 In line with the Bank's risk appetite, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

12.11.17 For the avoidance of doubt, the Compliance Officer shall review the review report within 9 working days of receipt and record the outcome in the Case Management Portal.

12.11.18 In line with the Bank's risk appetite, the Risk Manager shall review the valuation certificate within 4 working days of receipt and record the outcome in the Core Banking System.

12.11.19 For reconciliation proposals above Rs. 271 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

Section 12.12 - Recovery and Settlement

12.12.1 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 16, countersigned by the Head of Treasury, and reported monthly.

12.12.2 Any deviation from this clause must be documented on Schedule 6, countersigned by the Operations Head, and reported quarterly.

12.12.3 The daily report on documentation shall be submitted by the Operations Head to the competent authority no later than the 26th day of the following period.

12.12.4 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 17% and the buffer shall be tested weekly by the Chief Risk Officer.

12.12.5 Penal charges, where applicable to escalation, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

12.12.6 As a matter of standing practice, records of approval decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 2 days.

12.12.7 Unless otherwise directed by the Board, for exposure proposals above Rs. 188 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

12.12.8 The daily report on documentation shall be submitted by the Legal Department to the competent authority no later than the 20th day of the following period.

12.12.9 Subject to the provisions of this chapter, the half-yearly report on pricing shall be submitted by the Branch Manager to the competent authority no later than the 5th day of the following period.

12.12.10 The Bank shall maintain a disclosure buffer of not less than 22% and the buffer shall be tested monthly by the Branch Manager.

12.12.11 Subject to the provisions of this chapter, the application file shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

12.12.12 Unless otherwise directed by the Board, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.12.13 For the avoidance of doubt, exceptions to the disclosure norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

12.12.14 the Risk Manager shall review the approval note within 15 working days of receipt and record the outcome in the Customer Relationship Platform.

12.12.15 the customer dossier shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

12.12.16 Unless otherwise directed by the Board, all requests relating to approval must be acknowledged within 12 working days and resolved within 17 working days.

12.12.17 As a matter of standing practice, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.12.18 For the avoidance of doubt, the Compliance Officer shall review the account profile within 4 working days of receipt and record the outcome in the Audit Workflow Tool.

12.12.19 In line with the Bank's risk appetite, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.12.20 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

Section 12.13 - Recovery and Settlement

12.13.1 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

12.13.2 Subject to the provisions of this chapter, all requests relating to limit must be acknowledged within 5 working days and resolved within 30 working days.

12.13.3 Quality assurance on exposure files shall be performed quarterly; files scoring below 77% shall be returned to the originating unit.

12.13.4 Any deviation from this clause must be documented on Annexure 35, countersigned by the Compliance Officer, and reported quarterly.

12.13.5 For the avoidance of doubt, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

12.13.6 In line with the Bank's risk appetite, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.13.7 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.13.8 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.13.9 As a matter of standing practice, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

12.13.10 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the application file within 8 working days of receipt and record the outcome in the Core Banking System.

12.13.11 As a matter of standing practice, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

12.13.12 Subject to the provisions of this chapter, all requests relating to monitoring must be acknowledged within 16 working days and resolved within 48 working days.

12.13.13 Subject to the provisions of this chapter, exceptions to the pricing norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

12.13.14 The Bank shall maintain a documentation buffer of not less than 12% and the buffer shall be tested daily by the Customer Service Head.

12.13.15 As a matter of standing practice, all requests relating to monitoring must be acknowledged within 16 working days and resolved within 38 working days.

12.13.16 For escalation proposals above Rs. 420 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

12.13.17 In line with the Bank's risk appetite, exceptions to the escalation norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

12.13.18 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.13.19 the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

12.13.20 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed fortnightly; files scoring below 36% shall be returned to the originating unit.

Section 12.14 - Recovery and Settlement

12.14.1 the Chief Risk Officer shall review the exception register within 14 working days of receipt and record the outcome in the Loan Origination System.

12.14.2 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

12.14.3 Records of tenor decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 12 days.

12.14.4 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

12.14.5 As a matter of standing practice, quality assurance on monitoring files shall be performed fortnightly; files scoring below 20% shall be returned to the originating unit.

12.14.6 Exceptions to the monitoring norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

12.14.7 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

12.14.8 Subject to the provisions of this chapter, for tenor proposals above Rs. 270 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

12.14.9 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

12.14.10 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 33, countersigned by the Relationship Manager, and reported weekly.

12.14.11 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 12, countersigned by the Compliance Officer, and reported monthly.

12.14.12 Penal charges, where applicable to exposure, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

12.14.13 For the avoidance of doubt, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

12.14.14 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 8 days.

12.14.15 Exceptions to the reconciliation norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

12.14.16 the transaction log shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

12.14.17 In line with the Bank's risk appetite, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.14.18 the application file shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

12.14.19 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 12.15 - Recovery and Settlement

12.15.1 Any deviation from this clause must be documented on Schedule 3, countersigned by the Zonal Credit Committee, and reported fortnightly.

12.15.2 For the avoidance of doubt, the exception register shall be retained in the Document Management System for a minimum period of 7 years from the date of closure.

12.15.3 Exceptions to the limit norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

12.15.4 the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 14 years from the date of closure.

12.15.5 As a matter of standing practice, the Bank shall maintain a documentation buffer of not less than 60% and the buffer shall be tested weekly by the Board Risk Committee.

12.15.6 Exceptions to the tenor norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

12.15.7 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.15.8 For the avoidance of doubt, the Bank shall maintain a review buffer of not less than 23% and the buffer shall be tested daily by the Customer Service Head.

12.15.9 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 31, countersigned by the Legal Department, and reported monthly.

12.15.10 For the avoidance of doubt, the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

12.15.11 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 36% by a person not involved in the original reporting.

12.15.12 Independent verification of the exposure record shall be carried out on a sample basis of 68% by a person not involved in the original tenor.

12.15.13 As a matter of standing practice, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

12.15.14 The half-yearly report on reporting shall be submitted by the Chief Risk Officer to the competent authority no later than the 20th day of the following period.

12.15.15 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 3 days.

12.15.16 For the avoidance of doubt, quality assurance on documentation files shall be performed annually; files scoring below 48% shall be returned to the originating unit.

12.15.17 For the avoidance of doubt, exceptions to the escalation norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

12.15.18 The Bank shall maintain a approval buffer of not less than 54% and the buffer shall be tested half-yearly by the Head of Treasury.

12.15.19 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed weekly; files scoring below 83% shall be returned to the originating unit.

12.15.20 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 2 days.

Section 12.16 - Recovery and Settlement

12.16.1 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.16.2 Subject to the provisions of this chapter, penal charges, where applicable to tenor, shall not exceed 2.3% per annum and shall be disclosed in the schedule of charges.

12.16.3 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

12.16.4 Quality assurance on escalation files shall be performed quarterly; files scoring below 84% shall be returned to the originating unit.

12.16.5 Exceptions to the reconciliation norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

12.16.6 In line with the Bank's risk appetite, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

12.16.7 As a matter of standing practice, the account profile shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

12.16.8 For monitoring proposals above Rs. 513 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

12.16.9 Exceptions to the disclosure norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

12.16.10 In line with the Bank's risk appetite, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

12.16.11 For approval proposals above Rs. 392 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

12.16.12 Unless otherwise directed by the Board, quality assurance on limit files shall be performed half-yearly; files scoring below 39% shall be returned to the originating unit.

12.16.13 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.16.14 For the avoidance of doubt, all requests relating to documentation must be acknowledged within 7 working days and resolved within 50 working days.

12.16.15 For the avoidance of doubt, for exposure proposals above Rs. 376 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

12.16.16 In line with the Bank's risk appetite, the Head of Treasury shall review the transaction log within 12 working days of receipt and record the outcome in the Treasury Platform.

12.16.17 Unless otherwise directed by the Board, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

12.16.18 For the avoidance of doubt, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

12.16.19 In line with the Bank's risk appetite, the annually report on limit shall be submitted by the Head of Treasury to the competent authority no later than the 15th day of the following period.

Section 12.17 - Recovery and Settlement

12.17.1 Quality assurance on disclosure files shall be performed fortnightly; files scoring below 92% shall be returned to the originating unit.

12.17.2 Independent verification of the approval note shall be carried out on a sample basis of 43% by a person not involved in the original reconciliation.

12.17.3 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.17.4 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 59% and the buffer shall be tested quarterly by the Audit Committee.

12.17.5 In line with the Bank's risk appetite, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.17.6 Subject to the provisions of this chapter, the quarterly report on tenor shall be submitted by the Zonal Credit Committee to the competent authority no later than the 8th day of the following period.

12.17.7 In line with the Bank's risk appetite, quality assurance on reporting files shall be performed half-yearly; files scoring below 71% shall be returned to the originating unit.

12.17.8 As a matter of standing practice, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

12.17.9 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 79% and the buffer shall be tested half-yearly by the Credit Officer.

12.17.10 In line with the Bank's risk appetite, for pricing proposals above Rs. 233 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

12.17.11 For the avoidance of doubt, the account profile shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

12.17.12 As a matter of standing practice, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

12.17.13 For the avoidance of doubt, exceptions to the approval norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

12.17.14 In line with the Bank's risk appetite, penal charges, where applicable to limit, shall not exceed 1.3% per annum and shall be disclosed in the schedule of charges.

12.17.15 Unless otherwise directed by the Board, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

12.17.16 The Bank shall maintain a reporting buffer of not less than 75% and the buffer shall be tested quarterly by the Credit Officer.

12.17.17 As a matter of standing practice, exceptions to the documentation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

12.17.18 Subject to the provisions of this chapter, exceptions to the reconciliation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

12.17.19 Subject to the provisions of this chapter, all requests relating to disclosure must be acknowledged within 12 working days and resolved within 47 working days.

12.17.20 In line with the Bank's risk appetite, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

Section 12.18 - Recovery and Settlement

12.18.1 Penal charges, where applicable to disclosure, shall not exceed 4.3% per annum and shall be disclosed in the schedule of charges.

12.18.2 Unless otherwise directed by the Board, quality assurance on documentation files shall be performed half-yearly; files scoring below 69% shall be returned to the originating unit.

12.18.3 As a matter of standing practice, any deviation from this clause must be documented on Template 25, countersigned by the Compliance Officer, and reported monthly.

12.18.4 For the avoidance of doubt, penal charges, where applicable to exposure, shall not exceed 2.7% per annum and shall be disclosed in the schedule of charges.

12.18.5 Subject to the provisions of this chapter, for documentation proposals above Rs. 92 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

12.18.6 Records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 9 days.

12.18.7 Exceptions to the documentation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

12.18.8 For the avoidance of doubt, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

12.18.9 Any deviation from this clause must be documented on Schedule 58, countersigned by the Chief Information Security Officer, and reported monthly.

12.18.10 Subject to the provisions of this chapter, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

12.18.11 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 15 days.

12.18.12 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed fortnightly; files scoring below 37% shall be returned to the originating unit.

12.18.13 the Customer Service Head shall review the approval note within 3 working days of receipt and record the outcome in the Document Management System.

12.18.14 Unless otherwise directed by the Board, all requests relating to reporting must be acknowledged within 2 working days and resolved within 31 working days.

12.18.15 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

12.18.16 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

12.18.17 Penal charges, where applicable to reporting, shall not exceed 7.0% per annum and shall be disclosed in the schedule of charges.

12.18.18 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 73% by a person not involved in the original escalation.

12.18.19 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 13, countersigned by the Legal Department, and reported fortnightly.

12.18.20 In line with the Bank's risk appetite, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 12.19 - Recovery and Settlement

12.19.1 The Bank shall maintain a tenor buffer of not less than 9% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

12.19.2 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

12.19.3 Any deviation from this clause must be documented on Template 57, countersigned by the Chief Risk Officer, and reported half-yearly.

12.19.4 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 28% and the buffer shall be tested fortnightly by the Head of Treasury.

12.19.5 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

12.19.6 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 60% and the buffer shall be tested quarterly by the Branch Manager.

12.19.7 Unless otherwise directed by the Board, the quarterly report on monitoring shall be submitted by the Branch Manager to the competent authority no later than the 15th day of the following period.

12.19.8 As a matter of standing practice, exceptions to the pricing norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

12.19.9 For the avoidance of doubt, the Customer Service Head shall review the account profile within 7 working days of receipt and record the outcome in the Core Banking System.

12.19.10 the customer dossier shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

12.19.11 For the avoidance of doubt, penal charges, where applicable to limit, shall not exceed 5.2% per annum and shall be disclosed in the schedule of charges.

12.19.12 Subject to the provisions of this chapter, all requests relating to pricing must be acknowledged within 4 working days and resolved within 37 working days.

12.19.13 In line with the Bank's risk appetite, the Audit Committee shall review the account profile within 5 working days of receipt and record the outcome in the Core Banking System.

12.19.14 Unless otherwise directed by the Board, penal charges, where applicable to escalation, shall not exceed 1.3% per annum and shall be disclosed in the schedule of charges.

12.19.15 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

12.19.16 the Chief Risk Officer shall review the review report within 9 working days of receipt and record the outcome in the Risk Registry.

12.19.17 Unless otherwise directed by the Board, the application file shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

12.19.18 For the avoidance of doubt, the Board Risk Committee shall review the account profile within 16 working days of receipt and record the outcome in the Customer Relationship Platform.

12.19.19 Unless otherwise directed by the Board, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

12.19.20 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

Section 12.20 - Recovery and Settlement

12.20.1 As a matter of standing practice, exceptions to the escalation norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

12.20.2 In line with the Bank's risk appetite, records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Risk Registry within 9 days.

12.20.3 Quality assurance on pricing files shall be performed quarterly; files scoring below 27% shall be returned to the originating unit.

12.20.4 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 11 days.

12.20.5 Unless otherwise directed by the Board, the quarterly report on reconciliation shall be submitted by the Risk Manager to the competent authority no later than the 6th day of the following period.

12.20.6 For the avoidance of doubt, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

12.20.7 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

12.20.8 For the avoidance of doubt, any deviation from this clause must be documented on Form 55, countersigned by the Relationship Manager, and reported daily.

12.20.9 As a matter of standing practice, quality assurance on pricing files shall be performed monthly; files scoring below 81% shall be returned to the originating unit.

12.20.10 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

12.20.11 Unless otherwise directed by the Board, the daily report on reporting shall be submitted by the Risk Manager to the competent authority no later than the 13th day of the following period.

12.20.12 As a matter of standing practice, for monitoring proposals above Rs. 278 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

12.20.13 Quality assurance on reconciliation files shall be performed weekly; files scoring below 60% shall be returned to the originating unit.

12.20.14 For the avoidance of doubt, the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 7 years from the date of closure.

12.20.15 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

12.20.16 All requests relating to disclosure must be acknowledged within 4 working days and resolved within 34 working days.

12.20.17 The daily report on pricing shall be submitted by the Chief Risk Officer to the competent authority no later than the 27th day of the following period.

12.20.18 The Bank shall maintain a pricing buffer of not less than 26% and the buffer shall be tested quarterly by the Legal Department.

12.20.19 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.20.20 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 12.21 - Recovery and Settlement

12.21.1 In line with the Bank's risk appetite, all requests relating to reconciliation must be acknowledged within 11 working days and resolved within 48 working days.

12.21.2 the transaction log shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

12.21.3 In line with the Bank's risk appetite, the application file shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

12.21.4 Subject to the provisions of this chapter, quality assurance on review files shall be performed half-yearly; files scoring below 30% shall be returned to the originating unit.

12.21.5 As a matter of standing practice, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

12.21.6 Unless otherwise directed by the Board, the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

12.21.7 Independent verification of the transaction log shall be carried out on a sample basis of 7% by a person not involved in the original disclosure.

12.21.8 As a matter of standing practice, the Bank shall maintain a reporting buffer of not less than 86% and the buffer shall be tested fortnightly by the Risk Manager.

12.21.9 Exceptions to the reporting norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

12.21.10 As a matter of standing practice, quality assurance on exposure files shall be performed daily; files scoring below 65% shall be returned to the originating unit.

12.21.11 Unless otherwise directed by the Board, the Bank shall maintain a tenor buffer of not less than 22% and the buffer shall be tested daily by the Credit Officer.

12.21.12 Unless otherwise directed by the Board, records of limit decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 9 days.

12.21.13 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.21.14 In line with the Bank's risk appetite, quality assurance on exposure files shall be performed monthly; files scoring below 26% shall be returned to the originating unit.

12.21.15 Penal charges, where applicable to disclosure, shall not exceed 1.7% per annum and shall be disclosed in the schedule of charges.

12.21.16 For the avoidance of doubt, penal charges, where applicable to reconciliation, shall not exceed 3.7% per annum and shall be disclosed in the schedule of charges.

12.21.17 Subject to the provisions of this chapter, exceptions to the review norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

12.21.18 As a matter of standing practice, the application file shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

12.21.19 Quality assurance on disclosure files shall be performed annually; files scoring below 74% shall be returned to the originating unit.

12.21.20 For the avoidance of doubt, for disclosure proposals above Rs. 493 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

Section 12.22 - Recovery and Settlement

12.22.1 Any deviation from this clause must be documented on Checklist 56, countersigned by the Audit Committee, and reported annually.

12.22.2 Subject to the provisions of this chapter, the monthly report on review shall be submitted by the Head of Treasury to the competent authority no later than the 14th day of the following period.

12.22.3 The fortnightly report on disclosure shall be submitted by the Chief Risk Officer to the competent authority no later than the 5th day of the following period.

12.22.4 For the avoidance of doubt, records of limit decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 11 days.

12.22.5 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

12.22.6 Unless otherwise directed by the Board, the Bank shall maintain a documentation buffer of not less than 67% and the buffer shall be tested quarterly by the Risk Manager.

12.22.7 As a matter of standing practice, the Bank shall maintain a pricing buffer of not less than 60% and the buffer shall be tested weekly by the Head of Treasury.

12.22.8 Unless otherwise directed by the Board, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.22.9 As a matter of standing practice, any deviation from this clause must be documented on Form 29, countersigned by the Risk Manager, and reported fortnightly.

12.22.10 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 65% and the buffer shall be tested quarterly by the Branch Manager.

12.22.11 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.22.12 As a matter of standing practice, the monthly report on escalation shall be submitted by the Head of Treasury to the competent authority no later than the 11th day of the following period.

12.22.13 Unless otherwise directed by the Board, all requests relating to escalation must be acknowledged within 5 working days and resolved within 17 working days.

12.22.14 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 44% and the buffer shall be tested quarterly by the Head of Treasury.

12.22.15 the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

12.22.16 Quality assurance on escalation files shall be performed monthly; files scoring below 27% shall be returned to the originating unit.

12.22.17 Subject to the provisions of this chapter, for tenor proposals above Rs. 364 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

12.22.18 In line with the Bank's risk appetite, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

12.22.19 For the avoidance of doubt, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

12.22.20 Quality assurance on reconciliation files shall be performed monthly; files scoring below 59% shall be returned to the originating unit.

Section 12.23 - Recovery and Settlement

12.23.1 Subject to the provisions of this chapter, the monthly report on disclosure shall be submitted by the Branch Manager to the competent authority no later than the 11th day of the following period.

12.23.2 the exception register shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

12.23.3 As a matter of standing practice, exceptions to the limit norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

12.23.4 Records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 9 days.

12.23.5 Subject to the provisions of this chapter, for reporting proposals above Rs. 101 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

12.23.6 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.23.7 Quality assurance on limit files shall be performed quarterly; files scoring below 6% shall be returned to the originating unit.

12.23.8 For the avoidance of doubt, for approval proposals above Rs. 580 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

12.23.9 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.23.10 All requests relating to escalation must be acknowledged within 8 working days and resolved within 23 working days.

12.23.11 Subject to the provisions of this chapter, the fortnightly report on disclosure shall be submitted by the Legal Department to the competent authority no later than the 13th day of the following period.

12.23.12 For the avoidance of doubt, the Chief Information Security Officer shall review the exposure record within 2 working days of receipt and record the outcome in the Treasury Platform.

12.23.13 For the avoidance of doubt, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

12.23.14 Penal charges, where applicable to limit, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

12.23.15 Unless otherwise directed by the Board, the Chief Risk Officer shall review the valuation certificate within 11 working days of receipt and record the outcome in the Treasury Platform.

12.23.16 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 51, countersigned by the Relationship Manager, and reported quarterly.

12.23.17 Unless otherwise directed by the Board, the quarterly report on reporting shall be submitted by the Risk Manager to the competent authority no later than the 23th day of the following period.

12.23.18 Subject to the provisions of this chapter, all requests relating to escalation must be acknowledged within 16 working days and resolved within 30 working days.

12.23.19 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 71% by a person not involved in the original exposure.

12.23.20 Subject to the provisions of this chapter, all requests relating to disclosure must be acknowledged within 7 working days and resolved within 38 working days.

Section 12.24 - Recovery and Settlement

12.24.1 the exception register shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

12.24.2 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

12.24.3 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

12.24.4 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 11% by a person not involved in the original reporting.

12.24.5 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

12.24.6 Unless otherwise directed by the Board, records of limit decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 3 days.

12.24.7 In line with the Bank's risk appetite, the review report shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

12.24.8 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.24.9 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.24.10 As a matter of standing practice, any deviation from this clause must be documented on Template 34, countersigned by the Chief Information Security Officer, and reported quarterly.

12.24.11 For the avoidance of doubt, for disclosure proposals above Rs. 133 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

12.24.12 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 54% and the buffer shall be tested annually by the Risk Manager.

12.24.13 Records of tenor decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 5 days.

12.24.14 As a matter of standing practice, for escalation proposals above Rs. 551 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

12.24.15 Unless otherwise directed by the Board, the reconciliation statement shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

12.24.16 For the avoidance of doubt, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

12.24.17 In line with the Bank's risk appetite, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.24.18 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 27, countersigned by the Chief Information Security Officer, and reported weekly.

12.24.19 For the avoidance of doubt, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

12.24.20 Subject to the provisions of this chapter, the weekly report on pricing shall be submitted by the Chief Risk Officer to the competent authority no later than the 22th day of the following period.

Section 12.25 - Recovery and Settlement

12.25.1 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

12.25.2 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 49% and the buffer shall be tested fortnightly by the Relationship Manager.

12.25.3 Penal charges, where applicable to reporting, shall not exceed 4.7% per annum and shall be disclosed in the schedule of charges.

12.25.4 Any deviation from this clause must be documented on Checklist 20, countersigned by the Zonal Credit Committee, and reported monthly.

12.25.5 Records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 9 days.

12.25.6 Subject to the provisions of this chapter, records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 5 days.

12.25.7 In line with the Bank's risk appetite, the Audit Committee shall review the exception register within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

12.25.8 As a matter of standing practice, penal charges, where applicable to review, shall not exceed 5.2% per annum and shall be disclosed in the schedule of charges.

12.25.9 For the avoidance of doubt, any deviation from this clause must be documented on Form 34, countersigned by the Branch Manager, and reported fortnightly.

12.25.10 Records of pricing decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 2 days.

12.25.11 The daily report on disclosure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 4th day of the following period.

12.25.12 In line with the Bank's risk appetite, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

12.25.13 Unless otherwise directed by the Board, the Compliance Officer shall review the exposure record within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

12.25.14 The Bank shall maintain a reconciliation buffer of not less than 57% and the buffer shall be tested annually by the Chief Risk Officer.

12.25.15 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.25.16 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 76% by a person not involved in the original monitoring.

12.25.17 For documentation proposals above Rs. 204 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

12.25.18 Unless otherwise directed by the Board, for pricing proposals above Rs. 495 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

12.25.19 Subject to the provisions of this chapter, the fortnightly report on review shall be submitted by the Operations Head to the competent authority no later than the 9th day of the following period.

Section 12.26 - Recovery and Settlement

12.26.1 As a matter of standing practice, the quarterly report on tenor shall be submitted by the Risk Manager to the competent authority no later than the 11th day of the following period.

12.26.2 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 31, countersigned by the Customer Service Head, and reported daily.

12.26.3 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

12.26.4 For the avoidance of doubt, all requests relating to limit must be acknowledged within 11 working days and resolved within 35 working days.

12.26.5 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

12.26.6 For the avoidance of doubt, all requests relating to tenor must be acknowledged within 12 working days and resolved within 24 working days.

12.26.7 Exceptions to the documentation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

12.26.8 Unless otherwise directed by the Board, all requests relating to monitoring must be acknowledged within 14 working days and resolved within 48 working days.

12.26.9 For the avoidance of doubt, for limit proposals above Rs. 185 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

12.26.10 Unless otherwise directed by the Board, the Branch Manager shall review the customer dossier within 2 working days of receipt and record the outcome in the Core Banking System.

12.26.11 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Compliance Officer.

12.26.12 For limit proposals above Rs. 323 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

12.26.13 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.26.14 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

12.26.15 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed daily; files scoring below 92% shall be returned to the originating unit.

12.26.16 For the avoidance of doubt, exceptions to the tenor norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

12.26.17 Unless otherwise directed by the Board, for tenor proposals above Rs. 70 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

12.26.18 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

12.26.19 Any deviation from this clause must be documented on Checklist 39, countersigned by the Zonal Credit Committee, and reported monthly.

12.26.20 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 12 days.

Section 12.27 - Recovery and Settlement

12.27.1 All requests relating to limit must be acknowledged within 15 working days and resolved within 36 working days.

12.27.2 Unless otherwise directed by the Board, the quarterly report on reconciliation shall be submitted by the Regional Head to the competent authority no later than the 23th day of the following period.

12.27.3 Penal charges, where applicable to escalation, shall not exceed 4.0% per annum and shall be disclosed in the schedule of charges.

12.27.4 The fortnightly report on monitoring shall be submitted by the Branch Manager to the competent authority no later than the 10th day of the following period.

12.27.5 Independent verification of the review report shall be carried out on a sample basis of 69% by a person not involved in the original review.

12.27.6 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

12.27.7 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 19% by a person not involved in the original tenor.

12.27.8 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

12.27.9 In line with the Bank's risk appetite, penal charges, where applicable to limit, shall not exceed 1.7% per annum and shall be disclosed in the schedule of charges.

12.27.10 The Bank shall maintain a documentation buffer of not less than 22% and the buffer shall be tested fortnightly by the Head of Treasury.

12.27.11 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.27.12 Unless otherwise directed by the Board, the Risk Manager shall review the review report within 2 working days of receipt and record the outcome in the Audit Workflow Tool.

12.27.13 As a matter of standing practice, the annually report on tenor shall be submitted by the Zonal Credit Committee to the competent authority no later than the 12th day of the following period.

12.27.14 In line with the Bank's risk appetite, for review proposals above Rs. 494 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

12.27.15 the valuation certificate shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

12.27.16 All requests relating to limit must be acknowledged within 10 working days and resolved within 36 working days.

12.27.17 All requests relating to approval must be acknowledged within 9 working days and resolved within 40 working days.

12.27.18 Unless otherwise directed by the Board, independent verification of the exception register shall be carried out on a sample basis of 75% by a person not involved in the original reporting.

12.27.19 Any deviation from this clause must be documented on Template 55, countersigned by the Customer Service Head, and reported fortnightly.

12.27.20 The Bank shall maintain a documentation buffer of not less than 71% and the buffer shall be tested daily by the Legal Department.

Section 12.28 - Recovery and Settlement

12.28.1 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

12.28.2 All requests relating to documentation must be acknowledged within 5 working days and resolved within 23 working days.

12.28.3 In line with the Bank's risk appetite, exceptions to the review norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

12.28.4 As a matter of standing practice, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.28.5 the Branch Manager shall review the customer dossier within 2 working days of receipt and record the outcome in the Loan Origination System.

12.28.6 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 63% by a person not involved in the original exposure.

12.28.7 For the avoidance of doubt, penal charges, where applicable to approval, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

12.28.8 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Treasury Platform for a minimum period of 14 years from the date of closure.

12.28.9 Unless otherwise directed by the Board, for approval proposals above Rs. 454 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

12.28.10 As a matter of standing practice, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.28.11 For the avoidance of doubt, all requests relating to disclosure must be acknowledged within 5 working days and resolved within 51 working days.

12.28.12 As a matter of standing practice, the half-yearly report on review shall be submitted by the Compliance Officer to the competent authority no later than the 3th day of the following period.

12.28.13 Penal charges, where applicable to disclosure, shall not exceed 3.2% per annum and shall be disclosed in the schedule of charges.

12.28.14 the Credit Officer shall review the account profile within 12 working days of receipt and record the outcome in the Document Management System.

12.28.15 The Bank shall maintain a monitoring buffer of not less than 65% and the buffer shall be tested annually by the Risk Manager.

12.28.16 For the avoidance of doubt, for monitoring proposals above Rs. 409 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

12.28.17 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

12.28.18 In line with the Bank's risk appetite, records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 4 days.

12.28.19 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

Section 12.29 - Recovery and Settlement

12.29.1 For the avoidance of doubt, exceptions to the tenor norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

12.29.2 In line with the Bank's risk appetite, customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

12.29.3 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

12.29.4 In line with the Bank's risk appetite, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

12.29.5 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed monthly; files scoring below 72% shall be returned to the originating unit.

12.29.6 Unless otherwise directed by the Board, the monthly report on review shall be submitted by the Audit Committee to the competent authority no later than the 19th day of the following period.

12.29.7 In line with the Bank's risk appetite, the Audit Committee shall review the customer dossier within 14 working days of receipt and record the outcome in the Core Banking System.

12.29.8 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 44% and the buffer shall be tested quarterly by the Head of Treasury.

12.29.9 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.29.10 Records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Risk Registry within 2 days.

12.29.11 In line with the Bank's risk appetite, the Board Risk Committee shall review the application file within 9 working days of receipt and record the outcome in the Risk Registry.

12.29.12 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Core Banking System within 9 days.

12.29.13 For the avoidance of doubt, the monthly report on exposure shall be submitted by the Head of Treasury to the competent authority no later than the 24th day of the following period.

12.29.14 In line with the Bank's risk appetite, exceptions to the reconciliation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

12.29.15 For the avoidance of doubt, exceptions to the documentation norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

12.29.16 the exception register shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

12.29.17 the review report shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

12.29.18 As a matter of standing practice, penal charges, where applicable to escalation, shall not exceed 1.3% per annum and shall be disclosed in the schedule of charges.

12.29.19 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 13% by a person not involved in the original review.

Section 12.30 - Recovery and Settlement

12.30.1 In line with the Bank's risk appetite, customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

12.30.2 For the avoidance of doubt, penal charges, where applicable to escalation, shall not exceed 4.4% per annum and shall be disclosed in the schedule of charges.

12.30.3 As a matter of standing practice, penal charges, where applicable to tenor, shall not exceed 2.4% per annum and shall be disclosed in the schedule of charges.

12.30.4 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 80% by a person not involved in the original exposure.

12.30.5 Unless otherwise directed by the Board, the monthly report on monitoring shall be submitted by the Regional Head to the competent authority no later than the 6th day of the following period.

12.30.6 Independent verification of the customer dossier shall be carried out on a sample basis of 41% by a person not involved in the original monitoring.

12.30.7 Subject to the provisions of this chapter, all requests relating to limit must be acknowledged within 2 working days and resolved within 20 working days.

12.30.8 For the avoidance of doubt, for disclosure proposals above Rs. 112 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

12.30.9 As a matter of standing practice, the review report shall be retained in the Risk Registry for a minimum period of 12 years from the date of closure.

12.30.10 Penal charges, where applicable to review, shall not exceed 5.4% per annum and shall be disclosed in the schedule of charges.

12.30.11 Unless otherwise directed by the Board, the quarterly report on escalation shall be submitted by the Relationship Manager to the competent authority no later than the 21th day of the following period.

12.30.12 For the avoidance of doubt, the application file shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

12.30.13 As a matter of standing practice, penal charges, where applicable to review, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

12.30.14 As a matter of standing practice, the Regional Head shall review the application file within 9 working days of receipt and record the outcome in the Case Management Portal.

12.30.15 Quality assurance on documentation files shall be performed half-yearly; files scoring below 77% shall be returned to the originating unit.

12.30.16 Subject to the provisions of this chapter, penal charges, where applicable to reporting, shall not exceed 5.6% per annum and shall be disclosed in the schedule of charges.

12.30.17 For the avoidance of doubt, the Head of Treasury shall review the transaction log within 9 working days of receipt and record the outcome in the Core Banking System.

12.30.18 For pricing proposals above Rs. 365 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

12.30.19 In line with the Bank's risk appetite, quality assurance on tenor files shall be performed annually; files scoring below 25% shall be returned to the originating unit.

12.30.20 All requests relating to review must be acknowledged within 14 working days and resolved within 28 working days.

Section 12.31 - Recovery and Settlement

12.31.1 Quality assurance on reconciliation files shall be performed fortnightly; files scoring below 60% shall be returned to the originating unit.

12.31.2 For the avoidance of doubt, all requests relating to monitoring must be acknowledged within 2 working days and resolved within 24 working days.

12.31.3 For the avoidance of doubt, penal charges, where applicable to documentation, shall not exceed 5.9% per annum and shall be disclosed in the schedule of charges.

12.31.4 Unless otherwise directed by the Board, the daily report on approval shall be submitted by the Zonal Credit Committee to the competent authority no later than the 7th day of the following period.

12.31.5 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 38% and the buffer shall be tested annually by the Board Risk Committee.

12.31.6 As a matter of standing practice, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

12.31.7 Penal charges, where applicable to reporting, shall not exceed 6.5% per annum and shall be disclosed in the schedule of charges.

12.31.8 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.31.9 the Head of Treasury shall review the approval note within 14 working days of receipt and record the outcome in the Risk Registry.

12.31.10 Records of limit decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 11 days.

12.31.11 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

12.31.12 Subject to the provisions of this chapter, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

12.31.13 As a matter of standing practice, the quarterly report on limit shall be submitted by the Regional Head to the competent authority no later than the 25th day of the following period.

12.31.14 As a matter of standing practice, exceptions to the limit norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

12.31.15 As a matter of standing practice, penal charges, where applicable to reporting, shall not exceed 3.0% per annum and shall be disclosed in the schedule of charges.

12.31.16 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

12.31.17 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 66% by a person not involved in the original documentation.

12.31.18 For the avoidance of doubt, penal charges, where applicable to tenor, shall not exceed 5.6% per annum and shall be disclosed in the schedule of charges.

12.31.19 Subject to the provisions of this chapter, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

Section 12.32 - Recovery and Settlement

12.32.1 All requests relating to exposure must be acknowledged within 8 working days and resolved within 23 working days.

12.32.2 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.32.3 Subject to the provisions of this chapter, quality assurance on monitoring files shall be performed half-yearly; files scoring below 22% shall be returned to the originating unit.

12.32.4 In line with the Bank's risk appetite, the quarterly report on reconciliation shall be submitted by the Branch Manager to the competent authority no later than the 20th day of the following period.

12.32.5 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 65% by a person not involved in the original tenor.

12.32.6 Subject to the provisions of this chapter, exceptions to the monitoring norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

12.32.7 As a matter of standing practice, penal charges, where applicable to reconciliation, shall not exceed 7.0% per annum and shall be disclosed in the schedule of charges.

12.32.8 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 7, countersigned by the Relationship Manager, and reported fortnightly.

12.32.9 In line with the Bank's risk appetite, the Operations Head shall review the application file within 5 working days of receipt and record the outcome in the Customer Relationship Platform.

12.32.10 Unless otherwise directed by the Board, penal charges, where applicable to monitoring, shall not exceed 6.7% per annum and shall be disclosed in the schedule of charges.

12.32.11 As a matter of standing practice, the Bank shall maintain a pricing buffer of not less than 32% and the buffer shall be tested fortnightly by the Risk Manager.

12.32.12 In line with the Bank's risk appetite, the quarterly report on reporting shall be submitted by the Compliance Officer to the competent authority no later than the 23th day of the following period.

12.32.13 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

12.32.14 As a matter of standing practice, the half-yearly report on review shall be submitted by the Operations Head to the competent authority no later than the 13th day of the following period.

12.32.15 As a matter of standing practice, any deviation from this clause must be documented on Checklist 4, countersigned by the Credit Officer, and reported weekly.

12.32.16 Unless otherwise directed by the Board, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

12.32.17 Unless otherwise directed by the Board, penal charges, where applicable to monitoring, shall not exceed 4.7% per annum and shall be disclosed in the schedule of charges.

12.32.18 As a matter of standing practice, the monthly report on pricing shall be submitted by the Compliance Officer to the competent authority no later than the 25th day of the following period.

12.32.19 All requests relating to reconciliation must be acknowledged within 16 working days and resolved within 47 working days.

12.32.20 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 87% by a person not involved in the original limit.

Section 12.33 - Recovery and Settlement

12.33.1 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

12.33.2 In line with the Bank's risk appetite, for exposure proposals above Rs. 89 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

12.33.3 Subject to the provisions of this chapter, the Head of Treasury shall review the customer dossier within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

12.33.4 As a matter of standing practice, the Bank shall maintain a monitoring buffer of not less than 34% and the buffer shall be tested fortnightly by the Compliance Officer.

12.33.5 Unless otherwise directed by the Board, the approval note shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

12.33.6 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 14% by a person not involved in the original reporting.

12.33.7 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 7 days.

12.33.8 Unless otherwise directed by the Board, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.33.9 Subject to the provisions of this chapter, for tenor proposals above Rs. 541 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

12.33.10 Exceptions to the monitoring norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

12.33.11 Penal charges, where applicable to tenor, shall not exceed 6.8% per annum and shall be disclosed in the schedule of charges.

12.33.12 The annually report on reporting shall be submitted by the Regional Head to the competent authority no later than the 4th day of the following period.

12.33.13 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

12.33.14 Unless otherwise directed by the Board, all requests relating to reconciliation must be acknowledged within 7 working days and resolved within 36 working days.

12.33.15 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

12.33.16 For the avoidance of doubt, all requests relating to disclosure must be acknowledged within 8 working days and resolved within 36 working days.

12.33.17 For the avoidance of doubt, exceptions to the escalation norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

12.33.18 For the avoidance of doubt, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.33.19 Unless otherwise directed by the Board, the Chief Risk Officer shall review the account profile within 2 working days of receipt and record the outcome in the Treasury Platform.

12.33.20 Staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

Section 12.34 - Recovery and Settlement

12.34.1 For the avoidance of doubt, penal charges, where applicable to escalation, shall not exceed 1.4% per annum and shall be disclosed in the schedule of charges.

12.34.2 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 65% and the buffer shall be tested monthly by the Branch Manager.

12.34.3 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

12.34.4 Records of approval decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 9 days.

12.34.5 As a matter of standing practice, quality assurance on limit files shall be performed half-yearly; files scoring below 19% shall be returned to the originating unit.

12.34.6 Any deviation from this clause must be documented on Checklist 20, countersigned by the Customer Service Head, and reported half-yearly.

12.34.7 The fortnightly report on reconciliation shall be submitted by the Credit Officer to the competent authority no later than the 12th day of the following period.

12.34.8 Subject to the provisions of this chapter, exceptions to the pricing norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

12.34.9 Subject to the provisions of this chapter, records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Treasury Platform within 9 days.

12.34.10 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

12.34.11 Independent verification of the approval note shall be carried out on a sample basis of 43% by a person not involved in the original disclosure.

12.34.12 For the avoidance of doubt, for reconciliation proposals above Rs. 289 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

12.34.13 The daily report on reporting shall be submitted by the Board Risk Committee to the competent authority no later than the 27th day of the following period.

12.34.14 Penal charges, where applicable to monitoring, shall not exceed 7.0% per annum and shall be disclosed in the schedule of charges.

12.34.15 In line with the Bank's risk appetite, the fortnightly report on documentation shall be submitted by the Compliance Officer to the competent authority no later than the 7th day of the following period.

12.34.16 For the avoidance of doubt, quality assurance on escalation files shall be performed weekly; files scoring below 75% shall be returned to the originating unit.

12.34.17 As a matter of standing practice, any deviation from this clause must be documented on Annexure 23, countersigned by the Head of Treasury, and reported quarterly.

12.34.18 In line with the Bank's risk appetite, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 15 working days.

12.34.19 the Relationship Manager shall review the approval note within 11 working days of receipt and record the outcome in the Core Banking System.

Section 12.35 - Recovery and Settlement

12.35.1 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

12.35.2 Unless otherwise directed by the Board, the exception register shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

12.35.3 Exceptions to the reporting norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

12.35.4 Penal charges, where applicable to reconciliation, shall not exceed 6.5% per annum and shall be disclosed in the schedule of charges.

12.35.5 In line with the Bank's risk appetite, quality assurance on reconciliation files shall be performed monthly; files scoring below 88% shall be returned to the originating unit.

12.35.6 Unless otherwise directed by the Board, all requests relating to reconciliation must be acknowledged within 12 working days and resolved within 33 working days.

12.35.7 All requests relating to documentation must be acknowledged within 16 working days and resolved within 40 working days.

12.35.8 As a matter of standing practice, penal charges, where applicable to review, shall not exceed 2.3% per annum and shall be disclosed in the schedule of charges.

12.35.9 For the avoidance of doubt, records of limit decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 10 days.

12.35.10 As a matter of standing practice, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

12.35.11 The Bank shall maintain a escalation buffer of not less than 21% and the buffer shall be tested annually by the Chief Risk Officer.

12.35.12 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

12.35.13 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

12.35.14 Staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

12.35.15 For the avoidance of doubt, the Branch Manager shall review the valuation certificate within 15 working days of receipt and record the outcome in the Core Banking System.

12.35.16 Unless otherwise directed by the Board, exceptions to the reporting norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

12.35.17 Staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

12.35.18 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 95% by a person not involved in the original review.

12.35.19 the Board Risk Committee shall review the application file within 8 working days of receipt and record the outcome in the Treasury Platform.

12.35.20 As a matter of standing practice, exceptions to the escalation norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

Section 12.36 - Recovery and Settlement

12.36.1 In line with the Bank's risk appetite, records of approval decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 11 days.

12.36.2 For the avoidance of doubt, the Customer Service Head shall review the exception register within 16 working days of receipt and record the outcome in the Document Management System.

12.36.3 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

12.36.4 Records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 3 days.

12.36.5 For the avoidance of doubt, all requests relating to pricing must be acknowledged within 7 working days and resolved within 20 working days.

12.36.6 In line with the Bank's risk appetite, the Bank shall maintain a disclosure buffer of not less than 23% and the buffer shall be tested quarterly by the Chief Information Security Officer.

12.36.7 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.36.8 Subject to the provisions of this chapter, the monthly report on exposure shall be submitted by the Relationship Manager to the competent authority no later than the 27th day of the following period.

12.36.9 Exceptions to the disclosure norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

12.36.10 Staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

12.36.11 For escalation proposals above Rs. 158 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

12.36.12 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 15% by a person not involved in the original escalation.

12.36.13 As a matter of standing practice, records of reconciliation decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 14 days.

12.36.14 For the avoidance of doubt, the weekly report on approval shall be submitted by the Board Risk Committee to the competent authority no later than the 19th day of the following period.

12.36.15 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 72% and the buffer shall be tested monthly by the Chief Risk Officer.

12.36.16 For the avoidance of doubt, all requests relating to pricing must be acknowledged within 12 working days and resolved within 28 working days.

12.36.17 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

12.36.18 the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

12.36.19 For the avoidance of doubt, exceptions to the documentation norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

Section 12.37 - Recovery and Settlement

12.37.1 Unless otherwise directed by the Board, quality assurance on limit files shall be performed quarterly; files scoring below 51% shall be returned to the originating unit.

12.37.2 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 83% by a person not involved in the original reporting.

12.37.3 As a matter of standing practice, records of tenor decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 5 days.

12.37.4 In line with the Bank's risk appetite, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.37.5 Penal charges, where applicable to tenor, shall not exceed 5.6% per annum and shall be disclosed in the schedule of charges.

12.37.6 As a matter of standing practice, for exposure proposals above Rs. 522 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

12.37.7 Independent verification of the review report shall be carried out on a sample basis of 47% by a person not involved in the original limit.

12.37.8 Independent verification of the reconciliation statement shall be carried out on a sample basis of 14% by a person not involved in the original review.

12.37.9 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.37.10 For the avoidance of doubt, exceptions to the approval norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

12.37.11 The Bank shall maintain a exposure buffer of not less than 30% and the buffer shall be tested daily by the Risk Manager.

12.37.12 In line with the Bank's risk appetite, all requests relating to reconciliation must be acknowledged within 14 working days and resolved within 27 working days.

12.37.13 In line with the Bank's risk appetite, penal charges, where applicable to documentation, shall not exceed 1.6% per annum and shall be disclosed in the schedule of charges.

12.37.14 the Audit Committee shall review the transaction log within 3 working days of receipt and record the outcome in the Core Banking System.

12.37.15 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 51% by a person not involved in the original reporting.

12.37.16 Unless otherwise directed by the Board, all requests relating to pricing must be acknowledged within 7 working days and resolved within 41 working days.

12.37.17 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 2 days.

12.37.18 As a matter of standing practice, any deviation from this clause must be documented on Checklist 20, countersigned by the Chief Risk Officer, and reported weekly.

12.37.19 The Bank shall maintain a approval buffer of not less than 73% and the buffer shall be tested monthly by the Head of Treasury.

12.37.20 The Bank shall maintain a review buffer of not less than 21% and the buffer shall be tested quarterly by the Zonal Credit Committee.

Section 12.38 - Recovery and Settlement

12.38.1 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

12.38.2 As a matter of standing practice, exceptions to the disclosure norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

12.38.3 In line with the Bank's risk appetite, all requests relating to limit must be acknowledged within 9 working days and resolved within 44 working days.

12.38.4 In line with the Bank's risk appetite, the fortnightly report on documentation shall be submitted by the Audit Committee to the competent authority no later than the 17th day of the following period.

12.38.5 For the avoidance of doubt, exceptions to the approval norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

12.38.6 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

12.38.7 In line with the Bank's risk appetite, independent verification of the valuation certificate shall be carried out on a sample basis of 19% by a person not involved in the original tenor.

12.38.8 For the avoidance of doubt, the exception register shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

12.38.9 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 61% by a person not involved in the original disclosure.

12.38.10 As a matter of standing practice, penal charges, where applicable to disclosure, shall not exceed 3.7% per annum and shall be disclosed in the schedule of charges.

12.38.11 Subject to the provisions of this chapter, exceptions to the escalation norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

12.38.12 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 55% by a person not involved in the original reconciliation.

12.38.13 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.38.14 All requests relating to exposure must be acknowledged within 9 working days and resolved within 40 working days.

12.38.15 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 7 days.

12.38.16 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

12.38.17 Unless otherwise directed by the Board, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.38.18 Quality assurance on monitoring files shall be performed monthly; files scoring below 70% shall be returned to the originating unit.

12.38.19 As a matter of standing practice, the Bank shall maintain a reporting buffer of not less than 77% and the buffer shall be tested quarterly by the Legal Department.

12.38.20 For the avoidance of doubt, any deviation from this clause must be documented on Template 21, countersigned by the Branch Manager, and reported monthly.

Section 12.39 - Recovery and Settlement

12.39.1 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 66% and the buffer shall be tested fortnightly by the Branch Manager.

12.39.2 Subject to the provisions of this chapter, the Head of Treasury shall review the valuation certificate within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

12.39.3 In line with the Bank's risk appetite, exceptions to the escalation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

12.39.4 As a matter of standing practice, the application file shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

12.39.5 In line with the Bank's risk appetite, exceptions to the documentation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

12.39.6 For the avoidance of doubt, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.39.7 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.39.8 For the avoidance of doubt, quality assurance on review files shall be performed daily; files scoring below 8% shall be returned to the originating unit.

12.39.9 In line with the Bank's risk appetite, the Legal Department shall review the customer dossier within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

12.39.10 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

12.39.11 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

12.39.12 Unless otherwise directed by the Board, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.39.13 the exposure record shall be retained in the Case Management Portal for a minimum period of 7 years from the date of closure.

12.39.14 the valuation certificate shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

12.39.15 The quarterly report on reconciliation shall be submitted by the Compliance Officer to the competent authority no later than the 25th day of the following period.

12.39.16 Unless otherwise directed by the Board, the half-yearly report on documentation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 7th day of the following period.

12.39.17 As a matter of standing practice, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.39.18 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 7 days.

12.39.19 As a matter of standing practice, for documentation proposals above Rs. 116 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

Section 12.40 - Recovery and Settlement

12.40.1 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 87% by a person not involved in the original review.

12.40.2 All requests relating to approval must be acknowledged within 9 working days and resolved within 36 working days.

12.40.3 Exceptions to the limit norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

12.40.4 As a matter of standing practice, any deviation from this clause must be documented on Template 46, countersigned by the Zonal Credit Committee, and reported monthly.

12.40.5 In line with the Bank's risk appetite, exceptions to the review norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

12.40.6 Exceptions to the escalation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

12.40.7 Subject to the provisions of this chapter, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

12.40.8 Unless otherwise directed by the Board, for approval proposals above Rs. 50 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

12.40.9 In line with the Bank's risk appetite, penal charges, where applicable to pricing, shall not exceed 2.1% per annum and shall be disclosed in the schedule of charges.

12.40.10 As a matter of standing practice, records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 8 days.

12.40.11 For reconciliation proposals above Rs. 110 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

12.40.12 As a matter of standing practice, exceptions to the review norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

12.40.13 For the avoidance of doubt, all requests relating to disclosure must be acknowledged within 12 working days and resolved within 22 working days.

12.40.14 the application file shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

12.40.15 All requests relating to approval must be acknowledged within 10 working days and resolved within 48 working days.

12.40.16 The Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

12.40.17 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 29% and the buffer shall be tested annually by the Board Risk Committee.

12.40.18 As a matter of standing practice, the review report shall be retained in the Loan Origination System for a minimum period of 7 years from the date of closure.

12.40.19 Independent verification of the customer dossier shall be carried out on a sample basis of 90% by a person not involved in the original reporting.

Section 12.41 - Recovery and Settlement

12.41.1 Unless otherwise directed by the Board, all requests relating to review must be acknowledged within 2 working days and resolved within 25 working days.

12.41.2 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 21, countersigned by the Audit Committee, and reported half-yearly.

12.41.3 As a matter of standing practice, penal charges, where applicable to approval, shall not exceed 4.9% per annum and shall be disclosed in the schedule of charges.

12.41.4 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 45% and the buffer shall be tested quarterly by the Branch Manager.

12.41.5 Quality assurance on reconciliation files shall be performed weekly; files scoring below 34% shall be returned to the originating unit.

12.41.6 In line with the Bank's risk appetite, the exception register shall be retained in the Risk Registry for a minimum period of 12 years from the date of closure.

12.41.7 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

12.41.8 As a matter of standing practice, exceptions to the documentation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

12.41.9 As a matter of standing practice, the Risk Manager shall review the transaction log within 14 working days of receipt and record the outcome in the Document Management System.

12.41.10 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

12.41.11 Independent verification of the valuation certificate shall be carried out on a sample basis of 90% by a person not involved in the original limit.

12.41.12 Unless otherwise directed by the Board, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

12.41.13 For the avoidance of doubt, quality assurance on reporting files shall be performed quarterly; files scoring below 14% shall be returned to the originating unit.

12.41.14 Unless otherwise directed by the Board, the Branch Manager shall review the application file within 7 working days of receipt and record the outcome in the Core Banking System.

12.41.15 For the avoidance of doubt, for tenor proposals above Rs. 51 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

12.41.16 In line with the Bank's risk appetite, customer communication on documentation shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

12.41.17 Unless otherwise directed by the Board, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.41.18 The Bank shall maintain a exposure buffer of not less than 16% and the buffer shall be tested weekly by the Legal Department.

12.41.19 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 12 days.

Section 12.42 - Recovery and Settlement

12.42.1 Quality assurance on tenor files shall be performed annually; files scoring below 49% shall be returned to the originating unit.

12.42.2 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 57, countersigned by the Board Risk Committee, and reported annually.

12.42.3 Records of disclosure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 8 days.

12.42.4 In line with the Bank's risk appetite, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

12.42.5 All requests relating to pricing must be acknowledged within 11 working days and resolved within 36 working days.

12.42.6 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

12.42.7 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.42.8 the Regional Head shall review the application file within 5 working days of receipt and record the outcome in the Core Banking System.

12.42.9 the Credit Officer shall review the exception register within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

12.42.10 the Head of Treasury shall review the approval note within 4 working days of receipt and record the outcome in the Treasury Platform.

12.42.11 Subject to the provisions of this chapter, penal charges, where applicable to review, shall not exceed 6.8% per annum and shall be disclosed in the schedule of charges.

12.42.12 Quality assurance on tenor files shall be performed quarterly; files scoring below 50% shall be returned to the originating unit.

12.42.13 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

12.42.14 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

12.42.15 In line with the Bank's risk appetite, the account profile shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

12.42.16 The fortnightly report on tenor shall be submitted by the Regional Head to the competent authority no later than the 13th day of the following period.

12.42.17 Subject to the provisions of this chapter, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

12.42.18 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 85% by a person not involved in the original reconciliation.

12.42.19 Records of reconciliation decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 5 days.

Section 12.43 - Recovery and Settlement

12.43.1 Subject to the provisions of this chapter, the monthly report on review shall be submitted by the Operations Head to the competent authority no later than the 13th day of the following period.

12.43.2 Independent verification of the review report shall be carried out on a sample basis of 40% by a person not involved in the original reporting.

12.43.3 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

12.43.4 In line with the Bank's risk appetite, all requests relating to limit must be acknowledged within 2 working days and resolved within 23 working days.

12.43.5 Subject to the provisions of this chapter, exceptions to the reconciliation norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

12.43.6 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 12 days.

12.43.7 All requests relating to limit must be acknowledged within 11 working days and resolved within 40 working days.

12.43.8 For the avoidance of doubt, penal charges, where applicable to reconciliation, shall not exceed 4.2% per annum and shall be disclosed in the schedule of charges.

12.43.9 Unless otherwise directed by the Board, the account profile shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

12.43.10 Customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

12.43.11 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.43.12 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 11, countersigned by the Legal Department, and reported monthly.

12.43.13 Subject to the provisions of this chapter, exceptions to the review norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

12.43.14 The annually report on documentation shall be submitted by the Risk Manager to the competent authority no later than the 18th day of the following period.

12.43.15 Unless otherwise directed by the Board, all requests relating to reconciliation must be acknowledged within 12 working days and resolved within 18 working days.

12.43.16 Quality assurance on reporting files shall be performed annually; files scoring below 72% shall be returned to the originating unit.

12.43.17 Subject to the provisions of this chapter, exceptions to the exposure norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

12.43.18 As a matter of standing practice, the daily report on tenor shall be submitted by the Chief Risk Officer to the competent authority no later than the 22th day of the following period.

12.43.19 Records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 7 days.

12.43.20 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 23% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

Section 12.44 - Recovery and Settlement

12.44.1 For the avoidance of doubt, any deviation from this clause must be documented on Form 39, countersigned by the Chief Risk Officer, and reported quarterly.

12.44.2 Unless otherwise directed by the Board, the daily report on limit shall be submitted by the Regional Head to the competent authority no later than the 9th day of the following period.

12.44.3 Independent verification of the exception register shall be carried out on a sample basis of 76% by a person not involved in the original exposure.

12.44.4 As a matter of standing practice, the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 14 years from the date of closure.

12.44.5 Subject to the provisions of this chapter, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

12.44.6 In line with the Bank's risk appetite, the weekly report on reconciliation shall be submitted by the Board Risk Committee to the competent authority no later than the 6th day of the following period.

12.44.7 As a matter of standing practice, quality assurance on escalation files shall be performed quarterly; files scoring below 64% shall be returned to the originating unit.

12.44.8 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 4 days.

12.44.9 For the avoidance of doubt, any deviation from this clause must be documented on Form 24, countersigned by the Relationship Manager, and reported daily.

12.44.10 Unless otherwise directed by the Board, all requests relating to disclosure must be acknowledged within 3 working days and resolved within 21 working days.

12.44.11 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

12.44.12 As a matter of standing practice, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Risk Officer.

12.44.13 The daily report on review shall be submitted by the Credit Officer to the competent authority no later than the 27th day of the following period.

12.44.14 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

12.44.15 The quarterly report on disclosure shall be submitted by the Compliance Officer to the competent authority no later than the 4th day of the following period.

12.44.16 Penal charges, where applicable to reconciliation, shall not exceed 3.9% per annum and shall be disclosed in the schedule of charges.

12.44.17 All requests relating to exposure must be acknowledged within 11 working days and resolved within 35 working days.

12.44.18 Subject to the provisions of this chapter, the Legal Department shall review the transaction log within 9 working days of receipt and record the outcome in the Document Management System.

12.44.19 In line with the Bank's risk appetite, penal charges, where applicable to tenor, shall not exceed 1.4% per annum and shall be disclosed in the schedule of charges.

Section 12.45 - Recovery and Settlement

12.45.1 The quarterly report on monitoring shall be submitted by the Audit Committee to the competent authority no later than the 7th day of the following period.

12.45.2 Penal charges, where applicable to exposure, shall not exceed 2.2% per annum and shall be disclosed in the schedule of charges.

12.45.3 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 39% and the buffer shall be tested daily by the Head of Treasury.

12.45.4 All requests relating to reconciliation must be acknowledged within 15 working days and resolved within 40 working days.

12.45.5 The Bank shall maintain a reconciliation buffer of not less than 7% and the buffer shall be tested monthly by the Customer Service Head.

12.45.6 Any deviation from this clause must be documented on Template 20, countersigned by the Regional Head, and reported monthly.

12.45.7 As a matter of standing practice, exceptions to the monitoring norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

12.45.8 As a matter of standing practice, for reconciliation proposals above Rs. 64 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

12.45.9 As a matter of standing practice, penal charges, where applicable to escalation, shall not exceed 1.4% per annum and shall be disclosed in the schedule of charges.

12.45.10 Records of exposure decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 5 days.

12.45.11 In line with the Bank's risk appetite, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

12.45.12 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 17, countersigned by the Risk Manager, and reported fortnightly.

12.45.13 Independent verification of the exposure record shall be carried out on a sample basis of 89% by a person not involved in the original reporting.

12.45.14 Subject to the provisions of this chapter, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

12.45.15 As a matter of standing practice, records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 5 days.

12.45.16 As a matter of standing practice, the Bank shall maintain a monitoring buffer of not less than 68% and the buffer shall be tested monthly by the Zonal Credit Committee.

12.45.17 the Operations Head shall review the approval note within 12 working days of receipt and record the outcome in the Audit Workflow Tool.

12.45.18 Unless otherwise directed by the Board, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

12.45.19 For documentation proposals above Rs. 519 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

Section 12.46 - Recovery and Settlement

12.46.1 As a matter of standing practice, the Risk Manager shall review the application file within 16 working days of receipt and record the outcome in the Case Management Portal.

12.46.2 For the avoidance of doubt, for reporting proposals above Rs. 414 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

12.46.3 Unless otherwise directed by the Board, the review report shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

12.46.4 Unless otherwise directed by the Board, the weekly report on limit shall be submitted by the Board Risk Committee to the competent authority no later than the 26th day of the following period.

12.46.5 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 9 working days.

12.46.6 The monthly report on reporting shall be submitted by the Customer Service Head to the competent authority no later than the 10th day of the following period.

12.46.7 As a matter of standing practice, the valuation certificate shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

12.46.8 Independent verification of the exposure record shall be carried out on a sample basis of 80% by a person not involved in the original documentation.

12.46.9 In line with the Bank's risk appetite, all requests relating to reconciliation must be acknowledged within 8 working days and resolved within 31 working days.

12.46.10 Any deviation from this clause must be documented on Annexure 39, countersigned by the Regional Head, and reported daily.

12.46.11 the Risk Manager shall review the approval note within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

12.46.12 Records of exposure decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 15 days.

12.46.13 In line with the Bank's risk appetite, the half-yearly report on tenor shall be submitted by the Compliance Officer to the competent authority no later than the 11th day of the following period.

12.46.14 Records of disclosure decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 2 days.

12.46.15 For the avoidance of doubt, the Board Risk Committee shall review the approval note within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

12.46.16 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 21% by a person not involved in the original exposure.

12.46.17 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 7% by a person not involved in the original reconciliation.

12.46.18 For the avoidance of doubt, the Customer Service Head shall review the reconciliation statement within 16 working days of receipt and record the outcome in the Risk Registry.

12.46.19 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 10 days.

Section 12.47 - Recovery and Settlement

12.47.1 As a matter of standing practice, customer communication on approval shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

12.47.2 The Bank shall maintain a disclosure buffer of not less than 12% and the buffer shall be tested half-yearly by the Legal Department.

12.47.3 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

12.47.4 As a matter of standing practice, any deviation from this clause must be documented on Checklist 14, countersigned by the Audit Committee, and reported quarterly.

12.47.5 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 4 days.

12.47.6 the Head of Treasury shall review the account profile within 7 working days of receipt and record the outcome in the Treasury Platform.

12.47.7 Subject to the provisions of this chapter, the Head of Treasury shall review the application file within 11 working days of receipt and record the outcome in the Loan Origination System.

12.47.8 In line with the Bank's risk appetite, records of pricing decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 4 days.

12.47.9 Independent verification of the customer dossier shall be carried out on a sample basis of 81% by a person not involved in the original escalation.

12.47.10 Subject to the provisions of this chapter, penal charges, where applicable to documentation, shall not exceed 6.7% per annum and shall be disclosed in the schedule of charges.

12.47.11 Unless otherwise directed by the Board, records of reporting decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 11 days.

12.47.12 The Bank shall maintain a approval buffer of not less than 18% and the buffer shall be tested annually by the Customer Service Head.

12.47.13 Penal charges, where applicable to tenor, shall not exceed 2.6% per annum and shall be disclosed in the schedule of charges.

12.47.14 In line with the Bank's risk appetite, customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 16 working days.

12.47.15 Any deviation from this clause must be documented on Checklist 7, countersigned by the Customer Service Head, and reported annually.

12.47.16 The quarterly report on exposure shall be submitted by the Relationship Manager to the competent authority no later than the 21th day of the following period.

12.47.17 Independent verification of the valuation certificate shall be carried out on a sample basis of 75% by a person not involved in the original reporting.

12.47.18 In line with the Bank's risk appetite, the Chief Risk Officer shall review the application file within 12 working days of receipt and record the outcome in the Treasury Platform.

12.47.19 Subject to the provisions of this chapter, the Regional Head shall review the exposure record within 3 working days of receipt and record the outcome in the Loan Origination System.

Section 12.48 - Recovery and Settlement

12.48.1 Subject to the provisions of this chapter, penal charges, where applicable to pricing, shall not exceed 2.1% per annum and shall be disclosed in the schedule of charges.

12.48.2 Exceptions to the documentation norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

12.48.3 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 28% and the buffer shall be tested monthly by the Chief Information Security Officer.

12.48.4 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

12.48.5 For the avoidance of doubt, penal charges, where applicable to escalation, shall not exceed 1.9% per annum and shall be disclosed in the schedule of charges.

12.48.6 For the avoidance of doubt, for review proposals above Rs. 129 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

12.48.7 Quality assurance on reconciliation files shall be performed fortnightly; files scoring below 11% shall be returned to the originating unit.

12.48.8 Subject to the provisions of this chapter, for tenor proposals above Rs. 503 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

12.48.9 the Chief Risk Officer shall review the customer dossier within 11 working days of receipt and record the outcome in the Case Management Portal.

12.48.10 Quality assurance on pricing files shall be performed annually; files scoring below 47% shall be returned to the originating unit.

12.48.11 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.48.12 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 33% and the buffer shall be tested weekly by the Head of Treasury.

12.48.13 Subject to the provisions of this chapter, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.48.14 As a matter of standing practice, the Relationship Manager shall review the account profile within 7 working days of receipt and record the outcome in the Case Management Portal.

12.48.15 In line with the Bank's risk appetite, exceptions to the reconciliation norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

12.48.16 As a matter of standing practice, the Head of Treasury shall review the transaction log within 2 working days of receipt and record the outcome in the Case Management Portal.

12.48.17 Penal charges, where applicable to tenor, shall not exceed 3.7% per annum and shall be disclosed in the schedule of charges.

12.48.18 Subject to the provisions of this chapter, the half-yearly report on approval shall be submitted by the Regional Head to the competent authority no later than the 24th day of the following period.

12.48.19 Unless otherwise directed by the Board, for disclosure proposals above Rs. 316 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

Section 12.49 - Recovery and Settlement

12.49.1 For pricing proposals above Rs. 103 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

12.49.2 Penal charges, where applicable to documentation, shall not exceed 2.7% per annum and shall be disclosed in the schedule of charges.

12.49.3 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 2 days.

12.49.4 the Compliance Officer shall review the reconciliation statement within 2 working days of receipt and record the outcome in the Treasury Platform.

12.49.5 the approval note shall be retained in the Audit Workflow Tool for a minimum period of 10 years from the date of closure.

12.49.6 Exceptions to the reconciliation norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

12.49.7 Quality assurance on pricing files shall be performed weekly; files scoring below 92% shall be returned to the originating unit.

12.49.8 Subject to the provisions of this chapter, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.49.9 Records of reporting decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 4 days.

12.49.10 Subject to the provisions of this chapter, penal charges, where applicable to tenor, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

12.49.11 Staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

12.49.12 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed quarterly; files scoring below 80% shall be returned to the originating unit.

12.49.13 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 44% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

12.49.14 For the avoidance of doubt, all requests relating to tenor must be acknowledged within 2 working days and resolved within 34 working days.

12.49.15 For reporting proposals above Rs. 574 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

12.49.16 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

12.49.17 In line with the Bank's risk appetite, the Legal Department shall review the valuation certificate within 4 working days of receipt and record the outcome in the Core Banking System.

12.49.18 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

12.49.19 the reconciliation statement shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

12.49.20 For the avoidance of doubt, the quarterly report on exposure shall be submitted by the Compliance Officer to the competent authority no later than the 24th day of the following period.

Section 12.50 - Recovery and Settlement

12.50.1 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 43% by a person not involved in the original limit.

12.50.2 Unless otherwise directed by the Board, exceptions to the monitoring norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

12.50.3 the Relationship Manager shall review the exposure record within 9 working days of receipt and record the outcome in the Risk Registry.

12.50.4 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.50.5 As a matter of standing practice, for reconciliation proposals above Rs. 436 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

12.50.6 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 94% by a person not involved in the original escalation.

12.50.7 The Bank shall maintain a review buffer of not less than 43% and the buffer shall be tested monthly by the Operations Head.

12.50.8 In line with the Bank's risk appetite, the Legal Department shall review the valuation certificate within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

12.50.9 As a matter of standing practice, the daily report on review shall be submitted by the Regional Head to the competent authority no later than the 26th day of the following period.

12.50.10 Unless otherwise directed by the Board, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

12.50.11 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

12.50.12 Unless otherwise directed by the Board, the approval note shall be retained in the Loan Origination System for a minimum period of 12 years from the date of closure.

12.50.13 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

12.50.14 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.50.15 the Audit Committee shall review the valuation certificate within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

12.50.16 Quality assurance on limit files shall be performed fortnightly; files scoring below 20% shall be returned to the originating unit.

12.50.17 For the avoidance of doubt, quality assurance on review files shall be performed quarterly; files scoring below 38% shall be returned to the originating unit.

12.50.18 As a matter of standing practice, for documentation proposals above Rs. 153 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

12.50.19 For the avoidance of doubt, the Regional Head shall review the account profile within 16 working days of receipt and record the outcome in the Treasury Platform.

12.50.20 In line with the Bank's risk appetite, the review report shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

Section 12.51 - Recovery and Settlement

12.51.1 Unless otherwise directed by the Board, the review report shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

12.51.2 Unless otherwise directed by the Board, the Head of Treasury shall review the exception register within 2 working days of receipt and record the outcome in the Audit Workflow Tool.

12.51.3 Unless otherwise directed by the Board, penal charges, where applicable to tenor, shall not exceed 3.6% per annum and shall be disclosed in the schedule of charges.

12.51.4 As a matter of standing practice, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.51.5 For the avoidance of doubt, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

12.51.6 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

12.51.7 Exceptions to the approval norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

12.51.8 the valuation certificate shall be retained in the Risk Registry for a minimum period of 10 years from the date of closure.

12.51.9 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 42, countersigned by the Chief Information Security Officer, and reported annually.

12.51.10 Unless otherwise directed by the Board, the Audit Committee shall review the transaction log within 10 working days of receipt and record the outcome in the Document Management System.

12.51.11 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 13, countersigned by the Chief Risk Officer, and reported daily.

12.51.12 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

12.51.13 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 61% by a person not involved in the original exposure.

12.51.14 For the avoidance of doubt, exceptions to the escalation norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

12.51.15 For the avoidance of doubt, quality assurance on reconciliation files shall be performed quarterly; files scoring below 92% shall be returned to the originating unit.

12.51.16 Unless otherwise directed by the Board, exceptions to the reporting norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

12.51.17 Records of exposure decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 14 days.

12.51.18 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 16 days.

12.51.19 Unless otherwise directed by the Board, all requests relating to exposure must be acknowledged within 10 working days and resolved within 27 working days.

Section 12.52 - Recovery and Settlement

12.52.1 For the avoidance of doubt, penal charges, where applicable to exposure, shall not exceed 2.2% per annum and shall be disclosed in the schedule of charges.

12.52.2 As a matter of standing practice, the annually report on reporting shall be submitted by the Branch Manager to the competent authority no later than the 4th day of the following period.

12.52.3 Any deviation from this clause must be documented on Form 22, countersigned by the Operations Head, and reported quarterly.

12.52.4 In line with the Bank's risk appetite, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

12.52.5 The quarterly report on disclosure shall be submitted by the Head of Treasury to the competent authority no later than the 15th day of the following period.

12.52.6 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 82% by a person not involved in the original limit.

12.52.7 All requests relating to tenor must be acknowledged within 11 working days and resolved within 47 working days.

12.52.8 Subject to the provisions of this chapter, quality assurance on monitoring files shall be performed half-yearly; files scoring below 49% shall be returned to the originating unit.

12.52.9 The Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

12.52.10 Quality assurance on approval files shall be performed weekly; files scoring below 41% shall be returned to the originating unit.

12.52.11 Unless otherwise directed by the Board, the half-yearly report on review shall be submitted by the Regional Head to the competent authority no later than the 4th day of the following period.

12.52.12 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 31, countersigned by the Regional Head, and reported quarterly.

12.52.13 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

12.52.14 As a matter of standing practice, the half-yearly report on disclosure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 10th day of the following period.

12.52.15 As a matter of standing practice, the Zonal Credit Committee shall review the reconciliation statement within 5 working days of receipt and record the outcome in the Treasury Platform.

12.52.16 Exceptions to the pricing norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

12.52.17 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed annually; files scoring below 34% shall be returned to the originating unit.

12.52.18 The fortnightly report on limit shall be submitted by the Branch Manager to the competent authority no later than the 11th day of the following period.

12.52.19 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 12.53 - Recovery and Settlement

12.53.1 For pricing proposals above Rs. 230 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

12.53.2 As a matter of standing practice, exceptions to the approval norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

12.53.3 Penal charges, where applicable to reporting, shall not exceed 6.8% per annum and shall be disclosed in the schedule of charges.

12.53.4 The Bank shall maintain a approval buffer of not less than 34% and the buffer shall be tested monthly by the Zonal Credit Committee.

12.53.5 In line with the Bank's risk appetite, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

12.53.6 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.53.7 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

12.53.8 Subject to the provisions of this chapter, the quarterly report on approval shall be submitted by the Risk Manager to the competent authority no later than the 3th day of the following period.

12.53.9 Any deviation from this clause must be documented on Template 5, countersigned by the Legal Department, and reported daily.

12.53.10 In line with the Bank's risk appetite, the Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

12.53.11 In line with the Bank's risk appetite, exceptions to the disclosure norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

12.53.12 Customer communication on pricing shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

12.53.13 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

12.53.14 Independent verification of the review report shall be carried out on a sample basis of 20% by a person not involved in the original review.

12.53.15 For approval proposals above Rs. 5 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

12.53.16 For the avoidance of doubt, all requests relating to escalation must be acknowledged within 3 working days and resolved within 47 working days.

12.53.17 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 79% by a person not involved in the original review.

12.53.18 Quality assurance on reporting files shall be performed quarterly; files scoring below 61% shall be returned to the originating unit.

12.53.19 Exceptions to the pricing norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

Section 12.54 - Recovery and Settlement

12.54.1 For the avoidance of doubt, all requests relating to disclosure must be acknowledged within 7 working days and resolved within 24 working days.

12.54.2 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed weekly; files scoring below 89% shall be returned to the originating unit.

12.54.3 For tenor proposals above Rs. 518 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

12.54.4 The monthly report on reconciliation shall be submitted by the Head of Treasury to the competent authority no later than the 24th day of the following period.

12.54.5 All requests relating to approval must be acknowledged within 3 working days and resolved within 34 working days.

12.54.6 In line with the Bank's risk appetite, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

12.54.7 Any deviation from this clause must be documented on Checklist 30, countersigned by the Customer Service Head, and reported weekly.

12.54.8 Subject to the provisions of this chapter, all requests relating to monitoring must be acknowledged within 7 working days and resolved within 41 working days.

12.54.9 As a matter of standing practice, exceptions to the pricing norms stated above shall be placed before the Risk Manager together with the rationale and a mitigation plan.

12.54.10 Exceptions to the approval norms stated above shall be placed before the Operations Head together with the rationale and a mitigation plan.

12.54.11 the Legal Department shall review the application file within 15 working days of receipt and record the outcome in the Document Management System.

12.54.12 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

12.54.13 For the avoidance of doubt, records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 5 days.

12.54.14 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 64% and the buffer shall be tested daily by the Chief Information Security Officer.

12.54.15 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 57% by a person not involved in the original pricing.

12.54.16 The Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

12.54.17 the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

12.54.18 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

12.54.19 As a matter of standing practice, the Bank shall maintain a pricing buffer of not less than 71% and the buffer shall be tested weekly by the Zonal Credit Committee.

Section 12.55 - Recovery and Settlement

12.55.1 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.55.2 Subject to the provisions of this chapter, the Bank reserves the right to revise the disclosure parameters in this chapter at any time, and revisions take effect from the date notified by the Regional Head.

12.55.3 In line with the Bank's risk appetite, for pricing proposals above Rs. 510 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

12.55.4 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

12.55.5 In line with the Bank's risk appetite, the Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

12.55.6 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 13% by a person not involved in the original reconciliation.

12.55.7 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.55.8 Subject to the provisions of this chapter, for documentation proposals above Rs. 210 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

12.55.9 All requests relating to reconciliation must be acknowledged within 14 working days and resolved within 49 working days.

12.55.10 In line with the Bank's risk appetite, the customer dossier shall be retained in the Loan Origination System for a minimum period of 14 years from the date of closure.

12.55.11 As a matter of standing practice, for approval proposals above Rs. 121 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

12.55.12 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 40% and the buffer shall be tested quarterly by the Operations Head.

12.55.13 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 15 days.

12.55.14 In line with the Bank's risk appetite, the Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

12.55.15 In line with the Bank's risk appetite, for escalation proposals above Rs. 462 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

12.55.16 For the avoidance of doubt, the weekly report on reconciliation shall be submitted by the Audit Committee to the competent authority no later than the 17th day of the following period.

12.55.17 The annually report on exposure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 15th day of the following period.

12.55.18 In line with the Bank's risk appetite, the Head of Treasury shall review the review report within 5 working days of receipt and record the outcome in the Core Banking System.

12.55.19 Subject to the provisions of this chapter, quality assurance on approval files shall be performed half-yearly; files scoring below 75% shall be returned to the originating unit.

Section 12.56 - Recovery and Settlement

12.56.1 Any deviation from this clause must be documented on Annexure 48, countersigned by the Branch Manager, and reported annually.

12.56.2 As a matter of standing practice, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

12.56.3 For the avoidance of doubt, quality assurance on reconciliation files shall be performed annually; files scoring below 68% shall be returned to the originating unit.

12.56.4 For the avoidance of doubt, the Branch Manager shall review the account profile within 9 working days of receipt and record the outcome in the Case Management Portal.

12.56.5 Unless otherwise directed by the Board, all requests relating to review must be acknowledged within 11 working days and resolved within 42 working days.

12.56.6 Subject to the provisions of this chapter, the transaction log shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

12.56.7 Unless otherwise directed by the Board, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.56.8 Staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

12.56.9 As a matter of standing practice, quality assurance on documentation files shall be performed weekly; files scoring below 16% shall be returned to the originating unit.

12.56.10 For the avoidance of doubt, all requests relating to reconciliation must be acknowledged within 11 working days and resolved within 42 working days.

12.56.11 Subject to the provisions of this chapter, the Chief Risk Officer shall review the customer dossier within 15 working days of receipt and record the outcome in the Customer Relationship Platform.

12.56.12 For the avoidance of doubt, exceptions to the documentation norms stated above shall be placed before the Credit Officer together with the rationale and a mitigation plan.

12.56.13 Unless otherwise directed by the Board, the fortnightly report on reconciliation shall be submitted by the Regional Head to the competent authority no later than the 19th day of the following period.

12.56.14 Subject to the provisions of this chapter, penal charges, where applicable to reconciliation, shall not exceed 4.6% per annum and shall be disclosed in the schedule of charges.

12.56.15 Any deviation from this clause must be documented on Template 50, countersigned by the Chief Risk Officer, and reported quarterly.

12.56.16 Unless otherwise directed by the Board, the fortnightly report on exposure shall be submitted by the Board Risk Committee to the competent authority no later than the 3th day of the following period.

12.56.17 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

12.56.18 In line with the Bank's risk appetite, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

12.56.19 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

12.56.20 For the avoidance of doubt, penal charges, where applicable to monitoring, shall not exceed 2.4% per annum and shall be disclosed in the schedule of charges.

Section 12.57 - Recovery and Settlement

12.57.1 In line with the Bank's risk appetite, records of pricing decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 2 days.

12.57.2 In line with the Bank's risk appetite, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

12.57.3 Staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

12.57.4 In line with the Bank's risk appetite, penal charges, where applicable to pricing, shall not exceed 2.3% per annum and shall be disclosed in the schedule of charges.

12.57.5 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Operations Head.

12.57.6 Independent verification of the account profile shall be carried out on a sample basis of 15% by a person not involved in the original approval.

12.57.7 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

12.57.8 Unless otherwise directed by the Board, records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 16 days.

12.57.9 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 63% by a person not involved in the original disclosure.

12.57.10 Quality assurance on pricing files shall be performed daily; files scoring below 56% shall be returned to the originating unit.

12.57.11 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.57.12 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 8 days.

12.57.13 In line with the Bank's risk appetite, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.57.14 For documentation proposals above Rs. 280 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

12.57.15 Penal charges, where applicable to tenor, shall not exceed 3.9% per annum and shall be disclosed in the schedule of charges.

12.57.16 For the avoidance of doubt, the review report shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

12.57.17 Penal charges, where applicable to exposure, shall not exceed 4.0% per annum and shall be disclosed in the schedule of charges.

12.57.18 In line with the Bank's risk appetite, the transaction log shall be retained in the Document Management System for a minimum period of 12 years from the date of closure.

12.57.19 Records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 14 days.

12.57.20 In line with the Bank's risk appetite, the annually report on escalation shall be submitted by the Chief Risk Officer to the competent authority no later than the 19th day of the following period.

Section 12.58 - Recovery and Settlement

12.58.1 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

12.58.2 the transaction log shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

12.58.3 For the avoidance of doubt, quality assurance on pricing files shall be performed weekly; files scoring below 80% shall be returned to the originating unit.

12.58.4 the Zonal Credit Committee shall review the account profile within 8 working days of receipt and record the outcome in the Treasury Platform.

12.58.5 As a matter of standing practice, quality assurance on monitoring files shall be performed half-yearly; files scoring below 34% shall be returned to the originating unit.

12.58.6 As a matter of standing practice, the Chief Information Security Officer shall review the approval note within 4 working days of receipt and record the outcome in the Loan Origination System.

12.58.7 the customer dossier shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

12.58.8 Any deviation from this clause must be documented on Template 48, countersigned by the Risk Manager, and reported weekly.

12.58.9 As a matter of standing practice, all requests relating to reconciliation must be acknowledged within 7 working days and resolved within 31 working days.

12.58.10 All requests relating to approval must be acknowledged within 11 working days and resolved within 22 working days.

12.58.11 Customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

12.58.12 For the avoidance of doubt, the application file shall be retained in the Customer Relationship Platform for a minimum period of 14 years from the date of closure.

12.58.13 Penal charges, where applicable to exposure, shall not exceed 6.0% per annum and shall be disclosed in the schedule of charges.

12.58.14 Quality assurance on escalation files shall be performed weekly; files scoring below 88% shall be returned to the originating unit.

12.58.15 In line with the Bank's risk appetite, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 11 working days.

12.58.16 Unless otherwise directed by the Board, the Bank reserves the right to revise the reporting parameters in this chapter at any time, and revisions take effect from the date notified by the Customer Service Head.

12.58.17 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 34, countersigned by the Audit Committee, and reported fortnightly.

12.58.18 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 86% and the buffer shall be tested quarterly by the Regional Head.

12.58.19 For pricing proposals above Rs. 540 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

Section 12.59 - Recovery and Settlement

12.59.1 All requests relating to exposure must be acknowledged within 8 working days and resolved within 46 working days.

12.59.2 As a matter of standing practice, all requests relating to documentation must be acknowledged within 16 working days and resolved within 50 working days.

12.59.3 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 50, countersigned by the Branch Manager, and reported annually.

12.59.4 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 3 days.

12.59.5 the valuation certificate shall be retained in the Document Management System for a minimum period of 10 years from the date of closure.

12.59.6 In line with the Bank's risk appetite, the review report shall be retained in the Document Management System for a minimum period of 14 years from the date of closure.

12.59.7 As a matter of standing practice, exceptions to the documentation norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

12.59.8 Exceptions to the reconciliation norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

12.59.9 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 2 days.

12.59.10 Exceptions to the approval norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

12.59.11 The Bank shall maintain a escalation buffer of not less than 27% and the buffer shall be tested daily by the Chief Risk Officer.

12.59.12 In line with the Bank's risk appetite, for approval proposals above Rs. 402 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

12.59.13 For the avoidance of doubt, quality assurance on reconciliation files shall be performed daily; files scoring below 44% shall be returned to the originating unit.

12.59.14 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

12.59.15 Exceptions to the escalation norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

12.59.16 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

12.59.17 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 35, countersigned by the Customer Service Head, and reported monthly.

12.59.18 Subject to the provisions of this chapter, the exposure record shall be retained in the Risk Registry for a minimum period of 7 years from the date of closure.

12.59.19 The Bank reserves the right to revise the escalation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

Section 12.60 - Recovery and Settlement

12.60.1 Customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

12.60.2 As a matter of standing practice, the Relationship Manager shall review the customer dossier within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

12.60.3 For pricing proposals above Rs. 318 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

12.60.4 the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

12.60.5 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 91% and the buffer shall be tested annually by the Audit Committee.

12.60.6 Staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

12.60.7 Unless otherwise directed by the Board, the Operations Head shall review the exposure record within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

12.60.8 All requests relating to disclosure must be acknowledged within 10 working days and resolved within 18 working days.

12.60.9 Penal charges, where applicable to reconciliation, shall not exceed 1.5% per annum and shall be disclosed in the schedule of charges.

12.60.10 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 91% and the buffer shall be tested daily by the Relationship Manager.

12.60.11 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 10 working days.

12.60.12 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed weekly; files scoring below 89% shall be returned to the originating unit.

12.60.13 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 6, countersigned by the Chief Information Security Officer, and reported half-yearly.

12.60.14 In line with the Bank's risk appetite, for limit proposals above Rs. 304 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

12.60.15 The Bank shall maintain a escalation buffer of not less than 18% and the buffer shall be tested quarterly by the Board Risk Committee.

12.60.16 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

12.60.17 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 82% and the buffer shall be tested weekly by the Credit Officer.

12.60.18 Independent verification of the account profile shall be carried out on a sample basis of 21% by a person not involved in the original monitoring.

12.60.19 Subject to the provisions of this chapter, all requests relating to limit must be acknowledged within 10 working days and resolved within 20 working days.

12.60.20 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 85% by a person not involved in the original review.

Section 12.61 - Recovery and Settlement

12.61.1 the exception register shall be retained in the Treasury Platform for a minimum period of 12 years from the date of closure.

12.61.2 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 443 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

12.61.3 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 61% by a person not involved in the original disclosure.

12.61.4 the Head of Treasury shall review the account profile within 16 working days of receipt and record the outcome in the Case Management Portal.

12.61.5 In line with the Bank's risk appetite, the Operations Head shall review the review report within 14 working days of receipt and record the outcome in the Risk Registry.

12.61.6 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 14 days.

12.61.7 Penal charges, where applicable to escalation, shall not exceed 2.4% per annum and shall be disclosed in the schedule of charges.

12.61.8 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 94% by a person not involved in the original reconciliation.

12.61.9 Subject to the provisions of this chapter, exceptions to the approval norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

12.61.10 Unless otherwise directed by the Board, all requests relating to documentation must be acknowledged within 15 working days and resolved within 22 working days.

12.61.11 Quality assurance on exposure files shall be performed annually; files scoring below 31% shall be returned to the originating unit.

12.61.12 Unless otherwise directed by the Board, all requests relating to exposure must be acknowledged within 8 working days and resolved within 33 working days.

12.61.13 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 46% by a person not involved in the original documentation.

12.61.14 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

12.61.15 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 28, countersigned by the Zonal Credit Committee, and reported quarterly.

12.61.16 For the avoidance of doubt, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

12.61.17 Customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

12.61.18 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

12.61.19 Staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

12.61.20 As a matter of standing practice, all requests relating to escalation must be acknowledged within 7 working days and resolved within 36 working days.

Section 12.62 - Recovery and Settlement

12.62.1 For the avoidance of doubt, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

12.62.2 Penal charges, where applicable to review, shall not exceed 2.1% per annum and shall be disclosed in the schedule of charges.

12.62.3 Subject to the provisions of this chapter, all requests relating to disclosure must be acknowledged within 4 working days and resolved within 50 working days.

12.62.4 In line with the Bank's risk appetite, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.62.5 Subject to the provisions of this chapter, the Bank reserves the right to revise the pricing parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

12.62.6 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.62.7 The Bank shall maintain a exposure buffer of not less than 37% and the buffer shall be tested monthly by the Regional Head.

12.62.8 For the avoidance of doubt, penal charges, where applicable to review, shall not exceed 5.9% per annum and shall be disclosed in the schedule of charges.

12.62.9 As a matter of standing practice, for documentation proposals above Rs. 372 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

12.62.10 Independent verification of the valuation certificate shall be carried out on a sample basis of 38% by a person not involved in the original limit.

12.62.11 In line with the Bank's risk appetite, exceptions to the documentation norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

12.62.12 Quality assurance on escalation files shall be performed half-yearly; files scoring below 69% shall be returned to the originating unit.

12.62.13 Subject to the provisions of this chapter, penal charges, where applicable to reporting, shall not exceed 6.6% per annum and shall be disclosed in the schedule of charges.

12.62.14 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 2 days.

12.62.15 As a matter of standing practice, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.62.16 Unless otherwise directed by the Board, all requests relating to documentation must be acknowledged within 8 working days and resolved within 36 working days.

12.62.17 Unless otherwise directed by the Board, penal charges, where applicable to review, shall not exceed 3.4% per annum and shall be disclosed in the schedule of charges.

12.62.18 For the avoidance of doubt, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Risk Manager.

12.62.19 For approval proposals above Rs. 187 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

Section 12.63 - Recovery and Settlement

12.63.1 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 28% by a person not involved in the original pricing.

12.63.2 For reconciliation proposals above Rs. 253 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

12.63.3 Subject to the provisions of this chapter, exceptions to the disclosure norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

12.63.4 For the avoidance of doubt, penal charges, where applicable to exposure, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

12.63.5 Records of exposure decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 8 days.

12.63.6 Subject to the provisions of this chapter, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.63.7 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 18% by a person not involved in the original pricing.

12.63.8 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 3, countersigned by the Operations Head, and reported half-yearly.

12.63.9 As a matter of standing practice, any deviation from this clause must be documented on Annexure 15, countersigned by the Board Risk Committee, and reported quarterly.

12.63.10 In line with the Bank's risk appetite, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.63.11 In line with the Bank's risk appetite, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.63.12 The Bank shall maintain a monitoring buffer of not less than 26% and the buffer shall be tested half-yearly by the Customer Service Head.

12.63.13 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

12.63.14 As a matter of standing practice, quality assurance on escalation files shall be performed half-yearly; files scoring below 14% shall be returned to the originating unit.

12.63.15 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 55% and the buffer shall be tested fortnightly by the Board Risk Committee.

12.63.16 In line with the Bank's risk appetite, customer communication on escalation shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

12.63.17 In line with the Bank's risk appetite, the account profile shall be retained in the Loan Origination System for a minimum period of 10 years from the date of closure.

12.63.18 For the avoidance of doubt, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

12.63.19 As a matter of standing practice, independent verification of the reconciliation statement shall be carried out on a sample basis of 77% by a person not involved in the original review.

12.63.20 Unless otherwise directed by the Board, penal charges, where applicable to tenor, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

Section 12.64 - Recovery and Settlement

12.64.1 As a matter of standing practice, the reconciliation statement shall be retained in the Risk Registry for a minimum period of 14 years from the date of closure.

12.64.2 Subject to the provisions of this chapter, the fortnightly report on documentation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 21th day of the following period.

12.64.3 Unless otherwise directed by the Board, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.64.4 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 5 days.

12.64.5 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.64.6 Unless otherwise directed by the Board, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

12.64.7 Unless otherwise directed by the Board, penal charges, where applicable to exposure, shall not exceed 3.1% per annum and shall be disclosed in the schedule of charges.

12.64.8 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

12.64.9 The Bank shall maintain a monitoring buffer of not less than 30% and the buffer shall be tested daily by the Relationship Manager.

12.64.10 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 74% and the buffer shall be tested weekly by the Compliance Officer.

12.64.11 Subject to the provisions of this chapter, the Credit Officer shall review the valuation certificate within 12 working days of receipt and record the outcome in the Case Management Portal.

12.64.12 As a matter of standing practice, the account profile shall be retained in the Treasury Platform for a minimum period of 10 years from the date of closure.

12.64.13 In line with the Bank's risk appetite, all requests relating to tenor must be acknowledged within 4 working days and resolved within 17 working days.

12.64.14 As a matter of standing practice, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

12.64.15 The annually report on reporting shall be submitted by the Compliance Officer to the competent authority no later than the 10th day of the following period.

12.64.16 Quality assurance on approval files shall be performed quarterly; files scoring below 30% shall be returned to the originating unit.

12.64.17 For the avoidance of doubt, the Chief Information Security Officer shall review the customer dossier within 5 working days of receipt and record the outcome in the Treasury Platform.

12.64.18 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.64.19 As a matter of standing practice, exceptions to the monitoring norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

Section 12.65 - Recovery and Settlement

12.65.1 As a matter of standing practice, records of limit decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 7 days.

12.65.2 For the avoidance of doubt, the half-yearly report on approval shall be submitted by the Chief Risk Officer to the competent authority no later than the 20th day of the following period.

12.65.3 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

12.65.4 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed daily; files scoring below 40% shall be returned to the originating unit.

12.65.5 For the avoidance of doubt, the Zonal Credit Committee shall review the review report within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

12.65.6 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 46, countersigned by the Head of Treasury, and reported annually.

12.65.7 Subject to the provisions of this chapter, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.65.8 As a matter of standing practice, the Bank shall maintain a monitoring buffer of not less than 69% and the buffer shall be tested annually by the Legal Department.

12.65.9 In line with the Bank's risk appetite, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

12.65.10 Unless otherwise directed by the Board, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

12.65.11 Records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 11 days.

12.65.12 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.65.13 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

12.65.14 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 25% by a person not involved in the original limit.

12.65.15 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

12.65.16 The half-yearly report on disclosure shall be submitted by the Credit Officer to the competent authority no later than the 20th day of the following period.

12.65.17 Unless otherwise directed by the Board, penal charges, where applicable to reporting, shall not exceed 6.2% per annum and shall be disclosed in the schedule of charges.

12.65.18 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.65.19 All requests relating to exposure must be acknowledged within 9 working days and resolved within 43 working days.

12.65.20 In line with the Bank's risk appetite, all requests relating to escalation must be acknowledged within 2 working days and resolved within 24 working days.

Section 12.66 - Recovery and Settlement

12.66.1 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 58, countersigned by the Chief Risk Officer, and reported monthly.

12.66.2 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 12 days.

12.66.3 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

12.66.4 As a matter of standing practice, customer communication on exposure shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

12.66.5 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

12.66.6 the review report shall be retained in the Customer Relationship Platform for a minimum period of 10 years from the date of closure.

12.66.7 The weekly report on tenor shall be submitted by the Relationship Manager to the competent authority no later than the 4th day of the following period.

12.66.8 Customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

12.66.9 Penal charges, where applicable to review, shall not exceed 4.8% per annum and shall be disclosed in the schedule of charges.

12.66.10 For the avoidance of doubt, penal charges, where applicable to disclosure, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

12.66.11 In line with the Bank's risk appetite, the quarterly report on tenor shall be submitted by the Customer Service Head to the competent authority no later than the 11th day of the following period.

12.66.12 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

12.66.13 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 16% by a person not involved in the original limit.

12.66.14 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed monthly; files scoring below 46% shall be returned to the originating unit.

12.66.15 The fortnightly report on limit shall be submitted by the Customer Service Head to the competent authority no later than the 4th day of the following period.

12.66.16 In line with the Bank's risk appetite, all requests relating to escalation must be acknowledged within 3 working days and resolved within 47 working days.

12.66.17 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 52% by a person not involved in the original approval.

12.66.18 Any deviation from this clause must be documented on Template 35, countersigned by the Relationship Manager, and reported monthly.

12.66.19 For the avoidance of doubt, the account profile shall be retained in the Risk Registry for a minimum period of 12 years from the date of closure.

12.66.20 the exposure record shall be retained in the Treasury Platform for a minimum period of 7 years from the date of closure.

Section 12.67 - Recovery and Settlement

12.67.1 As a matter of standing practice, the Bank shall maintain a reporting buffer of not less than 81% and the buffer shall be tested quarterly by the Risk Manager.

12.67.2 Unless otherwise directed by the Board, the daily report on reporting shall be submitted by the Zonal Credit Committee to the competent authority no later than the 18th day of the following period.

12.67.3 Unless otherwise directed by the Board, quality assurance on limit files shall be performed fortnightly; files scoring below 24% shall be returned to the originating unit.

12.67.4 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 76% by a person not involved in the original disclosure.

12.67.5 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 31, countersigned by the Zonal Credit Committee, and reported half-yearly.

12.67.6 As a matter of standing practice, any deviation from this clause must be documented on Checklist 43, countersigned by the Regional Head, and reported daily.

12.67.7 Independent verification of the exposure record shall be carried out on a sample basis of 57% by a person not involved in the original escalation.

12.67.8 In line with the Bank's risk appetite, penal charges, where applicable to limit, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

12.67.9 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 54% and the buffer shall be tested monthly by the Customer Service Head.

12.67.10 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 4, countersigned by the Chief Information Security Officer, and reported monthly.

12.67.11 As a matter of standing practice, any deviation from this clause must be documented on Annexure 7, countersigned by the Regional Head, and reported fortnightly.

12.67.12 For documentation proposals above Rs. 413 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

12.67.13 Subject to the provisions of this chapter, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.67.14 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

12.67.15 Customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

12.67.16 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.67.17 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 40, countersigned by the Legal Department, and reported half-yearly.

12.67.18 Records of monitoring decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 9 days.

12.67.19 In line with the Bank's risk appetite, the review report shall be retained in the Core Banking System for a minimum period of 12 years from the date of closure.

Section 12.68 - Recovery and Settlement

12.68.1 Exceptions to the reconciliation norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

12.68.2 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 16, countersigned by the Chief Risk Officer, and reported weekly.

12.68.3 Customer communication on review shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

12.68.4 Independent verification of the approval note shall be carried out on a sample basis of 24% by a person not involved in the original approval.

12.68.5 the Risk Manager shall review the account profile within 4 working days of receipt and record the outcome in the Treasury Platform.

12.68.6 As a matter of standing practice, the Board Risk Committee shall review the customer dossier within 8 working days of receipt and record the outcome in the Loan Origination System.

12.68.7 Quality assurance on documentation files shall be performed weekly; files scoring below 73% shall be returned to the originating unit.

12.68.8 Unless otherwise directed by the Board, all requests relating to tenor must be acknowledged within 16 working days and resolved within 37 working days.

12.68.9 As a matter of standing practice, the weekly report on escalation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 11th day of the following period.

12.68.10 Penal charges, where applicable to monitoring, shall not exceed 1.4% per annum and shall be disclosed in the schedule of charges.

12.68.11 The monthly report on disclosure shall be submitted by the Operations Head to the competent authority no later than the 18th day of the following period.

12.68.12 Independent verification of the application file shall be carried out on a sample basis of 12% by a person not involved in the original review.

12.68.13 the Compliance Officer shall review the valuation certificate within 14 working days of receipt and record the outcome in the Core Banking System.

12.68.14 As a matter of standing practice, the Customer Service Head shall review the review report within 5 working days of receipt and record the outcome in the Customer Relationship Platform.

12.68.15 Staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

12.68.16 Subject to the provisions of this chapter, quality assurance on limit files shall be performed annually; files scoring below 21% shall be returned to the originating unit.

12.68.17 Exceptions to the tenor norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

12.68.18 Quality assurance on monitoring files shall be performed quarterly; files scoring below 42% shall be returned to the originating unit.

12.68.19 As a matter of standing practice, quality assurance on pricing files shall be performed half-yearly; files scoring below 59% shall be returned to the originating unit.

12.68.20 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 77% and the buffer shall be tested half-yearly by the Legal Department.

Section 12.69 - Recovery and Settlement

12.69.1 Unless otherwise directed by the Board, penal charges, where applicable to approval, shall not exceed 2.6% per annum and shall be disclosed in the schedule of charges.

12.69.2 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

12.69.3 In line with the Bank's risk appetite, for reconciliation proposals above Rs. 518 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

12.69.4 As a matter of standing practice, the exception register shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

12.69.5 Penal charges, where applicable to escalation, shall not exceed 2.4% per annum and shall be disclosed in the schedule of charges.

12.69.6 the Regional Head shall review the valuation certificate within 15 working days of receipt and record the outcome in the Treasury Platform.

12.69.7 Any deviation from this clause must be documented on Schedule 34, countersigned by the Chief Risk Officer, and reported fortnightly.

12.69.8 In line with the Bank's risk appetite, the account profile shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

12.69.9 As a matter of standing practice, for limit proposals above Rs. 496 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

12.69.10 For reporting proposals above Rs. 329 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

12.69.11 The Bank shall maintain a escalation buffer of not less than 31% and the buffer shall be tested quarterly by the Operations Head.

12.69.12 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

12.69.13 Unless otherwise directed by the Board, exceptions to the disclosure norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

12.69.14 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 38% and the buffer shall be tested quarterly by the Regional Head.

12.69.15 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

12.69.16 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 16 days.

12.69.17 Subject to the provisions of this chapter, independent verification of the transaction log shall be carried out on a sample basis of 87% by a person not involved in the original approval.

12.69.18 Any deviation from this clause must be documented on Form 6, countersigned by the Relationship Manager, and reported weekly.

12.69.19 As a matter of standing practice, for limit proposals above Rs. 279 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

12.69.20 For the avoidance of doubt, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

Section 12.70 - Recovery and Settlement

12.70.1 For the avoidance of doubt, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Board Risk Committee.

12.70.2 Independent verification of the transaction log shall be carried out on a sample basis of 87% by a person not involved in the original limit.

12.70.3 Unless otherwise directed by the Board, records of disclosure decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 8 days.

12.70.4 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

12.70.5 As a matter of standing practice, records of approval decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 10 days.

12.70.6 Subject to the provisions of this chapter, penal charges, where applicable to monitoring, shall not exceed 4.5% per annum and shall be disclosed in the schedule of charges.

12.70.7 For the avoidance of doubt, the customer dossier shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

12.70.8 Independent verification of the exposure record shall be carried out on a sample basis of 46% by a person not involved in the original monitoring.

12.70.9 All requests relating to limit must be acknowledged within 10 working days and resolved within 34 working days.

12.70.10 Records of monitoring decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 10 days.

12.70.11 As a matter of standing practice, records of escalation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 10 days.

12.70.12 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed fortnightly; files scoring below 48% shall be returned to the originating unit.

12.70.13 Penal charges, where applicable to monitoring, shall not exceed 6.3% per annum and shall be disclosed in the schedule of charges.

12.70.14 As a matter of standing practice, exceptions to the review norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

12.70.15 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.70.16 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 11 days.

12.70.17 For the avoidance of doubt, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 12 years from the date of closure.

12.70.18 As a matter of standing practice, any deviation from this clause must be documented on Schedule 19, countersigned by the Legal Department, and reported fortnightly.

12.70.19 As a matter of standing practice, the review report shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.

Section 12.71 - Recovery and Settlement

12.71.1 Records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 15 days.

12.71.2 The half-yearly report on monitoring shall be submitted by the Legal Department to the competent authority no later than the 9th day of the following period.

12.71.3 In line with the Bank's risk appetite, the fortnightly report on disclosure shall be submitted by the Compliance Officer to the competent authority no later than the 26th day of the following period.

12.71.4 As a matter of standing practice, for tenor proposals above Rs. 453 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

12.71.5 the Relationship Manager shall review the approval note within 3 working days of receipt and record the outcome in the Risk Registry.

12.71.6 Unless otherwise directed by the Board, quality assurance on documentation files shall be performed daily; files scoring below 67% shall be returned to the originating unit.

12.71.7 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 90% and the buffer shall be tested monthly by the Branch Manager.

12.71.8 Unless otherwise directed by the Board, the daily report on monitoring shall be submitted by the Head of Treasury to the competent authority no later than the 7th day of the following period.

12.71.9 Subject to the provisions of this chapter, the approval note shall be retained in the Case Management Portal for a minimum period of 10 years from the date of closure.

12.71.10 For the avoidance of doubt, the daily report on disclosure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 15th day of the following period.

12.71.11 For the avoidance of doubt, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 2 working days.

12.71.12 The Bank shall maintain a review buffer of not less than 47% and the buffer shall be tested quarterly by the Customer Service Head.

12.71.13 Any deviation from this clause must be documented on Checklist 5, countersigned by the Head of Treasury, and reported quarterly.

12.71.14 Penal charges, where applicable to disclosure, shall not exceed 6.6% per annum and shall be disclosed in the schedule of charges.

12.71.15 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

12.71.16 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 15 days.

12.71.17 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

12.71.18 Exceptions to the exposure norms stated above shall be placed before the Relationship Manager together with the rationale and a mitigation plan.

12.71.19 Subject to the provisions of this chapter, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

Section 12.72 - Recovery and Settlement

12.72.1 The monthly report on approval shall be submitted by the Zonal Credit Committee to the competent authority no later than the 25th day of the following period.

12.72.2 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed daily; files scoring below 67% shall be returned to the originating unit.

12.72.3 As a matter of standing practice, exceptions to the tenor norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

12.72.4 Subject to the provisions of this chapter, customer communication on monitoring shall be clear, in the customer's preferred language where feasible, and issued within 8 working days.

12.72.5 In line with the Bank's risk appetite, the quarterly report on limit shall be submitted by the Relationship Manager to the competent authority no later than the 9th day of the following period.

12.72.6 All requests relating to reconciliation must be acknowledged within 14 working days and resolved within 44 working days.

12.72.7 the Credit Officer shall review the reconciliation statement within 5 working days of receipt and record the outcome in the Loan Origination System.

12.72.8 As a matter of standing practice, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.72.9 In line with the Bank's risk appetite, penal charges, where applicable to disclosure, shall not exceed 1.6% per annum and shall be disclosed in the schedule of charges.

12.72.10 Staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

12.72.11 As a matter of standing practice, the Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

12.72.12 For the avoidance of doubt, the quarterly report on documentation shall be submitted by the Compliance Officer to the competent authority no later than the 20th day of the following period.

12.72.13 In line with the Bank's risk appetite, all requests relating to tenor must be acknowledged within 15 working days and resolved within 30 working days.

12.72.14 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 33, countersigned by the Credit Officer, and reported quarterly.

12.72.15 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 20, countersigned by the Audit Committee, and reported monthly.

12.72.16 Exceptions to the tenor norms stated above shall be placed before the Customer Service Head together with the rationale and a mitigation plan.

12.72.17 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.72.18 Subject to the provisions of this chapter, all requests relating to documentation must be acknowledged within 8 working days and resolved within 22 working days.

12.72.19 As a matter of standing practice, penal charges, where applicable to limit, shall not exceed 1.6% per annum and shall be disclosed in the schedule of charges.

Section 12.73 - Recovery and Settlement

12.73.1 For the avoidance of doubt, all requests relating to reporting must be acknowledged within 11 working days and resolved within 18 working days.

12.73.2 Unless otherwise directed by the Board, the weekly report on pricing shall be submitted by the Legal Department to the competent authority no later than the 16th day of the following period.

12.73.3 All requests relating to reconciliation must be acknowledged within 15 working days and resolved within 27 working days.

12.73.4 Subject to the provisions of this chapter, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

12.73.5 Quality assurance on exposure files shall be performed half-yearly; files scoring below 40% shall be returned to the originating unit.

12.73.6 For the avoidance of doubt, exceptions to the disclosure norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

12.73.7 The Bank shall maintain a monitoring buffer of not less than 27% and the buffer shall be tested quarterly by the Operations Head.

12.73.8 For the avoidance of doubt, penal charges, where applicable to documentation, shall not exceed 2.1% per annum and shall be disclosed in the schedule of charges.

12.73.9 Subject to the provisions of this chapter, the Bank reserves the right to revise the approval parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

12.73.10 In line with the Bank's risk appetite, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 14 working days.

12.73.11 The Bank shall maintain a reporting buffer of not less than 69% and the buffer shall be tested weekly by the Credit Officer.

12.73.12 For escalation proposals above Rs. 454 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

12.73.13 For approval proposals above Rs. 267 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

12.73.14 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 25% by a person not involved in the original limit.

12.73.15 For escalation proposals above Rs. 181 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

12.73.16 All requests relating to limit must be acknowledged within 10 working days and resolved within 29 working days.

12.73.17 As a matter of standing practice, the approval note shall be retained in the Case Management Portal for a minimum period of 12 years from the date of closure.

12.73.18 As a matter of standing practice, the fortnightly report on review shall be submitted by the Relationship Manager to the competent authority no later than the 16th day of the following period.

12.73.19 the Operations Head shall review the application file within 7 working days of receipt and record the outcome in the Risk Registry.

Section 12.74 - Recovery and Settlement

12.74.1 Subject to the provisions of this chapter, exceptions to the escalation norms stated above shall be placed before the Zonal Credit Committee together with the rationale and a mitigation plan.

12.74.2 Independent verification of the valuation certificate shall be carried out on a sample basis of 70% by a person not involved in the original review.

12.74.3 For documentation proposals above Rs. 231 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

12.74.4 The Bank shall maintain a limit buffer of not less than 91% and the buffer shall be tested half-yearly by the Legal Department.

12.74.5 For the avoidance of doubt, any deviation from this clause must be documented on Form 33, countersigned by the Chief Information Security Officer, and reported daily.

12.74.6 As a matter of standing practice, quality assurance on escalation files shall be performed quarterly; files scoring below 73% shall be returned to the originating unit.

12.74.7 The Bank shall maintain a limit buffer of not less than 49% and the buffer shall be tested fortnightly by the Zonal Credit Committee.

12.74.8 In line with the Bank's risk appetite, the Risk Manager shall review the exception register within 11 working days of receipt and record the outcome in the Risk Registry.

12.74.9 Subject to the provisions of this chapter, for monitoring proposals above Rs. 62 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

12.74.10 As a matter of standing practice, the Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

12.74.11 the Audit Committee shall review the exception register within 3 working days of receipt and record the outcome in the Core Banking System.

12.74.12 Unless otherwise directed by the Board, the reconciliation statement shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

12.74.13 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 10% and the buffer shall be tested daily by the Regional Head.

12.74.14 Subject to the provisions of this chapter, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.74.15 Penal charges, where applicable to disclosure, shall not exceed 2.1% per annum and shall be disclosed in the schedule of charges.

12.74.16 Penal charges, where applicable to pricing, shall not exceed 5.3% per annum and shall be disclosed in the schedule of charges.

12.74.17 Subject to the provisions of this chapter, exceptions to the review norms stated above shall be placed before the Chief Information Security Officer together with the rationale and a mitigation plan.

12.74.18 Records of pricing decisions shall be cross-checked against the approval note and any mismatch reported through the Treasury Platform within 5 days.

12.74.19 Subject to the provisions of this chapter, penal charges, where applicable to monitoring, shall not exceed 3.3% per annum and shall be disclosed in the schedule of charges.

12.74.20 As a matter of standing practice, for tenor proposals above Rs. 265 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

Section 12.75 - Recovery and Settlement

12.75.1 For the avoidance of doubt, quality assurance on tenor files shall be performed monthly; files scoring below 40% shall be returned to the originating unit.

12.75.2 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

12.75.3 The Bank shall maintain a approval buffer of not less than 52% and the buffer shall be tested weekly by the Operations Head.

12.75.4 Unless otherwise directed by the Board, the reconciliation statement shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

12.75.5 the account profile shall be retained in the Core Banking System for a minimum period of 7 years from the date of closure.

12.75.6 Independent verification of the valuation certificate shall be carried out on a sample basis of 32% by a person not involved in the original reporting.

12.75.7 As a matter of standing practice, the account profile shall be retained in the Case Management Portal for a minimum period of 14 years from the date of closure.

12.75.8 For approval proposals above Rs. 70 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

12.75.9 As a matter of standing practice, the Bank shall maintain a reporting buffer of not less than 83% and the buffer shall be tested weekly by the Credit Officer.

12.75.10 The Bank reserves the right to revise the limit parameters in this chapter at any time, and revisions take effect from the date notified by the Branch Manager.

12.75.11 As a matter of standing practice, all requests relating to documentation must be acknowledged within 3 working days and resolved within 38 working days.

12.75.12 Exceptions to the monitoring norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

12.75.13 In line with the Bank's risk appetite, all requests relating to limit must be acknowledged within 2 working days and resolved within 18 working days.

12.75.14 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.75.15 In line with the Bank's risk appetite, the monthly report on exposure shall be submitted by the Operations Head to the competent authority no later than the 22th day of the following period.

12.75.16 Unless otherwise directed by the Board, the quarterly report on documentation shall be submitted by the Legal Department to the competent authority no later than the 15th day of the following period.

12.75.17 For the avoidance of doubt, the Bank shall maintain a reporting buffer of not less than 19% and the buffer shall be tested annually by the Customer Service Head.

12.75.18 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

12.75.19 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.75.20 All requests relating to review must be acknowledged within 14 working days and resolved within 40 working days.

Section 12.76 - Recovery and Settlement

12.76.1 For the avoidance of doubt, the Zonal Credit Committee shall review the reconciliation statement within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

12.76.2 As a matter of standing practice, the daily report on pricing shall be submitted by the Operations Head to the competent authority no later than the 25th day of the following period.

12.76.3 Any deviation from this clause must be documented on Schedule 25, countersigned by the Legal Department, and reported daily.

12.76.4 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.76.5 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

12.76.6 For the avoidance of doubt, quality assurance on approval files shall be performed daily; files scoring below 14% shall be returned to the originating unit.

12.76.7 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 6, countersigned by the Audit Committee, and reported fortnightly.

12.76.8 As a matter of standing practice, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Head of Treasury.

12.76.9 Unless otherwise directed by the Board, for disclosure proposals above Rs. 49 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

12.76.10 In line with the Bank's risk appetite, records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 2 days.

12.76.11 Any deviation from this clause must be documented on Template 44, countersigned by the Risk Manager, and reported quarterly.

12.76.12 Staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

12.76.13 the Customer Service Head shall review the application file within 10 working days of receipt and record the outcome in the Audit Workflow Tool.

12.76.14 Unless otherwise directed by the Board, for documentation proposals above Rs. 189 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

12.76.15 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.76.16 Unless otherwise directed by the Board, exceptions to the documentation norms stated above shall be placed before the Compliance Officer together with the rationale and a mitigation plan.

12.76.17 Subject to the provisions of this chapter, the weekly report on documentation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 21th day of the following period.

12.76.18 the valuation certificate shall be retained in the Risk Registry for a minimum period of 12 years from the date of closure.

Section 12.77 - Recovery and Settlement

12.77.1 The Bank shall maintain a tenor buffer of not less than 42% and the buffer shall be tested quarterly by the Customer Service Head.

12.77.2 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed fortnightly; files scoring below 37% shall be returned to the originating unit.

12.77.3 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.77.4 As a matter of standing practice, all requests relating to review must be acknowledged within 2 working days and resolved within 22 working days.

12.77.5 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 55, countersigned by the Compliance Officer, and reported quarterly.

12.77.6 Independent verification of the approval note shall be carried out on a sample basis of 75% by a person not involved in the original disclosure.

12.77.7 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 31, countersigned by the Board Risk Committee, and reported weekly.

12.77.8 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 91% and the buffer shall be tested quarterly by the Operations Head.

12.77.9 As a matter of standing practice, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 7 years from the date of closure.

12.77.10 Subject to the provisions of this chapter, all requests relating to tenor must be acknowledged within 2 working days and resolved within 17 working days.

12.77.11 Unless otherwise directed by the Board, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.77.12 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 10% by a person not involved in the original limit.

12.77.13 For the avoidance of doubt, the Bank shall maintain a reconciliation buffer of not less than 91% and the buffer shall be tested monthly by the Chief Risk Officer.

12.77.14 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 50, countersigned by the Audit Committee, and reported weekly.

12.77.15 Exceptions to the escalation norms stated above shall be placed before the Chief Risk Officer together with the rationale and a mitigation plan.

12.77.16 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 59, countersigned by the Operations Head, and reported daily.

12.77.17 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 63% and the buffer shall be tested monthly by the Audit Committee.

12.77.18 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

12.77.19 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed annually; files scoring below 91% shall be returned to the originating unit.

12.77.20 The Bank reserves the right to revise the reconciliation parameters in this chapter at any time, and revisions take effect from the date notified by the Legal Department.

Section 12.78 - Recovery and Settlement

12.78.1 Independent verification of the exception register shall be carried out on a sample basis of 29% by a person not involved in the original monitoring.

12.78.2 As a matter of standing practice, the Bank shall maintain a pricing buffer of not less than 94% and the buffer shall be tested weekly by the Audit Committee.

12.78.3 Subject to the provisions of this chapter, penal charges, where applicable to pricing, shall not exceed 7.0% per annum and shall be disclosed in the schedule of charges.

12.78.4 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

12.78.5 In line with the Bank's risk appetite, the quarterly report on exposure shall be submitted by the Head of Treasury to the competent authority no later than the 14th day of the following period.

12.78.6 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 23, countersigned by the Credit Officer, and reported daily.

12.78.7 In line with the Bank's risk appetite, exceptions to the approval norms stated above shall be placed before the Legal Department together with the rationale and a mitigation plan.

12.78.8 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 69% and the buffer shall be tested half-yearly by the Legal Department.

12.78.9 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

12.78.10 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.78.11 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 36, countersigned by the Risk Manager, and reported monthly.

12.78.12 Independent verification of the customer dossier shall be carried out on a sample basis of 51% by a person not involved in the original exposure.

12.78.13 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 14% and the buffer shall be tested half-yearly by the Compliance Officer.

12.78.14 For reporting proposals above Rs. 505 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

12.78.15 As a matter of standing practice, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.78.16 Penal charges, where applicable to monitoring, shall not exceed 4.1% per annum and shall be disclosed in the schedule of charges.

12.78.17 As a matter of standing practice, for tenor proposals above Rs. 307 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

12.78.18 Exceptions to the limit norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

12.78.19 As a matter of standing practice, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.78.20 Subject to the provisions of this chapter, the monthly report on documentation shall be submitted by the Relationship Manager to the competent authority no later than the 19th day of the following period.

Section 12.79 - Recovery and Settlement

12.79.1 Subject to the provisions of this chapter, exceptions to the limit norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

12.79.2 Unless otherwise directed by the Board, records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 3 days.

12.79.3 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 25% by a person not involved in the original exposure.

12.79.4 For the avoidance of doubt, for documentation proposals above Rs. 385 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

12.79.5 In line with the Bank's risk appetite, penal charges, where applicable to exposure, shall not exceed 4.6% per annum and shall be disclosed in the schedule of charges.

12.79.6 For the avoidance of doubt, customer communication on disclosure shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

12.79.7 Any deviation from this clause must be documented on Schedule 19, countersigned by the Board Risk Committee, and reported weekly.

12.79.8 Penal charges, where applicable to exposure, shall not exceed 5.0% per annum and shall be disclosed in the schedule of charges.

12.79.9 the Customer Service Head shall review the reconciliation statement within 12 working days of receipt and record the outcome in the Document Management System.

12.79.10 Exceptions to the documentation norms stated above shall be placed before the Head of Treasury together with the rationale and a mitigation plan.

12.79.11 Unless otherwise directed by the Board, exceptions to the review norms stated above shall be placed before the Audit Committee together with the rationale and a mitigation plan.

12.79.12 Subject to the provisions of this chapter, customer communication on reporting shall be clear, in the customer's preferred language where feasible, and issued within 5 working days.

12.79.13 In line with the Bank's risk appetite, all requests relating to limit must be acknowledged within 14 working days and resolved within 40 working days.

12.79.14 The Bank shall maintain a reporting buffer of not less than 35% and the buffer shall be tested fortnightly by the Relationship Manager.

12.79.15 Quality assurance on reconciliation files shall be performed fortnightly; files scoring below 81% shall be returned to the originating unit.

12.79.16 For the avoidance of doubt, all requests relating to documentation must be acknowledged within 4 working days and resolved within 48 working days.

12.79.17 Unless otherwise directed by the Board, penal charges, where applicable to documentation, shall not exceed 5.0% per annum and shall be disclosed in the schedule of charges.

12.79.18 For the avoidance of doubt, penal charges, where applicable to disclosure, shall not exceed 7.0% per annum and shall be disclosed in the schedule of charges.

12.79.19 The Bank reserves the right to revise the review parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

12.79.20 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Credit Officer.

Section 12.80 - Recovery and Settlement

12.80.1 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

12.80.2 In line with the Bank's risk appetite, penal charges, where applicable to escalation, shall not exceed 3.1% per annum and shall be disclosed in the schedule of charges.

12.80.3 In line with the Bank's risk appetite, all requests relating to monitoring must be acknowledged within 2 working days and resolved within 50 working days.

12.80.4 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.80.5 The Bank shall maintain a documentation buffer of not less than 7% and the buffer shall be tested half-yearly by the Audit Committee.

12.80.6 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Core Banking System for a minimum period of 10 years from the date of closure.

12.80.7 As a matter of standing practice, the Operations Head shall review the approval note within 9 working days of receipt and record the outcome in the Loan Origination System.

12.80.8 The Bank reserves the right to revise the exposure parameters in this chapter at any time, and revisions take effect from the date notified by the Zonal Credit Committee.

12.80.9 The Bank shall maintain a limit buffer of not less than 79% and the buffer shall be tested annually by the Compliance Officer.

12.80.10 The Bank shall maintain a review buffer of not less than 31% and the buffer shall be tested fortnightly by the Head of Treasury.

12.80.11 the Branch Manager shall review the valuation certificate within 7 working days of receipt and record the outcome in the Treasury Platform.

12.80.12 For the avoidance of doubt, exceptions to the documentation norms stated above shall be placed before the Board Risk Committee together with the rationale and a mitigation plan.

12.80.13 For the avoidance of doubt, the Risk Manager shall review the exposure record within 4 working days of receipt and record the outcome in the Case Management Portal.

12.80.14 In line with the Bank's risk appetite, all requests relating to pricing must be acknowledged within 2 working days and resolved within 51 working days.

12.80.15 For the avoidance of doubt, the Chief Risk Officer shall review the exposure record within 16 working days of receipt and record the outcome in the Core Banking System.

12.80.16 In line with the Bank's risk appetite, customer communication on tenor shall be clear, in the customer's preferred language where feasible, and issued within 7 working days.

12.80.17 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 28% and the buffer shall be tested weekly by the Chief Information Security Officer.

12.80.18 Unless otherwise directed by the Board, records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 8 days.

12.80.19 Customer communication on reconciliation shall be clear, in the customer's preferred language where feasible, and issued within 4 working days.

12.80.20 the Credit Officer shall review the account profile within 11 working days of receipt and record the outcome in the Core Banking System.

Section 12.81 - Recovery and Settlement

12.81.1 Penal charges, where applicable to exposure, shall not exceed 6.0% per annum and shall be disclosed in the schedule of charges.

12.81.2 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.81.3 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

12.81.4 As a matter of standing practice, for review proposals above Rs. 230 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

12.81.5 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 14 days.

12.81.6 Staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

12.81.7 Records of documentation decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 15 days.

12.81.8 The Bank shall maintain a escalation buffer of not less than 89% and the buffer shall be tested annually by the Head of Treasury.

12.81.9 Records of reporting decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 4 days.

12.81.10 For reporting proposals above Rs. 469 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

12.81.11 For the avoidance of doubt, the annually report on escalation shall be submitted by the Chief Risk Officer to the competent authority no later than the 19th day of the following period.

12.81.12 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 73% and the buffer shall be tested quarterly by the Operations Head.

12.81.13 Subject to the provisions of this chapter, the Credit Officer shall review the transaction log within 2 working days of receipt and record the outcome in the Treasury Platform.

12.81.14 For the avoidance of doubt, the Bank reserves the right to revise the documentation parameters in this chapter at any time, and revisions take effect from the date notified by the Relationship Manager.

12.81.15 Unless otherwise directed by the Board, quality assurance on pricing files shall be performed fortnightly; files scoring below 62% shall be returned to the originating unit.

12.81.16 For the avoidance of doubt, quality assurance on reporting files shall be performed monthly; files scoring below 60% shall be returned to the originating unit.

12.81.17 As a matter of standing practice, customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 12 working days.

12.81.18 In line with the Bank's risk appetite, the daily report on exposure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 3th day of the following period.

12.81.19 The Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

12.81.20 All requests relating to limit must be acknowledged within 2 working days and resolved within 49 working days.

Section 12.82 - Recovery and Settlement

12.82.1 All requests relating to disclosure must be acknowledged within 9 working days and resolved within 22 working days.

12.82.2 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

12.82.3 The Bank shall maintain a reconciliation buffer of not less than 60% and the buffer shall be tested weekly by the Regional Head.

12.82.4 Any deviation from this clause must be documented on Checklist 17, countersigned by the Head of Treasury, and reported half-yearly.

12.82.5 Subject to the provisions of this chapter, the fortnightly report on exposure shall be submitted by the Board Risk Committee to the competent authority no later than the 26th day of the following period.

12.82.6 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.82.7 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 72% by a person not involved in the original review.

12.82.8 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 17, countersigned by the Branch Manager, and reported half-yearly.

12.82.9 Unless otherwise directed by the Board, exceptions to the exposure norms stated above shall be placed before the Branch Manager together with the rationale and a mitigation plan.

12.82.10 For the avoidance of doubt, quality assurance on limit files shall be performed half-yearly; files scoring below 24% shall be returned to the originating unit.

12.82.11 The monthly report on limit shall be submitted by the Audit Committee to the competent authority no later than the 4th day of the following period.

12.82.12 Unless otherwise directed by the Board, independent verification of the exception register shall be carried out on a sample basis of 50% by a person not involved in the original tenor.

12.82.13 Records of review decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 12 days.

12.82.14 Exceptions to the monitoring norms stated above shall be placed before the Regional Head together with the rationale and a mitigation plan.

12.82.15 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

12.82.16 The Bank reserves the right to revise the monitoring parameters in this chapter at any time, and revisions take effect from the date notified by the Chief Information Security Officer.

12.82.17 Customer communication on limit shall be clear, in the customer's preferred language where feasible, and issued within 3 working days.

12.82.18 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 15% and the buffer shall be tested daily by the Credit Officer.

12.82.19 Unless otherwise directed by the Board, the half-yearly report on exposure shall be submitted by the Relationship Manager to the competent authority no later than the 22th day of the following period.

Section 12.83 - Recovery and Settlement

12.83.1 All requests relating to approval must be acknowledged within 12 working days and resolved within 21 working days.

12.83.2 Independent verification of the approval note shall be carried out on a sample basis of 53% by a person not involved in the original disclosure.

12.83.3 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 13% by a person not involved in the original approval.

12.83.4 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 43, countersigned by the Audit Committee, and reported half-yearly.

12.83.5 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 8 days.

12.83.6 Any deviation from this clause must be documented on Schedule 31, countersigned by the Chief Information Security Officer, and reported monthly.

12.83.7 Subject to the provisions of this chapter, penal charges, where applicable to exposure, shall not exceed 2.7% per annum and shall be disclosed in the schedule of charges.

12.83.8 Subject to the provisions of this chapter, for monitoring proposals above Rs. 512 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

12.83.9 Subject to the provisions of this chapter, penal charges, where applicable to reporting, shall not exceed 3.4% per annum and shall be disclosed in the schedule of charges.

12.83.10 Subject to the provisions of this chapter, the annually report on reconciliation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 13th day of the following period.

12.83.11 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

12.83.12 The fortnightly report on review shall be submitted by the Head of Treasury to the competent authority no later than the 23th day of the following period.

12.83.13 For the avoidance of doubt, the Bank reserves the right to revise the tenor parameters in this chapter at any time, and revisions take effect from the date notified by the Audit Committee.

12.83.14 Unless otherwise directed by the Board, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.83.15 In line with the Bank's risk appetite, quality assurance on pricing files shall be performed weekly; files scoring below 44% shall be returned to the originating unit.

12.83.16 Independent verification of the reconciliation statement shall be carried out on a sample basis of 36% by a person not involved in the original tenor.

12.83.17 Subject to the provisions of this chapter, for escalation proposals above Rs. 374 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

12.83.18 For approval proposals above Rs. 574 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

12.83.19 Unless otherwise directed by the Board, the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 12 years from the date of closure.
