Operations Policy

QA test document — separate operations source for retrieval isolation

Policy Rules

OP-01 Branch staff must complete end-of-day cash reconciliation before closing the branch.

Expected: The system should return this operational requirement.

OP-02 Cash reconciliation exceptions must be escalated to the branch manager.

Expected: The system should return this escalation path.

OP-03 This document contains no credit, mortgage, or gold-loan eligibility rules.

Expected: Loan eligibility questions should not be answered from this document.

QA Trap Questions

T1 What must branch staff complete before closing?

Expected: End-of-day cash reconciliation.

T2 Who receives cash reconciliation exceptions?

Expected: The branch manager.

T3 What is the mortgage LTV?

Expected: Not found in this document; do not guess.
