Mortgage Policy

QA test document — deliberately separate from Gold Loan Policy for assignment and cross-document tests

Policy Rules

MO-01 Standard residential mortgage LTV in this test policy is 80%.

Expected: A question about residential mortgage LTV should return 80% when this document is assigned.

MO-02 Mortgage eligibility requires income verification and property documentation.

Expected: The answer should mention both requirements.

MO-03 This document does not define gold-loan eligibility.

Expected: A gold-loan question cannot be answered from this document.

QA Trap Questions

T1 What is the residential mortgage LTV?

Expected: 80%.

T2 What documents are needed for mortgage eligibility?

Expected: Income verification and property documentation.

T3 What is the gold-loan LTV?

Expected: This document does not contain that answer; the AI should say it cannot find it in the assigned document.
