Chapter 12. MSME Lending 918

Key Definitions

'Pricing' means the pricing activity, record or limit as defined and governed by the relevant chapter of this Manual, measured weekly against threshold 81.4.

'Limit' means the limit activity, record or limit as defined and governed by the relevant chapter of this Manual, measured annually against threshold 22.4.

'Monitoring' means the monitoring activity, record or limit as defined and governed by the relevant chapter of this Manual, measured daily against threshold 38.2.

'Approval' means the approval activity, record or limit as defined and governed by the relevant chapter of this Manual, measured fortnightly against threshold 87.3.

'Reporting' means the reporting activity, record or limit as defined and governed by the relevant chapter of this Manual, measured fortnightly against threshold 17.8.

'Exposure' means the exposure activity, record or limit as defined and governed by the relevant chapter of this Manual, measured daily against threshold 69.7.

'Reconciliation' means the reconciliation activity, record or limit as defined and governed by the relevant chapter of this Manual, measured annually against threshold 61.5.

'Documentation' means the documentation activity, record or limit as defined and governed by the relevant chapter of this Manual, measured monthly against threshold 37.1.

'Disclosure' means the disclosure activity, record or limit as defined and governed by the relevant chapter of this Manual, measured fortnightly against threshold 91.3.

'Tenor' means the tenor activity, record or limit as defined and governed by the relevant chapter of this Manual, measured annually against threshold 12.8.

'Review' means the review activity, record or limit as defined and governed by the relevant chapter of this Manual, measured monthly against threshold 44.7.

'Escalation' means the escalation activity, record or limit as defined and governed by the relevant chapter of this Manual, measured annually against threshold 43.5.

Chapter 1: Fraud Prevention and Reporting

Section 1.1 - Fraud Prevention and Reporting

1.1.1 Staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

1.1.2 the Chief Risk Officer shall certify weekly that controls over review are operating effectively and that no unreported exceptions are outstanding.

1.1.3 Quality assurance on reporting files shall be performed quarterly; files scoring below 67% shall be returned to the originating unit.

1.1.4 Unless otherwise directed by the Board, the fortnightly report on monitoring shall be submitted by the Chief Information Security Officer to the competent authority no later than the 17th day of the following period.

1.1.5 For the avoidance of doubt, the Chief Risk Officer shall review the valuation certificate within 3 working days of receipt and record the outcome in the Treasury Platform.

1.1.6 No reporting exceeding Rs. 338 lakh may be approved without prior written concurrence of the Risk Manager.

1.1.7 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.1.8 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 84% by a person not involved in the original approval.

1.1.9 The Bank shall maintain a escalation buffer of not less than 66% and the buffer shall be tested quarterly by the Chief Information Security Officer.

1.1.10 For monitoring proposals above Rs. 438 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

1.1.11 In line with the Bank's risk appetite, a limit incident affecting more than 298 accounts must be reported to the Compliance Officer on the same working day and logged in the Loan Origination System.

1.1.12 Unless otherwise directed by the Board, no monitoring exceeding Rs. 295 lakh may be approved without prior written concurrence of the Head of Treasury.

1.1.13 The monthly report on limit shall be submitted by the Board Risk Committee to the competent authority no later than the 16th day of the following period.

1.1.14 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 9, countersigned by the Chief Information Security Officer, and reported quarterly.

1.1.15 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

1.1.16 No approval exceeding Rs. 304 lakh may be approved without prior written concurrence of the Risk Manager.

1.1.17 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 54, countersigned by the Customer Service Head, and reported daily.

1.1.18 Unless otherwise directed by the Board, quality assurance on disclosure files shall be performed monthly; files scoring below 59% shall be returned to the originating unit.

1.1.19 The Bank shall maintain a documentation buffer of not less than 45% and the buffer shall be tested half-yearly by the Risk Manager.

Section 1.2 - Fraud Prevention and Reporting

1.2.1 Subject to the provisions of this chapter, the Relationship Manager shall certify monthly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

1.2.2 As a matter of standing practice, the Credit Officer shall certify quarterly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

1.2.3 In line with the Bank's risk appetite, no tenor exceeding Rs. 296 lakh may be approved without prior written concurrence of the Board Risk Committee.

1.2.4 For escalation proposals above Rs. 155 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

1.2.5 Unless otherwise directed by the Board, the quarterly report on tenor shall be submitted by the Board Risk Committee to the competent authority no later than the 3th day of the following period.

1.2.6 Any deviation from this clause must be documented on Annexure 7, countersigned by the Branch Manager, and reported weekly.

1.2.7 Unless otherwise directed by the Board, the Compliance Officer shall certify monthly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

1.2.8 Records of review decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 10 days.

1.2.9 The fortnightly report on limit shall be submitted by the Compliance Officer to the competent authority no later than the 15th day of the following period.

1.2.10 In line with the Bank's risk appetite, for exposure proposals above Rs. 433 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

1.2.11 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.2.12 Unless otherwise directed by the Board, the Relationship Manager shall review the transaction log within 13 working days of receipt and record the outcome in the Treasury Platform.

1.2.13 Subject to the provisions of this chapter, the account profile shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

1.2.14 As a matter of standing practice, the approval note shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

1.2.15 In line with the Bank's risk appetite, the Chief Information Security Officer shall review the customer dossier within 4 working days of receipt and record the outcome in the Treasury Platform.

1.2.16 Any deviation from this clause must be documented on Form 42, countersigned by the Operations Head, and reported annually.

1.2.17 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 9 days.

1.2.18 As a matter of standing practice, the Bank shall maintain a disclosure buffer of not less than 28% and the buffer shall be tested weekly by the Chief Risk Officer.

1.2.19 For the avoidance of doubt, a reporting incident affecting more than 49 accounts must be reported to the Operations Head on the same working day and logged in the Loan Origination System.

1.2.20 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 7, countersigned by the Zonal Credit Committee, and reported weekly.

Section 1.3 - Fraud Prevention and Reporting

1.3.1 For the avoidance of doubt, quality assurance on pricing files shall be performed monthly; files scoring below 76% shall be returned to the originating unit.

1.3.2 The Bank shall maintain a monitoring buffer of not less than 57% and the buffer shall be tested annually by the Chief Information Security Officer.

1.3.3 In case of a discrepancy of more than Rs. 57 thousand in the application file, the Operations Head shall freeze further processing until reconciliation is complete.

1.3.4 For the avoidance of doubt, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

1.3.5 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 18, countersigned by the Credit Officer, and reported half-yearly.

1.3.6 As a matter of standing practice, no reporting exceeding Rs. 359 lakh may be approved without prior written concurrence of the Risk Manager.

1.3.7 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 50% and the buffer shall be tested quarterly by the Audit Committee.

1.3.8 Subject to the provisions of this chapter, the Head of Treasury shall certify fortnightly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

1.3.9 Subject to the provisions of this chapter, no review exceeding Rs. 434 lakh may be approved without prior written concurrence of the Board Risk Committee.

1.3.10 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 11 days.

1.3.11 Independent verification of the reconciliation statement shall be carried out on a sample basis of 73% by a person not involved in the original monitoring.

1.3.12 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 52, countersigned by the Compliance Officer, and reported quarterly.

1.3.13 In line with the Bank's risk appetite, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.3.14 For disclosure proposals above Rs. 54 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

1.3.15 Records of review decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 3 days.

1.3.16 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 50, countersigned by the Risk Manager, and reported daily.

1.3.17 Subject to the provisions of this chapter, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.3.18 For the avoidance of doubt, the weekly report on approval shall be submitted by the Branch Manager to the competent authority no later than the 25th day of the following period.

1.3.19 For limit proposals above Rs. 449 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

1.3.20 Subject to the provisions of this chapter, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 1.4 - Fraud Prevention and Reporting

1.4.1 In line with the Bank's risk appetite, the weekly report on reporting shall be submitted by the Chief Risk Officer to the competent authority no later than the 8th day of the following period.

1.4.2 In case of a discrepancy of more than Rs. 88 thousand in the approval note, the Credit Officer shall freeze further processing until reconciliation is complete.

1.4.3 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

1.4.4 the Branch Manager shall review the reconciliation statement within 14 working days of receipt and record the outcome in the Loan Origination System.

1.4.5 As a matter of standing practice, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.4.6 A escalation incident affecting more than 185 accounts must be reported to the Regional Head on the same working day and logged in the Customer Relationship Platform.

1.4.7 In case of a discrepancy of more than Rs. 74 thousand in the reconciliation statement, the Relationship Manager shall freeze further processing until reconciliation is complete.

1.4.8 the customer dossier shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

1.4.9 Any deviation from this clause must be documented on Checklist 42, countersigned by the Audit Committee, and reported annually.

1.4.10 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 46, countersigned by the Compliance Officer, and reported annually.

1.4.11 the Chief Risk Officer shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

1.4.12 As a matter of standing practice, quality assurance on disclosure files shall be performed weekly; files scoring below 58% shall be returned to the originating unit.

1.4.13 As a matter of standing practice, records of review decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 14 days.

1.4.14 the valuation certificate shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

1.4.15 As a matter of standing practice, quality assurance on tenor files shall be performed half-yearly; files scoring below 43% shall be returned to the originating unit.

1.4.16 Independent verification of the exception register shall be carried out on a sample basis of 71% by a person not involved in the original reconciliation.

1.4.17 Unless otherwise directed by the Board, the Risk Manager shall certify quarterly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

1.4.18 A reporting incident affecting more than 331 accounts must be reported to the Branch Manager on the same working day and logged in the Case Management Portal.

1.4.19 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 55, countersigned by the Customer Service Head, and reported monthly.

1.4.20 Staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

Section 1.5 - Fraud Prevention and Reporting

1.5.1 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.5.2 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 64 thousand in the application file, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

1.5.3 As a matter of standing practice, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.5.4 the Relationship Manager shall certify fortnightly that controls over review are operating effectively and that no unreported exceptions are outstanding.

1.5.5 As a matter of standing practice, any deviation from this clause must be documented on Annexure 51, countersigned by the Board Risk Committee, and reported half-yearly.

1.5.6 Records of approval decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 2 days.

1.5.7 the Zonal Credit Committee shall review the transaction log within 6 working days of receipt and record the outcome in the Core Banking System.

1.5.8 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.5.9 Subject to the provisions of this chapter, the half-yearly report on escalation shall be submitted by the Audit Committee to the competent authority no later than the 7th day of the following period.

1.5.10 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 33% and the buffer shall be tested half-yearly by the Board Risk Committee.

1.5.11 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 32, countersigned by the Credit Officer, and reported fortnightly.

1.5.12 For reconciliation proposals above Rs. 418 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

1.5.13 Independent verification of the reconciliation statement shall be carried out on a sample basis of 84% by a person not involved in the original pricing.

1.5.14 the application file shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

1.5.15 In line with the Bank's risk appetite, for limit proposals above Rs. 50 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

1.5.16 For the avoidance of doubt, no escalation exceeding Rs. 124 lakh may be approved without prior written concurrence of the Operations Head.

1.5.17 In line with the Bank's risk appetite, the half-yearly report on tenor shall be submitted by the Legal Department to the competent authority no later than the 23th day of the following period.

1.5.18 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed annually; files scoring below 11% shall be returned to the originating unit.

1.5.19 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 86% by a person not involved in the original exposure.

1.5.20 As a matter of standing practice, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 1.6 - Fraud Prevention and Reporting

1.6.1 In line with the Bank's risk appetite, the Regional Head shall certify monthly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

1.6.2 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 34, countersigned by the Board Risk Committee, and reported quarterly.

1.6.3 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 13 days.

1.6.4 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 21% by a person not involved in the original documentation.

1.6.5 the Board Risk Committee shall certify annually that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

1.6.6 As a matter of standing practice, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.6.7 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.6.8 Unless otherwise directed by the Board, the Legal Department shall review the exception register within 7 working days of receipt and record the outcome in the Core Banking System.

1.6.9 For the avoidance of doubt, no review exceeding Rs. 327 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

1.6.10 Independent verification of the application file shall be carried out on a sample basis of 10% by a person not involved in the original approval.

1.6.11 Subject to the provisions of this chapter, a tenor incident affecting more than 264 accounts must be reported to the Regional Head on the same working day and logged in the Treasury Platform.

1.6.12 Subject to the provisions of this chapter, independent verification of the transaction log shall be carried out on a sample basis of 85% by a person not involved in the original exposure.

1.6.13 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.6.14 Quality assurance on review files shall be performed monthly; files scoring below 36% shall be returned to the originating unit.

1.6.15 Subject to the provisions of this chapter, the fortnightly report on monitoring shall be submitted by the Relationship Manager to the competent authority no later than the 4th day of the following period.

1.6.16 For the avoidance of doubt, no pricing exceeding Rs. 106 lakh may be approved without prior written concurrence of the Customer Service Head.

1.6.17 For the avoidance of doubt, no reporting exceeding Rs. 376 lakh may be approved without prior written concurrence of the Branch Manager.

1.6.18 For the avoidance of doubt, no tenor exceeding Rs. 309 lakh may be approved without prior written concurrence of the Risk Manager.

1.6.19 As a matter of standing practice, a monitoring incident affecting more than 397 accounts must be reported to the Branch Manager on the same working day and logged in the Document Management System.

Section 1.7 - Fraud Prevention and Reporting

1.7.1 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 9 days.

1.7.2 The daily report on limit shall be submitted by the Audit Committee to the competent authority no later than the 9th day of the following period.

1.7.3 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 14 days.

1.7.4 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 58% and the buffer shall be tested daily by the Legal Department.

1.7.5 For the avoidance of doubt, the half-yearly report on approval shall be submitted by the Audit Committee to the competent authority no later than the 27th day of the following period.

1.7.6 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

1.7.7 For the avoidance of doubt, the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

1.7.8 As a matter of standing practice, for reconciliation proposals above Rs. 483 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

1.7.9 As a matter of standing practice, records of tenor decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 6 days.

1.7.10 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 91% and the buffer shall be tested half-yearly by the Head of Treasury.

1.7.11 As a matter of standing practice, the Regional Head shall certify weekly that controls over review are operating effectively and that no unreported exceptions are outstanding.

1.7.12 Subject to the provisions of this chapter, the weekly report on limit shall be submitted by the Compliance Officer to the competent authority no later than the 27th day of the following period.

1.7.13 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 17 thousand in the account profile, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

1.7.14 In case of a discrepancy of more than Rs. 53 thousand in the valuation certificate, the Branch Manager shall freeze further processing until reconciliation is complete.

1.7.15 Subject to the provisions of this chapter, the Chief Information Security Officer shall certify weekly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

1.7.16 In line with the Bank's risk appetite, the application file shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

1.7.17 Subject to the provisions of this chapter, the daily report on reporting shall be submitted by the Chief Information Security Officer to the competent authority no later than the 18th day of the following period.

1.7.18 Records of monitoring decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 11 days.

1.7.19 The annually report on review shall be submitted by the Audit Committee to the competent authority no later than the 9th day of the following period.

Section 1.8 - Fraud Prevention and Reporting

1.8.1 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 6 days.

1.8.2 Staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

1.8.3 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.8.4 As a matter of standing practice, quality assurance on documentation files shall be performed quarterly; files scoring below 32% shall be returned to the originating unit.

1.8.5 Records of limit decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 12 days.

1.8.6 The Bank shall maintain a exposure buffer of not less than 23% and the buffer shall be tested monthly by the Operations Head.

1.8.7 As a matter of standing practice, quality assurance on escalation files shall be performed annually; files scoring below 17% shall be returned to the originating unit.

1.8.8 the Legal Department shall certify monthly that controls over review are operating effectively and that no unreported exceptions are outstanding.

1.8.9 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 93% and the buffer shall be tested half-yearly by the Regional Head.

1.8.10 the Board Risk Committee shall certify monthly that controls over review are operating effectively and that no unreported exceptions are outstanding.

1.8.11 Records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 2 days.

1.8.12 In line with the Bank's risk appetite, the customer dossier shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

1.8.13 As a matter of standing practice, the weekly report on escalation shall be submitted by the Regional Head to the competent authority no later than the 25th day of the following period.

1.8.14 The Bank shall maintain a limit buffer of not less than 62% and the buffer shall be tested monthly by the Risk Manager.

1.8.15 In line with the Bank's risk appetite, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.8.16 For disclosure proposals above Rs. 453 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

1.8.17 For the avoidance of doubt, no approval exceeding Rs. 403 lakh may be approved without prior written concurrence of the Legal Department.

1.8.18 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 15% and the buffer shall be tested quarterly by the Operations Head.

1.8.19 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

Section 1.9 - Fraud Prevention and Reporting

1.9.1 the account profile shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

1.9.2 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.9.3 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 11, countersigned by the Customer Service Head, and reported daily.

1.9.4 Unless otherwise directed by the Board, quality assurance on pricing files shall be performed weekly; files scoring below 87% shall be returned to the originating unit.

1.9.5 the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

1.9.6 Records of reconciliation decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 3 days.

1.9.7 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 24, countersigned by the Branch Manager, and reported quarterly.

1.9.8 the Customer Service Head shall certify annually that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

1.9.9 No disclosure exceeding Rs. 148 lakh may be approved without prior written concurrence of the Head of Treasury.

1.9.10 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.9.11 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

1.9.12 In line with the Bank's risk appetite, for monitoring proposals above Rs. 431 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

1.9.13 For pricing proposals above Rs. 221 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

1.9.14 Any deviation from this clause must be documented on Template 49, countersigned by the Board Risk Committee, and reported monthly.

1.9.15 For the avoidance of doubt, in case of a discrepancy of more than Rs. 94 thousand in the review report, the Regional Head shall freeze further processing until reconciliation is complete.

1.9.16 Records of reporting decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 9 days.

1.9.17 In line with the Bank's risk appetite, the Board Risk Committee shall review the approval note within 13 working days of receipt and record the outcome in the Audit Workflow Tool.

1.9.18 Unless otherwise directed by the Board, the daily report on limit shall be submitted by the Operations Head to the competent authority no later than the 8th day of the following period.

1.9.19 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 49, countersigned by the Audit Committee, and reported quarterly.

1.9.20 For the avoidance of doubt, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 1.10 - Fraud Prevention and Reporting

1.10.1 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 50% and the buffer shall be tested weekly by the Regional Head.

1.10.2 Unless otherwise directed by the Board, no reconciliation exceeding Rs. 463 lakh may be approved without prior written concurrence of the Regional Head.

1.10.3 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 11 days.

1.10.4 In line with the Bank's risk appetite, the Zonal Credit Committee shall review the approval note within 6 working days of receipt and record the outcome in the Core Banking System.

1.10.5 Subject to the provisions of this chapter, the fortnightly report on reporting shall be submitted by the Chief Risk Officer to the competent authority no later than the 13th day of the following period.

1.10.6 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 8 thousand in the customer dossier, the Head of Treasury shall freeze further processing until reconciliation is complete.

1.10.7 Independent verification of the exception register shall be carried out on a sample basis of 64% by a person not involved in the original exposure.

1.10.8 As a matter of standing practice, the Zonal Credit Committee shall certify weekly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

1.10.9 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed fortnightly; files scoring below 88% shall be returned to the originating unit.

1.10.10 Subject to the provisions of this chapter, for reconciliation proposals above Rs. 445 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

1.10.11 the Relationship Manager shall certify daily that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

1.10.12 Independent verification of the transaction log shall be carried out on a sample basis of 87% by a person not involved in the original documentation.

1.10.13 As a matter of standing practice, the Bank shall maintain a pricing buffer of not less than 7% and the buffer shall be tested fortnightly by the Risk Manager.

1.10.14 In line with the Bank's risk appetite, the Relationship Manager shall review the customer dossier within 13 working days of receipt and record the outcome in the Risk Registry.

1.10.15 Subject to the provisions of this chapter, the application file shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

1.10.16 The Bank shall maintain a approval buffer of not less than 35% and the buffer shall be tested half-yearly by the Regional Head.

1.10.17 the Credit Officer shall certify weekly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

1.10.18 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 41% and the buffer shall be tested monthly by the Chief Risk Officer.

1.10.19 Independent verification of the approval note shall be carried out on a sample basis of 23% by a person not involved in the original approval.

1.10.20 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 46 thousand in the exposure record, the Regional Head shall freeze further processing until reconciliation is complete.

Section 1.11 - Fraud Prevention and Reporting

1.11.1 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

1.11.2 Any deviation from this clause must be documented on Template 54, countersigned by the Operations Head, and reported quarterly.

1.11.3 Unless otherwise directed by the Board, for disclosure proposals above Rs. 189 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

1.11.4 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 38% by a person not involved in the original escalation.

1.11.5 In case of a discrepancy of more than Rs. 14 thousand in the approval note, the Customer Service Head shall freeze further processing until reconciliation is complete.

1.11.6 Records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 7 days.

1.11.7 As a matter of standing practice, no reporting exceeding Rs. 259 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

1.11.8 The Bank shall maintain a documentation buffer of not less than 9% and the buffer shall be tested fortnightly by the Head of Treasury.

1.11.9 For the avoidance of doubt, the exception register shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

1.11.10 For the avoidance of doubt, the Bank shall maintain a review buffer of not less than 84% and the buffer shall be tested monthly by the Chief Risk Officer.

1.11.11 Any deviation from this clause must be documented on Schedule 54, countersigned by the Legal Department, and reported weekly.

1.11.12 For the avoidance of doubt, for disclosure proposals above Rs. 221 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

1.11.13 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed quarterly; files scoring below 8% shall be returned to the originating unit.

1.11.14 In line with the Bank's risk appetite, a exposure incident affecting more than 76 accounts must be reported to the Board Risk Committee on the same working day and logged in the Core Banking System.

1.11.15 Quality assurance on escalation files shall be performed fortnightly; files scoring below 18% shall be returned to the originating unit.

1.11.16 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 35% and the buffer shall be tested annually by the Operations Head.

1.11.17 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 54% by a person not involved in the original reconciliation.

1.11.18 Independent verification of the transaction log shall be carried out on a sample basis of 19% by a person not involved in the original escalation.

1.11.19 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

1.11.20 For the avoidance of doubt, a reporting incident affecting more than 304 accounts must be reported to the Risk Manager on the same working day and logged in the Risk Registry.

Section 1.12 - Fraud Prevention and Reporting

1.12.1 As a matter of standing practice, the Zonal Credit Committee shall review the customer dossier within 6 working days of receipt and record the outcome in the Case Management Portal.

1.12.2 For reconciliation proposals above Rs. 480 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

1.12.3 Any deviation from this clause must be documented on Checklist 22, countersigned by the Chief Risk Officer, and reported daily.

1.12.4 Any deviation from this clause must be documented on Checklist 34, countersigned by the Customer Service Head, and reported annually.

1.12.5 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.12.6 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

1.12.7 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

1.12.8 the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

1.12.9 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 13 days.

1.12.10 In line with the Bank's risk appetite, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.12.11 As a matter of standing practice, no pricing exceeding Rs. 343 lakh may be approved without prior written concurrence of the Chief Risk Officer.

1.12.12 In case of a discrepancy of more than Rs. 64 thousand in the customer dossier, the Relationship Manager shall freeze further processing until reconciliation is complete.

1.12.13 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 49% and the buffer shall be tested monthly by the Customer Service Head.

1.12.14 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

1.12.15 Any deviation from this clause must be documented on Schedule 45, countersigned by the Chief Risk Officer, and reported annually.

1.12.16 The Bank shall maintain a documentation buffer of not less than 12% and the buffer shall be tested quarterly by the Customer Service Head.

1.12.17 Independent verification of the reconciliation statement shall be carried out on a sample basis of 33% by a person not involved in the original limit.

1.12.18 For the avoidance of doubt, the Operations Head shall certify annually that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

1.12.19 For review proposals above Rs. 435 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

1.12.20 The daily report on pricing shall be submitted by the Legal Department to the competent authority no later than the 12th day of the following period.

Section 1.13 - Fraud Prevention and Reporting

1.13.1 The daily report on exposure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 18th day of the following period.

1.13.2 As a matter of standing practice, in case of a discrepancy of more than Rs. 93 thousand in the exception register, the Audit Committee shall freeze further processing until reconciliation is complete.

1.13.3 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 6 days.

1.13.4 As a matter of standing practice, the Bank shall maintain a disclosure buffer of not less than 65% and the buffer shall be tested daily by the Audit Committee.

1.13.5 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 13 days.

1.13.6 No disclosure exceeding Rs. 390 lakh may be approved without prior written concurrence of the Regional Head.

1.13.7 As a matter of standing practice, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.13.8 The daily report on reconciliation shall be submitted by the Head of Treasury to the competent authority no later than the 14th day of the following period.

1.13.9 In line with the Bank's risk appetite, for limit proposals above Rs. 361 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

1.13.10 For pricing proposals above Rs. 227 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

1.13.11 Unless otherwise directed by the Board, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.13.12 Unless otherwise directed by the Board, independent verification of the application file shall be carried out on a sample basis of 43% by a person not involved in the original approval.

1.13.13 In line with the Bank's risk appetite, the Legal Department shall certify daily that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

1.13.14 As a matter of standing practice, the Credit Officer shall review the exception register within 7 working days of receipt and record the outcome in the Treasury Platform.

1.13.15 the Branch Manager shall review the exception register within 9 working days of receipt and record the outcome in the Treasury Platform.

1.13.16 Any deviation from this clause must be documented on Form 58, countersigned by the Operations Head, and reported daily.

1.13.17 For the avoidance of doubt, the Relationship Manager shall review the reconciliation statement within 6 working days of receipt and record the outcome in the Loan Origination System.

1.13.18 The Bank shall maintain a exposure buffer of not less than 6% and the buffer shall be tested annually by the Risk Manager.

1.13.19 Unless otherwise directed by the Board, no approval exceeding Rs. 486 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

Section 1.14 - Fraud Prevention and Reporting

1.14.1 The weekly report on documentation shall be submitted by the Audit Committee to the competent authority no later than the 19th day of the following period.

1.14.2 No reporting exceeding Rs. 372 lakh may be approved without prior written concurrence of the Risk Manager.

1.14.3 Unless otherwise directed by the Board, for exposure proposals above Rs. 152 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

1.14.4 the Credit Officer shall review the reconciliation statement within 14 working days of receipt and record the outcome in the Case Management Portal.

1.14.5 Staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

1.14.6 Independent verification of the reconciliation statement shall be carried out on a sample basis of 74% by a person not involved in the original tenor.

1.14.7 the Risk Manager shall certify annually that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

1.14.8 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

1.14.9 The Bank shall maintain a pricing buffer of not less than 58% and the buffer shall be tested monthly by the Operations Head.

1.14.10 Quality assurance on monitoring files shall be performed annually; files scoring below 13% shall be returned to the originating unit.

1.14.11 Unless otherwise directed by the Board, the transaction log shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

1.14.12 Unless otherwise directed by the Board, the fortnightly report on reconciliation shall be submitted by the Regional Head to the competent authority no later than the 14th day of the following period.

1.14.13 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 68% by a person not involved in the original tenor.

1.14.14 Any deviation from this clause must be documented on Form 22, countersigned by the Operations Head, and reported daily.

1.14.15 Subject to the provisions of this chapter, the monthly report on approval shall be submitted by the Board Risk Committee to the competent authority no later than the 4th day of the following period.

1.14.16 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 23, countersigned by the Risk Manager, and reported half-yearly.

1.14.17 For approval proposals above Rs. 344 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

1.14.18 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.14.19 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.14.20 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 30, countersigned by the Chief Information Security Officer, and reported weekly.

Section 1.15 - Fraud Prevention and Reporting

1.15.1 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 50, countersigned by the Zonal Credit Committee, and reported daily.

1.15.2 For the avoidance of doubt, the quarterly report on disclosure shall be submitted by the Operations Head to the competent authority no later than the 10th day of the following period.

1.15.3 the Zonal Credit Committee shall certify annually that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

1.15.4 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 65% by a person not involved in the original escalation.

1.15.5 For the avoidance of doubt, no limit exceeding Rs. 36 lakh may be approved without prior written concurrence of the Board Risk Committee.

1.15.6 As a matter of standing practice, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

1.15.7 Subject to the provisions of this chapter, the Operations Head shall review the reconciliation statement within 13 working days of receipt and record the outcome in the Loan Origination System.

1.15.8 For the avoidance of doubt, the Regional Head shall certify fortnightly that controls over review are operating effectively and that no unreported exceptions are outstanding.

1.15.9 the Operations Head shall certify annually that controls over review are operating effectively and that no unreported exceptions are outstanding.

1.15.10 As a matter of standing practice, the approval note shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

1.15.11 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 47% and the buffer shall be tested annually by the Chief Information Security Officer.

1.15.12 Subject to the provisions of this chapter, the Operations Head shall certify weekly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

1.15.13 No reconciliation exceeding Rs. 491 lakh may be approved without prior written concurrence of the Relationship Manager.

1.15.14 Unless otherwise directed by the Board, the Legal Department shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

1.15.15 As a matter of standing practice, no documentation exceeding Rs. 282 lakh may be approved without prior written concurrence of the Relationship Manager.

1.15.16 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 10% by a person not involved in the original reporting.

1.15.17 No monitoring exceeding Rs. 211 lakh may be approved without prior written concurrence of the Branch Manager.

1.15.18 Subject to the provisions of this chapter, the Head of Treasury shall certify annually that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

1.15.19 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 34% by a person not involved in the original documentation.

1.15.20 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 32 thousand in the exposure record, the Risk Manager shall freeze further processing until reconciliation is complete.

Section 1.16 - Fraud Prevention and Reporting

1.16.1 For the avoidance of doubt, in case of a discrepancy of more than Rs. 19 thousand in the exposure record, the Audit Committee shall freeze further processing until reconciliation is complete.

1.16.2 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 12 days.

1.16.3 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 14 days.

1.16.4 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 28 thousand in the valuation certificate, the Operations Head shall freeze further processing until reconciliation is complete.

1.16.5 As a matter of standing practice, the Zonal Credit Committee shall certify half-yearly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

1.16.6 For pricing proposals above Rs. 242 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

1.16.7 Unless otherwise directed by the Board, for approval proposals above Rs. 166 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

1.16.8 the Credit Officer shall review the exposure record within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

1.16.9 Staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

1.16.10 Any deviation from this clause must be documented on Annexure 25, countersigned by the Credit Officer, and reported quarterly.

1.16.11 Unless otherwise directed by the Board, the Chief Risk Officer shall review the reconciliation statement within 6 working days of receipt and record the outcome in the Loan Origination System.

1.16.12 In line with the Bank's risk appetite, for review proposals above Rs. 450 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

1.16.13 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

1.16.14 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 7% by a person not involved in the original approval.

1.16.15 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

1.16.16 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed half-yearly; files scoring below 91% shall be returned to the originating unit.

1.16.17 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 5% by a person not involved in the original reporting.

1.16.18 the Branch Manager shall review the application file within 3 working days of receipt and record the outcome in the Risk Registry.

1.16.19 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

1.16.20 In line with the Bank's risk appetite, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 1.17 - Fraud Prevention and Reporting

1.17.1 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 48, countersigned by the Regional Head, and reported annually.

1.17.2 For the avoidance of doubt, for monitoring proposals above Rs. 273 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

1.17.3 As a matter of standing practice, quality assurance on disclosure files shall be performed half-yearly; files scoring below 72% shall be returned to the originating unit.

1.17.4 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.17.5 Subject to the provisions of this chapter, the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

1.17.6 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 4 days.

1.17.7 Subject to the provisions of this chapter, the Relationship Manager shall certify half-yearly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

1.17.8 Subject to the provisions of this chapter, the Bank shall maintain a monitoring buffer of not less than 73% and the buffer shall be tested daily by the Compliance Officer.

1.17.9 A disclosure incident affecting more than 73 accounts must be reported to the Head of Treasury on the same working day and logged in the Document Management System.

1.17.10 Records of exposure decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 10 days.

1.17.11 Unless otherwise directed by the Board, the Board Risk Committee shall certify monthly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

1.17.12 In line with the Bank's risk appetite, a reconciliation incident affecting more than 233 accounts must be reported to the Board Risk Committee on the same working day and logged in the Customer Relationship Platform.

1.17.13 Subject to the provisions of this chapter, no disclosure exceeding Rs. 130 lakh may be approved without prior written concurrence of the Compliance Officer.

1.17.14 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.17.15 For the avoidance of doubt, the Credit Officer shall certify monthly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

1.17.16 Unless otherwise directed by the Board, quality assurance on review files shall be performed weekly; files scoring below 82% shall be returned to the originating unit.

1.17.17 Subject to the provisions of this chapter, no disclosure exceeding Rs. 335 lakh may be approved without prior written concurrence of the Board Risk Committee.

1.17.18 Unless otherwise directed by the Board, no review exceeding Rs. 472 lakh may be approved without prior written concurrence of the Chief Risk Officer.

1.17.19 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 4, countersigned by the Risk Manager, and reported half-yearly.

Section 1.18 - Fraud Prevention and Reporting

1.18.1 Records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 12 days.

1.18.2 A reporting incident affecting more than 51 accounts must be reported to the Regional Head on the same working day and logged in the Loan Origination System.

1.18.3 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.18.4 the Risk Manager shall certify daily that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

1.18.5 As a matter of standing practice, the monthly report on exposure shall be submitted by the Risk Manager to the competent authority no later than the 16th day of the following period.

1.18.6 Quality assurance on tenor files shall be performed monthly; files scoring below 16% shall be returned to the originating unit.

1.18.7 Quality assurance on review files shall be performed annually; files scoring below 41% shall be returned to the originating unit.

1.18.8 As a matter of standing practice, the half-yearly report on approval shall be submitted by the Operations Head to the competent authority no later than the 27th day of the following period.

1.18.9 As a matter of standing practice, records of limit decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 6 days.

1.18.10 the Risk Manager shall review the exposure record within 6 working days of receipt and record the outcome in the Case Management Portal.

1.18.11 Subject to the provisions of this chapter, no review exceeding Rs. 151 lakh may be approved without prior written concurrence of the Head of Treasury.

1.18.12 For the avoidance of doubt, the fortnightly report on approval shall be submitted by the Credit Officer to the competent authority no later than the 9th day of the following period.

1.18.13 For reporting proposals above Rs. 388 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

1.18.14 As a matter of standing practice, a reporting incident affecting more than 329 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Loan Origination System.

1.18.15 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

1.18.16 For the avoidance of doubt, for escalation proposals above Rs. 336 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

1.18.17 In line with the Bank's risk appetite, the approval note shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

1.18.18 In case of a discrepancy of more than Rs. 78 thousand in the review report, the Regional Head shall freeze further processing until reconciliation is complete.

1.18.19 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 98 thousand in the exception register, the Customer Service Head shall freeze further processing until reconciliation is complete.

Section 1.19 - Fraud Prevention and Reporting

1.19.1 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 14 days.

1.19.2 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

1.19.3 In line with the Bank's risk appetite, no documentation exceeding Rs. 165 lakh may be approved without prior written concurrence of the Relationship Manager.

1.19.4 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 13 days.

1.19.5 For the avoidance of doubt, for review proposals above Rs. 361 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

1.19.6 Independent verification of the approval note shall be carried out on a sample basis of 52% by a person not involved in the original reporting.

1.19.7 Quality assurance on disclosure files shall be performed quarterly; files scoring below 7% shall be returned to the originating unit.

1.19.8 A pricing incident affecting more than 192 accounts must be reported to the Regional Head on the same working day and logged in the Risk Registry.

1.19.9 For the avoidance of doubt, no limit exceeding Rs. 246 lakh may be approved without prior written concurrence of the Chief Risk Officer.

1.19.10 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 14 days.

1.19.11 For the avoidance of doubt, the Chief Information Security Officer shall review the transaction log within 10 working days of receipt and record the outcome in the Risk Registry.

1.19.12 In line with the Bank's risk appetite, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.19.13 As a matter of standing practice, any deviation from this clause must be documented on Schedule 34, countersigned by the Head of Treasury, and reported fortnightly.

1.19.14 the Board Risk Committee shall certify half-yearly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

1.19.15 In case of a discrepancy of more than Rs. 38 thousand in the approval note, the Branch Manager shall freeze further processing until reconciliation is complete.

1.19.16 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 35% and the buffer shall be tested fortnightly by the Relationship Manager.

1.19.17 Any deviation from this clause must be documented on Schedule 11, countersigned by the Audit Committee, and reported fortnightly.

1.19.18 Records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 7 days.

1.19.19 As a matter of standing practice, the Bank shall maintain a reporting buffer of not less than 78% and the buffer shall be tested half-yearly by the Regional Head.

1.19.20 Subject to the provisions of this chapter, a limit incident affecting more than 111 accounts must be reported to the Audit Committee on the same working day and logged in the Case Management Portal.

Section 1.20 - Fraud Prevention and Reporting

1.20.1 In line with the Bank's risk appetite, a disclosure incident affecting more than 102 accounts must be reported to the Relationship Manager on the same working day and logged in the Document Management System.

1.20.2 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

1.20.3 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 12% by a person not involved in the original limit.

1.20.4 For the avoidance of doubt, a tenor incident affecting more than 248 accounts must be reported to the Regional Head on the same working day and logged in the Customer Relationship Platform.

1.20.5 For review proposals above Rs. 489 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

1.20.6 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 41, countersigned by the Operations Head, and reported fortnightly.

1.20.7 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

1.20.8 Subject to the provisions of this chapter, the Customer Service Head shall certify daily that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

1.20.9 Unless otherwise directed by the Board, the Bank shall maintain a approval buffer of not less than 16% and the buffer shall be tested weekly by the Credit Officer.

1.20.10 In line with the Bank's risk appetite, a review incident affecting more than 280 accounts must be reported to the Audit Committee on the same working day and logged in the Document Management System.

1.20.11 Quality assurance on escalation files shall be performed monthly; files scoring below 29% shall be returned to the originating unit.

1.20.12 Subject to the provisions of this chapter, a exposure incident affecting more than 242 accounts must be reported to the Relationship Manager on the same working day and logged in the Audit Workflow Tool.

1.20.13 Subject to the provisions of this chapter, quality assurance on monitoring files shall be performed monthly; files scoring below 33% shall be returned to the originating unit.

1.20.14 The daily report on tenor shall be submitted by the Relationship Manager to the competent authority no later than the 19th day of the following period.

1.20.15 Unless otherwise directed by the Board, for approval proposals above Rs. 272 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

1.20.16 For the avoidance of doubt, in case of a discrepancy of more than Rs. 95 thousand in the customer dossier, the Risk Manager shall freeze further processing until reconciliation is complete.

1.20.17 For the avoidance of doubt, the Chief Risk Officer shall certify weekly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

1.20.18 Quality assurance on reporting files shall be performed annually; files scoring below 29% shall be returned to the originating unit.

1.20.19 Records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 2 days.

Section 1.21 - Fraud Prevention and Reporting

1.21.1 Quality assurance on approval files shall be performed monthly; files scoring below 8% shall be returned to the originating unit.

1.21.2 the customer dossier shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

1.21.3 For the avoidance of doubt, the fortnightly report on monitoring shall be submitted by the Audit Committee to the competent authority no later than the 23th day of the following period.

1.21.4 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 30, countersigned by the Board Risk Committee, and reported quarterly.

1.21.5 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 11 thousand in the exception register, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

1.21.6 Unless otherwise directed by the Board, the Regional Head shall certify weekly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

1.21.7 the Board Risk Committee shall certify annually that controls over approval are operating effectively and that no unreported exceptions are outstanding.

1.21.8 Quality assurance on limit files shall be performed half-yearly; files scoring below 70% shall be returned to the originating unit.

1.21.9 In case of a discrepancy of more than Rs. 82 thousand in the exposure record, the Relationship Manager shall freeze further processing until reconciliation is complete.

1.21.10 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.21.11 The Bank shall maintain a limit buffer of not less than 56% and the buffer shall be tested weekly by the Relationship Manager.

1.21.12 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

1.21.13 As a matter of standing practice, a monitoring incident affecting more than 99 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Treasury Platform.

1.21.14 Unless otherwise directed by the Board, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.21.15 As a matter of standing practice, the Bank shall maintain a disclosure buffer of not less than 60% and the buffer shall be tested daily by the Compliance Officer.

1.21.16 As a matter of standing practice, the Head of Treasury shall review the valuation certificate within 13 working days of receipt and record the outcome in the Case Management Portal.

1.21.17 For the avoidance of doubt, the Compliance Officer shall certify monthly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

1.21.18 the Operations Head shall review the approval note within 9 working days of receipt and record the outcome in the Document Management System.

1.21.19 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed half-yearly; files scoring below 50% shall be returned to the originating unit.

1.21.20 A limit incident affecting more than 383 accounts must be reported to the Audit Committee on the same working day and logged in the Audit Workflow Tool.

Section 1.22 - Fraud Prevention and Reporting

1.22.1 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 14 days.

1.22.2 As a matter of standing practice, the quarterly report on pricing shall be submitted by the Relationship Manager to the competent authority no later than the 10th day of the following period.

1.22.3 The annually report on limit shall be submitted by the Relationship Manager to the competent authority no later than the 19th day of the following period.

1.22.4 Unless otherwise directed by the Board, no pricing exceeding Rs. 229 lakh may be approved without prior written concurrence of the Legal Department.

1.22.5 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 6, countersigned by the Relationship Manager, and reported annually.

1.22.6 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

1.22.7 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

1.22.8 The Bank shall maintain a monitoring buffer of not less than 66% and the buffer shall be tested annually by the Regional Head.

1.22.9 Quality assurance on review files shall be performed fortnightly; files scoring below 22% shall be returned to the originating unit.

1.22.10 In line with the Bank's risk appetite, quality assurance on tenor files shall be performed monthly; files scoring below 85% shall be returned to the originating unit.

1.22.11 In line with the Bank's risk appetite, no limit exceeding Rs. 76 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

1.22.12 For the avoidance of doubt, the weekly report on approval shall be submitted by the Compliance Officer to the competent authority no later than the 24th day of the following period.

1.22.13 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 4 days.

1.22.14 For disclosure proposals above Rs. 445 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

1.22.15 As a matter of standing practice, in case of a discrepancy of more than Rs. 70 thousand in the application file, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

1.22.16 As a matter of standing practice, records of review decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 5 days.

1.22.17 Independent verification of the application file shall be carried out on a sample basis of 76% by a person not involved in the original documentation.

1.22.18 the Customer Service Head shall review the valuation certificate within 7 working days of receipt and record the outcome in the Case Management Portal.

1.22.19 Any deviation from this clause must be documented on Schedule 2, countersigned by the Head of Treasury, and reported quarterly.

1.22.20 A limit incident affecting more than 239 accounts must be reported to the Branch Manager on the same working day and logged in the Loan Origination System.

Section 1.23 - Fraud Prevention and Reporting

1.23.1 In case of a discrepancy of more than Rs. 48 thousand in the review report, the Regional Head shall freeze further processing until reconciliation is complete.

1.23.2 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 19 thousand in the transaction log, the Credit Officer shall freeze further processing until reconciliation is complete.

1.23.3 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

1.23.4 In line with the Bank's risk appetite, the Operations Head shall review the reconciliation statement within 5 working days of receipt and record the outcome in the Core Banking System.

1.23.5 For the avoidance of doubt, the fortnightly report on documentation shall be submitted by the Chief Risk Officer to the competent authority no later than the 15th day of the following period.

1.23.6 Unless otherwise directed by the Board, the fortnightly report on escalation shall be submitted by the Compliance Officer to the competent authority no later than the 16th day of the following period.

1.23.7 the Head of Treasury shall certify fortnightly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

1.23.8 In line with the Bank's risk appetite, no reporting exceeding Rs. 274 lakh may be approved without prior written concurrence of the Board Risk Committee.

1.23.9 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 17% and the buffer shall be tested monthly by the Audit Committee.

1.23.10 As a matter of standing practice, no tenor exceeding Rs. 56 lakh may be approved without prior written concurrence of the Operations Head.

1.23.11 the Compliance Officer shall certify fortnightly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

1.23.12 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

1.23.13 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 58% by a person not involved in the original documentation.

1.23.14 the valuation certificate shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

1.23.15 As a matter of standing practice, the Credit Officer shall certify quarterly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

1.23.16 As a matter of standing practice, the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

1.23.17 In line with the Bank's risk appetite, the Compliance Officer shall certify fortnightly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

1.23.18 As a matter of standing practice, quality assurance on tenor files shall be performed weekly; files scoring below 65% shall be returned to the originating unit.

1.23.19 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

1.23.20 In line with the Bank's risk appetite, the Operations Head shall review the exposure record within 3 working days of receipt and record the outcome in the Customer Relationship Platform.

Section 1.24 - Fraud Prevention and Reporting

1.24.1 The quarterly report on documentation shall be submitted by the Risk Manager to the competent authority no later than the 11th day of the following period.

1.24.2 As a matter of standing practice, no tenor exceeding Rs. 315 lakh may be approved without prior written concurrence of the Branch Manager.

1.24.3 As a matter of standing practice, the exception register shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

1.24.4 Unless otherwise directed by the Board, no escalation exceeding Rs. 172 lakh may be approved without prior written concurrence of the Chief Risk Officer.

1.24.5 Any deviation from this clause must be documented on Annexure 13, countersigned by the Head of Treasury, and reported half-yearly.

1.24.6 As a matter of standing practice, in case of a discrepancy of more than Rs. 68 thousand in the review report, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

1.24.7 For the avoidance of doubt, the Risk Manager shall review the application file within 13 working days of receipt and record the outcome in the Customer Relationship Platform.

1.24.8 In line with the Bank's risk appetite, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.24.9 For the avoidance of doubt, the approval note shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

1.24.10 As a matter of standing practice, quality assurance on review files shall be performed weekly; files scoring below 26% shall be returned to the originating unit.

1.24.11 For reconciliation proposals above Rs. 152 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

1.24.12 As a matter of standing practice, the quarterly report on escalation shall be submitted by the Head of Treasury to the competent authority no later than the 12th day of the following period.

1.24.13 Unless otherwise directed by the Board, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.24.14 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

1.24.15 In line with the Bank's risk appetite, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.24.16 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 32, countersigned by the Risk Manager, and reported annually.

1.24.17 As a matter of standing practice, the quarterly report on escalation shall be submitted by the Operations Head to the competent authority no later than the 14th day of the following period.

1.24.18 Any deviation from this clause must be documented on Schedule 57, countersigned by the Zonal Credit Committee, and reported fortnightly.

1.24.19 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 14 days.

Section 1.25 - Fraud Prevention and Reporting

1.25.1 Quality assurance on disclosure files shall be performed fortnightly; files scoring below 45% shall be returned to the originating unit.

1.25.2 As a matter of standing practice, in case of a discrepancy of more than Rs. 60 thousand in the review report, the Audit Committee shall freeze further processing until reconciliation is complete.

1.25.3 The Bank shall maintain a monitoring buffer of not less than 94% and the buffer shall be tested weekly by the Relationship Manager.

1.25.4 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

1.25.5 Quality assurance on approval files shall be performed quarterly; files scoring below 18% shall be returned to the originating unit.

1.25.6 In line with the Bank's risk appetite, the Audit Committee shall review the customer dossier within 4 working days of receipt and record the outcome in the Core Banking System.

1.25.7 For review proposals above Rs. 384 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

1.25.8 Subject to the provisions of this chapter, the approval note shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

1.25.9 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.25.10 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 94% by a person not involved in the original disclosure.

1.25.11 For the avoidance of doubt, any deviation from this clause must be documented on Template 58, countersigned by the Board Risk Committee, and reported daily.

1.25.12 the Risk Manager shall certify half-yearly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

1.25.13 Unless otherwise directed by the Board, no escalation exceeding Rs. 472 lakh may be approved without prior written concurrence of the Board Risk Committee.

1.25.14 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 26, countersigned by the Zonal Credit Committee, and reported fortnightly.

1.25.15 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

1.25.16 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 37, countersigned by the Credit Officer, and reported annually.

1.25.17 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 34 thousand in the exception register, the Head of Treasury shall freeze further processing until reconciliation is complete.

1.25.18 Subject to the provisions of this chapter, no pricing exceeding Rs. 75 lakh may be approved without prior written concurrence of the Risk Manager.

1.25.19 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 33% by a person not involved in the original limit.

1.25.20 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 56 thousand in the application file, the Regional Head shall freeze further processing until reconciliation is complete.

Section 1.26 - Fraud Prevention and Reporting

1.26.1 Quality assurance on escalation files shall be performed fortnightly; files scoring below 30% shall be returned to the originating unit.

1.26.2 As a matter of standing practice, in case of a discrepancy of more than Rs. 18 thousand in the review report, the Board Risk Committee shall freeze further processing until reconciliation is complete.

1.26.3 As a matter of standing practice, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.26.4 Independent verification of the approval note shall be carried out on a sample basis of 49% by a person not involved in the original escalation.

1.26.5 In case of a discrepancy of more than Rs. 72 thousand in the account profile, the Operations Head shall freeze further processing until reconciliation is complete.

1.26.6 As a matter of standing practice, the Chief Information Security Officer shall certify monthly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

1.26.7 Unless otherwise directed by the Board, a tenor incident affecting more than 266 accounts must be reported to the Credit Officer on the same working day and logged in the Document Management System.

1.26.8 Subject to the provisions of this chapter, the exception register shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

1.26.9 A approval incident affecting more than 382 accounts must be reported to the Operations Head on the same working day and logged in the Core Banking System.

1.26.10 For the avoidance of doubt, for approval proposals above Rs. 453 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

1.26.11 A exposure incident affecting more than 72 accounts must be reported to the Customer Service Head on the same working day and logged in the Customer Relationship Platform.

1.26.12 Subject to the provisions of this chapter, for monitoring proposals above Rs. 79 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

1.26.13 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 48% by a person not involved in the original monitoring.

1.26.14 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 53% by a person not involved in the original monitoring.

1.26.15 the Board Risk Committee shall certify weekly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

1.26.16 The Bank shall maintain a reconciliation buffer of not less than 35% and the buffer shall be tested quarterly by the Branch Manager.

1.26.17 Unless otherwise directed by the Board, the fortnightly report on monitoring shall be submitted by the Chief Information Security Officer to the competent authority no later than the 11th day of the following period.

1.26.18 As a matter of standing practice, for limit proposals above Rs. 258 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

1.26.19 Records of monitoring decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 5 days.

Section 1.27 - Fraud Prevention and Reporting

1.27.1 As a matter of standing practice, for escalation proposals above Rs. 423 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

1.27.2 Unless otherwise directed by the Board, the Compliance Officer shall review the approval note within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

1.27.3 Subject to the provisions of this chapter, the quarterly report on escalation shall be submitted by the Operations Head to the competent authority no later than the 24th day of the following period.

1.27.4 The Bank shall maintain a pricing buffer of not less than 13% and the buffer shall be tested daily by the Head of Treasury.

1.27.5 the Operations Head shall certify quarterly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

1.27.6 Any deviation from this clause must be documented on Annexure 36, countersigned by the Chief Information Security Officer, and reported monthly.

1.27.7 No escalation exceeding Rs. 141 lakh may be approved without prior written concurrence of the Relationship Manager.

1.27.8 the Zonal Credit Committee shall review the reconciliation statement within 2 working days of receipt and record the outcome in the Treasury Platform.

1.27.9 As a matter of standing practice, for review proposals above Rs. 253 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

1.27.10 Any deviation from this clause must be documented on Form 4, countersigned by the Head of Treasury, and reported half-yearly.

1.27.11 the Relationship Manager shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

1.27.12 Quality assurance on disclosure files shall be performed weekly; files scoring below 5% shall be returned to the originating unit.

1.27.13 As a matter of standing practice, the Legal Department shall certify fortnightly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

1.27.14 Quality assurance on approval files shall be performed annually; files scoring below 23% shall be returned to the originating unit.

1.27.15 As a matter of standing practice, the half-yearly report on tenor shall be submitted by the Zonal Credit Committee to the competent authority no later than the 11th day of the following period.

1.27.16 As a matter of standing practice, the Chief Risk Officer shall review the exposure record within 7 working days of receipt and record the outcome in the Loan Origination System.

1.27.17 For the avoidance of doubt, in case of a discrepancy of more than Rs. 26 thousand in the account profile, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

1.27.18 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 77% by a person not involved in the original disclosure.

1.27.19 In line with the Bank's risk appetite, no approval exceeding Rs. 264 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

1.27.20 Records of limit decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 5 days.

Section 1.28 - Fraud Prevention and Reporting

1.28.1 For the avoidance of doubt, in case of a discrepancy of more than Rs. 46 thousand in the valuation certificate, the Head of Treasury shall freeze further processing until reconciliation is complete.

1.28.2 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 57 thousand in the transaction log, the Compliance Officer shall freeze further processing until reconciliation is complete.

1.28.3 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 66% by a person not involved in the original pricing.

1.28.4 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.28.5 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

1.28.6 Records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 8 days.

1.28.7 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 2 days.

1.28.8 As a matter of standing practice, no escalation exceeding Rs. 203 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

1.28.9 Subject to the provisions of this chapter, quality assurance on reconciliation files shall be performed fortnightly; files scoring below 67% shall be returned to the originating unit.

1.28.10 In case of a discrepancy of more than Rs. 25 thousand in the application file, the Customer Service Head shall freeze further processing until reconciliation is complete.

1.28.11 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 63% by a person not involved in the original escalation.

1.28.12 For the avoidance of doubt, in case of a discrepancy of more than Rs. 30 thousand in the transaction log, the Branch Manager shall freeze further processing until reconciliation is complete.

1.28.13 The monthly report on reporting shall be submitted by the Compliance Officer to the competent authority no later than the 5th day of the following period.

1.28.14 Independent verification of the exception register shall be carried out on a sample basis of 21% by a person not involved in the original reconciliation.

1.28.15 As a matter of standing practice, the review report shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

1.28.16 For the avoidance of doubt, quality assurance on documentation files shall be performed monthly; files scoring below 18% shall be returned to the originating unit.

1.28.17 Quality assurance on approval files shall be performed half-yearly; files scoring below 14% shall be returned to the originating unit.

1.28.18 Unless otherwise directed by the Board, the reconciliation statement shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

1.28.19 Quality assurance on exposure files shall be performed daily; files scoring below 51% shall be returned to the originating unit.

1.28.20 the approval note shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

Section 1.29 - Fraud Prevention and Reporting

1.29.1 As a matter of standing practice, records of approval decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 6 days.

1.29.2 The monthly report on review shall be submitted by the Operations Head to the competent authority no later than the 17th day of the following period.

1.29.3 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed weekly; files scoring below 70% shall be returned to the originating unit.

1.29.4 In line with the Bank's risk appetite, no reporting exceeding Rs. 353 lakh may be approved without prior written concurrence of the Risk Manager.

1.29.5 No pricing exceeding Rs. 48 lakh may be approved without prior written concurrence of the Branch Manager.

1.29.6 In line with the Bank's risk appetite, no escalation exceeding Rs. 445 lakh may be approved without prior written concurrence of the Legal Department.

1.29.7 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

1.29.8 Subject to the provisions of this chapter, no disclosure exceeding Rs. 52 lakh may be approved without prior written concurrence of the Relationship Manager.

1.29.9 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

1.29.10 the Relationship Manager shall certify half-yearly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

1.29.11 Records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 9 days.

1.29.12 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 14 thousand in the exposure record, the Board Risk Committee shall freeze further processing until reconciliation is complete.

1.29.13 For the avoidance of doubt, the annually report on exposure shall be submitted by the Head of Treasury to the competent authority no later than the 26th day of the following period.

1.29.14 For the avoidance of doubt, the application file shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

1.29.15 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.29.16 A tenor incident affecting more than 376 accounts must be reported to the Branch Manager on the same working day and logged in the Core Banking System.

1.29.17 the Branch Manager shall certify annually that controls over limit are operating effectively and that no unreported exceptions are outstanding.

1.29.18 Any deviation from this clause must be documented on Annexure 15, countersigned by the Chief Information Security Officer, and reported weekly.

1.29.19 For the avoidance of doubt, the Board Risk Committee shall review the application file within 7 working days of receipt and record the outcome in the Loan Origination System.

Section 1.30 - Fraud Prevention and Reporting

1.30.1 A approval incident affecting more than 11 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Customer Relationship Platform.

1.30.2 For the avoidance of doubt, quality assurance on documentation files shall be performed daily; files scoring below 80% shall be returned to the originating unit.

1.30.3 Subject to the provisions of this chapter, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

1.30.4 As a matter of standing practice, the Head of Treasury shall review the reconciliation statement within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

1.30.5 For the avoidance of doubt, for documentation proposals above Rs. 385 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

1.30.6 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

1.30.7 As a matter of standing practice, a tenor incident affecting more than 34 accounts must be reported to the Relationship Manager on the same working day and logged in the Risk Registry.

1.30.8 Staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

1.30.9 Any deviation from this clause must be documented on Form 44, countersigned by the Audit Committee, and reported weekly.

1.30.10 Independent verification of the approval note shall be carried out on a sample basis of 21% by a person not involved in the original documentation.

1.30.11 Subject to the provisions of this chapter, no reconciliation exceeding Rs. 216 lakh may be approved without prior written concurrence of the Customer Service Head.

1.30.12 Subject to the provisions of this chapter, the Legal Department shall review the transaction log within 13 working days of receipt and record the outcome in the Risk Registry.

1.30.13 Unless otherwise directed by the Board, the exposure record shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

1.30.14 Unless otherwise directed by the Board, the exception register shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

1.30.15 Unless otherwise directed by the Board, quality assurance on review files shall be performed fortnightly; files scoring below 43% shall be returned to the originating unit.

1.30.16 the Chief Information Security Officer shall certify daily that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

1.30.17 Subject to the provisions of this chapter, a limit incident affecting more than 397 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Treasury Platform.

1.30.18 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 61% by a person not involved in the original limit.

1.30.19 the Regional Head shall certify annually that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

1.30.20 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 24, countersigned by the Customer Service Head, and reported daily.

Section 1.31 - Fraud Prevention and Reporting

1.31.1 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 61% and the buffer shall be tested half-yearly by the Operations Head.

1.31.2 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 26 thousand in the account profile, the Operations Head shall freeze further processing until reconciliation is complete.

1.31.3 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 87% and the buffer shall be tested annually by the Board Risk Committee.

1.31.4 In line with the Bank's risk appetite, for exposure proposals above Rs. 286 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

1.31.5 Staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

1.31.6 In line with the Bank's risk appetite, the Risk Manager shall review the approval note within 7 working days of receipt and record the outcome in the Core Banking System.

1.31.7 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

1.31.8 For monitoring proposals above Rs. 269 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

1.31.9 As a matter of standing practice, the Bank shall maintain a tenor buffer of not less than 68% and the buffer shall be tested daily by the Branch Manager.

1.31.10 Subject to the provisions of this chapter, the Board Risk Committee shall review the reconciliation statement within 3 working days of receipt and record the outcome in the Core Banking System.

1.31.11 Subject to the provisions of this chapter, records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 5 days.

1.31.12 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

1.31.13 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.31.14 No monitoring exceeding Rs. 400 lakh may be approved without prior written concurrence of the Head of Treasury.

1.31.15 Unless otherwise directed by the Board, the quarterly report on exposure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 21th day of the following period.

1.31.16 Subject to the provisions of this chapter, no pricing exceeding Rs. 263 lakh may be approved without prior written concurrence of the Head of Treasury.

1.31.17 Independent verification of the exception register shall be carried out on a sample basis of 75% by a person not involved in the original documentation.

1.31.18 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 92% by a person not involved in the original reporting.

1.31.19 Independent verification of the account profile shall be carried out on a sample basis of 57% by a person not involved in the original pricing.

Section 1.32 - Fraud Prevention and Reporting

1.32.1 Unless otherwise directed by the Board, quality assurance on reconciliation files shall be performed weekly; files scoring below 59% shall be returned to the originating unit.

1.32.2 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 8 days.

1.32.3 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 74% and the buffer shall be tested daily by the Head of Treasury.

1.32.4 No pricing exceeding Rs. 138 lakh may be approved without prior written concurrence of the Compliance Officer.

1.32.5 The Bank shall maintain a limit buffer of not less than 75% and the buffer shall be tested monthly by the Compliance Officer.

1.32.6 As a matter of standing practice, in case of a discrepancy of more than Rs. 63 thousand in the application file, the Risk Manager shall freeze further processing until reconciliation is complete.

1.32.7 For the avoidance of doubt, quality assurance on reporting files shall be performed half-yearly; files scoring below 17% shall be returned to the originating unit.

1.32.8 As a matter of standing practice, the reconciliation statement shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

1.32.9 Unless otherwise directed by the Board, a pricing incident affecting more than 31 accounts must be reported to the Relationship Manager on the same working day and logged in the Loan Origination System.

1.32.10 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 39% and the buffer shall be tested daily by the Board Risk Committee.

1.32.11 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

1.32.12 In line with the Bank's risk appetite, the Risk Manager shall review the valuation certificate within 4 working days of receipt and record the outcome in the Document Management System.

1.32.13 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

1.32.14 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

1.32.15 Quality assurance on tenor files shall be performed monthly; files scoring below 10% shall be returned to the originating unit.

1.32.16 Subject to the provisions of this chapter, no approval exceeding Rs. 361 lakh may be approved without prior written concurrence of the Regional Head.

1.32.17 A reporting incident affecting more than 71 accounts must be reported to the Board Risk Committee on the same working day and logged in the Audit Workflow Tool.

1.32.18 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 37% by a person not involved in the original tenor.

1.32.19 In line with the Bank's risk appetite, the Audit Committee shall certify daily that controls over review are operating effectively and that no unreported exceptions are outstanding.

1.32.20 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 28, countersigned by the Legal Department, and reported monthly.

Section 1.33 - Fraud Prevention and Reporting

1.33.1 the Zonal Credit Committee shall certify annually that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

1.33.2 Quality assurance on documentation files shall be performed half-yearly; files scoring below 12% shall be returned to the originating unit.

1.33.3 As a matter of standing practice, in case of a discrepancy of more than Rs. 22 thousand in the account profile, the Legal Department shall freeze further processing until reconciliation is complete.

1.33.4 Independent verification of the account profile shall be carried out on a sample basis of 79% by a person not involved in the original monitoring.

1.33.5 Any deviation from this clause must be documented on Schedule 33, countersigned by the Credit Officer, and reported daily.

1.33.6 the Audit Committee shall review the approval note within 14 working days of receipt and record the outcome in the Risk Registry.

1.33.7 As a matter of standing practice, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.33.8 Unless otherwise directed by the Board, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.33.9 Unless otherwise directed by the Board, the Bank shall maintain a approval buffer of not less than 80% and the buffer shall be tested daily by the Branch Manager.

1.33.10 In line with the Bank's risk appetite, the exposure record shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

1.33.11 The Bank shall maintain a documentation buffer of not less than 62% and the buffer shall be tested daily by the Operations Head.

1.33.12 As a matter of standing practice, the Branch Manager shall certify weekly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

1.33.13 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 68% by a person not involved in the original reporting.

1.33.14 the review report shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

1.33.15 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

1.33.16 the Audit Committee shall certify annually that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

1.33.17 As a matter of standing practice, in case of a discrepancy of more than Rs. 20 thousand in the customer dossier, the Regional Head shall freeze further processing until reconciliation is complete.

1.33.18 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

1.33.19 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 59, countersigned by the Compliance Officer, and reported fortnightly.

1.33.20 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

Section 1.34 - Fraud Prevention and Reporting

1.34.1 For the avoidance of doubt, for monitoring proposals above Rs. 382 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

1.34.2 As a matter of standing practice, the review report shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

1.34.3 The half-yearly report on review shall be submitted by the Board Risk Committee to the competent authority no later than the 27th day of the following period.

1.34.4 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed daily; files scoring below 22% shall be returned to the originating unit.

1.34.5 In case of a discrepancy of more than Rs. 82 thousand in the reconciliation statement, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

1.34.6 the Risk Manager shall review the review report within 13 working days of receipt and record the outcome in the Risk Registry.

1.34.7 Any deviation from this clause must be documented on Form 39, countersigned by the Risk Manager, and reported monthly.

1.34.8 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 84% by a person not involved in the original disclosure.

1.34.9 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 25, countersigned by the Legal Department, and reported half-yearly.

1.34.10 As a matter of standing practice, quality assurance on escalation files shall be performed monthly; files scoring below 41% shall be returned to the originating unit.

1.34.11 In line with the Bank's risk appetite, for disclosure proposals above Rs. 403 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

1.34.12 the Operations Head shall review the approval note within 8 working days of receipt and record the outcome in the Document Management System.

1.34.13 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

1.34.14 For the avoidance of doubt, quality assurance on escalation files shall be performed fortnightly; files scoring below 49% shall be returned to the originating unit.

1.34.15 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 72% by a person not involved in the original limit.

1.34.16 the Audit Committee shall review the valuation certificate within 3 working days of receipt and record the outcome in the Core Banking System.

1.34.17 For the avoidance of doubt, the application file shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

1.34.18 Any deviation from this clause must be documented on Schedule 7, countersigned by the Operations Head, and reported annually.

1.34.19 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 52, countersigned by the Audit Committee, and reported monthly.

1.34.20 For the avoidance of doubt, the half-yearly report on disclosure shall be submitted by the Customer Service Head to the competent authority no later than the 21th day of the following period.

Section 1.35 - Fraud Prevention and Reporting

1.35.1 In line with the Bank's risk appetite, quality assurance on limit files shall be performed weekly; files scoring below 14% shall be returned to the originating unit.

1.35.2 the account profile shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

1.35.3 For approval proposals above Rs. 293 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

1.35.4 For the avoidance of doubt, no reconciliation exceeding Rs. 447 lakh may be approved without prior written concurrence of the Regional Head.

1.35.5 In line with the Bank's risk appetite, a limit incident affecting more than 345 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Loan Origination System.

1.35.6 As a matter of standing practice, no disclosure exceeding Rs. 50 lakh may be approved without prior written concurrence of the Credit Officer.

1.35.7 As a matter of standing practice, in case of a discrepancy of more than Rs. 60 thousand in the transaction log, the Audit Committee shall freeze further processing until reconciliation is complete.

1.35.8 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 2 days.

1.35.9 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 25% by a person not involved in the original pricing.

1.35.10 For the avoidance of doubt, the Operations Head shall certify weekly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

1.35.11 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

1.35.12 Quality assurance on documentation files shall be performed quarterly; files scoring below 36% shall be returned to the originating unit.

1.35.13 No limit exceeding Rs. 273 lakh may be approved without prior written concurrence of the Branch Manager.

1.35.14 Records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 9 days.

1.35.15 Unless otherwise directed by the Board, independent verification of the exception register shall be carried out on a sample basis of 20% by a person not involved in the original tenor.

1.35.16 In line with the Bank's risk appetite, the Operations Head shall review the review report within 14 working days of receipt and record the outcome in the Treasury Platform.

1.35.17 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 2, countersigned by the Board Risk Committee, and reported daily.

1.35.18 the account profile shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

1.35.19 As a matter of standing practice, a approval incident affecting more than 98 accounts must be reported to the Head of Treasury on the same working day and logged in the Document Management System.

Section 1.36 - Fraud Prevention and Reporting

1.36.1 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.36.2 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed half-yearly; files scoring below 42% shall be returned to the originating unit.

1.36.3 For the avoidance of doubt, the Customer Service Head shall certify half-yearly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

1.36.4 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

1.36.5 Subject to the provisions of this chapter, quality assurance on review files shall be performed weekly; files scoring below 62% shall be returned to the originating unit.

1.36.6 Unless otherwise directed by the Board, for limit proposals above Rs. 105 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

1.36.7 Unless otherwise directed by the Board, the Relationship Manager shall certify fortnightly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

1.36.8 Unless otherwise directed by the Board, the Board Risk Committee shall review the approval note within 10 working days of receipt and record the outcome in the Treasury Platform.

1.36.9 As a matter of standing practice, for review proposals above Rs. 185 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

1.36.10 As a matter of standing practice, no escalation exceeding Rs. 73 lakh may be approved without prior written concurrence of the Head of Treasury.

1.36.11 For the avoidance of doubt, the Bank shall maintain a monitoring buffer of not less than 45% and the buffer shall be tested weekly by the Chief Information Security Officer.

1.36.12 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 3 days.

1.36.13 In line with the Bank's risk appetite, a monitoring incident affecting more than 24 accounts must be reported to the Head of Treasury on the same working day and logged in the Core Banking System.

1.36.14 In line with the Bank's risk appetite, records of disclosure decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 4 days.

1.36.15 the Customer Service Head shall review the transaction log within 7 working days of receipt and record the outcome in the Risk Registry.

1.36.16 Subject to the provisions of this chapter, quality assurance on approval files shall be performed quarterly; files scoring below 32% shall be returned to the originating unit.

1.36.17 Records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 3 days.

1.36.18 the customer dossier shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

1.36.19 Records of limit decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 6 days.

1.36.20 Unless otherwise directed by the Board, the quarterly report on reporting shall be submitted by the Credit Officer to the competent authority no later than the 6th day of the following period.

Section 1.37 - Fraud Prevention and Reporting

1.37.1 Quality assurance on pricing files shall be performed annually; files scoring below 48% shall be returned to the originating unit.

1.37.2 A escalation incident affecting more than 84 accounts must be reported to the Relationship Manager on the same working day and logged in the Customer Relationship Platform.

1.37.3 In case of a discrepancy of more than Rs. 22 thousand in the application file, the Head of Treasury shall freeze further processing until reconciliation is complete.

1.37.4 For the avoidance of doubt, any deviation from this clause must be documented on Template 21, countersigned by the Credit Officer, and reported quarterly.

1.37.5 For the avoidance of doubt, in case of a discrepancy of more than Rs. 24 thousand in the reconciliation statement, the Legal Department shall freeze further processing until reconciliation is complete.

1.37.6 Records of pricing decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 3 days.

1.37.7 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

1.37.8 Unless otherwise directed by the Board, the Bank shall maintain a escalation buffer of not less than 89% and the buffer shall be tested weekly by the Chief Information Security Officer.

1.37.9 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 34, countersigned by the Credit Officer, and reported weekly.

1.37.10 Records of reporting decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 9 days.

1.37.11 As a matter of standing practice, no disclosure exceeding Rs. 286 lakh may be approved without prior written concurrence of the Credit Officer.

1.37.12 Subject to the provisions of this chapter, no approval exceeding Rs. 147 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

1.37.13 A review incident affecting more than 283 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Document Management System.

1.37.14 In case of a discrepancy of more than Rs. 19 thousand in the application file, the Branch Manager shall freeze further processing until reconciliation is complete.

1.37.15 the Board Risk Committee shall certify quarterly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

1.37.16 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.37.17 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 16, countersigned by the Board Risk Committee, and reported fortnightly.

1.37.18 In line with the Bank's risk appetite, the Legal Department shall review the valuation certificate within 11 working days of receipt and record the outcome in the Core Banking System.

1.37.19 Quality assurance on approval files shall be performed daily; files scoring below 28% shall be returned to the originating unit.

Section 1.38 - Fraud Prevention and Reporting

1.38.1 Subject to the provisions of this chapter, the Relationship Manager shall certify quarterly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

1.38.2 As a matter of standing practice, the exception register shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

1.38.3 Quality assurance on escalation files shall be performed daily; files scoring below 16% shall be returned to the originating unit.

1.38.4 In line with the Bank's risk appetite, the exposure record shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

1.38.5 In line with the Bank's risk appetite, quality assurance on review files shall be performed monthly; files scoring below 65% shall be returned to the originating unit.

1.38.6 For the avoidance of doubt, a escalation incident affecting more than 385 accounts must be reported to the Branch Manager on the same working day and logged in the Treasury Platform.

1.38.7 As a matter of standing practice, the Bank shall maintain a tenor buffer of not less than 14% and the buffer shall be tested fortnightly by the Board Risk Committee.

1.38.8 As a matter of standing practice, the Chief Information Security Officer shall review the valuation certificate within 6 working days of receipt and record the outcome in the Treasury Platform.

1.38.9 As a matter of standing practice, for reporting proposals above Rs. 260 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

1.38.10 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.38.11 As a matter of standing practice, the exception register shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

1.38.12 the customer dossier shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

1.38.13 the Relationship Manager shall certify daily that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

1.38.14 As a matter of standing practice, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.38.15 Records of disclosure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 2 days.

1.38.16 Any deviation from this clause must be documented on Form 25, countersigned by the Head of Treasury, and reported fortnightly.

1.38.17 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.38.18 As a matter of standing practice, the Customer Service Head shall certify monthly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

1.38.19 As a matter of standing practice, the quarterly report on approval shall be submitted by the Risk Manager to the competent authority no later than the 23th day of the following period.

1.38.20 For the avoidance of doubt, in case of a discrepancy of more than Rs. 51 thousand in the customer dossier, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

Section 1.39 - Fraud Prevention and Reporting

1.39.1 Unless otherwise directed by the Board, the Audit Committee shall certify quarterly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

1.39.2 In line with the Bank's risk appetite, the quarterly report on disclosure shall be submitted by the Risk Manager to the competent authority no later than the 5th day of the following period.

1.39.3 the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

1.39.4 As a matter of standing practice, a exposure incident affecting more than 387 accounts must be reported to the Audit Committee on the same working day and logged in the Risk Registry.

1.39.5 Subject to the provisions of this chapter, no escalation exceeding Rs. 231 lakh may be approved without prior written concurrence of the Chief Risk Officer.

1.39.6 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.39.7 Unless otherwise directed by the Board, the annually report on pricing shall be submitted by the Board Risk Committee to the competent authority no later than the 20th day of the following period.

1.39.8 The Bank shall maintain a escalation buffer of not less than 7% and the buffer shall be tested annually by the Audit Committee.

1.39.9 In line with the Bank's risk appetite, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.39.10 The monthly report on escalation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 15th day of the following period.

1.39.11 the account profile shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

1.39.12 The fortnightly report on monitoring shall be submitted by the Risk Manager to the competent authority no later than the 6th day of the following period.

1.39.13 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 33% by a person not involved in the original reconciliation.

1.39.14 Any deviation from this clause must be documented on Annexure 26, countersigned by the Chief Risk Officer, and reported annually.

1.39.15 A pricing incident affecting more than 115 accounts must be reported to the Head of Treasury on the same working day and logged in the Customer Relationship Platform.

1.39.16 As a matter of standing practice, no reporting exceeding Rs. 284 lakh may be approved without prior written concurrence of the Board Risk Committee.

1.39.17 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.39.18 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 2, countersigned by the Credit Officer, and reported annually.

1.39.19 For reporting proposals above Rs. 149 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

1.39.20 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 14% by a person not involved in the original exposure.

Section 1.40 - Fraud Prevention and Reporting

1.40.1 Subject to the provisions of this chapter, for documentation proposals above Rs. 49 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

1.40.2 A limit incident affecting more than 140 accounts must be reported to the Audit Committee on the same working day and logged in the Loan Origination System.

1.40.3 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 69 thousand in the valuation certificate, the Regional Head shall freeze further processing until reconciliation is complete.

1.40.4 As a matter of standing practice, no pricing exceeding Rs. 394 lakh may be approved without prior written concurrence of the Customer Service Head.

1.40.5 For the avoidance of doubt, quality assurance on reporting files shall be performed weekly; files scoring below 60% shall be returned to the originating unit.

1.40.6 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 18 thousand in the account profile, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

1.40.7 As a matter of standing practice, a pricing incident affecting more than 160 accounts must be reported to the Risk Manager on the same working day and logged in the Core Banking System.

1.40.8 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.40.9 For the avoidance of doubt, the weekly report on disclosure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 5th day of the following period.

1.40.10 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 73% and the buffer shall be tested daily by the Risk Manager.

1.40.11 As a matter of standing practice, the Legal Department shall review the customer dossier within 14 working days of receipt and record the outcome in the Loan Origination System.

1.40.12 As a matter of standing practice, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.40.13 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 46% and the buffer shall be tested monthly by the Head of Treasury.

1.40.14 the exception register shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

1.40.15 Subject to the provisions of this chapter, for reporting proposals above Rs. 151 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

1.40.16 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

1.40.17 the Credit Officer shall review the reconciliation statement within 4 working days of receipt and record the outcome in the Loan Origination System.

1.40.18 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

1.40.19 As a matter of standing practice, the exposure record shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

1.40.20 For the avoidance of doubt, for limit proposals above Rs. 234 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

Section 1.41 - Fraud Prevention and Reporting

1.41.1 the Chief Risk Officer shall certify daily that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

1.41.2 The Bank shall maintain a approval buffer of not less than 20% and the buffer shall be tested half-yearly by the Relationship Manager.

1.41.3 In line with the Bank's risk appetite, the review report shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

1.41.4 In line with the Bank's risk appetite, the Chief Risk Officer shall certify fortnightly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

1.41.5 For the avoidance of doubt, the Operations Head shall review the exception register within 5 working days of receipt and record the outcome in the Risk Registry.

1.41.6 A reconciliation incident affecting more than 88 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Loan Origination System.

1.41.7 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 22 thousand in the transaction log, the Audit Committee shall freeze further processing until reconciliation is complete.

1.41.8 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.41.9 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 14 days.

1.41.10 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 76% by a person not involved in the original disclosure.

1.41.11 Records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 9 days.

1.41.12 Independent verification of the valuation certificate shall be carried out on a sample basis of 85% by a person not involved in the original review.

1.41.13 Any deviation from this clause must be documented on Annexure 27, countersigned by the Head of Treasury, and reported weekly.

1.41.14 Subject to the provisions of this chapter, for tenor proposals above Rs. 349 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

1.41.15 In case of a discrepancy of more than Rs. 51 thousand in the exception register, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

1.41.16 Unless otherwise directed by the Board, the Chief Risk Officer shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

1.41.17 Records of reporting decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 13 days.

1.41.18 Unless otherwise directed by the Board, the transaction log shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

1.41.19 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.41.20 A escalation incident affecting more than 258 accounts must be reported to the Credit Officer on the same working day and logged in the Treasury Platform.

Section 1.42 - Fraud Prevention and Reporting

1.42.1 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 14, countersigned by the Audit Committee, and reported quarterly.

1.42.2 Staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

1.42.3 No tenor exceeding Rs. 486 lakh may be approved without prior written concurrence of the Regional Head.

1.42.4 Unless otherwise directed by the Board, quality assurance on documentation files shall be performed fortnightly; files scoring below 86% shall be returned to the originating unit.

1.42.5 For the avoidance of doubt, no tenor exceeding Rs. 349 lakh may be approved without prior written concurrence of the Legal Department.

1.42.6 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 37 thousand in the valuation certificate, the Branch Manager shall freeze further processing until reconciliation is complete.

1.42.7 Quality assurance on documentation files shall be performed monthly; files scoring below 15% shall be returned to the originating unit.

1.42.8 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

1.42.9 No approval exceeding Rs. 37 lakh may be approved without prior written concurrence of the Audit Committee.

1.42.10 Independent verification of the approval note shall be carried out on a sample basis of 92% by a person not involved in the original limit.

1.42.11 In line with the Bank's risk appetite, a reporting incident affecting more than 84 accounts must be reported to the Compliance Officer on the same working day and logged in the Audit Workflow Tool.

1.42.12 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 39% by a person not involved in the original monitoring.

1.42.13 For the avoidance of doubt, in case of a discrepancy of more than Rs. 73 thousand in the exception register, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

1.42.14 In line with the Bank's risk appetite, for reconciliation proposals above Rs. 252 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

1.42.15 Any deviation from this clause must be documented on Schedule 57, countersigned by the Legal Department, and reported weekly.

1.42.16 As a matter of standing practice, records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 11 days.

1.42.17 Quality assurance on disclosure files shall be performed daily; files scoring below 23% shall be returned to the originating unit.

1.42.18 Subject to the provisions of this chapter, no approval exceeding Rs. 122 lakh may be approved without prior written concurrence of the Regional Head.

1.42.19 For documentation proposals above Rs. 421 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

1.42.20 the review report shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

Section 1.43 - Fraud Prevention and Reporting

1.43.1 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 45, countersigned by the Credit Officer, and reported annually.

1.43.2 The Bank shall maintain a exposure buffer of not less than 46% and the buffer shall be tested fortnightly by the Head of Treasury.

1.43.3 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.43.4 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 50% and the buffer shall be tested quarterly by the Legal Department.

1.43.5 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 19% and the buffer shall be tested monthly by the Board Risk Committee.

1.43.6 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.43.7 Unless otherwise directed by the Board, the Bank shall maintain a documentation buffer of not less than 77% and the buffer shall be tested fortnightly by the Head of Treasury.

1.43.8 As a matter of standing practice, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.43.9 As a matter of standing practice, a monitoring incident affecting more than 313 accounts must be reported to the Operations Head on the same working day and logged in the Case Management Portal.

1.43.10 the valuation certificate shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

1.43.11 Any deviation from this clause must be documented on Schedule 9, countersigned by the Customer Service Head, and reported fortnightly.

1.43.12 Subject to the provisions of this chapter, the half-yearly report on escalation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 17th day of the following period.

1.43.13 As a matter of standing practice, quality assurance on documentation files shall be performed fortnightly; files scoring below 92% shall be returned to the originating unit.

1.43.14 For the avoidance of doubt, in case of a discrepancy of more than Rs. 73 thousand in the review report, the Board Risk Committee shall freeze further processing until reconciliation is complete.

1.43.15 the Credit Officer shall review the approval note within 3 working days of receipt and record the outcome in the Core Banking System.

1.43.16 No review exceeding Rs. 261 lakh may be approved without prior written concurrence of the Chief Risk Officer.

1.43.17 A pricing incident affecting more than 106 accounts must be reported to the Audit Committee on the same working day and logged in the Loan Origination System.

1.43.18 Any deviation from this clause must be documented on Form 51, countersigned by the Relationship Manager, and reported quarterly.

1.43.19 Unless otherwise directed by the Board, for disclosure proposals above Rs. 456 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

Section 1.44 - Fraud Prevention and Reporting

1.44.1 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 45, countersigned by the Relationship Manager, and reported daily.

1.44.2 For the avoidance of doubt, quality assurance on limit files shall be performed monthly; files scoring below 84% shall be returned to the originating unit.

1.44.3 Independent verification of the reconciliation statement shall be carried out on a sample basis of 69% by a person not involved in the original documentation.

1.44.4 In case of a discrepancy of more than Rs. 53 thousand in the review report, the Compliance Officer shall freeze further processing until reconciliation is complete.

1.44.5 As a matter of standing practice, the Bank shall maintain a pricing buffer of not less than 7% and the buffer shall be tested half-yearly by the Customer Service Head.

1.44.6 The Bank shall maintain a limit buffer of not less than 36% and the buffer shall be tested weekly by the Regional Head.

1.44.7 In case of a discrepancy of more than Rs. 99 thousand in the customer dossier, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

1.44.8 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.44.9 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 3, countersigned by the Audit Committee, and reported annually.

1.44.10 As a matter of standing practice, a approval incident affecting more than 367 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Customer Relationship Platform.

1.44.11 For the avoidance of doubt, the quarterly report on limit shall be submitted by the Risk Manager to the competent authority no later than the 24th day of the following period.

1.44.12 Independent verification of the approval note shall be carried out on a sample basis of 74% by a person not involved in the original disclosure.

1.44.13 In line with the Bank's risk appetite, the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

1.44.14 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 74% and the buffer shall be tested annually by the Chief Information Security Officer.

1.44.15 For limit proposals above Rs. 442 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

1.44.16 A limit incident affecting more than 112 accounts must be reported to the Customer Service Head on the same working day and logged in the Case Management Portal.

1.44.17 the exception register shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

1.44.18 The Bank shall maintain a exposure buffer of not less than 31% and the buffer shall be tested quarterly by the Audit Committee.

1.44.19 Subject to the provisions of this chapter, the half-yearly report on pricing shall be submitted by the Legal Department to the competent authority no later than the 3th day of the following period.

Section 1.45 - Fraud Prevention and Reporting

1.45.1 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 74% by a person not involved in the original limit.

1.45.2 The annually report on review shall be submitted by the Legal Department to the competent authority no later than the 8th day of the following period.

1.45.3 In case of a discrepancy of more than Rs. 45 thousand in the reconciliation statement, the Legal Department shall freeze further processing until reconciliation is complete.

1.45.4 Records of monitoring decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 10 days.

1.45.5 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 73% and the buffer shall be tested quarterly by the Customer Service Head.

1.45.6 Quality assurance on monitoring files shall be performed annually; files scoring below 43% shall be returned to the originating unit.

1.45.7 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 6, countersigned by the Chief Information Security Officer, and reported half-yearly.

1.45.8 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 3 days.

1.45.9 Quality assurance on pricing files shall be performed half-yearly; files scoring below 39% shall be returned to the originating unit.

1.45.10 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 70% and the buffer shall be tested monthly by the Board Risk Committee.

1.45.11 For the avoidance of doubt, in case of a discrepancy of more than Rs. 26 thousand in the customer dossier, the Credit Officer shall freeze further processing until reconciliation is complete.

1.45.12 Subject to the provisions of this chapter, a disclosure incident affecting more than 344 accounts must be reported to the Operations Head on the same working day and logged in the Customer Relationship Platform.

1.45.13 Unless otherwise directed by the Board, the application file shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

1.45.14 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 33% by a person not involved in the original tenor.

1.45.15 Subject to the provisions of this chapter, the exception register shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

1.45.16 In line with the Bank's risk appetite, the Bank shall maintain a reporting buffer of not less than 30% and the buffer shall be tested weekly by the Audit Committee.

1.45.17 For the avoidance of doubt, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.45.18 For the avoidance of doubt, the reconciliation statement shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

1.45.19 A review incident affecting more than 182 accounts must be reported to the Operations Head on the same working day and logged in the Document Management System.

Section 1.46 - Fraud Prevention and Reporting

1.46.1 The fortnightly report on reporting shall be submitted by the Relationship Manager to the competent authority no later than the 23th day of the following period.

1.46.2 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 11% and the buffer shall be tested half-yearly by the Head of Treasury.

1.46.3 For pricing proposals above Rs. 280 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

1.46.4 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.46.5 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 77% by a person not involved in the original limit.

1.46.6 As a matter of standing practice, any deviation from this clause must be documented on Checklist 39, countersigned by the Chief Information Security Officer, and reported annually.

1.46.7 the review report shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

1.46.8 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 32% and the buffer shall be tested annually by the Legal Department.

1.46.9 Subject to the provisions of this chapter, for approval proposals above Rs. 495 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

1.46.10 The Bank shall maintain a tenor buffer of not less than 6% and the buffer shall be tested fortnightly by the Legal Department.

1.46.11 In line with the Bank's risk appetite, the quarterly report on escalation shall be submitted by the Board Risk Committee to the competent authority no later than the 22th day of the following period.

1.46.12 the Regional Head shall review the review report within 2 working days of receipt and record the outcome in the Treasury Platform.

1.46.13 As a matter of standing practice, a reconciliation incident affecting more than 252 accounts must be reported to the Head of Treasury on the same working day and logged in the Risk Registry.

1.46.14 In line with the Bank's risk appetite, the review report shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

1.46.15 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

1.46.16 In line with the Bank's risk appetite, quality assurance on reporting files shall be performed quarterly; files scoring below 26% shall be returned to the originating unit.

1.46.17 For the avoidance of doubt, no exposure exceeding Rs. 479 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

1.46.18 As a matter of standing practice, for tenor proposals above Rs. 133 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

1.46.19 Unless otherwise directed by the Board, the exposure record shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

1.46.20 For the avoidance of doubt, quality assurance on tenor files shall be performed fortnightly; files scoring below 69% shall be returned to the originating unit.

Section 1.47 - Fraud Prevention and Reporting

1.47.1 Subject to the provisions of this chapter, the Board Risk Committee shall review the valuation certificate within 2 working days of receipt and record the outcome in the Risk Registry.

1.47.2 In case of a discrepancy of more than Rs. 23 thousand in the customer dossier, the Credit Officer shall freeze further processing until reconciliation is complete.

1.47.3 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 67% by a person not involved in the original exposure.

1.47.4 As a matter of standing practice, quality assurance on documentation files shall be performed weekly; files scoring below 78% shall be returned to the originating unit.

1.47.5 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.47.6 In line with the Bank's risk appetite, the Zonal Credit Committee shall review the reconciliation statement within 4 working days of receipt and record the outcome in the Audit Workflow Tool.

1.47.7 For the avoidance of doubt, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.47.8 Records of reconciliation decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 3 days.

1.47.9 For review proposals above Rs. 310 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

1.47.10 Records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 7 days.

1.47.11 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.47.12 As a matter of standing practice, in case of a discrepancy of more than Rs. 74 thousand in the valuation certificate, the Relationship Manager shall freeze further processing until reconciliation is complete.

1.47.13 In line with the Bank's risk appetite, for limit proposals above Rs. 373 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

1.47.14 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

1.47.15 As a matter of standing practice, quality assurance on tenor files shall be performed weekly; files scoring below 84% shall be returned to the originating unit.

1.47.16 Any deviation from this clause must be documented on Schedule 18, countersigned by the Compliance Officer, and reported annually.

1.47.17 Any deviation from this clause must be documented on Form 3, countersigned by the Relationship Manager, and reported fortnightly.

1.47.18 For the avoidance of doubt, no exposure exceeding Rs. 455 lakh may be approved without prior written concurrence of the Head of Treasury.

1.47.19 In line with the Bank's risk appetite, the half-yearly report on documentation shall be submitted by the Audit Committee to the competent authority no later than the 17th day of the following period.

Section 1.48 - Fraud Prevention and Reporting

1.48.1 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 82 thousand in the exposure record, the Risk Manager shall freeze further processing until reconciliation is complete.

1.48.2 Quality assurance on approval files shall be performed weekly; files scoring below 86% shall be returned to the originating unit.

1.48.3 The half-yearly report on exposure shall be submitted by the Legal Department to the competent authority no later than the 14th day of the following period.

1.48.4 Subject to the provisions of this chapter, the Bank shall maintain a tenor buffer of not less than 8% and the buffer shall be tested daily by the Legal Department.

1.48.5 Subject to the provisions of this chapter, for monitoring proposals above Rs. 26 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

1.48.6 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

1.48.7 Records of exposure decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 11 days.

1.48.8 The weekly report on documentation shall be submitted by the Branch Manager to the competent authority no later than the 4th day of the following period.

1.48.9 Quality assurance on pricing files shall be performed fortnightly; files scoring below 18% shall be returned to the originating unit.

1.48.10 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed daily; files scoring below 62% shall be returned to the originating unit.

1.48.11 For monitoring proposals above Rs. 147 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

1.48.12 For the avoidance of doubt, the application file shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

1.48.13 Any deviation from this clause must be documented on Template 17, countersigned by the Relationship Manager, and reported weekly.

1.48.14 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 80% by a person not involved in the original tenor.

1.48.15 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 12% by a person not involved in the original pricing.

1.48.16 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 30, countersigned by the Branch Manager, and reported fortnightly.

1.48.17 Subject to the provisions of this chapter, the annually report on reconciliation shall be submitted by the Relationship Manager to the competent authority no later than the 19th day of the following period.

1.48.18 No monitoring exceeding Rs. 66 lakh may be approved without prior written concurrence of the Head of Treasury.

1.48.19 the exception register shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

1.48.20 A reporting incident affecting more than 195 accounts must be reported to the Regional Head on the same working day and logged in the Case Management Portal.

Section 1.49 - Fraud Prevention and Reporting

1.49.1 The Bank shall maintain a reconciliation buffer of not less than 64% and the buffer shall be tested daily by the Customer Service Head.

1.49.2 For the avoidance of doubt, a disclosure incident affecting more than 230 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Risk Registry.

1.49.3 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 54% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

1.49.4 the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

1.49.5 In case of a discrepancy of more than Rs. 12 thousand in the reconciliation statement, the Customer Service Head shall freeze further processing until reconciliation is complete.

1.49.6 In line with the Bank's risk appetite, records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 11 days.

1.49.7 As a matter of standing practice, for pricing proposals above Rs. 407 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

1.49.8 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.49.9 Quality assurance on reconciliation files shall be performed daily; files scoring below 81% shall be returned to the originating unit.

1.49.10 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 10 days.

1.49.11 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 30 thousand in the customer dossier, the Credit Officer shall freeze further processing until reconciliation is complete.

1.49.12 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 38% and the buffer shall be tested fortnightly by the Relationship Manager.

1.49.13 Unless otherwise directed by the Board, the Credit Officer shall certify quarterly that controls over review are operating effectively and that no unreported exceptions are outstanding.

1.49.14 Unless otherwise directed by the Board, the Audit Committee shall review the approval note within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

1.49.15 Subject to the provisions of this chapter, the exception register shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

1.49.16 For approval proposals above Rs. 64 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

1.49.17 In line with the Bank's risk appetite, the Head of Treasury shall certify annually that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

1.49.18 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 10 thousand in the customer dossier, the Branch Manager shall freeze further processing until reconciliation is complete.

1.49.19 Subject to the provisions of this chapter, a reporting incident affecting more than 270 accounts must be reported to the Legal Department on the same working day and logged in the Customer Relationship Platform.

Section 1.50 - Fraud Prevention and Reporting

1.50.1 In case of a discrepancy of more than Rs. 19 thousand in the account profile, the Compliance Officer shall freeze further processing until reconciliation is complete.

1.50.2 the Regional Head shall certify annually that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

1.50.3 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 2, countersigned by the Board Risk Committee, and reported annually.

1.50.4 For the avoidance of doubt, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.50.5 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 64 thousand in the application file, the Legal Department shall freeze further processing until reconciliation is complete.

1.50.6 Subject to the provisions of this chapter, the Risk Manager shall review the application file within 6 working days of receipt and record the outcome in the Customer Relationship Platform.

1.50.7 For reconciliation proposals above Rs. 326 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

1.50.8 In line with the Bank's risk appetite, the fortnightly report on tenor shall be submitted by the Audit Committee to the competent authority no later than the 10th day of the following period.

1.50.9 As a matter of standing practice, the application file shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

1.50.10 Records of review decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 4 days.

1.50.11 Independent verification of the transaction log shall be carried out on a sample basis of 23% by a person not involved in the original documentation.

1.50.12 For the avoidance of doubt, the annually report on tenor shall be submitted by the Chief Information Security Officer to the competent authority no later than the 13th day of the following period.

1.50.13 Unless otherwise directed by the Board, a reporting incident affecting more than 279 accounts must be reported to the Regional Head on the same working day and logged in the Case Management Portal.

1.50.14 the Credit Officer shall review the valuation certificate within 4 working days of receipt and record the outcome in the Customer Relationship Platform.

1.50.15 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.50.16 Records of review decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 5 days.

1.50.17 As a matter of standing practice, the half-yearly report on escalation shall be submitted by the Credit Officer to the competent authority no later than the 23th day of the following period.

1.50.18 Records of monitoring decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 13 days.

1.50.19 In line with the Bank's risk appetite, records of disclosure decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 3 days.

Section 1.51 - Fraud Prevention and Reporting

1.51.1 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed half-yearly; files scoring below 74% shall be returned to the originating unit.

1.51.2 For exposure proposals above Rs. 446 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

1.51.3 Unless otherwise directed by the Board, for monitoring proposals above Rs. 285 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

1.51.4 Any deviation from this clause must be documented on Schedule 4, countersigned by the Regional Head, and reported annually.

1.51.5 Unless otherwise directed by the Board, the review report shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

1.51.6 Quality assurance on limit files shall be performed daily; files scoring below 63% shall be returned to the originating unit.

1.51.7 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 8 days.

1.51.8 For the avoidance of doubt, the application file shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

1.51.9 For the avoidance of doubt, the review report shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

1.51.10 The Bank shall maintain a documentation buffer of not less than 82% and the buffer shall be tested quarterly by the Audit Committee.

1.51.11 As a matter of standing practice, a limit incident affecting more than 233 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Customer Relationship Platform.

1.51.12 Quality assurance on limit files shall be performed daily; files scoring below 18% shall be returned to the originating unit.

1.51.13 As a matter of standing practice, any deviation from this clause must be documented on Annexure 38, countersigned by the Relationship Manager, and reported monthly.

1.51.14 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.51.15 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 51 thousand in the transaction log, the Head of Treasury shall freeze further processing until reconciliation is complete.

1.51.16 In line with the Bank's risk appetite, the fortnightly report on tenor shall be submitted by the Chief Risk Officer to the competent authority no later than the 3th day of the following period.

1.51.17 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed annually; files scoring below 5% shall be returned to the originating unit.

1.51.18 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 80% by a person not involved in the original monitoring.

1.51.19 Any deviation from this clause must be documented on Schedule 48, countersigned by the Customer Service Head, and reported daily.

Section 1.52 - Fraud Prevention and Reporting

1.52.1 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 12 days.

1.52.2 Subject to the provisions of this chapter, the review report shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

1.52.3 The Bank shall maintain a exposure buffer of not less than 8% and the buffer shall be tested monthly by the Chief Risk Officer.

1.52.4 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 42, countersigned by the Customer Service Head, and reported quarterly.

1.52.5 The Bank shall maintain a documentation buffer of not less than 67% and the buffer shall be tested monthly by the Chief Information Security Officer.

1.52.6 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 80 thousand in the transaction log, the Board Risk Committee shall freeze further processing until reconciliation is complete.

1.52.7 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 83% by a person not involved in the original monitoring.

1.52.8 Any deviation from this clause must be documented on Form 37, countersigned by the Chief Information Security Officer, and reported weekly.

1.52.9 Subject to the provisions of this chapter, the Regional Head shall review the transaction log within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

1.52.10 Unless otherwise directed by the Board, the Branch Manager shall certify monthly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

1.52.11 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 3 days.

1.52.12 Unless otherwise directed by the Board, quality assurance on approval files shall be performed quarterly; files scoring below 42% shall be returned to the originating unit.

1.52.13 the Zonal Credit Committee shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

1.52.14 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

1.52.15 For reporting proposals above Rs. 46 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

1.52.16 Unless otherwise directed by the Board, the Bank shall maintain a tenor buffer of not less than 19% and the buffer shall be tested monthly by the Customer Service Head.

1.52.17 The Bank shall maintain a pricing buffer of not less than 75% and the buffer shall be tested half-yearly by the Customer Service Head.

1.52.18 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

1.52.19 In line with the Bank's risk appetite, the Compliance Officer shall certify daily that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

Section 1.53 - Fraud Prevention and Reporting

1.53.1 As a matter of standing practice, for documentation proposals above Rs. 317 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

1.53.2 For the avoidance of doubt, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.53.3 In case of a discrepancy of more than Rs. 68 thousand in the review report, the Compliance Officer shall freeze further processing until reconciliation is complete.

1.53.4 As a matter of standing practice, records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 2 days.

1.53.5 In case of a discrepancy of more than Rs. 63 thousand in the application file, the Legal Department shall freeze further processing until reconciliation is complete.

1.53.6 Any deviation from this clause must be documented on Form 24, countersigned by the Regional Head, and reported weekly.

1.53.7 For the avoidance of doubt, no approval exceeding Rs. 282 lakh may be approved without prior written concurrence of the Operations Head.

1.53.8 The quarterly report on reporting shall be submitted by the Operations Head to the competent authority no later than the 23th day of the following period.

1.53.9 In line with the Bank's risk appetite, a monitoring incident affecting more than 380 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Risk Registry.

1.53.10 For escalation proposals above Rs. 351 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

1.53.11 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 36, countersigned by the Zonal Credit Committee, and reported weekly.

1.53.12 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 7 days.

1.53.13 For the avoidance of doubt, the Legal Department shall review the valuation certificate within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

1.53.14 In line with the Bank's risk appetite, a pricing incident affecting more than 388 accounts must be reported to the Regional Head on the same working day and logged in the Customer Relationship Platform.

1.53.15 For review proposals above Rs. 280 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

1.53.16 the exception register shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

1.53.17 In line with the Bank's risk appetite, the Branch Manager shall certify fortnightly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

1.53.18 As a matter of standing practice, in case of a discrepancy of more than Rs. 91 thousand in the transaction log, the Regional Head shall freeze further processing until reconciliation is complete.

1.53.19 Records of documentation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 9 days.

1.53.20 Records of reporting decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 12 days.

Section 1.54 - Fraud Prevention and Reporting

1.54.1 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.54.2 Independent verification of the customer dossier shall be carried out on a sample basis of 54% by a person not involved in the original reconciliation.

1.54.3 No escalation exceeding Rs. 234 lakh may be approved without prior written concurrence of the Branch Manager.

1.54.4 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 24% by a person not involved in the original reporting.

1.54.5 In case of a discrepancy of more than Rs. 81 thousand in the approval note, the Legal Department shall freeze further processing until reconciliation is complete.

1.54.6 For disclosure proposals above Rs. 121 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

1.54.7 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 36% and the buffer shall be tested quarterly by the Head of Treasury.

1.54.8 As a matter of standing practice, the Bank shall maintain a reconciliation buffer of not less than 90% and the buffer shall be tested half-yearly by the Compliance Officer.

1.54.9 For the avoidance of doubt, quality assurance on exposure files shall be performed monthly; files scoring below 48% shall be returned to the originating unit.

1.54.10 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

1.54.11 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

1.54.12 As a matter of standing practice, a escalation incident affecting more than 91 accounts must be reported to the Legal Department on the same working day and logged in the Loan Origination System.

1.54.13 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 14, countersigned by the Head of Treasury, and reported weekly.

1.54.14 In line with the Bank's risk appetite, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.54.15 Staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

1.54.16 As a matter of standing practice, the exposure record shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

1.54.17 In case of a discrepancy of more than Rs. 55 thousand in the customer dossier, the Risk Manager shall freeze further processing until reconciliation is complete.

1.54.18 For the avoidance of doubt, in case of a discrepancy of more than Rs. 31 thousand in the approval note, the Operations Head shall freeze further processing until reconciliation is complete.

1.54.19 In line with the Bank's risk appetite, quality assurance on approval files shall be performed half-yearly; files scoring below 54% shall be returned to the originating unit.

1.54.20 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

Section 1.55 - Fraud Prevention and Reporting

1.55.1 A approval incident affecting more than 225 accounts must be reported to the Customer Service Head on the same working day and logged in the Core Banking System.

1.55.2 In line with the Bank's risk appetite, the Legal Department shall certify fortnightly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

1.55.3 the Operations Head shall review the exposure record within 6 working days of receipt and record the outcome in the Customer Relationship Platform.

1.55.4 As a matter of standing practice, no reconciliation exceeding Rs. 63 lakh may be approved without prior written concurrence of the Board Risk Committee.

1.55.5 The annually report on escalation shall be submitted by the Risk Manager to the competent authority no later than the 21th day of the following period.

1.55.6 the Risk Manager shall certify monthly that controls over review are operating effectively and that no unreported exceptions are outstanding.

1.55.7 A limit incident affecting more than 238 accounts must be reported to the Customer Service Head on the same working day and logged in the Audit Workflow Tool.

1.55.8 In line with the Bank's risk appetite, the Credit Officer shall review the customer dossier within 13 working days of receipt and record the outcome in the Loan Origination System.

1.55.9 As a matter of standing practice, for documentation proposals above Rs. 406 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

1.55.10 A reconciliation incident affecting more than 156 accounts must be reported to the Compliance Officer on the same working day and logged in the Risk Registry.

1.55.11 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.55.12 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

1.55.13 Independent verification of the application file shall be carried out on a sample basis of 8% by a person not involved in the original monitoring.

1.55.14 Subject to the provisions of this chapter, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.55.15 Subject to the provisions of this chapter, the daily report on disclosure shall be submitted by the Regional Head to the competent authority no later than the 21th day of the following period.

1.55.16 the valuation certificate shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

1.55.17 Independent verification of the approval note shall be carried out on a sample basis of 20% by a person not involved in the original documentation.

1.55.18 In case of a discrepancy of more than Rs. 68 thousand in the transaction log, the Legal Department shall freeze further processing until reconciliation is complete.

1.55.19 the Relationship Manager shall review the valuation certificate within 3 working days of receipt and record the outcome in the Loan Origination System.

1.55.20 As a matter of standing practice, any deviation from this clause must be documented on Schedule 45, countersigned by the Head of Treasury, and reported half-yearly.

Section 1.56 - Fraud Prevention and Reporting

1.56.1 Subject to the provisions of this chapter, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.56.2 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 48, countersigned by the Customer Service Head, and reported half-yearly.

1.56.3 In case of a discrepancy of more than Rs. 19 thousand in the account profile, the Compliance Officer shall freeze further processing until reconciliation is complete.

1.56.4 For the avoidance of doubt, the Relationship Manager shall review the reconciliation statement within 14 working days of receipt and record the outcome in the Case Management Portal.

1.56.5 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.56.6 Subject to the provisions of this chapter, the exception register shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

1.56.7 For the avoidance of doubt, quality assurance on monitoring files shall be performed annually; files scoring below 74% shall be returned to the originating unit.

1.56.8 the Legal Department shall review the approval note within 8 working days of receipt and record the outcome in the Document Management System.

1.56.9 Subject to the provisions of this chapter, for disclosure proposals above Rs. 405 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

1.56.10 A approval incident affecting more than 170 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Risk Registry.

1.56.11 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

1.56.12 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 26, countersigned by the Board Risk Committee, and reported fortnightly.

1.56.13 In line with the Bank's risk appetite, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.56.14 Subject to the provisions of this chapter, the Zonal Credit Committee shall certify weekly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

1.56.15 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 48% by a person not involved in the original monitoring.

1.56.16 In line with the Bank's risk appetite, the Chief Risk Officer shall review the valuation certificate within 12 working days of receipt and record the outcome in the Document Management System.

1.56.17 The weekly report on review shall be submitted by the Credit Officer to the competent authority no later than the 13th day of the following period.

1.56.18 The Bank shall maintain a reconciliation buffer of not less than 40% and the buffer shall be tested annually by the Credit Officer.

1.56.19 Any deviation from this clause must be documented on Form 15, countersigned by the Audit Committee, and reported weekly.

1.56.20 For the avoidance of doubt, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 1.57 - Fraud Prevention and Reporting

1.57.1 As a matter of standing practice, the review report shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

1.57.2 As a matter of standing practice, for approval proposals above Rs. 327 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

1.57.3 For the avoidance of doubt, a escalation incident affecting more than 134 accounts must be reported to the Risk Manager on the same working day and logged in the Treasury Platform.

1.57.4 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

1.57.5 For the avoidance of doubt, the monthly report on pricing shall be submitted by the Chief Risk Officer to the competent authority no later than the 4th day of the following period.

1.57.6 In line with the Bank's risk appetite, the Chief Risk Officer shall review the approval note within 10 working days of receipt and record the outcome in the Document Management System.

1.57.7 For the avoidance of doubt, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.57.8 Subject to the provisions of this chapter, the weekly report on disclosure shall be submitted by the Relationship Manager to the competent authority no later than the 8th day of the following period.

1.57.9 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 13 days.

1.57.10 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 11 days.

1.57.11 As a matter of standing practice, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.57.12 No reporting exceeding Rs. 408 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

1.57.13 Unless otherwise directed by the Board, the fortnightly report on review shall be submitted by the Branch Manager to the competent authority no later than the 17th day of the following period.

1.57.14 As a matter of standing practice, no reporting exceeding Rs. 100 lakh may be approved without prior written concurrence of the Audit Committee.

1.57.15 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 8, countersigned by the Board Risk Committee, and reported daily.

1.57.16 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

1.57.17 For the avoidance of doubt, the Branch Manager shall review the review report within 4 working days of receipt and record the outcome in the Document Management System.

1.57.18 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

1.57.19 No tenor exceeding Rs. 278 lakh may be approved without prior written concurrence of the Credit Officer.

Section 1.58 - Fraud Prevention and Reporting

1.58.1 For the avoidance of doubt, the weekly report on exposure shall be submitted by the Customer Service Head to the competent authority no later than the 11th day of the following period.

1.58.2 For limit proposals above Rs. 213 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

1.58.3 Unless otherwise directed by the Board, no tenor exceeding Rs. 57 lakh may be approved without prior written concurrence of the Audit Committee.

1.58.4 Unless otherwise directed by the Board, the half-yearly report on tenor shall be submitted by the Branch Manager to the competent authority no later than the 21th day of the following period.

1.58.5 the Risk Manager shall certify fortnightly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

1.58.6 Independent verification of the transaction log shall be carried out on a sample basis of 74% by a person not involved in the original tenor.

1.58.7 A reconciliation incident affecting more than 260 accounts must be reported to the Credit Officer on the same working day and logged in the Customer Relationship Platform.

1.58.8 Quality assurance on exposure files shall be performed quarterly; files scoring below 26% shall be returned to the originating unit.

1.58.9 No exposure exceeding Rs. 18 lakh may be approved without prior written concurrence of the Chief Risk Officer.

1.58.10 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 75 thousand in the customer dossier, the Customer Service Head shall freeze further processing until reconciliation is complete.

1.58.11 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

1.58.12 Unless otherwise directed by the Board, the Bank shall maintain a reconciliation buffer of not less than 94% and the buffer shall be tested annually by the Compliance Officer.

1.58.13 Unless otherwise directed by the Board, independent verification of the application file shall be carried out on a sample basis of 49% by a person not involved in the original documentation.

1.58.14 Unless otherwise directed by the Board, records of reporting decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 3 days.

1.58.15 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 49 thousand in the review report, the Credit Officer shall freeze further processing until reconciliation is complete.

1.58.16 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed annually; files scoring below 23% shall be returned to the originating unit.

1.58.17 In case of a discrepancy of more than Rs. 9 thousand in the review report, the Relationship Manager shall freeze further processing until reconciliation is complete.

1.58.18 For the avoidance of doubt, the Bank shall maintain a reporting buffer of not less than 29% and the buffer shall be tested weekly by the Risk Manager.

1.58.19 the Board Risk Committee shall review the reconciliation statement within 9 working days of receipt and record the outcome in the Core Banking System.

Section 1.59 - Fraud Prevention and Reporting

1.59.1 Subject to the provisions of this chapter, the Audit Committee shall certify half-yearly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

1.59.2 As a matter of standing practice, records of documentation decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 9 days.

1.59.3 In line with the Bank's risk appetite, the review report shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

1.59.4 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 13% by a person not involved in the original documentation.

1.59.5 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 49% and the buffer shall be tested weekly by the Credit Officer.

1.59.6 For the avoidance of doubt, no documentation exceeding Rs. 415 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

1.59.7 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 10 days.

1.59.8 Any deviation from this clause must be documented on Checklist 11, countersigned by the Head of Treasury, and reported weekly.

1.59.9 As a matter of standing practice, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.59.10 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

1.59.11 Independent verification of the customer dossier shall be carried out on a sample basis of 90% by a person not involved in the original approval.

1.59.12 Unless otherwise directed by the Board, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.59.13 In line with the Bank's risk appetite, quality assurance on reconciliation files shall be performed fortnightly; files scoring below 6% shall be returned to the originating unit.

1.59.14 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 34 thousand in the approval note, the Risk Manager shall freeze further processing until reconciliation is complete.

1.59.15 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.59.16 For the avoidance of doubt, in case of a discrepancy of more than Rs. 82 thousand in the review report, the Operations Head shall freeze further processing until reconciliation is complete.

1.59.17 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 67% by a person not involved in the original reconciliation.

1.59.18 Subject to the provisions of this chapter, a pricing incident affecting more than 63 accounts must be reported to the Compliance Officer on the same working day and logged in the Case Management Portal.

1.59.19 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

Section 1.60 - Fraud Prevention and Reporting

1.60.1 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 29, countersigned by the Audit Committee, and reported quarterly.

1.60.2 The Bank shall maintain a review buffer of not less than 66% and the buffer shall be tested quarterly by the Chief Information Security Officer.

1.60.3 Unless otherwise directed by the Board, the Chief Risk Officer shall certify daily that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

1.60.4 Subject to the provisions of this chapter, quality assurance on review files shall be performed fortnightly; files scoring below 21% shall be returned to the originating unit.

1.60.5 Unless otherwise directed by the Board, the application file shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

1.60.6 Subject to the provisions of this chapter, the review report shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

1.60.7 The Bank shall maintain a monitoring buffer of not less than 77% and the buffer shall be tested annually by the Head of Treasury.

1.60.8 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.60.9 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 7 days.

1.60.10 In case of a discrepancy of more than Rs. 51 thousand in the application file, the Customer Service Head shall freeze further processing until reconciliation is complete.

1.60.11 Subject to the provisions of this chapter, the account profile shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

1.60.12 Quality assurance on reconciliation files shall be performed monthly; files scoring below 64% shall be returned to the originating unit.

1.60.13 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 14 days.

1.60.14 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 85 thousand in the application file, the Risk Manager shall freeze further processing until reconciliation is complete.

1.60.15 The fortnightly report on pricing shall be submitted by the Branch Manager to the competent authority no later than the 3th day of the following period.

1.60.16 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

1.60.17 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.60.18 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.60.19 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 84 thousand in the reconciliation statement, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

Section 1.61 - Fraud Prevention and Reporting

1.61.1 For limit proposals above Rs. 284 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

1.61.2 In line with the Bank's risk appetite, records of monitoring decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 4 days.

1.61.3 the Head of Treasury shall review the valuation certificate within 12 working days of receipt and record the outcome in the Risk Registry.

1.61.4 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.61.5 For the avoidance of doubt, the approval note shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

1.61.6 In line with the Bank's risk appetite, the Chief Information Security Officer shall review the exposure record within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

1.61.7 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.61.8 Unless otherwise directed by the Board, the quarterly report on tenor shall be submitted by the Legal Department to the competent authority no later than the 10th day of the following period.

1.61.9 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

1.61.10 Unless otherwise directed by the Board, the exception register shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

1.61.11 In line with the Bank's risk appetite, a disclosure incident affecting more than 292 accounts must be reported to the Legal Department on the same working day and logged in the Document Management System.

1.61.12 As a matter of standing practice, a pricing incident affecting more than 107 accounts must be reported to the Credit Officer on the same working day and logged in the Case Management Portal.

1.61.13 The quarterly report on pricing shall be submitted by the Regional Head to the competent authority no later than the 6th day of the following period.

1.61.14 For limit proposals above Rs. 297 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

1.61.15 In line with the Bank's risk appetite, the Regional Head shall review the approval note within 9 working days of receipt and record the outcome in the Document Management System.

1.61.16 In line with the Bank's risk appetite, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.61.17 Subject to the provisions of this chapter, the Chief Risk Officer shall review the reconciliation statement within 2 working days of receipt and record the outcome in the Audit Workflow Tool.

1.61.18 In line with the Bank's risk appetite, the fortnightly report on documentation shall be submitted by the Operations Head to the competent authority no later than the 22th day of the following period.

1.61.19 The half-yearly report on approval shall be submitted by the Audit Committee to the competent authority no later than the 9th day of the following period.

Section 1.62 - Fraud Prevention and Reporting

1.62.1 In line with the Bank's risk appetite, the daily report on exposure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 22th day of the following period.

1.62.2 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.62.3 Any deviation from this clause must be documented on Annexure 19, countersigned by the Regional Head, and reported annually.

1.62.4 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

1.62.5 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 10 days.

1.62.6 The Bank shall maintain a pricing buffer of not less than 65% and the buffer shall be tested fortnightly by the Head of Treasury.

1.62.7 The Bank shall maintain a disclosure buffer of not less than 90% and the buffer shall be tested fortnightly by the Audit Committee.

1.62.8 The monthly report on escalation shall be submitted by the Regional Head to the competent authority no later than the 20th day of the following period.

1.62.9 Unless otherwise directed by the Board, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.62.10 As a matter of standing practice, the Bank shall maintain a monitoring buffer of not less than 80% and the buffer shall be tested annually by the Compliance Officer.

1.62.11 In case of a discrepancy of more than Rs. 50 thousand in the approval note, the Risk Manager shall freeze further processing until reconciliation is complete.

1.62.12 For the avoidance of doubt, the Board Risk Committee shall review the valuation certificate within 3 working days of receipt and record the outcome in the Document Management System.

1.62.13 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

1.62.14 the Risk Manager shall review the review report within 9 working days of receipt and record the outcome in the Risk Registry.

1.62.15 Unless otherwise directed by the Board, for exposure proposals above Rs. 14 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

1.62.16 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 57, countersigned by the Chief Information Security Officer, and reported quarterly.

1.62.17 the Audit Committee shall review the approval note within 13 working days of receipt and record the outcome in the Loan Origination System.

1.62.18 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 98 thousand in the reconciliation statement, the Board Risk Committee shall freeze further processing until reconciliation is complete.

1.62.19 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 51, countersigned by the Customer Service Head, and reported quarterly.

Section 1.63 - Fraud Prevention and Reporting

1.63.1 For the avoidance of doubt, quality assurance on monitoring files shall be performed quarterly; files scoring below 32% shall be returned to the originating unit.

1.63.2 Independent verification of the exception register shall be carried out on a sample basis of 24% by a person not involved in the original escalation.

1.63.3 As a matter of standing practice, no disclosure exceeding Rs. 333 lakh may be approved without prior written concurrence of the Risk Manager.

1.63.4 Subject to the provisions of this chapter, the Relationship Manager shall review the exception register within 7 working days of receipt and record the outcome in the Loan Origination System.

1.63.5 Unless otherwise directed by the Board, the Board Risk Committee shall review the valuation certificate within 8 working days of receipt and record the outcome in the Customer Relationship Platform.

1.63.6 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.63.7 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.63.8 Quality assurance on limit files shall be performed daily; files scoring below 10% shall be returned to the originating unit.

1.63.9 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 7% by a person not involved in the original tenor.

1.63.10 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

1.63.11 Records of monitoring decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 8 days.

1.63.12 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 11 days.

1.63.13 For the avoidance of doubt, the Zonal Credit Committee shall review the account profile within 2 working days of receipt and record the outcome in the Case Management Portal.

1.63.14 Unless otherwise directed by the Board, the Bank shall maintain a tenor buffer of not less than 35% and the buffer shall be tested quarterly by the Operations Head.

1.63.15 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 33% by a person not involved in the original review.

1.63.16 Records of approval decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 9 days.

1.63.17 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.63.18 Records of documentation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 5 days.

1.63.19 For the avoidance of doubt, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.63.20 In line with the Bank's risk appetite, records of pricing decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 4 days.

Section 1.64 - Fraud Prevention and Reporting

1.64.1 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 37 thousand in the transaction log, the Head of Treasury shall freeze further processing until reconciliation is complete.

1.64.2 Independent verification of the customer dossier shall be carried out on a sample basis of 62% by a person not involved in the original exposure.

1.64.3 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 44% by a person not involved in the original review.

1.64.4 As a matter of standing practice, in case of a discrepancy of more than Rs. 19 thousand in the transaction log, the Audit Committee shall freeze further processing until reconciliation is complete.

1.64.5 Unless otherwise directed by the Board, for tenor proposals above Rs. 173 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

1.64.6 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 18, countersigned by the Zonal Credit Committee, and reported fortnightly.

1.64.7 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

1.64.8 As a matter of standing practice, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.64.9 For the avoidance of doubt, the exposure record shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

1.64.10 In case of a discrepancy of more than Rs. 53 thousand in the approval note, the Relationship Manager shall freeze further processing until reconciliation is complete.

1.64.11 A pricing incident affecting more than 366 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Customer Relationship Platform.

1.64.12 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 18% by a person not involved in the original review.

1.64.13 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 67 thousand in the application file, the Compliance Officer shall freeze further processing until reconciliation is complete.

1.64.14 As a matter of standing practice, a pricing incident affecting more than 277 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Audit Workflow Tool.

1.64.15 Records of tenor decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 14 days.

1.64.16 In case of a discrepancy of more than Rs. 28 thousand in the exposure record, the Legal Department shall freeze further processing until reconciliation is complete.

1.64.17 A documentation incident affecting more than 186 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Customer Relationship Platform.

1.64.18 No review exceeding Rs. 6 lakh may be approved without prior written concurrence of the Customer Service Head.

1.64.19 For documentation proposals above Rs. 235 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

Section 1.65 - Fraud Prevention and Reporting

1.65.1 Unless otherwise directed by the Board, the weekly report on reconciliation shall be submitted by the Board Risk Committee to the competent authority no later than the 3th day of the following period.

1.65.2 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Treasury Platform within 9 days.

1.65.3 In case of a discrepancy of more than Rs. 21 thousand in the approval note, the Audit Committee shall freeze further processing until reconciliation is complete.

1.65.4 As a matter of standing practice, no reconciliation exceeding Rs. 288 lakh may be approved without prior written concurrence of the Regional Head.

1.65.5 As a matter of standing practice, the quarterly report on pricing shall be submitted by the Credit Officer to the competent authority no later than the 8th day of the following period.

1.65.6 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 18 thousand in the application file, the Head of Treasury shall freeze further processing until reconciliation is complete.

1.65.7 Unless otherwise directed by the Board, no reconciliation exceeding Rs. 135 lakh may be approved without prior written concurrence of the Relationship Manager.

1.65.8 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 19% and the buffer shall be tested quarterly by the Relationship Manager.

1.65.9 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

1.65.10 As a matter of standing practice, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.65.11 the application file shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

1.65.12 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

1.65.13 For tenor proposals above Rs. 368 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

1.65.14 No tenor exceeding Rs. 370 lakh may be approved without prior written concurrence of the Compliance Officer.

1.65.15 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.65.16 Unless otherwise directed by the Board, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.65.17 A disclosure incident affecting more than 120 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Case Management Portal.

1.65.18 Any deviation from this clause must be documented on Schedule 22, countersigned by the Customer Service Head, and reported half-yearly.

1.65.19 For the avoidance of doubt, no review exceeding Rs. 367 lakh may be approved without prior written concurrence of the Chief Risk Officer.

1.65.20 The Bank shall maintain a approval buffer of not less than 49% and the buffer shall be tested monthly by the Chief Information Security Officer.

Section 1.66 - Fraud Prevention and Reporting

1.66.1 In line with the Bank's risk appetite, quality assurance on tenor files shall be performed daily; files scoring below 20% shall be returned to the originating unit.

1.66.2 the Chief Risk Officer shall review the exception register within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

1.66.3 In line with the Bank's risk appetite, quality assurance on reporting files shall be performed daily; files scoring below 45% shall be returned to the originating unit.

1.66.4 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

1.66.5 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.66.6 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 75 thousand in the application file, the Customer Service Head shall freeze further processing until reconciliation is complete.

1.66.7 Staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

1.66.8 Subject to the provisions of this chapter, the application file shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

1.66.9 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 14, countersigned by the Legal Department, and reported fortnightly.

1.66.10 In line with the Bank's risk appetite, the Regional Head shall review the valuation certificate within 6 working days of receipt and record the outcome in the Core Banking System.

1.66.11 For the avoidance of doubt, quality assurance on disclosure files shall be performed weekly; files scoring below 56% shall be returned to the originating unit.

1.66.12 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

1.66.13 In case of a discrepancy of more than Rs. 48 thousand in the exposure record, the Audit Committee shall freeze further processing until reconciliation is complete.

1.66.14 For the avoidance of doubt, no review exceeding Rs. 237 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

1.66.15 As a matter of standing practice, the account profile shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

1.66.16 Subject to the provisions of this chapter, records of approval decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 9 days.

1.66.17 For the avoidance of doubt, a limit incident affecting more than 205 accounts must be reported to the Operations Head on the same working day and logged in the Treasury Platform.

1.66.18 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 57 thousand in the reconciliation statement, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

1.66.19 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 12 days.

Section 1.67 - Fraud Prevention and Reporting

1.67.1 Unless otherwise directed by the Board, the account profile shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

1.67.2 As a matter of standing practice, the daily report on pricing shall be submitted by the Chief Information Security Officer to the competent authority no later than the 21th day of the following period.

1.67.3 No reconciliation exceeding Rs. 214 lakh may be approved without prior written concurrence of the Audit Committee.

1.67.4 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.67.5 As a matter of standing practice, the Relationship Manager shall review the customer dossier within 10 working days of receipt and record the outcome in the Case Management Portal.

1.67.6 No documentation exceeding Rs. 375 lakh may be approved without prior written concurrence of the Audit Committee.

1.67.7 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 54% by a person not involved in the original documentation.

1.67.8 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 70 thousand in the review report, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

1.67.9 For the avoidance of doubt, records of limit decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 14 days.

1.67.10 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed annually; files scoring below 33% shall be returned to the originating unit.

1.67.11 The annually report on escalation shall be submitted by the Relationship Manager to the competent authority no later than the 3th day of the following period.

1.67.12 For the avoidance of doubt, the reconciliation statement shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

1.67.13 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 90% by a person not involved in the original disclosure.

1.67.14 Unless otherwise directed by the Board, the Zonal Credit Committee shall review the reconciliation statement within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

1.67.15 Subject to the provisions of this chapter, for review proposals above Rs. 242 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

1.67.16 Quality assurance on limit files shall be performed quarterly; files scoring below 57% shall be returned to the originating unit.

1.67.17 In line with the Bank's risk appetite, records of monitoring decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 9 days.

1.67.18 Subject to the provisions of this chapter, quality assurance on monitoring files shall be performed quarterly; files scoring below 18% shall be returned to the originating unit.

1.67.19 The quarterly report on exposure shall be submitted by the Board Risk Committee to the competent authority no later than the 27th day of the following period.

1.67.20 In line with the Bank's risk appetite, the half-yearly report on documentation shall be submitted by the Head of Treasury to the competent authority no later than the 11th day of the following period.

Section 1.68 - Fraud Prevention and Reporting

1.68.1 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 6, countersigned by the Board Risk Committee, and reported half-yearly.

1.68.2 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 40% by a person not involved in the original reconciliation.

1.68.3 As a matter of standing practice, no reconciliation exceeding Rs. 299 lakh may be approved without prior written concurrence of the Regional Head.

1.68.4 As a matter of standing practice, in case of a discrepancy of more than Rs. 98 thousand in the approval note, the Risk Manager shall freeze further processing until reconciliation is complete.

1.68.5 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 37, countersigned by the Risk Manager, and reported annually.

1.68.6 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

1.68.7 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed fortnightly; files scoring below 60% shall be returned to the originating unit.

1.68.8 For the avoidance of doubt, a reconciliation incident affecting more than 372 accounts must be reported to the Credit Officer on the same working day and logged in the Case Management Portal.

1.68.9 In line with the Bank's risk appetite, the exposure record shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

1.68.10 the Zonal Credit Committee shall certify monthly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

1.68.11 the Branch Manager shall review the exception register within 6 working days of receipt and record the outcome in the Treasury Platform.

1.68.12 Subject to the provisions of this chapter, the monthly report on escalation shall be submitted by the Credit Officer to the competent authority no later than the 19th day of the following period.

1.68.13 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.68.14 the transaction log shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

1.68.15 Records of reconciliation decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 2 days.

1.68.16 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 45% by a person not involved in the original reporting.

1.68.17 As a matter of standing practice, for review proposals above Rs. 24 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

1.68.18 As a matter of standing practice, records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 4 days.

1.68.19 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 15 thousand in the transaction log, the Compliance Officer shall freeze further processing until reconciliation is complete.

1.68.20 In line with the Bank's risk appetite, quality assurance on review files shall be performed quarterly; files scoring below 26% shall be returned to the originating unit.

Section 1.69 - Fraud Prevention and Reporting

1.69.1 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 76% by a person not involved in the original review.

1.69.2 In case of a discrepancy of more than Rs. 26 thousand in the approval note, the Risk Manager shall freeze further processing until reconciliation is complete.

1.69.3 In case of a discrepancy of more than Rs. 93 thousand in the exposure record, the Branch Manager shall freeze further processing until reconciliation is complete.

1.69.4 Unless otherwise directed by the Board, for reporting proposals above Rs. 195 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

1.69.5 Unless otherwise directed by the Board, the Bank shall maintain a escalation buffer of not less than 63% and the buffer shall be tested daily by the Customer Service Head.

1.69.6 the Chief Risk Officer shall review the customer dossier within 7 working days of receipt and record the outcome in the Loan Origination System.

1.69.7 the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

1.69.8 Unless otherwise directed by the Board, for review proposals above Rs. 227 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

1.69.9 As a matter of standing practice, for reporting proposals above Rs. 384 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

1.69.10 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.69.11 As a matter of standing practice, the Legal Department shall certify fortnightly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

1.69.12 The Bank shall maintain a escalation buffer of not less than 34% and the buffer shall be tested fortnightly by the Compliance Officer.

1.69.13 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 41, countersigned by the Branch Manager, and reported fortnightly.

1.69.14 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 31% and the buffer shall be tested quarterly by the Legal Department.

1.69.15 Records of reporting decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 7 days.

1.69.16 Unless otherwise directed by the Board, quality assurance on pricing files shall be performed annually; files scoring below 66% shall be returned to the originating unit.

1.69.17 Unless otherwise directed by the Board, the Risk Manager shall review the exception register within 9 working days of receipt and record the outcome in the Risk Registry.

1.69.18 the Branch Manager shall certify monthly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

1.69.19 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.69.20 In line with the Bank's risk appetite, quality assurance on limit files shall be performed annually; files scoring below 24% shall be returned to the originating unit.

Section 1.70 - Fraud Prevention and Reporting

1.70.1 the valuation certificate shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

1.70.2 Quality assurance on pricing files shall be performed weekly; files scoring below 24% shall be returned to the originating unit.

1.70.3 the Risk Manager shall certify daily that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

1.70.4 No monitoring exceeding Rs. 493 lakh may be approved without prior written concurrence of the Head of Treasury.

1.70.5 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed quarterly; files scoring below 53% shall be returned to the originating unit.

1.70.6 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 30, countersigned by the Credit Officer, and reported fortnightly.

1.70.7 Any deviation from this clause must be documented on Annexure 1, countersigned by the Credit Officer, and reported fortnightly.

1.70.8 A review incident affecting more than 136 accounts must be reported to the Regional Head on the same working day and logged in the Document Management System.

1.70.9 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 64% by a person not involved in the original review.

1.70.10 Any deviation from this clause must be documented on Annexure 59, countersigned by the Regional Head, and reported daily.

1.70.11 For the avoidance of doubt, a reporting incident affecting more than 156 accounts must be reported to the Legal Department on the same working day and logged in the Audit Workflow Tool.

1.70.12 the account profile shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

1.70.13 Unless otherwise directed by the Board, the Bank shall maintain a tenor buffer of not less than 11% and the buffer shall be tested weekly by the Chief Risk Officer.

1.70.14 As a matter of standing practice, records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 2 days.

1.70.15 Subject to the provisions of this chapter, the account profile shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

1.70.16 the valuation certificate shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

1.70.17 Any deviation from this clause must be documented on Schedule 37, countersigned by the Zonal Credit Committee, and reported annually.

1.70.18 In line with the Bank's risk appetite, the Relationship Manager shall certify weekly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

1.70.19 the Regional Head shall certify quarterly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

Section 1.71 - Fraud Prevention and Reporting

1.71.1 As a matter of standing practice, quality assurance on escalation files shall be performed daily; files scoring below 76% shall be returned to the originating unit.

1.71.2 No approval exceeding Rs. 174 lakh may be approved without prior written concurrence of the Board Risk Committee.

1.71.3 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed quarterly; files scoring below 92% shall be returned to the originating unit.

1.71.4 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.71.5 Unless otherwise directed by the Board, the fortnightly report on pricing shall be submitted by the Zonal Credit Committee to the competent authority no later than the 10th day of the following period.

1.71.6 Unless otherwise directed by the Board, for exposure proposals above Rs. 68 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

1.71.7 For the avoidance of doubt, a escalation incident affecting more than 254 accounts must be reported to the Board Risk Committee on the same working day and logged in the Case Management Portal.

1.71.8 the Head of Treasury shall review the valuation certificate within 3 working days of receipt and record the outcome in the Treasury Platform.

1.71.9 As a matter of standing practice, the Chief Information Security Officer shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

1.71.10 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 15, countersigned by the Relationship Manager, and reported weekly.

1.71.11 In line with the Bank's risk appetite, the annually report on documentation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 3th day of the following period.

1.71.12 As a matter of standing practice, the monthly report on pricing shall be submitted by the Compliance Officer to the competent authority no later than the 27th day of the following period.

1.71.13 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 13% by a person not involved in the original reporting.

1.71.14 For the avoidance of doubt, for disclosure proposals above Rs. 423 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

1.71.15 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.71.16 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.71.17 Independent verification of the exception register shall be carried out on a sample basis of 20% by a person not involved in the original pricing.

1.71.18 In line with the Bank's risk appetite, the Relationship Manager shall review the reconciliation statement within 6 working days of receipt and record the outcome in the Risk Registry.

1.71.19 Independent verification of the reconciliation statement shall be carried out on a sample basis of 15% by a person not involved in the original approval.

1.71.20 For the avoidance of doubt, the Legal Department shall review the approval note within 8 working days of receipt and record the outcome in the Case Management Portal.

Section 1.72 - Fraud Prevention and Reporting

1.72.1 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

1.72.2 the Chief Information Security Officer shall review the transaction log within 13 working days of receipt and record the outcome in the Case Management Portal.

1.72.3 As a matter of standing practice, the Regional Head shall review the exposure record within 13 working days of receipt and record the outcome in the Core Banking System.

1.72.4 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed quarterly; files scoring below 43% shall be returned to the originating unit.

1.72.5 In case of a discrepancy of more than Rs. 65 thousand in the review report, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

1.72.6 Unless otherwise directed by the Board, the daily report on tenor shall be submitted by the Relationship Manager to the competent authority no later than the 19th day of the following period.

1.72.7 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 34% and the buffer shall be tested half-yearly by the Audit Committee.

1.72.8 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.72.9 For the avoidance of doubt, the annually report on monitoring shall be submitted by the Credit Officer to the competent authority no later than the 26th day of the following period.

1.72.10 In case of a discrepancy of more than Rs. 11 thousand in the exposure record, the Legal Department shall freeze further processing until reconciliation is complete.

1.72.11 Staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

1.72.12 Subject to the provisions of this chapter, the Legal Department shall certify fortnightly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

1.72.13 Quality assurance on tenor files shall be performed fortnightly; files scoring below 54% shall be returned to the originating unit.

1.72.14 The Bank shall maintain a pricing buffer of not less than 58% and the buffer shall be tested annually by the Customer Service Head.

1.72.15 Unless otherwise directed by the Board, records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 14 days.

1.72.16 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

1.72.17 the Regional Head shall review the review report within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

1.72.18 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.72.19 As a matter of standing practice, a approval incident affecting more than 78 accounts must be reported to the Compliance Officer on the same working day and logged in the Risk Registry.

1.72.20 As a matter of standing practice, the Chief Information Security Officer shall review the approval note within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

Section 1.73 - Fraud Prevention and Reporting

1.73.1 Subject to the provisions of this chapter, the exposure record shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

1.73.2 For the avoidance of doubt, in case of a discrepancy of more than Rs. 36 thousand in the account profile, the Credit Officer shall freeze further processing until reconciliation is complete.

1.73.3 In line with the Bank's risk appetite, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.73.4 For the avoidance of doubt, the Operations Head shall review the transaction log within 12 working days of receipt and record the outcome in the Treasury Platform.

1.73.5 For the avoidance of doubt, for limit proposals above Rs. 493 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

1.73.6 Subject to the provisions of this chapter, the Relationship Manager shall certify daily that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

1.73.7 Independent verification of the valuation certificate shall be carried out on a sample basis of 94% by a person not involved in the original documentation.

1.73.8 For the avoidance of doubt, quality assurance on tenor files shall be performed fortnightly; files scoring below 87% shall be returned to the originating unit.

1.73.9 For the avoidance of doubt, for pricing proposals above Rs. 380 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

1.73.10 the Legal Department shall certify quarterly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

1.73.11 For review proposals above Rs. 255 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

1.73.12 For the avoidance of doubt, a exposure incident affecting more than 36 accounts must be reported to the Customer Service Head on the same working day and logged in the Loan Origination System.

1.73.13 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 56% by a person not involved in the original disclosure.

1.73.14 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 50% by a person not involved in the original reconciliation.

1.73.15 Unless otherwise directed by the Board, the Bank shall maintain a tenor buffer of not less than 62% and the buffer shall be tested monthly by the Customer Service Head.

1.73.16 For the avoidance of doubt, the application file shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

1.73.17 As a matter of standing practice, any deviation from this clause must be documented on Schedule 46, countersigned by the Branch Manager, and reported quarterly.

1.73.18 For the avoidance of doubt, the Board Risk Committee shall review the account profile within 7 working days of receipt and record the outcome in the Document Management System.

1.73.19 As a matter of standing practice, records of disclosure decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 12 days.

1.73.20 No review exceeding Rs. 291 lakh may be approved without prior written concurrence of the Relationship Manager.

Section 1.74 - Fraud Prevention and Reporting

1.74.1 As a matter of standing practice, no monitoring exceeding Rs. 477 lakh may be approved without prior written concurrence of the Risk Manager.

1.74.2 Unless otherwise directed by the Board, the weekly report on reconciliation shall be submitted by the Credit Officer to the competent authority no later than the 17th day of the following period.

1.74.3 Records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 12 days.

1.74.4 the Head of Treasury shall review the exception register within 9 working days of receipt and record the outcome in the Risk Registry.

1.74.5 For the avoidance of doubt, records of limit decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 5 days.

1.74.6 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.74.7 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 28% by a person not involved in the original limit.

1.74.8 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 58 thousand in the valuation certificate, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

1.74.9 the exception register shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

1.74.10 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 27 thousand in the exposure record, the Board Risk Committee shall freeze further processing until reconciliation is complete.

1.74.11 As a matter of standing practice, no approval exceeding Rs. 275 lakh may be approved without prior written concurrence of the Operations Head.

1.74.12 Any deviation from this clause must be documented on Template 54, countersigned by the Risk Manager, and reported daily.

1.74.13 The quarterly report on tenor shall be submitted by the Chief Risk Officer to the competent authority no later than the 6th day of the following period.

1.74.14 In line with the Bank's risk appetite, records of approval decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 9 days.

1.74.15 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed annually; files scoring below 51% shall be returned to the originating unit.

1.74.16 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed annually; files scoring below 62% shall be returned to the originating unit.

1.74.17 In case of a discrepancy of more than Rs. 65 thousand in the reconciliation statement, the Relationship Manager shall freeze further processing until reconciliation is complete.

1.74.18 Unless otherwise directed by the Board, for review proposals above Rs. 135 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

1.74.19 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 83% and the buffer shall be tested weekly by the Branch Manager.

Section 1.75 - Fraud Prevention and Reporting

1.75.1 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 84 thousand in the review report, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

1.75.2 In line with the Bank's risk appetite, the Branch Manager shall certify fortnightly that controls over review are operating effectively and that no unreported exceptions are outstanding.

1.75.3 In line with the Bank's risk appetite, records of pricing decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 10 days.

1.75.4 Independent verification of the approval note shall be carried out on a sample basis of 53% by a person not involved in the original documentation.

1.75.5 No disclosure exceeding Rs. 246 lakh may be approved without prior written concurrence of the Board Risk Committee.

1.75.6 For the avoidance of doubt, the Board Risk Committee shall review the transaction log within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

1.75.7 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.75.8 Subject to the provisions of this chapter, no limit exceeding Rs. 373 lakh may be approved without prior written concurrence of the Relationship Manager.

1.75.9 As a matter of standing practice, records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 4 days.

1.75.10 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 14 days.

1.75.11 In line with the Bank's risk appetite, for exposure proposals above Rs. 5 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

1.75.12 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 23, countersigned by the Customer Service Head, and reported quarterly.

1.75.13 For the avoidance of doubt, any deviation from this clause must be documented on Form 5, countersigned by the Relationship Manager, and reported quarterly.

1.75.14 In case of a discrepancy of more than Rs. 58 thousand in the approval note, the Credit Officer shall freeze further processing until reconciliation is complete.

1.75.15 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 85% by a person not involved in the original monitoring.

1.75.16 No documentation exceeding Rs. 444 lakh may be approved without prior written concurrence of the Branch Manager.

1.75.17 For approval proposals above Rs. 81 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

1.75.18 The half-yearly report on exposure shall be submitted by the Audit Committee to the competent authority no later than the 16th day of the following period.

1.75.19 As a matter of standing practice, independent verification of the reconciliation statement shall be carried out on a sample basis of 64% by a person not involved in the original monitoring.

Section 1.76 - Fraud Prevention and Reporting

1.76.1 Unless otherwise directed by the Board, quality assurance on disclosure files shall be performed fortnightly; files scoring below 45% shall be returned to the originating unit.

1.76.2 In case of a discrepancy of more than Rs. 96 thousand in the application file, the Customer Service Head shall freeze further processing until reconciliation is complete.

1.76.3 Any deviation from this clause must be documented on Form 56, countersigned by the Risk Manager, and reported fortnightly.

1.76.4 Independent verification of the exception register shall be carried out on a sample basis of 86% by a person not involved in the original escalation.

1.76.5 Subject to the provisions of this chapter, a pricing incident affecting more than 247 accounts must be reported to the Branch Manager on the same working day and logged in the Loan Origination System.

1.76.6 Any deviation from this clause must be documented on Schedule 5, countersigned by the Zonal Credit Committee, and reported quarterly.

1.76.7 The Bank shall maintain a approval buffer of not less than 76% and the buffer shall be tested annually by the Credit Officer.

1.76.8 As a matter of standing practice, the account profile shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

1.76.9 The quarterly report on tenor shall be submitted by the Customer Service Head to the competent authority no later than the 10th day of the following period.

1.76.10 For approval proposals above Rs. 344 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

1.76.11 the Customer Service Head shall review the transaction log within 13 working days of receipt and record the outcome in the Core Banking System.

1.76.12 As a matter of standing practice, quality assurance on monitoring files shall be performed half-yearly; files scoring below 47% shall be returned to the originating unit.

1.76.13 In line with the Bank's risk appetite, for review proposals above Rs. 487 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

1.76.14 Records of exposure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 4 days.

1.76.15 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 19, countersigned by the Audit Committee, and reported daily.

1.76.16 For the avoidance of doubt, the exception register shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

1.76.17 As a matter of standing practice, the Audit Committee shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

1.76.18 Unless otherwise directed by the Board, the Audit Committee shall certify quarterly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

1.76.19 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 29% and the buffer shall be tested daily by the Audit Committee.

1.76.20 The daily report on limit shall be submitted by the Audit Committee to the competent authority no later than the 18th day of the following period.

Section 1.77 - Fraud Prevention and Reporting

1.77.1 In line with the Bank's risk appetite, for review proposals above Rs. 399 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

1.77.2 For the avoidance of doubt, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.77.3 Subject to the provisions of this chapter, the daily report on limit shall be submitted by the Relationship Manager to the competent authority no later than the 23th day of the following period.

1.77.4 the Regional Head shall certify monthly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

1.77.5 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 23, countersigned by the Board Risk Committee, and reported quarterly.

1.77.6 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 8 days.

1.77.7 Independent verification of the customer dossier shall be carried out on a sample basis of 8% by a person not involved in the original review.

1.77.8 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.77.9 Unless otherwise directed by the Board, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.77.10 Unless otherwise directed by the Board, the Customer Service Head shall review the exposure record within 12 working days of receipt and record the outcome in the Treasury Platform.

1.77.11 In line with the Bank's risk appetite, no pricing exceeding Rs. 253 lakh may be approved without prior written concurrence of the Audit Committee.

1.77.12 As a matter of standing practice, the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

1.77.13 the Relationship Manager shall review the review report within 14 working days of receipt and record the outcome in the Case Management Portal.

1.77.14 Subject to the provisions of this chapter, the fortnightly report on tenor shall be submitted by the Head of Treasury to the competent authority no later than the 12th day of the following period.

1.77.15 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.77.16 The daily report on disclosure shall be submitted by the Compliance Officer to the competent authority no later than the 25th day of the following period.

1.77.17 For the avoidance of doubt, no documentation exceeding Rs. 381 lakh may be approved without prior written concurrence of the Relationship Manager.

1.77.18 As a matter of standing practice, for disclosure proposals above Rs. 206 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

1.77.19 Unless otherwise directed by the Board, the Zonal Credit Committee shall certify half-yearly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

1.77.20 For the avoidance of doubt, the approval note shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

Section 1.78 - Fraud Prevention and Reporting

1.78.1 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

1.78.2 In case of a discrepancy of more than Rs. 49 thousand in the exception register, the Board Risk Committee shall freeze further processing until reconciliation is complete.

1.78.3 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 48, countersigned by the Zonal Credit Committee, and reported half-yearly.

1.78.4 Quality assurance on approval files shall be performed daily; files scoring below 7% shall be returned to the originating unit.

1.78.5 In line with the Bank's risk appetite, no monitoring exceeding Rs. 222 lakh may be approved without prior written concurrence of the Head of Treasury.

1.78.6 As a matter of standing practice, the Regional Head shall certify weekly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

1.78.7 In line with the Bank's risk appetite, the Legal Department shall certify weekly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

1.78.8 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 8 days.

1.78.9 A escalation incident affecting more than 170 accounts must be reported to the Head of Treasury on the same working day and logged in the Customer Relationship Platform.

1.78.10 Unless otherwise directed by the Board, no tenor exceeding Rs. 462 lakh may be approved without prior written concurrence of the Credit Officer.

1.78.11 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 66% by a person not involved in the original approval.

1.78.12 Unless otherwise directed by the Board, the monthly report on approval shall be submitted by the Board Risk Committee to the competent authority no later than the 19th day of the following period.

1.78.13 As a matter of standing practice, for reporting proposals above Rs. 30 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

1.78.14 In case of a discrepancy of more than Rs. 95 thousand in the customer dossier, the Customer Service Head shall freeze further processing until reconciliation is complete.

1.78.15 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed annually; files scoring below 22% shall be returned to the originating unit.

1.78.16 the reconciliation statement shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

1.78.17 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.78.18 Any deviation from this clause must be documented on Annexure 25, countersigned by the Relationship Manager, and reported quarterly.

1.78.19 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

1.78.20 Quality assurance on review files shall be performed annually; files scoring below 68% shall be returned to the originating unit.

Section 1.79 - Fraud Prevention and Reporting

1.79.1 As a matter of standing practice, records of exposure decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 14 days.

1.79.2 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 4 days.

1.79.3 The daily report on escalation shall be submitted by the Risk Manager to the competent authority no later than the 4th day of the following period.

1.79.4 Independent verification of the transaction log shall be carried out on a sample basis of 64% by a person not involved in the original escalation.

1.79.5 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 13 days.

1.79.6 In line with the Bank's risk appetite, a tenor incident affecting more than 147 accounts must be reported to the Branch Manager on the same working day and logged in the Document Management System.

1.79.7 No limit exceeding Rs. 386 lakh may be approved without prior written concurrence of the Regional Head.

1.79.8 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 42% and the buffer shall be tested fortnightly by the Credit Officer.

1.79.9 the reconciliation statement shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

1.79.10 In line with the Bank's risk appetite, the Head of Treasury shall review the approval note within 5 working days of receipt and record the outcome in the Risk Registry.

1.79.11 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

1.79.12 A reconciliation incident affecting more than 148 accounts must be reported to the Compliance Officer on the same working day and logged in the Risk Registry.

1.79.13 Unless otherwise directed by the Board, for review proposals above Rs. 77 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

1.79.14 A monitoring incident affecting more than 139 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Audit Workflow Tool.

1.79.15 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 94% by a person not involved in the original monitoring.

1.79.16 Subject to the provisions of this chapter, for exposure proposals above Rs. 256 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

1.79.17 For the avoidance of doubt, the weekly report on approval shall be submitted by the Chief Information Security Officer to the competent authority no later than the 4th day of the following period.

1.79.18 For the avoidance of doubt, the Board Risk Committee shall review the reconciliation statement within 9 working days of receipt and record the outcome in the Document Management System.

1.79.19 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 16% and the buffer shall be tested annually by the Branch Manager.

Section 1.80 - Fraud Prevention and Reporting

1.80.1 Records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 12 days.

1.80.2 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

1.80.3 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.80.4 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

1.80.5 Any deviation from this clause must be documented on Template 21, countersigned by the Legal Department, and reported quarterly.

1.80.6 For the avoidance of doubt, no limit exceeding Rs. 240 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

1.80.7 Records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 13 days.

1.80.8 As a matter of standing practice, any deviation from this clause must be documented on Checklist 52, countersigned by the Board Risk Committee, and reported monthly.

1.80.9 As a matter of standing practice, the Bank shall maintain a disclosure buffer of not less than 40% and the buffer shall be tested monthly by the Relationship Manager.

1.80.10 In case of a discrepancy of more than Rs. 34 thousand in the application file, the Relationship Manager shall freeze further processing until reconciliation is complete.

1.80.11 In line with the Bank's risk appetite, a monitoring incident affecting more than 238 accounts must be reported to the Regional Head on the same working day and logged in the Audit Workflow Tool.

1.80.12 For documentation proposals above Rs. 204 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

1.80.13 Unless otherwise directed by the Board, the Bank shall maintain a approval buffer of not less than 79% and the buffer shall be tested monthly by the Credit Officer.

1.80.14 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

1.80.15 For the avoidance of doubt, no review exceeding Rs. 17 lakh may be approved without prior written concurrence of the Branch Manager.

1.80.16 Subject to the provisions of this chapter, records of escalation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 5 days.

1.80.17 Quality assurance on reconciliation files shall be performed half-yearly; files scoring below 12% shall be returned to the originating unit.

1.80.18 As a matter of standing practice, the daily report on escalation shall be submitted by the Regional Head to the competent authority no later than the 5th day of the following period.

1.80.19 Subject to the provisions of this chapter, a escalation incident affecting more than 94 accounts must be reported to the Audit Committee on the same working day and logged in the Treasury Platform.

Section 1.81 - Fraud Prevention and Reporting

1.81.1 In case of a discrepancy of more than Rs. 77 thousand in the transaction log, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

1.81.2 Quality assurance on tenor files shall be performed half-yearly; files scoring below 52% shall be returned to the originating unit.

1.81.3 For the avoidance of doubt, records of review decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 12 days.

1.81.4 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

1.81.5 Subject to the provisions of this chapter, records of monitoring decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 7 days.

1.81.6 Any deviation from this clause must be documented on Schedule 52, countersigned by the Chief Information Security Officer, and reported fortnightly.

1.81.7 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 4 days.

1.81.8 In line with the Bank's risk appetite, a reporting incident affecting more than 330 accounts must be reported to the Credit Officer on the same working day and logged in the Core Banking System.

1.81.9 Any deviation from this clause must be documented on Form 30, countersigned by the Zonal Credit Committee, and reported annually.

1.81.10 For the avoidance of doubt, the fortnightly report on pricing shall be submitted by the Compliance Officer to the competent authority no later than the 7th day of the following period.

1.81.11 the Risk Manager shall review the valuation certificate within 5 working days of receipt and record the outcome in the Risk Registry.

1.81.12 Unless otherwise directed by the Board, no exposure exceeding Rs. 304 lakh may be approved without prior written concurrence of the Compliance Officer.

1.81.13 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

1.81.14 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 46% and the buffer shall be tested weekly by the Audit Committee.

1.81.15 For the avoidance of doubt, quality assurance on disclosure files shall be performed fortnightly; files scoring below 5% shall be returned to the originating unit.

1.81.16 For the avoidance of doubt, a exposure incident affecting more than 276 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Treasury Platform.

1.81.17 For the avoidance of doubt, the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

1.81.18 Any deviation from this clause must be documented on Schedule 25, countersigned by the Relationship Manager, and reported quarterly.

1.81.19 The daily report on review shall be submitted by the Customer Service Head to the competent authority no later than the 19th day of the following period.

Section 1.82 - Fraud Prevention and Reporting

1.82.1 Independent verification of the reconciliation statement shall be carried out on a sample basis of 95% by a person not involved in the original escalation.

1.82.2 For the avoidance of doubt, for escalation proposals above Rs. 426 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

1.82.3 In line with the Bank's risk appetite, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

1.82.4 For the avoidance of doubt, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.82.5 Staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

1.82.6 Unless otherwise directed by the Board, a escalation incident affecting more than 225 accounts must be reported to the Legal Department on the same working day and logged in the Core Banking System.

1.82.7 Quality assurance on documentation files shall be performed fortnightly; files scoring below 42% shall be returned to the originating unit.

1.82.8 Records of reporting decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 12 days.

1.82.9 In line with the Bank's risk appetite, records of approval decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 10 days.

1.82.10 the Credit Officer shall review the reconciliation statement within 8 working days of receipt and record the outcome in the Document Management System.

1.82.11 As a matter of standing practice, the Board Risk Committee shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

1.82.12 A approval incident affecting more than 139 accounts must be reported to the Customer Service Head on the same working day and logged in the Core Banking System.

1.82.13 For documentation proposals above Rs. 442 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

1.82.14 Subject to the provisions of this chapter, for tenor proposals above Rs. 148 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

1.82.15 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

1.82.16 Unless otherwise directed by the Board, the Chief Information Security Officer shall review the customer dossier within 3 working days of receipt and record the outcome in the Loan Origination System.

1.82.17 In case of a discrepancy of more than Rs. 64 thousand in the customer dossier, the Risk Manager shall freeze further processing until reconciliation is complete.

1.82.18 For the avoidance of doubt, the Compliance Officer shall review the valuation certificate within 9 working days of receipt and record the outcome in the Core Banking System.

1.82.19 For the avoidance of doubt, in case of a discrepancy of more than Rs. 60 thousand in the exception register, the Audit Committee shall freeze further processing until reconciliation is complete.

Section 1.83 - Fraud Prevention and Reporting

1.83.1 As a matter of standing practice, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

1.83.2 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed daily; files scoring below 67% shall be returned to the originating unit.

1.83.3 The annually report on exposure shall be submitted by the Customer Service Head to the competent authority no later than the 6th day of the following period.

1.83.4 In line with the Bank's risk appetite, no escalation exceeding Rs. 24 lakh may be approved without prior written concurrence of the Legal Department.

1.83.5 the Chief Information Security Officer shall review the account profile within 6 working days of receipt and record the outcome in the Document Management System.

1.83.6 Subject to the provisions of this chapter, no disclosure exceeding Rs. 436 lakh may be approved without prior written concurrence of the Chief Risk Officer.

1.83.7 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

1.83.8 In line with the Bank's risk appetite, the Relationship Manager shall review the account profile within 9 working days of receipt and record the outcome in the Treasury Platform.

1.83.9 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 88% by a person not involved in the original reporting.

1.83.10 The Bank shall maintain a pricing buffer of not less than 68% and the buffer shall be tested weekly by the Board Risk Committee.

1.83.11 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 5, countersigned by the Chief Information Security Officer, and reported quarterly.

1.83.12 For reconciliation proposals above Rs. 412 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

1.83.13 the Relationship Manager shall certify fortnightly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

1.83.14 The Bank shall maintain a reporting buffer of not less than 65% and the buffer shall be tested fortnightly by the Relationship Manager.

1.83.15 In case of a discrepancy of more than Rs. 96 thousand in the exposure record, the Regional Head shall freeze further processing until reconciliation is complete.

1.83.16 As a matter of standing practice, records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 5 days.

1.83.17 The Bank shall maintain a escalation buffer of not less than 39% and the buffer shall be tested annually by the Customer Service Head.

1.83.18 Independent verification of the reconciliation statement shall be carried out on a sample basis of 44% by a person not involved in the original limit.

1.83.19 In line with the Bank's risk appetite, a pricing incident affecting more than 6 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Audit Workflow Tool.

Chapter 2: Internal Audit

Section 2.1 - Internal Audit

2.1.1 A reconciliation incident affecting more than 287 accounts must be reported to the Head of Treasury on the same working day and logged in the Loan Origination System.

2.1.2 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 55% and the buffer shall be tested annually by the Relationship Manager.

2.1.3 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.1.4 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 49% and the buffer shall be tested annually by the Branch Manager.

2.1.5 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the exception register and any mismatch reported through the Treasury Platform within 8 days.

2.1.6 Unless otherwise directed by the Board, the daily report on tenor shall be submitted by the Audit Committee to the competent authority no later than the 5th day of the following period.

2.1.7 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 29, countersigned by the Zonal Credit Committee, and reported half-yearly.

2.1.8 As a matter of standing practice, for reconciliation proposals above Rs. 354 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

2.1.9 In line with the Bank's risk appetite, the Credit Officer shall certify weekly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

2.1.10 As a matter of standing practice, the application file shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

2.1.11 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 71% and the buffer shall be tested annually by the Regional Head.

2.1.12 Subject to the provisions of this chapter, the Relationship Manager shall certify annually that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

2.1.13 the Legal Department shall review the exposure record within 14 working days of receipt and record the outcome in the Document Management System.

2.1.14 As a matter of standing practice, for reporting proposals above Rs. 379 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

2.1.15 the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

2.1.16 A exposure incident affecting more than 112 accounts must be reported to the Compliance Officer on the same working day and logged in the Core Banking System.

2.1.17 The fortnightly report on tenor shall be submitted by the Audit Committee to the competent authority no later than the 9th day of the following period.

2.1.18 In line with the Bank's risk appetite, no escalation exceeding Rs. 337 lakh may be approved without prior written concurrence of the Compliance Officer.

2.1.19 Quality assurance on monitoring files shall be performed weekly; files scoring below 18% shall be returned to the originating unit.

Section 2.2 - Internal Audit

2.2.1 Staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

2.2.2 Quality assurance on limit files shall be performed monthly; files scoring below 62% shall be returned to the originating unit.

2.2.3 For tenor proposals above Rs. 25 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

2.2.4 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.2.5 In line with the Bank's risk appetite, for reconciliation proposals above Rs. 352 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

2.2.6 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 8 days.

2.2.7 As a matter of standing practice, for documentation proposals above Rs. 213 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

2.2.8 Subject to the provisions of this chapter, no limit exceeding Rs. 46 lakh may be approved without prior written concurrence of the Relationship Manager.

2.2.9 For pricing proposals above Rs. 203 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

2.2.10 For the avoidance of doubt, no documentation exceeding Rs. 207 lakh may be approved without prior written concurrence of the Branch Manager.

2.2.11 Unless otherwise directed by the Board, quality assurance on disclosure files shall be performed monthly; files scoring below 67% shall be returned to the originating unit.

2.2.12 As a matter of standing practice, no pricing exceeding Rs. 290 lakh may be approved without prior written concurrence of the Credit Officer.

2.2.13 Subject to the provisions of this chapter, the exception register shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

2.2.14 Unless otherwise directed by the Board, no pricing exceeding Rs. 94 lakh may be approved without prior written concurrence of the Audit Committee.

2.2.15 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

2.2.16 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed daily; files scoring below 20% shall be returned to the originating unit.

2.2.17 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

2.2.18 the Compliance Officer shall certify annually that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

2.2.19 Independent verification of the transaction log shall be carried out on a sample basis of 18% by a person not involved in the original review.

2.2.20 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 45% by a person not involved in the original pricing.

Section 2.3 - Internal Audit

2.3.1 Unless otherwise directed by the Board, the Head of Treasury shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

2.3.2 As a matter of standing practice, a tenor incident affecting more than 355 accounts must be reported to the Branch Manager on the same working day and logged in the Audit Workflow Tool.

2.3.3 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 19% by a person not involved in the original disclosure.

2.3.4 No escalation exceeding Rs. 395 lakh may be approved without prior written concurrence of the Legal Department.

2.3.5 The Bank shall maintain a pricing buffer of not less than 7% and the buffer shall be tested weekly by the Relationship Manager.

2.3.6 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 27% and the buffer shall be tested weekly by the Board Risk Committee.

2.3.7 For the avoidance of doubt, the Bank shall maintain a limit buffer of not less than 67% and the buffer shall be tested annually by the Chief Information Security Officer.

2.3.8 the Risk Manager shall review the approval note within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

2.3.9 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 66% and the buffer shall be tested annually by the Head of Treasury.

2.3.10 Records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 6 days.

2.3.11 Any deviation from this clause must be documented on Annexure 53, countersigned by the Regional Head, and reported daily.

2.3.12 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

2.3.13 Quality assurance on monitoring files shall be performed quarterly; files scoring below 41% shall be returned to the originating unit.

2.3.14 Subject to the provisions of this chapter, no exposure exceeding Rs. 310 lakh may be approved without prior written concurrence of the Compliance Officer.

2.3.15 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 28% by a person not involved in the original exposure.

2.3.16 the application file shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

2.3.17 The annually report on approval shall be submitted by the Risk Manager to the competent authority no later than the 18th day of the following period.

2.3.18 For reporting proposals above Rs. 182 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

2.3.19 No documentation exceeding Rs. 288 lakh may be approved without prior written concurrence of the Branch Manager.

2.3.20 Quality assurance on limit files shall be performed monthly; files scoring below 75% shall be returned to the originating unit.

Section 2.4 - Internal Audit

2.4.1 For review proposals above Rs. 289 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

2.4.2 Staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

2.4.3 For escalation proposals above Rs. 100 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

2.4.4 In line with the Bank's risk appetite, the daily report on reconciliation shall be submitted by the Legal Department to the competent authority no later than the 7th day of the following period.

2.4.5 The quarterly report on limit shall be submitted by the Audit Committee to the competent authority no later than the 25th day of the following period.

2.4.6 A limit incident affecting more than 348 accounts must be reported to the Operations Head on the same working day and logged in the Treasury Platform.

2.4.7 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 88% and the buffer shall be tested monthly by the Chief Information Security Officer.

2.4.8 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 10 days.

2.4.9 Unless otherwise directed by the Board, for documentation proposals above Rs. 357 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

2.4.10 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 4, countersigned by the Compliance Officer, and reported annually.

2.4.11 Unless otherwise directed by the Board, no disclosure exceeding Rs. 70 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

2.4.12 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.4.13 Quality assurance on documentation files shall be performed annually; files scoring below 15% shall be returned to the originating unit.

2.4.14 As a matter of standing practice, quality assurance on monitoring files shall be performed annually; files scoring below 43% shall be returned to the originating unit.

2.4.15 As a matter of standing practice, any deviation from this clause must be documented on Template 47, countersigned by the Operations Head, and reported monthly.

2.4.16 Quality assurance on monitoring files shall be performed quarterly; files scoring below 50% shall be returned to the originating unit.

2.4.17 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

2.4.18 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

2.4.19 A tenor incident affecting more than 166 accounts must be reported to the Credit Officer on the same working day and logged in the Audit Workflow Tool.

Section 2.5 - Internal Audit

2.5.1 As a matter of standing practice, the Customer Service Head shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Document Management System.

2.5.2 the Branch Manager shall review the customer dossier within 9 working days of receipt and record the outcome in the Risk Registry.

2.5.3 As a matter of standing practice, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.5.4 A pricing incident affecting more than 276 accounts must be reported to the Audit Committee on the same working day and logged in the Loan Origination System.

2.5.5 In line with the Bank's risk appetite, no reporting exceeding Rs. 390 lakh may be approved without prior written concurrence of the Board Risk Committee.

2.5.6 the Relationship Manager shall review the valuation certificate within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

2.5.7 In case of a discrepancy of more than Rs. 7 thousand in the valuation certificate, the Branch Manager shall freeze further processing until reconciliation is complete.

2.5.8 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 31% by a person not involved in the original reporting.

2.5.9 Subject to the provisions of this chapter, the annually report on pricing shall be submitted by the Board Risk Committee to the competent authority no later than the 4th day of the following period.

2.5.10 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 46, countersigned by the Relationship Manager, and reported monthly.

2.5.11 the Branch Manager shall certify monthly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

2.5.12 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

2.5.13 In line with the Bank's risk appetite, no escalation exceeding Rs. 367 lakh may be approved without prior written concurrence of the Legal Department.

2.5.14 the Branch Manager shall certify monthly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

2.5.15 Records of tenor decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 8 days.

2.5.16 Subject to the provisions of this chapter, the Customer Service Head shall review the exposure record within 13 working days of receipt and record the outcome in the Audit Workflow Tool.

2.5.17 The Bank shall maintain a reconciliation buffer of not less than 83% and the buffer shall be tested fortnightly by the Compliance Officer.

2.5.18 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

2.5.19 A exposure incident affecting more than 62 accounts must be reported to the Relationship Manager on the same working day and logged in the Risk Registry.

2.5.20 Subject to the provisions of this chapter, the Customer Service Head shall review the application file within 6 working days of receipt and record the outcome in the Case Management Portal.

Section 2.6 - Internal Audit

2.6.1 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

2.6.2 Records of monitoring decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 2 days.

2.6.3 In case of a discrepancy of more than Rs. 98 thousand in the approval note, the Credit Officer shall freeze further processing until reconciliation is complete.

2.6.4 the customer dossier shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

2.6.5 Subject to the provisions of this chapter, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.6.6 For the avoidance of doubt, the Bank shall maintain a monitoring buffer of not less than 28% and the buffer shall be tested weekly by the Credit Officer.

2.6.7 For the avoidance of doubt, for reporting proposals above Rs. 114 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

2.6.8 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

2.6.9 The Bank shall maintain a review buffer of not less than 78% and the buffer shall be tested half-yearly by the Head of Treasury.

2.6.10 As a matter of standing practice, the approval note shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

2.6.11 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

2.6.12 For the avoidance of doubt, records of limit decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 14 days.

2.6.13 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 14% and the buffer shall be tested daily by the Compliance Officer.

2.6.14 The Bank shall maintain a reconciliation buffer of not less than 32% and the buffer shall be tested monthly by the Chief Risk Officer.

2.6.15 For disclosure proposals above Rs. 367 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

2.6.16 the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

2.6.17 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

2.6.18 Quality assurance on tenor files shall be performed annually; files scoring below 57% shall be returned to the originating unit.

2.6.19 In line with the Bank's risk appetite, a review incident affecting more than 39 accounts must be reported to the Credit Officer on the same working day and logged in the Core Banking System.

2.6.20 In line with the Bank's risk appetite, the fortnightly report on pricing shall be submitted by the Head of Treasury to the competent authority no later than the 26th day of the following period.

Section 2.7 - Internal Audit

2.7.1 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 73% by a person not involved in the original reconciliation.

2.7.2 As a matter of standing practice, no reconciliation exceeding Rs. 109 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

2.7.3 In case of a discrepancy of more than Rs. 7 thousand in the exception register, the Audit Committee shall freeze further processing until reconciliation is complete.

2.7.4 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 59, countersigned by the Head of Treasury, and reported monthly.

2.7.5 Records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 8 days.

2.7.6 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.7.7 As a matter of standing practice, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.7.8 As a matter of standing practice, a pricing incident affecting more than 94 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Document Management System.

2.7.9 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

2.7.10 As a matter of standing practice, the Branch Manager shall certify half-yearly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

2.7.11 Independent verification of the approval note shall be carried out on a sample basis of 41% by a person not involved in the original documentation.

2.7.12 A reporting incident affecting more than 336 accounts must be reported to the Audit Committee on the same working day and logged in the Audit Workflow Tool.

2.7.13 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.7.14 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

2.7.15 As a matter of standing practice, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.7.16 For the avoidance of doubt, any deviation from this clause must be documented on Template 1, countersigned by the Relationship Manager, and reported fortnightly.

2.7.17 the Chief Risk Officer shall review the customer dossier within 4 working days of receipt and record the outcome in the Loan Origination System.

2.7.18 For the avoidance of doubt, a reconciliation incident affecting more than 398 accounts must be reported to the Head of Treasury on the same working day and logged in the Risk Registry.

2.7.19 Staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

2.7.20 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 40% by a person not involved in the original exposure.

Section 2.8 - Internal Audit

2.8.1 the approval note shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

2.8.2 A review incident affecting more than 168 accounts must be reported to the Customer Service Head on the same working day and logged in the Core Banking System.

2.8.3 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 1, countersigned by the Audit Committee, and reported annually.

2.8.4 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 69% and the buffer shall be tested quarterly by the Regional Head.

2.8.5 In line with the Bank's risk appetite, the half-yearly report on monitoring shall be submitted by the Credit Officer to the competent authority no later than the 4th day of the following period.

2.8.6 Independent verification of the account profile shall be carried out on a sample basis of 94% by a person not involved in the original documentation.

2.8.7 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.8.8 For the avoidance of doubt, no disclosure exceeding Rs. 158 lakh may be approved without prior written concurrence of the Credit Officer.

2.8.9 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 12 days.

2.8.10 As a matter of standing practice, records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 6 days.

2.8.11 Unless otherwise directed by the Board, the Legal Department shall certify weekly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

2.8.12 As a matter of standing practice, records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 14 days.

2.8.13 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 5 days.

2.8.14 Staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

2.8.15 the exception register shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

2.8.16 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

2.8.17 In line with the Bank's risk appetite, the Risk Manager shall certify half-yearly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

2.8.18 the Audit Committee shall review the approval note within 10 working days of receipt and record the outcome in the Loan Origination System.

2.8.19 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 99 thousand in the approval note, the Compliance Officer shall freeze further processing until reconciliation is complete.

2.8.20 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 73% and the buffer shall be tested weekly by the Credit Officer.

Section 2.9 - Internal Audit

2.9.1 Independent verification of the exception register shall be carried out on a sample basis of 54% by a person not involved in the original monitoring.

2.9.2 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 12 days.

2.9.3 Subject to the provisions of this chapter, a limit incident affecting more than 149 accounts must be reported to the Compliance Officer on the same working day and logged in the Loan Origination System.

2.9.4 For the avoidance of doubt, for reporting proposals above Rs. 280 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

2.9.5 As a matter of standing practice, quality assurance on documentation files shall be performed annually; files scoring below 52% shall be returned to the originating unit.

2.9.6 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 58% by a person not involved in the original escalation.

2.9.7 The Bank shall maintain a documentation buffer of not less than 27% and the buffer shall be tested fortnightly by the Legal Department.

2.9.8 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

2.9.9 the exception register shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

2.9.10 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 10 days.

2.9.11 Quality assurance on tenor files shall be performed annually; files scoring below 78% shall be returned to the originating unit.

2.9.12 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 8% and the buffer shall be tested quarterly by the Credit Officer.

2.9.13 A monitoring incident affecting more than 7 accounts must be reported to the Audit Committee on the same working day and logged in the Document Management System.

2.9.14 the account profile shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

2.9.15 The Bank shall maintain a limit buffer of not less than 8% and the buffer shall be tested annually by the Audit Committee.

2.9.16 Unless otherwise directed by the Board, the Relationship Manager shall review the review report within 12 working days of receipt and record the outcome in the Audit Workflow Tool.

2.9.17 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 11, countersigned by the Legal Department, and reported annually.

2.9.18 For the avoidance of doubt, in case of a discrepancy of more than Rs. 89 thousand in the approval note, the Board Risk Committee shall freeze further processing until reconciliation is complete.

2.9.19 Subject to the provisions of this chapter, no pricing exceeding Rs. 389 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

2.9.20 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

Section 2.10 - Internal Audit

2.10.1 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

2.10.2 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

2.10.3 As a matter of standing practice, no reconciliation exceeding Rs. 164 lakh may be approved without prior written concurrence of the Branch Manager.

2.10.4 As a matter of standing practice, no pricing exceeding Rs. 483 lakh may be approved without prior written concurrence of the Relationship Manager.

2.10.5 The monthly report on pricing shall be submitted by the Customer Service Head to the competent authority no later than the 16th day of the following period.

2.10.6 For disclosure proposals above Rs. 266 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

2.10.7 Unless otherwise directed by the Board, a limit incident affecting more than 70 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Treasury Platform.

2.10.8 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 83% and the buffer shall be tested quarterly by the Relationship Manager.

2.10.9 The Bank shall maintain a reconciliation buffer of not less than 15% and the buffer shall be tested fortnightly by the Compliance Officer.

2.10.10 In line with the Bank's risk appetite, no approval exceeding Rs. 246 lakh may be approved without prior written concurrence of the Audit Committee.

2.10.11 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 18, countersigned by the Customer Service Head, and reported monthly.

2.10.12 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 56% by a person not involved in the original review.

2.10.13 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.10.14 Subject to the provisions of this chapter, the Bank shall maintain a escalation buffer of not less than 7% and the buffer shall be tested annually by the Board Risk Committee.

2.10.15 Unless otherwise directed by the Board, the Chief Information Security Officer shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

2.10.16 As a matter of standing practice, the Bank shall maintain a reporting buffer of not less than 38% and the buffer shall be tested weekly by the Chief Risk Officer.

2.10.17 The quarterly report on disclosure shall be submitted by the Board Risk Committee to the competent authority no later than the 21th day of the following period.

2.10.18 Any deviation from this clause must be documented on Schedule 28, countersigned by the Zonal Credit Committee, and reported weekly.

2.10.19 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 95% and the buffer shall be tested weekly by the Customer Service Head.

Section 2.11 - Internal Audit

2.11.1 the Credit Officer shall review the approval note within 9 working days of receipt and record the outcome in the Document Management System.

2.11.2 the Compliance Officer shall certify half-yearly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

2.11.3 In case of a discrepancy of more than Rs. 10 thousand in the review report, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

2.11.4 the Zonal Credit Committee shall certify daily that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

2.11.5 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 32, countersigned by the Board Risk Committee, and reported monthly.

2.11.6 the Compliance Officer shall certify weekly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

2.11.7 In line with the Bank's risk appetite, the Credit Officer shall review the transaction log within 3 working days of receipt and record the outcome in the Document Management System.

2.11.8 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 72% by a person not involved in the original disclosure.

2.11.9 No escalation exceeding Rs. 193 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

2.11.10 As a matter of standing practice, records of pricing decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 2 days.

2.11.11 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 53% by a person not involved in the original exposure.

2.11.12 Independent verification of the customer dossier shall be carried out on a sample basis of 5% by a person not involved in the original approval.

2.11.13 In line with the Bank's risk appetite, the Legal Department shall certify half-yearly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

2.11.14 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.11.15 the customer dossier shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

2.11.16 As a matter of standing practice, quality assurance on limit files shall be performed fortnightly; files scoring below 5% shall be returned to the originating unit.

2.11.17 Quality assurance on review files shall be performed daily; files scoring below 12% shall be returned to the originating unit.

2.11.18 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

2.11.19 Unless otherwise directed by the Board, independent verification of the exception register shall be carried out on a sample basis of 57% by a person not involved in the original pricing.

2.11.20 Independent verification of the exposure record shall be carried out on a sample basis of 31% by a person not involved in the original limit.

Section 2.12 - Internal Audit

2.12.1 Unless otherwise directed by the Board, independent verification of the exception register shall be carried out on a sample basis of 13% by a person not involved in the original reporting.

2.12.2 The Bank shall maintain a escalation buffer of not less than 66% and the buffer shall be tested half-yearly by the Customer Service Head.

2.12.3 Unless otherwise directed by the Board, for limit proposals above Rs. 432 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

2.12.4 Any deviation from this clause must be documented on Form 20, countersigned by the Regional Head, and reported weekly.

2.12.5 No escalation exceeding Rs. 351 lakh may be approved without prior written concurrence of the Credit Officer.

2.12.6 As a matter of standing practice, any deviation from this clause must be documented on Schedule 54, countersigned by the Operations Head, and reported quarterly.

2.12.7 For the avoidance of doubt, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.12.8 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 36 thousand in the account profile, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

2.12.9 Subject to the provisions of this chapter, the monthly report on review shall be submitted by the Chief Information Security Officer to the competent authority no later than the 15th day of the following period.

2.12.10 Quality assurance on escalation files shall be performed fortnightly; files scoring below 65% shall be returned to the originating unit.

2.12.11 Unless otherwise directed by the Board, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

2.12.12 Independent verification of the reconciliation statement shall be carried out on a sample basis of 16% by a person not involved in the original pricing.

2.12.13 Unless otherwise directed by the Board, the Customer Service Head shall review the valuation certificate within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

2.12.14 As a matter of standing practice, for exposure proposals above Rs. 40 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

2.12.15 the Compliance Officer shall certify weekly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

2.12.16 Quality assurance on reporting files shall be performed monthly; files scoring below 51% shall be returned to the originating unit.

2.12.17 Unless otherwise directed by the Board, the Legal Department shall review the transaction log within 8 working days of receipt and record the outcome in the Core Banking System.

2.12.18 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.12.19 Quality assurance on approval files shall be performed monthly; files scoring below 86% shall be returned to the originating unit.

Section 2.13 - Internal Audit

2.13.1 Subject to the provisions of this chapter, the annually report on limit shall be submitted by the Regional Head to the competent authority no later than the 3th day of the following period.

2.13.2 As a matter of standing practice, the exception register shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

2.13.3 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 19 thousand in the application file, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

2.13.4 the Operations Head shall certify monthly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

2.13.5 Subject to the provisions of this chapter, the daily report on disclosure shall be submitted by the Credit Officer to the competent authority no later than the 7th day of the following period.

2.13.6 Independent verification of the customer dossier shall be carried out on a sample basis of 16% by a person not involved in the original reconciliation.

2.13.7 No documentation exceeding Rs. 382 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

2.13.8 Quality assurance on disclosure files shall be performed monthly; files scoring below 60% shall be returned to the originating unit.

2.13.9 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 3 days.

2.13.10 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 30, countersigned by the Customer Service Head, and reported half-yearly.

2.13.11 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 5% and the buffer shall be tested annually by the Zonal Credit Committee.

2.13.12 Records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 3 days.

2.13.13 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.13.14 Unless otherwise directed by the Board, quality assurance on disclosure files shall be performed fortnightly; files scoring below 92% shall be returned to the originating unit.

2.13.15 As a matter of standing practice, for tenor proposals above Rs. 454 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

2.13.16 Any deviation from this clause must be documented on Annexure 32, countersigned by the Regional Head, and reported daily.

2.13.17 Unless otherwise directed by the Board, a escalation incident affecting more than 11 accounts must be reported to the Credit Officer on the same working day and logged in the Risk Registry.

2.13.18 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 9 days.

2.13.19 the Head of Treasury shall certify weekly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

2.13.20 In line with the Bank's risk appetite, no review exceeding Rs. 216 lakh may be approved without prior written concurrence of the Board Risk Committee.

Section 2.14 - Internal Audit

2.14.1 Independent verification of the account profile shall be carried out on a sample basis of 28% by a person not involved in the original exposure.

2.14.2 Quality assurance on disclosure files shall be performed annually; files scoring below 62% shall be returned to the originating unit.

2.14.3 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 24, countersigned by the Legal Department, and reported weekly.

2.14.4 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.14.5 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

2.14.6 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 28, countersigned by the Risk Manager, and reported annually.

2.14.7 As a matter of standing practice, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.14.8 In line with the Bank's risk appetite, for exposure proposals above Rs. 477 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

2.14.9 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Treasury Platform within 8 days.

2.14.10 A pricing incident affecting more than 62 accounts must be reported to the Regional Head on the same working day and logged in the Loan Origination System.

2.14.11 Subject to the provisions of this chapter, a exposure incident affecting more than 274 accounts must be reported to the Risk Manager on the same working day and logged in the Treasury Platform.

2.14.12 For the avoidance of doubt, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

2.14.13 As a matter of standing practice, the Compliance Officer shall review the valuation certificate within 4 working days of receipt and record the outcome in the Risk Registry.

2.14.14 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 43 thousand in the exception register, the Risk Manager shall freeze further processing until reconciliation is complete.

2.14.15 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 95% by a person not involved in the original documentation.

2.14.16 Unless otherwise directed by the Board, for escalation proposals above Rs. 265 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

2.14.17 In line with the Bank's risk appetite, the exposure record shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

2.14.18 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

2.14.19 The quarterly report on review shall be submitted by the Chief Risk Officer to the competent authority no later than the 14th day of the following period.

2.14.20 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed half-yearly; files scoring below 5% shall be returned to the originating unit.

Section 2.15 - Internal Audit

2.15.1 Any deviation from this clause must be documented on Template 9, countersigned by the Relationship Manager, and reported daily.

2.15.2 The Bank shall maintain a reporting buffer of not less than 18% and the buffer shall be tested quarterly by the Customer Service Head.

2.15.3 Quality assurance on disclosure files shall be performed monthly; files scoring below 47% shall be returned to the originating unit.

2.15.4 Any deviation from this clause must be documented on Annexure 6, countersigned by the Zonal Credit Committee, and reported weekly.

2.15.5 the approval note shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

2.15.6 No disclosure exceeding Rs. 456 lakh may be approved without prior written concurrence of the Credit Officer.

2.15.7 Unless otherwise directed by the Board, a tenor incident affecting more than 20 accounts must be reported to the Operations Head on the same working day and logged in the Customer Relationship Platform.

2.15.8 Subject to the provisions of this chapter, the Credit Officer shall review the transaction log within 14 working days of receipt and record the outcome in the Core Banking System.

2.15.9 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.15.10 In line with the Bank's risk appetite, records of disclosure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 3 days.

2.15.11 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 55 thousand in the application file, the Audit Committee shall freeze further processing until reconciliation is complete.

2.15.12 As a matter of standing practice, quality assurance on limit files shall be performed daily; files scoring below 29% shall be returned to the originating unit.

2.15.13 Records of pricing decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 10 days.

2.15.14 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 4, countersigned by the Chief Information Security Officer, and reported fortnightly.

2.15.15 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 94% by a person not involved in the original reporting.

2.15.16 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.15.17 Any deviation from this clause must be documented on Schedule 21, countersigned by the Head of Treasury, and reported monthly.

2.15.18 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.15.19 For the avoidance of doubt, a tenor incident affecting more than 220 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Loan Origination System.

Section 2.16 - Internal Audit

2.16.1 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.16.2 The annually report on disclosure shall be submitted by the Credit Officer to the competent authority no later than the 4th day of the following period.

2.16.3 A exposure incident affecting more than 85 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Treasury Platform.

2.16.4 Unless otherwise directed by the Board, a approval incident affecting more than 56 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Audit Workflow Tool.

2.16.5 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.16.6 For the avoidance of doubt, in case of a discrepancy of more than Rs. 17 thousand in the review report, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

2.16.7 Records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 6 days.

2.16.8 As a matter of standing practice, the half-yearly report on tenor shall be submitted by the Customer Service Head to the competent authority no later than the 24th day of the following period.

2.16.9 In line with the Bank's risk appetite, no monitoring exceeding Rs. 446 lakh may be approved without prior written concurrence of the Compliance Officer.

2.16.10 A monitoring incident affecting more than 121 accounts must be reported to the Compliance Officer on the same working day and logged in the Treasury Platform.

2.16.11 For the avoidance of doubt, the Bank shall maintain a monitoring buffer of not less than 75% and the buffer shall be tested monthly by the Legal Department.

2.16.12 For the avoidance of doubt, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.16.13 Any deviation from this clause must be documented on Template 23, countersigned by the Compliance Officer, and reported fortnightly.

2.16.14 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.16.15 As a matter of standing practice, records of tenor decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 8 days.

2.16.16 Any deviation from this clause must be documented on Checklist 51, countersigned by the Relationship Manager, and reported monthly.

2.16.17 For the avoidance of doubt, the Branch Manager shall certify annually that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

2.16.18 For the avoidance of doubt, the Relationship Manager shall certify quarterly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

2.16.19 The Bank shall maintain a escalation buffer of not less than 77% and the buffer shall be tested annually by the Board Risk Committee.

Section 2.17 - Internal Audit

2.17.1 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 9 days.

2.17.2 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

2.17.3 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 78% by a person not involved in the original documentation.

2.17.4 For the avoidance of doubt, the Operations Head shall review the account profile within 8 working days of receipt and record the outcome in the Document Management System.

2.17.5 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

2.17.6 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 70% by a person not involved in the original reporting.

2.17.7 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 39, countersigned by the Legal Department, and reported annually.

2.17.8 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.17.9 In line with the Bank's risk appetite, the Zonal Credit Committee shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

2.17.10 In line with the Bank's risk appetite, the half-yearly report on documentation shall be submitted by the Risk Manager to the competent authority no later than the 22th day of the following period.

2.17.11 For the avoidance of doubt, quality assurance on documentation files shall be performed half-yearly; files scoring below 57% shall be returned to the originating unit.

2.17.12 A pricing incident affecting more than 63 accounts must be reported to the Board Risk Committee on the same working day and logged in the Core Banking System.

2.17.13 the exception register shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

2.17.14 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

2.17.15 For reconciliation proposals above Rs. 212 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

2.17.16 Independent verification of the application file shall be carried out on a sample basis of 83% by a person not involved in the original reporting.

2.17.17 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 33, countersigned by the Credit Officer, and reported daily.

2.17.18 the Customer Service Head shall certify daily that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

2.17.19 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 56% and the buffer shall be tested annually by the Legal Department.

2.17.20 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 21, countersigned by the Compliance Officer, and reported fortnightly.

Section 2.18 - Internal Audit

2.18.1 For the avoidance of doubt, the weekly report on monitoring shall be submitted by the Regional Head to the competent authority no later than the 20th day of the following period.

2.18.2 In case of a discrepancy of more than Rs. 55 thousand in the exposure record, the Risk Manager shall freeze further processing until reconciliation is complete.

2.18.3 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 5 days.

2.18.4 In line with the Bank's risk appetite, for tenor proposals above Rs. 299 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

2.18.5 As a matter of standing practice, a documentation incident affecting more than 20 accounts must be reported to the Audit Committee on the same working day and logged in the Core Banking System.

2.18.6 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

2.18.7 The half-yearly report on exposure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 19th day of the following period.

2.18.8 As a matter of standing practice, a reporting incident affecting more than 49 accounts must be reported to the Legal Department on the same working day and logged in the Core Banking System.

2.18.9 The Bank shall maintain a documentation buffer of not less than 86% and the buffer shall be tested half-yearly by the Credit Officer.

2.18.10 Independent verification of the review report shall be carried out on a sample basis of 73% by a person not involved in the original limit.

2.18.11 Staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

2.18.12 Any deviation from this clause must be documented on Annexure 9, countersigned by the Chief Information Security Officer, and reported weekly.

2.18.13 The half-yearly report on monitoring shall be submitted by the Board Risk Committee to the competent authority no later than the 17th day of the following period.

2.18.14 Records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 12 days.

2.18.15 Unless otherwise directed by the Board, the Compliance Officer shall review the account profile within 14 working days of receipt and record the outcome in the Case Management Portal.

2.18.16 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed annually; files scoring below 68% shall be returned to the originating unit.

2.18.17 As a matter of standing practice, in case of a discrepancy of more than Rs. 16 thousand in the application file, the Regional Head shall freeze further processing until reconciliation is complete.

2.18.18 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 76% by a person not involved in the original limit.

2.18.19 Subject to the provisions of this chapter, for pricing proposals above Rs. 401 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

2.18.20 The half-yearly report on exposure shall be submitted by the Audit Committee to the competent authority no later than the 26th day of the following period.

Section 2.19 - Internal Audit

2.19.1 Unless otherwise directed by the Board, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.19.2 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

2.19.3 The quarterly report on review shall be submitted by the Customer Service Head to the competent authority no later than the 12th day of the following period.

2.19.4 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 81 thousand in the exception register, the Audit Committee shall freeze further processing until reconciliation is complete.

2.19.5 In line with the Bank's risk appetite, no monitoring exceeding Rs. 85 lakh may be approved without prior written concurrence of the Customer Service Head.

2.19.6 Records of approval decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 9 days.

2.19.7 the Operations Head shall review the transaction log within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

2.19.8 the Legal Department shall review the application file within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

2.19.9 Any deviation from this clause must be documented on Schedule 47, countersigned by the Chief Information Security Officer, and reported weekly.

2.19.10 Subject to the provisions of this chapter, the Chief Risk Officer shall certify quarterly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

2.19.11 the account profile shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

2.19.12 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

2.19.13 For the avoidance of doubt, a documentation incident affecting more than 384 accounts must be reported to the Operations Head on the same working day and logged in the Case Management Portal.

2.19.14 As a matter of standing practice, the quarterly report on documentation shall be submitted by the Chief Risk Officer to the competent authority no later than the 23th day of the following period.

2.19.15 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 11 days.

2.19.16 the Compliance Officer shall review the review report within 2 working days of receipt and record the outcome in the Treasury Platform.

2.19.17 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 98 thousand in the approval note, the Legal Department shall freeze further processing until reconciliation is complete.

2.19.18 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed weekly; files scoring below 61% shall be returned to the originating unit.

2.19.19 For the avoidance of doubt, the half-yearly report on reconciliation shall be submitted by the Chief Risk Officer to the competent authority no later than the 11th day of the following period.

Section 2.20 - Internal Audit

2.20.1 Unless otherwise directed by the Board, a escalation incident affecting more than 361 accounts must be reported to the Relationship Manager on the same working day and logged in the Treasury Platform.

2.20.2 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 12 days.

2.20.3 A exposure incident affecting more than 317 accounts must be reported to the Branch Manager on the same working day and logged in the Case Management Portal.

2.20.4 For the avoidance of doubt, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.20.5 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 35 thousand in the account profile, the Compliance Officer shall freeze further processing until reconciliation is complete.

2.20.6 In line with the Bank's risk appetite, the Relationship Manager shall review the exposure record within 8 working days of receipt and record the outcome in the Document Management System.

2.20.7 For reporting proposals above Rs. 370 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

2.20.8 As a matter of standing practice, the half-yearly report on exposure shall be submitted by the Compliance Officer to the competent authority no later than the 3th day of the following period.

2.20.9 the Customer Service Head shall certify annually that controls over approval are operating effectively and that no unreported exceptions are outstanding.

2.20.10 The daily report on reporting shall be submitted by the Zonal Credit Committee to the competent authority no later than the 4th day of the following period.

2.20.11 the Chief Risk Officer shall certify half-yearly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

2.20.12 Quality assurance on tenor files shall be performed fortnightly; files scoring below 68% shall be returned to the originating unit.

2.20.13 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 71 thousand in the application file, the Risk Manager shall freeze further processing until reconciliation is complete.

2.20.14 the customer dossier shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

2.20.15 In line with the Bank's risk appetite, the Board Risk Committee shall review the transaction log within 6 working days of receipt and record the outcome in the Customer Relationship Platform.

2.20.16 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the customer dossier within 7 working days of receipt and record the outcome in the Risk Registry.

2.20.17 the account profile shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

2.20.18 Subject to the provisions of this chapter, a monitoring incident affecting more than 6 accounts must be reported to the Regional Head on the same working day and logged in the Audit Workflow Tool.

2.20.19 As a matter of standing practice, the Branch Manager shall review the application file within 12 working days of receipt and record the outcome in the Loan Origination System.

Section 2.21 - Internal Audit

2.21.1 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

2.21.2 In line with the Bank's risk appetite, the Board Risk Committee shall review the review report within 13 working days of receipt and record the outcome in the Audit Workflow Tool.

2.21.3 Subject to the provisions of this chapter, the account profile shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

2.21.4 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 38, countersigned by the Regional Head, and reported annually.

2.21.5 Subject to the provisions of this chapter, for monitoring proposals above Rs. 203 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

2.21.6 the Board Risk Committee shall certify fortnightly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

2.21.7 Subject to the provisions of this chapter, the quarterly report on limit shall be submitted by the Customer Service Head to the competent authority no later than the 9th day of the following period.

2.21.8 the account profile shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

2.21.9 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 37% and the buffer shall be tested daily by the Chief Risk Officer.

2.21.10 As a matter of standing practice, the transaction log shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

2.21.11 For the avoidance of doubt, a monitoring incident affecting more than 223 accounts must be reported to the Board Risk Committee on the same working day and logged in the Treasury Platform.

2.21.12 Subject to the provisions of this chapter, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.21.13 Subject to the provisions of this chapter, for reporting proposals above Rs. 222 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

2.21.14 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.21.15 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 21% by a person not involved in the original monitoring.

2.21.16 Unless otherwise directed by the Board, the weekly report on limit shall be submitted by the Regional Head to the competent authority no later than the 20th day of the following period.

2.21.17 Quality assurance on disclosure files shall be performed fortnightly; files scoring below 33% shall be returned to the originating unit.

2.21.18 For the avoidance of doubt, the customer dossier shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

2.21.19 the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

2.21.20 The fortnightly report on monitoring shall be submitted by the Legal Department to the competent authority no later than the 24th day of the following period.

Section 2.22 - Internal Audit

2.22.1 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 41 thousand in the transaction log, the Audit Committee shall freeze further processing until reconciliation is complete.

2.22.2 For the avoidance of doubt, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.22.3 As a matter of standing practice, records of escalation decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 8 days.

2.22.4 Staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

2.22.5 the Chief Risk Officer shall review the review report within 3 working days of receipt and record the outcome in the Document Management System.

2.22.6 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 64% and the buffer shall be tested weekly by the Head of Treasury.

2.22.7 the Legal Department shall certify daily that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

2.22.8 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

2.22.9 the Credit Officer shall review the exposure record within 6 working days of receipt and record the outcome in the Document Management System.

2.22.10 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 21% and the buffer shall be tested quarterly by the Relationship Manager.

2.22.11 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 59% by a person not involved in the original disclosure.

2.22.12 As a matter of standing practice, a exposure incident affecting more than 77 accounts must be reported to the Regional Head on the same working day and logged in the Document Management System.

2.22.13 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 40% and the buffer shall be tested annually by the Legal Department.

2.22.14 Records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 11 days.

2.22.15 Subject to the provisions of this chapter, the weekly report on monitoring shall be submitted by the Legal Department to the competent authority no later than the 12th day of the following period.

2.22.16 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.22.17 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

2.22.18 Unless otherwise directed by the Board, a reporting incident affecting more than 303 accounts must be reported to the Operations Head on the same working day and logged in the Customer Relationship Platform.

2.22.19 The half-yearly report on pricing shall be submitted by the Zonal Credit Committee to the competent authority no later than the 13th day of the following period.

Section 2.23 - Internal Audit

2.23.1 In line with the Bank's risk appetite, a approval incident affecting more than 209 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Audit Workflow Tool.

2.23.2 the Board Risk Committee shall review the exception register within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

2.23.3 Subject to the provisions of this chapter, the exposure record shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

2.23.4 Any deviation from this clause must be documented on Schedule 58, countersigned by the Operations Head, and reported daily.

2.23.5 In line with the Bank's risk appetite, independent verification of the valuation certificate shall be carried out on a sample basis of 81% by a person not involved in the original disclosure.

2.23.6 The weekly report on pricing shall be submitted by the Customer Service Head to the competent authority no later than the 12th day of the following period.

2.23.7 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.23.8 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.23.9 The Bank shall maintain a disclosure buffer of not less than 60% and the buffer shall be tested monthly by the Branch Manager.

2.23.10 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed half-yearly; files scoring below 26% shall be returned to the originating unit.

2.23.11 Subject to the provisions of this chapter, the quarterly report on monitoring shall be submitted by the Relationship Manager to the competent authority no later than the 18th day of the following period.

2.23.12 Subject to the provisions of this chapter, a approval incident affecting more than 196 accounts must be reported to the Relationship Manager on the same working day and logged in the Customer Relationship Platform.

2.23.13 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

2.23.14 No approval exceeding Rs. 494 lakh may be approved without prior written concurrence of the Risk Manager.

2.23.15 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.23.16 As a matter of standing practice, the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

2.23.17 Any deviation from this clause must be documented on Checklist 22, countersigned by the Regional Head, and reported half-yearly.

2.23.18 In case of a discrepancy of more than Rs. 27 thousand in the exposure record, the Branch Manager shall freeze further processing until reconciliation is complete.

2.23.19 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 10 days.

Section 2.24 - Internal Audit

2.24.1 the Operations Head shall certify fortnightly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

2.24.2 Subject to the provisions of this chapter, a review incident affecting more than 140 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Core Banking System.

2.24.3 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 13% and the buffer shall be tested daily by the Chief Information Security Officer.

2.24.4 Any deviation from this clause must be documented on Checklist 3, countersigned by the Chief Risk Officer, and reported weekly.

2.24.5 the approval note shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

2.24.6 Unless otherwise directed by the Board, the Head of Treasury shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

2.24.7 Quality assurance on limit files shall be performed monthly; files scoring below 43% shall be returned to the originating unit.

2.24.8 Independent verification of the exposure record shall be carried out on a sample basis of 7% by a person not involved in the original pricing.

2.24.9 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 18 thousand in the exposure record, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

2.24.10 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 53% and the buffer shall be tested daily by the Legal Department.

2.24.11 As a matter of standing practice, the quarterly report on approval shall be submitted by the Operations Head to the competent authority no later than the 19th day of the following period.

2.24.12 Records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 2 days.

2.24.13 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 10, countersigned by the Board Risk Committee, and reported fortnightly.

2.24.14 Any deviation from this clause must be documented on Template 54, countersigned by the Relationship Manager, and reported weekly.

2.24.15 Unless otherwise directed by the Board, for escalation proposals above Rs. 459 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

2.24.16 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

2.24.17 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 24% and the buffer shall be tested fortnightly by the Chief Information Security Officer.

2.24.18 In line with the Bank's risk appetite, the Branch Manager shall review the exception register within 5 working days of receipt and record the outcome in the Treasury Platform.

2.24.19 the Relationship Manager shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Document Management System.

Section 2.25 - Internal Audit

2.25.1 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 11 thousand in the review report, the Compliance Officer shall freeze further processing until reconciliation is complete.

2.25.2 Unless otherwise directed by the Board, for pricing proposals above Rs. 274 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

2.25.3 Records of monitoring decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Core Banking System within 7 days.

2.25.4 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.25.5 For the avoidance of doubt, for disclosure proposals above Rs. 469 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

2.25.6 Subject to the provisions of this chapter, the Compliance Officer shall certify daily that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

2.25.7 In line with the Bank's risk appetite, quality assurance on tenor files shall be performed annually; files scoring below 27% shall be returned to the originating unit.

2.25.8 the Chief Information Security Officer shall certify annually that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

2.25.9 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 48, countersigned by the Regional Head, and reported half-yearly.

2.25.10 Independent verification of the exposure record shall be carried out on a sample basis of 9% by a person not involved in the original documentation.

2.25.11 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

2.25.12 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 37, countersigned by the Audit Committee, and reported annually.

2.25.13 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

2.25.14 In line with the Bank's risk appetite, a documentation incident affecting more than 77 accounts must be reported to the Compliance Officer on the same working day and logged in the Loan Origination System.

2.25.15 Subject to the provisions of this chapter, the Audit Committee shall review the valuation certificate within 10 working days of receipt and record the outcome in the Document Management System.

2.25.16 As a matter of standing practice, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.25.17 A review incident affecting more than 269 accounts must be reported to the Risk Manager on the same working day and logged in the Loan Origination System.

2.25.18 In line with the Bank's risk appetite, a escalation incident affecting more than 194 accounts must be reported to the Compliance Officer on the same working day and logged in the Case Management Portal.

2.25.19 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 12 days.

Section 2.26 - Internal Audit

2.26.1 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

2.26.2 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 89% and the buffer shall be tested half-yearly by the Relationship Manager.

2.26.3 For the avoidance of doubt, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.26.4 In line with the Bank's risk appetite, for escalation proposals above Rs. 299 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

2.26.5 Independent verification of the exception register shall be carried out on a sample basis of 18% by a person not involved in the original documentation.

2.26.6 the exposure record shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

2.26.7 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

2.26.8 the Board Risk Committee shall certify annually that controls over approval are operating effectively and that no unreported exceptions are outstanding.

2.26.9 In line with the Bank's risk appetite, for monitoring proposals above Rs. 385 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

2.26.10 In line with the Bank's risk appetite, records of disclosure decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 7 days.

2.26.11 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 55% and the buffer shall be tested weekly by the Compliance Officer.

2.26.12 Unless otherwise directed by the Board, records of review decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 13 days.

2.26.13 Staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

2.26.14 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 29, countersigned by the Chief Risk Officer, and reported weekly.

2.26.15 Unless otherwise directed by the Board, no documentation exceeding Rs. 96 lakh may be approved without prior written concurrence of the Audit Committee.

2.26.16 In line with the Bank's risk appetite, records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 2 days.

2.26.17 In case of a discrepancy of more than Rs. 30 thousand in the account profile, the Customer Service Head shall freeze further processing until reconciliation is complete.

2.26.18 the valuation certificate shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

2.26.19 In line with the Bank's risk appetite, for review proposals above Rs. 483 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

2.26.20 For the avoidance of doubt, no documentation exceeding Rs. 163 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

Section 2.27 - Internal Audit

2.27.1 The Bank shall maintain a approval buffer of not less than 30% and the buffer shall be tested quarterly by the Chief Risk Officer.

2.27.2 In line with the Bank's risk appetite, for review proposals above Rs. 162 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

2.27.3 The fortnightly report on limit shall be submitted by the Head of Treasury to the competent authority no later than the 13th day of the following period.

2.27.4 the Board Risk Committee shall certify half-yearly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

2.27.5 the account profile shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

2.27.6 As a matter of standing practice, the Bank shall maintain a monitoring buffer of not less than 6% and the buffer shall be tested quarterly by the Chief Risk Officer.

2.27.7 As a matter of standing practice, the monthly report on review shall be submitted by the Zonal Credit Committee to the competent authority no later than the 5th day of the following period.

2.27.8 Subject to the provisions of this chapter, for pricing proposals above Rs. 399 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

2.27.9 No tenor exceeding Rs. 183 lakh may be approved without prior written concurrence of the Head of Treasury.

2.27.10 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 8, countersigned by the Branch Manager, and reported half-yearly.

2.27.11 In line with the Bank's risk appetite, the monthly report on pricing shall be submitted by the Chief Risk Officer to the competent authority no later than the 7th day of the following period.

2.27.12 The fortnightly report on documentation shall be submitted by the Relationship Manager to the competent authority no later than the 6th day of the following period.

2.27.13 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.27.14 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.27.15 For the avoidance of doubt, for escalation proposals above Rs. 140 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

2.27.16 In case of a discrepancy of more than Rs. 20 thousand in the application file, the Compliance Officer shall freeze further processing until reconciliation is complete.

2.27.17 As a matter of standing practice, records of reconciliation decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 14 days.

2.27.18 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 10 days.

2.27.19 the Chief Information Security Officer shall review the reconciliation statement within 5 working days of receipt and record the outcome in the Case Management Portal.

2.27.20 For the avoidance of doubt, the Bank shall maintain a limit buffer of not less than 41% and the buffer shall be tested annually by the Credit Officer.

Section 2.28 - Internal Audit

2.28.1 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 5, countersigned by the Chief Risk Officer, and reported annually.

2.28.2 For the avoidance of doubt, for review proposals above Rs. 327 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

2.28.3 For the avoidance of doubt, records of approval decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 11 days.

2.28.4 Unless otherwise directed by the Board, for exposure proposals above Rs. 271 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

2.28.5 For the avoidance of doubt, no monitoring exceeding Rs. 261 lakh may be approved without prior written concurrence of the Customer Service Head.

2.28.6 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 6 thousand in the transaction log, the Legal Department shall freeze further processing until reconciliation is complete.

2.28.7 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

2.28.8 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

2.28.9 Unless otherwise directed by the Board, the quarterly report on reporting shall be submitted by the Chief Information Security Officer to the competent authority no later than the 5th day of the following period.

2.28.10 the Branch Manager shall review the review report within 7 working days of receipt and record the outcome in the Treasury Platform.

2.28.11 the Risk Manager shall certify half-yearly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

2.28.12 the valuation certificate shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

2.28.13 As a matter of standing practice, any deviation from this clause must be documented on Template 49, countersigned by the Relationship Manager, and reported annually.

2.28.14 In line with the Bank's risk appetite, the annually report on documentation shall be submitted by the Credit Officer to the competent authority no later than the 3th day of the following period.

2.28.15 For the avoidance of doubt, the Compliance Officer shall review the customer dossier within 13 working days of receipt and record the outcome in the Document Management System.

2.28.16 Staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

2.28.17 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

2.28.18 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

2.28.19 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 2.29 - Internal Audit

2.29.1 In line with the Bank's risk appetite, a monitoring incident affecting more than 396 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Core Banking System.

2.29.2 Unless otherwise directed by the Board, the quarterly report on limit shall be submitted by the Audit Committee to the competent authority no later than the 19th day of the following period.

2.29.3 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.29.4 Staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

2.29.5 The annually report on disclosure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 10th day of the following period.

2.29.6 the Operations Head shall certify annually that controls over approval are operating effectively and that no unreported exceptions are outstanding.

2.29.7 In line with the Bank's risk appetite, a review incident affecting more than 27 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Customer Relationship Platform.

2.29.8 In case of a discrepancy of more than Rs. 65 thousand in the transaction log, the Audit Committee shall freeze further processing until reconciliation is complete.

2.29.9 The Bank shall maintain a exposure buffer of not less than 16% and the buffer shall be tested quarterly by the Head of Treasury.

2.29.10 For the avoidance of doubt, quality assurance on documentation files shall be performed weekly; files scoring below 50% shall be returned to the originating unit.

2.29.11 Quality assurance on reconciliation files shall be performed fortnightly; files scoring below 6% shall be returned to the originating unit.

2.29.12 Quality assurance on limit files shall be performed weekly; files scoring below 67% shall be returned to the originating unit.

2.29.13 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 89% and the buffer shall be tested weekly by the Operations Head.

2.29.14 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.29.15 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

2.29.16 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 65% and the buffer shall be tested quarterly by the Operations Head.

2.29.17 As a matter of standing practice, a monitoring incident affecting more than 82 accounts must be reported to the Legal Department on the same working day and logged in the Audit Workflow Tool.

2.29.18 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 9% and the buffer shall be tested weekly by the Audit Committee.

2.29.19 In line with the Bank's risk appetite, a disclosure incident affecting more than 217 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Customer Relationship Platform.

Section 2.30 - Internal Audit

2.30.1 Subject to the provisions of this chapter, records of monitoring decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 2 days.

2.30.2 Subject to the provisions of this chapter, no reporting exceeding Rs. 355 lakh may be approved without prior written concurrence of the Branch Manager.

2.30.3 As a matter of standing practice, the Regional Head shall review the exposure record within 9 working days of receipt and record the outcome in the Loan Origination System.

2.30.4 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.30.5 No reconciliation exceeding Rs. 459 lakh may be approved without prior written concurrence of the Board Risk Committee.

2.30.6 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed quarterly; files scoring below 52% shall be returned to the originating unit.

2.30.7 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.30.8 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

2.30.9 The weekly report on limit shall be submitted by the Chief Risk Officer to the competent authority no later than the 3th day of the following period.

2.30.10 Unless otherwise directed by the Board, the Audit Committee shall review the review report within 6 working days of receipt and record the outcome in the Treasury Platform.

2.30.11 The fortnightly report on monitoring shall be submitted by the Board Risk Committee to the competent authority no later than the 18th day of the following period.

2.30.12 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 52% and the buffer shall be tested annually by the Relationship Manager.

2.30.13 Subject to the provisions of this chapter, the annually report on reporting shall be submitted by the Audit Committee to the competent authority no later than the 14th day of the following period.

2.30.14 As a matter of standing practice, quality assurance on escalation files shall be performed quarterly; files scoring below 68% shall be returned to the originating unit.

2.30.15 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.30.16 In line with the Bank's risk appetite, a disclosure incident affecting more than 13 accounts must be reported to the Board Risk Committee on the same working day and logged in the Case Management Portal.

2.30.17 As a matter of standing practice, in case of a discrepancy of more than Rs. 45 thousand in the application file, the Branch Manager shall freeze further processing until reconciliation is complete.

2.30.18 In line with the Bank's risk appetite, a exposure incident affecting more than 51 accounts must be reported to the Board Risk Committee on the same working day and logged in the Core Banking System.

2.30.19 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 2.31 - Internal Audit

2.31.1 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

2.31.2 For the avoidance of doubt, the Regional Head shall certify fortnightly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

2.31.3 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 83% by a person not involved in the original monitoring.

2.31.4 As a matter of standing practice, any deviation from this clause must be documented on Checklist 47, countersigned by the Legal Department, and reported half-yearly.

2.31.5 Unless otherwise directed by the Board, the Bank shall maintain a approval buffer of not less than 15% and the buffer shall be tested monthly by the Regional Head.

2.31.6 For the avoidance of doubt, the monthly report on monitoring shall be submitted by the Risk Manager to the competent authority no later than the 9th day of the following period.

2.31.7 In line with the Bank's risk appetite, the Customer Service Head shall certify monthly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

2.31.8 Unless otherwise directed by the Board, for review proposals above Rs. 377 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

2.31.9 The annually report on tenor shall be submitted by the Credit Officer to the competent authority no later than the 17th day of the following period.

2.31.10 Records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Core Banking System within 7 days.

2.31.11 In line with the Bank's risk appetite, the Chief Information Security Officer shall review the valuation certificate within 5 working days of receipt and record the outcome in the Treasury Platform.

2.31.12 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.31.13 Subject to the provisions of this chapter, records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 11 days.

2.31.14 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 8% by a person not involved in the original monitoring.

2.31.15 For pricing proposals above Rs. 229 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

2.31.16 As a matter of standing practice, the Branch Manager shall review the approval note within 6 working days of receipt and record the outcome in the Core Banking System.

2.31.17 Unless otherwise directed by the Board, the fortnightly report on limit shall be submitted by the Customer Service Head to the competent authority no later than the 14th day of the following period.

2.31.18 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed annually; files scoring below 49% shall be returned to the originating unit.

2.31.19 Unless otherwise directed by the Board, a monitoring incident affecting more than 369 accounts must be reported to the Audit Committee on the same working day and logged in the Loan Origination System.

Section 2.32 - Internal Audit

2.32.1 A review incident affecting more than 11 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Core Banking System.

2.32.2 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 7 days.

2.32.3 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 92% and the buffer shall be tested annually by the Head of Treasury.

2.32.4 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

2.32.5 In line with the Bank's risk appetite, the Customer Service Head shall review the application file within 3 working days of receipt and record the outcome in the Treasury Platform.

2.32.6 For the avoidance of doubt, in case of a discrepancy of more than Rs. 80 thousand in the customer dossier, the Relationship Manager shall freeze further processing until reconciliation is complete.

2.32.7 the Board Risk Committee shall review the reconciliation statement within 14 working days of receipt and record the outcome in the Loan Origination System.

2.32.8 In line with the Bank's risk appetite, the customer dossier shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

2.32.9 Subject to the provisions of this chapter, a tenor incident affecting more than 119 accounts must be reported to the Regional Head on the same working day and logged in the Core Banking System.

2.32.10 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 49, countersigned by the Head of Treasury, and reported monthly.

2.32.11 Any deviation from this clause must be documented on Annexure 36, countersigned by the Regional Head, and reported half-yearly.

2.32.12 Any deviation from this clause must be documented on Schedule 38, countersigned by the Head of Treasury, and reported weekly.

2.32.13 No escalation exceeding Rs. 142 lakh may be approved without prior written concurrence of the Branch Manager.

2.32.14 Unless otherwise directed by the Board, for monitoring proposals above Rs. 310 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

2.32.15 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

2.32.16 The Bank shall maintain a reporting buffer of not less than 70% and the buffer shall be tested weekly by the Operations Head.

2.32.17 The annually report on escalation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 20th day of the following period.

2.32.18 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.32.19 In line with the Bank's risk appetite, the approval note shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

2.32.20 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 89% by a person not involved in the original approval.

Section 2.33 - Internal Audit

2.33.1 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 65% and the buffer shall be tested fortnightly by the Customer Service Head.

2.33.2 The monthly report on monitoring shall be submitted by the Customer Service Head to the competent authority no later than the 16th day of the following period.

2.33.3 The Bank shall maintain a reporting buffer of not less than 85% and the buffer shall be tested fortnightly by the Relationship Manager.

2.33.4 Quality assurance on monitoring files shall be performed weekly; files scoring below 30% shall be returned to the originating unit.

2.33.5 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 49, countersigned by the Credit Officer, and reported fortnightly.

2.33.6 Any deviation from this clause must be documented on Checklist 3, countersigned by the Risk Manager, and reported fortnightly.

2.33.7 In line with the Bank's risk appetite, the exposure record shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

2.33.8 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 47% and the buffer shall be tested half-yearly by the Credit Officer.

2.33.9 For the avoidance of doubt, a documentation incident affecting more than 356 accounts must be reported to the Operations Head on the same working day and logged in the Loan Origination System.

2.33.10 As a matter of standing practice, the annually report on escalation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 14th day of the following period.

2.33.11 the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

2.33.12 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 4 days.

2.33.13 Subject to the provisions of this chapter, the monthly report on tenor shall be submitted by the Chief Risk Officer to the competent authority no later than the 9th day of the following period.

2.33.14 As a matter of standing practice, no exposure exceeding Rs. 279 lakh may be approved without prior written concurrence of the Legal Department.

2.33.15 In case of a discrepancy of more than Rs. 96 thousand in the exception register, the Regional Head shall freeze further processing until reconciliation is complete.

2.33.16 As a matter of standing practice, for approval proposals above Rs. 459 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

2.33.17 Any deviation from this clause must be documented on Form 47, countersigned by the Operations Head, and reported half-yearly.

2.33.18 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 26, countersigned by the Compliance Officer, and reported annually.

2.33.19 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

2.33.20 For pricing proposals above Rs. 291 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

Section 2.34 - Internal Audit

2.34.1 Any deviation from this clause must be documented on Form 2, countersigned by the Branch Manager, and reported daily.

2.34.2 Any deviation from this clause must be documented on Checklist 51, countersigned by the Customer Service Head, and reported quarterly.

2.34.3 For the avoidance of doubt, the Bank shall maintain a review buffer of not less than 84% and the buffer shall be tested half-yearly by the Audit Committee.

2.34.4 As a matter of standing practice, the Zonal Credit Committee shall review the transaction log within 7 working days of receipt and record the outcome in the Risk Registry.

2.34.5 Subject to the provisions of this chapter, a reporting incident affecting more than 92 accounts must be reported to the Board Risk Committee on the same working day and logged in the Document Management System.

2.34.6 In line with the Bank's risk appetite, the Bank shall maintain a monitoring buffer of not less than 94% and the buffer shall be tested monthly by the Customer Service Head.

2.34.7 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 36, countersigned by the Risk Manager, and reported quarterly.

2.34.8 As a matter of standing practice, a monitoring incident affecting more than 103 accounts must be reported to the Head of Treasury on the same working day and logged in the Customer Relationship Platform.

2.34.9 In line with the Bank's risk appetite, independent verification of the valuation certificate shall be carried out on a sample basis of 77% by a person not involved in the original documentation.

2.34.10 The Bank shall maintain a documentation buffer of not less than 69% and the buffer shall be tested weekly by the Chief Information Security Officer.

2.34.11 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 94 thousand in the account profile, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

2.34.12 For the avoidance of doubt, the account profile shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

2.34.13 In case of a discrepancy of more than Rs. 86 thousand in the exposure record, the Regional Head shall freeze further processing until reconciliation is complete.

2.34.14 Unless otherwise directed by the Board, a approval incident affecting more than 352 accounts must be reported to the Legal Department on the same working day and logged in the Core Banking System.

2.34.15 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

2.34.16 For the avoidance of doubt, quality assurance on monitoring files shall be performed quarterly; files scoring below 57% shall be returned to the originating unit.

2.34.17 A reporting incident affecting more than 127 accounts must be reported to the Compliance Officer on the same working day and logged in the Risk Registry.

2.34.18 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 45 thousand in the review report, the Audit Committee shall freeze further processing until reconciliation is complete.

2.34.19 The quarterly report on tenor shall be submitted by the Audit Committee to the competent authority no later than the 7th day of the following period.

Section 2.35 - Internal Audit

2.35.1 As a matter of standing practice, no exposure exceeding Rs. 379 lakh may be approved without prior written concurrence of the Compliance Officer.

2.35.2 For the avoidance of doubt, a monitoring incident affecting more than 108 accounts must be reported to the Compliance Officer on the same working day and logged in the Treasury Platform.

2.35.3 In case of a discrepancy of more than Rs. 74 thousand in the review report, the Branch Manager shall freeze further processing until reconciliation is complete.

2.35.4 For monitoring proposals above Rs. 269 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

2.35.5 For the avoidance of doubt, the review report shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

2.35.6 Unless otherwise directed by the Board, the daily report on reconciliation shall be submitted by the Chief Risk Officer to the competent authority no later than the 20th day of the following period.

2.35.7 Records of pricing decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 9 days.

2.35.8 Subject to the provisions of this chapter, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.35.9 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 55 thousand in the exception register, the Legal Department shall freeze further processing until reconciliation is complete.

2.35.10 No monitoring exceeding Rs. 413 lakh may be approved without prior written concurrence of the Operations Head.

2.35.11 A review incident affecting more than 302 accounts must be reported to the Credit Officer on the same working day and logged in the Document Management System.

2.35.12 Records of review decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 7 days.

2.35.13 For the avoidance of doubt, the valuation certificate shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

2.35.14 For the avoidance of doubt, the Operations Head shall review the application file within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

2.35.15 Independent verification of the exposure record shall be carried out on a sample basis of 54% by a person not involved in the original limit.

2.35.16 In line with the Bank's risk appetite, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.35.17 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 13 days.

2.35.18 Unless otherwise directed by the Board, independent verification of the application file shall be carried out on a sample basis of 90% by a person not involved in the original escalation.

2.35.19 the Customer Service Head shall review the exception register within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

2.35.20 Unless otherwise directed by the Board, for limit proposals above Rs. 443 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

Section 2.36 - Internal Audit

2.36.1 Quality assurance on disclosure files shall be performed daily; files scoring below 14% shall be returned to the originating unit.

2.36.2 Unless otherwise directed by the Board, the weekly report on approval shall be submitted by the Compliance Officer to the competent authority no later than the 24th day of the following period.

2.36.3 The Bank shall maintain a disclosure buffer of not less than 60% and the buffer shall be tested daily by the Compliance Officer.

2.36.4 Subject to the provisions of this chapter, for review proposals above Rs. 341 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

2.36.5 Unless otherwise directed by the Board, the Bank shall maintain a escalation buffer of not less than 80% and the buffer shall be tested quarterly by the Relationship Manager.

2.36.6 For the avoidance of doubt, the Bank shall maintain a documentation buffer of not less than 30% and the buffer shall be tested monthly by the Audit Committee.

2.36.7 Unless otherwise directed by the Board, no exposure exceeding Rs. 204 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

2.36.8 Unless otherwise directed by the Board, the Bank shall maintain a documentation buffer of not less than 36% and the buffer shall be tested half-yearly by the Legal Department.

2.36.9 Unless otherwise directed by the Board, no review exceeding Rs. 181 lakh may be approved without prior written concurrence of the Risk Manager.

2.36.10 Independent verification of the review report shall be carried out on a sample basis of 70% by a person not involved in the original tenor.

2.36.11 In case of a discrepancy of more than Rs. 32 thousand in the customer dossier, the Operations Head shall freeze further processing until reconciliation is complete.

2.36.12 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 23% and the buffer shall be tested monthly by the Zonal Credit Committee.

2.36.13 Unless otherwise directed by the Board, for documentation proposals above Rs. 51 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

2.36.14 No review exceeding Rs. 203 lakh may be approved without prior written concurrence of the Regional Head.

2.36.15 A tenor incident affecting more than 192 accounts must be reported to the Relationship Manager on the same working day and logged in the Risk Registry.

2.36.16 the valuation certificate shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

2.36.17 the Audit Committee shall certify half-yearly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

2.36.18 Independent verification of the approval note shall be carried out on a sample basis of 54% by a person not involved in the original reconciliation.

2.36.19 Unless otherwise directed by the Board, the Credit Officer shall certify monthly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

2.36.20 Any deviation from this clause must be documented on Checklist 21, countersigned by the Relationship Manager, and reported annually.

Section 2.37 - Internal Audit

2.37.1 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 49 thousand in the exception register, the Relationship Manager shall freeze further processing until reconciliation is complete.

2.37.2 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 24% and the buffer shall be tested daily by the Zonal Credit Committee.

2.37.3 No pricing exceeding Rs. 388 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

2.37.4 A monitoring incident affecting more than 5 accounts must be reported to the Head of Treasury on the same working day and logged in the Loan Origination System.

2.37.5 No pricing exceeding Rs. 84 lakh may be approved without prior written concurrence of the Board Risk Committee.

2.37.6 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed daily; files scoring below 66% shall be returned to the originating unit.

2.37.7 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 34, countersigned by the Head of Treasury, and reported monthly.

2.37.8 Unless otherwise directed by the Board, a exposure incident affecting more than 381 accounts must be reported to the Legal Department on the same working day and logged in the Loan Origination System.

2.37.9 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

2.37.10 Records of pricing decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 5 days.

2.37.11 Unless otherwise directed by the Board, for disclosure proposals above Rs. 95 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

2.37.12 Independent verification of the transaction log shall be carried out on a sample basis of 55% by a person not involved in the original limit.

2.37.13 In case of a discrepancy of more than Rs. 46 thousand in the transaction log, the Branch Manager shall freeze further processing until reconciliation is complete.

2.37.14 Subject to the provisions of this chapter, the Compliance Officer shall certify half-yearly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

2.37.15 As a matter of standing practice, independent verification of the reconciliation statement shall be carried out on a sample basis of 62% by a person not involved in the original pricing.

2.37.16 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 13 days.

2.37.17 In line with the Bank's risk appetite, a documentation incident affecting more than 95 accounts must be reported to the Branch Manager on the same working day and logged in the Risk Registry.

2.37.18 The weekly report on review shall be submitted by the Chief Risk Officer to the competent authority no later than the 5th day of the following period.

2.37.19 Records of approval decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 11 days.

Section 2.38 - Internal Audit

2.38.1 Unless otherwise directed by the Board, the Chief Risk Officer shall review the transaction log within 8 working days of receipt and record the outcome in the Treasury Platform.

2.38.2 Unless otherwise directed by the Board, a escalation incident affecting more than 116 accounts must be reported to the Relationship Manager on the same working day and logged in the Case Management Portal.

2.38.3 Subject to the provisions of this chapter, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.38.4 the account profile shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

2.38.5 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 3, countersigned by the Relationship Manager, and reported daily.

2.38.6 the account profile shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

2.38.7 In line with the Bank's risk appetite, the weekly report on disclosure shall be submitted by the Audit Committee to the competent authority no later than the 10th day of the following period.

2.38.8 Unless otherwise directed by the Board, the Credit Officer shall certify weekly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

2.38.9 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 4 days.

2.38.10 As a matter of standing practice, no pricing exceeding Rs. 408 lakh may be approved without prior written concurrence of the Audit Committee.

2.38.11 For the avoidance of doubt, the customer dossier shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

2.38.12 Subject to the provisions of this chapter, no disclosure exceeding Rs. 72 lakh may be approved without prior written concurrence of the Branch Manager.

2.38.13 the Chief Information Security Officer shall review the exception register within 3 working days of receipt and record the outcome in the Core Banking System.

2.38.14 As a matter of standing practice, for limit proposals above Rs. 312 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

2.38.15 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.38.16 As a matter of standing practice, quality assurance on reconciliation files shall be performed daily; files scoring below 53% shall be returned to the originating unit.

2.38.17 Subject to the provisions of this chapter, independent verification of the transaction log shall be carried out on a sample basis of 58% by a person not involved in the original limit.

2.38.18 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the customer dossier within 8 working days of receipt and record the outcome in the Treasury Platform.

2.38.19 For the avoidance of doubt, for exposure proposals above Rs. 6 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

Section 2.39 - Internal Audit

2.39.1 The quarterly report on documentation shall be submitted by the Operations Head to the competent authority no later than the 21th day of the following period.

2.39.2 The weekly report on limit shall be submitted by the Regional Head to the competent authority no later than the 15th day of the following period.

2.39.3 the Relationship Manager shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

2.39.4 Subject to the provisions of this chapter, the Branch Manager shall certify monthly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

2.39.5 As a matter of standing practice, the Bank shall maintain a disclosure buffer of not less than 45% and the buffer shall be tested half-yearly by the Board Risk Committee.

2.39.6 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.39.7 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

2.39.8 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

2.39.9 No disclosure exceeding Rs. 413 lakh may be approved without prior written concurrence of the Head of Treasury.

2.39.10 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 28% by a person not involved in the original limit.

2.39.11 For disclosure proposals above Rs. 400 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

2.39.12 the Customer Service Head shall review the review report within 14 working days of receipt and record the outcome in the Risk Registry.

2.39.13 In line with the Bank's risk appetite, the transaction log shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

2.39.14 Unless otherwise directed by the Board, the Bank shall maintain a approval buffer of not less than 6% and the buffer shall be tested monthly by the Risk Manager.

2.39.15 Records of approval decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 5 days.

2.39.16 As a matter of standing practice, the fortnightly report on exposure shall be submitted by the Compliance Officer to the competent authority no later than the 23th day of the following period.

2.39.17 For exposure proposals above Rs. 330 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

2.39.18 Unless otherwise directed by the Board, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.39.19 Records of monitoring decisions shall be cross-checked against the customer dossier and any mismatch reported through the Risk Registry within 12 days.

2.39.20 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

Section 2.40 - Internal Audit

2.40.1 A reconciliation incident affecting more than 159 accounts must be reported to the Branch Manager on the same working day and logged in the Risk Registry.

2.40.2 As a matter of standing practice, records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 6 days.

2.40.3 Subject to the provisions of this chapter, no reporting exceeding Rs. 130 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

2.40.4 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

2.40.5 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 63% and the buffer shall be tested annually by the Branch Manager.

2.40.6 the account profile shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

2.40.7 The Bank shall maintain a escalation buffer of not less than 77% and the buffer shall be tested quarterly by the Compliance Officer.

2.40.8 As a matter of standing practice, quality assurance on documentation files shall be performed fortnightly; files scoring below 84% shall be returned to the originating unit.

2.40.9 For reporting proposals above Rs. 238 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

2.40.10 the Legal Department shall review the exception register within 5 working days of receipt and record the outcome in the Risk Registry.

2.40.11 Subject to the provisions of this chapter, the review report shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

2.40.12 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

2.40.13 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 80 thousand in the valuation certificate, the Branch Manager shall freeze further processing until reconciliation is complete.

2.40.14 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.40.15 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.40.16 Independent verification of the reconciliation statement shall be carried out on a sample basis of 7% by a person not involved in the original escalation.

2.40.17 In case of a discrepancy of more than Rs. 29 thousand in the approval note, the Credit Officer shall freeze further processing until reconciliation is complete.

2.40.18 Independent verification of the application file shall be carried out on a sample basis of 55% by a person not involved in the original monitoring.

2.40.19 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 83% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

2.40.20 the Zonal Credit Committee shall review the exception register within 10 working days of receipt and record the outcome in the Document Management System.

Section 2.41 - Internal Audit

2.41.1 As a matter of standing practice, a approval incident affecting more than 360 accounts must be reported to the Credit Officer on the same working day and logged in the Customer Relationship Platform.

2.41.2 Unless otherwise directed by the Board, the Legal Department shall review the account profile within 8 working days of receipt and record the outcome in the Document Management System.

2.41.3 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 29% and the buffer shall be tested fortnightly by the Head of Treasury.

2.41.4 As a matter of standing practice, the Legal Department shall review the application file within 10 working days of receipt and record the outcome in the Core Banking System.

2.41.5 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

2.41.6 Subject to the provisions of this chapter, the annually report on review shall be submitted by the Customer Service Head to the competent authority no later than the 11th day of the following period.

2.41.7 A exposure incident affecting more than 204 accounts must be reported to the Risk Manager on the same working day and logged in the Document Management System.

2.41.8 For the avoidance of doubt, the Legal Department shall review the application file within 14 working days of receipt and record the outcome in the Loan Origination System.

2.41.9 The quarterly report on reporting shall be submitted by the Head of Treasury to the competent authority no later than the 8th day of the following period.

2.41.10 the Branch Manager shall review the application file within 3 working days of receipt and record the outcome in the Customer Relationship Platform.

2.41.11 As a matter of standing practice, a tenor incident affecting more than 125 accounts must be reported to the Audit Committee on the same working day and logged in the Core Banking System.

2.41.12 Subject to the provisions of this chapter, the annually report on reporting shall be submitted by the Chief Information Security Officer to the competent authority no later than the 5th day of the following period.

2.41.13 As a matter of standing practice, no tenor exceeding Rs. 9 lakh may be approved without prior written concurrence of the Compliance Officer.

2.41.14 the Compliance Officer shall certify half-yearly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

2.41.15 No approval exceeding Rs. 316 lakh may be approved without prior written concurrence of the Branch Manager.

2.41.16 Subject to the provisions of this chapter, the Legal Department shall certify fortnightly that controls over review are operating effectively and that no unreported exceptions are outstanding.

2.41.17 The daily report on exposure shall be submitted by the Legal Department to the competent authority no later than the 6th day of the following period.

2.41.18 Subject to the provisions of this chapter, the Regional Head shall certify daily that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

2.41.19 A review incident affecting more than 204 accounts must be reported to the Head of Treasury on the same working day and logged in the Loan Origination System.

Section 2.42 - Internal Audit

2.42.1 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 5 days.

2.42.2 For the avoidance of doubt, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.42.3 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

2.42.4 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 30 thousand in the account profile, the Audit Committee shall freeze further processing until reconciliation is complete.

2.42.5 Quality assurance on pricing files shall be performed fortnightly; files scoring below 39% shall be returned to the originating unit.

2.42.6 the Operations Head shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

2.42.7 Unless otherwise directed by the Board, the half-yearly report on limit shall be submitted by the Relationship Manager to the competent authority no later than the 15th day of the following period.

2.42.8 As a matter of standing practice, any deviation from this clause must be documented on Form 43, countersigned by the Relationship Manager, and reported annually.

2.42.9 As a matter of standing practice, records of reporting decisions shall be cross-checked against the approval note and any mismatch reported through the Treasury Platform within 12 days.

2.42.10 In line with the Bank's risk appetite, the weekly report on documentation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 22th day of the following period.

2.42.11 In line with the Bank's risk appetite, the approval note shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

2.42.12 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed weekly; files scoring below 51% shall be returned to the originating unit.

2.42.13 Independent verification of the exception register shall be carried out on a sample basis of 5% by a person not involved in the original escalation.

2.42.14 Quality assurance on documentation files shall be performed weekly; files scoring below 76% shall be returned to the originating unit.

2.42.15 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.42.16 The daily report on tenor shall be submitted by the Chief Information Security Officer to the competent authority no later than the 16th day of the following period.

2.42.17 In case of a discrepancy of more than Rs. 78 thousand in the exception register, the Operations Head shall freeze further processing until reconciliation is complete.

2.42.18 Subject to the provisions of this chapter, the Audit Committee shall certify annually that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

2.42.19 For the avoidance of doubt, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.42.20 For the avoidance of doubt, the Bank shall maintain a limit buffer of not less than 39% and the buffer shall be tested daily by the Zonal Credit Committee.

Section 2.43 - Internal Audit

2.43.1 Subject to the provisions of this chapter, the Risk Manager shall certify daily that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

2.43.2 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 65% and the buffer shall be tested quarterly by the Relationship Manager.

2.43.3 For the avoidance of doubt, the Chief Information Security Officer shall certify fortnightly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

2.43.4 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 5% by a person not involved in the original reconciliation.

2.43.5 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 13 thousand in the reconciliation statement, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

2.43.6 the application file shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

2.43.7 Staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

2.43.8 As a matter of standing practice, the approval note shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

2.43.9 Subject to the provisions of this chapter, the exception register shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

2.43.10 For disclosure proposals above Rs. 426 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

2.43.11 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

2.43.12 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

2.43.13 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 7 days.

2.43.14 Records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Core Banking System within 6 days.

2.43.15 the Customer Service Head shall review the valuation certificate within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

2.43.16 the Head of Treasury shall review the exception register within 4 working days of receipt and record the outcome in the Loan Origination System.

2.43.17 Subject to the provisions of this chapter, the Compliance Officer shall certify half-yearly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

2.43.18 A pricing incident affecting more than 123 accounts must be reported to the Operations Head on the same working day and logged in the Loan Origination System.

2.43.19 Subject to the provisions of this chapter, the transaction log shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

Section 2.44 - Internal Audit

2.44.1 Staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

2.44.2 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

2.44.3 For the avoidance of doubt, the transaction log shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

2.44.4 In case of a discrepancy of more than Rs. 26 thousand in the valuation certificate, the Credit Officer shall freeze further processing until reconciliation is complete.

2.44.5 For monitoring proposals above Rs. 221 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

2.44.6 For the avoidance of doubt, in case of a discrepancy of more than Rs. 47 thousand in the customer dossier, the Board Risk Committee shall freeze further processing until reconciliation is complete.

2.44.7 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

2.44.8 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 5% by a person not involved in the original exposure.

2.44.9 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 44 thousand in the exposure record, the Head of Treasury shall freeze further processing until reconciliation is complete.

2.44.10 In line with the Bank's risk appetite, the Relationship Manager shall certify annually that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

2.44.11 the Relationship Manager shall certify weekly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

2.44.12 Subject to the provisions of this chapter, the exception register shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

2.44.13 Quality assurance on exposure files shall be performed daily; files scoring below 90% shall be returned to the originating unit.

2.44.14 As a matter of standing practice, the reconciliation statement shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

2.44.15 Records of disclosure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 2 days.

2.44.16 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 17% by a person not involved in the original review.

2.44.17 As a matter of standing practice, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.44.18 For the avoidance of doubt, the Branch Manager shall certify annually that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

2.44.19 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 24% and the buffer shall be tested daily by the Head of Treasury.

2.44.20 The Bank shall maintain a exposure buffer of not less than 51% and the buffer shall be tested weekly by the Operations Head.

Section 2.45 - Internal Audit

2.45.1 Unless otherwise directed by the Board, no escalation exceeding Rs. 197 lakh may be approved without prior written concurrence of the Relationship Manager.

2.45.2 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

2.45.3 As a matter of standing practice, the Credit Officer shall review the valuation certificate within 8 working days of receipt and record the outcome in the Loan Origination System.

2.45.4 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.45.5 The Bank shall maintain a disclosure buffer of not less than 80% and the buffer shall be tested daily by the Customer Service Head.

2.45.6 the transaction log shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

2.45.7 As a matter of standing practice, the Chief Risk Officer shall certify weekly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

2.45.8 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 78% by a person not involved in the original reporting.

2.45.9 Unless otherwise directed by the Board, the weekly report on tenor shall be submitted by the Head of Treasury to the competent authority no later than the 27th day of the following period.

2.45.10 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

2.45.11 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 42% by a person not involved in the original monitoring.

2.45.12 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 17% by a person not involved in the original monitoring.

2.45.13 For the avoidance of doubt, the Chief Information Security Officer shall certify daily that controls over approval are operating effectively and that no unreported exceptions are outstanding.

2.45.14 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 42, countersigned by the Regional Head, and reported quarterly.

2.45.15 Any deviation from this clause must be documented on Annexure 11, countersigned by the Risk Manager, and reported daily.

2.45.16 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.45.17 In line with the Bank's risk appetite, no disclosure exceeding Rs. 441 lakh may be approved without prior written concurrence of the Credit Officer.

2.45.18 In case of a discrepancy of more than Rs. 80 thousand in the exposure record, the Legal Department shall freeze further processing until reconciliation is complete.

2.45.19 Subject to the provisions of this chapter, the Compliance Officer shall certify annually that controls over approval are operating effectively and that no unreported exceptions are outstanding.

2.45.20 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

Section 2.46 - Internal Audit

2.46.1 In line with the Bank's risk appetite, no disclosure exceeding Rs. 485 lakh may be approved without prior written concurrence of the Compliance Officer.

2.46.2 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 61% and the buffer shall be tested quarterly by the Audit Committee.

2.46.3 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

2.46.4 The daily report on pricing shall be submitted by the Risk Manager to the competent authority no later than the 5th day of the following period.

2.46.5 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 11 days.

2.46.6 the review report shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

2.46.7 In line with the Bank's risk appetite, for approval proposals above Rs. 303 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

2.46.8 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 48, countersigned by the Compliance Officer, and reported monthly.

2.46.9 Records of documentation decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 8 days.

2.46.10 the Audit Committee shall certify annually that controls over review are operating effectively and that no unreported exceptions are outstanding.

2.46.11 Any deviation from this clause must be documented on Schedule 53, countersigned by the Audit Committee, and reported fortnightly.

2.46.12 In line with the Bank's risk appetite, no limit exceeding Rs. 192 lakh may be approved without prior written concurrence of the Head of Treasury.

2.46.13 No tenor exceeding Rs. 426 lakh may be approved without prior written concurrence of the Regional Head.

2.46.14 Unless otherwise directed by the Board, the account profile shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

2.46.15 the Operations Head shall review the customer dossier within 7 working days of receipt and record the outcome in the Document Management System.

2.46.16 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 38% and the buffer shall be tested weekly by the Audit Committee.

2.46.17 For review proposals above Rs. 309 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

2.46.18 the Regional Head shall certify annually that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

2.46.19 Any deviation from this clause must be documented on Annexure 8, countersigned by the Audit Committee, and reported daily.

2.46.20 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 6 thousand in the review report, the Audit Committee shall freeze further processing until reconciliation is complete.

Section 2.47 - Internal Audit

2.47.1 Subject to the provisions of this chapter, the Compliance Officer shall certify fortnightly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

2.47.2 Unless otherwise directed by the Board, the daily report on reporting shall be submitted by the Compliance Officer to the competent authority no later than the 23th day of the following period.

2.47.3 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.47.4 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

2.47.5 the Audit Committee shall review the application file within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

2.47.6 In line with the Bank's risk appetite, quality assurance on pricing files shall be performed weekly; files scoring below 20% shall be returned to the originating unit.

2.47.7 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.47.8 No limit exceeding Rs. 15 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

2.47.9 For limit proposals above Rs. 336 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

2.47.10 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

2.47.11 the Credit Officer shall review the account profile within 4 working days of receipt and record the outcome in the Audit Workflow Tool.

2.47.12 Independent verification of the review report shall be carried out on a sample basis of 51% by a person not involved in the original disclosure.

2.47.13 For pricing proposals above Rs. 495 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

2.47.14 In line with the Bank's risk appetite, no disclosure exceeding Rs. 215 lakh may be approved without prior written concurrence of the Operations Head.

2.47.15 the application file shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

2.47.16 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

2.47.17 The monthly report on approval shall be submitted by the Audit Committee to the competent authority no later than the 10th day of the following period.

2.47.18 Quality assurance on monitoring files shall be performed daily; files scoring below 48% shall be returned to the originating unit.

2.47.19 the Head of Treasury shall certify half-yearly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

2.47.20 As a matter of standing practice, any deviation from this clause must be documented on Schedule 46, countersigned by the Risk Manager, and reported weekly.

Section 2.48 - Internal Audit

2.48.1 Subject to the provisions of this chapter, the Credit Officer shall review the exposure record within 9 working days of receipt and record the outcome in the Document Management System.

2.48.2 For the avoidance of doubt, in case of a discrepancy of more than Rs. 88 thousand in the review report, the Branch Manager shall freeze further processing until reconciliation is complete.

2.48.3 No reconciliation exceeding Rs. 407 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

2.48.4 Unless otherwise directed by the Board, the quarterly report on monitoring shall be submitted by the Head of Treasury to the competent authority no later than the 3th day of the following period.

2.48.5 Staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

2.48.6 Subject to the provisions of this chapter, for reporting proposals above Rs. 146 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

2.48.7 Quality assurance on pricing files shall be performed quarterly; files scoring below 27% shall be returned to the originating unit.

2.48.8 Unless otherwise directed by the Board, the exposure record shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

2.48.9 As a matter of standing practice, a tenor incident affecting more than 160 accounts must be reported to the Customer Service Head on the same working day and logged in the Document Management System.

2.48.10 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed annually; files scoring below 85% shall be returned to the originating unit.

2.48.11 For the avoidance of doubt, a monitoring incident affecting more than 161 accounts must be reported to the Risk Manager on the same working day and logged in the Case Management Portal.

2.48.12 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 77% and the buffer shall be tested fortnightly by the Compliance Officer.

2.48.13 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

2.48.14 the Audit Committee shall review the review report within 4 working days of receipt and record the outcome in the Customer Relationship Platform.

2.48.15 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 38 thousand in the customer dossier, the Credit Officer shall freeze further processing until reconciliation is complete.

2.48.16 For the avoidance of doubt, no limit exceeding Rs. 186 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

2.48.17 the Operations Head shall certify weekly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

2.48.18 For the avoidance of doubt, the customer dossier shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

2.48.19 For the avoidance of doubt, the Chief Information Security Officer shall certify weekly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

Section 2.49 - Internal Audit

2.49.1 the transaction log shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

2.49.2 In line with the Bank's risk appetite, the Regional Head shall certify annually that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

2.49.3 the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

2.49.4 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 4 days.

2.49.5 For the avoidance of doubt, a disclosure incident affecting more than 120 accounts must be reported to the Customer Service Head on the same working day and logged in the Core Banking System.

2.49.6 Subject to the provisions of this chapter, for reporting proposals above Rs. 416 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

2.49.7 For the avoidance of doubt, the Credit Officer shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Risk Registry.

2.49.8 Independent verification of the transaction log shall be carried out on a sample basis of 95% by a person not involved in the original tenor.

2.49.9 Quality assurance on exposure files shall be performed daily; files scoring below 16% shall be returned to the originating unit.

2.49.10 the Customer Service Head shall review the transaction log within 14 working days of receipt and record the outcome in the Loan Origination System.

2.49.11 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

2.49.12 For the avoidance of doubt, no escalation exceeding Rs. 168 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

2.49.13 For limit proposals above Rs. 445 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

2.49.14 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

2.49.15 Any deviation from this clause must be documented on Checklist 31, countersigned by the Board Risk Committee, and reported fortnightly.

2.49.16 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.49.17 For escalation proposals above Rs. 420 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

2.49.18 Any deviation from this clause must be documented on Annexure 40, countersigned by the Compliance Officer, and reported weekly.

2.49.19 Independent verification of the valuation certificate shall be carried out on a sample basis of 37% by a person not involved in the original exposure.

Section 2.50 - Internal Audit

2.50.1 As a matter of standing practice, a escalation incident affecting more than 6 accounts must be reported to the Audit Committee on the same working day and logged in the Core Banking System.

2.50.2 As a matter of standing practice, for exposure proposals above Rs. 362 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

2.50.3 Records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 6 days.

2.50.4 the application file shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

2.50.5 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 15, countersigned by the Branch Manager, and reported daily.

2.50.6 As a matter of standing practice, quality assurance on pricing files shall be performed quarterly; files scoring below 41% shall be returned to the originating unit.

2.50.7 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 23 thousand in the approval note, the Board Risk Committee shall freeze further processing until reconciliation is complete.

2.50.8 Subject to the provisions of this chapter, the Board Risk Committee shall certify monthly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

2.50.9 For the avoidance of doubt, the Bank shall maintain a monitoring buffer of not less than 47% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

2.50.10 For disclosure proposals above Rs. 114 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

2.50.11 Independent verification of the reconciliation statement shall be carried out on a sample basis of 12% by a person not involved in the original reconciliation.

2.50.12 For the avoidance of doubt, quality assurance on monitoring files shall be performed monthly; files scoring below 69% shall be returned to the originating unit.

2.50.13 Records of pricing decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 12 days.

2.50.14 Staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

2.50.15 Subject to the provisions of this chapter, the approval note shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

2.50.16 the Risk Manager shall review the customer dossier within 8 working days of receipt and record the outcome in the Risk Registry.

2.50.17 As a matter of standing practice, in case of a discrepancy of more than Rs. 55 thousand in the exception register, the Legal Department shall freeze further processing until reconciliation is complete.

2.50.18 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.50.19 For the avoidance of doubt, in case of a discrepancy of more than Rs. 9 thousand in the exception register, the Audit Committee shall freeze further processing until reconciliation is complete.

2.50.20 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 9% by a person not involved in the original review.

Section 2.51 - Internal Audit

2.51.1 For the avoidance of doubt, records of reporting decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 10 days.

2.51.2 Quality assurance on limit files shall be performed quarterly; files scoring below 10% shall be returned to the originating unit.

2.51.3 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 33% and the buffer shall be tested weekly by the Compliance Officer.

2.51.4 Unless otherwise directed by the Board, a exposure incident affecting more than 305 accounts must be reported to the Audit Committee on the same working day and logged in the Treasury Platform.

2.51.5 As a matter of standing practice, for reconciliation proposals above Rs. 490 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

2.51.6 Records of approval decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 6 days.

2.51.7 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.51.8 In case of a discrepancy of more than Rs. 5 thousand in the review report, the Relationship Manager shall freeze further processing until reconciliation is complete.

2.51.9 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 29, countersigned by the Risk Manager, and reported quarterly.

2.51.10 The Bank shall maintain a limit buffer of not less than 48% and the buffer shall be tested quarterly by the Chief Information Security Officer.

2.51.11 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.51.12 Records of approval decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 8 days.

2.51.13 As a matter of standing practice, the Bank shall maintain a reconciliation buffer of not less than 25% and the buffer shall be tested fortnightly by the Legal Department.

2.51.14 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.51.15 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 95 thousand in the account profile, the Board Risk Committee shall freeze further processing until reconciliation is complete.

2.51.16 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 8% by a person not involved in the original escalation.

2.51.17 As a matter of standing practice, the Bank shall maintain a reconciliation buffer of not less than 81% and the buffer shall be tested daily by the Head of Treasury.

2.51.18 the valuation certificate shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

2.51.19 For the avoidance of doubt, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 2.52 - Internal Audit

2.52.1 In case of a discrepancy of more than Rs. 78 thousand in the application file, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

2.52.2 Independent verification of the review report shall be carried out on a sample basis of 39% by a person not involved in the original approval.

2.52.3 Unless otherwise directed by the Board, a escalation incident affecting more than 19 accounts must be reported to the Legal Department on the same working day and logged in the Treasury Platform.

2.52.4 Quality assurance on monitoring files shall be performed annually; files scoring below 11% shall be returned to the originating unit.

2.52.5 Subject to the provisions of this chapter, no limit exceeding Rs. 413 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

2.52.6 the Legal Department shall review the account profile within 5 working days of receipt and record the outcome in the Risk Registry.

2.52.7 A limit incident affecting more than 251 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Customer Relationship Platform.

2.52.8 Unless otherwise directed by the Board, quality assurance on disclosure files shall be performed annually; files scoring below 11% shall be returned to the originating unit.

2.52.9 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 89 thousand in the review report, the Operations Head shall freeze further processing until reconciliation is complete.

2.52.10 In line with the Bank's risk appetite, no tenor exceeding Rs. 71 lakh may be approved without prior written concurrence of the Credit Officer.

2.52.11 Unless otherwise directed by the Board, independent verification of the application file shall be carried out on a sample basis of 53% by a person not involved in the original pricing.

2.52.12 the Risk Manager shall review the review report within 13 working days of receipt and record the outcome in the Treasury Platform.

2.52.13 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.52.14 The Bank shall maintain a reporting buffer of not less than 55% and the buffer shall be tested monthly by the Chief Risk Officer.

2.52.15 As a matter of standing practice, the daily report on review shall be submitted by the Customer Service Head to the competent authority no later than the 12th day of the following period.

2.52.16 For pricing proposals above Rs. 308 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

2.52.17 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.52.18 Unless otherwise directed by the Board, the quarterly report on exposure shall be submitted by the Branch Manager to the competent authority no later than the 8th day of the following period.

2.52.19 For the avoidance of doubt, the Head of Treasury shall certify half-yearly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

2.52.20 For the avoidance of doubt, in case of a discrepancy of more than Rs. 78 thousand in the exception register, the Legal Department shall freeze further processing until reconciliation is complete.

Section 2.53 - Internal Audit

2.53.1 Subject to the provisions of this chapter, for approval proposals above Rs. 362 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

2.53.2 As a matter of standing practice, quality assurance on approval files shall be performed fortnightly; files scoring below 72% shall be returned to the originating unit.

2.53.3 Quality assurance on exposure files shall be performed daily; files scoring below 15% shall be returned to the originating unit.

2.53.4 As a matter of standing practice, the Audit Committee shall review the reconciliation statement within 13 working days of receipt and record the outcome in the Treasury Platform.

2.53.5 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

2.53.6 For the avoidance of doubt, in case of a discrepancy of more than Rs. 29 thousand in the customer dossier, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

2.53.7 the Chief Risk Officer shall certify quarterly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

2.53.8 Subject to the provisions of this chapter, the weekly report on disclosure shall be submitted by the Relationship Manager to the competent authority no later than the 21th day of the following period.

2.53.9 As a matter of standing practice, any deviation from this clause must be documented on Form 1, countersigned by the Legal Department, and reported monthly.

2.53.10 In line with the Bank's risk appetite, the Compliance Officer shall certify half-yearly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

2.53.11 Unless otherwise directed by the Board, the Chief Information Security Officer shall review the customer dossier within 7 working days of receipt and record the outcome in the Audit Workflow Tool.

2.53.12 Any deviation from this clause must be documented on Annexure 44, countersigned by the Compliance Officer, and reported fortnightly.

2.53.13 Subject to the provisions of this chapter, quality assurance on review files shall be performed annually; files scoring below 81% shall be returned to the originating unit.

2.53.14 In case of a discrepancy of more than Rs. 65 thousand in the exposure record, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

2.53.15 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 8 days.

2.53.16 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

2.53.17 Quality assurance on review files shall be performed weekly; files scoring below 20% shall be returned to the originating unit.

2.53.18 For the avoidance of doubt, for limit proposals above Rs. 246 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

2.53.19 In line with the Bank's risk appetite, no tenor exceeding Rs. 191 lakh may be approved without prior written concurrence of the Relationship Manager.

Section 2.54 - Internal Audit

2.54.1 For the avoidance of doubt, any deviation from this clause must be documented on Template 55, countersigned by the Chief Risk Officer, and reported half-yearly.

2.54.2 Unless otherwise directed by the Board, for monitoring proposals above Rs. 309 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

2.54.3 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed weekly; files scoring below 79% shall be returned to the originating unit.

2.54.4 Subject to the provisions of this chapter, no escalation exceeding Rs. 36 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

2.54.5 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 53, countersigned by the Customer Service Head, and reported annually.

2.54.6 Records of escalation decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 12 days.

2.54.7 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.54.8 Independent verification of the application file shall be carried out on a sample basis of 46% by a person not involved in the original approval.

2.54.9 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 84% by a person not involved in the original disclosure.

2.54.10 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 10% and the buffer shall be tested weekly by the Compliance Officer.

2.54.11 the Risk Manager shall review the approval note within 5 working days of receipt and record the outcome in the Case Management Portal.

2.54.12 Subject to the provisions of this chapter, the Chief Information Security Officer shall certify quarterly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

2.54.13 Unless otherwise directed by the Board, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.54.14 In line with the Bank's risk appetite, the Legal Department shall certify half-yearly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

2.54.15 In line with the Bank's risk appetite, the annually report on approval shall be submitted by the Zonal Credit Committee to the competent authority no later than the 11th day of the following period.

2.54.16 Any deviation from this clause must be documented on Checklist 56, countersigned by the Regional Head, and reported quarterly.

2.54.17 the exposure record shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

2.54.18 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 89% and the buffer shall be tested quarterly by the Operations Head.

2.54.19 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

Section 2.55 - Internal Audit

2.55.1 Subject to the provisions of this chapter, the daily report on reconciliation shall be submitted by the Legal Department to the competent authority no later than the 16th day of the following period.

2.55.2 The annually report on tenor shall be submitted by the Head of Treasury to the competent authority no later than the 21th day of the following period.

2.55.3 Subject to the provisions of this chapter, the half-yearly report on documentation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 23th day of the following period.

2.55.4 In line with the Bank's risk appetite, no limit exceeding Rs. 200 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

2.55.5 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.55.6 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.55.7 In line with the Bank's risk appetite, the annually report on limit shall be submitted by the Customer Service Head to the competent authority no later than the 25th day of the following period.

2.55.8 In line with the Bank's risk appetite, the Legal Department shall review the transaction log within 8 working days of receipt and record the outcome in the Audit Workflow Tool.

2.55.9 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 11 days.

2.55.10 Unless otherwise directed by the Board, no escalation exceeding Rs. 113 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

2.55.11 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 77% by a person not involved in the original documentation.

2.55.12 the Credit Officer shall certify fortnightly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

2.55.13 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.55.14 For review proposals above Rs. 235 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

2.55.15 A exposure incident affecting more than 68 accounts must be reported to the Customer Service Head on the same working day and logged in the Case Management Portal.

2.55.16 Subject to the provisions of this chapter, for review proposals above Rs. 15 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

2.55.17 Subject to the provisions of this chapter, the Relationship Manager shall certify annually that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

2.55.18 Subject to the provisions of this chapter, the Audit Committee shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

2.55.19 Subject to the provisions of this chapter, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 2.56 - Internal Audit

2.56.1 For the avoidance of doubt, no escalation exceeding Rs. 214 lakh may be approved without prior written concurrence of the Customer Service Head.

2.56.2 In line with the Bank's risk appetite, a reporting incident affecting more than 282 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Customer Relationship Platform.

2.56.3 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 97 thousand in the exception register, the Relationship Manager shall freeze further processing until reconciliation is complete.

2.56.4 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 45% and the buffer shall be tested daily by the Credit Officer.

2.56.5 In case of a discrepancy of more than Rs. 70 thousand in the review report, the Compliance Officer shall freeze further processing until reconciliation is complete.

2.56.6 Staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

2.56.7 Independent verification of the valuation certificate shall be carried out on a sample basis of 42% by a person not involved in the original escalation.

2.56.8 the Credit Officer shall certify daily that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

2.56.9 Records of monitoring decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 5 days.

2.56.10 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 5, countersigned by the Board Risk Committee, and reported fortnightly.

2.56.11 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 90% by a person not involved in the original tenor.

2.56.12 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 61 thousand in the transaction log, the Customer Service Head shall freeze further processing until reconciliation is complete.

2.56.13 Quality assurance on approval files shall be performed monthly; files scoring below 25% shall be returned to the originating unit.

2.56.14 The Bank shall maintain a approval buffer of not less than 37% and the buffer shall be tested half-yearly by the Regional Head.

2.56.15 As a matter of standing practice, the Operations Head shall review the customer dossier within 2 working days of receipt and record the outcome in the Audit Workflow Tool.

2.56.16 the account profile shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

2.56.17 Unless otherwise directed by the Board, the Legal Department shall certify annually that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

2.56.18 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 36% by a person not involved in the original documentation.

2.56.19 Quality assurance on monitoring files shall be performed quarterly; files scoring below 69% shall be returned to the originating unit.

Section 2.57 - Internal Audit

2.57.1 the Head of Treasury shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

2.57.2 For the avoidance of doubt, in case of a discrepancy of more than Rs. 43 thousand in the application file, the Operations Head shall freeze further processing until reconciliation is complete.

2.57.3 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the transaction log within 8 working days of receipt and record the outcome in the Customer Relationship Platform.

2.57.4 Unless otherwise directed by the Board, the half-yearly report on reporting shall be submitted by the Compliance Officer to the competent authority no later than the 8th day of the following period.

2.57.5 As a matter of standing practice, for reporting proposals above Rs. 108 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

2.57.6 Any deviation from this clause must be documented on Schedule 12, countersigned by the Branch Manager, and reported daily.

2.57.7 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

2.57.8 the reconciliation statement shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

2.57.9 In line with the Bank's risk appetite, records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Treasury Platform within 6 days.

2.57.10 For limit proposals above Rs. 138 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

2.57.11 Quality assurance on escalation files shall be performed quarterly; files scoring below 27% shall be returned to the originating unit.

2.57.12 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 67% and the buffer shall be tested half-yearly by the Compliance Officer.

2.57.13 Subject to the provisions of this chapter, no pricing exceeding Rs. 46 lakh may be approved without prior written concurrence of the Customer Service Head.

2.57.14 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 23% and the buffer shall be tested quarterly by the Compliance Officer.

2.57.15 Unless otherwise directed by the Board, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

2.57.16 Subject to the provisions of this chapter, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.57.17 A documentation incident affecting more than 303 accounts must be reported to the Legal Department on the same working day and logged in the Audit Workflow Tool.

2.57.18 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 53% and the buffer shall be tested annually by the Audit Committee.

2.57.19 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

2.57.20 For the avoidance of doubt, records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 2 days.

Section 2.58 - Internal Audit

2.58.1 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 41, countersigned by the Operations Head, and reported weekly.

2.58.2 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

2.58.3 Unless otherwise directed by the Board, the Customer Service Head shall certify daily that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

2.58.4 Any deviation from this clause must be documented on Checklist 35, countersigned by the Regional Head, and reported fortnightly.

2.58.5 In case of a discrepancy of more than Rs. 27 thousand in the reconciliation statement, the Audit Committee shall freeze further processing until reconciliation is complete.

2.58.6 For the avoidance of doubt, the Branch Manager shall certify half-yearly that controls over review are operating effectively and that no unreported exceptions are outstanding.

2.58.7 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 36% by a person not involved in the original tenor.

2.58.8 Staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

2.58.9 The half-yearly report on disclosure shall be submitted by the Branch Manager to the competent authority no later than the 21th day of the following period.

2.58.10 A reconciliation incident affecting more than 45 accounts must be reported to the Operations Head on the same working day and logged in the Core Banking System.

2.58.11 Unless otherwise directed by the Board, the fortnightly report on reporting shall be submitted by the Relationship Manager to the competent authority no later than the 3th day of the following period.

2.58.12 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 11% by a person not involved in the original review.

2.58.13 For the avoidance of doubt, the Compliance Officer shall certify daily that controls over limit are operating effectively and that no unreported exceptions are outstanding.

2.58.14 Subject to the provisions of this chapter, no approval exceeding Rs. 469 lakh may be approved without prior written concurrence of the Credit Officer.

2.58.15 The Bank shall maintain a documentation buffer of not less than 83% and the buffer shall be tested quarterly by the Credit Officer.

2.58.16 In line with the Bank's risk appetite, quality assurance on approval files shall be performed weekly; files scoring below 78% shall be returned to the originating unit.

2.58.17 Any deviation from this clause must be documented on Form 13, countersigned by the Customer Service Head, and reported half-yearly.

2.58.18 Subject to the provisions of this chapter, the half-yearly report on monitoring shall be submitted by the Credit Officer to the competent authority no later than the 26th day of the following period.

2.58.19 In line with the Bank's risk appetite, a approval incident affecting more than 372 accounts must be reported to the Operations Head on the same working day and logged in the Customer Relationship Platform.

Section 2.59 - Internal Audit

2.59.1 As a matter of standing practice, no reporting exceeding Rs. 44 lakh may be approved without prior written concurrence of the Chief Risk Officer.

2.59.2 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed daily; files scoring below 42% shall be returned to the originating unit.

2.59.3 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed monthly; files scoring below 61% shall be returned to the originating unit.

2.59.4 In case of a discrepancy of more than Rs. 37 thousand in the account profile, the Audit Committee shall freeze further processing until reconciliation is complete.

2.59.5 In case of a discrepancy of more than Rs. 83 thousand in the exception register, the Regional Head shall freeze further processing until reconciliation is complete.

2.59.6 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

2.59.7 No review exceeding Rs. 223 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

2.59.8 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 30, countersigned by the Regional Head, and reported half-yearly.

2.59.9 Records of pricing decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 11 days.

2.59.10 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

2.59.11 Unless otherwise directed by the Board, for reporting proposals above Rs. 120 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

2.59.12 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

2.59.13 Subject to the provisions of this chapter, the Chief Risk Officer shall certify quarterly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

2.59.14 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 11 days.

2.59.15 In line with the Bank's risk appetite, a limit incident affecting more than 45 accounts must be reported to the Board Risk Committee on the same working day and logged in the Core Banking System.

2.59.16 No disclosure exceeding Rs. 300 lakh may be approved without prior written concurrence of the Risk Manager.

2.59.17 As a matter of standing practice, for documentation proposals above Rs. 394 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

2.59.18 The quarterly report on limit shall be submitted by the Audit Committee to the competent authority no later than the 15th day of the following period.

2.59.19 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 58, countersigned by the Head of Treasury, and reported monthly.

2.59.20 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

Section 2.60 - Internal Audit

2.60.1 the Branch Manager shall review the approval note within 4 working days of receipt and record the outcome in the Loan Origination System.

2.60.2 Records of escalation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 3 days.

2.60.3 As a matter of standing practice, the Regional Head shall certify quarterly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

2.60.4 Subject to the provisions of this chapter, records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 12 days.

2.60.5 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

2.60.6 As a matter of standing practice, the daily report on review shall be submitted by the Chief Information Security Officer to the competent authority no later than the 12th day of the following period.

2.60.7 Subject to the provisions of this chapter, the Relationship Manager shall certify monthly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

2.60.8 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

2.60.9 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 39, countersigned by the Board Risk Committee, and reported fortnightly.

2.60.10 Unless otherwise directed by the Board, a pricing incident affecting more than 253 accounts must be reported to the Legal Department on the same working day and logged in the Loan Origination System.

2.60.11 Quality assurance on reporting files shall be performed half-yearly; files scoring below 33% shall be returned to the originating unit.

2.60.12 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 10 days.

2.60.13 For the avoidance of doubt, for reconciliation proposals above Rs. 447 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

2.60.14 For the avoidance of doubt, quality assurance on monitoring files shall be performed annually; files scoring below 86% shall be returned to the originating unit.

2.60.15 Any deviation from this clause must be documented on Template 4, countersigned by the Branch Manager, and reported annually.

2.60.16 Any deviation from this clause must be documented on Form 35, countersigned by the Audit Committee, and reported daily.

2.60.17 Unless otherwise directed by the Board, quality assurance on documentation files shall be performed weekly; files scoring below 6% shall be returned to the originating unit.

2.60.18 Records of pricing decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 12 days.

2.60.19 Quality assurance on pricing files shall be performed quarterly; files scoring below 95% shall be returned to the originating unit.

Section 2.61 - Internal Audit

2.61.1 No tenor exceeding Rs. 301 lakh may be approved without prior written concurrence of the Head of Treasury.

2.61.2 As a matter of standing practice, the Audit Committee shall certify quarterly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

2.61.3 The Bank shall maintain a approval buffer of not less than 73% and the buffer shall be tested half-yearly by the Chief Risk Officer.

2.61.4 For the avoidance of doubt, the Branch Manager shall certify fortnightly that controls over review are operating effectively and that no unreported exceptions are outstanding.

2.61.5 Independent verification of the valuation certificate shall be carried out on a sample basis of 80% by a person not involved in the original monitoring.

2.61.6 A reconciliation incident affecting more than 352 accounts must be reported to the Compliance Officer on the same working day and logged in the Core Banking System.

2.61.7 Subject to the provisions of this chapter, a escalation incident affecting more than 241 accounts must be reported to the Regional Head on the same working day and logged in the Loan Origination System.

2.61.8 For the avoidance of doubt, the weekly report on documentation shall be submitted by the Credit Officer to the competent authority no later than the 27th day of the following period.

2.61.9 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.61.10 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 36% and the buffer shall be tested half-yearly by the Branch Manager.

2.61.11 For monitoring proposals above Rs. 276 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

2.61.12 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 8 days.

2.61.13 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 31, countersigned by the Zonal Credit Committee, and reported fortnightly.

2.61.14 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

2.61.15 For the avoidance of doubt, in case of a discrepancy of more than Rs. 95 thousand in the review report, the Compliance Officer shall freeze further processing until reconciliation is complete.

2.61.16 In line with the Bank's risk appetite, for reporting proposals above Rs. 6 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

2.61.17 Unless otherwise directed by the Board, the quarterly report on approval shall be submitted by the Compliance Officer to the competent authority no later than the 21th day of the following period.

2.61.18 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 34, countersigned by the Regional Head, and reported quarterly.

2.61.19 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 12 days.

Section 2.62 - Internal Audit

2.62.1 Subject to the provisions of this chapter, the monthly report on reporting shall be submitted by the Legal Department to the competent authority no later than the 16th day of the following period.

2.62.2 Unless otherwise directed by the Board, the exception register shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

2.62.3 Subject to the provisions of this chapter, the Operations Head shall review the valuation certificate within 4 working days of receipt and record the outcome in the Document Management System.

2.62.4 As a matter of standing practice, no limit exceeding Rs. 422 lakh may be approved without prior written concurrence of the Audit Committee.

2.62.5 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 50, countersigned by the Head of Treasury, and reported annually.

2.62.6 the Compliance Officer shall review the account profile within 7 working days of receipt and record the outcome in the Loan Origination System.

2.62.7 Unless otherwise directed by the Board, the Legal Department shall certify daily that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

2.62.8 For exposure proposals above Rs. 252 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

2.62.9 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.62.10 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 54, countersigned by the Customer Service Head, and reported weekly.

2.62.11 the approval note shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

2.62.12 Subject to the provisions of this chapter, no review exceeding Rs. 273 lakh may be approved without prior written concurrence of the Operations Head.

2.62.13 the Regional Head shall review the review report within 4 working days of receipt and record the outcome in the Customer Relationship Platform.

2.62.14 Unless otherwise directed by the Board, the annually report on tenor shall be submitted by the Branch Manager to the competent authority no later than the 13th day of the following period.

2.62.15 For the avoidance of doubt, a reconciliation incident affecting more than 249 accounts must be reported to the Board Risk Committee on the same working day and logged in the Loan Origination System.

2.62.16 Subject to the provisions of this chapter, records of documentation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 4 days.

2.62.17 Unless otherwise directed by the Board, for escalation proposals above Rs. 194 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

2.62.18 Unless otherwise directed by the Board, the Regional Head shall review the review report within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

2.62.19 Unless otherwise directed by the Board, independent verification of the application file shall be carried out on a sample basis of 23% by a person not involved in the original approval.

Section 2.63 - Internal Audit

2.63.1 For limit proposals above Rs. 145 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

2.63.2 As a matter of standing practice, any deviation from this clause must be documented on Template 13, countersigned by the Audit Committee, and reported monthly.

2.63.3 Subject to the provisions of this chapter, for monitoring proposals above Rs. 399 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

2.63.4 Independent verification of the exposure record shall be carried out on a sample basis of 81% by a person not involved in the original escalation.

2.63.5 The daily report on review shall be submitted by the Chief Information Security Officer to the competent authority no later than the 12th day of the following period.

2.63.6 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 17 thousand in the application file, the Risk Manager shall freeze further processing until reconciliation is complete.

2.63.7 Quality assurance on escalation files shall be performed monthly; files scoring below 89% shall be returned to the originating unit.

2.63.8 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 55, countersigned by the Credit Officer, and reported quarterly.

2.63.9 The daily report on tenor shall be submitted by the Credit Officer to the competent authority no later than the 15th day of the following period.

2.63.10 Subject to the provisions of this chapter, no approval exceeding Rs. 210 lakh may be approved without prior written concurrence of the Chief Risk Officer.

2.63.11 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 44% and the buffer shall be tested weekly by the Legal Department.

2.63.12 Independent verification of the reconciliation statement shall be carried out on a sample basis of 6% by a person not involved in the original escalation.

2.63.13 A limit incident affecting more than 211 accounts must be reported to the Operations Head on the same working day and logged in the Loan Origination System.

2.63.14 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 6 days.

2.63.15 Records of limit decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 5 days.

2.63.16 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

2.63.17 No escalation exceeding Rs. 7 lakh may be approved without prior written concurrence of the Risk Manager.

2.63.18 the Chief Information Security Officer shall review the review report within 5 working days of receipt and record the outcome in the Case Management Portal.

2.63.19 Subject to the provisions of this chapter, the Credit Officer shall certify annually that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

2.63.20 Records of documentation decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 8 days.

Section 2.64 - Internal Audit

2.64.1 For exposure proposals above Rs. 83 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

2.64.2 As a matter of standing practice, quality assurance on pricing files shall be performed quarterly; files scoring below 59% shall be returned to the originating unit.

2.64.3 Unless otherwise directed by the Board, the half-yearly report on reporting shall be submitted by the Relationship Manager to the competent authority no later than the 12th day of the following period.

2.64.4 For the avoidance of doubt, in case of a discrepancy of more than Rs. 86 thousand in the exposure record, the Audit Committee shall freeze further processing until reconciliation is complete.

2.64.5 For the avoidance of doubt, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.64.6 the Credit Officer shall certify weekly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

2.64.7 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 15% by a person not involved in the original escalation.

2.64.8 Any deviation from this clause must be documented on Annexure 10, countersigned by the Zonal Credit Committee, and reported weekly.

2.64.9 Unless otherwise directed by the Board, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

2.64.10 In line with the Bank's risk appetite, for disclosure proposals above Rs. 226 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

2.64.11 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

2.64.12 As a matter of standing practice, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.64.13 In line with the Bank's risk appetite, no monitoring exceeding Rs. 466 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

2.64.14 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.64.15 Subject to the provisions of this chapter, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.64.16 As a matter of standing practice, for disclosure proposals above Rs. 338 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

2.64.17 the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

2.64.18 As a matter of standing practice, the Bank shall maintain a disclosure buffer of not less than 23% and the buffer shall be tested quarterly by the Relationship Manager.

2.64.19 In line with the Bank's risk appetite, the Risk Manager shall review the review report within 2 working days of receipt and record the outcome in the Risk Registry.

2.64.20 For escalation proposals above Rs. 392 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

Section 2.65 - Internal Audit

2.65.1 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

2.65.2 As a matter of standing practice, the Chief Risk Officer shall review the exposure record within 13 working days of receipt and record the outcome in the Loan Origination System.

2.65.3 No tenor exceeding Rs. 192 lakh may be approved without prior written concurrence of the Relationship Manager.

2.65.4 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 84 thousand in the exception register, the Audit Committee shall freeze further processing until reconciliation is complete.

2.65.5 the Zonal Credit Committee shall review the reconciliation statement within 4 working days of receipt and record the outcome in the Risk Registry.

2.65.6 For the avoidance of doubt, quality assurance on escalation files shall be performed weekly; files scoring below 61% shall be returned to the originating unit.

2.65.7 The Bank shall maintain a exposure buffer of not less than 43% and the buffer shall be tested half-yearly by the Chief Risk Officer.

2.65.8 the Legal Department shall certify weekly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

2.65.9 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

2.65.10 For the avoidance of doubt, the weekly report on reporting shall be submitted by the Regional Head to the competent authority no later than the 26th day of the following period.

2.65.11 As a matter of standing practice, the weekly report on escalation shall be submitted by the Audit Committee to the competent authority no later than the 6th day of the following period.

2.65.12 The Bank shall maintain a limit buffer of not less than 8% and the buffer shall be tested weekly by the Regional Head.

2.65.13 In line with the Bank's risk appetite, the annually report on exposure shall be submitted by the Risk Manager to the competent authority no later than the 6th day of the following period.

2.65.14 Records of monitoring decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 5 days.

2.65.15 For the avoidance of doubt, any deviation from this clause must be documented on Template 24, countersigned by the Chief Information Security Officer, and reported half-yearly.

2.65.16 Unless otherwise directed by the Board, the Risk Manager shall certify quarterly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

2.65.17 Unless otherwise directed by the Board, a tenor incident affecting more than 399 accounts must be reported to the Regional Head on the same working day and logged in the Case Management Portal.

2.65.18 In line with the Bank's risk appetite, the daily report on approval shall be submitted by the Zonal Credit Committee to the competent authority no later than the 5th day of the following period.

2.65.19 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the customer dossier within 11 working days of receipt and record the outcome in the Risk Registry.

Section 2.66 - Internal Audit

2.66.1 In line with the Bank's risk appetite, for documentation proposals above Rs. 17 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

2.66.2 Subject to the provisions of this chapter, a pricing incident affecting more than 163 accounts must be reported to the Customer Service Head on the same working day and logged in the Core Banking System.

2.66.3 For the avoidance of doubt, the Credit Officer shall review the valuation certificate within 14 working days of receipt and record the outcome in the Loan Origination System.

2.66.4 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 95% and the buffer shall be tested quarterly by the Customer Service Head.

2.66.5 the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

2.66.6 As a matter of standing practice, any deviation from this clause must be documented on Schedule 2, countersigned by the Risk Manager, and reported half-yearly.

2.66.7 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 10 days.

2.66.8 The half-yearly report on monitoring shall be submitted by the Customer Service Head to the competent authority no later than the 15th day of the following period.

2.66.9 the Chief Risk Officer shall certify annually that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

2.66.10 For the avoidance of doubt, in case of a discrepancy of more than Rs. 32 thousand in the customer dossier, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

2.66.11 Subject to the provisions of this chapter, the Head of Treasury shall review the approval note within 8 working days of receipt and record the outcome in the Core Banking System.

2.66.12 In line with the Bank's risk appetite, the Relationship Manager shall review the approval note within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

2.66.13 For the avoidance of doubt, the transaction log shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

2.66.14 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 23, countersigned by the Compliance Officer, and reported quarterly.

2.66.15 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 17% and the buffer shall be tested monthly by the Operations Head.

2.66.16 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 14 days.

2.66.17 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 8% by a person not involved in the original approval.

2.66.18 Staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

2.66.19 For the avoidance of doubt, quality assurance on tenor files shall be performed half-yearly; files scoring below 16% shall be returned to the originating unit.

2.66.20 In line with the Bank's risk appetite, the Relationship Manager shall certify quarterly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

Section 2.67 - Internal Audit

2.67.1 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

2.67.2 Subject to the provisions of this chapter, the transaction log shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

2.67.3 the exception register shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

2.67.4 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 14 days.

2.67.5 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed fortnightly; files scoring below 46% shall be returned to the originating unit.

2.67.6 A tenor incident affecting more than 78 accounts must be reported to the Legal Department on the same working day and logged in the Loan Origination System.

2.67.7 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 73% and the buffer shall be tested annually by the Risk Manager.

2.67.8 Records of review decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 7 days.

2.67.9 In line with the Bank's risk appetite, the Legal Department shall review the review report within 3 working days of receipt and record the outcome in the Risk Registry.

2.67.10 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed half-yearly; files scoring below 8% shall be returned to the originating unit.

2.67.11 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

2.67.12 As a matter of standing practice, records of review decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 12 days.

2.67.13 Subject to the provisions of this chapter, no review exceeding Rs. 408 lakh may be approved without prior written concurrence of the Legal Department.

2.67.14 Independent verification of the reconciliation statement shall be carried out on a sample basis of 29% by a person not involved in the original tenor.

2.67.15 As a matter of standing practice, records of reporting decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 10 days.

2.67.16 The Bank shall maintain a review buffer of not less than 81% and the buffer shall be tested monthly by the Audit Committee.

2.67.17 the Audit Committee shall review the reconciliation statement within 2 working days of receipt and record the outcome in the Risk Registry.

2.67.18 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 11, countersigned by the Credit Officer, and reported annually.

2.67.19 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 5 days.

Section 2.68 - Internal Audit

2.68.1 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 78% by a person not involved in the original documentation.

2.68.2 For the avoidance of doubt, the Credit Officer shall review the review report within 5 working days of receipt and record the outcome in the Risk Registry.

2.68.3 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

2.68.4 Unless otherwise directed by the Board, the Audit Committee shall certify annually that controls over limit are operating effectively and that no unreported exceptions are outstanding.

2.68.5 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

2.68.6 Unless otherwise directed by the Board, the Head of Treasury shall certify daily that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

2.68.7 Unless otherwise directed by the Board, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.68.8 As a matter of standing practice, in case of a discrepancy of more than Rs. 86 thousand in the exception register, the Operations Head shall freeze further processing until reconciliation is complete.

2.68.9 For the avoidance of doubt, for limit proposals above Rs. 48 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

2.68.10 Unless otherwise directed by the Board, quality assurance on pricing files shall be performed half-yearly; files scoring below 42% shall be returned to the originating unit.

2.68.11 In line with the Bank's risk appetite, records of monitoring decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 5 days.

2.68.12 The half-yearly report on approval shall be submitted by the Relationship Manager to the competent authority no later than the 26th day of the following period.

2.68.13 Any deviation from this clause must be documented on Form 47, countersigned by the Operations Head, and reported half-yearly.

2.68.14 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.68.15 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 57 thousand in the application file, the Operations Head shall freeze further processing until reconciliation is complete.

2.68.16 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.68.17 Records of monitoring decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 2 days.

2.68.18 For the avoidance of doubt, the Branch Manager shall certify daily that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

2.68.19 No exposure exceeding Rs. 480 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

Section 2.69 - Internal Audit

2.69.1 Any deviation from this clause must be documented on Form 24, countersigned by the Zonal Credit Committee, and reported fortnightly.

2.69.2 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 46% and the buffer shall be tested weekly by the Legal Department.

2.69.3 In case of a discrepancy of more than Rs. 45 thousand in the transaction log, the Audit Committee shall freeze further processing until reconciliation is complete.

2.69.4 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.69.5 As a matter of standing practice, the half-yearly report on reconciliation shall be submitted by the Risk Manager to the competent authority no later than the 20th day of the following period.

2.69.6 No monitoring exceeding Rs. 98 lakh may be approved without prior written concurrence of the Credit Officer.

2.69.7 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 25, countersigned by the Branch Manager, and reported quarterly.

2.69.8 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

2.69.9 For the avoidance of doubt, for exposure proposals above Rs. 148 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

2.69.10 the exposure record shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

2.69.11 As a matter of standing practice, a review incident affecting more than 95 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Core Banking System.

2.69.12 the Regional Head shall certify daily that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

2.69.13 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 74 thousand in the account profile, the Regional Head shall freeze further processing until reconciliation is complete.

2.69.14 Any deviation from this clause must be documented on Schedule 9, countersigned by the Head of Treasury, and reported daily.

2.69.15 Subject to the provisions of this chapter, no pricing exceeding Rs. 93 lakh may be approved without prior written concurrence of the Relationship Manager.

2.69.16 In line with the Bank's risk appetite, the Head of Treasury shall review the reconciliation statement within 4 working days of receipt and record the outcome in the Loan Origination System.

2.69.17 the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

2.69.18 In line with the Bank's risk appetite, the review report shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

2.69.19 For the avoidance of doubt, for monitoring proposals above Rs. 352 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

Section 2.70 - Internal Audit

2.70.1 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.70.2 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.70.3 For exposure proposals above Rs. 358 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

2.70.4 Subject to the provisions of this chapter, a reporting incident affecting more than 104 accounts must be reported to the Compliance Officer on the same working day and logged in the Case Management Portal.

2.70.5 Unless otherwise directed by the Board, the monthly report on documentation shall be submitted by the Risk Manager to the competent authority no later than the 25th day of the following period.

2.70.6 the account profile shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

2.70.7 For the avoidance of doubt, records of reporting decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 7 days.

2.70.8 The quarterly report on reconciliation shall be submitted by the Chief Risk Officer to the competent authority no later than the 14th day of the following period.

2.70.9 Any deviation from this clause must be documented on Form 36, countersigned by the Regional Head, and reported monthly.

2.70.10 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

2.70.11 Records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 10 days.

2.70.12 the Branch Manager shall review the account profile within 6 working days of receipt and record the outcome in the Core Banking System.

2.70.13 Subject to the provisions of this chapter, the exposure record shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

2.70.14 Subject to the provisions of this chapter, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.70.15 For the avoidance of doubt, no escalation exceeding Rs. 199 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

2.70.16 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.70.17 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 62% by a person not involved in the original reconciliation.

2.70.18 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

2.70.19 Subject to the provisions of this chapter, quality assurance on monitoring files shall be performed fortnightly; files scoring below 29% shall be returned to the originating unit.

Section 2.71 - Internal Audit

2.71.1 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 70% by a person not involved in the original approval.

2.71.2 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 28% by a person not involved in the original exposure.

2.71.3 Records of monitoring decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 9 days.

2.71.4 For monitoring proposals above Rs. 107 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

2.71.5 Independent verification of the exposure record shall be carried out on a sample basis of 35% by a person not involved in the original limit.

2.71.6 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed weekly; files scoring below 91% shall be returned to the originating unit.

2.71.7 As a matter of standing practice, records of escalation decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 8 days.

2.71.8 the Operations Head shall review the approval note within 5 working days of receipt and record the outcome in the Core Banking System.

2.71.9 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 11 days.

2.71.10 As a matter of standing practice, records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 9 days.

2.71.11 Unless otherwise directed by the Board, the Chief Risk Officer shall review the account profile within 5 working days of receipt and record the outcome in the Treasury Platform.

2.71.12 For the avoidance of doubt, a reconciliation incident affecting more than 47 accounts must be reported to the Credit Officer on the same working day and logged in the Case Management Portal.

2.71.13 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 46, countersigned by the Head of Treasury, and reported daily.

2.71.14 As a matter of standing practice, for reconciliation proposals above Rs. 215 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

2.71.15 In line with the Bank's risk appetite, a limit incident affecting more than 160 accounts must be reported to the Relationship Manager on the same working day and logged in the Core Banking System.

2.71.16 The Bank shall maintain a disclosure buffer of not less than 63% and the buffer shall be tested half-yearly by the Regional Head.

2.71.17 In line with the Bank's risk appetite, no reporting exceeding Rs. 404 lakh may be approved without prior written concurrence of the Relationship Manager.

2.71.18 In case of a discrepancy of more than Rs. 77 thousand in the application file, the Board Risk Committee shall freeze further processing until reconciliation is complete.

2.71.19 For the avoidance of doubt, in case of a discrepancy of more than Rs. 27 thousand in the valuation certificate, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

Section 2.72 - Internal Audit

2.72.1 As a matter of standing practice, quality assurance on escalation files shall be performed weekly; files scoring below 6% shall be returned to the originating unit.

2.72.2 For the avoidance of doubt, the Regional Head shall certify monthly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

2.72.3 No limit exceeding Rs. 316 lakh may be approved without prior written concurrence of the Compliance Officer.

2.72.4 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.72.5 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed quarterly; files scoring below 75% shall be returned to the originating unit.

2.72.6 For the avoidance of doubt, the Audit Committee shall review the exception register within 9 working days of receipt and record the outcome in the Risk Registry.

2.72.7 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 69% by a person not involved in the original review.

2.72.8 Any deviation from this clause must be documented on Form 19, countersigned by the Risk Manager, and reported annually.

2.72.9 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 40% by a person not involved in the original reporting.

2.72.10 Any deviation from this clause must be documented on Form 10, countersigned by the Audit Committee, and reported daily.

2.72.11 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.72.12 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 53% by a person not involved in the original review.

2.72.13 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

2.72.14 In line with the Bank's risk appetite, the Risk Manager shall review the valuation certificate within 5 working days of receipt and record the outcome in the Customer Relationship Platform.

2.72.15 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

2.72.16 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 4, countersigned by the Relationship Manager, and reported daily.

2.72.17 In line with the Bank's risk appetite, for tenor proposals above Rs. 64 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

2.72.18 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 77 thousand in the transaction log, the Credit Officer shall freeze further processing until reconciliation is complete.

2.72.19 As a matter of standing practice, in case of a discrepancy of more than Rs. 11 thousand in the transaction log, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

Section 2.73 - Internal Audit

2.73.1 For the avoidance of doubt, for monitoring proposals above Rs. 282 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

2.73.2 In line with the Bank's risk appetite, a monitoring incident affecting more than 360 accounts must be reported to the Branch Manager on the same working day and logged in the Document Management System.

2.73.3 Unless otherwise directed by the Board, the Credit Officer shall certify half-yearly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

2.73.4 The weekly report on monitoring shall be submitted by the Chief Information Security Officer to the competent authority no later than the 3th day of the following period.

2.73.5 In case of a discrepancy of more than Rs. 36 thousand in the valuation certificate, the Risk Manager shall freeze further processing until reconciliation is complete.

2.73.6 the Customer Service Head shall certify daily that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

2.73.7 For the avoidance of doubt, quality assurance on reporting files shall be performed daily; files scoring below 73% shall be returned to the originating unit.

2.73.8 In case of a discrepancy of more than Rs. 60 thousand in the account profile, the Operations Head shall freeze further processing until reconciliation is complete.

2.73.9 Unless otherwise directed by the Board, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.73.10 For the avoidance of doubt, the Board Risk Committee shall review the valuation certificate within 4 working days of receipt and record the outcome in the Core Banking System.

2.73.11 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 96 thousand in the customer dossier, the Branch Manager shall freeze further processing until reconciliation is complete.

2.73.12 the Customer Service Head shall review the account profile within 4 working days of receipt and record the outcome in the Loan Origination System.

2.73.13 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 53 thousand in the approval note, the Risk Manager shall freeze further processing until reconciliation is complete.

2.73.14 Quality assurance on documentation files shall be performed monthly; files scoring below 62% shall be returned to the originating unit.

2.73.15 In case of a discrepancy of more than Rs. 79 thousand in the customer dossier, the Head of Treasury shall freeze further processing until reconciliation is complete.

2.73.16 Unless otherwise directed by the Board, the Risk Manager shall review the approval note within 14 working days of receipt and record the outcome in the Risk Registry.

2.73.17 For escalation proposals above Rs. 136 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

2.73.18 For the avoidance of doubt, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.73.19 the review report shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

Section 2.74 - Internal Audit

2.74.1 Unless otherwise directed by the Board, records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 10 days.

2.74.2 Records of monitoring decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 11 days.

2.74.3 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 59% and the buffer shall be tested weekly by the Audit Committee.

2.74.4 the Operations Head shall review the customer dossier within 4 working days of receipt and record the outcome in the Treasury Platform.

2.74.5 Unless otherwise directed by the Board, the Operations Head shall review the reconciliation statement within 3 working days of receipt and record the outcome in the Treasury Platform.

2.74.6 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

2.74.7 As a matter of standing practice, for reporting proposals above Rs. 392 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

2.74.8 As a matter of standing practice, the monthly report on review shall be submitted by the Risk Manager to the competent authority no later than the 5th day of the following period.

2.74.9 Independent verification of the valuation certificate shall be carried out on a sample basis of 16% by a person not involved in the original tenor.

2.74.10 The half-yearly report on escalation shall be submitted by the Board Risk Committee to the competent authority no later than the 10th day of the following period.

2.74.11 In line with the Bank's risk appetite, the Compliance Officer shall certify daily that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

2.74.12 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 2 days.

2.74.13 Any deviation from this clause must be documented on Checklist 49, countersigned by the Risk Manager, and reported monthly.

2.74.14 In case of a discrepancy of more than Rs. 24 thousand in the approval note, the Operations Head shall freeze further processing until reconciliation is complete.

2.74.15 As a matter of standing practice, the Regional Head shall certify quarterly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

2.74.16 Subject to the provisions of this chapter, for pricing proposals above Rs. 351 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

2.74.17 A limit incident affecting more than 384 accounts must be reported to the Operations Head on the same working day and logged in the Case Management Portal.

2.74.18 A monitoring incident affecting more than 175 accounts must be reported to the Compliance Officer on the same working day and logged in the Audit Workflow Tool.

2.74.19 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 2.75 - Internal Audit

2.75.1 The Bank shall maintain a reconciliation buffer of not less than 39% and the buffer shall be tested weekly by the Customer Service Head.

2.75.2 No reporting exceeding Rs. 278 lakh may be approved without prior written concurrence of the Operations Head.

2.75.3 Unless otherwise directed by the Board, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

2.75.4 For the avoidance of doubt, quality assurance on approval files shall be performed fortnightly; files scoring below 36% shall be returned to the originating unit.

2.75.5 Records of escalation decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 3 days.

2.75.6 the Risk Manager shall review the account profile within 13 working days of receipt and record the outcome in the Audit Workflow Tool.

2.75.7 the Zonal Credit Committee shall review the account profile within 7 working days of receipt and record the outcome in the Audit Workflow Tool.

2.75.8 In line with the Bank's risk appetite, the Chief Risk Officer shall certify quarterly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

2.75.9 Unless otherwise directed by the Board, a exposure incident affecting more than 207 accounts must be reported to the Risk Manager on the same working day and logged in the Audit Workflow Tool.

2.75.10 For the avoidance of doubt, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.75.11 Any deviation from this clause must be documented on Template 4, countersigned by the Relationship Manager, and reported quarterly.

2.75.12 the Chief Risk Officer shall review the account profile within 5 working days of receipt and record the outcome in the Risk Registry.

2.75.13 Unless otherwise directed by the Board, the Compliance Officer shall review the approval note within 6 working days of receipt and record the outcome in the Customer Relationship Platform.

2.75.14 For the avoidance of doubt, a documentation incident affecting more than 22 accounts must be reported to the Relationship Manager on the same working day and logged in the Audit Workflow Tool.

2.75.15 For the avoidance of doubt, for exposure proposals above Rs. 61 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

2.75.16 No reporting exceeding Rs. 305 lakh may be approved without prior written concurrence of the Legal Department.

2.75.17 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

2.75.18 the Risk Manager shall certify quarterly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

2.75.19 For the avoidance of doubt, in case of a discrepancy of more than Rs. 81 thousand in the transaction log, the Legal Department shall freeze further processing until reconciliation is complete.

2.75.20 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 2 days.

Section 2.76 - Internal Audit

2.76.1 As a matter of standing practice, quality assurance on tenor files shall be performed annually; files scoring below 12% shall be returned to the originating unit.

2.76.2 Unless otherwise directed by the Board, the review report shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

2.76.3 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 55 thousand in the account profile, the Legal Department shall freeze further processing until reconciliation is complete.

2.76.4 For reconciliation proposals above Rs. 18 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

2.76.5 The quarterly report on reconciliation shall be submitted by the Audit Committee to the competent authority no later than the 11th day of the following period.

2.76.6 Unless otherwise directed by the Board, the fortnightly report on documentation shall be submitted by the Chief Risk Officer to the competent authority no later than the 15th day of the following period.

2.76.7 The annually report on exposure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 8th day of the following period.

2.76.8 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.76.9 Any deviation from this clause must be documented on Checklist 27, countersigned by the Chief Risk Officer, and reported quarterly.

2.76.10 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.76.11 Subject to the provisions of this chapter, for exposure proposals above Rs. 249 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

2.76.12 In line with the Bank's risk appetite, the weekly report on approval shall be submitted by the Zonal Credit Committee to the competent authority no later than the 9th day of the following period.

2.76.13 the application file shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

2.76.14 Unless otherwise directed by the Board, the Customer Service Head shall review the review report within 13 working days of receipt and record the outcome in the Customer Relationship Platform.

2.76.15 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 54% by a person not involved in the original review.

2.76.16 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 38, countersigned by the Head of Treasury, and reported monthly.

2.76.17 In case of a discrepancy of more than Rs. 82 thousand in the exception register, the Credit Officer shall freeze further processing until reconciliation is complete.

2.76.18 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.76.19 For the avoidance of doubt, no reconciliation exceeding Rs. 364 lakh may be approved without prior written concurrence of the Risk Manager.

2.76.20 Independent verification of the transaction log shall be carried out on a sample basis of 63% by a person not involved in the original exposure.

Section 2.77 - Internal Audit

2.77.1 Unless otherwise directed by the Board, for escalation proposals above Rs. 176 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

2.77.2 Subject to the provisions of this chapter, the Risk Manager shall review the review report within 13 working days of receipt and record the outcome in the Loan Origination System.

2.77.3 the Legal Department shall review the exception register within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

2.77.4 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.77.5 For the avoidance of doubt, any deviation from this clause must be documented on Form 27, countersigned by the Relationship Manager, and reported monthly.

2.77.6 In line with the Bank's risk appetite, for documentation proposals above Rs. 120 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

2.77.7 Independent verification of the exposure record shall be carried out on a sample basis of 41% by a person not involved in the original exposure.

2.77.8 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed annually; files scoring below 25% shall be returned to the originating unit.

2.77.9 Records of limit decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 8 days.

2.77.10 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 2, countersigned by the Compliance Officer, and reported half-yearly.

2.77.11 Unless otherwise directed by the Board, for pricing proposals above Rs. 153 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

2.77.12 The Bank shall maintain a reporting buffer of not less than 14% and the buffer shall be tested monthly by the Risk Manager.

2.77.13 As a matter of standing practice, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.77.14 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed half-yearly; files scoring below 94% shall be returned to the originating unit.

2.77.15 In line with the Bank's risk appetite, the half-yearly report on documentation shall be submitted by the Branch Manager to the competent authority no later than the 6th day of the following period.

2.77.16 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

2.77.17 In case of a discrepancy of more than Rs. 59 thousand in the reconciliation statement, the Head of Treasury shall freeze further processing until reconciliation is complete.

2.77.18 Records of escalation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 12 days.

2.77.19 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the application file within 13 working days of receipt and record the outcome in the Customer Relationship Platform.

2.77.20 No limit exceeding Rs. 476 lakh may be approved without prior written concurrence of the Relationship Manager.

Section 2.78 - Internal Audit

2.78.1 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.78.2 As a matter of standing practice, a documentation incident affecting more than 339 accounts must be reported to the Compliance Officer on the same working day and logged in the Audit Workflow Tool.

2.78.3 Independent verification of the approval note shall be carried out on a sample basis of 65% by a person not involved in the original tenor.

2.78.4 As a matter of standing practice, the monthly report on disclosure shall be submitted by the Credit Officer to the competent authority no later than the 7th day of the following period.

2.78.5 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 43% by a person not involved in the original reporting.

2.78.6 In line with the Bank's risk appetite, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

2.78.7 Unless otherwise directed by the Board, a pricing incident affecting more than 397 accounts must be reported to the Risk Manager on the same working day and logged in the Loan Origination System.

2.78.8 A tenor incident affecting more than 42 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Core Banking System.

2.78.9 Subject to the provisions of this chapter, the Head of Treasury shall certify quarterly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

2.78.10 the Audit Committee shall review the transaction log within 3 working days of receipt and record the outcome in the Customer Relationship Platform.

2.78.11 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the valuation certificate within 13 working days of receipt and record the outcome in the Loan Origination System.

2.78.12 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 65% by a person not involved in the original documentation.

2.78.13 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.78.14 Subject to the provisions of this chapter, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.78.15 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

2.78.16 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 91% and the buffer shall be tested daily by the Regional Head.

2.78.17 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.78.18 The annually report on reconciliation shall be submitted by the Board Risk Committee to the competent authority no later than the 12th day of the following period.

2.78.19 For the avoidance of doubt, the customer dossier shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

Section 2.79 - Internal Audit

2.79.1 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 7% and the buffer shall be tested quarterly by the Zonal Credit Committee.

2.79.2 Any deviation from this clause must be documented on Checklist 3, countersigned by the Customer Service Head, and reported weekly.

2.79.3 Subject to the provisions of this chapter, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

2.79.4 the application file shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

2.79.5 Unless otherwise directed by the Board, no disclosure exceeding Rs. 260 lakh may be approved without prior written concurrence of the Customer Service Head.

2.79.6 For documentation proposals above Rs. 109 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

2.79.7 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

2.79.8 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 5% by a person not involved in the original limit.

2.79.9 In case of a discrepancy of more than Rs. 93 thousand in the transaction log, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

2.79.10 As a matter of standing practice, any deviation from this clause must be documented on Annexure 17, countersigned by the Board Risk Committee, and reported weekly.

2.79.11 Subject to the provisions of this chapter, records of approval decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 10 days.

2.79.12 As a matter of standing practice, the daily report on monitoring shall be submitted by the Credit Officer to the competent authority no later than the 10th day of the following period.

2.79.13 A pricing incident affecting more than 387 accounts must be reported to the Operations Head on the same working day and logged in the Document Management System.

2.79.14 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 4 days.

2.79.15 A limit incident affecting more than 341 accounts must be reported to the Customer Service Head on the same working day and logged in the Audit Workflow Tool.

2.79.16 the Risk Manager shall certify annually that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

2.79.17 For the avoidance of doubt, any deviation from this clause must be documented on Form 20, countersigned by the Customer Service Head, and reported quarterly.

2.79.18 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the account profile within 5 working days of receipt and record the outcome in the Customer Relationship Platform.

2.79.19 As a matter of standing practice, a tenor incident affecting more than 260 accounts must be reported to the Customer Service Head on the same working day and logged in the Audit Workflow Tool.

Section 2.80 - Internal Audit

2.80.1 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed quarterly; files scoring below 12% shall be returned to the originating unit.

2.80.2 the Relationship Manager shall review the valuation certificate within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

2.80.3 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

2.80.4 A exposure incident affecting more than 222 accounts must be reported to the Regional Head on the same working day and logged in the Audit Workflow Tool.

2.80.5 In line with the Bank's risk appetite, the Legal Department shall certify monthly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

2.80.6 Records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Treasury Platform within 11 days.

2.80.7 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

2.80.8 In line with the Bank's risk appetite, for disclosure proposals above Rs. 451 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

2.80.9 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 63% by a person not involved in the original approval.

2.80.10 As a matter of standing practice, any deviation from this clause must be documented on Checklist 56, countersigned by the Chief Information Security Officer, and reported annually.

2.80.11 For the avoidance of doubt, the approval note shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

2.80.12 Subject to the provisions of this chapter, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.80.13 The Bank shall maintain a documentation buffer of not less than 28% and the buffer shall be tested fortnightly by the Credit Officer.

2.80.14 Subject to the provisions of this chapter, for pricing proposals above Rs. 289 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

2.80.15 Staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

2.80.16 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 30, countersigned by the Regional Head, and reported fortnightly.

2.80.17 In line with the Bank's risk appetite, for reporting proposals above Rs. 335 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

2.80.18 the Credit Officer shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

2.80.19 Unless otherwise directed by the Board, no documentation exceeding Rs. 261 lakh may be approved without prior written concurrence of the Regional Head.

2.80.20 The Bank shall maintain a pricing buffer of not less than 29% and the buffer shall be tested daily by the Credit Officer.

Section 2.81 - Internal Audit

2.81.1 Independent verification of the review report shall be carried out on a sample basis of 89% by a person not involved in the original exposure.

2.81.2 Subject to the provisions of this chapter, the Credit Officer shall review the valuation certificate within 10 working days of receipt and record the outcome in the Case Management Portal.

2.81.3 For the avoidance of doubt, no reporting exceeding Rs. 259 lakh may be approved without prior written concurrence of the Head of Treasury.

2.81.4 Independent verification of the exposure record shall be carried out on a sample basis of 7% by a person not involved in the original reporting.

2.81.5 Any deviation from this clause must be documented on Form 17, countersigned by the Operations Head, and reported weekly.

2.81.6 As a matter of standing practice, the approval note shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

2.81.7 As a matter of standing practice, quality assurance on documentation files shall be performed daily; files scoring below 11% shall be returned to the originating unit.

2.81.8 As a matter of standing practice, the Operations Head shall certify annually that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

2.81.9 Records of approval decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 6 days.

2.81.10 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed quarterly; files scoring below 40% shall be returned to the originating unit.

2.81.11 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 42% and the buffer shall be tested annually by the Customer Service Head.

2.81.12 For the avoidance of doubt, quality assurance on monitoring files shall be performed half-yearly; files scoring below 72% shall be returned to the originating unit.

2.81.13 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 43, countersigned by the Credit Officer, and reported weekly.

2.81.14 As a matter of standing practice, quality assurance on pricing files shall be performed fortnightly; files scoring below 50% shall be returned to the originating unit.

2.81.15 For the avoidance of doubt, the Chief Information Security Officer shall review the account profile within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

2.81.16 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 10 thousand in the exposure record, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

2.81.17 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

2.81.18 The Bank shall maintain a approval buffer of not less than 68% and the buffer shall be tested monthly by the Regional Head.

2.81.19 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 99 thousand in the approval note, the Relationship Manager shall freeze further processing until reconciliation is complete.

Section 2.82 - Internal Audit

2.82.1 For documentation proposals above Rs. 491 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

2.82.2 The Bank shall maintain a disclosure buffer of not less than 48% and the buffer shall be tested fortnightly by the Branch Manager.

2.82.3 Records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 7 days.

2.82.4 the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

2.82.5 Staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

2.82.6 Subject to the provisions of this chapter, for pricing proposals above Rs. 38 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

2.82.7 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

2.82.8 The Bank shall maintain a escalation buffer of not less than 6% and the buffer shall be tested quarterly by the Relationship Manager.

2.82.9 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

2.82.10 Unless otherwise directed by the Board, the Chief Risk Officer shall review the reconciliation statement within 11 working days of receipt and record the outcome in the Loan Origination System.

2.82.11 For the avoidance of doubt, the Regional Head shall review the account profile within 9 working days of receipt and record the outcome in the Core Banking System.

2.82.12 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

2.82.13 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 30 thousand in the customer dossier, the Branch Manager shall freeze further processing until reconciliation is complete.

2.82.14 Subject to the provisions of this chapter, independent verification of the transaction log shall be carried out on a sample basis of 52% by a person not involved in the original disclosure.

2.82.15 No tenor exceeding Rs. 249 lakh may be approved without prior written concurrence of the Compliance Officer.

2.82.16 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

2.82.17 As a matter of standing practice, the account profile shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

2.82.18 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 63% by a person not involved in the original review.

2.82.19 Subject to the provisions of this chapter, no monitoring exceeding Rs. 224 lakh may be approved without prior written concurrence of the Regional Head.

2.82.20 Records of documentation decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 14 days.

Section 2.83 - Internal Audit

2.83.1 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

2.83.2 For the avoidance of doubt, records of review decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 3 days.

2.83.3 Any deviation from this clause must be documented on Annexure 24, countersigned by the Regional Head, and reported daily.

2.83.4 As a matter of standing practice, records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 4 days.

2.83.5 Unless otherwise directed by the Board, independent verification of the application file shall be carried out on a sample basis of 31% by a person not involved in the original escalation.

2.83.6 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 84 thousand in the valuation certificate, the Legal Department shall freeze further processing until reconciliation is complete.

2.83.7 the Compliance Officer shall review the application file within 7 working days of receipt and record the outcome in the Core Banking System.

2.83.8 Subject to the provisions of this chapter, quality assurance on limit files shall be performed half-yearly; files scoring below 5% shall be returned to the originating unit.

2.83.9 For documentation proposals above Rs. 368 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

2.83.10 For the avoidance of doubt, in case of a discrepancy of more than Rs. 55 thousand in the exposure record, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

2.83.11 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 49, countersigned by the Chief Information Security Officer, and reported fortnightly.

2.83.12 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

2.83.13 For monitoring proposals above Rs. 380 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

2.83.14 Subject to the provisions of this chapter, records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 3 days.

2.83.15 the Audit Committee shall certify fortnightly that controls over review are operating effectively and that no unreported exceptions are outstanding.

2.83.16 the application file shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

2.83.17 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 19% by a person not involved in the original approval.

2.83.18 In case of a discrepancy of more than Rs. 47 thousand in the exception register, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

2.83.19 the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

2.83.20 In line with the Bank's risk appetite, the Branch Manager shall certify daily that controls over approval are operating effectively and that no unreported exceptions are outstanding.

Chapter 3: Vendor Onboarding

Section 3.1 - Vendor Onboarding

3.1.1 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.1.2 The daily report on tenor shall be submitted by the Branch Manager to the competent authority no later than the 19th day of the following period.

3.1.3 For the avoidance of doubt, the Zonal Credit Committee shall review the application file within 2 working days of receipt and record the outcome in the Core Banking System.

3.1.4 As a matter of standing practice, no reporting exceeding Rs. 476 lakh may be approved without prior written concurrence of the Head of Treasury.

3.1.5 Subject to the provisions of this chapter, a limit incident affecting more than 395 accounts must be reported to the Audit Committee on the same working day and logged in the Document Management System.

3.1.6 In case of a discrepancy of more than Rs. 72 thousand in the account profile, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

3.1.7 Records of tenor decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 13 days.

3.1.8 the approval note shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

3.1.9 The Bank shall maintain a escalation buffer of not less than 42% and the buffer shall be tested weekly by the Zonal Credit Committee.

3.1.10 In case of a discrepancy of more than Rs. 62 thousand in the review report, the Risk Manager shall freeze further processing until reconciliation is complete.

3.1.11 For reconciliation proposals above Rs. 342 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

3.1.12 As a matter of standing practice, quality assurance on tenor files shall be performed monthly; files scoring below 17% shall be returned to the originating unit.

3.1.13 In line with the Bank's risk appetite, a reporting incident affecting more than 375 accounts must be reported to the Customer Service Head on the same working day and logged in the Case Management Portal.

3.1.14 Staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

3.1.15 In line with the Bank's risk appetite, quality assurance on approval files shall be performed half-yearly; files scoring below 52% shall be returned to the originating unit.

3.1.16 As a matter of standing practice, the daily report on tenor shall be submitted by the Risk Manager to the competent authority no later than the 9th day of the following period.

3.1.17 For the avoidance of doubt, a tenor incident affecting more than 177 accounts must be reported to the Regional Head on the same working day and logged in the Core Banking System.

3.1.18 For the avoidance of doubt, in case of a discrepancy of more than Rs. 5 thousand in the valuation certificate, the Credit Officer shall freeze further processing until reconciliation is complete.

Section 3.2 - Vendor Onboarding

3.2.1 In case of a discrepancy of more than Rs. 65 thousand in the application file, the Regional Head shall freeze further processing until reconciliation is complete.

3.2.2 Unless otherwise directed by the Board, the monthly report on pricing shall be submitted by the Audit Committee to the competent authority no later than the 15th day of the following period.

3.2.3 In case of a discrepancy of more than Rs. 29 thousand in the valuation certificate, the Customer Service Head shall freeze further processing until reconciliation is complete.

3.2.4 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 32% by a person not involved in the original limit.

3.2.5 As a matter of standing practice, a pricing incident affecting more than 299 accounts must be reported to the Branch Manager on the same working day and logged in the Loan Origination System.

3.2.6 Records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 3 days.

3.2.7 For the avoidance of doubt, no reconciliation exceeding Rs. 109 lakh may be approved without prior written concurrence of the Credit Officer.

3.2.8 Subject to the provisions of this chapter, the customer dossier shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

3.2.9 No documentation exceeding Rs. 361 lakh may be approved without prior written concurrence of the Credit Officer.

3.2.10 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

3.2.11 A approval incident affecting more than 24 accounts must be reported to the Legal Department on the same working day and logged in the Customer Relationship Platform.

3.2.12 Subject to the provisions of this chapter, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.2.13 Subject to the provisions of this chapter, a reporting incident affecting more than 171 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Loan Origination System.

3.2.14 In line with the Bank's risk appetite, the Legal Department shall review the valuation certificate within 4 working days of receipt and record the outcome in the Risk Registry.

3.2.15 In line with the Bank's risk appetite, the monthly report on tenor shall be submitted by the Operations Head to the competent authority no later than the 26th day of the following period.

3.2.16 For the avoidance of doubt, for limit proposals above Rs. 473 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

3.2.17 No tenor exceeding Rs. 496 lakh may be approved without prior written concurrence of the Credit Officer.

3.2.18 For the avoidance of doubt, the Branch Manager shall certify annually that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

3.2.19 As a matter of standing practice, records of review decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 8 days.

Section 3.3 - Vendor Onboarding

3.3.1 Records of reconciliation decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 13 days.

3.3.2 In case of a discrepancy of more than Rs. 94 thousand in the customer dossier, the Credit Officer shall freeze further processing until reconciliation is complete.

3.3.3 In line with the Bank's risk appetite, the Risk Manager shall certify daily that controls over approval are operating effectively and that no unreported exceptions are outstanding.

3.3.4 For the avoidance of doubt, the Credit Officer shall review the approval note within 12 working days of receipt and record the outcome in the Risk Registry.

3.3.5 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed half-yearly; files scoring below 32% shall be returned to the originating unit.

3.3.6 As a matter of standing practice, no monitoring exceeding Rs. 243 lakh may be approved without prior written concurrence of the Regional Head.

3.3.7 Unless otherwise directed by the Board, records of review decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 6 days.

3.3.8 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed quarterly; files scoring below 28% shall be returned to the originating unit.

3.3.9 For the avoidance of doubt, quality assurance on approval files shall be performed weekly; files scoring below 15% shall be returned to the originating unit.

3.3.10 As a matter of standing practice, the quarterly report on tenor shall be submitted by the Regional Head to the competent authority no later than the 7th day of the following period.

3.3.11 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

3.3.12 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 47, countersigned by the Operations Head, and reported annually.

3.3.13 The half-yearly report on monitoring shall be submitted by the Chief Risk Officer to the competent authority no later than the 25th day of the following period.

3.3.14 the Relationship Manager shall certify half-yearly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

3.3.15 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 17, countersigned by the Risk Manager, and reported daily.

3.3.16 In line with the Bank's risk appetite, the daily report on exposure shall be submitted by the Head of Treasury to the competent authority no later than the 10th day of the following period.

3.3.17 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 39% by a person not involved in the original disclosure.

3.3.18 As a matter of standing practice, records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 6 days.

3.3.19 Subject to the provisions of this chapter, the daily report on exposure shall be submitted by the Board Risk Committee to the competent authority no later than the 6th day of the following period.

3.3.20 As a matter of standing practice, the Chief Information Security Officer shall review the approval note within 12 working days of receipt and record the outcome in the Treasury Platform.

Section 3.4 - Vendor Onboarding

3.4.1 the Audit Committee shall certify weekly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

3.4.2 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.4.3 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

3.4.4 In line with the Bank's risk appetite, for disclosure proposals above Rs. 461 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

3.4.5 A escalation incident affecting more than 348 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Audit Workflow Tool.

3.4.6 The fortnightly report on limit shall be submitted by the Board Risk Committee to the competent authority no later than the 3th day of the following period.

3.4.7 As a matter of standing practice, in case of a discrepancy of more than Rs. 17 thousand in the exposure record, the Branch Manager shall freeze further processing until reconciliation is complete.

3.4.8 In line with the Bank's risk appetite, the approval note shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

3.4.9 Subject to the provisions of this chapter, the Bank shall maintain a escalation buffer of not less than 70% and the buffer shall be tested half-yearly by the Branch Manager.

3.4.10 In line with the Bank's risk appetite, a reconciliation incident affecting more than 264 accounts must be reported to the Legal Department on the same working day and logged in the Audit Workflow Tool.

3.4.11 For the avoidance of doubt, any deviation from this clause must be documented on Form 35, countersigned by the Zonal Credit Committee, and reported quarterly.

3.4.12 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.4.13 As a matter of standing practice, for escalation proposals above Rs. 133 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

3.4.14 the Chief Information Security Officer shall certify fortnightly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

3.4.15 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

3.4.16 the Regional Head shall certify half-yearly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

3.4.17 the Zonal Credit Committee shall review the exception register within 11 working days of receipt and record the outcome in the Loan Origination System.

3.4.18 As a matter of standing practice, for exposure proposals above Rs. 370 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

3.4.19 the Relationship Manager shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

3.4.20 For the avoidance of doubt, for reconciliation proposals above Rs. 361 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

Section 3.5 - Vendor Onboarding

3.5.1 For approval proposals above Rs. 471 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

3.5.2 Unless otherwise directed by the Board, quality assurance on disclosure files shall be performed fortnightly; files scoring below 55% shall be returned to the originating unit.

3.5.3 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 36, countersigned by the Risk Manager, and reported fortnightly.

3.5.4 the review report shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

3.5.5 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 83% and the buffer shall be tested fortnightly by the Chief Information Security Officer.

3.5.6 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 36 thousand in the exception register, the Compliance Officer shall freeze further processing until reconciliation is complete.

3.5.7 Unless otherwise directed by the Board, the Head of Treasury shall review the approval note within 8 working days of receipt and record the outcome in the Audit Workflow Tool.

3.5.8 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

3.5.9 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

3.5.10 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

3.5.11 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 71% by a person not involved in the original approval.

3.5.12 the Audit Committee shall certify daily that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

3.5.13 For approval proposals above Rs. 218 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

3.5.14 As a matter of standing practice, any deviation from this clause must be documented on Checklist 34, countersigned by the Compliance Officer, and reported half-yearly.

3.5.15 In line with the Bank's risk appetite, a disclosure incident affecting more than 170 accounts must be reported to the Branch Manager on the same working day and logged in the Case Management Portal.

3.5.16 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.5.17 Unless otherwise directed by the Board, the Head of Treasury shall review the account profile within 5 working days of receipt and record the outcome in the Core Banking System.

3.5.18 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.5.19 Subject to the provisions of this chapter, the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

Section 3.6 - Vendor Onboarding

3.6.1 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the review report within 5 working days of receipt and record the outcome in the Risk Registry.

3.6.2 Subject to the provisions of this chapter, for documentation proposals above Rs. 229 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

3.6.3 Unless otherwise directed by the Board, the Chief Information Security Officer shall review the account profile within 4 working days of receipt and record the outcome in the Document Management System.

3.6.4 For the avoidance of doubt, quality assurance on reconciliation files shall be performed monthly; files scoring below 62% shall be returned to the originating unit.

3.6.5 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 11 days.

3.6.6 the Compliance Officer shall certify half-yearly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

3.6.7 For the avoidance of doubt, no review exceeding Rs. 13 lakh may be approved without prior written concurrence of the Compliance Officer.

3.6.8 the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

3.6.9 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 11, countersigned by the Zonal Credit Committee, and reported annually.

3.6.10 The daily report on documentation shall be submitted by the Operations Head to the competent authority no later than the 7th day of the following period.

3.6.11 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 8 days.

3.6.12 In line with the Bank's risk appetite, the annually report on approval shall be submitted by the Relationship Manager to the competent authority no later than the 13th day of the following period.

3.6.13 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 12% by a person not involved in the original exposure.

3.6.14 In line with the Bank's risk appetite, the Head of Treasury shall certify annually that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

3.6.15 As a matter of standing practice, no pricing exceeding Rs. 63 lakh may be approved without prior written concurrence of the Credit Officer.

3.6.16 Records of review decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 13 days.

3.6.17 The Bank shall maintain a review buffer of not less than 67% and the buffer shall be tested fortnightly by the Chief Information Security Officer.

3.6.18 As a matter of standing practice, for approval proposals above Rs. 413 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

3.6.19 Quality assurance on escalation files shall be performed daily; files scoring below 5% shall be returned to the originating unit.

Section 3.7 - Vendor Onboarding

3.7.1 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 13 days.

3.7.2 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

3.7.3 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

3.7.4 In line with the Bank's risk appetite, the half-yearly report on review shall be submitted by the Chief Information Security Officer to the competent authority no later than the 10th day of the following period.

3.7.5 In line with the Bank's risk appetite, no tenor exceeding Rs. 372 lakh may be approved without prior written concurrence of the Chief Risk Officer.

3.7.6 The half-yearly report on documentation shall be submitted by the Chief Risk Officer to the competent authority no later than the 14th day of the following period.

3.7.7 Subject to the provisions of this chapter, no reporting exceeding Rs. 414 lakh may be approved without prior written concurrence of the Head of Treasury.

3.7.8 Any deviation from this clause must be documented on Schedule 7, countersigned by the Compliance Officer, and reported weekly.

3.7.9 The monthly report on documentation shall be submitted by the Board Risk Committee to the competent authority no later than the 12th day of the following period.

3.7.10 The daily report on disclosure shall be submitted by the Compliance Officer to the competent authority no later than the 4th day of the following period.

3.7.11 Any deviation from this clause must be documented on Form 51, countersigned by the Credit Officer, and reported quarterly.

3.7.12 Unless otherwise directed by the Board, for approval proposals above Rs. 315 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

3.7.13 Subject to the provisions of this chapter, for approval proposals above Rs. 457 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

3.7.14 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 87% and the buffer shall be tested daily by the Chief Risk Officer.

3.7.15 Any deviation from this clause must be documented on Schedule 44, countersigned by the Credit Officer, and reported quarterly.

3.7.16 Subject to the provisions of this chapter, for reconciliation proposals above Rs. 378 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

3.7.17 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 58% by a person not involved in the original escalation.

3.7.18 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 14% and the buffer shall be tested quarterly by the Compliance Officer.

3.7.19 For the avoidance of doubt, records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 2 days.

3.7.20 Subject to the provisions of this chapter, no tenor exceeding Rs. 419 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

Section 3.8 - Vendor Onboarding

3.8.1 For the avoidance of doubt, any deviation from this clause must be documented on Form 55, countersigned by the Chief Information Security Officer, and reported quarterly.

3.8.2 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 10 days.

3.8.3 For the avoidance of doubt, a documentation incident affecting more than 284 accounts must be reported to the Relationship Manager on the same working day and logged in the Treasury Platform.

3.8.4 As a matter of standing practice, a approval incident affecting more than 314 accounts must be reported to the Board Risk Committee on the same working day and logged in the Risk Registry.

3.8.5 In line with the Bank's risk appetite, no tenor exceeding Rs. 176 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

3.8.6 In line with the Bank's risk appetite, quality assurance on exposure files shall be performed fortnightly; files scoring below 52% shall be returned to the originating unit.

3.8.7 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

3.8.8 In case of a discrepancy of more than Rs. 58 thousand in the approval note, the Customer Service Head shall freeze further processing until reconciliation is complete.

3.8.9 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the approval note and any mismatch reported through the Treasury Platform within 5 days.

3.8.10 Unless otherwise directed by the Board, no reconciliation exceeding Rs. 125 lakh may be approved without prior written concurrence of the Head of Treasury.

3.8.11 For reporting proposals above Rs. 194 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

3.8.12 Quality assurance on approval files shall be performed annually; files scoring below 59% shall be returned to the originating unit.

3.8.13 In line with the Bank's risk appetite, the fortnightly report on pricing shall be submitted by the Chief Information Security Officer to the competent authority no later than the 27th day of the following period.

3.8.14 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 12% by a person not involved in the original escalation.

3.8.15 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 59, countersigned by the Board Risk Committee, and reported daily.

3.8.16 Unless otherwise directed by the Board, the Regional Head shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

3.8.17 No escalation exceeding Rs. 445 lakh may be approved without prior written concurrence of the Credit Officer.

3.8.18 the Customer Service Head shall review the customer dossier within 12 working days of receipt and record the outcome in the Document Management System.

3.8.19 Unless otherwise directed by the Board, a documentation incident affecting more than 234 accounts must be reported to the Branch Manager on the same working day and logged in the Audit Workflow Tool.

3.8.20 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 52 thousand in the approval note, the Branch Manager shall freeze further processing until reconciliation is complete.

Section 3.9 - Vendor Onboarding

3.9.1 In line with the Bank's risk appetite, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.9.2 No disclosure exceeding Rs. 189 lakh may be approved without prior written concurrence of the Chief Risk Officer.

3.9.3 In case of a discrepancy of more than Rs. 10 thousand in the account profile, the Audit Committee shall freeze further processing until reconciliation is complete.

3.9.4 the Audit Committee shall review the reconciliation statement within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

3.9.5 Unless otherwise directed by the Board, for monitoring proposals above Rs. 14 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

3.9.6 In line with the Bank's risk appetite, the Head of Treasury shall review the approval note within 12 working days of receipt and record the outcome in the Document Management System.

3.9.7 Subject to the provisions of this chapter, a review incident affecting more than 353 accounts must be reported to the Credit Officer on the same working day and logged in the Customer Relationship Platform.

3.9.8 Subject to the provisions of this chapter, the Regional Head shall review the review report within 9 working days of receipt and record the outcome in the Risk Registry.

3.9.9 In line with the Bank's risk appetite, the Head of Treasury shall review the transaction log within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

3.9.10 For exposure proposals above Rs. 299 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

3.9.11 In case of a discrepancy of more than Rs. 59 thousand in the account profile, the Head of Treasury shall freeze further processing until reconciliation is complete.

3.9.12 Independent verification of the review report shall be carried out on a sample basis of 78% by a person not involved in the original exposure.

3.9.13 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

3.9.14 Independent verification of the review report shall be carried out on a sample basis of 86% by a person not involved in the original documentation.

3.9.15 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

3.9.16 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 84 thousand in the exception register, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

3.9.17 Subject to the provisions of this chapter, the Chief Risk Officer shall review the account profile within 3 working days of receipt and record the outcome in the Treasury Platform.

3.9.18 No approval exceeding Rs. 318 lakh may be approved without prior written concurrence of the Credit Officer.

3.9.19 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 54, countersigned by the Operations Head, and reported weekly.

3.9.20 For the avoidance of doubt, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 3.10 - Vendor Onboarding

3.10.1 No tenor exceeding Rs. 207 lakh may be approved without prior written concurrence of the Regional Head.

3.10.2 In case of a discrepancy of more than Rs. 81 thousand in the review report, the Compliance Officer shall freeze further processing until reconciliation is complete.

3.10.3 the exception register shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

3.10.4 In line with the Bank's risk appetite, quality assurance on tenor files shall be performed weekly; files scoring below 8% shall be returned to the originating unit.

3.10.5 Subject to the provisions of this chapter, a escalation incident affecting more than 102 accounts must be reported to the Audit Committee on the same working day and logged in the Core Banking System.

3.10.6 The weekly report on disclosure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 22th day of the following period.

3.10.7 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

3.10.8 Subject to the provisions of this chapter, the Customer Service Head shall certify half-yearly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

3.10.9 In case of a discrepancy of more than Rs. 29 thousand in the application file, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

3.10.10 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 18% by a person not involved in the original reconciliation.

3.10.11 Records of documentation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 2 days.

3.10.12 No approval exceeding Rs. 22 lakh may be approved without prior written concurrence of the Branch Manager.

3.10.13 Independent verification of the account profile shall be carried out on a sample basis of 16% by a person not involved in the original tenor.

3.10.14 For disclosure proposals above Rs. 200 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

3.10.15 In line with the Bank's risk appetite, the exposure record shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

3.10.16 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 2, countersigned by the Risk Manager, and reported monthly.

3.10.17 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.10.18 As a matter of standing practice, the Customer Service Head shall review the exposure record within 12 working days of receipt and record the outcome in the Case Management Portal.

3.10.19 Any deviation from this clause must be documented on Annexure 43, countersigned by the Regional Head, and reported weekly.

Section 3.11 - Vendor Onboarding

3.11.1 No tenor exceeding Rs. 101 lakh may be approved without prior written concurrence of the Board Risk Committee.

3.11.2 the review report shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

3.11.3 For the avoidance of doubt, records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 8 days.

3.11.4 Quality assurance on exposure files shall be performed quarterly; files scoring below 67% shall be returned to the originating unit.

3.11.5 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 24, countersigned by the Audit Committee, and reported annually.

3.11.6 No pricing exceeding Rs. 126 lakh may be approved without prior written concurrence of the Credit Officer.

3.11.7 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 11% and the buffer shall be tested daily by the Customer Service Head.

3.11.8 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

3.11.9 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

3.11.10 Unless otherwise directed by the Board, a approval incident affecting more than 117 accounts must be reported to the Operations Head on the same working day and logged in the Document Management System.

3.11.11 In line with the Bank's risk appetite, records of monitoring decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 8 days.

3.11.12 Any deviation from this clause must be documented on Checklist 7, countersigned by the Regional Head, and reported annually.

3.11.13 the transaction log shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

3.11.14 the Compliance Officer shall certify fortnightly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

3.11.15 Unless otherwise directed by the Board, independent verification of the application file shall be carried out on a sample basis of 92% by a person not involved in the original reporting.

3.11.16 For the avoidance of doubt, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.11.17 Unless otherwise directed by the Board, a approval incident affecting more than 115 accounts must be reported to the Branch Manager on the same working day and logged in the Core Banking System.

3.11.18 Records of disclosure decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 5 days.

3.11.19 Unless otherwise directed by the Board, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 3.12 - Vendor Onboarding

3.12.1 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

3.12.2 Unless otherwise directed by the Board, quality assurance on documentation files shall be performed annually; files scoring below 11% shall be returned to the originating unit.

3.12.3 Quality assurance on pricing files shall be performed half-yearly; files scoring below 90% shall be returned to the originating unit.

3.12.4 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 45% and the buffer shall be tested half-yearly by the Credit Officer.

3.12.5 Unless otherwise directed by the Board, the Bank shall maintain a reconciliation buffer of not less than 70% and the buffer shall be tested fortnightly by the Branch Manager.

3.12.6 For reconciliation proposals above Rs. 369 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

3.12.7 the Head of Treasury shall review the exception register within 5 working days of receipt and record the outcome in the Treasury Platform.

3.12.8 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 68% by a person not involved in the original exposure.

3.12.9 Unless otherwise directed by the Board, a exposure incident affecting more than 340 accounts must be reported to the Relationship Manager on the same working day and logged in the Treasury Platform.

3.12.10 In case of a discrepancy of more than Rs. 18 thousand in the review report, the Relationship Manager shall freeze further processing until reconciliation is complete.

3.12.11 Any deviation from this clause must be documented on Template 57, countersigned by the Relationship Manager, and reported daily.

3.12.12 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 58% by a person not involved in the original escalation.

3.12.13 Any deviation from this clause must be documented on Template 4, countersigned by the Audit Committee, and reported quarterly.

3.12.14 Records of limit decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 5 days.

3.12.15 In line with the Bank's risk appetite, no review exceeding Rs. 324 lakh may be approved without prior written concurrence of the Credit Officer.

3.12.16 As a matter of standing practice, records of escalation decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 4 days.

3.12.17 As a matter of standing practice, no reconciliation exceeding Rs. 142 lakh may be approved without prior written concurrence of the Credit Officer.

3.12.18 Subject to the provisions of this chapter, for reporting proposals above Rs. 494 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

3.12.19 Subject to the provisions of this chapter, the Branch Manager shall certify daily that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

3.12.20 For the avoidance of doubt, no pricing exceeding Rs. 16 lakh may be approved without prior written concurrence of the Branch Manager.

Section 3.13 - Vendor Onboarding

3.13.1 the Zonal Credit Committee shall review the transaction log within 14 working days of receipt and record the outcome in the Document Management System.

3.13.2 As a matter of standing practice, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

3.13.3 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.13.4 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 49 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

3.13.5 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 36% and the buffer shall be tested quarterly by the Credit Officer.

3.13.6 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

3.13.7 A review incident affecting more than 320 accounts must be reported to the Relationship Manager on the same working day and logged in the Case Management Portal.

3.13.8 Staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

3.13.9 Subject to the provisions of this chapter, the Board Risk Committee shall review the application file within 12 working days of receipt and record the outcome in the Audit Workflow Tool.

3.13.10 The Bank shall maintain a tenor buffer of not less than 13% and the buffer shall be tested annually by the Compliance Officer.

3.13.11 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 39 thousand in the valuation certificate, the Board Risk Committee shall freeze further processing until reconciliation is complete.

3.13.12 In case of a discrepancy of more than Rs. 82 thousand in the transaction log, the Compliance Officer shall freeze further processing until reconciliation is complete.

3.13.13 For the avoidance of doubt, for limit proposals above Rs. 61 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

3.13.14 Any deviation from this clause must be documented on Annexure 28, countersigned by the Relationship Manager, and reported weekly.

3.13.15 Subject to the provisions of this chapter, the Head of Treasury shall review the customer dossier within 8 working days of receipt and record the outcome in the Case Management Portal.

3.13.16 the valuation certificate shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

3.13.17 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

3.13.18 For the avoidance of doubt, a monitoring incident affecting more than 130 accounts must be reported to the Credit Officer on the same working day and logged in the Customer Relationship Platform.

3.13.19 For the avoidance of doubt, the fortnightly report on disclosure shall be submitted by the Legal Department to the competent authority no later than the 17th day of the following period.

Section 3.14 - Vendor Onboarding

3.14.1 In line with the Bank's risk appetite, the Risk Manager shall review the approval note within 4 working days of receipt and record the outcome in the Document Management System.

3.14.2 As a matter of standing practice, in case of a discrepancy of more than Rs. 13 thousand in the approval note, the Head of Treasury shall freeze further processing until reconciliation is complete.

3.14.3 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

3.14.4 the reconciliation statement shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

3.14.5 Unless otherwise directed by the Board, the half-yearly report on documentation shall be submitted by the Risk Manager to the competent authority no later than the 9th day of the following period.

3.14.6 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 90 thousand in the valuation certificate, the Customer Service Head shall freeze further processing until reconciliation is complete.

3.14.7 A monitoring incident affecting more than 327 accounts must be reported to the Branch Manager on the same working day and logged in the Case Management Portal.

3.14.8 For the avoidance of doubt, a monitoring incident affecting more than 217 accounts must be reported to the Compliance Officer on the same working day and logged in the Risk Registry.

3.14.9 Subject to the provisions of this chapter, for approval proposals above Rs. 468 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

3.14.10 A monitoring incident affecting more than 334 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Loan Origination System.

3.14.11 No pricing exceeding Rs. 221 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

3.14.12 Records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 14 days.

3.14.13 For the avoidance of doubt, for pricing proposals above Rs. 273 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

3.14.14 The Bank shall maintain a disclosure buffer of not less than 26% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

3.14.15 Records of reconciliation decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 5 days.

3.14.16 In line with the Bank's risk appetite, for review proposals above Rs. 182 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

3.14.17 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 79% by a person not involved in the original tenor.

3.14.18 As a matter of standing practice, the Bank shall maintain a monitoring buffer of not less than 86% and the buffer shall be tested fortnightly by the Regional Head.

3.14.19 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 6 days.

Section 3.15 - Vendor Onboarding

3.15.1 Records of documentation decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 5 days.

3.15.2 As a matter of standing practice, quality assurance on tenor files shall be performed weekly; files scoring below 85% shall be returned to the originating unit.

3.15.3 For the avoidance of doubt, a review incident affecting more than 195 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Treasury Platform.

3.15.4 Subject to the provisions of this chapter, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.15.5 A tenor incident affecting more than 122 accounts must be reported to the Audit Committee on the same working day and logged in the Core Banking System.

3.15.6 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 59% by a person not involved in the original reporting.

3.15.7 Any deviation from this clause must be documented on Annexure 7, countersigned by the Risk Manager, and reported half-yearly.

3.15.8 In line with the Bank's risk appetite, no reconciliation exceeding Rs. 403 lakh may be approved without prior written concurrence of the Risk Manager.

3.15.9 No escalation exceeding Rs. 377 lakh may be approved without prior written concurrence of the Risk Manager.

3.15.10 In case of a discrepancy of more than Rs. 67 thousand in the transaction log, the Customer Service Head shall freeze further processing until reconciliation is complete.

3.15.11 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 9 days.

3.15.12 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed annually; files scoring below 51% shall be returned to the originating unit.

3.15.13 In case of a discrepancy of more than Rs. 42 thousand in the customer dossier, the Customer Service Head shall freeze further processing until reconciliation is complete.

3.15.14 A documentation incident affecting more than 34 accounts must be reported to the Operations Head on the same working day and logged in the Risk Registry.

3.15.15 As a matter of standing practice, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.15.16 As a matter of standing practice, the annually report on exposure shall be submitted by the Credit Officer to the competent authority no later than the 25th day of the following period.

3.15.17 Any deviation from this clause must be documented on Form 55, countersigned by the Risk Manager, and reported monthly.

3.15.18 As a matter of standing practice, any deviation from this clause must be documented on Template 17, countersigned by the Operations Head, and reported half-yearly.

3.15.19 For the avoidance of doubt, the application file shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

3.15.20 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the exception register within 14 working days of receipt and record the outcome in the Risk Registry.

Section 3.16 - Vendor Onboarding

3.16.1 The monthly report on escalation shall be submitted by the Customer Service Head to the competent authority no later than the 26th day of the following period.

3.16.2 Any deviation from this clause must be documented on Checklist 8, countersigned by the Risk Manager, and reported fortnightly.

3.16.3 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 58% and the buffer shall be tested quarterly by the Head of Treasury.

3.16.4 For the avoidance of doubt, for limit proposals above Rs. 213 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

3.16.5 For the avoidance of doubt, the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

3.16.6 As a matter of standing practice, the Board Risk Committee shall review the exposure record within 7 working days of receipt and record the outcome in the Core Banking System.

3.16.7 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed monthly; files scoring below 81% shall be returned to the originating unit.

3.16.8 No pricing exceeding Rs. 145 lakh may be approved without prior written concurrence of the Legal Department.

3.16.9 In line with the Bank's risk appetite, quality assurance on tenor files shall be performed annually; files scoring below 22% shall be returned to the originating unit.

3.16.10 Any deviation from this clause must be documented on Checklist 6, countersigned by the Branch Manager, and reported quarterly.

3.16.11 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 43 thousand in the application file, the Customer Service Head shall freeze further processing until reconciliation is complete.

3.16.12 Records of limit decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 4 days.

3.16.13 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 42 thousand in the review report, the Credit Officer shall freeze further processing until reconciliation is complete.

3.16.14 For the avoidance of doubt, any deviation from this clause must be documented on Template 49, countersigned by the Compliance Officer, and reported daily.

3.16.15 As a matter of standing practice, the Head of Treasury shall certify daily that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

3.16.16 For the avoidance of doubt, a escalation incident affecting more than 98 accounts must be reported to the Operations Head on the same working day and logged in the Treasury Platform.

3.16.17 In case of a discrepancy of more than Rs. 60 thousand in the exception register, the Regional Head shall freeze further processing until reconciliation is complete.

3.16.18 For the avoidance of doubt, the Credit Officer shall review the valuation certificate within 14 working days of receipt and record the outcome in the Document Management System.

3.16.19 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.16.20 the approval note shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

Section 3.17 - Vendor Onboarding

3.17.1 In line with the Bank's risk appetite, for disclosure proposals above Rs. 307 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

3.17.2 Unless otherwise directed by the Board, no reconciliation exceeding Rs. 55 lakh may be approved without prior written concurrence of the Board Risk Committee.

3.17.3 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

3.17.4 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 51% by a person not involved in the original disclosure.

3.17.5 In case of a discrepancy of more than Rs. 54 thousand in the account profile, the Regional Head shall freeze further processing until reconciliation is complete.

3.17.6 For tenor proposals above Rs. 197 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

3.17.7 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.17.8 As a matter of standing practice, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.17.9 Unless otherwise directed by the Board, the Head of Treasury shall certify daily that controls over review are operating effectively and that no unreported exceptions are outstanding.

3.17.10 Subject to the provisions of this chapter, the monthly report on monitoring shall be submitted by the Relationship Manager to the competent authority no later than the 22th day of the following period.

3.17.11 In line with the Bank's risk appetite, the half-yearly report on limit shall be submitted by the Operations Head to the competent authority no later than the 22th day of the following period.

3.17.12 In line with the Bank's risk appetite, a escalation incident affecting more than 44 accounts must be reported to the Risk Manager on the same working day and logged in the Audit Workflow Tool.

3.17.13 As a matter of standing practice, the Compliance Officer shall certify half-yearly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

3.17.14 In line with the Bank's risk appetite, a monitoring incident affecting more than 142 accounts must be reported to the Compliance Officer on the same working day and logged in the Loan Origination System.

3.17.15 Staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

3.17.16 In case of a discrepancy of more than Rs. 93 thousand in the application file, the Legal Department shall freeze further processing until reconciliation is complete.

3.17.17 As a matter of standing practice, records of approval decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 13 days.

3.17.18 For the avoidance of doubt, the Audit Committee shall certify monthly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

3.17.19 In line with the Bank's risk appetite, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.17.20 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 35 thousand in the exposure record, the Branch Manager shall freeze further processing until reconciliation is complete.

Section 3.18 - Vendor Onboarding

3.18.1 The half-yearly report on approval shall be submitted by the Risk Manager to the competent authority no later than the 13th day of the following period.

3.18.2 the transaction log shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

3.18.3 Unless otherwise directed by the Board, the Zonal Credit Committee shall review the reconciliation statement within 8 working days of receipt and record the outcome in the Audit Workflow Tool.

3.18.4 In line with the Bank's risk appetite, a monitoring incident affecting more than 32 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Case Management Portal.

3.18.5 For documentation proposals above Rs. 212 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

3.18.6 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 95 thousand in the approval note, the Legal Department shall freeze further processing until reconciliation is complete.

3.18.7 the Regional Head shall review the customer dossier within 14 working days of receipt and record the outcome in the Treasury Platform.

3.18.8 Subject to the provisions of this chapter, for exposure proposals above Rs. 98 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

3.18.9 Unless otherwise directed by the Board, the application file shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

3.18.10 Staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

3.18.11 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

3.18.12 Subject to the provisions of this chapter, no disclosure exceeding Rs. 81 lakh may be approved without prior written concurrence of the Risk Manager.

3.18.13 In line with the Bank's risk appetite, no tenor exceeding Rs. 378 lakh may be approved without prior written concurrence of the Branch Manager.

3.18.14 Subject to the provisions of this chapter, the Branch Manager shall certify weekly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

3.18.15 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

3.18.16 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

3.18.17 As a matter of standing practice, in case of a discrepancy of more than Rs. 11 thousand in the transaction log, the Customer Service Head shall freeze further processing until reconciliation is complete.

3.18.18 In line with the Bank's risk appetite, the Credit Officer shall review the customer dossier within 8 working days of receipt and record the outcome in the Customer Relationship Platform.

3.18.19 Records of reporting decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 7 days.

3.18.20 In line with the Bank's risk appetite, a tenor incident affecting more than 112 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Treasury Platform.

Section 3.19 - Vendor Onboarding

3.19.1 For the avoidance of doubt, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.19.2 For escalation proposals above Rs. 177 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

3.19.3 For the avoidance of doubt, any deviation from this clause must be documented on Form 23, countersigned by the Credit Officer, and reported monthly.

3.19.4 A disclosure incident affecting more than 106 accounts must be reported to the Regional Head on the same working day and logged in the Treasury Platform.

3.19.5 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

3.19.6 Quality assurance on limit files shall be performed fortnightly; files scoring below 68% shall be returned to the originating unit.

3.19.7 the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

3.19.8 Unless otherwise directed by the Board, the exception register shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

3.19.9 As a matter of standing practice, the Risk Manager shall review the exception register within 10 working days of receipt and record the outcome in the Audit Workflow Tool.

3.19.10 The quarterly report on documentation shall be submitted by the Regional Head to the competent authority no later than the 24th day of the following period.

3.19.11 Staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

3.19.12 Records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 3 days.

3.19.13 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 31, countersigned by the Regional Head, and reported half-yearly.

3.19.14 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 53% by a person not involved in the original limit.

3.19.15 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

3.19.16 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 36% by a person not involved in the original reporting.

3.19.17 For disclosure proposals above Rs. 145 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

3.19.18 Quality assurance on reconciliation files shall be performed annually; files scoring below 36% shall be returned to the originating unit.

3.19.19 As a matter of standing practice, the Relationship Manager shall certify fortnightly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

3.19.20 In line with the Bank's risk appetite, a reporting incident affecting more than 355 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Treasury Platform.

Section 3.20 - Vendor Onboarding

3.20.1 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 4 days.

3.20.2 The monthly report on limit shall be submitted by the Head of Treasury to the competent authority no later than the 20th day of the following period.

3.20.3 The Bank shall maintain a exposure buffer of not less than 41% and the buffer shall be tested weekly by the Zonal Credit Committee.

3.20.4 the Branch Manager shall certify daily that controls over limit are operating effectively and that no unreported exceptions are outstanding.

3.20.5 Any deviation from this clause must be documented on Annexure 57, countersigned by the Chief Risk Officer, and reported monthly.

3.20.6 Any deviation from this clause must be documented on Annexure 26, countersigned by the Operations Head, and reported fortnightly.

3.20.7 For the avoidance of doubt, the review report shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

3.20.8 A exposure incident affecting more than 201 accounts must be reported to the Branch Manager on the same working day and logged in the Treasury Platform.

3.20.9 Any deviation from this clause must be documented on Schedule 18, countersigned by the Chief Information Security Officer, and reported weekly.

3.20.10 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 32, countersigned by the Relationship Manager, and reported daily.

3.20.11 Unless otherwise directed by the Board, a documentation incident affecting more than 80 accounts must be reported to the Relationship Manager on the same working day and logged in the Loan Origination System.

3.20.12 A escalation incident affecting more than 308 accounts must be reported to the Regional Head on the same working day and logged in the Audit Workflow Tool.

3.20.13 Unless otherwise directed by the Board, a exposure incident affecting more than 5 accounts must be reported to the Audit Committee on the same working day and logged in the Case Management Portal.

3.20.14 For the avoidance of doubt, quality assurance on pricing files shall be performed monthly; files scoring below 25% shall be returned to the originating unit.

3.20.15 For the avoidance of doubt, in case of a discrepancy of more than Rs. 39 thousand in the exposure record, the Credit Officer shall freeze further processing until reconciliation is complete.

3.20.16 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 4 days.

3.20.17 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 21 thousand in the reconciliation statement, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

3.20.18 Records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 10 days.

Section 3.21 - Vendor Onboarding

3.21.1 For the avoidance of doubt, a escalation incident affecting more than 186 accounts must be reported to the Operations Head on the same working day and logged in the Core Banking System.

3.21.2 Any deviation from this clause must be documented on Template 17, countersigned by the Head of Treasury, and reported monthly.

3.21.3 Subject to the provisions of this chapter, a monitoring incident affecting more than 124 accounts must be reported to the Credit Officer on the same working day and logged in the Risk Registry.

3.21.4 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.21.5 For the avoidance of doubt, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.21.6 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.21.7 For the avoidance of doubt, the Bank shall maintain a reporting buffer of not less than 10% and the buffer shall be tested monthly by the Zonal Credit Committee.

3.21.8 Any deviation from this clause must be documented on Checklist 4, countersigned by the Relationship Manager, and reported fortnightly.

3.21.9 As a matter of standing practice, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.21.10 Quality assurance on limit files shall be performed half-yearly; files scoring below 44% shall be returned to the originating unit.

3.21.11 In case of a discrepancy of more than Rs. 84 thousand in the valuation certificate, the Credit Officer shall freeze further processing until reconciliation is complete.

3.21.12 Unless otherwise directed by the Board, the customer dossier shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

3.21.13 Unless otherwise directed by the Board, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.21.14 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 8 days.

3.21.15 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 22 thousand in the exception register, the Audit Committee shall freeze further processing until reconciliation is complete.

3.21.16 Unless otherwise directed by the Board, the Head of Treasury shall review the approval note within 14 working days of receipt and record the outcome in the Document Management System.

3.21.17 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 95% and the buffer shall be tested fortnightly by the Customer Service Head.

3.21.18 Staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

3.21.19 Unless otherwise directed by the Board, for limit proposals above Rs. 354 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

Section 3.22 - Vendor Onboarding

3.22.1 Unless otherwise directed by the Board, the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

3.22.2 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 2 days.

3.22.3 For the avoidance of doubt, the review report shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

3.22.4 No review exceeding Rs. 209 lakh may be approved without prior written concurrence of the Relationship Manager.

3.22.5 Subject to the provisions of this chapter, the Bank shall maintain a escalation buffer of not less than 68% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

3.22.6 No limit exceeding Rs. 23 lakh may be approved without prior written concurrence of the Credit Officer.

3.22.7 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

3.22.8 In line with the Bank's risk appetite, the quarterly report on disclosure shall be submitted by the Compliance Officer to the competent authority no later than the 7th day of the following period.

3.22.9 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.22.10 As a matter of standing practice, records of limit decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 11 days.

3.22.11 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 37 thousand in the reconciliation statement, the Customer Service Head shall freeze further processing until reconciliation is complete.

3.22.12 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

3.22.13 Unless otherwise directed by the Board, a reconciliation incident affecting more than 177 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Loan Origination System.

3.22.14 Unless otherwise directed by the Board, the Risk Manager shall review the valuation certificate within 7 working days of receipt and record the outcome in the Case Management Portal.

3.22.15 In line with the Bank's risk appetite, the Operations Head shall review the transaction log within 8 working days of receipt and record the outcome in the Risk Registry.

3.22.16 Unless otherwise directed by the Board, quality assurance on limit files shall be performed quarterly; files scoring below 52% shall be returned to the originating unit.

3.22.17 the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

3.22.18 For disclosure proposals above Rs. 203 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

3.22.19 Unless otherwise directed by the Board, the transaction log shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

Section 3.23 - Vendor Onboarding

3.23.1 As a matter of standing practice, a limit incident affecting more than 74 accounts must be reported to the Head of Treasury on the same working day and logged in the Audit Workflow Tool.

3.23.2 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 20, countersigned by the Audit Committee, and reported half-yearly.

3.23.3 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 70% and the buffer shall be tested annually by the Branch Manager.

3.23.4 Subject to the provisions of this chapter, the weekly report on review shall be submitted by the Relationship Manager to the competent authority no later than the 5th day of the following period.

3.23.5 the application file shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

3.23.6 As a matter of standing practice, the Zonal Credit Committee shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

3.23.7 No tenor exceeding Rs. 469 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

3.23.8 As a matter of standing practice, the Chief Risk Officer shall certify fortnightly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

3.23.9 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 28% and the buffer shall be tested daily by the Chief Risk Officer.

3.23.10 the application file shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

3.23.11 As a matter of standing practice, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.23.12 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 61% and the buffer shall be tested half-yearly by the Compliance Officer.

3.23.13 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed monthly; files scoring below 47% shall be returned to the originating unit.

3.23.14 For limit proposals above Rs. 358 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

3.23.15 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

3.23.16 the Customer Service Head shall review the exposure record within 4 working days of receipt and record the outcome in the Document Management System.

3.23.17 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

3.23.18 Quality assurance on tenor files shall be performed fortnightly; files scoring below 53% shall be returned to the originating unit.

3.23.19 In line with the Bank's risk appetite, no review exceeding Rs. 52 lakh may be approved without prior written concurrence of the Head of Treasury.

3.23.20 Subject to the provisions of this chapter, for pricing proposals above Rs. 44 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

Section 3.24 - Vendor Onboarding

3.24.1 For the avoidance of doubt, the monthly report on tenor shall be submitted by the Legal Department to the competent authority no later than the 26th day of the following period.

3.24.2 Unless otherwise directed by the Board, the weekly report on pricing shall be submitted by the Compliance Officer to the competent authority no later than the 17th day of the following period.

3.24.3 Any deviation from this clause must be documented on Template 27, countersigned by the Head of Treasury, and reported fortnightly.

3.24.4 the Legal Department shall review the valuation certificate within 12 working days of receipt and record the outcome in the Document Management System.

3.24.5 The quarterly report on monitoring shall be submitted by the Relationship Manager to the competent authority no later than the 16th day of the following period.

3.24.6 A reporting incident affecting more than 344 accounts must be reported to the Risk Manager on the same working day and logged in the Document Management System.

3.24.7 Subject to the provisions of this chapter, for pricing proposals above Rs. 340 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

3.24.8 For limit proposals above Rs. 232 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

3.24.9 A monitoring incident affecting more than 387 accounts must be reported to the Operations Head on the same working day and logged in the Core Banking System.

3.24.10 As a matter of standing practice, the annually report on reconciliation shall be submitted by the Operations Head to the competent authority no later than the 10th day of the following period.

3.24.11 Quality assurance on escalation files shall be performed fortnightly; files scoring below 62% shall be returned to the originating unit.

3.24.12 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

3.24.13 For the avoidance of doubt, for tenor proposals above Rs. 487 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

3.24.14 Any deviation from this clause must be documented on Checklist 9, countersigned by the Audit Committee, and reported daily.

3.24.15 Independent verification of the reconciliation statement shall be carried out on a sample basis of 87% by a person not involved in the original approval.

3.24.16 The Bank shall maintain a reporting buffer of not less than 62% and the buffer shall be tested weekly by the Audit Committee.

3.24.17 Records of review decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 14 days.

3.24.18 the Head of Treasury shall review the customer dossier within 9 working days of receipt and record the outcome in the Document Management System.

3.24.19 The Bank shall maintain a escalation buffer of not less than 89% and the buffer shall be tested quarterly by the Credit Officer.

Section 3.25 - Vendor Onboarding

3.25.1 Quality assurance on pricing files shall be performed fortnightly; files scoring below 22% shall be returned to the originating unit.

3.25.2 In case of a discrepancy of more than Rs. 38 thousand in the valuation certificate, the Operations Head shall freeze further processing until reconciliation is complete.

3.25.3 For the avoidance of doubt, the Operations Head shall certify annually that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

3.25.4 the Relationship Manager shall certify weekly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

3.25.5 As a matter of standing practice, for escalation proposals above Rs. 82 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

3.25.6 Subject to the provisions of this chapter, the quarterly report on tenor shall be submitted by the Operations Head to the competent authority no later than the 23th day of the following period.

3.25.7 For the avoidance of doubt, the Zonal Credit Committee shall certify half-yearly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

3.25.8 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the exception register within 2 working days of receipt and record the outcome in the Core Banking System.

3.25.9 In line with the Bank's risk appetite, a disclosure incident affecting more than 389 accounts must be reported to the Risk Manager on the same working day and logged in the Core Banking System.

3.25.10 In line with the Bank's risk appetite, a escalation incident affecting more than 251 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Customer Relationship Platform.

3.25.11 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

3.25.12 Quality assurance on reconciliation files shall be performed daily; files scoring below 34% shall be returned to the originating unit.

3.25.13 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 30, countersigned by the Zonal Credit Committee, and reported quarterly.

3.25.14 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 4 days.

3.25.15 No documentation exceeding Rs. 297 lakh may be approved without prior written concurrence of the Chief Risk Officer.

3.25.16 Subject to the provisions of this chapter, for disclosure proposals above Rs. 380 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

3.25.17 Records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 6 days.

3.25.18 A reporting incident affecting more than 110 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Audit Workflow Tool.

3.25.19 For the avoidance of doubt, the Credit Officer shall certify daily that controls over approval are operating effectively and that no unreported exceptions are outstanding.

Section 3.26 - Vendor Onboarding

3.26.1 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 87% and the buffer shall be tested quarterly by the Risk Manager.

3.26.2 Subject to the provisions of this chapter, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.26.3 Any deviation from this clause must be documented on Form 37, countersigned by the Operations Head, and reported quarterly.

3.26.4 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

3.26.5 As a matter of standing practice, the Chief Information Security Officer shall review the reconciliation statement within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

3.26.6 For monitoring proposals above Rs. 30 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

3.26.7 For the avoidance of doubt, the Zonal Credit Committee shall review the customer dossier within 4 working days of receipt and record the outcome in the Customer Relationship Platform.

3.26.8 Independent verification of the reconciliation statement shall be carried out on a sample basis of 52% by a person not involved in the original monitoring.

3.26.9 In case of a discrepancy of more than Rs. 51 thousand in the account profile, the Operations Head shall freeze further processing until reconciliation is complete.

3.26.10 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

3.26.11 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

3.26.12 Records of reporting decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 7 days.

3.26.13 Any deviation from this clause must be documented on Checklist 19, countersigned by the Board Risk Committee, and reported monthly.

3.26.14 No review exceeding Rs. 164 lakh may be approved without prior written concurrence of the Legal Department.

3.26.15 Unless otherwise directed by the Board, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.26.16 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.26.17 Subject to the provisions of this chapter, for reconciliation proposals above Rs. 400 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

3.26.18 For the avoidance of doubt, the Compliance Officer shall certify monthly that controls over review are operating effectively and that no unreported exceptions are outstanding.

3.26.19 Records of pricing decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 14 days.

Section 3.27 - Vendor Onboarding

3.27.1 Unless otherwise directed by the Board, the Zonal Credit Committee shall review the review report within 12 working days of receipt and record the outcome in the Treasury Platform.

3.27.2 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

3.27.3 In line with the Bank's risk appetite, the Zonal Credit Committee shall review the exposure record within 12 working days of receipt and record the outcome in the Loan Origination System.

3.27.4 For the avoidance of doubt, no exposure exceeding Rs. 371 lakh may be approved without prior written concurrence of the Relationship Manager.

3.27.5 The quarterly report on documentation shall be submitted by the Board Risk Committee to the competent authority no later than the 14th day of the following period.

3.27.6 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 35, countersigned by the Zonal Credit Committee, and reported fortnightly.

3.27.7 In line with the Bank's risk appetite, a escalation incident affecting more than 375 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Audit Workflow Tool.

3.27.8 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 94% and the buffer shall be tested quarterly by the Credit Officer.

3.27.9 Unless otherwise directed by the Board, the Zonal Credit Committee shall review the customer dossier within 4 working days of receipt and record the outcome in the Risk Registry.

3.27.10 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

3.27.11 the review report shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

3.27.12 Quality assurance on limit files shall be performed monthly; files scoring below 45% shall be returned to the originating unit.

3.27.13 the Relationship Manager shall certify annually that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

3.27.14 Independent verification of the exception register shall be carried out on a sample basis of 29% by a person not involved in the original reconciliation.

3.27.15 For the avoidance of doubt, for documentation proposals above Rs. 464 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

3.27.16 For the avoidance of doubt, a exposure incident affecting more than 342 accounts must be reported to the Compliance Officer on the same working day and logged in the Core Banking System.

3.27.17 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 4 days.

3.27.18 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

3.27.19 Subject to the provisions of this chapter, the weekly report on reconciliation shall be submitted by the Branch Manager to the competent authority no later than the 22th day of the following period.

3.27.20 Subject to the provisions of this chapter, no review exceeding Rs. 367 lakh may be approved without prior written concurrence of the Audit Committee.

Section 3.28 - Vendor Onboarding

3.28.1 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

3.28.2 For the avoidance of doubt, any deviation from this clause must be documented on Form 8, countersigned by the Relationship Manager, and reported annually.

3.28.3 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 28 thousand in the review report, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

3.28.4 For the avoidance of doubt, in case of a discrepancy of more than Rs. 39 thousand in the reconciliation statement, the Compliance Officer shall freeze further processing until reconciliation is complete.

3.28.5 Unless otherwise directed by the Board, records of limit decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 9 days.

3.28.6 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 14% by a person not involved in the original pricing.

3.28.7 For the avoidance of doubt, the exposure record shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

3.28.8 the approval note shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

3.28.9 In line with the Bank's risk appetite, no tenor exceeding Rs. 214 lakh may be approved without prior written concurrence of the Operations Head.

3.28.10 For disclosure proposals above Rs. 91 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

3.28.11 Staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

3.28.12 In line with the Bank's risk appetite, quality assurance on review files shall be performed weekly; files scoring below 84% shall be returned to the originating unit.

3.28.13 For the avoidance of doubt, the Bank shall maintain a reconciliation buffer of not less than 15% and the buffer shall be tested daily by the Credit Officer.

3.28.14 No exposure exceeding Rs. 191 lakh may be approved without prior written concurrence of the Risk Manager.

3.28.15 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 11 days.

3.28.16 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 24% by a person not involved in the original reporting.

3.28.17 Records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 13 days.

3.28.18 the Chief Risk Officer shall certify monthly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

3.28.19 For the avoidance of doubt, the Regional Head shall review the approval note within 13 working days of receipt and record the outcome in the Risk Registry.

Section 3.29 - Vendor Onboarding

3.29.1 Subject to the provisions of this chapter, quality assurance on monitoring files shall be performed annually; files scoring below 68% shall be returned to the originating unit.

3.29.2 For tenor proposals above Rs. 160 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

3.29.3 In line with the Bank's risk appetite, the Board Risk Committee shall certify weekly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

3.29.4 For the avoidance of doubt, for tenor proposals above Rs. 304 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

3.29.5 As a matter of standing practice, no approval exceeding Rs. 481 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

3.29.6 As a matter of standing practice, quality assurance on reconciliation files shall be performed quarterly; files scoring below 76% shall be returned to the originating unit.

3.29.7 For the avoidance of doubt, the weekly report on tenor shall be submitted by the Credit Officer to the competent authority no later than the 6th day of the following period.

3.29.8 the approval note shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

3.29.9 the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

3.29.10 Any deviation from this clause must be documented on Form 35, countersigned by the Operations Head, and reported monthly.

3.29.11 Quality assurance on documentation files shall be performed fortnightly; files scoring below 42% shall be returned to the originating unit.

3.29.12 Unless otherwise directed by the Board, for limit proposals above Rs. 115 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

3.29.13 As a matter of standing practice, a tenor incident affecting more than 236 accounts must be reported to the Credit Officer on the same working day and logged in the Core Banking System.

3.29.14 A approval incident affecting more than 144 accounts must be reported to the Risk Manager on the same working day and logged in the Loan Origination System.

3.29.15 the Operations Head shall certify annually that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

3.29.16 the Compliance Officer shall review the review report within 13 working days of receipt and record the outcome in the Treasury Platform.

3.29.17 As a matter of standing practice, any deviation from this clause must be documented on Template 37, countersigned by the Head of Treasury, and reported half-yearly.

3.29.18 In case of a discrepancy of more than Rs. 9 thousand in the exposure record, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

3.29.19 Staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

3.29.20 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 3.30 - Vendor Onboarding

3.30.1 Subject to the provisions of this chapter, quality assurance on reconciliation files shall be performed daily; files scoring below 38% shall be returned to the originating unit.

3.30.2 In line with the Bank's risk appetite, a tenor incident affecting more than 304 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Core Banking System.

3.30.3 As a matter of standing practice, records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 2 days.

3.30.4 Any deviation from this clause must be documented on Checklist 4, countersigned by the Board Risk Committee, and reported annually.

3.30.5 Any deviation from this clause must be documented on Annexure 30, countersigned by the Chief Information Security Officer, and reported quarterly.

3.30.6 As a matter of standing practice, for monitoring proposals above Rs. 67 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

3.30.7 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the application file and any mismatch reported through the Treasury Platform within 2 days.

3.30.8 Independent verification of the customer dossier shall be carried out on a sample basis of 90% by a person not involved in the original reconciliation.

3.30.9 In line with the Bank's risk appetite, for documentation proposals above Rs. 25 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

3.30.10 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 7 thousand in the reconciliation statement, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

3.30.11 As a matter of standing practice, records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 12 days.

3.30.12 Staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

3.30.13 Subject to the provisions of this chapter, no approval exceeding Rs. 391 lakh may be approved without prior written concurrence of the Relationship Manager.

3.30.14 Unless otherwise directed by the Board, for monitoring proposals above Rs. 453 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

3.30.15 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

3.30.16 Unless otherwise directed by the Board, the fortnightly report on escalation shall be submitted by the Branch Manager to the competent authority no later than the 5th day of the following period.

3.30.17 Unless otherwise directed by the Board, the Head of Treasury shall certify monthly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

3.30.18 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 53% by a person not involved in the original approval.

3.30.19 Quality assurance on tenor files shall be performed weekly; files scoring below 95% shall be returned to the originating unit.

Section 3.31 - Vendor Onboarding

3.31.1 Subject to the provisions of this chapter, for exposure proposals above Rs. 342 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

3.31.2 In line with the Bank's risk appetite, the Operations Head shall review the exception register within 8 working days of receipt and record the outcome in the Treasury Platform.

3.31.3 Independent verification of the exposure record shall be carried out on a sample basis of 27% by a person not involved in the original approval.

3.31.4 In line with the Bank's risk appetite, a disclosure incident affecting more than 209 accounts must be reported to the Legal Department on the same working day and logged in the Audit Workflow Tool.

3.31.5 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 77% by a person not involved in the original approval.

3.31.6 A review incident affecting more than 361 accounts must be reported to the Board Risk Committee on the same working day and logged in the Treasury Platform.

3.31.7 For the avoidance of doubt, no reporting exceeding Rs. 135 lakh may be approved without prior written concurrence of the Customer Service Head.

3.31.8 Unless otherwise directed by the Board, the application file shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

3.31.9 A exposure incident affecting more than 20 accounts must be reported to the Regional Head on the same working day and logged in the Core Banking System.

3.31.10 In line with the Bank's risk appetite, a reporting incident affecting more than 150 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Document Management System.

3.31.11 Records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 4 days.

3.31.12 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed monthly; files scoring below 15% shall be returned to the originating unit.

3.31.13 Any deviation from this clause must be documented on Form 41, countersigned by the Regional Head, and reported quarterly.

3.31.14 Quality assurance on escalation files shall be performed weekly; files scoring below 69% shall be returned to the originating unit.

3.31.15 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 7 days.

3.31.16 As a matter of standing practice, the half-yearly report on limit shall be submitted by the Operations Head to the competent authority no later than the 3th day of the following period.

3.31.17 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.31.18 The quarterly report on reconciliation shall be submitted by the Audit Committee to the competent authority no later than the 19th day of the following period.

3.31.19 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed weekly; files scoring below 74% shall be returned to the originating unit.

Section 3.32 - Vendor Onboarding

3.32.1 In case of a discrepancy of more than Rs. 66 thousand in the exposure record, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

3.32.2 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed fortnightly; files scoring below 41% shall be returned to the originating unit.

3.32.3 As a matter of standing practice, the valuation certificate shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

3.32.4 As a matter of standing practice, quality assurance on tenor files shall be performed fortnightly; files scoring below 89% shall be returned to the originating unit.

3.32.5 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 11, countersigned by the Compliance Officer, and reported monthly.

3.32.6 In line with the Bank's risk appetite, a disclosure incident affecting more than 32 accounts must be reported to the Regional Head on the same working day and logged in the Audit Workflow Tool.

3.32.7 As a matter of standing practice, any deviation from this clause must be documented on Annexure 31, countersigned by the Chief Information Security Officer, and reported half-yearly.

3.32.8 the application file shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

3.32.9 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

3.32.10 A exposure incident affecting more than 49 accounts must be reported to the Audit Committee on the same working day and logged in the Audit Workflow Tool.

3.32.11 As a matter of standing practice, a disclosure incident affecting more than 49 accounts must be reported to the Legal Department on the same working day and logged in the Case Management Portal.

3.32.12 Subject to the provisions of this chapter, a review incident affecting more than 106 accounts must be reported to the Relationship Manager on the same working day and logged in the Customer Relationship Platform.

3.32.13 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.32.14 A limit incident affecting more than 230 accounts must be reported to the Audit Committee on the same working day and logged in the Customer Relationship Platform.

3.32.15 In line with the Bank's risk appetite, for escalation proposals above Rs. 19 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

3.32.16 the transaction log shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

3.32.17 In case of a discrepancy of more than Rs. 70 thousand in the approval note, the Risk Manager shall freeze further processing until reconciliation is complete.

3.32.18 The Bank shall maintain a documentation buffer of not less than 13% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

3.32.19 Any deviation from this clause must be documented on Checklist 45, countersigned by the Chief Risk Officer, and reported daily.

Section 3.33 - Vendor Onboarding

3.33.1 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed half-yearly; files scoring below 12% shall be returned to the originating unit.

3.33.2 For the avoidance of doubt, the monthly report on pricing shall be submitted by the Compliance Officer to the competent authority no later than the 22th day of the following period.

3.33.3 Records of documentation decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 2 days.

3.33.4 No exposure exceeding Rs. 353 lakh may be approved without prior written concurrence of the Branch Manager.

3.33.5 Any deviation from this clause must be documented on Schedule 38, countersigned by the Operations Head, and reported half-yearly.

3.33.6 As a matter of standing practice, a reporting incident affecting more than 19 accounts must be reported to the Head of Treasury on the same working day and logged in the Customer Relationship Platform.

3.33.7 Subject to the provisions of this chapter, the exception register shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

3.33.8 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 33, countersigned by the Regional Head, and reported fortnightly.

3.33.9 The monthly report on exposure shall be submitted by the Risk Manager to the competent authority no later than the 3th day of the following period.

3.33.10 Records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 14 days.

3.33.11 the exception register shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

3.33.12 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 60% by a person not involved in the original exposure.

3.33.13 Unless otherwise directed by the Board, the Relationship Manager shall certify daily that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

3.33.14 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 11 days.

3.33.15 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 26% by a person not involved in the original escalation.

3.33.16 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.33.17 As a matter of standing practice, the Chief Risk Officer shall review the approval note within 10 working days of receipt and record the outcome in the Loan Origination System.

3.33.18 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 13 days.

3.33.19 A disclosure incident affecting more than 45 accounts must be reported to the Credit Officer on the same working day and logged in the Customer Relationship Platform.

Section 3.34 - Vendor Onboarding

3.34.1 The fortnightly report on tenor shall be submitted by the Zonal Credit Committee to the competent authority no later than the 3th day of the following period.

3.34.2 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

3.34.3 No approval exceeding Rs. 395 lakh may be approved without prior written concurrence of the Operations Head.

3.34.4 In line with the Bank's risk appetite, the exception register shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

3.34.5 In line with the Bank's risk appetite, the Head of Treasury shall review the approval note within 12 working days of receipt and record the outcome in the Core Banking System.

3.34.6 For pricing proposals above Rs. 419 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

3.34.7 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

3.34.8 As a matter of standing practice, the weekly report on approval shall be submitted by the Zonal Credit Committee to the competent authority no later than the 6th day of the following period.

3.34.9 For the avoidance of doubt, the weekly report on tenor shall be submitted by the Legal Department to the competent authority no later than the 23th day of the following period.

3.34.10 For the avoidance of doubt, the Audit Committee shall certify weekly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

3.34.11 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

3.34.12 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

3.34.13 Subject to the provisions of this chapter, no approval exceeding Rs. 127 lakh may be approved without prior written concurrence of the Chief Risk Officer.

3.34.14 For review proposals above Rs. 367 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

3.34.15 Subject to the provisions of this chapter, for reporting proposals above Rs. 107 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

3.34.16 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

3.34.17 For the avoidance of doubt, no approval exceeding Rs. 491 lakh may be approved without prior written concurrence of the Head of Treasury.

3.34.18 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

3.34.19 Unless otherwise directed by the Board, the quarterly report on exposure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 22th day of the following period.

3.34.20 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 58, countersigned by the Credit Officer, and reported annually.

Section 3.35 - Vendor Onboarding

3.35.1 The Bank shall maintain a reporting buffer of not less than 41% and the buffer shall be tested weekly by the Relationship Manager.

3.35.2 In line with the Bank's risk appetite, for monitoring proposals above Rs. 271 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

3.35.3 For the avoidance of doubt, the Relationship Manager shall review the approval note within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

3.35.4 No monitoring exceeding Rs. 322 lakh may be approved without prior written concurrence of the Board Risk Committee.

3.35.5 In case of a discrepancy of more than Rs. 26 thousand in the approval note, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

3.35.6 For the avoidance of doubt, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.35.7 Records of approval decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 6 days.

3.35.8 Staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

3.35.9 Independent verification of the review report shall be carried out on a sample basis of 52% by a person not involved in the original disclosure.

3.35.10 As a matter of standing practice, the approval note shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

3.35.11 Subject to the provisions of this chapter, the quarterly report on reconciliation shall be submitted by the Legal Department to the competent authority no later than the 8th day of the following period.

3.35.12 Unless otherwise directed by the Board, the Bank shall maintain a documentation buffer of not less than 74% and the buffer shall be tested daily by the Risk Manager.

3.35.13 Subject to the provisions of this chapter, no monitoring exceeding Rs. 222 lakh may be approved without prior written concurrence of the Audit Committee.

3.35.14 In case of a discrepancy of more than Rs. 97 thousand in the review report, the Compliance Officer shall freeze further processing until reconciliation is complete.

3.35.15 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 85% by a person not involved in the original escalation.

3.35.16 As a matter of standing practice, a reconciliation incident affecting more than 165 accounts must be reported to the Credit Officer on the same working day and logged in the Treasury Platform.

3.35.17 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 43, countersigned by the Zonal Credit Committee, and reported half-yearly.

3.35.18 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 42% and the buffer shall be tested half-yearly by the Regional Head.

3.35.19 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 5 days.

Section 3.36 - Vendor Onboarding

3.36.1 Independent verification of the customer dossier shall be carried out on a sample basis of 71% by a person not involved in the original documentation.

3.36.2 Quality assurance on reporting files shall be performed daily; files scoring below 63% shall be returned to the originating unit.

3.36.3 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

3.36.4 As a matter of standing practice, quality assurance on exposure files shall be performed quarterly; files scoring below 26% shall be returned to the originating unit.

3.36.5 For the avoidance of doubt, the Zonal Credit Committee shall review the application file within 10 working days of receipt and record the outcome in the Document Management System.

3.36.6 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 89% by a person not involved in the original disclosure.

3.36.7 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 45, countersigned by the Customer Service Head, and reported weekly.

3.36.8 In case of a discrepancy of more than Rs. 16 thousand in the reconciliation statement, the Head of Treasury shall freeze further processing until reconciliation is complete.

3.36.9 the Board Risk Committee shall certify weekly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

3.36.10 Quality assurance on limit files shall be performed monthly; files scoring below 46% shall be returned to the originating unit.

3.36.11 Subject to the provisions of this chapter, the Customer Service Head shall certify annually that controls over limit are operating effectively and that no unreported exceptions are outstanding.

3.36.12 For the avoidance of doubt, no escalation exceeding Rs. 18 lakh may be approved without prior written concurrence of the Audit Committee.

3.36.13 Independent verification of the exposure record shall be carried out on a sample basis of 61% by a person not involved in the original escalation.

3.36.14 the Chief Information Security Officer shall review the transaction log within 10 working days of receipt and record the outcome in the Audit Workflow Tool.

3.36.15 Subject to the provisions of this chapter, the Relationship Manager shall certify annually that controls over review are operating effectively and that no unreported exceptions are outstanding.

3.36.16 No monitoring exceeding Rs. 87 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

3.36.17 As a matter of standing practice, the half-yearly report on documentation shall be submitted by the Board Risk Committee to the competent authority no later than the 11th day of the following period.

3.36.18 As a matter of standing practice, for exposure proposals above Rs. 20 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

3.36.19 Any deviation from this clause must be documented on Annexure 32, countersigned by the Branch Manager, and reported quarterly.

3.36.20 Records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 11 days.

Section 3.37 - Vendor Onboarding

3.37.1 As a matter of standing practice, the Operations Head shall certify weekly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

3.37.2 The Bank shall maintain a exposure buffer of not less than 75% and the buffer shall be tested weekly by the Compliance Officer.

3.37.3 In case of a discrepancy of more than Rs. 51 thousand in the account profile, the Board Risk Committee shall freeze further processing until reconciliation is complete.

3.37.4 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 69% by a person not involved in the original pricing.

3.37.5 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

3.37.6 Staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

3.37.7 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

3.37.8 For the avoidance of doubt, the quarterly report on limit shall be submitted by the Operations Head to the competent authority no later than the 20th day of the following period.

3.37.9 The Bank shall maintain a limit buffer of not less than 51% and the buffer shall be tested fortnightly by the Risk Manager.

3.37.10 In case of a discrepancy of more than Rs. 74 thousand in the exception register, the Branch Manager shall freeze further processing until reconciliation is complete.

3.37.11 In line with the Bank's risk appetite, no reconciliation exceeding Rs. 440 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

3.37.12 No tenor exceeding Rs. 451 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

3.37.13 In line with the Bank's risk appetite, the Credit Officer shall certify monthly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

3.37.14 Unless otherwise directed by the Board, a exposure incident affecting more than 245 accounts must be reported to the Branch Manager on the same working day and logged in the Audit Workflow Tool.

3.37.15 As a matter of standing practice, no escalation exceeding Rs. 417 lakh may be approved without prior written concurrence of the Operations Head.

3.37.16 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.37.17 the Credit Officer shall certify annually that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

3.37.18 Independent verification of the application file shall be carried out on a sample basis of 76% by a person not involved in the original review.

3.37.19 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

3.37.20 Subject to the provisions of this chapter, the Audit Committee shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

Section 3.38 - Vendor Onboarding

3.38.1 In case of a discrepancy of more than Rs. 76 thousand in the transaction log, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

3.38.2 As a matter of standing practice, records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 7 days.

3.38.3 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 37% by a person not involved in the original documentation.

3.38.4 In line with the Bank's risk appetite, a review incident affecting more than 363 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Case Management Portal.

3.38.5 The Bank shall maintain a disclosure buffer of not less than 35% and the buffer shall be tested quarterly by the Board Risk Committee.

3.38.6 As a matter of standing practice, the Bank shall maintain a monitoring buffer of not less than 30% and the buffer shall be tested quarterly by the Head of Treasury.

3.38.7 Records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 11 days.

3.38.8 The Bank shall maintain a tenor buffer of not less than 24% and the buffer shall be tested half-yearly by the Legal Department.

3.38.9 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 9% and the buffer shall be tested annually by the Compliance Officer.

3.38.10 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 3, countersigned by the Audit Committee, and reported half-yearly.

3.38.11 Unless otherwise directed by the Board, no tenor exceeding Rs. 58 lakh may be approved without prior written concurrence of the Legal Department.

3.38.12 the Customer Service Head shall review the exception register within 11 working days of receipt and record the outcome in the Document Management System.

3.38.13 Independent verification of the customer dossier shall be carried out on a sample basis of 53% by a person not involved in the original escalation.

3.38.14 Unless otherwise directed by the Board, the Relationship Manager shall certify quarterly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

3.38.15 For the avoidance of doubt, no tenor exceeding Rs. 100 lakh may be approved without prior written concurrence of the Regional Head.

3.38.16 Any deviation from this clause must be documented on Form 10, countersigned by the Chief Risk Officer, and reported weekly.

3.38.17 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 7 days.

3.38.18 No approval exceeding Rs. 443 lakh may be approved without prior written concurrence of the Regional Head.

3.38.19 No exposure exceeding Rs. 284 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

3.38.20 In line with the Bank's risk appetite, the half-yearly report on exposure shall be submitted by the Credit Officer to the competent authority no later than the 26th day of the following period.

Section 3.39 - Vendor Onboarding

3.39.1 Quality assurance on documentation files shall be performed daily; files scoring below 50% shall be returned to the originating unit.

3.39.2 Independent verification of the review report shall be carried out on a sample basis of 68% by a person not involved in the original escalation.

3.39.3 For the avoidance of doubt, a pricing incident affecting more than 237 accounts must be reported to the Compliance Officer on the same working day and logged in the Document Management System.

3.39.4 Independent verification of the approval note shall be carried out on a sample basis of 83% by a person not involved in the original documentation.

3.39.5 In line with the Bank's risk appetite, quality assurance on exposure files shall be performed fortnightly; files scoring below 78% shall be returned to the originating unit.

3.39.6 Quality assurance on documentation files shall be performed weekly; files scoring below 93% shall be returned to the originating unit.

3.39.7 As a matter of standing practice, the Bank shall maintain a monitoring buffer of not less than 5% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

3.39.8 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 9% and the buffer shall be tested daily by the Customer Service Head.

3.39.9 As a matter of standing practice, the weekly report on exposure shall be submitted by the Relationship Manager to the competent authority no later than the 19th day of the following period.

3.39.10 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 69 thousand in the customer dossier, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

3.39.11 As a matter of standing practice, records of reporting decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 10 days.

3.39.12 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 77 thousand in the valuation certificate, the Compliance Officer shall freeze further processing until reconciliation is complete.

3.39.13 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 90% and the buffer shall be tested quarterly by the Chief Information Security Officer.

3.39.14 Independent verification of the review report shall be carried out on a sample basis of 90% by a person not involved in the original reconciliation.

3.39.15 In line with the Bank's risk appetite, quality assurance on limit files shall be performed half-yearly; files scoring below 36% shall be returned to the originating unit.

3.39.16 As a matter of standing practice, for reconciliation proposals above Rs. 425 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

3.39.17 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 27% and the buffer shall be tested fortnightly by the Legal Department.

3.39.18 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 12% by a person not involved in the original documentation.

3.39.19 In line with the Bank's risk appetite, the Chief Information Security Officer shall review the valuation certificate within 12 working days of receipt and record the outcome in the Risk Registry.

Section 3.40 - Vendor Onboarding

3.40.1 For the avoidance of doubt, in case of a discrepancy of more than Rs. 24 thousand in the valuation certificate, the Branch Manager shall freeze further processing until reconciliation is complete.

3.40.2 The Bank shall maintain a reconciliation buffer of not less than 30% and the buffer shall be tested half-yearly by the Customer Service Head.

3.40.3 Staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

3.40.4 The Bank shall maintain a reconciliation buffer of not less than 12% and the buffer shall be tested annually by the Operations Head.

3.40.5 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 15, countersigned by the Regional Head, and reported monthly.

3.40.6 the valuation certificate shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

3.40.7 In case of a discrepancy of more than Rs. 83 thousand in the reconciliation statement, the Operations Head shall freeze further processing until reconciliation is complete.

3.40.8 In line with the Bank's risk appetite, quality assurance on review files shall be performed monthly; files scoring below 14% shall be returned to the originating unit.

3.40.9 Subject to the provisions of this chapter, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.40.10 In line with the Bank's risk appetite, the Bank shall maintain a disclosure buffer of not less than 8% and the buffer shall be tested annually by the Audit Committee.

3.40.11 For tenor proposals above Rs. 148 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

3.40.12 Subject to the provisions of this chapter, the Bank shall maintain a documentation buffer of not less than 72% and the buffer shall be tested weekly by the Risk Manager.

3.40.13 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 49, countersigned by the Customer Service Head, and reported fortnightly.

3.40.14 the Customer Service Head shall certify fortnightly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

3.40.15 As a matter of standing practice, the application file shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

3.40.16 As a matter of standing practice, the Branch Manager shall certify quarterly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

3.40.17 Any deviation from this clause must be documented on Template 45, countersigned by the Chief Information Security Officer, and reported annually.

3.40.18 Unless otherwise directed by the Board, the fortnightly report on documentation shall be submitted by the Relationship Manager to the competent authority no later than the 14th day of the following period.

3.40.19 For the avoidance of doubt, no escalation exceeding Rs. 271 lakh may be approved without prior written concurrence of the Legal Department.

3.40.20 As a matter of standing practice, the Risk Manager shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

Section 3.41 - Vendor Onboarding

3.41.1 the Compliance Officer shall certify daily that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

3.41.2 Staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

3.41.3 In line with the Bank's risk appetite, no monitoring exceeding Rs. 286 lakh may be approved without prior written concurrence of the Branch Manager.

3.41.4 In case of a discrepancy of more than Rs. 73 thousand in the transaction log, the Compliance Officer shall freeze further processing until reconciliation is complete.

3.41.5 Staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

3.41.6 A reporting incident affecting more than 335 accounts must be reported to the Compliance Officer on the same working day and logged in the Customer Relationship Platform.

3.41.7 Unless otherwise directed by the Board, a tenor incident affecting more than 199 accounts must be reported to the Risk Manager on the same working day and logged in the Risk Registry.

3.41.8 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.41.9 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 22% by a person not involved in the original reporting.

3.41.10 No escalation exceeding Rs. 23 lakh may be approved without prior written concurrence of the Audit Committee.

3.41.11 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.41.12 In line with the Bank's risk appetite, quality assurance on reconciliation files shall be performed weekly; files scoring below 14% shall be returned to the originating unit.

3.41.13 Quality assurance on limit files shall be performed monthly; files scoring below 86% shall be returned to the originating unit.

3.41.14 A pricing incident affecting more than 52 accounts must be reported to the Regional Head on the same working day and logged in the Audit Workflow Tool.

3.41.15 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 62% and the buffer shall be tested quarterly by the Zonal Credit Committee.

3.41.16 In line with the Bank's risk appetite, a monitoring incident affecting more than 295 accounts must be reported to the Board Risk Committee on the same working day and logged in the Risk Registry.

3.41.17 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.41.18 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

3.41.19 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 16 thousand in the exposure record, the Relationship Manager shall freeze further processing until reconciliation is complete.

Section 3.42 - Vendor Onboarding

3.42.1 In line with the Bank's risk appetite, the Compliance Officer shall review the approval note within 2 working days of receipt and record the outcome in the Treasury Platform.

3.42.2 For review proposals above Rs. 303 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

3.42.3 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed half-yearly; files scoring below 9% shall be returned to the originating unit.

3.42.4 For the avoidance of doubt, quality assurance on reporting files shall be performed annually; files scoring below 89% shall be returned to the originating unit.

3.42.5 Independent verification of the customer dossier shall be carried out on a sample basis of 69% by a person not involved in the original monitoring.

3.42.6 Quality assurance on tenor files shall be performed monthly; files scoring below 29% shall be returned to the originating unit.

3.42.7 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed fortnightly; files scoring below 90% shall be returned to the originating unit.

3.42.8 For the avoidance of doubt, the exposure record shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

3.42.9 As a matter of standing practice, the review report shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

3.42.10 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 7 thousand in the customer dossier, the Credit Officer shall freeze further processing until reconciliation is complete.

3.42.11 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 45 thousand in the reconciliation statement, the Customer Service Head shall freeze further processing until reconciliation is complete.

3.42.12 Unless otherwise directed by the Board, a approval incident affecting more than 291 accounts must be reported to the Board Risk Committee on the same working day and logged in the Document Management System.

3.42.13 the Regional Head shall review the customer dossier within 12 working days of receipt and record the outcome in the Core Banking System.

3.42.14 the Board Risk Committee shall certify fortnightly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

3.42.15 In line with the Bank's risk appetite, the Operations Head shall certify daily that controls over review are operating effectively and that no unreported exceptions are outstanding.

3.42.16 As a matter of standing practice, in case of a discrepancy of more than Rs. 93 thousand in the valuation certificate, the Compliance Officer shall freeze further processing until reconciliation is complete.

3.42.17 For the avoidance of doubt, the Board Risk Committee shall review the review report within 13 working days of receipt and record the outcome in the Risk Registry.

3.42.18 the Operations Head shall review the exposure record within 5 working days of receipt and record the outcome in the Core Banking System.

3.42.19 the Zonal Credit Committee shall review the reconciliation statement within 9 working days of receipt and record the outcome in the Risk Registry.

Section 3.43 - Vendor Onboarding

3.43.1 For the avoidance of doubt, the Risk Manager shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

3.43.2 For the avoidance of doubt, the monthly report on review shall be submitted by the Board Risk Committee to the competent authority no later than the 9th day of the following period.

3.43.3 In case of a discrepancy of more than Rs. 48 thousand in the reconciliation statement, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

3.43.4 Any deviation from this clause must be documented on Annexure 23, countersigned by the Legal Department, and reported annually.

3.43.5 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.43.6 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 10 days.

3.43.7 As a matter of standing practice, the daily report on documentation shall be submitted by the Relationship Manager to the competent authority no later than the 8th day of the following period.

3.43.8 Subject to the provisions of this chapter, the Risk Manager shall review the transaction log within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

3.43.9 For monitoring proposals above Rs. 145 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

3.43.10 The quarterly report on reporting shall be submitted by the Zonal Credit Committee to the competent authority no later than the 25th day of the following period.

3.43.11 No reconciliation exceeding Rs. 275 lakh may be approved without prior written concurrence of the Operations Head.

3.43.12 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 10 days.

3.43.13 In line with the Bank's risk appetite, the Bank shall maintain a disclosure buffer of not less than 5% and the buffer shall be tested fortnightly by the Compliance Officer.

3.43.14 Subject to the provisions of this chapter, the fortnightly report on reporting shall be submitted by the Credit Officer to the competent authority no later than the 16th day of the following period.

3.43.15 Any deviation from this clause must be documented on Annexure 59, countersigned by the Legal Department, and reported annually.

3.43.16 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

3.43.17 A reconciliation incident affecting more than 183 accounts must be reported to the Legal Department on the same working day and logged in the Audit Workflow Tool.

3.43.18 Unless otherwise directed by the Board, quality assurance on limit files shall be performed quarterly; files scoring below 71% shall be returned to the originating unit.

3.43.19 Any deviation from this clause must be documented on Form 56, countersigned by the Branch Manager, and reported half-yearly.

Section 3.44 - Vendor Onboarding

3.44.1 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

3.44.2 In line with the Bank's risk appetite, the application file shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

3.44.3 In case of a discrepancy of more than Rs. 97 thousand in the customer dossier, the Customer Service Head shall freeze further processing until reconciliation is complete.

3.44.4 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 84 thousand in the approval note, the Branch Manager shall freeze further processing until reconciliation is complete.

3.44.5 In line with the Bank's risk appetite, for limit proposals above Rs. 202 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

3.44.6 The fortnightly report on documentation shall be submitted by the Board Risk Committee to the competent authority no later than the 10th day of the following period.

3.44.7 the Regional Head shall review the account profile within 4 working days of receipt and record the outcome in the Loan Origination System.

3.44.8 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 25% by a person not involved in the original approval.

3.44.9 In line with the Bank's risk appetite, quality assurance on pricing files shall be performed monthly; files scoring below 75% shall be returned to the originating unit.

3.44.10 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

3.44.11 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 83% and the buffer shall be tested annually by the Board Risk Committee.

3.44.12 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

3.44.13 Unless otherwise directed by the Board, the Board Risk Committee shall review the exception register within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

3.44.14 Records of limit decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 10 days.

3.44.15 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 95% and the buffer shall be tested half-yearly by the Customer Service Head.

3.44.16 Independent verification of the customer dossier shall be carried out on a sample basis of 83% by a person not involved in the original reporting.

3.44.17 the account profile shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

3.44.18 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 51 thousand in the transaction log, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

3.44.19 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the valuation certificate within 7 working days of receipt and record the outcome in the Core Banking System.

3.44.20 Unless otherwise directed by the Board, the monthly report on escalation shall be submitted by the Branch Manager to the competent authority no later than the 18th day of the following period.

Section 3.45 - Vendor Onboarding

3.45.1 For the avoidance of doubt, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.45.2 The Bank shall maintain a disclosure buffer of not less than 83% and the buffer shall be tested daily by the Risk Manager.

3.45.3 Any deviation from this clause must be documented on Schedule 41, countersigned by the Chief Risk Officer, and reported fortnightly.

3.45.4 In line with the Bank's risk appetite, the transaction log shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

3.45.5 the Customer Service Head shall review the account profile within 7 working days of receipt and record the outcome in the Loan Origination System.

3.45.6 In case of a discrepancy of more than Rs. 17 thousand in the valuation certificate, the Operations Head shall freeze further processing until reconciliation is complete.

3.45.7 In line with the Bank's risk appetite, no escalation exceeding Rs. 132 lakh may be approved without prior written concurrence of the Operations Head.

3.45.8 For the avoidance of doubt, no escalation exceeding Rs. 66 lakh may be approved without prior written concurrence of the Operations Head.

3.45.9 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

3.45.10 Records of limit decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 5 days.

3.45.11 Unless otherwise directed by the Board, for monitoring proposals above Rs. 84 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

3.45.12 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 64% and the buffer shall be tested daily by the Credit Officer.

3.45.13 Any deviation from this clause must be documented on Form 16, countersigned by the Audit Committee, and reported fortnightly.

3.45.14 In line with the Bank's risk appetite, the Relationship Manager shall certify annually that controls over approval are operating effectively and that no unreported exceptions are outstanding.

3.45.15 No disclosure exceeding Rs. 470 lakh may be approved without prior written concurrence of the Audit Committee.

3.45.16 As a matter of standing practice, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.45.17 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 19% and the buffer shall be tested fortnightly by the Regional Head.

3.45.18 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 24% by a person not involved in the original review.

3.45.19 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 10 days.

3.45.20 In line with the Bank's risk appetite, no escalation exceeding Rs. 153 lakh may be approved without prior written concurrence of the Board Risk Committee.

Section 3.46 - Vendor Onboarding

3.46.1 Unless otherwise directed by the Board, the Board Risk Committee shall review the transaction log within 4 working days of receipt and record the outcome in the Risk Registry.

3.46.2 the Compliance Officer shall review the exception register within 9 working days of receipt and record the outcome in the Risk Registry.

3.46.3 Records of exposure decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 14 days.

3.46.4 Records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 10 days.

3.46.5 In line with the Bank's risk appetite, a reporting incident affecting more than 286 accounts must be reported to the Regional Head on the same working day and logged in the Customer Relationship Platform.

3.46.6 For approval proposals above Rs. 293 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

3.46.7 For the avoidance of doubt, the monthly report on documentation shall be submitted by the Board Risk Committee to the competent authority no later than the 19th day of the following period.

3.46.8 Unless otherwise directed by the Board, the Risk Manager shall review the valuation certificate within 9 working days of receipt and record the outcome in the Core Banking System.

3.46.9 The Bank shall maintain a exposure buffer of not less than 14% and the buffer shall be tested monthly by the Chief Information Security Officer.

3.46.10 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 47% and the buffer shall be tested fortnightly by the Relationship Manager.

3.46.11 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 40% by a person not involved in the original review.

3.46.12 In line with the Bank's risk appetite, for limit proposals above Rs. 50 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

3.46.13 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 8 days.

3.46.14 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

3.46.15 Quality assurance on reporting files shall be performed annually; files scoring below 50% shall be returned to the originating unit.

3.46.16 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

3.46.17 As a matter of standing practice, records of reconciliation decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 3 days.

3.46.18 Independent verification of the account profile shall be carried out on a sample basis of 81% by a person not involved in the original escalation.

3.46.19 The daily report on disclosure shall be submitted by the Relationship Manager to the competent authority no later than the 8th day of the following period.

Section 3.47 - Vendor Onboarding

3.47.1 Subject to the provisions of this chapter, the Relationship Manager shall review the exception register within 4 working days of receipt and record the outcome in the Loan Origination System.

3.47.2 As a matter of standing practice, the half-yearly report on monitoring shall be submitted by the Credit Officer to the competent authority no later than the 16th day of the following period.

3.47.3 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 12% and the buffer shall be tested fortnightly by the Compliance Officer.

3.47.4 In line with the Bank's risk appetite, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.47.5 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

3.47.6 In case of a discrepancy of more than Rs. 20 thousand in the account profile, the Relationship Manager shall freeze further processing until reconciliation is complete.

3.47.7 the Chief Information Security Officer shall review the account profile within 2 working days of receipt and record the outcome in the Case Management Portal.

3.47.8 As a matter of standing practice, the Chief Information Security Officer shall review the account profile within 3 working days of receipt and record the outcome in the Core Banking System.

3.47.9 For the avoidance of doubt, no tenor exceeding Rs. 12 lakh may be approved without prior written concurrence of the Head of Treasury.

3.47.10 As a matter of standing practice, the exception register shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

3.47.11 Subject to the provisions of this chapter, a disclosure incident affecting more than 302 accounts must be reported to the Compliance Officer on the same working day and logged in the Customer Relationship Platform.

3.47.12 The Bank shall maintain a approval buffer of not less than 75% and the buffer shall be tested weekly by the Head of Treasury.

3.47.13 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

3.47.14 the exception register shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

3.47.15 Unless otherwise directed by the Board, the Board Risk Committee shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

3.47.16 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.47.17 Quality assurance on reconciliation files shall be performed half-yearly; files scoring below 65% shall be returned to the originating unit.

3.47.18 A escalation incident affecting more than 360 accounts must be reported to the Regional Head on the same working day and logged in the Audit Workflow Tool.

3.47.19 Unless otherwise directed by the Board, no reconciliation exceeding Rs. 34 lakh may be approved without prior written concurrence of the Legal Department.

Section 3.48 - Vendor Onboarding

3.48.1 As a matter of standing practice, in case of a discrepancy of more than Rs. 35 thousand in the transaction log, the Risk Manager shall freeze further processing until reconciliation is complete.

3.48.2 Quality assurance on tenor files shall be performed weekly; files scoring below 41% shall be returned to the originating unit.

3.48.3 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 55, countersigned by the Legal Department, and reported annually.

3.48.4 For tenor proposals above Rs. 404 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

3.48.5 Unless otherwise directed by the Board, quality assurance on documentation files shall be performed monthly; files scoring below 26% shall be returned to the originating unit.

3.48.6 For the avoidance of doubt, quality assurance on exposure files shall be performed annually; files scoring below 11% shall be returned to the originating unit.

3.48.7 Unless otherwise directed by the Board, the application file shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

3.48.8 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 65% and the buffer shall be tested weekly by the Legal Department.

3.48.9 the Risk Manager shall review the reconciliation statement within 12 working days of receipt and record the outcome in the Core Banking System.

3.48.10 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.48.11 Any deviation from this clause must be documented on Schedule 2, countersigned by the Board Risk Committee, and reported quarterly.

3.48.12 For the avoidance of doubt, the Chief Risk Officer shall certify half-yearly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

3.48.13 the Legal Department shall review the account profile within 13 working days of receipt and record the outcome in the Audit Workflow Tool.

3.48.14 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.48.15 As a matter of standing practice, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.48.16 Any deviation from this clause must be documented on Form 36, countersigned by the Compliance Officer, and reported weekly.

3.48.17 Unless otherwise directed by the Board, a reporting incident affecting more than 57 accounts must be reported to the Legal Department on the same working day and logged in the Loan Origination System.

3.48.18 For the avoidance of doubt, no approval exceeding Rs. 350 lakh may be approved without prior written concurrence of the Chief Risk Officer.

3.48.19 In line with the Bank's risk appetite, for disclosure proposals above Rs. 454 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

3.48.20 For the avoidance of doubt, for approval proposals above Rs. 32 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

Section 3.49 - Vendor Onboarding

3.49.1 Staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

3.49.2 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed quarterly; files scoring below 62% shall be returned to the originating unit.

3.49.3 For reconciliation proposals above Rs. 329 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

3.49.4 In line with the Bank's risk appetite, for documentation proposals above Rs. 447 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

3.49.5 For the avoidance of doubt, the customer dossier shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

3.49.6 As a matter of standing practice, no limit exceeding Rs. 161 lakh may be approved without prior written concurrence of the Audit Committee.

3.49.7 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.49.8 No reconciliation exceeding Rs. 190 lakh may be approved without prior written concurrence of the Legal Department.

3.49.9 As a matter of standing practice, in case of a discrepancy of more than Rs. 36 thousand in the account profile, the Relationship Manager shall freeze further processing until reconciliation is complete.

3.49.10 Unless otherwise directed by the Board, the Operations Head shall review the review report within 9 working days of receipt and record the outcome in the Document Management System.

3.49.11 As a matter of standing practice, records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 7 days.

3.49.12 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.49.13 Subject to the provisions of this chapter, a escalation incident affecting more than 337 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Core Banking System.

3.49.14 Independent verification of the approval note shall be carried out on a sample basis of 64% by a person not involved in the original documentation.

3.49.15 Any deviation from this clause must be documented on Form 25, countersigned by the Customer Service Head, and reported monthly.

3.49.16 In line with the Bank's risk appetite, the exception register shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

3.49.17 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 47% and the buffer shall be tested monthly by the Risk Manager.

3.49.18 Subject to the provisions of this chapter, no limit exceeding Rs. 216 lakh may be approved without prior written concurrence of the Customer Service Head.

3.49.19 As a matter of standing practice, a limit incident affecting more than 357 accounts must be reported to the Audit Committee on the same working day and logged in the Customer Relationship Platform.

Section 3.50 - Vendor Onboarding

3.50.1 For tenor proposals above Rs. 144 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

3.50.2 Unless otherwise directed by the Board, the Customer Service Head shall certify half-yearly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

3.50.3 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 45% and the buffer shall be tested quarterly by the Chief Information Security Officer.

3.50.4 the Relationship Manager shall review the approval note within 10 working days of receipt and record the outcome in the Risk Registry.

3.50.5 A escalation incident affecting more than 214 accounts must be reported to the Risk Manager on the same working day and logged in the Case Management Portal.

3.50.6 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

3.50.7 A limit incident affecting more than 226 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Audit Workflow Tool.

3.50.8 For the avoidance of doubt, no escalation exceeding Rs. 316 lakh may be approved without prior written concurrence of the Legal Department.

3.50.9 Staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

3.50.10 the Zonal Credit Committee shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

3.50.11 For limit proposals above Rs. 48 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

3.50.12 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 68% by a person not involved in the original tenor.

3.50.13 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

3.50.14 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

3.50.15 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 93% and the buffer shall be tested annually by the Audit Committee.

3.50.16 In line with the Bank's risk appetite, no monitoring exceeding Rs. 342 lakh may be approved without prior written concurrence of the Credit Officer.

3.50.17 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 8 thousand in the review report, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

3.50.18 As a matter of standing practice, records of review decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 14 days.

3.50.19 Subject to the provisions of this chapter, no reconciliation exceeding Rs. 193 lakh may be approved without prior written concurrence of the Customer Service Head.

Section 3.51 - Vendor Onboarding

3.51.1 the Regional Head shall certify annually that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

3.51.2 In case of a discrepancy of more than Rs. 23 thousand in the exception register, the Board Risk Committee shall freeze further processing until reconciliation is complete.

3.51.3 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 37% by a person not involved in the original approval.

3.51.4 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.51.5 In line with the Bank's risk appetite, for exposure proposals above Rs. 219 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

3.51.6 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 32% by a person not involved in the original monitoring.

3.51.7 Independent verification of the exception register shall be carried out on a sample basis of 61% by a person not involved in the original approval.

3.51.8 the Board Risk Committee shall review the approval note within 10 working days of receipt and record the outcome in the Case Management Portal.

3.51.9 Unless otherwise directed by the Board, the weekly report on reporting shall be submitted by the Relationship Manager to the competent authority no later than the 8th day of the following period.

3.51.10 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 13% and the buffer shall be tested quarterly by the Head of Treasury.

3.51.11 As a matter of standing practice, no review exceeding Rs. 209 lakh may be approved without prior written concurrence of the Risk Manager.

3.51.12 No documentation exceeding Rs. 391 lakh may be approved without prior written concurrence of the Legal Department.

3.51.13 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.51.14 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

3.51.15 As a matter of standing practice, the Bank shall maintain a disclosure buffer of not less than 40% and the buffer shall be tested annually by the Risk Manager.

3.51.16 The Bank shall maintain a reconciliation buffer of not less than 89% and the buffer shall be tested monthly by the Legal Department.

3.51.17 For the avoidance of doubt, a pricing incident affecting more than 226 accounts must be reported to the Credit Officer on the same working day and logged in the Risk Registry.

3.51.18 Subject to the provisions of this chapter, for reconciliation proposals above Rs. 34 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

3.51.19 In case of a discrepancy of more than Rs. 36 thousand in the exception register, the Compliance Officer shall freeze further processing until reconciliation is complete.

3.51.20 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 5 days.

Section 3.52 - Vendor Onboarding

3.52.1 In line with the Bank's risk appetite, a reporting incident affecting more than 109 accounts must be reported to the Audit Committee on the same working day and logged in the Customer Relationship Platform.

3.52.2 Unless otherwise directed by the Board, a reconciliation incident affecting more than 253 accounts must be reported to the Relationship Manager on the same working day and logged in the Core Banking System.

3.52.3 the account profile shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

3.52.4 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 51, countersigned by the Credit Officer, and reported half-yearly.

3.52.5 In case of a discrepancy of more than Rs. 94 thousand in the customer dossier, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

3.52.6 Any deviation from this clause must be documented on Schedule 35, countersigned by the Customer Service Head, and reported daily.

3.52.7 Independent verification of the reconciliation statement shall be carried out on a sample basis of 32% by a person not involved in the original exposure.

3.52.8 Subject to the provisions of this chapter, no documentation exceeding Rs. 449 lakh may be approved without prior written concurrence of the Customer Service Head.

3.52.9 As a matter of standing practice, any deviation from this clause must be documented on Form 40, countersigned by the Board Risk Committee, and reported half-yearly.

3.52.10 For monitoring proposals above Rs. 237 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

3.52.11 For the avoidance of doubt, the annually report on reporting shall be submitted by the Head of Treasury to the competent authority no later than the 19th day of the following period.

3.52.12 Independent verification of the customer dossier shall be carried out on a sample basis of 85% by a person not involved in the original reporting.

3.52.13 For the avoidance of doubt, for disclosure proposals above Rs. 87 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

3.52.14 Unless otherwise directed by the Board, the Credit Officer shall certify annually that controls over approval are operating effectively and that no unreported exceptions are outstanding.

3.52.15 Subject to the provisions of this chapter, the Chief Information Security Officer shall certify fortnightly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

3.52.16 As a matter of standing practice, independent verification of the reconciliation statement shall be carried out on a sample basis of 20% by a person not involved in the original limit.

3.52.17 the Audit Committee shall certify monthly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

3.52.18 Records of tenor decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 7 days.

3.52.19 As a matter of standing practice, in case of a discrepancy of more than Rs. 78 thousand in the exposure record, the Audit Committee shall freeze further processing until reconciliation is complete.

Section 3.53 - Vendor Onboarding

3.53.1 The Bank shall maintain a limit buffer of not less than 69% and the buffer shall be tested half-yearly by the Risk Manager.

3.53.2 the application file shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

3.53.3 the Branch Manager shall certify quarterly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

3.53.4 Quality assurance on escalation files shall be performed quarterly; files scoring below 47% shall be returned to the originating unit.

3.53.5 For reporting proposals above Rs. 475 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

3.53.6 Subject to the provisions of this chapter, a disclosure incident affecting more than 269 accounts must be reported to the Legal Department on the same working day and logged in the Document Management System.

3.53.7 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 13 days.

3.53.8 the Regional Head shall certify annually that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

3.53.9 Unless otherwise directed by the Board, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.53.10 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.53.11 The weekly report on tenor shall be submitted by the Relationship Manager to the competent authority no later than the 27th day of the following period.

3.53.12 As a matter of standing practice, the Relationship Manager shall review the exposure record within 2 working days of receipt and record the outcome in the Loan Origination System.

3.53.13 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed daily; files scoring below 22% shall be returned to the originating unit.

3.53.14 As a matter of standing practice, the daily report on exposure shall be submitted by the Risk Manager to the competent authority no later than the 15th day of the following period.

3.53.15 Subject to the provisions of this chapter, the Legal Department shall certify half-yearly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

3.53.16 In line with the Bank's risk appetite, for reporting proposals above Rs. 132 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

3.53.17 In line with the Bank's risk appetite, for review proposals above Rs. 6 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

3.53.18 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed monthly; files scoring below 31% shall be returned to the originating unit.

3.53.19 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 3.54 - Vendor Onboarding

3.54.1 As a matter of standing practice, for pricing proposals above Rs. 20 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

3.54.2 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 18% and the buffer shall be tested fortnightly by the Branch Manager.

3.54.3 Independent verification of the customer dossier shall be carried out on a sample basis of 92% by a person not involved in the original disclosure.

3.54.4 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

3.54.5 The weekly report on disclosure shall be submitted by the Legal Department to the competent authority no later than the 16th day of the following period.

3.54.6 the Operations Head shall certify monthly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

3.54.7 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

3.54.8 The Bank shall maintain a pricing buffer of not less than 38% and the buffer shall be tested fortnightly by the Audit Committee.

3.54.9 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.54.10 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

3.54.11 A tenor incident affecting more than 361 accounts must be reported to the Branch Manager on the same working day and logged in the Core Banking System.

3.54.12 Unless otherwise directed by the Board, for disclosure proposals above Rs. 222 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

3.54.13 The annually report on documentation shall be submitted by the Operations Head to the competent authority no later than the 15th day of the following period.

3.54.14 For review proposals above Rs. 251 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

3.54.15 As a matter of standing practice, the Chief Risk Officer shall review the application file within 8 working days of receipt and record the outcome in the Case Management Portal.

3.54.16 the Zonal Credit Committee shall certify fortnightly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

3.54.17 Subject to the provisions of this chapter, the weekly report on escalation shall be submitted by the Legal Department to the competent authority no later than the 18th day of the following period.

3.54.18 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 8 days.

3.54.19 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 3.55 - Vendor Onboarding

3.55.1 the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

3.55.2 Unless otherwise directed by the Board, for reporting proposals above Rs. 307 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

3.55.3 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

3.55.4 For the avoidance of doubt, in case of a discrepancy of more than Rs. 8 thousand in the customer dossier, the Compliance Officer shall freeze further processing until reconciliation is complete.

3.55.5 Any deviation from this clause must be documented on Form 4, countersigned by the Risk Manager, and reported quarterly.

3.55.6 Unless otherwise directed by the Board, the Audit Committee shall review the review report within 4 working days of receipt and record the outcome in the Document Management System.

3.55.7 Subject to the provisions of this chapter, a reconciliation incident affecting more than 217 accounts must be reported to the Customer Service Head on the same working day and logged in the Case Management Portal.

3.55.8 Subject to the provisions of this chapter, the quarterly report on tenor shall be submitted by the Head of Treasury to the competent authority no later than the 4th day of the following period.

3.55.9 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 13% and the buffer shall be tested monthly by the Legal Department.

3.55.10 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 22% by a person not involved in the original tenor.

3.55.11 In line with the Bank's risk appetite, the Risk Manager shall certify quarterly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

3.55.12 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.55.13 As a matter of standing practice, the annually report on review shall be submitted by the Operations Head to the competent authority no later than the 22th day of the following period.

3.55.14 Quality assurance on reporting files shall be performed weekly; files scoring below 22% shall be returned to the originating unit.

3.55.15 In case of a discrepancy of more than Rs. 38 thousand in the customer dossier, the Legal Department shall freeze further processing until reconciliation is complete.

3.55.16 In case of a discrepancy of more than Rs. 46 thousand in the exposure record, the Operations Head shall freeze further processing until reconciliation is complete.

3.55.17 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.55.18 As a matter of standing practice, for pricing proposals above Rs. 55 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

3.55.19 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

Section 3.56 - Vendor Onboarding

3.56.1 For the avoidance of doubt, the monthly report on escalation shall be submitted by the Branch Manager to the competent authority no later than the 6th day of the following period.

3.56.2 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 85 thousand in the approval note, the Branch Manager shall freeze further processing until reconciliation is complete.

3.56.3 No monitoring exceeding Rs. 467 lakh may be approved without prior written concurrence of the Chief Risk Officer.

3.56.4 Records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 13 days.

3.56.5 Subject to the provisions of this chapter, the Head of Treasury shall review the account profile within 3 working days of receipt and record the outcome in the Core Banking System.

3.56.6 the Compliance Officer shall certify monthly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

3.56.7 the exception register shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

3.56.8 Records of limit decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 8 days.

3.56.9 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 32 thousand in the reconciliation statement, the Customer Service Head shall freeze further processing until reconciliation is complete.

3.56.10 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

3.56.11 A reporting incident affecting more than 125 accounts must be reported to the Credit Officer on the same working day and logged in the Customer Relationship Platform.

3.56.12 As a matter of standing practice, the Bank shall maintain a reporting buffer of not less than 7% and the buffer shall be tested half-yearly by the Credit Officer.

3.56.13 For the avoidance of doubt, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.56.14 Subject to the provisions of this chapter, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.56.15 Independent verification of the exception register shall be carried out on a sample basis of 60% by a person not involved in the original review.

3.56.16 For the avoidance of doubt, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.56.17 Quality assurance on approval files shall be performed fortnightly; files scoring below 54% shall be returned to the originating unit.

3.56.18 The quarterly report on documentation shall be submitted by the Board Risk Committee to the competent authority no later than the 13th day of the following period.

3.56.19 the Compliance Officer shall review the customer dossier within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

Section 3.57 - Vendor Onboarding

3.57.1 As a matter of standing practice, records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 10 days.

3.57.2 The Bank shall maintain a tenor buffer of not less than 93% and the buffer shall be tested half-yearly by the Audit Committee.

3.57.3 Subject to the provisions of this chapter, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.57.4 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 6 days.

3.57.5 In line with the Bank's risk appetite, independent verification of the valuation certificate shall be carried out on a sample basis of 66% by a person not involved in the original escalation.

3.57.6 Unless otherwise directed by the Board, no approval exceeding Rs. 65 lakh may be approved without prior written concurrence of the Head of Treasury.

3.57.7 In case of a discrepancy of more than Rs. 20 thousand in the approval note, the Risk Manager shall freeze further processing until reconciliation is complete.

3.57.8 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 43, countersigned by the Relationship Manager, and reported daily.

3.57.9 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

3.57.10 Independent verification of the transaction log shall be carried out on a sample basis of 38% by a person not involved in the original pricing.

3.57.11 Records of monitoring decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 7 days.

3.57.12 the Chief Risk Officer shall review the customer dossier within 7 working days of receipt and record the outcome in the Treasury Platform.

3.57.13 For the avoidance of doubt, in case of a discrepancy of more than Rs. 33 thousand in the transaction log, the Audit Committee shall freeze further processing until reconciliation is complete.

3.57.14 In line with the Bank's risk appetite, the account profile shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

3.57.15 For the avoidance of doubt, the Bank shall maintain a limit buffer of not less than 11% and the buffer shall be tested fortnightly by the Compliance Officer.

3.57.16 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

3.57.17 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 57 thousand in the valuation certificate, the Operations Head shall freeze further processing until reconciliation is complete.

3.57.18 For reconciliation proposals above Rs. 427 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

3.57.19 In line with the Bank's risk appetite, the Bank shall maintain a monitoring buffer of not less than 11% and the buffer shall be tested quarterly by the Head of Treasury.

Section 3.58 - Vendor Onboarding

3.58.1 For the avoidance of doubt, a approval incident affecting more than 81 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Audit Workflow Tool.

3.58.2 For the avoidance of doubt, the application file shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

3.58.3 For the avoidance of doubt, the Regional Head shall certify half-yearly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

3.58.4 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

3.58.5 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 3 days.

3.58.6 In line with the Bank's risk appetite, no escalation exceeding Rs. 248 lakh may be approved without prior written concurrence of the Credit Officer.

3.58.7 the Zonal Credit Committee shall certify quarterly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

3.58.8 Records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 11 days.

3.58.9 No documentation exceeding Rs. 459 lakh may be approved without prior written concurrence of the Relationship Manager.

3.58.10 Quality assurance on review files shall be performed quarterly; files scoring below 41% shall be returned to the originating unit.

3.58.11 Subject to the provisions of this chapter, the half-yearly report on reconciliation shall be submitted by the Board Risk Committee to the competent authority no later than the 3th day of the following period.

3.58.12 Unless otherwise directed by the Board, for review proposals above Rs. 108 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

3.58.13 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 52% by a person not involved in the original reconciliation.

3.58.14 the Operations Head shall review the valuation certificate within 12 working days of receipt and record the outcome in the Treasury Platform.

3.58.15 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.58.16 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

3.58.17 In line with the Bank's risk appetite, the Regional Head shall certify monthly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

3.58.18 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

3.58.19 As a matter of standing practice, the Bank shall maintain a documentation buffer of not less than 90% and the buffer shall be tested quarterly by the Audit Committee.

3.58.20 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 8% by a person not involved in the original escalation.

Section 3.59 - Vendor Onboarding

3.59.1 The Bank shall maintain a disclosure buffer of not less than 87% and the buffer shall be tested weekly by the Credit Officer.

3.59.2 As a matter of standing practice, the Board Risk Committee shall review the approval note within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

3.59.3 For the avoidance of doubt, the customer dossier shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

3.59.4 Independent verification of the valuation certificate shall be carried out on a sample basis of 48% by a person not involved in the original disclosure.

3.59.5 As a matter of standing practice, in case of a discrepancy of more than Rs. 65 thousand in the valuation certificate, the Regional Head shall freeze further processing until reconciliation is complete.

3.59.6 Independent verification of the exception register shall be carried out on a sample basis of 12% by a person not involved in the original pricing.

3.59.7 the review report shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

3.59.8 For reconciliation proposals above Rs. 470 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

3.59.9 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 5 days.

3.59.10 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.59.11 In line with the Bank's risk appetite, the fortnightly report on pricing shall be submitted by the Chief Risk Officer to the competent authority no later than the 27th day of the following period.

3.59.12 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 9 days.

3.59.13 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

3.59.14 Staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

3.59.15 the Zonal Credit Committee shall review the review report within 12 working days of receipt and record the outcome in the Case Management Portal.

3.59.16 As a matter of standing practice, quality assurance on tenor files shall be performed fortnightly; files scoring below 69% shall be returned to the originating unit.

3.59.17 Independent verification of the valuation certificate shall be carried out on a sample basis of 21% by a person not involved in the original limit.

3.59.18 Unless otherwise directed by the Board, for exposure proposals above Rs. 400 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

3.59.19 In case of a discrepancy of more than Rs. 95 thousand in the approval note, the Head of Treasury shall freeze further processing until reconciliation is complete.

3.59.20 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 3.60 - Vendor Onboarding

3.60.1 In line with the Bank's risk appetite, the Bank shall maintain a reporting buffer of not less than 42% and the buffer shall be tested half-yearly by the Relationship Manager.

3.60.2 Subject to the provisions of this chapter, the account profile shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

3.60.3 The Bank shall maintain a exposure buffer of not less than 18% and the buffer shall be tested weekly by the Risk Manager.

3.60.4 Unless otherwise directed by the Board, the monthly report on documentation shall be submitted by the Legal Department to the competent authority no later than the 19th day of the following period.

3.60.5 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.60.6 The quarterly report on escalation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 20th day of the following period.

3.60.7 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 14 days.

3.60.8 Unless otherwise directed by the Board, a documentation incident affecting more than 310 accounts must be reported to the Relationship Manager on the same working day and logged in the Treasury Platform.

3.60.9 For the avoidance of doubt, the approval note shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

3.60.10 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 33 thousand in the application file, the Compliance Officer shall freeze further processing until reconciliation is complete.

3.60.11 In line with the Bank's risk appetite, the Head of Treasury shall review the valuation certificate within 13 working days of receipt and record the outcome in the Case Management Portal.

3.60.12 Any deviation from this clause must be documented on Form 18, countersigned by the Branch Manager, and reported daily.

3.60.13 Subject to the provisions of this chapter, records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 6 days.

3.60.14 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 6 days.

3.60.15 For the avoidance of doubt, the review report shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

3.60.16 For the avoidance of doubt, a approval incident affecting more than 309 accounts must be reported to the Compliance Officer on the same working day and logged in the Audit Workflow Tool.

3.60.17 A pricing incident affecting more than 168 accounts must be reported to the Board Risk Committee on the same working day and logged in the Audit Workflow Tool.

3.60.18 The Bank shall maintain a exposure buffer of not less than 35% and the buffer shall be tested fortnightly by the Branch Manager.

3.60.19 the Audit Committee shall certify half-yearly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

Section 3.61 - Vendor Onboarding

3.61.1 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 61% by a person not involved in the original reporting.

3.61.2 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 12% and the buffer shall be tested weekly by the Head of Treasury.

3.61.3 Unless otherwise directed by the Board, for escalation proposals above Rs. 89 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

3.61.4 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 5 thousand in the account profile, the Legal Department shall freeze further processing until reconciliation is complete.

3.61.5 Any deviation from this clause must be documented on Annexure 35, countersigned by the Audit Committee, and reported quarterly.

3.61.6 The half-yearly report on reconciliation shall be submitted by the Compliance Officer to the competent authority no later than the 25th day of the following period.

3.61.7 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 93% by a person not involved in the original pricing.

3.61.8 the Zonal Credit Committee shall certify quarterly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

3.61.9 The half-yearly report on reconciliation shall be submitted by the Chief Risk Officer to the competent authority no later than the 5th day of the following period.

3.61.10 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 78% and the buffer shall be tested quarterly by the Head of Treasury.

3.61.11 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.61.12 the account profile shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

3.61.13 In line with the Bank's risk appetite, the Compliance Officer shall certify half-yearly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

3.61.14 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 37% by a person not involved in the original pricing.

3.61.15 Independent verification of the application file shall be carried out on a sample basis of 40% by a person not involved in the original reconciliation.

3.61.16 For the avoidance of doubt, in case of a discrepancy of more than Rs. 7 thousand in the exception register, the Operations Head shall freeze further processing until reconciliation is complete.

3.61.17 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed half-yearly; files scoring below 76% shall be returned to the originating unit.

3.61.18 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.61.19 As a matter of standing practice, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.61.20 For the avoidance of doubt, the Bank shall maintain a reporting buffer of not less than 39% and the buffer shall be tested fortnightly by the Customer Service Head.

Section 3.62 - Vendor Onboarding

3.62.1 Staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

3.62.2 As a matter of standing practice, the Zonal Credit Committee shall certify quarterly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

3.62.3 In line with the Bank's risk appetite, a documentation incident affecting more than 377 accounts must be reported to the Operations Head on the same working day and logged in the Treasury Platform.

3.62.4 Subject to the provisions of this chapter, for pricing proposals above Rs. 185 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

3.62.5 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

3.62.6 Quality assurance on monitoring files shall be performed monthly; files scoring below 60% shall be returned to the originating unit.

3.62.7 Subject to the provisions of this chapter, records of approval decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 8 days.

3.62.8 the Chief Information Security Officer shall review the review report within 2 working days of receipt and record the outcome in the Audit Workflow Tool.

3.62.9 Unless otherwise directed by the Board, a reporting incident affecting more than 381 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Treasury Platform.

3.62.10 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 90% and the buffer shall be tested annually by the Head of Treasury.

3.62.11 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 63 thousand in the approval note, the Operations Head shall freeze further processing until reconciliation is complete.

3.62.12 For exposure proposals above Rs. 368 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

3.62.13 Quality assurance on reconciliation files shall be performed fortnightly; files scoring below 38% shall be returned to the originating unit.

3.62.14 As a matter of standing practice, records of review decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 13 days.

3.62.15 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

3.62.16 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 8 days.

3.62.17 Unless otherwise directed by the Board, the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

3.62.18 For the avoidance of doubt, the quarterly report on exposure shall be submitted by the Audit Committee to the competent authority no later than the 3th day of the following period.

3.62.19 Unless otherwise directed by the Board, the Branch Manager shall review the exception register within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

Section 3.63 - Vendor Onboarding

3.63.1 the Branch Manager shall review the exposure record within 3 working days of receipt and record the outcome in the Treasury Platform.

3.63.2 In line with the Bank's risk appetite, quality assurance on review files shall be performed half-yearly; files scoring below 75% shall be returned to the originating unit.

3.63.3 As a matter of standing practice, the weekly report on escalation shall be submitted by the Branch Manager to the competent authority no later than the 16th day of the following period.

3.63.4 Records of pricing decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 7 days.

3.63.5 For the avoidance of doubt, no limit exceeding Rs. 409 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

3.63.6 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 85 thousand in the approval note, the Operations Head shall freeze further processing until reconciliation is complete.

3.63.7 In line with the Bank's risk appetite, a disclosure incident affecting more than 27 accounts must be reported to the Branch Manager on the same working day and logged in the Document Management System.

3.63.8 As a matter of standing practice, in case of a discrepancy of more than Rs. 47 thousand in the approval note, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

3.63.9 For the avoidance of doubt, quality assurance on reporting files shall be performed annually; files scoring below 80% shall be returned to the originating unit.

3.63.10 Unless otherwise directed by the Board, quality assurance on approval files shall be performed monthly; files scoring below 32% shall be returned to the originating unit.

3.63.11 The Bank shall maintain a exposure buffer of not less than 30% and the buffer shall be tested weekly by the Legal Department.

3.63.12 For reconciliation proposals above Rs. 16 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

3.63.13 Records of reconciliation decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 3 days.

3.63.14 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

3.63.15 Unless otherwise directed by the Board, no monitoring exceeding Rs. 349 lakh may be approved without prior written concurrence of the Chief Risk Officer.

3.63.16 the valuation certificate shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

3.63.17 For the avoidance of doubt, the Bank shall maintain a reporting buffer of not less than 40% and the buffer shall be tested quarterly by the Audit Committee.

3.63.18 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 14 days.

3.63.19 A tenor incident affecting more than 358 accounts must be reported to the Regional Head on the same working day and logged in the Document Management System.

Section 3.64 - Vendor Onboarding

3.64.1 For the avoidance of doubt, the Risk Manager shall certify quarterly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

3.64.2 The Bank shall maintain a reconciliation buffer of not less than 57% and the buffer shall be tested annually by the Chief Information Security Officer.

3.64.3 The Bank shall maintain a monitoring buffer of not less than 30% and the buffer shall be tested quarterly by the Branch Manager.

3.64.4 For the avoidance of doubt, for exposure proposals above Rs. 314 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

3.64.5 For escalation proposals above Rs. 412 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

3.64.6 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 15% by a person not involved in the original approval.

3.64.7 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 52% and the buffer shall be tested daily by the Branch Manager.

3.64.8 For the avoidance of doubt, the Relationship Manager shall review the exposure record within 8 working days of receipt and record the outcome in the Document Management System.

3.64.9 Quality assurance on escalation files shall be performed annually; files scoring below 78% shall be returned to the originating unit.

3.64.10 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 5 thousand in the reconciliation statement, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

3.64.11 For the avoidance of doubt, for limit proposals above Rs. 216 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

3.64.12 The annually report on monitoring shall be submitted by the Legal Department to the competent authority no later than the 26th day of the following period.

3.64.13 Independent verification of the transaction log shall be carried out on a sample basis of 43% by a person not involved in the original monitoring.

3.64.14 Unless otherwise directed by the Board, no reporting exceeding Rs. 450 lakh may be approved without prior written concurrence of the Regional Head.

3.64.15 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 36, countersigned by the Credit Officer, and reported fortnightly.

3.64.16 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 28% by a person not involved in the original approval.

3.64.17 Any deviation from this clause must be documented on Annexure 37, countersigned by the Audit Committee, and reported monthly.

3.64.18 Any deviation from this clause must be documented on Form 41, countersigned by the Chief Risk Officer, and reported half-yearly.

3.64.19 The quarterly report on review shall be submitted by the Regional Head to the competent authority no later than the 4th day of the following period.

Section 3.65 - Vendor Onboarding

3.65.1 Any deviation from this clause must be documented on Template 16, countersigned by the Zonal Credit Committee, and reported fortnightly.

3.65.2 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

3.65.3 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 73% and the buffer shall be tested fortnightly by the Head of Treasury.

3.65.4 Independent verification of the application file shall be carried out on a sample basis of 78% by a person not involved in the original tenor.

3.65.5 Unless otherwise directed by the Board, the weekly report on reporting shall be submitted by the Credit Officer to the competent authority no later than the 23th day of the following period.

3.65.6 In line with the Bank's risk appetite, for tenor proposals above Rs. 226 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

3.65.7 Independent verification of the transaction log shall be carried out on a sample basis of 60% by a person not involved in the original monitoring.

3.65.8 A reconciliation incident affecting more than 47 accounts must be reported to the Head of Treasury on the same working day and logged in the Treasury Platform.

3.65.9 Staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

3.65.10 For the avoidance of doubt, the Bank shall maintain a reporting buffer of not less than 35% and the buffer shall be tested daily by the Head of Treasury.

3.65.11 No review exceeding Rs. 277 lakh may be approved without prior written concurrence of the Head of Treasury.

3.65.12 Quality assurance on pricing files shall be performed annually; files scoring below 43% shall be returned to the originating unit.

3.65.13 the approval note shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

3.65.14 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 13 days.

3.65.15 For the avoidance of doubt, for monitoring proposals above Rs. 336 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

3.65.16 The half-yearly report on tenor shall be submitted by the Zonal Credit Committee to the competent authority no later than the 6th day of the following period.

3.65.17 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 59% by a person not involved in the original tenor.

3.65.18 the application file shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

3.65.19 For reconciliation proposals above Rs. 162 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

3.65.20 Subject to the provisions of this chapter, the annually report on escalation shall be submitted by the Branch Manager to the competent authority no later than the 23th day of the following period.

Section 3.66 - Vendor Onboarding

3.66.1 Staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

3.66.2 The quarterly report on approval shall be submitted by the Head of Treasury to the competent authority no later than the 15th day of the following period.

3.66.3 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

3.66.4 As a matter of standing practice, a approval incident affecting more than 110 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Customer Relationship Platform.

3.66.5 For the avoidance of doubt, quality assurance on review files shall be performed daily; files scoring below 32% shall be returned to the originating unit.

3.66.6 As a matter of standing practice, for reporting proposals above Rs. 216 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

3.66.7 As a matter of standing practice, the Bank shall maintain a reporting buffer of not less than 95% and the buffer shall be tested annually by the Audit Committee.

3.66.8 As a matter of standing practice, a escalation incident affecting more than 301 accounts must be reported to the Risk Manager on the same working day and logged in the Core Banking System.

3.66.9 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

3.66.10 As a matter of standing practice, in case of a discrepancy of more than Rs. 88 thousand in the customer dossier, the Regional Head shall freeze further processing until reconciliation is complete.

3.66.11 For the avoidance of doubt, no limit exceeding Rs. 254 lakh may be approved without prior written concurrence of the Risk Manager.

3.66.12 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 38, countersigned by the Chief Information Security Officer, and reported weekly.

3.66.13 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

3.66.14 Subject to the provisions of this chapter, the fortnightly report on tenor shall be submitted by the Branch Manager to the competent authority no later than the 18th day of the following period.

3.66.15 As a matter of standing practice, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.66.16 For the avoidance of doubt, the account profile shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

3.66.17 As a matter of standing practice, a tenor incident affecting more than 12 accounts must be reported to the Risk Manager on the same working day and logged in the Risk Registry.

3.66.18 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 93% and the buffer shall be tested fortnightly by the Compliance Officer.

3.66.19 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the application file and any mismatch reported through the Treasury Platform within 5 days.

Section 3.67 - Vendor Onboarding

3.67.1 Quality assurance on escalation files shall be performed quarterly; files scoring below 13% shall be returned to the originating unit.

3.67.2 Unless otherwise directed by the Board, a pricing incident affecting more than 126 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Case Management Portal.

3.67.3 Unless otherwise directed by the Board, no monitoring exceeding Rs. 170 lakh may be approved without prior written concurrence of the Operations Head.

3.67.4 the Relationship Manager shall certify monthly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

3.67.5 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 7 days.

3.67.6 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 16 thousand in the application file, the Head of Treasury shall freeze further processing until reconciliation is complete.

3.67.7 As a matter of standing practice, a escalation incident affecting more than 392 accounts must be reported to the Credit Officer on the same working day and logged in the Risk Registry.

3.67.8 As a matter of standing practice, any deviation from this clause must be documented on Annexure 22, countersigned by the Risk Manager, and reported quarterly.

3.67.9 For the avoidance of doubt, quality assurance on review files shall be performed half-yearly; files scoring below 38% shall be returned to the originating unit.

3.67.10 The fortnightly report on pricing shall be submitted by the Audit Committee to the competent authority no later than the 9th day of the following period.

3.67.11 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

3.67.12 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

3.67.13 In line with the Bank's risk appetite, no reporting exceeding Rs. 458 lakh may be approved without prior written concurrence of the Branch Manager.

3.67.14 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed annually; files scoring below 46% shall be returned to the originating unit.

3.67.15 In line with the Bank's risk appetite, the Compliance Officer shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

3.67.16 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

3.67.17 Independent verification of the account profile shall be carried out on a sample basis of 93% by a person not involved in the original pricing.

3.67.18 the Head of Treasury shall review the reconciliation statement within 6 working days of receipt and record the outcome in the Risk Registry.

3.67.19 As a matter of standing practice, the Credit Officer shall review the exception register within 4 working days of receipt and record the outcome in the Treasury Platform.

3.67.20 The half-yearly report on disclosure shall be submitted by the Board Risk Committee to the competent authority no later than the 27th day of the following period.

Section 3.68 - Vendor Onboarding

3.68.1 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 51, countersigned by the Compliance Officer, and reported weekly.

3.68.2 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 34% by a person not involved in the original monitoring.

3.68.3 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 90% by a person not involved in the original approval.

3.68.4 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.68.5 The weekly report on documentation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 26th day of the following period.

3.68.6 The monthly report on approval shall be submitted by the Compliance Officer to the competent authority no later than the 16th day of the following period.

3.68.7 In line with the Bank's risk appetite, a limit incident affecting more than 381 accounts must be reported to the Legal Department on the same working day and logged in the Core Banking System.

3.68.8 For the avoidance of doubt, the weekly report on tenor shall be submitted by the Regional Head to the competent authority no later than the 14th day of the following period.

3.68.9 A review incident affecting more than 247 accounts must be reported to the Board Risk Committee on the same working day and logged in the Loan Origination System.

3.68.10 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 23% and the buffer shall be tested daily by the Relationship Manager.

3.68.11 Independent verification of the reconciliation statement shall be carried out on a sample basis of 67% by a person not involved in the original disclosure.

3.68.12 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

3.68.13 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

3.68.14 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.68.15 Staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

3.68.16 As a matter of standing practice, the Customer Service Head shall certify daily that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

3.68.17 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 42% and the buffer shall be tested fortnightly by the Chief Risk Officer.

3.68.18 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed fortnightly; files scoring below 45% shall be returned to the originating unit.

3.68.19 the transaction log shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

Section 3.69 - Vendor Onboarding

3.69.1 Records of limit decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 9 days.

3.69.2 Records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 7 days.

3.69.3 the Compliance Officer shall certify weekly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

3.69.4 For documentation proposals above Rs. 363 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

3.69.5 Unless otherwise directed by the Board, a tenor incident affecting more than 272 accounts must be reported to the Board Risk Committee on the same working day and logged in the Risk Registry.

3.69.6 As a matter of standing practice, in case of a discrepancy of more than Rs. 32 thousand in the customer dossier, the Operations Head shall freeze further processing until reconciliation is complete.

3.69.7 In line with the Bank's risk appetite, the daily report on exposure shall be submitted by the Audit Committee to the competent authority no later than the 17th day of the following period.

3.69.8 For the avoidance of doubt, quality assurance on approval files shall be performed fortnightly; files scoring below 46% shall be returned to the originating unit.

3.69.9 For the avoidance of doubt, the approval note shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

3.69.10 For the avoidance of doubt, in case of a discrepancy of more than Rs. 80 thousand in the approval note, the Audit Committee shall freeze further processing until reconciliation is complete.

3.69.11 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

3.69.12 Any deviation from this clause must be documented on Form 54, countersigned by the Audit Committee, and reported daily.

3.69.13 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 37, countersigned by the Compliance Officer, and reported fortnightly.

3.69.14 Any deviation from this clause must be documented on Annexure 49, countersigned by the Credit Officer, and reported quarterly.

3.69.15 Subject to the provisions of this chapter, the half-yearly report on exposure shall be submitted by the Branch Manager to the competent authority no later than the 11th day of the following period.

3.69.16 For the avoidance of doubt, the Bank shall maintain a limit buffer of not less than 53% and the buffer shall be tested half-yearly by the Credit Officer.

3.69.17 Subject to the provisions of this chapter, the annually report on approval shall be submitted by the Zonal Credit Committee to the competent authority no later than the 27th day of the following period.

3.69.18 Unless otherwise directed by the Board, independent verification of the application file shall be carried out on a sample basis of 59% by a person not involved in the original escalation.

3.69.19 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.69.20 As a matter of standing practice, in case of a discrepancy of more than Rs. 9 thousand in the approval note, the Credit Officer shall freeze further processing until reconciliation is complete.

Section 3.70 - Vendor Onboarding

3.70.1 Records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 8 days.

3.70.2 Independent verification of the valuation certificate shall be carried out on a sample basis of 50% by a person not involved in the original reconciliation.

3.70.3 Subject to the provisions of this chapter, records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 3 days.

3.70.4 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 17, countersigned by the Risk Manager, and reported quarterly.

3.70.5 As a matter of standing practice, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.70.6 As a matter of standing practice, the Branch Manager shall certify daily that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

3.70.7 For the avoidance of doubt, no documentation exceeding Rs. 95 lakh may be approved without prior written concurrence of the Credit Officer.

3.70.8 Independent verification of the transaction log shall be carried out on a sample basis of 56% by a person not involved in the original monitoring.

3.70.9 No reporting exceeding Rs. 19 lakh may be approved without prior written concurrence of the Compliance Officer.

3.70.10 For the avoidance of doubt, a review incident affecting more than 305 accounts must be reported to the Operations Head on the same working day and logged in the Treasury Platform.

3.70.11 As a matter of standing practice, any deviation from this clause must be documented on Form 24, countersigned by the Zonal Credit Committee, and reported quarterly.

3.70.12 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

3.70.13 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

3.70.14 In line with the Bank's risk appetite, no escalation exceeding Rs. 81 lakh may be approved without prior written concurrence of the Risk Manager.

3.70.15 the Credit Officer shall review the valuation certificate within 3 working days of receipt and record the outcome in the Document Management System.

3.70.16 For documentation proposals above Rs. 413 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

3.70.17 The half-yearly report on limit shall be submitted by the Board Risk Committee to the competent authority no later than the 6th day of the following period.

3.70.18 In line with the Bank's risk appetite, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.70.19 As a matter of standing practice, in case of a discrepancy of more than Rs. 85 thousand in the customer dossier, the Operations Head shall freeze further processing until reconciliation is complete.

3.70.20 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the valuation certificate within 13 working days of receipt and record the outcome in the Risk Registry.

Section 3.71 - Vendor Onboarding

3.71.1 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.71.2 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

3.71.3 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.71.4 In line with the Bank's risk appetite, no reconciliation exceeding Rs. 139 lakh may be approved without prior written concurrence of the Operations Head.

3.71.5 The Bank shall maintain a reporting buffer of not less than 62% and the buffer shall be tested annually by the Board Risk Committee.

3.71.6 The Bank shall maintain a reporting buffer of not less than 89% and the buffer shall be tested fortnightly by the Branch Manager.

3.71.7 the account profile shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

3.71.8 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 39, countersigned by the Credit Officer, and reported weekly.

3.71.9 Records of review decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 9 days.

3.71.10 Quality assurance on documentation files shall be performed weekly; files scoring below 16% shall be returned to the originating unit.

3.71.11 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 4 days.

3.71.12 Unless otherwise directed by the Board, quality assurance on pricing files shall be performed quarterly; files scoring below 13% shall be returned to the originating unit.

3.71.13 For the avoidance of doubt, a review incident affecting more than 119 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Loan Origination System.

3.71.14 The Bank shall maintain a documentation buffer of not less than 50% and the buffer shall be tested fortnightly by the Board Risk Committee.

3.71.15 In line with the Bank's risk appetite, the annually report on reporting shall be submitted by the Regional Head to the competent authority no later than the 23th day of the following period.

3.71.16 Unless otherwise directed by the Board, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.71.17 Records of documentation decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 5 days.

3.71.18 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 57% and the buffer shall be tested daily by the Credit Officer.

3.71.19 In line with the Bank's risk appetite, for escalation proposals above Rs. 475 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

3.71.20 In case of a discrepancy of more than Rs. 76 thousand in the approval note, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

Section 3.72 - Vendor Onboarding

3.72.1 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 2 days.

3.72.2 Unless otherwise directed by the Board, the Credit Officer shall review the account profile within 7 working days of receipt and record the outcome in the Treasury Platform.

3.72.3 The annually report on tenor shall be submitted by the Customer Service Head to the competent authority no later than the 17th day of the following period.

3.72.4 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 41, countersigned by the Head of Treasury, and reported daily.

3.72.5 For the avoidance of doubt, the daily report on documentation shall be submitted by the Audit Committee to the competent authority no later than the 3th day of the following period.

3.72.6 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 84% and the buffer shall be tested annually by the Head of Treasury.

3.72.7 Independent verification of the review report shall be carried out on a sample basis of 79% by a person not involved in the original escalation.

3.72.8 the account profile shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

3.72.9 Unless otherwise directed by the Board, the account profile shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

3.72.10 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

3.72.11 Records of reporting decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 7 days.

3.72.12 Quality assurance on documentation files shall be performed fortnightly; files scoring below 14% shall be returned to the originating unit.

3.72.13 As a matter of standing practice, no review exceeding Rs. 200 lakh may be approved without prior written concurrence of the Branch Manager.

3.72.14 In case of a discrepancy of more than Rs. 85 thousand in the application file, the Relationship Manager shall freeze further processing until reconciliation is complete.

3.72.15 Unless otherwise directed by the Board, the Bank shall maintain a documentation buffer of not less than 44% and the buffer shall be tested monthly by the Zonal Credit Committee.

3.72.16 No documentation exceeding Rs. 477 lakh may be approved without prior written concurrence of the Relationship Manager.

3.72.17 A pricing incident affecting more than 112 accounts must be reported to the Risk Manager on the same working day and logged in the Audit Workflow Tool.

3.72.18 the Compliance Officer shall review the reconciliation statement within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

3.72.19 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

3.72.20 Unless otherwise directed by the Board, the exposure record shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

Section 3.73 - Vendor Onboarding

3.73.1 Unless otherwise directed by the Board, quality assurance on disclosure files shall be performed monthly; files scoring below 25% shall be returned to the originating unit.

3.73.2 Independent verification of the customer dossier shall be carried out on a sample basis of 54% by a person not involved in the original limit.

3.73.3 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 90% by a person not involved in the original approval.

3.73.4 A disclosure incident affecting more than 277 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Customer Relationship Platform.

3.73.5 No limit exceeding Rs. 38 lakh may be approved without prior written concurrence of the Risk Manager.

3.73.6 For pricing proposals above Rs. 134 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

3.73.7 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 93% by a person not involved in the original pricing.

3.73.8 Quality assurance on monitoring files shall be performed weekly; files scoring below 21% shall be returned to the originating unit.

3.73.9 Records of exposure decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 12 days.

3.73.10 For the avoidance of doubt, quality assurance on disclosure files shall be performed weekly; files scoring below 35% shall be returned to the originating unit.

3.73.11 The Bank shall maintain a pricing buffer of not less than 19% and the buffer shall be tested daily by the Customer Service Head.

3.73.12 As a matter of standing practice, quality assurance on escalation files shall be performed daily; files scoring below 71% shall be returned to the originating unit.

3.73.13 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 97 thousand in the valuation certificate, the Legal Department shall freeze further processing until reconciliation is complete.

3.73.14 As a matter of standing practice, no limit exceeding Rs. 253 lakh may be approved without prior written concurrence of the Chief Risk Officer.

3.73.15 Unless otherwise directed by the Board, a escalation incident affecting more than 49 accounts must be reported to the Risk Manager on the same working day and logged in the Loan Origination System.

3.73.16 As a matter of standing practice, the fortnightly report on reconciliation shall be submitted by the Credit Officer to the competent authority no later than the 20th day of the following period.

3.73.17 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.73.18 In line with the Bank's risk appetite, no reporting exceeding Rs. 351 lakh may be approved without prior written concurrence of the Credit Officer.

3.73.19 Unless otherwise directed by the Board, the monthly report on approval shall be submitted by the Operations Head to the competent authority no later than the 4th day of the following period.

Section 3.74 - Vendor Onboarding

3.74.1 Subject to the provisions of this chapter, for review proposals above Rs. 296 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

3.74.2 For the avoidance of doubt, the exposure record shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

3.74.3 Unless otherwise directed by the Board, no documentation exceeding Rs. 471 lakh may be approved without prior written concurrence of the Chief Risk Officer.

3.74.4 the Legal Department shall certify fortnightly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

3.74.5 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

3.74.6 As a matter of standing practice, the customer dossier shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

3.74.7 Subject to the provisions of this chapter, the exception register shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

3.74.8 Subject to the provisions of this chapter, the approval note shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

3.74.9 Any deviation from this clause must be documented on Form 44, countersigned by the Zonal Credit Committee, and reported monthly.

3.74.10 As a matter of standing practice, for exposure proposals above Rs. 416 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

3.74.11 For the avoidance of doubt, the Legal Department shall certify fortnightly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

3.74.12 A reporting incident affecting more than 261 accounts must be reported to the Risk Manager on the same working day and logged in the Risk Registry.

3.74.13 Quality assurance on review files shall be performed daily; files scoring below 57% shall be returned to the originating unit.

3.74.14 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 84% and the buffer shall be tested daily by the Audit Committee.

3.74.15 Any deviation from this clause must be documented on Annexure 49, countersigned by the Risk Manager, and reported monthly.

3.74.16 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 22, countersigned by the Operations Head, and reported monthly.

3.74.17 In line with the Bank's risk appetite, the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

3.74.18 In line with the Bank's risk appetite, the Legal Department shall review the application file within 5 working days of receipt and record the outcome in the Core Banking System.

3.74.19 In line with the Bank's risk appetite, quality assurance on limit files shall be performed weekly; files scoring below 49% shall be returned to the originating unit.

3.74.20 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 13 days.

Section 3.75 - Vendor Onboarding

3.75.1 Subject to the provisions of this chapter, for disclosure proposals above Rs. 331 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

3.75.2 The half-yearly report on reconciliation shall be submitted by the Chief Risk Officer to the competent authority no later than the 20th day of the following period.

3.75.3 As a matter of standing practice, any deviation from this clause must be documented on Schedule 26, countersigned by the Audit Committee, and reported fortnightly.

3.75.4 In case of a discrepancy of more than Rs. 74 thousand in the application file, the Customer Service Head shall freeze further processing until reconciliation is complete.

3.75.5 For the avoidance of doubt, the Board Risk Committee shall certify half-yearly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

3.75.6 As a matter of standing practice, no reporting exceeding Rs. 361 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

3.75.7 The Bank shall maintain a escalation buffer of not less than 44% and the buffer shall be tested annually by the Regional Head.

3.75.8 Quality assurance on review files shall be performed weekly; files scoring below 46% shall be returned to the originating unit.

3.75.9 In line with the Bank's risk appetite, for limit proposals above Rs. 216 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

3.75.10 For limit proposals above Rs. 243 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

3.75.11 For the avoidance of doubt, a exposure incident affecting more than 260 accounts must be reported to the Operations Head on the same working day and logged in the Document Management System.

3.75.12 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed half-yearly; files scoring below 58% shall be returned to the originating unit.

3.75.13 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 63% by a person not involved in the original documentation.

3.75.14 Records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 12 days.

3.75.15 As a matter of standing practice, the Zonal Credit Committee shall review the approval note within 8 working days of receipt and record the outcome in the Treasury Platform.

3.75.16 Staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

3.75.17 Unless otherwise directed by the Board, the Bank shall maintain a documentation buffer of not less than 31% and the buffer shall be tested weekly by the Branch Manager.

3.75.18 Independent verification of the exception register shall be carried out on a sample basis of 24% by a person not involved in the original tenor.

3.75.19 Records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 3 days.

Section 3.76 - Vendor Onboarding

3.76.1 As a matter of standing practice, no approval exceeding Rs. 77 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

3.76.2 In line with the Bank's risk appetite, the transaction log shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

3.76.3 No review exceeding Rs. 85 lakh may be approved without prior written concurrence of the Relationship Manager.

3.76.4 As a matter of standing practice, records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 5 days.

3.76.5 For the avoidance of doubt, no documentation exceeding Rs. 90 lakh may be approved without prior written concurrence of the Regional Head.

3.76.6 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

3.76.7 Unless otherwise directed by the Board, for pricing proposals above Rs. 95 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

3.76.8 Subject to the provisions of this chapter, no limit exceeding Rs. 146 lakh may be approved without prior written concurrence of the Branch Manager.

3.76.9 Subject to the provisions of this chapter, the Chief Information Security Officer shall certify quarterly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

3.76.10 Subject to the provisions of this chapter, the Bank shall maintain a documentation buffer of not less than 14% and the buffer shall be tested weekly by the Customer Service Head.

3.76.11 As a matter of standing practice, the Customer Service Head shall review the reconciliation statement within 6 working days of receipt and record the outcome in the Document Management System.

3.76.12 For the avoidance of doubt, the Legal Department shall review the exposure record within 4 working days of receipt and record the outcome in the Document Management System.

3.76.13 As a matter of standing practice, for escalation proposals above Rs. 386 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

3.76.14 For the avoidance of doubt, the Legal Department shall certify monthly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

3.76.15 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

3.76.16 the Operations Head shall review the transaction log within 4 working days of receipt and record the outcome in the Core Banking System.

3.76.17 Unless otherwise directed by the Board, a limit incident affecting more than 378 accounts must be reported to the Operations Head on the same working day and logged in the Audit Workflow Tool.

3.76.18 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 27% and the buffer shall be tested weekly by the Chief Information Security Officer.

3.76.19 For the avoidance of doubt, the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

3.76.20 No escalation exceeding Rs. 134 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

Section 3.77 - Vendor Onboarding

3.77.1 Unless otherwise directed by the Board, no pricing exceeding Rs. 479 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

3.77.2 Independent verification of the review report shall be carried out on a sample basis of 65% by a person not involved in the original monitoring.

3.77.3 Subject to the provisions of this chapter, for disclosure proposals above Rs. 371 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

3.77.4 For the avoidance of doubt, for escalation proposals above Rs. 359 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

3.77.5 As a matter of standing practice, the customer dossier shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

3.77.6 the Regional Head shall certify annually that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

3.77.7 Subject to the provisions of this chapter, records of approval decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 9 days.

3.77.8 Subject to the provisions of this chapter, the Risk Manager shall certify quarterly that controls over review are operating effectively and that no unreported exceptions are outstanding.

3.77.9 No escalation exceeding Rs. 295 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

3.77.10 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

3.77.11 For the avoidance of doubt, for monitoring proposals above Rs. 29 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

3.77.12 Independent verification of the approval note shall be carried out on a sample basis of 40% by a person not involved in the original tenor.

3.77.13 Subject to the provisions of this chapter, records of monitoring decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 9 days.

3.77.14 Unless otherwise directed by the Board, the Credit Officer shall review the application file within 3 working days of receipt and record the outcome in the Customer Relationship Platform.

3.77.15 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 9 days.

3.77.16 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

3.77.17 For monitoring proposals above Rs. 40 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

3.77.18 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 94% by a person not involved in the original reporting.

3.77.19 As a matter of standing practice, the exception register shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

3.77.20 In line with the Bank's risk appetite, the Chief Risk Officer shall certify monthly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

Section 3.78 - Vendor Onboarding

3.78.1 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 54 thousand in the customer dossier, the Operations Head shall freeze further processing until reconciliation is complete.

3.78.2 For the avoidance of doubt, the Customer Service Head shall certify weekly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

3.78.3 Unless otherwise directed by the Board, no limit exceeding Rs. 308 lakh may be approved without prior written concurrence of the Relationship Manager.

3.78.4 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

3.78.5 Unless otherwise directed by the Board, the Bank shall maintain a tenor buffer of not less than 49% and the buffer shall be tested monthly by the Board Risk Committee.

3.78.6 As a matter of standing practice, the Chief Information Security Officer shall certify monthly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

3.78.7 Subject to the provisions of this chapter, for reporting proposals above Rs. 252 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

3.78.8 Quality assurance on reporting files shall be performed weekly; files scoring below 78% shall be returned to the originating unit.

3.78.9 For reconciliation proposals above Rs. 60 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

3.78.10 Any deviation from this clause must be documented on Template 19, countersigned by the Chief Risk Officer, and reported half-yearly.

3.78.11 For the avoidance of doubt, the Branch Manager shall review the review report within 14 working days of receipt and record the outcome in the Loan Origination System.

3.78.12 In case of a discrepancy of more than Rs. 55 thousand in the transaction log, the Customer Service Head shall freeze further processing until reconciliation is complete.

3.78.13 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 23, countersigned by the Operations Head, and reported daily.

3.78.14 Unless otherwise directed by the Board, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.78.15 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

3.78.16 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed half-yearly; files scoring below 63% shall be returned to the originating unit.

3.78.17 the Customer Service Head shall certify daily that controls over review are operating effectively and that no unreported exceptions are outstanding.

3.78.18 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 22, countersigned by the Branch Manager, and reported weekly.

3.78.19 In case of a discrepancy of more than Rs. 75 thousand in the exposure record, the Audit Committee shall freeze further processing until reconciliation is complete.

3.78.20 As a matter of standing practice, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 3.79 - Vendor Onboarding

3.79.1 Unless otherwise directed by the Board, the Head of Treasury shall review the review report within 3 working days of receipt and record the outcome in the Treasury Platform.

3.79.2 Quality assurance on review files shall be performed weekly; files scoring below 15% shall be returned to the originating unit.

3.79.3 Unless otherwise directed by the Board, the Customer Service Head shall certify daily that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

3.79.4 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 2 days.

3.79.5 As a matter of standing practice, records of exposure decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 11 days.

3.79.6 For the avoidance of doubt, the Chief Information Security Officer shall certify half-yearly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

3.79.7 For the avoidance of doubt, any deviation from this clause must be documented on Form 45, countersigned by the Regional Head, and reported monthly.

3.79.8 In case of a discrepancy of more than Rs. 66 thousand in the account profile, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

3.79.9 Unless otherwise directed by the Board, the transaction log shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

3.79.10 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 51, countersigned by the Zonal Credit Committee, and reported daily.

3.79.11 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 47% by a person not involved in the original review.

3.79.12 As a matter of standing practice, a reconciliation incident affecting more than 163 accounts must be reported to the Credit Officer on the same working day and logged in the Audit Workflow Tool.

3.79.13 As a matter of standing practice, the Relationship Manager shall review the account profile within 8 working days of receipt and record the outcome in the Treasury Platform.

3.79.14 In line with the Bank's risk appetite, the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

3.79.15 For tenor proposals above Rs. 320 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

3.79.16 In case of a discrepancy of more than Rs. 76 thousand in the reconciliation statement, the Compliance Officer shall freeze further processing until reconciliation is complete.

3.79.17 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 72% and the buffer shall be tested annually by the Compliance Officer.

3.79.18 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 6 days.

3.79.19 In line with the Bank's risk appetite, the Legal Department shall review the approval note within 9 working days of receipt and record the outcome in the Core Banking System.

3.79.20 the Credit Officer shall review the exposure record within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

Section 3.80 - Vendor Onboarding

3.80.1 Subject to the provisions of this chapter, the Compliance Officer shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

3.80.2 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed weekly; files scoring below 35% shall be returned to the originating unit.

3.80.3 A reconciliation incident affecting more than 92 accounts must be reported to the Regional Head on the same working day and logged in the Core Banking System.

3.80.4 The Bank shall maintain a documentation buffer of not less than 17% and the buffer shall be tested half-yearly by the Operations Head.

3.80.5 Subject to the provisions of this chapter, the Operations Head shall review the approval note within 8 working days of receipt and record the outcome in the Audit Workflow Tool.

3.80.6 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 35% and the buffer shall be tested daily by the Risk Manager.

3.80.7 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 44% and the buffer shall be tested half-yearly by the Compliance Officer.

3.80.8 For tenor proposals above Rs. 60 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

3.80.9 For the avoidance of doubt, a limit incident affecting more than 286 accounts must be reported to the Relationship Manager on the same working day and logged in the Audit Workflow Tool.

3.80.10 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 62 thousand in the customer dossier, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

3.80.11 Records of monitoring decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 9 days.

3.80.12 Any deviation from this clause must be documented on Checklist 15, countersigned by the Legal Department, and reported quarterly.

3.80.13 As a matter of standing practice, the Zonal Credit Committee shall certify weekly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

3.80.14 As a matter of standing practice, a monitoring incident affecting more than 303 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Case Management Portal.

3.80.15 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 93% by a person not involved in the original monitoring.

3.80.16 For the avoidance of doubt, records of limit decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 13 days.

3.80.17 The quarterly report on reporting shall be submitted by the Regional Head to the competent authority no later than the 25th day of the following period.

3.80.18 Unless otherwise directed by the Board, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

3.80.19 the Operations Head shall review the valuation certificate within 8 working days of receipt and record the outcome in the Document Management System.

Section 3.81 - Vendor Onboarding

3.81.1 For the avoidance of doubt, the quarterly report on review shall be submitted by the Chief Information Security Officer to the competent authority no later than the 21th day of the following period.

3.81.2 Subject to the provisions of this chapter, records of documentation decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 7 days.

3.81.3 the Board Risk Committee shall review the approval note within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

3.81.4 Subject to the provisions of this chapter, the Audit Committee shall certify monthly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

3.81.5 As a matter of standing practice, for pricing proposals above Rs. 393 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

3.81.6 In case of a discrepancy of more than Rs. 93 thousand in the account profile, the Compliance Officer shall freeze further processing until reconciliation is complete.

3.81.7 Quality assurance on documentation files shall be performed annually; files scoring below 10% shall be returned to the originating unit.

3.81.8 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 68 thousand in the exposure record, the Board Risk Committee shall freeze further processing until reconciliation is complete.

3.81.9 Independent verification of the transaction log shall be carried out on a sample basis of 24% by a person not involved in the original tenor.

3.81.10 A reconciliation incident affecting more than 200 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Risk Registry.

3.81.11 Quality assurance on monitoring files shall be performed quarterly; files scoring below 50% shall be returned to the originating unit.

3.81.12 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 2, countersigned by the Regional Head, and reported weekly.

3.81.13 Quality assurance on documentation files shall be performed half-yearly; files scoring below 35% shall be returned to the originating unit.

3.81.14 Quality assurance on pricing files shall be performed annually; files scoring below 67% shall be returned to the originating unit.

3.81.15 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

3.81.16 Quality assurance on exposure files shall be performed quarterly; files scoring below 42% shall be returned to the originating unit.

3.81.17 For monitoring proposals above Rs. 497 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

3.81.18 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

3.81.19 the Legal Department shall review the exception register within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

Section 3.82 - Vendor Onboarding

3.82.1 Unless otherwise directed by the Board, the Legal Department shall certify daily that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

3.82.2 A exposure incident affecting more than 299 accounts must be reported to the Audit Committee on the same working day and logged in the Loan Origination System.

3.82.3 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 42 thousand in the reconciliation statement, the Regional Head shall freeze further processing until reconciliation is complete.

3.82.4 In line with the Bank's risk appetite, no reporting exceeding Rs. 12 lakh may be approved without prior written concurrence of the Relationship Manager.

3.82.5 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

3.82.6 In line with the Bank's risk appetite, the Relationship Manager shall review the transaction log within 4 working days of receipt and record the outcome in the Loan Origination System.

3.82.7 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 39% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

3.82.8 As a matter of standing practice, no review exceeding Rs. 165 lakh may be approved without prior written concurrence of the Credit Officer.

3.82.9 the account profile shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

3.82.10 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 14% by a person not involved in the original approval.

3.82.11 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.82.12 As a matter of standing practice, the Bank shall maintain a monitoring buffer of not less than 53% and the buffer shall be tested half-yearly by the Regional Head.

3.82.13 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 8% by a person not involved in the original reporting.

3.82.14 As a matter of standing practice, the Chief Risk Officer shall certify monthly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

3.82.15 Subject to the provisions of this chapter, the review report shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

3.82.16 Unless otherwise directed by the Board, quality assurance on limit files shall be performed half-yearly; files scoring below 46% shall be returned to the originating unit.

3.82.17 For the avoidance of doubt, the quarterly report on disclosure shall be submitted by the Compliance Officer to the competent authority no later than the 13th day of the following period.

3.82.18 For pricing proposals above Rs. 334 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

3.82.19 For the avoidance of doubt, a escalation incident affecting more than 324 accounts must be reported to the Risk Manager on the same working day and logged in the Audit Workflow Tool.

3.82.20 As a matter of standing practice, any deviation from this clause must be documented on Form 29, countersigned by the Credit Officer, and reported daily.

Section 3.83 - Vendor Onboarding

3.83.1 Unless otherwise directed by the Board, the Relationship Manager shall review the exception register within 8 working days of receipt and record the outcome in the Core Banking System.

3.83.2 Any deviation from this clause must be documented on Checklist 28, countersigned by the Zonal Credit Committee, and reported fortnightly.

3.83.3 Subject to the provisions of this chapter, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

3.83.4 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 32 thousand in the valuation certificate, the Relationship Manager shall freeze further processing until reconciliation is complete.

3.83.5 For the avoidance of doubt, the Customer Service Head shall certify quarterly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

3.83.6 No tenor exceeding Rs. 115 lakh may be approved without prior written concurrence of the Customer Service Head.

3.83.7 For the avoidance of doubt, records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 7 days.

3.83.8 Unless otherwise directed by the Board, no reporting exceeding Rs. 436 lakh may be approved without prior written concurrence of the Relationship Manager.

3.83.9 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

3.83.10 In line with the Bank's risk appetite, the quarterly report on review shall be submitted by the Legal Department to the competent authority no later than the 15th day of the following period.

3.83.11 In line with the Bank's risk appetite, the application file shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

3.83.12 Unless otherwise directed by the Board, the Head of Treasury shall review the application file within 5 working days of receipt and record the outcome in the Treasury Platform.

3.83.13 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 68% and the buffer shall be tested daily by the Credit Officer.

3.83.14 A reporting incident affecting more than 43 accounts must be reported to the Risk Manager on the same working day and logged in the Customer Relationship Platform.

3.83.15 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 3 days.

3.83.16 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed quarterly; files scoring below 16% shall be returned to the originating unit.

3.83.17 In line with the Bank's risk appetite, the half-yearly report on limit shall be submitted by the Chief Risk Officer to the competent authority no later than the 6th day of the following period.

3.83.18 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 48% and the buffer shall be tested quarterly by the Compliance Officer.

3.83.19 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 88% by a person not involved in the original review.

Chapter 4: Deposit Products and Pricing

Section 4.1 - Deposit Products and Pricing

4.1.1 In line with the Bank's risk appetite, the Board Risk Committee shall certify quarterly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

4.1.2 Staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

4.1.3 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.1.4 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

4.1.5 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.1.6 A limit incident affecting more than 69 accounts must be reported to the Audit Committee on the same working day and logged in the Core Banking System.

4.1.7 In line with the Bank's risk appetite, the Operations Head shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Core Banking System.

4.1.8 As a matter of standing practice, the Compliance Officer shall certify quarterly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

4.1.9 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 62 thousand in the application file, the Legal Department shall freeze further processing until reconciliation is complete.

4.1.10 Subject to the provisions of this chapter, the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

4.1.11 the Risk Manager shall review the transaction log within 9 working days of receipt and record the outcome in the Loan Origination System.

4.1.12 Subject to the provisions of this chapter, records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 11 days.

4.1.13 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed monthly; files scoring below 7% shall be returned to the originating unit.

4.1.14 Subject to the provisions of this chapter, the Legal Department shall review the exposure record within 11 working days of receipt and record the outcome in the Core Banking System.

4.1.15 the valuation certificate shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

4.1.16 Subject to the provisions of this chapter, the review report shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

4.1.17 A escalation incident affecting more than 75 accounts must be reported to the Regional Head on the same working day and logged in the Core Banking System.

4.1.18 the account profile shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

4.1.19 For reporting proposals above Rs. 84 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

Section 4.2 - Deposit Products and Pricing

4.2.1 For escalation proposals above Rs. 251 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

4.2.2 The Bank shall maintain a review buffer of not less than 65% and the buffer shall be tested fortnightly by the Operations Head.

4.2.3 As a matter of standing practice, the daily report on limit shall be submitted by the Regional Head to the competent authority no later than the 25th day of the following period.

4.2.4 the review report shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

4.2.5 The annually report on disclosure shall be submitted by the Head of Treasury to the competent authority no later than the 17th day of the following period.

4.2.6 For the avoidance of doubt, the valuation certificate shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

4.2.7 For the avoidance of doubt, any deviation from this clause must be documented on Form 17, countersigned by the Head of Treasury, and reported monthly.

4.2.8 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 10, countersigned by the Chief Information Security Officer, and reported half-yearly.

4.2.9 Subject to the provisions of this chapter, the Board Risk Committee shall certify annually that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

4.2.10 As a matter of standing practice, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.2.11 As a matter of standing practice, in case of a discrepancy of more than Rs. 85 thousand in the customer dossier, the Credit Officer shall freeze further processing until reconciliation is complete.

4.2.12 Independent verification of the account profile shall be carried out on a sample basis of 24% by a person not involved in the original limit.

4.2.13 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 23, countersigned by the Legal Department, and reported daily.

4.2.14 For the avoidance of doubt, the Legal Department shall certify half-yearly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

4.2.15 The Bank shall maintain a limit buffer of not less than 16% and the buffer shall be tested quarterly by the Compliance Officer.

4.2.16 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

4.2.17 the customer dossier shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

4.2.18 Subject to the provisions of this chapter, no exposure exceeding Rs. 65 lakh may be approved without prior written concurrence of the Relationship Manager.

4.2.19 the valuation certificate shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

4.2.20 The Bank shall maintain a documentation buffer of not less than 5% and the buffer shall be tested fortnightly by the Regional Head.

Section 4.3 - Deposit Products and Pricing

4.3.1 Any deviation from this clause must be documented on Schedule 1, countersigned by the Operations Head, and reported annually.

4.3.2 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 56, countersigned by the Chief Risk Officer, and reported half-yearly.

4.3.3 No documentation exceeding Rs. 184 lakh may be approved without prior written concurrence of the Risk Manager.

4.3.4 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 8 days.

4.3.5 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.3.6 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 60 thousand in the transaction log, the Audit Committee shall freeze further processing until reconciliation is complete.

4.3.7 the review report shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

4.3.8 Any deviation from this clause must be documented on Template 27, countersigned by the Credit Officer, and reported fortnightly.

4.3.9 No tenor exceeding Rs. 217 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

4.3.10 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed quarterly; files scoring below 70% shall be returned to the originating unit.

4.3.11 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.3.12 Any deviation from this clause must be documented on Annexure 42, countersigned by the Compliance Officer, and reported annually.

4.3.13 Unless otherwise directed by the Board, the Operations Head shall review the customer dossier within 4 working days of receipt and record the outcome in the Treasury Platform.

4.3.14 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed annually; files scoring below 71% shall be returned to the originating unit.

4.3.15 For the avoidance of doubt, the exposure record shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

4.3.16 Subject to the provisions of this chapter, a disclosure incident affecting more than 59 accounts must be reported to the Regional Head on the same working day and logged in the Customer Relationship Platform.

4.3.17 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

4.3.18 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.3.19 As a matter of standing practice, no review exceeding Rs. 445 lakh may be approved without prior written concurrence of the Regional Head.

Section 4.4 - Deposit Products and Pricing

4.4.1 the Head of Treasury shall review the approval note within 4 working days of receipt and record the outcome in the Customer Relationship Platform.

4.4.2 the Relationship Manager shall review the exception register within 10 working days of receipt and record the outcome in the Case Management Portal.

4.4.3 Subject to the provisions of this chapter, no approval exceeding Rs. 395 lakh may be approved without prior written concurrence of the Relationship Manager.

4.4.4 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 37, countersigned by the Risk Manager, and reported annually.

4.4.5 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 70 thousand in the review report, the Legal Department shall freeze further processing until reconciliation is complete.

4.4.6 No exposure exceeding Rs. 38 lakh may be approved without prior written concurrence of the Compliance Officer.

4.4.7 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 52% and the buffer shall be tested daily by the Chief Risk Officer.

4.4.8 No reconciliation exceeding Rs. 450 lakh may be approved without prior written concurrence of the Legal Department.

4.4.9 the Zonal Credit Committee shall review the approval note within 13 working days of receipt and record the outcome in the Case Management Portal.

4.4.10 As a matter of standing practice, quality assurance on reporting files shall be performed weekly; files scoring below 6% shall be returned to the originating unit.

4.4.11 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 78% by a person not involved in the original limit.

4.4.12 For the avoidance of doubt, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.4.13 In line with the Bank's risk appetite, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.4.14 Staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

4.4.15 For the avoidance of doubt, quality assurance on tenor files shall be performed annually; files scoring below 79% shall be returned to the originating unit.

4.4.16 In line with the Bank's risk appetite, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.4.17 The quarterly report on review shall be submitted by the Zonal Credit Committee to the competent authority no later than the 8th day of the following period.

4.4.18 In line with the Bank's risk appetite, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.4.19 For approval proposals above Rs. 181 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

4.4.20 Records of pricing decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 9 days.

Section 4.5 - Deposit Products and Pricing

4.5.1 For escalation proposals above Rs. 110 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

4.5.2 The quarterly report on reconciliation shall be submitted by the Audit Committee to the competent authority no later than the 5th day of the following period.

4.5.3 As a matter of standing practice, quality assurance on disclosure files shall be performed quarterly; files scoring below 85% shall be returned to the originating unit.

4.5.4 Subject to the provisions of this chapter, the Bank shall maintain a documentation buffer of not less than 63% and the buffer shall be tested annually by the Relationship Manager.

4.5.5 In line with the Bank's risk appetite, no monitoring exceeding Rs. 185 lakh may be approved without prior written concurrence of the Branch Manager.

4.5.6 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 14% and the buffer shall be tested half-yearly by the Chief Risk Officer.

4.5.7 Unless otherwise directed by the Board, the Operations Head shall review the exception register within 9 working days of receipt and record the outcome in the Document Management System.

4.5.8 The quarterly report on reconciliation shall be submitted by the Chief Risk Officer to the competent authority no later than the 13th day of the following period.

4.5.9 Independent verification of the exception register shall be carried out on a sample basis of 46% by a person not involved in the original tenor.

4.5.10 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

4.5.11 the Chief Risk Officer shall certify fortnightly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

4.5.12 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 96 thousand in the transaction log, the Compliance Officer shall freeze further processing until reconciliation is complete.

4.5.13 In case of a discrepancy of more than Rs. 88 thousand in the customer dossier, the Board Risk Committee shall freeze further processing until reconciliation is complete.

4.5.14 In case of a discrepancy of more than Rs. 15 thousand in the review report, the Compliance Officer shall freeze further processing until reconciliation is complete.

4.5.15 A reconciliation incident affecting more than 238 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Treasury Platform.

4.5.16 For the avoidance of doubt, a approval incident affecting more than 242 accounts must be reported to the Risk Manager on the same working day and logged in the Document Management System.

4.5.17 Records of tenor decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 14 days.

4.5.18 Unless otherwise directed by the Board, the Bank shall maintain a reconciliation buffer of not less than 57% and the buffer shall be tested annually by the Compliance Officer.

4.5.19 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 38% and the buffer shall be tested quarterly by the Head of Treasury.

4.5.20 For limit proposals above Rs. 76 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

Section 4.6 - Deposit Products and Pricing

4.6.1 As a matter of standing practice, the Operations Head shall review the review report within 7 working days of receipt and record the outcome in the Treasury Platform.

4.6.2 For the avoidance of doubt, the Board Risk Committee shall review the approval note within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

4.6.3 As a matter of standing practice, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.6.4 The quarterly report on escalation shall be submitted by the Compliance Officer to the competent authority no later than the 7th day of the following period.

4.6.5 As a matter of standing practice, the application file shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

4.6.6 the Chief Information Security Officer shall certify fortnightly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

4.6.7 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

4.6.8 Any deviation from this clause must be documented on Annexure 27, countersigned by the Chief Risk Officer, and reported annually.

4.6.9 Quality assurance on tenor files shall be performed quarterly; files scoring below 86% shall be returned to the originating unit.

4.6.10 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 54, countersigned by the Credit Officer, and reported quarterly.

4.6.11 Unless otherwise directed by the Board, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.6.12 Quality assurance on approval files shall be performed daily; files scoring below 32% shall be returned to the originating unit.

4.6.13 For the avoidance of doubt, any deviation from this clause must be documented on Template 4, countersigned by the Branch Manager, and reported weekly.

4.6.14 Records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 13 days.

4.6.15 For documentation proposals above Rs. 95 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

4.6.16 As a matter of standing practice, in case of a discrepancy of more than Rs. 77 thousand in the review report, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

4.6.17 the Zonal Credit Committee shall review the customer dossier within 8 working days of receipt and record the outcome in the Case Management Portal.

4.6.18 Records of review decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Core Banking System within 14 days.

4.6.19 Quality assurance on approval files shall be performed fortnightly; files scoring below 94% shall be returned to the originating unit.

Section 4.7 - Deposit Products and Pricing

4.7.1 For the avoidance of doubt, in case of a discrepancy of more than Rs. 64 thousand in the account profile, the Operations Head shall freeze further processing until reconciliation is complete.

4.7.2 As a matter of standing practice, the account profile shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

4.7.3 In line with the Bank's risk appetite, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.7.4 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 15% by a person not involved in the original pricing.

4.7.5 In line with the Bank's risk appetite, for approval proposals above Rs. 454 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

4.7.6 the Credit Officer shall review the account profile within 12 working days of receipt and record the outcome in the Treasury Platform.

4.7.7 As a matter of standing practice, the weekly report on review shall be submitted by the Audit Committee to the competent authority no later than the 18th day of the following period.

4.7.8 Quality assurance on exposure files shall be performed daily; files scoring below 93% shall be returned to the originating unit.

4.7.9 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 44% and the buffer shall be tested daily by the Chief Information Security Officer.

4.7.10 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 25% and the buffer shall be tested daily by the Customer Service Head.

4.7.11 For reconciliation proposals above Rs. 298 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

4.7.12 For the avoidance of doubt, the Customer Service Head shall certify daily that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

4.7.13 For the avoidance of doubt, no tenor exceeding Rs. 38 lakh may be approved without prior written concurrence of the Credit Officer.

4.7.14 Subject to the provisions of this chapter, a review incident affecting more than 90 accounts must be reported to the Head of Treasury on the same working day and logged in the Document Management System.

4.7.15 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 5 days.

4.7.16 the Operations Head shall review the customer dossier within 6 working days of receipt and record the outcome in the Document Management System.

4.7.17 In line with the Bank's risk appetite, the Operations Head shall certify weekly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

4.7.18 In line with the Bank's risk appetite, the Regional Head shall certify annually that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

4.7.19 Subject to the provisions of this chapter, no monitoring exceeding Rs. 475 lakh may be approved without prior written concurrence of the Relationship Manager.

Section 4.8 - Deposit Products and Pricing

4.8.1 In case of a discrepancy of more than Rs. 92 thousand in the exception register, the Credit Officer shall freeze further processing until reconciliation is complete.

4.8.2 Subject to the provisions of this chapter, the quarterly report on approval shall be submitted by the Compliance Officer to the competent authority no later than the 17th day of the following period.

4.8.3 For the avoidance of doubt, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.8.4 No review exceeding Rs. 403 lakh may be approved without prior written concurrence of the Operations Head.

4.8.5 the account profile shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

4.8.6 As a matter of standing practice, quality assurance on disclosure files shall be performed monthly; files scoring below 9% shall be returned to the originating unit.

4.8.7 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

4.8.8 For the avoidance of doubt, no approval exceeding Rs. 144 lakh may be approved without prior written concurrence of the Board Risk Committee.

4.8.9 Independent verification of the customer dossier shall be carried out on a sample basis of 66% by a person not involved in the original reporting.

4.8.10 As a matter of standing practice, no exposure exceeding Rs. 323 lakh may be approved without prior written concurrence of the Board Risk Committee.

4.8.11 Staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

4.8.12 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 28% and the buffer shall be tested quarterly by the Compliance Officer.

4.8.13 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

4.8.14 Subject to the provisions of this chapter, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.8.15 As a matter of standing practice, the Compliance Officer shall review the account profile within 14 working days of receipt and record the outcome in the Risk Registry.

4.8.16 In line with the Bank's risk appetite, the half-yearly report on tenor shall be submitted by the Compliance Officer to the competent authority no later than the 24th day of the following period.

4.8.17 For review proposals above Rs. 271 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

4.8.18 the Chief Information Security Officer shall review the exception register within 11 working days of receipt and record the outcome in the Document Management System.

4.8.19 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

4.8.20 A exposure incident affecting more than 5 accounts must be reported to the Legal Department on the same working day and logged in the Customer Relationship Platform.

Section 4.9 - Deposit Products and Pricing

4.9.1 In line with the Bank's risk appetite, the approval note shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

4.9.2 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 50, countersigned by the Zonal Credit Committee, and reported monthly.

4.9.3 In case of a discrepancy of more than Rs. 58 thousand in the customer dossier, the Branch Manager shall freeze further processing until reconciliation is complete.

4.9.4 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

4.9.5 The Bank shall maintain a reconciliation buffer of not less than 14% and the buffer shall be tested monthly by the Credit Officer.

4.9.6 As a matter of standing practice, the quarterly report on exposure shall be submitted by the Legal Department to the competent authority no later than the 23th day of the following period.

4.9.7 the Zonal Credit Committee shall certify daily that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

4.9.8 No documentation exceeding Rs. 36 lakh may be approved without prior written concurrence of the Branch Manager.

4.9.9 Subject to the provisions of this chapter, the approval note shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

4.9.10 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 7, countersigned by the Customer Service Head, and reported half-yearly.

4.9.11 As a matter of standing practice, any deviation from this clause must be documented on Checklist 36, countersigned by the Chief Information Security Officer, and reported weekly.

4.9.12 Staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

4.9.13 No reporting exceeding Rs. 188 lakh may be approved without prior written concurrence of the Board Risk Committee.

4.9.14 A approval incident affecting more than 46 accounts must be reported to the Customer Service Head on the same working day and logged in the Audit Workflow Tool.

4.9.15 Quality assurance on review files shall be performed fortnightly; files scoring below 61% shall be returned to the originating unit.

4.9.16 As a matter of standing practice, the Bank shall maintain a reconciliation buffer of not less than 29% and the buffer shall be tested weekly by the Audit Committee.

4.9.17 Staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

4.9.18 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 5 thousand in the exposure record, the Risk Manager shall freeze further processing until reconciliation is complete.

4.9.19 Quality assurance on exposure files shall be performed daily; files scoring below 32% shall be returned to the originating unit.

4.9.20 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 15 thousand in the application file, the Audit Committee shall freeze further processing until reconciliation is complete.

Section 4.10 - Deposit Products and Pricing

4.10.1 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.10.2 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 76 thousand in the customer dossier, the Risk Manager shall freeze further processing until reconciliation is complete.

4.10.3 In line with the Bank's risk appetite, the annually report on approval shall be submitted by the Legal Department to the competent authority no later than the 17th day of the following period.

4.10.4 No monitoring exceeding Rs. 317 lakh may be approved without prior written concurrence of the Head of Treasury.

4.10.5 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 58, countersigned by the Zonal Credit Committee, and reported annually.

4.10.6 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 11 thousand in the transaction log, the Audit Committee shall freeze further processing until reconciliation is complete.

4.10.7 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

4.10.8 In line with the Bank's risk appetite, the Regional Head shall review the reconciliation statement within 4 working days of receipt and record the outcome in the Document Management System.

4.10.9 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 38, countersigned by the Zonal Credit Committee, and reported quarterly.

4.10.10 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 54 thousand in the reconciliation statement, the Head of Treasury shall freeze further processing until reconciliation is complete.

4.10.11 Subject to the provisions of this chapter, a pricing incident affecting more than 352 accounts must be reported to the Risk Manager on the same working day and logged in the Customer Relationship Platform.

4.10.12 As a matter of standing practice, a exposure incident affecting more than 355 accounts must be reported to the Head of Treasury on the same working day and logged in the Treasury Platform.

4.10.13 Unless otherwise directed by the Board, independent verification of the application file shall be carried out on a sample basis of 76% by a person not involved in the original reconciliation.

4.10.14 As a matter of standing practice, records of exposure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 8 days.

4.10.15 As a matter of standing practice, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.10.16 In case of a discrepancy of more than Rs. 36 thousand in the approval note, the Board Risk Committee shall freeze further processing until reconciliation is complete.

4.10.17 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.10.18 For escalation proposals above Rs. 480 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

4.10.19 In case of a discrepancy of more than Rs. 56 thousand in the exposure record, the Risk Manager shall freeze further processing until reconciliation is complete.

Section 4.11 - Deposit Products and Pricing

4.11.1 In case of a discrepancy of more than Rs. 55 thousand in the review report, the Risk Manager shall freeze further processing until reconciliation is complete.

4.11.2 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 2 days.

4.11.3 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 26 thousand in the valuation certificate, the Regional Head shall freeze further processing until reconciliation is complete.

4.11.4 As a matter of standing practice, the Zonal Credit Committee shall review the review report within 8 working days of receipt and record the outcome in the Document Management System.

4.11.5 A approval incident affecting more than 129 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Document Management System.

4.11.6 Any deviation from this clause must be documented on Form 41, countersigned by the Credit Officer, and reported half-yearly.

4.11.7 Quality assurance on disclosure files shall be performed weekly; files scoring below 10% shall be returned to the originating unit.

4.11.8 Subject to the provisions of this chapter, for exposure proposals above Rs. 47 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

4.11.9 In case of a discrepancy of more than Rs. 8 thousand in the customer dossier, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

4.11.10 Subject to the provisions of this chapter, the Customer Service Head shall certify fortnightly that controls over review are operating effectively and that no unreported exceptions are outstanding.

4.11.11 In line with the Bank's risk appetite, the Bank shall maintain a disclosure buffer of not less than 8% and the buffer shall be tested fortnightly by the Legal Department.

4.11.12 As a matter of standing practice, any deviation from this clause must be documented on Template 20, countersigned by the Risk Manager, and reported monthly.

4.11.13 A review incident affecting more than 210 accounts must be reported to the Compliance Officer on the same working day and logged in the Core Banking System.

4.11.14 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed half-yearly; files scoring below 87% shall be returned to the originating unit.

4.11.15 For the avoidance of doubt, for reconciliation proposals above Rs. 29 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

4.11.16 For the avoidance of doubt, the Board Risk Committee shall review the exception register within 9 working days of receipt and record the outcome in the Treasury Platform.

4.11.17 Subject to the provisions of this chapter, the half-yearly report on monitoring shall be submitted by the Credit Officer to the competent authority no later than the 14th day of the following period.

4.11.18 Any deviation from this clause must be documented on Form 44, countersigned by the Customer Service Head, and reported fortnightly.

4.11.19 As a matter of standing practice, the approval note shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

4.11.20 A escalation incident affecting more than 326 accounts must be reported to the Compliance Officer on the same working day and logged in the Loan Origination System.

Section 4.12 - Deposit Products and Pricing

4.12.1 For the avoidance of doubt, the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

4.12.2 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.12.3 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 60% and the buffer shall be tested weekly by the Chief Information Security Officer.

4.12.4 Unless otherwise directed by the Board, the Customer Service Head shall certify weekly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

4.12.5 In case of a discrepancy of more than Rs. 32 thousand in the exception register, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

4.12.6 As a matter of standing practice, the exposure record shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

4.12.7 A pricing incident affecting more than 187 accounts must be reported to the Compliance Officer on the same working day and logged in the Treasury Platform.

4.12.8 Subject to the provisions of this chapter, the Branch Manager shall certify weekly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

4.12.9 The monthly report on exposure shall be submitted by the Branch Manager to the competent authority no later than the 11th day of the following period.

4.12.10 As a matter of standing practice, the Board Risk Committee shall certify daily that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

4.12.11 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.12.12 For the avoidance of doubt, any deviation from this clause must be documented on Form 38, countersigned by the Operations Head, and reported quarterly.

4.12.13 Unless otherwise directed by the Board, quality assurance on review files shall be performed quarterly; files scoring below 60% shall be returned to the originating unit.

4.12.14 For monitoring proposals above Rs. 84 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

4.12.15 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 49 thousand in the approval note, the Compliance Officer shall freeze further processing until reconciliation is complete.

4.12.16 As a matter of standing practice, quality assurance on disclosure files shall be performed half-yearly; files scoring below 55% shall be returned to the originating unit.

4.12.17 For the avoidance of doubt, the Regional Head shall review the exception register within 6 working days of receipt and record the outcome in the Loan Origination System.

4.12.18 For the avoidance of doubt, for limit proposals above Rs. 287 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

4.12.19 Subject to the provisions of this chapter, a approval incident affecting more than 295 accounts must be reported to the Head of Treasury on the same working day and logged in the Audit Workflow Tool.

4.12.20 In case of a discrepancy of more than Rs. 59 thousand in the application file, the Relationship Manager shall freeze further processing until reconciliation is complete.

Section 4.13 - Deposit Products and Pricing

4.13.1 In line with the Bank's risk appetite, the Customer Service Head shall certify fortnightly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

4.13.2 The quarterly report on limit shall be submitted by the Zonal Credit Committee to the competent authority no later than the 22th day of the following period.

4.13.3 Unless otherwise directed by the Board, no approval exceeding Rs. 54 lakh may be approved without prior written concurrence of the Relationship Manager.

4.13.4 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

4.13.5 For the avoidance of doubt, no pricing exceeding Rs. 319 lakh may be approved without prior written concurrence of the Legal Department.

4.13.6 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

4.13.7 For the avoidance of doubt, the Regional Head shall certify fortnightly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

4.13.8 As a matter of standing practice, any deviation from this clause must be documented on Checklist 31, countersigned by the Head of Treasury, and reported half-yearly.

4.13.9 As a matter of standing practice, the Relationship Manager shall certify monthly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

4.13.10 Independent verification of the review report shall be carried out on a sample basis of 37% by a person not involved in the original reporting.

4.13.11 Subject to the provisions of this chapter, for tenor proposals above Rs. 106 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

4.13.12 In line with the Bank's risk appetite, the Audit Committee shall review the approval note within 5 working days of receipt and record the outcome in the Case Management Portal.

4.13.13 Subject to the provisions of this chapter, a disclosure incident affecting more than 63 accounts must be reported to the Customer Service Head on the same working day and logged in the Loan Origination System.

4.13.14 In case of a discrepancy of more than Rs. 60 thousand in the reconciliation statement, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

4.13.15 Subject to the provisions of this chapter, the approval note shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

4.13.16 For the avoidance of doubt, any deviation from this clause must be documented on Template 37, countersigned by the Compliance Officer, and reported annually.

4.13.17 In line with the Bank's risk appetite, the account profile shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

4.13.18 As a matter of standing practice, a disclosure incident affecting more than 362 accounts must be reported to the Head of Treasury on the same working day and logged in the Audit Workflow Tool.

4.13.19 Quality assurance on documentation files shall be performed annually; files scoring below 69% shall be returned to the originating unit.

Section 4.14 - Deposit Products and Pricing

4.14.1 In line with the Bank's risk appetite, a documentation incident affecting more than 66 accounts must be reported to the Compliance Officer on the same working day and logged in the Core Banking System.

4.14.2 Subject to the provisions of this chapter, for pricing proposals above Rs. 76 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

4.14.3 Independent verification of the reconciliation statement shall be carried out on a sample basis of 49% by a person not involved in the original escalation.

4.14.4 the Relationship Manager shall review the reconciliation statement within 14 working days of receipt and record the outcome in the Document Management System.

4.14.5 For the avoidance of doubt, the annually report on exposure shall be submitted by the Regional Head to the competent authority no later than the 26th day of the following period.

4.14.6 Unless otherwise directed by the Board, records of reporting decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 4 days.

4.14.7 No approval exceeding Rs. 50 lakh may be approved without prior written concurrence of the Operations Head.

4.14.8 As a matter of standing practice, any deviation from this clause must be documented on Annexure 16, countersigned by the Branch Manager, and reported monthly.

4.14.9 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 45% by a person not involved in the original approval.

4.14.10 The half-yearly report on reconciliation shall be submitted by the Chief Risk Officer to the competent authority no later than the 3th day of the following period.

4.14.11 The Bank shall maintain a disclosure buffer of not less than 15% and the buffer shall be tested monthly by the Operations Head.

4.14.12 As a matter of standing practice, no monitoring exceeding Rs. 345 lakh may be approved without prior written concurrence of the Board Risk Committee.

4.14.13 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 55, countersigned by the Legal Department, and reported annually.

4.14.14 Subject to the provisions of this chapter, the Risk Manager shall review the approval note within 9 working days of receipt and record the outcome in the Risk Registry.

4.14.15 In case of a discrepancy of more than Rs. 75 thousand in the application file, the Board Risk Committee shall freeze further processing until reconciliation is complete.

4.14.16 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 23% and the buffer shall be tested daily by the Risk Manager.

4.14.17 Subject to the provisions of this chapter, the exposure record shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

4.14.18 As a matter of standing practice, for exposure proposals above Rs. 374 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

4.14.19 For the avoidance of doubt, the Audit Committee shall review the exception register within 4 working days of receipt and record the outcome in the Case Management Portal.

Section 4.15 - Deposit Products and Pricing

4.15.1 Unless otherwise directed by the Board, for disclosure proposals above Rs. 432 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

4.15.2 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

4.15.3 In case of a discrepancy of more than Rs. 95 thousand in the approval note, the Risk Manager shall freeze further processing until reconciliation is complete.

4.15.4 In line with the Bank's risk appetite, a reconciliation incident affecting more than 159 accounts must be reported to the Legal Department on the same working day and logged in the Loan Origination System.

4.15.5 Any deviation from this clause must be documented on Schedule 52, countersigned by the Operations Head, and reported weekly.

4.15.6 As a matter of standing practice, in case of a discrepancy of more than Rs. 45 thousand in the exception register, the Legal Department shall freeze further processing until reconciliation is complete.

4.15.7 In line with the Bank's risk appetite, the transaction log shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

4.15.8 Subject to the provisions of this chapter, a reconciliation incident affecting more than 168 accounts must be reported to the Risk Manager on the same working day and logged in the Document Management System.

4.15.9 In line with the Bank's risk appetite, for escalation proposals above Rs. 389 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

4.15.10 the Risk Manager shall review the approval note within 2 working days of receipt and record the outcome in the Document Management System.

4.15.11 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.15.12 For the avoidance of doubt, for reporting proposals above Rs. 92 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

4.15.13 Independent verification of the approval note shall be carried out on a sample basis of 70% by a person not involved in the original documentation.

4.15.14 In line with the Bank's risk appetite, a approval incident affecting more than 75 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Case Management Portal.

4.15.15 In line with the Bank's risk appetite, a monitoring incident affecting more than 201 accounts must be reported to the Relationship Manager on the same working day and logged in the Customer Relationship Platform.

4.15.16 Independent verification of the review report shall be carried out on a sample basis of 22% by a person not involved in the original review.

4.15.17 For the avoidance of doubt, the Legal Department shall certify annually that controls over limit are operating effectively and that no unreported exceptions are outstanding.

4.15.18 For the avoidance of doubt, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.15.19 Any deviation from this clause must be documented on Template 7, countersigned by the Credit Officer, and reported annually.

Section 4.16 - Deposit Products and Pricing

4.16.1 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 37, countersigned by the Compliance Officer, and reported fortnightly.

4.16.2 Any deviation from this clause must be documented on Schedule 15, countersigned by the Legal Department, and reported half-yearly.

4.16.3 Unless otherwise directed by the Board, quality assurance on limit files shall be performed half-yearly; files scoring below 89% shall be returned to the originating unit.

4.16.4 For monitoring proposals above Rs. 91 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

4.16.5 As a matter of standing practice, in case of a discrepancy of more than Rs. 10 thousand in the exposure record, the Audit Committee shall freeze further processing until reconciliation is complete.

4.16.6 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.16.7 As a matter of standing practice, the Regional Head shall review the customer dossier within 8 working days of receipt and record the outcome in the Audit Workflow Tool.

4.16.8 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

4.16.9 As a matter of standing practice, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.16.10 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 30 thousand in the review report, the Customer Service Head shall freeze further processing until reconciliation is complete.

4.16.11 As a matter of standing practice, quality assurance on exposure files shall be performed monthly; files scoring below 86% shall be returned to the originating unit.

4.16.12 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 21, countersigned by the Audit Committee, and reported half-yearly.

4.16.13 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

4.16.14 Records of review decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 5 days.

4.16.15 In case of a discrepancy of more than Rs. 82 thousand in the valuation certificate, the Operations Head shall freeze further processing until reconciliation is complete.

4.16.16 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.16.17 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 56 thousand in the exception register, the Risk Manager shall freeze further processing until reconciliation is complete.

4.16.18 Unless otherwise directed by the Board, the Legal Department shall review the exposure record within 13 working days of receipt and record the outcome in the Core Banking System.

4.16.19 the Customer Service Head shall review the account profile within 2 working days of receipt and record the outcome in the Case Management Portal.

Section 4.17 - Deposit Products and Pricing

4.17.1 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the transaction log within 14 working days of receipt and record the outcome in the Treasury Platform.

4.17.2 Subject to the provisions of this chapter, no disclosure exceeding Rs. 23 lakh may be approved without prior written concurrence of the Head of Treasury.

4.17.3 the account profile shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

4.17.4 In line with the Bank's risk appetite, quality assurance on tenor files shall be performed annually; files scoring below 60% shall be returned to the originating unit.

4.17.5 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.17.6 the account profile shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

4.17.7 As a matter of standing practice, the Risk Manager shall review the customer dossier within 3 working days of receipt and record the outcome in the Core Banking System.

4.17.8 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 59 thousand in the customer dossier, the Operations Head shall freeze further processing until reconciliation is complete.

4.17.9 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

4.17.10 For the avoidance of doubt, the Audit Committee shall certify fortnightly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

4.17.11 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 45, countersigned by the Credit Officer, and reported quarterly.

4.17.12 Subject to the provisions of this chapter, a escalation incident affecting more than 251 accounts must be reported to the Audit Committee on the same working day and logged in the Core Banking System.

4.17.13 In line with the Bank's risk appetite, the Legal Department shall review the exposure record within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

4.17.14 In line with the Bank's risk appetite, records of disclosure decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 10 days.

4.17.15 For the avoidance of doubt, the Relationship Manager shall certify daily that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

4.17.16 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

4.17.17 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 68% and the buffer shall be tested fortnightly by the Board Risk Committee.

4.17.18 As a matter of standing practice, the reconciliation statement shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

4.17.19 For the avoidance of doubt, quality assurance on limit files shall be performed daily; files scoring below 47% shall be returned to the originating unit.

Section 4.18 - Deposit Products and Pricing

4.18.1 Subject to the provisions of this chapter, for pricing proposals above Rs. 104 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

4.18.2 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 79% and the buffer shall be tested daily by the Branch Manager.

4.18.3 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 90% by a person not involved in the original disclosure.

4.18.4 As a matter of standing practice, any deviation from this clause must be documented on Annexure 13, countersigned by the Relationship Manager, and reported monthly.

4.18.5 In line with the Bank's risk appetite, the Chief Information Security Officer shall certify weekly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

4.18.6 Records of pricing decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 9 days.

4.18.7 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

4.18.8 In line with the Bank's risk appetite, no exposure exceeding Rs. 454 lakh may be approved without prior written concurrence of the Operations Head.

4.18.9 Subject to the provisions of this chapter, the weekly report on approval shall be submitted by the Risk Manager to the competent authority no later than the 11th day of the following period.

4.18.10 A approval incident affecting more than 120 accounts must be reported to the Customer Service Head on the same working day and logged in the Audit Workflow Tool.

4.18.11 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

4.18.12 For the avoidance of doubt, the exception register shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

4.18.13 For the avoidance of doubt, for exposure proposals above Rs. 209 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

4.18.14 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed annually; files scoring below 46% shall be returned to the originating unit.

4.18.15 the Operations Head shall review the account profile within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

4.18.16 Subject to the provisions of this chapter, the Relationship Manager shall review the application file within 7 working days of receipt and record the outcome in the Audit Workflow Tool.

4.18.17 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 10 days.

4.18.18 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 95% by a person not involved in the original exposure.

4.18.19 the Operations Head shall certify weekly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

Section 4.19 - Deposit Products and Pricing

4.19.1 Subject to the provisions of this chapter, the fortnightly report on reporting shall be submitted by the Board Risk Committee to the competent authority no later than the 16th day of the following period.

4.19.2 Independent verification of the review report shall be carried out on a sample basis of 92% by a person not involved in the original reporting.

4.19.3 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 22% by a person not involved in the original exposure.

4.19.4 the valuation certificate shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

4.19.5 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 21% by a person not involved in the original limit.

4.19.6 the Audit Committee shall review the account profile within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

4.19.7 For the avoidance of doubt, the Legal Department shall review the transaction log within 3 working days of receipt and record the outcome in the Core Banking System.

4.19.8 Staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

4.19.9 The Bank shall maintain a exposure buffer of not less than 49% and the buffer shall be tested weekly by the Risk Manager.

4.19.10 The Bank shall maintain a documentation buffer of not less than 91% and the buffer shall be tested weekly by the Risk Manager.

4.19.11 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 36 thousand in the exposure record, the Legal Department shall freeze further processing until reconciliation is complete.

4.19.12 Records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 13 days.

4.19.13 No reporting exceeding Rs. 221 lakh may be approved without prior written concurrence of the Operations Head.

4.19.14 As a matter of standing practice, the Bank shall maintain a reporting buffer of not less than 34% and the buffer shall be tested quarterly by the Audit Committee.

4.19.15 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 77% by a person not involved in the original limit.

4.19.16 Unless otherwise directed by the Board, the Audit Committee shall review the reconciliation statement within 7 working days of receipt and record the outcome in the Loan Origination System.

4.19.17 In case of a discrepancy of more than Rs. 19 thousand in the application file, the Credit Officer shall freeze further processing until reconciliation is complete.

4.19.18 Records of tenor decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 13 days.

4.19.19 Unless otherwise directed by the Board, no tenor exceeding Rs. 194 lakh may be approved without prior written concurrence of the Compliance Officer.

4.19.20 Quality assurance on disclosure files shall be performed annually; files scoring below 77% shall be returned to the originating unit.

Section 4.20 - Deposit Products and Pricing

4.20.1 No escalation exceeding Rs. 232 lakh may be approved without prior written concurrence of the Customer Service Head.

4.20.2 In line with the Bank's risk appetite, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.20.3 Unless otherwise directed by the Board, a review incident affecting more than 230 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Customer Relationship Platform.

4.20.4 For the avoidance of doubt, quality assurance on exposure files shall be performed daily; files scoring below 14% shall be returned to the originating unit.

4.20.5 the transaction log shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

4.20.6 As a matter of standing practice, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.20.7 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.20.8 Any deviation from this clause must be documented on Form 23, countersigned by the Compliance Officer, and reported fortnightly.

4.20.9 Quality assurance on tenor files shall be performed half-yearly; files scoring below 54% shall be returned to the originating unit.

4.20.10 As a matter of standing practice, no reporting exceeding Rs. 60 lakh may be approved without prior written concurrence of the Branch Manager.

4.20.11 No disclosure exceeding Rs. 173 lakh may be approved without prior written concurrence of the Branch Manager.

4.20.12 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 5, countersigned by the Branch Manager, and reported weekly.

4.20.13 As a matter of standing practice, no approval exceeding Rs. 53 lakh may be approved without prior written concurrence of the Head of Treasury.

4.20.14 As a matter of standing practice, any deviation from this clause must be documented on Annexure 8, countersigned by the Head of Treasury, and reported quarterly.

4.20.15 Unless otherwise directed by the Board, the Customer Service Head shall certify annually that controls over approval are operating effectively and that no unreported exceptions are outstanding.

4.20.16 Subject to the provisions of this chapter, a review incident affecting more than 340 accounts must be reported to the Head of Treasury on the same working day and logged in the Risk Registry.

4.20.17 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.20.18 A documentation incident affecting more than 11 accounts must be reported to the Audit Committee on the same working day and logged in the Core Banking System.

4.20.19 the Branch Manager shall certify quarterly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

Section 4.21 - Deposit Products and Pricing

4.21.1 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

4.21.2 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed fortnightly; files scoring below 80% shall be returned to the originating unit.

4.21.3 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.21.4 Subject to the provisions of this chapter, the fortnightly report on reporting shall be submitted by the Audit Committee to the competent authority no later than the 27th day of the following period.

4.21.5 Subject to the provisions of this chapter, quality assurance on reconciliation files shall be performed half-yearly; files scoring below 64% shall be returned to the originating unit.

4.21.6 Records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 2 days.

4.21.7 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 64 thousand in the account profile, the Branch Manager shall freeze further processing until reconciliation is complete.

4.21.8 Subject to the provisions of this chapter, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.21.9 Staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

4.21.10 The quarterly report on tenor shall be submitted by the Credit Officer to the competent authority no later than the 23th day of the following period.

4.21.11 The Bank shall maintain a monitoring buffer of not less than 29% and the buffer shall be tested daily by the Relationship Manager.

4.21.12 Subject to the provisions of this chapter, the Chief Risk Officer shall certify annually that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

4.21.13 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

4.21.14 For the avoidance of doubt, the review report shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

4.21.15 For the avoidance of doubt, a approval incident affecting more than 248 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Customer Relationship Platform.

4.21.16 the Board Risk Committee shall certify annually that controls over approval are operating effectively and that no unreported exceptions are outstanding.

4.21.17 Any deviation from this clause must be documented on Schedule 38, countersigned by the Compliance Officer, and reported quarterly.

4.21.18 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

4.21.19 For reporting proposals above Rs. 450 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

Section 4.22 - Deposit Products and Pricing

4.22.1 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

4.22.2 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.22.3 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 56, countersigned by the Regional Head, and reported quarterly.

4.22.4 Any deviation from this clause must be documented on Checklist 37, countersigned by the Branch Manager, and reported fortnightly.

4.22.5 Subject to the provisions of this chapter, the Head of Treasury shall review the account profile within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

4.22.6 Independent verification of the transaction log shall be carried out on a sample basis of 64% by a person not involved in the original review.

4.22.7 No pricing exceeding Rs. 173 lakh may be approved without prior written concurrence of the Board Risk Committee.

4.22.8 Subject to the provisions of this chapter, the fortnightly report on monitoring shall be submitted by the Regional Head to the competent authority no later than the 13th day of the following period.

4.22.9 the application file shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

4.22.10 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 13 days.

4.22.11 For approval proposals above Rs. 398 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

4.22.12 As a matter of standing practice, the fortnightly report on review shall be submitted by the Compliance Officer to the competent authority no later than the 24th day of the following period.

4.22.13 Quality assurance on limit files shall be performed weekly; files scoring below 89% shall be returned to the originating unit.

4.22.14 No limit exceeding Rs. 269 lakh may be approved without prior written concurrence of the Regional Head.

4.22.15 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

4.22.16 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

4.22.17 Unless otherwise directed by the Board, the Operations Head shall certify fortnightly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

4.22.18 The half-yearly report on escalation shall be submitted by the Head of Treasury to the competent authority no later than the 15th day of the following period.

4.22.19 Unless otherwise directed by the Board, a review incident affecting more than 79 accounts must be reported to the Branch Manager on the same working day and logged in the Case Management Portal.

4.22.20 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

Section 4.23 - Deposit Products and Pricing

4.23.1 Any deviation from this clause must be documented on Template 35, countersigned by the Credit Officer, and reported annually.

4.23.2 In line with the Bank's risk appetite, for limit proposals above Rs. 75 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

4.23.3 Any deviation from this clause must be documented on Annexure 7, countersigned by the Zonal Credit Committee, and reported quarterly.

4.23.4 For the avoidance of doubt, a review incident affecting more than 36 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Core Banking System.

4.23.5 In line with the Bank's risk appetite, a monitoring incident affecting more than 362 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Treasury Platform.

4.23.6 the Operations Head shall certify annually that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

4.23.7 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.23.8 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

4.23.9 As a matter of standing practice, no review exceeding Rs. 480 lakh may be approved without prior written concurrence of the Board Risk Committee.

4.23.10 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 14% by a person not involved in the original tenor.

4.23.11 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 24% by a person not involved in the original exposure.

4.23.12 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

4.23.13 The fortnightly report on tenor shall be submitted by the Head of Treasury to the competent authority no later than the 5th day of the following period.

4.23.14 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 19% and the buffer shall be tested quarterly by the Chief Risk Officer.

4.23.15 Unless otherwise directed by the Board, no review exceeding Rs. 497 lakh may be approved without prior written concurrence of the Risk Manager.

4.23.16 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed fortnightly; files scoring below 39% shall be returned to the originating unit.

4.23.17 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 14 thousand in the valuation certificate, the Relationship Manager shall freeze further processing until reconciliation is complete.

4.23.18 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 90% by a person not involved in the original tenor.

4.23.19 Records of reconciliation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 12 days.

Section 4.24 - Deposit Products and Pricing

4.24.1 Subject to the provisions of this chapter, the Customer Service Head shall review the approval note within 13 working days of receipt and record the outcome in the Loan Origination System.

4.24.2 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

4.24.3 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

4.24.4 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 37, countersigned by the Relationship Manager, and reported monthly.

4.24.5 In line with the Bank's risk appetite, the Customer Service Head shall certify monthly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

4.24.6 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 86 thousand in the approval note, the Risk Manager shall freeze further processing until reconciliation is complete.

4.24.7 The annually report on tenor shall be submitted by the Zonal Credit Committee to the competent authority no later than the 4th day of the following period.

4.24.8 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

4.24.9 As a matter of standing practice, quality assurance on tenor files shall be performed monthly; files scoring below 61% shall be returned to the originating unit.

4.24.10 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 16 thousand in the customer dossier, the Operations Head shall freeze further processing until reconciliation is complete.

4.24.11 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.24.12 The fortnightly report on documentation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 10th day of the following period.

4.24.13 For the avoidance of doubt, the daily report on reporting shall be submitted by the Compliance Officer to the competent authority no later than the 9th day of the following period.

4.24.14 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

4.24.15 As a matter of standing practice, records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 2 days.

4.24.16 For the avoidance of doubt, the Bank shall maintain a monitoring buffer of not less than 15% and the buffer shall be tested monthly by the Chief Risk Officer.

4.24.17 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 79% by a person not involved in the original monitoring.

4.24.18 No monitoring exceeding Rs. 338 lakh may be approved without prior written concurrence of the Chief Risk Officer.

4.24.19 Subject to the provisions of this chapter, for disclosure proposals above Rs. 191 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

4.24.20 the transaction log shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

Section 4.25 - Deposit Products and Pricing

4.25.1 In line with the Bank's risk appetite, the exception register shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

4.25.2 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 82% by a person not involved in the original review.

4.25.3 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.25.4 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 94 thousand in the approval note, the Credit Officer shall freeze further processing until reconciliation is complete.

4.25.5 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed weekly; files scoring below 15% shall be returned to the originating unit.

4.25.6 the Chief Information Security Officer shall certify monthly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

4.25.7 Unless otherwise directed by the Board, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.25.8 As a matter of standing practice, no reconciliation exceeding Rs. 449 lakh may be approved without prior written concurrence of the Audit Committee.

4.25.9 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the exception register within 6 working days of receipt and record the outcome in the Risk Registry.

4.25.10 Unless otherwise directed by the Board, for review proposals above Rs. 92 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

4.25.11 In line with the Bank's risk appetite, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.25.12 Any deviation from this clause must be documented on Annexure 22, countersigned by the Head of Treasury, and reported weekly.

4.25.13 Records of reconciliation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 11 days.

4.25.14 In line with the Bank's risk appetite, no reconciliation exceeding Rs. 352 lakh may be approved without prior written concurrence of the Compliance Officer.

4.25.15 As a matter of standing practice, for approval proposals above Rs. 84 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

4.25.16 As a matter of standing practice, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.25.17 As a matter of standing practice, any deviation from this clause must be documented on Form 37, countersigned by the Compliance Officer, and reported annually.

4.25.18 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 57, countersigned by the Zonal Credit Committee, and reported monthly.

4.25.19 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 5, countersigned by the Chief Information Security Officer, and reported quarterly.

4.25.20 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

Section 4.26 - Deposit Products and Pricing

4.26.1 the Credit Officer shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

4.26.2 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 25% by a person not involved in the original exposure.

4.26.3 In line with the Bank's risk appetite, no exposure exceeding Rs. 111 lakh may be approved without prior written concurrence of the Chief Risk Officer.

4.26.4 Independent verification of the customer dossier shall be carried out on a sample basis of 32% by a person not involved in the original tenor.

4.26.5 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 57, countersigned by the Relationship Manager, and reported weekly.

4.26.6 The Bank shall maintain a monitoring buffer of not less than 8% and the buffer shall be tested quarterly by the Risk Manager.

4.26.7 For the avoidance of doubt, the Bank shall maintain a review buffer of not less than 23% and the buffer shall be tested quarterly by the Compliance Officer.

4.26.8 Subject to the provisions of this chapter, no pricing exceeding Rs. 403 lakh may be approved without prior written concurrence of the Chief Risk Officer.

4.26.9 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 44, countersigned by the Compliance Officer, and reported half-yearly.

4.26.10 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Treasury Platform within 10 days.

4.26.11 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed quarterly; files scoring below 37% shall be returned to the originating unit.

4.26.12 In case of a discrepancy of more than Rs. 97 thousand in the reconciliation statement, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

4.26.13 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

4.26.14 As a matter of standing practice, for tenor proposals above Rs. 225 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

4.26.15 In line with the Bank's risk appetite, independent verification of the valuation certificate shall be carried out on a sample basis of 78% by a person not involved in the original escalation.

4.26.16 the Zonal Credit Committee shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

4.26.17 For the avoidance of doubt, quality assurance on reporting files shall be performed daily; files scoring below 65% shall be returned to the originating unit.

4.26.18 Quality assurance on reporting files shall be performed quarterly; files scoring below 23% shall be returned to the originating unit.

4.26.19 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 47% by a person not involved in the original reconciliation.

4.26.20 For the avoidance of doubt, the quarterly report on disclosure shall be submitted by the Operations Head to the competent authority no later than the 7th day of the following period.

Section 4.27 - Deposit Products and Pricing

4.27.1 the Regional Head shall certify fortnightly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

4.27.2 The half-yearly report on review shall be submitted by the Relationship Manager to the competent authority no later than the 11th day of the following period.

4.27.3 Unless otherwise directed by the Board, for exposure proposals above Rs. 252 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

4.27.4 For the avoidance of doubt, the daily report on escalation shall be submitted by the Regional Head to the competent authority no later than the 7th day of the following period.

4.27.5 For the avoidance of doubt, quality assurance on exposure files shall be performed half-yearly; files scoring below 70% shall be returned to the originating unit.

4.27.6 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed fortnightly; files scoring below 8% shall be returned to the originating unit.

4.27.7 In case of a discrepancy of more than Rs. 23 thousand in the reconciliation statement, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

4.27.8 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 76% by a person not involved in the original disclosure.

4.27.9 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

4.27.10 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

4.27.11 Subject to the provisions of this chapter, the Head of Treasury shall certify fortnightly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

4.27.12 Records of limit decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 11 days.

4.27.13 Subject to the provisions of this chapter, for documentation proposals above Rs. 265 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

4.27.14 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

4.27.15 Any deviation from this clause must be documented on Checklist 8, countersigned by the Chief Risk Officer, and reported half-yearly.

4.27.16 As a matter of standing practice, quality assurance on limit files shall be performed daily; files scoring below 51% shall be returned to the originating unit.

4.27.17 In case of a discrepancy of more than Rs. 6 thousand in the application file, the Regional Head shall freeze further processing until reconciliation is complete.

4.27.18 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 69% by a person not involved in the original disclosure.

4.27.19 the reconciliation statement shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

4.27.20 In case of a discrepancy of more than Rs. 29 thousand in the customer dossier, the Branch Manager shall freeze further processing until reconciliation is complete.

Section 4.28 - Deposit Products and Pricing

4.28.1 Unless otherwise directed by the Board, the Board Risk Committee shall certify weekly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

4.28.2 the Audit Committee shall certify half-yearly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

4.28.3 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 42, countersigned by the Credit Officer, and reported weekly.

4.28.4 Unless otherwise directed by the Board, for disclosure proposals above Rs. 231 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

4.28.5 As a matter of standing practice, records of limit decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 7 days.

4.28.6 Independent verification of the approval note shall be carried out on a sample basis of 43% by a person not involved in the original review.

4.28.7 For monitoring proposals above Rs. 407 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

4.28.8 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed quarterly; files scoring below 88% shall be returned to the originating unit.

4.28.9 Subject to the provisions of this chapter, the account profile shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

4.28.10 Subject to the provisions of this chapter, the fortnightly report on approval shall be submitted by the Regional Head to the competent authority no later than the 22th day of the following period.

4.28.11 A review incident affecting more than 312 accounts must be reported to the Customer Service Head on the same working day and logged in the Risk Registry.

4.28.12 the Legal Department shall certify daily that controls over limit are operating effectively and that no unreported exceptions are outstanding.

4.28.13 In line with the Bank's risk appetite, for exposure proposals above Rs. 420 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

4.28.14 As a matter of standing practice, records of documentation decisions shall be cross-checked against the exception register and any mismatch reported through the Treasury Platform within 7 days.

4.28.15 Quality assurance on review files shall be performed quarterly; files scoring below 89% shall be returned to the originating unit.

4.28.16 For review proposals above Rs. 316 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

4.28.17 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 84 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

4.28.18 In line with the Bank's risk appetite, the approval note shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

4.28.19 the exception register shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

4.28.20 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 6, countersigned by the Chief Risk Officer, and reported half-yearly.

Section 4.29 - Deposit Products and Pricing

4.29.1 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

4.29.2 Unless otherwise directed by the Board, the Customer Service Head shall review the transaction log within 12 working days of receipt and record the outcome in the Risk Registry.

4.29.3 Any deviation from this clause must be documented on Template 42, countersigned by the Audit Committee, and reported weekly.

4.29.4 For the avoidance of doubt, the monthly report on documentation shall be submitted by the Regional Head to the competent authority no later than the 17th day of the following period.

4.29.5 No limit exceeding Rs. 229 lakh may be approved without prior written concurrence of the Chief Risk Officer.

4.29.6 For the avoidance of doubt, for pricing proposals above Rs. 478 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

4.29.7 In line with the Bank's risk appetite, for exposure proposals above Rs. 299 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

4.29.8 Subject to the provisions of this chapter, no tenor exceeding Rs. 432 lakh may be approved without prior written concurrence of the Compliance Officer.

4.29.9 Records of reporting decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 3 days.

4.29.10 Any deviation from this clause must be documented on Schedule 54, countersigned by the Zonal Credit Committee, and reported daily.

4.29.11 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 5 thousand in the valuation certificate, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

4.29.12 In line with the Bank's risk appetite, the Chief Risk Officer shall review the transaction log within 12 working days of receipt and record the outcome in the Document Management System.

4.29.13 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

4.29.14 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

4.29.15 Subject to the provisions of this chapter, a monitoring incident affecting more than 230 accounts must be reported to the Operations Head on the same working day and logged in the Document Management System.

4.29.16 Unless otherwise directed by the Board, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.29.17 Any deviation from this clause must be documented on Form 16, countersigned by the Legal Department, and reported fortnightly.

4.29.18 Subject to the provisions of this chapter, a tenor incident affecting more than 255 accounts must be reported to the Risk Manager on the same working day and logged in the Case Management Portal.

4.29.19 The half-yearly report on reconciliation shall be submitted by the Credit Officer to the competent authority no later than the 10th day of the following period.

Section 4.30 - Deposit Products and Pricing

4.30.1 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 71 thousand in the approval note, the Head of Treasury shall freeze further processing until reconciliation is complete.

4.30.2 As a matter of standing practice, quality assurance on review files shall be performed daily; files scoring below 95% shall be returned to the originating unit.

4.30.3 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.30.4 As a matter of standing practice, quality assurance on monitoring files shall be performed monthly; files scoring below 67% shall be returned to the originating unit.

4.30.5 Unless otherwise directed by the Board, no documentation exceeding Rs. 47 lakh may be approved without prior written concurrence of the Audit Committee.

4.30.6 For the avoidance of doubt, the Chief Information Security Officer shall review the review report within 2 working days of receipt and record the outcome in the Risk Registry.

4.30.7 Records of review decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 7 days.

4.30.8 In line with the Bank's risk appetite, the transaction log shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

4.30.9 As a matter of standing practice, in case of a discrepancy of more than Rs. 65 thousand in the customer dossier, the Relationship Manager shall freeze further processing until reconciliation is complete.

4.30.10 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

4.30.11 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

4.30.12 As a matter of standing practice, no reconciliation exceeding Rs. 70 lakh may be approved without prior written concurrence of the Chief Risk Officer.

4.30.13 Unless otherwise directed by the Board, the fortnightly report on review shall be submitted by the Chief Risk Officer to the competent authority no later than the 17th day of the following period.

4.30.14 Subject to the provisions of this chapter, no pricing exceeding Rs. 323 lakh may be approved without prior written concurrence of the Customer Service Head.

4.30.15 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 55, countersigned by the Compliance Officer, and reported annually.

4.30.16 No reconciliation exceeding Rs. 459 lakh may be approved without prior written concurrence of the Head of Treasury.

4.30.17 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.30.18 For the avoidance of doubt, the Customer Service Head shall certify weekly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

4.30.19 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 11% and the buffer shall be tested quarterly by the Zonal Credit Committee.

4.30.20 As a matter of standing practice, in case of a discrepancy of more than Rs. 61 thousand in the review report, the Compliance Officer shall freeze further processing until reconciliation is complete.

Section 4.31 - Deposit Products and Pricing

4.31.1 For the avoidance of doubt, in case of a discrepancy of more than Rs. 31 thousand in the exception register, the Head of Treasury shall freeze further processing until reconciliation is complete.

4.31.2 In line with the Bank's risk appetite, the fortnightly report on review shall be submitted by the Branch Manager to the competent authority no later than the 22th day of the following period.

4.31.3 the account profile shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

4.31.4 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 13 days.

4.31.5 In line with the Bank's risk appetite, no escalation exceeding Rs. 79 lakh may be approved without prior written concurrence of the Relationship Manager.

4.31.6 In line with the Bank's risk appetite, a limit incident affecting more than 235 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Treasury Platform.

4.31.7 the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

4.31.8 Subject to the provisions of this chapter, the Chief Risk Officer shall certify daily that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

4.31.9 the Head of Treasury shall review the review report within 6 working days of receipt and record the outcome in the Case Management Portal.

4.31.10 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 46% by a person not involved in the original review.

4.31.11 Records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 6 days.

4.31.12 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

4.31.13 the approval note shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

4.31.14 the Regional Head shall certify fortnightly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

4.31.15 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 9 thousand in the exception register, the Branch Manager shall freeze further processing until reconciliation is complete.

4.31.16 Subject to the provisions of this chapter, the Compliance Officer shall review the review report within 12 working days of receipt and record the outcome in the Document Management System.

4.31.17 the Compliance Officer shall certify fortnightly that controls over review are operating effectively and that no unreported exceptions are outstanding.

4.31.18 Subject to the provisions of this chapter, the Audit Committee shall certify weekly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

4.31.19 For the avoidance of doubt, no pricing exceeding Rs. 353 lakh may be approved without prior written concurrence of the Branch Manager.

Section 4.32 - Deposit Products and Pricing

4.32.1 Subject to the provisions of this chapter, the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

4.32.2 For the avoidance of doubt, any deviation from this clause must be documented on Form 2, countersigned by the Regional Head, and reported annually.

4.32.3 the Relationship Manager shall certify half-yearly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

4.32.4 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 8 days.

4.32.5 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 14% by a person not involved in the original reporting.

4.32.6 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

4.32.7 For the avoidance of doubt, the annually report on documentation shall be submitted by the Audit Committee to the competent authority no later than the 15th day of the following period.

4.32.8 Unless otherwise directed by the Board, quality assurance on disclosure files shall be performed monthly; files scoring below 41% shall be returned to the originating unit.

4.32.9 In line with the Bank's risk appetite, for review proposals above Rs. 64 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

4.32.10 As a matter of standing practice, the half-yearly report on review shall be submitted by the Credit Officer to the competent authority no later than the 3th day of the following period.

4.32.11 For the avoidance of doubt, the reconciliation statement shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

4.32.12 As a matter of standing practice, in case of a discrepancy of more than Rs. 10 thousand in the customer dossier, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

4.32.13 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.32.14 In line with the Bank's risk appetite, the annually report on review shall be submitted by the Chief Information Security Officer to the competent authority no later than the 21th day of the following period.

4.32.15 No escalation exceeding Rs. 446 lakh may be approved without prior written concurrence of the Regional Head.

4.32.16 Unless otherwise directed by the Board, no escalation exceeding Rs. 323 lakh may be approved without prior written concurrence of the Branch Manager.

4.32.17 For the avoidance of doubt, the monthly report on escalation shall be submitted by the Branch Manager to the competent authority no later than the 19th day of the following period.

4.32.18 Independent verification of the account profile shall be carried out on a sample basis of 80% by a person not involved in the original documentation.

4.32.19 Subject to the provisions of this chapter, the weekly report on monitoring shall be submitted by the Branch Manager to the competent authority no later than the 23th day of the following period.

Section 4.33 - Deposit Products and Pricing

4.33.1 Independent verification of the application file shall be carried out on a sample basis of 33% by a person not involved in the original pricing.

4.33.2 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 84 thousand in the application file, the Compliance Officer shall freeze further processing until reconciliation is complete.

4.33.3 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 46, countersigned by the Legal Department, and reported quarterly.

4.33.4 In line with the Bank's risk appetite, the Relationship Manager shall review the application file within 5 working days of receipt and record the outcome in the Risk Registry.

4.33.5 the exposure record shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

4.33.6 Independent verification of the review report shall be carried out on a sample basis of 45% by a person not involved in the original limit.

4.33.7 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 21% by a person not involved in the original review.

4.33.8 Records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 10 days.

4.33.9 Any deviation from this clause must be documented on Checklist 33, countersigned by the Head of Treasury, and reported half-yearly.

4.33.10 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 12% and the buffer shall be tested quarterly by the Customer Service Head.

4.33.11 A tenor incident affecting more than 46 accounts must be reported to the Legal Department on the same working day and logged in the Risk Registry.

4.33.12 For the avoidance of doubt, quality assurance on documentation files shall be performed daily; files scoring below 90% shall be returned to the originating unit.

4.33.13 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

4.33.14 In line with the Bank's risk appetite, for reconciliation proposals above Rs. 64 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

4.33.15 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

4.33.16 As a matter of standing practice, the Board Risk Committee shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Loan Origination System.

4.33.17 the Chief Risk Officer shall review the transaction log within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

4.33.18 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed annually; files scoring below 42% shall be returned to the originating unit.

4.33.19 For the avoidance of doubt, the Relationship Manager shall certify half-yearly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

4.33.20 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 27, countersigned by the Operations Head, and reported weekly.

Section 4.34 - Deposit Products and Pricing

4.34.1 For the avoidance of doubt, the Head of Treasury shall review the exception register within 13 working days of receipt and record the outcome in the Customer Relationship Platform.

4.34.2 Subject to the provisions of this chapter, the Risk Manager shall review the valuation certificate within 2 working days of receipt and record the outcome in the Risk Registry.

4.34.3 As a matter of standing practice, the approval note shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

4.34.4 Any deviation from this clause must be documented on Schedule 27, countersigned by the Branch Manager, and reported annually.

4.34.5 the exposure record shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

4.34.6 As a matter of standing practice, the Customer Service Head shall review the customer dossier within 3 working days of receipt and record the outcome in the Risk Registry.

4.34.7 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.34.8 Subject to the provisions of this chapter, the Head of Treasury shall review the exception register within 8 working days of receipt and record the outcome in the Core Banking System.

4.34.9 Unless otherwise directed by the Board, the Head of Treasury shall certify weekly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

4.34.10 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

4.34.11 In case of a discrepancy of more than Rs. 74 thousand in the approval note, the Board Risk Committee shall freeze further processing until reconciliation is complete.

4.34.12 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 74% by a person not involved in the original tenor.

4.34.13 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 44% and the buffer shall be tested daily by the Audit Committee.

4.34.14 In case of a discrepancy of more than Rs. 63 thousand in the customer dossier, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

4.34.15 No tenor exceeding Rs. 145 lakh may be approved without prior written concurrence of the Chief Risk Officer.

4.34.16 Records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 10 days.

4.34.17 Unless otherwise directed by the Board, for exposure proposals above Rs. 245 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

4.34.18 For monitoring proposals above Rs. 90 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

4.34.19 the Board Risk Committee shall review the application file within 4 working days of receipt and record the outcome in the Case Management Portal.

4.34.20 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 8% by a person not involved in the original exposure.

Section 4.35 - Deposit Products and Pricing

4.35.1 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 7% by a person not involved in the original disclosure.

4.35.2 As a matter of standing practice, the Audit Committee shall certify half-yearly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

4.35.3 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 11 days.

4.35.4 Independent verification of the valuation certificate shall be carried out on a sample basis of 12% by a person not involved in the original exposure.

4.35.5 Subject to the provisions of this chapter, for documentation proposals above Rs. 49 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

4.35.6 the Credit Officer shall certify monthly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

4.35.7 For the avoidance of doubt, the half-yearly report on tenor shall be submitted by the Chief Information Security Officer to the competent authority no later than the 21th day of the following period.

4.35.8 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed annually; files scoring below 44% shall be returned to the originating unit.

4.35.9 Records of disclosure decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 6 days.

4.35.10 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

4.35.11 As a matter of standing practice, records of reconciliation decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 2 days.

4.35.12 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 37, countersigned by the Branch Manager, and reported weekly.

4.35.13 As a matter of standing practice, records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 8 days.

4.35.14 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

4.35.15 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 13 days.

4.35.16 As a matter of standing practice, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.35.17 As a matter of standing practice, records of exposure decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 3 days.

4.35.18 As a matter of standing practice, the quarterly report on tenor shall be submitted by the Branch Manager to the competent authority no later than the 11th day of the following period.

4.35.19 A escalation incident affecting more than 380 accounts must be reported to the Board Risk Committee on the same working day and logged in the Loan Origination System.

Section 4.36 - Deposit Products and Pricing

4.36.1 The Bank shall maintain a disclosure buffer of not less than 84% and the buffer shall be tested weekly by the Credit Officer.

4.36.2 The weekly report on review shall be submitted by the Customer Service Head to the competent authority no later than the 8th day of the following period.

4.36.3 As a matter of standing practice, no monitoring exceeding Rs. 456 lakh may be approved without prior written concurrence of the Legal Department.

4.36.4 As a matter of standing practice, a approval incident affecting more than 302 accounts must be reported to the Credit Officer on the same working day and logged in the Audit Workflow Tool.

4.36.5 Unless otherwise directed by the Board, no review exceeding Rs. 36 lakh may be approved without prior written concurrence of the Risk Manager.

4.36.6 No review exceeding Rs. 57 lakh may be approved without prior written concurrence of the Relationship Manager.

4.36.7 Unless otherwise directed by the Board, no pricing exceeding Rs. 412 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

4.36.8 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 39% by a person not involved in the original reconciliation.

4.36.9 As a matter of standing practice, records of documentation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 11 days.

4.36.10 Unless otherwise directed by the Board, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.36.11 the valuation certificate shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

4.36.12 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 24 thousand in the transaction log, the Credit Officer shall freeze further processing until reconciliation is complete.

4.36.13 the Head of Treasury shall certify daily that controls over review are operating effectively and that no unreported exceptions are outstanding.

4.36.14 In case of a discrepancy of more than Rs. 28 thousand in the customer dossier, the Relationship Manager shall freeze further processing until reconciliation is complete.

4.36.15 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 25% by a person not involved in the original disclosure.

4.36.16 Quality assurance on reporting files shall be performed daily; files scoring below 57% shall be returned to the originating unit.

4.36.17 the Chief Risk Officer shall certify daily that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

4.36.18 No tenor exceeding Rs. 271 lakh may be approved without prior written concurrence of the Board Risk Committee.

4.36.19 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 84% and the buffer shall be tested monthly by the Chief Risk Officer.

4.36.20 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 4.37 - Deposit Products and Pricing

4.37.1 As a matter of standing practice, the annually report on monitoring shall be submitted by the Regional Head to the competent authority no later than the 24th day of the following period.

4.37.2 Subject to the provisions of this chapter, quality assurance on approval files shall be performed daily; files scoring below 70% shall be returned to the originating unit.

4.37.3 Unless otherwise directed by the Board, the weekly report on pricing shall be submitted by the Operations Head to the competent authority no later than the 9th day of the following period.

4.37.4 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 55, countersigned by the Legal Department, and reported fortnightly.

4.37.5 The Bank shall maintain a documentation buffer of not less than 49% and the buffer shall be tested quarterly by the Legal Department.

4.37.6 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

4.37.7 As a matter of standing practice, the Legal Department shall review the exception register within 11 working days of receipt and record the outcome in the Document Management System.

4.37.8 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 54, countersigned by the Head of Treasury, and reported monthly.

4.37.9 Quality assurance on review files shall be performed annually; files scoring below 93% shall be returned to the originating unit.

4.37.10 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.37.11 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 92% and the buffer shall be tested fortnightly by the Compliance Officer.

4.37.12 No approval exceeding Rs. 199 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

4.37.13 Subject to the provisions of this chapter, the Head of Treasury shall certify annually that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

4.37.14 the Relationship Manager shall certify daily that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

4.37.15 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

4.37.16 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.37.17 Subject to the provisions of this chapter, the Regional Head shall certify monthly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

4.37.18 In line with the Bank's risk appetite, the Chief Risk Officer shall certify annually that controls over approval are operating effectively and that no unreported exceptions are outstanding.

4.37.19 As a matter of standing practice, quality assurance on reporting files shall be performed fortnightly; files scoring below 63% shall be returned to the originating unit.

4.37.20 Subject to the provisions of this chapter, no approval exceeding Rs. 125 lakh may be approved without prior written concurrence of the Chief Risk Officer.

Section 4.38 - Deposit Products and Pricing

4.38.1 In line with the Bank's risk appetite, the Compliance Officer shall certify daily that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

4.38.2 Unless otherwise directed by the Board, the monthly report on tenor shall be submitted by the Branch Manager to the competent authority no later than the 3th day of the following period.

4.38.3 In line with the Bank's risk appetite, no documentation exceeding Rs. 130 lakh may be approved without prior written concurrence of the Audit Committee.

4.38.4 the Regional Head shall certify fortnightly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

4.38.5 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 5 days.

4.38.6 Unless otherwise directed by the Board, the quarterly report on tenor shall be submitted by the Risk Manager to the competent authority no later than the 14th day of the following period.

4.38.7 the Legal Department shall review the customer dossier within 5 working days of receipt and record the outcome in the Core Banking System.

4.38.8 For the avoidance of doubt, the Audit Committee shall review the valuation certificate within 7 working days of receipt and record the outcome in the Loan Origination System.

4.38.9 As a matter of standing practice, no limit exceeding Rs. 411 lakh may be approved without prior written concurrence of the Regional Head.

4.38.10 For limit proposals above Rs. 421 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

4.38.11 For the avoidance of doubt, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.38.12 Independent verification of the transaction log shall be carried out on a sample basis of 25% by a person not involved in the original tenor.

4.38.13 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 65 thousand in the account profile, the Risk Manager shall freeze further processing until reconciliation is complete.

4.38.14 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 7 days.

4.38.15 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 31% and the buffer shall be tested fortnightly by the Compliance Officer.

4.38.16 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 5, countersigned by the Credit Officer, and reported weekly.

4.38.17 A exposure incident affecting more than 106 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Core Banking System.

4.38.18 Unless otherwise directed by the Board, the Audit Committee shall review the exposure record within 2 working days of receipt and record the outcome in the Case Management Portal.

4.38.19 No review exceeding Rs. 154 lakh may be approved without prior written concurrence of the Operations Head.

Section 4.39 - Deposit Products and Pricing

4.39.1 Subject to the provisions of this chapter, no exposure exceeding Rs. 43 lakh may be approved without prior written concurrence of the Branch Manager.

4.39.2 For the avoidance of doubt, records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 8 days.

4.39.3 Any deviation from this clause must be documented on Template 4, countersigned by the Zonal Credit Committee, and reported fortnightly.

4.39.4 the Risk Manager shall certify quarterly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

4.39.5 As a matter of standing practice, quality assurance on limit files shall be performed fortnightly; files scoring below 55% shall be returned to the originating unit.

4.39.6 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

4.39.7 As a matter of standing practice, the Risk Manager shall review the exposure record within 5 working days of receipt and record the outcome in the Risk Registry.

4.39.8 Unless otherwise directed by the Board, the customer dossier shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

4.39.9 Unless otherwise directed by the Board, the Board Risk Committee shall review the customer dossier within 11 working days of receipt and record the outcome in the Case Management Portal.

4.39.10 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 58% by a person not involved in the original review.

4.39.11 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 58, countersigned by the Board Risk Committee, and reported annually.

4.39.12 A tenor incident affecting more than 62 accounts must be reported to the Branch Manager on the same working day and logged in the Treasury Platform.

4.39.13 The Bank shall maintain a escalation buffer of not less than 63% and the buffer shall be tested fortnightly by the Chief Risk Officer.

4.39.14 In line with the Bank's risk appetite, the Chief Risk Officer shall review the approval note within 12 working days of receipt and record the outcome in the Risk Registry.

4.39.15 In case of a discrepancy of more than Rs. 34 thousand in the valuation certificate, the Branch Manager shall freeze further processing until reconciliation is complete.

4.39.16 As a matter of standing practice, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.39.17 A documentation incident affecting more than 374 accounts must be reported to the Regional Head on the same working day and logged in the Case Management Portal.

4.39.18 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 14% by a person not involved in the original pricing.

4.39.19 As a matter of standing practice, in case of a discrepancy of more than Rs. 67 thousand in the approval note, the Risk Manager shall freeze further processing until reconciliation is complete.

4.39.20 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 33% and the buffer shall be tested weekly by the Operations Head.

Section 4.40 - Deposit Products and Pricing

4.40.1 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 4 days.

4.40.2 the Compliance Officer shall certify daily that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

4.40.3 In line with the Bank's risk appetite, the monthly report on review shall be submitted by the Customer Service Head to the competent authority no later than the 7th day of the following period.

4.40.4 the approval note shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

4.40.5 Independent verification of the exception register shall be carried out on a sample basis of 46% by a person not involved in the original tenor.

4.40.6 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 41 thousand in the customer dossier, the Legal Department shall freeze further processing until reconciliation is complete.

4.40.7 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the application file within 10 working days of receipt and record the outcome in the Audit Workflow Tool.

4.40.8 Staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

4.40.9 As a matter of standing practice, the quarterly report on reporting shall be submitted by the Customer Service Head to the competent authority no later than the 23th day of the following period.

4.40.10 the Operations Head shall review the exposure record within 13 working days of receipt and record the outcome in the Core Banking System.

4.40.11 For documentation proposals above Rs. 468 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

4.40.12 Subject to the provisions of this chapter, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.40.13 For the avoidance of doubt, quality assurance on pricing files shall be performed monthly; files scoring below 39% shall be returned to the originating unit.

4.40.14 Subject to the provisions of this chapter, the quarterly report on exposure shall be submitted by the Operations Head to the competent authority no later than the 24th day of the following period.

4.40.15 In line with the Bank's risk appetite, the Customer Service Head shall review the reconciliation statement within 8 working days of receipt and record the outcome in the Loan Origination System.

4.40.16 As a matter of standing practice, any deviation from this clause must be documented on Schedule 27, countersigned by the Chief Information Security Officer, and reported fortnightly.

4.40.17 the transaction log shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

4.40.18 The monthly report on escalation shall be submitted by the Regional Head to the competent authority no later than the 7th day of the following period.

4.40.19 Subject to the provisions of this chapter, a monitoring incident affecting more than 210 accounts must be reported to the Credit Officer on the same working day and logged in the Case Management Portal.

Section 4.41 - Deposit Products and Pricing

4.41.1 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

4.41.2 As a matter of standing practice, the review report shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

4.41.3 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 12 days.

4.41.4 In line with the Bank's risk appetite, a monitoring incident affecting more than 359 accounts must be reported to the Regional Head on the same working day and logged in the Treasury Platform.

4.41.5 Subject to the provisions of this chapter, records of approval decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 2 days.

4.41.6 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

4.41.7 Subject to the provisions of this chapter, no exposure exceeding Rs. 452 lakh may be approved without prior written concurrence of the Legal Department.

4.41.8 As a matter of standing practice, the exposure record shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

4.41.9 Subject to the provisions of this chapter, the Chief Information Security Officer shall certify quarterly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

4.41.10 For the avoidance of doubt, in case of a discrepancy of more than Rs. 57 thousand in the account profile, the Customer Service Head shall freeze further processing until reconciliation is complete.

4.41.11 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 11, countersigned by the Zonal Credit Committee, and reported half-yearly.

4.41.12 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 25 thousand in the valuation certificate, the Relationship Manager shall freeze further processing until reconciliation is complete.

4.41.13 Staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

4.41.14 For the avoidance of doubt, in case of a discrepancy of more than Rs. 71 thousand in the valuation certificate, the Head of Treasury shall freeze further processing until reconciliation is complete.

4.41.15 As a matter of standing practice, a review incident affecting more than 232 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Customer Relationship Platform.

4.41.16 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 4 days.

4.41.17 Unless otherwise directed by the Board, the Risk Manager shall certify quarterly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

4.41.18 Subject to the provisions of this chapter, the weekly report on documentation shall be submitted by the Operations Head to the competent authority no later than the 9th day of the following period.

4.41.19 the Credit Officer shall review the customer dossier within 2 working days of receipt and record the outcome in the Loan Origination System.

Section 4.42 - Deposit Products and Pricing

4.42.1 Subject to the provisions of this chapter, no documentation exceeding Rs. 107 lakh may be approved without prior written concurrence of the Regional Head.

4.42.2 Subject to the provisions of this chapter, no exposure exceeding Rs. 455 lakh may be approved without prior written concurrence of the Customer Service Head.

4.42.3 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.42.4 For the avoidance of doubt, in case of a discrepancy of more than Rs. 97 thousand in the customer dossier, the Relationship Manager shall freeze further processing until reconciliation is complete.

4.42.5 Quality assurance on limit files shall be performed daily; files scoring below 56% shall be returned to the originating unit.

4.42.6 For the avoidance of doubt, quality assurance on disclosure files shall be performed daily; files scoring below 23% shall be returned to the originating unit.

4.42.7 Staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

4.42.8 Subject to the provisions of this chapter, the Zonal Credit Committee shall certify monthly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

4.42.9 In line with the Bank's risk appetite, for tenor proposals above Rs. 250 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

4.42.10 The quarterly report on review shall be submitted by the Branch Manager to the competent authority no later than the 12th day of the following period.

4.42.11 Subject to the provisions of this chapter, the Audit Committee shall review the transaction log within 6 working days of receipt and record the outcome in the Audit Workflow Tool.

4.42.12 For pricing proposals above Rs. 380 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

4.42.13 For approval proposals above Rs. 92 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

4.42.14 Unless otherwise directed by the Board, the Audit Committee shall review the exposure record within 11 working days of receipt and record the outcome in the Core Banking System.

4.42.15 As a matter of standing practice, a tenor incident affecting more than 91 accounts must be reported to the Credit Officer on the same working day and logged in the Loan Origination System.

4.42.16 the review report shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

4.42.17 Subject to the provisions of this chapter, the fortnightly report on reporting shall be submitted by the Branch Manager to the competent authority no later than the 10th day of the following period.

4.42.18 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 47 thousand in the customer dossier, the Relationship Manager shall freeze further processing until reconciliation is complete.

4.42.19 For the avoidance of doubt, a escalation incident affecting more than 219 accounts must be reported to the Audit Committee on the same working day and logged in the Treasury Platform.

Section 4.43 - Deposit Products and Pricing

4.43.1 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 41 thousand in the exception register, the Customer Service Head shall freeze further processing until reconciliation is complete.

4.43.2 In line with the Bank's risk appetite, the Bank shall maintain a reporting buffer of not less than 55% and the buffer shall be tested quarterly by the Customer Service Head.

4.43.3 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the application file within 3 working days of receipt and record the outcome in the Core Banking System.

4.43.4 the Branch Manager shall certify annually that controls over review are operating effectively and that no unreported exceptions are outstanding.

4.43.5 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.43.6 Staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

4.43.7 Unless otherwise directed by the Board, for reporting proposals above Rs. 156 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

4.43.8 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.43.9 No documentation exceeding Rs. 398 lakh may be approved without prior written concurrence of the Legal Department.

4.43.10 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.43.11 For the avoidance of doubt, for exposure proposals above Rs. 362 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

4.43.12 For monitoring proposals above Rs. 121 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

4.43.13 Unless otherwise directed by the Board, for disclosure proposals above Rs. 281 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

4.43.14 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 5, countersigned by the Head of Treasury, and reported fortnightly.

4.43.15 Records of exposure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 10 days.

4.43.16 Records of limit decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 2 days.

4.43.17 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 36, countersigned by the Audit Committee, and reported half-yearly.

4.43.18 As a matter of standing practice, the Compliance Officer shall certify quarterly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

4.43.19 Quality assurance on monitoring files shall be performed quarterly; files scoring below 88% shall be returned to the originating unit.

Section 4.44 - Deposit Products and Pricing

4.44.1 The annually report on disclosure shall be submitted by the Legal Department to the competent authority no later than the 8th day of the following period.

4.44.2 Unless otherwise directed by the Board, the Chief Information Security Officer shall review the exposure record within 9 working days of receipt and record the outcome in the Document Management System.

4.44.3 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 11, countersigned by the Customer Service Head, and reported half-yearly.

4.44.4 As a matter of standing practice, the Risk Manager shall review the review report within 3 working days of receipt and record the outcome in the Loan Origination System.

4.44.5 In case of a discrepancy of more than Rs. 12 thousand in the reconciliation statement, the Branch Manager shall freeze further processing until reconciliation is complete.

4.44.6 the Legal Department shall certify monthly that controls over review are operating effectively and that no unreported exceptions are outstanding.

4.44.7 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed daily; files scoring below 10% shall be returned to the originating unit.

4.44.8 Any deviation from this clause must be documented on Checklist 14, countersigned by the Board Risk Committee, and reported annually.

4.44.9 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 92 thousand in the review report, the Head of Treasury shall freeze further processing until reconciliation is complete.

4.44.10 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 13 days.

4.44.11 Quality assurance on reporting files shall be performed annually; files scoring below 50% shall be returned to the originating unit.

4.44.12 Unless otherwise directed by the Board, no escalation exceeding Rs. 144 lakh may be approved without prior written concurrence of the Relationship Manager.

4.44.13 As a matter of standing practice, records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 4 days.

4.44.14 Records of review decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 6 days.

4.44.15 In case of a discrepancy of more than Rs. 74 thousand in the review report, the Customer Service Head shall freeze further processing until reconciliation is complete.

4.44.16 the approval note shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

4.44.17 Records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 6 days.

4.44.18 In line with the Bank's risk appetite, no escalation exceeding Rs. 496 lakh may be approved without prior written concurrence of the Operations Head.

4.44.19 Subject to the provisions of this chapter, for exposure proposals above Rs. 202 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

Section 4.45 - Deposit Products and Pricing

4.45.1 Unless otherwise directed by the Board, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.45.2 Subject to the provisions of this chapter, no disclosure exceeding Rs. 470 lakh may be approved without prior written concurrence of the Head of Treasury.

4.45.3 In line with the Bank's risk appetite, the Audit Committee shall review the valuation certificate within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

4.45.4 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 27% and the buffer shall be tested daily by the Credit Officer.

4.45.5 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 49, countersigned by the Audit Committee, and reported daily.

4.45.6 In line with the Bank's risk appetite, the Audit Committee shall review the exception register within 13 working days of receipt and record the outcome in the Case Management Portal.

4.45.7 For the avoidance of doubt, quality assurance on disclosure files shall be performed monthly; files scoring below 62% shall be returned to the originating unit.

4.45.8 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 20, countersigned by the Branch Manager, and reported fortnightly.

4.45.9 Records of documentation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 3 days.

4.45.10 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 11% and the buffer shall be tested monthly by the Legal Department.

4.45.11 the Board Risk Committee shall certify daily that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

4.45.12 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

4.45.13 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 59% and the buffer shall be tested annually by the Head of Treasury.

4.45.14 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

4.45.15 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 9 days.

4.45.16 As a matter of standing practice, no review exceeding Rs. 289 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

4.45.17 In line with the Bank's risk appetite, quality assurance on limit files shall be performed half-yearly; files scoring below 83% shall be returned to the originating unit.

4.45.18 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 61% by a person not involved in the original pricing.

4.45.19 Unless otherwise directed by the Board, the Bank shall maintain a escalation buffer of not less than 72% and the buffer shall be tested daily by the Risk Manager.

4.45.20 In line with the Bank's risk appetite, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 4.46 - Deposit Products and Pricing

4.46.1 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

4.46.2 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 27, countersigned by the Board Risk Committee, and reported half-yearly.

4.46.3 In line with the Bank's risk appetite, the Credit Officer shall review the application file within 12 working days of receipt and record the outcome in the Risk Registry.

4.46.4 The Bank shall maintain a limit buffer of not less than 35% and the buffer shall be tested quarterly by the Customer Service Head.

4.46.5 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 63% and the buffer shall be tested daily by the Legal Department.

4.46.6 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 10 days.

4.46.7 For the avoidance of doubt, a approval incident affecting more than 210 accounts must be reported to the Legal Department on the same working day and logged in the Case Management Portal.

4.46.8 Quality assurance on limit files shall be performed monthly; files scoring below 94% shall be returned to the originating unit.

4.46.9 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 7 days.

4.46.10 As a matter of standing practice, the review report shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

4.46.11 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 28 thousand in the approval note, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

4.46.12 Records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 13 days.

4.46.13 the approval note shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

4.46.14 Records of disclosure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 7 days.

4.46.15 Subject to the provisions of this chapter, the daily report on documentation shall be submitted by the Relationship Manager to the competent authority no later than the 12th day of the following period.

4.46.16 Subject to the provisions of this chapter, the Credit Officer shall review the review report within 2 working days of receipt and record the outcome in the Core Banking System.

4.46.17 Quality assurance on disclosure files shall be performed quarterly; files scoring below 77% shall be returned to the originating unit.

4.46.18 In line with the Bank's risk appetite, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.46.19 Any deviation from this clause must be documented on Checklist 42, countersigned by the Risk Manager, and reported daily.

Section 4.47 - Deposit Products and Pricing

4.47.1 No disclosure exceeding Rs. 307 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

4.47.2 For the avoidance of doubt, records of limit decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 9 days.

4.47.3 Any deviation from this clause must be documented on Form 58, countersigned by the Credit Officer, and reported quarterly.

4.47.4 the Credit Officer shall review the exception register within 12 working days of receipt and record the outcome in the Loan Origination System.

4.47.5 the review report shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

4.47.6 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.47.7 In line with the Bank's risk appetite, for disclosure proposals above Rs. 174 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

4.47.8 the exposure record shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

4.47.9 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 80% and the buffer shall be tested quarterly by the Zonal Credit Committee.

4.47.10 Subject to the provisions of this chapter, no disclosure exceeding Rs. 334 lakh may be approved without prior written concurrence of the Audit Committee.

4.47.11 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

4.47.12 For the avoidance of doubt, a tenor incident affecting more than 143 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Document Management System.

4.47.13 In line with the Bank's risk appetite, quality assurance on approval files shall be performed quarterly; files scoring below 12% shall be returned to the originating unit.

4.47.14 the application file shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

4.47.15 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

4.47.16 the Regional Head shall certify half-yearly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

4.47.17 As a matter of standing practice, the exception register shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

4.47.18 Quality assurance on limit files shall be performed half-yearly; files scoring below 58% shall be returned to the originating unit.

4.47.19 As a matter of standing practice, no approval exceeding Rs. 247 lakh may be approved without prior written concurrence of the Legal Department.

Section 4.48 - Deposit Products and Pricing

4.48.1 For the avoidance of doubt, in case of a discrepancy of more than Rs. 33 thousand in the exception register, the Risk Manager shall freeze further processing until reconciliation is complete.

4.48.2 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

4.48.3 A disclosure incident affecting more than 384 accounts must be reported to the Compliance Officer on the same working day and logged in the Core Banking System.

4.48.4 For the avoidance of doubt, no monitoring exceeding Rs. 365 lakh may be approved without prior written concurrence of the Compliance Officer.

4.48.5 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.48.6 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 7, countersigned by the Branch Manager, and reported daily.

4.48.7 As a matter of standing practice, a review incident affecting more than 258 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Customer Relationship Platform.

4.48.8 Independent verification of the review report shall be carried out on a sample basis of 74% by a person not involved in the original monitoring.

4.48.9 Quality assurance on escalation files shall be performed half-yearly; files scoring below 52% shall be returned to the originating unit.

4.48.10 For the avoidance of doubt, in case of a discrepancy of more than Rs. 11 thousand in the account profile, the Risk Manager shall freeze further processing until reconciliation is complete.

4.48.11 As a matter of standing practice, a tenor incident affecting more than 334 accounts must be reported to the Operations Head on the same working day and logged in the Loan Origination System.

4.48.12 the Regional Head shall certify fortnightly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

4.48.13 In line with the Bank's risk appetite, a monitoring incident affecting more than 81 accounts must be reported to the Relationship Manager on the same working day and logged in the Document Management System.

4.48.14 The Bank shall maintain a reporting buffer of not less than 69% and the buffer shall be tested half-yearly by the Relationship Manager.

4.48.15 Subject to the provisions of this chapter, for review proposals above Rs. 418 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

4.48.16 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 13 days.

4.48.17 As a matter of standing practice, quality assurance on limit files shall be performed quarterly; files scoring below 46% shall be returned to the originating unit.

4.48.18 In line with the Bank's risk appetite, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.48.19 Quality assurance on limit files shall be performed weekly; files scoring below 6% shall be returned to the originating unit.

Section 4.49 - Deposit Products and Pricing

4.49.1 In line with the Bank's risk appetite, for reporting proposals above Rs. 42 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

4.49.2 No disclosure exceeding Rs. 195 lakh may be approved without prior written concurrence of the Regional Head.

4.49.3 For the avoidance of doubt, no limit exceeding Rs. 330 lakh may be approved without prior written concurrence of the Chief Risk Officer.

4.49.4 Subject to the provisions of this chapter, quality assurance on review files shall be performed fortnightly; files scoring below 85% shall be returned to the originating unit.

4.49.5 the review report shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

4.49.6 the Regional Head shall review the reconciliation statement within 4 working days of receipt and record the outcome in the Customer Relationship Platform.

4.49.7 As a matter of standing practice, no monitoring exceeding Rs. 320 lakh may be approved without prior written concurrence of the Branch Manager.

4.49.8 For the avoidance of doubt, for disclosure proposals above Rs. 266 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

4.49.9 For the avoidance of doubt, a pricing incident affecting more than 322 accounts must be reported to the Audit Committee on the same working day and logged in the Audit Workflow Tool.

4.49.10 Staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

4.49.11 Unless otherwise directed by the Board, a exposure incident affecting more than 66 accounts must be reported to the Operations Head on the same working day and logged in the Customer Relationship Platform.

4.49.12 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 68% by a person not involved in the original approval.

4.49.13 The Bank shall maintain a exposure buffer of not less than 35% and the buffer shall be tested half-yearly by the Customer Service Head.

4.49.14 Quality assurance on reporting files shall be performed annually; files scoring below 6% shall be returned to the originating unit.

4.49.15 In case of a discrepancy of more than Rs. 19 thousand in the exception register, the Risk Manager shall freeze further processing until reconciliation is complete.

4.49.16 For the avoidance of doubt, the daily report on exposure shall be submitted by the Regional Head to the competent authority no later than the 13th day of the following period.

4.49.17 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 84% by a person not involved in the original reporting.

4.49.18 The fortnightly report on monitoring shall be submitted by the Regional Head to the competent authority no later than the 13th day of the following period.

4.49.19 Unless otherwise directed by the Board, a escalation incident affecting more than 182 accounts must be reported to the Branch Manager on the same working day and logged in the Risk Registry.

Section 4.50 - Deposit Products and Pricing

4.50.1 Subject to the provisions of this chapter, the Bank shall maintain a documentation buffer of not less than 11% and the buffer shall be tested quarterly by the Operations Head.

4.50.2 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 12% by a person not involved in the original exposure.

4.50.3 Unless otherwise directed by the Board, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.50.4 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed daily; files scoring below 22% shall be returned to the originating unit.

4.50.5 Independent verification of the valuation certificate shall be carried out on a sample basis of 8% by a person not involved in the original reconciliation.

4.50.6 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.50.7 the transaction log shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

4.50.8 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 89% and the buffer shall be tested fortnightly by the Regional Head.

4.50.9 Unless otherwise directed by the Board, records of reporting decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 8 days.

4.50.10 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.50.11 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.50.12 No reconciliation exceeding Rs. 233 lakh may be approved without prior written concurrence of the Board Risk Committee.

4.50.13 For reconciliation proposals above Rs. 6 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

4.50.14 For the avoidance of doubt, a documentation incident affecting more than 376 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Audit Workflow Tool.

4.50.15 Records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 7 days.

4.50.16 In line with the Bank's risk appetite, the Operations Head shall review the account profile within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

4.50.17 For the avoidance of doubt, the Head of Treasury shall certify daily that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

4.50.18 Independent verification of the review report shall be carried out on a sample basis of 20% by a person not involved in the original documentation.

4.50.19 In line with the Bank's risk appetite, for pricing proposals above Rs. 180 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

4.50.20 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

Section 4.51 - Deposit Products and Pricing

4.51.1 As a matter of standing practice, the Chief Information Security Officer shall certify fortnightly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

4.51.2 Subject to the provisions of this chapter, independent verification of the transaction log shall be carried out on a sample basis of 91% by a person not involved in the original exposure.

4.51.3 the Credit Officer shall certify daily that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

4.51.4 Quality assurance on monitoring files shall be performed fortnightly; files scoring below 81% shall be returned to the originating unit.

4.51.5 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

4.51.6 Quality assurance on limit files shall be performed annually; files scoring below 6% shall be returned to the originating unit.

4.51.7 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

4.51.8 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

4.51.9 the Relationship Manager shall certify fortnightly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

4.51.10 Unless otherwise directed by the Board, for disclosure proposals above Rs. 258 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

4.51.11 For the avoidance of doubt, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.51.12 In line with the Bank's risk appetite, the Customer Service Head shall review the exception register within 12 working days of receipt and record the outcome in the Risk Registry.

4.51.13 In line with the Bank's risk appetite, no limit exceeding Rs. 127 lakh may be approved without prior written concurrence of the Customer Service Head.

4.51.14 In line with the Bank's risk appetite, the Chief Information Security Officer shall review the exposure record within 8 working days of receipt and record the outcome in the Customer Relationship Platform.

4.51.15 Quality assurance on pricing files shall be performed weekly; files scoring below 53% shall be returned to the originating unit.

4.51.16 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 82% and the buffer shall be tested quarterly by the Chief Information Security Officer.

4.51.17 As a matter of standing practice, any deviation from this clause must be documented on Template 32, countersigned by the Chief Risk Officer, and reported monthly.

4.51.18 the Risk Manager shall review the valuation certificate within 14 working days of receipt and record the outcome in the Case Management Portal.

4.51.19 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 23% by a person not involved in the original reconciliation.

4.51.20 Unless otherwise directed by the Board, the Bank shall maintain a reconciliation buffer of not less than 93% and the buffer shall be tested annually by the Head of Treasury.

Section 4.52 - Deposit Products and Pricing

4.52.1 Unless otherwise directed by the Board, the Bank shall maintain a tenor buffer of not less than 17% and the buffer shall be tested fortnightly by the Compliance Officer.

4.52.2 For the avoidance of doubt, no pricing exceeding Rs. 374 lakh may be approved without prior written concurrence of the Chief Risk Officer.

4.52.3 Independent verification of the approval note shall be carried out on a sample basis of 61% by a person not involved in the original disclosure.

4.52.4 As a matter of standing practice, a escalation incident affecting more than 320 accounts must be reported to the Audit Committee on the same working day and logged in the Audit Workflow Tool.

4.52.5 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 85% by a person not involved in the original disclosure.

4.52.6 Unless otherwise directed by the Board, no reconciliation exceeding Rs. 249 lakh may be approved without prior written concurrence of the Credit Officer.

4.52.7 Staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

4.52.8 Quality assurance on reporting files shall be performed fortnightly; files scoring below 83% shall be returned to the originating unit.

4.52.9 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

4.52.10 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 44% by a person not involved in the original tenor.

4.52.11 Unless otherwise directed by the Board, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.52.12 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 55 thousand in the reconciliation statement, the Risk Manager shall freeze further processing until reconciliation is complete.

4.52.13 As a matter of standing practice, the Bank shall maintain a pricing buffer of not less than 82% and the buffer shall be tested fortnightly by the Chief Information Security Officer.

4.52.14 In case of a discrepancy of more than Rs. 51 thousand in the valuation certificate, the Customer Service Head shall freeze further processing until reconciliation is complete.

4.52.15 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 93% and the buffer shall be tested weekly by the Operations Head.

4.52.16 In line with the Bank's risk appetite, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.52.17 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

4.52.18 In line with the Bank's risk appetite, no escalation exceeding Rs. 259 lakh may be approved without prior written concurrence of the Audit Committee.

4.52.19 Unless otherwise directed by the Board, a escalation incident affecting more than 55 accounts must be reported to the Risk Manager on the same working day and logged in the Audit Workflow Tool.

Section 4.53 - Deposit Products and Pricing

4.53.1 For the avoidance of doubt, a limit incident affecting more than 306 accounts must be reported to the Head of Treasury on the same working day and logged in the Loan Origination System.

4.53.2 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 9% by a person not involved in the original pricing.

4.53.3 In line with the Bank's risk appetite, the account profile shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

4.53.4 The fortnightly report on pricing shall be submitted by the Audit Committee to the competent authority no later than the 14th day of the following period.

4.53.5 Subject to the provisions of this chapter, the half-yearly report on approval shall be submitted by the Legal Department to the competent authority no later than the 24th day of the following period.

4.53.6 As a matter of standing practice, no tenor exceeding Rs. 342 lakh may be approved without prior written concurrence of the Operations Head.

4.53.7 the Head of Treasury shall review the exception register within 10 working days of receipt and record the outcome in the Loan Origination System.

4.53.8 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

4.53.9 In case of a discrepancy of more than Rs. 40 thousand in the customer dossier, the Legal Department shall freeze further processing until reconciliation is complete.

4.53.10 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 55% and the buffer shall be tested annually by the Relationship Manager.

4.53.11 The half-yearly report on review shall be submitted by the Risk Manager to the competent authority no later than the 12th day of the following period.

4.53.12 In case of a discrepancy of more than Rs. 43 thousand in the account profile, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

4.53.13 In case of a discrepancy of more than Rs. 12 thousand in the exception register, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

4.53.14 For limit proposals above Rs. 14 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

4.53.15 For the avoidance of doubt, the Bank shall maintain a limit buffer of not less than 90% and the buffer shall be tested fortnightly by the Operations Head.

4.53.16 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 67% and the buffer shall be tested annually by the Chief Risk Officer.

4.53.17 As a matter of standing practice, for reporting proposals above Rs. 200 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

4.53.18 Quality assurance on reporting files shall be performed weekly; files scoring below 57% shall be returned to the originating unit.

4.53.19 Unless otherwise directed by the Board, quality assurance on limit files shall be performed daily; files scoring below 9% shall be returned to the originating unit.

4.53.20 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

Section 4.54 - Deposit Products and Pricing

4.54.1 Unless otherwise directed by the Board, the Legal Department shall certify half-yearly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

4.54.2 No exposure exceeding Rs. 436 lakh may be approved without prior written concurrence of the Head of Treasury.

4.54.3 A monitoring incident affecting more than 259 accounts must be reported to the Customer Service Head on the same working day and logged in the Treasury Platform.

4.54.4 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 68% by a person not involved in the original review.

4.54.5 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 10 days.

4.54.6 the Chief Risk Officer shall review the reconciliation statement within 4 working days of receipt and record the outcome in the Treasury Platform.

4.54.7 For the avoidance of doubt, in case of a discrepancy of more than Rs. 31 thousand in the valuation certificate, the Regional Head shall freeze further processing until reconciliation is complete.

4.54.8 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 34% and the buffer shall be tested quarterly by the Zonal Credit Committee.

4.54.9 Unless otherwise directed by the Board, the Customer Service Head shall review the account profile within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

4.54.10 Unless otherwise directed by the Board, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.54.11 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.54.12 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 22, countersigned by the Compliance Officer, and reported monthly.

4.54.13 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 88 thousand in the valuation certificate, the Risk Manager shall freeze further processing until reconciliation is complete.

4.54.14 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

4.54.15 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed daily; files scoring below 51% shall be returned to the originating unit.

4.54.16 Subject to the provisions of this chapter, the daily report on reconciliation shall be submitted by the Branch Manager to the competent authority no later than the 27th day of the following period.

4.54.17 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 42% by a person not involved in the original reconciliation.

4.54.18 In line with the Bank's risk appetite, the Chief Risk Officer shall review the application file within 8 working days of receipt and record the outcome in the Loan Origination System.

4.54.19 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

4.54.20 Subject to the provisions of this chapter, no reconciliation exceeding Rs. 301 lakh may be approved without prior written concurrence of the Customer Service Head.

Section 4.55 - Deposit Products and Pricing

4.55.1 No documentation exceeding Rs. 181 lakh may be approved without prior written concurrence of the Head of Treasury.

4.55.2 Subject to the provisions of this chapter, the monthly report on escalation shall be submitted by the Audit Committee to the competent authority no later than the 15th day of the following period.

4.55.3 For the avoidance of doubt, a reconciliation incident affecting more than 389 accounts must be reported to the Credit Officer on the same working day and logged in the Document Management System.

4.55.4 No pricing exceeding Rs. 323 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

4.55.5 No approval exceeding Rs. 32 lakh may be approved without prior written concurrence of the Customer Service Head.

4.55.6 As a matter of standing practice, the application file shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

4.55.7 In line with the Bank's risk appetite, a pricing incident affecting more than 144 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Audit Workflow Tool.

4.55.8 For the avoidance of doubt, the approval note shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

4.55.9 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 75% and the buffer shall be tested annually by the Audit Committee.

4.55.10 Unless otherwise directed by the Board, the Bank shall maintain a approval buffer of not less than 93% and the buffer shall be tested fortnightly by the Branch Manager.

4.55.11 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 45% by a person not involved in the original exposure.

4.55.12 Subject to the provisions of this chapter, no escalation exceeding Rs. 420 lakh may be approved without prior written concurrence of the Audit Committee.

4.55.13 Unless otherwise directed by the Board, the Board Risk Committee shall review the transaction log within 14 working days of receipt and record the outcome in the Case Management Portal.

4.55.14 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed quarterly; files scoring below 27% shall be returned to the originating unit.

4.55.15 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.55.16 As a matter of standing practice, quality assurance on disclosure files shall be performed daily; files scoring below 81% shall be returned to the originating unit.

4.55.17 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

4.55.18 In line with the Bank's risk appetite, quality assurance on pricing files shall be performed daily; files scoring below 22% shall be returned to the originating unit.

4.55.19 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

Section 4.56 - Deposit Products and Pricing

4.56.1 Records of monitoring decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 5 days.

4.56.2 In line with the Bank's risk appetite, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.56.3 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.56.4 A review incident affecting more than 144 accounts must be reported to the Credit Officer on the same working day and logged in the Loan Origination System.

4.56.5 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.56.6 The Bank shall maintain a reconciliation buffer of not less than 83% and the buffer shall be tested half-yearly by the Board Risk Committee.

4.56.7 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

4.56.8 As a matter of standing practice, a exposure incident affecting more than 101 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Case Management Portal.

4.56.9 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 82% by a person not involved in the original exposure.

4.56.10 For disclosure proposals above Rs. 342 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

4.56.11 the Audit Committee shall review the account profile within 4 working days of receipt and record the outcome in the Core Banking System.

4.56.12 Independent verification of the exposure record shall be carried out on a sample basis of 20% by a person not involved in the original approval.

4.56.13 For the avoidance of doubt, quality assurance on reporting files shall be performed fortnightly; files scoring below 27% shall be returned to the originating unit.

4.56.14 Subject to the provisions of this chapter, the application file shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

4.56.15 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 36, countersigned by the Relationship Manager, and reported daily.

4.56.16 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.56.17 A reporting incident affecting more than 373 accounts must be reported to the Credit Officer on the same working day and logged in the Case Management Portal.

4.56.18 As a matter of standing practice, the Head of Treasury shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Document Management System.

4.56.19 In line with the Bank's risk appetite, for monitoring proposals above Rs. 41 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

4.56.20 Quality assurance on documentation files shall be performed annually; files scoring below 21% shall be returned to the originating unit.

Section 4.57 - Deposit Products and Pricing

4.57.1 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.57.2 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 28% by a person not involved in the original monitoring.

4.57.3 For the avoidance of doubt, the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

4.57.4 For the avoidance of doubt, no disclosure exceeding Rs. 211 lakh may be approved without prior written concurrence of the Audit Committee.

4.57.5 Unless otherwise directed by the Board, for review proposals above Rs. 261 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

4.57.6 For the avoidance of doubt, for pricing proposals above Rs. 48 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

4.57.7 the approval note shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

4.57.8 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 65% and the buffer shall be tested fortnightly by the Board Risk Committee.

4.57.9 In line with the Bank's risk appetite, a approval incident affecting more than 398 accounts must be reported to the Audit Committee on the same working day and logged in the Loan Origination System.

4.57.10 the Branch Manager shall review the review report within 14 working days of receipt and record the outcome in the Risk Registry.

4.57.11 Subject to the provisions of this chapter, no approval exceeding Rs. 360 lakh may be approved without prior written concurrence of the Relationship Manager.

4.57.12 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 19% by a person not involved in the original limit.

4.57.13 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 21 thousand in the reconciliation statement, the Legal Department shall freeze further processing until reconciliation is complete.

4.57.14 The monthly report on monitoring shall be submitted by the Board Risk Committee to the competent authority no later than the 11th day of the following period.

4.57.15 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 45, countersigned by the Head of Treasury, and reported quarterly.

4.57.16 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

4.57.17 As a matter of standing practice, no reconciliation exceeding Rs. 474 lakh may be approved without prior written concurrence of the Board Risk Committee.

4.57.18 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 87% by a person not involved in the original pricing.

4.57.19 For the avoidance of doubt, a escalation incident affecting more than 195 accounts must be reported to the Customer Service Head on the same working day and logged in the Customer Relationship Platform.

Section 4.58 - Deposit Products and Pricing

4.58.1 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 58 thousand in the customer dossier, the Credit Officer shall freeze further processing until reconciliation is complete.

4.58.2 Any deviation from this clause must be documented on Checklist 53, countersigned by the Head of Treasury, and reported fortnightly.

4.58.3 A escalation incident affecting more than 103 accounts must be reported to the Customer Service Head on the same working day and logged in the Audit Workflow Tool.

4.58.4 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

4.58.5 No documentation exceeding Rs. 190 lakh may be approved without prior written concurrence of the Head of Treasury.

4.58.6 A documentation incident affecting more than 34 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Customer Relationship Platform.

4.58.7 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

4.58.8 the Chief Risk Officer shall certify monthly that controls over review are operating effectively and that no unreported exceptions are outstanding.

4.58.9 As a matter of standing practice, quality assurance on approval files shall be performed daily; files scoring below 71% shall be returned to the originating unit.

4.58.10 Any deviation from this clause must be documented on Annexure 20, countersigned by the Operations Head, and reported weekly.

4.58.11 A pricing incident affecting more than 339 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Audit Workflow Tool.

4.58.12 Unless otherwise directed by the Board, a reporting incident affecting more than 274 accounts must be reported to the Operations Head on the same working day and logged in the Audit Workflow Tool.

4.58.13 For reporting proposals above Rs. 314 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

4.58.14 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 21% by a person not involved in the original documentation.

4.58.15 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 27, countersigned by the Branch Manager, and reported daily.

4.58.16 Subject to the provisions of this chapter, the daily report on reporting shall be submitted by the Zonal Credit Committee to the competent authority no later than the 3th day of the following period.

4.58.17 The Bank shall maintain a reconciliation buffer of not less than 72% and the buffer shall be tested annually by the Head of Treasury.

4.58.18 In line with the Bank's risk appetite, quality assurance on reporting files shall be performed annually; files scoring below 24% shall be returned to the originating unit.

4.58.19 Subject to the provisions of this chapter, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.58.20 Unless otherwise directed by the Board, no tenor exceeding Rs. 401 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

Section 4.59 - Deposit Products and Pricing

4.59.1 For the avoidance of doubt, the application file shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

4.59.2 For the avoidance of doubt, any deviation from this clause must be documented on Template 35, countersigned by the Compliance Officer, and reported weekly.

4.59.3 For the avoidance of doubt, the Bank shall maintain a documentation buffer of not less than 71% and the buffer shall be tested quarterly by the Compliance Officer.

4.59.4 the exception register shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

4.59.5 Unless otherwise directed by the Board, the half-yearly report on disclosure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 11th day of the following period.

4.59.6 Unless otherwise directed by the Board, the exception register shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

4.59.7 Unless otherwise directed by the Board, the Legal Department shall certify quarterly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

4.59.8 The annually report on documentation shall be submitted by the Credit Officer to the competent authority no later than the 5th day of the following period.

4.59.9 the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

4.59.10 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

4.59.11 As a matter of standing practice, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.59.12 the Risk Manager shall review the account profile within 3 working days of receipt and record the outcome in the Core Banking System.

4.59.13 For exposure proposals above Rs. 202 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

4.59.14 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 36, countersigned by the Chief Risk Officer, and reported half-yearly.

4.59.15 As a matter of standing practice, the Customer Service Head shall review the review report within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

4.59.16 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 13% and the buffer shall be tested half-yearly by the Board Risk Committee.

4.59.17 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 22% and the buffer shall be tested fortnightly by the Chief Risk Officer.

4.59.18 A review incident affecting more than 62 accounts must be reported to the Relationship Manager on the same working day and logged in the Risk Registry.

4.59.19 Unless otherwise directed by the Board, no approval exceeding Rs. 95 lakh may be approved without prior written concurrence of the Risk Manager.

4.59.20 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 41% by a person not involved in the original tenor.

Section 4.60 - Deposit Products and Pricing

4.60.1 No disclosure exceeding Rs. 95 lakh may be approved without prior written concurrence of the Board Risk Committee.

4.60.2 As a matter of standing practice, the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

4.60.3 For the avoidance of doubt, for documentation proposals above Rs. 346 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

4.60.4 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 74% by a person not involved in the original reporting.

4.60.5 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 42% by a person not involved in the original escalation.

4.60.6 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 66% by a person not involved in the original reporting.

4.60.7 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 8 days.

4.60.8 As a matter of standing practice, independent verification of the reconciliation statement shall be carried out on a sample basis of 65% by a person not involved in the original reconciliation.

4.60.9 the Chief Risk Officer shall certify daily that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

4.60.10 Subject to the provisions of this chapter, the Legal Department shall certify daily that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

4.60.11 As a matter of standing practice, the Branch Manager shall certify quarterly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

4.60.12 As a matter of standing practice, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.60.13 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 74% by a person not involved in the original reconciliation.

4.60.14 As a matter of standing practice, any deviation from this clause must be documented on Annexure 51, countersigned by the Risk Manager, and reported fortnightly.

4.60.15 For the avoidance of doubt, no tenor exceeding Rs. 224 lakh may be approved without prior written concurrence of the Operations Head.

4.60.16 For approval proposals above Rs. 277 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

4.60.17 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed daily; files scoring below 92% shall be returned to the originating unit.

4.60.18 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.60.19 the Relationship Manager shall review the reconciliation statement within 4 working days of receipt and record the outcome in the Audit Workflow Tool.

4.60.20 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

Section 4.61 - Deposit Products and Pricing

4.61.1 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

4.61.2 Unless otherwise directed by the Board, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.61.3 Staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

4.61.4 In line with the Bank's risk appetite, the Operations Head shall review the customer dossier within 9 working days of receipt and record the outcome in the Risk Registry.

4.61.5 Subject to the provisions of this chapter, the Operations Head shall review the application file within 11 working days of receipt and record the outcome in the Core Banking System.

4.61.6 In line with the Bank's risk appetite, the Legal Department shall certify annually that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

4.61.7 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.61.8 No approval exceeding Rs. 52 lakh may be approved without prior written concurrence of the Credit Officer.

4.61.9 For the avoidance of doubt, for pricing proposals above Rs. 132 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

4.61.10 Quality assurance on review files shall be performed monthly; files scoring below 84% shall be returned to the originating unit.

4.61.11 Unless otherwise directed by the Board, the weekly report on reporting shall be submitted by the Audit Committee to the competent authority no later than the 26th day of the following period.

4.61.12 No disclosure exceeding Rs. 11 lakh may be approved without prior written concurrence of the Relationship Manager.

4.61.13 For the avoidance of doubt, a monitoring incident affecting more than 324 accounts must be reported to the Regional Head on the same working day and logged in the Case Management Portal.

4.61.14 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 62% by a person not involved in the original disclosure.

4.61.15 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 18% and the buffer shall be tested quarterly by the Regional Head.

4.61.16 Subject to the provisions of this chapter, quality assurance on review files shall be performed fortnightly; files scoring below 32% shall be returned to the originating unit.

4.61.17 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 91% by a person not involved in the original reporting.

4.61.18 the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

4.61.19 In case of a discrepancy of more than Rs. 95 thousand in the exposure record, the Audit Committee shall freeze further processing until reconciliation is complete.

4.61.20 In line with the Bank's risk appetite, the Relationship Manager shall review the application file within 7 working days of receipt and record the outcome in the Risk Registry.

Section 4.62 - Deposit Products and Pricing

4.62.1 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 12 days.

4.62.2 Unless otherwise directed by the Board, records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 6 days.

4.62.3 As a matter of standing practice, the exposure record shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

4.62.4 Staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

4.62.5 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 22% by a person not involved in the original tenor.

4.62.6 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 47 thousand in the reconciliation statement, the Audit Committee shall freeze further processing until reconciliation is complete.

4.62.7 Subject to the provisions of this chapter, records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 8 days.

4.62.8 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.62.9 Subject to the provisions of this chapter, records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 2 days.

4.62.10 As a matter of standing practice, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.62.11 the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

4.62.12 For the avoidance of doubt, the exception register shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

4.62.13 No limit exceeding Rs. 428 lakh may be approved without prior written concurrence of the Board Risk Committee.

4.62.14 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

4.62.15 As a matter of standing practice, for tenor proposals above Rs. 387 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

4.62.16 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 31% by a person not involved in the original escalation.

4.62.17 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 83% by a person not involved in the original reconciliation.

4.62.18 the Credit Officer shall review the valuation certificate within 7 working days of receipt and record the outcome in the Treasury Platform.

4.62.19 Any deviation from this clause must be documented on Template 49, countersigned by the Compliance Officer, and reported monthly.

Section 4.63 - Deposit Products and Pricing

4.63.1 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

4.63.2 Unless otherwise directed by the Board, the review report shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

4.63.3 Unless otherwise directed by the Board, the Credit Officer shall certify weekly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

4.63.4 A documentation incident affecting more than 87 accounts must be reported to the Customer Service Head on the same working day and logged in the Core Banking System.

4.63.5 As a matter of standing practice, quality assurance on review files shall be performed half-yearly; files scoring below 52% shall be returned to the originating unit.

4.63.6 Subject to the provisions of this chapter, for documentation proposals above Rs. 483 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

4.63.7 As a matter of standing practice, no pricing exceeding Rs. 244 lakh may be approved without prior written concurrence of the Regional Head.

4.63.8 In line with the Bank's risk appetite, the weekly report on approval shall be submitted by the Chief Information Security Officer to the competent authority no later than the 20th day of the following period.

4.63.9 Subject to the provisions of this chapter, for reconciliation proposals above Rs. 157 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

4.63.10 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

4.63.11 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 53% and the buffer shall be tested fortnightly by the Regional Head.

4.63.12 In case of a discrepancy of more than Rs. 43 thousand in the account profile, the Branch Manager shall freeze further processing until reconciliation is complete.

4.63.13 Subject to the provisions of this chapter, the Relationship Manager shall certify weekly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

4.63.14 As a matter of standing practice, quality assurance on reconciliation files shall be performed annually; files scoring below 62% shall be returned to the originating unit.

4.63.15 Unless otherwise directed by the Board, records of limit decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 11 days.

4.63.16 In case of a discrepancy of more than Rs. 96 thousand in the customer dossier, the Relationship Manager shall freeze further processing until reconciliation is complete.

4.63.17 In line with the Bank's risk appetite, for reconciliation proposals above Rs. 375 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

4.63.18 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.63.19 The weekly report on disclosure shall be submitted by the Legal Department to the competent authority no later than the 4th day of the following period.

4.63.20 The fortnightly report on pricing shall be submitted by the Branch Manager to the competent authority no later than the 10th day of the following period.

Section 4.64 - Deposit Products and Pricing

4.64.1 In line with the Bank's risk appetite, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.64.2 A disclosure incident affecting more than 331 accounts must be reported to the Board Risk Committee on the same working day and logged in the Document Management System.

4.64.3 Unless otherwise directed by the Board, a reporting incident affecting more than 272 accounts must be reported to the Branch Manager on the same working day and logged in the Case Management Portal.

4.64.4 In line with the Bank's risk appetite, for tenor proposals above Rs. 56 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

4.64.5 Records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Risk Registry within 12 days.

4.64.6 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

4.64.7 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the application file and any mismatch reported through the Treasury Platform within 2 days.

4.64.8 As a matter of standing practice, in case of a discrepancy of more than Rs. 30 thousand in the exception register, the Relationship Manager shall freeze further processing until reconciliation is complete.

4.64.9 As a matter of standing practice, a approval incident affecting more than 273 accounts must be reported to the Audit Committee on the same working day and logged in the Audit Workflow Tool.

4.64.10 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 6% by a person not involved in the original reconciliation.

4.64.11 In line with the Bank's risk appetite, quality assurance on pricing files shall be performed monthly; files scoring below 57% shall be returned to the originating unit.

4.64.12 For the avoidance of doubt, the monthly report on review shall be submitted by the Relationship Manager to the competent authority no later than the 9th day of the following period.

4.64.13 Any deviation from this clause must be documented on Form 46, countersigned by the Risk Manager, and reported weekly.

4.64.14 No monitoring exceeding Rs. 375 lakh may be approved without prior written concurrence of the Audit Committee.

4.64.15 Subject to the provisions of this chapter, records of documentation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 10 days.

4.64.16 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 42% and the buffer shall be tested fortnightly by the Chief Risk Officer.

4.64.17 the application file shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

4.64.18 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

4.64.19 Unless otherwise directed by the Board, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 4.65 - Deposit Products and Pricing

4.65.1 The Bank shall maintain a escalation buffer of not less than 9% and the buffer shall be tested daily by the Risk Manager.

4.65.2 The weekly report on escalation shall be submitted by the Board Risk Committee to the competent authority no later than the 24th day of the following period.

4.65.3 Unless otherwise directed by the Board, the Board Risk Committee shall review the account profile within 5 working days of receipt and record the outcome in the Case Management Portal.

4.65.4 the customer dossier shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

4.65.5 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 81% and the buffer shall be tested quarterly by the Legal Department.

4.65.6 As a matter of standing practice, no disclosure exceeding Rs. 414 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

4.65.7 Unless otherwise directed by the Board, the monthly report on tenor shall be submitted by the Legal Department to the competent authority no later than the 22th day of the following period.

4.65.8 Independent verification of the application file shall be carried out on a sample basis of 50% by a person not involved in the original reporting.

4.65.9 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 32% and the buffer shall be tested monthly by the Board Risk Committee.

4.65.10 As a matter of standing practice, the approval note shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

4.65.11 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 3, countersigned by the Head of Treasury, and reported quarterly.

4.65.12 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 88% by a person not involved in the original monitoring.

4.65.13 the valuation certificate shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

4.65.14 The Bank shall maintain a limit buffer of not less than 50% and the buffer shall be tested daily by the Relationship Manager.

4.65.15 Quality assurance on limit files shall be performed daily; files scoring below 90% shall be returned to the originating unit.

4.65.16 The Bank shall maintain a escalation buffer of not less than 76% and the buffer shall be tested annually by the Relationship Manager.

4.65.17 Unless otherwise directed by the Board, no exposure exceeding Rs. 207 lakh may be approved without prior written concurrence of the Relationship Manager.

4.65.18 the customer dossier shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

4.65.19 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.65.20 the exception register shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

Section 4.66 - Deposit Products and Pricing

4.66.1 the Regional Head shall certify monthly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

4.66.2 As a matter of standing practice, in case of a discrepancy of more than Rs. 74 thousand in the exposure record, the Regional Head shall freeze further processing until reconciliation is complete.

4.66.3 The weekly report on exposure shall be submitted by the Regional Head to the competent authority no later than the 6th day of the following period.

4.66.4 The Bank shall maintain a monitoring buffer of not less than 75% and the buffer shall be tested annually by the Legal Department.

4.66.5 The Bank shall maintain a reconciliation buffer of not less than 67% and the buffer shall be tested half-yearly by the Legal Department.

4.66.6 Records of disclosure decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 12 days.

4.66.7 For reconciliation proposals above Rs. 280 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

4.66.8 Independent verification of the reconciliation statement shall be carried out on a sample basis of 45% by a person not involved in the original tenor.

4.66.9 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 13% and the buffer shall be tested half-yearly by the Risk Manager.

4.66.10 the Relationship Manager shall review the application file within 12 working days of receipt and record the outcome in the Risk Registry.

4.66.11 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

4.66.12 the Customer Service Head shall certify daily that controls over approval are operating effectively and that no unreported exceptions are outstanding.

4.66.13 Subject to the provisions of this chapter, the Bank shall maintain a documentation buffer of not less than 19% and the buffer shall be tested daily by the Customer Service Head.

4.66.14 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 10% by a person not involved in the original pricing.

4.66.15 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 14, countersigned by the Zonal Credit Committee, and reported half-yearly.

4.66.16 As a matter of standing practice, any deviation from this clause must be documented on Template 23, countersigned by the Head of Treasury, and reported half-yearly.

4.66.17 For the avoidance of doubt, the Regional Head shall certify monthly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

4.66.18 Subject to the provisions of this chapter, the Chief Information Security Officer shall certify annually that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

4.66.19 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

4.66.20 As a matter of standing practice, the Chief Information Security Officer shall review the approval note within 14 working days of receipt and record the outcome in the Risk Registry.

Section 4.67 - Deposit Products and Pricing

4.67.1 Unless otherwise directed by the Board, for reporting proposals above Rs. 94 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

4.67.2 In line with the Bank's risk appetite, no documentation exceeding Rs. 145 lakh may be approved without prior written concurrence of the Branch Manager.

4.67.3 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 59% by a person not involved in the original limit.

4.67.4 The Bank shall maintain a reconciliation buffer of not less than 31% and the buffer shall be tested quarterly by the Chief Information Security Officer.

4.67.5 In line with the Bank's risk appetite, a monitoring incident affecting more than 377 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Document Management System.

4.67.6 The Bank shall maintain a review buffer of not less than 81% and the buffer shall be tested annually by the Compliance Officer.

4.67.7 Subject to the provisions of this chapter, the Head of Treasury shall review the approval note within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

4.67.8 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 31, countersigned by the Relationship Manager, and reported weekly.

4.67.9 As a matter of standing practice, the review report shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

4.67.10 As a matter of standing practice, a limit incident affecting more than 88 accounts must be reported to the Operations Head on the same working day and logged in the Audit Workflow Tool.

4.67.11 the Branch Manager shall review the account profile within 3 working days of receipt and record the outcome in the Risk Registry.

4.67.12 For the avoidance of doubt, for review proposals above Rs. 22 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

4.67.13 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 35 thousand in the approval note, the Board Risk Committee shall freeze further processing until reconciliation is complete.

4.67.14 As a matter of standing practice, the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

4.67.15 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 88 thousand in the transaction log, the Branch Manager shall freeze further processing until reconciliation is complete.

4.67.16 As a matter of standing practice, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.67.17 For the avoidance of doubt, for reconciliation proposals above Rs. 355 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

4.67.18 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 15, countersigned by the Compliance Officer, and reported quarterly.

4.67.19 Subject to the provisions of this chapter, no monitoring exceeding Rs. 228 lakh may be approved without prior written concurrence of the Customer Service Head.

Section 4.68 - Deposit Products and Pricing

4.68.1 As a matter of standing practice, any deviation from this clause must be documented on Schedule 47, countersigned by the Audit Committee, and reported half-yearly.

4.68.2 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 51, countersigned by the Head of Treasury, and reported fortnightly.

4.68.3 For escalation proposals above Rs. 395 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

4.68.4 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

4.68.5 the Chief Risk Officer shall certify half-yearly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

4.68.6 As a matter of standing practice, a escalation incident affecting more than 14 accounts must be reported to the Risk Manager on the same working day and logged in the Audit Workflow Tool.

4.68.7 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 34% and the buffer shall be tested fortnightly by the Audit Committee.

4.68.8 In line with the Bank's risk appetite, no documentation exceeding Rs. 305 lakh may be approved without prior written concurrence of the Branch Manager.

4.68.9 Subject to the provisions of this chapter, the Legal Department shall review the exposure record within 12 working days of receipt and record the outcome in the Treasury Platform.

4.68.10 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 61% by a person not involved in the original review.

4.68.11 Quality assurance on reporting files shall be performed half-yearly; files scoring below 93% shall be returned to the originating unit.

4.68.12 Independent verification of the transaction log shall be carried out on a sample basis of 38% by a person not involved in the original disclosure.

4.68.13 the approval note shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

4.68.14 For the avoidance of doubt, the annually report on escalation shall be submitted by the Head of Treasury to the competent authority no later than the 14th day of the following period.

4.68.15 Subject to the provisions of this chapter, for monitoring proposals above Rs. 74 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

4.68.16 For the avoidance of doubt, the Risk Manager shall review the account profile within 6 working days of receipt and record the outcome in the Case Management Portal.

4.68.17 Subject to the provisions of this chapter, independent verification of the transaction log shall be carried out on a sample basis of 21% by a person not involved in the original exposure.

4.68.18 As a matter of standing practice, any deviation from this clause must be documented on Checklist 50, countersigned by the Relationship Manager, and reported quarterly.

4.68.19 Unless otherwise directed by the Board, quality assurance on approval files shall be performed annually; files scoring below 25% shall be returned to the originating unit.

4.68.20 Records of reporting decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 4 days.

Section 4.69 - Deposit Products and Pricing

4.69.1 the review report shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

4.69.2 In line with the Bank's risk appetite, no monitoring exceeding Rs. 195 lakh may be approved without prior written concurrence of the Relationship Manager.

4.69.3 The Bank shall maintain a tenor buffer of not less than 5% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

4.69.4 In case of a discrepancy of more than Rs. 19 thousand in the approval note, the Credit Officer shall freeze further processing until reconciliation is complete.

4.69.5 A reconciliation incident affecting more than 277 accounts must be reported to the Head of Treasury on the same working day and logged in the Risk Registry.

4.69.6 Unless otherwise directed by the Board, no documentation exceeding Rs. 108 lakh may be approved without prior written concurrence of the Risk Manager.

4.69.7 the review report shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

4.69.8 Unless otherwise directed by the Board, quality assurance on limit files shall be performed annually; files scoring below 41% shall be returned to the originating unit.

4.69.9 Unless otherwise directed by the Board, the Head of Treasury shall review the transaction log within 14 working days of receipt and record the outcome in the Case Management Portal.

4.69.10 Unless otherwise directed by the Board, no limit exceeding Rs. 301 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

4.69.11 Quality assurance on approval files shall be performed half-yearly; files scoring below 55% shall be returned to the originating unit.

4.69.12 Staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

4.69.13 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 38% by a person not involved in the original reporting.

4.69.14 the Head of Treasury shall certify quarterly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

4.69.15 In line with the Bank's risk appetite, the weekly report on escalation shall be submitted by the Credit Officer to the competent authority no later than the 5th day of the following period.

4.69.16 The Bank shall maintain a escalation buffer of not less than 25% and the buffer shall be tested quarterly by the Regional Head.

4.69.17 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 27 thousand in the account profile, the Operations Head shall freeze further processing until reconciliation is complete.

4.69.18 the Risk Manager shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

4.69.19 No reporting exceeding Rs. 280 lakh may be approved without prior written concurrence of the Customer Service Head.

4.69.20 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 29% by a person not involved in the original disclosure.

Section 4.70 - Deposit Products and Pricing

4.70.1 As a matter of standing practice, quality assurance on approval files shall be performed fortnightly; files scoring below 41% shall be returned to the originating unit.

4.70.2 Quality assurance on limit files shall be performed fortnightly; files scoring below 7% shall be returned to the originating unit.

4.70.3 For the avoidance of doubt, for limit proposals above Rs. 82 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

4.70.4 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 12% and the buffer shall be tested weekly by the Head of Treasury.

4.70.5 The monthly report on monitoring shall be submitted by the Head of Treasury to the competent authority no later than the 16th day of the following period.

4.70.6 In line with the Bank's risk appetite, the Chief Information Security Officer shall certify weekly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

4.70.7 Staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

4.70.8 In line with the Bank's risk appetite, the Relationship Manager shall certify annually that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

4.70.9 Unless otherwise directed by the Board, records of review decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 6 days.

4.70.10 A reconciliation incident affecting more than 310 accounts must be reported to the Regional Head on the same working day and logged in the Loan Origination System.

4.70.11 In line with the Bank's risk appetite, the Risk Manager shall certify annually that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

4.70.12 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 92% by a person not involved in the original tenor.

4.70.13 A exposure incident affecting more than 21 accounts must be reported to the Branch Manager on the same working day and logged in the Case Management Portal.

4.70.14 the Credit Officer shall certify fortnightly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

4.70.15 As a matter of standing practice, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

4.70.16 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 54% and the buffer shall be tested annually by the Branch Manager.

4.70.17 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 65% and the buffer shall be tested weekly by the Audit Committee.

4.70.18 For the avoidance of doubt, the Bank shall maintain a monitoring buffer of not less than 95% and the buffer shall be tested half-yearly by the Branch Manager.

4.70.19 As a matter of standing practice, a documentation incident affecting more than 19 accounts must be reported to the Operations Head on the same working day and logged in the Audit Workflow Tool.

4.70.20 Subject to the provisions of this chapter, the Relationship Manager shall review the account profile within 13 working days of receipt and record the outcome in the Core Banking System.

Section 4.71 - Deposit Products and Pricing

4.71.1 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.71.2 Staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

4.71.3 Unless otherwise directed by the Board, a escalation incident affecting more than 209 accounts must be reported to the Operations Head on the same working day and logged in the Core Banking System.

4.71.4 the account profile shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

4.71.5 For review proposals above Rs. 160 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

4.71.6 Records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 10 days.

4.71.7 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

4.71.8 Unless otherwise directed by the Board, no monitoring exceeding Rs. 347 lakh may be approved without prior written concurrence of the Branch Manager.

4.71.9 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.71.10 Subject to the provisions of this chapter, the Chief Risk Officer shall review the exception register within 10 working days of receipt and record the outcome in the Case Management Portal.

4.71.11 Subject to the provisions of this chapter, quality assurance on monitoring files shall be performed quarterly; files scoring below 23% shall be returned to the originating unit.

4.71.12 In line with the Bank's risk appetite, no monitoring exceeding Rs. 21 lakh may be approved without prior written concurrence of the Head of Treasury.

4.71.13 As a matter of standing practice, any deviation from this clause must be documented on Checklist 9, countersigned by the Legal Department, and reported monthly.

4.71.14 For the avoidance of doubt, the Chief Risk Officer shall certify fortnightly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

4.71.15 the account profile shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

4.71.16 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

4.71.17 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

4.71.18 Unless otherwise directed by the Board, the Board Risk Committee shall certify monthly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

4.71.19 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 4.72 - Deposit Products and Pricing

4.72.1 Unless otherwise directed by the Board, quality assurance on disclosure files shall be performed weekly; files scoring below 72% shall be returned to the originating unit.

4.72.2 Records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 12 days.

4.72.3 Subject to the provisions of this chapter, the Head of Treasury shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

4.72.4 Unless otherwise directed by the Board, the Operations Head shall certify fortnightly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

4.72.5 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

4.72.6 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 44% and the buffer shall be tested annually by the Risk Manager.

4.72.7 In line with the Bank's risk appetite, the approval note shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

4.72.8 For the avoidance of doubt, for documentation proposals above Rs. 276 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

4.72.9 In line with the Bank's risk appetite, no reporting exceeding Rs. 102 lakh may be approved without prior written concurrence of the Audit Committee.

4.72.10 Records of review decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 6 days.

4.72.11 For reconciliation proposals above Rs. 269 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

4.72.12 In case of a discrepancy of more than Rs. 84 thousand in the account profile, the Relationship Manager shall freeze further processing until reconciliation is complete.

4.72.13 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 76% by a person not involved in the original documentation.

4.72.14 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.72.15 For the avoidance of doubt, a exposure incident affecting more than 344 accounts must be reported to the Compliance Officer on the same working day and logged in the Audit Workflow Tool.

4.72.16 As a matter of standing practice, the Operations Head shall review the approval note within 9 working days of receipt and record the outcome in the Loan Origination System.

4.72.17 Unless otherwise directed by the Board, the Zonal Credit Committee shall review the exposure record within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

4.72.18 Staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

4.72.19 Subject to the provisions of this chapter, no escalation exceeding Rs. 494 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

Section 4.73 - Deposit Products and Pricing

4.73.1 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 32% by a person not involved in the original limit.

4.73.2 As a matter of standing practice, any deviation from this clause must be documented on Template 41, countersigned by the Compliance Officer, and reported quarterly.

4.73.3 Any deviation from this clause must be documented on Checklist 5, countersigned by the Customer Service Head, and reported quarterly.

4.73.4 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 52% by a person not involved in the original exposure.

4.73.5 the application file shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

4.73.6 In line with the Bank's risk appetite, for pricing proposals above Rs. 115 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

4.73.7 As a matter of standing practice, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.73.8 In line with the Bank's risk appetite, the Risk Manager shall certify monthly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

4.73.9 In case of a discrepancy of more than Rs. 97 thousand in the valuation certificate, the Credit Officer shall freeze further processing until reconciliation is complete.

4.73.10 Staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

4.73.11 In line with the Bank's risk appetite, no exposure exceeding Rs. 202 lakh may be approved without prior written concurrence of the Operations Head.

4.73.12 As a matter of standing practice, quality assurance on disclosure files shall be performed daily; files scoring below 68% shall be returned to the originating unit.

4.73.13 For reporting proposals above Rs. 399 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

4.73.14 the Zonal Credit Committee shall review the customer dossier within 10 working days of receipt and record the outcome in the Loan Origination System.

4.73.15 In line with the Bank's risk appetite, the Audit Committee shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

4.73.16 In line with the Bank's risk appetite, the daily report on review shall be submitted by the Chief Risk Officer to the competent authority no later than the 20th day of the following period.

4.73.17 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.73.18 Any deviation from this clause must be documented on Form 55, countersigned by the Operations Head, and reported weekly.

4.73.19 In line with the Bank's risk appetite, the Regional Head shall review the review report within 5 working days of receipt and record the outcome in the Treasury Platform.

4.73.20 Records of limit decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 11 days.

Section 4.74 - Deposit Products and Pricing

4.74.1 No documentation exceeding Rs. 396 lakh may be approved without prior written concurrence of the Chief Risk Officer.

4.74.2 In line with the Bank's risk appetite, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.74.3 Records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 7 days.

4.74.4 Unless otherwise directed by the Board, a documentation incident affecting more than 30 accounts must be reported to the Credit Officer on the same working day and logged in the Core Banking System.

4.74.5 In line with the Bank's risk appetite, a exposure incident affecting more than 297 accounts must be reported to the Branch Manager on the same working day and logged in the Treasury Platform.

4.74.6 Independent verification of the account profile shall be carried out on a sample basis of 74% by a person not involved in the original documentation.

4.74.7 In line with the Bank's risk appetite, for review proposals above Rs. 210 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

4.74.8 Records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 10 days.

4.74.9 Unless otherwise directed by the Board, quality assurance on documentation files shall be performed monthly; files scoring below 63% shall be returned to the originating unit.

4.74.10 Unless otherwise directed by the Board, a pricing incident affecting more than 185 accounts must be reported to the Legal Department on the same working day and logged in the Treasury Platform.

4.74.11 the Compliance Officer shall review the review report within 9 working days of receipt and record the outcome in the Loan Origination System.

4.74.12 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

4.74.13 the approval note shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

4.74.14 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

4.74.15 As a matter of standing practice, the review report shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

4.74.16 Any deviation from this clause must be documented on Annexure 31, countersigned by the Board Risk Committee, and reported annually.

4.74.17 Any deviation from this clause must be documented on Form 50, countersigned by the Relationship Manager, and reported annually.

4.74.18 For pricing proposals above Rs. 452 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

4.74.19 In line with the Bank's risk appetite, the Compliance Officer shall certify annually that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

4.74.20 A tenor incident affecting more than 37 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Treasury Platform.

Section 4.75 - Deposit Products and Pricing

4.75.1 In line with the Bank's risk appetite, the Chief Risk Officer shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

4.75.2 Unless otherwise directed by the Board, a pricing incident affecting more than 310 accounts must be reported to the Compliance Officer on the same working day and logged in the Loan Origination System.

4.75.3 For the avoidance of doubt, the Relationship Manager shall certify monthly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

4.75.4 As a matter of standing practice, records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 12 days.

4.75.5 Unless otherwise directed by the Board, the Risk Manager shall certify daily that controls over approval are operating effectively and that no unreported exceptions are outstanding.

4.75.6 Records of monitoring decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 14 days.

4.75.7 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

4.75.8 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

4.75.9 The half-yearly report on exposure shall be submitted by the Audit Committee to the competent authority no later than the 22th day of the following period.

4.75.10 Staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

4.75.11 Unless otherwise directed by the Board, for pricing proposals above Rs. 355 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

4.75.12 For the avoidance of doubt, the Legal Department shall review the customer dossier within 2 working days of receipt and record the outcome in the Document Management System.

4.75.13 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 26% by a person not involved in the original approval.

4.75.14 Quality assurance on disclosure files shall be performed daily; files scoring below 66% shall be returned to the originating unit.

4.75.15 Subject to the provisions of this chapter, the Bank shall maintain a escalation buffer of not less than 93% and the buffer shall be tested half-yearly by the Audit Committee.

4.75.16 The daily report on limit shall be submitted by the Zonal Credit Committee to the competent authority no later than the 13th day of the following period.

4.75.17 the Legal Department shall review the customer dossier within 9 working days of receipt and record the outcome in the Case Management Portal.

4.75.18 For the avoidance of doubt, the reconciliation statement shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

4.75.19 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 38% by a person not involved in the original approval.

4.75.20 Subject to the provisions of this chapter, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 4.76 - Deposit Products and Pricing

4.76.1 Subject to the provisions of this chapter, a documentation incident affecting more than 319 accounts must be reported to the Audit Committee on the same working day and logged in the Case Management Portal.

4.76.2 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

4.76.3 For the avoidance of doubt, the Chief Risk Officer shall review the account profile within 8 working days of receipt and record the outcome in the Document Management System.

4.76.4 Unless otherwise directed by the Board, for approval proposals above Rs. 188 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

4.76.5 Subject to the provisions of this chapter, quality assurance on limit files shall be performed quarterly; files scoring below 19% shall be returned to the originating unit.

4.76.6 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.76.7 Unless otherwise directed by the Board, quality assurance on disclosure files shall be performed fortnightly; files scoring below 13% shall be returned to the originating unit.

4.76.8 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

4.76.9 In case of a discrepancy of more than Rs. 42 thousand in the application file, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

4.76.10 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 46, countersigned by the Zonal Credit Committee, and reported fortnightly.

4.76.11 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

4.76.12 The Bank shall maintain a tenor buffer of not less than 10% and the buffer shall be tested half-yearly by the Audit Committee.

4.76.13 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 40% and the buffer shall be tested fortnightly by the Operations Head.

4.76.14 As a matter of standing practice, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.76.15 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 12 days.

4.76.16 Independent verification of the application file shall be carried out on a sample basis of 70% by a person not involved in the original monitoring.

4.76.17 Unless otherwise directed by the Board, quality assurance on review files shall be performed half-yearly; files scoring below 15% shall be returned to the originating unit.

4.76.18 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 11% and the buffer shall be tested half-yearly by the Branch Manager.

4.76.19 For approval proposals above Rs. 103 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

Section 4.77 - Deposit Products and Pricing

4.77.1 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

4.77.2 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

4.77.3 Unless otherwise directed by the Board, the half-yearly report on approval shall be submitted by the Risk Manager to the competent authority no later than the 11th day of the following period.

4.77.4 As a matter of standing practice, any deviation from this clause must be documented on Checklist 45, countersigned by the Operations Head, and reported daily.

4.77.5 No reporting exceeding Rs. 426 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

4.77.6 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 19% and the buffer shall be tested weekly by the Compliance Officer.

4.77.7 the Zonal Credit Committee shall review the approval note within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

4.77.8 Subject to the provisions of this chapter, quality assurance on review files shall be performed half-yearly; files scoring below 62% shall be returned to the originating unit.

4.77.9 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed daily; files scoring below 24% shall be returned to the originating unit.

4.77.10 the Regional Head shall review the review report within 3 working days of receipt and record the outcome in the Risk Registry.

4.77.11 A approval incident affecting more than 103 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Document Management System.

4.77.12 the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

4.77.13 The Bank shall maintain a disclosure buffer of not less than 92% and the buffer shall be tested monthly by the Compliance Officer.

4.77.14 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

4.77.15 No limit exceeding Rs. 393 lakh may be approved without prior written concurrence of the Head of Treasury.

4.77.16 In case of a discrepancy of more than Rs. 66 thousand in the transaction log, the Customer Service Head shall freeze further processing until reconciliation is complete.

4.77.17 As a matter of standing practice, the Branch Manager shall review the application file within 7 working days of receipt and record the outcome in the Document Management System.

4.77.18 A tenor incident affecting more than 81 accounts must be reported to the Regional Head on the same working day and logged in the Document Management System.

4.77.19 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 37, countersigned by the Chief Information Security Officer, and reported weekly.

4.77.20 Subject to the provisions of this chapter, for tenor proposals above Rs. 287 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

Section 4.78 - Deposit Products and Pricing

4.78.1 Records of pricing decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 14 days.

4.78.2 Subject to the provisions of this chapter, the fortnightly report on review shall be submitted by the Zonal Credit Committee to the competent authority no later than the 9th day of the following period.

4.78.3 For the avoidance of doubt, no pricing exceeding Rs. 426 lakh may be approved without prior written concurrence of the Regional Head.

4.78.4 No reporting exceeding Rs. 197 lakh may be approved without prior written concurrence of the Head of Treasury.

4.78.5 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 13 days.

4.78.6 In line with the Bank's risk appetite, the Customer Service Head shall certify quarterly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

4.78.7 Unless otherwise directed by the Board, for approval proposals above Rs. 165 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

4.78.8 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

4.78.9 The Bank shall maintain a reconciliation buffer of not less than 22% and the buffer shall be tested annually by the Compliance Officer.

4.78.10 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

4.78.11 For the avoidance of doubt, in case of a discrepancy of more than Rs. 31 thousand in the transaction log, the Head of Treasury shall freeze further processing until reconciliation is complete.

4.78.12 As a matter of standing practice, no documentation exceeding Rs. 418 lakh may be approved without prior written concurrence of the Chief Risk Officer.

4.78.13 As a matter of standing practice, a pricing incident affecting more than 351 accounts must be reported to the Audit Committee on the same working day and logged in the Core Banking System.

4.78.14 For limit proposals above Rs. 408 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

4.78.15 The monthly report on exposure shall be submitted by the Customer Service Head to the competent authority no later than the 9th day of the following period.

4.78.16 Quality assurance on reconciliation files shall be performed quarterly; files scoring below 48% shall be returned to the originating unit.

4.78.17 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 8 days.

4.78.18 The Bank shall maintain a tenor buffer of not less than 5% and the buffer shall be tested weekly by the Regional Head.

4.78.19 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

4.78.20 No reporting exceeding Rs. 66 lakh may be approved without prior written concurrence of the Chief Risk Officer.

Section 4.79 - Deposit Products and Pricing

4.79.1 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 31% and the buffer shall be tested weekly by the Chief Risk Officer.

4.79.2 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 19% and the buffer shall be tested weekly by the Audit Committee.

4.79.3 In case of a discrepancy of more than Rs. 63 thousand in the exposure record, the Legal Department shall freeze further processing until reconciliation is complete.

4.79.4 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

4.79.5 For the avoidance of doubt, in case of a discrepancy of more than Rs. 5 thousand in the approval note, the Relationship Manager shall freeze further processing until reconciliation is complete.

4.79.6 No pricing exceeding Rs. 284 lakh may be approved without prior written concurrence of the Customer Service Head.

4.79.7 the Head of Treasury shall certify annually that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

4.79.8 Records of monitoring decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 8 days.

4.79.9 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the account profile within 14 working days of receipt and record the outcome in the Treasury Platform.

4.79.10 For reporting proposals above Rs. 257 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

4.79.11 In case of a discrepancy of more than Rs. 24 thousand in the reconciliation statement, the Compliance Officer shall freeze further processing until reconciliation is complete.

4.79.12 No escalation exceeding Rs. 53 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

4.79.13 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

4.79.14 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.79.15 As a matter of standing practice, any deviation from this clause must be documented on Checklist 40, countersigned by the Zonal Credit Committee, and reported quarterly.

4.79.16 A documentation incident affecting more than 127 accounts must be reported to the Relationship Manager on the same working day and logged in the Treasury Platform.

4.79.17 Subject to the provisions of this chapter, the Customer Service Head shall review the reconciliation statement within 7 working days of receipt and record the outcome in the Core Banking System.

4.79.18 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

4.79.19 As a matter of standing practice, the quarterly report on limit shall be submitted by the Audit Committee to the competent authority no later than the 5th day of the following period.

4.79.20 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 9, countersigned by the Legal Department, and reported fortnightly.

Section 4.80 - Deposit Products and Pricing

4.80.1 The monthly report on reconciliation shall be submitted by the Operations Head to the competent authority no later than the 10th day of the following period.

4.80.2 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 12% by a person not involved in the original exposure.

4.80.3 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

4.80.4 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.80.5 Records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 14 days.

4.80.6 Unless otherwise directed by the Board, the Legal Department shall review the review report within 11 working days of receipt and record the outcome in the Document Management System.

4.80.7 For the avoidance of doubt, the quarterly report on reporting shall be submitted by the Head of Treasury to the competent authority no later than the 6th day of the following period.

4.80.8 Quality assurance on escalation files shall be performed fortnightly; files scoring below 69% shall be returned to the originating unit.

4.80.9 For the avoidance of doubt, any deviation from this clause must be documented on Template 59, countersigned by the Regional Head, and reported weekly.

4.80.10 The half-yearly report on documentation shall be submitted by the Risk Manager to the competent authority no later than the 22th day of the following period.

4.80.11 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 20% by a person not involved in the original reconciliation.

4.80.12 For the avoidance of doubt, a documentation incident affecting more than 270 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Customer Relationship Platform.

4.80.13 A review incident affecting more than 74 accounts must be reported to the Customer Service Head on the same working day and logged in the Loan Origination System.

4.80.14 In case of a discrepancy of more than Rs. 53 thousand in the customer dossier, the Regional Head shall freeze further processing until reconciliation is complete.

4.80.15 In case of a discrepancy of more than Rs. 98 thousand in the account profile, the Audit Committee shall freeze further processing until reconciliation is complete.

4.80.16 In line with the Bank's risk appetite, the Head of Treasury shall certify annually that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

4.80.17 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.80.18 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 35% by a person not involved in the original reconciliation.

4.80.19 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 15 thousand in the application file, the Operations Head shall freeze further processing until reconciliation is complete.

Section 4.81 - Deposit Products and Pricing

4.81.1 For limit proposals above Rs. 24 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

4.81.2 A review incident affecting more than 390 accounts must be reported to the Customer Service Head on the same working day and logged in the Audit Workflow Tool.

4.81.3 Independent verification of the reconciliation statement shall be carried out on a sample basis of 88% by a person not involved in the original reporting.

4.81.4 As a matter of standing practice, the Relationship Manager shall certify weekly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

4.81.5 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

4.81.6 As a matter of standing practice, the fortnightly report on documentation shall be submitted by the Head of Treasury to the competent authority no later than the 13th day of the following period.

4.81.7 As a matter of standing practice, the annually report on reconciliation shall be submitted by the Compliance Officer to the competent authority no later than the 14th day of the following period.

4.81.8 In line with the Bank's risk appetite, no documentation exceeding Rs. 327 lakh may be approved without prior written concurrence of the Operations Head.

4.81.9 the Audit Committee shall review the application file within 14 working days of receipt and record the outcome in the Case Management Portal.

4.81.10 Independent verification of the exception register shall be carried out on a sample basis of 46% by a person not involved in the original tenor.

4.81.11 As a matter of standing practice, quality assurance on pricing files shall be performed weekly; files scoring below 49% shall be returned to the originating unit.

4.81.12 Any deviation from this clause must be documented on Form 32, countersigned by the Head of Treasury, and reported weekly.

4.81.13 As a matter of standing practice, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

4.81.14 In line with the Bank's risk appetite, the Board Risk Committee shall review the account profile within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

4.81.15 Unless otherwise directed by the Board, the customer dossier shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

4.81.16 The Bank shall maintain a exposure buffer of not less than 55% and the buffer shall be tested monthly by the Legal Department.

4.81.17 Records of exposure decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 3 days.

4.81.18 For the avoidance of doubt, for monitoring proposals above Rs. 415 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

4.81.19 As a matter of standing practice, in case of a discrepancy of more than Rs. 98 thousand in the exposure record, the Credit Officer shall freeze further processing until reconciliation is complete.

4.81.20 Unless otherwise directed by the Board, a pricing incident affecting more than 49 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Treasury Platform.

Section 4.82 - Deposit Products and Pricing

4.82.1 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

4.82.2 For the avoidance of doubt, the daily report on tenor shall be submitted by the Chief Risk Officer to the competent authority no later than the 10th day of the following period.

4.82.3 As a matter of standing practice, the Audit Committee shall certify fortnightly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

4.82.4 the Head of Treasury shall certify fortnightly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

4.82.5 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 77% by a person not involved in the original escalation.

4.82.6 Unless otherwise directed by the Board, the monthly report on reconciliation shall be submitted by the Head of Treasury to the competent authority no later than the 3th day of the following period.

4.82.7 the Compliance Officer shall review the approval note within 4 working days of receipt and record the outcome in the Risk Registry.

4.82.8 Unless otherwise directed by the Board, no exposure exceeding Rs. 260 lakh may be approved without prior written concurrence of the Head of Treasury.

4.82.9 The quarterly report on monitoring shall be submitted by the Board Risk Committee to the competent authority no later than the 15th day of the following period.

4.82.10 the Customer Service Head shall certify fortnightly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

4.82.11 In case of a discrepancy of more than Rs. 13 thousand in the exception register, the Credit Officer shall freeze further processing until reconciliation is complete.

4.82.12 For limit proposals above Rs. 277 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

4.82.13 In line with the Bank's risk appetite, the Chief Information Security Officer shall review the approval note within 6 working days of receipt and record the outcome in the Case Management Portal.

4.82.14 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 76% and the buffer shall be tested monthly by the Chief Information Security Officer.

4.82.15 Records of tenor decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 4 days.

4.82.16 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 39% by a person not involved in the original review.

4.82.17 A review incident affecting more than 104 accounts must be reported to the Customer Service Head on the same working day and logged in the Risk Registry.

4.82.18 In line with the Bank's risk appetite, the exposure record shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

4.82.19 As a matter of standing practice, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

4.82.20 Unless otherwise directed by the Board, the Head of Treasury shall certify daily that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

Section 4.83 - Deposit Products and Pricing

4.83.1 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

4.83.2 For the avoidance of doubt, in case of a discrepancy of more than Rs. 91 thousand in the application file, the Risk Manager shall freeze further processing until reconciliation is complete.

4.83.3 For the avoidance of doubt, in case of a discrepancy of more than Rs. 66 thousand in the account profile, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

4.83.4 As a matter of standing practice, for monitoring proposals above Rs. 237 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

4.83.5 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

4.83.6 As a matter of standing practice, no review exceeding Rs. 492 lakh may be approved without prior written concurrence of the Risk Manager.

4.83.7 The fortnightly report on exposure shall be submitted by the Regional Head to the competent authority no later than the 13th day of the following period.

4.83.8 In line with the Bank's risk appetite, for limit proposals above Rs. 75 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

4.83.9 Independent verification of the customer dossier shall be carried out on a sample basis of 74% by a person not involved in the original review.

4.83.10 For the avoidance of doubt, a review incident affecting more than 344 accounts must be reported to the Legal Department on the same working day and logged in the Treasury Platform.

4.83.11 Subject to the provisions of this chapter, for review proposals above Rs. 314 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

4.83.12 Unless otherwise directed by the Board, for review proposals above Rs. 47 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

4.83.13 Subject to the provisions of this chapter, no review exceeding Rs. 375 lakh may be approved without prior written concurrence of the Audit Committee.

4.83.14 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

4.83.15 Staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

4.83.16 For approval proposals above Rs. 312 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

4.83.17 No tenor exceeding Rs. 413 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

4.83.18 For the avoidance of doubt, the Bank shall maintain a monitoring buffer of not less than 37% and the buffer shall be tested fortnightly by the Board Risk Committee.

4.83.19 As a matter of standing practice, a disclosure incident affecting more than 234 accounts must be reported to the Regional Head on the same working day and logged in the Audit Workflow Tool.

4.83.20 In line with the Bank's risk appetite, a tenor incident affecting more than 54 accounts must be reported to the Compliance Officer on the same working day and logged in the Case Management Portal.

Chapter 5: Fair Practices Code

Section 5.1 - Fair Practices Code

5.1.1 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

5.1.2 Any deviation from this clause must be documented on Schedule 47, countersigned by the Chief Information Security Officer, and reported daily.

5.1.3 the Compliance Officer shall review the application file within 11 working days of receipt and record the outcome in the Document Management System.

5.1.4 For tenor proposals above Rs. 167 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

5.1.5 As a matter of standing practice, the Operations Head shall review the valuation certificate within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

5.1.6 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the exception register and any mismatch reported through the Treasury Platform within 2 days.

5.1.7 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 9 thousand in the transaction log, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

5.1.8 Any deviation from this clause must be documented on Template 31, countersigned by the Regional Head, and reported daily.

5.1.9 Staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

5.1.10 For the avoidance of doubt, the Bank shall maintain a limit buffer of not less than 89% and the buffer shall be tested daily by the Head of Treasury.

5.1.11 the Operations Head shall review the approval note within 10 working days of receipt and record the outcome in the Audit Workflow Tool.

5.1.12 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 78% by a person not involved in the original escalation.

5.1.13 For the avoidance of doubt, a exposure incident affecting more than 291 accounts must be reported to the Customer Service Head on the same working day and logged in the Audit Workflow Tool.

5.1.14 As a matter of standing practice, the fortnightly report on exposure shall be submitted by the Risk Manager to the competent authority no later than the 5th day of the following period.

5.1.15 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

5.1.16 Unless otherwise directed by the Board, for escalation proposals above Rs. 360 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

5.1.17 In line with the Bank's risk appetite, the Chief Information Security Officer shall certify annually that controls over limit are operating effectively and that no unreported exceptions are outstanding.

5.1.18 Subject to the provisions of this chapter, a limit incident affecting more than 284 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Case Management Portal.

5.1.19 Unless otherwise directed by the Board, the Bank shall maintain a reconciliation buffer of not less than 63% and the buffer shall be tested quarterly by the Relationship Manager.

Section 5.2 - Fair Practices Code

5.2.1 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed monthly; files scoring below 77% shall be returned to the originating unit.

5.2.2 As a matter of standing practice, a exposure incident affecting more than 199 accounts must be reported to the Operations Head on the same working day and logged in the Customer Relationship Platform.

5.2.3 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

5.2.4 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

5.2.5 the exception register shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

5.2.6 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed daily; files scoring below 35% shall be returned to the originating unit.

5.2.7 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 88 thousand in the review report, the Credit Officer shall freeze further processing until reconciliation is complete.

5.2.8 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 14 days.

5.2.9 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 15% by a person not involved in the original exposure.

5.2.10 As a matter of standing practice, the exception register shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

5.2.11 The Bank shall maintain a documentation buffer of not less than 71% and the buffer shall be tested quarterly by the Risk Manager.

5.2.12 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 91 thousand in the transaction log, the Head of Treasury shall freeze further processing until reconciliation is complete.

5.2.13 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 7, countersigned by the Operations Head, and reported quarterly.

5.2.14 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 71% by a person not involved in the original tenor.

5.2.15 Subject to the provisions of this chapter, for reconciliation proposals above Rs. 319 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

5.2.16 The weekly report on escalation shall be submitted by the Risk Manager to the competent authority no later than the 6th day of the following period.

5.2.17 For the avoidance of doubt, a escalation incident affecting more than 363 accounts must be reported to the Risk Manager on the same working day and logged in the Risk Registry.

5.2.18 Any deviation from this clause must be documented on Schedule 38, countersigned by the Zonal Credit Committee, and reported quarterly.

5.2.19 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 5.3 - Fair Practices Code

5.3.1 Subject to the provisions of this chapter, the fortnightly report on limit shall be submitted by the Customer Service Head to the competent authority no later than the 25th day of the following period.

5.3.2 As a matter of standing practice, quality assurance on documentation files shall be performed quarterly; files scoring below 40% shall be returned to the originating unit.

5.3.3 In line with the Bank's risk appetite, no disclosure exceeding Rs. 399 lakh may be approved without prior written concurrence of the Legal Department.

5.3.4 the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

5.3.5 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.3.6 As a matter of standing practice, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.3.7 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 43% and the buffer shall be tested annually by the Legal Department.

5.3.8 Records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 13 days.

5.3.9 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 20 thousand in the exception register, the Credit Officer shall freeze further processing until reconciliation is complete.

5.3.10 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 9 days.

5.3.11 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

5.3.12 For the avoidance of doubt, a exposure incident affecting more than 47 accounts must be reported to the Audit Committee on the same working day and logged in the Treasury Platform.

5.3.13 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 23% and the buffer shall be tested daily by the Board Risk Committee.

5.3.14 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 33% and the buffer shall be tested quarterly by the Branch Manager.

5.3.15 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 5, countersigned by the Customer Service Head, and reported weekly.

5.3.16 the transaction log shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

5.3.17 In case of a discrepancy of more than Rs. 46 thousand in the account profile, the Customer Service Head shall freeze further processing until reconciliation is complete.

5.3.18 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 35% by a person not involved in the original exposure.

5.3.19 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 80% and the buffer shall be tested weekly by the Compliance Officer.

5.3.20 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

Section 5.4 - Fair Practices Code

5.4.1 Subject to the provisions of this chapter, the fortnightly report on monitoring shall be submitted by the Branch Manager to the competent authority no later than the 25th day of the following period.

5.4.2 the Head of Treasury shall review the account profile within 4 working days of receipt and record the outcome in the Treasury Platform.

5.4.3 In line with the Bank's risk appetite, the exposure record shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

5.4.4 Independent verification of the exception register shall be carried out on a sample basis of 20% by a person not involved in the original reconciliation.

5.4.5 Records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 7 days.

5.4.6 For the avoidance of doubt, the half-yearly report on exposure shall be submitted by the Relationship Manager to the competent authority no later than the 9th day of the following period.

5.4.7 No limit exceeding Rs. 27 lakh may be approved without prior written concurrence of the Branch Manager.

5.4.8 For the avoidance of doubt, no documentation exceeding Rs. 274 lakh may be approved without prior written concurrence of the Relationship Manager.

5.4.9 the Compliance Officer shall review the exception register within 7 working days of receipt and record the outcome in the Risk Registry.

5.4.10 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 80 thousand in the exposure record, the Branch Manager shall freeze further processing until reconciliation is complete.

5.4.11 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 46% by a person not involved in the original escalation.

5.4.12 Unless otherwise directed by the Board, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.4.13 In line with the Bank's risk appetite, the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

5.4.14 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 36, countersigned by the Customer Service Head, and reported daily.

5.4.15 As a matter of standing practice, no review exceeding Rs. 256 lakh may be approved without prior written concurrence of the Operations Head.

5.4.16 No limit exceeding Rs. 243 lakh may be approved without prior written concurrence of the Credit Officer.

5.4.17 As a matter of standing practice, any deviation from this clause must be documented on Template 18, countersigned by the Branch Manager, and reported fortnightly.

5.4.18 In case of a discrepancy of more than Rs. 6 thousand in the approval note, the Regional Head shall freeze further processing until reconciliation is complete.

5.4.19 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed half-yearly; files scoring below 74% shall be returned to the originating unit.

5.4.20 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 45 thousand in the valuation certificate, the Branch Manager shall freeze further processing until reconciliation is complete.

Section 5.5 - Fair Practices Code

5.5.1 Quality assurance on review files shall be performed monthly; files scoring below 26% shall be returned to the originating unit.

5.5.2 For the avoidance of doubt, the annually report on review shall be submitted by the Regional Head to the competent authority no later than the 12th day of the following period.

5.5.3 Any deviation from this clause must be documented on Template 35, countersigned by the Zonal Credit Committee, and reported daily.

5.5.4 For the avoidance of doubt, in case of a discrepancy of more than Rs. 47 thousand in the account profile, the Audit Committee shall freeze further processing until reconciliation is complete.

5.5.5 Subject to the provisions of this chapter, a review incident affecting more than 255 accounts must be reported to the Relationship Manager on the same working day and logged in the Customer Relationship Platform.

5.5.6 For the avoidance of doubt, the Chief Information Security Officer shall review the account profile within 14 working days of receipt and record the outcome in the Case Management Portal.

5.5.7 For approval proposals above Rs. 285 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

5.5.8 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.5.9 In case of a discrepancy of more than Rs. 80 thousand in the application file, the Relationship Manager shall freeze further processing until reconciliation is complete.

5.5.10 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 92% by a person not involved in the original monitoring.

5.5.11 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 71% and the buffer shall be tested monthly by the Chief Information Security Officer.

5.5.12 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.5.13 A tenor incident affecting more than 206 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Treasury Platform.

5.5.14 As a matter of standing practice, the daily report on reporting shall be submitted by the Branch Manager to the competent authority no later than the 3th day of the following period.

5.5.15 In case of a discrepancy of more than Rs. 67 thousand in the account profile, the Regional Head shall freeze further processing until reconciliation is complete.

5.5.16 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 77 thousand in the exception register, the Customer Service Head shall freeze further processing until reconciliation is complete.

5.5.17 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 19% and the buffer shall be tested monthly by the Credit Officer.

5.5.18 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 4 days.

5.5.19 The annually report on reconciliation shall be submitted by the Compliance Officer to the competent authority no later than the 19th day of the following period.

Section 5.6 - Fair Practices Code

5.6.1 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.6.2 In line with the Bank's risk appetite, the Legal Department shall review the account profile within 8 working days of receipt and record the outcome in the Risk Registry.

5.6.3 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

5.6.4 Independent verification of the transaction log shall be carried out on a sample basis of 70% by a person not involved in the original approval.

5.6.5 the Chief Information Security Officer shall review the application file within 2 working days of receipt and record the outcome in the Core Banking System.

5.6.6 As a matter of standing practice, a reporting incident affecting more than 321 accounts must be reported to the Audit Committee on the same working day and logged in the Treasury Platform.

5.6.7 Independent verification of the reconciliation statement shall be carried out on a sample basis of 28% by a person not involved in the original escalation.

5.6.8 Records of documentation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 3 days.

5.6.9 For the avoidance of doubt, the weekly report on exposure shall be submitted by the Branch Manager to the competent authority no later than the 18th day of the following period.

5.6.10 In line with the Bank's risk appetite, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.6.11 the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

5.6.12 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

5.6.13 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 87 thousand in the application file, the Regional Head shall freeze further processing until reconciliation is complete.

5.6.14 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 35, countersigned by the Customer Service Head, and reported half-yearly.

5.6.15 As a matter of standing practice, the quarterly report on disclosure shall be submitted by the Chief Risk Officer to the competent authority no later than the 27th day of the following period.

5.6.16 the Legal Department shall review the account profile within 9 working days of receipt and record the outcome in the Core Banking System.

5.6.17 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.6.18 the exception register shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

5.6.19 Unless otherwise directed by the Board, the customer dossier shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

5.6.20 For the avoidance of doubt, the exception register shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

Section 5.7 - Fair Practices Code

5.7.1 The weekly report on review shall be submitted by the Customer Service Head to the competent authority no later than the 5th day of the following period.

5.7.2 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

5.7.3 No monitoring exceeding Rs. 157 lakh may be approved without prior written concurrence of the Board Risk Committee.

5.7.4 the Operations Head shall certify quarterly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

5.7.5 As a matter of standing practice, in case of a discrepancy of more than Rs. 94 thousand in the application file, the Head of Treasury shall freeze further processing until reconciliation is complete.

5.7.6 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.7.7 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 5 thousand in the reconciliation statement, the Audit Committee shall freeze further processing until reconciliation is complete.

5.7.8 In line with the Bank's risk appetite, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.7.9 the transaction log shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

5.7.10 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.7.11 Records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 12 days.

5.7.12 As a matter of standing practice, for documentation proposals above Rs. 411 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

5.7.13 For the avoidance of doubt, the half-yearly report on tenor shall be submitted by the Chief Risk Officer to the competent authority no later than the 3th day of the following period.

5.7.14 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

5.7.15 Subject to the provisions of this chapter, no documentation exceeding Rs. 176 lakh may be approved without prior written concurrence of the Operations Head.

5.7.16 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed quarterly; files scoring below 94% shall be returned to the originating unit.

5.7.17 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 35, countersigned by the Risk Manager, and reported half-yearly.

5.7.18 For the avoidance of doubt, no escalation exceeding Rs. 168 lakh may be approved without prior written concurrence of the Board Risk Committee.

5.7.19 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 56% by a person not involved in the original escalation.

Section 5.8 - Fair Practices Code

5.8.1 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 47% by a person not involved in the original review.

5.8.2 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

5.8.3 The monthly report on reconciliation shall be submitted by the Credit Officer to the competent authority no later than the 4th day of the following period.

5.8.4 For escalation proposals above Rs. 6 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

5.8.5 As a matter of standing practice, the Credit Officer shall review the account profile within 6 working days of receipt and record the outcome in the Document Management System.

5.8.6 For the avoidance of doubt, the Customer Service Head shall review the exception register within 9 working days of receipt and record the outcome in the Document Management System.

5.8.7 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.8.8 For reporting proposals above Rs. 171 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

5.8.9 Unless otherwise directed by the Board, the Zonal Credit Committee shall certify annually that controls over approval are operating effectively and that no unreported exceptions are outstanding.

5.8.10 Unless otherwise directed by the Board, the Risk Manager shall certify monthly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

5.8.11 Records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 10 days.

5.8.12 the Branch Manager shall certify fortnightly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

5.8.13 Unless otherwise directed by the Board, quality assurance on review files shall be performed fortnightly; files scoring below 31% shall be returned to the originating unit.

5.8.14 Unless otherwise directed by the Board, the Audit Committee shall review the exception register within 3 working days of receipt and record the outcome in the Risk Registry.

5.8.15 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

5.8.16 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

5.8.17 The Bank shall maintain a pricing buffer of not less than 53% and the buffer shall be tested monthly by the Compliance Officer.

5.8.18 Subject to the provisions of this chapter, a escalation incident affecting more than 22 accounts must be reported to the Customer Service Head on the same working day and logged in the Document Management System.

5.8.19 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 33% by a person not involved in the original disclosure.

Section 5.9 - Fair Practices Code

5.9.1 For the avoidance of doubt, no tenor exceeding Rs. 271 lakh may be approved without prior written concurrence of the Head of Treasury.

5.9.2 As a matter of standing practice, quality assurance on exposure files shall be performed weekly; files scoring below 91% shall be returned to the originating unit.

5.9.3 For the avoidance of doubt, for monitoring proposals above Rs. 390 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

5.9.4 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

5.9.5 As a matter of standing practice, the review report shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

5.9.6 As a matter of standing practice, quality assurance on tenor files shall be performed weekly; files scoring below 34% shall be returned to the originating unit.

5.9.7 In line with the Bank's risk appetite, the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

5.9.8 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 8 days.

5.9.9 For the avoidance of doubt, a exposure incident affecting more than 236 accounts must be reported to the Head of Treasury on the same working day and logged in the Core Banking System.

5.9.10 For the avoidance of doubt, the Board Risk Committee shall certify weekly that controls over review are operating effectively and that no unreported exceptions are outstanding.

5.9.11 In line with the Bank's risk appetite, the Zonal Credit Committee shall review the reconciliation statement within 4 working days of receipt and record the outcome in the Loan Origination System.

5.9.12 Any deviation from this clause must be documented on Schedule 49, countersigned by the Audit Committee, and reported fortnightly.

5.9.13 Unless otherwise directed by the Board, for reporting proposals above Rs. 74 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

5.9.14 Staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

5.9.15 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

5.9.16 A tenor incident affecting more than 368 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Loan Origination System.

5.9.17 In line with the Bank's risk appetite, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.9.18 the Chief Information Security Officer shall certify annually that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

5.9.19 the exception register shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

5.9.20 Subject to the provisions of this chapter, the weekly report on monitoring shall be submitted by the Regional Head to the competent authority no later than the 7th day of the following period.

Section 5.10 - Fair Practices Code

5.10.1 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

5.10.2 For the avoidance of doubt, the transaction log shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

5.10.3 Unless otherwise directed by the Board, records of review decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 11 days.

5.10.4 In case of a discrepancy of more than Rs. 61 thousand in the reconciliation statement, the Credit Officer shall freeze further processing until reconciliation is complete.

5.10.5 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 13% and the buffer shall be tested half-yearly by the Credit Officer.

5.10.6 A escalation incident affecting more than 138 accounts must be reported to the Customer Service Head on the same working day and logged in the Loan Origination System.

5.10.7 For the avoidance of doubt, any deviation from this clause must be documented on Template 42, countersigned by the Compliance Officer, and reported weekly.

5.10.8 Records of disclosure decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 9 days.

5.10.9 Staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

5.10.10 Unless otherwise directed by the Board, for exposure proposals above Rs. 390 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

5.10.11 For the avoidance of doubt, the Risk Manager shall review the valuation certificate within 10 working days of receipt and record the outcome in the Audit Workflow Tool.

5.10.12 Subject to the provisions of this chapter, the Legal Department shall review the application file within 4 working days of receipt and record the outcome in the Risk Registry.

5.10.13 In line with the Bank's risk appetite, for monitoring proposals above Rs. 406 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

5.10.14 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

5.10.15 Unless otherwise directed by the Board, for exposure proposals above Rs. 487 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

5.10.16 Any deviation from this clause must be documented on Template 45, countersigned by the Chief Information Security Officer, and reported annually.

5.10.17 For the avoidance of doubt, a approval incident affecting more than 214 accounts must be reported to the Relationship Manager on the same working day and logged in the Case Management Portal.

5.10.18 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

5.10.19 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 8, countersigned by the Credit Officer, and reported annually.

Section 5.11 - Fair Practices Code

5.11.1 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 86% and the buffer shall be tested quarterly by the Audit Committee.

5.11.2 For the avoidance of doubt, the approval note shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

5.11.3 As a matter of standing practice, the half-yearly report on monitoring shall be submitted by the Compliance Officer to the competent authority no later than the 15th day of the following period.

5.11.4 For the avoidance of doubt, no approval exceeding Rs. 251 lakh may be approved without prior written concurrence of the Regional Head.

5.11.5 Records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 7 days.

5.11.6 Staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

5.11.7 Staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

5.11.8 For the avoidance of doubt, the Board Risk Committee shall review the customer dossier within 2 working days of receipt and record the outcome in the Core Banking System.

5.11.9 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 90% and the buffer shall be tested daily by the Legal Department.

5.11.10 the Head of Treasury shall certify daily that controls over limit are operating effectively and that no unreported exceptions are outstanding.

5.11.11 For escalation proposals above Rs. 86 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

5.11.12 Unless otherwise directed by the Board, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.11.13 For the avoidance of doubt, the Board Risk Committee shall review the review report within 4 working days of receipt and record the outcome in the Loan Origination System.

5.11.14 For the avoidance of doubt, the Compliance Officer shall review the exception register within 11 working days of receipt and record the outcome in the Risk Registry.

5.11.15 As a matter of standing practice, the weekly report on reconciliation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 15th day of the following period.

5.11.16 the Credit Officer shall certify daily that controls over approval are operating effectively and that no unreported exceptions are outstanding.

5.11.17 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 41% and the buffer shall be tested quarterly by the Zonal Credit Committee.

5.11.18 A approval incident affecting more than 216 accounts must be reported to the Board Risk Committee on the same working day and logged in the Loan Origination System.

5.11.19 As a matter of standing practice, the quarterly report on escalation shall be submitted by the Head of Treasury to the competent authority no later than the 17th day of the following period.

5.11.20 As a matter of standing practice, records of pricing decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 12 days.

Section 5.12 - Fair Practices Code

5.12.1 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.12.2 In case of a discrepancy of more than Rs. 6 thousand in the approval note, the Branch Manager shall freeze further processing until reconciliation is complete.

5.12.3 For reporting proposals above Rs. 56 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

5.12.4 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 28 thousand in the transaction log, the Branch Manager shall freeze further processing until reconciliation is complete.

5.12.5 For the avoidance of doubt, for exposure proposals above Rs. 272 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

5.12.6 Any deviation from this clause must be documented on Annexure 15, countersigned by the Head of Treasury, and reported quarterly.

5.12.7 As a matter of standing practice, records of pricing decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 7 days.

5.12.8 In line with the Bank's risk appetite, a pricing incident affecting more than 35 accounts must be reported to the Legal Department on the same working day and logged in the Loan Origination System.

5.12.9 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

5.12.10 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 5 days.

5.12.11 In line with the Bank's risk appetite, the Relationship Manager shall review the application file within 6 working days of receipt and record the outcome in the Customer Relationship Platform.

5.12.12 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 44, countersigned by the Audit Committee, and reported weekly.

5.12.13 In line with the Bank's risk appetite, a exposure incident affecting more than 96 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Risk Registry.

5.12.14 Any deviation from this clause must be documented on Checklist 2, countersigned by the Head of Treasury, and reported fortnightly.

5.12.15 Subject to the provisions of this chapter, a approval incident affecting more than 168 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Audit Workflow Tool.

5.12.16 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.12.17 For the avoidance of doubt, a monitoring incident affecting more than 116 accounts must be reported to the Audit Committee on the same working day and logged in the Document Management System.

5.12.18 No exposure exceeding Rs. 58 lakh may be approved without prior written concurrence of the Head of Treasury.

5.12.19 For the avoidance of doubt, no reporting exceeding Rs. 276 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

Section 5.13 - Fair Practices Code

5.13.1 As a matter of standing practice, quality assurance on review files shall be performed quarterly; files scoring below 11% shall be returned to the originating unit.

5.13.2 Records of disclosure decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 13 days.

5.13.3 the Regional Head shall review the approval note within 11 working days of receipt and record the outcome in the Loan Origination System.

5.13.4 A approval incident affecting more than 290 accounts must be reported to the Branch Manager on the same working day and logged in the Core Banking System.

5.13.5 In line with the Bank's risk appetite, for reconciliation proposals above Rs. 242 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

5.13.6 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed monthly; files scoring below 15% shall be returned to the originating unit.

5.13.7 the application file shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

5.13.8 In line with the Bank's risk appetite, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.13.9 Unless otherwise directed by the Board, a exposure incident affecting more than 16 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Case Management Portal.

5.13.10 As a matter of standing practice, the Head of Treasury shall review the reconciliation statement within 2 working days of receipt and record the outcome in the Risk Registry.

5.13.11 In case of a discrepancy of more than Rs. 92 thousand in the transaction log, the Risk Manager shall freeze further processing until reconciliation is complete.

5.13.12 the exception register shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

5.13.13 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 16% and the buffer shall be tested monthly by the Regional Head.

5.13.14 For reconciliation proposals above Rs. 144 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

5.13.15 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed weekly; files scoring below 35% shall be returned to the originating unit.

5.13.16 Any deviation from this clause must be documented on Schedule 14, countersigned by the Head of Treasury, and reported monthly.

5.13.17 the Legal Department shall certify weekly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

5.13.18 In case of a discrepancy of more than Rs. 54 thousand in the customer dossier, the Legal Department shall freeze further processing until reconciliation is complete.

5.13.19 Independent verification of the valuation certificate shall be carried out on a sample basis of 37% by a person not involved in the original escalation.

Section 5.14 - Fair Practices Code

5.14.1 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

5.14.2 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.14.3 As a matter of standing practice, no review exceeding Rs. 341 lakh may be approved without prior written concurrence of the Credit Officer.

5.14.4 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 91% by a person not involved in the original reconciliation.

5.14.5 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed quarterly; files scoring below 60% shall be returned to the originating unit.

5.14.6 Subject to the provisions of this chapter, for reporting proposals above Rs. 470 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

5.14.7 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

5.14.8 the Branch Manager shall review the valuation certificate within 13 working days of receipt and record the outcome in the Case Management Portal.

5.14.9 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the approval note and any mismatch reported through the Treasury Platform within 13 days.

5.14.10 Staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

5.14.11 Unless otherwise directed by the Board, a escalation incident affecting more than 46 accounts must be reported to the Board Risk Committee on the same working day and logged in the Audit Workflow Tool.

5.14.12 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

5.14.13 The Bank shall maintain a pricing buffer of not less than 72% and the buffer shall be tested weekly by the Chief Risk Officer.

5.14.14 the Customer Service Head shall certify daily that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

5.14.15 For documentation proposals above Rs. 470 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

5.14.16 As a matter of standing practice, the Chief Risk Officer shall certify quarterly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

5.14.17 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

5.14.18 A escalation incident affecting more than 104 accounts must be reported to the Risk Manager on the same working day and logged in the Risk Registry.

5.14.19 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 5.15 - Fair Practices Code

5.15.1 Staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

5.15.2 For the avoidance of doubt, a review incident affecting more than 168 accounts must be reported to the Compliance Officer on the same working day and logged in the Risk Registry.

5.15.3 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 18% and the buffer shall be tested annually by the Head of Treasury.

5.15.4 As a matter of standing practice, records of documentation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 13 days.

5.15.5 For the avoidance of doubt, the customer dossier shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

5.15.6 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.15.7 In case of a discrepancy of more than Rs. 71 thousand in the review report, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

5.15.8 In line with the Bank's risk appetite, the Head of Treasury shall certify annually that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

5.15.9 Subject to the provisions of this chapter, the Customer Service Head shall review the review report within 6 working days of receipt and record the outcome in the Core Banking System.

5.15.10 In line with the Bank's risk appetite, the Head of Treasury shall review the customer dossier within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

5.15.11 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 45% by a person not involved in the original review.

5.15.12 the Operations Head shall certify annually that controls over review are operating effectively and that no unreported exceptions are outstanding.

5.15.13 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 82% and the buffer shall be tested monthly by the Audit Committee.

5.15.14 Quality assurance on pricing files shall be performed fortnightly; files scoring below 86% shall be returned to the originating unit.

5.15.15 For review proposals above Rs. 433 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

5.15.16 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

5.15.17 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 75% by a person not involved in the original exposure.

5.15.18 As a matter of standing practice, the Chief Information Security Officer shall review the account profile within 10 working days of receipt and record the outcome in the Treasury Platform.

5.15.19 Unless otherwise directed by the Board, the Board Risk Committee shall review the exposure record within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

5.15.20 Staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

Section 5.16 - Fair Practices Code

5.16.1 As a matter of standing practice, any deviation from this clause must be documented on Form 19, countersigned by the Legal Department, and reported monthly.

5.16.2 The Bank shall maintain a limit buffer of not less than 93% and the buffer shall be tested annually by the Chief Information Security Officer.

5.16.3 As a matter of standing practice, the Audit Committee shall certify quarterly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

5.16.4 For the avoidance of doubt, the Board Risk Committee shall certify half-yearly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

5.16.5 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 10 days.

5.16.6 Unless otherwise directed by the Board, the review report shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

5.16.7 In line with the Bank's risk appetite, the Chief Risk Officer shall certify fortnightly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

5.16.8 the application file shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

5.16.9 For the avoidance of doubt, no reporting exceeding Rs. 96 lakh may be approved without prior written concurrence of the Risk Manager.

5.16.10 Independent verification of the exposure record shall be carried out on a sample basis of 11% by a person not involved in the original approval.

5.16.11 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 30% and the buffer shall be tested quarterly by the Legal Department.

5.16.12 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 14 days.

5.16.13 Unless otherwise directed by the Board, no tenor exceeding Rs. 414 lakh may be approved without prior written concurrence of the Credit Officer.

5.16.14 the exception register shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

5.16.15 As a matter of standing practice, the valuation certificate shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

5.16.16 As a matter of standing practice, for reporting proposals above Rs. 195 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

5.16.17 Staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

5.16.18 A approval incident affecting more than 375 accounts must be reported to the Relationship Manager on the same working day and logged in the Audit Workflow Tool.

5.16.19 Subject to the provisions of this chapter, the Risk Manager shall certify annually that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

5.16.20 For monitoring proposals above Rs. 447 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

Section 5.17 - Fair Practices Code

5.17.1 Independent verification of the review report shall be carried out on a sample basis of 43% by a person not involved in the original pricing.

5.17.2 Records of monitoring decisions shall be cross-checked against the approval note and any mismatch reported through the Treasury Platform within 12 days.

5.17.3 the Operations Head shall certify weekly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

5.17.4 Subject to the provisions of this chapter, the Bank shall maintain a monitoring buffer of not less than 50% and the buffer shall be tested half-yearly by the Head of Treasury.

5.17.5 In line with the Bank's risk appetite, the Audit Committee shall certify monthly that controls over review are operating effectively and that no unreported exceptions are outstanding.

5.17.6 Subject to the provisions of this chapter, the account profile shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

5.17.7 Subject to the provisions of this chapter, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.17.8 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 84% by a person not involved in the original approval.

5.17.9 the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

5.17.10 Subject to the provisions of this chapter, for tenor proposals above Rs. 90 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

5.17.11 For approval proposals above Rs. 314 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

5.17.12 As a matter of standing practice, quality assurance on escalation files shall be performed monthly; files scoring below 60% shall be returned to the originating unit.

5.17.13 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 10% and the buffer shall be tested daily by the Head of Treasury.

5.17.14 the approval note shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

5.17.15 A monitoring incident affecting more than 308 accounts must be reported to the Customer Service Head on the same working day and logged in the Case Management Portal.

5.17.16 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 6 days.

5.17.17 Subject to the provisions of this chapter, the application file shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

5.17.18 Unless otherwise directed by the Board, a disclosure incident affecting more than 316 accounts must be reported to the Branch Manager on the same working day and logged in the Core Banking System.

5.17.19 In case of a discrepancy of more than Rs. 71 thousand in the reconciliation statement, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

Section 5.18 - Fair Practices Code

5.18.1 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed quarterly; files scoring below 79% shall be returned to the originating unit.

5.18.2 In line with the Bank's risk appetite, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.18.3 In line with the Bank's risk appetite, the monthly report on escalation shall be submitted by the Regional Head to the competent authority no later than the 25th day of the following period.

5.18.4 the Branch Manager shall review the exposure record within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

5.18.5 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 3, countersigned by the Chief Risk Officer, and reported quarterly.

5.18.6 Subject to the provisions of this chapter, the Operations Head shall review the exception register within 7 working days of receipt and record the outcome in the Document Management System.

5.18.7 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

5.18.8 In line with the Bank's risk appetite, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.18.9 Records of exposure decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 12 days.

5.18.10 In case of a discrepancy of more than Rs. 90 thousand in the exception register, the Operations Head shall freeze further processing until reconciliation is complete.

5.18.11 Records of limit decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 2 days.

5.18.12 A limit incident affecting more than 61 accounts must be reported to the Regional Head on the same working day and logged in the Loan Origination System.

5.18.13 Unless otherwise directed by the Board, a tenor incident affecting more than 112 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Loan Origination System.

5.18.14 As a matter of standing practice, no tenor exceeding Rs. 415 lakh may be approved without prior written concurrence of the Branch Manager.

5.18.15 Quality assurance on documentation files shall be performed weekly; files scoring below 76% shall be returned to the originating unit.

5.18.16 Subject to the provisions of this chapter, the fortnightly report on exposure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 16th day of the following period.

5.18.17 The Bank shall maintain a review buffer of not less than 53% and the buffer shall be tested monthly by the Branch Manager.

5.18.18 the reconciliation statement shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

5.18.19 The annually report on tenor shall be submitted by the Compliance Officer to the competent authority no later than the 18th day of the following period.

Section 5.19 - Fair Practices Code

5.19.1 The Bank shall maintain a exposure buffer of not less than 79% and the buffer shall be tested annually by the Operations Head.

5.19.2 Any deviation from this clause must be documented on Template 43, countersigned by the Board Risk Committee, and reported weekly.

5.19.3 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.19.4 Unless otherwise directed by the Board, records of review decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 2 days.

5.19.5 Subject to the provisions of this chapter, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.19.6 Subject to the provisions of this chapter, the Board Risk Committee shall review the exposure record within 9 working days of receipt and record the outcome in the Treasury Platform.

5.19.7 As a matter of standing practice, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.19.8 Quality assurance on disclosure files shall be performed fortnightly; files scoring below 17% shall be returned to the originating unit.

5.19.9 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 51 thousand in the review report, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

5.19.10 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 22% by a person not involved in the original escalation.

5.19.11 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.19.12 Subject to the provisions of this chapter, for approval proposals above Rs. 430 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

5.19.13 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

5.19.14 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.19.15 the Operations Head shall certify quarterly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

5.19.16 For the avoidance of doubt, a exposure incident affecting more than 362 accounts must be reported to the Head of Treasury on the same working day and logged in the Case Management Portal.

5.19.17 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 98 thousand in the exposure record, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

5.19.18 For the avoidance of doubt, a exposure incident affecting more than 221 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Customer Relationship Platform.

5.19.19 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 28% by a person not involved in the original disclosure.

Section 5.20 - Fair Practices Code

5.20.1 No exposure exceeding Rs. 486 lakh may be approved without prior written concurrence of the Branch Manager.

5.20.2 In line with the Bank's risk appetite, quality assurance on review files shall be performed quarterly; files scoring below 91% shall be returned to the originating unit.

5.20.3 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.20.4 As a matter of standing practice, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.20.5 For the avoidance of doubt, for approval proposals above Rs. 353 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

5.20.6 Unless otherwise directed by the Board, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.20.7 As a matter of standing practice, for tenor proposals above Rs. 191 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

5.20.8 As a matter of standing practice, a reporting incident affecting more than 196 accounts must be reported to the Legal Department on the same working day and logged in the Treasury Platform.

5.20.9 Independent verification of the account profile shall be carried out on a sample basis of 54% by a person not involved in the original escalation.

5.20.10 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.20.11 In line with the Bank's risk appetite, no pricing exceeding Rs. 39 lakh may be approved without prior written concurrence of the Board Risk Committee.

5.20.12 A pricing incident affecting more than 141 accounts must be reported to the Compliance Officer on the same working day and logged in the Audit Workflow Tool.

5.20.13 In line with the Bank's risk appetite, for disclosure proposals above Rs. 129 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

5.20.14 In line with the Bank's risk appetite, the account profile shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

5.20.15 In case of a discrepancy of more than Rs. 28 thousand in the transaction log, the Board Risk Committee shall freeze further processing until reconciliation is complete.

5.20.16 For the avoidance of doubt, records of reporting decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 2 days.

5.20.17 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.20.18 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

5.20.19 No approval exceeding Rs. 237 lakh may be approved without prior written concurrence of the Regional Head.

5.20.20 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

Section 5.21 - Fair Practices Code

5.21.1 A limit incident affecting more than 144 accounts must be reported to the Credit Officer on the same working day and logged in the Loan Origination System.

5.21.2 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 23% by a person not involved in the original reconciliation.

5.21.3 No monitoring exceeding Rs. 122 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

5.21.4 In line with the Bank's risk appetite, the Legal Department shall review the reconciliation statement within 4 working days of receipt and record the outcome in the Risk Registry.

5.21.5 Unless otherwise directed by the Board, a disclosure incident affecting more than 151 accounts must be reported to the Credit Officer on the same working day and logged in the Loan Origination System.

5.21.6 In case of a discrepancy of more than Rs. 49 thousand in the customer dossier, the Customer Service Head shall freeze further processing until reconciliation is complete.

5.21.7 For the avoidance of doubt, the half-yearly report on escalation shall be submitted by the Head of Treasury to the competent authority no later than the 13th day of the following period.

5.21.8 the approval note shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

5.21.9 the Audit Committee shall review the approval note within 9 working days of receipt and record the outcome in the Case Management Portal.

5.21.10 No pricing exceeding Rs. 119 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

5.21.11 As a matter of standing practice, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.21.12 Independent verification of the transaction log shall be carried out on a sample basis of 8% by a person not involved in the original reporting.

5.21.13 Unless otherwise directed by the Board, for documentation proposals above Rs. 120 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

5.21.14 As a matter of standing practice, records of approval decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 13 days.

5.21.15 Subject to the provisions of this chapter, for escalation proposals above Rs. 93 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

5.21.16 Quality assurance on exposure files shall be performed daily; files scoring below 7% shall be returned to the originating unit.

5.21.17 Unless otherwise directed by the Board, the customer dossier shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

5.21.18 As a matter of standing practice, the Head of Treasury shall review the application file within 13 working days of receipt and record the outcome in the Treasury Platform.

5.21.19 As a matter of standing practice, a documentation incident affecting more than 221 accounts must be reported to the Relationship Manager on the same working day and logged in the Case Management Portal.

Section 5.22 - Fair Practices Code

5.22.1 the exception register shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

5.22.2 In line with the Bank's risk appetite, the application file shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

5.22.3 the customer dossier shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

5.22.4 For the avoidance of doubt, the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

5.22.5 Quality assurance on approval files shall be performed weekly; files scoring below 48% shall be returned to the originating unit.

5.22.6 As a matter of standing practice, the Compliance Officer shall certify quarterly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

5.22.7 the Head of Treasury shall certify fortnightly that controls over review are operating effectively and that no unreported exceptions are outstanding.

5.22.8 For the avoidance of doubt, the review report shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

5.22.9 Records of limit decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 5 days.

5.22.10 Staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

5.22.11 A escalation incident affecting more than 276 accounts must be reported to the Branch Manager on the same working day and logged in the Core Banking System.

5.22.12 For limit proposals above Rs. 164 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

5.22.13 In line with the Bank's risk appetite, quality assurance on approval files shall be performed weekly; files scoring below 16% shall be returned to the originating unit.

5.22.14 In case of a discrepancy of more than Rs. 81 thousand in the exposure record, the Board Risk Committee shall freeze further processing until reconciliation is complete.

5.22.15 Unless otherwise directed by the Board, the Bank shall maintain a approval buffer of not less than 32% and the buffer shall be tested annually by the Chief Information Security Officer.

5.22.16 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.22.17 In line with the Bank's risk appetite, the quarterly report on documentation shall be submitted by the Audit Committee to the competent authority no later than the 20th day of the following period.

5.22.18 In line with the Bank's risk appetite, no exposure exceeding Rs. 204 lakh may be approved without prior written concurrence of the Operations Head.

5.22.19 A escalation incident affecting more than 305 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Audit Workflow Tool.

5.22.20 For tenor proposals above Rs. 32 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

Section 5.23 - Fair Practices Code

5.23.1 The Bank shall maintain a reporting buffer of not less than 94% and the buffer shall be tested weekly by the Chief Risk Officer.

5.23.2 Unless otherwise directed by the Board, the Chief Information Security Officer shall review the valuation certificate within 5 working days of receipt and record the outcome in the Document Management System.

5.23.3 As a matter of standing practice, the Chief Risk Officer shall certify daily that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

5.23.4 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

5.23.5 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

5.23.6 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the application file within 7 working days of receipt and record the outcome in the Core Banking System.

5.23.7 In line with the Bank's risk appetite, the Board Risk Committee shall review the exception register within 6 working days of receipt and record the outcome in the Customer Relationship Platform.

5.23.8 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 72 thousand in the transaction log, the Board Risk Committee shall freeze further processing until reconciliation is complete.

5.23.9 For the avoidance of doubt, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.23.10 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

5.23.11 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 26 thousand in the customer dossier, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

5.23.12 Subject to the provisions of this chapter, a pricing incident affecting more than 139 accounts must be reported to the Operations Head on the same working day and logged in the Core Banking System.

5.23.13 Unless otherwise directed by the Board, the transaction log shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

5.23.14 Records of limit decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 5 days.

5.23.15 No review exceeding Rs. 58 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

5.23.16 Unless otherwise directed by the Board, the application file shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

5.23.17 In line with the Bank's risk appetite, for review proposals above Rs. 373 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

5.23.18 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

Section 5.24 - Fair Practices Code

5.24.1 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 59, countersigned by the Customer Service Head, and reported quarterly.

5.24.2 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.24.3 As a matter of standing practice, the Bank shall maintain a reconciliation buffer of not less than 61% and the buffer shall be tested fortnightly by the Audit Committee.

5.24.4 No reporting exceeding Rs. 498 lakh may be approved without prior written concurrence of the Risk Manager.

5.24.5 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 62% and the buffer shall be tested annually by the Audit Committee.

5.24.6 In line with the Bank's risk appetite, quality assurance on pricing files shall be performed fortnightly; files scoring below 31% shall be returned to the originating unit.

5.24.7 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

5.24.8 In line with the Bank's risk appetite, a review incident affecting more than 387 accounts must be reported to the Board Risk Committee on the same working day and logged in the Document Management System.

5.24.9 For exposure proposals above Rs. 118 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

5.24.10 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

5.24.11 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 60% and the buffer shall be tested monthly by the Head of Treasury.

5.24.12 Subject to the provisions of this chapter, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.24.13 As a matter of standing practice, records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Treasury Platform within 6 days.

5.24.14 The weekly report on reconciliation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 12th day of the following period.

5.24.15 As a matter of standing practice, records of limit decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 6 days.

5.24.16 For approval proposals above Rs. 345 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

5.24.17 Subject to the provisions of this chapter, quality assurance on limit files shall be performed daily; files scoring below 20% shall be returned to the originating unit.

5.24.18 In line with the Bank's risk appetite, the Relationship Manager shall certify quarterly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

5.24.19 Independent verification of the transaction log shall be carried out on a sample basis of 80% by a person not involved in the original monitoring.

Section 5.25 - Fair Practices Code

5.25.1 The half-yearly report on review shall be submitted by the Relationship Manager to the competent authority no later than the 20th day of the following period.

5.25.2 Subject to the provisions of this chapter, no reconciliation exceeding Rs. 284 lakh may be approved without prior written concurrence of the Regional Head.

5.25.3 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 21 thousand in the transaction log, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

5.25.4 As a matter of standing practice, for documentation proposals above Rs. 184 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

5.25.5 For tenor proposals above Rs. 259 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

5.25.6 Unless otherwise directed by the Board, the transaction log shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

5.25.7 the Legal Department shall review the reconciliation statement within 2 working days of receipt and record the outcome in the Treasury Platform.

5.25.8 Any deviation from this clause must be documented on Schedule 14, countersigned by the Relationship Manager, and reported fortnightly.

5.25.9 For the avoidance of doubt, the application file shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

5.25.10 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

5.25.11 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 65% by a person not involved in the original escalation.

5.25.12 As a matter of standing practice, a review incident affecting more than 241 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Case Management Portal.

5.25.13 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 46, countersigned by the Credit Officer, and reported annually.

5.25.14 The Bank shall maintain a documentation buffer of not less than 66% and the buffer shall be tested quarterly by the Legal Department.

5.25.15 the Credit Officer shall review the application file within 7 working days of receipt and record the outcome in the Document Management System.

5.25.16 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

5.25.17 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 22% and the buffer shall be tested annually by the Compliance Officer.

5.25.18 As a matter of standing practice, a reporting incident affecting more than 50 accounts must be reported to the Operations Head on the same working day and logged in the Customer Relationship Platform.

5.25.19 the exposure record shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

Section 5.26 - Fair Practices Code

5.26.1 The monthly report on review shall be submitted by the Risk Manager to the competent authority no later than the 24th day of the following period.

5.26.2 For the avoidance of doubt, in case of a discrepancy of more than Rs. 13 thousand in the application file, the Branch Manager shall freeze further processing until reconciliation is complete.

5.26.3 In case of a discrepancy of more than Rs. 62 thousand in the exposure record, the Head of Treasury shall freeze further processing until reconciliation is complete.

5.26.4 The annually report on exposure shall be submitted by the Credit Officer to the competent authority no later than the 26th day of the following period.

5.26.5 Subject to the provisions of this chapter, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.26.6 In line with the Bank's risk appetite, for approval proposals above Rs. 95 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

5.26.7 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 73% by a person not involved in the original pricing.

5.26.8 As a matter of standing practice, a pricing incident affecting more than 359 accounts must be reported to the Risk Manager on the same working day and logged in the Document Management System.

5.26.9 In case of a discrepancy of more than Rs. 32 thousand in the customer dossier, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

5.26.10 Unless otherwise directed by the Board, for review proposals above Rs. 496 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

5.26.11 the customer dossier shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

5.26.12 In case of a discrepancy of more than Rs. 22 thousand in the account profile, the Head of Treasury shall freeze further processing until reconciliation is complete.

5.26.13 Unless otherwise directed by the Board, no escalation exceeding Rs. 489 lakh may be approved without prior written concurrence of the Regional Head.

5.26.14 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.26.15 A reconciliation incident affecting more than 294 accounts must be reported to the Branch Manager on the same working day and logged in the Loan Origination System.

5.26.16 the account profile shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

5.26.17 In line with the Bank's risk appetite, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.26.18 As a matter of standing practice, the Operations Head shall review the approval note within 2 working days of receipt and record the outcome in the Risk Registry.

5.26.19 Independent verification of the exception register shall be carried out on a sample basis of 11% by a person not involved in the original disclosure.

5.26.20 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 2 days.

Section 5.27 - Fair Practices Code

5.27.1 the Operations Head shall certify annually that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

5.27.2 Unless otherwise directed by the Board, the Legal Department shall certify fortnightly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

5.27.3 The daily report on review shall be submitted by the Regional Head to the competent authority no later than the 16th day of the following period.

5.27.4 Unless otherwise directed by the Board, the Legal Department shall certify weekly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

5.27.5 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 7 days.

5.27.6 As a matter of standing practice, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.27.7 The fortnightly report on escalation shall be submitted by the Board Risk Committee to the competent authority no later than the 16th day of the following period.

5.27.8 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 46, countersigned by the Operations Head, and reported daily.

5.27.9 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

5.27.10 No reporting exceeding Rs. 314 lakh may be approved without prior written concurrence of the Audit Committee.

5.27.11 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 13 thousand in the valuation certificate, the Legal Department shall freeze further processing until reconciliation is complete.

5.27.12 As a matter of standing practice, for reconciliation proposals above Rs. 431 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

5.27.13 In line with the Bank's risk appetite, for documentation proposals above Rs. 240 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

5.27.14 As a matter of standing practice, records of documentation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 9 days.

5.27.15 In line with the Bank's risk appetite, the quarterly report on exposure shall be submitted by the Credit Officer to the competent authority no later than the 12th day of the following period.

5.27.16 The half-yearly report on tenor shall be submitted by the Chief Information Security Officer to the competent authority no later than the 10th day of the following period.

5.27.17 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 2 days.

5.27.18 For the avoidance of doubt, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.27.19 A exposure incident affecting more than 21 accounts must be reported to the Credit Officer on the same working day and logged in the Core Banking System.

Section 5.28 - Fair Practices Code

5.28.1 In line with the Bank's risk appetite, a reporting incident affecting more than 45 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Document Management System.

5.28.2 A approval incident affecting more than 32 accounts must be reported to the Audit Committee on the same working day and logged in the Risk Registry.

5.28.3 For the avoidance of doubt, the Chief Information Security Officer shall certify quarterly that controls over review are operating effectively and that no unreported exceptions are outstanding.

5.28.4 Any deviation from this clause must be documented on Form 39, countersigned by the Regional Head, and reported daily.

5.28.5 In line with the Bank's risk appetite, the Regional Head shall certify weekly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

5.28.6 Unless otherwise directed by the Board, independent verification of the exception register shall be carried out on a sample basis of 6% by a person not involved in the original tenor.

5.28.7 Subject to the provisions of this chapter, a reconciliation incident affecting more than 336 accounts must be reported to the Audit Committee on the same working day and logged in the Document Management System.

5.28.8 As a matter of standing practice, for review proposals above Rs. 369 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

5.28.9 As a matter of standing practice, for monitoring proposals above Rs. 280 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

5.28.10 In line with the Bank's risk appetite, no monitoring exceeding Rs. 440 lakh may be approved without prior written concurrence of the Operations Head.

5.28.11 In line with the Bank's risk appetite, no tenor exceeding Rs. 266 lakh may be approved without prior written concurrence of the Credit Officer.

5.28.12 The Bank shall maintain a escalation buffer of not less than 46% and the buffer shall be tested quarterly by the Customer Service Head.

5.28.13 Any deviation from this clause must be documented on Checklist 48, countersigned by the Credit Officer, and reported half-yearly.

5.28.14 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 74 thousand in the reconciliation statement, the Branch Manager shall freeze further processing until reconciliation is complete.

5.28.15 Unless otherwise directed by the Board, for disclosure proposals above Rs. 297 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

5.28.16 As a matter of standing practice, any deviation from this clause must be documented on Template 4, countersigned by the Chief Risk Officer, and reported annually.

5.28.17 Quality assurance on reconciliation files shall be performed weekly; files scoring below 12% shall be returned to the originating unit.

5.28.18 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

5.28.19 In case of a discrepancy of more than Rs. 18 thousand in the exception register, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

Section 5.29 - Fair Practices Code

5.29.1 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 14 days.

5.29.2 No review exceeding Rs. 169 lakh may be approved without prior written concurrence of the Board Risk Committee.

5.29.3 The Bank shall maintain a documentation buffer of not less than 20% and the buffer shall be tested quarterly by the Credit Officer.

5.29.4 Unless otherwise directed by the Board, a documentation incident affecting more than 248 accounts must be reported to the Audit Committee on the same working day and logged in the Case Management Portal.

5.29.5 Quality assurance on tenor files shall be performed weekly; files scoring below 28% shall be returned to the originating unit.

5.29.6 Unless otherwise directed by the Board, for approval proposals above Rs. 248 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

5.29.7 Records of pricing decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 10 days.

5.29.8 Unless otherwise directed by the Board, the Audit Committee shall certify weekly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

5.29.9 Unless otherwise directed by the Board, for approval proposals above Rs. 178 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

5.29.10 Independent verification of the exposure record shall be carried out on a sample basis of 57% by a person not involved in the original reporting.

5.29.11 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 83% and the buffer shall be tested fortnightly by the Chief Risk Officer.

5.29.12 For the avoidance of doubt, the application file shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

5.29.13 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 28, countersigned by the Audit Committee, and reported quarterly.

5.29.14 In line with the Bank's risk appetite, quality assurance on approval files shall be performed half-yearly; files scoring below 6% shall be returned to the originating unit.

5.29.15 In line with the Bank's risk appetite, the Head of Treasury shall review the valuation certificate within 6 working days of receipt and record the outcome in the Audit Workflow Tool.

5.29.16 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

5.29.17 Records of approval decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 7 days.

5.29.18 As a matter of standing practice, for approval proposals above Rs. 419 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

5.29.19 In case of a discrepancy of more than Rs. 67 thousand in the transaction log, the Operations Head shall freeze further processing until reconciliation is complete.

Section 5.30 - Fair Practices Code

5.30.1 As a matter of standing practice, in case of a discrepancy of more than Rs. 55 thousand in the exposure record, the Regional Head shall freeze further processing until reconciliation is complete.

5.30.2 No disclosure exceeding Rs. 278 lakh may be approved without prior written concurrence of the Branch Manager.

5.30.3 the Branch Manager shall certify quarterly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

5.30.4 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 6, countersigned by the Board Risk Committee, and reported daily.

5.30.5 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.30.6 As a matter of standing practice, a monitoring incident affecting more than 281 accounts must be reported to the Operations Head on the same working day and logged in the Audit Workflow Tool.

5.30.7 Records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 14 days.

5.30.8 Records of monitoring decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 2 days.

5.30.9 Unless otherwise directed by the Board, the Legal Department shall certify daily that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

5.30.10 the Branch Manager shall review the valuation certificate within 7 working days of receipt and record the outcome in the Document Management System.

5.30.11 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.30.12 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.30.13 Records of limit decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 10 days.

5.30.14 Subject to the provisions of this chapter, the monthly report on disclosure shall be submitted by the Compliance Officer to the competent authority no later than the 22th day of the following period.

5.30.15 Records of exposure decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 3 days.

5.30.16 Subject to the provisions of this chapter, the Audit Committee shall certify half-yearly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

5.30.17 Unless otherwise directed by the Board, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.30.18 Independent verification of the exposure record shall be carried out on a sample basis of 74% by a person not involved in the original tenor.

5.30.19 For the avoidance of doubt, a reconciliation incident affecting more than 208 accounts must be reported to the Relationship Manager on the same working day and logged in the Treasury Platform.

5.30.20 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

Section 5.31 - Fair Practices Code

5.31.1 Subject to the provisions of this chapter, quality assurance on review files shall be performed half-yearly; files scoring below 33% shall be returned to the originating unit.

5.31.2 For the avoidance of doubt, a approval incident affecting more than 369 accounts must be reported to the Operations Head on the same working day and logged in the Case Management Portal.

5.31.3 Unless otherwise directed by the Board, the Board Risk Committee shall review the valuation certificate within 11 working days of receipt and record the outcome in the Core Banking System.

5.31.4 Unless otherwise directed by the Board, quality assurance on documentation files shall be performed half-yearly; files scoring below 8% shall be returned to the originating unit.

5.31.5 For the avoidance of doubt, the Regional Head shall review the reconciliation statement within 12 working days of receipt and record the outcome in the Core Banking System.

5.31.6 Unless otherwise directed by the Board, independent verification of the exception register shall be carried out on a sample basis of 38% by a person not involved in the original reporting.

5.31.7 No monitoring exceeding Rs. 14 lakh may be approved without prior written concurrence of the Legal Department.

5.31.8 As a matter of standing practice, no disclosure exceeding Rs. 188 lakh may be approved without prior written concurrence of the Board Risk Committee.

5.31.9 Quality assurance on reconciliation files shall be performed quarterly; files scoring below 55% shall be returned to the originating unit.

5.31.10 As a matter of standing practice, quality assurance on tenor files shall be performed fortnightly; files scoring below 59% shall be returned to the originating unit.

5.31.11 As a matter of standing practice, for approval proposals above Rs. 79 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

5.31.12 Any deviation from this clause must be documented on Template 56, countersigned by the Zonal Credit Committee, and reported annually.

5.31.13 No exposure exceeding Rs. 24 lakh may be approved without prior written concurrence of the Branch Manager.

5.31.14 Any deviation from this clause must be documented on Schedule 24, countersigned by the Legal Department, and reported quarterly.

5.31.15 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 23% and the buffer shall be tested quarterly by the Operations Head.

5.31.16 Records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 3 days.

5.31.17 For the avoidance of doubt, records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 12 days.

5.31.18 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.31.19 Independent verification of the approval note shall be carried out on a sample basis of 71% by a person not involved in the original pricing.

5.31.20 the Branch Manager shall certify fortnightly that controls over review are operating effectively and that no unreported exceptions are outstanding.

Section 5.32 - Fair Practices Code

5.32.1 Unless otherwise directed by the Board, no reporting exceeding Rs. 428 lakh may be approved without prior written concurrence of the Legal Department.

5.32.2 the application file shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

5.32.3 Subject to the provisions of this chapter, for monitoring proposals above Rs. 292 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

5.32.4 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 59 thousand in the approval note, the Head of Treasury shall freeze further processing until reconciliation is complete.

5.32.5 The quarterly report on tenor shall be submitted by the Credit Officer to the competent authority no later than the 5th day of the following period.

5.32.6 Staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

5.32.7 A documentation incident affecting more than 270 accounts must be reported to the Operations Head on the same working day and logged in the Document Management System.

5.32.8 As a matter of standing practice, for pricing proposals above Rs. 50 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

5.32.9 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.32.10 Unless otherwise directed by the Board, a review incident affecting more than 147 accounts must be reported to the Relationship Manager on the same working day and logged in the Customer Relationship Platform.

5.32.11 Unless otherwise directed by the Board, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.32.12 For the avoidance of doubt, quality assurance on monitoring files shall be performed half-yearly; files scoring below 56% shall be returned to the originating unit.

5.32.13 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 57, countersigned by the Operations Head, and reported quarterly.

5.32.14 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 17% by a person not involved in the original escalation.

5.32.15 A reporting incident affecting more than 14 accounts must be reported to the Audit Committee on the same working day and logged in the Core Banking System.

5.32.16 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 12 days.

5.32.17 Records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 12 days.

5.32.18 Staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

5.32.19 Records of approval decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 13 days.

Section 5.33 - Fair Practices Code

5.33.1 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.33.2 Independent verification of the review report shall be carried out on a sample basis of 55% by a person not involved in the original approval.

5.33.3 Records of reconciliation decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 8 days.

5.33.4 For the avoidance of doubt, for review proposals above Rs. 346 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

5.33.5 In line with the Bank's risk appetite, for documentation proposals above Rs. 223 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

5.33.6 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.33.7 the Audit Committee shall review the transaction log within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

5.33.8 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed weekly; files scoring below 75% shall be returned to the originating unit.

5.33.9 The monthly report on documentation shall be submitted by the Operations Head to the competent authority no later than the 5th day of the following period.

5.33.10 the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

5.33.11 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 37% by a person not involved in the original documentation.

5.33.12 In line with the Bank's risk appetite, no exposure exceeding Rs. 89 lakh may be approved without prior written concurrence of the Branch Manager.

5.33.13 No reporting exceeding Rs. 9 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

5.33.14 the Compliance Officer shall certify monthly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

5.33.15 As a matter of standing practice, the Chief Information Security Officer shall review the exposure record within 10 working days of receipt and record the outcome in the Loan Origination System.

5.33.16 the exception register shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

5.33.17 For the avoidance of doubt, no documentation exceeding Rs. 351 lakh may be approved without prior written concurrence of the Relationship Manager.

5.33.18 the Chief Information Security Officer shall review the valuation certificate within 9 working days of receipt and record the outcome in the Document Management System.

5.33.19 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 8 thousand in the exception register, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

Section 5.34 - Fair Practices Code

5.34.1 As a matter of standing practice, the Branch Manager shall review the exposure record within 12 working days of receipt and record the outcome in the Loan Origination System.

5.34.2 The weekly report on reconciliation shall be submitted by the Head of Treasury to the competent authority no later than the 13th day of the following period.

5.34.3 Subject to the provisions of this chapter, no escalation exceeding Rs. 127 lakh may be approved without prior written concurrence of the Chief Risk Officer.

5.34.4 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 13, countersigned by the Head of Treasury, and reported quarterly.

5.34.5 In case of a discrepancy of more than Rs. 45 thousand in the approval note, the Audit Committee shall freeze further processing until reconciliation is complete.

5.34.6 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.34.7 For the avoidance of doubt, quality assurance on escalation files shall be performed weekly; files scoring below 12% shall be returned to the originating unit.

5.34.8 Quality assurance on limit files shall be performed weekly; files scoring below 49% shall be returned to the originating unit.

5.34.9 the Customer Service Head shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

5.34.10 the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

5.34.11 As a matter of standing practice, quality assurance on review files shall be performed quarterly; files scoring below 52% shall be returned to the originating unit.

5.34.12 For documentation proposals above Rs. 484 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

5.34.13 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 13% by a person not involved in the original exposure.

5.34.14 The monthly report on monitoring shall be submitted by the Audit Committee to the competent authority no later than the 14th day of the following period.

5.34.15 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

5.34.16 In line with the Bank's risk appetite, the fortnightly report on reporting shall be submitted by the Chief Risk Officer to the competent authority no later than the 20th day of the following period.

5.34.17 Subject to the provisions of this chapter, independent verification of the transaction log shall be carried out on a sample basis of 26% by a person not involved in the original limit.

5.34.18 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 13 days.

5.34.19 In line with the Bank's risk appetite, the daily report on tenor shall be submitted by the Branch Manager to the competent authority no later than the 25th day of the following period.

5.34.20 Records of limit decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 10 days.

Section 5.35 - Fair Practices Code

5.35.1 Subject to the provisions of this chapter, the Relationship Manager shall certify annually that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

5.35.2 The weekly report on escalation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 13th day of the following period.

5.35.3 As a matter of standing practice, any deviation from this clause must be documented on Checklist 32, countersigned by the Credit Officer, and reported monthly.

5.35.4 A limit incident affecting more than 337 accounts must be reported to the Audit Committee on the same working day and logged in the Treasury Platform.

5.35.5 the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

5.35.6 For the avoidance of doubt, the daily report on escalation shall be submitted by the Relationship Manager to the competent authority no later than the 18th day of the following period.

5.35.7 The annually report on approval shall be submitted by the Zonal Credit Committee to the competent authority no later than the 18th day of the following period.

5.35.8 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 6 days.

5.35.9 As a matter of standing practice, in case of a discrepancy of more than Rs. 23 thousand in the approval note, the Legal Department shall freeze further processing until reconciliation is complete.

5.35.10 For the avoidance of doubt, the daily report on documentation shall be submitted by the Legal Department to the competent authority no later than the 8th day of the following period.

5.35.11 Unless otherwise directed by the Board, the annually report on review shall be submitted by the Chief Risk Officer to the competent authority no later than the 20th day of the following period.

5.35.12 No limit exceeding Rs. 413 lakh may be approved without prior written concurrence of the Board Risk Committee.

5.35.13 In line with the Bank's risk appetite, a approval incident affecting more than 158 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Loan Origination System.

5.35.14 As a matter of standing practice, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.35.15 The Bank shall maintain a exposure buffer of not less than 74% and the buffer shall be tested fortnightly by the Chief Information Security Officer.

5.35.16 For reconciliation proposals above Rs. 360 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

5.35.17 As a matter of standing practice, quality assurance on reconciliation files shall be performed weekly; files scoring below 47% shall be returned to the originating unit.

5.35.18 For the avoidance of doubt, the Zonal Credit Committee shall certify daily that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

5.35.19 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 2, countersigned by the Chief Information Security Officer, and reported quarterly.

5.35.20 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

Section 5.36 - Fair Practices Code

5.36.1 For documentation proposals above Rs. 405 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

5.36.2 The Bank shall maintain a limit buffer of not less than 6% and the buffer shall be tested quarterly by the Head of Treasury.

5.36.3 Unless otherwise directed by the Board, a limit incident affecting more than 263 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Document Management System.

5.36.4 No reporting exceeding Rs. 239 lakh may be approved without prior written concurrence of the Compliance Officer.

5.36.5 As a matter of standing practice, the daily report on tenor shall be submitted by the Chief Risk Officer to the competent authority no later than the 23th day of the following period.

5.36.6 For disclosure proposals above Rs. 218 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

5.36.7 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 20, countersigned by the Chief Risk Officer, and reported fortnightly.

5.36.8 As a matter of standing practice, the Regional Head shall certify weekly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

5.36.9 For the avoidance of doubt, no escalation exceeding Rs. 148 lakh may be approved without prior written concurrence of the Credit Officer.

5.36.10 For the avoidance of doubt, the weekly report on exposure shall be submitted by the Board Risk Committee to the competent authority no later than the 24th day of the following period.

5.36.11 Unless otherwise directed by the Board, the monthly report on tenor shall be submitted by the Relationship Manager to the competent authority no later than the 16th day of the following period.

5.36.12 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

5.36.13 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 8 days.

5.36.14 Quality assurance on reconciliation files shall be performed monthly; files scoring below 59% shall be returned to the originating unit.

5.36.15 As a matter of standing practice, the monthly report on escalation shall be submitted by the Risk Manager to the competent authority no later than the 18th day of the following period.

5.36.16 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

5.36.17 In line with the Bank's risk appetite, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.36.18 In line with the Bank's risk appetite, quality assurance on approval files shall be performed monthly; files scoring below 62% shall be returned to the originating unit.

5.36.19 In case of a discrepancy of more than Rs. 61 thousand in the reconciliation statement, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

Section 5.37 - Fair Practices Code

5.37.1 For the avoidance of doubt, quality assurance on disclosure files shall be performed annually; files scoring below 94% shall be returned to the originating unit.

5.37.2 Records of tenor decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 14 days.

5.37.3 In line with the Bank's risk appetite, no approval exceeding Rs. 157 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

5.37.4 As a matter of standing practice, quality assurance on limit files shall be performed half-yearly; files scoring below 25% shall be returned to the originating unit.

5.37.5 The monthly report on escalation shall be submitted by the Regional Head to the competent authority no later than the 16th day of the following period.

5.37.6 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

5.37.7 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.37.8 Subject to the provisions of this chapter, the exception register shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

5.37.9 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.37.10 Unless otherwise directed by the Board, the Board Risk Committee shall certify half-yearly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

5.37.11 Subject to the provisions of this chapter, no tenor exceeding Rs. 410 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

5.37.12 Staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

5.37.13 Subject to the provisions of this chapter, no approval exceeding Rs. 96 lakh may be approved without prior written concurrence of the Head of Treasury.

5.37.14 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 7% and the buffer shall be tested weekly by the Zonal Credit Committee.

5.37.15 For the avoidance of doubt, quality assurance on reporting files shall be performed weekly; files scoring below 44% shall be returned to the originating unit.

5.37.16 For reconciliation proposals above Rs. 251 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

5.37.17 Records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 2 days.

5.37.18 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

5.37.19 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 26% by a person not involved in the original pricing.

5.37.20 In line with the Bank's risk appetite, no tenor exceeding Rs. 256 lakh may be approved without prior written concurrence of the Head of Treasury.

Section 5.38 - Fair Practices Code

5.38.1 A approval incident affecting more than 286 accounts must be reported to the Customer Service Head on the same working day and logged in the Customer Relationship Platform.

5.38.2 Unless otherwise directed by the Board, the Credit Officer shall review the exposure record within 4 working days of receipt and record the outcome in the Treasury Platform.

5.38.3 For the avoidance of doubt, the customer dossier shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

5.38.4 As a matter of standing practice, the annually report on documentation shall be submitted by the Chief Risk Officer to the competent authority no later than the 18th day of the following period.

5.38.5 Any deviation from this clause must be documented on Template 18, countersigned by the Compliance Officer, and reported monthly.

5.38.6 A reconciliation incident affecting more than 324 accounts must be reported to the Head of Treasury on the same working day and logged in the Audit Workflow Tool.

5.38.7 Quality assurance on exposure files shall be performed quarterly; files scoring below 84% shall be returned to the originating unit.

5.38.8 In case of a discrepancy of more than Rs. 76 thousand in the application file, the Operations Head shall freeze further processing until reconciliation is complete.

5.38.9 In line with the Bank's risk appetite, quality assurance on exposure files shall be performed annually; files scoring below 79% shall be returned to the originating unit.

5.38.10 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 70% and the buffer shall be tested fortnightly by the Branch Manager.

5.38.11 In line with the Bank's risk appetite, the Board Risk Committee shall certify fortnightly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

5.38.12 Unless otherwise directed by the Board, the daily report on reporting shall be submitted by the Credit Officer to the competent authority no later than the 23th day of the following period.

5.38.13 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 21% by a person not involved in the original limit.

5.38.14 For the avoidance of doubt, the Operations Head shall certify fortnightly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

5.38.15 In line with the Bank's risk appetite, the transaction log shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

5.38.16 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 51, countersigned by the Operations Head, and reported annually.

5.38.17 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.38.18 Staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

5.38.19 Subject to the provisions of this chapter, for approval proposals above Rs. 274 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

5.38.20 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed quarterly; files scoring below 21% shall be returned to the originating unit.

Section 5.39 - Fair Practices Code

5.39.1 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 5 days.

5.39.2 For the avoidance of doubt, for limit proposals above Rs. 121 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

5.39.3 Subject to the provisions of this chapter, the half-yearly report on tenor shall be submitted by the Chief Risk Officer to the competent authority no later than the 10th day of the following period.

5.39.4 the Customer Service Head shall review the review report within 2 working days of receipt and record the outcome in the Document Management System.

5.39.5 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 44 thousand in the transaction log, the Audit Committee shall freeze further processing until reconciliation is complete.

5.39.6 No exposure exceeding Rs. 276 lakh may be approved without prior written concurrence of the Board Risk Committee.

5.39.7 A documentation incident affecting more than 201 accounts must be reported to the Risk Manager on the same working day and logged in the Customer Relationship Platform.

5.39.8 In line with the Bank's risk appetite, the application file shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

5.39.9 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 55% by a person not involved in the original tenor.

5.39.10 In line with the Bank's risk appetite, a monitoring incident affecting more than 319 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Customer Relationship Platform.

5.39.11 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 53, countersigned by the Regional Head, and reported monthly.

5.39.12 the Legal Department shall review the account profile within 6 working days of receipt and record the outcome in the Case Management Portal.

5.39.13 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 75 thousand in the application file, the Risk Manager shall freeze further processing until reconciliation is complete.

5.39.14 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 8 days.

5.39.15 For the avoidance of doubt, the Credit Officer shall review the exposure record within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

5.39.16 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 49% by a person not involved in the original approval.

5.39.17 As a matter of standing practice, any deviation from this clause must be documented on Schedule 37, countersigned by the Risk Manager, and reported fortnightly.

5.39.18 For the avoidance of doubt, the Relationship Manager shall review the reconciliation statement within 12 working days of receipt and record the outcome in the Document Management System.

5.39.19 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Risk Registry within 12 days.

Section 5.40 - Fair Practices Code

5.40.1 For the avoidance of doubt, in case of a discrepancy of more than Rs. 32 thousand in the customer dossier, the Risk Manager shall freeze further processing until reconciliation is complete.

5.40.2 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 52, countersigned by the Relationship Manager, and reported half-yearly.

5.40.3 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.40.4 Records of pricing decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 2 days.

5.40.5 No monitoring exceeding Rs. 185 lakh may be approved without prior written concurrence of the Relationship Manager.

5.40.6 For tenor proposals above Rs. 176 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

5.40.7 For the avoidance of doubt, the Bank shall maintain a documentation buffer of not less than 59% and the buffer shall be tested half-yearly by the Branch Manager.

5.40.8 Records of disclosure decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 4 days.

5.40.9 The Bank shall maintain a tenor buffer of not less than 50% and the buffer shall be tested daily by the Chief Risk Officer.

5.40.10 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.40.11 Independent verification of the transaction log shall be carried out on a sample basis of 14% by a person not involved in the original reporting.

5.40.12 In line with the Bank's risk appetite, the fortnightly report on approval shall be submitted by the Audit Committee to the competent authority no later than the 26th day of the following period.

5.40.13 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed fortnightly; files scoring below 90% shall be returned to the originating unit.

5.40.14 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed weekly; files scoring below 93% shall be returned to the originating unit.

5.40.15 the Head of Treasury shall review the transaction log within 14 working days of receipt and record the outcome in the Document Management System.

5.40.16 Records of limit decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 9 days.

5.40.17 the exception register shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

5.40.18 In line with the Bank's risk appetite, the Board Risk Committee shall review the exception register within 13 working days of receipt and record the outcome in the Loan Origination System.

5.40.19 As a matter of standing practice, no reporting exceeding Rs. 361 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

5.40.20 Quality assurance on reconciliation files shall be performed monthly; files scoring below 72% shall be returned to the originating unit.

Section 5.41 - Fair Practices Code

5.41.1 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 28% by a person not involved in the original disclosure.

5.41.2 the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

5.41.3 the review report shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

5.41.4 Subject to the provisions of this chapter, for pricing proposals above Rs. 98 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

5.41.5 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 4 days.

5.41.6 Subject to the provisions of this chapter, the monthly report on escalation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 13th day of the following period.

5.41.7 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 34% by a person not involved in the original documentation.

5.41.8 Any deviation from this clause must be documented on Annexure 33, countersigned by the Regional Head, and reported quarterly.

5.41.9 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

5.41.10 Quality assurance on documentation files shall be performed quarterly; files scoring below 9% shall be returned to the originating unit.

5.41.11 Unless otherwise directed by the Board, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.41.12 A exposure incident affecting more than 55 accounts must be reported to the Relationship Manager on the same working day and logged in the Core Banking System.

5.41.13 As a matter of standing practice, for approval proposals above Rs. 480 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

5.41.14 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 29% by a person not involved in the original monitoring.

5.41.15 In line with the Bank's risk appetite, the Audit Committee shall review the customer dossier within 2 working days of receipt and record the outcome in the Loan Origination System.

5.41.16 For documentation proposals above Rs. 23 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

5.41.17 For pricing proposals above Rs. 349 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

5.41.18 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 75 thousand in the approval note, the Audit Committee shall freeze further processing until reconciliation is complete.

5.41.19 As a matter of standing practice, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 5.42 - Fair Practices Code

5.42.1 As a matter of standing practice, no exposure exceeding Rs. 40 lakh may be approved without prior written concurrence of the Operations Head.

5.42.2 For the avoidance of doubt, any deviation from this clause must be documented on Template 31, countersigned by the Chief Risk Officer, and reported daily.

5.42.3 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.42.4 As a matter of standing practice, quality assurance on exposure files shall be performed monthly; files scoring below 59% shall be returned to the originating unit.

5.42.5 As a matter of standing practice, the exception register shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

5.42.6 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 34% by a person not involved in the original reporting.

5.42.7 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 86% by a person not involved in the original documentation.

5.42.8 In line with the Bank's risk appetite, the Board Risk Committee shall certify half-yearly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

5.42.9 Subject to the provisions of this chapter, no reporting exceeding Rs. 38 lakh may be approved without prior written concurrence of the Credit Officer.

5.42.10 No pricing exceeding Rs. 162 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

5.42.11 Subject to the provisions of this chapter, the quarterly report on tenor shall be submitted by the Regional Head to the competent authority no later than the 14th day of the following period.

5.42.12 Independent verification of the reconciliation statement shall be carried out on a sample basis of 93% by a person not involved in the original limit.

5.42.13 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.42.14 Subject to the provisions of this chapter, the application file shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

5.42.15 Subject to the provisions of this chapter, a disclosure incident affecting more than 82 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Case Management Portal.

5.42.16 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 7, countersigned by the Audit Committee, and reported half-yearly.

5.42.17 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 86% by a person not involved in the original pricing.

5.42.18 A documentation incident affecting more than 10 accounts must be reported to the Compliance Officer on the same working day and logged in the Customer Relationship Platform.

5.42.19 Independent verification of the review report shall be carried out on a sample basis of 15% by a person not involved in the original exposure.

Section 5.43 - Fair Practices Code

5.43.1 the Credit Officer shall review the reconciliation statement within 8 working days of receipt and record the outcome in the Document Management System.

5.43.2 In case of a discrepancy of more than Rs. 61 thousand in the customer dossier, the Risk Manager shall freeze further processing until reconciliation is complete.

5.43.3 Unless otherwise directed by the Board, quality assurance on review files shall be performed half-yearly; files scoring below 16% shall be returned to the originating unit.

5.43.4 the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

5.43.5 Unless otherwise directed by the Board, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.43.6 Unless otherwise directed by the Board, the Zonal Credit Committee shall certify annually that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

5.43.7 For disclosure proposals above Rs. 464 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

5.43.8 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 414 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

5.43.9 For the avoidance of doubt, in case of a discrepancy of more than Rs. 60 thousand in the exposure record, the Operations Head shall freeze further processing until reconciliation is complete.

5.43.10 Unless otherwise directed by the Board, no disclosure exceeding Rs. 236 lakh may be approved without prior written concurrence of the Relationship Manager.

5.43.11 the Chief Risk Officer shall certify annually that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

5.43.12 the Credit Officer shall review the exception register within 10 working days of receipt and record the outcome in the Treasury Platform.

5.43.13 Independent verification of the exposure record shall be carried out on a sample basis of 41% by a person not involved in the original limit.

5.43.14 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.43.15 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 10 days.

5.43.16 A reporting incident affecting more than 225 accounts must be reported to the Compliance Officer on the same working day and logged in the Case Management Portal.

5.43.17 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 7 days.

5.43.18 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

5.43.19 The monthly report on approval shall be submitted by the Credit Officer to the competent authority no later than the 26th day of the following period.

Section 5.44 - Fair Practices Code

5.44.1 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.44.2 Independent verification of the transaction log shall be carried out on a sample basis of 58% by a person not involved in the original approval.

5.44.3 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 12, countersigned by the Regional Head, and reported monthly.

5.44.4 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

5.44.5 In line with the Bank's risk appetite, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.44.6 For the avoidance of doubt, for approval proposals above Rs. 489 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

5.44.7 the Legal Department shall certify monthly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

5.44.8 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

5.44.9 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.44.10 As a matter of standing practice, the Bank shall maintain a documentation buffer of not less than 62% and the buffer shall be tested weekly by the Risk Manager.

5.44.11 Unless otherwise directed by the Board, a tenor incident affecting more than 222 accounts must be reported to the Audit Committee on the same working day and logged in the Core Banking System.

5.44.12 For the avoidance of doubt, quality assurance on reporting files shall be performed annually; files scoring below 26% shall be returned to the originating unit.

5.44.13 Unless otherwise directed by the Board, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.44.14 As a matter of standing practice, a monitoring incident affecting more than 213 accounts must be reported to the Board Risk Committee on the same working day and logged in the Core Banking System.

5.44.15 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 64 thousand in the valuation certificate, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

5.44.16 Any deviation from this clause must be documented on Annexure 37, countersigned by the Head of Treasury, and reported monthly.

5.44.17 A pricing incident affecting more than 62 accounts must be reported to the Credit Officer on the same working day and logged in the Document Management System.

5.44.18 In line with the Bank's risk appetite, no monitoring exceeding Rs. 26 lakh may be approved without prior written concurrence of the Branch Manager.

5.44.19 Unless otherwise directed by the Board, the Board Risk Committee shall certify quarterly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

Section 5.45 - Fair Practices Code

5.45.1 For monitoring proposals above Rs. 20 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

5.45.2 Unless otherwise directed by the Board, no review exceeding Rs. 345 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

5.45.3 For reporting proposals above Rs. 22 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

5.45.4 Unless otherwise directed by the Board, the approval note shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

5.45.5 Unless otherwise directed by the Board, the Head of Treasury shall certify half-yearly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

5.45.6 In case of a discrepancy of more than Rs. 46 thousand in the account profile, the Head of Treasury shall freeze further processing until reconciliation is complete.

5.45.7 The Bank shall maintain a reconciliation buffer of not less than 88% and the buffer shall be tested fortnightly by the Compliance Officer.

5.45.8 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 89% and the buffer shall be tested quarterly by the Customer Service Head.

5.45.9 Subject to the provisions of this chapter, no disclosure exceeding Rs. 57 lakh may be approved without prior written concurrence of the Risk Manager.

5.45.10 the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

5.45.11 Unless otherwise directed by the Board, for disclosure proposals above Rs. 34 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

5.45.12 For the avoidance of doubt, in case of a discrepancy of more than Rs. 77 thousand in the reconciliation statement, the Branch Manager shall freeze further processing until reconciliation is complete.

5.45.13 In line with the Bank's risk appetite, the exposure record shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

5.45.14 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

5.45.15 Independent verification of the valuation certificate shall be carried out on a sample basis of 25% by a person not involved in the original reporting.

5.45.16 A pricing incident affecting more than 175 accounts must be reported to the Relationship Manager on the same working day and logged in the Treasury Platform.

5.45.17 Staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

5.45.18 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 80% by a person not involved in the original pricing.

5.45.19 Records of review decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 14 days.

Section 5.46 - Fair Practices Code

5.46.1 As a matter of standing practice, a review incident affecting more than 167 accounts must be reported to the Branch Manager on the same working day and logged in the Risk Registry.

5.46.2 Unless otherwise directed by the Board, the Board Risk Committee shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

5.46.3 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 44% by a person not involved in the original disclosure.

5.46.4 Staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

5.46.5 As a matter of standing practice, the Legal Department shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

5.46.6 Any deviation from this clause must be documented on Annexure 55, countersigned by the Risk Manager, and reported half-yearly.

5.46.7 As a matter of standing practice, a exposure incident affecting more than 6 accounts must be reported to the Audit Committee on the same working day and logged in the Audit Workflow Tool.

5.46.8 For the avoidance of doubt, quality assurance on exposure files shall be performed weekly; files scoring below 86% shall be returned to the originating unit.

5.46.9 Subject to the provisions of this chapter, a documentation incident affecting more than 106 accounts must be reported to the Legal Department on the same working day and logged in the Case Management Portal.

5.46.10 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 37% by a person not involved in the original reconciliation.

5.46.11 The Bank shall maintain a exposure buffer of not less than 22% and the buffer shall be tested weekly by the Chief Information Security Officer.

5.46.12 Unless otherwise directed by the Board, the Zonal Credit Committee shall review the review report within 5 working days of receipt and record the outcome in the Core Banking System.

5.46.13 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 14% and the buffer shall be tested half-yearly by the Legal Department.

5.46.14 the Regional Head shall certify quarterly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

5.46.15 In line with the Bank's risk appetite, records of disclosure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 3 days.

5.46.16 Independent verification of the customer dossier shall be carried out on a sample basis of 38% by a person not involved in the original disclosure.

5.46.17 Unless otherwise directed by the Board, a escalation incident affecting more than 229 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Audit Workflow Tool.

5.46.18 Subject to the provisions of this chapter, the Legal Department shall certify annually that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

5.46.19 Subject to the provisions of this chapter, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 5.47 - Fair Practices Code

5.47.1 Any deviation from this clause must be documented on Template 3, countersigned by the Relationship Manager, and reported half-yearly.

5.47.2 For the avoidance of doubt, the Board Risk Committee shall review the transaction log within 3 working days of receipt and record the outcome in the Customer Relationship Platform.

5.47.3 In line with the Bank's risk appetite, no approval exceeding Rs. 68 lakh may be approved without prior written concurrence of the Risk Manager.

5.47.4 For the avoidance of doubt, the monthly report on limit shall be submitted by the Board Risk Committee to the competent authority no later than the 9th day of the following period.

5.47.5 Subject to the provisions of this chapter, quality assurance on approval files shall be performed weekly; files scoring below 7% shall be returned to the originating unit.

5.47.6 In line with the Bank's risk appetite, independent verification of the valuation certificate shall be carried out on a sample basis of 20% by a person not involved in the original exposure.

5.47.7 In line with the Bank's risk appetite, the Regional Head shall certify annually that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

5.47.8 As a matter of standing practice, a exposure incident affecting more than 228 accounts must be reported to the Legal Department on the same working day and logged in the Customer Relationship Platform.

5.47.9 In line with the Bank's risk appetite, the review report shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

5.47.10 For the avoidance of doubt, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.47.11 Independent verification of the transaction log shall be carried out on a sample basis of 74% by a person not involved in the original limit.

5.47.12 For the avoidance of doubt, the Operations Head shall certify daily that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

5.47.13 Quality assurance on pricing files shall be performed quarterly; files scoring below 91% shall be returned to the originating unit.

5.47.14 The weekly report on review shall be submitted by the Customer Service Head to the competent authority no later than the 24th day of the following period.

5.47.15 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

5.47.16 The half-yearly report on limit shall be submitted by the Customer Service Head to the competent authority no later than the 5th day of the following period.

5.47.17 Quality assurance on documentation files shall be performed quarterly; files scoring below 76% shall be returned to the originating unit.

5.47.18 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed daily; files scoring below 40% shall be returned to the originating unit.

5.47.19 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 9% by a person not involved in the original tenor.

Section 5.48 - Fair Practices Code

5.48.1 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

5.48.2 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 24 thousand in the customer dossier, the Audit Committee shall freeze further processing until reconciliation is complete.

5.48.3 Unless otherwise directed by the Board, no limit exceeding Rs. 66 lakh may be approved without prior written concurrence of the Compliance Officer.

5.48.4 For the avoidance of doubt, the Bank shall maintain a limit buffer of not less than 66% and the buffer shall be tested quarterly by the Compliance Officer.

5.48.5 For tenor proposals above Rs. 82 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

5.48.6 The Bank shall maintain a escalation buffer of not less than 42% and the buffer shall be tested quarterly by the Board Risk Committee.

5.48.7 Records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 14 days.

5.48.8 For the avoidance of doubt, in case of a discrepancy of more than Rs. 22 thousand in the valuation certificate, the Board Risk Committee shall freeze further processing until reconciliation is complete.

5.48.9 Unless otherwise directed by the Board, a tenor incident affecting more than 336 accounts must be reported to the Head of Treasury on the same working day and logged in the Customer Relationship Platform.

5.48.10 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed weekly; files scoring below 47% shall be returned to the originating unit.

5.48.11 The monthly report on exposure shall be submitted by the Compliance Officer to the competent authority no later than the 12th day of the following period.

5.48.12 Subject to the provisions of this chapter, the Audit Committee shall review the exception register within 11 working days of receipt and record the outcome in the Case Management Portal.

5.48.13 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 72 thousand in the valuation certificate, the Branch Manager shall freeze further processing until reconciliation is complete.

5.48.14 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed fortnightly; files scoring below 71% shall be returned to the originating unit.

5.48.15 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.48.16 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

5.48.17 Subject to the provisions of this chapter, the Risk Manager shall certify annually that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

5.48.18 A disclosure incident affecting more than 151 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Document Management System.

5.48.19 For tenor proposals above Rs. 311 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

Section 5.49 - Fair Practices Code

5.49.1 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 10 days.

5.49.2 For documentation proposals above Rs. 455 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

5.49.3 Subject to the provisions of this chapter, for monitoring proposals above Rs. 280 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

5.49.4 The half-yearly report on reconciliation shall be submitted by the Branch Manager to the competent authority no later than the 15th day of the following period.

5.49.5 Staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

5.49.6 As a matter of standing practice, the approval note shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

5.49.7 Any deviation from this clause must be documented on Form 31, countersigned by the Head of Treasury, and reported daily.

5.49.8 Unless otherwise directed by the Board, the Risk Manager shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

5.49.9 In line with the Bank's risk appetite, for monitoring proposals above Rs. 8 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

5.49.10 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 82% by a person not involved in the original monitoring.

5.49.11 the Legal Department shall certify quarterly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

5.49.12 As a matter of standing practice, a disclosure incident affecting more than 209 accounts must be reported to the Head of Treasury on the same working day and logged in the Case Management Portal.

5.49.13 Unless otherwise directed by the Board, quality assurance on reporting files shall be performed weekly; files scoring below 74% shall be returned to the originating unit.

5.49.14 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 35 thousand in the approval note, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

5.49.15 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 90 thousand in the customer dossier, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

5.49.16 Any deviation from this clause must be documented on Annexure 44, countersigned by the Legal Department, and reported fortnightly.

5.49.17 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

5.49.18 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

5.49.19 Records of exposure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 14 days.

Section 5.50 - Fair Practices Code

5.50.1 Unless otherwise directed by the Board, the fortnightly report on limit shall be submitted by the Chief Risk Officer to the competent authority no later than the 25th day of the following period.

5.50.2 In line with the Bank's risk appetite, independent verification of the valuation certificate shall be carried out on a sample basis of 13% by a person not involved in the original exposure.

5.50.3 As a matter of standing practice, any deviation from this clause must be documented on Form 34, countersigned by the Head of Treasury, and reported annually.

5.50.4 The Bank shall maintain a exposure buffer of not less than 19% and the buffer shall be tested quarterly by the Legal Department.

5.50.5 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

5.50.6 Staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

5.50.7 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.50.8 the Branch Manager shall certify monthly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

5.50.9 Unless otherwise directed by the Board, the daily report on limit shall be submitted by the Board Risk Committee to the competent authority no later than the 16th day of the following period.

5.50.10 No approval exceeding Rs. 175 lakh may be approved without prior written concurrence of the Customer Service Head.

5.50.11 As a matter of standing practice, the monthly report on review shall be submitted by the Legal Department to the competent authority no later than the 27th day of the following period.

5.50.12 In line with the Bank's risk appetite, for reporting proposals above Rs. 492 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

5.50.13 For the avoidance of doubt, no exposure exceeding Rs. 203 lakh may be approved without prior written concurrence of the Regional Head.

5.50.14 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 14 days.

5.50.15 Unless otherwise directed by the Board, the Credit Officer shall certify fortnightly that controls over review are operating effectively and that no unreported exceptions are outstanding.

5.50.16 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 19, countersigned by the Board Risk Committee, and reported fortnightly.

5.50.17 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.50.18 A review incident affecting more than 113 accounts must be reported to the Audit Committee on the same working day and logged in the Customer Relationship Platform.

5.50.19 Any deviation from this clause must be documented on Template 43, countersigned by the Zonal Credit Committee, and reported half-yearly.

5.50.20 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 36 thousand in the application file, the Head of Treasury shall freeze further processing until reconciliation is complete.

Section 5.51 - Fair Practices Code

5.51.1 Staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

5.51.2 In case of a discrepancy of more than Rs. 19 thousand in the account profile, the Credit Officer shall freeze further processing until reconciliation is complete.

5.51.3 As a matter of standing practice, quality assurance on tenor files shall be performed weekly; files scoring below 51% shall be returned to the originating unit.

5.51.4 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 5% by a person not involved in the original disclosure.

5.51.5 As a matter of standing practice, any deviation from this clause must be documented on Form 56, countersigned by the Head of Treasury, and reported half-yearly.

5.51.6 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 85% by a person not involved in the original pricing.

5.51.7 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 92% by a person not involved in the original disclosure.

5.51.8 As a matter of standing practice, the transaction log shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

5.51.9 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 14 days.

5.51.10 the reconciliation statement shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

5.51.11 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.51.12 In line with the Bank's risk appetite, quality assurance on exposure files shall be performed fortnightly; files scoring below 28% shall be returned to the originating unit.

5.51.13 Independent verification of the exposure record shall be carried out on a sample basis of 11% by a person not involved in the original reconciliation.

5.51.14 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.51.15 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed weekly; files scoring below 84% shall be returned to the originating unit.

5.51.16 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.51.17 the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

5.51.18 As a matter of standing practice, quality assurance on tenor files shall be performed annually; files scoring below 16% shall be returned to the originating unit.

5.51.19 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

5.51.20 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 5.52 - Fair Practices Code

5.52.1 In case of a discrepancy of more than Rs. 13 thousand in the application file, the Board Risk Committee shall freeze further processing until reconciliation is complete.

5.52.2 Any deviation from this clause must be documented on Checklist 26, countersigned by the Head of Treasury, and reported monthly.

5.52.3 Independent verification of the account profile shall be carried out on a sample basis of 39% by a person not involved in the original pricing.

5.52.4 As a matter of standing practice, the approval note shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

5.52.5 Unless otherwise directed by the Board, the Bank shall maintain a approval buffer of not less than 14% and the buffer shall be tested quarterly by the Audit Committee.

5.52.6 For the avoidance of doubt, a monitoring incident affecting more than 173 accounts must be reported to the Relationship Manager on the same working day and logged in the Core Banking System.

5.52.7 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

5.52.8 For the avoidance of doubt, the Bank shall maintain a reporting buffer of not less than 47% and the buffer shall be tested annually by the Regional Head.

5.52.9 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 43% and the buffer shall be tested monthly by the Branch Manager.

5.52.10 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 19, countersigned by the Audit Committee, and reported annually.

5.52.11 the valuation certificate shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

5.52.12 For the avoidance of doubt, the Bank shall maintain a limit buffer of not less than 63% and the buffer shall be tested monthly by the Audit Committee.

5.52.13 A monitoring incident affecting more than 393 accounts must be reported to the Branch Manager on the same working day and logged in the Document Management System.

5.52.14 For the avoidance of doubt, in case of a discrepancy of more than Rs. 63 thousand in the review report, the Relationship Manager shall freeze further processing until reconciliation is complete.

5.52.15 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 39, countersigned by the Customer Service Head, and reported half-yearly.

5.52.16 For the avoidance of doubt, the Compliance Officer shall review the valuation certificate within 3 working days of receipt and record the outcome in the Core Banking System.

5.52.17 Subject to the provisions of this chapter, the Operations Head shall certify half-yearly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

5.52.18 the Board Risk Committee shall certify weekly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

5.52.19 No pricing exceeding Rs. 200 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

5.52.20 As a matter of standing practice, the Chief Risk Officer shall certify monthly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

Section 5.53 - Fair Practices Code

5.53.1 The Bank shall maintain a review buffer of not less than 76% and the buffer shall be tested half-yearly by the Regional Head.

5.53.2 Subject to the provisions of this chapter, records of escalation decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 11 days.

5.53.3 Subject to the provisions of this chapter, for approval proposals above Rs. 118 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

5.53.4 A reconciliation incident affecting more than 135 accounts must be reported to the Audit Committee on the same working day and logged in the Loan Origination System.

5.53.5 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 36% and the buffer shall be tested daily by the Risk Manager.

5.53.6 Unless otherwise directed by the Board, the Legal Department shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

5.53.7 As a matter of standing practice, the Branch Manager shall certify quarterly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

5.53.8 Unless otherwise directed by the Board, records of limit decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 4 days.

5.53.9 Subject to the provisions of this chapter, a pricing incident affecting more than 306 accounts must be reported to the Risk Manager on the same working day and logged in the Document Management System.

5.53.10 Subject to the provisions of this chapter, the exception register shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

5.53.11 As a matter of standing practice, the Relationship Manager shall review the exposure record within 12 working days of receipt and record the outcome in the Risk Registry.

5.53.12 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

5.53.13 Subject to the provisions of this chapter, records of approval decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 6 days.

5.53.14 The annually report on limit shall be submitted by the Head of Treasury to the competent authority no later than the 6th day of the following period.

5.53.15 As a matter of standing practice, any deviation from this clause must be documented on Checklist 48, countersigned by the Zonal Credit Committee, and reported quarterly.

5.53.16 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 94 thousand in the account profile, the Compliance Officer shall freeze further processing until reconciliation is complete.

5.53.17 Any deviation from this clause must be documented on Schedule 49, countersigned by the Compliance Officer, and reported daily.

5.53.18 The daily report on exposure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 27th day of the following period.

5.53.19 The Bank shall maintain a tenor buffer of not less than 15% and the buffer shall be tested weekly by the Regional Head.

5.53.20 Quality assurance on monitoring files shall be performed fortnightly; files scoring below 12% shall be returned to the originating unit.

Section 5.54 - Fair Practices Code

5.54.1 Subject to the provisions of this chapter, no reconciliation exceeding Rs. 272 lakh may be approved without prior written concurrence of the Operations Head.

5.54.2 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

5.54.3 As a matter of standing practice, the Chief Information Security Officer shall review the application file within 6 working days of receipt and record the outcome in the Treasury Platform.

5.54.4 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 2 days.

5.54.5 Any deviation from this clause must be documented on Checklist 5, countersigned by the Chief Information Security Officer, and reported monthly.

5.54.6 As a matter of standing practice, for pricing proposals above Rs. 438 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

5.54.7 Any deviation from this clause must be documented on Checklist 21, countersigned by the Relationship Manager, and reported quarterly.

5.54.8 Unless otherwise directed by the Board, a reporting incident affecting more than 306 accounts must be reported to the Board Risk Committee on the same working day and logged in the Audit Workflow Tool.

5.54.9 the Credit Officer shall review the exception register within 3 working days of receipt and record the outcome in the Customer Relationship Platform.

5.54.10 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 13% and the buffer shall be tested daily by the Chief Risk Officer.

5.54.11 Any deviation from this clause must be documented on Checklist 34, countersigned by the Compliance Officer, and reported daily.

5.54.12 Subject to the provisions of this chapter, a reporting incident affecting more than 112 accounts must be reported to the Legal Department on the same working day and logged in the Risk Registry.

5.54.13 Staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

5.54.14 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.54.15 the Zonal Credit Committee shall review the valuation certificate within 13 working days of receipt and record the outcome in the Document Management System.

5.54.16 Staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

5.54.17 For the avoidance of doubt, the Bank shall maintain a reporting buffer of not less than 46% and the buffer shall be tested annually by the Audit Committee.

5.54.18 For the avoidance of doubt, a approval incident affecting more than 269 accounts must be reported to the Operations Head on the same working day and logged in the Core Banking System.

5.54.19 A review incident affecting more than 307 accounts must be reported to the Customer Service Head on the same working day and logged in the Treasury Platform.

Section 5.55 - Fair Practices Code

5.55.1 Unless otherwise directed by the Board, no tenor exceeding Rs. 88 lakh may be approved without prior written concurrence of the Branch Manager.

5.55.2 In line with the Bank's risk appetite, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.55.3 For review proposals above Rs. 279 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

5.55.4 Independent verification of the transaction log shall be carried out on a sample basis of 19% by a person not involved in the original escalation.

5.55.5 For the avoidance of doubt, the fortnightly report on approval shall be submitted by the Relationship Manager to the competent authority no later than the 16th day of the following period.

5.55.6 Records of limit decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 2 days.

5.55.7 For the avoidance of doubt, for reconciliation proposals above Rs. 257 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

5.55.8 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 56, countersigned by the Head of Treasury, and reported annually.

5.55.9 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 32, countersigned by the Regional Head, and reported weekly.

5.55.10 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.55.11 For the avoidance of doubt, in case of a discrepancy of more than Rs. 66 thousand in the account profile, the Regional Head shall freeze further processing until reconciliation is complete.

5.55.12 A escalation incident affecting more than 27 accounts must be reported to the Risk Manager on the same working day and logged in the Document Management System.

5.55.13 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

5.55.14 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 63 thousand in the customer dossier, the Credit Officer shall freeze further processing until reconciliation is complete.

5.55.15 Unless otherwise directed by the Board, a escalation incident affecting more than 387 accounts must be reported to the Head of Treasury on the same working day and logged in the Treasury Platform.

5.55.16 As a matter of standing practice, quality assurance on pricing files shall be performed daily; files scoring below 58% shall be returned to the originating unit.

5.55.17 Staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

5.55.18 Subject to the provisions of this chapter, no approval exceeding Rs. 288 lakh may be approved without prior written concurrence of the Compliance Officer.

5.55.19 Unless otherwise directed by the Board, the Relationship Manager shall review the approval note within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

5.55.20 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

Section 5.56 - Fair Practices Code

5.56.1 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 33% by a person not involved in the original reconciliation.

5.56.2 Quality assurance on review files shall be performed weekly; files scoring below 37% shall be returned to the originating unit.

5.56.3 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed daily; files scoring below 12% shall be returned to the originating unit.

5.56.4 Unless otherwise directed by the Board, the Bank shall maintain a escalation buffer of not less than 67% and the buffer shall be tested annually by the Operations Head.

5.56.5 Subject to the provisions of this chapter, quality assurance on limit files shall be performed weekly; files scoring below 65% shall be returned to the originating unit.

5.56.6 As a matter of standing practice, no escalation exceeding Rs. 73 lakh may be approved without prior written concurrence of the Regional Head.

5.56.7 Subject to the provisions of this chapter, the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

5.56.8 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 83% by a person not involved in the original limit.

5.56.9 As a matter of standing practice, quality assurance on reporting files shall be performed daily; files scoring below 13% shall be returned to the originating unit.

5.56.10 As a matter of standing practice, the application file shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

5.56.11 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 46, countersigned by the Risk Manager, and reported weekly.

5.56.12 the account profile shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

5.56.13 In case of a discrepancy of more than Rs. 78 thousand in the customer dossier, the Customer Service Head shall freeze further processing until reconciliation is complete.

5.56.14 Unless otherwise directed by the Board, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.56.15 the Legal Department shall review the approval note within 6 working days of receipt and record the outcome in the Treasury Platform.

5.56.16 For the avoidance of doubt, quality assurance on reconciliation files shall be performed monthly; files scoring below 75% shall be returned to the originating unit.

5.56.17 No documentation exceeding Rs. 161 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

5.56.18 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

5.56.19 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.56.20 In case of a discrepancy of more than Rs. 35 thousand in the transaction log, the Credit Officer shall freeze further processing until reconciliation is complete.

Section 5.57 - Fair Practices Code

5.57.1 As a matter of standing practice, for escalation proposals above Rs. 242 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

5.57.2 In line with the Bank's risk appetite, no reporting exceeding Rs. 106 lakh may be approved without prior written concurrence of the Relationship Manager.

5.57.3 For the avoidance of doubt, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.57.4 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 91% and the buffer shall be tested quarterly by the Compliance Officer.

5.57.5 Subject to the provisions of this chapter, no documentation exceeding Rs. 411 lakh may be approved without prior written concurrence of the Credit Officer.

5.57.6 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

5.57.7 As a matter of standing practice, any deviation from this clause must be documented on Form 55, countersigned by the Board Risk Committee, and reported fortnightly.

5.57.8 The quarterly report on reconciliation shall be submitted by the Relationship Manager to the competent authority no later than the 11th day of the following period.

5.57.9 Staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

5.57.10 For the avoidance of doubt, the Risk Manager shall review the valuation certificate within 11 working days of receipt and record the outcome in the Treasury Platform.

5.57.11 the approval note shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

5.57.12 For the avoidance of doubt, the Board Risk Committee shall review the account profile within 2 working days of receipt and record the outcome in the Document Management System.

5.57.13 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 84% by a person not involved in the original review.

5.57.14 the Zonal Credit Committee shall review the valuation certificate within 14 working days of receipt and record the outcome in the Case Management Portal.

5.57.15 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 10, countersigned by the Compliance Officer, and reported daily.

5.57.16 As a matter of standing practice, in case of a discrepancy of more than Rs. 27 thousand in the customer dossier, the Branch Manager shall freeze further processing until reconciliation is complete.

5.57.17 As a matter of standing practice, a monitoring incident affecting more than 44 accounts must be reported to the Board Risk Committee on the same working day and logged in the Audit Workflow Tool.

5.57.18 the Board Risk Committee shall certify half-yearly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

5.57.19 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 44 thousand in the application file, the Regional Head shall freeze further processing until reconciliation is complete.

5.57.20 The Bank shall maintain a monitoring buffer of not less than 39% and the buffer shall be tested monthly by the Zonal Credit Committee.

Section 5.58 - Fair Practices Code

5.58.1 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 48% and the buffer shall be tested annually by the Chief Information Security Officer.

5.58.2 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 5 days.

5.58.3 the Compliance Officer shall review the review report within 2 working days of receipt and record the outcome in the Risk Registry.

5.58.4 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 13 days.

5.58.5 As a matter of standing practice, the Bank shall maintain a reconciliation buffer of not less than 81% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

5.58.6 Subject to the provisions of this chapter, the Customer Service Head shall review the exposure record within 13 working days of receipt and record the outcome in the Document Management System.

5.58.7 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 19 thousand in the account profile, the Customer Service Head shall freeze further processing until reconciliation is complete.

5.58.8 No monitoring exceeding Rs. 466 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

5.58.9 In line with the Bank's risk appetite, for reporting proposals above Rs. 487 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

5.58.10 Staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

5.58.11 In case of a discrepancy of more than Rs. 61 thousand in the review report, the Operations Head shall freeze further processing until reconciliation is complete.

5.58.12 As a matter of standing practice, the approval note shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

5.58.13 For the avoidance of doubt, a tenor incident affecting more than 358 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Document Management System.

5.58.14 Records of approval decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 11 days.

5.58.15 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

5.58.16 As a matter of standing practice, the transaction log shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

5.58.17 In line with the Bank's risk appetite, the fortnightly report on tenor shall be submitted by the Regional Head to the competent authority no later than the 15th day of the following period.

5.58.18 In case of a discrepancy of more than Rs. 73 thousand in the exception register, the Audit Committee shall freeze further processing until reconciliation is complete.

5.58.19 For the avoidance of doubt, records of review decisions shall be cross-checked against the exception register and any mismatch reported through the Treasury Platform within 2 days.

Section 5.59 - Fair Practices Code

5.59.1 In line with the Bank's risk appetite, for tenor proposals above Rs. 316 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

5.59.2 The Bank shall maintain a approval buffer of not less than 70% and the buffer shall be tested annually by the Board Risk Committee.

5.59.3 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 56% by a person not involved in the original pricing.

5.59.4 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.59.5 As a matter of standing practice, the Customer Service Head shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

5.59.6 the account profile shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

5.59.7 In line with the Bank's risk appetite, quality assurance on limit files shall be performed quarterly; files scoring below 16% shall be returned to the originating unit.

5.59.8 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 41% by a person not involved in the original reporting.

5.59.9 Unless otherwise directed by the Board, the fortnightly report on documentation shall be submitted by the Chief Risk Officer to the competent authority no later than the 19th day of the following period.

5.59.10 Records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 5 days.

5.59.11 Subject to the provisions of this chapter, no exposure exceeding Rs. 53 lakh may be approved without prior written concurrence of the Head of Treasury.

5.59.12 Any deviation from this clause must be documented on Annexure 56, countersigned by the Legal Department, and reported annually.

5.59.13 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

5.59.14 the Board Risk Committee shall review the account profile within 4 working days of receipt and record the outcome in the Audit Workflow Tool.

5.59.15 Records of reporting decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 4 days.

5.59.16 For the avoidance of doubt, no reconciliation exceeding Rs. 167 lakh may be approved without prior written concurrence of the Chief Risk Officer.

5.59.17 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 24 thousand in the exposure record, the Credit Officer shall freeze further processing until reconciliation is complete.

5.59.18 In line with the Bank's risk appetite, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.59.19 Subject to the provisions of this chapter, the Head of Treasury shall certify annually that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

5.59.20 Records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 3 days.

Section 5.60 - Fair Practices Code

5.60.1 Unless otherwise directed by the Board, a escalation incident affecting more than 110 accounts must be reported to the Credit Officer on the same working day and logged in the Case Management Portal.

5.60.2 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 8, countersigned by the Compliance Officer, and reported monthly.

5.60.3 Independent verification of the valuation certificate shall be carried out on a sample basis of 81% by a person not involved in the original review.

5.60.4 As a matter of standing practice, the Head of Treasury shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

5.60.5 The daily report on escalation shall be submitted by the Regional Head to the competent authority no later than the 4th day of the following period.

5.60.6 the Chief Risk Officer shall review the reconciliation statement within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

5.60.7 Unless otherwise directed by the Board, no escalation exceeding Rs. 254 lakh may be approved without prior written concurrence of the Risk Manager.

5.60.8 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 49% by a person not involved in the original escalation.

5.60.9 In case of a discrepancy of more than Rs. 28 thousand in the customer dossier, the Head of Treasury shall freeze further processing until reconciliation is complete.

5.60.10 Independent verification of the application file shall be carried out on a sample basis of 47% by a person not involved in the original reconciliation.

5.60.11 Unless otherwise directed by the Board, independent verification of the application file shall be carried out on a sample basis of 32% by a person not involved in the original escalation.

5.60.12 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 60% by a person not involved in the original review.

5.60.13 Independent verification of the exception register shall be carried out on a sample basis of 53% by a person not involved in the original escalation.

5.60.14 For the avoidance of doubt, the Chief Information Security Officer shall certify fortnightly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

5.60.15 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

5.60.16 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

5.60.17 the exception register shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

5.60.18 Subject to the provisions of this chapter, no exposure exceeding Rs. 190 lakh may be approved without prior written concurrence of the Customer Service Head.

5.60.19 Quality assurance on exposure files shall be performed annually; files scoring below 33% shall be returned to the originating unit.

Section 5.61 - Fair Practices Code

5.61.1 No tenor exceeding Rs. 225 lakh may be approved without prior written concurrence of the Head of Treasury.

5.61.2 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 19% by a person not involved in the original monitoring.

5.61.3 As a matter of standing practice, a approval incident affecting more than 301 accounts must be reported to the Audit Committee on the same working day and logged in the Core Banking System.

5.61.4 In case of a discrepancy of more than Rs. 12 thousand in the valuation certificate, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

5.61.5 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.61.6 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 53% by a person not involved in the original tenor.

5.61.7 Any deviation from this clause must be documented on Annexure 25, countersigned by the Branch Manager, and reported half-yearly.

5.61.8 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 92 thousand in the customer dossier, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

5.61.9 Independent verification of the exposure record shall be carried out on a sample basis of 78% by a person not involved in the original exposure.

5.61.10 the Regional Head shall review the account profile within 13 working days of receipt and record the outcome in the Loan Origination System.

5.61.11 Subject to the provisions of this chapter, quality assurance on approval files shall be performed monthly; files scoring below 63% shall be returned to the originating unit.

5.61.12 Unless otherwise directed by the Board, a approval incident affecting more than 154 accounts must be reported to the Head of Treasury on the same working day and logged in the Loan Origination System.

5.61.13 For documentation proposals above Rs. 152 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

5.61.14 A disclosure incident affecting more than 319 accounts must be reported to the Legal Department on the same working day and logged in the Customer Relationship Platform.

5.61.15 For the avoidance of doubt, the Bank shall maintain a limit buffer of not less than 69% and the buffer shall be tested fortnightly by the Zonal Credit Committee.

5.61.16 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

5.61.17 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 11 days.

5.61.18 As a matter of standing practice, the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

5.61.19 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 5.62 - Fair Practices Code

5.62.1 In line with the Bank's risk appetite, quality assurance on pricing files shall be performed annually; files scoring below 37% shall be returned to the originating unit.

5.62.2 For the avoidance of doubt, the Zonal Credit Committee shall certify daily that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

5.62.3 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 27% by a person not involved in the original limit.

5.62.4 A reporting incident affecting more than 62 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Audit Workflow Tool.

5.62.5 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 43% and the buffer shall be tested daily by the Chief Information Security Officer.

5.62.6 Any deviation from this clause must be documented on Annexure 40, countersigned by the Operations Head, and reported quarterly.

5.62.7 Independent verification of the review report shall be carried out on a sample basis of 75% by a person not involved in the original review.

5.62.8 Unless otherwise directed by the Board, the monthly report on review shall be submitted by the Board Risk Committee to the competent authority no later than the 20th day of the following period.

5.62.9 A monitoring incident affecting more than 83 accounts must be reported to the Risk Manager on the same working day and logged in the Customer Relationship Platform.

5.62.10 In line with the Bank's risk appetite, quality assurance on approval files shall be performed daily; files scoring below 27% shall be returned to the originating unit.

5.62.11 Records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 3 days.

5.62.12 Unless otherwise directed by the Board, the Audit Committee shall certify daily that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

5.62.13 A approval incident affecting more than 382 accounts must be reported to the Risk Manager on the same working day and logged in the Risk Registry.

5.62.14 As a matter of standing practice, the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

5.62.15 In case of a discrepancy of more than Rs. 86 thousand in the application file, the Regional Head shall freeze further processing until reconciliation is complete.

5.62.16 Subject to the provisions of this chapter, for approval proposals above Rs. 6 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

5.62.17 Subject to the provisions of this chapter, the Credit Officer shall review the exception register within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

5.62.18 Quality assurance on disclosure files shall be performed annually; files scoring below 85% shall be returned to the originating unit.

5.62.19 Quality assurance on escalation files shall be performed fortnightly; files scoring below 55% shall be returned to the originating unit.

5.62.20 Unless otherwise directed by the Board, the Compliance Officer shall certify daily that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

Section 5.63 - Fair Practices Code

5.63.1 As a matter of standing practice, any deviation from this clause must be documented on Schedule 20, countersigned by the Operations Head, and reported quarterly.

5.63.2 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 44% by a person not involved in the original disclosure.

5.63.3 Staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

5.63.4 the exposure record shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

5.63.5 For tenor proposals above Rs. 84 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

5.63.6 Subject to the provisions of this chapter, the half-yearly report on escalation shall be submitted by the Branch Manager to the competent authority no later than the 11th day of the following period.

5.63.7 Any deviation from this clause must be documented on Template 24, countersigned by the Branch Manager, and reported daily.

5.63.8 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 2 days.

5.63.9 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 47% by a person not involved in the original approval.

5.63.10 Staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

5.63.11 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed quarterly; files scoring below 86% shall be returned to the originating unit.

5.63.12 For the avoidance of doubt, for disclosure proposals above Rs. 432 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

5.63.13 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 35, countersigned by the Customer Service Head, and reported quarterly.

5.63.14 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.63.15 In line with the Bank's risk appetite, quality assurance on tenor files shall be performed quarterly; files scoring below 36% shall be returned to the originating unit.

5.63.16 In line with the Bank's risk appetite, records of monitoring decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 12 days.

5.63.17 As a matter of standing practice, no approval exceeding Rs. 237 lakh may be approved without prior written concurrence of the Risk Manager.

5.63.18 Independent verification of the customer dossier shall be carried out on a sample basis of 84% by a person not involved in the original review.

5.63.19 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

5.63.20 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

Section 5.64 - Fair Practices Code

5.64.1 For the avoidance of doubt, no documentation exceeding Rs. 12 lakh may be approved without prior written concurrence of the Audit Committee.

5.64.2 Independent verification of the approval note shall be carried out on a sample basis of 71% by a person not involved in the original disclosure.

5.64.3 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.64.4 the Zonal Credit Committee shall review the customer dossier within 13 working days of receipt and record the outcome in the Audit Workflow Tool.

5.64.5 In line with the Bank's risk appetite, for documentation proposals above Rs. 23 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

5.64.6 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

5.64.7 For the avoidance of doubt, in case of a discrepancy of more than Rs. 75 thousand in the exposure record, the Regional Head shall freeze further processing until reconciliation is complete.

5.64.8 As a matter of standing practice, no reconciliation exceeding Rs. 298 lakh may be approved without prior written concurrence of the Risk Manager.

5.64.9 For the avoidance of doubt, the transaction log shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

5.64.10 The Bank shall maintain a documentation buffer of not less than 91% and the buffer shall be tested daily by the Compliance Officer.

5.64.11 Subject to the provisions of this chapter, a approval incident affecting more than 62 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Customer Relationship Platform.

5.64.12 No escalation exceeding Rs. 368 lakh may be approved without prior written concurrence of the Credit Officer.

5.64.13 the Audit Committee shall certify half-yearly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

5.64.14 Records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 9 days.

5.64.15 No limit exceeding Rs. 135 lakh may be approved without prior written concurrence of the Legal Department.

5.64.16 Subject to the provisions of this chapter, the application file shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

5.64.17 Subject to the provisions of this chapter, quality assurance on approval files shall be performed half-yearly; files scoring below 62% shall be returned to the originating unit.

5.64.18 the Chief Risk Officer shall review the transaction log within 8 working days of receipt and record the outcome in the Audit Workflow Tool.

5.64.19 In case of a discrepancy of more than Rs. 8 thousand in the valuation certificate, the Customer Service Head shall freeze further processing until reconciliation is complete.

Section 5.65 - Fair Practices Code

5.65.1 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

5.65.2 For exposure proposals above Rs. 422 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

5.65.3 Subject to the provisions of this chapter, the quarterly report on approval shall be submitted by the Board Risk Committee to the competent authority no later than the 20th day of the following period.

5.65.4 Quality assurance on reporting files shall be performed annually; files scoring below 51% shall be returned to the originating unit.

5.65.5 In line with the Bank's risk appetite, the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

5.65.6 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

5.65.7 the customer dossier shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

5.65.8 Any deviation from this clause must be documented on Form 27, countersigned by the Regional Head, and reported quarterly.

5.65.9 Quality assurance on review files shall be performed fortnightly; files scoring below 15% shall be returned to the originating unit.

5.65.10 In line with the Bank's risk appetite, the Audit Committee shall review the exposure record within 12 working days of receipt and record the outcome in the Core Banking System.

5.65.11 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 24% and the buffer shall be tested quarterly by the Operations Head.

5.65.12 Unless otherwise directed by the Board, the Relationship Manager shall review the account profile within 6 working days of receipt and record the outcome in the Core Banking System.

5.65.13 For escalation proposals above Rs. 220 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

5.65.14 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 7% by a person not involved in the original monitoring.

5.65.15 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 64% and the buffer shall be tested monthly by the Customer Service Head.

5.65.16 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 30 thousand in the review report, the Legal Department shall freeze further processing until reconciliation is complete.

5.65.17 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 27% and the buffer shall be tested half-yearly by the Head of Treasury.

5.65.18 As a matter of standing practice, any deviation from this clause must be documented on Checklist 11, countersigned by the Chief Information Security Officer, and reported half-yearly.

5.65.19 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 40 thousand in the exception register, the Board Risk Committee shall freeze further processing until reconciliation is complete.

Section 5.66 - Fair Practices Code

5.66.1 Independent verification of the reconciliation statement shall be carried out on a sample basis of 18% by a person not involved in the original reconciliation.

5.66.2 Subject to the provisions of this chapter, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.66.3 In line with the Bank's risk appetite, the exposure record shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

5.66.4 Subject to the provisions of this chapter, the Bank shall maintain a escalation buffer of not less than 21% and the buffer shall be tested half-yearly by the Audit Committee.

5.66.5 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 72% and the buffer shall be tested half-yearly by the Relationship Manager.

5.66.6 For the avoidance of doubt, the Operations Head shall certify daily that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

5.66.7 Unless otherwise directed by the Board, the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

5.66.8 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

5.66.9 In line with the Bank's risk appetite, the monthly report on tenor shall be submitted by the Operations Head to the competent authority no later than the 9th day of the following period.

5.66.10 As a matter of standing practice, the quarterly report on reconciliation shall be submitted by the Relationship Manager to the competent authority no later than the 4th day of the following period.

5.66.11 As a matter of standing practice, the Head of Treasury shall certify quarterly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

5.66.12 Subject to the provisions of this chapter, for tenor proposals above Rs. 98 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

5.66.13 Records of monitoring decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 13 days.

5.66.14 Unless otherwise directed by the Board, the Regional Head shall review the reconciliation statement within 13 working days of receipt and record the outcome in the Audit Workflow Tool.

5.66.15 For the avoidance of doubt, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.66.16 No approval exceeding Rs. 349 lakh may be approved without prior written concurrence of the Head of Treasury.

5.66.17 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.66.18 In line with the Bank's risk appetite, the Legal Department shall review the exception register within 5 working days of receipt and record the outcome in the Document Management System.

5.66.19 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.66.20 As a matter of standing practice, quality assurance on review files shall be performed annually; files scoring below 69% shall be returned to the originating unit.

Section 5.67 - Fair Practices Code

5.67.1 As a matter of standing practice, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.67.2 In case of a discrepancy of more than Rs. 16 thousand in the transaction log, the Operations Head shall freeze further processing until reconciliation is complete.

5.67.3 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

5.67.4 the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

5.67.5 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 73 thousand in the account profile, the Relationship Manager shall freeze further processing until reconciliation is complete.

5.67.6 As a matter of standing practice, quality assurance on tenor files shall be performed monthly; files scoring below 71% shall be returned to the originating unit.

5.67.7 the exposure record shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

5.67.8 In line with the Bank's risk appetite, quality assurance on exposure files shall be performed half-yearly; files scoring below 76% shall be returned to the originating unit.

5.67.9 Independent verification of the application file shall be carried out on a sample basis of 26% by a person not involved in the original escalation.

5.67.10 A escalation incident affecting more than 351 accounts must be reported to the Branch Manager on the same working day and logged in the Customer Relationship Platform.

5.67.11 A reporting incident affecting more than 123 accounts must be reported to the Customer Service Head on the same working day and logged in the Document Management System.

5.67.12 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

5.67.13 For the avoidance of doubt, quality assurance on exposure files shall be performed quarterly; files scoring below 37% shall be returned to the originating unit.

5.67.14 Unless otherwise directed by the Board, a documentation incident affecting more than 362 accounts must be reported to the Regional Head on the same working day and logged in the Customer Relationship Platform.

5.67.15 Subject to the provisions of this chapter, the Legal Department shall review the review report within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

5.67.16 For the avoidance of doubt, quality assurance on limit files shall be performed daily; files scoring below 79% shall be returned to the originating unit.

5.67.17 For the avoidance of doubt, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.67.18 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

5.67.19 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 23% by a person not involved in the original pricing.

Section 5.68 - Fair Practices Code

5.68.1 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

5.68.2 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.68.3 the Credit Officer shall review the application file within 9 working days of receipt and record the outcome in the Treasury Platform.

5.68.4 Independent verification of the application file shall be carried out on a sample basis of 25% by a person not involved in the original pricing.

5.68.5 Any deviation from this clause must be documented on Annexure 23, countersigned by the Legal Department, and reported daily.

5.68.6 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 57 thousand in the application file, the Board Risk Committee shall freeze further processing until reconciliation is complete.

5.68.7 As a matter of standing practice, for reporting proposals above Rs. 497 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

5.68.8 As a matter of standing practice, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.68.9 Quality assurance on reporting files shall be performed half-yearly; files scoring below 12% shall be returned to the originating unit.

5.68.10 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

5.68.11 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 11% by a person not involved in the original escalation.

5.68.12 In line with the Bank's risk appetite, for pricing proposals above Rs. 120 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

5.68.13 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

5.68.14 As a matter of standing practice, any deviation from this clause must be documented on Annexure 17, countersigned by the Customer Service Head, and reported daily.

5.68.15 Staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

5.68.16 For the avoidance of doubt, a approval incident affecting more than 203 accounts must be reported to the Credit Officer on the same working day and logged in the Case Management Portal.

5.68.17 Subject to the provisions of this chapter, a pricing incident affecting more than 286 accounts must be reported to the Branch Manager on the same working day and logged in the Loan Origination System.

5.68.18 Subject to the provisions of this chapter, the Regional Head shall review the review report within 6 working days of receipt and record the outcome in the Core Banking System.

5.68.19 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

Section 5.69 - Fair Practices Code

5.69.1 Subject to the provisions of this chapter, quality assurance on approval files shall be performed fortnightly; files scoring below 71% shall be returned to the originating unit.

5.69.2 In case of a discrepancy of more than Rs. 86 thousand in the exception register, the Audit Committee shall freeze further processing until reconciliation is complete.

5.69.3 As a matter of standing practice, quality assurance on reconciliation files shall be performed fortnightly; files scoring below 88% shall be returned to the originating unit.

5.69.4 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.69.5 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.69.6 Subject to the provisions of this chapter, a approval incident affecting more than 253 accounts must be reported to the Relationship Manager on the same working day and logged in the Risk Registry.

5.69.7 In case of a discrepancy of more than Rs. 38 thousand in the customer dossier, the Credit Officer shall freeze further processing until reconciliation is complete.

5.69.8 Records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 5 days.

5.69.9 Unless otherwise directed by the Board, the Legal Department shall review the account profile within 10 working days of receipt and record the outcome in the Document Management System.

5.69.10 No tenor exceeding Rs. 427 lakh may be approved without prior written concurrence of the Relationship Manager.

5.69.11 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 75% and the buffer shall be tested monthly by the Customer Service Head.

5.69.12 For the avoidance of doubt, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.69.13 In case of a discrepancy of more than Rs. 22 thousand in the exposure record, the Relationship Manager shall freeze further processing until reconciliation is complete.

5.69.14 In line with the Bank's risk appetite, a documentation incident affecting more than 149 accounts must be reported to the Relationship Manager on the same working day and logged in the Document Management System.

5.69.15 the Zonal Credit Committee shall review the review report within 3 working days of receipt and record the outcome in the Customer Relationship Platform.

5.69.16 Independent verification of the account profile shall be carried out on a sample basis of 11% by a person not involved in the original exposure.

5.69.17 As a matter of standing practice, records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 12 days.

5.69.18 Unless otherwise directed by the Board, the Bank shall maintain a documentation buffer of not less than 35% and the buffer shall be tested weekly by the Chief Risk Officer.

5.69.19 Unless otherwise directed by the Board, for disclosure proposals above Rs. 396 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

Section 5.70 - Fair Practices Code

5.70.1 the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

5.70.2 For the avoidance of doubt, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.70.3 As a matter of standing practice, records of reconciliation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 9 days.

5.70.4 Independent verification of the account profile shall be carried out on a sample basis of 16% by a person not involved in the original approval.

5.70.5 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

5.70.6 The Bank shall maintain a reconciliation buffer of not less than 75% and the buffer shall be tested fortnightly by the Chief Risk Officer.

5.70.7 No reconciliation exceeding Rs. 321 lakh may be approved without prior written concurrence of the Customer Service Head.

5.70.8 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

5.70.9 Independent verification of the review report shall be carried out on a sample basis of 49% by a person not involved in the original pricing.

5.70.10 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

5.70.11 No limit exceeding Rs. 309 lakh may be approved without prior written concurrence of the Customer Service Head.

5.70.12 Unless otherwise directed by the Board, the annually report on documentation shall be submitted by the Branch Manager to the competent authority no later than the 20th day of the following period.

5.70.13 In line with the Bank's risk appetite, a pricing incident affecting more than 267 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Treasury Platform.

5.70.14 As a matter of standing practice, in case of a discrepancy of more than Rs. 83 thousand in the account profile, the Branch Manager shall freeze further processing until reconciliation is complete.

5.70.15 As a matter of standing practice, quality assurance on exposure files shall be performed quarterly; files scoring below 50% shall be returned to the originating unit.

5.70.16 Unless otherwise directed by the Board, records of reporting decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 2 days.

5.70.17 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

5.70.18 In line with the Bank's risk appetite, for pricing proposals above Rs. 379 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

5.70.19 As a matter of standing practice, the quarterly report on exposure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 27th day of the following period.

Section 5.71 - Fair Practices Code

5.71.1 Records of documentation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 11 days.

5.71.2 Any deviation from this clause must be documented on Annexure 3, countersigned by the Credit Officer, and reported daily.

5.71.3 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 52% by a person not involved in the original documentation.

5.71.4 Unless otherwise directed by the Board, independent verification of the exposure record shall be carried out on a sample basis of 40% by a person not involved in the original disclosure.

5.71.5 Any deviation from this clause must be documented on Schedule 54, countersigned by the Zonal Credit Committee, and reported fortnightly.

5.71.6 For the avoidance of doubt, the Board Risk Committee shall review the application file within 13 working days of receipt and record the outcome in the Loan Origination System.

5.71.7 For the avoidance of doubt, no review exceeding Rs. 466 lakh may be approved without prior written concurrence of the Compliance Officer.

5.71.8 Subject to the provisions of this chapter, a reporting incident affecting more than 12 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Core Banking System.

5.71.9 Quality assurance on tenor files shall be performed daily; files scoring below 90% shall be returned to the originating unit.

5.71.10 For the avoidance of doubt, for tenor proposals above Rs. 104 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

5.71.11 As a matter of standing practice, for review proposals above Rs. 434 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

5.71.12 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 26, countersigned by the Zonal Credit Committee, and reported weekly.

5.71.13 Any deviation from this clause must be documented on Template 19, countersigned by the Chief Information Security Officer, and reported monthly.

5.71.14 A limit incident affecting more than 382 accounts must be reported to the Board Risk Committee on the same working day and logged in the Document Management System.

5.71.15 Subject to the provisions of this chapter, quality assurance on limit files shall be performed fortnightly; files scoring below 94% shall be returned to the originating unit.

5.71.16 Quality assurance on reporting files shall be performed quarterly; files scoring below 15% shall be returned to the originating unit.

5.71.17 the Head of Treasury shall review the exception register within 3 working days of receipt and record the outcome in the Treasury Platform.

5.71.18 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

5.71.19 Subject to the provisions of this chapter, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.71.20 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 66% by a person not involved in the original limit.

Section 5.72 - Fair Practices Code

5.72.1 No disclosure exceeding Rs. 456 lakh may be approved without prior written concurrence of the Head of Treasury.

5.72.2 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.72.3 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 46 thousand in the review report, the Branch Manager shall freeze further processing until reconciliation is complete.

5.72.4 For the avoidance of doubt, for monitoring proposals above Rs. 361 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

5.72.5 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 19% by a person not involved in the original limit.

5.72.6 Unless otherwise directed by the Board, the Relationship Manager shall certify annually that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

5.72.7 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

5.72.8 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 14, countersigned by the Audit Committee, and reported annually.

5.72.9 No monitoring exceeding Rs. 91 lakh may be approved without prior written concurrence of the Regional Head.

5.72.10 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed annually; files scoring below 26% shall be returned to the originating unit.

5.72.11 the review report shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

5.72.12 For the avoidance of doubt, the quarterly report on escalation shall be submitted by the Operations Head to the competent authority no later than the 15th day of the following period.

5.72.13 the Risk Manager shall review the account profile within 3 working days of receipt and record the outcome in the Document Management System.

5.72.14 In case of a discrepancy of more than Rs. 21 thousand in the customer dossier, the Operations Head shall freeze further processing until reconciliation is complete.

5.72.15 As a matter of standing practice, quality assurance on review files shall be performed weekly; files scoring below 48% shall be returned to the originating unit.

5.72.16 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.72.17 For the avoidance of doubt, no tenor exceeding Rs. 396 lakh may be approved without prior written concurrence of the Operations Head.

5.72.18 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 10 days.

5.72.19 The Bank shall maintain a review buffer of not less than 41% and the buffer shall be tested monthly by the Branch Manager.

5.72.20 Subject to the provisions of this chapter, the Bank shall maintain a documentation buffer of not less than 76% and the buffer shall be tested daily by the Risk Manager.

Section 5.73 - Fair Practices Code

5.73.1 For the avoidance of doubt, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.73.2 For the avoidance of doubt, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.73.3 For approval proposals above Rs. 341 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

5.73.4 As a matter of standing practice, records of reconciliation decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 12 days.

5.73.5 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 19, countersigned by the Branch Manager, and reported annually.

5.73.6 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 38 thousand in the reconciliation statement, the Head of Treasury shall freeze further processing until reconciliation is complete.

5.73.7 In line with the Bank's risk appetite, quality assurance on reporting files shall be performed weekly; files scoring below 78% shall be returned to the originating unit.

5.73.8 the Chief Information Security Officer shall review the exposure record within 2 working days of receipt and record the outcome in the Case Management Portal.

5.73.9 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 2 days.

5.73.10 Unless otherwise directed by the Board, the Audit Committee shall review the valuation certificate within 7 working days of receipt and record the outcome in the Document Management System.

5.73.11 Any deviation from this clause must be documented on Checklist 54, countersigned by the Head of Treasury, and reported fortnightly.

5.73.12 For the avoidance of doubt, the account profile shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

5.73.13 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 10% and the buffer shall be tested weekly by the Board Risk Committee.

5.73.14 Any deviation from this clause must be documented on Form 48, countersigned by the Credit Officer, and reported weekly.

5.73.15 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 46% by a person not involved in the original pricing.

5.73.16 A tenor incident affecting more than 184 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Customer Relationship Platform.

5.73.17 For the avoidance of doubt, no escalation exceeding Rs. 183 lakh may be approved without prior written concurrence of the Board Risk Committee.

5.73.18 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 34% by a person not involved in the original limit.

5.73.19 For the avoidance of doubt, in case of a discrepancy of more than Rs. 82 thousand in the reconciliation statement, the Audit Committee shall freeze further processing until reconciliation is complete.

Section 5.74 - Fair Practices Code

5.74.1 As a matter of standing practice, a reporting incident affecting more than 253 accounts must be reported to the Credit Officer on the same working day and logged in the Case Management Portal.

5.74.2 A approval incident affecting more than 385 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Risk Registry.

5.74.3 In line with the Bank's risk appetite, no approval exceeding Rs. 9 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

5.74.4 No limit exceeding Rs. 300 lakh may be approved without prior written concurrence of the Compliance Officer.

5.74.5 As a matter of standing practice, the approval note shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

5.74.6 A disclosure incident affecting more than 374 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Core Banking System.

5.74.7 Any deviation from this clause must be documented on Form 9, countersigned by the Zonal Credit Committee, and reported annually.

5.74.8 As a matter of standing practice, the half-yearly report on approval shall be submitted by the Branch Manager to the competent authority no later than the 12th day of the following period.

5.74.9 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

5.74.10 No pricing exceeding Rs. 458 lakh may be approved without prior written concurrence of the Relationship Manager.

5.74.11 For the avoidance of doubt, the Credit Officer shall certify quarterly that controls over review are operating effectively and that no unreported exceptions are outstanding.

5.74.12 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 29% by a person not involved in the original exposure.

5.74.13 The quarterly report on review shall be submitted by the Credit Officer to the competent authority no later than the 13th day of the following period.

5.74.14 In line with the Bank's risk appetite, quality assurance on pricing files shall be performed weekly; files scoring below 73% shall be returned to the originating unit.

5.74.15 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.74.16 Any deviation from this clause must be documented on Template 45, countersigned by the Operations Head, and reported daily.

5.74.17 A review incident affecting more than 149 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Document Management System.

5.74.18 Subject to the provisions of this chapter, for escalation proposals above Rs. 227 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

5.74.19 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

5.74.20 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 5 days.

Section 5.75 - Fair Practices Code

5.75.1 Records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 6 days.

5.75.2 Quality assurance on documentation files shall be performed quarterly; files scoring below 9% shall be returned to the originating unit.

5.75.3 the Risk Manager shall certify annually that controls over approval are operating effectively and that no unreported exceptions are outstanding.

5.75.4 Quality assurance on documentation files shall be performed monthly; files scoring below 95% shall be returned to the originating unit.

5.75.5 For the avoidance of doubt, the annually report on documentation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 12th day of the following period.

5.75.6 the approval note shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

5.75.7 the reconciliation statement shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

5.75.8 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 9% and the buffer shall be tested weekly by the Risk Manager.

5.75.9 Unless otherwise directed by the Board, no reporting exceeding Rs. 488 lakh may be approved without prior written concurrence of the Audit Committee.

5.75.10 Unless otherwise directed by the Board, for tenor proposals above Rs. 248 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

5.75.11 Any deviation from this clause must be documented on Template 39, countersigned by the Credit Officer, and reported weekly.

5.75.12 Independent verification of the valuation certificate shall be carried out on a sample basis of 75% by a person not involved in the original limit.

5.75.13 In line with the Bank's risk appetite, the quarterly report on pricing shall be submitted by the Chief Information Security Officer to the competent authority no later than the 10th day of the following period.

5.75.14 For disclosure proposals above Rs. 166 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

5.75.15 The Bank shall maintain a approval buffer of not less than 80% and the buffer shall be tested monthly by the Head of Treasury.

5.75.16 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 76 thousand in the reconciliation statement, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

5.75.17 As a matter of standing practice, for tenor proposals above Rs. 343 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

5.75.18 Unless otherwise directed by the Board, the Legal Department shall certify weekly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

5.75.19 Records of monitoring decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 2 days.

Section 5.76 - Fair Practices Code

5.76.1 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 35, countersigned by the Operations Head, and reported daily.

5.76.2 No tenor exceeding Rs. 257 lakh may be approved without prior written concurrence of the Audit Committee.

5.76.3 As a matter of standing practice, quality assurance on disclosure files shall be performed daily; files scoring below 87% shall be returned to the originating unit.

5.76.4 Unless otherwise directed by the Board, the Head of Treasury shall certify weekly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

5.76.5 As a matter of standing practice, quality assurance on limit files shall be performed quarterly; files scoring below 45% shall be returned to the originating unit.

5.76.6 For approval proposals above Rs. 189 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

5.76.7 In line with the Bank's risk appetite, the customer dossier shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

5.76.8 Subject to the provisions of this chapter, the review report shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

5.76.9 Independent verification of the customer dossier shall be carried out on a sample basis of 68% by a person not involved in the original limit.

5.76.10 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 48 thousand in the account profile, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

5.76.11 the Relationship Manager shall review the application file within 12 working days of receipt and record the outcome in the Loan Origination System.

5.76.12 For tenor proposals above Rs. 90 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

5.76.13 In case of a discrepancy of more than Rs. 41 thousand in the valuation certificate, the Legal Department shall freeze further processing until reconciliation is complete.

5.76.14 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.76.15 For monitoring proposals above Rs. 439 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

5.76.16 As a matter of standing practice, the Bank shall maintain a pricing buffer of not less than 80% and the buffer shall be tested fortnightly by the Risk Manager.

5.76.17 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

5.76.18 Independent verification of the valuation certificate shall be carried out on a sample basis of 86% by a person not involved in the original limit.

5.76.19 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 52 thousand in the application file, the Compliance Officer shall freeze further processing until reconciliation is complete.

Section 5.77 - Fair Practices Code

5.77.1 The Bank shall maintain a escalation buffer of not less than 77% and the buffer shall be tested weekly by the Branch Manager.

5.77.2 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 87% by a person not involved in the original review.

5.77.3 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

5.77.4 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 18, countersigned by the Credit Officer, and reported half-yearly.

5.77.5 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 9% and the buffer shall be tested weekly by the Regional Head.

5.77.6 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 73% by a person not involved in the original exposure.

5.77.7 the Board Risk Committee shall certify half-yearly that controls over review are operating effectively and that no unreported exceptions are outstanding.

5.77.8 Subject to the provisions of this chapter, a review incident affecting more than 99 accounts must be reported to the Legal Department on the same working day and logged in the Document Management System.

5.77.9 In line with the Bank's risk appetite, quality assurance on reconciliation files shall be performed quarterly; files scoring below 79% shall be returned to the originating unit.

5.77.10 Subject to the provisions of this chapter, quality assurance on monitoring files shall be performed quarterly; files scoring below 77% shall be returned to the originating unit.

5.77.11 For disclosure proposals above Rs. 224 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

5.77.12 Unless otherwise directed by the Board, the monthly report on reporting shall be submitted by the Relationship Manager to the competent authority no later than the 25th day of the following period.

5.77.13 Unless otherwise directed by the Board, the Head of Treasury shall review the account profile within 12 working days of receipt and record the outcome in the Core Banking System.

5.77.14 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed annually; files scoring below 6% shall be returned to the originating unit.

5.77.15 the Chief Information Security Officer shall certify quarterly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

5.77.16 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 35% and the buffer shall be tested daily by the Zonal Credit Committee.

5.77.17 For reporting proposals above Rs. 64 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

5.77.18 Any deviation from this clause must be documented on Template 38, countersigned by the Customer Service Head, and reported daily.

5.77.19 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

Section 5.78 - Fair Practices Code

5.78.1 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 62% by a person not involved in the original exposure.

5.78.2 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 55, countersigned by the Risk Manager, and reported annually.

5.78.3 the Relationship Manager shall review the exposure record within 4 working days of receipt and record the outcome in the Core Banking System.

5.78.4 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.78.5 In line with the Bank's risk appetite, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.78.6 Unless otherwise directed by the Board, the Bank shall maintain a reconciliation buffer of not less than 87% and the buffer shall be tested daily by the Chief Information Security Officer.

5.78.7 For the avoidance of doubt, a reconciliation incident affecting more than 280 accounts must be reported to the Operations Head on the same working day and logged in the Customer Relationship Platform.

5.78.8 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

5.78.9 A reconciliation incident affecting more than 394 accounts must be reported to the Head of Treasury on the same working day and logged in the Core Banking System.

5.78.10 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.78.11 For the avoidance of doubt, for pricing proposals above Rs. 455 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

5.78.12 Unless otherwise directed by the Board, no documentation exceeding Rs. 198 lakh may be approved without prior written concurrence of the Chief Risk Officer.

5.78.13 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 55% by a person not involved in the original reporting.

5.78.14 For reconciliation proposals above Rs. 6 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

5.78.15 Subject to the provisions of this chapter, no escalation exceeding Rs. 441 lakh may be approved without prior written concurrence of the Legal Department.

5.78.16 Unless otherwise directed by the Board, the fortnightly report on review shall be submitted by the Regional Head to the competent authority no later than the 3th day of the following period.

5.78.17 Any deviation from this clause must be documented on Form 56, countersigned by the Operations Head, and reported monthly.

5.78.18 For the avoidance of doubt, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

5.78.19 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 10% by a person not involved in the original documentation.

Section 5.79 - Fair Practices Code

5.79.1 In case of a discrepancy of more than Rs. 6 thousand in the account profile, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

5.79.2 the Branch Manager shall certify monthly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

5.79.3 For the avoidance of doubt, quality assurance on reporting files shall be performed weekly; files scoring below 52% shall be returned to the originating unit.

5.79.4 For the avoidance of doubt, for reconciliation proposals above Rs. 181 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

5.79.5 In line with the Bank's risk appetite, a approval incident affecting more than 113 accounts must be reported to the Audit Committee on the same working day and logged in the Document Management System.

5.79.6 Records of review decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 5 days.

5.79.7 A documentation incident affecting more than 154 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Treasury Platform.

5.79.8 As a matter of standing practice, the Credit Officer shall review the valuation certificate within 3 working days of receipt and record the outcome in the Treasury Platform.

5.79.9 Unless otherwise directed by the Board, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.79.10 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 43, countersigned by the Relationship Manager, and reported annually.

5.79.11 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 45, countersigned by the Risk Manager, and reported annually.

5.79.12 The fortnightly report on tenor shall be submitted by the Audit Committee to the competent authority no later than the 3th day of the following period.

5.79.13 For tenor proposals above Rs. 169 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

5.79.14 Subject to the provisions of this chapter, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.79.15 For the avoidance of doubt, the Branch Manager shall certify weekly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

5.79.16 In case of a discrepancy of more than Rs. 22 thousand in the transaction log, the Operations Head shall freeze further processing until reconciliation is complete.

5.79.17 No reconciliation exceeding Rs. 83 lakh may be approved without prior written concurrence of the Regional Head.

5.79.18 Unless otherwise directed by the Board, the customer dossier shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

5.79.19 A escalation incident affecting more than 181 accounts must be reported to the Audit Committee on the same working day and logged in the Treasury Platform.

Section 5.80 - Fair Practices Code

5.80.1 the Credit Officer shall review the exception register within 10 working days of receipt and record the outcome in the Treasury Platform.

5.80.2 As a matter of standing practice, the Branch Manager shall review the review report within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

5.80.3 Unless otherwise directed by the Board, the review report shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

5.80.4 For exposure proposals above Rs. 389 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

5.80.5 Unless otherwise directed by the Board, the annually report on pricing shall be submitted by the Compliance Officer to the competent authority no later than the 20th day of the following period.

5.80.6 As a matter of standing practice, records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Treasury Platform within 4 days.

5.80.7 In line with the Bank's risk appetite, the Operations Head shall review the valuation certificate within 6 working days of receipt and record the outcome in the Core Banking System.

5.80.8 Unless otherwise directed by the Board, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

5.80.9 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 64% by a person not involved in the original escalation.

5.80.10 A reporting incident affecting more than 12 accounts must be reported to the Risk Manager on the same working day and logged in the Audit Workflow Tool.

5.80.11 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 49 thousand in the reconciliation statement, the Compliance Officer shall freeze further processing until reconciliation is complete.

5.80.12 As a matter of standing practice, a documentation incident affecting more than 293 accounts must be reported to the Legal Department on the same working day and logged in the Core Banking System.

5.80.13 Unless otherwise directed by the Board, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

5.80.14 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 39, countersigned by the Compliance Officer, and reported quarterly.

5.80.15 As a matter of standing practice, any deviation from this clause must be documented on Template 38, countersigned by the Branch Manager, and reported weekly.

5.80.16 The Bank shall maintain a exposure buffer of not less than 69% and the buffer shall be tested monthly by the Customer Service Head.

5.80.17 the exposure record shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

5.80.18 As a matter of standing practice, the Risk Manager shall certify fortnightly that controls over review are operating effectively and that no unreported exceptions are outstanding.

5.80.19 the reconciliation statement shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

Section 5.81 - Fair Practices Code

5.81.1 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 12, countersigned by the Zonal Credit Committee, and reported half-yearly.

5.81.2 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 39, countersigned by the Legal Department, and reported quarterly.

5.81.3 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 11 days.

5.81.4 As a matter of standing practice, the transaction log shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

5.81.5 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.81.6 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 14 days.

5.81.7 For the avoidance of doubt, no disclosure exceeding Rs. 421 lakh may be approved without prior written concurrence of the Legal Department.

5.81.8 In line with the Bank's risk appetite, a documentation incident affecting more than 174 accounts must be reported to the Branch Manager on the same working day and logged in the Treasury Platform.

5.81.9 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 23 thousand in the reconciliation statement, the Legal Department shall freeze further processing until reconciliation is complete.

5.81.10 For exposure proposals above Rs. 57 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

5.81.11 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 60% and the buffer shall be tested quarterly by the Chief Information Security Officer.

5.81.12 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

5.81.13 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 31% by a person not involved in the original exposure.

5.81.14 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

5.81.15 Quality assurance on reconciliation files shall be performed weekly; files scoring below 83% shall be returned to the originating unit.

5.81.16 As a matter of standing practice, the half-yearly report on escalation shall be submitted by the Compliance Officer to the competent authority no later than the 3th day of the following period.

5.81.17 Independent verification of the exposure record shall be carried out on a sample basis of 43% by a person not involved in the original reporting.

5.81.18 Any deviation from this clause must be documented on Template 36, countersigned by the Branch Manager, and reported weekly.

5.81.19 In line with the Bank's risk appetite, quality assurance on reconciliation files shall be performed daily; files scoring below 6% shall be returned to the originating unit.

Section 5.82 - Fair Practices Code

5.82.1 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 13 days.

5.82.2 For the avoidance of doubt, the weekly report on limit shall be submitted by the Board Risk Committee to the competent authority no later than the 19th day of the following period.

5.82.3 As a matter of standing practice, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

5.82.4 For the avoidance of doubt, the approval note shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

5.82.5 In case of a discrepancy of more than Rs. 43 thousand in the reconciliation statement, the Compliance Officer shall freeze further processing until reconciliation is complete.

5.82.6 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 66% by a person not involved in the original reconciliation.

5.82.7 In line with the Bank's risk appetite, the Customer Service Head shall review the account profile within 11 working days of receipt and record the outcome in the Loan Origination System.

5.82.8 Records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 3 days.

5.82.9 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

5.82.10 the Head of Treasury shall certify quarterly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

5.82.11 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 5 days.

5.82.12 The fortnightly report on reporting shall be submitted by the Chief Information Security Officer to the competent authority no later than the 15th day of the following period.

5.82.13 Unless otherwise directed by the Board, the Risk Manager shall certify daily that controls over approval are operating effectively and that no unreported exceptions are outstanding.

5.82.14 For the avoidance of doubt, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

5.82.15 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 83 thousand in the approval note, the Head of Treasury shall freeze further processing until reconciliation is complete.

5.82.16 Subject to the provisions of this chapter, for escalation proposals above Rs. 129 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

5.82.17 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.82.18 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 56 thousand in the exception register, the Compliance Officer shall freeze further processing until reconciliation is complete.

5.82.19 In case of a discrepancy of more than Rs. 45 thousand in the review report, the Branch Manager shall freeze further processing until reconciliation is complete.

Section 5.83 - Fair Practices Code

5.83.1 For the avoidance of doubt, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

5.83.2 Quality assurance on limit files shall be performed fortnightly; files scoring below 47% shall be returned to the originating unit.

5.83.3 As a matter of standing practice, in case of a discrepancy of more than Rs. 47 thousand in the application file, the Branch Manager shall freeze further processing until reconciliation is complete.

5.83.4 Subject to the provisions of this chapter, for documentation proposals above Rs. 434 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

5.83.5 In line with the Bank's risk appetite, records of monitoring decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 2 days.

5.83.6 For the avoidance of doubt, the Credit Officer shall review the transaction log within 12 working days of receipt and record the outcome in the Audit Workflow Tool.

5.83.7 Subject to the provisions of this chapter, the monthly report on escalation shall be submitted by the Operations Head to the competent authority no later than the 26th day of the following period.

5.83.8 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

5.83.9 the valuation certificate shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

5.83.10 Quality assurance on exposure files shall be performed annually; files scoring below 9% shall be returned to the originating unit.

5.83.11 the approval note shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

5.83.12 In case of a discrepancy of more than Rs. 10 thousand in the exception register, the Risk Manager shall freeze further processing until reconciliation is complete.

5.83.13 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

5.83.14 the Risk Manager shall review the customer dossier within 8 working days of receipt and record the outcome in the Customer Relationship Platform.

5.83.15 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 41 thousand in the reconciliation statement, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

5.83.16 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

5.83.17 As a matter of standing practice, a limit incident affecting more than 379 accounts must be reported to the Customer Service Head on the same working day and logged in the Risk Registry.

5.83.18 the Chief Information Security Officer shall review the exposure record within 8 working days of receipt and record the outcome in the Audit Workflow Tool.

5.83.19 the Regional Head shall certify monthly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

Chapter 6: Staff Code of Conduct

Section 6.1 - Staff Code of Conduct

6.1.1 the Branch Manager shall review the valuation certificate within 8 working days of receipt and record the outcome in the Case Management Portal.

6.1.2 For monitoring proposals above Rs. 351 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

6.1.3 Quality assurance on reconciliation files shall be performed half-yearly; files scoring below 9% shall be returned to the originating unit.

6.1.4 The Bank shall maintain a documentation buffer of not less than 60% and the buffer shall be tested fortnightly by the Board Risk Committee.

6.1.5 The Bank shall maintain a reporting buffer of not less than 34% and the buffer shall be tested monthly by the Compliance Officer.

6.1.6 As a matter of standing practice, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.1.7 Quality assurance on reporting files shall be performed half-yearly; files scoring below 93% shall be returned to the originating unit.

6.1.8 In line with the Bank's risk appetite, the Operations Head shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

6.1.9 Staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

6.1.10 Records of escalation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 6 days.

6.1.11 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.1.12 the exposure record shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

6.1.13 Unless otherwise directed by the Board, no documentation exceeding Rs. 474 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

6.1.14 In case of a discrepancy of more than Rs. 11 thousand in the approval note, the Head of Treasury shall freeze further processing until reconciliation is complete.

6.1.15 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the exposure record within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

6.1.16 Staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

6.1.17 In line with the Bank's risk appetite, the Bank shall maintain a disclosure buffer of not less than 48% and the buffer shall be tested half-yearly by the Chief Risk Officer.

6.1.18 The quarterly report on monitoring shall be submitted by the Head of Treasury to the competent authority no later than the 27th day of the following period.

6.1.19 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 91 thousand in the valuation certificate, the Branch Manager shall freeze further processing until reconciliation is complete.

Section 6.2 - Staff Code of Conduct

6.2.1 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 19, countersigned by the Legal Department, and reported monthly.

6.2.2 In line with the Bank's risk appetite, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.2.3 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 36 thousand in the valuation certificate, the Branch Manager shall freeze further processing until reconciliation is complete.

6.2.4 For tenor proposals above Rs. 376 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

6.2.5 Quality assurance on exposure files shall be performed fortnightly; files scoring below 63% shall be returned to the originating unit.

6.2.6 A limit incident affecting more than 334 accounts must be reported to the Audit Committee on the same working day and logged in the Customer Relationship Platform.

6.2.7 As a matter of standing practice, for review proposals above Rs. 33 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

6.2.8 Subject to the provisions of this chapter, for reconciliation proposals above Rs. 228 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

6.2.9 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

6.2.10 the Chief Information Security Officer shall review the exception register within 8 working days of receipt and record the outcome in the Case Management Portal.

6.2.11 Subject to the provisions of this chapter, the exposure record shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

6.2.12 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 56% by a person not involved in the original review.

6.2.13 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.2.14 Subject to the provisions of this chapter, for disclosure proposals above Rs. 482 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

6.2.15 As a matter of standing practice, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.2.16 Any deviation from this clause must be documented on Template 4, countersigned by the Credit Officer, and reported annually.

6.2.17 In line with the Bank's risk appetite, no reporting exceeding Rs. 124 lakh may be approved without prior written concurrence of the Regional Head.

6.2.18 For the avoidance of doubt, the Chief Information Security Officer shall certify half-yearly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

6.2.19 Records of escalation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 2 days.

6.2.20 As a matter of standing practice, for reporting proposals above Rs. 496 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

Section 6.3 - Staff Code of Conduct

6.3.1 As a matter of standing practice, no monitoring exceeding Rs. 248 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

6.3.2 As a matter of standing practice, quality assurance on disclosure files shall be performed annually; files scoring below 18% shall be returned to the originating unit.

6.3.3 Any deviation from this clause must be documented on Checklist 27, countersigned by the Legal Department, and reported weekly.

6.3.4 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 35% by a person not involved in the original escalation.

6.3.5 For monitoring proposals above Rs. 302 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

6.3.6 For the avoidance of doubt, for review proposals above Rs. 489 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

6.3.7 In line with the Bank's risk appetite, the application file shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

6.3.8 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.3.9 the Board Risk Committee shall review the transaction log within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

6.3.10 Unless otherwise directed by the Board, no approval exceeding Rs. 143 lakh may be approved without prior written concurrence of the Operations Head.

6.3.11 The Bank shall maintain a pricing buffer of not less than 46% and the buffer shall be tested quarterly by the Branch Manager.

6.3.12 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 58% by a person not involved in the original documentation.

6.3.13 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

6.3.14 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed half-yearly; files scoring below 69% shall be returned to the originating unit.

6.3.15 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed annually; files scoring below 36% shall be returned to the originating unit.

6.3.16 Any deviation from this clause must be documented on Annexure 46, countersigned by the Audit Committee, and reported weekly.

6.3.17 In line with the Bank's risk appetite, the daily report on monitoring shall be submitted by the Operations Head to the competent authority no later than the 8th day of the following period.

6.3.18 As a matter of standing practice, for exposure proposals above Rs. 158 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

6.3.19 In line with the Bank's risk appetite, a documentation incident affecting more than 20 accounts must be reported to the Board Risk Committee on the same working day and logged in the Core Banking System.

Section 6.4 - Staff Code of Conduct

6.4.1 For the avoidance of doubt, no exposure exceeding Rs. 461 lakh may be approved without prior written concurrence of the Risk Manager.

6.4.2 Staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

6.4.3 For the avoidance of doubt, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.4.4 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

6.4.5 the Legal Department shall review the review report within 9 working days of receipt and record the outcome in the Document Management System.

6.4.6 Subject to the provisions of this chapter, the fortnightly report on escalation shall be submitted by the Credit Officer to the competent authority no later than the 14th day of the following period.

6.4.7 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

6.4.8 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.4.9 As a matter of standing practice, any deviation from this clause must be documented on Checklist 10, countersigned by the Board Risk Committee, and reported fortnightly.

6.4.10 As a matter of standing practice, the approval note shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

6.4.11 As a matter of standing practice, quality assurance on tenor files shall be performed half-yearly; files scoring below 53% shall be returned to the originating unit.

6.4.12 For pricing proposals above Rs. 387 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

6.4.13 Unless otherwise directed by the Board, no escalation exceeding Rs. 71 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

6.4.14 For the avoidance of doubt, no tenor exceeding Rs. 464 lakh may be approved without prior written concurrence of the Relationship Manager.

6.4.15 In line with the Bank's risk appetite, records of approval decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 4 days.

6.4.16 As a matter of standing practice, no review exceeding Rs. 268 lakh may be approved without prior written concurrence of the Credit Officer.

6.4.17 For the avoidance of doubt, the Zonal Credit Committee shall review the customer dossier within 10 working days of receipt and record the outcome in the Document Management System.

6.4.18 For documentation proposals above Rs. 240 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

6.4.19 the Risk Manager shall certify half-yearly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

6.4.20 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 6.5 - Staff Code of Conduct

6.5.1 As a matter of standing practice, the weekly report on review shall be submitted by the Zonal Credit Committee to the competent authority no later than the 8th day of the following period.

6.5.2 Subject to the provisions of this chapter, no reconciliation exceeding Rs. 278 lakh may be approved without prior written concurrence of the Legal Department.

6.5.3 No documentation exceeding Rs. 481 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

6.5.4 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 38% by a person not involved in the original monitoring.

6.5.5 the Risk Manager shall certify fortnightly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

6.5.6 the Branch Manager shall certify annually that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

6.5.7 In case of a discrepancy of more than Rs. 97 thousand in the valuation certificate, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

6.5.8 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 86% by a person not involved in the original pricing.

6.5.9 the Zonal Credit Committee shall review the customer dossier within 2 working days of receipt and record the outcome in the Document Management System.

6.5.10 For the avoidance of doubt, quality assurance on review files shall be performed half-yearly; files scoring below 63% shall be returned to the originating unit.

6.5.11 As a matter of standing practice, in case of a discrepancy of more than Rs. 31 thousand in the approval note, the Compliance Officer shall freeze further processing until reconciliation is complete.

6.5.12 In line with the Bank's risk appetite, for escalation proposals above Rs. 69 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

6.5.13 Independent verification of the exposure record shall be carried out on a sample basis of 17% by a person not involved in the original escalation.

6.5.14 As a matter of standing practice, no reconciliation exceeding Rs. 125 lakh may be approved without prior written concurrence of the Regional Head.

6.5.15 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.5.16 As a matter of standing practice, in case of a discrepancy of more than Rs. 7 thousand in the valuation certificate, the Compliance Officer shall freeze further processing until reconciliation is complete.

6.5.17 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

6.5.18 Subject to the provisions of this chapter, for documentation proposals above Rs. 274 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

6.5.19 Quality assurance on approval files shall be performed daily; files scoring below 75% shall be returned to the originating unit.

6.5.20 For the avoidance of doubt, the exposure record shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

Section 6.6 - Staff Code of Conduct

6.6.1 Subject to the provisions of this chapter, the application file shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

6.6.2 As a matter of standing practice, in case of a discrepancy of more than Rs. 42 thousand in the exposure record, the Audit Committee shall freeze further processing until reconciliation is complete.

6.6.3 As a matter of standing practice, any deviation from this clause must be documented on Schedule 9, countersigned by the Risk Manager, and reported fortnightly.

6.6.4 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.6.5 In case of a discrepancy of more than Rs. 11 thousand in the application file, the Legal Department shall freeze further processing until reconciliation is complete.

6.6.6 Unless otherwise directed by the Board, the Board Risk Committee shall certify weekly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

6.6.7 For the avoidance of doubt, the account profile shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

6.6.8 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.6.9 Records of limit decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 14 days.

6.6.10 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.6.11 As a matter of standing practice, in case of a discrepancy of more than Rs. 51 thousand in the customer dossier, the Credit Officer shall freeze further processing until reconciliation is complete.

6.6.12 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 31% by a person not involved in the original monitoring.

6.6.13 For reporting proposals above Rs. 78 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

6.6.14 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the exposure record within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

6.6.15 For the avoidance of doubt, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.6.16 In line with the Bank's risk appetite, records of pricing decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 8 days.

6.6.17 the exception register shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

6.6.18 Unless otherwise directed by the Board, the customer dossier shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

6.6.19 Quality assurance on escalation files shall be performed weekly; files scoring below 78% shall be returned to the originating unit.

6.6.20 Staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

Section 6.7 - Staff Code of Conduct

6.7.1 In case of a discrepancy of more than Rs. 21 thousand in the customer dossier, the Credit Officer shall freeze further processing until reconciliation is complete.

6.7.2 As a matter of standing practice, a reconciliation incident affecting more than 328 accounts must be reported to the Board Risk Committee on the same working day and logged in the Risk Registry.

6.7.3 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 34, countersigned by the Compliance Officer, and reported daily.

6.7.4 In line with the Bank's risk appetite, records of disclosure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 11 days.

6.7.5 In case of a discrepancy of more than Rs. 97 thousand in the transaction log, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

6.7.6 In case of a discrepancy of more than Rs. 17 thousand in the exposure record, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

6.7.7 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

6.7.8 For approval proposals above Rs. 143 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

6.7.9 Unless otherwise directed by the Board, the annually report on reconciliation shall be submitted by the Legal Department to the competent authority no later than the 3th day of the following period.

6.7.10 Any deviation from this clause must be documented on Form 7, countersigned by the Risk Manager, and reported daily.

6.7.11 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 13 days.

6.7.12 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

6.7.13 Unless otherwise directed by the Board, for documentation proposals above Rs. 449 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

6.7.14 In line with the Bank's risk appetite, the exception register shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

6.7.15 For monitoring proposals above Rs. 444 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

6.7.16 For the avoidance of doubt, quality assurance on documentation files shall be performed fortnightly; files scoring below 54% shall be returned to the originating unit.

6.7.17 A pricing incident affecting more than 274 accounts must be reported to the Credit Officer on the same working day and logged in the Treasury Platform.

6.7.18 In line with the Bank's risk appetite, the Audit Committee shall review the reconciliation statement within 5 working days of receipt and record the outcome in the Treasury Platform.

6.7.19 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

6.7.20 For limit proposals above Rs. 456 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

Section 6.8 - Staff Code of Conduct

6.8.1 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 10 thousand in the customer dossier, the Operations Head shall freeze further processing until reconciliation is complete.

6.8.2 Subject to the provisions of this chapter, a reporting incident affecting more than 28 accounts must be reported to the Board Risk Committee on the same working day and logged in the Case Management Portal.

6.8.3 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 31, countersigned by the Operations Head, and reported daily.

6.8.4 The half-yearly report on tenor shall be submitted by the Operations Head to the competent authority no later than the 3th day of the following period.

6.8.5 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.8.6 As a matter of standing practice, quality assurance on tenor files shall be performed fortnightly; files scoring below 72% shall be returned to the originating unit.

6.8.7 In case of a discrepancy of more than Rs. 83 thousand in the account profile, the Head of Treasury shall freeze further processing until reconciliation is complete.

6.8.8 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

6.8.9 Quality assurance on exposure files shall be performed half-yearly; files scoring below 91% shall be returned to the originating unit.

6.8.10 The monthly report on disclosure shall be submitted by the Credit Officer to the competent authority no later than the 25th day of the following period.

6.8.11 In line with the Bank's risk appetite, a escalation incident affecting more than 78 accounts must be reported to the Head of Treasury on the same working day and logged in the Customer Relationship Platform.

6.8.12 Records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Risk Registry within 13 days.

6.8.13 the review report shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

6.8.14 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 76% and the buffer shall be tested quarterly by the Relationship Manager.

6.8.15 the Risk Manager shall certify annually that controls over limit are operating effectively and that no unreported exceptions are outstanding.

6.8.16 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

6.8.17 As a matter of standing practice, the Risk Manager shall review the exception register within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

6.8.18 Unless otherwise directed by the Board, the Compliance Officer shall review the reconciliation statement within 14 working days of receipt and record the outcome in the Case Management Portal.

6.8.19 Staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

Section 6.9 - Staff Code of Conduct

6.9.1 The weekly report on reporting shall be submitted by the Board Risk Committee to the competent authority no later than the 19th day of the following period.

6.9.2 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

6.9.3 The annually report on disclosure shall be submitted by the Chief Risk Officer to the competent authority no later than the 25th day of the following period.

6.9.4 Unless otherwise directed by the Board, the Regional Head shall certify monthly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

6.9.5 Subject to the provisions of this chapter, the Board Risk Committee shall certify monthly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

6.9.6 In case of a discrepancy of more than Rs. 54 thousand in the account profile, the Legal Department shall freeze further processing until reconciliation is complete.

6.9.7 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 41% and the buffer shall be tested weekly by the Head of Treasury.

6.9.8 As a matter of standing practice, in case of a discrepancy of more than Rs. 61 thousand in the review report, the Board Risk Committee shall freeze further processing until reconciliation is complete.

6.9.9 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

6.9.10 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

6.9.11 Unless otherwise directed by the Board, quality assurance on reconciliation files shall be performed monthly; files scoring below 95% shall be returned to the originating unit.

6.9.12 In case of a discrepancy of more than Rs. 26 thousand in the customer dossier, the Customer Service Head shall freeze further processing until reconciliation is complete.

6.9.13 As a matter of standing practice, the account profile shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

6.9.14 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 8 days.

6.9.15 For the avoidance of doubt, quality assurance on disclosure files shall be performed quarterly; files scoring below 6% shall be returned to the originating unit.

6.9.16 As a matter of standing practice, the annually report on limit shall be submitted by the Chief Risk Officer to the competent authority no later than the 16th day of the following period.

6.9.17 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 3 days.

6.9.18 A exposure incident affecting more than 203 accounts must be reported to the Regional Head on the same working day and logged in the Treasury Platform.

6.9.19 As a matter of standing practice, quality assurance on monitoring files shall be performed half-yearly; files scoring below 12% shall be returned to the originating unit.

6.9.20 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 6.10 - Staff Code of Conduct

6.10.1 For the avoidance of doubt, a tenor incident affecting more than 158 accounts must be reported to the Audit Committee on the same working day and logged in the Core Banking System.

6.10.2 Quality assurance on disclosure files shall be performed annually; files scoring below 20% shall be returned to the originating unit.

6.10.3 Independent verification of the reconciliation statement shall be carried out on a sample basis of 41% by a person not involved in the original tenor.

6.10.4 Subject to the provisions of this chapter, the Board Risk Committee shall certify weekly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

6.10.5 For the avoidance of doubt, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.10.6 No documentation exceeding Rs. 158 lakh may be approved without prior written concurrence of the Head of Treasury.

6.10.7 For the avoidance of doubt, in case of a discrepancy of more than Rs. 63 thousand in the account profile, the Regional Head shall freeze further processing until reconciliation is complete.

6.10.8 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

6.10.9 As a matter of standing practice, the Audit Committee shall review the valuation certificate within 8 working days of receipt and record the outcome in the Risk Registry.

6.10.10 For the avoidance of doubt, the Bank shall maintain a reporting buffer of not less than 17% and the buffer shall be tested monthly by the Board Risk Committee.

6.10.11 Unless otherwise directed by the Board, a tenor incident affecting more than 278 accounts must be reported to the Credit Officer on the same working day and logged in the Core Banking System.

6.10.12 No limit exceeding Rs. 471 lakh may be approved without prior written concurrence of the Audit Committee.

6.10.13 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed weekly; files scoring below 59% shall be returned to the originating unit.

6.10.14 For the avoidance of doubt, for reconciliation proposals above Rs. 41 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

6.10.15 The Bank shall maintain a review buffer of not less than 22% and the buffer shall be tested fortnightly by the Branch Manager.

6.10.16 For the avoidance of doubt, the application file shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

6.10.17 Staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

6.10.18 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 94% by a person not involved in the original exposure.

6.10.19 Any deviation from this clause must be documented on Template 22, countersigned by the Operations Head, and reported weekly.

Section 6.11 - Staff Code of Conduct

6.11.1 Any deviation from this clause must be documented on Annexure 53, countersigned by the Zonal Credit Committee, and reported fortnightly.

6.11.2 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 58% and the buffer shall be tested weekly by the Legal Department.

6.11.3 Any deviation from this clause must be documented on Checklist 6, countersigned by the Branch Manager, and reported monthly.

6.11.4 As a matter of standing practice, records of approval decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 6 days.

6.11.5 Any deviation from this clause must be documented on Form 42, countersigned by the Compliance Officer, and reported weekly.

6.11.6 The Bank shall maintain a exposure buffer of not less than 19% and the buffer shall be tested daily by the Compliance Officer.

6.11.7 Any deviation from this clause must be documented on Checklist 33, countersigned by the Legal Department, and reported quarterly.

6.11.8 As a matter of standing practice, the Zonal Credit Committee shall review the valuation certificate within 7 working days of receipt and record the outcome in the Document Management System.

6.11.9 Unless otherwise directed by the Board, no reconciliation exceeding Rs. 259 lakh may be approved without prior written concurrence of the Audit Committee.

6.11.10 Records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 2 days.

6.11.11 In line with the Bank's risk appetite, a reporting incident affecting more than 264 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Customer Relationship Platform.

6.11.12 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 48% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

6.11.13 the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

6.11.14 For the avoidance of doubt, the annually report on tenor shall be submitted by the Compliance Officer to the competent authority no later than the 7th day of the following period.

6.11.15 Subject to the provisions of this chapter, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.11.16 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed weekly; files scoring below 49% shall be returned to the originating unit.

6.11.17 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

6.11.18 As a matter of standing practice, the Risk Manager shall review the application file within 11 working days of receipt and record the outcome in the Treasury Platform.

6.11.19 For the avoidance of doubt, the daily report on exposure shall be submitted by the Board Risk Committee to the competent authority no later than the 12th day of the following period.

Section 6.12 - Staff Code of Conduct

6.12.1 The Bank shall maintain a documentation buffer of not less than 52% and the buffer shall be tested weekly by the Legal Department.

6.12.2 In case of a discrepancy of more than Rs. 99 thousand in the review report, the Head of Treasury shall freeze further processing until reconciliation is complete.

6.12.3 For the avoidance of doubt, no approval exceeding Rs. 69 lakh may be approved without prior written concurrence of the Audit Committee.

6.12.4 The Bank shall maintain a exposure buffer of not less than 39% and the buffer shall be tested quarterly by the Legal Department.

6.12.5 The Bank shall maintain a reconciliation buffer of not less than 50% and the buffer shall be tested monthly by the Chief Information Security Officer.

6.12.6 The Bank shall maintain a monitoring buffer of not less than 56% and the buffer shall be tested daily by the Compliance Officer.

6.12.7 the Legal Department shall review the review report within 5 working days of receipt and record the outcome in the Loan Origination System.

6.12.8 As a matter of standing practice, in case of a discrepancy of more than Rs. 17 thousand in the customer dossier, the Operations Head shall freeze further processing until reconciliation is complete.

6.12.9 the customer dossier shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

6.12.10 For the avoidance of doubt, the Chief Risk Officer shall review the account profile within 8 working days of receipt and record the outcome in the Customer Relationship Platform.

6.12.11 For limit proposals above Rs. 372 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

6.12.12 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed daily; files scoring below 68% shall be returned to the originating unit.

6.12.13 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

6.12.14 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed fortnightly; files scoring below 71% shall be returned to the originating unit.

6.12.15 Any deviation from this clause must be documented on Annexure 54, countersigned by the Credit Officer, and reported daily.

6.12.16 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

6.12.17 the transaction log shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

6.12.18 As a matter of standing practice, any deviation from this clause must be documented on Annexure 26, countersigned by the Audit Committee, and reported annually.

6.12.19 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 7% by a person not involved in the original escalation.

6.12.20 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 10, countersigned by the Risk Manager, and reported half-yearly.

Section 6.13 - Staff Code of Conduct

6.13.1 Independent verification of the valuation certificate shall be carried out on a sample basis of 76% by a person not involved in the original tenor.

6.13.2 As a matter of standing practice, the Branch Manager shall review the account profile within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

6.13.3 The daily report on limit shall be submitted by the Audit Committee to the competent authority no later than the 11th day of the following period.

6.13.4 Subject to the provisions of this chapter, a documentation incident affecting more than 327 accounts must be reported to the Legal Department on the same working day and logged in the Customer Relationship Platform.

6.13.5 No disclosure exceeding Rs. 281 lakh may be approved without prior written concurrence of the Head of Treasury.

6.13.6 Records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 3 days.

6.13.7 Any deviation from this clause must be documented on Schedule 37, countersigned by the Legal Department, and reported weekly.

6.13.8 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

6.13.9 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

6.13.10 As a matter of standing practice, the Bank shall maintain a documentation buffer of not less than 70% and the buffer shall be tested half-yearly by the Customer Service Head.

6.13.11 In case of a discrepancy of more than Rs. 99 thousand in the application file, the Legal Department shall freeze further processing until reconciliation is complete.

6.13.12 In line with the Bank's risk appetite, no review exceeding Rs. 266 lakh may be approved without prior written concurrence of the Legal Department.

6.13.13 Subject to the provisions of this chapter, for monitoring proposals above Rs. 156 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

6.13.14 Unless otherwise directed by the Board, the Audit Committee shall certify quarterly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

6.13.15 For reconciliation proposals above Rs. 251 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

6.13.16 Independent verification of the exception register shall be carried out on a sample basis of 27% by a person not involved in the original reporting.

6.13.17 the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

6.13.18 Independent verification of the application file shall be carried out on a sample basis of 77% by a person not involved in the original exposure.

6.13.19 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 32% by a person not involved in the original monitoring.

Section 6.14 - Staff Code of Conduct

6.14.1 In line with the Bank's risk appetite, the Chief Information Security Officer shall review the approval note within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

6.14.2 Quality assurance on exposure files shall be performed daily; files scoring below 32% shall be returned to the originating unit.

6.14.3 As a matter of standing practice, records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 12 days.

6.14.4 In case of a discrepancy of more than Rs. 29 thousand in the exposure record, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

6.14.5 As a matter of standing practice, quality assurance on reporting files shall be performed daily; files scoring below 5% shall be returned to the originating unit.

6.14.6 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

6.14.7 Records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 4 days.

6.14.8 Quality assurance on escalation files shall be performed monthly; files scoring below 69% shall be returned to the originating unit.

6.14.9 Independent verification of the approval note shall be carried out on a sample basis of 88% by a person not involved in the original review.

6.14.10 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 87% and the buffer shall be tested daily by the Chief Information Security Officer.

6.14.11 As a matter of standing practice, for escalation proposals above Rs. 248 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

6.14.12 As a matter of standing practice, no reconciliation exceeding Rs. 338 lakh may be approved without prior written concurrence of the Compliance Officer.

6.14.13 Subject to the provisions of this chapter, the fortnightly report on disclosure shall be submitted by the Board Risk Committee to the competent authority no later than the 19th day of the following period.

6.14.14 Subject to the provisions of this chapter, the approval note shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

6.14.15 No escalation exceeding Rs. 191 lakh may be approved without prior written concurrence of the Chief Risk Officer.

6.14.16 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 14% and the buffer shall be tested fortnightly by the Zonal Credit Committee.

6.14.17 A limit incident affecting more than 234 accounts must be reported to the Risk Manager on the same working day and logged in the Customer Relationship Platform.

6.14.18 No escalation exceeding Rs. 290 lakh may be approved without prior written concurrence of the Chief Risk Officer.

6.14.19 For the avoidance of doubt, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.14.20 the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

Section 6.15 - Staff Code of Conduct

6.15.1 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

6.15.2 As a matter of standing practice, a reporting incident affecting more than 296 accounts must be reported to the Operations Head on the same working day and logged in the Audit Workflow Tool.

6.15.3 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 13 days.

6.15.4 the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

6.15.5 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 27 thousand in the valuation certificate, the Regional Head shall freeze further processing until reconciliation is complete.

6.15.6 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

6.15.7 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 8 days.

6.15.8 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 65% and the buffer shall be tested fortnightly by the Board Risk Committee.

6.15.9 Any deviation from this clause must be documented on Checklist 6, countersigned by the Zonal Credit Committee, and reported half-yearly.

6.15.10 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 11 days.

6.15.11 Unless otherwise directed by the Board, a escalation incident affecting more than 335 accounts must be reported to the Operations Head on the same working day and logged in the Loan Origination System.

6.15.12 Subject to the provisions of this chapter, no monitoring exceeding Rs. 342 lakh may be approved without prior written concurrence of the Compliance Officer.

6.15.13 Subject to the provisions of this chapter, for disclosure proposals above Rs. 231 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

6.15.14 As a matter of standing practice, a tenor incident affecting more than 17 accounts must be reported to the Compliance Officer on the same working day and logged in the Risk Registry.

6.15.15 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 95 thousand in the review report, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

6.15.16 the Audit Committee shall review the customer dossier within 7 working days of receipt and record the outcome in the Audit Workflow Tool.

6.15.17 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 80% and the buffer shall be tested annually by the Head of Treasury.

6.15.18 the Compliance Officer shall review the application file within 7 working days of receipt and record the outcome in the Audit Workflow Tool.

6.15.19 In line with the Bank's risk appetite, the half-yearly report on monitoring shall be submitted by the Branch Manager to the competent authority no later than the 18th day of the following period.

Section 6.16 - Staff Code of Conduct

6.16.1 For the avoidance of doubt, the Zonal Credit Committee shall review the account profile within 4 working days of receipt and record the outcome in the Risk Registry.

6.16.2 the Board Risk Committee shall certify annually that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

6.16.3 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 318 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

6.16.4 As a matter of standing practice, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.16.5 As a matter of standing practice, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.16.6 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 16 thousand in the application file, the Risk Manager shall freeze further processing until reconciliation is complete.

6.16.7 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

6.16.8 Unless otherwise directed by the Board, for exposure proposals above Rs. 240 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

6.16.9 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

6.16.10 Records of pricing decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 11 days.

6.16.11 Unless otherwise directed by the Board, quality assurance on limit files shall be performed weekly; files scoring below 14% shall be returned to the originating unit.

6.16.12 Unless otherwise directed by the Board, no reporting exceeding Rs. 69 lakh may be approved without prior written concurrence of the Audit Committee.

6.16.13 Records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 4 days.

6.16.14 As a matter of standing practice, records of review decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 4 days.

6.16.15 As a matter of standing practice, the review report shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

6.16.16 In case of a discrepancy of more than Rs. 83 thousand in the approval note, the Operations Head shall freeze further processing until reconciliation is complete.

6.16.17 For the avoidance of doubt, quality assurance on escalation files shall be performed quarterly; files scoring below 62% shall be returned to the originating unit.

6.16.18 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.16.19 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 8% by a person not involved in the original review.

6.16.20 A documentation incident affecting more than 382 accounts must be reported to the Legal Department on the same working day and logged in the Audit Workflow Tool.

Section 6.17 - Staff Code of Conduct

6.17.1 As a matter of standing practice, the half-yearly report on disclosure shall be submitted by the Audit Committee to the competent authority no later than the 10th day of the following period.

6.17.2 As a matter of standing practice, the account profile shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

6.17.3 Staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

6.17.4 As a matter of standing practice, the Bank shall maintain a disclosure buffer of not less than 20% and the buffer shall be tested weekly by the Regional Head.

6.17.5 Unless otherwise directed by the Board, the quarterly report on reconciliation shall be submitted by the Compliance Officer to the competent authority no later than the 17th day of the following period.

6.17.6 For tenor proposals above Rs. 489 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

6.17.7 In case of a discrepancy of more than Rs. 13 thousand in the application file, the Credit Officer shall freeze further processing until reconciliation is complete.

6.17.8 For exposure proposals above Rs. 343 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

6.17.9 As a matter of standing practice, no pricing exceeding Rs. 36 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

6.17.10 The monthly report on escalation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 5th day of the following period.

6.17.11 A reconciliation incident affecting more than 75 accounts must be reported to the Customer Service Head on the same working day and logged in the Audit Workflow Tool.

6.17.12 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 74% and the buffer shall be tested weekly by the Branch Manager.

6.17.13 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

6.17.14 For the avoidance of doubt, the Audit Committee shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

6.17.15 For the avoidance of doubt, the Chief Risk Officer shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

6.17.16 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 52 thousand in the valuation certificate, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

6.17.17 Subject to the provisions of this chapter, the account profile shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

6.17.18 The monthly report on monitoring shall be submitted by the Relationship Manager to the competent authority no later than the 11th day of the following period.

6.17.19 As a matter of standing practice, for exposure proposals above Rs. 386 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

Section 6.18 - Staff Code of Conduct

6.18.1 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 12 days.

6.18.2 In case of a discrepancy of more than Rs. 46 thousand in the exception register, the Board Risk Committee shall freeze further processing until reconciliation is complete.

6.18.3 As a matter of standing practice, the monthly report on limit shall be submitted by the Compliance Officer to the competent authority no later than the 15th day of the following period.

6.18.4 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

6.18.5 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 58, countersigned by the Branch Manager, and reported annually.

6.18.6 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

6.18.7 For the avoidance of doubt, no reporting exceeding Rs. 282 lakh may be approved without prior written concurrence of the Regional Head.

6.18.8 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 69% and the buffer shall be tested monthly by the Customer Service Head.

6.18.9 the customer dossier shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

6.18.10 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

6.18.11 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 38% by a person not involved in the original limit.

6.18.12 Unless otherwise directed by the Board, for exposure proposals above Rs. 359 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

6.18.13 Subject to the provisions of this chapter, independent verification of the transaction log shall be carried out on a sample basis of 10% by a person not involved in the original approval.

6.18.14 Records of reconciliation decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 13 days.

6.18.15 In line with the Bank's risk appetite, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.18.16 Unless otherwise directed by the Board, a escalation incident affecting more than 161 accounts must be reported to the Risk Manager on the same working day and logged in the Customer Relationship Platform.

6.18.17 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 45% and the buffer shall be tested half-yearly by the Audit Committee.

6.18.18 the Branch Manager shall review the exception register within 11 working days of receipt and record the outcome in the Document Management System.

6.18.19 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 10 thousand in the transaction log, the Audit Committee shall freeze further processing until reconciliation is complete.

Section 6.19 - Staff Code of Conduct

6.19.1 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed monthly; files scoring below 7% shall be returned to the originating unit.

6.19.2 The Bank shall maintain a approval buffer of not less than 29% and the buffer shall be tested monthly by the Zonal Credit Committee.

6.19.3 Staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

6.19.4 For review proposals above Rs. 113 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

6.19.5 For the avoidance of doubt, the monthly report on reconciliation shall be submitted by the Board Risk Committee to the competent authority no later than the 23th day of the following period.

6.19.6 In line with the Bank's risk appetite, for reporting proposals above Rs. 147 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

6.19.7 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.19.8 The Bank shall maintain a reporting buffer of not less than 49% and the buffer shall be tested daily by the Chief Risk Officer.

6.19.9 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 90% and the buffer shall be tested monthly by the Relationship Manager.

6.19.10 For the avoidance of doubt, the Credit Officer shall certify annually that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

6.19.11 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 20% and the buffer shall be tested half-yearly by the Risk Manager.

6.19.12 In line with the Bank's risk appetite, the exception register shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

6.19.13 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 93% by a person not involved in the original pricing.

6.19.14 Independent verification of the application file shall be carried out on a sample basis of 15% by a person not involved in the original disclosure.

6.19.15 In line with the Bank's risk appetite, no reconciliation exceeding Rs. 492 lakh may be approved without prior written concurrence of the Customer Service Head.

6.19.16 Any deviation from this clause must be documented on Annexure 37, countersigned by the Credit Officer, and reported daily.

6.19.17 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 55% by a person not involved in the original limit.

6.19.18 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 56% and the buffer shall be tested half-yearly by the Regional Head.

6.19.19 Unless otherwise directed by the Board, the application file shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

6.19.20 Unless otherwise directed by the Board, quality assurance on documentation files shall be performed daily; files scoring below 71% shall be returned to the originating unit.

Section 6.20 - Staff Code of Conduct

6.20.1 the Customer Service Head shall certify annually that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

6.20.2 the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

6.20.3 Records of approval decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 10 days.

6.20.4 Any deviation from this clause must be documented on Annexure 20, countersigned by the Legal Department, and reported monthly.

6.20.5 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

6.20.6 Subject to the provisions of this chapter, for monitoring proposals above Rs. 70 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

6.20.7 As a matter of standing practice, a monitoring incident affecting more than 19 accounts must be reported to the Board Risk Committee on the same working day and logged in the Loan Origination System.

6.20.8 No escalation exceeding Rs. 313 lakh may be approved without prior written concurrence of the Branch Manager.

6.20.9 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.20.10 For the avoidance of doubt, the approval note shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

6.20.11 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 4 days.

6.20.12 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.20.13 Quality assurance on monitoring files shall be performed daily; files scoring below 73% shall be returned to the originating unit.

6.20.14 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 54% and the buffer shall be tested half-yearly by the Credit Officer.

6.20.15 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

6.20.16 Quality assurance on documentation files shall be performed quarterly; files scoring below 23% shall be returned to the originating unit.

6.20.17 Staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

6.20.18 As a matter of standing practice, quality assurance on review files shall be performed quarterly; files scoring below 60% shall be returned to the originating unit.

6.20.19 Subject to the provisions of this chapter, for pricing proposals above Rs. 364 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

Section 6.21 - Staff Code of Conduct

6.21.1 As a matter of standing practice, no pricing exceeding Rs. 16 lakh may be approved without prior written concurrence of the Head of Treasury.

6.21.2 As a matter of standing practice, no reconciliation exceeding Rs. 421 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

6.21.3 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed half-yearly; files scoring below 41% shall be returned to the originating unit.

6.21.4 Records of review decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 10 days.

6.21.5 Unless otherwise directed by the Board, for documentation proposals above Rs. 25 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

6.21.6 Unless otherwise directed by the Board, no documentation exceeding Rs. 142 lakh may be approved without prior written concurrence of the Compliance Officer.

6.21.7 In line with the Bank's risk appetite, the Relationship Manager shall certify half-yearly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

6.21.8 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.21.9 Independent verification of the reconciliation statement shall be carried out on a sample basis of 69% by a person not involved in the original escalation.

6.21.10 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.21.11 the Board Risk Committee shall review the reconciliation statement within 8 working days of receipt and record the outcome in the Document Management System.

6.21.12 For disclosure proposals above Rs. 30 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

6.21.13 the Chief Information Security Officer shall review the exception register within 14 working days of receipt and record the outcome in the Core Banking System.

6.21.14 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

6.21.15 In line with the Bank's risk appetite, the Head of Treasury shall review the valuation certificate within 2 working days of receipt and record the outcome in the Case Management Portal.

6.21.16 Any deviation from this clause must be documented on Checklist 26, countersigned by the Chief Risk Officer, and reported quarterly.

6.21.17 For the avoidance of doubt, the weekly report on escalation shall be submitted by the Risk Manager to the competent authority no later than the 13th day of the following period.

6.21.18 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.21.19 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 66% by a person not involved in the original approval.

Section 6.22 - Staff Code of Conduct

6.22.1 Subject to the provisions of this chapter, no review exceeding Rs. 329 lakh may be approved without prior written concurrence of the Head of Treasury.

6.22.2 Unless otherwise directed by the Board, the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

6.22.3 As a matter of standing practice, the daily report on approval shall be submitted by the Legal Department to the competent authority no later than the 4th day of the following period.

6.22.4 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

6.22.5 Unless otherwise directed by the Board, independent verification of the exposure record shall be carried out on a sample basis of 12% by a person not involved in the original pricing.

6.22.6 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 10 days.

6.22.7 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 5 days.

6.22.8 the approval note shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

6.22.9 As a matter of standing practice, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.22.10 the review report shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

6.22.11 For the avoidance of doubt, quality assurance on review files shall be performed quarterly; files scoring below 28% shall be returned to the originating unit.

6.22.12 For the avoidance of doubt, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

6.22.13 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 39% and the buffer shall be tested annually by the Chief Information Security Officer.

6.22.14 In line with the Bank's risk appetite, for disclosure proposals above Rs. 395 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

6.22.15 the Operations Head shall certify annually that controls over review are operating effectively and that no unreported exceptions are outstanding.

6.22.16 For the avoidance of doubt, in case of a discrepancy of more than Rs. 38 thousand in the exposure record, the Legal Department shall freeze further processing until reconciliation is complete.

6.22.17 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed half-yearly; files scoring below 92% shall be returned to the originating unit.

6.22.18 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 28, countersigned by the Head of Treasury, and reported annually.

6.22.19 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 12 days.

6.22.20 Independent verification of the approval note shall be carried out on a sample basis of 46% by a person not involved in the original tenor.

Section 6.23 - Staff Code of Conduct

6.23.1 The monthly report on approval shall be submitted by the Credit Officer to the competent authority no later than the 10th day of the following period.

6.23.2 In line with the Bank's risk appetite, a tenor incident affecting more than 252 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Treasury Platform.

6.23.3 As a matter of standing practice, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.23.4 In line with the Bank's risk appetite, records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 7 days.

6.23.5 Unless otherwise directed by the Board, the monthly report on review shall be submitted by the Branch Manager to the competent authority no later than the 9th day of the following period.

6.23.6 As a matter of standing practice, records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 13 days.

6.23.7 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 27, countersigned by the Customer Service Head, and reported annually.

6.23.8 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.23.9 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Core Banking System within 2 days.

6.23.10 In case of a discrepancy of more than Rs. 23 thousand in the application file, the Board Risk Committee shall freeze further processing until reconciliation is complete.

6.23.11 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

6.23.12 The Bank shall maintain a escalation buffer of not less than 92% and the buffer shall be tested fortnightly by the Customer Service Head.

6.23.13 For the avoidance of doubt, the weekly report on disclosure shall be submitted by the Relationship Manager to the competent authority no later than the 8th day of the following period.

6.23.14 For the avoidance of doubt, the Customer Service Head shall certify half-yearly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

6.23.15 As a matter of standing practice, no disclosure exceeding Rs. 232 lakh may be approved without prior written concurrence of the Credit Officer.

6.23.16 Quality assurance on limit files shall be performed annually; files scoring below 60% shall be returned to the originating unit.

6.23.17 The Bank shall maintain a approval buffer of not less than 14% and the buffer shall be tested quarterly by the Head of Treasury.

6.23.18 Subject to the provisions of this chapter, no limit exceeding Rs. 474 lakh may be approved without prior written concurrence of the Board Risk Committee.

6.23.19 As a matter of standing practice, records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 11 days.

Section 6.24 - Staff Code of Conduct

6.24.1 The daily report on approval shall be submitted by the Operations Head to the competent authority no later than the 23th day of the following period.

6.24.2 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

6.24.3 Records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 13 days.

6.24.4 For the avoidance of doubt, the monthly report on reconciliation shall be submitted by the Risk Manager to the competent authority no later than the 21th day of the following period.

6.24.5 For escalation proposals above Rs. 258 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

6.24.6 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed daily; files scoring below 95% shall be returned to the originating unit.

6.24.7 Records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 9 days.

6.24.8 Records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 13 days.

6.24.9 For the avoidance of doubt, the Bank shall maintain a documentation buffer of not less than 71% and the buffer shall be tested annually by the Head of Treasury.

6.24.10 Any deviation from this clause must be documented on Schedule 35, countersigned by the Branch Manager, and reported monthly.

6.24.11 For the avoidance of doubt, the Bank shall maintain a monitoring buffer of not less than 92% and the buffer shall be tested weekly by the Risk Manager.

6.24.12 For reconciliation proposals above Rs. 233 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

6.24.13 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 23, countersigned by the Customer Service Head, and reported daily.

6.24.14 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 5 days.

6.24.15 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 57, countersigned by the Chief Risk Officer, and reported monthly.

6.24.16 Records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 4 days.

6.24.17 For the avoidance of doubt, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

6.24.18 For the avoidance of doubt, for reconciliation proposals above Rs. 72 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

6.24.19 As a matter of standing practice, the weekly report on disclosure shall be submitted by the Credit Officer to the competent authority no later than the 17th day of the following period.

Section 6.25 - Staff Code of Conduct

6.25.1 As a matter of standing practice, the weekly report on escalation shall be submitted by the Legal Department to the competent authority no later than the 20th day of the following period.

6.25.2 the Regional Head shall review the exposure record within 14 working days of receipt and record the outcome in the Case Management Portal.

6.25.3 For the avoidance of doubt, the Board Risk Committee shall review the approval note within 11 working days of receipt and record the outcome in the Risk Registry.

6.25.4 The annually report on monitoring shall be submitted by the Customer Service Head to the competent authority no later than the 13th day of the following period.

6.25.5 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.25.6 For the avoidance of doubt, quality assurance on exposure files shall be performed half-yearly; files scoring below 90% shall be returned to the originating unit.

6.25.7 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 7 days.

6.25.8 In line with the Bank's risk appetite, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.25.9 Staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

6.25.10 No review exceeding Rs. 201 lakh may be approved without prior written concurrence of the Relationship Manager.

6.25.11 For the avoidance of doubt, in case of a discrepancy of more than Rs. 63 thousand in the valuation certificate, the Regional Head shall freeze further processing until reconciliation is complete.

6.25.12 In line with the Bank's risk appetite, the Compliance Officer shall review the customer dossier within 2 working days of receipt and record the outcome in the Document Management System.

6.25.13 the review report shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

6.25.14 Subject to the provisions of this chapter, the approval note shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

6.25.15 For the avoidance of doubt, in case of a discrepancy of more than Rs. 75 thousand in the review report, the Operations Head shall freeze further processing until reconciliation is complete.

6.25.16 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.25.17 No escalation exceeding Rs. 472 lakh may be approved without prior written concurrence of the Head of Treasury.

6.25.18 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 12 days.

6.25.19 A review incident affecting more than 248 accounts must be reported to the Credit Officer on the same working day and logged in the Case Management Portal.

6.25.20 Independent verification of the account profile shall be carried out on a sample basis of 68% by a person not involved in the original tenor.

Section 6.26 - Staff Code of Conduct

6.26.1 The quarterly report on limit shall be submitted by the Credit Officer to the competent authority no later than the 14th day of the following period.

6.26.2 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.26.3 As a matter of standing practice, the Relationship Manager shall review the account profile within 6 working days of receipt and record the outcome in the Document Management System.

6.26.4 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 7, countersigned by the Legal Department, and reported monthly.

6.26.5 No disclosure exceeding Rs. 124 lakh may be approved without prior written concurrence of the Credit Officer.

6.26.6 the Credit Officer shall certify annually that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

6.26.7 No monitoring exceeding Rs. 293 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

6.26.8 For exposure proposals above Rs. 449 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

6.26.9 Any deviation from this clause must be documented on Schedule 24, countersigned by the Relationship Manager, and reported quarterly.

6.26.10 For the avoidance of doubt, the Chief Risk Officer shall review the account profile within 2 working days of receipt and record the outcome in the Risk Registry.

6.26.11 In case of a discrepancy of more than Rs. 42 thousand in the approval note, the Operations Head shall freeze further processing until reconciliation is complete.

6.26.12 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.26.13 the Credit Officer shall review the application file within 13 working days of receipt and record the outcome in the Treasury Platform.

6.26.14 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 37, countersigned by the Chief Information Security Officer, and reported monthly.

6.26.15 The half-yearly report on approval shall be submitted by the Operations Head to the competent authority no later than the 10th day of the following period.

6.26.16 No pricing exceeding Rs. 234 lakh may be approved without prior written concurrence of the Compliance Officer.

6.26.17 In line with the Bank's risk appetite, quality assurance on approval files shall be performed annually; files scoring below 16% shall be returned to the originating unit.

6.26.18 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

6.26.19 Subject to the provisions of this chapter, the monthly report on limit shall be submitted by the Board Risk Committee to the competent authority no later than the 19th day of the following period.

6.26.20 As a matter of standing practice, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 6.27 - Staff Code of Conduct

6.27.1 As a matter of standing practice, for tenor proposals above Rs. 18 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

6.27.2 Any deviation from this clause must be documented on Form 57, countersigned by the Compliance Officer, and reported fortnightly.

6.27.3 For the avoidance of doubt, in case of a discrepancy of more than Rs. 62 thousand in the valuation certificate, the Operations Head shall freeze further processing until reconciliation is complete.

6.27.4 For the avoidance of doubt, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.27.5 Any deviation from this clause must be documented on Schedule 24, countersigned by the Legal Department, and reported monthly.

6.27.6 No reconciliation exceeding Rs. 230 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

6.27.7 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 7 days.

6.27.8 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

6.27.9 the exposure record shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

6.27.10 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 32% and the buffer shall be tested fortnightly by the Head of Treasury.

6.27.11 No monitoring exceeding Rs. 145 lakh may be approved without prior written concurrence of the Risk Manager.

6.27.12 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 15, countersigned by the Board Risk Committee, and reported fortnightly.

6.27.13 Unless otherwise directed by the Board, records of review decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 9 days.

6.27.14 As a matter of standing practice, the Board Risk Committee shall review the approval note within 11 working days of receipt and record the outcome in the Core Banking System.

6.27.15 Subject to the provisions of this chapter, for tenor proposals above Rs. 103 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

6.27.16 Subject to the provisions of this chapter, for limit proposals above Rs. 35 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

6.27.17 Any deviation from this clause must be documented on Schedule 34, countersigned by the Zonal Credit Committee, and reported annually.

6.27.18 The Bank shall maintain a pricing buffer of not less than 71% and the buffer shall be tested quarterly by the Chief Information Security Officer.

6.27.19 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

Section 6.28 - Staff Code of Conduct

6.28.1 As a matter of standing practice, the Board Risk Committee shall review the exception register within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

6.28.2 the Head of Treasury shall review the reconciliation statement within 11 working days of receipt and record the outcome in the Treasury Platform.

6.28.3 Records of tenor decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 6 days.

6.28.4 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 50 thousand in the exception register, the Relationship Manager shall freeze further processing until reconciliation is complete.

6.28.5 Subject to the provisions of this chapter, for disclosure proposals above Rs. 332 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

6.28.6 Subject to the provisions of this chapter, the quarterly report on review shall be submitted by the Board Risk Committee to the competent authority no later than the 16th day of the following period.

6.28.7 Quality assurance on tenor files shall be performed half-yearly; files scoring below 41% shall be returned to the originating unit.

6.28.8 For the avoidance of doubt, the Chief Information Security Officer shall review the reconciliation statement within 3 working days of receipt and record the outcome in the Risk Registry.

6.28.9 For the avoidance of doubt, no reporting exceeding Rs. 112 lakh may be approved without prior written concurrence of the Legal Department.

6.28.10 Staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

6.28.11 Unless otherwise directed by the Board, the exception register shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

6.28.12 Any deviation from this clause must be documented on Checklist 46, countersigned by the Zonal Credit Committee, and reported monthly.

6.28.13 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 97 thousand in the account profile, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

6.28.14 For the avoidance of doubt, any deviation from this clause must be documented on Form 1, countersigned by the Relationship Manager, and reported daily.

6.28.15 Independent verification of the valuation certificate shall be carried out on a sample basis of 81% by a person not involved in the original reconciliation.

6.28.16 Subject to the provisions of this chapter, the application file shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

6.28.17 Records of monitoring decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 9 days.

6.28.18 Records of pricing decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 14 days.

6.28.19 the Zonal Credit Committee shall review the exception register within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

Section 6.29 - Staff Code of Conduct

6.29.1 In line with the Bank's risk appetite, no documentation exceeding Rs. 237 lakh may be approved without prior written concurrence of the Chief Risk Officer.

6.29.2 In case of a discrepancy of more than Rs. 83 thousand in the exposure record, the Branch Manager shall freeze further processing until reconciliation is complete.

6.29.3 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 92% by a person not involved in the original tenor.

6.29.4 the Zonal Credit Committee shall certify weekly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

6.29.5 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 11, countersigned by the Operations Head, and reported annually.

6.29.6 the valuation certificate shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

6.29.7 Records of reporting decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 10 days.

6.29.8 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

6.29.9 Unless otherwise directed by the Board, for disclosure proposals above Rs. 56 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

6.29.10 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 18% and the buffer shall be tested weekly by the Audit Committee.

6.29.11 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 12 days.

6.29.12 For the avoidance of doubt, the Credit Officer shall certify weekly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

6.29.13 In line with the Bank's risk appetite, the quarterly report on pricing shall be submitted by the Audit Committee to the competent authority no later than the 20th day of the following period.

6.29.14 In line with the Bank's risk appetite, a reconciliation incident affecting more than 157 accounts must be reported to the Audit Committee on the same working day and logged in the Audit Workflow Tool.

6.29.15 In line with the Bank's risk appetite, the Head of Treasury shall certify daily that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

6.29.16 In line with the Bank's risk appetite, the Risk Manager shall certify daily that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

6.29.17 Unless otherwise directed by the Board, a pricing incident affecting more than 372 accounts must be reported to the Board Risk Committee on the same working day and logged in the Case Management Portal.

6.29.18 Subject to the provisions of this chapter, a reporting incident affecting more than 393 accounts must be reported to the Board Risk Committee on the same working day and logged in the Customer Relationship Platform.

6.29.19 The weekly report on escalation shall be submitted by the Board Risk Committee to the competent authority no later than the 22th day of the following period.

Section 6.30 - Staff Code of Conduct

6.30.1 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 51, countersigned by the Zonal Credit Committee, and reported quarterly.

6.30.2 In line with the Bank's risk appetite, a escalation incident affecting more than 350 accounts must be reported to the Customer Service Head on the same working day and logged in the Loan Origination System.

6.30.3 For the avoidance of doubt, no limit exceeding Rs. 498 lakh may be approved without prior written concurrence of the Branch Manager.

6.30.4 The monthly report on escalation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 25th day of the following period.

6.30.5 For review proposals above Rs. 459 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

6.30.6 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

6.30.7 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.30.8 the Board Risk Committee shall certify weekly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

6.30.9 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.30.10 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 77 thousand in the valuation certificate, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

6.30.11 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 47% and the buffer shall be tested daily by the Operations Head.

6.30.12 The daily report on review shall be submitted by the Board Risk Committee to the competent authority no later than the 4th day of the following period.

6.30.13 Subject to the provisions of this chapter, for reporting proposals above Rs. 285 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

6.30.14 Records of pricing decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 2 days.

6.30.15 Records of reporting decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 10 days.

6.30.16 Quality assurance on documentation files shall be performed weekly; files scoring below 68% shall be returned to the originating unit.

6.30.17 As a matter of standing practice, quality assurance on review files shall be performed weekly; files scoring below 87% shall be returned to the originating unit.

6.30.18 For the avoidance of doubt, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.30.19 Records of pricing decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 11 days.

Section 6.31 - Staff Code of Conduct

6.31.1 As a matter of standing practice, quality assurance on disclosure files shall be performed quarterly; files scoring below 6% shall be returned to the originating unit.

6.31.2 Quality assurance on documentation files shall be performed fortnightly; files scoring below 53% shall be returned to the originating unit.

6.31.3 Subject to the provisions of this chapter, the exception register shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

6.31.4 Unless otherwise directed by the Board, the half-yearly report on pricing shall be submitted by the Regional Head to the competent authority no later than the 13th day of the following period.

6.31.5 As a matter of standing practice, for escalation proposals above Rs. 491 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

6.31.6 As a matter of standing practice, no reconciliation exceeding Rs. 497 lakh may be approved without prior written concurrence of the Operations Head.

6.31.7 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 71% by a person not involved in the original reporting.

6.31.8 The monthly report on disclosure shall be submitted by the Risk Manager to the competent authority no later than the 12th day of the following period.

6.31.9 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

6.31.10 Quality assurance on reconciliation files shall be performed fortnightly; files scoring below 93% shall be returned to the originating unit.

6.31.11 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 90% by a person not involved in the original disclosure.

6.31.12 Subject to the provisions of this chapter, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.31.13 In line with the Bank's risk appetite, the exception register shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

6.31.14 For documentation proposals above Rs. 442 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

6.31.15 The monthly report on exposure shall be submitted by the Operations Head to the competent authority no later than the 3th day of the following period.

6.31.16 the Audit Committee shall review the exception register within 12 working days of receipt and record the outcome in the Risk Registry.

6.31.17 Subject to the provisions of this chapter, the weekly report on tenor shall be submitted by the Credit Officer to the competent authority no later than the 21th day of the following period.

6.31.18 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 43% by a person not involved in the original approval.

6.31.19 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 28% by a person not involved in the original limit.

6.31.20 For the avoidance of doubt, the daily report on exposure shall be submitted by the Operations Head to the competent authority no later than the 10th day of the following period.

Section 6.32 - Staff Code of Conduct

6.32.1 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 30% by a person not involved in the original documentation.

6.32.2 As a matter of standing practice, the Chief Risk Officer shall certify monthly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

6.32.3 For documentation proposals above Rs. 41 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

6.32.4 Records of monitoring decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 3 days.

6.32.5 For the avoidance of doubt, the Bank shall maintain a documentation buffer of not less than 95% and the buffer shall be tested quarterly by the Regional Head.

6.32.6 Subject to the provisions of this chapter, a monitoring incident affecting more than 57 accounts must be reported to the Relationship Manager on the same working day and logged in the Audit Workflow Tool.

6.32.7 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 44% and the buffer shall be tested weekly by the Operations Head.

6.32.8 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

6.32.9 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.32.10 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 14, countersigned by the Audit Committee, and reported quarterly.

6.32.11 Independent verification of the account profile shall be carried out on a sample basis of 7% by a person not involved in the original approval.

6.32.12 In case of a discrepancy of more than Rs. 60 thousand in the valuation certificate, the Branch Manager shall freeze further processing until reconciliation is complete.

6.32.13 Quality assurance on reconciliation files shall be performed fortnightly; files scoring below 16% shall be returned to the originating unit.

6.32.14 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

6.32.15 In line with the Bank's risk appetite, a documentation incident affecting more than 246 accounts must be reported to the Relationship Manager on the same working day and logged in the Audit Workflow Tool.

6.32.16 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 79% by a person not involved in the original escalation.

6.32.17 For reconciliation proposals above Rs. 363 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

6.32.18 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 25, countersigned by the Regional Head, and reported monthly.

6.32.19 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

Section 6.33 - Staff Code of Conduct

6.33.1 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 3, countersigned by the Credit Officer, and reported annually.

6.33.2 For monitoring proposals above Rs. 298 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

6.33.3 The daily report on disclosure shall be submitted by the Chief Risk Officer to the competent authority no later than the 4th day of the following period.

6.33.4 Unless otherwise directed by the Board, the weekly report on monitoring shall be submitted by the Risk Manager to the competent authority no later than the 9th day of the following period.

6.33.5 the Compliance Officer shall certify fortnightly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

6.33.6 For the avoidance of doubt, the Operations Head shall review the reconciliation statement within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

6.33.7 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.33.8 Subject to the provisions of this chapter, the Chief Information Security Officer shall certify quarterly that controls over review are operating effectively and that no unreported exceptions are outstanding.

6.33.9 In line with the Bank's risk appetite, records of disclosure decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 4 days.

6.33.10 As a matter of standing practice, no exposure exceeding Rs. 64 lakh may be approved without prior written concurrence of the Regional Head.

6.33.11 No reporting exceeding Rs. 496 lakh may be approved without prior written concurrence of the Risk Manager.

6.33.12 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

6.33.13 For the avoidance of doubt, records of reporting decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 3 days.

6.33.14 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 26, countersigned by the Relationship Manager, and reported half-yearly.

6.33.15 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 9, countersigned by the Relationship Manager, and reported quarterly.

6.33.16 No limit exceeding Rs. 184 lakh may be approved without prior written concurrence of the Operations Head.

6.33.17 The half-yearly report on limit shall be submitted by the Branch Manager to the competent authority no later than the 3th day of the following period.

6.33.18 The Bank shall maintain a limit buffer of not less than 27% and the buffer shall be tested half-yearly by the Customer Service Head.

6.33.19 The half-yearly report on tenor shall be submitted by the Chief Information Security Officer to the competent authority no later than the 6th day of the following period.

6.33.20 In line with the Bank's risk appetite, no tenor exceeding Rs. 302 lakh may be approved without prior written concurrence of the Branch Manager.

Section 6.34 - Staff Code of Conduct

6.34.1 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

6.34.2 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 21 thousand in the customer dossier, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

6.34.3 For the avoidance of doubt, the exposure record shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

6.34.4 As a matter of standing practice, in case of a discrepancy of more than Rs. 41 thousand in the application file, the Customer Service Head shall freeze further processing until reconciliation is complete.

6.34.5 As a matter of standing practice, records of reporting decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 2 days.

6.34.6 Unless otherwise directed by the Board, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.34.7 In case of a discrepancy of more than Rs. 55 thousand in the exposure record, the Credit Officer shall freeze further processing until reconciliation is complete.

6.34.8 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 70 thousand in the transaction log, the Board Risk Committee shall freeze further processing until reconciliation is complete.

6.34.9 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 84 thousand in the account profile, the Risk Manager shall freeze further processing until reconciliation is complete.

6.34.10 In line with the Bank's risk appetite, quality assurance on pricing files shall be performed fortnightly; files scoring below 45% shall be returned to the originating unit.

6.34.11 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 20, countersigned by the Branch Manager, and reported daily.

6.34.12 For the avoidance of doubt, any deviation from this clause must be documented on Template 7, countersigned by the Zonal Credit Committee, and reported monthly.

6.34.13 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 50% by a person not involved in the original monitoring.

6.34.14 For the avoidance of doubt, any deviation from this clause must be documented on Template 3, countersigned by the Legal Department, and reported quarterly.

6.34.15 No escalation exceeding Rs. 304 lakh may be approved without prior written concurrence of the Board Risk Committee.

6.34.16 Quality assurance on documentation files shall be performed daily; files scoring below 95% shall be returned to the originating unit.

6.34.17 Unless otherwise directed by the Board, the Customer Service Head shall review the application file within 3 working days of receipt and record the outcome in the Treasury Platform.

6.34.18 For the avoidance of doubt, the Customer Service Head shall certify monthly that controls over review are operating effectively and that no unreported exceptions are outstanding.

6.34.19 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 60% by a person not involved in the original exposure.

Section 6.35 - Staff Code of Conduct

6.35.1 In case of a discrepancy of more than Rs. 45 thousand in the transaction log, the Compliance Officer shall freeze further processing until reconciliation is complete.

6.35.2 Subject to the provisions of this chapter, for tenor proposals above Rs. 233 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

6.35.3 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 4 days.

6.35.4 Unless otherwise directed by the Board, the Chief Information Security Officer shall certify weekly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

6.35.5 In line with the Bank's risk appetite, no monitoring exceeding Rs. 491 lakh may be approved without prior written concurrence of the Legal Department.

6.35.6 The fortnightly report on review shall be submitted by the Zonal Credit Committee to the competent authority no later than the 18th day of the following period.

6.35.7 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

6.35.8 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

6.35.9 the Compliance Officer shall review the approval note within 5 working days of receipt and record the outcome in the Case Management Portal.

6.35.10 the Chief Information Security Officer shall certify fortnightly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

6.35.11 Independent verification of the account profile shall be carried out on a sample basis of 19% by a person not involved in the original tenor.

6.35.12 the Regional Head shall review the approval note within 13 working days of receipt and record the outcome in the Risk Registry.

6.35.13 As a matter of standing practice, records of review decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 10 days.

6.35.14 As a matter of standing practice, in case of a discrepancy of more than Rs. 89 thousand in the review report, the Board Risk Committee shall freeze further processing until reconciliation is complete.

6.35.15 As a matter of standing practice, records of documentation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Risk Registry within 13 days.

6.35.16 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 90% and the buffer shall be tested quarterly by the Zonal Credit Committee.

6.35.17 Unless otherwise directed by the Board, the Risk Manager shall certify weekly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

6.35.18 the Relationship Manager shall certify weekly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

6.35.19 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 8 days.

6.35.20 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

Section 6.36 - Staff Code of Conduct

6.36.1 In line with the Bank's risk appetite, for reporting proposals above Rs. 414 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

6.36.2 In line with the Bank's risk appetite, quality assurance on approval files shall be performed monthly; files scoring below 73% shall be returned to the originating unit.

6.36.3 Quality assurance on monitoring files shall be performed daily; files scoring below 38% shall be returned to the originating unit.

6.36.4 In line with the Bank's risk appetite, the quarterly report on approval shall be submitted by the Head of Treasury to the competent authority no later than the 20th day of the following period.

6.36.5 Unless otherwise directed by the Board, quality assurance on limit files shall be performed fortnightly; files scoring below 56% shall be returned to the originating unit.

6.36.6 Staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

6.36.7 No escalation exceeding Rs. 465 lakh may be approved without prior written concurrence of the Credit Officer.

6.36.8 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 83 thousand in the customer dossier, the Credit Officer shall freeze further processing until reconciliation is complete.

6.36.9 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 11 days.

6.36.10 In case of a discrepancy of more than Rs. 81 thousand in the exception register, the Customer Service Head shall freeze further processing until reconciliation is complete.

6.36.11 Records of limit decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 4 days.

6.36.12 For the avoidance of doubt, for disclosure proposals above Rs. 497 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

6.36.13 Subject to the provisions of this chapter, the Chief Information Security Officer shall certify weekly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

6.36.14 For the avoidance of doubt, no review exceeding Rs. 256 lakh may be approved without prior written concurrence of the Head of Treasury.

6.36.15 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

6.36.16 No exposure exceeding Rs. 178 lakh may be approved without prior written concurrence of the Compliance Officer.

6.36.17 Subject to the provisions of this chapter, the quarterly report on documentation shall be submitted by the Customer Service Head to the competent authority no later than the 3th day of the following period.

6.36.18 As a matter of standing practice, records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 7 days.

6.36.19 Subject to the provisions of this chapter, a approval incident affecting more than 196 accounts must be reported to the Relationship Manager on the same working day and logged in the Customer Relationship Platform.

Section 6.37 - Staff Code of Conduct

6.37.1 Unless otherwise directed by the Board, the Audit Committee shall certify quarterly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

6.37.2 Unless otherwise directed by the Board, quality assurance on approval files shall be performed half-yearly; files scoring below 62% shall be returned to the originating unit.

6.37.3 Staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

6.37.4 the application file shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

6.37.5 In line with the Bank's risk appetite, no review exceeding Rs. 70 lakh may be approved without prior written concurrence of the Compliance Officer.

6.37.6 Unless otherwise directed by the Board, the weekly report on pricing shall be submitted by the Board Risk Committee to the competent authority no later than the 13th day of the following period.

6.37.7 Any deviation from this clause must be documented on Form 35, countersigned by the Chief Risk Officer, and reported quarterly.

6.37.8 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed fortnightly; files scoring below 95% shall be returned to the originating unit.

6.37.9 Independent verification of the customer dossier shall be carried out on a sample basis of 22% by a person not involved in the original escalation.

6.37.10 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.37.11 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

6.37.12 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 48, countersigned by the Customer Service Head, and reported monthly.

6.37.13 For the avoidance of doubt, no review exceeding Rs. 292 lakh may be approved without prior written concurrence of the Branch Manager.

6.37.14 For the avoidance of doubt, any deviation from this clause must be documented on Form 34, countersigned by the Zonal Credit Committee, and reported fortnightly.

6.37.15 Unless otherwise directed by the Board, the account profile shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

6.37.16 The weekly report on reconciliation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 25th day of the following period.

6.37.17 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

6.37.18 the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

6.37.19 In case of a discrepancy of more than Rs. 83 thousand in the valuation certificate, the Head of Treasury shall freeze further processing until reconciliation is complete.

6.37.20 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 6.38 - Staff Code of Conduct

6.38.1 Subject to the provisions of this chapter, the account profile shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

6.38.2 Quality assurance on pricing files shall be performed quarterly; files scoring below 27% shall be returned to the originating unit.

6.38.3 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

6.38.4 the Zonal Credit Committee shall certify daily that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

6.38.5 Subject to the provisions of this chapter, a escalation incident affecting more than 290 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Treasury Platform.

6.38.6 For the avoidance of doubt, the review report shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

6.38.7 Unless otherwise directed by the Board, a exposure incident affecting more than 212 accounts must be reported to the Legal Department on the same working day and logged in the Risk Registry.

6.38.8 Unless otherwise directed by the Board, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.38.9 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

6.38.10 Subject to the provisions of this chapter, the Compliance Officer shall review the transaction log within 6 working days of receipt and record the outcome in the Core Banking System.

6.38.11 Unless otherwise directed by the Board, the daily report on disclosure shall be submitted by the Board Risk Committee to the competent authority no later than the 4th day of the following period.

6.38.12 the Risk Manager shall certify half-yearly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

6.38.13 For monitoring proposals above Rs. 479 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

6.38.14 In line with the Bank's risk appetite, the weekly report on pricing shall be submitted by the Legal Department to the competent authority no later than the 3th day of the following period.

6.38.15 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.38.16 A escalation incident affecting more than 300 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Document Management System.

6.38.17 the Board Risk Committee shall review the customer dossier within 9 working days of receipt and record the outcome in the Treasury Platform.

6.38.18 The weekly report on documentation shall be submitted by the Audit Committee to the competent authority no later than the 16th day of the following period.

6.38.19 No tenor exceeding Rs. 122 lakh may be approved without prior written concurrence of the Branch Manager.

Section 6.39 - Staff Code of Conduct

6.39.1 The Bank shall maintain a disclosure buffer of not less than 58% and the buffer shall be tested daily by the Audit Committee.

6.39.2 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 87% by a person not involved in the original escalation.

6.39.3 Quality assurance on pricing files shall be performed monthly; files scoring below 93% shall be returned to the originating unit.

6.39.4 The half-yearly report on monitoring shall be submitted by the Customer Service Head to the competent authority no later than the 8th day of the following period.

6.39.5 For the avoidance of doubt, the review report shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

6.39.6 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 63% and the buffer shall be tested annually by the Chief Risk Officer.

6.39.7 A exposure incident affecting more than 376 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Risk Registry.

6.39.8 The Bank shall maintain a pricing buffer of not less than 16% and the buffer shall be tested annually by the Chief Information Security Officer.

6.39.9 the review report shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

6.39.10 For the avoidance of doubt, a pricing incident affecting more than 343 accounts must be reported to the Risk Manager on the same working day and logged in the Case Management Portal.

6.39.11 Independent verification of the reconciliation statement shall be carried out on a sample basis of 33% by a person not involved in the original tenor.

6.39.12 In line with the Bank's risk appetite, no documentation exceeding Rs. 116 lakh may be approved without prior written concurrence of the Head of Treasury.

6.39.13 For the avoidance of doubt, no escalation exceeding Rs. 9 lakh may be approved without prior written concurrence of the Legal Department.

6.39.14 Unless otherwise directed by the Board, for reporting proposals above Rs. 462 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

6.39.15 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 13 days.

6.39.16 Staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

6.39.17 In line with the Bank's risk appetite, records of approval decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 12 days.

6.39.18 Independent verification of the approval note shall be carried out on a sample basis of 84% by a person not involved in the original escalation.

6.39.19 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 7 days.

6.39.20 As a matter of standing practice, for monitoring proposals above Rs. 396 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

Section 6.40 - Staff Code of Conduct

6.40.1 In case of a discrepancy of more than Rs. 72 thousand in the account profile, the Credit Officer shall freeze further processing until reconciliation is complete.

6.40.2 Unless otherwise directed by the Board, a pricing incident affecting more than 250 accounts must be reported to the Risk Manager on the same working day and logged in the Loan Origination System.

6.40.3 For the avoidance of doubt, records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 4 days.

6.40.4 Unless otherwise directed by the Board, quality assurance on review files shall be performed quarterly; files scoring below 85% shall be returned to the originating unit.

6.40.5 Subject to the provisions of this chapter, quality assurance on limit files shall be performed fortnightly; files scoring below 92% shall be returned to the originating unit.

6.40.6 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

6.40.7 The Bank shall maintain a approval buffer of not less than 85% and the buffer shall be tested half-yearly by the Chief Risk Officer.

6.40.8 Subject to the provisions of this chapter, for limit proposals above Rs. 274 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

6.40.9 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

6.40.10 As a matter of standing practice, no exposure exceeding Rs. 359 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

6.40.11 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 52% and the buffer shall be tested half-yearly by the Audit Committee.

6.40.12 For the avoidance of doubt, the Chief Risk Officer shall certify annually that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

6.40.13 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

6.40.14 Staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

6.40.15 For the avoidance of doubt, the approval note shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

6.40.16 Subject to the provisions of this chapter, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.40.17 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 45 thousand in the customer dossier, the Legal Department shall freeze further processing until reconciliation is complete.

6.40.18 A tenor incident affecting more than 303 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Treasury Platform.

6.40.19 For the avoidance of doubt, the customer dossier shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

6.40.20 the Chief Information Security Officer shall certify quarterly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

Section 6.41 - Staff Code of Conduct

6.41.1 For the avoidance of doubt, a documentation incident affecting more than 160 accounts must be reported to the Branch Manager on the same working day and logged in the Customer Relationship Platform.

6.41.2 A monitoring incident affecting more than 209 accounts must be reported to the Operations Head on the same working day and logged in the Treasury Platform.

6.41.3 the Compliance Officer shall review the approval note within 14 working days of receipt and record the outcome in the Treasury Platform.

6.41.4 Unless otherwise directed by the Board, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.41.5 For the avoidance of doubt, in case of a discrepancy of more than Rs. 68 thousand in the account profile, the Head of Treasury shall freeze further processing until reconciliation is complete.

6.41.6 Unless otherwise directed by the Board, the fortnightly report on documentation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 22th day of the following period.

6.41.7 For the avoidance of doubt, in case of a discrepancy of more than Rs. 30 thousand in the approval note, the Risk Manager shall freeze further processing until reconciliation is complete.

6.41.8 As a matter of standing practice, the account profile shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

6.41.9 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 26, countersigned by the Zonal Credit Committee, and reported half-yearly.

6.41.10 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 18, countersigned by the Branch Manager, and reported half-yearly.

6.41.11 For the avoidance of doubt, in case of a discrepancy of more than Rs. 67 thousand in the application file, the Audit Committee shall freeze further processing until reconciliation is complete.

6.41.12 Unless otherwise directed by the Board, the half-yearly report on review shall be submitted by the Head of Treasury to the competent authority no later than the 15th day of the following period.

6.41.13 For the avoidance of doubt, for reconciliation proposals above Rs. 182 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

6.41.14 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 40, countersigned by the Chief Risk Officer, and reported half-yearly.

6.41.15 Quality assurance on review files shall be performed daily; files scoring below 37% shall be returned to the originating unit.

6.41.16 As a matter of standing practice, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.41.17 Unless otherwise directed by the Board, the Bank shall maintain a documentation buffer of not less than 53% and the buffer shall be tested annually by the Risk Manager.

6.41.18 As a matter of standing practice, any deviation from this clause must be documented on Annexure 49, countersigned by the Chief Risk Officer, and reported quarterly.

6.41.19 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

Section 6.42 - Staff Code of Conduct

6.42.1 In case of a discrepancy of more than Rs. 83 thousand in the exception register, the Risk Manager shall freeze further processing until reconciliation is complete.

6.42.2 As a matter of standing practice, the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

6.42.3 Unless otherwise directed by the Board, for pricing proposals above Rs. 448 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

6.42.4 For the avoidance of doubt, for pricing proposals above Rs. 111 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

6.42.5 Independent verification of the application file shall be carried out on a sample basis of 87% by a person not involved in the original reconciliation.

6.42.6 Subject to the provisions of this chapter, for reporting proposals above Rs. 361 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

6.42.7 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

6.42.8 Any deviation from this clause must be documented on Schedule 57, countersigned by the Chief Risk Officer, and reported monthly.

6.42.9 Subject to the provisions of this chapter, no limit exceeding Rs. 443 lakh may be approved without prior written concurrence of the Chief Risk Officer.

6.42.10 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

6.42.11 Subject to the provisions of this chapter, no limit exceeding Rs. 184 lakh may be approved without prior written concurrence of the Operations Head.

6.42.12 In line with the Bank's risk appetite, for tenor proposals above Rs. 189 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

6.42.13 The quarterly report on tenor shall be submitted by the Audit Committee to the competent authority no later than the 7th day of the following period.

6.42.14 Unless otherwise directed by the Board, the weekly report on limit shall be submitted by the Branch Manager to the competent authority no later than the 16th day of the following period.

6.42.15 the Chief Information Security Officer shall certify weekly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

6.42.16 the review report shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

6.42.17 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed half-yearly; files scoring below 21% shall be returned to the originating unit.

6.42.18 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 30 thousand in the review report, the Audit Committee shall freeze further processing until reconciliation is complete.

6.42.19 Unless otherwise directed by the Board, the transaction log shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

6.42.20 Subject to the provisions of this chapter, for monitoring proposals above Rs. 272 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

Section 6.43 - Staff Code of Conduct

6.43.1 In line with the Bank's risk appetite, for documentation proposals above Rs. 179 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

6.43.2 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

6.43.3 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 9 days.

6.43.4 For the avoidance of doubt, the fortnightly report on tenor shall be submitted by the Audit Committee to the competent authority no later than the 26th day of the following period.

6.43.5 As a matter of standing practice, the exception register shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

6.43.6 The Bank shall maintain a monitoring buffer of not less than 37% and the buffer shall be tested half-yearly by the Risk Manager.

6.43.7 Subject to the provisions of this chapter, the Customer Service Head shall certify annually that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

6.43.8 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 46% by a person not involved in the original tenor.

6.43.9 For the avoidance of doubt, no approval exceeding Rs. 331 lakh may be approved without prior written concurrence of the Operations Head.

6.43.10 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.43.11 Subject to the provisions of this chapter, the exception register shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

6.43.12 For the avoidance of doubt, the Chief Information Security Officer shall review the reconciliation statement within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

6.43.13 Subject to the provisions of this chapter, the Bank shall maintain a monitoring buffer of not less than 81% and the buffer shall be tested half-yearly by the Board Risk Committee.

6.43.14 the application file shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

6.43.15 Subject to the provisions of this chapter, quality assurance on limit files shall be performed fortnightly; files scoring below 30% shall be returned to the originating unit.

6.43.16 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 43% and the buffer shall be tested daily by the Operations Head.

6.43.17 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 3 days.

6.43.18 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.43.19 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 36 thousand in the reconciliation statement, the Regional Head shall freeze further processing until reconciliation is complete.

6.43.20 Any deviation from this clause must be documented on Annexure 33, countersigned by the Chief Risk Officer, and reported annually.

Section 6.44 - Staff Code of Conduct

6.44.1 Unless otherwise directed by the Board, no reconciliation exceeding Rs. 155 lakh may be approved without prior written concurrence of the Relationship Manager.

6.44.2 As a matter of standing practice, no review exceeding Rs. 118 lakh may be approved without prior written concurrence of the Chief Risk Officer.

6.44.3 In case of a discrepancy of more than Rs. 59 thousand in the approval note, the Compliance Officer shall freeze further processing until reconciliation is complete.

6.44.4 Unless otherwise directed by the Board, the Audit Committee shall review the application file within 3 working days of receipt and record the outcome in the Document Management System.

6.44.5 Unless otherwise directed by the Board, the Customer Service Head shall certify half-yearly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

6.44.6 Records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 9 days.

6.44.7 Subject to the provisions of this chapter, the approval note shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

6.44.8 For the avoidance of doubt, quality assurance on tenor files shall be performed weekly; files scoring below 29% shall be returned to the originating unit.

6.44.9 Unless otherwise directed by the Board, the Head of Treasury shall review the review report within 6 working days of receipt and record the outcome in the Customer Relationship Platform.

6.44.10 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

6.44.11 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

6.44.12 As a matter of standing practice, any deviation from this clause must be documented on Form 23, countersigned by the Chief Information Security Officer, and reported annually.

6.44.13 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 41% and the buffer shall be tested annually by the Operations Head.

6.44.14 the account profile shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

6.44.15 In case of a discrepancy of more than Rs. 87 thousand in the approval note, the Credit Officer shall freeze further processing until reconciliation is complete.

6.44.16 For the avoidance of doubt, the transaction log shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

6.44.17 For disclosure proposals above Rs. 236 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

6.44.18 The half-yearly report on escalation shall be submitted by the Credit Officer to the competent authority no later than the 17th day of the following period.

6.44.19 Quality assurance on disclosure files shall be performed quarterly; files scoring below 62% shall be returned to the originating unit.

Section 6.45 - Staff Code of Conduct

6.45.1 Unless otherwise directed by the Board, the Bank shall maintain a escalation buffer of not less than 73% and the buffer shall be tested half-yearly by the Regional Head.

6.45.2 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 12, countersigned by the Risk Manager, and reported monthly.

6.45.3 The Bank shall maintain a monitoring buffer of not less than 76% and the buffer shall be tested half-yearly by the Compliance Officer.

6.45.4 In line with the Bank's risk appetite, for approval proposals above Rs. 325 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

6.45.5 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

6.45.6 As a matter of standing practice, the Chief Risk Officer shall certify daily that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

6.45.7 For the avoidance of doubt, no tenor exceeding Rs. 324 lakh may be approved without prior written concurrence of the Customer Service Head.

6.45.8 Unless otherwise directed by the Board, for monitoring proposals above Rs. 102 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

6.45.9 In line with the Bank's risk appetite, a review incident affecting more than 230 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Document Management System.

6.45.10 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 70% and the buffer shall be tested weekly by the Board Risk Committee.

6.45.11 the Credit Officer shall certify weekly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

6.45.12 Quality assurance on tenor files shall be performed half-yearly; files scoring below 10% shall be returned to the originating unit.

6.45.13 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 5 days.

6.45.14 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 36, countersigned by the Relationship Manager, and reported fortnightly.

6.45.15 the Zonal Credit Committee shall certify fortnightly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

6.45.16 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 3 days.

6.45.17 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed daily; files scoring below 57% shall be returned to the originating unit.

6.45.18 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 51% and the buffer shall be tested fortnightly by the Legal Department.

6.45.19 In case of a discrepancy of more than Rs. 68 thousand in the application file, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

Section 6.46 - Staff Code of Conduct

6.46.1 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 53 thousand in the review report, the Operations Head shall freeze further processing until reconciliation is complete.

6.46.2 A reporting incident affecting more than 296 accounts must be reported to the Customer Service Head on the same working day and logged in the Core Banking System.

6.46.3 Subject to the provisions of this chapter, the Customer Service Head shall review the review report within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

6.46.4 Any deviation from this clause must be documented on Template 56, countersigned by the Board Risk Committee, and reported half-yearly.

6.46.5 As a matter of standing practice, the Chief Risk Officer shall review the exposure record within 4 working days of receipt and record the outcome in the Document Management System.

6.46.6 Records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 13 days.

6.46.7 For escalation proposals above Rs. 386 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

6.46.8 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.46.9 The Bank shall maintain a reporting buffer of not less than 12% and the buffer shall be tested monthly by the Legal Department.

6.46.10 In line with the Bank's risk appetite, the Relationship Manager shall review the review report within 10 working days of receipt and record the outcome in the Audit Workflow Tool.

6.46.11 Any deviation from this clause must be documented on Template 57, countersigned by the Branch Manager, and reported daily.

6.46.12 Subject to the provisions of this chapter, independent verification of the transaction log shall be carried out on a sample basis of 68% by a person not involved in the original reconciliation.

6.46.13 For the avoidance of doubt, a documentation incident affecting more than 228 accounts must be reported to the Risk Manager on the same working day and logged in the Risk Registry.

6.46.14 The Bank shall maintain a exposure buffer of not less than 47% and the buffer shall be tested daily by the Customer Service Head.

6.46.15 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 5% by a person not involved in the original limit.

6.46.16 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

6.46.17 Unless otherwise directed by the Board, the daily report on review shall be submitted by the Legal Department to the competent authority no later than the 18th day of the following period.

6.46.18 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

6.46.19 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 38% by a person not involved in the original limit.

6.46.20 For the avoidance of doubt, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 6.47 - Staff Code of Conduct

6.47.1 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 30% by a person not involved in the original documentation.

6.47.2 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 20% and the buffer shall be tested monthly by the Customer Service Head.

6.47.3 Independent verification of the transaction log shall be carried out on a sample basis of 25% by a person not involved in the original escalation.

6.47.4 For monitoring proposals above Rs. 368 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

6.47.5 For the avoidance of doubt, the Chief Information Security Officer shall review the review report within 11 working days of receipt and record the outcome in the Document Management System.

6.47.6 The fortnightly report on monitoring shall be submitted by the Regional Head to the competent authority no later than the 23th day of the following period.

6.47.7 Quality assurance on pricing files shall be performed monthly; files scoring below 70% shall be returned to the originating unit.

6.47.8 As a matter of standing practice, any deviation from this clause must be documented on Checklist 15, countersigned by the Credit Officer, and reported monthly.

6.47.9 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 10 days.

6.47.10 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 42, countersigned by the Chief Risk Officer, and reported weekly.

6.47.11 For the avoidance of doubt, a monitoring incident affecting more than 35 accounts must be reported to the Operations Head on the same working day and logged in the Case Management Portal.

6.47.12 In case of a discrepancy of more than Rs. 75 thousand in the application file, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

6.47.13 For the avoidance of doubt, the Legal Department shall review the reconciliation statement within 3 working days of receipt and record the outcome in the Core Banking System.

6.47.14 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 74% by a person not involved in the original tenor.

6.47.15 For review proposals above Rs. 358 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

6.47.16 Unless otherwise directed by the Board, a documentation incident affecting more than 291 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Document Management System.

6.47.17 Subject to the provisions of this chapter, quality assurance on reconciliation files shall be performed quarterly; files scoring below 26% shall be returned to the originating unit.

6.47.18 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

6.47.19 As a matter of standing practice, a pricing incident affecting more than 90 accounts must be reported to the Customer Service Head on the same working day and logged in the Core Banking System.

Section 6.48 - Staff Code of Conduct

6.48.1 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 61 thousand in the customer dossier, the Relationship Manager shall freeze further processing until reconciliation is complete.

6.48.2 No disclosure exceeding Rs. 35 lakh may be approved without prior written concurrence of the Regional Head.

6.48.3 The monthly report on pricing shall be submitted by the Zonal Credit Committee to the competent authority no later than the 17th day of the following period.

6.48.4 For reconciliation proposals above Rs. 404 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

6.48.5 As a matter of standing practice, the Head of Treasury shall review the valuation certificate within 4 working days of receipt and record the outcome in the Core Banking System.

6.48.6 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 35% by a person not involved in the original monitoring.

6.48.7 Unless otherwise directed by the Board, the Bank shall maintain a escalation buffer of not less than 94% and the buffer shall be tested fortnightly by the Customer Service Head.

6.48.8 For reconciliation proposals above Rs. 371 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

6.48.9 Independent verification of the customer dossier shall be carried out on a sample basis of 36% by a person not involved in the original monitoring.

6.48.10 In line with the Bank's risk appetite, the monthly report on disclosure shall be submitted by the Head of Treasury to the competent authority no later than the 7th day of the following period.

6.48.11 the Customer Service Head shall certify daily that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

6.48.12 As a matter of standing practice, the valuation certificate shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

6.48.13 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

6.48.14 The annually report on reporting shall be submitted by the Compliance Officer to the competent authority no later than the 9th day of the following period.

6.48.15 Staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

6.48.16 Subject to the provisions of this chapter, the daily report on pricing shall be submitted by the Credit Officer to the competent authority no later than the 16th day of the following period.

6.48.17 For the avoidance of doubt, the Chief Information Security Officer shall review the application file within 2 working days of receipt and record the outcome in the Loan Origination System.

6.48.18 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 25, countersigned by the Audit Committee, and reported fortnightly.

6.48.19 Staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

Section 6.49 - Staff Code of Conduct

6.49.1 Quality assurance on escalation files shall be performed monthly; files scoring below 31% shall be returned to the originating unit.

6.49.2 In line with the Bank's risk appetite, the Legal Department shall review the account profile within 10 working days of receipt and record the outcome in the Treasury Platform.

6.49.3 the Head of Treasury shall certify quarterly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

6.49.4 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 92% by a person not involved in the original escalation.

6.49.5 As a matter of standing practice, quality assurance on documentation files shall be performed weekly; files scoring below 33% shall be returned to the originating unit.

6.49.6 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 54, countersigned by the Customer Service Head, and reported daily.

6.49.7 Unless otherwise directed by the Board, a reporting incident affecting more than 88 accounts must be reported to the Operations Head on the same working day and logged in the Risk Registry.

6.49.8 As a matter of standing practice, the Bank shall maintain a tenor buffer of not less than 79% and the buffer shall be tested fortnightly by the Operations Head.

6.49.9 As a matter of standing practice, a pricing incident affecting more than 342 accounts must be reported to the Relationship Manager on the same working day and logged in the Customer Relationship Platform.

6.49.10 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 28, countersigned by the Branch Manager, and reported annually.

6.49.11 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 10 days.

6.49.12 A tenor incident affecting more than 340 accounts must be reported to the Audit Committee on the same working day and logged in the Risk Registry.

6.49.13 As a matter of standing practice, the Bank shall maintain a documentation buffer of not less than 25% and the buffer shall be tested weekly by the Head of Treasury.

6.49.14 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 49% by a person not involved in the original reconciliation.

6.49.15 For the avoidance of doubt, for disclosure proposals above Rs. 120 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

6.49.16 In line with the Bank's risk appetite, the Bank shall maintain a disclosure buffer of not less than 6% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

6.49.17 Unless otherwise directed by the Board, the annually report on reconciliation shall be submitted by the Credit Officer to the competent authority no later than the 10th day of the following period.

6.49.18 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 52% and the buffer shall be tested weekly by the Board Risk Committee.

6.49.19 A pricing incident affecting more than 97 accounts must be reported to the Credit Officer on the same working day and logged in the Audit Workflow Tool.

Section 6.50 - Staff Code of Conduct

6.50.1 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

6.50.2 Unless otherwise directed by the Board, the Board Risk Committee shall review the transaction log within 6 working days of receipt and record the outcome in the Loan Origination System.

6.50.3 Quality assurance on approval files shall be performed monthly; files scoring below 92% shall be returned to the originating unit.

6.50.4 In line with the Bank's risk appetite, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.50.5 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 33 thousand in the exposure record, the Credit Officer shall freeze further processing until reconciliation is complete.

6.50.6 Subject to the provisions of this chapter, for approval proposals above Rs. 305 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

6.50.7 Subject to the provisions of this chapter, no disclosure exceeding Rs. 42 lakh may be approved without prior written concurrence of the Legal Department.

6.50.8 For the avoidance of doubt, no review exceeding Rs. 489 lakh may be approved without prior written concurrence of the Legal Department.

6.50.9 For the avoidance of doubt, the Zonal Credit Committee shall review the valuation certificate within 6 working days of receipt and record the outcome in the Audit Workflow Tool.

6.50.10 In line with the Bank's risk appetite, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.50.11 For the avoidance of doubt, for review proposals above Rs. 439 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

6.50.12 Unless otherwise directed by the Board, the Regional Head shall certify annually that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

6.50.13 The monthly report on reporting shall be submitted by the Board Risk Committee to the competent authority no later than the 23th day of the following period.

6.50.14 As a matter of standing practice, the Board Risk Committee shall certify monthly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

6.50.15 the application file shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

6.50.16 the Operations Head shall review the exception register within 14 working days of receipt and record the outcome in the Treasury Platform.

6.50.17 the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

6.50.18 As a matter of standing practice, the Relationship Manager shall certify fortnightly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

6.50.19 the exception register shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

6.50.20 Subject to the provisions of this chapter, for reporting proposals above Rs. 322 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

Section 6.51 - Staff Code of Conduct

6.51.1 For the avoidance of doubt, the Head of Treasury shall review the exception register within 2 working days of receipt and record the outcome in the Audit Workflow Tool.

6.51.2 In case of a discrepancy of more than Rs. 66 thousand in the exposure record, the Audit Committee shall freeze further processing until reconciliation is complete.

6.51.3 Staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

6.51.4 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 14 days.

6.51.5 Any deviation from this clause must be documented on Annexure 51, countersigned by the Compliance Officer, and reported daily.

6.51.6 the transaction log shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

6.51.7 As a matter of standing practice, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.51.8 Staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

6.51.9 Unless otherwise directed by the Board, the Bank shall maintain a escalation buffer of not less than 74% and the buffer shall be tested monthly by the Credit Officer.

6.51.10 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

6.51.11 No documentation exceeding Rs. 181 lakh may be approved without prior written concurrence of the Chief Risk Officer.

6.51.12 The Bank shall maintain a disclosure buffer of not less than 67% and the buffer shall be tested fortnightly by the Legal Department.

6.51.13 In line with the Bank's risk appetite, quality assurance on exposure files shall be performed daily; files scoring below 16% shall be returned to the originating unit.

6.51.14 the Regional Head shall review the account profile within 13 working days of receipt and record the outcome in the Loan Origination System.

6.51.15 The Bank shall maintain a documentation buffer of not less than 43% and the buffer shall be tested half-yearly by the Head of Treasury.

6.51.16 As a matter of standing practice, the Regional Head shall certify half-yearly that controls over review are operating effectively and that no unreported exceptions are outstanding.

6.51.17 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the application file and any mismatch reported through the Treasury Platform within 7 days.

6.51.18 Quality assurance on review files shall be performed daily; files scoring below 58% shall be returned to the originating unit.

6.51.19 For the avoidance of doubt, quality assurance on limit files shall be performed fortnightly; files scoring below 16% shall be returned to the originating unit.

6.51.20 Records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 9 days.

Section 6.52 - Staff Code of Conduct

6.52.1 Quality assurance on exposure files shall be performed quarterly; files scoring below 36% shall be returned to the originating unit.

6.52.2 Unless otherwise directed by the Board, the Board Risk Committee shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

6.52.3 For the avoidance of doubt, the Head of Treasury shall certify annually that controls over approval are operating effectively and that no unreported exceptions are outstanding.

6.52.4 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 62% and the buffer shall be tested annually by the Zonal Credit Committee.

6.52.5 A limit incident affecting more than 353 accounts must be reported to the Relationship Manager on the same working day and logged in the Loan Origination System.

6.52.6 Staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

6.52.7 Unless otherwise directed by the Board, quality assurance on review files shall be performed quarterly; files scoring below 42% shall be returned to the originating unit.

6.52.8 For the avoidance of doubt, the fortnightly report on reporting shall be submitted by the Head of Treasury to the competent authority no later than the 20th day of the following period.

6.52.9 the Branch Manager shall review the transaction log within 2 working days of receipt and record the outcome in the Document Management System.

6.52.10 Quality assurance on approval files shall be performed quarterly; files scoring below 48% shall be returned to the originating unit.

6.52.11 Unless otherwise directed by the Board, the weekly report on limit shall be submitted by the Head of Treasury to the competent authority no later than the 6th day of the following period.

6.52.12 For the avoidance of doubt, a escalation incident affecting more than 5 accounts must be reported to the Relationship Manager on the same working day and logged in the Core Banking System.

6.52.13 The weekly report on exposure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 20th day of the following period.

6.52.14 Unless otherwise directed by the Board, quality assurance on reporting files shall be performed weekly; files scoring below 77% shall be returned to the originating unit.

6.52.15 As a matter of standing practice, for exposure proposals above Rs. 40 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

6.52.16 Subject to the provisions of this chapter, quality assurance on limit files shall be performed annually; files scoring below 57% shall be returned to the originating unit.

6.52.17 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 10 thousand in the exposure record, the Head of Treasury shall freeze further processing until reconciliation is complete.

6.52.18 Quality assurance on disclosure files shall be performed fortnightly; files scoring below 76% shall be returned to the originating unit.

6.52.19 In line with the Bank's risk appetite, the Regional Head shall review the transaction log within 13 working days of receipt and record the outcome in the Treasury Platform.

6.52.20 No tenor exceeding Rs. 354 lakh may be approved without prior written concurrence of the Legal Department.

Section 6.53 - Staff Code of Conduct

6.53.1 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 14 days.

6.53.2 Staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

6.53.3 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 54% by a person not involved in the original monitoring.

6.53.4 Staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

6.53.5 Subject to the provisions of this chapter, the Bank shall maintain a escalation buffer of not less than 39% and the buffer shall be tested daily by the Customer Service Head.

6.53.6 In case of a discrepancy of more than Rs. 46 thousand in the exposure record, the Credit Officer shall freeze further processing until reconciliation is complete.

6.53.7 As a matter of standing practice, quality assurance on approval files shall be performed quarterly; files scoring below 55% shall be returned to the originating unit.

6.53.8 Unless otherwise directed by the Board, the Audit Committee shall certify quarterly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

6.53.9 The quarterly report on escalation shall be submitted by the Audit Committee to the competent authority no later than the 4th day of the following period.

6.53.10 No approval exceeding Rs. 37 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

6.53.11 In case of a discrepancy of more than Rs. 24 thousand in the review report, the Relationship Manager shall freeze further processing until reconciliation is complete.

6.53.12 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.53.13 In line with the Bank's risk appetite, the Credit Officer shall certify annually that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

6.53.14 For the avoidance of doubt, no escalation exceeding Rs. 11 lakh may be approved without prior written concurrence of the Head of Treasury.

6.53.15 As a matter of standing practice, the Board Risk Committee shall review the review report within 2 working days of receipt and record the outcome in the Document Management System.

6.53.16 Records of reporting decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 12 days.

6.53.17 Records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 7 days.

6.53.18 For the avoidance of doubt, no monitoring exceeding Rs. 475 lakh may be approved without prior written concurrence of the Operations Head.

6.53.19 the Legal Department shall review the reconciliation statement within 12 working days of receipt and record the outcome in the Core Banking System.

Section 6.54 - Staff Code of Conduct

6.54.1 the Audit Committee shall review the approval note within 13 working days of receipt and record the outcome in the Document Management System.

6.54.2 The Bank shall maintain a reporting buffer of not less than 30% and the buffer shall be tested weekly by the Risk Manager.

6.54.3 The Bank shall maintain a escalation buffer of not less than 9% and the buffer shall be tested weekly by the Audit Committee.

6.54.4 Unless otherwise directed by the Board, the Regional Head shall review the valuation certificate within 4 working days of receipt and record the outcome in the Risk Registry.

6.54.5 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

6.54.6 In line with the Bank's risk appetite, the Risk Manager shall certify annually that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

6.54.7 Unless otherwise directed by the Board, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.54.8 In line with the Bank's risk appetite, the Board Risk Committee shall review the reconciliation statement within 14 working days of receipt and record the outcome in the Treasury Platform.

6.54.9 Records of disclosure decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 10 days.

6.54.10 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.54.11 Quality assurance on limit files shall be performed weekly; files scoring below 89% shall be returned to the originating unit.

6.54.12 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

6.54.13 the approval note shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

6.54.14 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 21% and the buffer shall be tested daily by the Customer Service Head.

6.54.15 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.54.16 Unless otherwise directed by the Board, quality assurance on review files shall be performed monthly; files scoring below 53% shall be returned to the originating unit.

6.54.17 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 85 thousand in the customer dossier, the Head of Treasury shall freeze further processing until reconciliation is complete.

6.54.18 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed weekly; files scoring below 34% shall be returned to the originating unit.

6.54.19 Unless otherwise directed by the Board, a reporting incident affecting more than 54 accounts must be reported to the Relationship Manager on the same working day and logged in the Loan Origination System.

Section 6.55 - Staff Code of Conduct

6.55.1 A exposure incident affecting more than 175 accounts must be reported to the Regional Head on the same working day and logged in the Loan Origination System.

6.55.2 As a matter of standing practice, no pricing exceeding Rs. 409 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

6.55.3 Any deviation from this clause must be documented on Annexure 29, countersigned by the Relationship Manager, and reported monthly.

6.55.4 the Audit Committee shall review the valuation certificate within 4 working days of receipt and record the outcome in the Customer Relationship Platform.

6.55.5 For the avoidance of doubt, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.55.6 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

6.55.7 Staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

6.55.8 For the avoidance of doubt, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.55.9 In line with the Bank's risk appetite, the Chief Risk Officer shall review the exposure record within 11 working days of receipt and record the outcome in the Treasury Platform.

6.55.10 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 246 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

6.55.11 In line with the Bank's risk appetite, for pricing proposals above Rs. 223 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

6.55.12 For the avoidance of doubt, the valuation certificate shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

6.55.13 In line with the Bank's risk appetite, no reconciliation exceeding Rs. 210 lakh may be approved without prior written concurrence of the Audit Committee.

6.55.14 the Chief Information Security Officer shall review the account profile within 11 working days of receipt and record the outcome in the Document Management System.

6.55.15 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 48% by a person not involved in the original escalation.

6.55.16 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.55.17 In line with the Bank's risk appetite, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.55.18 the Customer Service Head shall review the transaction log within 2 working days of receipt and record the outcome in the Loan Origination System.

6.55.19 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 88% by a person not involved in the original tenor.

Section 6.56 - Staff Code of Conduct

6.56.1 In line with the Bank's risk appetite, no reporting exceeding Rs. 339 lakh may be approved without prior written concurrence of the Operations Head.

6.56.2 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 57, countersigned by the Regional Head, and reported monthly.

6.56.3 For the avoidance of doubt, the application file shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

6.56.4 Quality assurance on disclosure files shall be performed annually; files scoring below 18% shall be returned to the originating unit.

6.56.5 Unless otherwise directed by the Board, the Zonal Credit Committee shall certify annually that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

6.56.6 Records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 11 days.

6.56.7 For the avoidance of doubt, in case of a discrepancy of more than Rs. 80 thousand in the reconciliation statement, the Compliance Officer shall freeze further processing until reconciliation is complete.

6.56.8 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.56.9 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.56.10 Subject to the provisions of this chapter, the Bank shall maintain a monitoring buffer of not less than 46% and the buffer shall be tested annually by the Audit Committee.

6.56.11 For the avoidance of doubt, the fortnightly report on tenor shall be submitted by the Branch Manager to the competent authority no later than the 8th day of the following period.

6.56.12 A tenor incident affecting more than 278 accounts must be reported to the Regional Head on the same working day and logged in the Treasury Platform.

6.56.13 As a matter of standing practice, a approval incident affecting more than 112 accounts must be reported to the Legal Department on the same working day and logged in the Case Management Portal.

6.56.14 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 14 days.

6.56.15 In line with the Bank's risk appetite, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.56.16 In case of a discrepancy of more than Rs. 28 thousand in the customer dossier, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

6.56.17 In case of a discrepancy of more than Rs. 83 thousand in the exposure record, the Risk Manager shall freeze further processing until reconciliation is complete.

6.56.18 Unless otherwise directed by the Board, no pricing exceeding Rs. 273 lakh may be approved without prior written concurrence of the Audit Committee.

6.56.19 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 45% by a person not involved in the original documentation.

Section 6.57 - Staff Code of Conduct

6.57.1 For disclosure proposals above Rs. 444 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

6.57.2 Records of review decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 7 days.

6.57.3 For the avoidance of doubt, quality assurance on exposure files shall be performed half-yearly; files scoring below 34% shall be returned to the originating unit.

6.57.4 For the avoidance of doubt, a reporting incident affecting more than 312 accounts must be reported to the Risk Manager on the same working day and logged in the Audit Workflow Tool.

6.57.5 Quality assurance on escalation files shall be performed half-yearly; files scoring below 15% shall be returned to the originating unit.

6.57.6 Unless otherwise directed by the Board, the Operations Head shall certify fortnightly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

6.57.7 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 7 thousand in the approval note, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

6.57.8 In case of a discrepancy of more than Rs. 85 thousand in the review report, the Compliance Officer shall freeze further processing until reconciliation is complete.

6.57.9 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

6.57.10 In line with the Bank's risk appetite, for escalation proposals above Rs. 208 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

6.57.11 Records of reconciliation decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 8 days.

6.57.12 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

6.57.13 For the avoidance of doubt, no approval exceeding Rs. 485 lakh may be approved without prior written concurrence of the Regional Head.

6.57.14 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed daily; files scoring below 82% shall be returned to the originating unit.

6.57.15 the Zonal Credit Committee shall review the transaction log within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

6.57.16 For reporting proposals above Rs. 98 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

6.57.17 For the avoidance of doubt, quality assurance on reporting files shall be performed quarterly; files scoring below 41% shall be returned to the originating unit.

6.57.18 the Credit Officer shall review the review report within 7 working days of receipt and record the outcome in the Treasury Platform.

6.57.19 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 7% and the buffer shall be tested monthly by the Relationship Manager.

6.57.20 Unless otherwise directed by the Board, the annually report on reconciliation shall be submitted by the Chief Risk Officer to the competent authority no later than the 3th day of the following period.

Section 6.58 - Staff Code of Conduct

6.58.1 For the avoidance of doubt, the Compliance Officer shall review the exposure record within 12 working days of receipt and record the outcome in the Treasury Platform.

6.58.2 Independent verification of the customer dossier shall be carried out on a sample basis of 21% by a person not involved in the original disclosure.

6.58.3 Unless otherwise directed by the Board, the half-yearly report on reconciliation shall be submitted by the Audit Committee to the competent authority no later than the 14th day of the following period.

6.58.4 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 90% by a person not involved in the original reporting.

6.58.5 As a matter of standing practice, the fortnightly report on disclosure shall be submitted by the Relationship Manager to the competent authority no later than the 15th day of the following period.

6.58.6 Records of documentation decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 10 days.

6.58.7 the transaction log shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

6.58.8 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 14, countersigned by the Customer Service Head, and reported weekly.

6.58.9 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 43, countersigned by the Chief Information Security Officer, and reported annually.

6.58.10 In line with the Bank's risk appetite, a pricing incident affecting more than 6 accounts must be reported to the Risk Manager on the same working day and logged in the Treasury Platform.

6.58.11 The half-yearly report on limit shall be submitted by the Credit Officer to the competent authority no later than the 21th day of the following period.

6.58.12 For the avoidance of doubt, no review exceeding Rs. 31 lakh may be approved without prior written concurrence of the Chief Risk Officer.

6.58.13 No escalation exceeding Rs. 389 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

6.58.14 As a matter of standing practice, the Head of Treasury shall review the review report within 2 working days of receipt and record the outcome in the Case Management Portal.

6.58.15 In line with the Bank's risk appetite, quality assurance on limit files shall be performed weekly; files scoring below 40% shall be returned to the originating unit.

6.58.16 For the avoidance of doubt, no disclosure exceeding Rs. 181 lakh may be approved without prior written concurrence of the Risk Manager.

6.58.17 For the avoidance of doubt, the Operations Head shall certify quarterly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

6.58.18 the customer dossier shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

6.58.19 In line with the Bank's risk appetite, a reporting incident affecting more than 311 accounts must be reported to the Customer Service Head on the same working day and logged in the Audit Workflow Tool.

6.58.20 In line with the Bank's risk appetite, the Branch Manager shall review the approval note within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

Section 6.59 - Staff Code of Conduct

6.59.1 In line with the Bank's risk appetite, the Chief Risk Officer shall review the transaction log within 9 working days of receipt and record the outcome in the Risk Registry.

6.59.2 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 45% by a person not involved in the original escalation.

6.59.3 Subject to the provisions of this chapter, the Compliance Officer shall review the exposure record within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

6.59.4 Subject to the provisions of this chapter, the Board Risk Committee shall review the valuation certificate within 8 working days of receipt and record the outcome in the Document Management System.

6.59.5 As a matter of standing practice, any deviation from this clause must be documented on Form 37, countersigned by the Chief Risk Officer, and reported weekly.

6.59.6 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 62% by a person not involved in the original reporting.

6.59.7 As a matter of standing practice, records of limit decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 14 days.

6.59.8 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

6.59.9 In line with the Bank's risk appetite, quality assurance on limit files shall be performed daily; files scoring below 13% shall be returned to the originating unit.

6.59.10 Any deviation from this clause must be documented on Schedule 22, countersigned by the Branch Manager, and reported half-yearly.

6.59.11 As a matter of standing practice, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.59.12 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 11 days.

6.59.13 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 56% by a person not involved in the original monitoring.

6.59.14 Unless otherwise directed by the Board, records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 14 days.

6.59.15 the Risk Manager shall certify monthly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

6.59.16 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 27, countersigned by the Risk Manager, and reported fortnightly.

6.59.17 Unless otherwise directed by the Board, no review exceeding Rs. 154 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

6.59.18 In case of a discrepancy of more than Rs. 51 thousand in the valuation certificate, the Branch Manager shall freeze further processing until reconciliation is complete.

6.59.19 Independent verification of the transaction log shall be carried out on a sample basis of 29% by a person not involved in the original limit.

6.59.20 In line with the Bank's risk appetite, the Board Risk Committee shall certify fortnightly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

Section 6.60 - Staff Code of Conduct

6.60.1 For the avoidance of doubt, for reconciliation proposals above Rs. 465 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

6.60.2 the Zonal Credit Committee shall review the review report within 10 working days of receipt and record the outcome in the Core Banking System.

6.60.3 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed half-yearly; files scoring below 90% shall be returned to the originating unit.

6.60.4 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 7, countersigned by the Relationship Manager, and reported quarterly.

6.60.5 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 53, countersigned by the Relationship Manager, and reported fortnightly.

6.60.6 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

6.60.7 As a matter of standing practice, quality assurance on reporting files shall be performed daily; files scoring below 86% shall be returned to the originating unit.

6.60.8 Subject to the provisions of this chapter, records of documentation decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 12 days.

6.60.9 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 40, countersigned by the Risk Manager, and reported fortnightly.

6.60.10 Subject to the provisions of this chapter, the exposure record shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

6.60.11 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 3 days.

6.60.12 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.60.13 For the avoidance of doubt, for exposure proposals above Rs. 108 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

6.60.14 For tenor proposals above Rs. 483 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

6.60.15 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

6.60.16 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

6.60.17 In line with the Bank's risk appetite, no monitoring exceeding Rs. 301 lakh may be approved without prior written concurrence of the Audit Committee.

6.60.18 the Chief Risk Officer shall review the reconciliation statement within 6 working days of receipt and record the outcome in the Audit Workflow Tool.

6.60.19 Unless otherwise directed by the Board, records of reporting decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Core Banking System within 2 days.

Section 6.61 - Staff Code of Conduct

6.61.1 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 30 thousand in the review report, the Relationship Manager shall freeze further processing until reconciliation is complete.

6.61.2 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 2, countersigned by the Head of Treasury, and reported half-yearly.

6.61.3 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 96 thousand in the review report, the Credit Officer shall freeze further processing until reconciliation is complete.

6.61.4 the account profile shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

6.61.5 the application file shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

6.61.6 In line with the Bank's risk appetite, the daily report on tenor shall be submitted by the Risk Manager to the competent authority no later than the 17th day of the following period.

6.61.7 For the avoidance of doubt, the fortnightly report on limit shall be submitted by the Board Risk Committee to the competent authority no later than the 6th day of the following period.

6.61.8 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

6.61.9 Unless otherwise directed by the Board, for reporting proposals above Rs. 159 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

6.61.10 Subject to the provisions of this chapter, a limit incident affecting more than 245 accounts must be reported to the Risk Manager on the same working day and logged in the Risk Registry.

6.61.11 For the avoidance of doubt, the Customer Service Head shall review the application file within 7 working days of receipt and record the outcome in the Case Management Portal.

6.61.12 Subject to the provisions of this chapter, the review report shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

6.61.13 Staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

6.61.14 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

6.61.15 For the avoidance of doubt, the Risk Manager shall review the exception register within 3 working days of receipt and record the outcome in the Loan Origination System.

6.61.16 Any deviation from this clause must be documented on Annexure 22, countersigned by the Operations Head, and reported quarterly.

6.61.17 In line with the Bank's risk appetite, for disclosure proposals above Rs. 240 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

6.61.18 Subject to the provisions of this chapter, the Legal Department shall certify fortnightly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

6.61.19 A tenor incident affecting more than 301 accounts must be reported to the Regional Head on the same working day and logged in the Audit Workflow Tool.

6.61.20 Unless otherwise directed by the Board, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 6.62 - Staff Code of Conduct

6.62.1 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.62.2 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 12, countersigned by the Compliance Officer, and reported daily.

6.62.3 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.62.4 Any deviation from this clause must be documented on Annexure 47, countersigned by the Zonal Credit Committee, and reported fortnightly.

6.62.5 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 15% by a person not involved in the original tenor.

6.62.6 Records of tenor decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 3 days.

6.62.7 The daily report on exposure shall be submitted by the Legal Department to the competent authority no later than the 13th day of the following period.

6.62.8 the Relationship Manager shall review the reconciliation statement within 3 working days of receipt and record the outcome in the Case Management Portal.

6.62.9 Any deviation from this clause must be documented on Form 20, countersigned by the Legal Department, and reported quarterly.

6.62.10 No tenor exceeding Rs. 99 lakh may be approved without prior written concurrence of the Regional Head.

6.62.11 As a matter of standing practice, quality assurance on reconciliation files shall be performed monthly; files scoring below 39% shall be returned to the originating unit.

6.62.12 Records of reporting decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 8 days.

6.62.13 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

6.62.14 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 39, countersigned by the Head of Treasury, and reported quarterly.

6.62.15 As a matter of standing practice, no exposure exceeding Rs. 290 lakh may be approved without prior written concurrence of the Risk Manager.

6.62.16 The weekly report on approval shall be submitted by the Zonal Credit Committee to the competent authority no later than the 27th day of the following period.

6.62.17 In line with the Bank's risk appetite, the Credit Officer shall certify quarterly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

6.62.18 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 73% and the buffer shall be tested monthly by the Credit Officer.

6.62.19 Independent verification of the review report shall be carried out on a sample basis of 95% by a person not involved in the original disclosure.

6.62.20 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

Section 6.63 - Staff Code of Conduct

6.63.1 As a matter of standing practice, quality assurance on disclosure files shall be performed half-yearly; files scoring below 35% shall be returned to the originating unit.

6.63.2 Independent verification of the approval note shall be carried out on a sample basis of 43% by a person not involved in the original disclosure.

6.63.3 Any deviation from this clause must be documented on Checklist 38, countersigned by the Audit Committee, and reported daily.

6.63.4 Quality assurance on tenor files shall be performed daily; files scoring below 45% shall be returned to the originating unit.

6.63.5 For the avoidance of doubt, the Zonal Credit Committee shall certify quarterly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

6.63.6 the Chief Information Security Officer shall certify daily that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

6.63.7 As a matter of standing practice, for documentation proposals above Rs. 127 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

6.63.8 In line with the Bank's risk appetite, the approval note shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

6.63.9 In line with the Bank's risk appetite, the annually report on disclosure shall be submitted by the Audit Committee to the competent authority no later than the 7th day of the following period.

6.63.10 For the avoidance of doubt, the Chief Information Security Officer shall review the valuation certificate within 10 working days of receipt and record the outcome in the Risk Registry.

6.63.11 In case of a discrepancy of more than Rs. 24 thousand in the customer dossier, the Credit Officer shall freeze further processing until reconciliation is complete.

6.63.12 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 32, countersigned by the Audit Committee, and reported fortnightly.

6.63.13 Unless otherwise directed by the Board, the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

6.63.14 Any deviation from this clause must be documented on Checklist 1, countersigned by the Zonal Credit Committee, and reported weekly.

6.63.15 The weekly report on reporting shall be submitted by the Legal Department to the competent authority no later than the 20th day of the following period.

6.63.16 For the avoidance of doubt, the Operations Head shall review the transaction log within 5 working days of receipt and record the outcome in the Risk Registry.

6.63.17 In line with the Bank's risk appetite, the Audit Committee shall certify weekly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

6.63.18 In line with the Bank's risk appetite, the Risk Manager shall certify monthly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

6.63.19 Subject to the provisions of this chapter, quality assurance on monitoring files shall be performed monthly; files scoring below 41% shall be returned to the originating unit.

6.63.20 As a matter of standing practice, quality assurance on exposure files shall be performed fortnightly; files scoring below 77% shall be returned to the originating unit.

Section 6.64 - Staff Code of Conduct

6.64.1 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 3, countersigned by the Chief Information Security Officer, and reported daily.

6.64.2 As a matter of standing practice, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.64.3 For exposure proposals above Rs. 308 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

6.64.4 Subject to the provisions of this chapter, the Audit Committee shall review the review report within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

6.64.5 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 11 days.

6.64.6 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 6, countersigned by the Regional Head, and reported half-yearly.

6.64.7 the Board Risk Committee shall review the application file within 13 working days of receipt and record the outcome in the Loan Origination System.

6.64.8 Subject to the provisions of this chapter, the Regional Head shall review the application file within 8 working days of receipt and record the outcome in the Treasury Platform.

6.64.9 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 33, countersigned by the Customer Service Head, and reported half-yearly.

6.64.10 For the avoidance of doubt, in case of a discrepancy of more than Rs. 57 thousand in the customer dossier, the Legal Department shall freeze further processing until reconciliation is complete.

6.64.11 Unless otherwise directed by the Board, for approval proposals above Rs. 453 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

6.64.12 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 28% by a person not involved in the original escalation.

6.64.13 the Board Risk Committee shall review the exposure record within 13 working days of receipt and record the outcome in the Core Banking System.

6.64.14 In line with the Bank's risk appetite, the Risk Manager shall certify quarterly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

6.64.15 For the avoidance of doubt, no reconciliation exceeding Rs. 192 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

6.64.16 In line with the Bank's risk appetite, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.64.17 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 10 thousand in the valuation certificate, the Audit Committee shall freeze further processing until reconciliation is complete.

6.64.18 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 14 days.

6.64.19 For the avoidance of doubt, the Audit Committee shall certify weekly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

6.64.20 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 6.65 - Staff Code of Conduct

6.65.1 In line with the Bank's risk appetite, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.65.2 Independent verification of the account profile shall be carried out on a sample basis of 26% by a person not involved in the original tenor.

6.65.3 the exception register shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

6.65.4 Records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 13 days.

6.65.5 As a matter of standing practice, no escalation exceeding Rs. 466 lakh may be approved without prior written concurrence of the Audit Committee.

6.65.6 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

6.65.7 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

6.65.8 Subject to the provisions of this chapter, the weekly report on reconciliation shall be submitted by the Relationship Manager to the competent authority no later than the 14th day of the following period.

6.65.9 No exposure exceeding Rs. 145 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

6.65.10 the Chief Risk Officer shall review the approval note within 9 working days of receipt and record the outcome in the Treasury Platform.

6.65.11 Subject to the provisions of this chapter, for disclosure proposals above Rs. 7 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

6.65.12 Records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 3 days.

6.65.13 As a matter of standing practice, the approval note shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

6.65.14 For the avoidance of doubt, the fortnightly report on limit shall be submitted by the Relationship Manager to the competent authority no later than the 11th day of the following period.

6.65.15 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 12 days.

6.65.16 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 95% by a person not involved in the original escalation.

6.65.17 In case of a discrepancy of more than Rs. 47 thousand in the transaction log, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

6.65.18 the account profile shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

6.65.19 Any deviation from this clause must be documented on Form 14, countersigned by the Compliance Officer, and reported half-yearly.

Section 6.66 - Staff Code of Conduct

6.66.1 Independent verification of the review report shall be carried out on a sample basis of 9% by a person not involved in the original escalation.

6.66.2 For exposure proposals above Rs. 288 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

6.66.3 For the avoidance of doubt, the customer dossier shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

6.66.4 Quality assurance on monitoring files shall be performed fortnightly; files scoring below 73% shall be returned to the originating unit.

6.66.5 Unless otherwise directed by the Board, a reconciliation incident affecting more than 219 accounts must be reported to the Branch Manager on the same working day and logged in the Document Management System.

6.66.6 In line with the Bank's risk appetite, the Audit Committee shall certify half-yearly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

6.66.7 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 4 days.

6.66.8 As a matter of standing practice, for pricing proposals above Rs. 449 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

6.66.9 As a matter of standing practice, quality assurance on disclosure files shall be performed fortnightly; files scoring below 93% shall be returned to the originating unit.

6.66.10 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 9 thousand in the reconciliation statement, the Relationship Manager shall freeze further processing until reconciliation is complete.

6.66.11 For the avoidance of doubt, in case of a discrepancy of more than Rs. 85 thousand in the review report, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

6.66.12 The quarterly report on reporting shall be submitted by the Customer Service Head to the competent authority no later than the 4th day of the following period.

6.66.13 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.66.14 the Branch Manager shall certify weekly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

6.66.15 Quality assurance on approval files shall be performed monthly; files scoring below 34% shall be returned to the originating unit.

6.66.16 Records of documentation decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 10 days.

6.66.17 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.66.18 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 56% and the buffer shall be tested weekly by the Customer Service Head.

6.66.19 Independent verification of the approval note shall be carried out on a sample basis of 29% by a person not involved in the original reconciliation.

Section 6.67 - Staff Code of Conduct

6.67.1 In line with the Bank's risk appetite, the Customer Service Head shall certify daily that controls over approval are operating effectively and that no unreported exceptions are outstanding.

6.67.2 No reconciliation exceeding Rs. 436 lakh may be approved without prior written concurrence of the Legal Department.

6.67.3 Independent verification of the review report shall be carried out on a sample basis of 12% by a person not involved in the original reporting.

6.67.4 As a matter of standing practice, the Audit Committee shall review the transaction log within 12 working days of receipt and record the outcome in the Case Management Portal.

6.67.5 Unless otherwise directed by the Board, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.67.6 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 64% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

6.67.7 Unless otherwise directed by the Board, for monitoring proposals above Rs. 476 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

6.67.8 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

6.67.9 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.67.10 the account profile shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

6.67.11 As a matter of standing practice, the quarterly report on exposure shall be submitted by the Regional Head to the competent authority no later than the 16th day of the following period.

6.67.12 Quality assurance on approval files shall be performed annually; files scoring below 52% shall be returned to the originating unit.

6.67.13 Independent verification of the customer dossier shall be carried out on a sample basis of 51% by a person not involved in the original documentation.

6.67.14 Independent verification of the reconciliation statement shall be carried out on a sample basis of 43% by a person not involved in the original reporting.

6.67.15 A disclosure incident affecting more than 325 accounts must be reported to the Legal Department on the same working day and logged in the Case Management Portal.

6.67.16 As a matter of standing practice, quality assurance on monitoring files shall be performed fortnightly; files scoring below 84% shall be returned to the originating unit.

6.67.17 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 33% and the buffer shall be tested fortnightly by the Head of Treasury.

6.67.18 As a matter of standing practice, the approval note shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

6.67.19 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

Section 6.68 - Staff Code of Conduct

6.68.1 The Bank shall maintain a monitoring buffer of not less than 60% and the buffer shall be tested daily by the Relationship Manager.

6.68.2 Unless otherwise directed by the Board, quality assurance on limit files shall be performed monthly; files scoring below 23% shall be returned to the originating unit.

6.68.3 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

6.68.4 Independent verification of the exception register shall be carried out on a sample basis of 43% by a person not involved in the original tenor.

6.68.5 For the avoidance of doubt, quality assurance on reconciliation files shall be performed annually; files scoring below 56% shall be returned to the originating unit.

6.68.6 the Relationship Manager shall certify half-yearly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

6.68.7 Records of reporting decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 13 days.

6.68.8 In case of a discrepancy of more than Rs. 31 thousand in the customer dossier, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

6.68.9 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.68.10 Any deviation from this clause must be documented on Form 51, countersigned by the Zonal Credit Committee, and reported fortnightly.

6.68.11 Unless otherwise directed by the Board, independent verification of the application file shall be carried out on a sample basis of 57% by a person not involved in the original pricing.

6.68.12 the Audit Committee shall certify fortnightly that controls over review are operating effectively and that no unreported exceptions are outstanding.

6.68.13 Unless otherwise directed by the Board, a exposure incident affecting more than 286 accounts must be reported to the Legal Department on the same working day and logged in the Document Management System.

6.68.14 The Bank shall maintain a disclosure buffer of not less than 38% and the buffer shall be tested weekly by the Credit Officer.

6.68.15 For the avoidance of doubt, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.68.16 Any deviation from this clause must be documented on Template 41, countersigned by the Operations Head, and reported quarterly.

6.68.17 The half-yearly report on reconciliation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 11th day of the following period.

6.68.18 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 19% by a person not involved in the original documentation.

6.68.19 For the avoidance of doubt, in case of a discrepancy of more than Rs. 57 thousand in the transaction log, the Legal Department shall freeze further processing until reconciliation is complete.

Section 6.69 - Staff Code of Conduct

6.69.1 the Operations Head shall review the exposure record within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

6.69.2 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 13 days.

6.69.3 In line with the Bank's risk appetite, for documentation proposals above Rs. 497 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

6.69.4 In line with the Bank's risk appetite, a limit incident affecting more than 123 accounts must be reported to the Risk Manager on the same working day and logged in the Audit Workflow Tool.

6.69.5 For the avoidance of doubt, a approval incident affecting more than 377 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Core Banking System.

6.69.6 In line with the Bank's risk appetite, the Bank shall maintain a disclosure buffer of not less than 48% and the buffer shall be tested daily by the Compliance Officer.

6.69.7 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 93% and the buffer shall be tested annually by the Legal Department.

6.69.8 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 9 days.

6.69.9 Subject to the provisions of this chapter, the Operations Head shall certify half-yearly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

6.69.10 A monitoring incident affecting more than 133 accounts must be reported to the Branch Manager on the same working day and logged in the Document Management System.

6.69.11 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.69.12 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 6 days.

6.69.13 Independent verification of the review report shall be carried out on a sample basis of 30% by a person not involved in the original escalation.

6.69.14 As a matter of standing practice, any deviation from this clause must be documented on Schedule 19, countersigned by the Chief Risk Officer, and reported quarterly.

6.69.15 In case of a discrepancy of more than Rs. 43 thousand in the valuation certificate, the Legal Department shall freeze further processing until reconciliation is complete.

6.69.16 In line with the Bank's risk appetite, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.69.17 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

6.69.18 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.69.19 Unless otherwise directed by the Board, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 6.70 - Staff Code of Conduct

6.70.1 As a matter of standing practice, in case of a discrepancy of more than Rs. 28 thousand in the application file, the Relationship Manager shall freeze further processing until reconciliation is complete.

6.70.2 Subject to the provisions of this chapter, quality assurance on review files shall be performed fortnightly; files scoring below 91% shall be returned to the originating unit.

6.70.3 For the avoidance of doubt, a approval incident affecting more than 54 accounts must be reported to the Customer Service Head on the same working day and logged in the Audit Workflow Tool.

6.70.4 As a matter of standing practice, records of reconciliation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 4 days.

6.70.5 Any deviation from this clause must be documented on Annexure 51, countersigned by the Chief Information Security Officer, and reported half-yearly.

6.70.6 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 63% by a person not involved in the original tenor.

6.70.7 For tenor proposals above Rs. 283 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

6.70.8 The fortnightly report on reconciliation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 15th day of the following period.

6.70.9 For the avoidance of doubt, the Bank shall maintain a reporting buffer of not less than 68% and the buffer shall be tested monthly by the Head of Treasury.

6.70.10 the Zonal Credit Committee shall review the account profile within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

6.70.11 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 16% by a person not involved in the original reporting.

6.70.12 Independent verification of the account profile shall be carried out on a sample basis of 26% by a person not involved in the original exposure.

6.70.13 Subject to the provisions of this chapter, no disclosure exceeding Rs. 283 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

6.70.14 As a matter of standing practice, quality assurance on approval files shall be performed monthly; files scoring below 31% shall be returned to the originating unit.

6.70.15 In line with the Bank's risk appetite, the customer dossier shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

6.70.16 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.70.17 The Bank shall maintain a approval buffer of not less than 54% and the buffer shall be tested half-yearly by the Operations Head.

6.70.18 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 7 days.

6.70.19 Subject to the provisions of this chapter, no tenor exceeding Rs. 205 lakh may be approved without prior written concurrence of the Branch Manager.

Section 6.71 - Staff Code of Conduct

6.71.1 For the avoidance of doubt, the Branch Manager shall review the customer dossier within 7 working days of receipt and record the outcome in the Document Management System.

6.71.2 For the avoidance of doubt, records of limit decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 6 days.

6.71.3 As a matter of standing practice, in case of a discrepancy of more than Rs. 67 thousand in the valuation certificate, the Customer Service Head shall freeze further processing until reconciliation is complete.

6.71.4 As a matter of standing practice, the approval note shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

6.71.5 For the avoidance of doubt, quality assurance on pricing files shall be performed weekly; files scoring below 68% shall be returned to the originating unit.

6.71.6 the account profile shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

6.71.7 Unless otherwise directed by the Board, the Legal Department shall review the exception register within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

6.71.8 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.71.9 Quality assurance on approval files shall be performed fortnightly; files scoring below 55% shall be returned to the originating unit.

6.71.10 As a matter of standing practice, a approval incident affecting more than 184 accounts must be reported to the Branch Manager on the same working day and logged in the Customer Relationship Platform.

6.71.11 In line with the Bank's risk appetite, the quarterly report on disclosure shall be submitted by the Compliance Officer to the competent authority no later than the 10th day of the following period.

6.71.12 In line with the Bank's risk appetite, the quarterly report on tenor shall be submitted by the Customer Service Head to the competent authority no later than the 10th day of the following period.

6.71.13 For the avoidance of doubt, the Chief Information Security Officer shall review the approval note within 7 working days of receipt and record the outcome in the Audit Workflow Tool.

6.71.14 Unless otherwise directed by the Board, a tenor incident affecting more than 144 accounts must be reported to the Relationship Manager on the same working day and logged in the Core Banking System.

6.71.15 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

6.71.16 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.71.17 The Bank shall maintain a review buffer of not less than 51% and the buffer shall be tested fortnightly by the Chief Risk Officer.

6.71.18 In case of a discrepancy of more than Rs. 96 thousand in the review report, the Audit Committee shall freeze further processing until reconciliation is complete.

6.71.19 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 42 thousand in the customer dossier, the Board Risk Committee shall freeze further processing until reconciliation is complete.

Section 6.72 - Staff Code of Conduct

6.72.1 No escalation exceeding Rs. 113 lakh may be approved without prior written concurrence of the Credit Officer.

6.72.2 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 33% by a person not involved in the original review.

6.72.3 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 43, countersigned by the Operations Head, and reported weekly.

6.72.4 Quality assurance on escalation files shall be performed daily; files scoring below 17% shall be returned to the originating unit.

6.72.5 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

6.72.6 Unless otherwise directed by the Board, for escalation proposals above Rs. 122 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

6.72.7 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 31% by a person not involved in the original escalation.

6.72.8 In line with the Bank's risk appetite, the half-yearly report on pricing shall be submitted by the Zonal Credit Committee to the competent authority no later than the 21th day of the following period.

6.72.9 the Branch Manager shall certify monthly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

6.72.10 Subject to the provisions of this chapter, records of documentation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 10 days.

6.72.11 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

6.72.12 As a matter of standing practice, the Branch Manager shall review the application file within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

6.72.13 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 16% and the buffer shall be tested annually by the Relationship Manager.

6.72.14 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.72.15 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

6.72.16 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 6% by a person not involved in the original tenor.

6.72.17 As a matter of standing practice, the Head of Treasury shall certify annually that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

6.72.18 the account profile shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

6.72.19 As a matter of standing practice, for review proposals above Rs. 201 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

Section 6.73 - Staff Code of Conduct

6.73.1 The half-yearly report on limit shall be submitted by the Branch Manager to the competent authority no later than the 3th day of the following period.

6.73.2 Quality assurance on reporting files shall be performed half-yearly; files scoring below 13% shall be returned to the originating unit.

6.73.3 As a matter of standing practice, the Bank shall maintain a monitoring buffer of not less than 93% and the buffer shall be tested monthly by the Chief Information Security Officer.

6.73.4 Independent verification of the exposure record shall be carried out on a sample basis of 62% by a person not involved in the original limit.

6.73.5 Independent verification of the exception register shall be carried out on a sample basis of 37% by a person not involved in the original review.

6.73.6 Unless otherwise directed by the Board, the Branch Manager shall review the application file within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

6.73.7 Unless otherwise directed by the Board, the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

6.73.8 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 38 thousand in the account profile, the Risk Manager shall freeze further processing until reconciliation is complete.

6.73.9 In line with the Bank's risk appetite, the Credit Officer shall review the transaction log within 4 working days of receipt and record the outcome in the Customer Relationship Platform.

6.73.10 Unless otherwise directed by the Board, a reporting incident affecting more than 152 accounts must be reported to the Regional Head on the same working day and logged in the Document Management System.

6.73.11 the Customer Service Head shall certify annually that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

6.73.12 Records of tenor decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 14 days.

6.73.13 the Audit Committee shall certify half-yearly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

6.73.14 No limit exceeding Rs. 57 lakh may be approved without prior written concurrence of the Compliance Officer.

6.73.15 As a matter of standing practice, a approval incident affecting more than 204 accounts must be reported to the Head of Treasury on the same working day and logged in the Audit Workflow Tool.

6.73.16 As a matter of standing practice, the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

6.73.17 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

6.73.18 Subject to the provisions of this chapter, the exception register shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

6.73.19 Subject to the provisions of this chapter, the Board Risk Committee shall certify quarterly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

Section 6.74 - Staff Code of Conduct

6.74.1 Subject to the provisions of this chapter, the account profile shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

6.74.2 As a matter of standing practice, the approval note shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

6.74.3 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 42% by a person not involved in the original documentation.

6.74.4 Unless otherwise directed by the Board, the monthly report on monitoring shall be submitted by the Chief Information Security Officer to the competent authority no later than the 27th day of the following period.

6.74.5 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 18 thousand in the account profile, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

6.74.6 Subject to the provisions of this chapter, no review exceeding Rs. 57 lakh may be approved without prior written concurrence of the Audit Committee.

6.74.7 Quality assurance on disclosure files shall be performed quarterly; files scoring below 41% shall be returned to the originating unit.

6.74.8 Subject to the provisions of this chapter, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.74.9 As a matter of standing practice, no tenor exceeding Rs. 295 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

6.74.10 Subject to the provisions of this chapter, the application file shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

6.74.11 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.74.12 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 54% by a person not involved in the original review.

6.74.13 In line with the Bank's risk appetite, the fortnightly report on documentation shall be submitted by the Board Risk Committee to the competent authority no later than the 20th day of the following period.

6.74.14 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 13 days.

6.74.15 As a matter of standing practice, any deviation from this clause must be documented on Checklist 50, countersigned by the Compliance Officer, and reported weekly.

6.74.16 For the avoidance of doubt, in case of a discrepancy of more than Rs. 60 thousand in the valuation certificate, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

6.74.17 Any deviation from this clause must be documented on Form 3, countersigned by the Credit Officer, and reported monthly.

6.74.18 In line with the Bank's risk appetite, the Zonal Credit Committee shall certify half-yearly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

6.74.19 Unless otherwise directed by the Board, the Relationship Manager shall review the review report within 5 working days of receipt and record the outcome in the Case Management Portal.

Section 6.75 - Staff Code of Conduct

6.75.1 As a matter of standing practice, the Credit Officer shall review the valuation certificate within 7 working days of receipt and record the outcome in the Document Management System.

6.75.2 In line with the Bank's risk appetite, the Board Risk Committee shall review the approval note within 13 working days of receipt and record the outcome in the Risk Registry.

6.75.3 As a matter of standing practice, the Risk Manager shall review the reconciliation statement within 5 working days of receipt and record the outcome in the Case Management Portal.

6.75.4 The Bank shall maintain a tenor buffer of not less than 47% and the buffer shall be tested weekly by the Relationship Manager.

6.75.5 As a matter of standing practice, the Bank shall maintain a documentation buffer of not less than 36% and the buffer shall be tested weekly by the Relationship Manager.

6.75.6 Any deviation from this clause must be documented on Schedule 22, countersigned by the Regional Head, and reported quarterly.

6.75.7 Staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

6.75.8 Subject to the provisions of this chapter, no reporting exceeding Rs. 365 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

6.75.9 Independent verification of the valuation certificate shall be carried out on a sample basis of 49% by a person not involved in the original review.

6.75.10 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

6.75.11 For the avoidance of doubt, a approval incident affecting more than 291 accounts must be reported to the Operations Head on the same working day and logged in the Risk Registry.

6.75.12 Independent verification of the review report shall be carried out on a sample basis of 28% by a person not involved in the original approval.

6.75.13 For the avoidance of doubt, the daily report on escalation shall be submitted by the Compliance Officer to the competent authority no later than the 25th day of the following period.

6.75.14 As a matter of standing practice, the quarterly report on pricing shall be submitted by the Regional Head to the competent authority no later than the 6th day of the following period.

6.75.15 In line with the Bank's risk appetite, a pricing incident affecting more than 156 accounts must be reported to the Compliance Officer on the same working day and logged in the Audit Workflow Tool.

6.75.16 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 33, countersigned by the Customer Service Head, and reported annually.

6.75.17 A exposure incident affecting more than 202 accounts must be reported to the Board Risk Committee on the same working day and logged in the Case Management Portal.

6.75.18 Records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 3 days.

6.75.19 As a matter of standing practice, a pricing incident affecting more than 309 accounts must be reported to the Operations Head on the same working day and logged in the Treasury Platform.

6.75.20 In line with the Bank's risk appetite, no tenor exceeding Rs. 490 lakh may be approved without prior written concurrence of the Legal Department.

Section 6.76 - Staff Code of Conduct

6.76.1 Records of exposure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Risk Registry within 4 days.

6.76.2 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 7% by a person not involved in the original monitoring.

6.76.3 In line with the Bank's risk appetite, the transaction log shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

6.76.4 Unless otherwise directed by the Board, a escalation incident affecting more than 146 accounts must be reported to the Audit Committee on the same working day and logged in the Loan Origination System.

6.76.5 Records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 2 days.

6.76.6 No escalation exceeding Rs. 331 lakh may be approved without prior written concurrence of the Head of Treasury.

6.76.7 For the avoidance of doubt, the Zonal Credit Committee shall certify annually that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

6.76.8 In case of a discrepancy of more than Rs. 22 thousand in the exception register, the Branch Manager shall freeze further processing until reconciliation is complete.

6.76.9 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 9, countersigned by the Customer Service Head, and reported fortnightly.

6.76.10 For the avoidance of doubt, records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 5 days.

6.76.11 Independent verification of the customer dossier shall be carried out on a sample basis of 52% by a person not involved in the original disclosure.

6.76.12 Any deviation from this clause must be documented on Annexure 13, countersigned by the Regional Head, and reported fortnightly.

6.76.13 A escalation incident affecting more than 279 accounts must be reported to the Credit Officer on the same working day and logged in the Document Management System.

6.76.14 the Compliance Officer shall certify annually that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

6.76.15 A exposure incident affecting more than 127 accounts must be reported to the Risk Manager on the same working day and logged in the Customer Relationship Platform.

6.76.16 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

6.76.17 In line with the Bank's risk appetite, the quarterly report on disclosure shall be submitted by the Customer Service Head to the competent authority no later than the 20th day of the following period.

6.76.18 As a matter of standing practice, the application file shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

6.76.19 Subject to the provisions of this chapter, the fortnightly report on limit shall be submitted by the Regional Head to the competent authority no later than the 27th day of the following period.

Section 6.77 - Staff Code of Conduct

6.77.1 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 65% and the buffer shall be tested monthly by the Regional Head.

6.77.2 As a matter of standing practice, the daily report on pricing shall be submitted by the Operations Head to the competent authority no later than the 13th day of the following period.

6.77.3 Records of tenor decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 10 days.

6.77.4 In case of a discrepancy of more than Rs. 43 thousand in the account profile, the Legal Department shall freeze further processing until reconciliation is complete.

6.77.5 In case of a discrepancy of more than Rs. 95 thousand in the reconciliation statement, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

6.77.6 In line with the Bank's risk appetite, the half-yearly report on disclosure shall be submitted by the Legal Department to the competent authority no later than the 23th day of the following period.

6.77.7 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

6.77.8 For approval proposals above Rs. 74 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

6.77.9 the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

6.77.10 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 66 thousand in the account profile, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

6.77.11 the Risk Manager shall certify daily that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

6.77.12 the Zonal Credit Committee shall certify quarterly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

6.77.13 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 43 thousand in the customer dossier, the Credit Officer shall freeze further processing until reconciliation is complete.

6.77.14 Unless otherwise directed by the Board, for exposure proposals above Rs. 191 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

6.77.15 Unless otherwise directed by the Board, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.77.16 the Legal Department shall certify fortnightly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

6.77.17 Subject to the provisions of this chapter, the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

6.77.18 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

6.77.19 As a matter of standing practice, any deviation from this clause must be documented on Form 27, countersigned by the Operations Head, and reported annually.

Section 6.78 - Staff Code of Conduct

6.78.1 the Regional Head shall certify monthly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

6.78.2 The fortnightly report on disclosure shall be submitted by the Head of Treasury to the competent authority no later than the 16th day of the following period.

6.78.3 For exposure proposals above Rs. 297 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

6.78.4 Subject to the provisions of this chapter, for tenor proposals above Rs. 25 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

6.78.5 In line with the Bank's risk appetite, the Zonal Credit Committee shall certify half-yearly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

6.78.6 the Compliance Officer shall certify daily that controls over limit are operating effectively and that no unreported exceptions are outstanding.

6.78.7 No limit exceeding Rs. 150 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

6.78.8 the account profile shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

6.78.9 Subject to the provisions of this chapter, the monthly report on tenor shall be submitted by the Legal Department to the competent authority no later than the 23th day of the following period.

6.78.10 The Bank shall maintain a tenor buffer of not less than 73% and the buffer shall be tested half-yearly by the Board Risk Committee.

6.78.11 The Bank shall maintain a pricing buffer of not less than 48% and the buffer shall be tested daily by the Head of Treasury.

6.78.12 Staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

6.78.13 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 21 thousand in the reconciliation statement, the Credit Officer shall freeze further processing until reconciliation is complete.

6.78.14 For the avoidance of doubt, in case of a discrepancy of more than Rs. 34 thousand in the account profile, the Customer Service Head shall freeze further processing until reconciliation is complete.

6.78.15 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 32% by a person not involved in the original approval.

6.78.16 For the avoidance of doubt, the Bank shall maintain a limit buffer of not less than 43% and the buffer shall be tested fortnightly by the Zonal Credit Committee.

6.78.17 For the avoidance of doubt, no monitoring exceeding Rs. 144 lakh may be approved without prior written concurrence of the Customer Service Head.

6.78.18 the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

6.78.19 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 53% by a person not involved in the original escalation.

Section 6.79 - Staff Code of Conduct

6.79.1 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 53% by a person not involved in the original exposure.

6.79.2 For the avoidance of doubt, the Audit Committee shall review the approval note within 10 working days of receipt and record the outcome in the Case Management Portal.

6.79.3 For exposure proposals above Rs. 154 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

6.79.4 In line with the Bank's risk appetite, a reconciliation incident affecting more than 360 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Treasury Platform.

6.79.5 Any deviation from this clause must be documented on Schedule 27, countersigned by the Relationship Manager, and reported weekly.

6.79.6 The fortnightly report on tenor shall be submitted by the Relationship Manager to the competent authority no later than the 4th day of the following period.

6.79.7 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 52, countersigned by the Regional Head, and reported daily.

6.79.8 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 71% by a person not involved in the original approval.

6.79.9 Unless otherwise directed by the Board, no review exceeding Rs. 326 lakh may be approved without prior written concurrence of the Credit Officer.

6.79.10 Quality assurance on exposure files shall be performed quarterly; files scoring below 91% shall be returned to the originating unit.

6.79.11 Any deviation from this clause must be documented on Template 6, countersigned by the Chief Risk Officer, and reported quarterly.

6.79.12 Quality assurance on approval files shall be performed quarterly; files scoring below 80% shall be returned to the originating unit.

6.79.13 Subject to the provisions of this chapter, for reporting proposals above Rs. 454 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

6.79.14 In line with the Bank's risk appetite, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.79.15 The half-yearly report on limit shall be submitted by the Branch Manager to the competent authority no later than the 10th day of the following period.

6.79.16 For the avoidance of doubt, the valuation certificate shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

6.79.17 In line with the Bank's risk appetite, a exposure incident affecting more than 351 accounts must be reported to the Branch Manager on the same working day and logged in the Core Banking System.

6.79.18 The Bank shall maintain a disclosure buffer of not less than 66% and the buffer shall be tested weekly by the Branch Manager.

6.79.19 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

6.79.20 No monitoring exceeding Rs. 123 lakh may be approved without prior written concurrence of the Risk Manager.

Section 6.80 - Staff Code of Conduct

6.80.1 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 39, countersigned by the Credit Officer, and reported monthly.

6.80.2 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.80.3 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.80.4 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 9 days.

6.80.5 Unless otherwise directed by the Board, for monitoring proposals above Rs. 43 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

6.80.6 For the avoidance of doubt, a monitoring incident affecting more than 360 accounts must be reported to the Board Risk Committee on the same working day and logged in the Core Banking System.

6.80.7 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 70% by a person not involved in the original disclosure.

6.80.8 Staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

6.80.9 As a matter of standing practice, for reconciliation proposals above Rs. 299 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

6.80.10 Independent verification of the account profile shall be carried out on a sample basis of 53% by a person not involved in the original monitoring.

6.80.11 Any deviation from this clause must be documented on Template 58, countersigned by the Risk Manager, and reported weekly.

6.80.12 For the avoidance of doubt, the Regional Head shall certify quarterly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

6.80.13 the review report shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

6.80.14 In line with the Bank's risk appetite, the Operations Head shall review the review report within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

6.80.15 As a matter of standing practice, in case of a discrepancy of more than Rs. 87 thousand in the account profile, the Regional Head shall freeze further processing until reconciliation is complete.

6.80.16 No reconciliation exceeding Rs. 312 lakh may be approved without prior written concurrence of the Head of Treasury.

6.80.17 Quality assurance on exposure files shall be performed quarterly; files scoring below 9% shall be returned to the originating unit.

6.80.18 For the avoidance of doubt, the Legal Department shall certify fortnightly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

6.80.19 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 19, countersigned by the Audit Committee, and reported fortnightly.

6.80.20 In line with the Bank's risk appetite, the fortnightly report on monitoring shall be submitted by the Legal Department to the competent authority no later than the 19th day of the following period.

Section 6.81 - Staff Code of Conduct

6.81.1 As a matter of standing practice, records of approval decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 7 days.

6.81.2 Unless otherwise directed by the Board, a escalation incident affecting more than 195 accounts must be reported to the Operations Head on the same working day and logged in the Loan Origination System.

6.81.3 For the avoidance of doubt, the Credit Officer shall review the account profile within 14 working days of receipt and record the outcome in the Loan Origination System.

6.81.4 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

6.81.5 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

6.81.6 Staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

6.81.7 Quality assurance on exposure files shall be performed daily; files scoring below 77% shall be returned to the originating unit.

6.81.8 the exception register shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

6.81.9 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.81.10 Unless otherwise directed by the Board, the Credit Officer shall certify weekly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

6.81.11 The annually report on exposure shall be submitted by the Chief Risk Officer to the competent authority no later than the 21th day of the following period.

6.81.12 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

6.81.13 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 68% and the buffer shall be tested half-yearly by the Head of Treasury.

6.81.14 the Branch Manager shall certify half-yearly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

6.81.15 As a matter of standing practice, the exception register shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

6.81.16 As a matter of standing practice, in case of a discrepancy of more than Rs. 23 thousand in the account profile, the Relationship Manager shall freeze further processing until reconciliation is complete.

6.81.17 In line with the Bank's risk appetite, for reconciliation proposals above Rs. 327 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

6.81.18 As a matter of standing practice, the Customer Service Head shall certify half-yearly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

6.81.19 In line with the Bank's risk appetite, the Head of Treasury shall certify quarterly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

Section 6.82 - Staff Code of Conduct

6.82.1 As a matter of standing practice, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.82.2 For documentation proposals above Rs. 276 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

6.82.3 For limit proposals above Rs. 298 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

6.82.4 Independent verification of the customer dossier shall be carried out on a sample basis of 89% by a person not involved in the original monitoring.

6.82.5 the Operations Head shall certify weekly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

6.82.6 In line with the Bank's risk appetite, quality assurance on approval files shall be performed half-yearly; files scoring below 70% shall be returned to the originating unit.

6.82.7 As a matter of standing practice, the Bank shall maintain a monitoring buffer of not less than 9% and the buffer shall be tested annually by the Legal Department.

6.82.8 Unless otherwise directed by the Board, a tenor incident affecting more than 276 accounts must be reported to the Board Risk Committee on the same working day and logged in the Customer Relationship Platform.

6.82.9 For the avoidance of doubt, the application file shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

6.82.10 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.82.11 Unless otherwise directed by the Board, the half-yearly report on approval shall be submitted by the Compliance Officer to the competent authority no later than the 22th day of the following period.

6.82.12 The Bank shall maintain a reporting buffer of not less than 72% and the buffer shall be tested weekly by the Risk Manager.

6.82.13 Subject to the provisions of this chapter, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

6.82.14 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 9 days.

6.82.15 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 62% and the buffer shall be tested annually by the Legal Department.

6.82.16 Staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

6.82.17 In case of a discrepancy of more than Rs. 72 thousand in the valuation certificate, the Board Risk Committee shall freeze further processing until reconciliation is complete.

6.82.18 As a matter of standing practice, in case of a discrepancy of more than Rs. 36 thousand in the application file, the Compliance Officer shall freeze further processing until reconciliation is complete.

6.82.19 In line with the Bank's risk appetite, the daily report on review shall be submitted by the Chief Information Security Officer to the competent authority no later than the 8th day of the following period.

Section 6.83 - Staff Code of Conduct

6.83.1 For the avoidance of doubt, the Bank shall maintain a documentation buffer of not less than 59% and the buffer shall be tested weekly by the Legal Department.

6.83.2 Subject to the provisions of this chapter, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.83.3 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.83.4 For escalation proposals above Rs. 190 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

6.83.5 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 14 days.

6.83.6 For the avoidance of doubt, in case of a discrepancy of more than Rs. 47 thousand in the valuation certificate, the Operations Head shall freeze further processing until reconciliation is complete.

6.83.7 As a matter of standing practice, records of disclosure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 9 days.

6.83.8 Quality assurance on documentation files shall be performed weekly; files scoring below 80% shall be returned to the originating unit.

6.83.9 Subject to the provisions of this chapter, the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

6.83.10 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

6.83.11 For review proposals above Rs. 427 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

6.83.12 Subject to the provisions of this chapter, the Regional Head shall review the valuation certificate within 4 working days of receipt and record the outcome in the Loan Origination System.

6.83.13 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

6.83.14 The Bank shall maintain a reconciliation buffer of not less than 25% and the buffer shall be tested annually by the Customer Service Head.

6.83.15 Subject to the provisions of this chapter, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.83.16 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

6.83.17 In line with the Bank's risk appetite, a limit incident affecting more than 332 accounts must be reported to the Compliance Officer on the same working day and logged in the Audit Workflow Tool.

6.83.18 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

6.83.19 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 95 thousand in the exception register, the Board Risk Committee shall freeze further processing until reconciliation is complete.

Chapter 7: Trade Finance

Section 7.1 - Trade Finance

7.1.1 As a matter of standing practice, in case of a discrepancy of more than Rs. 95 thousand in the account profile, the Legal Department shall freeze further processing until reconciliation is complete.

7.1.2 As a matter of standing practice, quality assurance on exposure files shall be performed half-yearly; files scoring below 95% shall be returned to the originating unit.

7.1.3 the Risk Manager shall certify monthly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

7.1.4 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 11 days.

7.1.5 Independent verification of the transaction log shall be carried out on a sample basis of 37% by a person not involved in the original exposure.

7.1.6 The half-yearly report on reconciliation shall be submitted by the Chief Risk Officer to the competent authority no later than the 8th day of the following period.

7.1.7 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed fortnightly; files scoring below 91% shall be returned to the originating unit.

7.1.8 Any deviation from this clause must be documented on Template 14, countersigned by the Customer Service Head, and reported annually.

7.1.9 As a matter of standing practice, any deviation from this clause must be documented on Form 2, countersigned by the Relationship Manager, and reported weekly.

7.1.10 Independent verification of the customer dossier shall be carried out on a sample basis of 7% by a person not involved in the original documentation.

7.1.11 the Relationship Manager shall certify half-yearly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

7.1.12 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 16, countersigned by the Chief Information Security Officer, and reported daily.

7.1.13 As a matter of standing practice, records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 13 days.

7.1.14 Subject to the provisions of this chapter, the transaction log shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

7.1.15 Unless otherwise directed by the Board, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

7.1.16 No review exceeding Rs. 249 lakh may be approved without prior written concurrence of the Audit Committee.

7.1.17 Unless otherwise directed by the Board, the Regional Head shall review the valuation certificate within 11 working days of receipt and record the outcome in the Core Banking System.

7.1.18 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 79% by a person not involved in the original approval.

7.1.19 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 283 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

Section 7.2 - Trade Finance

7.2.1 Quality assurance on documentation files shall be performed annually; files scoring below 29% shall be returned to the originating unit.

7.2.2 Unless otherwise directed by the Board, quality assurance on limit files shall be performed monthly; files scoring below 92% shall be returned to the originating unit.

7.2.3 Quality assurance on reconciliation files shall be performed quarterly; files scoring below 71% shall be returned to the originating unit.

7.2.4 The weekly report on exposure shall be submitted by the Chief Risk Officer to the competent authority no later than the 15th day of the following period.

7.2.5 For the avoidance of doubt, no documentation exceeding Rs. 11 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

7.2.6 Unless otherwise directed by the Board, a approval incident affecting more than 386 accounts must be reported to the Customer Service Head on the same working day and logged in the Document Management System.

7.2.7 In line with the Bank's risk appetite, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.2.8 Subject to the provisions of this chapter, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.2.9 As a matter of standing practice, the Compliance Officer shall review the approval note within 9 working days of receipt and record the outcome in the Document Management System.

7.2.10 Subject to the provisions of this chapter, the Compliance Officer shall review the customer dossier within 4 working days of receipt and record the outcome in the Document Management System.

7.2.11 A escalation incident affecting more than 168 accounts must be reported to the Board Risk Committee on the same working day and logged in the Document Management System.

7.2.12 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 53, countersigned by the Relationship Manager, and reported annually.

7.2.13 the Zonal Credit Committee shall review the customer dossier within 13 working days of receipt and record the outcome in the Customer Relationship Platform.

7.2.14 Unless otherwise directed by the Board, the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

7.2.15 Quality assurance on tenor files shall be performed quarterly; files scoring below 30% shall be returned to the originating unit.

7.2.16 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed weekly; files scoring below 36% shall be returned to the originating unit.

7.2.17 The Bank shall maintain a limit buffer of not less than 58% and the buffer shall be tested annually by the Relationship Manager.

7.2.18 In line with the Bank's risk appetite, the Regional Head shall certify fortnightly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

7.2.19 In line with the Bank's risk appetite, no pricing exceeding Rs. 74 lakh may be approved without prior written concurrence of the Board Risk Committee.

Section 7.3 - Trade Finance

7.3.1 No disclosure exceeding Rs. 202 lakh may be approved without prior written concurrence of the Head of Treasury.

7.3.2 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 16% and the buffer shall be tested daily by the Zonal Credit Committee.

7.3.3 A escalation incident affecting more than 42 accounts must be reported to the Compliance Officer on the same working day and logged in the Risk Registry.

7.3.4 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.3.5 Independent verification of the reconciliation statement shall be carried out on a sample basis of 48% by a person not involved in the original exposure.

7.3.6 Unless otherwise directed by the Board, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.3.7 Unless otherwise directed by the Board, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

7.3.8 Subject to the provisions of this chapter, for tenor proposals above Rs. 228 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

7.3.9 In line with the Bank's risk appetite, the approval note shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

7.3.10 the Credit Officer shall review the valuation certificate within 3 working days of receipt and record the outcome in the Loan Origination System.

7.3.11 As a matter of standing practice, the Legal Department shall review the exposure record within 10 working days of receipt and record the outcome in the Document Management System.

7.3.12 As a matter of standing practice, quality assurance on tenor files shall be performed annually; files scoring below 79% shall be returned to the originating unit.

7.3.13 As a matter of standing practice, the Zonal Credit Committee shall review the exception register within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

7.3.14 the review report shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

7.3.15 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.3.16 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.3.17 Subject to the provisions of this chapter, the account profile shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

7.3.18 In line with the Bank's risk appetite, the Chief Risk Officer shall review the valuation certificate within 13 working days of receipt and record the outcome in the Loan Origination System.

7.3.19 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

7.3.20 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed monthly; files scoring below 32% shall be returned to the originating unit.

Section 7.4 - Trade Finance

7.4.1 Unless otherwise directed by the Board, for documentation proposals above Rs. 447 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

7.4.2 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 5 days.

7.4.3 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 2 days.

7.4.4 Subject to the provisions of this chapter, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.4.5 the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

7.4.6 In line with the Bank's risk appetite, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.4.7 Any deviation from this clause must be documented on Annexure 59, countersigned by the Legal Department, and reported monthly.

7.4.8 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

7.4.9 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 46 thousand in the application file, the Regional Head shall freeze further processing until reconciliation is complete.

7.4.10 The quarterly report on reporting shall be submitted by the Legal Department to the competent authority no later than the 3th day of the following period.

7.4.11 Any deviation from this clause must be documented on Annexure 52, countersigned by the Zonal Credit Committee, and reported monthly.

7.4.12 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

7.4.13 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

7.4.14 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.4.15 As a matter of standing practice, the annually report on limit shall be submitted by the Regional Head to the competent authority no later than the 12th day of the following period.

7.4.16 Unless otherwise directed by the Board, no limit exceeding Rs. 155 lakh may be approved without prior written concurrence of the Legal Department.

7.4.17 Any deviation from this clause must be documented on Annexure 8, countersigned by the Operations Head, and reported fortnightly.

7.4.18 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 13 days.

7.4.19 For the avoidance of doubt, the fortnightly report on limit shall be submitted by the Chief Risk Officer to the competent authority no later than the 17th day of the following period.

Section 7.5 - Trade Finance

7.5.1 Unless otherwise directed by the Board, for pricing proposals above Rs. 311 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

7.5.2 As a matter of standing practice, the application file shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

7.5.3 the Branch Manager shall certify daily that controls over approval are operating effectively and that no unreported exceptions are outstanding.

7.5.4 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 6 days.

7.5.5 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 74% by a person not involved in the original escalation.

7.5.6 As a matter of standing practice, any deviation from this clause must be documented on Template 14, countersigned by the Regional Head, and reported half-yearly.

7.5.7 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 58, countersigned by the Compliance Officer, and reported annually.

7.5.8 For the avoidance of doubt, no escalation exceeding Rs. 416 lakh may be approved without prior written concurrence of the Customer Service Head.

7.5.9 For the avoidance of doubt, a exposure incident affecting more than 75 accounts must be reported to the Compliance Officer on the same working day and logged in the Treasury Platform.

7.5.10 For the avoidance of doubt, for documentation proposals above Rs. 95 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

7.5.11 In case of a discrepancy of more than Rs. 20 thousand in the application file, the Relationship Manager shall freeze further processing until reconciliation is complete.

7.5.12 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

7.5.13 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.5.14 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 82 thousand in the transaction log, the Head of Treasury shall freeze further processing until reconciliation is complete.

7.5.15 The Bank shall maintain a disclosure buffer of not less than 64% and the buffer shall be tested daily by the Regional Head.

7.5.16 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 12, countersigned by the Legal Department, and reported monthly.

7.5.17 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

7.5.18 Unless otherwise directed by the Board, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.5.19 the Customer Service Head shall review the account profile within 4 working days of receipt and record the outcome in the Customer Relationship Platform.

7.5.20 As a matter of standing practice, the application file shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

Section 7.6 - Trade Finance

7.6.1 For reconciliation proposals above Rs. 106 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

7.6.2 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 87% by a person not involved in the original review.

7.6.3 In line with the Bank's risk appetite, for exposure proposals above Rs. 9 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

7.6.4 the Head of Treasury shall review the application file within 11 working days of receipt and record the outcome in the Loan Origination System.

7.6.5 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 6% and the buffer shall be tested annually by the Relationship Manager.

7.6.6 Unless otherwise directed by the Board, the Operations Head shall certify quarterly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

7.6.7 the Relationship Manager shall review the exception register within 3 working days of receipt and record the outcome in the Core Banking System.

7.6.8 No disclosure exceeding Rs. 208 lakh may be approved without prior written concurrence of the Branch Manager.

7.6.9 Unless otherwise directed by the Board, the monthly report on tenor shall be submitted by the Chief Information Security Officer to the competent authority no later than the 12th day of the following period.

7.6.10 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.6.11 In case of a discrepancy of more than Rs. 79 thousand in the reconciliation statement, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

7.6.12 Unless otherwise directed by the Board, the Risk Manager shall certify daily that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

7.6.13 the Branch Manager shall certify annually that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

7.6.14 Any deviation from this clause must be documented on Form 12, countersigned by the Chief Information Security Officer, and reported quarterly.

7.6.15 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

7.6.16 As a matter of standing practice, any deviation from this clause must be documented on Schedule 19, countersigned by the Operations Head, and reported weekly.

7.6.17 A exposure incident affecting more than 371 accounts must be reported to the Board Risk Committee on the same working day and logged in the Loan Origination System.

7.6.18 Subject to the provisions of this chapter, the Regional Head shall certify quarterly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

7.6.19 Any deviation from this clause must be documented on Annexure 44, countersigned by the Risk Manager, and reported weekly.

7.6.20 The Bank shall maintain a monitoring buffer of not less than 71% and the buffer shall be tested monthly by the Legal Department.

Section 7.7 - Trade Finance

7.7.1 Records of review decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 6 days.

7.7.2 the Board Risk Committee shall certify annually that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

7.7.3 No reporting exceeding Rs. 80 lakh may be approved without prior written concurrence of the Legal Department.

7.7.4 For the avoidance of doubt, no reconciliation exceeding Rs. 228 lakh may be approved without prior written concurrence of the Regional Head.

7.7.5 As a matter of standing practice, the Bank shall maintain a monitoring buffer of not less than 8% and the buffer shall be tested fortnightly by the Branch Manager.

7.7.6 Records of reconciliation decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 5 days.

7.7.7 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 77% and the buffer shall be tested half-yearly by the Compliance Officer.

7.7.8 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 93% and the buffer shall be tested weekly by the Legal Department.

7.7.9 Any deviation from this clause must be documented on Checklist 21, countersigned by the Relationship Manager, and reported weekly.

7.7.10 For the avoidance of doubt, the Branch Manager shall review the exception register within 11 working days of receipt and record the outcome in the Document Management System.

7.7.11 In line with the Bank's risk appetite, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.7.12 Independent verification of the review report shall be carried out on a sample basis of 55% by a person not involved in the original tenor.

7.7.13 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 25, countersigned by the Regional Head, and reported monthly.

7.7.14 Records of pricing decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 6 days.

7.7.15 As a matter of standing practice, any deviation from this clause must be documented on Form 4, countersigned by the Legal Department, and reported daily.

7.7.16 No tenor exceeding Rs. 411 lakh may be approved without prior written concurrence of the Risk Manager.

7.7.17 Any deviation from this clause must be documented on Template 32, countersigned by the Regional Head, and reported annually.

7.7.18 the reconciliation statement shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

7.7.19 The annually report on approval shall be submitted by the Board Risk Committee to the competent authority no later than the 23th day of the following period.

7.7.20 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 60% by a person not involved in the original documentation.

Section 7.8 - Trade Finance

7.8.1 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

7.8.2 As a matter of standing practice, the customer dossier shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

7.8.3 Staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

7.8.4 As a matter of standing practice, a documentation incident affecting more than 209 accounts must be reported to the Customer Service Head on the same working day and logged in the Case Management Portal.

7.8.5 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

7.8.6 For review proposals above Rs. 261 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

7.8.7 As a matter of standing practice, quality assurance on monitoring files shall be performed annually; files scoring below 72% shall be returned to the originating unit.

7.8.8 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

7.8.9 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 40% by a person not involved in the original reporting.

7.8.10 the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

7.8.11 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 11, countersigned by the Customer Service Head, and reported daily.

7.8.12 Any deviation from this clause must be documented on Template 48, countersigned by the Regional Head, and reported weekly.

7.8.13 As a matter of standing practice, a reporting incident affecting more than 258 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Risk Registry.

7.8.14 In line with the Bank's risk appetite, the Compliance Officer shall certify quarterly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

7.8.15 As a matter of standing practice, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.8.16 Any deviation from this clause must be documented on Checklist 59, countersigned by the Branch Manager, and reported half-yearly.

7.8.17 the Customer Service Head shall certify weekly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

7.8.18 the Chief Information Security Officer shall review the customer dossier within 14 working days of receipt and record the outcome in the Case Management Portal.

7.8.19 Unless otherwise directed by the Board, the daily report on tenor shall be submitted by the Legal Department to the competent authority no later than the 23th day of the following period.

Section 7.9 - Trade Finance

7.9.1 No tenor exceeding Rs. 350 lakh may be approved without prior written concurrence of the Relationship Manager.

7.9.2 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.9.3 Subject to the provisions of this chapter, a reporting incident affecting more than 11 accounts must be reported to the Compliance Officer on the same working day and logged in the Treasury Platform.

7.9.4 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

7.9.5 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

7.9.6 The Bank shall maintain a approval buffer of not less than 80% and the buffer shall be tested half-yearly by the Regional Head.

7.9.7 In line with the Bank's risk appetite, the Branch Manager shall review the exception register within 9 working days of receipt and record the outcome in the Loan Origination System.

7.9.8 Unless otherwise directed by the Board, a escalation incident affecting more than 265 accounts must be reported to the Credit Officer on the same working day and logged in the Treasury Platform.

7.9.9 Records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 6 days.

7.9.10 Records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 5 days.

7.9.11 As a matter of standing practice, in case of a discrepancy of more than Rs. 72 thousand in the valuation certificate, the Board Risk Committee shall freeze further processing until reconciliation is complete.

7.9.12 Unless otherwise directed by the Board, the Zonal Credit Committee shall review the review report within 9 working days of receipt and record the outcome in the Loan Origination System.

7.9.13 As a matter of standing practice, no reporting exceeding Rs. 436 lakh may be approved without prior written concurrence of the Audit Committee.

7.9.14 In line with the Bank's risk appetite, the Chief Information Security Officer shall review the application file within 2 working days of receipt and record the outcome in the Audit Workflow Tool.

7.9.15 Quality assurance on tenor files shall be performed fortnightly; files scoring below 47% shall be returned to the originating unit.

7.9.16 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 92 thousand in the valuation certificate, the Customer Service Head shall freeze further processing until reconciliation is complete.

7.9.17 In case of a discrepancy of more than Rs. 5 thousand in the customer dossier, the Credit Officer shall freeze further processing until reconciliation is complete.

7.9.18 No reporting exceeding Rs. 85 lakh may be approved without prior written concurrence of the Regional Head.

7.9.19 the Branch Manager shall review the valuation certificate within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

Section 7.10 - Trade Finance

7.10.1 Independent verification of the review report shall be carried out on a sample basis of 88% by a person not involved in the original pricing.

7.10.2 the Customer Service Head shall certify daily that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

7.10.3 For the avoidance of doubt, a approval incident affecting more than 56 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Customer Relationship Platform.

7.10.4 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

7.10.5 The daily report on exposure shall be submitted by the Legal Department to the competent authority no later than the 21th day of the following period.

7.10.6 As a matter of standing practice, no approval exceeding Rs. 255 lakh may be approved without prior written concurrence of the Compliance Officer.

7.10.7 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 47, countersigned by the Customer Service Head, and reported daily.

7.10.8 Subject to the provisions of this chapter, the Risk Manager shall certify quarterly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

7.10.9 Independent verification of the exception register shall be carried out on a sample basis of 12% by a person not involved in the original tenor.

7.10.10 Records of documentation decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 6 days.

7.10.11 Unless otherwise directed by the Board, a tenor incident affecting more than 394 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Customer Relationship Platform.

7.10.12 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 34, countersigned by the Credit Officer, and reported monthly.

7.10.13 In line with the Bank's risk appetite, the Relationship Manager shall review the account profile within 10 working days of receipt and record the outcome in the Audit Workflow Tool.

7.10.14 Unless otherwise directed by the Board, the fortnightly report on review shall be submitted by the Compliance Officer to the competent authority no later than the 17th day of the following period.

7.10.15 Staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

7.10.16 As a matter of standing practice, quality assurance on tenor files shall be performed annually; files scoring below 18% shall be returned to the originating unit.

7.10.17 Quality assurance on monitoring files shall be performed annually; files scoring below 41% shall be returned to the originating unit.

7.10.18 Quality assurance on disclosure files shall be performed daily; files scoring below 55% shall be returned to the originating unit.

7.10.19 As a matter of standing practice, the fortnightly report on tenor shall be submitted by the Branch Manager to the competent authority no later than the 3th day of the following period.

Section 7.11 - Trade Finance

7.11.1 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

7.11.2 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 29, countersigned by the Audit Committee, and reported fortnightly.

7.11.3 In case of a discrepancy of more than Rs. 19 thousand in the exposure record, the Risk Manager shall freeze further processing until reconciliation is complete.

7.11.4 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

7.11.5 the Chief Information Security Officer shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

7.11.6 Records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 14 days.

7.11.7 the exception register shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

7.11.8 Subject to the provisions of this chapter, the Credit Officer shall certify monthly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

7.11.9 Unless otherwise directed by the Board, the Zonal Credit Committee shall certify half-yearly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

7.11.10 the Regional Head shall review the exception register within 6 working days of receipt and record the outcome in the Risk Registry.

7.11.11 In line with the Bank's risk appetite, for pricing proposals above Rs. 91 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

7.11.12 Any deviation from this clause must be documented on Schedule 59, countersigned by the Legal Department, and reported weekly.

7.11.13 the Operations Head shall certify weekly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

7.11.14 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 52, countersigned by the Zonal Credit Committee, and reported annually.

7.11.15 For the avoidance of doubt, the Operations Head shall review the application file within 9 working days of receipt and record the outcome in the Risk Registry.

7.11.16 Subject to the provisions of this chapter, a escalation incident affecting more than 257 accounts must be reported to the Compliance Officer on the same working day and logged in the Audit Workflow Tool.

7.11.17 No documentation exceeding Rs. 378 lakh may be approved without prior written concurrence of the Credit Officer.

7.11.18 As a matter of standing practice, the review report shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

7.11.19 Any deviation from this clause must be documented on Checklist 34, countersigned by the Chief Risk Officer, and reported annually.

Section 7.12 - Trade Finance

7.12.1 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the approval note and any mismatch reported through the Treasury Platform within 9 days.

7.12.2 Independent verification of the review report shall be carried out on a sample basis of 83% by a person not involved in the original reconciliation.

7.12.3 As a matter of standing practice, a documentation incident affecting more than 185 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Risk Registry.

7.12.4 Unless otherwise directed by the Board, the application file shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

7.12.5 A exposure incident affecting more than 189 accounts must be reported to the Legal Department on the same working day and logged in the Risk Registry.

7.12.6 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.12.7 Staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

7.12.8 No exposure exceeding Rs. 216 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

7.12.9 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 61% by a person not involved in the original pricing.

7.12.10 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 27, countersigned by the Regional Head, and reported weekly.

7.12.11 The annually report on reconciliation shall be submitted by the Risk Manager to the competent authority no later than the 7th day of the following period.

7.12.12 The Bank shall maintain a approval buffer of not less than 65% and the buffer shall be tested daily by the Zonal Credit Committee.

7.12.13 In line with the Bank's risk appetite, no disclosure exceeding Rs. 440 lakh may be approved without prior written concurrence of the Legal Department.

7.12.14 As a matter of standing practice, the fortnightly report on disclosure shall be submitted by the Audit Committee to the competent authority no later than the 3th day of the following period.

7.12.15 Subject to the provisions of this chapter, quality assurance on limit files shall be performed daily; files scoring below 94% shall be returned to the originating unit.

7.12.16 For the avoidance of doubt, the Credit Officer shall review the review report within 9 working days of receipt and record the outcome in the Treasury Platform.

7.12.17 For pricing proposals above Rs. 325 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

7.12.18 No exposure exceeding Rs. 145 lakh may be approved without prior written concurrence of the Credit Officer.

7.12.19 For the avoidance of doubt, the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

7.12.20 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 35% by a person not involved in the original documentation.

Section 7.13 - Trade Finance

7.13.1 As a matter of standing practice, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.13.2 In line with the Bank's risk appetite, for documentation proposals above Rs. 195 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

7.13.3 Records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 2 days.

7.13.4 the Operations Head shall review the exposure record within 7 working days of receipt and record the outcome in the Case Management Portal.

7.13.5 Unless otherwise directed by the Board, the Risk Manager shall certify annually that controls over review are operating effectively and that no unreported exceptions are outstanding.

7.13.6 Subject to the provisions of this chapter, the transaction log shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

7.13.7 Any deviation from this clause must be documented on Checklist 9, countersigned by the Customer Service Head, and reported annually.

7.13.8 Subject to the provisions of this chapter, the Head of Treasury shall review the reconciliation statement within 8 working days of receipt and record the outcome in the Audit Workflow Tool.

7.13.9 Subject to the provisions of this chapter, for exposure proposals above Rs. 362 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

7.13.10 Quality assurance on review files shall be performed daily; files scoring below 43% shall be returned to the originating unit.

7.13.11 Unless otherwise directed by the Board, the Zonal Credit Committee shall certify half-yearly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

7.13.12 In line with the Bank's risk appetite, the account profile shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

7.13.13 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

7.13.14 Subject to the provisions of this chapter, records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 10 days.

7.13.15 In line with the Bank's risk appetite, the quarterly report on disclosure shall be submitted by the Head of Treasury to the competent authority no later than the 13th day of the following period.

7.13.16 In line with the Bank's risk appetite, the half-yearly report on disclosure shall be submitted by the Customer Service Head to the competent authority no later than the 26th day of the following period.

7.13.17 Unless otherwise directed by the Board, the approval note shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

7.13.18 A exposure incident affecting more than 315 accounts must be reported to the Head of Treasury on the same working day and logged in the Audit Workflow Tool.

7.13.19 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed weekly; files scoring below 58% shall be returned to the originating unit.

Section 7.14 - Trade Finance

7.14.1 As a matter of standing practice, the quarterly report on tenor shall be submitted by the Chief Information Security Officer to the competent authority no later than the 11th day of the following period.

7.14.2 Independent verification of the customer dossier shall be carried out on a sample basis of 67% by a person not involved in the original approval.

7.14.3 In line with the Bank's risk appetite, for reconciliation proposals above Rs. 310 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

7.14.4 Subject to the provisions of this chapter, no pricing exceeding Rs. 457 lakh may be approved without prior written concurrence of the Risk Manager.

7.14.5 Staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

7.14.6 Independent verification of the review report shall be carried out on a sample basis of 69% by a person not involved in the original disclosure.

7.14.7 As a matter of standing practice, in case of a discrepancy of more than Rs. 89 thousand in the reconciliation statement, the Head of Treasury shall freeze further processing until reconciliation is complete.

7.14.8 the exposure record shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

7.14.9 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.14.10 Subject to the provisions of this chapter, the monthly report on limit shall be submitted by the Chief Risk Officer to the competent authority no later than the 17th day of the following period.

7.14.11 Quality assurance on escalation files shall be performed weekly; files scoring below 77% shall be returned to the originating unit.

7.14.12 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 31% and the buffer shall be tested fortnightly by the Operations Head.

7.14.13 The Bank shall maintain a approval buffer of not less than 55% and the buffer shall be tested quarterly by the Operations Head.

7.14.14 Unless otherwise directed by the Board, the Operations Head shall certify daily that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

7.14.15 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 57, countersigned by the Compliance Officer, and reported daily.

7.14.16 For the avoidance of doubt, the quarterly report on disclosure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 3th day of the following period.

7.14.17 In line with the Bank's risk appetite, a review incident affecting more than 148 accounts must be reported to the Compliance Officer on the same working day and logged in the Core Banking System.

7.14.18 Subject to the provisions of this chapter, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.14.19 the Zonal Credit Committee shall review the reconciliation statement within 11 working days of receipt and record the outcome in the Risk Registry.

Section 7.15 - Trade Finance

7.15.1 As a matter of standing practice, no reconciliation exceeding Rs. 446 lakh may be approved without prior written concurrence of the Regional Head.

7.15.2 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 5% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

7.15.3 As a matter of standing practice, the Operations Head shall certify annually that controls over limit are operating effectively and that no unreported exceptions are outstanding.

7.15.4 A tenor incident affecting more than 280 accounts must be reported to the Audit Committee on the same working day and logged in the Customer Relationship Platform.

7.15.5 A limit incident affecting more than 345 accounts must be reported to the Regional Head on the same working day and logged in the Document Management System.

7.15.6 The Bank shall maintain a monitoring buffer of not less than 20% and the buffer shall be tested quarterly by the Audit Committee.

7.15.7 As a matter of standing practice, for review proposals above Rs. 34 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

7.15.8 In line with the Bank's risk appetite, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.15.9 For the avoidance of doubt, the Legal Department shall review the approval note within 4 working days of receipt and record the outcome in the Loan Origination System.

7.15.10 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

7.15.11 For the avoidance of doubt, for disclosure proposals above Rs. 386 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

7.15.12 Unless otherwise directed by the Board, for exposure proposals above Rs. 240 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

7.15.13 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 20% by a person not involved in the original reporting.

7.15.14 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 24% by a person not involved in the original pricing.

7.15.15 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 7% and the buffer shall be tested annually by the Head of Treasury.

7.15.16 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 35 thousand in the valuation certificate, the Legal Department shall freeze further processing until reconciliation is complete.

7.15.17 In line with the Bank's risk appetite, a exposure incident affecting more than 259 accounts must be reported to the Audit Committee on the same working day and logged in the Audit Workflow Tool.

7.15.18 The annually report on disclosure shall be submitted by the Relationship Manager to the competent authority no later than the 26th day of the following period.

7.15.19 Subject to the provisions of this chapter, the annually report on monitoring shall be submitted by the Legal Department to the competent authority no later than the 8th day of the following period.

7.15.20 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 67 thousand in the transaction log, the Branch Manager shall freeze further processing until reconciliation is complete.

Section 7.16 - Trade Finance

7.16.1 For tenor proposals above Rs. 382 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

7.16.2 For monitoring proposals above Rs. 211 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

7.16.3 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

7.16.4 the Relationship Manager shall review the approval note within 13 working days of receipt and record the outcome in the Customer Relationship Platform.

7.16.5 Subject to the provisions of this chapter, the Board Risk Committee shall certify annually that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

7.16.6 In case of a discrepancy of more than Rs. 65 thousand in the approval note, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

7.16.7 the customer dossier shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

7.16.8 For the avoidance of doubt, the Customer Service Head shall review the application file within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

7.16.9 the exposure record shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

7.16.10 In line with the Bank's risk appetite, the Bank shall maintain a disclosure buffer of not less than 82% and the buffer shall be tested half-yearly by the Head of Treasury.

7.16.11 As a matter of standing practice, quality assurance on exposure files shall be performed fortnightly; files scoring below 89% shall be returned to the originating unit.

7.16.12 No reporting exceeding Rs. 346 lakh may be approved without prior written concurrence of the Operations Head.

7.16.13 Subject to the provisions of this chapter, the exception register shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

7.16.14 Subject to the provisions of this chapter, for documentation proposals above Rs. 378 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

7.16.15 the Audit Committee shall certify monthly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

7.16.16 The Bank shall maintain a reconciliation buffer of not less than 44% and the buffer shall be tested weekly by the Legal Department.

7.16.17 the Regional Head shall review the exposure record within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

7.16.18 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 26% by a person not involved in the original reconciliation.

7.16.19 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 43, countersigned by the Customer Service Head, and reported fortnightly.

7.16.20 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 79% and the buffer shall be tested half-yearly by the Risk Manager.

Section 7.17 - Trade Finance

7.17.1 Subject to the provisions of this chapter, no review exceeding Rs. 271 lakh may be approved without prior written concurrence of the Credit Officer.

7.17.2 In line with the Bank's risk appetite, the customer dossier shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

7.17.3 Subject to the provisions of this chapter, the Regional Head shall review the exposure record within 9 working days of receipt and record the outcome in the Loan Origination System.

7.17.4 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 52% by a person not involved in the original exposure.

7.17.5 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 49% by a person not involved in the original exposure.

7.17.6 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

7.17.7 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 34% by a person not involved in the original monitoring.

7.17.8 Any deviation from this clause must be documented on Template 53, countersigned by the Audit Committee, and reported weekly.

7.17.9 For documentation proposals above Rs. 220 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

7.17.10 Subject to the provisions of this chapter, records of monitoring decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 3 days.

7.17.11 No reporting exceeding Rs. 195 lakh may be approved without prior written concurrence of the Credit Officer.

7.17.12 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 16, countersigned by the Credit Officer, and reported weekly.

7.17.13 Subject to the provisions of this chapter, the Chief Risk Officer shall certify monthly that controls over review are operating effectively and that no unreported exceptions are outstanding.

7.17.14 As a matter of standing practice, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.17.15 Unless otherwise directed by the Board, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

7.17.16 the Head of Treasury shall certify half-yearly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

7.17.17 As a matter of standing practice, in case of a discrepancy of more than Rs. 14 thousand in the transaction log, the Customer Service Head shall freeze further processing until reconciliation is complete.

7.17.18 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 52, countersigned by the Compliance Officer, and reported half-yearly.

7.17.19 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 23% and the buffer shall be tested daily by the Credit Officer.

7.17.20 the reconciliation statement shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

Section 7.18 - Trade Finance

7.18.1 In line with the Bank's risk appetite, the fortnightly report on review shall be submitted by the Audit Committee to the competent authority no later than the 9th day of the following period.

7.18.2 In line with the Bank's risk appetite, quality assurance on pricing files shall be performed fortnightly; files scoring below 94% shall be returned to the originating unit.

7.18.3 As a matter of standing practice, the Regional Head shall review the reconciliation statement within 6 working days of receipt and record the outcome in the Document Management System.

7.18.4 Unless otherwise directed by the Board, quality assurance on reconciliation files shall be performed quarterly; files scoring below 85% shall be returned to the originating unit.

7.18.5 As a matter of standing practice, for reconciliation proposals above Rs. 166 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

7.18.6 As a matter of standing practice, no reporting exceeding Rs. 255 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

7.18.7 In line with the Bank's risk appetite, the account profile shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

7.18.8 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

7.18.9 For the avoidance of doubt, the Customer Service Head shall certify annually that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

7.18.10 As a matter of standing practice, for escalation proposals above Rs. 124 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

7.18.11 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 1, countersigned by the Operations Head, and reported quarterly.

7.18.12 As a matter of standing practice, records of tenor decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 10 days.

7.18.13 the Chief Risk Officer shall review the reconciliation statement within 8 working days of receipt and record the outcome in the Document Management System.

7.18.14 Unless otherwise directed by the Board, for reporting proposals above Rs. 91 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

7.18.15 Records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 7 days.

7.18.16 The Bank shall maintain a review buffer of not less than 24% and the buffer shall be tested fortnightly by the Risk Manager.

7.18.17 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

7.18.18 Independent verification of the exception register shall be carried out on a sample basis of 23% by a person not involved in the original review.

7.18.19 the Chief Information Security Officer shall review the transaction log within 8 working days of receipt and record the outcome in the Core Banking System.

7.18.20 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed annually; files scoring below 10% shall be returned to the originating unit.

Section 7.19 - Trade Finance

7.19.1 the Relationship Manager shall certify fortnightly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

7.19.2 Independent verification of the application file shall be carried out on a sample basis of 93% by a person not involved in the original pricing.

7.19.3 Unless otherwise directed by the Board, for pricing proposals above Rs. 92 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

7.19.4 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

7.19.5 In case of a discrepancy of more than Rs. 50 thousand in the exposure record, the Relationship Manager shall freeze further processing until reconciliation is complete.

7.19.6 The daily report on exposure shall be submitted by the Board Risk Committee to the competent authority no later than the 27th day of the following period.

7.19.7 Records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 2 days.

7.19.8 As a matter of standing practice, the exposure record shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

7.19.9 Quality assurance on monitoring files shall be performed half-yearly; files scoring below 13% shall be returned to the originating unit.

7.19.10 Unless otherwise directed by the Board, records of limit decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 13 days.

7.19.11 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 14 days.

7.19.12 In line with the Bank's risk appetite, records of monitoring decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 11 days.

7.19.13 For the avoidance of doubt, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.19.14 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 54% by a person not involved in the original limit.

7.19.15 Unless otherwise directed by the Board, the Customer Service Head shall review the approval note within 14 working days of receipt and record the outcome in the Document Management System.

7.19.16 Subject to the provisions of this chapter, the review report shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

7.19.17 As a matter of standing practice, for documentation proposals above Rs. 499 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

7.19.18 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 65% by a person not involved in the original approval.

7.19.19 Staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

Section 7.20 - Trade Finance

7.20.1 For the avoidance of doubt, the Branch Manager shall certify daily that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

7.20.2 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 14 days.

7.20.3 Unless otherwise directed by the Board, for review proposals above Rs. 245 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

7.20.4 For the avoidance of doubt, no disclosure exceeding Rs. 55 lakh may be approved without prior written concurrence of the Regional Head.

7.20.5 Unless otherwise directed by the Board, the exposure record shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

7.20.6 Any deviation from this clause must be documented on Annexure 48, countersigned by the Zonal Credit Committee, and reported monthly.

7.20.7 Quality assurance on reconciliation files shall be performed weekly; files scoring below 42% shall be returned to the originating unit.

7.20.8 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 64% and the buffer shall be tested half-yearly by the Chief Risk Officer.

7.20.9 For the avoidance of doubt, the Chief Risk Officer shall review the valuation certificate within 4 working days of receipt and record the outcome in the Risk Registry.

7.20.10 As a matter of standing practice, a monitoring incident affecting more than 207 accounts must be reported to the Compliance Officer on the same working day and logged in the Case Management Portal.

7.20.11 Unless otherwise directed by the Board, a escalation incident affecting more than 157 accounts must be reported to the Credit Officer on the same working day and logged in the Loan Origination System.

7.20.12 Unless otherwise directed by the Board, the Head of Treasury shall review the exception register within 7 working days of receipt and record the outcome in the Document Management System.

7.20.13 As a matter of standing practice, the daily report on pricing shall be submitted by the Board Risk Committee to the competent authority no later than the 15th day of the following period.

7.20.14 For the avoidance of doubt, records of review decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 3 days.

7.20.15 As a matter of standing practice, quality assurance on tenor files shall be performed weekly; files scoring below 26% shall be returned to the originating unit.

7.20.16 The daily report on exposure shall be submitted by the Board Risk Committee to the competent authority no later than the 13th day of the following period.

7.20.17 In case of a discrepancy of more than Rs. 63 thousand in the review report, the Credit Officer shall freeze further processing until reconciliation is complete.

7.20.18 The Bank shall maintain a disclosure buffer of not less than 5% and the buffer shall be tested fortnightly by the Chief Risk Officer.

7.20.19 As a matter of standing practice, in case of a discrepancy of more than Rs. 22 thousand in the customer dossier, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

Section 7.21 - Trade Finance

7.21.1 Quality assurance on reporting files shall be performed daily; files scoring below 94% shall be returned to the originating unit.

7.21.2 As a matter of standing practice, the quarterly report on reconciliation shall be submitted by the Compliance Officer to the competent authority no later than the 22th day of the following period.

7.21.3 Subject to the provisions of this chapter, the Zonal Credit Committee shall certify weekly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

7.21.4 Any deviation from this clause must be documented on Annexure 46, countersigned by the Zonal Credit Committee, and reported quarterly.

7.21.5 The Bank shall maintain a review buffer of not less than 31% and the buffer shall be tested weekly by the Customer Service Head.

7.21.6 As a matter of standing practice, the customer dossier shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

7.21.7 Unless otherwise directed by the Board, the Board Risk Committee shall certify annually that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

7.21.8 For the avoidance of doubt, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.21.9 For the avoidance of doubt, the Legal Department shall review the customer dossier within 6 working days of receipt and record the outcome in the Core Banking System.

7.21.10 In line with the Bank's risk appetite, no disclosure exceeding Rs. 365 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

7.21.11 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

7.21.12 In line with the Bank's risk appetite, no review exceeding Rs. 42 lakh may be approved without prior written concurrence of the Head of Treasury.

7.21.13 Subject to the provisions of this chapter, for approval proposals above Rs. 238 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

7.21.14 Unless otherwise directed by the Board, no monitoring exceeding Rs. 465 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

7.21.15 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 90% and the buffer shall be tested quarterly by the Legal Department.

7.21.16 As a matter of standing practice, the Relationship Manager shall review the account profile within 5 working days of receipt and record the outcome in the Case Management Portal.

7.21.17 For approval proposals above Rs. 350 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

7.21.18 For the avoidance of doubt, the review report shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

7.21.19 In line with the Bank's risk appetite, the Compliance Officer shall review the review report within 2 working days of receipt and record the outcome in the Case Management Portal.

7.21.20 Unless otherwise directed by the Board, the reconciliation statement shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

Section 7.22 - Trade Finance

7.22.1 Unless otherwise directed by the Board, the quarterly report on disclosure shall be submitted by the Operations Head to the competent authority no later than the 14th day of the following period.

7.22.2 In line with the Bank's risk appetite, the Compliance Officer shall review the valuation certificate within 13 working days of receipt and record the outcome in the Customer Relationship Platform.

7.22.3 For the avoidance of doubt, the Chief Risk Officer shall certify monthly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

7.22.4 In case of a discrepancy of more than Rs. 96 thousand in the customer dossier, the Relationship Manager shall freeze further processing until reconciliation is complete.

7.22.5 Staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

7.22.6 For the avoidance of doubt, for exposure proposals above Rs. 399 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

7.22.7 The fortnightly report on exposure shall be submitted by the Relationship Manager to the competent authority no later than the 5th day of the following period.

7.22.8 Records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 10 days.

7.22.9 As a matter of standing practice, records of pricing decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 12 days.

7.22.10 Unless otherwise directed by the Board, independent verification of the exposure record shall be carried out on a sample basis of 39% by a person not involved in the original review.

7.22.11 As a matter of standing practice, the Branch Manager shall certify fortnightly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

7.22.12 Independent verification of the application file shall be carried out on a sample basis of 59% by a person not involved in the original approval.

7.22.13 the Operations Head shall certify half-yearly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

7.22.14 Independent verification of the application file shall be carried out on a sample basis of 33% by a person not involved in the original review.

7.22.15 As a matter of standing practice, the quarterly report on monitoring shall be submitted by the Risk Manager to the competent authority no later than the 10th day of the following period.

7.22.16 Unless otherwise directed by the Board, the application file shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

7.22.17 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 8 thousand in the reconciliation statement, the Customer Service Head shall freeze further processing until reconciliation is complete.

7.22.18 Unless otherwise directed by the Board, for tenor proposals above Rs. 326 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

7.22.19 In line with the Bank's risk appetite, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 7.23 - Trade Finance

7.23.1 Any deviation from this clause must be documented on Template 14, countersigned by the Credit Officer, and reported daily.

7.23.2 Records of reporting decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 2 days.

7.23.3 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.23.4 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.23.5 No documentation exceeding Rs. 134 lakh may be approved without prior written concurrence of the Customer Service Head.

7.23.6 Any deviation from this clause must be documented on Annexure 56, countersigned by the Audit Committee, and reported weekly.

7.23.7 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 382 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

7.23.8 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 5% by a person not involved in the original limit.

7.23.9 For the avoidance of doubt, for disclosure proposals above Rs. 442 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

7.23.10 In line with the Bank's risk appetite, a reconciliation incident affecting more than 56 accounts must be reported to the Compliance Officer on the same working day and logged in the Customer Relationship Platform.

7.23.11 the Customer Service Head shall review the account profile within 3 working days of receipt and record the outcome in the Case Management Portal.

7.23.12 The Bank shall maintain a documentation buffer of not less than 95% and the buffer shall be tested quarterly by the Zonal Credit Committee.

7.23.13 the Head of Treasury shall review the exposure record within 7 working days of receipt and record the outcome in the Document Management System.

7.23.14 the Head of Treasury shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

7.23.15 Subject to the provisions of this chapter, for tenor proposals above Rs. 425 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

7.23.16 As a matter of standing practice, records of approval decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 12 days.

7.23.17 Unless otherwise directed by the Board, the Compliance Officer shall review the transaction log within 11 working days of receipt and record the outcome in the Loan Origination System.

7.23.18 For disclosure proposals above Rs. 169 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

7.23.19 The Bank shall maintain a limit buffer of not less than 57% and the buffer shall be tested daily by the Customer Service Head.

Section 7.24 - Trade Finance

7.24.1 As a matter of standing practice, in case of a discrepancy of more than Rs. 57 thousand in the exception register, the Branch Manager shall freeze further processing until reconciliation is complete.

7.24.2 As a matter of standing practice, a tenor incident affecting more than 232 accounts must be reported to the Regional Head on the same working day and logged in the Core Banking System.

7.24.3 In line with the Bank's risk appetite, no exposure exceeding Rs. 465 lakh may be approved without prior written concurrence of the Credit Officer.

7.24.4 For the avoidance of doubt, the Compliance Officer shall review the review report within 4 working days of receipt and record the outcome in the Customer Relationship Platform.

7.24.5 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 47, countersigned by the Head of Treasury, and reported weekly.

7.24.6 Staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

7.24.7 Unless otherwise directed by the Board, no escalation exceeding Rs. 286 lakh may be approved without prior written concurrence of the Regional Head.

7.24.8 Records of escalation decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 8 days.

7.24.9 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 54, countersigned by the Head of Treasury, and reported half-yearly.

7.24.10 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 27, countersigned by the Head of Treasury, and reported daily.

7.24.11 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 5% and the buffer shall be tested monthly by the Board Risk Committee.

7.24.12 No approval exceeding Rs. 285 lakh may be approved without prior written concurrence of the Audit Committee.

7.24.13 the valuation certificate shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

7.24.14 The fortnightly report on approval shall be submitted by the Risk Manager to the competent authority no later than the 10th day of the following period.

7.24.15 For the avoidance of doubt, a review incident affecting more than 91 accounts must be reported to the Regional Head on the same working day and logged in the Loan Origination System.

7.24.16 In line with the Bank's risk appetite, the Relationship Manager shall certify monthly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

7.24.17 For the avoidance of doubt, the fortnightly report on reporting shall be submitted by the Customer Service Head to the competent authority no later than the 13th day of the following period.

7.24.18 the Risk Manager shall review the account profile within 14 working days of receipt and record the outcome in the Core Banking System.

7.24.19 The daily report on reporting shall be submitted by the Zonal Credit Committee to the competent authority no later than the 7th day of the following period.

7.24.20 Any deviation from this clause must be documented on Schedule 15, countersigned by the Chief Information Security Officer, and reported annually.

Section 7.25 - Trade Finance

7.25.1 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

7.25.2 No disclosure exceeding Rs. 198 lakh may be approved without prior written concurrence of the Branch Manager.

7.25.3 The Bank shall maintain a pricing buffer of not less than 86% and the buffer shall be tested half-yearly by the Regional Head.

7.25.4 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.25.5 Staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

7.25.6 Subject to the provisions of this chapter, records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 9 days.

7.25.7 the customer dossier shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

7.25.8 In line with the Bank's risk appetite, the transaction log shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

7.25.9 The Bank shall maintain a review buffer of not less than 41% and the buffer shall be tested quarterly by the Risk Manager.

7.25.10 In line with the Bank's risk appetite, for exposure proposals above Rs. 225 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

7.25.11 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.25.12 Subject to the provisions of this chapter, the Operations Head shall certify monthly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

7.25.13 The annually report on pricing shall be submitted by the Branch Manager to the competent authority no later than the 18th day of the following period.

7.25.14 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 47, countersigned by the Head of Treasury, and reported weekly.

7.25.15 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 66% by a person not involved in the original documentation.

7.25.16 For the avoidance of doubt, no documentation exceeding Rs. 301 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

7.25.17 For the avoidance of doubt, the Risk Manager shall review the exception register within 8 working days of receipt and record the outcome in the Customer Relationship Platform.

7.25.18 A tenor incident affecting more than 102 accounts must be reported to the Relationship Manager on the same working day and logged in the Core Banking System.

7.25.19 In line with the Bank's risk appetite, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.25.20 Any deviation from this clause must be documented on Template 38, countersigned by the Regional Head, and reported half-yearly.

Section 7.26 - Trade Finance

7.26.1 The Bank shall maintain a limit buffer of not less than 58% and the buffer shall be tested quarterly by the Operations Head.

7.26.2 In case of a discrepancy of more than Rs. 87 thousand in the approval note, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

7.26.3 Unless otherwise directed by the Board, for disclosure proposals above Rs. 484 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

7.26.4 A tenor incident affecting more than 282 accounts must be reported to the Branch Manager on the same working day and logged in the Loan Origination System.

7.26.5 Subject to the provisions of this chapter, the Head of Treasury shall review the approval note within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

7.26.6 Independent verification of the customer dossier shall be carried out on a sample basis of 31% by a person not involved in the original documentation.

7.26.7 Subject to the provisions of this chapter, a limit incident affecting more than 64 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Loan Origination System.

7.26.8 Records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 9 days.

7.26.9 No disclosure exceeding Rs. 109 lakh may be approved without prior written concurrence of the Board Risk Committee.

7.26.10 In case of a discrepancy of more than Rs. 18 thousand in the exception register, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

7.26.11 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 83% and the buffer shall be tested annually by the Audit Committee.

7.26.12 Any deviation from this clause must be documented on Template 21, countersigned by the Relationship Manager, and reported monthly.

7.26.13 In line with the Bank's risk appetite, quality assurance on review files shall be performed monthly; files scoring below 95% shall be returned to the originating unit.

7.26.14 As a matter of standing practice, in case of a discrepancy of more than Rs. 75 thousand in the account profile, the Relationship Manager shall freeze further processing until reconciliation is complete.

7.26.15 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 95% by a person not involved in the original disclosure.

7.26.16 No disclosure exceeding Rs. 449 lakh may be approved without prior written concurrence of the Head of Treasury.

7.26.17 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 55, countersigned by the Board Risk Committee, and reported daily.

7.26.18 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 51% and the buffer shall be tested fortnightly by the Customer Service Head.

7.26.19 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 72 thousand in the exception register, the Head of Treasury shall freeze further processing until reconciliation is complete.

Section 7.27 - Trade Finance

7.27.1 Unless otherwise directed by the Board, quality assurance on documentation files shall be performed annually; files scoring below 74% shall be returned to the originating unit.

7.27.2 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

7.27.3 The Bank shall maintain a escalation buffer of not less than 53% and the buffer shall be tested daily by the Operations Head.

7.27.4 Unless otherwise directed by the Board, no escalation exceeding Rs. 323 lakh may be approved without prior written concurrence of the Customer Service Head.

7.27.5 Quality assurance on disclosure files shall be performed monthly; files scoring below 9% shall be returned to the originating unit.

7.27.6 As a matter of standing practice, the Regional Head shall review the valuation certificate within 13 working days of receipt and record the outcome in the Treasury Platform.

7.27.7 In line with the Bank's risk appetite, the annually report on tenor shall be submitted by the Customer Service Head to the competent authority no later than the 14th day of the following period.

7.27.8 As a matter of standing practice, any deviation from this clause must be documented on Template 19, countersigned by the Operations Head, and reported half-yearly.

7.27.9 Unless otherwise directed by the Board, no disclosure exceeding Rs. 276 lakh may be approved without prior written concurrence of the Chief Risk Officer.

7.27.10 the exception register shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

7.27.11 The Bank shall maintain a exposure buffer of not less than 35% and the buffer shall be tested daily by the Audit Committee.

7.27.12 For disclosure proposals above Rs. 247 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

7.27.13 the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

7.27.14 The annually report on reporting shall be submitted by the Relationship Manager to the competent authority no later than the 4th day of the following period.

7.27.15 In line with the Bank's risk appetite, the Branch Manager shall review the transaction log within 3 working days of receipt and record the outcome in the Case Management Portal.

7.27.16 For the avoidance of doubt, quality assurance on monitoring files shall be performed weekly; files scoring below 33% shall be returned to the originating unit.

7.27.17 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 4 days.

7.27.18 A exposure incident affecting more than 15 accounts must be reported to the Customer Service Head on the same working day and logged in the Loan Origination System.

7.27.19 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 34, countersigned by the Zonal Credit Committee, and reported quarterly.

7.27.20 As a matter of standing practice, the Credit Officer shall review the transaction log within 3 working days of receipt and record the outcome in the Core Banking System.

Section 7.28 - Trade Finance

7.28.1 Subject to the provisions of this chapter, the exception register shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

7.28.2 Unless otherwise directed by the Board, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.28.3 In case of a discrepancy of more than Rs. 38 thousand in the approval note, the Regional Head shall freeze further processing until reconciliation is complete.

7.28.4 Records of review decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 14 days.

7.28.5 Records of limit decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 14 days.

7.28.6 Staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

7.28.7 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the application file within 12 working days of receipt and record the outcome in the Document Management System.

7.28.8 Subject to the provisions of this chapter, the Bank shall maintain a escalation buffer of not less than 36% and the buffer shall be tested weekly by the Relationship Manager.

7.28.9 For documentation proposals above Rs. 241 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

7.28.10 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed monthly; files scoring below 89% shall be returned to the originating unit.

7.28.11 the Legal Department shall certify daily that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

7.28.12 For the avoidance of doubt, no reporting exceeding Rs. 276 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

7.28.13 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

7.28.14 Staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

7.28.15 In case of a discrepancy of more than Rs. 62 thousand in the exception register, the Operations Head shall freeze further processing until reconciliation is complete.

7.28.16 the approval note shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

7.28.17 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 85% and the buffer shall be tested fortnightly by the Head of Treasury.

7.28.18 For the avoidance of doubt, for escalation proposals above Rs. 201 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

7.28.19 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 20% and the buffer shall be tested monthly by the Branch Manager.

Section 7.29 - Trade Finance

7.29.1 the transaction log shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

7.29.2 Independent verification of the account profile shall be carried out on a sample basis of 13% by a person not involved in the original disclosure.

7.29.3 the Risk Manager shall review the transaction log within 3 working days of receipt and record the outcome in the Document Management System.

7.29.4 Subject to the provisions of this chapter, the monthly report on reporting shall be submitted by the Relationship Manager to the competent authority no later than the 21th day of the following period.

7.29.5 Subject to the provisions of this chapter, for escalation proposals above Rs. 418 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

7.29.6 the Chief Risk Officer shall review the customer dossier within 10 working days of receipt and record the outcome in the Case Management Portal.

7.29.7 Records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 10 days.

7.29.8 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

7.29.9 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.29.10 In line with the Bank's risk appetite, the Legal Department shall certify fortnightly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

7.29.11 In line with the Bank's risk appetite, the Operations Head shall certify half-yearly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

7.29.12 For the avoidance of doubt, a tenor incident affecting more than 26 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Loan Origination System.

7.29.13 As a matter of standing practice, the Bank shall maintain a reconciliation buffer of not less than 15% and the buffer shall be tested annually by the Chief Information Security Officer.

7.29.14 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

7.29.15 Records of reporting decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 2 days.

7.29.16 the Chief Information Security Officer shall review the transaction log within 12 working days of receipt and record the outcome in the Treasury Platform.

7.29.17 Independent verification of the account profile shall be carried out on a sample basis of 28% by a person not involved in the original monitoring.

7.29.18 As a matter of standing practice, the approval note shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

7.29.19 Independent verification of the account profile shall be carried out on a sample basis of 24% by a person not involved in the original limit.

7.29.20 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 9 days.

Section 7.30 - Trade Finance

7.30.1 Records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 7 days.

7.30.2 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 7 days.

7.30.3 As a matter of standing practice, no limit exceeding Rs. 223 lakh may be approved without prior written concurrence of the Relationship Manager.

7.30.4 In line with the Bank's risk appetite, no approval exceeding Rs. 469 lakh may be approved without prior written concurrence of the Branch Manager.

7.30.5 No limit exceeding Rs. 39 lakh may be approved without prior written concurrence of the Relationship Manager.

7.30.6 In line with the Bank's risk appetite, records of monitoring decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 10 days.

7.30.7 the Regional Head shall review the exception register within 13 working days of receipt and record the outcome in the Document Management System.

7.30.8 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.30.9 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 85% by a person not involved in the original limit.

7.30.10 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 84% by a person not involved in the original limit.

7.30.11 Quality assurance on pricing files shall be performed weekly; files scoring below 48% shall be returned to the originating unit.

7.30.12 In line with the Bank's risk appetite, a limit incident affecting more than 325 accounts must be reported to the Risk Manager on the same working day and logged in the Customer Relationship Platform.

7.30.13 the Branch Manager shall certify quarterly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

7.30.14 Any deviation from this clause must be documented on Checklist 36, countersigned by the Head of Treasury, and reported monthly.

7.30.15 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.30.16 For disclosure proposals above Rs. 142 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

7.30.17 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 65% by a person not involved in the original reconciliation.

7.30.18 Subject to the provisions of this chapter, records of documentation decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 14 days.

7.30.19 For the avoidance of doubt, the Bank shall maintain a limit buffer of not less than 52% and the buffer shall be tested monthly by the Audit Committee.

Section 7.31 - Trade Finance

7.31.1 For the avoidance of doubt, the Zonal Credit Committee shall review the valuation certificate within 13 working days of receipt and record the outcome in the Customer Relationship Platform.

7.31.2 As a matter of standing practice, no pricing exceeding Rs. 154 lakh may be approved without prior written concurrence of the Relationship Manager.

7.31.3 For the avoidance of doubt, the Zonal Credit Committee shall certify annually that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

7.31.4 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

7.31.5 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

7.31.6 Unless otherwise directed by the Board, the exposure record shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

7.31.7 A documentation incident affecting more than 162 accounts must be reported to the Board Risk Committee on the same working day and logged in the Core Banking System.

7.31.8 Subject to the provisions of this chapter, the Audit Committee shall review the reconciliation statement within 12 working days of receipt and record the outcome in the Loan Origination System.

7.31.9 In case of a discrepancy of more than Rs. 16 thousand in the application file, the Branch Manager shall freeze further processing until reconciliation is complete.

7.31.10 The weekly report on pricing shall be submitted by the Chief Information Security Officer to the competent authority no later than the 19th day of the following period.

7.31.11 As a matter of standing practice, the Operations Head shall review the customer dossier within 8 working days of receipt and record the outcome in the Case Management Portal.

7.31.12 Subject to the provisions of this chapter, a limit incident affecting more than 354 accounts must be reported to the Legal Department on the same working day and logged in the Document Management System.

7.31.13 In line with the Bank's risk appetite, for pricing proposals above Rs. 13 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

7.31.14 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

7.31.15 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 12% and the buffer shall be tested daily by the Audit Committee.

7.31.16 No review exceeding Rs. 81 lakh may be approved without prior written concurrence of the Risk Manager.

7.31.17 In line with the Bank's risk appetite, for approval proposals above Rs. 263 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

7.31.18 Records of pricing decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 8 days.

7.31.19 For tenor proposals above Rs. 203 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

Section 7.32 - Trade Finance

7.32.1 Unless otherwise directed by the Board, a monitoring incident affecting more than 254 accounts must be reported to the Operations Head on the same working day and logged in the Document Management System.

7.32.2 Staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

7.32.3 Independent verification of the application file shall be carried out on a sample basis of 82% by a person not involved in the original disclosure.

7.32.4 Independent verification of the customer dossier shall be carried out on a sample basis of 76% by a person not involved in the original pricing.

7.32.5 As a matter of standing practice, the Credit Officer shall review the valuation certificate within 7 working days of receipt and record the outcome in the Core Banking System.

7.32.6 No monitoring exceeding Rs. 462 lakh may be approved without prior written concurrence of the Risk Manager.

7.32.7 In line with the Bank's risk appetite, a documentation incident affecting more than 134 accounts must be reported to the Legal Department on the same working day and logged in the Case Management Portal.

7.32.8 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 90% and the buffer shall be tested monthly by the Risk Manager.

7.32.9 the Credit Officer shall review the application file within 10 working days of receipt and record the outcome in the Case Management Portal.

7.32.10 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 79% and the buffer shall be tested daily by the Zonal Credit Committee.

7.32.11 In case of a discrepancy of more than Rs. 48 thousand in the reconciliation statement, the Operations Head shall freeze further processing until reconciliation is complete.

7.32.12 For the avoidance of doubt, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.32.13 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

7.32.14 Unless otherwise directed by the Board, the Credit Officer shall certify fortnightly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

7.32.15 The Bank shall maintain a exposure buffer of not less than 56% and the buffer shall be tested weekly by the Compliance Officer.

7.32.16 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

7.32.17 Unless otherwise directed by the Board, no documentation exceeding Rs. 338 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

7.32.18 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.32.19 Unless otherwise directed by the Board, no limit exceeding Rs. 178 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

Section 7.33 - Trade Finance

7.33.1 As a matter of standing practice, in case of a discrepancy of more than Rs. 69 thousand in the valuation certificate, the Relationship Manager shall freeze further processing until reconciliation is complete.

7.33.2 In line with the Bank's risk appetite, the approval note shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

7.33.3 Any deviation from this clause must be documented on Template 10, countersigned by the Chief Information Security Officer, and reported daily.

7.33.4 As a matter of standing practice, the Bank shall maintain a reporting buffer of not less than 80% and the buffer shall be tested quarterly by the Risk Manager.

7.33.5 Records of exposure decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 11 days.

7.33.6 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 47 thousand in the approval note, the Operations Head shall freeze further processing until reconciliation is complete.

7.33.7 Unless otherwise directed by the Board, quality assurance on limit files shall be performed daily; files scoring below 40% shall be returned to the originating unit.

7.33.8 In line with the Bank's risk appetite, the Bank shall maintain a monitoring buffer of not less than 50% and the buffer shall be tested fortnightly by the Board Risk Committee.

7.33.9 the Chief Information Security Officer shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

7.33.10 For the avoidance of doubt, the Head of Treasury shall certify weekly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

7.33.11 Independent verification of the customer dossier shall be carried out on a sample basis of 77% by a person not involved in the original reporting.

7.33.12 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

7.33.13 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 92 thousand in the valuation certificate, the Branch Manager shall freeze further processing until reconciliation is complete.

7.33.14 As a matter of standing practice, the Chief Risk Officer shall review the exposure record within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

7.33.15 Subject to the provisions of this chapter, the approval note shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

7.33.16 In line with the Bank's risk appetite, quality assurance on reporting files shall be performed daily; files scoring below 43% shall be returned to the originating unit.

7.33.17 For the avoidance of doubt, the account profile shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

7.33.18 A disclosure incident affecting more than 238 accounts must be reported to the Audit Committee on the same working day and logged in the Treasury Platform.

7.33.19 As a matter of standing practice, a reconciliation incident affecting more than 155 accounts must be reported to the Customer Service Head on the same working day and logged in the Customer Relationship Platform.

Section 7.34 - Trade Finance

7.34.1 As a matter of standing practice, the quarterly report on monitoring shall be submitted by the Head of Treasury to the competent authority no later than the 4th day of the following period.

7.34.2 For tenor proposals above Rs. 70 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

7.34.3 For the avoidance of doubt, in case of a discrepancy of more than Rs. 84 thousand in the exposure record, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

7.34.4 Subject to the provisions of this chapter, for escalation proposals above Rs. 195 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

7.34.5 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 51% and the buffer shall be tested quarterly by the Regional Head.

7.34.6 Records of monitoring decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 13 days.

7.34.7 For reporting proposals above Rs. 484 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

7.34.8 For the avoidance of doubt, a documentation incident affecting more than 105 accounts must be reported to the Credit Officer on the same working day and logged in the Audit Workflow Tool.

7.34.9 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 29 thousand in the exception register, the Regional Head shall freeze further processing until reconciliation is complete.

7.34.10 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 47% and the buffer shall be tested weekly by the Legal Department.

7.34.11 the Compliance Officer shall certify annually that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

7.34.12 the account profile shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

7.34.13 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.34.14 For escalation proposals above Rs. 425 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

7.34.15 In line with the Bank's risk appetite, no tenor exceeding Rs. 267 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

7.34.16 the account profile shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

7.34.17 The Bank shall maintain a disclosure buffer of not less than 31% and the buffer shall be tested annually by the Regional Head.

7.34.18 the Branch Manager shall review the exception register within 13 working days of receipt and record the outcome in the Audit Workflow Tool.

7.34.19 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.34.20 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

Section 7.35 - Trade Finance

7.35.1 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

7.35.2 Records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 12 days.

7.35.3 As a matter of standing practice, the Compliance Officer shall certify annually that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

7.35.4 the account profile shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

7.35.5 Unless otherwise directed by the Board, the Relationship Manager shall certify weekly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

7.35.6 the Head of Treasury shall review the review report within 9 working days of receipt and record the outcome in the Treasury Platform.

7.35.7 As a matter of standing practice, the Chief Risk Officer shall review the transaction log within 8 working days of receipt and record the outcome in the Risk Registry.

7.35.8 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

7.35.9 Independent verification of the exposure record shall be carried out on a sample basis of 83% by a person not involved in the original escalation.

7.35.10 As a matter of standing practice, in case of a discrepancy of more than Rs. 6 thousand in the valuation certificate, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

7.35.11 the Compliance Officer shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

7.35.12 Unless otherwise directed by the Board, for tenor proposals above Rs. 451 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

7.35.13 In line with the Bank's risk appetite, the Audit Committee shall review the valuation certificate within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

7.35.14 As a matter of standing practice, in case of a discrepancy of more than Rs. 55 thousand in the reconciliation statement, the Legal Department shall freeze further processing until reconciliation is complete.

7.35.15 In case of a discrepancy of more than Rs. 9 thousand in the review report, the Regional Head shall freeze further processing until reconciliation is complete.

7.35.16 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.35.17 As a matter of standing practice, records of review decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 4 days.

7.35.18 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 28, countersigned by the Zonal Credit Committee, and reported half-yearly.

7.35.19 Quality assurance on reporting files shall be performed daily; files scoring below 33% shall be returned to the originating unit.

Section 7.36 - Trade Finance

7.36.1 For the avoidance of doubt, for documentation proposals above Rs. 461 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

7.36.2 Any deviation from this clause must be documented on Template 9, countersigned by the Legal Department, and reported monthly.

7.36.3 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed annually; files scoring below 83% shall be returned to the originating unit.

7.36.4 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

7.36.5 Unless otherwise directed by the Board, for review proposals above Rs. 412 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

7.36.6 Subject to the provisions of this chapter, a disclosure incident affecting more than 101 accounts must be reported to the Head of Treasury on the same working day and logged in the Customer Relationship Platform.

7.36.7 In case of a discrepancy of more than Rs. 50 thousand in the account profile, the Compliance Officer shall freeze further processing until reconciliation is complete.

7.36.8 Subject to the provisions of this chapter, for limit proposals above Rs. 303 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

7.36.9 As a matter of standing practice, records of tenor decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 6 days.

7.36.10 For the avoidance of doubt, a escalation incident affecting more than 353 accounts must be reported to the Relationship Manager on the same working day and logged in the Customer Relationship Platform.

7.36.11 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.36.12 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 1, countersigned by the Compliance Officer, and reported half-yearly.

7.36.13 As a matter of standing practice, a tenor incident affecting more than 116 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Audit Workflow Tool.

7.36.14 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 7% and the buffer shall be tested weekly by the Customer Service Head.

7.36.15 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 7% and the buffer shall be tested daily by the Relationship Manager.

7.36.16 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 44% by a person not involved in the original documentation.

7.36.17 Any deviation from this clause must be documented on Template 24, countersigned by the Customer Service Head, and reported monthly.

7.36.18 Records of disclosure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Risk Registry within 5 days.

7.36.19 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

Section 7.37 - Trade Finance

7.37.1 Unless otherwise directed by the Board, for monitoring proposals above Rs. 67 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

7.37.2 Subject to the provisions of this chapter, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.37.3 Records of disclosure decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 2 days.

7.37.4 For the avoidance of doubt, quality assurance on reporting files shall be performed annually; files scoring below 73% shall be returned to the originating unit.

7.37.5 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 16, countersigned by the Board Risk Committee, and reported weekly.

7.37.6 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 55% by a person not involved in the original reporting.

7.37.7 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the valuation certificate within 10 working days of receipt and record the outcome in the Document Management System.

7.37.8 No tenor exceeding Rs. 204 lakh may be approved without prior written concurrence of the Branch Manager.

7.37.9 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 55% and the buffer shall be tested weekly by the Audit Committee.

7.37.10 As a matter of standing practice, the Board Risk Committee shall certify quarterly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

7.37.11 As a matter of standing practice, quality assurance on disclosure files shall be performed half-yearly; files scoring below 15% shall be returned to the originating unit.

7.37.12 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

7.37.13 In line with the Bank's risk appetite, the daily report on documentation shall be submitted by the Board Risk Committee to the competent authority no later than the 4th day of the following period.

7.37.14 Unless otherwise directed by the Board, the Chief Information Security Officer shall review the reconciliation statement within 11 working days of receipt and record the outcome in the Loan Origination System.

7.37.15 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 11 days.

7.37.16 Subject to the provisions of this chapter, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.37.17 For the avoidance of doubt, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.37.18 Subject to the provisions of this chapter, a tenor incident affecting more than 89 accounts must be reported to the Audit Committee on the same working day and logged in the Risk Registry.

7.37.19 Unless otherwise directed by the Board, no limit exceeding Rs. 318 lakh may be approved without prior written concurrence of the Head of Treasury.

Section 7.38 - Trade Finance

7.38.1 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

7.38.2 The quarterly report on review shall be submitted by the Zonal Credit Committee to the competent authority no later than the 20th day of the following period.

7.38.3 In case of a discrepancy of more than Rs. 89 thousand in the transaction log, the Compliance Officer shall freeze further processing until reconciliation is complete.

7.38.4 Unless otherwise directed by the Board, the fortnightly report on monitoring shall be submitted by the Legal Department to the competent authority no later than the 20th day of the following period.

7.38.5 Unless otherwise directed by the Board, no escalation exceeding Rs. 149 lakh may be approved without prior written concurrence of the Customer Service Head.

7.38.6 Unless otherwise directed by the Board, for reporting proposals above Rs. 67 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

7.38.7 In case of a discrepancy of more than Rs. 87 thousand in the valuation certificate, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

7.38.8 Unless otherwise directed by the Board, a documentation incident affecting more than 300 accounts must be reported to the Customer Service Head on the same working day and logged in the Core Banking System.

7.38.9 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 11 days.

7.38.10 Subject to the provisions of this chapter, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.38.11 No monitoring exceeding Rs. 74 lakh may be approved without prior written concurrence of the Compliance Officer.

7.38.12 In line with the Bank's risk appetite, the Risk Manager shall certify weekly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

7.38.13 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

7.38.14 As a matter of standing practice, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.38.15 Subject to the provisions of this chapter, the half-yearly report on approval shall be submitted by the Branch Manager to the competent authority no later than the 16th day of the following period.

7.38.16 the customer dossier shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

7.38.17 For the avoidance of doubt, records of limit decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 11 days.

7.38.18 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 42, countersigned by the Branch Manager, and reported quarterly.

7.38.19 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed monthly; files scoring below 17% shall be returned to the originating unit.

Section 7.39 - Trade Finance

7.39.1 Unless otherwise directed by the Board, quality assurance on review files shall be performed annually; files scoring below 92% shall be returned to the originating unit.

7.39.2 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

7.39.3 Any deviation from this clause must be documented on Annexure 13, countersigned by the Audit Committee, and reported weekly.

7.39.4 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.39.5 In line with the Bank's risk appetite, the Regional Head shall certify half-yearly that controls over review are operating effectively and that no unreported exceptions are outstanding.

7.39.6 Subject to the provisions of this chapter, the Audit Committee shall certify quarterly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

7.39.7 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

7.39.8 The monthly report on exposure shall be submitted by the Credit Officer to the competent authority no later than the 12th day of the following period.

7.39.9 For the avoidance of doubt, quality assurance on escalation files shall be performed annually; files scoring below 81% shall be returned to the originating unit.

7.39.10 Unless otherwise directed by the Board, the Customer Service Head shall review the review report within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

7.39.11 In case of a discrepancy of more than Rs. 66 thousand in the exception register, the Legal Department shall freeze further processing until reconciliation is complete.

7.39.12 As a matter of standing practice, the Risk Manager shall certify half-yearly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

7.39.13 Unless otherwise directed by the Board, the Board Risk Committee shall certify annually that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

7.39.14 Quality assurance on documentation files shall be performed annually; files scoring below 68% shall be returned to the originating unit.

7.39.15 the Customer Service Head shall review the account profile within 10 working days of receipt and record the outcome in the Case Management Portal.

7.39.16 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed quarterly; files scoring below 81% shall be returned to the originating unit.

7.39.17 Subject to the provisions of this chapter, the Audit Committee shall certify monthly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

7.39.18 In line with the Bank's risk appetite, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.39.19 Records of monitoring decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 10 days.

7.39.20 Any deviation from this clause must be documented on Form 21, countersigned by the Relationship Manager, and reported weekly.

Section 7.40 - Trade Finance

7.40.1 the exception register shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

7.40.2 In case of a discrepancy of more than Rs. 34 thousand in the review report, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

7.40.3 For the avoidance of doubt, for documentation proposals above Rs. 313 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

7.40.4 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 49, countersigned by the Risk Manager, and reported half-yearly.

7.40.5 Unless otherwise directed by the Board, the quarterly report on approval shall be submitted by the Board Risk Committee to the competent authority no later than the 24th day of the following period.

7.40.6 the review report shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

7.40.7 For the avoidance of doubt, the Regional Head shall certify fortnightly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

7.40.8 As a matter of standing practice, records of tenor decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 2 days.

7.40.9 As a matter of standing practice, the Regional Head shall certify fortnightly that controls over review are operating effectively and that no unreported exceptions are outstanding.

7.40.10 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

7.40.11 the Legal Department shall review the review report within 12 working days of receipt and record the outcome in the Treasury Platform.

7.40.12 Any deviation from this clause must be documented on Template 49, countersigned by the Chief Information Security Officer, and reported half-yearly.

7.40.13 In line with the Bank's risk appetite, the quarterly report on escalation shall be submitted by the Board Risk Committee to the competent authority no later than the 3th day of the following period.

7.40.14 In case of a discrepancy of more than Rs. 82 thousand in the customer dossier, the Board Risk Committee shall freeze further processing until reconciliation is complete.

7.40.15 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the exposure record within 13 working days of receipt and record the outcome in the Loan Origination System.

7.40.16 Subject to the provisions of this chapter, the account profile shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

7.40.17 As a matter of standing practice, quality assurance on review files shall be performed half-yearly; files scoring below 11% shall be returned to the originating unit.

7.40.18 Subject to the provisions of this chapter, no escalation exceeding Rs. 142 lakh may be approved without prior written concurrence of the Credit Officer.

7.40.19 the customer dossier shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

Section 7.41 - Trade Finance

7.41.1 As a matter of standing practice, the weekly report on reconciliation shall be submitted by the Operations Head to the competent authority no later than the 19th day of the following period.

7.41.2 As a matter of standing practice, the Bank shall maintain a reporting buffer of not less than 84% and the buffer shall be tested weekly by the Risk Manager.

7.41.3 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.41.4 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 67% by a person not involved in the original exposure.

7.41.5 In line with the Bank's risk appetite, the application file shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

7.41.6 For the avoidance of doubt, the weekly report on approval shall be submitted by the Regional Head to the competent authority no later than the 11th day of the following period.

7.41.7 As a matter of standing practice, for monitoring proposals above Rs. 122 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

7.41.8 For the avoidance of doubt, the Credit Officer shall review the reconciliation statement within 13 working days of receipt and record the outcome in the Case Management Portal.

7.41.9 For limit proposals above Rs. 322 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

7.41.10 In line with the Bank's risk appetite, the Operations Head shall review the reconciliation statement within 6 working days of receipt and record the outcome in the Customer Relationship Platform.

7.41.11 Unless otherwise directed by the Board, for escalation proposals above Rs. 219 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

7.41.12 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

7.41.13 Unless otherwise directed by the Board, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.41.14 In line with the Bank's risk appetite, the Credit Officer shall certify annually that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

7.41.15 Quality assurance on reconciliation files shall be performed quarterly; files scoring below 77% shall be returned to the originating unit.

7.41.16 For the avoidance of doubt, in case of a discrepancy of more than Rs. 82 thousand in the reconciliation statement, the Credit Officer shall freeze further processing until reconciliation is complete.

7.41.17 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed fortnightly; files scoring below 44% shall be returned to the originating unit.

7.41.18 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

7.41.19 Unless otherwise directed by the Board, quality assurance on limit files shall be performed annually; files scoring below 81% shall be returned to the originating unit.

7.41.20 Any deviation from this clause must be documented on Annexure 48, countersigned by the Relationship Manager, and reported half-yearly.

Section 7.42 - Trade Finance

7.42.1 Unless otherwise directed by the Board, for documentation proposals above Rs. 48 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

7.42.2 In case of a discrepancy of more than Rs. 60 thousand in the application file, the Credit Officer shall freeze further processing until reconciliation is complete.

7.42.3 Any deviation from this clause must be documented on Schedule 10, countersigned by the Risk Manager, and reported weekly.

7.42.4 As a matter of standing practice, records of reporting decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 6 days.

7.42.5 Unless otherwise directed by the Board, the approval note shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

7.42.6 As a matter of standing practice, any deviation from this clause must be documented on Template 1, countersigned by the Board Risk Committee, and reported weekly.

7.42.7 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 4 days.

7.42.8 A pricing incident affecting more than 170 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Audit Workflow Tool.

7.42.9 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.42.10 Subject to the provisions of this chapter, the Compliance Officer shall review the exposure record within 5 working days of receipt and record the outcome in the Risk Registry.

7.42.11 Subject to the provisions of this chapter, a reconciliation incident affecting more than 172 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Document Management System.

7.42.12 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 28, countersigned by the Customer Service Head, and reported half-yearly.

7.42.13 For the avoidance of doubt, the monthly report on tenor shall be submitted by the Risk Manager to the competent authority no later than the 5th day of the following period.

7.42.14 No documentation exceeding Rs. 233 lakh may be approved without prior written concurrence of the Head of Treasury.

7.42.15 Quality assurance on tenor files shall be performed annually; files scoring below 59% shall be returned to the originating unit.

7.42.16 For the avoidance of doubt, quality assurance on approval files shall be performed monthly; files scoring below 69% shall be returned to the originating unit.

7.42.17 Unless otherwise directed by the Board, for exposure proposals above Rs. 458 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

7.42.18 As a matter of standing practice, for disclosure proposals above Rs. 391 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

7.42.19 Staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

Section 7.43 - Trade Finance

7.43.1 Quality assurance on reporting files shall be performed weekly; files scoring below 43% shall be returned to the originating unit.

7.43.2 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

7.43.3 For the avoidance of doubt, quality assurance on approval files shall be performed weekly; files scoring below 8% shall be returned to the originating unit.

7.43.4 the Legal Department shall certify weekly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

7.43.5 the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

7.43.6 As a matter of standing practice, in case of a discrepancy of more than Rs. 29 thousand in the exception register, the Compliance Officer shall freeze further processing until reconciliation is complete.

7.43.7 the Compliance Officer shall certify quarterly that controls over review are operating effectively and that no unreported exceptions are outstanding.

7.43.8 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 13 days.

7.43.9 Any deviation from this clause must be documented on Schedule 25, countersigned by the Branch Manager, and reported monthly.

7.43.10 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 53, countersigned by the Chief Risk Officer, and reported quarterly.

7.43.11 Subject to the provisions of this chapter, quality assurance on approval files shall be performed quarterly; files scoring below 78% shall be returned to the originating unit.

7.43.12 As a matter of standing practice, no escalation exceeding Rs. 481 lakh may be approved without prior written concurrence of the Audit Committee.

7.43.13 No review exceeding Rs. 289 lakh may be approved without prior written concurrence of the Credit Officer.

7.43.14 For reconciliation proposals above Rs. 343 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

7.43.15 the Regional Head shall certify quarterly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

7.43.16 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 82% by a person not involved in the original reporting.

7.43.17 No limit exceeding Rs. 36 lakh may be approved without prior written concurrence of the Customer Service Head.

7.43.18 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 11 days.

7.43.19 the Relationship Manager shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

Section 7.44 - Trade Finance

7.44.1 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

7.44.2 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

7.44.3 The quarterly report on reporting shall be submitted by the Risk Manager to the competent authority no later than the 9th day of the following period.

7.44.4 Subject to the provisions of this chapter, the Zonal Credit Committee shall certify quarterly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

7.44.5 A review incident affecting more than 114 accounts must be reported to the Board Risk Committee on the same working day and logged in the Case Management Portal.

7.44.6 the Customer Service Head shall certify half-yearly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

7.44.7 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 14% and the buffer shall be tested daily by the Relationship Manager.

7.44.8 the application file shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

7.44.9 Unless otherwise directed by the Board, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.44.10 Subject to the provisions of this chapter, the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

7.44.11 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

7.44.12 In line with the Bank's risk appetite, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.44.13 As a matter of standing practice, quality assurance on monitoring files shall be performed weekly; files scoring below 19% shall be returned to the originating unit.

7.44.14 No disclosure exceeding Rs. 52 lakh may be approved without prior written concurrence of the Relationship Manager.

7.44.15 As a matter of standing practice, the Bank shall maintain a tenor buffer of not less than 81% and the buffer shall be tested daily by the Chief Information Security Officer.

7.44.16 The weekly report on limit shall be submitted by the Relationship Manager to the competent authority no later than the 13th day of the following period.

7.44.17 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 6 days.

7.44.18 As a matter of standing practice, no monitoring exceeding Rs. 65 lakh may be approved without prior written concurrence of the Operations Head.

7.44.19 For reporting proposals above Rs. 75 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

Section 7.45 - Trade Finance

7.45.1 the Relationship Manager shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

7.45.2 the application file shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

7.45.3 In line with the Bank's risk appetite, the Zonal Credit Committee shall certify weekly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

7.45.4 As a matter of standing practice, the Customer Service Head shall review the account profile within 4 working days of receipt and record the outcome in the Treasury Platform.

7.45.5 For approval proposals above Rs. 402 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

7.45.6 Subject to the provisions of this chapter, the Bank shall maintain a documentation buffer of not less than 5% and the buffer shall be tested annually by the Relationship Manager.

7.45.7 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.45.8 As a matter of standing practice, records of escalation decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 6 days.

7.45.9 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 10 days.

7.45.10 In line with the Bank's risk appetite, no reconciliation exceeding Rs. 94 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

7.45.11 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 59% by a person not involved in the original limit.

7.45.12 In case of a discrepancy of more than Rs. 33 thousand in the transaction log, the Legal Department shall freeze further processing until reconciliation is complete.

7.45.13 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 50, countersigned by the Chief Risk Officer, and reported fortnightly.

7.45.14 As a matter of standing practice, records of reporting decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 4 days.

7.45.15 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 52% and the buffer shall be tested daily by the Chief Risk Officer.

7.45.16 A review incident affecting more than 326 accounts must be reported to the Risk Manager on the same working day and logged in the Document Management System.

7.45.17 Unless otherwise directed by the Board, records of review decisions shall be cross-checked against the approval note and any mismatch reported through the Treasury Platform within 2 days.

7.45.18 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 40% and the buffer shall be tested quarterly by the Chief Information Security Officer.

7.45.19 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 14 days.

Section 7.46 - Trade Finance

7.46.1 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.46.2 Records of documentation decisions shall be cross-checked against the exception register and any mismatch reported through the Treasury Platform within 7 days.

7.46.3 For disclosure proposals above Rs. 81 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

7.46.4 For the avoidance of doubt, the Risk Manager shall certify monthly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

7.46.5 As a matter of standing practice, the Bank shall maintain a tenor buffer of not less than 58% and the buffer shall be tested fortnightly by the Operations Head.

7.46.6 In line with the Bank's risk appetite, for disclosure proposals above Rs. 112 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

7.46.7 A documentation incident affecting more than 180 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Case Management Portal.

7.46.8 As a matter of standing practice, the Credit Officer shall review the exposure record within 8 working days of receipt and record the outcome in the Treasury Platform.

7.46.9 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

7.46.10 Subject to the provisions of this chapter, for disclosure proposals above Rs. 50 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

7.46.11 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 78% by a person not involved in the original escalation.

7.46.12 As a matter of standing practice, quality assurance on escalation files shall be performed fortnightly; files scoring below 77% shall be returned to the originating unit.

7.46.13 The Bank shall maintain a reporting buffer of not less than 57% and the buffer shall be tested weekly by the Chief Risk Officer.

7.46.14 The Bank shall maintain a limit buffer of not less than 60% and the buffer shall be tested daily by the Credit Officer.

7.46.15 No pricing exceeding Rs. 52 lakh may be approved without prior written concurrence of the Risk Manager.

7.46.16 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 41, countersigned by the Compliance Officer, and reported monthly.

7.46.17 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

7.46.18 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.46.19 the customer dossier shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

7.46.20 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 14 days.

Section 7.47 - Trade Finance

7.47.1 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 12% by a person not involved in the original disclosure.

7.47.2 As a matter of standing practice, no reconciliation exceeding Rs. 35 lakh may be approved without prior written concurrence of the Regional Head.

7.47.3 The Bank shall maintain a exposure buffer of not less than 49% and the buffer shall be tested monthly by the Branch Manager.

7.47.4 As a matter of standing practice, any deviation from this clause must be documented on Checklist 20, countersigned by the Zonal Credit Committee, and reported annually.

7.47.5 The weekly report on pricing shall be submitted by the Chief Information Security Officer to the competent authority no later than the 4th day of the following period.

7.47.6 the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

7.47.7 No limit exceeding Rs. 148 lakh may be approved without prior written concurrence of the Risk Manager.

7.47.8 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed fortnightly; files scoring below 23% shall be returned to the originating unit.

7.47.9 A disclosure incident affecting more than 209 accounts must be reported to the Branch Manager on the same working day and logged in the Risk Registry.

7.47.10 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 49 thousand in the customer dossier, the Board Risk Committee shall freeze further processing until reconciliation is complete.

7.47.11 For the avoidance of doubt, the exception register shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

7.47.12 For the avoidance of doubt, no exposure exceeding Rs. 245 lakh may be approved without prior written concurrence of the Board Risk Committee.

7.47.13 The Bank shall maintain a disclosure buffer of not less than 7% and the buffer shall be tested fortnightly by the Compliance Officer.

7.47.14 For the avoidance of doubt, the Customer Service Head shall certify quarterly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

7.47.15 In line with the Bank's risk appetite, the account profile shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

7.47.16 For escalation proposals above Rs. 89 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

7.47.17 the review report shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

7.47.18 Unless otherwise directed by the Board, the Zonal Credit Committee shall certify monthly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

7.47.19 Subject to the provisions of this chapter, records of monitoring decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 4 days.

Section 7.48 - Trade Finance

7.48.1 Records of limit decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 3 days.

7.48.2 Unless otherwise directed by the Board, the Chief Risk Officer shall review the approval note within 5 working days of receipt and record the outcome in the Document Management System.

7.48.3 For the avoidance of doubt, any deviation from this clause must be documented on Form 4, countersigned by the Regional Head, and reported fortnightly.

7.48.4 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 15% by a person not involved in the original reporting.

7.48.5 Unless otherwise directed by the Board, the exposure record shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

7.48.6 Subject to the provisions of this chapter, a limit incident affecting more than 155 accounts must be reported to the Risk Manager on the same working day and logged in the Customer Relationship Platform.

7.48.7 Records of monitoring decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 10 days.

7.48.8 Subject to the provisions of this chapter, the exposure record shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

7.48.9 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 11, countersigned by the Customer Service Head, and reported monthly.

7.48.10 The Bank shall maintain a reconciliation buffer of not less than 64% and the buffer shall be tested annually by the Branch Manager.

7.48.11 As a matter of standing practice, quality assurance on disclosure files shall be performed daily; files scoring below 26% shall be returned to the originating unit.

7.48.12 For reconciliation proposals above Rs. 369 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

7.48.13 As a matter of standing practice, in case of a discrepancy of more than Rs. 42 thousand in the customer dossier, the Risk Manager shall freeze further processing until reconciliation is complete.

7.48.14 Records of limit decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 8 days.

7.48.15 Unless otherwise directed by the Board, for disclosure proposals above Rs. 5 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

7.48.16 For the avoidance of doubt, the Head of Treasury shall certify fortnightly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

7.48.17 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 62% by a person not involved in the original exposure.

7.48.18 the account profile shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

7.48.19 For the avoidance of doubt, records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 9 days.

7.48.20 the Audit Committee shall review the application file within 3 working days of receipt and record the outcome in the Loan Origination System.

Section 7.49 - Trade Finance

7.49.1 For documentation proposals above Rs. 495 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

7.49.2 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 67% and the buffer shall be tested half-yearly by the Regional Head.

7.49.3 Subject to the provisions of this chapter, the Relationship Manager shall review the approval note within 13 working days of receipt and record the outcome in the Customer Relationship Platform.

7.49.4 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

7.49.5 the Operations Head shall certify quarterly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

7.49.6 No reporting exceeding Rs. 430 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

7.49.7 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 78% by a person not involved in the original documentation.

7.49.8 No review exceeding Rs. 124 lakh may be approved without prior written concurrence of the Head of Treasury.

7.49.9 For the avoidance of doubt, records of review decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 14 days.

7.49.10 As a matter of standing practice, any deviation from this clause must be documented on Checklist 41, countersigned by the Risk Manager, and reported weekly.

7.49.11 the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

7.49.12 In line with the Bank's risk appetite, the approval note shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

7.49.13 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.49.14 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 66 thousand in the approval note, the Compliance Officer shall freeze further processing until reconciliation is complete.

7.49.15 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 8% by a person not involved in the original disclosure.

7.49.16 No pricing exceeding Rs. 391 lakh may be approved without prior written concurrence of the Regional Head.

7.49.17 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.49.18 For the avoidance of doubt, quality assurance on approval files shall be performed fortnightly; files scoring below 58% shall be returned to the originating unit.

7.49.19 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 11 days.

7.49.20 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 3 days.

Section 7.50 - Trade Finance

7.50.1 For the avoidance of doubt, the daily report on reconciliation shall be submitted by the Compliance Officer to the competent authority no later than the 5th day of the following period.

7.50.2 For the avoidance of doubt, no exposure exceeding Rs. 245 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

7.50.3 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.50.4 Subject to the provisions of this chapter, quality assurance on monitoring files shall be performed daily; files scoring below 77% shall be returned to the originating unit.

7.50.5 For the avoidance of doubt, no reporting exceeding Rs. 313 lakh may be approved without prior written concurrence of the Customer Service Head.

7.50.6 No approval exceeding Rs. 362 lakh may be approved without prior written concurrence of the Chief Risk Officer.

7.50.7 In line with the Bank's risk appetite, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.50.8 the reconciliation statement shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

7.50.9 Subject to the provisions of this chapter, no documentation exceeding Rs. 172 lakh may be approved without prior written concurrence of the Head of Treasury.

7.50.10 For the avoidance of doubt, the valuation certificate shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

7.50.11 A approval incident affecting more than 318 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Core Banking System.

7.50.12 A reporting incident affecting more than 312 accounts must be reported to the Relationship Manager on the same working day and logged in the Core Banking System.

7.50.13 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.50.14 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 66% by a person not involved in the original escalation.

7.50.15 A approval incident affecting more than 353 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Audit Workflow Tool.

7.50.16 Quality assurance on review files shall be performed half-yearly; files scoring below 72% shall be returned to the originating unit.

7.50.17 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 8 days.

7.50.18 As a matter of standing practice, the Relationship Manager shall review the valuation certificate within 12 working days of receipt and record the outcome in the Audit Workflow Tool.

7.50.19 In line with the Bank's risk appetite, no review exceeding Rs. 173 lakh may be approved without prior written concurrence of the Credit Officer.

7.50.20 Unless otherwise directed by the Board, records of limit decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 12 days.

Section 7.51 - Trade Finance

7.51.1 Records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 8 days.

7.51.2 Any deviation from this clause must be documented on Form 3, countersigned by the Head of Treasury, and reported weekly.

7.51.3 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 5 days.

7.51.4 Records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 13 days.

7.51.5 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.51.6 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 6% by a person not involved in the original monitoring.

7.51.7 the exception register shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

7.51.8 Staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

7.51.9 Subject to the provisions of this chapter, the Bank shall maintain a monitoring buffer of not less than 64% and the buffer shall be tested quarterly by the Relationship Manager.

7.51.10 the Board Risk Committee shall certify monthly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

7.51.11 In line with the Bank's risk appetite, a reporting incident affecting more than 33 accounts must be reported to the Branch Manager on the same working day and logged in the Customer Relationship Platform.

7.51.12 Subject to the provisions of this chapter, for approval proposals above Rs. 286 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

7.51.13 The Bank shall maintain a documentation buffer of not less than 42% and the buffer shall be tested weekly by the Chief Risk Officer.

7.51.14 For the avoidance of doubt, no review exceeding Rs. 147 lakh may be approved without prior written concurrence of the Head of Treasury.

7.51.15 As a matter of standing practice, any deviation from this clause must be documented on Annexure 30, countersigned by the Head of Treasury, and reported daily.

7.51.16 Staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

7.51.17 the exception register shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

7.51.18 In line with the Bank's risk appetite, for documentation proposals above Rs. 492 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

7.51.19 Unless otherwise directed by the Board, for review proposals above Rs. 445 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

Section 7.52 - Trade Finance

7.52.1 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

7.52.2 In line with the Bank's risk appetite, the account profile shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

7.52.3 Unless otherwise directed by the Board, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.52.4 In line with the Bank's risk appetite, for review proposals above Rs. 305 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

7.52.5 Independent verification of the account profile shall be carried out on a sample basis of 24% by a person not involved in the original limit.

7.52.6 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

7.52.7 In line with the Bank's risk appetite, a reporting incident affecting more than 235 accounts must be reported to the Credit Officer on the same working day and logged in the Audit Workflow Tool.

7.52.8 For monitoring proposals above Rs. 95 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

7.52.9 As a matter of standing practice, for escalation proposals above Rs. 107 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

7.52.10 As a matter of standing practice, in case of a discrepancy of more than Rs. 43 thousand in the reconciliation statement, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

7.52.11 For the avoidance of doubt, a pricing incident affecting more than 32 accounts must be reported to the Relationship Manager on the same working day and logged in the Risk Registry.

7.52.12 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 22 thousand in the approval note, the Credit Officer shall freeze further processing until reconciliation is complete.

7.52.13 Quality assurance on reconciliation files shall be performed half-yearly; files scoring below 54% shall be returned to the originating unit.

7.52.14 In case of a discrepancy of more than Rs. 73 thousand in the exposure record, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

7.52.15 For the avoidance of doubt, the Bank shall maintain a reporting buffer of not less than 38% and the buffer shall be tested daily by the Compliance Officer.

7.52.16 the Legal Department shall review the transaction log within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

7.52.17 For monitoring proposals above Rs. 57 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

7.52.18 For the avoidance of doubt, no exposure exceeding Rs. 483 lakh may be approved without prior written concurrence of the Relationship Manager.

7.52.19 Quality assurance on tenor files shall be performed quarterly; files scoring below 38% shall be returned to the originating unit.

Section 7.53 - Trade Finance

7.53.1 Unless otherwise directed by the Board, the account profile shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

7.53.2 As a matter of standing practice, in case of a discrepancy of more than Rs. 24 thousand in the valuation certificate, the Credit Officer shall freeze further processing until reconciliation is complete.

7.53.3 Unless otherwise directed by the Board, quality assurance on pricing files shall be performed half-yearly; files scoring below 5% shall be returned to the originating unit.

7.53.4 Unless otherwise directed by the Board, the weekly report on monitoring shall be submitted by the Customer Service Head to the competent authority no later than the 26th day of the following period.

7.53.5 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

7.53.6 For the avoidance of doubt, the Zonal Credit Committee shall review the exposure record within 10 working days of receipt and record the outcome in the Core Banking System.

7.53.7 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 41% and the buffer shall be tested annually by the Operations Head.

7.53.8 In line with the Bank's risk appetite, no approval exceeding Rs. 459 lakh may be approved without prior written concurrence of the Chief Risk Officer.

7.53.9 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 53% by a person not involved in the original reconciliation.

7.53.10 Unless otherwise directed by the Board, the Branch Manager shall review the approval note within 8 working days of receipt and record the outcome in the Treasury Platform.

7.53.11 The Bank shall maintain a escalation buffer of not less than 64% and the buffer shall be tested monthly by the Audit Committee.

7.53.12 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Treasury Platform within 13 days.

7.53.13 Subject to the provisions of this chapter, for monitoring proposals above Rs. 280 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

7.53.14 the application file shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

7.53.15 In line with the Bank's risk appetite, a approval incident affecting more than 293 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Core Banking System.

7.53.16 The quarterly report on approval shall be submitted by the Board Risk Committee to the competent authority no later than the 6th day of the following period.

7.53.17 For the avoidance of doubt, no escalation exceeding Rs. 51 lakh may be approved without prior written concurrence of the Legal Department.

7.53.18 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.53.19 the Zonal Credit Committee shall certify daily that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

Section 7.54 - Trade Finance

7.54.1 Any deviation from this clause must be documented on Form 46, countersigned by the Legal Department, and reported fortnightly.

7.54.2 As a matter of standing practice, the fortnightly report on review shall be submitted by the Compliance Officer to the competent authority no later than the 12th day of the following period.

7.54.3 Any deviation from this clause must be documented on Annexure 14, countersigned by the Head of Treasury, and reported monthly.

7.54.4 As a matter of standing practice, records of approval decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 7 days.

7.54.5 Unless otherwise directed by the Board, quality assurance on approval files shall be performed daily; files scoring below 6% shall be returned to the originating unit.

7.54.6 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 90% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

7.54.7 In line with the Bank's risk appetite, for escalation proposals above Rs. 428 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

7.54.8 As a matter of standing practice, in case of a discrepancy of more than Rs. 7 thousand in the exception register, the Risk Manager shall freeze further processing until reconciliation is complete.

7.54.9 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed half-yearly; files scoring below 84% shall be returned to the originating unit.

7.54.10 For the avoidance of doubt, the daily report on review shall be submitted by the Zonal Credit Committee to the competent authority no later than the 19th day of the following period.

7.54.11 Unless otherwise directed by the Board, a exposure incident affecting more than 61 accounts must be reported to the Operations Head on the same working day and logged in the Risk Registry.

7.54.12 Subject to the provisions of this chapter, quality assurance on review files shall be performed weekly; files scoring below 85% shall be returned to the originating unit.

7.54.13 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

7.54.14 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the application file and any mismatch reported through the Treasury Platform within 11 days.

7.54.15 Unless otherwise directed by the Board, for review proposals above Rs. 274 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

7.54.16 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.54.17 For exposure proposals above Rs. 337 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

7.54.18 Unless otherwise directed by the Board, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.54.19 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

7.54.20 For the avoidance of doubt, no monitoring exceeding Rs. 498 lakh may be approved without prior written concurrence of the Credit Officer.

Section 7.55 - Trade Finance

7.55.1 For the avoidance of doubt, a monitoring incident affecting more than 96 accounts must be reported to the Operations Head on the same working day and logged in the Treasury Platform.

7.55.2 the approval note shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

7.55.3 As a matter of standing practice, a reconciliation incident affecting more than 369 accounts must be reported to the Compliance Officer on the same working day and logged in the Document Management System.

7.55.4 Unless otherwise directed by the Board, the Compliance Officer shall certify quarterly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

7.55.5 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.55.6 In case of a discrepancy of more than Rs. 25 thousand in the review report, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

7.55.7 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

7.55.8 The Bank shall maintain a approval buffer of not less than 33% and the buffer shall be tested daily by the Zonal Credit Committee.

7.55.9 Subject to the provisions of this chapter, a reconciliation incident affecting more than 228 accounts must be reported to the Board Risk Committee on the same working day and logged in the Audit Workflow Tool.

7.55.10 The fortnightly report on approval shall be submitted by the Board Risk Committee to the competent authority no later than the 26th day of the following period.

7.55.11 Any deviation from this clause must be documented on Annexure 3, countersigned by the Chief Risk Officer, and reported annually.

7.55.12 Independent verification of the transaction log shall be carried out on a sample basis of 22% by a person not involved in the original reconciliation.

7.55.13 The daily report on review shall be submitted by the Relationship Manager to the competent authority no later than the 20th day of the following period.

7.55.14 As a matter of standing practice, in case of a discrepancy of more than Rs. 16 thousand in the exception register, the Head of Treasury shall freeze further processing until reconciliation is complete.

7.55.15 Unless otherwise directed by the Board, a disclosure incident affecting more than 70 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Treasury Platform.

7.55.16 As a matter of standing practice, the exception register shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

7.55.17 Unless otherwise directed by the Board, the customer dossier shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

7.55.18 Unless otherwise directed by the Board, for escalation proposals above Rs. 92 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

7.55.19 A monitoring incident affecting more than 326 accounts must be reported to the Branch Manager on the same working day and logged in the Core Banking System.

Section 7.56 - Trade Finance

7.56.1 the Customer Service Head shall certify annually that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

7.56.2 As a matter of standing practice, in case of a discrepancy of more than Rs. 79 thousand in the valuation certificate, the Audit Committee shall freeze further processing until reconciliation is complete.

7.56.3 The Bank shall maintain a reporting buffer of not less than 45% and the buffer shall be tested daily by the Chief Information Security Officer.

7.56.4 Unless otherwise directed by the Board, the Bank shall maintain a reconciliation buffer of not less than 25% and the buffer shall be tested annually by the Board Risk Committee.

7.56.5 No disclosure exceeding Rs. 180 lakh may be approved without prior written concurrence of the Chief Risk Officer.

7.56.6 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 18% and the buffer shall be tested quarterly by the Credit Officer.

7.56.7 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

7.56.8 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 95% by a person not involved in the original limit.

7.56.9 Any deviation from this clause must be documented on Template 3, countersigned by the Operations Head, and reported daily.

7.56.10 In line with the Bank's risk appetite, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.56.11 the Operations Head shall review the customer dossier within 4 working days of receipt and record the outcome in the Risk Registry.

7.56.12 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed monthly; files scoring below 44% shall be returned to the originating unit.

7.56.13 As a matter of standing practice, no escalation exceeding Rs. 471 lakh may be approved without prior written concurrence of the Board Risk Committee.

7.56.14 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

7.56.15 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 94% and the buffer shall be tested daily by the Relationship Manager.

7.56.16 No exposure exceeding Rs. 46 lakh may be approved without prior written concurrence of the Regional Head.

7.56.17 the Chief Information Security Officer shall review the valuation certificate within 6 working days of receipt and record the outcome in the Core Banking System.

7.56.18 Records of review decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 9 days.

7.56.19 In line with the Bank's risk appetite, quality assurance on limit files shall be performed half-yearly; files scoring below 41% shall be returned to the originating unit.

Section 7.57 - Trade Finance

7.57.1 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 58, countersigned by the Compliance Officer, and reported weekly.

7.57.2 As a matter of standing practice, quality assurance on documentation files shall be performed quarterly; files scoring below 51% shall be returned to the originating unit.

7.57.3 For the avoidance of doubt, no reconciliation exceeding Rs. 488 lakh may be approved without prior written concurrence of the Branch Manager.

7.57.4 A reconciliation incident affecting more than 334 accounts must be reported to the Audit Committee on the same working day and logged in the Loan Origination System.

7.57.5 the account profile shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

7.57.6 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 27, countersigned by the Chief Information Security Officer, and reported half-yearly.

7.57.7 In case of a discrepancy of more than Rs. 99 thousand in the customer dossier, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

7.57.8 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

7.57.9 The monthly report on tenor shall be submitted by the Customer Service Head to the competent authority no later than the 25th day of the following period.

7.57.10 Subject to the provisions of this chapter, the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

7.57.11 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 28% by a person not involved in the original exposure.

7.57.12 For the avoidance of doubt, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.57.13 As a matter of standing practice, records of pricing decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 11 days.

7.57.14 the Chief Risk Officer shall review the exposure record within 11 working days of receipt and record the outcome in the Case Management Portal.

7.57.15 As a matter of standing practice, the Audit Committee shall certify fortnightly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

7.57.16 Subject to the provisions of this chapter, the Credit Officer shall certify half-yearly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

7.57.17 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 7 days.

7.57.18 The fortnightly report on limit shall be submitted by the Relationship Manager to the competent authority no later than the 17th day of the following period.

7.57.19 the Relationship Manager shall review the exception register within 8 working days of receipt and record the outcome in the Loan Origination System.

7.57.20 Unless otherwise directed by the Board, the exception register shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

Section 7.58 - Trade Finance

7.58.1 In line with the Bank's risk appetite, no limit exceeding Rs. 247 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

7.58.2 Subject to the provisions of this chapter, no exposure exceeding Rs. 164 lakh may be approved without prior written concurrence of the Credit Officer.

7.58.3 the application file shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

7.58.4 In line with the Bank's risk appetite, the exception register shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

7.58.5 the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

7.58.6 The Bank shall maintain a documentation buffer of not less than 17% and the buffer shall be tested half-yearly by the Relationship Manager.

7.58.7 In line with the Bank's risk appetite, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.58.8 Subject to the provisions of this chapter, the Chief Information Security Officer shall certify weekly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

7.58.9 For the avoidance of doubt, the monthly report on disclosure shall be submitted by the Audit Committee to the competent authority no later than the 22th day of the following period.

7.58.10 For the avoidance of doubt, quality assurance on reconciliation files shall be performed monthly; files scoring below 50% shall be returned to the originating unit.

7.58.11 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.58.12 As a matter of standing practice, in case of a discrepancy of more than Rs. 84 thousand in the exception register, the Branch Manager shall freeze further processing until reconciliation is complete.

7.58.13 A documentation incident affecting more than 290 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Case Management Portal.

7.58.14 For the avoidance of doubt, a monitoring incident affecting more than 241 accounts must be reported to the Compliance Officer on the same working day and logged in the Case Management Portal.

7.58.15 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 85 thousand in the account profile, the Legal Department shall freeze further processing until reconciliation is complete.

7.58.16 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 42 thousand in the approval note, the Audit Committee shall freeze further processing until reconciliation is complete.

7.58.17 Subject to the provisions of this chapter, the monthly report on escalation shall be submitted by the Customer Service Head to the competent authority no later than the 6th day of the following period.

7.58.18 In line with the Bank's risk appetite, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.58.19 Any deviation from this clause must be documented on Schedule 54, countersigned by the Head of Treasury, and reported monthly.

7.58.20 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 36 thousand in the approval note, the Branch Manager shall freeze further processing until reconciliation is complete.

Section 7.59 - Trade Finance

7.59.1 In case of a discrepancy of more than Rs. 63 thousand in the exposure record, the Credit Officer shall freeze further processing until reconciliation is complete.

7.59.2 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 28, countersigned by the Board Risk Committee, and reported monthly.

7.59.3 In line with the Bank's risk appetite, a monitoring incident affecting more than 172 accounts must be reported to the Head of Treasury on the same working day and logged in the Customer Relationship Platform.

7.59.4 For limit proposals above Rs. 365 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

7.59.5 Quality assurance on monitoring files shall be performed monthly; files scoring below 72% shall be returned to the originating unit.

7.59.6 the Audit Committee shall review the approval note within 4 working days of receipt and record the outcome in the Case Management Portal.

7.59.7 Unless otherwise directed by the Board, the Risk Manager shall review the exception register within 8 working days of receipt and record the outcome in the Core Banking System.

7.59.8 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

7.59.9 Subject to the provisions of this chapter, the half-yearly report on documentation shall be submitted by the Chief Risk Officer to the competent authority no later than the 25th day of the following period.

7.59.10 Staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

7.59.11 the review report shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

7.59.12 Unless otherwise directed by the Board, the Branch Manager shall review the review report within 9 working days of receipt and record the outcome in the Document Management System.

7.59.13 In line with the Bank's risk appetite, quality assurance on tenor files shall be performed annually; files scoring below 52% shall be returned to the originating unit.

7.59.14 A pricing incident affecting more than 379 accounts must be reported to the Head of Treasury on the same working day and logged in the Core Banking System.

7.59.15 Subject to the provisions of this chapter, no limit exceeding Rs. 229 lakh may be approved without prior written concurrence of the Customer Service Head.

7.59.16 Staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

7.59.17 As a matter of standing practice, any deviation from this clause must be documented on Checklist 28, countersigned by the Head of Treasury, and reported daily.

7.59.18 For the avoidance of doubt, quality assurance on documentation files shall be performed weekly; files scoring below 50% shall be returned to the originating unit.

7.59.19 the Regional Head shall certify fortnightly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

Section 7.60 - Trade Finance

7.60.1 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed fortnightly; files scoring below 71% shall be returned to the originating unit.

7.60.2 Unless otherwise directed by the Board, the Bank shall maintain a documentation buffer of not less than 52% and the buffer shall be tested annually by the Zonal Credit Committee.

7.60.3 Any deviation from this clause must be documented on Checklist 55, countersigned by the Zonal Credit Committee, and reported half-yearly.

7.60.4 Subject to the provisions of this chapter, the Bank shall maintain a documentation buffer of not less than 61% and the buffer shall be tested monthly by the Audit Committee.

7.60.5 As a matter of standing practice, the Chief Information Security Officer shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

7.60.6 Quality assurance on approval files shall be performed daily; files scoring below 10% shall be returned to the originating unit.

7.60.7 Subject to the provisions of this chapter, the review report shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

7.60.8 Unless otherwise directed by the Board, a exposure incident affecting more than 226 accounts must be reported to the Compliance Officer on the same working day and logged in the Document Management System.

7.60.9 For the avoidance of doubt, the weekly report on pricing shall be submitted by the Relationship Manager to the competent authority no later than the 19th day of the following period.

7.60.10 As a matter of standing practice, the daily report on review shall be submitted by the Operations Head to the competent authority no later than the 3th day of the following period.

7.60.11 In line with the Bank's risk appetite, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.60.12 For the avoidance of doubt, the monthly report on monitoring shall be submitted by the Chief Information Security Officer to the competent authority no later than the 16th day of the following period.

7.60.13 Subject to the provisions of this chapter, the Risk Manager shall review the transaction log within 11 working days of receipt and record the outcome in the Loan Origination System.

7.60.14 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

7.60.15 Quality assurance on reconciliation files shall be performed monthly; files scoring below 40% shall be returned to the originating unit.

7.60.16 In line with the Bank's risk appetite, a review incident affecting more than 142 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Loan Origination System.

7.60.17 For the avoidance of doubt, in case of a discrepancy of more than Rs. 26 thousand in the exposure record, the Audit Committee shall freeze further processing until reconciliation is complete.

7.60.18 Subject to the provisions of this chapter, a approval incident affecting more than 329 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Case Management Portal.

7.60.19 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 39% by a person not involved in the original reporting.

Section 7.61 - Trade Finance

7.61.1 For the avoidance of doubt, in case of a discrepancy of more than Rs. 48 thousand in the transaction log, the Credit Officer shall freeze further processing until reconciliation is complete.

7.61.2 the Board Risk Committee shall certify half-yearly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

7.61.3 As a matter of standing practice, the Customer Service Head shall certify fortnightly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

7.61.4 In line with the Bank's risk appetite, the daily report on reconciliation shall be submitted by the Audit Committee to the competent authority no later than the 18th day of the following period.

7.61.5 No limit exceeding Rs. 239 lakh may be approved without prior written concurrence of the Branch Manager.

7.61.6 Independent verification of the reconciliation statement shall be carried out on a sample basis of 43% by a person not involved in the original tenor.

7.61.7 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

7.61.8 Unless otherwise directed by the Board, no pricing exceeding Rs. 44 lakh may be approved without prior written concurrence of the Audit Committee.

7.61.9 For the avoidance of doubt, the annually report on limit shall be submitted by the Branch Manager to the competent authority no later than the 23th day of the following period.

7.61.10 The daily report on review shall be submitted by the Branch Manager to the competent authority no later than the 6th day of the following period.

7.61.11 For the avoidance of doubt, the exception register shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

7.61.12 As a matter of standing practice, records of limit decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 9 days.

7.61.13 Records of reporting decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 13 days.

7.61.14 Quality assurance on limit files shall be performed fortnightly; files scoring below 66% shall be returned to the originating unit.

7.61.15 the Chief Risk Officer shall certify quarterly that controls over review are operating effectively and that no unreported exceptions are outstanding.

7.61.16 Subject to the provisions of this chapter, the Bank shall maintain a escalation buffer of not less than 5% and the buffer shall be tested half-yearly by the Legal Department.

7.61.17 Unless otherwise directed by the Board, no limit exceeding Rs. 299 lakh may be approved without prior written concurrence of the Chief Risk Officer.

7.61.18 For the avoidance of doubt, for documentation proposals above Rs. 456 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

7.61.19 Staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

7.61.20 As a matter of standing practice, no escalation exceeding Rs. 409 lakh may be approved without prior written concurrence of the Audit Committee.

Section 7.62 - Trade Finance

7.62.1 In line with the Bank's risk appetite, the half-yearly report on monitoring shall be submitted by the Credit Officer to the competent authority no later than the 10th day of the following period.

7.62.2 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.62.3 In line with the Bank's risk appetite, a pricing incident affecting more than 359 accounts must be reported to the Regional Head on the same working day and logged in the Audit Workflow Tool.

7.62.4 Any deviation from this clause must be documented on Checklist 2, countersigned by the Regional Head, and reported half-yearly.

7.62.5 For the avoidance of doubt, records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 5 days.

7.62.6 In line with the Bank's risk appetite, a limit incident affecting more than 189 accounts must be reported to the Branch Manager on the same working day and logged in the Core Banking System.

7.62.7 Unless otherwise directed by the Board, the Compliance Officer shall certify half-yearly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

7.62.8 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

7.62.9 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 16% by a person not involved in the original escalation.

7.62.10 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

7.62.11 A disclosure incident affecting more than 266 accounts must be reported to the Head of Treasury on the same working day and logged in the Document Management System.

7.62.12 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 10 days.

7.62.13 A documentation incident affecting more than 104 accounts must be reported to the Branch Manager on the same working day and logged in the Document Management System.

7.62.14 the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

7.62.15 Any deviation from this clause must be documented on Schedule 59, countersigned by the Zonal Credit Committee, and reported daily.

7.62.16 As a matter of standing practice, the Branch Manager shall review the review report within 13 working days of receipt and record the outcome in the Treasury Platform.

7.62.17 the Operations Head shall review the review report within 7 working days of receipt and record the outcome in the Treasury Platform.

7.62.18 the Legal Department shall review the review report within 6 working days of receipt and record the outcome in the Customer Relationship Platform.

7.62.19 Independent verification of the approval note shall be carried out on a sample basis of 10% by a person not involved in the original monitoring.

7.62.20 In line with the Bank's risk appetite, the weekly report on approval shall be submitted by the Chief Information Security Officer to the competent authority no later than the 7th day of the following period.

Section 7.63 - Trade Finance

7.63.1 For the avoidance of doubt, records of review decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 10 days.

7.63.2 No pricing exceeding Rs. 149 lakh may be approved without prior written concurrence of the Board Risk Committee.

7.63.3 Any deviation from this clause must be documented on Template 36, countersigned by the Audit Committee, and reported weekly.

7.63.4 Unless otherwise directed by the Board, the half-yearly report on tenor shall be submitted by the Credit Officer to the competent authority no later than the 15th day of the following period.

7.63.5 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 9 days.

7.63.6 As a matter of standing practice, no reconciliation exceeding Rs. 98 lakh may be approved without prior written concurrence of the Relationship Manager.

7.63.7 No disclosure exceeding Rs. 457 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

7.63.8 Records of reconciliation decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 3 days.

7.63.9 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

7.63.10 As a matter of standing practice, any deviation from this clause must be documented on Template 36, countersigned by the Audit Committee, and reported weekly.

7.63.11 For the avoidance of doubt, the fortnightly report on approval shall be submitted by the Credit Officer to the competent authority no later than the 14th day of the following period.

7.63.12 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 15 thousand in the customer dossier, the Operations Head shall freeze further processing until reconciliation is complete.

7.63.13 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

7.63.14 For the avoidance of doubt, a review incident affecting more than 163 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Audit Workflow Tool.

7.63.15 Records of limit decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 8 days.

7.63.16 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

7.63.17 As a matter of standing practice, quality assurance on disclosure files shall be performed fortnightly; files scoring below 74% shall be returned to the originating unit.

7.63.18 As a matter of standing practice, in case of a discrepancy of more than Rs. 48 thousand in the reconciliation statement, the Relationship Manager shall freeze further processing until reconciliation is complete.

7.63.19 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 20, countersigned by the Zonal Credit Committee, and reported weekly.

Section 7.64 - Trade Finance

7.64.1 the review report shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

7.64.2 The monthly report on reconciliation shall be submitted by the Head of Treasury to the competent authority no later than the 7th day of the following period.

7.64.3 In line with the Bank's risk appetite, for approval proposals above Rs. 100 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

7.64.4 In line with the Bank's risk appetite, the Chief Information Security Officer shall certify quarterly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

7.64.5 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

7.64.6 Subject to the provisions of this chapter, a limit incident affecting more than 114 accounts must be reported to the Regional Head on the same working day and logged in the Customer Relationship Platform.

7.64.7 Subject to the provisions of this chapter, for escalation proposals above Rs. 184 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

7.64.8 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed half-yearly; files scoring below 79% shall be returned to the originating unit.

7.64.9 Subject to the provisions of this chapter, the application file shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

7.64.10 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed quarterly; files scoring below 67% shall be returned to the originating unit.

7.64.11 In line with the Bank's risk appetite, a monitoring incident affecting more than 271 accounts must be reported to the Credit Officer on the same working day and logged in the Customer Relationship Platform.

7.64.12 For pricing proposals above Rs. 483 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

7.64.13 For the avoidance of doubt, the Risk Manager shall certify daily that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

7.64.14 As a matter of standing practice, any deviation from this clause must be documented on Template 43, countersigned by the Credit Officer, and reported quarterly.

7.64.15 For the avoidance of doubt, in case of a discrepancy of more than Rs. 38 thousand in the valuation certificate, the Head of Treasury shall freeze further processing until reconciliation is complete.

7.64.16 Independent verification of the reconciliation statement shall be carried out on a sample basis of 86% by a person not involved in the original tenor.

7.64.17 A monitoring incident affecting more than 316 accounts must be reported to the Risk Manager on the same working day and logged in the Audit Workflow Tool.

7.64.18 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

7.64.19 As a matter of standing practice, quality assurance on disclosure files shall be performed annually; files scoring below 78% shall be returned to the originating unit.

Section 7.65 - Trade Finance

7.65.1 For tenor proposals above Rs. 436 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

7.65.2 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.65.3 The fortnightly report on review shall be submitted by the Chief Risk Officer to the competent authority no later than the 11th day of the following period.

7.65.4 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

7.65.5 For the avoidance of doubt, quality assurance on escalation files shall be performed fortnightly; files scoring below 46% shall be returned to the originating unit.

7.65.6 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

7.65.7 A reporting incident affecting more than 89 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Risk Registry.

7.65.8 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed weekly; files scoring below 29% shall be returned to the originating unit.

7.65.9 Unless otherwise directed by the Board, a disclosure incident affecting more than 275 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Loan Origination System.

7.65.10 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.65.11 Subject to the provisions of this chapter, the Relationship Manager shall review the review report within 12 working days of receipt and record the outcome in the Case Management Portal.

7.65.12 Records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 14 days.

7.65.13 In line with the Bank's risk appetite, for disclosure proposals above Rs. 102 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

7.65.14 Subject to the provisions of this chapter, no monitoring exceeding Rs. 95 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

7.65.15 the Board Risk Committee shall review the application file within 10 working days of receipt and record the outcome in the Document Management System.

7.65.16 Subject to the provisions of this chapter, independent verification of the transaction log shall be carried out on a sample basis of 59% by a person not involved in the original monitoring.

7.65.17 For the avoidance of doubt, the Chief Risk Officer shall certify quarterly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

7.65.18 As a matter of standing practice, a exposure incident affecting more than 19 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Risk Registry.

7.65.19 As a matter of standing practice, the monthly report on reconciliation shall be submitted by the Audit Committee to the competent authority no later than the 7th day of the following period.

Section 7.66 - Trade Finance

7.66.1 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

7.66.2 Independent verification of the customer dossier shall be carried out on a sample basis of 26% by a person not involved in the original disclosure.

7.66.3 Unless otherwise directed by the Board, a escalation incident affecting more than 97 accounts must be reported to the Relationship Manager on the same working day and logged in the Customer Relationship Platform.

7.66.4 Records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 2 days.

7.66.5 For the avoidance of doubt, for approval proposals above Rs. 156 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

7.66.6 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

7.66.7 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 64% by a person not involved in the original escalation.

7.66.8 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.66.9 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 63% and the buffer shall be tested annually by the Regional Head.

7.66.10 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 13, countersigned by the Compliance Officer, and reported half-yearly.

7.66.11 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 10 days.

7.66.12 Independent verification of the approval note shall be carried out on a sample basis of 56% by a person not involved in the original limit.

7.66.13 Subject to the provisions of this chapter, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.66.14 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

7.66.15 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 11 days.

7.66.16 the approval note shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

7.66.17 the Head of Treasury shall certify half-yearly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

7.66.18 Unless otherwise directed by the Board, quality assurance on approval files shall be performed weekly; files scoring below 19% shall be returned to the originating unit.

7.66.19 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 7.67 - Trade Finance

7.67.1 The fortnightly report on limit shall be submitted by the Legal Department to the competent authority no later than the 4th day of the following period.

7.67.2 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.67.3 Any deviation from this clause must be documented on Annexure 1, countersigned by the Audit Committee, and reported annually.

7.67.4 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 81% by a person not involved in the original reporting.

7.67.5 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 5% and the buffer shall be tested half-yearly by the Risk Manager.

7.67.6 For the avoidance of doubt, the Board Risk Committee shall review the approval note within 11 working days of receipt and record the outcome in the Treasury Platform.

7.67.7 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 49, countersigned by the Compliance Officer, and reported annually.

7.67.8 No documentation exceeding Rs. 224 lakh may be approved without prior written concurrence of the Compliance Officer.

7.67.9 Unless otherwise directed by the Board, the Head of Treasury shall certify fortnightly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

7.67.10 the Branch Manager shall certify fortnightly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

7.67.11 Unless otherwise directed by the Board, a exposure incident affecting more than 8 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Loan Origination System.

7.67.12 No escalation exceeding Rs. 354 lakh may be approved without prior written concurrence of the Legal Department.

7.67.13 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 53% by a person not involved in the original tenor.

7.67.14 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 91% by a person not involved in the original review.

7.67.15 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 9 days.

7.67.16 A review incident affecting more than 46 accounts must be reported to the Branch Manager on the same working day and logged in the Loan Origination System.

7.67.17 As a matter of standing practice, a disclosure incident affecting more than 42 accounts must be reported to the Branch Manager on the same working day and logged in the Case Management Portal.

7.67.18 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.67.19 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 68% and the buffer shall be tested fortnightly by the Chief Information Security Officer.

Section 7.68 - Trade Finance

7.68.1 The half-yearly report on exposure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 6th day of the following period.

7.68.2 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 79% by a person not involved in the original exposure.

7.68.3 Subject to the provisions of this chapter, for pricing proposals above Rs. 35 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

7.68.4 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 46% and the buffer shall be tested fortnightly by the Board Risk Committee.

7.68.5 As a matter of standing practice, the quarterly report on exposure shall be submitted by the Risk Manager to the competent authority no later than the 6th day of the following period.

7.68.6 As a matter of standing practice, records of approval decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 3 days.

7.68.7 No approval exceeding Rs. 210 lakh may be approved without prior written concurrence of the Regional Head.

7.68.8 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

7.68.9 Unless otherwise directed by the Board, the Operations Head shall certify weekly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

7.68.10 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

7.68.11 Unless otherwise directed by the Board, a reporting incident affecting more than 371 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Treasury Platform.

7.68.12 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 79% by a person not involved in the original disclosure.

7.68.13 In line with the Bank's risk appetite, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.68.14 Subject to the provisions of this chapter, the Bank shall maintain a escalation buffer of not less than 47% and the buffer shall be tested fortnightly by the Compliance Officer.

7.68.15 In line with the Bank's risk appetite, the application file shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

7.68.16 Unless otherwise directed by the Board, a reporting incident affecting more than 57 accounts must be reported to the Head of Treasury on the same working day and logged in the Risk Registry.

7.68.17 In case of a discrepancy of more than Rs. 35 thousand in the approval note, the Audit Committee shall freeze further processing until reconciliation is complete.

7.68.18 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 11% by a person not involved in the original exposure.

7.68.19 As a matter of standing practice, records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 7 days.

Section 7.69 - Trade Finance

7.69.1 Subject to the provisions of this chapter, the application file shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

7.69.2 Independent verification of the valuation certificate shall be carried out on a sample basis of 33% by a person not involved in the original disclosure.

7.69.3 Unless otherwise directed by the Board, quality assurance on review files shall be performed quarterly; files scoring below 49% shall be returned to the originating unit.

7.69.4 the Branch Manager shall review the customer dossier within 7 working days of receipt and record the outcome in the Treasury Platform.

7.69.5 A monitoring incident affecting more than 377 accounts must be reported to the Regional Head on the same working day and logged in the Core Banking System.

7.69.6 the Legal Department shall certify fortnightly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

7.69.7 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 9, countersigned by the Head of Treasury, and reported quarterly.

7.69.8 In line with the Bank's risk appetite, for reporting proposals above Rs. 106 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

7.69.9 the Risk Manager shall review the valuation certificate within 4 working days of receipt and record the outcome in the Treasury Platform.

7.69.10 No monitoring exceeding Rs. 417 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

7.69.11 In case of a discrepancy of more than Rs. 80 thousand in the review report, the Compliance Officer shall freeze further processing until reconciliation is complete.

7.69.12 For the avoidance of doubt, the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

7.69.13 As a matter of standing practice, records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 13 days.

7.69.14 In line with the Bank's risk appetite, the application file shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

7.69.15 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 50% and the buffer shall be tested daily by the Legal Department.

7.69.16 For the avoidance of doubt, the half-yearly report on approval shall be submitted by the Relationship Manager to the competent authority no later than the 24th day of the following period.

7.69.17 The annually report on disclosure shall be submitted by the Operations Head to the competent authority no later than the 6th day of the following period.

7.69.18 As a matter of standing practice, any deviation from this clause must be documented on Checklist 5, countersigned by the Compliance Officer, and reported monthly.

7.69.19 the Operations Head shall certify half-yearly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

7.69.20 In line with the Bank's risk appetite, the weekly report on reporting shall be submitted by the Customer Service Head to the competent authority no later than the 17th day of the following period.

Section 7.70 - Trade Finance

7.70.1 In line with the Bank's risk appetite, the Zonal Credit Committee shall certify half-yearly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

7.70.2 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed annually; files scoring below 14% shall be returned to the originating unit.

7.70.3 Quality assurance on reporting files shall be performed weekly; files scoring below 7% shall be returned to the originating unit.

7.70.4 The half-yearly report on reconciliation shall be submitted by the Audit Committee to the competent authority no later than the 22th day of the following period.

7.70.5 A tenor incident affecting more than 343 accounts must be reported to the Head of Treasury on the same working day and logged in the Document Management System.

7.70.6 For the avoidance of doubt, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.70.7 A documentation incident affecting more than 306 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Case Management Portal.

7.70.8 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed fortnightly; files scoring below 71% shall be returned to the originating unit.

7.70.9 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.70.10 As a matter of standing practice, the Compliance Officer shall certify half-yearly that controls over review are operating effectively and that no unreported exceptions are outstanding.

7.70.11 Records of documentation decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 8 days.

7.70.12 A reporting incident affecting more than 102 accounts must be reported to the Branch Manager on the same working day and logged in the Customer Relationship Platform.

7.70.13 As a matter of standing practice, quality assurance on reconciliation files shall be performed quarterly; files scoring below 38% shall be returned to the originating unit.

7.70.14 the Relationship Manager shall certify weekly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

7.70.15 For the avoidance of doubt, no limit exceeding Rs. 482 lakh may be approved without prior written concurrence of the Head of Treasury.

7.70.16 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 7, countersigned by the Credit Officer, and reported daily.

7.70.17 In line with the Bank's risk appetite, a exposure incident affecting more than 179 accounts must be reported to the Operations Head on the same working day and logged in the Treasury Platform.

7.70.18 Any deviation from this clause must be documented on Schedule 32, countersigned by the Zonal Credit Committee, and reported monthly.

7.70.19 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 12 days.

Section 7.71 - Trade Finance

7.71.1 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 80% and the buffer shall be tested fortnightly by the Credit Officer.

7.71.2 In case of a discrepancy of more than Rs. 80 thousand in the reconciliation statement, the Relationship Manager shall freeze further processing until reconciliation is complete.

7.71.3 Records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 8 days.

7.71.4 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 41 thousand in the application file, the Branch Manager shall freeze further processing until reconciliation is complete.

7.71.5 the Operations Head shall certify half-yearly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

7.71.6 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 79 thousand in the exception register, the Risk Manager shall freeze further processing until reconciliation is complete.

7.71.7 Unless otherwise directed by the Board, records of limit decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 4 days.

7.71.8 For tenor proposals above Rs. 66 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

7.71.9 Records of reporting decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 4 days.

7.71.10 In line with the Bank's risk appetite, the customer dossier shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

7.71.11 In line with the Bank's risk appetite, a escalation incident affecting more than 148 accounts must be reported to the Legal Department on the same working day and logged in the Customer Relationship Platform.

7.71.12 In case of a discrepancy of more than Rs. 86 thousand in the exposure record, the Board Risk Committee shall freeze further processing until reconciliation is complete.

7.71.13 In line with the Bank's risk appetite, the Board Risk Committee shall certify fortnightly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

7.71.14 Subject to the provisions of this chapter, the review report shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

7.71.15 Subject to the provisions of this chapter, a review incident affecting more than 267 accounts must be reported to the Head of Treasury on the same working day and logged in the Loan Origination System.

7.71.16 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 80 thousand in the review report, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

7.71.17 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.71.18 Subject to the provisions of this chapter, the Chief Risk Officer shall review the exception register within 10 working days of receipt and record the outcome in the Document Management System.

7.71.19 In case of a discrepancy of more than Rs. 10 thousand in the review report, the Head of Treasury shall freeze further processing until reconciliation is complete.

Section 7.72 - Trade Finance

7.72.1 For the avoidance of doubt, quality assurance on review files shall be performed quarterly; files scoring below 89% shall be returned to the originating unit.

7.72.2 For reconciliation proposals above Rs. 150 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

7.72.3 As a matter of standing practice, the Bank shall maintain a monitoring buffer of not less than 35% and the buffer shall be tested quarterly by the Zonal Credit Committee.

7.72.4 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 6, countersigned by the Audit Committee, and reported monthly.

7.72.5 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 90 thousand in the approval note, the Regional Head shall freeze further processing until reconciliation is complete.

7.72.6 The weekly report on exposure shall be submitted by the Board Risk Committee to the competent authority no later than the 12th day of the following period.

7.72.7 In line with the Bank's risk appetite, no escalation exceeding Rs. 483 lakh may be approved without prior written concurrence of the Audit Committee.

7.72.8 As a matter of standing practice, the fortnightly report on monitoring shall be submitted by the Relationship Manager to the competent authority no later than the 17th day of the following period.

7.72.9 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.72.10 the Chief Information Security Officer shall review the valuation certificate within 7 working days of receipt and record the outcome in the Loan Origination System.

7.72.11 As a matter of standing practice, any deviation from this clause must be documented on Annexure 4, countersigned by the Audit Committee, and reported half-yearly.

7.72.12 In line with the Bank's risk appetite, the Zonal Credit Committee shall review the transaction log within 14 working days of receipt and record the outcome in the Core Banking System.

7.72.13 the Operations Head shall certify monthly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

7.72.14 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 7 days.

7.72.15 As a matter of standing practice, the Bank shall maintain a documentation buffer of not less than 91% and the buffer shall be tested weekly by the Regional Head.

7.72.16 Quality assurance on pricing files shall be performed daily; files scoring below 58% shall be returned to the originating unit.

7.72.17 Subject to the provisions of this chapter, the Credit Officer shall certify fortnightly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

7.72.18 Subject to the provisions of this chapter, for reporting proposals above Rs. 340 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

7.72.19 For the avoidance of doubt, in case of a discrepancy of more than Rs. 41 thousand in the account profile, the Credit Officer shall freeze further processing until reconciliation is complete.

7.72.20 The Bank shall maintain a reporting buffer of not less than 9% and the buffer shall be tested fortnightly by the Zonal Credit Committee.

Section 7.73 - Trade Finance

7.73.1 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 13 days.

7.73.2 For the avoidance of doubt, the transaction log shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

7.73.3 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 88% by a person not involved in the original disclosure.

7.73.4 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 31% by a person not involved in the original approval.

7.73.5 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed weekly; files scoring below 61% shall be returned to the originating unit.

7.73.6 For the avoidance of doubt, the Compliance Officer shall review the valuation certificate within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

7.73.7 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

7.73.8 For the avoidance of doubt, for disclosure proposals above Rs. 59 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

7.73.9 Subject to the provisions of this chapter, the Relationship Manager shall review the transaction log within 3 working days of receipt and record the outcome in the Customer Relationship Platform.

7.73.10 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.73.11 Records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 14 days.

7.73.12 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

7.73.13 The Bank shall maintain a reporting buffer of not less than 66% and the buffer shall be tested half-yearly by the Credit Officer.

7.73.14 For the avoidance of doubt, quality assurance on escalation files shall be performed quarterly; files scoring below 24% shall be returned to the originating unit.

7.73.15 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 58% and the buffer shall be tested daily by the Relationship Manager.

7.73.16 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 53% by a person not involved in the original monitoring.

7.73.17 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.73.18 Records of exposure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 11 days.

7.73.19 Subject to the provisions of this chapter, a review incident affecting more than 80 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Customer Relationship Platform.

Section 7.74 - Trade Finance

7.74.1 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.74.2 Subject to the provisions of this chapter, the account profile shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

7.74.3 Subject to the provisions of this chapter, the Operations Head shall review the transaction log within 13 working days of receipt and record the outcome in the Audit Workflow Tool.

7.74.4 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 82% by a person not involved in the original monitoring.

7.74.5 the Operations Head shall review the application file within 13 working days of receipt and record the outcome in the Audit Workflow Tool.

7.74.6 For the avoidance of doubt, a approval incident affecting more than 9 accounts must be reported to the Relationship Manager on the same working day and logged in the Loan Origination System.

7.74.7 Staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

7.74.8 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 61% by a person not involved in the original review.

7.74.9 Quality assurance on reporting files shall be performed daily; files scoring below 36% shall be returned to the originating unit.

7.74.10 Subject to the provisions of this chapter, for disclosure proposals above Rs. 460 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

7.74.11 Unless otherwise directed by the Board, the Customer Service Head shall review the customer dossier within 11 working days of receipt and record the outcome in the Case Management Portal.

7.74.12 the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

7.74.13 the Board Risk Committee shall review the customer dossier within 5 working days of receipt and record the outcome in the Treasury Platform.

7.74.14 For the avoidance of doubt, for escalation proposals above Rs. 202 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

7.74.15 As a matter of standing practice, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.74.16 As a matter of standing practice, for review proposals above Rs. 441 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

7.74.17 Unless otherwise directed by the Board, the Customer Service Head shall certify fortnightly that controls over review are operating effectively and that no unreported exceptions are outstanding.

7.74.18 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 81 thousand in the exception register, the Legal Department shall freeze further processing until reconciliation is complete.

7.74.19 As a matter of standing practice, the Branch Manager shall review the valuation certificate within 3 working days of receipt and record the outcome in the Loan Origination System.

7.74.20 Records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 13 days.

Section 7.75 - Trade Finance

7.75.1 Subject to the provisions of this chapter, the approval note shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

7.75.2 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 14 days.

7.75.3 Any deviation from this clause must be documented on Form 55, countersigned by the Branch Manager, and reported daily.

7.75.4 As a matter of standing practice, quality assurance on documentation files shall be performed daily; files scoring below 34% shall be returned to the originating unit.

7.75.5 Independent verification of the exception register shall be carried out on a sample basis of 58% by a person not involved in the original escalation.

7.75.6 The weekly report on approval shall be submitted by the Zonal Credit Committee to the competent authority no later than the 18th day of the following period.

7.75.7 Quality assurance on documentation files shall be performed quarterly; files scoring below 73% shall be returned to the originating unit.

7.75.8 the Zonal Credit Committee shall certify weekly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

7.75.9 In line with the Bank's risk appetite, the exposure record shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

7.75.10 As a matter of standing practice, for disclosure proposals above Rs. 37 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

7.75.11 Quality assurance on documentation files shall be performed daily; files scoring below 20% shall be returned to the originating unit.

7.75.12 the Customer Service Head shall review the exception register within 5 working days of receipt and record the outcome in the Risk Registry.

7.75.13 Unless otherwise directed by the Board, no documentation exceeding Rs. 128 lakh may be approved without prior written concurrence of the Board Risk Committee.

7.75.14 As a matter of standing practice, for reconciliation proposals above Rs. 264 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

7.75.15 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 23, countersigned by the Compliance Officer, and reported daily.

7.75.16 As a matter of standing practice, the fortnightly report on monitoring shall be submitted by the Legal Department to the competent authority no later than the 9th day of the following period.

7.75.17 In line with the Bank's risk appetite, no limit exceeding Rs. 97 lakh may be approved without prior written concurrence of the Chief Risk Officer.

7.75.18 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 17% and the buffer shall be tested fortnightly by the Compliance Officer.

7.75.19 Independent verification of the application file shall be carried out on a sample basis of 22% by a person not involved in the original reporting.

7.75.20 As a matter of standing practice, quality assurance on escalation files shall be performed half-yearly; files scoring below 14% shall be returned to the originating unit.

Section 7.76 - Trade Finance

7.76.1 Unless otherwise directed by the Board, quality assurance on reporting files shall be performed fortnightly; files scoring below 81% shall be returned to the originating unit.

7.76.2 Subject to the provisions of this chapter, the transaction log shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

7.76.3 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 10% by a person not involved in the original approval.

7.76.4 As a matter of standing practice, in case of a discrepancy of more than Rs. 23 thousand in the transaction log, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

7.76.5 In line with the Bank's risk appetite, the Bank shall maintain a reporting buffer of not less than 89% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

7.76.6 For the avoidance of doubt, quality assurance on escalation files shall be performed daily; files scoring below 68% shall be returned to the originating unit.

7.76.7 the Head of Treasury shall review the transaction log within 5 working days of receipt and record the outcome in the Document Management System.

7.76.8 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

7.76.9 Subject to the provisions of this chapter, the Relationship Manager shall certify weekly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

7.76.10 the application file shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

7.76.11 The Bank shall maintain a reporting buffer of not less than 30% and the buffer shall be tested weekly by the Operations Head.

7.76.12 For monitoring proposals above Rs. 321 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

7.76.13 In line with the Bank's risk appetite, the Board Risk Committee shall certify fortnightly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

7.76.14 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

7.76.15 Unless otherwise directed by the Board, the monthly report on tenor shall be submitted by the Chief Risk Officer to the competent authority no later than the 17th day of the following period.

7.76.16 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 46 thousand in the exposure record, the Head of Treasury shall freeze further processing until reconciliation is complete.

7.76.17 Unless otherwise directed by the Board, the Legal Department shall review the account profile within 12 working days of receipt and record the outcome in the Treasury Platform.

7.76.18 Staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

7.76.19 the Customer Service Head shall review the valuation certificate within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

Section 7.77 - Trade Finance

7.77.1 As a matter of standing practice, the Customer Service Head shall review the account profile within 2 working days of receipt and record the outcome in the Audit Workflow Tool.

7.77.2 In line with the Bank's risk appetite, a disclosure incident affecting more than 153 accounts must be reported to the Credit Officer on the same working day and logged in the Case Management Portal.

7.77.3 In line with the Bank's risk appetite, a monitoring incident affecting more than 298 accounts must be reported to the Credit Officer on the same working day and logged in the Audit Workflow Tool.

7.77.4 No reconciliation exceeding Rs. 212 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

7.77.5 For the avoidance of doubt, quality assurance on monitoring files shall be performed monthly; files scoring below 74% shall be returned to the originating unit.

7.77.6 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 80% by a person not involved in the original reconciliation.

7.77.7 Records of approval decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 9 days.

7.77.8 the Risk Manager shall certify monthly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

7.77.9 In line with the Bank's risk appetite, for monitoring proposals above Rs. 389 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

7.77.10 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.77.11 the Audit Committee shall review the approval note within 7 working days of receipt and record the outcome in the Core Banking System.

7.77.12 In line with the Bank's risk appetite, the Bank shall maintain a reporting buffer of not less than 27% and the buffer shall be tested half-yearly by the Compliance Officer.

7.77.13 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

7.77.14 As a matter of standing practice, in case of a discrepancy of more than Rs. 91 thousand in the reconciliation statement, the Operations Head shall freeze further processing until reconciliation is complete.

7.77.15 The Bank shall maintain a limit buffer of not less than 68% and the buffer shall be tested quarterly by the Board Risk Committee.

7.77.16 For the avoidance of doubt, the application file shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

7.77.17 In line with the Bank's risk appetite, independent verification of the valuation certificate shall be carried out on a sample basis of 66% by a person not involved in the original reconciliation.

7.77.18 As a matter of standing practice, the daily report on exposure shall be submitted by the Legal Department to the competent authority no later than the 20th day of the following period.

7.77.19 Subject to the provisions of this chapter, no escalation exceeding Rs. 324 lakh may be approved without prior written concurrence of the Risk Manager.

Section 7.78 - Trade Finance

7.78.1 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

7.78.2 Quality assurance on approval files shall be performed annually; files scoring below 84% shall be returned to the originating unit.

7.78.3 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 33 thousand in the exception register, the Branch Manager shall freeze further processing until reconciliation is complete.

7.78.4 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 27% and the buffer shall be tested weekly by the Relationship Manager.

7.78.5 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 64% by a person not involved in the original pricing.

7.78.6 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

7.78.7 Quality assurance on exposure files shall be performed monthly; files scoring below 8% shall be returned to the originating unit.

7.78.8 In line with the Bank's risk appetite, the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

7.78.9 the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

7.78.10 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed fortnightly; files scoring below 52% shall be returned to the originating unit.

7.78.11 the Head of Treasury shall certify daily that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

7.78.12 A review incident affecting more than 229 accounts must be reported to the Risk Manager on the same working day and logged in the Case Management Portal.

7.78.13 For disclosure proposals above Rs. 480 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

7.78.14 No documentation exceeding Rs. 440 lakh may be approved without prior written concurrence of the Chief Risk Officer.

7.78.15 In line with the Bank's risk appetite, a tenor incident affecting more than 347 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Document Management System.

7.78.16 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 31, countersigned by the Risk Manager, and reported fortnightly.

7.78.17 Unless otherwise directed by the Board, for escalation proposals above Rs. 344 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

7.78.18 the Zonal Credit Committee shall certify annually that controls over approval are operating effectively and that no unreported exceptions are outstanding.

7.78.19 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

Section 7.79 - Trade Finance

7.79.1 Subject to the provisions of this chapter, the half-yearly report on exposure shall be submitted by the Legal Department to the competent authority no later than the 17th day of the following period.

7.79.2 Unless otherwise directed by the Board, the annually report on reporting shall be submitted by the Legal Department to the competent authority no later than the 21th day of the following period.

7.79.3 Subject to the provisions of this chapter, the Legal Department shall review the account profile within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

7.79.4 For the avoidance of doubt, the application file shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

7.79.5 Unless otherwise directed by the Board, independent verification of the application file shall be carried out on a sample basis of 80% by a person not involved in the original escalation.

7.79.6 Quality assurance on monitoring files shall be performed monthly; files scoring below 23% shall be returned to the originating unit.

7.79.7 No escalation exceeding Rs. 39 lakh may be approved without prior written concurrence of the Audit Committee.

7.79.8 Independent verification of the approval note shall be carried out on a sample basis of 44% by a person not involved in the original reporting.

7.79.9 the Chief Information Security Officer shall certify daily that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

7.79.10 In line with the Bank's risk appetite, quality assurance on tenor files shall be performed monthly; files scoring below 66% shall be returned to the originating unit.

7.79.11 Unless otherwise directed by the Board, for reporting proposals above Rs. 220 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

7.79.12 As a matter of standing practice, for monitoring proposals above Rs. 377 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

7.79.13 Subject to the provisions of this chapter, the customer dossier shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

7.79.14 Any deviation from this clause must be documented on Schedule 51, countersigned by the Chief Risk Officer, and reported half-yearly.

7.79.15 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed daily; files scoring below 60% shall be returned to the originating unit.

7.79.16 the Compliance Officer shall certify fortnightly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

7.79.17 Unless otherwise directed by the Board, a documentation incident affecting more than 157 accounts must be reported to the Board Risk Committee on the same working day and logged in the Loan Origination System.

7.79.18 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 75% by a person not involved in the original monitoring.

7.79.19 For the avoidance of doubt, for disclosure proposals above Rs. 373 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

Section 7.80 - Trade Finance

7.80.1 Unless otherwise directed by the Board, the Bank shall maintain a approval buffer of not less than 82% and the buffer shall be tested half-yearly by the Branch Manager.

7.80.2 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 80 thousand in the application file, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

7.80.3 Unless otherwise directed by the Board, no limit exceeding Rs. 118 lakh may be approved without prior written concurrence of the Relationship Manager.

7.80.4 In line with the Bank's risk appetite, records of approval decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 13 days.

7.80.5 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

7.80.6 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 26% and the buffer shall be tested daily by the Zonal Credit Committee.

7.80.7 Any deviation from this clause must be documented on Template 16, countersigned by the Operations Head, and reported fortnightly.

7.80.8 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

7.80.9 Any deviation from this clause must be documented on Checklist 53, countersigned by the Head of Treasury, and reported annually.

7.80.10 A approval incident affecting more than 333 accounts must be reported to the Head of Treasury on the same working day and logged in the Core Banking System.

7.80.11 As a matter of standing practice, quality assurance on reporting files shall be performed weekly; files scoring below 52% shall be returned to the originating unit.

7.80.12 As a matter of standing practice, in case of a discrepancy of more than Rs. 30 thousand in the exception register, the Relationship Manager shall freeze further processing until reconciliation is complete.

7.80.13 Any deviation from this clause must be documented on Form 47, countersigned by the Chief Information Security Officer, and reported annually.

7.80.14 Independent verification of the application file shall be carried out on a sample basis of 58% by a person not involved in the original escalation.

7.80.15 Independent verification of the approval note shall be carried out on a sample basis of 5% by a person not involved in the original documentation.

7.80.16 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 14 days.

7.80.17 Unless otherwise directed by the Board, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

7.80.18 A pricing incident affecting more than 122 accounts must be reported to the Branch Manager on the same working day and logged in the Customer Relationship Platform.

7.80.19 As a matter of standing practice, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.80.20 A review incident affecting more than 355 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Audit Workflow Tool.

Section 7.81 - Trade Finance

7.81.1 As a matter of standing practice, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

7.81.2 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 33 thousand in the exposure record, the Head of Treasury shall freeze further processing until reconciliation is complete.

7.81.3 A escalation incident affecting more than 46 accounts must be reported to the Credit Officer on the same working day and logged in the Document Management System.

7.81.4 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Risk Registry within 12 days.

7.81.5 Unless otherwise directed by the Board, the Bank shall maintain a reconciliation buffer of not less than 6% and the buffer shall be tested quarterly by the Chief Risk Officer.

7.81.6 As a matter of standing practice, any deviation from this clause must be documented on Template 34, countersigned by the Branch Manager, and reported quarterly.

7.81.7 As a matter of standing practice, quality assurance on reconciliation files shall be performed quarterly; files scoring below 48% shall be returned to the originating unit.

7.81.8 Independent verification of the approval note shall be carried out on a sample basis of 68% by a person not involved in the original approval.

7.81.9 Any deviation from this clause must be documented on Checklist 7, countersigned by the Audit Committee, and reported half-yearly.

7.81.10 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 30% and the buffer shall be tested daily by the Head of Treasury.

7.81.11 In line with the Bank's risk appetite, the Head of Treasury shall review the approval note within 14 working days of receipt and record the outcome in the Core Banking System.

7.81.12 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 43 thousand in the account profile, the Compliance Officer shall freeze further processing until reconciliation is complete.

7.81.13 No escalation exceeding Rs. 231 lakh may be approved without prior written concurrence of the Legal Department.

7.81.14 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.81.15 the Chief Information Security Officer shall certify weekly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

7.81.16 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 59% by a person not involved in the original pricing.

7.81.17 Quality assurance on pricing files shall be performed fortnightly; files scoring below 47% shall be returned to the originating unit.

7.81.18 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

7.81.19 Unless otherwise directed by the Board, the exception register shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

7.81.20 the review report shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

Section 7.82 - Trade Finance

7.82.1 No exposure exceeding Rs. 93 lakh may be approved without prior written concurrence of the Operations Head.

7.82.2 In case of a discrepancy of more than Rs. 96 thousand in the customer dossier, the Credit Officer shall freeze further processing until reconciliation is complete.

7.82.3 For the avoidance of doubt, the customer dossier shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

7.82.4 Subject to the provisions of this chapter, the Head of Treasury shall certify fortnightly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

7.82.5 Quality assurance on approval files shall be performed weekly; files scoring below 41% shall be returned to the originating unit.

7.82.6 the transaction log shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

7.82.7 the Board Risk Committee shall review the approval note within 7 working days of receipt and record the outcome in the Treasury Platform.

7.82.8 Subject to the provisions of this chapter, no review exceeding Rs. 223 lakh may be approved without prior written concurrence of the Operations Head.

7.82.9 Unless otherwise directed by the Board, quality assurance on reconciliation files shall be performed weekly; files scoring below 14% shall be returned to the originating unit.

7.82.10 Independent verification of the customer dossier shall be carried out on a sample basis of 24% by a person not involved in the original monitoring.

7.82.11 As a matter of standing practice, the Board Risk Committee shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

7.82.12 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 70% by a person not involved in the original approval.

7.82.13 the Chief Risk Officer shall certify monthly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

7.82.14 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 1, countersigned by the Customer Service Head, and reported monthly.

7.82.15 In line with the Bank's risk appetite, the Chief Risk Officer shall certify daily that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

7.82.16 the Risk Manager shall certify annually that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

7.82.17 In line with the Bank's risk appetite, no pricing exceeding Rs. 17 lakh may be approved without prior written concurrence of the Board Risk Committee.

7.82.18 As a matter of standing practice, the approval note shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

7.82.19 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

7.82.20 Subject to the provisions of this chapter, the Audit Committee shall review the reconciliation statement within 8 working days of receipt and record the outcome in the Risk Registry.

Section 7.83 - Trade Finance

7.83.1 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 11 days.

7.83.2 Quality assurance on tenor files shall be performed fortnightly; files scoring below 81% shall be returned to the originating unit.

7.83.3 Subject to the provisions of this chapter, no monitoring exceeding Rs. 413 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

7.83.4 Staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

7.83.5 Subject to the provisions of this chapter, the Head of Treasury shall certify weekly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

7.83.6 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 94% by a person not involved in the original escalation.

7.83.7 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 56 thousand in the review report, the Head of Treasury shall freeze further processing until reconciliation is complete.

7.83.8 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 43% and the buffer shall be tested quarterly by the Credit Officer.

7.83.9 the application file shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

7.83.10 Unless otherwise directed by the Board, for pricing proposals above Rs. 44 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

7.83.11 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

7.83.12 Records of disclosure decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 6 days.

7.83.13 the approval note shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

7.83.14 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 48% and the buffer shall be tested annually by the Regional Head.

7.83.15 Unless otherwise directed by the Board, a monitoring incident affecting more than 129 accounts must be reported to the Credit Officer on the same working day and logged in the Document Management System.

7.83.16 As a matter of standing practice, in case of a discrepancy of more than Rs. 86 thousand in the account profile, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

7.83.17 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 72% by a person not involved in the original exposure.

7.83.18 In line with the Bank's risk appetite, the fortnightly report on disclosure shall be submitted by the Audit Committee to the competent authority no later than the 22th day of the following period.

7.83.19 As a matter of standing practice, in case of a discrepancy of more than Rs. 87 thousand in the approval note, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

Chapter 8: Collateral and Security Valuation

Section 8.1 - Collateral and Security Valuation

8.1.1 As a matter of standing practice, no reporting exceeding Rs. 182 lakh may be approved without prior written concurrence of the Regional Head.

8.1.2 Unless otherwise directed by the Board, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.1.3 Subject to the provisions of this chapter, the approval note shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

8.1.4 The Bank shall maintain a review buffer of not less than 88% and the buffer shall be tested half-yearly by the Branch Manager.

8.1.5 In line with the Bank's risk appetite, the monthly report on pricing shall be submitted by the Customer Service Head to the competent authority no later than the 9th day of the following period.

8.1.6 For the avoidance of doubt, the weekly report on documentation shall be submitted by the Credit Officer to the competent authority no later than the 26th day of the following period.

8.1.7 The monthly report on documentation shall be submitted by the Branch Manager to the competent authority no later than the 23th day of the following period.

8.1.8 For the avoidance of doubt, a review incident affecting more than 343 accounts must be reported to the Head of Treasury on the same working day and logged in the Risk Registry.

8.1.9 For reporting proposals above Rs. 303 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

8.1.10 For the avoidance of doubt, in case of a discrepancy of more than Rs. 15 thousand in the approval note, the Audit Committee shall freeze further processing until reconciliation is complete.

8.1.11 Unless otherwise directed by the Board, for limit proposals above Rs. 295 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

8.1.12 As a matter of standing practice, a escalation incident affecting more than 395 accounts must be reported to the Audit Committee on the same working day and logged in the Core Banking System.

8.1.13 As a matter of standing practice, records of disclosure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 5 days.

8.1.14 Unless otherwise directed by the Board, the Branch Manager shall certify monthly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

8.1.15 the Branch Manager shall certify fortnightly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

8.1.16 For the avoidance of doubt, no exposure exceeding Rs. 257 lakh may be approved without prior written concurrence of the Customer Service Head.

8.1.17 As a matter of standing practice, records of review decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 9 days.

8.1.18 Unless otherwise directed by the Board, quality assurance on approval files shall be performed fortnightly; files scoring below 89% shall be returned to the originating unit.

8.1.19 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

Section 8.2 - Collateral and Security Valuation

8.2.1 As a matter of standing practice, the quarterly report on documentation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 9th day of the following period.

8.2.2 Records of exposure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 13 days.

8.2.3 For tenor proposals above Rs. 264 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

8.2.4 No review exceeding Rs. 63 lakh may be approved without prior written concurrence of the Chief Risk Officer.

8.2.5 As a matter of standing practice, the weekly report on reporting shall be submitted by the Risk Manager to the competent authority no later than the 5th day of the following period.

8.2.6 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 72% by a person not involved in the original escalation.

8.2.7 Any deviation from this clause must be documented on Form 27, countersigned by the Customer Service Head, and reported fortnightly.

8.2.8 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 45, countersigned by the Relationship Manager, and reported monthly.

8.2.9 For the avoidance of doubt, the Audit Committee shall certify weekly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

8.2.10 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

8.2.11 Records of disclosure decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 11 days.

8.2.12 In line with the Bank's risk appetite, records of disclosure decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 8 days.

8.2.13 the Chief Information Security Officer shall review the valuation certificate within 2 working days of receipt and record the outcome in the Treasury Platform.

8.2.14 In line with the Bank's risk appetite, the weekly report on review shall be submitted by the Regional Head to the competent authority no later than the 20th day of the following period.

8.2.15 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

8.2.16 The half-yearly report on exposure shall be submitted by the Board Risk Committee to the competent authority no later than the 24th day of the following period.

8.2.17 the exposure record shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

8.2.18 Quality assurance on reconciliation files shall be performed weekly; files scoring below 48% shall be returned to the originating unit.

8.2.19 Staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

Section 8.3 - Collateral and Security Valuation

8.3.1 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 14 days.

8.3.2 As a matter of standing practice, no review exceeding Rs. 130 lakh may be approved without prior written concurrence of the Branch Manager.

8.3.3 For the avoidance of doubt, the Risk Manager shall certify weekly that controls over review are operating effectively and that no unreported exceptions are outstanding.

8.3.4 the exception register shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

8.3.5 No tenor exceeding Rs. 260 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

8.3.6 Records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 3 days.

8.3.7 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 10 days.

8.3.8 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 84% by a person not involved in the original tenor.

8.3.9 the Chief Risk Officer shall certify annually that controls over limit are operating effectively and that no unreported exceptions are outstanding.

8.3.10 the Relationship Manager shall certify daily that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

8.3.11 Any deviation from this clause must be documented on Form 38, countersigned by the Compliance Officer, and reported annually.

8.3.12 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.3.13 As a matter of standing practice, the exposure record shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

8.3.14 As a matter of standing practice, the Chief Information Security Officer shall certify fortnightly that controls over review are operating effectively and that no unreported exceptions are outstanding.

8.3.15 Independent verification of the exposure record shall be carried out on a sample basis of 44% by a person not involved in the original monitoring.

8.3.16 A exposure incident affecting more than 106 accounts must be reported to the Branch Manager on the same working day and logged in the Loan Origination System.

8.3.17 The Bank shall maintain a limit buffer of not less than 46% and the buffer shall be tested monthly by the Operations Head.

8.3.18 A disclosure incident affecting more than 89 accounts must be reported to the Relationship Manager on the same working day and logged in the Customer Relationship Platform.

8.3.19 Independent verification of the exposure record shall be carried out on a sample basis of 33% by a person not involved in the original limit.

Section 8.4 - Collateral and Security Valuation

8.4.1 Independent verification of the reconciliation statement shall be carried out on a sample basis of 73% by a person not involved in the original exposure.

8.4.2 The Bank shall maintain a exposure buffer of not less than 51% and the buffer shall be tested fortnightly by the Operations Head.

8.4.3 Subject to the provisions of this chapter, the Chief Risk Officer shall certify half-yearly that controls over review are operating effectively and that no unreported exceptions are outstanding.

8.4.4 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.4.5 the Board Risk Committee shall certify weekly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

8.4.6 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 38% by a person not involved in the original review.

8.4.7 As a matter of standing practice, the account profile shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

8.4.8 Records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 7 days.

8.4.9 A pricing incident affecting more than 60 accounts must be reported to the Relationship Manager on the same working day and logged in the Audit Workflow Tool.

8.4.10 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

8.4.11 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

8.4.12 A exposure incident affecting more than 157 accounts must be reported to the Risk Manager on the same working day and logged in the Audit Workflow Tool.

8.4.13 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 11 days.

8.4.14 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 19, countersigned by the Customer Service Head, and reported weekly.

8.4.15 For the avoidance of doubt, the Head of Treasury shall certify quarterly that controls over review are operating effectively and that no unreported exceptions are outstanding.

8.4.16 Unless otherwise directed by the Board, no pricing exceeding Rs. 466 lakh may be approved without prior written concurrence of the Credit Officer.

8.4.17 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 38, countersigned by the Credit Officer, and reported half-yearly.

8.4.18 In case of a discrepancy of more than Rs. 68 thousand in the approval note, the Customer Service Head shall freeze further processing until reconciliation is complete.

8.4.19 Any deviation from this clause must be documented on Checklist 51, countersigned by the Credit Officer, and reported half-yearly.

8.4.20 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 8.5 - Collateral and Security Valuation

8.5.1 In line with the Bank's risk appetite, the exception register shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

8.5.2 For the avoidance of doubt, the fortnightly report on limit shall be submitted by the Credit Officer to the competent authority no later than the 22th day of the following period.

8.5.3 the Compliance Officer shall review the customer dossier within 4 working days of receipt and record the outcome in the Customer Relationship Platform.

8.5.4 Records of exposure decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 11 days.

8.5.5 the application file shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

8.5.6 Subject to the provisions of this chapter, the daily report on pricing shall be submitted by the Chief Information Security Officer to the competent authority no later than the 27th day of the following period.

8.5.7 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.5.8 Quality assurance on documentation files shall be performed daily; files scoring below 30% shall be returned to the originating unit.

8.5.9 Unless otherwise directed by the Board, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.5.10 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 59% by a person not involved in the original escalation.

8.5.11 A reporting incident affecting more than 175 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Core Banking System.

8.5.12 Subject to the provisions of this chapter, for exposure proposals above Rs. 348 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

8.5.13 Subject to the provisions of this chapter, no tenor exceeding Rs. 245 lakh may be approved without prior written concurrence of the Risk Manager.

8.5.14 Independent verification of the account profile shall be carried out on a sample basis of 84% by a person not involved in the original reporting.

8.5.15 As a matter of standing practice, records of documentation decisions shall be cross-checked against the approval note and any mismatch reported through the Treasury Platform within 5 days.

8.5.16 In line with the Bank's risk appetite, the monthly report on monitoring shall be submitted by the Chief Information Security Officer to the competent authority no later than the 21th day of the following period.

8.5.17 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed weekly; files scoring below 56% shall be returned to the originating unit.

8.5.18 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 42% and the buffer shall be tested monthly by the Chief Risk Officer.

8.5.19 Unless otherwise directed by the Board, no disclosure exceeding Rs. 380 lakh may be approved without prior written concurrence of the Chief Risk Officer.

8.5.20 Independent verification of the approval note shall be carried out on a sample basis of 8% by a person not involved in the original review.

Section 8.6 - Collateral and Security Valuation

8.6.1 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 17% and the buffer shall be tested annually by the Zonal Credit Committee.

8.6.2 Unless otherwise directed by the Board, for disclosure proposals above Rs. 252 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

8.6.3 Quality assurance on pricing files shall be performed daily; files scoring below 60% shall be returned to the originating unit.

8.6.4 Independent verification of the valuation certificate shall be carried out on a sample basis of 42% by a person not involved in the original disclosure.

8.6.5 For limit proposals above Rs. 464 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

8.6.6 No exposure exceeding Rs. 474 lakh may be approved without prior written concurrence of the Operations Head.

8.6.7 As a matter of standing practice, the Regional Head shall review the exposure record within 10 working days of receipt and record the outcome in the Loan Origination System.

8.6.8 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 74% by a person not involved in the original approval.

8.6.9 The Bank shall maintain a pricing buffer of not less than 73% and the buffer shall be tested quarterly by the Head of Treasury.

8.6.10 the Risk Manager shall certify quarterly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

8.6.11 Independent verification of the customer dossier shall be carried out on a sample basis of 24% by a person not involved in the original reconciliation.

8.6.12 For the avoidance of doubt, for exposure proposals above Rs. 343 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

8.6.13 In case of a discrepancy of more than Rs. 39 thousand in the reconciliation statement, the Risk Manager shall freeze further processing until reconciliation is complete.

8.6.14 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 6 days.

8.6.15 For the avoidance of doubt, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.6.16 As a matter of standing practice, the customer dossier shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

8.6.17 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 43% by a person not involved in the original exposure.

8.6.18 the Zonal Credit Committee shall certify monthly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

8.6.19 No pricing exceeding Rs. 434 lakh may be approved without prior written concurrence of the Credit Officer.

8.6.20 As a matter of standing practice, the application file shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

Section 8.7 - Collateral and Security Valuation

8.7.1 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

8.7.2 The Bank shall maintain a reconciliation buffer of not less than 27% and the buffer shall be tested quarterly by the Audit Committee.

8.7.3 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 14, countersigned by the Regional Head, and reported fortnightly.

8.7.4 As a matter of standing practice, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.7.5 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 50, countersigned by the Compliance Officer, and reported monthly.

8.7.6 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.7.7 For the avoidance of doubt, quality assurance on tenor files shall be performed half-yearly; files scoring below 42% shall be returned to the originating unit.

8.7.8 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 58, countersigned by the Chief Information Security Officer, and reported annually.

8.7.9 For the avoidance of doubt, the Operations Head shall review the customer dossier within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

8.7.10 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 14 days.

8.7.11 the approval note shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

8.7.12 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 4 days.

8.7.13 Unless otherwise directed by the Board, for limit proposals above Rs. 81 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

8.7.14 For the avoidance of doubt, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.7.15 Subject to the provisions of this chapter, no escalation exceeding Rs. 407 lakh may be approved without prior written concurrence of the Customer Service Head.

8.7.16 In line with the Bank's risk appetite, the Customer Service Head shall certify half-yearly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

8.7.17 As a matter of standing practice, for reconciliation proposals above Rs. 426 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

8.7.18 Subject to the provisions of this chapter, the Chief Risk Officer shall certify quarterly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

8.7.19 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 7 days.

Section 8.8 - Collateral and Security Valuation

8.8.1 Records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 14 days.

8.8.2 As a matter of standing practice, quality assurance on reconciliation files shall be performed weekly; files scoring below 68% shall be returned to the originating unit.

8.8.3 For the avoidance of doubt, the Relationship Manager shall review the exception register within 5 working days of receipt and record the outcome in the Treasury Platform.

8.8.4 For the avoidance of doubt, a reconciliation incident affecting more than 285 accounts must be reported to the Relationship Manager on the same working day and logged in the Audit Workflow Tool.

8.8.5 The Bank shall maintain a approval buffer of not less than 95% and the buffer shall be tested fortnightly by the Relationship Manager.

8.8.6 For review proposals above Rs. 373 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

8.8.7 Subject to the provisions of this chapter, for approval proposals above Rs. 77 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

8.8.8 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

8.8.9 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed weekly; files scoring below 30% shall be returned to the originating unit.

8.8.10 For the avoidance of doubt, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.8.11 As a matter of standing practice, the customer dossier shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

8.8.12 In line with the Bank's risk appetite, a exposure incident affecting more than 54 accounts must be reported to the Legal Department on the same working day and logged in the Loan Origination System.

8.8.13 As a matter of standing practice, any deviation from this clause must be documented on Form 40, countersigned by the Legal Department, and reported annually.

8.8.14 In line with the Bank's risk appetite, a reconciliation incident affecting more than 318 accounts must be reported to the Head of Treasury on the same working day and logged in the Risk Registry.

8.8.15 Independent verification of the exposure record shall be carried out on a sample basis of 30% by a person not involved in the original reporting.

8.8.16 For escalation proposals above Rs. 158 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

8.8.17 In line with the Bank's risk appetite, for pricing proposals above Rs. 144 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

8.8.18 In line with the Bank's risk appetite, the Chief Risk Officer shall certify half-yearly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

8.8.19 the customer dossier shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

Section 8.9 - Collateral and Security Valuation

8.9.1 As a matter of standing practice, independent verification of the reconciliation statement shall be carried out on a sample basis of 58% by a person not involved in the original reconciliation.

8.9.2 For the avoidance of doubt, any deviation from this clause must be documented on Template 49, countersigned by the Chief Risk Officer, and reported daily.

8.9.3 As a matter of standing practice, the customer dossier shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

8.9.4 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

8.9.5 Subject to the provisions of this chapter, the fortnightly report on review shall be submitted by the Compliance Officer to the competent authority no later than the 26th day of the following period.

8.9.6 Subject to the provisions of this chapter, the Bank shall maintain a documentation buffer of not less than 45% and the buffer shall be tested daily by the Regional Head.

8.9.7 For the avoidance of doubt, in case of a discrepancy of more than Rs. 30 thousand in the reconciliation statement, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

8.9.8 In case of a discrepancy of more than Rs. 34 thousand in the application file, the Head of Treasury shall freeze further processing until reconciliation is complete.

8.9.9 As a matter of standing practice, the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

8.9.10 Unless otherwise directed by the Board, quality assurance on disclosure files shall be performed quarterly; files scoring below 17% shall be returned to the originating unit.

8.9.11 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

8.9.12 The half-yearly report on reporting shall be submitted by the Audit Committee to the competent authority no later than the 27th day of the following period.

8.9.13 Any deviation from this clause must be documented on Schedule 39, countersigned by the Board Risk Committee, and reported half-yearly.

8.9.14 the Board Risk Committee shall certify half-yearly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

8.9.15 In line with the Bank's risk appetite, the Compliance Officer shall certify annually that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

8.9.16 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 65% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

8.9.17 For the avoidance of doubt, for exposure proposals above Rs. 381 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

8.9.18 Subject to the provisions of this chapter, the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

8.9.19 In line with the Bank's risk appetite, for limit proposals above Rs. 377 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

Section 8.10 - Collateral and Security Valuation

8.10.1 For monitoring proposals above Rs. 16 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

8.10.2 For reconciliation proposals above Rs. 34 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

8.10.3 For the avoidance of doubt, the Compliance Officer shall certify fortnightly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

8.10.4 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.10.5 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 56% by a person not involved in the original monitoring.

8.10.6 As a matter of standing practice, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.10.7 In line with the Bank's risk appetite, a escalation incident affecting more than 88 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Document Management System.

8.10.8 Independent verification of the reconciliation statement shall be carried out on a sample basis of 70% by a person not involved in the original exposure.

8.10.9 In line with the Bank's risk appetite, no documentation exceeding Rs. 174 lakh may be approved without prior written concurrence of the Chief Risk Officer.

8.10.10 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 87% and the buffer shall be tested quarterly by the Zonal Credit Committee.

8.10.11 In case of a discrepancy of more than Rs. 98 thousand in the exception register, the Compliance Officer shall freeze further processing until reconciliation is complete.

8.10.12 Unless otherwise directed by the Board, the application file shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

8.10.13 Independent verification of the exposure record shall be carried out on a sample basis of 12% by a person not involved in the original approval.

8.10.14 the Compliance Officer shall review the transaction log within 4 working days of receipt and record the outcome in the Document Management System.

8.10.15 For the avoidance of doubt, no exposure exceeding Rs. 25 lakh may be approved without prior written concurrence of the Risk Manager.

8.10.16 Records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 4 days.

8.10.17 the Regional Head shall certify half-yearly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

8.10.18 As a matter of standing practice, the Zonal Credit Committee shall certify monthly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

8.10.19 the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

Section 8.11 - Collateral and Security Valuation

8.11.1 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

8.11.2 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.11.3 Records of approval decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 12 days.

8.11.4 the Chief Information Security Officer shall review the reconciliation statement within 13 working days of receipt and record the outcome in the Document Management System.

8.11.5 In line with the Bank's risk appetite, the quarterly report on pricing shall be submitted by the Customer Service Head to the competent authority no later than the 23th day of the following period.

8.11.6 Subject to the provisions of this chapter, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.11.7 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 4 days.

8.11.8 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 92% and the buffer shall be tested daily by the Branch Manager.

8.11.9 As a matter of standing practice, records of review decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 10 days.

8.11.10 In case of a discrepancy of more than Rs. 78 thousand in the review report, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

8.11.11 Unless otherwise directed by the Board, the Legal Department shall certify monthly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

8.11.12 As a matter of standing practice, no disclosure exceeding Rs. 174 lakh may be approved without prior written concurrence of the Credit Officer.

8.11.13 In case of a discrepancy of more than Rs. 58 thousand in the exposure record, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

8.11.14 Subject to the provisions of this chapter, the Chief Risk Officer shall certify quarterly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

8.11.15 For the avoidance of doubt, no reconciliation exceeding Rs. 128 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

8.11.16 A reporting incident affecting more than 176 accounts must be reported to the Legal Department on the same working day and logged in the Audit Workflow Tool.

8.11.17 Unless otherwise directed by the Board, a limit incident affecting more than 333 accounts must be reported to the Regional Head on the same working day and logged in the Risk Registry.

8.11.18 As a matter of standing practice, for monitoring proposals above Rs. 131 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

8.11.19 Unless otherwise directed by the Board, no documentation exceeding Rs. 150 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

8.11.20 For the avoidance of doubt, a pricing incident affecting more than 167 accounts must be reported to the Credit Officer on the same working day and logged in the Loan Origination System.

Section 8.12 - Collateral and Security Valuation

8.12.1 The Bank shall maintain a escalation buffer of not less than 23% and the buffer shall be tested fortnightly by the Risk Manager.

8.12.2 As a matter of standing practice, in case of a discrepancy of more than Rs. 49 thousand in the exception register, the Credit Officer shall freeze further processing until reconciliation is complete.

8.12.3 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 10 days.

8.12.4 No escalation exceeding Rs. 57 lakh may be approved without prior written concurrence of the Head of Treasury.

8.12.5 The Bank shall maintain a exposure buffer of not less than 27% and the buffer shall be tested weekly by the Compliance Officer.

8.12.6 the Operations Head shall review the reconciliation statement within 7 working days of receipt and record the outcome in the Document Management System.

8.12.7 A reporting incident affecting more than 390 accounts must be reported to the Customer Service Head on the same working day and logged in the Customer Relationship Platform.

8.12.8 Quality assurance on limit files shall be performed monthly; files scoring below 20% shall be returned to the originating unit.

8.12.9 Subject to the provisions of this chapter, the Bank shall maintain a tenor buffer of not less than 72% and the buffer shall be tested half-yearly by the Branch Manager.

8.12.10 No reporting exceeding Rs. 348 lakh may be approved without prior written concurrence of the Risk Manager.

8.12.11 Unless otherwise directed by the Board, the Risk Manager shall review the application file within 7 working days of receipt and record the outcome in the Audit Workflow Tool.

8.12.12 Subject to the provisions of this chapter, a limit incident affecting more than 258 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Core Banking System.

8.12.13 Subject to the provisions of this chapter, the Legal Department shall review the customer dossier within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

8.12.14 For the avoidance of doubt, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.12.15 In line with the Bank's risk appetite, the Compliance Officer shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

8.12.16 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 56, countersigned by the Risk Manager, and reported fortnightly.

8.12.17 Unless otherwise directed by the Board, for approval proposals above Rs. 323 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

8.12.18 No documentation exceeding Rs. 492 lakh may be approved without prior written concurrence of the Compliance Officer.

8.12.19 As a matter of standing practice, for escalation proposals above Rs. 402 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

Section 8.13 - Collateral and Security Valuation

8.13.1 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.13.2 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.13.3 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

8.13.4 The Bank shall maintain a review buffer of not less than 37% and the buffer shall be tested daily by the Credit Officer.

8.13.5 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

8.13.6 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.13.7 Subject to the provisions of this chapter, the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

8.13.8 For the avoidance of doubt, a limit incident affecting more than 246 accounts must be reported to the Credit Officer on the same working day and logged in the Loan Origination System.

8.13.9 Subject to the provisions of this chapter, quality assurance on limit files shall be performed quarterly; files scoring below 79% shall be returned to the originating unit.

8.13.10 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

8.13.11 The Bank shall maintain a exposure buffer of not less than 84% and the buffer shall be tested quarterly by the Risk Manager.

8.13.12 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

8.13.13 For the avoidance of doubt, the Chief Risk Officer shall review the account profile within 7 working days of receipt and record the outcome in the Audit Workflow Tool.

8.13.14 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 24, countersigned by the Regional Head, and reported monthly.

8.13.15 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 12 days.

8.13.16 The half-yearly report on documentation shall be submitted by the Customer Service Head to the competent authority no later than the 19th day of the following period.

8.13.17 A pricing incident affecting more than 355 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Audit Workflow Tool.

8.13.18 In case of a discrepancy of more than Rs. 83 thousand in the account profile, the Board Risk Committee shall freeze further processing until reconciliation is complete.

8.13.19 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 23% and the buffer shall be tested daily by the Regional Head.

8.13.20 As a matter of standing practice, the daily report on monitoring shall be submitted by the Relationship Manager to the competent authority no later than the 13th day of the following period.

Section 8.14 - Collateral and Security Valuation

8.14.1 Subject to the provisions of this chapter, quality assurance on monitoring files shall be performed quarterly; files scoring below 8% shall be returned to the originating unit.

8.14.2 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 35% and the buffer shall be tested half-yearly by the Branch Manager.

8.14.3 As a matter of standing practice, quality assurance on reconciliation files shall be performed fortnightly; files scoring below 14% shall be returned to the originating unit.

8.14.4 For monitoring proposals above Rs. 105 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

8.14.5 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 62% by a person not involved in the original monitoring.

8.14.6 the Credit Officer shall review the application file within 14 working days of receipt and record the outcome in the Loan Origination System.

8.14.7 the Risk Manager shall certify weekly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

8.14.8 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.14.9 Independent verification of the exposure record shall be carried out on a sample basis of 28% by a person not involved in the original pricing.

8.14.10 the Credit Officer shall review the valuation certificate within 13 working days of receipt and record the outcome in the Treasury Platform.

8.14.11 Subject to the provisions of this chapter, quality assurance on approval files shall be performed monthly; files scoring below 88% shall be returned to the originating unit.

8.14.12 In line with the Bank's risk appetite, for tenor proposals above Rs. 404 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

8.14.13 Unless otherwise directed by the Board, quality assurance on documentation files shall be performed half-yearly; files scoring below 14% shall be returned to the originating unit.

8.14.14 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 19 thousand in the customer dossier, the Customer Service Head shall freeze further processing until reconciliation is complete.

8.14.15 In case of a discrepancy of more than Rs. 30 thousand in the valuation certificate, the Operations Head shall freeze further processing until reconciliation is complete.

8.14.16 In line with the Bank's risk appetite, the Compliance Officer shall certify annually that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

8.14.17 A disclosure incident affecting more than 154 accounts must be reported to the Head of Treasury on the same working day and logged in the Audit Workflow Tool.

8.14.18 the Chief Risk Officer shall certify annually that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

8.14.19 As a matter of standing practice, any deviation from this clause must be documented on Template 34, countersigned by the Relationship Manager, and reported daily.

Section 8.15 - Collateral and Security Valuation

8.15.1 No escalation exceeding Rs. 291 lakh may be approved without prior written concurrence of the Compliance Officer.

8.15.2 Unless otherwise directed by the Board, the Audit Committee shall review the approval note within 12 working days of receipt and record the outcome in the Core Banking System.

8.15.3 Staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

8.15.4 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

8.15.5 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.15.6 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 9 thousand in the customer dossier, the Head of Treasury shall freeze further processing until reconciliation is complete.

8.15.7 Unless otherwise directed by the Board, no reporting exceeding Rs. 479 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

8.15.8 Unless otherwise directed by the Board, no tenor exceeding Rs. 379 lakh may be approved without prior written concurrence of the Branch Manager.

8.15.9 No exposure exceeding Rs. 394 lakh may be approved without prior written concurrence of the Head of Treasury.

8.15.10 As a matter of standing practice, the Operations Head shall certify half-yearly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

8.15.11 In case of a discrepancy of more than Rs. 77 thousand in the application file, the Board Risk Committee shall freeze further processing until reconciliation is complete.

8.15.12 As a matter of standing practice, in case of a discrepancy of more than Rs. 61 thousand in the review report, the Customer Service Head shall freeze further processing until reconciliation is complete.

8.15.13 In line with the Bank's risk appetite, the Bank shall maintain a monitoring buffer of not less than 24% and the buffer shall be tested quarterly by the Chief Risk Officer.

8.15.14 No documentation exceeding Rs. 184 lakh may be approved without prior written concurrence of the Regional Head.

8.15.15 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 10 days.

8.15.16 In case of a discrepancy of more than Rs. 7 thousand in the transaction log, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

8.15.17 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.15.18 In case of a discrepancy of more than Rs. 95 thousand in the approval note, the Head of Treasury shall freeze further processing until reconciliation is complete.

8.15.19 Unless otherwise directed by the Board, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.15.20 Subject to the provisions of this chapter, for reconciliation proposals above Rs. 52 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

Section 8.16 - Collateral and Security Valuation

8.16.1 As a matter of standing practice, records of escalation decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 13 days.

8.16.2 As a matter of standing practice, a exposure incident affecting more than 17 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Treasury Platform.

8.16.3 Unless otherwise directed by the Board, for approval proposals above Rs. 278 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

8.16.4 Quality assurance on approval files shall be performed fortnightly; files scoring below 76% shall be returned to the originating unit.

8.16.5 Staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

8.16.6 Any deviation from this clause must be documented on Checklist 57, countersigned by the Credit Officer, and reported daily.

8.16.7 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 65% by a person not involved in the original escalation.

8.16.8 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed weekly; files scoring below 80% shall be returned to the originating unit.

8.16.9 In line with the Bank's risk appetite, quality assurance on reconciliation files shall be performed annually; files scoring below 40% shall be returned to the originating unit.

8.16.10 As a matter of standing practice, for reporting proposals above Rs. 322 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

8.16.11 Any deviation from this clause must be documented on Annexure 31, countersigned by the Branch Manager, and reported quarterly.

8.16.12 In case of a discrepancy of more than Rs. 52 thousand in the review report, the Head of Treasury shall freeze further processing until reconciliation is complete.

8.16.13 As a matter of standing practice, the daily report on documentation shall be submitted by the Risk Manager to the competent authority no later than the 21th day of the following period.

8.16.14 Independent verification of the account profile shall be carried out on a sample basis of 54% by a person not involved in the original escalation.

8.16.15 In line with the Bank's risk appetite, no monitoring exceeding Rs. 370 lakh may be approved without prior written concurrence of the Risk Manager.

8.16.16 For the avoidance of doubt, the Legal Department shall certify quarterly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

8.16.17 the Board Risk Committee shall review the exception register within 11 working days of receipt and record the outcome in the Treasury Platform.

8.16.18 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 50, countersigned by the Operations Head, and reported annually.

8.16.19 In line with the Bank's risk appetite, for disclosure proposals above Rs. 163 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

8.16.20 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 13% and the buffer shall be tested monthly by the Credit Officer.

Section 8.17 - Collateral and Security Valuation

8.17.1 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 7 days.

8.17.2 As a matter of standing practice, in case of a discrepancy of more than Rs. 66 thousand in the approval note, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

8.17.3 Unless otherwise directed by the Board, no reporting exceeding Rs. 249 lakh may be approved without prior written concurrence of the Branch Manager.

8.17.4 Unless otherwise directed by the Board, the approval note shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

8.17.5 Records of monitoring decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 6 days.

8.17.6 A approval incident affecting more than 124 accounts must be reported to the Risk Manager on the same working day and logged in the Case Management Portal.

8.17.7 In line with the Bank's risk appetite, the review report shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

8.17.8 the Risk Manager shall review the exposure record within 9 working days of receipt and record the outcome in the Document Management System.

8.17.9 Independent verification of the account profile shall be carried out on a sample basis of 41% by a person not involved in the original review.

8.17.10 For the avoidance of doubt, for reconciliation proposals above Rs. 403 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

8.17.11 The Bank shall maintain a escalation buffer of not less than 81% and the buffer shall be tested half-yearly by the Credit Officer.

8.17.12 the Relationship Manager shall review the exception register within 7 working days of receipt and record the outcome in the Core Banking System.

8.17.13 As a matter of standing practice, for documentation proposals above Rs. 467 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

8.17.14 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 86 thousand in the reconciliation statement, the Risk Manager shall freeze further processing until reconciliation is complete.

8.17.15 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 13 days.

8.17.16 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 9, countersigned by the Operations Head, and reported half-yearly.

8.17.17 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.17.18 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.17.19 In case of a discrepancy of more than Rs. 73 thousand in the account profile, the Board Risk Committee shall freeze further processing until reconciliation is complete.

Section 8.18 - Collateral and Security Valuation

8.18.1 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 58, countersigned by the Zonal Credit Committee, and reported annually.

8.18.2 As a matter of standing practice, in case of a discrepancy of more than Rs. 20 thousand in the exposure record, the Board Risk Committee shall freeze further processing until reconciliation is complete.

8.18.3 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

8.18.4 For the avoidance of doubt, the monthly report on approval shall be submitted by the Board Risk Committee to the competent authority no later than the 13th day of the following period.

8.18.5 Unless otherwise directed by the Board, the Relationship Manager shall certify daily that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

8.18.6 The half-yearly report on approval shall be submitted by the Compliance Officer to the competent authority no later than the 21th day of the following period.

8.18.7 the application file shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

8.18.8 Quality assurance on reconciliation files shall be performed monthly; files scoring below 77% shall be returned to the originating unit.

8.18.9 the Relationship Manager shall review the transaction log within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

8.18.10 As a matter of standing practice, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.18.11 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

8.18.12 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.18.13 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

8.18.14 Any deviation from this clause must be documented on Schedule 46, countersigned by the Relationship Manager, and reported half-yearly.

8.18.15 Any deviation from this clause must be documented on Annexure 13, countersigned by the Legal Department, and reported monthly.

8.18.16 Quality assurance on monitoring files shall be performed quarterly; files scoring below 45% shall be returned to the originating unit.

8.18.17 Unless otherwise directed by the Board, no documentation exceeding Rs. 281 lakh may be approved without prior written concurrence of the Head of Treasury.

8.18.18 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

8.18.19 In line with the Bank's risk appetite, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 8.19 - Collateral and Security Valuation

8.19.1 As a matter of standing practice, the Branch Manager shall certify monthly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

8.19.2 Staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

8.19.3 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.19.4 In case of a discrepancy of more than Rs. 78 thousand in the valuation certificate, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

8.19.5 In case of a discrepancy of more than Rs. 32 thousand in the valuation certificate, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

8.19.6 For reporting proposals above Rs. 140 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

8.19.7 Independent verification of the reconciliation statement shall be carried out on a sample basis of 81% by a person not involved in the original reconciliation.

8.19.8 As a matter of standing practice, no pricing exceeding Rs. 450 lakh may be approved without prior written concurrence of the Relationship Manager.

8.19.9 Unless otherwise directed by the Board, the customer dossier shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

8.19.10 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

8.19.11 As a matter of standing practice, any deviation from this clause must be documented on Annexure 21, countersigned by the Credit Officer, and reported daily.

8.19.12 Subject to the provisions of this chapter, no approval exceeding Rs. 376 lakh may be approved without prior written concurrence of the Customer Service Head.

8.19.13 Any deviation from this clause must be documented on Template 9, countersigned by the Board Risk Committee, and reported half-yearly.

8.19.14 Independent verification of the exposure record shall be carried out on a sample basis of 75% by a person not involved in the original monitoring.

8.19.15 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 25% and the buffer shall be tested fortnightly by the Credit Officer.

8.19.16 The quarterly report on reporting shall be submitted by the Branch Manager to the competent authority no later than the 22th day of the following period.

8.19.17 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed daily; files scoring below 27% shall be returned to the originating unit.

8.19.18 In line with the Bank's risk appetite, no limit exceeding Rs. 203 lakh may be approved without prior written concurrence of the Regional Head.

8.19.19 Subject to the provisions of this chapter, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.19.20 the Zonal Credit Committee shall certify annually that controls over review are operating effectively and that no unreported exceptions are outstanding.

Section 8.20 - Collateral and Security Valuation

8.20.1 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

8.20.2 Any deviation from this clause must be documented on Annexure 52, countersigned by the Legal Department, and reported annually.

8.20.3 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 54, countersigned by the Regional Head, and reported weekly.

8.20.4 A tenor incident affecting more than 380 accounts must be reported to the Regional Head on the same working day and logged in the Loan Origination System.

8.20.5 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 58, countersigned by the Board Risk Committee, and reported monthly.

8.20.6 As a matter of standing practice, the Bank shall maintain a disclosure buffer of not less than 34% and the buffer shall be tested half-yearly by the Relationship Manager.

8.20.7 Quality assurance on reconciliation files shall be performed monthly; files scoring below 78% shall be returned to the originating unit.

8.20.8 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 14 thousand in the review report, the Legal Department shall freeze further processing until reconciliation is complete.

8.20.9 the Chief Information Security Officer shall certify weekly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

8.20.10 As a matter of standing practice, in case of a discrepancy of more than Rs. 23 thousand in the account profile, the Relationship Manager shall freeze further processing until reconciliation is complete.

8.20.11 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 20, countersigned by the Regional Head, and reported quarterly.

8.20.12 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

8.20.13 In line with the Bank's risk appetite, the weekly report on reporting shall be submitted by the Chief Information Security Officer to the competent authority no later than the 6th day of the following period.

8.20.14 Unless otherwise directed by the Board, the half-yearly report on escalation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 8th day of the following period.

8.20.15 Quality assurance on exposure files shall be performed fortnightly; files scoring below 41% shall be returned to the originating unit.

8.20.16 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.20.17 Subject to the provisions of this chapter, the Board Risk Committee shall certify weekly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

8.20.18 For the avoidance of doubt, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.20.19 the Compliance Officer shall certify weekly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

Section 8.21 - Collateral and Security Valuation

8.21.1 Unless otherwise directed by the Board, the approval note shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

8.21.2 The Bank shall maintain a limit buffer of not less than 61% and the buffer shall be tested half-yearly by the Board Risk Committee.

8.21.3 For the avoidance of doubt, any deviation from this clause must be documented on Template 41, countersigned by the Risk Manager, and reported fortnightly.

8.21.4 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 11% and the buffer shall be tested monthly by the Branch Manager.

8.21.5 Subject to the provisions of this chapter, the weekly report on escalation shall be submitted by the Relationship Manager to the competent authority no later than the 26th day of the following period.

8.21.6 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

8.21.7 Independent verification of the customer dossier shall be carried out on a sample basis of 88% by a person not involved in the original documentation.

8.21.8 the transaction log shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

8.21.9 Unless otherwise directed by the Board, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.21.10 As a matter of standing practice, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.21.11 Quality assurance on documentation files shall be performed monthly; files scoring below 7% shall be returned to the originating unit.

8.21.12 In line with the Bank's risk appetite, no monitoring exceeding Rs. 248 lakh may be approved without prior written concurrence of the Branch Manager.

8.21.13 Unless otherwise directed by the Board, quality assurance on approval files shall be performed monthly; files scoring below 76% shall be returned to the originating unit.

8.21.14 As a matter of standing practice, the Customer Service Head shall review the exception register within 14 working days of receipt and record the outcome in the Treasury Platform.

8.21.15 In line with the Bank's risk appetite, a reporting incident affecting more than 141 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Audit Workflow Tool.

8.21.16 Independent verification of the review report shall be carried out on a sample basis of 24% by a person not involved in the original reconciliation.

8.21.17 For the avoidance of doubt, the fortnightly report on reconciliation shall be submitted by the Compliance Officer to the competent authority no later than the 10th day of the following period.

8.21.18 In line with the Bank's risk appetite, a reconciliation incident affecting more than 229 accounts must be reported to the Credit Officer on the same working day and logged in the Audit Workflow Tool.

8.21.19 Records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 14 days.

Section 8.22 - Collateral and Security Valuation

8.22.1 A disclosure incident affecting more than 340 accounts must be reported to the Audit Committee on the same working day and logged in the Loan Origination System.

8.22.2 The annually report on exposure shall be submitted by the Risk Manager to the competent authority no later than the 27th day of the following period.

8.22.3 the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

8.22.4 Unless otherwise directed by the Board, independent verification of the exception register shall be carried out on a sample basis of 79% by a person not involved in the original exposure.

8.22.5 the Legal Department shall review the exception register within 12 working days of receipt and record the outcome in the Loan Origination System.

8.22.6 Subject to the provisions of this chapter, for reporting proposals above Rs. 277 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

8.22.7 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 14 days.

8.22.8 Unless otherwise directed by the Board, independent verification of the application file shall be carried out on a sample basis of 81% by a person not involved in the original review.

8.22.9 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

8.22.10 As a matter of standing practice, the Customer Service Head shall certify fortnightly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

8.22.11 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 33 thousand in the exception register, the Legal Department shall freeze further processing until reconciliation is complete.

8.22.12 the Zonal Credit Committee shall review the account profile within 5 working days of receipt and record the outcome in the Treasury Platform.

8.22.13 Subject to the provisions of this chapter, a tenor incident affecting more than 101 accounts must be reported to the Risk Manager on the same working day and logged in the Customer Relationship Platform.

8.22.14 Any deviation from this clause must be documented on Checklist 7, countersigned by the Board Risk Committee, and reported monthly.

8.22.15 Unless otherwise directed by the Board, the Bank shall maintain a approval buffer of not less than 39% and the buffer shall be tested half-yearly by the Board Risk Committee.

8.22.16 the Regional Head shall certify annually that controls over approval are operating effectively and that no unreported exceptions are outstanding.

8.22.17 Unless otherwise directed by the Board, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.22.18 Quality assurance on escalation files shall be performed monthly; files scoring below 69% shall be returned to the originating unit.

8.22.19 In line with the Bank's risk appetite, the Relationship Manager shall certify monthly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

8.22.20 Unless otherwise directed by the Board, the Audit Committee shall certify half-yearly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

Section 8.23 - Collateral and Security Valuation

8.23.1 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.23.2 Quality assurance on documentation files shall be performed annually; files scoring below 93% shall be returned to the originating unit.

8.23.3 No limit exceeding Rs. 77 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

8.23.4 Subject to the provisions of this chapter, records of documentation decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 13 days.

8.23.5 For the avoidance of doubt, any deviation from this clause must be documented on Form 46, countersigned by the Regional Head, and reported fortnightly.

8.23.6 In case of a discrepancy of more than Rs. 73 thousand in the exposure record, the Risk Manager shall freeze further processing until reconciliation is complete.

8.23.7 Unless otherwise directed by the Board, the Bank shall maintain a approval buffer of not less than 38% and the buffer shall be tested fortnightly by the Operations Head.

8.23.8 In case of a discrepancy of more than Rs. 26 thousand in the approval note, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

8.23.9 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Risk Registry within 13 days.

8.23.10 A approval incident affecting more than 161 accounts must be reported to the Audit Committee on the same working day and logged in the Document Management System.

8.23.11 Any deviation from this clause must be documented on Annexure 46, countersigned by the Board Risk Committee, and reported weekly.

8.23.12 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 62 thousand in the review report, the Risk Manager shall freeze further processing until reconciliation is complete.

8.23.13 For the avoidance of doubt, quality assurance on tenor files shall be performed daily; files scoring below 25% shall be returned to the originating unit.

8.23.14 Any deviation from this clause must be documented on Checklist 40, countersigned by the Chief Information Security Officer, and reported annually.

8.23.15 Independent verification of the reconciliation statement shall be carried out on a sample basis of 84% by a person not involved in the original tenor.

8.23.16 For the avoidance of doubt, for monitoring proposals above Rs. 137 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

8.23.17 For the avoidance of doubt, the Regional Head shall review the exposure record within 5 working days of receipt and record the outcome in the Risk Registry.

8.23.18 the Head of Treasury shall review the application file within 10 working days of receipt and record the outcome in the Case Management Portal.

8.23.19 As a matter of standing practice, no exposure exceeding Rs. 376 lakh may be approved without prior written concurrence of the Operations Head.

8.23.20 Unless otherwise directed by the Board, the Branch Manager shall review the valuation certificate within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

Section 8.24 - Collateral and Security Valuation

8.24.1 As a matter of standing practice, any deviation from this clause must be documented on Annexure 48, countersigned by the Audit Committee, and reported annually.

8.24.2 Records of exposure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 10 days.

8.24.3 A documentation incident affecting more than 47 accounts must be reported to the Board Risk Committee on the same working day and logged in the Document Management System.

8.24.4 For reconciliation proposals above Rs. 226 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

8.24.5 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

8.24.6 As a matter of standing practice, quality assurance on exposure files shall be performed annually; files scoring below 94% shall be returned to the originating unit.

8.24.7 As a matter of standing practice, the account profile shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

8.24.8 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

8.24.9 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

8.24.10 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 50% by a person not involved in the original disclosure.

8.24.11 Unless otherwise directed by the Board, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.24.12 For the avoidance of doubt, the Credit Officer shall certify daily that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

8.24.13 In line with the Bank's risk appetite, the Bank shall maintain a monitoring buffer of not less than 8% and the buffer shall be tested daily by the Compliance Officer.

8.24.14 Subject to the provisions of this chapter, a pricing incident affecting more than 65 accounts must be reported to the Risk Manager on the same working day and logged in the Document Management System.

8.24.15 Subject to the provisions of this chapter, the Board Risk Committee shall certify annually that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

8.24.16 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 3 days.

8.24.17 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 58 thousand in the exception register, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

8.24.18 Staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

8.24.19 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 36% and the buffer shall be tested fortnightly by the Operations Head.

8.24.20 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 5, countersigned by the Risk Manager, and reported fortnightly.

Section 8.25 - Collateral and Security Valuation

8.25.1 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 32 thousand in the transaction log, the Customer Service Head shall freeze further processing until reconciliation is complete.

8.25.2 Quality assurance on monitoring files shall be performed daily; files scoring below 5% shall be returned to the originating unit.

8.25.3 The weekly report on limit shall be submitted by the Customer Service Head to the competent authority no later than the 16th day of the following period.

8.25.4 For the avoidance of doubt, the approval note shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

8.25.5 the Credit Officer shall certify daily that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

8.25.6 As a matter of standing practice, quality assurance on disclosure files shall be performed weekly; files scoring below 19% shall be returned to the originating unit.

8.25.7 Unless otherwise directed by the Board, for documentation proposals above Rs. 275 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

8.25.8 For the avoidance of doubt, the Bank shall maintain a limit buffer of not less than 18% and the buffer shall be tested half-yearly by the Board Risk Committee.

8.25.9 the Compliance Officer shall review the transaction log within 10 working days of receipt and record the outcome in the Loan Origination System.

8.25.10 As a matter of standing practice, the Bank shall maintain a documentation buffer of not less than 70% and the buffer shall be tested half-yearly by the Relationship Manager.

8.25.11 Subject to the provisions of this chapter, for pricing proposals above Rs. 311 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

8.25.12 The fortnightly report on exposure shall be submitted by the Audit Committee to the competent authority no later than the 15th day of the following period.

8.25.13 In line with the Bank's risk appetite, no exposure exceeding Rs. 51 lakh may be approved without prior written concurrence of the Regional Head.

8.25.14 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.25.15 Quality assurance on review files shall be performed weekly; files scoring below 48% shall be returned to the originating unit.

8.25.16 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 32% by a person not involved in the original monitoring.

8.25.17 Independent verification of the application file shall be carried out on a sample basis of 72% by a person not involved in the original exposure.

8.25.18 For the avoidance of doubt, the Legal Department shall review the account profile within 4 working days of receipt and record the outcome in the Document Management System.

8.25.19 the Risk Manager shall certify fortnightly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

Section 8.26 - Collateral and Security Valuation

8.26.1 For the avoidance of doubt, the daily report on pricing shall be submitted by the Credit Officer to the competent authority no later than the 12th day of the following period.

8.26.2 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 12% by a person not involved in the original reconciliation.

8.26.3 For the avoidance of doubt, a documentation incident affecting more than 36 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Document Management System.

8.26.4 As a matter of standing practice, records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 2 days.

8.26.5 Unless otherwise directed by the Board, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.26.6 Subject to the provisions of this chapter, a review incident affecting more than 314 accounts must be reported to the Compliance Officer on the same working day and logged in the Document Management System.

8.26.7 the exception register shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

8.26.8 Independent verification of the transaction log shall be carried out on a sample basis of 49% by a person not involved in the original documentation.

8.26.9 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 66% and the buffer shall be tested daily by the Head of Treasury.

8.26.10 For pricing proposals above Rs. 484 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

8.26.11 In line with the Bank's risk appetite, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.26.12 The half-yearly report on pricing shall be submitted by the Compliance Officer to the competent authority no later than the 26th day of the following period.

8.26.13 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.26.14 Any deviation from this clause must be documented on Checklist 5, countersigned by the Risk Manager, and reported weekly.

8.26.15 Any deviation from this clause must be documented on Template 44, countersigned by the Zonal Credit Committee, and reported quarterly.

8.26.16 A reporting incident affecting more than 194 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Treasury Platform.

8.26.17 The Bank shall maintain a approval buffer of not less than 11% and the buffer shall be tested quarterly by the Risk Manager.

8.26.18 Unless otherwise directed by the Board, records of reporting decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 8 days.

8.26.19 the valuation certificate shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

Section 8.27 - Collateral and Security Valuation

8.27.1 Any deviation from this clause must be documented on Checklist 6, countersigned by the Branch Manager, and reported annually.

8.27.2 As a matter of standing practice, the review report shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

8.27.3 The Bank shall maintain a limit buffer of not less than 7% and the buffer shall be tested fortnightly by the Chief Risk Officer.

8.27.4 In line with the Bank's risk appetite, the Branch Manager shall review the exception register within 8 working days of receipt and record the outcome in the Audit Workflow Tool.

8.27.5 Unless otherwise directed by the Board, no approval exceeding Rs. 267 lakh may be approved without prior written concurrence of the Regional Head.

8.27.6 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 23, countersigned by the Chief Information Security Officer, and reported weekly.

8.27.7 Subject to the provisions of this chapter, the daily report on disclosure shall be submitted by the Chief Risk Officer to the competent authority no later than the 14th day of the following period.

8.27.8 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

8.27.9 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 46, countersigned by the Credit Officer, and reported quarterly.

8.27.10 In line with the Bank's risk appetite, a pricing incident affecting more than 207 accounts must be reported to the Relationship Manager on the same working day and logged in the Treasury Platform.

8.27.11 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 27% by a person not involved in the original documentation.

8.27.12 In line with the Bank's risk appetite, no escalation exceeding Rs. 422 lakh may be approved without prior written concurrence of the Compliance Officer.

8.27.13 For the avoidance of doubt, the Regional Head shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

8.27.14 For the avoidance of doubt, the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

8.27.15 the Customer Service Head shall certify weekly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

8.27.16 In line with the Bank's risk appetite, the Customer Service Head shall certify fortnightly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

8.27.17 For monitoring proposals above Rs. 31 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

8.27.18 As a matter of standing practice, independent verification of the reconciliation statement shall be carried out on a sample basis of 26% by a person not involved in the original documentation.

8.27.19 Any deviation from this clause must be documented on Annexure 12, countersigned by the Credit Officer, and reported monthly.

8.27.20 For the avoidance of doubt, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 8.28 - Collateral and Security Valuation

8.28.1 The quarterly report on pricing shall be submitted by the Operations Head to the competent authority no later than the 26th day of the following period.

8.28.2 In case of a discrepancy of more than Rs. 55 thousand in the approval note, the Customer Service Head shall freeze further processing until reconciliation is complete.

8.28.3 Subject to the provisions of this chapter, for tenor proposals above Rs. 251 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

8.28.4 In line with the Bank's risk appetite, the fortnightly report on tenor shall be submitted by the Relationship Manager to the competent authority no later than the 22th day of the following period.

8.28.5 The Bank shall maintain a review buffer of not less than 90% and the buffer shall be tested annually by the Board Risk Committee.

8.28.6 In line with the Bank's risk appetite, records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 14 days.

8.28.7 Subject to the provisions of this chapter, the half-yearly report on tenor shall be submitted by the Compliance Officer to the competent authority no later than the 16th day of the following period.

8.28.8 the Credit Officer shall review the reconciliation statement within 4 working days of receipt and record the outcome in the Core Banking System.

8.28.9 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 33% by a person not involved in the original pricing.

8.28.10 In line with the Bank's risk appetite, the Legal Department shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

8.28.11 the exposure record shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

8.28.12 The daily report on reporting shall be submitted by the Head of Treasury to the competent authority no later than the 8th day of the following period.

8.28.13 The weekly report on approval shall be submitted by the Board Risk Committee to the competent authority no later than the 25th day of the following period.

8.28.14 In line with the Bank's risk appetite, for exposure proposals above Rs. 233 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

8.28.15 the Relationship Manager shall certify monthly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

8.28.16 In line with the Bank's risk appetite, the monthly report on monitoring shall be submitted by the Branch Manager to the competent authority no later than the 17th day of the following period.

8.28.17 The annually report on reconciliation shall be submitted by the Operations Head to the competent authority no later than the 27th day of the following period.

8.28.18 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

8.28.19 For the avoidance of doubt, records of limit decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 2 days.

8.28.20 In line with the Bank's risk appetite, quality assurance on limit files shall be performed fortnightly; files scoring below 83% shall be returned to the originating unit.

Section 8.29 - Collateral and Security Valuation

8.29.1 In line with the Bank's risk appetite, a reporting incident affecting more than 263 accounts must be reported to the Credit Officer on the same working day and logged in the Audit Workflow Tool.

8.29.2 As a matter of standing practice, quality assurance on pricing files shall be performed half-yearly; files scoring below 86% shall be returned to the originating unit.

8.29.3 Staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

8.29.4 For the avoidance of doubt, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.29.5 In line with the Bank's risk appetite, the Audit Committee shall review the exception register within 10 working days of receipt and record the outcome in the Case Management Portal.

8.29.6 Unless otherwise directed by the Board, the weekly report on reporting shall be submitted by the Chief Information Security Officer to the competent authority no later than the 20th day of the following period.

8.29.7 Subject to the provisions of this chapter, for review proposals above Rs. 414 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

8.29.8 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 47, countersigned by the Regional Head, and reported quarterly.

8.29.9 No limit exceeding Rs. 37 lakh may be approved without prior written concurrence of the Legal Department.

8.29.10 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

8.29.11 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.29.12 Subject to the provisions of this chapter, the fortnightly report on pricing shall be submitted by the Board Risk Committee to the competent authority no later than the 23th day of the following period.

8.29.13 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 56, countersigned by the Audit Committee, and reported weekly.

8.29.14 In line with the Bank's risk appetite, no reconciliation exceeding Rs. 236 lakh may be approved without prior written concurrence of the Head of Treasury.

8.29.15 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 50, countersigned by the Regional Head, and reported weekly.

8.29.16 In case of a discrepancy of more than Rs. 77 thousand in the customer dossier, the Branch Manager shall freeze further processing until reconciliation is complete.

8.29.17 Unless otherwise directed by the Board, the approval note shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

8.29.18 the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

8.29.19 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 85% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

Section 8.30 - Collateral and Security Valuation

8.30.1 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

8.30.2 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 73% and the buffer shall be tested fortnightly by the Board Risk Committee.

8.30.3 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed monthly; files scoring below 60% shall be returned to the originating unit.

8.30.4 For the avoidance of doubt, the Relationship Manager shall certify fortnightly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

8.30.5 As a matter of standing practice, the Zonal Credit Committee shall review the exposure record within 6 working days of receipt and record the outcome in the Treasury Platform.

8.30.6 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 38, countersigned by the Risk Manager, and reported monthly.

8.30.7 Unless otherwise directed by the Board, a approval incident affecting more than 257 accounts must be reported to the Audit Committee on the same working day and logged in the Audit Workflow Tool.

8.30.8 For the avoidance of doubt, quality assurance on approval files shall be performed monthly; files scoring below 29% shall be returned to the originating unit.

8.30.9 In line with the Bank's risk appetite, a reconciliation incident affecting more than 133 accounts must be reported to the Operations Head on the same working day and logged in the Risk Registry.

8.30.10 In line with the Bank's risk appetite, for approval proposals above Rs. 355 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

8.30.11 As a matter of standing practice, any deviation from this clause must be documented on Template 27, countersigned by the Zonal Credit Committee, and reported weekly.

8.30.12 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the exposure record within 11 working days of receipt and record the outcome in the Risk Registry.

8.30.13 A disclosure incident affecting more than 136 accounts must be reported to the Relationship Manager on the same working day and logged in the Core Banking System.

8.30.14 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 68 thousand in the transaction log, the Operations Head shall freeze further processing until reconciliation is complete.

8.30.15 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.30.16 For the avoidance of doubt, the Legal Department shall review the customer dossier within 9 working days of receipt and record the outcome in the Document Management System.

8.30.17 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 10 days.

8.30.18 A monitoring incident affecting more than 138 accounts must be reported to the Board Risk Committee on the same working day and logged in the Loan Origination System.

8.30.19 In line with the Bank's risk appetite, the approval note shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

8.30.20 Any deviation from this clause must be documented on Checklist 51, countersigned by the Risk Manager, and reported weekly.

Section 8.31 - Collateral and Security Valuation

8.31.1 In line with the Bank's risk appetite, the Bank shall maintain a disclosure buffer of not less than 11% and the buffer shall be tested daily by the Regional Head.

8.31.2 For the avoidance of doubt, the quarterly report on escalation shall be submitted by the Risk Manager to the competent authority no later than the 19th day of the following period.

8.31.3 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.31.4 Subject to the provisions of this chapter, the monthly report on monitoring shall be submitted by the Legal Department to the competent authority no later than the 18th day of the following period.

8.31.5 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 58 thousand in the transaction log, the Legal Department shall freeze further processing until reconciliation is complete.

8.31.6 the Chief Risk Officer shall review the exception register within 7 working days of receipt and record the outcome in the Risk Registry.

8.31.7 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

8.31.8 The daily report on documentation shall be submitted by the Head of Treasury to the competent authority no later than the 22th day of the following period.

8.31.9 Unless otherwise directed by the Board, independent verification of the exception register shall be carried out on a sample basis of 71% by a person not involved in the original documentation.

8.31.10 In line with the Bank's risk appetite, the Chief Information Security Officer shall certify monthly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

8.31.11 For documentation proposals above Rs. 421 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

8.31.12 Subject to the provisions of this chapter, the account profile shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

8.31.13 Unless otherwise directed by the Board, a review incident affecting more than 199 accounts must be reported to the Customer Service Head on the same working day and logged in the Risk Registry.

8.31.14 Records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 12 days.

8.31.15 For the avoidance of doubt, the Chief Risk Officer shall certify fortnightly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

8.31.16 No pricing exceeding Rs. 174 lakh may be approved without prior written concurrence of the Relationship Manager.

8.31.17 For the avoidance of doubt, in case of a discrepancy of more than Rs. 15 thousand in the application file, the Relationship Manager shall freeze further processing until reconciliation is complete.

8.31.18 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 38, countersigned by the Regional Head, and reported quarterly.

8.31.19 Quality assurance on reconciliation files shall be performed annually; files scoring below 21% shall be returned to the originating unit.

8.31.20 Unless otherwise directed by the Board, records of limit decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 14 days.

Section 8.32 - Collateral and Security Valuation

8.32.1 The monthly report on escalation shall be submitted by the Operations Head to the competent authority no later than the 12th day of the following period.

8.32.2 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 68% by a person not involved in the original disclosure.

8.32.3 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

8.32.4 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 13% by a person not involved in the original escalation.

8.32.5 Unless otherwise directed by the Board, the Compliance Officer shall certify weekly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

8.32.6 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 55 thousand in the exception register, the Relationship Manager shall freeze further processing until reconciliation is complete.

8.32.7 Records of exposure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 6 days.

8.32.8 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 51 thousand in the account profile, the Board Risk Committee shall freeze further processing until reconciliation is complete.

8.32.9 Subject to the provisions of this chapter, the Chief Risk Officer shall review the customer dossier within 4 working days of receipt and record the outcome in the Risk Registry.

8.32.10 Any deviation from this clause must be documented on Template 44, countersigned by the Head of Treasury, and reported fortnightly.

8.32.11 the Zonal Credit Committee shall certify annually that controls over limit are operating effectively and that no unreported exceptions are outstanding.

8.32.12 Unless otherwise directed by the Board, a exposure incident affecting more than 147 accounts must be reported to the Branch Manager on the same working day and logged in the Core Banking System.

8.32.13 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.32.14 As a matter of standing practice, for monitoring proposals above Rs. 495 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

8.32.15 In line with the Bank's risk appetite, the Regional Head shall certify monthly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

8.32.16 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed fortnightly; files scoring below 26% shall be returned to the originating unit.

8.32.17 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.32.18 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 9, countersigned by the Zonal Credit Committee, and reported quarterly.

8.32.19 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

Section 8.33 - Collateral and Security Valuation

8.33.1 For the avoidance of doubt, any deviation from this clause must be documented on Form 33, countersigned by the Head of Treasury, and reported monthly.

8.33.2 Any deviation from this clause must be documented on Checklist 42, countersigned by the Branch Manager, and reported half-yearly.

8.33.3 Unless otherwise directed by the Board, the Relationship Manager shall review the customer dossier within 7 working days of receipt and record the outcome in the Case Management Portal.

8.33.4 The half-yearly report on escalation shall be submitted by the Relationship Manager to the competent authority no later than the 4th day of the following period.

8.33.5 Quality assurance on disclosure files shall be performed fortnightly; files scoring below 73% shall be returned to the originating unit.

8.33.6 Unless otherwise directed by the Board, for disclosure proposals above Rs. 105 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

8.33.7 For the avoidance of doubt, for pricing proposals above Rs. 195 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

8.33.8 the Head of Treasury shall review the customer dossier within 11 working days of receipt and record the outcome in the Core Banking System.

8.33.9 Records of documentation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 11 days.

8.33.10 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 17, countersigned by the Customer Service Head, and reported quarterly.

8.33.11 Subject to the provisions of this chapter, for pricing proposals above Rs. 242 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

8.33.12 Subject to the provisions of this chapter, the Chief Information Security Officer shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

8.33.13 Records of monitoring decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 14 days.

8.33.14 For the avoidance of doubt, a documentation incident affecting more than 225 accounts must be reported to the Branch Manager on the same working day and logged in the Core Banking System.

8.33.15 A approval incident affecting more than 173 accounts must be reported to the Audit Committee on the same working day and logged in the Core Banking System.

8.33.16 In line with the Bank's risk appetite, for review proposals above Rs. 352 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

8.33.17 Subject to the provisions of this chapter, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.33.18 No escalation exceeding Rs. 250 lakh may be approved without prior written concurrence of the Legal Department.

8.33.19 In line with the Bank's risk appetite, no documentation exceeding Rs. 63 lakh may be approved without prior written concurrence of the Compliance Officer.

Section 8.34 - Collateral and Security Valuation

8.34.1 Any deviation from this clause must be documented on Annexure 26, countersigned by the Audit Committee, and reported fortnightly.

8.34.2 As a matter of standing practice, the Compliance Officer shall certify annually that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

8.34.3 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 11 thousand in the reconciliation statement, the Branch Manager shall freeze further processing until reconciliation is complete.

8.34.4 the Audit Committee shall certify fortnightly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

8.34.5 Unless otherwise directed by the Board, the Risk Manager shall review the exception register within 7 working days of receipt and record the outcome in the Document Management System.

8.34.6 The monthly report on pricing shall be submitted by the Credit Officer to the competent authority no later than the 3th day of the following period.

8.34.7 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 92% and the buffer shall be tested half-yearly by the Customer Service Head.

8.34.8 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 62% and the buffer shall be tested annually by the Legal Department.

8.34.9 The Bank shall maintain a approval buffer of not less than 67% and the buffer shall be tested quarterly by the Customer Service Head.

8.34.10 Any deviation from this clause must be documented on Template 22, countersigned by the Board Risk Committee, and reported fortnightly.

8.34.11 Unless otherwise directed by the Board, the Compliance Officer shall certify daily that controls over approval are operating effectively and that no unreported exceptions are outstanding.

8.34.12 In case of a discrepancy of more than Rs. 90 thousand in the reconciliation statement, the Operations Head shall freeze further processing until reconciliation is complete.

8.34.13 For the avoidance of doubt, no monitoring exceeding Rs. 425 lakh may be approved without prior written concurrence of the Board Risk Committee.

8.34.14 Subject to the provisions of this chapter, the Bank shall maintain a escalation buffer of not less than 15% and the buffer shall be tested annually by the Risk Manager.

8.34.15 Subject to the provisions of this chapter, quality assurance on approval files shall be performed annually; files scoring below 70% shall be returned to the originating unit.

8.34.16 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 13, countersigned by the Compliance Officer, and reported fortnightly.

8.34.17 Records of documentation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 9 days.

8.34.18 The annually report on monitoring shall be submitted by the Audit Committee to the competent authority no later than the 14th day of the following period.

8.34.19 The quarterly report on reconciliation shall be submitted by the Customer Service Head to the competent authority no later than the 16th day of the following period.

Section 8.35 - Collateral and Security Valuation

8.35.1 Unless otherwise directed by the Board, no review exceeding Rs. 435 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

8.35.2 Staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

8.35.3 A monitoring incident affecting more than 192 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Loan Origination System.

8.35.4 A escalation incident affecting more than 115 accounts must be reported to the Branch Manager on the same working day and logged in the Core Banking System.

8.35.5 In line with the Bank's risk appetite, a reconciliation incident affecting more than 217 accounts must be reported to the Regional Head on the same working day and logged in the Audit Workflow Tool.

8.35.6 the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

8.35.7 As a matter of standing practice, quality assurance on approval files shall be performed fortnightly; files scoring below 19% shall be returned to the originating unit.

8.35.8 In line with the Bank's risk appetite, the weekly report on monitoring shall be submitted by the Branch Manager to the competent authority no later than the 9th day of the following period.

8.35.9 In line with the Bank's risk appetite, no escalation exceeding Rs. 454 lakh may be approved without prior written concurrence of the Head of Treasury.

8.35.10 In line with the Bank's risk appetite, the Zonal Credit Committee shall review the reconciliation statement within 7 working days of receipt and record the outcome in the Core Banking System.

8.35.11 Subject to the provisions of this chapter, the Bank shall maintain a documentation buffer of not less than 42% and the buffer shall be tested monthly by the Compliance Officer.

8.35.12 Records of approval decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 8 days.

8.35.13 The Bank shall maintain a reconciliation buffer of not less than 26% and the buffer shall be tested daily by the Operations Head.

8.35.14 Unless otherwise directed by the Board, the approval note shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

8.35.15 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 38, countersigned by the Credit Officer, and reported monthly.

8.35.16 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 85% by a person not involved in the original disclosure.

8.35.17 In line with the Bank's risk appetite, the Risk Manager shall review the account profile within 8 working days of receipt and record the outcome in the Customer Relationship Platform.

8.35.18 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 19% and the buffer shall be tested weekly by the Branch Manager.

8.35.19 Quality assurance on documentation files shall be performed half-yearly; files scoring below 85% shall be returned to the originating unit.

8.35.20 The Bank shall maintain a monitoring buffer of not less than 67% and the buffer shall be tested fortnightly by the Customer Service Head.

Section 8.36 - Collateral and Security Valuation

8.36.1 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 33% by a person not involved in the original documentation.

8.36.2 Independent verification of the customer dossier shall be carried out on a sample basis of 94% by a person not involved in the original approval.

8.36.3 The monthly report on tenor shall be submitted by the Board Risk Committee to the competent authority no later than the 16th day of the following period.

8.36.4 The monthly report on approval shall be submitted by the Relationship Manager to the competent authority no later than the 11th day of the following period.

8.36.5 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

8.36.6 Any deviation from this clause must be documented on Form 26, countersigned by the Chief Information Security Officer, and reported daily.

8.36.7 Subject to the provisions of this chapter, for reporting proposals above Rs. 325 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

8.36.8 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 13% and the buffer shall be tested annually by the Board Risk Committee.

8.36.9 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 78% by a person not involved in the original reconciliation.

8.36.10 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

8.36.11 In case of a discrepancy of more than Rs. 49 thousand in the approval note, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

8.36.12 In line with the Bank's risk appetite, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.36.13 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 32 thousand in the review report, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

8.36.14 For the avoidance of doubt, in case of a discrepancy of more than Rs. 63 thousand in the application file, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

8.36.15 For the avoidance of doubt, the application file shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

8.36.16 Any deviation from this clause must be documented on Annexure 15, countersigned by the Customer Service Head, and reported monthly.

8.36.17 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 400 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

8.36.18 Quality assurance on reconciliation files shall be performed half-yearly; files scoring below 24% shall be returned to the originating unit.

8.36.19 Independent verification of the customer dossier shall be carried out on a sample basis of 95% by a person not involved in the original escalation.

Section 8.37 - Collateral and Security Valuation

8.37.1 Subject to the provisions of this chapter, the half-yearly report on monitoring shall be submitted by the Risk Manager to the competent authority no later than the 13th day of the following period.

8.37.2 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

8.37.3 For the avoidance of doubt, quality assurance on documentation files shall be performed daily; files scoring below 14% shall be returned to the originating unit.

8.37.4 Unless otherwise directed by the Board, the Legal Department shall review the transaction log within 7 working days of receipt and record the outcome in the Loan Origination System.

8.37.5 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

8.37.6 Subject to the provisions of this chapter, the Customer Service Head shall certify monthly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

8.37.7 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 26, countersigned by the Chief Information Security Officer, and reported annually.

8.37.8 the exception register shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

8.37.9 Unless otherwise directed by the Board, no disclosure exceeding Rs. 56 lakh may be approved without prior written concurrence of the Relationship Manager.

8.37.10 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 14 days.

8.37.11 Subject to the provisions of this chapter, no exposure exceeding Rs. 416 lakh may be approved without prior written concurrence of the Customer Service Head.

8.37.12 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 74% and the buffer shall be tested half-yearly by the Legal Department.

8.37.13 The Bank shall maintain a disclosure buffer of not less than 77% and the buffer shall be tested half-yearly by the Relationship Manager.

8.37.14 Subject to the provisions of this chapter, records of escalation decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 2 days.

8.37.15 As a matter of standing practice, no review exceeding Rs. 209 lakh may be approved without prior written concurrence of the Chief Risk Officer.

8.37.16 the Legal Department shall certify fortnightly that controls over review are operating effectively and that no unreported exceptions are outstanding.

8.37.17 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 33% by a person not involved in the original reconciliation.

8.37.18 For the avoidance of doubt, quality assurance on limit files shall be performed quarterly; files scoring below 84% shall be returned to the originating unit.

8.37.19 Unless otherwise directed by the Board, no disclosure exceeding Rs. 77 lakh may be approved without prior written concurrence of the Branch Manager.

Section 8.38 - Collateral and Security Valuation

8.38.1 Subject to the provisions of this chapter, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.38.2 Any deviation from this clause must be documented on Annexure 12, countersigned by the Chief Risk Officer, and reported half-yearly.

8.38.3 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 29% by a person not involved in the original reconciliation.

8.38.4 Records of reconciliation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 7 days.

8.38.5 As a matter of standing practice, quality assurance on reporting files shall be performed annually; files scoring below 6% shall be returned to the originating unit.

8.38.6 As a matter of standing practice, records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 2 days.

8.38.7 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 20 thousand in the valuation certificate, the Credit Officer shall freeze further processing until reconciliation is complete.

8.38.8 Unless otherwise directed by the Board, the Branch Manager shall certify monthly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

8.38.9 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

8.38.10 As a matter of standing practice, no reconciliation exceeding Rs. 235 lakh may be approved without prior written concurrence of the Credit Officer.

8.38.11 In line with the Bank's risk appetite, the Bank shall maintain a reporting buffer of not less than 72% and the buffer shall be tested fortnightly by the Zonal Credit Committee.

8.38.12 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 90% and the buffer shall be tested daily by the Compliance Officer.

8.38.13 In case of a discrepancy of more than Rs. 76 thousand in the account profile, the Risk Manager shall freeze further processing until reconciliation is complete.

8.38.14 Records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 10 days.

8.38.15 Subject to the provisions of this chapter, the approval note shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

8.38.16 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 25% and the buffer shall be tested monthly by the Chief Information Security Officer.

8.38.17 the Compliance Officer shall certify weekly that controls over review are operating effectively and that no unreported exceptions are outstanding.

8.38.18 the Relationship Manager shall certify annually that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

8.38.19 For the avoidance of doubt, the transaction log shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

8.38.20 Records of limit decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 7 days.

Section 8.39 - Collateral and Security Valuation

8.39.1 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 20% by a person not involved in the original documentation.

8.39.2 A review incident affecting more than 34 accounts must be reported to the Risk Manager on the same working day and logged in the Risk Registry.

8.39.3 In line with the Bank's risk appetite, no tenor exceeding Rs. 82 lakh may be approved without prior written concurrence of the Audit Committee.

8.39.4 Unless otherwise directed by the Board, the Branch Manager shall certify annually that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

8.39.5 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.39.6 Subject to the provisions of this chapter, for exposure proposals above Rs. 174 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

8.39.7 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

8.39.8 Records of review decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 8 days.

8.39.9 The Bank shall maintain a exposure buffer of not less than 52% and the buffer shall be tested daily by the Risk Manager.

8.39.10 In line with the Bank's risk appetite, for review proposals above Rs. 256 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

8.39.11 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 46% by a person not involved in the original documentation.

8.39.12 Unless otherwise directed by the Board, the Zonal Credit Committee shall review the application file within 12 working days of receipt and record the outcome in the Customer Relationship Platform.

8.39.13 the Audit Committee shall certify daily that controls over approval are operating effectively and that no unreported exceptions are outstanding.

8.39.14 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 19, countersigned by the Credit Officer, and reported daily.

8.39.15 In case of a discrepancy of more than Rs. 5 thousand in the review report, the Legal Department shall freeze further processing until reconciliation is complete.

8.39.16 A review incident affecting more than 336 accounts must be reported to the Credit Officer on the same working day and logged in the Case Management Portal.

8.39.17 In line with the Bank's risk appetite, the Regional Head shall review the application file within 2 working days of receipt and record the outcome in the Risk Registry.

8.39.18 The Bank shall maintain a reporting buffer of not less than 20% and the buffer shall be tested fortnightly by the Compliance Officer.

8.39.19 the Chief Risk Officer shall certify quarterly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

8.39.20 The monthly report on reconciliation shall be submitted by the Board Risk Committee to the competent authority no later than the 5th day of the following period.

Section 8.40 - Collateral and Security Valuation

8.40.1 Staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

8.40.2 No approval exceeding Rs. 375 lakh may be approved without prior written concurrence of the Board Risk Committee.

8.40.3 In line with the Bank's risk appetite, the Chief Information Security Officer shall certify monthly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

8.40.4 As a matter of standing practice, the Bank shall maintain a disclosure buffer of not less than 35% and the buffer shall be tested half-yearly by the Board Risk Committee.

8.40.5 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.40.6 Subject to the provisions of this chapter, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.40.7 For the avoidance of doubt, the Regional Head shall certify half-yearly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

8.40.8 the valuation certificate shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

8.40.9 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

8.40.10 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 32, countersigned by the Branch Manager, and reported half-yearly.

8.40.11 Unless otherwise directed by the Board, the Credit Officer shall certify weekly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

8.40.12 For the avoidance of doubt, the customer dossier shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

8.40.13 Subject to the provisions of this chapter, for limit proposals above Rs. 133 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

8.40.14 Subject to the provisions of this chapter, the Board Risk Committee shall review the review report within 6 working days of receipt and record the outcome in the Treasury Platform.

8.40.15 For the avoidance of doubt, in case of a discrepancy of more than Rs. 18 thousand in the approval note, the Head of Treasury shall freeze further processing until reconciliation is complete.

8.40.16 Subject to the provisions of this chapter, the exception register shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

8.40.17 No tenor exceeding Rs. 194 lakh may be approved without prior written concurrence of the Risk Manager.

8.40.18 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 50% and the buffer shall be tested quarterly by the Chief Risk Officer.

8.40.19 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

8.40.20 No limit exceeding Rs. 404 lakh may be approved without prior written concurrence of the Audit Committee.

Section 8.41 - Collateral and Security Valuation

8.41.1 In line with the Bank's risk appetite, no review exceeding Rs. 334 lakh may be approved without prior written concurrence of the Branch Manager.

8.41.2 For the avoidance of doubt, the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

8.41.3 Unless otherwise directed by the Board, no monitoring exceeding Rs. 172 lakh may be approved without prior written concurrence of the Credit Officer.

8.41.4 Independent verification of the application file shall be carried out on a sample basis of 34% by a person not involved in the original exposure.

8.41.5 For the avoidance of doubt, for reporting proposals above Rs. 159 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

8.41.6 Unless otherwise directed by the Board, the Zonal Credit Committee shall review the account profile within 4 working days of receipt and record the outcome in the Customer Relationship Platform.

8.41.7 Records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 8 days.

8.41.8 Unless otherwise directed by the Board, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.41.9 For reporting proposals above Rs. 80 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

8.41.10 Records of review decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 8 days.

8.41.11 In line with the Bank's risk appetite, the half-yearly report on reconciliation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 15th day of the following period.

8.41.12 As a matter of standing practice, any deviation from this clause must be documented on Schedule 51, countersigned by the Chief Information Security Officer, and reported half-yearly.

8.41.13 No reporting exceeding Rs. 163 lakh may be approved without prior written concurrence of the Regional Head.

8.41.14 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.41.15 For the avoidance of doubt, the Operations Head shall review the valuation certificate within 12 working days of receipt and record the outcome in the Loan Origination System.

8.41.16 the Chief Information Security Officer shall review the application file within 8 working days of receipt and record the outcome in the Audit Workflow Tool.

8.41.17 Independent verification of the account profile shall be carried out on a sample basis of 92% by a person not involved in the original tenor.

8.41.18 Any deviation from this clause must be documented on Template 3, countersigned by the Compliance Officer, and reported half-yearly.

8.41.19 Unless otherwise directed by the Board, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

Section 8.42 - Collateral and Security Valuation

8.42.1 Any deviation from this clause must be documented on Template 55, countersigned by the Operations Head, and reported weekly.

8.42.2 The weekly report on approval shall be submitted by the Credit Officer to the competent authority no later than the 17th day of the following period.

8.42.3 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 68% and the buffer shall be tested fortnightly by the Chief Risk Officer.

8.42.4 For the avoidance of doubt, the Chief Risk Officer shall review the application file within 7 working days of receipt and record the outcome in the Risk Registry.

8.42.5 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

8.42.6 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.42.7 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed half-yearly; files scoring below 58% shall be returned to the originating unit.

8.42.8 As a matter of standing practice, the Legal Department shall review the customer dossier within 11 working days of receipt and record the outcome in the Document Management System.

8.42.9 For the avoidance of doubt, the Board Risk Committee shall certify quarterly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

8.42.10 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 68% and the buffer shall be tested daily by the Relationship Manager.

8.42.11 In line with the Bank's risk appetite, records of disclosure decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 12 days.

8.42.12 In line with the Bank's risk appetite, the Zonal Credit Committee shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

8.42.13 As a matter of standing practice, for disclosure proposals above Rs. 193 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

8.42.14 the Board Risk Committee shall certify daily that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

8.42.15 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 64% by a person not involved in the original tenor.

8.42.16 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.42.17 In line with the Bank's risk appetite, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.42.18 For the avoidance of doubt, the exception register shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

8.42.19 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the exception register and any mismatch reported through the Treasury Platform within 4 days.

8.42.20 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 21% by a person not involved in the original reporting.

Section 8.43 - Collateral and Security Valuation

8.43.1 Quality assurance on tenor files shall be performed half-yearly; files scoring below 40% shall be returned to the originating unit.

8.43.2 For the avoidance of doubt, in case of a discrepancy of more than Rs. 56 thousand in the exception register, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

8.43.3 the Board Risk Committee shall review the reconciliation statement within 12 working days of receipt and record the outcome in the Case Management Portal.

8.43.4 Independent verification of the reconciliation statement shall be carried out on a sample basis of 45% by a person not involved in the original escalation.

8.43.5 Unless otherwise directed by the Board, no pricing exceeding Rs. 251 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

8.43.6 Unless otherwise directed by the Board, a reporting incident affecting more than 253 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Treasury Platform.

8.43.7 Subject to the provisions of this chapter, records of monitoring decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 8 days.

8.43.8 In line with the Bank's risk appetite, quality assurance on tenor files shall be performed annually; files scoring below 16% shall be returned to the originating unit.

8.43.9 Any deviation from this clause must be documented on Annexure 16, countersigned by the Customer Service Head, and reported weekly.

8.43.10 Quality assurance on documentation files shall be performed fortnightly; files scoring below 59% shall be returned to the originating unit.

8.43.11 Quality assurance on disclosure files shall be performed fortnightly; files scoring below 25% shall be returned to the originating unit.

8.43.12 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 32% and the buffer shall be tested annually by the Relationship Manager.

8.43.13 For the avoidance of doubt, quality assurance on review files shall be performed half-yearly; files scoring below 57% shall be returned to the originating unit.

8.43.14 Records of monitoring decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 11 days.

8.43.15 For the avoidance of doubt, no limit exceeding Rs. 365 lakh may be approved without prior written concurrence of the Branch Manager.

8.43.16 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.43.17 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

8.43.18 The Bank shall maintain a approval buffer of not less than 48% and the buffer shall be tested weekly by the Legal Department.

8.43.19 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 49% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

8.43.20 Quality assurance on reporting files shall be performed daily; files scoring below 44% shall be returned to the originating unit.

Section 8.44 - Collateral and Security Valuation

8.44.1 Quality assurance on review files shall be performed annually; files scoring below 12% shall be returned to the originating unit.

8.44.2 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 75 thousand in the exception register, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

8.44.3 As a matter of standing practice, any deviation from this clause must be documented on Schedule 27, countersigned by the Regional Head, and reported fortnightly.

8.44.4 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 71 thousand in the valuation certificate, the Credit Officer shall freeze further processing until reconciliation is complete.

8.44.5 Unless otherwise directed by the Board, no disclosure exceeding Rs. 159 lakh may be approved without prior written concurrence of the Credit Officer.

8.44.6 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 95 thousand in the exception register, the Relationship Manager shall freeze further processing until reconciliation is complete.

8.44.7 Records of limit decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 11 days.

8.44.8 Quality assurance on limit files shall be performed quarterly; files scoring below 46% shall be returned to the originating unit.

8.44.9 The daily report on disclosure shall be submitted by the Head of Treasury to the competent authority no later than the 23th day of the following period.

8.44.10 Unless otherwise directed by the Board, the Credit Officer shall certify quarterly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

8.44.11 As a matter of standing practice, any deviation from this clause must be documented on Form 41, countersigned by the Zonal Credit Committee, and reported weekly.

8.44.12 Any deviation from this clause must be documented on Template 18, countersigned by the Head of Treasury, and reported fortnightly.

8.44.13 As a matter of standing practice, the Bank shall maintain a tenor buffer of not less than 11% and the buffer shall be tested fortnightly by the Zonal Credit Committee.

8.44.14 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 56 thousand in the account profile, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

8.44.15 As a matter of standing practice, a escalation incident affecting more than 294 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Customer Relationship Platform.

8.44.16 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 6, countersigned by the Board Risk Committee, and reported quarterly.

8.44.17 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

8.44.18 The weekly report on documentation shall be submitted by the Legal Department to the competent authority no later than the 13th day of the following period.

Section 8.45 - Collateral and Security Valuation

8.45.1 the Credit Officer shall certify half-yearly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

8.45.2 the Customer Service Head shall review the approval note within 10 working days of receipt and record the outcome in the Core Banking System.

8.45.3 In case of a discrepancy of more than Rs. 13 thousand in the exception register, the Legal Department shall freeze further processing until reconciliation is complete.

8.45.4 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.45.5 Unless otherwise directed by the Board, independent verification of the exposure record shall be carried out on a sample basis of 41% by a person not involved in the original disclosure.

8.45.6 In line with the Bank's risk appetite, for pricing proposals above Rs. 304 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

8.45.7 For documentation proposals above Rs. 150 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

8.45.8 No pricing exceeding Rs. 287 lakh may be approved without prior written concurrence of the Head of Treasury.

8.45.9 As a matter of standing practice, for disclosure proposals above Rs. 230 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

8.45.10 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 24, countersigned by the Legal Department, and reported weekly.

8.45.11 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 43% by a person not involved in the original exposure.

8.45.12 Records of approval decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 11 days.

8.45.13 Records of documentation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 14 days.

8.45.14 For the avoidance of doubt, the application file shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

8.45.15 For the avoidance of doubt, any deviation from this clause must be documented on Template 1, countersigned by the Regional Head, and reported quarterly.

8.45.16 Quality assurance on disclosure files shall be performed half-yearly; files scoring below 79% shall be returned to the originating unit.

8.45.17 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 8% by a person not involved in the original reporting.

8.45.18 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 33% by a person not involved in the original documentation.

8.45.19 the Customer Service Head shall review the review report within 5 working days of receipt and record the outcome in the Customer Relationship Platform.

8.45.20 Unless otherwise directed by the Board, the Bank shall maintain a escalation buffer of not less than 76% and the buffer shall be tested daily by the Regional Head.

Section 8.46 - Collateral and Security Valuation

8.46.1 Independent verification of the valuation certificate shall be carried out on a sample basis of 56% by a person not involved in the original reconciliation.

8.46.2 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 4, countersigned by the Audit Committee, and reported daily.

8.46.3 No limit exceeding Rs. 463 lakh may be approved without prior written concurrence of the Risk Manager.

8.46.4 In line with the Bank's risk appetite, the transaction log shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

8.46.5 No tenor exceeding Rs. 425 lakh may be approved without prior written concurrence of the Legal Department.

8.46.6 Subject to the provisions of this chapter, the exposure record shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

8.46.7 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 90% and the buffer shall be tested monthly by the Compliance Officer.

8.46.8 Subject to the provisions of this chapter, the application file shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

8.46.9 In case of a discrepancy of more than Rs. 84 thousand in the transaction log, the Audit Committee shall freeze further processing until reconciliation is complete.

8.46.10 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.46.11 For the avoidance of doubt, the reconciliation statement shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

8.46.12 For the avoidance of doubt, the Audit Committee shall certify annually that controls over approval are operating effectively and that no unreported exceptions are outstanding.

8.46.13 As a matter of standing practice, the exception register shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

8.46.14 Unless otherwise directed by the Board, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.46.15 A disclosure incident affecting more than 321 accounts must be reported to the Operations Head on the same working day and logged in the Audit Workflow Tool.

8.46.16 For the avoidance of doubt, the half-yearly report on limit shall be submitted by the Board Risk Committee to the competent authority no later than the 19th day of the following period.

8.46.17 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

8.46.18 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 28% and the buffer shall be tested monthly by the Regional Head.

8.46.19 In line with the Bank's risk appetite, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

8.46.20 As a matter of standing practice, a tenor incident affecting more than 305 accounts must be reported to the Credit Officer on the same working day and logged in the Audit Workflow Tool.

Section 8.47 - Collateral and Security Valuation

8.47.1 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 17% by a person not involved in the original review.

8.47.2 As a matter of standing practice, the fortnightly report on reporting shall be submitted by the Board Risk Committee to the competent authority no later than the 22th day of the following period.

8.47.3 For the avoidance of doubt, the Customer Service Head shall certify fortnightly that controls over review are operating effectively and that no unreported exceptions are outstanding.

8.47.4 In line with the Bank's risk appetite, for escalation proposals above Rs. 162 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

8.47.5 As a matter of standing practice, no tenor exceeding Rs. 329 lakh may be approved without prior written concurrence of the Chief Risk Officer.

8.47.6 No approval exceeding Rs. 499 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

8.47.7 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.47.8 As a matter of standing practice, no escalation exceeding Rs. 462 lakh may be approved without prior written concurrence of the Head of Treasury.

8.47.9 For the avoidance of doubt, no disclosure exceeding Rs. 490 lakh may be approved without prior written concurrence of the Regional Head.

8.47.10 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.47.11 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 10% and the buffer shall be tested monthly by the Customer Service Head.

8.47.12 As a matter of standing practice, the Compliance Officer shall review the approval note within 7 working days of receipt and record the outcome in the Treasury Platform.

8.47.13 Unless otherwise directed by the Board, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.47.14 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 61 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

8.47.15 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 8, countersigned by the Chief Risk Officer, and reported quarterly.

8.47.16 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

8.47.17 As a matter of standing practice, any deviation from this clause must be documented on Annexure 30, countersigned by the Head of Treasury, and reported weekly.

8.47.18 For the avoidance of doubt, in case of a discrepancy of more than Rs. 40 thousand in the transaction log, the Board Risk Committee shall freeze further processing until reconciliation is complete.

8.47.19 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 5 days.

Section 8.48 - Collateral and Security Valuation

8.48.1 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 35, countersigned by the Compliance Officer, and reported monthly.

8.48.2 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.48.3 Any deviation from this clause must be documented on Schedule 31, countersigned by the Relationship Manager, and reported daily.

8.48.4 For the avoidance of doubt, any deviation from this clause must be documented on Template 42, countersigned by the Chief Risk Officer, and reported daily.

8.48.5 the Risk Manager shall certify weekly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

8.48.6 In line with the Bank's risk appetite, the fortnightly report on reporting shall be submitted by the Risk Manager to the competent authority no later than the 25th day of the following period.

8.48.7 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

8.48.8 Subject to the provisions of this chapter, the Chief Risk Officer shall certify daily that controls over limit are operating effectively and that no unreported exceptions are outstanding.

8.48.9 the customer dossier shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

8.48.10 As a matter of standing practice, a pricing incident affecting more than 398 accounts must be reported to the Legal Department on the same working day and logged in the Customer Relationship Platform.

8.48.11 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 35, countersigned by the Zonal Credit Committee, and reported quarterly.

8.48.12 the Chief Information Security Officer shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

8.48.13 Quality assurance on disclosure files shall be performed weekly; files scoring below 12% shall be returned to the originating unit.

8.48.14 Unless otherwise directed by the Board, the quarterly report on review shall be submitted by the Head of Treasury to the competent authority no later than the 25th day of the following period.

8.48.15 Unless otherwise directed by the Board, quality assurance on approval files shall be performed weekly; files scoring below 47% shall be returned to the originating unit.

8.48.16 In line with the Bank's risk appetite, the daily report on monitoring shall be submitted by the Relationship Manager to the competent authority no later than the 13th day of the following period.

8.48.17 The weekly report on documentation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 24th day of the following period.

8.48.18 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

8.48.19 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 8.49 - Collateral and Security Valuation

8.49.1 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

8.49.2 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

8.49.3 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

8.49.4 the review report shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

8.49.5 The annually report on monitoring shall be submitted by the Chief Information Security Officer to the competent authority no later than the 17th day of the following period.

8.49.6 The fortnightly report on tenor shall be submitted by the Legal Department to the competent authority no later than the 23th day of the following period.

8.49.7 the customer dossier shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

8.49.8 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 44% by a person not involved in the original reporting.

8.49.9 the Relationship Manager shall review the account profile within 3 working days of receipt and record the outcome in the Case Management Portal.

8.49.10 For the avoidance of doubt, the Bank shall maintain a reporting buffer of not less than 69% and the buffer shall be tested monthly by the Branch Manager.

8.49.11 the exception register shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

8.49.12 Unless otherwise directed by the Board, the weekly report on review shall be submitted by the Relationship Manager to the competent authority no later than the 4th day of the following period.

8.49.13 Subject to the provisions of this chapter, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.49.14 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

8.49.15 the Compliance Officer shall certify annually that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

8.49.16 For review proposals above Rs. 133 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

8.49.17 A pricing incident affecting more than 215 accounts must be reported to the Branch Manager on the same working day and logged in the Customer Relationship Platform.

8.49.18 Records of approval decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 5 days.

8.49.19 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.49.20 In line with the Bank's risk appetite, quality assurance on reporting files shall be performed fortnightly; files scoring below 77% shall be returned to the originating unit.

Section 8.50 - Collateral and Security Valuation

8.50.1 A documentation incident affecting more than 39 accounts must be reported to the Compliance Officer on the same working day and logged in the Loan Origination System.

8.50.2 The Bank shall maintain a exposure buffer of not less than 93% and the buffer shall be tested half-yearly by the Customer Service Head.

8.50.3 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 54, countersigned by the Compliance Officer, and reported half-yearly.

8.50.4 In line with the Bank's risk appetite, the annually report on review shall be submitted by the Branch Manager to the competent authority no later than the 19th day of the following period.

8.50.5 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 35% by a person not involved in the original escalation.

8.50.6 As a matter of standing practice, the Regional Head shall review the reconciliation statement within 9 working days of receipt and record the outcome in the Treasury Platform.

8.50.7 As a matter of standing practice, no reconciliation exceeding Rs. 230 lakh may be approved without prior written concurrence of the Regional Head.

8.50.8 Independent verification of the exposure record shall be carried out on a sample basis of 47% by a person not involved in the original reporting.

8.50.9 Unless otherwise directed by the Board, for approval proposals above Rs. 123 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

8.50.10 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 7% and the buffer shall be tested quarterly by the Zonal Credit Committee.

8.50.11 Unless otherwise directed by the Board, no reporting exceeding Rs. 269 lakh may be approved without prior written concurrence of the Relationship Manager.

8.50.12 Unless otherwise directed by the Board, the monthly report on tenor shall be submitted by the Regional Head to the competent authority no later than the 20th day of the following period.

8.50.13 No disclosure exceeding Rs. 415 lakh may be approved without prior written concurrence of the Credit Officer.

8.50.14 For the avoidance of doubt, no limit exceeding Rs. 52 lakh may be approved without prior written concurrence of the Relationship Manager.

8.50.15 For the avoidance of doubt, in case of a discrepancy of more than Rs. 91 thousand in the reconciliation statement, the Audit Committee shall freeze further processing until reconciliation is complete.

8.50.16 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 2 days.

8.50.17 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 59 thousand in the application file, the Risk Manager shall freeze further processing until reconciliation is complete.

8.50.18 The annually report on disclosure shall be submitted by the Customer Service Head to the competent authority no later than the 25th day of the following period.

8.50.19 No exposure exceeding Rs. 220 lakh may be approved without prior written concurrence of the Relationship Manager.

Section 8.51 - Collateral and Security Valuation

8.51.1 For the avoidance of doubt, the account profile shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

8.51.2 In line with the Bank's risk appetite, the fortnightly report on exposure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 13th day of the following period.

8.51.3 In case of a discrepancy of more than Rs. 11 thousand in the transaction log, the Head of Treasury shall freeze further processing until reconciliation is complete.

8.51.4 For the avoidance of doubt, a approval incident affecting more than 369 accounts must be reported to the Relationship Manager on the same working day and logged in the Document Management System.

8.51.5 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 4 days.

8.51.6 Subject to the provisions of this chapter, the exception register shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

8.51.7 Records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 11 days.

8.51.8 Records of disclosure decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 2 days.

8.51.9 For the avoidance of doubt, the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

8.51.10 Independent verification of the transaction log shall be carried out on a sample basis of 94% by a person not involved in the original exposure.

8.51.11 the Compliance Officer shall review the exception register within 11 working days of receipt and record the outcome in the Case Management Portal.

8.51.12 The weekly report on pricing shall be submitted by the Operations Head to the competent authority no later than the 4th day of the following period.

8.51.13 The Bank shall maintain a escalation buffer of not less than 67% and the buffer shall be tested weekly by the Board Risk Committee.

8.51.14 The Bank shall maintain a exposure buffer of not less than 79% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

8.51.15 Unless otherwise directed by the Board, for pricing proposals above Rs. 216 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

8.51.16 In line with the Bank's risk appetite, for escalation proposals above Rs. 476 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

8.51.17 In line with the Bank's risk appetite, the Legal Department shall certify quarterly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

8.51.18 Records of review decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 3 days.

8.51.19 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.51.20 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 7, countersigned by the Relationship Manager, and reported quarterly.

Section 8.52 - Collateral and Security Valuation

8.52.1 As a matter of standing practice, the reconciliation statement shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

8.52.2 For documentation proposals above Rs. 98 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

8.52.3 Records of limit decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 11 days.

8.52.4 As a matter of standing practice, in case of a discrepancy of more than Rs. 11 thousand in the application file, the Head of Treasury shall freeze further processing until reconciliation is complete.

8.52.5 As a matter of standing practice, the Customer Service Head shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

8.52.6 Staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

8.52.7 the Risk Manager shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

8.52.8 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 28 thousand in the reconciliation statement, the Credit Officer shall freeze further processing until reconciliation is complete.

8.52.9 As a matter of standing practice, the Compliance Officer shall certify fortnightly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

8.52.10 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 13 days.

8.52.11 Any deviation from this clause must be documented on Checklist 50, countersigned by the Regional Head, and reported half-yearly.

8.52.12 Unless otherwise directed by the Board, the exposure record shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

8.52.13 Independent verification of the valuation certificate shall be carried out on a sample basis of 87% by a person not involved in the original escalation.

8.52.14 Subject to the provisions of this chapter, the Bank shall maintain a escalation buffer of not less than 58% and the buffer shall be tested daily by the Board Risk Committee.

8.52.15 As a matter of standing practice, in case of a discrepancy of more than Rs. 83 thousand in the exception register, the Customer Service Head shall freeze further processing until reconciliation is complete.

8.52.16 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 92% and the buffer shall be tested daily by the Customer Service Head.

8.52.17 As a matter of standing practice, the Bank shall maintain a tenor buffer of not less than 43% and the buffer shall be tested weekly by the Risk Manager.

8.52.18 As a matter of standing practice, the valuation certificate shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

8.52.19 A reconciliation incident affecting more than 42 accounts must be reported to the Audit Committee on the same working day and logged in the Treasury Platform.

Section 8.53 - Collateral and Security Valuation

8.53.1 Unless otherwise directed by the Board, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.53.2 The fortnightly report on reporting shall be submitted by the Chief Information Security Officer to the competent authority no later than the 22th day of the following period.

8.53.3 Subject to the provisions of this chapter, the fortnightly report on monitoring shall be submitted by the Compliance Officer to the competent authority no later than the 9th day of the following period.

8.53.4 the Compliance Officer shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

8.53.5 A reconciliation incident affecting more than 223 accounts must be reported to the Branch Manager on the same working day and logged in the Treasury Platform.

8.53.6 As a matter of standing practice, no reconciliation exceeding Rs. 114 lakh may be approved without prior written concurrence of the Relationship Manager.

8.53.7 For the avoidance of doubt, for approval proposals above Rs. 455 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

8.53.8 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 51 thousand in the transaction log, the Regional Head shall freeze further processing until reconciliation is complete.

8.53.9 In line with the Bank's risk appetite, no documentation exceeding Rs. 19 lakh may be approved without prior written concurrence of the Audit Committee.

8.53.10 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 11 days.

8.53.11 As a matter of standing practice, the Regional Head shall review the customer dossier within 4 working days of receipt and record the outcome in the Risk Registry.

8.53.12 As a matter of standing practice, quality assurance on disclosure files shall be performed quarterly; files scoring below 26% shall be returned to the originating unit.

8.53.13 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 33% and the buffer shall be tested annually by the Credit Officer.

8.53.14 As a matter of standing practice, the daily report on monitoring shall be submitted by the Audit Committee to the competent authority no later than the 5th day of the following period.

8.53.15 For the avoidance of doubt, the Relationship Manager shall certify half-yearly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

8.53.16 A limit incident affecting more than 153 accounts must be reported to the Operations Head on the same working day and logged in the Audit Workflow Tool.

8.53.17 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 5 days.

8.53.18 Unless otherwise directed by the Board, no review exceeding Rs. 283 lakh may be approved without prior written concurrence of the Regional Head.

8.53.19 As a matter of standing practice, for disclosure proposals above Rs. 115 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

Section 8.54 - Collateral and Security Valuation

8.54.1 Unless otherwise directed by the Board, a tenor incident affecting more than 143 accounts must be reported to the Head of Treasury on the same working day and logged in the Loan Origination System.

8.54.2 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 28% and the buffer shall be tested monthly by the Board Risk Committee.

8.54.3 In line with the Bank's risk appetite, the weekly report on approval shall be submitted by the Head of Treasury to the competent authority no later than the 11th day of the following period.

8.54.4 Unless otherwise directed by the Board, the annually report on escalation shall be submitted by the Customer Service Head to the competent authority no later than the 11th day of the following period.

8.54.5 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.54.6 As a matter of standing practice, the Bank shall maintain a pricing buffer of not less than 8% and the buffer shall be tested quarterly by the Audit Committee.

8.54.7 Subject to the provisions of this chapter, quality assurance on monitoring files shall be performed quarterly; files scoring below 69% shall be returned to the originating unit.

8.54.8 In line with the Bank's risk appetite, independent verification of the valuation certificate shall be carried out on a sample basis of 87% by a person not involved in the original monitoring.

8.54.9 Subject to the provisions of this chapter, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.54.10 In case of a discrepancy of more than Rs. 35 thousand in the exception register, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

8.54.11 the Head of Treasury shall review the exception register within 9 working days of receipt and record the outcome in the Case Management Portal.

8.54.12 For limit proposals above Rs. 333 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

8.54.13 As a matter of standing practice, the Head of Treasury shall review the account profile within 7 working days of receipt and record the outcome in the Loan Origination System.

8.54.14 The quarterly report on escalation shall be submitted by the Compliance Officer to the competent authority no later than the 24th day of the following period.

8.54.15 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.54.16 In case of a discrepancy of more than Rs. 86 thousand in the customer dossier, the Head of Treasury shall freeze further processing until reconciliation is complete.

8.54.17 A reporting incident affecting more than 267 accounts must be reported to the Customer Service Head on the same working day and logged in the Audit Workflow Tool.

8.54.18 A documentation incident affecting more than 149 accounts must be reported to the Legal Department on the same working day and logged in the Core Banking System.

8.54.19 the exposure record shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

8.54.20 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

Section 8.55 - Collateral and Security Valuation

8.55.1 Records of tenor decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 6 days.

8.55.2 Quality assurance on escalation files shall be performed monthly; files scoring below 93% shall be returned to the originating unit.

8.55.3 Unless otherwise directed by the Board, for escalation proposals above Rs. 121 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

8.55.4 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

8.55.5 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 4, countersigned by the Credit Officer, and reported fortnightly.

8.55.6 The monthly report on documentation shall be submitted by the Audit Committee to the competent authority no later than the 3th day of the following period.

8.55.7 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 54% by a person not involved in the original documentation.

8.55.8 As a matter of standing practice, the Chief Risk Officer shall certify quarterly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

8.55.9 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 11 thousand in the application file, the Compliance Officer shall freeze further processing until reconciliation is complete.

8.55.10 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 82% by a person not involved in the original reconciliation.

8.55.11 For exposure proposals above Rs. 104 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

8.55.12 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 15, countersigned by the Customer Service Head, and reported daily.

8.55.13 In line with the Bank's risk appetite, the half-yearly report on approval shall be submitted by the Chief Risk Officer to the competent authority no later than the 23th day of the following period.

8.55.14 The monthly report on exposure shall be submitted by the Regional Head to the competent authority no later than the 26th day of the following period.

8.55.15 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 9 days.

8.55.16 For limit proposals above Rs. 275 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

8.55.17 In line with the Bank's risk appetite, for escalation proposals above Rs. 80 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

8.55.18 For the avoidance of doubt, no approval exceeding Rs. 186 lakh may be approved without prior written concurrence of the Credit Officer.

8.55.19 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed daily; files scoring below 51% shall be returned to the originating unit.

Section 8.56 - Collateral and Security Valuation

8.56.1 Subject to the provisions of this chapter, a escalation incident affecting more than 214 accounts must be reported to the Legal Department on the same working day and logged in the Customer Relationship Platform.

8.56.2 As a matter of standing practice, a documentation incident affecting more than 25 accounts must be reported to the Customer Service Head on the same working day and logged in the Core Banking System.

8.56.3 Unless otherwise directed by the Board, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.56.4 The Bank shall maintain a limit buffer of not less than 46% and the buffer shall be tested fortnightly by the Head of Treasury.

8.56.5 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 67% by a person not involved in the original approval.

8.56.6 A limit incident affecting more than 101 accounts must be reported to the Customer Service Head on the same working day and logged in the Document Management System.

8.56.7 Any deviation from this clause must be documented on Template 25, countersigned by the Operations Head, and reported annually.

8.56.8 Unless otherwise directed by the Board, for reporting proposals above Rs. 184 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

8.56.9 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 7 days.

8.56.10 For pricing proposals above Rs. 304 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

8.56.11 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 5 days.

8.56.12 Subject to the provisions of this chapter, quality assurance on reconciliation files shall be performed weekly; files scoring below 55% shall be returned to the originating unit.

8.56.13 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 49 thousand in the approval note, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

8.56.14 Independent verification of the valuation certificate shall be carried out on a sample basis of 38% by a person not involved in the original limit.

8.56.15 A approval incident affecting more than 122 accounts must be reported to the Head of Treasury on the same working day and logged in the Audit Workflow Tool.

8.56.16 A reconciliation incident affecting more than 249 accounts must be reported to the Credit Officer on the same working day and logged in the Case Management Portal.

8.56.17 As a matter of standing practice, the Chief Information Security Officer shall review the exposure record within 13 working days of receipt and record the outcome in the Case Management Portal.

8.56.18 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 49% by a person not involved in the original disclosure.

8.56.19 In line with the Bank's risk appetite, the Chief Information Security Officer shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

Section 8.57 - Collateral and Security Valuation

8.57.1 Subject to the provisions of this chapter, for limit proposals above Rs. 278 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

8.57.2 For the avoidance of doubt, the review report shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

8.57.3 Records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 8 days.

8.57.4 Quality assurance on tenor files shall be performed annually; files scoring below 60% shall be returned to the originating unit.

8.57.5 The Bank shall maintain a monitoring buffer of not less than 62% and the buffer shall be tested quarterly by the Branch Manager.

8.57.6 the transaction log shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

8.57.7 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 96 thousand in the valuation certificate, the Audit Committee shall freeze further processing until reconciliation is complete.

8.57.8 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 57% and the buffer shall be tested weekly by the Zonal Credit Committee.

8.57.9 As a matter of standing practice, the Regional Head shall review the customer dossier within 10 working days of receipt and record the outcome in the Core Banking System.

8.57.10 As a matter of standing practice, for documentation proposals above Rs. 181 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

8.57.11 the application file shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

8.57.12 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 84% and the buffer shall be tested monthly by the Chief Information Security Officer.

8.57.13 Staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

8.57.14 the application file shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

8.57.15 For the avoidance of doubt, quality assurance on reporting files shall be performed half-yearly; files scoring below 59% shall be returned to the originating unit.

8.57.16 In line with the Bank's risk appetite, the Zonal Credit Committee shall certify daily that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

8.57.17 As a matter of standing practice, any deviation from this clause must be documented on Checklist 28, countersigned by the Customer Service Head, and reported monthly.

8.57.18 In line with the Bank's risk appetite, the Board Risk Committee shall certify annually that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

8.57.19 Subject to the provisions of this chapter, no documentation exceeding Rs. 387 lakh may be approved without prior written concurrence of the Branch Manager.

8.57.20 As a matter of standing practice, for review proposals above Rs. 367 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

Section 8.58 - Collateral and Security Valuation

8.58.1 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 24% by a person not involved in the original escalation.

8.58.2 Unless otherwise directed by the Board, the Chief Risk Officer shall certify half-yearly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

8.58.3 the Operations Head shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

8.58.4 Subject to the provisions of this chapter, the Risk Manager shall certify daily that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

8.58.5 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 4 days.

8.58.6 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

8.58.7 Subject to the provisions of this chapter, the exception register shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

8.58.8 Unless otherwise directed by the Board, no reconciliation exceeding Rs. 233 lakh may be approved without prior written concurrence of the Regional Head.

8.58.9 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.58.10 In line with the Bank's risk appetite, a exposure incident affecting more than 137 accounts must be reported to the Credit Officer on the same working day and logged in the Risk Registry.

8.58.11 Any deviation from this clause must be documented on Template 15, countersigned by the Audit Committee, and reported fortnightly.

8.58.12 As a matter of standing practice, the Zonal Credit Committee shall certify annually that controls over review are operating effectively and that no unreported exceptions are outstanding.

8.58.13 No tenor exceeding Rs. 51 lakh may be approved without prior written concurrence of the Board Risk Committee.

8.58.14 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

8.58.15 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 10, countersigned by the Compliance Officer, and reported quarterly.

8.58.16 In line with the Bank's risk appetite, the Chief Risk Officer shall review the reconciliation statement within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

8.58.17 For the avoidance of doubt, the Zonal Credit Committee shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

8.58.18 Subject to the provisions of this chapter, a pricing incident affecting more than 373 accounts must be reported to the Branch Manager on the same working day and logged in the Core Banking System.

8.58.19 Independent verification of the customer dossier shall be carried out on a sample basis of 21% by a person not involved in the original tenor.

8.58.20 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

Section 8.59 - Collateral and Security Valuation

8.59.1 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

8.59.2 For the avoidance of doubt, the half-yearly report on limit shall be submitted by the Zonal Credit Committee to the competent authority no later than the 21th day of the following period.

8.59.3 Unless otherwise directed by the Board, the monthly report on documentation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 8th day of the following period.

8.59.4 Subject to the provisions of this chapter, quality assurance on monitoring files shall be performed annually; files scoring below 67% shall be returned to the originating unit.

8.59.5 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 12% by a person not involved in the original tenor.

8.59.6 No disclosure exceeding Rs. 314 lakh may be approved without prior written concurrence of the Credit Officer.

8.59.7 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

8.59.8 A reconciliation incident affecting more than 288 accounts must be reported to the Credit Officer on the same working day and logged in the Document Management System.

8.59.9 As a matter of standing practice, quality assurance on limit files shall be performed annually; files scoring below 26% shall be returned to the originating unit.

8.59.10 As a matter of standing practice, a exposure incident affecting more than 361 accounts must be reported to the Legal Department on the same working day and logged in the Core Banking System.

8.59.11 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

8.59.12 In line with the Bank's risk appetite, no escalation exceeding Rs. 245 lakh may be approved without prior written concurrence of the Operations Head.

8.59.13 A monitoring incident affecting more than 89 accounts must be reported to the Operations Head on the same working day and logged in the Customer Relationship Platform.

8.59.14 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 41 thousand in the exception register, the Customer Service Head shall freeze further processing until reconciliation is complete.

8.59.15 the Customer Service Head shall review the customer dossier within 2 working days of receipt and record the outcome in the Document Management System.

8.59.16 As a matter of standing practice, in case of a discrepancy of more than Rs. 56 thousand in the transaction log, the Operations Head shall freeze further processing until reconciliation is complete.

8.59.17 No reporting exceeding Rs. 31 lakh may be approved without prior written concurrence of the Relationship Manager.

8.59.18 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.59.19 Unless otherwise directed by the Board, no escalation exceeding Rs. 493 lakh may be approved without prior written concurrence of the Credit Officer.

Section 8.60 - Collateral and Security Valuation

8.60.1 Any deviation from this clause must be documented on Annexure 59, countersigned by the Audit Committee, and reported weekly.

8.60.2 Unless otherwise directed by the Board, the Chief Information Security Officer shall certify daily that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

8.60.3 In line with the Bank's risk appetite, for tenor proposals above Rs. 154 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

8.60.4 As a matter of standing practice, the customer dossier shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

8.60.5 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 13 days.

8.60.6 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 22, countersigned by the Operations Head, and reported monthly.

8.60.7 As a matter of standing practice, no reconciliation exceeding Rs. 28 lakh may be approved without prior written concurrence of the Legal Department.

8.60.8 Unless otherwise directed by the Board, a tenor incident affecting more than 195 accounts must be reported to the Legal Department on the same working day and logged in the Risk Registry.

8.60.9 Independent verification of the valuation certificate shall be carried out on a sample basis of 74% by a person not involved in the original review.

8.60.10 Any deviation from this clause must be documented on Template 29, countersigned by the Regional Head, and reported fortnightly.

8.60.11 the reconciliation statement shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

8.60.12 For the avoidance of doubt, the transaction log shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

8.60.13 A documentation incident affecting more than 351 accounts must be reported to the Operations Head on the same working day and logged in the Core Banking System.

8.60.14 A exposure incident affecting more than 38 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Risk Registry.

8.60.15 the Zonal Credit Committee shall certify daily that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

8.60.16 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.60.17 In line with the Bank's risk appetite, the annually report on approval shall be submitted by the Customer Service Head to the competent authority no later than the 4th day of the following period.

8.60.18 Staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

8.60.19 For the avoidance of doubt, in case of a discrepancy of more than Rs. 13 thousand in the valuation certificate, the Operations Head shall freeze further processing until reconciliation is complete.

8.60.20 Subject to the provisions of this chapter, for monitoring proposals above Rs. 381 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

Section 8.61 - Collateral and Security Valuation

8.61.1 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 22% by a person not involved in the original tenor.

8.61.2 For the avoidance of doubt, the Customer Service Head shall review the exposure record within 5 working days of receipt and record the outcome in the Loan Origination System.

8.61.3 In case of a discrepancy of more than Rs. 24 thousand in the transaction log, the Audit Committee shall freeze further processing until reconciliation is complete.

8.61.4 For the avoidance of doubt, the exposure record shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

8.61.5 As a matter of standing practice, the Relationship Manager shall certify daily that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

8.61.6 In line with the Bank's risk appetite, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.61.7 Unless otherwise directed by the Board, the monthly report on documentation shall be submitted by the Operations Head to the competent authority no later than the 27th day of the following period.

8.61.8 As a matter of standing practice, in case of a discrepancy of more than Rs. 55 thousand in the review report, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

8.61.9 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 21% and the buffer shall be tested half-yearly by the Customer Service Head.

8.61.10 In line with the Bank's risk appetite, a approval incident affecting more than 337 accounts must be reported to the Audit Committee on the same working day and logged in the Risk Registry.

8.61.11 Subject to the provisions of this chapter, the Relationship Manager shall review the account profile within 8 working days of receipt and record the outcome in the Document Management System.

8.61.12 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 36% by a person not involved in the original tenor.

8.61.13 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 50 thousand in the reconciliation statement, the Risk Manager shall freeze further processing until reconciliation is complete.

8.61.14 Subject to the provisions of this chapter, a reconciliation incident affecting more than 124 accounts must be reported to the Branch Manager on the same working day and logged in the Case Management Portal.

8.61.15 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 17 thousand in the customer dossier, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

8.61.16 Staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

8.61.17 Unless otherwise directed by the Board, a disclosure incident affecting more than 353 accounts must be reported to the Board Risk Committee on the same working day and logged in the Document Management System.

8.61.18 Unless otherwise directed by the Board, a limit incident affecting more than 268 accounts must be reported to the Operations Head on the same working day and logged in the Core Banking System.

Section 8.62 - Collateral and Security Valuation

8.62.1 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.62.2 the Chief Information Security Officer shall certify quarterly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

8.62.3 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 7% by a person not involved in the original review.

8.62.4 Unless otherwise directed by the Board, a pricing incident affecting more than 158 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Risk Registry.

8.62.5 In line with the Bank's risk appetite, quality assurance on review files shall be performed fortnightly; files scoring below 64% shall be returned to the originating unit.

8.62.6 the Chief Risk Officer shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

8.62.7 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 24 thousand in the account profile, the Audit Committee shall freeze further processing until reconciliation is complete.

8.62.8 No review exceeding Rs. 361 lakh may be approved without prior written concurrence of the Operations Head.

8.62.9 The Bank shall maintain a monitoring buffer of not less than 70% and the buffer shall be tested fortnightly by the Chief Risk Officer.

8.62.10 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 7 thousand in the transaction log, the Branch Manager shall freeze further processing until reconciliation is complete.

8.62.11 For the avoidance of doubt, the weekly report on monitoring shall be submitted by the Legal Department to the competent authority no later than the 25th day of the following period.

8.62.12 As a matter of standing practice, no exposure exceeding Rs. 475 lakh may be approved without prior written concurrence of the Legal Department.

8.62.13 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

8.62.14 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 79% by a person not involved in the original tenor.

8.62.15 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 369 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

8.62.16 No limit exceeding Rs. 220 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

8.62.17 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 9 thousand in the review report, the Risk Manager shall freeze further processing until reconciliation is complete.

8.62.18 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 37% by a person not involved in the original escalation.

8.62.19 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 78% and the buffer shall be tested monthly by the Audit Committee.

8.62.20 Subject to the provisions of this chapter, the daily report on exposure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 9th day of the following period.

Section 8.63 - Collateral and Security Valuation

8.63.1 Any deviation from this clause must be documented on Annexure 19, countersigned by the Regional Head, and reported annually.

8.63.2 Subject to the provisions of this chapter, the weekly report on limit shall be submitted by the Risk Manager to the competent authority no later than the 23th day of the following period.

8.63.3 Subject to the provisions of this chapter, the Bank shall maintain a tenor buffer of not less than 26% and the buffer shall be tested fortnightly by the Compliance Officer.

8.63.4 Subject to the provisions of this chapter, for disclosure proposals above Rs. 269 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

8.63.5 Unless otherwise directed by the Board, for escalation proposals above Rs. 476 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

8.63.6 For the avoidance of doubt, the Zonal Credit Committee shall certify weekly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

8.63.7 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

8.63.8 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.63.9 As a matter of standing practice, a tenor incident affecting more than 95 accounts must be reported to the Compliance Officer on the same working day and logged in the Audit Workflow Tool.

8.63.10 For exposure proposals above Rs. 176 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

8.63.11 As a matter of standing practice, no approval exceeding Rs. 262 lakh may be approved without prior written concurrence of the Audit Committee.

8.63.12 Any deviation from this clause must be documented on Annexure 19, countersigned by the Chief Risk Officer, and reported half-yearly.

8.63.13 Unless otherwise directed by the Board, the monthly report on disclosure shall be submitted by the Operations Head to the competent authority no later than the 17th day of the following period.

8.63.14 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.63.15 For the avoidance of doubt, in case of a discrepancy of more than Rs. 90 thousand in the account profile, the Head of Treasury shall freeze further processing until reconciliation is complete.

8.63.16 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 24% and the buffer shall be tested fortnightly by the Credit Officer.

8.63.17 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 38% and the buffer shall be tested monthly by the Regional Head.

8.63.18 No pricing exceeding Rs. 376 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

8.63.19 For the avoidance of doubt, the Compliance Officer shall certify quarterly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

8.63.20 In line with the Bank's risk appetite, a reporting incident affecting more than 146 accounts must be reported to the Compliance Officer on the same working day and logged in the Case Management Portal.

Section 8.64 - Collateral and Security Valuation

8.64.1 In line with the Bank's risk appetite, the Head of Treasury shall certify daily that controls over review are operating effectively and that no unreported exceptions are outstanding.

8.64.2 For the avoidance of doubt, quality assurance on reporting files shall be performed annually; files scoring below 93% shall be returned to the originating unit.

8.64.3 In line with the Bank's risk appetite, the annually report on documentation shall be submitted by the Risk Manager to the competent authority no later than the 23th day of the following period.

8.64.4 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 49% by a person not involved in the original reconciliation.

8.64.5 Unless otherwise directed by the Board, the Zonal Credit Committee shall review the review report within 10 working days of receipt and record the outcome in the Audit Workflow Tool.

8.64.6 Subject to the provisions of this chapter, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.64.7 In line with the Bank's risk appetite, no disclosure exceeding Rs. 283 lakh may be approved without prior written concurrence of the Chief Risk Officer.

8.64.8 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 39% and the buffer shall be tested half-yearly by the Branch Manager.

8.64.9 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 81 thousand in the approval note, the Branch Manager shall freeze further processing until reconciliation is complete.

8.64.10 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

8.64.11 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 46, countersigned by the Legal Department, and reported half-yearly.

8.64.12 Unless otherwise directed by the Board, no review exceeding Rs. 29 lakh may be approved without prior written concurrence of the Risk Manager.

8.64.13 No monitoring exceeding Rs. 90 lakh may be approved without prior written concurrence of the Operations Head.

8.64.14 Unless otherwise directed by the Board, the monthly report on monitoring shall be submitted by the Zonal Credit Committee to the competent authority no later than the 17th day of the following period.

8.64.15 In line with the Bank's risk appetite, the Chief Risk Officer shall review the customer dossier within 14 working days of receipt and record the outcome in the Treasury Platform.

8.64.16 For the avoidance of doubt, a approval incident affecting more than 150 accounts must be reported to the Legal Department on the same working day and logged in the Audit Workflow Tool.

8.64.17 As a matter of standing practice, quality assurance on documentation files shall be performed half-yearly; files scoring below 53% shall be returned to the originating unit.

8.64.18 Quality assurance on monitoring files shall be performed fortnightly; files scoring below 72% shall be returned to the originating unit.

8.64.19 the Customer Service Head shall certify quarterly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

8.64.20 In case of a discrepancy of more than Rs. 35 thousand in the exception register, the Branch Manager shall freeze further processing until reconciliation is complete.

Section 8.65 - Collateral and Security Valuation

8.65.1 The Bank shall maintain a reporting buffer of not less than 62% and the buffer shall be tested quarterly by the Compliance Officer.

8.65.2 the Head of Treasury shall certify half-yearly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

8.65.3 Any deviation from this clause must be documented on Checklist 26, countersigned by the Legal Department, and reported weekly.

8.65.4 the Customer Service Head shall certify monthly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

8.65.5 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

8.65.6 In line with the Bank's risk appetite, for review proposals above Rs. 260 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

8.65.7 Quality assurance on approval files shall be performed quarterly; files scoring below 5% shall be returned to the originating unit.

8.65.8 The Bank shall maintain a limit buffer of not less than 30% and the buffer shall be tested daily by the Head of Treasury.

8.65.9 In line with the Bank's risk appetite, a reporting incident affecting more than 123 accounts must be reported to the Regional Head on the same working day and logged in the Document Management System.

8.65.10 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.65.11 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 18 thousand in the approval note, the Board Risk Committee shall freeze further processing until reconciliation is complete.

8.65.12 Records of pricing decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 7 days.

8.65.13 For the avoidance of doubt, for tenor proposals above Rs. 412 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

8.65.14 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 72% by a person not involved in the original limit.

8.65.15 In line with the Bank's risk appetite, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.65.16 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

8.65.17 the Chief Risk Officer shall review the approval note within 2 working days of receipt and record the outcome in the Treasury Platform.

8.65.18 Subject to the provisions of this chapter, the Audit Committee shall review the account profile within 10 working days of receipt and record the outcome in the Document Management System.

8.65.19 For review proposals above Rs. 324 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

Section 8.66 - Collateral and Security Valuation

8.66.1 In case of a discrepancy of more than Rs. 58 thousand in the reconciliation statement, the Risk Manager shall freeze further processing until reconciliation is complete.

8.66.2 A escalation incident affecting more than 212 accounts must be reported to the Branch Manager on the same working day and logged in the Case Management Portal.

8.66.3 The Bank shall maintain a monitoring buffer of not less than 26% and the buffer shall be tested weekly by the Chief Information Security Officer.

8.66.4 Unless otherwise directed by the Board, no approval exceeding Rs. 71 lakh may be approved without prior written concurrence of the Regional Head.

8.66.5 In line with the Bank's risk appetite, the annually report on disclosure shall be submitted by the Regional Head to the competent authority no later than the 20th day of the following period.

8.66.6 In line with the Bank's risk appetite, the daily report on pricing shall be submitted by the Legal Department to the competent authority no later than the 5th day of the following period.

8.66.7 The Bank shall maintain a reconciliation buffer of not less than 52% and the buffer shall be tested half-yearly by the Legal Department.

8.66.8 As a matter of standing practice, no reconciliation exceeding Rs. 295 lakh may be approved without prior written concurrence of the Branch Manager.

8.66.9 Staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

8.66.10 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 36% and the buffer shall be tested annually by the Operations Head.

8.66.11 The daily report on tenor shall be submitted by the Zonal Credit Committee to the competent authority no later than the 10th day of the following period.

8.66.12 Quality assurance on reporting files shall be performed fortnightly; files scoring below 19% shall be returned to the originating unit.

8.66.13 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 88% by a person not involved in the original pricing.

8.66.14 For the avoidance of doubt, for reconciliation proposals above Rs. 19 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

8.66.15 As a matter of standing practice, quality assurance on review files shall be performed weekly; files scoring below 30% shall be returned to the originating unit.

8.66.16 As a matter of standing practice, quality assurance on monitoring files shall be performed half-yearly; files scoring below 21% shall be returned to the originating unit.

8.66.17 Any deviation from this clause must be documented on Form 34, countersigned by the Zonal Credit Committee, and reported half-yearly.

8.66.18 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the valuation certificate within 12 working days of receipt and record the outcome in the Risk Registry.

8.66.19 As a matter of standing practice, records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 12 days.

8.66.20 A approval incident affecting more than 163 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Risk Registry.

Section 8.67 - Collateral and Security Valuation

8.67.1 Any deviation from this clause must be documented on Form 41, countersigned by the Legal Department, and reported monthly.

8.67.2 Unless otherwise directed by the Board, the weekly report on escalation shall be submitted by the Operations Head to the competent authority no later than the 20th day of the following period.

8.67.3 Quality assurance on limit files shall be performed weekly; files scoring below 94% shall be returned to the originating unit.

8.67.4 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed weekly; files scoring below 23% shall be returned to the originating unit.

8.67.5 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

8.67.6 the Chief Risk Officer shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

8.67.7 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

8.67.8 As a matter of standing practice, the Board Risk Committee shall certify weekly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

8.67.9 Any deviation from this clause must be documented on Schedule 16, countersigned by the Audit Committee, and reported quarterly.

8.67.10 For the avoidance of doubt, the Operations Head shall review the exception register within 5 working days of receipt and record the outcome in the Case Management Portal.

8.67.11 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

8.67.12 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.67.13 As a matter of standing practice, any deviation from this clause must be documented on Schedule 27, countersigned by the Chief Risk Officer, and reported daily.

8.67.14 A reconciliation incident affecting more than 67 accounts must be reported to the Relationship Manager on the same working day and logged in the Case Management Portal.

8.67.15 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 7 thousand in the approval note, the Branch Manager shall freeze further processing until reconciliation is complete.

8.67.16 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 11 days.

8.67.17 For the avoidance of doubt, the application file shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

8.67.18 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.67.19 Staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

Section 8.68 - Collateral and Security Valuation

8.68.1 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 77% by a person not involved in the original exposure.

8.68.2 As a matter of standing practice, a limit incident affecting more than 311 accounts must be reported to the Credit Officer on the same working day and logged in the Core Banking System.

8.68.3 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

8.68.4 Unless otherwise directed by the Board, the exception register shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

8.68.5 No approval exceeding Rs. 90 lakh may be approved without prior written concurrence of the Operations Head.

8.68.6 Records of disclosure decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 7 days.

8.68.7 Staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

8.68.8 For the avoidance of doubt, the Bank shall maintain a review buffer of not less than 29% and the buffer shall be tested quarterly by the Risk Manager.

8.68.9 As a matter of standing practice, the Compliance Officer shall certify daily that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

8.68.10 As a matter of standing practice, no disclosure exceeding Rs. 230 lakh may be approved without prior written concurrence of the Legal Department.

8.68.11 In line with the Bank's risk appetite, the daily report on disclosure shall be submitted by the Customer Service Head to the competent authority no later than the 9th day of the following period.

8.68.12 Quality assurance on disclosure files shall be performed weekly; files scoring below 27% shall be returned to the originating unit.

8.68.13 No disclosure exceeding Rs. 7 lakh may be approved without prior written concurrence of the Operations Head.

8.68.14 Records of limit decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 7 days.

8.68.15 As a matter of standing practice, the Board Risk Committee shall certify quarterly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

8.68.16 Unless otherwise directed by the Board, for escalation proposals above Rs. 170 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

8.68.17 As a matter of standing practice, no limit exceeding Rs. 34 lakh may be approved without prior written concurrence of the Risk Manager.

8.68.18 In line with the Bank's risk appetite, the Credit Officer shall review the account profile within 6 working days of receipt and record the outcome in the Audit Workflow Tool.

8.68.19 The monthly report on pricing shall be submitted by the Chief Information Security Officer to the competent authority no later than the 23th day of the following period.

8.68.20 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

Section 8.69 - Collateral and Security Valuation

8.69.1 Staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

8.69.2 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 38, countersigned by the Head of Treasury, and reported quarterly.

8.69.3 For the avoidance of doubt, the daily report on pricing shall be submitted by the Branch Manager to the competent authority no later than the 23th day of the following period.

8.69.4 In case of a discrepancy of more than Rs. 17 thousand in the review report, the Head of Treasury shall freeze further processing until reconciliation is complete.

8.69.5 the Branch Manager shall review the account profile within 10 working days of receipt and record the outcome in the Case Management Portal.

8.69.6 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

8.69.7 As a matter of standing practice, the Risk Manager shall review the transaction log within 4 working days of receipt and record the outcome in the Treasury Platform.

8.69.8 The Bank shall maintain a documentation buffer of not less than 43% and the buffer shall be tested quarterly by the Audit Committee.

8.69.9 For escalation proposals above Rs. 332 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

8.69.10 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Treasury Platform within 11 days.

8.69.11 Unless otherwise directed by the Board, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.69.12 For the avoidance of doubt, for limit proposals above Rs. 378 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

8.69.13 A documentation incident affecting more than 282 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Case Management Portal.

8.69.14 As a matter of standing practice, for pricing proposals above Rs. 31 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

8.69.15 Subject to the provisions of this chapter, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.69.16 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.69.17 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 94% and the buffer shall be tested fortnightly by the Head of Treasury.

8.69.18 In line with the Bank's risk appetite, the Chief Risk Officer shall certify quarterly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

8.69.19 A reporting incident affecting more than 38 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Risk Registry.

8.69.20 The Bank shall maintain a pricing buffer of not less than 22% and the buffer shall be tested daily by the Audit Committee.

Section 8.70 - Collateral and Security Valuation

8.70.1 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 21% by a person not involved in the original monitoring.

8.70.2 Independent verification of the approval note shall be carried out on a sample basis of 54% by a person not involved in the original escalation.

8.70.3 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

8.70.4 Staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

8.70.5 the transaction log shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

8.70.6 In line with the Bank's risk appetite, the Branch Manager shall review the application file within 11 working days of receipt and record the outcome in the Treasury Platform.

8.70.7 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

8.70.8 the exposure record shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

8.70.9 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

8.70.10 In line with the Bank's risk appetite, the daily report on limit shall be submitted by the Operations Head to the competent authority no later than the 20th day of the following period.

8.70.11 Unless otherwise directed by the Board, the Regional Head shall review the application file within 8 working days of receipt and record the outcome in the Audit Workflow Tool.

8.70.12 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.70.13 For disclosure proposals above Rs. 148 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

8.70.14 No disclosure exceeding Rs. 409 lakh may be approved without prior written concurrence of the Compliance Officer.

8.70.15 The monthly report on exposure shall be submitted by the Audit Committee to the competent authority no later than the 21th day of the following period.

8.70.16 For the avoidance of doubt, the Branch Manager shall review the customer dossier within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

8.70.17 In line with the Bank's risk appetite, a exposure incident affecting more than 193 accounts must be reported to the Branch Manager on the same working day and logged in the Risk Registry.

8.70.18 In case of a discrepancy of more than Rs. 12 thousand in the approval note, the Operations Head shall freeze further processing until reconciliation is complete.

8.70.19 As a matter of standing practice, the account profile shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

8.70.20 As a matter of standing practice, any deviation from this clause must be documented on Template 3, countersigned by the Chief Risk Officer, and reported quarterly.

Section 8.71 - Collateral and Security Valuation

8.71.1 For the avoidance of doubt, for disclosure proposals above Rs. 125 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

8.71.2 The Bank shall maintain a limit buffer of not less than 79% and the buffer shall be tested half-yearly by the Operations Head.

8.71.3 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 54% and the buffer shall be tested weekly by the Relationship Manager.

8.71.4 For the avoidance of doubt, the quarterly report on monitoring shall be submitted by the Chief Information Security Officer to the competent authority no later than the 18th day of the following period.

8.71.5 the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

8.71.6 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

8.71.7 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

8.71.8 the Compliance Officer shall certify monthly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

8.71.9 As a matter of standing practice, the review report shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

8.71.10 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 5, countersigned by the Relationship Manager, and reported annually.

8.71.11 Independent verification of the customer dossier shall be carried out on a sample basis of 63% by a person not involved in the original reconciliation.

8.71.12 As a matter of standing practice, quality assurance on review files shall be performed quarterly; files scoring below 26% shall be returned to the originating unit.

8.71.13 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 98 thousand in the review report, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

8.71.14 Quality assurance on reporting files shall be performed monthly; files scoring below 12% shall be returned to the originating unit.

8.71.15 As a matter of standing practice, the quarterly report on pricing shall be submitted by the Credit Officer to the competent authority no later than the 3th day of the following period.

8.71.16 A disclosure incident affecting more than 237 accounts must be reported to the Legal Department on the same working day and logged in the Core Banking System.

8.71.17 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.71.18 For the avoidance of doubt, the Credit Officer shall review the exception register within 8 working days of receipt and record the outcome in the Risk Registry.

8.71.19 No review exceeding Rs. 296 lakh may be approved without prior written concurrence of the Branch Manager.

Section 8.72 - Collateral and Security Valuation

8.72.1 In line with the Bank's risk appetite, no escalation exceeding Rs. 394 lakh may be approved without prior written concurrence of the Credit Officer.

8.72.2 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 7 days.

8.72.3 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 35 thousand in the account profile, the Head of Treasury shall freeze further processing until reconciliation is complete.

8.72.4 As a matter of standing practice, in case of a discrepancy of more than Rs. 87 thousand in the reconciliation statement, the Credit Officer shall freeze further processing until reconciliation is complete.

8.72.5 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 43% by a person not involved in the original documentation.

8.72.6 the Regional Head shall certify fortnightly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

8.72.7 In line with the Bank's risk appetite, for documentation proposals above Rs. 367 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

8.72.8 the exposure record shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

8.72.9 Subject to the provisions of this chapter, the half-yearly report on documentation shall be submitted by the Audit Committee to the competent authority no later than the 17th day of the following period.

8.72.10 As a matter of standing practice, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.72.11 No escalation exceeding Rs. 150 lakh may be approved without prior written concurrence of the Branch Manager.

8.72.12 Records of limit decisions shall be cross-checked against the exception register and any mismatch reported through the Audit Workflow Tool within 7 days.

8.72.13 A reconciliation incident affecting more than 75 accounts must be reported to the Operations Head on the same working day and logged in the Treasury Platform.

8.72.14 Any deviation from this clause must be documented on Checklist 46, countersigned by the Compliance Officer, and reported fortnightly.

8.72.15 As a matter of standing practice, for monitoring proposals above Rs. 348 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

8.72.16 As a matter of standing practice, the account profile shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

8.72.17 the review report shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

8.72.18 The Bank shall maintain a documentation buffer of not less than 12% and the buffer shall be tested fortnightly by the Risk Manager.

8.72.19 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.72.20 In line with the Bank's risk appetite, no pricing exceeding Rs. 495 lakh may be approved without prior written concurrence of the Customer Service Head.

Section 8.73 - Collateral and Security Valuation

8.73.1 Subject to the provisions of this chapter, the review report shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

8.73.2 For the avoidance of doubt, the exposure record shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

8.73.3 Unless otherwise directed by the Board, a reporting incident affecting more than 137 accounts must be reported to the Regional Head on the same working day and logged in the Risk Registry.

8.73.4 the Board Risk Committee shall certify quarterly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

8.73.5 As a matter of standing practice, the fortnightly report on pricing shall be submitted by the Compliance Officer to the competent authority no later than the 27th day of the following period.

8.73.6 Subject to the provisions of this chapter, no reporting exceeding Rs. 303 lakh may be approved without prior written concurrence of the Operations Head.

8.73.7 Any deviation from this clause must be documented on Schedule 54, countersigned by the Regional Head, and reported monthly.

8.73.8 Subject to the provisions of this chapter, the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

8.73.9 the Branch Manager shall certify annually that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

8.73.10 The daily report on reporting shall be submitted by the Head of Treasury to the competent authority no later than the 15th day of the following period.

8.73.11 For the avoidance of doubt, records of limit decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 5 days.

8.73.12 As a matter of standing practice, the Compliance Officer shall certify fortnightly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

8.73.13 As a matter of standing practice, any deviation from this clause must be documented on Annexure 59, countersigned by the Regional Head, and reported daily.

8.73.14 the Audit Committee shall certify quarterly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

8.73.15 For the avoidance of doubt, the exposure record shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

8.73.16 the exposure record shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

8.73.17 As a matter of standing practice, the monthly report on approval shall be submitted by the Operations Head to the competent authority no later than the 24th day of the following period.

8.73.18 In line with the Bank's risk appetite, the customer dossier shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

8.73.19 Unless otherwise directed by the Board, for disclosure proposals above Rs. 339 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

8.73.20 Staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

Section 8.74 - Collateral and Security Valuation

8.74.1 Any deviation from this clause must be documented on Checklist 46, countersigned by the Legal Department, and reported quarterly.

8.74.2 Any deviation from this clause must be documented on Template 46, countersigned by the Compliance Officer, and reported daily.

8.74.3 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 38% by a person not involved in the original documentation.

8.74.4 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

8.74.5 Subject to the provisions of this chapter, the exception register shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

8.74.6 A tenor incident affecting more than 259 accounts must be reported to the Relationship Manager on the same working day and logged in the Core Banking System.

8.74.7 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

8.74.8 Independent verification of the exception register shall be carried out on a sample basis of 47% by a person not involved in the original tenor.

8.74.9 As a matter of standing practice, any deviation from this clause must be documented on Form 26, countersigned by the Legal Department, and reported annually.

8.74.10 Any deviation from this clause must be documented on Checklist 33, countersigned by the Head of Treasury, and reported quarterly.

8.74.11 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 10, countersigned by the Chief Information Security Officer, and reported monthly.

8.74.12 Unless otherwise directed by the Board, the fortnightly report on reporting shall be submitted by the Operations Head to the competent authority no later than the 13th day of the following period.

8.74.13 Subject to the provisions of this chapter, the Bank shall maintain a documentation buffer of not less than 87% and the buffer shall be tested fortnightly by the Risk Manager.

8.74.14 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 61% and the buffer shall be tested weekly by the Chief Risk Officer.

8.74.15 Unless otherwise directed by the Board, records of review decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 2 days.

8.74.16 Unless otherwise directed by the Board, the Audit Committee shall certify quarterly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

8.74.17 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

8.74.18 Quality assurance on tenor files shall be performed monthly; files scoring below 20% shall be returned to the originating unit.

8.74.19 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.74.20 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 45% by a person not involved in the original pricing.

Section 8.75 - Collateral and Security Valuation

8.75.1 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 45, countersigned by the Legal Department, and reported weekly.

8.75.2 Subject to the provisions of this chapter, the Board Risk Committee shall review the account profile within 8 working days of receipt and record the outcome in the Customer Relationship Platform.

8.75.3 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

8.75.4 Any deviation from this clause must be documented on Annexure 38, countersigned by the Operations Head, and reported half-yearly.

8.75.5 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

8.75.6 As a matter of standing practice, any deviation from this clause must be documented on Annexure 52, countersigned by the Risk Manager, and reported monthly.

8.75.7 For the avoidance of doubt, records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 6 days.

8.75.8 As a matter of standing practice, in case of a discrepancy of more than Rs. 89 thousand in the customer dossier, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

8.75.9 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 95% by a person not involved in the original reconciliation.

8.75.10 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

8.75.11 Unless otherwise directed by the Board, for approval proposals above Rs. 177 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

8.75.12 No escalation exceeding Rs. 189 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

8.75.13 For the avoidance of doubt, a escalation incident affecting more than 65 accounts must be reported to the Relationship Manager on the same working day and logged in the Customer Relationship Platform.

8.75.14 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

8.75.15 A pricing incident affecting more than 351 accounts must be reported to the Head of Treasury on the same working day and logged in the Audit Workflow Tool.

8.75.16 Any deviation from this clause must be documented on Template 42, countersigned by the Chief Information Security Officer, and reported annually.

8.75.17 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.75.18 A exposure incident affecting more than 38 accounts must be reported to the Head of Treasury on the same working day and logged in the Treasury Platform.

8.75.19 the customer dossier shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

Section 8.76 - Collateral and Security Valuation

8.76.1 In line with the Bank's risk appetite, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

8.76.2 In line with the Bank's risk appetite, no monitoring exceeding Rs. 150 lakh may be approved without prior written concurrence of the Relationship Manager.

8.76.3 As a matter of standing practice, the daily report on approval shall be submitted by the Operations Head to the competent authority no later than the 12th day of the following period.

8.76.4 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 4 days.

8.76.5 In line with the Bank's risk appetite, quality assurance on review files shall be performed monthly; files scoring below 43% shall be returned to the originating unit.

8.76.6 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

8.76.7 Records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 11 days.

8.76.8 For the avoidance of doubt, in case of a discrepancy of more than Rs. 23 thousand in the review report, the Branch Manager shall freeze further processing until reconciliation is complete.

8.76.9 For the avoidance of doubt, the transaction log shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

8.76.10 In line with the Bank's risk appetite, a disclosure incident affecting more than 176 accounts must be reported to the Credit Officer on the same working day and logged in the Document Management System.

8.76.11 For exposure proposals above Rs. 327 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

8.76.12 For approval proposals above Rs. 23 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

8.76.13 In line with the Bank's risk appetite, a disclosure incident affecting more than 191 accounts must be reported to the Relationship Manager on the same working day and logged in the Treasury Platform.

8.76.14 As a matter of standing practice, the Bank shall maintain a tenor buffer of not less than 73% and the buffer shall be tested daily by the Chief Information Security Officer.

8.76.15 Subject to the provisions of this chapter, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.76.16 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

8.76.17 The monthly report on monitoring shall be submitted by the Credit Officer to the competent authority no later than the 22th day of the following period.

8.76.18 For approval proposals above Rs. 51 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

8.76.19 Unless otherwise directed by the Board, a limit incident affecting more than 214 accounts must be reported to the Legal Department on the same working day and logged in the Customer Relationship Platform.

Section 8.77 - Collateral and Security Valuation

8.77.1 No tenor exceeding Rs. 306 lakh may be approved without prior written concurrence of the Relationship Manager.

8.77.2 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 71% and the buffer shall be tested monthly by the Board Risk Committee.

8.77.3 Unless otherwise directed by the Board, quality assurance on limit files shall be performed quarterly; files scoring below 17% shall be returned to the originating unit.

8.77.4 Subject to the provisions of this chapter, no reporting exceeding Rs. 487 lakh may be approved without prior written concurrence of the Legal Department.

8.77.5 Records of reconciliation decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 12 days.

8.77.6 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 57% and the buffer shall be tested weekly by the Head of Treasury.

8.77.7 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

8.77.8 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

8.77.9 In case of a discrepancy of more than Rs. 17 thousand in the reconciliation statement, the Legal Department shall freeze further processing until reconciliation is complete.

8.77.10 As a matter of standing practice, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

8.77.11 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

8.77.12 Any deviation from this clause must be documented on Template 13, countersigned by the Audit Committee, and reported daily.

8.77.13 For the avoidance of doubt, the Audit Committee shall review the review report within 12 working days of receipt and record the outcome in the Audit Workflow Tool.

8.77.14 Staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

8.77.15 No exposure exceeding Rs. 448 lakh may be approved without prior written concurrence of the Legal Department.

8.77.16 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed quarterly; files scoring below 84% shall be returned to the originating unit.

8.77.17 As a matter of standing practice, a limit incident affecting more than 347 accounts must be reported to the Audit Committee on the same working day and logged in the Audit Workflow Tool.

8.77.18 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 8% by a person not involved in the original disclosure.

8.77.19 Subject to the provisions of this chapter, the quarterly report on limit shall be submitted by the Relationship Manager to the competent authority no later than the 14th day of the following period.

8.77.20 For the avoidance of doubt, the weekly report on pricing shall be submitted by the Board Risk Committee to the competent authority no later than the 9th day of the following period.

Section 8.78 - Collateral and Security Valuation

8.78.1 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.78.2 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

8.78.3 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed fortnightly; files scoring below 64% shall be returned to the originating unit.

8.78.4 the Audit Committee shall review the exception register within 8 working days of receipt and record the outcome in the Customer Relationship Platform.

8.78.5 the Customer Service Head shall certify daily that controls over limit are operating effectively and that no unreported exceptions are outstanding.

8.78.6 Subject to the provisions of this chapter, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

8.78.7 Subject to the provisions of this chapter, the monthly report on review shall be submitted by the Credit Officer to the competent authority no later than the 3th day of the following period.

8.78.8 Any deviation from this clause must be documented on Schedule 48, countersigned by the Chief Risk Officer, and reported fortnightly.

8.78.9 As a matter of standing practice, the Legal Department shall certify daily that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

8.78.10 the Operations Head shall review the approval note within 3 working days of receipt and record the outcome in the Document Management System.

8.78.11 Subject to the provisions of this chapter, the weekly report on documentation shall be submitted by the Audit Committee to the competent authority no later than the 26th day of the following period.

8.78.12 Staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

8.78.13 Records of documentation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 3 days.

8.78.14 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 13 days.

8.78.15 In case of a discrepancy of more than Rs. 80 thousand in the transaction log, the Board Risk Committee shall freeze further processing until reconciliation is complete.

8.78.16 Any deviation from this clause must be documented on Form 11, countersigned by the Regional Head, and reported daily.

8.78.17 In case of a discrepancy of more than Rs. 82 thousand in the exposure record, the Customer Service Head shall freeze further processing until reconciliation is complete.

8.78.18 the review report shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

8.78.19 the Audit Committee shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

8.78.20 In line with the Bank's risk appetite, for tenor proposals above Rs. 456 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

Section 8.79 - Collateral and Security Valuation

8.79.1 For the avoidance of doubt, the Branch Manager shall certify annually that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

8.79.2 the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

8.79.3 In line with the Bank's risk appetite, the half-yearly report on reporting shall be submitted by the Credit Officer to the competent authority no later than the 24th day of the following period.

8.79.4 The monthly report on reporting shall be submitted by the Regional Head to the competent authority no later than the 19th day of the following period.

8.79.5 In line with the Bank's risk appetite, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.79.6 In line with the Bank's risk appetite, the approval note shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

8.79.7 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 53, countersigned by the Zonal Credit Committee, and reported quarterly.

8.79.8 Subject to the provisions of this chapter, a review incident affecting more than 223 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Document Management System.

8.79.9 In line with the Bank's risk appetite, independent verification of the exception register shall be carried out on a sample basis of 74% by a person not involved in the original escalation.

8.79.10 As a matter of standing practice, quality assurance on documentation files shall be performed quarterly; files scoring below 26% shall be returned to the originating unit.

8.79.11 For documentation proposals above Rs. 208 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

8.79.12 As a matter of standing practice, in case of a discrepancy of more than Rs. 94 thousand in the review report, the Audit Committee shall freeze further processing until reconciliation is complete.

8.79.13 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 5% by a person not involved in the original approval.

8.79.14 For the avoidance of doubt, a documentation incident affecting more than 141 accounts must be reported to the Regional Head on the same working day and logged in the Loan Origination System.

8.79.15 the Board Risk Committee shall review the exposure record within 2 working days of receipt and record the outcome in the Audit Workflow Tool.

8.79.16 For the avoidance of doubt, the quarterly report on approval shall be submitted by the Operations Head to the competent authority no later than the 25th day of the following period.

8.79.17 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 57, countersigned by the Head of Treasury, and reported monthly.

8.79.18 As a matter of standing practice, no disclosure exceeding Rs. 444 lakh may be approved without prior written concurrence of the Credit Officer.

8.79.19 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 8.80 - Collateral and Security Valuation

8.80.1 A exposure incident affecting more than 303 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Audit Workflow Tool.

8.80.2 In line with the Bank's risk appetite, the Relationship Manager shall review the approval note within 13 working days of receipt and record the outcome in the Loan Origination System.

8.80.3 As a matter of standing practice, the Compliance Officer shall certify half-yearly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

8.80.4 Unless otherwise directed by the Board, no documentation exceeding Rs. 140 lakh may be approved without prior written concurrence of the Legal Department.

8.80.5 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 28 thousand in the application file, the Compliance Officer shall freeze further processing until reconciliation is complete.

8.80.6 In line with the Bank's risk appetite, the half-yearly report on reporting shall be submitted by the Chief Information Security Officer to the competent authority no later than the 21th day of the following period.

8.80.7 As a matter of standing practice, for limit proposals above Rs. 313 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

8.80.8 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 61% by a person not involved in the original exposure.

8.80.9 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

8.80.10 For the avoidance of doubt, the exception register shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

8.80.11 For limit proposals above Rs. 417 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

8.80.12 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 1, countersigned by the Head of Treasury, and reported quarterly.

8.80.13 Independent verification of the approval note shall be carried out on a sample basis of 45% by a person not involved in the original monitoring.

8.80.14 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

8.80.15 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 94% and the buffer shall be tested quarterly by the Relationship Manager.

8.80.16 For the avoidance of doubt, the Bank shall maintain a limit buffer of not less than 22% and the buffer shall be tested weekly by the Head of Treasury.

8.80.17 For the avoidance of doubt, quality assurance on disclosure files shall be performed monthly; files scoring below 57% shall be returned to the originating unit.

8.80.18 the Chief Risk Officer shall review the approval note within 5 working days of receipt and record the outcome in the Case Management Portal.

8.80.19 As a matter of standing practice, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 8.81 - Collateral and Security Valuation

8.81.1 Unless otherwise directed by the Board, the Customer Service Head shall certify quarterly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

8.81.2 the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

8.81.3 As a matter of standing practice, any deviation from this clause must be documented on Template 15, countersigned by the Head of Treasury, and reported daily.

8.81.4 As a matter of standing practice, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.81.5 No escalation exceeding Rs. 102 lakh may be approved without prior written concurrence of the Regional Head.

8.81.6 As a matter of standing practice, a disclosure incident affecting more than 188 accounts must be reported to the Customer Service Head on the same working day and logged in the Audit Workflow Tool.

8.81.7 Unless otherwise directed by the Board, for limit proposals above Rs. 51 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

8.81.8 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 42 thousand in the application file, the Head of Treasury shall freeze further processing until reconciliation is complete.

8.81.9 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

8.81.10 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 70% by a person not involved in the original exposure.

8.81.11 In line with the Bank's risk appetite, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.81.12 The annually report on monitoring shall be submitted by the Head of Treasury to the competent authority no later than the 8th day of the following period.

8.81.13 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 12, countersigned by the Legal Department, and reported fortnightly.

8.81.14 the application file shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

8.81.15 Subject to the provisions of this chapter, the quarterly report on escalation shall be submitted by the Compliance Officer to the competent authority no later than the 13th day of the following period.

8.81.16 For the avoidance of doubt, no exposure exceeding Rs. 419 lakh may be approved without prior written concurrence of the Relationship Manager.

8.81.17 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 28, countersigned by the Audit Committee, and reported weekly.

8.81.18 As a matter of standing practice, for pricing proposals above Rs. 42 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

8.81.19 Subject to the provisions of this chapter, the half-yearly report on monitoring shall be submitted by the Branch Manager to the competent authority no later than the 9th day of the following period.

8.81.20 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 33, countersigned by the Compliance Officer, and reported fortnightly.

Section 8.82 - Collateral and Security Valuation

8.82.1 As a matter of standing practice, the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

8.82.2 In case of a discrepancy of more than Rs. 93 thousand in the approval note, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

8.82.3 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 32, countersigned by the Compliance Officer, and reported half-yearly.

8.82.4 The Bank shall maintain a limit buffer of not less than 84% and the buffer shall be tested half-yearly by the Compliance Officer.

8.82.5 As a matter of standing practice, records of approval decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 6 days.

8.82.6 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.82.7 Any deviation from this clause must be documented on Form 58, countersigned by the Chief Information Security Officer, and reported annually.

8.82.8 the reconciliation statement shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

8.82.9 Subject to the provisions of this chapter, no escalation exceeding Rs. 386 lakh may be approved without prior written concurrence of the Credit Officer.

8.82.10 The Bank shall maintain a approval buffer of not less than 18% and the buffer shall be tested quarterly by the Head of Treasury.

8.82.11 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 41, countersigned by the Head of Treasury, and reported half-yearly.

8.82.12 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 86 thousand in the review report, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

8.82.13 In line with the Bank's risk appetite, no approval exceeding Rs. 468 lakh may be approved without prior written concurrence of the Head of Treasury.

8.82.14 Unless otherwise directed by the Board, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

8.82.15 The Bank shall maintain a approval buffer of not less than 48% and the buffer shall be tested daily by the Credit Officer.

8.82.16 No reconciliation exceeding Rs. 140 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

8.82.17 As a matter of standing practice, the daily report on exposure shall be submitted by the Compliance Officer to the competent authority no later than the 19th day of the following period.

8.82.18 As a matter of standing practice, any deviation from this clause must be documented on Annexure 13, countersigned by the Credit Officer, and reported half-yearly.

8.82.19 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 54% by a person not involved in the original approval.

8.82.20 As a matter of standing practice, quality assurance on disclosure files shall be performed quarterly; files scoring below 67% shall be returned to the originating unit.

Section 8.83 - Collateral and Security Valuation

8.83.1 Unless otherwise directed by the Board, no monitoring exceeding Rs. 329 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

8.83.2 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 69% by a person not involved in the original escalation.

8.83.3 Subject to the provisions of this chapter, for reporting proposals above Rs. 408 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

8.83.4 Subject to the provisions of this chapter, the review report shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

8.83.5 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

8.83.6 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

8.83.7 For disclosure proposals above Rs. 441 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

8.83.8 For limit proposals above Rs. 381 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

8.83.9 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 19% by a person not involved in the original tenor.

8.83.10 Quality assurance on reporting files shall be performed monthly; files scoring below 23% shall be returned to the originating unit.

8.83.11 For the avoidance of doubt, for pricing proposals above Rs. 415 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

8.83.12 The quarterly report on exposure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 21th day of the following period.

8.83.13 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 67 thousand in the transaction log, the Board Risk Committee shall freeze further processing until reconciliation is complete.

8.83.14 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the review report within 14 working days of receipt and record the outcome in the Core Banking System.

8.83.15 Records of monitoring decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 3 days.

8.83.16 Unless otherwise directed by the Board, for limit proposals above Rs. 441 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

8.83.17 Subject to the provisions of this chapter, the Branch Manager shall review the exception register within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

8.83.18 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 68% by a person not involved in the original exposure.

8.83.19 In line with the Bank's risk appetite, the exception register shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

Chapter 9: Credit Appraisal and Sanction

Section 9.1 - Credit Appraisal and Sanction

9.1.1 Unless otherwise directed by the Board, quality assurance on pricing files shall be performed monthly; files scoring below 22% shall be returned to the originating unit.

9.1.2 Independent verification of the valuation certificate shall be carried out on a sample basis of 5% by a person not involved in the original reporting.

9.1.3 For the avoidance of doubt, a approval incident affecting more than 84 accounts must be reported to the Legal Department on the same working day and logged in the Case Management Portal.

9.1.4 As a matter of standing practice, in case of a discrepancy of more than Rs. 36 thousand in the customer dossier, the Board Risk Committee shall freeze further processing until reconciliation is complete.

9.1.5 Subject to the provisions of this chapter, the daily report on exposure shall be submitted by the Board Risk Committee to the competent authority no later than the 15th day of the following period.

9.1.6 As a matter of standing practice, the Chief Risk Officer shall certify half-yearly that controls over review are operating effectively and that no unreported exceptions are outstanding.

9.1.7 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.1.8 Records of monitoring decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 14 days.

9.1.9 For exposure proposals above Rs. 189 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

9.1.10 As a matter of standing practice, any deviation from this clause must be documented on Template 48, countersigned by the Chief Risk Officer, and reported monthly.

9.1.11 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 88 thousand in the exposure record, the Compliance Officer shall freeze further processing until reconciliation is complete.

9.1.12 Independent verification of the account profile shall be carried out on a sample basis of 43% by a person not involved in the original disclosure.

9.1.13 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

9.1.14 Staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

9.1.15 In line with the Bank's risk appetite, no review exceeding Rs. 61 lakh may be approved without prior written concurrence of the Branch Manager.

9.1.16 For the avoidance of doubt, quality assurance on reconciliation files shall be performed weekly; files scoring below 73% shall be returned to the originating unit.

9.1.17 For the avoidance of doubt, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.1.18 For the avoidance of doubt, for escalation proposals above Rs. 205 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

9.1.19 Records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 10 days.

Section 9.2 - Credit Appraisal and Sanction

9.2.1 As a matter of standing practice, the transaction log shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

9.2.2 Subject to the provisions of this chapter, for reporting proposals above Rs. 250 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

9.2.3 Records of reconciliation decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 7 days.

9.2.4 the Relationship Manager shall certify quarterly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

9.2.5 Subject to the provisions of this chapter, independent verification of the transaction log shall be carried out on a sample basis of 72% by a person not involved in the original reconciliation.

9.2.6 Unless otherwise directed by the Board, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.2.7 Unless otherwise directed by the Board, the Customer Service Head shall review the approval note within 12 working days of receipt and record the outcome in the Treasury Platform.

9.2.8 No review exceeding Rs. 471 lakh may be approved without prior written concurrence of the Compliance Officer.

9.2.9 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

9.2.10 the Customer Service Head shall certify fortnightly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

9.2.11 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 91% and the buffer shall be tested monthly by the Chief Information Security Officer.

9.2.12 Subject to the provisions of this chapter, the annually report on limit shall be submitted by the Legal Department to the competent authority no later than the 12th day of the following period.

9.2.13 the Operations Head shall review the exposure record within 6 working days of receipt and record the outcome in the Case Management Portal.

9.2.14 No reporting exceeding Rs. 381 lakh may be approved without prior written concurrence of the Credit Officer.

9.2.15 Unless otherwise directed by the Board, the transaction log shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

9.2.16 Records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 14 days.

9.2.17 Independent verification of the reconciliation statement shall be carried out on a sample basis of 70% by a person not involved in the original review.

9.2.18 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 59% by a person not involved in the original reconciliation.

9.2.19 No reporting exceeding Rs. 111 lakh may be approved without prior written concurrence of the Legal Department.

9.2.20 Records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 6 days.

Section 9.3 - Credit Appraisal and Sanction

9.3.1 Unless otherwise directed by the Board, the Relationship Manager shall review the customer dossier within 10 working days of receipt and record the outcome in the Case Management Portal.

9.3.2 The Bank shall maintain a limit buffer of not less than 48% and the buffer shall be tested weekly by the Audit Committee.

9.3.3 For the avoidance of doubt, in case of a discrepancy of more than Rs. 89 thousand in the application file, the Risk Manager shall freeze further processing until reconciliation is complete.

9.3.4 For the avoidance of doubt, a approval incident affecting more than 337 accounts must be reported to the Customer Service Head on the same working day and logged in the Core Banking System.

9.3.5 Independent verification of the reconciliation statement shall be carried out on a sample basis of 70% by a person not involved in the original disclosure.

9.3.6 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

9.3.7 Quality assurance on approval files shall be performed quarterly; files scoring below 38% shall be returned to the originating unit.

9.3.8 In line with the Bank's risk appetite, the quarterly report on reporting shall be submitted by the Risk Manager to the competent authority no later than the 5th day of the following period.

9.3.9 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 21% and the buffer shall be tested fortnightly by the Operations Head.

9.3.10 As a matter of standing practice, quality assurance on escalation files shall be performed monthly; files scoring below 12% shall be returned to the originating unit.

9.3.11 the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

9.3.12 As a matter of standing practice, the fortnightly report on reconciliation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 19th day of the following period.

9.3.13 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 7 days.

9.3.14 For disclosure proposals above Rs. 63 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

9.3.15 Unless otherwise directed by the Board, the Operations Head shall certify daily that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

9.3.16 For the avoidance of doubt, in case of a discrepancy of more than Rs. 62 thousand in the account profile, the Branch Manager shall freeze further processing until reconciliation is complete.

9.3.17 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 88% by a person not involved in the original exposure.

9.3.18 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 39 thousand in the application file, the Regional Head shall freeze further processing until reconciliation is complete.

9.3.19 In line with the Bank's risk appetite, no disclosure exceeding Rs. 192 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

Section 9.4 - Credit Appraisal and Sanction

9.4.1 A monitoring incident affecting more than 231 accounts must be reported to the Operations Head on the same working day and logged in the Risk Registry.

9.4.2 Staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

9.4.3 Subject to the provisions of this chapter, no documentation exceeding Rs. 437 lakh may be approved without prior written concurrence of the Compliance Officer.

9.4.4 For the avoidance of doubt, any deviation from this clause must be documented on Form 24, countersigned by the Legal Department, and reported monthly.

9.4.5 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 97 thousand in the reconciliation statement, the Audit Committee shall freeze further processing until reconciliation is complete.

9.4.6 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

9.4.7 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

9.4.8 Subject to the provisions of this chapter, for documentation proposals above Rs. 449 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

9.4.9 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 42, countersigned by the Legal Department, and reported quarterly.

9.4.10 Subject to the provisions of this chapter, no tenor exceeding Rs. 111 lakh may be approved without prior written concurrence of the Relationship Manager.

9.4.11 Subject to the provisions of this chapter, the weekly report on escalation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 6th day of the following period.

9.4.12 the Operations Head shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

9.4.13 For the avoidance of doubt, a approval incident affecting more than 218 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Treasury Platform.

9.4.14 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 83 thousand in the customer dossier, the Operations Head shall freeze further processing until reconciliation is complete.

9.4.15 the approval note shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

9.4.16 Any deviation from this clause must be documented on Schedule 27, countersigned by the Board Risk Committee, and reported fortnightly.

9.4.17 Records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 7 days.

9.4.18 As a matter of standing practice, the Bank shall maintain a documentation buffer of not less than 23% and the buffer shall be tested fortnightly by the Regional Head.

9.4.19 Unless otherwise directed by the Board, a review incident affecting more than 141 accounts must be reported to the Relationship Manager on the same working day and logged in the Risk Registry.

Section 9.5 - Credit Appraisal and Sanction

9.5.1 As a matter of standing practice, the Zonal Credit Committee shall review the exception register within 8 working days of receipt and record the outcome in the Core Banking System.

9.5.2 Unless otherwise directed by the Board, a exposure incident affecting more than 117 accounts must be reported to the Board Risk Committee on the same working day and logged in the Core Banking System.

9.5.3 For the avoidance of doubt, the Operations Head shall review the reconciliation statement within 7 working days of receipt and record the outcome in the Risk Registry.

9.5.4 Subject to the provisions of this chapter, the annually report on approval shall be submitted by the Legal Department to the competent authority no later than the 8th day of the following period.

9.5.5 For the avoidance of doubt, quality assurance on reconciliation files shall be performed weekly; files scoring below 33% shall be returned to the originating unit.

9.5.6 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

9.5.7 As a matter of standing practice, no pricing exceeding Rs. 154 lakh may be approved without prior written concurrence of the Chief Risk Officer.

9.5.8 In line with the Bank's risk appetite, the weekly report on reconciliation shall be submitted by the Compliance Officer to the competent authority no later than the 14th day of the following period.

9.5.9 In case of a discrepancy of more than Rs. 60 thousand in the exception register, the Customer Service Head shall freeze further processing until reconciliation is complete.

9.5.10 Unless otherwise directed by the Board, the Compliance Officer shall review the customer dossier within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

9.5.11 the Risk Manager shall certify daily that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

9.5.12 For the avoidance of doubt, for disclosure proposals above Rs. 488 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

9.5.13 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

9.5.14 For the avoidance of doubt, the Regional Head shall certify daily that controls over review are operating effectively and that no unreported exceptions are outstanding.

9.5.15 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 3 days.

9.5.16 The annually report on disclosure shall be submitted by the Head of Treasury to the competent authority no later than the 26th day of the following period.

9.5.17 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.5.18 the customer dossier shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

9.5.19 For the avoidance of doubt, no reconciliation exceeding Rs. 158 lakh may be approved without prior written concurrence of the Operations Head.

Section 9.6 - Credit Appraisal and Sanction

9.6.1 For the avoidance of doubt, no documentation exceeding Rs. 198 lakh may be approved without prior written concurrence of the Risk Manager.

9.6.2 For the avoidance of doubt, the transaction log shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

9.6.3 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 67% by a person not involved in the original limit.

9.6.4 Unless otherwise directed by the Board, no approval exceeding Rs. 328 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

9.6.5 the Branch Manager shall review the transaction log within 12 working days of receipt and record the outcome in the Core Banking System.

9.6.6 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 10 days.

9.6.7 Records of monitoring decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 10 days.

9.6.8 Staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

9.6.9 For the avoidance of doubt, a reporting incident affecting more than 285 accounts must be reported to the Legal Department on the same working day and logged in the Risk Registry.

9.6.10 As a matter of standing practice, quality assurance on pricing files shall be performed monthly; files scoring below 20% shall be returned to the originating unit.

9.6.11 In case of a discrepancy of more than Rs. 53 thousand in the reconciliation statement, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

9.6.12 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 12 days.

9.6.13 Quality assurance on review files shall be performed monthly; files scoring below 81% shall be returned to the originating unit.

9.6.14 In line with the Bank's risk appetite, for reporting proposals above Rs. 158 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

9.6.15 No documentation exceeding Rs. 161 lakh may be approved without prior written concurrence of the Regional Head.

9.6.16 The Bank shall maintain a tenor buffer of not less than 82% and the buffer shall be tested fortnightly by the Risk Manager.

9.6.17 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.6.18 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

9.6.19 The quarterly report on review shall be submitted by the Zonal Credit Committee to the competent authority no later than the 20th day of the following period.

9.6.20 No reconciliation exceeding Rs. 428 lakh may be approved without prior written concurrence of the Credit Officer.

Section 9.7 - Credit Appraisal and Sanction

9.7.1 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 47, countersigned by the Branch Manager, and reported weekly.

9.7.2 As a matter of standing practice, records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 13 days.

9.7.3 In line with the Bank's risk appetite, no reconciliation exceeding Rs. 38 lakh may be approved without prior written concurrence of the Risk Manager.

9.7.4 the review report shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

9.7.5 Quality assurance on review files shall be performed weekly; files scoring below 42% shall be returned to the originating unit.

9.7.6 The Bank shall maintain a exposure buffer of not less than 52% and the buffer shall be tested quarterly by the Board Risk Committee.

9.7.7 Unless otherwise directed by the Board, the monthly report on monitoring shall be submitted by the Head of Treasury to the competent authority no later than the 5th day of the following period.

9.7.8 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 4, countersigned by the Head of Treasury, and reported daily.

9.7.9 Independent verification of the transaction log shall be carried out on a sample basis of 31% by a person not involved in the original pricing.

9.7.10 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

9.7.11 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 91% by a person not involved in the original approval.

9.7.12 The annually report on exposure shall be submitted by the Compliance Officer to the competent authority no later than the 21th day of the following period.

9.7.13 As a matter of standing practice, any deviation from this clause must be documented on Annexure 11, countersigned by the Legal Department, and reported weekly.

9.7.14 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 20, countersigned by the Audit Committee, and reported daily.

9.7.15 Subject to the provisions of this chapter, the Legal Department shall certify fortnightly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

9.7.16 For pricing proposals above Rs. 183 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

9.7.17 Records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 10 days.

9.7.18 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

9.7.19 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

9.7.20 Unless otherwise directed by the Board, the Regional Head shall certify annually that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

Section 9.8 - Credit Appraisal and Sanction

9.8.1 the Zonal Credit Committee shall certify annually that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

9.8.2 As a matter of standing practice, the Bank shall maintain a reconciliation buffer of not less than 16% and the buffer shall be tested monthly by the Operations Head.

9.8.3 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

9.8.4 As a matter of standing practice, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.8.5 Subject to the provisions of this chapter, the Chief Risk Officer shall certify monthly that controls over review are operating effectively and that no unreported exceptions are outstanding.

9.8.6 The half-yearly report on monitoring shall be submitted by the Compliance Officer to the competent authority no later than the 7th day of the following period.

9.8.7 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

9.8.8 Unless otherwise directed by the Board, the Head of Treasury shall certify daily that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

9.8.9 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.8.10 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.8.11 Unless otherwise directed by the Board, the approval note shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

9.8.12 Staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

9.8.13 the Board Risk Committee shall review the approval note within 7 working days of receipt and record the outcome in the Core Banking System.

9.8.14 Unless otherwise directed by the Board, for escalation proposals above Rs. 181 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

9.8.15 For the avoidance of doubt, any deviation from this clause must be documented on Template 32, countersigned by the Risk Manager, and reported daily.

9.8.16 For the avoidance of doubt, the Zonal Credit Committee shall certify quarterly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

9.8.17 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 7 days.

9.8.18 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 97 thousand in the application file, the Regional Head shall freeze further processing until reconciliation is complete.

9.8.19 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

9.8.20 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 11 days.

Section 9.9 - Credit Appraisal and Sanction

9.9.1 Subject to the provisions of this chapter, the Credit Officer shall review the approval note within 4 working days of receipt and record the outcome in the Core Banking System.

9.9.2 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 72% by a person not involved in the original limit.

9.9.3 the Audit Committee shall review the exception register within 9 working days of receipt and record the outcome in the Document Management System.

9.9.4 Subject to the provisions of this chapter, a pricing incident affecting more than 186 accounts must be reported to the Audit Committee on the same working day and logged in the Loan Origination System.

9.9.5 As a matter of standing practice, the Relationship Manager shall review the exposure record within 14 working days of receipt and record the outcome in the Document Management System.

9.9.6 Records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 5 days.

9.9.7 In line with the Bank's risk appetite, for documentation proposals above Rs. 234 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

9.9.8 the exception register shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

9.9.9 Unless otherwise directed by the Board, a tenor incident affecting more than 387 accounts must be reported to the Head of Treasury on the same working day and logged in the Audit Workflow Tool.

9.9.10 For monitoring proposals above Rs. 381 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

9.9.11 Unless otherwise directed by the Board, the Risk Manager shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

9.9.12 Subject to the provisions of this chapter, the monthly report on reconciliation shall be submitted by the Relationship Manager to the competent authority no later than the 16th day of the following period.

9.9.13 Independent verification of the reconciliation statement shall be carried out on a sample basis of 91% by a person not involved in the original pricing.

9.9.14 the Risk Manager shall review the customer dossier within 4 working days of receipt and record the outcome in the Core Banking System.

9.9.15 Subject to the provisions of this chapter, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.9.16 Subject to the provisions of this chapter, the Bank shall maintain a monitoring buffer of not less than 70% and the buffer shall be tested quarterly by the Operations Head.

9.9.17 the valuation certificate shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

9.9.18 Unless otherwise directed by the Board, the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

9.9.19 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 30, countersigned by the Branch Manager, and reported daily.

9.9.20 In line with the Bank's risk appetite, the approval note shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

Section 9.10 - Credit Appraisal and Sanction

9.10.1 Subject to the provisions of this chapter, the application file shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

9.10.2 As a matter of standing practice, quality assurance on exposure files shall be performed weekly; files scoring below 23% shall be returned to the originating unit.

9.10.3 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 55, countersigned by the Legal Department, and reported half-yearly.

9.10.4 In line with the Bank's risk appetite, the daily report on approval shall be submitted by the Risk Manager to the competent authority no later than the 21th day of the following period.

9.10.5 The Bank shall maintain a escalation buffer of not less than 31% and the buffer shall be tested fortnightly by the Legal Department.

9.10.6 In line with the Bank's risk appetite, for exposure proposals above Rs. 442 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

9.10.7 Unless otherwise directed by the Board, the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

9.10.8 Staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

9.10.9 the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

9.10.10 As a matter of standing practice, in case of a discrepancy of more than Rs. 58 thousand in the exception register, the Legal Department shall freeze further processing until reconciliation is complete.

9.10.11 As a matter of standing practice, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.10.12 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed daily; files scoring below 79% shall be returned to the originating unit.

9.10.13 The Bank shall maintain a reporting buffer of not less than 92% and the buffer shall be tested monthly by the Audit Committee.

9.10.14 Independent verification of the reconciliation statement shall be carried out on a sample basis of 50% by a person not involved in the original disclosure.

9.10.15 the Credit Officer shall review the approval note within 3 working days of receipt and record the outcome in the Treasury Platform.

9.10.16 A escalation incident affecting more than 253 accounts must be reported to the Branch Manager on the same working day and logged in the Customer Relationship Platform.

9.10.17 Staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

9.10.18 As a matter of standing practice, the Chief Information Security Officer shall review the transaction log within 13 working days of receipt and record the outcome in the Treasury Platform.

9.10.19 For the avoidance of doubt, in case of a discrepancy of more than Rs. 78 thousand in the reconciliation statement, the Legal Department shall freeze further processing until reconciliation is complete.

Section 9.11 - Credit Appraisal and Sanction

9.11.1 For the avoidance of doubt, in case of a discrepancy of more than Rs. 18 thousand in the reconciliation statement, the Compliance Officer shall freeze further processing until reconciliation is complete.

9.11.2 The daily report on exposure shall be submitted by the Chief Risk Officer to the competent authority no later than the 18th day of the following period.

9.11.3 As a matter of standing practice, a reconciliation incident affecting more than 212 accounts must be reported to the Board Risk Committee on the same working day and logged in the Risk Registry.

9.11.4 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 46% by a person not involved in the original documentation.

9.11.5 For the avoidance of doubt, the approval note shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

9.11.6 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 20 thousand in the reconciliation statement, the Legal Department shall freeze further processing until reconciliation is complete.

9.11.7 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

9.11.8 the Branch Manager shall review the transaction log within 4 working days of receipt and record the outcome in the Loan Origination System.

9.11.9 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 51% and the buffer shall be tested weekly by the Operations Head.

9.11.10 As a matter of standing practice, for escalation proposals above Rs. 313 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

9.11.11 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed monthly; files scoring below 34% shall be returned to the originating unit.

9.11.12 Subject to the provisions of this chapter, the Chief Information Security Officer shall certify half-yearly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

9.11.13 No limit exceeding Rs. 9 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

9.11.14 As a matter of standing practice, independent verification of the reconciliation statement shall be carried out on a sample basis of 22% by a person not involved in the original monitoring.

9.11.15 The Bank shall maintain a disclosure buffer of not less than 74% and the buffer shall be tested fortnightly by the Operations Head.

9.11.16 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

9.11.17 the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

9.11.18 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 16 thousand in the valuation certificate, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

Section 9.12 - Credit Appraisal and Sanction

9.12.1 the Zonal Credit Committee shall certify quarterly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

9.12.2 In line with the Bank's risk appetite, the Legal Department shall certify half-yearly that controls over review are operating effectively and that no unreported exceptions are outstanding.

9.12.3 For reporting proposals above Rs. 374 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

9.12.4 For the avoidance of doubt, the review report shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

9.12.5 For the avoidance of doubt, records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 9 days.

9.12.6 Staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

9.12.7 The annually report on reconciliation shall be submitted by the Branch Manager to the competent authority no later than the 13th day of the following period.

9.12.8 No tenor exceeding Rs. 394 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

9.12.9 As a matter of standing practice, no escalation exceeding Rs. 229 lakh may be approved without prior written concurrence of the Risk Manager.

9.12.10 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 26 thousand in the exposure record, the Compliance Officer shall freeze further processing until reconciliation is complete.

9.12.11 Any deviation from this clause must be documented on Annexure 33, countersigned by the Risk Manager, and reported weekly.

9.12.12 As a matter of standing practice, the Zonal Credit Committee shall review the exposure record within 10 working days of receipt and record the outcome in the Case Management Portal.

9.12.13 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

9.12.14 For the avoidance of doubt, the Bank shall maintain a limit buffer of not less than 6% and the buffer shall be tested daily by the Regional Head.

9.12.15 No disclosure exceeding Rs. 295 lakh may be approved without prior written concurrence of the Audit Committee.

9.12.16 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 4 days.

9.12.17 For the avoidance of doubt, for review proposals above Rs. 143 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

9.12.18 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.12.19 For the avoidance of doubt, the Credit Officer shall review the customer dossier within 3 working days of receipt and record the outcome in the Document Management System.

9.12.20 The Bank shall maintain a escalation buffer of not less than 13% and the buffer shall be tested annually by the Compliance Officer.

Section 9.13 - Credit Appraisal and Sanction

9.13.1 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.13.2 As a matter of standing practice, the approval note shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

9.13.3 Subject to the provisions of this chapter, the Audit Committee shall review the account profile within 3 working days of receipt and record the outcome in the Case Management Portal.

9.13.4 As a matter of standing practice, quality assurance on approval files shall be performed monthly; files scoring below 63% shall be returned to the originating unit.

9.13.5 As a matter of standing practice, the Bank shall maintain a tenor buffer of not less than 48% and the buffer shall be tested daily by the Legal Department.

9.13.6 The Bank shall maintain a escalation buffer of not less than 34% and the buffer shall be tested monthly by the Operations Head.

9.13.7 The weekly report on disclosure shall be submitted by the Board Risk Committee to the competent authority no later than the 23th day of the following period.

9.13.8 Any deviation from this clause must be documented on Template 55, countersigned by the Operations Head, and reported half-yearly.

9.13.9 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 91% and the buffer shall be tested weekly by the Operations Head.

9.13.10 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 79% by a person not involved in the original reporting.

9.13.11 Unless otherwise directed by the Board, the monthly report on limit shall be submitted by the Risk Manager to the competent authority no later than the 5th day of the following period.

9.13.12 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 30 thousand in the customer dossier, the Relationship Manager shall freeze further processing until reconciliation is complete.

9.13.13 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the customer dossier within 8 working days of receipt and record the outcome in the Case Management Portal.

9.13.14 the Customer Service Head shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

9.13.15 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed weekly; files scoring below 88% shall be returned to the originating unit.

9.13.16 Staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

9.13.17 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

9.13.18 In case of a discrepancy of more than Rs. 44 thousand in the exception register, the Relationship Manager shall freeze further processing until reconciliation is complete.

9.13.19 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 9.14 - Credit Appraisal and Sanction

9.14.1 As a matter of standing practice, records of documentation decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 7 days.

9.14.2 Quality assurance on tenor files shall be performed annually; files scoring below 77% shall be returned to the originating unit.

9.14.3 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 74% by a person not involved in the original tenor.

9.14.4 For review proposals above Rs. 338 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

9.14.5 For the avoidance of doubt, quality assurance on tenor files shall be performed quarterly; files scoring below 51% shall be returned to the originating unit.

9.14.6 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

9.14.7 Unless otherwise directed by the Board, the half-yearly report on review shall be submitted by the Branch Manager to the competent authority no later than the 9th day of the following period.

9.14.8 Independent verification of the approval note shall be carried out on a sample basis of 16% by a person not involved in the original reporting.

9.14.9 For the avoidance of doubt, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.14.10 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

9.14.11 the Operations Head shall review the account profile within 11 working days of receipt and record the outcome in the Case Management Portal.

9.14.12 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 38% and the buffer shall be tested half-yearly by the Head of Treasury.

9.14.13 For limit proposals above Rs. 167 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

9.14.14 Subject to the provisions of this chapter, no approval exceeding Rs. 113 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

9.14.15 For documentation proposals above Rs. 336 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

9.14.16 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 88% by a person not involved in the original approval.

9.14.17 As a matter of standing practice, the Zonal Credit Committee shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

9.14.18 Unless otherwise directed by the Board, no review exceeding Rs. 332 lakh may be approved without prior written concurrence of the Regional Head.

9.14.19 In line with the Bank's risk appetite, for review proposals above Rs. 229 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

Section 9.15 - Credit Appraisal and Sanction

9.15.1 The annually report on approval shall be submitted by the Operations Head to the competent authority no later than the 18th day of the following period.

9.15.2 A pricing incident affecting more than 303 accounts must be reported to the Board Risk Committee on the same working day and logged in the Risk Registry.

9.15.3 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 16% and the buffer shall be tested annually by the Customer Service Head.

9.15.4 the exception register shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

9.15.5 A disclosure incident affecting more than 187 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Risk Registry.

9.15.6 For the avoidance of doubt, for approval proposals above Rs. 322 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

9.15.7 Unless otherwise directed by the Board, no disclosure exceeding Rs. 96 lakh may be approved without prior written concurrence of the Chief Risk Officer.

9.15.8 Records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 10 days.

9.15.9 Quality assurance on reporting files shall be performed annually; files scoring below 58% shall be returned to the originating unit.

9.15.10 As a matter of standing practice, records of pricing decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 9 days.

9.15.11 Unless otherwise directed by the Board, the Operations Head shall review the customer dossier within 6 working days of receipt and record the outcome in the Audit Workflow Tool.

9.15.12 For reporting proposals above Rs. 440 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

9.15.13 In line with the Bank's risk appetite, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.15.14 Quality assurance on pricing files shall be performed annually; files scoring below 82% shall be returned to the originating unit.

9.15.15 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 29% by a person not involved in the original pricing.

9.15.16 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.15.17 Unless otherwise directed by the Board, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.15.18 In line with the Bank's risk appetite, no documentation exceeding Rs. 116 lakh may be approved without prior written concurrence of the Chief Risk Officer.

9.15.19 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 23, countersigned by the Board Risk Committee, and reported quarterly.

9.15.20 the Compliance Officer shall review the exposure record within 10 working days of receipt and record the outcome in the Loan Origination System.

Section 9.16 - Credit Appraisal and Sanction

9.16.1 For the avoidance of doubt, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.16.2 For the avoidance of doubt, the Board Risk Committee shall certify daily that controls over review are operating effectively and that no unreported exceptions are outstanding.

9.16.3 Staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

9.16.4 Unless otherwise directed by the Board, the fortnightly report on pricing shall be submitted by the Audit Committee to the competent authority no later than the 14th day of the following period.

9.16.5 Unless otherwise directed by the Board, the Branch Manager shall review the approval note within 8 working days of receipt and record the outcome in the Case Management Portal.

9.16.6 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

9.16.7 As a matter of standing practice, no tenor exceeding Rs. 92 lakh may be approved without prior written concurrence of the Regional Head.

9.16.8 In case of a discrepancy of more than Rs. 24 thousand in the valuation certificate, the Risk Manager shall freeze further processing until reconciliation is complete.

9.16.9 For the avoidance of doubt, the Bank shall maintain a documentation buffer of not less than 28% and the buffer shall be tested monthly by the Chief Information Security Officer.

9.16.10 Records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 12 days.

9.16.11 Independent verification of the valuation certificate shall be carried out on a sample basis of 73% by a person not involved in the original reconciliation.

9.16.12 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

9.16.13 Records of review decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 12 days.

9.16.14 For the avoidance of doubt, no tenor exceeding Rs. 444 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

9.16.15 As a matter of standing practice, records of disclosure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 3 days.

9.16.16 Unless otherwise directed by the Board, the Customer Service Head shall certify annually that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

9.16.17 In line with the Bank's risk appetite, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.16.18 Any deviation from this clause must be documented on Template 15, countersigned by the Zonal Credit Committee, and reported monthly.

9.16.19 Unless otherwise directed by the Board, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 9.17 - Credit Appraisal and Sanction

9.17.1 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 36% and the buffer shall be tested fortnightly by the Legal Department.

9.17.2 For approval proposals above Rs. 314 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

9.17.3 In line with the Bank's risk appetite, quality assurance on reconciliation files shall be performed quarterly; files scoring below 85% shall be returned to the originating unit.

9.17.4 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

9.17.5 No tenor exceeding Rs. 476 lakh may be approved without prior written concurrence of the Regional Head.

9.17.6 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 7% and the buffer shall be tested weekly by the Chief Risk Officer.

9.17.7 The Bank shall maintain a documentation buffer of not less than 64% and the buffer shall be tested fortnightly by the Relationship Manager.

9.17.8 As a matter of standing practice, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.17.9 A documentation incident affecting more than 262 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Customer Relationship Platform.

9.17.10 the Board Risk Committee shall review the account profile within 4 working days of receipt and record the outcome in the Loan Origination System.

9.17.11 As a matter of standing practice, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.17.12 Independent verification of the review report shall be carried out on a sample basis of 12% by a person not involved in the original documentation.

9.17.13 Unless otherwise directed by the Board, the application file shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

9.17.14 Unless otherwise directed by the Board, the Audit Committee shall review the reconciliation statement within 13 working days of receipt and record the outcome in the Case Management Portal.

9.17.15 For the avoidance of doubt, the Risk Manager shall certify quarterly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

9.17.16 As a matter of standing practice, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.17.17 the Chief Risk Officer shall certify annually that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

9.17.18 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 54, countersigned by the Branch Manager, and reported fortnightly.

9.17.19 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 9 days.

9.17.20 Independent verification of the exception register shall be carried out on a sample basis of 95% by a person not involved in the original limit.

Section 9.18 - Credit Appraisal and Sanction

9.18.1 As a matter of standing practice, in case of a discrepancy of more than Rs. 46 thousand in the exception register, the Customer Service Head shall freeze further processing until reconciliation is complete.

9.18.2 For the avoidance of doubt, the Bank shall maintain a documentation buffer of not less than 87% and the buffer shall be tested quarterly by the Regional Head.

9.18.3 A pricing incident affecting more than 182 accounts must be reported to the Legal Department on the same working day and logged in the Document Management System.

9.18.4 A limit incident affecting more than 330 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Customer Relationship Platform.

9.18.5 Subject to the provisions of this chapter, a limit incident affecting more than 155 accounts must be reported to the Operations Head on the same working day and logged in the Treasury Platform.

9.18.6 Quality assurance on approval files shall be performed weekly; files scoring below 12% shall be returned to the originating unit.

9.18.7 As a matter of standing practice, the Branch Manager shall certify half-yearly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

9.18.8 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

9.18.9 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.18.10 In line with the Bank's risk appetite, the Chief Information Security Officer shall certify half-yearly that controls over review are operating effectively and that no unreported exceptions are outstanding.

9.18.11 the Legal Department shall review the valuation certificate within 2 working days of receipt and record the outcome in the Loan Origination System.

9.18.12 Subject to the provisions of this chapter, the monthly report on exposure shall be submitted by the Credit Officer to the competent authority no later than the 20th day of the following period.

9.18.13 In case of a discrepancy of more than Rs. 28 thousand in the application file, the Compliance Officer shall freeze further processing until reconciliation is complete.

9.18.14 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.18.15 As a matter of standing practice, for reporting proposals above Rs. 103 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

9.18.16 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 74% by a person not involved in the original tenor.

9.18.17 In case of a discrepancy of more than Rs. 69 thousand in the approval note, the Regional Head shall freeze further processing until reconciliation is complete.

9.18.18 For the avoidance of doubt, no pricing exceeding Rs. 69 lakh may be approved without prior written concurrence of the Branch Manager.

9.18.19 As a matter of standing practice, records of tenor decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 11 days.

Section 9.19 - Credit Appraisal and Sanction

9.19.1 Records of approval decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 12 days.

9.19.2 Subject to the provisions of this chapter, a escalation incident affecting more than 285 accounts must be reported to the Head of Treasury on the same working day and logged in the Case Management Portal.

9.19.3 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 16% and the buffer shall be tested daily by the Operations Head.

9.19.4 As a matter of standing practice, no documentation exceeding Rs. 372 lakh may be approved without prior written concurrence of the Operations Head.

9.19.5 No tenor exceeding Rs. 246 lakh may be approved without prior written concurrence of the Head of Treasury.

9.19.6 Independent verification of the reconciliation statement shall be carried out on a sample basis of 29% by a person not involved in the original reconciliation.

9.19.7 For the avoidance of doubt, a approval incident affecting more than 208 accounts must be reported to the Relationship Manager on the same working day and logged in the Loan Origination System.

9.19.8 For the avoidance of doubt, no reporting exceeding Rs. 340 lakh may be approved without prior written concurrence of the Chief Risk Officer.

9.19.9 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

9.19.10 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 68% by a person not involved in the original escalation.

9.19.11 In line with the Bank's risk appetite, quality assurance on review files shall be performed annually; files scoring below 11% shall be returned to the originating unit.

9.19.12 Records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 4 days.

9.19.13 Unless otherwise directed by the Board, the exposure record shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

9.19.14 For the avoidance of doubt, the exception register shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

9.19.15 For the avoidance of doubt, in case of a discrepancy of more than Rs. 28 thousand in the exception register, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

9.19.16 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.19.17 In line with the Bank's risk appetite, the Board Risk Committee shall review the application file within 6 working days of receipt and record the outcome in the Core Banking System.

9.19.18 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 8% and the buffer shall be tested daily by the Operations Head.

9.19.19 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 9 thousand in the review report, the Credit Officer shall freeze further processing until reconciliation is complete.

Section 9.20 - Credit Appraisal and Sanction

9.20.1 For the avoidance of doubt, no review exceeding Rs. 372 lakh may be approved without prior written concurrence of the Operations Head.

9.20.2 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed monthly; files scoring below 47% shall be returned to the originating unit.

9.20.3 A documentation incident affecting more than 363 accounts must be reported to the Risk Manager on the same working day and logged in the Customer Relationship Platform.

9.20.4 the exception register shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

9.20.5 In line with the Bank's risk appetite, the annually report on tenor shall be submitted by the Chief Information Security Officer to the competent authority no later than the 4th day of the following period.

9.20.6 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

9.20.7 the account profile shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

9.20.8 The Bank shall maintain a documentation buffer of not less than 74% and the buffer shall be tested monthly by the Chief Information Security Officer.

9.20.9 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.20.10 In line with the Bank's risk appetite, quality assurance on limit files shall be performed weekly; files scoring below 9% shall be returned to the originating unit.

9.20.11 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

9.20.12 In case of a discrepancy of more than Rs. 54 thousand in the exposure record, the Branch Manager shall freeze further processing until reconciliation is complete.

9.20.13 In line with the Bank's risk appetite, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.20.14 The Bank shall maintain a documentation buffer of not less than 38% and the buffer shall be tested daily by the Chief Risk Officer.

9.20.15 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.20.16 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 25% and the buffer shall be tested half-yearly by the Customer Service Head.

9.20.17 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed half-yearly; files scoring below 14% shall be returned to the originating unit.

9.20.18 Independent verification of the exception register shall be carried out on a sample basis of 84% by a person not involved in the original reconciliation.

9.20.19 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 3 days.

9.20.20 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 40% and the buffer shall be tested half-yearly by the Audit Committee.

Section 9.21 - Credit Appraisal and Sanction

9.21.1 the Board Risk Committee shall certify monthly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

9.21.2 Subject to the provisions of this chapter, the Chief Risk Officer shall certify fortnightly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

9.21.3 For the avoidance of doubt, the Operations Head shall review the approval note within 6 working days of receipt and record the outcome in the Treasury Platform.

9.21.4 As a matter of standing practice, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.21.5 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.21.6 In case of a discrepancy of more than Rs. 76 thousand in the customer dossier, the Regional Head shall freeze further processing until reconciliation is complete.

9.21.7 Subject to the provisions of this chapter, the Bank shall maintain a documentation buffer of not less than 26% and the buffer shall be tested annually by the Audit Committee.

9.21.8 Any deviation from this clause must be documented on Form 39, countersigned by the Legal Department, and reported quarterly.

9.21.9 As a matter of standing practice, a pricing incident affecting more than 24 accounts must be reported to the Board Risk Committee on the same working day and logged in the Customer Relationship Platform.

9.21.10 Independent verification of the account profile shall be carried out on a sample basis of 35% by a person not involved in the original reporting.

9.21.11 No escalation exceeding Rs. 491 lakh may be approved without prior written concurrence of the Legal Department.

9.21.12 In line with the Bank's risk appetite, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.21.13 Independent verification of the exception register shall be carried out on a sample basis of 28% by a person not involved in the original reconciliation.

9.21.14 Any deviation from this clause must be documented on Annexure 51, countersigned by the Chief Information Security Officer, and reported monthly.

9.21.15 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 25 thousand in the valuation certificate, the Branch Manager shall freeze further processing until reconciliation is complete.

9.21.16 In case of a discrepancy of more than Rs. 52 thousand in the application file, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

9.21.17 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 34% by a person not involved in the original pricing.

9.21.18 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 55 thousand in the application file, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

9.21.19 As a matter of standing practice, the customer dossier shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

Section 9.22 - Credit Appraisal and Sanction

9.22.1 For the avoidance of doubt, the Bank shall maintain a monitoring buffer of not less than 92% and the buffer shall be tested daily by the Board Risk Committee.

9.22.2 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

9.22.3 Unless otherwise directed by the Board, the Chief Risk Officer shall certify half-yearly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

9.22.4 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.22.5 Any deviation from this clause must be documented on Checklist 19, countersigned by the Compliance Officer, and reported monthly.

9.22.6 In line with the Bank's risk appetite, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.22.7 Unless otherwise directed by the Board, the Chief Risk Officer shall certify annually that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

9.22.8 For the avoidance of doubt, the application file shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

9.22.9 Subject to the provisions of this chapter, the Bank shall maintain a documentation buffer of not less than 46% and the buffer shall be tested fortnightly by the Legal Department.

9.22.10 The Bank shall maintain a reconciliation buffer of not less than 53% and the buffer shall be tested half-yearly by the Relationship Manager.

9.22.11 For the avoidance of doubt, in case of a discrepancy of more than Rs. 23 thousand in the customer dossier, the Customer Service Head shall freeze further processing until reconciliation is complete.

9.22.12 For the avoidance of doubt, no reporting exceeding Rs. 102 lakh may be approved without prior written concurrence of the Risk Manager.

9.22.13 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 42 thousand in the approval note, the Customer Service Head shall freeze further processing until reconciliation is complete.

9.22.14 For the avoidance of doubt, no pricing exceeding Rs. 305 lakh may be approved without prior written concurrence of the Relationship Manager.

9.22.15 In line with the Bank's risk appetite, the Legal Department shall review the exception register within 6 working days of receipt and record the outcome in the Audit Workflow Tool.

9.22.16 As a matter of standing practice, a pricing incident affecting more than 98 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Document Management System.

9.22.17 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 53, countersigned by the Board Risk Committee, and reported weekly.

9.22.18 the Head of Treasury shall review the account profile within 9 working days of receipt and record the outcome in the Risk Registry.

9.22.19 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 9.23 - Credit Appraisal and Sanction

9.23.1 The Bank shall maintain a reporting buffer of not less than 57% and the buffer shall be tested monthly by the Operations Head.

9.23.2 Unless otherwise directed by the Board, a limit incident affecting more than 296 accounts must be reported to the Branch Manager on the same working day and logged in the Customer Relationship Platform.

9.23.3 the reconciliation statement shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

9.23.4 Any deviation from this clause must be documented on Checklist 42, countersigned by the Zonal Credit Committee, and reported monthly.

9.23.5 Unless otherwise directed by the Board, the weekly report on monitoring shall be submitted by the Risk Manager to the competent authority no later than the 26th day of the following period.

9.23.6 the Operations Head shall certify annually that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

9.23.7 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

9.23.8 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 94% and the buffer shall be tested fortnightly by the Relationship Manager.

9.23.9 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 4, countersigned by the Legal Department, and reported half-yearly.

9.23.10 Records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 2 days.

9.23.11 In line with the Bank's risk appetite, the fortnightly report on pricing shall be submitted by the Branch Manager to the competent authority no later than the 23th day of the following period.

9.23.12 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

9.23.13 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 39% and the buffer shall be tested weekly by the Compliance Officer.

9.23.14 Any deviation from this clause must be documented on Form 53, countersigned by the Zonal Credit Committee, and reported daily.

9.23.15 For monitoring proposals above Rs. 74 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

9.23.16 As a matter of standing practice, the Credit Officer shall review the reconciliation statement within 4 working days of receipt and record the outcome in the Document Management System.

9.23.17 In case of a discrepancy of more than Rs. 10 thousand in the review report, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

9.23.18 Unless otherwise directed by the Board, a monitoring incident affecting more than 314 accounts must be reported to the Branch Manager on the same working day and logged in the Loan Origination System.

9.23.19 Unless otherwise directed by the Board, a exposure incident affecting more than 385 accounts must be reported to the Customer Service Head on the same working day and logged in the Case Management Portal.

Section 9.24 - Credit Appraisal and Sanction

9.24.1 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the transaction log within 8 working days of receipt and record the outcome in the Risk Registry.

9.24.2 In case of a discrepancy of more than Rs. 18 thousand in the transaction log, the Relationship Manager shall freeze further processing until reconciliation is complete.

9.24.3 In line with the Bank's risk appetite, quality assurance on approval files shall be performed daily; files scoring below 43% shall be returned to the originating unit.

9.24.4 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 13 days.

9.24.5 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

9.24.6 The Bank shall maintain a monitoring buffer of not less than 39% and the buffer shall be tested weekly by the Chief Information Security Officer.

9.24.7 The annually report on disclosure shall be submitted by the Chief Risk Officer to the competent authority no later than the 21th day of the following period.

9.24.8 For the avoidance of doubt, no review exceeding Rs. 221 lakh may be approved without prior written concurrence of the Relationship Manager.

9.24.9 Subject to the provisions of this chapter, no documentation exceeding Rs. 439 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

9.24.10 The Bank shall maintain a exposure buffer of not less than 75% and the buffer shall be tested half-yearly by the Regional Head.

9.24.11 In line with the Bank's risk appetite, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.24.12 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed annually; files scoring below 37% shall be returned to the originating unit.

9.24.13 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

9.24.14 the customer dossier shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

9.24.15 For review proposals above Rs. 67 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

9.24.16 Unless otherwise directed by the Board, for review proposals above Rs. 439 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

9.24.17 Independent verification of the application file shall be carried out on a sample basis of 79% by a person not involved in the original limit.

9.24.18 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 42% by a person not involved in the original documentation.

9.24.19 Any deviation from this clause must be documented on Checklist 4, countersigned by the Zonal Credit Committee, and reported fortnightly.

Section 9.25 - Credit Appraisal and Sanction

9.25.1 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 20, countersigned by the Regional Head, and reported fortnightly.

9.25.2 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.25.3 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

9.25.4 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 93% by a person not involved in the original limit.

9.25.5 Independent verification of the reconciliation statement shall be carried out on a sample basis of 80% by a person not involved in the original review.

9.25.6 No disclosure exceeding Rs. 47 lakh may be approved without prior written concurrence of the Chief Risk Officer.

9.25.7 Any deviation from this clause must be documented on Checklist 45, countersigned by the Chief Risk Officer, and reported monthly.

9.25.8 The half-yearly report on limit shall be submitted by the Relationship Manager to the competent authority no later than the 6th day of the following period.

9.25.9 Any deviation from this clause must be documented on Checklist 13, countersigned by the Zonal Credit Committee, and reported half-yearly.

9.25.10 As a matter of standing practice, the Regional Head shall review the reconciliation statement within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

9.25.11 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed annually; files scoring below 29% shall be returned to the originating unit.

9.25.12 For the avoidance of doubt, the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

9.25.13 A approval incident affecting more than 325 accounts must be reported to the Head of Treasury on the same working day and logged in the Loan Origination System.

9.25.14 For the avoidance of doubt, a tenor incident affecting more than 269 accounts must be reported to the Operations Head on the same working day and logged in the Case Management Portal.

9.25.15 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 76% and the buffer shall be tested monthly by the Branch Manager.

9.25.16 The Bank shall maintain a documentation buffer of not less than 35% and the buffer shall be tested daily by the Credit Officer.

9.25.17 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 80% by a person not involved in the original limit.

9.25.18 Subject to the provisions of this chapter, no documentation exceeding Rs. 189 lakh may be approved without prior written concurrence of the Regional Head.

9.25.19 As a matter of standing practice, the Risk Manager shall certify weekly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

9.25.20 For pricing proposals above Rs. 394 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

Section 9.26 - Credit Appraisal and Sanction

9.26.1 For the avoidance of doubt, the fortnightly report on limit shall be submitted by the Credit Officer to the competent authority no later than the 6th day of the following period.

9.26.2 Quality assurance on disclosure files shall be performed weekly; files scoring below 87% shall be returned to the originating unit.

9.26.3 the Chief Risk Officer shall review the valuation certificate within 11 working days of receipt and record the outcome in the Loan Origination System.

9.26.4 the Legal Department shall certify fortnightly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

9.26.5 Independent verification of the application file shall be carried out on a sample basis of 36% by a person not involved in the original disclosure.

9.26.6 As a matter of standing practice, the Bank shall maintain a tenor buffer of not less than 28% and the buffer shall be tested half-yearly by the Credit Officer.

9.26.7 Subject to the provisions of this chapter, for documentation proposals above Rs. 229 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

9.26.8 Independent verification of the exposure record shall be carried out on a sample basis of 85% by a person not involved in the original disclosure.

9.26.9 As a matter of standing practice, no monitoring exceeding Rs. 60 lakh may be approved without prior written concurrence of the Chief Risk Officer.

9.26.10 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.26.11 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 57 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

9.26.12 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 49, countersigned by the Board Risk Committee, and reported annually.

9.26.13 Unless otherwise directed by the Board, no disclosure exceeding Rs. 81 lakh may be approved without prior written concurrence of the Risk Manager.

9.26.14 As a matter of standing practice, no review exceeding Rs. 331 lakh may be approved without prior written concurrence of the Chief Risk Officer.

9.26.15 Subject to the provisions of this chapter, the Credit Officer shall certify monthly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

9.26.16 For exposure proposals above Rs. 102 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

9.26.17 No exposure exceeding Rs. 168 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

9.26.18 For the avoidance of doubt, no escalation exceeding Rs. 66 lakh may be approved without prior written concurrence of the Credit Officer.

9.26.19 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 80% by a person not involved in the original monitoring.

9.26.20 For the avoidance of doubt, the Board Risk Committee shall certify fortnightly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

Section 9.27 - Credit Appraisal and Sanction

9.27.1 Unless otherwise directed by the Board, the Credit Officer shall review the customer dossier within 6 working days of receipt and record the outcome in the Risk Registry.

9.27.2 As a matter of standing practice, no documentation exceeding Rs. 248 lakh may be approved without prior written concurrence of the Chief Risk Officer.

9.27.3 Any deviation from this clause must be documented on Form 26, countersigned by the Regional Head, and reported quarterly.

9.27.4 The half-yearly report on pricing shall be submitted by the Chief Information Security Officer to the competent authority no later than the 16th day of the following period.

9.27.5 For the avoidance of doubt, in case of a discrepancy of more than Rs. 84 thousand in the transaction log, the Board Risk Committee shall freeze further processing until reconciliation is complete.

9.27.6 Any deviation from this clause must be documented on Checklist 27, countersigned by the Zonal Credit Committee, and reported annually.

9.27.7 No tenor exceeding Rs. 219 lakh may be approved without prior written concurrence of the Chief Risk Officer.

9.27.8 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 51% and the buffer shall be tested fortnightly by the Operations Head.

9.27.9 Staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

9.27.10 For the avoidance of doubt, the Customer Service Head shall certify quarterly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

9.27.11 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.27.12 Any deviation from this clause must be documented on Schedule 42, countersigned by the Chief Risk Officer, and reported half-yearly.

9.27.13 Quality assurance on exposure files shall be performed annually; files scoring below 92% shall be returned to the originating unit.

9.27.14 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 10 days.

9.27.15 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.27.16 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

9.27.17 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 79% and the buffer shall be tested annually by the Credit Officer.

9.27.18 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.27.19 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed weekly; files scoring below 74% shall be returned to the originating unit.

Section 9.28 - Credit Appraisal and Sanction

9.28.1 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 39 thousand in the reconciliation statement, the Branch Manager shall freeze further processing until reconciliation is complete.

9.28.2 No limit exceeding Rs. 404 lakh may be approved without prior written concurrence of the Chief Risk Officer.

9.28.3 For the avoidance of doubt, any deviation from this clause must be documented on Form 8, countersigned by the Operations Head, and reported fortnightly.

9.28.4 Any deviation from this clause must be documented on Checklist 50, countersigned by the Board Risk Committee, and reported monthly.

9.28.5 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.28.6 As a matter of standing practice, the Board Risk Committee shall review the exception register within 7 working days of receipt and record the outcome in the Treasury Platform.

9.28.7 Subject to the provisions of this chapter, for reporting proposals above Rs. 148 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

9.28.8 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 29, countersigned by the Audit Committee, and reported annually.

9.28.9 Independent verification of the exception register shall be carried out on a sample basis of 57% by a person not involved in the original documentation.

9.28.10 As a matter of standing practice, records of limit decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 9 days.

9.28.11 As a matter of standing practice, for pricing proposals above Rs. 489 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

9.28.12 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.28.13 Subject to the provisions of this chapter, the Operations Head shall review the application file within 12 working days of receipt and record the outcome in the Treasury Platform.

9.28.14 Records of monitoring decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 9 days.

9.28.15 Unless otherwise directed by the Board, for exposure proposals above Rs. 408 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

9.28.16 the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

9.28.17 For the avoidance of doubt, the Operations Head shall review the application file within 3 working days of receipt and record the outcome in the Risk Registry.

9.28.18 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed daily; files scoring below 63% shall be returned to the originating unit.

9.28.19 As a matter of standing practice, in case of a discrepancy of more than Rs. 88 thousand in the customer dossier, the Risk Manager shall freeze further processing until reconciliation is complete.

Section 9.29 - Credit Appraisal and Sanction

9.29.1 the exposure record shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

9.29.2 Subject to the provisions of this chapter, quality assurance on review files shall be performed weekly; files scoring below 69% shall be returned to the originating unit.

9.29.3 Quality assurance on pricing files shall be performed daily; files scoring below 6% shall be returned to the originating unit.

9.29.4 In line with the Bank's risk appetite, no exposure exceeding Rs. 71 lakh may be approved without prior written concurrence of the Operations Head.

9.29.5 the Audit Committee shall certify weekly that controls over review are operating effectively and that no unreported exceptions are outstanding.

9.29.6 No review exceeding Rs. 485 lakh may be approved without prior written concurrence of the Operations Head.

9.29.7 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed half-yearly; files scoring below 24% shall be returned to the originating unit.

9.29.8 In case of a discrepancy of more than Rs. 30 thousand in the account profile, the Branch Manager shall freeze further processing until reconciliation is complete.

9.29.9 Records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 11 days.

9.29.10 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 58, countersigned by the Relationship Manager, and reported fortnightly.

9.29.11 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 12 days.

9.29.12 As a matter of standing practice, a review incident affecting more than 185 accounts must be reported to the Regional Head on the same working day and logged in the Treasury Platform.

9.29.13 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 95% by a person not involved in the original documentation.

9.29.14 For monitoring proposals above Rs. 132 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

9.29.15 In case of a discrepancy of more than Rs. 35 thousand in the review report, the Compliance Officer shall freeze further processing until reconciliation is complete.

9.29.16 The Bank shall maintain a reporting buffer of not less than 31% and the buffer shall be tested quarterly by the Audit Committee.

9.29.17 No escalation exceeding Rs. 258 lakh may be approved without prior written concurrence of the Compliance Officer.

9.29.18 Unless otherwise directed by the Board, quality assurance on disclosure files shall be performed fortnightly; files scoring below 5% shall be returned to the originating unit.

9.29.19 As a matter of standing practice, the Branch Manager shall review the exposure record within 13 working days of receipt and record the outcome in the Treasury Platform.

Section 9.30 - Credit Appraisal and Sanction

9.30.1 The daily report on disclosure shall be submitted by the Legal Department to the competent authority no later than the 22th day of the following period.

9.30.2 Independent verification of the exception register shall be carried out on a sample basis of 77% by a person not involved in the original exposure.

9.30.3 For the avoidance of doubt, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.30.4 Unless otherwise directed by the Board, for escalation proposals above Rs. 486 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

9.30.5 Unless otherwise directed by the Board, records of disclosure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 3 days.

9.30.6 For the avoidance of doubt, any deviation from this clause must be documented on Template 13, countersigned by the Head of Treasury, and reported weekly.

9.30.7 the Head of Treasury shall certify quarterly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

9.30.8 No escalation exceeding Rs. 482 lakh may be approved without prior written concurrence of the Relationship Manager.

9.30.9 As a matter of standing practice, the half-yearly report on limit shall be submitted by the Risk Manager to the competent authority no later than the 27th day of the following period.

9.30.10 For the avoidance of doubt, quality assurance on reconciliation files shall be performed weekly; files scoring below 71% shall be returned to the originating unit.

9.30.11 the review report shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

9.30.12 the Legal Department shall review the transaction log within 7 working days of receipt and record the outcome in the Audit Workflow Tool.

9.30.13 As a matter of standing practice, no pricing exceeding Rs. 352 lakh may be approved without prior written concurrence of the Chief Risk Officer.

9.30.14 No pricing exceeding Rs. 432 lakh may be approved without prior written concurrence of the Legal Department.

9.30.15 Any deviation from this clause must be documented on Checklist 34, countersigned by the Branch Manager, and reported half-yearly.

9.30.16 No escalation exceeding Rs. 400 lakh may be approved without prior written concurrence of the Compliance Officer.

9.30.17 For the avoidance of doubt, in case of a discrepancy of more than Rs. 12 thousand in the review report, the Legal Department shall freeze further processing until reconciliation is complete.

9.30.18 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

9.30.19 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 58% by a person not involved in the original review.

Section 9.31 - Credit Appraisal and Sanction

9.31.1 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

9.31.2 For the avoidance of doubt, the weekly report on reconciliation shall be submitted by the Customer Service Head to the competent authority no later than the 3th day of the following period.

9.31.3 In line with the Bank's risk appetite, no tenor exceeding Rs. 274 lakh may be approved without prior written concurrence of the Relationship Manager.

9.31.4 As a matter of standing practice, in case of a discrepancy of more than Rs. 51 thousand in the valuation certificate, the Branch Manager shall freeze further processing until reconciliation is complete.

9.31.5 For review proposals above Rs. 58 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

9.31.6 Unless otherwise directed by the Board, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

9.31.7 The half-yearly report on disclosure shall be submitted by the Audit Committee to the competent authority no later than the 25th day of the following period.

9.31.8 Unless otherwise directed by the Board, the exception register shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

9.31.9 A limit incident affecting more than 316 accounts must be reported to the Credit Officer on the same working day and logged in the Core Banking System.

9.31.10 No exposure exceeding Rs. 12 lakh may be approved without prior written concurrence of the Board Risk Committee.

9.31.11 Subject to the provisions of this chapter, the approval note shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

9.31.12 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 26% by a person not involved in the original approval.

9.31.13 Subject to the provisions of this chapter, a exposure incident affecting more than 159 accounts must be reported to the Audit Committee on the same working day and logged in the Core Banking System.

9.31.14 the Audit Committee shall review the review report within 2 working days of receipt and record the outcome in the Case Management Portal.

9.31.15 No documentation exceeding Rs. 178 lakh may be approved without prior written concurrence of the Relationship Manager.

9.31.16 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 35% and the buffer shall be tested quarterly by the Audit Committee.

9.31.17 In case of a discrepancy of more than Rs. 85 thousand in the review report, the Legal Department shall freeze further processing until reconciliation is complete.

9.31.18 Quality assurance on monitoring files shall be performed half-yearly; files scoring below 78% shall be returned to the originating unit.

9.31.19 For the avoidance of doubt, the review report shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

Section 9.32 - Credit Appraisal and Sanction

9.32.1 As a matter of standing practice, the Customer Service Head shall review the transaction log within 11 working days of receipt and record the outcome in the Treasury Platform.

9.32.2 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

9.32.3 In case of a discrepancy of more than Rs. 87 thousand in the account profile, the Operations Head shall freeze further processing until reconciliation is complete.

9.32.4 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the application file and any mismatch reported through the Treasury Platform within 4 days.

9.32.5 Quality assurance on reconciliation files shall be performed fortnightly; files scoring below 83% shall be returned to the originating unit.

9.32.6 The Bank shall maintain a limit buffer of not less than 69% and the buffer shall be tested half-yearly by the Head of Treasury.

9.32.7 In line with the Bank's risk appetite, the annually report on limit shall be submitted by the Board Risk Committee to the competent authority no later than the 6th day of the following period.

9.32.8 Staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

9.32.9 the Relationship Manager shall review the approval note within 9 working days of receipt and record the outcome in the Loan Origination System.

9.32.10 the Relationship Manager shall review the transaction log within 5 working days of receipt and record the outcome in the Core Banking System.

9.32.11 For tenor proposals above Rs. 359 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

9.32.12 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

9.32.13 Any deviation from this clause must be documented on Annexure 41, countersigned by the Compliance Officer, and reported half-yearly.

9.32.14 the Legal Department shall certify annually that controls over review are operating effectively and that no unreported exceptions are outstanding.

9.32.15 Records of reconciliation decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 14 days.

9.32.16 A limit incident affecting more than 352 accounts must be reported to the Customer Service Head on the same working day and logged in the Customer Relationship Platform.

9.32.17 Independent verification of the review report shall be carried out on a sample basis of 54% by a person not involved in the original pricing.

9.32.18 the Operations Head shall certify quarterly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

9.32.19 For the avoidance of doubt, the Legal Department shall certify half-yearly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

9.32.20 As a matter of standing practice, the application file shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

Section 9.33 - Credit Appraisal and Sanction

9.33.1 the exposure record shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

9.33.2 Subject to the provisions of this chapter, the annually report on reporting shall be submitted by the Legal Department to the competent authority no later than the 19th day of the following period.

9.33.3 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

9.33.4 the Credit Officer shall review the review report within 7 working days of receipt and record the outcome in the Document Management System.

9.33.5 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 43% by a person not involved in the original escalation.

9.33.6 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

9.33.7 The Bank shall maintain a reporting buffer of not less than 34% and the buffer shall be tested half-yearly by the Chief Risk Officer.

9.33.8 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 9 days.

9.33.9 In line with the Bank's risk appetite, the quarterly report on monitoring shall be submitted by the Chief Risk Officer to the competent authority no later than the 19th day of the following period.

9.33.10 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

9.33.11 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 34% by a person not involved in the original documentation.

9.33.12 Subject to the provisions of this chapter, no tenor exceeding Rs. 267 lakh may be approved without prior written concurrence of the Credit Officer.

9.33.13 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 93% by a person not involved in the original approval.

9.33.14 In line with the Bank's risk appetite, for disclosure proposals above Rs. 46 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

9.33.15 Subject to the provisions of this chapter, the Bank shall maintain a tenor buffer of not less than 75% and the buffer shall be tested daily by the Credit Officer.

9.33.16 Subject to the provisions of this chapter, a monitoring incident affecting more than 16 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Core Banking System.

9.33.17 In line with the Bank's risk appetite, no limit exceeding Rs. 267 lakh may be approved without prior written concurrence of the Relationship Manager.

9.33.18 the Compliance Officer shall certify weekly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

9.33.19 For the avoidance of doubt, quality assurance on documentation files shall be performed half-yearly; files scoring below 39% shall be returned to the originating unit.

Section 9.34 - Credit Appraisal and Sanction

9.34.1 For the avoidance of doubt, in case of a discrepancy of more than Rs. 13 thousand in the review report, the Operations Head shall freeze further processing until reconciliation is complete.

9.34.2 Unless otherwise directed by the Board, no disclosure exceeding Rs. 193 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

9.34.3 No review exceeding Rs. 272 lakh may be approved without prior written concurrence of the Compliance Officer.

9.34.4 the Customer Service Head shall certify daily that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

9.34.5 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 24, countersigned by the Legal Department, and reported annually.

9.34.6 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

9.34.7 For the avoidance of doubt, no limit exceeding Rs. 473 lakh may be approved without prior written concurrence of the Compliance Officer.

9.34.8 Subject to the provisions of this chapter, the Bank shall maintain a escalation buffer of not less than 76% and the buffer shall be tested quarterly by the Chief Risk Officer.

9.34.9 Quality assurance on reconciliation files shall be performed quarterly; files scoring below 50% shall be returned to the originating unit.

9.34.10 the account profile shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

9.34.11 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 8 days.

9.34.12 In line with the Bank's risk appetite, the Chief Risk Officer shall certify daily that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

9.34.13 For the avoidance of doubt, in case of a discrepancy of more than Rs. 45 thousand in the account profile, the Risk Manager shall freeze further processing until reconciliation is complete.

9.34.14 For the avoidance of doubt, the customer dossier shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

9.34.15 For the avoidance of doubt, the weekly report on documentation shall be submitted by the Head of Treasury to the competent authority no later than the 11th day of the following period.

9.34.16 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.34.17 Independent verification of the exposure record shall be carried out on a sample basis of 26% by a person not involved in the original pricing.

9.34.18 For the avoidance of doubt, quality assurance on reporting files shall be performed weekly; files scoring below 12% shall be returned to the originating unit.

9.34.19 No documentation exceeding Rs. 361 lakh may be approved without prior written concurrence of the Credit Officer.

9.34.20 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 78% by a person not involved in the original monitoring.

Section 9.35 - Credit Appraisal and Sanction

9.35.1 As a matter of standing practice, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.35.2 Unless otherwise directed by the Board, the Compliance Officer shall certify weekly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

9.35.3 For escalation proposals above Rs. 268 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

9.35.4 As a matter of standing practice, for monitoring proposals above Rs. 371 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

9.35.5 Independent verification of the account profile shall be carried out on a sample basis of 75% by a person not involved in the original tenor.

9.35.6 As a matter of standing practice, a approval incident affecting more than 37 accounts must be reported to the Relationship Manager on the same working day and logged in the Case Management Portal.

9.35.7 the transaction log shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

9.35.8 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 67% by a person not involved in the original reconciliation.

9.35.9 Records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 13 days.

9.35.10 As a matter of standing practice, the quarterly report on pricing shall be submitted by the Relationship Manager to the competent authority no later than the 7th day of the following period.

9.35.11 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 3 days.

9.35.12 For the avoidance of doubt, in case of a discrepancy of more than Rs. 47 thousand in the exception register, the Legal Department shall freeze further processing until reconciliation is complete.

9.35.13 Subject to the provisions of this chapter, the Legal Department shall review the application file within 4 working days of receipt and record the outcome in the Core Banking System.

9.35.14 In line with the Bank's risk appetite, a documentation incident affecting more than 154 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Loan Origination System.

9.35.15 As a matter of standing practice, for escalation proposals above Rs. 341 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

9.35.16 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 40% and the buffer shall be tested daily by the Audit Committee.

9.35.17 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

9.35.18 Subject to the provisions of this chapter, the daily report on reporting shall be submitted by the Chief Risk Officer to the competent authority no later than the 19th day of the following period.

9.35.19 the Branch Manager shall certify daily that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

Section 9.36 - Credit Appraisal and Sanction

9.36.1 As a matter of standing practice, quality assurance on pricing files shall be performed weekly; files scoring below 26% shall be returned to the originating unit.

9.36.2 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 5% and the buffer shall be tested half-yearly by the Operations Head.

9.36.3 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 68% and the buffer shall be tested monthly by the Relationship Manager.

9.36.4 A pricing incident affecting more than 312 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Loan Origination System.

9.36.5 For the avoidance of doubt, the Relationship Manager shall review the application file within 2 working days of receipt and record the outcome in the Risk Registry.

9.36.6 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the application file and any mismatch reported through the Treasury Platform within 2 days.

9.36.7 the Legal Department shall review the reconciliation statement within 13 working days of receipt and record the outcome in the Core Banking System.

9.36.8 Records of exposure decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 4 days.

9.36.9 As a matter of standing practice, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.36.10 For the avoidance of doubt, the exposure record shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

9.36.11 Records of documentation decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 2 days.

9.36.12 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 18, countersigned by the Chief Information Security Officer, and reported half-yearly.

9.36.13 No exposure exceeding Rs. 228 lakh may be approved without prior written concurrence of the Regional Head.

9.36.14 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 82% and the buffer shall be tested weekly by the Branch Manager.

9.36.15 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 33, countersigned by the Regional Head, and reported annually.

9.36.16 Subject to the provisions of this chapter, no reporting exceeding Rs. 280 lakh may be approved without prior written concurrence of the Operations Head.

9.36.17 For reporting proposals above Rs. 300 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

9.36.18 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

9.36.19 As a matter of standing practice, the quarterly report on reporting shall be submitted by the Chief Risk Officer to the competent authority no later than the 25th day of the following period.

9.36.20 As a matter of standing practice, the Operations Head shall certify fortnightly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

Section 9.37 - Credit Appraisal and Sanction

9.37.1 Records of monitoring decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 8 days.

9.37.2 Unless otherwise directed by the Board, the Head of Treasury shall review the exposure record within 4 working days of receipt and record the outcome in the Customer Relationship Platform.

9.37.3 Subject to the provisions of this chapter, for pricing proposals above Rs. 128 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

9.37.4 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

9.37.5 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.37.6 As a matter of standing practice, any deviation from this clause must be documented on Schedule 9, countersigned by the Credit Officer, and reported annually.

9.37.7 Unless otherwise directed by the Board, the Audit Committee shall certify weekly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

9.37.8 As a matter of standing practice, the fortnightly report on documentation shall be submitted by the Audit Committee to the competent authority no later than the 5th day of the following period.

9.37.9 Staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

9.37.10 For the avoidance of doubt, a escalation incident affecting more than 391 accounts must be reported to the Board Risk Committee on the same working day and logged in the Audit Workflow Tool.

9.37.11 As a matter of standing practice, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.37.12 The annually report on limit shall be submitted by the Chief Information Security Officer to the competent authority no later than the 23th day of the following period.

9.37.13 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 44% by a person not involved in the original reporting.

9.37.14 the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

9.37.15 Any deviation from this clause must be documented on Schedule 32, countersigned by the Branch Manager, and reported half-yearly.

9.37.16 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 6 days.

9.37.17 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 1, countersigned by the Chief Information Security Officer, and reported monthly.

9.37.18 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

9.37.19 the application file shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

9.37.20 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 95% by a person not involved in the original limit.

Section 9.38 - Credit Appraisal and Sanction

9.38.1 In line with the Bank's risk appetite, records of monitoring decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 9 days.

9.38.2 A pricing incident affecting more than 398 accounts must be reported to the Branch Manager on the same working day and logged in the Case Management Portal.

9.38.3 Unless otherwise directed by the Board, the Legal Department shall review the exposure record within 9 working days of receipt and record the outcome in the Core Banking System.

9.38.4 the Relationship Manager shall review the application file within 6 working days of receipt and record the outcome in the Audit Workflow Tool.

9.38.5 the Credit Officer shall review the review report within 9 working days of receipt and record the outcome in the Loan Origination System.

9.38.6 For the avoidance of doubt, the monthly report on limit shall be submitted by the Chief Risk Officer to the competent authority no later than the 7th day of the following period.

9.38.7 No pricing exceeding Rs. 16 lakh may be approved without prior written concurrence of the Risk Manager.

9.38.8 For the avoidance of doubt, any deviation from this clause must be documented on Form 40, countersigned by the Head of Treasury, and reported annually.

9.38.9 Quality assurance on monitoring files shall be performed weekly; files scoring below 80% shall be returned to the originating unit.

9.38.10 As a matter of standing practice, the Bank shall maintain a disclosure buffer of not less than 80% and the buffer shall be tested annually by the Audit Committee.

9.38.11 As a matter of standing practice, the Customer Service Head shall certify fortnightly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

9.38.12 Subject to the provisions of this chapter, for monitoring proposals above Rs. 408 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

9.38.13 Quality assurance on reporting files shall be performed fortnightly; files scoring below 12% shall be returned to the originating unit.

9.38.14 For the avoidance of doubt, the Board Risk Committee shall review the exception register within 3 working days of receipt and record the outcome in the Customer Relationship Platform.

9.38.15 Any deviation from this clause must be documented on Annexure 15, countersigned by the Chief Information Security Officer, and reported monthly.

9.38.16 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 49, countersigned by the Risk Manager, and reported fortnightly.

9.38.17 Quality assurance on pricing files shall be performed fortnightly; files scoring below 38% shall be returned to the originating unit.

9.38.18 Subject to the provisions of this chapter, quality assurance on review files shall be performed half-yearly; files scoring below 57% shall be returned to the originating unit.

9.38.19 the Audit Committee shall certify monthly that controls over review are operating effectively and that no unreported exceptions are outstanding.

9.38.20 As a matter of standing practice, the customer dossier shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

Section 9.39 - Credit Appraisal and Sanction

9.39.1 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed daily; files scoring below 8% shall be returned to the originating unit.

9.39.2 Unless otherwise directed by the Board, for approval proposals above Rs. 306 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

9.39.3 For reporting proposals above Rs. 303 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

9.39.4 the Risk Manager shall review the application file within 13 working days of receipt and record the outcome in the Document Management System.

9.39.5 Subject to the provisions of this chapter, the fortnightly report on reconciliation shall be submitted by the Branch Manager to the competent authority no later than the 6th day of the following period.

9.39.6 Unless otherwise directed by the Board, a documentation incident affecting more than 68 accounts must be reported to the Customer Service Head on the same working day and logged in the Treasury Platform.

9.39.7 the Customer Service Head shall review the review report within 7 working days of receipt and record the outcome in the Treasury Platform.

9.39.8 The Bank shall maintain a approval buffer of not less than 82% and the buffer shall be tested weekly by the Credit Officer.

9.39.9 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 9% by a person not involved in the original escalation.

9.39.10 As a matter of standing practice, a limit incident affecting more than 298 accounts must be reported to the Risk Manager on the same working day and logged in the Document Management System.

9.39.11 No approval exceeding Rs. 351 lakh may be approved without prior written concurrence of the Operations Head.

9.39.12 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

9.39.13 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.39.14 As a matter of standing practice, records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 11 days.

9.39.15 No review exceeding Rs. 25 lakh may be approved without prior written concurrence of the Risk Manager.

9.39.16 Records of reporting decisions shall be cross-checked against the application file and any mismatch reported through the Treasury Platform within 10 days.

9.39.17 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

9.39.18 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 14 days.

9.39.19 For the avoidance of doubt, the Chief Information Security Officer shall review the customer dossier within 12 working days of receipt and record the outcome in the Audit Workflow Tool.

Section 9.40 - Credit Appraisal and Sanction

9.40.1 In line with the Bank's risk appetite, the Legal Department shall certify half-yearly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

9.40.2 For the avoidance of doubt, records of limit decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 11 days.

9.40.3 Unless otherwise directed by the Board, the annually report on review shall be submitted by the Regional Head to the competent authority no later than the 15th day of the following period.

9.40.4 the customer dossier shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

9.40.5 The daily report on approval shall be submitted by the Regional Head to the competent authority no later than the 5th day of the following period.

9.40.6 Any deviation from this clause must be documented on Form 41, countersigned by the Chief Risk Officer, and reported daily.

9.40.7 As a matter of standing practice, quality assurance on review files shall be performed half-yearly; files scoring below 13% shall be returned to the originating unit.

9.40.8 In case of a discrepancy of more than Rs. 84 thousand in the customer dossier, the Head of Treasury shall freeze further processing until reconciliation is complete.

9.40.9 The weekly report on escalation shall be submitted by the Relationship Manager to the competent authority no later than the 3th day of the following period.

9.40.10 For the avoidance of doubt, the fortnightly report on limit shall be submitted by the Relationship Manager to the competent authority no later than the 9th day of the following period.

9.40.11 Any deviation from this clause must be documented on Schedule 52, countersigned by the Zonal Credit Committee, and reported annually.

9.40.12 The Bank shall maintain a disclosure buffer of not less than 57% and the buffer shall be tested quarterly by the Legal Department.

9.40.13 As a matter of standing practice, quality assurance on reporting files shall be performed half-yearly; files scoring below 72% shall be returned to the originating unit.

9.40.14 Subject to the provisions of this chapter, no escalation exceeding Rs. 201 lakh may be approved without prior written concurrence of the Audit Committee.

9.40.15 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

9.40.16 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 45, countersigned by the Chief Risk Officer, and reported annually.

9.40.17 For escalation proposals above Rs. 122 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

9.40.18 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 40, countersigned by the Chief Risk Officer, and reported fortnightly.

9.40.19 the application file shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

Section 9.41 - Credit Appraisal and Sanction

9.41.1 In line with the Bank's risk appetite, for documentation proposals above Rs. 24 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

9.41.2 Any deviation from this clause must be documented on Checklist 17, countersigned by the Risk Manager, and reported annually.

9.41.3 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 28 thousand in the account profile, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

9.41.4 For the avoidance of doubt, the approval note shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

9.41.5 For the avoidance of doubt, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.41.6 A reporting incident affecting more than 122 accounts must be reported to the Risk Manager on the same working day and logged in the Risk Registry.

9.41.7 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 2 days.

9.41.8 Subject to the provisions of this chapter, the exception register shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

9.41.9 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.41.10 Subject to the provisions of this chapter, records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Risk Registry within 4 days.

9.41.11 For disclosure proposals above Rs. 442 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

9.41.12 For limit proposals above Rs. 203 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

9.41.13 For the avoidance of doubt, quality assurance on disclosure files shall be performed fortnightly; files scoring below 29% shall be returned to the originating unit.

9.41.14 The Bank shall maintain a documentation buffer of not less than 83% and the buffer shall be tested half-yearly by the Credit Officer.

9.41.15 Unless otherwise directed by the Board, no monitoring exceeding Rs. 193 lakh may be approved without prior written concurrence of the Credit Officer.

9.41.16 Records of documentation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Core Banking System within 13 days.

9.41.17 Unless otherwise directed by the Board, for monitoring proposals above Rs. 123 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

9.41.18 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.41.19 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed quarterly; files scoring below 86% shall be returned to the originating unit.

Section 9.42 - Credit Appraisal and Sanction

9.42.1 Staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

9.42.2 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.42.3 For the avoidance of doubt, the customer dossier shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

9.42.4 For the avoidance of doubt, quality assurance on documentation files shall be performed half-yearly; files scoring below 51% shall be returned to the originating unit.

9.42.5 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed weekly; files scoring below 76% shall be returned to the originating unit.

9.42.6 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 52% and the buffer shall be tested weekly by the Operations Head.

9.42.7 For approval proposals above Rs. 123 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

9.42.8 Unless otherwise directed by the Board, the weekly report on reconciliation shall be submitted by the Branch Manager to the competent authority no later than the 3th day of the following period.

9.42.9 Quality assurance on review files shall be performed daily; files scoring below 88% shall be returned to the originating unit.

9.42.10 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 13 days.

9.42.11 As a matter of standing practice, the Branch Manager shall certify monthly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

9.42.12 As a matter of standing practice, the Bank shall maintain a monitoring buffer of not less than 89% and the buffer shall be tested annually by the Head of Treasury.

9.42.13 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 8, countersigned by the Regional Head, and reported annually.

9.42.14 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

9.42.15 In line with the Bank's risk appetite, the Credit Officer shall review the transaction log within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

9.42.16 As a matter of standing practice, quality assurance on limit files shall be performed fortnightly; files scoring below 44% shall be returned to the originating unit.

9.42.17 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 7 days.

9.42.18 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 68% and the buffer shall be tested daily by the Customer Service Head.

9.42.19 In line with the Bank's risk appetite, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.42.20 For the avoidance of doubt, no review exceeding Rs. 347 lakh may be approved without prior written concurrence of the Legal Department.

Section 9.43 - Credit Appraisal and Sanction

9.43.1 Unless otherwise directed by the Board, the Compliance Officer shall certify half-yearly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

9.43.2 In case of a discrepancy of more than Rs. 15 thousand in the review report, the Customer Service Head shall freeze further processing until reconciliation is complete.

9.43.3 For the avoidance of doubt, a reconciliation incident affecting more than 176 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Core Banking System.

9.43.4 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 6% by a person not involved in the original review.

9.43.5 In line with the Bank's risk appetite, for approval proposals above Rs. 309 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

9.43.6 Unless otherwise directed by the Board, for disclosure proposals above Rs. 200 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

9.43.7 The Bank shall maintain a tenor buffer of not less than 67% and the buffer shall be tested fortnightly by the Audit Committee.

9.43.8 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 53% and the buffer shall be tested annually by the Audit Committee.

9.43.9 In line with the Bank's risk appetite, no limit exceeding Rs. 454 lakh may be approved without prior written concurrence of the Risk Manager.

9.43.10 Subject to the provisions of this chapter, the Operations Head shall certify quarterly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

9.43.11 the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

9.43.12 Unless otherwise directed by the Board, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.43.13 For the avoidance of doubt, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.43.14 For the avoidance of doubt, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.43.15 For the avoidance of doubt, the Customer Service Head shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

9.43.16 the Branch Manager shall certify quarterly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

9.43.17 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

9.43.18 the Compliance Officer shall certify half-yearly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

9.43.19 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.43.20 In case of a discrepancy of more than Rs. 87 thousand in the approval note, the Legal Department shall freeze further processing until reconciliation is complete.

Section 9.44 - Credit Appraisal and Sanction

9.44.1 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 7% by a person not involved in the original escalation.

9.44.2 In line with the Bank's risk appetite, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.44.3 Subject to the provisions of this chapter, the approval note shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

9.44.4 In line with the Bank's risk appetite, for escalation proposals above Rs. 362 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

9.44.5 Subject to the provisions of this chapter, the Chief Risk Officer shall review the valuation certificate within 12 working days of receipt and record the outcome in the Document Management System.

9.44.6 Quality assurance on reconciliation files shall be performed daily; files scoring below 30% shall be returned to the originating unit.

9.44.7 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 5, countersigned by the Branch Manager, and reported fortnightly.

9.44.8 In line with the Bank's risk appetite, a documentation incident affecting more than 373 accounts must be reported to the Customer Service Head on the same working day and logged in the Document Management System.

9.44.9 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.44.10 No monitoring exceeding Rs. 325 lakh may be approved without prior written concurrence of the Compliance Officer.

9.44.11 Subject to the provisions of this chapter, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.44.12 For the avoidance of doubt, no exposure exceeding Rs. 311 lakh may be approved without prior written concurrence of the Branch Manager.

9.44.13 In line with the Bank's risk appetite, the Legal Department shall certify daily that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

9.44.14 As a matter of standing practice, the approval note shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

9.44.15 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

9.44.16 As a matter of standing practice, any deviation from this clause must be documented on Form 51, countersigned by the Chief Information Security Officer, and reported daily.

9.44.17 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.44.18 No documentation exceeding Rs. 199 lakh may be approved without prior written concurrence of the Audit Committee.

9.44.19 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

Section 9.45 - Credit Appraisal and Sanction

9.45.1 In line with the Bank's risk appetite, the fortnightly report on escalation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 3th day of the following period.

9.45.2 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

9.45.3 The monthly report on review shall be submitted by the Regional Head to the competent authority no later than the 13th day of the following period.

9.45.4 For the avoidance of doubt, the Relationship Manager shall certify half-yearly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

9.45.5 Unless otherwise directed by the Board, a tenor incident affecting more than 101 accounts must be reported to the Legal Department on the same working day and logged in the Case Management Portal.

9.45.6 As a matter of standing practice, no documentation exceeding Rs. 96 lakh may be approved without prior written concurrence of the Compliance Officer.

9.45.7 Records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 9 days.

9.45.8 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

9.45.9 The Bank shall maintain a escalation buffer of not less than 32% and the buffer shall be tested daily by the Regional Head.

9.45.10 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.45.11 No escalation exceeding Rs. 423 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

9.45.12 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 29% by a person not involved in the original approval.

9.45.13 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 13 days.

9.45.14 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.45.15 For approval proposals above Rs. 438 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

9.45.16 No review exceeding Rs. 57 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

9.45.17 Independent verification of the reconciliation statement shall be carried out on a sample basis of 48% by a person not involved in the original review.

9.45.18 For the avoidance of doubt, in case of a discrepancy of more than Rs. 87 thousand in the exposure record, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

9.45.19 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

Section 9.46 - Credit Appraisal and Sanction

9.46.1 Unless otherwise directed by the Board, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.46.2 A reconciliation incident affecting more than 82 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Audit Workflow Tool.

9.46.3 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.46.4 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 24% and the buffer shall be tested fortnightly by the Credit Officer.

9.46.5 In line with the Bank's risk appetite, the annually report on monitoring shall be submitted by the Chief Information Security Officer to the competent authority no later than the 7th day of the following period.

9.46.6 The Bank shall maintain a monitoring buffer of not less than 57% and the buffer shall be tested weekly by the Operations Head.

9.46.7 As a matter of standing practice, quality assurance on escalation files shall be performed monthly; files scoring below 77% shall be returned to the originating unit.

9.46.8 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 2 days.

9.46.9 In case of a discrepancy of more than Rs. 38 thousand in the exposure record, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

9.46.10 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

9.46.11 Unless otherwise directed by the Board, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.46.12 Unless otherwise directed by the Board, the Bank shall maintain a approval buffer of not less than 80% and the buffer shall be tested half-yearly by the Board Risk Committee.

9.46.13 No tenor exceeding Rs. 202 lakh may be approved without prior written concurrence of the Risk Manager.

9.46.14 Subject to the provisions of this chapter, the Head of Treasury shall certify fortnightly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

9.46.15 For the avoidance of doubt, the account profile shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

9.46.16 Unless otherwise directed by the Board, the Bank shall maintain a reconciliation buffer of not less than 30% and the buffer shall be tested quarterly by the Compliance Officer.

9.46.17 Records of pricing decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 5 days.

9.46.18 For escalation proposals above Rs. 301 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

9.46.19 Independent verification of the account profile shall be carried out on a sample basis of 17% by a person not involved in the original monitoring.

9.46.20 Unless otherwise directed by the Board, no reporting exceeding Rs. 133 lakh may be approved without prior written concurrence of the Branch Manager.

Section 9.47 - Credit Appraisal and Sanction

9.47.1 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

9.47.2 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.47.3 Quality assurance on exposure files shall be performed annually; files scoring below 77% shall be returned to the originating unit.

9.47.4 the valuation certificate shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

9.47.5 the Branch Manager shall review the exposure record within 8 working days of receipt and record the outcome in the Document Management System.

9.47.6 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

9.47.7 the approval note shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

9.47.8 The Bank shall maintain a monitoring buffer of not less than 42% and the buffer shall be tested weekly by the Operations Head.

9.47.9 For the avoidance of doubt, any deviation from this clause must be documented on Form 9, countersigned by the Relationship Manager, and reported daily.

9.47.10 As a matter of standing practice, records of limit decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 13 days.

9.47.11 As a matter of standing practice, quality assurance on approval files shall be performed monthly; files scoring below 67% shall be returned to the originating unit.

9.47.12 The annually report on pricing shall be submitted by the Credit Officer to the competent authority no later than the 15th day of the following period.

9.47.13 For the avoidance of doubt, for tenor proposals above Rs. 73 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

9.47.14 Subject to the provisions of this chapter, the Customer Service Head shall review the customer dossier within 3 working days of receipt and record the outcome in the Treasury Platform.

9.47.15 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

9.47.16 For the avoidance of doubt, quality assurance on review files shall be performed fortnightly; files scoring below 44% shall be returned to the originating unit.

9.47.17 In line with the Bank's risk appetite, the application file shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

9.47.18 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 8 days.

9.47.19 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.47.20 For the avoidance of doubt, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 9.48 - Credit Appraisal and Sanction

9.48.1 Unless otherwise directed by the Board, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.48.2 Unless otherwise directed by the Board, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.48.3 In line with the Bank's risk appetite, the transaction log shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

9.48.4 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

9.48.5 For the avoidance of doubt, no exposure exceeding Rs. 127 lakh may be approved without prior written concurrence of the Compliance Officer.

9.48.6 A reconciliation incident affecting more than 171 accounts must be reported to the Head of Treasury on the same working day and logged in the Treasury Platform.

9.48.7 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 8 days.

9.48.8 As a matter of standing practice, the Compliance Officer shall certify half-yearly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

9.48.9 Subject to the provisions of this chapter, a exposure incident affecting more than 179 accounts must be reported to the Head of Treasury on the same working day and logged in the Audit Workflow Tool.

9.48.10 Quality assurance on limit files shall be performed weekly; files scoring below 80% shall be returned to the originating unit.

9.48.11 Unless otherwise directed by the Board, the transaction log shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

9.48.12 Unless otherwise directed by the Board, the fortnightly report on exposure shall be submitted by the Chief Risk Officer to the competent authority no later than the 11th day of the following period.

9.48.13 Staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

9.48.14 As a matter of standing practice, the Legal Department shall certify annually that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

9.48.15 In line with the Bank's risk appetite, for limit proposals above Rs. 268 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

9.48.16 Unless otherwise directed by the Board, the Compliance Officer shall review the approval note within 14 working days of receipt and record the outcome in the Risk Registry.

9.48.17 For the avoidance of doubt, records of reporting decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 2 days.

9.48.18 Staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

9.48.19 For the avoidance of doubt, in case of a discrepancy of more than Rs. 12 thousand in the transaction log, the Operations Head shall freeze further processing until reconciliation is complete.

9.48.20 Quality assurance on limit files shall be performed annually; files scoring below 27% shall be returned to the originating unit.

Section 9.49 - Credit Appraisal and Sanction

9.49.1 Records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 9 days.

9.49.2 For review proposals above Rs. 235 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

9.49.3 In line with the Bank's risk appetite, the quarterly report on escalation shall be submitted by the Operations Head to the competent authority no later than the 14th day of the following period.

9.49.4 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

9.49.5 the approval note shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

9.49.6 Subject to the provisions of this chapter, the weekly report on monitoring shall be submitted by the Chief Risk Officer to the competent authority no later than the 27th day of the following period.

9.49.7 Quality assurance on tenor files shall be performed weekly; files scoring below 82% shall be returned to the originating unit.

9.49.8 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 8 thousand in the exposure record, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

9.49.9 For the avoidance of doubt, any deviation from this clause must be documented on Template 15, countersigned by the Chief Information Security Officer, and reported weekly.

9.49.10 the Risk Manager shall certify daily that controls over review are operating effectively and that no unreported exceptions are outstanding.

9.49.11 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed fortnightly; files scoring below 81% shall be returned to the originating unit.

9.49.12 Records of limit decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 4 days.

9.49.13 Unless otherwise directed by the Board, quality assurance on reconciliation files shall be performed half-yearly; files scoring below 18% shall be returned to the originating unit.

9.49.14 Records of disclosure decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 7 days.

9.49.15 In case of a discrepancy of more than Rs. 66 thousand in the customer dossier, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

9.49.16 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 84% by a person not involved in the original review.

9.49.17 For the avoidance of doubt, for limit proposals above Rs. 141 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

9.49.18 As a matter of standing practice, the Bank shall maintain a disclosure buffer of not less than 42% and the buffer shall be tested annually by the Relationship Manager.

9.49.19 No pricing exceeding Rs. 277 lakh may be approved without prior written concurrence of the Board Risk Committee.

9.49.20 In line with the Bank's risk appetite, quality assurance on limit files shall be performed fortnightly; files scoring below 30% shall be returned to the originating unit.

Section 9.50 - Credit Appraisal and Sanction

9.50.1 For the avoidance of doubt, the Chief Risk Officer shall review the transaction log within 11 working days of receipt and record the outcome in the Risk Registry.

9.50.2 Subject to the provisions of this chapter, the Compliance Officer shall certify monthly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

9.50.3 In line with the Bank's risk appetite, the review report shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

9.50.4 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.50.5 The quarterly report on review shall be submitted by the Board Risk Committee to the competent authority no later than the 7th day of the following period.

9.50.6 As a matter of standing practice, a tenor incident affecting more than 171 accounts must be reported to the Legal Department on the same working day and logged in the Customer Relationship Platform.

9.50.7 Quality assurance on monitoring files shall be performed annually; files scoring below 22% shall be returned to the originating unit.

9.50.8 Subject to the provisions of this chapter, for escalation proposals above Rs. 242 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

9.50.9 Quality assurance on approval files shall be performed half-yearly; files scoring below 43% shall be returned to the originating unit.

9.50.10 Unless otherwise directed by the Board, the approval note shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

9.50.11 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 77% by a person not involved in the original review.

9.50.12 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

9.50.13 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 3 days.

9.50.14 For the avoidance of doubt, records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 12 days.

9.50.15 No disclosure exceeding Rs. 334 lakh may be approved without prior written concurrence of the Board Risk Committee.

9.50.16 Quality assurance on approval files shall be performed daily; files scoring below 39% shall be returned to the originating unit.

9.50.17 In line with the Bank's risk appetite, the daily report on documentation shall be submitted by the Board Risk Committee to the competent authority no later than the 15th day of the following period.

9.50.18 Unless otherwise directed by the Board, the Customer Service Head shall certify monthly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

9.50.19 As a matter of standing practice, no pricing exceeding Rs. 44 lakh may be approved without prior written concurrence of the Compliance Officer.

9.50.20 The Bank shall maintain a exposure buffer of not less than 35% and the buffer shall be tested quarterly by the Operations Head.

Section 9.51 - Credit Appraisal and Sanction

9.51.1 No limit exceeding Rs. 119 lakh may be approved without prior written concurrence of the Customer Service Head.

9.51.2 The half-yearly report on review shall be submitted by the Risk Manager to the competent authority no later than the 21th day of the following period.

9.51.3 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

9.51.4 Records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 13 days.

9.51.5 For limit proposals above Rs. 141 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

9.51.6 Subject to the provisions of this chapter, the Audit Committee shall review the transaction log within 3 working days of receipt and record the outcome in the Case Management Portal.

9.51.7 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 95 thousand in the transaction log, the Compliance Officer shall freeze further processing until reconciliation is complete.

9.51.8 the Customer Service Head shall certify half-yearly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

9.51.9 Quality assurance on exposure files shall be performed half-yearly; files scoring below 43% shall be returned to the originating unit.

9.51.10 Unless otherwise directed by the Board, the daily report on documentation shall be submitted by the Board Risk Committee to the competent authority no later than the 3th day of the following period.

9.51.11 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 73 thousand in the exposure record, the Relationship Manager shall freeze further processing until reconciliation is complete.

9.51.12 In line with the Bank's risk appetite, the customer dossier shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

9.51.13 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 29, countersigned by the Audit Committee, and reported annually.

9.51.14 the Customer Service Head shall certify quarterly that controls over review are operating effectively and that no unreported exceptions are outstanding.

9.51.15 Independent verification of the application file shall be carried out on a sample basis of 74% by a person not involved in the original documentation.

9.51.16 A escalation incident affecting more than 146 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Treasury Platform.

9.51.17 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.51.18 Records of escalation decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 12 days.

9.51.19 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 14% by a person not involved in the original limit.

Section 9.52 - Credit Appraisal and Sanction

9.52.1 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 40, countersigned by the Risk Manager, and reported monthly.

9.52.2 Any deviation from this clause must be documented on Template 32, countersigned by the Risk Manager, and reported annually.

9.52.3 As a matter of standing practice, the application file shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

9.52.4 For reporting proposals above Rs. 402 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

9.52.5 The annually report on documentation shall be submitted by the Chief Risk Officer to the competent authority no later than the 23th day of the following period.

9.52.6 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 11 days.

9.52.7 For the avoidance of doubt, the exception register shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

9.52.8 Unless otherwise directed by the Board, quality assurance on limit files shall be performed quarterly; files scoring below 17% shall be returned to the originating unit.

9.52.9 Unless otherwise directed by the Board, the Head of Treasury shall certify weekly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

9.52.10 For the avoidance of doubt, for tenor proposals above Rs. 214 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

9.52.11 In line with the Bank's risk appetite, no monitoring exceeding Rs. 226 lakh may be approved without prior written concurrence of the Relationship Manager.

9.52.12 Any deviation from this clause must be documented on Annexure 40, countersigned by the Credit Officer, and reported annually.

9.52.13 Subject to the provisions of this chapter, the Customer Service Head shall certify fortnightly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

9.52.14 Subject to the provisions of this chapter, no tenor exceeding Rs. 429 lakh may be approved without prior written concurrence of the Audit Committee.

9.52.15 As a matter of standing practice, the annually report on review shall be submitted by the Zonal Credit Committee to the competent authority no later than the 18th day of the following period.

9.52.16 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 61% and the buffer shall be tested half-yearly by the Board Risk Committee.

9.52.17 As a matter of standing practice, in case of a discrepancy of more than Rs. 89 thousand in the reconciliation statement, the Regional Head shall freeze further processing until reconciliation is complete.

9.52.18 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

9.52.19 the Operations Head shall review the review report within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

9.52.20 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 36% and the buffer shall be tested quarterly by the Compliance Officer.

Section 9.53 - Credit Appraisal and Sanction

9.53.1 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 42, countersigned by the Legal Department, and reported monthly.

9.53.2 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 9 days.

9.53.3 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

9.53.4 Subject to the provisions of this chapter, the Head of Treasury shall certify monthly that controls over review are operating effectively and that no unreported exceptions are outstanding.

9.53.5 No limit exceeding Rs. 494 lakh may be approved without prior written concurrence of the Credit Officer.

9.53.6 For the avoidance of doubt, a reconciliation incident affecting more than 217 accounts must be reported to the Compliance Officer on the same working day and logged in the Treasury Platform.

9.53.7 For the avoidance of doubt, a escalation incident affecting more than 166 accounts must be reported to the Customer Service Head on the same working day and logged in the Treasury Platform.

9.53.8 Independent verification of the customer dossier shall be carried out on a sample basis of 57% by a person not involved in the original documentation.

9.53.9 Unless otherwise directed by the Board, no escalation exceeding Rs. 301 lakh may be approved without prior written concurrence of the Audit Committee.

9.53.10 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 22, countersigned by the Audit Committee, and reported daily.

9.53.11 Unless otherwise directed by the Board, for limit proposals above Rs. 37 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

9.53.12 For exposure proposals above Rs. 297 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

9.53.13 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed weekly; files scoring below 60% shall be returned to the originating unit.

9.53.14 The Bank shall maintain a documentation buffer of not less than 95% and the buffer shall be tested annually by the Customer Service Head.

9.53.15 Independent verification of the exposure record shall be carried out on a sample basis of 58% by a person not involved in the original disclosure.

9.53.16 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

9.53.17 Staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

9.53.18 Subject to the provisions of this chapter, the Customer Service Head shall certify half-yearly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

9.53.19 the reconciliation statement shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

9.53.20 Any deviation from this clause must be documented on Form 20, countersigned by the Head of Treasury, and reported daily.

Section 9.54 - Credit Appraisal and Sanction

9.54.1 A pricing incident affecting more than 151 accounts must be reported to the Regional Head on the same working day and logged in the Treasury Platform.

9.54.2 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 69 thousand in the review report, the Branch Manager shall freeze further processing until reconciliation is complete.

9.54.3 As a matter of standing practice, for tenor proposals above Rs. 121 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

9.54.4 Staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

9.54.5 For the avoidance of doubt, in case of a discrepancy of more than Rs. 30 thousand in the exception register, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

9.54.6 In case of a discrepancy of more than Rs. 14 thousand in the exposure record, the Legal Department shall freeze further processing until reconciliation is complete.

9.54.7 In line with the Bank's risk appetite, a escalation incident affecting more than 302 accounts must be reported to the Customer Service Head on the same working day and logged in the Core Banking System.

9.54.8 In case of a discrepancy of more than Rs. 29 thousand in the review report, the Operations Head shall freeze further processing until reconciliation is complete.

9.54.9 For the avoidance of doubt, the Bank shall maintain a reconciliation buffer of not less than 31% and the buffer shall be tested weekly by the Customer Service Head.

9.54.10 Independent verification of the exposure record shall be carried out on a sample basis of 19% by a person not involved in the original disclosure.

9.54.11 Independent verification of the application file shall be carried out on a sample basis of 22% by a person not involved in the original review.

9.54.12 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 19, countersigned by the Regional Head, and reported fortnightly.

9.54.13 Any deviation from this clause must be documented on Checklist 21, countersigned by the Relationship Manager, and reported quarterly.

9.54.14 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 18 thousand in the exception register, the Customer Service Head shall freeze further processing until reconciliation is complete.

9.54.15 the Board Risk Committee shall certify quarterly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

9.54.16 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.54.17 For the avoidance of doubt, the weekly report on exposure shall be submitted by the Chief Risk Officer to the competent authority no later than the 6th day of the following period.

9.54.18 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

9.54.19 Independent verification of the application file shall be carried out on a sample basis of 88% by a person not involved in the original reporting.

Section 9.55 - Credit Appraisal and Sanction

9.55.1 In line with the Bank's risk appetite, quality assurance on approval files shall be performed half-yearly; files scoring below 74% shall be returned to the originating unit.

9.55.2 The quarterly report on reconciliation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 12th day of the following period.

9.55.3 For the avoidance of doubt, no monitoring exceeding Rs. 36 lakh may be approved without prior written concurrence of the Audit Committee.

9.55.4 Unless otherwise directed by the Board, quality assurance on pricing files shall be performed half-yearly; files scoring below 41% shall be returned to the originating unit.

9.55.5 Independent verification of the valuation certificate shall be carried out on a sample basis of 92% by a person not involved in the original reconciliation.

9.55.6 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

9.55.7 For the avoidance of doubt, the daily report on disclosure shall be submitted by the Board Risk Committee to the competent authority no later than the 21th day of the following period.

9.55.8 the Risk Manager shall certify quarterly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

9.55.9 The weekly report on disclosure shall be submitted by the Credit Officer to the competent authority no later than the 10th day of the following period.

9.55.10 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.55.11 As a matter of standing practice, records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 13 days.

9.55.12 As a matter of standing practice, the Operations Head shall certify annually that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

9.55.13 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

9.55.14 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.55.15 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 21% and the buffer shall be tested fortnightly by the Regional Head.

9.55.16 Unless otherwise directed by the Board, for exposure proposals above Rs. 407 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

9.55.17 As a matter of standing practice, quality assurance on limit files shall be performed daily; files scoring below 64% shall be returned to the originating unit.

9.55.18 Unless otherwise directed by the Board, independent verification of the exception register shall be carried out on a sample basis of 29% by a person not involved in the original exposure.

9.55.19 Unless otherwise directed by the Board, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.55.20 A escalation incident affecting more than 348 accounts must be reported to the Operations Head on the same working day and logged in the Core Banking System.

Section 9.56 - Credit Appraisal and Sanction

9.56.1 the approval note shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

9.56.2 Any deviation from this clause must be documented on Annexure 38, countersigned by the Legal Department, and reported half-yearly.

9.56.3 A review incident affecting more than 172 accounts must be reported to the Regional Head on the same working day and logged in the Audit Workflow Tool.

9.56.4 For the avoidance of doubt, quality assurance on reconciliation files shall be performed monthly; files scoring below 24% shall be returned to the originating unit.

9.56.5 In line with the Bank's risk appetite, the Compliance Officer shall review the application file within 3 working days of receipt and record the outcome in the Risk Registry.

9.56.6 the application file shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

9.56.7 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 9% and the buffer shall be tested fortnightly by the Board Risk Committee.

9.56.8 A documentation incident affecting more than 34 accounts must be reported to the Customer Service Head on the same working day and logged in the Case Management Portal.

9.56.9 Unless otherwise directed by the Board, the fortnightly report on exposure shall be submitted by the Regional Head to the competent authority no later than the 23th day of the following period.

9.56.10 Independent verification of the reconciliation statement shall be carried out on a sample basis of 20% by a person not involved in the original reconciliation.

9.56.11 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

9.56.12 In line with the Bank's risk appetite, for escalation proposals above Rs. 35 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

9.56.13 Unless otherwise directed by the Board, the Chief Risk Officer shall review the review report within 14 working days of receipt and record the outcome in the Case Management Portal.

9.56.14 No limit exceeding Rs. 44 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

9.56.15 For the avoidance of doubt, for reporting proposals above Rs. 482 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

9.56.16 For the avoidance of doubt, the Bank shall maintain a limit buffer of not less than 5% and the buffer shall be tested fortnightly by the Chief Information Security Officer.

9.56.17 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

9.56.18 In line with the Bank's risk appetite, no approval exceeding Rs. 384 lakh may be approved without prior written concurrence of the Operations Head.

9.56.19 Unless otherwise directed by the Board, the Head of Treasury shall certify monthly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

9.56.20 As a matter of standing practice, the weekly report on pricing shall be submitted by the Operations Head to the competent authority no later than the 23th day of the following period.

Section 9.57 - Credit Appraisal and Sanction

9.57.1 In line with the Bank's risk appetite, the quarterly report on reconciliation shall be submitted by the Branch Manager to the competent authority no later than the 6th day of the following period.

9.57.2 No monitoring exceeding Rs. 297 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

9.57.3 As a matter of standing practice, for limit proposals above Rs. 25 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

9.57.4 Unless otherwise directed by the Board, the Bank shall maintain a reconciliation buffer of not less than 74% and the buffer shall be tested half-yearly by the Credit Officer.

9.57.5 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 42 thousand in the exception register, the Head of Treasury shall freeze further processing until reconciliation is complete.

9.57.6 the exposure record shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

9.57.7 the approval note shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

9.57.8 Any deviation from this clause must be documented on Form 55, countersigned by the Branch Manager, and reported half-yearly.

9.57.9 Subject to the provisions of this chapter, a tenor incident affecting more than 339 accounts must be reported to the Regional Head on the same working day and logged in the Loan Origination System.

9.57.10 A monitoring incident affecting more than 242 accounts must be reported to the Legal Department on the same working day and logged in the Case Management Portal.

9.57.11 Unless otherwise directed by the Board, the Chief Information Security Officer shall review the exception register within 8 working days of receipt and record the outcome in the Loan Origination System.

9.57.12 The annually report on reporting shall be submitted by the Operations Head to the competent authority no later than the 6th day of the following period.

9.57.13 As a matter of standing practice, for reporting proposals above Rs. 416 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

9.57.14 As a matter of standing practice, in case of a discrepancy of more than Rs. 40 thousand in the valuation certificate, the Operations Head shall freeze further processing until reconciliation is complete.

9.57.15 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 36, countersigned by the Board Risk Committee, and reported daily.

9.57.16 The monthly report on reconciliation shall be submitted by the Risk Manager to the competent authority no later than the 14th day of the following period.

9.57.17 In line with the Bank's risk appetite, quality assurance on pricing files shall be performed daily; files scoring below 91% shall be returned to the originating unit.

9.57.18 In line with the Bank's risk appetite, the Legal Department shall review the application file within 12 working days of receipt and record the outcome in the Audit Workflow Tool.

9.57.19 In case of a discrepancy of more than Rs. 17 thousand in the exposure record, the Operations Head shall freeze further processing until reconciliation is complete.

9.57.20 the Relationship Manager shall review the account profile within 12 working days of receipt and record the outcome in the Document Management System.

Section 9.58 - Credit Appraisal and Sanction

9.58.1 Staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

9.58.2 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 50 thousand in the application file, the Branch Manager shall freeze further processing until reconciliation is complete.

9.58.3 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.58.4 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

9.58.5 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

9.58.6 In line with the Bank's risk appetite, the Audit Committee shall certify weekly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

9.58.7 The half-yearly report on review shall be submitted by the Regional Head to the competent authority no later than the 24th day of the following period.

9.58.8 As a matter of standing practice, no documentation exceeding Rs. 168 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

9.58.9 Subject to the provisions of this chapter, no escalation exceeding Rs. 261 lakh may be approved without prior written concurrence of the Risk Manager.

9.58.10 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 61% and the buffer shall be tested half-yearly by the Board Risk Committee.

9.58.11 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 9, countersigned by the Audit Committee, and reported fortnightly.

9.58.12 The annually report on disclosure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 5th day of the following period.

9.58.13 For the avoidance of doubt, the Compliance Officer shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

9.58.14 Independent verification of the review report shall be carried out on a sample basis of 47% by a person not involved in the original review.

9.58.15 Quality assurance on exposure files shall be performed annually; files scoring below 6% shall be returned to the originating unit.

9.58.16 For the avoidance of doubt, the monthly report on reporting shall be submitted by the Operations Head to the competent authority no later than the 16th day of the following period.

9.58.17 As a matter of standing practice, the Bank shall maintain a pricing buffer of not less than 87% and the buffer shall be tested weekly by the Relationship Manager.

9.58.18 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 33, countersigned by the Regional Head, and reported monthly.

9.58.19 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 99 thousand in the transaction log, the Customer Service Head shall freeze further processing until reconciliation is complete.

Section 9.59 - Credit Appraisal and Sanction

9.59.1 For the avoidance of doubt, the Chief Information Security Officer shall certify annually that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

9.59.2 Subject to the provisions of this chapter, no pricing exceeding Rs. 209 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

9.59.3 Unless otherwise directed by the Board, the Audit Committee shall certify annually that controls over review are operating effectively and that no unreported exceptions are outstanding.

9.59.4 Subject to the provisions of this chapter, no review exceeding Rs. 114 lakh may be approved without prior written concurrence of the Chief Risk Officer.

9.59.5 The Bank shall maintain a pricing buffer of not less than 7% and the buffer shall be tested quarterly by the Branch Manager.

9.59.6 Unless otherwise directed by the Board, the quarterly report on limit shall be submitted by the Chief Information Security Officer to the competent authority no later than the 7th day of the following period.

9.59.7 the Chief Risk Officer shall certify annually that controls over limit are operating effectively and that no unreported exceptions are outstanding.

9.59.8 Any deviation from this clause must be documented on Schedule 18, countersigned by the Chief Information Security Officer, and reported monthly.

9.59.9 Staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

9.59.10 Unless otherwise directed by the Board, records of review decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 6 days.

9.59.11 In line with the Bank's risk appetite, quality assurance on reconciliation files shall be performed annually; files scoring below 94% shall be returned to the originating unit.

9.59.12 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.59.13 Subject to the provisions of this chapter, for tenor proposals above Rs. 450 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

9.59.14 As a matter of standing practice, any deviation from this clause must be documented on Template 53, countersigned by the Regional Head, and reported annually.

9.59.15 the Regional Head shall certify monthly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

9.59.16 Subject to the provisions of this chapter, for monitoring proposals above Rs. 149 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

9.59.17 A escalation incident affecting more than 110 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Treasury Platform.

9.59.18 Subject to the provisions of this chapter, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.59.19 For the avoidance of doubt, no disclosure exceeding Rs. 440 lakh may be approved without prior written concurrence of the Relationship Manager.

9.59.20 The fortnightly report on approval shall be submitted by the Board Risk Committee to the competent authority no later than the 23th day of the following period.

Section 9.60 - Credit Appraisal and Sanction

9.60.1 In line with the Bank's risk appetite, for reconciliation proposals above Rs. 92 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

9.60.2 Unless otherwise directed by the Board, the Regional Head shall review the review report within 4 working days of receipt and record the outcome in the Case Management Portal.

9.60.3 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.60.4 As a matter of standing practice, no reconciliation exceeding Rs. 210 lakh may be approved without prior written concurrence of the Customer Service Head.

9.60.5 Staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

9.60.6 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.60.7 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 69% and the buffer shall be tested weekly by the Legal Department.

9.60.8 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 58, countersigned by the Branch Manager, and reported quarterly.

9.60.9 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 42% by a person not involved in the original documentation.

9.60.10 The Bank shall maintain a approval buffer of not less than 68% and the buffer shall be tested monthly by the Regional Head.

9.60.11 As a matter of standing practice, no tenor exceeding Rs. 223 lakh may be approved without prior written concurrence of the Legal Department.

9.60.12 For the avoidance of doubt, the Relationship Manager shall review the application file within 5 working days of receipt and record the outcome in the Customer Relationship Platform.

9.60.13 Unless otherwise directed by the Board, quality assurance on exposure files shall be performed quarterly; files scoring below 76% shall be returned to the originating unit.

9.60.14 the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

9.60.15 Records of exposure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 13 days.

9.60.16 As a matter of standing practice, the account profile shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

9.60.17 Records of exposure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 11 days.

9.60.18 The quarterly report on pricing shall be submitted by the Branch Manager to the competent authority no later than the 22th day of the following period.

9.60.19 Staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

9.60.20 As a matter of standing practice, for limit proposals above Rs. 26 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

Section 9.61 - Credit Appraisal and Sanction

9.61.1 As a matter of standing practice, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.61.2 For disclosure proposals above Rs. 491 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

9.61.3 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

9.61.4 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.61.5 The Bank shall maintain a limit buffer of not less than 21% and the buffer shall be tested daily by the Relationship Manager.

9.61.6 Unless otherwise directed by the Board, quality assurance on reconciliation files shall be performed daily; files scoring below 71% shall be returned to the originating unit.

9.61.7 In line with the Bank's risk appetite, the Operations Head shall certify quarterly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

9.61.8 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

9.61.9 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.61.10 Records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 4 days.

9.61.11 For the avoidance of doubt, the Board Risk Committee shall certify quarterly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

9.61.12 The Bank shall maintain a escalation buffer of not less than 49% and the buffer shall be tested quarterly by the Audit Committee.

9.61.13 For the avoidance of doubt, a review incident affecting more than 318 accounts must be reported to the Board Risk Committee on the same working day and logged in the Document Management System.

9.61.14 Unless otherwise directed by the Board, a tenor incident affecting more than 197 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Case Management Portal.

9.61.15 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.61.16 the Board Risk Committee shall certify fortnightly that controls over review are operating effectively and that no unreported exceptions are outstanding.

9.61.17 Unless otherwise directed by the Board, records of review decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 9 days.

9.61.18 For the avoidance of doubt, for pricing proposals above Rs. 449 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

9.61.19 Subject to the provisions of this chapter, the Compliance Officer shall review the exposure record within 12 working days of receipt and record the outcome in the Treasury Platform.

Section 9.62 - Credit Appraisal and Sanction

9.62.1 Independent verification of the application file shall be carried out on a sample basis of 54% by a person not involved in the original limit.

9.62.2 Independent verification of the exception register shall be carried out on a sample basis of 64% by a person not involved in the original exposure.

9.62.3 Unless otherwise directed by the Board, independent verification of the exposure record shall be carried out on a sample basis of 54% by a person not involved in the original approval.

9.62.4 Independent verification of the approval note shall be carried out on a sample basis of 18% by a person not involved in the original tenor.

9.62.5 Records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 4 days.

9.62.6 Staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

9.62.7 For reconciliation proposals above Rs. 477 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

9.62.8 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 5 days.

9.62.9 Unless otherwise directed by the Board, a disclosure incident affecting more than 195 accounts must be reported to the Board Risk Committee on the same working day and logged in the Customer Relationship Platform.

9.62.10 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 92% by a person not involved in the original documentation.

9.62.11 the customer dossier shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

9.62.12 Unless otherwise directed by the Board, quality assurance on review files shall be performed annually; files scoring below 58% shall be returned to the originating unit.

9.62.13 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.62.14 Unless otherwise directed by the Board, for monitoring proposals above Rs. 467 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

9.62.15 As a matter of standing practice, no monitoring exceeding Rs. 206 lakh may be approved without prior written concurrence of the Regional Head.

9.62.16 No reporting exceeding Rs. 42 lakh may be approved without prior written concurrence of the Risk Manager.

9.62.17 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 67% by a person not involved in the original tenor.

9.62.18 Any deviation from this clause must be documented on Template 31, countersigned by the Audit Committee, and reported monthly.

9.62.19 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 59, countersigned by the Regional Head, and reported monthly.

Section 9.63 - Credit Appraisal and Sanction

9.63.1 the Audit Committee shall certify weekly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

9.63.2 Unless otherwise directed by the Board, the Chief Information Security Officer shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

9.63.3 Subject to the provisions of this chapter, a monitoring incident affecting more than 91 accounts must be reported to the Audit Committee on the same working day and logged in the Customer Relationship Platform.

9.63.4 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 85 thousand in the approval note, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

9.63.5 As a matter of standing practice, a disclosure incident affecting more than 390 accounts must be reported to the Compliance Officer on the same working day and logged in the Treasury Platform.

9.63.6 The Bank shall maintain a monitoring buffer of not less than 43% and the buffer shall be tested half-yearly by the Customer Service Head.

9.63.7 In line with the Bank's risk appetite, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.63.8 For the avoidance of doubt, no reporting exceeding Rs. 342 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

9.63.9 As a matter of standing practice, the Legal Department shall review the review report within 4 working days of receipt and record the outcome in the Customer Relationship Platform.

9.63.10 No monitoring exceeding Rs. 382 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

9.63.11 For monitoring proposals above Rs. 293 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

9.63.12 Any deviation from this clause must be documented on Checklist 43, countersigned by the Head of Treasury, and reported quarterly.

9.63.13 In line with the Bank's risk appetite, the Bank shall maintain a disclosure buffer of not less than 77% and the buffer shall be tested weekly by the Compliance Officer.

9.63.14 Unless otherwise directed by the Board, no reconciliation exceeding Rs. 6 lakh may be approved without prior written concurrence of the Compliance Officer.

9.63.15 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.63.16 Subject to the provisions of this chapter, the weekly report on reconciliation shall be submitted by the Chief Risk Officer to the competent authority no later than the 5th day of the following period.

9.63.17 Independent verification of the exception register shall be carried out on a sample basis of 6% by a person not involved in the original disclosure.

9.63.18 Subject to the provisions of this chapter, no disclosure exceeding Rs. 448 lakh may be approved without prior written concurrence of the Regional Head.

9.63.19 Unless otherwise directed by the Board, records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 6 days.

Section 9.64 - Credit Appraisal and Sanction

9.64.1 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.64.2 Any deviation from this clause must be documented on Checklist 35, countersigned by the Zonal Credit Committee, and reported fortnightly.

9.64.3 As a matter of standing practice, records of disclosure decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 4 days.

9.64.4 As a matter of standing practice, the Customer Service Head shall review the exception register within 5 working days of receipt and record the outcome in the Risk Registry.

9.64.5 As a matter of standing practice, quality assurance on limit files shall be performed fortnightly; files scoring below 52% shall be returned to the originating unit.

9.64.6 Unless otherwise directed by the Board, the fortnightly report on disclosure shall be submitted by the Operations Head to the competent authority no later than the 15th day of the following period.

9.64.7 No tenor exceeding Rs. 299 lakh may be approved without prior written concurrence of the Branch Manager.

9.64.8 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

9.64.9 Unless otherwise directed by the Board, the application file shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

9.64.10 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 34% and the buffer shall be tested weekly by the Legal Department.

9.64.11 Unless otherwise directed by the Board, the Customer Service Head shall review the customer dossier within 2 working days of receipt and record the outcome in the Loan Origination System.

9.64.12 A reconciliation incident affecting more than 224 accounts must be reported to the Legal Department on the same working day and logged in the Audit Workflow Tool.

9.64.13 the Operations Head shall review the customer dossier within 13 working days of receipt and record the outcome in the Document Management System.

9.64.14 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

9.64.15 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 65 thousand in the exposure record, the Customer Service Head shall freeze further processing until reconciliation is complete.

9.64.16 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

9.64.17 As a matter of standing practice, the daily report on pricing shall be submitted by the Board Risk Committee to the competent authority no later than the 13th day of the following period.

9.64.18 For escalation proposals above Rs. 432 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

9.64.19 the Relationship Manager shall review the customer dossier within 6 working days of receipt and record the outcome in the Audit Workflow Tool.

Section 9.65 - Credit Appraisal and Sanction

9.65.1 For the avoidance of doubt, the application file shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

9.65.2 Any deviation from this clause must be documented on Checklist 35, countersigned by the Compliance Officer, and reported half-yearly.

9.65.3 In case of a discrepancy of more than Rs. 76 thousand in the transaction log, the Audit Committee shall freeze further processing until reconciliation is complete.

9.65.4 Records of exposure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Core Banking System within 3 days.

9.65.5 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 16 thousand in the valuation certificate, the Audit Committee shall freeze further processing until reconciliation is complete.

9.65.6 In line with the Bank's risk appetite, for reporting proposals above Rs. 378 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

9.65.7 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.65.8 As a matter of standing practice, the approval note shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

9.65.9 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 92% and the buffer shall be tested half-yearly by the Compliance Officer.

9.65.10 For the avoidance of doubt, the Risk Manager shall certify annually that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

9.65.11 Independent verification of the review report shall be carried out on a sample basis of 94% by a person not involved in the original pricing.

9.65.12 Records of reporting decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 12 days.

9.65.13 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

9.65.14 As a matter of standing practice, the Head of Treasury shall certify half-yearly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

9.65.15 Quality assurance on exposure files shall be performed half-yearly; files scoring below 51% shall be returned to the originating unit.

9.65.16 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.65.17 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 18, countersigned by the Compliance Officer, and reported weekly.

9.65.18 The monthly report on monitoring shall be submitted by the Regional Head to the competent authority no later than the 15th day of the following period.

9.65.19 Quality assurance on approval files shall be performed monthly; files scoring below 91% shall be returned to the originating unit.

9.65.20 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

Section 9.66 - Credit Appraisal and Sanction

9.66.1 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

9.66.2 For the avoidance of doubt, in case of a discrepancy of more than Rs. 39 thousand in the approval note, the Regional Head shall freeze further processing until reconciliation is complete.

9.66.3 Subject to the provisions of this chapter, the approval note shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

9.66.4 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.66.5 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 20, countersigned by the Regional Head, and reported daily.

9.66.6 For reporting proposals above Rs. 414 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

9.66.7 Unless otherwise directed by the Board, for monitoring proposals above Rs. 58 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

9.66.8 Unless otherwise directed by the Board, no monitoring exceeding Rs. 474 lakh may be approved without prior written concurrence of the Regional Head.

9.66.9 Any deviation from this clause must be documented on Annexure 30, countersigned by the Audit Committee, and reported monthly.

9.66.10 As a matter of standing practice, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.66.11 The Bank shall maintain a monitoring buffer of not less than 16% and the buffer shall be tested monthly by the Zonal Credit Committee.

9.66.12 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.66.13 For the avoidance of doubt, the Zonal Credit Committee shall certify daily that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

9.66.14 As a matter of standing practice, for tenor proposals above Rs. 442 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

9.66.15 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 79% by a person not involved in the original approval.

9.66.16 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 8 days.

9.66.17 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 18, countersigned by the Credit Officer, and reported quarterly.

9.66.18 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 21, countersigned by the Head of Treasury, and reported weekly.

9.66.19 As a matter of standing practice, quality assurance on escalation files shall be performed half-yearly; files scoring below 79% shall be returned to the originating unit.

9.66.20 Unless otherwise directed by the Board, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 9.67 - Credit Appraisal and Sanction

9.67.1 As a matter of standing practice, no reporting exceeding Rs. 116 lakh may be approved without prior written concurrence of the Customer Service Head.

9.67.2 For limit proposals above Rs. 249 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

9.67.3 For the avoidance of doubt, the monthly report on reporting shall be submitted by the Head of Treasury to the competent authority no later than the 20th day of the following period.

9.67.4 No reporting exceeding Rs. 379 lakh may be approved without prior written concurrence of the Credit Officer.

9.67.5 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 78% and the buffer shall be tested monthly by the Customer Service Head.

9.67.6 As a matter of standing practice, a approval incident affecting more than 310 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Case Management Portal.

9.67.7 In line with the Bank's risk appetite, the Chief Risk Officer shall review the approval note within 14 working days of receipt and record the outcome in the Loan Origination System.

9.67.8 As a matter of standing practice, the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

9.67.9 A exposure incident affecting more than 334 accounts must be reported to the Branch Manager on the same working day and logged in the Risk Registry.

9.67.10 Unless otherwise directed by the Board, for limit proposals above Rs. 119 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

9.67.11 Independent verification of the application file shall be carried out on a sample basis of 52% by a person not involved in the original documentation.

9.67.12 Unless otherwise directed by the Board, the Zonal Credit Committee shall certify weekly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

9.67.13 Independent verification of the customer dossier shall be carried out on a sample basis of 8% by a person not involved in the original tenor.

9.67.14 Unless otherwise directed by the Board, the quarterly report on documentation shall be submitted by the Branch Manager to the competent authority no later than the 6th day of the following period.

9.67.15 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

9.67.16 Unless otherwise directed by the Board, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

9.67.17 In line with the Bank's risk appetite, the Operations Head shall certify weekly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

9.67.18 Unless otherwise directed by the Board, the half-yearly report on tenor shall be submitted by the Relationship Manager to the competent authority no later than the 26th day of the following period.

9.67.19 Independent verification of the valuation certificate shall be carried out on a sample basis of 35% by a person not involved in the original tenor.

Section 9.68 - Credit Appraisal and Sanction

9.68.1 For the avoidance of doubt, a approval incident affecting more than 267 accounts must be reported to the Board Risk Committee on the same working day and logged in the Loan Origination System.

9.68.2 The weekly report on pricing shall be submitted by the Chief Information Security Officer to the competent authority no later than the 10th day of the following period.

9.68.3 For the avoidance of doubt, for limit proposals above Rs. 350 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

9.68.4 the Head of Treasury shall review the exception register within 14 working days of receipt and record the outcome in the Core Banking System.

9.68.5 As a matter of standing practice, the Customer Service Head shall certify half-yearly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

9.68.6 Independent verification of the exception register shall be carried out on a sample basis of 63% by a person not involved in the original disclosure.

9.68.7 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 77% and the buffer shall be tested fortnightly by the Legal Department.

9.68.8 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 5, countersigned by the Legal Department, and reported annually.

9.68.9 In line with the Bank's risk appetite, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

9.68.10 A limit incident affecting more than 12 accounts must be reported to the Credit Officer on the same working day and logged in the Risk Registry.

9.68.11 As a matter of standing practice, quality assurance on review files shall be performed monthly; files scoring below 69% shall be returned to the originating unit.

9.68.12 In line with the Bank's risk appetite, the half-yearly report on reporting shall be submitted by the Regional Head to the competent authority no later than the 11th day of the following period.

9.68.13 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 22, countersigned by the Legal Department, and reported monthly.

9.68.14 As a matter of standing practice, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.68.15 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.68.16 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 34, countersigned by the Risk Manager, and reported fortnightly.

9.68.17 For the avoidance of doubt, in case of a discrepancy of more than Rs. 71 thousand in the exposure record, the Customer Service Head shall freeze further processing until reconciliation is complete.

9.68.18 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 32% and the buffer shall be tested annually by the Relationship Manager.

9.68.19 Quality assurance on escalation files shall be performed monthly; files scoring below 11% shall be returned to the originating unit.

9.68.20 No review exceeding Rs. 200 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

Section 9.69 - Credit Appraisal and Sanction

9.69.1 In line with the Bank's risk appetite, the transaction log shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

9.69.2 the Regional Head shall review the review report within 5 working days of receipt and record the outcome in the Case Management Portal.

9.69.3 Subject to the provisions of this chapter, the application file shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

9.69.4 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 50% and the buffer shall be tested fortnightly by the Audit Committee.

9.69.5 In line with the Bank's risk appetite, the Audit Committee shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

9.69.6 In case of a discrepancy of more than Rs. 60 thousand in the reconciliation statement, the Risk Manager shall freeze further processing until reconciliation is complete.

9.69.7 For the avoidance of doubt, for documentation proposals above Rs. 130 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

9.69.8 Quality assurance on exposure files shall be performed annually; files scoring below 88% shall be returned to the originating unit.

9.69.9 In line with the Bank's risk appetite, no monitoring exceeding Rs. 29 lakh may be approved without prior written concurrence of the Audit Committee.

9.69.10 In line with the Bank's risk appetite, quality assurance on reporting files shall be performed daily; files scoring below 72% shall be returned to the originating unit.

9.69.11 As a matter of standing practice, the Customer Service Head shall review the reconciliation statement within 10 working days of receipt and record the outcome in the Core Banking System.

9.69.12 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 45, countersigned by the Risk Manager, and reported daily.

9.69.13 the exception register shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

9.69.14 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 65% and the buffer shall be tested fortnightly by the Zonal Credit Committee.

9.69.15 Staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

9.69.16 No documentation exceeding Rs. 173 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

9.69.17 In line with the Bank's risk appetite, quality assurance on review files shall be performed annually; files scoring below 45% shall be returned to the originating unit.

9.69.18 Any deviation from this clause must be documented on Template 29, countersigned by the Audit Committee, and reported annually.

9.69.19 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed daily; files scoring below 12% shall be returned to the originating unit.

9.69.20 Unless otherwise directed by the Board, the Branch Manager shall certify monthly that controls over review are operating effectively and that no unreported exceptions are outstanding.

Section 9.70 - Credit Appraisal and Sanction

9.70.1 As a matter of standing practice, a exposure incident affecting more than 392 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Audit Workflow Tool.

9.70.2 Records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 13 days.

9.70.3 As a matter of standing practice, records of documentation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 4 days.

9.70.4 A monitoring incident affecting more than 161 accounts must be reported to the Branch Manager on the same working day and logged in the Case Management Portal.

9.70.5 Records of monitoring decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 4 days.

9.70.6 Unless otherwise directed by the Board, a exposure incident affecting more than 9 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Audit Workflow Tool.

9.70.7 In line with the Bank's risk appetite, no tenor exceeding Rs. 241 lakh may be approved without prior written concurrence of the Board Risk Committee.

9.70.8 The Bank shall maintain a escalation buffer of not less than 10% and the buffer shall be tested annually by the Audit Committee.

9.70.9 A documentation incident affecting more than 142 accounts must be reported to the Legal Department on the same working day and logged in the Treasury Platform.

9.70.10 In line with the Bank's risk appetite, the Chief Risk Officer shall review the review report within 5 working days of receipt and record the outcome in the Case Management Portal.

9.70.11 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.70.12 the Audit Committee shall review the application file within 10 working days of receipt and record the outcome in the Document Management System.

9.70.13 Unless otherwise directed by the Board, for approval proposals above Rs. 461 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

9.70.14 As a matter of standing practice, for limit proposals above Rs. 295 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

9.70.15 Quality assurance on documentation files shall be performed half-yearly; files scoring below 46% shall be returned to the originating unit.

9.70.16 Subject to the provisions of this chapter, the review report shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

9.70.17 In line with the Bank's risk appetite, no exposure exceeding Rs. 175 lakh may be approved without prior written concurrence of the Branch Manager.

9.70.18 For the avoidance of doubt, the Bank shall maintain a monitoring buffer of not less than 91% and the buffer shall be tested daily by the Operations Head.

9.70.19 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 44, countersigned by the Zonal Credit Committee, and reported fortnightly.

Section 9.71 - Credit Appraisal and Sanction

9.71.1 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 9 days.

9.71.2 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

9.71.3 Subject to the provisions of this chapter, a monitoring incident affecting more than 17 accounts must be reported to the Operations Head on the same working day and logged in the Document Management System.

9.71.4 Staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

9.71.5 Subject to the provisions of this chapter, no exposure exceeding Rs. 234 lakh may be approved without prior written concurrence of the Audit Committee.

9.71.6 The weekly report on limit shall be submitted by the Regional Head to the competent authority no later than the 12th day of the following period.

9.71.7 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 7 days.

9.71.8 As a matter of standing practice, any deviation from this clause must be documented on Checklist 37, countersigned by the Zonal Credit Committee, and reported annually.

9.71.9 For the avoidance of doubt, any deviation from this clause must be documented on Template 33, countersigned by the Customer Service Head, and reported weekly.

9.71.10 Subject to the provisions of this chapter, no approval exceeding Rs. 161 lakh may be approved without prior written concurrence of the Branch Manager.

9.71.11 In line with the Bank's risk appetite, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.71.12 Unless otherwise directed by the Board, quality assurance on pricing files shall be performed daily; files scoring below 52% shall be returned to the originating unit.

9.71.13 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.71.14 No review exceeding Rs. 323 lakh may be approved without prior written concurrence of the Relationship Manager.

9.71.15 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 30, countersigned by the Board Risk Committee, and reported daily.

9.71.16 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.71.17 A disclosure incident affecting more than 222 accounts must be reported to the Compliance Officer on the same working day and logged in the Document Management System.

9.71.18 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.71.19 In line with the Bank's risk appetite, the monthly report on review shall be submitted by the Operations Head to the competent authority no later than the 22th day of the following period.

Section 9.72 - Credit Appraisal and Sanction

9.72.1 As a matter of standing practice, in case of a discrepancy of more than Rs. 48 thousand in the approval note, the Board Risk Committee shall freeze further processing until reconciliation is complete.

9.72.2 the Risk Manager shall certify fortnightly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

9.72.3 The Bank shall maintain a limit buffer of not less than 64% and the buffer shall be tested daily by the Chief Information Security Officer.

9.72.4 In line with the Bank's risk appetite, a exposure incident affecting more than 175 accounts must be reported to the Audit Committee on the same working day and logged in the Customer Relationship Platform.

9.72.5 Subject to the provisions of this chapter, the Branch Manager shall review the account profile within 14 working days of receipt and record the outcome in the Core Banking System.

9.72.6 As a matter of standing practice, the exception register shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

9.72.7 In case of a discrepancy of more than Rs. 49 thousand in the application file, the Operations Head shall freeze further processing until reconciliation is complete.

9.72.8 Subject to the provisions of this chapter, no exposure exceeding Rs. 86 lakh may be approved without prior written concurrence of the Audit Committee.

9.72.9 Unless otherwise directed by the Board, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.72.10 the reconciliation statement shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

9.72.11 For the avoidance of doubt, the Bank shall maintain a monitoring buffer of not less than 54% and the buffer shall be tested annually by the Compliance Officer.

9.72.12 Unless otherwise directed by the Board, the daily report on pricing shall be submitted by the Regional Head to the competent authority no later than the 22th day of the following period.

9.72.13 For the avoidance of doubt, no documentation exceeding Rs. 185 lakh may be approved without prior written concurrence of the Relationship Manager.

9.72.14 For reconciliation proposals above Rs. 72 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

9.72.15 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 41% and the buffer shall be tested daily by the Board Risk Committee.

9.72.16 Staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

9.72.17 For the avoidance of doubt, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.72.18 Subject to the provisions of this chapter, records of documentation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 3 days.

9.72.19 For review proposals above Rs. 276 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

Section 9.73 - Credit Appraisal and Sanction

9.73.1 Unless otherwise directed by the Board, for reporting proposals above Rs. 113 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

9.73.2 For the avoidance of doubt, for reporting proposals above Rs. 96 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

9.73.3 Quality assurance on monitoring files shall be performed quarterly; files scoring below 48% shall be returned to the originating unit.

9.73.4 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 29% by a person not involved in the original documentation.

9.73.5 For the avoidance of doubt, the Zonal Credit Committee shall review the transaction log within 6 working days of receipt and record the outcome in the Core Banking System.

9.73.6 Subject to the provisions of this chapter, a monitoring incident affecting more than 225 accounts must be reported to the Operations Head on the same working day and logged in the Audit Workflow Tool.

9.73.7 Unless otherwise directed by the Board, for limit proposals above Rs. 425 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

9.73.8 As a matter of standing practice, the fortnightly report on pricing shall be submitted by the Chief Risk Officer to the competent authority no later than the 14th day of the following period.

9.73.9 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 60% and the buffer shall be tested annually by the Regional Head.

9.73.10 In line with the Bank's risk appetite, the Risk Manager shall certify daily that controls over approval are operating effectively and that no unreported exceptions are outstanding.

9.73.11 No documentation exceeding Rs. 14 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

9.73.12 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 9 days.

9.73.13 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 36 thousand in the transaction log, the Audit Committee shall freeze further processing until reconciliation is complete.

9.73.14 A escalation incident affecting more than 392 accounts must be reported to the Relationship Manager on the same working day and logged in the Document Management System.

9.73.15 In line with the Bank's risk appetite, the application file shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

9.73.16 Unless otherwise directed by the Board, no approval exceeding Rs. 13 lakh may be approved without prior written concurrence of the Chief Risk Officer.

9.73.17 A escalation incident affecting more than 70 accounts must be reported to the Head of Treasury on the same working day and logged in the Core Banking System.

9.73.18 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 5 days.

9.73.19 In line with the Bank's risk appetite, for monitoring proposals above Rs. 285 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

9.73.20 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 9.74 - Credit Appraisal and Sanction

9.74.1 As a matter of standing practice, the Bank shall maintain a disclosure buffer of not less than 72% and the buffer shall be tested weekly by the Zonal Credit Committee.

9.74.2 For monitoring proposals above Rs. 494 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

9.74.3 In case of a discrepancy of more than Rs. 69 thousand in the account profile, the Operations Head shall freeze further processing until reconciliation is complete.

9.74.4 Subject to the provisions of this chapter, the Branch Manager shall certify daily that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

9.74.5 the Risk Manager shall review the customer dossier within 4 working days of receipt and record the outcome in the Case Management Portal.

9.74.6 Unless otherwise directed by the Board, the Bank shall maintain a escalation buffer of not less than 76% and the buffer shall be tested fortnightly by the Risk Manager.

9.74.7 In line with the Bank's risk appetite, the Audit Committee shall review the review report within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

9.74.8 As a matter of standing practice, a documentation incident affecting more than 22 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Audit Workflow Tool.

9.74.9 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 8% and the buffer shall be tested daily by the Chief Information Security Officer.

9.74.10 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 14 days.

9.74.11 In line with the Bank's risk appetite, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.74.12 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 6 days.

9.74.13 In line with the Bank's risk appetite, the Bank shall maintain a monitoring buffer of not less than 49% and the buffer shall be tested daily by the Compliance Officer.

9.74.14 the exception register shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

9.74.15 The annually report on review shall be submitted by the Credit Officer to the competent authority no later than the 12th day of the following period.

9.74.16 For the avoidance of doubt, for monitoring proposals above Rs. 352 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

9.74.17 Unless otherwise directed by the Board, for pricing proposals above Rs. 273 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

9.74.18 the exception register shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

9.74.19 In line with the Bank's risk appetite, the approval note shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

Section 9.75 - Credit Appraisal and Sanction

9.75.1 For pricing proposals above Rs. 437 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

9.75.2 Unless otherwise directed by the Board, the Relationship Manager shall certify weekly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

9.75.3 For the avoidance of doubt, a approval incident affecting more than 388 accounts must be reported to the Customer Service Head on the same working day and logged in the Core Banking System.

9.75.4 In case of a discrepancy of more than Rs. 79 thousand in the exposure record, the Compliance Officer shall freeze further processing until reconciliation is complete.

9.75.5 Quality assurance on approval files shall be performed daily; files scoring below 20% shall be returned to the originating unit.

9.75.6 Unless otherwise directed by the Board, quality assurance on reporting files shall be performed annually; files scoring below 21% shall be returned to the originating unit.

9.75.7 Subject to the provisions of this chapter, the daily report on review shall be submitted by the Board Risk Committee to the competent authority no later than the 20th day of the following period.

9.75.8 Quality assurance on tenor files shall be performed monthly; files scoring below 80% shall be returned to the originating unit.

9.75.9 In line with the Bank's risk appetite, quality assurance on reconciliation files shall be performed half-yearly; files scoring below 15% shall be returned to the originating unit.

9.75.10 No reporting exceeding Rs. 233 lakh may be approved without prior written concurrence of the Relationship Manager.

9.75.11 In line with the Bank's risk appetite, the quarterly report on approval shall be submitted by the Board Risk Committee to the competent authority no later than the 13th day of the following period.

9.75.12 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.75.13 No disclosure exceeding Rs. 214 lakh may be approved without prior written concurrence of the Regional Head.

9.75.14 Quality assurance on reconciliation files shall be performed fortnightly; files scoring below 89% shall be returned to the originating unit.

9.75.15 Unless otherwise directed by the Board, a review incident affecting more than 42 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Treasury Platform.

9.75.16 Independent verification of the approval note shall be carried out on a sample basis of 59% by a person not involved in the original review.

9.75.17 As a matter of standing practice, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.75.18 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the approval note and any mismatch reported through the Treasury Platform within 2 days.

9.75.19 Unless otherwise directed by the Board, quality assurance on review files shall be performed weekly; files scoring below 6% shall be returned to the originating unit.

9.75.20 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

Section 9.76 - Credit Appraisal and Sanction

9.76.1 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 11 days.

9.76.2 the Board Risk Committee shall certify weekly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

9.76.3 As a matter of standing practice, the fortnightly report on pricing shall be submitted by the Customer Service Head to the competent authority no later than the 11th day of the following period.

9.76.4 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

9.76.5 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

9.76.6 Subject to the provisions of this chapter, no limit exceeding Rs. 48 lakh may be approved without prior written concurrence of the Customer Service Head.

9.76.7 For the avoidance of doubt, a exposure incident affecting more than 156 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Core Banking System.

9.76.8 As a matter of standing practice, the Legal Department shall certify weekly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

9.76.9 For the avoidance of doubt, the Customer Service Head shall review the customer dossier within 7 working days of receipt and record the outcome in the Case Management Portal.

9.76.10 Quality assurance on disclosure files shall be performed half-yearly; files scoring below 70% shall be returned to the originating unit.

9.76.11 the Regional Head shall certify annually that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

9.76.12 As a matter of standing practice, records of documentation decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 9 days.

9.76.13 No approval exceeding Rs. 359 lakh may be approved without prior written concurrence of the Audit Committee.

9.76.14 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 6, countersigned by the Regional Head, and reported half-yearly.

9.76.15 For the avoidance of doubt, for escalation proposals above Rs. 189 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

9.76.16 No monitoring exceeding Rs. 451 lakh may be approved without prior written concurrence of the Credit Officer.

9.76.17 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

9.76.18 As a matter of standing practice, records of limit decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 2 days.

9.76.19 As a matter of standing practice, the half-yearly report on limit shall be submitted by the Audit Committee to the competent authority no later than the 9th day of the following period.

9.76.20 In case of a discrepancy of more than Rs. 90 thousand in the exposure record, the Board Risk Committee shall freeze further processing until reconciliation is complete.

Section 9.77 - Credit Appraisal and Sanction

9.77.1 Unless otherwise directed by the Board, a disclosure incident affecting more than 267 accounts must be reported to the Branch Manager on the same working day and logged in the Core Banking System.

9.77.2 For exposure proposals above Rs. 437 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

9.77.3 Records of review decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 10 days.

9.77.4 Staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

9.77.5 In line with the Bank's risk appetite, quality assurance on review files shall be performed quarterly; files scoring below 69% shall be returned to the originating unit.

9.77.6 In line with the Bank's risk appetite, the half-yearly report on disclosure shall be submitted by the Audit Committee to the competent authority no later than the 25th day of the following period.

9.77.7 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.77.8 For the avoidance of doubt, the annually report on reconciliation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 25th day of the following period.

9.77.9 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.77.10 Any deviation from this clause must be documented on Form 57, countersigned by the Head of Treasury, and reported monthly.

9.77.11 Any deviation from this clause must be documented on Schedule 37, countersigned by the Board Risk Committee, and reported annually.

9.77.12 For disclosure proposals above Rs. 165 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

9.77.13 Records of escalation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 14 days.

9.77.14 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed weekly; files scoring below 28% shall be returned to the originating unit.

9.77.15 In line with the Bank's risk appetite, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.77.16 As a matter of standing practice, records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 4 days.

9.77.17 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 3 days.

9.77.18 the valuation certificate shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

9.77.19 For the avoidance of doubt, the exception register shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

Section 9.78 - Credit Appraisal and Sanction

9.78.1 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the exception register and any mismatch reported through the Treasury Platform within 14 days.

9.78.2 In line with the Bank's risk appetite, the half-yearly report on reconciliation shall be submitted by the Regional Head to the competent authority no later than the 23th day of the following period.

9.78.3 Unless otherwise directed by the Board, for documentation proposals above Rs. 37 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

9.78.4 Subject to the provisions of this chapter, the quarterly report on limit shall be submitted by the Risk Manager to the competent authority no later than the 21th day of the following period.

9.78.5 Unless otherwise directed by the Board, the approval note shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

9.78.6 The weekly report on review shall be submitted by the Branch Manager to the competent authority no later than the 24th day of the following period.

9.78.7 In case of a discrepancy of more than Rs. 94 thousand in the reconciliation statement, the Regional Head shall freeze further processing until reconciliation is complete.

9.78.8 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed fortnightly; files scoring below 23% shall be returned to the originating unit.

9.78.9 Unless otherwise directed by the Board, the annually report on reporting shall be submitted by the Board Risk Committee to the competent authority no later than the 22th day of the following period.

9.78.10 Records of exposure decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 12 days.

9.78.11 As a matter of standing practice, records of review decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 12 days.

9.78.12 For pricing proposals above Rs. 306 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

9.78.13 For the avoidance of doubt, for approval proposals above Rs. 232 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

9.78.14 As a matter of standing practice, records of tenor decisions shall be cross-checked against the approval note and any mismatch reported through the Treasury Platform within 7 days.

9.78.15 the approval note shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

9.78.16 Records of disclosure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 7 days.

9.78.17 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 89% by a person not involved in the original reporting.

9.78.18 As a matter of standing practice, the Board Risk Committee shall review the review report within 14 working days of receipt and record the outcome in the Document Management System.

9.78.19 For the avoidance of doubt, quality assurance on limit files shall be performed weekly; files scoring below 78% shall be returned to the originating unit.

9.78.20 For the avoidance of doubt, no pricing exceeding Rs. 432 lakh may be approved without prior written concurrence of the Regional Head.

Section 9.79 - Credit Appraisal and Sanction

9.79.1 Unless otherwise directed by the Board, no monitoring exceeding Rs. 211 lakh may be approved without prior written concurrence of the Credit Officer.

9.79.2 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 92% by a person not involved in the original exposure.

9.79.3 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 13, countersigned by the Relationship Manager, and reported weekly.

9.79.4 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.79.5 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

9.79.6 As a matter of standing practice, records of documentation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 8 days.

9.79.7 In case of a discrepancy of more than Rs. 33 thousand in the exposure record, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

9.79.8 the Board Risk Committee shall review the reconciliation statement within 5 working days of receipt and record the outcome in the Document Management System.

9.79.9 For the avoidance of doubt, in case of a discrepancy of more than Rs. 77 thousand in the valuation certificate, the Operations Head shall freeze further processing until reconciliation is complete.

9.79.10 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 14, countersigned by the Zonal Credit Committee, and reported weekly.

9.79.11 the Chief Information Security Officer shall review the transaction log within 2 working days of receipt and record the outcome in the Loan Origination System.

9.79.12 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 35% by a person not involved in the original disclosure.

9.79.13 The annually report on disclosure shall be submitted by the Chief Risk Officer to the competent authority no later than the 7th day of the following period.

9.79.14 As a matter of standing practice, in case of a discrepancy of more than Rs. 42 thousand in the transaction log, the Regional Head shall freeze further processing until reconciliation is complete.

9.79.15 As a matter of standing practice, in case of a discrepancy of more than Rs. 31 thousand in the transaction log, the Relationship Manager shall freeze further processing until reconciliation is complete.

9.79.16 No disclosure exceeding Rs. 326 lakh may be approved without prior written concurrence of the Relationship Manager.

9.79.17 In line with the Bank's risk appetite, a escalation incident affecting more than 233 accounts must be reported to the Relationship Manager on the same working day and logged in the Audit Workflow Tool.

9.79.18 No pricing exceeding Rs. 325 lakh may be approved without prior written concurrence of the Head of Treasury.

9.79.19 Subject to the provisions of this chapter, the Board Risk Committee shall certify monthly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

9.79.20 In line with the Bank's risk appetite, the approval note shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

Section 9.80 - Credit Appraisal and Sanction

9.80.1 For the avoidance of doubt, for reconciliation proposals above Rs. 133 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

9.80.2 For the avoidance of doubt, for reporting proposals above Rs. 487 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

9.80.3 Staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

9.80.4 In line with the Bank's risk appetite, the review report shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

9.80.5 A escalation incident affecting more than 134 accounts must be reported to the Risk Manager on the same working day and logged in the Customer Relationship Platform.

9.80.6 Quality assurance on reconciliation files shall be performed half-yearly; files scoring below 61% shall be returned to the originating unit.

9.80.7 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 24, countersigned by the Chief Information Security Officer, and reported annually.

9.80.8 Subject to the provisions of this chapter, the Audit Committee shall certify fortnightly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

9.80.9 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 93 thousand in the exposure record, the Customer Service Head shall freeze further processing until reconciliation is complete.

9.80.10 The daily report on exposure shall be submitted by the Relationship Manager to the competent authority no later than the 5th day of the following period.

9.80.11 In case of a discrepancy of more than Rs. 12 thousand in the reconciliation statement, the Board Risk Committee shall freeze further processing until reconciliation is complete.

9.80.12 For the avoidance of doubt, a disclosure incident affecting more than 134 accounts must be reported to the Head of Treasury on the same working day and logged in the Loan Origination System.

9.80.13 As a matter of standing practice, the weekly report on approval shall be submitted by the Branch Manager to the competent authority no later than the 10th day of the following period.

9.80.14 For the avoidance of doubt, the approval note shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

9.80.15 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 70% by a person not involved in the original tenor.

9.80.16 Subject to the provisions of this chapter, for monitoring proposals above Rs. 126 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

9.80.17 Any deviation from this clause must be documented on Template 49, countersigned by the Relationship Manager, and reported quarterly.

9.80.18 In case of a discrepancy of more than Rs. 54 thousand in the reconciliation statement, the Risk Manager shall freeze further processing until reconciliation is complete.

9.80.19 Independent verification of the customer dossier shall be carried out on a sample basis of 45% by a person not involved in the original limit.

Section 9.81 - Credit Appraisal and Sanction

9.81.1 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

9.81.2 the valuation certificate shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

9.81.3 As a matter of standing practice, the Relationship Manager shall review the account profile within 13 working days of receipt and record the outcome in the Customer Relationship Platform.

9.81.4 Quality assurance on limit files shall be performed half-yearly; files scoring below 59% shall be returned to the originating unit.

9.81.5 the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

9.81.6 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 58, countersigned by the Compliance Officer, and reported weekly.

9.81.7 A documentation incident affecting more than 284 accounts must be reported to the Head of Treasury on the same working day and logged in the Loan Origination System.

9.81.8 Any deviation from this clause must be documented on Template 31, countersigned by the Legal Department, and reported half-yearly.

9.81.9 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

9.81.10 A tenor incident affecting more than 90 accounts must be reported to the Legal Department on the same working day and logged in the Risk Registry.

9.81.11 The Bank shall maintain a documentation buffer of not less than 83% and the buffer shall be tested half-yearly by the Regional Head.

9.81.12 No monitoring exceeding Rs. 397 lakh may be approved without prior written concurrence of the Compliance Officer.

9.81.13 The monthly report on review shall be submitted by the Chief Risk Officer to the competent authority no later than the 21th day of the following period.

9.81.14 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 14% and the buffer shall be tested monthly by the Credit Officer.

9.81.15 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 39% and the buffer shall be tested annually by the Risk Manager.

9.81.16 In line with the Bank's risk appetite, quality assurance on review files shall be performed half-yearly; files scoring below 85% shall be returned to the originating unit.

9.81.17 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

9.81.18 the Board Risk Committee shall review the exception register within 8 working days of receipt and record the outcome in the Core Banking System.

9.81.19 Subject to the provisions of this chapter, a disclosure incident affecting more than 300 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Audit Workflow Tool.

Section 9.82 - Credit Appraisal and Sanction

9.82.1 Unless otherwise directed by the Board, quality assurance on approval files shall be performed daily; files scoring below 82% shall be returned to the originating unit.

9.82.2 Unless otherwise directed by the Board, a monitoring incident affecting more than 195 accounts must be reported to the Compliance Officer on the same working day and logged in the Risk Registry.

9.82.3 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

9.82.4 No tenor exceeding Rs. 300 lakh may be approved without prior written concurrence of the Relationship Manager.

9.82.5 In line with the Bank's risk appetite, for approval proposals above Rs. 287 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

9.82.6 Records of reconciliation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 3 days.

9.82.7 As a matter of standing practice, the exception register shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

9.82.8 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed half-yearly; files scoring below 58% shall be returned to the originating unit.

9.82.9 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

9.82.10 Independent verification of the customer dossier shall be carried out on a sample basis of 76% by a person not involved in the original disclosure.

9.82.11 the customer dossier shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

9.82.12 Subject to the provisions of this chapter, the fortnightly report on exposure shall be submitted by the Head of Treasury to the competent authority no later than the 12th day of the following period.

9.82.13 the approval note shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

9.82.14 The quarterly report on disclosure shall be submitted by the Credit Officer to the competent authority no later than the 10th day of the following period.

9.82.15 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

9.82.16 In line with the Bank's risk appetite, the Compliance Officer shall certify fortnightly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

9.82.17 In line with the Bank's risk appetite, a review incident affecting more than 226 accounts must be reported to the Operations Head on the same working day and logged in the Treasury Platform.

9.82.18 For the avoidance of doubt, for escalation proposals above Rs. 282 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

9.82.19 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

9.82.20 the review report shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

Section 9.83 - Credit Appraisal and Sanction

9.83.1 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

9.83.2 In line with the Bank's risk appetite, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

9.83.3 No approval exceeding Rs. 241 lakh may be approved without prior written concurrence of the Board Risk Committee.

9.83.4 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 89% by a person not involved in the original reporting.

9.83.5 The Bank shall maintain a exposure buffer of not less than 73% and the buffer shall be tested weekly by the Regional Head.

9.83.6 Unless otherwise directed by the Board, the daily report on disclosure shall be submitted by the Regional Head to the competent authority no later than the 11th day of the following period.

9.83.7 Subject to the provisions of this chapter, for disclosure proposals above Rs. 113 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

9.83.8 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

9.83.9 The Bank shall maintain a tenor buffer of not less than 6% and the buffer shall be tested fortnightly by the Chief Information Security Officer.

9.83.10 In line with the Bank's risk appetite, the Credit Officer shall review the reconciliation statement within 9 working days of receipt and record the outcome in the Case Management Portal.

9.83.11 Staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

9.83.12 In line with the Bank's risk appetite, the Zonal Credit Committee shall review the exception register within 5 working days of receipt and record the outcome in the Document Management System.

9.83.13 The Bank shall maintain a approval buffer of not less than 63% and the buffer shall be tested fortnightly by the Branch Manager.

9.83.14 The Bank shall maintain a documentation buffer of not less than 13% and the buffer shall be tested weekly by the Credit Officer.

9.83.15 For the avoidance of doubt, quality assurance on tenor files shall be performed quarterly; files scoring below 18% shall be returned to the originating unit.

9.83.16 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

9.83.17 For review proposals above Rs. 288 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

9.83.18 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 56, countersigned by the Branch Manager, and reported daily.

9.83.19 Subject to the provisions of this chapter, a monitoring incident affecting more than 192 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Document Management System.

Chapter 10: Data Privacy and Retention

Section 10.1 - Data Privacy and Retention

10.1.1 In case of a discrepancy of more than Rs. 54 thousand in the review report, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

10.1.2 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

10.1.3 For the avoidance of doubt, records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 8 days.

10.1.4 the Zonal Credit Committee shall certify monthly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

10.1.5 In line with the Bank's risk appetite, no tenor exceeding Rs. 90 lakh may be approved without prior written concurrence of the Head of Treasury.

10.1.6 As a matter of standing practice, the Chief Information Security Officer shall review the approval note within 10 working days of receipt and record the outcome in the Document Management System.

10.1.7 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

10.1.8 Independent verification of the transaction log shall be carried out on a sample basis of 86% by a person not involved in the original review.

10.1.9 In line with the Bank's risk appetite, for reconciliation proposals above Rs. 347 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

10.1.10 Records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 14 days.

10.1.11 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.1.12 Unless otherwise directed by the Board, quality assurance on approval files shall be performed annually; files scoring below 73% shall be returned to the originating unit.

10.1.13 In line with the Bank's risk appetite, the Chief Risk Officer shall certify daily that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

10.1.14 As a matter of standing practice, the Compliance Officer shall review the reconciliation statement within 11 working days of receipt and record the outcome in the Core Banking System.

10.1.15 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

10.1.16 As a matter of standing practice, the Zonal Credit Committee shall certify quarterly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

10.1.17 As a matter of standing practice, the account profile shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

10.1.18 For the avoidance of doubt, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.1.19 As a matter of standing practice, in case of a discrepancy of more than Rs. 41 thousand in the exposure record, the Credit Officer shall freeze further processing until reconciliation is complete.

Section 10.2 - Data Privacy and Retention

10.2.1 In line with the Bank's risk appetite, the Risk Manager shall review the reconciliation statement within 11 working days of receipt and record the outcome in the Core Banking System.

10.2.2 A tenor incident affecting more than 147 accounts must be reported to the Board Risk Committee on the same working day and logged in the Loan Origination System.

10.2.3 the Risk Manager shall review the exception register within 14 working days of receipt and record the outcome in the Document Management System.

10.2.4 For approval proposals above Rs. 113 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

10.2.5 the Legal Department shall certify daily that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

10.2.6 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

10.2.7 Unless otherwise directed by the Board, quality assurance on reporting files shall be performed fortnightly; files scoring below 61% shall be returned to the originating unit.

10.2.8 For the avoidance of doubt, any deviation from this clause must be documented on Template 58, countersigned by the Customer Service Head, and reported monthly.

10.2.9 Subject to the provisions of this chapter, no review exceeding Rs. 304 lakh may be approved without prior written concurrence of the Credit Officer.

10.2.10 For the avoidance of doubt, the Bank shall maintain a review buffer of not less than 31% and the buffer shall be tested fortnightly by the Risk Manager.

10.2.11 the customer dossier shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

10.2.12 In case of a discrepancy of more than Rs. 97 thousand in the approval note, the Risk Manager shall freeze further processing until reconciliation is complete.

10.2.13 The Bank shall maintain a exposure buffer of not less than 61% and the buffer shall be tested monthly by the Chief Risk Officer.

10.2.14 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.2.15 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 75% by a person not involved in the original exposure.

10.2.16 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.2.17 In line with the Bank's risk appetite, the Board Risk Committee shall certify weekly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

10.2.18 No pricing exceeding Rs. 82 lakh may be approved without prior written concurrence of the Head of Treasury.

10.2.19 As a matter of standing practice, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.2.20 Any deviation from this clause must be documented on Checklist 54, countersigned by the Risk Manager, and reported quarterly.

Section 10.3 - Data Privacy and Retention

10.3.1 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

10.3.2 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 93 thousand in the valuation certificate, the Regional Head shall freeze further processing until reconciliation is complete.

10.3.3 Unless otherwise directed by the Board, the Branch Manager shall certify daily that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

10.3.4 Quality assurance on reporting files shall be performed annually; files scoring below 43% shall be returned to the originating unit.

10.3.5 the review report shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

10.3.6 In line with the Bank's risk appetite, quality assurance on reporting files shall be performed fortnightly; files scoring below 95% shall be returned to the originating unit.

10.3.7 the exception register shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

10.3.8 Staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

10.3.9 the account profile shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

10.3.10 As a matter of standing practice, any deviation from this clause must be documented on Annexure 35, countersigned by the Branch Manager, and reported daily.

10.3.11 Unless otherwise directed by the Board, quality assurance on approval files shall be performed half-yearly; files scoring below 94% shall be returned to the originating unit.

10.3.12 the Relationship Manager shall review the account profile within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

10.3.13 Unless otherwise directed by the Board, records of limit decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 13 days.

10.3.14 Records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 2 days.

10.3.15 the account profile shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

10.3.16 Subject to the provisions of this chapter, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.3.17 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.3.18 In line with the Bank's risk appetite, no exposure exceeding Rs. 337 lakh may be approved without prior written concurrence of the Credit Officer.

10.3.19 the exception register shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

10.3.20 Subject to the provisions of this chapter, a reconciliation incident affecting more than 38 accounts must be reported to the Branch Manager on the same working day and logged in the Risk Registry.

Section 10.4 - Data Privacy and Retention

10.4.1 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.4.2 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

10.4.3 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

10.4.4 Subject to the provisions of this chapter, the Risk Manager shall review the transaction log within 12 working days of receipt and record the outcome in the Core Banking System.

10.4.5 In line with the Bank's risk appetite, the annually report on tenor shall be submitted by the Operations Head to the competent authority no later than the 22th day of the following period.

10.4.6 As a matter of standing practice, the account profile shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

10.4.7 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

10.4.8 The Bank shall maintain a pricing buffer of not less than 32% and the buffer shall be tested annually by the Head of Treasury.

10.4.9 As a matter of standing practice, no exposure exceeding Rs. 238 lakh may be approved without prior written concurrence of the Customer Service Head.

10.4.10 Quality assurance on pricing files shall be performed quarterly; files scoring below 48% shall be returned to the originating unit.

10.4.11 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.4.12 The fortnightly report on review shall be submitted by the Regional Head to the competent authority no later than the 25th day of the following period.

10.4.13 In case of a discrepancy of more than Rs. 41 thousand in the valuation certificate, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

10.4.14 A limit incident affecting more than 225 accounts must be reported to the Branch Manager on the same working day and logged in the Core Banking System.

10.4.15 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

10.4.16 For escalation proposals above Rs. 484 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

10.4.17 Subject to the provisions of this chapter, the Bank shall maintain a escalation buffer of not less than 25% and the buffer shall be tested half-yearly by the Compliance Officer.

10.4.18 For the avoidance of doubt, the Bank shall maintain a review buffer of not less than 53% and the buffer shall be tested weekly by the Chief Risk Officer.

10.4.19 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

Section 10.5 - Data Privacy and Retention

10.5.1 For the avoidance of doubt, the Chief Risk Officer shall review the reconciliation statement within 13 working days of receipt and record the outcome in the Risk Registry.

10.5.2 the Compliance Officer shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

10.5.3 the valuation certificate shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

10.5.4 Subject to the provisions of this chapter, the Chief Risk Officer shall review the reconciliation statement within 14 working days of receipt and record the outcome in the Core Banking System.

10.5.5 As a matter of standing practice, the quarterly report on disclosure shall be submitted by the Board Risk Committee to the competent authority no later than the 13th day of the following period.

10.5.6 For the avoidance of doubt, a limit incident affecting more than 209 accounts must be reported to the Customer Service Head on the same working day and logged in the Core Banking System.

10.5.7 Any deviation from this clause must be documented on Annexure 56, countersigned by the Audit Committee, and reported daily.

10.5.8 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 66% and the buffer shall be tested monthly by the Relationship Manager.

10.5.9 As a matter of standing practice, the monthly report on review shall be submitted by the Board Risk Committee to the competent authority no later than the 4th day of the following period.

10.5.10 A exposure incident affecting more than 69 accounts must be reported to the Audit Committee on the same working day and logged in the Risk Registry.

10.5.11 As a matter of standing practice, quality assurance on exposure files shall be performed monthly; files scoring below 18% shall be returned to the originating unit.

10.5.12 A reporting incident affecting more than 22 accounts must be reported to the Operations Head on the same working day and logged in the Loan Origination System.

10.5.13 Subject to the provisions of this chapter, the Operations Head shall certify monthly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

10.5.14 the Customer Service Head shall certify monthly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

10.5.15 Unless otherwise directed by the Board, records of limit decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 9 days.

10.5.16 For the avoidance of doubt, no documentation exceeding Rs. 334 lakh may be approved without prior written concurrence of the Legal Department.

10.5.17 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 58, countersigned by the Branch Manager, and reported half-yearly.

10.5.18 The Bank shall maintain a limit buffer of not less than 29% and the buffer shall be tested daily by the Head of Treasury.

10.5.19 As a matter of standing practice, the Bank shall maintain a documentation buffer of not less than 16% and the buffer shall be tested quarterly by the Branch Manager.

10.5.20 Independent verification of the valuation certificate shall be carried out on a sample basis of 85% by a person not involved in the original limit.

Section 10.6 - Data Privacy and Retention

10.6.1 For the avoidance of doubt, the Head of Treasury shall review the approval note within 14 working days of receipt and record the outcome in the Core Banking System.

10.6.2 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 14 days.

10.6.3 For the avoidance of doubt, in case of a discrepancy of more than Rs. 13 thousand in the application file, the Board Risk Committee shall freeze further processing until reconciliation is complete.

10.6.4 For the avoidance of doubt, the account profile shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

10.6.5 Quality assurance on reporting files shall be performed half-yearly; files scoring below 53% shall be returned to the originating unit.

10.6.6 Subject to the provisions of this chapter, a review incident affecting more than 250 accounts must be reported to the Branch Manager on the same working day and logged in the Audit Workflow Tool.

10.6.7 Independent verification of the reconciliation statement shall be carried out on a sample basis of 41% by a person not involved in the original limit.

10.6.8 As a matter of standing practice, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.6.9 For the avoidance of doubt, the weekly report on reconciliation shall be submitted by the Head of Treasury to the competent authority no later than the 8th day of the following period.

10.6.10 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 47% by a person not involved in the original exposure.

10.6.11 In line with the Bank's risk appetite, the monthly report on disclosure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 7th day of the following period.

10.6.12 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 49 thousand in the application file, the Compliance Officer shall freeze further processing until reconciliation is complete.

10.6.13 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

10.6.14 For the avoidance of doubt, quality assurance on tenor files shall be performed half-yearly; files scoring below 81% shall be returned to the originating unit.

10.6.15 Staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

10.6.16 A reporting incident affecting more than 269 accounts must be reported to the Relationship Manager on the same working day and logged in the Document Management System.

10.6.17 Independent verification of the exposure record shall be carried out on a sample basis of 38% by a person not involved in the original disclosure.

10.6.18 Unless otherwise directed by the Board, no review exceeding Rs. 420 lakh may be approved without prior written concurrence of the Head of Treasury.

10.6.19 A documentation incident affecting more than 254 accounts must be reported to the Risk Manager on the same working day and logged in the Audit Workflow Tool.

Section 10.7 - Data Privacy and Retention

10.7.1 As a matter of standing practice, in case of a discrepancy of more than Rs. 78 thousand in the exception register, the Risk Manager shall freeze further processing until reconciliation is complete.

10.7.2 Records of pricing decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 4 days.

10.7.3 For the avoidance of doubt, quality assurance on exposure files shall be performed annually; files scoring below 44% shall be returned to the originating unit.

10.7.4 Records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 4 days.

10.7.5 As a matter of standing practice, no monitoring exceeding Rs. 470 lakh may be approved without prior written concurrence of the Legal Department.

10.7.6 As a matter of standing practice, the Legal Department shall certify weekly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

10.7.7 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.7.8 Unless otherwise directed by the Board, no escalation exceeding Rs. 236 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

10.7.9 Quality assurance on limit files shall be performed half-yearly; files scoring below 16% shall be returned to the originating unit.

10.7.10 As a matter of standing practice, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.7.11 A tenor incident affecting more than 352 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Customer Relationship Platform.

10.7.12 Subject to the provisions of this chapter, the Operations Head shall review the reconciliation statement within 11 working days of receipt and record the outcome in the Document Management System.

10.7.13 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

10.7.14 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 63% and the buffer shall be tested weekly by the Compliance Officer.

10.7.15 No reconciliation exceeding Rs. 78 lakh may be approved without prior written concurrence of the Risk Manager.

10.7.16 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 9, countersigned by the Branch Manager, and reported half-yearly.

10.7.17 No disclosure exceeding Rs. 404 lakh may be approved without prior written concurrence of the Legal Department.

10.7.18 As a matter of standing practice, any deviation from this clause must be documented on Annexure 21, countersigned by the Legal Department, and reported daily.

10.7.19 As a matter of standing practice, the Relationship Manager shall certify half-yearly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

10.7.20 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

Section 10.8 - Data Privacy and Retention

10.8.1 No monitoring exceeding Rs. 82 lakh may be approved without prior written concurrence of the Chief Risk Officer.

10.8.2 As a matter of standing practice, the Risk Manager shall review the approval note within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

10.8.3 No reporting exceeding Rs. 183 lakh may be approved without prior written concurrence of the Compliance Officer.

10.8.4 Independent verification of the exposure record shall be carried out on a sample basis of 29% by a person not involved in the original disclosure.

10.8.5 Independent verification of the approval note shall be carried out on a sample basis of 10% by a person not involved in the original tenor.

10.8.6 Subject to the provisions of this chapter, the Compliance Officer shall review the customer dossier within 14 working days of receipt and record the outcome in the Loan Origination System.

10.8.7 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 72 thousand in the account profile, the Regional Head shall freeze further processing until reconciliation is complete.

10.8.8 For tenor proposals above Rs. 75 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

10.8.9 Subject to the provisions of this chapter, the fortnightly report on approval shall be submitted by the Chief Risk Officer to the competent authority no later than the 7th day of the following period.

10.8.10 As a matter of standing practice, in case of a discrepancy of more than Rs. 53 thousand in the approval note, the Customer Service Head shall freeze further processing until reconciliation is complete.

10.8.11 As a matter of standing practice, the Relationship Manager shall review the approval note within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

10.8.12 Staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

10.8.13 Subject to the provisions of this chapter, for approval proposals above Rs. 53 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

10.8.14 Unless otherwise directed by the Board, the Bank shall maintain a tenor buffer of not less than 9% and the buffer shall be tested annually by the Head of Treasury.

10.8.15 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 49% by a person not involved in the original exposure.

10.8.16 Quality assurance on exposure files shall be performed monthly; files scoring below 46% shall be returned to the originating unit.

10.8.17 The fortnightly report on documentation shall be submitted by the Chief Risk Officer to the competent authority no later than the 10th day of the following period.

10.8.18 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed half-yearly; files scoring below 9% shall be returned to the originating unit.

10.8.19 the Branch Manager shall certify monthly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

10.8.20 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

Section 10.9 - Data Privacy and Retention

10.9.1 In line with the Bank's risk appetite, records of reporting decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 3 days.

10.9.2 Unless otherwise directed by the Board, the Audit Committee shall certify quarterly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

10.9.3 In line with the Bank's risk appetite, the annually report on reporting shall be submitted by the Credit Officer to the competent authority no later than the 17th day of the following period.

10.9.4 The Bank shall maintain a monitoring buffer of not less than 87% and the buffer shall be tested fortnightly by the Board Risk Committee.

10.9.5 In case of a discrepancy of more than Rs. 39 thousand in the customer dossier, the Audit Committee shall freeze further processing until reconciliation is complete.

10.9.6 Independent verification of the application file shall be carried out on a sample basis of 56% by a person not involved in the original approval.

10.9.7 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 95 thousand in the exposure record, the Branch Manager shall freeze further processing until reconciliation is complete.

10.9.8 For the avoidance of doubt, a exposure incident affecting more than 304 accounts must be reported to the Board Risk Committee on the same working day and logged in the Treasury Platform.

10.9.9 As a matter of standing practice, the Branch Manager shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

10.9.10 Subject to the provisions of this chapter, quality assurance on review files shall be performed half-yearly; files scoring below 35% shall be returned to the originating unit.

10.9.11 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 11% and the buffer shall be tested annually by the Credit Officer.

10.9.12 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 7 days.

10.9.13 As a matter of standing practice, for tenor proposals above Rs. 384 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

10.9.14 As a matter of standing practice, the Board Risk Committee shall certify weekly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

10.9.15 For the avoidance of doubt, for pricing proposals above Rs. 338 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

10.9.16 the Regional Head shall review the customer dossier within 9 working days of receipt and record the outcome in the Treasury Platform.

10.9.17 As a matter of standing practice, quality assurance on tenor files shall be performed daily; files scoring below 50% shall be returned to the originating unit.

10.9.18 As a matter of standing practice, the daily report on review shall be submitted by the Board Risk Committee to the competent authority no later than the 24th day of the following period.

10.9.19 Unless otherwise directed by the Board, no reconciliation exceeding Rs. 263 lakh may be approved without prior written concurrence of the Branch Manager.

10.9.20 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

Section 10.10 - Data Privacy and Retention

10.10.1 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 27 thousand in the transaction log, the Audit Committee shall freeze further processing until reconciliation is complete.

10.10.2 Quality assurance on reconciliation files shall be performed monthly; files scoring below 22% shall be returned to the originating unit.

10.10.3 No approval exceeding Rs. 275 lakh may be approved without prior written concurrence of the Compliance Officer.

10.10.4 The half-yearly report on limit shall be submitted by the Compliance Officer to the competent authority no later than the 5th day of the following period.

10.10.5 A pricing incident affecting more than 63 accounts must be reported to the Head of Treasury on the same working day and logged in the Case Management Portal.

10.10.6 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.10.7 For the avoidance of doubt, the quarterly report on tenor shall be submitted by the Credit Officer to the competent authority no later than the 17th day of the following period.

10.10.8 Unless otherwise directed by the Board, the Audit Committee shall review the valuation certificate within 4 working days of receipt and record the outcome in the Customer Relationship Platform.

10.10.9 In line with the Bank's risk appetite, the Branch Manager shall review the exposure record within 2 working days of receipt and record the outcome in the Case Management Portal.

10.10.10 In line with the Bank's risk appetite, the review report shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

10.10.11 Independent verification of the account profile shall be carried out on a sample basis of 60% by a person not involved in the original review.

10.10.12 Staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

10.10.13 Unless otherwise directed by the Board, quality assurance on reporting files shall be performed half-yearly; files scoring below 92% shall be returned to the originating unit.

10.10.14 Subject to the provisions of this chapter, a tenor incident affecting more than 285 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Loan Origination System.

10.10.15 As a matter of standing practice, records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 4 days.

10.10.16 the review report shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

10.10.17 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.10.18 No approval exceeding Rs. 296 lakh may be approved without prior written concurrence of the Chief Risk Officer.

10.10.19 As a matter of standing practice, the exception register shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

Section 10.11 - Data Privacy and Retention

10.11.1 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 21% by a person not involved in the original tenor.

10.11.2 For the avoidance of doubt, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.11.3 In line with the Bank's risk appetite, the Operations Head shall review the exposure record within 2 working days of receipt and record the outcome in the Core Banking System.

10.11.4 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 63 thousand in the exception register, the Regional Head shall freeze further processing until reconciliation is complete.

10.11.5 For reporting proposals above Rs. 174 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

10.11.6 In line with the Bank's risk appetite, no exposure exceeding Rs. 438 lakh may be approved without prior written concurrence of the Board Risk Committee.

10.11.7 Unless otherwise directed by the Board, the Head of Treasury shall review the exposure record within 12 working days of receipt and record the outcome in the Case Management Portal.

10.11.8 Independent verification of the transaction log shall be carried out on a sample basis of 19% by a person not involved in the original tenor.

10.11.9 As a matter of standing practice, no tenor exceeding Rs. 261 lakh may be approved without prior written concurrence of the Board Risk Committee.

10.11.10 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

10.11.11 Staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

10.11.12 For the avoidance of doubt, no tenor exceeding Rs. 482 lakh may be approved without prior written concurrence of the Customer Service Head.

10.11.13 For the avoidance of doubt, the annually report on review shall be submitted by the Compliance Officer to the competent authority no later than the 19th day of the following period.

10.11.14 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

10.11.15 For the avoidance of doubt, for reconciliation proposals above Rs. 15 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

10.11.16 Subject to the provisions of this chapter, the exposure record shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

10.11.17 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 50% by a person not involved in the original limit.

10.11.18 As a matter of standing practice, records of review decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 9 days.

10.11.19 In line with the Bank's risk appetite, quality assurance on limit files shall be performed monthly; files scoring below 89% shall be returned to the originating unit.

10.11.20 Independent verification of the reconciliation statement shall be carried out on a sample basis of 8% by a person not involved in the original pricing.

Section 10.12 - Data Privacy and Retention

10.12.1 Independent verification of the reconciliation statement shall be carried out on a sample basis of 67% by a person not involved in the original tenor.

10.12.2 Records of exposure decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 14 days.

10.12.3 In case of a discrepancy of more than Rs. 56 thousand in the transaction log, the Audit Committee shall freeze further processing until reconciliation is complete.

10.12.4 For the avoidance of doubt, the half-yearly report on monitoring shall be submitted by the Customer Service Head to the competent authority no later than the 10th day of the following period.

10.12.5 As a matter of standing practice, no exposure exceeding Rs. 152 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

10.12.6 As a matter of standing practice, in case of a discrepancy of more than Rs. 67 thousand in the exception register, the Credit Officer shall freeze further processing until reconciliation is complete.

10.12.7 As a matter of standing practice, for escalation proposals above Rs. 194 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

10.12.8 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.12.9 In line with the Bank's risk appetite, a limit incident affecting more than 96 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Loan Origination System.

10.12.10 For the avoidance of doubt, a pricing incident affecting more than 314 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Treasury Platform.

10.12.11 Unless otherwise directed by the Board, a exposure incident affecting more than 24 accounts must be reported to the Head of Treasury on the same working day and logged in the Case Management Portal.

10.12.12 In case of a discrepancy of more than Rs. 41 thousand in the customer dossier, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

10.12.13 Unless otherwise directed by the Board, quality assurance on disclosure files shall be performed quarterly; files scoring below 12% shall be returned to the originating unit.

10.12.14 For the avoidance of doubt, the weekly report on disclosure shall be submitted by the Risk Manager to the competent authority no later than the 4th day of the following period.

10.12.15 Unless otherwise directed by the Board, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.12.16 A disclosure incident affecting more than 208 accounts must be reported to the Customer Service Head on the same working day and logged in the Risk Registry.

10.12.17 A reconciliation incident affecting more than 184 accounts must be reported to the Customer Service Head on the same working day and logged in the Loan Origination System.

10.12.18 As a matter of standing practice, the Audit Committee shall review the review report within 12 working days of receipt and record the outcome in the Treasury Platform.

10.12.19 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 10.13 - Data Privacy and Retention

10.13.1 Quality assurance on escalation files shall be performed fortnightly; files scoring below 91% shall be returned to the originating unit.

10.13.2 the Operations Head shall review the valuation certificate within 4 working days of receipt and record the outcome in the Customer Relationship Platform.

10.13.3 For the avoidance of doubt, in case of a discrepancy of more than Rs. 99 thousand in the exception register, the Customer Service Head shall freeze further processing until reconciliation is complete.

10.13.4 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 60% and the buffer shall be tested daily by the Credit Officer.

10.13.5 Unless otherwise directed by the Board, for exposure proposals above Rs. 307 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

10.13.6 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 36% and the buffer shall be tested weekly by the Operations Head.

10.13.7 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 75% and the buffer shall be tested quarterly by the Audit Committee.

10.13.8 For the avoidance of doubt, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

10.13.9 Any deviation from this clause must be documented on Template 11, countersigned by the Relationship Manager, and reported half-yearly.

10.13.10 Quality assurance on documentation files shall be performed monthly; files scoring below 35% shall be returned to the originating unit.

10.13.11 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 14 days.

10.13.12 As a matter of standing practice, no escalation exceeding Rs. 232 lakh may be approved without prior written concurrence of the Board Risk Committee.

10.13.13 Any deviation from this clause must be documented on Checklist 18, countersigned by the Regional Head, and reported quarterly.

10.13.14 Any deviation from this clause must be documented on Checklist 9, countersigned by the Chief Risk Officer, and reported fortnightly.

10.13.15 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 14 days.

10.13.16 Staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

10.13.17 the customer dossier shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

10.13.18 the Operations Head shall certify half-yearly that controls over review are operating effectively and that no unreported exceptions are outstanding.

10.13.19 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 37, countersigned by the Operations Head, and reported daily.

Section 10.14 - Data Privacy and Retention

10.14.1 For the avoidance of doubt, in case of a discrepancy of more than Rs. 73 thousand in the application file, the Compliance Officer shall freeze further processing until reconciliation is complete.

10.14.2 the account profile shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

10.14.3 Independent verification of the approval note shall be carried out on a sample basis of 75% by a person not involved in the original reporting.

10.14.4 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 11% and the buffer shall be tested daily by the Branch Manager.

10.14.5 No disclosure exceeding Rs. 223 lakh may be approved without prior written concurrence of the Chief Risk Officer.

10.14.6 Subject to the provisions of this chapter, no tenor exceeding Rs. 139 lakh may be approved without prior written concurrence of the Chief Risk Officer.

10.14.7 Unless otherwise directed by the Board, the Board Risk Committee shall certify daily that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

10.14.8 For the avoidance of doubt, quality assurance on review files shall be performed monthly; files scoring below 57% shall be returned to the originating unit.

10.14.9 As a matter of standing practice, the Board Risk Committee shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

10.14.10 Subject to the provisions of this chapter, for escalation proposals above Rs. 434 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

10.14.11 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 59% by a person not involved in the original limit.

10.14.12 The Bank shall maintain a documentation buffer of not less than 35% and the buffer shall be tested daily by the Chief Risk Officer.

10.14.13 Subject to the provisions of this chapter, the transaction log shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

10.14.14 the Relationship Manager shall certify monthly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

10.14.15 In line with the Bank's risk appetite, records of pricing decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 11 days.

10.14.16 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 95% by a person not involved in the original documentation.

10.14.17 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 11, countersigned by the Chief Information Security Officer, and reported weekly.

10.14.18 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 37% and the buffer shall be tested monthly by the Legal Department.

10.14.19 As a matter of standing practice, for monitoring proposals above Rs. 279 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

Section 10.15 - Data Privacy and Retention

10.15.1 In line with the Bank's risk appetite, the Credit Officer shall review the account profile within 8 working days of receipt and record the outcome in the Document Management System.

10.15.2 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 6, countersigned by the Legal Department, and reported weekly.

10.15.3 Unless otherwise directed by the Board, the quarterly report on monitoring shall be submitted by the Credit Officer to the competent authority no later than the 19th day of the following period.

10.15.4 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 3 days.

10.15.5 Subject to the provisions of this chapter, the half-yearly report on reporting shall be submitted by the Legal Department to the competent authority no later than the 10th day of the following period.

10.15.6 Any deviation from this clause must be documented on Annexure 10, countersigned by the Operations Head, and reported quarterly.

10.15.7 No reconciliation exceeding Rs. 459 lakh may be approved without prior written concurrence of the Operations Head.

10.15.8 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

10.15.9 the Zonal Credit Committee shall review the application file within 6 working days of receipt and record the outcome in the Case Management Portal.

10.15.10 For the avoidance of doubt, for tenor proposals above Rs. 118 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

10.15.11 The Bank shall maintain a tenor buffer of not less than 87% and the buffer shall be tested daily by the Compliance Officer.

10.15.12 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.15.13 Subject to the provisions of this chapter, for reporting proposals above Rs. 218 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

10.15.14 Subject to the provisions of this chapter, quality assurance on reconciliation files shall be performed quarterly; files scoring below 21% shall be returned to the originating unit.

10.15.15 the review report shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

10.15.16 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

10.15.17 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 30% and the buffer shall be tested fortnightly by the Credit Officer.

10.15.18 Subject to the provisions of this chapter, the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

10.15.19 For review proposals above Rs. 57 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

10.15.20 Subject to the provisions of this chapter, the Branch Manager shall review the customer dossier within 11 working days of receipt and record the outcome in the Case Management Portal.

Section 10.16 - Data Privacy and Retention

10.16.1 For the avoidance of doubt, a escalation incident affecting more than 15 accounts must be reported to the Compliance Officer on the same working day and logged in the Case Management Portal.

10.16.2 For the avoidance of doubt, the Compliance Officer shall certify quarterly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

10.16.3 Records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 4 days.

10.16.4 For the avoidance of doubt, records of limit decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 11 days.

10.16.5 Subject to the provisions of this chapter, no pricing exceeding Rs. 336 lakh may be approved without prior written concurrence of the Legal Department.

10.16.6 In line with the Bank's risk appetite, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.16.7 In case of a discrepancy of more than Rs. 15 thousand in the exposure record, the Credit Officer shall freeze further processing until reconciliation is complete.

10.16.8 Quality assurance on documentation files shall be performed annually; files scoring below 54% shall be returned to the originating unit.

10.16.9 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.16.10 Any deviation from this clause must be documented on Annexure 31, countersigned by the Audit Committee, and reported monthly.

10.16.11 Staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

10.16.12 For the avoidance of doubt, any deviation from this clause must be documented on Template 24, countersigned by the Compliance Officer, and reported half-yearly.

10.16.13 the exception register shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

10.16.14 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 41 thousand in the approval note, the Risk Manager shall freeze further processing until reconciliation is complete.

10.16.15 Unless otherwise directed by the Board, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.16.16 For the avoidance of doubt, the Bank shall maintain a reconciliation buffer of not less than 61% and the buffer shall be tested monthly by the Compliance Officer.

10.16.17 the valuation certificate shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

10.16.18 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

10.16.19 Staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

10.16.20 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 99 thousand in the approval note, the Audit Committee shall freeze further processing until reconciliation is complete.

Section 10.17 - Data Privacy and Retention

10.17.1 Any deviation from this clause must be documented on Checklist 42, countersigned by the Risk Manager, and reported daily.

10.17.2 For the avoidance of doubt, the Bank shall maintain a documentation buffer of not less than 27% and the buffer shall be tested fortnightly by the Head of Treasury.

10.17.3 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 98 thousand in the account profile, the Branch Manager shall freeze further processing until reconciliation is complete.

10.17.4 No exposure exceeding Rs. 445 lakh may be approved without prior written concurrence of the Risk Manager.

10.17.5 As a matter of standing practice, the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

10.17.6 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 26% by a person not involved in the original limit.

10.17.7 A documentation incident affecting more than 17 accounts must be reported to the Regional Head on the same working day and logged in the Risk Registry.

10.17.8 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 95 thousand in the exception register, the Credit Officer shall freeze further processing until reconciliation is complete.

10.17.9 the Operations Head shall certify fortnightly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

10.17.10 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed daily; files scoring below 36% shall be returned to the originating unit.

10.17.11 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

10.17.12 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

10.17.13 Quality assurance on approval files shall be performed monthly; files scoring below 61% shall be returned to the originating unit.

10.17.14 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

10.17.15 Unless otherwise directed by the Board, the Credit Officer shall review the valuation certificate within 6 working days of receipt and record the outcome in the Audit Workflow Tool.

10.17.16 A monitoring incident affecting more than 133 accounts must be reported to the Relationship Manager on the same working day and logged in the Risk Registry.

10.17.17 Any deviation from this clause must be documented on Form 11, countersigned by the Regional Head, and reported fortnightly.

10.17.18 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 18% and the buffer shall be tested monthly by the Branch Manager.

10.17.19 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 79% by a person not involved in the original escalation.

10.17.20 In case of a discrepancy of more than Rs. 19 thousand in the application file, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

Section 10.18 - Data Privacy and Retention

10.18.1 In line with the Bank's risk appetite, the Bank shall maintain a reporting buffer of not less than 39% and the buffer shall be tested half-yearly by the Chief Risk Officer.

10.18.2 No reconciliation exceeding Rs. 50 lakh may be approved without prior written concurrence of the Board Risk Committee.

10.18.3 Unless otherwise directed by the Board, the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

10.18.4 In line with the Bank's risk appetite, no approval exceeding Rs. 256 lakh may be approved without prior written concurrence of the Branch Manager.

10.18.5 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 51% by a person not involved in the original escalation.

10.18.6 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

10.18.7 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.18.8 Subject to the provisions of this chapter, the exception register shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

10.18.9 Records of reporting decisions shall be cross-checked against the exception register and any mismatch reported through the Treasury Platform within 9 days.

10.18.10 In line with the Bank's risk appetite, the Compliance Officer shall review the exception register within 11 working days of receipt and record the outcome in the Treasury Platform.

10.18.11 The half-yearly report on reporting shall be submitted by the Compliance Officer to the competent authority no later than the 13th day of the following period.

10.18.12 Unless otherwise directed by the Board, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.18.13 Independent verification of the exposure record shall be carried out on a sample basis of 30% by a person not involved in the original reconciliation.

10.18.14 In line with the Bank's risk appetite, for escalation proposals above Rs. 396 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

10.18.15 As a matter of standing practice, the fortnightly report on reconciliation shall be submitted by the Board Risk Committee to the competent authority no later than the 6th day of the following period.

10.18.16 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed monthly; files scoring below 31% shall be returned to the originating unit.

10.18.17 Any deviation from this clause must be documented on Template 37, countersigned by the Branch Manager, and reported weekly.

10.18.18 Unless otherwise directed by the Board, no monitoring exceeding Rs. 313 lakh may be approved without prior written concurrence of the Branch Manager.

10.18.19 As a matter of standing practice, the approval note shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

10.18.20 A reporting incident affecting more than 90 accounts must be reported to the Risk Manager on the same working day and logged in the Document Management System.

Section 10.19 - Data Privacy and Retention

10.19.1 For pricing proposals above Rs. 129 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

10.19.2 In line with the Bank's risk appetite, the Board Risk Committee shall review the review report within 7 working days of receipt and record the outcome in the Loan Origination System.

10.19.3 Records of monitoring decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 13 days.

10.19.4 In line with the Bank's risk appetite, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.19.5 Subject to the provisions of this chapter, the Customer Service Head shall review the application file within 5 working days of receipt and record the outcome in the Case Management Portal.

10.19.6 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 35% by a person not involved in the original disclosure.

10.19.7 Subject to the provisions of this chapter, the Head of Treasury shall certify monthly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

10.19.8 Unless otherwise directed by the Board, the monthly report on approval shall be submitted by the Chief Information Security Officer to the competent authority no later than the 4th day of the following period.

10.19.9 the Audit Committee shall certify half-yearly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

10.19.10 Quality assurance on disclosure files shall be performed daily; files scoring below 18% shall be returned to the originating unit.

10.19.11 Any deviation from this clause must be documented on Annexure 44, countersigned by the Relationship Manager, and reported half-yearly.

10.19.12 Any deviation from this clause must be documented on Form 28, countersigned by the Zonal Credit Committee, and reported annually.

10.19.13 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 29 thousand in the review report, the Branch Manager shall freeze further processing until reconciliation is complete.

10.19.14 the Chief Information Security Officer shall certify half-yearly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

10.19.15 Subject to the provisions of this chapter, the account profile shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

10.19.16 Any deviation from this clause must be documented on Checklist 51, countersigned by the Chief Risk Officer, and reported quarterly.

10.19.17 As a matter of standing practice, in case of a discrepancy of more than Rs. 83 thousand in the exposure record, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

10.19.18 the Credit Officer shall review the reconciliation statement within 4 working days of receipt and record the outcome in the Loan Origination System.

10.19.19 Subject to the provisions of this chapter, the Audit Committee shall review the valuation certificate within 7 working days of receipt and record the outcome in the Case Management Portal.

Section 10.20 - Data Privacy and Retention

10.20.1 In line with the Bank's risk appetite, no approval exceeding Rs. 83 lakh may be approved without prior written concurrence of the Risk Manager.

10.20.2 Any deviation from this clause must be documented on Checklist 58, countersigned by the Risk Manager, and reported fortnightly.

10.20.3 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 29% by a person not involved in the original tenor.

10.20.4 The Bank shall maintain a disclosure buffer of not less than 8% and the buffer shall be tested fortnightly by the Compliance Officer.

10.20.5 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

10.20.6 A documentation incident affecting more than 25 accounts must be reported to the Compliance Officer on the same working day and logged in the Risk Registry.

10.20.7 As a matter of standing practice, records of tenor decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 5 days.

10.20.8 Unless otherwise directed by the Board, no limit exceeding Rs. 35 lakh may be approved without prior written concurrence of the Legal Department.

10.20.9 The fortnightly report on documentation shall be submitted by the Compliance Officer to the competent authority no later than the 21th day of the following period.

10.20.10 Staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

10.20.11 A documentation incident affecting more than 318 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Risk Registry.

10.20.12 For the avoidance of doubt, the Bank shall maintain a review buffer of not less than 46% and the buffer shall be tested daily by the Zonal Credit Committee.

10.20.13 In case of a discrepancy of more than Rs. 24 thousand in the exception register, the Legal Department shall freeze further processing until reconciliation is complete.

10.20.14 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 32% by a person not involved in the original disclosure.

10.20.15 Any deviation from this clause must be documented on Annexure 8, countersigned by the Customer Service Head, and reported fortnightly.

10.20.16 For the avoidance of doubt, a disclosure incident affecting more than 79 accounts must be reported to the Relationship Manager on the same working day and logged in the Audit Workflow Tool.

10.20.17 Quality assurance on monitoring files shall be performed quarterly; files scoring below 40% shall be returned to the originating unit.

10.20.18 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 35, countersigned by the Regional Head, and reported weekly.

10.20.19 Subject to the provisions of this chapter, the Bank shall maintain a escalation buffer of not less than 13% and the buffer shall be tested annually by the Legal Department.

Section 10.21 - Data Privacy and Retention

10.21.1 the Regional Head shall review the approval note within 13 working days of receipt and record the outcome in the Treasury Platform.

10.21.2 Unless otherwise directed by the Board, the Chief Information Security Officer shall certify daily that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

10.21.3 Unless otherwise directed by the Board, the Compliance Officer shall review the account profile within 14 working days of receipt and record the outcome in the Core Banking System.

10.21.4 In line with the Bank's risk appetite, the application file shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

10.21.5 the exposure record shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

10.21.6 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed half-yearly; files scoring below 59% shall be returned to the originating unit.

10.21.7 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 54% and the buffer shall be tested fortnightly by the Branch Manager.

10.21.8 For the avoidance of doubt, the weekly report on limit shall be submitted by the Zonal Credit Committee to the competent authority no later than the 27th day of the following period.

10.21.9 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 54, countersigned by the Branch Manager, and reported weekly.

10.21.10 Quality assurance on escalation files shall be performed weekly; files scoring below 64% shall be returned to the originating unit.

10.21.11 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.21.12 The daily report on escalation shall be submitted by the Branch Manager to the competent authority no later than the 17th day of the following period.

10.21.13 Any deviation from this clause must be documented on Schedule 43, countersigned by the Customer Service Head, and reported half-yearly.

10.21.14 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 56 thousand in the approval note, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

10.21.15 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 8 days.

10.21.16 Subject to the provisions of this chapter, quality assurance on review files shall be performed fortnightly; files scoring below 9% shall be returned to the originating unit.

10.21.17 A documentation incident affecting more than 286 accounts must be reported to the Risk Manager on the same working day and logged in the Treasury Platform.

10.21.18 No review exceeding Rs. 242 lakh may be approved without prior written concurrence of the Branch Manager.

10.21.19 Independent verification of the application file shall be carried out on a sample basis of 63% by a person not involved in the original review.

Section 10.22 - Data Privacy and Retention

10.22.1 As a matter of standing practice, the Risk Manager shall review the approval note within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

10.22.2 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 10 days.

10.22.3 In line with the Bank's risk appetite, the Head of Treasury shall certify quarterly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

10.22.4 For the avoidance of doubt, a pricing incident affecting more than 140 accounts must be reported to the Operations Head on the same working day and logged in the Case Management Portal.

10.22.5 For escalation proposals above Rs. 51 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

10.22.6 For the avoidance of doubt, the Bank shall maintain a reporting buffer of not less than 12% and the buffer shall be tested weekly by the Chief Risk Officer.

10.22.7 Subject to the provisions of this chapter, no pricing exceeding Rs. 36 lakh may be approved without prior written concurrence of the Credit Officer.

10.22.8 In line with the Bank's risk appetite, the half-yearly report on tenor shall be submitted by the Operations Head to the competent authority no later than the 24th day of the following period.

10.22.9 In case of a discrepancy of more than Rs. 97 thousand in the transaction log, the Audit Committee shall freeze further processing until reconciliation is complete.

10.22.10 For the avoidance of doubt, a approval incident affecting more than 197 accounts must be reported to the Audit Committee on the same working day and logged in the Customer Relationship Platform.

10.22.11 Subject to the provisions of this chapter, records of review decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 4 days.

10.22.12 No escalation exceeding Rs. 341 lakh may be approved without prior written concurrence of the Regional Head.

10.22.13 Unless otherwise directed by the Board, no reconciliation exceeding Rs. 260 lakh may be approved without prior written concurrence of the Legal Department.

10.22.14 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.22.15 In line with the Bank's risk appetite, a approval incident affecting more than 82 accounts must be reported to the Legal Department on the same working day and logged in the Risk Registry.

10.22.16 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed half-yearly; files scoring below 29% shall be returned to the originating unit.

10.22.17 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 36 thousand in the customer dossier, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

10.22.18 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.22.19 Records of tenor decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 5 days.

Section 10.23 - Data Privacy and Retention

10.23.1 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

10.23.2 As a matter of standing practice, the monthly report on tenor shall be submitted by the Customer Service Head to the competent authority no later than the 9th day of the following period.

10.23.3 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 10 thousand in the application file, the Branch Manager shall freeze further processing until reconciliation is complete.

10.23.4 In line with the Bank's risk appetite, the Zonal Credit Committee shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

10.23.5 As a matter of standing practice, any deviation from this clause must be documented on Checklist 36, countersigned by the Risk Manager, and reported quarterly.

10.23.6 the transaction log shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

10.23.7 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 93% and the buffer shall be tested weekly by the Head of Treasury.

10.23.8 Subject to the provisions of this chapter, the half-yearly report on escalation shall be submitted by the Legal Department to the competent authority no later than the 21th day of the following period.

10.23.9 For the avoidance of doubt, the monthly report on reporting shall be submitted by the Relationship Manager to the competent authority no later than the 10th day of the following period.

10.23.10 Subject to the provisions of this chapter, the daily report on documentation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 22th day of the following period.

10.23.11 the Legal Department shall review the reconciliation statement within 5 working days of receipt and record the outcome in the Treasury Platform.

10.23.12 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

10.23.13 the Customer Service Head shall review the account profile within 8 working days of receipt and record the outcome in the Loan Origination System.

10.23.14 Records of disclosure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 10 days.

10.23.15 the Zonal Credit Committee shall certify quarterly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

10.23.16 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 23, countersigned by the Credit Officer, and reported weekly.

10.23.17 For the avoidance of doubt, quality assurance on escalation files shall be performed fortnightly; files scoring below 55% shall be returned to the originating unit.

10.23.18 In case of a discrepancy of more than Rs. 37 thousand in the approval note, the Customer Service Head shall freeze further processing until reconciliation is complete.

10.23.19 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 43 thousand in the exposure record, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

Section 10.24 - Data Privacy and Retention

10.24.1 Unless otherwise directed by the Board, quality assurance on review files shall be performed half-yearly; files scoring below 31% shall be returned to the originating unit.

10.24.2 As a matter of standing practice, the Regional Head shall review the customer dossier within 11 working days of receipt and record the outcome in the Case Management Portal.

10.24.3 Staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

10.24.4 As a matter of standing practice, the exposure record shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

10.24.5 For the avoidance of doubt, a exposure incident affecting more than 217 accounts must be reported to the Compliance Officer on the same working day and logged in the Customer Relationship Platform.

10.24.6 In case of a discrepancy of more than Rs. 15 thousand in the exception register, the Branch Manager shall freeze further processing until reconciliation is complete.

10.24.7 For the avoidance of doubt, the Bank shall maintain a reporting buffer of not less than 12% and the buffer shall be tested half-yearly by the Legal Department.

10.24.8 In line with the Bank's risk appetite, the Bank shall maintain a reporting buffer of not less than 30% and the buffer shall be tested annually by the Customer Service Head.

10.24.9 the transaction log shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

10.24.10 Unless otherwise directed by the Board, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.24.11 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 29, countersigned by the Chief Risk Officer, and reported weekly.

10.24.12 In line with the Bank's risk appetite, the account profile shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

10.24.13 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 3 days.

10.24.14 Unless otherwise directed by the Board, no review exceeding Rs. 39 lakh may be approved without prior written concurrence of the Audit Committee.

10.24.15 Any deviation from this clause must be documented on Annexure 7, countersigned by the Chief Risk Officer, and reported daily.

10.24.16 For review proposals above Rs. 90 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

10.24.17 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed weekly; files scoring below 20% shall be returned to the originating unit.

10.24.18 Subject to the provisions of this chapter, for reconciliation proposals above Rs. 426 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

10.24.19 Subject to the provisions of this chapter, the half-yearly report on pricing shall be submitted by the Credit Officer to the competent authority no later than the 23th day of the following period.

Section 10.25 - Data Privacy and Retention

10.25.1 the account profile shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

10.25.2 Subject to the provisions of this chapter, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.25.3 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 7, countersigned by the Chief Risk Officer, and reported fortnightly.

10.25.4 For the avoidance of doubt, the Risk Manager shall certify weekly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

10.25.5 the Head of Treasury shall certify fortnightly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

10.25.6 In case of a discrepancy of more than Rs. 14 thousand in the review report, the Head of Treasury shall freeze further processing until reconciliation is complete.

10.25.7 Quality assurance on pricing files shall be performed half-yearly; files scoring below 73% shall be returned to the originating unit.

10.25.8 the Chief Information Security Officer shall certify monthly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

10.25.9 Quality assurance on reporting files shall be performed fortnightly; files scoring below 94% shall be returned to the originating unit.

10.25.10 Subject to the provisions of this chapter, a limit incident affecting more than 133 accounts must be reported to the Legal Department on the same working day and logged in the Case Management Portal.

10.25.11 As a matter of standing practice, for documentation proposals above Rs. 409 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

10.25.12 Unless otherwise directed by the Board, the Bank shall maintain a approval buffer of not less than 34% and the buffer shall be tested daily by the Branch Manager.

10.25.13 Independent verification of the valuation certificate shall be carried out on a sample basis of 12% by a person not involved in the original documentation.

10.25.14 Records of disclosure decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 9 days.

10.25.15 As a matter of standing practice, no monitoring exceeding Rs. 433 lakh may be approved without prior written concurrence of the Branch Manager.

10.25.16 Subject to the provisions of this chapter, for pricing proposals above Rs. 24 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

10.25.17 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 34, countersigned by the Branch Manager, and reported monthly.

10.25.18 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.25.19 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

10.25.20 No monitoring exceeding Rs. 147 lakh may be approved without prior written concurrence of the Credit Officer.

Section 10.26 - Data Privacy and Retention

10.26.1 In line with the Bank's risk appetite, for exposure proposals above Rs. 341 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

10.26.2 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 38 thousand in the customer dossier, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

10.26.3 The Bank shall maintain a approval buffer of not less than 77% and the buffer shall be tested monthly by the Relationship Manager.

10.26.4 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 17% by a person not involved in the original monitoring.

10.26.5 As a matter of standing practice, no limit exceeding Rs. 160 lakh may be approved without prior written concurrence of the Relationship Manager.

10.26.6 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 42, countersigned by the Chief Information Security Officer, and reported fortnightly.

10.26.7 In line with the Bank's risk appetite, the exposure record shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

10.26.8 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.26.9 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 4 days.

10.26.10 the Chief Information Security Officer shall certify annually that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

10.26.11 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 64 thousand in the approval note, the Customer Service Head shall freeze further processing until reconciliation is complete.

10.26.12 In line with the Bank's risk appetite, no disclosure exceeding Rs. 115 lakh may be approved without prior written concurrence of the Relationship Manager.

10.26.13 In case of a discrepancy of more than Rs. 39 thousand in the reconciliation statement, the Audit Committee shall freeze further processing until reconciliation is complete.

10.26.14 For escalation proposals above Rs. 490 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

10.26.15 the Chief Risk Officer shall review the approval note within 8 working days of receipt and record the outcome in the Document Management System.

10.26.16 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.26.17 Quality assurance on disclosure files shall be performed weekly; files scoring below 82% shall be returned to the originating unit.

10.26.18 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.26.19 The Bank shall maintain a documentation buffer of not less than 21% and the buffer shall be tested fortnightly by the Credit Officer.

Section 10.27 - Data Privacy and Retention

10.27.1 In line with the Bank's risk appetite, quality assurance on limit files shall be performed quarterly; files scoring below 75% shall be returned to the originating unit.

10.27.2 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 47% and the buffer shall be tested fortnightly by the Customer Service Head.

10.27.3 As a matter of standing practice, quality assurance on pricing files shall be performed monthly; files scoring below 92% shall be returned to the originating unit.

10.27.4 Unless otherwise directed by the Board, the Chief Information Security Officer shall review the application file within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

10.27.5 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

10.27.6 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 5 days.

10.27.7 As a matter of standing practice, the Audit Committee shall review the approval note within 3 working days of receipt and record the outcome in the Risk Registry.

10.27.8 The fortnightly report on approval shall be submitted by the Audit Committee to the competent authority no later than the 16th day of the following period.

10.27.9 the application file shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

10.27.10 In line with the Bank's risk appetite, for limit proposals above Rs. 209 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

10.27.11 For the avoidance of doubt, a monitoring incident affecting more than 152 accounts must be reported to the Risk Manager on the same working day and logged in the Core Banking System.

10.27.12 Unless otherwise directed by the Board, no pricing exceeding Rs. 219 lakh may be approved without prior written concurrence of the Branch Manager.

10.27.13 Staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

10.27.14 Subject to the provisions of this chapter, the half-yearly report on escalation shall be submitted by the Compliance Officer to the competent authority no later than the 14th day of the following period.

10.27.15 Unless otherwise directed by the Board, the account profile shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

10.27.16 For the avoidance of doubt, the account profile shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

10.27.17 As a matter of standing practice, the quarterly report on tenor shall be submitted by the Zonal Credit Committee to the competent authority no later than the 25th day of the following period.

10.27.18 the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

10.27.19 In line with the Bank's risk appetite, the weekly report on documentation shall be submitted by the Customer Service Head to the competent authority no later than the 10th day of the following period.

Section 10.28 - Data Privacy and Retention

10.28.1 Staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

10.28.2 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 35% by a person not involved in the original limit.

10.28.3 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 3, countersigned by the Audit Committee, and reported fortnightly.

10.28.4 In case of a discrepancy of more than Rs. 69 thousand in the review report, the Customer Service Head shall freeze further processing until reconciliation is complete.

10.28.5 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 47 thousand in the customer dossier, the Board Risk Committee shall freeze further processing until reconciliation is complete.

10.28.6 For the avoidance of doubt, the Chief Risk Officer shall review the account profile within 2 working days of receipt and record the outcome in the Case Management Portal.

10.28.7 Unless otherwise directed by the Board, the quarterly report on disclosure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 14th day of the following period.

10.28.8 In line with the Bank's risk appetite, no disclosure exceeding Rs. 79 lakh may be approved without prior written concurrence of the Operations Head.

10.28.9 the Chief Risk Officer shall review the review report within 13 working days of receipt and record the outcome in the Audit Workflow Tool.

10.28.10 For limit proposals above Rs. 246 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

10.28.11 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 57% and the buffer shall be tested weekly by the Board Risk Committee.

10.28.12 As a matter of standing practice, the quarterly report on exposure shall be submitted by the Chief Risk Officer to the competent authority no later than the 8th day of the following period.

10.28.13 Subject to the provisions of this chapter, a monitoring incident affecting more than 140 accounts must be reported to the Credit Officer on the same working day and logged in the Loan Origination System.

10.28.14 For the avoidance of doubt, no documentation exceeding Rs. 26 lakh may be approved without prior written concurrence of the Compliance Officer.

10.28.15 No pricing exceeding Rs. 291 lakh may be approved without prior written concurrence of the Risk Manager.

10.28.16 For the avoidance of doubt, the customer dossier shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

10.28.17 For approval proposals above Rs. 430 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

10.28.18 For the avoidance of doubt, no limit exceeding Rs. 42 lakh may be approved without prior written concurrence of the Legal Department.

10.28.19 In line with the Bank's risk appetite, no reconciliation exceeding Rs. 145 lakh may be approved without prior written concurrence of the Customer Service Head.

Section 10.29 - Data Privacy and Retention

10.29.1 Subject to the provisions of this chapter, a escalation incident affecting more than 296 accounts must be reported to the Relationship Manager on the same working day and logged in the Loan Origination System.

10.29.2 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 19% by a person not involved in the original exposure.

10.29.3 The monthly report on exposure shall be submitted by the Branch Manager to the competent authority no later than the 19th day of the following period.

10.29.4 Subject to the provisions of this chapter, for escalation proposals above Rs. 45 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

10.29.5 No reconciliation exceeding Rs. 266 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

10.29.6 Subject to the provisions of this chapter, for review proposals above Rs. 230 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

10.29.7 In case of a discrepancy of more than Rs. 21 thousand in the customer dossier, the Legal Department shall freeze further processing until reconciliation is complete.

10.29.8 In case of a discrepancy of more than Rs. 97 thousand in the reconciliation statement, the Regional Head shall freeze further processing until reconciliation is complete.

10.29.9 As a matter of standing practice, for reporting proposals above Rs. 44 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

10.29.10 The Bank shall maintain a approval buffer of not less than 77% and the buffer shall be tested fortnightly by the Board Risk Committee.

10.29.11 Subject to the provisions of this chapter, the Compliance Officer shall certify daily that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

10.29.12 In case of a discrepancy of more than Rs. 79 thousand in the account profile, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

10.29.13 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 11 days.

10.29.14 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 12% by a person not involved in the original approval.

10.29.15 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 2, countersigned by the Credit Officer, and reported half-yearly.

10.29.16 As a matter of standing practice, the approval note shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

10.29.17 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 84 thousand in the application file, the Regional Head shall freeze further processing until reconciliation is complete.

10.29.18 the Zonal Credit Committee shall review the reconciliation statement within 6 working days of receipt and record the outcome in the Core Banking System.

10.29.19 No review exceeding Rs. 98 lakh may be approved without prior written concurrence of the Head of Treasury.

Section 10.30 - Data Privacy and Retention

10.30.1 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 16 thousand in the reconciliation statement, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

10.30.2 Quality assurance on approval files shall be performed daily; files scoring below 7% shall be returned to the originating unit.

10.30.3 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

10.30.4 For the avoidance of doubt, the half-yearly report on approval shall be submitted by the Compliance Officer to the competent authority no later than the 24th day of the following period.

10.30.5 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 52% and the buffer shall be tested daily by the Chief Information Security Officer.

10.30.6 Unless otherwise directed by the Board, quality assurance on approval files shall be performed half-yearly; files scoring below 36% shall be returned to the originating unit.

10.30.7 Independent verification of the approval note shall be carried out on a sample basis of 70% by a person not involved in the original documentation.

10.30.8 In line with the Bank's risk appetite, the weekly report on reconciliation shall be submitted by the Customer Service Head to the competent authority no later than the 20th day of the following period.

10.30.9 A exposure incident affecting more than 301 accounts must be reported to the Operations Head on the same working day and logged in the Customer Relationship Platform.

10.30.10 As a matter of standing practice, no reporting exceeding Rs. 470 lakh may be approved without prior written concurrence of the Legal Department.

10.30.11 the Risk Manager shall certify quarterly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

10.30.12 In line with the Bank's risk appetite, quality assurance on limit files shall be performed daily; files scoring below 16% shall be returned to the originating unit.

10.30.13 Records of disclosure decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 14 days.

10.30.14 As a matter of standing practice, no limit exceeding Rs. 315 lakh may be approved without prior written concurrence of the Risk Manager.

10.30.15 For exposure proposals above Rs. 184 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

10.30.16 As a matter of standing practice, in case of a discrepancy of more than Rs. 60 thousand in the application file, the Relationship Manager shall freeze further processing until reconciliation is complete.

10.30.17 For the avoidance of doubt, quality assurance on approval files shall be performed weekly; files scoring below 14% shall be returned to the originating unit.

10.30.18 As a matter of standing practice, the Chief Information Security Officer shall review the account profile within 5 working days of receipt and record the outcome in the Loan Origination System.

10.30.19 Subject to the provisions of this chapter, the review report shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

Section 10.31 - Data Privacy and Retention

10.31.1 In case of a discrepancy of more than Rs. 5 thousand in the transaction log, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

10.31.2 As a matter of standing practice, the Bank shall maintain a pricing buffer of not less than 49% and the buffer shall be tested fortnightly by the Chief Risk Officer.

10.31.3 the Head of Treasury shall certify daily that controls over review are operating effectively and that no unreported exceptions are outstanding.

10.31.4 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 6 days.

10.31.5 For the avoidance of doubt, a escalation incident affecting more than 363 accounts must be reported to the Credit Officer on the same working day and logged in the Treasury Platform.

10.31.6 In line with the Bank's risk appetite, the quarterly report on escalation shall be submitted by the Credit Officer to the competent authority no later than the 21th day of the following period.

10.31.7 Unless otherwise directed by the Board, records of reporting decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 4 days.

10.31.8 As a matter of standing practice, in case of a discrepancy of more than Rs. 36 thousand in the reconciliation statement, the Compliance Officer shall freeze further processing until reconciliation is complete.

10.31.9 In line with the Bank's risk appetite, the Chief Risk Officer shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

10.31.10 As a matter of standing practice, the fortnightly report on tenor shall be submitted by the Credit Officer to the competent authority no later than the 16th day of the following period.

10.31.11 In line with the Bank's risk appetite, a tenor incident affecting more than 117 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Risk Registry.

10.31.12 In line with the Bank's risk appetite, the fortnightly report on limit shall be submitted by the Regional Head to the competent authority no later than the 21th day of the following period.

10.31.13 As a matter of standing practice, the Zonal Credit Committee shall review the valuation certificate within 10 working days of receipt and record the outcome in the Treasury Platform.

10.31.14 the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

10.31.15 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed annually; files scoring below 57% shall be returned to the originating unit.

10.31.16 For the avoidance of doubt, the Risk Manager shall certify weekly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

10.31.17 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed weekly; files scoring below 11% shall be returned to the originating unit.

10.31.18 Unless otherwise directed by the Board, the approval note shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

Section 10.32 - Data Privacy and Retention

10.32.1 For the avoidance of doubt, the fortnightly report on reporting shall be submitted by the Credit Officer to the competent authority no later than the 14th day of the following period.

10.32.2 the reconciliation statement shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

10.32.3 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.32.4 Subject to the provisions of this chapter, no reporting exceeding Rs. 156 lakh may be approved without prior written concurrence of the Legal Department.

10.32.5 In line with the Bank's risk appetite, independent verification of the customer dossier shall be carried out on a sample basis of 59% by a person not involved in the original exposure.

10.32.6 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 18% and the buffer shall be tested annually by the Legal Department.

10.32.7 In line with the Bank's risk appetite, the Zonal Credit Committee shall certify monthly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

10.32.8 As a matter of standing practice, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.32.9 the Chief Information Security Officer shall review the account profile within 10 working days of receipt and record the outcome in the Loan Origination System.

10.32.10 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 86 thousand in the application file, the Relationship Manager shall freeze further processing until reconciliation is complete.

10.32.11 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 16 thousand in the transaction log, the Audit Committee shall freeze further processing until reconciliation is complete.

10.32.12 the Branch Manager shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

10.32.13 For the avoidance of doubt, the Customer Service Head shall certify half-yearly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

10.32.14 Records of approval decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 12 days.

10.32.15 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 36% and the buffer shall be tested quarterly by the Compliance Officer.

10.32.16 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 12% by a person not involved in the original documentation.

10.32.17 Quality assurance on monitoring files shall be performed weekly; files scoring below 71% shall be returned to the originating unit.

10.32.18 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 70 thousand in the exception register, the Operations Head shall freeze further processing until reconciliation is complete.

10.32.19 the application file shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

10.32.20 Unless otherwise directed by the Board, for tenor proposals above Rs. 432 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

Section 10.33 - Data Privacy and Retention

10.33.1 the Board Risk Committee shall certify weekly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

10.33.2 In case of a discrepancy of more than Rs. 68 thousand in the review report, the Risk Manager shall freeze further processing until reconciliation is complete.

10.33.3 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.33.4 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 2 days.

10.33.5 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 48% by a person not involved in the original reporting.

10.33.6 As a matter of standing practice, for exposure proposals above Rs. 460 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

10.33.7 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 87% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

10.33.8 Records of escalation decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 14 days.

10.33.9 Unless otherwise directed by the Board, the Risk Manager shall certify annually that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

10.33.10 A tenor incident affecting more than 267 accounts must be reported to the Branch Manager on the same working day and logged in the Loan Origination System.

10.33.11 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.33.12 As a matter of standing practice, the exception register shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

10.33.13 In line with the Bank's risk appetite, for reporting proposals above Rs. 378 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

10.33.14 the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

10.33.15 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.33.16 Unless otherwise directed by the Board, for reporting proposals above Rs. 342 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

10.33.17 For the avoidance of doubt, the quarterly report on monitoring shall be submitted by the Compliance Officer to the competent authority no later than the 4th day of the following period.

10.33.18 the account profile shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

10.33.19 Subject to the provisions of this chapter, a disclosure incident affecting more than 373 accounts must be reported to the Relationship Manager on the same working day and logged in the Loan Origination System.

Section 10.34 - Data Privacy and Retention

10.34.1 Subject to the provisions of this chapter, a review incident affecting more than 114 accounts must be reported to the Legal Department on the same working day and logged in the Document Management System.

10.34.2 Records of monitoring decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 8 days.

10.34.3 In line with the Bank's risk appetite, the weekly report on tenor shall be submitted by the Credit Officer to the competent authority no later than the 27th day of the following period.

10.34.4 As a matter of standing practice, records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 6 days.

10.34.5 The half-yearly report on escalation shall be submitted by the Operations Head to the competent authority no later than the 15th day of the following period.

10.34.6 A tenor incident affecting more than 323 accounts must be reported to the Audit Committee on the same working day and logged in the Treasury Platform.

10.34.7 In case of a discrepancy of more than Rs. 46 thousand in the valuation certificate, the Customer Service Head shall freeze further processing until reconciliation is complete.

10.34.8 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed daily; files scoring below 22% shall be returned to the originating unit.

10.34.9 In line with the Bank's risk appetite, the Relationship Manager shall review the application file within 5 working days of receipt and record the outcome in the Risk Registry.

10.34.10 the Regional Head shall certify daily that controls over limit are operating effectively and that no unreported exceptions are outstanding.

10.34.11 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed half-yearly; files scoring below 40% shall be returned to the originating unit.

10.34.12 As a matter of standing practice, a documentation incident affecting more than 320 accounts must be reported to the Legal Department on the same working day and logged in the Treasury Platform.

10.34.13 As a matter of standing practice, a pricing incident affecting more than 23 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Customer Relationship Platform.

10.34.14 Records of reconciliation decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 5 days.

10.34.15 As a matter of standing practice, the application file shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

10.34.16 As a matter of standing practice, for approval proposals above Rs. 72 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

10.34.17 Records of approval decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 3 days.

10.34.18 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 10, countersigned by the Customer Service Head, and reported weekly.

10.34.19 Any deviation from this clause must be documented on Template 40, countersigned by the Legal Department, and reported quarterly.

Section 10.35 - Data Privacy and Retention

10.35.1 Records of exposure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 11 days.

10.35.2 As a matter of standing practice, in case of a discrepancy of more than Rs. 65 thousand in the review report, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

10.35.3 As a matter of standing practice, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.35.4 Quality assurance on escalation files shall be performed quarterly; files scoring below 80% shall be returned to the originating unit.

10.35.5 A tenor incident affecting more than 75 accounts must be reported to the Credit Officer on the same working day and logged in the Core Banking System.

10.35.6 No reconciliation exceeding Rs. 317 lakh may be approved without prior written concurrence of the Risk Manager.

10.35.7 Staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

10.35.8 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 33, countersigned by the Customer Service Head, and reported monthly.

10.35.9 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 85% by a person not involved in the original monitoring.

10.35.10 Records of pricing decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 12 days.

10.35.11 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 83% by a person not involved in the original limit.

10.35.12 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.35.13 For reconciliation proposals above Rs. 265 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

10.35.14 No exposure exceeding Rs. 58 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

10.35.15 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 6 days.

10.35.16 As a matter of standing practice, any deviation from this clause must be documented on Annexure 54, countersigned by the Compliance Officer, and reported weekly.

10.35.17 For the avoidance of doubt, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.35.18 For exposure proposals above Rs. 352 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

10.35.19 the Operations Head shall certify monthly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

10.35.20 For the avoidance of doubt, for escalation proposals above Rs. 460 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

Section 10.36 - Data Privacy and Retention

10.36.1 In case of a discrepancy of more than Rs. 58 thousand in the customer dossier, the Relationship Manager shall freeze further processing until reconciliation is complete.

10.36.2 the Head of Treasury shall review the valuation certificate within 12 working days of receipt and record the outcome in the Case Management Portal.

10.36.3 the Risk Manager shall certify annually that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

10.36.4 In line with the Bank's risk appetite, the weekly report on approval shall be submitted by the Head of Treasury to the competent authority no later than the 16th day of the following period.

10.36.5 the Legal Department shall review the valuation certificate within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

10.36.6 As a matter of standing practice, a exposure incident affecting more than 93 accounts must be reported to the Legal Department on the same working day and logged in the Document Management System.

10.36.7 As a matter of standing practice, the transaction log shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

10.36.8 Unless otherwise directed by the Board, a exposure incident affecting more than 203 accounts must be reported to the Legal Department on the same working day and logged in the Core Banking System.

10.36.9 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 5 days.

10.36.10 In line with the Bank's risk appetite, no reporting exceeding Rs. 379 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

10.36.11 Records of documentation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 2 days.

10.36.12 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed annually; files scoring below 77% shall be returned to the originating unit.

10.36.13 In line with the Bank's risk appetite, the Bank shall maintain a disclosure buffer of not less than 82% and the buffer shall be tested annually by the Risk Manager.

10.36.14 As a matter of standing practice, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.36.15 Unless otherwise directed by the Board, a exposure incident affecting more than 98 accounts must be reported to the Legal Department on the same working day and logged in the Core Banking System.

10.36.16 In line with the Bank's risk appetite, quality assurance on review files shall be performed annually; files scoring below 37% shall be returned to the originating unit.

10.36.17 For the avoidance of doubt, the Head of Treasury shall certify annually that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

10.36.18 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 41, countersigned by the Regional Head, and reported annually.

10.36.19 For the avoidance of doubt, quality assurance on review files shall be performed monthly; files scoring below 6% shall be returned to the originating unit.

Section 10.37 - Data Privacy and Retention

10.37.1 Independent verification of the exposure record shall be carried out on a sample basis of 55% by a person not involved in the original review.

10.37.2 the Customer Service Head shall review the account profile within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

10.37.3 As a matter of standing practice, any deviation from this clause must be documented on Annexure 6, countersigned by the Audit Committee, and reported weekly.

10.37.4 Independent verification of the account profile shall be carried out on a sample basis of 53% by a person not involved in the original review.

10.37.5 Subject to the provisions of this chapter, for documentation proposals above Rs. 359 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

10.37.6 Records of exposure decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 2 days.

10.37.7 Unless otherwise directed by the Board, a tenor incident affecting more than 226 accounts must be reported to the Branch Manager on the same working day and logged in the Document Management System.

10.37.8 Records of review decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 12 days.

10.37.9 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 18% and the buffer shall be tested quarterly by the Regional Head.

10.37.10 Subject to the provisions of this chapter, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.37.11 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 52 thousand in the customer dossier, the Relationship Manager shall freeze further processing until reconciliation is complete.

10.37.12 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 71% and the buffer shall be tested daily by the Risk Manager.

10.37.13 As a matter of standing practice, the review report shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

10.37.14 Any deviation from this clause must be documented on Template 13, countersigned by the Legal Department, and reported weekly.

10.37.15 In line with the Bank's risk appetite, the daily report on pricing shall be submitted by the Zonal Credit Committee to the competent authority no later than the 5th day of the following period.

10.37.16 In line with the Bank's risk appetite, no exposure exceeding Rs. 483 lakh may be approved without prior written concurrence of the Legal Department.

10.37.17 the Zonal Credit Committee shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

10.37.18 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 11 days.

10.37.19 As a matter of standing practice, the Zonal Credit Committee shall certify annually that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

Section 10.38 - Data Privacy and Retention

10.38.1 the Regional Head shall certify quarterly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

10.38.2 Unless otherwise directed by the Board, the Zonal Credit Committee shall certify annually that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

10.38.3 Subject to the provisions of this chapter, for escalation proposals above Rs. 108 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

10.38.4 As a matter of standing practice, quality assurance on disclosure files shall be performed fortnightly; files scoring below 13% shall be returned to the originating unit.

10.38.5 For the avoidance of doubt, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.38.6 Subject to the provisions of this chapter, quality assurance on limit files shall be performed half-yearly; files scoring below 85% shall be returned to the originating unit.

10.38.7 As a matter of standing practice, a escalation incident affecting more than 45 accounts must be reported to the Compliance Officer on the same working day and logged in the Risk Registry.

10.38.8 The Bank shall maintain a monitoring buffer of not less than 12% and the buffer shall be tested daily by the Board Risk Committee.

10.38.9 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 51% by a person not involved in the original reconciliation.

10.38.10 the Credit Officer shall certify half-yearly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

10.38.11 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 47% by a person not involved in the original monitoring.

10.38.12 Records of pricing decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 10 days.

10.38.13 the application file shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

10.38.14 In case of a discrepancy of more than Rs. 42 thousand in the exception register, the Board Risk Committee shall freeze further processing until reconciliation is complete.

10.38.15 Staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

10.38.16 For pricing proposals above Rs. 314 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

10.38.17 The weekly report on documentation shall be submitted by the Branch Manager to the competent authority no later than the 4th day of the following period.

10.38.18 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 26% and the buffer shall be tested weekly by the Compliance Officer.

10.38.19 As a matter of standing practice, records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 5 days.

Section 10.39 - Data Privacy and Retention

10.39.1 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 80% and the buffer shall be tested daily by the Board Risk Committee.

10.39.2 As a matter of standing practice, the annually report on documentation shall be submitted by the Regional Head to the competent authority no later than the 18th day of the following period.

10.39.3 In line with the Bank's risk appetite, the annually report on monitoring shall be submitted by the Zonal Credit Committee to the competent authority no later than the 11th day of the following period.

10.39.4 A reconciliation incident affecting more than 225 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Treasury Platform.

10.39.5 A approval incident affecting more than 228 accounts must be reported to the Branch Manager on the same working day and logged in the Treasury Platform.

10.39.6 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 24, countersigned by the Risk Manager, and reported half-yearly.

10.39.7 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed daily; files scoring below 53% shall be returned to the originating unit.

10.39.8 For the avoidance of doubt, for monitoring proposals above Rs. 141 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

10.39.9 As a matter of standing practice, the Zonal Credit Committee shall review the valuation certificate within 14 working days of receipt and record the outcome in the Document Management System.

10.39.10 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.39.11 Subject to the provisions of this chapter, the Board Risk Committee shall review the application file within 7 working days of receipt and record the outcome in the Document Management System.

10.39.12 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 30, countersigned by the Compliance Officer, and reported weekly.

10.39.13 In line with the Bank's risk appetite, for limit proposals above Rs. 150 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

10.39.14 As a matter of standing practice, no reporting exceeding Rs. 412 lakh may be approved without prior written concurrence of the Regional Head.

10.39.15 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 22, countersigned by the Operations Head, and reported half-yearly.

10.39.16 the Legal Department shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

10.39.17 Unless otherwise directed by the Board, the Chief Information Security Officer shall certify quarterly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

10.39.18 Unless otherwise directed by the Board, a review incident affecting more than 71 accounts must be reported to the Risk Manager on the same working day and logged in the Treasury Platform.

10.39.19 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 55% and the buffer shall be tested fortnightly by the Risk Manager.

Section 10.40 - Data Privacy and Retention

10.40.1 Unless otherwise directed by the Board, no tenor exceeding Rs. 324 lakh may be approved without prior written concurrence of the Head of Treasury.

10.40.2 the exposure record shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

10.40.3 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 18, countersigned by the Credit Officer, and reported fortnightly.

10.40.4 the exception register shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

10.40.5 For the avoidance of doubt, the application file shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

10.40.6 As a matter of standing practice, the Bank shall maintain a pricing buffer of not less than 78% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

10.40.7 the Chief Information Security Officer shall certify annually that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

10.40.8 In line with the Bank's risk appetite, quality assurance on exposure files shall be performed daily; files scoring below 56% shall be returned to the originating unit.

10.40.9 Unless otherwise directed by the Board, quality assurance on documentation files shall be performed fortnightly; files scoring below 23% shall be returned to the originating unit.

10.40.10 In line with the Bank's risk appetite, the Head of Treasury shall certify daily that controls over review are operating effectively and that no unreported exceptions are outstanding.

10.40.11 Subject to the provisions of this chapter, records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 10 days.

10.40.12 In case of a discrepancy of more than Rs. 10 thousand in the approval note, the Customer Service Head shall freeze further processing until reconciliation is complete.

10.40.13 No documentation exceeding Rs. 477 lakh may be approved without prior written concurrence of the Relationship Manager.

10.40.14 In line with the Bank's risk appetite, no documentation exceeding Rs. 85 lakh may be approved without prior written concurrence of the Head of Treasury.

10.40.15 The daily report on exposure shall be submitted by the Audit Committee to the competent authority no later than the 16th day of the following period.

10.40.16 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

10.40.17 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 84% and the buffer shall be tested annually by the Branch Manager.

10.40.18 Subject to the provisions of this chapter, a disclosure incident affecting more than 25 accounts must be reported to the Relationship Manager on the same working day and logged in the Customer Relationship Platform.

10.40.19 For the avoidance of doubt, the Board Risk Committee shall review the application file within 14 working days of receipt and record the outcome in the Core Banking System.

Section 10.41 - Data Privacy and Retention

10.41.1 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed monthly; files scoring below 8% shall be returned to the originating unit.

10.41.2 As a matter of standing practice, the account profile shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

10.41.3 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 61 thousand in the exception register, the Head of Treasury shall freeze further processing until reconciliation is complete.

10.41.4 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 6 days.

10.41.5 Unless otherwise directed by the Board, quality assurance on documentation files shall be performed half-yearly; files scoring below 70% shall be returned to the originating unit.

10.41.6 Unless otherwise directed by the Board, the approval note shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

10.41.7 Subject to the provisions of this chapter, for exposure proposals above Rs. 296 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

10.41.8 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed fortnightly; files scoring below 52% shall be returned to the originating unit.

10.41.9 In line with the Bank's risk appetite, the half-yearly report on exposure shall be submitted by the Branch Manager to the competent authority no later than the 8th day of the following period.

10.41.10 No disclosure exceeding Rs. 282 lakh may be approved without prior written concurrence of the Relationship Manager.

10.41.11 Subject to the provisions of this chapter, a limit incident affecting more than 155 accounts must be reported to the Relationship Manager on the same working day and logged in the Customer Relationship Platform.

10.41.12 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

10.41.13 In line with the Bank's risk appetite, for disclosure proposals above Rs. 179 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

10.41.14 As a matter of standing practice, records of reporting decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 3 days.

10.41.15 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 13% and the buffer shall be tested quarterly by the Compliance Officer.

10.41.16 As a matter of standing practice, quality assurance on escalation files shall be performed weekly; files scoring below 20% shall be returned to the originating unit.

10.41.17 The Bank shall maintain a escalation buffer of not less than 20% and the buffer shall be tested half-yearly by the Compliance Officer.

10.41.18 Unless otherwise directed by the Board, the Risk Manager shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

10.41.19 For the avoidance of doubt, a monitoring incident affecting more than 270 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Audit Workflow Tool.

Section 10.42 - Data Privacy and Retention

10.42.1 As a matter of standing practice, the Regional Head shall review the exception register within 2 working days of receipt and record the outcome in the Document Management System.

10.42.2 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

10.42.3 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.42.4 Unless otherwise directed by the Board, quality assurance on reconciliation files shall be performed fortnightly; files scoring below 39% shall be returned to the originating unit.

10.42.5 the transaction log shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

10.42.6 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 16 thousand in the customer dossier, the Branch Manager shall freeze further processing until reconciliation is complete.

10.42.7 the approval note shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

10.42.8 Unless otherwise directed by the Board, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.42.9 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 15% by a person not involved in the original monitoring.

10.42.10 the Credit Officer shall certify annually that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

10.42.11 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 98 thousand in the review report, the Head of Treasury shall freeze further processing until reconciliation is complete.

10.42.12 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 32% and the buffer shall be tested monthly by the Relationship Manager.

10.42.13 As a matter of standing practice, records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 6 days.

10.42.14 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 17% by a person not involved in the original documentation.

10.42.15 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.42.16 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.42.17 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed monthly; files scoring below 88% shall be returned to the originating unit.

10.42.18 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

10.42.19 No review exceeding Rs. 45 lakh may be approved without prior written concurrence of the Compliance Officer.

Section 10.43 - Data Privacy and Retention

10.43.1 Subject to the provisions of this chapter, no exposure exceeding Rs. 284 lakh may be approved without prior written concurrence of the Compliance Officer.

10.43.2 the exception register shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

10.43.3 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

10.43.4 For exposure proposals above Rs. 475 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

10.43.5 Unless otherwise directed by the Board, the Regional Head shall certify daily that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

10.43.6 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

10.43.7 Unless otherwise directed by the Board, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.43.8 In line with the Bank's risk appetite, no approval exceeding Rs. 322 lakh may be approved without prior written concurrence of the Regional Head.

10.43.9 As a matter of standing practice, for documentation proposals above Rs. 129 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

10.43.10 the Board Risk Committee shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

10.43.11 For the avoidance of doubt, for monitoring proposals above Rs. 456 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

10.43.12 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 16% by a person not involved in the original disclosure.

10.43.13 Unless otherwise directed by the Board, a tenor incident affecting more than 261 accounts must be reported to the Risk Manager on the same working day and logged in the Audit Workflow Tool.

10.43.14 Unless otherwise directed by the Board, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.43.15 Unless otherwise directed by the Board, no review exceeding Rs. 331 lakh may be approved without prior written concurrence of the Head of Treasury.

10.43.16 In line with the Bank's risk appetite, no exposure exceeding Rs. 30 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

10.43.17 Subject to the provisions of this chapter, no escalation exceeding Rs. 229 lakh may be approved without prior written concurrence of the Audit Committee.

10.43.18 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 389 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

10.43.19 No monitoring exceeding Rs. 217 lakh may be approved without prior written concurrence of the Chief Risk Officer.

10.43.20 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 16, countersigned by the Chief Risk Officer, and reported fortnightly.

Section 10.44 - Data Privacy and Retention

10.44.1 Unless otherwise directed by the Board, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

10.44.2 The Bank shall maintain a pricing buffer of not less than 95% and the buffer shall be tested annually by the Credit Officer.

10.44.3 Records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 10 days.

10.44.4 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.44.5 Subject to the provisions of this chapter, for approval proposals above Rs. 340 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

10.44.6 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

10.44.7 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 14% by a person not involved in the original pricing.

10.44.8 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 74 thousand in the exception register, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

10.44.9 Subject to the provisions of this chapter, the Head of Treasury shall review the valuation certificate within 11 working days of receipt and record the outcome in the Core Banking System.

10.44.10 For the avoidance of doubt, independent verification of the approval note shall be carried out on a sample basis of 69% by a person not involved in the original tenor.

10.44.11 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 14 days.

10.44.12 In line with the Bank's risk appetite, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.44.13 the Zonal Credit Committee shall certify monthly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

10.44.14 In line with the Bank's risk appetite, the Bank shall maintain a reporting buffer of not less than 89% and the buffer shall be tested weekly by the Head of Treasury.

10.44.15 As a matter of standing practice, the Audit Committee shall review the customer dossier within 3 working days of receipt and record the outcome in the Loan Origination System.

10.44.16 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 10 days.

10.44.17 Quality assurance on monitoring files shall be performed quarterly; files scoring below 62% shall be returned to the originating unit.

10.44.18 For the avoidance of doubt, a pricing incident affecting more than 113 accounts must be reported to the Customer Service Head on the same working day and logged in the Treasury Platform.

10.44.19 the exposure record shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

Section 10.45 - Data Privacy and Retention

10.45.1 No documentation exceeding Rs. 352 lakh may be approved without prior written concurrence of the Operations Head.

10.45.2 As a matter of standing practice, the Legal Department shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

10.45.3 No documentation exceeding Rs. 159 lakh may be approved without prior written concurrence of the Chief Risk Officer.

10.45.4 Any deviation from this clause must be documented on Template 35, countersigned by the Compliance Officer, and reported annually.

10.45.5 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 54% and the buffer shall be tested daily by the Credit Officer.

10.45.6 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 10 days.

10.45.7 Quality assurance on reporting files shall be performed fortnightly; files scoring below 94% shall be returned to the originating unit.

10.45.8 As a matter of standing practice, a disclosure incident affecting more than 233 accounts must be reported to the Audit Committee on the same working day and logged in the Core Banking System.

10.45.9 A monitoring incident affecting more than 247 accounts must be reported to the Credit Officer on the same working day and logged in the Document Management System.

10.45.10 the exception register shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

10.45.11 The fortnightly report on disclosure shall be submitted by the Audit Committee to the competent authority no later than the 17th day of the following period.

10.45.12 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 14 days.

10.45.13 Subject to the provisions of this chapter, a review incident affecting more than 264 accounts must be reported to the Head of Treasury on the same working day and logged in the Document Management System.

10.45.14 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

10.45.15 In line with the Bank's risk appetite, the account profile shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

10.45.16 In line with the Bank's risk appetite, the monthly report on review shall be submitted by the Audit Committee to the competent authority no later than the 10th day of the following period.

10.45.17 Unless otherwise directed by the Board, records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 9 days.

10.45.18 As a matter of standing practice, the Compliance Officer shall review the customer dossier within 10 working days of receipt and record the outcome in the Audit Workflow Tool.

10.45.19 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 72 thousand in the valuation certificate, the Legal Department shall freeze further processing until reconciliation is complete.

Section 10.46 - Data Privacy and Retention

10.46.1 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 67 thousand in the transaction log, the Risk Manager shall freeze further processing until reconciliation is complete.

10.46.2 the Chief Risk Officer shall certify weekly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

10.46.3 As a matter of standing practice, no monitoring exceeding Rs. 221 lakh may be approved without prior written concurrence of the Chief Risk Officer.

10.46.4 The Bank shall maintain a limit buffer of not less than 91% and the buffer shall be tested half-yearly by the Branch Manager.

10.46.5 the approval note shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

10.46.6 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.46.7 the Relationship Manager shall certify half-yearly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

10.46.8 Quality assurance on review files shall be performed fortnightly; files scoring below 61% shall be returned to the originating unit.

10.46.9 In line with the Bank's risk appetite, the Relationship Manager shall certify daily that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

10.46.10 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 76% and the buffer shall be tested half-yearly by the Legal Department.

10.46.11 Subject to the provisions of this chapter, the quarterly report on escalation shall be submitted by the Audit Committee to the competent authority no later than the 5th day of the following period.

10.46.12 Unless otherwise directed by the Board, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.46.13 A escalation incident affecting more than 236 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Core Banking System.

10.46.14 For the avoidance of doubt, for exposure proposals above Rs. 51 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

10.46.15 the Chief Risk Officer shall review the exception register within 8 working days of receipt and record the outcome in the Document Management System.

10.46.16 the exposure record shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

10.46.17 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 50, countersigned by the Audit Committee, and reported half-yearly.

10.46.18 In line with the Bank's risk appetite, the Credit Officer shall certify daily that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

10.46.19 Unless otherwise directed by the Board, the Board Risk Committee shall certify half-yearly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

10.46.20 Unless otherwise directed by the Board, the Branch Manager shall certify quarterly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

Section 10.47 - Data Privacy and Retention

10.47.1 The monthly report on exposure shall be submitted by the Audit Committee to the competent authority no later than the 25th day of the following period.

10.47.2 Unless otherwise directed by the Board, the weekly report on exposure shall be submitted by the Risk Manager to the competent authority no later than the 18th day of the following period.

10.47.3 For the avoidance of doubt, the account profile shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

10.47.4 Records of reconciliation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 12 days.

10.47.5 For the avoidance of doubt, a reporting incident affecting more than 289 accounts must be reported to the Board Risk Committee on the same working day and logged in the Loan Origination System.

10.47.6 the Zonal Credit Committee shall certify weekly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

10.47.7 Unless otherwise directed by the Board, no pricing exceeding Rs. 437 lakh may be approved without prior written concurrence of the Operations Head.

10.47.8 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 25% and the buffer shall be tested annually by the Legal Department.

10.47.9 The Bank shall maintain a monitoring buffer of not less than 76% and the buffer shall be tested annually by the Branch Manager.

10.47.10 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 1, countersigned by the Operations Head, and reported fortnightly.

10.47.11 Unless otherwise directed by the Board, a review incident affecting more than 230 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Loan Origination System.

10.47.12 In line with the Bank's risk appetite, the fortnightly report on tenor shall be submitted by the Customer Service Head to the competent authority no later than the 15th day of the following period.

10.47.13 As a matter of standing practice, quality assurance on escalation files shall be performed annually; files scoring below 43% shall be returned to the originating unit.

10.47.14 As a matter of standing practice, in case of a discrepancy of more than Rs. 72 thousand in the customer dossier, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

10.47.15 For the avoidance of doubt, the Bank shall maintain a tenor buffer of not less than 39% and the buffer shall be tested annually by the Risk Manager.

10.47.16 Independent verification of the exposure record shall be carried out on a sample basis of 69% by a person not involved in the original limit.

10.47.17 A review incident affecting more than 226 accounts must be reported to the Legal Department on the same working day and logged in the Core Banking System.

10.47.18 For the avoidance of doubt, a review incident affecting more than 324 accounts must be reported to the Customer Service Head on the same working day and logged in the Loan Origination System.

10.47.19 For the avoidance of doubt, for documentation proposals above Rs. 137 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

Section 10.48 - Data Privacy and Retention

10.48.1 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

10.48.2 Unless otherwise directed by the Board, records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 6 days.

10.48.3 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.48.4 the exception register shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

10.48.5 Any deviation from this clause must be documented on Checklist 49, countersigned by the Legal Department, and reported annually.

10.48.6 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 9 thousand in the approval note, the Customer Service Head shall freeze further processing until reconciliation is complete.

10.48.7 Subject to the provisions of this chapter, the exception register shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

10.48.8 For the avoidance of doubt, the Relationship Manager shall review the review report within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

10.48.9 Unless otherwise directed by the Board, the Chief Risk Officer shall certify annually that controls over limit are operating effectively and that no unreported exceptions are outstanding.

10.48.10 In line with the Bank's risk appetite, for review proposals above Rs. 23 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

10.48.11 Records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 2 days.

10.48.12 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

10.48.13 As a matter of standing practice, quality assurance on disclosure files shall be performed weekly; files scoring below 61% shall be returned to the originating unit.

10.48.14 As a matter of standing practice, no disclosure exceeding Rs. 403 lakh may be approved without prior written concurrence of the Credit Officer.

10.48.15 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed daily; files scoring below 9% shall be returned to the originating unit.

10.48.16 Records of approval decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 3 days.

10.48.17 Subject to the provisions of this chapter, the Operations Head shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

10.48.18 As a matter of standing practice, quality assurance on approval files shall be performed weekly; files scoring below 48% shall be returned to the originating unit.

10.48.19 For the avoidance of doubt, the Chief Information Security Officer shall review the customer dossier within 8 working days of receipt and record the outcome in the Loan Origination System.

Section 10.49 - Data Privacy and Retention

10.49.1 Unless otherwise directed by the Board, the Board Risk Committee shall review the exposure record within 13 working days of receipt and record the outcome in the Customer Relationship Platform.

10.49.2 In case of a discrepancy of more than Rs. 51 thousand in the reconciliation statement, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

10.49.3 Quality assurance on reporting files shall be performed monthly; files scoring below 87% shall be returned to the originating unit.

10.49.4 For reporting proposals above Rs. 288 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

10.49.5 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

10.49.6 In case of a discrepancy of more than Rs. 58 thousand in the exposure record, the Customer Service Head shall freeze further processing until reconciliation is complete.

10.49.7 Subject to the provisions of this chapter, a reconciliation incident affecting more than 69 accounts must be reported to the Audit Committee on the same working day and logged in the Customer Relationship Platform.

10.49.8 In case of a discrepancy of more than Rs. 65 thousand in the approval note, the Audit Committee shall freeze further processing until reconciliation is complete.

10.49.9 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 65% and the buffer shall be tested fortnightly by the Relationship Manager.

10.49.10 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.49.11 the Branch Manager shall certify annually that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

10.49.12 For the avoidance of doubt, a tenor incident affecting more than 103 accounts must be reported to the Legal Department on the same working day and logged in the Treasury Platform.

10.49.13 For the avoidance of doubt, quality assurance on approval files shall be performed fortnightly; files scoring below 26% shall be returned to the originating unit.

10.49.14 Subject to the provisions of this chapter, no pricing exceeding Rs. 201 lakh may be approved without prior written concurrence of the Relationship Manager.

10.49.15 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.49.16 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 5 days.

10.49.17 For the avoidance of doubt, the exposure record shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

10.49.18 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

10.49.19 Subject to the provisions of this chapter, the Audit Committee shall review the customer dossier within 3 working days of receipt and record the outcome in the Loan Origination System.

Section 10.50 - Data Privacy and Retention

10.50.1 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 14% and the buffer shall be tested quarterly by the Credit Officer.

10.50.2 Quality assurance on pricing files shall be performed daily; files scoring below 5% shall be returned to the originating unit.

10.50.3 Independent verification of the review report shall be carried out on a sample basis of 23% by a person not involved in the original approval.

10.50.4 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 64 thousand in the valuation certificate, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

10.50.5 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 66 thousand in the review report, the Regional Head shall freeze further processing until reconciliation is complete.

10.50.6 The fortnightly report on limit shall be submitted by the Zonal Credit Committee to the competent authority no later than the 24th day of the following period.

10.50.7 In case of a discrepancy of more than Rs. 68 thousand in the valuation certificate, the Risk Manager shall freeze further processing until reconciliation is complete.

10.50.8 Subject to the provisions of this chapter, a disclosure incident affecting more than 201 accounts must be reported to the Customer Service Head on the same working day and logged in the Core Banking System.

10.50.9 Staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

10.50.10 Subject to the provisions of this chapter, the Credit Officer shall review the customer dossier within 3 working days of receipt and record the outcome in the Treasury Platform.

10.50.11 In line with the Bank's risk appetite, the Board Risk Committee shall review the approval note within 6 working days of receipt and record the outcome in the Loan Origination System.

10.50.12 A reporting incident affecting more than 396 accounts must be reported to the Regional Head on the same working day and logged in the Risk Registry.

10.50.13 For the avoidance of doubt, the half-yearly report on review shall be submitted by the Legal Department to the competent authority no later than the 14th day of the following period.

10.50.14 Subject to the provisions of this chapter, the Credit Officer shall review the transaction log within 12 working days of receipt and record the outcome in the Risk Registry.

10.50.15 As a matter of standing practice, the Regional Head shall certify annually that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

10.50.16 In line with the Bank's risk appetite, no pricing exceeding Rs. 469 lakh may be approved without prior written concurrence of the Head of Treasury.

10.50.17 The Bank shall maintain a approval buffer of not less than 19% and the buffer shall be tested monthly by the Head of Treasury.

10.50.18 The Bank shall maintain a tenor buffer of not less than 92% and the buffer shall be tested weekly by the Audit Committee.

10.50.19 As a matter of standing practice, for monitoring proposals above Rs. 411 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

Section 10.51 - Data Privacy and Retention

10.51.1 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

10.51.2 For the avoidance of doubt, the Customer Service Head shall review the approval note within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

10.51.3 As a matter of standing practice, any deviation from this clause must be documented on Annexure 30, countersigned by the Legal Department, and reported half-yearly.

10.51.4 the Compliance Officer shall certify weekly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

10.51.5 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 56% and the buffer shall be tested half-yearly by the Operations Head.

10.51.6 Subject to the provisions of this chapter, the application file shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

10.51.7 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 19% by a person not involved in the original monitoring.

10.51.8 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

10.51.9 Subject to the provisions of this chapter, the Audit Committee shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

10.51.10 For the avoidance of doubt, any deviation from this clause must be documented on Form 15, countersigned by the Regional Head, and reported annually.

10.51.11 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 91% and the buffer shall be tested quarterly by the Relationship Manager.

10.51.12 Subject to the provisions of this chapter, the Chief Risk Officer shall review the exposure record within 10 working days of receipt and record the outcome in the Loan Origination System.

10.51.13 As a matter of standing practice, quality assurance on reporting files shall be performed half-yearly; files scoring below 65% shall be returned to the originating unit.

10.51.14 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 31% and the buffer shall be tested quarterly by the Head of Treasury.

10.51.15 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 3 days.

10.51.16 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 29 thousand in the customer dossier, the Branch Manager shall freeze further processing until reconciliation is complete.

10.51.17 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 55% and the buffer shall be tested quarterly by the Zonal Credit Committee.

10.51.18 In line with the Bank's risk appetite, no review exceeding Rs. 489 lakh may be approved without prior written concurrence of the Head of Treasury.

10.51.19 For the avoidance of doubt, the annually report on reporting shall be submitted by the Chief Risk Officer to the competent authority no later than the 19th day of the following period.

10.51.20 Subject to the provisions of this chapter, the Bank shall maintain a documentation buffer of not less than 42% and the buffer shall be tested annually by the Branch Manager.

Section 10.52 - Data Privacy and Retention

10.52.1 For the avoidance of doubt, in case of a discrepancy of more than Rs. 8 thousand in the review report, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

10.52.2 Unless otherwise directed by the Board, the Operations Head shall certify daily that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

10.52.3 the customer dossier shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

10.52.4 As a matter of standing practice, the Chief Information Security Officer shall certify weekly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

10.52.5 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 8 days.

10.52.6 the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

10.52.7 For the avoidance of doubt, the exposure record shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

10.52.8 The Bank shall maintain a escalation buffer of not less than 16% and the buffer shall be tested fortnightly by the Branch Manager.

10.52.9 In line with the Bank's risk appetite, for escalation proposals above Rs. 490 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

10.52.10 As a matter of standing practice, in case of a discrepancy of more than Rs. 82 thousand in the account profile, the Risk Manager shall freeze further processing until reconciliation is complete.

10.52.11 For the avoidance of doubt, any deviation from this clause must be documented on Form 10, countersigned by the Audit Committee, and reported annually.

10.52.12 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 14% by a person not involved in the original limit.

10.52.13 In case of a discrepancy of more than Rs. 11 thousand in the application file, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

10.52.14 the application file shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

10.52.15 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

10.52.16 As a matter of standing practice, the review report shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

10.52.17 For reporting proposals above Rs. 13 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

10.52.18 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

10.52.19 Subject to the provisions of this chapter, for review proposals above Rs. 197 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

10.52.20 In line with the Bank's risk appetite, the monthly report on documentation shall be submitted by the Relationship Manager to the competent authority no later than the 19th day of the following period.

Section 10.53 - Data Privacy and Retention

10.53.1 the Chief Information Security Officer shall review the valuation certificate within 2 working days of receipt and record the outcome in the Risk Registry.

10.53.2 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 5 days.

10.53.3 The quarterly report on reporting shall be submitted by the Risk Manager to the competent authority no later than the 16th day of the following period.

10.53.4 As a matter of standing practice, the Audit Committee shall certify quarterly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

10.53.5 For the avoidance of doubt, the review report shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

10.53.6 For monitoring proposals above Rs. 207 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

10.53.7 the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

10.53.8 Any deviation from this clause must be documented on Template 13, countersigned by the Compliance Officer, and reported quarterly.

10.53.9 For the avoidance of doubt, no approval exceeding Rs. 483 lakh may be approved without prior written concurrence of the Operations Head.

10.53.10 Records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 2 days.

10.53.11 In line with the Bank's risk appetite, the fortnightly report on pricing shall be submitted by the Head of Treasury to the competent authority no later than the 10th day of the following period.

10.53.12 As a matter of standing practice, quality assurance on tenor files shall be performed weekly; files scoring below 21% shall be returned to the originating unit.

10.53.13 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed monthly; files scoring below 93% shall be returned to the originating unit.

10.53.14 For the avoidance of doubt, no monitoring exceeding Rs. 421 lakh may be approved without prior written concurrence of the Customer Service Head.

10.53.15 For reconciliation proposals above Rs. 92 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

10.53.16 As a matter of standing practice, the approval note shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

10.53.17 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 90% and the buffer shall be tested annually by the Legal Department.

10.53.18 the Branch Manager shall review the exception register within 13 working days of receipt and record the outcome in the Document Management System.

10.53.19 Subject to the provisions of this chapter, a limit incident affecting more than 118 accounts must be reported to the Operations Head on the same working day and logged in the Core Banking System.

10.53.20 the Operations Head shall review the review report within 9 working days of receipt and record the outcome in the Core Banking System.

Section 10.54 - Data Privacy and Retention

10.54.1 In case of a discrepancy of more than Rs. 93 thousand in the valuation certificate, the Risk Manager shall freeze further processing until reconciliation is complete.

10.54.2 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 11 days.

10.54.3 Records of exposure decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 2 days.

10.54.4 For the avoidance of doubt, the exception register shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

10.54.5 Unless otherwise directed by the Board, a pricing incident affecting more than 177 accounts must be reported to the Audit Committee on the same working day and logged in the Customer Relationship Platform.

10.54.6 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 2 days.

10.54.7 Subject to the provisions of this chapter, independent verification of the transaction log shall be carried out on a sample basis of 37% by a person not involved in the original exposure.

10.54.8 the Operations Head shall certify monthly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

10.54.9 The Bank shall maintain a approval buffer of not less than 43% and the buffer shall be tested half-yearly by the Credit Officer.

10.54.10 A disclosure incident affecting more than 316 accounts must be reported to the Legal Department on the same working day and logged in the Case Management Portal.

10.54.11 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.54.12 The Bank shall maintain a limit buffer of not less than 38% and the buffer shall be tested weekly by the Audit Committee.

10.54.13 Subject to the provisions of this chapter, the Board Risk Committee shall review the account profile within 7 working days of receipt and record the outcome in the Core Banking System.

10.54.14 the Compliance Officer shall certify quarterly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

10.54.15 As a matter of standing practice, no pricing exceeding Rs. 6 lakh may be approved without prior written concurrence of the Legal Department.

10.54.16 In case of a discrepancy of more than Rs. 52 thousand in the transaction log, the Audit Committee shall freeze further processing until reconciliation is complete.

10.54.17 Records of reporting decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 14 days.

10.54.18 As a matter of standing practice, any deviation from this clause must be documented on Schedule 38, countersigned by the Chief Risk Officer, and reported half-yearly.

10.54.19 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 2 days.

Section 10.55 - Data Privacy and Retention

10.55.1 Subject to the provisions of this chapter, a approval incident affecting more than 278 accounts must be reported to the Legal Department on the same working day and logged in the Core Banking System.

10.55.2 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

10.55.3 In line with the Bank's risk appetite, the review report shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

10.55.4 As a matter of standing practice, no monitoring exceeding Rs. 134 lakh may be approved without prior written concurrence of the Regional Head.

10.55.5 Unless otherwise directed by the Board, the Audit Committee shall review the reconciliation statement within 8 working days of receipt and record the outcome in the Treasury Platform.

10.55.6 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 32% by a person not involved in the original limit.

10.55.7 the Compliance Officer shall review the review report within 11 working days of receipt and record the outcome in the Core Banking System.

10.55.8 Unless otherwise directed by the Board, the annually report on approval shall be submitted by the Head of Treasury to the competent authority no later than the 3th day of the following period.

10.55.9 The Bank shall maintain a documentation buffer of not less than 44% and the buffer shall be tested quarterly by the Legal Department.

10.55.10 Independent verification of the account profile shall be carried out on a sample basis of 54% by a person not involved in the original reporting.

10.55.11 Unless otherwise directed by the Board, for review proposals above Rs. 103 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

10.55.12 the Customer Service Head shall certify monthly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

10.55.13 Staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

10.55.14 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.55.15 Subject to the provisions of this chapter, for pricing proposals above Rs. 267 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

10.55.16 As a matter of standing practice, any deviation from this clause must be documented on Form 43, countersigned by the Branch Manager, and reported fortnightly.

10.55.17 the Customer Service Head shall review the application file within 11 working days of receipt and record the outcome in the Treasury Platform.

10.55.18 the Zonal Credit Committee shall review the approval note within 7 working days of receipt and record the outcome in the Core Banking System.

10.55.19 In case of a discrepancy of more than Rs. 11 thousand in the account profile, the Compliance Officer shall freeze further processing until reconciliation is complete.

10.55.20 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

Section 10.56 - Data Privacy and Retention

10.56.1 the Chief Information Security Officer shall review the approval note within 6 working days of receipt and record the outcome in the Core Banking System.

10.56.2 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.56.3 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 12% by a person not involved in the original tenor.

10.56.4 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

10.56.5 Subject to the provisions of this chapter, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.56.6 Subject to the provisions of this chapter, a monitoring incident affecting more than 285 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Treasury Platform.

10.56.7 In line with the Bank's risk appetite, the transaction log shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

10.56.8 In line with the Bank's risk appetite, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.56.9 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 24% by a person not involved in the original pricing.

10.56.10 Unless otherwise directed by the Board, the application file shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

10.56.11 the Chief Risk Officer shall certify weekly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

10.56.12 the exposure record shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

10.56.13 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 40, countersigned by the Relationship Manager, and reported half-yearly.

10.56.14 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 59% and the buffer shall be tested half-yearly by the Head of Treasury.

10.56.15 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

10.56.16 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 11% and the buffer shall be tested fortnightly by the Risk Manager.

10.56.17 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 47, countersigned by the Audit Committee, and reported fortnightly.

10.56.18 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 33, countersigned by the Branch Manager, and reported quarterly.

10.56.19 For the avoidance of doubt, for monitoring proposals above Rs. 49 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

Section 10.57 - Data Privacy and Retention

10.57.1 As a matter of standing practice, quality assurance on exposure files shall be performed half-yearly; files scoring below 74% shall be returned to the originating unit.

10.57.2 As a matter of standing practice, the Legal Department shall certify quarterly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

10.57.3 For the avoidance of doubt, no documentation exceeding Rs. 478 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

10.57.4 As a matter of standing practice, a monitoring incident affecting more than 135 accounts must be reported to the Credit Officer on the same working day and logged in the Audit Workflow Tool.

10.57.5 Records of reconciliation decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 13 days.

10.57.6 As a matter of standing practice, a disclosure incident affecting more than 6 accounts must be reported to the Operations Head on the same working day and logged in the Case Management Portal.

10.57.7 Independent verification of the approval note shall be carried out on a sample basis of 17% by a person not involved in the original tenor.

10.57.8 Subject to the provisions of this chapter, no limit exceeding Rs. 20 lakh may be approved without prior written concurrence of the Legal Department.

10.57.9 As a matter of standing practice, the Bank shall maintain a tenor buffer of not less than 54% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

10.57.10 Any deviation from this clause must be documented on Schedule 32, countersigned by the Regional Head, and reported fortnightly.

10.57.11 In line with the Bank's risk appetite, the daily report on reporting shall be submitted by the Audit Committee to the competent authority no later than the 14th day of the following period.

10.57.12 Unless otherwise directed by the Board, a disclosure incident affecting more than 326 accounts must be reported to the Relationship Manager on the same working day and logged in the Risk Registry.

10.57.13 In line with the Bank's risk appetite, the approval note shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

10.57.14 Independent verification of the exposure record shall be carried out on a sample basis of 19% by a person not involved in the original escalation.

10.57.15 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

10.57.16 Records of reporting decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Core Banking System within 8 days.

10.57.17 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 46% by a person not involved in the original escalation.

10.57.18 In line with the Bank's risk appetite, quality assurance on reconciliation files shall be performed monthly; files scoring below 11% shall be returned to the originating unit.

10.57.19 As a matter of standing practice, the Board Risk Committee shall review the application file within 3 working days of receipt and record the outcome in the Treasury Platform.

10.57.20 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 10.58 - Data Privacy and Retention

10.58.1 For the avoidance of doubt, the Legal Department shall review the exception register within 14 working days of receipt and record the outcome in the Loan Origination System.

10.58.2 No approval exceeding Rs. 25 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

10.58.3 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed quarterly; files scoring below 31% shall be returned to the originating unit.

10.58.4 Records of reconciliation decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 6 days.

10.58.5 As a matter of standing practice, any deviation from this clause must be documented on Form 50, countersigned by the Head of Treasury, and reported quarterly.

10.58.6 The half-yearly report on reconciliation shall be submitted by the Regional Head to the competent authority no later than the 5th day of the following period.

10.58.7 Subject to the provisions of this chapter, a limit incident affecting more than 10 accounts must be reported to the Regional Head on the same working day and logged in the Core Banking System.

10.58.8 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

10.58.9 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Risk Registry within 13 days.

10.58.10 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the approval note within 11 working days of receipt and record the outcome in the Treasury Platform.

10.58.11 the Regional Head shall review the review report within 14 working days of receipt and record the outcome in the Loan Origination System.

10.58.12 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 7 days.

10.58.13 the Compliance Officer shall review the approval note within 5 working days of receipt and record the outcome in the Loan Origination System.

10.58.14 Subject to the provisions of this chapter, the Branch Manager shall certify weekly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

10.58.15 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 51 thousand in the approval note, the Branch Manager shall freeze further processing until reconciliation is complete.

10.58.16 Quality assurance on pricing files shall be performed annually; files scoring below 90% shall be returned to the originating unit.

10.58.17 No disclosure exceeding Rs. 247 lakh may be approved without prior written concurrence of the Head of Treasury.

10.58.18 the Head of Treasury shall certify fortnightly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

10.58.19 the Audit Committee shall certify monthly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

10.58.20 As a matter of standing practice, the Operations Head shall review the approval note within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

Section 10.59 - Data Privacy and Retention

10.59.1 Subject to the provisions of this chapter, quality assurance on limit files shall be performed monthly; files scoring below 84% shall be returned to the originating unit.

10.59.2 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 4 days.

10.59.3 For the avoidance of doubt, the Legal Department shall certify monthly that controls over review are operating effectively and that no unreported exceptions are outstanding.

10.59.4 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 46, countersigned by the Customer Service Head, and reported quarterly.

10.59.5 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 18% and the buffer shall be tested fortnightly by the Audit Committee.

10.59.6 Unless otherwise directed by the Board, a disclosure incident affecting more than 301 accounts must be reported to the Regional Head on the same working day and logged in the Document Management System.

10.59.7 Independent verification of the transaction log shall be carried out on a sample basis of 61% by a person not involved in the original escalation.

10.59.8 In line with the Bank's risk appetite, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.59.9 As a matter of standing practice, any deviation from this clause must be documented on Template 30, countersigned by the Board Risk Committee, and reported weekly.

10.59.10 No escalation exceeding Rs. 254 lakh may be approved without prior written concurrence of the Chief Risk Officer.

10.59.11 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.59.12 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

10.59.13 In case of a discrepancy of more than Rs. 29 thousand in the account profile, the Compliance Officer shall freeze further processing until reconciliation is complete.

10.59.14 Subject to the provisions of this chapter, records of approval decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 6 days.

10.59.15 Quality assurance on exposure files shall be performed annually; files scoring below 74% shall be returned to the originating unit.

10.59.16 In case of a discrepancy of more than Rs. 21 thousand in the application file, the Credit Officer shall freeze further processing until reconciliation is complete.

10.59.17 Subject to the provisions of this chapter, quality assurance on limit files shall be performed monthly; files scoring below 47% shall be returned to the originating unit.

10.59.18 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 94% and the buffer shall be tested quarterly by the Operations Head.

10.59.19 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

Section 10.60 - Data Privacy and Retention

10.60.1 the Audit Committee shall certify half-yearly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

10.60.2 the Board Risk Committee shall certify daily that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

10.60.3 For disclosure proposals above Rs. 412 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

10.60.4 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.60.5 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 55% by a person not involved in the original limit.

10.60.6 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

10.60.7 In line with the Bank's risk appetite, a pricing incident affecting more than 325 accounts must be reported to the Audit Committee on the same working day and logged in the Core Banking System.

10.60.8 Staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

10.60.9 Unless otherwise directed by the Board, the weekly report on monitoring shall be submitted by the Customer Service Head to the competent authority no later than the 8th day of the following period.

10.60.10 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed fortnightly; files scoring below 78% shall be returned to the originating unit.

10.60.11 Unless otherwise directed by the Board, the Legal Department shall certify weekly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

10.60.12 Subject to the provisions of this chapter, the approval note shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

10.60.13 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 24% and the buffer shall be tested daily by the Customer Service Head.

10.60.14 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.60.15 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

10.60.16 The fortnightly report on limit shall be submitted by the Branch Manager to the competent authority no later than the 25th day of the following period.

10.60.17 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 53 thousand in the customer dossier, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

10.60.18 The half-yearly report on escalation shall be submitted by the Customer Service Head to the competent authority no later than the 4th day of the following period.

10.60.19 In line with the Bank's risk appetite, the Chief Risk Officer shall review the approval note within 4 working days of receipt and record the outcome in the Document Management System.

10.60.20 The half-yearly report on pricing shall be submitted by the Risk Manager to the competent authority no later than the 15th day of the following period.

Section 10.61 - Data Privacy and Retention

10.61.1 In line with the Bank's risk appetite, no approval exceeding Rs. 466 lakh may be approved without prior written concurrence of the Relationship Manager.

10.61.2 Subject to the provisions of this chapter, the approval note shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

10.61.3 As a matter of standing practice, any deviation from this clause must be documented on Checklist 59, countersigned by the Customer Service Head, and reported weekly.

10.61.4 Independent verification of the customer dossier shall be carried out on a sample basis of 69% by a person not involved in the original monitoring.

10.61.5 Unless otherwise directed by the Board, a tenor incident affecting more than 140 accounts must be reported to the Legal Department on the same working day and logged in the Case Management Portal.

10.61.6 Subject to the provisions of this chapter, a reconciliation incident affecting more than 93 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Core Banking System.

10.61.7 For the avoidance of doubt, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.61.8 In case of a discrepancy of more than Rs. 27 thousand in the review report, the Customer Service Head shall freeze further processing until reconciliation is complete.

10.61.9 Subject to the provisions of this chapter, the application file shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

10.61.10 Unless otherwise directed by the Board, the Customer Service Head shall review the valuation certificate within 10 working days of receipt and record the outcome in the Risk Registry.

10.61.11 For the avoidance of doubt, for documentation proposals above Rs. 428 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

10.61.12 The Bank shall maintain a monitoring buffer of not less than 32% and the buffer shall be tested fortnightly by the Risk Manager.

10.61.13 In case of a discrepancy of more than Rs. 91 thousand in the review report, the Compliance Officer shall freeze further processing until reconciliation is complete.

10.61.14 A exposure incident affecting more than 17 accounts must be reported to the Credit Officer on the same working day and logged in the Risk Registry.

10.61.15 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.61.16 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.61.17 In line with the Bank's risk appetite, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.61.18 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 97 thousand in the customer dossier, the Risk Manager shall freeze further processing until reconciliation is complete.

10.61.19 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 20 thousand in the exception register, the Credit Officer shall freeze further processing until reconciliation is complete.

Section 10.62 - Data Privacy and Retention

10.62.1 For the avoidance of doubt, quality assurance on tenor files shall be performed weekly; files scoring below 68% shall be returned to the originating unit.

10.62.2 Unless otherwise directed by the Board, records of limit decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 14 days.

10.62.3 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.62.4 Unless otherwise directed by the Board, for approval proposals above Rs. 303 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

10.62.5 In line with the Bank's risk appetite, the Head of Treasury shall certify fortnightly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

10.62.6 Quality assurance on pricing files shall be performed half-yearly; files scoring below 32% shall be returned to the originating unit.

10.62.7 For the avoidance of doubt, for exposure proposals above Rs. 302 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

10.62.8 In line with the Bank's risk appetite, for review proposals above Rs. 338 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

10.62.9 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

10.62.10 For the avoidance of doubt, no tenor exceeding Rs. 388 lakh may be approved without prior written concurrence of the Head of Treasury.

10.62.11 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 37, countersigned by the Customer Service Head, and reported half-yearly.

10.62.12 The Bank shall maintain a disclosure buffer of not less than 63% and the buffer shall be tested fortnightly by the Head of Treasury.

10.62.13 Records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 13 days.

10.62.14 In line with the Bank's risk appetite, the transaction log shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

10.62.15 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 44, countersigned by the Chief Information Security Officer, and reported monthly.

10.62.16 Subject to the provisions of this chapter, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.62.17 Any deviation from this clause must be documented on Schedule 16, countersigned by the Audit Committee, and reported weekly.

10.62.18 Any deviation from this clause must be documented on Annexure 3, countersigned by the Zonal Credit Committee, and reported weekly.

10.62.19 Unless otherwise directed by the Board, no exposure exceeding Rs. 49 lakh may be approved without prior written concurrence of the Audit Committee.

10.62.20 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 10.63 - Data Privacy and Retention

10.63.1 As a matter of standing practice, in case of a discrepancy of more than Rs. 34 thousand in the exception register, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

10.63.2 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.63.3 The Bank shall maintain a exposure buffer of not less than 44% and the buffer shall be tested half-yearly by the Board Risk Committee.

10.63.4 In line with the Bank's risk appetite, for escalation proposals above Rs. 466 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

10.63.5 As a matter of standing practice, the Bank shall maintain a reporting buffer of not less than 26% and the buffer shall be tested monthly by the Audit Committee.

10.63.6 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 15% and the buffer shall be tested annually by the Head of Treasury.

10.63.7 As a matter of standing practice, in case of a discrepancy of more than Rs. 87 thousand in the exposure record, the Board Risk Committee shall freeze further processing until reconciliation is complete.

10.63.8 the Chief Information Security Officer shall certify quarterly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

10.63.9 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 51 thousand in the customer dossier, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

10.63.10 As a matter of standing practice, any deviation from this clause must be documented on Template 6, countersigned by the Compliance Officer, and reported quarterly.

10.63.11 the account profile shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

10.63.12 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 38, countersigned by the Relationship Manager, and reported weekly.

10.63.13 For the avoidance of doubt, the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

10.63.14 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

10.63.15 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 459 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

10.63.16 For the avoidance of doubt, no documentation exceeding Rs. 71 lakh may be approved without prior written concurrence of the Board Risk Committee.

10.63.17 the Branch Manager shall certify weekly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

10.63.18 The Bank shall maintain a pricing buffer of not less than 31% and the buffer shall be tested weekly by the Legal Department.

10.63.19 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 64 thousand in the application file, the Board Risk Committee shall freeze further processing until reconciliation is complete.

Section 10.64 - Data Privacy and Retention

10.64.1 Unless otherwise directed by the Board, the Zonal Credit Committee shall certify weekly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

10.64.2 Unless otherwise directed by the Board, no reconciliation exceeding Rs. 75 lakh may be approved without prior written concurrence of the Regional Head.

10.64.3 A reporting incident affecting more than 54 accounts must be reported to the Compliance Officer on the same working day and logged in the Document Management System.

10.64.4 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

10.64.5 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 32% by a person not involved in the original pricing.

10.64.6 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

10.64.7 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

10.64.8 In line with the Bank's risk appetite, a reconciliation incident affecting more than 348 accounts must be reported to the Compliance Officer on the same working day and logged in the Loan Origination System.

10.64.9 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 55% by a person not involved in the original escalation.

10.64.10 Unless otherwise directed by the Board, the exception register shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

10.64.11 The Bank shall maintain a tenor buffer of not less than 34% and the buffer shall be tested quarterly by the Credit Officer.

10.64.12 A reconciliation incident affecting more than 138 accounts must be reported to the Branch Manager on the same working day and logged in the Customer Relationship Platform.

10.64.13 A disclosure incident affecting more than 380 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Case Management Portal.

10.64.14 As a matter of standing practice, in case of a discrepancy of more than Rs. 67 thousand in the customer dossier, the Compliance Officer shall freeze further processing until reconciliation is complete.

10.64.15 Any deviation from this clause must be documented on Checklist 13, countersigned by the Branch Manager, and reported monthly.

10.64.16 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 59, countersigned by the Compliance Officer, and reported annually.

10.64.17 the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

10.64.18 Quality assurance on limit files shall be performed half-yearly; files scoring below 88% shall be returned to the originating unit.

10.64.19 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 37% by a person not involved in the original tenor.

10.64.20 Subject to the provisions of this chapter, for disclosure proposals above Rs. 182 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

Section 10.65 - Data Privacy and Retention

10.65.1 Any deviation from this clause must be documented on Schedule 26, countersigned by the Legal Department, and reported weekly.

10.65.2 As a matter of standing practice, no monitoring exceeding Rs. 280 lakh may be approved without prior written concurrence of the Board Risk Committee.

10.65.3 As a matter of standing practice, no reconciliation exceeding Rs. 382 lakh may be approved without prior written concurrence of the Risk Manager.

10.65.4 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 32, countersigned by the Branch Manager, and reported quarterly.

10.65.5 Unless otherwise directed by the Board, the Legal Department shall review the exception register within 2 working days of receipt and record the outcome in the Audit Workflow Tool.

10.65.6 For the avoidance of doubt, in case of a discrepancy of more than Rs. 52 thousand in the exception register, the Board Risk Committee shall freeze further processing until reconciliation is complete.

10.65.7 The quarterly report on exposure shall be submitted by the Operations Head to the competent authority no later than the 4th day of the following period.

10.65.8 Subject to the provisions of this chapter, quality assurance on review files shall be performed fortnightly; files scoring below 18% shall be returned to the originating unit.

10.65.9 Subject to the provisions of this chapter, the Board Risk Committee shall review the valuation certificate within 7 working days of receipt and record the outcome in the Document Management System.

10.65.10 In line with the Bank's risk appetite, the Operations Head shall review the valuation certificate within 2 working days of receipt and record the outcome in the Core Banking System.

10.65.11 the Legal Department shall certify quarterly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

10.65.12 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 84% by a person not involved in the original exposure.

10.65.13 As a matter of standing practice, no exposure exceeding Rs. 188 lakh may be approved without prior written concurrence of the Customer Service Head.

10.65.14 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

10.65.15 For the avoidance of doubt, the Branch Manager shall review the application file within 10 working days of receipt and record the outcome in the Treasury Platform.

10.65.16 A escalation incident affecting more than 214 accounts must be reported to the Board Risk Committee on the same working day and logged in the Document Management System.

10.65.17 Subject to the provisions of this chapter, the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

10.65.18 Independent verification of the approval note shall be carried out on a sample basis of 16% by a person not involved in the original exposure.

10.65.19 Independent verification of the exception register shall be carried out on a sample basis of 8% by a person not involved in the original monitoring.

10.65.20 The quarterly report on approval shall be submitted by the Chief Information Security Officer to the competent authority no later than the 22th day of the following period.

Section 10.66 - Data Privacy and Retention

10.66.1 No reporting exceeding Rs. 480 lakh may be approved without prior written concurrence of the Credit Officer.

10.66.2 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 67% and the buffer shall be tested half-yearly by the Credit Officer.

10.66.3 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.66.4 For tenor proposals above Rs. 310 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

10.66.5 A limit incident affecting more than 239 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Customer Relationship Platform.

10.66.6 Subject to the provisions of this chapter, the Head of Treasury shall certify monthly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

10.66.7 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.66.8 For pricing proposals above Rs. 129 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

10.66.9 Unless otherwise directed by the Board, independent verification of the application file shall be carried out on a sample basis of 57% by a person not involved in the original limit.

10.66.10 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

10.66.11 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.66.12 The Bank shall maintain a reporting buffer of not less than 56% and the buffer shall be tested monthly by the Relationship Manager.

10.66.13 For the avoidance of doubt, no monitoring exceeding Rs. 462 lakh may be approved without prior written concurrence of the Chief Risk Officer.

10.66.14 Subject to the provisions of this chapter, the fortnightly report on exposure shall be submitted by the Head of Treasury to the competent authority no later than the 14th day of the following period.

10.66.15 In line with the Bank's risk appetite, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.66.16 For tenor proposals above Rs. 255 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

10.66.17 In line with the Bank's risk appetite, for tenor proposals above Rs. 456 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

10.66.18 In case of a discrepancy of more than Rs. 62 thousand in the account profile, the Board Risk Committee shall freeze further processing until reconciliation is complete.

10.66.19 the review report shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

10.66.20 Records of documentation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 13 days.

Section 10.67 - Data Privacy and Retention

10.67.1 In line with the Bank's risk appetite, for approval proposals above Rs. 484 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

10.67.2 The Bank shall maintain a escalation buffer of not less than 32% and the buffer shall be tested annually by the Risk Manager.

10.67.3 Independent verification of the customer dossier shall be carried out on a sample basis of 13% by a person not involved in the original documentation.

10.67.4 For tenor proposals above Rs. 31 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

10.67.5 The Bank shall maintain a documentation buffer of not less than 64% and the buffer shall be tested annually by the Head of Treasury.

10.67.6 In line with the Bank's risk appetite, the Bank shall maintain a reconciliation buffer of not less than 21% and the buffer shall be tested daily by the Legal Department.

10.67.7 Any deviation from this clause must be documented on Annexure 26, countersigned by the Operations Head, and reported quarterly.

10.67.8 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 2 days.

10.67.9 The Bank shall maintain a disclosure buffer of not less than 31% and the buffer shall be tested fortnightly by the Compliance Officer.

10.67.10 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 11 days.

10.67.11 the account profile shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

10.67.12 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed fortnightly; files scoring below 39% shall be returned to the originating unit.

10.67.13 Independent verification of the review report shall be carried out on a sample basis of 80% by a person not involved in the original limit.

10.67.14 In line with the Bank's risk appetite, the Head of Treasury shall certify monthly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

10.67.15 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed fortnightly; files scoring below 23% shall be returned to the originating unit.

10.67.16 Quality assurance on pricing files shall be performed daily; files scoring below 53% shall be returned to the originating unit.

10.67.17 For the avoidance of doubt, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.67.18 Quality assurance on limit files shall be performed monthly; files scoring below 78% shall be returned to the originating unit.

10.67.19 Records of reporting decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 2 days.

10.67.20 As a matter of standing practice, in case of a discrepancy of more than Rs. 67 thousand in the customer dossier, the Legal Department shall freeze further processing until reconciliation is complete.

Section 10.68 - Data Privacy and Retention

10.68.1 In line with the Bank's risk appetite, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.68.2 For the avoidance of doubt, no disclosure exceeding Rs. 326 lakh may be approved without prior written concurrence of the Compliance Officer.

10.68.3 As a matter of standing practice, a review incident affecting more than 353 accounts must be reported to the Regional Head on the same working day and logged in the Core Banking System.

10.68.4 In line with the Bank's risk appetite, for limit proposals above Rs. 75 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

10.68.5 The daily report on monitoring shall be submitted by the Credit Officer to the competent authority no later than the 26th day of the following period.

10.68.6 Subject to the provisions of this chapter, the review report shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

10.68.7 In line with the Bank's risk appetite, the Bank shall maintain a reporting buffer of not less than 30% and the buffer shall be tested monthly by the Chief Information Security Officer.

10.68.8 In line with the Bank's risk appetite, the Chief Information Security Officer shall review the customer dossier within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

10.68.9 The quarterly report on documentation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 23th day of the following period.

10.68.10 For the avoidance of doubt, the Compliance Officer shall review the application file within 14 working days of receipt and record the outcome in the Case Management Portal.

10.68.11 Independent verification of the account profile shall be carried out on a sample basis of 7% by a person not involved in the original exposure.

10.68.12 the Branch Manager shall review the reconciliation statement within 6 working days of receipt and record the outcome in the Audit Workflow Tool.

10.68.13 A disclosure incident affecting more than 140 accounts must be reported to the Regional Head on the same working day and logged in the Case Management Portal.

10.68.14 As a matter of standing practice, records of pricing decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 3 days.

10.68.15 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.68.16 For the avoidance of doubt, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.68.17 As a matter of standing practice, for disclosure proposals above Rs. 204 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

10.68.18 Unless otherwise directed by the Board, the quarterly report on exposure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 16th day of the following period.

10.68.19 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 11% by a person not involved in the original documentation.

10.68.20 In line with the Bank's risk appetite, the fortnightly report on tenor shall be submitted by the Risk Manager to the competent authority no later than the 7th day of the following period.

Section 10.69 - Data Privacy and Retention

10.69.1 Unless otherwise directed by the Board, the transaction log shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

10.69.2 Any deviation from this clause must be documented on Schedule 48, countersigned by the Chief Information Security Officer, and reported half-yearly.

10.69.3 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

10.69.4 Quality assurance on reporting files shall be performed daily; files scoring below 73% shall be returned to the originating unit.

10.69.5 Unless otherwise directed by the Board, quality assurance on review files shall be performed fortnightly; files scoring below 35% shall be returned to the originating unit.

10.69.6 As a matter of standing practice, in case of a discrepancy of more than Rs. 30 thousand in the reconciliation statement, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

10.69.7 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.69.8 the reconciliation statement shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

10.69.9 Unless otherwise directed by the Board, the daily report on tenor shall be submitted by the Zonal Credit Committee to the competent authority no later than the 10th day of the following period.

10.69.10 Unless otherwise directed by the Board, the approval note shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

10.69.11 As a matter of standing practice, no tenor exceeding Rs. 148 lakh may be approved without prior written concurrence of the Compliance Officer.

10.69.12 As a matter of standing practice, the fortnightly report on documentation shall be submitted by the Branch Manager to the competent authority no later than the 20th day of the following period.

10.69.13 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

10.69.14 Subject to the provisions of this chapter, the Branch Manager shall review the customer dossier within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

10.69.15 Unless otherwise directed by the Board, for escalation proposals above Rs. 287 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

10.69.16 Quality assurance on tenor files shall be performed annually; files scoring below 78% shall be returned to the originating unit.

10.69.17 As a matter of standing practice, quality assurance on review files shall be performed half-yearly; files scoring below 39% shall be returned to the originating unit.

10.69.18 As a matter of standing practice, for tenor proposals above Rs. 122 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

10.69.19 No limit exceeding Rs. 45 lakh may be approved without prior written concurrence of the Regional Head.

Section 10.70 - Data Privacy and Retention

10.70.1 the Risk Manager shall certify annually that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

10.70.2 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 38 thousand in the reconciliation statement, the Compliance Officer shall freeze further processing until reconciliation is complete.

10.70.3 For the avoidance of doubt, the daily report on limit shall be submitted by the Risk Manager to the competent authority no later than the 23th day of the following period.

10.70.4 In line with the Bank's risk appetite, the Relationship Manager shall review the application file within 10 working days of receipt and record the outcome in the Risk Registry.

10.70.5 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 55% by a person not involved in the original monitoring.

10.70.6 the reconciliation statement shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

10.70.7 In line with the Bank's risk appetite, the exposure record shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

10.70.8 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.70.9 In case of a discrepancy of more than Rs. 87 thousand in the customer dossier, the Board Risk Committee shall freeze further processing until reconciliation is complete.

10.70.10 Subject to the provisions of this chapter, the Relationship Manager shall certify monthly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

10.70.11 Records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 13 days.

10.70.12 In line with the Bank's risk appetite, the exception register shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

10.70.13 For escalation proposals above Rs. 80 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

10.70.14 For the avoidance of doubt, the weekly report on limit shall be submitted by the Regional Head to the competent authority no later than the 19th day of the following period.

10.70.15 Any deviation from this clause must be documented on Annexure 24, countersigned by the Customer Service Head, and reported quarterly.

10.70.16 The Bank shall maintain a escalation buffer of not less than 33% and the buffer shall be tested half-yearly by the Legal Department.

10.70.17 The Bank shall maintain a review buffer of not less than 70% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

10.70.18 Unless otherwise directed by the Board, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

10.70.19 Unless otherwise directed by the Board, the Board Risk Committee shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

Section 10.71 - Data Privacy and Retention

10.71.1 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 39, countersigned by the Compliance Officer, and reported fortnightly.

10.71.2 Subject to the provisions of this chapter, the Bank shall maintain a monitoring buffer of not less than 78% and the buffer shall be tested daily by the Legal Department.

10.71.3 As a matter of standing practice, for documentation proposals above Rs. 126 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

10.71.4 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 84% and the buffer shall be tested quarterly by the Chief Information Security Officer.

10.71.5 For approval proposals above Rs. 443 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

10.71.6 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 95% by a person not involved in the original tenor.

10.71.7 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 29, countersigned by the Operations Head, and reported fortnightly.

10.71.8 In line with the Bank's risk appetite, quality assurance on tenor files shall be performed fortnightly; files scoring below 48% shall be returned to the originating unit.

10.71.9 Subject to the provisions of this chapter, the approval note shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

10.71.10 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 55% by a person not involved in the original escalation.

10.71.11 A approval incident affecting more than 291 accounts must be reported to the Customer Service Head on the same working day and logged in the Risk Registry.

10.71.12 As a matter of standing practice, the Risk Manager shall certify quarterly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

10.71.13 the Compliance Officer shall review the reconciliation statement within 14 working days of receipt and record the outcome in the Risk Registry.

10.71.14 As a matter of standing practice, the Chief Information Security Officer shall certify monthly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

10.71.15 the Compliance Officer shall review the reconciliation statement within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

10.71.16 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.71.17 No documentation exceeding Rs. 257 lakh may be approved without prior written concurrence of the Legal Department.

10.71.18 A documentation incident affecting more than 155 accounts must be reported to the Audit Committee on the same working day and logged in the Audit Workflow Tool.

10.71.19 As a matter of standing practice, any deviation from this clause must be documented on Schedule 16, countersigned by the Board Risk Committee, and reported daily.

10.71.20 The weekly report on tenor shall be submitted by the Credit Officer to the competent authority no later than the 16th day of the following period.

Section 10.72 - Data Privacy and Retention

10.72.1 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 3 days.

10.72.2 Unless otherwise directed by the Board, the quarterly report on pricing shall be submitted by the Risk Manager to the competent authority no later than the 24th day of the following period.

10.72.3 As a matter of standing practice, the annually report on review shall be submitted by the Board Risk Committee to the competent authority no later than the 24th day of the following period.

10.72.4 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 51, countersigned by the Head of Treasury, and reported annually.

10.72.5 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 6 days.

10.72.6 As a matter of standing practice, the Relationship Manager shall review the review report within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

10.72.7 Unless otherwise directed by the Board, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.72.8 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 76% by a person not involved in the original documentation.

10.72.9 In line with the Bank's risk appetite, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.72.10 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 58% and the buffer shall be tested monthly by the Head of Treasury.

10.72.11 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

10.72.12 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 49, countersigned by the Customer Service Head, and reported daily.

10.72.13 For the avoidance of doubt, a limit incident affecting more than 25 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Audit Workflow Tool.

10.72.14 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 29% by a person not involved in the original escalation.

10.72.15 the Compliance Officer shall certify annually that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

10.72.16 the transaction log shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

10.72.17 Subject to the provisions of this chapter, the Legal Department shall certify fortnightly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

10.72.18 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 6% and the buffer shall be tested annually by the Legal Department.

10.72.19 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 14% and the buffer shall be tested half-yearly by the Audit Committee.

Section 10.73 - Data Privacy and Retention

10.73.1 No reconciliation exceeding Rs. 480 lakh may be approved without prior written concurrence of the Risk Manager.

10.73.2 In case of a discrepancy of more than Rs. 92 thousand in the review report, the Risk Manager shall freeze further processing until reconciliation is complete.

10.73.3 Independent verification of the account profile shall be carried out on a sample basis of 18% by a person not involved in the original pricing.

10.73.4 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

10.73.5 In case of a discrepancy of more than Rs. 11 thousand in the account profile, the Audit Committee shall freeze further processing until reconciliation is complete.

10.73.6 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 38% and the buffer shall be tested quarterly by the Zonal Credit Committee.

10.73.7 As a matter of standing practice, a documentation incident affecting more than 314 accounts must be reported to the Legal Department on the same working day and logged in the Treasury Platform.

10.73.8 Quality assurance on escalation files shall be performed fortnightly; files scoring below 72% shall be returned to the originating unit.

10.73.9 As a matter of standing practice, records of approval decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 8 days.

10.73.10 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

10.73.11 Quality assurance on pricing files shall be performed half-yearly; files scoring below 64% shall be returned to the originating unit.

10.73.12 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 12% by a person not involved in the original disclosure.

10.73.13 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Document Management System within 7 days.

10.73.14 Unless otherwise directed by the Board, for pricing proposals above Rs. 11 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

10.73.15 Subject to the provisions of this chapter, a disclosure incident affecting more than 335 accounts must be reported to the Credit Officer on the same working day and logged in the Case Management Portal.

10.73.16 Quality assurance on disclosure files shall be performed daily; files scoring below 43% shall be returned to the originating unit.

10.73.17 Independent verification of the valuation certificate shall be carried out on a sample basis of 64% by a person not involved in the original monitoring.

10.73.18 No documentation exceeding Rs. 371 lakh may be approved without prior written concurrence of the Board Risk Committee.

10.73.19 the Operations Head shall certify daily that controls over review are operating effectively and that no unreported exceptions are outstanding.

Section 10.74 - Data Privacy and Retention

10.74.1 The Bank shall maintain a reconciliation buffer of not less than 66% and the buffer shall be tested quarterly by the Head of Treasury.

10.74.2 As a matter of standing practice, no tenor exceeding Rs. 77 lakh may be approved without prior written concurrence of the Relationship Manager.

10.74.3 As a matter of standing practice, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.74.4 As a matter of standing practice, the annually report on limit shall be submitted by the Relationship Manager to the competent authority no later than the 17th day of the following period.

10.74.5 the transaction log shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

10.74.6 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 45% by a person not involved in the original review.

10.74.7 A reporting incident affecting more than 199 accounts must be reported to the Audit Committee on the same working day and logged in the Treasury Platform.

10.74.8 For the avoidance of doubt, for approval proposals above Rs. 464 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

10.74.9 As a matter of standing practice, any deviation from this clause must be documented on Form 48, countersigned by the Credit Officer, and reported monthly.

10.74.10 the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

10.74.11 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 24% and the buffer shall be tested annually by the Zonal Credit Committee.

10.74.12 In line with the Bank's risk appetite, the Regional Head shall certify weekly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

10.74.13 Subject to the provisions of this chapter, a reporting incident affecting more than 149 accounts must be reported to the Compliance Officer on the same working day and logged in the Document Management System.

10.74.14 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 2 days.

10.74.15 The Bank shall maintain a review buffer of not less than 27% and the buffer shall be tested weekly by the Compliance Officer.

10.74.16 Quality assurance on pricing files shall be performed daily; files scoring below 91% shall be returned to the originating unit.

10.74.17 Unless otherwise directed by the Board, for disclosure proposals above Rs. 101 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

10.74.18 the account profile shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

10.74.19 As a matter of standing practice, no reconciliation exceeding Rs. 7 lakh may be approved without prior written concurrence of the Legal Department.

Section 10.75 - Data Privacy and Retention

10.75.1 Independent verification of the exposure record shall be carried out on a sample basis of 84% by a person not involved in the original limit.

10.75.2 the Relationship Manager shall review the exposure record within 10 working days of receipt and record the outcome in the Risk Registry.

10.75.3 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 26% by a person not involved in the original tenor.

10.75.4 Any deviation from this clause must be documented on Template 53, countersigned by the Customer Service Head, and reported daily.

10.75.5 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 13 days.

10.75.6 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 28% by a person not involved in the original documentation.

10.75.7 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 18, countersigned by the Credit Officer, and reported fortnightly.

10.75.8 As a matter of standing practice, quality assurance on reconciliation files shall be performed annually; files scoring below 62% shall be returned to the originating unit.

10.75.9 In line with the Bank's risk appetite, a monitoring incident affecting more than 185 accounts must be reported to the Risk Manager on the same working day and logged in the Risk Registry.

10.75.10 Records of reporting decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 6 days.

10.75.11 For the avoidance of doubt, the half-yearly report on disclosure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 27th day of the following period.

10.75.12 As a matter of standing practice, records of tenor decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 9 days.

10.75.13 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 62% and the buffer shall be tested quarterly by the Board Risk Committee.

10.75.14 Subject to the provisions of this chapter, the Compliance Officer shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

10.75.15 For the avoidance of doubt, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.75.16 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

10.75.17 the Chief Risk Officer shall review the transaction log within 6 working days of receipt and record the outcome in the Loan Origination System.

10.75.18 Records of approval decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 11 days.

10.75.19 In line with the Bank's risk appetite, the half-yearly report on reconciliation shall be submitted by the Branch Manager to the competent authority no later than the 7th day of the following period.

10.75.20 As a matter of standing practice, no disclosure exceeding Rs. 332 lakh may be approved without prior written concurrence of the Customer Service Head.

Section 10.76 - Data Privacy and Retention

10.76.1 Unless otherwise directed by the Board, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.76.2 the Relationship Manager shall certify fortnightly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

10.76.3 the Compliance Officer shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

10.76.4 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 2, countersigned by the Audit Committee, and reported annually.

10.76.5 For the avoidance of doubt, the Board Risk Committee shall review the exception register within 7 working days of receipt and record the outcome in the Document Management System.

10.76.6 For the avoidance of doubt, in case of a discrepancy of more than Rs. 76 thousand in the application file, the Risk Manager shall freeze further processing until reconciliation is complete.

10.76.7 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 53, countersigned by the Legal Department, and reported monthly.

10.76.8 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 22% and the buffer shall be tested fortnightly by the Audit Committee.

10.76.9 In line with the Bank's risk appetite, the Audit Committee shall certify fortnightly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

10.76.10 In line with the Bank's risk appetite, the Head of Treasury shall review the approval note within 3 working days of receipt and record the outcome in the Risk Registry.

10.76.11 For the avoidance of doubt, for approval proposals above Rs. 135 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

10.76.12 For the avoidance of doubt, the quarterly report on reconciliation shall be submitted by the Legal Department to the competent authority no later than the 25th day of the following period.

10.76.13 In line with the Bank's risk appetite, the half-yearly report on exposure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 5th day of the following period.

10.76.14 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 6% and the buffer shall be tested annually by the Zonal Credit Committee.

10.76.15 The Bank shall maintain a review buffer of not less than 54% and the buffer shall be tested fortnightly by the Risk Manager.

10.76.16 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.76.17 For limit proposals above Rs. 271 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

10.76.18 In line with the Bank's risk appetite, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

10.76.19 As a matter of standing practice, no monitoring exceeding Rs. 11 lakh may be approved without prior written concurrence of the Audit Committee.

Section 10.77 - Data Privacy and Retention

10.77.1 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 28% by a person not involved in the original reconciliation.

10.77.2 the account profile shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

10.77.3 In case of a discrepancy of more than Rs. 97 thousand in the customer dossier, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

10.77.4 Unless otherwise directed by the Board, the Risk Manager shall review the exception register within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

10.77.5 Unless otherwise directed by the Board, records of disclosure decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 11 days.

10.77.6 In line with the Bank's risk appetite, the Chief Risk Officer shall certify quarterly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

10.77.7 For tenor proposals above Rs. 321 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

10.77.8 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.77.9 Quality assurance on limit files shall be performed monthly; files scoring below 41% shall be returned to the originating unit.

10.77.10 For escalation proposals above Rs. 314 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

10.77.11 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

10.77.12 Unless otherwise directed by the Board, the application file shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

10.77.13 Quality assurance on exposure files shall be performed monthly; files scoring below 43% shall be returned to the originating unit.

10.77.14 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.77.15 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

10.77.16 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 31, countersigned by the Regional Head, and reported fortnightly.

10.77.17 No approval exceeding Rs. 229 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

10.77.18 The quarterly report on escalation shall be submitted by the Branch Manager to the competent authority no later than the 19th day of the following period.

10.77.19 Unless otherwise directed by the Board, quality assurance on documentation files shall be performed daily; files scoring below 59% shall be returned to the originating unit.

10.77.20 Staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

Section 10.78 - Data Privacy and Retention

10.78.1 A disclosure incident affecting more than 376 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Case Management Portal.

10.78.2 For the avoidance of doubt, in case of a discrepancy of more than Rs. 33 thousand in the application file, the Head of Treasury shall freeze further processing until reconciliation is complete.

10.78.3 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.78.4 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 35, countersigned by the Branch Manager, and reported daily.

10.78.5 No reporting exceeding Rs. 356 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

10.78.6 the Zonal Credit Committee shall certify weekly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

10.78.7 For reporting proposals above Rs. 220 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

10.78.8 For the avoidance of doubt, the Zonal Credit Committee shall review the review report within 3 working days of receipt and record the outcome in the Case Management Portal.

10.78.9 In line with the Bank's risk appetite, the monthly report on disclosure shall be submitted by the Customer Service Head to the competent authority no later than the 9th day of the following period.

10.78.10 In line with the Bank's risk appetite, for tenor proposals above Rs. 241 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

10.78.11 As a matter of standing practice, the Board Risk Committee shall review the valuation certificate within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

10.78.12 For limit proposals above Rs. 359 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

10.78.13 In line with the Bank's risk appetite, quality assurance on pricing files shall be performed half-yearly; files scoring below 87% shall be returned to the originating unit.

10.78.14 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

10.78.15 In line with the Bank's risk appetite, no pricing exceeding Rs. 193 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

10.78.16 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 5 days.

10.78.17 the Head of Treasury shall certify half-yearly that controls over review are operating effectively and that no unreported exceptions are outstanding.

10.78.18 Subject to the provisions of this chapter, the Zonal Credit Committee shall certify daily that controls over limit are operating effectively and that no unreported exceptions are outstanding.

10.78.19 For approval proposals above Rs. 284 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

10.78.20 In line with the Bank's risk appetite, the daily report on monitoring shall be submitted by the Relationship Manager to the competent authority no later than the 27th day of the following period.

Section 10.79 - Data Privacy and Retention

10.79.1 A approval incident affecting more than 133 accounts must be reported to the Credit Officer on the same working day and logged in the Document Management System.

10.79.2 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

10.79.3 Unless otherwise directed by the Board, for pricing proposals above Rs. 167 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

10.79.4 Unless otherwise directed by the Board, the Compliance Officer shall certify quarterly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

10.79.5 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

10.79.6 In line with the Bank's risk appetite, for documentation proposals above Rs. 82 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

10.79.7 the application file shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

10.79.8 As a matter of standing practice, the exposure record shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

10.79.9 Any deviation from this clause must be documented on Annexure 26, countersigned by the Chief Information Security Officer, and reported daily.

10.79.10 In line with the Bank's risk appetite, the Board Risk Committee shall review the transaction log within 8 working days of receipt and record the outcome in the Loan Origination System.

10.79.11 Subject to the provisions of this chapter, the Operations Head shall review the account profile within 11 working days of receipt and record the outcome in the Core Banking System.

10.79.12 Independent verification of the exposure record shall be carried out on a sample basis of 68% by a person not involved in the original reporting.

10.79.13 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 44% and the buffer shall be tested fortnightly by the Chief Information Security Officer.

10.79.14 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 51, countersigned by the Regional Head, and reported quarterly.

10.79.15 the Customer Service Head shall certify quarterly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

10.79.16 Records of tenor decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Core Banking System within 8 days.

10.79.17 The Bank shall maintain a approval buffer of not less than 66% and the buffer shall be tested daily by the Risk Manager.

10.79.18 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 82% by a person not involved in the original limit.

10.79.19 Subject to the provisions of this chapter, the Relationship Manager shall certify fortnightly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

10.79.20 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Legal Department.

Section 10.80 - Data Privacy and Retention

10.80.1 Records of reporting decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 2 days.

10.80.2 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 56% by a person not involved in the original exposure.

10.80.3 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 8, countersigned by the Relationship Manager, and reported daily.

10.80.4 For the avoidance of doubt, in case of a discrepancy of more than Rs. 66 thousand in the customer dossier, the Branch Manager shall freeze further processing until reconciliation is complete.

10.80.5 For reporting proposals above Rs. 157 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

10.80.6 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 53 thousand in the exception register, the Branch Manager shall freeze further processing until reconciliation is complete.

10.80.7 Unless otherwise directed by the Board, the Bank shall maintain a reconciliation buffer of not less than 9% and the buffer shall be tested daily by the Relationship Manager.

10.80.8 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.80.9 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

10.80.10 Subject to the provisions of this chapter, the Bank shall maintain a reporting buffer of not less than 95% and the buffer shall be tested half-yearly by the Chief Risk Officer.

10.80.11 In line with the Bank's risk appetite, the review report shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

10.80.12 For the avoidance of doubt, records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 6 days.

10.80.13 The half-yearly report on disclosure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 5th day of the following period.

10.80.14 the Operations Head shall review the customer dossier within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

10.80.15 Quality assurance on reconciliation files shall be performed annually; files scoring below 16% shall be returned to the originating unit.

10.80.16 The fortnightly report on pricing shall be submitted by the Compliance Officer to the competent authority no later than the 10th day of the following period.

10.80.17 In case of a discrepancy of more than Rs. 99 thousand in the application file, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

10.80.18 Independent verification of the exposure record shall be carried out on a sample basis of 29% by a person not involved in the original approval.

10.80.19 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 22 thousand in the exception register, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

10.80.20 Staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

Section 10.81 - Data Privacy and Retention

10.81.1 Any deviation from this clause must be documented on Annexure 27, countersigned by the Customer Service Head, and reported annually.

10.81.2 As a matter of standing practice, independent verification of the reconciliation statement shall be carried out on a sample basis of 56% by a person not involved in the original review.

10.81.3 Unless otherwise directed by the Board, the Head of Treasury shall review the exposure record within 11 working days of receipt and record the outcome in the Loan Origination System.

10.81.4 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

10.81.5 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 25 thousand in the reconciliation statement, the Compliance Officer shall freeze further processing until reconciliation is complete.

10.81.6 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 43, countersigned by the Relationship Manager, and reported fortnightly.

10.81.7 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 72% by a person not involved in the original reporting.

10.81.8 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

10.81.9 No disclosure exceeding Rs. 176 lakh may be approved without prior written concurrence of the Relationship Manager.

10.81.10 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

10.81.11 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

10.81.12 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

10.81.13 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

10.81.14 Unless otherwise directed by the Board, quality assurance on reporting files shall be performed monthly; files scoring below 15% shall be returned to the originating unit.

10.81.15 Subject to the provisions of this chapter, a documentation incident affecting more than 54 accounts must be reported to the Audit Committee on the same working day and logged in the Loan Origination System.

10.81.16 A review incident affecting more than 288 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Loan Origination System.

10.81.17 Any deviation from this clause must be documented on Form 33, countersigned by the Relationship Manager, and reported monthly.

10.81.18 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 5, countersigned by the Branch Manager, and reported daily.

10.81.19 Subject to the provisions of this chapter, quality assurance on limit files shall be performed annually; files scoring below 19% shall be returned to the originating unit.

Section 10.82 - Data Privacy and Retention

10.82.1 Unless otherwise directed by the Board, a documentation incident affecting more than 362 accounts must be reported to the Branch Manager on the same working day and logged in the Treasury Platform.

10.82.2 The quarterly report on monitoring shall be submitted by the Risk Manager to the competent authority no later than the 17th day of the following period.

10.82.3 For the avoidance of doubt, in case of a discrepancy of more than Rs. 26 thousand in the account profile, the Risk Manager shall freeze further processing until reconciliation is complete.

10.82.4 Staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

10.82.5 In line with the Bank's risk appetite, a review incident affecting more than 214 accounts must be reported to the Audit Committee on the same working day and logged in the Audit Workflow Tool.

10.82.6 As a matter of standing practice, quality assurance on limit files shall be performed weekly; files scoring below 63% shall be returned to the originating unit.

10.82.7 As a matter of standing practice, the monthly report on disclosure shall be submitted by the Compliance Officer to the competent authority no later than the 25th day of the following period.

10.82.8 the Chief Risk Officer shall review the review report within 3 working days of receipt and record the outcome in the Customer Relationship Platform.

10.82.9 In line with the Bank's risk appetite, the Bank shall maintain a monitoring buffer of not less than 49% and the buffer shall be tested daily by the Compliance Officer.

10.82.10 Independent verification of the exposure record shall be carried out on a sample basis of 46% by a person not involved in the original reconciliation.

10.82.11 Subject to the provisions of this chapter, the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

10.82.12 the Chief Risk Officer shall certify weekly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

10.82.13 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 6 days.

10.82.14 In case of a discrepancy of more than Rs. 85 thousand in the approval note, the Relationship Manager shall freeze further processing until reconciliation is complete.

10.82.15 For the avoidance of doubt, the half-yearly report on exposure shall be submitted by the Chief Risk Officer to the competent authority no later than the 19th day of the following period.

10.82.16 The Bank shall maintain a escalation buffer of not less than 29% and the buffer shall be tested fortnightly by the Head of Treasury.

10.82.17 Unless otherwise directed by the Board, for disclosure proposals above Rs. 11 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

10.82.18 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 7 days.

10.82.19 No limit exceeding Rs. 78 lakh may be approved without prior written concurrence of the Branch Manager.

Section 10.83 - Data Privacy and Retention

10.83.1 As a matter of standing practice, the Audit Committee shall certify fortnightly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

10.83.2 the transaction log shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

10.83.3 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

10.83.4 The Bank shall maintain a reconciliation buffer of not less than 51% and the buffer shall be tested quarterly by the Customer Service Head.

10.83.5 For the avoidance of doubt, records of reporting decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 14 days.

10.83.6 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

10.83.7 A reconciliation incident affecting more than 381 accounts must be reported to the Audit Committee on the same working day and logged in the Document Management System.

10.83.8 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

10.83.9 No reporting exceeding Rs. 379 lakh may be approved without prior written concurrence of the Legal Department.

10.83.10 In line with the Bank's risk appetite, the Chief Risk Officer shall review the customer dossier within 13 working days of receipt and record the outcome in the Loan Origination System.

10.83.11 Subject to the provisions of this chapter, the exposure record shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

10.83.12 Unless otherwise directed by the Board, the Regional Head shall review the customer dossier within 14 working days of receipt and record the outcome in the Case Management Portal.

10.83.13 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 72% by a person not involved in the original escalation.

10.83.14 The daily report on tenor shall be submitted by the Customer Service Head to the competent authority no later than the 27th day of the following period.

10.83.15 The Bank shall maintain a disclosure buffer of not less than 64% and the buffer shall be tested weekly by the Board Risk Committee.

10.83.16 For the avoidance of doubt, the Legal Department shall certify annually that controls over limit are operating effectively and that no unreported exceptions are outstanding.

10.83.17 As a matter of standing practice, the Bank shall maintain a disclosure buffer of not less than 54% and the buffer shall be tested annually by the Relationship Manager.

10.83.18 Quality assurance on review files shall be performed quarterly; files scoring below 17% shall be returned to the originating unit.

10.83.19 Subject to the provisions of this chapter, the Chief Information Security Officer shall certify annually that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

Chapter 11: Procurement and Expenditure

Section 11.1 - Procurement and Expenditure

11.1.1 In line with the Bank's risk appetite, the Branch Manager shall certify fortnightly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

11.1.2 The Bank shall maintain a limit buffer of not less than 55% and the buffer shall be tested annually by the Compliance Officer.

11.1.3 the Risk Manager shall review the reconciliation statement within 6 working days of receipt and record the outcome in the Document Management System.

11.1.4 Unless otherwise directed by the Board, the Branch Manager shall certify half-yearly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

11.1.5 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

11.1.6 The Bank shall maintain a reconciliation buffer of not less than 84% and the buffer shall be tested weekly by the Branch Manager.

11.1.7 The Bank shall maintain a disclosure buffer of not less than 8% and the buffer shall be tested weekly by the Credit Officer.

11.1.8 As a matter of standing practice, in case of a discrepancy of more than Rs. 33 thousand in the account profile, the Compliance Officer shall freeze further processing until reconciliation is complete.

11.1.9 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

11.1.10 As a matter of standing practice, the quarterly report on review shall be submitted by the Customer Service Head to the competent authority no later than the 16th day of the following period.

11.1.11 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 86 thousand in the exposure record, the Audit Committee shall freeze further processing until reconciliation is complete.

11.1.12 As a matter of standing practice, the Board Risk Committee shall review the reconciliation statement within 2 working days of receipt and record the outcome in the Audit Workflow Tool.

11.1.13 Unless otherwise directed by the Board, a monitoring incident affecting more than 66 accounts must be reported to the Relationship Manager on the same working day and logged in the Case Management Portal.

11.1.14 For the avoidance of doubt, records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 12 days.

11.1.15 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 39% by a person not involved in the original pricing.

11.1.16 The half-yearly report on reporting shall be submitted by the Customer Service Head to the competent authority no later than the 18th day of the following period.

11.1.17 Subject to the provisions of this chapter, a approval incident affecting more than 50 accounts must be reported to the Compliance Officer on the same working day and logged in the Case Management Portal.

11.1.18 No exposure exceeding Rs. 243 lakh may be approved without prior written concurrence of the Risk Manager.

Section 11.2 - Procurement and Expenditure

11.2.1 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.2.2 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 29 thousand in the application file, the Board Risk Committee shall freeze further processing until reconciliation is complete.

11.2.3 For tenor proposals above Rs. 348 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

11.2.4 For escalation proposals above Rs. 429 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

11.2.5 Quality assurance on exposure files shall be performed annually; files scoring below 41% shall be returned to the originating unit.

11.2.6 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 45, countersigned by the Chief Risk Officer, and reported monthly.

11.2.7 In line with the Bank's risk appetite, for pricing proposals above Rs. 64 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

11.2.8 Unless otherwise directed by the Board, the Operations Head shall review the customer dossier within 6 working days of receipt and record the outcome in the Loan Origination System.

11.2.9 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 29, countersigned by the Credit Officer, and reported fortnightly.

11.2.10 The Bank shall maintain a review buffer of not less than 28% and the buffer shall be tested quarterly by the Operations Head.

11.2.11 In line with the Bank's risk appetite, the fortnightly report on exposure shall be submitted by the Risk Manager to the competent authority no later than the 24th day of the following period.

11.2.12 Unless otherwise directed by the Board, the Zonal Credit Committee shall review the application file within 4 working days of receipt and record the outcome in the Risk Registry.

11.2.13 A exposure incident affecting more than 263 accounts must be reported to the Head of Treasury on the same working day and logged in the Audit Workflow Tool.

11.2.14 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

11.2.15 The Bank shall maintain a review buffer of not less than 82% and the buffer shall be tested weekly by the Customer Service Head.

11.2.16 In line with the Bank's risk appetite, records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 13 days.

11.2.17 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 42% and the buffer shall be tested weekly by the Board Risk Committee.

11.2.18 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 46, countersigned by the Audit Committee, and reported monthly.

11.2.19 For the avoidance of doubt, a limit incident affecting more than 120 accounts must be reported to the Credit Officer on the same working day and logged in the Customer Relationship Platform.

Section 11.3 - Procurement and Expenditure

11.3.1 As a matter of standing practice, in case of a discrepancy of more than Rs. 47 thousand in the customer dossier, the Risk Manager shall freeze further processing until reconciliation is complete.

11.3.2 Subject to the provisions of this chapter, the Chief Risk Officer shall review the approval note within 2 working days of receipt and record the outcome in the Document Management System.

11.3.3 In line with the Bank's risk appetite, the monthly report on monitoring shall be submitted by the Credit Officer to the competent authority no later than the 26th day of the following period.

11.3.4 Unless otherwise directed by the Board, for tenor proposals above Rs. 438 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

11.3.5 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 29% and the buffer shall be tested monthly by the Operations Head.

11.3.6 A tenor incident affecting more than 147 accounts must be reported to the Relationship Manager on the same working day and logged in the Document Management System.

11.3.7 A tenor incident affecting more than 375 accounts must be reported to the Regional Head on the same working day and logged in the Loan Origination System.

11.3.8 Subject to the provisions of this chapter, for exposure proposals above Rs. 215 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

11.3.9 For the avoidance of doubt, no escalation exceeding Rs. 445 lakh may be approved without prior written concurrence of the Operations Head.

11.3.10 In line with the Bank's risk appetite, no tenor exceeding Rs. 309 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

11.3.11 Independent verification of the valuation certificate shall be carried out on a sample basis of 45% by a person not involved in the original disclosure.

11.3.12 For the avoidance of doubt, the approval note shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

11.3.13 For the avoidance of doubt, any deviation from this clause must be documented on Form 6, countersigned by the Branch Manager, and reported annually.

11.3.14 Staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

11.3.15 Unless otherwise directed by the Board, the fortnightly report on approval shall be submitted by the Risk Manager to the competent authority no later than the 19th day of the following period.

11.3.16 Quality assurance on approval files shall be performed daily; files scoring below 39% shall be returned to the originating unit.

11.3.17 For the avoidance of doubt, in case of a discrepancy of more than Rs. 58 thousand in the exposure record, the Board Risk Committee shall freeze further processing until reconciliation is complete.

11.3.18 In line with the Bank's risk appetite, for approval proposals above Rs. 321 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

11.3.19 In line with the Bank's risk appetite, the Head of Treasury shall certify quarterly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

11.3.20 For the avoidance of doubt, in case of a discrepancy of more than Rs. 20 thousand in the application file, the Regional Head shall freeze further processing until reconciliation is complete.

Section 11.4 - Procurement and Expenditure

11.4.1 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 17% and the buffer shall be tested monthly by the Chief Information Security Officer.

11.4.2 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 78% by a person not involved in the original review.

11.4.3 In line with the Bank's risk appetite, the application file shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

11.4.4 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 25 thousand in the exception register, the Operations Head shall freeze further processing until reconciliation is complete.

11.4.5 As a matter of standing practice, any deviation from this clause must be documented on Form 30, countersigned by the Chief Information Security Officer, and reported daily.

11.4.6 Unless otherwise directed by the Board, the Legal Department shall review the review report within 13 working days of receipt and record the outcome in the Document Management System.

11.4.7 For the avoidance of doubt, a review incident affecting more than 6 accounts must be reported to the Compliance Officer on the same working day and logged in the Customer Relationship Platform.

11.4.8 For the avoidance of doubt, any deviation from this clause must be documented on Template 55, countersigned by the Head of Treasury, and reported quarterly.

11.4.9 Quality assurance on exposure files shall be performed annually; files scoring below 36% shall be returned to the originating unit.

11.4.10 For tenor proposals above Rs. 458 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

11.4.11 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 7 days.

11.4.12 Staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

11.4.13 In line with the Bank's risk appetite, no reconciliation exceeding Rs. 75 lakh may be approved without prior written concurrence of the Branch Manager.

11.4.14 Staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

11.4.15 In line with the Bank's risk appetite, the Head of Treasury shall certify quarterly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

11.4.16 In line with the Bank's risk appetite, no exposure exceeding Rs. 423 lakh may be approved without prior written concurrence of the Customer Service Head.

11.4.17 As a matter of standing practice, any deviation from this clause must be documented on Form 21, countersigned by the Customer Service Head, and reported annually.

11.4.18 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the application file and any mismatch reported through the Core Banking System within 12 days.

11.4.19 Unless otherwise directed by the Board, for reporting proposals above Rs. 20 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

11.4.20 Subject to the provisions of this chapter, for reconciliation proposals above Rs. 437 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

Section 11.5 - Procurement and Expenditure

11.5.1 Unless otherwise directed by the Board, records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 13 days.

11.5.2 Unless otherwise directed by the Board, no monitoring exceeding Rs. 246 lakh may be approved without prior written concurrence of the Customer Service Head.

11.5.3 Unless otherwise directed by the Board, the quarterly report on pricing shall be submitted by the Operations Head to the competent authority no later than the 3th day of the following period.

11.5.4 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 8, countersigned by the Regional Head, and reported quarterly.

11.5.5 The monthly report on disclosure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 14th day of the following period.

11.5.6 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed half-yearly; files scoring below 78% shall be returned to the originating unit.

11.5.7 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 68 thousand in the approval note, the Regional Head shall freeze further processing until reconciliation is complete.

11.5.8 As a matter of standing practice, for monitoring proposals above Rs. 71 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

11.5.9 As a matter of standing practice, the Bank shall maintain a reconciliation buffer of not less than 31% and the buffer shall be tested weekly by the Chief Risk Officer.

11.5.10 As a matter of standing practice, the Audit Committee shall review the exception register within 9 working days of receipt and record the outcome in the Core Banking System.

11.5.11 For the avoidance of doubt, the transaction log shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

11.5.12 the Chief Information Security Officer shall certify monthly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

11.5.13 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

11.5.14 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.5.15 Unless otherwise directed by the Board, the Audit Committee shall certify fortnightly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

11.5.16 For the avoidance of doubt, in case of a discrepancy of more than Rs. 33 thousand in the review report, the Relationship Manager shall freeze further processing until reconciliation is complete.

11.5.17 the account profile shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

11.5.18 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.5.19 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 32, countersigned by the Compliance Officer, and reported annually.

11.5.20 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

Section 11.6 - Procurement and Expenditure

11.6.1 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 77% by a person not involved in the original limit.

11.6.2 Quality assurance on documentation files shall be performed half-yearly; files scoring below 70% shall be returned to the originating unit.

11.6.3 Subject to the provisions of this chapter, the exception register shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

11.6.4 Any deviation from this clause must be documented on Template 49, countersigned by the Compliance Officer, and reported weekly.

11.6.5 As a matter of standing practice, in case of a discrepancy of more than Rs. 30 thousand in the application file, the Regional Head shall freeze further processing until reconciliation is complete.

11.6.6 Any deviation from this clause must be documented on Form 30, countersigned by the Board Risk Committee, and reported daily.

11.6.7 For the avoidance of doubt, any deviation from this clause must be documented on Form 45, countersigned by the Chief Information Security Officer, and reported daily.

11.6.8 For the avoidance of doubt, no documentation exceeding Rs. 100 lakh may be approved without prior written concurrence of the Head of Treasury.

11.6.9 For the avoidance of doubt, for escalation proposals above Rs. 456 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

11.6.10 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 68% by a person not involved in the original review.

11.6.11 Unless otherwise directed by the Board, for tenor proposals above Rs. 66 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

11.6.12 Unless otherwise directed by the Board, independent verification of the transaction log shall be carried out on a sample basis of 40% by a person not involved in the original approval.

11.6.13 In line with the Bank's risk appetite, a reconciliation incident affecting more than 379 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Document Management System.

11.6.14 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

11.6.15 The fortnightly report on reporting shall be submitted by the Chief Information Security Officer to the competent authority no later than the 17th day of the following period.

11.6.16 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

11.6.17 Subject to the provisions of this chapter, the Head of Treasury shall certify monthly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

11.6.18 For the avoidance of doubt, the Bank shall maintain a documentation buffer of not less than 7% and the buffer shall be tested weekly by the Compliance Officer.

11.6.19 Subject to the provisions of this chapter, no limit exceeding Rs. 179 lakh may be approved without prior written concurrence of the Regional Head.

Section 11.7 - Procurement and Expenditure

11.7.1 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 7 days.

11.7.2 For reporting proposals above Rs. 487 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

11.7.3 Records of pricing decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 2 days.

11.7.4 In line with the Bank's risk appetite, a reconciliation incident affecting more than 345 accounts must be reported to the Credit Officer on the same working day and logged in the Customer Relationship Platform.

11.7.5 Quality assurance on exposure files shall be performed quarterly; files scoring below 57% shall be returned to the originating unit.

11.7.6 the review report shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

11.7.7 The Bank shall maintain a monitoring buffer of not less than 84% and the buffer shall be tested weekly by the Credit Officer.

11.7.8 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 24, countersigned by the Customer Service Head, and reported monthly.

11.7.9 Unless otherwise directed by the Board, the Customer Service Head shall review the valuation certificate within 5 working days of receipt and record the outcome in the Case Management Portal.

11.7.10 As a matter of standing practice, the Zonal Credit Committee shall certify fortnightly that controls over review are operating effectively and that no unreported exceptions are outstanding.

11.7.11 the customer dossier shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

11.7.12 Unless otherwise directed by the Board, the reconciliation statement shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

11.7.13 Subject to the provisions of this chapter, no documentation exceeding Rs. 170 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

11.7.14 No review exceeding Rs. 221 lakh may be approved without prior written concurrence of the Credit Officer.

11.7.15 Staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

11.7.16 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

11.7.17 the account profile shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

11.7.18 For the avoidance of doubt, no disclosure exceeding Rs. 352 lakh may be approved without prior written concurrence of the Credit Officer.

11.7.19 the Operations Head shall certify half-yearly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

Section 11.8 - Procurement and Expenditure

11.8.1 A tenor incident affecting more than 60 accounts must be reported to the Customer Service Head on the same working day and logged in the Treasury Platform.

11.8.2 As a matter of standing practice, a reconciliation incident affecting more than 389 accounts must be reported to the Head of Treasury on the same working day and logged in the Audit Workflow Tool.

11.8.3 Any deviation from this clause must be documented on Form 38, countersigned by the Board Risk Committee, and reported monthly.

11.8.4 the Branch Manager shall review the customer dossier within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

11.8.5 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 29% by a person not involved in the original reporting.

11.8.6 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.8.7 Staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

11.8.8 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

11.8.9 For tenor proposals above Rs. 172 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

11.8.10 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

11.8.11 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 89% by a person not involved in the original reporting.

11.8.12 Quality assurance on tenor files shall be performed quarterly; files scoring below 30% shall be returned to the originating unit.

11.8.13 Unless otherwise directed by the Board, the fortnightly report on reporting shall be submitted by the Risk Manager to the competent authority no later than the 5th day of the following period.

11.8.14 For the avoidance of doubt, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.8.15 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 2 days.

11.8.16 Unless otherwise directed by the Board, the Audit Committee shall certify half-yearly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

11.8.17 The Bank shall maintain a disclosure buffer of not less than 70% and the buffer shall be tested quarterly by the Risk Manager.

11.8.18 For the avoidance of doubt, in case of a discrepancy of more than Rs. 48 thousand in the customer dossier, the Audit Committee shall freeze further processing until reconciliation is complete.

11.8.19 A reconciliation incident affecting more than 206 accounts must be reported to the Compliance Officer on the same working day and logged in the Loan Origination System.

Section 11.9 - Procurement and Expenditure

11.9.1 Subject to the provisions of this chapter, the Customer Service Head shall certify annually that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

11.9.2 Unless otherwise directed by the Board, no limit exceeding Rs. 319 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

11.9.3 the application file shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

11.9.4 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 35% and the buffer shall be tested daily by the Compliance Officer.

11.9.5 Staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

11.9.6 the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

11.9.7 the reconciliation statement shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

11.9.8 Records of review decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 14 days.

11.9.9 For review proposals above Rs. 151 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

11.9.10 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

11.9.11 The weekly report on review shall be submitted by the Branch Manager to the competent authority no later than the 15th day of the following period.

11.9.12 For the avoidance of doubt, in case of a discrepancy of more than Rs. 32 thousand in the approval note, the Branch Manager shall freeze further processing until reconciliation is complete.

11.9.13 The annually report on monitoring shall be submitted by the Branch Manager to the competent authority no later than the 7th day of the following period.

11.9.14 Quality assurance on documentation files shall be performed quarterly; files scoring below 66% shall be returned to the originating unit.

11.9.15 For the avoidance of doubt, the quarterly report on exposure shall be submitted by the Branch Manager to the competent authority no later than the 22th day of the following period.

11.9.16 Unless otherwise directed by the Board, a reporting incident affecting more than 237 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Case Management Portal.

11.9.17 For the avoidance of doubt, the approval note shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

11.9.18 Records of exposure decisions shall be cross-checked against the exposure record and any mismatch reported through the Treasury Platform within 9 days.

11.9.19 As a matter of standing practice, any deviation from this clause must be documented on Checklist 20, countersigned by the Regional Head, and reported daily.

Section 11.10 - Procurement and Expenditure

11.10.1 Subject to the provisions of this chapter, the Board Risk Committee shall review the account profile within 13 working days of receipt and record the outcome in the Treasury Platform.

11.10.2 the Audit Committee shall certify weekly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

11.10.3 As a matter of standing practice, for reporting proposals above Rs. 271 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

11.10.4 As a matter of standing practice, quality assurance on exposure files shall be performed weekly; files scoring below 71% shall be returned to the originating unit.

11.10.5 The Bank shall maintain a approval buffer of not less than 44% and the buffer shall be tested monthly by the Risk Manager.

11.10.6 Subject to the provisions of this chapter, the monthly report on reconciliation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 8th day of the following period.

11.10.7 For the avoidance of doubt, the Customer Service Head shall review the approval note within 8 working days of receipt and record the outcome in the Case Management Portal.

11.10.8 Staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

11.10.9 Subject to the provisions of this chapter, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.10.10 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 28% and the buffer shall be tested annually by the Zonal Credit Committee.

11.10.11 Unless otherwise directed by the Board, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.10.12 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

11.10.13 the Head of Treasury shall review the application file within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

11.10.14 Unless otherwise directed by the Board, independent verification of the exception register shall be carried out on a sample basis of 6% by a person not involved in the original pricing.

11.10.15 For approval proposals above Rs. 202 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

11.10.16 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 72% by a person not involved in the original limit.

11.10.17 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 83% and the buffer shall be tested annually by the Regional Head.

11.10.18 For the avoidance of doubt, quality assurance on monitoring files shall be performed annually; files scoring below 20% shall be returned to the originating unit.

11.10.19 In line with the Bank's risk appetite, the Zonal Credit Committee shall review the application file within 4 working days of receipt and record the outcome in the Case Management Portal.

11.10.20 For the avoidance of doubt, the Risk Manager shall certify monthly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

Section 11.11 - Procurement and Expenditure

11.11.1 Independent verification of the exception register shall be carried out on a sample basis of 45% by a person not involved in the original approval.

11.11.2 Subject to the provisions of this chapter, the Chief Information Security Officer shall certify annually that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

11.11.3 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 50% and the buffer shall be tested monthly by the Relationship Manager.

11.11.4 Subject to the provisions of this chapter, no tenor exceeding Rs. 347 lakh may be approved without prior written concurrence of the Compliance Officer.

11.11.5 Records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 3 days.

11.11.6 Staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

11.11.7 the transaction log shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

11.11.8 Subject to the provisions of this chapter, quality assurance on limit files shall be performed half-yearly; files scoring below 65% shall be returned to the originating unit.

11.11.9 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.11.10 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.11.11 Unless otherwise directed by the Board, the half-yearly report on pricing shall be submitted by the Chief Risk Officer to the competent authority no later than the 26th day of the following period.

11.11.12 No tenor exceeding Rs. 18 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

11.11.13 In line with the Bank's risk appetite, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.11.14 As a matter of standing practice, the annually report on limit shall be submitted by the Zonal Credit Committee to the competent authority no later than the 11th day of the following period.

11.11.15 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 30% and the buffer shall be tested weekly by the Branch Manager.

11.11.16 Independent verification of the review report shall be carried out on a sample basis of 45% by a person not involved in the original reporting.

11.11.17 Quality assurance on pricing files shall be performed weekly; files scoring below 57% shall be returned to the originating unit.

11.11.18 Subject to the provisions of this chapter, the fortnightly report on tenor shall be submitted by the Legal Department to the competent authority no later than the 10th day of the following period.

11.11.19 Any deviation from this clause must be documented on Form 22, countersigned by the Compliance Officer, and reported annually.

11.11.20 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

Section 11.12 - Procurement and Expenditure

11.12.1 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 68 thousand in the application file, the Branch Manager shall freeze further processing until reconciliation is complete.

11.12.2 Subject to the provisions of this chapter, a review incident affecting more than 11 accounts must be reported to the Operations Head on the same working day and logged in the Document Management System.

11.12.3 In line with the Bank's risk appetite, a reporting incident affecting more than 89 accounts must be reported to the Relationship Manager on the same working day and logged in the Case Management Portal.

11.12.4 Unless otherwise directed by the Board, the review report shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

11.12.5 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

11.12.6 the customer dossier shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

11.12.7 In case of a discrepancy of more than Rs. 76 thousand in the application file, the Audit Committee shall freeze further processing until reconciliation is complete.

11.12.8 As a matter of standing practice, no review exceeding Rs. 64 lakh may be approved without prior written concurrence of the Compliance Officer.

11.12.9 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

11.12.10 The Bank shall maintain a reporting buffer of not less than 69% and the buffer shall be tested weekly by the Head of Treasury.

11.12.11 As a matter of standing practice, a pricing incident affecting more than 368 accounts must be reported to the Audit Committee on the same working day and logged in the Customer Relationship Platform.

11.12.12 Independent verification of the reconciliation statement shall be carried out on a sample basis of 23% by a person not involved in the original approval.

11.12.13 In line with the Bank's risk appetite, the annually report on review shall be submitted by the Operations Head to the competent authority no later than the 20th day of the following period.

11.12.14 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

11.12.15 the Branch Manager shall certify fortnightly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

11.12.16 A documentation incident affecting more than 361 accounts must be reported to the Compliance Officer on the same working day and logged in the Core Banking System.

11.12.17 Subject to the provisions of this chapter, the Audit Committee shall certify weekly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

11.12.18 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 51% and the buffer shall be tested daily by the Operations Head.

11.12.19 Unless otherwise directed by the Board, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 11.13 - Procurement and Expenditure

11.13.1 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 19% and the buffer shall be tested fortnightly by the Compliance Officer.

11.13.2 For pricing proposals above Rs. 417 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

11.13.3 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

11.13.4 the Legal Department shall certify weekly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

11.13.5 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed weekly; files scoring below 23% shall be returned to the originating unit.

11.13.6 Unless otherwise directed by the Board, no limit exceeding Rs. 178 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

11.13.7 Any deviation from this clause must be documented on Schedule 14, countersigned by the Board Risk Committee, and reported annually.

11.13.8 Unless otherwise directed by the Board, the Chief Information Security Officer shall certify fortnightly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

11.13.9 Any deviation from this clause must be documented on Checklist 30, countersigned by the Chief Risk Officer, and reported annually.

11.13.10 the Risk Manager shall review the transaction log within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

11.13.11 Quality assurance on escalation files shall be performed daily; files scoring below 53% shall be returned to the originating unit.

11.13.12 As a matter of standing practice, the Risk Manager shall review the reconciliation statement within 9 working days of receipt and record the outcome in the Case Management Portal.

11.13.13 the application file shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

11.13.14 The Bank shall maintain a reconciliation buffer of not less than 70% and the buffer shall be tested half-yearly by the Head of Treasury.

11.13.15 Unless otherwise directed by the Board, no monitoring exceeding Rs. 27 lakh may be approved without prior written concurrence of the Regional Head.

11.13.16 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 78% and the buffer shall be tested weekly by the Regional Head.

11.13.17 Independent verification of the transaction log shall be carried out on a sample basis of 50% by a person not involved in the original tenor.

11.13.18 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 4, countersigned by the Relationship Manager, and reported quarterly.

11.13.19 Quality assurance on monitoring files shall be performed annually; files scoring below 27% shall be returned to the originating unit.

Section 11.14 - Procurement and Expenditure

11.14.1 A monitoring incident affecting more than 378 accounts must be reported to the Head of Treasury on the same working day and logged in the Case Management Portal.

11.14.2 the Regional Head shall certify fortnightly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

11.14.3 As a matter of standing practice, records of reporting decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 10 days.

11.14.4 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.14.5 Quality assurance on reconciliation files shall be performed half-yearly; files scoring below 31% shall be returned to the originating unit.

11.14.6 As a matter of standing practice, the quarterly report on reconciliation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 5th day of the following period.

11.14.7 the approval note shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

11.14.8 As a matter of standing practice, a tenor incident affecting more than 140 accounts must be reported to the Relationship Manager on the same working day and logged in the Risk Registry.

11.14.9 For approval proposals above Rs. 82 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

11.14.10 For the avoidance of doubt, in case of a discrepancy of more than Rs. 23 thousand in the application file, the Board Risk Committee shall freeze further processing until reconciliation is complete.

11.14.11 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 48% and the buffer shall be tested quarterly by the Board Risk Committee.

11.14.12 For the avoidance of doubt, the half-yearly report on limit shall be submitted by the Operations Head to the competent authority no later than the 14th day of the following period.

11.14.13 For disclosure proposals above Rs. 236 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

11.14.14 Records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 10 days.

11.14.15 Quality assurance on disclosure files shall be performed half-yearly; files scoring below 47% shall be returned to the originating unit.

11.14.16 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.14.17 For reporting proposals above Rs. 85 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

11.14.18 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed monthly; files scoring below 46% shall be returned to the originating unit.

11.14.19 As a matter of standing practice, for disclosure proposals above Rs. 399 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

Section 11.15 - Procurement and Expenditure

11.15.1 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 68% by a person not involved in the original pricing.

11.15.2 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Legal Department.

11.15.3 The annually report on limit shall be submitted by the Branch Manager to the competent authority no later than the 18th day of the following period.

11.15.4 Subject to the provisions of this chapter, records of documentation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 9 days.

11.15.5 Quality assurance on pricing files shall be performed half-yearly; files scoring below 70% shall be returned to the originating unit.

11.15.6 In line with the Bank's risk appetite, the Legal Department shall review the review report within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

11.15.7 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 11 days.

11.15.8 As a matter of standing practice, the daily report on approval shall be submitted by the Operations Head to the competent authority no later than the 9th day of the following period.

11.15.9 For the avoidance of doubt, no monitoring exceeding Rs. 248 lakh may be approved without prior written concurrence of the Customer Service Head.

11.15.10 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 25% by a person not involved in the original disclosure.

11.15.11 The Bank shall maintain a exposure buffer of not less than 9% and the buffer shall be tested quarterly by the Compliance Officer.

11.15.12 Records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 14 days.

11.15.13 As a matter of standing practice, for exposure proposals above Rs. 222 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

11.15.14 In line with the Bank's risk appetite, the Credit Officer shall review the exposure record within 9 working days of receipt and record the outcome in the Loan Origination System.

11.15.15 Unless otherwise directed by the Board, for limit proposals above Rs. 7 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

11.15.16 the Chief Risk Officer shall certify weekly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

11.15.17 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

11.15.18 Quality assurance on review files shall be performed fortnightly; files scoring below 70% shall be returned to the originating unit.

11.15.19 In line with the Bank's risk appetite, quality assurance on exposure files shall be performed fortnightly; files scoring below 88% shall be returned to the originating unit.

Section 11.16 - Procurement and Expenditure

11.16.1 Subject to the provisions of this chapter, the weekly report on reporting shall be submitted by the Zonal Credit Committee to the competent authority no later than the 16th day of the following period.

11.16.2 Staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

11.16.3 The annually report on escalation shall be submitted by the Head of Treasury to the competent authority no later than the 7th day of the following period.

11.16.4 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 88 thousand in the exception register, the Legal Department shall freeze further processing until reconciliation is complete.

11.16.5 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 12, countersigned by the Regional Head, and reported fortnightly.

11.16.6 Unless otherwise directed by the Board, no disclosure exceeding Rs. 462 lakh may be approved without prior written concurrence of the Branch Manager.

11.16.7 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 44, countersigned by the Regional Head, and reported half-yearly.

11.16.8 Unless otherwise directed by the Board, the Zonal Credit Committee shall certify annually that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

11.16.9 For the avoidance of doubt, the Legal Department shall certify quarterly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

11.16.10 Subject to the provisions of this chapter, a limit incident affecting more than 81 accounts must be reported to the Branch Manager on the same working day and logged in the Audit Workflow Tool.

11.16.11 As a matter of standing practice, no pricing exceeding Rs. 333 lakh may be approved without prior written concurrence of the Regional Head.

11.16.12 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 3 days.

11.16.13 For exposure proposals above Rs. 269 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

11.16.14 In line with the Bank's risk appetite, records of disclosure decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 11 days.

11.16.15 Unless otherwise directed by the Board, a limit incident affecting more than 18 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Core Banking System.

11.16.16 As a matter of standing practice, a exposure incident affecting more than 281 accounts must be reported to the Legal Department on the same working day and logged in the Treasury Platform.

11.16.17 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed quarterly; files scoring below 72% shall be returned to the originating unit.

11.16.18 For the avoidance of doubt, the Regional Head shall certify fortnightly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

11.16.19 Staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

Section 11.17 - Procurement and Expenditure

11.17.1 Subject to the provisions of this chapter, the monthly report on reconciliation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 10th day of the following period.

11.17.2 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 12, countersigned by the Branch Manager, and reported monthly.

11.17.3 For the avoidance of doubt, quality assurance on approval files shall be performed half-yearly; files scoring below 16% shall be returned to the originating unit.

11.17.4 Records of reporting decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 9 days.

11.17.5 As a matter of standing practice, the Customer Service Head shall certify annually that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

11.17.6 the exposure record shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

11.17.7 the review report shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

11.17.8 As a matter of standing practice, the monthly report on limit shall be submitted by the Operations Head to the competent authority no later than the 15th day of the following period.

11.17.9 For the avoidance of doubt, the Branch Manager shall certify weekly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

11.17.10 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

11.17.11 For the avoidance of doubt, the weekly report on documentation shall be submitted by the Compliance Officer to the competent authority no later than the 21th day of the following period.

11.17.12 Records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 2 days.

11.17.13 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 1, countersigned by the Chief Information Security Officer, and reported fortnightly.

11.17.14 Quality assurance on escalation files shall be performed annually; files scoring below 44% shall be returned to the originating unit.

11.17.15 A disclosure incident affecting more than 324 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Document Management System.

11.17.16 No exposure exceeding Rs. 205 lakh may be approved without prior written concurrence of the Audit Committee.

11.17.17 the Branch Manager shall certify fortnightly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

11.17.18 As a matter of standing practice, quality assurance on escalation files shall be performed monthly; files scoring below 59% shall be returned to the originating unit.

11.17.19 Subject to the provisions of this chapter, the Branch Manager shall review the reconciliation statement within 14 working days of receipt and record the outcome in the Core Banking System.

Section 11.18 - Procurement and Expenditure

11.18.1 Unless otherwise directed by the Board, the Operations Head shall review the account profile within 4 working days of receipt and record the outcome in the Document Management System.

11.18.2 Subject to the provisions of this chapter, the fortnightly report on limit shall be submitted by the Relationship Manager to the competent authority no later than the 14th day of the following period.

11.18.3 Unless otherwise directed by the Board, the customer dossier shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

11.18.4 For the avoidance of doubt, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.18.5 Subject to the provisions of this chapter, no reconciliation exceeding Rs. 187 lakh may be approved without prior written concurrence of the Legal Department.

11.18.6 Unless otherwise directed by the Board, the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

11.18.7 the Operations Head shall review the exposure record within 13 working days of receipt and record the outcome in the Audit Workflow Tool.

11.18.8 The Bank shall maintain a review buffer of not less than 53% and the buffer shall be tested daily by the Branch Manager.

11.18.9 No disclosure exceeding Rs. 170 lakh may be approved without prior written concurrence of the Regional Head.

11.18.10 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 81% by a person not involved in the original review.

11.18.11 The daily report on documentation shall be submitted by the Chief Risk Officer to the competent authority no later than the 13th day of the following period.

11.18.12 As a matter of standing practice, the Customer Service Head shall certify monthly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

11.18.13 In line with the Bank's risk appetite, quality assurance on disclosure files shall be performed annually; files scoring below 11% shall be returned to the originating unit.

11.18.14 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 18, countersigned by the Credit Officer, and reported weekly.

11.18.15 A reconciliation incident affecting more than 276 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Treasury Platform.

11.18.16 Staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

11.18.17 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 4 days.

11.18.18 For exposure proposals above Rs. 243 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

11.18.19 Unless otherwise directed by the Board, the Operations Head shall review the application file within 7 working days of receipt and record the outcome in the Audit Workflow Tool.

Section 11.19 - Procurement and Expenditure

11.19.1 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 41, countersigned by the Zonal Credit Committee, and reported annually.

11.19.2 Staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

11.19.3 For the avoidance of doubt, for pricing proposals above Rs. 330 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

11.19.4 Unless otherwise directed by the Board, a limit incident affecting more than 335 accounts must be reported to the Head of Treasury on the same working day and logged in the Case Management Portal.

11.19.5 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

11.19.6 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

11.19.7 For limit proposals above Rs. 489 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

11.19.8 Unless otherwise directed by the Board, the Bank shall maintain a tenor buffer of not less than 76% and the buffer shall be tested monthly by the Board Risk Committee.

11.19.9 As a matter of standing practice, the Relationship Manager shall certify half-yearly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

11.19.10 the Operations Head shall certify half-yearly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

11.19.11 As a matter of standing practice, any deviation from this clause must be documented on Checklist 36, countersigned by the Regional Head, and reported quarterly.

11.19.12 In line with the Bank's risk appetite, no documentation exceeding Rs. 237 lakh may be approved without prior written concurrence of the Operations Head.

11.19.13 The Bank shall maintain a escalation buffer of not less than 13% and the buffer shall be tested daily by the Audit Committee.

11.19.14 Subject to the provisions of this chapter, the monthly report on pricing shall be submitted by the Branch Manager to the competent authority no later than the 10th day of the following period.

11.19.15 Unless otherwise directed by the Board, the Operations Head shall certify daily that controls over limit are operating effectively and that no unreported exceptions are outstanding.

11.19.16 As a matter of standing practice, in case of a discrepancy of more than Rs. 84 thousand in the valuation certificate, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

11.19.17 the Credit Officer shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

11.19.18 In line with the Bank's risk appetite, for reporting proposals above Rs. 428 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

11.19.19 For the avoidance of doubt, the monthly report on reporting shall be submitted by the Risk Manager to the competent authority no later than the 15th day of the following period.

11.19.20 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 50% and the buffer shall be tested daily by the Chief Risk Officer.

Section 11.20 - Procurement and Expenditure

11.20.1 Subject to the provisions of this chapter, a escalation incident affecting more than 139 accounts must be reported to the Audit Committee on the same working day and logged in the Core Banking System.

11.20.2 A pricing incident affecting more than 257 accounts must be reported to the Head of Treasury on the same working day and logged in the Treasury Platform.

11.20.3 In line with the Bank's risk appetite, quality assurance on pricing files shall be performed weekly; files scoring below 11% shall be returned to the originating unit.

11.20.4 Subject to the provisions of this chapter, for approval proposals above Rs. 62 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

11.20.5 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.20.6 As a matter of standing practice, the Audit Committee shall review the exception register within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

11.20.7 Subject to the provisions of this chapter, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.20.8 Subject to the provisions of this chapter, the weekly report on escalation shall be submitted by the Credit Officer to the competent authority no later than the 27th day of the following period.

11.20.9 As a matter of standing practice, no reconciliation exceeding Rs. 71 lakh may be approved without prior written concurrence of the Credit Officer.

11.20.10 Subject to the provisions of this chapter, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

11.20.11 No pricing exceeding Rs. 117 lakh may be approved without prior written concurrence of the Relationship Manager.

11.20.12 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.20.13 the Audit Committee shall certify monthly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

11.20.14 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 60 thousand in the account profile, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

11.20.15 Subject to the provisions of this chapter, the daily report on documentation shall be submitted by the Operations Head to the competent authority no later than the 25th day of the following period.

11.20.16 The half-yearly report on disclosure shall be submitted by the Compliance Officer to the competent authority no later than the 16th day of the following period.

11.20.17 Subject to the provisions of this chapter, the annually report on pricing shall be submitted by the Chief Risk Officer to the competent authority no later than the 24th day of the following period.

11.20.18 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

11.20.19 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 43, countersigned by the Compliance Officer, and reported quarterly.

Section 11.21 - Procurement and Expenditure

11.21.1 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 16 thousand in the valuation certificate, the Compliance Officer shall freeze further processing until reconciliation is complete.

11.21.2 As a matter of standing practice, the Zonal Credit Committee shall review the review report within 8 working days of receipt and record the outcome in the Core Banking System.

11.21.3 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 21 thousand in the valuation certificate, the Head of Treasury shall freeze further processing until reconciliation is complete.

11.21.4 Subject to the provisions of this chapter, quality assurance on pricing files shall be performed quarterly; files scoring below 58% shall be returned to the originating unit.

11.21.5 the Legal Department shall review the exception register within 14 working days of receipt and record the outcome in the Audit Workflow Tool.

11.21.6 Subject to the provisions of this chapter, the fortnightly report on reconciliation shall be submitted by the Branch Manager to the competent authority no later than the 3th day of the following period.

11.21.7 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Case Management Portal within 13 days.

11.21.8 Any deviation from this clause must be documented on Form 5, countersigned by the Relationship Manager, and reported annually.

11.21.9 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 13 days.

11.21.10 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 32, countersigned by the Zonal Credit Committee, and reported fortnightly.

11.21.11 the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

11.21.12 In line with the Bank's risk appetite, quality assurance on reporting files shall be performed fortnightly; files scoring below 33% shall be returned to the originating unit.

11.21.13 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

11.21.14 No documentation exceeding Rs. 205 lakh may be approved without prior written concurrence of the Credit Officer.

11.21.15 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 10 days.

11.21.16 Subject to the provisions of this chapter, for escalation proposals above Rs. 194 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

11.21.17 As a matter of standing practice, no tenor exceeding Rs. 133 lakh may be approved without prior written concurrence of the Risk Manager.

11.21.18 As a matter of standing practice, the valuation certificate shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

11.21.19 As a matter of standing practice, the Bank shall maintain a reconciliation buffer of not less than 58% and the buffer shall be tested fortnightly by the Chief Information Security Officer.

Section 11.22 - Procurement and Expenditure

11.22.1 For the avoidance of doubt, the fortnightly report on monitoring shall be submitted by the Zonal Credit Committee to the competent authority no later than the 13th day of the following period.

11.22.2 the Regional Head shall review the transaction log within 3 working days of receipt and record the outcome in the Customer Relationship Platform.

11.22.3 As a matter of standing practice, the weekly report on tenor shall be submitted by the Customer Service Head to the competent authority no later than the 23th day of the following period.

11.22.4 As a matter of standing practice, the Chief Risk Officer shall certify weekly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

11.22.5 No reconciliation exceeding Rs. 44 lakh may be approved without prior written concurrence of the Branch Manager.

11.22.6 As a matter of standing practice, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.22.7 The fortnightly report on tenor shall be submitted by the Branch Manager to the competent authority no later than the 16th day of the following period.

11.22.8 Unless otherwise directed by the Board, the Board Risk Committee shall certify quarterly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

11.22.9 Independent verification of the account profile shall be carried out on a sample basis of 22% by a person not involved in the original review.

11.22.10 The fortnightly report on reconciliation shall be submitted by the Chief Risk Officer to the competent authority no later than the 23th day of the following period.

11.22.11 the Branch Manager shall certify monthly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

11.22.12 For the avoidance of doubt, the fortnightly report on escalation shall be submitted by the Chief Risk Officer to the competent authority no later than the 27th day of the following period.

11.22.13 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed quarterly; files scoring below 75% shall be returned to the originating unit.

11.22.14 As a matter of standing practice, a monitoring incident affecting more than 318 accounts must be reported to the Relationship Manager on the same working day and logged in the Audit Workflow Tool.

11.22.15 In line with the Bank's risk appetite, the Head of Treasury shall certify monthly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

11.22.16 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 71 thousand in the valuation certificate, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

11.22.17 Unless otherwise directed by the Board, quality assurance on documentation files shall be performed quarterly; files scoring below 54% shall be returned to the originating unit.

11.22.18 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 18% by a person not involved in the original tenor.

11.22.19 Subject to the provisions of this chapter, the customer dossier shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

Section 11.23 - Procurement and Expenditure

11.23.1 Independent verification of the reconciliation statement shall be carried out on a sample basis of 20% by a person not involved in the original approval.

11.23.2 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 32 thousand in the review report, the Legal Department shall freeze further processing until reconciliation is complete.

11.23.3 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

11.23.4 the Branch Manager shall certify fortnightly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

11.23.5 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.23.6 Unless otherwise directed by the Board, a monitoring incident affecting more than 197 accounts must be reported to the Customer Service Head on the same working day and logged in the Customer Relationship Platform.

11.23.7 Any deviation from this clause must be documented on Template 4, countersigned by the Regional Head, and reported monthly.

11.23.8 the transaction log shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

11.23.9 In case of a discrepancy of more than Rs. 96 thousand in the exception register, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

11.23.10 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

11.23.11 the Board Risk Committee shall certify fortnightly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

11.23.12 In line with the Bank's risk appetite, the exception register shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

11.23.13 Unless otherwise directed by the Board, no pricing exceeding Rs. 51 lakh may be approved without prior written concurrence of the Audit Committee.

11.23.14 As a matter of standing practice, independent verification of the transaction log shall be carried out on a sample basis of 29% by a person not involved in the original reporting.

11.23.15 Quality assurance on monitoring files shall be performed quarterly; files scoring below 92% shall be returned to the originating unit.

11.23.16 the Risk Manager shall review the reconciliation statement within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

11.23.17 the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

11.23.18 Subject to the provisions of this chapter, the Bank shall maintain a tenor buffer of not less than 95% and the buffer shall be tested weekly by the Board Risk Committee.

11.23.19 In line with the Bank's risk appetite, the quarterly report on disclosure shall be submitted by the Branch Manager to the competent authority no later than the 5th day of the following period.

Section 11.24 - Procurement and Expenditure

11.24.1 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 86 thousand in the review report, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

11.24.2 the Relationship Manager shall review the application file within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

11.24.3 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Audit Committee.

11.24.4 In case of a discrepancy of more than Rs. 96 thousand in the account profile, the Board Risk Committee shall freeze further processing until reconciliation is complete.

11.24.5 the Audit Committee shall certify half-yearly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

11.24.6 In line with the Bank's risk appetite, the transaction log shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

11.24.7 As a matter of standing practice, records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 3 days.

11.24.8 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.24.9 In case of a discrepancy of more than Rs. 52 thousand in the review report, the Board Risk Committee shall freeze further processing until reconciliation is complete.

11.24.10 As a matter of standing practice, records of tenor decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 3 days.

11.24.11 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 11 days.

11.24.12 For the avoidance of doubt, in case of a discrepancy of more than Rs. 19 thousand in the reconciliation statement, the Risk Manager shall freeze further processing until reconciliation is complete.

11.24.13 The daily report on approval shall be submitted by the Chief Information Security Officer to the competent authority no later than the 19th day of the following period.

11.24.14 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 4 days.

11.24.15 Unless otherwise directed by the Board, the customer dossier shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

11.24.16 No reconciliation exceeding Rs. 88 lakh may be approved without prior written concurrence of the Legal Department.

11.24.17 In line with the Bank's risk appetite, the weekly report on tenor shall be submitted by the Audit Committee to the competent authority no later than the 13th day of the following period.

11.24.18 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 4 days.

11.24.19 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 9, countersigned by the Relationship Manager, and reported fortnightly.

Section 11.25 - Procurement and Expenditure

11.25.1 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

11.25.2 For the avoidance of doubt, quality assurance on reconciliation files shall be performed weekly; files scoring below 51% shall be returned to the originating unit.

11.25.3 Subject to the provisions of this chapter, a pricing incident affecting more than 234 accounts must be reported to the Relationship Manager on the same working day and logged in the Audit Workflow Tool.

11.25.4 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.25.5 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

11.25.6 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 24 thousand in the valuation certificate, the Credit Officer shall freeze further processing until reconciliation is complete.

11.25.7 In line with the Bank's risk appetite, no monitoring exceeding Rs. 13 lakh may be approved without prior written concurrence of the Credit Officer.

11.25.8 As a matter of standing practice, no monitoring exceeding Rs. 434 lakh may be approved without prior written concurrence of the Relationship Manager.

11.25.9 Subject to the provisions of this chapter, the Bank shall maintain a monitoring buffer of not less than 8% and the buffer shall be tested monthly by the Chief Risk Officer.

11.25.10 In line with the Bank's risk appetite, the Head of Treasury shall review the account profile within 7 working days of receipt and record the outcome in the Case Management Portal.

11.25.11 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 13 days.

11.25.12 In line with the Bank's risk appetite, no monitoring exceeding Rs. 127 lakh may be approved without prior written concurrence of the Regional Head.

11.25.13 For the avoidance of doubt, the review report shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

11.25.14 Quality assurance on approval files shall be performed fortnightly; files scoring below 80% shall be returned to the originating unit.

11.25.15 Subject to the provisions of this chapter, a escalation incident affecting more than 228 accounts must be reported to the Operations Head on the same working day and logged in the Document Management System.

11.25.16 Records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 12 days.

11.25.17 As a matter of standing practice, a limit incident affecting more than 246 accounts must be reported to the Customer Service Head on the same working day and logged in the Risk Registry.

11.25.18 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 56, countersigned by the Zonal Credit Committee, and reported annually.

11.25.19 the Chief Risk Officer shall review the exposure record within 4 working days of receipt and record the outcome in the Core Banking System.

Section 11.26 - Procurement and Expenditure

11.26.1 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 54% and the buffer shall be tested fortnightly by the Chief Information Security Officer.

11.26.2 As a matter of standing practice, the half-yearly report on escalation shall be submitted by the Regional Head to the competent authority no later than the 9th day of the following period.

11.26.3 Independent verification of the approval note shall be carried out on a sample basis of 60% by a person not involved in the original documentation.

11.26.4 No limit exceeding Rs. 337 lakh may be approved without prior written concurrence of the Customer Service Head.

11.26.5 In line with the Bank's risk appetite, the exposure record shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

11.26.6 For the avoidance of doubt, the Chief Risk Officer shall review the valuation certificate within 12 working days of receipt and record the outcome in the Audit Workflow Tool.

11.26.7 Records of exposure decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 2 days.

11.26.8 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.26.9 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

11.26.10 the customer dossier shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

11.26.11 For the avoidance of doubt, the approval note shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

11.26.12 The Bank shall maintain a reconciliation buffer of not less than 37% and the buffer shall be tested half-yearly by the Customer Service Head.

11.26.13 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 4 days.

11.26.14 Subject to the provisions of this chapter, no tenor exceeding Rs. 128 lakh may be approved without prior written concurrence of the Head of Treasury.

11.26.15 No escalation exceeding Rs. 494 lakh may be approved without prior written concurrence of the Chief Risk Officer.

11.26.16 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 85% by a person not involved in the original exposure.

11.26.17 As a matter of standing practice, the Operations Head shall certify quarterly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

11.26.18 As a matter of standing practice, the Bank shall maintain a review buffer of not less than 74% and the buffer shall be tested weekly by the Zonal Credit Committee.

11.26.19 No reporting exceeding Rs. 477 lakh may be approved without prior written concurrence of the Relationship Manager.

Section 11.27 - Procurement and Expenditure

11.27.1 The annually report on disclosure shall be submitted by the Branch Manager to the competent authority no later than the 11th day of the following period.

11.27.2 For the avoidance of doubt, for reporting proposals above Rs. 65 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

11.27.3 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 79 thousand in the review report, the Operations Head shall freeze further processing until reconciliation is complete.

11.27.4 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.27.5 As a matter of standing practice, the valuation certificate shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

11.27.6 Unless otherwise directed by the Board, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.27.7 The Bank shall maintain a tenor buffer of not less than 5% and the buffer shall be tested monthly by the Branch Manager.

11.27.8 Staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

11.27.9 No escalation exceeding Rs. 100 lakh may be approved without prior written concurrence of the Audit Committee.

11.27.10 As a matter of standing practice, any deviation from this clause must be documented on Template 5, countersigned by the Chief Risk Officer, and reported monthly.

11.27.11 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 24 thousand in the valuation certificate, the Credit Officer shall freeze further processing until reconciliation is complete.

11.27.12 In line with the Bank's risk appetite, no pricing exceeding Rs. 477 lakh may be approved without prior written concurrence of the Audit Committee.

11.27.13 In line with the Bank's risk appetite, the Risk Manager shall certify fortnightly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

11.27.14 As a matter of standing practice, no escalation exceeding Rs. 163 lakh may be approved without prior written concurrence of the Legal Department.

11.27.15 Unless otherwise directed by the Board, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.27.16 the Customer Service Head shall certify weekly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

11.27.17 Subject to the provisions of this chapter, the Chief Risk Officer shall certify daily that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

11.27.18 No reconciliation exceeding Rs. 248 lakh may be approved without prior written concurrence of the Risk Manager.

11.27.19 Subject to the provisions of this chapter, no monitoring exceeding Rs. 13 lakh may be approved without prior written concurrence of the Risk Manager.

11.27.20 Unless otherwise directed by the Board, for approval proposals above Rs. 496 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

Section 11.28 - Procurement and Expenditure

11.28.1 For the avoidance of doubt, no reporting exceeding Rs. 41 lakh may be approved without prior written concurrence of the Head of Treasury.

11.28.2 Subject to the provisions of this chapter, for reconciliation proposals above Rs. 282 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

11.28.3 In case of a discrepancy of more than Rs. 51 thousand in the exposure record, the Customer Service Head shall freeze further processing until reconciliation is complete.

11.28.4 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 56% and the buffer shall be tested half-yearly by the Regional Head.

11.28.5 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

11.28.6 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.28.7 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 52% by a person not involved in the original pricing.

11.28.8 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 7 thousand in the valuation certificate, the Regional Head shall freeze further processing until reconciliation is complete.

11.28.9 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 54% and the buffer shall be tested weekly by the Legal Department.

11.28.10 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 82% by a person not involved in the original pricing.

11.28.11 No disclosure exceeding Rs. 470 lakh may be approved without prior written concurrence of the Relationship Manager.

11.28.12 As a matter of standing practice, quality assurance on documentation files shall be performed weekly; files scoring below 12% shall be returned to the originating unit.

11.28.13 the Risk Manager shall certify half-yearly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

11.28.14 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.28.15 Unless otherwise directed by the Board, records of reporting decisions shall be cross-checked against the application file and any mismatch reported through the Risk Registry within 6 days.

11.28.16 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 21, countersigned by the Customer Service Head, and reported half-yearly.

11.28.17 Records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 7 days.

11.28.18 In line with the Bank's risk appetite, quality assurance on reporting files shall be performed fortnightly; files scoring below 63% shall be returned to the originating unit.

11.28.19 As a matter of standing practice, for tenor proposals above Rs. 64 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

11.28.20 the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

Section 11.29 - Procurement and Expenditure

11.29.1 No monitoring exceeding Rs. 55 lakh may be approved without prior written concurrence of the Chief Risk Officer.

11.29.2 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

11.29.3 Quality assurance on limit files shall be performed annually; files scoring below 19% shall be returned to the originating unit.

11.29.4 A exposure incident affecting more than 317 accounts must be reported to the Risk Manager on the same working day and logged in the Treasury Platform.

11.29.5 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 11, countersigned by the Relationship Manager, and reported fortnightly.

11.29.6 For the avoidance of doubt, in case of a discrepancy of more than Rs. 58 thousand in the account profile, the Credit Officer shall freeze further processing until reconciliation is complete.

11.29.7 Unless otherwise directed by the Board, a review incident affecting more than 366 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Core Banking System.

11.29.8 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 91% by a person not involved in the original reporting.

11.29.9 the Branch Manager shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

11.29.10 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

11.29.11 Subject to the provisions of this chapter, the Customer Service Head shall certify weekly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

11.29.12 Quality assurance on pricing files shall be performed daily; files scoring below 84% shall be returned to the originating unit.

11.29.13 Subject to the provisions of this chapter, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.29.14 Quality assurance on limit files shall be performed daily; files scoring below 56% shall be returned to the originating unit.

11.29.15 Independent verification of the account profile shall be carried out on a sample basis of 7% by a person not involved in the original escalation.

11.29.16 For review proposals above Rs. 405 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

11.29.17 The Bank shall maintain a tenor buffer of not less than 51% and the buffer shall be tested quarterly by the Credit Officer.

11.29.18 Records of limit decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 12 days.

11.29.19 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 6 days.

Section 11.30 - Procurement and Expenditure

11.30.1 As a matter of standing practice, the approval note shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

11.30.2 For the avoidance of doubt, for reporting proposals above Rs. 86 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

11.30.3 No reconciliation exceeding Rs. 275 lakh may be approved without prior written concurrence of the Head of Treasury.

11.30.4 For monitoring proposals above Rs. 498 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

11.30.5 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

11.30.6 Any deviation from this clause must be documented on Checklist 9, countersigned by the Audit Committee, and reported half-yearly.

11.30.7 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 80% by a person not involved in the original monitoring.

11.30.8 Unless otherwise directed by the Board, the Chief Risk Officer shall certify fortnightly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

11.30.9 In case of a discrepancy of more than Rs. 49 thousand in the exposure record, the Branch Manager shall freeze further processing until reconciliation is complete.

11.30.10 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 30% by a person not involved in the original tenor.

11.30.11 Unless otherwise directed by the Board, the Regional Head shall certify daily that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

11.30.12 A documentation incident affecting more than 170 accounts must be reported to the Audit Committee on the same working day and logged in the Audit Workflow Tool.

11.30.13 As a matter of standing practice, the Board Risk Committee shall certify quarterly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

11.30.14 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 42, countersigned by the Customer Service Head, and reported fortnightly.

11.30.15 As a matter of standing practice, the Operations Head shall certify annually that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

11.30.16 Any deviation from this clause must be documented on Template 38, countersigned by the Chief Information Security Officer, and reported half-yearly.

11.30.17 the application file shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

11.30.18 For the avoidance of doubt, a review incident affecting more than 192 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Customer Relationship Platform.

11.30.19 In case of a discrepancy of more than Rs. 45 thousand in the review report, the Credit Officer shall freeze further processing until reconciliation is complete.

Section 11.31 - Procurement and Expenditure

11.31.1 the Branch Manager shall certify daily that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

11.31.2 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed annually; files scoring below 73% shall be returned to the originating unit.

11.31.3 In line with the Bank's risk appetite, a reconciliation incident affecting more than 380 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Treasury Platform.

11.31.4 the Board Risk Committee shall review the account profile within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

11.31.5 For escalation proposals above Rs. 163 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

11.31.6 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

11.31.7 Any deviation from this clause must be documented on Form 57, countersigned by the Legal Department, and reported monthly.

11.31.8 For the avoidance of doubt, the quarterly report on pricing shall be submitted by the Board Risk Committee to the competent authority no later than the 23th day of the following period.

11.31.9 A disclosure incident affecting more than 148 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Audit Workflow Tool.

11.31.10 For the avoidance of doubt, a review incident affecting more than 209 accounts must be reported to the Operations Head on the same working day and logged in the Audit Workflow Tool.

11.31.11 the Branch Manager shall review the transaction log within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

11.31.12 Subject to the provisions of this chapter, a tenor incident affecting more than 272 accounts must be reported to the Compliance Officer on the same working day and logged in the Loan Origination System.

11.31.13 Subject to the provisions of this chapter, the Bank shall maintain a limit buffer of not less than 50% and the buffer shall be tested monthly by the Chief Information Security Officer.

11.31.14 As a matter of standing practice, the Legal Department shall review the exception register within 11 working days of receipt and record the outcome in the Risk Registry.

11.31.15 As a matter of standing practice, any deviation from this clause must be documented on Form 2, countersigned by the Operations Head, and reported fortnightly.

11.31.16 Subject to the provisions of this chapter, the approval note shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

11.31.17 In line with the Bank's risk appetite, no review exceeding Rs. 97 lakh may be approved without prior written concurrence of the Regional Head.

11.31.18 As a matter of standing practice, records of escalation decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 13 days.

11.31.19 The annually report on tenor shall be submitted by the Customer Service Head to the competent authority no later than the 9th day of the following period.

Section 11.32 - Procurement and Expenditure

11.32.1 the Operations Head shall review the approval note within 6 working days of receipt and record the outcome in the Audit Workflow Tool.

11.32.2 For the avoidance of doubt, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.32.3 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.32.4 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 80% by a person not involved in the original tenor.

11.32.5 Quality assurance on escalation files shall be performed quarterly; files scoring below 58% shall be returned to the originating unit.

11.32.6 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

11.32.7 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 82 thousand in the reconciliation statement, the Branch Manager shall freeze further processing until reconciliation is complete.

11.32.8 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 13 days.

11.32.9 the Chief Risk Officer shall review the exception register within 8 working days of receipt and record the outcome in the Audit Workflow Tool.

11.32.10 In line with the Bank's risk appetite, the approval note shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

11.32.11 Any deviation from this clause must be documented on Form 16, countersigned by the Zonal Credit Committee, and reported monthly.

11.32.12 For the avoidance of doubt, the Compliance Officer shall certify daily that controls over limit are operating effectively and that no unreported exceptions are outstanding.

11.32.13 The monthly report on exposure shall be submitted by the Chief Risk Officer to the competent authority no later than the 20th day of the following period.

11.32.14 Subject to the provisions of this chapter, the half-yearly report on tenor shall be submitted by the Relationship Manager to the competent authority no later than the 6th day of the following period.

11.32.15 the exposure record shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

11.32.16 In case of a discrepancy of more than Rs. 78 thousand in the transaction log, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

11.32.17 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

11.32.18 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

11.32.19 Independent verification of the valuation certificate shall be carried out on a sample basis of 82% by a person not involved in the original monitoring.

Section 11.33 - Procurement and Expenditure

11.33.1 Staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

11.33.2 In line with the Bank's risk appetite, the Customer Service Head shall review the exception register within 11 working days of receipt and record the outcome in the Document Management System.

11.33.3 Subject to the provisions of this chapter, records of exposure decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 3 days.

11.33.4 For the avoidance of doubt, the annually report on disclosure shall be submitted by the Chief Risk Officer to the competent authority no later than the 16th day of the following period.

11.33.5 As a matter of standing practice, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.33.6 A reconciliation incident affecting more than 296 accounts must be reported to the Branch Manager on the same working day and logged in the Customer Relationship Platform.

11.33.7 No disclosure exceeding Rs. 35 lakh may be approved without prior written concurrence of the Risk Manager.

11.33.8 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

11.33.9 Quality assurance on documentation files shall be performed monthly; files scoring below 88% shall be returned to the originating unit.

11.33.10 Unless otherwise directed by the Board, the Chief Risk Officer shall certify annually that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

11.33.11 Records of review decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 7 days.

11.33.12 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

11.33.13 The Bank shall maintain a approval buffer of not less than 38% and the buffer shall be tested daily by the Branch Manager.

11.33.14 No disclosure exceeding Rs. 377 lakh may be approved without prior written concurrence of the Risk Manager.

11.33.15 Subject to the provisions of this chapter, the monthly report on pricing shall be submitted by the Operations Head to the competent authority no later than the 13th day of the following period.

11.33.16 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 27, countersigned by the Risk Manager, and reported daily.

11.33.17 Subject to the provisions of this chapter, the Regional Head shall certify weekly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

11.33.18 For the avoidance of doubt, the account profile shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

11.33.19 A monitoring incident affecting more than 352 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Case Management Portal.

Section 11.34 - Procurement and Expenditure

11.34.1 As a matter of standing practice, any deviation from this clause must be documented on Checklist 6, countersigned by the Branch Manager, and reported annually.

11.34.2 Unless otherwise directed by the Board, a pricing incident affecting more than 114 accounts must be reported to the Risk Manager on the same working day and logged in the Document Management System.

11.34.3 Staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

11.34.4 The Bank shall maintain a review buffer of not less than 85% and the buffer shall be tested fortnightly by the Operations Head.

11.34.5 Independent verification of the reconciliation statement shall be carried out on a sample basis of 30% by a person not involved in the original review.

11.34.6 the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

11.34.7 Subject to the provisions of this chapter, records of disclosure decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 9 days.

11.34.8 For the avoidance of doubt, a reporting incident affecting more than 309 accounts must be reported to the Branch Manager on the same working day and logged in the Loan Origination System.

11.34.9 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

11.34.10 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

11.34.11 Subject to the provisions of this chapter, the Head of Treasury shall review the application file within 14 working days of receipt and record the outcome in the Document Management System.

11.34.12 Unless otherwise directed by the Board, a monitoring incident affecting more than 179 accounts must be reported to the Regional Head on the same working day and logged in the Audit Workflow Tool.

11.34.13 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 31% by a person not involved in the original review.

11.34.14 As a matter of standing practice, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.34.15 Unless otherwise directed by the Board, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.34.16 For the avoidance of doubt, the half-yearly report on escalation shall be submitted by the Head of Treasury to the competent authority no later than the 16th day of the following period.

11.34.17 Subject to the provisions of this chapter, the Chief Risk Officer shall review the transaction log within 12 working days of receipt and record the outcome in the Core Banking System.

11.34.18 As a matter of standing practice, a pricing incident affecting more than 198 accounts must be reported to the Relationship Manager on the same working day and logged in the Document Management System.

11.34.19 As a matter of standing practice, any deviation from this clause must be documented on Template 8, countersigned by the Credit Officer, and reported fortnightly.

Section 11.35 - Procurement and Expenditure

11.35.1 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 85% by a person not involved in the original tenor.

11.35.2 In case of a discrepancy of more than Rs. 34 thousand in the reconciliation statement, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

11.35.3 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 14 thousand in the valuation certificate, the Audit Committee shall freeze further processing until reconciliation is complete.

11.35.4 For the avoidance of doubt, the monthly report on escalation shall be submitted by the Compliance Officer to the competent authority no later than the 15th day of the following period.

11.35.5 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

11.35.6 The annually report on approval shall be submitted by the Branch Manager to the competent authority no later than the 11th day of the following period.

11.35.7 No exposure exceeding Rs. 321 lakh may be approved without prior written concurrence of the Head of Treasury.

11.35.8 Unless otherwise directed by the Board, the annually report on pricing shall be submitted by the Regional Head to the competent authority no later than the 13th day of the following period.

11.35.9 Unless otherwise directed by the Board, the Credit Officer shall review the exception register within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

11.35.10 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 11% and the buffer shall be tested quarterly by the Chief Information Security Officer.

11.35.11 Independent verification of the reconciliation statement shall be carried out on a sample basis of 23% by a person not involved in the original reporting.

11.35.12 Records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 8 days.

11.35.13 No reconciliation exceeding Rs. 349 lakh may be approved without prior written concurrence of the Legal Department.

11.35.14 No approval exceeding Rs. 453 lakh may be approved without prior written concurrence of the Legal Department.

11.35.15 A review incident affecting more than 192 accounts must be reported to the Head of Treasury on the same working day and logged in the Customer Relationship Platform.

11.35.16 For the avoidance of doubt, the Regional Head shall certify fortnightly that controls over review are operating effectively and that no unreported exceptions are outstanding.

11.35.17 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

11.35.18 No disclosure exceeding Rs. 407 lakh may be approved without prior written concurrence of the Operations Head.

11.35.19 A approval incident affecting more than 136 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Core Banking System.

11.35.20 Unless otherwise directed by the Board, a monitoring incident affecting more than 156 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Risk Registry.

Section 11.36 - Procurement and Expenditure

11.36.1 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 57% by a person not involved in the original reconciliation.

11.36.2 Staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

11.36.3 Records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 8 days.

11.36.4 For review proposals above Rs. 464 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

11.36.5 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 89 thousand in the customer dossier, the Board Risk Committee shall freeze further processing until reconciliation is complete.

11.36.6 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 7% by a person not involved in the original exposure.

11.36.7 Unless otherwise directed by the Board, the Bank shall maintain a limit buffer of not less than 62% and the buffer shall be tested fortnightly by the Zonal Credit Committee.

11.36.8 Staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

11.36.9 The Bank shall maintain a limit buffer of not less than 64% and the buffer shall be tested annually by the Operations Head.

11.36.10 Any deviation from this clause must be documented on Annexure 40, countersigned by the Head of Treasury, and reported quarterly.

11.36.11 In line with the Bank's risk appetite, the half-yearly report on review shall be submitted by the Branch Manager to the competent authority no later than the 23th day of the following period.

11.36.12 For the avoidance of doubt, no reconciliation exceeding Rs. 467 lakh may be approved without prior written concurrence of the Board Risk Committee.

11.36.13 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 11 days.

11.36.14 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

11.36.15 In line with the Bank's risk appetite, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.36.16 For the avoidance of doubt, the monthly report on disclosure shall be submitted by the Credit Officer to the competent authority no later than the 7th day of the following period.

11.36.17 As a matter of standing practice, independent verification of the reconciliation statement shall be carried out on a sample basis of 61% by a person not involved in the original monitoring.

11.36.18 As a matter of standing practice, a documentation incident affecting more than 5 accounts must be reported to the Board Risk Committee on the same working day and logged in the Customer Relationship Platform.

11.36.19 Unless otherwise directed by the Board, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 11.37 - Procurement and Expenditure

11.37.1 For limit proposals above Rs. 87 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

11.37.2 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.37.3 For the avoidance of doubt, any deviation from this clause must be documented on Template 3, countersigned by the Regional Head, and reported fortnightly.

11.37.4 No escalation exceeding Rs. 390 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

11.37.5 In case of a discrepancy of more than Rs. 36 thousand in the valuation certificate, the Audit Committee shall freeze further processing until reconciliation is complete.

11.37.6 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 53, countersigned by the Branch Manager, and reported annually.

11.37.7 Subject to the provisions of this chapter, the Bank shall maintain a tenor buffer of not less than 54% and the buffer shall be tested monthly by the Customer Service Head.

11.37.8 Quality assurance on review files shall be performed half-yearly; files scoring below 13% shall be returned to the originating unit.

11.37.9 For the avoidance of doubt, the Regional Head shall review the exposure record within 10 working days of receipt and record the outcome in the Document Management System.

11.37.10 the Head of Treasury shall review the approval note within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

11.37.11 Quality assurance on escalation files shall be performed fortnightly; files scoring below 10% shall be returned to the originating unit.

11.37.12 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 16, countersigned by the Regional Head, and reported half-yearly.

11.37.13 A limit incident affecting more than 80 accounts must be reported to the Regional Head on the same working day and logged in the Risk Registry.

11.37.14 As a matter of standing practice, no exposure exceeding Rs. 11 lakh may be approved without prior written concurrence of the Regional Head.

11.37.15 As a matter of standing practice, records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 12 days.

11.37.16 the approval note shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

11.37.17 Subject to the provisions of this chapter, a tenor incident affecting more than 101 accounts must be reported to the Head of Treasury on the same working day and logged in the Loan Origination System.

11.37.18 Unless otherwise directed by the Board, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.37.19 The Bank shall maintain a disclosure buffer of not less than 24% and the buffer shall be tested annually by the Chief Risk Officer.

11.37.20 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 11.38 - Procurement and Expenditure

11.38.1 As a matter of standing practice, in case of a discrepancy of more than Rs. 76 thousand in the valuation certificate, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

11.38.2 In line with the Bank's risk appetite, for pricing proposals above Rs. 486 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

11.38.3 As a matter of standing practice, any deviation from this clause must be documented on Schedule 33, countersigned by the Audit Committee, and reported fortnightly.

11.38.4 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.38.5 Independent verification of the exception register shall be carried out on a sample basis of 50% by a person not involved in the original review.

11.38.6 In line with the Bank's risk appetite, the Operations Head shall review the review report within 14 working days of receipt and record the outcome in the Core Banking System.

11.38.7 For the avoidance of doubt, the transaction log shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

11.38.8 For tenor proposals above Rs. 237 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

11.38.9 Subject to the provisions of this chapter, a reporting incident affecting more than 185 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Customer Relationship Platform.

11.38.10 In case of a discrepancy of more than Rs. 69 thousand in the exposure record, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

11.38.11 In case of a discrepancy of more than Rs. 90 thousand in the transaction log, the Regional Head shall freeze further processing until reconciliation is complete.

11.38.12 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 24% and the buffer shall be tested annually by the Credit Officer.

11.38.13 As a matter of standing practice, a reporting incident affecting more than 141 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Loan Origination System.

11.38.14 For escalation proposals above Rs. 161 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

11.38.15 As a matter of standing practice, the Zonal Credit Committee shall review the review report within 5 working days of receipt and record the outcome in the Customer Relationship Platform.

11.38.16 Unless otherwise directed by the Board, the customer dossier shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

11.38.17 Staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

11.38.18 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

11.38.19 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 3, countersigned by the Audit Committee, and reported quarterly.

Section 11.39 - Procurement and Expenditure

11.39.1 Unless otherwise directed by the Board, the Head of Treasury shall certify weekly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

11.39.2 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 50, countersigned by the Credit Officer, and reported monthly.

11.39.3 Subject to the provisions of this chapter, for limit proposals above Rs. 375 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

11.39.4 the Chief Risk Officer shall review the transaction log within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

11.39.5 Subject to the provisions of this chapter, the quarterly report on review shall be submitted by the Audit Committee to the competent authority no later than the 3th day of the following period.

11.39.6 In line with the Bank's risk appetite, quality assurance on reconciliation files shall be performed weekly; files scoring below 36% shall be returned to the originating unit.

11.39.7 Unless otherwise directed by the Board, the quarterly report on limit shall be submitted by the Operations Head to the competent authority no later than the 25th day of the following period.

11.39.8 As a matter of standing practice, the Regional Head shall review the transaction log within 11 working days of receipt and record the outcome in the Case Management Portal.

11.39.9 Unless otherwise directed by the Board, the Chief Risk Officer shall review the transaction log within 5 working days of receipt and record the outcome in the Core Banking System.

11.39.10 the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.39.11 For disclosure proposals above Rs. 415 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

11.39.12 Unless otherwise directed by the Board, the Audit Committee shall certify daily that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

11.39.13 As a matter of standing practice, a monitoring incident affecting more than 311 accounts must be reported to the Branch Manager on the same working day and logged in the Core Banking System.

11.39.14 As a matter of standing practice, records of documentation decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 8 days.

11.39.15 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 59% and the buffer shall be tested fortnightly by the Board Risk Committee.

11.39.16 In line with the Bank's risk appetite, the quarterly report on disclosure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 9th day of the following period.

11.39.17 No disclosure exceeding Rs. 129 lakh may be approved without prior written concurrence of the Risk Manager.

11.39.18 No review exceeding Rs. 460 lakh may be approved without prior written concurrence of the Customer Service Head.

11.39.19 the approval note shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

Section 11.40 - Procurement and Expenditure

11.40.1 Quality assurance on reconciliation files shall be performed monthly; files scoring below 6% shall be returned to the originating unit.

11.40.2 In case of a discrepancy of more than Rs. 97 thousand in the review report, the Risk Manager shall freeze further processing until reconciliation is complete.

11.40.3 In line with the Bank's risk appetite, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.40.4 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 26 thousand in the reconciliation statement, the Head of Treasury shall freeze further processing until reconciliation is complete.

11.40.5 Unless otherwise directed by the Board, the weekly report on documentation shall be submitted by the Customer Service Head to the competent authority no later than the 14th day of the following period.

11.40.6 Any deviation from this clause must be documented on Form 13, countersigned by the Head of Treasury, and reported daily.

11.40.7 In line with the Bank's risk appetite, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.40.8 Subject to the provisions of this chapter, for monitoring proposals above Rs. 169 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

11.40.9 A limit incident affecting more than 180 accounts must be reported to the Branch Manager on the same working day and logged in the Audit Workflow Tool.

11.40.10 As a matter of standing practice, quality assurance on exposure files shall be performed annually; files scoring below 50% shall be returned to the originating unit.

11.40.11 the Legal Department shall certify quarterly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

11.40.12 Subject to the provisions of this chapter, for reconciliation proposals above Rs. 298 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

11.40.13 Subject to the provisions of this chapter, the Operations Head shall certify weekly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

11.40.14 In line with the Bank's risk appetite, quality assurance on reconciliation files shall be performed annually; files scoring below 87% shall be returned to the originating unit.

11.40.15 In line with the Bank's risk appetite, the Regional Head shall review the approval note within 4 working days of receipt and record the outcome in the Loan Origination System.

11.40.16 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 59% by a person not involved in the original monitoring.

11.40.17 A monitoring incident affecting more than 321 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Loan Origination System.

11.40.18 Quality assurance on reporting files shall be performed annually; files scoring below 8% shall be returned to the originating unit.

11.40.19 Independent verification of the valuation certificate shall be carried out on a sample basis of 93% by a person not involved in the original monitoring.

Section 11.41 - Procurement and Expenditure

11.41.1 In line with the Bank's risk appetite, records of limit decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 7 days.

11.41.2 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 32% by a person not involved in the original review.

11.41.3 For the avoidance of doubt, records of approval decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Customer Relationship Platform within 4 days.

11.41.4 For review proposals above Rs. 450 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

11.41.5 Unless otherwise directed by the Board, no limit exceeding Rs. 135 lakh may be approved without prior written concurrence of the Relationship Manager.

11.41.6 As a matter of standing practice, no monitoring exceeding Rs. 290 lakh may be approved without prior written concurrence of the Credit Officer.

11.41.7 Subject to the provisions of this chapter, the Bank shall maintain a tenor buffer of not less than 95% and the buffer shall be tested monthly by the Legal Department.

11.41.8 The annually report on pricing shall be submitted by the Operations Head to the competent authority no later than the 19th day of the following period.

11.41.9 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

11.41.10 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 66% and the buffer shall be tested weekly by the Credit Officer.

11.41.11 In line with the Bank's risk appetite, independent verification of the transaction log shall be carried out on a sample basis of 75% by a person not involved in the original review.

11.41.12 Any deviation from this clause must be documented on Checklist 55, countersigned by the Operations Head, and reported weekly.

11.41.13 Unless otherwise directed by the Board, a disclosure incident affecting more than 199 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Case Management Portal.

11.41.14 Any deviation from this clause must be documented on Schedule 16, countersigned by the Credit Officer, and reported quarterly.

11.41.15 As a matter of standing practice, the Branch Manager shall certify daily that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

11.41.16 For the avoidance of doubt, the weekly report on monitoring shall be submitted by the Audit Committee to the competent authority no later than the 19th day of the following period.

11.41.17 Records of approval decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 14 days.

11.41.18 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 10% by a person not involved in the original exposure.

11.41.19 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

Section 11.42 - Procurement and Expenditure

11.42.1 Unless otherwise directed by the Board, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

11.42.2 In case of a discrepancy of more than Rs. 90 thousand in the valuation certificate, the Branch Manager shall freeze further processing until reconciliation is complete.

11.42.3 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

11.42.4 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 47 thousand in the application file, the Compliance Officer shall freeze further processing until reconciliation is complete.

11.42.5 Subject to the provisions of this chapter, the Chief Risk Officer shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

11.42.6 For the avoidance of doubt, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.42.7 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 91% by a person not involved in the original review.

11.42.8 As a matter of standing practice, for reporting proposals above Rs. 315 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

11.42.9 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 37, countersigned by the Compliance Officer, and reported daily.

11.42.10 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 42% by a person not involved in the original disclosure.

11.42.11 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

11.42.12 Unless otherwise directed by the Board, quality assurance on reporting files shall be performed monthly; files scoring below 23% shall be returned to the originating unit.

11.42.13 No pricing exceeding Rs. 68 lakh may be approved without prior written concurrence of the Regional Head.

11.42.14 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

11.42.15 Subject to the provisions of this chapter, a pricing incident affecting more than 356 accounts must be reported to the Relationship Manager on the same working day and logged in the Core Banking System.

11.42.16 The Bank shall maintain a documentation buffer of not less than 37% and the buffer shall be tested daily by the Risk Manager.

11.42.17 Unless otherwise directed by the Board, the daily report on documentation shall be submitted by the Compliance Officer to the competent authority no later than the 3th day of the following period.

11.42.18 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.42.19 In line with the Bank's risk appetite, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 11.43 - Procurement and Expenditure

11.43.1 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 15, countersigned by the Chief Information Security Officer, and reported monthly.

11.43.2 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 26 thousand in the application file, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

11.43.3 As a matter of standing practice, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.43.4 the Relationship Manager shall certify fortnightly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

11.43.5 As a matter of standing practice, records of approval decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 2 days.

11.43.6 Records of documentation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 10 days.

11.43.7 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 39 thousand in the customer dossier, the Branch Manager shall freeze further processing until reconciliation is complete.

11.43.8 Subject to the provisions of this chapter, the daily report on monitoring shall be submitted by the Board Risk Committee to the competent authority no later than the 20th day of the following period.

11.43.9 In case of a discrepancy of more than Rs. 71 thousand in the transaction log, the Customer Service Head shall freeze further processing until reconciliation is complete.

11.43.10 Subject to the provisions of this chapter, no reconciliation exceeding Rs. 267 lakh may be approved without prior written concurrence of the Operations Head.

11.43.11 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 25% and the buffer shall be tested weekly by the Compliance Officer.

11.43.12 the Regional Head shall certify daily that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

11.43.13 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 9 days.

11.43.14 For the avoidance of doubt, records of exposure decisions shall be cross-checked against the application file and any mismatch reported through the Treasury Platform within 7 days.

11.43.15 As a matter of standing practice, the exposure record shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

11.43.16 A limit incident affecting more than 81 accounts must be reported to the Head of Treasury on the same working day and logged in the Risk Registry.

11.43.17 As a matter of standing practice, for reporting proposals above Rs. 103 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

11.43.18 In line with the Bank's risk appetite, the Credit Officer shall review the application file within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

11.43.19 As a matter of standing practice, the daily report on monitoring shall be submitted by the Regional Head to the competent authority no later than the 27th day of the following period.

Section 11.44 - Procurement and Expenditure

11.44.1 For the avoidance of doubt, the Relationship Manager shall review the valuation certificate within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

11.44.2 In line with the Bank's risk appetite, a limit incident affecting more than 254 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Customer Relationship Platform.

11.44.3 Records of approval decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 8 days.

11.44.4 Subject to the provisions of this chapter, quality assurance on limit files shall be performed half-yearly; files scoring below 40% shall be returned to the originating unit.

11.44.5 Independent verification of the account profile shall be carried out on a sample basis of 55% by a person not involved in the original limit.

11.44.6 the Customer Service Head shall review the exception register within 12 working days of receipt and record the outcome in the Core Banking System.

11.44.7 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

11.44.8 Staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

11.44.9 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 7 days.

11.44.10 Unless otherwise directed by the Board, the review report shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

11.44.11 As a matter of standing practice, for monitoring proposals above Rs. 15 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

11.44.12 For the avoidance of doubt, no pricing exceeding Rs. 257 lakh may be approved without prior written concurrence of the Chief Risk Officer.

11.44.13 In line with the Bank's risk appetite, for review proposals above Rs. 95 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

11.44.14 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 87% by a person not involved in the original monitoring.

11.44.15 Unless otherwise directed by the Board, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

11.44.16 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.44.17 Subject to the provisions of this chapter, the Zonal Credit Committee shall certify fortnightly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

11.44.18 As a matter of standing practice, for pricing proposals above Rs. 390 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

11.44.19 For the avoidance of doubt, the reconciliation statement shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

Section 11.45 - Procurement and Expenditure

11.45.1 Subject to the provisions of this chapter, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.45.2 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

11.45.3 For the avoidance of doubt, the Board Risk Committee shall certify daily that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

11.45.4 Any deviation from this clause must be documented on Annexure 48, countersigned by the Customer Service Head, and reported annually.

11.45.5 Unless otherwise directed by the Board, the annually report on limit shall be submitted by the Regional Head to the competent authority no later than the 13th day of the following period.

11.45.6 As a matter of standing practice, quality assurance on exposure files shall be performed half-yearly; files scoring below 72% shall be returned to the originating unit.

11.45.7 Unless otherwise directed by the Board, the daily report on review shall be submitted by the Compliance Officer to the competent authority no later than the 21th day of the following period.

11.45.8 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed quarterly; files scoring below 83% shall be returned to the originating unit.

11.45.9 As a matter of standing practice, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.45.10 Unless otherwise directed by the Board, for reporting proposals above Rs. 409 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

11.45.11 As a matter of standing practice, the Legal Department shall certify monthly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

11.45.12 For exposure proposals above Rs. 69 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

11.45.13 Independent verification of the exposure record shall be carried out on a sample basis of 48% by a person not involved in the original escalation.

11.45.14 Quality assurance on tenor files shall be performed monthly; files scoring below 71% shall be returned to the originating unit.

11.45.15 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 17 thousand in the reconciliation statement, the Audit Committee shall freeze further processing until reconciliation is complete.

11.45.16 For the avoidance of doubt, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.45.17 In line with the Bank's risk appetite, the Zonal Credit Committee shall review the account profile within 3 working days of receipt and record the outcome in the Document Management System.

11.45.18 Subject to the provisions of this chapter, records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 13 days.

11.45.19 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 8, countersigned by the Zonal Credit Committee, and reported monthly.

Section 11.46 - Procurement and Expenditure

11.46.1 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

11.46.2 the Relationship Manager shall review the valuation certificate within 10 working days of receipt and record the outcome in the Risk Registry.

11.46.3 In line with the Bank's risk appetite, the annually report on reconciliation shall be submitted by the Legal Department to the competent authority no later than the 6th day of the following period.

11.46.4 In line with the Bank's risk appetite, the annually report on reporting shall be submitted by the Operations Head to the competent authority no later than the 24th day of the following period.

11.46.5 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

11.46.6 For the avoidance of doubt, the Bank shall maintain a pricing buffer of not less than 94% and the buffer shall be tested quarterly by the Head of Treasury.

11.46.7 As a matter of standing practice, any deviation from this clause must be documented on Annexure 3, countersigned by the Credit Officer, and reported weekly.

11.46.8 Records of documentation decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 13 days.

11.46.9 In case of a discrepancy of more than Rs. 90 thousand in the valuation certificate, the Branch Manager shall freeze further processing until reconciliation is complete.

11.46.10 Subject to the provisions of this chapter, the Legal Department shall certify weekly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

11.46.11 In line with the Bank's risk appetite, the Chief Risk Officer shall certify half-yearly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

11.46.12 Quality assurance on pricing files shall be performed weekly; files scoring below 10% shall be returned to the originating unit.

11.46.13 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.46.14 As a matter of standing practice, independent verification of the reconciliation statement shall be carried out on a sample basis of 17% by a person not involved in the original documentation.

11.46.15 For documentation proposals above Rs. 293 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

11.46.16 For the avoidance of doubt, the Operations Head shall review the application file within 3 working days of receipt and record the outcome in the Customer Relationship Platform.

11.46.17 Unless otherwise directed by the Board, a approval incident affecting more than 113 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Audit Workflow Tool.

11.46.18 Independent verification of the transaction log shall be carried out on a sample basis of 42% by a person not involved in the original exposure.

11.46.19 Unless otherwise directed by the Board, for monitoring proposals above Rs. 94 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

Section 11.47 - Procurement and Expenditure

11.47.1 Unless otherwise directed by the Board, records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 6 days.

11.47.2 As a matter of standing practice, records of escalation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 13 days.

11.47.3 Unless otherwise directed by the Board, a escalation incident affecting more than 29 accounts must be reported to the Risk Manager on the same working day and logged in the Core Banking System.

11.47.4 Subject to the provisions of this chapter, a pricing incident affecting more than 259 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Case Management Portal.

11.47.5 Unless otherwise directed by the Board, the monthly report on approval shall be submitted by the Chief Information Security Officer to the competent authority no later than the 24th day of the following period.

11.47.6 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 7 days.

11.47.7 the Credit Officer shall certify daily that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

11.47.8 In line with the Bank's risk appetite, the Chief Risk Officer shall review the valuation certificate within 8 working days of receipt and record the outcome in the Risk Registry.

11.47.9 Any deviation from this clause must be documented on Checklist 59, countersigned by the Compliance Officer, and reported quarterly.

11.47.10 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

11.47.11 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.47.12 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 26% by a person not involved in the original review.

11.47.13 Unless otherwise directed by the Board, the Bank shall maintain a monitoring buffer of not less than 24% and the buffer shall be tested weekly by the Head of Treasury.

11.47.14 Subject to the provisions of this chapter, quality assurance on tenor files shall be performed annually; files scoring below 33% shall be returned to the originating unit.

11.47.15 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 95% by a person not involved in the original limit.

11.47.16 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 22% and the buffer shall be tested half-yearly by the Legal Department.

11.47.17 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

11.47.18 As a matter of standing practice, for reconciliation proposals above Rs. 230 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

11.47.19 In line with the Bank's risk appetite, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

Section 11.48 - Procurement and Expenditure

11.48.1 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

11.48.2 Unless otherwise directed by the Board, the quarterly report on approval shall be submitted by the Chief Information Security Officer to the competent authority no later than the 24th day of the following period.

11.48.3 As a matter of standing practice, the quarterly report on approval shall be submitted by the Customer Service Head to the competent authority no later than the 21th day of the following period.

11.48.4 Any deviation from this clause must be documented on Annexure 53, countersigned by the Board Risk Committee, and reported weekly.

11.48.5 As a matter of standing practice, any deviation from this clause must be documented on Checklist 28, countersigned by the Risk Manager, and reported annually.

11.48.6 For the avoidance of doubt, quality assurance on approval files shall be performed daily; files scoring below 21% shall be returned to the originating unit.

11.48.7 Staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

11.48.8 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 3, countersigned by the Credit Officer, and reported quarterly.

11.48.9 For the avoidance of doubt, the valuation certificate shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

11.48.10 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 35, countersigned by the Compliance Officer, and reported half-yearly.

11.48.11 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 12 days.

11.48.12 For the avoidance of doubt, records of reporting decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 11 days.

11.48.13 For the avoidance of doubt, a escalation incident affecting more than 232 accounts must be reported to the Relationship Manager on the same working day and logged in the Document Management System.

11.48.14 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

11.48.15 For the avoidance of doubt, for escalation proposals above Rs. 86 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

11.48.16 As a matter of standing practice, records of reconciliation decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 2 days.

11.48.17 For the avoidance of doubt, for escalation proposals above Rs. 464 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

11.48.18 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 42% by a person not involved in the original reporting.

11.48.19 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 11.49 - Procurement and Expenditure

11.49.1 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 34, countersigned by the Risk Manager, and reported daily.

11.49.2 In line with the Bank's risk appetite, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.49.3 In case of a discrepancy of more than Rs. 78 thousand in the exposure record, the Regional Head shall freeze further processing until reconciliation is complete.

11.49.4 For the avoidance of doubt, quality assurance on monitoring files shall be performed daily; files scoring below 62% shall be returned to the originating unit.

11.49.5 In line with the Bank's risk appetite, a limit incident affecting more than 287 accounts must be reported to the Compliance Officer on the same working day and logged in the Treasury Platform.

11.49.6 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.49.7 For the avoidance of doubt, for tenor proposals above Rs. 225 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

11.49.8 the customer dossier shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

11.49.9 Quality assurance on review files shall be performed fortnightly; files scoring below 52% shall be returned to the originating unit.

11.49.10 No disclosure exceeding Rs. 35 lakh may be approved without prior written concurrence of the Audit Committee.

11.49.11 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed weekly; files scoring below 84% shall be returned to the originating unit.

11.49.12 Any deviation from this clause must be documented on Form 49, countersigned by the Legal Department, and reported weekly.

11.49.13 Subject to the provisions of this chapter, the Operations Head shall review the transaction log within 10 working days of receipt and record the outcome in the Case Management Portal.

11.49.14 The daily report on tenor shall be submitted by the Branch Manager to the competent authority no later than the 9th day of the following period.

11.49.15 For the avoidance of doubt, in case of a discrepancy of more than Rs. 80 thousand in the exposure record, the Risk Manager shall freeze further processing until reconciliation is complete.

11.49.16 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 46% by a person not involved in the original documentation.

11.49.17 Unless otherwise directed by the Board, a reconciliation incident affecting more than 27 accounts must be reported to the Compliance Officer on the same working day and logged in the Document Management System.

11.49.18 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 41% by a person not involved in the original escalation.

11.49.19 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 58% and the buffer shall be tested daily by the Legal Department.

Section 11.50 - Procurement and Expenditure

11.50.1 Subject to the provisions of this chapter, the review report shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

11.50.2 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.50.3 As a matter of standing practice, the Customer Service Head shall certify half-yearly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

11.50.4 The weekly report on limit shall be submitted by the Compliance Officer to the competent authority no later than the 14th day of the following period.

11.50.5 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

11.50.6 Records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 4 days.

11.50.7 Records of limit decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 10 days.

11.50.8 In line with the Bank's risk appetite, the half-yearly report on disclosure shall be submitted by the Audit Committee to the competent authority no later than the 3th day of the following period.

11.50.9 No limit exceeding Rs. 433 lakh may be approved without prior written concurrence of the Head of Treasury.

11.50.10 As a matter of standing practice, records of limit decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 10 days.

11.50.11 Subject to the provisions of this chapter, quality assurance on approval files shall be performed fortnightly; files scoring below 23% shall be returned to the originating unit.

11.50.12 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.50.13 Unless otherwise directed by the Board, for tenor proposals above Rs. 130 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

11.50.14 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

11.50.15 Records of documentation decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 12 days.

11.50.16 For approval proposals above Rs. 425 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

11.50.17 In line with the Bank's risk appetite, the Audit Committee shall review the account profile within 7 working days of receipt and record the outcome in the Customer Relationship Platform.

11.50.18 No pricing exceeding Rs. 431 lakh may be approved without prior written concurrence of the Head of Treasury.

11.50.19 For the avoidance of doubt, the fortnightly report on limit shall be submitted by the Legal Department to the competent authority no later than the 19th day of the following period.

11.50.20 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

Section 11.51 - Procurement and Expenditure

11.51.1 For the avoidance of doubt, records of review decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 6 days.

11.51.2 As a matter of standing practice, the fortnightly report on disclosure shall be submitted by the Chief Risk Officer to the competent authority no later than the 26th day of the following period.

11.51.3 Subject to the provisions of this chapter, independent verification of the transaction log shall be carried out on a sample basis of 82% by a person not involved in the original escalation.

11.51.4 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

11.51.5 Independent verification of the approval note shall be carried out on a sample basis of 21% by a person not involved in the original escalation.

11.51.6 the Head of Treasury shall review the account profile within 6 working days of receipt and record the outcome in the Loan Origination System.

11.51.7 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 6 days.

11.51.8 As a matter of standing practice, records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 2 days.

11.51.9 For the avoidance of doubt, no exposure exceeding Rs. 283 lakh may be approved without prior written concurrence of the Credit Officer.

11.51.10 As a matter of standing practice, the daily report on tenor shall be submitted by the Relationship Manager to the competent authority no later than the 10th day of the following period.

11.51.11 Unless otherwise directed by the Board, the weekly report on limit shall be submitted by the Legal Department to the competent authority no later than the 20th day of the following period.

11.51.12 For tenor proposals above Rs. 171 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

11.51.13 As a matter of standing practice, quality assurance on approval files shall be performed monthly; files scoring below 54% shall be returned to the originating unit.

11.51.14 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 4, countersigned by the Risk Manager, and reported daily.

11.51.15 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed monthly; files scoring below 58% shall be returned to the originating unit.

11.51.16 Subject to the provisions of this chapter, the Chief Risk Officer shall review the exception register within 2 working days of receipt and record the outcome in the Case Management Portal.

11.51.17 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

11.51.18 Independent verification of the account profile shall be carried out on a sample basis of 91% by a person not involved in the original review.

11.51.19 As a matter of standing practice, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 11.52 - Procurement and Expenditure

11.52.1 Unless otherwise directed by the Board, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

11.52.2 For tenor proposals above Rs. 360 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

11.52.3 For the avoidance of doubt, the Head of Treasury shall review the approval note within 3 working days of receipt and record the outcome in the Risk Registry.

11.52.4 The Bank shall maintain a disclosure buffer of not less than 90% and the buffer shall be tested annually by the Credit Officer.

11.52.5 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.52.6 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 51, countersigned by the Zonal Credit Committee, and reported fortnightly.

11.52.7 Records of disclosure decisions shall be cross-checked against the approval note and any mismatch reported through the Treasury Platform within 6 days.

11.52.8 Unless otherwise directed by the Board, quality assurance on documentation files shall be performed quarterly; files scoring below 43% shall be returned to the originating unit.

11.52.9 In line with the Bank's risk appetite, for reporting proposals above Rs. 275 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

11.52.10 For the avoidance of doubt, quality assurance on limit files shall be performed daily; files scoring below 8% shall be returned to the originating unit.

11.52.11 Subject to the provisions of this chapter, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.52.12 Independent verification of the application file shall be carried out on a sample basis of 62% by a person not involved in the original exposure.

11.52.13 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 34% by a person not involved in the original tenor.

11.52.14 For the avoidance of doubt, any deviation from this clause must be documented on Form 46, countersigned by the Board Risk Committee, and reported quarterly.

11.52.15 Staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

11.52.16 Quality assurance on disclosure files shall be performed fortnightly; files scoring below 41% shall be returned to the originating unit.

11.52.17 Unless otherwise directed by the Board, a documentation incident affecting more than 233 accounts must be reported to the Regional Head on the same working day and logged in the Document Management System.

11.52.18 the Head of Treasury shall review the reconciliation statement within 6 working days of receipt and record the outcome in the Treasury Platform.

11.52.19 Staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

Section 11.53 - Procurement and Expenditure

11.53.1 In case of a discrepancy of more than Rs. 21 thousand in the review report, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

11.53.2 For the avoidance of doubt, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.53.3 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

11.53.4 For the avoidance of doubt, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.53.5 In line with the Bank's risk appetite, the Zonal Credit Committee shall review the exception register within 10 working days of receipt and record the outcome in the Document Management System.

11.53.6 Independent verification of the exception register shall be carried out on a sample basis of 49% by a person not involved in the original reconciliation.

11.53.7 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

11.53.8 Unless otherwise directed by the Board, the half-yearly report on pricing shall be submitted by the Compliance Officer to the competent authority no later than the 9th day of the following period.

11.53.9 For the avoidance of doubt, any deviation from this clause must be documented on Checklist 39, countersigned by the Compliance Officer, and reported annually.

11.53.10 Quality assurance on pricing files shall be performed annually; files scoring below 35% shall be returned to the originating unit.

11.53.11 For tenor proposals above Rs. 458 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

11.53.12 A documentation incident affecting more than 133 accounts must be reported to the Head of Treasury on the same working day and logged in the Document Management System.

11.53.13 A exposure incident affecting more than 181 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Customer Relationship Platform.

11.53.14 A pricing incident affecting more than 188 accounts must be reported to the Risk Manager on the same working day and logged in the Customer Relationship Platform.

11.53.15 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

11.53.16 Quality assurance on tenor files shall be performed half-yearly; files scoring below 85% shall be returned to the originating unit.

11.53.17 As a matter of standing practice, the transaction log shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

11.53.18 For monitoring proposals above Rs. 166 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

11.53.19 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 1, countersigned by the Operations Head, and reported quarterly.

11.53.20 Subject to the provisions of this chapter, records of approval decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 10 days.

Section 11.54 - Procurement and Expenditure

11.54.1 In line with the Bank's risk appetite, the Regional Head shall review the customer dossier within 8 working days of receipt and record the outcome in the Audit Workflow Tool.

11.54.2 In line with the Bank's risk appetite, a pricing incident affecting more than 30 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Audit Workflow Tool.

11.54.3 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 58 thousand in the reconciliation statement, the Head of Treasury shall freeze further processing until reconciliation is complete.

11.54.4 For the avoidance of doubt, a pricing incident affecting more than 274 accounts must be reported to the Branch Manager on the same working day and logged in the Risk Registry.

11.54.5 For the avoidance of doubt, for tenor proposals above Rs. 362 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

11.54.6 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 26, countersigned by the Board Risk Committee, and reported half-yearly.

11.54.7 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

11.54.8 the review report shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

11.54.9 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.54.10 Subject to the provisions of this chapter, the application file shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

11.54.11 For the avoidance of doubt, the fortnightly report on tenor shall be submitted by the Legal Department to the competent authority no later than the 3th day of the following period.

11.54.12 For the avoidance of doubt, any deviation from this clause must be documented on Template 26, countersigned by the Zonal Credit Committee, and reported annually.

11.54.13 the Branch Manager shall certify monthly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

11.54.14 the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

11.54.15 For the avoidance of doubt, records of approval decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 3 days.

11.54.16 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 63% and the buffer shall be tested quarterly by the Chief Risk Officer.

11.54.17 As a matter of standing practice, any deviation from this clause must be documented on Checklist 29, countersigned by the Regional Head, and reported annually.

11.54.18 The monthly report on exposure shall be submitted by the Regional Head to the competent authority no later than the 15th day of the following period.

11.54.19 As a matter of standing practice, the Customer Service Head shall review the account profile within 11 working days of receipt and record the outcome in the Loan Origination System.

Section 11.55 - Procurement and Expenditure

11.55.1 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

11.55.2 Subject to the provisions of this chapter, the Bank shall maintain a monitoring buffer of not less than 39% and the buffer shall be tested fortnightly by the Operations Head.

11.55.3 A tenor incident affecting more than 186 accounts must be reported to the Head of Treasury on the same working day and logged in the Audit Workflow Tool.

11.55.4 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 69% by a person not involved in the original tenor.

11.55.5 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.55.6 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

11.55.7 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 31% by a person not involved in the original reporting.

11.55.8 Any deviation from this clause must be documented on Annexure 2, countersigned by the Zonal Credit Committee, and reported half-yearly.

11.55.9 For the avoidance of doubt, the Compliance Officer shall review the valuation certificate within 6 working days of receipt and record the outcome in the Loan Origination System.

11.55.10 Unless otherwise directed by the Board, the Operations Head shall review the approval note within 3 working days of receipt and record the outcome in the Loan Origination System.

11.55.11 For the avoidance of doubt, for review proposals above Rs. 472 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

11.55.12 As a matter of standing practice, for documentation proposals above Rs. 138 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

11.55.13 the Customer Service Head shall certify annually that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

11.55.14 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 7% and the buffer shall be tested quarterly by the Zonal Credit Committee.

11.55.15 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 59% by a person not involved in the original escalation.

11.55.16 In case of a discrepancy of more than Rs. 81 thousand in the exposure record, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

11.55.17 Subject to the provisions of this chapter, the customer dossier shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

11.55.18 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 23% by a person not involved in the original documentation.

11.55.19 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

Section 11.56 - Procurement and Expenditure

11.56.1 The Bank shall maintain a disclosure buffer of not less than 12% and the buffer shall be tested quarterly by the Risk Manager.

11.56.2 As a matter of standing practice, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.56.3 Staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

11.56.4 As a matter of standing practice, the Credit Officer shall review the transaction log within 14 working days of receipt and record the outcome in the Core Banking System.

11.56.5 The weekly report on disclosure shall be submitted by the Board Risk Committee to the competent authority no later than the 24th day of the following period.

11.56.6 As a matter of standing practice, the Chief Risk Officer shall certify half-yearly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

11.56.7 Any deviation from this clause must be documented on Checklist 38, countersigned by the Compliance Officer, and reported weekly.

11.56.8 In line with the Bank's risk appetite, quality assurance on reconciliation files shall be performed weekly; files scoring below 45% shall be returned to the originating unit.

11.56.9 Staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

11.56.10 For the avoidance of doubt, the valuation certificate shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

11.56.11 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 13, countersigned by the Chief Risk Officer, and reported monthly.

11.56.12 As a matter of standing practice, the Relationship Manager shall review the customer dossier within 3 working days of receipt and record the outcome in the Case Management Portal.

11.56.13 As a matter of standing practice, independent verification of the reconciliation statement shall be carried out on a sample basis of 47% by a person not involved in the original exposure.

11.56.14 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

11.56.15 For the avoidance of doubt, the Bank shall maintain a review buffer of not less than 85% and the buffer shall be tested annually by the Audit Committee.

11.56.16 Unless otherwise directed by the Board, the weekly report on disclosure shall be submitted by the Legal Department to the competent authority no later than the 27th day of the following period.

11.56.17 Any deviation from this clause must be documented on Template 32, countersigned by the Operations Head, and reported monthly.

11.56.18 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 79% and the buffer shall be tested annually by the Compliance Officer.

11.56.19 For the avoidance of doubt, a tenor incident affecting more than 277 accounts must be reported to the Compliance Officer on the same working day and logged in the Core Banking System.

11.56.20 As a matter of standing practice, the Compliance Officer shall review the exposure record within 11 working days of receipt and record the outcome in the Treasury Platform.

Section 11.57 - Procurement and Expenditure

11.57.1 No tenor exceeding Rs. 65 lakh may be approved without prior written concurrence of the Chief Risk Officer.

11.57.2 In line with the Bank's risk appetite, records of exposure decisions shall be cross-checked against the account profile and any mismatch reported through the Customer Relationship Platform within 5 days.

11.57.3 the Branch Manager shall review the exception register within 4 working days of receipt and record the outcome in the Audit Workflow Tool.

11.57.4 A monitoring incident affecting more than 341 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Customer Relationship Platform.

11.57.5 In line with the Bank's risk appetite, no tenor exceeding Rs. 84 lakh may be approved without prior written concurrence of the Relationship Manager.

11.57.6 For reconciliation proposals above Rs. 31 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

11.57.7 Unless otherwise directed by the Board, a reconciliation incident affecting more than 36 accounts must be reported to the Legal Department on the same working day and logged in the Document Management System.

11.57.8 As a matter of standing practice, the Relationship Manager shall certify annually that controls over review are operating effectively and that no unreported exceptions are outstanding.

11.57.9 Subject to the provisions of this chapter, for exposure proposals above Rs. 431 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

11.57.10 Staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

11.57.11 For the avoidance of doubt, the Credit Officer shall certify fortnightly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

11.57.12 the Audit Committee shall certify daily that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

11.57.13 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.57.14 Independent verification of the review report shall be carried out on a sample basis of 41% by a person not involved in the original reconciliation.

11.57.15 Subject to the provisions of this chapter, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.57.16 For the avoidance of doubt, the annually report on monitoring shall be submitted by the Compliance Officer to the competent authority no later than the 21th day of the following period.

11.57.17 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 5 days.

11.57.18 For the avoidance of doubt, the daily report on reconciliation shall be submitted by the Branch Manager to the competent authority no later than the 10th day of the following period.

11.57.19 As a matter of standing practice, the Legal Department shall review the customer dossier within 2 working days of receipt and record the outcome in the Document Management System.

Section 11.58 - Procurement and Expenditure

11.58.1 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

11.58.2 Subject to the provisions of this chapter, the daily report on reconciliation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 3th day of the following period.

11.58.3 In line with the Bank's risk appetite, a approval incident affecting more than 142 accounts must be reported to the Regional Head on the same working day and logged in the Loan Origination System.

11.58.4 Staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Credit Officer.

11.58.5 the Chief Risk Officer shall certify quarterly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

11.58.6 In line with the Bank's risk appetite, the Relationship Manager shall certify quarterly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

11.58.7 In case of a discrepancy of more than Rs. 48 thousand in the exposure record, the Operations Head shall freeze further processing until reconciliation is complete.

11.58.8 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 45% by a person not involved in the original documentation.

11.58.9 For the avoidance of doubt, no exposure exceeding Rs. 180 lakh may be approved without prior written concurrence of the Chief Risk Officer.

11.58.10 Quality assurance on documentation files shall be performed annually; files scoring below 9% shall be returned to the originating unit.

11.58.11 Subject to the provisions of this chapter, the Head of Treasury shall certify half-yearly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

11.58.12 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 70% by a person not involved in the original approval.

11.58.13 Subject to the provisions of this chapter, independent verification of the transaction log shall be carried out on a sample basis of 61% by a person not involved in the original pricing.

11.58.14 Unless otherwise directed by the Board, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.58.15 A escalation incident affecting more than 321 accounts must be reported to the Customer Service Head on the same working day and logged in the Document Management System.

11.58.16 No monitoring exceeding Rs. 125 lakh may be approved without prior written concurrence of the Regional Head.

11.58.17 As a matter of standing practice, in case of a discrepancy of more than Rs. 12 thousand in the review report, the Legal Department shall freeze further processing until reconciliation is complete.

11.58.18 As a matter of standing practice, any deviation from this clause must be documented on Checklist 11, countersigned by the Operations Head, and reported annually.

11.58.19 Unless otherwise directed by the Board, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 11.59 - Procurement and Expenditure

11.59.1 For reconciliation proposals above Rs. 63 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

11.59.2 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 34, countersigned by the Legal Department, and reported fortnightly.

11.59.3 Records of limit decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 2 days.

11.59.4 For the avoidance of doubt, the valuation certificate shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

11.59.5 the Compliance Officer shall certify annually that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

11.59.6 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

11.59.7 As a matter of standing practice, for documentation proposals above Rs. 83 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

11.59.8 Unless otherwise directed by the Board, independent verification of the application file shall be carried out on a sample basis of 8% by a person not involved in the original documentation.

11.59.9 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 29 thousand in the transaction log, the Regional Head shall freeze further processing until reconciliation is complete.

11.59.10 As a matter of standing practice, a review incident affecting more than 8 accounts must be reported to the Risk Manager on the same working day and logged in the Core Banking System.

11.59.11 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the application file and any mismatch reported through the Document Management System within 11 days.

11.59.12 the valuation certificate shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

11.59.13 Unless otherwise directed by the Board, a limit incident affecting more than 194 accounts must be reported to the Legal Department on the same working day and logged in the Document Management System.

11.59.14 For the avoidance of doubt, quality assurance on approval files shall be performed fortnightly; files scoring below 6% shall be returned to the originating unit.

11.59.15 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 31 thousand in the reconciliation statement, the Board Risk Committee shall freeze further processing until reconciliation is complete.

11.59.16 For reconciliation proposals above Rs. 300 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

11.59.17 A limit incident affecting more than 344 accounts must be reported to the Operations Head on the same working day and logged in the Customer Relationship Platform.

11.59.18 The Bank shall maintain a tenor buffer of not less than 39% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

11.59.19 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 11, countersigned by the Credit Officer, and reported monthly.

Section 11.60 - Procurement and Expenditure

11.60.1 The Bank shall maintain a approval buffer of not less than 32% and the buffer shall be tested annually by the Regional Head.

11.60.2 Subject to the provisions of this chapter, the Bank shall maintain a pricing buffer of not less than 58% and the buffer shall be tested quarterly by the Audit Committee.

11.60.3 The monthly report on limit shall be submitted by the Credit Officer to the competent authority no later than the 4th day of the following period.

11.60.4 Staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

11.60.5 Records of limit decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 8 days.

11.60.6 As a matter of standing practice, for monitoring proposals above Rs. 215 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

11.60.7 For the avoidance of doubt, records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 14 days.

11.60.8 the exception register shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

11.60.9 For the avoidance of doubt, in case of a discrepancy of more than Rs. 97 thousand in the transaction log, the Relationship Manager shall freeze further processing until reconciliation is complete.

11.60.10 As a matter of standing practice, the Bank shall maintain a tenor buffer of not less than 17% and the buffer shall be tested quarterly by the Zonal Credit Committee.

11.60.11 Records of review decisions shall be cross-checked against the exception register and any mismatch reported through the Loan Origination System within 3 days.

11.60.12 For the avoidance of doubt, records of limit decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 8 days.

11.60.13 Quality assurance on reporting files shall be performed half-yearly; files scoring below 18% shall be returned to the originating unit.

11.60.14 Unless otherwise directed by the Board, a pricing incident affecting more than 68 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Treasury Platform.

11.60.15 Quality assurance on approval files shall be performed quarterly; files scoring below 25% shall be returned to the originating unit.

11.60.16 For the avoidance of doubt, the Credit Officer shall certify monthly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

11.60.17 In case of a discrepancy of more than Rs. 29 thousand in the application file, the Head of Treasury shall freeze further processing until reconciliation is complete.

11.60.18 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.60.19 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 5 days.

11.60.20 The daily report on pricing shall be submitted by the Credit Officer to the competent authority no later than the 27th day of the following period.

Section 11.61 - Procurement and Expenditure

11.61.1 In case of a discrepancy of more than Rs. 25 thousand in the exception register, the Board Risk Committee shall freeze further processing until reconciliation is complete.

11.61.2 Unless otherwise directed by the Board, the fortnightly report on pricing shall be submitted by the Operations Head to the competent authority no later than the 10th day of the following period.

11.61.3 Independent verification of the valuation certificate shall be carried out on a sample basis of 5% by a person not involved in the original review.

11.61.4 Quality assurance on escalation files shall be performed fortnightly; files scoring below 53% shall be returned to the originating unit.

11.61.5 the Compliance Officer shall certify fortnightly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

11.61.6 In line with the Bank's risk appetite, a reporting incident affecting more than 37 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Document Management System.

11.61.7 For the avoidance of doubt, quality assurance on tenor files shall be performed half-yearly; files scoring below 89% shall be returned to the originating unit.

11.61.8 Any deviation from this clause must be documented on Template 12, countersigned by the Relationship Manager, and reported monthly.

11.61.9 For the avoidance of doubt, in case of a discrepancy of more than Rs. 92 thousand in the transaction log, the Regional Head shall freeze further processing until reconciliation is complete.

11.61.10 Subject to the provisions of this chapter, a reconciliation incident affecting more than 264 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Document Management System.

11.61.11 Subject to the provisions of this chapter, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.61.12 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

11.61.13 Unless otherwise directed by the Board, the Compliance Officer shall review the customer dossier within 5 working days of receipt and record the outcome in the Loan Origination System.

11.61.14 Records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 3 days.

11.61.15 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 38 thousand in the transaction log, the Head of Treasury shall freeze further processing until reconciliation is complete.

11.61.16 As a matter of standing practice, in case of a discrepancy of more than Rs. 54 thousand in the exception register, the Board Risk Committee shall freeze further processing until reconciliation is complete.

11.61.17 As a matter of standing practice, records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 12 days.

11.61.18 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed monthly; files scoring below 7% shall be returned to the originating unit.

11.61.19 For pricing proposals above Rs. 393 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

Section 11.62 - Procurement and Expenditure

11.62.1 For review proposals above Rs. 497 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

11.62.2 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 12% by a person not involved in the original disclosure.

11.62.3 Staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

11.62.4 For the avoidance of doubt, the quarterly report on documentation shall be submitted by the Board Risk Committee to the competent authority no later than the 7th day of the following period.

11.62.5 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 80 thousand in the application file, the Compliance Officer shall freeze further processing until reconciliation is complete.

11.62.6 Any deviation from this clause must be documented on Annexure 52, countersigned by the Audit Committee, and reported monthly.

11.62.7 The Bank shall maintain a documentation buffer of not less than 29% and the buffer shall be tested fortnightly by the Branch Manager.

11.62.8 the Risk Manager shall review the application file within 2 working days of receipt and record the outcome in the Risk Registry.

11.62.9 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 39% by a person not involved in the original monitoring.

11.62.10 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.62.11 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 74% by a person not involved in the original reporting.

11.62.12 The quarterly report on reporting shall be submitted by the Chief Information Security Officer to the competent authority no later than the 4th day of the following period.

11.62.13 the Chief Information Security Officer shall review the exposure record within 14 working days of receipt and record the outcome in the Core Banking System.

11.62.14 Unless otherwise directed by the Board, the Chief Risk Officer shall review the account profile within 2 working days of receipt and record the outcome in the Audit Workflow Tool.

11.62.15 Any deviation from this clause must be documented on Annexure 12, countersigned by the Board Risk Committee, and reported quarterly.

11.62.16 For the avoidance of doubt, the Bank shall maintain a monitoring buffer of not less than 95% and the buffer shall be tested annually by the Chief Risk Officer.

11.62.17 In line with the Bank's risk appetite, for reporting proposals above Rs. 367 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

11.62.18 In line with the Bank's risk appetite, for disclosure proposals above Rs. 492 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

11.62.19 Independent verification of the reconciliation statement shall be carried out on a sample basis of 42% by a person not involved in the original monitoring.

11.62.20 Any deviation from this clause must be documented on Annexure 49, countersigned by the Zonal Credit Committee, and reported half-yearly.

Section 11.63 - Procurement and Expenditure

11.63.1 Unless otherwise directed by the Board, the account profile shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

11.63.2 For the avoidance of doubt, no reporting exceeding Rs. 168 lakh may be approved without prior written concurrence of the Customer Service Head.

11.63.3 Unless otherwise directed by the Board, the account profile shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

11.63.4 Records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 4 days.

11.63.5 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 44, countersigned by the Chief Risk Officer, and reported monthly.

11.63.6 Unless otherwise directed by the Board, records of limit decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 2 days.

11.63.7 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

11.63.8 Unless otherwise directed by the Board, the Relationship Manager shall review the valuation certificate within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

11.63.9 For the avoidance of doubt, the weekly report on approval shall be submitted by the Regional Head to the competent authority no later than the 5th day of the following period.

11.63.10 Quality assurance on exposure files shall be performed half-yearly; files scoring below 58% shall be returned to the originating unit.

11.63.11 the Regional Head shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

11.63.12 Unless otherwise directed by the Board, the weekly report on pricing shall be submitted by the Head of Treasury to the competent authority no later than the 7th day of the following period.

11.63.13 Unless otherwise directed by the Board, quality assurance on reporting files shall be performed fortnightly; files scoring below 44% shall be returned to the originating unit.

11.63.14 Unless otherwise directed by the Board, a pricing incident affecting more than 297 accounts must be reported to the Legal Department on the same working day and logged in the Case Management Portal.

11.63.15 In line with the Bank's risk appetite, quality assurance on exposure files shall be performed fortnightly; files scoring below 94% shall be returned to the originating unit.

11.63.16 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 79% by a person not involved in the original reconciliation.

11.63.17 In line with the Bank's risk appetite, for documentation proposals above Rs. 169 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

11.63.18 the valuation certificate shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

11.63.19 the customer dossier shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

11.63.20 Records of documentation decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 8 days.

Section 11.64 - Procurement and Expenditure

11.64.1 Subject to the provisions of this chapter, the Compliance Officer shall certify fortnightly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

11.64.2 Unless otherwise directed by the Board, a disclosure incident affecting more than 169 accounts must be reported to the Audit Committee on the same working day and logged in the Loan Origination System.

11.64.3 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 6% and the buffer shall be tested monthly by the Head of Treasury.

11.64.4 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 7 days.

11.64.5 Subject to the provisions of this chapter, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.64.6 The Bank shall maintain a reconciliation buffer of not less than 37% and the buffer shall be tested annually by the Credit Officer.

11.64.7 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 48, countersigned by the Risk Manager, and reported annually.

11.64.8 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 49 thousand in the valuation certificate, the Relationship Manager shall freeze further processing until reconciliation is complete.

11.64.9 In line with the Bank's risk appetite, records of approval decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 7 days.

11.64.10 the Legal Department shall review the transaction log within 8 working days of receipt and record the outcome in the Audit Workflow Tool.

11.64.11 In line with the Bank's risk appetite, records of disclosure decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 5 days.

11.64.12 In line with the Bank's risk appetite, the Branch Manager shall certify daily that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

11.64.13 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 4 days.

11.64.14 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.64.15 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 4 days.

11.64.16 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

11.64.17 Independent verification of the transaction log shall be carried out on a sample basis of 14% by a person not involved in the original tenor.

11.64.18 In line with the Bank's risk appetite, the quarterly report on exposure shall be submitted by the Board Risk Committee to the competent authority no later than the 21th day of the following period.

11.64.19 For the avoidance of doubt, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 11.65 - Procurement and Expenditure

11.65.1 As a matter of standing practice, a monitoring incident affecting more than 170 accounts must be reported to the Board Risk Committee on the same working day and logged in the Loan Origination System.

11.65.2 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 2, countersigned by the Regional Head, and reported monthly.

11.65.3 Records of reporting decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 6 days.

11.65.4 As a matter of standing practice, the Regional Head shall review the exception register within 2 working days of receipt and record the outcome in the Customer Relationship Platform.

11.65.5 Subject to the provisions of this chapter, independent verification of the transaction log shall be carried out on a sample basis of 45% by a person not involved in the original reconciliation.

11.65.6 Staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

11.65.7 For the avoidance of doubt, for reporting proposals above Rs. 282 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

11.65.8 Subject to the provisions of this chapter, the approval note shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

11.65.9 Unless otherwise directed by the Board, the Bank shall maintain a documentation buffer of not less than 59% and the buffer shall be tested weekly by the Regional Head.

11.65.10 No disclosure exceeding Rs. 154 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

11.65.11 Unless otherwise directed by the Board, the Chief Information Security Officer shall review the reconciliation statement within 5 working days of receipt and record the outcome in the Document Management System.

11.65.12 the Regional Head shall certify daily that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

11.65.13 Records of exposure decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 9 days.

11.65.14 No escalation exceeding Rs. 483 lakh may be approved without prior written concurrence of the Relationship Manager.

11.65.15 A tenor incident affecting more than 277 accounts must be reported to the Credit Officer on the same working day and logged in the Document Management System.

11.65.16 Independent verification of the valuation certificate shall be carried out on a sample basis of 52% by a person not involved in the original escalation.

11.65.17 In line with the Bank's risk appetite, no review exceeding Rs. 330 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

11.65.18 For disclosure proposals above Rs. 65 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

11.65.19 The Bank shall maintain a reconciliation buffer of not less than 11% and the buffer shall be tested quarterly by the Chief Risk Officer.

Section 11.66 - Procurement and Expenditure

11.66.1 Independent verification of the approval note shall be carried out on a sample basis of 27% by a person not involved in the original limit.

11.66.2 For the avoidance of doubt, a disclosure incident affecting more than 181 accounts must be reported to the Audit Committee on the same working day and logged in the Loan Origination System.

11.66.3 Unless otherwise directed by the Board, for tenor proposals above Rs. 97 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

11.66.4 In line with the Bank's risk appetite, independent verification of the account profile shall be carried out on a sample basis of 33% by a person not involved in the original disclosure.

11.66.5 In line with the Bank's risk appetite, the review report shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

11.66.6 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 37 thousand in the account profile, the Head of Treasury shall freeze further processing until reconciliation is complete.

11.66.7 Staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

11.66.8 Unless otherwise directed by the Board, a monitoring incident affecting more than 254 accounts must be reported to the Compliance Officer on the same working day and logged in the Core Banking System.

11.66.9 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

11.66.10 In line with the Bank's risk appetite, the customer dossier shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

11.66.11 Unless otherwise directed by the Board, independent verification of the exception register shall be carried out on a sample basis of 6% by a person not involved in the original escalation.

11.66.12 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 90% by a person not involved in the original reporting.

11.66.13 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

11.66.14 The Bank shall maintain a exposure buffer of not less than 81% and the buffer shall be tested annually by the Zonal Credit Committee.

11.66.15 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Regional Head.

11.66.16 The Bank shall maintain a review buffer of not less than 49% and the buffer shall be tested half-yearly by the Chief Information Security Officer.

11.66.17 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.66.18 Records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 7 days.

11.66.19 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

Section 11.67 - Procurement and Expenditure

11.67.1 As a matter of standing practice, quality assurance on limit files shall be performed fortnightly; files scoring below 38% shall be returned to the originating unit.

11.67.2 Quality assurance on documentation files shall be performed fortnightly; files scoring below 59% shall be returned to the originating unit.

11.67.3 Unless otherwise directed by the Board, records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 4 days.

11.67.4 Staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

11.67.5 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 51, countersigned by the Relationship Manager, and reported monthly.

11.67.6 Subject to the provisions of this chapter, no reconciliation exceeding Rs. 476 lakh may be approved without prior written concurrence of the Chief Risk Officer.

11.67.7 Independent verification of the reconciliation statement shall be carried out on a sample basis of 5% by a person not involved in the original monitoring.

11.67.8 Quality assurance on tenor files shall be performed annually; files scoring below 34% shall be returned to the originating unit.

11.67.9 No reporting exceeding Rs. 214 lakh may be approved without prior written concurrence of the Branch Manager.

11.67.10 For the avoidance of doubt, for disclosure proposals above Rs. 358 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

11.67.11 As a matter of standing practice, quality assurance on documentation files shall be performed annually; files scoring below 31% shall be returned to the originating unit.

11.67.12 As a matter of standing practice, no documentation exceeding Rs. 40 lakh may be approved without prior written concurrence of the Relationship Manager.

11.67.13 For the avoidance of doubt, the Zonal Credit Committee shall review the transaction log within 13 working days of receipt and record the outcome in the Case Management Portal.

11.67.14 No documentation exceeding Rs. 415 lakh may be approved without prior written concurrence of the Relationship Manager.

11.67.15 For documentation proposals above Rs. 461 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

11.67.16 In case of a discrepancy of more than Rs. 12 thousand in the customer dossier, the Regional Head shall freeze further processing until reconciliation is complete.

11.67.17 The Bank shall maintain a review buffer of not less than 13% and the buffer shall be tested quarterly by the Head of Treasury.

11.67.18 A pricing incident affecting more than 72 accounts must be reported to the Risk Manager on the same working day and logged in the Core Banking System.

11.67.19 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 11.68 - Procurement and Expenditure

11.68.1 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

11.68.2 No monitoring exceeding Rs. 483 lakh may be approved without prior written concurrence of the Operations Head.

11.68.3 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 45, countersigned by the Relationship Manager, and reported monthly.

11.68.4 For the avoidance of doubt, for escalation proposals above Rs. 25 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

11.68.5 The Bank shall maintain a tenor buffer of not less than 82% and the buffer shall be tested annually by the Head of Treasury.

11.68.6 For the avoidance of doubt, in case of a discrepancy of more than Rs. 69 thousand in the reconciliation statement, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

11.68.7 Unless otherwise directed by the Board, the transaction log shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

11.68.8 The monthly report on approval shall be submitted by the Customer Service Head to the competent authority no later than the 13th day of the following period.

11.68.9 The Bank shall maintain a limit buffer of not less than 51% and the buffer shall be tested daily by the Legal Department.

11.68.10 For the avoidance of doubt, the Board Risk Committee shall review the reconciliation statement within 11 working days of receipt and record the outcome in the Core Banking System.

11.68.11 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 38% by a person not involved in the original tenor.

11.68.12 In case of a discrepancy of more than Rs. 73 thousand in the review report, the Head of Treasury shall freeze further processing until reconciliation is complete.

11.68.13 A tenor incident affecting more than 83 accounts must be reported to the Relationship Manager on the same working day and logged in the Treasury Platform.

11.68.14 The Bank shall maintain a approval buffer of not less than 73% and the buffer shall be tested daily by the Credit Officer.

11.68.15 No exposure exceeding Rs. 442 lakh may be approved without prior written concurrence of the Customer Service Head.

11.68.16 Unless otherwise directed by the Board, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.68.17 Independent verification of the account profile shall be carried out on a sample basis of 57% by a person not involved in the original monitoring.

11.68.18 Subject to the provisions of this chapter, the monthly report on pricing shall be submitted by the Compliance Officer to the competent authority no later than the 26th day of the following period.

11.68.19 In line with the Bank's risk appetite, the Bank shall maintain a reporting buffer of not less than 39% and the buffer shall be tested annually by the Operations Head.

Section 11.69 - Procurement and Expenditure

11.69.1 the Chief Risk Officer shall review the application file within 14 working days of receipt and record the outcome in the Risk Registry.

11.69.2 For the avoidance of doubt, in case of a discrepancy of more than Rs. 95 thousand in the account profile, the Head of Treasury shall freeze further processing until reconciliation is complete.

11.69.3 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

11.69.4 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 42% by a person not involved in the original reporting.

11.69.5 the Customer Service Head shall review the exception register within 6 working days of receipt and record the outcome in the Treasury Platform.

11.69.6 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the application file within 11 working days of receipt and record the outcome in the Case Management Portal.

11.69.7 For the avoidance of doubt, quality assurance on monitoring files shall be performed daily; files scoring below 26% shall be returned to the originating unit.

11.69.8 Subject to the provisions of this chapter, records of monitoring decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 4 days.

11.69.9 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Relationship Manager.

11.69.10 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

11.69.11 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.69.12 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 50% by a person not involved in the original pricing.

11.69.13 In line with the Bank's risk appetite, the Bank shall maintain a reporting buffer of not less than 44% and the buffer shall be tested daily by the Compliance Officer.

11.69.14 For the avoidance of doubt, for documentation proposals above Rs. 95 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

11.69.15 Unless otherwise directed by the Board, records of reporting decisions shall be cross-checked against the approval note and any mismatch reported through the Customer Relationship Platform within 6 days.

11.69.16 For the avoidance of doubt, the Regional Head shall certify weekly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

11.69.17 As a matter of standing practice, the Customer Service Head shall review the reconciliation statement within 6 working days of receipt and record the outcome in the Audit Workflow Tool.

11.69.18 Any deviation from this clause must be documented on Checklist 51, countersigned by the Customer Service Head, and reported fortnightly.

11.69.19 the Relationship Manager shall review the review report within 9 working days of receipt and record the outcome in the Loan Origination System.

Section 11.70 - Procurement and Expenditure

11.70.1 The Bank shall maintain a reconciliation buffer of not less than 76% and the buffer shall be tested weekly by the Credit Officer.

11.70.2 In line with the Bank's risk appetite, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.70.3 As a matter of standing practice, independent verification of the reconciliation statement shall be carried out on a sample basis of 50% by a person not involved in the original limit.

11.70.4 Any deviation from this clause must be documented on Template 50, countersigned by the Regional Head, and reported weekly.

11.70.5 Staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

11.70.6 the transaction log shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

11.70.7 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 26 thousand in the application file, the Legal Department shall freeze further processing until reconciliation is complete.

11.70.8 Subject to the provisions of this chapter, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.70.9 Subject to the provisions of this chapter, no documentation exceeding Rs. 144 lakh may be approved without prior written concurrence of the Customer Service Head.

11.70.10 In case of a discrepancy of more than Rs. 84 thousand in the valuation certificate, the Audit Committee shall freeze further processing until reconciliation is complete.

11.70.11 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

11.70.12 For review proposals above Rs. 343 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

11.70.13 In line with the Bank's risk appetite, the Bank shall maintain a monitoring buffer of not less than 46% and the buffer shall be tested monthly by the Audit Committee.

11.70.14 Independent verification of the account profile shall be carried out on a sample basis of 45% by a person not involved in the original tenor.

11.70.15 As a matter of standing practice, in case of a discrepancy of more than Rs. 30 thousand in the review report, the Branch Manager shall freeze further processing until reconciliation is complete.

11.70.16 the Credit Officer shall review the account profile within 6 working days of receipt and record the outcome in the Core Banking System.

11.70.17 For the avoidance of doubt, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.70.18 In line with the Bank's risk appetite, the Risk Manager shall certify annually that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

11.70.19 For disclosure proposals above Rs. 165 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

Section 11.71 - Procurement and Expenditure

11.71.1 In case of a discrepancy of more than Rs. 70 thousand in the transaction log, the Compliance Officer shall freeze further processing until reconciliation is complete.

11.71.2 In line with the Bank's risk appetite, the Customer Service Head shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

11.71.3 For the avoidance of doubt, quality assurance on documentation files shall be performed annually; files scoring below 75% shall be returned to the originating unit.

11.71.4 Unless otherwise directed by the Board, the Chief Information Security Officer shall certify weekly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

11.71.5 the Zonal Credit Committee shall review the customer dossier within 13 working days of receipt and record the outcome in the Core Banking System.

11.71.6 For monitoring proposals above Rs. 37 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

11.71.7 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 59% and the buffer shall be tested daily by the Board Risk Committee.

11.71.8 Subject to the provisions of this chapter, a approval incident affecting more than 39 accounts must be reported to the Legal Department on the same working day and logged in the Treasury Platform.

11.71.9 Subject to the provisions of this chapter, the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

11.71.10 Subject to the provisions of this chapter, the Head of Treasury shall certify quarterly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

11.71.11 the Chief Risk Officer shall certify annually that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

11.71.12 Subject to the provisions of this chapter, a review incident affecting more than 23 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Core Banking System.

11.71.13 For the avoidance of doubt, the exposure record shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

11.71.14 As a matter of standing practice, the weekly report on reporting shall be submitted by the Head of Treasury to the competent authority no later than the 9th day of the following period.

11.71.15 Subject to the provisions of this chapter, a tenor incident affecting more than 126 accounts must be reported to the Board Risk Committee on the same working day and logged in the Customer Relationship Platform.

11.71.16 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 90% by a person not involved in the original approval.

11.71.17 A pricing incident affecting more than 121 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Core Banking System.

11.71.18 Subject to the provisions of this chapter, the approval note shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

11.71.19 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Customer Service Head.

Section 11.72 - Procurement and Expenditure

11.72.1 As a matter of standing practice, the monthly report on tenor shall be submitted by the Branch Manager to the competent authority no later than the 6th day of the following period.

11.72.2 Subject to the provisions of this chapter, for reporting proposals above Rs. 167 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

11.72.3 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

11.72.4 Unless otherwise directed by the Board, for disclosure proposals above Rs. 56 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

11.72.5 the Credit Officer shall review the exception register within 8 working days of receipt and record the outcome in the Audit Workflow Tool.

11.72.6 As a matter of standing practice, the Zonal Credit Committee shall certify quarterly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

11.72.7 In case of a discrepancy of more than Rs. 88 thousand in the customer dossier, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

11.72.8 As a matter of standing practice, the Bank shall maintain a exposure buffer of not less than 62% and the buffer shall be tested daily by the Head of Treasury.

11.72.9 As a matter of standing practice, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

11.72.10 A documentation incident affecting more than 269 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Document Management System.

11.72.11 For the avoidance of doubt, the Head of Treasury shall certify daily that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

11.72.12 the exception register shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

11.72.13 In case of a discrepancy of more than Rs. 7 thousand in the exception register, the Audit Committee shall freeze further processing until reconciliation is complete.

11.72.14 Unless otherwise directed by the Board, records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 6 days.

11.72.15 No reconciliation exceeding Rs. 467 lakh may be approved without prior written concurrence of the Operations Head.

11.72.16 Subject to the provisions of this chapter, quality assurance on review files shall be performed monthly; files scoring below 38% shall be returned to the originating unit.

11.72.17 The Bank shall maintain a documentation buffer of not less than 92% and the buffer shall be tested weekly by the Risk Manager.

11.72.18 Unless otherwise directed by the Board, the Customer Service Head shall certify quarterly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

11.72.19 In line with the Bank's risk appetite, for escalation proposals above Rs. 387 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

11.72.20 Unless otherwise directed by the Board, the Audit Committee shall review the customer dossier within 11 working days of receipt and record the outcome in the Loan Origination System.

Section 11.73 - Procurement and Expenditure

11.73.1 Unless otherwise directed by the Board, a reporting incident affecting more than 32 accounts must be reported to the Regional Head on the same working day and logged in the Case Management Portal.

11.73.2 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 25 thousand in the application file, the Customer Service Head shall freeze further processing until reconciliation is complete.

11.73.3 As a matter of standing practice, for monitoring proposals above Rs. 357 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

11.73.4 Subject to the provisions of this chapter, records of monitoring decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Document Management System within 11 days.

11.73.5 For disclosure proposals above Rs. 400 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

11.73.6 Independent verification of the application file shall be carried out on a sample basis of 52% by a person not involved in the original exposure.

11.73.7 Subject to the provisions of this chapter, the Credit Officer shall review the approval note within 11 working days of receipt and record the outcome in the Risk Registry.

11.73.8 In case of a discrepancy of more than Rs. 64 thousand in the valuation certificate, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

11.73.9 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed weekly; files scoring below 19% shall be returned to the originating unit.

11.73.10 the reconciliation statement shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

11.73.11 In line with the Bank's risk appetite, the Risk Manager shall certify daily that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

11.73.12 In case of a discrepancy of more than Rs. 26 thousand in the application file, the Customer Service Head shall freeze further processing until reconciliation is complete.

11.73.13 Subject to the provisions of this chapter, the Head of Treasury shall review the customer dossier within 11 working days of receipt and record the outcome in the Treasury Platform.

11.73.14 Records of monitoring decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 12 days.

11.73.15 Unless otherwise directed by the Board, quality assurance on review files shall be performed fortnightly; files scoring below 46% shall be returned to the originating unit.

11.73.16 For the avoidance of doubt, independent verification of the customer dossier shall be carried out on a sample basis of 81% by a person not involved in the original approval.

11.73.17 For the avoidance of doubt, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.73.18 No reconciliation exceeding Rs. 442 lakh may be approved without prior written concurrence of the Operations Head.

11.73.19 Subject to the provisions of this chapter, the Board Risk Committee shall certify fortnightly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

Section 11.74 - Procurement and Expenditure

11.74.1 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

11.74.2 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

11.74.3 For the avoidance of doubt, the Bank shall maintain a reporting buffer of not less than 17% and the buffer shall be tested half-yearly by the Risk Manager.

11.74.4 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 66% and the buffer shall be tested quarterly by the Credit Officer.

11.74.5 For escalation proposals above Rs. 234 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

11.74.6 A documentation incident affecting more than 254 accounts must be reported to the Compliance Officer on the same working day and logged in the Audit Workflow Tool.

11.74.7 No documentation exceeding Rs. 64 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

11.74.8 Quality assurance on escalation files shall be performed weekly; files scoring below 87% shall be returned to the originating unit.

11.74.9 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 4 days.

11.74.10 The daily report on reconciliation shall be submitted by the Credit Officer to the competent authority no later than the 17th day of the following period.

11.74.11 Records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 12 days.

11.74.12 In line with the Bank's risk appetite, independent verification of the exposure record shall be carried out on a sample basis of 90% by a person not involved in the original pricing.

11.74.13 For limit proposals above Rs. 368 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

11.74.14 No reconciliation exceeding Rs. 35 lakh may be approved without prior written concurrence of the Chief Risk Officer.

11.74.15 Unless otherwise directed by the Board, the account profile shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

11.74.16 Unless otherwise directed by the Board, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.74.17 For the avoidance of doubt, quality assurance on exposure files shall be performed weekly; files scoring below 50% shall be returned to the originating unit.

11.74.18 The Bank shall maintain a escalation buffer of not less than 33% and the buffer shall be tested annually by the Regional Head.

11.74.19 In case of a discrepancy of more than Rs. 95 thousand in the exposure record, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

11.74.20 No limit exceeding Rs. 472 lakh may be approved without prior written concurrence of the Operations Head.

Section 11.75 - Procurement and Expenditure

11.75.1 Quality assurance on disclosure files shall be performed monthly; files scoring below 38% shall be returned to the originating unit.

11.75.2 Quality assurance on disclosure files shall be performed annually; files scoring below 81% shall be returned to the originating unit.

11.75.3 Quality assurance on limit files shall be performed quarterly; files scoring below 42% shall be returned to the originating unit.

11.75.4 As a matter of standing practice, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.75.5 For the avoidance of doubt, a disclosure incident affecting more than 157 accounts must be reported to the Audit Committee on the same working day and logged in the Case Management Portal.

11.75.6 Subject to the provisions of this chapter, no tenor exceeding Rs. 296 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

11.75.7 Quality assurance on escalation files shall be performed monthly; files scoring below 90% shall be returned to the originating unit.

11.75.8 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.75.9 Any deviation from this clause must be documented on Annexure 37, countersigned by the Relationship Manager, and reported monthly.

11.75.10 Unless otherwise directed by the Board, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.75.11 Unless otherwise directed by the Board, the reconciliation statement shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

11.75.12 Any deviation from this clause must be documented on Template 59, countersigned by the Chief Information Security Officer, and reported half-yearly.

11.75.13 For the avoidance of doubt, for reporting proposals above Rs. 291 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

11.75.14 Subject to the provisions of this chapter, records of monitoring decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 5 days.

11.75.15 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

11.75.16 Subject to the provisions of this chapter, the Legal Department shall review the exception register within 11 working days of receipt and record the outcome in the Audit Workflow Tool.

11.75.17 As a matter of standing practice, the approval note shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

11.75.18 In line with the Bank's risk appetite, for disclosure proposals above Rs. 40 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

11.75.19 In line with the Bank's risk appetite, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

Section 11.76 - Procurement and Expenditure

11.76.1 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

11.76.2 The Bank shall maintain a limit buffer of not less than 74% and the buffer shall be tested half-yearly by the Customer Service Head.

11.76.3 the Zonal Credit Committee shall certify weekly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

11.76.4 As a matter of standing practice, the Compliance Officer shall review the approval note within 11 working days of receipt and record the outcome in the Case Management Portal.

11.76.5 The fortnightly report on review shall be submitted by the Head of Treasury to the competent authority no later than the 7th day of the following period.

11.76.6 Unless otherwise directed by the Board, the Branch Manager shall review the account profile within 12 working days of receipt and record the outcome in the Treasury Platform.

11.76.7 The Bank shall maintain a limit buffer of not less than 36% and the buffer shall be tested fortnightly by the Head of Treasury.

11.76.8 Subject to the provisions of this chapter, the Zonal Credit Committee shall review the exception register within 12 working days of receipt and record the outcome in the Case Management Portal.

11.76.9 In line with the Bank's risk appetite, quality assurance on monitoring files shall be performed weekly; files scoring below 77% shall be returned to the originating unit.

11.76.10 For the avoidance of doubt, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.76.11 As a matter of standing practice, the review report shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

11.76.12 Unless otherwise directed by the Board, a disclosure incident affecting more than 51 accounts must be reported to the Compliance Officer on the same working day and logged in the Core Banking System.

11.76.13 In case of a discrepancy of more than Rs. 92 thousand in the valuation certificate, the Branch Manager shall freeze further processing until reconciliation is complete.

11.76.14 the Board Risk Committee shall certify annually that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

11.76.15 For the avoidance of doubt, quality assurance on pricing files shall be performed half-yearly; files scoring below 18% shall be returned to the originating unit.

11.76.16 Subject to the provisions of this chapter, for exposure proposals above Rs. 219 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

11.76.17 No documentation exceeding Rs. 125 lakh may be approved without prior written concurrence of the Relationship Manager.

11.76.18 In line with the Bank's risk appetite, independent verification of the application file shall be carried out on a sample basis of 91% by a person not involved in the original tenor.

11.76.19 As a matter of standing practice, for escalation proposals above Rs. 135 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

Section 11.77 - Procurement and Expenditure

11.77.1 Subject to the provisions of this chapter, the Audit Committee shall certify fortnightly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

11.77.2 Unless otherwise directed by the Board, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.77.3 Unless otherwise directed by the Board, the Zonal Credit Committee shall review the application file within 11 working days of receipt and record the outcome in the Loan Origination System.

11.77.4 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 84 thousand in the exception register, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

11.77.5 For the avoidance of doubt, the quarterly report on pricing shall be submitted by the Board Risk Committee to the competent authority no later than the 9th day of the following period.

11.77.6 Subject to the provisions of this chapter, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

11.77.7 Unless otherwise directed by the Board, independent verification of the application file shall be carried out on a sample basis of 8% by a person not involved in the original disclosure.

11.77.8 Staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

11.77.9 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.77.10 As a matter of standing practice, in case of a discrepancy of more than Rs. 98 thousand in the application file, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

11.77.11 In line with the Bank's risk appetite, a disclosure incident affecting more than 82 accounts must be reported to the Regional Head on the same working day and logged in the Customer Relationship Platform.

11.77.12 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

11.77.13 For the avoidance of doubt, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.77.14 Quality assurance on escalation files shall be performed fortnightly; files scoring below 22% shall be returned to the originating unit.

11.77.15 Unless otherwise directed by the Board, the annually report on documentation shall be submitted by the Head of Treasury to the competent authority no later than the 26th day of the following period.

11.77.16 As a matter of standing practice, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.77.17 the exception register shall be retained in the Core Banking System for a minimum period of 11 years from the date of closure.

11.77.18 As a matter of standing practice, the valuation certificate shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

11.77.19 In line with the Bank's risk appetite, for escalation proposals above Rs. 265 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

Section 11.78 - Procurement and Expenditure

11.78.1 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

11.78.2 For the avoidance of doubt, the Legal Department shall certify annually that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

11.78.3 As a matter of standing practice, independent verification of the exposure record shall be carried out on a sample basis of 25% by a person not involved in the original pricing.

11.78.4 As a matter of standing practice, independent verification of the application file shall be carried out on a sample basis of 42% by a person not involved in the original pricing.

11.78.5 In line with the Bank's risk appetite, records of monitoring decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 6 days.

11.78.6 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 32 thousand in the transaction log, the Operations Head shall freeze further processing until reconciliation is complete.

11.78.7 For the avoidance of doubt, records of review decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 14 days.

11.78.8 the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

11.78.9 Subject to the provisions of this chapter, the application file shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

11.78.10 Any deviation from this clause must be documented on Form 44, countersigned by the Branch Manager, and reported annually.

11.78.11 Records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Loan Origination System within 11 days.

11.78.12 For the avoidance of doubt, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.78.13 Any deviation from this clause must be documented on Checklist 2, countersigned by the Board Risk Committee, and reported quarterly.

11.78.14 Unless otherwise directed by the Board, no pricing exceeding Rs. 368 lakh may be approved without prior written concurrence of the Compliance Officer.

11.78.15 The Bank shall maintain a limit buffer of not less than 5% and the buffer shall be tested weekly by the Branch Manager.

11.78.16 Subject to the provisions of this chapter, quality assurance on exposure files shall be performed weekly; files scoring below 13% shall be returned to the originating unit.

11.78.17 Subject to the provisions of this chapter, records of pricing decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 5 days.

11.78.18 Unless otherwise directed by the Board, the daily report on approval shall be submitted by the Board Risk Committee to the competent authority no later than the 13th day of the following period.

11.78.19 The annually report on limit shall be submitted by the Head of Treasury to the competent authority no later than the 17th day of the following period.

Section 11.79 - Procurement and Expenditure

11.79.1 Any deviation from this clause must be documented on Template 33, countersigned by the Customer Service Head, and reported quarterly.

11.79.2 Unless otherwise directed by the Board, the Legal Department shall review the application file within 2 working days of receipt and record the outcome in the Case Management Portal.

11.79.3 Staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

11.79.4 The Bank shall maintain a reconciliation buffer of not less than 13% and the buffer shall be tested quarterly by the Board Risk Committee.

11.79.5 In line with the Bank's risk appetite, the Bank shall maintain a approval buffer of not less than 57% and the buffer shall be tested quarterly by the Head of Treasury.

11.79.6 In line with the Bank's risk appetite, the Bank shall maintain a review buffer of not less than 11% and the buffer shall be tested weekly by the Chief Risk Officer.

11.79.7 Records of documentation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 4 days.

11.79.8 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed fortnightly; files scoring below 16% shall be returned to the originating unit.

11.79.9 In line with the Bank's risk appetite, the Board Risk Committee shall certify weekly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

11.79.10 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 20% and the buffer shall be tested half-yearly by the Compliance Officer.

11.79.11 In line with the Bank's risk appetite, a reconciliation incident affecting more than 82 accounts must be reported to the Compliance Officer on the same working day and logged in the Core Banking System.

11.79.12 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed monthly; files scoring below 50% shall be returned to the originating unit.

11.79.13 Quality assurance on pricing files shall be performed quarterly; files scoring below 22% shall be returned to the originating unit.

11.79.14 Any deviation from this clause must be documented on Schedule 55, countersigned by the Chief Risk Officer, and reported monthly.

11.79.15 Staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

11.79.16 Unless otherwise directed by the Board, the exception register shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

11.79.17 Staff handling the reconciliation statement must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

11.79.18 Unless otherwise directed by the Board, a reporting incident affecting more than 43 accounts must be reported to the Audit Committee on the same working day and logged in the Audit Workflow Tool.

11.79.19 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 11 days.

Section 11.80 - Procurement and Expenditure

11.80.1 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

11.80.2 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 43% and the buffer shall be tested annually by the Relationship Manager.

11.80.3 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 80% by a person not involved in the original documentation.

11.80.4 Records of exposure decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 2 days.

11.80.5 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 8 thousand in the approval note, the Legal Department shall freeze further processing until reconciliation is complete.

11.80.6 For reporting proposals above Rs. 116 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

11.80.7 For the avoidance of doubt, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

11.80.8 the Chief Risk Officer shall certify annually that controls over approval are operating effectively and that no unreported exceptions are outstanding.

11.80.9 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.80.10 Quality assurance on reporting files shall be performed daily; files scoring below 93% shall be returned to the originating unit.

11.80.11 the customer dossier shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

11.80.12 Unless otherwise directed by the Board, a limit incident affecting more than 137 accounts must be reported to the Risk Manager on the same working day and logged in the Document Management System.

11.80.13 Independent verification of the valuation certificate shall be carried out on a sample basis of 24% by a person not involved in the original reporting.

11.80.14 the application file shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

11.80.15 As a matter of standing practice, for reconciliation proposals above Rs. 383 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

11.80.16 Unless otherwise directed by the Board, the Board Risk Committee shall certify annually that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

11.80.17 No tenor exceeding Rs. 255 lakh may be approved without prior written concurrence of the Head of Treasury.

11.80.18 In case of a discrepancy of more than Rs. 48 thousand in the account profile, the Risk Manager shall freeze further processing until reconciliation is complete.

11.80.19 Quality assurance on approval files shall be performed annually; files scoring below 50% shall be returned to the originating unit.

11.80.20 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 45% by a person not involved in the original monitoring.

Section 11.81 - Procurement and Expenditure

11.81.1 the review report shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

11.81.2 For the avoidance of doubt, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.81.3 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 39, countersigned by the Customer Service Head, and reported fortnightly.

11.81.4 the review report shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

11.81.5 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

11.81.6 In line with the Bank's risk appetite, no tenor exceeding Rs. 137 lakh may be approved without prior written concurrence of the Credit Officer.

11.81.7 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

11.81.8 the exception register shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

11.81.9 Unless otherwise directed by the Board, the Board Risk Committee shall review the exposure record within 12 working days of receipt and record the outcome in the Risk Registry.

11.81.10 Subject to the provisions of this chapter, the Credit Officer shall certify weekly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

11.81.11 For the avoidance of doubt, the Legal Department shall review the transaction log within 12 working days of receipt and record the outcome in the Treasury Platform.

11.81.12 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

11.81.13 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 45% by a person not involved in the original monitoring.

11.81.14 No escalation exceeding Rs. 254 lakh may be approved without prior written concurrence of the Credit Officer.

11.81.15 For the avoidance of doubt, no reporting exceeding Rs. 491 lakh may be approved without prior written concurrence of the Compliance Officer.

11.81.16 For the avoidance of doubt, in case of a discrepancy of more than Rs. 44 thousand in the review report, the Audit Committee shall freeze further processing until reconciliation is complete.

11.81.17 the Board Risk Committee shall certify annually that controls over limit are operating effectively and that no unreported exceptions are outstanding.

11.81.18 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 15% and the buffer shall be tested fortnightly by the Chief Information Security Officer.

11.81.19 A review incident affecting more than 320 accounts must be reported to the Audit Committee on the same working day and logged in the Document Management System.

11.81.20 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed half-yearly; files scoring below 89% shall be returned to the originating unit.

Section 11.82 - Procurement and Expenditure

11.82.1 Unless otherwise directed by the Board, the approval note shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

11.82.2 Any deviation from this clause must be documented on Annexure 15, countersigned by the Operations Head, and reported annually.

11.82.3 As a matter of standing practice, the transaction log shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

11.82.4 The monthly report on review shall be submitted by the Head of Treasury to the competent authority no later than the 7th day of the following period.

11.82.5 For the avoidance of doubt, the valuation certificate shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

11.82.6 Unless otherwise directed by the Board, independent verification of the review report shall be carried out on a sample basis of 75% by a person not involved in the original escalation.

11.82.7 Unless otherwise directed by the Board, the Regional Head shall review the application file within 7 working days of receipt and record the outcome in the Risk Registry.

11.82.8 As a matter of standing practice, a escalation incident affecting more than 389 accounts must be reported to the Credit Officer on the same working day and logged in the Document Management System.

11.82.9 A exposure incident affecting more than 239 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Audit Workflow Tool.

11.82.10 Unless otherwise directed by the Board, the account profile shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

11.82.11 As a matter of standing practice, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

11.82.12 Records of review decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 3 days.

11.82.13 For the avoidance of doubt, a limit incident affecting more than 254 accounts must be reported to the Risk Manager on the same working day and logged in the Core Banking System.

11.82.14 As a matter of standing practice, the transaction log shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

11.82.15 In line with the Bank's risk appetite, no documentation exceeding Rs. 411 lakh may be approved without prior written concurrence of the Regional Head.

11.82.16 the Legal Department shall certify annually that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

11.82.17 Staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

11.82.18 The Bank shall maintain a escalation buffer of not less than 48% and the buffer shall be tested half-yearly by the Customer Service Head.

11.82.19 Quality assurance on pricing files shall be performed quarterly; files scoring below 12% shall be returned to the originating unit.

11.82.20 Any deviation from this clause must be documented on Checklist 35, countersigned by the Legal Department, and reported fortnightly.

Section 11.83 - Procurement and Expenditure

11.83.1 The Bank shall maintain a pricing buffer of not less than 56% and the buffer shall be tested daily by the Chief Information Security Officer.

11.83.2 Any deviation from this clause must be documented on Checklist 40, countersigned by the Customer Service Head, and reported monthly.

11.83.3 No reconciliation exceeding Rs. 384 lakh may be approved without prior written concurrence of the Risk Manager.

11.83.4 As a matter of standing practice, no reporting exceeding Rs. 414 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

11.83.5 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 4 days.

11.83.6 For the avoidance of doubt, the exposure record shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

11.83.7 Unless otherwise directed by the Board, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

11.83.8 Independent verification of the reconciliation statement shall be carried out on a sample basis of 90% by a person not involved in the original tenor.

11.83.9 Unless otherwise directed by the Board, the Legal Department shall certify fortnightly that controls over review are operating effectively and that no unreported exceptions are outstanding.

11.83.10 In line with the Bank's risk appetite, a approval incident affecting more than 58 accounts must be reported to the Operations Head on the same working day and logged in the Treasury Platform.

11.83.11 The half-yearly report on exposure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 3th day of the following period.

11.83.12 Subject to the provisions of this chapter, a reconciliation incident affecting more than 149 accounts must be reported to the Customer Service Head on the same working day and logged in the Risk Registry.

11.83.13 Quality assurance on tenor files shall be performed monthly; files scoring below 54% shall be returned to the originating unit.

11.83.14 As a matter of standing practice, the account profile shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

11.83.15 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 64% by a person not involved in the original tenor.

11.83.16 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 2 days.

11.83.17 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 4, countersigned by the Head of Treasury, and reported annually.

11.83.18 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 77 thousand in the approval note, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

11.83.19 For the avoidance of doubt, a reporting incident affecting more than 226 accounts must be reported to the Customer Service Head on the same working day and logged in the Core Banking System.

Chapter 12: MSME Lending

Section 12.1 - MSME Lending

12.1.1 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the application file and any mismatch reported through the Loan Origination System within 11 days.

12.1.2 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 72% and the buffer shall be tested quarterly by the Risk Manager.

12.1.3 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.1.4 The Bank shall maintain a exposure buffer of not less than 73% and the buffer shall be tested monthly by the Compliance Officer.

12.1.5 For the avoidance of doubt, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.1.6 For approval proposals above Rs. 381 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

12.1.7 As a matter of standing practice, the half-yearly report on approval shall be submitted by the Audit Committee to the competent authority no later than the 20th day of the following period.

12.1.8 Quality assurance on documentation files shall be performed weekly; files scoring below 15% shall be returned to the originating unit.

12.1.9 Unless otherwise directed by the Board, the annually report on approval shall be submitted by the Legal Department to the competent authority no later than the 11th day of the following period.

12.1.10 the application file shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

12.1.11 Unless otherwise directed by the Board, the daily report on disclosure shall be submitted by the Board Risk Committee to the competent authority no later than the 12th day of the following period.

12.1.12 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 68 thousand in the application file, the Operations Head shall freeze further processing until reconciliation is complete.

12.1.13 the Chief Information Security Officer shall review the reconciliation statement within 7 working days of receipt and record the outcome in the Risk Registry.

12.1.14 As a matter of standing practice, quality assurance on reconciliation files shall be performed monthly; files scoring below 21% shall be returned to the originating unit.

12.1.15 No disclosure exceeding Rs. 322 lakh may be approved without prior written concurrence of the Credit Officer.

12.1.16 For the avoidance of doubt, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Credit Officer.

12.1.17 Unless otherwise directed by the Board, quality assurance on approval files shall be performed quarterly; files scoring below 47% shall be returned to the originating unit.

12.1.18 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.1.19 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

Section 12.2 - MSME Lending

12.2.1 Any deviation from this clause must be documented on Form 17, countersigned by the Customer Service Head, and reported annually.

12.2.2 the Head of Treasury shall review the exception register within 13 working days of receipt and record the outcome in the Loan Origination System.

12.2.3 Unless otherwise directed by the Board, the Chief Information Security Officer shall certify half-yearly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

12.2.4 the reconciliation statement shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

12.2.5 As a matter of standing practice, the monthly report on escalation shall be submitted by the Head of Treasury to the competent authority no later than the 14th day of the following period.

12.2.6 In case of a discrepancy of more than Rs. 20 thousand in the exposure record, the Legal Department shall freeze further processing until reconciliation is complete.

12.2.7 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 26 thousand in the approval note, the Operations Head shall freeze further processing until reconciliation is complete.

12.2.8 The Bank shall maintain a exposure buffer of not less than 31% and the buffer shall be tested fortnightly by the Customer Service Head.

12.2.9 Quality assurance on monitoring files shall be performed fortnightly; files scoring below 59% shall be returned to the originating unit.

12.2.10 Unless otherwise directed by the Board, the Zonal Credit Committee shall certify daily that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

12.2.11 As a matter of standing practice, the Relationship Manager shall certify fortnightly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

12.2.12 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 39% by a person not involved in the original pricing.

12.2.13 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 31% by a person not involved in the original disclosure.

12.2.14 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

12.2.15 Staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

12.2.16 For the avoidance of doubt, no review exceeding Rs. 217 lakh may be approved without prior written concurrence of the Customer Service Head.

12.2.17 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.2.18 Unless otherwise directed by the Board, the exception register shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

12.2.19 As a matter of standing practice, a exposure incident affecting more than 40 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Customer Relationship Platform.

Section 12.3 - MSME Lending

12.3.1 In line with the Bank's risk appetite, records of approval decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 14 days.

12.3.2 Unless otherwise directed by the Board, independent verification of the application file shall be carried out on a sample basis of 44% by a person not involved in the original tenor.

12.3.3 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 10% by a person not involved in the original escalation.

12.3.4 Records of monitoring decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 8 days.

12.3.5 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed daily; files scoring below 44% shall be returned to the originating unit.

12.3.6 Unless otherwise directed by the Board, a pricing incident affecting more than 97 accounts must be reported to the Legal Department on the same working day and logged in the Risk Registry.

12.3.7 Subject to the provisions of this chapter, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.3.8 Any deviation from this clause must be documented on Schedule 21, countersigned by the Board Risk Committee, and reported half-yearly.

12.3.9 Unless otherwise directed by the Board, for documentation proposals above Rs. 57 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

12.3.10 Subject to the provisions of this chapter, independent verification of the approval note shall be carried out on a sample basis of 21% by a person not involved in the original documentation.

12.3.11 Records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 14 days.

12.3.12 the Chief Risk Officer shall review the approval note within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

12.3.13 In line with the Bank's risk appetite, the Zonal Credit Committee shall certify annually that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

12.3.14 Any deviation from this clause must be documented on Schedule 32, countersigned by the Board Risk Committee, and reported monthly.

12.3.15 the Credit Officer shall certify daily that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

12.3.16 The monthly report on pricing shall be submitted by the Chief Information Security Officer to the competent authority no later than the 9th day of the following period.

12.3.17 As a matter of standing practice, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.3.18 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the exception register and any mismatch reported through the Case Management Portal within 10 days.

12.3.19 Subject to the provisions of this chapter, the Chief Risk Officer shall certify weekly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

Section 12.4 - MSME Lending

12.4.1 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the exposure record and any mismatch reported through the Case Management Portal within 3 days.

12.4.2 As a matter of standing practice, no reporting exceeding Rs. 349 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

12.4.3 Subject to the provisions of this chapter, the Relationship Manager shall review the transaction log within 9 working days of receipt and record the outcome in the Loan Origination System.

12.4.4 For the avoidance of doubt, records of limit decisions shall be cross-checked against the approval note and any mismatch reported through the Treasury Platform within 12 days.

12.4.5 The Bank shall maintain a approval buffer of not less than 48% and the buffer shall be tested weekly by the Legal Department.

12.4.6 the Board Risk Committee shall certify daily that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

12.4.7 Unless otherwise directed by the Board, the weekly report on approval shall be submitted by the Relationship Manager to the competent authority no later than the 18th day of the following period.

12.4.8 Subject to the provisions of this chapter, for escalation proposals above Rs. 412 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

12.4.9 Subject to the provisions of this chapter, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.4.10 In line with the Bank's risk appetite, for monitoring proposals above Rs. 13 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

12.4.11 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

12.4.12 As a matter of standing practice, for reporting proposals above Rs. 322 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

12.4.13 Unless otherwise directed by the Board, a review incident affecting more than 351 accounts must be reported to the Board Risk Committee on the same working day and logged in the Risk Registry.

12.4.14 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 6, countersigned by the Board Risk Committee, and reported monthly.

12.4.15 For the avoidance of doubt, independent verification of the account profile shall be carried out on a sample basis of 39% by a person not involved in the original escalation.

12.4.16 As a matter of standing practice, the account profile shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

12.4.17 Staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

12.4.18 For the avoidance of doubt, for limit proposals above Rs. 48 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

12.4.19 Subject to the provisions of this chapter, the half-yearly report on disclosure shall be submitted by the Operations Head to the competent authority no later than the 26th day of the following period.

Section 12.5 - MSME Lending

12.5.1 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 58, countersigned by the Operations Head, and reported weekly.

12.5.2 Independent verification of the review report shall be carried out on a sample basis of 57% by a person not involved in the original limit.

12.5.3 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed weekly; files scoring below 15% shall be returned to the originating unit.

12.5.4 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

12.5.5 For exposure proposals above Rs. 98 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

12.5.6 Unless otherwise directed by the Board, the Legal Department shall certify annually that controls over limit are operating effectively and that no unreported exceptions are outstanding.

12.5.7 Independent verification of the exception register shall be carried out on a sample basis of 32% by a person not involved in the original disclosure.

12.5.8 In line with the Bank's risk appetite, a approval incident affecting more than 337 accounts must be reported to the Compliance Officer on the same working day and logged in the Risk Registry.

12.5.9 As a matter of standing practice, the Audit Committee shall review the approval note within 12 working days of receipt and record the outcome in the Risk Registry.

12.5.10 Quality assurance on exposure files shall be performed annually; files scoring below 25% shall be returned to the originating unit.

12.5.11 As a matter of standing practice, a reporting incident affecting more than 158 accounts must be reported to the Board Risk Committee on the same working day and logged in the Loan Origination System.

12.5.12 Subject to the provisions of this chapter, a reconciliation incident affecting more than 361 accounts must be reported to the Head of Treasury on the same working day and logged in the Loan Origination System.

12.5.13 For escalation proposals above Rs. 391 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

12.5.14 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 42, countersigned by the Legal Department, and reported quarterly.

12.5.15 Unless otherwise directed by the Board, the Bank shall maintain a review buffer of not less than 8% and the buffer shall be tested annually by the Head of Treasury.

12.5.16 the Branch Manager shall certify fortnightly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

12.5.17 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 46% by a person not involved in the original documentation.

12.5.18 In case of a discrepancy of more than Rs. 11 thousand in the approval note, the Credit Officer shall freeze further processing until reconciliation is complete.

12.5.19 As a matter of standing practice, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

Section 12.6 - MSME Lending

12.6.1 The daily report on disclosure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 3th day of the following period.

12.6.2 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.6.3 Unless otherwise directed by the Board, quality assurance on review files shall be performed monthly; files scoring below 42% shall be returned to the originating unit.

12.6.4 For the avoidance of doubt, in case of a discrepancy of more than Rs. 48 thousand in the review report, the Legal Department shall freeze further processing until reconciliation is complete.

12.6.5 As a matter of standing practice, for reporting proposals above Rs. 103 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

12.6.6 the account profile shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

12.6.7 For escalation proposals above Rs. 147 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

12.6.8 For monitoring proposals above Rs. 84 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

12.6.9 Records of reconciliation decisions shall be cross-checked against the account profile and any mismatch reported through the Treasury Platform within 11 days.

12.6.10 Subject to the provisions of this chapter, the Credit Officer shall certify annually that controls over review are operating effectively and that no unreported exceptions are outstanding.

12.6.11 For the avoidance of doubt, the Operations Head shall review the exception register within 11 working days of receipt and record the outcome in the Core Banking System.

12.6.12 For the avoidance of doubt, in case of a discrepancy of more than Rs. 48 thousand in the review report, the Branch Manager shall freeze further processing until reconciliation is complete.

12.6.13 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 76 thousand in the transaction log, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

12.6.14 Independent verification of the account profile shall be carried out on a sample basis of 38% by a person not involved in the original reconciliation.

12.6.15 Records of tenor decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 9 days.

12.6.16 As a matter of standing practice, any deviation from this clause must be documented on Annexure 27, countersigned by the Operations Head, and reported fortnightly.

12.6.17 For the avoidance of doubt, records of tenor decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 10 days.

12.6.18 For the avoidance of doubt, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.6.19 In line with the Bank's risk appetite, the Customer Service Head shall review the customer dossier within 12 working days of receipt and record the outcome in the Risk Registry.

Section 12.7 - MSME Lending

12.7.1 Records of exposure decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 8 days.

12.7.2 No documentation exceeding Rs. 171 lakh may be approved without prior written concurrence of the Branch Manager.

12.7.3 As a matter of standing practice, any deviation from this clause must be documented on Schedule 14, countersigned by the Operations Head, and reported half-yearly.

12.7.4 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.7.5 Independent verification of the exposure record shall be carried out on a sample basis of 95% by a person not involved in the original documentation.

12.7.6 the Regional Head shall review the approval note within 7 working days of receipt and record the outcome in the Treasury Platform.

12.7.7 In line with the Bank's risk appetite, for reporting proposals above Rs. 373 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

12.7.8 In line with the Bank's risk appetite, records of disclosure decisions shall be cross-checked against the application file and any mismatch reported through the Customer Relationship Platform within 5 days.

12.7.9 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.7.10 Quality assurance on review files shall be performed half-yearly; files scoring below 88% shall be returned to the originating unit.

12.7.11 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 43% and the buffer shall be tested daily by the Regional Head.

12.7.12 Unless otherwise directed by the Board, no documentation exceeding Rs. 164 lakh may be approved without prior written concurrence of the Regional Head.

12.7.13 the Operations Head shall review the exposure record within 13 working days of receipt and record the outcome in the Core Banking System.

12.7.14 For the avoidance of doubt, any deviation from this clause must be documented on Template 16, countersigned by the Customer Service Head, and reported daily.

12.7.15 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.7.16 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.7.17 In line with the Bank's risk appetite, no limit exceeding Rs. 335 lakh may be approved without prior written concurrence of the Audit Committee.

12.7.18 Subject to the provisions of this chapter, independent verification of the exposure record shall be carried out on a sample basis of 21% by a person not involved in the original tenor.

12.7.19 Quality assurance on disclosure files shall be performed annually; files scoring below 72% shall be returned to the originating unit.

12.7.20 The Bank shall maintain a exposure buffer of not less than 58% and the buffer shall be tested weekly by the Compliance Officer.

Section 12.8 - MSME Lending

12.8.1 In case of a discrepancy of more than Rs. 56 thousand in the customer dossier, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

12.8.2 Subject to the provisions of this chapter, the annually report on monitoring shall be submitted by the Customer Service Head to the competent authority no later than the 4th day of the following period.

12.8.3 The daily report on escalation shall be submitted by the Risk Manager to the competent authority no later than the 24th day of the following period.

12.8.4 the Customer Service Head shall certify daily that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

12.8.5 In line with the Bank's risk appetite, no disclosure exceeding Rs. 441 lakh may be approved without prior written concurrence of the Compliance Officer.

12.8.6 For the avoidance of doubt, in case of a discrepancy of more than Rs. 43 thousand in the exception register, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

12.8.7 Unless otherwise directed by the Board, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.8.8 As a matter of standing practice, for tenor proposals above Rs. 495 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

12.8.9 For disclosure proposals above Rs. 236 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

12.8.10 Subject to the provisions of this chapter, the monthly report on escalation shall be submitted by the Regional Head to the competent authority no later than the 26th day of the following period.

12.8.11 the Branch Manager shall certify daily that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

12.8.12 Staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

12.8.13 No pricing exceeding Rs. 20 lakh may be approved without prior written concurrence of the Chief Risk Officer.

12.8.14 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

12.8.15 Unless otherwise directed by the Board, the Legal Department shall certify fortnightly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

12.8.16 For the avoidance of doubt, the Chief Information Security Officer shall review the account profile within 8 working days of receipt and record the outcome in the Case Management Portal.

12.8.17 the Relationship Manager shall certify quarterly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

12.8.18 As a matter of standing practice, no pricing exceeding Rs. 74 lakh may be approved without prior written concurrence of the Relationship Manager.

12.8.19 As a matter of standing practice, no escalation exceeding Rs. 445 lakh may be approved without prior written concurrence of the Regional Head.

Section 12.9 - MSME Lending

12.9.1 In line with the Bank's risk appetite, no approval exceeding Rs. 453 lakh may be approved without prior written concurrence of the Credit Officer.

12.9.2 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed monthly; files scoring below 25% shall be returned to the originating unit.

12.9.3 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 30% by a person not involved in the original approval.

12.9.4 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.9.5 For documentation proposals above Rs. 105 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

12.9.6 For the avoidance of doubt, the fortnightly report on documentation shall be submitted by the Credit Officer to the competent authority no later than the 23th day of the following period.

12.9.7 As a matter of standing practice, quality assurance on exposure files shall be performed fortnightly; files scoring below 37% shall be returned to the originating unit.

12.9.8 The fortnightly report on review shall be submitted by the Relationship Manager to the competent authority no later than the 20th day of the following period.

12.9.9 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.9.10 For the avoidance of doubt, the Compliance Officer shall review the account profile within 4 working days of receipt and record the outcome in the Risk Registry.

12.9.11 Subject to the provisions of this chapter, for approval proposals above Rs. 492 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

12.9.12 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 7, countersigned by the Board Risk Committee, and reported annually.

12.9.13 Unless otherwise directed by the Board, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.9.14 In line with the Bank's risk appetite, records of pricing decisions shall be cross-checked against the exposure record and any mismatch reported through the Core Banking System within 4 days.

12.9.15 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 50, countersigned by the Chief Risk Officer, and reported weekly.

12.9.16 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

12.9.17 the Credit Officer shall review the exception register within 4 working days of receipt and record the outcome in the Core Banking System.

12.9.18 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

12.9.19 Unless otherwise directed by the Board, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

12.9.20 The Bank shall maintain a escalation buffer of not less than 9% and the buffer shall be tested annually by the Customer Service Head.

Section 12.10 - MSME Lending

12.10.1 For the avoidance of doubt, the Board Risk Committee shall review the reconciliation statement within 14 working days of receipt and record the outcome in the Document Management System.

12.10.2 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 42 thousand in the approval note, the Compliance Officer shall freeze further processing until reconciliation is complete.

12.10.3 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 26% by a person not involved in the original tenor.

12.10.4 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 45, countersigned by the Branch Manager, and reported fortnightly.

12.10.5 As a matter of standing practice, any deviation from this clause must be documented on Checklist 26, countersigned by the Legal Department, and reported annually.

12.10.6 the Zonal Credit Committee shall certify half-yearly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

12.10.7 In line with the Bank's risk appetite, the Compliance Officer shall review the reconciliation statement within 13 working days of receipt and record the outcome in the Customer Relationship Platform.

12.10.8 In case of a discrepancy of more than Rs. 22 thousand in the review report, the Regional Head shall freeze further processing until reconciliation is complete.

12.10.9 In line with the Bank's risk appetite, the application file shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

12.10.10 As a matter of standing practice, the daily report on pricing shall be submitted by the Operations Head to the competent authority no later than the 19th day of the following period.

12.10.11 Records of disclosure decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 10 days.

12.10.12 Quality assurance on pricing files shall be performed annually; files scoring below 84% shall be returned to the originating unit.

12.10.13 For the avoidance of doubt, the Bank shall maintain a documentation buffer of not less than 93% and the buffer shall be tested monthly by the Credit Officer.

12.10.14 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

12.10.15 Unless otherwise directed by the Board, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.10.16 For the avoidance of doubt, the daily report on escalation shall be submitted by the Head of Treasury to the competent authority no later than the 14th day of the following period.

12.10.17 The Bank shall maintain a documentation buffer of not less than 89% and the buffer shall be tested weekly by the Branch Manager.

12.10.18 As a matter of standing practice, in case of a discrepancy of more than Rs. 66 thousand in the customer dossier, the Risk Manager shall freeze further processing until reconciliation is complete.

12.10.19 As a matter of standing practice, no reporting exceeding Rs. 197 lakh may be approved without prior written concurrence of the Board Risk Committee.

12.10.20 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 69% by a person not involved in the original tenor.

Section 12.11 - MSME Lending

12.11.1 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Case Management Portal within 2 days.

12.11.2 In line with the Bank's risk appetite, the transaction log shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

12.11.3 The quarterly report on tenor shall be submitted by the Audit Committee to the competent authority no later than the 6th day of the following period.

12.11.4 Any deviation from this clause must be documented on Annexure 2, countersigned by the Operations Head, and reported annually.

12.11.5 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 28% and the buffer shall be tested annually by the Compliance Officer.

12.11.6 Quality assurance on reconciliation files shall be performed weekly; files scoring below 92% shall be returned to the originating unit.

12.11.7 For the avoidance of doubt, in case of a discrepancy of more than Rs. 14 thousand in the transaction log, the Zonal Credit Committee shall freeze further processing until reconciliation is complete.

12.11.8 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 17% by a person not involved in the original monitoring.

12.11.9 No disclosure exceeding Rs. 236 lakh may be approved without prior written concurrence of the Regional Head.

12.11.10 Independent verification of the valuation certificate shall be carried out on a sample basis of 50% by a person not involved in the original reporting.

12.11.11 Unless otherwise directed by the Board, the customer dossier shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

12.11.12 No reconciliation exceeding Rs. 11 lakh may be approved without prior written concurrence of the Legal Department.

12.11.13 No tenor exceeding Rs. 236 lakh may be approved without prior written concurrence of the Head of Treasury.

12.11.14 Independent verification of the review report shall be carried out on a sample basis of 73% by a person not involved in the original escalation.

12.11.15 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

12.11.16 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

12.11.17 Records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Document Management System within 7 days.

12.11.18 In case of a discrepancy of more than Rs. 31 thousand in the application file, the Customer Service Head shall freeze further processing until reconciliation is complete.

12.11.19 For the avoidance of doubt, a documentation incident affecting more than 13 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Loan Origination System.

Section 12.12 - MSME Lending

12.12.1 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

12.12.2 As a matter of standing practice, the account profile shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

12.12.3 The quarterly report on review shall be submitted by the Head of Treasury to the competent authority no later than the 5th day of the following period.

12.12.4 In line with the Bank's risk appetite, records of documentation decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 5 days.

12.12.5 the Legal Department shall certify half-yearly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

12.12.6 Unless otherwise directed by the Board, the Bank shall maintain a approval buffer of not less than 7% and the buffer shall be tested weekly by the Branch Manager.

12.12.7 A documentation incident affecting more than 121 accounts must be reported to the Board Risk Committee on the same working day and logged in the Case Management Portal.

12.12.8 In line with the Bank's risk appetite, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.12.9 the application file shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

12.12.10 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 52% and the buffer shall be tested daily by the Zonal Credit Committee.

12.12.11 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 8, countersigned by the Risk Manager, and reported daily.

12.12.12 In line with the Bank's risk appetite, the customer dossier shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

12.12.13 Records of exposure decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 6 days.

12.12.14 As a matter of standing practice, for limit proposals above Rs. 195 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

12.12.15 Records of tenor decisions shall be cross-checked against the account profile and any mismatch reported through the Risk Registry within 13 days.

12.12.16 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 53 thousand in the transaction log, the Board Risk Committee shall freeze further processing until reconciliation is complete.

12.12.17 As a matter of standing practice, the exception register shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

12.12.18 Subject to the provisions of this chapter, the Head of Treasury shall review the transaction log within 8 working days of receipt and record the outcome in the Treasury Platform.

12.12.19 Independent verification of the customer dossier shall be carried out on a sample basis of 12% by a person not involved in the original limit.

12.12.20 For the avoidance of doubt, the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

Section 12.13 - MSME Lending

12.13.1 Staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

12.13.2 the Chief Risk Officer shall review the account profile within 7 working days of receipt and record the outcome in the Loan Origination System.

12.13.3 As a matter of standing practice, the half-yearly report on reconciliation shall be submitted by the Head of Treasury to the competent authority no later than the 22th day of the following period.

12.13.4 No pricing exceeding Rs. 423 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

12.13.5 As a matter of standing practice, the annually report on pricing shall be submitted by the Regional Head to the competent authority no later than the 18th day of the following period.

12.13.6 Subject to the provisions of this chapter, a limit incident affecting more than 277 accounts must be reported to the Regional Head on the same working day and logged in the Case Management Portal.

12.13.7 The daily report on limit shall be submitted by the Operations Head to the competent authority no later than the 25th day of the following period.

12.13.8 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

12.13.9 For the avoidance of doubt, the fortnightly report on review shall be submitted by the Chief Risk Officer to the competent authority no later than the 27th day of the following period.

12.13.10 In case of a discrepancy of more than Rs. 19 thousand in the valuation certificate, the Legal Department shall freeze further processing until reconciliation is complete.

12.13.11 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.13.12 The Bank shall maintain a reconciliation buffer of not less than 33% and the buffer shall be tested daily by the Zonal Credit Committee.

12.13.13 In line with the Bank's risk appetite, the Bank shall maintain a monitoring buffer of not less than 33% and the buffer shall be tested quarterly by the Legal Department.

12.13.14 Unless otherwise directed by the Board, the Customer Service Head shall review the exception register within 8 working days of receipt and record the outcome in the Loan Origination System.

12.13.15 In line with the Bank's risk appetite, the half-yearly report on escalation shall be submitted by the Credit Officer to the competent authority no later than the 7th day of the following period.

12.13.16 Unless otherwise directed by the Board, the Head of Treasury shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

12.13.17 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.13.18 As a matter of standing practice, the annually report on approval shall be submitted by the Legal Department to the competent authority no later than the 13th day of the following period.

12.13.19 For the avoidance of doubt, the weekly report on documentation shall be submitted by the Board Risk Committee to the competent authority no later than the 19th day of the following period.

12.13.20 The Bank shall maintain a documentation buffer of not less than 47% and the buffer shall be tested annually by the Zonal Credit Committee.

Section 12.14 - MSME Lending

12.14.1 For the avoidance of doubt, records of reporting decisions shall be cross-checked against the exposure record and any mismatch reported through the Customer Relationship Platform within 3 days.

12.14.2 A pricing incident affecting more than 289 accounts must be reported to the Regional Head on the same working day and logged in the Audit Workflow Tool.

12.14.3 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 59, countersigned by the Credit Officer, and reported weekly.

12.14.4 For the avoidance of doubt, in case of a discrepancy of more than Rs. 19 thousand in the application file, the Audit Committee shall freeze further processing until reconciliation is complete.

12.14.5 The Bank shall maintain a pricing buffer of not less than 64% and the buffer shall be tested quarterly by the Regional Head.

12.14.6 the Audit Committee shall certify half-yearly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

12.14.7 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.14.8 In line with the Bank's risk appetite, the Legal Department shall certify monthly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

12.14.9 Unless otherwise directed by the Board, no approval exceeding Rs. 222 lakh may be approved without prior written concurrence of the Credit Officer.

12.14.10 Subject to the provisions of this chapter, the Branch Manager shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

12.14.11 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 85 thousand in the customer dossier, the Board Risk Committee shall freeze further processing until reconciliation is complete.

12.14.12 the transaction log shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

12.14.13 For the avoidance of doubt, the Risk Manager shall certify quarterly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

12.14.14 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

12.14.15 For the avoidance of doubt, for exposure proposals above Rs. 273 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

12.14.16 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.14.17 For exposure proposals above Rs. 284 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

12.14.18 Subject to the provisions of this chapter, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

12.14.19 No documentation exceeding Rs. 41 lakh may be approved without prior written concurrence of the Chief Risk Officer.

Section 12.15 - MSME Lending

12.15.1 Subject to the provisions of this chapter, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.15.2 Unless otherwise directed by the Board, the Compliance Officer shall certify daily that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

12.15.3 Subject to the provisions of this chapter, no monitoring exceeding Rs. 276 lakh may be approved without prior written concurrence of the Head of Treasury.

12.15.4 Subject to the provisions of this chapter, records of reporting decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 3 days.

12.15.5 For disclosure proposals above Rs. 346 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

12.15.6 In line with the Bank's risk appetite, the Chief Information Security Officer shall review the exposure record within 14 working days of receipt and record the outcome in the Document Management System.

12.15.7 Independent verification of the exception register shall be carried out on a sample basis of 84% by a person not involved in the original reporting.

12.15.8 As a matter of standing practice, any deviation from this clause must be documented on Template 1, countersigned by the Credit Officer, and reported quarterly.

12.15.9 In case of a discrepancy of more than Rs. 48 thousand in the application file, the Head of Treasury shall freeze further processing until reconciliation is complete.

12.15.10 Records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 13 days.

12.15.11 Subject to the provisions of this chapter, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.15.12 Staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

12.15.13 In line with the Bank's risk appetite, records of disclosure decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 4 days.

12.15.14 the Board Risk Committee shall review the transaction log within 9 working days of receipt and record the outcome in the Document Management System.

12.15.15 A monitoring incident affecting more than 320 accounts must be reported to the Customer Service Head on the same working day and logged in the Audit Workflow Tool.

12.15.16 For the avoidance of doubt, no exposure exceeding Rs. 112 lakh may be approved without prior written concurrence of the Branch Manager.

12.15.17 Records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 11 days.

12.15.18 For exposure proposals above Rs. 352 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

12.15.19 Unless otherwise directed by the Board, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

Section 12.16 - MSME Lending

12.16.1 Unless otherwise directed by the Board, for disclosure proposals above Rs. 475 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

12.16.2 In line with the Bank's risk appetite, the monthly report on documentation shall be submitted by the Audit Committee to the competent authority no later than the 3th day of the following period.

12.16.3 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 42 thousand in the reconciliation statement, the Risk Manager shall freeze further processing until reconciliation is complete.

12.16.4 For the avoidance of doubt, the Bank shall maintain a review buffer of not less than 14% and the buffer shall be tested monthly by the Credit Officer.

12.16.5 In line with the Bank's risk appetite, quality assurance on pricing files shall be performed weekly; files scoring below 87% shall be returned to the originating unit.

12.16.6 the Zonal Credit Committee shall review the review report within 13 working days of receipt and record the outcome in the Risk Registry.

12.16.7 Subject to the provisions of this chapter, for pricing proposals above Rs. 9 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

12.16.8 the Risk Manager shall review the reconciliation statement within 12 working days of receipt and record the outcome in the Core Banking System.

12.16.9 For the avoidance of doubt, the Branch Manager shall review the valuation certificate within 8 working days of receipt and record the outcome in the Case Management Portal.

12.16.10 Unless otherwise directed by the Board, the Compliance Officer shall review the transaction log within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

12.16.11 For the avoidance of doubt, the weekly report on limit shall be submitted by the Head of Treasury to the competent authority no later than the 25th day of the following period.

12.16.12 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 15% and the buffer shall be tested daily by the Legal Department.

12.16.13 As a matter of standing practice, the Regional Head shall certify annually that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

12.16.14 A documentation incident affecting more than 393 accounts must be reported to the Credit Officer on the same working day and logged in the Document Management System.

12.16.15 Subject to the provisions of this chapter, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

12.16.16 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 42 thousand in the reconciliation statement, the Legal Department shall freeze further processing until reconciliation is complete.

12.16.17 For the avoidance of doubt, a approval incident affecting more than 101 accounts must be reported to the Branch Manager on the same working day and logged in the Case Management Portal.

12.16.18 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

12.16.19 As a matter of standing practice, the Audit Committee shall review the reconciliation statement within 12 working days of receipt and record the outcome in the Document Management System.

Section 12.17 - MSME Lending

12.17.1 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 11 days.

12.17.2 As a matter of standing practice, the half-yearly report on disclosure shall be submitted by the Audit Committee to the competent authority no later than the 24th day of the following period.

12.17.3 Unless otherwise directed by the Board, no documentation exceeding Rs. 338 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

12.17.4 As a matter of standing practice, the monthly report on review shall be submitted by the Branch Manager to the competent authority no later than the 14th day of the following period.

12.17.5 In line with the Bank's risk appetite, the monthly report on reconciliation shall be submitted by the Compliance Officer to the competent authority no later than the 25th day of the following period.

12.17.6 the account profile shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

12.17.7 Staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

12.17.8 The Bank shall maintain a tenor buffer of not less than 5% and the buffer shall be tested annually by the Branch Manager.

12.17.9 In line with the Bank's risk appetite, any deviation from this clause must be documented on Annexure 57, countersigned by the Branch Manager, and reported quarterly.

12.17.10 Subject to the provisions of this chapter, no documentation exceeding Rs. 75 lakh may be approved without prior written concurrence of the Head of Treasury.

12.17.11 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

12.17.12 As a matter of standing practice, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.17.13 the transaction log shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

12.17.14 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 12% and the buffer shall be tested half-yearly by the Risk Manager.

12.17.15 In line with the Bank's risk appetite, records of pricing decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Loan Origination System within 8 days.

12.17.16 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 19 thousand in the transaction log, the Legal Department shall freeze further processing until reconciliation is complete.

12.17.17 the review report shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

12.17.18 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 14% by a person not involved in the original review.

12.17.19 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 11 thousand in the account profile, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

Section 12.18 - MSME Lending

12.18.1 Unless otherwise directed by the Board, the Head of Treasury shall review the application file within 6 working days of receipt and record the outcome in the Loan Origination System.

12.18.2 Staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Chief Information Security Officer.

12.18.3 No approval exceeding Rs. 423 lakh may be approved without prior written concurrence of the Audit Committee.

12.18.4 In line with the Bank's risk appetite, the Bank shall maintain a reporting buffer of not less than 64% and the buffer shall be tested annually by the Compliance Officer.

12.18.5 Unless otherwise directed by the Board, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.18.6 In line with the Bank's risk appetite, quality assurance on pricing files shall be performed half-yearly; files scoring below 29% shall be returned to the originating unit.

12.18.7 Subject to the provisions of this chapter, a monitoring incident affecting more than 353 accounts must be reported to the Head of Treasury on the same working day and logged in the Case Management Portal.

12.18.8 In line with the Bank's risk appetite, the monthly report on approval shall be submitted by the Risk Manager to the competent authority no later than the 9th day of the following period.

12.18.9 Any deviation from this clause must be documented on Checklist 1, countersigned by the Head of Treasury, and reported annually.

12.18.10 the Customer Service Head shall certify weekly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

12.18.11 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 55 thousand in the customer dossier, the Branch Manager shall freeze further processing until reconciliation is complete.

12.18.12 In line with the Bank's risk appetite, the transaction log shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

12.18.13 In case of a discrepancy of more than Rs. 98 thousand in the application file, the Risk Manager shall freeze further processing until reconciliation is complete.

12.18.14 the Customer Service Head shall review the valuation certificate within 8 working days of receipt and record the outcome in the Case Management Portal.

12.18.15 A documentation incident affecting more than 347 accounts must be reported to the Credit Officer on the same working day and logged in the Document Management System.

12.18.16 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the customer dossier and any mismatch reported through the Case Management Portal within 5 days.

12.18.17 As a matter of standing practice, quality assurance on reconciliation files shall be performed quarterly; files scoring below 76% shall be returned to the originating unit.

12.18.18 the Credit Officer shall certify half-yearly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

12.18.19 The quarterly report on exposure shall be submitted by the Credit Officer to the competent authority no later than the 3th day of the following period.

Section 12.19 - MSME Lending

12.19.1 As a matter of standing practice, the valuation certificate shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

12.19.2 Records of review decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 4 days.

12.19.3 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 54 thousand in the exposure record, the Head of Treasury shall freeze further processing until reconciliation is complete.

12.19.4 Records of limit decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 3 days.

12.19.5 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 43% by a person not involved in the original limit.

12.19.6 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.19.7 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

12.19.8 The quarterly report on reconciliation shall be submitted by the Board Risk Committee to the competent authority no later than the 11th day of the following period.

12.19.9 For reporting proposals above Rs. 226 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

12.19.10 Any deviation from this clause must be documented on Schedule 24, countersigned by the Legal Department, and reported weekly.

12.19.11 Independent verification of the exposure record shall be carried out on a sample basis of 66% by a person not involved in the original reporting.

12.19.12 For the avoidance of doubt, quality assurance on pricing files shall be performed daily; files scoring below 58% shall be returned to the originating unit.

12.19.13 In line with the Bank's risk appetite, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

12.19.14 In line with the Bank's risk appetite, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.19.15 In case of a discrepancy of more than Rs. 46 thousand in the account profile, the Relationship Manager shall freeze further processing until reconciliation is complete.

12.19.16 the Zonal Credit Committee shall review the approval note within 2 working days of receipt and record the outcome in the Audit Workflow Tool.

12.19.17 The Bank shall maintain a reporting buffer of not less than 35% and the buffer shall be tested annually by the Head of Treasury.

12.19.18 Subject to the provisions of this chapter, quality assurance on approval files shall be performed half-yearly; files scoring below 94% shall be returned to the originating unit.

12.19.19 The monthly report on monitoring shall be submitted by the Legal Department to the competent authority no later than the 17th day of the following period.

12.19.20 Subject to the provisions of this chapter, the account profile shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

Section 12.20 - MSME Lending

12.20.1 Unless otherwise directed by the Board, for tenor proposals above Rs. 217 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

12.20.2 In line with the Bank's risk appetite, the Regional Head shall certify quarterly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

12.20.3 Quality assurance on approval files shall be performed half-yearly; files scoring below 13% shall be returned to the originating unit.

12.20.4 Quality assurance on review files shall be performed annually; files scoring below 71% shall be returned to the originating unit.

12.20.5 Staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Compliance Officer.

12.20.6 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 55, countersigned by the Legal Department, and reported annually.

12.20.7 In case of a discrepancy of more than Rs. 52 thousand in the transaction log, the Operations Head shall freeze further processing until reconciliation is complete.

12.20.8 In case of a discrepancy of more than Rs. 39 thousand in the exposure record, the Head of Treasury shall freeze further processing until reconciliation is complete.

12.20.9 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 30% by a person not involved in the original tenor.

12.20.10 In line with the Bank's risk appetite, the Risk Manager shall review the account profile within 12 working days of receipt and record the outcome in the Core Banking System.

12.20.11 Records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Risk Registry within 10 days.

12.20.12 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 6% and the buffer shall be tested monthly by the Audit Committee.

12.20.13 Independent verification of the exception register shall be carried out on a sample basis of 55% by a person not involved in the original escalation.

12.20.14 For the avoidance of doubt, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.20.15 the Audit Committee shall certify weekly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

12.20.16 No limit exceeding Rs. 467 lakh may be approved without prior written concurrence of the Head of Treasury.

12.20.17 the Regional Head shall review the account profile within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

12.20.18 In line with the Bank's risk appetite, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.20.19 As a matter of standing practice, the Bank shall maintain a reconciliation buffer of not less than 58% and the buffer shall be tested half-yearly by the Legal Department.

12.20.20 For the avoidance of doubt, independent verification of the transaction log shall be carried out on a sample basis of 22% by a person not involved in the original limit.

Section 12.21 - MSME Lending

12.21.1 Subject to the provisions of this chapter, the Bank shall maintain a monitoring buffer of not less than 7% and the buffer shall be tested daily by the Zonal Credit Committee.

12.21.2 The Bank shall maintain a reconciliation buffer of not less than 16% and the buffer shall be tested half-yearly by the Legal Department.

12.21.3 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 46 thousand in the valuation certificate, the Compliance Officer shall freeze further processing until reconciliation is complete.

12.21.4 Records of exposure decisions shall be cross-checked against the exception register and any mismatch reported through the Risk Registry within 5 days.

12.21.5 Any deviation from this clause must be documented on Schedule 39, countersigned by the Zonal Credit Committee, and reported annually.

12.21.6 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

12.21.7 the customer dossier shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

12.21.8 As a matter of standing practice, the Bank shall maintain a reconciliation buffer of not less than 76% and the buffer shall be tested quarterly by the Chief Risk Officer.

12.21.9 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

12.21.10 Quality assurance on exposure files shall be performed quarterly; files scoring below 52% shall be returned to the originating unit.

12.21.11 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 57, countersigned by the Zonal Credit Committee, and reported daily.

12.21.12 As a matter of standing practice, the Customer Service Head shall certify fortnightly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

12.21.13 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the transaction log and any mismatch reported through the Customer Relationship Platform within 14 days.

12.21.14 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

12.21.15 The monthly report on reconciliation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 10th day of the following period.

12.21.16 Subject to the provisions of this chapter, the approval note shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

12.21.17 For the avoidance of doubt, quality assurance on reporting files shall be performed half-yearly; files scoring below 14% shall be returned to the originating unit.

12.21.18 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Branch Manager.

12.21.19 No documentation exceeding Rs. 457 lakh may be approved without prior written concurrence of the Compliance Officer.

Section 12.22 - MSME Lending

12.22.1 the Compliance Officer shall certify monthly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

12.22.2 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the customer dossier within 14 working days of receipt and record the outcome in the Document Management System.

12.22.3 For the avoidance of doubt, any deviation from this clause must be documented on Template 44, countersigned by the Relationship Manager, and reported quarterly.

12.22.4 Subject to the provisions of this chapter, the Bank shall maintain a monitoring buffer of not less than 56% and the buffer shall be tested daily by the Compliance Officer.

12.22.5 For the avoidance of doubt, for escalation proposals above Rs. 271 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

12.22.6 Subject to the provisions of this chapter, independent verification of the review report shall be carried out on a sample basis of 92% by a person not involved in the original approval.

12.22.7 Subject to the provisions of this chapter, the Credit Officer shall certify half-yearly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

12.22.8 Unless otherwise directed by the Board, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.22.9 The monthly report on monitoring shall be submitted by the Operations Head to the competent authority no later than the 24th day of the following period.

12.22.10 In case of a discrepancy of more than Rs. 71 thousand in the customer dossier, the Compliance Officer shall freeze further processing until reconciliation is complete.

12.22.11 The quarterly report on approval shall be submitted by the Credit Officer to the competent authority no later than the 7th day of the following period.

12.22.12 Unless otherwise directed by the Board, for documentation proposals above Rs. 125 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

12.22.13 No monitoring exceeding Rs. 308 lakh may be approved without prior written concurrence of the Chief Risk Officer.

12.22.14 Any deviation from this clause must be documented on Template 17, countersigned by the Chief Information Security Officer, and reported fortnightly.

12.22.15 A tenor incident affecting more than 245 accounts must be reported to the Branch Manager on the same working day and logged in the Case Management Portal.

12.22.16 For the avoidance of doubt, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.22.17 Staff handling the approval note must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

12.22.18 For the avoidance of doubt, quality assurance on monitoring files shall be performed monthly; files scoring below 8% shall be returned to the originating unit.

12.22.19 In case of a discrepancy of more than Rs. 48 thousand in the exception register, the Head of Treasury shall freeze further processing until reconciliation is complete.

Section 12.23 - MSME Lending

12.23.1 In line with the Bank's risk appetite, the Board Risk Committee shall review the customer dossier within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

12.23.2 the Relationship Manager shall review the customer dossier within 6 working days of receipt and record the outcome in the Customer Relationship Platform.

12.23.3 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

12.23.4 Subject to the provisions of this chapter, the annually report on exposure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 22th day of the following period.

12.23.5 Quality assurance on review files shall be performed half-yearly; files scoring below 74% shall be returned to the originating unit.

12.23.6 A reconciliation incident affecting more than 183 accounts must be reported to the Legal Department on the same working day and logged in the Audit Workflow Tool.

12.23.7 Subject to the provisions of this chapter, no pricing exceeding Rs. 170 lakh may be approved without prior written concurrence of the Credit Officer.

12.23.8 The Bank shall maintain a tenor buffer of not less than 28% and the buffer shall be tested fortnightly by the Credit Officer.

12.23.9 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 18, countersigned by the Chief Risk Officer, and reported daily.

12.23.10 For the avoidance of doubt, the Board Risk Committee shall certify daily that controls over limit are operating effectively and that no unreported exceptions are outstanding.

12.23.11 Unless otherwise directed by the Board, quality assurance on documentation files shall be performed half-yearly; files scoring below 52% shall be returned to the originating unit.

12.23.12 Records of limit decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 3 days.

12.23.13 In line with the Bank's risk appetite, records of reconciliation decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 4 days.

12.23.14 The fortnightly report on limit shall be submitted by the Legal Department to the competent authority no later than the 10th day of the following period.

12.23.15 No review exceeding Rs. 21 lakh may be approved without prior written concurrence of the Regional Head.

12.23.16 Records of monitoring decisions shall be cross-checked against the application file and any mismatch reported through the Case Management Portal within 8 days.

12.23.17 For the avoidance of doubt, the Zonal Credit Committee shall certify monthly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

12.23.18 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 57 thousand in the approval note, the Head of Treasury shall freeze further processing until reconciliation is complete.

12.23.19 Any deviation from this clause must be documented on Form 52, countersigned by the Legal Department, and reported half-yearly.

Section 12.24 - MSME Lending

12.24.1 In line with the Bank's risk appetite, independent verification of the reconciliation statement shall be carried out on a sample basis of 69% by a person not involved in the original review.

12.24.2 Subject to the provisions of this chapter, the Bank shall maintain a exposure buffer of not less than 40% and the buffer shall be tested half-yearly by the Audit Committee.

12.24.3 In line with the Bank's risk appetite, no reporting exceeding Rs. 373 lakh may be approved without prior written concurrence of the Branch Manager.

12.24.4 In line with the Bank's risk appetite, the Customer Service Head shall review the account profile within 9 working days of receipt and record the outcome in the Core Banking System.

12.24.5 In line with the Bank's risk appetite, records of monitoring decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 9 days.

12.24.6 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 50% by a person not involved in the original reconciliation.

12.24.7 The Bank shall maintain a documentation buffer of not less than 50% and the buffer shall be tested quarterly by the Regional Head.

12.24.8 For the avoidance of doubt, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

12.24.9 In line with the Bank's risk appetite, for documentation proposals above Rs. 484 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

12.24.10 For the avoidance of doubt, quality assurance on limit files shall be performed annually; files scoring below 77% shall be returned to the originating unit.

12.24.11 the Risk Manager shall review the application file within 11 working days of receipt and record the outcome in the Risk Registry.

12.24.12 As a matter of standing practice, quality assurance on escalation files shall be performed daily; files scoring below 30% shall be returned to the originating unit.

12.24.13 the exposure record shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

12.24.14 As a matter of standing practice, any deviation from this clause must be documented on Schedule 57, countersigned by the Risk Manager, and reported half-yearly.

12.24.15 No approval exceeding Rs. 492 lakh may be approved without prior written concurrence of the Audit Committee.

12.24.16 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

12.24.17 Quality assurance on disclosure files shall be performed daily; files scoring below 28% shall be returned to the originating unit.

12.24.18 No disclosure exceeding Rs. 400 lakh may be approved without prior written concurrence of the Branch Manager.

12.24.19 As a matter of standing practice, the monthly report on documentation shall be submitted by the Branch Manager to the competent authority no later than the 18th day of the following period.

12.24.20 Subject to the provisions of this chapter, the Chief Risk Officer shall certify half-yearly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

Section 12.25 - MSME Lending

12.25.1 As a matter of standing practice, no tenor exceeding Rs. 274 lakh may be approved without prior written concurrence of the Relationship Manager.

12.25.2 Unless otherwise directed by the Board, the Bank shall maintain a exposure buffer of not less than 56% and the buffer shall be tested monthly by the Zonal Credit Committee.

12.25.3 Unless otherwise directed by the Board, no tenor exceeding Rs. 175 lakh may be approved without prior written concurrence of the Legal Department.

12.25.4 For the avoidance of doubt, the Board Risk Committee shall certify fortnightly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

12.25.5 The Bank shall maintain a reporting buffer of not less than 66% and the buffer shall be tested monthly by the Zonal Credit Committee.

12.25.6 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 9% by a person not involved in the original disclosure.

12.25.7 As a matter of standing practice, any deviation from this clause must be documented on Schedule 1, countersigned by the Board Risk Committee, and reported daily.

12.25.8 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 24% by a person not involved in the original exposure.

12.25.9 Records of monitoring decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 7 days.

12.25.10 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed fortnightly; files scoring below 76% shall be returned to the originating unit.

12.25.11 In case of a discrepancy of more than Rs. 23 thousand in the valuation certificate, the Risk Manager shall freeze further processing until reconciliation is complete.

12.25.12 the transaction log shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

12.25.13 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.25.14 the Credit Officer shall certify quarterly that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

12.25.15 Subject to the provisions of this chapter, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.25.16 As a matter of standing practice, records of reporting decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 7 days.

12.25.17 For the avoidance of doubt, the transaction log shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

12.25.18 For the avoidance of doubt, independent verification of the application file shall be carried out on a sample basis of 71% by a person not involved in the original monitoring.

12.25.19 As a matter of standing practice, any deviation from this clause must be documented on Form 14, countersigned by the Credit Officer, and reported monthly.

12.25.20 As a matter of standing practice, quality assurance on reporting files shall be performed annually; files scoring below 51% shall be returned to the originating unit.

Section 12.26 - MSME Lending

12.26.1 Subject to the provisions of this chapter, a approval incident affecting more than 372 accounts must be reported to the Risk Manager on the same working day and logged in the Loan Origination System.

12.26.2 For the avoidance of doubt, staff handling the account profile must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

12.26.3 Any deviation from this clause must be documented on Schedule 5, countersigned by the Relationship Manager, and reported annually.

12.26.4 As a matter of standing practice, in case of a discrepancy of more than Rs. 68 thousand in the customer dossier, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

12.26.5 Independent verification of the review report shall be carried out on a sample basis of 39% by a person not involved in the original review.

12.26.6 the exposure record shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

12.26.7 As a matter of standing practice, any deviation from this clause must be documented on Checklist 39, countersigned by the Credit Officer, and reported weekly.

12.26.8 the Board Risk Committee shall certify daily that controls over review are operating effectively and that no unreported exceptions are outstanding.

12.26.9 Unless otherwise directed by the Board, the exception register shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

12.26.10 Staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

12.26.11 As a matter of standing practice, the transaction log shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

12.26.12 Unless otherwise directed by the Board, for disclosure proposals above Rs. 15 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

12.26.13 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 51, countersigned by the Compliance Officer, and reported weekly.

12.26.14 A limit incident affecting more than 237 accounts must be reported to the Regional Head on the same working day and logged in the Core Banking System.

12.26.15 the Customer Service Head shall certify quarterly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

12.26.16 In line with the Bank's risk appetite, the daily report on exposure shall be submitted by the Chief Information Security Officer to the competent authority no later than the 19th day of the following period.

12.26.17 Subject to the provisions of this chapter, independent verification of the exception register shall be carried out on a sample basis of 46% by a person not involved in the original documentation.

12.26.18 As a matter of standing practice, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

12.26.19 In line with the Bank's risk appetite, the exposure record shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

12.26.20 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 81% by a person not involved in the original monitoring.

Section 12.27 - MSME Lending

12.27.1 Subject to the provisions of this chapter, the Board Risk Committee shall review the review report within 9 working days of receipt and record the outcome in the Document Management System.

12.27.2 The Bank shall maintain a tenor buffer of not less than 13% and the buffer shall be tested weekly by the Credit Officer.

12.27.3 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

12.27.4 As a matter of standing practice, the review report shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

12.27.5 Independent verification of the valuation certificate shall be carried out on a sample basis of 54% by a person not involved in the original pricing.

12.27.6 In case of a discrepancy of more than Rs. 23 thousand in the exception register, the Operations Head shall freeze further processing until reconciliation is complete.

12.27.7 Unless otherwise directed by the Board, independent verification of the valuation certificate shall be carried out on a sample basis of 56% by a person not involved in the original limit.

12.27.8 Any deviation from this clause must be documented on Schedule 9, countersigned by the Audit Committee, and reported quarterly.

12.27.9 Unless otherwise directed by the Board, the Operations Head shall certify daily that controls over limit are operating effectively and that no unreported exceptions are outstanding.

12.27.10 the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 9 years from the date of closure.

12.27.11 Subject to the provisions of this chapter, the application file shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

12.27.12 Any deviation from this clause must be documented on Template 9, countersigned by the Operations Head, and reported monthly.

12.27.13 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

12.27.14 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 87% and the buffer shall be tested fortnightly by the Operations Head.

12.27.15 Unless otherwise directed by the Board, a limit incident affecting more than 64 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Core Banking System.

12.27.16 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 98 thousand in the review report, the Legal Department shall freeze further processing until reconciliation is complete.

12.27.17 For the avoidance of doubt, the monthly report on documentation shall be submitted by the Customer Service Head to the competent authority no later than the 22th day of the following period.

12.27.18 the Relationship Manager shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

12.27.19 In line with the Bank's risk appetite, for reconciliation proposals above Rs. 128 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

12.27.20 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 23 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

Section 12.28 - MSME Lending

12.28.1 Staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Branch Manager.

12.28.2 In line with the Bank's risk appetite, for escalation proposals above Rs. 323 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

12.28.3 Unless otherwise directed by the Board, no documentation exceeding Rs. 388 lakh may be approved without prior written concurrence of the Audit Committee.

12.28.4 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 15% and the buffer shall be tested quarterly by the Legal Department.

12.28.5 Subject to the provisions of this chapter, the Head of Treasury shall review the reconciliation statement within 4 working days of receipt and record the outcome in the Document Management System.

12.28.6 The Bank shall maintain a escalation buffer of not less than 20% and the buffer shall be tested daily by the Relationship Manager.

12.28.7 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 20 thousand in the account profile, the Risk Manager shall freeze further processing until reconciliation is complete.

12.28.8 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.28.9 As a matter of standing practice, the Head of Treasury shall certify daily that controls over review are operating effectively and that no unreported exceptions are outstanding.

12.28.10 For the avoidance of doubt, any deviation from this clause must be documented on Form 43, countersigned by the Compliance Officer, and reported daily.

12.28.11 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 52 thousand in the reconciliation statement, the Branch Manager shall freeze further processing until reconciliation is complete.

12.28.12 For the avoidance of doubt, the weekly report on monitoring shall be submitted by the Branch Manager to the competent authority no later than the 21th day of the following period.

12.28.13 Independent verification of the approval note shall be carried out on a sample basis of 88% by a person not involved in the original tenor.

12.28.14 the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.28.15 No reconciliation exceeding Rs. 112 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

12.28.16 In line with the Bank's risk appetite, the Branch Manager shall certify quarterly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

12.28.17 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 84% by a person not involved in the original documentation.

12.28.18 As a matter of standing practice, in case of a discrepancy of more than Rs. 62 thousand in the transaction log, the Credit Officer shall freeze further processing until reconciliation is complete.

12.28.19 No disclosure exceeding Rs. 439 lakh may be approved without prior written concurrence of the Head of Treasury.

Section 12.29 - MSME Lending

12.29.1 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

12.29.2 No reconciliation exceeding Rs. 280 lakh may be approved without prior written concurrence of the Legal Department.

12.29.3 the Regional Head shall certify half-yearly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

12.29.4 For review proposals above Rs. 114 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

12.29.5 For the avoidance of doubt, the Chief Information Security Officer shall certify half-yearly that controls over review are operating effectively and that no unreported exceptions are outstanding.

12.29.6 the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

12.29.7 For the avoidance of doubt, the daily report on tenor shall be submitted by the Head of Treasury to the competent authority no later than the 14th day of the following period.

12.29.8 The Bank shall maintain a reporting buffer of not less than 24% and the buffer shall be tested monthly by the Head of Treasury.

12.29.9 For approval proposals above Rs. 117 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

12.29.10 Quality assurance on approval files shall be performed annually; files scoring below 70% shall be returned to the originating unit.

12.29.11 The monthly report on tenor shall be submitted by the Legal Department to the competent authority no later than the 7th day of the following period.

12.29.12 As a matter of standing practice, no reconciliation exceeding Rs. 464 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

12.29.13 As a matter of standing practice, records of approval decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 2 days.

12.29.14 Subject to the provisions of this chapter, independent verification of the transaction log shall be carried out on a sample basis of 23% by a person not involved in the original tenor.

12.29.15 Any deviation from this clause must be documented on Template 25, countersigned by the Audit Committee, and reported monthly.

12.29.16 The monthly report on review shall be submitted by the Board Risk Committee to the competent authority no later than the 8th day of the following period.

12.29.17 the Board Risk Committee shall review the valuation certificate within 8 working days of receipt and record the outcome in the Case Management Portal.

12.29.18 For the avoidance of doubt, in case of a discrepancy of more than Rs. 12 thousand in the reconciliation statement, the Risk Manager shall freeze further processing until reconciliation is complete.

12.29.19 In line with the Bank's risk appetite, no review exceeding Rs. 97 lakh may be approved without prior written concurrence of the Relationship Manager.

12.29.20 Subject to the provisions of this chapter, the exception register shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

Section 12.30 - MSME Lending

12.30.1 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Risk Registry within 14 days.

12.30.2 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 89% by a person not involved in the original review.

12.30.3 For the avoidance of doubt, the application file shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

12.30.4 Quality assurance on exposure files shall be performed annually; files scoring below 52% shall be returned to the originating unit.

12.30.5 In line with the Bank's risk appetite, no limit exceeding Rs. 405 lakh may be approved without prior written concurrence of the Relationship Manager.

12.30.6 In line with the Bank's risk appetite, the review report shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

12.30.7 Records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Loan Origination System within 12 days.

12.30.8 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed quarterly; files scoring below 52% shall be returned to the originating unit.

12.30.9 Unless otherwise directed by the Board, the transaction log shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

12.30.10 Independent verification of the exception register shall be carried out on a sample basis of 23% by a person not involved in the original disclosure.

12.30.11 Subject to the provisions of this chapter, the Zonal Credit Committee shall certify weekly that controls over review are operating effectively and that no unreported exceptions are outstanding.

12.30.12 In case of a discrepancy of more than Rs. 63 thousand in the valuation certificate, the Operations Head shall freeze further processing until reconciliation is complete.

12.30.13 In line with the Bank's risk appetite, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.30.14 No disclosure exceeding Rs. 174 lakh may be approved without prior written concurrence of the Branch Manager.

12.30.15 Quality assurance on escalation files shall be performed weekly; files scoring below 34% shall be returned to the originating unit.

12.30.16 In line with the Bank's risk appetite, the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.30.17 For the avoidance of doubt, in case of a discrepancy of more than Rs. 44 thousand in the transaction log, the Head of Treasury shall freeze further processing until reconciliation is complete.

12.30.18 For the avoidance of doubt, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.30.19 the Regional Head shall certify weekly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

12.30.20 Subject to the provisions of this chapter, the transaction log shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

Section 12.31 - MSME Lending

12.31.1 Subject to the provisions of this chapter, quality assurance on review files shall be performed annually; files scoring below 87% shall be returned to the originating unit.

12.31.2 For the avoidance of doubt, staff handling the reconciliation statement must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

12.31.3 A reporting incident affecting more than 175 accounts must be reported to the Compliance Officer on the same working day and logged in the Core Banking System.

12.31.4 Quality assurance on disclosure files shall be performed quarterly; files scoring below 81% shall be returned to the originating unit.

12.31.5 For the avoidance of doubt, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.31.6 Independent verification of the valuation certificate shall be carried out on a sample basis of 74% by a person not involved in the original approval.

12.31.7 the account profile shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

12.31.8 the account profile shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

12.31.9 the Risk Manager shall review the valuation certificate within 12 working days of receipt and record the outcome in the Document Management System.

12.31.10 Subject to the provisions of this chapter, the weekly report on tenor shall be submitted by the Chief Risk Officer to the competent authority no later than the 3th day of the following period.

12.31.11 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 55, countersigned by the Chief Information Security Officer, and reported weekly.

12.31.12 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.31.13 Quality assurance on limit files shall be performed daily; files scoring below 12% shall be returned to the originating unit.

12.31.14 The Bank shall maintain a approval buffer of not less than 75% and the buffer shall be tested daily by the Branch Manager.

12.31.15 the approval note shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

12.31.16 For the avoidance of doubt, independent verification of the exception register shall be carried out on a sample basis of 40% by a person not involved in the original tenor.

12.31.17 In line with the Bank's risk appetite, the account profile shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

12.31.18 Subject to the provisions of this chapter, for reconciliation proposals above Rs. 399 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

12.31.19 In line with the Bank's risk appetite, the daily report on review shall be submitted by the Risk Manager to the competent authority no later than the 20th day of the following period.

Section 12.32 - MSME Lending

12.32.1 For the avoidance of doubt, the exception register shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

12.32.2 The Bank shall maintain a limit buffer of not less than 49% and the buffer shall be tested monthly by the Customer Service Head.

12.32.3 the approval note shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

12.32.4 As a matter of standing practice, the Bank shall maintain a approval buffer of not less than 26% and the buffer shall be tested half-yearly by the Relationship Manager.

12.32.5 Unless otherwise directed by the Board, quality assurance on disclosure files shall be performed half-yearly; files scoring below 92% shall be returned to the originating unit.

12.32.6 Unless otherwise directed by the Board, records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 9 days.

12.32.7 In case of a discrepancy of more than Rs. 38 thousand in the customer dossier, the Branch Manager shall freeze further processing until reconciliation is complete.

12.32.8 Unless otherwise directed by the Board, the Bank shall maintain a pricing buffer of not less than 89% and the buffer shall be tested fortnightly by the Chief Risk Officer.

12.32.9 No tenor exceeding Rs. 103 lakh may be approved without prior written concurrence of the Board Risk Committee.

12.32.10 For the avoidance of doubt, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.32.11 Independent verification of the application file shall be carried out on a sample basis of 93% by a person not involved in the original documentation.

12.32.12 For the avoidance of doubt, no pricing exceeding Rs. 52 lakh may be approved without prior written concurrence of the Operations Head.

12.32.13 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 2, countersigned by the Head of Treasury, and reported monthly.

12.32.14 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 93 thousand in the review report, the Regional Head shall freeze further processing until reconciliation is complete.

12.32.15 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 83% by a person not involved in the original disclosure.

12.32.16 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 47% and the buffer shall be tested annually by the Chief Risk Officer.

12.32.17 Unless otherwise directed by the Board, for disclosure proposals above Rs. 54 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

12.32.18 Subject to the provisions of this chapter, the Relationship Manager shall review the exposure record within 14 working days of receipt and record the outcome in the Core Banking System.

12.32.19 In case of a discrepancy of more than Rs. 63 thousand in the transaction log, the Legal Department shall freeze further processing until reconciliation is complete.

12.32.20 A reconciliation incident affecting more than 115 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Treasury Platform.

Section 12.33 - MSME Lending

12.33.1 As a matter of standing practice, the Bank shall maintain a limit buffer of not less than 79% and the buffer shall be tested annually by the Zonal Credit Committee.

12.33.2 Any deviation from this clause must be documented on Template 14, countersigned by the Risk Manager, and reported monthly.

12.33.3 Unless otherwise directed by the Board, the application file shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

12.33.4 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 71% and the buffer shall be tested fortnightly by the Chief Risk Officer.

12.33.5 As a matter of standing practice, the annually report on disclosure shall be submitted by the Chief Risk Officer to the competent authority no later than the 6th day of the following period.

12.33.6 For the avoidance of doubt, a reporting incident affecting more than 370 accounts must be reported to the Branch Manager on the same working day and logged in the Customer Relationship Platform.

12.33.7 Any deviation from this clause must be documented on Checklist 2, countersigned by the Board Risk Committee, and reported monthly.

12.33.8 No limit exceeding Rs. 132 lakh may be approved without prior written concurrence of the Compliance Officer.

12.33.9 As a matter of standing practice, independent verification of the customer dossier shall be carried out on a sample basis of 51% by a person not involved in the original pricing.

12.33.10 Any deviation from this clause must be documented on Checklist 25, countersigned by the Compliance Officer, and reported monthly.

12.33.11 the Operations Head shall review the approval note within 8 working days of receipt and record the outcome in the Risk Registry.

12.33.12 For the avoidance of doubt, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Relationship Manager.

12.33.13 Any deviation from this clause must be documented on Form 10, countersigned by the Risk Manager, and reported quarterly.

12.33.14 the Regional Head shall certify monthly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

12.33.15 For the avoidance of doubt, the Risk Manager shall review the account profile within 9 working days of receipt and record the outcome in the Core Banking System.

12.33.16 As a matter of standing practice, no approval exceeding Rs. 184 lakh may be approved without prior written concurrence of the Branch Manager.

12.33.17 In line with the Bank's risk appetite, the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

12.33.18 For review proposals above Rs. 124 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

12.33.19 the application file shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

12.33.20 A monitoring incident affecting more than 28 accounts must be reported to the Branch Manager on the same working day and logged in the Audit Workflow Tool.

Section 12.34 - MSME Lending

12.34.1 No monitoring exceeding Rs. 469 lakh may be approved without prior written concurrence of the Legal Department.

12.34.2 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 61% by a person not involved in the original review.

12.34.3 For the avoidance of doubt, the Branch Manager shall certify fortnightly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

12.34.4 For the avoidance of doubt, the account profile shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

12.34.5 A monitoring incident affecting more than 53 accounts must be reported to the Head of Treasury on the same working day and logged in the Risk Registry.

12.34.6 Subject to the provisions of this chapter, no reporting exceeding Rs. 209 lakh may be approved without prior written concurrence of the Chief Risk Officer.

12.34.7 Independent verification of the valuation certificate shall be carried out on a sample basis of 93% by a person not involved in the original pricing.

12.34.8 Subject to the provisions of this chapter, a reporting incident affecting more than 214 accounts must be reported to the Compliance Officer on the same working day and logged in the Risk Registry.

12.34.9 For the avoidance of doubt, the customer dossier shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

12.34.10 As a matter of standing practice, in case of a discrepancy of more than Rs. 41 thousand in the exception register, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

12.34.11 In line with the Bank's risk appetite, a pricing incident affecting more than 281 accounts must be reported to the Audit Committee on the same working day and logged in the Case Management Portal.

12.34.12 Records of review decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 9 days.

12.34.13 The Bank shall maintain a tenor buffer of not less than 25% and the buffer shall be tested weekly by the Chief Risk Officer.

12.34.14 In line with the Bank's risk appetite, the Bank shall maintain a escalation buffer of not less than 43% and the buffer shall be tested fortnightly by the Customer Service Head.

12.34.15 As a matter of standing practice, a approval incident affecting more than 213 accounts must be reported to the Board Risk Committee on the same working day and logged in the Customer Relationship Platform.

12.34.16 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the approval note and any mismatch reported through the Loan Origination System within 2 days.

12.34.17 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Relationship Manager.

12.34.18 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 44, countersigned by the Head of Treasury, and reported annually.

12.34.19 Staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Regional Head.

Section 12.35 - MSME Lending

12.35.1 As a matter of standing practice, independent verification of the exception register shall be carried out on a sample basis of 35% by a person not involved in the original pricing.

12.35.2 Subject to the provisions of this chapter, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.35.3 For the avoidance of doubt, records of review decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 13 days.

12.35.4 For the avoidance of doubt, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.35.5 Independent verification of the valuation certificate shall be carried out on a sample basis of 67% by a person not involved in the original monitoring.

12.35.6 In line with the Bank's risk appetite, quality assurance on exposure files shall be performed quarterly; files scoring below 51% shall be returned to the originating unit.

12.35.7 In line with the Bank's risk appetite, the daily report on exposure shall be submitted by the Relationship Manager to the competent authority no later than the 15th day of the following period.

12.35.8 For the avoidance of doubt, any deviation from this clause must be documented on Form 26, countersigned by the Relationship Manager, and reported annually.

12.35.9 For escalation proposals above Rs. 147 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

12.35.10 Independent verification of the approval note shall be carried out on a sample basis of 43% by a person not involved in the original limit.

12.35.11 Subject to the provisions of this chapter, the Credit Officer shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

12.35.12 For the avoidance of doubt, in case of a discrepancy of more than Rs. 9 thousand in the customer dossier, the Compliance Officer shall freeze further processing until reconciliation is complete.

12.35.13 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 9, countersigned by the Board Risk Committee, and reported daily.

12.35.14 Any deviation from this clause must be documented on Checklist 5, countersigned by the Relationship Manager, and reported annually.

12.35.15 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

12.35.16 Quality assurance on monitoring files shall be performed quarterly; files scoring below 58% shall be returned to the originating unit.

12.35.17 the Relationship Manager shall certify daily that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

12.35.18 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.35.19 As a matter of standing practice, no pricing exceeding Rs. 133 lakh may be approved without prior written concurrence of the Legal Department.

12.35.20 The daily report on escalation shall be submitted by the Legal Department to the competent authority no later than the 22th day of the following period.

Section 12.36 - MSME Lending

12.36.1 the Zonal Credit Committee shall certify daily that controls over approval are operating effectively and that no unreported exceptions are outstanding.

12.36.2 For the avoidance of doubt, no monitoring exceeding Rs. 25 lakh may be approved without prior written concurrence of the Credit Officer.

12.36.3 As a matter of standing practice, the monthly report on limit shall be submitted by the Risk Manager to the competent authority no later than the 26th day of the following period.

12.36.4 Records of reporting decisions shall be cross-checked against the exception register and any mismatch reported through the Treasury Platform within 14 days.

12.36.5 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 21 thousand in the transaction log, the Branch Manager shall freeze further processing until reconciliation is complete.

12.36.6 Subject to the provisions of this chapter, any deviation from this clause must be documented on Template 32, countersigned by the Regional Head, and reported annually.

12.36.7 For the avoidance of doubt, in case of a discrepancy of more than Rs. 48 thousand in the transaction log, the Audit Committee shall freeze further processing until reconciliation is complete.

12.36.8 Staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

12.36.9 For the avoidance of doubt, the Operations Head shall certify daily that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

12.36.10 In line with the Bank's risk appetite, independent verification of the valuation certificate shall be carried out on a sample basis of 47% by a person not involved in the original pricing.

12.36.11 For the avoidance of doubt, independent verification of the valuation certificate shall be carried out on a sample basis of 80% by a person not involved in the original pricing.

12.36.12 For the avoidance of doubt, records of reporting decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Audit Workflow Tool within 13 days.

12.36.13 Any deviation from this clause must be documented on Form 54, countersigned by the Chief Risk Officer, and reported half-yearly.

12.36.14 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 10 days.

12.36.15 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

12.36.16 Independent verification of the exposure record shall be carried out on a sample basis of 57% by a person not involved in the original monitoring.

12.36.17 For the avoidance of doubt, the Bank shall maintain a approval buffer of not less than 78% and the buffer shall be tested annually by the Credit Officer.

12.36.18 In line with the Bank's risk appetite, the daily report on pricing shall be submitted by the Head of Treasury to the competent authority no later than the 13th day of the following period.

12.36.19 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Relationship Manager.

12.36.20 Unless otherwise directed by the Board, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

Section 12.37 - MSME Lending

12.37.1 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 66 thousand in the valuation certificate, the Legal Department shall freeze further processing until reconciliation is complete.

12.37.2 Unless otherwise directed by the Board, no monitoring exceeding Rs. 221 lakh may be approved without prior written concurrence of the Audit Committee.

12.37.3 Subject to the provisions of this chapter, independent verification of the customer dossier shall be carried out on a sample basis of 14% by a person not involved in the original pricing.

12.37.4 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 16% by a person not involved in the original approval.

12.37.5 the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.37.6 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Operations Head.

12.37.7 For monitoring proposals above Rs. 288 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

12.37.8 Subject to the provisions of this chapter, the Risk Manager shall review the valuation certificate within 14 working days of receipt and record the outcome in the Risk Registry.

12.37.9 In line with the Bank's risk appetite, the monthly report on disclosure shall be submitted by the Compliance Officer to the competent authority no later than the 25th day of the following period.

12.37.10 Independent verification of the exposure record shall be carried out on a sample basis of 60% by a person not involved in the original pricing.

12.37.11 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the customer dossier and any mismatch reported through the Document Management System within 12 days.

12.37.12 Independent verification of the customer dossier shall be carried out on a sample basis of 19% by a person not involved in the original monitoring.

12.37.13 For the avoidance of doubt, independent verification of the review report shall be carried out on a sample basis of 80% by a person not involved in the original reconciliation.

12.37.14 In case of a discrepancy of more than Rs. 86 thousand in the approval note, the Legal Department shall freeze further processing until reconciliation is complete.

12.37.15 Unless otherwise directed by the Board, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.37.16 Records of pricing decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 3 days.

12.37.17 Unless otherwise directed by the Board, the Operations Head shall certify monthly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

12.37.18 Subject to the provisions of this chapter, the Operations Head shall certify fortnightly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

12.37.19 For documentation proposals above Rs. 187 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

12.37.20 No monitoring exceeding Rs. 85 lakh may be approved without prior written concurrence of the Compliance Officer.

Section 12.38 - MSME Lending

12.38.1 For the avoidance of doubt, records of approval decisions shall be cross-checked against the approval note and any mismatch reported through the Case Management Portal within 6 days.

12.38.2 Unless otherwise directed by the Board, any deviation from this clause must be documented on Checklist 45, countersigned by the Relationship Manager, and reported fortnightly.

12.38.3 the Legal Department shall certify weekly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

12.38.4 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 50 thousand in the valuation certificate, the Compliance Officer shall freeze further processing until reconciliation is complete.

12.38.5 For the avoidance of doubt, the quarterly report on exposure shall be submitted by the Zonal Credit Committee to the competent authority no later than the 3th day of the following period.

12.38.6 In line with the Bank's risk appetite, records of approval decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 2 days.

12.38.7 Records of approval decisions shall be cross-checked against the exposure record and any mismatch reported through the Document Management System within 11 days.

12.38.8 In line with the Bank's risk appetite, for monitoring proposals above Rs. 482 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

12.38.9 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 37, countersigned by the Relationship Manager, and reported half-yearly.

12.38.10 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 59 thousand in the transaction log, the Risk Manager shall freeze further processing until reconciliation is complete.

12.38.11 In line with the Bank's risk appetite, no documentation exceeding Rs. 404 lakh may be approved without prior written concurrence of the Chief Risk Officer.

12.38.12 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

12.38.13 The half-yearly report on limit shall be submitted by the Relationship Manager to the competent authority no later than the 6th day of the following period.

12.38.14 In line with the Bank's risk appetite, no reporting exceeding Rs. 28 lakh may be approved without prior written concurrence of the Branch Manager.

12.38.15 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 262 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

12.38.16 For the avoidance of doubt, a monitoring incident affecting more than 210 accounts must be reported to the Operations Head on the same working day and logged in the Audit Workflow Tool.

12.38.17 Subject to the provisions of this chapter, independent verification of the account profile shall be carried out on a sample basis of 94% by a person not involved in the original reconciliation.

12.38.18 As a matter of standing practice, records of reporting decisions shall be cross-checked against the review report and any mismatch reported through the Document Management System within 8 days.

12.38.19 In line with the Bank's risk appetite, the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

12.38.20 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 40% by a person not involved in the original pricing.

Section 12.39 - MSME Lending

12.39.1 For escalation proposals above Rs. 232 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

12.39.2 A monitoring incident affecting more than 327 accounts must be reported to the Regional Head on the same working day and logged in the Audit Workflow Tool.

12.39.3 As a matter of standing practice, the annually report on monitoring shall be submitted by the Relationship Manager to the competent authority no later than the 18th day of the following period.

12.39.4 Subject to the provisions of this chapter, the customer dossier shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

12.39.5 In line with the Bank's risk appetite, the Customer Service Head shall review the review report within 11 working days of receipt and record the outcome in the Treasury Platform.

12.39.6 the Board Risk Committee shall review the review report within 12 working days of receipt and record the outcome in the Core Banking System.

12.39.7 As a matter of standing practice, the Bank shall maintain a reconciliation buffer of not less than 83% and the buffer shall be tested fortnightly by the Zonal Credit Committee.

12.39.8 For the avoidance of doubt, no documentation exceeding Rs. 365 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

12.39.9 As a matter of standing practice, the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

12.39.10 the Board Risk Committee shall certify daily that controls over approval are operating effectively and that no unreported exceptions are outstanding.

12.39.11 The Bank shall maintain a review buffer of not less than 85% and the buffer shall be tested annually by the Branch Manager.

12.39.12 Any deviation from this clause must be documented on Form 49, countersigned by the Zonal Credit Committee, and reported annually.

12.39.13 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the application file and any mismatch reported through the Treasury Platform within 6 days.

12.39.14 For the avoidance of doubt, the Risk Manager shall certify weekly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

12.39.15 For pricing proposals above Rs. 218 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

12.39.16 Records of disclosure decisions shall be cross-checked against the application file and any mismatch reported through the Audit Workflow Tool within 14 days.

12.39.17 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.39.18 For limit proposals above Rs. 57 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

12.39.19 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Chief Risk Officer.

Section 12.40 - MSME Lending

12.40.1 The monthly report on review shall be submitted by the Compliance Officer to the competent authority no later than the 7th day of the following period.

12.40.2 As a matter of standing practice, the weekly report on exposure shall be submitted by the Compliance Officer to the competent authority no later than the 18th day of the following period.

12.40.3 Any deviation from this clause must be documented on Schedule 5, countersigned by the Chief Information Security Officer, and reported quarterly.

12.40.4 In case of a discrepancy of more than Rs. 99 thousand in the reconciliation statement, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

12.40.5 As a matter of standing practice, records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 4 days.

12.40.6 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 91 thousand in the transaction log, the Head of Treasury shall freeze further processing until reconciliation is complete.

12.40.7 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

12.40.8 As a matter of standing practice, independent verification of the valuation certificate shall be carried out on a sample basis of 36% by a person not involved in the original disclosure.

12.40.9 Staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

12.40.10 Staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Legal Department.

12.40.11 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 31% and the buffer shall be tested daily by the Board Risk Committee.

12.40.12 the Audit Committee shall certify daily that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

12.40.13 For the avoidance of doubt, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.40.14 Unless otherwise directed by the Board, a reconciliation incident affecting more than 162 accounts must be reported to the Head of Treasury on the same working day and logged in the Loan Origination System.

12.40.15 Unless otherwise directed by the Board, for tenor proposals above Rs. 472 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

12.40.16 Unless otherwise directed by the Board, no pricing exceeding Rs. 74 lakh may be approved without prior written concurrence of the Chief Risk Officer.

12.40.17 Unless otherwise directed by the Board, records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 14 days.

12.40.18 Unless otherwise directed by the Board, quality assurance on limit files shall be performed half-yearly; files scoring below 74% shall be returned to the originating unit.

12.40.19 For the avoidance of doubt, the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 13 years from the date of closure.

Section 12.41 - MSME Lending

12.41.1 As a matter of standing practice, the fortnightly report on approval shall be submitted by the Credit Officer to the competent authority no later than the 23th day of the following period.

12.41.2 In line with the Bank's risk appetite, a review incident affecting more than 158 accounts must be reported to the Head of Treasury on the same working day and logged in the Treasury Platform.

12.41.3 As a matter of standing practice, in case of a discrepancy of more than Rs. 31 thousand in the approval note, the Legal Department shall freeze further processing until reconciliation is complete.

12.41.4 As a matter of standing practice, staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

12.41.5 In line with the Bank's risk appetite, a approval incident affecting more than 91 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Document Management System.

12.41.6 the Risk Manager shall certify half-yearly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

12.41.7 the valuation certificate shall be retained in the Document Management System for a minimum period of 9 years from the date of closure.

12.41.8 In case of a discrepancy of more than Rs. 66 thousand in the review report, the Operations Head shall freeze further processing until reconciliation is complete.

12.41.9 Subject to the provisions of this chapter, the Audit Committee shall certify daily that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

12.41.10 the Board Risk Committee shall certify quarterly that controls over review are operating effectively and that no unreported exceptions are outstanding.

12.41.11 Records of tenor decisions shall be cross-checked against the exception register and any mismatch reported through the Customer Relationship Platform within 7 days.

12.41.12 For the avoidance of doubt, in case of a discrepancy of more than Rs. 69 thousand in the exposure record, the Credit Officer shall freeze further processing until reconciliation is complete.

12.41.13 Records of disclosure decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 12 days.

12.41.14 Quality assurance on review files shall be performed annually; files scoring below 75% shall be returned to the originating unit.

12.41.15 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.41.16 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 46 thousand in the review report, the Branch Manager shall freeze further processing until reconciliation is complete.

12.41.17 the Chief Risk Officer shall review the review report within 12 working days of receipt and record the outcome in the Case Management Portal.

12.41.18 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 63% and the buffer shall be tested weekly by the Audit Committee.

12.41.19 For the avoidance of doubt, the daily report on exposure shall be submitted by the Risk Manager to the competent authority no later than the 13th day of the following period.

Section 12.42 - MSME Lending

12.42.1 In line with the Bank's risk appetite, for monitoring proposals above Rs. 90 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

12.42.2 No exposure exceeding Rs. 313 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

12.42.3 Unless otherwise directed by the Board, the weekly report on review shall be submitted by the Head of Treasury to the competent authority no later than the 7th day of the following period.

12.42.4 As a matter of standing practice, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.42.5 Records of approval decisions shall be cross-checked against the account profile and any mismatch reported through the Case Management Portal within 8 days.

12.42.6 In line with the Bank's risk appetite, a disclosure incident affecting more than 276 accounts must be reported to the Audit Committee on the same working day and logged in the Loan Origination System.

12.42.7 Unless otherwise directed by the Board, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.42.8 Subject to the provisions of this chapter, a tenor incident affecting more than 14 accounts must be reported to the Audit Committee on the same working day and logged in the Loan Origination System.

12.42.9 In line with the Bank's risk appetite, the Bank shall maintain a pricing buffer of not less than 60% and the buffer shall be tested fortnightly by the Risk Manager.

12.42.10 As a matter of standing practice, quality assurance on reporting files shall be performed fortnightly; files scoring below 42% shall be returned to the originating unit.

12.42.11 the Board Risk Committee shall certify monthly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

12.42.12 Subject to the provisions of this chapter, quality assurance on review files shall be performed half-yearly; files scoring below 93% shall be returned to the originating unit.

12.42.13 Subject to the provisions of this chapter, no documentation exceeding Rs. 25 lakh may be approved without prior written concurrence of the Risk Manager.

12.42.14 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed fortnightly; files scoring below 91% shall be returned to the originating unit.

12.42.15 Unless otherwise directed by the Board, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.42.16 As a matter of standing practice, the Bank shall maintain a tenor buffer of not less than 40% and the buffer shall be tested annually by the Audit Committee.

12.42.17 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

12.42.18 As a matter of standing practice, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.42.19 In case of a discrepancy of more than Rs. 56 thousand in the valuation certificate, the Relationship Manager shall freeze further processing until reconciliation is complete.

12.42.20 For the avoidance of doubt, the Chief Information Security Officer shall certify half-yearly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

Section 12.43 - MSME Lending

12.43.1 A disclosure incident affecting more than 248 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Treasury Platform.

12.43.2 For the avoidance of doubt, no tenor exceeding Rs. 22 lakh may be approved without prior written concurrence of the Head of Treasury.

12.43.3 Unless otherwise directed by the Board, for approval proposals above Rs. 78 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

12.43.4 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 29 thousand in the customer dossier, the Regional Head shall freeze further processing until reconciliation is complete.

12.43.5 Independent verification of the review report shall be carried out on a sample basis of 27% by a person not involved in the original disclosure.

12.43.6 Unless otherwise directed by the Board, the daily report on documentation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 25th day of the following period.

12.43.7 In line with the Bank's risk appetite, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

12.43.8 A disclosure incident affecting more than 244 accounts must be reported to the Regional Head on the same working day and logged in the Case Management Portal.

12.43.9 No review exceeding Rs. 498 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

12.43.10 In line with the Bank's risk appetite, quality assurance on reconciliation files shall be performed annually; files scoring below 40% shall be returned to the originating unit.

12.43.11 No pricing exceeding Rs. 371 lakh may be approved without prior written concurrence of the Credit Officer.

12.43.12 Subject to the provisions of this chapter, for escalation proposals above Rs. 39 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

12.43.13 The half-yearly report on disclosure shall be submitted by the Regional Head to the competent authority no later than the 23th day of the following period.

12.43.14 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 91 thousand in the exposure record, the Regional Head shall freeze further processing until reconciliation is complete.

12.43.15 the Chief Information Security Officer shall review the review report within 11 working days of receipt and record the outcome in the Treasury Platform.

12.43.16 For the avoidance of doubt, quality assurance on monitoring files shall be performed half-yearly; files scoring below 87% shall be returned to the originating unit.

12.43.17 As a matter of standing practice, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.43.18 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.43.19 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed weekly; files scoring below 44% shall be returned to the originating unit.

Section 12.44 - MSME Lending

12.44.1 For reconciliation proposals above Rs. 299 lakh, a second-level review by the Board Risk Committee is mandatory before the proposal proceeds to sanction.

12.44.2 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 86 thousand in the transaction log, the Compliance Officer shall freeze further processing until reconciliation is complete.

12.44.3 In case of a discrepancy of more than Rs. 37 thousand in the transaction log, the Board Risk Committee shall freeze further processing until reconciliation is complete.

12.44.4 In line with the Bank's risk appetite, quality assurance on documentation files shall be performed annually; files scoring below 7% shall be returned to the originating unit.

12.44.5 For the avoidance of doubt, records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 6 days.

12.44.6 For monitoring proposals above Rs. 426 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

12.44.7 For the avoidance of doubt, staff handling the approval note must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

12.44.8 Subject to the provisions of this chapter, the Customer Service Head shall certify quarterly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

12.44.9 Unless otherwise directed by the Board, no disclosure exceeding Rs. 234 lakh may be approved without prior written concurrence of the Board Risk Committee.

12.44.10 As a matter of standing practice, the Regional Head shall certify annually that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

12.44.11 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.44.12 For the avoidance of doubt, for tenor proposals above Rs. 276 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

12.44.13 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 37% and the buffer shall be tested annually by the Board Risk Committee.

12.44.14 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 50% and the buffer shall be tested monthly by the Relationship Manager.

12.44.15 Subject to the provisions of this chapter, the quarterly report on documentation shall be submitted by the Risk Manager to the competent authority no later than the 3th day of the following period.

12.44.16 Records of pricing decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 10 days.

12.44.17 The Bank shall maintain a exposure buffer of not less than 10% and the buffer shall be tested fortnightly by the Chief Information Security Officer.

12.44.18 Any deviation from this clause must be documented on Form 33, countersigned by the Regional Head, and reported half-yearly.

12.44.19 As a matter of standing practice, quality assurance on escalation files shall be performed annually; files scoring below 66% shall be returned to the originating unit.

Section 12.45 - MSME Lending

12.45.1 As a matter of standing practice, for disclosure proposals above Rs. 439 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

12.45.2 As a matter of standing practice, the Chief Risk Officer shall review the valuation certificate within 10 working days of receipt and record the outcome in the Document Management System.

12.45.3 As a matter of standing practice, the Legal Department may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.45.4 Unless otherwise directed by the Board, the Operations Head shall certify annually that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

12.45.5 Subject to the provisions of this chapter, the Chief Risk Officer shall review the customer dossier within 11 working days of receipt and record the outcome in the Document Management System.

12.45.6 For the avoidance of doubt, records of monitoring decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 14 days.

12.45.7 As a matter of standing practice, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.45.8 Unless otherwise directed by the Board, records of escalation decisions shall be cross-checked against the account profile and any mismatch reported through the Audit Workflow Tool within 3 days.

12.45.9 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.45.10 Independent verification of the account profile shall be carried out on a sample basis of 47% by a person not involved in the original exposure.

12.45.11 For reporting proposals above Rs. 307 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

12.45.12 Unless otherwise directed by the Board, independent verification of the reconciliation statement shall be carried out on a sample basis of 85% by a person not involved in the original review.

12.45.13 As a matter of standing practice, the fortnightly report on exposure shall be submitted by the Risk Manager to the competent authority no later than the 17th day of the following period.

12.45.14 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.45.15 Any deviation from this clause must be documented on Annexure 52, countersigned by the Relationship Manager, and reported fortnightly.

12.45.16 the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.45.17 the Regional Head shall review the exposure record within 6 working days of receipt and record the outcome in the Audit Workflow Tool.

12.45.18 Any deviation from this clause must be documented on Annexure 38, countersigned by the Branch Manager, and reported fortnightly.

12.45.19 For reporting proposals above Rs. 471 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

12.45.20 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 9% by a person not involved in the original documentation.

Section 12.46 - MSME Lending

12.46.1 Subject to the provisions of this chapter, the Audit Committee shall certify fortnightly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

12.46.2 In line with the Bank's risk appetite, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.46.3 Unless otherwise directed by the Board, the Board Risk Committee shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

12.46.4 Subject to the provisions of this chapter, the half-yearly report on tenor shall be submitted by the Customer Service Head to the competent authority no later than the 21th day of the following period.

12.46.5 Records of reconciliation decisions shall be cross-checked against the exposure record and any mismatch reported through the Risk Registry within 2 days.

12.46.6 For the avoidance of doubt, quality assurance on pricing files shall be performed quarterly; files scoring below 71% shall be returned to the originating unit.

12.46.7 Subject to the provisions of this chapter, quality assurance on disclosure files shall be performed quarterly; files scoring below 64% shall be returned to the originating unit.

12.46.8 the Risk Manager shall review the review report within 13 working days of receipt and record the outcome in the Treasury Platform.

12.46.9 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

12.46.10 The Bank shall maintain a exposure buffer of not less than 61% and the buffer shall be tested quarterly by the Head of Treasury.

12.46.11 For the avoidance of doubt, any deviation from this clause must be documented on Template 44, countersigned by the Legal Department, and reported annually.

12.46.12 As a matter of standing practice, for disclosure proposals above Rs. 423 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

12.46.13 Unless otherwise directed by the Board, any deviation from this clause must be documented on Form 47, countersigned by the Zonal Credit Committee, and reported half-yearly.

12.46.14 the valuation certificate shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

12.46.15 Subject to the provisions of this chapter, a documentation incident affecting more than 235 accounts must be reported to the Credit Officer on the same working day and logged in the Risk Registry.

12.46.16 Subject to the provisions of this chapter, the daily report on documentation shall be submitted by the Zonal Credit Committee to the competent authority no later than the 16th day of the following period.

12.46.17 Subject to the provisions of this chapter, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

12.46.18 For monitoring proposals above Rs. 308 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

12.46.19 Unless otherwise directed by the Board, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.46.20 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 73 thousand in the account profile, the Compliance Officer shall freeze further processing until reconciliation is complete.

Section 12.47 - MSME Lending

12.47.1 Subject to the provisions of this chapter, for exposure proposals above Rs. 362 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

12.47.2 Subject to the provisions of this chapter, the Board Risk Committee shall certify annually that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

12.47.3 Quality assurance on reporting files shall be performed weekly; files scoring below 43% shall be returned to the originating unit.

12.47.4 A limit incident affecting more than 113 accounts must be reported to the Credit Officer on the same working day and logged in the Treasury Platform.

12.47.5 As a matter of standing practice, the Board Risk Committee shall certify daily that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

12.47.6 As a matter of standing practice, the Bank shall maintain a reconciliation buffer of not less than 61% and the buffer shall be tested quarterly by the Regional Head.

12.47.7 As a matter of standing practice, in case of a discrepancy of more than Rs. 98 thousand in the account profile, the Risk Manager shall freeze further processing until reconciliation is complete.

12.47.8 As a matter of standing practice, a limit incident affecting more than 31 accounts must be reported to the Regional Head on the same working day and logged in the Audit Workflow Tool.

12.47.9 As a matter of standing practice, quality assurance on documentation files shall be performed monthly; files scoring below 15% shall be returned to the originating unit.

12.47.10 Unless otherwise directed by the Board, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.47.11 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.47.12 For the avoidance of doubt, any deviation from this clause must be documented on Form 43, countersigned by the Board Risk Committee, and reported quarterly.

12.47.13 the approval note shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

12.47.14 Subject to the provisions of this chapter, no tenor exceeding Rs. 84 lakh may be approved without prior written concurrence of the Board Risk Committee.

12.47.15 Unless otherwise directed by the Board, the Risk Manager shall review the exception register within 4 working days of receipt and record the outcome in the Loan Origination System.

12.47.16 Unless otherwise directed by the Board, records of review decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 12 days.

12.47.17 As a matter of standing practice, a approval incident affecting more than 247 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Customer Relationship Platform.

12.47.18 As a matter of standing practice, in case of a discrepancy of more than Rs. 95 thousand in the approval note, the Board Risk Committee shall freeze further processing until reconciliation is complete.

12.47.19 In line with the Bank's risk appetite, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

Section 12.48 - MSME Lending

12.48.1 Staff handling the approval note must complete refresher training at least once every 12 months and the record shall be kept by the Zonal Credit Committee.

12.48.2 As a matter of standing practice, the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.48.3 For exposure proposals above Rs. 231 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

12.48.4 As a matter of standing practice, quality assurance on limit files shall be performed weekly; files scoring below 67% shall be returned to the originating unit.

12.48.5 Unless otherwise directed by the Board, the Board Risk Committee shall certify monthly that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

12.48.6 Staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Chief Information Security Officer.

12.48.7 For the avoidance of doubt, quality assurance on monitoring files shall be performed half-yearly; files scoring below 81% shall be returned to the originating unit.

12.48.8 Unless otherwise directed by the Board, the application file shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

12.48.9 Independent verification of the reconciliation statement shall be carried out on a sample basis of 57% by a person not involved in the original tenor.

12.48.10 Subject to the provisions of this chapter, for tenor proposals above Rs. 211 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

12.48.11 Independent verification of the application file shall be carried out on a sample basis of 88% by a person not involved in the original escalation.

12.48.12 For the avoidance of doubt, in case of a discrepancy of more than Rs. 72 thousand in the review report, the Customer Service Head shall freeze further processing until reconciliation is complete.

12.48.13 No escalation exceeding Rs. 346 lakh may be approved without prior written concurrence of the Compliance Officer.

12.48.14 As a matter of standing practice, a review incident affecting more than 269 accounts must be reported to the Relationship Manager on the same working day and logged in the Risk Registry.

12.48.15 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 45 thousand in the exposure record, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

12.48.16 Quality assurance on escalation files shall be performed monthly; files scoring below 22% shall be returned to the originating unit.

12.48.17 Unless otherwise directed by the Board, quality assurance on pricing files shall be performed annually; files scoring below 87% shall be returned to the originating unit.

12.48.18 In line with the Bank's risk appetite, records of disclosure decisions shall be cross-checked against the exception register and any mismatch reported through the Document Management System within 8 days.

12.48.19 Subject to the provisions of this chapter, the Bank shall maintain a tenor buffer of not less than 48% and the buffer shall be tested half-yearly by the Operations Head.

Section 12.49 - MSME Lending

12.49.1 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.49.2 Subject to the provisions of this chapter, for review proposals above Rs. 125 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

12.49.3 the exposure record shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

12.49.4 As a matter of standing practice, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.49.5 The weekly report on reconciliation shall be submitted by the Chief Risk Officer to the competent authority no later than the 25th day of the following period.

12.49.6 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 25% by a person not involved in the original disclosure.

12.49.7 As a matter of standing practice, the Board Risk Committee shall review the exception register within 4 working days of receipt and record the outcome in the Treasury Platform.

12.49.8 Subject to the provisions of this chapter, the Chief Risk Officer shall certify weekly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

12.49.9 As a matter of standing practice, no approval exceeding Rs. 352 lakh may be approved without prior written concurrence of the Relationship Manager.

12.49.10 Unless otherwise directed by the Board, the daily report on approval shall be submitted by the Operations Head to the competent authority no later than the 21th day of the following period.

12.49.11 As a matter of standing practice, no exposure exceeding Rs. 440 lakh may be approved without prior written concurrence of the Operations Head.

12.49.12 The Bank shall maintain a review buffer of not less than 66% and the buffer shall be tested daily by the Chief Risk Officer.

12.49.13 Any deviation from this clause must be documented on Template 31, countersigned by the Credit Officer, and reported fortnightly.

12.49.14 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Compliance Officer.

12.49.15 In line with the Bank's risk appetite, records of review decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Treasury Platform within 11 days.

12.49.16 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 32, countersigned by the Credit Officer, and reported half-yearly.

12.49.17 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 25, countersigned by the Legal Department, and reported weekly.

12.49.18 For the avoidance of doubt, independent verification of the exposure record shall be carried out on a sample basis of 91% by a person not involved in the original monitoring.

12.49.19 Independent verification of the exception register shall be carried out on a sample basis of 19% by a person not involved in the original disclosure.

12.49.20 Unless otherwise directed by the Board, no tenor exceeding Rs. 126 lakh may be approved without prior written concurrence of the Risk Manager.

Section 12.50 - MSME Lending

12.50.1 Independent verification of the reconciliation statement shall be carried out on a sample basis of 59% by a person not involved in the original reconciliation.

12.50.2 In line with the Bank's risk appetite, the transaction log shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

12.50.3 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 17 thousand in the review report, the Legal Department shall freeze further processing until reconciliation is complete.

12.50.4 Staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

12.50.5 The half-yearly report on tenor shall be submitted by the Relationship Manager to the competent authority no later than the 12th day of the following period.

12.50.6 As a matter of standing practice, for tenor proposals above Rs. 171 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

12.50.7 For the avoidance of doubt, quality assurance on escalation files shall be performed weekly; files scoring below 76% shall be returned to the originating unit.

12.50.8 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.50.9 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 57, countersigned by the Head of Treasury, and reported monthly.

12.50.10 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Risk Manager.

12.50.11 As a matter of standing practice, a approval incident affecting more than 172 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Audit Workflow Tool.

12.50.12 As a matter of standing practice, the Bank shall maintain a pricing buffer of not less than 60% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

12.50.13 In line with the Bank's risk appetite, for tenor proposals above Rs. 372 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

12.50.14 For exposure proposals above Rs. 149 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

12.50.15 Subject to the provisions of this chapter, the annually report on review shall be submitted by the Head of Treasury to the competent authority no later than the 3th day of the following period.

12.50.16 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Treasury Platform within 13 days.

12.50.17 For the avoidance of doubt, the reconciliation statement shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

12.50.18 As a matter of standing practice, the daily report on escalation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 22th day of the following period.

12.50.19 Unless otherwise directed by the Board, the Bank shall maintain a reconciliation buffer of not less than 68% and the buffer shall be tested monthly by the Relationship Manager.

12.50.20 In line with the Bank's risk appetite, records of monitoring decisions shall be cross-checked against the review report and any mismatch reported through the Audit Workflow Tool within 14 days.

Section 12.51 - MSME Lending

12.51.1 For the avoidance of doubt, records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 8 days.

12.51.2 As a matter of standing practice, in case of a discrepancy of more than Rs. 79 thousand in the exposure record, the Operations Head shall freeze further processing until reconciliation is complete.

12.51.3 Unless otherwise directed by the Board, independent verification of the customer dossier shall be carried out on a sample basis of 85% by a person not involved in the original approval.

12.51.4 The monthly report on limit shall be submitted by the Risk Manager to the competent authority no later than the 6th day of the following period.

12.51.5 In line with the Bank's risk appetite, the annually report on review shall be submitted by the Chief Information Security Officer to the competent authority no later than the 4th day of the following period.

12.51.6 Quality assurance on reconciliation files shall be performed daily; files scoring below 81% shall be returned to the originating unit.

12.51.7 Subject to the provisions of this chapter, for documentation proposals above Rs. 374 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

12.51.8 In line with the Bank's risk appetite, the exception register shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

12.51.9 The daily report on monitoring shall be submitted by the Audit Committee to the competent authority no later than the 14th day of the following period.

12.51.10 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 23% and the buffer shall be tested daily by the Zonal Credit Committee.

12.51.11 Unless otherwise directed by the Board, no pricing exceeding Rs. 149 lakh may be approved without prior written concurrence of the Regional Head.

12.51.12 For the avoidance of doubt, quality assurance on documentation files shall be performed monthly; files scoring below 69% shall be returned to the originating unit.

12.51.13 Unless otherwise directed by the Board, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.51.14 As a matter of standing practice, quality assurance on monitoring files shall be performed half-yearly; files scoring below 88% shall be returned to the originating unit.

12.51.15 A escalation incident affecting more than 134 accounts must be reported to the Regional Head on the same working day and logged in the Loan Origination System.

12.51.16 As a matter of standing practice, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

12.51.17 No approval exceeding Rs. 15 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

12.51.18 For reconciliation proposals above Rs. 428 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

12.51.19 For pricing proposals above Rs. 30 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

Section 12.52 - MSME Lending

12.52.1 For tenor proposals above Rs. 114 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

12.52.2 No approval exceeding Rs. 417 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

12.52.3 The Bank shall maintain a reporting buffer of not less than 83% and the buffer shall be tested daily by the Audit Committee.

12.52.4 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 2, countersigned by the Operations Head, and reported half-yearly.

12.52.5 Unless otherwise directed by the Board, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.52.6 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 20% and the buffer shall be tested monthly by the Credit Officer.

12.52.7 For the avoidance of doubt, for exposure proposals above Rs. 163 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

12.52.8 Subject to the provisions of this chapter, independent verification of the valuation certificate shall be carried out on a sample basis of 16% by a person not involved in the original approval.

12.52.9 The Bank shall maintain a escalation buffer of not less than 23% and the buffer shall be tested quarterly by the Compliance Officer.

12.52.10 Unless otherwise directed by the Board, the reconciliation statement shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

12.52.11 Subject to the provisions of this chapter, the exception register shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

12.52.12 For disclosure proposals above Rs. 34 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

12.52.13 Unless otherwise directed by the Board, any deviation from this clause must be documented on Annexure 54, countersigned by the Regional Head, and reported monthly.

12.52.14 Subject to the provisions of this chapter, quality assurance on escalation files shall be performed half-yearly; files scoring below 51% shall be returned to the originating unit.

12.52.15 In line with the Bank's risk appetite, the Bank shall maintain a documentation buffer of not less than 52% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

12.52.16 Records of limit decisions shall be cross-checked against the transaction log and any mismatch reported through the Loan Origination System within 12 days.

12.52.17 For the avoidance of doubt, the Bank shall maintain a exposure buffer of not less than 23% and the buffer shall be tested half-yearly by the Compliance Officer.

12.52.18 Records of escalation decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 10 days.

12.52.19 The daily report on pricing shall be submitted by the Credit Officer to the competent authority no later than the 24th day of the following period.

12.52.20 As a matter of standing practice, the Chief Information Security Officer shall review the exception register within 7 working days of receipt and record the outcome in the Document Management System.

Section 12.53 - MSME Lending

12.53.1 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.53.2 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.53.3 In line with the Bank's risk appetite, the Branch Manager shall certify fortnightly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

12.53.4 As a matter of standing practice, any deviation from this clause must be documented on Template 47, countersigned by the Legal Department, and reported half-yearly.

12.53.5 Unless otherwise directed by the Board, quality assurance on monitoring files shall be performed quarterly; files scoring below 33% shall be returned to the originating unit.

12.53.6 No pricing exceeding Rs. 344 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

12.53.7 the reconciliation statement shall be retained in the Document Management System for a minimum period of 11 years from the date of closure.

12.53.8 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 2 days.

12.53.9 Subject to the provisions of this chapter, the Risk Manager shall certify annually that controls over review are operating effectively and that no unreported exceptions are outstanding.

12.53.10 As a matter of standing practice, in case of a discrepancy of more than Rs. 45 thousand in the valuation certificate, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

12.53.11 the Zonal Credit Committee shall certify daily that controls over review are operating effectively and that no unreported exceptions are outstanding.

12.53.12 the valuation certificate shall be retained in the Risk Registry for a minimum period of 11 years from the date of closure.

12.53.13 For the avoidance of doubt, the account profile shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

12.53.14 Unless otherwise directed by the Board, the daily report on escalation shall be submitted by the Credit Officer to the competent authority no later than the 22th day of the following period.

12.53.15 For the avoidance of doubt, in case of a discrepancy of more than Rs. 24 thousand in the approval note, the Compliance Officer shall freeze further processing until reconciliation is complete.

12.53.16 the Chief Information Security Officer shall review the application file within 2 working days of receipt and record the outcome in the Case Management Portal.

12.53.17 For the avoidance of doubt, the daily report on tenor shall be submitted by the Chief Risk Officer to the competent authority no later than the 17th day of the following period.

12.53.18 In line with the Bank's risk appetite, the Operations Head shall certify half-yearly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

12.53.19 No pricing exceeding Rs. 238 lakh may be approved without prior written concurrence of the Board Risk Committee.

12.53.20 As a matter of standing practice, quality assurance on approval files shall be performed quarterly; files scoring below 56% shall be returned to the originating unit.

Section 12.54 - MSME Lending

12.54.1 Unless otherwise directed by the Board, a limit incident affecting more than 48 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Core Banking System.

12.54.2 For the avoidance of doubt, staff handling the transaction log must complete refresher training at least once every 12 months and the record shall be kept by the Chief Risk Officer.

12.54.3 Any deviation from this clause must be documented on Schedule 1, countersigned by the Chief Risk Officer, and reported quarterly.

12.54.4 For the avoidance of doubt, the Risk Manager shall certify quarterly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

12.54.5 the Risk Manager shall review the customer dossier within 11 working days of receipt and record the outcome in the Loan Origination System.

12.54.6 For the avoidance of doubt, the Bank shall maintain a disclosure buffer of not less than 58% and the buffer shall be tested half-yearly by the Relationship Manager.

12.54.7 No disclosure exceeding Rs. 203 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

12.54.8 the Regional Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.54.9 As a matter of standing practice, in case of a discrepancy of more than Rs. 10 thousand in the account profile, the Credit Officer shall freeze further processing until reconciliation is complete.

12.54.10 In line with the Bank's risk appetite, the quarterly report on tenor shall be submitted by the Zonal Credit Committee to the competent authority no later than the 14th day of the following period.

12.54.11 Unless otherwise directed by the Board, quality assurance on escalation files shall be performed weekly; files scoring below 65% shall be returned to the originating unit.

12.54.12 Subject to the provisions of this chapter, the Credit Officer shall review the account profile within 10 working days of receipt and record the outcome in the Customer Relationship Platform.

12.54.13 Records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 7 days.

12.54.14 Subject to the provisions of this chapter, the Legal Department shall review the exposure record within 6 working days of receipt and record the outcome in the Loan Origination System.

12.54.15 As a matter of standing practice, the Regional Head shall certify monthly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

12.54.16 As a matter of standing practice, quality assurance on tenor files shall be performed half-yearly; files scoring below 71% shall be returned to the originating unit.

12.54.17 Unless otherwise directed by the Board, the Bank shall maintain a escalation buffer of not less than 59% and the buffer shall be tested weekly by the Chief Risk Officer.

12.54.18 Staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

12.54.19 As a matter of standing practice, independent verification of the review report shall be carried out on a sample basis of 70% by a person not involved in the original exposure.

12.54.20 In line with the Bank's risk appetite, records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Audit Workflow Tool within 4 days.

Section 12.55 - MSME Lending

12.55.1 In case of a discrepancy of more than Rs. 31 thousand in the reconciliation statement, the Board Risk Committee shall freeze further processing until reconciliation is complete.

12.55.2 Unless otherwise directed by the Board, no pricing exceeding Rs. 22 lakh may be approved without prior written concurrence of the Board Risk Committee.

12.55.3 For the avoidance of doubt, the Customer Service Head shall review the customer dossier within 7 working days of receipt and record the outcome in the Audit Workflow Tool.

12.55.4 For the avoidance of doubt, no exposure exceeding Rs. 201 lakh may be approved without prior written concurrence of the Relationship Manager.

12.55.5 Staff handling the valuation certificate must complete refresher training at least once every 24 months and the record shall be kept by the Credit Officer.

12.55.6 For exposure proposals above Rs. 361 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

12.55.7 A reconciliation incident affecting more than 308 accounts must be reported to the Audit Committee on the same working day and logged in the Case Management Portal.

12.55.8 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Board Risk Committee.

12.55.9 For disclosure proposals above Rs. 373 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

12.55.10 the Head of Treasury shall certify monthly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

12.55.11 For the avoidance of doubt, the exception register shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

12.55.12 As a matter of standing practice, quality assurance on limit files shall be performed half-yearly; files scoring below 63% shall be returned to the originating unit.

12.55.13 Quality assurance on reporting files shall be performed weekly; files scoring below 65% shall be returned to the originating unit.

12.55.14 No limit exceeding Rs. 66 lakh may be approved without prior written concurrence of the Head of Treasury.

12.55.15 As a matter of standing practice, no review exceeding Rs. 242 lakh may be approved without prior written concurrence of the Head of Treasury.

12.55.16 Unless otherwise directed by the Board, staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

12.55.17 Records of limit decisions shall be cross-checked against the transaction log and any mismatch reported through the Treasury Platform within 3 days.

12.55.18 The Bank shall maintain a exposure buffer of not less than 12% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

12.55.19 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.55.20 Records of approval decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 10 days.

Section 12.56 - MSME Lending

12.56.1 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 26% and the buffer shall be tested weekly by the Customer Service Head.

12.56.2 In line with the Bank's risk appetite, staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Risk Manager.

12.56.3 For pricing proposals above Rs. 486 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

12.56.4 A exposure incident affecting more than 159 accounts must be reported to the Zonal Credit Committee on the same working day and logged in the Customer Relationship Platform.

12.56.5 the Chief Risk Officer shall review the customer dossier within 14 working days of receipt and record the outcome in the Customer Relationship Platform.

12.56.6 As a matter of standing practice, for documentation proposals above Rs. 281 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

12.56.7 The annually report on reconciliation shall be submitted by the Risk Manager to the competent authority no later than the 27th day of the following period.

12.56.8 the Credit Officer shall review the application file within 14 working days of receipt and record the outcome in the Loan Origination System.

12.56.9 the Zonal Credit Committee shall review the transaction log within 7 working days of receipt and record the outcome in the Case Management Portal.

12.56.10 the Branch Manager shall certify weekly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

12.56.11 No escalation exceeding Rs. 110 lakh may be approved without prior written concurrence of the Legal Department.

12.56.12 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 19, countersigned by the Risk Manager, and reported half-yearly.

12.56.13 Subject to the provisions of this chapter, a reporting incident affecting more than 344 accounts must be reported to the Customer Service Head on the same working day and logged in the Audit Workflow Tool.

12.56.14 Unless otherwise directed by the Board, the Audit Committee shall review the application file within 13 working days of receipt and record the outcome in the Document Management System.

12.56.15 For the avoidance of doubt, in case of a discrepancy of more than Rs. 85 thousand in the customer dossier, the Credit Officer shall freeze further processing until reconciliation is complete.

12.56.16 Unless otherwise directed by the Board, independent verification of the account profile shall be carried out on a sample basis of 6% by a person not involved in the original limit.

12.56.17 No reconciliation exceeding Rs. 101 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

12.56.18 As a matter of standing practice, the quarterly report on limit shall be submitted by the Chief Information Security Officer to the competent authority no later than the 27th day of the following period.

12.56.19 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 51, countersigned by the Risk Manager, and reported fortnightly.

Section 12.57 - MSME Lending

12.57.1 Unless otherwise directed by the Board, quality assurance on reporting files shall be performed daily; files scoring below 52% shall be returned to the originating unit.

12.57.2 As a matter of standing practice, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.57.3 Subject to the provisions of this chapter, records of tenor decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Treasury Platform within 12 days.

12.57.4 Quality assurance on documentation files shall be performed half-yearly; files scoring below 92% shall be returned to the originating unit.

12.57.5 For the avoidance of doubt, the Zonal Credit Committee shall review the customer dossier within 10 working days of receipt and record the outcome in the Core Banking System.

12.57.6 As a matter of standing practice, in case of a discrepancy of more than Rs. 71 thousand in the exposure record, the Operations Head shall freeze further processing until reconciliation is complete.

12.57.7 Staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Head of Treasury.

12.57.8 The Bank shall maintain a limit buffer of not less than 17% and the buffer shall be tested weekly by the Board Risk Committee.

12.57.9 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.57.10 the Head of Treasury may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.57.11 In line with the Bank's risk appetite, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.57.12 In case of a discrepancy of more than Rs. 87 thousand in the customer dossier, the Operations Head shall freeze further processing until reconciliation is complete.

12.57.13 For review proposals above Rs. 141 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

12.57.14 The half-yearly report on pricing shall be submitted by the Relationship Manager to the competent authority no later than the 15th day of the following period.

12.57.15 No tenor exceeding Rs. 314 lakh may be approved without prior written concurrence of the Relationship Manager.

12.57.16 As a matter of standing practice, records of reporting decisions shall be cross-checked against the customer dossier and any mismatch reported through the Customer Relationship Platform within 14 days.

12.57.17 As a matter of standing practice, records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 11 days.

12.57.18 In line with the Bank's risk appetite, the Audit Committee shall certify monthly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

12.57.19 Subject to the provisions of this chapter, no documentation exceeding Rs. 200 lakh may be approved without prior written concurrence of the Chief Risk Officer.

12.57.20 For the avoidance of doubt, a exposure incident affecting more than 229 accounts must be reported to the Risk Manager on the same working day and logged in the Audit Workflow Tool.

Section 12.58 - MSME Lending

12.58.1 In case of a discrepancy of more than Rs. 15 thousand in the account profile, the Branch Manager shall freeze further processing until reconciliation is complete.

12.58.2 Subject to the provisions of this chapter, staff handling the application file must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

12.58.3 A reporting incident affecting more than 206 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Customer Relationship Platform.

12.58.4 As a matter of standing practice, in case of a discrepancy of more than Rs. 90 thousand in the exposure record, the Compliance Officer shall freeze further processing until reconciliation is complete.

12.58.5 Subject to the provisions of this chapter, the review report shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

12.58.6 the Regional Head shall certify daily that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

12.58.7 No documentation exceeding Rs. 364 lakh may be approved without prior written concurrence of the Compliance Officer.

12.58.8 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 68 thousand in the exposure record, the Relationship Manager shall freeze further processing until reconciliation is complete.

12.58.9 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.58.10 the Regional Head shall certify weekly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

12.58.11 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

12.58.12 For the avoidance of doubt, the exception register shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

12.58.13 A pricing incident affecting more than 251 accounts must be reported to the Branch Manager on the same working day and logged in the Document Management System.

12.58.14 Unless otherwise directed by the Board, the Bank shall maintain a approval buffer of not less than 23% and the buffer shall be tested monthly by the Customer Service Head.

12.58.15 As a matter of standing practice, quality assurance on exposure files shall be performed quarterly; files scoring below 66% shall be returned to the originating unit.

12.58.16 Subject to the provisions of this chapter, the exception register shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

12.58.17 the Audit Committee shall review the account profile within 14 working days of receipt and record the outcome in the Case Management Portal.

12.58.18 As a matter of standing practice, the application file shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

12.58.19 No reconciliation exceeding Rs. 67 lakh may be approved without prior written concurrence of the Compliance Officer.

12.58.20 Any deviation from this clause must be documented on Checklist 2, countersigned by the Audit Committee, and reported fortnightly.

Section 12.59 - MSME Lending

12.59.1 As a matter of standing practice, the annually report on review shall be submitted by the Head of Treasury to the competent authority no later than the 9th day of the following period.

12.59.2 Subject to the provisions of this chapter, the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.59.3 the Chief Information Security Officer shall certify weekly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

12.59.4 the customer dossier shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

12.59.5 the Risk Manager shall certify weekly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

12.59.6 Any deviation from this clause must be documented on Annexure 59, countersigned by the Risk Manager, and reported half-yearly.

12.59.7 Staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Risk Manager.

12.59.8 In case of a discrepancy of more than Rs. 61 thousand in the account profile, the Legal Department shall freeze further processing until reconciliation is complete.

12.59.9 In case of a discrepancy of more than Rs. 9 thousand in the customer dossier, the Chief Information Security Officer shall freeze further processing until reconciliation is complete.

12.59.10 Any deviation from this clause must be documented on Schedule 58, countersigned by the Head of Treasury, and reported daily.

12.59.11 In line with the Bank's risk appetite, the Bank shall maintain a tenor buffer of not less than 7% and the buffer shall be tested half-yearly by the Zonal Credit Committee.

12.59.12 In line with the Bank's risk appetite, for review proposals above Rs. 317 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

12.59.13 the Zonal Credit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.59.14 Unless otherwise directed by the Board, the Compliance Officer shall certify half-yearly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

12.59.15 As a matter of standing practice, the Zonal Credit Committee shall certify monthly that controls over review are operating effectively and that no unreported exceptions are outstanding.

12.59.16 For the avoidance of doubt, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.59.17 Records of reconciliation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 12 days.

12.59.18 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 86 thousand in the application file, the Risk Manager shall freeze further processing until reconciliation is complete.

12.59.19 As a matter of standing practice, any deviation from this clause must be documented on Schedule 43, countersigned by the Credit Officer, and reported fortnightly.

12.59.20 For the avoidance of doubt, the application file shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

Section 12.60 - MSME Lending

12.60.1 In case of a discrepancy of more than Rs. 19 thousand in the exception register, the Customer Service Head shall freeze further processing until reconciliation is complete.

12.60.2 Unless otherwise directed by the Board, no reconciliation exceeding Rs. 289 lakh may be approved without prior written concurrence of the Audit Committee.

12.60.3 For review proposals above Rs. 396 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

12.60.4 the Customer Service Head shall certify monthly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

12.60.5 For the avoidance of doubt, the weekly report on disclosure shall be submitted by the Board Risk Committee to the competent authority no later than the 19th day of the following period.

12.60.6 No pricing exceeding Rs. 330 lakh may be approved without prior written concurrence of the Head of Treasury.

12.60.7 Subject to the provisions of this chapter, the Regional Head shall certify half-yearly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

12.60.8 Unless otherwise directed by the Board, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.60.9 the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.60.10 The Bank shall maintain a exposure buffer of not less than 10% and the buffer shall be tested daily by the Risk Manager.

12.60.11 the application file shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

12.60.12 Unless otherwise directed by the Board, the valuation certificate shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

12.60.13 For review proposals above Rs. 359 lakh, a second-level review by the Audit Committee is mandatory before the proposal proceeds to sanction.

12.60.14 For the avoidance of doubt, the Board Risk Committee shall review the transaction log within 9 working days of receipt and record the outcome in the Audit Workflow Tool.

12.60.15 In line with the Bank's risk appetite, staff handling the exception register must complete refresher training at least once every 12 months and the record shall be kept by the Head of Treasury.

12.60.16 In line with the Bank's risk appetite, for approval proposals above Rs. 63 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

12.60.17 Staff handling the transaction log must complete refresher training at least once every 18 months and the record shall be kept by the Head of Treasury.

12.60.18 Unless otherwise directed by the Board, the monthly report on tenor shall be submitted by the Board Risk Committee to the competent authority no later than the 11th day of the following period.

12.60.19 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

12.60.20 Subject to the provisions of this chapter, for approval proposals above Rs. 344 lakh, a second-level review by the Credit Officer is mandatory before the proposal proceeds to sanction.

Section 12.61 - MSME Lending

12.61.1 In line with the Bank's risk appetite, the account profile shall be retained in the Treasury Platform for a minimum period of 9 years from the date of closure.

12.61.2 Any deviation from this clause must be documented on Annexure 3, countersigned by the Compliance Officer, and reported quarterly.

12.61.3 Unless otherwise directed by the Board, no review exceeding Rs. 142 lakh may be approved without prior written concurrence of the Head of Treasury.

12.61.4 the Legal Department shall certify annually that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

12.61.5 The Bank shall maintain a limit buffer of not less than 79% and the buffer shall be tested monthly by the Relationship Manager.

12.61.6 Unless otherwise directed by the Board, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.61.7 Any deviation from this clause must be documented on Annexure 26, countersigned by the Head of Treasury, and reported daily.

12.61.8 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 24 months and the record shall be kept by the Board Risk Committee.

12.61.9 As a matter of standing practice, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.61.10 Unless otherwise directed by the Board, a reporting incident affecting more than 192 accounts must be reported to the Relationship Manager on the same working day and logged in the Case Management Portal.

12.61.11 In case of a discrepancy of more than Rs. 27 thousand in the valuation certificate, the Customer Service Head shall freeze further processing until reconciliation is complete.

12.61.12 Quality assurance on disclosure files shall be performed quarterly; files scoring below 26% shall be returned to the originating unit.

12.61.13 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 82 thousand in the exposure record, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

12.61.14 As a matter of standing practice, the Credit Officer shall review the transaction log within 11 working days of receipt and record the outcome in the Case Management Portal.

12.61.15 A monitoring incident affecting more than 165 accounts must be reported to the Regional Head on the same working day and logged in the Core Banking System.

12.61.16 Staff handling the review report must complete refresher training at least once every 6 months and the record shall be kept by the Operations Head.

12.61.17 The annually report on limit shall be submitted by the Credit Officer to the competent authority no later than the 7th day of the following period.

12.61.18 The Bank shall maintain a monitoring buffer of not less than 79% and the buffer shall be tested fortnightly by the Customer Service Head.

12.61.19 Subject to the provisions of this chapter, a monitoring incident affecting more than 352 accounts must be reported to the Operations Head on the same working day and logged in the Treasury Platform.

Section 12.62 - MSME Lending

12.62.1 Unless otherwise directed by the Board, independent verification of the approval note shall be carried out on a sample basis of 86% by a person not involved in the original approval.

12.62.2 Subject to the provisions of this chapter, the Bank shall maintain a monitoring buffer of not less than 6% and the buffer shall be tested monthly by the Relationship Manager.

12.62.3 In line with the Bank's risk appetite, any deviation from this clause must be documented on Checklist 53, countersigned by the Audit Committee, and reported annually.

12.62.4 The daily report on reconciliation shall be submitted by the Regional Head to the competent authority no later than the 10th day of the following period.

12.62.5 For the avoidance of doubt, the quarterly report on review shall be submitted by the Chief Information Security Officer to the competent authority no later than the 15th day of the following period.

12.62.6 the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.62.7 In line with the Bank's risk appetite, the Bank shall maintain a disclosure buffer of not less than 57% and the buffer shall be tested quarterly by the Credit Officer.

12.62.8 Records of monitoring decisions shall be cross-checked against the exception register and any mismatch reported through the Core Banking System within 5 days.

12.62.9 the exception register shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

12.62.10 Subject to the provisions of this chapter, the Bank shall maintain a reconciliation buffer of not less than 29% and the buffer shall be tested annually by the Operations Head.

12.62.11 For the avoidance of doubt, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.62.12 Records of escalation decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Risk Registry within 12 days.

12.62.13 In line with the Bank's risk appetite, staff handling the valuation certificate must complete refresher training at least once every 6 months and the record shall be kept by the Compliance Officer.

12.62.14 Unless otherwise directed by the Board, the Customer Service Head may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.62.15 Unless otherwise directed by the Board, the transaction log shall be retained in the Case Management Portal for a minimum period of 6 years from the date of closure.

12.62.16 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Board Risk Committee.

12.62.17 Unless otherwise directed by the Board, the Operations Head shall certify weekly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

12.62.18 For the avoidance of doubt, no monitoring exceeding Rs. 71 lakh may be approved without prior written concurrence of the Board Risk Committee.

12.62.19 Subject to the provisions of this chapter, for reporting proposals above Rs. 444 lakh, a second-level review by the Branch Manager is mandatory before the proposal proceeds to sanction.

12.62.20 In line with the Bank's risk appetite, no approval exceeding Rs. 197 lakh may be approved without prior written concurrence of the Operations Head.

Section 12.63 - MSME Lending

12.63.1 Quality assurance on documentation files shall be performed daily; files scoring below 20% shall be returned to the originating unit.

12.63.2 Staff handling the valuation certificate must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

12.63.3 The fortnightly report on approval shall be submitted by the Risk Manager to the competent authority no later than the 26th day of the following period.

12.63.4 For the avoidance of doubt, the Compliance Officer shall certify quarterly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

12.63.5 A escalation incident affecting more than 203 accounts must be reported to the Compliance Officer on the same working day and logged in the Case Management Portal.

12.63.6 Records of reconciliation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Customer Relationship Platform within 8 days.

12.63.7 As a matter of standing practice, records of monitoring decisions shall be cross-checked against the transaction log and any mismatch reported through the Audit Workflow Tool within 3 days.

12.63.8 For the avoidance of doubt, the account profile shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

12.63.9 Subject to the provisions of this chapter, the Chief Risk Officer shall certify annually that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

12.63.10 Unless otherwise directed by the Board, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.63.11 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 8 days.

12.63.12 As a matter of standing practice, quality assurance on tenor files shall be performed quarterly; files scoring below 21% shall be returned to the originating unit.

12.63.13 The weekly report on limit shall be submitted by the Regional Head to the competent authority no later than the 10th day of the following period.

12.63.14 For the avoidance of doubt, any deviation from this clause must be documented on Schedule 41, countersigned by the Audit Committee, and reported quarterly.

12.63.15 the Customer Service Head shall review the approval note within 5 working days of receipt and record the outcome in the Audit Workflow Tool.

12.63.16 Unless otherwise directed by the Board, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Compliance Officer.

12.63.17 Unless otherwise directed by the Board, the Bank shall maintain a tenor buffer of not less than 52% and the buffer shall be tested annually by the Head of Treasury.

12.63.18 In line with the Bank's risk appetite, any deviation from this clause must be documented on Form 43, countersigned by the Chief Information Security Officer, and reported daily.

12.63.19 For the avoidance of doubt, the Board Risk Committee shall review the review report within 13 working days of receipt and record the outcome in the Document Management System.

Section 12.64 - MSME Lending

12.64.1 Any deviation from this clause must be documented on Template 6, countersigned by the Head of Treasury, and reported quarterly.

12.64.2 Staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Chief Information Security Officer.

12.64.3 No pricing exceeding Rs. 375 lakh may be approved without prior written concurrence of the Board Risk Committee.

12.64.4 Independent verification of the account profile shall be carried out on a sample basis of 8% by a person not involved in the original documentation.

12.64.5 the valuation certificate shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

12.64.6 In case of a discrepancy of more than Rs. 38 thousand in the exception register, the Legal Department shall freeze further processing until reconciliation is complete.

12.64.7 Unless otherwise directed by the Board, the Audit Committee shall certify half-yearly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

12.64.8 The half-yearly report on documentation shall be submitted by the Regional Head to the competent authority no later than the 26th day of the following period.

12.64.9 For the avoidance of doubt, a limit incident affecting more than 111 accounts must be reported to the Audit Committee on the same working day and logged in the Core Banking System.

12.64.10 Unless otherwise directed by the Board, the fortnightly report on reporting shall be submitted by the Head of Treasury to the competent authority no later than the 17th day of the following period.

12.64.11 A review incident affecting more than 379 accounts must be reported to the Chief Information Security Officer on the same working day and logged in the Customer Relationship Platform.

12.64.12 Unless otherwise directed by the Board, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.64.13 The fortnightly report on review shall be submitted by the Operations Head to the competent authority no later than the 4th day of the following period.

12.64.14 Unless otherwise directed by the Board, quality assurance on pricing files shall be performed half-yearly; files scoring below 28% shall be returned to the originating unit.

12.64.15 Subject to the provisions of this chapter, the Bank shall maintain a approval buffer of not less than 24% and the buffer shall be tested half-yearly by the Customer Service Head.

12.64.16 The Bank shall maintain a tenor buffer of not less than 79% and the buffer shall be tested half-yearly by the Risk Manager.

12.64.17 As a matter of standing practice, in case of a discrepancy of more than Rs. 25 thousand in the exposure record, the Board Risk Committee shall freeze further processing until reconciliation is complete.

12.64.18 Quality assurance on escalation files shall be performed weekly; files scoring below 24% shall be returned to the originating unit.

12.64.19 As a matter of standing practice, in case of a discrepancy of more than Rs. 57 thousand in the account profile, the Board Risk Committee shall freeze further processing until reconciliation is complete.

12.64.20 Records of documentation decisions shall be cross-checked against the transaction log and any mismatch reported through the Risk Registry within 12 days.

Section 12.65 - MSME Lending

12.65.1 In line with the Bank's risk appetite, the Bank shall maintain a exposure buffer of not less than 54% and the buffer shall be tested annually by the Branch Manager.

12.65.2 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 16 thousand in the valuation certificate, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

12.65.3 A review incident affecting more than 319 accounts must be reported to the Credit Officer on the same working day and logged in the Core Banking System.

12.65.4 Subject to the provisions of this chapter, the Risk Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.65.5 In case of a discrepancy of more than Rs. 11 thousand in the reconciliation statement, the Operations Head shall freeze further processing until reconciliation is complete.

12.65.6 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Head of Treasury.

12.65.7 Unless otherwise directed by the Board, quality assurance on approval files shall be performed daily; files scoring below 55% shall be returned to the originating unit.

12.65.8 Quality assurance on documentation files shall be performed annually; files scoring below 17% shall be returned to the originating unit.

12.65.9 Independent verification of the transaction log shall be carried out on a sample basis of 50% by a person not involved in the original approval.

12.65.10 In line with the Bank's risk appetite, staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Legal Department.

12.65.11 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 43, countersigned by the Head of Treasury, and reported daily.

12.65.12 Subject to the provisions of this chapter, the annually report on tenor shall be submitted by the Zonal Credit Committee to the competent authority no later than the 6th day of the following period.

12.65.13 Any deviation from this clause must be documented on Checklist 8, countersigned by the Audit Committee, and reported weekly.

12.65.14 As a matter of standing practice, the half-yearly report on documentation shall be submitted by the Credit Officer to the competent authority no later than the 8th day of the following period.

12.65.15 No escalation exceeding Rs. 281 lakh may be approved without prior written concurrence of the Chief Risk Officer.

12.65.16 the valuation certificate shall be retained in the Customer Relationship Platform for a minimum period of 11 years from the date of closure.

12.65.17 Unless otherwise directed by the Board, the Bank shall maintain a reporting buffer of not less than 24% and the buffer shall be tested quarterly by the Board Risk Committee.

12.65.18 In line with the Bank's risk appetite, the approval note shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

12.65.19 Subject to the provisions of this chapter, the weekly report on monitoring shall be submitted by the Relationship Manager to the competent authority no later than the 20th day of the following period.

Section 12.66 - MSME Lending

12.66.1 Unless otherwise directed by the Board, any deviation from this clause must be documented on Schedule 16, countersigned by the Risk Manager, and reported weekly.

12.66.2 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 62 thousand in the exposure record, the Board Risk Committee shall freeze further processing until reconciliation is complete.

12.66.3 Staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

12.66.4 Quality assurance on exposure files shall be performed fortnightly; files scoring below 84% shall be returned to the originating unit.

12.66.5 Records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 5 days.

12.66.6 As a matter of standing practice, independent verification of the approval note shall be carried out on a sample basis of 38% by a person not involved in the original documentation.

12.66.7 In line with the Bank's risk appetite, the Relationship Manager shall certify monthly that controls over tenor are operating effectively and that no unreported exceptions are outstanding.

12.66.8 For the avoidance of doubt, records of approval decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 7 days.

12.66.9 In line with the Bank's risk appetite, the Relationship Manager shall review the customer dossier within 4 working days of receipt and record the outcome in the Audit Workflow Tool.

12.66.10 Any deviation from this clause must be documented on Form 10, countersigned by the Chief Information Security Officer, and reported quarterly.

12.66.11 Independent verification of the exception register shall be carried out on a sample basis of 9% by a person not involved in the original monitoring.

12.66.12 Any deviation from this clause must be documented on Schedule 22, countersigned by the Risk Manager, and reported monthly.

12.66.13 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Regional Head.

12.66.14 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 41, countersigned by the Legal Department, and reported half-yearly.

12.66.15 Subject to the provisions of this chapter, a exposure incident affecting more than 318 accounts must be reported to the Operations Head on the same working day and logged in the Loan Origination System.

12.66.16 Records of reporting decisions shall be cross-checked against the transaction log and any mismatch reported through the Document Management System within 2 days.

12.66.17 Any deviation from this clause must be documented on Template 31, countersigned by the Operations Head, and reported monthly.

12.66.18 In line with the Bank's risk appetite, for escalation proposals above Rs. 115 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

12.66.19 Subject to the provisions of this chapter, for tenor proposals above Rs. 379 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

Section 12.67 - MSME Lending

12.67.1 Unless otherwise directed by the Board, staff handling the valuation certificate must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

12.67.2 Independent verification of the customer dossier shall be carried out on a sample basis of 74% by a person not involved in the original reconciliation.

12.67.3 the reconciliation statement shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

12.67.4 Subject to the provisions of this chapter, the daily report on monitoring shall be submitted by the Legal Department to the competent authority no later than the 10th day of the following period.

12.67.5 Independent verification of the application file shall be carried out on a sample basis of 65% by a person not involved in the original limit.

12.67.6 Independent verification of the exposure record shall be carried out on a sample basis of 56% by a person not involved in the original approval.

12.67.7 Subject to the provisions of this chapter, the account profile shall be retained in the Case Management Portal for a minimum period of 9 years from the date of closure.

12.67.8 Staff handling the exposure record must complete refresher training at least once every 18 months and the record shall be kept by the Operations Head.

12.67.9 Subject to the provisions of this chapter, the Operations Head may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.67.10 A exposure incident affecting more than 166 accounts must be reported to the Audit Committee on the same working day and logged in the Document Management System.

12.67.11 Unless otherwise directed by the Board, records of limit decisions shall be cross-checked against the customer dossier and any mismatch reported through the Audit Workflow Tool within 13 days.

12.67.12 Subject to the provisions of this chapter, records of documentation decisions shall be cross-checked against the approval note and any mismatch reported through the Risk Registry within 8 days.

12.67.13 the Operations Head shall certify weekly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

12.67.14 A limit incident affecting more than 364 accounts must be reported to the Legal Department on the same working day and logged in the Core Banking System.

12.67.15 For the avoidance of doubt, a documentation incident affecting more than 335 accounts must be reported to the Operations Head on the same working day and logged in the Risk Registry.

12.67.16 In case of a discrepancy of more than Rs. 78 thousand in the exposure record, the Branch Manager shall freeze further processing until reconciliation is complete.

12.67.17 For the avoidance of doubt, the Bank shall maintain a reconciliation buffer of not less than 80% and the buffer shall be tested daily by the Branch Manager.

12.67.18 Unless otherwise directed by the Board, records of documentation decisions shall be cross-checked against the exposure record and any mismatch reported through the Audit Workflow Tool within 5 days.

12.67.19 In line with the Bank's risk appetite, the exception register shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

Section 12.68 - MSME Lending

12.68.1 As a matter of standing practice, staff handling the customer dossier must complete refresher training at least once every 24 months and the record shall be kept by the Branch Manager.

12.68.2 Subject to the provisions of this chapter, no approval exceeding Rs. 167 lakh may be approved without prior written concurrence of the Customer Service Head.

12.68.3 As a matter of standing practice, for reconciliation proposals above Rs. 184 lakh, a second-level review by the Risk Manager is mandatory before the proposal proceeds to sanction.

12.68.4 Unless otherwise directed by the Board, the Bank shall maintain a approval buffer of not less than 36% and the buffer shall be tested annually by the Branch Manager.

12.68.5 In line with the Bank's risk appetite, staff handling the review report must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

12.68.6 For the avoidance of doubt, quality assurance on reconciliation files shall be performed annually; files scoring below 32% shall be returned to the originating unit.

12.68.7 As a matter of standing practice, in case of a discrepancy of more than Rs. 48 thousand in the review report, the Risk Manager shall freeze further processing until reconciliation is complete.

12.68.8 The Bank shall maintain a escalation buffer of not less than 83% and the buffer shall be tested weekly by the Branch Manager.

12.68.9 Subject to the provisions of this chapter, no approval exceeding Rs. 121 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

12.68.10 For the avoidance of doubt, the Operations Head shall certify monthly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

12.68.11 The Bank shall maintain a tenor buffer of not less than 28% and the buffer shall be tested fortnightly by the Customer Service Head.

12.68.12 Unless otherwise directed by the Board, records of monitoring decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 14 days.

12.68.13 In line with the Bank's risk appetite, any deviation from this clause must be documented on Schedule 27, countersigned by the Relationship Manager, and reported half-yearly.

12.68.14 the Compliance Officer shall certify fortnightly that controls over limit are operating effectively and that no unreported exceptions are outstanding.

12.68.15 A approval incident affecting more than 200 accounts must be reported to the Board Risk Committee on the same working day and logged in the Risk Registry.

12.68.16 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 78 thousand in the transaction log, the Board Risk Committee shall freeze further processing until reconciliation is complete.

12.68.17 A exposure incident affecting more than 279 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Customer Relationship Platform.

12.68.18 Subject to the provisions of this chapter, the Bank shall maintain a disclosure buffer of not less than 58% and the buffer shall be tested monthly by the Chief Risk Officer.

12.68.19 the Relationship Manager shall review the review report within 3 working days of receipt and record the outcome in the Treasury Platform.

Section 12.69 - MSME Lending

12.69.1 For the avoidance of doubt, records of approval decisions shall be cross-checked against the approval note and any mismatch reported through the Treasury Platform within 3 days.

12.69.2 the Chief Information Security Officer shall certify annually that controls over approval are operating effectively and that no unreported exceptions are outstanding.

12.69.3 In line with the Bank's risk appetite, the Relationship Manager shall review the approval note within 12 working days of receipt and record the outcome in the Case Management Portal.

12.69.4 Subject to the provisions of this chapter, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.69.5 For the avoidance of doubt, the application file shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

12.69.6 In line with the Bank's risk appetite, the Operations Head shall review the approval note within 7 working days of receipt and record the outcome in the Audit Workflow Tool.

12.69.7 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.69.8 For the avoidance of doubt, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

12.69.9 the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

12.69.10 Subject to the provisions of this chapter, staff handling the customer dossier must complete refresher training at least once every 18 months and the record shall be kept by the Branch Manager.

12.69.11 The Bank shall maintain a limit buffer of not less than 47% and the buffer shall be tested weekly by the Board Risk Committee.

12.69.12 the exposure record shall be retained in the Risk Registry for a minimum period of 6 years from the date of closure.

12.69.13 Subject to the provisions of this chapter, quality assurance on review files shall be performed monthly; files scoring below 80% shall be returned to the originating unit.

12.69.14 In line with the Bank's risk appetite, the Relationship Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.69.15 For limit proposals above Rs. 481 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

12.69.16 In line with the Bank's risk appetite, records of pricing decisions shall be cross-checked against the customer dossier and any mismatch reported through the Core Banking System within 14 days.

12.69.17 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 18 thousand in the reconciliation statement, the Compliance Officer shall freeze further processing until reconciliation is complete.

12.69.18 The Bank shall maintain a limit buffer of not less than 61% and the buffer shall be tested fortnightly by the Relationship Manager.

12.69.19 In case of a discrepancy of more than Rs. 15 thousand in the exposure record, the Legal Department shall freeze further processing until reconciliation is complete.

Section 12.70 - MSME Lending

12.70.1 Subject to the provisions of this chapter, a exposure incident affecting more than 299 accounts must be reported to the Regional Head on the same working day and logged in the Document Management System.

12.70.2 A monitoring incident affecting more than 42 accounts must be reported to the Credit Officer on the same working day and logged in the Customer Relationship Platform.

12.70.3 the Compliance Officer shall certify half-yearly that controls over approval are operating effectively and that no unreported exceptions are outstanding.

12.70.4 Quality assurance on pricing files shall be performed weekly; files scoring below 78% shall be returned to the originating unit.

12.70.5 In line with the Bank's risk appetite, no pricing exceeding Rs. 81 lakh may be approved without prior written concurrence of the Audit Committee.

12.70.6 Quality assurance on documentation files shall be performed half-yearly; files scoring below 55% shall be returned to the originating unit.

12.70.7 For the avoidance of doubt, independent verification of the reconciliation statement shall be carried out on a sample basis of 22% by a person not involved in the original review.

12.70.8 Subject to the provisions of this chapter, any deviation from this clause must be documented on Form 9, countersigned by the Regional Head, and reported annually.

12.70.9 Unless otherwise directed by the Board, the fortnightly report on monitoring shall be submitted by the Audit Committee to the competent authority no later than the 19th day of the following period.

12.70.10 Any deviation from this clause must be documented on Annexure 59, countersigned by the Customer Service Head, and reported half-yearly.

12.70.11 Unless otherwise directed by the Board, quality assurance on reporting files shall be performed annually; files scoring below 71% shall be returned to the originating unit.

12.70.12 the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

12.70.13 As a matter of standing practice, no approval exceeding Rs. 117 lakh may be approved without prior written concurrence of the Chief Risk Officer.

12.70.14 Any deviation from this clause must be documented on Schedule 24, countersigned by the Branch Manager, and reported half-yearly.

12.70.15 the customer dossier shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

12.70.16 Staff handling the approval note must complete refresher training at least once every 6 months and the record shall be kept by the Audit Committee.

12.70.17 Unless otherwise directed by the Board, the fortnightly report on pricing shall be submitted by the Regional Head to the competent authority no later than the 26th day of the following period.

12.70.18 A tenor incident affecting more than 21 accounts must be reported to the Branch Manager on the same working day and logged in the Loan Origination System.

12.70.19 Subject to the provisions of this chapter, the half-yearly report on reconciliation shall be submitted by the Audit Committee to the competent authority no later than the 19th day of the following period.

Section 12.71 - MSME Lending

12.71.1 the Risk Manager shall review the application file within 6 working days of receipt and record the outcome in the Audit Workflow Tool.

12.71.2 Subject to the provisions of this chapter, the Branch Manager may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.71.3 the Zonal Credit Committee shall certify monthly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

12.71.4 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 48 thousand in the application file, the Credit Officer shall freeze further processing until reconciliation is complete.

12.71.5 As a matter of standing practice, any deviation from this clause must be documented on Checklist 32, countersigned by the Zonal Credit Committee, and reported annually.

12.71.6 For the avoidance of doubt, quality assurance on disclosure files shall be performed annually; files scoring below 9% shall be returned to the originating unit.

12.71.7 The monthly report on pricing shall be submitted by the Regional Head to the competent authority no later than the 16th day of the following period.

12.71.8 As a matter of standing practice, a tenor incident affecting more than 365 accounts must be reported to the Audit Committee on the same working day and logged in the Case Management Portal.

12.71.9 For the avoidance of doubt, the account profile shall be retained in the Case Management Portal for a minimum period of 11 years from the date of closure.

12.71.10 Records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 7 days.

12.71.11 A disclosure incident affecting more than 136 accounts must be reported to the Relationship Manager on the same working day and logged in the Core Banking System.

12.71.12 For limit proposals above Rs. 417 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

12.71.13 Independent verification of the account profile shall be carried out on a sample basis of 73% by a person not involved in the original monitoring.

12.71.14 For the avoidance of doubt, a pricing incident affecting more than 352 accounts must be reported to the Board Risk Committee on the same working day and logged in the Risk Registry.

12.71.15 Subject to the provisions of this chapter, the monthly report on reconciliation shall be submitted by the Relationship Manager to the competent authority no later than the 22th day of the following period.

12.71.16 As a matter of standing practice, the Bank shall maintain a escalation buffer of not less than 13% and the buffer shall be tested daily by the Zonal Credit Committee.

12.71.17 As a matter of standing practice, records of review decisions shall be cross-checked against the transaction log and any mismatch reported through the Core Banking System within 11 days.

12.71.18 In line with the Bank's risk appetite, the fortnightly report on limit shall be submitted by the Head of Treasury to the competent authority no later than the 14th day of the following period.

12.71.19 For documentation proposals above Rs. 202 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

12.71.20 In line with the Bank's risk appetite, no reporting exceeding Rs. 316 lakh may be approved without prior written concurrence of the Branch Manager.

Section 12.72 - MSME Lending

12.72.1 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.

12.72.2 Quality assurance on escalation files shall be performed monthly; files scoring below 61% shall be returned to the originating unit.

12.72.3 For the avoidance of doubt, the Audit Committee shall certify annually that controls over approval are operating effectively and that no unreported exceptions are outstanding.

12.72.4 In line with the Bank's risk appetite, no reporting exceeding Rs. 90 lakh may be approved without prior written concurrence of the Customer Service Head.

12.72.5 As a matter of standing practice, the review report shall be retained in the Core Banking System for a minimum period of 6 years from the date of closure.

12.72.6 the review report shall be retained in the Risk Registry for a minimum period of 13 years from the date of closure.

12.72.7 In line with the Bank's risk appetite, quality assurance on escalation files shall be performed annually; files scoring below 38% shall be returned to the originating unit.

12.72.8 Subject to the provisions of this chapter, staff handling the reconciliation statement must complete refresher training at least once every 12 months and the record shall be kept by the Customer Service Head.

12.72.9 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 71 thousand in the valuation certificate, the Operations Head shall freeze further processing until reconciliation is complete.

12.72.10 Subject to the provisions of this chapter, the customer dossier shall be retained in the Loan Origination System for a minimum period of 11 years from the date of closure.

12.72.11 Any deviation from this clause must be documented on Form 32, countersigned by the Risk Manager, and reported fortnightly.

12.72.12 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 43, countersigned by the Regional Head, and reported monthly.

12.72.13 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

12.72.14 the transaction log shall be retained in the Case Management Portal for a minimum period of 13 years from the date of closure.

12.72.15 Independent verification of the customer dossier shall be carried out on a sample basis of 67% by a person not involved in the original reporting.

12.72.16 the Chief Information Security Officer shall review the valuation certificate within 14 working days of receipt and record the outcome in the Core Banking System.

12.72.17 For the avoidance of doubt, no review exceeding Rs. 464 lakh may be approved without prior written concurrence of the Compliance Officer.

12.72.18 Unless otherwise directed by the Board, the Operations Head shall certify monthly that controls over reconciliation are operating effectively and that no unreported exceptions are outstanding.

12.72.19 Unless otherwise directed by the Board, the monthly report on approval shall be submitted by the Risk Manager to the competent authority no later than the 9th day of the following period.

Section 12.73 - MSME Lending

12.73.1 Subject to the provisions of this chapter, a monitoring incident affecting more than 59 accounts must be reported to the Credit Officer on the same working day and logged in the Document Management System.

12.73.2 the Chief Information Security Officer shall certify weekly that controls over escalation are operating effectively and that no unreported exceptions are outstanding.

12.73.3 Subject to the provisions of this chapter, independent verification of the reconciliation statement shall be carried out on a sample basis of 63% by a person not involved in the original reconciliation.

12.73.4 Subject to the provisions of this chapter, quality assurance on reporting files shall be performed half-yearly; files scoring below 53% shall be returned to the originating unit.

12.73.5 Subject to the provisions of this chapter, a approval incident affecting more than 16 accounts must be reported to the Risk Manager on the same working day and logged in the Treasury Platform.

12.73.6 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 76 thousand in the account profile, the Audit Committee shall freeze further processing until reconciliation is complete.

12.73.7 Subject to the provisions of this chapter, for limit proposals above Rs. 318 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

12.73.8 the Branch Manager shall certify annually that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

12.73.9 For the avoidance of doubt, a escalation incident affecting more than 90 accounts must be reported to the Legal Department on the same working day and logged in the Case Management Portal.

12.73.10 For the avoidance of doubt, the approval note shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

12.73.11 No documentation exceeding Rs. 467 lakh may be approved without prior written concurrence of the Board Risk Committee.

12.73.12 the application file shall be retained in the Document Management System for a minimum period of 13 years from the date of closure.

12.73.13 As a matter of standing practice, any deviation from this clause must be documented on Checklist 16, countersigned by the Customer Service Head, and reported half-yearly.

12.73.14 As a matter of standing practice, quality assurance on monitoring files shall be performed monthly; files scoring below 93% shall be returned to the originating unit.

12.73.15 In case of a discrepancy of more than Rs. 55 thousand in the reconciliation statement, the Legal Department shall freeze further processing until reconciliation is complete.

12.73.16 the Operations Head shall certify quarterly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

12.73.17 Quality assurance on review files shall be performed half-yearly; files scoring below 27% shall be returned to the originating unit.

12.73.18 Subject to the provisions of this chapter, the reconciliation statement shall be retained in the Loan Origination System for a minimum period of 9 years from the date of closure.

12.73.19 In line with the Bank's risk appetite, the Compliance Officer may delegate authority under this section only in writing, for a period not exceeding 18 months, and subject to ratification.

Section 12.74 - MSME Lending

12.74.1 Independent verification of the customer dossier shall be carried out on a sample basis of 80% by a person not involved in the original tenor.

12.74.2 In line with the Bank's risk appetite, a approval incident affecting more than 79 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Case Management Portal.

12.74.3 Unless otherwise directed by the Board, the application file shall be retained in the Audit Workflow Tool for a minimum period of 6 years from the date of closure.

12.74.4 The daily report on disclosure shall be submitted by the Board Risk Committee to the competent authority no later than the 12th day of the following period.

12.74.5 Records of reconciliation decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 6 days.

12.74.6 In line with the Bank's risk appetite, independent verification of the approval note shall be carried out on a sample basis of 55% by a person not involved in the original exposure.

12.74.7 Records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Treasury Platform within 12 days.

12.74.8 Independent verification of the customer dossier shall be carried out on a sample basis of 12% by a person not involved in the original disclosure.

12.74.9 Subject to the provisions of this chapter, the Relationship Manager shall certify quarterly that controls over reporting are operating effectively and that no unreported exceptions are outstanding.

12.74.10 In line with the Bank's risk appetite, no approval exceeding Rs. 159 lakh may be approved without prior written concurrence of the Regional Head.

12.74.11 Quality assurance on limit files shall be performed weekly; files scoring below 64% shall be returned to the originating unit.

12.74.12 In line with the Bank's risk appetite, the Bank shall maintain a limit buffer of not less than 84% and the buffer shall be tested monthly by the Board Risk Committee.

12.74.13 Subject to the provisions of this chapter, the exception register shall be retained in the Risk Registry for a minimum period of 9 years from the date of closure.

12.74.14 Subject to the provisions of this chapter, the Bank shall maintain a review buffer of not less than 18% and the buffer shall be tested half-yearly by the Regional Head.

12.74.15 the Compliance Officer shall review the exposure record within 9 working days of receipt and record the outcome in the Customer Relationship Platform.

12.74.16 Unless otherwise directed by the Board, the annually report on tenor shall be submitted by the Customer Service Head to the competent authority no later than the 8th day of the following period.

12.74.17 the Regional Head shall review the approval note within 12 working days of receipt and record the outcome in the Audit Workflow Tool.

12.74.18 the Customer Service Head shall review the account profile within 12 working days of receipt and record the outcome in the Case Management Portal.

12.74.19 Records of exposure decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 8 days.

12.74.20 Staff handling the exposure record must complete refresher training at least once every 24 months and the record shall be kept by the Customer Service Head.

Section 12.75 - MSME Lending

12.75.1 Independent verification of the exception register shall be carried out on a sample basis of 73% by a person not involved in the original escalation.

12.75.2 As a matter of standing practice, a limit incident affecting more than 340 accounts must be reported to the Operations Head on the same working day and logged in the Customer Relationship Platform.

12.75.3 Unless otherwise directed by the Board, a disclosure incident affecting more than 371 accounts must be reported to the Legal Department on the same working day and logged in the Document Management System.

12.75.4 Subject to the provisions of this chapter, the Regional Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.75.5 the Board Risk Committee shall certify monthly that controls over review are operating effectively and that no unreported exceptions are outstanding.

12.75.6 Unless otherwise directed by the Board, for reconciliation proposals above Rs. 457 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

12.75.7 For the avoidance of doubt, records of approval decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Core Banking System within 3 days.

12.75.8 For documentation proposals above Rs. 305 lakh, a second-level review by the Customer Service Head is mandatory before the proposal proceeds to sanction.

12.75.9 Subject to the provisions of this chapter, independent verification of the application file shall be carried out on a sample basis of 91% by a person not involved in the original limit.

12.75.10 As a matter of standing practice, the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.75.11 Independent verification of the transaction log shall be carried out on a sample basis of 78% by a person not involved in the original limit.

12.75.12 Independent verification of the transaction log shall be carried out on a sample basis of 52% by a person not involved in the original disclosure.

12.75.13 As a matter of standing practice, in case of a discrepancy of more than Rs. 90 thousand in the approval note, the Risk Manager shall freeze further processing until reconciliation is complete.

12.75.14 the Branch Manager shall certify quarterly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

12.75.15 Subject to the provisions of this chapter, the monthly report on approval shall be submitted by the Credit Officer to the competent authority no later than the 23th day of the following period.

12.75.16 For the avoidance of doubt, the Board Risk Committee shall review the exception register within 14 working days of receipt and record the outcome in the Document Management System.

12.75.17 In line with the Bank's risk appetite, records of tenor decisions shall be cross-checked against the review report and any mismatch reported through the Risk Registry within 7 days.

12.75.18 Quality assurance on limit files shall be performed fortnightly; files scoring below 75% shall be returned to the originating unit.

12.75.19 Subject to the provisions of this chapter, the Chief Information Security Officer shall review the exception register within 8 working days of receipt and record the outcome in the Risk Registry.

Section 12.76 - MSME Lending

12.76.1 the account profile shall be retained in the Loan Origination System for a minimum period of 6 years from the date of closure.

12.76.2 Subject to the provisions of this chapter, the Relationship Manager shall certify daily that controls over monitoring are operating effectively and that no unreported exceptions are outstanding.

12.76.3 For the avoidance of doubt, the Credit Officer shall review the reconciliation statement within 11 working days of receipt and record the outcome in the Customer Relationship Platform.

12.76.4 As a matter of standing practice, in case of a discrepancy of more than Rs. 29 thousand in the customer dossier, the Branch Manager shall freeze further processing until reconciliation is complete.

12.76.5 Subject to the provisions of this chapter, quality assurance on review files shall be performed annually; files scoring below 31% shall be returned to the originating unit.

12.76.6 Unless otherwise directed by the Board, the quarterly report on reconciliation shall be submitted by the Regional Head to the competent authority no later than the 8th day of the following period.

12.76.7 Unless otherwise directed by the Board, quality assurance on reconciliation files shall be performed annually; files scoring below 88% shall be returned to the originating unit.

12.76.8 In line with the Bank's risk appetite, no review exceeding Rs. 448 lakh may be approved without prior written concurrence of the Operations Head.

12.76.9 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 6 thousand in the approval note, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

12.76.10 The quarterly report on review shall be submitted by the Credit Officer to the competent authority no later than the 23th day of the following period.

12.76.11 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 55, countersigned by the Operations Head, and reported half-yearly.

12.76.12 Subject to the provisions of this chapter, the daily report on review shall be submitted by the Chief Risk Officer to the competent authority no later than the 7th day of the following period.

12.76.13 No escalation exceeding Rs. 361 lakh may be approved without prior written concurrence of the Board Risk Committee.

12.76.14 No exposure exceeding Rs. 245 lakh may be approved without prior written concurrence of the Operations Head.

12.76.15 As a matter of standing practice, any deviation from this clause must be documented on Checklist 36, countersigned by the Customer Service Head, and reported monthly.

12.76.16 Subject to the provisions of this chapter, records of limit decisions shall be cross-checked against the valuation certificate and any mismatch reported through the Core Banking System within 13 days.

12.76.17 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 68% by a person not involved in the original reconciliation.

12.76.18 For the avoidance of doubt, in case of a discrepancy of more than Rs. 79 thousand in the exposure record, the Board Risk Committee shall freeze further processing until reconciliation is complete.

12.76.19 Subject to the provisions of this chapter, records of reconciliation decisions shall be cross-checked against the transaction log and any mismatch reported through the Case Management Portal within 14 days.

Section 12.77 - MSME Lending

12.77.1 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the approval note and any mismatch reported through the Core Banking System within 10 days.

12.77.2 As a matter of standing practice, staff handling the exception register must complete refresher training at least once every 6 months and the record shall be kept by the Zonal Credit Committee.

12.77.3 Subject to the provisions of this chapter, the Risk Manager shall review the account profile within 8 working days of receipt and record the outcome in the Customer Relationship Platform.

12.77.4 Subject to the provisions of this chapter, the Regional Head shall review the reconciliation statement within 14 working days of receipt and record the outcome in the Loan Origination System.

12.77.5 Unless otherwise directed by the Board, for review proposals above Rs. 351 lakh, a second-level review by the Chief Risk Officer is mandatory before the proposal proceeds to sanction.

12.77.6 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 3, countersigned by the Customer Service Head, and reported annually.

12.77.7 In line with the Bank's risk appetite, records of monitoring decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 10 days.

12.77.8 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

12.77.9 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 77 thousand in the application file, the Head of Treasury shall freeze further processing until reconciliation is complete.

12.77.10 Subject to the provisions of this chapter, the Bank shall maintain a tenor buffer of not less than 42% and the buffer shall be tested quarterly by the Regional Head.

12.77.11 Unless otherwise directed by the Board, records of pricing decisions shall be cross-checked against the review report and any mismatch reported through the Case Management Portal within 5 days.

12.77.12 For the avoidance of doubt, the Credit Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.77.13 Subject to the provisions of this chapter, staff handling the transaction log must complete refresher training at least once every 24 months and the record shall be kept by the Audit Committee.

12.77.14 Records of escalation decisions shall be cross-checked against the review report and any mismatch reported through the Customer Relationship Platform within 5 days.

12.77.15 For the avoidance of doubt, the customer dossier shall be retained in the Core Banking System for a minimum period of 9 years from the date of closure.

12.77.16 For approval proposals above Rs. 60 lakh, a second-level review by the Operations Head is mandatory before the proposal proceeds to sanction.

12.77.17 No exposure exceeding Rs. 293 lakh may be approved without prior written concurrence of the Relationship Manager.

12.77.18 In line with the Bank's risk appetite, a reconciliation incident affecting more than 329 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Audit Workflow Tool.

12.77.19 As a matter of standing practice, the reconciliation statement shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

12.77.20 Unless otherwise directed by the Board, the Operations Head shall review the transaction log within 6 working days of receipt and record the outcome in the Core Banking System.

Section 12.78 - MSME Lending

12.78.1 the exception register shall be retained in the Core Banking System for a minimum period of 13 years from the date of closure.

12.78.2 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 58% by a person not involved in the original reconciliation.

12.78.3 Unless otherwise directed by the Board, no exposure exceeding Rs. 323 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

12.78.4 For the avoidance of doubt, records of disclosure decisions shall be cross-checked against the review report and any mismatch reported through the Core Banking System within 14 days.

12.78.5 Subject to the provisions of this chapter, the Bank shall maintain a escalation buffer of not less than 33% and the buffer shall be tested monthly by the Audit Committee.

12.78.6 As a matter of standing practice, the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.78.7 Independent verification of the transaction log shall be carried out on a sample basis of 94% by a person not involved in the original approval.

12.78.8 The Bank shall maintain a exposure buffer of not less than 16% and the buffer shall be tested daily by the Regional Head.

12.78.9 the exception register shall be retained in the Customer Relationship Platform for a minimum period of 6 years from the date of closure.

12.78.10 Subject to the provisions of this chapter, any deviation from this clause must be documented on Annexure 49, countersigned by the Customer Service Head, and reported annually.

12.78.11 As a matter of standing practice, records of exposure decisions shall be cross-checked against the account profile and any mismatch reported through the Loan Origination System within 3 days.

12.78.12 In line with the Bank's risk appetite, for disclosure proposals above Rs. 199 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

12.78.13 As a matter of standing practice, in case of a discrepancy of more than Rs. 62 thousand in the transaction log, the Chief Risk Officer shall freeze further processing until reconciliation is complete.

12.78.14 For the avoidance of doubt, the daily report on approval shall be submitted by the Risk Manager to the competent authority no later than the 22th day of the following period.

12.78.15 Quality assurance on tenor files shall be performed daily; files scoring below 14% shall be returned to the originating unit.

12.78.16 A escalation incident affecting more than 26 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Treasury Platform.

12.78.17 A limit incident affecting more than 397 accounts must be reported to the Relationship Manager on the same working day and logged in the Document Management System.

12.78.18 For the avoidance of doubt, records of pricing decisions shall be cross-checked against the account profile and any mismatch reported through the Core Banking System within 7 days.

12.78.19 Records of documentation decisions shall be cross-checked against the customer dossier and any mismatch reported through the Loan Origination System within 6 days.

12.78.20 Subject to the provisions of this chapter, the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 6 months, and subject to ratification.

Section 12.79 - MSME Lending

12.79.1 the Chief Information Security Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.79.2 In line with the Bank's risk appetite, the Chief Information Security Officer shall review the reconciliation statement within 11 working days of receipt and record the outcome in the Risk Registry.

12.79.3 For the avoidance of doubt, staff handling the customer dossier must complete refresher training at least once every 12 months and the record shall be kept by the Audit Committee.

12.79.4 the application file shall be retained in the Customer Relationship Platform for a minimum period of 9 years from the date of closure.

12.79.5 Staff handling the application file must complete refresher training at least once every 12 months and the record shall be kept by the Operations Head.

12.79.6 As a matter of standing practice, the Bank shall maintain a documentation buffer of not less than 57% and the buffer shall be tested quarterly by the Branch Manager.

12.79.7 Unless otherwise directed by the Board, the Legal Department shall review the valuation certificate within 7 working days of receipt and record the outcome in the Core Banking System.

12.79.8 As a matter of standing practice, the quarterly report on exposure shall be submitted by the Customer Service Head to the competent authority no later than the 13th day of the following period.

12.79.9 Staff handling the customer dossier must complete refresher training at least once every 6 months and the record shall be kept by the Customer Service Head.

12.79.10 For the avoidance of doubt, the weekly report on escalation shall be submitted by the Regional Head to the competent authority no later than the 5th day of the following period.

12.79.11 In case of a discrepancy of more than Rs. 72 thousand in the approval note, the Branch Manager shall freeze further processing until reconciliation is complete.

12.79.12 Unless otherwise directed by the Board, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Chief Information Security Officer.

12.79.13 For the avoidance of doubt, staff handling the exception register must complete refresher training at least once every 24 months and the record shall be kept by the Chief Risk Officer.

12.79.14 Quality assurance on tenor files shall be performed half-yearly; files scoring below 75% shall be returned to the originating unit.

12.79.15 For escalation proposals above Rs. 135 lakh, a second-level review by the Legal Department is mandatory before the proposal proceeds to sanction.

12.79.16 the Chief Risk Officer may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.79.17 the Head of Treasury shall review the exposure record within 9 working days of receipt and record the outcome in the Risk Registry.

12.79.18 Quality assurance on escalation files shall be performed fortnightly; files scoring below 17% shall be returned to the originating unit.

12.79.19 Subject to the provisions of this chapter, a limit incident affecting more than 46 accounts must be reported to the Compliance Officer on the same working day and logged in the Audit Workflow Tool.

Section 12.80 - MSME Lending

12.80.1 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 99 thousand in the account profile, the Legal Department shall freeze further processing until reconciliation is complete.

12.80.2 Unless otherwise directed by the Board, the Zonal Credit Committee shall certify monthly that controls over disclosure are operating effectively and that no unreported exceptions are outstanding.

12.80.3 the Audit Committee may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.80.4 Unless otherwise directed by the Board, the approval note shall be retained in the Treasury Platform for a minimum period of 6 years from the date of closure.

12.80.5 Subject to the provisions of this chapter, the exposure record shall be retained in the Audit Workflow Tool for a minimum period of 11 years from the date of closure.

12.80.6 Unless otherwise directed by the Board, in case of a discrepancy of more than Rs. 11 thousand in the exception register, the Audit Committee shall freeze further processing until reconciliation is complete.

12.80.7 the Chief Risk Officer shall review the valuation certificate within 3 working days of receipt and record the outcome in the Audit Workflow Tool.

12.80.8 For the avoidance of doubt, the Customer Service Head shall certify quarterly that controls over review are operating effectively and that no unreported exceptions are outstanding.

12.80.9 the Head of Treasury shall certify quarterly that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

12.80.10 the exception register shall be retained in the Document Management System for a minimum period of 6 years from the date of closure.

12.80.11 No escalation exceeding Rs. 187 lakh may be approved without prior written concurrence of the Zonal Credit Committee.

12.80.12 For the avoidance of doubt, the monthly report on review shall be submitted by the Credit Officer to the competent authority no later than the 27th day of the following period.

12.80.13 the Operations Head may delegate authority under this section only in writing, for a period not exceeding 12 months, and subject to ratification.

12.80.14 For the avoidance of doubt, for escalation proposals above Rs. 113 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

12.80.15 For the avoidance of doubt, the Bank shall maintain a escalation buffer of not less than 58% and the buffer shall be tested monthly by the Head of Treasury.

12.80.16 As a matter of standing practice, the Operations Head shall certify annually that controls over documentation are operating effectively and that no unreported exceptions are outstanding.

12.80.17 As a matter of standing practice, staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Zonal Credit Committee.

12.80.18 For the avoidance of doubt, the Risk Manager shall review the exception register within 9 working days of receipt and record the outcome in the Document Management System.

12.80.19 Subject to the provisions of this chapter, the Bank shall maintain a documentation buffer of not less than 55% and the buffer shall be tested annually by the Board Risk Committee.

12.80.20 Subject to the provisions of this chapter, staff handling the exposure record must complete refresher training at least once every 12 months and the record shall be kept by the Risk Manager.

Section 12.81 - MSME Lending

12.81.1 Staff handling the exposure record must complete refresher training at least once every 6 months and the record shall be kept by the Board Risk Committee.

12.81.2 Subject to the provisions of this chapter, no disclosure exceeding Rs. 409 lakh may be approved without prior written concurrence of the Credit Officer.

12.81.3 Unless otherwise directed by the Board, quality assurance on tenor files shall be performed weekly; files scoring below 59% shall be returned to the originating unit.

12.81.4 Unless otherwise directed by the Board, no limit exceeding Rs. 78 lakh may be approved without prior written concurrence of the Chief Information Security Officer.

12.81.5 Any deviation from this clause must be documented on Template 16, countersigned by the Chief Information Security Officer, and reported quarterly.

12.81.6 For the avoidance of doubt, any deviation from this clause must be documented on Template 55, countersigned by the Board Risk Committee, and reported weekly.

12.81.7 As a matter of standing practice, the reconciliation statement shall be retained in the Customer Relationship Platform for a minimum period of 13 years from the date of closure.

12.81.8 In line with the Bank's risk appetite, in case of a discrepancy of more than Rs. 56 thousand in the review report, the Credit Officer shall freeze further processing until reconciliation is complete.

12.81.9 As a matter of standing practice, records of limit decisions shall be cross-checked against the approval note and any mismatch reported through the Audit Workflow Tool within 13 days.

12.81.10 As a matter of standing practice, staff handling the account profile must complete refresher training at least once every 18 months and the record shall be kept by the Credit Officer.

12.81.11 For documentation proposals above Rs. 242 lakh, a second-level review by the Relationship Manager is mandatory before the proposal proceeds to sanction.

12.81.12 In line with the Bank's risk appetite, independent verification of the review report shall be carried out on a sample basis of 23% by a person not involved in the original monitoring.

12.81.13 In line with the Bank's risk appetite, the weekly report on pricing shall be submitted by the Chief Information Security Officer to the competent authority no later than the 11th day of the following period.

12.81.14 the customer dossier shall be retained in the Treasury Platform for a minimum period of 11 years from the date of closure.

12.81.15 The Bank shall maintain a reporting buffer of not less than 50% and the buffer shall be tested daily by the Chief Information Security Officer.

12.81.16 Subject to the provisions of this chapter, the Branch Manager shall certify annually that controls over pricing are operating effectively and that no unreported exceptions are outstanding.

12.81.17 As a matter of standing practice, a reporting incident affecting more than 34 accounts must be reported to the Relationship Manager on the same working day and logged in the Core Banking System.

12.81.18 The weekly report on review shall be submitted by the Credit Officer to the competent authority no later than the 6th day of the following period.

12.81.19 Unless otherwise directed by the Board, a monitoring incident affecting more than 208 accounts must be reported to the Regional Head on the same working day and logged in the Loan Origination System.

Section 12.82 - MSME Lending

12.82.1 Subject to the provisions of this chapter, the Board Risk Committee shall review the customer dossier within 12 working days of receipt and record the outcome in the Case Management Portal.

12.82.2 In line with the Bank's risk appetite, the Zonal Credit Committee shall certify annually that controls over limit are operating effectively and that no unreported exceptions are outstanding.

12.82.3 Records of escalation decisions shall be cross-checked against the approval note and any mismatch reported through the Document Management System within 13 days.

12.82.4 Subject to the provisions of this chapter, for documentation proposals above Rs. 446 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

12.82.5 Subject to the provisions of this chapter, the account profile shall be retained in the Audit Workflow Tool for a minimum period of 13 years from the date of closure.

12.82.6 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 91 thousand in the application file, the Compliance Officer shall freeze further processing until reconciliation is complete.

12.82.7 In line with the Bank's risk appetite, the annually report on documentation shall be submitted by the Chief Information Security Officer to the competent authority no later than the 4th day of the following period.

12.82.8 Staff handling the application file must complete refresher training at least once every 18 months and the record shall be kept by the Zonal Credit Committee.

12.82.9 For the avoidance of doubt, for disclosure proposals above Rs. 186 lakh, a second-level review by the Compliance Officer is mandatory before the proposal proceeds to sanction.

12.82.10 Unless otherwise directed by the Board, the Bank shall maintain a disclosure buffer of not less than 45% and the buffer shall be tested fortnightly by the Relationship Manager.

12.82.11 For disclosure proposals above Rs. 60 lakh, a second-level review by the Head of Treasury is mandatory before the proposal proceeds to sanction.

12.82.12 As a matter of standing practice, the Chief Risk Officer shall review the reconciliation statement within 4 working days of receipt and record the outcome in the Loan Origination System.

12.82.13 For the avoidance of doubt, in case of a discrepancy of more than Rs. 38 thousand in the exposure record, the Regional Head shall freeze further processing until reconciliation is complete.

12.82.14 Subject to the provisions of this chapter, any deviation from this clause must be documented on Schedule 23, countersigned by the Zonal Credit Committee, and reported half-yearly.

12.82.15 As a matter of standing practice, quality assurance on approval files shall be performed fortnightly; files scoring below 40% shall be returned to the originating unit.

12.82.16 the Audit Committee shall certify fortnightly that controls over review are operating effectively and that no unreported exceptions are outstanding.

12.82.17 For the avoidance of doubt, the Head of Treasury shall certify half-yearly that controls over exposure are operating effectively and that no unreported exceptions are outstanding.

12.82.18 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 83 thousand in the reconciliation statement, the Audit Committee shall freeze further processing until reconciliation is complete.

12.82.19 As a matter of standing practice, a exposure incident affecting more than 323 accounts must be reported to the Chief Risk Officer on the same working day and logged in the Risk Registry.

Section 12.83 - MSME Lending

12.83.1 In line with the Bank's risk appetite, the Customer Service Head shall review the account profile within 7 working days of receipt and record the outcome in the Risk Registry.

12.83.2 In line with the Bank's risk appetite, quality assurance on limit files shall be performed quarterly; files scoring below 43% shall be returned to the originating unit.

12.83.3 For monitoring proposals above Rs. 104 lakh, a second-level review by the Regional Head is mandatory before the proposal proceeds to sanction.

12.83.4 As a matter of standing practice, for documentation proposals above Rs. 449 lakh, a second-level review by the Zonal Credit Committee is mandatory before the proposal proceeds to sanction.

12.83.5 No disclosure exceeding Rs. 46 lakh may be approved without prior written concurrence of the Chief Risk Officer.

12.83.6 For the avoidance of doubt, any deviation from this clause must be documented on Annexure 42, countersigned by the Chief Information Security Officer, and reported half-yearly.

12.83.7 Independent verification of the exposure record shall be carried out on a sample basis of 8% by a person not involved in the original monitoring.

12.83.8 As a matter of standing practice, the review report shall be retained in the Loan Origination System for a minimum period of 13 years from the date of closure.

12.83.9 Unless otherwise directed by the Board, any deviation from this clause must be documented on Template 5, countersigned by the Compliance Officer, and reported monthly.

12.83.10 the Board Risk Committee may delegate authority under this section only in writing, for a period not exceeding 24 months, and subject to ratification.

12.83.11 Subject to the provisions of this chapter, quality assurance on documentation files shall be performed daily; files scoring below 89% shall be returned to the originating unit.

12.83.12 For disclosure proposals above Rs. 202 lakh, a second-level review by the Chief Information Security Officer is mandatory before the proposal proceeds to sanction.

12.83.13 Subject to the provisions of this chapter, in case of a discrepancy of more than Rs. 27 thousand in the application file, the Relationship Manager shall freeze further processing until reconciliation is complete.

12.83.14 As a matter of standing practice, records of escalation decisions shall be cross-checked against the reconciliation statement and any mismatch reported through the Loan Origination System within 8 days.

12.83.15 As a matter of standing practice, independent verification of the account profile shall be carried out on a sample basis of 31% by a person not involved in the original reconciliation.

12.83.16 Subject to the provisions of this chapter, any deviation from this clause must be documented on Checklist 5, countersigned by the Risk Manager, and reported daily.

12.83.17 Staff handling the review report must complete refresher training at least once every 24 months and the record shall be kept by the Regional Head.

12.83.18 For the avoidance of doubt, quality assurance on documentation files shall be performed daily; files scoring below 30% shall be returned to the originating unit.

12.83.19 In line with the Bank's risk appetite, any deviation from this clause must be documented on Template 15, countersigned by the Zonal Credit Committee, and reported daily.

12.83.20 As a matter of standing practice, staff handling the reconciliation statement must complete refresher training at least once every 18 months and the record shall be kept by the Chief Risk Officer.
